

# Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

*The official publication of*  
**HOLY LOVE, AN ECUMENICAL MINISTRY**

**February 2010**

*Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”*

*Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.*

**We welcome all people of all faiths.  
Prayer is a universal language.**

**All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.**

## **THE NEXT PROMISED MIDNIGHT VISIT WILL BE ON THE FEAST OF DIVINE MERCY SUNDAY, APRIL 10-11, 2010**

*“I have come to tell you that at midnight, dawning on the Feast of My Son’s Mercy, My Jesus will come to you in the Field of The United Hearts, and many graces will be given.”*

(Our Lady to Maureen, December 13, 2009)

**We will gather to pray at the United Hearts Shrine at 11:00 p.m. Saturday, April 10 and 3:00 p.m. Sunday, April 11. (The visionary may or may not be at the Sunday, 3:00 p.m. service.)**

### **February 1, 2010 / Monday - Peace in All Hearts through Holy Love**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

Jesus is nodding at the priests here. He says: “Thank you for answering My call to come here.”

“My brothers and sisters, tonight I remind you that it is only free will choices in the present moment that pull you away from Divine Love. Always choose in favor of Holy Love no matter how difficult it may be; then I will take you deep into My Heart of Hearts.”

“I love you, My little children.”

“I am blessing you with My Blessing of Divine Love.”

### **February 2, 2010 / Public (Temptation)**

St. Peter says: “Praise be to Jesus.”

“I am Peter, and first in the succession of Popes. The Heavenly Father sends me to begin a series of messages on temptation.”

“All sin is the direct result of disordered self-love - a condition every human is threatened by. When the sinner begins to love the sin more than he loves God and neighbor, he opens himself to the temptation. Herein lies the importance of every present moment; for it is in the present moment the sinner decides for or against Holy Love - for or against evil.”

“To love God above all else means you love God more than any pleasure, more than any self-gain, more

than reputation, money or power. In this, you must look into your own heart and learn to recognize the avenues of temptation Satan is using, and how he is tempting you. Now realizing the evil one's purpose, you have a solemn duty to avoid and to block these ports of entry into your heart. To do otherwise, you have an open heart to temptation and to sin."

#### **February 4, 2010 / Public**

(Temptation)

St. Peter says: "Praise be to Jesus."

"I have come to help you understand the inner depths of each present moment. Each moment carries with it the gift of grace and the trap of temptation. Very often the soul cannot ferret out the difference. This is because Satan clothes his temptations in seeming good. At the very least, temptation fulfills some form of gratification. This is why the soul must learn to put his own needs and desires last; God and neighbor first. As he practices Holy Love, he will become more adept at recognizing temptations."

"The grace to overpower temptation is always present to each soul in every present moment. The more the soul is purified in the Flame of Holy Love, the wiser his choices in the present moment, for it is Holy Love that carries with it the seed of wisdom which cultivates holiness."

#### **February 4, 2010 / Thursday - Conversion of all Priests, Religious, Bishops and Cardinals that they are convicted in, and live in the truth**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"I have come tonight to ask each one to cooperate deeply with the Divine Will of My Father. When you accept the grace and the cross of the present moment, you are living in the Divine Will; then I can act positively through you, turning souls towards Heaven. Just as I changed the water into wine, I can transform hearts by your efforts to live in the Divine Will."

"Tonight I'm blessing you with My Blessing of Divine Love."

#### **February 5, 2010 / Friday - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I offer you My Heart, which beats in unison with the Heart of the Eternal Father. Oh, if only the heart of the world were united to Our United Hearts. You must free yourselves of all self-interest so that you can be My true missionaries in a world whose heart is set upon sin."

"Tonight I'm blessing you with My Blessing of Divine Love."

#### **February 6, 2010 / Public**

"I am your Jesus, born Incarnate."

"Once again I come to tell you that world peace will not come to you through man's attempts to be united with one another. Man must first and foremost be united with God; then unity amongst all people and all nations will be genuine and long lasting."

"If humanity attempts to unite under love of power, money or control, the union will be under the auspices of Satan himself. Such a union is not under My Finger of Protection and will not survive the ravages of time, the violence chosen by free will or freakish acts of nature. Such unions will be stripped of their power, riches and rights. These things mankind calls upon himself and are permitted by the Divine Will of My Father. As such, it is the ongoing process of the purification before My Triumphant Return."

"By your efforts, turn back the Hand of Judgment. Pray and sacrifice most especially for an end to the evil of abortion. This sin alone calls upon the wrath of God. He will act, if you do not act, to appease His Heart."

"Recognize the value of every present moment. In eternity you will fully realize the power of your free will choices for or against Holy Love in every moment. Since there is no time in eternity, you will no longer have the power to choose good over evil."

"I tell you these things now as a fair warning. Never oppose good, such as prayer, out of self-interest. Your agendas will come to naught and you will be stripped of your power."

#### **February 7, 2010 / Public**

(Temptation)

St Peter says: "Praise be to Jesus."

"Today I have come to underscore the greatest temptation in the world today. It is the temptation which is the very foundation of all sin. It is the temptation which destroys nations, pulls souls to their perdition and attempts to undermine Heaven's intervention here. I speak of the temptation to compromise the truth."

“Remember, Satan is the father of lies. He makes evil look good, and good to appear evil. He inflates egos as a way of promoting his own agenda. He fosters the need for control, power and money in hearts by distorting the truth. Once truth is compromised, the soul is vulnerable to any temptation.”

“Take, for instance, the sin of abortion. Satan convinced the general public that life does not begin at conception. Once this truth was challenged, the groundwork for abortion was laid.”

“Let us look now at this particular Mission. It has changed many lives and has the potential to change a multitude more. So, of course, Satan challenged the truth of the Messages and the Mission itself. There is nothing confusing about the Mission or the Messages, but the enemy of all souls has made it seem so by compromising the truth.”

“The truth is compromised in every heart that willingly makes choices outside of Holy Love. The truth is compromised when the soul does not trust. In lack of trust in Jesus, he is trusting only in human effort, not Divine Providence.”

“So you can see the great weapon Satan has when he tempts a soul to compromise the truth. This is the cause of the loss of salvation.”

### **February 8, 2010 / Public** (Temptation)

St. Peter says: “Praise be to Jesus.”

“Once again I come to speak to you about temptation. It is always the pride of self-love that opens the soul to the compromise of truth. While no one should judge another’s motives, it is good to understand why any soul would embrace untruth. It is in this way temptations can be avoided.”

“The heart opens itself to Satan’s lies through the love of some sin, such as greed, lust, love of reputation or power. Once the truth is compromised, the sin seems reasonable and is embraced. Therefore, each heart needs to recognize where his affections lie and what ports of entry Satan uses to pull him into sin.”

“If a soul is unable to see the ways that Satan attacks him, he is weak and vulnerable to evil suggestions. The more the soul recognizes this, the stronger he becomes spiritually. To know your spiritual weaknesses is to increase your spiritual strength.”

“Every soul should pray to be shown this knowledge daily.”

“Say this prayer:”

*“Dear Jesus, show me the ways Satan is attacking me in this present moment. Be my armor, and strengthen me against his attacks. Amen.”*

The following prayer given by Jesus on July 13, 2007 should be said with the above prayer:

*“Your words, Lord, are Light and Truth. Your Provision, Your Mercy and Your Love come to me clothed in truth. Help me always to live in Your Truth. Assist me in recognizing Satan’s deceit in my own thoughts and in the thoughts, words and actions of others. Do not let humility elude me, as I know humility is truth itself. Amen.”*

### **February 8, 2010 / Monday - Peace in All Hearts through Holy Love**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I desire that you have full understanding that no one can enter Divine Love outside of the Truth of Holy Love. This is why entrance to My Heart, which is Divine Love, is always through the Heart of My Mother, which is Holy Love. Do not compromise what I have told you. Live in Holy Love.”

“Tonight I am blessing you with My Blessing of Divine Love.”

### **February 11, 2010 / Feast of Our Lady of Lourdes**

Our Lady comes as Our Lady of Lourdes. She says: “Praise be to Jesus.”

“Today Jesus allows that I return to earth once again in an effort to redirect the heart of the world. These Messages are reaching many, and some hearts are changing; but too many are not listening and continue on the path of perdition.”

“I ask today that the world see that planet earth is facing ruin, not through climate changes, which is only a human agenda towards control, but through the evil that is in hearts. Secretly, a movement has been started towards a One World Order. Now it is coming into the open. But this is an evil plan set in motion to benefit a few. God’s plan is for a New World Order of Holy Love.”

“God does not condone violence, the hoarding of power or worldly goods. God is not in any form of government that strips people of dignity and basic rights. God is not in secretive collusions.”

“The Will of God is Holy Love, which is truth itself. Those who set about trying to disdain Holy Love are not living in the truth. There are movements afoot in governments, society and the Church itself, which oppose the truth for seemingly some ‘worthy’ cause. Nothing based upon untruth is from God and will not succeed or last. Therefore, I call upon all that is just, truthful and loving within governments, society and the Church to unite in Holy Love. This must happen as a force to oppose the evil that claims hearts today.”

“Dear children, listen to your Heavenly Mother with your hearts today. I will bless your efforts to make these words to you known.”

**February 12, 2010 / For all those falsely accused within society, governments, and within Church circles; that all calumnies are exposed by truth**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, I desire that all people and all nations take up their rest in Our United Hearts; for it is through Holy and Divine Love you will arrive at peace in your hearts and in the world. Without this union you will have only temporary peace, temporary respites from war and terrorism, but nothing lasting. Pray for those who do not respond to My call.”

“Tonight I’m imparting to you My Blessing of Divine Love.”

**February 15, 2010 / Public**

“I am your Jesus, born Incarnate.”

“Do not allow fear to occupy any corner of your heart. I, your Jesus, know all of your needs before they formulate in your heart. I give you grace sufficient for each present moment.”

“Great graces always come with bigger crosses; but you need not pursue either grace or cross. Each will be given freely - abundantly - one balancing out the other. Often daily routine is a cross and a grace unto its own.”

“Give to Me every detail of your day. I will use even the smallest sacrifice so that truth can be victorious in every heart.”

**February 15, 2010 / Public**

(Temptation)

St. Peter says: “Praise be to Jesus.”

“I have come once again to address the topic of temptation. I invite sinners to realize that every temptation - great or small - comes clothed in Satan’s untruth. The untruth appeals to the god of self-love, for Satan knows best how to appeal to every heart.”

“This is the reason self-knowledge is paramount in the battle to be perfected in Holy Love.”

“Ponder my words to you today carefully. Allow them to become a part of your heart.”

**February 15, 2010 / Monday Service - Peace in All Hearts through Holy Love**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I ask you to surrender every question, every unsolved issue, every problem to My Heart. In doing so, you are acting with love and trust in Me. It is only when you surrender through loving trust that I am able to act in your hearts and in your lives.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

**February 19, 2010 / Public**

(Temptation)

St. Peter says: “Praise be to Jesus.”

“I have come to speak to you again about temptation. Temptations most often are not obvious, but always something that appeals to the senses or the soul’s well-being, something that supports disordered self-love.”

“The more the soul is strengthened in Holy Love, the greater his ability to ward off self-love and thus temptations. Holy Love needs to be the armor against temptation.”

“Satan is very pleased when he can tempt a soul to lack of trust in the Lord. He does so by pulling the heart out of the present moment and into the future. He presents the soul with every sort of reason not to trust, and every sort of possible events that may occur contrary to trust. This is how I, myself, was tempted to deny the Lord as He entered His Passion. I was tempted to fear facing the same demise as He did. I did not embrace Holy Love, the present moment, nor did I trust.”

“Please understand it is acceptable to consider the consequences of present moment decisions, but Holy Love must always be the determining factor of every decision. It is when concern for self takes over your decisions, that you have given in to temptation.”

**February 19, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, make a conscious effort with your free will to always trust in My Father’s Divine Provision in every present moment. The heart that opens the door to such trust receives more grace than the heart that remains aloof and doubts.”

“Tonight I’m imparting to you My Blessing of Divine Love.”

### **February 22, 2010 / Public**

(Temptation)

St. Peter says: “Praise be to Jesus.”

“Today I have come once again to address the subject of temptation. The soul opens his heart to temptation when he is motivated by self-interest alone. It is self-interest that convolutes goals and twists the truth. All sin begins at the doorway of disordered self-interest.”

“Holy Love cleanses the heart of self-interest and redirects the heart to focus on love of God and neighbor. Because lack of self-interest is the first step towards the victory of truth in every heart, Satan tries to consume every present moment with thoughts, words and actions directed towards self-interests.”

“The soul that wishes to be perfected in Holy Love must be aware of the ports of entry Satan uses to enter his heart. Let Holy Love stand vigil over every doorway to the heart, making the enemy’s access impossible.”

### **February 22, 2010 / Monday Service - Peace in All Hearts through Holy Love**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I ask you to always take up the service of others; for it is in this way you pick up your cross and follow Me. It is in this way you imitate Holy Love.”

“Tonight I’m imparting to you My Blessing of Divine Love.”

### **February 23, 2010 / Public**

Once again I see a great Flame that I have come to know as the Heart of the Eternal Father. He says: “I am the Eternal Now. I have come to express to you the Sorrow of My Paternal Heart. Throughout the history of mankind, I have suffered rejection at the hands of man. It began in the Garden of Eden. It continued after I gave the Ten Commandments to My servant Moses.”

“Even after I sent My Only Begotten Son [into the world] the heart of humanity did not change. My Son was rejected by the very ones He came to save. He was crucified by the pharisaical spirit which remains in the world today.”

“When I do try to intervene in world events today, I send My Son, His Mother or many saints. My efforts are still rejected by this same pharisaical spirit.”

“My Two Great Commandments - to love Me above all else and neighbor as self - are ignored by most.”

“False gods have taken My place in hearts - the gods of money, power, lust, reputation and control. These gods are dead ends and will never lead anyone to eternal life.”

“I will not be put off by the arrogance of mankind; nor shall I safeguard egos. I will continue My quest to further this Mission of Holy Love in hearts and in the world. I will not change My path; therefore, the enemy must.”

### **February 24, 2010 / Public / A.M.**

Blessed Mother says: “Praise be to Jesus.”

“Dear children, today your Heavenly Mother comes with love to help you understand completely the credibility of the graces poured out at this site of Heaven’s favor and through these Messages.”

“These days such graces are often viewed with envious hearts which inspire rash judgment and the desire to control - even abolish. In ages past, the good was weighed with any negative. But today, Church officials listen to any negative opinion and disregard any genuine, positive grace. This attitude is adopted with an eye to control. True discernment comes through the Spirit of Truth - not through any power or authority that seeks only to tear down and destroy.”

“The burden of discernment, therefore, lies with each individual. You must not rely solely upon unjust opinions, but look always with the eyes of truth into the action of grace at this apparition site and in these Messages.”

“Heaven comes here seeking each one’s salvation and affirming every soul’s duty towards his own personal holiness. A path is given you here - the path that leads through the Chambers of the United Hearts. It is a clear path leading to sanctification, if it is diligently followed.”

“It is only the action of evil that clouds the way for you. For who else would distort My call to the virtuous life and Heaven’s resounding call to truth itself?”

"These decades of Messages offered here will take many years of in-depth study before an honest and unbiased opinion can be offered. Do not allow the light of all that Heaven offers here to be buried under the cover of a hasty, cursory opinion. Within your own hearts, My dear children, discover the truth."

"I sorrow to have to reveal to you such truths as I have today. It is for the sake of souls I do so. Souls are the most important - not reputation, egos or title; these are passing - eternal salvation is not."

**February 24, 2010 / Public**

St. Joseph says: "Praise be to Jesus."

"Do not be surprised at the frankness with which the Holy Virgin has spoken to you this morning. Righteously She places the intricate truths of these Messages above the protection of power and authority which chooses to oppose Heaven's efforts here."

"Realize Heaven has chosen to protect the truth."

St. Catherine of Siena says: "Praise be to Jesus."

"True discernment must be free of self-interest. It is self-interest which imposes upon the Will of God and misdirects those who must lead in righteousness."

"This same self-interest promotes evil agendas which Satan clothes in goodness."

"Without discernment through the Holy Spirit, whole nations have been led astray."
