

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

March 2010

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

**We welcome all people of all faiths.
Prayer is a universal language.**

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

March 1, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I invite you to surrender every cross to My Most Sacred Heart. Herein My Father’s Divine Will will take charge over every situation, every problem. Accept willingly whatever the Divine Will has in store; for His solutions are perfect, and His Will Divine.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

March 2, 2010 / Public

“I am your Jesus, born Incarnate.”

“I tell you, the supreme virtue that wisely directs all hearts is trust in the Divine Will of God - in Divine Mercy and Divine Providence.”

“If human hearts could only surrender completely to the Eternal Divine Will, the decisions of all people and of whole nations would come under the protection of Divine Provision; whole governments and bodies of peoples would change direction. There would be no pending chastisement; terrorism and natural disasters would cease.

"But as it is these days, people trust too much in themselves - in human effort to accomplish and to solve everything. This is why the Protective Hand of God is withdrawing. This is why My Mother calls Her children with haste to conversion and to seek shelter in Her Immaculate Heart. Even so, Her most loving efforts are scoffed at. As She desires to lift the veil that clouds truth itself, mankind seeks to cover the truth and propagate lies."

"Today I encourage the ones who do trust in Me and in My Father's Will to persevere - persevere in truth and in righteousness."

March 3, 2010 / Public

(Temptation)

St. Peter says: "Praise be to Jesus."

"Today and during this age of confusion, there is a great temptation to be disloyal to the truth. Once again this temptation, as with all others, is born of self-interest. You must see, then, that self-interest often opposes reality in a quest for some personal agenda."

"Hearts that are thus predisposed can hardly offer a fair and unbiased discernment of situations which oppose their own will. This temptation against truth itself is responsible for negative discernment regarding private revelation today."

"Even in the desperate situation the world finds itself in, Heaven's advice and intervention is disregarded - even scoffed at; indeed, good is challenged while evil goes unchallenged. Modern communications are bringing decadence to the forefront; yet morality does not challenge such temptations - instead technology is lauded."

"If grievous sin is the norm, how far behind can God's Judgment be?"

"Realize that your 'yes' to temptation is also your 'yes' to God's wrath. Recognize the truth of my warning to you today."

March 4, 2010 / Public

(Jesus - After Communion - A.M.)

"Come with Me under the tree of life which is Holy Love. This tree grants shade to the weary traveler. It gives sustenance to the spiritually hungry. Climb into the branches of this tree and rest surrounded by the goodness of Holy Love."

TREE OF LIFE

March 4, 2010 / Public

P.M.

"I am your Jesus, born Incarnate."

"This morning I revealed to you how I regard Holy Love as the tree of life. It is, indeed, the tree of eternal life. Follow Me as I expound upon this visual."

"The roots of the tree of life are implanted in the soil of My Father's Divine Will. The roots and the tree itself are Holy Love. The fruit that the tree bears are all the virtues. In order to appreciate the fruit (the virtues), the soul must climb into the tree (that is, the soul needs to come into Holy Love.)"

"The higher the soul goes in the tree, the more exquisite the fruit."

March 5, 2010 / Public

(Temptation)

"St. Peter says: "Praise be to Jesus."

"I have come to help you see that any attack upon the truth is unjustified. In this light understand that to lead a consecrated life, one must also live in the truth."

"Today it is difficult, at best, to discern the reality of truth. Too often power and authority are used to support lies. The temptation to choose such an unjustified path is one of self-interest, not what is best for the salvation of souls. Avarice, love of power and its attendant spirit of love of control take over the heart, removing from the heart the love of souls and their salvation. Often false discernment is the by-product of refusal to accept whom God is working through. This, too, is a grave temptation of pride."

"Each soul is charged with the reality of discovering the truth. To do so, he may need to pray to overcome disordered self-love and all of its subsequent pitfalls - the greatest of which is rash judgment. This, in and of itself, is a great temptation and pitfall of Satan."

"See now, how many things weave together to help or hinder the consecrated soul from living in the truth. Be aware of Satan's snares which take root in pride. With humility search out the truth, for Satan has great difficulty in confusing and tempting the humble heart."

March 5, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I have come to ask you to lose sight of yourselves and focus on the cross which always leads to victory in some way. Be determined to focus on the triumph of the cross and not just the cross itself. Ask Me and I will assist you."

"Tonight I am blessing you with My Blessing of Divine Love."

March 8, 2010 / Public

(Temptation)

St. Peter says: "Praise be to Jesus."

"Please tell the people this for me. Any sin is the direct result of some weakness in Holy Love. Holy Love is the embodiment of the Ten Commandments. Therefore, a transgression in Holy Love is also a transgression of one or more of God's Commandments. Self-interest, if it is extreme, is a weakness in Holy Love. This is how Satan introduces temptation to the heart."

March 9, 2010 / Public

(Temptation)

St. Peter says: "Praise be to Jesus."

"Today I have come to tell you that you should desire holiness. If this desire consumes the heart, temptations which oppose holiness are laid bare and more readily overcome."

"Remember, the key to the First Chamber, which is the Immaculate Heart of Our Mother, is the ejaculation 'Protectress of the Faith, come to my aid'. The enemy of every soul takes flight before this most potent title, and temptations are readily vanquished."

"See that the temptation to fear consumes Holy Trust. Do not embrace any fear. Use Our Lady's title to overcome any worry."

March 9, 2010 / Public

"I am your Jesus, born Incarnate."

"These days when confusion is presented as truth, you must not look at the source of statements but at the content of statements. When I return, My Triumph will be a Triumph of Truth. Then the haze that has been officially placed over the Light of Truth will be swept away; then all will understand that anything which opposes Holy Love is not truth."

"Do not be misinformed - but informed."

March 12, 2010 / Public

"I am your Jesus, born Incarnate."

"I tell you solemnly, from the beginning to the end of time Holy Love has been in the Heart of My Father - the Eternal Now. Holy Love is like an Ark of Truth upon the stormy sea of compromise and confusion."

"Holy Love is not raised up or formed from the heart of man, but from the Divine Hand of My Father's Will. The time is right now for Holy Love to come to the forefront, dispelling lies and deceit, raising up a new generation in Holy Love."

March 12, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Tonight, My brothers and sisters, I invite you to sacrifice everything during this penitential season with loving hearts; for it is in this way I can use your sacrifices to the greatest advantage."

"Never boast of what you are giving Me by way of sacrifice, for this smacks of spiritual pride. Let everything be between your heart and Mine."

"I'm blessing you with My Blessing of Divine Love."

March 13, 2010 / Public

A.M.

"I am your Jesus, born Incarnate."

"I tell you solemnly, My Will is One with the Will of My Father Who is Eternal Truth and the Eternal Now. I am not in lies and slander. I am not part of trumped-up investigations, cursory reviews of 25 years of messages or the supposed connection with high officials' concern over the prayer effort here."

"When I return, My Victory will be a Victory of Truth. I desire all people and all nations gather here and abide in the truth which is Holy Love. Outside of Holy Love there is no truth."

P.M.

"I am your Jesus, born Incarnate."

"I have come today to tell you, and all who will listen, what makes up an unsavory and false judgment against this Mission and many others."

"First and foremost, the 'investigation' was conducted with an eye to destroy - close down - annihilate. True discernment can never arise from a biased heart. True discernment does not come from a heart that holds a preconceived opinion or agenda. Such a 'discernment' is strictly human opinion or judgment - not inspired by the Holy Spirit."

"This major point well-taken, please understand that no diocese can presume to have the right to pass judgment upon or to take control of an ecumenical ministry. It is not the right of any diocese to define a Mission as Catholic if they are established as ecumenical. To do so far exceeds the authority of any prelate. This truth alone shows the desire of any diocese to control an ecumenical ministry as simply an inappropriate power play."

"Perhaps if hierarchy would reestablish their hearts in the truth, they would better understand the meaning of the term 'ecumenical'."

"In this diocese I desire the bishop works with this prayer effort - united in the common goal of bringing peace to the world and salvation to souls. Holy Love is the Two Great Commandments that I, Myself, gave to the world when I walked amongst you. Do not place love of money, power or control above My laws. I call one and all - laity, priests and hierarchy alike - to look at the truth of My words here today."

"Do not mistakenly think I would not correct My own. I desire each one's salvation no matter his station in life or position of authority. Do not adopt a pharisaical spirit. Be humble. Humility is truth itself."

March 15, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, tonight I ask that you accept every cross willingly and with love, bearing it bravely; for when you struggle against your crosses they are heavier, more burdensome and hard to bear. Trust in Me."

"I'm blessing you with My Blessing of Divine Love."

March 15, 2010 / Public

"I am your Jesus, born Incarnate."

"I tell you, all of the Messages you have received thus far in your lifetime will come together to form Eternal Truth. The Heart of My Father is Eternal Truth. This Mission, which is formed in truth, is part of the Heart of My Father."

March 16, 2010 / Public

"I am your Jesus, born Incarnate."

"When you take your heart away from the world, it is easier for you to trust in all I have given you in the past, and in all I will give you in the future."

"What I provide for you in the present is testimony to My Love and My Mercy. It is all provided for your welfare and the welfare of those around you."

March 16, 2010 / Public

"I am your Jesus, born Incarnate."

"I have come to help you understand the parallels in what is taking place in the country and within some inner church circles. In both cases decisions are not based always upon the truth or right reason. While there may be many within these groups - government and church - who live in the truth, not all do."

"When the truth becomes too cumbersome and interferes with personal agendas, some find it very easy to live in compromise. This is when lies are bandied about and decisions are reached behind closed doors by those enamored with their own power. There are many who place their love of money high above any human right or the welfare of many. These are the ones whose decisions are tainted due to disordered self-love. Love of God and neighbor are far from their hearts, and do not factor into their policies. If they are in governments, they see only public image as important - not the needs of their constituents. If they are involved in church politics, they may set out to destroy anyone they perceive as taking money from their own collection baskets even if this is erroneous."

"This is why I sent My Mother here years ago with the request to be known as the Protectress of the Faith. Let My Mother stand guard over the faith in your hearts. This title was summarily rejected in this diocese; but that makes it no less necessary and effective. The faith in your heart is precious and may be all you have to cling to some day."

March 17, 2010 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"The Lord has sent me today to speak to you about spiritual pride. This is the culprit that comes against Heaven's work here and at many apparition sites."

"Spiritual pride is a sanctimonious, self-righteous attitude whereby the soul believes he has all truth and will not accept the gifts that the Holy Spirit bestows on others. Deep within spiritual pride is often hidden a spirit of spiritual envy. This envy denounces the gifts of others because these same gifts have not been given to themselves; therefore, the spiritually envious denounces the gifts of others, declaring them false or non-existent."

"This is the reason that many seemingly good people come against the good of Heaven's efforts here. Of course, there may be other sinister works deep within the heart of those given over to such pride. Every soul fights his own battles towards perfection. But the danger in the spiritually proud is that they do not see or recognize any error in themselves."

"A very real pitfall in the spiritually proud heart is false discernment."

March 18, 2010 / Public

"I am your Jesus, born Incarnate."

"These days of confusion that weigh upon the heart of the world have produced many a false god - many a molten calf of their own accord. Hearts have become inflamed with disordered self-love and have chosen many false gods over My Commandments of Holy Love. This Mission, and all the injustices that have befallen it, is representative of all that is taking place on a larger scale in the world."

"The Mission is calling souls to be reconciled with God and with one another. The enemy, who certainly opposes any

good, has placed schemes in the heart of man to discredit and to destroy Heaven's plans here. He uses power and authority to present mere human opinions as true discernment. Many schemes have been hatched behind closed doors in order to circumvent the truth. This is evident in politics and governments, as well. Some will stop at nothing in order to succeed in their convoluted plans."

"You must not cast your lot amidst the false gods of money, power and reputation. All of these things are passing. Pay attention to the path of sanctification I call you upon through the Chambers of Our United Hearts. I call you to unity in Holy Love. Do not blindly follow a path errant to My call. All should work together towards one goal - the salvation of souls. Any path that leads you away from Holy Love is not of Me."

"Realize what I am saying to you, and follow Me."

March 19, 2010 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come once again as Jesus allows to speak openly for the unity of all mankind."

"Dear children, you must be reconciled with God and with one another in order to gain eternal life. In this unity of Holy Love, you would be able to accomplish all that you so desperately need and desire now outside of Holy Love. You would have peace amongst all nations. You would see an end to violence, terrorism and wars. New, and as yet undiscovered cures, would be found against disease. Prosperity would alleviate much human suffering."

"But as it is, mankind follows a path contrary to God's Divine Will. He has not found the way to, and does not search out, the purifying Flame of My Immaculate Heart which is Holy Love. Humanity chooses its own path - a path which leads to destruction."

"The proposed health care bill, which your government now considers, is evidence of this rebellious path. If approved, it would give your government unfounded power and oppose human rights. The unborn would die at unprecedented rates. Many worthy leaders have already died in the womb. This bill would demand the righteous who oppose abortion to support it even more than they are obliged to now."

"The leaders of this once great nation no longer stand for the truth - just as leaders can be found everywhere who choose compromise. A major reason this Mission of Holy Love is so challenged and opposed is that it stands for the truth and will not back down, no matter the source of lies which slander and attack it."

"The world is planning its future upon the sandy ground of human will. I call the world to build upon the secure foundation of Holy Love, which is the Divine Will of the Father."

March 19, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, tonight I have come to invite you to have in your hearts the desire to become holy; for without this desire your free will will oppose your own perfection upon the path of Holy Love. Turn your hearts over to Me completely. Surrender to Me. Abandon yourselves to Me. Trust in Me."

"I'm imparting to you tonight My Blessing of Divine Love."

March 21, 2010 / Public

(House of Representatives to vote on Health Care bill today.)

“Blessed Mother says: “Praise be to Jesus.”

“Today your country faces the challenge of discerning good from intrinsic evil. The legislators are voting on the future of your nation and all of its citizenry. If passed, this bill will dictate the direction of all the people of this once great nation.”

“The ones who live in truth realize the impact of such a law. But many are fooled by rhetoric and are very ready to choose unwisely. Unfortunately, all is up to free will. Dear children, I, your Heavenly Mother, am trying to influence hearts to recognize the truth.”

“The father of lies has influenced many a leader in all walks of life from the path of truth onto the path of compromise. This is a temptation, which is easily surrendered to, in the face of love of power and reputation.”

“But I invite all to comprehend that you cannot influence God’s Judgment with your worldly position of importance. When you are responsible for the well-being of many people, God judges you according to the measure of Holy Love with which you see to their welfare.”

“You cannot bargain or bribe your way around this. Remember, Holy Love is the truth. Any thought, word or action beyond or outside of Holy Love is not of God. Do not be fooled.”

“Walk in the truth of Holy Love and do not prescribe to any other course. My Immaculate Heart is your refuge and your guide.”

March 22, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I ask that despite the vote on the ‘Bill’ yesterday [U.S. House of Representatives passed Obama’s Health Care Bill], continue to pray for your country; for it is more in need now than ever. I, your Jesus, am watching over you.”

“I’m blessing you with My Blessing of Divine Love.”

March 22, 2010 / Public

“I am your Jesus, born Incarnate.”

“Today I invoke you, do not be concerned for the opinions of others. It is Me you must appeal to. Please Me by searching out the truth of these Messages and the genuineness of the graces offered here at Heaven’s site of predilection.”

“There will always be those who will disagree. I tell you, in future generations all of this will be upheld and verified as real. There are those alive today who will witness great signs here. But I am most pleased with those who search out the truth before being given great signs.”

March 23, 2010 / Public

(Temptation)

St. Peter says: “Praise be to Jesus.”

“When you arise in the morning you should remember to offer the entire day to Jesus. Ask Him, Who is All Wisdom, to help you to recognize temptations at their inception. The more you sacrifice, the easier it is for you to recognize Satan’s traps and avoid them. Then you can journey deeper into the Chambers of the United Hearts - those Sacred Chambers revealed here for the first time to humanity.”

March 25, 2010 / Feast of The Annunciation

Blessed Mother says: “Praise be to Jesus.”

“I have come today as I always do with the permission of My Son. I invite the world to peacefully submit to God’s Divine Will. This is impossible to the proud and arrogant heart, for such a one holds self-interest in his future. If I had done so many centuries ago, I never would have given My ‘fiat’ which you celebrate today. But as it was, My Heart was always predisposed to trust.”

“The trusting heart cannot fear. It is not insecure and, therefore, is not envious or greedy. The trusting heart respects the reputation of others for he lives in Holy Love. Holy Love manifests itself in trustful surrender to God’s Will. The soul that trusts is not burdened, then, with anxiety about what might happen in the future. He knows God will sustain him through His Divine Providence.”

“Today I come especially to call all people and all nations to unity in Holy Love; this is the road to peace. It is the path and the solution God chooses for you. Holy Love is God’s Divine Mercy on earth. My Son is calling all leaders - government leaders and religious leaders - to be united in Holy Love. No longer oppose one another or distance yourselves from those God has given you to lead. Be one in the Heart of the Eternal Father. God is not in conflict, whether in ideologies or in aggressive actions against one another.”

“God is in His Commandments - the embodiment of which is Holy Love.”

“Be disarmed of your weapons, whether they be weapons of mass destruction or words. Do not oppose good with self-righteousness. The judgment will fall upon you. Embrace God’s Commandments of Love. Live in the truth.”

March 26, 2010 / Public

(Temptation)

St. Peter says: “Praise be to Jesus.”

“Never believe that you can readily uncover the ways in which Satan tempts you. He knows your heart better than you do. He knows how to use your emotions and your senses to lead you into sin. He is the master of disguises and often comes clothed in goodness. He convolutes truth, helping you to accept his lies.”

“This is why you must embrace Holy Love with your whole heart. Holy Love is the essence of goodness - the path of holiness and the secret weapon enabling you to uncover evil. Once again I remind you, that which opposes Holy Love is not from Heaven but from Satan. It is important to let Holy Love consume your heart so that every thought, word and deed is Holy Love.”

“This is the way to avoid temptation.”

March 26, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, when you come to Me in prayer, recall great devotion to Our United Hearts. Pray with loving hearts, and every prayer will be heard.”

“My Blessing extends to your extended family tonight, as I impart to you My Blessing of Divine Love.”

March 28, 2010 / Public

"I am your Jesus, born Incarnate."

"These days, My brothers and sisters, there are many accusations being bandied about concerning the inner politics within the established Church. I am asking you, do not allow yourselves to get caught up in what may be true or may have occurred. Maintain your faith through the title of My Mother - Mary, Protectress of the Faith. She will help you to keep your focus on what is true - My Real Presence in the tabernacle."

"In the same way, I am asking all people and all nations not to listen to rumors and false statements issued concerning this Mission and these Messages. Keep your focus on Heaven's presence here at this site, and in these Messages themselves. Mary, Protectress of the Faith will assist you in this effort, as well."

"Always try to focus on the positive, not the negative. I come here not to tear down, but to build up in Holy Love."

March 29, 2010 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I tell you, the soul that does not live in the truth does not live in reality; therefore, all the decisions and opinions of such a one are tainted with evil. You can see, then, that anyone who leads must also embrace the truth; otherwise, those who follow him are easily led astray."

"Jesus is not part of any lie. He is Truth Itself. Any lie eats away at reality; therefore, destroying some part of the Kingdom of God."

"True peace of heart and world peace must be built upon the truth of Holy Love - that is reality."
