

OBEDIENCE

**"We must obey God
rather than men."**

Acts 5:29

Messages to the Visionary

Maureen Sweeney-Kyle

Discerning Misuse of Authority

Blessed Mother says: "Praise be to Jesus."

"These days, dear children, learn to be suspicious of any person or institution that demands absolute control - unquestioning obedience. I tell you this, though it pains Me to do so, but Satan is using the misuse of authority to destroy good works. The enemy sows jealousy where there should be unity towards the salvation of souls."

"Therefore, you must always be discerning and search out the truth. Do not readily believe every innuendo or accusation you hear. Just because you hear it does not mean it is true. Many reputations have been destroyed because people do not look for the truth."

"Do not forget to work out your own salvation according to the truth of these Messages. Satan would have it otherwise. Cling to My Immaculate Heart. Do not obey the malefactor for the sake of obedience."

(April 30, 2011)

Blessed Mother says: "Praise be to Jesus."

"Today I have come to help all of My dear children to realize that I invite everyone into My Heavenly Embrace here - believers and unbelievers alike. None are rejected through Holy Love."

"My Immaculate Heart is the Refuge which calls out to the unbelievers - in particular, the skeptics and the critics of this Refuge and this Mission. Do not offend the Spirit of Truth - the Holy Spirit - by your refusal to accept the Truth of this Mission; for He is the Founder of the grace you receive here - the Messages, the miraculous healings from the

Spring, even the Image - which appears off and on in the Chapel under My title 'Refuge of Holy Love'."

"Most especially, I call unbelievers to come here and to see for themselves - to inhale My Presence and experience their conversion of heart. Do not think yourselves to be too sophisticated, too intelligent or in any way above belief in Heaven's call here. These are Satan's persuasions. Do not believe you are bound by obedience to stay away. If this were true, I would not be here today, inviting you, calling you. Do not believe that My messenger is disobedient. You do not know the whole story. Character assassination is not of God." "Come to Me - your Heavenly Mother. I await you."

(July 8, 2012)

"ADMONISH"

Blessed Mother says: "Praise be to Jesus."

"I tell you, every grace attendant to this property comes into the world directly from the Heart of God the Father, which is pure Truth. Because every soul is called into the Heart of Truth and to live in Holy Truth, it follows every soul is called to come here."

"Heaven does not transgress obedience to the Truth by merit of this humble invitation. Rather, dear children, each one of you is called into the Light of Truth. Do not see with the eyes of confusion, the word 'ADMONISH' in heavy-handed dictates; for this word in Truth does not mean 'FORBID', but is a GENTLE WARNING. I give to you today the Light of Truth. Allow this Truth to embrace your hearts."

"Do not be intimidated by confusion. Be emboldened by the Truth."

(August 19, 2012)

St. Michael the Archangel says: "Praise be to Jesus."

"If you look with a wise and uncompromised heart at all the events taking place in the world today, you will discover why the recognition of Truth is so important. When facts are misrepresented, wrongful and harmful decisions are made. This is often the bad fruit of the misuse of authority, for someone has the responsibility of circulating untruths instead of Truth. When decisions are made to mislead towards some personal gain, authority has been misused."

"Lies do build upon lies and become greater lies - more influential in world politics and in the hidden politics of longstanding institutions. Not to speak of these misdeeds only strengthens evil and conceals evil. Therefore, these Messages and this Mission reflect and support the Truth."

"Obedience must side with the Truth - not with anyone who proclaims untruth."

"Look into the events around you and your choices should be easy."

(October 26, 2012)

Blessed Mother says: "Praise be to Jesus."

"I have come today to speak to you in Truth about obedience. This is often and familiarly a touchy subject. To look with Truth at obedience, we must first look at authority, for the character of the authority dictates the obligation in God's Eyes to obedience."

"Authority should be loving and have a concern for those under him and, consequently, for their welfare. His leadership should clearly reflect this loving concern. If a leader is bent on destruction and the demise of those subject to him, Heaven does not hold accountable those under him to obey."

"Today, in the world, there are those who set themselves up as leaders; but they do not lead - they dictate. To oppose them is often catastrophic. There also exists ideological and religious beliefs which support dictatorship, but God is not behind such as these."

"History supports the fact that not all leaders promote Truth, no matter their position or title. History would have been rewritten if mankind had thought out the path he was following and the leadership he supported."

"Today, it is no different. Once again, I urge you, dear children, pay attention to words and actions - not just titles. Look into the heart of leadership and where it is leading you. You need to determine the best route for your physical and spiritual welfare."

(December 1, 2012)

Blessed Mother says: "Praise be to Jesus."

"This morning, I have come to speak to you, dear children, about the touchy subject of obedience. There is no dictate or command which states you must, in obedience, not come here to pray. Prayer is never wrong. Some use obedience as a safety net - a false reason not to believe - not to discern."

"Holy Love is a gospel message. Can the gospel be wrong? I propose to you that the controversy surrounding this Message can only come from evil. Do not be confused by claims of disobedience either. Each one must be obedient to God's Truth. This means you cannot cooperate in obedience towards an evil end. You must obey what is good and righteous. You must obey the Truth."

(January 20, 2013)

Blessed Mother says: "Praise be to Jesus."

"This is what I wish to impart to you today, and to imprint upon each heart. Never place obedience above the Truth. My Son taught you this in His Exemplary Life on earth. Do not deny the Spirit of Truth for loyalty to any man. Otherwise, you are embracing darkness and obeying untruth. Obedience, for the sake of obedience, is not what God asks. God desires you search out the Truth and follow it."

***(April 26, 2013 / Feast of Mary,
Our Lady of Good Counsel)***

"I am your Jesus, born Incarnate."

"Today, I have come to help all to understand that virtue, like anything else, can become twisted to become a tool of evil. Then, of course, it is no longer virtue. Here are some examples. You may take great pains in being patient. This is a virtue. But suppose you are patient with a sinner that needs correction, but you choose patience over a work of mercy in correcting the sin. Patience ceases to have a good end but becomes Satan's trick in perpetuating the way of the sinner."

"Suppose you are asked to do something out of obedience to an authority or superior, but the outcome of this obedience would destroy a good work or put others in jeopardy. If you have not taken a vow of obedience as a religious, then you, in Truth and righteousness, must not obey, for your obedience would not serve God nor have a good end."

"In practicing every virtue, you must take stock of the fruits that it bears. Is the virtue serving God and man or could it be convoluted to further Satan's kingdom under the guise of good?"

"In Truth, always work to build up the Kingdom of God and His Righteousness. Be Children of the Light."

***(May 24, 2013 / Feast of Mary,
Help of Christians)***

"I am your Jesus, born Incarnate."

"I tell you, your country's approval of same sex marriage is a prime example of the misuse of authority. Condoning sin does not justify sin. The sanctity of marriage is God-given. All the laws in the world cannot change that."

"Please realize that obedience is not always good and of Me. If you obey something which does not abide with righteousness nor lead to a righteous outcome, you are following error. Even the authority of the highest court cannot make good out of evil."

"All earthly authority answers to Me. That which is not good is evil."

(June 27, 2013)

"I am your Jesus, born Incarnate."

"It is very important now that you see how these two sufferings come together in My Mournful Heart and play off of each other. The compromise of Truth is certainly the basis of the abuse of authority. In this abuse and adherent to it, is the disordered use of compliance to obedience. Here, I am not referring to ones who have taken a vow of obedience - although this is often used to control, as well. I am referring to the sheep that the shepherd is given to tend. How often obedience comes clothed in goodness, but promotes a hidden self-serving agenda."

"You must certainly see how so much of this has affected this apparition site. How can it be good to discourage people from coming here to pray?"

"Leadership must not hold itself above reproach. Leaders must be willing to listen, encourage that which is good and pray to accomplish God's Will, not their own. See why I have reserved this revelation of My Most Mournful Heart for this apparition site? This is what has opposed Me here - the compromise of Truth and the misuse of authority."

(July 22, 2013)

"I am your Jesus, born Incarnate."

"I tell you, it is erroneous opinions which have destroyed the morals of the world. I ask each soul to search out the reality of the Truth as it relates to the Ten Commandments. Do not invest in the abuse of authority by obeying it, but make all authority accountable to the Truth. A vow of obedience precludes disobedience but, still, Truth must be brought to light. Too often, vows are the instrument of control and further abuse of authority."

(February 5, 2014)

"I am your Jesus, born Incarnate."

"Today, I come to remind mankind of the importance of obedience to the Ten Commandments. You must obey in full each Commandment. You cannot obtain salvation by obeying nine and disobeying one of these Commandments. Once again, I tell you, that all of these Ten Commandments are embodied in Holy Love."

"My dear brothers and sisters, it is up to each of you to choose your own salvation through obedience to these Commandments. Be conscious of this and direct your free will accordingly."

(February 16, 2014)

"I am your Jesus, born Incarnate."

"I tell you solemnly, Satan knows full well the good that is being accomplished here and that is why he masquerades as false discernment, trying to discourage the prayer effort here. But, once again, I tell you, I come to you, not because I seek any approval, but because I wish to convict the heart of the world and bring all people and all nations to repentance. This is the sole purpose of Heaven's intervention and why this Mission remains ecumenical."

"Be obedient to My Call here and not obedient to error. Obedience to My Call strengthens your faith. Obedience to error compromises the Truth. Which do you choose? Heaven offers profound graces here in support of the Truth of these apparitions and Messages."

"Do not follow those who lead you away from this Truth."

Read Acts 5:29

But Peter and the apostles answered, "We must obey God rather than men."

(February 22, 2014)

"I am your Jesus, born Incarnate."

"Last night, I asked all to be united during this upcoming Holy Week in prayer and sacrifice for the world leaders who follow evil inspirations. This is the gravest offense of My Mournful Heart. These are the ones who not only abuse their authority, but also compromise Truth to their own advantage. They easily mislead those who do not have discerning hearts. These are the misled ones who obey for obedience sake, without looking at what the fruits of their blind obedience will be. They obey title and do

not scrutinize what is being accomplished through their obedience."

"The history of the world is crammed full of such leaders. Therefore, My brothers and sisters, it is fair to say, during these times, Satan is very active in trying to sway leadership towards his evil desires. As children of the Light, have discerning hearts before you allow someone to have power over you."

"The Seal of Discernment is offered here as protection against evil leadership. Use it."

(April 12, 2014)

I am your Jesus, born Incarnate."

"I cannot come to you and speak to you without pointing out the evil that has infiltrated leadership, both in the secular world and in the religious realm, as well. If I neglected this very important issue, My Leadership through you to the public would be imperfect and faulty. So, I tell you, that the spirit of ambition has consumed many hearts in prominent leadership roles all over the world. This spirit inspires the compromise of Truth and the disordered desire for more and more power, money and self-gain."

"My Heart mourns for the souls who are being lost, as they have been misguided and encouraged to oppose good. Evil factions have been formed and strengthened by the compromise of Truth. People have learned to respect title and obedience to title above Truth. You must obey God's Commandments and Laws of Love first. Do not support that which tears down God's Kingdom through disordered pride in obedience. Serve God not man."

"I tell you these things with a Mournful Heart. I challenge the self-righteous to return to the humility of Truth. You have no challenge in front of you that fidelity to the Truth will not conquer."

"Be wise and prudent in what you accept as Truth and in what leader you support. Allow My Words to you today to lead you and all who are listening."

Read Romans 10:1-4

Brethren, my heart's desire and prayer to God for them is that they may be saved. I bear them witness that they have a zeal for God, but it is not enlightened. For, being ignorant of the righteousness that comes from God, and seeking to establish their own, they did not submit to God's righteousness. For Christ is the end of the law, that every one who has faith may be justified.

(July 7, 2014)

"Blessed Mother says: "Praise be to Jesus."

"I come to you, once again, as My Son permits to bring you the Light of Truth on the path of your salvation. I come to inform the uninformed, the misinformed and even those who do not seek to be informed. My Son is not pleased when He sees the term 'obedience' used as a means of manipulation and control. True obedience must arise from a heart full of Holy Love, never pursuing selfish ends or promoting a means of obstructing good. This is not of the Lord. Obedience to the Truth is a treasure and must be treated as such. A good leader must never hold obedience over the heads of those in his charge like a noose ready to fall. A good leader has willing followers who obey out of eagerness to please."

"I inform you of these things with Love. My Son allows that I return to you on the Feast of the Holy

Rosary [October 7] in the Field of Our United Hearts during the Hour of Mercy. I will meet you there."

Read Philippians 2:1-4 & 12-13

So if there is any encouragement in Christ, any incentive of love, any participation in the Spirit, any affection and sympathy, complete my joy by being of the same mind, having the same love, being in full accord and of one mind. Do nothing from selfishness or conceit, but in humility count others better than yourselves. Let each of you look not only to his own interests, but also to the interests of others. Therefore, my beloved, as you have always obeyed, so now, not only as in my presence but much more in my absence, work out your own salvation with fear and trembling; for God is at work in you, both to will and to work for His good pleasure.

(July 9, 2014)

Jesus comes with His Mournful Heart exposed. He says: "I am your Jesus, born Incarnate."

"My Heart reflects My Sadness when authority is abused in such a way that virtue is compromised. Consider the ways the virtue of obedience has been misrepresented as dogmatic rule over hearts. It is, in such cases, no longer a virtue to be practiced out of loving respect, but a compliance with a dictatorial leader - no matter if such obedience leads to good or evil."

"I do not endorse such authority. You can only be with Me or against Me. Erroneous leadership does not make untruth into Truth. With sin there is no gray matter. You must not use obedience as a means of control and belief in error."

(July 9, 2014)

"I am your Jesus, born Incarnate."

"I have come to speak, once again, to the world concerning leadership. Sound leadership concerns itself with every aspect of those who follow and are in any way influenced by it - physically, spiritually or emotionally. A good leader builds up the Kingdom of God and does not tear it down. I endorse leaders who clearly define good versus evil and support good. Religious leaders must, then, clearly define sin without the influence of political pressures or personal ambitions. The value of every soul's salvation must be made clear and supported by all religious leaders. Political leaders must not interfere with the soul's salvation, which is always the greater good."

"Leaders must not use obedience as a whip to keep people in line with a mind to control. Rather, with loving concern for their flock, they should realize that their followers will want to show them respect based upon love. I never intended for any leader - secular or religious - to use obedience as a means of control and power. This is not of Me, for it does not reflect a concern for the general welfare of My brothers and sisters."

"I tell you these things, not to promote rebellion, but to return leadership to righteousness through Holy Love. Leaders must never manipulate, but gently lead towards the good of all. It is in this way, they earn trust and respect. I place the burden of reform on leaders to choose righteousness, not on those who look to leaders to obey no matter what. Rather, be submissive to the Truth and any leader who acts in the Truth. Be united in the Truth."

Read Psalm 14:1-6

The fool says in his heart, "There is no God."

They are corrupt, they do abominable deeds, there is none that does good. The Lord looks down from heaven upon the children of men, to see if there are any that act wisely, that seek after God. They have all gone astray, they are all alike corrupt; there is none that does good, no, not one. Have they no knowledge, all the evildoers who eat up My people as they eat bread, and do not call upon the Lord? There they shall be in great terror, for God is with the generation of the righteous. You would confound the plans of the poor, but the Lord is his refuge.

Read 2 Thessalonians 2:13

But we are bound to give thanks to God always for you, brethren beloved by the Lord, because God chose you from the beginning to be saved, through sanctification by the Spirit and belief in the truth.

(July 11, 2014)

"I am your Jesus, born Incarnate."

"I tell you, obedience is like a little flower blossoming in the heart. The seed of the bloom is Holy Love. It is nourished with wisdom and love of Truth. The blossom of obedience blooms and gives off a fragrance of sanctity when it respects and loves the person or persons in authority."

"You cannot in nature force a flower to bloom. Nor can you demand the flower of obedience to bloom in the heart. Obedience shows itself in due time when all the right conditions come together. In some situations, it may never flower and bloom, though it may desire to."

(July 11, 2014)

"Blessed Mother says: "Praise be to Jesus."

"Dear children, all the Messages given to you most recently concerning obedience are Heaven's attempt to urge you to live in the Truth. If you blindly obey without an eye towards where you are being led, or what fruits your obedience will bear, you open yourselves to obeying evil and strengthening Satan's grip on the heart of the world."

"Two things are jeopardized in blind obedience - the moral righteousness of the leader who is given power to dictate as he chooses, and the righteous path of those who blindly obey, for they may be cooperating with evil."

"This is why obedience in and of itself is not a virtue unless it is tempered with love, humility, wisdom and discernment. Here, I am not speaking about Church dogma which must be obeyed."

(July 12, 2014)

Our Lady comes as Rosa Mystica. She says: "Praise be to Jesus."

"Dear daughter, the reason you have been given this cluster of Messages on obedience is this: My children around the world are being misled by corrupt leadership - both secular and religious. Many feel they must obey, even if they recognize the errors and political pressures of those who lead. These Messages have come to earth to bring to light that which those in powerful positions want hidden. If you obey evil, you empower evil."

"Dear children, you must be a Light of Truth in the world. Do not pay heed to your reputation amongst men. It only matters what God thinks of you. In this same Light, I must pause to take to task those who call you disobedient, My daughter. You did everything Heaven asked to keep this Mission alive amidst controversy, rash judgment and lies. My

Son could not allow His Work to succumb to these circumstances. We remain ecumenical apart from the control of any Church or political leader. We have worked diligently towards this end."

"The goal that Heaven is trying to accomplish here is personal holiness and the salvation of souls. You cannot be disobedient in God's Eyes when you follow the Messages or come to the site to pray."

"The joy of My Heart is those who listen to the Messages and obey the good grace of each word."

"Make it known."

(July 13, 2014 / Feast of Rosa Mystica)

"I am your Jesus, born Incarnate."

"Once again, I tell you, that the abuse of authority is not only the disordered use of too much power. It is also the weakness of not using the power of the office God places you in when it is needed. In particular, you have in your country, today, a leader who does not support his words with actions. Therefore, on the world front, his words are not respected. He gives the appearance of not knowing what to do next and spreads this confusion worldwide."

"The cost is catastrophic; both in lives and in souls. The enemy is empowered by weakness. Pandering to the enemy is the same as condoning his evil intent. This is why I stress uncompromised Truth in everything - small matters and great. Do not paint evil as good or as disarmed. Your words will open the door to conviction in the Truth. Truth builds trust. Trust builds strength."

"The enemy of your soul is guile and deceit. World history proves this is the path to certain destruction. No civilization survives moral degeneration through a culture of lies."

"This nation, once destined for greatness in adherence to God's Will, is now losing its identity as a Christian culture."

"Return to Me in all Truth."

Read 2 Timothy 4:1-5

I charge you in the presence of God and of Christ Jesus who is to judge the living and the dead, and by His appearing and His kingdom: preach the Word, be urgent in season and out of season, convince, rebuke, and exhort, be unfailing in patience and in teaching. For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own likings, and will turn away from listening to the Truth and wander into myths. As for you, always be steady, endure suffering, do the work of an evangelist, fulfil your ministry.

Read Romans 6:16

Do you not know that if you yield yourselves to any one as obedient slaves, you are slaves of the one whom you obey, either of sin, which leads to death, or of obedience, which leads to righteousness?

(July 18, 2014)

Blessed Mother says: "Praise be to Jesus."

"It is important that people realize that those who abuse power surround themselves with lapdogs of obedience who are ready to propagate any error as a means of defending their own position of importance by association."

"Too often it becomes very confusing for the ones farthest removed from issues at hand to sort out the confusion. This confusion trickles down and becomes misinformation. The Truth becomes very difficult to ferret out."

"This is why I tell you - weigh all information on the scale of Holy Love. Obedience does not make all things right. Truth is always the Truth and does not change according to who believes in it or does not."

"I am telling you to pray for wisdom and prudence."

(July 18, 2014)

Blessed Mother says: "Praise be to Jesus."

"It behooves all leaders, whether they be secular or religious, to be respectful of the Truth. As it is, too many people carry burdens of unjust decisions weighted down with obedience, while leaders are not held accountable for their actions - many of which are not lawful."

"This is abuse of authority in action - the distortion of obedience as a means of control and undocumented power. My Jesus did not try to control. He tried to gently guide through love. He never denied the Truth or the Spirit of Truth, but defended it. He intended the law of Holy Love to guide souls to their salvation."

"Today, there are so many laws that lead away from salvation. My Son's Way is gentle prodding - not intimidation. He is the Truth and never distorts the Truth towards His own advantage as so many do today."
