

# HOW TO PROPAGATE HOLY LOVE

## **April 7, 2016**

"Praise be to Jesus. To live in Holy Love is to live in a constant state of prayer, offering everything to God for the love of God. This is the solution to every problem. I come to you today, once again, in an effort to transform the heart of the world in Holy Love. As it is, self-love is winning over the heart of the world, the result being every type of violence imaginable. The solution is not to refrain from identifying evil. The solution is to propagate and to promote Holy Love in hearts, as the antithesis in the face of radical and violent thinking." (Mary, Refuge of Holy Love)

"I am your Jesus, born Incarnate. My brothers and sisters, I welcome each one of you and all of you. I am asking each of you to become apostles of Holy Love, by allowing your hearts to be inflamed with Holy Love. Then you will be inspired to propagate the devotions and the Messages. Tonight, I'm blessing you with My Blessing of Divine Love."

"I am your Jesus, born Incarnate. My brothers and sisters, I have specifically brought this Mission into the world during this Age of Great Apostasy. I am using each one of you in a special way, your strengths and the offering of your weaknesses. Continue to propagate Holy Love by your living the Message and through the Messages. Tonight I'm extending to you My Blessing of Divine Love."

"I am your Jesus, born Incarnate. The thrust of this Mission is to reconcile the heart of the world to the Divine Will of My Father in and through Holy Love. Since Holy Love is Truth, Heaven's call is for all souls to discover the Truth of Holy Love, thereby discovering My Father's Will. This Mission presents ways by which to live in Holy Love:

1. Read, study and propagate - then, live the Messages.
2. Begin, in every present moment, your journey through the Chambers of Our United Hearts."
3. Pray the Rosary of the Unborn in an all-out effort to convict the heart of the world of the sin of abortion."

"Plainly, you must see that this Mission is an ecumenical effort to conform the heart of the world to the Will of My Father. Unbelievers have not discovered the Truth of the state of their own heart."

Blessed Mother says: "Praise be to Jesus. To be an effective evangelizer, you must first and foremost have humble Holy Love in your heart. This precludes any air of sanctimony - self-righteousness. You should ask for the grace to recognize opportunities to evangelize. You need, then, to be ready to seize the moment that grace offers. You should always have literature with you, ready to propagate. If you are a sign of humble

love in the world, people will be drawn to you. Always affirm the good in people and let your demeanor preach Holy Love for you. In this example of Holy Love, people can be convicted in their hearts of their errors, rather than you preaching to them. Always defend the Truth, however, even in the face of opposition."

"I am your Jesus, born Incarnate." My dear brothers and sisters, always be stalwart warriors of the Truth - the Truth which is Holy Love. By being signs of Holy Love to others, you will propagate these Messages without even being aware of it. I desire Holy Love take charge over your hearts and your lives so that you can come quickly into Divine Love. Tonight I'm blessing you with My Blessing of Divine Love."

"I am your Jesus, born Incarnate. These days your country is fighting great forest fires, which easily ignite due to dryness and hot temperatures. I desire that the Fire of Divine Love be ignited in hearts and spread as a great conflagration around the world. This is the Divine Will of My Father. With His Divine Providence, He comes through these Messages to encourage, to correct, to inspire and to show His loving concern for all mankind. Do not be taken aback by the duplicity of those who reject what is given. I was rejected over and over - in secrecy and openly. Make every effort to propagate the Flame of Divine Love by spreading the Messages. This alone, no matter how meager the effort, will fan the Flames of Love. Because this is God's Will, you need not be concerned for how you can do this; I will show each one who tries. Opposition will present itself off and on, but I will trample it under My Wounded Foot. Pay it no heed. That is My concern. Encourage one another and be united in love. Be forgiving of each others' faults, and you will increase in virtue and in truth; for truth outlasts all temptations and pride - all self-love." (Read Philippians 2:1-4 Ephesians 4:25-32)

St. Martin de Porres comes. He says: "Praise be to Jesus Ever-Present in the tabernacles of the world. I have come, dear sister, to help you understand that when Heaven advises, 'make the Message known' that you cannot propagate the Message of Holy Love unless you are first living it. When I was in the world I made myself accountable for every scrap of food, every remnant of clothing, every coin that I was made charge of and, of course, every present moment. What my community could not use was freely given to the poor. None of my sacrifices were unwarranted. If this was so in my day, how much more is it so today? Yes, make this known to all the people, that the best way to spread the Message is to be a living example of Holy Love."
