"I am your Jesus, born Incarnate. My sister, I have come with a Heart on fire with this message of Our United Hearts. I desire mankind be drawn into this Flame rather than be repelled by its fierceness."

"The century is upon us, the millenium as well. I desire that this spirituality open new doors and create unencumbered paths leading deep into Our Hearts, into union with My Father. This is not a journey the faint of heart will bear well. It is a call to self-knowledge, a call to remove any obstacle which holds the soul back from a more perfect love."

"With what deep yearning do I bear this call to the world! A call as it has never been heard before! I desire that it reverberate from pole to pole. I desire every continent be evangelized with the knowledge of the Chambers of My Heart."

"The whole of the world is now a new mission field. Fertilize the field with Holy and Divine Love."

"I am your Jesus, born Incarnate. I have come to transform hearts into perfect receptacles of Holy and Divine Love. Lack of confidence in me is a stumbling block on the way of love. The soul replaces trust in Me with trust in his own effort. If you trust in Me, your faith will be rewarded. But if you doubt Me, your journey will be less favored by grace."

"I can do little to assist a soul who is caught in the whirlpool of confusion and compromise. For such a one withdraws from Me and clings to his own opinion or the opinion of others."

"The soul who trusts, acts on My Will without question and I tender unto him My greatest favor. Such a one does not fear, but knows that I reward confidence with grace."

"Through this mission I am opposing all that is not of love in hearts. Do not look at the whole of humanity to discover the accomplishment of conversion I call you to effect. Look at each heart I send you. For every heart I am victorious in brings My Victory in the world closer."

"In this way I will bless you."

"I am your Jesus, born Incarnate. My messenger, know and understand this. True discernment does not come through the intellect. It is a gift I place in the heart. Just as with any virtue, there can be a false imitator of the true virtue. In discernment this is recognized as pharisaical interpretation of the truth. False discernment is easily accepted by a person who depends on his own intellect for answers instead of the Holy Spirit. Such a one may pride himself on his intellect and/or his virtue."

"The truth of what I reveal here bears the responsibility of making it known."

Monthly Message to All Nations
This message was given in 3 parts

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. I have come to thank those who supported Heaven in this last presidential election. Through your prayers righteousness has been victorious. I say we won a victory, but we are not yet triumphant, as the battle between good and evil wages on in hearts and in the world. Therefore, continue to pray towards the hour of triumph."

"Yes, the sea lies deceitfully calm as I speak to you, but on the horizon of the world brews another storm, one of greater intensity. Remember, the victory we have just won together and understand that prayer overcomes evil."

"Yes, the hour of triumph of Our United Hearts is within reach. But it is not approached by spectacle and grandeur. The path of triumph is humble, little and unassuming. The path of this holy perfection through love is not even recognizable to the proud of heart. For My triumph must come into the heart through simplicity not importance."

"As I triumph in hearts, so shall I triumph in the world, claiming each soul that allows love its victory from within. As righteousness has won out in this election, so it must win out in hearts. This is what you must endeavor to pray for."

"My brothers and sisters, My Mother and I are praying for those here today for grace to be accepted into hearts. Just as I prayed for healings when I walked the face of the earth, so I pray here today."

"Understand that My victory will come as a triumph of love and mercy in hearts and in the world. Thus shall we reign triumphant in merciful and Holy and Divine Love – United."

"As Satan sees that this is the vehicle of My triumph, Holy and Divine Love are under attack. Therefore I beseech all here and all who this message is made known to, to pray for the strengthening of this mission. The way will be shown that it will be spread to each continent. We're blessing you with the Blessing of Our United Hearts."

Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, desire your own sanctification, for in this way you will submit to being purified of all iniquity. The Father and I desire this for you. Please cooperate with Heaven's call. I'm extending to you tonight the Blessing of Divine Love."

Monday Rosary Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, as you have come to realize and discover in your own hearts this path of holiness and salvation which is Holy and Divine Love, I desire that you lead others to it. Reveal to them the Chambers of My Heart through these messages. Make it known."

"I'm blessing you and your efforts with My blessing of Divine Love."

Public

"I am your Jesus, born Incarnate. Today I have come to help you understand why Holy Love is the path of salvation. No one enters My Father's kingdom who does not love God above all else and his neighbor as himself."

"My messages to you concerning the Chambers of My Heart are as a blueprint to heaven, holiness and sanctity. There are many who do not know this path or my plan. For them, salvation is more complicated, holiness elusive, and sanctity an unrealistic goal. It is as though they are trying to build a house without a blueprint. Besides this, they have no power tools. These power tools I give you are the virtues."

"So you see, through this message I have drawn for each soul a blueprint and am willing to give him power tools, as well, to construct his own house or heart of Holy Love. The more closely he follows My plan, the more perfect his house will be."

"Some are master carpenters, others not so willing to learn. But I am a patient teacher – a merciful taskmaster. And so, you will please make this known."

Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Jesus says: "I am your Lord Jesus Christ born Incarnate." Blessed Mother says: "All praise be to Jesus."

Jesus: "My brothers and sisters, tonight I come once again asking you to surrender to Me your hearts, for when your hearts are clothed in Holy and Divine Love, your thoughts, words and deeds will be so governed by love. I come to you with a merciful loving Heart requesting this of you tonight, and we are blessing you with the United Hearts Blessing."

January 18, 2001
Conversation with Divine Love

"I am your Jesus born Incarnate. Child, when you come to adore Me, you bring spiritual energy into the world which would otherwise not exist in time. Indeed, My Heart throbs with love for you."

"I desire devotion to the United Hearts be spread, and that people come to recognize that Our Hearts beat as one. It is through this revelation of Our United Hearts that the path of Eternal life is laid bare. The greatest obstacles to holiness are revealed through the soul's efforts to pursue the Chambers of My Heart. As

these obstacles are revealed, the soul needs to cooperate with grace in overcoming them."

"Let it be that the solemn revelation of Our United Hearts becomes a turning point in the souls that are touched by it. For I desire through this revelation to bend close to humanity and change many hearts."

"I tell you solemnly, each one who hears of this revelation for the first time will find the door of My Mother's Heart flung open to him. All he need do is step across the threshold."

"I come to you for the welfare of this generation and for this century which is laden with decision. When good triumphs over evil, Our Hearts will reign united. It is then the Blessing of Our United Hearts will replace evil in all hearts and in the world."

Friday Rosary Service

Jesus is here with His Heart exposed.

Jesus: "I am your Jesus born Incarnate. My brothers and sisters, make your hearts sacred chalices of Holy Love in which pride can not thrive and Satan can not penetrate. I am calling you to perfect yourselves through discovery of your failings in love and overcoming your weaknesses."

"Tonight I am blessing you with My Blessing of Divine Love."

January 19, 2001
Public

"I am your Jesus, born Incarnate. Consider the pain of My benevolent Divine Heart as you venerate My Real Presence. I love each soul more than you love anyone. Every moment in time accounts for millions of assaults against My Love. What I create is destroyed. What I ordain is ignored. The graces I offer go unattended. And yet, I continue to love. I can not do otherwise. For My Heart is unadulterated Merciful Love. If I had not Mercy and Love, the arm of Justice would have long since fallen."

"This is how I desire each heart to love. Do not love only those who affirm you and return your love, but with merciful love embrace humanity. My tender Mercies can not know unforgiveness. It is the soul himself who chooses unforgiveness through lack of contrition for his sins."

"This is why so much of the revelation of Our United Hearts has to do with an illumination of conscience and perfection in love. It is a mission that teaches interior reform. All the grace is given to succeed."

"Make it known."

January 20, 2001

Public

"I am your Jesus, born Incarnate. I have come to your open heart to tell you that a soul can not know the intimacies of My Mercies unless he has confidence in Me. The one that does not trust Me can not understand My Love and Mercy. Such a one can not completely forgive himself or others. This obstacle prevents the soul's progress through the Chambers of My Heart."

"It is only through a more perfect love that you are able to completely forgive. The one that bears a grudge prevents his own progress in holiness through his self-will. Therefore, I tell you, empty your hearts so that I may fill them."

Mary Protectress of Faith – Feastday

Public

Jesus says: "Good morning! Happy feastday!"

"I am your Jesus, born Incarnate. I desire you understand today and always that My Mercy is the extent of My Love. Those who do not trust in My Mercy are lacking in their love of Me. How do they love Me more? Through their free will they will find the way."

"When you love someone you desire to be near him – in his presence or in your thoughts. You try to please him in little things and in greater. You want the person you love to approve of you."

"It should be thus in each soul's relationship with Me. It is then the soul will receive with respect, My Mercy. Then I can draw closer to him. Please make it known."

Monday Rosary Service

Jesus and Blessed Mother are here with their Hearts exposed. Jesus says, "I am your Jesus, born Incarnate." Blessed Mother says: "All praise be to Jesus."

Jesus: "My brothers and sisters, I have come to celebrate with you tonight the rebirth of your country under Christian rule. Thank you for the years of prayer that

you have offered against the sin of abortion. Continue to pray that this sin is completely vanquished in the world."

"We're extending to you tonight the Blessing of Our United Heart"

"THE REVELATION OF OUR UNITED HEARTS"

"I am your Jesus, born Incarnate. In the beginning My Father created heaven and earth. He created man and formed the first woman from his rib in order that they love, honor, adore and obey Him. Because of their sin, I was sent as Redeemer."

"But today, man continues in his sin. Many fail to discover the path of salvation and fall prey to Satan's deceit. Therefore, I have sent My Mother ahead of Me with the message of Holy Love. I have come after Her, revealing the message of Divine Love and the complete message of Our United Hearts."

"This is the way of salvation, holiness, perfection, conformity and unity."

January 25, 2001

"THE REVELATION OF OUR UNITED HEARTS"

"I am your Jesus, born Incarnate. I have come to further dictate to you the secrets of Our United Hearts - salvation, holiness, perfection, conformity and unity."

"In the world today the vast majority of the world's population remains unconverted; that is, they do not pursue their own salvation. Conversion comes through the grace of My Mother's Heart. Thus, the Immaculate Heart of Mary is the first Chamber of Our United Hearts. It is the antechamber to holiness, perfection, conformity and unity."

"The Heart of My Mother is Holy Love - the two great commandments-to love God above all else and his neighbor as himself. No one attains salvation who will not abide by these commandments. And so, with or without knowing this, the soul who seeks his own salvation must gain entrance to the first Chamber of Our United Hearts - Holy Love - My Mother's Heart."

"Once the soul gains admittance to My Mother's Immaculate Heart, his most glaring faults are brought to light through the Flame of Holy Love - The Flame of Her Heart. If he perseveres in grace, these faults will be burned away and the soul will be allowed to pass into the second Chamber of Our Hearts which is personal holiness. Now he is entering Divine Love and My Divine Heart."

January 26, 2001
Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I come once again asking you to surrender to Holy Love in the present moment. When you surrender, you relinquish something. I am asking you to relinquish anything that opposes Holy Love in your heart. Surrender to Me anything that you will, that is not in Holy Love. I will make of you a great apostle in this mission."

"I'm extending to you tonight My Blessing of Divine Love."

January 26, 2001
Conversation with Divine Love

"I am your Jesus, born Incarnate."

"Child, surrender to Me with joy. For this is the way to purer love and peace of spirit. I hold no portion of My Heart back from you. Thus, should you love Me. I open the most intimate Chambers of My Heart to the world through you. I give to you the secrets of Divine Love. The more you surrender to Me, the more My call to humanity will come to light in the world. The Mercies of My Heart flow in a steady stream towards earth, but I am ready to unleash a torrent of My tenderest Mercies to humanity through this message of Holy and Divine Love. For My Love cannot be separated from My Mercy, and My Mercy is My Love."

January 26, 2001
"THE REVELATION OF OUR UNITED HEARTS"

"I have come to you - your Jesus, born Incarnate. I invite you to see that each Chamber of My Sacred Heart is approachable only through a greater submission of free will. Thus, as the soul approaches the second Chamber of My Heart, he begins his martyrdom of love; that is, he dies to his own free will as a sacrifice of love."

"In the second Chamber of My Majestic Heart - The Flame of My Heart - the soul pursues holiness. The Flame of Divine Love reveals small flaws of character that separate the soul from Me. In this Chamber of My Heart the soul is more aware of the present moment. He understands the past must be committed to My Mercy - the future to My Provision. He opens himself up to the grace of the present moment."

"The souls in the second Chamber of My Heart are becoming more aware of the Eternal Father's Will for them and most accepting of My Father's Will. Then as

they surrender more and more to the Divine Will in the present moment, they prepare themselves for entrance into the third Chamber of My Sacred Heart."

January 27, 2001
Saturday MSHL Rosary Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, the Flame of My Heart is a purifying Flame which transforms everything that it touches, leaving behind no residue or ash, but changing it into love—a more perfect love."

"I desire every heart come hither. I desire that every heart be transformed in this purifying Flame. Become evangelizers of this message, and make known this Flame of Divine Love."

"We're blessing you tonight with the Blessing of Our United Hearts."

January 27, 2001
"THE REVELATION OF OUR UNITED HEARTS"

"I am your Jesus, born Incarnate. As the soul decides to pursue holiness, he is made more aware of the depth or lack of depth of the virtues in his heart. Every virtue proceeds from love and humility. Therefore, the depth of love and humility in the heart dictates the depth of every virtue."

"Every virtue originates from the power of the Holy Spirit. A person may know how to behave lovingly and humbly, but it is all pretense unless these virtues are alive and thriving in the heart. No virtue originates in the intellect. Further, the one who desires to be known as humble, holy, virtuous is practicing false virtue. The practice of virtue needs to be between the soul and his Creator."

"As the soul attempts to polish the virtues in his heart and refine them in the eyes of God, he enters the third Chamber of My Heart. In this Chamber the soul finds himself tested over and over in every virtue, for it is the test that strengthens or weakens virtue according to the soul's response."

"This is the Chamber that fine-tunes holiness by testing the virtues as gold in the Flame of Divine Love. As the gold is refined, the soul is prepared for the next Chamber of My Heart."

Fourth Sunday Service to Pray for Unbelievers

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, today your prayers rise to Heaven as melodious angelic hymns. Your hearts of love are the instruments which carry these prayers to the celestial heights. Remit all your cares and problems to Our United Hearts, and I will transform them into prayers of petition."

"Today we are blessing you with the Blessing of Our United Hearts."

January 29, 2001
Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, the path of your surrender is strewn with obstacles—obstacles that Satan would like you to trip over. Understand that humility is truth. Satan would like you to trip upon his lies, so that you cannot find the way to peaceful surrender to My Sacred Heart. If you use Holy Love as the maxim of all truth, these ensnarements will be made noticeable to you."

"Tonight we extend to you the Blessing of Our United Hearts."

January 29, 2001
"THE REVELATION OF OUR UNITED HEARTS"

"I am your Jesus, born Incarnate. I have come to describe to you the fourth Chamber of Our United Hearts. This is the Chamber of sanctification. The soul that seeks conformity with the Will of God enters this fourth Chamber after he has successfully surrendered his will to a virtuous life of Holy Love in the present moment."

"In this, the fourth Chamber of Our United Hearts, there are still two distinct wills - man's will and the Divine Will. Man's will can be likened to gelatin in a mold. An effort is being made in this fourth Chamber to overcome every semblance of sin - even small sinful habits - in order to transform the human will into the likeness of the Divine Will. The soul is able to accept all things as from the hand of God."

January 31, 2001
"THE REVELATION OF OUR UNITED HEARTS"

"Behold! I am your Jesus, born Incarnate. I have come to describe to you the fifth and most intimate Chamber of My Divine Heart. In this Chamber the soul is consumed with the desire to love Me - to please Me. In this love the soul is taking a giant step beyond conformity to the Divine Will. In conforming to the Will of God there are still two wills - God's Will and the human will. The soul is making the effort to accept all things as from the Hand of God."

"But in this most elite and intimate fifth Chamber of My Heart, the soul not only accepts, but loves God's Will for him. It is in this love that has been perfected in the greatest degree possible that the soul comes to union with the Divine Will. Few reach this fifth Chamber of My Heart."

"See then that it is love that invites you into the first Chamber - the Immaculate Heart of My Mother. It is love that invites you into the second Chamber seeking greater purification and holiness. It is love that desires perfection in the virtues - the third Chamber. It is love that takes the soul into the fourth Chamber conforming the human will to the Divine. It is love which brings the soul into union with God in the fifth Chamber. It is the depth of the soul's surrender to love that determines his eternity."

February 1, 2001
"THE REVELATION OF OUR UNITED HEARTS"

"I am your Jesus, born Incarnate. If love is the entrance to each Chamber of My Heart, please understand then, that it is only by a deeper surrender to love that the soul can be transported from one Chamber to another."

"In the first Chamber the soul must decide to love God more than sin. That is his salvation - the Heart of My Mother. In the second Chamber the soul loves God and neighbor even more and seeks holiness. In the third Chamber through a purer love the soul seeks perfection in every virtue. In the fourth Chamber the purified soul, now more perfected in virtue, desires to conform his will to the Will of God. And those precious souls who reach the fifth Chamber of My Heart, live in union with God's Will. God lives in them and they in Him. My Father establishes His Kingdom within the hearts of those who enter the fifth Chamber of Our United Hearts."

"Pray this prayer:

"Dear United Hearts of Jesus and Mary, I desire to surrender to Holy and Divine Love in all things, in all ways and in every present moment. Send me the grace so that I may do this. Help me as I try to respond to this grace. Be my protection and provision. Take up Your Reign in my heart. Amen."

Monthly Message to All Nations**
This message was given in 3 parts

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, rapidly, rapidly, I am gathering the first of My remnant faithful into the sheepfold of My Mother's Heart. The remnant is not those who miraculously survive some great catastrophe, but the few in number whose faith lies protected in My Mother's Heart, free of apostasy and error."

"The casualties of this spiritual warfare lie all around in the hearts of those who embrace heresy. Today the crisis of faith claims more souls than any natural disaster has ever claimed victims. The casualties in this war, however, are lost for all eternity."

"Please comprehend in your hearts today that the remnant is now taking shape because of mankind's decisions against the true deposit of faith, not because of natural or man made disasters, but loss of faith as the greatest disaster."

"When I return it will be as Prince of Peace and King of Glory. My Triumph will be a victory of Holy and Divine Love in every heart and in the world. As My Reign will be one of unifying love, understand that this message of Holy and Divine Love – this message of Our United Hearts – is the precursor of My return."

"I have come to invite you to see that the journey through the Chambers of My Heart are as a spiritual baptism. Just as John the Baptist baptized in the Jordan, I desire to baptize you in this spiritual journey. Renew your hearts."

"We are blessing you with the Blessing of Our United Hearts."

February 8, 2001

"I am your Jesus, born Incarnate. My sister, I invite you to see that the Mission is like a shared meal that I have prepared for humanity. It is a banquet of My Mercy, My Love. Some who sit at table do not partake or choose to partake very little. Others have insatiable appetites for holiness and enjoy my choicest graces, savoring every morsel. But I do not force-feed - I invite. The ones that go empty away cannot enjoy what I offer for they are already filled with themselves."

"But through this Mission, I fill the hungry with good things. I nourish their spirits. I make healthy their souls by enjoining them to introspection and overcoming that which is spiritually unhealthy. I leave it to each one to pick and choose that which I share. I offer the best - the sure and certain path."

"You will please make this known."

February 9, 2001

"I am your Jesus, born Incarnate - Divine Mercy - Divine Love."

"In the soul's surrender to Me lies the solution to every problem, no matter the complexities. When a soul hands over to Me the difficulties, I am able to take charge. It is then grace is given making every burden sweet and light. It is in the surrender that I am glorified in the Cross."

"Make it known."

February 13, 2001

Five minutes before Jesus came, Maureen had noticed a large group of ants around a column outside the church.

"I am your Jesus, born Incarnate. My sister, understand that today people are like the ants you see on the ground. They are busy going here, there and everywhere with no particular eternal goal. They retrace their steps and travel the same path in empty effort."

"But those who have heard the message of Holy and Divine Love cannot run from their responsibility. For once they have heard it, they must choose either for or against. There is no middle ground - no half-measure. Not to choose in each present moment is to choose. The weight of this message carries with it eternal reward."

"Make it known."

February 14, 2001

"I am your Jesus, born Incarnate. My sister, I tell you that the intimacies of My Heart are not open to those who pursue holiness through the intellect. It is only through spiritual surrender of the human will the soul is admitted to these Sacred Chambers. Thus, it is a cooperation between creature and Creator. The soul surrenders and the door to the Chambers is opened. I know what the soul surrenders - with what depth he surrenders, and I know, too, what he hangs on to. I see how he accepts the grace of self-knowledge or how he rejects it. I judge the merit of his surrender according to the merit of his surrender to the law of love. Some souls impede their own progress in the Chambers of My Heart by judging others' faults and disregarding their own. The one who thinks himself blameless has not entered the first Chamber."

February 16, 2001

"I am your Jesus, born Incarnate. Children, understand that when you pass a blessing - any blessing - to another, it is the faith and love in your hearts that determines the strength of the blessing. This is so with all prayer and every blessing that you offer on behalf of another. Every promise attendant to the blessings you have been given here at this site - United Hearts, Holy Love,

Divine Love, Special Blessing and Motherly Love - come alive through the strength of the faith and love in your hearts when it is offered."

"Make it known."

February 19, 2001

"I am your Jesus, born Incarnate. Understand that this spiritual journey is traveled through willing surrender of free will. The more the soul surrenders, the deeper I carry him into My Heart. The soul accepts and creates his own obstacles on this spiritual journey. It may be a disordered love of the world, of his own opinion or his reputation. It most often is unforgiveness which springs from secretly judging others."

"Such a one very often holds a check list in his heart of wrongs he convicts others of. This unforgiveness is very often the companion of self-righteousness. The soul sees himself as quite holy and perfect, but can enumerate the faults of others. This unforgiveness and judging closes the Door of My Heart. I cannot admit a soul who will not know himself - look into his own heart - and in humility correct his own faults. It is as though his spirit is a great balloon, but cannot fly into the heavens because it is tied down."

"If My Heart is all Love and Mercy, you must imitate Me. Love one another as I love you. Forgive always, then I will carry your soul into the highest Heaven and the deepest Chamber of My Heart."

February 24, 2001
Conversation with Divine Love

"I am your Jesus, born Incarnate. Allow my transforming Love to consume your heart. Thus, every semblance of your own will turns to ash and the Divine Will burns in your soul. Child, I have not come bearing this message of Holy and Divine inspiration for you alone, but for all humanity."

"This journey into My Heart bears with it the hope and consolation of an age to come. It is then false gods will be vanquished in hearts and in the world. These are the objects of distraction and affection that replace love of Me and neighbor in the heart. The empty gods of money, power, status and the like, are that of which I speak. These will pass away and the souls that worship them will choose their own perdition."

"This is why I tell you, I have come seeking the surrender of your will. This is the key that unlocks your salvation - the key to holiness, sanctity and unity. The more you surrender, the more I am able to give you. When you surrender completely, you will recognize Me - dwelling within your own heart."

"Make this known."

March 1, 2001

"Thank you for coming here to visit Me. Consecrate your day to My Eucharistic Heart and let us begin. I am your Jesus, born Incarnate."

Maureen prays the Consecration.

"Always begin your day this way. I pour out in abundance My Divine Love when this is prayed. Let us begin."

"Today, once again I come to seek self surrender. When you surrender yourself you surrender your will, and so doing, make your will one with the Will of My Father. The Divine Will is always Holy Love. It can never be otherwise. When you surrender to the Will of God, your life must reflect this Love. Just as a mirror reflects your physical appearance, your will must reflect the Love of God. I draw deep into My Sacred Heart the ones who desire this love and Divine Will."

"The one who is making a sincere effort to live in Holy Love receives the anointing of the present moment. That is to say, he is made most aware of the grace offered in the present moment. This is the second Chamber of My Heart - holiness. My coming to you in these times and My revelation of the Chambers of My Heart is a certain sign of My Triumph, both in hearts and in the world."

"Make this known."

Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate. My brothers and sisters, allow Me to take up reign in the center of your hearts. Abandon yourselves to Me that My TRIUMPH may come through your heart into the world."

"I am blessing you tonight with the Blessing of Divine Love."

March 3, 2001
Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate. My brothers and sisters, the greatest decision your country has ever made could be made by this president. It is greater than any fiscal policy or defense plan, or even uplifting the oppressed and feeding the hungry. It is the decision to END LEGALIZED ABORTION in this country. Heaven awaits this."

"I give to you tonight My Blessing of Divine Love."

March 3, 2001
Conversation with Divine Love

"I am your Jesus, born Incarnate. Let the Flame of Divine Love ignite in your soul sentiments of love. I desire to consume your being in this Flame of My Heart. It is self love which extinguishes this Flame. Thus, in this penitential season attempt to drive from your heart any lingering morsel of self love. You love as you will. Understand then, that your self love is one with your self will."

"Allow your love of Me to direct all your actions - thought, word and deed. I so desire it - so desire it! Never weary of embracing My Sacred Heart spiritually. Thus, I will be in the center of your heart. When I am alive in the midst of your heart, you will be embracing the Divine Will."

March 4, 2001
Sunday Rosary Service

Jesus is here with His Heart exposed. He raises His Hand and blesses the priest in the apparition room. He says: "I am your Jesus, born Incarnate - Divine Mercy - Divine Love."

"My brothers and sisters, imitate the Chambers of My Most Sacred Heart for this is God's Will for you. The essence of this message which is charity itself dictates that out of Love, you make this message known."

"Tonight I am blessing you with My Blessing of Divine Love."

March 5, 2001
Monthly Message to All Nations
This message was given in 3 parts

Jesus and Blessed Mother are here with Their Hearts exposed. They both turn toward the priest in the apparition room. Blessed Mother smiles at him and Jesus blesses him. Jesus: "I am your Jesus, born Incarnate."

Blessed Mother says: "All praise be to Jesus."

Jesus: "My brothers and sisters, this day I will take your petitions into Heaven with Me and place them in My Sacred Heart."

"Today I come to address all people - all nations, and I say, unite under the banner of Holy and Divine Love - the sign of Our United Hearts. For this, my friends, is the way to lasting peace. This is the way of truth and life - everlasting life. This is the generation chosen and set aside through which I reveal this most significant revelation of the United Hearts. You are chosen to call down My Victory of Love into hearts and the world."

"It is through love Satan will suffer his defeat, cast into hell, and be chained there forever. This, I tell you, will be the outcome of all your rosaries and prayers offered with loving hearts. The love in your hearts as you pray calls down My Justice upon evil."

"I have opened My Heart as never before to this generation. The Chambers of My Sacred Heart call to each soul. Abandon yourselves to Me. Let Divine Love consume you. Let Divine Love consume the world. Comprehend the road I have laid bare before you - not one of passiveness but of apostleship. Neither grasp at what I offer in lukewarmness or out of self importance, but out of love for Me and the mission I give you. The world awaits this message."

"Today in the world you have many paradoxes. Science attempts to create new life through technology and at the same time destroys it by abortion. Cures are sought for disease while germ warfare is developed. In such ways Satan directs and deceives millions of souls away from the truth and onto the path of perdition. But within the Chambers of My Heart awaits the balm to soothe the heart of mankind - the wrench to remove Satan's grip upon the soul of the world - the Flame that will burn away iniquity and deceit."

"The springtime of this mission is here. The bud is opening. Nourished by the Holy Spirit, it is about to send the fragrance of this message around the world. On the wings of angels the flowering of this mission will be pollinated far and wide, for you do not propagate this message on your own, but through Heaven's grace. Understand that you have been given a great treasure in the message of the Chambers of My Heart. It is like gold tested in fire. Do not squander this

treasure or let it be laid to waste in your heart, falling asleep in lukewarmness, but spread it amongst all you meet. For this is the mission I have placed in your hearts today."

"We're extending to you the Blessing of Our United Hearts."

March 7, 2001

"I am your Jesus, born Incarnate. Receive this message with a loving heart for I, your Lord, speak it. When you surrender it means you have a holy indifference as to the outcome of a situation. This is the nugget of truth that allows you to live in conformity to the Divine Will."

"Surrender is always surrounded by trust. You trust that God has an infinite, eternal plan that will bring good from any turn of events. Therefore, you remain indifferent as to the outcome, knowing God, who is Love, will engineer the best outcome. Even when I was lost in Temple, My Mother surrendered the outcome to God. She knew, full well, He had a plan and She accepted this plan blindly in trust."

"In order to trust the soul must be humble and loving. If these two virtues are not in the heart, every other virtue will be superficial - false. I see through every pretense. I will not help the proud soul to surrender. I bend down to the lowly and assist them in their needs."

"Make this known."

March 8, 2001

"I am your Jesus, born Incarnate. Today I tell you, every type of spiritual training, everything I taught and left My Church is based upon the spiritual journey through the Chambers of My Sacred Heart. Understand then, how important surrender to this journey is to each one. Lack of humility and imperfect love obstruct the way, for a soul's surrender can only be as complete as the depth of humility and love in the heart. The one who is self-centered, that is, consumed with self-love will be unable to surrender as I ask."

"This is why self-abnegation is so much a part of My call. Understand you can make heroic sacrifices, but if in the end you have not surrendered your own will, you have not begun the journey. The soul who surrenders his will leaves the outcome of every situation to Divine Providence."

"Make it known."

March 9, 2001

"I am your Jesus, born Incarnate. Please comprehend it is the soul himself who bears obstacles upon his path of surrender through his desires and opinions. These obstacles which he chooses to cling to, bear the fruits of convoluted thinking, jealousy, fear and anxiety. The soul that gives all to Me - trusting in My Provision - will be lifted up in freedom and borne swiftly, surely and joyfully through the Chambers of My Divine Heart."

"The soul who stands back through love of self cannot enter. This is the one who trusts too much in himself and his own efforts - who chases his reputation, who clings to his opinions. The threshold of Our United Hearts is the step of surrender. Every door to each Chamber is opened through a deeper surrender. The more the soul replaces love of Me in his heart for love of self, the easier his abandonment to Me - his surrender."

"The Fire of Divine Love purifies and frees those who choose it. Each apostle of My Heart must assist Me in making this known."

March 9, 2001

Friday Rosary Service for Priests

Jesus and St. John Vianney are here. St. John says: "Praise be Jesus." Jesus says: "I am your Jesus, born Incarnate."

St. John Vianney: "I've come to tell you how to live more deeply this message of the United Hearts which you have been given by Heaven. You cannot surrender if you do not trust, and you cannot trust if you do not love Jesus more perfectly. Therefore, let all your efforts be given over to loving the Lord with a more perfect love."

St. John gives us His priestly Blessing and Jesus says, "I'm extending to all here tonight My Blessing of Divine Love."

March 10, 2001

Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, surrender your every need to the power of prayer. For Heaven is attentive to petitions of sincere hearts. Do not fear, for that is not of Me, but of the adversary. Trust through a loving heart, and your prayers will find their way to the deepest part of My Sacred Heart."

"Tonight I extend to you the Blessing of My Divine Love."

March 11, 2001
Second Sunday Service to Pray against Abortion

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, your prayers today have been effective in coming against legalized abortion. Continue to pray every day that God's Law - THOU SHALT NOT KILL - is upheld, and man's law - the killing of babies in the womb - is abolished."

"I'm blessing you with My Blessing of Divine Love."

March 12, 2001

"Thank you for coming. I have awaited your arrival. I am your Jesus, born Incarnate."

"I have spoken much to you in this penitential season of Lent about surrender - surrender of your own will - surrender to the Divine Will of God. Understand that your will and your wants are the same. Because you see the future with human eyes, that is, imperfectly - what you want may not be what God sees you need. You were created to know and love God, and to share eternity with Me. Your wants very well may not lead you to this end. But the Will of My Father is perfect, eternal and all-encompassing. How foolish not to trust in His Will for you, then. If you do not trust it is because you do not love as you should. Love is the virtue that shines through every virtue, especially trust."

"The soul that trusts only in himself - his wants and his efforts - is like a ship without a rudder cast about on the sea of self-love. It is tossed upon the waves of empty goals and aimless efforts, never finding the port of peace."

"But the soul who accepts all things as from the Hand of God is already at peace. His wants are My Wants. His will is My Will, which is always the Will of My Father in Heaven. Love, trust, surrender and peace follow in this order. The more Holy Love comes to perfection in your heart, the more you trust - the more you surrender, the more you are at peace."

"You will please make this known."

March 12, 2001
Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, when you surrender to the Will of My Father in the present moment, remember Me with fond love. For it is the love in your heart which renders your surrender worthy."

"We're extending to you tonight the Blessing of Our United Hearts."

March 15, 2001
Conversation with Divine Love

"I am your Jesus, born Incarnate - Divine Love, Divine Mercy."

"Seek asylum in My Heart where I have prepared room for you. Understand that everyone has an underside to their personality. It is that part of them they are seeking, or should be seeking to bring into harmony with the Divine Will. Do not waste the present moment by thinking about what others need to do. Ask rather, to be shown what you need to bring to perfection through the virtue of love."

March 16, 2001

"I am your Jesus, born Incarnate. My messenger, look upon each one of My Words to you as a holy legacy to be passed on to future generations. Today I tell you, I long to draw you deep into the Chambers of My Sacred Heart. It is so with each soul."

"The inner sanctum of My Heart cries out to all. Once I told you that you see trust as a small thing, but I see it as all. This is so because the Chambers of My Heart are confidence. Unless you have confidence and trust in Me, you cannot approach even the first Chamber - Holy Love. You are wondering how this is."

"Every morsel of trust you have in Me is a fruit of the love you hold in your heart for Me. It is through this love which leads to trust, you are able to surrender your will to Me. The more you surrender your will, the more I am able to fill you with the Divine Will. This is the entire spiritual journey of Our United Hearts."

"You will please make this known."

March 16, 2001
Friday Rosary Service

Jesus and Blessed Mother are here with Their Hearts exposed. There are 15 to 20 angels with them. Blessed Mother says: "Praise be to Jesus", and the angels bow down.

Jesus: "I am your Jesus, born Incarnate. My dear brothers and sisters, do not allow the present moment to become compromised. For when you lose sight of

the present moment, my little ones, your heart is tossed about like the dry leaf in the wind of your own self-will. This is an open door to the adversary. But I have come to you so that you will recognize the grace in each present moment through the revelation of Our United Hearts. Pray to do so."

"We're extending to you tonight the Blessing of Our United Hearts."

March 17, 2001
Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate."

"Tonight, my brothers and sisters, I invite you to understand that God's Will is in all things, not just some things. My Father's Will is in every trial, every test of virtue, and in every victory. I, too, am in your midst when you live in Holy and Divine Love."

"And so, tonight I extend to you My Blessing of Divine Love."

March 19, 2001

The Holy Spirit showed Maureen the following vision:

INORDINATE SELF-LOVE EQUALS FEAR	FAITH, HOPE AND LOVE EQUALS TRUST
Much anxiety over future. Much guilt over past.	Surrenders future to God's Provision, and past to God's Mercy
Unable to surrender to Divine Will. Hangs on to anger, grudges, opinions and reputation; also love of material things	Give everything to God. "Fear is useless. What is needed is trust" Mark 5:36
Misses opportunities of grace in the present moment.	Perfects the virtue of love in his heart in the present moment. "Perfect love casts out all fear." 1 John 4:18

March 19, 2001

"I am your Jesus, born Incarnate. The soul who trusts in Me is deep into the virtues of faith, hope and love, for it is these three that bear the fruit of trust. Faith is trust in action and belief in the intangible. Hope is trust in God's Provision in the future. Love - being the basis of every virtue, the light that shines through

every virtue - is the basis and fiber of trust. You cannot love Me if you do not trust Me. You cannot trust Me if you do not first love Me."

"Make it known."

March 19, 2001
Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, you too, must sacrifice your will for the sake of all humanity just as I did. Your trustful surrender to the Will of God will bear the fruit of peace of heart and a joyful heart."

"We extend to you the Blessing of Our United Hearts."

March 23, 2001

"I am your Jesus, born Incarnate. The depth of your trust affects every aspect of your life. This is so because the more you trust, the more you surrender to Me. When you surrender I am willing to act in your life. Where you hang on to anxiety and worry, I step back. Thus, you must see that your trustful surrender allows Me to take charge."

"Please make it known."

March 23, 2001
Friday Rosary Service

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate."

"Tonight I invite each one of you to come to the foot of the Cross and leave your problems and anxieties there. When you surrender your worries to Me, they turn into grace which resolves every situation. Remember, all things are passing; all pain, emotional and physical, is temporary. After you have placed them at the foot of My Cross, I will carry them to Heaven covered with My Precious Blood, and your petitions will receive Divine Intervention."

"Tonight I'm extending to you My Blessing of Divine Love."

April 2, 2001
Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, the earth is awakening and renewing itself in the warmth of spring. So too, I desire that your hearts be transformed and renewed in the warmth of the message you have been given here at this site - HOLY AND DIVINE LOVE - this magnificent message and way of sanctity."

"We are blessing you tonight with the Blessing of Our United Hearts."

April 3, 2001
Conversation with Divine Love

"I am your Jesus, born Incarnate. The essence of this message is surrender to love. For such a surrender not only unlocks each Chamber of My Heart and bears the soul upon the path of perfection, but the fruit of surrender is a deeper, loving surrender; that is, the more the soul surrenders to love, the more he is able to surrender to love. His surrender bears the fruit of even deeper surrender. It is only free will that can fracture this chain of grace."

"I tell you these things, my messenger, with so much yearning for all humanity to immerse themselves in this message - this way of salvation, holiness, perfection and sanctity."

April 4, 2001
Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate. Tonight my brothers and sisters, I ask that you pray for one another that I may take up reign in each heart, removing confusion and leading the soul to trustful surrender, and so to peace. And I extend to you tonight My Blessing of Divine Love."

April 5, 2001
Monthly Message to All Nations
This message was given in multiple parts

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate and Author of all life. I come to testify to the truth which is the message of Love, the Chambers of My Heart. Who could

endeavor to imagine an age which would destroy life in the womb - a creation of God - and at the same time attempt to 'create' life by way of science. Nations that adopt such an arrogant course of action are persuading the Arm of Justice down upon them."

"See that Divine Provision and Protection are as great as your love for Me. But the ones who begin to trust only in themselves will find Divine Assistance lessened. It is then every sort of unnatural event is permitted to occur. You must pray for the welfare of your planet which has fallen out of harmony with God. If people understood the course of their decisions, they would turn to Me. But I do not seek any heart out of fear, but out of love."

"I come as the Good Shepherd to call My sheep away from the edge of the abyss. Turn away from sin and choose righteousness. This age, more than any other, will be given its measure of grace and saints-Yes! saints, martyrs of Love, bastions of truth, defenders of the faith. The tenderest of My Mercies now fall upon mankind, and the Stream of My Justice begins to flow."

"Oh, how I yearn to wash each soul in this Fountain of Divine Love that is My Heart. Oh, how I long for each soul to taste and know that My Mercy and Love are One. Understand that Satan has made a certain and particular target of this message, and especially those who are attracted to it. He comes clothed in doubts and criticism. He comes clothed in judgments and disguised as discernment. But to the true apostles of Love, he is easily discovered and his plans laid bare. This is a message meant to free the sinner from bondage. Therefore, see that the supernatural enemy of this mission must be evil in its various disguises and subterfuges."

"I have come today to establish a new covenant in the world, one of Love, firmly rooted in the Divine Will of My Eternal Father."

"To hear this message bears with it the weight of personal conversion, for WHO can enter paradise outside the Divine Will."

"Today we bless you with the Blessing of Our United Hearts."

April 6, 2001

"I am your Jesus, born Incarnate. There are many who seek Me out but they do not find Me. They do not recognize the obstacles that lie between Me and them; therefore, they cannot overcome them. Verily I say to you, to know that which obstructs the way to My Heart is a great grace. Some are shown this grace but reject it, unwilling to admit such obstacles are part of their own heart. But each one who has been given this grace and accepts it, I carry deeper into My Sacred Heart."

"Make it known."

April 6, 2001
Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite you to pray for the desire to be holy in this present moment, for in this desire is your surrender, and in your surrender is your peace."

"I'm extending to you tonight My Blessing of Divine Love."

April 7, 2001
Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, this journey into the Chambers of My Heart is an interaction between the human free will and the Divine Will of My Father in Heaven. When I extend to you My Blessing of Divine Love as I often do at this site, it extends over you and in you abundant grace to choose the Divine Will in every present moment."

"And so tonight, my brothers and sisters, I extend to you My Blessing of Divine Love."

April 8, 2001
Second Sunday Service to Pray against Abortion

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate. My brothers and sisters, let this be the Holy Week that strikes compromise from every heart - the week that does not find My Love unattended in the tabernacles of the world. Let this be the week that all souls come into the Divine Will of God."

"I will extend to you the Blessing of My Divine Love."

April 9, 2001

"I am your Jesus, born Incarnate. My sister, I have come to help you see that all things in this life are passing and temporary, just as the breeze wisps across your face. The only things that last are faith, hope and love, and the greatest of these is love."

"How foolish then for anyone to be concerned for their reputation amongst men. The one who chases his reputation is like the virgin who comes to meet her bridegroom, but has no oil in her lamp. The oil would be the love in her heart at the time of judgment. The lamp may be a marvelous reputation for virtue amongst those in the world. But all of this comes to naught without love."

"The simple soul does not chase his reputation. He does not wish to be held in high esteem by anyone except Me. He does not try to act holy to impress others. He does not boast about the spiritual favors he is given. Rather, in humility he desires to be hidden and counted as nothing. Further, he is not spiritually envious of the gifts others receive. This is a spiritual ambition which is not from good, but from evil."

"My favor rests upon the one who seeks no acknowledgment in the world, but rather out of love for Me, seeks only to please Me. In any favor he receives, he immediately gives honor and glory to Me. A person can expend much energy chasing his reputation, but in the end it is between the soul and Me. I search the heart for Holy Love at the last breath. The degree of love, or the lack thereof, determines the soul's eternity."

April 9, 2001
Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, tonight I invite you to stand at the foot of the Cross with My Mother as She mourns for those who do not have hearts full of Holy Love. Pray with My Mother at the foot of the Cross as She calls all souls to conversion and repentance. Then understand, my brothers and sisters, that in every Cross is a victory."

"We extend to you tonight the Blessing of Our United Hearts."

April 12, 2001
Holy Thursday

"I am your Jesus, born Incarnate. I have come to tell you this, my messenger, on this Holy Thursday. As I underwent My passion and death, my great consolation was that I would remain in the world clothed in the Eucharist. Not that I wanted to cling to the world or life in the world, but as My Father's Will, I remain as a strength and support to all of humanity."

"Yes, I am here! I am present - Body, Blood, Soul and Divinity. The only thing that can loosen my spiritual bond with all people is free will. Therefore, I come to say - **believe in Me truly present in the tabernacles of the world.**"

April 14, 2001

"I am your Jesus, born Incarnate. I have come to you so that the world will understand that the journey into the Chambers of My Sacred Heart is at once a crucifixion and a resurrection- a crucifixion because to enter even the first Chamber, the soul must die to his own will and surrender to the Divine Will. Each successive Chamber requires a deeper surrender. It is also a journey of resurrection, for the soul who surrenders his will allows love to be victorious in his life. Thus is he brought from the death of sin to eternal life."

"You will please make this known."

April 15, 2001
Easter Sunday

"I am your Jesus, born Incarnate - the Resurrection and the Life! Alleluia! Today you celebrate the first victory of Divine Love - the victory over original sin. This was the victory that opened the way between the Divine Will and free will."

"My last victory of Divine Love is yet to come. It will be the victory of Divine Love in all hearts and in the world. It will usher in the New Jerusalem and My second coming. Every heart that surrenders to Divine Love brings the victory closer. To live in My Divine Love is to love Me above all else, and to love one another as I have loved you. Yes, such a soul has passed through the Chamber of Holy Love where he is asked to love one another as he himself desires to be loved."

"The soul is drawn deeper into love - deeper into the Chambers of My Divine Heart. Once he enters Divine Love he must love as I have loved. He must embrace his cross as I embraced My Cross - out of love. He must see in every cross certain victory, for the cross is the victory of Divine Love in disguise."

"Thus do I appear to you today - victorious, clothed in Love."

April 16, 2001
Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here all in white. There are four angels with Them. Blessed Mother says: "Praise be to Jesus. Alleluia!"

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, if you have faith in My Resurrection, then you must also have faith in Divine Love, for My Resurrection is the same as My Divine Love in the world. Then, if you are listening to Me and have this faith, you will understand that I come to you out of Love, and speak to you out of Love, and call you into Love."

"My dear brothers and sisters, We are extending to you tonight the Blessing of Our United Hearts."

April 16, 2001

"I am your Jesus, born Incarnate. Today, let the Light of Divine Love penetrate every corner of your heart, every area of your life. Thus will the world see the reflection of My Love in you; thus will My Victory shine through you."

April 20, 2001

Conversation with Divine Love

"Know the sentiments of My Heart and understand that Love is My Victory. Become a channel of My Divine Love, for I have desired it from the beginning of time. I am your Jesus, born Incarnate - Divine Love, Divine Mercy."

"Confound not My efforts by lack of faith. Trust is the key to My Heart. Trust outlasts the adversary. Forsake the world and cling to Me. I will re-double your every effort by My Grace. Do not ponder the ways Satan has attacked in the past. I am reigning in the present moment. Under My domain lies your every concern, every prayer, every sacrifice. Let it be so."

April 20, 2001

My brothers and sisters, allow your hearts to be resurrected through this message of Holy and Divine Love; then your lives will be signs of Divine Love in the world around you, and the hearts around you will begin their conversion journey."

"Understand that your prayers are most pleasing to Me when they come from hearts full of love."

Saturday MSHL Rosary Service

Jesus and Blessed Mother are here all in white and Their Hearts are exposed. They nod to each one in the room.

Blessed Mother says: "Praise be to Jesus. I welcome everyone here. It is good to see my two visionaries together once again, assisting one another in love."

Jesus: "I am your Jesus, born Incarnate. I have come to draw each one and all into the font of My Heart - PERFECT LOVE, PERFECT MERCY. Surrender to Me your weaknesses, your strengths, and I will perfect you through the Chambers of My Divine Heart."

"Tonight we will bless you with the Blessing of Our United Hearts."

April 22, 2001
Divine Mercy Sunday

Jesus is here as He is in the Divine Mercy picture with the rays coming from His Heart.

Jesus: "I am your Jesus, born Incarnate. Today, my brothers and sisters, My favor shines upon every petition that is in hearts here present. I am ready to give you more than your deepest desires - greater still is My Mercy everlasting."

"When you trust in Me, My brothers and sisters, your hearts become vessels of Mercy. You are living in an age marked by Divine Mercy. Yet to come is the age of the VICTORY OF DIVINE LOVE."

"Today I am blessing you with My Blessing of Divine Love."

April 23, 2001

"I am your Jesus, born Incarnate. You are asking in your heart about the statement in the Magnificat—

... 'He will scatter the proud in the conceit of their heart.' Here is the meaning: The proud soul is like a ship without sails upon a stormy sea. It is tossed to and fro by every whim of free will. This ship has no compass; that is, its direction is not chosen wisely - just as the proud soul chooses his own way instead of the Way of the Divine Will."

"Such a soul thinks too much of his own opinion, too much of his reputation, too much of his wants and comforts. The soul who truly loves Me loves the Will of My Father. He chooses littleness, regards everyone as better than himself - more holy, more worthy. His soul is like a ship on a calm sea with a strong sail and a worthy compass. He will not become lost or confused, for he allows himself to be led by the Divine Will. He knows how to sail the ship of his soul according to the Laws of God."

April 23, 2001
Conversation with Divine Love

"I am your Jesus, born Incarnate. When you receive Me under the form of the Eucharist, your heart becomes a tabernacle of Divine Love - Divine Mercy, for I

am truly present in your heart during these moments just as I am truly present in the tabernacles of the world."

"It is during these precious moments in time that I cradle your soul in My Heart of hearts. I caress your petitions and press them into Divine Love. Treasure these moments as I do."

April 23, 2001
Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here all in white with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, let the Light of My Victory over death be illuminated in you through the victory of Love in your heart. Let this Love reign in your heart in the present moment by merit of obedience to the Divine Will of My Father."

"We're extending to you the Blessing of Our United Hearts."

April 25, 2001

"I am your Jesus, born Incarnate - Divine Love, Divine Mercy. Just as each soul chooses his own eternal destiny, so too, he chooses to accept or reject this message of the United Hearts when he hears it."

"But how foolish the soul that rejects the gift of this spiritual journey of Holy and Divine Love. For this is a journey that takes you beyond the commandments of love into sanctity itself. This is a resurrection message, for the one who lives this message will surely rise and live forever. His place in Heaven will be among the saints."

"Through this message I offer each one not only salvation, but peace and joy in this life and in the next. Do not reject what I offer, but give thanks. Open your hearts and rejoice. For through this revelation, I breathe life into the lifeless. This is the message that opens the door to the Kingdom of the Divine Will."

April 25, 2001

"I am your Jesus, born Incarnate. I have come to help you see once again the importance of the present moment. It is in the grace of the present moment that you must make the journey into the Chambers of My Heart. In the present moment then, is your perfection in every virtue and your conformity to the Divine Will."

"Understand that every present moment is an opportunity of growth. Every present moment is a test of virtue. It is only in the test that virtue is perfected. If you desire to be patient, you will be given opportunities to be patient and, therefore, grow in patience. If you desire humility, you will be humbled - and so it goes with every virtue. The challenge in virtue is proof of its existence or absence in the soul."

"But if the soul misses the present moment, he also misses the opportunity for growth and perfection. See then, that the second Chamber opens the way to the third, fourth and fifth Chambers of My Heart."

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. I have come to bless each person here - their hearts, their lives. Just as the earth is awakening under the Hand of God's Will in this season of Spring, I desire each heart be awakened to God's Will in his life here, today and always."

"We are blessing you with the Blessing of Our United Hearts."

April 30, 2001

"I am your Jesus, born Incarnate. Dear child, My Love and My Mercy are like this: My Mercy is like the soft rain falling upon a tender, young plant - cleansing it and helping it to stand erect. My Love is like the warm summer sun encouraging the little plant to open in full bloom. Both My Divine Mercy and Divine Love work together in the soul to bring it to the fullness of salvation."

"Divine Love and Divine Mercy are always offered to the soul together. One does not work apart from the other. One is like the wheels on a vehicle propelling it forward; the other is like the fuel in the vehicle. Both are necessary--or, one is like the flour used to make bread; the other is like the yeast."

"Come to recognize the unity of these two - Love and Mercy in every present moment."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, step into the Light of My Wounds and come under the Blood and Water that flow from My Side. Then, understand that My Love and My Mercy are one. I call you into Divine Love and Divine Mercy so that I can lead you into the Divine Will of My Eternal Father."

"I am your Jesus, born Incarnate. My messenger, do you see the little bee gathering pollen from the flowering tree outside? The bee is like many and all of the pilgrims who come to the prayer site. They gather what information and graces they can from the mission."

"Like the bee who returns to the hive to make honey, the pilgrims return home, hopefully to allow the message to bear fruit in their lives. The bee does not have to fly to any other source for pollen. That tree has enough blossoms to satisfy him over and over. So too, the pilgrim can find everything he needs at this apparition site."

"Grace abounds here. The message is the only message he need hear, because it envelops every message. At the property or through the use of the water at the many sources there present, the pilgrim will receive the illumination of conscience. He may be physically healed or receive the grace to carry his cross."

"Just as our little bee is completely satisfied with his source of pollen, the pilgrim who comes to Maranatha will be satisfied in his needs. I have withheld nothing from those who come. I offer them the innermost Chambers of My Heart."

"Make this known."

Feast of Mary Refuge of Holy Love
Monthly Message to All Nations
This message was given in 2 parts

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. As we are celebrating this Feast of Holy Love, I invite you to see that the measure of Holy Love in the soul of your country was revealed in the last presidential election. A narrow victory, though it was, Heaven awaits the fruits of this victory in resounding government policies. Love of God above all else and your neighbor as yourself should not be set aside in favor of more popular political stands. Here, I speak of abortion in its every form."

Overcome this evil, America, and you will have God on your side. Then you will need no other political ally."

"I wish to describe to you the lukewarm soul. Such a soul is neither warm nor cold. He lingers in a nebulous state, full of doubts, ambiguities and compromise. Morally, he is full of indecisions and duplicity. Truth eludes him. This soul is an open door to Satan's deceit. But I have set down the law of Holy Love. I am the Just Judge and the Defender of the Faith. With Me there is only right and wrong. Half measures and indecision are self-condemning."

"As Heaven awaits action in lieu of words, innocent lives are being lost. The abyss between Heaven and earth widens with each abortion. My brothers and sisters, you seek peace in the world, and yet you make war on the unborn. You seek to discover the secrets of life, but you destroy the very life I create in the womb. Do you not see the path you follow? Are you so deceived that you see wrong as right? Have you forgotten the commandments of love?"

(The wind is gusting 20-40 mph.)

"My brothers and sisters, as quickly as the wind passes over your face, that is how quickly My Mercy fills a repentant heart. So any soul, and indeed every nation that turns to me with a contrite heart, will be forgiven-for in the end it is My Mercy that will save, and My Love that will triumph."

"We're blessing you with the Blessing of Our United Hearts."

"Tonight We're blessing you with the Blessing of Our United Hearts."

May 10, 2001

"I am your Jesus, born Incarnate. Heaven desires that you establish in the world devotion to Our United Hearts, for this is how Our Victory will come. Our United Hearts represent Holy and Divine Love, and the spiritual journey which leads to union with the Divine Will of My Father. The Victory of Love I call humanity to will

usher in the New Jerusalem. This New Era will be the Triumphant Reign of Our United Hearts - the Reign of Holy and Divine Love."

"Our Victory has already begun in hearts that pursue this Journey of Love. Our Victory is spread through propagation of this message. This is why Satan so vehemently opposes it. Through grace this message will be spread and accepted. Every heart that embraces Divine Love brings the Victory closer."

"It is Divine Love that will drive out evil and conquer darkness. You will please make this known."

Jesus is here; His Heart is exposed. He says, "I am your Jesus, born Incarnate."

"My brothers and sisters, surrender to Me all your anxieties, all your likes and dislikes, all your problems. How I long to draw you along the path of holiness into union with the Will of My Father. Your sanctification is more important to Me than the resolution of any difficulty in your life; therefore, surrender."

Feast of Our Lady of Fatima - Mother's Day
Second Sunday Service to Pray against Abortion

Jesus and Blessed Mother are here. Our Lady is Our Lady of Fatima, and She has on the crown like the statue in the apparition room. Jesus has His Heart exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, I come to you today just as My Mother came to you many years ago in Fatima. I come to save souls. When My Mother appeared in Fatima the world was at war, nation rising against nation."

"Today the war still continues against the unborn; good against evil. You have lost more people in the womb than you lost in all the wars together in this country. Souls slip to their perdition because they have followed popular deception that abortion is justified. But I have come to show you the path of righteousness and draw you along the path which is the Chambers of My Sacred Heart. You will please make it known."

"We extend today the Blessing of Our United Hearts."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, when I return My Reign will be one of Divine Love. Please understand that God's Holy and Divine Will is always surrounded and embraced by Divine Love; and so it is for each soul. I can reign in the present moment through Divine Love when you surrender to the path of the Chambers of My Heart."

"Tonight we're blessing you with the Blessing of Our United Hearts."

May 16, 2001

"I am your Jesus, born Incarnate. Holy and Divine Confidence is the path beneath your feet that draws you along the road of holiness and through the Chambers of My Heart. It has always been so, and is so for each soul. This is why every flaw in trust reflects some failure in Holy and Divine Love, for it is love that leads to trust--it is love that is the foundation of trust. It is through love the soul surrenders to trust."

Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate. My brothers and sisters, I desire only your well-being, never your detriment. Therefore, in every event of life, in every present moment, look for My Hand for I will bring good from all things. It is My Hand that enfolds the Father's Eternal Plan in your life. Pray for the grace to see God's work in every moment."

"I'm blessing you with My Blessing of Divine Love."

May 25, 2001

"I am your Jesus, born Incarnate. This is for the booklet I have requested on the first Chamber - Holy Love."

"Holy Love is the title I give to the two great Commandments of Love - to love God above all else and your neighbor as yourself. This is the virtue which shines through every virtue, for without Holy Love in the heart, every virtue is but superficial."

"My Mother's Immaculate Heart is Holy Love. In the Flame of Love - the Flame of Her Heart - pronounced faults are burned away from the face of each soul who surrenders to love. Holy Love - My Mother's Heart - is the first Chamber of My Sacred Heart. This is so, for We are united in spirit, each one to the other. We are thus united, for our love for each other is perfect--without flaw."

"Through the Chambers of My Heart the soul is continually called to a deeper surrender to love - a more perfect love. The goal of My call is union with the Divine Will, for My Father's Will is Perfect Love."

"The peace every heart seeks is Holy Love. The peace the world seeks is unattainable except through Holy Love. So you see, love and peace accompany each other and are never found in truth apart from each other. It is so in hearts; it is so in nations; it is so in the world. Holy Love brings all of creation into harmony with God's Will - His Eternal Plan."

Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, this message of Holy and Divine Love is an apocalyptic message, for this generation must pass through the gateway to the New Jerusalem - Holy Love - the Immaculate Heart of My Mother. Some may never choose this; some may choose it at the last moment. But I tell you, the greatest grace comes to the one who chooses it now in this present moment."

"I'm blessing you with My Blessing of Divine Love."

Fourth Sunday Service to Pray for Unbelievers

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, God's Will for you is Holy Love in the present moment. You cannot advance through the Chambers of My Heart unless you are living the Holy Love message. Therefore, ask for the grace to discover what is in your heart which is unloving, then ask for the grace to rid your heart of these faults. You will be granted it."

"I'm blessing you with My Blessing of Divine Love."

Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "My brothers and sisters, when I was on earth and now in Heaven, My Heart was intertwined with the Heart of My Mother, and My life was intertwined with Her life as well. Spiritually we were one. So too, I desire that your hearts, My brothers and sisters, be interwoven with the United Hearts. Thus you will create a fine fabric of love to present to God."

"Tonight We are blessing you with Our Blessing of the United Hearts."

May 30, 2001

"I am your Jesus, born Incarnate. I come today to invite you to have hope. If hope were a balloon rising in the air, doubt and fear would be the pin that would burst it. Hope is a fruit of trust--trust a fruit of love."

"Suppose you hope in something that is not in God's Will for you. Your hope is still a joy to Me, for it is an expression of your love. Believe that I desire only the best for you, and hope in Me."

June 4, 2001

"I am your Jesus, born Incarnate. Discernment is a fruit of Wisdom. Wisdom is a gift of the Holy Spirit. Wisdom and the fruit it bears are counterfeit when they come from the intellect and not the heart. Wisdom can have its root in evil or good depending on the source that the soul accepts it from."

Monthly Message to All Nations

This message was given in multiple parts.

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. Today, I have come to help you see that these dark hours are passing. Coming is a New Pentecost which will pour out into the Church-all people and all nations. This time the Holy Spirit will come as the Fire of Divine Love-transforming the heart of the Church, the heart of every nation, and the heart of each soul into purified love."

"These days the test is upon you. You are being tested in the fire of doubts, confusion and compromise. You see this in the way in which Heaven's intervention is misunderstood and explained away. But all I have given you and all My Mother has told you at this site, will be your weapon and path of victory in days to come."

"My brothers and sisters, your surrender to Holy and Divine Love is My Victory. The fervor and depth of your love determines each one's eternal reward. Forsake your doubts - your tepidity - and discover the joy in your surrender. For it is surrender to Holy and Divine Love which brings each soul, every nation, and the world into harmony with God's Will."

"Disorder, agitation, confusion and all sin thrive outside of My Most Sacred Heart. Therefore, I urge you to shepherd those around you into My Heart of Divine Love. This journey into the Chambers of My Heart can pull the world back from the edge of the abyss - from the brink of disaster. Let My coming to you be a sign of hope, for I have not abandoned you."

"My brothers and sisters, We come to you today to draw all people and all nations into the Chambers of Our United Hearts. When you surrender to this message of LOVE, My brothers and sisters, I am glorified. I desire that you take this message back to your homes, carry it in your hearts, let it become a part of you as you live it, and offer the message to those around you as though you were offering them the innermost fibers of My Most Sacred Heart. So much do I desire it! Pray and sacrifice for those who will not listen and will not accept this message of love."

"Today, We are extending to you the Blessing of Our United Hearts."

June 6, 2001

"I am your Jesus, born Incarnate. I invite you this morning to see that in this present moment My Heart provides the way of salvation, holiness and sanctity for every soul in the world. My invitation is not limited to a select few, but to all. Therefore, understand that My Love and Mercy are at the root of this message, and opening the Chambers of My Divine Heart to the world."

"The time has come for souls to recognize the depth of My Love and Mercy. I have come not to condemn, but to save. I so desire that every heart enter Herein, amidst these Divine Chambers. Abandon yourself completely to the Will of God which is perfect for you. No greater advice can I give to any soul. In this abandonment is your freedom. Your surrender is a sacrifice of love."

"Make this known."

June 8, 2001
Friday Rosary Service for Priests

The Cure D'Ars (St. John Vianney) is here. He says: "Praise be to Jesus."

"My brothers and sisters, it is every priest's duty, every bishop's duty and every cardinal's duty to be familiar with what was stated and decided upon in Vatican II."

"Compromise begins like this: Untruths and convoluted thinking are attributed to decisions in Vatican II, and these errors are spread, and worse still, accepted and believed in. I will bless you if you pursue the truth in every way and on every

subject. Do not presume certain things were stated or decided upon which were not."

"Tonight I'm extending to you My Priestly Blessing."

June 9, 2001

"I come to you - your Jesus, born Incarnate. I invite you to see that when you surrender all your anxieties to Me at the foot of the altar, I transform them into love. Love is the fruit of your trustful surrender. My Eucharistic Heart is the source of all Love."

"It is always self-love that holds the soul captive and hinders trustful surrender."

"You will please make this known."

Saturday MSHL Rosary Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. Tonight, My brothers and sisters, I invite you to surrender in the present moment all your anxieties and worries. Most often these are the crosses that you need to give to Me in atonement for the sins of others. This type of sacrifice is more pleasing to Me than sorrow for past sins which have already been forgiven."

"Tonight we extend to you the Blessing of Our United Hearts."

Trinity Sunday
Second Sunday Service to Pray against Abortion

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, this revelation of Our United Hearts was conceived in the Heart of the Eternal Father before time began. It was passed down to you through My Heart, through the Heart of the Holy Spirit, through the Heart of My Blessed Mother."

"Do not receive this message with apathy, but have the heart of a missionary - desiring, endeavoring to spread it far and wide. I will bless your efforts even now."

Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, I have given to you the most prized possession of My Heart. It is the knowledge of the Chambers of My Sacred Heart. You have been given this because you surrender to Me, and because you love Me, and have hopeful hearts. Continue to pray for those around you who do not surrender and do not recognize the Chambers."

"Tonight We bless you with the Blessing of Our United Hearts."

June 11, 2001

"I am your Jesus, born Incarnate. Conversion of a heart is like a soul passing from darkness to light. Just as the sun passes from behind a cloud, the soul who is being converted is given the light to see what stands between himself and God. If he accepts this knowledge with humility, he is willing to make the effort to overcome these sins or flaws."

"It is the proud heart that is not open to self-knowledge, but believes himself perfect enough. This is spiritual pride. Such a one may envy the spiritual gifts of others which in itself is a sin to be overcome. Conversion of a heart is from moment to moment for everyone. No one can say in reality, 'I am converted - I am saved', for in the next moment he may fall into grave sin."

"End each day with a thorough examination of conscience. Ask for the grace of truthful insight into your own heart. It will be granted."

June 13, 2001

"I am your Jesus, born Incarnate. This revelation of the Chambers of My Heart is the greatest gift I could have given you outside of the Eucharist itself. It is a sign of My Coming Victory. It is a sign of My Victorious Reign in hearts, and in the world."

"To choose the journey into the Chambers of My Heart is to choose to be sanctified."

"Make it known."

June 13, 2001

St. Margaret Mary Alacoque comes. She says: "Praise be to Jesus."

"You must understand that any Church official who condones that which the Holy Father has spoken against is in heresy. It is condoned when it is not opposed. I speak specifically of women in the priesthood and married priests."

"Ideologies such as this are heresy. If you are not with the Holy Father, you are against him."

"Sacred Heart of Jesus, have mercy on all heretics!"

My brothers and sisters, I desire that you understand that every fiber of My Sacred Heart is Divine Love which is Love of the Eternal Will of My Father, and an all-consuming Love of each soul which is created. I desire that you be drawn into this Love and allow it to consume you. Become part of this Love."

"Tonight I'm blessing you with My Blessing of Divine Love."

June 16, 2001
Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate. Tomorrow, My brothers and sisters, is the FEAST of Corpus Christi, and I desire each of you to celebrate, be joyful and make known your belief in My Real Presence in the Tabernacles of the world-for I am so maligned, my children, so maligned. Yes, mend My broken Heart for all the sacrileges and apathy towards My Presence in the Bread of Angels."

"And I will bless you, even now, as I'm blessing you with My Blessing of Divine Love."

June 16, 2001

"I am your Jesus, born Incarnate. Yes, assist Me in this tribulation that falls upon men's hearts. The tribulation that has come is in the heart that refuses to forgive. It is in the heart of the apostate and heretic. It is in the heart of all those who love money, power and acknowledgment."

"The heart that is all peace seeks to be perfected in holiness in the background. Such a heart is more than willing to discover his faults. He desires littleness. His goals are not worldly goals but everything which lends itself to perfection in Divine Love. The fruits of such goals are peace, love and joy. Such a one is drawn deeper and deeper into My Heart, and is consumed by the Flame of Divine Love."

"Make it known."

Jesus: "I am your Jesus, born Incarnate. Please allow, My children, that My transforming Love enter your heart. It is only in this way that Divine Love can reign within you. Allow this Love to become the very fiber of your being."

"We are blessing you with Our Blessing of the United Hearts."

June 22, 2001
**Midnight Service in the Field of the United Hearts/Feasts of
The Sacred Heart of Jesus and The Immaculate Heart of Mary**

Blessed Mother is here as Our Lady Refuge of Holy Love. She says: "Praise be to Jesus, truly present in the tabernacles of the world! My daughter, I have come to thank you for your trust. Trust is a sign of faith, hope and love in the heart. It is this trust in your heart that allows Me to replace lack of faith in hearts with trustful surrender to God's Divine Will. Rejoice in this!"

"Dear children, I come to you tonight as My Son has sent Me to seek your conversion. Many of you have lukewarm hearts. Still others are not practicing their faith. The journey to your conversion in this present moment is paved with love. The heart that surrenders to My call to holiness through Holy Love becomes My instrument in the world. Through such a heart I am able to begin, continue and complete My Victory."

"The journey into the Chambers of My Son's Most Sacred Heart is the only preparation you need for the future. When you surrender to Holy Love you begin the journey, and it is a sign to Satan that you belong to Me. Though the adversary will test you, he cannot win you over if you remain within this call to Holy and Divine Love which is the journey into these Sacred Chambers. This is because the enemy sees into your heart just as God sees. In the end Satan

knows his final defeat will come through Divine Love. Though he knows he cannot win, he tries to snatch from Me one heart at a time."

"These days you must be strong and steadfast in your quest for holiness through Holy Love. Repel the enemy by your 'yes' to Me. Cling to Me by reciting your rosaries with love. Remember that Holy and Divine Love are the Victory."

"Most do not realize the grip Satan has on the world. He has infiltrated business, industry, the world of finance, governments, marriages, and yes, even the Church itself. His entry is always insidious coming under some pretense of good. But you will unclot him, using as your measure this message of Holy and Divine Love."

"Tonight, my dear children, resolve to fasten yourselves to My Heart by living the message of Holy Love. I will protect you and lead you into the Sacred Heart of My Beloved Son. This is the certain path that leads through the narrow gate and to your sanctification."

"My dear, dear children, I have come to you tonight to console you. I love you; I seek your salvation. Every present moment I pray for your holiness, and your sanctification. I hold a place in paradise for each of you. Satan has tried to defeat My purpose here at this site many times, and in many ways. But he will not succeed because Love will be the victor in the end. My dearest children -- pray, pray, pray!"

"Tonight I am blessing you with My Blessing of Holy Love."

You must love God above all else and your neighbor as yourself as I commanded when I walked the earth. The more you allow yourself to be purified in the Flame of Holy Love, the deeper My Mother will lead you into the Chambers of My Divine Heart. I offer you this because I love you so dearly, my children."

"Dear brothers and sisters, come as little sheep into the Sheepgate of My Mother's Heart so that She can lead you to the Good Shepherd."

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I come to invite each one and all to simplify your lives by ridding yourselves of all excess. Meditate each day upon My Passion. Say the Stations of the Cross. When you say the Stations at this site, My Mother will accompany you. She has promised this."

Conversation with Divine Love

"I am your Jesus, born Incarnate. My child, I desire that you make it known that the tenderest of My Mercies are reserved for those most in need of My Mercy. I can refuse no one who turns to Me with a contrite heart."

"I place before you the Flame of Divine Love - the Flame with which I will engulf the world and accomplish My final Victory. I charge you with the passport into this Flame of Divine Love - the journey into the Chambers of My Sacred Heart."

PERSONAL – AFTERNOON
To Be Publicized

Our Lady comes as the Sorrowful Mother. She says: "Praise be to Jesus. I see you are using the new Rosary of the Unborn. I affirm to you, my daughter, that each 'Hail Mary' prayed from a loving heart will rescue one of these innocent lives from death by abortion. When you use this rosary, call to mind My

Sorrowful Immaculate Heart which continually sees the sin of abortion played out in every present moment. I give to you this special sacramental with which to heal My Motherly Heart.”

Maureen asks: “Blessed Mother, do you mean any ‘Hail Mary’ or just one prayed on the Rosary of the Unborn?”

Blessed Mother: “This is a special grace attached to this particular rosary. It should always be used to pray against abortion. You will please make this known.”

July 2, 2001 EVENING

Blessed Mother is here as Mary Refuge of Holy Love. She is holding the Rosary of the Unborn and says: “Praise be to Jesus.”

“You can be confident in using this Rosary and the attached attendant promise I have given you. Do not be abashed (shy) about propagating this message.”

Note: In order to be a sacramental, it must be blessed by a Catholic Priest.

Definition of “sacramentals” from the “Catechism of the Catholic Church”:

“Sacramentals are sacred signs instituted by the Church. They prepare men to receive the fruit of the sacraments and sanctify different circumstances of life. Among the sacramentals, blessings occupy an important place. They include both praise of God for His works and gifts, and the Church’s intercession for men that they may be able to use God’s gifts according to the spirit of the gospel.”

July 2, 2001

“I am your Jesus, born Incarnate. I so much desire to be the inspiration of every soul, drawing them along the pathway of salvation, holiness and sanctification that is the journey into the Chambers of My Heart. Stay on the path, oh little souls, and do not let the tumult of life lead you astray.”

“I know the desires of your heart and I give you only the best. The best is what leads to your salvation—the best is what perfects your heart in holiness—the best is what holds you in the Divine Will in the present moment—the best is your sanctification.”

“The Chambers of My Sacred Heart are truly the Doorway to Heaven – the Narrow Gate – the Priceless Pearl you must abandon all else to acquire. Oh, how I desire to be the inspiration of each soul!”

Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, once again I repeat to you tonight how much I long to draw all humanity into the Chambers of My Most Sacred Heart. In this Heart and within this call, find My Perfect Love and Mercy which reaches from age to age, is Perfect, and is all-encompassing."

"We are extending to you tonight the Blessing of Our United Hearts."

July 4, 2001

"I am your Jesus, born Incarnate. I have come to reveal to you that My Divine Mercy and My Divine Love unite to form My Victory. In truth I tell you, My Mercy, My Love and My Final Victory are all one."

"It is by My Mercy the soul is drawn to Me. It is by My Love the soul mounts the footpath of surrender. It is by both of these – Love and Mercy – I am victorious in hearts, and then the world. Make it known."

July 4, 2001
Independence Day

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother is holding the Rosary of the Unborn. She says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My dear brothers and sisters, tonight I come to help you understand that true independence only comes from complete surrender. I speak of your free will. Surrender your free will to the Divine Will of My Eternal Father and you will receive every great blessing and peace, as well."

"Tonight I bless you with My Blessing of Divine Love."

July 5, 2001
Monthly Message to All Nations
This message was given in 2 parts.

"Once again I come to address all people and every nation. I am your Jesus, born Incarnate. Today, My brothers and sisters, the TRUE TRADITION of FAITH is under attack more than any time in the history of the Church. Satan attacks the faith in your heart through the spirits of ambition and pride. But I have given you My Mother as PROTECTRESS (of the FAITH) – (1986 Cleveland, Ohio), and

GUARDIAN (of the FAITH) – (August 28, 1988 Ecuador). Turn to Her and ask Her assistance. She will intercede for you.”

“I come to caution you about so much anxiety over future events. This leads to confusion and distracts you from the grace of the present moment. My Father holds pre-eminence over every present moment and every future moment as well. Therefore, take every moment as it comes to you knowing that My Provision is perfect in every way for you. You cannot conceive any clever plan that will circumvent My Father’s Divine Will. Therefore, surrender the present moment to Holy Love and you will find peace.”

“All that opposes love – both in your hearts and in the world – is inspired by evil. This is why nation is set against nation. This is why My Victory must come through Holy and Divine Love. To find this perfect love, you must lose sight of yourself and live for others and God. As long as there is one heart in the world which does not embrace Love, My Victory will not be realized. Then you must see why every heart is so important to Me and every soul Love’s conquest.”

“Do not look with dread upon any enlightenment of conscience for this is the Light that leads you along the path to Heaven. This is the Way of Perfection. Understand that perfect love is the fulfillment of the law. At this apparition site Heaven grants you such an illumination towards more perfect love. I call all nations here to embrace My words and come into the Chambers of My Sacred Heart.”

“Do not allow concerns for the material things to consume your heart. It is like a weed that takes over and consumes your passions. Put love of God and love of neighbor in the center of your hearts. Nourish it with prayers and sacrifice. Then it will blossom and thrive.”

The Blessing of Divine Love was given.

July 7, 2001

“I am your Jesus, born Incarnate. I have come today to help all people understand that the laws which govern against the Law of Love are the fruits of convoluted consciences. I look into the heart and judge according to what is in each heart.”

“It is pride that leads the soul off track. It is pride that works against truth. I watch in sorrow the sins against the innocents from My Throne in Heaven. Such error does not exist in a humble soul, but only in the proud of heart.”

“My Mother has prescribed for you the Rosary of the Unborn to overcome this great error and grave sin. I never tire of hearing it. It is balm to My wounded Heart.”

July 8, 2001
Second Sunday Service to Pray against Abortion

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother is holding the Rosary of the Unborn. She says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, when you are silent in sin, you cooperate with Satan’s plan. This is especially true in the great atrocity of abortion. But when you pray against abortion, you are speaking up in favor of Divine Love. Thank you for your prayers.”

“We’re blessing you with the Blessing of Our United Hearts.”

July 9, 2001

Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. They are encircled with the Rosary of the Unborn. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, when you pray with Holy Love in your hearts, your prayers become as swords thrust into the heart of Satan. It is then I can use your prayers to overcome evil that is in hearts and in the world. Continue to pray in this way.”

“We’re blessing you with the Blessing of Our United Hearts.”

July 12, 2001

“I am your Jesus, born Incarnate. My child, I have come with the pronouncement of a Divine request. Make it known I invite your nation to unite at the Shrine of My Sorrowful Mother at the Lake of Tears on September 14-15 to appease My Mother’s Heart by praying against the sin of abortion. It is the greatest sorrow of My Mother’s Heart today—the sins against the innocents.”

“In preparation for these two great feasts—the Triumph of the Cross and the feast of Our Lady of Sorrows—each one can pray and sacrifice.”

July 13, 2001
Friday Rosary Service for Priests

St. John Vianney and Archbishop Ganaka are here, and say: "Praise be to Jesus."

St. John Vianney: "My brothers and sisters, no priest should exempt himself from a nightly examination of conscience, for it is in this way he is drawn deeper into the Heart of Jesus, using the light of Holy Love as his guide. Every priest needs to measure himself against the maxim of Holy Love, for this is the way to increase in holiness and made a good confessor for those who come to him confessing their sins."

"We extend to you tonight Our Priestly Blessing."

July 13, 2001

"I am your Jesus, born Incarnate. Please understand that when you sacrifice, it is very good to be mindful of the person or situation you are sacrificing for—that way, your petitions rise to Heaven enveloped in great merit. Then, think of the power of God's Will, for nothing takes place outside of My Father's Will. Every situation by God's Hand can bear fruit, and will bear fruit. You must learn to search out the action of grace. Then, you will see more clearly God's Plan."

"In this, then, see that often it is the effort put forth in the pilgrimage to come to the shrine (Maranatha at Holy Love) that bears much grace upon each one's arrival."

"Make it known."

July 14, 2001
Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate. My brothers and sisters, remember always and in every present moment that I see into your heart. If your heart is clothed in the Divine Will of God in the present moment, then your entire being is ARRAYED in gold, as for kings and queens. ARRAYMENT—that only fits those who will only choose in the present moment My Father's Divine Will."

"My brothers and sisters, choose to please Me by what you accomplish in your heart, and I will bless you with My Blessing of Divine Love."

July 16, 2001
Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, I invite you to understand that My Mother bore Me into the world with great humility and deep submission to the Divine Will of the Father. In a similar way, I ask you to bear the message of Our United Hearts into the world in humility and submission to the Will of God."

"We are blessing you with the Blessing of Our United Hearts."

July 17, 2001

"I am your Jesus, born Incarnate. My sister, I desire to fill every heart with the message of the Chambers of My Heart and with the willingness to follow this spiritual journey. There is no other path so certain and resolute to each one's sanctity. I come to you so that each one may have the key to his sanctity—the light to pursue sanctity and the path to follow."

"This message of the Chambers of My Sacred Heart is My bending down to earth to touch the most hardened heart. It is not a casual invitation, but an Act of Mercy and Love, Divine in origin. It is life to the dying. You must make it known."

July 18, 2001

"I am your Jesus, born Incarnate. Please understand in your heart that just as I opened the doors to Heaven with My Death and Resurrection for all people—all nations, I am opening the door to My Heart to every soul through this revelation of the Chambers of My Heart."

"When the soul passes through the doorway to My Heart, he is led along the path of salvation, holiness, sanctification and finally, unity. Such an opportunity of grace! Learn to rely on the power of the Holy Spirit to open for you opportunities to propagate this message. Make it known everywhere!"

July 19, 2001

"I am your Jesus, born Incarnate. This mission, you know, is like Gabriel's horn summoning the harvesting angels to earth. For when I return, it will be on the Wings of Love. And when I come to reign in triumph, I will be seated on a

Throne of Love. Perfect love casts out all evil, for Love is the light—evil the darkness. This is why the more the soul surrenders to Love, the more perfect he is in My Eyes.”

“When I say to you that you must be the voice crying out in the desert, it is because this message—the United Hearts revelation—reveals and casts out evil and brings to perfection the light. Perhaps you believe this message to be only for these times. You are mistaken. It is eternal. Yes, it is both here on earth and in Heaven above. Are you surprised at this?”

Maureen: “I guess I don’t understand it.”

Jesus: “You do not need to. Just believe it. I will bless you.”

“I extend to you tonight My Blessing of Divine Love.”

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, the revelation of our United Hearts is one with the Chambers of My Heart. It is a precious jewel that you have been given, not to keep but to share with those whom you meet. Pass it along as you would pass along any treasure, not thinking of yourselves, but thinking of those who will be assisted by it."

"We are blessing you with the Blessing of Our United Hearts."

July 23, 2001
Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, tonight once again, I call each soul and every nation into the Flame of Divine Love that is My Sacred Heart. Within the refuge of this Flame of Divine Love, I will reach into each soul and bring it to the righteousness of sanctity."

"Make this your call with hopeful hearts. And We will bless you with the Blessing of Our United Hearts."

July 27, 2001
Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, never be satisfied with where you are on your journey through the Chambers of My Most Sacred Heart. My coming to you should bear with it a conviction of conscience. In this illumination of your own heart, you should see the areas in which you need to improve in order to go deeper into My Heart."

"You will make this known. I'm blessing you with My Blessing of Divine Love."

July 28, 2001
Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate. My brothers and sisters, I invite you to allow your hearts to conform to My Divine Heart. For to do so is to be drawn along this spiritual journey of the United Hearts of Jesus and Mary, and into the Chambers of My Sacred Heart."

“You must not be afraid of Divine Illumination of your consciences, for this is the way of spiritual renewal. Conform your hearts, then, to the Divine and I will lead you into Paradise.”

“I’m blessing you with My Blessing of Divine Love.”

July 28, 2001

“I am your Jesus, born Incarnate. My sister, I have come that you might know the sorrow in My Mother’s Heart over the decision pending by your president. I am speaking of the legalization of stem cell research. His heart is being swayed in favor of this sin against life. My Mother sees the many innocent lives that are snatched from the womb daily, and Her Heart cannot bear more insults. She weeps.”

“Pray for your president that he is courageous in the face of controversy and opposition. Pray that he recognizes that life begins at conception.”

July 30, 2001

“I am your Jesus, born Incarnate. The designs of My Heart are that all people come to know Me through the Chambers of My Heart. I long to embrace humanity in this Most Sacred Heart. When the soul begins to perfect himself by surrendering to Me, the love in his heart increases and multiplies. When the love in his heart strengthens, the soul begins to know and comprehend the yearnings of My Heart.”

“Sin is to the soul as an infection is to the body. Anything that opposes Holy Love is a sin. When the body is sick, medicine is administered to combat the infection. Gradually the infection is overcome. So it is in the soul, but sin in the soul is vanquished through love and mercy. Just as the ill person must consent to taking medicine, the sinner must with his will turn to My Mercy and begin to love Me again.”

“The journey through the Chambers of My Heart is a spiritual medicine that rids the soul of all that opposes Holy and Divine Love.”

August 3, 2001

“I am your Jesus, born Incarnate. Trust in Me. Please tell the world that each ‘Our Father’ (beads shown to Maureen by Jesus were teardrops of blood in the form of a cross) recited on the Rosary of the Unborn assuages My grieving Heart. Further, it withholds the Arm of Justice.”

“The greatest promise I give you in regards to this rosary is this: Every rosary prayed from the heart to its completion on these beads (teardrops) mitigates the punishment as yet withstanding for the sin of abortion.”

“I attach this promise to the rosary given directly to you by My Mother, for it is particular to Her design and requests. Make it known.”

Later that day:

I told Jesus I had a question about the promise He gave concerning the Rosary of the Unborn. He finally returned, all aglow. He smiled and said:

“I am your Jesus, born Incarnate. I know your question. Do not bother to speak it. When I say the punishment as yet withstanding for the sin of abortion, I mean the punishment each soul deserves for taking part in this sin. Then too, I also refer to the greater punishment that awaits the world for embracing this sin.”

“Pray from your heart knowing that your rosary appeases Me.”

**August 3, 2001
Friday Rosary Service**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, your love is most pure when you can accept all things as from the Hand of God. When you can do this I can use the sacrifice of your free will towards the conversion of sinners. Make it known.”

“Tonight I am blessing you with My Blessing of Divine Love.”

**August 4, 2001
Saturday MSHL Rosary Service
Feast of St. John Vianney**

Jesus and St. John Vianney are here. St. John is kneeling in front of Jesus.

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, the key to trusting more is loving Me more. The key to loving Me more is giving Me your will and accepting the Will of My Father.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

August 5, 2001
Monthly Message to All Nations
This message was given in 3 parts.

“I am your Jesus, born Incarnate. Today I have come to address the issue of disease. While much attention is given to germ warfare and new diseases, little albeit none, is given to the spiritual disease that has overwhelmed the soul of the world. This spiritual disease is the one that should be of greatest concern to everyone, for while a bacteria or virus affects mortal well-being, the spiritual illness defines the soul’s eternal life.”

“These are the symptoms of a spiritually ill soul. He has a hedonistic love of the world and its allurements. Such a soul loves what appeals to his senses. There is no clearly defined sense of right and wrong in the spiritually ill. Every decision has, without notice, slipped in a murky gray area. This is the result of a convoluted conscience. He begins to love only his own will and does not consider God’s Will. He does not love Me, trust Me, and will not surrender to Me. But I love him.”

“I tell you the cures and remedies mankind seeks for his ills very often die in infancy through the sin of abortion. Indeed, the war that is waged in the womb bears the consequence of war and disease in the world.”

“Today in truth I tell you, the world does not value spiritual well-being, but conversion of heart is the remedy for the tribulations in the world today. There is no vaccine or miracle drug that heals the spirit. The answer is not in the stars or crystals or any fortune teller. The cure for the woes of the soul is reconciliation with God the Creator of Heaven and earth.”

“You cannot be reconciled until you seek Divine Mercy and Divine Love with your whole heart. This is why I say to you, My Victory—the Victory of Our United Hearts—must be in hearts first and then the world.”

“My brothers and sisters, you are living in apocalyptic times. Many things must occur before My Victory will be complete. I tell you this, not so that you will live in fear, but so that you will come into the transforming love of the Chambers of My Divine Heart, for the MESSAGE here is certain and secures your salvation.”

“My brothers and sisters, return here on September 14-15.”

"I'm extending to you today My Healing Blessing of Divine Love."

August 6, 2001
Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

"My brothers and sisters, We're blessing you with the Blessing of Our United Hearts."

August 10, 2001
Friday Rosary Service for Priests

St. John Vianney is here. He says: "Praise be to Jesus."

"Tonight I have come, My brothers and sisters, with Heaven's request that you pray and support the Church's (Catholic) position on abortion, birth control and stem cell research, NOT the POPULAR OPINION. The popular opinion is shot full of compromise and Satan's deceit. Pray against Satan's deceptions."

"I'm extending to you My Priestly Blessing."

Jesus is here and there are two angels bowing down in front of Him. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, just as each soul was created to be saved, so too, each soul was created to be in union with the Divine Will of My FATHER. Every soul is given the grace to be drawn into this magnificent union within the Holy and Divine Will."

"You must turn your hearts towards God's Will and surrender, for this is the way of salvation, of holiness and of sanctity. Through the refuge of the message of Holy Love, choose union with God the Father."

"I am blessing you with My Blessing of Divine Love."

Second Sunday Service to Pray against Abortion

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "My brothers and sisters, Holy and Divine Love and Divine Mercy are one. These two entities, My Love and My Mercy, support ALL HUMAN LIFE that IS CREATED BY GOD. Therefore, you must see and understand that ANYTHING that opposes life is from evil, no matter the terminology it is given. Look at the bare facts and do not be fooled by Satan and his compromises. Pray for life."

"I am blessing you, and My Mother is blessing you with Our Blessing of the United Hearts."

August 13, 2001

"I am your Jesus, born Incarnate. Please comprehend that courage is the ballast which keeps the ship of your soul afloat amidst every storm. Courage is perseverance in the face of adversity. The courageous soul more readily surrenders to My Father's Will in the present moment."

"The courageous soul is like a little flower which blooms amidst the rocks and obstacles of life. Not beaten down nor discouraged by what lies around him, the courageous soul turns its face towards Me and reaches the fullness of salvation. Such a one trusts Me – surrenders to Me. It is the test of courage that proves the soul's love for Me."

"Such a soul, I embrace and nurture. I caress it with a soft shower of grace, and warm it with My Divine Love. These little blossoms – these courageous souls – I pluck from the earth and lay at My Mother's Feet. These are the ones that console Her."

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, patiently and courageously endure the Will of God in the present moment. Courage leads you

to patient endurance, and endurance gives you a heart of hope. When you are hopeful, I am able to lead you in TRUST.”

“We’re blessing you tonight with the Blessing of Our United Hearts.”

“I am your Jesus, born Incarnate. I have come to invite you into exile. This Sacred Heart I offer you is an exile of Love. Come into the poverty and richness of this Vessel of Pure Love. Herein, I will hold you away from every allurements in the world. Thus, will you be poor in spirit. Then I will fill you to overflowing with the richness of My Mercy and Love until you can hold no more.”

“As I am Sovereign over every nation, so I desire to be King of every heart—My Reign never to end.”

“Let it be known.”

August 18, 2001

Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate. My brothers and sisters, once you enter the Refuge of Holy Love that is My Mother’s Heart, then your most glaring faults and sins begin to be burned away in the Flame of Love. You will find that your greatest joy is in pleasing your Lord and Savior. Thus, you will begin to live the simplistic lives I am calling you to live---lives in which your every goal is aimed at pleasing God---The Father, Son and Holy Spirit.”

“Simplicity leads you along the path of Salvation, Holiness and Sanctity based on Humility and Love. Therefore, I call you not to be discouraged when you see your faults and your sins. I call you to be encouraged to live a simplistic life.”

“And I am blessing you with My Blessing of Divine Love.”

August 20, 2001

Public

“I am your Jesus, born Incarnate. The innermost depths of My Heart are only attainable through trust. The reason so few souls are admitted to the fifth

Chamber of My Heart, that is – union with the Divine Will – is that in some small way they fail in trust. They may perfectly conform to the Will of God in every way possible and reside in the fourth Chamber of My Heart, but in the end there is some area of their lives they have failed to surrender to Me.”

“Perhaps they trust in their own efforts instead of My Grace in some area. Maybe they have not surrendered the salvation of their family to Me. Perhaps they trust in the efforts of those around them more than Me.”

“I reserve this final Chamber for the ones who are resigned to accept everything as from My Father’s Hand. These souls do not struggle against God’s Will, but accept what comes, waiting to see what good will come from each situation. (Romans Ch. 8)”

“Please make this known.”

August 20, 2001

Public

“I am your Jesus, born Incarnate. My sister, think of trust as the vessel that holds each soul’s heart still, and allows Me to fill it with Divine Love. If the vessel begins to leak, the Love I desire that the heart holds is in jeopardy. The little heart begins to squirm away from Me.”

“Perhaps the vessel cracks because of lack of trust in My Mercy. Then the heart is exposed to all sorts of error. Or perhaps the vessel is chipped in some way as the soul does not recognize evil and sin in his life. Then the little heart is in grave danger of tearing as it rubs against this abrasive surface. Sin always erodes holy trust for it takes the soul farther away from Me. The farther the soul is from Me, the more difficult it is to trust in My Love and Mercy.”

“Consider then, that trust is your protection against evil. This is why Satan does not want you to trust, and why he comes as a thief attempting to steal your trust in Me away. Ask your guardian angel to stand guard over this vessel of trust that I place every heart in at conception.”

“I will bless you.”

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate. My brothers and sisters, I have come to tell you that any thought, word or deed which does not proceed from Holy Love in your heart leads you along the path of destruction. Do not let Satan tempt you, then, but stand guard over your thoughts, your words and your deeds."

"And I will bless you as I am blessing you now with My Blessing of Divine Love."

Fourth Sunday Service to Pray for Unbelievers

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate. My brothers and sisters, before you begin any journey, you must be shown the point of beginning."

"In this message of the revelation of Our United Hearts, I show you where to start in LOVE, and I also show you YOUR destination which is your own SALVATION. I have called you to follow this path with fortitude and perseverance, for the entire journey is en clothed in LOVE."

"You will please make this known."

Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, when you overcome your temptations towards sin, you hasten My Victory both in your

hearts and in the world. Take time, then, to realize how Satan is ensnaring you in certain habits of sin, and together we will be victorious.”

“We’re extending to you tonight the Blessing of Our United Hearts.”

St. Thomas Aquinas sits down next to me in the chapel. He nods towards the tabernacle and says: “Praise be to Jesus. Child, I have come to help you understand that the revelation of the Chambers of the United Hearts is a school of theology. If you searched the depths of scripture or the heights of theological study, you would not find a more concise path towards salvation culminating in union with the Divine Will.”

“Jesus has given the world, through you, a seemingly simple spiritual roadmap. He has only just begun to expound upon the depths of this journey. You may never understand yourself the complexities of this revelation, but I am here to tell you that the entire journey is based on trustful surrender through love.”

“If you remember this, you will begin to ferret out all that opposes this maxim in your own heart. Then you will see the obstacles Satan places before you that hinder your journey through these Sacred Chambers.”

“You can make this known.”

August 29, 2001

Public

St. Thomas Aquinas is here. He says: “Praise be to Jesus. You question how you achieve this elusive trustful surrender through love. First and foremost, love Jesus with your whole heart. Then accept whatever He sends you in every present moment. This means, dear one, you grow to love the Will of God. When you make plans, if God sends a different plan, you embrace it, all the while knowing His plan is best for you.”

“Let me show you the opposite of trustful surrender through love. This would be a person who cannot let go of his wants. He sets goals and does not want God to have His say. He cannot give up control and be indifferent as to the outcome of a situation. This way of thinking says to Jesus and the Father: ‘I love my will, not Yours’.”

“Do you see the difference? Trustful surrender through love takes a humble stand—always waiting and watching for God’s Will.”

“Try to assimilate what I have told you today. Pray for the grace to do so.”

August 30, 2001

Public

St. Thomas Aquinas comes. He says: “Praise be to Jesus. You just can’t believe I’m here again, can you?”

“I have come to tell you this: Holy Love is truth. The United Hearts revelation is the embrace of all truth. All that I wrote in the ‘Summa’ bears out in truth in this revelation. This is because no theology under Church Authority – no Church tradition – no Scripture, contradicts what you have been given in this revelation of the Chambers of the United Hearts.”

“You must make this known.”

August 31, 2001

Friday Rosary Service

Jesus and Blessed Mother are here. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, My Mother’s invitation to come into Holy Love is also My invitation to come into the embrace of the Divine Will of the Father. Once you begin to live this message there is no retreat with peace of heart, for your only peace will be in pleasing the One who sends us—The Eternal Father.”

“Tonight we’re blessing you with the Blessing of Our United Hearts.”

St. Thomas Aquinas comes. He says: “I have come once again in Praise of Jesus. Early on, when Jesus first inscribed messages on your heart, He spoke to you about the Church of Atonement. This, as He explains it, is a mystical Church in Heaven built by each soul. It is constructed of the crosses and sacrifices that the soul surrenders to God towards the conversion of others or in reparation for his own sins.”

“Some souls may build great cathedrals which Jesus welcomes them into, in paradise, for they suffer much and complain little. Others offer nothing to the Lord—complain about every discomfort and do not earn for themselves a high place in Heaven. The Church of Atonement is Jesus’ way of saying: ‘Do great things for Me with the crosses I lend you to bear’.”

Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, in order for the cross to be meritorious, it needs to be surrendered to, and given back to Me as a gift. Then the soul will receive an eternal reward greater than if he had not submitted to his cross.”

“In order for the soul to surrender to a cross, many virtues must be present in his heart first—love, humility, patience, and meekness, to name a few. If you pray and ask for the grace to accept and surrender to your crosses, Heaven will assist you.”

“We’re extending to you tonight the Blessing of Our United Hearts.”

Monthly Message to All Nations

This message was given in 3 parts.

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. I have come to open the eyes of your nation—a nation dozing off to a lullaby of compromise. Understand that the message of Holy Love must be the fiber of all your laws and in the hearts of all your government leaders. When this Law of Love is compromised you are in league with Satan.”

“The revelation of the Chambers of Our United Hearts directs a straight path to your salvation, holiness, perfection and sanctity. Recognize the merit of My coming to you here with this revelation. All the miracles and healings that have occurred around you at this site are only to substantiate this call to conversion and holiness.”

“If you desire to be a part of this mission, then let the message be in your heart—not only on your lips—for the mission is each one’s moment to moment conversion. That is the greatest miracle.”

“Children, when you receive these messages from Heaven, do not scan them as you would a newspaper looking for the latest cataclysmic disaster. Let them touch your soul. Neither should you look for worldly approvals from those who hold high office.

This is a message of salvation. Do you need an important approval for your salvation? Do not think as the Pharisees did in My day. Do not delay in accepting the path I lay bare before you—the path that leads you deep into My Heart.”

“My brothers and sisters, the purer the love is in your heart in any present moment, the more your heart will resemble the Divine Will. When I return the two will be made one—the human and the Divine. Prepare for My return, then, by living in conformity with the Divine Will through Holy Love.”

“We’re blessing you with the Blessing of Our United Hearts.”

September 7, 2001
Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My Mother’s Immaculate Heart is sorrowing, My Most Sacred Heart is grieving. I grieve just as My Mother sorrows for the lack of respect of life in the womb, the loss of innocence in childhood, and for those who know Me but will not follow Me. The Chambers of Our United Hearts are the Way, the Truth and the Life.”

“I extend to you tonight My Blessing of Divine Love.”

Second Sunday Service to Pray Against Abortion

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, it is incumbent upon Heaven to prosper grace into the world towards each soul’s conversion. This message of the revelation of the Chambers of Our United Hearts is such a grace; spread it far and wide to overcome sin - sin such as abortion, pornography and all sins of the flesh.”

"Pray that each soul be open to this message which is a salvific message, and then trust that Heaven is giving the grace for each soul to accept it."

"I'm extending to you the Blessing of My Divine Love."

September 10, 2001

Public

St. Thomas Aquinas comes. He bows to the Blessed Sacrament. Angels help him into a seat next to me. He says: "Praise be to Jesus."

"Listen, angel, that which Heaven is teaching here – the revelation of the Chambers of the United Hearts – is much of what Jesus taught in the temple. Of course He did not refer to the Immaculate Heart as Holy Love, but still and all, it is the same spiritual journey Jesus attempted to lead the Pharisees on. He did not achieve His goal as they were steeped in spiritual pride."

"This spiritual pride tells a person he has all the answers. He is satisfied with where he is spiritually. In a word he is sanctimonious. The message and the fruits it bears may be all around him, and yet he does not see it. Spiritual pride is deadly. It is like trying to reach a destination blindfolded, refusing to be led or to remove the blindfold because the soul presumes he knows his way."

"Everything about trustful surrender which embraces this message has to do with free will. If through spiritual pride the soul thinks he is in the right place spiritually, he will not move his will to enter the First Chamber."

"Believe me, this profound message carries with it abundant grace to enter the First Chamber. All that is needed is a humble 'yes'."

Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, this message, the revelation of Our United Hearts and the Chambers herein, are a preparation. They are a preparation for God's Kingdom to come, for your own salvation, for the NEW JERUSALEM and for the FATHER'S WILL on EARTH. Therefore, turn your hearts over completely in surrendering to this message."

“We’re blessing you with Our Blessing of the United Hearts.”

“I am your Jesus, born Incarnate. My dear brothers and sisters, solemnly I invite you to come to My Mother’s Shrine of Sorrows – there to be united in sorrow for the sins of mankind. As one heart, come together to pray and be consoled.”

“This is not the hour to be bound by fear or steeped in complacency; nor can you allow anger to divide you. Come under the Banner of Love. Pray with Me and My Mother. It is only through love – true victory is possible.”

Friday Rosary

Feast of The Exaltation of the Cross

Jesus is here. His Heart is exposed and He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the events of the past week have had a sobering effect upon most hearts, and the nation as well. Understand that you are in the embrace of My Most Sacred Heart. I mourn with you and I will rebuild with you. I have come to heal the sick."

“Tonight I am blessing you with My Blessing of Divine Love.”

September 15, 2001

**Midnight Service at the Sorrowful Mother Shrine/Lake of Tears
Feasts of The Exaltation of the Cross and Our Lady of Sorrows**

Blessed Mother is here as Our Lady of Sorrows. She says: “Praise be to Jesus.”

“Dear children, during this hour of grief, understand that your Heavenly Mother stands at the foot of the Cross with you. I sorrow with you for this senseless loss of life. Place your sorrow deep within the wounds of My Jesus.”

“My message to you as a nation is this: **GOD ALONE IS THE GIVER AND TAKER OF LIFE.** Whenever man presumes to take upon himself the role of God, the world is changed forever.”

“A stark parallel emerges from this national tragedy. Within minutes the false sense of security this nation enjoyed was stripped away. Lives were destroyed. Violent death was incurred upon the innocent. So too, in the womb the security of the innocent baby is destroyed within minutes. Life is destroyed by the evil plans of another. It is called ‘abortion’, but it varies little from the national disaster your nation now mourns. Yet, who mourns with Me at the foot of the Cross for the senseless loss of these innocent lives? As a nation I invite you—I plead with you—to do so. Do not mourn one national tragedy and ignore the other.”

“Just as the planes became instruments of death by penetrating those buildings with a destructive force, so too, the instruments of the abortionists invade the privacy of the womb—wielding death. In each case the terrorists and the participants in abortion feel justified through convoluted thinking.”

“But My Son, the Just Judge, does not reason this way. He reasons with a righteous Heart. In His Infinite Mercy He stands ready to forgive the contrite heart—even the heart guilty of such heinous acts as these. My Jesus does not forgive the unrepentant.”

“My dear children, I have come to you so that you may be reconciled with God. The path of reconciliation is Holy Love. The path of judgment is arrogance, hatred and vengeance. God’s judgment falls upon those people and nations who do not live in love. Therefore, I have come to call all people and every nation under the seal of Holy Love.”

“If you live in Holy Love—that is, your heart is loving—you will have love in your world around you. If you have evil in your heart, that too, will spread to the world around you. Evil begets evil. Love begets love.”

“My dear, dear little children, tonight more than ever, I need you to abandon yourselves to my Immaculate Heart which is Holy Love. When you begin to live these messages and hold them in your heart, you come under the seal of Holy Love. This is a special sign of your predestination, your salvation, and it is a sign to Satan that you belong to me. You do not have to travel many miles over land and sea to receive this special seal. For this seal is yours when you begin to live these messages.”

“Tonight my dear, dear children, my sympathy rests upon you. My prayers are with you, and I am carrying your petitions to Heaven. Do not fear—I am holding you in my arms, and tonight I am blessing you with My Blessing of Holy Love.”

September 15, 2001

**Saturday MSHL Rosary Service
Feast of Our Lady of Sorrows**

Jesus and Blessed Mother are here with Their Hearts exposed, and They are surrounded by the Rosary of the Unborn. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, I come once again pleading with you to be united in Holy Love, for this is the only way that you will have genuine peace and security in your hearts, in your nation, and in the world. God’s permitting Will reveals what is truly in hearts. You must continue to pray that each heart comes to know love, and to live according to the Commandments of Love.”

“Once again I have come to heal the infirm. We are taking your petitions into Our United Hearts, and We’re extending to you the Blessing of Our United Hearts.”

Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, once again I come to call you deep within My Heart and under the Seal of Holy Love. You are living under this Seal when you are living in Holy Love, for please understand

that you cannot love Me without feeling contrition for your sins and seeking My Mercy. And so, you see this Seal of Holy Love is also the Seal of My Mercy.”

“Tonight We are extending to you the Blessing of Our United Hearts.”

September 19, 2001

Public

“I am your Jesus, born Incarnate. My sister, be still and listen to the silent beat of our United Hearts. How can you ‘hear’ silence? Only with the ears of your soul. As this beat resounds in your soul, know and understand that the mission, the property and the message lie protected from any marauder. Reflect on this.”

“There are certain missions under My domain and within the Immaculate Heart of My Mother, which by their tenacity in these troubled times will prove themselves genuine. The storms of the world will swirl around them, but not affect them. The message here at this site is like an umbrella of grace over all who pass beneath it.”

“Make it known.”

September 21, 2001

Public

“I am your Jesus, born Incarnate. The fortune of My Heart has been poured out upon this ministry like rain upon the earth. Cherish the Chambers of Our United Hearts. Give them to the world. I desire the heart of the world be formed in these Chambers. I am giving this mission the heart of evangelization, apostleship, and spiritual boldness. Thus, I am enabling you to proceed in the effort to make these solemn Chambers known.”

Friday Rosary Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, tonight I invite you once again to take off the old and put on the new; that is, let your hearts be pure vessels of Holy Love—love of God above all else and neighbor as self. This

way you will appeal to me and not to the world. My brothers and sisters, whenever you have a conflict in your life, Satan is in your midst.”

“My dear brothers and sisters, tonight We are blessing you with Our Blessing of the United Hearts.”

September 22, 2001

Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate. My brothers and sisters, you must pray that your government wakes up in time to bring peace to the world. Your government must no longer condone such evils as abortion and homosexuality. These are sins that gravely wound My Sacred Heart.”

“Further, I invite you to see that Satan will use this terrorist attack to further his agenda in the world—his agenda which includes a one world government.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

September 23, 2001

Public

“I am your Jesus, born Incarnate. Just as the security of the infant in the womb has been stripped away by the sin of abortion, so too, the security of your nation is ebbing away due to the convoluted consciences of those inspired by Satan.”

“Your nation’s security is in the Heart of My Mother which is Holy Love. Holy Love - the two commandments of love - oppose sin and evil in every form.”

“The race is on now. I invite and I plead with your nation to turn to the Heart of My Mother which weeps for you. Turn to Holy Love.”

“Yes, the race is on. Will it be Holy Love or the annihilation of life as you know it?”

September 23, 2001

Fourth Sunday Service to Pray for Unbelievers

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate. My brothers and sisters, your lives have been changed forever

because of the events at the hands of terrorists. But I come to you so that your hearts will be changed forever through the revelation of the Chambers of Our United Hearts. Please make it known.”

“I’m extending to you today My Blessing of Divine Love.”

September 24, 2001

Public

“I am your Jesus, born Incarnate. Surrender is complete only in humility and love. The less perfect the love and humility in the soul, the less complete the surrender.”

“You may say you love Me, but if you are not humble enough to look into your own heart as I reveal to you your faults, then your love for Me is on your lips and not in your heart. It is impossible for you to look into your own heart with the desire to improve in holiness, and not also love Me and trust in My Mercy.”

“See then, that your spiritual growth depends upon the love and humility in your heart.”

September 24, 2001

Public

St. Thomas Aquinas was seated in the pew in front of me. This time he has on a little white beanie. He turns half-way around with his big arm over the back of the pew, but his eyes never moved from the direction of the tabernacle.

He says: “I come in praise of Jesus. Sister, everything is reaching fever pitch now and becoming critical. God needs to be in the heart of your nation. As it is, the people have replaced love of God first with love of self first. This is reflected in the laws, in the schools and in consumerism.”

“It is no wonder the Church is under attack here. Religious vocations are not respected. Heaven’s call to personal holiness is, for the most part ignored. But here you have the answer—the key to world peace. Here is the passport to salvation and holiness. It is Holy Love.”

“No one can in truth come into Our Mother’s Heart which is Holy Love without a conviction of conscience. This is the key to change—in souls, in the nation and in the world. It takes humility to respond to an illumination of conscience.”

He finally turns and looks me in the eye. "Humility and Holy Love go hand in hand."

September 24, 2001

Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, if you love Me you will make this message known, for we need to effect your nation's conversion through the message of Holy Love. As it is, your country was spared much grief on September 11th because of the prayers of a few, and the Holy Love in hearts."

"Tonight We're blessing you with the Blessing of Our United Hearts."

September 26, 2001

Public

"My little sister, I am your Jesus, born Incarnate. You have been asking in the depths of your heart how to convert a soul. Since I have come to you to share with you the depths of My Sacred Heart and every Chamber herein, I will give you the answer. You cannot convert a soul."

"Conversion is between God and the soul himself. But through the grace of this message of Holy Love, you can offer conversion. Holy Love is a conversion message. The soul must, through a movement of his free will, humbly cooperate with the grace offered in this message. I say humbly, for without humility combined with Holy Love, the soul is unable to see and remove from his heart all that is not in accord with the two great Commandments of Love."

"And so it is with your nation, as well. Repentance is a great part of conversion. Your nation must look at what it is doing and has done that displeases God. This is the first step towards conversion. The second is to overcome these errors. So I come today to ask for your prayers towards your nation's repentance and conversion. For herein lies national security."

"Make this known."

September 27, 2001

FROM JESUS ABOUT IMPATIENCE

"I am your Jesus, born Incarnate. I love when you think of Me and turn your heart over to Me. Yes, let Me be your portion, your provision. Revere Our time together, as I do."

Maureen: "Jesus, what do I need to overcome in order to go deeper into Your Heart?"

Jesus: "Impatience is a sign of a weak point in humility and love. I ask you to be able to bear all things patiently for love of Me. Did I not do so for you? Do not listen to Satan when he starts to suggest others' weak points. You will know it is Me speaking to you of others by the peace in your heart. When Satan criticizes others to you, his goal is to agitate you."

"When you fast, let it be from your own will. You can accomplish much change in this type of fast."

"I am revealing to you the Kingdom of My Divine Heart. Treasure what I tell you in love."

September 28, 2001

Public

"I am God The Father, Creator of Heaven and earth. I reign over all creatures. My Kingdom is in every heart who does My Will. I have created the saint and sinner alike. It is free will that separates good from evil. It is free will which determines the future of each soul and the future of the world."

"I ask the world to hear and understand in their heart that no war effort, no negotiation, no leader can bring peace and security into the world unless My Divine Will is the block you build it upon."

"My Divine Will is Holy Love."

September 28, 2001

Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

“My brothers and sisters, tonight I invite you to allow Holy Love to be your refuge during these uncertain times, for Holy Love is the only certain path to true peace and security. Make it known.”

“I am blessing you with My Blessing of Divine Love.”

September 28, 2001

TO MISSIONARY SERVANTS OF HOLY LOVE

“I am Mary, Mother of God. All praise be to Jesus.”

“My daughter, when you pray for peace, let your prayer be one for conversion of hearts. Do not forget, as you pray, that the terrorists are My children, as well. They, more than any, need a conviction of conscience which leads to conversion.”

“Ask your country to pray this prayer. Begin with My Missionary Servants of Holy Love.

“Heavenly Father, during this time of world crisis, let all souls find their peace and security in Your Divine Will. Give each soul the grace to understand that Your Will is Holy Love in the present moment.”

“Benevolent Father, illuminate each conscience to see the ways that he is not living in Your Will. Grant the world the grace to change and the time in which to do it. Amen.”

“This prayer should be recited at the beginning of the rosary and before the Creed. Besides that, it needs to be propagated far and wide. I charge My Missionary Servants of Holy Love with this task.”

September 29, 2001

Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, I have come to unite you in one cause which is the VICTORY of HOLY LOVE in EVERY HEART. This is the way into the Kingdom of the Divine Will. You will please make this known.”

“I am blessing you with My Blessing of Divine Love.”

St. Therese of the Child Jesus: “Child, I come to you in praise of Jesus. I come to tell you that those who seek perfection in love will be given the grace to advance through the Chambers of the Holy United Hearts. The obstacle to perfection is always a disordered self-love. This is to say, the soul loves his own will in some area of his being more than God’s Will for him.”

“This is why self-knowledge is of the ultimate importance in advancing through the Sacred Chambers, for unless light is shed on these areas of weakness, the soul cannot improve.”

“Make it known.”

Monday United Hearts Confraternity Service

Feast of St. Therese of the Child Jesus

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, Holy Love unites. Holy Love is everlasting. Holy Love carries you through the Chambers of Our United Hearts. You will please make this known.”

“We’re blessing you with the Blessing of Our United Hearts.”

October 4, 2001

Public

“I have come. I am Jesus, born Incarnate. My plan, not only for the Missionary Servants of Holy Love, but for all people—all nations—is Holy Love.

“I will describe for you the one that has advanced to the Fifth Chamber of Our United Hearts; for when you understand perfection, you will have before you the goal to reach for. The soul in the Fifth Chamber accepts all things as from the Hand of God. There are no longer two wills, but one. He is just as able to celebrate the cross as the victory.”

“The soul in union with the Divine Will does not fear humiliation or being unjustly accused. He does not take others to task for their errors, but constantly searches his own heart for his own errors. He receives and responds to correction with a gentle, loving heart. He does not pout nor lay blame or flare up at others. He is approachable—always being open to questions and suggestions. He freely shares his time and space; in fact, is openly generous in all ways.”

“He considers all others holier than he himself. There is no self-righteousness in his heart. He does not presume to know more or to have a better opinion than others. He states his opinion and lets go of it. He has a good sense of where he stands before God—not congratulating himself on graces or gifts received, but always seeking a deeper conversion of heart.”

“This, then, is the state of holiness each one needs to pursue. I desire that you make it known.”

October 5, 2001

Monthly Message to All Nations
This message was given in 3 parts.

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” (Jesus and Blessed Mother were surrounded by the Rosary of the Unborn. There were large angels stationed at each of the ‘Our Father’ beads.)

Jesus: “I am your Jesus, born Incarnate. I have come to ask you to stop killing the life I lovingly place in the womb. Each life that is snuffed out changes the world forever.”

“My brothers and sisters, I come to you today clothed in truth and openness. I hide nothing from you. I have no ulterior motive aside from the safety, salvation and well-being of every soul from the moment of conception until natural death. I beg your country today to take heed of My call to end legalized abortion. Do not wait until My solution is your last alternative.”

“I desire that all humanity unite under the Seal of Holy and Divine Love—the two great commandments that embrace all the commandments. Yes, I long to place My Kiss of Divine Love upon the heart of the world. Then abortion would cease—war would end and terror would lose her grip upon the throat of the world.”

“My brothers and sisters, it is when you do not place God first, and when you do not love your neighbor as you do yourselves, that right reason leaves you. Your consciences become compromised and you cannot distinguish good from evil.

This is the state of confusion governments are in when they legislate unjust laws. It is the state of convoluted thinking that leads people to acts of terror. This is how souls open their hearts to Satan. The world cannot prosper in such confusion. Little by little, Satan is establishing his anarchy—first in hearts—then in the world.”

“But I have come to tell you what the adversary does not want you to hear; that is, that every Mass you attend, every Communion you receive, every holy hour you make, every prayer or rosary you say, weakens the enemy forever in some soul somewhere in the world. This is the way to victory, little by little—one soul at a time patiently persevering in Holy Love.”

“The war you are engaged in is not over property or even lives. It is about souls. It is good against evil. This is why I come here today seeking to place My Seal upon your hearts. My Seal is Holy and Divine Love. It is a sign to Satan that you belong to Me spiritually, and he can’t have you. But I can only place My Seal upon your heart when you obey the two great commandments of love. Hasten to live the message and begin your journey through the Chambers of Our United Hearts; for when I return in Victory, all will be in the Fifth Chamber of My Heart—the Kingdom of the Divine Will.”

“In truth I tell you that your nation’s stance on legalized abortion is the determining factor in your national security. For years Heaven has stood by and watched as the security of the baby in the womb was violated and life taken. Solemnly I tell you, recognize abortion as a face of evil and an enemy to world security. You will not have genuine peace until abortion is overturned. Do not see My words to you today as a threat, but as a grace.”

“We are blessing you with the Blessing of Our United Hearts.”

**Saturday MSHL Rosary Service
To Pray Against Abortion**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, every prayer you say against abortion defeats Satan in someone’s life, in some way. Come against this heinous crime, the killing of the unborn. Every prayer you say repairs My Heart which is in anguish over this sin.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

TO MISSIONARY SERVANTS OF HOLY LOVE

Our Lady comes as Our Lady of Fatima. She says: "Praise be to Jesus. My daughter, I have come to you today as the Lord has sent Me—to address My Missionary Servants of Holy Love."

"When I appeared in Fatima in 1917 the world was at war. Today, at My speaking, it is no different. War is in hearts, and so it is also in the world. Not until Holy Love is victorious in every heart will the enemy be vanquished and war abolished."

"As My missionaries, you must make every effort to propagate the messages Heaven has entrusted to you. You cannot make others believe, but you can give them the opportunity to believe. It is the Holy Spirit who bears the burden of proof, and each individual conscience who must accept or reject the message."

"Today, in these perilous times your Heavenly Mother depends on each of you. The object of each one's love must be God and neighbor. This is the key that unlocks the door to peace."

"Please make this known."

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, surrender to Holy Love. I call you to this continually and in every present moment; for it is your surrender to Holy Love that helps you find peace in the midst of turmoil, joy in simple pleasures, and it helps you to pray for your enemies. Thus do I call you and save you."

“I am your Jesus, born Incarnate. My messenger, please understand that the more man tries to become like God, the more he will be humbled. The more humanity assumes the role of giver and taker of life, the more self-centeredness and hatred will flourish in hearts.”

“Once again I remind mankind that what lies in the center of his heart monopolizes his thoughts, words and actions, for it is the heart that governs free will. This is why My Mother and I urge and direct humanity to allow Holy Love possession of Your heart.”

“The prince of lies tries to dissuade each one from this course. If you realize this, it should not be difficult to discover his suggestions. Do not allow him any doorway of opportunity.”

“Be mindful of these, My words to you today, and make them known.”

Friday Rosary Service for Priests

Jesus and St. John Vianney are here. St. John says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate.”

St. John Vianney: “My brothers and sisters, pray as little children beseeching the Good God to draw all priests into the Immaculate Heart of the Virgin Mary—Refuge of Holy Love—for this is the way of true conversion.”

“Tonight I will extend to you my Priestly Blessing.”

“I am your Jesus, born Incarnate. At Fatima, my dear sister, the peace of the world was entrusted to the Immaculate Heart of My Mother. But in these revelations given to the world at this site, the soul of the world is given the key with which to enter Her Heart and to be at peace.”

“My Mother’s Heart is Holy Love—the Law of Love to which all are called. The Flame of Her Heart does not consume, but transforms. It is a purifying Flame, ridding the soul of every obstacle which stands in the way of a more perfect love.”

“Yes, just as you see the autumn leaves today, deep and rich in color, My Mother’s Heart is ablaze with love for all humanity. You can drink in the beauty of autumn around you, but it is passing. The Flame of Holy Love, however, burns eternal.”

“Make it known.”

Second Sunday Service to Pray against Abortion

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“I am Sovereign Good which must reign in every heart. Once again I come to tell you that IF YOUR NATION OVERTURNS LEGALIZED ABORTION, I WILL RICHLY BLESS IT BY MY FAVOR. BUT IF THIS SIN CONTINUES WITH NATIONAL APPROVAL, MUCH WILL BE STRIPPED AWAY. My brothers and sisters, recognize EVIL and pray against it.”

“I’m blessing you with My Blessing of Divine Love.”

Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, I come once again seeking your surrender to Divine Love. Your surrender is painless. It is when you hold back any portion of your heart that you have spiritual pain instead of peace. Therefore, I come once again with My Heart open and full of love for you and asking your trustful surrender."

"Tonight We are blessing you with the Blessing of Our United Hearts."

At adoration I was given the following prayer by two angels who were adoring Jesus. They said: "Praise be to Jesus."

"CONSECRATION TO THE DIVINE WILL"

"Heavenly Father, I desire that You place the Seal of Your Divine Will upon my heart. Thus, I will accept Your Will in all situations and in every present moment. I will accept all things as from Your Hand for the good of my salvation and the salvation of others. Amen."

"I am your Jesus, born Incarnate. In contemplating the Divine Will, understand it is free will which opens the door to Satan's suggestions and accepts opposition to the Divine. These temptations vary from impatience, anger, jealousy, fear; but all of these come into the heart through pride. This is why humility is a key to conforming to God's Will. Holy Love is God's Will."

"I am your Jesus, born Incarnate. Trust in Me for I lead you upon a certain and ordained path. Keep Me in the center of your heart. When you abandon yourself to Me, I am able to reveal to you the enemy and to help you roust him from your midst."

“During these times of uncertainty, it is your lack of trust that leads to fear. But as you fear the enemy, see that I am in this call to holiness through Holy Love. Take your safe refuge in My Words which lead you into the Chambers of Our United Hearts.”

“Surrender to Me and do not fear the enemy no matter his disguise, for My weapon of Holy Love is stronger than any enemy. Holy Love does not take life, but breathes life into the world.”

“Satan is using abortion to bring destruction upon your nation. You must continue to pray against this evil. I reveal this truth to the world, for prayer is your hope and the way out of Satan’s trap.”

“Make it known.”

“My brothers and sisters, to be conformed to the Divine Will of My Father means that you accept all things as from His Hand, grace and cross alike. But to be united to His Divine Will means that you love the cross and the grace alike. I have come to share these things with you out of love for you.”

St. Thomas Aquinas comes. He says: “Today I come in praise of Jesus, Lord and Savior. I come to explain to you God’s Permitting Will. Think of God’s Divine Will as a great umbrella protecting the earth. God’s Will protects from all evil. But God does not interfere with the free will of man. Now, when man chooses to oppose God’s Will and sins, it is as though a hole is made in the umbrella. Then the protection of the Father’s Will is not complete as He planned it to be. This ‘hole’ allows or permits Satan to come in and execute his plans. So you see, God’s Permitting Will is not what He chooses for humanity, but what man chooses and God allows.”

“It causes the Eternal Father great pain to see what man opens himself up to through sin. Our Heavenly Mother weeps. Oh, how She weeps to see the destruction brought about by sin.”

“You should make this known.”

“My brothers and sisters, do not breach your national security by turning on God’s Holy and Divine Will. I have come to place this fully in your heart and in the heart of your nation. Stop destroying the life that I form in the womb!

Why do bad things happen to good people? I (Maureen) was asking in my heart why do good people suffer when this hole in the umbrella of God’s Divine Will is made.

St. Thomas Aquinas came. He says: “Praise be to Jesus. It is because every sin affects the whole world just as every prayer said from the heart affects the whole world. This should help you realize the power of the present moment. The heart must be given over to Holy Love so that every thought, word and deed proceeds from Holy Love.”

“Tonight I am imparting to you My Blessing of Divine Love.”

St. Thomas Aquinas comes. He says: “I come in praise of Jesus.”

“My brothers and sisters, today you have been invited on a journey—a journey which leads to your sanctification and to Heaven itself.”

“Our Lady’s Victory and the Triumph of the United Hearts is in your hands now, for the battle will only be won through love. When you allow Holy Love to consume your heart, Our Lady is already triumphant in your heart. But you must spread the victory to other hearts by making this journey known.”

“Do not waste time trying to evaluate which Chamber you are in. To do so would be presumption. Jesus alone is the Judge. Just keep moving forward as you would on any journey. Do not be satisfied with where you are on the journey. The goal is perfection through love. Nor should you be discouraged by comparing your journey in love to another, for I tell you, each one’s journey is different.”

Everyone is given the grace to reach the Fifth Chamber, but few there are who abide there. This is because they do not respond to the small graces along the way. They await a colossal grace that may never come.”

“Keep this in mind: Your eternal reward rests upon the amount of Holy Love in your heart as you take your last breath. It has always been so. This spiritual journey is the precious pearl you must abandon all else to pursue.”

“Make it known.”

Jesus is here. He says: “I am your Jesus, born Incarnate. My brothers and sisters, I know well the hearts that are here. Some came out of curiosity—others with great fear in their hearts; some are doubting, others have come with open, loving hearts.”

“But tonight I address each one of you and all of you. I urge you in your greatest fears which the enemy puts in your hearts, invoke the Name of My Mother ‘Mary

Protectress of the Faith' and 'Refuge of Holy Love', for it is Satan who draws you into fear. It is I who call you to trust. Satan flees before this Title of My Most Holy Mother. Remember It—use It!

St. Thomas Aquinas comes. He bows and prays before the tabernacle. He says: "Praise be to Jesus." He sits (with great effort).

“You know the times are perilous. There is much speculation about the future. People live in fear, not trust. It is time for families to be consecrated to the United Hearts and to make a personal consecration to The Flame of Holy Love. This will be like the lamb’s blood on the portal of their hearts and homes. Evil will pass over them and by them.”

“Teams should be appointed from each site where the mission is strong to accomplish this. Pictures of the United Hearts and the Refuge of Holy Love should be displayed in the homes after the consecration.”

“You will find readings in Chronicles and Exodus.* I will lead you. This is a Holy Task. He winks and says, ‘Let’s do it together’.”

**2 Chronicles Chapter 7, vs. 16 “For now I have chosen and consecrated this house so that My Name may be there forever; My Eyes and My Heart will be there for all time.”*

**Exodus Chapter 12, vs. 7 and vs. 13 “Then they shall take some of the blood and put it on the two doorposts and the lintel of the houses in which they eat them. The blood shall be a sign for you, upon the houses where you are; and when I see the blood, I will pass over you, and no plague shall fall upon you to destroy you when I smite the land of Egypt.”*

“I love you. I am your Jesus, born Incarnate. I have come to tell you that the graces given with this consecration to Our United Hearts and the Refuge of Holy Love are particular and unique. Therefore, it cannot be superseded by any other consecration. The little ceremony Aquinas gave you can be added to, but not subtracted from.”

“I am your Jesus, born Incarnate. I have come to tell you that the more sorrow the soul feels for his sins, the deeper I carry him into the Chambers of My Heart. Sorrow differs from guilt. The one who sorrows over past sin does so, for he knows it wounded My Heart. Guilt, on the other hand, comes from Satan. It implies a lack of trust in the fullness of My Mercy, even a certain convoluted pride in disbelief that the soul could have committed such sins.”

“It is important to meditate on this teaching, and to make it known.”

St. Thomas Aquinas comes. He says: "Praise be to Jesus. This is an important consecration. It must not be taken lightly or in a cavalier manner. Therefore, in the areas where there are enough people, teams should be appointed to go out and accomplish this in homes. But there are many in scattered areas who will very much desire this to be done, but there will not be enough people to achieve it. They can perform the ceremony themselves."

"Small pictures of the United Hearts and the Refuge of Holy Love will suffice in the homes. These can be given out for free. Begin at once!"

Sunday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, do not be fooled into thinking that the way of perfection that I call you to through the Chambers of My Sacred Heart is easily answered; for I tell you, the enemy lies all around waiting to discourage you. He is in every contradiction and discouragement. He lays traps that are hidden in goodness. Therefore, My dear, dear children, ask for the help that you need from your Heavenly Father, and you will be given the grace to make the journey."

Monthly Message to All Nations
This message was given in 3 parts.

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, as your world has become less secure, I invite you to find your peace and security within the Chambers of My Heart. Every soul that begins this journey strengthens the peace effort in the world, for once again I tell you, what is in your heart is also in the world around you."

"Do not expect the sin of abortion to bear good fruit in the world then, for evil begets evil. I have come to you to draw you into holiness, sanctity and peace through the Will of My Father. My Father's Divine Will is the Light that illuminates the pathway to Heaven. It is a Refuge and a Fortress. It is the means by which I call you into the Chambers of My Divine Heart. But it is for each soul to choose it - to desire it."

"Do not waste the present moment speculating about the future and what cataclysm may befall you next. The enemy wants you to fear. Fear opposes trust. Lack of trust opposes love. But you will find the way to peace of heart through Holy and Divine Love. Somberly, I come to offer to you once again this Divine solution to world peace."

"My brothers and sisters, you must not be afraid of Satan's next move. I tell you that one rosary said from a loving heart is more powerful than any weapon of war. It is the rosary that changes opinions and unscrambles error in hearts. It is Holy Love in your heart when you pray that makes your prayers most powerful."

These two - Holy Love and the rosary - will bring down Satan's empire in the end."

"I have come today to heal and take petitions that are in your heart to Heaven with Me. Once again, I call you to realize that when you live in Holy Love, I place a special seal upon your heart. This seal is protection and a sign of your predestination. It will guard you against evil. But, my brothers and sisters, realize that you must be living in Holy Love from moment to moment to receive this seal."

"We extend to you, as always, the Blessing of Our United Hearts."

St. Thomas Aquinas comes, bows to the Holy Eucharist, turns and says: "Praise be to Jesus."

"I have come to help you understand the eternal depths of God's Divine Will. Each time faith in God's plan is tested, it is to bring you deeper into trust, not into panic and fear. The one who trusts does not fear. Satan is in fear. Remember, Scripture has it, 'Fear is useless; what is needed is trust'."

"Now, there is a distinct difference between faith and trust. Faith is belief in something that you cannot experience with your senses—that is, you cannot see it, touch it, hear it or smell it. Trust is the surrender to faith. Trust itself is invisible, but you know you are deep into trust when you are at peace."

"God's infinite plan for each soul—His Provision and Will—is not visible to the human eye, nor understood in the human intellect. Therefore, to understand

God's Will is simply to accept that God alone is the Master Weaver of the tapestry of each life. The threads that make up the tapestry are the moment to moment graces God gives that lead each soul to his salvation. No one is called outside of God's Will or to oppose God's plan. It is Satan who inspires every sin, but free will that acts upon evil inspiration. However, free will is part of God's plan, and He continually gives fresh graces to overcome the effects of sin."

"This is a profound teaching—study and meditate upon it. Ask for the grace to understand it."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, I have come tonight to help you understand that you cannot be courageous unless your courage is tested; nor can you trust, unless you are tested in trust. Remember, it is in the test that every virtue comes to perfection."

"I am your Jesus, born Incarnate. My sister, it is when you are at your weakest that your prayers are the strongest, for it is then that your petitions rise from a fervent heart."

"Further, understand that hope is but a reflection of faith and love. Thus, the stronger your love—the more you trust. The more you trust—the deeper your surrender to faith. The deeper your faith—the stronger your hope. See then, the depth of love in your heart affects your entire spirituality."

St. Thomas Aquinas comes. He says: "Praise be to Jesus."

“I have come to help you comprehend why Jesus beseeches your trust in Him daily. It is because the depth of your trust reflects the depth of your love. Trust is the barometer of your love. When you have deep sentiments of love for someone, you welcome the opportunity to demonstrate your trust in him. When you trust you place your faith in him. It is a grace, then, to be given the opportunity to trust, for it is a way of showing your love and affection.”

“On the other hand you must see attacks against trust as either human weakness or evil inspiration. Oppose these thoughts by invoking Mary Protectress of the Faith and Refuge of Holy Love.”

“I am your Jesus, born Incarnate. I have come to reveal to you this truth. The oil in the lamps of the virgins who await their bridegroom is Holy Love in their hearts; for Holy Love is the preparedness I seek in every heart upon My return.”

“The heart that does not contain Holy Love is an empty vessel, indeed. Some may judge themselves ready, but their lamps are filled with a fuel which is love of self above God and neighbor. It will not ignite to illuminate the path of salvation.”

When you hope you will be able to patiently endure. My prayer for you is patience in every trial and much joy.”

“I am your Jesus, born Incarnate. A simple heart is the fruit of humility. It is the pure embrace of Holy Love. In such a heart there hides no pretense or guile. Simplicity, you see, does not seek to impress men, but only to please God.”

“The simplistic heart understands most clearly what is passing and what is everlasting. The obstacle to simplicity is the obstacle which stands in the way of progress into the Chambers of My Heart. It is inordinate self-love; for it is this disordered self-love that keeps the soul from surrendering to Me completely. Such a soul holds back—maybe not realizing it—but also not seeking perfect surrender.”

Every present moment carries with it the grace to surrender completely—therefore, the grace to advance in holiness. But remember, each present moment also carries with it temptations against your simplistic surrender—temptations to sin.”

“The more you give to Me, the more I will give to you. If you pray more, you will receive more grace to see clearly your choices between good and evil. Make this known.”

St. Thomas Aquinas appears tossing one of Mulligan's (Maureen's 4-year old Golden Retriever) tennis balls in one hand.

He says: "Praise be to Jesus. You may think it odd that I am holding your pet's toy, but this is a particular lesson I am about to teach you. When you toss a ball it goes the way you direct. It cannot take a different path unless it ricochets off an object and it travels the path you have sent it in."

"If you consider the ball as your free will, and the hand that tosses the ball in a certain path--your heart, you must see that what is in your heart guides your free will. This is why this message implores that the human heart be steeped in Holy Love so that all thoughts, words and deeds proceed from Holy Love."

"Now, the soul may have the best intentions of living in Holy Love and choose this path with his free will. But just as the ball sometimes hits an object and is diverted from its path, the human heart may be diverted from the path of Holy Love through disordered self-love or sin."

"The ball cannot go in two directions. Neither can free will. You cannot with half a heart love God and neighbor above self, and with half a heart love sin. This is duplicity. God commands that you give Him your whole heart. It is only in this way you can stay on the path that He directs."

“I am your Jesus, born Incarnate. Verily I say to you, that today the real war is not being fought in some far distant land, but in every heart. Each soul is the battleground in this war engaged between good and evil. The weapons of evil do not destroy buildings, but souls. The toll these weapons exact is not physical life, but eternal salvation.”

“These are some of Satan’s strongest weapons which go unnoticed by most: Perverted thinking and acting—the fruit of which is crimes against the innocents; a false sense of security—the fruit of which is compromise, complacency and even apathy; disordered self-love which places self ahead of God and neighbor—this is the basis of all sin and the door Satan uses to enter hearts.”

“These are the weapons God’s children must use in this war: Dedication to prayer and sacrifice, most especially the Mass, if Catholic, the sacraments, if Catholic, and the rosary; the use of Holy Water in the home, reading of Scriptures, surrendering to the journey through the Chambers of Our United Hearts; the Consecration of Homes to Our United Hearts.”

“Though the enemy may be insidious and invisible, the war is very present. Each one must refine his efforts to be holy in the present moment. Each soul is in this war. It is real! The enemy is real! Truly I tell you, we will in the end, be victorious together if you heed My Words.”

Jesus: "My brothers and sisters, as you await the commemoration of My Birth in Bethlehem and as the Holy Season of Advent fast approaches, I invite you to allow your hearts to be reborn again in Holy Love. Thus, your hearts will be new creations in love. My brothers and sisters, it is during this time of Advent I invite you to change the world around you through this new creation of love."

St. Thomas Aquinas comes. He says: "Praise be to Jesus. I have come to help you understand that since trust is the substance of your love of God as Jesus has revealed to you, it is lack of trust that opens the abyss between the soul and his Creator. What causes a heart to mistrust or falter in trust in God's Divine Plan, especially souls that are tethered securely to the Heart of their Savior through Divine Love?"

"First of all the soul fails to recognize that God's Will is also in the test of trust. The Lord tests each one's trust in Him as a way of strengthening the soul's love of Him. Secondly, the soul in the midst of the test begins to trust himself and his own efforts more than any plan God may have."

"This is pride based on fear and insecurity. Begin, then, to see every trial is a test of your trust. If you persevere in trust through the assistance of grace, your love of God will be strengthened. If, however, you pull back through mistrust, the trial will be greater, and in the end such a soul will be weaker in his love of God."

"I am your Jesus, born Incarnate. The treasure of My Heart rests upon this mission. Indeed, the fortune I offer here cannot be tabulated on paper nor stored away in a vault, for this treasure is not any gemstone or jewel of earth. The value of the fortune of My Heart is eternal. It will be counted in Heaven. The debit and

credit will be according to the Holy Love in each heart at the moment of judgment.”

“Holy Love is the Gateway to the New Jerusalem which is Divine Love and the Chambers of My Sacred Heart. This is a treasure no man can attain by shrewdness, but only through humility of heart.”

“To the simple heart all of My Favor is within reach, but the crafty and proud cannot grasp it. Even though the treasury of the Chambers of Our Hearts remains open to all, some reach out but grasp at only their own disordered self-love. Empty your hearts of self, and I will fill you with Heavenly treasure.”

St. Thomas Aquinas comes. He is walking down the aisle with great difficulty due to his weight. He says: “Praise be to Jesus. Daughter, tell Fr. Kenney that I appear in this bodily form so that you will recognize me when you compare my vision to photographs in the past. After all, ask him to recall that Moses and Elijah appeared in bodily form at the Transfiguration, but they are not body and soul in Heaven, as yet.”

“I have come to speak to you today about temptation. Temptation is the test of virtue. Without the test—without temptation—the soul cannot practice virtue, and cannot be perfected in the virtue being tested. Therefore, temptation can bring good or evil according to the soul’s response.”

“Do not be surprised, then, when I tell you that the message of Holy Love brings out the best and the worst in people. It brings out the best when the soul recognizes his faults through immersion in the Flame of Holy Love, and tries to overcome his faults--that is, be perfected in virtue. The message brings out the worst in the soul when his faults are revealed to him, but he makes little or no effort to overcome them.”

“So, it is the choice each soul makes in the face of temptation that determines the depth of his journey into the Chambers of the United Hearts. It is the depth of love in the heart that determines the response to each temptation.”

“Let me explain: If you have great love of God and neighbor in your heart (Holy Love), you will want, at all cost, to avoid hurting God and neighbor. Therefore, supposing you are tempted to be impatient, you will, in the face of temptation, practice patience. See then, it is God’s Permitting Will that allows temptation to come into each one’s life, for He desires that you be strong in virtue.”

“I must return to Heaven now, but you will please make this known.”

Saturday MSHL Rosary Service

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, those who doubt that life begins at conception and that the soul is present at conception, I invite to realize that their salvation began at the Annunciation when My Being was placed by the Holy Spirit in the womb of My Mother—Body, Blood, Soul and Divinity. Let them not doubt, but believe.”

“Tonight We’re blessing you with the Blessing of Our United Hearts.”

Our Lady is here as Mary Refuge of Holy Love. She says: “Praise be to Jesus.” She had a star in front of Her Heart that radiated as a great light. Now it’s gone, and Her Heart is exposed.

“Please understand, My dear children, that HOLY LOVE IS THE LIGHT THAT LED THE WISE MEN AND THE SHEPHERDS TO THE CRIB ON THE FIRST CHRISTMAS. SO MUST IT BE. SO MUST IT BE THE LIGHT THAT LEADS

ALL TO THE HEART OF MY BELOVED SON DURING THIS AGE AS YOU
AWAIT HIS SECOND COMING.”

Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, tonight I have come to ask you to surrender to Me your anxieties and fear concerning the future. Until you empty your hearts of that which Satan puts into it, I cannot fill you with trust in My Divine Providence.”

“Tonight We’re blessing you with Our Blessing of the United Hearts.”

“I am your Jesus, born Incarnate. I have come to demonstrate to you the importance of overcoming the temptations in your life. Each soul is tested according to his strength on the journey into the Chambers of Our Hearts. The test, or temptation, can become a strength or a weakness according to the soul’s response, but he is never tested beyond his ability to say ‘yes’ to Holy Love.”

“If you envision all temptations as a ladder climbing into My Heart, then you will better understand what I am telling you. When the soul gives in to temptation, the step beneath his feet breaks, and he slips backwards. But when the soul overcomes a temptation by his efforts and Heaven’s grace, he mounts the step under his feet and moves closer to My Heart.”

“Each soul needs to pray for the enlightenment in every present moment so that he becomes aware of the ways he is being tempted. Make it known.”

Monthly Message to All Nations
This message was given in 3 parts.

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. Today, My brothers and sisters, you are experiencing unusually warm weather (record breaking high 60’s), even

though it is the Christmas season. But in your hearts you still celebrate the holiday season despite the temperatures outside.”

“I invite you to understand that it is no different with this message of Holy and Divine Love; for while the world contradicts love, you must still have Holy Love in your hearts if you desire salvation. The celebration of My Birth is a season of love. It is a celebration of Divine Love coming into the world. It is not until this age, however, that I have opened the Chambers of My Heart to the world. Just as you spread Christmas cheer to one another, you must also spread the revelation of Our United Hearts to all.”

“The enemy would like you to fear—but I call you to trust. While the enemy plots in darkness, I call you to openly love your neighbor in the Light of Divine Love. Do not choose the weakness of fear, but the strength of love. When you pray with loving hearts, you turn back the enemy and disarm him.”

“Understand that this war that is being waged in hearts is not one in which you can remain neutral; for if you do not choose the goodness of Holy Love, you choose evil.”

“My brothers and sisters, I am taking all your petitions into My Heart at this time. Accept the Will of My Father in every petition. As you prepare your hearts for the commemoration of My Birth in the manger, prepare also, My brothers and sisters, for My Second Coming. Make yourselves little and humble so that you can pass easily into Divine Love.”

“Today I have come to tell you that your greatest strength is in your weakness; that is, when you surrender completely to Me, I will bring you deep into My Heart. It is then your prayers will be strongest, and I will use them to defeat Satan in hearts; for while wars are waged in the world, it is only when the battle is won in hearts that the enemy will be defeated.”

“Today We’re blessing you with the Blessing of Our United Hearts.”

Saturday MSHL Rosary Service

Jesus and Blessed Mother are here. Their Hearts are exposed. They are in white and gold. Blessed Mother is dropping white rose petals all around in front of Her. She says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, My Mother was preserved from original sin from the moment of Her conception. Her Heart, therefore, is the perfection of God's Holy and Divine Will. My children, understand that My Mother's Heart is Holy Love in every present moment. Knowing this, pray to imitate the Immaculate Heart of My Mother."

Second Sunday Service to Pray against Abortion

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, do not be discouraged in your efforts against abortion. Satan has tried to compromise consciences so that they do not see the effects of this sin upon your nation and the world. But your prayers strengthen the illumination of consciences and will bring about My Victory."

"Today I am blessing you with My Blessing of Divine Love."

St. Thomas Aquinas comes. He says: "Praise be to Jesus. I have come today to help you understand spiritual blindness. This is a form of pride fanned by Satan's deceit. The enemy encourages this type of pride. He places a veil over hearts so that they are unable to distinguish the presence of grace in their midst. In such cases the soul's thoughts become convoluted. He even sees good as evil, and evil as good. He has distorted hearing, extracting falsehood from truth. It is not long until spiritual envy consumes his heart. This type of jealousy bears with it rash judgment. But the soul views his rash judgments as discernment, for his thinking has become so convoluted."

"The spiritually blind miss all the graces around them. They are easily led to apostasy, heresy, discouragement and even despair. They openly challenge the

faith they once had. Often they are full of unforgiveness and, therefore, do not trust in God's Mercy and forgiveness."

"If they should witness or hear of miracles, they are quick to discount them. They believe deep within that such things could never happen because they do not happen to them. For this reason, profound messages fall on deaf ears."

"There is attendant to spiritual pride a spiritual sloth. Subconsciously they know that if they opened their hearts to the grace all around them, they would have to change interiorly. The spiritually blind are the compromised. These are the ones responsible for abortion. These are the ones who believe themselves to be Catholic, but challenge Church hierarchy. These souls miss the call to holiness that is the vocation of all souls. It is a chilling truth that they are answering Satan's call to perdition."

"This lesson uncovers the enemy where he lies hidden in hearts. Make it known."

Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, I have come to remind you that My Father in Heaven has created all people and every nation, even those who have chosen evil in their hearts. My Mother is Mother, as well, of those who commit evil acts. So during this Advent season, I ask as a special gift and favor, that you pray for the conversion of all people."

Midnight Rosary Service at the United Hearts Shrine Feast of Our Lady of Guadalupe

This message was given in multiple parts.

Blessed Mother is here as Our Lady of Guadalupe, and has the Rosary of the Unborn framed all around Her. She says: "Praise be to Jesus."

"My dear children, My Son allows that I speak to you once again. I have come to help you realize your place in history and in current events. I have come to help you comprehend your place before God. You are busy vanquishing the enemy in a far-away land; yet you do not recognize him in your own nation in the form of

legalized abortion. You do not recognize him in your own hearts when you sin. You sin when you do nothing to stop the atrocity of abortion. If you do not make your voice heard, especially before the Throne of My Son by praying against abortion, this sin will continue and the enemy will continue to win hearts.”

“Do not expect God to conform to your laws. You must conform to His laws. My Son has been very patient as He watches the life He forms in the womb destroyed. But, My children, His patience is wearing out and Heaven’s warnings are becoming depleted.”

“When abortion was made legal, the future of your country was changed forever. World leaders have been annihilated, as too, great scientists. Jesus sends Me to you once again asking for an end to the enemy within. Put an end to abortion. Then your country will prosper once again.”

“Dear little children, tonight I have come to offer you the compassion of a Mother’s Heart. Your country has begun a spiritual renewal under this president. My hope is that it will not fall short of calling a stop to legalized abortion. My hope is in your prayers. Do not fear subversive groups so much as you fear sin.”

“You must understand that you do not need a New World order—the world needs a new heart. You do not need a One World government—the world needs a universal heart of Holy Love. Life has a beginning and an end according to God’s Divine Will. God alone must decide when and how each life begins and ends. Each time man interferes in this process, the heart of the world is farther removed from God’s plan. It is then that discord comes into hearts and you experience war and violence.”

“My children, I am pleading with My Son for a new Pentecost to come soon upon all of earth—a Pentecost in which all hearts are enlightened as to their stance before God. In this hour of illumination, nothing will remain hidden under cover of darkness—all will be brought into the light. Pray with Me for this grace.”

“Dear children, I have come to help you put an end to Satan’s reign of terror in hearts. The hour of My Grace is indeed upon you. Open your hearts, My children, and respond.”

“Dear children, do not let your prayers rise out of fear, but out of love. The more love you hold in your hearts, the closer you are to My Son and to Me. My Victory is in every heart that lives in Holy Love. Allow My Victory to reign in your hearts tonight.”

“Do not let Satan frighten you or cause you to have doubts. Am I not here? Am I not your Mother? Indeed, I hold you beneath My Mantle and in the crossing of My Arms. I have called you here tonight to listen to your petitions. This place I

have set apart for all nations and every generation. My benediction and favor abide here for all generations. Here My Heart takes pity on all.”

“My dear children, thank you for praying with Me tonight against the sin of abortion. I have come to reassure you that Heaven is listening to your prayers. As you have worked so diligently to illuminate this field, Heaven is now illuminating hearts. You see signs of grace all around you. You see signs of Heavenly Lights. My dear children, do not be discouraged then, but know that I am with you, loving you. Trust in Me as I trust in you.”

“Tonight, My dear children, I am extending to you My Blessing of Holy Love.”

Rosary Service at the Sorrowful Mother Shrine/Lake of Tears
Feast of Our Lady of Guadalupe

Our Lady is here as Our Lady of Guadalupe. She says: “Praise be to Jesus.” Jesus is here all in white.

Jesus: “I am your Jesus, born Incarnate—Fire of Divine Love. My brothers and sisters, today Heaven weeps for those who will not conform to the Will of My Father in Heaven. But understand that My compassion rests upon you and that My tenderest mercies flow through the water on this property (Maranatha Spring and Shrine).”

“Come into the Fire of Divine Love that is My Most Sacred Heart whereby you will be sanctified in your hearts and in your lives.”

“Today We’re extending to you the Blessing of Our United Hearts.”

St. Thomas Aquinas: “Write this down for posterity in Praise of Jesus. This is how you know you are in the Kingdom—that is, the Kingdom of the Divine Will which dwells within. You are at peace in the midst of conflict. You trust without reason to trust. You have hope when the world offers no hope.”

“Your goal is singular to live in the Kingdom of the Divine Will. Though tempest and fear surround you, you are never consumed or forsaken. Your heart becomes the Lord’s dwelling place of love and joy.”

Padre Pio says: "I come in Praise of Jesus. Understand that the mission is in the past, present and future; for in God's eyes these are all one and come together in Holy Love in the heart. The heart that holds much Holy Love is contrite and trusts in God's Mercy. Such a heart is open to grace in the present. A heart of Holy Love hopes in God's Provision in the future. Thus is each heart judged."

Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, how I desire to take each one of you into the deepest Chamber of My Heart. I need your deepest surrender so that in the Flame of Divine Love you are sanctified and made holy. Give to Me every small, seemingly insignificant fault. I will burn it away and make you a saint."

"We're blessing you with the Blessing of Our United Hearts."

December 21, 2001

Public

St. Thomas Aquinas comes. He says: "Praise be to Jesus. I have come to help you understand what hinders the soul on his journey into the Chambers of the United Hearts. It is always pride. Pride is the enemy of a deeper surrender to love. The essence of pride is self-love which fosters a lack of humility. The soul does not know his place before God. He does not recognize his own faults and shortcomings. He sees his free will as the 'be all—end all'."

"You see, my little soul, humility and love must always work together in the soul. It is humility which makes Holy Love genuine and self-effacing. It is Holy Love that calls the soul to humility of heart. One cannot truly be in the heart without the other."

"Spiritual pride is a very deceitful counterfeit of true holiness. The one who is spiritually proud believes he is the source of the graces that come to him. He

may never admit this, but deep within he does not give God the credit for the graces that come to him. He may even brag about the crosses he is asked to carry and graces he received in the hopes that others will see him as a 'chosen' soul. Spiritual pride is a form of duplicity."

"But when genuine Holy Love and Holy Humility work together in the heart, the soul is drawn swiftly, swiftly through the Sacred Chambers of the United Hearts, quickly being perfected in every virtue."

"Make it known."

Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

Friday Rosary Service
Feast of the Holy Innocents

Jesus is here with ten angels. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, today commemorates the death of the Holy Innocents under Herod's reign. They suffered unjustly at the hands of one who wanted to protect his own power. Just as today innocent lives are lost in abortion; for those who are called to motherhood unjustly kill the innocent babies in their wombs in order to protect their own selfish wants and needs."

"Let this be the year, My brothers and sisters, that the tide turns against abortion."

"Tonight I'm blessing you with My Blessing of Divine Love."

December 28, 2001

Public

“I am your Jesus, born Incarnate. Just as you had to overcome temptation and obstacles to get here today, Divine Love must overcome temptations and obstacles to arrive at victory in each heart.”

“Today I ask you to contemplate this truth. Divine Love and the Divine Will are one. They have the same source—the Benevolent Heart of My Father. Each one—Divine Love and the Divine Will—supports the other. One cannot exist in the human heart aside from the other. So you see, the stronger the Kingdom of the Divine Will is in the human heart, the stronger the Kingdom of Divine Love is in the heart.”

“When I return I will rule over a world of Divine Love and the Divine Will, for such will be the conviction of every heart. As the Kingdom of Divine Love begins to grow in the human heart, the soul begins its spiritual union with My Father. The depth of surrender to Divine Love is in direct proportion to the depth of surrender to the Divine Will.”

“I come to you revealing the building blocks of this Kingdom within the human heart. These building blocks are the Chambers of Our United Hearts. I wish to construct this Kingdom within every heart. Then the heart of the world will be transformed.”

“You will make all I have told you known.”

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, let this be the year that you penetrate the deepest Chambers of Our United Hearts through a more perfect surrender. Become true apostles then of this message, this revelation of Our United Hearts, and spread it wherever you go.”

“We’re blessing you tonight with Our Blessing of Our United Hearts.”
