"Child, I am your Jesus, born Incarnate. Understand that the chambers of My Heart are the embrace of Divine Love and the fulfillment of the Divine Will. The soul cannot mount to perfection apart from My Heart. Every virtue is rooted in this Divine Heart. Every grace comes through the Heart of My Mother, which is the first chamber - the prelude - to My Heart. Only united to Me can a soul reach salvation. Please make this known."

January 3, 2000
Monday United Hearts Prayer Service

Jesus and Blessed Mother are here. Their Hearts are exposed with bright lights around them. Blessed Mother says: "Praise be to Jesus."

Jesus: "My brothers and sisters, I am your Jesus, born Incarnate. Tonight I have come to help you see that the quickest way to move deep into the chambers of My Sacred Heart is through poverty of spirit. It is through this self-abnegation that you move swiftly along the path of simplicity and humility. Thus I am able to take you into the most intimate chamber of My Sacred Heart. Tonight We're extending to you the Blessing of Our United Hearts."

January 4, 2000
Prayer Service

Jesus is here. His Heart is exposed. He says: "I am Jesus, born Incarnate. My brothers and sisters, the reason I come, the reason I am here, is to encourage every soul to let his will be one with the Eternal Will of My Father. It is only when all hearts are aligned with the Divine Will of God that peace will come into the world and the earth will be reconciled with its Creator. Tonight I'm Blessing you with the Blessing of Divine Love."

Monthly Message to All Nations

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praised be Jesus."

Jesus: "I am your Jesus, born Incarnate. Many people come here and are drawn to this site of predilection because of the special exterior graces abundant here – the Heavenly lights, the sign of life in the statue of My Mother's Sorrows, the many healings, and miraculous photographs. All these and more are given, not in and of themselves, but to attract souls to the reason behind the apparitions, that is, the message itself. Some come only for what they can receive from Heaven, but refuse to give to Me their hearts."

"It is through this message of Holy and Divine Love Heaven swings open the doorway to salvation. It is through this message the innermost chambers of My Heart are revealed."

"It is in living this message mankind is reconciled with his Creator. It is in spreading this message the world moves closer to the triumph of Our United Hearts and the New Jerusalem."

"If you remain unconvinced by what you see and feel here, I tell you, you have come with a desire in your heart to disbelieve. This wounds Me. It wounds the Heart of My Mother. Such a predisposition is not from Heaven."

"There are other hearts that greatly offend Me as well. These are the hypocritical hearts who read all the messages but do not act on them. They do not live the message of Holy and Divine Love."

"Then, there is the heart who in the name of discernment refuses to believe. Discernment is gathering all the facts and basing a conclusion on the truth. But do not jump to conclusions on hearsay. Do not rash judge not knowing the message I have come here to lay bare. My sole purpose for spreading favor here is the message of Holy and Divine Love. Allow this message to come into your hearts and your lives."

"My brothers and sisters, this is how I desire you come to this prayer site: with your hearts open and your free will surrendered to the Divine Will of My Eternal Father."

"Be ready to make changes in your lives and in your hearts as your consciences are convicted as to your spiritual weaknesses. I am ready to pour more grace into every heart than could ever be anticipated, when they come thus prepared." The United Hearts Blessing is given.

"I am your Jesus, born Incarnate. My Heart, little messenger, is a burning furnace ready to consume the hearts of the world. Since I have revealed to you the innermost chambers of My Heart, this Divine Heart is an open wound of Love. Now the secret passages are revealed. The way of entry has been laid bare. The road of penetration to My Inner Being has been given to the world. All that remains is that hearts choose it."

"Now My Heart will be an open wound of Love until I return. Only then will all hearts be made one. But as I have revealed the way to you, you must make it known – trusting all the while in Heaven's assistance."

January 7, 2000

Friday Prayer Service

Jesus is here. "I am your Jesus, born Incarnate."

"My brothers and sisters, I invite you to understand the path the soul takes when he refuses to live according to the Divine Will of God. Often he becomes unforgiving because of events around him, and even bitter. This prevents him from advancing on the path of Holy Love and deep into the chambers of My Sacred Heart. Such a soul can see things only as they affect himself, and not as to how they affect the universe around him. Continue to pray that souls recognize the path of Holy Love and follow it. I'm extending to the people here tonight My Blessing of Divine Love."

January 8, 2000

Saturday MSHL Prayer Service

Jesus and Blessed Mother are here. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, the Divine Will can only come into your heart when you surrender to it. The more you submit to the Divine Will of God, the more you become the Living Will of God in the world, and a vessel of Divine Love to your brothers and sisters. You will please make this known. We are extending to you tonight the Blessing of Our United Hearts."

**Second Sunday Service to Pray against Abortion
Feast of the Baptism of Our Lord**

Jesus is here. His Heart is exposed. He says: "I am your Jesus, born Incarnate. My brothers and sisters, oh that the entire world were bathed in the baptism of

Divine Love! How I wish every heart were aflame with this Love and deep in My Most Sacred Heart! Today I extend to you the Blessing of Divine Love."

"I am your Jesus, born Incarnate. I have come to encourage you. Let us compare the spiritual journey with that of an athlete. An athlete takes many steps before he is hailed as a champion. He may make many sacrifices and endure vigorous training until one day all things work together bringing him to his best effort. Now he always remembers the taste of victory and makes it his goal and his pursuit from then on."

"The soul too, who endeavors towards sanctity, must put forth much effort and make numerous sacrifices. He must practice virtue and endure many tests. If he perseveres, the soul, like the athlete, is victorious. In that special moment when human effort and Heavenly grace come together, the soul is transported to the fourth and innermost chamber of My Heart. His trophy is not cast of metal, but is sweet union with his God. He may not remain long in this chamber but, like the athlete who tastes victory, the soul longs for this union with every breath. He may become weak in one area of his spiritual life and have to re-shape his heart over and over, just as an athlete must maintain a strong body."

"But the sweetness of the soul's victory – no matter how brief – lingers with him. Like a favored melody, the memory of this most intimate chamber drifts back into the soul over and over calling to him. Do not be discouraged if your every effort is not worthy of this fourth chamber. Your whole life is a spiritual journey. Unlike the athlete, age is not your enemy. Every present moment is a new opportunity to win sanctity."

"You will please make this known."

Second Friday Service to Pray for Priests

St. John Vianney is here. He says, "Praise be to Jesus. My brothers and sisters, my dear children in Christ, please pray that all priests make of their hearts reservoirs of Holy and Divine Love. If they would do this, vocations would be saved, as well as souls. I'm extending to you tonight my priestly blessing."

"I am your Jesus, born Incarnate. I have come to help you see how pleasing the simplistic soul is to Me. Such a soul mounts quickly the stairway of holiness, perfecting himself in all the virtues. He directs every effort towards pleasing Me –

even his failures – which he regards as a grace in disguise. Failures in virtue highlight your weak areas, areas to be worked on. The simple soul comprehends this. He is not afraid of disclosure of his faults, for he embraces humility of heart. He has no need to be held important in the eyes of others."

"It is the simple soul who reaches the top of the stairway of virtues with greatest ease. At the top he finds a door. The door is Divine Love. He has been given the key to the door. The key, of course, is Holy Love. Having fulfilled the perfection of Holy Love, the simple soul passes easily into Divine Love. There I welcome him. I show him the chambers of My Heart. I invite him to take up repose in My Heart."

"If this journey appears easy to you who hear of it, this means you have not attempted it. Take the journey with My angels. I am waiting."

January 15, 2000
Saturday MSHL Prayer Service

Jesus and Blessed Mother are both here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. Tonight, My dear brothers and sisters, I invite you to imitate Me in all ways. This way you let every thought, word, and action be motivated by Holy Love. Tonight We are Blessing you with Our Blessing of the United Hearts."

January 17, 2000
Monday United Hearts Prayer Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praised be Jesus."

Jesus: "Child, I am your Jesus, born Incarnate. Tonight, I desire each soul understand the deeper their surrender, the deeper will be the virtues in their lives, and the more grace they will receive from Heaven. Therefore, do not waste any present moment, but give it over to Me with much love. Tonight We're extending to you the Blessing of Our United Hearts."

"I am your Jesus, born Incarnate. I have come to help you understand the virtue of prudence. Prudence is the conscience of your soul. The prudent person lets Holy Love stand guard over his thoughts, words, and actions. Prudence is like a watchdog which guards his territory against marauders. Prudence stands guard over the soul, monitoring its motives and actions."

"If prudence could be seen, it would be like a sieve - filtering out all that is evil and keeping what is good. Or if prudence could be tasted, it would be like salt which enhances what it touches and makes it more perfect - more palatable."

"The soul cannot make himself prudent, just as food cannot season itself. But the soul can practice prudence and pray for it. Sincerity and simplicity precede prudence of heart. They ready the heart for prudence to enter. Prudence comes to perfection in wisdom. But every virtue has its root in love."

"I am your Jesus, born Incarnate. Understand, child, that when you receive Me under the humble form of the Holy Eucharist that you are receiving Divine Love. All of the chambers of My Heart are open to you at that moment. Yet My Majesty remains humbly hidden, visible only to those who believe."

"Isn't this true also with this mission of Holy and Divine Love? All four chambers of My Heart have been revealed. Yet only those open to believing recognize the truth. Just as I yearn and call to all people to come into My Eucharistic Heart, so too, I long for all people and nations to come into the truth of Holy and Divine Love."

"Therefore, I am asking you to please make this known."

January 21, 2000

**Feast of Mary, Protectress of the Faith
Friday Prayer Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praised be Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, come to realize every grace is passed to you through the Divine Will of God, some in the disguise of a cross, others as victories and joys. But when you abandon all of these to Me, I am able to use them to bring souls to the truth. You will please make this known. Tonight I am blessing you with My Blessing of Divine Love."

January 22, 2000

Saturday MSHL Prayer Service

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praised be Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, pray against the spirit of apathy, which has taken over many hearts and numbed the

conscience of the world. It is because of the spirit of apathy that abortion has been legalized, that people do not believe in miracles such as My Mother coming to you, and My words concerning Divine Love. Tonight We bless you as you pray with the Blessing of Our United Hearts."

January 23, 2000
Fourth Sunday Service to Pray for Unbelievers

Jesus is here. His Heart is exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, the greatest anguish of My Heart today remains those who refuse to keep My commandments of love. You will please make this known. Today I'm extending to you My Blessing of Divine Love."

January 24, 2000
Monday United Hearts Prayer Service

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, with childlike simplicity surrender to God's Holy and Divine Will for you in the present moment. With love give Me your hearts and this surrender. I will bless you. Tonight We're extending to you the Blessing of Our United Hearts."

"I am your Jesus, born Incarnate. I have come to further enlighten you as to the chambers of My Heart. The souls that pass from Holy Love into Divine Love have been convicted in their conscience and purified of their most glaring faults."

"Now as they enter the second chamber of My Divine Heart I pour into them knowledge of the virtues, an awareness of the depth of each virtue in their own heart, and a hunger to increase in virtue. For such as these it is not enough just to reach salvation. These souls thirst for holiness, thirst to please Me and draw closer to Me. To them this thirst seems unquenchable. As the virtues deepen they move closer to the next chamber of My Heart."

"I encharge these revelations to the world through you. I desire every soul know this call of Holy and Divine Love. It is each soul's response and surrender of his will that appeases My Wounded Heart."

"You will please make all of this known."

"My sister, I am your Jesus, born Incarnate. I have come to discourse with you concerning the chambers of My Heart. When a soul moves from Holy Love into Divine Love and the second chamber of My Heart, he receives a longing for a deepening of the virtues. The soul is developing a desire for holiness, but is uncertain as to how to attain it."

"It is during the soul's stay in this chamber that My grace comes to him, enticing him to a more devout life. When the soul's spiritual desires become spiritual needs from a more pure love, the soul moves into the third chamber of My Heart. It is in this third chamber of My Heart that I inspire souls to sanctity through a more perfect union and conformity with the Divine Will. The soul can move as deeply into My Heart as he desires. The more he strips himself of self love, the deeper he grows in virtue and into the chambers of My Heart."

"I am opening the door to the sanctuary of My Heart to every soul."

"Please Me by making this known."

February 1, 2000

"I am your Jesus, born Incarnate. You have heard Me say many times that inordinate self love is the instrument Satan uses to oppose Holy Love. Let Me detail in its entirety this obstacle to personal holiness."

"Inordinate means disordered or excessive. When the soul does not pay much heed between wants and needs, it is a sign of this disordered love. This would be evident in how the soul makes use of and regards the goods of the world, such as clothing, housing, food and the like."

"But there are other signs of inordinate self love. Fear is one. This is why. The soul caught up in fear, whether it is fear of the future or worry over past sins, in effect is telling Me 'I don't trust you. I only trust myself.' The more the soul withdraws from Me and places confidence in his own efforts, the more I withdraw from him and My grace eludes him. (Hypochondria and scruples are signs of this fear.)"

"Another area of inordinate self love is unforgiveness. This is a grave sin. It draws the soul's attention in on himself ('poor me') and away from Me. Such a soul is not living the law of Holy Love. He is deflecting the gift of My Mercy in his

own soul through his own lack of forgiveness towards his neighbor. As you judge, so shall you be judged."

"Here is another sure sign of self love. It is self-righteousness. This person is in love with his own opinion. More than that, he believes everyone else is wrong. Perhaps you are leading a good and holy life according to Holy Love. But, I tell you, self-righteousness reflects another sign of disordered love which is fear of loss of reputation. Such a soul is not simplistic, but cares very much about his reputation. He loves esteem and honor. He is tempted to say and do many things which compromise the law of love so that others may have high regard for him."

"If you meditate on what I have said to you today, it will become easier to make the consecration of Divine Love giving to Me your health, your appearance, and your comforts."

"Make this known to the world. I will bless you."

February 4, 2000

"I am Mary, ever-Virgin, the Mother of Divine Providence, Divine Mercy and Divine Love. The Lord God sends Me today with this request and He deems that it be made public."

"This is the Lord's request: That families and homes be consecrated to the United Hearts. He deems to promise that families who become united in the cause of the triumph of Our Hearts will find peace. Hearts will be converted through special grace passed by Heaven to them through this Advocate and Mediatrix of all grace. Families under siege from Satan will find solutions in their strife and be healed of internal conflict."

"My Son will come soon to give humanity this consecration. It pleases Heaven to make this known."

February 4, 2000
Friday Prayer Service

Jesus is here. His Heart is exposed. He says, "I am your Jesus, your Lord, born Incarnate. Tonight I have come to help My children understand that each soul is created by the Father, not only for salvation, not only for holiness, but to reach the heights of sanctity and union with His Divine Will. Tonight, by way of aiding you along the path and into the chambers of My Heart, I extend to you My Blessing of Divine Love."

February 5, 2000
Monthly Message to All Nations

Jesus and Blessed Mother are here with Their hearts exposed. Blessed Mother says: "Praise be to Jesus."

"The reason I come to you – the reason I have sent My Mother to you, is to lay bare the path of salvation, holiness, and sanctity to all souls and every nation. I am Jesus, your Savior, born Incarnate. Those who seek to follow Me must also seek to be united with one another through the law of love."

"There are many saints in the world today and in Heaven above whose identity is unknown to man. Likewise, there are many graces I stand ready to give to each soul that are unknown to the world. These graces are never asked for – never petitioned – and therefore do not blossom in the world. But today I am giving you a consecration to Our United Hearts specifically for families. This dedication of the family towards the victory of Our United Hearts is not just for some, but for all people – all nations. Many and particular graces will be given families who so consecrate themselves in this way. Family members who refuse to participate in this consecration will be left outside the circle of grace which surrounds the consecrated family members, but I will extend many graces towards their conversion that they would not otherwise have. When I speak of family, I speak of those related by blood line or marriage."

"And so, I continue and state this consecration:

CONSECRATION OF FAMILIES
TO THE UNITED HEARTS OF JESUS AND MARY

Sacred and United Hearts of Jesus and Mary, You are one in purpose as You desire the salvation, holiness, and sanctity of each soul. We consecrate our family to You seeking Your victory both in our hearts and in the world. We acknowledge the perfection of Your mercy in the past, the abundance of Your provision in the future, and the supreme sovereignty of the Father's Divine Will in this present moment. We desire to be part of Your triumphant reign beginning in this present moment through our 'yes' to Holy and Divine Love. We wish, with the help of Your grace, to live out this consecration through every future moment. Thus we will be united in triumph with You, dear United Hearts of Jesus and Mary. Amen."

"I have promised, My brothers and sisters, to be with you until the end of time as you now know it."

"Through this consecration My grace will surround you and uphold you, both in good times and in bad. Every difficulty will gain merit through your surrender to Divine Love. Your families will be united if they respond to the grace I offer. And

you, My brothers and sisters, will share the victory of Our United Hearts, both on earth and in Heaven, when you respond to this grace."

"Today We extend to you the Blessing of Our United Hearts."

February 7, 2000

"I am your Jesus, born Incarnate. I have come as I desire to share this with you. It is within the fourth chamber of My Heart that I experience My Passion and death as every Mass is celebrated. It is also within this chamber, so united with the Will of God, that I suffer for priests. Thus apostasy, schism, and heresy are grieved in this fourth chamber, as well as priests who rash judge My Mother's apparitions in the world."

"The souls whom I choose from the third chamber, therefore, must suffer with Me as victims – just as I suffered and continue to do so. But, this does not mean every victim soul is abiding in the fourth chamber of My Heart. No, it is only those who are most perfectly united to the Will of My Father whom I invite into this chamber. These are the ones who are simplistic, humble, and have been perfected in Holy Love."

"Abide with Me then, and I will teach you the way. I am a patient, forgiving teacher."

February 7, 2000
Monday United Hearts Prayer Service

Jesus and Blessed Mother are here. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. You may wonder, My daughter, at My revealing to you certain sorrows in certain chambers of My Heart. But it is true, that certain sorrows thrust the sword of suffering deeper into My Heart than any. My greatest sorrow, the one that bitterly occupies the fourth chamber of My Heart, is the sacrileges and outrages that I suffer in My Real Presence in the tabernacles of the world."

"You will please make this known. We extend to you tonight the Blessing of Our United Hearts."

February 10, 2000
Vigil of Feast of Our Lady of Lourdes

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, tonight I ask that you completely surrender your hearts to Me. In this way you are surrendering every petition and every cross. This is the only way that the Divine Will of God can come to its fullness within you. Tonight We're extending to you the Blessing of Our United Hearts."

Midnight at the Lake of Tears
Feast of Our Lady of Lourdes
Celebration of Jubilee World Day of the Sick

Note: The crowd was 3,000+ in number. It was pouring rain for hours prior to the apparition. As She arrived, Blessed Mother told Maureen to ask the people to lower their umbrellas. The rain stopped.

Blessed Mother is here as Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, tonight I am placing the Light of Jesus in your hearts."

"I am healing hearts, healing souls, healing minds - bringing you closer to My Son; and I am healing bodies through the power of Jesus. I praise you, Jesus, for these healings, and I give thanks to you, My King!"

"Dear children, pray much. Stay close to My Son and follow Me on the path of Holy Love. Tonight I am blessing you with My Blessing of Holy Love."

February 11, 2000
Second Friday Service to Pray for Priests

St. John Vianney is here. He says, "Praise be to Jesus."

"My brothers and sisters, please realize a priest is lent his vocation from Heaven above. God gives vocations so that the priest can spend his life serving the souls under his charge. Therefore, pray that all priests have perseverance in their prayer lives and in their walk in holiness."

"I'm extending to you tonight the Blessing of Holy Love."

February 12, 2000
Saturday MSHL Prayer Service

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says, "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, please realize that the flames of Holy and Divine Love are united. It is this great flame that I desire be spread around the world, so that souls may learn the way of salvation,

holiness, and sanctity. Tonight We are extending to you the Blessing of Our United Hearts."

February 13, 2000
Second Sunday Service to Pray against Abortion

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, today I have come to invite you to choose life by merit of the Holy Love in your heart. The deeper you love, the deeper your conviction. Let the love in your heart overflow into the world around you and obliterate the evil of abortion. Today I'm extending to you My Blessing of Divine Love."

February 14, 2000
Monday United Hearts Praise Service

Jesus and Blessed Mother are here. Blessed Mother says: "Praise be to Jesus." A personal message was given.

Jesus: "My brothers and sisters, please understand that it is the areas of self love in your hearts that keep you from union with the Divine Will of God. Knowing this, you have an obligation to pray that these areas of self love be revealed to you, and an obligation to try to overcome them. If you pray, I will help you. Tonight, We're extending to you the Blessing of our United Hearts."

February 15, 2000

"I am Jesus, born Incarnate. I have come so that you may better understand Satan's influence in hearts. If there is much pride in a heart, it is so easy for Satan to use the person as his willing tool, for pride (Satan's hallmark) begets unforgiveness. Unforgiveness begets bitterness. Bitterness is the enemy that leads to calumny, detraction, anger, and many other obstacles on the path of Holy Love."

"The soul who pays little heed as to the direction they are being led is fair game for Satan's lies. You cannot allow Satan any present moment. This is what leads to Satan's entry into the present moment: resentments, jealousies, ambition, self pity, and a competitive spirit. If the soul does not look for these signs in his heart, Satan will win over many present moments."

"Many who wish to make themselves more important will find themselves made little through the grace of My Mother's Heart. For I do not come to lead you to greatness in this life, but in the next."

"You will please make this known."

February 17, 2000

"I desire to be with you. I am your Jesus, born Incarnate. I have come to help you see that just as your salvation depends on Holy Love, your perfection in holiness depends on your surrender to Holy Love. The more you are perfected in love, the more closely you are united to the Divine Will of My Father. Verily I tell you, union with the Divine Will is perfection in Holy Love. I desire every heart become a tabernacle of Divine Love."

"As I underwent My Passion and death, I saw this mission take form and it was a great consolation. Because this mission directly opposes Satan's kingdom in the world, you have been tried and tested. Because My Hand is upon it, the mission has been delivered from the test. While you still undergo opposition, it is not as threatening as before, and I stand ready to spread the favor of these messages throughout the world."

"Within this message is the alpha and the omega. No one passes through the narrow gate outside of Holy Love. For who can abide with Me in My Father's Kingdom that does not love God and neighbor? So, I have come to help you understand the choices you must make to attain salvation. Through My Mother, I have given your salvation the title of Holy Love. Through My Words to you, I help you to see that your sanctity is the perfect fulfillment of Holy Love – Divine Love."

"I invite every soul to pass through the chambers of Divine Love and to imitate My Heart of hearts. How I desire souls understand the inner sanctum of My Divine Heart that suffered, died, and was buried for them. It is not only you, My sister, but others I will ask to spread this message. Each one who hears it must be an apostle for Me – must be an evangelizer to the people around them."

"I am opening doors that you do not see. Many tongues will confess the truths I have revealed through you"

"You will make this known."

February 18, 2000
Friday Prayer Service

Jesus is here. He says, "I am your Jesus, born Incarnate."

"My brothers and sisters, the depth of the love in your hearts for Me determines the depth of your virtue. Therefore, do not say you love Me just with your lips, or think you love Me just in your mind; but turn your whole heart over to love of Me and My commandments of love. Then I will lead you deep, deep into the chambers of My Heart. Tonight I am extending to you the Blessing of Divine Love."

February 19, 2000

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My dear friends, when you attempt to live in Holy Love, which is the two great commandments of love, you are a reflection of My Divine Love. But that is not enough for Me. Because I love you so much – each one of you – I desire to draw you into the innermost chambers of My Heart, where you can become part of Divine Love. Tonight We're extending to you the Blessing of Our United Hearts."

February 19, 2000

"I am your Jesus, born Incarnate. Today, I have come to discuss with you the topic of discernment. Discernment is a gift of the Holy Spirit which follows the virtues of prudence and wisdom. It is deeper than these two and can be likened to instinct in nature. Animals, birds, and fish are born with instincts which help them survive in the wild. These instincts also dictate behavioral patterns such as the swallows' return to Capistrano every year."

"In the spiritual realm, discernment is a necessity in distinguishing good from evil. Many never obtain the depth of this virtue. They mistake evil for good and vice versa. Discernment – to be real – comes from deep within the soul. It cannot be fingered or indexed. It is a feeling from within. It is not unlike viewing several fine paintings, but feeling from within that one is better than all the rest because it is painted in a more skillful, masterly way."

"Discernment mounts from many spiritual experiences. There is danger then, when someone presumes they have discernment because they have other gifts, or thinks they have other gifts. Many have been led astray in this way. Many who should have this gift, because they are in positions of authority, do not."

"Discernment is not synonymous with authority. It is not rash judgment based on leaping to conclusions. It is an opinion based on sifting out the truth from falsehood. It is like a ship's compass holding the vessel on course. Discernment keeps your soul on track of good."

"This is a rare gift, given with love and care by God to the humble-hearted."

"You will make this known."

February 21, 2000

"I have come to share this with you. I am Jesus, born Incarnate. My messenger, understand that My Heart is unlike any other. For herein lies no boundary or restriction of time, as you know it on earth. Within the fourth chamber of My Heart, united to the Divine Will of My Father, are all the angels of Heaven – Yes! – myriads upon myriads of angels. Moreover, within this chamber is every soul in Heaven. Think of it! Every saint is here in My Heart – in the Will of the Father. This is why I tell you, you can obtain Heaven on earth when you live in My Father's Divine Will. All the other chambers are but preparation for this fourth chamber. In the other chambers, the souls are trying to conform to the Divine Will through conviction of conscience and elimination of self love. But the victory and sanctification of every soul is this cherished fourth chamber of My Most Sacred Heart."

"You will please make it known."

February 23, 2000

"I am your Jesus, born Incarnate. My messenger, unless you understand that the cross is love, you cannot understand the Divine Will of My Father. Your heart can never resemble My own Heart, indeed you cannot come deep into the chambers of My Heart, until you understand the cross."

"The cross is often bittersweet. I Myself prayed that this cup pass Me by. The cross is often perplexing. Humanly, you do not see God's plan in it. But just as My Cross, which seemed defeat, proved a Victory, so too the Father has a master design for every present moment in your life as well. Sometimes He uses the cross to correct. Other times the cross gives re-direction or pulls you back on the just path. Very often the cross is given a person so that others may benefit. This is best achieved when you imitate Me by offering your suffering for the sins of others. Then I am able to approach the sinner with new opportunities of grace for conversion."

"In the cross you must always see My Victory in disguise. Accept all things as from the Hands of God then. This is the Father's Holy and Divine Will for you."

"Make it known."

Friday Prayer Service

Jesus and Blessed Mother are here. Blessed Mother nodded towards the priest who was present in respect. She says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, with sincere hearts surrender to Me your will, for it is in this surrender that I can plant My Divine Love in your hearts. It is this that I desire for you more than anything. Tonight We're extending to you the Blessing of Our United Hearts."

February 26, 2000
Saturday MSHL Prayer Service

Jesus is here. He says, "I am your Jesus, born Incarnate. My brothers and sisters, just as you cannot separate the Divine Will from Divine Love, I ask you this evening to love Me enough to join your free will completely with the Will of My Father. In this way I will lead you to the heights of sanctity. I'm extending to you tonight the Blessing of My Divine Love."

Fourth Sunday Service to Pray for Unbelievers

Jesus is here with two angels. He says, "I am your Jesus, born Incarnate. My brothers and sisters, when you come into the Flame of Holy Love that is My Mother's Heart, ask My Mother for the grace to surrender deeply to the Will of My Father. The deeper your surrender, the more quickly you will advance through the chambers of My Heart that is Divine Love. I desire your surrender – Oh! How I desire it! I'm extending to you the Blessing of Divine Love."

February 28, 2000
Monday United Hearts Prayer Service

Jesus and Blessed Mother are here. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, this year as Lent approaches, resolve in your hearts to surrender your will to Me. In this way I will unite you to the Divine Will of My Heavenly Father. Give Me every present moment in this sweet surrender, and on Easter we will be victorious together." The United Hearts Blessing is given.

February 29, 2000

"I am your Jesus, born Incarnate. This is the way of Divine Love: the surrender of your will to the Will of My Father. In this surrender you accept everything as from the Hand of God, trusting that Divine Providence is always perfect. The integrity of your surrender determines the depth of your holiness. The depth of your holiness determines the depth of the virtues within your soul. Therefore, know and understand the axis on which your spiritual growth revolves is your surrender to God's Will through Holy Love."

"Make it known."

March 2, 2000

I [Maureen] was telling Jesus I was upset because I forgot my writing material on the way to pray. He said, "Have I not chosen your heart in all its iniquity to write My message of Divine Love upon? If I can use such an imperfect tablet, surely you can too."

"I am your Jesus, born Incarnate. I have come once again to continue to fill the world with this message of Divine Love. Only when the heart of the world is transformed to resemble the Will of My Father, will I cease to suffer this message unto My flock. I desire that the hearts of all assimilate this message as if it were food. It is the Will of My Father. Food, indeed, disappears and becomes one with the body. So too, I desire that self will disappear in every soul and the Kingdom of the Divine Will reigns."

" 'How can this occur?' you may ask. I have sent My Mother ahead of Me with the way, which is Holy Love. When souls begin to allow their consciences to form under the law of love, they take the first steps to the Divine Will of God."

"Every chamber of My Heart opens to humanity through this message of Holy and Divine Love. Oh, how I long that souls enter in, for this is the way to peace! As Our United Hearts beat as One, so I desire that the heart of the world beat in unison with Us. The more the soul surrenders to Me through love, the more I surrender to him. If you are surrendering, then a life steeped in virtue will be a sign to all that you are Mine. The more you surrender to virtue, the more the virtue becomes a part of you. Do nothing for your own glory, but all things for the glory of God. This will make you strong."

March 3, 2000
Friday Prayer Service

Jesus and Blessed Mother are here. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, please understand that what you love and what you will to do, are always the same. Therefore, if you love Me, you will desire to live a life deep in virtue. You will be one with the Will of God. Tonight I'm blessing you with My Blessing of Divine Love."

March 3, 2000

"I am your Jesus, born Incarnate. Today, once again, I inscribe this message on your heart that it may be revealed to the world."

"Food that you ingest for your body becomes part of your body. If it is good food, it nourishes and brings physical well-being. My Father's Will is food for the soul. It nourishes spiritually and leads the soul deeply into the chambers of My Heart. The physical state of the body reflects the nourishment it feeds on. So too, the spiritual state of the soul is a reflection of conformity to the Divine Will of My Father."

"Each soul was created to be a mirror image of the Will of God. It is self-will that smudges the 'mirror' of the soul. When you think, act, or speak, let it be for the glory of God and not self. Then when the Father looks upon you, He is able to see Himself clearly."

"Make it known."

March 4, 2000
Saturday MSHL Prayer Service

Jesus is here. He says, "I am your Jesus, born Incarnate. My brothers and sisters, come together at once as My Flock. Think, act, and speak with hearts full of love. Be a reflection of My Divine Love and I will bless you. Tonight I will extend over everyone here My Blessing of Divine Love."

March 5, 2000
Monthly Message to All Nations

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "Now I will address all people - every nation. I am your Jesus, born Incarnate. The world is not in harmony with the Divine Will of God. That is why you have no peace. This is why nature itself is rebelling."

"The Will of God is the commandment of love - Holy Love - that is, love God above all else and your neighbor as yourself. In the world today there is a false god that has risen above the one true God in most hearts. It is the god of self. This false god is the driving force behind every evil in the world today. As self-gratification inspires, God withdraws. As people choose to depend only on themselves, they are no longer inspired by grace, but by evil. Divine Providence comes into an open heart - a heart and a world ready to give all honor and glory to their Creator."

"Sadly, today Heaven assumes most often the role of spectator as souls choose the path of perdition. But in small areas of the world spectacular graces pour out upon the people: graces of healing, My Mother's apparitions, and the miracle of renewed faith. In every area of the world is the miracle of My Real Presence in the Bread of Angels. As with all graces, it takes a loving heart to be appreciated."

"At this site, the message is given to renew the world and pull her back into harmony with the Creator. The United Hearts of Jesus and Mary will be the needle and thread mending the way between Heaven and earth. Everyone who comes must make the message a part of his heart. It is God's Holy and Divine Will."

"My brothers and sisters, today I reveal to you that My mission here is a great part of My Victory in the world. There is so much evil in hearts and in the world today that through the grace from Heaven there will be many events that will unfold and propel this mission to the forefront. Rapidly, rapidly will decisions be made that will affect this mission and the world."

"Indeed the heart of the world throbs with perversity until all hearts beat in unison with Our United Hearts."

"We're extending to you the Blessing of Our United Hearts."

March 6, 2000
Monday United Hearts Prayer Service

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, you cannot be perfected outside of Holy Love. Therefore, I come to invite you to remove and surrender to Me anything in your heart that is unloving. Always place God ahead of self. Always place neighbor ahead of self. Give God the glory in all things and in every way. We're extending to you the Blessing of Our United Hearts."

March 7, 2000

"I am Jesus, born Incarnate. My Heart is opening now to pour out upon the world that which has been reserved for these times. It is through the United Hearts [that] grace, mercy, and love flow. It is through the Blessing of Our United Hearts [that] the flock will seek its shelter in union with the Shepherd. You cannot separate the United Hearts from holiness and sanctity."

"Make it known."

March 8, 2000

"I am your Jesus, born Incarnate. I come to you in this moment of time to help you to discover the beauty of this precious present moment. Every precious moment is a unique opportunity of grace, which will be given but once. You can

use it towards your salvation and the salvation of others, or you can let it elude you - never to return again."

"You can capture the grace of this and any present moment simply by surrendering to the Divine Will of My Father. In this surrender you submit peacefully to whatever the moment holds for you, knowing that God - Who is infinite Wisdom Itself - will bring good from it. You are given as much grace as you need in the present to accomplish God's Will. Indeed, each moment is a treasure of grace if you open your heart to it."

"Many miss the present because they await the future believing it to hold greater opportunities of grace. But if you cannot be trusted in small ways, why should I afford you something greater? If little miracles of My grace go unnoticed, why do you deserve even greater?"

"Be simple-hearted, seeing My Hand in each moment I give to you. I love those who abide in Me in such a way."

March 8, 2000

St. Peter: "Praise be to Jesus. I was given the key to Heaven, but you, My children, have been given the key to salvation through Holy Love and Divine Love. More than that, you have been given the key to sanctity which is union with the Divine Will through conformity to Holy Love. You will make this known around the country and throughout the world by means of modern communication."

March 10, 2000

Second Friday Prayer Service to Pray for Priests

St. John Vianney comes. "Praise be to Jesus. Tonight I have come to ask that people pray for priests every day. I ask this because Satan is so attacking the priesthood, and so, the Church from within. Pray that priests are loyal to Church hierarchy and faithful to all dogma so that their flock will be united."

"God will then bless your lives."

March 12, 2000

"I am your Jesus, born Incarnate. Child, understand if there were one grace I could give humanity, one last gift of My Divine Love, and one final outpouring of My Divine Mercy, I would have it be this message of Holy and Divine Love implanted in every heart. But you see, My messenger, it will come to this. At the illumination of consciences, each soul will see his own heart as it resembles and reflects the law of love. For all sin transgresses love. Evil is the absence of love."

"You will please make this known."

March 13, 2000

"I am your Jesus, born Incarnate. I have come to help you understand that the virtues are the threads which weave together the fabric of God's Will in the soul. Moreover, your self will is the needle which pulls the thread of this fabric in place. Therefore, understand that a virtuous heart is encloded in a rich fabric of God's Divine Will."

March 17, 2000
Friday Prayer Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says, "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, I come to you with this message during this time in order that the conscience of the world may be reshaped in Holy and Divine Love. This is the path of reconciliation, peace, and harmony between man and his Creator. It is your duty to make this message known. We're blessing you with the Blessing of the United Hearts."

March 18, 2000

Jesus comes with the United Hearts exposed on His chest. He says, "I am Jesus, born Incarnate. How few there are who enter this narrow gate! You must spend your life making this passageway to Heaven known. Let your prayer always be that those who hear this message will allow it to resound in their souls bringing their hearts to perfection. While many prefer to believe they have all the answers and that they know best the way, I tell you, even the pharisees believed in such a way. But the path I show you leaves no room for spiritual pride - only humility. The chambers of My Heart open to nothingness, for herein lies no arrogance, self-righteousness, or unforgiveness. Approach this door in littleness and I will clothe you in virtue. I will feed you with the milk of many graces. I will support you in your crosses. The proud are the wayfarers, wandering the way of Satan. But those who will make themselves My little martyrs of love, I will lift high."

"Make it known."

March 18, 2000
Saturday MSHL Prayer Service

Jesus is here. He has a woman with Him who is dressed in grey. Jesus says, "I am your Jesus, born Incarnate, and I have brought St. Monica with Me tonight."

"My brothers and sisters, tonight I have come to help you see that it is your own self will that leads you off the path of salvation, holiness, and sanctity. For it is

through your own will and your own choices that you are led astray and down the path of self-complacency. Follow Me then. Do not lend credence to every voice that you hear, that pulls you from the path that I am leading you upon. My dearest children, tonight I'm extending to you the Blessing of My Divine Love."

March 20, 2000
Monday United Hearts Prayer Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, tonight I am asking you to offer to Me your interior crosses as well as your physical crosses, for these can be very meritorious. Offer them for the sins of omission that you have committed during your lifetime. Tonight We are extending to you the Blessing of Our United Hearts."

March 23, 2000

"I am your Jesus, born Incarnate. I will tell you why it is I have made the Consecration to Divine Love the center of this mission. When you recite it, you submit to the Divine Will with a loving heart. This surrender on a daily basis affords you the grace to move deeper within the chambers of My Heart. As you move deeper into My Sacred Heart, I clothe you in the Divine Will and embrace you with eternal love."

"Indeed, this is how My Victory will come: through the Divine Will of God - through Divine Love."

"You will make it known."

March 24, 2000

"I am your Jesus, born Incarnate. I have come to lay bare the obstacles most common to the soul who first decides to choose Holy Love. Sometimes these are obstacles that remain with the soul all along his spiritual journey, as the soul does not recognize them."

"The first is unforgiveness, which bears the evil fruit of a bitter heart. Thus when you first choose holiness you must forgive everyone. If you do not, the virtuous life will elude you."

"The next obstacle is that of judging others. This is an open entrapment of Satan and stems from self-righteousness - a form of spiritual pride. This error has a sister, which is spiritual envy. A soul should never compare his spiritual progress to another."

"Yet another obstacle to the spiritual journey is discouragement. When the soul's faults are revealed to him, instead of overcoming them in the present moment, he may be tempted to live in the past or the future. But sorrow for sin belongs in the present where the soul understands the fullness of My Mercy. Therefore, in the present the soul trusts that My Mercy over his past removes his guilt forever."

"Understand that Satan does not want your holiness. He is eager for the soul to choose any obstacle through self will. Be aware of his actions and pitfalls. Discover them and avoid them."

"I will bless you."

Conference in Tiffin, Ohio

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, tonight I challenge you to turn your hearts towards Heaven and follow Me in My call to salvation, holiness, and sanctity. I am leading you. My Mother is calling you as well. Do not turn your backs, but respond and spread this message of Holy and Divine Love. We're extending to you tonight the Blessing of Our United Hearts."

Feast of the Annunciation

"I am Jesus, born Incarnate. Today, I come to you seeking the fiat of all peoples and nations to the way of Holy and Divine Love. Time churns on and the conscience of the world remains obstinately centered around self."

"I reveal to you through this United Hearts revelation the path of righteousness not to be obscured by self will. Realize the grace I offer you through the path I have revealed."

"I will bless you."

Feast of the Annunciation
Saturday MSHL Prayer Service

Jesus and Blessed Mother are here in white with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, at the Annunciation My Mother surrendered unconditionally, without regard to Her well-being, Her reputation, or Her comforts. In this way I desire every soul surrender to Holy and Divine Love, that I can bring you to the greatest degree of holiness while on earth. We're blessing you with the Blessing of Our United Hearts."

March 26, 2000
Fourth Sunday Service to Pray for Unbelievers

Jesus is here with his Heart exposed. He says, "I am your Jesus, born Incarnate. Today, My little flock, I invite you to understand that there is man's plan and there is God's plan. It is only when the two are interwoven in the Divine Will of My Father that there is peace and harmony between God and humanity. All who hear of this message and are introduced to it must realize that God's plan is for them to evangelize and become a part of this mission. To think otherwise would be contrary to the message itself. Before time began, this message was in the Heart of the Eternal Father. You will please make all of this known, and I will bless you with My Blessing of Divine Love."

March 27, 2000
Monday United Hearts Prayer Service

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, I have chosen you to hear this message of Holy and Divine Love. Now you must choose to accommodate My needs and bear this message to the world, for it is a message of salvation in the present moment. We're extending to you the Blessing of Our United Hearts."

March 28, 2000

"I am your Jesus, born Incarnate. Take down these words. There are many in the world today who through Satan's deceit have formed false consciences. A false conscience is the fruit of a self-righteous heart. Such a soul allows the opinions of others to make decisions for him, i.e. 'everyone does it'. Or he may regard himself as above others spiritually and incapable of error in judgment, even incapable of sin. There are many such as these who will have a rude awakening at the illumination of consciences."

"But all of this is so easily remedied if they ask My Mother for the grace to look into their own hearts and discover the truth. Holy Love must be the measure by which truth and error are discovered. Holy Love must be the maxim by which all live."

"A soul with a false conscience is inasmuch as trying to ascend the staircase of holiness without touching the steps. The hallmarks of such are pride, unforgiveness, and self-righteousness."

"If the soul views himself as holy, humble, and living in the Divine Will perfectly, it is a sure sign of a false conscience."

"I will ask you to make this known."

March 28, 2000

"I have returned, My sister, to continue My instruction on the false conscience. I am your Jesus, born Incarnate. The soul who has taken on a false or compromised conscience stands quite ready to forgive himself of anything and everything. He grabs ahold of any excuse for his behavior, whether it is real or presented to him by Satan. Worse yet, he does not recognize Satan's disguises or door of entry into his soul. He listens willingly to Satan's 'logic' and begins to accept sin as normal behavior. The evil one always dresses sin as attractive, easy, acceptable, and rewarding. He does not come to the soul looking like the evil that he is. He plays on the person's ego as though it were a finely-tuned piano. He uses love of self as the keyboard. He may say to the soul, 'You deserve this or that. Look how hard you work and what little compensation you receive.' Or he may use this approach: 'You must think of yourself. No one else will.' 'You have prayed enough.' 'You have had enough children.' 'You deserve better.' "

"It is this inordinate self-centeredness that leads the soul away from the axis of all good - Holy Love. I desire souls watch out for Satan - for the sign of his activity in their midst. If souls wait until they see his horns and smell smoke, it will be too late."

"Please make this known."

Friday Prayer Service

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praised be Jesus."

Jesus: "I am your Jesus, born Incarnate. Tonight, My brothers and sisters, I invite you to understand that the path of Our United Hearts, which is Holy and Divine Love, is only visible to you when you are living in the Divine Will of My Father. Therefore, remove the obstacles along the path which you are placing there yourselves. I will be with you in your efforts to move deeper into the chambers of Our United Hearts. Tonight, We're blessing you with the Blessing of Our United Hearts."

April 2000

"I am Jesus, born Incarnate. Today please know that as you advance through the Chambers of My Heart, I open the doorways in your heart as well. As you surrender your will to Me more and more, you become closer and closer to the Christ within you. The more perfectly the soul annihilates his own will, the deeper he is drawn into My Heart until the Christ within the soul itself comes alive."

"You will please make it known."

Therefore, allow your hearts to be purified. Pull yourself away from all that is passing, the allurements of the world, and many conveniences. Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, I have come to help you see that Satan opposes peace between nations and peace in the world. But the only way that he can destroy peace between nations and throughout the world is to first destroy peace in hearts. Therefore, let Holy Love stand guard over your hearts. April 5, 2000
Monthly Message to All Nations

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praised be Jesus."

Jesus: "I am your Jesus, born Incarnate. I have come to draw the world closer to Me. The will of the world is self-centered, and if it does not turn to God through the Divine Will of My Father, [it] faces much heartache. No one is exempt from Satan's attacks - no matter his title, position of authority, or material well-being. It is evil that keeps the heart centered on self instead of God. This is how wars begin. This is how sin is committed. It is only by a movement of free will [that] hearts return to Me."

"The decisions each heart makes from moment to moment - good versus evil - affect the universe. This is because the angel holds the scale which balances good as opposed to evil. The scale is Justice and is already spilling over into the world around you. Do not wait until you see your soul and how it stands before Me. Forgive your enemies until you regard no one with unforgiveness. Bitter hearts tip the scale heavily towards evil. Fill your hands with good works. Fill your hearts with loving prayer. If your heart is not free of bitterness and self love, you do not love Me with your whole heart."

"My brothers and sisters, so high are My ways above your own, that you cannot begin to comprehend how your moment-to-moment decisions weigh upon the scale of Justice. But I tell you, no moment passes that is not decisive in God's eternal plan. Evil cannot affect you, unless you will to choose it. Since I have revealed to you the path of light, remain in the light and avoid the darkness for the good of your soul, for the good of the world. We're extending to you today Our Blessing of Our United Hearts."

April 6, 2000

"I am your Jesus, born Incarnate. My sister, when you are tested in any particular virtue, ask for the grace to love more, for every virtue begins and ends with love."

"The Divine Will is like this. It is like the tide of the ocean which comes in and goes out at appointed times. To the unwise it seems governed by nature; but to the wise it is seen as God's Holy and Divine permitting Will. God's Will is all around you. It is always present. It brings good from every situation. Everything is a grace and all grace is God's Will."

"Let Me tell you a story. Recall the fairy tale 'Jack and the Beanstalk'. Jack did not obey his mother, but sold what he had for some beans. Yet in the story much good came from it (the goose that laid the golden eggs). This is how God is able to use unlikely situations in the world to bring about His good. You may not see it

at first glance, but in retrospect you discover the quiet, unassuming Hand of God's Provision. Trust then. I am always blessing you."

April 7, 2000

"I am your Jesus, born Incarnate. I have come to explain to you quite simply the chambers of My Sacred Heart. There are four chambers. The first chamber of My Heart is the Immaculate Heart of My Holy Mother Mary - for no one can come to Me except through Her Heart which is Holy Love. Each successive chamber of Our United Hearts takes you deeper into Divine Love - My Divine Heart."

"It is best explained this way. Compare the spiritual journey to a candle. In the first chamber - the Heart of My Mother - the flame flickers and does not give off a steady light. The Holy Love in the heart of the soul has not been purified. The soul in this chamber needs to be purged of its most glaring faults. The love in the hearts in this chamber is weak. It flickers like a flame in a breeze."

"As the soul is made more loving under the commandments of love, it moves into Divine Love and the second chamber of My Heart. Here the soul receives much illumination and interior changes take place within the heart. The soul develops a private relationship with Me. Now the soul has light, but it is like a flame under cover, for much of the flame remains hidden between the soul and Me."

"The next chamber [the third chamber] brings noticeable change. The progress that the heart has made in the first two chambers comes to light. The flame of love in the heart of the soul spills out into the world around him. He is a martyr of love who strives to conform to the Divine Will of My Father."

"Ah! But now we come to the fourth chamber of My Heart. This is the most intimate chamber. The souls in this privileged chamber - and few there are - live in complete union with the Divine Will of God. The flame of the little candle of the soul now burns with a steady light as it is united to the Flame of Our United Hearts. The soul has no more wants, for his will is annihilated and one with the Divine Will. This chamber is the goal of all spirituality. This chamber is a palace and in this palace the Will of My Father is enthroned."

"I can tell you about this spiritual journey, but you must follow it through surrender of your own will. Each door to each chamber opens through greater surrender and conformity to the Divine Will. When you discover God's Will in your own heart, you will be in the fourth chamber."

"Please make it known."

Friday Prayer Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate. My dear brothers and sisters, choose to let the Divine Will reign supremely in your hearts tonight. It is towards this end that I call you, that the Will of My Father will be King of all hearts. Tonight I'm extending My Blessing of Divine Love."

April 8, 2000

"I am Jesus, Divine Mercy - Divine Love - born Incarnate. My sister, some do not live in the Divine Will of My Father for they do not love enough. Because their love is imperfect, their trust is imperfect. When souls do not trust in My Father's Will for them, they reject His plans in favor of what they think is best. This is why trusting Love is at the center of My call to Divine Love. Trusting Love is the core of surrender to the Divine Will. Do not place confidence in self will, but accept what My Father provides and how He provides it."

"Make it known."

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, when you surrender to the Will of My Father, you open your hearts to the grace of Heaven. Do not let your intellects be guided by your own will, but by the power of the Holy Spirit, which is one with the Divine Will of the Eternal Father. Tonight We are blessing you with the Blessing of Our United Hearts."

April 10, 2000

"I am your Jesus, born Incarnate. I feel your heart is a little confused. Let Me try and clear the confusion. The chambers of My Heart are a progression in surrender to the Divine Will. There are the four chambers of My Heart. But, and this is what I desire that you understand, there is also a fifth chamber. The fifth chamber of My Heart is secretly hidden within the fourth chamber. It is the Kingdom of the Divine Will within your own heart. It needs to be discovered by the soul as he dwells within the fourth chamber. Some souls in the fourth chamber do not discover this inner Kingdom, which is My Heart within them. Though they are in union with the Divine Will, this discovery of the fifth chamber remains elusive. The souls who do discover My Kingdom within them are already in the New Jerusalem."

"The fifth chamber, then, is not your heart moving deeper into My Heart, but the discovery of My Heart within your own."

"You will please make this known."

Monday United Hearts Prayer Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. Come, My children, and let Me explain to you that if you are not at peace, you are not living in Holy Love. For when you place God first and your neighbor second, you will be at peace and My blessing will be upon you. Tonight as I bless you, I will spread My mission around the world through this Blessing of Holy and Divine Love, the Blessing of Our United Hearts." The Blessing is given.

"I am your Jesus, born Incarnate. I have come to help you understand that when you worry, you have not surrendered everything to Me. What you worry over is that which you want to control. This shows lack of trust in God's Divine Will. Make this known."

"I am your Jesus, born Incarnate. My sister, you ponder the fifth chamber. It is the smallest, most elite chamber comprised of the most humble and loving souls. The souls that dwell herein are part of My Heart. They no longer are part of the world, but I am in them. They only exist to accomplish the Father's Will. Such as these give to Me every present moment. They disappear only to be replaced by the Will of My Father."

April 17, 2000

"I am your Jesus, born Incarnate. I have come to help you understand the depth of the fourth chamber of My Heart. Within this chamber is an inner sanctum - some may term it a fifth chamber - which few souls have entered from the beginning of time. The hearts that enter this sanctuary never think of self. Their will is completely annihilated and the Divine Will of My Father reigns supreme. The Will of God is the height and breadth, indeed the substance of this sanctuary of peace, as is every soul thus admitted."

"Let Me explain it this way. Say that the soul is a snowflake. It is created by God and comes into being in the world. It falls as an individual flake, but as it reaches earth unites with many, losing its individuality in a snow drift. In the spiritual life the soul is created, has its own will, but unites to the Will of God. The journey of our snowflake continues. It evaporates and returns to the heavens. Thus in the spiritual realm, the soul loses itself (evaporates) and becomes one with My Father in Heaven."

"Each soul is capable of this journey, but few there are that choose it. Make it known."

Jesus: "My brothers and sisters, I am your Jesus, born Incarnate. Do not blaspheme the message of Holy and Divine Love by failing to look into your own hearts and discovering your faults. The essence of this message, My brothers and sisters, My little flock, is to conform your hearts to the message of Holy and Divine Love. Let it be!"

April 21, 2000/Good Friday **"I am Jesus, the Word incarnate"**

GLORIOUS MYSTERIES

Resurrection

"I opened the door to Heaven for all people, all nations, through My life, death, and Resurrection. My prayer today is that each soul opens the door of his heart to the message of Holy Love."

Ascension

"I left My apostles and My Mother with the promise of remaining with them until the end of time. And so, understand I am with you still in the mystery of the Eucharist, the Bread of Angels. Recognize Me clothed in this attire."

Descent of the Holy Spirit

"The Holy Spirit descended suddenly upon the apostles where they were assembled gripped in fear. Allow the same Holy Spirit to work in your hearts today. Open your hearts to holy boldness. Proclaim from the roof tops and from the depths of your hearts the message of Holy and Divine Love."

Assumption

"My Mother was taken body and soul into Heaven because from the moment of Her conception the love in Her Heart was without blemish. In Her there was no anger, jealousy, or unforgiveness. Her Heart is God's Holy and Divine Will. Imitate the Holy Love in Her Heart now in this present moment."

Coronation of Mary as Queen of Heaven and Earth

"As Queen of Heaven, Queen of earth, My Mother awaits the arrival in Heaven of each one of Her children. The myriads of angels which attend Mary fall prostrate at Her feet. As Mary moves about Heaven the angels support the arm that carries her scepter of love, and carry Her mantle, gently placing it around Her where She comes to stand."

"Behold the cross which intersects My Heart, dividing it into the four chambers of spiritual life. Understand, My brothers and sisters, that it is only when you accept

the cross that you can live in Divine Love. Tonight We're extending to you the Blessing of Our United Hearts."

April 26, 2000

"I am your Jesus, born Incarnate, risen in triumph. Alleluia! How can I explain the fifth most intimate chamber of My Heart? In this chamber the soul exists and is completely absorbed in the Divine Will. The person no longer lives, but the Will of God lives through him. He accepts everything as from the Hand of My Father, knowing everything is a grace and all things turn to the good of his salvation. Every virtue has been fine-tuned. The kingdom of the Divine Will reigns within his heart. This kingdom is the triumph of Our United Hearts."

"It is like food which is assimilated and disappears. It becomes part of the body. This is what the kingdom of the Divine Will is like. This is the fifth chamber of My Most Sacred Heart."

"Have no more wants - only needs. Give glory to God in all things for with human eyes you do not always see God's Hand in each event at the outset - but It is there. Let your whole being radiate your unity with the Divine Will. I have long desired that each soul live in this way."

"Please let it be known."

"I am your Jesus, born Incarnate. The principal difference between the fourth and fifth chambers of My Heart is the difference between conformity and union. Conformity to the Divine Will implies there are still two entities. One who seeks to imitate God's Will is making himself conform. In the fifth chamber, however, there is no more effort, but the two wills (human and Divine) are united as one. There is no more effort to be as one, for in perfect union there is only one entity. Pray for understanding."

"I am your Jesus, born Incarnate. I invite you to see that for any soul to increase in depth of virtue he must increase in love of Me. This can only be accomplished through desire. Therefore, understand that it is the surrender of the human will to Love that determines the depth of virtue."

Feast of Holy Love
Monthly Message to All Nations

Our Lady is here all in white and is framed in a large pearl rosary. The United Hearts appear very large to the front of Her. Blessed Mother says: "Praise be to Jesus."

"I am Mary, every Virgin. Today, with a Mother's love, I am calling all of My children into My Immaculate Heart – Refuge of Holy Love. Many of you spend much time and are greatly distracted about your physical well-being and security. I tell you, all this is passing."

"I have come to call you into the only eternal Refuge – for this Refuge is your salvation. No one enters Heaven except through the portal of My Heart, which is Holy Love. For who can be admitted who will not love God above all else and his neighbor as himself? Do not let your hearts be earthbound then, My dear children. But, like a bird lifted on the wind, take flight to My Heart, the only certain, eternal Refuge."

"I do not come to you to bring you unity as the world knows it. It is Satan who promotes one government, one monetary system, and one religion. This new world order is false. It will bring dictatorship and, with it, loss of freedom, confusion, and grave persecutions."

"I have come to remind you that there is a God in Heaven. It is He Who must rule all hearts through surrender to His Divine Will. Until this occurs you will only have false peace, false security. For true peace, which is based on Divine Love, cannot be legislated."

"My dearest children, I have come to be with you today, not only to bring you My grace and many miracles, but to ask your continued prayers and your continual conversion in the present moment. For it is by such efforts I am able to withhold the Hand of Justice. My children, come to Me as a member of My spiritual army, armed with many sacrifices, prayers, and penances. Then as a member of My army of victim souls, I will lead you deep into the chambers of the Heart of My Divine Son."

Our Lady then gave Her Special Blessing.

"I am your Jesus, born Incarnate. My child, you have yet to understand the magnitude of these messages. The Chambers of Divine Love have been torn open to reveal the innermost secrets of My Sacred Heart. The only measure that

soothes this wounded Heart of Love is reciprocal love. Thus, when you show love for Me by surrendering to the Divine Will, I am soothed."

"Understand that My Love for each soul never changes. Even when the soul chooses evil, I still love him as the day I created him. Even when the soul condemns himself for all eternity to the fires of hell, I still love him. Knowing this and understanding the Chambers of My Heart should turn any soul away from evil to salvation. My Love should suffice."

"I am your Jesus, born Incarnate. I have come to help you understand the virtue of prudence. In prudence, wisdom and simplicity are combined. It is prudence which regulates our thoughts, word, and actions. Do you speak too much or not enough? Are you prone to excess in your actions or use of time? Do you allow Satan to rob you of the present by excessive thoughts of the past or future?"

"The prudent person understands his own heart. He prudently avoids temptations and excesses."

St. John Vianney is here. He says, "All praise to Jesus."

"My brothers and sisters, please pray every day for all priests and most especially for the newly ordained. Pray that they will be faithful to the Magisterium under this Holy Father; that they will be devoted to the Eucharist, and close to the Blessed Virgin Mary."

"Then, let us face facts, My brothers and sisters. There are priests who oppose recitation of the Rosary. We must pray for them. This certainly is an obstacle on

their path towards Holy and Divine Love. I'm extending to you my priestly blessing."

May 13, 2000

Public

"I am your Jesus, born Incarnate. I have come today to help you understand the virtue of prudence. The first rule of prudence is righteousness – that is, obedience to God's commandments. Prudence dictates the avoidance of excess in thought, word, or deed. A soul may be wise, but still lack prudence. For instance, a wise soul may – in trying to make a point – state his view over and over, not knowing when enough has been said. This shows lack of trust in My grace. I'll tell you why. This type of soul makes his point, but is unwilling to state his case and [then] let grace do the rest. He cannot allow grace to carry the point into the heart. He seems to think everything depends on his efforts."

"Prudence governs all the virtues. Sometimes we do not prudently use the virtues. Sometimes a person is too patient and does not speak up in the face of wrong. Or he may show love by spoiling a child and giving in to the child excessively."

"Prudence is not synonymous with self-righteousness either. For the prudent person seeks to know himself better, searches out his weaknesses and works on them. The simple-hearted soul has little difficulty with prudence, but the proud-hearted find this virtue elusive."

Jesus and Blessed Mother are here. Our Lady is Refuge of Holy Love but has on the crown that the statue in the apparition room has on. She says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, please realize that every present moment is dressed in the Divine Will of God. Thus clothed, it brings with it the command to celebrate and be victorious, by accepting whatever comes to you in each present moment. In this way you bring victory to every moment. Tonight We are extending to you the United Hearts Blessing."

"I am your Jesus, born Incarnate. You know that I love you. I have loved you from the beginning of time and will love you for all eternity, just as I love each soul. Through the depth of My Love, I come to ask you to pray in this way for all humanity: Pray that souls have the courage to live this message of Holy and Divine Love. Just as the first step on the stairway of holiness requires great effort, so does the first step in living these messages require great effort. Both of these steps are one. They are humility. Without humility the soul does not have the courage to look into his own heart and discover his faults. Without this self-knowledge he cannot move forward in holiness. Self-knowledge and the acceptance of it is the doorway to Holy Love and the first step to the Chambers of My Heart. Such humility requires courage. It is much easier to live in compromise and think all is well and that you are as holy as you should be. It takes humility and courage to surrender to the truth."

"This humility and courage must surround you and follow you. It must lead you up the stairway of holiness. For the deeper the soul progresses in the Chambers of My Heart, the more he is aware of little flaws that block his way to perfection – to union."

"Now you will please make this known."

May 19, 2000
Friday Prayer Service

Jesus and Blessed Mother are here. Blessed Mother says: "Praised be Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, your love for Me can be measured in how much you surrender to the crosses that My Father places in your life in the present moment. For every cross comes through the Divine Will of the Eternal Father. When you accept these things in the present moment, you are showing how much you love Me and love the Divine Will of My Father. We're extending to you the Blessing of United Hearts."

"I am your Jesus, born Incarnate. My sister, I have come to tell you that there are two forces at work in the world today. These forces are: all who acknowledge the Divine Will of God and seek to be perfected in it; and all those who oppose the Divine Will of God. The vast majority of those who oppose the Will of God do so as a matter of habit. They have compromised consciences and are convinced that their excessive love of self is justified. These souls have not determined their wants versus their needs, but see all things and every whim as necessary. They hold no check over their tongue, and no prudence even in thought. All their actions are from a selfish motive: to look good in the eyes of others; to feel the best they can; to be important, powerful, and secure. These are all motives fed and nurtured by the mass media which Satan holds sway over."

"But the ones who earnestly seek perfection and advancement in the Chambers of My Heart earnestly try to overcome excessive self love and to delineate self will as opposed to the Divine Will. These souls understand surrender, trust, and the cross. They realize that to embrace the cross is to embrace the Will of My Father. They sacrifice their own will knowing each sacrifice takes them deeper into My Heart. These souls illuminate a world given over to darkness, and light the path on the way to perfection."

"Make it known."

Jesus: "I am Jesus, born Incarnate. My brothers and sisters, come to Me not on your own terms, but on My terms. Do not come seeking certain favors, special gifts, and the like. Abandon yourselves to Me. You cannot choose your own

crosses. You cannot choose the path that you are being led upon. In humility, abandon yourselves to Me then. I will lead you into the New Jerusalem." The United Hearts Blessings is given.

May 20, 2000
Public

This was dictated by St. Anthony who said, "Praise be to Jesus."

"Here is the way of salvation, holiness, perfection, and sanctity, simply put."

Step 1: Salvation.

Surrender to Holy Love, which is the two great commandments of love.

In this surrender the soul is taken into the Immaculate Heart of Mary. Her Heart is the spiritual refuge of all mankind and the gateway to the New Jerusalem which is the Heart of Jesus.

In this surrender the soul begins to see his greatest sins and faults.

Also in this Heart of Mary the soul begins to recognize the power and importance of the present moment.

Step 2: Holiness.

Entrance into the Sacred Heart of Jesus (Divine Love) through deeper surrender to love.

Soul begins to equate Holy and Divine Love with the Divine Will of God. He aspires to personal holiness by greater surrender to God's Will, which is always Holy Love in the present moment. He begins to understand that his will is directed by what he holds in his heart.

Step 3: Perfection.

The soul, now rooted in Holy and Divine Love, puts all his effort into being perfected in the virtues.

He practices the virtues diligently, prays for them in his soul, and when God sees a worthy effort, He infuses the soul with these virtues.

Step 4: Sanctification.

This Chamber of Jesus' Divine Heart embraces those who have successfully conformed to the Divine Will of God.

There are still two entities: the soul who continually seeks conformity and is successful in this; and the Divine Will of God.

Step 5: Union with the Divine Will.

Few reach this inner sanctum of Our Lord's Heart.

There is now only one entity. Self is no longer present. The soul is one with God and His Divine Will. This is the New Jerusalem.

"I am your Jesus, born Incarnate. Child, I have come to help you understand the gratuity of My Heart lies forsaken until the soul realizes his own responsibility in his salvation."

"For every Chamber that the soul enters in My Heart of Hearts is opened only by the efforts the soul makes in opening the matching chamber in his own heart. Just as My Heart holds five Chambers, each soul has a coordinating chamber in his own heart. He opens the door to the chamber of his own heart first by further surrender of his own will to the Divine Will. When proper abnegation has been accomplished the next Chamber of My Sacred Heart opens."

"In finality, the fifth Chamber of My Heart, the Chamber where the human will and Divine Will are one, the soul recognizes that all along the Kingdom of God dwells within."

"Make this known."

"I am your Jesus, born Incarnate. I invite you to contemplate once again the virtue of simplicity. The simple soul allows no obstacle to remain on the path between himself and God. All his thoughts, words, and actions come from a simple heart that has the singular motive of pleasing God. He is sincere and always truthful. He never tries to edify his reputation in the eyes of others through exaggeration or lies. He holds no hidden agenda in his heart towards self-advantage. He does not, in his actions, undertake projects simply to gain laud from others. He is always willing to make allowances for others' mistakes. He is always ready to forgive. Simplicity is the handrail on the staircase to holiness, for it holds the soul on the certain path of perfection."

Monthly Message to All Nations

"Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, today I am forming an army of love through your prayers and sacrifices, through your worthy reception of the Holy Eucharist, and your love-filled rosaries. It is through the love in your hearts that I will defeat the compromised conscience. Come to Me, My children, come to Me and I will lead you to the victory of Our United Hearts."

"I have given the world a legacy through this mission – the Way of Holy and Divine Love. It is up to hearts now to make ready use of it. I suffer yet the Agony in the Garden for those who will not listen. Peace is not genuine unless it is based on the Divine Will of My Father. False peace arises from false consciences. A false conscience is one not formed in the law of Holy Love."

"Our Hearts will not reign in victory until every heart embraces Holy Love. Therefore, see that the decisive battle is going on in hearts – the battle between good and evil. Mankind cannot produce a weapon of destruction that will win this war. Nor can he negotiate lasting peace outside of Holy Love."

"Your weapons that will win this war are the Holy Eucharist and the holy rosary. Receive the Eucharist and pray your rosaries with hearts full of Holy Love. In this way, you will use the love in your hearts to defeat Satan and win the war."

"Any form of government that opposes My Law of Holy Love, the Eucharist, or the rosary is already an anti-Christ in your midst. You must be strong, prudent and not gullible. Do not trust man-made peace. Trust the only real peace that comes from Heaven – from the Divine Will of God." The United Hearts Blessing is given.

"I am your Jesus, born Incarnate. Are you ready for your lesson today? I am here to teach you about the virtue of diligence. Diligence is a virtue much like a container made up of the Will of God in the present moment. Through the practice of diligence, the soul surrenders every present moment task to the Will of God for the love of God. Anything that the soul does which is not done for the love of God is not of eternal value."

"Through the virtue of diligence, the soul performs each task before him as perfectly as possible. But this perfection varies greatly from a worldly perfectionism. The worldly soul wants to perform tasks perfectly to meet with his own satisfaction or the laud of others. The soul who possesses the virtue of diligence takes on each task purely for love of God. Therefore, even the lowliest task is made worthy and holy and gains eternal merit."

"The diligent soul knows well that the present moment will never come again. But every moment can be a part of My Victory through diligence."

"Diligence is like a basket containing freshly baked bread, the bread being the soul's good deeds performed diligently. The aroma of these deeds enhances the environment. The basket is woven of love of God's Will in the present moment."

"Make it known."

Saturday MSHL Prayer Service

Jesus is here. His Heart is exposed and He says, "I am your Jesus, born Incarnate. My brothers and sisters, I come repeatedly calling you into this message of Holy and Divine Love. If I were to come and give the world a secret plan for a destructive weapon, many would come believing and seeking. But as it is, I come to you with Heaven's plan for peace in the world and salvation of all. Many today do not even recognize the enemy that they must be fighting, the enemy that is within hearts that do not love. My brothers and sisters, pray that more souls recognize the worth of what I come to reveal here. I'm extending to you My Blessing of Divine Love."

June 19, 2000
Monday United Hearts Confraternity Prayer Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, My coming to you repeatedly is My invitation for you to come deep into the Divine Will of My Father, deep into the Chambers of My Sacred Heart. But you can not do so when you worry about your reputation in the world, how you appear, how much money you have, how much power. Come to Me as humble little children and I will lead you into the New Jerusalem." The United Hearts Blessing is given.

June 19, 2000

"I am your Jesus, born Incarnate. I have come to describe to you the virtue of diligence. Diligence can be likened to the grains of sand in an hourglass. The

sand is all the acts performed diligently – that is, for love of God. The hour glass represents the love of God which must embrace every thought, word, and deed in the present moment in order to gain eternal merit. Diligence, more than any other virtue, holds the soul to the present moment. It is through diligence the mundane task is sanctified."

"Make it known."

"I am your Jesus, born Incarnate. I invite you to understand that while the Flame of My Mother's Heart is a purifying flame, the Flame of My Sacred Heart is a perfecting flame. As My Mother's Heart beckons and purifies the soul of glaring faults, the Flame of My Heart perfects the soul in the virtues, burning away imperfections in these virtues. Our United Hearts are engulfed in the Flame of the Heart of My Father – the Flame of His Divine Will. This Flame conforms the soul to the Will of God and leads to union with the Divine Will."

Jesus is here. His Heart is exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, there is no petition here that I am unaware of. I hold each of your innermost needs in My Sacred Heart. Thus covered with My Precious Blood, I will present them to My Father. And I extend to you today My Blessing of Divine Love."

Fourth Sunday Service to Pray for Unbelievers

Jesus is here. His Heart is exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, surrender because you love, for this is the way I surrendered in the Garden of Gethsemane. Because I loved My Father so much and His Divine Will for Me, I was able through the Flame of Divine Love to accept all He sent Me. My brothers and sisters, I am calling you into the perfection of the Flame of My Heart and I extend to you the Blessing of My Divine Love."

June 25, 2000

"I am your Jesus, born Incarnate. My sister, I tell you faith and trust go together. One is not present in the soul apart from the other. And neither can exist outside of love. If faith were a ship sailing on the sea, trust would be the ballast keeping it afloat. The little rudder which would direct the ship of faith and trust would be love."

"Make it known."

June 26, 2000

"I am your Jesus, born Incarnate. I have come to help you see because of these times, full of confusion and doubt, I have sent My Mother as Protectress and Guardian of the Faith, to support the remnant in the tradition of faith and to embrace those souls consecrated to Her Immaculate Heart. These are the perilous times spoken of in Scripture. On all sides the faith has found controversy. The multitude has strayed, losing the treasure they do not even recognize. My true disciples remain until I return firm and unflinching under My Mother's mantle of protection. These remnant faithful remain unyielding in the face of compromise. The roots of their faith reach deep into the soil of tradition and truth."

"My Mother is the Defender of the Faith. She will enlighten and support those who cling to Church tradition. Turn to Her in the midst of every attack. She is your aide – your Protectress – your fortress."

"Make it known."

After Communion Jesus said, "I am your Savior Jesus, born Incarnate. When you make any sacrifice, perform any deed, do not look at the sacrifice itself – look at

Me. Remember this, as it is the easy path. Remember too, how much I long to be a part of each sacrifice."

June 30, 2000

"I am your Jesus, born Incarnate. Come deeper into the Flame of Eternal and Divine Love. All you need do is desire it and you will receive it. This is the Flame that devours all evil, all iniquity, every error. It is the Flame that burns away apathy and complacency."

"I call you into union. Do not seek any other measure towards your salvation – there is none. Let every thought, word, and action be performed in union with this Divine Flame of Love. Become a part of this Flame. So much do I desire it! In Me, every virtue comes to perfection and truth reigns. This Flame of Divine Love is the Flame that will reign over and illuminate the New Jerusalem."

"My people should not seek out answers about the future, but allow Me to reign over their hearts in the present. For this is the answer – the sure path to salvation."

Feast of the Immaculate Heart of Mary
Saturday United Hearts Prayer Service

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My dear brothers and sisters, thank you for coming here tonight to honor the maternal and Immaculate Heart of My Most Holy Mother."

"I speak to you as Missionary Servants of Holy Love. You must make known this message that reveals the door to holiness and salvation, for through it all generations must pass that will be saved. When you propagate this message and make known the needs of Our Hearts and the revelation of Our United Hearts, you are speaking for Me and I am speaking through you. Do not be discouraged by those who will not accept what I am telling them through you. I am counting on you to propagate all that you have been given. We are extending to you tonight the Blessing of Our United Hearts."

A procession from Maranatha Spring to the United Hearts Shrine preceded this service. During the procession the visionary [Maureen] saw Blessed Mother floating above the Papal flag. There were also thirty to forty angels hovering over the procession.

Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, I have come to impart to you a piece of wisdom that you will find useful in your quest towards moving deeper into the Chambers of My Sacred Heart. The more you love Me, the deeper I will draw you into My Heart. The more sacrifices you make, the more you will love Me. Please make it known. Tonight We are blessing you with the Blessing of Our United Hearts."

July 3, 2000

"I am your Jesus, born Incarnate. I wish to express this truth to you concerning the United Hearts revelation. Our United Hearts - that is My Mother's Immaculate Heart within My Sacred Heart – is embraced by the Divine Will of God, which is the Heart of the Eternal Father. Once the soul begins the spiritual journey through the Chambers of My Heart, he is moving ever closer to the reality of this Divine Will and Eternal Heart. The goal of all spirituality is to be united with the

Eternal Father's Heart. It is His Divine Plan for all humanity. It is the reason each one has been created. It is the fulfillment of My mission on earth. Make it known."

July 3, 2000

"I am your Jesus, born Incarnate. I desire you understand that the Will of My Father is like a great tool chest, the chest being His Divine Will. Every tool is contained within that it necessary to lead the soul to union with His Will. The tools are the sufficient grace, the virtues, the self-knowledge – all given in the proper order and measure. If used properly, the soul can construct a heart within his heart – a heart united to the Heart of My Father."

July 4, 2000
Prayer Service

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, today your nation celebrates its independence. But, I have come to invite you to see that your nation is not free, but a slave to sin through apathy and complacency. It is only through obedience and unity to the Divine Will that freedom can be won. Now, in these times, you must pray for this message to be spread and this mission to become part of your nation's policy. I'm extending to you the Blessing of Divine Love."

July 5, 2000
Monthly Message to All Nations

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says, "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. Today I invite you to understand that you can only arrive in the New Jerusalem and Our United Hearts can only be triumphant through the Divine Will of God."

"Mankind can only be conformed to the Divine Will of God by adherence to the commandment of Love."

"Today, My dear brothers and sisters, I come to you to raise up a holy nation – a people of Divine Love. To hear this message carries with it a heavy responsibility. If you hear the message but judge it unworthy of belief, then you are saying in effect the Gospel is unbelievable – for this is a Gospel message. If you hear the message but do not change your lives to reflect Holy and Divine Love, the judgment against you will be even harsher, for what you are saying is 'Yes, I believe but do not want to change.' If you hear the message and do believe and do change, but fail to evangelize the message to others – your love is still imperfect."

"I have come to raise up a holy nation – a mighty remnant. These are the people whose hearts are burning embers of Divine Love – ready to ignite at the least provocation and spread to others."

"You have been called into brotherhood with Me. See that it is written, no one can come to Me unless the Father calls him. The Father is calling each one separately and in love into union with His Divine Will through My Mother, through Me. The Father is calling every nation to be united in His Eternal Heart which is His Divine Will."

"Make it known. We're extending to you the Blessing of Our United Hearts."

July 7, 2000
Friday Prayer Service

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, once again I come to remind you of the present moment. Each present moment comes to you from the Heart of My Eternal Father, passes through My Sacred Heart, and through the Heart of My Immaculate Mother with grace sufficient enough for you to become saints. The difference between the one who chooses sanctity and the one who chooses perdition is the degree of his surrender, or lack of it, to the Will of God in every present moment. Remember then, that the Will of God is always Holy Love. Tonight We're extending to you the Blessing of Our United Hearts."

July 8, 2000

"So it is I have come to you – your Jesus, born Incarnate – to confide these words. Understand that the United Hearts of Jesus and Mary are engulfed in the Heart of the Eternal Father, which is eternally the Divine Will. Thus surrounded by the Divine Will of God, the soul cannot approach My Mother's Heart outside of the Divine Will. I give to you now this prayer to My Father in Heaven."

"Eternal Father, Creator of the universe, transform my heart in this present moment so that it beats in perfect harmony with your Divine Will. Forgive me for all the present moments I have wasted and have not surrendered to Your Will. Help me always to cooperate with the grace You send me in every present moment. Amen."

"You will please make it known."

Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, the depth of your love and your trust in Me measures the depth of your surrender to the Divine Will of My Father. When you complain or whine about God's Will for you, about situations that He permits in your life, you are not surrendering. Always choose the better part, which is complete surrender. We're blessing you with the Blessing of Our United Hearts."

Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My Mother wishes to thank Her priest son for coming here today, and for believing."

"My brothers and sisters, how I long to draw you into the deepest, most intimate Chamber of My Sacred Heart. How I long to write on the heart of humanity this message of Holy and Divine Love. If one spark from the Flame of My Heart could reach the most erring heart, all of Heaven would rejoice. You will please make this known. We're extending to you tonight the Blessing of Our United Hearts."

July 19, 2000

"I am your Jesus, born Incarnate. I cannot rest in [the hearts of] those who do not cooperate with Me. Perhaps you will understand this in your heart as I explain it. I only find rest in those who cooperate with the crosses that I permit them to have. The cross is a grace. Many times it is wasted either through grumbling or boasting. Yes, boasting. Some take pride in the amount and degree of their suffering. They desire everyone know about it. I like each soul's cross to be private – between Me and the soul – as much as possible."

"Some want bigger crosses to give to Me for the conversion of their families. But they forget to give Me the little crosses I do give them."

"It is not so much that I seek the perfect in the world, but the willing."

July 23, 2000

"Please transcribe My words. I am Jesus, born Incarnate. I come as the Good Shepherd to lead My flock into the Chambers of My Heart. Overcome the obstacle of your own will and what you want. Do not place your opinions and judgments of others ahead of God and neighbor. Follow Me into the Divine Will of My Father."

"I am extending to the people at the Prayer Center today My Blessing of Divine Love."

[The visionary was ill at home during the Fourth Sunday Service to Pray for Unbelievers, and thus the reference to the Prayer Center.]

July 24, 2000

"I am your Jesus, born Incarnate. I have come to instruct and to guide." A personal message was given. "I invite you to understand that God's plan and His Will for you have already been determined. It is always Holy Love. Follow Me, then, into the Divine Will of My Father Who sees and knows all things beyond human capability."

"Understand that the Heart of the Eternal Father is benevolent and compassionate. The Mercy of My own Sacred Heart reflects the kindness and Mercy of My Father's Heart. No one knows Me who does not know the Father as well."

"You will please make this known."

The visionary asked Jesus to give everyone at the Prayer Center tonight the United Hearts Blessing (since she was ill at home). He said, "As there is no time or space in eternity, I can easily do so. I will."

July 26, 2000

"I am your Jesus born Incarnate. I have come to share with you the secret for hasty and certain advancement through the Chambers of My Heart. It is humble acceptance of all things as from the Hand of God. Thus, it is surrender to God's Divine Will. In this surrender, every virtue comes into play. In this surrender, self will is annihilated. The soul does not need to take account of which Chamber he is in. He only needs to accept the moment in the way My Father wills it. You may think this sounds too easy to be the key to your sanctity, but look closely and you will understand it is not easy, and not even possible without Heaven's assistance. Ask for the grace, then, to realize the importance of this request – this Heavenly guideline. As you attempt to accept God's Will you will quickly see your shortcomings and weakness in certain virtues. I will help you. Ask Me."

July 26, 2000

"I am your Jesus, born Incarnate. I have come to help you along the continuing journey into the Chambers of My Heart. Notice, My messenger, that no where is this journey undertaken by the soul alone, but always with the assistance of My Mother and Myself. Within the Flame of Holy Love- the Flame of the Immaculate Heart – the soul is purged of his glaring faults and transgressions against love. Then he is ready to be plunged into the Flame of My Most Sacred Heart – the Flame of Divine Love. As the Flame of Holy Love is a purifying flame, the Flame of Divine Love is a perfecting flame. Thus engulfed in this Flame of Eternal Divine Love, the soul is perfected in the virtues and led into union with the Divine Will of My Father."

"No one can come into the benevolent Heart of My Father – that Heart which is His Divine Will – without first passing through the Flame of Divine Love."

"It is God the Father Who calls each soul into the Flame of My Heart to be thus perfected. It is the Holy Spirit who comes forth from the Heart of the Father to inspire the soul to take the journey. Please make this known."

Erie, PA Conference

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, tonight I invite you to be apostles of Holy and Divine Love. Know for certain that when you surrender to this call, grace will be your companion, your guide, and your protection. And tonight I extend to you My Blessing of Divine Love."

July 29, 2000

"I am your Jesus, born Incarnate. Please understand, all creation is subject to the Will of My Father. And so, though the enemy may surround you, trust that grace abides and will sustain you. Heaven's purpose may seem obscure, but if you love enough, you will not demand to know the reason for every event. You can trust Me. It is then I will come closer. My love for you is perfect, everlasting, all encompassing. In every situation, every misunderstanding, have courage then, for I am in your midst."

July 29, 2000

Jesus and Blessed Mother are here, as is a little angel. Blessed Mother says, "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, each soul decides himself how far he will come into My Heart. For each one is given the grace to come into the elite fifth chamber of My Heart, which is union with the Divine Will. What determines advancement in the Chambers of My Heart, My brothers and sisters, is your surrender to the commandments of love. We're extending to you the United Hearts Blessing."

July 31, 2000

Jesus comes with the Cure d' Ars. He says, "I am Jesus, born Incarnate. Today I invite you to read anew the parable of the sower. (Luke Chapter 8) This time substitute the term 'religious vocation' in place of the term the 'Word of God.' You will better comprehend how Satan destroys priestly and religious vocations."

Monday Confraternity of the United Hearts Service

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, let your hearts be centered on Heavenly goals. Surrender to Me the mundane and the anxious moment. I desire to take up My reign in your hearts, here, tonight, now. We're extending to you the Blessing of Our United Hearts."

August 4, 2000

St. John Vianney comes. He says, "Praise be to Jesus. I have come to invite you to see that Satan's tactics are the same within the heart of the Church as they are in the secular world today. It is called compromise. When a heart is compromised, it places more value on pleasing self and impressing others than upholding truth and pleasing God. Such a conscience is not easily corrected."

"Yes, the world and the Church suffer today because of compromise. This is how Satan enters governments and marriages as well. You must uncover this in courage and make it known."

Friday Rosary Service

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, yield to Me. Surrender to Me. Surrender and yield to the Divine Will of My Father. Monthly Message to All Nations
(This message was given in three parts.)

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. I have come to set the world ablaze with the fire of My Divine Love. This fire is unquenchable and eternal. Within it, every soul pursues the deepest most intimate Chamber of My Heart. It is the Flame of salvation that will be victorious over evil."

"The proudhearted avoid this Flame in search of temporary pleasure. But the wise plunge their hearts herein seeking eternal joy. This purifying Flame of Divine

Love will cleanse the earth of error before I return. Today the corridors of My Heart beckon and call to every heart – each soul. The spirituality I wish for everyone is within the Sacred Chambers of My Heart. Listen, My lambs, I am calling you."

"My brothers and sisters, I have come to share with you a secret. It is the secret to peace of heart and joy; it is the way into the Chambers of Divine Love: Surrender your will."

"Do not want anything different for yourself than what My Father in Heaven deigns for you in this present moment. Trust in My Divine provision. This way your hearts will be open and pure vessels of grace, and My grace will be most powerful in you. This way you will be living in the Divine Will of My Father."

My brothers and sisters, My little lambs, I am calling you into the center of My Heart, this then to share all wisdom which is Divine Love. Understand that to believe in the message is not enough; but you must become apostles of love, sharing this message with others. We're extending to you the Blessing of Our United Hearts."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, I come once again from Heaven to ask you to allow Holy and Divine Love to triumph and reign in your hearts today. When you choose it, it will be so, and I will be King of your heart. Remember always that God is love. We're blessing you with the Blessing of Our United Hearts."

August 8, 2000

"I am your Jesus, born Incarnate. My messenger, I come today to elaborate on the fourth Chamber of My Heart. It is a difficult Chamber to enter as so much of the soul's own will must be surrendered. The iniquities of habit must be burned away and the light of Divine Love must burn unceasingly. The soul is conformed to the Will of My Father. It has become his nourishment in the present moment. Few moments slip past without effort to become united with the Divine Will."

"I am ready to assist each soul in this journey through the Chambers of My Heart. So much do I long to share the journey with each one. So much do I long for the light of Divine Love to illuminate the whole world. Please make this known."

"I am your Jesus, born Incarnate. Child, the goodness of My Heart demands a mutual love relationship with all humanity. As I do love each soul, so too, each one is commanded to love Me in return. I desire to take every soul into the depths of My Sacred Heart – a journey unmatched by any on earth."

"With unyielding grace I call out to humanity through this message. Each surrender is sweet, sweet to Me. Before I return I will send a multitude of angels before Me, making this message known throughout the world. It will extinguish Satan's fire and replace it with the miraculous fire of Divine Love. Make this known."

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, true and lasting peace must be in hearts first before it can be in the world around you. Therefore understand that no nation will find lasting peace through negotiations or peace agreements, but only when all hearts are reconciled with God through the Divine Will. I wish to place on you tonight My Blessing of Divine Love."

August 17, 2000

"I am your Jesus, born Incarnate. I have come to help you realize that the very fabric of the remnant faithful is composed of Holy and Divine Love. It is through this fiber of love that the remnant will persevere and cling to truth. Because this spirituality speaks to every soul, more and more will follow into the remnant Church. I ask that you make this known."

August 18, 2000
Friday Rosary Service

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, tenderly I call each soul to the fullness of My grace. The greatest lesson you can learn through these messages, My brothers and sisters, is to surrender to God's Will for you in the present moment. For to do so you must surrender to the cross, which is often a great grace in disguise. I desire that you understand that the greatest graces are yours when you surrender. Tonight, I am blessing you with my Blessing of Divine Love."

Feast of St. John Eudes
(A patron of the Confraternity of the United Hearts)

"I am your Jesus, born Incarnate. I have come to you to begin a small booklet which will be entitled 'Conversations with Divine Love.' In this booklet I will speak to you concerning many topics. I will establish a deeper more intimate relationship with you – a relationship the world will be privy to. You will begin to understand My needs and desires, just as I now know yours. I wish to bring you My peace, so that you may bring peace to others and be peace to others. This is only possible through love."

"There is no intrigue in what I will tell you. You will discover, My messenger, that Mine is a simplistic Heart. Let us begin by making this message known today as the first conversation with Divine Love."

August 19, 2000
Feast of St. John Eudes
(A patron of the Confraternity of the United Hearts)

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, with docility follow Me into the deepest Chambers of My Sacred Heart. Herein I long to hold you. Within the Chambers of Our United Hearts you will be renewed and molded into the image of love. Tonight We extend to you the Blessing of Our United Hearts."

August 21, 2000
Conversation with Divine Love

"Come into the Flame of My Heart. Immerse yourself in this cleansing atmosphere. I am your Jesus, born Incarnate. I have come to continue My conversation with you. How pleasing to Me is the humble heart. Such a heart is a willing instrument in My Hand. It is the humble heart that loves Me the most without considering cost to self. With a humble heart the soul loses sight of self and, because it is empty, I am able to fill it."

"Now, My messenger, I desire you understand how much I am repulsed by the arrogant heart. Such a one is open to every whim of Satan because he is filled with self-importance. The arrogant one always seeks what pleases him – his own advantage. Some even appear on the surface to be serving Me when they really seek the spotlight for themselves."

"Yes, arrogance is the basis of every type of sin. (But here I do not refer to the soul who from time to time slips into pride, but continually seeks to improve. I am merciful to such as these.) I speak of the arrogant soul – full of himself – who does not even search his heart for possible error. These are the ones who, given responsibility, do not lead but control. These are the ones who never see their own error, but always the blame of others."

"How gravely My Heart is pierced by arrogance today. This type of heart dominates governments. It is present in My Church, often taking the form of intellectualism. The intellect is good if God is given credit as the source. It is not good if the soul begins to believe he is the creator of every thought."

"The arrogant trust only in themselves, and so I withdraw from them. The world today mocks humility and simplicity. Thus, the world mocks Holy and Divine Love. Great is My distress as I gaze upon the arrogant heart. Many will be convicted of this crime. Many, many slip to their perdition because of it."

"I relate these things to you as a shepherd calling His sheep to Himself."

August 21, 2000
Conversation with Divine Love

"I am your Jesus, born Incarnate. My messenger, I prefer small acts of humility from you performed with a heart full of Holy Love. These humble acts of submission bring Me greater solace than any sacrifice performed out of arrogance or self-importance for many to see."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, love Me and trust Me. Come into the United Hearts, the sure way of your salvation. Have hope in Me, for I am your Jesus. I have mercy on every sinner, and I bring you the open way to Heaven. Tonight We're blessing you with the Blessing of Our United Hearts."

Feast of the Queenship of Mary
Fourth Tuesday Mission Rosary Service

Jesus and Blessed Mother are here. Blessed Mother is in white with a crown on Her head, and She is seated on a throne. Her Heart is exposed. She has about 5 or 6 angels around Her. She says: "Praise be to Jesus."

Jesus has His Heart exposed. He says, "I am your Jesus, born Incarnate." He is standing behind Her right shoulder. "My brothers and sisters, this message, this way of spirituality, is a sign to you of My coming triumph and the triumph of the United Hearts in the world. I sorrow for those who need the message but turn away from it. Continue in your efforts to pray for this mission, and that this spiritual journey be propagated amongst all people and every nation. Tonight We're extending to you the Blessing of Our United Hearts."

Conversation with Divine Love

"I have come to welcome you. I am Divine Love – Jesus, born Incarnate. I have offered My Heart as an open wound of love to heal the wounds of humanity. And so each one who comes after Me through the Chambers of My Heart must also offer their hearts for the conversion of the world through love. This message – this spiritual journey – is one that demands surrender of self will. It is not enough to believe. Belief in Holy and Divine Love demands surrender."

"I cherish the heart that is so inclined. Such a heart receives the fullness of My grace. This means, My messenger, that the heart that sincerely tries to surrender his own will receives all the grace he needs from Me to succeed. Thus I am able to restore and replenish his soul from moment to moment. Purgatory is overflowing with souls who believed in these messages but did not respond. Also amongst the numbers in purgatory are those who have rash judged My Mother's apparitions in the world without investigating them justly. We must pray for such as these."

"The Chambers of My Heart can only lead to sanctity. I long for souls to enter and pursue perfection – union with the Divine Will. Before I return you will witness how this message impacts the Church and society."

August 23, 2000
Conversation with Divine Love

"I am your Jesus, born Incarnate. My child, each time you return to Me I am able to plunge you deeper into the Chambers of My Heart. Do not be disheartened by your failings. Your surrender is becoming more and more complete. I do not abandon one who trusts in Me. Rather, I support and protect such a one."

Maureen: "Jesus, we're hearing all kinds of dates about certain things that will happen this year. Is any of it true?"

Jesus: "You must realize that dates are not man's undoing. No. It is lack of Holy Love in the present moment that brings upon him his demise. So while many bandy about dates and times of certain events, they lose the most urgent time – the present moment. Understand that the most urgent message is here now – Holy and Divine Love. What good is it to clothe yourself in readiness in exterior ways but remain outside the Chambers of My Heart? Pray that My lambs learn to respect this message."

**August 24, 2000
Primer**

"I am your Jesus, born Incarnate. I have come to begin to unfold the primer on the Chambers of My Heart."

"The Chambers of My Heart are represented in the image of Our United Hearts. Our United Hearts represent a spiritual journey from the moment of conversion to Union with the Divine Will."

"Further, this union of Our Hearts represents a shared passion and triumph."

"The Immaculate Heart of Mary is the Gateway to the New Jerusalem. My Sacred Heart is the New Jerusalem."

"The Immaculate Heart of Mary is Holy Love. My Sacred Heart is Divine Love."

"The spiritual journey begins with Holy Love. Holy Love (the first Chamber, sanctification/salvation) is:

- *The Immaculate Heart of Mary;
- *The two great commandments of love;
- *The Gateway to the New Jerusalem;
- *The First Chamber of the Sacred Heart of Jesus;
- *The purgative stage."

"In this Chamber, glaring faults and sins are revealed to the soul. He chooses either to surrender to Holy Love (conversion) or to continue in error. If he chooses conversion and overcomes his most flagrant faults, he can move into the next Chamber of My Heart and Divine Love."

**August 25, 2000
Primer**

"I am your Jesus, born Incarnate. Here, My messenger, is the second Chamber outline for the primer."

"As the soul surrenders more deeply to Holy Love, he passes into the second Chamber of My Sacred Heart, which is Divine Love. This is what takes place within the soul in this second Chamber which is holiness:

- *The present moment is purified through a commitment to Divine Love.
- *The soul surrenders his health, appearance and comforts.
- *The soul begins to distinguish between his wants and his needs."

**August 25, 2000
Primer**

"I am your Jesus, born Incarnate. The third Chamber of My Heart is the one in which My martyrs of love are formed. It is perfection. Thus in the third Chamber (perfection):

- *The soul is given introspection as to his practice of every virtue in thought, word and deed.
- *He practices these virtues and fine tunes them with the help of grace.
- *God sees his efforts and infuses the virtues into his soul."

**August 25, 2000
Friday Rosary Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. Tonight, My brothers and sisters, I have come to ask your prayers for all those who oppose the ministry. Many of these are familiar with the messages, but do not accept them due to spiritual pride. Pray that their hearts are opened in humility, for all those who oppose Holy and Divine Love oppose Me. Tonight We're blessing you with the Blessing of Our United Hearts."

**August 26, 2000
Primer**

"I am Jesus, born Incarnate. This is the message concerning the fourth Chamber for the primer. The fourth Chamber of My Heart (sanctification) is:

- *Conformity with the Divine Will of God;

*The soul makes a conscious effort to execute God's Will in every present moment."

"This then is the fifth Chamber (union):

- *Union with the Divine Will;
- *No longer two entities, but one;
- *The soul accepts all things as from the Hand of God."

"These prayers should be at the end of the primer:
Consecration to the Flame of Holy Love
Consecration to the United Hearts
Consecration to Divine Love"

Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, remnant faithful, I have come to address you, to guide you, and encourage you. Always remain faithful to this Holy Father and to his precepts. Be devoted to My Blessed Mother and always, My dear remnant, maintain a devotion to the Most Blessed Sacrament truly present in the tabernacles of the world. As My Mother is Protectress of the faith, so too She is Protectress of the remnant Church. Pray for Her intercession to remain faithful. I am blessing you with My Blessing of Divine Love."

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, I come today to solicit your prayers for the remnant faithful. The spiritual way of the Chambers of My Sacred Heart is the path that I call the remnant onto. Pray that more will recognize this journey as the way to sanctification and salvation. I'm extending to you My Blessing of Divine Love."

Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, I have come to invite you deeper into the Chambers of My Heart than ever before. Surrender more than you ever have, giving Me your will in the present moment. Then I will embrace you and nurture you deep within these Sacred Chambers. Tonight We're blessing you with the Blessing of Our United Hearts."

Friday Prayer Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate. My brothers and sisters, My little lambs, I surrender to you My Heart with all It's Chambers, all of My Divine Love herein, and every grace. You, My dear brothers and sisters, must give to Me all your iniquities, all your flaws and failings, and I will help you to become more perfect in Holy and Divine Love. Surrender to the crosses in your lives. I extend to you the Blessing of Divine Love."

September 1, 2000

"I am your Jesus, born Incarnate. I come to you to invite you to see that I hunger and thirst for the soul of the world to come into the Chambers of My Heart. Yes, I wish to draw all humanity herein. But those who do not accept God's Will for them are stepping off the sure path that leads to My Heart. Do you wish to be at peace? Accept your crosses. You cannot circumvent Calvary and arrive at the Resurrection."

"The Heart of My Father embraces the United Hearts and gives each soul the invitation to enter. Do not reject His plan for you."

September 2, 2000
Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, please understand that the greatest holocaust of all times is taking place today in the world. It is abortion. Further, you must know that the father of all lies, Satan, is the instigator and supporter of this silent holocaust. It is only through prayer and sacrifice the battle will be won. Therefore, persevere in Holy and Divine Love. I'm extending to you tonight the Blessing of Divine Love."

September 4, 2000
Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My Mother wishes to thank the dear priests for coming here tonight. She will extend to them Her Blessing of Motherly Love."

"My brothers and sisters, do you want to know how to avoid purgatory? I will tell you. Accept all things as from the Hand of God. In this acceptance is your

moment-to-moment surrender of your own free will. This is the way to progress deeply into the Chambers of My Sacred Heart. Tonight We're blessing you with the Blessing of Our United Hearts."

September 4, 2000
Conversation with Divine Love

"I am your Jesus, born Incarnate. I have come to converse with you. In your heart receive the grace to understand. Before time began, I was in the Divine Will of God, for His Will is compassionate and benevolent."

"So, I am here in your midst today asking you to see that each soul was created to be drawn into union with the Will of My Father. Until this time, the way to this union lay obscured. But now the Chambers of My Most Sacred Heart have been revealed to all humanity. The direction is certain and direct. The moment a soul hears the call to conversion of heart, he stands at the threshold of the first Chamber – My Mother's Heart – Holy Love. To the world this journey may seem foolhardy. But to the simple heart it is a path laid in gold."

"My Mother meets the souls who stand precariously on this threshold of conversion and salvation. She extends to them every grace they need to accept Her invitation to enter the first portal of Our United Hearts. She weeps for those who turn away. With a Mother's Heart She calls them back over and over."

"Then there are those who hear Her call and believe, but spurn the invitation along with the unbelievers. The numbers of those who are invited but will not respond are far above those who accept the invitation. Indeed, the threshold to the first Chamber is the most decisive in the entire spiritual journey."

"Every effort is made by Heaven and the holy souls in purgatory to bring souls through that first door, for it is that doorway that determines their eternal fate."

"You will please make this known."

September 5, 2000
Monthly Message to All Nations

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, you have been called to be heirs of the Kingdom that is to come, the Kingdom of Heaven, the Kingdom of My Father's Divine Will."

"Therefore, do not be ruled by whims of the flesh, but be inspired by the Spirit. If you live according to God's Divine Will you will advance quickly through the Chambers of My Most Sacred Heart."

"Today I come to you as I desire all people and all nations hear this message. The future of the world depends on it. Much of what lies in wait for the world by way of justice can be mitigated if hearts would surrender to love. I tell you this for Holy and Divine Love are the instrument which can reconcile all nations with each other and with God. Indeed, I tell you somberly, that it is only through love of God and love of neighbor that you will see salvation and peace, and change future events."

"In the world Satan has been successful in establishing the false conscience. He does this by changing priorities and confusing hearts to consider themselves – and what they think they must have or do to be happy – above all else. But the happiness Satan promises is false and passing. Nothing lasts except the Holy Love each soul has in his heart. It is the amount and depth of Holy Love in the heart at judgment that determines the soul's eternity."

"I come to you for I want to make the world My Own. I desire to transform every heart in and through Holy and Divine Love. Many come here to see signs and wonders, and will always do so. The only sign that is important is the transformation of each heart through love."

"You will return to your homes and continue to experience the graces you received here today. Do not forget the most important grace: the message. All the other signs and wonders are given to you freely only to help you understand the importance of the message of Holy and Divine Love. Do not allow other things to get in the way."

"Knowing this, your lives should support the message."

"Today We are extending to you the Blessing of Our United Hearts."

Jesus suggested reading Romans, Chapter 8 when studying this message.

September 6, 2000

"I am your Jesus, born Incarnate. I have come to speak to you once again about the false conscience. This is a conscience that is not formed in truth. Such a one does not recognize sin for what it is. Perhaps he has replaced truth with human reasoning. In this way, the soul may believe he is justified in picking what commandments, Church law, or dogma he will follow and accept. But when the soul comes to Me for judgment, I do not follow this erroneous thinking. I ask, 'Did you love Me enough to keep all the commandments, and if Catholic did you obey the Church law and not challenge doctrine and tradition?' "

"A false conscience is like this. There are two canoes leaving shore. A little way out from shore each canoe develops a leak. The man in the first canoe, on seeing the leak, repairs it and arrives safely to the opposite shore. The man in the second canoe, on seeing the leak, decides to ignore it. He even denies that it is there. His canoe soon sinks beneath the water – the man along with it."

"The conscience is much like this canoe. If the soul denies he is guilty of error, in My eyes his sin is still not pardoned. The law is the law. Individual consciences cannot change it. No one can debate with Me at their last judgment and convince Me that wrong is right. For I know the truth and all humanity has been given the truth. I will not be swayed by catch-all phrases such as, 'right to choose', 'feminism', or 'alternative life style'. These terms are inspired by the adversary."

"Ask for the grace to look with honesty and integrity into your own heart. It will be granted."

September 8, 2000
Conversation with Jesus

"I am your Jesus, born Incarnate. I have come to converse with you. On the 15th of this month many will gather to honor My Mother's Sorrowing Heart. I tell you somberly, Her heart is but a reflection of My Most Sacred Heart, which sorrows for the errors of mankind. The bitterest trial of My Heart is the complacent and compromised soul. This is the heart that never takes stock of where he stands before God. There is no guard before the door of such a heart against evil. Therefore, Satan has free reign over each present moment."

"There is a place in the fifth Chamber of My Heart for each soul. Imagine how this Chamber echoes with sorrow as few seek it out."

Maureen asked Jesus what she could do to console Him.

"My consolation is your 'yes' to this mission. Remain undaunted in the face of opposition. Everyone who opposes this message has been tricked by the adversary. Soon a great light of truth will illuminate the world. Many who rash judged My mission will reverse their error. But for now your perseverance consoles Me. How often late at night when you sleep I bend over you and kiss you to give you strength."

Second Friday Rosary Service to Pray for Priests

St. John Vianney is here. He says, "Praise be to Jesus. My brothers and sisters, in Christ, we must pray together for priests who have compromised consciences. Such as these are concerned more for what people think of them than in pleasing

God. You have no idea the impact this message on the Chambers of the Heart of Our Lord would mean to such priests. I'm extending to you my priestly blessing."

September 9, 2000
Saturday MSHL Rosary Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate." A personal message was given.

"My brothers and sisters, tonight, as your Savior I am inviting you once again to embrace your crosses. For it is only through the cross, My little lambs, that you will be led into the majesty of Divine Love." The United Hearts Blessing was given.

September 10, 2000
Second Sunday Service to Pray against Abortion

Jesus is here. His Heart is exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, I have come today to invite you to meditate daily upon My Passion, for such a meditative prayer stirs in your heart sentiments of love and compassion for Me. Every moment that you give Me in love, I return to you a hundredfold through Divine Love in this life and in the next. Today I'm extending to you My Blessing of Divine Love."

September 11, 2000
Conversation with Jesus

"I am your Jesus, born Incarnate. Contemplate My wounds, for to do so appeases My Heart. When you meditate on My Passion and death you are able to overcome Satan's temptations in the present moment."

"I have covered this mission with My Most Precious Blood, just as I protected My first apostles."

"I have revealed to you the path of littleness and simplicity in the spiritual journey of Our United Hearts, for it is only through littleness you can reach the great and majestic depths of My Sacred Heart. Those who seek to become great in the eyes of men cannot pursue this path, for the key that opens the door to the Chambers of My Heart is self-abnegation. I am not in the heart that wants to use this journey to become great in the world. I am in the little heart that seeks only to please Me."

"If you are following Me, your thoughts will not be centered on self but on Me and all others through Holy Love. This indeed is the litmus test of the depth of your

response to this message and My final judgment of you. You will please make this known."

September 11, 2000
Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, My passion continues today in the form of every murder that is committed, every abortion that is performed. It continues in all those who scorn the Christian ideal of Holy Love. And so I invite you tonight to remember Me as I remembered you in My Passion. Remember Me in this present moment. My dear children, tonight I'm blessing you with the Blessing of Our United Hearts."

September 12, 2000
Conversation with Divine Love

"I am your Jesus, born Incarnate. Child, I have long awaited your arrival. Not only at this chapel, but at the place you are now spiritually. Come into the light that surrounds My Wounds and embraces My Most Sacred Heart. It is My call to you. I have revealed to you, as to no other, the innermost Chambers of My Heart. While the world knew the stages of spirituality, now I have revealed the way to pursue each one. Now the whole of humanity can know My Heart. Do not hesitate to spread this word of Our United Hearts and the Chambers everywhere. If they reject the message, they reject Me."

Maureen: "Jesus is there anything we can do, any prayer we can say, or people we can contact to spread this more?"

"Do not fear, My child, the door slamming in your face. That is pride. If you fear rejection and therefore do not spread this message, it means you love your reputation more than you love Me. And you never know, some doors may open wide that you thought would hit you in the nose."

"We move forward one soul at a time. I know you don't like math (He smiles), but one and one make two. Small efforts mount and add up. Be certain of it. The world cannot place a price on a soul. The world cannot comprehend eternity. This is evidence of the great abyss that has been fixed between man and Creator through free will. But the Chambers of My Heart stand open now and ready to bridge the gap between Heaven and earth."

"All that remains is for humanity to choose it. Pray then for hearts to choose these Sacred Chambers. I await them."

"The incredible light that you now see streaming from My Wounds will some day enlighten every heart and convict every conscience. Then hearts will hunger for holiness instead of scorning it. Spiritual appetites will crave union with the Divine Will of My Father. Values will change and this spirituality will be sought after."

"It is then that the end will be the beginning."

September 14, 2000
Conversation with Divine Love
Feast of the Exaltation of the Cross

"I am your Jesus, born Incarnate. My sister, I know the secret places of your heart, just as you know Mine. I do not seek your harm, but your welfare. My Provision meets your smallest need, as well as your greatest. I will not abandon you nor betray you as others have, for My Love is unconditional. As you seek your perfection, your love will become unconditional towards Me as well. Then you will see the Will of My Father in all things. It is then your trustful surrender will be perfect."

"But for now, each time you trip I pick you up and we carry on. So many - so many - do not allow Me to move close enough to pick them up. They fail to see My Hand in the midst of adversity. But It is always there."

September 14, 2000
Exaltation of the Holy Cross Rosary Service

Jesus is here with His Heart exposed. "I am your Jesus, born Incarnate. My brothers and sisters, Heaven weeps for those who continue to live in error and do not choose the path of righteousness. But you, My brothers and sisters, have come with expectant faith. You must realize that the Cross was My victory; and so too am I triumphant when you surrender your crosses to Me. I'm extending to you My Blessing of Divine Love."

*At the time Jesus appeared to Maureen during the Rosary, it was raining, almost dark, no trace of the sun. But a rainbow appeared over the crowd, behind where Maureen saw Jesus in the sky. The 1,500+ people present were able to see this rainbow for quite some time.

September 15, 2000
Feast of the Sorrowful Mother Midnight Service

Jesus and Blessed Mother are here. They're both in dark colors. Their Hearts are exposed. Blessed Mother has the Seven Swords in Her Heart. Blessed Mother says: "All praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, Our Hearts – Our United Hearts – are an open wound of love. But you have soothed our sorrowing Hearts with your presence here tonight, and so I will spread healing and deliverance among you. Understand, My children, that it is Our Hearts that sorrow for humanity and grieve for the unborn." Jesus says He wants to touch all hearts here tonight in a special way. "My dearest children, in a certain and particular way I am blessing you this evening with My Blessing of the Sorrowful United Hearts, which will strengthen you amidst trial and adversity."

September 15, 2000
Feast of the Mother of Sorrows

"I am your Jesus, born Incarnate. Many of you, My dear brothers and sisters, have traveled far and have made countless sacrifices to be here for these two feast days. Because you have made this important pilgrimage, the angels will transport your petitions to Heaven tonight. Particular and certain graces will be given through the water in the Lake of Tears tonight, as a sign to the world that My Mother's weeping and Her Tears must be taken more seriously during these times. Please make it known."

September 15, 2000
Feast of the Mother of Sorrows
Rosary Service at the Sorrowful Mother Shrine

Jesus and Blessed Mother are here. Jesus has His Arms outstretched praying over the people, and Blessed Mother is pointing out different people to Him and He nods. Now They turn around to us. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My little lambs, to Our Sorrowful United Hearts your prayers are as gold ** tested in the fire of Divine Love. Two nights in a row I have given you the sign of a rainbow**, the rainbow that is My promise that earth will never be destroyed again by flood. My dear children, understand, I come to you to encourage you to see that in the end Our Sorrowful and United Hearts will triumph! Yes, Holy Love and Divine Love will be victorious! We extend to you the Blessing of Our Sorrowful and United Hearts."

**A number of signs were given during the services of the 14th and 15th. Rainbows were visible in darkened skies at the 7:00 pm services on the Feast of the Exaltation of the Cross and the Mother of Sorrows Feast. Approximately 1500 people were present to witness these. At the midnight service Heavenly lights were flashing and witnessed by many of the 3,500 people present after the prayers during the reading of the message (*the most important grace given at Maranatha*). At the 7:00 service of the Mother of Sorrows Feast, during the Sorrowful Mysteries of the Rosary and lasting about 10 minutes, the trees on the

eastern horizon turned to gold in appearance, and later returned to their green color.

September 16, 2000

"I am your Jesus, born Incarnate. My messenger, I have come so that you will know and understand that the miracles and graces offered during these last two evenings at the Lake of Tears have not stopped. They will indeed continue and multiply through the special grace attendant to the water last night and carried away with the pilgrims."

"Because My Mother's tears are ever present in the world today, this particular favor has been granted to the world. Make it known."

September 16, 2000
Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says, "I am Jesus, born Incarnate. Tonight I come to you with great yearning in My Heart, for I so desire that every soul pass over the threshold and into the Chambers of My Divine Heart. I long to share with each one the mysteries of My Divine Love. You will return home and to your work places, and you will have many spectacular miracles to share with those around you. But most of all share the message, which is so vital to the world today. I'm extending to you tonight My Blessing of Divine Love."

September 21, 2000
Conversation with Divine Love

"My wonders will never cease. My Mercy is from age to age. I am your Jesus, born Incarnate. I have compassion upon those who call upon Me. I show tenderness to the downtrodden, for I am Lord of every present moment."

"You ponder, child, how it is the errant soul still causes Me to suffer, and how your sacrifices today can alleviate My Passion. In Heaven there is no time or space. Therefore, I still suffer for every sin committed and I am always victorious in every heart that is converted. It is your human limitations that makes it difficult to comprehend this. In Heaven, every present moment is all eternity. You do not fully understand eternity. But when I return, eternity will be given you. It will erase time as you know [it] and encompass earth."

"Human knowledge is imperfect. I give to you the Divine."

September 21, 2000

"I am God the Father, Creator of Heaven and earth, Creator of Jesus born Incarnate**, Creator of all sexuality."

"I created each soul to pursue chastity, for this is according to My commandments. The human body is created to give life and not lust."

"The virtue of chastity is not one like patience or humility which through time, effort, and grace comes to perfection. No, the chaste soul must always live this virtue perfectly, for any failure in purity is a sin. Like forgiveness, chastity cannot be practiced in portion, but must be observed always."

"As in any virtue, chastity must be observed in thought, word, and deed."

"Each soul has been created to share Heaven with Me. No one reaches the Heart of this Eternal Father through lustful thoughts, words, or actions. These are all inspired by My adversary."

"No one is childlike and at the same time unchaste. It is only the childlike who enter the Kingdom of Heaven."

"Make this known."

**NOTE from Rev. Frank Kenney, S.M.: "According to Pope Paul VI in an address June 30, 1968 on the topic 'The Credo of the People of God' Jesus was 'born of the Father before time began,' and 'through the Father... all things were made' - that is, created, which includes Our Lord's humanity. One birth was from all eternity, impossible for us mortals to totally comprehend, while the other birth happened in time and is well-documented."

**September 22, 2000
Friday Rosary Service**

Jesus is here. His Heart is exposed. He says, "I am Jesus, born Incarnate. I am Eternal Love. Tonight I have come to ask you, My brothers and sisters, to keep your love for Me steadfast and in the midst of your heart. Do not be distracted by any person, thing, problem, or goal. My love is everlasting and will sustain you. I'm extending to you the Blessing of My Divine Love."

**September 23, 2000
Saturday MSHL Rosary Service**

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, tonight I invite you to surrender decidedly to the Divine Will of God in every present moment. The Father of all knows the intricacies of the tapestry He is weaving of your life and of the Divine Plan He has for you. Surrender then, and know full well that He will make good use of your will. I extend to you the Blessing of Divine Love."

September 24, 2000
Fourth Sunday Service to Pray for Unbelievers

Jesus is here with His Heart exposed. He says, "I am Jesus, born Incarnate. My brothers and sisters, how I long to embrace all humanity in Divine Love! Thus do I desire every heart to follow the promptings of the Holy Spirit and accomplish the Eternal Will of My Father in Heaven. Pray for this. I'm extending to you today My Blessing of Divine Love."

September 25, 2000

"I am your Jesus, born Incarnate. My messenger, the way to overcome evil is to uncover it, for as long as the enemy lies under cover of darkness hidden from view, he can flourish. This is how Satan attacks purity of heart:

Through the media – TV, radio, music, books, pornography, movies;

By disguising himself as freedom, such as promoting artificial birth control within a marriage as the right to choose;

By promoting abortions and birth control both in marriage and outside of marriage, making sex an act of enjoyment, and not procreation;

By labeling homosexuality an alternate life style;
It is not. It is a sin.

By promoting immodest fashions, both male and female;
How numerous are the sins committed by giving a bad example or tempting another to unchaste thoughts and desires.

By compromising consciences to believe that extramarital affairs are acceptable;
He does this through the aforementioned media."

"Satan's most profound lie that undermines chastity is that sex was created by God for human enjoyment, not procreation within a marriage. This is why self will has become the battleground of Satan and his cohorts. If love of self is more important to the soul than love of God and neighbor, Satan has an open door to the heart."

"And so, I invite you to see that unclean spirits come to you every day through these various media and tactics of the adversary, for anything that opposes chastity is an evil spirit. It is up to the human will to unclothe Satan and choose good over evil."

"Make it known."

September 25, 2000
Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, My coming to you does not mean that you will have all understanding concerning God's Divine Will for you. No, I come to you through Holy and Divine Love so that you will accept God's Will. When you accept My Father's Will, then you will know that all things turn to good for those who love Him. (Romans, Chapter 8) My brothers and sisters, please make it known." They blessed us.

Jesus and Blessed Mother are here with Their Hearts exposed. Sts. Michael, Gabriel and Raphael are behind Them, while St. Therese is in front. They all say, "Praise be to Jesus," while He says, "I am your Jesus, born Incarnate."

Jesus: "Today, My brothers and sisters, I have come to reveal to you that your provision and protection are in your Consecration to Divine Love. Divine Love, the revelation of the United Hearts, and the Little Flower's Little Way of spirituality are all one. For they all speak of self-surrender. This is your sanctification. Feast of the Guardian Angels
Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here. They're surrounded by many angels. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. All the angels in Heaven fall prostrate around our United Hearts waiting to take any inspiration to earth. They whisper silently to the ears of your soul, giving you guidance in the way of the Divine Will of My Father. Listen carefully, you will hear them."

"Tonight We extend to you the Blessing of Our United Hearts."

Conversation with Divine Love

"I am your Jesus, born Incarnate. Dear confidante, to increase in grace, increase in trust. The soul that gives in to temptations against trust finds grace diminishes in his soul."

"The greatest grace that will ever come to the ministry is the complete and irrefutable United Hearts revelation." A message for the ministry was given. "I am going to describe for you in simplistic terms the journey into the United Hearts. In this parable the United Hearts are represented by a great house. The soul who wishes to enter the house (the first Chamber) must use a key. This key represents the soul's free will. When he uses the key (that is surrender to the call to love) he enters the antechamber of My Heart which is My Mother's Immaculate Heart – Holy Love. Once inside this 'vestibule' the soul is curious about the rest of the house (that is, the Chambers of My Heart – Divine Love). He finds another door in front of him. Once again he must turn the key and surrender more deeply to Me – this time to holiness. Within the house finally the soul is anxious to explore the other rooms (Chambers of My Heart). Each Chamber remains secluded behind a locked door. Each room (or Chamber) the soul seeks entrance to requires a deeper submission of his own will. If he is sincere and perseveres in his efforts he will reach the most secluded room – the fifth Chamber of My Heart. Here is pure peace, love, and joy. It is in this the tiniest room of all that the soul finds complete union with the Divine Will of My Father."

"Such a soul settles into this little Chamber not wishing to be found or noticed. His only pleasure is in being there. He is in the present moment always. Take time to meditate upon this house I have shown you. The smallest Chamber of My Heart is the one in which the soul realizes the Kingdom of God within. I sit down next to the guests who come into the fifth Chamber and they are always in Me."

October 3, 2000

"I am your Jesus, born Incarnate." Personal messages were given.

"The soul does not exist in this [fifth] Chamber for himself, but for the Will of the Father. His desire is never to be found by temptation – never to be drawn away from the Divine Will and so, into a lesser Chamber."

October 4, 2000

“I am Lord of the morning and Keeper of the night. I fix the sun, the moon, and the stars in their place. I spill the rain from Heaven to nourish the earth. I press the chill against your cheek when you arise. Unnumbered are the miracles of My creation. I am the Eternal Father, Patriarch of all generations. I am Who am.”

“Thus shall you remember Me and depend upon Me – trusting all the while in My Divine Provision which falls upon all mankind as dew upon the tender grass. As the world was created by a perfect Hand, learn to look for My perfection in every present moment. The tapestry I weave for each soul is unprecedented, the opportunities of grace abundant and irreproachable. I draw you into the secret-most Chambers of My Son’s Eternal Heart.”

**October 4, 2000
Mortification**

“I am your Jesus, born Incarnate. My child, listen well. No sacrifice is worthy unless it includes the surrender of self will; that is, an act that you give to Me when you want to give Me less, or even something else. This is why I say that the greatest sacrifice is the surrender of your own will. While on earth, the soul can never accomplish this perfectly because of fallen human nature. Even those who reside in the fifth Chamber of My Heart have weaknesses. But mortification is not real or worthy unless you try to give Me your will along with it.”

“Say you give Me a present, but it is something you really don’t want or need. It is given from your surplus. Such a gift is far less charitable and less worthy in My Eyes, than one that is given selflessly and out of love even though it is difficult to surrender to Me.”

“Give to Me all that you want and desire and I will fill you with what I desire you have. You will never be free of the cross, but in your surrender the cross will bring victory.”

“Make it known.”

Monthly Message to All Nations
This message was given in two parts

Jesus and Blessed Mother are here. Our Lady says: "All praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. Today I come to address each one and all for I have called each one from the womb to be apostles of Holy Love. Each part makes up the whole. And so, have firm conviction in your heart that you, as apostles of love, have a grave responsibility before you. Not only did you inherit a citizenship in Heaven by merit of My Precious Blood, you are also citizens of this country in this present moment. As such, you have a civic responsibility which must coincide with your apostleship of Holy Love."

"No one can claim to be My friend who votes in favor of the grave sin of abortion. Therefore, be educated when you vote as to whom you are giving power. The battle lines have been drawn and the choices have been made clear. Satan seeks the destruction of your country and wants you to elect his candidates who would perpetuate abortion."

"Solemnly I tell you, the cup of My Justice already overflows for choices that have been already made. Only My Mother's Sorrowing Immaculate Heart holds back the arm of vindication. Therefore, as My apostles, do not allow the abomination of abortion to continue. Make certain your precious vote moves against Satan's kingdom, and for life. For I tell you, your vote is not only cast on earth, but in My Heart – the final Judge of your eternity."

"Please understand many nations have fallen from power because the soul of the nation became decadent. Your country is already slipping militarily from prominence. This will continue and spread to the economic system if evil is not overturned in this election that is upcoming. Therefore, make it your duty to pray that God's Will be done in this election."

"We're extending to you the Blessing of Our United Hearts."

October 6, 2000

"I am the Eternal Father, Creator of the Universe. It is I Who command the seasons. It is I Who call life from the earth in the spring. I Who bring forth the young and succulent new life. It is I Who renew the earth, and bring the soft showers to wash away the dormant. I am in the strong wind that forces the clouds past the sun and lifts the dry leaves off of tender new plants."

"I am in the summer, heating the air with My loving Breath so that all of nature bears fruit in due season."

"It is I, the Eternal Father, Who in the chill autumn night paint every leaf of all My

trees in a perfect pattern so that when you arise you can marvel at My handiwork.”

“I am Lord over all the harvest, the grains of the fields, the fruits and vegetables. It is I Who bear them forth – the plenty of My bounty.”

“In the winter, once again, I give earth Her rest. I chill the air and fill the sky with snowflakes, each one My Own design. A hush falls over earth and for a moment My Benevolent Heart can be felt to beat as My children await the birth of My Only Begotten Son.”

“On which season do I show My greatest favor? On all, just as My plan for each soul is individual and perfect in My Divine Will. I order all things mightily.”

Friday Rosary Service
(Beginning of 24-hour Prayer Vigil against Abortion)

Jesus is here with His Heart exposed. He says, “I am your Jesus, born Incarnate. My brothers and sisters, abortion is a symptom of Satan’s presence in hearts in the world. If he is present in hearts, then he is also present in the world around you. Therefore I have come to request that you make your hearts vessels of Holy and Divine Love, thus weakening Satan’s kingdom in the world. Tonight I’m extending to you the Blessing of Divine Love.”

Feast of the Holy Rosary
Saturday MSHL Rosary Service

- Conclusion of Twenty-four Prayer Vigil against Abortion
- Final Days of Week of Prayer and Fasting against Abortion
- Conclusion of 5-day Chaplet Novena for Holy Father’s Intentions
- Consecration Renewal in Union with Holy Father’s Entrustment of the World and Millenium to the Immaculate Heart of Mary

Jesus and Blessed Mother are here all in white. Beams of light radiated from Their Hearts, and there is a large rosary framing Them. Blessed Mother says: “All praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, We have come from Heaven to thank you for your concerted effort in prayer over this last week. It is through the Rosary you will be bound closely to the Immaculate Heart of My Mother. And it is through the Rosary you will be led deeper into Divine Love. Always remember, My brothers and sisters, that prayer changes things. Tonight We are extending to you the Blessing of Our United Hearts.”

October 8, 2000
Conversation with Divine Love

“I am your Jesus, born Incarnate. Child, come closer. Do not be afraid. I have called you from out of the womb to fulfill this mission. In the world today there is much poverty. I speak not just of physical need, but of spiritual poverty. The body that does not receive the proper nourishment withers and dies. So too, the soul that is spiritually weak will wither and die. Then understand, I have come to you to breathe life into the wilted spirit of the world.”

“To some, My provision has been more than they need, but these disappoint Me in not giving of their surplus to those in need. Thus, when I give you spiritual gifts or insights, give them to the ones I put in your life.”

“I want to heal you of all concern for what others think. That is why I have called you away to be with Me today. That is why I asked you not to make excuses for your absence at the prayer center. There is a difference between pleasing others and worrying about others’ reactions. If you keep foremost in your heart pleasing Me, you will never be far from Me. What I give to you – be happy to share with others. This is all a big step in surrendering your own will.”

“Oh, how I will uplift you in this surrender!”

October 9, 2000
Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, it is the trusting heart that garners the greatest favor from Heaven. The one that trusts has spanned the bridge that crosses the abyss between Heaven and earth. He is able to come to Me with a simplistic prayer entrusting all things to the Divine Will of My Father.”

“Please make this known. We’re extending to you tonight the Blessing of Our United Hearts.”

October 11, 2000
Conversation with Divine Love

“I am your Jesus, born Incarnate. I have come to you today to speak about trust. The depth of your trust in Me is the proving ground of the depth of faith, hope, love, and humility in your heart. I look at the amount of trust in the heart as I consider each prayer petition. The petition steeped in the deepest trust is the one

surrendered completely to Me. This is the most worthy petition and the one I act upon with the fullness of My Grace and Mercy.”

“The proud heart is unable to offer Me such a prayer for such a heart trusts only in his own efforts. He looks to control each situation and seeks My assistance in this control. He is unwilling to surrender to the Divine Will and Divine Provision.”

“The proud heart hopes only within the confines of his own will – his wants and his needs. He cannot accept Heaven’s solution. Thus, he shows Me that he loves his own will more than Me. He has faith in his own plans and solutions – not in My Own. The proud heart trusts himself and lays divided before Me. Such a one is easily conquered by Satan.”

“This is why I place such great value on trust in Me. The soul’s trust is proof of his love for Me. It is the measure of his humility. It is the barometer of his faith and hope. The one who trusts in Me draws upon the greatest abundance of My Mercy and Love. Thus am I able to minister with the most attentive care to his needs.”

“Make this known.”

October 13, 2000
Second Friday Rosary Service to Pray for Priests

Jesus and St. John Vianney are here. St. John says, “All praise be to Jesus.” Jesus now disappears. St. John continues, “My brothers and sisters, a vocation is given at the time of conception. Thousands upon thousands of vocations have been lost because of the sin of abortion. Other vocations, even prelates, have lost their vocations because of their devotion to the world, the flesh, and the devil. You, my brothers and sisters must pray always that the vocations that are given at the time of conception grow to fruition under the mantle of our Most Blessed Mother. I’m extending to you my priestly blessing.”

October 14, 2000

“I am your Jesus, born Incarnate. There are many Chambers in My Heart of Hearts, all accessible through a surrender of your free will. It is impossible to surrender your will and not surrender to the cross. Human nature opposes the cross and would most like to avoid suffering.”

“But the one who desires to progress deep within My Heart must abandon himself to Me, pick up his cross and come after Me. The more the soul empties his heart of himself, the more I fill his heart.”

“This detachment or self-abandonment is the cross. All the while I await your ‘yes’ – your readiness to please Me. Place My needs ahead of everything else

and you will progress with great speed and ease through the Chambers of My Heart. I call each soul to this path. Few there are who respond.”

October 16, 2000

Jesus, Blessed Virgin Mary, and St. Margaret Mary Alacoque appear. Blessed Mother and St. Margaret Mary say, “Praise be to Jesus.” Jesus says, “I am your Jesus, born Incarnate.” Blessed Mother says: “Now we have come full circle.”

Jesus: “I have come to explain to you the completeness of the revelation revealed through you. All of what Heaven would reveal began with the Key to the Immaculate Heart of Mary – the prayer to Mary Protectress of the Faith. This simple prayer admits the soul into the first Chamber of Our United Hearts, which is the Immaculate Heart of Mary. With faith protected and Satan laid waste, the soul opens his heart to Holy Love – the first Chamber of the United Hearts.”

“One year ago I revealed to you the inner Chambers of My Sacred Heart, which is the completion of the United Hearts revelation and the spiritual journey towards perfection.”

“The key to the innermost Chambers of My Heart is trustful surrender. Without this, the soul cannot come deeper into My Heart of Hearts. Therefore, see that the depth of trust in the heart is also the depth of holiness. The soul that does not love Me cannot trust Me. The soul that does not trust Me cannot surrender his will to Me. It is that simple and that complex.”

“Once I said to you that you see trust as a ‘sometimes thing’. Your trust must be always – amidst conflict and victory. Trust Me no matter what. I am God. There is nothing that befalls you that I am not aware of. All things turn to good for those who love Me. (Romans Chapter 8). Even in the cross is My victory.”

“Acceptance of the cross and acceptance of God’s Will are one in the same. But you can accept neither of these if you do not love Me, trust Me and surrender your will to Me.”

“My plans are beyond your own, My Father’s Will for you higher than you can imagine. When you trustingly surrender to Me, We can work together. It is then I take you deepest into the Chambers of My Heart and your weakness is transformed by My strength.”

“Yes, your trust is everything. It is a reflection of your innermost being.”

“Please make this known.”

October 18, 2000

I [Maureen] was thinking of an errand I kept forgetting to do. Jesus said, "Wait a little bit. Do not let these things fill you up. Let Me be your portion. I am the Way and the Truth and the Life. Everything you need will be given you. But the center of your being needs to be given to Me. Only then will you find true peace. Only then through union with the Divine Will shall you discover the Kingdom of God within. When the Will of My Father consumes your heart then shall you partake and share the Kingdom of His Will – the fifth Chamber."

"Today you see the beauty of His Will all around you in the autumn colors. If His beauty in nature is such, consider the ultimate beauty He desires to share with each soul – the beauty of the Kingdom of His Will. Such depth of beauty cannot be painted in nature nor replicated by any artist, for it is Divine – Divine Love. You cannot know the brilliance of this Love until you possess it and it possesses you."

"Perhaps I have led you into a deeper understanding of this call to all mankind. It is a journey beyond all others – this path into Our United Hearts. It must be pursued within the heart and by means of surrender of the human will. For the fall colors will fade, the leaves themselves wither and die. One thing is constant – God's Love and God's Will. Therefore let these eternal beauties rest in your heart."

"Make these things known."

October 20, 2000

"I am your Jesus, born Incarnate. My messenger, record these words. The United Hearts revelation represents the complete spiritual journey from the first moment of conversion of heart to complete union with the Divine Will of God."

"My Mother's Immaculate Heart is Holy Love, which is the two great commandments – love God above all else and your neighbor as yourself. When the soul begins to live these commandments in his own heart, he has taken the first step – that of conversion. He is in the first Chamber of Our United Hearts – the Immaculate Heart of My Mother. The key to entering this Chamber undaunted is the invocation to Mary, Protectress of the Faith. When My Mother is so invoked, Satan takes flight."

"The subsequent Chambers on this journey towards perfect union to the Divine Will are all within My Sacred Heart, which is Divine Love. My Mother's Heart is the Gateway to the New Jerusalem. My Heart is the New Jerusalem."

"My grace is attendant to and in perfect proportion with the soul's efforts to pass through the Chambers of My Heart. The second Chamber represents pursuit of

holiness; the third, perfection in virtue; the fourth, conformity to the Divine Will; and the fifth, unity with the Divine Will.”

“All this I give to humanity as a teaching in the spiritual life. I desire you make it known.”

Jesus is here with His Heart exposed. He says, “I am your Jesus, born Incarnate. I have come to invite you to move deeper into My Heart. This is only possible when you love more. To love more, you must forgive and be reconciled with everyone. You must surrender to Me every burden and petition. How I love it when souls trust Me! I desire that you come deep, deep into the Chambers of My Heart and thus will I bless you with My Blessing of Divine Love.”

Jesus is here with His Heart exposed. He says, “I am your Jesus, born Incarnate. My brothers and sisters, the depth of Holy Love in your hearts determines the depth of every virtue, for every virtue must be clothed in love. Love indeed is the greatest and the only eternal virtue. Therefore, pursue it with your whole heart. Tonight I’m extending to you the Blessing of Divine Love.”

Fourth Sunday Service to Pray for Unbelievers

[Our Lady asked that we pray today for the intention that God’s Will be done in the upcoming election]

Jesus is here with His Heart exposed. He says, “I am your Jesus, born Incarnate. My brothers and sisters, if you are cooperating with the grace given at this site and through this mission, your consciences will be formed in the truth of Holy Love. If your consciences are thus formed, so too shall your opinions be formed in truth and love. Then you will see that the only issue of account in this election which is upcoming is that of abortion. And if your conscience is formed in truth, you will realize that there is only one vote that you can cast and that is for life. I’m extending to you My Blessing of Divine Love.”

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, come to Me with your every burden and petition and lay them upon the altar of My Heart with faith, hope, love, humility, and trust. You will find when you surrender these things to Me that they are quickly resolved in the Will of God. Tonight We are extending to you the Blessing of Our United Hearts."

Thank you, My little lambs, for your sacrifices, for your prayers. Let your petitions come to stay in My Heart. Depend on My provision and My protection. I extend to you My Blessing of Divine Love."

October 24, 2000

"I am your Jesus, born Incarnate. I invite you to understand that trust is like a ship on a stormy sea. If the skill of the seaman works in cooperation with the wind and waves, he can guide the ship safely to port. The sailor represents the soul struggling to trust in Me. The wind and waves are doubts and self love which lead to fear and trust in self. When they are surrendered to Me through love and trust, I can take charge of each problem and bring good of it."

"Make it known."

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate. My little lambs, I have brought you here today to receive this message - this way into the depths of My Eternal Heart. Now I need your trustful surrender, your will, your hearts. I extend to you the Blessing of Divine Love."

October 30, 2000

Jesus comes with His Heart exposed. He says, "I am your Jesus, born Incarnate." He has with Him Kateri Tekawitha. She says, "Praise be to Jesus."

Jesus: "In her day, this Indian maiden had to stand up against pagan practices in a pagan society. This took much courage and conviction of heart."

"Today, I am beseeching all who are listening to stand with the same courage and conviction against abortion in this upcoming election. Abortion is paganistic. It has nothing to do with the law of love that I gave you – love God above all else and your neighbor as yourself. No – only a compromised heart and a false

conscience could believe otherwise. Therefore, be certain that in this election you will be voting for or against sin.”

“I have told you that what is in hearts is also in the world around you. That is how the conscience of the people becomes the conscience or heart of the whole nation, through its elected officials. If the legislators are morally corrupt, the laws will follow suit.”

“You should not vote for economic security that can only come to you through God’s favor anyway. Let your choice embrace righteousness and My favor will rest upon you.”

“Often Satan hides the truth from you and deceives you so that you cannot tell right from wrong. Today, I have laid bare the truth. Choose it.”

October 30, 2000

“I am your Jesus, born Incarnate. I have come to discuss with you the difference between holy perfection and being a perfectionist. The one who seeks to be perfected in the virtues does so out of love of Me. The one who seeks perfectionism in the worldly sense has created a barrier between My Heart and his own.”

“To desire holiness and perfection in the virtues is a lofty goal provided the only concern is to please God. Such a one does not concern himself for worldly esteem. He is at peace - cooperating with the Divine Will of My Father.”

“The worldly perfectionist is greatly concerned with the way others perceive him. If he should make a mistake, he is quick to make excuses and blame others. It is difficult for such a one to acknowledge his own error. The perfectionist is not content with looking into his own heart, but he can readily see the errors of all those around him.”

“While the one who tries to be perfected in virtue loses his own will in the Will of God – the perfectionist is full of opinions which he cannot let go of readily. The perfectionist most often has himself at the center of his thoughts and motives, while the one who seeks perfection in the virtues tries to always have love of God at the center of his thoughts, words and actions.”

“The perfectionist has trouble forgiving both himself and others. But Holy Love always makes allowances. In humility the soul must forgive and understand that human forgiveness is a mirror of the soul’s humility and a shadow of God’s infinite Mercy.”

“Make it known.”

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My dear brothers and sisters, no one among you can discover the Kingdom of God within, which is the fifth Chamber, until you first discover your own faults and failings. Therefore, understand that such self-knowledge is My grace in action and My Love for you. We're blessing you with Our Blessing of the United Hearts."

Conversation with Divine Love

"I am your Jesus, born Incarnate. Dear child, when you meditate on My Passion the fairness of My Father's Mercy pours out in abundance upon humanity. I am then able to draw closer to souls who do not know Me or recognize Me."

"My Father's plan – His Will – is eternal and always at work in the world. It goes unacknowledged and unacclaimed by most, but never departs from its course."

"When you meditate therefore on My Blessed Passion, you bring it to life. You are Veronica wiping My Face. You are Simon helping Me to carry the Cross. You are standing with My Mother at the foot of the Cross, consoling Her. You are affirming the Divine Will in the world."

If you will do this, I will take dominion over your hearts in the present moment. I'm extending to you tonight the Blessing of My Divine Love."

November 4, 2000

"I am your Jesus, born Incarnate. When you pray do not seek My assistance in your own plans. Surrender every person and situation to Me and leave the plan to Me. Do not look to any certain outcome, but allow Me to choose every outcome to your prayers. I know what you want. Be open to what I want, and the way I choose each grace for you. This is the essence of trust in My Divine Provision."

"Then tell Me that you love Me."

MONTHLY MESSAGE TO ALL NATIONS

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "All praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. The message I have imparted to you – the mission I have given you – impose a spirituality which dictates the moral issues you should support in any election. Therefore, see that the Commandments of love dictate that you support life."

"I have come to solemnly repeat to you that America stands at a crossroads. One path leads to Mercy, and the other Justice. The choice will be deliberate and decided in the upcoming election."

"Yours is a nation given many graces, bountiful resources, and immense opportunities. Yet it as a whole has regurgitated much of what God has given in His generosity in its decision to execute it's own young."

"For 100 years the cup of My Justice has been spilling over. It is only through the intercession of the Immaculate Heart of My Mother it has been stopped. Do not add further insult to Our Hearts already wounded by so many assaults."

"My brothers and sisters, I desire that your nation be a sign to all nations, as one who has changed its stand on abortion. Therefore, when you go to the polls this week do not vote according to political party or personality or stance on economy, but look at how each candidate stands on life. Choose life and you will choose great favors upon your nation."

"America! Do not be indifferent to Heaven's plea. Vote for life for this is the only path of grace left open to you."

"We extend to you today the Blessing of Our United Hearts."

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, tonight I want you to solemnly realize that it is not each candidate whose victory is being challenged in your presidential race. It is your democratic process that is being challenged. This is so because Satan has his fingers on the heartbeat of America. Continue to pray that the Divine Will be done, and that this confusion, that only comes from Satan, [will] pass. I'm praying with you and We are extending to you tonight the Blessing of Our United Hearts."

November 14, 2000
Conversation with Divine Love

"I am your Jesus, born Incarnate. My messenger, the focus of the United Hearts revelation is personal conversion in the present moment. Yes, moment-to-moment conversion. The person who claims, 'I am converted. I am holy.' has taken little stock of what is in his heart. The one truly committed to this message sees clearly his flaws and lack of virtue. For it is only in light of this knowledge he

is able to increase in holiness, surrender with a greater effort all weaknesses, and advance in the Chambers of My Heart."

"I am little consoled by the self-satisfied. These are the ones who identify error in others hearts, but are blinded by pride as to their own errors."

"My consolation is in the humble-hearted. Such a one prays to console Me, not because he desires consolation. He does not try to impress others with his holiness. All grace that passes between My Heart and his remains between us."

"I wait for such as these to come to Me. Lonely hours I stand vigil in the tabernacle amidst empty churches. Most who come to see Me carry with them long lists of petitions that they tell Me about, but never give to Me. And so, I listen and watch, but I am unconsolated. You have had pity on Me today and have soothed My Heart. And so, I confide to you My petition - that all of mankind surrender to the spirituality of the United Hearts revelation. You will please make this known."

November 17, 2000

"I am your Jesus, born Incarnate. My sister, all of this confusion that has come into hearts concerning this presidential election has been brought on by evil that seeks to destroy confidence in your democratic system of government. This is so, for Satan seeks to make a new form of government look more appealing. You know in your heart I refer to a one world government – the new world order."

"Keep your eyes fixed on My Heart of Love whose reign has already come into the world through the revelation of the United Hearts. Do not be confused by false promises of wealth or peace. Your wealth is Divine Love, as well, your peace. See that I am raising up a royal nation amidst chaos and confusion, a nation whose power comes from above and whose bylaw is righteousness. You will make it known."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, once again I have come to help you realize that your nation is embroiled in a battle, good against evil. Do not lose heart, but continue to pray for the victory of righteousness over that of sin and error. And I will bless you with My Blessing of Divine Love."

Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, the ongoing battle over your presidential election results is an example of the ongoing battle between the Eternal Father's Divine Will and the free will of mankind. My Father's Will is unchanging and eternal, and will not be compromised by the opinions of others. In a similar way, you must not allow your views to be compromised. Continue to pray for life to be victorious over death. And I'm extending to you My Blessing of Divine Love."

Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother said: "All praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, do not be worn down by the length of this battle between good and evil in your country, for this is certainly Satan's design upon your hearts. Rather, persevere in righteousness and pray that life is victorious. I am praying with you and for you. We will bless you together now with the Blessing of the United Hearts."

November 20, 2000

"I am your Jesus, born Incarnate. Great, great is My Love for the one who trusts in Me! Profound the depth of My Love for such a one! The one who trusts Me calls down upon himself the fullness of My Provision, the abundance of My grace."

November 24, 2000
Friday Rosary Service

Jesus is here with 20 to 30 angels all around Him. His Heart is exposed. He says, "I am your Jesus, born Incarnate - Divine Love, Divine Mercy. My brothers and sisters, so much I desire that you become living examples of the Divine Will in the world by living the Holy Love message. I will assist you and all the angels that have come with Me tonight will assist you. Tonight I'm extending to you the Blessing of My Divine Love."

November 25, 2000
Conversation with Divine Love

"I am your Jesus, born Incarnate. You have had many distractions in your life which you chose instead of Me. But I have come so that you may know that nothing befalls you that I am unaware of. The Flame of My Heart stands ready to

consume every burden and petition and reduce it to ashes. Thus do I present them to My Father. In such a humble state His Will is meted out upon them. Therefore, do not dwell on that which My Heart has already consumed."

"Allow Me to take dominion over your heart and with burning love envelop your soul. I am unable to reach most hearts in such a way or to even express My desire to do so. You, My child, must make known this passion of My Heart – the passion I long to show all humanity."

"The battle your country is engaged in over votes is representative of the battle that is waged each day and every moment in every heart. I speak of the battle between good and evil. As in this election, most people do not see the opponents as good versus evil, but see issues as an end in themselves. Every decision is based on good versus evil. Holy Love is the means by which you discover good and see that which is evil. To the undiscerning this is not easy. Values often become ambiguous due to self will and inordinate self love. But the Flame of My Mother's Heart which is Holy Love lays all bare."

"Now I will bless you with My Blessing of Divine Love."

Saturday MSHL Rosary Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, allow your hearts to become fountains of Holy Love overflowing onto a love-parched world. Thus I am preparing the world for My Return, through this message of Love. We extend to you tonight the Blessing of Our United Hearts."

November 26, 2000
Conversation with Divine Love

"I am your Jesus, born Incarnate. Child, understand that Holy Love is much like a symphony. A symphony requires the performance of many instruments to make up the whole. In Holy Love, the soul must try to perfect himself in many virtues in order to come into the bosom of the virtue of Holy Love."

"I have asked of you martyrdom – to be a martyr of love – and this is what martyrdom is: complete dying to self for love of God. You cannot achieve this on your own merit, but only with My help. It is selfish love that detracts from every virtue. Do not be distraught when I try to show you the areas of self love in your heart, for I desire your purest effort. It is then I can succeed through you. Remember, you have not chosen this mission on your own. Rather, I have called you and you have responded. You ask how I desire that your response be more

complete. I am showing you. Do not back away in discouragement as I reveal areas of weakness in your heart, but move forward with Me. I will help you overcome each flaw, for your perfection is in Me and through Me – just as this mission is in Me and through Me."

"Great is My Love for those who allow Me to assist them! Great is My joy!"

November 27, 2000

"I am your Jesus, born Incarnate, Lord of Mercy and Love. I have come to help you understand that a symphony is only sweet when each instrument is played to perfection. So too, Holy Love in the heart does not reach its fullness until the virtues are practiced in their perfection. The human heart is incapable of perfect love or perfect virtue by his own efforts, but it is capable of purifying its efforts in the virtues through My grace."

"Therefore, the orchestration of the heart's efforts in holiness are in harmony with perfection (which is God's Will) when he cooperates with grace which leads him to be more and more perfect. Such efforts rise to Heaven as a sweet symphony of surrender. It is chanted throughout Heaven by all the angels. Then it rises to the nostrils of the Eternal Father as a fragrant incense. So sweet to Heaven are the soul's efforts in holiness through grace. Make it known."

November 27, 2000

"I have come to help you understand the action of grace in your life. I am Jesus, born Incarnate. Grace is much like the fuel you put in your car. The fuel is necessary in order for the car to move forward. Grace acts in a similar way in the soul. Grace is the means by which the soul moves forward spiritually."

"Or, grace can be likened to the breeze that lifts a bird up in flight. The bird must use its wings in order for the breeze to assist him. The soul must make the effort to use the grace afforded him or it will be wasted."

"All good comes to you by your efforts and My grace."

**Monday United Hearts Confraternity Service
Feast of the Miraculous Medal**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, the grace of the present moment is God's Will for you. Often this grace comes clothed as a cross. But if you persevere, the golden rays of grace will become more evident."

Grace is what assists you in carrying every cross in every present moment. Tonight, My brothers and sisters, We're Blessing you with the Blessing of Our United Hearts."

**December 1, 2000
Friday Rosary Service**

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, how I long with a yearning Heart that every heart be purified in the Flame of Divine Love that is My Heart! Then there would be no more insult, injury, duplicity or deceit. Every heart would beat in unison with the Divine Will of My Heavenly Father. There would be peace and harmony all over the earth, and I would take up My reign in every heart. Pray for this, My dear brothers and sisters. Pray for this and I will bless you with My Blessing of Divine Love."

**December 2, 2000
Conversation with Divine Love**

"I am Jesus, born Incarnate. I have come to help you understand what it is to be in union with the Will of My Father – that is, dwelling in the fifth Chamber of My Heart."

"My Mother gave Her fiat easily for She dwelt in union with My Father's Will. In the Garden at Gethsemane, I was able to submit to the Divine Will even though I knew every detail of what awaited Me. That is why I did not call the angels to defend Me. That is why I did not come down from the Cross."

"To live this way is to accept all things as from the Hands of God. See, then, the depth of love and humility this requires. The soul is thus able to focus only on the Will of God amidst the greatest trials, and never upon himself. How few there are who are capable of this, that they allow the Flame of Divine Love to devour any semblance of selfishness."

**December 2, 2000
Saturday MSHL Rosary Service**

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, I wish to lead all humanity deep into the recesses of My Divine Heart through this message of love. You can help by carrying the message into the world around you and sharing it with others. Be the message, My brothers and sisters, so that I can be victorious and take My dominion over every heart. Tonight I'm extending to you the Blessing of My Divine Love."

December 4, 2000
Conversation with Divine Love

"I am your Jesus, born Incarnate. My sister, as you contemplate My birth in the manger, consider the simplicity of this birth. I came not in grandeur nor crowned and robed in glory, but in the humblest of settings. Indeed, a setting so obscure that only the enlightened were able to recognize My Presence."

"Such is My Presence in the Holy Eucharist as well. To the unenlightened – a piece of bread. But to the enlightened – My Body, Blood, Soul and Divinity. You understand My Real Presence as the Flame of Divine Love – the Flame that longs to consume the heart of the world. Imprisoned within this humble and unassuming vesture of bread lies the Majesty of Divine Love."

"Your mission – the mission of Holy and Divine Love – is to influence the free will of mankind to come into the Chambers of My Heart. Yes, this is your mission to make this known."

"The Chambers of My Heart yawn before you – open to believers and unbelievers alike. The abyss between believing and disbelieving is comprised of man's free will."

Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, this message of Holy and Divine Love is not for a few or for some, but for all. So it is, I invite all people and every nation to come into the Divine Will of My Eternal Father through the Chambers of My Sacred Heart. You will please make this known. We're extending to you tonight the Blessing of Our United Hearts."

December 5, 2000
Monthly Message to All People and All Nations

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus of Mercy, born Incarnate. I have come to help your nation understand what is taking place in its midst and all around it. Your nation has been like a ship on a stormy sea. All around her the storm of controversy raged, pitching the vulnerable ship first one way, then another. As this began, I lay asleep in the bow [of the ship]. But when the storm became apparent and

gathered strength, I was awakened through the power of prayer and the outcry of the righteous."

"Now I stand erect – My Hand raised to calm the storm and quell the fears of those aboard this ship [this nation]. For every element of nature falls under My domain, and prayer is the force that awakens My power to change hearts and so too the world."

"In this election the face of Satan was revealed. He did not want peace, but controversy. He did not want unity, but division. He did not want life, but death. Only the unwise could miss seeing this. But in his efforts to conquer, he united the righteous and he himself will suffer defeat."

"Trust in the power of prayer, for in it lies the victory of Our United Hearts."

"My brothers and sisters, every ship needs an anchor, so too every nation and each heart needs a firm foundation of Holy Love. My prayer is that all hearts open to this message of Holy Love and that it reaches the farthest corners of the earth."

"Just after midnight on December 12th I am sending My Mother where she will appear at Her Lake of Tears and speak once again to all people and all nations. And so today We are blessing you with Our Blessing of the United Hearts."

December 7, 2000

"I am your Jesus, born Incarnate. I have come to help you understand the angels. The word 'angels' means messenger. But angels are more than that. There are nine choirs of angels, each one carrying its' own charism. But the sole purpose of each angel is to execute the Will of God. When they are sent to earth it is to facilitate God's Will in the world. Every angel bears the Flame of Divine Love around him."

"The guardian angels are from the ninth choir of angels. Their purpose is to help the soul in their charge reach Heaven. It is these angels that speak to the conscience, trying to inspire the soul to do the Will of God. If you could see the multitude of angels around you every day you would be astounded."

"At Holy Mass the angels take up every available space. When the Sacred Species is exposed for adoration, the angels are from floor to ceiling. My Mother, Queen of the Holy Angels, is always present during adoration."

"It is My Mother Who directs each angel as to his duties, sends them on errands of mercy, and accounts for the grace they will tender."

"Sometimes the angels take on human form, but only when it is God's Will. He allows this when it is necessary to accomplish the mission they are given."

"The angels given to souls on the property are additional guardian angels. But if the soul who comes has a specific mission to fulfill for God, He may be given more angels or angels from a higher choir."

"Today, the Archangel Michael stands guard over this mission of Holy and Divine Love protecting it from marauders no matter their function in life. He is not fooled by duplicity or intellectualism. He is the one who reveals every threat to you."

"And so, I have given you more knowledge about these pure, Heavenly spirits. Use the angels as your messengers of good will. They await eagerly your call."

Feast of the Immaculate Conception
Second Friday Service to Pray for Priests

Jesus and Blessed Mother are here, and the Cure d'Ars is in front of them. Their Hearts are exposed and Blessed Mother is seated on a throne in white and gold. Blessed Mother and the Cure say, "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, you must place your country under the shield of the Immaculate Conception, for you see the battle continues to be waged between good and evil. I desire that you understand that as this battle is fought so prominently in the media, the battle between good and evil in the hearts of the priests is double this. Therefore, you must continue to support your priests with the golden chain of your rosaries, which helps them to decide between good and evil in their hearts. We're extending to you tonight the Blessing of Our United Hearts."

Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, each time I come to you, it is to help you love more. In order to love with a greater and deeper love, you must accept all things as from the Hand of God. This way your hearts will always be at peace. Tonight I'm blessing you with My Blessing of Divine Love."

December 10, 2000

"I am your Jesus, born Incarnate. Understand that all things are God's Will, and God's Will is in all things. Accept your moment-to-moment crosses, for in every Cross is My Victory. I will bless you with My Blessing of Divine Love."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, I have come to invite each one of you into the Chambers of My Heart through this message of Holy and Divine Love. Feast of Our Lady of Guadalupe
Midnight Rosary Service at the Lake of Tears

Blessed Mother is here as Our Lady of Guadalupe. She says: "Praise be to Jesus. My dear, dear little children, I come to you tonight because I love you and I desire your good, your salvation. Surrender then to My message of Holy Love and allow Me to lead you into the Heart of My Most Beloved Son. Heaven weeps for those who have not been reconciled with God and who through their own will have formed an abyss between themselves and Heaven."

"Understand, My children, that just as the wind races by you tonight, [50-60 mph winds] so too the present moment is fleeting. The present moment is your opportunity to become saints, to become holy."

"Tonight, My dearest children, I am taking all your petitions to Heaven with Me, and I am blessing you with My Blessing of Holy Love."

December 12, 2000
Feast of Our Lady of Guadalupe
This message was given in three parts

Our Lady comes as Our Lady of Guadalupe. She says, "All praise be to Jesus. I have come to you today vested under this title as I came hundreds of years ago, to put an end to the pagan sacrifice of human life. If your country would lead the world out of the darkness of abortion, God would bless it and show His Favor upon it. Once again your nation would regain prestige as a just and righteous nation under God – a leader to be trusted amongst all nations."

"Partial reversal of this heinous practice of abortion is a compromise, just as a person cannot surrender part of his heart to God and give the other part over to mortal sin. Therefore, never be satisfied with half measures."

"The wind of change is blowing across the face of the world. But like so many compromises it will not be recognized at first for what it is."

"Did you enjoy the light show this morning at My Shrine?" [Just after midnight.]

Maureen: "Yes."

"The celestial lights were a sign to you that I desire to illuminate every heart with the Flame of Holy Love. This little mission which was planted in your heart so many years ago is about to reach maturity."

"My little daughter, understand how I long to fill each heart with the certainty of this message, for it is the fullness of salvation. Your mission will continue, but with renewed impetus. This message of love is the last and lasting truth the heart must embrace in order to attain salvation."

"What grace was given last night was for believers, doubters, and unbelievers. As astounding as the celestial signs were, more astounding is the message of Holy and Divine Love. It is a lasting and enduring sign."

"Please tell the people who come to the site today that My grace has not left them, nor has it left the property. When they are given miracles of grace, be it photographs, healings, or signs and wonders, it is a sign that My Son and I are present at this site and the message is real. Just as the statues take on human form, the message 'comes alive' when hearts surrender to it. Make this known."

"My dear, dear children, I have come to tell you that in you and through you I am raising up a holy remnant of faithful, a remnant nation of souls consecrated to Holy and Divine Love."

"Yesterday I poured out My Heart upon you. Today I tell you I am taking every supplication from all your hearts to Heaven with Me, and I am blessing you with My Blessing of Holy Love."

Note: Our Lady also indicated to Maureen that the next time She will appear and speak to all people and all nations will be at midnight between the Feast of the Sacred Heart and the Immaculate Heart in June of 2001. Jesus, of course, will continue to give monthly messages to all people and all nations.

December 15, 2000
Friday Rosary Service

Jesus is here with His Heart exposed. He says, 'I am your Jesus, born Incarnate. My brothers and sisters, I come to you so that you might have life, and have it to the fullest through this message of love. I desire not only your salvation, but your

holiness and your sanctity. Therefore, follow Me with your whole heart. I'm extending to you tonight My Blessing of Divine Love."

December 16, 2000

"I am your Jesus, born Incarnate. Self love is the anchor that ties the soul down and holds it in place, rather than freeing it and allowing it to advance and to come deep into the Chambers of My Heart."

"Self love is a false master and a doorway to confusion, while Holy Love centers the spirit on eternity. No worldly attachment is eternal, but the love of God and neighbor is everlasting. The soul can strip himself of possessions, but still not be living in Holy Love if he clings to his own will. It is better to surrender your own will first, and then the things you sacrifice are worthy in My Eyes."

"Trust in this formula and make it known."

December 16, 2000
Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, I have come to remind you that Divine Love was born not in a palace as a King, but in the humble setting of a manger. Therefore, My brothers and sisters, make of your hearts simple and humble dwellings so that when you receive Me – Body, Blood, Soul and Divinity – on Christmas, I will find a proper resting place in your hearts. I am blessing you with My Blessing of Divine Love."

December 18, 2000
Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, tonight I invite you to come into Our United Hearts through the simplicity of the Nativity scene. Consider My simplicity in My birth amongst the animals in the manger. Consider My humility, and be drawn up the ladder – the stairway – of holiness. It is in this way you will come deeper into My Heart of Hearts, and into union with the Eternal Father. Tonight We're blessing you with the Blessing of Our United Hearts."

December 20, 2000

"I am your Jesus, born Incarnate. Today, you see Infinite Love, Infinite Mercy before you. How I long to fill the world with this Love and Mercy through this message of Holy and Divine Love!"

"You have refurbished a statue at home – Her face very sad no matter your efforts. Leave it as such, for it is a reflection of a Sorrowing Mother's Heart. Her face is an invitation to pray more, to sacrifice more, to love more. Each time you see it, remember this. An impoverished heart is one that does not know love, does not know Me. The wealth I wish you to spread is this message. I will assist you. I will bless you."

December 25, 2000
CHRISTMAS MESSAGE TO THE WORLD

"I am your Jesus, born Incarnate. Tonight I have come to tell you that I have ransomed the Chambers of My Heart towards the peace of the world. Yes, I have willingly revealed these Chambers and Their access so that mankind may find the way to his salvation, holiness, and sanctity."

"Because My Heart is pure Love, and because there can be no peace outside of love, you must understand that the inner recesses of My Heart hold the solution that eludes the world. I gladly and willingly share every fiber of My Heart with anyone who will surrender to My Call. Oh, that each one would surrender! Then I could cleanse every heart of compromise."

"But to the worldly-wise, 'truth' is painful. Love reveals all truth. Love shows forth iniquity in its Flame that burns eternal. For to come into the recesses of My Heart the soul must forsake its self-centeredness and bring Me to the center of its heart and life."

"This is the only long-lasting peace. Make it known."

December 28, 2000

"I am your Jesus, born Incarnate. My messenger, to you and through you I have opened the door to the innermost Chambers of My Heart. You must know and help others to comprehend that the only way to progress through these Chambers is through a deepening awareness of self – that is becoming aware of the flavor within your own soul contrary to Holy and Divine Love. This takes honesty and courage. If a person cannot accept that he has an area in his heart that is not perfected in love, then he cannot repair the error either."

"Recently, My Mother told you to take the many chores you needed to do around the house little by little. After the holidays and your illness, they had piled up. She said do not attempt to get them done in one day, but to take several days and accomplish a little at a time. It is the same with a spiritual housecleaning. The areas of pride in your soul need to be overcome little by little. It is easy to feel overwhelmed if you look at all the spiritual cleansing your soul needs. But you are not cleaning the household of your soul alone. I will help you. No one becomes humble or forgiving in thought only and is genuinely humble – forgiving."

"I have to work in the heart for true humility to take root. But just as the soul cannot accomplish this virtue alone, I cannot put humility in the heart without the soul's assistance. The soul with courage has to admit where his house needs to be cleaned, where is pride winning out. Then he and I can together conquer the pride."

"So many are unwilling to even look for the dusty areas of their heart. It is a painful discovery to some to first realize their own imperfections. But I will sustain them if they would only be humble enough to ask. Even with My assistance, they need courage to recognize and overcome Satan who tries to convince them they are fine as is."

"So I have come to ask you to pray for those who desire to advance into My Heart but refuse the path of spiritual cleansing."

December 30, 2000
Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, I have come to help you comprehend that this journey into the depths of the Chambers of My Heart is strewn with obstacles for the one who will not surrender his own will. Such a one is given to pride and self love, and unwilling to look at his own faults and areas of weakness. But I come to help all, and I pray for those who will not surrender to Me that inordinate self love. For who among you is perfect? Tonight I'm blessing you with My Blessing of Divine Love."

December 31, 2000
Rosary Service

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate. My brothers and sisters, we are on the threshold of a new year, therefore I ask you to surrender the last twelve months to the Blood and Water that flows from My Divine Heart, Divine Mercy. Surrender the upcoming twelve months to My Heart of Divine Love with the resolve to come deeper into the Chambers of My Heart by living these messages of Holy and Divine Love. Pray against the

aggression that remains in hearts around the world. I'm extending to you tonight My Blessing of Divine Love."
