**January 3, 1998**

Our Lady comes in blue and white. She says: "Praise be Jesus, Son of the Eternal Father. My angel, put this down as a morning consecration to My Spouse.

***Most Holy Spirit, I consecrate to You this day in time. Open my heart to Your promptings. Inspire me to do the Divine Will of God. Amen.***

When you begin the day in such a way, the Holy Spirit will be with you and guide you. You will not fear any consequence of the day as you will be under His protection."

**January 3, 1998**

"My daughter, the greatest error in hearts today is that everything depends on and proceeds from the efforts of man. This has led mankind away from trust in God and away from holiness. People do not see God's hand in nature, nor the role He needs to assume in human relationships and world politics as well. Many in the Church depend on their own ambition instead of grace. I am coming to you to recall hearts to Holy Love, a Love for which they were formed in the Will of God. Because this is vital, I continue to come to you, whereas in other areas of the world my public apparitions have ceased."

"The thrust of My call to you, the Holy Love message, is one that must be heard. Therefore you must represent Me - and your husband as well - near and far. Do not be mindful of opposition. My grace will decide for many what is truth. Be joyful and at peace."

"I am blessing you. I love you both."

**January 5, 1998  
Monday Praise Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be Jesus."

Jesus says: "My brothers and sisters, My dear friends, take up your repose in My Heart of Hearts. For through My mercy, My love, you can find a solution to every problem. I come to you in this moment of time through great grace and the Will of the Heavenly Father. I am calling you to perfection. In Me you will find your every need."

The United Hearts Blessing is now being given.

---

**January 8, 1998**

Blessed Mother is here as Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now for all those who do not love."

"Dear children, tonight, if you will allow Me, I desire to take you deep into My Heart. This place in My Heart is Holy Trust which opens the door to a union with God. All that lies between you from trust are the obstacles you place before yourselves to perfection in Holy Love. These comprise attachments to people, things, and certain life situations. I have come to help you and to lead you past every obstacle."

"Tonight I am blessing you with My Blessing of Holy Love."

---

**January 11, 1998  
Sunday Prayer Service Against Abortion**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, pray with Me now for all those who embrace abortion."

"My dearest children, I embrace your hearts as you embrace Me. I am calling you to be the conversion of all those who doubt and who stand as obstacles in the way of belief. The time is short. Let your own heart be converted. Produce the fruit of conversion in the hearts of those around you. I am here for all people, all nations during this apocalyptic age; and I am blessing you."

**January 12, 1998  
Monthly Message to all Nations**

Due to its length, this message was received in several parts.

Blessed Mother is here as Our Lady of Guadalupe. She says: "Praise be Jesus. Ask the people to pray with Me now for the lukewarm."

"My daughter, I have come to speak to all nations, all people. Today, and in these times, the greatest error in hearts is trust in counterfeit gods. These are the gods of power, control, money, and the like. Worship of these gods leads the soul into false peace and false security. True peace comes when the soul ceases trying to control the world around him and decides to control his inordinate appetites. This detachment leads to trust in God, true peace, true security. Such detachment is necessary in your embrace of Holy Love."

"Trust in human effort unfounded in God yields an impoverished harvest. Every concern of yours, if surrendered to My Heart, is less a burden and more of a grace. This surrender gives you more control than you could ever gain by hanging onto your concerns yourself. Neither in the world nor in human effort will your solutions be satisfying, only in surrender to Divine Providence. God's Provision comes to you through My Heart."

"Because the world concedes its future to false gods, justice must and will intervene. It is up to each heart now to find truth and reconciliation with God. I show you the path through Holy Love."

"Dear children, today I come to solemnly remind you that My Son has exhausted a plenitude of grace and mercy on your behalf. You must return His favor with your 'yes' to My Call. It is through your submission to Holy Love that evil will be conquered and My Victory will begin. I am calling you, My dear children, as never before."

"I come to share with the world the great exacerbation of My Son's patience and grace. His Divine Heart lies openly wounded, thrust by the sword of humanity's indifference."

"And now, I repeat to you once again; the salvation of the world is in the conformity to the Will of God. Once again I tell you that the way to accomplish the Divine Will is through Holy Love. Holy Love is the Will of God."

"Some are interested in My words to you only to be privy to the latest predictions of disasters. Yes, you will have disasters, My children, if My words to you go unheeded."

"The signs of Sodom and Gomorrah are over all the earth - abortion being the greatest symptom of man's disregard for the commandments."

"I do not come to threaten but to plead. Open your hearts, My children, to Holy Love. It is your last and only hope of reconciliation with your Creator."

Jesus is now with Blessed Mother. The United Hearts Blessing is now being given.

**January 15, 1998**

Our Lady comes as Our Lady of Lourdes. She says: "Praise be Jesus, Redeemer and King. I have a message for those in attendance in Boston."

"My children, My dear, dear children, I invite you to be part of My love. It is only through a loving heart you can live in the Divine Will and attain salvation. In Heaven, all is love, proceeds from love, and comes to love. Begin today to live in Holy Love. Support My message. Treasure My message. I am always with you, helping you with My grace. I will bless you."

---

**January 19, 1998**

Our Lady comes in gray and purple. She says: "Praise be Jesus, My angel. I have come to tell you that there is a connection between your visit and the miraculous cure. You must recall My telling you that I would take all the petitions that lie dormant in your heart to Heaven. Yes?"

Maureen: "Yes, Blessed Mother."

"Lying dormant in your heart is the conversion of all sinners and the needs of all your detractors and supporters. Therefore, I took her needs to My Son - hence the cure."

Maureen: "Blessed Mother, thank you."

"Once again I request their (those present at the Praise Service) loyalty to the Holy Love message. It is not that some falter in faith, but they lose the present moment to the past or to the future. Please, allow My Son to reign in this present moment."

**January 21, 1998**

**Anniversary of Our Lady Protectress of the Faith**

Our Lady comes as Protectress of the Faith. Her Heart is exposed. She says: "Praise be Jesus. How I had hoped to meet you here today. You recall well the day twelve years ago I introduced to you the Protectress of the Faith devotion. It was given to you at a time when the faith in the world around you was beginning to crumble. Now you see that the hour of My predilection was justified, for faith in hearts has been reduced to a glimmer through compromise and confusion. Jesus warned you then that not all would believe in My coming to you. Today, many consider My apparitions around the world fair game for rash judgment and detraction. While I do not say My children must believe under pain of sin,

similarly they must not rash judge or detract My messages anywhere under pain of sin. The commandments are still the commandments."

"Today I come to you under My title of Refuge of Holy Love. I invite you to see that Holy Love is a blueprint for your salvation. While many are saved who do not know Me under this title, it is impossible to attain salvation when you do not love God above all else and your neighbor as yourself - Holy Love. Living in Holy Love in the present moment is God's Holy and Divine Will; therefore, you see that the Protectress of the Faith and Refuge of Holy Love are together. I protect your faith in the Refuge of My Heart which is Holy Love."

"Because I am your all-caring Mother, I desire you solicit My protection and the Refuge of My Heart in the midst of all trials, confusion, and compromise."

"You will meet many challenges and face many new paths in this coming year. Remain close to My Son in the Eucharist. I will bless you."

---

**January 22, 1998**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Tonight I invite all of My children to pray with Me for the Holy Father, John Paul II." (John Paul II was in Cuba at the time.)

"Dear children, tonight, I invite you to realize that all nations that have legalized abortion have no future. This law, which has come to pass through Satan's inspiration, is claiming lives and souls on the right and on the left. I am asking you to be certain of the rudiments of your faith. Do not become confused or disheveled when those in authority over you have betrayed the magisterium of the Church. Tonight I am asking your continued prayers for My Holy Father and the Church. And I am blessing you with My Blessing of Holy Love."

---

**January 24, 1998  
Boston, MA**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, My dear, dear children, thank you for accepting My invitation to share this moment in time with Me. I have come to offer you the embrace of My Heart, which is Holy Love. Please accept My invitation to apostleship, and spread My message. My dear children, be My message of Holy Love. Today, I offer you My Blessing of Holy Love."

---

**January 25, 1998  
Danvers, MA (Mystical Rose Center for Peace)**

Our Lady is here as Refuge of Holy Love. She says: "Praise be Jesus. Dear children, I want to thank you for your prayerfulness and for your apostolic hearts."

I come to you today asking you to carry My message of Holy Love into the world. I want to embrace you in My Heart of Holy Love. Complete My mission amongst the souls that you meet. Bring to them the Justice of My Holy Love message. My dearest children, how I love there, how I love there. I am blessing you with My Blessing of Holy Love."

---

**January 26, 1998**  
**Praise Service**

Jesus and Blessed Mother are here. Our Lady says: "Praise be Jesus."

Jesus says: "My dear friends, tonight I have come seeking your understanding that the path to the Divine Will is Holy Love, for Holy Love is My Will. When you believe this deep in your hearts, I will give you an apostolic heart. Then it will be easy for you to evangelize each day to someone new." The United Hearts Blessing is now being given.

---

**January 28, 1998**

Our Lady comes before Me in a cloud. She says: "Praise be Jesus. Ah, at last you have come, although not fearlessly, for you know what is in My Heart. Once again I come to give all praise and honor to Jesus, My Jesus."

"Little child, the hour has grown late and the Arm of Justice heavy. How often have you heard the words 'The Blessed Mother is here' yet how many come? Today, My words to you have been repeated by Me over and over. I have led with success the few who have responded into the New Jerusalem which is Holy Love. Some are devoted to Me and to My message. Some once believed but allowed certain criteria to stand in the way. Others chose a different path."

"So that My children will understand the great urgency of My call, it is necessary that within this year, I step aside. I will no longer speak publicly after December 12<sup>th</sup> of this year. That will be My last message to all people - all nations." \*\*\*

"I will continue to confide to you personally and appear to you. Jesus will begin the messages to the public after December 12<sup>th</sup>. I will come with Him on Monday nights to offer with My Son the Blessing of the United Hearts, but I will not speak to the people. Some will photograph Me on the property following My last public message. Many phenomena will increase and continue."

"But, there will be no more messages for the people after December 12<sup>th</sup> from their Heavenly Mother."

"Jesus will speak to the crowds who assemble on Monday night, as He is now, but also on Thursday nights and Friday nights."

"My daughter, I am not leaving the site. I am always there. I am always in the midst of those who will pray. I am always with you as your Mother. Do not feel so sad, My angel."

"Nothing will change in your life. I must step aside in the eyes of the public. I must allow My Son to establish the Father's Kingdom on earth."

"I am blessing you."

\*\*\*This reference applies to this prayer site.

**January 29, 1998**

Tonight Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus." She is asking the people to pray with Her for all the needs of Her Heart.

"Dear children, tonight I invite you once again to surrender to Me, from your hearts, the past, present, and future. In your surrender, My dear children, lies your trust."

"Further, I invite you to see that trust in the grace of My Heart lends you every provision and protection from My Divine Son. Tonight, I extend to you the Blessing of My Motherly Love."

---

**January 31, 1998  
Germantown, WI**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus."

"Dear children, thank you for responding to My invitation to be here today. I have come to bring you the truth of the Holy Love message. Be careful, My children, that you are not led astray by compromise, which may be clothed in goodness and authority; but listen to the words of My Heart."

"I am blessing you."

---

**February 2, 1998**  
**Monday Praise Service**

Jesus and Blessed Mother are here. Their hearts are exposed. Blessed Mother says: "Praise be Jesus."

Jesus says: "My dear brothers and sisters, My precious friends, please understand that the doorway to My Heart is Holy Love, through which I call all people. Come to Me when you are weak; I will make you strong. I am changing the world through the grace of My Mother's Heart."

The United Hearts Blessing is given.

**February 3, 1998**  
**JESUS**

"Fine wine needs to age in order to strengthen its bouquet and to be fully appreciated. In a similar way, My call to you through My Mother is deepening, ripening, reaching its fullness, becoming more rich and robust. It requires patience and perseverance that you do not interrupt this process, but allow all things to unfold according to My Father's Will. I have reserved the choicest grapes for this mission. I have chosen them from the lushest vineyard of grace. All you need do is persevere."

---

**February 4, 1998**

Our Lady comes as Refuge of Holy Love. She says: "Praise be Jesus. My angel, it is good to be with you again. It is good your life has slowed down temporarily."

"You are questioning My words concerning the cessation of My public messages. I will continue to visit you personally. My messages to your heart will be published, as I said, in several small volumes. I will begin soon this dictation."

"My apparitions on the 12th of each month, under the title of Guadalupe, will cease. Jesus will speak to those present on every scheduled prayer day with these additions: Friday nights and the 5th of each month in commemoration of the Feast of Mary, Refuge of Holy Love. On Mondays, Thursdays, Fridays, the 2nd and 4th Sundays, and the 5th of each month I will come with Jesus; and the Blessing of the United Hearts will be given. This will begin after December 12th of this year. During these apparitions I may often speak to you but not the people."

"Further, due to the state of the world and hearts in general, after December 12th EVERY BLESSING OF THE UNITED HEARTS WILL BE TRANSFERABLE."

"My angel, you will please make all of this known."

---

**February 5, 1998**

Our Lady is here as Refuge of Holy Love. She says: "Praise be Jesus. My angel, you are seeing events unfold now in the present that I confided to you in the past. Still, mankind chooses not to see the connection between Creator and nature. It is as though the flood waters are rising around the ark but people view it as a 'natural' occurrence. You have not seen the worst of it."

"Please understand, I sorrow for those affected. I have prayed for them and continue to do so. The world around you is changing. It is foolish to hang on to it."

---

**February 5, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now for all those who support your President's immoral actions."

"Dear children, once again I reiterate to you that what is in hearts is then in the world around you. Here in this country you have immorality in hearts, and so it is in the country all around you - in the leaders and in the people. You are only beginning to see what is in certain hearts. Where there is war in hearts, then you have war in the world. This is why I am pleading for your prayers. This is why My Son must intervene with His Justice."

"I am blessing you."

---

**February 7, 1998**  
**First Saturday - First United Hearts Meditation**

Our Lady is here as Refuge of Holy Love. She says: "My daughter, with fondness I greet you, giving praise to Jesus."

"I have come as promised."

"Today, I invite My children to realize the profound depth and perfection that comprises My Beloved Son's Heart. Allow yourselves to be drawn into this Vessel of perfect Love, Mercy, and Truth. Let the Flame of His Heart consume you and bring you to the heights of union with the Holy Trinity. To Him all honor and glory!"

"Jesus, bestow on My children a hunger for salvation through devotion to Your Most Sacred Heart."

"My angel, have the people assemble on the night of February 11th. Come around 9:00 PM. Pray the Glorious Mysteries. I will come."

---

**February 8, 1998**  
**2nd Sunday - To Pray Against Abortion**

Blessed Mother is here as Mary, Refuge of Holy Love. She has two angels with Her. She says: "Praise be Jesus. My daughter, one of these angels represents the angel of all those who are aborted. The other angel represents the angels that are not given to pilgrims because they do not come to the property. Pray with Me now for all those who are considering abortion."

"Dear children, tonight I invite you to realize that consciences accept error because they are not humble enough to search for the TRUTH. It is so with all those who persecute My mission through you, due to lack of understanding of My messages."

"It is true of all those who accept abortion in their hearts. I invite you once again to come into My Immaculate Heart, as I desire to give you My protection, My wisdom, and My understanding. I am blessing you."

---

**February 9, 1998**  
**Monday Praise and Prayer Service**

Jesus and Blessed Mother are here. Blessed Mother says: "Praise be Jesus."

Jesus looks at Maureen and asks: "Do you love Me?" Maureen answers "Yes". Jesus then says: "And do you trust Me?" to which Maureen answers "Yes".

Jesus: "I have come to look into each heart here and to ask your undying love, your undying trust."

"When you love someone unconditionally, you are willing to do anything for them. As My Mother's Heart is a heart of Sorrow, My Heart is a Heart of Reparation. Come to Me; abide in Me. Make all reparation to the United Hearts – the Heart of Sorrow and the Heart of Reparation. We extend to you tonight Our Blessing of the United Hearts."

---

**February 11, 1998**  
**Feast of Our Lady of Lourdes**  
**Lake of Tears Evening Rosary Service**

Our Lady is here as Our Lady of Lourdes. She says: "Praise be Jesus. My dear, dear children, thank you for the reparation of coming here tonight in answer to My call. My children, around you are many angels, each one touching you, each one caressing you, each one extending to you My Blessing. I am asking you

tonight to continue to pray, for the greatest battles are yet at hand - although My triumph is near. Your prayers are My weapons. Tonight, I join the angels in giving thanks for your willing hearts. You are a lasting joy. I am blessing you tonight with My Blessing of Holy Love."

**February 12, 1998**  
**Monthly Message to All Nations**

The following message was received in three parts.

Blessed Mother is here as Mary, Refuge of Holy Love, She says: "Praise be Jesus. Let us pray now for all unbelievers." Jesus is now with Blessed Mother. A private message was given, and Our Lady continues.

"Dear children, today, I invite you to open your hearts to the Holy Spirit, for He is the Spirit of Love and of Peace. In the world you have the threat of war, instigated by My adversary. But, My children, I have given you the weapon against war, which is the

Rosary, and the path of peace, which is Holy Love. It is up to you to choose one over the other."

"My Heart is your Refuge, if you seek it. My grace is your ally, if you open to it. I have withheld nothing from you but have revealed to you the path of light."

"Dear children, I invite you to understand, with all your hearts, that the nations that abandon God will also be abandoned by God. Therefore, see that all must work together. Alone, you can accomplish nothing; but together we can be victorious. You see many problems; and you try human solutions; but it is my grace that will be victorious in your lives." They extend to all the United Hearts Blessing.

---

**February 16, 1998**  
**Monday Praise and Prayer Service**

Jesus and Blessed Mother are here. Jesus says: "My Heart is on fire for love of you. I desire to carry this Flame of Love into every home and into every heart. I am spreading My Mercy over the world in these last days. I desire that you come into My Mercy and My Love; and, that through you the world will be changed in this present moment. We give to you our compassionate and loving Blessing of the United Hearts."

---

**February 19, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, pray with Me now that My victory will come soon."

Dear children, tonight, once again, I remind you that My victory is already won in hearts that have submitted to Holy Love. What you have in your hearts, My dear children, will be present in the world around you. I ask you to surrender to Me all your interior goods, including your faults and failings. Through this consecration to My Immaculate Heart, I will win the battle in many souls. Tonight I am blessing you with My Blessing of Holy Love."

---

**February 20, 1998**  
**Feast of Our Lady of Tears**

Our Lady comes in a blue light. She says: "Praise be Jesus. My angel, sweet angel, how good it is you are here. Today, I invite you to realize that the choice you have made will be perfected in God's Will. There were many alternatives - each one obstructed due to lack of Holy Love in hearts. This should help you to understand the spiritual void within these times."

"Today, I invite you to see that the guests are being seated around the banquet table. Understand, I refer to the banquet of the New Jerusalem. Also, I am about to ask My Son to multiply the loaves and fishes - these being the graces at My prayer site. Those who accept My invitation will find there is no end to My generosity."

"When you joined Me at another of My apparition sites far away, you found it difficult to return - difficult to tear yourself away. Such will it be here, for those who respond to Me."

"This site is the threshold of the New Jerusalem."

"I am blessing you."

---

**February 22, 1998**  
**4th Sunday - to pray for unbelievers**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now, dear children, for those who oppose My plans in the world."

"Dear children, tonight I address you as the holy and faithful remnant Church. I invite you to stay close to the TRUE FAITH by frequenting the sacraments and

keeping yourselves pure. My children, the time that remains is crucial and decisive. You must remain united in the Flame of My Heart, which is Holy Love."

"My dear, dear children, do not forsake the faith. I am blessing you with My Blessing of Holy Love."

---

**February 23, 1998**  
**Monday Praise and Prayer Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be Jesus."

Jesus: "My brothers and sisters, My friends, believe in My Compassion, My Mercy, and My Love, for My Heart is ever filled with all of these good things for you. I am preparing you for a different way, a way the world does not recognize. "We are blessing you [the United Hearts' Blessing]. I will return."

---

**February 24, 1998**

Our Lady started singing to me on the way into the chapel. "Come to Me, My daughter, come." When I arrived, Our Lady was there in blue and white. She said: "Praise be to Jesus. My angel, I have chosen you for you have chosen Me. It is so with all who are consecrated to Me. I desire that My chosen ones no longer oppose one another but unite in a common effort of prayer. If through free will all respond, I will hold you as the stone in David's slingshot. Together we will slew apostasy, abortion, and war. These are the giants of evil that threaten the world."

"Come together as a song of praise, all you Marian groups. You are not different but alike in My call to you. Do not look for differences but oneness in spirit."

"Let Saturday evening be a common hour of prayer amongst you. Saturday is My day. Evening grows nigh. Time is short and grows shorter. Unite, My children. Use your Rosaries as weapons, not as a quiet pastime. I desire so much to share the victory with you."

"I will bless those who respond to Me."

---

**February 24, 1998**  
**4th Tuesday - Mission Prayer Group**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me tonight, dear children, for the success of My mission in hearts."

"Dear children, tonight I ask you to believe that the Morning Star is about to mount the summit of victory. But in order for this to take place, My dear children, I need your prayers, so that certain snares and pitfalls can be overcome. These days your country experiences many misfortunes - most believe by the hand of nature. But this is what I have foretold and what I have asked you to expect if abortion continued and if hearts continued to accept apostasy and error. My dear children, you must stand up for the truth, for the truth is My victory. Tonight I am blessing you with My Blessing of Holy Love."

---

**February 26, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now, dear children, for those who oppose My plans in the world."

"Dear children, tonight I address you as the holy and faithful remnant church. I invite you to stay close to the true faith by frequenting the sacraments and keeping yourselves pure. My children, the time that remains is crucial and decisive. You must remain united in the Flame of My Heart, which is Holy Love."

"My dear, dear children, do not forsake the faith. I am blessing you with My Blessing of Holy Love."

---

**February 28, 1998**

Our Lady comes as Refuge of Holy Love. She is once again singing. "Come to Me, My daughter, come. Look at Me. I am loving you."

When I look up, She says: "All praise be Jesus. Thank you for coming here and for waiting for Me. Today, during this penitential season, I have come to unite My Heart to yours and, through you, to all willing hearts. There is much suffering and insecurity in the world. My children must not allow anxiety or fear to overcome them. I am their Refuge. If they trust only in human efforts, they will fear. They need to place their trust in God. They need to surrender to the grace of Divine Providence in the present moment. All around you are signs of infidelity to God - even in nature itself. It is only through love of God you can be united to Him. Each moment wasted in fear is a moment that could have been surrendered to love."

"I wish to describe to you now the Kingdom to come - the New Jerusalem. When My Son returns, all people will be united, and they will be reconciled with God. All will live in Holy Love. There will be no more fear. Prayer will be a staple of life. Love will be magnified in the environment, which will be stable and consistent, reflecting the love that is in hearts. Mankind will return to a simplistic existence, since sophistication will bring his demise before My Son's return. There will be no

disease, pestilence, or inequality. People will answer My call to holiness with enthusiasm. My messages to you will be upheld as valid teachings on the path of holiness. Conflict and compromise will be stricken from hearts."

---

**March 2, 1998**  
**Monday United Hearts Prayer Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be Jesus."

Jesus says: "I am here, your Redeemer and King. I want you to know and to realize with your hearts that My Mercy was yours in the past, is yours now, and will be yours in the future. The way around error and compromise is to live to the fullest your baptismal vows. Draw upon this. I will return." The United Hearts Blessing is given.

---

**March 3, 1998**

Our Lady comes with a crown on Her Head in blue and white. Her heart is exposed. She says: "My daughter, My messenger, I come in praise of Jesus. I ask that you make these words known."

"These days have become critical, as man has chosen to ignore My repeated warnings. I come bringing a message of love, but My children return it to Me with disregard. The sands of time are passing. Instead of choosing the purifying Flame of Holy Love, which illuminates My Heart, My children are choosing the flames of chastisement and perdition. The time approaches when each one will be made to look into his soul with the eyes of God. Far greater trials await those who will stubbornly cling to their sins subsequent to this."

"Still, I offer you My Heart and I ask you to draw My children hither. I will not refuse even the last one. I have surrendered all grace to My children. Now, I invite them to surrender to Me."

"I will bless you."

---

**March 5, 1998**  
**Thursday Prayer Service**

Jesus and Blessed Mother come together. Their Hearts are exposed. Blessed Mother says: "Praise be Jesus. I have come to invite My children to integrate Holy Love into their daily lives."

Jesus says: "Let Holy Prudence stand guard over your senses and every thought, word, and deed."

"Tonight We are extending to you the Blessing of the United Hearts."

---

**March 5, 1998**  
**Thursday Prayer Service**

Our Lady returns. She says: "Praise be Jesus. My children, My dear children, you are ignoring the signs all around you. You hasten towards chastisement while I am calling you to conversion. You must pray for those around you who never pray. They do not realize the danger - the spiritual danger - all around."

"If you begin to pray for those unconverted, I will help you."

---

**March 6, 1998**  
**JESUS**  
**First Friday Healing Service**

"Tell My people who assemble tonight I will walk in their midst. I will heal them. When they touch the holy relic of My Mother's hair, untold grace will be theirs."

---

**March 6, 1998**

Our Lady is here in gray with a pink rosary. She says: "Praise be Jesus. My children, I offer you the Holy Refuge of My Immaculate Heart. Trust in this Refuge. No longer choose to live in fear. In My Heart is every grace you need to abide in peace."

"Now, I am gathering in the flock and guiding them through the Gateway of My Heart. It is for you to choose the narrow gate of Holy Love or the wide path of error and compromise that takes you to perdition."

"Do not weigh My words with doubt, but believe. I believe in you."

"I will bless your fiat."

**March 7, 1998**  
**Second Meditation for the Chaplet of United Hearts**

Our Lady comes all in white, Her Heart exposed. She says: "I have come to share with you the meditation on My Immaculate Heart. Praise be Jesus."

"Immaculate Heart of Mary, You are the purest vessel of grace, the definition of holiness, and a sign of the apocalypse. Mary, Your Heart is a Refuge of Holy Love -- a counter sign in an evil age."

"Dear Heart of Mary, it has been ordained that the conversion and peace of the world be entrusted to You. Only through Holy Love can the battle be won. As

you, Heart of Mary, have been pierced by many swords, impale our hearts with the flaming arrow of Holy Love."

"Immaculate Heart of Mary, pray for us."

**Saturday Song of Praise Prayer Service**

"Dear children, thank you for answering My invitation to pray with Me tonight. Mankind does not realize the precipice that earth rests upon. With each abortion the abyss between Heaven and earth widens. The war that is in hearts is about to spill out into the world. I am listening to your prayers, My dear children."

"Tonight I am blessing you with My Blessing of Holy Love."

---

**March 8, 1998**  
**2nd Sunday Prayer Service to Pray Against Abortion**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, pray with Me now for those who are complacent."

"Dear children, thank you for your 'yes' in coming here today. I need your prayers to overcome this evil of abortion. Today, I invite you to confront the complacent. I speak of those whose hearts are full of apathy. They know that abortion is wrong - that it is evil. They do not pray against it, and they do nothing to oppose it. Today I am blessing you with My Blessing of Holy Love."

---

**March 9, 1998**  
**Monday United Hearts Prayer Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be Jesus."

Jesus says: "My precious brothers and sisters, I remember your greatest strengths. I remember your greatest weaknesses. I love you unconditionally. Surrender to Me in the present. Do not live in the past. Do not live in the future."

"We are blessing you with the Blessing of the United Hearts."

---

**March 11, 1998**  
**JESUS to Maureen**

After Communion Jesus told me, "It is all right to genuflect before you receive Me. These days people line up to receive Me like a drive-thru Eucharist."

---

**March 11, 1998**

Our Lady comes as Refuge of Holy Love. She says: "Praise be Jesus. Tonight, My angel, I come to you, and to all who will listen, seeking your entrance into My Heart. I am calling all nations alike to recognize their place before God and their indebtedness to their Creator."

"Come to Me with open arms. I am welcoming you. Holy Love is the pathway of your conversion – the light on the road to salvation. Do not pride yourselves in Me coming to you, for I would not come to you if times were not desperate. I seek to use you in the world."

---

**March 12, 1998**  
**Monthly Message to All Nations**

Due to its length, this message was received in several parts. Our Lady comes as Our Lady of Fatima. She says: "Praise be Jesus. My dear children, pray with Me now for the unconverted. Today, I come to you under this title, and in these times, as I invite the world to see that My Holy Love message is a completion of My apparitions in Fatima. It was in Fatima I asked for devotion and recognition of My Immaculate Heart in the world. It is through Holy Love the world can attain entrance in this Refuge and become united to the Heart of My Son. Holy Love helps the world to fully understand My Heart as Refuge, Gateway, and purification which leads to personal sanctity."

"Dear children, I have come, once again, to help you to see the times in which you live. My Son has raised His Arm of Justice. All around you are the signs in the cosmos, on earth, and under the earth. [Luke Chapter 21] Let the Holy Spirit open your eyes and your hearts, lest you be unprepared. Begin to take seriously My call to you to be holy. If you have not understood the signs around you, begin to understand the call to love that I place on your heart. Before My Son returns, this call to Holy Love will intensify and increase in every heart as God ordains."

"Dear children, today, once again, I implore you to amend your lives and drive Satan away by your efforts and through My grace."

"Dear children, when you say 'yes' to Holy Love, your consecration to My Immaculate Heart is intensified and I place a shield of grace around you that Satan cannot enter. Therefore come to Me. Surrender to Me; and I will be with you, blessing you."

Jesus is now with Blessed Mother, and they extend their United Hearts Blessing.

**March 14, 1998**  
**Saturday Song of Praise Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me tonight, dear children, for all unbelievers who are lost in the world."

"Dear children, tonight, I have come to invite you to see that self love is the enemy; Holy Love is My victory and My triumph. Therefore, run to Holy Love, and surrender to it in the present moment. In the world you have abortion, apostasy, and always the threat of war. Abortion and apostasy are the fruits of self love; and war is the punishment for those sins. Dear children, surrender to Me, for soon I will come bearing a very special consecration for homes, as I desire to be carried into every home under this image that Heaven has granted you. Then evil will not thrive in homes, as it is in many cases today. Tonight I am blessing you with My Blessing of Holy Love."

---

**March 15, 1998**  
**Columbus, Ohio**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus." Maureen recommended to Our Lady "...all that is in hearts of those here today."

She says: "Dear children, today I invite you to place yourselves in the Refuge of My Heart. Here I will offer you My protection, My intercession, and My grace. Trust in Me, that I know what you need; and I will take your intentions with Me to Heaven today."

"Dear children, surrender to My Heart as I have surrendered My Heart to you. Today, I am blessing you with My Blessing of Holy Love."

---

**March 16, 1998**  
**JESUS**

"I send My Mother into the world so that mankind will return love for love, that is, Holy Love for Divine Love. If you do not choose the Flame of Holy Love in the present moment, you are choosing, instead, the flames of Justice."

"Every error that is in hearts can be wiped away with the acceptance of Holy Love. My Mother is using Holy Love like John the Baptist used the waters of the Jordan to prepare for My public ministry. Through Holy Love, She is preparing Her children for My Return."

---

**March 16, 1998**  
**Monday United Hearts Prayer Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be Jesus."

Jesus says: "I tell you this, My brothers and sisters, I am sending My Mother ahead of Me to smite the enemy, where he lies hidden in hearts, and to restore righteousness to hearts. When I return as just Judge, I will be seated upon the throne of victory."

The United Hearts Blessing is given.

---

**March 17, 1998**

Our Lady comes as Refuge of Holy Love. She says: "Praise be Jesus, truly and ever present in the tabernacles of the world. My daughter, I have come, as I desire to come into every home, under this Image of Holy Love."

"Let it be your goal to have this Image accepted in every home and every heart. I will give you the prayer now that will strengthen and unite families and convict hearts. Dedicate your homes to Me, and I will vanquish evil therein."

**Dedication of Homes to Mary, Refuge of Holy Love**

**Mary, my Mother, my Fortress - Refuge of Holy Love - sanctify this home through Holy Love. Open each heart that dwells herein to holiness. Lead us along the path of Holy Love. Be victorious over any evil, whether it be an unknown force within these walls, a seductive habit, or some voluntary attachment we have chosen ourselves. Make this home a sanctuary of Holy Love. Amen.**

**March 19, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now, dear children, for all unbelievers."

"Dear children, today you must realize that the true deposit of faith is threatened on all sides by controversy and compromise. Dear children, cling to the tenets of your faith; and do not allow Satan to confuse you. You represent, My dear children, the remnant faithful; and you must stand firm with Me at the foot of the Cross, just as St. John did when My Son was being crucified. Do not be afraid to be numbered among the believers. Tonight I am blessing you with My Blessing of Holy Love."

**March 21, 1998  
Saturday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now for those who do not pray."

Dear children, tonight I invite you to pray for the soul of your country, which has become compromised. When your country and its legislators make evil choices over good, soon every choice is compromised; and the morals of the country are decayed. So it is I have come to you, My dear children, to ask you to pray. Pray for the soul of your country. Pray for the conversion of hearts and the choice of good over evil in every law. Dear children, I am praying with you. I am blessing you."

MEDITATIONS ON THE MYSTERIES OF THE ROSARY**

**JOYFUL MYSTERIES**

**ANNUNCIATION**

Most Holy, United Hearts of Jesus and Mary, as the angel announced Jesus' conception, His tiny Sacred Heart formed under the Immaculate Heart of Mary. Holy and Divine Love were united. Pray with us to be united to You, Jesus and Mary, through our 'yes' to Holy Love.

**VISITATION**

Most Holy, United Hearts of Jesus and Mary, John the Baptist was sanctified in the womb of his mother as he was visited by the United Hearts. Sanctify us, now, dear United Hearts, as we make our journey on the path of Holy Love.

**NATIVITY**

Most Holy, United Hearts of Jesus and Mary, Divine Love came into the world in humble surroundings. The King made His throne in a manger. Help us to see that our greatest treasure must be in Heaven and not in any wealth or power on earth.

**PRESENTATION**

Most Holy, United Hearts of Jesus and Mary, the sword of knowledge that pierced Mary's Heart was to pierce Your Sacred Heart over and over, Jesus. Pray for us that we will use our intellect to win souls for you through Holy Love.

**FINDING IN THE TEMPLE**

Most Holy, United Hearts of Jesus and Mary, when Jesus was lost, You searched for Him, Mary, until You found Him. Pray with us now that all souls who

are lost and wandering in the world will search for You, Jesus, until they are united with You.

## **SORROWFUL MYSTERIES**

### **AGONY IN THE GARDEN**

Most Sorrowful, United Hearts of Jesus and Mary, in unison you accepted the Divine Will. Help us to cling to You through Holy Love, so that we, too, may accept the Divine Will in our lives.

### **SCOURGING AT THE PILLAR**

Most Sorrowful, United Hearts of Jesus and Mary, You suffered as one. Your flesh was torn from Your bones, Jesus, as Your Mother suffered the pains with You. Pray for us when we suffer physical pain, that we, too, will offer it for sinners.

### **CROWNING WITH THORNS**

Most Sorrowful, United Hearts of Jesus and Mary, though separated by space, Your humiliation was keenly felt in the Heart of Your Mother, Jesus. You did not defend Yourself. Your Mother was silent as well. Help us to suffer humiliations in silence.

### **CARRYING OF THE CROSS**

Most Sorrowful, United Hearts of Jesus and Mary, You fell and You rose again, Jesus, as You desire us to rise above our faults. You were stripped of Your clothing and your dignity. Your Mother stood by You. Pray that we are able to strip ourselves of self love. Mary, stand by us.

### **CRUCIFIXION**

Most Sorrowful, United Hearts of Jesus and Mary, as You expired on the cross, Jesus, You gave us Your Mother. Divine Love gave us Holy Love. Now, through Holy Love, Your Mother is leading us back to You.

## **GLORIOUS MYSTERIES**

### **RESURRECTION**

Triumphant, United Hearts of Jesus and Mary, at the Resurrection You were victorious over death. Pray for us to understand that our death is really the beginning of our new life with Your United Hearts in Heaven.

### **ASCENSION**

Triumphant, United Hearts of Jesus and Mary, Your Ascension, Jesus, left us with hearts full of hope - hope that we, too, will attain our heavenly home. Help us always to pray, Mary and Jesus, with hearts of hope.

### **DESCENT OF THE HOLY SPIRIT**

Triumphant, United Hearts of Jesus and Mary, through the Divine Will the Holy Spirit came into the world to dwell in every heart. Your Immaculate Heart is the Spouse of the Holy Spirit, my Mother. Open our hearts today, that Your heavenly Spouse will fill us and lead us in holy boldness.

#### THE ASSUMPTION

Triumphant, United Hearts of Jesus and Mary, because You longed to be once more united with Your Son, Mary, You were taken body and soul into Heaven. Pray for us that we may be united with God through Holy Love.

#### THE CORONATION

Triumphant, United Hearts of Jesus and Mary, Your victory is complete in Heaven. We pray with You for Your victory in each heart through Holy Love. Then God's Kingdom will reign on earth as it is in Heaven, and we will live in Holy Love in the New Jerusalem.

The Sacred Heart and the Immaculate Heart are here; and Blessed Mother says: "Praise be Jesus."

Jesus says: "My dear friends, My brothers and sisters, My Heart is encircled by thorns, which represent the lack of love that I receive from those who once loved Me. You must propagate the message of Holy Love, for it is through Holy Love these thorns will be removed."

They are blessing us.

---

**March 24, 1998**

Our Lady comes in light pink and a smoky lavender color, like the first time I saw Her. She says: "Praise be Jesus. I am here as I was with you originally, but today I am prepared to explain the message behind the vision."

"I appeared to you first with the rosary of states. It was an appeal to pray for your country. Years later, the rosary of states broke, when I returned to you in the same vision. The states slipped off and landed in a smoldering pile at My feet. This represented God's Justice."

"Now I am prepared to explain this further. I have come to you, asking your country to amend its ways. My repeated warnings have gone unheeded."

"My children choose whatever appeals to their senses and ignore any consequence. The natural order of birth, life, and death has been interrupted and altered. It is thus, that your country and the world will suffer - by an upheaval in nature."

"My call to the world, through you, My daughter, is genuine and sincere. Many graces have proven this. Now I invite all who have responded to Me to continue to pray for unbelievers. It is not too late to save and convert many."

"Hasten to make this known."

---

**March 24, 1998**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now for unbelievers."

Today, I am blessing you with My Blessing of Holy Love."

**March 25, 1998**

Jesus' words concerning those who do not trust...

---

**March 26, 1998**  
**Jesus**

Jesus says: "I invite each one to stop in the present moment and to listen to My surrounding peace. You alone are capable of no good thing. Only through grace can you accomplish anything. Come to rely on Me and not your own efforts."

---

**March 26, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be to Jesus. Peace be with you. My dear children, pray with Me now for all those who continue to disbelieve."

"Dear children, with your hearts, decide and choose what is best for your salvation. I have given you everything and shed light upon the path that you must follow. With your hearts, you must surrender to Me. Surrender, and I will surrender to you every grace that you need towards your own salvation. Open your hearts, My dear children, as flowers in spring."

"Tonight I am blessing you with My blessing of Holy Love."

---

**March 27, 1998**

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praised be Jesus.

Dear children, tonight I ask you; with great love surrender to Me all of your past actions which you deem as failures. For God alone knows the value and the justice of these acts. Surrender to Me completely this weekend. I will give you every grace you need. I will take you past all your failures and all your successes, and I will hold you in the depths of My Heart. Tonight, I am blessing you with the Blessing of Holy Love."

Jesus says: "My dear brothers and sisters, the path I draw you upon is the path of perfection. But you can only follow Me and imitate Divine Love if you are first humble. Do not take pride in your holiness or in My coming to you, but turn your thoughts outward and pray for the conversion of every heart." The United Hearts Blessing is given.

---

**April 2, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, pray with Me now for all those who sin by supporting laws against life."

"Dear children, tonight I invite you, once again, to have confidence in My visits with you. Believe that your prayers are not for naught, for it is by your efforts, My dear, dear children, that others will amend their lives and there will be peace in the world. You have come trusting, and I trust in you. Please pass this trust to those in the world around you."

"Tonight I am blessing you with My Blessing of Holy Love."

---

**April 3, 1998**

Our Lady came as I woke up. She was in dark blue and white. She says: "Praise be Jesus."

"Today, dear children, I invite you to see the goodness in one another. Not one of you has a wicked or conniving heart. From time to time, you allow self love to enter in and take you off the path I have chosen for you."

"When you love each other, you can discuss differences without a sensitive response, which shows itself as pride and anger. Love can heal the greatest affliction and bring understanding where there has been animosity."

"Each one is created from love - for love. Internalize My call to Holy Love so that you become one with Me. In this way you will not be easily misled in thought, word, or deed."

---

**April 4, 1998**  
**First Saturday**  
**Third Meditation for Chaplet of the United Hearts**

Our Lady comes in white and gray. She says: "Praised be Jesus."

"I have come, as promised, to dictate to you the third meditation for the Chaplet of the United Hearts."

"Jesus was willingly put to death for the sins of mankind. He died for each one and for all. From His side flows, yet today, an unending font of Love and Mercy. Do not be reluctant, as Simon was reluctant, to embrace the crosses you are given. Many suffer the eternal flames of hell, for no one has been willing to suffer for them."

"Eternal Victim, truly present in the tabernacles of the world, pray for us."

---

**April 4, 1998**  
**Saturday Song of Praise Prayer Service**

Our Lady is here as the Sorrowful Mother. She says: "Praise be Jesus. Dear children, pray with Me now for the propagation of Holy Love in the world."

When Our Lady ascended to say the "Glory Be" the seven swords in Her Heart lit up. She comes back.

"Dear children, tonight I ask you to understand and have great empathy for My Son, Who suffers still in the present moment. I Myself weep bitter tears. I tell you that today there are more wicked hearts in the world than there are loving hearts. You must pray, My children, for the propagation of this message is everything - everything that will keep the Hand of Justice from falling so heavily upon the world.

"Tonight I am blessing you with My Blessing of Holy Love."

---

**April 6, 1998**  
**Monday United Hearts Prayer Service**

Jesus and Mary are here with Their Hearts exposed. Blessed Mother says: "Praised be Jesus."

Jesus says: "My dear brothers and sisters, tonight I ask you: do not fear any cross; do not reject any trial. It is by merit of your crosses that souls are saved. I desire that you give Me every tribulation for the conversion of sinners."

"Tonight We are blessing you with the Blessing of the United Hearts."

---

**April 9, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Refuge of Holy Love. She says: "Praise be Jesus. Dear children, do not be alarmed when you hear of weather tribulations. This is a time for pruning and for gathering in. It is a time of great tribulation of grave consequences for man's errors, and it is a time of great graces. But you can trust

in this Image [Mary, Refuge of Holy Love] which I have given you through God's own Divine Will. Make it your avocation that each home accept this Image as protection and shelter. Those that do so shall not have anything to fear in these tribulations which are at hand. These serious weather problems will continue, increase, and multiply but so, too, My dearest children, will My grace."

[Many tornadoes were seen in the northeastern Ohio area. The tornadoes which struck Alabama killed two neighbors of Maureen's daughter just down the street. Thirty-eight were reported dead.]

**April 11, 1998**  
**Saturday Song of Praise Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, pray with Me now for unyielding hearts."

"Dear children, thank you for persevering in faith, for believing in Me as I so believe in you. I come to offer you the Refuge of My Heart and My love, My unending love. Dear children, make this message known all around you. Propagate this Image, My dear children, for this is your fortress against evil, against much that will occur in the world. Dearest children, take home with you renewed hearts, hearts full of Holy Love, and be My messengers. Tonight, I am blessing you with My Blessing of Holy Love."

**April 12, 1998**  
**Monthly Message for All Nations**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus, Redeemer and King. Alleluia! He reigns with a scepter of Holy Love. Alleluia! He is King of all nations and every heart. Alleluia!"

"Dear children, once again, I invite you to pray with Me for those who will not yield to Holy Love."

Maureen asked Her to pray for everyone here; and She said: "My child, your petitions are My petitions, and will go with Me to Heaven today."

"Dear children, the tomb is empty yet glows with the light of love, for there sits an angel. I ask you, My dear children, to understand My call to you. Open your hearts that the light of the tomb, the light of love, may enter. Once again, I ask you to take My message with you into the world."

"My dear children, today, I invite you to feel My Son's Resurrection in your souls. As all of nature is awakening and bursting with life, I invite you to let your hearts awaken and to blossom in faith, hope, and Holy Love. Never before has such an opportunity been given to humanity. As you allow your hearts to bloom in Holy

Love, you yourselves must fertilize the message in the world around. If you do not, then you have not received the message as I desired that you receive it. The telling of your depth of holiness is the depth of Holy Love in your heart today."

"Do not desire sanctity in the future but in the present moment."

"Do not come looking for a schedule of events, or a time table of disasters; but come seeking your own conversion through Holy Love in the present moment."

Jesus is now with Blessed Mother. They extend Their Blessing of the United Hearts.

---

**April 13, 1998**

Our Lady greeted me when I came into the chapel. She was radiant and in many colors. She says: "Praise be Jesus. Alleluia!"

"My daughter, I wish to address the pilgrims who will be returning home soon."

"Dear children, you have come; and you have seen. Now you must be as the first apostles after Easter. They saw, and they believed. They went into all nations and proclaimed the good news. They were not deterred by unyielding hearts. Rather, in holy boldness, they evangelized everyone."

"You, My children, are now My messengers of Holy Love in the world. I offer you My unlimited grace. Offer the message to those you meet as a mother would offer food to her hungry children. Some will recognize it and assimilate it. Others may taste it and not recognize its value. Still others may turn away unsatisfied and unwilling to partake of what is offered with love."

"A good mother continues to offer nourishment. I am asking you to courageously offer Holy Love to those around you. Do not take heed of the response. I am with you, blessing you."

---

**April 13, 1998**  
**Monday United Hearts Prayer Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praised be Jesus. Alleluia!" They ask that we pray for the conversion of the world. Jesus says: "My dear brothers and sisters, tonight My Kingdom is alive in your hearts; and My Father's Will is being accomplished through you. The door to My Heart is all Mercy, all Love. Please enter. Trust in Me."

Jesus and Mary extend to all here Their United Hearts Blessing.

**April 16, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Alleluia! Pray with Me now for those who choose not to love."

"Dear children, tonight, I invite you once again to cling to Me, as these clouds of tribulation pass across your country." [Many tornadoes in the Southern United States, including Nashville, TN only 3 hours ago.] Place yourselves within My Heart, which is the embodiment of the Holy Love message. I will protect you. I will give you peace in the midst of trials."

"Tonight, I am blessing you with My Blessing of Holy Love."

---

**April 18, 1998**  
**Jesus**

"A great thorn pierces My Heart today. It is the largest of the thorns that encircles My Heart. It is placed there by those who call Me brother, friend, Redeemer, and King, but who do not love Me enough to place their trust in Me. They place their confidence in themselves and every human effort - but not Me. Pray for these."

---

**April 18, 1998**  
**Saturday Song of Praise Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, pray with Me now for all to recognize the path of Holy Love."

"Dear children, tonight, I invite you to see that the more you practice a virtue, the more it becomes part of you. Therefore, practice humility and confidence; and I will lead you to faith. Dear children, without these virtues, you cannot love as I implore you to love. Tonight, I am blessing you with My Blessing of Holy Love."

---

**April 20, 1998**  
**Monday United Hearts Prayer Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Jesus is in dazzling white. Our Lady says: "Praise be Jesus."

Jesus says: "I am risen. Alleluia! I am victorious. Alleluia! My brothers and sisters, you too are victorious, when you believe and trust in My Divine Love and My Divine Mercy. The victory in your heart comes through your 'yes' to Holy Love. I am drawing you to Me, as never before; and I am placing upon your hearts Our United Hearts Blessing."

---

**April 22, 1998**  
**Jesus**

"Thank you for coming, believing, and trusting. I invite you to see that any area of fear in your life is a point of entry that Satan is using. Replace the fear with trustful surrender through your own will. Do not give in to thoughts that destroy your peace, arouse anger, or perpetuate fear. Think of My Heart. Think how it is encircled by thorns. These thorns are all the ones who call Me friend, but who do not trust and love Me. When I return, there can be no 'ifs' or 'maybes' - only 'Yes, I love', or 'No, I choose not to love'. Thus, the soul himself chooses salvation or damnation. Think how important Holy Love is. It is My call, through My Mother, to salvation."

---

**April 23, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. There are many angels with Her. She says: "Praise be Jesus. Alleluia! Pray with Me now for the unconverted."

"My dear children, tonight, I invite you to see that the way out of every situation is Holy Love. And the solution to every problem is Holy Love. My little children, if you are not understanding this, then you do not understand My coming to you. Tonight, I am blessing you with My Blessing of Holy Love."

---

**April 25, 1998**  
**Saturday Song of Praise Prayer Service**

Our Lady is here as Our Lady of Grace. A personal message was given first. Then Our Lady said: "Dear children, when you pray, there is less sin in the world. When you do not pray, Satan is made more powerful. Therefore, little children, pray, pray, pray. I am blessing you."

---

**April 26, 1998**  
**4th Sunday Prayer Service to Pray for Unbelievers**

Our Lady is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Alleluia! Pray with Me now, dear children, for all unbelievers."

"Dear children, today I invite you to come still further into the recesses of My heart. To do so, My dearest children, you must detach yourselves from all affection in the world, whether it be position, domicile, or even your own reputation. These things are passing and of little importance. But in the New Jerusalem, you will have the greatest place in My Heart, if you only surrender to Holy Love. Make that your first importance, your first priority in this world. Today, I am blessing you with My Blessing of Holy Love."

**Jesus**

Jesus and Blessed Mother are here. Jesus is in dazzling white with lights coming from His hands and feet. Blessed Mother's Heart is exposed. She says: "Praise be Jesus. Alleluia!"

Jesus: "My brothers and sisters, cleanse your hearts with the spirit of Holy Love. Do not hold bitter thoughts, or jealousies, or secret ambition in your heart, for they do not lead to the kingdom."

"Dear children, My brothers and sisters, follow the path of Holy Love which leads to the New Jerusalem. We extend to you the Blessing of Our United Hearts."

---

**April 28, 1998**

Our Lady comes as Refuge of Holy Love. "Praise and glory be to Jesus, King and Redeemer."

"My little one, I have given to you this Image you see before you, not for My benefit, but for the sake of all mankind. It is a fortress against evil and should stand guard over every heart and home. The Image itself is only lines on paper; but through grace, God deems it a protection - a fortress - in these times. God uses the natural to extend miracles of grace just as He does with the water on the property."

"I am blessing you."

---

**April 29, 1998**

"Ah! At last we are alone, and I can confide in you."

"The path of holiness - the path of Holy Love - can only be followed through self-abasement. By forgetting self and how all things affect self, the soul can love Me, come to Me, abide in Me."

"It is so, that I am able to lead and guide each soul deep into My Mother's heart - then into My Own Heart. Think about Me and My needs instead of your own. When you forget about yourself, you are able to trust Me. When you focus on your own problems, you call them back into your heart instead of surrendering them to Me. Loving Me makes you strong. Loving yourself makes you weak. Respect yourself as God's creation, but focus on Me. I will take care of you. I will lead you. I will not forsake you. You can trust Me."

"When a soul is thus able to die to self, he is in My embrace. When His life is Christ-centered, he has joy and peace. Thus, will you find weaknesses and faults vanish."

"Abide in Me. Abide in Me. Forget self. Abide in Me."

<b><i>Self Love</i></b>	<b><i>Holy Love</i></b>
Christ is pushed out of the center of our lives, and self is made the center.	God and others are made center of lives.
Hangs on to every wrong perpetrated against them.	Forgives.
Considers himself wholly worthy of consolations and grace.	Knows he can always be more holy. Knows all spiritual gifts are not his but God's, and he is unworthy of them. God disposes favors as He chooses.
Trusts only human efforts. Cannot let go and let God. Hangs on to problems by focusing on them. Won't allow grace to take over.	Surrenders all things to God's grace. Trusts God to bring good of every situation.

**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dearest children, pray with Me now for all to know the faults in their own hearts."

'Dearest children, tonight, I invite you not to come to Me with hearts that are looking for greater consolations and graces. Instead, pray with hearts that are looking to improve in their response to My message of Holy Love.

For in every heart is the capability of sainthood. Choose this for yourselves now in this present moment, dear children; and you will find greater grace than you have ever known. Tonight I am blessing you My Blessing of Holy Love."

---

**May 2, 1998**  
**Saturday Song of Praise Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says:

"Praise be Jesus. Dear children, pray with Me now that truth will be uncovered in every heart."

"Satan is not finished with his attacks on the Ministry. The more work you do, the more involved you get, the more he will try to be a part of it. That is why you must keep your focus on Holy Love, for it is the mission that is important."

"Dear children, tonight once again I invite you to be part of My victory. My victory is one of Holy Love. The effects of this Mission in the world are a telling sign that My Son's return is imminent. Therefore, prepare yourselves with much prayer and with hearts of love. Tonight, I am blessing you with My Blessing of Holy Love."

---

**May 2, 1998**  
**Chaplet of the United Hearts Meditation**

Our Lady comes as Refuge of Holy Love. She says: "Praise be Jesus. My daughter, I have come to announce the meditation for the Two Hearts Chaplet on My sorrows."

"Dear child, you know well My sorrows, as you have honored them many times in the world."

"As My Son suffered for you, I suffered as well, in My intellect, in My heart, and in My body. My physical cross remained hidden. My emotional and intellectual crosses could only be guessed at – the intensity burning within Me. So too, should your suffering remain hidden, whenever possible, to gain merit for souls, grace for the world."

---

**May 4, 1998**  
**Monday United Hearts Prayer Service**

Jesus and Blessed Mother are here. Their Hearts are exposed.

Blessed Mother says: "Praise be Jesus."

Jesus says: "My dear friends, brothers and sisters, apostles of Holy Love, your lives are now changed. Return home, and be My message of Holy Love. Together we can be triumphant in every heart."

They extend the Blessing of the United Hearts.

---

**May 5, 1998**  
**Feast of Holy Love**

Our Lady comes as Refuge of Holy Love. She says: "Thank you for coming. Let us give all glory and praise to Jesus."

"Today, My angel, as we celebrate My Feast of Holy Love, I invite you to understand that no one can be saved by his words and actions alone. It is free will - the heart - that chooses salvation. Therefore, make it your mission to help My children to accept Holy Love in their hearts, not just in their intellect. Salvation comes to you, not once, but in every present moment. Believe that I have chosen you to make this known."

"I love you and pray for your well-being. It is not by good fortune, but by grace you have succeeded thus far in My Mission."

---

**May 5, 1998**  
**Feast of Mary, Refuge of Holy Love**  
**May Crowning**

Blessed Mother is here as Mary, Refuge of Holy Love. She says:

"Praise be Jesus. Pray with Me now, dear children, for unbelieving hearts."

"My dear little children, thank you for your response and for coming today. As you have seen, many events unfolded quickly from last June until this June, just as I foretold. The times are desperate and continue so. I need your prayers to balance the scale of Justice. My dear children, make your prayers as numerous as the blossoms around Me today."

Our Lady then gave Her Blessing of Holy Love.

---

**May 6, 1998**  
**Jesus**

I was asking Jesus how to help people get the message from their minds to their hearts.

He said: "If they make the message the center of their lives, it will be in the center of their hearts. Self love is the obstacle. Through self love the focus is on themselves, their problems, the allurements of the world around them, and their status in the hearts of others. To be the message - which is My Mother's call - these character flaws must be burned away through the Flame of Holy Love. But for this to take place requires a movement of the will. Ah! What great things come to those who are willing!"

---

**May 7, 1998**  
**Thursday Prayer Service**

Our Lady is here as Mary, Refuge of Holy Love. She has on the crown that the large statue in the alcove has on, and there are lilies of the valley all around Her. She says: "Praise be Jesus. Pray with Me tonight, dear children, for those who have unbelieving hearts."

"Dear children, tonight I inform you that it is not the lines put together on paper that represent My Image of Holy Love, which is your protection; but understand and believe, My dear children, that it is the invocation 'Mary, Refuge of Holy Love, pray for us' that is your protection and your defense. Dear children, rely on the Image of My Heart that reminds you of this certain Refuge. Tonight I am blessing you with My Blessing of Holy Love."

---

**May 9, 1998**

Our Lady started singing as I was praying. I looked up to see Her as Refuge of Holy Love. She said: "My daughter, let us give praise to Jesus, King and Redeemer."

"I invite you today to understand that the wisest counsel of earth cannot offer you more than this humble Holy Love message. For here, within this simple message, lies clothed union with God, one with the Divine Will. Peace accords may be reached, the world's bounty may be attained; but nothing - nothing - will bring true peace, true contentment, outside of Holy Love."

"I have come many times into the world and to many messengers, but My message of Holy Love is the certain and defined way to holiness. Though My visits here are unacclaimed in the world and unpronounced by the theologically correct, I am Holy Love and will remain so in ages to come. Therefore, see and understand that any effort of yours on My behalf is never meager but will be everlasting."

"My grace here is certain, profound, and unretractable."

"I am blessing you."

---

**May 9, 1998**  
**Saturday Song of Praise Prayer Service**

Blessed Mother comes as Mary, Refuge of Holy Love. She says:

"Praise be Jesus, Redeemer and King. Pray with Me now, dear children, for all those who refuse to pray."

"Dear children, tonight I invite you to see that apostasy, abortion, and war are all the byproducts of self love. Holy Love opposes every form of self love. The doorway to your heart is free will. Let Holy Love rule your heart and will, so that evil cannot thrive within it."

"My dear children, I am praying with you for all your intentions and needs. Tonight, I am blessing you with My Blessing of Holy Love."

---

**May 10, 1998**  
**Second Sunday Prayer Service to Pray Against Abortion**

Our Lady is here as the Sorrowful Mother. She says: "Praise be Jesus. Pray with Me now for all those considering abortion in this present moment."

"Dear children, just as you suffer because you are unprotected from this wind [the winds were 35 mph as we prayed outside], so My unborn children suffer because they are unprotected in the womb. Please understand that I suffer, with every aborted child, the pain and the loss of life and love. My suffering is in My soul, and I grieve for them. Dear children, legal abortion is a greater threat to your country than any war, natural tribulation [storms, floods, tornadoes, etc.], or pestilence. Please pray that consciences are convicted of this. Today, I am blessing you with My Blessing of Holy Love."

---

**May 11, 1998**  
**Monday United Hearts Prayer Service**

Jesus and Blessed Mother are here. Their Hearts are exposed.

Blessed Mother says: "Praise be Jesus."

Jesus says: "My brothers and sisters, My friends, thank you for coming, and praying here, and being part of My Mission through My Mother. Tonight I tell you, instead of loaves and fishes, I multiply grace in your midst on this property and in your presence here tonight."

The United Hearts Blessing is given.

---

**May 12, 1998**  
**Monthly Message to All Nations**

Our Lady comes as Refuge of Holy Love. She says: "My daughter, I am with you, once again, to give praise to Jesus. I come without guile but with a simplistic heart. Pray with Me today for those who have lost their faith."

"I wish to reveal to you that there is much evil in hearts that opposes the true deposit of faith. Underlying currents exist, which are not inspired by God but by My adversary. Many souls are threatened and at stake. Further, Satan has made himself an enemy of all who love My Immaculate Heart. Therefore, understand he has set himself against this Mission of Holy Love."

"You will endure all things through prayer and sacrifice. You will endure, as I am with you. I invite you to understand, however, that the enemy takes on one heart at a time, attempting to destroy the 'yes' to Holy Love. Protect your heart by placing it in the Refuge of your Mother's Heart. Satan shrinks when you invoke 'Mary, Refuge of Holy Love.'"

"I appeal to you today to form a holy remnant of faith within the confines of My Immaculate Heart. Jesus has set Me as Protectress and Guardian of the Faith, and as a fortress against apostasy, heresy, and schism. My Heart is a holy Refuge of grace within which I will protect you and nurture you as your loving Mother. I will refuse no one who comes clothed in sincerity. The ones who have accepted compromise will not be admitted until they repent."

"You must know God and love Him above all else. You must love your neighbor as yourself and as My Jesus loved you. Thus, you must keep the commandments in thought, word, and deed. You must believe and obey Church dogma and law. This includes Mass on Sunday. This includes no artificial birth control. This includes fidelity to this Holy Father. Know your faith so that you do not accept compromise. Then, as your Mother, I will welcome you into the Immaculate Heart, Refuge of the remnant faithful."

Now, Jesus is with Blessed Mother.

Our Lady is now extending a gold key. She says: "I have given you the key to the Refuge of My Heart. The invocation 'Mary, Protectress of Our Faith and Refuge of Holy Love, pray for us.'"

Jesus is speaking now. "Understand that the grace-filled Refuge of My Mother's Heart will restore and maintain the tradition of faith in hearts. So you can feel confident in praying to My dear Mother for those who have lost the faith, and She will answer you."

The United Hearts Blessing is now being given.

**May 14, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says:

"Praise be Jesus. Pray with Me now, dear children, for all those who doubt."

"Dear children, tonight, I invite you to believe My messages in their entirety. Understand, My dear children, that it is through these messages that I am drawing you along the path of perfection in personal holiness. Therefore, answer My call completely with your hearts, as well as your intellect. Do not be afraid to search your souls to find any flaws in Holy Love."

She blessed us.

**May 16, 1998**  
**Saturday Song of Praise Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says:

"Praise be Jesus. Dear children, pray with Me tonight for those who do not listen to My pleas here."

"My dear children, it has been many years since My first coming to you; and you responded to My pleas fervently for the most part. But I come tonight inviting you to recommit yourselves to My Mission through this secular order I have formed by the hand of My Son. And I ask you to deepen and intensify your response to My Mission of Holy Love. It is through you, My dear children, My victory will come. Therefore, see with what great urgency I come to you; and understand the necessity of my Heart. Tonight, I am blessing you My Blessing of Holy Love."

---

**May 17, 1998**  
**Jesus**

"Understand that a person may have great intellectual powers, physical beauty, power, and esteem in the world; but I see only the Holy Love in the heart. The soul is capable of great holiness and sanctification, if he is willing to be purified by this means."

---

**May 18, 1998**  
**Monday United Hearts Prayer Service**

Blessed Mother and Jesus are here with Their Hearts exposed.

Blessed Mother says: "Praise be Jesus!"

Jesus says: "I come to help you understand more deeply the mystery of Holy Love, for during these times and at this urgent hour, I can offer you no greater Refuge, security, or provision than the Heart of My Mother. Find your way into Her Heart through Holy Love, and seek no other refuge."

They are giving us the Blessing of the United Hearts.

---

**May 19, 1998**

Our Lady comes as Refuge of Holy Love. She says: "Let us give praise to Jesus, My Son."

"My angel, today, I invite you to understand that there are some who do not understand the needs of My Heart. It is so, for they are distracted with much self love, and through self love, the affairs of the world. Indeed, humanity in general has been drawn off course and along the path of perdition by this means."

"The needs of My Heart are all based on Holy Love. I desire the salvation of every soul. I weep before the throne of God for those who will not choose their own salvation. I am ready to welcome each one who will turn to Me. I am calling each one by name."

"There has been confusion and deceit in the world from the beginning, never before to this degree."

"Once again I tell you: Holy Love is the narrow gateway each one must pass through to reach salvation. Each one may find it in different ways or call it by different names; but in the end, you must love God above all else and your neighbor as yourself. Do not seek a different path."

"In My Son's Church, be strengthened by the sacraments. Use them. They are given to you by My Jesus. Use them."

"Pray for the unborn this way: 'Jesus, protect and save the unborn.' Say this little prayer often and after each decade of the Rosary."

"I am always with you, helping you to choose Holy Love in the present moment."

"You will please make this known."

---

**May 21, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says:

"Praise be Jesus. Pray with Me now, as I pray with and for those who are here tonight."

"Dear children, as My Son was lifted into the air, we awaited the coming of the Paraclete with hopeful hearts. You, too, My children, must await, with hearts of hope, My Son's Second Coming. I am with you, and I am praying for you. I am blessing you."

---

**May 21, 1998**

Our Lady comes as Our Lady of Light. "I am here, My daughter.

Do you see Me? Do not fear; I come in praise of Jesus, My Son."

"You are calculating what you will say to these people . It is good you have notes; but trust, as well, all I have entrusted to your heart."

"Those that seek only to satisfy themselves in the world will be lacking in the next and may fall short of the promise of salvation. My Son taught you self-effacement by example when He lived amongst you. You cannot follow Him on a path contrary to the one he walked Himself."

"Untold treasure awaits the one who seeks holiness through Holy Love. No one enters the Kingdom who does not love God above all else; and his neighbor as himself. These laws cannot be compromised."

"You will please make this known."

---

**May 23, 1998**  
**Raleigh, NC**

Blessed Mother is here as Mary, Refuge of Holy Love. She says:

"Praise be Jesus. Pray with Me now, dear children, for hardened hearts."

"Dear children, I am praying with you and for you. I invite you to be messengers of Holy Love through My grace and the witness of your lives. Come as a group to My prayer site, and I will bless you, as even now I am blessing you today. I extend to you My Blessing of Holy Love."

---

**May 25, 1998**  
**Monday United Hearts Prayer Service**

Jesus and Blessed Mother are here. Their Hearts are exposed; and Blessed Mother is dressed as Mary, Refuge of Holy Love. She says: "Praise be Jesus."

Jesus says: "My dear brothers and sisters, know and understand I have established this Holy Father as Vicar; and I am requesting your obedience to him: in prayer, in thought, in word, in deed; support him in every way possible. As I have established him in prominence, in hiddenness I am establishing you as My faithful remnant. Tonight, We extend to you Our Blessing of Our United Hearts."

**May 26, 1998**

Blessed Mother is here as Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now for the hearts of unbelievers." We prayed.

"Dear children, as you are purified in the Flame of My Heart, which is Holy Love, I invite you tonight to carry the Flame of My Holy Love, each one of you being missionaries of My Heart. Tonight I extend to you My Motherly Blessing."

---

**May 27, 1998**

**Jesus**

"My child, listen to Me. Do you know why I cry? How many times have I sent My Mother to this site? I weep for those who do not come, do not pray, will not listen, and will not believe. Greater still is the pain I feel by those who blaspheme the visitations of My Mother. And the message - so pure - so clear - resonating My Gospels, how can it be controversial? Yes, we must pray. I will continue to weep until the triumph. With a passionate Heart I will continue to weep."

---

**May 28, 1998**

Our Lady comes as Refuge of Holy Love. She says: "Praise be Jesus.

At My greatest shrines, My daughter, no greater grace is given than is already present at this site. Much comes through the devotion of the journeying pilgrims. God chooses to use the natural to give supernatural grace. Such is true with the message itself; with the sources of water; the remnant of My hair, which will strengthen the remnant faithful; plus the multitude of occurrences on film. I come to challenge the faint of heart, to give precious self knowledge, and to bring favor into the world. Please make it known."

---

**May 28, 1998**

**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. "Tonight I desire to pray over the people, who are here, for their petitions."

"Dear children, tonight, I invite you to understand the need I have for your Rosaries. These Rosaries, My dear children, are the weapon that will defeat Satan . I am calling you to prayer, and you must not give in to Satan's ploys and tactics that take you away from Me and away from prayer. The evil one tries to distract you, and discourage you, and keep you from praying. When you surrender to this, your hearts are not open to My grace; and I cannot lead you. Therefore, My dear children, you must remember that, with your Rosaries, I will defeat Satan. I am blessing you."

---

**May 29, 1998  
New Jersey**

Blessed Mother is here as Mary, Refuge of Holy Love. She says:

"Praise be Jesus." She is greeting everyone here and is holding Her hands out over everyone. "Pray with Me now, dear children, for unbelieving hearts."

"Dear children, you hold no petition in your heart that is unknown to Me. Together, and with My grace, we can be triumphant over every situation and victorious in every heart. Dear children, follow Me into the New Jerusalem this evening, now, in this present moment. I am blessing you."

---

**May 30, 1998  
Philadelphia, PA**

Blessed Mother is here as Mary, Refuge of Holy Love. She says:

"Praise be Jesus." She is holding Her hands out over the people.

"Dear children, I pray for your every need and your every consolation. Tonight, I am asking you to be stalwart in the tradition of faith as handed down through this Pope, John Paul II."

"Defend the faith. I am with you, and I am always your Refuge and your protection. Tonight, I am extending to you My Blessing of Holy Love."

---

**May 31, 1998  
Pentecost  
Philadelphia, PA**

Blessed Mother is here as Mary, Refuge of Holy Love. She says:

"Praise be Jesus." She is wishing everyone here a happy feast day. She says: "I desire to pray with the people now;" and She is holding Her hands out over everyone. She says: "There are some here who will be healed. There are others who will be assisted with My grace in carrying their crosses."

"Dear children, I thank you for coming today. I invite you to open your hearts to Holy Love and be anointed with the Spirit of Love. I invite you to be united as one, in the Flame of My Heart, and surrender to Me your lives, your hearts. I wish to lead you along the path of Holy Love and into the New Jerusalem." She is giving us the Blessing of Holy Love.

**June 1, 1998**  
**Monday United Hearts Prayer Service**

Jesus and Mary are here. Their Hearts are exposed. Blessed Mother says: "Praise be Jesus." Jesus has His hands extended, and He is praying over us. Blessed Mother says: "Jesus will now speak." Jesus says: "My brothers and sisters, come after Me. Be united with each other. Hear this message. Let there be no one amongst you who does not follow into the Heart of My Mother through the Holy Love message, for to love Me is to love My Mother, and to love My Mother is to live in Holy Love." The United Hearts Blessing is given.

---

**June 2, 1998**

Our Lady floats towards Me in gray (the color that indicates war). She is holding in Her hands a heart that seems to be broken in two. She says: "I come in praise of Jesus. My daughter, this heart that you see torn apart is representing the heart of the Church. When I tell you that the Church will be victorious upon My Son's return, you must realize that before the victory comes the battle. The faith is under attack at this time, which is why I came to you as Protectress of the Faith and why I have been proclaimed Guardian of the Faith in another area of the world."

"The heart of the Church is embattled, for many have chosen to make their own consciences a false pope. They pick and choose and decide for themselves on matters of faith and even dogma. What is more confusing is that such as these continue to label themselves Catholic. They are not!"

"The faith has been set down for you through the ages. The deposit of faith is not open for discernment and judgment, only belief. My daughter, I hold both halves of this heart in My hands. The Church will be united once again through free will. Now it lies divided through false conscience. All that is false will be brought to light."

Now I see two rays of light coming out of Her Heart and pulling the heart back together.

"Consciences that are well-formed in the grace of My Heart - wills that embrace Holy Love - will win out. Pray, pray, pray."

---

**June 4, 1998**

Our Lady comes in blue and pink. She says: "My daughter, you must have courage and tell the people what I give you to say. It is by such a frail thread that the world hangs suspended over the abyss - the abyss between Heaven and earth. This is why, My daughter, I give you the strand of My hair to venerate; and, as you do so, to see the frail position earth has placed herself in. Only with much

love, prayer, and sacrifice will the frail strand remain. Oh My daughter, how I weep for the plight of the world today. How I weep. And My Son, I can no longer console Him. You must have courage. You must make this known."

---

**June 4, 1998**  
**Thursday Rosary Service**

Our Lady is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus, Creator and King. Pray with Me now for all people and all nations, that they be reconciled with God."

There are now four angels with Blessed Mother. She says: "Dear children, I invite you to understand that it is through My grace you are able to accept the cross and be reconciled to the cross. Without My grace you cannot be one with one another and united to the Trinity. Dear children, I am calling you to be reconciled through Holy Love." Our Lady blessed us.

---

**June 6, 1997**  
**Fifth United Hearts Chaplet Meditation**

Our Lady comes as Refuge of Holy Love. She says: "Praise be Jesus. Today, I invite you to understand that your 'yes' in the present moment to Holy Love is atoning to Our United Hearts. I tell you this, My little one, for to live in Holy Love in every moment requires heroic self-discipline and surrender to God's Divine Will through Holy Love."

"You can sacrifice many great things - possessions, events, and more - but none so great as your own will. This is the greatest atonement."

---

**June 6, 1998**  
**Saturday Song of Praise Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Let us pray now for the victory of the United Hearts."

"Dear children, every moment decisions are made in favor of abortion, in favor of apostasy, and in favor of war, for there is much error in hearts. I have come to console you and to bring you My peace, just as you console Me with your prayers and with your lives of Holy Love. Dear children, I want to be the path of light before all nations, that they may see the error of their ways and follow into My Heart of Holy Love. Pray for this. Tonight, I am blessing you with My Motherly Blessing."

---

**June 8, 1998**

The following message was given in several parts during the course of the day, June 8, 1998.

Our Lady comes as Our Lady of Fatima. She says: "All praise be to Jesus. My daughter, once again I come to you, asking your efforts on My behalf. I invite all of My apostolates to unite in the Refuge of My Heart. This Immaculate Refuge holds no favor of one over the other. Find your oneness in My call to you. Begin an international effort to put a stop to the atrocity of abortion. I invite you, especially on First Saturdays of the month, to come together. Pray as one family of believers for an end to legalized abortion. I will pray with you; and I will stay with you, blessing your efforts in hearts and in the world. Place your trust in Me."

She leaves. She returns. "Individuals, as well as whole groups, are invited into this effort. When sacrifice is added to prayers, it is twice as strong." She leaves.

"All in praise of Jesus, My King." Our Lady comes as Our Lady of Grace. She says: "Praise be Jesus, living and true God."

"My angel, do not be dismayed by the familiar tone of My call when I ask for First Saturdays against abortion. While I have often asked and pleaded for prayers to end abortion, now My plea is most urgent. I will state the reasons."

1. "Abortion is a stench in the nostrils of God. It is the sin amongst all others that is pulling the Arm of Justice down upon the world."
2. "The thin hair that unites the world to God is comprised of many Rosaries, many sacrifices. Therefore, see that it is by your efforts and My grace, the Arm of Justice is withheld."
3. "The nation that renounces the sin of legalized abortion will be sheltered in My Heart during the period of chastisement. Evil influences will be defeated within her midst."
4. "Abortion is a hideous sin against the law of love."

"There are more, many more reasons for My request; but these are the ones I ask you to make known. I am blessing you."

---

**June 8, 1998**  
**Monday United Hearts Prayer Service**

Blessed Mother and Jesus came with Their Hearts exposed. Blessed Mother said: 'Praise be Jesus.' Jesus says: "My brothers and sisters, if you have

surrendered to Me your unworthiness, all your sins and all your imperfections, I will give you My Mercy, as I have. You will be whole in My sight. Come to Me; My arms are open. I love you; and I forgive you." They gave us the Blessing of the United Hearts.

---

**June 11, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be to Jesus. Let us pray now for the needs of all those here present."

"Dear children, tonight I invite you to understand that the certain path to salvation, the path of God's Divine Will, is given to you through the Holy Love message. Dear children, hearing this message is not living in the Divine Will; nor is repeating this message with your lips living in the Divine Will. I say to you, that only when you live in the present moment in Holy Love are you living in God's Divine Will."

"Tonight, I am blessing you with My Blessing of Holy Love."

---

**June 12, 1998**  
**Monthly Message to All Nations**

Jesus and Blessed Mother are here. Blessed Mother says: "Praise be to Jesus." Jesus extends His Hands out over the people here and is praying for their needs.

Jesus says: "My brothers and sisters, put the household of your hearts in order with the broom of Holy Love; for when I return and reign over My Kingdom, which is to come, those who will be seated at My feet are those consecrated to My Mother's Heart through the Flame of Holy Love. They will be living in the Divine Will of My Father."

Our Lady says: "My children, I have come to help you understand the mystery of My coming to you. I call all people, all nations into My Immaculate Heart. Because My Heart is one with the Sacred Heart of Jesus, those who respond are thus in the Refuge of the United Hearts."

"What few realize is that the way into Our Hearts is the pursuit of holiness through self-examination of conscience. This is the way of perfection, the way to Divine Mercy and Divine Love. Those who are unwilling to search out their own faults, and to be perfected through Holy Love, will be found unworthy."

"Once again, all that trips you up is self love. You must avoid thinking of how everything affects you. Think of others. Self love leads to many crimes and atrocities, too many to enumerate, which offend the Heart of My Son and His Mother."

"Do not lay any obstacle between us, not your desires, your likes, or your dislikes. As little children, approach Me; and I will take you into the Heart of My Son. This is how you are called to live, as one with Our United Hearts in the New Jerusalem. Thus, will My Son come to reign over His Kingdom."

"Clothed in the majesty of Divine Mercy and Love, He will mount His throne and take dominion over all people and all nations. All the choirs of angels shall adore Him and await His bidding on that terrible and beautiful day."

The United Hearts Blessing is given.

says: "Praise be Jesus. Pray with Me for the conversion of all hearts."

"Dear children, I invite you to understand that every season has its purpose; and every present moment its reason. Therefore, I am inviting you with great love to follow the path of Holy Love, which is paved with all your iniquities trodden under foot. Dear children, it is not by accident you have come here, or that you have heard this message and this mission has been revealed to you. Pray to make the most of this opportunity in personal holiness. I am with you and leading you."

"Tonight, I am blessing you with My Blessing of Motherly Love."

"Dear children, today, I invite you to love My Son, Who is living in the tabernacles of the world. My Jesus is waiting for you, ever-present, ever-vibrant with Divine Love. Let your hearts become tabernacles of Holy Love and draw closer to My Jesus. I am blessing you today with My Blessing of Holy Love."

**Monday United Hearts Praise Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be Jesus."

Jesus has His hands outstretched over the people. He says: "My brothers and sisters, friends of Our United Hearts, take up your respite in the repose of Our United Hearts through the message of Holy Love. Do not be tricked by any allurements of the world or compromise of the Faith through others' opinions or others' actions. Soon I will return and be in your midst and bless you, as even now we are blessing you with the Blessing of Our United Hearts."

**June 17, 1998**  
**Jesus**

"If Satan cannot destroy your peace, he will be defeated in his efforts. Do not cooperate with him. Discover, My beloved, that trust and peace go hand in hand. Humility is the foundation of trust. Love is the ground [which] the foundation of humility rests upon. Love lays the groundwork for every virtue. Humility is the foundation of every virtue. So then as I call you always along the path of confidence in Me, see that first you need to love Me unconditionally and with humility."

"What a lesson for all people and every nation, if they would but open their hearts to Me and listen!"

**June 18, 1998**  
**Thursday Prayer Service**

Our Lady is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus.

Pray with Me now for the conversion of all hearts."

"Dear children, I have come to you with great need. Empty your hearts. Allow Me to fill your hearts with the grace of Holy Love. I have come to you with the need of giving you every grace and, most especially, Holy Love. Therefore, I invite you, My dear children, to empty your hearts of all that troubles you, all your concerns and desires. I will fill your heart with confidence, with hope, with joy, and, most of all, with love.

Dear children, tonight, I am blessing you with My Blessing of Holy Love."

**June 19, 1998**  
**Feast of the Sacred Heart of Jesus**

Jesus comes with His Heart exposed. "Concern yourself not with the affairs of the world. Give them to Me. The Holy Love message is a battle cry against sin. Therefore, allow Me to open the door to enlightenment."

"Everything proud is in opposition to humility and, therefore, Holy Love. Think of Holy Love as your own personal holiness. No one is holy who opposes Holy

Love. No one can claim humility outside of Holy Love. Perhaps the soul is ignorant of this message but still pursues holiness through a life of Holy Love. This is how I lay claim to souls - by the measure of love in their hearts."

"This response to Holy Love obliterates love of self. Self is forgotten. Then I am permitted to fill up the heart Myself. The heart that is truly emptied of self is Mine. As I am then part of this heart I have claimed as My Own, I am able to direct and guide it according to My desires. Thus, will the heart become one with the Divine Will of My Father."

"Each soul is dependent upon Me, upon My Mercy. Most do not realize it because they pursue happiness and security through themselves. When I return, all My children - all My sheep - will recognize their Shepherd, and I will take dominion over every heart. In this way, My victory will be a victory of Holy and Divine Love."

"I have chosen you to make this known."

**June 20, 1998**  
**Feast of the Immaculate Heart of Mary**

Our Lady comes as Refuge of Holy Love. There are white tear drops on Her Heart. I am not told what they mean. She says: "Praise be Jesus. My angel, I come to confide to you what must be made known. More of My priest sons need to address the sin of abortion from the pulpit. They must not confuse politics with sin. The world has made this sin a political issue. It is not a policy or law in God's Eyes. It is a sin. Further, it is a sin against creation itself. It is a sin that stirs the Heart of Justice to overflowing."

"Today, I come to you on the Feast of My Immaculate Heart to invite you to see that abortions occur in every present moment - piercing and offending Our United Hearts mercilessly."

"When you pray, wrap your prayers in love that the wounds of Our Hearts will be soothed. God will not forsake you in your needs. Pray that priests have a greater understanding of this evil and that their hearts be uncompromised in speaking against it."

"Today, and always, I am blessing you."

**June 20, 1998**  
**Saturday Song of Praise Service**

Blessed Mother is here. She has on a grayish-blue mantle and twelve stars over Her head. She says: "Praise be Jesus. Pray with Me tonight for the conversion of all souls."

"Dear children, I come to you tonight as the woman clothed with the sun, the moon beneath Her feet, and twelve stars as a crown over My head. These are apocalyptic times. The signs are all around you. If you do not understand My coming to you now, in this hour, and in so many places, then you do not understand the state of the world today. It is the plight of the unborn, the lack of love that takes their lives, which shall determine and chart the course of the world in the future. You must be much at prayer, My dear children, and understand the urgency of My call. My Immaculate Heart pleads with you for more prayer."

"Tonight, I am blessing you with My Blessing of Holy Love."

---

**June 22, 1998**  
**Monday United Hearts Praise Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be Jesus."

Jesus says: "Tonight, I tell you, in all truth, that the Holy Love message is the angels' trumpet blast which announces My return - piercing the darkness of the world. Abandon yourselves to Me this night. In this surrender you will find your freedom!"

Blessed Mother and Jesus extend to us the Blessing of the United Hearts.

**June 23, 1998**  
**Fourth Tuesday Mission Service**

Blessed Mother is here as Refuge of Holy Love. She says: "Praise be Jesus. Peace be with you, My children. I am pleased you are here tonight. Each time you pray the Rosary, I am with you. I am holding your hand and lending you My support."

"Each time I come to you in a special way, the world around you is changed forever, for new grace is given. Continue to pray in support of My Mission."

"Tonight, I am blessing you with My Blessing of Holy Love."

---

**June 24, 1998**

Our Lady comes as Refuge of Holy Love. She says: I come in praise of Jesus. As My time with the public shortens at this site, I desire that they know My presence is always and continually here. Many and profound graces are yet to come."

"Had My title as Protectress of the Faith been recognized here, it would have had a great effect, not only here, but in the country as a whole. Now you see the deposit of faith challenged on every level. Those who try to follow true Church tradition are ridiculed. Confusion and compromise reign over many consciences on matters of grave sin."

"It is My greatest desire to protect you against Satan's attacks on the faith."

"As your Mother and Refuge, I come not to placate. Nor do I come under any pretense that all is well. I come with love to call you back to the commandments, which have not changed. I come to help you understand that if you are Catholic you must know and obey Church law. All of these come under Holy Love. If you love God above all else and your neighbor as yourself, you will desire to please God in all ways."

"Do not prostitute your faith by adhering to what is popular in the world or by trying to please everyone. Stand up for the truth, which is Jesus Himself. He has created you to know Him and to love Him. Do not try to please everyone in the world around you. Satan would have you think this is the path of peace, the path of popularity. It is the path to perdition."

"As you are washed in the Blood of the Lamb, take a stand fearlessly for what is right. Do not renounce My position in the Church. I cannot protect you if you will not come to Me. Do not be afraid of criticism. This is a pride. Criticism means two things: a lack of understanding; a lack of willingness to believe."

"My coming to you is a challenge to choose salvation. Pick up the gauntlet and come to Me."

---

**June 25, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, once again, I thank My Son for allowing Me to come to you tonight. I come to you as a voice crying in the desert. I desire to give you, My dear children, a new Baptism in the Flame of My Heart which is Holy Love."

"Do not be distressed when others chide you for praying much and loving Me, for this is a trial that will lend strength to your prayer petitions. My dear children, I desire that you come to Me with all your intentions in your hearts; but pray most especially for My special intentions, which include every good thing for each one of you.

Tonight, I am blessing you with My Blessing of Holy Love."

---

**June 27, 1998**

Our Lady comes in gray and pink. She says: "Praise be to Jesus." There is a great light coming out of Her Heart that pulsates as She says this.

"My daughter, as I ask of you simplicity, I invite you to realize that response to My message needs to be simplistic. Consider the effects in the world if more would open their hearts to Holy Love. My triumph would be hastened. The period of tribulation you now find yourselves in would be greatly mitigated. In proportion to the response to My call, the hour of chastisement would be less severe. Fewer would fall to perdition. Devastating circumstances could be avoided."

"For these reasons, I invite you to see the necessity of carrying this message around the world." A private message was given.

"Those who have human contact in other parts of the world should support My efforts by contacting these people and promoting your visit in these areas."

Now She has a big trunk in front of Her. When She opens it, a bright light comes out. "My grace will travel with you, abounding in every aspect of your journeys on My behalf. Therefore, do not be timid but bold in your response."

"Surrender to Me. I will bless you."

**June 27, 1998**  
**Saturday Song of Praise Prayer Service**

Blessed Mother is here with yellow flowers around Her. She is dressed as Refuge of Holy Love. She says: "Praise be Jesus."

She says: "Pray with Me now for Holy Love to be accepted in all hearts."

"Dear children, thank you for your perseverance in prayer. Your prayers are the jewels resting at My feet. Tonight, I am presenting all your petitions to My Beloved Son as He is seated on His throne. Please know that My garment of protection rests upon you. To the critics, I invite them come and see. To the unknowing and unwise, I invite them to look into the message for the Gospel, the Commandments, and all My love within these words."

"Tonight, I am blessing you with My Blessing of Holy Love."

**June 28, 1998**  
**4th Sunday Prayer Service to Pray for Unbelievers**

Our Lady is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Thank you for praying in support of My intentions today. I would like to pray over the people here now."

"Dear children, today, I invite you to understand that My mantle of favor rests over this property and will so into the New Jerusalem. Therefore, My grace welcomes you and clothes you in dignity. Any favor you receive here today is testimony of My presence, and of My actions, in the world around you. Once again, I invite everyone here to be apostles of My Immaculate Heart. Consecrate yourselves to the Flame of My Heart [Holy Love] and evangelize this message."

"Today, I extend to you the Blessing of My Maternal Heart."

---

**June 29, 1998**  
**Monday United Hearts Praise Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: Praise be Jesus."

Jesus says: "My brothers and sisters, understand that My coming to you is a sign that you are living in an apocalyptic age. I shall return; and the light of Our United Hearts will pierce the darkness, trampling evil underfoot. Pray, My brothers and sisters, that all hearts are prepared for what is to come." The United Hearts Blessing is given.

**July 2, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She has many roses in front of Her. She says: "Praise be Jesus. Pray with Me now, dear children, for the spiritually impoverished."

"Dear children, tonight, as always, I come invoking your faithfulness to living out the Holy Love message. Dear children, it is through this message that your faith will be strong. It will not be compromised or set aside in many doubts. It is under these two titles, Protectress of the Faith and Refuge of Holy Love, I extend My motherly protection. Decide to understand this, My dear children; and with your wills come to Me under these titles, which are most precious to Me. I am your defense, your protection, and your refuge. I am blessing you."

---

**July 2, 1998**

Our Lady comes in white, holding pink roses like ones by the tabernacle. She says: "Praise be Jesus, King and Redeemer. My angel, I come to you today as

your merciful Mother. My grace is profound upon this Mission, as too, God's Mercy. You will expand the mission field to other countries giving witness. Many graces will be given and shared. Many testimonies taken. This Mission has seen poverty, been forsaken, attacked, and judged falsely. You yourself have been misunderstood. You have borne all of this in the humility of your heart."

"Now, today, I have come to help you realize that the rose is opening." (The roses She's holding open and give fragrance.) "You will speak where I call you to go; and, yes, My daughter, you will touch hearts."

I told her She would have to give me the words.

"I have and I will. As in any group of listeners some will not believe, but your job is to deliver the message. It is up to each heart to open to the graces given. My merciful heart will embrace you. My merciful heart will embrace you."

"You will be invigorated by the faith of those you meet, not to be outdone by the hospitality. It is the first of many journeys, one that will take you back to your basic roots of simplicity."

"Let your hearts overflow with joy. I will come to you in many ways in Ireland. Those meant to journey with you will come."

"I continue to bless you."

### July 4, 1998

Our Lady comes in pale colors. Her Heart is exposed with thorns around it. She looks sad. She says: "All praise be to Jesus."

"My angel, today, I invite you deeper into My Heart to understand the pain I feel as your country celebrates the birth of its freedom."

"Your country is entering a new century, far distant from the God it proclaims to trust. Instead of freedom your government has chosen slavery to sin. The Christian principles it was founded upon have been distorted, twisted, and compromised so that the citizens of most value and esteem are the rich, the young, and the powerful. This is not of God."

"The Ten Commandments are no longer valued. Those that do abide by them face mockery. The lowest of the low, the poorest of the poor, the weakest of the weak - such as the unborn - are the ones of most importance to God. It is the treatment of such as these that will determine the future of your country and of the world. Bring these to Me in your prayers daily."

Now the thorns around Her Heart open, and a stream of light comes out of Her Heart. "Please understand, My daughter, that My merciful love is upon this Mission and upon you, yourself. Great graces are forthcoming. Many and great doors are opening. As you proceed along this path, I invite you to come closer to Me. This is possible through your own efforts in holiness."

"Understand, Satan is always busily trying to unravel My plans. Be watchful."

I asked for the needs of all on the prayer line and those who came to the healing service. She nodded.

"I have confided to you My greatest need, which is Holy Love in each heart."

Now I see many little hearts coming out of Her Heart. "These are My apostles of love - My missionaries, whom I am sending into the world. Pray for them."

"I am blessing you."

**July 4, 1998**  
**Saturday Song of Praise Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now, dear children, for the future of your country."

"Dear children, tonight, I invite each heart in your country to realize and to look beyond fires, floods, and storms to see the Hand of Justice playing out in your country. Dear children, I long to take your country along the path of prayer and a deeper union with God. I rejoice in the prayer community you have formed on Saturday evenings, and I desire so much to come to you by the end of the year proclaiming My joy in a nation that has turned itself over to prayer. Dear children, I weep for those who do not realize the path they pursue. Pray always for the good of your country, for its leaders who have provoked God's Justice in the past and continue to do so. Tonight, dear children, I am extending My merciful love to your little group, to this Mission, and with great hopes for your country. I am blessing you."

---

**July 6, 1998**  
**Monday Praise Service**

The Sacred Heart and Immaculate Heart are here. Our Lady says: "Rejoice, and give praise to Jesus."

Jesus says: "My brothers and sisters, I have reserved for you, each one of you, a place of eternal bliss. To reach it, you must follow the path of Holy Love. Do not look around you at who believes or who approves, but know that this is the path of righteousness that My Mother calls each soul upon."

The United Hearts Blessing is given.

---

**July 9, 1998**  
**Thursday Prayer Service**

Our Lady is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now, dear children, for unbelievers and the lukewarm."

"Dear children, tonight, I am ready to sprinkle you with many little flowers of grace. Prepare your hearts by asking the Holy Spirit to make you vessels of grace. I have walked with this Mission through the valley of darkness, and I am with you on the Mount of Tabor. Many of you show great concern for My Son's return while I am trying to prepare you through Holy Love, which will bring you peace. Place your trust in Me, and prepare your hearts through Holy Love. I am extending to you tonight My Motherly Blessing."

---

**July 10, 1998**  
**Jesus**

"I come, not to give each soul what he demands, but what My Father wills. The best prayer is to be one with the Will of My Father."

---

**July 10, 1998**

Our Lady comes in pale pink and gray. She says: "I come in praise of Jesus, My Lord, My God."

"My angel, I have come to remind you that I am drawing all people and all nations to this prayer site. I do not invite My children to just any farm or converted soybean field but to the site of My predilection. It is by the hand of grace My favor will rest upon those who respond to My invitation."

"Before My Son returns, each soul will be made to know his state before God. Many await anxiously this hour of enlightenment. But, My dear children, you do not need to wait. Come to My site of favor. Step onto the property. Taste of My Spring. Your consciences will be laid bare before you. All that impedes your journey of Holy Love will be shown you."

"This is a favor, given with such force and strength at this site: it remains unprecedented elsewhere. You may travel and search for such grace; but it is here, now. I invite confessors to come and restore souls to the state of grace. Earth, indeed, finds herself in a precarious position before the Hand of Justice. If we work together, we can reverse some of what lies ahead. Just as your prayers, My angel, mitigated certain disasters. I am with you, and I am blessing you."

---

**July 11, 1998**  
**Saturday Praise and Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me tonight, dear children, for all unbelievers."

"Tonight, I remind you how quickly time passes, moment to moment, day by day, month by month, season by season. In all of this, see how quickly you pass from mortal life to your judgment; and understand that each present moment is precious in the eyes of God. Surrender to Holy Love. Tonight, I desire to give each of you expectant faith, as you await the return of My Son. And so, I will impart to you now My Special Blessing."

---

**July 12, 1998**  
**Monthly Message to All Nations**

Jesus and Blessed Mother are here. Their Hearts are exposed. Our Lady says: "Praise be Jesus. Pray with Me now for all petitions in hearts here today."

Child, today I come, once again, to prescribe Holy Love for the ills of every heart, all nations, and all people. I cannot, even as Mother of God, fill a closed heart. Therefore, let your prayers be for Holy and Divine Love to move the free will of all people to choose this path of salvation. Those, who cannot understand My messages, cannot understand the New Testament. Those, who do not recognize My voice, do not listen with the ears of the Holy Spirit."

"Abide in Me, and you will abide in the Heart of My Son. Reject Me, and you reject My Son. I do not come or speak of My own accord but by My Jesus' authority. It is Jesus Who sends Me to you. Those, who accept Me with hearts of faith and trust, are victorious over evil, for it is Satan who wants to take you off course."

"Please understand that it was prayer that controlled the fires in Florida. It was lack of prayer that caused them. As each new and unprecedented national disaster arises, remember this. You have a way out, a way around more disasters. It is your own prayers – most especially the Rosary. God will not honor apathy and compromise. He will honor your prayers. Turn to Him in humility and love."

"Dear children, I have come from Heaven to offer you a choice. The decision you make will affect the future of your country and the future of the world. The choice is this: the Flame of My Immaculate Heart which is Holy Love and your salvation, or the flames of Justice. You must choose for yourselves and for the future of this country and earth itself. My dear children, I am praying with you; and I am helping you to find the way to My Heart." The United Hearts Blessing is given.

**July 13, 1998**  
**Feast of Rosa Mystica**

Our Lady comes as Rosa Mystica. She says: "All praise be Jesus in the tabernacles of the world."

"My angel, thank you for coming. I need your prayers. When you pray, a blissful fragrance ascends to Me. God allows that I should come to you during these times as Protectress of the remnant faithful. More and more the prayer site will become a fortress of faith in the true tradition of faith. Battle lines have been drawn. There is no longer room for compromise. Those consecrated to Me have already been signed by Me and are ready to take up their shields and go into battle."

"Do not be afraid now to make known the position you are given to uphold – one of staunch tradition in support of this Holy Father. Others may waiver and pretend not to decide. Once again, I tell you, not to decide is to decide."

"While My Mission here remains ecumenical, those who respond as Catholics must be true to their faith – unwavering in their position. The faith is not a political football. When you take a stand to please God, you must not compromise it to please those in the world. What has been decided by this Holy Father is the decision you must abide by, or you cannot say you are Catholic."

"Please Me; soothe My Heart by realizing all that My simple message of Holy Love entails. You cannot give a qualified 'yes' to Holy Love, just as you cannot qualify the Catholic faith, only believing part of Church teachings and tradition."

"We must pray together for many with great influence who live lives of compromise. Satan does exist. He strikes at the heel of the Woman who crushes his head. My heel is all who come to be consecrated to Me, who live in Holy Love."

"I am always with you, blessing you."

**July 13, 1998**  
**Monday Praise Service**

Jesus and Blessed Mother are here. Blessed Mother says: "Praise be Jesus."

Jesus says: "My brothers and sisters, I invite every heart and every nation into My Love and Mercy, which is everlasting."

"You will find no comfort in the world but only here in this refuge of peace. I invite you to the triumph of the United Hearts." The United Hearts Blessing is given.

---

**July 16, 1998**  
**Thursday Rosary Service**

Our Lady is here as Mary, Refuge of Holy Love. She says: "Let us pray tonight for those who do not love."

"Dear children, never before has a battle been fought with so much power and energy. The battle today is fought in every heart; and the victory will come through the weapon of Holy Love, the Refuge of Holy Love, and the triumph of Holy Love. Never before, My dear children, have you been offered such a weapon, such a Refuge, and to be part of such a triumph. Tonight, I extend to you My Blessing of Holy Love."

---

**July 17, 1998**

Our Lady comes as Refuge of Holy Love. She says: "Praise be to Jesus. My angel, today I invite you to see that truth separates good from evil. This is at the heart of the Holy Love message. No one can enter the Flame of My Heart unless he is willing to surrender his soul to the grace of the present moment and to abandon evil."

"Further, please understand that My Beloved Son redeemed the world, not because He suffered and died but because He accepted His Cross and surrendered to it. So many people, My dear one, remain in the Garden of Gethsemane, suffering over and over the same anguish, for they refuse to surrender and accept the crosses God gives them."

"In this act of pride they reject God's Will for them. No one is without a cross. Every cross has a purpose. Every cross brings with it special grace."

"God does not abandon those who suffer for Him in humility. Pride does not understand humility or the cross. My coming to you is to assist you in your trials through the Solemn Refuge of My Heart. It is the hour of truth, the hour of many graces, the hour of trials for souls. Believe."

"I am blessing you."

---

**July 18, 1998**

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be Jesus. My daughter, understand the significance of My coming to you under this title and during these times. I come to announce the coming of an era of peace - long-lasting peace. You are living in a time of great conflict when Satan fights his last battle with the One Who will crush his head. He knows the ones consecrated to Me are the ones who will crush him. These truly consecrated souls are My heel. Holy Love is the true consecration. It is the way to be faithfully consecrated to Me

- the way to live moment by moment your consecrated life. The Missionary Servants of My Heart will expand and embrace many people and nations, for My call of Holy Love is to all people - all nations. Begin to see the immensity of this invitation."

"Today, as always, I am blessing you."

---

**July 19, 1998**

Our Lady comes as Refuge of Holy Love. She says: "All praise to Jesus."

"My daughter, the mystery of Christ's Agony in the Garden is deep and profound. It is in My Son's submission to God's Will for Him that the Crucifixion gains its merit. If He had rebelled against the Cross, it would not have been redemptive. See, in all of this, My Son's love for the Will of the Father. This is how every cross must be accepted in your life as well. Acceptance of the cross takes you deeper into Holy Love. Holy Love takes you deeper into the Divine Will of the Father and makes every cross easy and light." \*

"My Beloved Son was victorious through the Cross only because of His deep and abiding love of the Will of His Father. You, too, will be victorious. I will help you. This latest cross in your life will be transformed into grace."

"Be at peace through the Will of God."

*\*"Come to me, all who labor and are heavy laden, and I will give you rest. Take my yoke upon you, and learn from me; for I am gentle and lowly in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light." Matthew 11, vs 28-30*

**Monday United Hearts Prayer Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be Jesus."

Jesus says: "Come to Me, My people. Come. Take up your rest in My Heart, for in this refreshment you will find the New Jerusalem. My dominion is every heart that has surrendered to My Mercy. I want to heal you; I want to help you carry your crosses. My yoke is easy, My burden light. Tonight, I will bless you, together with My Mother. We extend to you the Blessing of Our United Hearts."

**Nightly Examination of Conscience**  
**Blessed Mother**

- Did I return Love for Love? (God's love for me back to Him).
- Did I find fault with anyone in thought or word when it was not my duty to do so?
- Did I transgress another's rights according to any of the Commandments?
- Have I tried to be an example of Holy Love and Holy Humility in my daily life?
- Have I allowed Holy Love and Humility to lead me deeper into the virtues: simplicity, prudence, patience, fortitude, and perseverance?
- Am I living the message only on my lips (for others to see - superficially); or do I have the message in my heart, thus having a private relationship with Jesus through Mary?
- Did I use the world - people, places, and things - to promote the message of Holy Love?
- Have I allowed the element of time to manipulate me, or do I use time wisely for the glory of God?
- If I am Catholic, do I know the Church laws and obey them?
- Am I faithful to my state of life?
- If I am Catholic, did I make good use of the sacraments?
- Did I accept and embrace the crosses in my life as part of God's Will for me; or do I rebel against the cross, thus losing grace for souls?
- If I receive special graces in any form, did I broadcast it to others unnecessarily; or do I realize I am undeserving and thank God for it?

**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now for all unbelievers."

"Dear children, tonight I desire to take you to the sublime heights of trust and confidence in My grace. You can only travel this road with Me, My little ones, if you choose humility, for trust is the fruit of humility. Dear children, if you knew with what love I call you upon this path, you would not waiver. And so, tonight, My dear ones, I am blessing you with My Blessing of Holy Love."

**July 26, 1998**  
**4th Sunday Prayer Service to Pray for Unbelievers**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, today I come to you as your wonderful Mother, the path

and the refuge you must seek. Let us pray now for the conversion of all unbelievers."

Maureen asked for a private intention. Our Lady said: "Yes, he is in my prayers."

"Dear children, once again I remind you to sanctify the present moment through your 'yes' to Holy Love. In this way, My dear, dear children, you will have nothing to fear and you will have peace in your heart. Abide in My Love as I am always with you, holding your hand, loving you, and guiding you. Today, I extend to you My Blessing of Holy Love."

**July 27, 1998**  
**Monday United Hearts Prayer Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be Jesus."

Jesus says: "My friends, My brothers and sisters, I have sent My Mother to you to be light on the path of holiness. Thus you must follow the message of Holy Love and be a shepherd amongst those who have not heard the message, who do not believe the message. When you do these things you show Me how much you love me, and our hearts are united – and you are at peace."

The United Hearts Blessing is given.

**July 28, 1998**  
**4th Tuesday Mission Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. My children, how I love that you are here tonight, praying for My Mission. Let us pray together now for all those whose faith is under attack."

"Dear children, tonight I ask you to pray for the grace to surrender this Mission to My Heart. To be able to surrender, My dear children, you must trust. And in order to trust, you must love with a humble heart. Therefore, see that all virtues depend upon a love that proceeds from humility. I need you to surrender all that troubles you, for it stands in the way of the Holy Love in your hearts. Tonight, I desire to fill your hearts only with My Mission of Holy Love. Tonight, I am blessing you."

---

**July 30, 1998**

Our Lady comes in white and pink. She says: "I come in praise of Jesus, My Lord and My God. My dear messenger, understand the full meaning of My message of Holy Love. I have come to you as I am sent, to prepare hearts for My Son's return. I have come to call you to holiness and to support you during this time of tribulation and purification. Dear children, detach yourselves from so much

dependence on the natural world. Have full recourse to the grace of My Heart. Herein find shelter from the storm, respite from the world, and solutions to every problem you may encounter. Fear is the handiwork of Satan, who is the enemy of the peace in your heart. Dear children, I invite you to be at peace as you await My Son's triumphant return. Pray this little prayer daily. I will pray it with you and send My grace into your hearts."

***"Heavenly Father, Creator of all that is good, take dominion over my heart. I surrender to you every burden and cross, all grace, and every virtue I may have. Perfect my heart through your Divine Will. Bestow upon me peaceful submission to your will in all things. Amen."***

"You will make this known." She leaves.

Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now, dear children, for all those whose faith is challenged."

"My dear children, tonight I invite you to understand that when My Son returns, as He will, He will establish on earth a new Kingdom whose rule will be the Divine Will of the Eternal Father. But, My children, I have come to prepare you for this era of peace through the Flame of My Heart, which is your purification. See with what love and joy I call you into this Flame and unite you to My Son. Tonight, I am blessing you with My Blessing of Holy Love."

**Saturday Song of Praise Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Let us pray tonight, dear children, for the conversion of all sinners."

"Dear children, have nothing but kindness in your hearts for one another, correcting error when it benefits the most good. Be on the lookout for Satan, who always comes dressed in good. The fruits of any effort inspired by Satan are confusion, miscommunication, and error. Therefore, do not act hastily in any instance, but have recourse to your Mother's Heart. My mantle of protection is over you. And tonight, I am blessing you with My Blessing of Holy Love."

---

**August 3, 1998**  
**Monday United Hearts Prayer Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Our Lady says: "Praise be Jesus."

Jesus says: "I have come, My brothers and sisters, to multiply My favor in your midst, in your hearts, and in the world around you. Have but the faith of a mustard seed and you will see all that I have promised." The United Hearts Blessing is given.

---

**August 4, 1998**

Our Lady comes as Refuge of Holy Love. She says: "Praise be to Jesus. My daughter, regard My Immaculate Heart, which is a reflection of the New Jerusalem. This is how the heart of My Mission amongst you must be. You must grow in holiness - each one - like the proverbial mustard seed or measure of yeast, so that your spirituality pervades even the air around you."

"True peace and joy emanate from a heart given over completely to Holy Love, like rays from the sun. In the Kingdom to come, this is how it will be. Holiness will be esteemed, not pushed aside and mocked. Each one will pursue the path of light with vigor and enthusiasm."

"Today, you must overcome great odds to make My message known. If you surrender unconditionally to My call, you will have joy and peace in the midst of darkness around you."

"I am blessing you."

**Feast of St. John Vianney**

St. John Vianney: "Priests need to take seriously their charge, which is the salvation of every soul given over to them by Jesus. Too much is made of social action, modern psychology, and the like. Not enough emphasis is placed on sin, salvation, heaven, and hell."

**August 5, 1998**

Blessed Mother is here in radiant white and has gold trim around Her mantle. She is holding a rosary that is all illuminated. She says: "Praise be Jesus. Tonight, dear children, let us pray for peace in all hearts."

"Dear children, tonight I would like to spend the remainder of the evening with you, as you celebrate the event of My birth in the world. I remind you that it is you yourselves who place distance between us through self love. This is so in your friendships in the world as well. When you become attached to your opinions and take pride in your own efforts, not realizing it is grace that accomplishes every good thing through you, you bring disunity and lack of peace into the world around you. My dear children, I desire that we all work together, that we love one another, and that we have peace in the world. Tonight, I am extending to you My Special Blessing."

---

**August 6, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now, dear children, for all those who suffer doubts against the Faith."

"Dear children, I come to you to prepare you for My Son's return and to guide you through the time of tribulation that rests upon earth. Tonight I invite you not to be discouraged in your prayer petitions, but to realize that God hears all prayers and answers in His way, according to His own Divine Will. Therefore, see and understand that the best prayer is to accept God's Will in your lives, and to understand that it is through your efforts and by the power of My grace that all victories are won. Tonight, I am blessing you with My Blessing of Holy Love."

---

**August 7, 1998**

Our Lady comes as Refuge of Holy Love. She says: "All praise to Jesus."

"There are many undercurrents in the world today that threaten peace, and even the future of humanity itself. But I have come to you so that in every tribulation you will be prepared in your own heart, and you will be living in peace."

Remember, when you live in Holy Love, I will take you by the hand and lead you in holiness. I will place you within the ark of My Heart."

**Cleveland Conference**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Thank you, dear children, for your prayers, and for your attendance here today at My invitation. Please understand that all I have foretold, through the messengers here today and others around the world, is already happening, and will happen just as I have stated. You will see the Book of Revelation turn to life. My dear children, when you read Scripture, pray it; and if you have a heart of love, you will understand all the details that you are to know. Today, I am extending to all here present My Blessing of Holy Love."

Our Lady is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Let us pray together now for all those who live in fear."

**August 9, 1998**  
**2nd Sunday Prayer Service to Pray Against Abortion**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now, dear children, for all those considering abortion in the present moment."

"My dear children, I will tell you why it is important to have Holy Love in your hearts in the present moment. What is in your heart, My dear children, governs and directs your free will. Therefore, if your heart is full of Holy Love, your thoughts, words, and deeds will be loving and pleasing to God. It is the amount and degree of love in your hearts that determines the worthiness of all your actions, your sacrifices, and prayers. Today, I am blessing you with My Blessing of Holy Love."

---

**August 10, 1998**

Our Lady comes as Refuge of Holy Love. She says: "I have come to prepare hearts for My Son's return. If My children lay up every sort of provision and were to gain perfect knowledge of the future, how does that give praise and honor to Jesus? No, I have come to lead them to the impregnable ark, the Refuge of My

Heart. To enter and remain in this ark, they must trust in Me. Trust proceeds from love and humility of heart."

---

**August 10, 1998**  
**JESUS**

"I have come to describe to you the great love I have for those who trust in My Provision. Those who trust and have confidence in Me will receive in this life My support and companionship in all their efforts. I will not abandon them. I will keep them in peace. In heaven I will place them at the foot of My throne, seated beside the saints who embraced My Father's Will, and those who have consecrated themselves to the Heart of My Mother. You see trust as a small thing. I tell you, it is all."

---

**August 10, 1998**  
**JESUS**

When I got to adoration, I told Jesus "They have all these candles lit around you today."

He said: "Yes, they do. I call you deep into Holy Love so that your heart will be illuminated and become a reflection of the Flame of My Mother's Heart."

A private message was given.

"The focus of the Holy Love message is to instruct My people how to live in the present moment as they await My return - not in fear, but to live in Holy Love. This is the foretaste of the New Jerusalem and of heaven itself. Worry is from Satan, who wants to destroy your peace and keep you in turmoil. I am peace. I have sent My Mother to you to give you peace. You cannot lengthen your life by worry or by any preparation. The time of your judgment is already written. But you can save your soul and increase your joy in heaven by living in Holy Love."

"Do not waste time seeking to know the future. Stay in the present. Here is your salvation. I have given you the key to heaven through My Mother. It is up to you to use it now. Then you will be prepared for whatever comes."

---

**August 10, 1998**  
**Monday United Hearts Praise Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be Jesus."

Jesus says: "My brothers and sisters, in the New Jerusalem you will live in Holy Love, and you will be Holy Love. But until My return, I ask you to trust Me to lead you along the path of righteousness."

The Blessing of the United Hearts is now being given.

**August 12, 1998**  
**Monthly Message to All Nations**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be Jesus. The needs here are many and varied today, but I invite you to pray with Me for those who oppose the Mission of Holy Love in their hearts."

"My dear children, as the millennium draws near, many seek answers and many think they know about future events. But, I invite you to realize that Scripture has it, no one prophesizes perfectly.\* Further, I invite you to discover the truth of Holy Love in the present moment. While you worry for the future, you have missed the grace of the present."

"This much I reveal to you. A great shadow of suffering has, and will, pass over this country. But it shall not rest upon it. This is because of your prayers and sacrifices, and in reward for the benevolent nature of your nation towards other countries less fortunate. But, I tell you, formulas and schemes have been shared during this decade with nations that do not understand their potential. Trust has been placed in those who are untrustworthy. Therefore, I call you once again to a renewed spirit of prayer and sacrifice. There are many scheming hearts in your world who have not been reconciled to God."

"Dear children, I have come to you so that you will understand how important your free will is. You can follow Satan into the world, or you can choose to be united to Me through the Refuge of My Immaculate Heart. Satan calls you along the road of deceit and confusion. The path I call you upon is joy, peace, and love. To choose one, you must give up the other. You cannot live in Holy Love and live in sin at the same time. Each one knows best what he must abandon in order to follow Me into the Heart of My Son."

"Dear children, it is not necessary that you believe My presence is here in order to be saved; but I caution you, you must live in Holy Love in order to reach salvation. Holy Love, which is to love God above all else and your neighbor as yourself, is gospel, irrefutable, and not subject to your discernment. Therefore, I come to invite you along the path of holiness through Holy Love. But I do not pull or push you. I wait for you to decide. When you come to Me with your heart open, I will embrace you. Dear children, I am always loving you."

The United Hearts Blessing is given.

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus." She says: "Dear children, understand in your hearts that a peace accord is only as strong as the weakest will involved in the agreement. I have come to

you in this country and called you here, for it is only through Holy Love that genuine security and peace will be reached."

"Dear children, you are beginning and you do not see the ways to spread this message in this country. But I have come to encourage you and to let you know that it is through My grace all will be accomplished. Now tonight, My children, as you continue to pray, pray for the victims, pray for those who have anger in their hearts, and pray for the perpetrators of this latest tragedy." She is blessing us.

**Feast of the Queenship of Mary**  
**Saturday Song of Praise Service**

"I have come to you as Protectress and Refuge of all people and nations. This is to give greater honor and glory to God and to Jesus, My Son. When you see nation rise against nation, remember, it is written thus. (*Luke, Chapter 21*) God has permitted the evil in hearts to spill over into the world. People choose evil through free will. God will not interfere."

"So that you know and understand the importance of My coming to you, once again I come to remind you that it is the love or lack of love in hearts that guides and directs the will. Therefore, see that acceptance or rejection of this Holy Love message charts the course of the future of the world. As events unfold, refer to My words to you tonight often. Surrender, My children, to My call."

"I am blessing you."

**August 23, 1998**

Our Lady comes as Refuge of Holy Love. She says: "Praise be to Jesus. Take down these words for all those who will come today."

"My dear children, today, I invite you to realize that each one of you is called to be a messenger of Holy Love. Holy Love is the highest call and the greatest gift. It is the means and the pathway to salvation and deep holiness. You must be My message to those in the world around you. I come for all people - all nations - and to sanctify the world. This message is your hope and your refuge, but only if you respond to Me. Dear children, be My instruments so that more can come to Me. Thus can I transform hearts and the world through you."

"Today you are being given My blessing."

**August 24, 1998**  
**Monday United Hearts Praise Service**

Jesus and Blessed Mother are here. Blessed Mother says: "Praise be Jesus."

Jesus says: "My dear brothers and sisters, when you live in Holy Love, your prayers, sacrifices, and your hearts become instruments towards My victory. The more you perfect yourselves in the virtue of Holy Love, the greater the instrument in My Hand. We are extending to you tonight the Blessing of Our United Hearts."

---

**August 25, 1998**

I see Jesus' wounded foot, then His whole figure.

"Here I am, your Lord and Savior. I have come to you so that you will remind My people they have not been created for themselves, but to give honor and praise to the Trinity, then to serve each other. My little one, each one exists for this alone. Any accumulation of earthly provisions, then, should be accomplished not for self, but to share with each other. Remember, Scripture has it he who would save his life will lose it, while if you abandon yourself to Me, you will find life. Each one is created for eternity. You cannot prolong this earthly exile by any human measure or preparation. Put the thrust of your effort into salvation, holiness, sanctity. Let there be no fear in your hearts. My Mother's heart offers every opportunity towards peace, deep holiness, and even your sanctity, if you surrender."

He blesses me and leaves.

---

**August 26, 1998**  
**JESUS at adoration**

"Scripture has it: Fear is useless. What is needed is trust. Greed and self love lead to self destruction. For what does it merit a man to gain the whole world, but lose his soul?"

"Allow Me to tell you the only preparation you need: the only provision to lay up of value is Holy Love in your heart. Everything else is superficial and passing."

"The time approaches when you cannot live for self alone. Each one will depend on the other for something. You will need to be steeped in Holy Love to share what provision you have with those around you. Let every motive of action be Holy Love. Do not cling to the world as though it is your salvation. Cling to Holy Love. Then, any provision you share out of love will bring you everlasting joy."

"You cannot run or hide from the day it is written you will come to Me. I can find you. I know you. I see all things. I love you. So do not fear Me. I know what you need and when you need it. Learn to think not in the natural, but rely on grace. I am fortifying My remnant. These are already chosen."

"I confide all of this to you with Divine Love - Divine Mercy. Believe in Me."

---

**August 27, 1998**  
**Thursday Prayer Service**

Our Lady is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Let us pray together tonight for those who do not accept the messages in their hearts."

"Dear children, tonight I invite you to understand that I call you upon the simple path of Holy Love, but you do not trust Me. Sometimes you fear and you take a circuitous route, one which is not to your advantage. I call you to gather into the ark of My Heart, but out of fear some are scattering and not listening to My call. Once again I invoke you to respond with your hearts to this simple message of Holy Love - the straight path to salvation and to the Heart of My Son. The only ark and shelter you need is the refuge of My Heart, which is this message. Tonight, I am blessing you with My Blessing of Holy Love."

---

**August 28, 1998**  
**JESUS**

"My child, I desire each soul understands the greatness of My Love and My Mercy. Higher than the greatest mountain is My Divine Love. Deeper than the greatest depth of the sea is My Mercy. Number the grains of sand on every beach and you will understand the numbers of graces I hold in store for those who trust in My Love, My Mercy."

"But alas! How many challenge this grace by their lack of trust. What a piercing wound it is when a heart closes to Me through lack of trust. To receive the fullness of My grace, you must trust Me. It is not possible to trust in My Provision a little, or part of the time. You trust when you have confidence in Me always."

"Trust proceeds from a loving, humble heart. If you do not surrender to Holy Love, Holy Humility, you will not believe in Me. Then you will not be ready for any situation."

"I have sent My Mother to you to prepare your hearts in Holy Love, Holy Humility, and trustful surrender to My provision. The untrusting will miss many opportunities for grace. Thus they will suffer more and I will suffer with them. Respond. Surrender. It is what is left in the present moment."

**August 28, 1998**

Our Lady appears as Our Lady of Grace. She says: "I have come to give glory to Jesus, My Son. You have some questions, My angel. I have come to assist you."

"My message of Holy Love complements any message bearing news of tribulation - even disaster. I have come to change hearts, to teach you how to live in love and humility in the present moment. It is only in this way you will be ready for everything - everything. It is only in this way you will be able to trust. Through trust, you will be open to opportunities of grace. Without trust, based in love and humility, many graces will pass you by; you will not recognize My Son's provision, as His providing grace often comes clothed as a cross. You cannot surrender if you do not first love with a humble heart. If you only knew how grace has already proven itself to you, you would believe in Divine Provision."

"Today, I am blessing you."

---

**August 29, 1998**

Blessed Mother is here as Refuge of Holy Love and She has rays of light coming from Her hands.

Jesus says: "Shalom! My brothers and sisters, peace be with you. I have come to lead you into the New Jerusalem through Holy Love."

The United Hearts Blessing is given.

**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now, dear children, for all those who never pray."

"Dear children, tonight I invite you to realize that when you pray, your heart is open to grace and the world around you changes. I have come to lead you through love into the New Jerusalem. Therefore, my children, pray much for the virtue of love in your hearts and in the hearts of those around you." Our Lady blesses us.

---

**September 5, 1998**

Our Lady comes as Refuge of Holy Love. She says: "Thank you for coming. Let us give praise to Jesus. My daughter, I invite you once again to share in the victory of Our United Hearts. Each time you surrender to Holy Love in the present moment, you are conforming your will to the Divine Will of God and hastening Our victory over evil."

"How splendid will be the New Jerusalem in its love and simplicity. How foolish those that try to prepare in the natural world for what is to come. The remnant is numbered and secured. Some who are chosen have not realized their conversion as yet, but their choices are known in heaven. You will never be prepared for My Son's triumphant return in glory unless you are living in Holy Love in your heart. If your heart is unprepared, then you are unprepared. The ones who trust only in themselves will surely perish."

"No one knows the hour or day of My Jesus' return except the Eternal Father. Do not give your hearts over to many preparations in the world. You will miss the present moment."

"My heart is your solemn Refuge and fortress. Rely on My grace. Just as the mantle on the statue you were restoring is chipped and imperfect, so My mantle of protection is compromised upon those who do not place their trust in Me."

"I come to lead you into the pure light of sanctity, the Flame of Jesus' Heart. Here is the Flame of Divine Love and Mercy. Oh, that souls would surrender."

"I am blessing you."

**September 5, 1998**  
**Saturday Song of Praise Service**

Blessed Mother is here as Our Lady of Fatima.

She says: "Praise be Jesus. Pray with Me now, dear children, for those who never pray. Dear children, tonight I ask of you that you pray the Rosary one time a week in front of My Son in the Blessed Sacrament. At this time pray for life, which is so under attack. I have come with this special request as so many still today die in great numbers at the hands of the abortionists. The Rosary, My dear children, in front of the tabernacle, is a particularly great weapon in favor of justice. Tonight, I am blessing you with My Blessing of Motherly Love."

### **September 6, 1998**

Our Lady comes with three angels as Refuge of Holy Love.

She says: "My angel, I have come to lead My children deep into the Flame of Divine Love that is the Heart of My Son. Let us give praise to Him. Contemplate for a moment the perfection I draw you to. Every virtue is an imitation of Him who is perfection itself. Every virtue is based on humility and built up in love. And so, this is what every heart is called to be - humility and love. The more you make Christ the center of your heart, the more He will be the center of your lives. All evil is based on self love. Therefore, see how important it is to put yourself last and God first. This is the order in which people need to live and base their priorities. It is when this order is disturbed that all sorts of evil confusion comes in. See that mankind himself invites evil into his heart, his life, and the world around him."

"Do not make so much of your own ideas and plans. When things do not unfold as you think they should, you then become agitated instead of seeing it as God's plan for you. In all things maintain a humble attitude and you will be at peace. Desire holiness. Long for it. I will bless you."

### **September 7, 1998**

Our Lady comes as Our Lady of Grace.

She says: "Praise be to Jesus. My angel, I have come to affirm My mission in you, which is to prepare hearts for My Son's return. All sinners need to realize their shortcomings before God. Self knowledge is a precious grace which will be given if asked for. Obstacles on the path to holiness are always rooted in self love. It is because My message of Holy Love opposes self love so vehemently that we are opposed. Even the greatest enemy of Holy Love will be convicted of his error if he comes to the property; for at this site, self knowledge is freely given. The same grace is given to those who pray with a sincere heart. It is a grace vital to every conversion. Remember, the term 'sinner' means everyone. Do not think about the error in your neighbor's heart, but pray to be shown your own. I am blessing you."

**September 7, 1998**  
**Monday Evening Praise Service**

Jesus and Blessed Mother are here. Their Hearts are exposed.

Blessed Mother says: "Praise be Jesus." Jesus says: "Thank you for coming and for believing. Understand that this Holy Love message I send My Mother to you with is part of My Mercy in these last days. Believe it. Live it."

The United Hearts Blessing is given.

---

**September 8, 1998**

Our Lady comes as Our Lady of Grace.

She says: "Praise be to Jesus, My angel. I come to you today to describe to you the power of grace in the world around you and in each soul. There are many books and sources that define for you grace in the deposit of faith. While I know you are unfamiliar with this, I have come to help you understand how grace works."

"Grace is God in action. Grace comes disguised as the present moment. It is grace that influences the free will to choose good over evil. Grace is the mother of every conversion. Through grace, many negative situations result in good. Grace is the vehicle of every virtue and the driving force behind the call to holiness. You see grace as a sometimes thing. I tell you it is all around you and always present. Grace can heal hearts and bodies. Grace can stop wars and inspire peace. Do you need a mountain moved? Ask for the grace with a believing, fervent heart. Live your life dependent on grace. This is the doorway to trust. I am blessing you."

**September 8, 1998**  
**JESUS**

"Tell My people this: Grace is their protection and secure refuge. It is their reconciliation with God. It is their salvation. Trust in grace."

---

**September 8, 1998**  
**Feast of the Nativity of Mary**

Blessed Mother is here as Mary, Refuge of Holy Love.

She says: "Praise be Jesus. Let us pray tonight for all unbelievers." We prayed.

Blessed Mother looked at everyone in the room, smiled and said: "Dear children, thank you for praying with Me tonight. I invite you to understand that the Rosary

is your protection and your safeguard against harm. I come to invite you to pray often; for this Rosary, My dear children, is not only a weapon, but a refuge. Those who are devoted to My Rosary will not be overcome by misfortune. Tonight, I am blessing each of you with My Blessing of Holy Love."

---

### September 9, 1998

Our lady comes as Refuge of Holy Love. She says: "Praise be to Jesus. My daughter, today many are deceived in thinking I come to frighten people into a conversion. Let it be made known: I come to unite all people and all nations in Holy Love. It is only in this way, the world can be reconciled with its Creator. Each heart affects the whole world. Each heart needs to choose in every present moment between good or evil. With God there is no half measure. If you choose holiness with a sincere heart you will not be denied it."

"These days recognize that Satan means to carry you away with many concerns, confusion, and complacency. The more you choose to live in Holy Love, the more holy you will become. The greatest portion will not be denied you. Your prayers and sacrifices are as powerful as the love that is in your heart as you offer them."

"My formula for world peace at first glance seems simple. In practice, it is difficult, for it carries you away from the conflict of worldly values and makes certain your choice in each present moment. Today, as always, I bless you with a Mother's love."

She returns as Refuge of Holy Love.

"Praise be to Jesus. My daughter, I hold no secret plan in My heart for your physical well-being in difficult times ahead. I have shared all with you. The formula is Holy Love in the present moment. If you have this, you have all. Then, times and dates of specific events are no longer important to you, for you are prepared. I am blessing you."

---

### September 10, 1998 JESUS

"Today and in these times there is little merit afforded Divine Providence, and even less belief in the grace of the present moment. This is a great wound of My Heart – a great wound. My people believe more in their own efforts, the people around them, and in things, than in Me. If I knit each one in the womb, could I not also see to their every need throughout life?"

"Once again I tell you, the world is not without its desperate hour. I know which ones will come to Me – which ones I will look after on earth. My grace will sustain you, even in the most unsettling present moment."

"During these numbered days of talks, prayer, and rejoicing, I will shed grace upon My people. I will renew your trust in Me and freshen your commitment to holiness. Venerate the Way of the Cross. Surrender your hearts and lives to Me. My Mercy falls upon you in this Holy Love message. I love each of you."

---

**September 10, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love.

She says: "I come in praise of Jesus. Dear children, thank you for coming and praying with Me tonight. As you pray, understand that the greatest virtue is holy trust; for trust proceeds from deep humility, deep Holy Love, and a sincere surrender to the Divine Will of God. My children, I desire so much that you trust in Divine Providence. Tonight, I am blessing you with My Blessing of Holy Love."

---

**September 11, 1998**

Blessed Mother is here as Mary, Refuge of Holy Love.

She says: "Praise be Jesus. Dear children, pray with Me now for all clergy and religious whose faith has been compromised. Dear children, tonight and during these last days before My Son returns, you are given the opportunity to earn many graces for yourselves and for your families. You can do this, My children, through your trustful surrender to Divine Providence. For it is when you trust that God is most attendant to your prayers. And it is when you love that God will answer your prayers. Tonight, I am blessing you with My Blessing of Holy Love."

**September 12, 1998**  
**Monthly Message to All Nations**

Our Lady comes as Refuge of Holy Love.

She says: "Praise be to Jesus, King and Creator. Thank you for answering My call to be here today, My dear children. Pray with Me now for all the unborn. Once again I am with you to prepare hearts for My Son's return. If each heart is prepared, then all people and all nations will be prepared. I am preparing you in and through Holy Love. It is Satan who would have you primed in fear and confusion. There is no place to hide from God. But, if you are living in Holy Love in the present moment, you are ready. It is in this way that you are living in the light of the Divine Will of the Eternal Father. This is the sum total of the preparation you need."

"Key to the future of your country and all nations is the treatment of the unborn. God has stepped back and is watching in merciful love. The Rosary is the

weapon against this and every evil. Please employ it. When you pray against abortion, have love in your hearts for these precious little lives that are being snuffed out."

"Praying, sacrificing, and living in Holy Love are all you can and need to do now. Fear, worldly preparations, and panic are from Satan. If I choose you to store food for others, you will know. But no one is being asked to store up worldly goods for self alone. Holy Love assists all others first and foremost, leaving self to last."

"Focus on the truth and not the imaginary. The truth is Scripture and the deposit of faith in My Son's Church. Use the sacraments to gird yourselves with strength. Believe in the grace of the present moment. Discover this grace by living in Holy Love."

Jesus is now with Blessed Mother. Their Hearts are exposed. Blessed Mother says: "Dear children, this is the moment that you must realize your conversion through Holy Love. It is in this way that I can lead you to My Son, and through the Divine Will you will live in the New Jerusalem in the present moment."

The United Hearts Blessing is given.

**September 13, 1998**  
**Second Sunday Prayer Service to Pray against Abortion**

Blessed Mother is here as Mary, Refuge of Holy Love, but She has a large sword in Her Heart.

She says: "Praise be Jesus. Pray with Me now, dear children, for those who are considering abortion in their hearts today. Dear children, understand that I weep for the lack of love in hearts, for the unconverted, those who have heard My message, but refuse to accept it in their hearts. Today, I am blessing you with My Blessing of Holy Love."

---

**September 14, 1998**

Our Lady comes in gray in a shimmering light. There are two angels with Her.

She says: "Praise be to Jesus, Redeemer and King. My dearest daughter, today I come on this feast of the Triumph of the Cross to remind My children that surrender to the cross brings victory. Jesus gave you this example in the Garden at Gethsemane. Though it was difficult, My Son was able to surrender to the Divine Will of the Father. This is the hour when you are being asked to surrender to God's Divine plan for you. You do not know the day or the hour of My Jesus' return, for it is written only the Father knows. But you are given this hour of Mercy

in which you can gain much merit by your unconditional love and trust. It is in this way much grace can come into the world."

"The faithful remnant will be comprised of hearts steeped in Holy Love. The victory will come through your efforts and will be a victory of Holy Love. Therefore, I am asking each one of you to shed your fear and put on love. Your surrender is your breastplate of courage, your trusting love your helmet of protection. Understand that the greatest war is the war that is in every heart. But good will triumph if you choose it. I am blessing you."

**September 14, 1998**  
**Monday United Hearts Praise Service**  
**Feast of the Triumph of the Cross**

Jesus and Blessed Mother are here. Blessed Mother says: "Praise be Jesus."

Jesus says: "My dear people, My brothers and sisters, I come to anoint you with a blessing that will envelop your heart in peace, love, and joy. I have within My power a new baptism to give you, one of Holy Love, which will lead you along the path of the righteous."

The United Hearts Blessing is given.

---

**September 15, 1998**  
**Feast of Our Lady of Sorrows**

Blessed Mother is here as Our Lady of Sorrows. She has a pink light around Her.

She says: "Praise be Jesus." A private message is given.

Then She says: "Ask the people to pray every day against abortion, for it is the sin that most grieves the Heart of My Divine Son." Our Lady blesses us.

Our Lady comes as Our Lady of Sorrows. "Please understand, My daughter, that the reason hearts are divided today is because people no longer know the difference between good and evil. The line that was once clear has become clouded by compromise. Consciences have not been well-formed in the truth, but have chosen their own way. I have come to you to help people see that any transgression against Holy Love is a sin. Yes, sin is very much alive today, though Satan would have you think otherwise. Holy Love is the way to reform your consciences and start over on the right path. All in praise of Jesus."

**September 16, 1998**  
**JESUS**

"The greatest treasure is faith built up in love. Oh, that souls would find this path!  
Oh, that they would travel it!"

---

**September 17, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be  
Jesus."

She has many sparkling lights all around Her.

"Pray with Me now, dear children, for all the unconverted. Dear children, I will tell  
you the secret of surrender, which is sweet and pleasing to the Lord God. Let all  
your personal desires melt away and dissolve in the Divine Will of the Eternal  
Father. If you ask Me, I will bless you with the will to achieve this. I extend to you  
tonight My Blessing of Holy Love."

---

**September 18, 1998**

Our Lady comes as Refuge of Holy Love.

She says: "Praise be to Jesus, truly present in all the tabernacles of the world.  
My angel, allow Me to clarify the issue concerning the angels given on the  
property. Each one who comes to the property receives an angel who assists  
them in going deep into the Holy Love message. The soul that unites to the Will  
of God through Holy Love is already in the New Jerusalem and living in union  
with Divine Love. Thus it may be said that the Holy Love angel leads the soul into  
the New Jerusalem."

"A second angel is given to those who will be part of the remnant faithful. It is not  
necessary that those who are part of the remnant realize it now, or know that  
they have the angel of the remnant. They should just stay in the present  
moment."

"People should not be concerned about the name of their angel. They can  
choose any name. The angel will respond. But they should learn to call on the  
angels in times of need. I am blessing you."

---

**September 19, 1998**  
**Saturday Song of Praise Service**

Blessed Mother is here as Mary, Refuge of Holy Love.

She has all these flowers around Her, like the flower arrangement I've been making. She says: "Praise be Jesus. My dear children, thank you for praying with Me tonight. In all truth I tell you, sometimes you only see the beginnings of grace to be all; but what awaits is like a vintage wine ready to be poured forth into the world. Tonight, dear children, I encourage you to ready your hearts and pray, pray, pray."

She blesses us.

---

**September 21, 1998**  
**Monday United Hearts Prayer Service**

Jesus and Blessed Mother are here. Their Hearts are exposed.

Our Lady says: "Praise be Jesus."

Jesus says: "My brothers and sisters, allow Me to take up My reign in your hearts through this message of Holy Love. Surrender and trust in Me in the present moment. When you trust only in yourselves and your own efforts, you lose sight of the present moment, and you lose sight of the path of Holy Love."

The United Hearts Blessing is given.

---

**September 22, 1998**  
**4<sup>th</sup> Tuesday Mission Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She has roses at Her Feet.

She says: "Praise be Jesus."

She says: "Dear children, thank you for praying and for believing. My mission in the world will be as strong as your prayers and the love in your hearts. For, My dear children, you yourselves are My mission in the world. Tonight, I am blessing you with My Blessing of Holy Love."

---

**September 24, 1998**

Blessed Mother is here as Refuge of Holy Love.

"I have come to you today in praise of Jesus. Once again I invite you to draw upon deep trust. The hour has already settled upon you, when one hand must help the other, when resources must be shared for the common good. But, it has always been so, as the unfortunate are always in your midst. Remember, the poorest of the poor are those who reject Holy Love. The world values possessions and power. God values only the Holy Love in your heart. This is why

Heaven's last call to humanity is Holy Love, for Holy Love is the last choice you must make for salvation. Therefore, My children, strip yourselves of the unnecessary, so that Holy Love can shine through and evil cannot penetrate it. My daughter, make the diagram I gave you in the dream."

*[The diagram has a heart in the middle, filled with Holy Love and Holy Humility. There are arrows encircling the heart and aiming to pierce it. The arrows are: Compromise of Truth caused by Pride; Wounded Ego caused by Pride; Voluntary Attachments caused by Pride; Unforgiveness caused by Pride; Anger caused by Pride; Self Love caused by Pride.]*

"My children, see that the arrows are thrown by Satan to destroy personal holiness. They all stem from pride."

"I wish to describe to you the soul deep in holiness through Holy Love. The hallmark of such a soul is peace. This is true, for the soul has overcome Satan's arrows of pride. Therefore, the soul is found to be gentle, patient, forgiving, understanding, easily corrected, joyful, and, last but not least, wise. The more these traits are recognizable, the holier the soul. I will deeply bless each soul's efforts to attain holiness. I will bless you."

---

**September 24, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. "Praise be Jesus. Dear children, pray with Me tonight for all those who do not embrace Holy Love."

"Dear children, tonight I come to lead you past your sins, past your failings, your faults, and your iniquities. I come to lead you into the New Jerusalem. My dear children, tonight I wish to give you the Blessing of the New Jerusalem, the Blessing of Holy Love. I desire that this Blessing touch your hearts so that you are thus able to live in the New Jerusalem as My apostles."

---

**September 26, 1998**

Our Lady comes as Sorrowful Mother in gray with many swords in Her Heart.

She says: "Praise be Jesus, My Son. My daughter, it is necessary that you understand I do not call My children into My Heart because all is well. Indeed, a great abyss yawns ever wider between Heaven and earth. I have come to call My children into the refuge of My Immaculate Heart to protect them from the dangers all around them. People count only that which costs human life as disaster, and loss of property as tragic. But the Refuge of My Heart keeps you from far greater harm - the loss of your soul."

"Understand, the Eternal Father has predestined My Heart as the ark of these times. HOW QUICKLY YOU, MY CHILDREN, WOULD SEEK IT IF YOU SAW MY HEART AS A PHYSICAL REFUGE. But, I have come to invite you to value the spiritual – the soul – salvation. Though you cannot see or touch these things, they are real – eternal - and the only pursuit of lasting value. Do not cast aside My invitation and chase after what you consider secure. Turn to Me, your Mother. I have suffered for love of you. I continue to do so. I extend the embrace of My Heart to each soul. I am blessing you."

---

**September 26, 1998**  
**Saturday Song of Praise Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. My dear children, I have come to you tonight, for you have come to Me. You have chosen to give Me your prayers. Therefore, I am able to withhold the Hand of Justice, which is lowering upon the world."

"Understand that at the root of the evil of abortion is a self-made bill of rights, which takes away the life of the innocents. Tonight, I am begging you to continue to pray against the evil of abortion."

"I am blessing you with My Blessing of Holy Love."

---

**September 27, 1998**  
**4<sup>th</sup> Sunday Prayer Service to Pray for Unbelievers**

Blessed Mother is here as Mary, Refuge of Holy Love. She is surrounded by a bright light and says: 'Praise be Jesus. Dear children, today I come in behalf of all unbelievers. I invite you to continue to pray for them daily. The opposition they hold in their hearts does not come from My message, but from the lack of love in their own hearts. God wills that each soul love, with Holy Love, in the present moment. How can you resist such a loving call? My dear children, continue to pray, pray, pray for such as these. I am blessing you."

---

**September 28, 1998**

Our Lady comes in bluish gray and white. She is holding a big mixing bowl.

She says: "Praise, honor, and glory to Jesus. My daughter, perhaps this is a bit simplistic, but I wish to compare prayer to the baking of a cake – a task I have watched you perform often."

"The bowl is Holy Love, for without the bowl nothing comes together to form the final product (the cake). The batter is the words of the prayer. It has many ingredients (many words that make up the whole). The batter is placed in a pan. The pan represents prayer intentions such as, petition, thanksgiving, praise, etc."

The cake is baked in an oven, which represents the action of the Holy Spirit in the heart as you pray. The final product, the cake, is the prayer the angels take into Heaven for you. While this process of prayer is going on, there are many, many ways the universe is affected. Satan sends his cohorts to attack the person at prayer. (He wants to make the cake fall, the prayer less effective.) The good angels are waging war with the evil spirits trying to allow the prayer to rise to Heaven. Meanwhile, in Heaven, the frosting, or grace, is being prepared for every prayer being offered. Even a cupcake is frosted. Therefore, see even the smallest ejaculatory prayer merits grace."

"I am always with you when you pray. I measure your breath, watch your lips as they pronounce each word, and call you into the presence of God. It is so with each soul. If you forget an ingredient, I add it. I love to flavor your prayers with My love. Therefore, see that you cannot fail in this endeavor, for I am blessing you, I am baking the cake with you."

She smiles and leaves.

---

**September 28, 1998**  
**Monday United Hearts Prayer Service**

Blessed Mother and Jesus are here with Their Hearts exposed. They are in a bright light.

Blessed Mother says: "Praise be Jesus."

Jesus says: "My dear friends, I am your respite in these troubled times. Do not fear My Second Coming, but long for it. I love you." They blessed us.

---

**September 30, 1998**

Our Lady comes as Refuge of Holy Love.

She says: "Praise be to Jesus, born Incarnate. My angel, I have come today to confide to you My mission – My apostolate. This apostolate is both interior and exterior. The soul of the apostolate is the spirituality of its members. The works stand as the exterior apostolate. Neither succeeds without the other. This is why you must see that prayer, based in Holy Love, supports My mission here. Your prayers and sacrifices move My apostolate forward even when there are not outward signs. Faith and trust keep you from stumbling into despair. Humility saves you from taking pride in what grace has achieved. It is only by grace you can overcome formidable odds. I am petitioning the Heavenly Father on behalf of My mission."

**October 1, 1998**  
**Feast of St. Therese of the Child Jesus**  
**Thursday Prayer Service**

Blessed Mother and St. Therese [The Little Flower] are here. They both say: "Praise be Jesus."

St. Therese has a rose in her hand and says: "This is the rose that represents TRUST IN DIVINE PROVIDENCE. It must open fully for those around you to appreciate its fragrance."

Blessed Mother says: "Pray with Me now for those who do not trust."

"Come to realize, My dear little ones, that when your trust is tested, it is not an excuse to falter or to slip into the sin of despair. Rather, it is an opportunity to advance in holiness by exercising the virtues of trust, confidence, patience, and perseverance. If you ask Me, I will give you the grace to assist you. I am blessing you."

---

**October 3, 1998**  
**Saturday MSHL Prayer Service**

Blessed Mother is here as Our Lady of Fatima. She says: "Praise be Jesus."  
"Pray with Me now for all those who never pray."

"Dear children, with your rosaries you can change hearts. This is more important than any measure of grace that you can receive. I will tell you why. Wars and natural disasters are in hearts first, before they are in the world. But if hearts change, then only good abides in every heart and in the world itself. I am telling you this so that you understand, My little children, how important one heart is in the future of the world. YOUR HEART IS THAT ONE HEART – EACH OF YOU. And I depend on you to be Holy Love in an unbelieving world. I am blessing you."

---

**October 5, 1998**

Our Lady comes as Our Lady of Fatima. She says: "Praise be to Jesus. My daughter, I have come to waylay fears and to answer questions that press upon your heart."

"You are questioning My reason for saying to you that natural disasters are in hearts before they are in the world. This is so. I will tell you why. Natural disasters, wars, and other calamities are permitted by God as punishment for evil that is in hearts. This does not mean that everyone who suffers in such a way is evil. But, I tell you, when the scale of love vs. evil becomes unbalanced in the world, many, many are affected. This is why one heart is so important in the scheme of the world, for God weighs and measures love against evil before He

permits any atrocity. Therefore, see that it is man himself, and lack of love in hearts, that cause and result in certain events. You will make this known."

"Go now in peace. I am blessing you."

---

**October 6, 1998**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Thank you for believing in Me, My children, as I believe in you."

Blessed Mother now kisses Bill's St. Benedict crucifix. Our Lady now kisses my St. Benedict crucifix and places Her hand upon the two medals I have in my hand. Our Lady now kisses Don's St. Benedict crucifix, and She makes the Sign of the Cross on his forehead.

"Dear children, you may use these items, upon which I have placed My Blessing, towards healing and extending My grace into the world."

"Dear children, tonight I have come to remind you that I am the Perpetual, Ever-Virgin Mary, Mother of God. In the present moment is all the grace you need. Do not let Satan distract you by the enormity of your problems or the abundance of problems, for each present moment holds new grace. I am with you always in the present moment, and eternally in the message of Holy Love. Tonight, I extend to you My Blessing of Holy Love."

---

**October 6, 1998**

Our Lady comes in grayish white. She says: "All praise be to Jesus. My little one, surrender all your concerns to Me. Is not the grace of My Heart greater than any of these? You will obtain what you need and more. Once again I remind you, prayer changes things. This includes every life situation, for it is through prayer hearts are moved and changed. People too often overlook the simple path of prayer and pursue the complex path of human effort. God will not forsake you or My mission. Many graces lie just ahead. Many a treasure will be revealed."

"As to your questions regarding when, how, and if: Trust that I am leading you – not to destruction, but to the miracle of a new life. How great the merit of a confident heart!"

---

**October 7, 1998**  
**Feast of the Holy Rosary**

Blessed Mother is here as Mary, Refuge of Holy Love. She is holding a rosary in which all the Hail Mary beads are flames. She says: "Dear children, I come in praise of Jesus, My Beloved Son. I welcome you here. I welcome your prayers. When you pray with love in your hearts, your prayers are as flames, and part of

the Flame of My Heart. Thus, I am able to convert souls and spread My call of Holy Love in the world. Dear children, tonight I extend to you My Blessing of Heavenly Love."

---

**October 7, 1998**  
**Feast of the Holy Rosary**

Our Lady comes as Our Lady of Fatima. She spreads Her arms and says: "Praise be to Jesus. My angel, take down these words. I wish to speak to you about prayer in general, and the Rosary in particular."

"Prayer, at its best, is the language of love between God and the soul. The most effective prayer rises from a humble, loving heart. When the soul recognizes its own littleness before God, and at the same time recalls how much he loves God, you can be certain God listens."

"This is why the Rosary is so powerful, and carries with it so many graces. With the Rosary, whole nations can be reconciled to their Creator. With the golden chain of My Rosary, Satan will be bound and gagged. He will be totally defeated and cast into the depths of hell. Therefore, understand it is always Satan who tries to discourage your recitation of the Rosary. It is through the Rosary Holy Love takes root in hearts and ignites personal holiness. When you pray the Rosary, meditating upon its mysteries, I am with you. The angels surround you, the heavenly court defends and assists you."

"My Rosary will defeat Satan and bring peace to hearts and so to the world. I hold special favor in My Heart for those devoted to the Rosary. I encourage the downtrodden, protect the vulnerable, convert the unbeliever –all through My Rosary. My little one, you will please make this known."

---

**October 8, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus."

"Dear children, tonight I have come to ask you to continue to trust in the grace of My Heart. Do not trust only in good and prosperous times, just as it is easy to love your friends. I am asking you to see that it is easy to trust when things are going well. But in times of adversity your hearts will be put to the test. Those who trust in the grace of My Heart, above all else, will be at peace. And they will understand and be wise amidst much confusion. Dear children, these are serious times and require your serious efforts in prayer and sacrifice. I have come to request this of you tonight. And, as always, I am blessing you with My Blessing of Holy Love."

---

**October 8, 1998**

Our Lady comes as Refuge of Holy Love. She says: "Praise be Jesus. My angel, I have come to help you understand Satan's influence and attacks on this mission. The evil one uses the natural world, and the people devoted to the world, to come against the profound spirituality of the Holy Love message. He uses people in high places to level false accusations against My mission. He spreads negative rumors concerning you as My messenger. He manipulates hearts to oppose Me. He discourages financial support to weaken the mission in this way."

"Through all of this, understand that My grace is stronger than his best effort. We will not fail, but will succeed in mustering strength from the least to the greatest. The property is not all Mine, but I share it with My children. We have been fortunate in the progression of events which came together to make this possible. When you say 'yes' to Me, I do not forget, and in your weakest moment I am with you."

"I call upon every heart to assist Me in this great worldwide mission. Be My Heart, My hands, My feet in this world. Most certainly, I will bless you."

---

**October 10, 1998**

Our Lady comes in white and pink. She says: "I come in praise of Jesus, My King. My angel, I invite you to understand that peace of soul and trustful surrender go hand in hand. In both virtues, the soul needs to be detached from his own will, from self love (an inordinate self-centeredness), and therefore have no desires. In this way, the soul is in union with the Will of God and reaching his perfection in Holy Love. This is the way to love, joy, and peace – all on a supernatural level – and it is the foretaste of Heaven."

"You will please make this known."

**October 10, 1998**  
**Saturday MSHL Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, pray with Me tonight that more will visit this site and receive insight as to the their faults and failings."

"Dear children, tonight I welcome you here, and I invite you into the hospice of My Heart. The proud will resist My call and the message of Holy Love, as they find their joy in the world and all that is passing. But to the humble, My message and My call will be sweet in their ears. They will come into the inner recesses of My Heart. Here they will not only learn to hide their humiliations, but also their

virtues and their graces, and they will have a private relationship with My Son and with Myself. Tonight, I am blessing you with My Blessing of Holy Love."

"Record this. My greatest favor rests on those who trust in Me. My greatest graces are reserved for the ones who have faith in My providence. Do you seek Mercy? Trust in Me. Do you seek peace? Trust in Me. Do not place any human effort or provision ahead of Me."

"The more you are detached from self and cling to Me, the more you will trust Me – the more you will be at peace."

**2nd Sunday Prayer Service to Pray against Abortion**

Our Lady is here as Our Lady of Fatima. She says: "I am Mary, Queen of the Holy Rosary. I come in praise of Jesus, My Son. My dear children, pray with Me now for all those who consider abortion."

"Dear children, today I come to you as Queen of the Holy Rosary, for I desire that you understand deep in your hearts that through the Rosary, evil can be conquered. Dear children, when you pray the Rosary, I am with you, holding your hand, preventing any misfortune from overpowering you."

"I desire, My dear children, that you pray the Rosary often for an end to legalized abortion, for it is a great sin that pierces the Heart of My Son. I weep for those who submit their souls to such evil."

"Continue to pray for peace in all hearts. Peace will only come when you detach yourselves from all that is worldly, and make My Son the center of your lives."

"Dear children, today I am blessing you with My Blessing of Holy Love."

**October 12, 1998**  
**Monthly Message to All Nations**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. I invite you to see that the Eternal Father holds a plan in his Heart for the world and all humanity. It is not ours to see how every piece fits in the puzzle, or the amount of time it takes to come together; but, we know the final outcome will be the conformity of man's will to the Will of God."

"Many events must take place first. It is necessary in order for the pieces to fit. Some events will carry with them an awakening as to the power of God, and the

uselessness of money, power, and status in the world. All will take place to show mankind the necessity of relying upon God's grace and strength, and upon each other. And so, people will be brought to the footpath of Holy Love. Those who rely on their own efforts will be lost."

"Do not live in fear, as Satan would have it. Live in Holy Love, as though My Son, Jesus had already returned. Then you will be given grace to see the path and the way."

"It is during these days of trial that are to come, each one's strengths and weaknesses will be brought to light. And so, My children, I am asking you to prepare interiorly, through My message of Holy Love."

"Dear children, today I remind you that I come to you so that all nations and all people will be reconciled to their Creator. Realize, My dear children, that annihilation by a nuclear power is not a deterrent to war for some leaders in the world. This is why, dear children, I call you to realize this simple and humble message of Holy Love can bring lasting peace into the world."

Maureen asks Blessed Mother if She will heal some of the people here today. She says: "My daughter, some will be healed; more will be healed on December 12th; and others will conform their will to the Will of God through the cross."

Jesus is now with Blessed Mother. The United Hearts Blessing is given.

**October 15, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She has three small angels with Her. She says: "Praise be Jesus. Pray with Me tonight, dear children, for all those who do not follow the path of Holy Love."

"My dear children, I have shown you the way, and given you the path of Holy Love, which is certain and secure. Do not seek out other messages in the world that hold the promise of worldly security. Rather, review, re-read the messages I have given you – which is the greatest law of love that Jesus Himself gave you when He walked the earth. Begin to live these messages and you will be at peace, and you will feel secure. Dear children, tonight I am blessing you with My Blessing of Holy Love."

**October 17, 1998**  
**Saturday MSHL Prayer Service**

Blessed Mother is here as Refuge of Holy Love. She says: "Praise be Jesus."

Our Lady continued. She said: "Dear children, tonight I invite you to understand the great treasure you have in the present moment. For it is in the present

moment that you are given the grace of salvation. Do not allow yourselves to be plunged into the past to brood over past errors, or to be plummeted into the future."

"Dear children, I have come to you to protect you, and to guide you. Follow Me. Follow My Son. Make Us the center of your lives. Tonight, I am blessing you with My Blessing of Holy Love."

**JESUS**

"With what whimsy and compromise people abandon the truth. This happened before, during the Nazi Holocaust. Innocent lives were taken for the false promises of a greater good. Today, the innocents are being sacrificed in the womb. The Nazi regime was brought to defeat. So, I tell you, will every country that embraces legalized abortion be brought to their knees."

"The decisions for or against Holy Love in each present moment are irreversible – eternal."

**October 20, 1998**

Our Lady comes in gray. She says: "My angel, once again, I come in praise of Jesus, My Son. I invite My children to understand that God is love. Therefore, accept in your hearts that Divine Love is the way, the truth, and the light. No one can come to the Father except through the Son, Who is Divine Love. I have been sent to lead souls into the light of Divine Love through the Flame of My Heart, which is Holy Love. If you reject Holy Love, you cannot approach My Son or the Eternal Father; for no one enters the narrow gate who does not love God above all else and his neighbor as himself."

"Through this message I offer, universally, salvation and, in the world, peace. Do not seek these things elsewhere. To do so is to be misled."

"The world needs to be governed by Holy Love, not a new order of government counseled by the adversary."

"Seek the straight path, My children. Seek the simple path of Holy Love. It is not new. My Son offered it to you when He was amongst you. I come only to help humanity rediscover the truth. I will bless you."

---

**October 22, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me tonight, dear children, for all those with unrepentant hearts."

"Dear children, tonight I remind you that it is your prayers that form the key which opens the doorway to Holy Love in your heart. It is only in this way, dear children, that you can share in the victory of My Heart. For those who do not seek entrance to the New Jerusalem through the message of Holy Love, I caution you: be ready - many consequences are at hand for the unrepentant. Tonight, I am blessing you with My Blessing of Holy Love."

**October 24, 1998**  
**Pennsauken, NJ conference**

Blessed Mother is here as Refuge of Holy Love. She says: "Praise be Jesus!" and as She says this, the light around Her Heart becomes brighter. "Dear children, today I come to you thanking you for responding to My invitation. Let us unite today, dear children, in the common language of Holy Love. Then, in Holy Love, trust in the grace of My Heart during every difficulty. The more you trust, My dear children, the more grace you will receive. Today, I am blessing you with My Blessing of Holy Love."

**October 26, 1998**  
**Monday United Hearts Prayer Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be Jesus." Jesus has His Hands out and says: "My brothers and sisters, I have come to draw into My Heart the remnant faithful. Do not be deluded or distracted by these times, by the world, and by certain people in the world. Do not be caught without oil in your lamp. I promise you, I am returning." The United Hearts Blessing is given.

---

**October 28, 1998**

Our Lady was appearing over the tabernacle in gray as I arrived in the chapel. She says: "Praise be Jesus. My little daughter, I have come to help you understand that as you prefer privacy and hiddenness, you will need to surrender to openness in the near future. On the 12th of December, My blanket of grace will cover our prayer site as never before. Once again, the eyes of the soul will be focused through cameras. The broken will be uplifted, the sorrowing consoled. The reflection of My grace will be upon the Lake of Tears and St. Joseph's Lake. Every statue will be a source of grace and healing as My Blessing rests upon them."

"The prayers hidden in hearts and long-standing in perseverance will be carried to Heaven by My angels. The tribulations that have plagued My mission will be supplanted by grace. Prepare for a multitude. Prepare! Then expect more than you imagine."

"My spirit and graces will not be removed from the property after December 12th. Indeed, they will increase and intensify."

"I have chosen you, My daughter, because of your inadequacies. But do not be reluctant from now on. You will be given the grace December 12th to see more clearly My mission through you. I am blessing you."

---

**October 29, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus." "Let us pray tonight, dear children, for all the unconverted."

"Today, My daughter, you were noticing the beautiful Fall colors, and I was with you. I invite you to see that when hearts are living in Holy Love, their hearts are vibrant and alive in the eyes of God. When you return from your trip [to a conference in Boston], the trees will be skeletons, stripped bare of their leaves. And so I invite you to understand that every soul that comes to this property is laid bare before God. How I sorrow and weep for those that do not understand their role in their own salvation. In truth I tell you, each one chooses or rejects Heaven themselves. I am praying with you and for you. Tonight, I am blessing you with My Blessing of Holy Love."

---

**October 31, 1998**  
**St. Margaret Mary, Westwood, MA**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "All praise, honor, and glory to Jesus. Dear children, thank you for your prayers on My

behalf. I will give you My grace in your hearts, in your lives, and in the world around you. The more you pray, the more you will be aware of it."

"Continue to pray against political issues which are really sins in disguise: all issues that oppose life, from conception through old age; all issues that promote rights that are really sinful - rights that are not rights, but oppose the laws of God. This is an important week coming up. Dear children, pray in support of all that Holy Love stands for. I am blessing you with My Blessing of Holy Love."

---

**October 31, 1998**  
**Marian Conference, Dedham, MA**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise, honor, and glory be to Jesus. Today I invite each one here to surrender their hearts to the message of Holy Love, thereby allowing God's Kingdom to reign in their hearts."

Our Lady advised Maureen to have the people hold up their rosaries, and She would bless them.

"I extend to you My Blessing of Holy Love."

**November 2, 1998**  
**St. Margaret Mary Church - Westwood, MA**

Jesus and Blessed Mother are here. Our Lady says: "Praise be Jesus." Jesus: "My brothers and sisters, I invite you to love and honor My Mother under every title and every devotion. In a similar way, it pleases Me when you honor Me under every devotion and every title. Devotions should not divide. If you have Holy Love in your hearts as you pray, you will be open to every call, every grace." The United Hearts Blessing is given.

**November 5, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Let us pray tonight for all those who do not respond to My call."

"Dear children, tonight I invite you to comprehend how much I sorrow for those who try to conceal their actions in hiddenness and under the cover of darkness. I tell you, all will be revealed and brought into the light. So many have not conformed their wills to the Will of God through the Holy Love message. Dear children, please understand, your sanctity is in the present moment, and it is up to you to respond. Choose good over evil. Choose holiness. Tonight, I am blessing you with My Blessing of Holy Love."

**November 6, 1998**

Maureen heard a little bell and looked up to see an angel with Our Lady. Blessed Mother is in blue and gray. She says: "All praise be to Jesus. I come to you as Queen and Mother. I desire that you make this known as I tell you. The prayer schedule after December 12th will be as such: You will gather to pray Monday evenings, Friday evenings and Saturday evenings. You will pray also on the 2nd and 4th Sundays. My Son will begin to speak to you publicly on all these occasions directly after the 12th of December. You will see Me on the occasions I choose and I will speak privately to you. Much will be given and revealed. The United Hearts Blessing will be given each time My Son comes. It will be a blessing of healing and reconciliation that My people may pass on to others."

"For now, I am blessing you."

---

**November 7, 1998**  
**St. John Vianney**

"So you are going to pray for priests on 2nd Fridays! It is good. It is very good. Pray that their faith is not compromised and watered down by popular opinion. Pray for their integrity. I, myself, will come and address the group."

---

**November 7, 1998**  
**Saturday MSHL Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus."

"Dear children, tonight I invite you to love unconditionally as you spread this secular order of the Missionary Servants of Holy Love. Do not love only those who please you, or who act or speak the way you think they should, for this reflects a flaw in your own progression along the path of sanctity. I am always here to help you, drawing you back into the present moment, willing to fill your hearts with the grace you need to be saints. Tonight, I am blessing you with My Blessing of Holy Love."

---

**November 8, 1998**  
**2nd Sunday Prayer Service to Pray Against Abortion**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus."

"Dear children, thank you for drawing together in prayer against this great abomination of abortion. The depth of dignity with which a nation treats its most vulnerable citizens will determine the type and depth of justice visited upon it. I

have, I am, and I will continue to lead you in holiness through the message of Holy Love. I am blessing you."

---

### **November 11, 1998**

Maureen was telling Blessed Mother that she was sorry she was sick and couldn't go to the chapel. Blessed Mother came and said: "My daughter, time and space cannot separate us. It is only when you yourself place obstacles in the way that we are apart. I come today so that every soul understands this. I desire each one live every moment immersed in Holy and Divine Love, thus, their whole being and existence giving praise to Jesus, My Son. This is how Heaven is. When I come to you and say: 'Praised be Jesus,' I am voicing not only My prayer, but the prayer of every saint in Heaven and all the choirs of angels."

"This, then, is how you should live moment by moment in Holy Love. Fill your heart, by an act of your will, with the Divine Presence. Remember how little you are before the Omnipotent God. Let all your prayers form and rise up to Heaven through love. When you give, do not look back. When you work, give it all to Jesus on the Cross. When you are tested, rely on My grace. Remember, Jesus was tested, too. In every temptation, know that My grace is the way out."

"Let your whole being permeate Holy Love. Do not judge others' motives, but deal with their actions as you need to."

"I am always with you, My Blessing always upon you. You will please make this known."

*Each time Our Lady visits Maureen, She identifies Herself, as from Heaven, by saying, "Praise be Jesus." The visionary responds, "Now and forever." For the sake of economy of space, Maureen's response is deleted from the messages.*

*Missionary Servants of Holy Love is an ecumenical, lay apostolate committed to living and propagating the Holy Love messages. These messages which support the two great commandments--love God above all else and love your neighbor as yourself--are given by means of private revelation to Our Lady's messenger.*

#### **MONTHLY MESSAGE TO ALL NATIONS**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praised be Jesus. Pray with Me today, dear children, for all hearts to be reconciled to God."

"Today, dear children, comprehend that evil does exist and there is war in some hearts. Much depends on prayer and your

individual efforts in prayer and sacrifice. The choices you seize upon in the present moment are long-lasting – everlasting."

"Once again, My children, I emphasize the simple, humble path. This is always a good choice. Prayer is always a good solution. Sophisticated efforts are often temporary solutions. But here, I give you the long-lasting choice. Do not think because it is simple that it does not work. It will work if you choose it."

"Often you do not see the yield your prayer merits. Every prayer is worthy and brings good into the world. When you continue to pray, despite Satan's discouragement, you, My children, are the cause of My joy."

Jesus is now with Blessed Mother. "Dear children, I invite you to understand that I have come to prepare you for My Son's Second Coming. When My Son returns there will be one Church, one shepherd, one flock. Until this time, do not be fooled by false unifications, which man attempts on his own without God. Do not follow false leaders who proclaim one world government, one monetary system, even one religion. Live simply, My dear children. Pray and I will be with you in every difficulty and in every triumph. Today, we extend the United Hearts Blessing."

---

**November 14, 1998**  
**Saturday MSHL Prayer Service**

Blessed Mother is here as Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, tonight, once again, I invite you to forget about yourselves and live in Holy Love. If you embrace Holy Love, in the present moment, I will increase the love in your hearts. You will be closer to Me, and to My Jesus. You will see the way to be holy. I want to embrace you with My Heart of Love, My dear children. Tonight, I am blessing you."

---

**November 14, 1998**

Our Lady comes in white. She says: "Praised be Jesus. Dear children, today more than ever, I invite you to have purity of heart – singular hearts. Keep your focus on Holy Love in the present moment, so that I can pour My grace into your hearts. I need to use you during these days of trial. I need your humblest prayers. Turn your hearts over to Me while there is still time. I am blessing you."

---

**November 16, 1998**  
**Monday United Hearts Praise Service**

Jesus and Blessed Mother are here. They have their Hearts exposed. Blessed

Mother says: "Praise be Jesus."

Jesus says: "My little flock, it is not long until My Mother will not be speaking to you publicly anymore. And yet, I tell you, Her presence and Her grace are long-lasting and will be with you always at this site."

"I invoke you to pay attention most especially now to what She has told you. I have sent Her to you to teach you the way to Divine Love – the Way, through Holy Love, into the Heart of your dear Savior. I am Jesus, your Savior." The United Hearts Blessing is given.

---

### **November 18, 1998**

Our Lady comes as Refuge of Holy Love. She says: "Praised be Jesus. My daughter, I have come to help you realize the depth of My call to you. Therefore, I will need to point out to you the reason for My coming to earth with this message of Holy Love. Love is the eternal virtue. This is why, through Holy Love, I have taught you and all who listen how to pray, how to live, how to embrace holiness, how to trust, how to surrender, and how to attain salvation. Everything I have told you has been said before by other mystics, at other apparition sites, and by Jesus, Himself. Yet, it was necessary that this little way of Holy Love be brought to light once again, in these times and during these last days. I have come to make you ready for My Son's Return in triumph and glory. I desire to share this triumph with you, which I can only accomplish if you surrender in the present moment to Holy Love. I have given to the world, through you, the devotion to the United Hearts – a devotion indicative of the Triumphant Reign of Our Hearts in the New Jerusalem."

"You are not prepared if any part of your heart is unloving. Therefore, examine your conscience, as I desire, daily. Purgatory holds many, many souls who did not pray, who held grudges, and who allowed themselves many 'small' faults. I invite you to be perfected through the Holy Love message. I will bless your efforts."

---

### **November 19, 1998 Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praised be Jesus. Pray with Me tonight for all the lukewarm."

"Dear children, tonight I invite you to understand that each one of you is My messenger of Holy Love. You are My messenger when you spread the message through prayer or through deed. You are My messenger when you seek to be the message in the present moment as a shining example to those around you of Holy Love. Dear children, tonight I am asking you to extend My mission around the world through your prayers. I'm blessing you with My Blessing of Holy Love."

---

**November 19, 1998**

Our Lady comes as Refuge of Holy Love. She says: "Praised be Jesus. I have come, as always, to prepare hearts for My Son's return."

"Dear children, today I invite you to understand that I have prepared your hearts with the truth that will lead you to salvation and sanctity, according to your will to respond to Me. You must draw strength and peace by re-reading and digesting all I have spoken to you. I have given you so much grace. Decide, My children, to use it. The world around you is topsy-turvy with false values and compromised morals. You must be strong and steady beacons of Holy Love in the midst of chaos. When My Son returns, all will live in one accord. Remember, I am always with you in the message, and as you pray, and as you decide for or against Holy Love in the present moment. I am blessing you, now and always."

---

**November 21, 1998**  
**Conference in Olathe, Kansas**

Blessed Mother is here as Refuge of Holy Love. She says: "Praise be Jesus. Dear children, thank you for answering My call to be here today. Thank you for your prayers. I invite you to pray always for the soul of your country, which has chosen evil over good in many ways. I am praying with you today. I am with you always in the Holy Rosary, and in the message which I have imparted to you." Jesus is with Her. The United Hearts Blessing is given.

---

**November 22, 1998**  
**4th Sunday Prayer Service to Pray for Unbelievers**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praised be Jesus. Dear children, do not hesitate in answering My call to Holy Love. Your hearts were created by the Eternal Father to be filled with Holy Love. Therefore, do not doubt, but turn to Me and surrender to My call. I am blessing you with My Motherly Blessing."

---

**November 23, 1998**

"My daughter, I invite you to understand today that all creation sings the praise of God, of Jesus, and of the Most Holy Spirit. It is by the Hand of the Triune God all was made. The moon and the stars were created to give light in darkness; so, too, the sun to enlighten and nourish the earth. All the elements have their place and function. In nature is the remedy for every illness."

"Every person was, is, and will be created to give honor and praise to the Trinity, and to love and serve God in a unique way. But, through free will, mankind has

interfered with the eternal plan, placing self ahead of the Divine Will, and disrupting the harmony of nature."

"Thus, you are experiencing the hour of tribulation unprecedented in history. Lives have been sacrificed who would have delivered the world from the brink of disaster. Great leaders and rulers have been aborted."

"I invite you to see that prayer and sacrifice are your only hope now. The Rosary must be used and prayed with devotion. Many, many Rosaries could have been said which have never been offered. My children carry their rosaries many places, but often neglect to use this powerful weapon and remedy."

"My tears today are copious. My consecrated children, are My only joy. If you study this Holy Love message, you will understand that this is the way to live a consecrated life. I have not much longer with you. All I have given you needs to be studied and brought to life in hearts."

"I have chosen the weak and the lowly to be My confidantes. I will make them strong to proclaim My truths. You will please make this known."

---

**November 23, 1998**  
**Monday United Hearts Prayer Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Our Lady says: "Praised be Jesus."

Jesus says: "My little flock, I have called you here tonight. Thank you for responding and loving Me enough to come. Through all eternity I have known you, and known what your response would be to My commandments of love. These two great commandments of Holy Love are the way, the truth, and the life." The United Hearts Blessing is given.

---

**November 24, 1998**

Our Lady comes as Refuge of Holy Love. She says: "My angel, I come in praise of Jesus. I invite you to see that you have had to extricate yourself from many situations. In doing so, your main concern was for My mission and not the opinion of others. All things have worked together for the greater good, as I have upheld you in My grace. Thus have I worked in your heart and continue to do so."

"You must not be concerned for the spiritual well-being of this refuge in the future. The needs of each one coming are known to Me. Their spiritual well-being is in My Heart. When the hour has arrived, priests will come. I will show you this on December 12th, as priests will be available for confession. I am extending an invitation to every priest to make himself available to Me on that day. They will be edified and rewarded. You will please make this known."

---

**November 26, 1998**  
**Thanksgiving Day**

Blessed Mother is here as Our Lady of Grace. She says: "Praise be Jesus." She wishes us Happy Thanksgiving.

"On the 12th there will be many signs in the sky, many miraculous photographs, angels present all over the property, most especially in the Stations. I am blessing you."

---

**November 26, 1998**  
**Thanksgiving Day**

Blessed Mother is here as Refuge of Holy Love. She says: "Praise be Jesus. Dear children, thank you for sharing the day with Me. I would like you to make it known that I am inviting the people who will come on the 12th to prepare with much prayer and sacrifice. When they ask for grace, if they ask humbly and it is God's Holy and Divine Will, they will receive what they ask for. Dear children, tonight I am blessing you with My Blessing of Holy Love."

---

**November 27, 1998**

Our Lady comes in white. She says: "Praised be Jesus, born Incarnate. My darling, look at Me. Regard the love I have for you. Understand that it is not necessary to know all that will happen. Even when you are in the desert, I am leading you. Remember, the events in My own life were not given to Me in advance. Rather, I depended on God to lead us in whatever way He would, knowing and believing in His love. It is when you begin to think Heaven's plan depends on you that Satan leads you into worry."

"What you need, I will give in a timely manner. Go in peace."

---

**November 27, 1998**  
**JESUS**  
*after Communion*

"It is those who approach this table without love in their hearts that wound Me the most. This is why My Mother takes such care to prepare you. When you receive Me, recall how I loved you unto creation itself. Recall all I have done for you. How I long to draw souls into My Eucharistic Heart!"

---

**November 28, 1998**  
**Saturday MSHL Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me tonight, dear children, for all those who never pray."

"Dear children, tonight I invite you once again to understand that the depth of your holiness can be measured by the depth of your love for one another. When you love someone, you desire their well-being, And so tonight, My dear children, I remind you to pray for one another. I am praying with you and blessing you."

**November 28, 1998**  
**JESUS**  
**Lesson on Humility**

"If humility is the root of every virtue, understand that Holy Love is the soil in which it grows. The tree that bears all virtue cannot thrive without roots and soil."

"Every virtue is practiced by a movement of free will. It is infused into the soul through the persevering practice of the virtue."

"First, the soul must choose Holy Love – the soil. Through love of God above all else and love of neighbor as self, the soul must practice humility."

"Humility is self-abasing, thus open to self-knowledge – even welcomes it. Humility then sees criticism as a grace, considers others more worthy of grace, esteem, reward than himself. Humility is happy with the lowliest job, and never seeks recognition for his efforts. Humility seeks to be hidden. Thus a person who claims humility is far from it."

"In Paul to Corinthians, Chapter 13, Paul describes Holy Love. This is also a description of Holy Humility."

---

**November 30, 1998**

Maureen saw Our Lady's face. She says: "Praised be Jesus. My daughter, I invite all My children to understand that there is peace within My call to Holy Love. Peace comes to you by moving deeper into humility. Therefore, see that when your peace is challenged, it is your own pride that brings unrest to your heart. Do you feel your rights are transgressed? My Son never gave an answer when He was falsely accused. Do you see others' transgressions in Holy Love? Look into your own imperfect heart. Do you seek more affirmation? Everything is a grace, and not by your own hand. Ask for the grace of deep humility, which will enhance the Holy Love in your heart. If you do not ask, you will not receive."

"I pray for you to be open to humility. I am blessing you."

**November 30, 1998**  
**Monday United Hearts Prayer Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be Jesus."

Jesus says: "My brothers and sisters, My dear friends, as you prepare to celebrate the anniversary of My birth this year, take yourselves deeper into the Flame of My Mother's Heart. This is the way to sanctification. This is the gift I wish to give you beside My manger – that you should be signs of Holy Love to those around you, and live in Holy Love as I have asked." The United Hearts Blessing is given.

**December 2, 1998**

Maureen saw a flash of light. Our Lady comes in white. She says: "I am with you in body and in spirit, heart and soul. Listen, My seer, to My words. Praised be Jesus. As My time with the public shortens, there will be more graces given in support of My words to you. This is truly a mission of God's everlasting Mercy. His Mercy will be poured out on those who seek it and also the unsuspecting. Truly My grace will secure for souls conversion of heart, healing, and forgiveness. The waters of the River Jordan will flow into and around the people that day [December 12th] giving to them a new baptism of Holy Love."

"Understand, My mission of Holy Love is not drawing to a close, but taking on a new dimension through My Jesus."

---

**December 2, 1998**

Blessed Mother is here. Her face looks like the face on the new statue at the just-completed [today] United Hearts shrine. She says: "Praise be Jesus."

"Dear children, thank you for persevering and developing this shrine. Many will come here, and lives and hearts will be changed. Your efforts will not go unnoticed by Heaven. Those who assist you in any way in the development of this property will be under the protection of My mantle, and I will help them in their greatest trials and in their smallest needs."

---

**December 3, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me tonight, My dear children, for those who do not understand Holy Love."

"Dear children, I love each of you infinitely. You will never understand with what depth I care for each one of you. Come to Me, My little children, before the hour runs out. Understand in your hearts, that it is not the miracles and the signs and the wonders that are of importance here. No, My children, listen and understand, it is the message of Holy Love that is of importance here, and throughout the world. All the signs and wonders that have been given to you surrounding this message only support the validity of what I have come to say. Tonight, I am blessing each of you with My Blessing of Holy Love."

---

**December 3, 1998**

Maureen was complaining to Blessed Mother that her day had been full of interruptions that seemed to be keeping Her away. She came and bent over me with Her Heart exposed. She said: "That is because your heart is full of options, projects, and opinions. Center yourself here." She points to the Flame over Her Heart.

"I come in praise of Jesus. Today, My daughter, I am removing the last bit of unforgiveness you hold in your heart [unforgiveness of self]. Understand God's Mercy is complete and perfect. In Him, there is no half measure of forgiveness."

"Now, I am ready to use you even more, and with more intense signal grace occurring around you. My messages to you after the 12th will be personal or concerning the ministry. You will see Me interiorly and, as God permits from time to time, exteriorly. Only some of the messages from Me will be published in the Journal of Personal Holiness. My Jesus is preparing an important mission for you – through His words to you and in what He will ask of you as time progresses."

"The heel that will crush the head of the serpent is comprised of My little ones – those consecrated to the Flame of Holy Love. Satan is confounded by their humility and simplicity. Many of these little ones are part of My army of victim souls. They are drawing souls to Me. They are drawing Mercy from the Heart of My Son. Because of these, the hour of tribulation, the hour preceding God's Justice, has been lengthened. Do not mistakenly presume God's Justice is not coming. But understand, God's love for you and His Mercy upon you."

"Once again, I urge your readiness through Holy Love. I bid you, do not be frightened, but alert to the times. I am praying with you. I am blessing you."

---

**December 4, 1998**

Our Lady comes in white. She says: "Be in My presence, My angel, as I am in yours. Praised be Jesus."

"My little heart, as I have come to you over many years and during many precarious circumstances, I wish to thank you and each one who has persevered

in making known My words to the public. The enemy has worked feverishly against us, fearing the summit we have reached today. As Holy Love represents My victory over evil, the adversary has, over the years, sent legions of demons against the establishment of this mission in hearts and in the world. He won some battles, but he has not won the war."

"Now, My daughter, your beloved husband, whom I chose for you, and all close to the workings of the mission, receive My profound gratitude, benediction, and esteem."

"At the same time, know that Satan still plots in ways unforeseen by human intellect. But, I am your fortress, your Refuge and protection. I will give you unusual grace, which will circumvent his best efforts. Your Mother claims no power, save that given by Heaven. The power of My grace reaches beyond any temptation or weakness."

"I am calling each of you to remain centered in and through My Flame of Holy Love; indeed, I bless you."

---

**December 5, 1998**  
**Saturday MSHL Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus."

"Dear children, tonight I invite you to understand that the greatest gift you can give during this Christmas season is the Holy Love in your heart. Spread My message with enthusiasm. Let it be a part of you, so that it can become part of the world around you. Holy Love is a Christmas message, as My Son was born Incarnate so that you could be led in Holy Love. Tonight, I am blessing you with My Motherly Blessing."

---

**December 7, 1998**  
**Monday United Hearts Prayer Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praised be Jesus."

Jesus: "My brothers and sisters, tonight I am asking you to understand deep in your hearts that the Book of Revelation is coming to life in this present age. You will understand, as events unfold, the effect that each present moment has upon this generation. Tonight, We are extending to you the Blessing of Our United Hearts."

**December 8, 1998**  
**Feast of the Immaculate Conception**

Our Lady comes as Refuge of Holy Love. She says: "Praised be Jesus. My daughter, before My messages to the public cease, I desire that My children know and understand the obstacles between the human heart and God can only be reconciled through Holy Love and holy humility."

"Take unforgiveness as an example. Unforgiveness is another name for pride. The soul nurtures a wounded ego, which is contrary to Holy Love. He refuses to let go. He most often does not pray for the grace to let go. His memory turns inward – on himself – and the grudge is nourished in this way."

"Judging is another area of conflict between the human heart and God. The one who judges is often self-righteous. He finds fault with his neighbor easily, but never himself. Judging is the first step into unforgiveness."

"I would please ask My children that as they review this and all of My messages, they look into their own hearts to see where it applies. So often My messages are applied to those around you, and each one misses what they need to see in their own hearts. Tonight, once again, I am blessing you."

---

**December 8, 1998**  
**Feast of the Immaculate Conception**

Blessed Mother is here in white and gold. She says: "Praise be Jesus. Pray with Me now, dear children, for all your government leaders."

"Dear children, tonight I invite you to understand in your hearts that prayer does change things. Let this prayer site be witness to the results that many prayers can bring, for you have grown from a small prayer group to a great ministry and mission under My protection. Tonight, dear children, I am asking that you pray especially for your country - your country that I am the Protectress and Patroness of, under the title Immaculate Conception. I come to recall to you the importance of life from the moment of conception until the last breath is drawn. I ask you, My dear children, to continue to pray against this evil, which threatens the future of your country and of the world. Continue to pray, pray, pray, and I will bless you."

---

**December 9, 1998**

Our Lady comes as Refuge of Holy Love. She is seated on a throne and in a pink light. She says: "Praised be Jesus. My angel, today I come to you once again seeking reconciliation between all people, all nations, and God. As I have revealed to you, judging each other is the first step to unforgiveness. Now please understand, the last step in unforgiveness, that is the most unmerciful outward sign against another, is persecution. The unborn are persecuted in the womb for

who they are and what they will become. Races and nationalities are persecuted in much the same way. The Church and other religions face an ongoing battle against persecutors. I, Myself, am persecuted by those whom I love. Persecution is unloving, unforgiving, unaccepting, misunderstanding, and uncompassionate – all taken together as one."

"It should not surprise you, then, that My missionaries and seers are also considered fair game for Satan's persecution. Much evil is accomplished in the name of discernment. Discernment needs to be accomplished through prayer and openness to the truth. Some take pride in opposing the ones I use. This is persecution as well."

"All wars and insurrections begin in judging, then unforgiveness, and finally, persecution."

"See, then, what an unkind act unforgiveness is. See what it leads to. It leads to hate – the opposite of Holy Love."

"Please search your hearts today, My children, for any area of unforgiveness, of judging, or persecution. I am blessing you."

**December 10, 1998**

Today in the chapel Maureen turned over many problems to the Blessed Mother. Maureen heard Her say: "Trust in My grace and the fervor of My love for you. Praised be Jesus." She comes as Refuge of Holy Love.

"My daughter, the path to peace, the path to trustful surrender is holy humility and Holy Love. Souls who try to solve every problem without dependence on God's Provision are full of self-centeredness. Remember, everything is a grace – even the Cross. As My Son's Cross was redemptive, so too can every present moment be redemptive, if you will it so. Give everything to My Son through My

Immaculate Heart – your joys, sorrows, victories, and defeats. Through Holy and Divine Love, everything can be transformed into grace."

"My children so often do not understand this in their hearts. If you live this way, many, many can be saved."

"Take up your abode in the humble Refuge of My Heart. Trust and have faith in Me. I am your Mother, your Refuge and Protectress. I am blessing you."

---

**December 10, 1998**  
**Thursday Prayer Service**

Blessed Mother is here as Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me tonight, dear children, for those who have Holy Love in their hearts, but who are unable to come here this weekend."

"Dear children, tonight with each Hail Mary, My departure draws nearer. I will always be with you. I will tell you what is everlasting. Lasting into eternity is the Holy Love you carry in your hearts. Lasting into eternity is My presence here on this property. Lasting into eternity is the Holy Love message itself."

"My dear, dear children; tonight, as My departure draws near, I invite you to come into the Flame of My Immaculate Heart – which is Holy Love itself. And realize that the light given from this Flame is the love I hold in My heart for you tonight. I am extending to you, tonight, My Special Blessing."

---

**December 11, 1998**

Blessed Mother is here as Refuge of Holy Love. She says: "Praised be Jesus. Dear children, tonight I invite you to understand that as My time with you shortens, each word I have spoken and each word I will speak to you tomorrow carries with it deep meaning."

"I have come to lead you into the Heart of My Son, which is Divine Love itself. The way I call you upon is Holy Love - the two great commandments. No one enters the kingdom who does not love God above all else, and his neighbor as himself."

"My dear children, I charge you with the task of going out into the world and carrying this message to whomever you meet. BE the message, My dear, dear children. I am blessing you."

---

**December 12, 1998**  
**FINAL MESSAGE TO ALL NATIONS**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praised be Jesus. Dear children, pray with Me now for Christ's pilgrim Church on earth." Jesus is with Blessed Mother.

"My dear children, this is the way I desire it to be always and everywhere, that we should be united in a common language of prayer. \*\* Come to Me under this title [Mary, Refuge of Holy Love] and receive the fullness of My grace."

"My dear children, today I am delivering from Purgatory the relatives of those who are here today. Pray with Me, My dear children, that faith will be strengthened in hearts here today; that you will always remember My coming to you as the Refuge of Holy Love; that you will spread this devotion around the world. Just as I come to you in simplicity and without guile, I desire that you make this message known around the world – as it is the light on the path that leads to salvation."

"Today, once again, I invite all people, all nations, into the recesses of My Immaculate Heart. Apart from the grace of My Heart, you are unable to withstand the wiles and onslaught of Satan. The peace of the world has been entrusted to My Immaculate Heart by My Beloved Son. Therefore, understand wars and unrest will continue in the world until I am victorious in all hearts. Because My Heart is Holy Love, understand that My Victory is coming through Holy Love."

At this time Maureen asked Our Lady if the Eternal Father would allow Her to return to speak to the world again. "Yes! It is My privilege to do so next year on your birthday and My feast day [December 12th], and also on May 5th [Feast of Mary, Refuge of Holy Love]."

"Every year?" Maureen asked. Blessed Mother smiles and nods yes.

"I have come to you as the Woman clothed with the sun, a sign of the Apocalypse. I invite My children to understand that today Satan has convoluted the truth and righteousness. Much of the population believes more in the dictates of their own consciences than in the laws of God Himself. Thus, in convincing individuals to follow the whims of a free will unformed in truth, Satan has accomplished the demise of many souls and the destruction of order and harmony in God's world."

"But I come to you to help you rediscover the truth. God is truth. His law is righteousness. God dictates Holy Love. Satan dictates love of self beyond logical reason. Surrender to Holy Love in the present moment. It is your salvation. It is the reason I have come to you all these years."

"My angel, today I tell you My love for each of My children is everlasting. Though each one is distinct and individual, I love you most easily when your hearts are steeped in Holy Love. It is then I am able to let flow the fullness of My grace into your hearts."

"My love for you is not distinguished by the absence of any cross, but rather, the grace to bear each burden in Holy Love."

"My visits to you should have transformed your life and the world around you. Your 'yes' to Me needs to ignite the Holy Love in hearts all over the world. Thus, shall it be." The United Hearts Blessing is given.

\*\* [Blessed Mother is referring to the Rosary being recited, during which the Our Fathers were each being spoken by representatives of different nationalities in their native tongue.]

**Monday United Hearts Prayer Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Our Lady says: "Praised be Jesus."

Jesus says: "My little flock, My brothers and sisters whom I love and trust. I desire that you love and trust Me. All around you is My protection and My provision. I am leading you deep into the recesses of My Divine and Sacred Heart. Come to Me. I will perfect you in Holy Love." The United Hearts blessing is given.

**December 15, 1998**  
**JESUS**

Jesus comes, His hands outstretched. He says: "I am Jesus, born Incarnate. I have come to issue in you a new call, a familiar path. It is the humble way of Divine Love. In Me, take up your repose. In Me, find your sure footing. I have chosen and I have called. Do not hesitate, but come after Me."

"Easy and light the burden we share; cumbersome and overbearing each step you take alone. In Me is refreshment and peace. But tell Me that you care – that you love Me. Every present moment tell Me. I never weary of it. I love you in the past, present, and future. Surrender to Me."

---

**December 18, 1998**  
**Blessed Mother**

Blessed Mother has promised to continue to appear to Maureen and to guide the Missionary Servants of Holy Love.

Blessed Mother comes as Refuge of Holy Love. She says: "Praise be Jesus. My daughter, Heaven allows that the United Hearts blessing be transferable in the past, in the present, and in the future. This is a way to propagate the healing nature of this valuable blessing."

**JESUS**  
**Friday Prayer Service**

Jesus is here. His Heart is exposed. He says: "I am Jesus, born Incarnate."

"My dear people, My brothers and sisters, I have come to draw you into the Flame of My Heart, which is Divine Love. You know the way. The way is through the Heart of My Mother – Holy Love. To you has been given the singular privilege of knowing and understanding this way of Holy and Divine Love before My return. Once I return, all people - all nations - will know and understand the great meaning of this way of Divine Love. Tonight, I am blessing you with My Blessing of the United Hearts."

**JESUS**  
**Saturday MSHL Prayer Service**

Jesus is here. "My brothers and sisters, I am in your midst. I am Jesus, born Incarnate. In the womb, I created you. On the Cross, I redeemed you. All I ask in return is your love. Grant Me this small favor of your love. I am able to bless you with the United Hearts Blessing."

---

**December 19, 1998**  
**JESUS**

Maureen told Jesus that she really missed His Mother coming and speaking to the public. He said: "That era has passed, but the esteem and regard you have for My Mother, in effect, has led you to Me."

"The Flame of My Heart is Divine Love. It is perfection. It is union. This Flame is the Kingdom of God's Divine Will. It is the New Jerusalem."

"Once again, I draw you into the present moment. In this moment, realize your sanctification. Surrender to Me your heart. How I desire it! Within the present moment is every grace you could ever desire, every virtue, every blessing. All it takes is your confident surrender – your 'yes.' "

"Your trust, My little one, is everything. The soul that loves Me, trusts in Me. Thus, the soul believes in My Mercy. He forgives himself and others, and there is no barrier between us."

"The soul that succumbs to doubt and fear distances himself from Me. Such a one has lost the reality of the present moment. Such a one is given over to self love beyond reason."

"I desire the unencumbered heart. Then I can fill it and mold it to My needs. My need, My little one, is always and foremost love. Love Me! Oh, I desire it! My benediction will then enfold you. Do not long for anything but Me. I will give you all."

---

**December 21, 1998**  
**JESUS**

Jesus comes. He says: "I am here - your Jesus, Redeemer and King. Little sister, many do not understand My Heart or Divine Love. As My Mother's Heart is the Refuge of sinners, My Heart is the dwelling of Divine Intimacy. To know My Heart is to know Divine Love. My Divine Love is unconditional. All I ask of you is that you love Me. Then you will feel My Divine Love in return. My Love and My Mercy are one; each builds on the other."

"Make the little prayer known that I gave you - the prayer that draws you into the present moment. That prayer in itself is a refuge from Satan. Make it known. I desire it."

The following is the prayer, given to Maureen 12/19/98, which Jesus referred to:

"Jesus, be King of this present moment. Take my heart, my soul, and my will and make them Your own."

**JESUS**

Jesus and Blessed Mother are here. Their Hearts are exposed. Our Lady says: "Praise be Jesus."

Jesus: "My brothers and sisters, I have come to direct your steps along the path of holiness, which is the path of Holy Love. The deeper you go into My Mother's Heart of Holy Love, the more you will experience the presence of My Heart - Divine Love and Divine Mercy around you." The United Hearts Blessing is given.

**December 30, 1998**  
**JESUS**

"My little soul, no one can be Divine Love. But you can experience Divine Love by imitating, living, and consecrating yourself to Holy Love. Be perfect. Perfect the Holy Love in your heart. Become the loving servant of all. My life on earth was such."

"Understand My Mercy and Love are inseparable and eternal. Each moment you surrender to Holy Love takes you deeper – ever deeper – into My Mother's Heart. Understand Her Heart is enfolded in My Sacred Heart. Thus, in this union you become spiritually united with your Savior and His Mother. See then the importance of your 'yes' in every present moment. Love and Mercy surround you – encapsulate you – in this simple surrender. Make this known."
