JESUS**

"Go out and tell the world that these last days are entrusted to Divine Love and Mercy. It is through these two mankind and God can be reconciled."

---

**January 1, 1997**

Our Lady comes standing in the alcove of the new mission center where Her statue will be. She is motioning with Her arms, and I see many people come towards Her.

"Dear children, today I celebrate with you. This building represents the power of prayer, the dignity of sacrifice, and the victory of perseverance. It is here many and certain prodigies will be revealed."

"I will use the prayers offered here towards My victory in hearts and in the world. You think you see a structure of wood. I see a structure of love -- Holy Love."

"Today I am thanking all of you for responding to My call. I am blessing you."

---

**January 2, 1997**

Our Lady comes in white and gold. There is a bright light around Her. She says: "I have news of things to be in this coming year. This will be a year of paradoxes -- a year as never before."

"It is to be a time of certainties and uncertainties --decisions and indecisions."

"There will be a general conviction of hearts and many unrepentant hearts."

"It will be an hour of belief and of disbelief."

"Time will seem to race forward and stand still."

"In my mission it will be a time of growth and of surrender."

"It will be a beginning and an end."

"The world will be embraced by global warnings from God."

"Some will continue in old patterns. Others will seek out new ways."

"Controversy and compromise will make themselves partners."

"Heresy and tradition will oppose one another."

"One disaster will outweigh all others."

"My faithful will be sustained in My grace."

"Do not see these things as a riddle to be pondered. The unfolding is at hand. Those devoted to Me and faithful to their consecration will be in My Heart and safe in every trial. The greatest trial is lack of faith. If you have faith -- which is trust in God -- you have all. Ask Me, and I will protect your faith."

"You will please make this known."

[Paradoxes means contradictions or inconsistencies.]

**Weekly Rosary Service**

Our Lady is here in a dark grayish blue. Her heart is exposed. She says: "Pray with Me now for all petitions in hearts here tonight." We prayed.

Our Lady gave a private message, then said, "Dear children, as this year unfolds before you, please allow My Beloved Son to take dominion over your present moment. I am with you in the present moment when you love. I invite you to allow this year to be the year you love in the present. Tonight I am extending to you My Blessing of Holy Love."

**Prayer for Urgent Petitions**

**"Holy and Sacred Wounds, hidden in the shoulder of Jesus throughout His Passion, to you I surrender my greatest and most urgent needs. Cover my petitions with Your Most Precious Blood, Lord Jesus, thus preventing any evil from prevailing over these needs. Now present in Your most painful**

**wounds and by merit of Your suffering, I trust my prayer will be answered. Amen."**

Weekly Rosary Service**

Our Lady is here in a cream color and gray. She says: "Praise be Jesus. Pray with Me now for those coming here on the 12th."

"Dear children, tonight I come to you to awaken consciences as to where they fail in Holy Love. The conscience of the world is steeped in error and serves the god of self. But I am calling you to a deep appreciation of My grace through Holy Love."

"Take heed not to depend on yourselves during difficult times, but always upon the grace of My heart. My Son sends Me to you with great compassion and love and is beckoning you to have hearts full of compassion and love during these times. Tonight I am blessing you with My Blessing of Holy Love."

**January 12, 1997  
Monthly Message to All Nations**

*The first part of the message was given prior to the prayer service.*

Our Lady comes as Our Lady of Guadalupe. She says: "All praise be to Jesus Who is Lord of all hearts. Today, I come to you with a mother's heart to help you comprehend the meaning of My visits to you under this title and in these times. When I came to Juan Diego in the 16th century, the meaning to the people in those days was symbolic and told a story which converted millions. Today, My coming to you in this way and under this banner is of no less importance. I come during these last days to convert the world. I come to reconcile man and God. Under this image I am the Woman of the Apocalypse -- the Woman clothed in the sun, the moon beneath Her feet. (Rev. 12) Further, let it be clear, I am Queen of the Cosmos as you see the stars in pattern on My mantle. I am with child. Therefore, let it be known, I am the Mother of All Mothers. It is decreed in Heaven that life be given. Mankind must not assume the role of God and take life from the womb. In all of this, My head is yet bowed in humility to the One Who sends Me. I am praying as I desire all to pray and with humble hearts. The greatness in this image is in the Creator. The greatness in My coming to you is in the Creator's mercy."

"I come to restore harmony in the world and in the cosmos itself. It is only through Holy Love in hearts that this delicate balance can resume. Today, when so many feel all solutions come from humanity and not from God, the only real solution is left forsaken -- that is embracing God and neighbor with love."

"Through holy pre-destination, I am Mother of All Mothers, Mother of All Nations and Peoples. I invite you to see, dear children, that your triumph is in the Cross, the Cross which is Jesus' throne of mercy and love. It is from this, Divine Mercy and Love, that I am sent to you. Embrace the Cross as you embrace Holy Love during these decisive times."

"Let your dignity come from your personal holiness in response to My call and not from worldly standards. You can disarm many a proud heart in this way."

*This part of the message was given at the prayer service.*

Our Lady is here in white. She is radiant and has a crown of sparkling lights upon Her head. "I come in praise of Jesus. My dear children, rejoice with Me today. You have come in answer to My call. It is through your prayers and your sacrifices that we are now meeting in this building. This is the site of My great predilection and favor. Let us pray in thanksgiving for the many graces that will be poured out here."

Jesus is now with Blessed Mother. Their Hearts are exposed.

"Dear children, today I invite you into the ERA OF PEACE, for when you are living in Holy Love, you will already be in the NEW JERUSALEM. Immerse yourselves in the Flame of Love that is My Heart. Today it is your new baptism and commitment. See that Holy Love fulfills your baptismal vows. Today we extend to you the Blessing of Our United Hearts."

---

### **January 17, 1997**

"Dear children, appreciate these times you are in and the graces being given. Do not stand still, but move forward in My grace. You have been chosen for these times to proclaim My message of Holy Love, which announces My Son's return and prepares the heart of the world."

---

### **January 20, 1997**

Our Lady comes in white in a pale blue light. Her Heart is exposed. She says: "My daughter, today the Lord grants you further understanding of the Unity of the Two Hearts. Know and understand that all grace comes to you through My Immaculate Heart. I am the Mother of Divine Grace. Every grace takes its origin from the Sacred Heart of My Son. Prayers are most powerful when given to Jesus through Mary. The grace of My Heart enhances all petitions. The image of Our Unity tells you one cannot be separated from the other. All the hearts of those who embrace Holy Love are in My Heart, and so in the Heart of My Son. Make it known." She blesses me.

---

**January 23, 1997**  
**Weekly Rosary Service**

Our Lady comes in mint green and aqua. We begin to pray together. Our Lady is holding a light pink rosary. The beads float through Her fingers, but She does not pray the Hail Mary. Before the beads reach Her fingers, they are dull in color. As She touches them , they light up as bulbs. After they pass through Her fingers, they have a soft glow but are not as bright as when She holds them.

As I notice this, She smiles and says: "Let this be a lesson to you in the value of the present moment. Your prayers in the present hold great sway over the outcome of the future. Pay no heed to the past."

Then I saw the beads before She held them were the past; as she held them, the present; and after She touched them, the future. The beads were changed forever after She touched them which means prayer affects the future.

---

**January 30, 1997**  
**Weekly Rosary Service**

Our Lady is here as Our Lady of Lourdes, and Jesus is with Her. "All praise be Jesus, My little ones. Pray with Me now for those who do not pursue the path of holiness which is Holy Love."

"Dear children, I come to bring you My peace and to call you once again to reconciliation with God. Do not let Satan take you into the past thinking of what could have been, but appreciate the grace of the present moment and what is. I am calling you into Our United Hearts as a refuge, a fortress against the evil of these days, an evil which prevails upon many hearts and confuses the unconverted. Be at peace, and know that I am always with you but most especially when you pray. Tonight We extend to you the Blessing of Our United Hearts."

---

## February 1, 1997

Our Lady is here in white. She says: "Today, My angel, I come to invite you to understand that these are extraordinary times. Today, you witness unusual graces and bear unusual crosses. But believe that each trial permitted by God is meant to bring you closer to Him and deeper in trust. Grace bears every cross with dignity and peace. My coming to your midst in these times is not your idea but God's Divine Plan. I am herald of Jesus' Second Coming. I am preparing hearts just as John the Baptist prepared the world for His public life. Instead of water, I am immersing souls in My Flame of Holy Love."

"You cannot call souls into this Flame without My grace. Each time I come to you, a new soul is being baptized in this Flame of My Heart."

"My daughter, you will please make all of this known."

---

## February 6, 1997 Weekly Rosary Service

Blessed Mother is here in white. She has a light coming from Her Heart. She says: "Praise be Jesus; peace be with you, in your midst, and in your hearts. Dear children, pray with Me for those who will come here on the 12th."

"Dear children, tonight I come once again to remind you that My call to Holy love is a universal call to the heart of humanity. It is a call to take off the old and put on the new (Col: 3). Do not keep the letter of the law and neglect the heart of the law. Do not say that you keep the commandments yet hold contempt in your heart for your fellow man."

"Dear children, in all things be humble through Holy Love. Tonight I am blessing you with My Blessing of Holy Love."

---

## February 7, 1997

Our Lady is waiting for me when I arrive in the chapel. She is in blue. Over Her Heart is a mirror. She says: "Let this mirror be a sign to you that you are to be a reflection of My Heart, which is Holy Love in the world. This is why I have come and why I am sent. My mission of Holy Love is a mission of hearts. It is a mission of hearts in the United Hearts. It is a mission of hearts in each soul, as each one is called to be perfected in and through Holy Love."

"Holy Love is the arch foe of Satan for it opposes all the points of entry into hearts. These are the faults that stem from pride including: anger; jealousy; unforgiveness; self-righteousness; fear, which is lack of trust; and self-aggrandizement. These faults oppose My mission and My victory both in hearts

and in the world. Each one needs to stand guard over his heart and extricate these errors from their souls."

"Now in this present moment, I am blessing you."

---

**February 9, 1997**

I see Our Lady's face. She is in white and has a crown on Her head. In front of Her, and very large, is the United Hearts.

Our Lady says: "I come to you to define most clearly My mission through you. The devotion to the United Hearts is the core of the Holy Love message. This union represents most dramatically My union with Jesus through Holy Love. The Image also depicts that Holy and Divine Love (which is the Heart of My Son) belong together. Holy Love is the path to Jesus. It is through living and purifying your own hearts in the virtue of Holy Love that I will lead you into the Sacred Heart of My Son."

"Therefore, see and understand, that the United Hearts of Jesus and Mary represents union between Holy and Divine Love. This is the union Jesus wants with each soul. This is why He sends Me, so that I am able to lead you into union with Him through My own Heart."

"You must pray for unyielding hearts who threaten their own salvation by refusing to pursue this path of salvation. You will please make this known."

---

**February 12, 1997**  
**Monthly Message to All Nations**

This part of the message was given to Maureen prior to the prayer service.

"Holy Love is the correction of the conscience of the world and the bridge to reconciliation between God and all mankind."

"Please understand, My children, I do not come to you on the 12th of each month because most believe. No, like My Son Who came for sinners, I come to aid the unconverted and those who refuse to believe. I come to this site, during this final hour, because of your strong faith and trust in Me. I appeal to you to carry My message of Holy Love out into the world and into your homes."

"The sun is setting on the age of Marian apparitions and rising on the hour of Justice. While I am with you, come often to pray with Me here. I will not leave without rewarding you with My continual presence in your midst. Do Me the favor of being My message in the world."

"I come to you preceding the Harvesting Angels. I come to sprinkle the earth with Holy Love. Here, at this site, I come to relieve the distress of all nations and multiply My favors among all people. I come to uplift the sinners and lay bare the path of holiness. Here I will reveal to all sinners and all nations the obstacles they themselves have placed upon this path. The path of Holy Love is not just for a few, or for many, but for all. Holy Love is the medicine for straying and lukewarm souls; the miraculous cure for heresy and apostasy; and the good remedy for unbelieving hearts."

This part of the message was given to Maureen at the Rosary Service.

Blessed Mother is here as Our Lady of Guadalupe. Her Immaculate Heart is exposed. She says: "Praise be to Jesus."

"Dear children, once again I invite you to pray with Me for the unyielding hearts."

"Dear children, I invite you to see that your conversion is ongoing and always in the present moment. I invite all nations to rise up and follow the path of Holy Love. Today you see the sun and then the next moment you see clouds. It is thus in a soul as well. For it is sin that obstructs the light on the path of Holy Love and your salvation. Dear children, I plead for your petitions before the throne of My Son; and at My telling, many petitions will be answered through God's Mercy and Love."

Jesus is now with Blessed Mother. "Today we extend to you the Blessing of Our United Hearts."

---

**February 13, 1997**  
**JESUS**

"Burning within My Heart is the secret of salvation; and it is Holy Love, Holy Love, Holy Love."

---

**February 13, 1997**  
**Weekly Rosary Service**

Our Lady is here in blue and white and has roses (graces) surrounding Her. They are red, yellow, and white. She says: "Pray with Me once again dear children for the unbelieving hearts."

"Dear children, tonight I invite you to see that the perfect sacrifice during this penitential season is living in Holy Love in the present moment; for in this self-surrender, you are abandoning your own will and living only for others and for God. It is in this surrender that you will find and bring to perfection God's Will in your life. Tonight I am blessing you with My Blessing of Holy Love."

**February 16, 1997**  
**Adoration Chapel -- Cocoa Beach, Florida**

Our Lady comes in blue and white. She says: How appropriate you are here. Peace be with you. Praise be Jesus."

"You see the time of justice approaches." (I see the second hand of a clock on the Host. It is moving steadily along.)

"I come so that you may better comprehend the mystery of Our United Hearts, As the United Hearts are a symbol of My union with Jesus, it is also a sign of My call to all mankind to be united to My Son. My Heart is Holy Love and the path to the Sacred Heart of Jesus, which is Divine Love. The Flame of My Heart purifies the soul -- in and through Holy Love -- to be united with the Flame of Divine Love. This Flame of Divine Love is the victory of the New Jerusalem."

"No one enters Heaven outside of the embrace of Divine Love. This union is the melding of wills -- the human will and the Divine Will. You may say, 'I do not know God's Will for me in the present moment.' It is Holy Love. Choose this path as you are called, and as I lead you."

"My child, you know the depth of love you hold for your husband. God's love for you is greater still. In His love He calls you along the path of Holy Love and into His Own Heart."

"His Heart is so bitterly grieved for the sins of humanity. Even I cannot console Him. You must make the path known as I call you to do."

"I am blessing both of you now with My Blessing of Holy Love."

---

**February 16, 1997**  
**JESUS**  
**Mary Queen of the Universe Shrine**  
**Adoration Chapel -- Orlando, Florida**

"My home is not here but in Heaven. I come to you under this Form so that you may know My Mercy and My Love. Mercy and love are inseparable. This is true in the Divine, and it is also true in the world -- for those who seek to follow Me. No one can truly love who is unforgiving. Perhaps there are those in your life you must be cautious of. Still love them. Still forgive them any wrongdoing. When I return, I will separate the wheat from the chaff. The chaff will be many, steeped in unforgiveness. I am coming. Prepare!"

**February 20, 1997**  
**Weekly Rosary Service**

Our Lady is here as Our Lady of Guadalupe. She says: "Pray with Me now dear children for hearts to be enlightened as to the path they follow."

"Dear children, tonight I invite you to open your eyes and not be amongst the many that follow blindly behind many pied pipers, who call themselves government leaders and lead souls down the path of perdition. Do not place your trust in these, but open your eyes and your hearts, and realize that they are not worthy of your trust if they legislate against life. Continue to pray and love. Persevere in these two and I am with you. I am blessing you with My Blessing of Holy Love."

---

**February 25, 1997**

Our Lady comes as the Protectress of the Faith. She says: "I come in praise of Jesus. I will help you now to understand that I stand as sentinel between Heaven and Hell -- for you and for all humanity. My heart is your Refuge, passageway, and path to salvation. The grace of every present moment proceeds from this Refuge. The more you die to self and detach from the world, the deeper I will lead you into the sacrament [a thing that is holy] of the present moment and a great source of grace for many. It is My gift in this hour of need in the world. Too many live for themselves and reject love. I come to open the door to salvation through Holy Love. Please make this known."

---

**February 27, 1997**  
**Weekly Rosary Service**

Our Lady is here as Our Lady of Fatima. She says: "Pray with Me now, dear children, for those who have unforgiveness in their hearts."

"Dear children, tonight, once again, I invite you to proceed along the path of Holy Love. Perfect yourselves in every way so that your wills will be united with the Divine Will. Thus, you will be safe in the United Hearts of Jesus and Mary."

Now Jesus is with Blessed Mother. They extend to all here the Blessing of the United Hearts.

---

**March 6, 1997**

Tuesday, March 4, 1997 is the day Blessed Mother assisted Maureen in drawing the image Mary, Refuge of Holy Love.

---

**March 6, 1997**  
**Thursday Rosary Service**

Blessed Mother is here. She looks exactly how she looks in the picture [of her] that she helped me draw two evenings ago. She says: "I come to you tonight under the title, 'Mary, Refuge of Holy Love.' I desire that you propagate this image. Through modern technology it can be enlarged and hung prominently in our prayer center." "Dear children, pray with me now for the conversion of all sinners."

"Dear children, please know and understand that many and particular graces will come to you through this image. It is my desire that you make this title and this image known."

"Dear children, this is truly an alpha and an omega in the life of my mission. It is the beginning of a new life in a new prayer center where many miracles and favors will be witnessed. It is the end of my mission's exile. Tonight I am blessing you with My Blessing of Motherly Love."

---

**March 7, 1997**

Blessed Mother is here as she is in the picture, Mary, Refuge of Holy Love. She says: "Peace be with you. Dear children pray with me now for the grace to pursue propagation of my title, Refuge of Holy Love."

"Dear children, long have I awaited pronouncement of this title. Now it is time in my mission and in the world to move forward with this."

"No other couple has been given such a mission within their marriage. It is a vocation within a vocation to propagate this newest and most cherished title of mine. For it is through this Refuge of Holy Love that you are led into the Divine Love and Will of My Son and the Father."

"It is through this Refuge of Holy Love that your faith is protected and you are made one with the Heart of Jesus.

"Tonight I am blessing you with My Blessing of Holy Love."

---

**March 10, 1997**

Our Lady is here in blue and white. She says: "I come to you once again as Refuge of Holy Love. Today, dear, dear children, I invite you to pray for the gift of understanding. I am asking my Spouse, the Holy Spirit, to give you this gift so that you will know in your hearts a deep understanding of the depth of my call to you. It is one thing to know about Holy Love intellectually but quite another to

grasp the depth of this message in your hearts. Understanding is a great gift and will open doors for you. I am praying with you. Please make this known."

---

### **March 12, 1997**

Monthly Message to All Nations Our Lady comes as Refuge of Holy Love. She says: "Peace be with you. Praise be Jesus. My daughter, I come once again on behalf of my Son to address all nations. Once again I caution those who will hear, do not support elected or appointed officials unless their lives are examples of Holy Love. Holy Love is the integrity of every nation and each soul. When my Son returns, as He will, the scale of justice in His hand will be Holy Love."

"Please understand, my children, my coming to you is not your salvation, nor is my message of Holy Love your salvation. Your salvation is your 'yes' to Holy Love in Your hearts. If you say 'yes', then you take Holy Love home with you, so it is in your families and your communities. The little Flame of Holy Love in your heart today must spread as every word and deed will now be enveloped in your 'yes' to Holy Love. In this response to my call you are now saving your own soul as well as others. She leaves saying she will return."

Blessed Mother is here as Our Lady of Guadalupe. She says: "All praise be Jesus. My dear children, pray with me now for all those who will be touched by this mission and read this book, [Our Lady was referring to the new Holy Love book "Heaven's Last Call to Humanity"], and the miraculous image which I have sent to you. I ask you to understand, dear children, that all of these things are accomplished only through grace and not by your efforts alone. Let this also be a sign to you of the importance of my mission here, for today I tell you this is the place in the wilderness God has prepared for me. The place that was spoken of in Revelations Chapter 12. This is where we will pray for the Victory of the United Hearts of Jesus and Mary, and we will be Triumphant. Today We extend to you the Blessing of Our United Hearts."

---

### **March 13, 1997**

#### **Thursday Rosary Service**

Our Lady comes in light blue and white. She says, "Peace be with you. I come to make clear my message of the 12th. Do not fear this or any message. I do not come to you to tear down but to build up."

"I liken this refuge -- My Prayer site -- to the wilderness where I took refuge from Satan, for this is spiritual refuge as was the refuge I fled to. That wilderness centuries ago was neither in Heaven nor on earth. This refuge is on earth, but so too is in My Heart and the hearts of those who come and believe. You will please make this known."

---

**March 17, 1997**  
**St. Patrick's Day**

Our Lady comes as Refuge of Holy Love. She says: "Peace be with you. Praise be Jesus, King of Heaven and Earth." Now she has St. Patrick with her. She says: "This saint sacrificed much and placed himself in much peril in order to convert Ireland. But you, my daughter, must resolve yourself to an even greater mission for your mission field is every soul. I do not place boundaries on the Holy Love message. Indeed, it spans the abyss between Heaven and earth. This saint, who stands here with me, had unwavering faith. He knew God's miracles would be granted in support of his mission. You too, my angel, will be sent amongst unbelievers, doubters, and those who will revile. But you must remain strong. Do not doubt. Every grace will be your support and stalwart allegiance. Expect the miraculous. You will endure and persevere."

"I ask all of my children, and most especially those who have made themselves a part of the Bread of Holy Love Movement, to pray with me now for the important and unprecedented times ahead. There are too many who never pray and who do not know God. They lead pagan lives behind Satan's lead. We must pray that such as these come in contact with the Holy Love message. I want to send you to many lowly places, to my poor, to prisons, and to the spiritually-impooverished rich. You need only my grace to succeed. Pray with me that my plan comes to fruition."

"I am leaving you. My blessing is upon you."

---

**March 18, 1997**

"Our Lady comes as Refuge of Holy Love. She says: "My coming to you today is a grace for all mankind. My daughter, the sands of time are running out. Hearts will never find peace through efforts in the world. Peace cannot be legislated or negotiated. Peace must first be established between God and all people. Only then will peace and harmony be restored to the world. Today this area faces much loss of income. Those who are not in Our United Hearts will face the days ahead with fear. But I come to you so that nothing in the world brings you fear. I come so that you will be at peace. My way of Holy Love seems too simple to the sophisticated. But, I tell you, it is the way out of every situation. Holy Love is the harmony of the cosmos, of nature, and of all humanity."

"I come to you so that you will seek this solution -- the only solution."

"I am blessing you."

---

**March 20, 1997**  
**Weekly Rosary Service**

Blessed Mother is here as Refuge of Holy Love. "Praise be Jesus. Pray with me now for all those who oppose Holy Love."

"Dear children, you have suffered greatly for your faith in me and your devotion to the Holy Rosary. Know that I have always held you in my Heart -- this Solemn Refuge -- this protection against all evil."

"I have held you in my Heart from the moment of your conception, My dear, dear children, and I shall not leave you. I am always in your midst. I am always championing your cause before the throne of God. Do not hesitate to call upon the grace of my Heart, for I am with you now and in the future. Tonight I am blessing you with my Blessing of Holy Love."

---

**March 21, 1997**

Our Lady comes as Refuge of Holy Love. She says: "Peace be with you. Praise be Jesus. Pray with me now for all those who do not believe."

"Child, I know much has been asked of you. You have been asked to believe when most did not believe. You have been asked to witness at great personal loss to yourself. But now, in these times, it is necessary that I ask more of you. Let this not be a burden, but see it only as a grace."

"My title, Refuge of Holy Love is eternally significant and a covenant with humanity. Because God chose that I be immaculately conceived, Holy Love comes to perfection in my Heart. Being perfected in Holy Love, I have the strongest desire to protect my children. While I am concerned for every aspect of your well being, my greatest concern is for your faith. These are times of weak and lukewarm faith, for Satan seeks especially those who try to come close to me. Therefore, my Son sends me with this prayer -- the embodiment of both titles, Protectress of the Faith and Refuge of Holy Love. Now I will state it."

"Mary, Protectress of the Faith, shelter my faith in Your Immaculate Heart -- Refuge of Holy Love. In the Refuge of Your Heart and united to the Sacred Heart of Jesus, Your Son, protect my faith from all evil. Amen."

"You will need to propagate this prayer with the image I have assisted you with. Opposition will not hold sway over it."

"Now I am blessing you."

---

### March 25, 1997

Our Lady comes as Refuge of Holy Love. She says: "My angel, I come yet again as your Refuge and Protectress. I come to reveal that today all of earth and the universe is held on course by means of prayer that proceeds from Holy Love. It is the Rosary that holds back the Arm of Justice."

"You must challenge the hearts around you to live in the virtue of love. Pray to leave the sophistication of the world that leads away from me. Stay with me in childlike confidence so that I may lead you to salvation and into the United Hearts."

"The days and months just ahead will mark a particular blight of Holy Love everywhere in the world, but the sites of my apparitions will be maintained in my peace. Those that seek the Refuge of Holy Love with sincerity will find it. I am blessing you."

---

### March 26, 1997

Our Lady comes as Refuge of Holy Love. She says: "My angel, please understand that part and most of your cross is coming from the opinions of others that do not have holy and loving hearts. But it was so with my Son as well. Throughout His Passion the greatest wound was knowing the lack of Holy Love in the hearts of His persecutors. Holy Love makes every cross more bearable."

"Know that my greatest graces are yet at hand. All that is coming proceeds from the United Hearts of Jesus and Mary -- So much has been given the world through this mission. You do not realize nor comprehend the souls that have been touched. But now the greatest graces are at hand. The hidden power under my new title, Refuge of Holy Love, will be revealed. The strength of the scapular will unfold. The United Hearts of Jesus and Mary will hold sway over evil and be victorious in souls and in the world. My revelations to you will win popularity in distant and close proximity to my shrine, and unforeseen numbers will come on pilgrimage. This is because all is from Heaven. Prepare with much prayer. Prepare."

"I am your Refuge." She leaves.

---

### March 27, 1997

Our Lady comes in green. She says: "Put your beads (rosary) down for a moment, My angel, and listen to Me. Let us give praise to Jesus, Who is King and Redeemer. I come to give meaning to the scripture passage, 'to the rich more will be added, but to the poor, the little they have will be taken away.' Jesus

does not allude to worldly wealth here. He is speaking of those rich in faith. The times have come when those with weak faith will be unable to hold onto what little they have. Satan's compromise has infiltrated and deceived even the most unlikely. It is necessary that you pray for all hearts to choose holiness. Some of the most unloving hearts will come in fear to the Spring. They will have faith only if they begin to love. They will love only when they humble themselves before God."

**Easter Sunday**

"My reign is Love. My Divine Holy Love gives order to all things. Holy and Divine Love are the Holy and Divine Will of the Father."

"You do not yet fathom that Love and Mercy are inseparable as are the United Hearts of Jesus and Mary."

**Easter Sunday**

"The gateway to My Mercy is Holy Love. You must make this known. Each time Our Lady visits Maureen, She identifies herself as from Heaven by saying, "Praise be to Jesus." The visionary responds, "Now and forever." For the sake of economy of space, this has been deleted from most messages."

**April 1, 1997**  
**Conversation with JESUS**

"Form the Allegiance of the United Hearts of Jesus and Mary, the purpose being to pray for the combined victory of Our United Hearts. One will not be victorious without the other. This is the reason I send My Mother with the message of Holy Love. Holy Love is the means by which We will be victorious."

"Jesus, how do I make known this allegiance.?"

"When I send you to speak out on Holy Love, make it known. Teach them the chaplet [Chaplet of the Two Hearts] . Ask them to pray it towards the glorious victory of Our United Hearts. This is great consolation to my Heart which longs for this victory.

Chaplet of the Two Hearts

The chaplet has 20 beads; five sets each of one (1) Our Father and three (3) Hail Mary's. (If you do not have a chaplet, try using the end of a rosary.) Following are the meditations to be announced at the beginning each set:

- 1.) In Honor of the Sacred Heart of Jesus
- 2.) In Honor of the Immaculate Heart of Mary
- 3.) Meditating on the Passion of Our Lord
- 4.) Meditating on the Sorrows of Mary
- 5.) In Atonement to the Hearts of Jesus and Mary.

At the end, on the medal, say the "Prayer to the United Hearts of Jesus and Mary."

Conclude with the ejaculatory prayer: "Sacred and Holy Wounds of the United Hearts of Jesus and Mary, answer my prayer."

**Prayer to the United Hearts of Jesus and Mary**

**O United Hearts of Jesus and Mary, You are all grace, all mercy, all love. Let my heart be joined to Yours, so that my every need is present in Your United Hearts. Most especially, shed Your grace upon this particular need (mention your need). Help me to recognize and accept your loving will in my life. Amen.**

**April 3, 1997**

"Dear children, each time I come to you, I come to bring you closer to God. These days especially, when evil holds sway over so many hearts, you need to make an effort to be holy. God cannot give you holiness, just as He cannot give

you salvation. You, My dear, dear children, must freely choose it. Open your hearts then, and see that I have laid the way clear for you through Holy Love. Every effort in Holy Love is an effort towards deeper holiness and brings you closer to My Jesus. I impart my Blessing to you."

**April 3, 1997**

Our Lady comes under the title Refuge of Holy Love. She says: "Praise be Jesus. I am coming to you under this title of Holy Love because these are such decisive times. I want to help you, my dear children, to choose good over evil. Do not allow Satan to make every decision look trivial or the same as another. Every decision is for or against love, and so leads you closer or farther away from God. The evil one does not want you to understand this. His ultimate goal in every heart is to make damnation look like salvation. This is what compromise leads to."

"Let us discuss compromise. The heart of the church is the Eucharist. My Son is either truly present in the Eucharist or He is not. There is no in between. Jesus says He is present."

**Thursday Rosary Service**

"Our Lady is here as Mary, Refuge of Holy Love. She has the reliquary in front of her and the Cure' de Ars is standing next to her. She says: "Praise be Jesus. These little ones (relics in reliquary) are the ones that saved your apartment today. You must listen to the good Cure' when he says: "Do not let Satan ruffle your feathers or gain entry to your peace. Let us pray now for all unbelievers."

"Dear children, I come once again to help you choose holiness, to choose good over evil, heaven over earth. Do not be dismayed when Satan tries to enter your soul through lack of peace, but come to this refuge of Holy Love that is my Heart. I am with you, my dear children. I am with you always and eternally. I am blessing you."

**Divine Mercy Sunday**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus, Alleluia! Dear children, pray with me now that God's Mercy will overcome all evil in the world."

"Dear children, I come to you today so that you will love and have compassion for your fellow man. It is God's Mercy and God's Love that sends me to you once again. I want you to know, dear children, that Satan flees before the image, Mary, Refuge of Holy Love."

"Make sure, my daughter, to tell the people that this image in your apartment vanquished the fire in the apartment complex."

"Dear children, pray always for the lukewarm, for they are a particular sword in the Heart of My Son. Today I am blessing you with my Blessing of Holy Love."

**Thursday Rosary Service**

Our Lady is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with me now, dear children, for the needs of all those here present tonight and for those who are journeying here on the 12th."

"Dear children, thank you for coming here tonight and praying with me. You have persevered, and I love you for it. You have come by my invitation; and from here, I will address your needs. I will address individuals, certain groups, and the needs of all nations. Continue to be the light of Holy Love to those around you. I will pour forth my grace in abundance upon you, upon this property, and upon those who come here. Tonight I am blessing you with my Blessing of Holy Love."

**April, 12, 1997**  
**Monthly Message to All Nations**  
*The message was given in two parts due to its length.*

Blessed Mother is here as Our Lady of Guadalupe. A lighted cross was in the sky before Our Lady came. She says: "Praise be Jesus. Pray with me now for the needs of all here present today, especially the unbelievers."

"Your mission is now beginning, the unfolding of which is yet to come. I mean to reveal to you the meaning of this Refuge of Holy Love, for herein Jesus confides the peace of the world. Nation shall rise against nation, and nature itself will take revenge against humanity. But in every need, trust that the solution is through my grace and within this solemn Refuge."

"You, my daughter, have experienced Satan's wrath personally. But in his ignorance of all that lies humble before God, he could not comprehend my intercession. Therefore, I say to you, have no misgivings concerning future events. For the future belongs to my grace. I give praise to Jesus in all of this. Remember, your lives and all your possessions are mine and untouchable by evil." (Reference to St. Louis de Montfort "Total Consecration.")

"Now I am speaking once again publicly and to all nations."

"Dear Children, the war of all wars is already being waged. I invite you to realize this. The battle I speak of is being fought in every heart. It is the war between

good and evil. Because most do not even recognize the enemy, my Son sends me to you with the Holy Love message so that you may see where the foe lays hidden."

"Today, too many are choosing the path of perdition. Thus, my mantle of protection has been removed from your country and all nations who legislate against the Ten Commandments God has set forth. This means great tribulation just ahead. Know that I remain a refuge and protection of the righteous."

Blessed Mother is now here as Mary, Refuge of Holy Love, and Jesus is now with Blessed Mother. Dear Children, just as the rain has washed the earth clean, today I help you to realize that Holy Love will wash your hearts of all iniquity. My Son has removed most every nation from under my mantle of protection, for they do not follow the Divine Will of God in all His Commandments. But I am protecting those who seek the Refuge of My Immaculate Heart with sincerity. And even now I speak to you in the midst of a group of faithful. Such spiritual refuge centers are the balm that soothe my sorrowing Heart."

"Jesus and I extend to you the Blessing of the United Hearts."

**2nd Sunday to Pray Against Abortion**

Our Lady is here as Our Lady of Guadalupe. She says: "Praise be Jesus. Dear children, I come to you today, once again, to invite you to understand that your country is now unprotected by Heaven, just as the unborn are unprotected by law. You must pray that the affects of this sin, and the tribulations that are to come are recognized for what they are. Be my weapon against this evil , dear children. Continue to pray, pray, pray. I am blessing you,"

**April 24, 1997**  
**Thursday Rosary Service**

Our Lady is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. I come as your Mother and Refuge. Pray with me now for those who do not love -- and do not believe."

"Dear children, tonight I invite you to realize that when the battle is the fiercest, victory is at hand. So it is today in hearts and in the world. Satan's power is dwindling and in anger his attacks are most ferocious. But I am with you in Holy Love. My Heart is continually your Refuge and fortress. Depend on me and not on your own capabilities."

"Dear children, do not fear any portion of the future, for I am with you. In your weakness, I am your strength. I am blessing you."

**April 24, 1997**  
**Thursday Rosary Service**

Blessed Mother is here as Mary, Refuge of Holy Love. There is a great light all around her. "Dear children, thank you for answering my call to come here tonight. Let us pray now for those who have been invited and have refused to come."

"Dear children, tonight I invite you to open your hearts in prayer. In the present moment let your hearts be a prayer. You may think that your prayers make no difference, but I tell you, they are the difference between light and darkness. I am calling you to be living prayers of Holy Love; then those who do not have peace in their hearts around you will be called to their conversion through your own lives and your witness to Holy Love."

"Dear children, tonight I am blessing you with my Blessing of Holy Love."

---

**April 27, 1997**  
**4th Sunday to Pray for Unbelievers**

Our Lady is here as Mary, Refuge of Holy Love. She says: "Praise be to Jesus. Pray with me now, dear children, for all unbelievers."

"Dear children, today I want to give you understanding in your hearts as to what an unbeliever is. An unbeliever, dear children, is one who has not responded to my call to conversion. If he does not surrender, then his will does not light the way upon the path of Holy Love. For it is only through your own will, dear children, that you will see the way to go to the Refuge of My Immaculate Heart. It is for such as these that we have begun to pray on these special days (every 4th Sunday). Today I am blessing you with my Blessing of Holy Love."

---

**April 28, 1997**  
**Monday Praise Service**

Our Lady comes as Refuge of Holy Love. "My children, my dear children, my victory and my grace are not in your great numbers but in the prayers that proceed from your hearts. Continue to pray, pray, pray."

---

**May 1, 1997**  
**Thursday Rosary Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be to Jesus. My little children, I extend my invitation to be here tonight to all sinners and all nations. However, you are the ones who have responded to my call. Let us pray together now for those who do not come and do not pray."

"Dear children, tonight I invite you to realize that you are present here on this property, for it is a spiritual refuge. It is here that I will instruct and show the way to eternal life. It is here you will be protected from the terror of the demons and from the one who strikes at the heel of the woman clothed with the sun. Tonight I am blessing you with my Blessing of Holy Love."

---

**May 2, 1997**

"The enemy of my Immaculate Heart, who is prince of this world, attacks you through those who belong to the world. But I am your Advocate before my Son and before God the Eternal Father. I am your protection. Do not fear. If you are listening, you will be at peace. Praise be Jesus."

---

**May 4, 1997**

Our Lady comes as Refuge of Holy Love. She says: "Praise be Jesus. Please understand, my daughter, it is pride that draws people off the path of Holy Love in every instance. Pride is the marauder that steals the sheep from the flock and from under the watchful eye of the Good Shepherd."

"Those of my children firmly implanted in the Refuge of my Immaculate Heart will see Holy Love as the course of every action and the basis of every decision. See that the tide of controversy around my mission of Holy Love is really an attack on my Immaculate Heart.

"Because I am victorious in the end, the malefactor will not succeed. He is basing his attack on intellectual pride, but the intellect is not your salvation. Holy Love is your salvation."

"Spiritual pride and spiritual envy are enemies of the soul. God loves and favors the simple and humble soul. Many may long to see me through love in their hearts. But those who long to see me with envious hearts need to repent."

"The Flame of my Heart is given to this generation as a cleansing and purifying Flame. It is preparing all who will partake for the coming of my Royal Son -- the Priest of all, the One without stain or blemish, the King and Redeemer of all people and all nations. My coming to you is but a humble beginning. My visits are meant to bring you into this Refuge of Holy Love -- My Heart."

"To draw the proud and unbelieving souls into this Refuge, you will witness many events unforeseen and unprecedented. Look to this Image (Mary, Refuge of Holy Love) for the unexpected, as I summon the world to conversion. My daughter I impart to you my Blessing of Holy Love."

---

**May 5, 1997**  
**Feast of Holy Love**

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Today, I come to you once again transcending time and space to be with you. I come to you in the midst of despair and hope, wealth and want, faith and apathy. I come to exact certain attitudes from humanity. I desire all be contrite and reconcile themselves to God. I bring you love and I ask your love in return."

"Those that do not love cannot live eternally. I long, oh I long to spend eternity with all of my children. I cannot give you My grace if you will not open your hearts. My dear children, I wish to give you hearts full of Holy Love, which is the greatest grace. The signs I give you, such as your rosaries turning color or images caught on film, are just that, signs that I come to you. The real grace is the Holy Love in your hearts. Therefore, surrender to Me, your Refuge and Mother. I will give you more than you anticipate receiving. Surrender. I will give you more than the world could afford to give you. Abandon yourselves to me. I come clothed in love, and I desire to wrap you in my mantle of love. I am blessing you."

**Feast of Holy Love - Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Dear children, tonight, you are the cause of my joy. Pray with me now in thanksgiving for this evening."

"Dear children, tonight, please understand, that I am the Woman Clothed with the Sun and the moon beneath her feet. And you, my dear children, are the constellations of Holy Love all around me. Together We comprise a universe all its own. A universe of Holy Love. Dear children, I am rejoicing in your response to my call. And I am asking you to complete my joy by giving this message to whomever you meet. Tonight I am blessing you with my Blessing of Holy Love."

**JESUS**

"I want to draw you into My Sacred Heart, which is here in the present moment. To Me, the present moment is always and eternal. I hold no memory of your last transgression against love. I am not now judging the decisions you will make in the future. I am just here, now, with you and around you, and in your midst. Do you not recognize Me?"

**May 8, 1997**  
**Thursday Rosary Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, tonight once again join me in prayer for the unbelievers."

"Dear children tonight I invite you to surrender your hearts to prayer, for it is in this surrender that I am able to give you the fullness of my grace. Turn over your lives to Holy Love, then I can use you as weapons against evil. Dear children, I am longing to spend eternity in Paradise with you, but I can only do this if you surrender to me. I am blessing you with my Motherly Blessing."

**Mother's Day**  
**Second Sunday of the Month - To Pray Against Abortion**

Blessed Mother is here as the Sorrowful Mother. She says: "Praise be Jesus. Pray with me now, dear children, for all those who have participated in the sin of abortion."

"Dear children, today I inform you that when my Son returns, all will accept me as their Mother. But today, my dear children, it is true that I am not the Mother of most, for they will not accept me; and they will not live with love in their hearts. My heart bleeds, and I weep for those who turn their back on love. I am calling you into the one fold where all is love in the present moment. My heart bleeds, and I weep for those who have left me, who once were in my bosom of grace. But, as a loving Mother, I desire to share my grace with you, as you share your joys and your sorrows with me. Today I am blessing you with my Blessing of Motherly Love."

**May 12, 1997**  
**Monthly Message to All Nations**  
*The following message was given in two parts.*

Our Lady come as Our Lady of Guadalupe. She says: "Praise be to Jesus."

"I have come into the world to reveal the compromise that has weakened the faith in the hearts of many. Many have made decisions that would bring them laud in the world. Jesus sends me to you to help you choose that which will bring you salvation."

"Today, for the first time, I invite you to understand that lack of Holy Love in hearts has destroyed right reason. Right reason is all reason based on Holy Love. When the heart is not steeped in Holy Love, compromise replaces right reason. This is why you have abortion, pornography, all sorts of vice, homosexuality, corrupt governments, compromised faith and morals, and more. It

is Satan who takes right reason out of hearts. It is Satan who promotes compromise in hearts."

"Your hearts, my dear children, are what Satan pursues. For it is your heart that determines damnation or salvation. When my Son returns, as He will, you will be judged on your own merit -- not on what everyone else thinks or does."

"In the world, many and most nations have been led astray through the disintegration of right reason in hearts. As hearts go, so go whole nations; and as nations go, so goes the world."

"There are great numbers of martyrs of the faith in the world these days. Many, many are living in this country. I call them martyrs for these holy and consecrated ones are martyrs of the heart. These are the priests who are unafraid to show devotion to me and hold fast to my place in church tradition. These are the lay people who dedicated their lives to my cause amidst great price. I will not abandon these dear children of mine, but will present them myself to my Son at the hour of His telling."

"Dear children, I am in your midst as the Sorrowful Woman Clothed with the Sun, the Comfortress of the Afflicted and the Mediatrix of All Grace. I invite you to pray with me now for all those who do not believe."

Jesus is now with Blessed Mother. They both have their Hearts exposed. "Dear children, I come to you in sorrow, inviting you to understand that certain persuasions have been accepted, allowing the antichrist to come to power. You my dear children are my army against all evil. Because of your faith, your perseverance, I come to you still, pouring my grace upon the world, converting souls, and showing the way to salvation. Today We extend to you the Blessing of Our United Hearts."

---

**May 15, 1997**

Mary comes as Refuge of Holy Love. My daughter, I come to you today as your Confidante, Refuge, and Mother. I come to give praise and great honor to Jesus."

"My coming to you should preclude any fear or misgiving you may harbor in you heart. Please understand that there are many who offer their judgments concerning my appearances to you, but they are of undefined faith and lukewarm conviction. This is why I need to come to you and through you to deliver my grace and my message around the earth. If hearts were convicted in Holy Love, they would not question and find fault. When, my Son returns, as He will, the scrutiny will stop and the rejoicing will begin. Until then, you must persevere in patience towards the awkward unbelievers. Some want very much to believe but fear ridicule."

"But today, I come with a more important message than to calm your troubled heart. You have been questioning my telling you that my image, Refuge of Holy Love, is miraculous. You ask in what way is it miraculous. My sweet daughter, it is miraculous first of all because I held and guided your hand in its execution . Next I tell you that Satan will flee before the invocation 'Mary, Refuge of Holy Love, pray for us.' This title is in itself a Spiritual Refuge. The more you will persevere speaking this little ejaculatory prayer, the deeper I will take you into my Heart. Let it be forever on your lips. I will convict souls in the areas of their lives most vulnerable to lack of love. I have come to you to save souls, not to dazzle the sightseers; but as my image brings spiritual healing , it will also bring with it peace."

"You will please note the cross on my hand which signifies an as yet unproclaimed dogma. It is a sign of my suffering with my Beloved Son at the hour of His passion and death."

" I have come to give you much. Your 'yes' is my comfort and joy. I am blessing you."

Blessed Mother is here as Mary, Refuge of Holy Love. She is wearing the same crown that is on our large statue [the one from the May 5th crowning]. She says: "Praise be to Jesus." Pray with me now, dear children, for all those who come but do not believe."

"Dear children, today I invite you to realize that is it not my coming to you that is the greatest gift. The greatest gift is my Son in the Eucharist. And I invite you to see that your response to my call is also a gift and a grace. It is not by my coming to you that you will find the path of salvation , but in your response to my call and my message in your heart. Tonight I am blessing you with my Blessing of Holy Love."

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be to Jesus. Dear children, pray with me now for the conversion of all unbelievers."

"Dear children, tonight I invite you into the Refuge of My Immaculate Heart through your 'yes' to Holy Love. When you are living with hearts full of Holy Love, dear children, I am taking you into my Motherly Heart and freeing you of every burden of the world. I want to give you my peace and My grace by this means. Tonight I am extending to you my Blessing of Holy Love."

**May 22, 1997**  
**Thursday Rosary Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be to Jesus. Dear children, pray with me now for all the spiritually impoverished."

"Dear children, tonight, I invite you to understand that the smallest resentment, when held in your heart, can become unforgiveness. This unforgiveness blocks my grace from taking you into the depths of my Immaculate Heart. Dear children, be on guard over all memories which are destructive to Holy Love. Do not hold records in your hearts of wrongs done against you -- but in all things love. Tonight I am blessing you with my blessing of Holy Love."

---

**May 25, 1997**  
**4th Sunday - To Pray For Unbelievers**

Blessed Mother is here as Mary, Refuge of Holy Love. she has a crown over the flame above her Heart. She says: "Praise be to Jesus. My children, pray with me now for the unbelievers."

As Blessed Mother prayed, She had three rays of light come from above, one ray to her Heart and the other two onto each hand."

"I come, dear children to define to you who is the UNBELIEVER. The unbeliever is the one with the divided heart who does not lead a Christ-centered life. The unbeliever is the one who compromises his faith to suit his own needs. Dear children, I come to you today with the crown of victory over the flame of love that is my Heart. This represents to you and to the world, my dear children, that my victory is coming through this Flame of Holy Love. Thus it will be represented on every Image of Mary, Refuge of Holy Love. Today I impart to you my Blessing of Holy Love."

---

**May 27, 1997**

Our Lady is here as Mary, Refuge of Holy Love. she says: "Grace and peace be with you. Praise be Jesus. My daughter, I come to you bring enlightenment. The crown over the Flame of Holy Love above my Heart is set with three stones. The one in the center represents Jesus, Who is the center of the universe. On each side you see a smaller stone. One represents me, the Second Eve and the path to the New Jerusalem. The other stone represents the Church which at Christ's coming will be united and made one with humanity. These three - Jesus, Mary, and the Church - will be triumphant and reign in glory in the New Jerusalem. The era of peace which will ensue after this triumph will last 1000 years." (2 Peter 3:8 - "But do not ignore this one fact, beloved, that with the Lord one day is as a thousand years, and a thousand years as one day.")

"Jesus is granting to the world and through my mission a very great grace. Because My Son desires I be honored in this role, a certain proclamation will come from my Holy Father. In support of this my grace will come. It is so the multitudes will know and believe. These words are not empty, but carry with them the substance of grace. I am leaving you only to return later."

**May 29, 1997**  
**Thursday Rosary Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, pray with me once again tonight for those who do not love."

"Dear children, tonight I invite you to realize that the greatest sorrow of Our United Hearts is the lack of love in the world. Therefore, know and understand, that Our triumph and victory will come through love. It is thus I desire that you consecrate yourselves in the present moment to Holy Love. Live the message in this way, and I will use you to the fullest extent as my apostles. Tonight I am blessing you with my Blessing of Holy Love."

---

**May 30, 1997**  
**JESUS**

"My greatest pain during My Passion and Death was not physical but a pain of the Heart. I sorrowed as I poured out My life for all humanity for the lack of love in hearts."

---

**May 31, 1997**

Our Lady comes all in white. She says: "Praise be Jesus. I come to reveal and inform."

"This weather is God's disdain for the choices of mankind. Normal weather is not normal anymore. [It has rained for five straight days.] 'Weather extremes' are the normal. But these signs escape those of the world."

"I have come to show you the way to be happy. Happiness is complete surrender to God in everything. In surrendering everything, you no longer have a misfortune or a cross that is all yours. No, every joy and sorrow is shared with Jesus. In trusting all things to Providence, you are also trusting God's Will. God's Will for you is Holy Love, and in Holy Love you have come full circle."

"Do not from this time on claim anything, cross or joy, as yours alone. Share all things with God, and you will be at peace. If you ask me, I will help you. You are my little ones. I am blessing you."

---

## June 1, 1997

Our Lady comes as Refuge of Holy Love. She says: "Praise be Jesus. Dear daughter, you are in the depths of my Heart. Tell my children that for the sinner there is but one path - the Flame of Holy Love. To pass through this Flame takes courage and introspect. But, as you submerge yourself in Holy Love, I am with you and supporting you."

"Today, there are many, many who turn their backs and run from this Flame as though it would devour them. It is their own self that destroys their soul. It is their fear of saying 'yes' that makes them run."

"I have come to bring you now to my triumph, for it is within this Flame of Love that Satan will be consumed and devoured. Do not think he is unaware of this. In the end he will be rendered harmless. Today, he is frantic."

"But my Image (Refuge of Holy Love) leaves him in terror. Use it. Carry it with you . Have it near you. Hold it prominent in your homes. He has no weapon to match this Holy Image."

"I am with you. I will defeat Satan thorough your prayers. I am blessing you."

---

## June 2, 1997

"Dear children, I invite you to pray with me. When you pray the Rosary, I am with you fingering the beads. Your humblest effort and your greatest efforts are one. God desires your willingness to pray - even amidst distractions. Come and be with me. Sit with me and pray. I will bless you."

### Thursday Rosary Service

Our Lady is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. My little children, pray with me tonight for the spiritually impoverished."

"Dear children, tonight I invite you to see that many hearts are divided, some loving God, some loving only self. I have come to help you choose, my dear children, in favor of Holy Love, which puts God above all else, your neighbor second, and self last. Make your decisions in thought, word, and deed according to Holy Love. Dear children. Tonight I am blessing you with my Blessing of Holy Love."

---

**June 7, 1997**  
**Feast of the Immaculate Heart of Mary**

Our Lady comes in blue and white. She has Her Heart exposed. She says: "All praise be Jesus. My angel, it is today as it was in the time of Jesus. Sometimes my messages fall upon infertile soil, that is the message falls by the wayside and succumbs to the allurements and the opinions of the world. I desire all people seek the Refuge of Holy love that is my Heart. I desire to describe this solemn Refuge to you today."

"A refuge is a place of safety, a port in the storm, and a shelter of provision. My Immaculate Heart is all of these things. I call you into my Heart that I may protect you from the evil around you in the world today. Satan rarely comes as himself but in every form of disguise. He uses the snare of television to invade your leisure. He writes in newspapers, magazines, and books. He is proficient in every form of art and music. He uses modern communications such as the Internet and e-mail. He transposes himself on good to create evil."

"It is in the Refuge of my Heart I will help you to discover Satan in your life and in the world. In the shelter of my Heart I will protect your faith. Today the Church has been infiltrated with confusion. Through Holy Love I can help you uncover his snares."

"It is through the grace of my Heart all good comes. I dispense the graces I am given by my Son. During these times you are certain prey for Satan without the intervention of my grace."

"This Heart, this Refuge is a shelter that leads to the Kingdom of God and the New Jerusalem. My Heart will take you into the era of peace. It is the vessel of sanctification, the Harbor leading to God's Ocean of Mercy and Compassion."

"To enter, you need more than my invitation. With your will, you need to turn your hearts over to me. You need to live in Holy Love. Thus clothed, I will open wide the door of my Heart."

"My angel, I need for you to make all of this known."

**From the Cure D'Ars -Patron of Parish Priests**

I look up to see the Cure D'Ars. He says, "I see you are not so glad to see me. We do not operate in fear. I know you are afraid I will tell you things that will leave you open to criticism. I only come bearing truth."

"Where do I begin? Faith in the Holy Father, faith in the Real Presence in the Eucharist, devotion to Our Lady and the Holy Rosary - these are the three strong points that a good priest must have. There is nothing here open to debate or

compromise. These are Church doctrine. No one can be one-half a Catholic. You either believe or you don't."

"The function of a priest is to bring the sacraments to the people. Nothing should get in the way of this."

"The priest can change many souls and situations from the pulpit and by his lifestyle. He can uncover sin, fight abortion, feed the hungry, and strengthen faith. He can promote the family Rosary and Rosary groups in his own parish. He can ask for prayers against abortion and in support of the Holy Father and the Church. He can lead a saintly, exemplary life not being afraid of unpopularity or being a sign of the priesthood in the world - not being afraid to uncover sin."

"A vocation is a special gift from God. It is a call, and within that call is grave responsibility towards his parishioners and their salvation,"

The Cure nods to me. "There now. Was that so bad? Move forward." He blesses me and leaves.

**From the Cure D'Ars -Patron of Parish Priests**

I look up to see the Cure D'Ars once again. He says, "Forgive the intrusion. I like your dress, for it is modest." (I had been concerned it was too long.) He goes on. "I have come to describe to you the perfect Cardinal, Archbishop, and Bishop. Such a one is completely loyal to the present Holy Father. He does not support heresy but confronts it. He is not politically motivated nor concerned with popularity within Church ranks or in the world. He is a shepherd standing for Church tradition and truth."

"I come to you so that those who are listening will be able to recognize good and discern evil." He blessed me and left.

**2nd Sunday of the Month - To Pray Against Abortion**

Blessed Mother is here Our Lady of Guadalupe. She says: "Praise be Jesus. Pray with me now dear children for those who participate in the sin of abortion."

"Dear children, the sin of abortion is a silent holocaust destroying lives of national leaders, Church leaders, and world renowned scientists. (\*) Because it is such a gruesome sin, it allows Satan to invade many lives and to influence the future of every nation and even the planet on which you live. For justice will have its way in the end. It is important that you continue to remember this very special intention of mine, that consciences awaken as to the true nature of abortion and to Satan's lies. Pray, pray, pray. Today I am blessing you with My Blessing of

Motherly Love." (\*) Four years ago Blessed Mother had advised the visionary, Maureen, that the future scientist who was to discover the cure for cancer and the future scientist who was to discover the cure for aids were both aborted.

---

**June 10, 1997**  
**JESUS**

"My Mother's coming to you is to prepare the world for the victory of the United Hearts of Jesus and Mary. This victory is in and through My Mother's call. In the victory of the United Hearts, each heart will be triumphant. Holy Love will reign with Divine Love. God will be established once again as King and Center of all hearts, the world, and the universe."

"You cannot fail when you surrender to this call. The victory is pre-ordained in the Heart of the Eternal Father. Accept My victory in your heart - now in the present moment."

---

**June 11, 1997**  
**JESUS**

"The Flame of My Mother's Heart is Holy Love. The Flame of My Heart is Divine Love. The Flame Of Holy Love purifies. The Flame of Divine Love - loves. When you are in the Flame of Divine Love, you are in Me and I am in you. The center of your existence is to love."

---

**June 12, 1997**  
**Monthly Message to All Nations**

The following message was given in multiple parts. The parts are interspersed. Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Thank you for responding to my call to be here today. Pray with me now for those who hear but do not believe."

"Once again I come seeking your reconciliation with God. God remains constant in His steadfast love. It is you that have distanced yourselves from Him."

"Those who make gods of their free conscience, which is free will, are on the path to perdition. You cannot be saved outside of God's Holy and Divine Will, which is Holy Love."

"I come bringing you love and seeking your love in return." (Now she is showing me a human heart in front of her. It has many holes in it and something seems to be pouring out of the holes.) Our Lady says: "This is the heart of many in the world. All my grace escapes them. Perhaps they believe and follow the righteous path briefly. But Satan gains easy access through flaws in Holy Love. These holes you see are the flaws."

"Such a heart is compromised. This is how Satan has manipulated laws to his liking. Pray and sacrifice that hearts be made one with their Creator. I come to you so that Heaven and earth will be united in every human heart."

"My children, it is the hour of apocalypse spoken of by the prophet Daniel. Do not think that because evil thrives in hearts that God will not intervene. In His compassionate Mercy, He gives mankind every opportunity to convert and reverse all evil."

"I have come to show you the way to conversion. Open your hearts as roses in the sun. I have brought you here today for my purpose and your welfare, so that you will believe and help others to believe. I invite you into my Heart. You never know which chance may be your last. You do not know the hour of Jesus' return."

"Dear children, today you pray amidst my tears [it was raining]. I am sorrowful today for what is to come to the world, for the world as you know it teeters on the brink of disaster. It is by merit of your prayers and sacrifices that I am thus able to withhold the hand of justice. My dear children, see what is to come." Maureen now sees a globe of fire coming toward her that passes by. Then another globe appeared that was in total darkness."

"But it is within the Refuge of my Immaculate Heart that I will shelter you. Just as today you find shelter under your umbrellas, so my Heart will be your Refuge in the great trials that lie ahead, as also it will be your consolation."

Jesus is now with Blessed Mother. They extend to us the Blessing of the United Hearts.

**JESUS**

"Regard My feelings. I have made Myself a Prisoner among men. Yet I am totally free in the Divine Will of the Father."

---

**June 17, 1997**

When I arrived in the chapel, Our Lady was by the tabernacle waiting. She said: "Come, my daughter, sit with me. Today I was with you in the store. I was hoping you would see the analogy between the electrical power and the light of Holy Love I bring to souls." (I was in a large store earlier. There was a power outage and the auxiliary lights went on.) Our Lady continues, "Some souls - many souls - have only a small light within them. They may be good people in some circumstances, but they do not consciously try to live in Holy Love to please God. Their good deeds are wasted when they perform them for human approval or out of self-satisfaction. I cannot communicate to you on the human level how

pleasing it is to God when you perform acts of love out of love for Him. It does not matter how big or how little the act of charity is. What counts is the amount of Holy Love with which you perform it."

"Some go through life only seeking to satisfy themselves. I long to turn on the light of Holy Love in their hearts and in their lives. Holy Love is never wrong and makes all deeds worthy. I am blessing you."

---

**June 18, 1997**

Our Lady comes as Refuge of Holy Love. She has Padre Pio and St. Therese on either side of her. They are very small. She says: "Praise be to Jesus. My angel, I invite you to put this down. This mission has as its patron and patroness these two saints. Now, my daughter, I will reveal to you some things you cannot understand on your own."

"Both of these (St. Therese - Padre Pio) were victims of love - Holy Love. Both made great strides to bridge the span between Heaven and earth through Holy Love. The good Father Pio carried visible signs on his body of this love, a love he shared with His Savior. I come to you under this title, Refuge of Holy Love, bearing this sign of love on my hand which I extend to the world. Holy Love is the bridge of reconciliation between Heaven and earth. The Cross of Jesus is love. When I cooperated in the Passion and Death of my son, I extended this bridge of love to all humanity. As yet to be pronounced is this my role."

"But, I come to you showing you the bridge of reconciliation between all people and God, so that many will follow across this bridge. Thus the abyss will be conquered."

"Draw then your final conclusion and realization of the impact of my coming to you. I come to call every soul to Holy Love and across the bridge of reconciliation. I call my children to follow me in docility traversing the abyss in faith. At the end is victory. At the end is the triumph of the United Hearts."

"Perhaps now, my daughter, you can see all the innuendoes and nuances of my coming to you. Let there be no longer a mystery in your heart, but accept in childlike faith my great confidence in you."

---

**June 19, 1997**  
**Thursday Rosary Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. my dear children, pray with me tonight for all unbelievers."

"My dear children, I have invited you here tonight to be with me at my apparition site, and you have come consenting with your will to be with me. Surrender to me

your hearts. In this surrender, I invite you to see that your lives will change. And when you leave my apparition site, you will be renewed in Holy Love."

"Dear children, I come to gather all nations into My Heart of love, which is the path, the gateway, and the bridge to Heaven. I am blessing you with my Blessing of Holy Love."

---

**June 20, 1997**

Our Lady comes as Mary, Refuge of Holy Love. "My daughter, I come to you as I have promised and foretold. I ask you to have confidence in me now, as I must bring you a special message."

"I come as your Advocate and Mother. I ask you to make this known to all of my little children. The year ahead - this June to the next - will be a year of untold sorrow and joy. Many revelations [made by the Virgin Mary during this century] will be realized. Those who are weak will not understand, just as they fail to see today. The current tribulations and evils in the world are only a prelude of what is to come."

"As I come seeking your reconciliation with God, Satan is at my heel seeking your destruction. The apostasy and heresy, that is in hearts now, will be externalized as never before. But I do not predict to you destruction of the Church. Many will succumb but not all."

"Those who seek the bridge of reconciliation with God - the bridge which is my Heart and Holy Love - will be safe. I speak of spiritual safety, for my Heart is your Spiritual Refuge. Those who pursue their own will shall be easily misled."

"My daughter, you need not defend this way of love and reconciliation. You need only point it out. This is how Jesus taught."

"The lives of many will be altered in this year of grave decision. This year continues under the reign of Jesus, King of Mercy and Love. But coming swiftly is my Son's reign as Just Judge."

"I do not come to frighten but to awaken sleeping consciences. I do not come to satisfy the curious but to change hearts. The privilege of my coming to you is for all nations and all people. All of these can traverse the bridge of Holy Love. They must choose."

"The reign of the United Hearts will bring an end to division. It is time to unite in this victory. It is time to believe."

---

**June 22, 1997**

4th Sunday of the Month - To Pray for Unbelievers Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, pray with me now for those who are afraid to believe openly in my apparitions here."

"Dear children, today I invite you to understand that it is not one person that I come to and to whom I ask to spread the message, but it is all. If you have heard my message of Holy Love you must spread it, especially amongst those who do not believe. Be apostles of my Heart. Today, I remind you that I am your Mother. You must not be afraid of your Mother, or ashamed, but openly face those who mock me. I am blessing you with my Blessing of Holy Love."

---

**June 23, 1997**

**Monday Night Praise Group**

Blessed Mother is here as Mary, Refuge of Holy Love. Jesus is with her with His Heart exposed."

She says: "Praise be Jesus. Dear children, My Son has graciously condescended to come with me today, as He will every Monday. We will extend to you, at the end of our meeting, the Blessing of the United Hearts, for with it carries much grace of healing both physical, spiritual, and also emotional."

"Come to realize, my dear children, that the Image of the United Hearts represents the path, the gateway, the corridor, and the Kingdom which is the goal. Much of humanity, in this present moment, stands at the foot of the bridge of Holy Love. You must pray, my dear children, that they choose salvation and not perdition, for so much confusion and compromise is in hearts today. Now We are extending to you the Blessing of Our United Hearts."

**June 25, 1997**

**JESUS**

"Approach the altar with great reverence and faith. Noah did not have such a gift. I am with you as I can be during these times. You will succeed for I am with you. You will persevere for I am with you."

**June 25, 1997**

**Feast of St. John the Baptist**

Our Lady comes as Our Lady of Fatima. She says: "Praise be Jesus. I come as Herald of My Son's return. I come to summon all nations into my Immaculate Heart. It is foretold in scripture what is to come." (Daniel Chapter 7)

"I come to you today as your Mediatrix and Advocate. I come to warn you against an ungodly union forming amongst nations. In this unity is loss of independence and identity. It will bring no order but disorder."

"Ahead are great trials. The greatest will be suffered by those people who now live sophisticated lives and by nations who have led multitudes astray."

"The humble and those consecrated to my Immaculate Heart will find peace in the midst of adversity. I will be with them. Great and unfortold are the miracles and graces that will sustain my little ones during these times."

"Nations must not seek to be united under an earthly leader but united in my Heart - united in Holy Love. Pray, oh pray for government leaders who have compromised mankind's position before God. Pray for Church leaders who do not recognize their role in these times."

"With your Rosary you can overcome evil and change the course of coming events. You must pray. I am blessing you."

---

### **June 25, 1997**

Our Lady comes as Our Lady of Guadalupe. She says: "It is important that I speak to you now as a mother concerned for her children."

"When your country was founded, hearts were well-centered in Christ. Your country even adopted as its by-word. "In God We Trust!" But today, God has been forced out of hearts. Consciences have fallen asleep. The word 'freedom' has been convoluted and now stands for every sort of abomination and debauchery against God's law. Because your nation leads and holds much influence over other nations, great, great are the consequences of ungodly decisions. The Church itself stands compromised by opinions instead of loyalty to the Holy Father."

"I am calling the laity to unite in the Hearts of Jesus and Mary. Pray for the courage to battle, in the present moment, every type of hypocrisy and lie Satan is spreading. I am with you. I want to protect you. The future depends on your prayers."

---

### **June 26, 1997** **Thursday Rosary Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She came with many angels who are all around her. She says: "Praise be Jesus. I come tonight bringing you life and strength. Dear children, pray with me for those who surrender only superficially to Holy Love."

"Dear children, the path of eternal life that I call you upon is Holy Love. There are some who proclaim themselves to be peacemakers; but they have not surrendered their hearts completely to Holy Love, and any peace that is not based on love is not lasting. These people are important in the eyes of the world and leaders amongst men. But I have come to tell you that you must pray for all hearts to surrender to my Love. Trust those who answer my call. Dear children, tonight I am blessing you with my Blessing of Holy Love."

---

**June 30, 1997**

Our Lady comes in a dark blue mantle and white gown. She says: "I come to address my children. I am Mary, Refuge of Holy Love."

"Dear children, I invite you to comprehend the course of human decisions and the impact of free will upon your nation and the world. Your country was founded upon the rock of trust in God. But over the years that rock of faith has crumbled and turned to sand. Sand washes away in the tide of secularism. Therefore, see that the foundation of your nation will, in a series of events to come, crack and open to swallow up iniquity. Physically your nation will change. Also the cornerstone men have made for themselves fiscally will be shaken."

"Your country has not experienced such events in the past. Hearts are unprepared, for people no longer depend on God but on their own resources. It is during this series of events that mankind will find human efforts lacking and empty."

"I am calling you to understand this now, during these times, so that you will pray and know that I am with you. You are prepared if you are in the Refuge of my Heart."

---

**June, 1997**

**Prayer to Jesus in the Eucharist**

Dictated to the visionary, Maureen, by Blessed Mother

**"My Jesus, I believe in You - truly present in all the tabernacles of the world. I surrender to You my sins and all the love I have in my heart. I beg Your forgiveness for those who do not believe in You and do not love You."**

---

### July 1, 1997

Our Lady comes in white. She says: "Praise be Jesus. Dear children, you believe and you trust. Surrender to My call to apostleship. Take My message of Holy Love in your hearts wherever you go. Let it come alive in your words and actions. The present moment is the grace-filled time to evangelize. Come into My bosom of love."

"I am extending to you My Blessing of Holy Love."

---

### July 2, 1997

Our Lady comes as Mary, Refuge of Holy Love. She says: "My daughter, I have come as your Protectress and Refuge. Praise be Jesus. I come to solicit your prayers. **I desire that you pray with Me nightly for the victims of this imminent disaster.** Comprehend, My daughter, I do not come seeking prayers only for those, who from one moment to the next will be judged before God, but also for those who will survive what will come. **This holocaust will affect your entire nation.** Then understand, My daughter, that because your nation is so influential, many nations will be affected."

"This mission has passed through the fire and is now ready in these last days. Thank you for persevering. I am with you."

---

### July 3, 1997 Thursday Rosary Service

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now for unbelievers."

"Dear children, I come to you through time and space to bring you peace and truth. Reconcile yourselves to the will of God through Holy Love. Jesus gave you to Me at the foot of the Cross. Now I am giving you to Him through My Heart."

"Tonight I am blessing you with My Blessing of Holy Love."

---

### July 4, 1997

"My daughter, I come to you with a longing Heart. I desire to bring to Jesus those who are most greatly touched by the events ahead."

"I come to challenge hearts to live in holiness. Do not search for answers to today's problems in the world around you. Pray and you will be led. If you cannot do this in these times, how will you be able to when greater challenges come to you?"

"In everything praise Jesus. He is the mender of every way."

She leaves.

---

**July 4, 1997**

Our Lady comes in blue. She has a frame around Her with four little hearts on it (like the medal on my new rosary). She says: "Praise be Jesus."

"My daughter, I come to you today seeking your prayers for this nation. To whom much is given, much is expected in return. This is true of nations as well as souls. Your country was founded on sound ideology, given many resources and great leaders. But all of these assets have been taken for granted and abused. Most do not see God's hand in the course of history and even less in the present moment. Good has been convoluted and made into evil through free will. Consciences have become the law of the land. Man's ingenuity has been credited with God's grace. Abortion is accepted and set as a standard before all people and all nations."

"God will enact His Justice not in small measure but according to the evil in hearts. Your country and many more have chosen ways contrary to the perfect balance in nature and the universe."

"All that prevents sheer justice from God's hand is prayer and My mission of Love around the world. I come, not just for you or this nation, but for all peoples and every nation."

"I continue to intercede for you before the throne of God. I ask your perseverance in prayer."

"I am blessing you."

---

**July 4, 1997**

"My daughter, I come to you today as Queen of the Universe and Mother of Jesus Born Incarnate. Will you respond to Me?" I look up and see Our Lady in a luminous light, in pink, gold, and white. She has a crown on Her head and is holding Jesus.

She says: "Do not despise rejection. It is a sign to you I am real. It is a sign My message to you is challenging Satan's power in the world." (Someone I knew refused to say hello to me earlier.)

"I am coming to you as Queen and Protectress of the Universe to show you that my message of Holy Love is a force drawing the world and all balances of nature

back to God. The beginning and the end are about to unfold. The beginning of a New Era is coming on the heels of Satan's defeat."

"Win for Me hearts - one at a time. For when a soul chooses conversion, he chooses Holy Love. With Holy Love in his heart, Heaven and earth are united and victorious in him. Each heart strengthens the Kingdom. Each heart hastens My reign."

"This message is the key to unlocking the door to the New Jerusalem. My Heart is the message of Holy Love. From the moment that God deigned I be Immaculately conceived, it has been so. You are here now proclaiming truth. Truth will win out in the end."

"It is true some do not see the Scale of Justice I hold in My hand - this scale being Holy Love. But in the future it will be shown to them all too clearly. At that time, my Son will be holding it and weighing all thoughts, words, and actions according to Holy Love."

"Continue. I am with you. I know all your needs."

She leaves.

### July 9, 1997

Blessed Virgin to Maureen: "Because hearts have become complacent and apathetic, God will allow this event to take place, so that He will be brought back to the center of lives. Your country has fallen asleep morally." (Blessed Mother advised that quite a number of natural disasters were forthcoming in the United States. However, one in particular was going to be particularly devastating. Our Lady requested prayers for those who would die and also for those who would survive.)

"You have been given the gift of prophetic dreams. What you are being told by Me today you sensed in your dreams as a child." (Maureen had had the same dream a couple of times a month for years.) "The worst part of your dream was - No one would listen to you. Pray and receive courage to circulate My foretelling of these events. I will pray with you that hearts open. In this grace give praise to Jesus."

---

### July 10, 1997

Our Lady comes as Our Lady of Grace. She says: "Praise be Jesus. I come to help you to understand that you are living in an age of grace and miracles. But greater than any grace that is extended to you is your openness to My grace. Grace is like the Word of God, which sometimes is accepted in a fertile heart and thrives. At other times grace is choked out by the weeds of doubt and

misconception. At times, hearts are like stone, and grace cannot take root at all. Always, always, My grace comes to you from the hand of God and towards your own salvation."

"I am blessing you."

---

**July 10, 1997**

Our Lady is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now for all those who will come here and those who have come in the past."

"Dear children, tonight I am calling you to surrender completely to Holy Love. Through this message My dear, dear children, you will receive life, the life of salvation. (\*) I am calling you to surrender any pride that keeps you from spreading this message and from bringing souls to their salvation, through the Refuge of my Immaculate Heart."

"Tonight, once again I am blessing you with My Blessing of Holy Love."

(\*) HOLY LOVE is Mary's IMMACULATE HEART which is the PATH and the GATEWAY to DIVINE LOVE which is Jesus' SACRED HEART.

---

**July 10, 1997**

Our Lady comes as Mary, Refuge of Holy Love. "Praise be Jesus. My angel, what is to come will change and alter lives forever. But it is necessary to bring about the reign of Our United Hearts.

I asked Her the meaning of the dream I had last night.

"Satan will come to power and gain strength by this means." (Modern technology? Saw flames on a computer screen.)

"Go now and I will be with you."

---

**July 12, 1997**

**Monthly Message to All Nations**

*The following message was given in three parts.*

"My daughter, let us continue in praise of Jesus."

"The fruits of love are: peace, joy, reconciliation, unity, and compassion. You cannot have the fruits of love if you do not love God and your neighbor first."

"Satan wants you to believe the contrary. Satan does not want you to love God but to love sin; to love self first and foremost; to love money. Satan lies to you by letting you believe these things bring you peace, joy, and all the good fruits of love."

"I come to you asking you to look at your lives. Look into your hearts. See where Satan has fooled you. Then look at your country. **See what values your leaders have chosen.**"

"Realize then, how wide the abyss has come between man and God. Help Me to construct the bridge of Holy Love to span this abyss."

"My daughter, I come to speak to all nations. Centuries ago, when I appeared to Juan Diego under this title, people were worshipping false gods. **Today it is also true that the abyss between God and man is the false god of money.** Money is viewed as strength. It is fought over and is the root of much evil. **You would not have abortion in the world today if it did not line the coffers of those involved.** This is also true of child exploitation and many other sins that are an abomination in the eyes of God."

"People see this world as an end in itself, when it is only a beginning. All of these false gods are temporary and serve as obstacles to salvation."

"Further, the world as you know it is passing away. How foolish to cast your lot, then, with what is not eternal. My call to you is to see Satan in all that is temporary. Only with God is there eternal life."

**"If your country would resolve the abortion issue and once again rule it illegal, some of what I have predicted would be averted. I cannot resolve this issue for you, only pray that hearts open to the truth."**

"I come as the Woman Clothed with the Sun. Praise be Jesus. Pray with Me now dear children for all petitions in hearts here today."

"Dear children, come to realize that God's Divine Will and My grace are one. Through your prayers, I dispense My grace, that I may hasten the Reign of the United Hearts of Jesus and Mary."

"When My Son returns and Our Hearts are victorious, you will be living in a new Heaven and a new earth. Heaven and earth will be united in every heart; then love will reign as uncontested ruler of hearts, nations, and the world."

Jesus is now with Blessed Mother and they extend to us the Blessing of the United Hearts.

### July 13, 1997

Recently, Maureen returned to the church where Our Lady first appeared to her in 1985. In the initial vision, Our Lady held a large beaded rosary. During the vision the 50 Hail Mary beads changed into the shapes of the 50 states. In this vision today Blessed Mother was holding the same rosary; but this time, the states slipped off the string of the rosary and landed in a pile at Her feet. What was left was a golden thread they had been on.

Blessed Mother said: "This I tell you, My daughter, your country has separated by choice from God."

"Hang on, hang on to this golden thread." Maureen understood the golden thread was Holy Love.

---

### July 13, 1997

Our Lady is here as She appeared to me (Maureen) two hours earlier at Mass, in a light pink gown, light gray mantle with ivory lining on the mantle. She was holding a golden thread. She said: "Praise be Jesus. Pray with Me now for all those nations who support abortion." All the states have slipped from Her rosary and are at Her feet.

"Dear children, your country has chosen to embrace abortion. In so doing, it has slipped from the grasp of Holy Love. I no longer come to you to deliver your country from God's Justice but to increase and strengthen the remnant of faith in hearts. I extend to you My Blessing of Holy Love."

---

### July 14, 1997

Our Lady comes as Mary, Refuge of Holy Love. She says: "I know this is difficult for you to comprehend - that so many souls are slipping to their perdition - but it is true."

"I come in praise of Jesus, My Son. My daughter, I am providing for you time to pray for these lost children of mine. Time is racing forward. When justice comes as tribulation after tribulation and wave after wave of ill fortune, it will be too late for many."

**"Part of God's mercy is your forewarning of what will come, but you must make this known. Ask everyone to pray."**

---

### July 15, 1997 - JESUS

**"These are the last days of My Mercy. If people knew the alternative to My Mercy, they would cast themselves at My feet."**

---

July 15, 1997

Our Lady comes as Refuge of Holy Love. She says: "Praise be Jesus, truly present in the tabernacles of the world. My angel, My coming to you is to toll the bell of warning in the world and to call all people and all nations into the Refuge of My Heart, which is Holy Love. My Jesus, Who readily orders all things, has sent Me from the beginning of time to you. You see the nation in ruin at My feet." (She refers to the vision of 7/13/97.) "But today I tell you, it is not one nation but all who will suffer. Already you have experienced in most nations a moral collapse. The treasury of grace in My Heart has been unable to influence free will. Now I am sending you as God sent Jonah into the thick of things. Boldly proclaim all I have revealed to you. Unlike Jonah, you will have Me by your side. **People must repent. Hearts must change; otherwise, a chain of events will unfold and with certainty bring the destruction of property, lives, and annihilation of areas now steeped in sin. This I spoke of at Fatima, at Garabandal, at Akita, at Betania, and now here. Who is listening?"**

**"Come into My Heart now and prepare. Your mission is being fulfilled. I am blessing you."**

---

July 15, 1997

The Blessed Virgin is here, dressed as She was twice earlier today; and the states are piled up in a heap at Her feet. She is holding a golden thread in Her hand. She says: "Dear children, I come in praise of Jesus. **I ask you to understand the tenuous position your country is in.** Now, the remnant is clinging to My Immaculate Heart through this message of Holy Love, which is also the links of the chain of the Rosary. I come to you, asking you to make this known, so that all will realize the peril your nation is in."

**"With a tender Heart I come to you, with a mother's love asking you - MAKE THIS KNOWN."**

July 17, 1997

Once again, Blessed Mother is here as Mary, Refuge of Holy Love. She has all 50 states in a pile at Her feet. (See 7/13/97 message.) There are two angels with Blessed Mother. One angel picks up one of the states and hands it to the other one. It is like sand in his hand; then it turns into gold with some of the sand falling out as it is changing. The gold is then given to Our Lady who places it into Her Immaculate Heart. Our Lady says: "These are the faithful and righteous who have persevered in faith. Dear children, pray with Me now for all the unbelievers."

"Dear children, I continue to come to you so that the faithful remnant will be increased and strengthened. Humbly understand that you are living in apocalyptic times and that this is a place of revelation - holy revelation."

"Tonight, I am asking you to accept your place in these times and to increase the grace in your hearts by your efforts through prayer and sacrifice. Tonight accept My Blessing of Holy Love."

### July 22, 1997

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, I am in your midst. I come to you as your Mother and your Refuge. I am your Refuge as you embrace every cross. I am your Refuge in every decision. I am your Refuge when you feel oppressed by compromise. Dear children, follow Me into the New Jerusalem through My message of Holy Love, for I am the Path and the Gateway. Tonight, I extend to you My Blessing of Holy Love."

---

### July 27, 1997

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear, dear children, I come to you today, offering you hope and peace. Please understand, that it is your self love that creates obstacles on the path of Holy Love. When you surrender only to self will, you are blocking the way between yourselves and My Immaculate Heart. I desire that you realize I come to you not to command your holiness but to invite you to say "Yes" to holiness. Today I am blessing you with My Blessing of Holy Love."

---

### July 30, 1997

"My mission in you is to prepare the world for my Son's Second Coming. **Praise** be Jesus!" Our Lady comes as Refuge of Holy Love.

"These are the ways my Son sends Me to you with, that the world may be reconciled to God before His return."

1. **"Spread devotion to the United Hearts of Jesus and Mary,** for it is through the United Hearts that Heaven and earth will be united."
2. **"Promulgate the Image** you have before you (Mary, Refuge of Holy Love). In this Image is the **culmination** of all My apparitions during this century. It is the **Refuge** of the Immaculate Heart spoken of at Fatima. It is the **promise** of an era to come spoken of at Garabandal. I speak of the crown over My Heart, which foretells the **victory** of the United Hearts and the **triumph** of the Church over evil. The

cross on My hand represents a **dogma** which is coming - **Co-Redemptrix**. I am pointing to My Heart, calling humanity into this safe Refuge. This Refuge is **Holy Love**. When you live in Holy Love, you imitate My Heart."

3. **"Propagate the Holy Love messages**, the path and gateway to the New Jerusalem. Through this simple yet profound message, people should return to holiness, the Ten Commandments, and prayers."

Your country is in great peril, for it does not embrace love of God but love of self. It governs by human conscience instead of the Ten Commandments."

**"Pray, pray, pray!"**

---

**July 31, 1997**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Let us pray now for all the intentions in hearts here tonight."

"Dear children, tonight once again, I invite you to open your hearts to My message of Holy Love. Too often you allow the message to come into your intellect, but it never reaches your heart. Understand, My dear children, that My coming to you is a sign that you must love and let this love penetrate your entire being. I am inviting you once again to be My message of Holy Love. I extend to you My Motherly Blessing."

---

**August 1997**  
**JESUS**

"Make it known. It is self love that obstructs the soul's journey along the path of holiness. It is self love that opens the door of the heart to sin."

---

**August 5, 1997**

Our Lady comes in pink and gray with gold stars over Her Head. There are lilies around Her. She says: "Praise be Jesus. My angel, today I come to you as emissary of these times. I invite you to open your scripture to Daniel, Chapter 12. Within these passages is deep understanding of the days you live in and the hour in which I come."

"You have not seen these times before in the history of man. But now, they are unfolding before you. Earth's tribulations are escalating as evil proliferates in your midst. Hasten to deeper understanding of the Way I lay at your feet. Holy Love is the remedy of man's peril. It is the thread of hope remaining between God and

humanity. In this hour it is the salvation of a dying generation. It is the promise of an age to come."

---

**August 6, 1997**

Our Lady comes as Refuge of Holy Love. She says: "I come in praise of Jesus, My Son. My daughter, you will please make this known to all of My little children."

"When the triumph of the United Hearts occurs you will be living in the New Jerusalem. Every measure of grace will be expanded, and hearts will be transfixed in Divine and Holy Will, which is Divine and Holy Love. Righteousness will be restored in all hearts and even nature itself. Satan will no longer contend with holiness, and Christ will resume His place at the center of the universe. You do not have to understand theology to know that this is a wonderful plan and reward for all who persevere."

"As I speak to you, the good angel prepares to lift his trumpet, sounding the return of My Beloved Son. You, My children, are so much a part of this. By preparing your hearts for these times you are preparing part of the world as well."

"I am blessing you."

---

**August 7, 1997**  
**Thursday Rosary Service**

Our Lady comes as Refuge of Holy Love. She says: "Praise be Jesus. Let us pray for those who have come in the past and who will come in the future." We prayed.

"Dear children, today I call you to realize that I need to take you deep into the sanctuary of My Immaculate Heart. Therein, I will form you in the Flame of Love into holiness, that you may share the New Jerusalem with Me and with My Holy Son."

"My coming to you is real. Let your response to My call be genuine as well. Tonight I am blessing you with My Blessing of Holy Love."

---

**August 8, 1997**  
**Feast of St. Dominic**

Our Lady comes with many (10-12) angels who are saying, "Sorrowful and Immaculate Heart of Mary, pray for us."

Her Heart has many swords in it and is surrounded by white flowers. She says: "Praise be Jesus, Crucified and Glorified. I come to you at the request of Jesus that you will make known devotion to My Sorrowful Heart. Proceed as you have

been inspired with the shrine in honor of My Sorrows. This effort will propel the mission forward. The effect of My coming to you will be affirmed in every heart. Proceed with this. It is a pivotal point in the progression of events."

---

### **August 8, 1997**

At the future site of the Our Lady of Sorrows Shrine and Lake of Tears Blessed Mother is here dressed all in white. There is a large white rosary around Her neck that extends several feet in front of Her and is held up by two angels, one on each side.

Our Lady says: "Praise be Jesus. My dear children, this will be known as THE LAKE OF TEARS, and many promises will bear fruit here.

Manifest will be My grace. You do not see the fullness and the entirety of My plan, but much of it hinges on this humble little shrine that Heaven has chosen for this site [Our Lady of Sorrows Shrine]."

---

### **August 10, 1997**

2nd Sunday - to pray against abortion Blessed Mother is here as Mary, Refuge of Holy Love. She has all 50 states in a pile at Her feet and they are smoldering (as in ashes).

She says: "Praise be Jesus. Pray with Me now, for those who are capable to reverse the horror of abortion."

"Dear children, today I inform you, once again, that abortion is the evil which races your country towards destruction. Only if this evil is overturned in hearts and in the world can your nation be saved from certain death. Dear children, the tribulations have begun and proceed as labor pains of a woman with child, each one stronger and more telling than the one before. I come to you asking you to STOP the DEATH and DESTRUCTION and the loss of life and souls. I come asking you to pray and spread My messages on Holy Love. Dear children, you are the solution and the victory; therefore, pray, pray, pray. I am blessing you."

---

### **August 11, 1997**

Blessed Mother comes as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray, My children. Prayer is your hope. Together we can move the Heart of My Beloved Son. I am praying with you. I am blessing you with My Blessing of Holy Love."

---

**August 12, 1997**  
**Monthly Message to All Nations**

Our Lady comes as Our Lady of Guadalupe. She says: "Praise be Jesus. My dear children, pray with Me now for those who do not love." We prayed.

"Dear children, I come to you from Love offering you great Love. But I cannot clothe your hearts in the grace of Holy Love until you surrender to Me. Whole nations have chosen errant paths and have fallen away from dignity and grace. Let us begin today with your own heart - to return to God and love with holiness as your goal. Dear children, I long to share Heaven with you."

"Now I will speak to all nations."

"Dear children, I come to you once again pleading your reconciliation with God. From moment to moment the abyss between God and mankind widens. You must continue to pray, for it is only through prayer hearts will turn to Holy Love. Today the greatness of God is minisculed by what man considers his own progress and feats. I come to remind you that without God's grace you can accomplish NOTHING."

"Jesus sends Me into the world to help you construct the bridge of Holy Love which can span the abyss between Heaven and earth. But I need your efforts."

Jesus is with Blessed Mother, and they extend to us the Blessing of the United Hearts.

---

**August 12, 1997**  
**JESUS**

"Just let the people know there is little time left to reverse certain events. The severity of what will come depends SOLELY on the Holy Love in hearts. No one can turn to God or undergo conversion who does not love."

"Satan's job is to take as many souls with him as possible. This alone makes him the arch enemy of Holy Love. Since the triumph of Our Hearts is through Holy Love, he will not succeed."

"There are those who will suffer needlessly because they reject love."

---

**August 14, 1997**  
**Thursday Rosary Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, pray with Me now that all recognize My grace in the world."

"Dear children, tonight I invite you to understand that each time I come to you, God's mercy is extended through time and space in My Holy Love message. Understand that I am drawing you into a new dimension, a dimension of holiness and onto the path of righteousness. The path of light I lead you upon is eternal life. Tonight, I am blessing you with My Blessing of Holy Love."

---

**August 14, 1997**  
**JESUS**

"My Mercy pours most profusely upon those who are the greatest transgressors against My commandment of love. I do not withdraw from them. I constantly pursue them. You must do likewise."

---

**August 14, 1997**

Our Lady comes as the Sorrowful Mother. Along with the seven swords in Her Heart, She also has a rosebud. She says: "I am the Sorrowful Mother. I come to give praise to Jesus."

"Dear children, during these decisive times, I invite you to wipe away My tears with your surrender to Holy Love. Let your 'yes' be a soothing balm on My wounded Heart. How I long to kiss all humanity with the embrace of My Heart and to forever bring My peace to the world."

"You have not seen, nor do you comprehend, what is to come."

She takes the rose from out of Her Heart and holds it out to me. "This is the grace of Holy Love which I offer to all."

"You will please make this known."

---

**August 15, 1997**  
**Feast of Our Lady's Assumption**

A procession with the Missionary Image of Our Lady of Guadalupe preceded the Rosary.

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, thank you for your love and your devotion. It is your faith and your prayers that are carrying us into the new era of peace. These are apocalyptic times. Changes will come along with Divine Justice. But tonight I reveal to you, dear children, that HOLY LOVE is the KINGDOM TO COME and the NEW ERA OF PEACE. I am blessing you with My Blessing of Holy Love."

**August 18, 1997**

**Thursday Rosary Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now for all those who do not choose to love."

"Dear children, tonight I ask you to soothe My aching heart with your 'yes' to Holy Love. You are loving, My dear children, when, in the present moment, you perform every thought, word, and action in and through Holy Love. It is then My grace can act freely in your lives and I can accomplish God's Will through you. Tonight I am blessing you with My Blessing of Holy Love."

---

**August 23, 1997**

I invite you along the path of Holy Love, and I offer you the Refuge of My Heart wherein lies your strength and your peace. Tonight I am blessing you with My Blessing of Holy Love."

**Thursday Rosary Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Join with Me now in praying for all petitions in hearts here tonight."

"Dear children, tonight I invite you to have trust in God's provision and His plan for you. When you trust, My dear children, you are giving My Son the greatest gift possible. Further, prayers for you are joined with the prayers of ALL the saints and angels in heaven. Tonight I am blessing you with My Blessing of Holy Love."

---

**August 28, 1997**

Our Lady says: "The Blood and Water which gushed forth from the Heart of My Son on Calvary represented Divine Mercy and Divine Love."

Our Lady comes in pink and gray. She says: "Praise be to Jesus. My daughter, once again I invite you to see that I do not come seeking the approbation of men but to change hearts and to reconcile the world to God. It is mankind who seeks every kind of grace and sign but who misses the heart of the message which is Holy Love. Today, I invite people to open their hearts to Holy Love and every grace and blessing will come to you. Otherwise, when the greatest grace comes, the unloving heart will not believe. I am blessing you."

---

**September 1, 1997**  
**Monday Praise Service**

Blessed Mother and Jesus are both here. Their Hearts are exposed. Blessed Mother says: Praise be Jesus." Jesus nods, smiles, and points to His Heart. Blessed Mother now says: "Dear children, please understand that My Son's dominion reaches to the farthest corners of the earth and the deepest recesses of each heart. Therefore, tonight surrender to His Sacred Heart your crosses and your petitions. United together in this way My Son will look with favor upon your every need. We are extending to you tonight the Blessing of Our United Hearts."

---

**September 2, 1997**

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be Jesus," and at that moment a light shines down on Her. "Dearest daughter, I have come to thank you and all involved in moving ahead with the shrine honoring My Sorrows. Great, great are the channels of grace this will open. My Sorrowful and Immaculate Heart needs to be recognized in the world as the Solemn Refuge for all who will surrender to My love."

"I am going to give you meditations. I desire that people come to understand that it was possible for Me to bear each sorrow only through Holy Love."

---

**September 4, 1997**  
**Thursday Rosary Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now for all those who do not love."

"Dear children, tonight I invite you to understand that all of My sorrows are as one and originate from the lack of love in the world today. Dear children, I am begging you to begin to love in the present moment, so that by this means the world may come to her conversion, the soul of mankind reconciled with its Creator. Dear children, I offer you the remedy of these times [Holy Love]. Seize upon it as I tell you; while you contemplate holes in the atmosphere and the ozone layer, the abyss between Heaven and earth is widening. Dear children, I am blessing you."

---

**September 4, 1997**

"Dear children, once again I tell you that this is the site of My predilection and the province of God's Mercy and Love. Those who come here will not find their hearts emptied but filled as they leave. Hearts will change; lives will change. Today I am blessing you with My Blessing of Holy Love."

**September 5, 1997**  
**Meditations for Sorrowful Mother Shrine**

Our Lady is here as Refuge of Holy Love. She says: "Praise be Jesus. I have promised you meditations on My Sorrows which will be placed around the Lake of Tears. Let us proceed."

**1. THE PROPHECY OF SIMEON**

I invite you to meditate upon My knowledge of all future Sorrow which was given to Me by God at the Presentation.

**2. THE FLIGHT INTO EGYPT**

I invite you to meditate upon the anxiety in the hearts of Joseph and Myself for the safety of Baby Jesus and the anxiety I feel today for those who run from salvation.

**3. THE LOSS OF THE CHILD JESUS IN THE TEMPLE**

I invite you to meditate upon the pain of separation I felt when Jesus was lost. This is a pain all should feel when they separate themselves from My Son through sin.

**4. THE MEETING OF JESUS AND MARY ON THE WAY OF THE CROSS**

I invite you to meditate upon the pain of My Heart as I saw the physical pain My Son suffered due to lack of love in hearts. Also think of the pain I suffer today for lack of love in hearts.

**5. THE CRUCIFIXION**

I invite you to meditate upon the pain of a Mother's heart at the death of Her Son, and the virtue of forgiveness I received through grace and prayer. Think of My pain at the sight of the death of the unborn.

**6. THE TAKING DOWN OF THE BODY OF JESUS FROM THE CROSS**

I invite you to meditate upon the acceptance of Divine Will that I surrendered to. Ask for that same grace in your life now.

**7. THE BURIAL OF JESUS**

I invite you to meditate upon the understanding I had as My Son was placed in the tomb, that death was a beginning and not an end. Think of the extreme sorrow I felt as I cleansed His Wounds. My sorrow was, as it is today, for the lack of love in hearts.

"After each meditation please recite a Hail Mary."

---

**September 6, 1997**

Our Lady comes in pink and gray. She says: "Praise be Jesus. My angel, today I come to help you understand that My Son judges all actions, words, and thought patterns according to their motive in the heart. If the motive is Holy Love, then much merit is gained. If, however, the motive is self love, even though the exterior seems good, God will judge otherwise."

"Today there is a movement in hearts towards unity - one religion, a common monetary system, and the like. But the motive is not a worthy motive. The inspiration comes from a need to control. The only unity that comes from God is based on love - Holy Love."

"I cannot impress upon you too strongly the need to use Holy Love as your check and balance. It is by this rule countries should be governed and lives should be led."

"Apathy does not come from God but from Satan. I am not calling you to be a social activist but to live My message and to spread it. Your surrender takes you deeper into My Heart. The Flame of Holy Love must consume the world lest the fire of justice does so."

"I will be giving you all the grace you need to accomplish this. I am blessing you."

---

**September 8, 1997**  
**Liturgical Feast of the Birth of Mary**

Our Lady comes as the Sorrowful Mother. She says: "My angel, I come in praise of Jesus. Today, I invite you to understand that My victory will be one of love and of sorrow. My victory will come through tears for the many who will be lost. This is why, in these times, heaven holds an affinity for those who venerate My Dolors. This is why special and unusual graces will be given. The Shrine of your Heavenly Mother's Sorrows will be a site of favor. The water coming into the Lake of Tears is My tears. This water will bring special consolation to mothers who sorrow for their wayward children. For today, it is the good who suffer and the converted who are persecuted. I understand the pain of a mother's heart and I have requested this grace from My Beloved Son."

"Continually there are many angels in attendance with Me at this Lake of Tears. They are carrying petitions to Heaven as I desire. You will begin to see many images there."

"My affection and presence is always at Maranatha Spring, the Lake of Tears and the holy Stations of the Cross. Indeed, I am present everywhere on this chosen property. I am praying with you and for you."

**September 8, 1997**  
**Liturgical Feast of the Birth of Mary**

"Despite the flavor of cynicism that has surrounded this apparition, you have persevered in belief and in fulfilling My every wish. You are about to witness the abundance of My grace in your midst which will dispel disbelief, silence the wagging tongue, and convict hearts. I am requesting a prayer vigil from 7 to midnight on the Feast of the Exaltation of the Cross. Then on the Solemnity of My Sorrows, pray the 15 decades at My new shrine in honor of these Sorrows. I will come. I ask this, as I request all things, to bring praise and honor to Jesus My Son."

---

**September 10, 1997**

Blessed Mother: "Allow Me to continue. I have come to you attempting to show the way to personal holiness in the present moment through Holy Love. Some excuse themselves every fault by saying, 'It's my personality' or, 'We're human.' Yet, no attempt is made to correct these faults or to recognize Satan's hand in their midst. They allow themselves to be ruled by their emotions, rather than trying to conquer them through Holy Love. I do not come to excuse but to convict."

"I give you new and sufficient grace in each new present moment to overcome your faults and to come deeper into My Heart. You cannot hide from Me. You are always under My maternal gaze. Yet, if you believed I was with you always, you would not give in to anger and pride. You do not accept Me at My words."

"Surrender to Me. Do not give in to every emotion Satan throws at you. You should be progressing beyond infancy and into adulthood in your spiritual journey by now. You must learn to call on Me in time of need."

"At My shrine and around the world, I weep copious tears for the unrepentant. Do not be among them. Once again, I bless you."

---

**September 10, 1997**  
**JESUS**

"When you surrender to the Cross, as I did at Gethsemane, you receive the grace to carry it."

---

**September 11, 1997**  
**Thursday Rosary Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, pray with Me now for all the unrepentant."

"I come as always in praise of Jesus. I hope that you will realize through these visits, My dear children, that I am preparing you for the victory of Our United Hearts. This triumph can only come when Holy Love is triumphant in hearts. Dear children, please cooperate with My grace in bringing this victory into hearts. I am praying with you, and I am blessing you."

---

**September 12, 1997**  
**Monthly Message to All Nations**

This message was given in several parts.

Our Lady is here as Our Lady of Guadalupe. She says: "Praise be Jesus. Dear children, pray with Me now for all the unrepentant."

Jesus is now with Blessed Mother. "Dear children, today I invite you to realize that your peace does not come from the heart of man; therefore, do not trust a common monetary system, one government for all people, or a new religion that embraces all faiths. Trust ONLY that which comes from God. His peace proceeds from Holy Love in hearts. It is from this common vocation [Holy Love] that all are called, and which all must embrace."

"My angel, I come to discuss with you the reasons My Son was rejected in the world, for it is much the same here today in this mission. Jesus was not despised and rejected because He was wrong in what He taught and said. On the contrary, He was right and brought to light much error in hearts. His message of salvation through Holy Love shook the foundation of those in high places and challenged these proud ones to change."

"Today the greatest errors come from intellectual pride and fear of scorn from contemporaries. All must pray for wisdom to recognize truth and the courage to abide by it."

"I have not come to condone familiar ways or accepted practices which are contrary to the commandments. I come to lead souls on the straight path - the path of Holy Love."

"My children must pray for those who have compromised their faith in order to 'fit in' with their peers. Many of My loyal faithful have been persuaded to accept compromise in place of truth."

You must decide everything according to and based on Holy Love. There is no alternative if you seek salvation. Do not place yourself between Holy Love and your own salvation. Love God and neighbor first. Do not obey laws or people when doing so opposes Holy Love."

"Today We extend to you the Blessing of Our United Hearts."

---

**September 14, 1997**  
**2nd Sunday - To Pray Against Abortion**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now for the protection of the unborn."

"Dear children, today I ask you to unite with Me in prayer, that all nations will be united under the banner of Holy Love. This is the way to peace, salvation, and the survival of every nation. It is through Holy Love that your thoughts, words, and deeds will be inspired by God to bring about His Will and to reconcile mankind with his Creator."

"This is My plan, the plan I wish to place in the hearts of men by your efforts and through My grace. I am praying with you and for you, and I extend to you My Blessing of Holy Love."

---

**September 15, 1997**

Our Lady comes in pink and gray. She says: "Praise be Jesus. My daughter, nothing lies between us today. In the present moment we are one in spirit. I have come to request that you make it known that the Shrine of your Mother's Sorrows is predestined as a place of great favor. I invite every nation to come and to join Me there in prayer. All issues can be resolved through Holy Love. It is here I will show favor upon those who listen and respond. Give to Me your hearts and I will give to you My grace. Place your petitions at My feet and I will respond to them according to God's Divine Will. You have not chosen Me; I have chosen you. Here I will unite your hearts to My own Sorrowful and Immaculate Heart. The greatest hour of My grace is at hand. I have come to share with you God's Eternal Plan. It is here I will bless you."

---

**September 15, 1997**  
**Feast of Our Lady of Sorrows**  
**Dedication of Our Lady of Sorrows Shrine**

Blessed Mother is here as the Sorrowful Mother. She says: "Praise be Jesus. My dear children, I am with you tonight as never before, and I invite you to understand the great need of My Heart is for those who do not love. Please make it known that My consolation and My grace are attendant to the Lake of Tears, and that this is the way to peace and reconciliation of hearts in the world."

"Never before has such a grace been given. Tonight I am blessing you with My Blessing of Holy Love."

## September 16, 1997

Our Lady comes in white and as Our Lady of Grace. She says: "Praise be Jesus in the Holy Eucharist. Today I invite you to comprehend, My angel, the dimension of the present moment. It is far reaching and eternal. Within the concept of the present moment is your salvation or your damnation. When you surrender to Holy Love in this present moment, you are choosing salvation. Some of the greatest minds in the history of the world have failed to comprehend what I am telling you today. It is too simple for the sophisticated and the intellectual. It is too humble a concept for the proud. But to the child-like it is the truth they search for. It is food for the hungry and joy to the saddened heart. The present moment reaches into eternity and comes with you to Heaven when you surrender it to Me."

"I do not forsake those who give to Me the present through Holy Love. These are the ones truly consecrated to My Immaculate Heart, for they live in Me and through Me. These are the ones I hastily lead into the Heart of My Son which is the Divine Will."

"No longer fear, or be anxious about, or seek anything in this world. I have come to you today bearing all truth to you. At My Lake of Tears I will alleviate the afflicted, make steadfast the wavering heart, and console the downtrodden. What more then do you need or desire? I am blessing you."

---

## September 17, 1997

Our Lady comes in white, gray, and pink. She says: "I come in praise of Jesus. My angel, I desire you understand that My words to you are as a leaven amongst believers which will bear its due increase in numbers of followers. These are the days of preparation. The Father is allowing a strengthening of hearts and He is weaving a fine tapestry through My apparitions in the world. But the common thread woven throughout His design is Holy Love. The needle He uses is His Divine Will. Soon you will see the fruits of Our combined efforts. But I am preparing you for the path ahead. You must cooperate with My grace so that I may complete My effort. I will bless you."

## September 18, 1997 Thursday Rosary Service

Blessed Mother is here. She says: "I am Mary, Refuge of Holy Love. Praise be Jesus. Let us pray now for all petitions in hearts here tonight."

"Dear children, it is time you realize that you are living in the end times and through the Book of Revelation. My children, realize that My Son is returning soon and that I have come to prepare you for His return through My message of Holy Love."

"I have come seeking your 'yes'. Do not listen to those in the world who, through compromised reason, believe that time, and all events, will continue unchanged. But come into My Maternal Heart through this message of Holy Love. I am blessing you."

---

**September 20, 1997**

Jesus says: "Trust in Me. My ways are beyond your own. In My Heart is the eternal plan. My plan brings future, past, and present into one. In My Heart is all understanding and knowledge. The dimension of time fades away within the confines of My Heart. Therefore, I embrace every petition for eternity. Console Me, for like you yourself, I am so misunderstood in the world."

**September 25, 1997  
Thursday Rosary Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now for those who never pray."

"Dear children, through your prayers lives can be changed, hearts can be converted, and I can bring good out of every situation. You must pray with love and humility, so that I can use your prayers as My great weapons to change evil into good. I desire, My dear children, that the love that is in hearts here tonight be spread around the world through prayers and acts of reparation. It is important that you know that time is short. Earth is suspended by the thread of Holy Love. Dear children, never cease praying for My intentions. I am blessing you."

---

**September 28, 1997  
4th Sunday - To Pray For Unbelievers**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, today you are struggling, but you do not realize I am in your midst, protecting you and strengthening you in the siege at hand."

"My grace is your ally. You may not realize that I am with you today, but in retrospect you will see the power of My presence. I am helping you to be strong in this hour of contradiction and compromise that weighs upon the world. Decide always for Holy Love."

"You are like David with his slingshot armed with Holy Love. With this weapon you will bring down the Goliath of disbelief, sin, and compromise."

"I am blessing you."

---

## September 29, 1997

Our Lady comes as Our Lady of Lourdes. St. Michael is in front of Her. She says: "Praise be Jesus. Dear child, these are the times of great conflict between your heavenly Mother and the red dragon. Hearts are confused and besieged by every sort of heresy and apostasy. But I come to you as the Path and Refuge. Through prayers you can find the solution to every problem. My message of Holy Love should dispel confusion and help you to pray and decide always for righteousness."

"The true battle is on the cross of every trial. Here you must surrender so that I can act as your Mother and give the grace you need to be victorious. Just as My beloved Jesus surrendered and suffered for all people, you must surrender. Our victory will come when things are most desperate. Satan was disarmed by My Son's Resurrection. So too shall he be defeated and disarmed by every victory of Your Mother in hearts and in the world."

"Place yourself in the wilderness with Me and pray with Me for the day of My adversary's defeat. While he comes clothed in goodness outwardly, his true worth will show through to the humble heart. I have come to gather My army of little ones around Me. It is the humble who shall triumph with Me."

---

## October 1, 1997

Our Lady comes as Refuge of Holy Love. She says: "Praise be Jesus. My daughter, let My coming to you today be a sign to the world that My message of Holy Love is the thread that will reunite mankind with His Creator. I come in love seeking to enkindle the heart and soul of the world with the Flame of My Heart - the Flame of Holy Love. This holy surrender to My call is the choice which will take the world off its collision course with Justice."

"Today, sadly, your nation and most countries have chosen a course contrary to Holy Love. It is a path never before accepted with such conviction and lack of conscience. It is a path contrary to life and the laws of nature given by God. The world does not see the consequences of its choices. When I showed you all the states of your nation piled at My feet in a smoldering mass, I was revealing to you the end this nation and many others have chosen. It is a consequence that causes the angels to tremble before the throne of God seeking mitigation. I myself weep for such a loss."

"But that terrible day has not yet come. I am building for the Lord a remnant, mighty in prayer - unyielding in faith and tradition. These holy ones will endure through My certain and prevailing grace. This will be a time of the alpha and the omega. It will be a time of purification for the Church. It is necessary that the impure pass through this purifying Flame. But before this terrible day, Jesus

sends Me to purify those who will respond to Me in the Flame of My Heart - which is Holy Love."

"To some, it seems too simplistic. Understand, the simple is difficult to live." (Now She has Therese of Lisieux with Her.) "All vocations and stations in life are to be vested in Holy Love, as this humble nun proclaimed. All must realize the significance of the present moment. It is in the present moment that the reality of your salvation lies. You are always in the Refuge of My Heart when you live this message."

"I have come to you offering this Holy Refuge and pleading for all people, all nations, to accept My invitation."

"Nationally, your nation is attempting to strengthen itself through a week of prayer and fasting. I will place all those who participate with a sincere heart under My mantle of protection and in the embrace of My Heart. Ask the people to fast from their own will. You will please make all of this known."

---

**October 2, 1997**

Our Lady comes as Refuge of Holy Love. She says: "Praise be Jesus. My daughter, today as the week of prayer and fasting is about to unfold, I have this request of each one of My children. Let this be the week you truly and with all your heart begin to live in Holy Love. Do not look at the faults of the ones God puts in your life around you. Work on your own shortcomings and failings in Holy Love. As you pray, this will be revealed to you."

"By week's end you should then be shining from the inside beauty that this effort in self perfection gives you. I want to take you deeper into My heart and the mystery of Holy Love. Let us begin."

---

**October 2, 1997**  
**Thursday Rosary Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She has seven angels with Her. She says: "Praise be Jesus. Dear children, pray with Me now for those who choose not to love."

"Dear children, tonight I invite you to surrender to Me all the guilt you hold in your hearts over past events, and all the worry you have in your hearts for the future. Then, in the present moment, I invite you once again to decide with your will to love as I have been teaching you. Then your hearts will be made beautiful and the world around you will be beautiful as well. Tonight I am blessing you with My Blessing of Holy Love."

## October 4, 1997

Our Lady comes in black (like a picture we were given as a gift). She says: "I am the Mother of God. Praise be Jesus."

"My angel, I have come to help you understand in depth My mission here. While your country has flourished physically and has been made a leader among nations, it has failed spiritually to embrace the sound doctrine of Holy Love. The soul of your country has become easy prey for Satan's lies and compromise. And so... you have abortion." She looks down sadly.

"Most people, it seems, look only to their own interests and do not care for, or love, their neighbor. And so... the innocence of many is scandalized for personal gain."

"God has been taken out of schools in an effort not to impose upon consciences. And so... you have a lack of conscience in the general populace."

"People view modern technology as their own doing and not a gift from God. And so... certain technology has become a tool of Satan."

"All of these things have spoiled this nation and others from the inside out. Most do not realize it. This is why I have been sent here - to awaken hearts as to the spiritual apathy all around you. I come to draw you into the Refuge of My Immaculate Heart which is the way of your salvation. I come to lead you through this 'way', which is Holy Love, to the Heart of My Son."

"People must open their eyes and their hearts to the choices they are making. I have come so that you can behold the Woman clothed with the sun - the Woman of Revelations. Recognize the apocalypse is upon you. Then hasten to your conversion."

"My daughter, My angel, proclaim it. I will help you. I will lead the way."

---

## October 5, 1997

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be Jesus. My daughter, I have come to help you realize your best effort during this week of prayer and fasting. Any sacrifice needs to be offered from a heart of love. This is the foundation which makes it most worthy. Do not offer up anything out of dread, but from motivation of Holy Love."

"While it is very good and acceptable to fast on bread and water, it is not good to try this if you are ill or if such a fast would threaten your health. The best fast is to fast from your own will. Your will is self love. I have given you these guidelines.

Surrender being in the spot light, having your own way, doing as you choose when you choose it. Make yourself little."

"Let this week be a challenge to you - not a challenge beyond your capabilities, but a challenge which leads you to the fulfillment of your capabilities. Such an effort will bring you My blessing."

---

**October 6, 1997**

Blessed Mother comes in white with white roses around her. She says: "Praise be Jesus. Dear children, thank you for praying with me tonight. I am using your prayers and fasts to change the course of human history and to save lives. Tonight I am extending to you My Motherly Blessing."

---

**October 7, 1997**  
**Feast of the Holy Rosary**

Our Lady comes in white. In front of Her and suspended in the air is an unusual rosary. The Our Fathers' are crosses of drops of blood. The Hail Marys' are tear drops with unborn babies inside of them. The cross is gleaming gold. Our Lady says: "I come in praise of Jesus, My Son. I come as Prophetess of these times."

"The rosary you see is heaven's way of describing to you the weapon that will overcome this evil of abortion. Heaven weeps for the cost of this great sin. The history and the future of all nations has been changed because of this atrocity against God's gift of life."

"Today, sadly, much responsibility must be placed on the laity who are consecrated to Me. I cannot depend on Church leadership to unite in an effort to vanquish the enemy through the Rosary. Even My apparitions have caused division by Satan's efforts to thwart My plans."

"So today, on My feast day, I am calling all My children to unite in My Heart. Do not allow pride to divide you according to which apparition you will follow. Become part of the Flame of My Heart. Be united in love and in the prayer weapon of My Rosary. The evil of abortion can be conquered by your efforts and through My grace."

"Propagate the image I have shown you today."

---

**October 7, 1997**

Our Lady comes as Refuge of Holy Love. Her face and Her heart are glowing. She says: "My angel, it will come to pass and God will permit it, that the public financial system will come under complete control of Satan. People will be fooled

by the convenience of computerized consumerism and they will come under the scrutiny of Satan by cooperating in his plans."

"My revealing this to you opposes Satan's plan. Please make it known."

---

**October 8, 1997**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, thank you for joining Me in prayer tonight. I am taking your prayers and petitions to heaven with Me. Through you, I am increasing and strengthening the remnant of faithful. Continue to be My servants of Holy Love. I am blessing you."

Our Lady comes as Refuge of Holy Love. She says: "Praise be Jesus. My angel, today I come to you seeking your clearer understanding of My Missionary Servants of Holy Love. Understand that My Heart is a missionary Heart. It is a servant's Heart. It is, as well, an apocalyptic Heart. These times and this hour is one of great insecurity and confusion. Faith is nebulous, watered down, and compromised. The sin of abortion is like a 'black death' threatening the future of the world."

"Therefore, it is necessary, as a good missionary that I form a strong remnant of faith and shelter them in the Refuge of My Heart. Just as I formed a Marian army of priests, I am now forming a Holy remnant of faith. You will come from the arms of obscurity to make this known, My daughter."

"The Missionary Servants will spread and strengthen the remnant through prayer. The way of Holy Love will be their bylaw. This way will lead them into the New Jerusalem."

She has the Little Flower with Her. "Remember, My daughter, this saint who never left the cloister, but who became the patron saint of missionaries. She will assist you."

"You must be certain to follow the remnant of faith as it now stands under John Paul II. Yes, the faith is already fragmented. Be strong. I am protecting you and I will protect your faith." She leaves.

---

**October 9, 1997**  
**Thursday Rosary Service**

Our Lady comes in blue and white. She says: "I come to you as Mother of all nations - your Refuge and Hope. Praise be Jesus."

"My angel, endeavor to understand what I am about to tell you. I have come to you here and to many seers under many titles. But the title 'Refuge of Holy Love'

is most dear to Me and to My Beloved Son, for it is through this title I will purify and strengthen the remnant Church."

"Understand that when the virtue of Holy Love is compromised, faith too is compromised. Faith is attacked and weakened always, always through self love. The individual believes he himself is better qualified to determine right from wrong as to the influence of Church doctrine and tradition in his life. In effect, the person believes he knows more than all the Holy Fathers put together. But Jesus, Who is Just Judge, does not accept or excuse such thinking. All truth has been given through the Church which My Jesus put in place Himself. It is pride that takes you off course and away from His Real Presence in the Eucharist."

"It is a false conscience that accepts and approves abortion, birth control, women in the priesthood, practicing homosexuality, or any form of witchcraft."

"All of these things and more are accepted through self love. This is why I have come to build and strengthen the remnant of tradition of faith through Holy Love. Those who pass through this purifying Flame will not become complacent. Their faith will not be compromised."

"I need you to spread this message, My angel. The tradition of faith as it is handed down to you through John Paul II must, and will, be maintained through Holy Love. People must not decide to form their own opinions concerning Church doctrine. Dogma and doctrine are not choices but laws. Today, the world needs the security of such laws - but people run from it - much as they run from Me."

"You will need to ask for My Heart for this mission at hand. I will bless you."

---

**October 10, 1997**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, tonight I invite you to understand that your rosaries turn hearts away from evil to the salvation of the Holy Love message. Your rosaries change hearts convicted in evil to pursue good and righteous lives. Tonight I ask that you make Holy Love your goal, that you spread it. Dear children, I am blessing you with My Blessing of Holy Love."

---

**October 10, 1997**  
**JESUS**

Jesus comes and bends over me. He asks how I feel. He says: "You will be better by Sunday. I have come to tell you these things."

"The pillars of the remnant Church are the same ones shown Don Bosco in his prophetic dream. On one pillar is My Holy Mother. The other supports My Eucharistic Heart. Hearts must be well anchored to these two devotions. The

time approaches when the only security in the world will be the faith in your hearts."

"Do not trust the faith or the teachings of anyone who is not anchored to these two pillars. These are the devotions that take you into Holy Love to Divine Love." He leaves.

---

**October 12, 1997**  
**Monthly Message to All Nations**

Blessed Mother is here as Our Lady of Guadalupe. She says: "Praise be Jesus." Our Lady now looks around at everyone here and nods Her head. She says: "I am happy so many have come. Today, once again, I come into the world as My Son allows, to pray for those who do not believe and who do not love. Please join Me."

"My daughter, with humility understand what I am telling you. Today, as never before, evil has become prevalent in all areas of the world. Satan has made bold inroads into hearts that hold sway over world policies and in moral issues. His policies are hidden under terms such as freedom, rights, choice, and feminism. When you hear these terms, please know you are dealing with My adversary, in many instances."

"It is a desperate hour - one in which God must intervene to save souls and the world. The faith of many is threatened by compromise. This is why it is necessary that I build up a remnant faithful who will not be swayed by new thinking, but who will remain faithful to John Paul II. Earlier I gave you two opposing guidelines - self love and holy love. Today I give to you the signs of states of hearts - apostasy, heresy and schism, as opposed by the faithful remnant.

<b>APOSTASY, HERESY, SCHISM</b>	<b>HOLY &amp; FAITHFUL REMNANT</b>
Doubt or do not believe in the Real Presence of Jesus in the Eucharist. Show little or no reverence to Him in this Form.	Firmly believe in and revere Jesus' Real and true Presence in the Holy Eucharist.
Hold little or no devotion to the Blessed Mother. Have no affection for the Holy Rosary. Consider devotion to Mary extreme.	Are faithful apostles of the Holy Rosary and of other Devotions to Mary. Promote these devotions in the world.
Challenge the authority of this Holy Father, John Paul II. Unwilling to accept his doctrines, even some dogma of the Church.	Faithful to John Paul II. Accept his authority on all issues.
Consider their own conscience their god and judge.	Submit to Church law and the sacrament of reconciliation where Jesus is present to forgive sins.

"In the left hand column you have the ways hearts are being separated from the truth. In the opposite column are the ways in which the faithful cling tenaciously to the faith. These are the present remnant. Some of these will follow Me into the New Jerusalem as the future Holy Remnant. I have taken all of the remnant Church into My Immaculate Heart. I am their Protectress. You will please make it known."

"The flavor of this mission is to restore and maintain the tradition of faith in hearts, thus building up and supporting the remnant Church."

Now a flame is rising out of Our Lady's extended hand. "Do not be disturbed by the signs of apostasy and schism all around you."

"This," (She raises the flame in Her hand towards Maureen), "is the remnant of the tradition of faith. It will be one with the Flame of My Heart, which is Holy Love." She raises the flame in Her Hand up to Her Heart and it disappears into the Flame of Her Heart. "The fiber of the remnant is Holy Love, just as the fiber of My Immaculate Heart is Holy Love. I have come to reassure you that this remnant will be made strong through My grace."

"The greatest trials lie yet ahead and will come unexpectedly. But, you are prepared and secure if you are living in Holy Love. There is no security or refuge in the world that can match this."

"Every affliction and trial is made bearable when you live in Holy Love. Today, My tears flow copiously upon the world. I weep today for the lack of love in hearts. Your response to Me is a loving kiss upon My brow. Each one that comes and each one that responds is a little miracle in the eyes of your Mother. Embrace the message and you will embrace My Heart."

"Dear children, I come to restore the faith in the heart of the world. I am asking you to pray daily for those who do not believe. My children, the world has slipped from the path of righteousness, and as I seek to reconcile mankind with his Creator, more and more ignore Me. Please respond to My call, not just today, but in every present moment. Pray for the conversion of all hearts, for earth needs to be healed from the inside out. Dear children, I weep for those who do not believe."

Jesus is now with Blessed Mother. "We are extending to you the Blessing of Our United Hearts."

---

**October 16, 1997**  
**Thursday Rosary Service**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, pray with Me now for those who oppose Church tradition. Dear children, I come to bring you peace borne on the wings of Holy Love. I ask that you consecrate your lives to the cross so that I can bring souls into the kingdom. The New Jerusalem is a kingdom unlike any other that you have known, or will come to know in this life, for it is all peace, all mercy, all love. Dear children, tonight I am blessing you with My blessing of Holy Love."

---

**October 17, 1997**

Our Lady comes as Refuge of Holy Love. She says: "Praise be Jesus. My daughter, I come to help you realize and understand My call to you. You are questioning why I speak of the remnant Church when I come for all people, all nations. In God's Eyes, souls are not apples and oranges - they are one. All people and all nations are called into the tradition of faith as given and stated in the New Catechism. It is man himself who chooses to believe otherwise. I come to you as Refuge of Holy Love - Refuge and Protectress of the Remnant. Many learned and influential people oppose Me, but I still come. If Holy Love is accepted in hearts with sincerity, then it is impossible to compromise the tradition of faith. Each soul is given the grace to believe. It is an ecumenical call which leads souls to the truth. I am blessing you."

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. My children, please pray with Me for those who are attacked by doubts."

"Dear children, these are decisive times. By your 'yes' to Holy Love you are helping to determine the call of justice and the future of the world. I need your efforts in holiness through the message of Holy Love. Dear children, continue to pray, pray, pray. I am blessing you."

Jesus and Mary both come. Their Hearts are exposed. Our Lady says: "Praise be Jesus. Dear children, be united and one with the Heart of your merciful, sorrowful and loving Mother. Through My call to Holy Love be one with your Creator."

Jesus and Mary extend to us the Blessing of the United Hearts.

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be to Jesus. Pray with Me now for all sinners. Dear children, tonight I come to you as your eternal Mother and Refuge. I am protecting you in the face of evil and sheltering you in the refuge of My Immaculate Heart. Eternally I am your mother, your refuge and your protectress. Wipe the tears of your Mother through your efforts in holiness. Dear children, I am blessing you with My Blessing of Holy Love."

Blessed Mother has asked for a video to be made of Her apparition site in Lorain, County, similar to ones made about Medugorje. Backers are needed for the

video. The video is being made by someone who has had success in making videos on Marian apparitions. If you would like to assist in this effort, please contact Ed at 216-524-0565.

Our Lady comes in blue. She says: "Praise be Jesus. My dear children, I have not come to you out of My need but your own. Realize I need only the Will of the Father. I come to you so that I may present your needs to the One Who sends Me."

"I am your advocate and the cause of your joy. I hold you in the Refuge of My Heart wherein no evil enters. Come to Me, and allow Me to take your burdens and present them to God."

"The greater your need, the more powerful My grace." She leaves.

Jesus and Mary are both here. Jesus has His hand up like He is going to bless us. He says, "My brothers and sisters, today I hold no memory of your iniquity but only of every act of love you have given Me - no matter how small. With sincerity I make this covenant with you, one of love and understanding; and I promise with every beat of My Sacred Heart to give you My protection and provision."

They extend to us the Blessing of the United Hearts.

\*\*Please note: this covenant was given by Jesus to those present at the Praise Service of November 3rd.

**November 6, 1997**

Our Lady comes in blue and white with Her Heart exposed. She says: "Praise be Jesus. My daughter, I have come to help you understand the fragile state of humanity - a humanity that does not understand their position before God."

"Each day and every minute the relationship between God and man deteriorates more. The more man trusts in himself and his own skills, the less he trusts in his Creator. All human technology is under God's domain and thus dependent upon God alone for its state of being. Nothing - be it creature or matter - exists outside God's Holy and Divine Will. But, today due to Satan's compromise and deceit, mankind has lost sight of this. In his pride he has chosen to tamper with creation itself and placed himself in the role of Creator, deciding who should live and who should die."

"Now you have a separate church - a church of dissenters - who dare to challenge the authority of this worthy Holy Father. This is leading many astray and will cost many souls."

"I have come to help you see that earth is suspended by a thread. If the thread breaks, God will invoke His Justice. The fiber of this thread is Holy Love. Only through Holy Love can God and man be reconciled. No one reaches salvation without loving God and neighbor. I speak to you only from truth. You must make this known."

**St. Therese, the Little Flower**  
**Prayer for the Remnant Church**

St. Therese comes. She says, "I have come in praise of Jesus. Our Mother sends me to dictate to you this prayer."

"Heavenly Mother, Protectress and Refuge of the Faith, lead and protect the holy remnant of the tradition of faith. Keep us faithful to the Church tradition as handed down through Pope John Paul II and as stated in the new catechism. Help us to boldly bear the light of this faith in the face of all apostasy, heresy, and schism. Unite us, the holy remnant, in Your Immaculate Heart. Amen."

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now for all those who do not love."

"Dear children, I invite all of you to surrender to Me. It is impossible to surrender if you first do not trust, and it is impossible to trust if you do not love. Therefore, My little children, see that I am calling you to trustful surrender through Holy Love. And I am blessing you with My Blessing of Holy Love."

**November 8, 1997**

Our Lady comes on a cloud with many angels around Her. The angels are bowing down and saying "Triumph and reign, triumph and reign," over and over.

Our Lady says: "Praise be Jesus. My angel, I have come to further help you understand the tenuous position the world is in. The thread that suspends the world to God is Holy Love, but it is comprised of many 'lukewarm faithful.' The flock is scattering and confused. People are making much of their own opinions and little of My message to the world and the deposit of faith. Therefore, I am here. When faith is destroyed in most hearts, the thread of Holy Love will snap. Now is the hour you must pray. Pray most of all for those lukewarm. The hour grows late, and they have not decided which side they are on. But once again I tell you, no decision is a decision. Those, who are not for God, are against Him. Further insults only serve to pick away at the thread of Holy Love."

"Now I have spoken, and you must act on these words by making them known. I will bless you."

**Monday Praise and Prayer Service**

Jesus and Blessed Mother are both here. Blessed Mother says: "Praise be Jesus. It is the Lord's Will that Jesus speaks on Monday nights." [Monday Praise and Prayer Service.]

Jesus says, "My brothers and sisters, it is plain that you are not far from the kingdom, for it takes a childlike heart and a simplistic heart to dwell and be drawn into the depth and the height of Our Blessing of the United Hearts. Tonight We impart to you this Blessing."

\*\*This message was directed specifically to those in attendance at the Monday Praise Service.

**November 12, 1997**

**Monthly Message to all Nations**

*The following message was given in two parts.*

Blessed Mother is here as Our Lady of Guadalupe. She says: "Praise be Jesus. Dear children, pray with Me now for all unbelievers."

"My angel, today I come to you, once again, seeking man's reconciliation with God. I appeal to all nations to be united with one heart in Holy Love. These days it is most obvious that what is in the heart of one nation affects all nations in the

world. Sadly, there is a spiritual blight amongst government leaders. This lack of focus on God calls down His Justice upon all people, all nations."

"I have come once again to help you see that Holy Love is your justification. Failure in Holy Love causes every sort of disaster in nature and amongst men themselves. Man in his arrogance does not see that nature is connected to the Creator. Nor does he see that famine and disease are caused by spiritual hunger and a disease of the heart, namely self love."

"Today, I come still again asking each one to choose Holy Love - love of God and neighbor - above and beyond self love. Then I will show you My favor, My protection, My grace."

"I invite all to pilgrimage to My property. Here the grace of My Heart is pouring into the world. Certain ones will be made to see Me there. Others have already captured Me in the eyes of their camera. My Statue of Sorrows comes to life as a sign of My presence there. The flesh takes on the hue of real flesh, both to the naked eye and on film. Rosaries turn gold as a sign to all that prayer does change things. The scent of roses is further proof of My presence. Certain saints and angels will be photographed on the property as a sign of Heaven's favor. In the Mission Center, I will step out of the statue in the alcove as a sign of My greeting those who come. This too will be photographed."

"The healings at every source of water on the property will increase and continue. Those who recite the stations will find solace and healing. Much peace will be given in the station area. I will accompany those who pray the Way of the Cross there."

"Exceeding all of this is the grace of the Blessing of the United Hearts to be given on the 12th of the month and on every Monday evening. It carries with it the grace of conversion and reconciliation as well as healing."

"All these favors are offered to those who will come. Please ask the people to ask Jesus to forgive them any lack of love in their hearts as they approach the Spring and Lake of Tears."

Jesus is now with Blessed Mother and Their Hearts are exposed.

Blessed Mother says: "Dear children, tonight I invite you to surrender to the peace of My Heart, for it is here you will find My grace and My peace. Dear children, I am calling you into the Refuge of My Heart during these times of great decision that weigh upon the world. Please understand that the time is short. There have not been enough prayers and sacrifices to stop God's Justice against sins committed against life. There is still time to strengthen the faithful remnant and increase My grace in the world, thus mitigating what is to come. Dear children, pray, pray, pray."

Jesus and Blessed Mother now extend the Blessing of the United Hearts.

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, tonight I invite you to understand that there are many reasons God's Justice must visit the world. But we are not here to dwell on this. I have come once again to plead with you to spread My message of Holy Love in the world around you. Do not be distracted by signs in the world, by punishments, chastisements, or the like. Do not listen to criticism concerning your state of life or the world around you, but only with docility come into the Refuge of My Heart. This is My plan, My dear children; then you will be at peace and in harmony with God. Tonight I am blessing you."

Jesus and Blessed Mother are here. Jesus says: "My brothers and sisters, abide in Me, for I am your refreshment. Take up your repose in My Heart of Hearts. All your petitions are in the wound of My Heart; thus you must trust in My mercy and love. Allow Me to reign in your hearts in the present moment. Abandon yourselves to Me. We will bless you."

Blessed Mother is here as Refuge of Holy Love. She says: "Praise be Jesus."

"Dear children, pray with Me now for peace in all hearts."

"Dear children, tonight I come especially to help you understand that My Heart is not a symbol of Holy Love but, through the Divine Will, is Holy Love."

"Since My Son has entrusted the peace of the world to My Immaculate Heart, further understand that it is through this message and My Heart of Holy Love that peace will come into hearts and so into the world."

"I am blessing you."

**November 23, 1997**

First Maureen saw two hearts. They disappeared. Then Our Lady came as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Dear children, pray with Me now for hearts to open to love."

"Dear children, tonight I invite you to see that all things today are influenced by prayer. See then the importance of prayer in the present moment. I am coming to help you understand that in Heaven God's actions in the world [His Justice and His Mercy] are not measured by time - every minute, every hour. Please understand that it is prayer and sacrifice vs. sin and evil that bring about or mitigate every action of God in the world. Further understand, My dear, dear children, the great importance of the present moment, which is eternal and which can bring about great change in the world today through your prayers and your sacrifices. Continue to pray, pray, pray. I am blessing you."

---

**November 24, 1997**

Our Lady comes in blue and white as soon as Maureen came to the chapel. She smiles and says: "Praise be Jesus. Satan has laid many obstacles in your path this morning." (Maureen had lost her mittens.) "I am glad you have come."

"Unite and surrender your heart to Me now. Give to Me all issues and decisions. I will assist you. The adversary likes to keep you in a state of turmoil and indecision."

"I have come to help you understand that My coming to you is a firm anchor amidst the confusion of the world. This has been a century of misinformation, miscommunication, and indecision. These are all hallmarks of My adversary. This is how he sets good people against My plans here. When he succeeds in getting the good to oppose the good, he is able to confuse others even more."

"In the end, My daughter, My Immaculate Heart will triumph. Clarity and righteousness will be brought to light in every issue, both in hearts and in the world. The Holy Love message is much a part of this. This is why it is opposed today. Hearts will be made one with their Creator through Holy Love."

"Today many live with suppressed fear in their hearts. I have come to vanquish fear. Surrender to Holy Love, and do not be afraid. Begin to trust, so that My victory may begin in you. Tell this to My children. I have come to help them find their place before the Eternal Father. I am blessing you."

**Monday Praise and Prayer Service**

Jesus and Blessed Mother are here. They are looking around and smiling.

Blessed Mother says: "Praise be Jesus."

Jesus says: "My brothers and sisters, I rejoice in your presence here tonight. I am in your midst. You have come because I have gone into the highways and byways to invite you. I ask you tonight, through Holy Love, to surrender all things to Me. Win for Me souls through the message of Holy Love. We extend to you tonight the Blessing of Our United Hearts."

**December 1, 1997**

Our Lady comes in blue and white. She says: "Praise be Jesus. My dear, dear children, today I invite you to realize most fully your role as an advent people. As you prepare your hearts during this season of Advent to receive My Son on Christmas morning, also prepare yourselves through Holy Love for My Jesus' Second Coming. You are an advent people living in apocalyptic times. As changes take place in your lives and in the world around you, please realize God is preparing you for My Son's triumphant return. Allow Him to reign in your hearts through the message of Holy Love, for this is also the season of love."

"I am blessing you."

Jesus and Mary come with Their Hearts exposed. Jesus says: "Come, My brothers and sisters, as sheep to the shepherd. Surrender to Me your misgivings, fear, and all that is between us. These come from pride. Trust Me. Trust proceeds from love. I want you to love Me."

Jesus and Mary extend to us the Blessing of Their United Hearts.

**December 4, 1997**  
**Thursday Prayer Service**

Blessed Mother is here as Mary, Refuge of Holy Love. When She appeared, She seemed to push aside a curtain that contained many small crosses.

Our Lady says: "Praise be Jesus. Dear children, tonight I invite you to especially understand that you must give praise to Jesus, not only in good times but also in times of adversity. For it is during the most adverse conditions that Satan tries to pull you off course, to distract you and encourage you to give in to impatience and discouragement. It is only My grace that keeps you on the path of Holy Love during every present moment. In this please give praise to Jesus, My Son, Who longs for your love and your affection. I am blessing you."

**December 8, 1997**

Our Lady comes in white and holding the Infant Jesus. She says: "Praise be Jesus. My angel, I come to bring you peace."

"To all of My children, I invite you to realize that there are many who celebrate My feast today, the day I was immaculately conceived, who still believe in abortion. There are priests amongst this group. If it is on one hand true that I was conceived without sin as Church dogma dictates, then it must also be true that the soul is present at conception. This being fact as well as dogma, how can anyone argue for the destruction of life in the womb? The embryo is a living, vibrant, God-given life complete with soul. Suppose I Myself had been the victim of abortion? Imagine God's wrath. Today, My Heart cries out for each life that is destroyed. This is a greater sin than the Holocaust in Germany. It is more serious than any sin in Noah's day or in Sodom and Gomorrah."

"You must continue to pray courageously that hearts are convicted and open to the truth."

**December 8, 1997**  
**Monday Praise Service**

Jesus and Blessed Mother are here. Blessed Mother says: "Praise be Jesus." She turns to Him and bows Her head.

Jesus says: "My brothers and sisters, you have come here tonight at My invitation. Thank you for your songs and praise. I want you to honor My Mother as She deserves to be honored. So many turn away from Her today. Do not be shy about your devotion to Her. I send Her to your midst that you will be led along the righteous path. It is through your actions, your unity, and your prayer that you will be able to lead others as I so desire. You are the example of Holy Love in the world. Continue to pray, to love, and to be joyous."

Jesus and Our Lady extend Their Blessing of the United Hearts.

**December 11, 1997**  
**Thursday Prayer Service**

Blessed Mother is here as Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now for all the unconverted." (Maureen asked Blessed Mother to pray for some people, and She nodded.) She says: "Dear children, tonight, I invite you to listen to My words to you only with loving hearts. Do not come to Me with hearts full of fear but with hearts full of love, for love is the father of trust; and trust begets faith. Tonight I am blessing you with My Motherly Blessing."

**December 12, 1997**  
**Monthly Message to All Nations**

Our Lady comes as Our Lady of Guadalupe. She says: "Praise be Jesus. My daughter, I come to you under this title, not for one nation or hemisphere, but for all nations and all people. I am the Mother of mercy and love. I am your Mother."

"I have come to lead My children out of the desert of confusion and to deliver them into the Arms of Truth."

"My daughter, find your peace in My favor. Please ask the people to pray with Me now, to pray for all unbelievers."

Our Lady wished Maureen "Happy Birthday."

"Today I invite you to have a clear understanding of these times. When the King returns to review His Kingdom, He will come wielding a sword of flames. His bounty will be the righteous who pursue His unending Mercy from age to age. The fate of every nation rests with the unborn. It is the unborn who will judge and convict."

"I call you from the death of sin to the light of salvation. When you love, you are victorious."

"My daughter, I continue to come to you under this title of Guadalupe so that mankind will pursue reconciliation with God. During this time all that calls you back to God - faith, prayer, holiness, life itself - is opposed and persecuted in the world. The sins today are more grievous and more offensive to God than any, for they are not committed through pagan ignorance but by those who say or pretend to love My Jesus or who once loved Him." (She has tears coming down Her cheeks.)

"My Immaculate Heart is held in contempt by many when it is always and should be a sign of Refuge. The Angel Gabriel addressed Me as 'full of grace.' My grace is not for Me but for all people - all nations. But fear opposes My grace. Thus the adversary uses fear to oppose My words to you on Holy Love. Those who fear Holy Love must also fear the triumph of My Heart, for it is by this means I will be victorious."

"Everything that I come for - My presence on this property, My message of Holy Love, the graces given through the Blessing Point and sources of water - are grace from God. Since fear opposes My grace, you must recognize that suspicious fear comes from the adversary."

"There are those who want Me to be only what they think I should, to say what they want to hear, and to perform signs only as they prefer. But I come clothed in

God's Divine Will. Everything I say and do transcends through His Holy and Divine Will. If you can accept Me as I come to you, then you will receive much. It is only your difficulties with My presence here and your doubts that stand between us. I want you to receive My grace to the fullest. Pray, and I will help you."

"Dear children, today I invite you to understand that no peace can come into the world through negotiations or war machines. You will have peace when there is an end to abortion. The victory is through My Immaculate Heart which is Holy Love. You will please make this known."

Maureen asked Her to pray for the woman who has the brain tumor. She smiled and nodded. "Please let the people know that I am praying for all their intentions here today. Their hearts are not unknown to Me."

Jesus is now present with Blessed Mother. They extend to all here the Blessing of the United Hearts.

**December 14, 1997**  
**Sunday Prayer Service Against Abortion**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Pray with Me now for all the unborn."

"Dear children, tonight I reveal to you that God's Mercy and His Love are one. It is necessary because of the state of evil in hearts that God intervene in the world, that His Justice come, that His retribution be satisfied. Dear children, solemnly I tell you a purification will come - its length, breadth, and depth depending upon the fate of the unborn. You will persevere through Holy Love, the Refuge of My Immaculate Heart. Do not be frightened, but realize the time of reconciliation with your Creator is at hand. I am blessing you."

---

**December 15, 1997**  
**Monday Praise Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be Jesus," and She bows Her head.

Jesus says: "My brothers and sisters, I see your innermost hearts. My Mercy is upon you and everlasting. I have forgiven you every sin, even the ones you do not recall, and I have placed My seal upon your hearts - that which is Holy Love. Come after Me and imitate Me. It is good you are here."

Jesus and Blessed Mother give the Blessing of the United Hearts.

---

**December 18, 1997**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Let us pray together now for the conversion of those furthest from My Immaculate Heart."

"Dear children, I come to you once again seeking your decision, good over evil. I desire your moment-to-moment conversion, for without it I cannot be victorious. It is necessary that you put aside things of the world. Do not concern yourself for what might happen or what has happened, but stay with Me, My dear, dear children, in this present moment, sanctifying it through your 'yes' to Holy Love. The world as you know it will change. Already the signs are upon you. Come into My Heart and abide with Me. Tonight I am blessing you with My Blessing of Holy Love."

**December 22, 1997**  
**Monday Praise Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be Jesus."

Jesus says: "I have come to you asking each of you to let your hearts be like unto the Christmas star, leading others to the manger. Stand guard by the manger and wait humbly for My return. Take your hearts from out of the world and all its empty promises. Come to Me. Be poor in spirit. Honor the little King this year, as never before, through hearts of love."

Jesus and Blessed Mother extend the Blessing of the United Hearts.

**December 25, 1997**  
**Christmas Day**

Our Lady comes in a white mantle with a gold lining and a white gown. She is in a bright light and is holding the Infant Jesus. She says: "Praise be Jesus. Christmas blessings to you and your husband. I come to you tonight as Queen of the Universe, Queen of Heaven and Earth. I come to address all nations and all peoples."

"It is the hour of telling, the hour of decision. I invite all of My children to comprehend what is at hand. You will not achieve peace in the world until you accept and live in love. My Son was born Prince of Peace not to impose His Will but to show you how to love. He came to fill the valleys of your deficiencies and indecision with love. He came to lay level the mountains of your pride and self love with Holy Love."

"Today the world is in the valley of indecision on the brink of the abyss of God's purification. Surrender your will, and you will have the peace you seek through selfless desire. If you cannot and will not, you must expect the unfolding of the fruits of disunity. Do not look for the natural order of events but the disordered chain of events born of Satan's confusion."

"Love. Love God and your neighbor. My Son is returning, and you disregard the signs. Believe, and My grace will be yours. I will bless you through My grace, just as I bless you today through Holy Love."

---

**December 28, 1997**

The Holy Family is here: Blessed Mother, St. Joseph, and Jesus. Jesus looks to be about 7 or 8.

Blessed Mother says: "Praise be Jesus, Word Incarnate. Pray with Me now, dear children, for all unbelievers."

"Dear children, understand that each of you has an individual part to play and place in God's family. No one can take your place in this individual role. With your hearts choose My path of holiness, which is Holy Love, that I call you upon. Then you will realize your place in the Kingdom to come. I am blessing you with My Blessing of Holy Love."

---

**December 29, 1997  
Monday Praise Service**

Jesus and Blessed Mother are here. Blessed Mother says: "Praise be Jesus."

Jesus says: "Tonight, My brothers and sisters, Our Blessing carries with it special grace to be cognizant of the present moment and to follow the path of Holy Love I send My Mother to lead you upon. Amidst joy and despair, you will find grace to endure and to lead others in holy boldness along this path of righteousness. We are extending to you tonight the Blessing of Our United Hearts."

---

**December 31, 1997  
New Year's Eve**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be Jesus. Invite the people to pray with Me now for those who do not recognize the evil in their lives."

"Dear children, tonight I invite you to pray very hard that this coming year of 1998 will see the victory of good over evil and that abortion will be banned in this country once again. If this evil is not conquered, you will see many changes take place brought on by man's embrace of sin. I am always near you and I offer you

the Refuge of My Heart as your spiritual retreat and refreshment. Tonight I am blessing you with My Blessing of Holy Love."

---

**December 31, 1997**

Our Lady comes as Refuge of Holy Love. She says: "Praise be Jesus, Born Incarnate. My daughter, each time I come to you, it is as Protectress and Refuge. You know Me and trust Me as this. I desire all My children believe in Me in this way. I come to protect their faith and provide for each one spiritual refuge in My Immaculate Heart."

"But today the pride of compromise has alienated many from the truth. Many walk the path of perdition believing they are on the path of righteousness, for they have not searched for truth with humility and Holy Love. Satan presents error as truth so cunningly and with such authority causing too many to be led astray. The adversary most often clothes his suggestions in good. Unless you come to Me and seek My protection and this Refuge of Holy Love, you can be easily tricked. Do not think yourself above it."

"As the new year unfolds, you will see many changes. Many events will disarm you. Others will edify. Everything is a grace. Every present moment is given towards your salvation."

"Seek the guidance of the Holy Spirit in the morning, and consecrate your day to Him. Let your hearts be open to His voice and murmurs. He will help you find the Path of Light. Surrender to Him as He calls you."

"I will bless your 'yes' to My Heavenly Spouse. I will bless you."
