**July 2, 1996  
Feast of the Visitation**

Our Lady comes in a cream color. She says: "Praise be to Jesus, My angel. Take up your pen, that I may communicate with all of My children."

"Today, I come to you inviting you to understand that each time I visit you or any of My visionaries, all of the cosmos is affected. Just as My visit to My cousin Elizabeth impacted all generations and the entire universe, so My coming to you profoundly affects every heart, every nation, the whole world, and the heavenly bodies as well. I invite you to see the reason of My telling you this. If hearts accept My message, the world will be converted. Natural laws will be suspended. Wars will cease. All error will be stricken from hearts and so from the world. God's Justice will be altered according to the response to My call."

"In a similar way, if My words are not taken seriously, if hearts do not change, I will no longer be able to suspend God's Justice. A great chastisement will come. All of earth and the entire cosmos will be affected and changed."

"I ask your prayers for those who hear My messages, that their hearts awaken to the truth."

"Pray, pray, pray."

---

**July 4, 1996  
Weekly Rosary Service**

Jesus and Blessed Mother are here. They both have their Hearts exposed. Our Lady says: "All praise be to Jesus."

Jesus says: "Pray with Us now for those who oppose this mission [Holy Love Apparitions and Message] in their hearts and in the world. " We prayed.

Our Lady says: "Dear children, today , sadly I tell you, your country has chosen the path of error. Most do not abide in My love and in the Divine Love of My Beloved Son. You must pray for your government leaders, responsible for godless laws, who will be held in judgment for souls that are lost and lives that are lost."

Dear children, I desire that you come here often and unite your hearts to My Son and My Own Immaculate Heart. Many are the graces I pour forth here [Maranatha Spring] in response to My call."

Now Jesus and Mary are giving us The Blessing of the United Hearts.

---

**July 6, 1996**  
**Belleville, Illinois**

Blessed Mother is here in blue and white. Her Immaculate Heart is exposed and Her hands are extended and open. There are white lights coming from Our Lady's Heart and hands. She says: "Praise be to Jesus, My little children. Thank you for coming tonight. I want to give you every grace from My Heart. I desire, My dear children, that you come to Me in your every need. Trust in Me as you would trust in any mother."

"Dear children, in the world you now have the season of Summer, and there is growth all around you. I desire, My dear children, that in your hearts you see that it is now the season of Holy Love. Sanctify yourselves in the present moment. I love you, My dear children. I want to take you to My Son made beautiful through love. "

Jesus is now with Our Lady. His Sacred Heart is exposed. They give to us the Blessing of the United Hearts.

---

**July 8, 1996**

Our Lady is here. She has on a blue gown and white veil and Her Immaculate Heart is exposed. She also has two angels that are bowed down at Her feet.

She says: "Dear children, I come to you tonight for your holiness and sanctification. I want to give you My grace, so that you will live My message of Holy Love more easily and more readily. Do not let My words to you stand still in your hearts, but let them come alive in the world around you!"

Blessed Mother now turns toward all the people here and says: "Tonight I impart to you My Blessing of Holy Love."

---

**July 9, 1996**  
**Blessed Sacrament Church, Belleville, Illinois**

Jesus and Blessed Mother are here. Jesus is in red and white. Our Lady is in blue and white and both of their Hearts are exposed.

Our Lady says: "All praise be to Jesus. Pray with Us now for the hearts of your government leaders." We prayed the Our Father and Glory Be.

"Dear children, I come to lead you closer to My Son through My grace and by your efforts. It is not long until My Son returns. I invite you to see that the Blessing of the United Hearts yields wholeness wherever it is given. Dear children, it is through this Blessing the New Jerusalem will be ushered in and the entire world will be made new and whole."

Jesus and Blessed Mother now extend to all here the Blessing of the United Hearts.

---

**July 9, 1996**

Our Lady comes in white with sparkling lights all over Her mantle. She says to me: "Today I come seeking your perfection in holiness right now in the present moment. It is necessary that My children do not allow their hearts to be flooded with thoughts of the future. The future they foresee may never come. I come not to frighten or to confuse, but to ask that all My children pursue personal sanctity through the Holy Love message. It is true, too many have fallen from this path of light and that evil rules many hearts. But I come to you with the promise of My victory. I will crush the head of the serpent with the Holy Love in your hearts."

---

**July 11, 1996**  
**Weekly Rosary Service**

Our Lady is here as Our Lady of Grace. She has 30 - 40 angels with Her. She says: "All praise be to Jesus, My little ones. Pray with Me now, oh dear children, for those who oppose life." We prayed.

"Dear children, I desire much more than your fasts from food that you enjoy. I desire that you fast from any sin. In this way you will make recompense to the sorrowing and grieving Heart of My Beloved Son."

"Dear children, intensify and be extravagant in every sacrifice. I need your efforts so that Satan's works will be revealed in the world. Much evil is clothed in goodness. Tonight, I am imparting to you My Blessing of Holy Love."

---

**July 12, 1996**  
**Monthly Message to All Nations**

The following message was given in two parts due to its length. The two parts are interspersed. Jesus and Blessed Mother are both here. Their hearts are exposed.

Our Lady says: "Praise be to Jesus. Please pray with Us for those who oppose life." We prayed.

I (Maureen) told Blessed Mother that there are many people here who would like to be healed and that they have many needs -- physical, spiritual, and emotional.

She says: "Some will need to wait; others will find grace in this present moment. Still others are members of My army of victim souls. Let us pray together for all of these." We prayed.

"Dear child, please take down My words in praise of Jesus. I come to speak to all nations -- all people. Today, in your country, a horrendous sin, that of partial birth abortion, is being considered as a viable law. Not only is this worse than Herod's slaughter of the innocents, it is a precedent for other nations to follow suit."

"My army of consecrated souls must be the voice crying in the desert. As children of Mary, you must make your voices heard above the din of complacent consciences. Satan could not have attempted such a blatant, godless law 10 years ago. But today, because righteousness lies dormant in hearts, his actions go almost unnoticed. "

"Dear children, it is up to you to be My voice in the world. Bring the Ten Commandments alive again. They have not changed. Speak up for My Holy Love message. You must be My message in the world. We are outnumbered, and so you must pray for strength. My grace is your strength. My Heart will achieve victory in and through you. When you pursue My goals, My blessing is upon you."

Jesus says: "I desire that families venerate the picture of Our United Hearts, for in this is the grace to remain united and to become holy. Marriages that are thus consecrated to Our United Hearts will not dissolve. I am giving the grace today that souls will be moved in this direction. We will now give the people here The Blessing of Our United Hearts." They bless us and leave.

---

**July 18, 1996**  
**Weekly Rosary Service**

Blessed Mother is here. She is illuminated in a bright, white light and She has rays coming from Her hands and forehead. She also has a green lining on Her mantle. Our Lady says, "Praise be to Jesus, My little children. Pray with Me now for the strengthening and the extension of the faith in the world."

Jesus is now present to the left of Blessed Mother. They both have their Hearts exposed.

"Dear children, tonight I come to ask you to be the fiber of the remnant church. Pray for a strong faith, and I will give it to you through the graciousness of My Son. It is necessary that I come in these times to form this army of victim and consecrated souls who will strengthen the faith of the world. Tonight We are extending to you the Blessing of Our United Hearts."

---

**July 24, 1996**

**Dayton, Ohio**

Our Lady comes with a light coming from Her Heart. She has on a white mantle and a pink gown. She says: "Dear children, pray with Me now for the success of My mission in the world through Holy Love." We prayed.

"Dear children, tonight, sadly I tell you that the darkness in many hearts is spilling out into the world, for Satan is trying to extinguish My Flame of Holy Love, which is the light on the path of salvation. I ask that you pray for My mission and that you strengthen it through your prayers and sacrifices and by spreading My message of Holy Love to others."

"Dear children, when you live My message, it becomes part of your heart, and your hearts are sanctified in the present moment. Tonight I extend to you My Blessing Of Holy Love."

---

**July 25, 1996**

**Weekly Rosary Service**

Blessed Mother is here as Our Lady of Guadalupe. She says, "All praise be to Jesus, Redeemer and King. Dear children, pray with Me now that the world will embrace My message of Holy Love."

"Dear children, you continue to see natural and man-made disasters and unprecedented events unfold in the world around you. Yet I come once again to remind you that if you embrace My message of Holy Love, which is the Refuge of My Heart, you will not fear. Dear children, tonight I am blessing you with My blessing of Holy Love."

---

**July 26, 1996**

**JESUS**

"My Mother's Heart is the embrace of Holy Love. Her call through you is to all humanity to come into that embrace."

---

**July 26, 1996**  
**JESUS**

"Today I extend an invitation to all nations and all people to meet Me and My Mother at Maranatha Spring. It is the hour of My Predilection. I am returning soon to claim what is Mine. I will not recognize the unloving heart. Nor will I recognize such a one in My kingdom."

"Holy Love in hearts can suspend certain cosmic events destined to occur. Through Holy Love, light can uncover darkness where it lies concealed in good. My Hand of Justice is withheld, waiting to see how hearts embrace Holy Love."

---

**July 26, 1996**

Our Lady comes in a mist in light blue and gray. She says: "Good morning, My angel. This morning you have come to Me and I have come to you."

"I desire, My daughter, that you most clearly understand that My appearances to you are all-encompassing. I do not come for a small or certain select group. I come to convert the world through Holy Love. No one, regardless of their beliefs, can see salvation outside of Holy Love. Holy Love combines the two great commandments into one. Thus you are able to see the primacy of My call."

"When hearts embrace Holy Love, evil is revealed both in the heart and in the world."

---

**July 27, 1996**

Our Lady came in dark blue and white. She said: "Pray, pray for the conversion of souls farthest from God." We prayed. She recomposed Herself. She said: "You must pray for these impoverished souls. They travel the road to perdition and do not realize it."

She shows me a vision of Hell. It is a sea of fire. Then She resumes speaking.

"There is no love in Hell, My daughter, only wailing and gnashing of teeth for lack of love. Many fall into Hell for lack of someone to pray for them. But you have the key. You know the path. Now you must make it known. You must offer this salvific message to all who will listen." She leaves.

---

**July 28, 1996**  
**JESUS**

"The Blessing of Our United Hearts is given each 12th of the month to increase and strengthen the remnant Church; to prepare the world for My Second Coming; to draw all people into the latter day ark of My Mother's Heart, which is Holy

Love; and through the conversion of Holy Love, to reconcile hearts with God, thereby spanning the abyss between Heaven and earth."

---

**July 28, 1996**  
**On the Three Days of Darkness**

I see Our Lady holding the Infant Jesus. She is in a purplish mantle, pink gown. The Baby is in white. Our Lady says: "I come in praise of Jesus, My Son."

"My daughter, I have prepared your heart in forewarning of My telling you these things. Today, most of humanity has chosen self over God and fellow man; death over life; hate over love. For the sake of man's free will, God has only intervened indirectly by sending Me into the world to admonish and call to conversion. My coming to you with this message of Holy Love is a last minute grace, which Heaven hopes will bring many to salvation."

"Today, as I speak to you, cosmic events are taking place. Patterns are being established and certain constellations choosing unforeseen paths. Through the evil in hearts these things are being permitted by God, who does not want to punish but who will not interfere."

"Man's final judgment of choice upon the world will bring about a collision of heavenly bodies. Your planet will swerve from its course. For 3 days natural laws will be suspended. Earth will be plunged into darkness--both in hearts and in the world. The good will be sustained through the Refuge of My Immaculate Heart and will not see unprovided death. But woe to those who walk the path of perdition. Some will die of fear. Others will take their own lives. "

"It is during this time that those consecrated to the Flame of My Immaculate Heart will be protected. These souls will be the light in the midst of darkness."

"There is no nation that can provide safe refuge during these three days, but My Heart will provide to those who are thus consecrated to Me."

"I do not come to frighten you. I come to show you the way around fear which is this Mother's Heart. I am so ready to shelter My children, to appease injustice, to protect the faith. Make this known."

---

**August 1, 1996**  
**Weekly Rosary Service**

Blessed Mother is here. She has on a pink gown, a gray mantle, and a white veil over Her head. She also has a light coming from Her Heart. She says: "I come tonight to offer you My Heart and to take into My Heart all your concerns and burdens. Pray with Me for those who will come to this property in need."

"I desire that you come in procession to My shrine -- to the site of My future shrine--on the 15th of August. Hasten to the grace of My Heart during these times. Dear children, tonight I invite you to understand that My coming to you does not mean that your heart is converted. The sign of your conversion is your living My message. Let this be your ransom from the captivity of sin. Dear children, tonight I am blessing you with My Blessing of Holy Love."

---

**August 4, 1996**  
**JESUS**

"I am calling souls to understand that the vine which thrives and does not wither is the one which is firmly planted in Holy Love (John 15). Seek not your way nor the way of the world, but realize the kingdom of God is within and it is Holy Love."

---

**August 8, 1996**  
**Weekly Rosary Service**

Our Lady's here in white. She is standing on a globe of the world. She says: "Pray with Me now, dear children, for all those who will make pilgrimage here on the 12th."

"Dear children, when you pray, you are giving Me strength to defeat Satan and all his works. When you sacrifice, you are distinguishing yourselves as My children. When you love, you are making the way clear for others to love. I encourage you in every aspect of your personal holiness."

"Dear children, tonight I extend to you My Blessing of Holy Love."

---

**August 12, 1996**  
**JESUS**

"My Provision is certain and complete. My Mother's Heart is the Gateway. My Heart is the Kingdom."

**August 12, 1996**  
**MONTHLY MESSAGE TO ALL NATIONS**

The following message was given in two parts due to its length. The two parts are interspersed.

Blessed Mother is here as Our Lady of Guadalupe. Her Heart is exposed. She says: "Dear children, pray with Me now for the conversion of all those present here today." After we prayed, Jesus appeared next to Blessed Mother. His Heart is also exposed.

"I have come to speak to all nations -- to all people. Dear children, My coming to you is a grace. I do not come to make you holy. You yourselves must choose to be holy. I do not come to bring you peace. You yourselves must choose it. All you need to choose is Holy Love and all else will be added, for when you choose this love, you choose everything."

"I desire very much that apostolates and apparition sites do not oppose one another but, in Holy Love, assist each other in propagating My messages to the world. I do not come to different sites to bring rivalry or friction but, everywhere and each time, to draw My children into My Immaculate Heart which is Holy Love. It is Satan who wants to divide and bring conflict to your midst. Then you are confused and do not see the oneness of My call to you. Dear, dear children, it is not for you to take pride in My coming to this site or any other. Each site that My Son sends Me to is continually and always a site of grace for all people. I never leave any of the sites I visit, but am always present there. Therefore, do not believe one apparition is greater than another or that more grace is attendant to one than another."

"I come to you to bring reconciliation to the midst of your hearts, so that you will be reconciled to God and to each other. This -- Holy Love -- is the last hope of mankind."

"There is an unhealthy bond forming in the world that opposes My victory. God is not in the formation of this consolidation of powers. I am asking you to be aware and to come against this by your prayers and sacrifices. Comprehend that there is no order outside of Holy Love. There is no truth outside of Holy Love."

"Dear children, I come once again for your good. There is a time in the future when I will no longer come to you, and you will need to live according to My messages. When you pray, pray with hearts full of Holy Love; then My Son will be most attentive to your prayers."

"Countries need not hold summit meetings without Holy Love in their hearts, for they will not accomplish peace in arguments over borders and natural resources but only through reconciliation with God, their Creator. Then they will have peace in their hearts, peace in their countries, and peace in the world."

"Today, We (Jesus and Mary) are blessing you with Our Blessing of the United Hearts." When Jesus and Mary left, Their United Hearts were momentarily suspended in the air as sparkling lights."

---

**August 15, 1996**  
**Feast of the Assumption**  
**Weekly Rosary Service**

NOTE: All here had processed with the Pilgrim Image of Our Lady of Guadalupe 1/2 mile to Maranatha Spring where the rosary continued. Blessed Mother floated above the Image during the procession. Once at Maranatha, the miracle of the sun occurred throughout the remainder of the Rosary (the sun danced and pulsed with many colors all around it).

Blessed Mother is here. She is in white with a golden belt and Her Heart is exposed. "I come in praise of Jesus, My dear little children. Pray with Me now, that the petitions of My Heart be granted through your intercession."

"Dear children just as your hearts have been flooded with this sunshine and this golden brilliance here tonight, I desire that the world be flooded with My message of Holy Love, so that each heart can recognize the grace in the immediacy of the present moment and live according to My Holy Love."

"Dear children, tonight I am blessing you with My Blessing of Holy Love."

---

**August 18, 1996**

"Our Lady is here in a periwinkle mantle and a rose-colored cincture. She says: "I come in praise of Jesus, My daughter, and as My Son so calls Me."

"I desire you make it known that I am continually present and awaiting all mankind at Maranatha Spring. It is here I will comfort and console those who come to Me. I desire, as My Son allows, to alleviate afflictions and render certain and untold grace. Ask My children to surrender their petitions to Me at the Spring. Design the entire area around our Spring as a heart. This way when the people draw close to the shrine, it will be representative of coming into Our United Hearts. You will be able to accomplish this through the use of different decorative stones. My daughter, the purpose of the property and of the entire mission in you is to draw My children into the Refuge of My Heart -- through and in Holy Love. When they are in Holy Love, which is My Heart, they are also in the Heart of My Son."

"My victory begins in each soul that surrenders to Holy Love. I am blessing you."

---

**August 20, 1996**

Our Lady comes in shimmering white. She says: My daughter, as I always come, I come to give praise to Jesus. I desire that those souls truly consecrated to the Flame of My Heart live as witnesses to My victory in their hearts. These are the ones that must draw others into this Purifying Flame, and so, into the Refuge of My Heart."

"Here are the steps to entering this Refuge."

1. "First as with any conversion, the soul must choose to enter My Heart."
2. "Next, the soul must die to self, putting others and God ahead of himself. In so doing, the soul is living the Holy Love message."
3. "The soul needs to recognize that choosing and living this way makes him a target of attack. Satan places such souls under siege. Knowing this, the soul needs to persevere through much prayer and sacrifice. This is the 3rd step."
4. "All of My children, who choose, live, and persevere in being purified in the Flame of Holy Love that is the Refuge of My Heart, must practice living in the present moment. The fourth step is to trust in this solemn refuge in the present moment which embraces your salvation."
5. "The fifth step is all-encompassing of the other four steps. My dear children must pray for the grace to love God's Will. This is your choice, your living the Holy Love message, your perseverance, and your trust. God wants all of these things for you -- in the present moment. God's Will is My Heart. God wills that you come into and abide in this Immaculate Refuge, a Refuge He has created for you."

"I desire all of My children know and understand this."

---

**August 22, 1996**  
**Weekly Rosary Service**

Our Lady's here in white, but it looked to be gold from the reflection of the sun. "I come in praise of Jesus, My Son, King and Redeemer. I desire that we pray now for all the needs of those here present."

"Dear children, tonight I invite you to understand that My coming to you is not only for your welfare but for the good of all people, all nations, the world, even the entire universe. My Son will yield a harvest of many souls from this property and by your efforts through prayer and sacrifice. In this way, I will take up reign in all hearts, just as I reign in Heaven beside My Son. So when I am victorious through your 'yes' to Holy Love in your heart, My Son, too, reigns in your heart with Me. Tonight I am blessing you with My Blessing of Holy Love."

**August 29, 1996  
Weekly Rosary Service**

Blessed Mother is here as Our Lady of Guadalupe. "I come in praise of Jesus, My Son. Pray with Me now for the intentions of all those here tonight."

"Dear children, tonight I come to you asking you to continue to persevere in perfecting yourselves in Holy Love. For it is through your personal holiness, My victory will come. It is here in the Field of the United Hearts that certain ones will be made to realize the proper path to follow and the course that I am leading souls. Dear children, direct souls into the Path and the Flame of Holy Love, which is the means of salvation given to the world. For it is only through Holy Love, salvation can be obtained. Tonight I am blessing you with My Motherly Blessing."

---

**September 5, 1996  
JESUS**

"My Mercy and My Love are inseparable. Holy Love and Holy Compassion are inseparable. You need to always forgive and overlook each other's faults. Work on your own holiness. I call those who will serve. Remember, I do not call the perfect but the willing."

---

**September 5, 1996  
Weekly Rosary Service**

Blessed Mother is here as Our Lady of Guadalupe. She says, "All praise be to Jesus. My children, pray with Me now for those who must weather storms within and without." We prayed.

"Dear children, tonight you are not only in the Field of the United Hearts, but you are also with Me at the foot of Mt. Tepeyac with My little son, Juan Diego." Juan is now kneeling in front of Blessed Mother.

"The roses that I am giving you tonight are the graces that I place within your hearts, and the image that I give you is the Holy Love that I imprint upon your hearts. Please bear witness to all that is happening here (Maranatha). For I tell you, what you experience is real. Tonight I am blessing you with My Blessing of Holy Love."

---

**September 7, 1996  
ETERNAL FATHER**

"Listen! From the beginning unto the end I Am Who Am. I call from the burning bush and from the peak of Sinai to love. None shall prevail against this message. The fiery pit is the absence of all love. Heaven is possessed by those who love.

Heaven is love in its fullest. I sent My Son to bring love back into the world. Now My Son is sending His Mother."

---

### **September 7, 1996**

Our Lady comes in blue. She has a brilliant white light coming from Her Heart and hands. She interrupts My Rosary saying: "Those most in need of mercy are those who do not love. My daughter, give praise to Jesus that He sends Me to you once again. Please open your heart to the understanding that each time I come to you or any other seer, it is to restore man's love for God and for his neighbor. Each one of My apparitions brings with it the underlying message of Holy Love. If you are persecuted or rejected in the world, it is a sign of frailty in hearts that do not embrace Holy Love completely."

"But do not fear being put to the test. It is then I am embracing you in My Immaculate Heart. Herein lies every answer and every proof of My coming to you. The ones who do not come to My Spring are not looking closely at My messages, but listening to human hearts which have given way to error. Pray that error is taken from hearts."

Once again, I tell you that self love stands in the way of Holy Love. It fills the heart with self and I cannot fit My Holy Love into such a one. This is why I say, Holy Love is a choice of free will. When this choice is made, the soul must make a conscious effort to remove self and put God and neighbor in his heart."

"I leave you now in My peace, My love, My joy."

---

### **September 8, 1996**

Our Lady comes in two shades of blue. I wish Her Happy Liturgical Birthday. She nods humbly. "Let us give all praise to Jesus, Who send Me. I come to ask you, My daughter, to remain undaunted amidst the tide of controversy that is coming. My best messengers prefer the background but will step out on behalf of My message."

"These are the basics I ask for at this apparition site:

- Conversion through Holy Love.
  - Those who are Catholic should support the tradition of faith handed down through this Pope.
  - Prayer offered with loving hearts, which will bring about the victorious reign of the Hearts of Jesus and Mary.
  - Fasting from your own will -- that is emptying yourself of self love. This can be a fast of bread and water, but the most important fast is to die to self. Then I will fill you with Holy Love."
-

### **September 8, 1996**

"Our Lady is here in a cream color and rose. She says: "Make it clear, My daughter, that I come to you preparing the world for My Son's return. I do not come to frighten but to prepare. I come to you out of love to draw humanity into love. Long-awaited has been the inner heart of humanity for what I bring -- the ark of Holy Love. Not a place of safety in the world -- but a Spiritual Refuge between Heaven and earth."

Maureen asked, "Are you the Mother of God?"

"I am Mary, Mother of Jesus Christ born Incarnate."

---

### **September 10, 1996**

"Our Lady comes as Our Lady of Fatima. She has a green light around Her, and She is holding a rosary. She says: "My angel, I come to you as always to announce the coming of My son. I desire that the people know that their faith and their prayers are important to Me. It is not a mistake that they are invited to pray with Me on our property. My coming to you is real. My grace is real. This grace, this sweet issuance of My Heart, is a foretaste of Heaven. When your rosaries change to gold, it is My sign to you that your prayer changes hearts and, so too, world events. When you are healed in any way, know that God has dominion over every situation in life. Indeed, the air, the earth, and the sea obey Him. God is measuring certain divine graces to be bestowed in particular on My prayer site that I share with you. In anticipation of this, and in thanksgiving for what has already been generously given, I ask you to assemble on the feast of the Holy Rosary (10/7/96) to pray with Me. Do me this honor and I will be with you. I am blessing you."

---

### **September 12, 1996**

#### **MONTHLY MESSAGE TO ALL NATIONS**

The following message was given in two parts due to its length. The two parts are interspersed.

Blessed Mother is here as Our Lady of Guadalupe. Her Heart is exposed. She says: "I come in praise of Jesus, My only begotten Son. Pray with Me now for all the petitions that are in hearts here today." We prayed.

Jesus is now here with Blessed Mother. His Heart is also exposed.

"I come to address all nations, all people in this hour of decision which weighs heavy in hearts, and so the world. Today, Satan's veil of confusion has fallen over hearts in this nation and many nations. My children -- all of whom are called to salvation -- are confusing freedom of choice with sin. I do not come to take away man's free will, but to beg your choice of good over evil. You will succeed in

this if you choose to live in Holy Love. Through Holy Love you must see that the human embryo from the time of conception is a life that you are commanded to love. Consciences have fallen asleep under much misconception, and the toll on God's patience is great. You cannot hope to turn away God's wrath and break His commandments at the same time. My coming to you is to help you to choose. I have begged from My Son this grace. He awaits the change I come to seek in hearts."

"Too many are choosing not only to ignore Me, but to ignore the prophets of old who have foretold these times. [Blessed Mother suggested reading Daniel Chapter 12]. Do not forsake this last call, for I tell you when justice comes, many will pass from this world to the next in one moment. Then your choices will end -- for eternity. Begin to love now."

"Dear children, when I appeared to the children at LaSalette, I was weeping for the sin that was committed in the world, the profanity of the Sabbath, and the profanity of My Son's name. But today, I come to you MUCH MORE YOUR SORROWING MOTHER and at the foot of the Cross. I ask you to consecrate your hearts and your lives to Holy Love. This Flame of Eternal Love that is My Immaculate Heart will lead you along the path of holiness. Your conversion is the beginning of the conversion of all mankind. Today We extend to you the Blessing of Our United Hearts."

---

### September 14, 1996

Our Lady comes in white with a crown over Her head. She says: "My angel, My messenger, please record My words for posterity. I come in praise of Jesus, My Son. He it is, who allows Me to transcend time and space."

"I come to you seeking devotion in the world to Our United Hearts. Begin a five day novena reciting this grace-filled chaplet of the United Hearts. Answers will be forth coming. The greatest measure of My Heart has been reserved for these last days, through which I will transpose My Heart upon those who consecrate themselves to Me." "Because this devotion is scripturally based, it belongs with the Rosary on the Feast of the Holy Rosary. Please ask the people to recite it. Establish this devotion in the world. My grace will assist you."

"Do Me this favor and My Heart will be unable to resist your petitions."

She leaves. United Hearts are in the air temporarily.

---

### September 18, 1996

Our Lady comes in white. She says: "Today I invite you to live each moment as though it were your last moment on earth. The present moment is invaluable and cannot be retrieved once it is spent. You do not know from one moment to the

next when My Son will return. How foolish then to lose the present to perishables that are passing. Build up a fortress of love in your heart that allurements and distractions cannot penetrate. My grace is always with you. I am blessing you."

---

**September 19, 1996**  
**Weekly Rosary Service**  
**Feast of Lasalette**

Our Lady's here in gray. Her Heart is exposed. She says, "I come in praise of Jesus, My Son, King and Redeemer. Let us pray now for the intentions in hearts here tonight."

"Dear children, many, many years ago I appeared in LaSalette because of man's indifference towards God's laws. Today I come, once again, weeping (Blessed Mother is crying and the flowers around Her Heart have turned into thorns). My Heart is weeping tears of blood for the morbid sin of abortion that mankind has chosen to embrace. Your holiness in the present moment makes all the difference to Me. Believe in Me, as I believe in you. My regency begins in hearts that choose to love. Tonight I am extending to you My Motherly Blessing."

---

**September 21, 1996**

Our Lady comes with Her Heart exposed. She says: "You are experiencing the bitter-sweet days before My Son returns. Never before has the abyss between Heaven and earth grown so wide. Never before have hearts been so compromised by sin. But, as these last days unfold and the veil between Heaven and earth is lifted, you will experience God's Mercy and Love in unprecedented ways."

"Do not be surprised when I tell you My victory will come as a triumph of love. For My victory will unite every heart to Divine Love and Divine Mercy in Holy Love. In the New Jerusalem there will be no more impediments to love. God's Mercy will be confided to each heart to the fullest. All iniquity will be burned away through My Flame of Love. Spread this Holy Flame of Love wherever you go, My angel. For preceding these most important last days, it is mankind's only recourse towards reconciliation with God."

"I come to you as a Mother who loves you and understands all your frailties. It is because of your weaknesses I come. When you are weakest the Flame of My Heart will raise you up and support you. Remain close to Me as I am to you. I am blessing you."

---

**September 25, 1996**

Our Lady comes in white. She has many little hearts under Her mantle. She says: "Peace, My angel. I come to lead you deeper into the mystery of the United

Hearts of Jesus and Mary. You see these hearts which are covered under My mantle of protection. These are the ones devoted to and who promote devotion to Our United Hearts."

"In this devotion, I lead souls to see that Our Hearts are never separated but always joined spiritually. Our Hearts will not reign in the New Era of Peace side by side, but united and as one. My Son's Heart always holds supremacy over My Immaculate Heart. But in depicting Our Hearts as United, He shows the world that Divine Love is only approachable through Holy Love. Living in the divine Will is attainable by living in Holy Love. Therefore, it is mankind's 'yes' to Holy Love that unites him completely to God. The greater his commitment to holiness in this way, the deeper his union with God."

"Hearts that pursue this union are under My mantle of protection. My mantle remains around each one until he fails in love. In sin, My mantle is rent and the soul must by his efforts in love cover himself with it again. Especially protected are those who promote the Union of Our Hearts. I am blessing you."

---

**September 26, 1996**  
**JESUS**

*THE DAY THE SENATE FAILED TO OVERTURN PRESIDENT CLINTON'S VETO OF THE MEASURE TO PREVENT THE PARTIAL BIRTH ABORTION PROCEDURE, MAUREEN RECEIVED THIS MESSAGE FROM JESUS; THE ONE FOLLOWING WAS GIVEN TO MAUREEN AT THE WEEKLY ROSARY SERVICE.*

"Let this night of prayers (October 7, 1996 - 5:30 PM to midnight) be in atonement to the Hearts of Jesus and Mary."

"Today's page in history has been turned."

"NOT EVEN SODOM AND GOMORRAH TORE MY HEART IN SUCH A WAY."

---

**September 26, 1996**  
**Weekly Rosary Service**

Blessed Mother is here dressed in BLACK and She is crying. 'I come to you in tears today, dear children, for I sorrow over the future of your country, which has been placed in peril due to wickedness in hearts. Pray with Me now for the legislators who endorsed this godless law today."

"Dear children, today I come to you pleading for the conversion of the heart of your nation, which has widened the abyss between Heaven and earth through this wicked legislation. Dear children, it is only by the merit of the Holy Love in

your hearts, that I am able to withhold the arm of Justice that My Son seeks to lower upon the world."

"Dear children, pray for the heart of your nation. I am blessing you."

---

**October 3, 1996**  
**Weekly Rosary Service**

Our Lady comes in gray and white. She says: "I will speak now to My children. Dearest little children, tonight, once again, I come to ask you to re-commit your lives to Holy Love in the present moment."

"When you consecrate the present moment to Me in this way, you are allowing Me to use all your prayers and sacrifices to bring reconciliation between God and all people. Because humanity continues along the path of self destruction, I invite you, in a special way, to join Me on the Feast of the Holy Rosary."

"Dear children, you are strongest when you pray. It is then you are calling My grace into hearts and into the world. Give Me your prayers, and I will give to you the strength of My grace. Tonight, as always, My benediction of Holy Love is upon you." She leaves.

---

**October 5, 1996**

Our Lady comes in gray and a cream color gown. She says: "I desire to make this known to all mankind. It is not long until every conscience will know his stance before God. In that moment of decision, My Son allows that a conflagration of Holy Love ignite in every heart. It will be through this Flame of Holy Love, each soul will be given the choice, most clearly, to choose righteousness. Then, the vessel of Mercy and Love that is My Son's Divine Heart will be overturned and spilled out on humanity as never before. This will be God's final effort towards consecrating erring hearts to the Heart of His Mother. Those who foolishly do not respond to this grace will be plunged into confusion and fear."

"But I am asking you to build up a warehouse of trust and faith in your hearts today, making of them a fortress against fear and doubt. Be stouthearted in the Lord. Do not wait for a crisis and then frantically cling to a weak faith you have little of. Pray to My Immaculate Heart. I, your Mother, want to increase your faith, your courage, and your perseverance. I am blessing you."

---

**October 7, 1996**  
**Feast of the Holy Rosary**

After Communion I had the following vision. I saw a rosary with a broken cord. The beads were slipping off the end of the cord and falling into space. Then the

beads disappeared. I heard Our Lady say: "These are the Rosaries that you have time to say but never say."

Next, I saw a rosary with only a few beads on it. Our Lady said: "These are the Rosaries you say amongst great distraction."

Then I saw a full set of rosary beads. It was encircling the globe. Our Lady said: "These are the prayers you say from your heart. With them, I am able to convert sinners. I desire that you make your prayers global prayers. Pray for all sinners. This way I can bind all nations to My Immaculate Heart."

By this I knew in my heart She wanted me say the Father Gobbi prayer at the beginning of the Rosary saying, "Celestial Queen, with this Rosary I bind all sinners and all nations to Your Immaculate Heart."

---

### **October 7, 1996 Feast of the Holy Rosary**

At the prayer vigil early evening

Our Lady is here as Our Lady of Guadalupe. "Dear children, tonight I come to you once again, imploring your prayers that man be reconciled with God. Satan wants to destroy every soul, church, and even the planet on which you live. But you can change this through your Rosaries, your Eucharists, your Holy Hours of Reparation. I am counting on you My children to be Holy Love in the world and to make My words to you known. I extend to you My Motherly Blessing."

---

### **October 7, 1996**

#### **Feast of the Holy Rosary**

At the prayer vigil late night

"Our Lady came as Our Lady of Guadalupe. She said: "Dear children, tonight your prayers have made a difference both in hearts and in the world -- in Heaven and on earth. Do not assume that you have not been rewarded. Not every light you see around you is made from cameras but some from My grace. I am blessing you with My Blessing of Holy Love."

---

### **October 10, 1996**

#### **Weekly Rosary Service**

"Our Lady's here in blue and white. Her Heart is exposed and there are many small crosses coming from Her Heart toward earth; but before they get to earth, they turn into roses. "I come in praise of Jesus, My Son, King and Redeemer. Pray with Me now for those who will come on the 12th."

"Dear children, please understand, that the Cross and Grace come together. Do not reject the Cross, for, in so doing, you would reject My Grace, My beautiful Grace. Dear children, when you are living in Holy Love, I take your petitions deep

into My Immaculate Heart, there to remain, bathed in My Grace. Tonight, I am blessing you with My blessing of Holy Love."

---

**October 11, 1996**  
**The Seven Sorrows**

1. **The Prophecy of Simeon.**  
"If I had allowed the knowledge of Simeon's prophecy to pierce My Heart over and over, I would have re-lived Jesus' passion over and over. I prayed for the grace to be at peace in the present moment."
2. **The Flight into Egypt**  
"Though this was a hardship, our flight from Herod portrays God's provision amidst adversity."
3. **Losing the Child Jesus in the Temple**  
"When you seek My Son, you too will find Him in the temple of your heart."
4. **The Meeting of Jesus and Mary on the Way of the Cross.**  
"I embraced Him in My Heart as I saw Him suffering under the weight of the cross. You too must embrace Him in your hearts in the Blessed Sacrament. Do not leave His Love unattended."
5. **The Crucifixion**  
"As I watched My Beloved Son draw His last breaths, I prayed He would persevere to the end. You must pray for the grace of final perseverance."
6. **The Taking Down of the Body of Jesus from the Cross**  
"I sorrowed that more would not benefit from His death. I sorrowed for those who would not turn away from sin. I continue to sorrow for this."
7. **The Burial of Jesus**  
"I dressed His wounds. I arranged His Hands. I grieved. I gave Him to the world and the world rejected Him. Pray for those who still reject Him."

---

**October 12, 1996**  
**MONTHLY MESSAGE TO ALL NATIONS**

The following message was given in three parts due to its length. The three parts are interspersed.

Our Lady is here as Our Lady of Guadalupe. As She floated down on a cloud, three small angels were with Her and arranged Her mantle. "I come in praise of Jesus, My Son, Lord and Redeemer. Pray with Me now for all those here present." We prayed. Our Lady then says: "Please tell the people here today that I am taking all their petitions to Heaven to be placed on the altar of My Son's Heart. I come as I am sent by God the Father, Who has formed Heaven and earth, the sea, and all that is in the sea. I come to give praise and honor to Jesus, My Son."

"Today, I invite all My children to understand that mankind cannot be reconciled with God until he accepts his own littleness before the omnipotence of God. Today, sadly, people do not believe in their own humanness and their

dependence upon their Creator for all things -- all things. Life itself is a gift that God gives and only He can take away. All of nature thrives in harmony with God's Will."

"Because My Son's Heart is so bitterly pierced by the sins of mankind, He will allow certain events to transpire, which will lend proof to all humanity that He is in charge. People will be made to see that they have brought these things upon themselves by emptying their hearts of God and filling them with false gods. You, My faithful ones, must continue to be My light on the path of Holy Love, showing others the way."

"Today, you are experiencing the season of autumn where much that is alive withers or falls asleep. I come to you to bring an awakening to hearts as to the true season, which is one of much evil but much grace as well. It is Holy Love that will take you into the New Era of Peace. I have come to deliver you of false gods and to sign you with the Blood of the Lamb. The greatest errors in the history of the world have taken place in this last century -- in particular sins against human rights. Let My coming to you today be a sign of God's continued mercy and forbearing love. As you see miracle after miracle on this property, let your hearts bend and begin to love. Be My message of love to those around you."

"Dear children, I have come today to free you of the captivity of unloving hearts. It is only through Holy Love, My dear children, that you will be made to realize the glory of the New Jerusalem. Holy Love is the bridge that spans the abyss between Heaven and earth. It is because of lack of love in hearts that mankind has taken himself so far away from his Creator."

"Dear children, I am here to encourage you to love and to pray, for it is only in this way mankind can be pulled from the precipice of disaster."

Now Jesus is with Blessed Mother. They are extending to us the Blessing of the United Hearts.

---

**October 17, 1996**  
**Weekly Rosary Service**

Maureen was on a retreat. Blessed Mother gave the message for the prayer service the day before (October 16, 1996)

"Our Lady comes as Our Lady of Guadalupe. She's resplendent. She says: "I come as always, in praise of Jesus, My Son. Dearest children, your presence in response to My call is a fruit of the Holy Love in your hearts. Holy Love is the narrow door. Perfect yourselves in Holy Love, so that you may enter. Let your goal and prayer be to love everyone unconditionally, as My Son loves you. You cannot accomplish this alone, but only through grace. God's Divine Will is My grace. I am blessing you in the present moment."

---

**October 17, 1996**  
**In a field at My Father's House a retreat center in Connecticut**

Blessed Mother is here all in white. She has a scapular in one hand and a rosary in the other, and Her Heart is exposed. She says: "My little children, thank you for coming as I have called you. Pray with Me now for all sinners, but most especially for government leaders." We prayed.

"Dear children, I come to you tonight to reassure you along the way I am calling you. Be certain that My grace is guiding you. Do not be afraid or fear opposition; My grace will overcome. You feel the path I lead you upon to be uncertain and unfamiliar, but I tell you My grace is the light upon the path which will prove to be well trodden and one of great reward."

"Each of you is called to a particular and certain mission in these times. You must come to Me, your Mother, with your fears and your doubts and allow Me to take you into My Immaculate Heart, where I will resolve all your fears and all your doubts through My grace. Tonight I am extending to you the Blessing of Holy Love."

---

**October 17, 1996**  
**Connecticut**

Our Lady comes as Our Lady of Guadalupe. She says: "Today I come once again on behalf of My Son, to Whom I give all praise and honor. I invite you to fall in love with Jesus in the Eucharist. When you love someone, they are ever present in your hearts and in your thoughts. You try to please the one you love. My dear children, do not leave My Son unattended in the tabernacle. Send your angels to adore Him when you cannot go yourselves. These same angels will return to you bringing many graces. I am blessing you."

---

**October 22, 1996**  
**Message from Padre Pio**  
**During Maureen's talk in Milwaukee**

"Do not think Our Mother comes to you asking you to 'pray, pray, pray' because She wants to give you something to do like a homework assignment. She needs your prayers in order to reunite Heaven and earth"

---

**October 24, 1996**  
**Weekly Rosary Service**

Our Lady is here in a gold color. She says: "All praise be to Jesus, My little children. I come to you tonight seeking your prayers for all those who oppose Me in the world."

"My little children, let Holy Love stand guard over the integrity of your hearts. Let Holy Love be the doorway to your salvation. I come today seeking your faith, your hope, and your love, that I may return to My Son and afford Him great ammunition against evil. It is the love in your hearts that allows Me to oppose Satan in such a way. Tonight I am blessing you with My Blessing of Holy Love."

---

**October 25, 1996**  
**JESUS**

"Trust and courage go hand in hand. Fear opposes trust. When you put everything into the vessel of trust, I cover it with My grace which I send through the Heart of My Mother."

---

**October 26, 1996**

Our Lady is here in gray. She says: "My angel, I come in love, peace, and joy to bring praise to My Son, Jesus."

"I am speaking to you now concerning the vision on the vessel of trust. The reason it appeared empty to you, as I handed it to you in the vision, is this. When you surrender your problems, your fears, and all your misgivings to trust, you no longer see these problems, but only the trust. When the problems 'spill out' of the vessel of trust, you are taking them back and trying to solve them yourself."

"You need to trust all your tomorrows to Jesus. He will make all things successful through grace. I am blessing you."

---

**October 31, 1996**  
**Weekly Rosary Service**

Blessed Mother is here as Our Lady of Grace. "Pray with Me tonight, dear children, for all those who seek Holy Love but do not follow the path."

"Dear children, tonight I invite you to realize that your prayers are the way out of every situation and your armor against fear. See dear children, that when I come to you, I bring you My grace. And when you surrender to your crosses in Holy Love, they are transformed into grace. Dear children, be My warriors on the path of Holy Love through your prayers and your sacrifices."

"Tonight I am blessing you with My Motherly Blessing."

---

**NOVEMBER 2, 1996**  
**JESUS**

"I am giving you this consecration of marriages to Our United Hearts because of these times. These last days before My triumphant return see Satan attacking all vocations -- but in particular the priesthood and marriages. Marriages consecrated to Our United Hearts will find the way made easier. Pray this prayer daily for Our Protection and Provision."

**Marriage Consecration**

Holy and Sacred United Hearts of Jesus and Mary, we consecrate our marriage to You today in this present moment. Through this consecration, we will dedicate our hearts to Your victory. United in You we seek Your protection and provision. Increase our love for You and for each other with every breath we take. Regally clothe our hearts in the Divine Will of the Eternal Father. Help us to increase in holiness in and through Your United Hearts. Amen.

"Propagate this consecration. It carries with it many graces. It will strengthen the soul of marriages gone stale. It will increase fervor in hearts. It will convert the unconverted who consents to pray it."

He leaves with a smile. The United Hearts are in the air.

---

**NOVEMBER 7, 1996**

Our Lady came in blue and a cream color. She says: "Today is a day of recompense to My Heart for the errors against Holy Love in the hearts of your government leaders."

Your country cannot be reconciled to God when there is duplicity in the heart of the government. The time fast approaches when the proud will be scattered in the conceit of their hearts. What has been concealed in darkness will be laid bare in the light. It is then that confusion will rule hearts and lay waste your country's economy."

"But there is reason to give praise to Jesus, even in these times and circumstances, for this is a sign to you that the victory of Our United Hearts is most imminent. Be mindful of the extremes in nature and the path of self destruction the human race pursues itself."

"I am with you and, as always, offering to you the reconciliation and the Refuge of My Immaculate Heart." Blessed Mother leaves.

**NOVEMBER 7, 1996**  
**Weekly Rosary Service**

(It was raining throughout most of the prayer service.)

Our Lady is here in white with a green sash. "Let us pray tonight for the intentions of all those who have come here."

"Dear children, thank you for coming here tonight to be with Me as I have longed to be with you. I am taking all your petitions to Heaven with Me. Dear children, just as the rain cleanses the air, so My grace cleanses your hearts of any iniquity making it possible to live more perfectly in Holy Love. I desire, dear children, that you let My message of Holy Love be a beacon of light to you and a light that you spread amongst all those whom you know. Dear children, tonight I am blessing you with My Blessing of Motherly Love."

---

**NOVEMBER 8, 1996**

Our Lady comes in gray. She says: "My daughter, I am prepared to share with you some knowledge of the images that have been captured on photographs. Keep in mind, however, that this is what photographs are -- images captured on film. Different images have different meaning to each individual. Therefore, each picture should be surrendered to prayer before conclusions are drawn."

"First, let Me begin with the cloud seen hovering over the prayer center on certain nights of prayer. This is a sign of God's presence and protection over you. The Jews in the desert had such an escort."

"The color purple stands for Jesus' Passion. Red is for martyrdom. Green is for hope. The circle is My signature -- whether large or seen as a small Host shape. Padre Pio is your special patron on the property and in this mission, thus his presence in some pictures."

"It is My intent that these simple explanations will help My children. But if they pray, they will know in their hearts the full meaning of each image. Further, their pilgrimage should not be a search for signs but a search for perfection in holiness. Tonight I am blessing you."

---

**NOVEMBER 8, 1996**

"The age of the apocalypse is here. The last days foretold in the Book of Revelations and predicted by the prophet Daniel. I have come to promise you a New Era of Peace. But peace cannot reign in the world until all hearts turn to love. Any choice against God and neighbor is testing God's patience and calling His justice down from Heaven. I come, My dear children, to reconcile your hearts to God through love -- Holy Love. Make it known."

**NOVEMBER 12, 1996**  
**MONTHLY MESSAGE TO ALL NATIONS**

The following message was given in three parts due to its length.

Our Lady is here as Our Lady of Guadalupe. Her Heart is exposed. She says: "I come in praise of Jesus, My Son. Please thank My children for coming here today and praying with Me. Let us pray now for all intentions in hearts and for those who pursue the path of holiness." We prayed.

"Today I ask that you continue to pray for those who do not understand My coming to you. These are the ones whose eyes are closed to the signs of My Son's triumphant return. It is as though these complacent ones are watching a sunset but refuse to believe that nighttime follows."

"Today evil is glamorized and righteousness held in contempt. But I come to you to reconcile all nations and peoples through Holy Love -- the only just barometer and scale of justice."

"The docile soul will not find My call arduous. The proud soul will dispute the path, the way, and the call."

"I come to reveal to you these times in which you live -- these apocalyptic times -- the last days before My Son returns. The Spirit of Justice will engulf the world before My Son's coming. You must be ready and with certainty have hearts full of Holy Love and hands full of good deeds. Therefore, you must understand I do not come for your curiosity, but for your welfare. I want you to stand prepared when the angel sounds his trumpet."

"Dear children, do not follow the dictates of the leaders of your country when they oppose God's law. Because these certain people sit in high places does not mean they are above the commandments -- the greatest of which is Holy Love. Pray rather for your leaders that they choose the path of righteousness. Do not compromise your faith because many do. Remain loyal to the Holy Father. God's scorn will fall upon those who choose the popular path instead of the narrow gate."

Jesus is now with Blessed Mother. His Heart is exposed.

"My dear apostles, surrender to Me your hearts that I may enwrap them in Holy Love. Thus, I will present them to the Heart of My Divine Son and the Victory of Our United Hearts will begin in you. Today we extend to you the Blessing of Our United Hearts."

---

**NOVEMBER 14, 1996**  
**Weekly Rosary Service**

(Many people saw the image of Padre Pio superimposed over the Missionary Image of Our Lady of Guadalupe. His image remained visible during the recitation of the Rosary and after the service ended. This has become a continuing occurrence at the prayer services. )

Blessed Mother is here in white. She doesn't have a veil on Her head. Her hair is flowing freely. Her arms are extended outward and She says: "All praise be to Jesus, My little angels. Tonight let us pray for the intentions in hearts and for those who do not love."

"Dear children, tonight I invite you to deepen your love, for as your love grows deeper for God and for your fellow man, so too, you lessen your fear of the past and of the future. Within a deeper place in My Heart you receive greater understanding of God's mercy and His grace. Let this be the moment that you choose to love with all your heart. Tonight I am blessing you with My Motherly Blessing."

---

**NOVEMBER 21, 1996**  
**Weekly Rosary Service**

Our Lady is here as Our Lady of Guadalupe. Her hands are folded over Her chest. She says: "Dear children, pray with Me for the conversion of all nations."

Dear children, come to realize that each time I speak to you, I am speaking to each person on earth. If you pray, you will be given understanding as to what I am saying to you. Then your heart will be changed and you will be living in Holy Love. Dear children, tonight I am blessing you with My Blessing of Holy Love."

---

**NOVEMBER 22, 1996**

Our Lady comes in bluish gray and white. In place of Her Heart is the United Hearts. She says: "Today I come asking you to understand that the Hearts of Jesus and Mary beat as one. This is possible because of the Holy Love that is My Heart. Thus will mankind be reconciled to God and the heart of humanity beat as one with God."

"In Our United Hearts are the secrets of life and death, of the cosmos, and time eternal. The more the soul embraces Holy Love, the more all of nature is one with God's Will. Thus will My Son's triumph be in hearts -- then the world. I am blessing you."

---

**NOVEMBER 28, 1996**  
**Thanksgiving Day**

Our Lady comes in gray and a cream color. She says: "My dear angel, today I come to give the world a greater understanding of the United Hearts of Jesus and Mary -- all in praise of Jesus. Today, the embrace of My Heart reaches out to the world, hoping to unite humanity to the United Hearts. Our United Hearts present to the world perfect reconciliation with God. This union can only be achieved in hearts that love."

"When you love, your heart is transformed by grace. The more perfectly you love, the more perfectly you are transformed and united to Our Hearts. When you love with Holy Love, you are kneeling beside My Son's crib on Christmas morn. Holy Love takes you to Mt. Tabor where your soul is transfigured by the light of My grace. A heart full of love shares in the passion and stands with Me at the foot of the Cross. Holy Love resurrects the soul with grace and fills it with the Holy Spirit."

"I call mankind to choose to love; to choose to be reconciled with God; to choose to be united in Our United Hearts. Do not look for solutions to your problems in intellect but in grace that comes to you through love. I am blessing you."

---

**NOVEMBER 29, 1996**

Our Lady's here as Our Lady of Guadalupe. She says: "Tonight I have come with special news. My coming to you on My feast day of December 12th will be a telling sign of prodigies yet to come and of the urgency of My message to all nations through you, My daughter. Many of the things I have foretold to you have taken place within the Church and world itself. But the year to come will hold special tribulations, most especially for those outside of Holy Love. While these hardships unfold, My grace will support you. My mantle is around My consecrated ones. Cling to and propagate the devotion to Our United Hearts. I am blessing you."

---

**NOVEMBER 30, 1996**  
**Padre Pio**

"Your mission is to prepare the world for Our Lord's Second Coming through Holy Love. You can only do this if you stop worrying about opposition -- who believes or disbelieves. Just put the message out there. Some may just listen and go their way. But you will plant a seed of conviction. Then when they are made to see the state of their soul, they will remember."

**NOVEMBER 30, 1996**  
**JESUS**

"The poor are the ones who have not heard the message of Holy Love. Enrich them."

"The hungry are those starving for righteousness. Feed them with Holy Love."

"The prisoners are those held captive by sin. Free them with the message of Holy Love."

"The naked are those unclothed in Holy Love. Wrap them in My Mother's mantle of protection of Holy Love."

"Give Me the lonely, the hungry, the naked. I desire to fill them, embrace them, clothe them. Herein lies My call to you."

---

**NOVEMBER 30, 1996**

Our Lady comes in pale gray and white. She says: My child, I come to you because you have come to Me. I invite you to understand that the coming liturgical year will bring many changes both in hearts and in the world. Evil will preside over many hearts and events -- even more so than today. The greatest errors and tribulations will begin to unfold."

"So that you will recognize these evils which are now formulating in hearts, I will reveal to you now the foretaste of their coming. Satan is attempting to take over the airways and every form of modern communications. His power will be felt in consumerism, shallow economies, and false teachings. Once again, he will masquerade as good. He has many subversive schemes to weaken faith and counter My plans on earth. He seeks the demise of every soul and the destruction of your peace."

"Recall these, my words to you as this liturgical year unfolds. Rely on My grace and pray much. I seek your assistance in destroying My adversary -- the red dragon. If you pray, you will not be fooled by his disguises. I am blessing you."

---

### December 1, 1996

Our Lady is here as Our Lady of Lourdes. "The time has come when significant changes are coming quickly into the world. Accompanied by every increased trial will be my increased and abundant grace. I am calling souls from darkness as never before and with significant urgency."

"On the 12th of this month I am preparing a special treasure. It is not for all, but for many. It will be profound and intense."

---

### December 2, 1996

Our Lady came and gave us the following prayer.

**"Heavenly Father, I surrender unto you this day my will and my heart. In return I ask Your favor upon all my actions in thought, word and deed. Hold me deeply in Your bosom of Divine Will that I may not displease You in any way. Render unto me Your Mercy in my every need. Amen."**

Our Lady said: "Recite this prayer from your heart and your petition will be granted."

---

### December 5, 1996 Weekly Rosary Service

Our Lady is here as Our Lady of Grace. Her heart is exposed. She says: "I come in praise of Jesus, My Son. Let us pray now for all those who will attempt to come here on the 12th. Dear children, as this liturgical year unfolds, I desire that you surrender to Me your effort at holiness. It is only through the grace of My heart you can attain any good. Therefore surrender to Me all your needs, all your desires and goals. I will petition the Heart of My Beloved Son, and He will render unto you according to God's Will your every need. Tonight I am blessing you with My Blessing of Holy Love."

*(Many people saw the image of Padre Pio superimposed over the Missionary Image of Our Lady of Guadalupe. His image remained visible during the recitation of the Rosary and after the service ended. His picture is seen in many photographs taken of the Missionary Image at the property.)*

---

### December 9, 1996 Bread of Holy Love Movement

Our Lady comes in shimmering white with many white roses around Her. She says: "Good day to you. Peace be with you. Praise be Jesus."

"Today I come as the Lord of Lords has sent Me. I come to reveal to you My message and plan with which I pray to reconcile God and all men. I want to give

to you the bread of Holy Love. This is a united effort to reconcile all nations -- all hearts -- to God. It is an army of souls who will unite in sacrifice to bring about the conversion of the world. The graces given to souls is the leaven of the bread. The bread itself is the message of Holy Love which, by merit of this united effort, will feed a world starving for holiness."

"The Bread of Holy Love is a powerful weapon in My hand, one which will smite evil and bring change to hearts. Through the prayers and sacrifices of this army, I will be able to touch millions. I call this army "bread" for the world is starving for this message."

"But I do not ask My children to participate in this effort without reward. Let them have their names recorded in a ledger. Each month on the 12th, Jesus and I will send them the Blessing of Our United Hearts. The record of names will be kept in the apparition room all month. All I ask in return is their prayers and sacrifices. If we are united in this effort, much progress will be made and hearts will surrender to the grace of the present moment."

"This year will be unprecedented in grace and sorrow. Many and most remain unprepared and uninformed. But, through the Bread of Holy Love Movement, I am inviting My consecrated children to stand between unchanging hearts and God, drawing hearts towards reconciliation."

"During this season of giving and receiving, this is a mutual gift that I am giving to you and you are giving to Me. I extend to you My Blessing of Holy Love."

---

**December 12, 1996**

**Monthly Message to All Nations**

The following message was given in three parts.

I returned to adoration and Our Lady was waiting for me. She bowed Her head when I came in. She said, "I am glad you have returned."

"I desire you make this message known to all nations on the 12th of the month."

"It is impossible for God to reveal Himself to the proud heart. Therefore, before much of humanity can be reconciled to their Creator, they will be made humble through global warnings, tribulations, and unprecedented occurrences which will make them turn to God for help. Those already converted and consecrated to Me will be under My mantle of protection. The action of grace during these times will bring many to conversion."

"The evil in certain hearts will spread as a contagious disease, leading certain others off track and fooling the universe."

"The greatest threat to the world is mankind's inability to acknowledge God and to understand His omnipotence. Thus he calls God's justice upon himself."

"I come as the herald of My Son's return. Each soul must take heed of what Jesus sends Me to say before time as you know it runs out."

Our Lady comes as Our Lady of Guadalupe. She says: "I come to give praise to Jesus. I come to you under this sign and title of Guadalupe to bring notice to My call to all nations and peoples to conversion. Only when mankind is reconciled to God will there be true and lasting peace in the world. Then balance will be restored to nature and to the universe. I do not come to bring honor to Myself but to bring souls to My Son."

"My Heart stands as a burning flame of love ready to consume any soul who draws near. But today (She is now crying), too many hold themselves aloof. Out of pride they do not see their sins and do not love. I am extending My grace here today so that more believe and more begin to love."

Blessed Mother is here as Our Lady of Guadalupe. She came with many angels (30-40) that formed a line on both sides of a path of light that She descended upon.

"I come in praise of Jesus. Ask the faithful here to pray with Me for all intentions in hearts."

"Dear children, thank you for answering My call to come here today. I plead for your prayers. Because of your faith I come to you."

"Sadly I tell you that this nation's leaders have chosen to follow a path of darkness. There are many who are being led astray following man's law and opposing God's law."

"Please ask the people to aim their cameras at the Missionary Image [of Our Lady of Guadalupe]."

"Thank you."

"Dear children, I come to you to bring My grace into the world. When My Son returns, He will come not with grace but with His justice. Therefore, I beseech you to follow always My message of Holy Love which is your salvation."

Now Jesus is with Blessed Mother. They extended to us the Blessing of the United Hearts.

---

**December 19, 1996**  
**Weekly Rosary Service**

Our Lady is here as Our Lady of Guadalupe. She says: "All praise be to Jesus, My little children. Thank you for coming to Me tonight. I invite you now to pray with Me for those who have cold hearts." [It was -2 below with the wind chill factor.]

"Dear children, tonight I invite you to know and understand that the Holy Love in your hearts is taking you along the path to Bethlehem. Please be certain that the Holy Love in your hearts is the beginning of My Son's return."

"Tonight I am blessing you with My Motherly Blessing."

---

**December 22, 1996**

Our Lady comes with many sparkling lights around Her. She says: "My angel, praise be to Jesus. Dear daughter, for those who hold much concern in their hearts for certain aspects of the future, I invite them to deeper trust in My grace. Their deep trust comes in deeper love. In all ways I am ready to assist. All worldly concerns, after all, are under God's domain. "

---

**December 23, 1996**

Our Lady comes in white and She is radiant. She has large rays of light coming from Her and little sparkling lights around Her. She says: "Praise be Jesus."

"Today I come to you to ask your prayers for a correction of conscience in all nations. These days it is true that many hold themselves blameless where they are in sin. The healthy conscience does not accuse falsely, but neither will such a conscience be persuaded to false innocence. My coming to you with the Holy Love message is a call to all sinners to reexamine the path of their lives according to Holy Love. I tell you, nations that refuse My call and will not repeal ungodly laws, such as abortion, continue to move the world towards chastisement. What is coming can still be mitigated, but only if abortion is eliminated from the world."

"Mankind expects much but wants to give little back to God. When he should be prostrate asking forgiveness, he is petitioning for favors. In your country many are coming to see My Image on a window. I want to imprint on hearts My message of Holy Love. You will find soon in your midst My favor and grace towards this end."

\*NOTE: In December of 1996, a 2-story image of Our Lady of Guadalupe was discovered on the window of a bank building in Clearwater, Florida, USA.

---

**December 25, 1996**  
**Christmas Day**

Our Lady comes in white. She is holding the Infant Jesus. She says: "Praise be Jesus, alive in the tabernacles of the world."

Jesus raises His little hand and blesses me and the person next to me.

"My daughter, I come to commemorate with you My Son's birth. As you ponder Him, please know that humility is the basis of Holy Love. So many find it too difficult to absorb My message of Holy Love because they are full of pride."

"Soon, time in the world will mark the beginning of a new year. In Heaven, where time does not exist, the sin in hearts and in the world grows old. Too many hearts are unrepentant for they know not love."

"My message of Holy Love to all souls is the only hope the world has and the only way around certain judgment. Many can pray and sacrifice, but all of this must come from hearts full of Holy Love."

"For this reason, you will travel near and far proclaiming My message."

Now the Infant Jesus is speaking. "Make your present moment a prayer by giving it to Me. You will see a great multitude come and go at the shrine. The grace I am giving will touch many and many will touch it. It is for the conversion of the world. The unrepentant will convert. Come to Our United Hearts in preparation of this."

All of a sudden both Jesus and Mary are in gray.

Our Lady says: "Certain hearts will be laid bare. An evil will be exposed, but for some it will be too late. The world must come to His Mercy."

"Believe in Me as I believe in you."

She and Jesus leave.

---

**December 26, 1996**  
**Weekly Rosary Service**

Our Lady is here in white with a blue and gold mantle. "Praise be Jesus. My little children, let us pray for the unrepentant."

"Dear children, My message to you tonight is as humble and simplistic as My Son's birth in the manger. Seek Jesus with the shepherds from the hillside and

the wise men from the East. Seek Jesus. Let your gift to Him be your heart in the present moment. Seek Jesus. I am blessing you."

---

**December 27, 1996**

Our Lady comes in a purplish gray. She has 2 swords in Her Heart, which I am told in my heart, represent Church and State. She says:

"Child, begin to write as I come in praise of Jesus."

"Today, sadly, those souls consecrated to Me are in their agony, as was Jesus in the garden at Gethsemani. They are misunderstood, persecuted, and ridiculed. Though God is in their hearts, the world is unwilling to listen and accept it. They have set their hearts to pray for the conversion of unbelievers; and for this, the world does not know them. Those not of the spirit do not accept the place the world is in according to God."

"While there are those dedicated to good, there are many in important places both in the church and in governments who are opposed to God."

"Everything, everything must be tested by Holy Love. For what opposes the laws of love, opposes God. You have not experienced the worst trials, nor have you experienced My greatest grace. In your sorrow, God will send angels to comfort you just as My Beloved Son was comforted at Gethsemani. I am always your protection -- giving you words to defend yourselves against any attack. God is your provision. I am blessing you."

---

**December 28, 1996  
ETERNAL FATHER**

"My daughter, in you I want to paint the perfect image of love, so that those who come to you will be convicted by this virtue. Love is the regal virtue -- the crown of glory. No virtue subsists outside of love. Love and mercy are one. So as this is the Age of My Divine Mercy, it is also the Age of Holy Love. These two are not side by side, but united -- just as the Hearts of Jesus and Mary are united. The function of love is to draw the soul into My Mercy. Herein, lies the blueprint for conversion."

---

**December 31, 1996**

Blessed Mother is here in white. There is a gold border around Her mantle and Her Immaculate Heart is exposed. She says: "Praise be Jesus, My little children."

Our Lady gave a personal message, then said: "Dear children, as this year unfolds, I invoke your prayers for all those who are teetering upon apostasy in

their hearts during this coming year, which is most serious and not to be welcomed with revelry but with prayer."

"I invite you to understand that Satan is about to destroy the faith of many. Therefore, you must pray to Me for My protection, as I come to protect the faith in all hearts."

"Some have made gods of their own opinions and will not be swayed from them. For these, continue to pray. For their opinions are not equal to God's commandments or to Church doctrine. Some of these are bound to happen before My Son returns. When He comes, it will be as Just Judge. Tonight I am blessing you with My Blessing of Holy Love."

---

#### **Holy Love Ministries –**

is an ecumenical lay apostolate committed to living and propagating the Holy Love, Divine Love and United Hearts messages. These messages which support the two great commandments-- love God above all else and love your neighbor as yourself--are given by means of private revelation to Heaven's messenger. HLM Servants of Holy Love gather to pray the rosary for world peace, for an end to abortion, and that hearts open to Heaven's messages.
