MISSIONARY SERVANTS OF HOLY LOVE – January 2009

January 5, 2009

Monthly Message to All People and Every Nation

(This message was given in multiple parts.)

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "Today I tell you, the heart of the world has become paganistic, serving the god of self-love and disavowing My Father's Commandments. Some serve this false god through abortion, terrorism, spiritual pride or even spiritual apathy."

"Once again I tell you, the world will not change until every heart changes through conversion in Holy Love. Even great signs are not enough for some to believe, for their spirituality is too much a part of their intellect and not enough a part of their heart."

"All the fortunes of the world will prove to you to be little more than sand running through the hourglass of time. Recognize the great prize of Holy Love as the pearl of untold value for which you give up everything to possess. Holy Love in your heart is the treasure which leads you into eternal happiness. Holy Love is the New Jerusalem."

"Today, in the name of 'good', much evil is accomplished. Whole ideologies embrace terrorism in the name of a god who does not exist. Such false religions claim many souls. When I return, I will rebuke this spirit of deceit, along with this same spirit that promotes abortion, euthanasia, same sex marriage, materialism--all ideologies which promote self-love and lead souls away from love of God and love of neighbor."

"But I come here today for each soul, and so for every soul and all nations. I desire that you know the peace of living in complete trust--trust which can only come into the heart through surrender to Holy Love. Your prosperity and security do not come from any one leader. It flows from Divine Love, Divine Mercy and My Divine Provision, which can only come to you through your trustful surrender to Me. Do not look elsewhere. Do not trust

any other path or leadership. What is not grounded in Holy Love is false and temporary. Change your heart and your lives so that all resemble Holy Love."

"Any leadership that promotes propaganda based on lies against Heaven's efforts here will not be upheld in eternity. While I seek the welfare of souls, they concern themselves with power, control and material gain. You must pray that the truth convicts the most pharisaical heart. I tell you, all that they have tried to destroy will be a thousand times multiplied in Heaven's efforts here."

"I remind you solemnly that Satan will do anything--use anyone, even the most unlikely--to destroy this Mission. Remember, Satan is the father of lies and the accuser. Do not be in league with him by believing anything and everything that you hear about this Mission and the messenger. Once again I tell you, the Mission will succeed where the enemy hopes for our downfall. Those who have laid traps will find themselves defeated by the truth of the Source of All Good and the Creator of Love Itself."

"Trust always in My loving, merciful Provision; one cannot be separated from the other. These three attributes are always together--love, mercy and My Provision."

"Realize each present moment for each individual is as unique in the grace it holds as it is unique in the crosses that it offers. Embrace each present moment with love, for any reluctance to do so is not from Me but from the enemy of your soul."

"In Holy Love, be joyful--always united with one another in the truth. Remember, Holy Love does not tear down, but builds up the Body of Christ--My Body on earth. Once again, I caution you against anyone who discourages any of this. So many have become unwitting instruments of evil. Still others willingly cooperate with Satan's agenda. Beware! I do not speak here to please man but only to accomplish the Will of My Father."

"My brothers and sisters, when you come here on pilgrimage, do not come looking for reasons not to believe; rather, come with an open heart looking for reasons to believe. This pleases Me, and it opens your heart to many graces."

When you pray, pray that love of My Father's Divine Will be placed in the world in its proper sovereignty."

"Today We're blessing you with the Complete Blessing of Our United Hearts."

"I have come so that you will realize that any effort which opposes this Mission of Holy Love is inspired by Satan. There are no gray areas in living out this gospel message. You are either for Me or against Me."

"I cannot speak to you in any fashion which would more clearly define the truth. Seek My victory in your heart by living in Holy Love. When I am victorious in any heart, My victory becomes more evident in the world."

"I tell you solemnly, souls can only be at peace when they are living in the truth. This is why there is so much unrest in the world today. Satan has infiltrated hearts to such a degree that he is not even recognized. False gods have consumed hearts, and pursuit of these goals has separated hearts, one from the other and from Me."

"I call souls to take up their rest in My Divine, Sacred Heart. Make this the goal of every present moment, for it is My Father's Will for you. If you have accepted Holy and Divine Love completely, the rest is easy. With your free will choose to live in My Heart seeking always My Good, not your own. Then and only then, Satan will be unable to toss you about like a leaf in the wind. You will be secure on the path of righteousness and truth."

St. Thomas Aquinas says: "Praise be to Jesus."

"The Lord has sent me to draw attention to these facts. Holy Love, Divine Love and Truth are synonymous in God's Eyes. To simplify, I will show you this." [He holds up what looks like parchment.]

"Holy Love, Divine Love and Truth are:"

"God's Will; therefore, Love, Mercy and Divine Provision.

Unchanging

Eternal

Omnipotent

Salvation; therefore, the Gateway to Heaven.

The embrace of every virtue and all the commandments.

**The foundation of personal holiness; therefore the doorway to perfection.
Eternal and earthly peace.**

"Every aspect of human existence needs to be united in these Holy Truths." [He is now speaking but the parchment is gone.]

"God's Justice will be measured according to man's willingness to live according to Holy Truth in Love, Mercy and in cooperation with God's Provision."

"Unity cannot come outside of God's Will. Therefore, pay attention to what I have imparted to you today. Every present moment holds precious graces--enough to restore the course of human events in Holy Truth and to redirect souls in righteousness."

"I am your Jesus, born Incarnate."

"I have come to remind you that Satan, who is lack of peace, holds no sway over the soul who trusts in Me and in My Divine Provision. Such a soul cannot and will not be rattled by Satan's suggestions of what may occur in the future. The soul that trusts in Me knows in his heart I have a plan far greater than any trap or snare of evil."

"Trust requires a great degree of love and humility. Many problems in the world today could be overcome if souls trusted less in themselves through pride, and more in Me in humility and for love of Me."

"Trust always is committed to the truth of God's Eternal Divine Will. My Father's Will always seeks the greater good, not the quick solution. Therefore, the soul that trusts is always willing to wait on Heaven's timing, knowing full well that the human condition is passing."

"Through the Complete Blessing of Our United Hearts, trust comes more easily into the heart."

"My brothers and sisters, realize that the path I call you upon, now and always, is the path of humble, loving trust. Understand it is Satan who tries to pull you from this path into the depths of worry. When these temptations occur, turn to *Mary, Refuge of Holy Love*, and She will help you."

"Tonight I'm blessing you with My Blessing of Divine Love."

"I am your Jesus, born Incarnate."

"I have come to speak to you once again about truth. Truth is all that embodies and supports the Ten Commandments. Therefore, understand that the law of Holy Love, which is the expression and composite of the two great commandments--to love God above all else and neighbor as self--is Holy Truth."

"For the soul to determine if he is living in the truth, he must do some housekeeping in his own heart. This is not unlike cleaning out a refrigerator or sorting through a stack of papers. [He smiles.] You take everything aside and sort through it, evaluating its worth. In the heart of man, everything must be evaluated in the light of Holy Love before it is allowed space within the heart."

"A heart thus 'tidied up' in Holy Love is pleasing in My sight and is an abode of My Father's Divine Will. The 'clutter' of the world is no longer a part of his moment to moment decisions."

"Here, then, is a consecration prayer to the truth that can be recited daily:"

"Dear Jesus, I petition the Heart of Your Eternal Father to wash my poor heart in the cleansing water of His Divine Will. Show me anything in my heart which opposes Holy Truth, and help me to cast it out forever."

"I understand that all truth is based on Holy Love. Only through love and humility can I live in Holy Truth. Through this Truth, which I hope to abide in now, help me to accept any illumination of conscience You choose to send me. Amen."

"Please believe Me when I tell you this is an important prayer for these times. Whole religions, sects and governments are leading people astray with Satan's lies."

"Therefore, spare no effort in making this prayer and message known."

"Today, as a new president steps into power in your country, I long for the universal correction of consciences. When such an illumination takes place, it will be a conviction of all hearts in the truth of Holy Love. I long to cleanse all consciences--indeed the very heart of the world in this truth."

"It is only then souls will see how they have wounded My Sacred Heart. Pray that My Father wills this soon, for more and more are slipping to their perdition."

"Some who visit this site will be granted the grace of such an illumination. But some will not accept even this grace of truth. These are the ones that have accepted compromise--Satan's ploy against Holy Love in the heart. Such compromise of the truth can only be accepted through pride."

"The universal cleansing in the truth of Holy Love must come before My return."

"Today I am in mourning for the many who will die as a result of the new legislation signed by this president yesterday. There is a war being waged in the womb and torture being exacted against the unborn, but few recognize it. The toll this war takes upon individuals and this country cannot be reversed by a new president or a new legislature, for My Justice must be satisfied."

"Repent of evil and allow My Love to fill the void in your hearts. This is the path of your reclamation. When you uphold the rights of the weakest and most vulnerable, I support you. No one who is repentant shall be denied My Mercy. Trust in Me."

"Today I invite you to see how the love of one's reputation embraces many false gods and can become all-consuming. The soul who turns love of reputation into a god surrenders moral dignity to look good in the eyes of others. He may put on false virtue, seeking to appear righteous--even holy. He may embrace love of money, power or control as a means of impressing others. He may become distracted with his own physical appearance, not realizing that I look only at the heart."

"In any case, if love of reputation takes precedence over appealing to Me, the soul has entered into disordered self-love. Put all else behind you then. Appeal to Me and I will give you all you need. Truth will take its proper place in your heart for you will not fear the false opinions of others. My opinion of you will be what matters most."

Monthly Message to All People and Every Nation
(This message was given in multiple parts.)

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "Once again I come to this blessed site to speak to all people and all nations. My words to you are perfection and righteousness, truth and the path of light. Listen with your hearts."

"The world's problems today are not economics, global warming or over- population. The world has one problem which, if corrected, will correct all other problems. This major and destructive problem is what is in hearts. Hearts today do not embrace love of God above all else and love of neighbor as self. **This embrace of Holy Love is the solution the world seeks, but cannot find.** The heart of the world has embraced self-love--a false god--which is insidious in grabbing souls from the light of truth."

"There are those in the world who enthusiastically embrace forms of self-love such as money, power, control and the all-consuming love of reputation. There are still others who worship gods that promote violence, terrorism and the extreme submission of women. Such gods do not exist."

"I appear here to lift the veil of deceit Satan has placed over the heart of the world. Yet even those who consider themselves My Own--even those consecrated to My Mother--oppose Me here. Perhaps they have not searched for the truth. Perhaps they have not opened their hearts through jealousy or the pride of false discernment. I care for their souls. I desire every enemy of Holy Love be saved. I desire to correct every conscience. I desire humility of heart be sought after, for no one can accept correction outside of humility."

"Once again I remind all of humanity that you are not in control of your destiny. The destiny of each individual and of all humanity is in the Divine Will of My Father, which is Holy Love. Accept the supremacy of Holy Love--My Father's Will--over your heart in every present moment. It is only then that you will find peace."

"Constant turmoil is the result of challenging Holy Love. All that mankind seeks solutions for--disease, famine, war, terrorism, financial problems--all of these will remain unresolved so long as mankind battles God's Will within his own heart. All of these problems are symptoms of the lack of Holy Love in hearts."

"It is through mankind's efforts to live in Holy Love in the present moment that God's Will becomes benevolent towards the human condition, but it is always the Divine Will which bestows upon all of humanity the course of human events."

"Solemnly I tell you, if you hold opinions in your heart which are contrary to or oppose Holy Love, then you are in league with Satan. Today I offer you your reclamation. Return to the path of light and truth--the path of salvation and of God's Holy and Divine Will--the path of Holy Love."

"I remind you that when I speak of Holy Love, I refer to the two great commandments of love and this Mission of Holy Love, as well. My commandment to 'love one another as I have loved you,' spells out the way to live in Holy Love. Thus I give you no alternate path to salvation."

"The light of truth illuminates all of Heaven, for in Heaven My Victory is complete. How I long to illuminate all of earth and each heart, as well, with this light of truth, which is Holy Love."

"My brothers and sisters, this way of life I call you to, is that Holy Love in the present moment can be the difference between life and death for some souls. Therefore, I urge you, when you return to your place of origin, do not be afraid to be the living message of Holy Love in your hearts, your lives and in the world around you."

"Today We're extending to you the Complete Blessing of Our United Hearts."

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to help the world to see the value of a virtuous life. Every virtue, if it is sincere, helps to build up the Kingdom of God, both within the heart and in the world. Virtue is not for show; that is, the soul that tries to appear humble, patient or even holy in the eyes of others, is practicing a false virtue."

"If a soul is pressed to practice a virtue, but doing so destroys good works or potentially harms another person, this too is the ill-use of virtue in name only. For instance, a person may be asked to keep a confidence, but in so doing harm comes to someone in some way; or obedience may be asked of someone which destroys good works or the reputation of another. This is false use of a virtue."

"In the virtuous life, Holy Love is the foundation. Self-interest is the enemy. Keep these maxims in your heart, and you will have secure footing upon the path of light and truth."

"I have come to explain to you the ways in which the virtue of obedience becomes an advantageous tool in the hands of some in authority. Indeed, authority is misused when obedience becomes a means of control. Obedience to any authority needs to be encouraged through the virtue of love and practiced, not out of fear of reprisal, but with a heart of love. False obedience is one that is practiced without love in the heart, but only regarding the source of the order given. This type of obedience is empty--void of merit--as is any virtue practiced without love."

"The gavel of much authority comes down in the name of obedience, often stifling the spirit and attempting to squelch many good works. I do not respect such attempts at control. I invite each one, then, to consider the outcome of the practice of obedience in the present moment."

Even if a soul slips into sin, I have already forgiven him--he need only to turn to Me with a repentant heart to complete the circle of forgiveness."

"My Mercy is inexhaustible. I pour grace upon grace into hearts which stubbornly pursue self-love, for these are the ones most in need of My Mercy. I console those who are victims of wickedness. I continually confound the proud and lift up the humble. I strengthen virtue where it is practiced and renew the downtrodden with hope."

Monthly Message to All People and Every Nation
(This message was given in multiple parts.)

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Today I come once again to address all people and all nations. Once again I enjoin you, listen with your hearts. I do not address intellectual pride, but I appeal to you to be meek and humble of heart."

"My brothers and sisters, do not pursue a false unity through a common monetary system or through shared weaponry or knowledge thereof. These types of unity bring false peace into your hearts."

"Each nation will flourish only if they unite, not economically or militarily, but if they find union in Holy Love; then and only then, through love of God and love of neighbor, will all experience genuine and lasting peace."

"Beware of false religions that worship a non-god claiming to promote suicide, murder, terror and the subjugation of women. Such groups are not led by Heaven but by the

powers of the netherworld. The One True God is a God of Love. Be united in love--Holy Love."

"I tell you the nation that summarily jeopardizes the welfare of its most marginalized citizens is the nation that will not survive any type of New World Order, but only fall more and more into disorder. If you will not come to the rescue of the unborn and lovingly, respectfully care for the elderly, then neither will I rescue you or care for you."

"Many nations have fallen prey to the false god of financial gain. Worship of the stock market and economic gain of any sort is demoralizing and the path to degeneration."

"Do not place your trust in investments or bank accounts. Trust in Me. I will not betray you or allow the ones who trust in Me to fall to ruin. Invest in your own personal holiness. I will be your support."

"Satan is leading this country into policies which betray its very foundations. Many other countries are forming unions not based on God and neighbor, but on fear and control. Most government leaders are not open to the truth of where they stand in God's Eyes or to the damage that many of their policies are causing. The abyss between the Heart of My Father and the heart of all humanity widens."

"At the root of all earth's woes today is a disordered self-love. This inordinate self-love has become a god of its own--consuming governments, economy, church leadership, despoiling well-intended projects and misdirecting good towards the evil of selfish gain. Laws are being legislated to protect evil and consciences are forming around Satan's lies. My little ones who speak the truth are being mocked and belittled for their righteousness."

"But in all of this, My Heart is the constant of all who believe. Do not fear. I am with you and I am helping you support your cross."

"My brothers and sisters, how grateful I am for every morsel of love that you hold in your heart for My Father's Will. How grateful I am when you enter petitions to My Father's Will and await trustingly for His answer. With gratitude I look upon you as you love Me upon the Cross. Surrender everything and await the Will of My Eternal Father for this is what pleases Me the most."

"I invite you to see that today Satan has established himself in the midst of great and trusted organizations. Realize, then, that it is not enough to say or to believe that a person is trustworthy because he belongs to this group or that group or that he is in authority or governs any established organization. Holy Love* must be the litmus for all people and all established organizations. Holy Love is the truth, and all that opposes Holy Love is Satan's lies."

"If a person or an organization does not live in Holy Love, do not look farther, for trust in such as these is not warranted. Do not be surprised to discover that Satan has infiltrated governments, even the United Nations itself. The Church itself is infiltrated by liberals who confuse tradition."

"If Holy Love is not active within the heart of any group, ideology or nation, confusion and conflict take over. Good is overwhelmed with obstacles and righteousness suffers. That is why you must cling to Our United Hearts and stand behind St. Michael's Shield of Truth. Do not be alarmed by who believes or disbelieves--just continue in faith. Truth is never wrong--Holy Love is never wrong. Take courage in these words."

*** NOTE:** *Jesus is specifically referring to Holy Love as the two great commandments - to love God above all else and neighbor as self - the fulfillment of the Gospel (see **Matthew 22: 34-40**). Jesus is **not** referring solely to the organization of Holy Love Ministries here, but to the fact that **all** people and **all** established organizations (including Holy Love Ministries), must follow the precepts of Holy Love.*

"I invite you to see the great damage that can be accomplished through sins of the tongue. When Holy Love does not govern speech, reputations are jeopardized. This can affect the well-being of governments, vocations, marriages--indeed, every station in life. Each person has a right to his good reputation and respect from his fellow man."

"Reputation, while it is a right, should not become a god, however. This can occur when the soul places too much importance on what others think of him and defends himself, sometimes even to the point of betraying the truth."

"Always defend the truth even if this places your reputation at risk."

"These days, My brothers and sisters, during this Penitential season I desire very much that My Love and Mercy come alive in hearts. Forgive one another with love in your heart. Perform little penances and sacrifices for those who have wounded you throughout your life, and I will bless you and your lives as I am blessing you now with My Blessing of Divine Love."

I see a large Flame. Once again I hear the voice of God the Father. He says: "I Am Who Am -- The Eternal Now."

"How is it, My daughter, that mankind listens to every voice but Mine? Recently, most in your nation reset their clocks so as to be synchronized with one another according to the law. Yet, I give to mankind Ten Commandments that they must follow to reach eternal salvation, and these Commandments are trampled under the feet of self-interest and arrogance."

"A sordid example of what I speak is the new law your president has signed condoning embryonic stem cell research. One of My Commandments is '**Thou shalt not kill!**' My laws do not change with the whim of leadership or to gain popularity. The eternal destination of those who blatantly break My laws will not change either, unless they seek My Mercy with a repentant heart."

"Mankind! Seek to be synchronized with My Divine Will! This is your solution to every problem."

"Because your nation's prosperity was the basis of a feeling of security, and now that the economic system is failing, there is a general sense of insecurity amongst the people. This is the result of the placement of trust in people and material goods rather than trust in God, which is what your nation was founded on."

"I can only tell you where error lies. I cannot correct it. It is through free will that hearts must turn towards the truth of Holy Love. Any compromise of My commandment of love is encouraged by Satan. Certainly, then, you can see the gravity of any taking of life at any stage--conception to natural death. The human embryo is a life and must not be destroyed for scientific research or any other reason."

"Each life that is taken illicitly affects the entire world. Every life is given for a reason. I have in My Heart a particular destiny for every individual. Every present moment that each individual lives is his alone. In each present moment he is given graces to become a saint, to overcome obstacles, to save other souls, to pray and sacrifice for the conversion of the world, to redirect those in error and to earn his own salvation. Every present moment takes him either closer to Me or farther away. No one has the right to rob anyone of an opportunity of any present moment. To do so tempts My Justice."

"In each present moment Holy Love must be the secure vessel which contains every virtue. When Holy Love becomes compromised in any way, virtues are weakened. They begin to slip through the cracks in the vessel of Holy Love. This, of course, is Satan's goal and the way he attacks every soul. When he is successful in compromising Holy Love in the heart, he is successful in causing a breach between My Heart and the heart of the soul under attack."

"Therefore, I invite you to see, in the world, each defect in Holy Love weakens My relationship with humanity. Do not widen the abyss between Heaven and earth, but strengthen the bridge between mankind and his Creator by standing guard over the Holy Love in your heart in every present moment."

Second Friday Rosary Service to Pray for Priests

St. John Vianney is here. He says: "Praise be to Jesus." [A personal message was given to Maureen.]

"My brothers and sisters, please realize, and I tell you this with great sadness, that many priests have betrayed their vocations due to allurements of the world and sin itself. Therefore, it is imperative that you pray for priests daily; sacrifice for them that they will be strengthened in the face of temptation. They must go back to simple lives and not be attracted to things of the world, power, money or control."

Blessed Mother says: "Praise be to Jesus."

"My daughter, time is a state peculiar to this world. It can be a blessing or an obstacle in each present moment. Always, always, if the human heart is confided to Holy Love in the present moment, God uses that moment in time to bring souls closer to Him."

"On the property here, many graces are poured out upon My children from moment to moment. Some receive a conviction of heart--an illumination of conscience--while here. Others will receive this great grace at some future time upon their departure from the prayer site. But to all who come here, I promise the grace to accept this illumination of conscience when it is granted to them. If their hearts will open, if they do not die of fear when they realize their errors, they will accept all of the self-knowledge that is given."

Today Jesus told me after Communion -- "The Ministry is like a flower in the Spring that turns its face towards Heaven and opens in full bloom. The roots of this 'flower' are the Messages themselves. The stem would be the physical face of the Mission in the world--buildings, lakes, land, etc. The leaves are all the miracles. The beautiful bloom itself is all the souls whose lives turn towards God because of this Mission. Each petal is such a soul."

"Today all aspects of the world are becoming more and more polarized--good against evil. It is so in governments, economy, medicine, clothing and entertainment. Satan has succeeded in dulling the conscience of the world so that only the minority realize what is happening all around them. Those who do recognize Satan's handiwork suffer greatly as they realize he is gaining ground, seemingly unchecked and effortlessly."

"I come today to ask you to place every present moment in My Mother's Immaculate Heart. Every victory, great and small, will come through Her Heart which is Holy Love. It is through Her Heart that reconciliation will come. All the problems in the Middle East manifest the heart of Satan. The solution to these problems and the victory over evil is manifested here at this apparition site. This is why those who come here feel Heaven's peace--the peace of My Mother's Heart."

"No present moment can be retrieved. Once it is gone--it is gone forever. Therefore, surrender each present moment to the peace of My Mother's Heart--Holy Love. This is the solution and the victory. If each heart accomplishes this, you will have peace in the world. Truth will be recognized and reign. You will be living in the victory of the New Jerusalem."

"I desire that when people come to Me here at the site or read the Messages away from the site, that they do so with introspection and an openness to understand what pertains to themselves personally. Each time a person comes here or reads the Messages, it is by My Mother's invitation. The one that does not feel an openness to self-knowledge--no matter from pilgrimage here or through reading of the Messages--will not come deeper into My Heart or into Holy Love, the Heart of My Mother."

"These are the bad fruits that Satan tends to sow in hearts that do not believe in Heaven's Mission here. They are pride--the father of all sin and the enemy of Holy Love. Pride carries with it and nurtures any or all of the following: False discernment, which is judging; jealousy, calumny, detraction, unforgiveness, which leads to bitterness, contempt and factions. Do not be amazed that evil forces are united against Heaven's call to personal holiness."

"But My Mission here bears the good fruits of Holy Love--humility, peace, unity, wisdom, truth in thought, word and deed, true discernment and a gentle spirit. Today I call upon those who have fallen into the grip of evil to recognize the path they pursue. Do not oppose Heaven's plans here out of pride. Look with humility into your own heart, for

humility is truth itself. Satan wants you to believe the Mission is wrong so that you do not see the erroneous path you follow. This evil path will not promote perfection in Holy Love in your heart--I do. The evil path gives you a false sense of well-being while pointing your finger at the Mission, the Messages and the messenger."

"Today I have given you the truth. Open your hearts and pray for the humility to accept it."

"Satan is in the hearts of those who lie and cheat towards self-gain. They are investing in their own destruction."

"The world will not find solutions to any problem unless the children of God return to the rules for success that My Father gave them--the Ten Commandments."

"If you are saddened by those who turn against this Mission, think how sad the Eternal Father is by the multitude that has turned on Him."

"Here today I am calling souls into Divine Love--Merciful Love--for it is through My Mercy hearts are given this Mission and the grace to change."

"Today people do not respect littleness of heart. Humility is not a commodity sought after. Yet the smaller and more childlike you become, the more you resemble My Mother's Heart as the Angel Gabriel found Her on this feast day [Annunciation]. Jesus: "I will be speaking **more frequently to all people and all nations** which is an even greater grace. Therefore, we will **not** meet on the 5th of the month anymore. I desire people keep abreast of day to day messages. From time to time My Mother or I will announce special apparitions on certain feast days with enough notice so that people can come--May 5th [Feast of Mary, Refuge of Holy Love] will be such an occasion always."

"Today I am here to speak to you concerning current conditions in the world. **I can no longer confine such messages to the 5th of the month.** Times are critical and at a turning point. The conscience of this country and of the world has become compromised and dulled to reality. Untruths are not challenged."

"Sadly I tell you, that the Constitution of this country is no longer a living foundation of your government. The Constitution no longer has the last word in legalities. It has been reduced to just words on paper. Those who are not living in Holy Love have purposefully taken such actions. The voices of those who realize the evils of those in power cannot be heard above the din of the financial crisis."

"This economic crisis around the world has been staged by Satan's instruments who do not regard the welfare of the people, but seek only power, control and their own well-being."

"Soon you will see the world dominated by a few dictators. **Your country will fall into line of such domination with its own anarchy. It is now beginning.** Solemnly I tell you, the world can only be united through Holy Love--love of God above all else and love of neighbor as self. To be united economically or legally is a false union."

"This is not like any other crisis your country has faced, for it is rocking your nation off of its foundation. By the time most realize what has happened, they will be

unable to regain the freedoms they once had. It is **not** by mishap this Mission is here; it is **not** by accident I have upheld this Mission in the face of controversy. These Messages reflect the path that Satan is pulling the world along. They are a wake-up call to the conscience of the world."

"Why do you fear, O man of earth? For current events do not threaten you if you live in Holy Love--My two great commandments. I have formed of you a holy nation and set you apart from anarchy and rambling political affairs. Of this nation shall arise a fortress of hope. The time has come now to recognize that your citizenship is in Heaven. On earth let your hearts be united as one in Our United Hearts."

"This holy nation has a stable and solid constitution which is the law of Holy Love; this nation has its economy based on My Provision and it will not fail you."

"Therefore, rejoice and do not fear. No revolution can overthrow what I have now set in place, for this holy nation is in hearts. The boundaries of this nation are from horizon to horizon, and from Heaven to earth. It will not fall to ruin but rise up in victory when I return. Patient hope will be your flag; carry it in your hearts. The peace it brings you will identify you in crowds--one to the other."

The holy nation I refer to includes all who live the spirit of the two great commandments of love--to love God above all else and neighbor as self. This, of course, includes Confraternity members, but is not exclusive to the Confraternity. It is all-inclusive to those who follow My commandments of love."

"It is a universal nation consumed by the Fire of Divine Love; therefore, driven by the power of the Holy Spirit, and has as its impetus the salvation of souls. Its power is prayer and sacrifice along with littleness of spirit. There is no political prowess or ambition. Those who live such a life will not feel threatened by events in the world, for their true allegiance is to Heaven."

"I invite all to realize that Satan is manipulating the world economy so as to force nations to unite in a one-world order. He knows that the only way to bring the United States completely under his control is by toppling their economic foundation."

"I further invite you to see that nations who do not place God in the center of their hearts will be the most likely to fail. When man's efforts are trusted more than God's Divine Plan, when the economy comes before God's Will, Satan's plans gain precedence, and the path of failure yawns wide."

"This nation [USA] succeeded in its inception, for God was the center of its inception; this is not so today. I am calling you to return to love of God and neighbor so that I can step in and assist you. Evil plots against your nation are springing up like flowers in springtime. Your nation is no longer united in an effort to remain secure."

"You must pray that your country's leaders take a more active stand against threats aimed at national security. Befriending the enemy is not a choice if the enemy does not desire friendship. Anyone who discourages souls away from Holy Love--the Mission, the Messages--is liable to Me. No one can barter or lie their way out of their last judgment. "Blessed Mother says: "Praise be to Jesus."

"My daughter, the holy priesthood has been the object of Satan's attacks for over a hundred years. While priests have always been his target, the attacks have never been so intense and diversified as in this last century."

"Many are the heretics and apostates amongst the priesthood. Sad to say, their opinions carry much weight in the world, for they are clothed exteriorly in righteousness; but God does not look at exteriors--He looks only at the heart. Having a vocation to the religious life is not your salvation; living in Holy Love is your salvation. Holy Love dictates that you live in the truth."

"Priests such as these--priests who have betrayed their vocations by living lies--have led many astray. Many are the souls that have fallen to their perdition because of liberalism and feminism within the Church."

Holy Thursday - P.M.

Jesus says: "I am your Jesus, born Incarnate."

"I desire the people understand My Love and Mercy more. I do not measure failure; I count successes. I see very lovingly each moment that the soul gives his heart over to Me. I care deeply for such unselfishness that motivates frail human love. That is why I cry out in this age of self-centeredness. Because people place all their trust in human effort, I must step back and allow them to make free will mistakes."

"But I call out from the tabernacles of the world seeking your acknowledgment, if only a fond glance. Do not pander to title, money or love of reputation. Console Me and I will console you. Trust in Me and I will not fail you."

"Fill My Heart with your trust, for It feels empty without it. Together, you and I are all-powerful. Do not doubt it. Oh, if only the heart of the world would come to understand this! Love is the solution to the world's woes. Trust is the fruit of the love you have for Me."

These days dawn on new threats of violence, terror and mass destruction. The heart of the world weighs heavy with insecurity. You will not find peace in false leadership or new economic plans; only truth, which lies in Holy Love, will return the heart of man to genuine peace."

Midnight Service at the United Hearts Field - Feast of Divine Mercy
Heaven Speaks to the Heart of the World
(Specifically the path the world is taking.)
(This message was given in multiple parts over several days.)

Jesus is here as He is in the Divine Mercy Image; there is a huge Flame behind Him. He says: "I am your Jesus, born Incarnate. I come to you tonight from the Will of the Eternal Father Whose Flame of Love you see behind Me."

"My brothers and sisters, I come to you as your Merciful Jesus. Those who love Me understand My Mercy and My Love, which are one. These are the ones that allow My Mercy and My Love to shine through them into the world. These are the ones who understand the call of My Heart to repentance of each soul. I will refuse no one who turns to Me with a repentant heart."

"Today the foundation of a one-world government has been laid through the global economic collapse which Satan has orchestrated. As this unfolds, remember that your free will remains intact. No one can dictate the affections of your heart. Live always in Holy Love. Remain calm; be at peace. If your heart is steeped in love of God and love of neighbor, you are safe, for I am with you."

"Hope, indeed, springs eternal for those who place their trust in Me. See in all world events the coming of the Kingdom of the Divine Will of My Father. Believe in this Kingdom--the New Jerusalem--which is alive in hearts living in Holy Love."

"Those who have made hatred into a 'religion' will destroy themselves. They cannot succeed, for Truth will be victorious. Holy Love is the Heart of Truth. In truth I tell you, it is now the hour of decision. Take up the weapons of prayer and sacrifice as I call together My army* against evil. My victims of love are the officers in this spiritual army. I tell you, the battle against evil must be won in hearts before it is won in the world."

"During these decisive and difficult times, it is important to realize that conflict and wars arise in hearts because of conflict with the Commandments of Love. God desires all of creation to be in harmony with His Divine Will. This is why He has created this apparition site and this Mission. The more that people accept and surrender to Holy Love, the greater the graces poured out here. Therefore, with hearts that emulate Divine Mercy and Divine Love, make the messages known."

"My Mercy will never be depleted, but the dawn of My Divine Justice is at hand. Satan seeks to destroy all that is good and loving, using people and nature to accomplish his goals. Depend on Divine Mercy and Divine Love to see you through the worst of times. From My Love and My Mercy flows My Provision."

"I invite you to realize that when the Holy Love in your heart is compromised, every virtue begins to erode. It is as if the roots of a great tree were Holy Love. The trunk

would be humility; the blossoms on this great tree are the different virtues. The roots and the trunk (love and humility) must remain healthy for the whole tree to be healthy. In the spiritual life, Holy Love and Holy Humility feed and support all the other virtues. Therefore, if Holy Love erodes, faith and hope are weakened. If humility is compromised, the rest of the tree of virtues begins to wither."

"Within each soul is this mystical tree of virtue; it gives life or else it withers and dies. In society this tree of virtue is necessary towards world peace. If it is ignored and not watered with Holy Trust, the world around the tree suffers. This is what leads to lack of peace in hearts."

"You may wonder at My depiction of personal holiness as this tree of virtue. But I invite you to see that each soul's journey or growth in holiness affects the heart of the world, for the heart of the world is a composite of the hearts of all its citizenry. The tree of virtue in the heart of the world is drying up from lack of care. In its place is the tree of antipathy towards God and His Commandments. The roots of this tree are hatred; the trunk is arrogant pride; the blossoms are not blooms but rather spoiled fruit--each one opposing virtue. This tree is beginning to thrive, nourished by man's over-indulgent trust in himself--through self-love."

"With a compassionate heart for the spiritual crisis in the heart of the world, realize that the tree of virtue stretches heavenward towards perfection in God's Will. On the other hand, the tree of antipathy towards God suffers from neglect and lack of care and takes on a countenance of death. Unless the gardener notices this poor tree, it will face a grim future."

"This is why I have come here--to draw attention to the state of the heart of the world. My plea is urgent. Nourish your hearts with the food of virtue. Do not be motivated by self-love, but by love of God and neighbor. This is what will redirect the future of the world. Otherwise, all that is good in the world will wither and die. With a Merciful Heart, I tell you these things."

"In My Mercy and My Love, I come to tell you that the threats against democracy are very real. Even within the borders of your country, certain ones bear arms of hatred and evil against good. New challenges against world peace are very dominant in hearts. Come to realize that your prayers and sacrifices are all that stands in the way of Satan's destructive plans. Your efforts towards personal holiness must proliferate as a strong crop in a fertile field. Do not hide the light of Holy Love that is in your heart for any reason. Let it blaze forward illuminating the darkest soul. Bring souls to My Love and My Mercy. You can secure the borders of your country, but if the boundaries of your heart are not secure in Holy Love, Satan will enter like a thief in the night."

"This is what has happened in governments near and far. This is how Satan has infiltrated the United Nations, the ranks of Church leaders and the liberal policies concerning marriage and life. The ones whom you should be able to turn to for help

have been rendered helpless by Satan's compromise. You must use My Commandments of Love--Holy Love--both as the weapon and the solution."

"Realize that I must tell you these things in truth, for these times are evil and Satan's lies are unrelenting. You cannot trust people because of their esteemed title in the world or even in the Church. This current Pope lives in truth and is a staunch supporter of the Tradition of Faith. Sadly, there are many of title under him who do not do so. You can see readily how faith has been attacked in the numbers of Catholics who do not support life at conception, do not believe in Purgatory, and sadly some do not even believe Satan exists. Heaven's interventions, such as the one here, are most often scandalized and then condemned by the very ones who need guidance the most. But Satan will not prevail here. Rejoice in that!"

"My brothers and sisters, tonight I am releasing from Purgatory relatives of those here present who have spent long periods of time, and short periods of time, in the prison of Purgatory for worshipping the false god of reputation. My Mercy and My Love are One with the Will of My Father. I desire to spread My Mercy across the face of the earth together with My Love. You must help Me with your prayers and your sacrifices, for this is a desperate hour. I love you, My brothers and sisters, and will not abandon you."

"Tonight I'm blessing you with My Blessing of Divine Love."

Divine Mercy Sunday - 3:00 p.m. Service

Jesus is here as He is in the Divine Mercy Image, and He has many angels all around Him. He says: "I am your Jesus, born Incarnate, your Provision, your Protection, your Mercy and your Love. Every horizon and every new beginning is My Divine Mercy upon you. Therefore, fear nothing."

"Today, as you celebrate the gift of My Divine Mercy, I ask you to realize that My Mercy comes to you from My Eternal Father. It is through His Will that My Mercy came into being. It is through My Father's Will that I ask you to surrender all to Divine Mercy."

"Allow Divine Mercy and Divine Love to unite in your soul. It is in this way I will be united with you. It is in this way you will be united with My Father's Divine Will. It is in this way we will begin a new life together."

"My brothers and sisters, do not let Satan, the accuser, torment you over sins from the past which I have already forgiven. He keeps many souls in torment this way, and consequently the graces in the present moment are lost to them forever. Rather, realize that once I forgive, I also forget. Such is the depth of My Divine Mercy. I ask you to

imitate My Mercy and forgive yourselves, as well. Guilt is unforgiveness of self; it stems from pride. Guilt makes your soul unbecoming; it is a tool of Satan."

"The path before you is always paved with Divine Love--so long as you embrace Holy Love and I am walking with you. My brothers and sisters, I forgive you and I love you."

"I'm blessing you with My Blessing of Divine Love."

"My daughter, I will return to speak publicly after midnight dawning on the feast of My Immaculate Heart. At that time, Jesus graciously grants that those whom are detained in Purgatory, but who were devoted to His Sacred Heart and My Own Immaculate Heart, will be given passage to Heaven."

Maureen: I asked Her if their relatives had to be present.

Blessed Mother: "At this apparition 'no', unless their relatives desire to come here to celebrate with them."

"I have come to help you see that all virtue is based on Holy Love and practiced through humility. Therefore, understand that the depth of Holy Love and Holy Humility determines the depth of every virtue in the soul. A soul cannot forgive, therefore, unless he first has love and humility in his heart. The perfection of the love and humility in the heart determines the perfection of every virtue."

"Just as I told you that love and mercy are inseparable, I tell you today, that forgiveness cannot arise in a heart that does not love. This is also true of nations. If Holy Love is not first in the heart of the nation, such a nation cannot sincerely reconcile and forgive his neighbor."

Feast of Mary, Refuge of Holy Love - 12th Anniversary
(Message was given in multiple parts over several days.)

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother is Mary, Refuge of Holy Love. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Blessed Mother: "Dear children--apostles of My Heart--My Beloved Son sends Me once again seeking your reconciliation with the Will of God the Father. This cannot be accomplished outside of Holy Love. Therefore, once again I call all people and all nations into the Refuge of My Heart, which is Holy Love."

"Never allow Satan to discourage you in your prayer life. These days I have come to tell you that your prayers withhold the Arm of Justice. Even if a prayer is offered in the midst of great distraction, it is not lost; for I send angels to collect the fragments of such prayers. The angels carry the fragmented prayers to Me, which I mend and make whole--even beautiful in the Eyes of God."

"I desire to be close to you during these troubling times. Realize that it is the Holy Love in your hearts which binds us together. Satan is ever-present and tries to pull us apart by weakening this bond through lack of trust in God's Will and unforgiveness towards one another." *

"I, your Mother, tell you to remain simple and childlike. Know that this alone confuses the enemy, for he cannot understand such a heart. When you pick up your rosaries, it is as though you are holding My Hand and I am guiding you through the Mysteries and along the path of Holy Love. I am always with you in prayer, especially the rosary. I will not abandon you."

"Threats against basic freedoms are all around you. Indeed, your country in the name of 'liberty' is surrendering its freedom. Only Satan could turn the truth inside out in such a way. Pandering to the enemies of freedom may cost your president dearly. Evil that is in hearts will not change by paying it respect. It is naive to believe so."

"With a Mother's Heart, I plead for the conversion of sinners. My Son is most grievously offended by the indifference of so many towards the state of their souls. God's commandments are trampled underfoot by self-love. You have yet to experience the full wrath of God's Justice. Do not live as though it will never come. I tell you, angels tremble at the thought of that day. Do not support leadership which ignores God's laws in favor of pleasing man's whims."

"Today there is much concern for the spread of the flu virus. People fear for their lives, as it seems to spread worldwide. Close attention is given to this insidious pandemic. But I tell you, of far greater concern should be the epidemic of evil, which has gripped the heart of the world. This epidemic contaminates souls and robs many of their salvation. Thousands slip to their perdition through this contagion of compromise, deceit and inordinate self-love. The failure of mankind to even recognize evil at work is Satan's greatest weapon. He is free to do whatever he chooses from conception in the womb to invasion of childhood innocence to compromise of the faith, and even to challenging natural death. As long as evil is unacknowledged, it runs rampant."

"Dear little children, please understand that the grace of each present moment is a cooperation between the choices of free will and God's Divine Will. The greatest graces come into the present moment when the soul trusts and chooses to live in Holy Love; for instance, I cannot save the world from disaster by My efforts alone. I can only act in accord with the Father's Will and the efforts of mankind to live in righteousness. This is why I tell you, it is most important for each soul to discover the path of Holy Love and live in harmony with the Divine Will. Then the Father allows Me to spread My Mantle of Protection over you."

"Today as we celebrate My title '*Refuge of Holy Love*', I invite you to reflect back upon the ways in which Heaven has tried to intervene here. I came at first seeking the title '*Protectress of the Faith*'. This title could have saved the Church in America from so much heresy and liberalism, but it was judged 'unnecessary'. Jesus asked for the construction of the *Church of Atonement*--a mystical concept--made up of victim souls who sacrifice for the welfare of the Universal Church. These messages were not regarded in the light of truth either. The *Revelation of the United Hearts* was next followed closely by the *Chambers of the United Hearts*. This, too, had been held up to suspicion."

"It is necessary that you realize that such judgments levied against Heaven's helping hand do not support the truth, no matter the lofty position of those who decide to levy their judgments. Do not be tricked by Satan but begin to see that he seeks the destruction of the Church, the world and every soul."

"In the world you witness people wearing masks as protection from the flu virus; but, My children, the flu is just a physical threat. How much greater is the threat of evil which jeopardizes your eternal salvation. This threat, too, is invisible. I, your Mother, have come many times to warn you that evil is all around you. I give you the cure, which is Holy Love, and I offer you the protection, which is the Refuge of Holy Love--My

Immaculate Heart. I ask you, My children to be more concerned with exposure to evil than any physical disease, for evil is a disease of the soul."

"All that is rising to a head in the world dictates the need for Holy Love--as a guide towards purification and personal holiness--as a fortress and protection in spiritual warfare, and as a sign that mankind has not been abandoned by Heaven. Those who seek to find reasons not to believe have chosen to oppose these truths. But, My children, if Heaven did not see the urgent necessity of My title '*Refuge of Holy Love*', I would not be here in your midst offering My Maternal care."

"Today I reveal to you for the first time, that the Flames above the heads of the apostles on Pentecost were sparks of love from My Heart of Holy Love. It is through these Flames that the apostles were able to proclaim the good news with Holy Boldness. So today I invite you to spread the good news of the Gospel message of Holy Love with the same Holy Boldness."

"We're extending to you today the Complete Blessing of Our United Hearts."

* *Unforgiveness includes unforgiveness of self.*

Note: Please refer to the two messages from St. Thomas Aquinas on May 9th in which he gives an explanation of the Tongues of Fire above the apostles that were a Spark from Blessed Mother's Heart.

"When I look at those in the spotlight today, both in Church and world politics, I see some good and worthy--others as mere puppets. But the wise should be able to tell the difference; for the puppets act and speak only as the puppeteer directs. It is evil that pulls the strings and speaks through so many leaders. You must understand Satan is using his puppets to control the world population."

"I have been watching with joy as you watch the basketball games. You are lighthearted as your team is so good [Cavaliers]. I wish to compare this sport to the spiritual life."

"In basketball one goal is never enough--never too much. In the spiritual life the same holds true. You may meet the challenge of patience; just then, another test presents

itself. You may be tested in spiritual pride. In basketball the opponent does not weary. The same is true in the spiritual realm."

"Here is the big difference. In sports the opponent is obvious--even visible. In the world, Satan--your opponent--hides. He may even present himself as good. In any sport, it is wise to study your opponent to know him and how he attacks. How much more important is it to know Satan--how he presents himself, and how he attacks. Only a fool would enter an athletic competition without any skills."

"In the spiritual realm, you must strengthen yourselves with prayer and sacrifices; then your skills in facing your opponent--Satan--become perfected."

Second Friday Rosary Service to Pray for Priests

St. John Vianney and St. Joseph are here. They both say: "Praise be to Jesus."

St. John Vianney says: "My brothers and sisters, today I invite all priests to realize that it is their duty to have a paternal concern for their flock--looking after their spiritual well-being, their emotional needs and their physical needs. So that they can be faithful prayer warriors, priests must lead their flocks deeper into the United Hearts."

St. Thomas Aquinas says: "Praise be to Jesus."

"You are questioning the statement given by Our Lady on the Fifth--the statement being that the Tongues of Fire above the apostles on Pentecost were a Spark from Her Heart--the Flame of Holy Love. To understand this, you must delve into the theology of the Complete Image of the United Hearts."

"There are many aspects to this. First of all, remember the Holy Spirit and Mary were united at Jesus' conception; that is, the Holy Spirit overshadowed Our Lady at the conception. At Pentecost the Eternal Father allowed a small Spark from Mary's Heart to be united once again with the Holy Spirit."

"Also, remember that the Immaculate Heart is God's Holy and Divine Will--so is the Paraclete. So then, in this mystical union in God's Will, They were One at Pentecost."

"In the Image of the United Hearts, the Flame of Holy Love and the Flame of Divine Love are encapsulated in the Light of the Holy Spirit. They cannot be pulled apart--the

union is mystically perfect. Therefore, where the Holy Spirit is acting, Holy and Divine Love are present as well. This is the Divine Will."

"It will take theologians ages to sort this out. Therefore, do not try to resolve it tonight."

May 9, 2009 - 9:30 A.M.

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come once again to speak on the topic I expounded upon last night, mainly the interaction of the Divine Will and the union of the United Hearts pertaining to Pentecost. Don't worry if you can't grasp this information; just write down what I say."

"Paternal Love, which is the Heart of the Father, is united with Divine Love--Jesus' Sacred Heart and Holy Love--the Immaculate Heart of Mary. These are All the Eternal Divine Will. When One is acting, All are. None can act or have essence outside of the Divine Will. Paternal Love gives the Light of the Holy Spirit, which encapsulates Holy and Divine Love. So then, the Tongues of Fire on Pentecost, which were the visible presence of the Light of the Holy Spirit, encapsulated Holy and Divine Love; thus, Our Lady's statement that the Tongues were a Spark from Her Heart."

"A spark is only a small portion of a flame, but enough to ignite other flames. Certainly, Holy Love was a part of the tradition of Holy Boldness in the apostles' hearts after Pentecost."

Second Sunday Service to Pray against Abortion

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "Today, My brothers and sisters, I offer you the Heart of My Mother, your Refuge, your Protectress, your Advocate. Consecrate your lives and your hearts to My Mother Who will embrace you and protect you from every fear. She will give you the grace you need to succeed in living in My Father's Divine Will."

Never again will these graces be repeated in this particular way, in this present moment. Every present moment is as individual as the person that is experiencing it."

Feast of Our Lady of Fatima

Blessed Mother says: "Praise be to Jesus."

"Today Jesus, in His Generous Love, has allowed yet another grace to come into the world through this Mission; for He allows Me to come to you again. Please listen and take heed."

"Dear children, you must realize that the world is in peril, for it does not recognize the path it pursues as evil. This is the purpose of My coming here--of Jesus' apparitions and many of the saints."

"The treasure of your hearts and what you must seek in every present moment is to be ever closer to My Jesus through His Commandments of Love. Today the world embraces violence, terrorism, war and every sort of worldly gain; for the world population does not live in Holy Love, which is one with God's Will."

"The very ones who should support and encourage the prayer efforts here deny that Heaven is intervening to correct hearts. They have chosen, not only to oppose Heaven, but to deceive My children about the messenger, the messages and all the graces given here. Satan is the father of all lies."

"I have given the world a very important weapon here in the Rosary of the Unborn; it stops abortions and saves lives. But a weapon is only strong against the enemy if it is put to use. Those who discredit this rosary are responsible for the millions of lives lost by prayers that are never prayed upon it. I remind you--you cannot sit on the fence in spiritual warfare. If you are not fighting the enemy--in this case the sin of abortion with the Rosary of the Unborn--then you are lending strength to evil."

"Do not be deceived by title or importance in the world; all these things are passing. Take up arms against evil and you will more readily see where Satan lays hidden."

"I am your Refuge in this hour of distress. Jesus deems it so."

NOVENA TO THE UNITED HEARTS
FOR HOLINESS OF PRIESTS

St. John Vianney says: "Praise be to Jesus."

"My little daughter--child of God--I have been sent to dictate to you this novena for all priests. It is given to me at the command of the Eternal Now to be prayed for the strengthening of the Church from within through the intercession of the United Hearts. It will return many priests who are compromising their vocations to the path of righteousness--the path of Holy Love."

"Each day the following prayer should be recited:

<u>Prayer for each day</u>

<i>"I beseech You--Blessed United Hearts of the Most Holy Trinity, together with the Immaculate Heart of Mary--help me in all of my weaknesses and imperfections. Remind me always that my vocation is a gift from you. Assist me in being an image of Divine Love to all those I minister to. Give to me the gift of touching even the most hardened souls. Amen."</i>

Day 1

"Through the intercession of the Immaculate Heart of Mary and the infinite power and grace of the United Hearts, I ask for the grace of desiring to be holy. Strengthen this desire in every present moment so that I can inspire deep personal holiness in those I minister to. Increase my love for you, dear United Hearts. Amen."

Day 2

"Most Holy United Hearts, through the intercession of the Immaculate Heart of Mary, help me to inspire those entrusted to my care with this desire towards personal holiness. Give me Holy Boldness to fill the hearts of my flock with this desire. Help me to inspire them by my own example. Amen."

Day 3

"Most Worthy United Hearts, through the intercession of the Immaculate Heart of Mary, never allow me to forget, that as a priest, it is my duty to make the sacraments available to my flock, for it is the sacraments [especially the Eucharist and Confession] that protect and encourage personal holiness, and which strengthen whole parishes. Knowing this, I must encourage frequent confession, as well as Eucharistic Adoration. I must never limit their availability out of selfish use of my own time. Help me, dear United Hearts, to place others' spiritual welfare ahead of my own ease. Amen."

Day 4

"Most Holy United Hearts, through the intercession of the Immaculate Heart of Mary, as a priest, help me to help my flock to grow in virtue, for the virtues are the building blocks of personal holiness. Help me, dear United Hearts, to educate my flock as to the importance of Holy Love in the present moment, for all virtue is based on Holy Love. Amen."

(On 5/20/09 St. John Vianney gave the following message and prayer for Day 5:)

St. John Vianney says: "Praise be to Jesus. Through the intercession of the Immaculate Heart of Mary and the United Hearts of the Holy Trinity, priests must pray to please God and live in harmony with the Will of God. This is the dictate of Holy Love--Holy Humility. These two virtues are companions; one cannot exist in the soul without the other. The depth of either is dependent upon the depth of the other. Each day priests are tested in these two virtues."

"Let this be the priests' prayer:"

Day 5

"Through the intercession of the Immaculate Heart of Mary, Most Holy United Hearts, let me not fail in any test of Holy Love or Holy Humility. I must realize that the test is the opportunity God gives me to practice every virtue. I pray to accept the graces I am given to succeed in every test. I pray to be able to teach others to do so. Amen."*

Day 6

"Most Holy United Hearts, through the intercession of the Immaculate Heart of Mary, today I pray that any disordered desire to be popular with people be taken from my heart. I will not place love of money ahead of shepherding my flock. I will trust in God's Divine Provision. I pray for courage and Holy Boldness to speak out against all sin, even the sins that have been carried by Satan into the political arena, such as abortion, same sex marriage, euthanasia and embryonic stem cell research. Lord, give to me a righteous tongue. Amen."

Day 7

"Most Worthy United Hearts, through the intercession of the Immaculate Heart of Mary, as a priest, help me always to realize the value of self-effacement and poverty of spirit. Help me never to place myself first--my own needs or my own feelings. My personal holiness depends upon my efforts to place God and others first. Assist me, dear United Hearts, in detaching from the false gods of reputation, material gain and intellectual pride, for these are all doorways that liberalism uses to destroy vocations. I petition you, United Hearts, protect me from these traps. Amen."

Day 8

"Most Holy United Hearts, through the intercession of the Immaculate Heart of Mary, help me always to speak and to teach through the Spirit of Truth. In this age of compromise, I need your assistance in combating all heresy against the Tradition of

Faith. Help me to stand firm in all that the Catechism teaches, and never to alter my views to please others. Amen."

Day 9

"All Worthy, All Loving United Hearts, through the intercession of the Immaculate Heart of Mary, I, your faithful priest, beg your assistance in preparing my flock for the triumphant return of Jesus. I understand that Jesus' Victory will be a Victory of Holy and Divine Love. Assist me in any effort of propagating these messages of Holy and Divine Love, for I see they are scripturally sound and based on truth. I must encourage others to live in Holy Love, for this is the Gateway to the New Jerusalem, and the path of salvation. Safeguard my heart against discouragement. Fill me with Holy Boldness. Amen."

St. John Vianney says: "Praise be to Jesus."

"I have come to help you understand the significance of this novena I just dictated to you. Encapsulated within these words is the directive to becoming a good priest. Such a priest places his own personal holiness and the holiness of his flock first. This is the embrace of Holy Love. The priest cannot do this with sincerity and still enjoy the roles of social director, financial director or embrace liberalism. Everything else becomes secondary, even miniscule, to his own journey in holiness and the holiness of all those in his charge."

"When Jesus looks into the heart of a priest, this is what He searches out. How many priests today live in such simplicity?"

May 22, 2009

St. Catherine of Siena says: "Praise be to Jesus."

"Today I have come to offer advice on the way of perfection through the journey in Holy and Divine Love. The soul must desire perfection with his whole heart; that is, with his free will, he chooses to practice the virtues, and chooses not to embrace any spirit which opposes virtue. These opposing spirits enter the heart through self-love."

"Take, for instance, impatience; the soul becomes impatient when he chooses the 'woe is me' attitude....'look at what is happening to me'. Sometimes it is a good solution to laugh at the roadblocks Satan puts in your way."

"Another trap to take the soul away from perfection is choosing a sensitive spirit. Such a soul is unforgiving, brooding, a pouter and lives in the past allowing Satan to steal the present moment. The soul, please note, chooses these spirits himself. He keeps himself in a constant turmoil trying to get closer to Jesus and wondering why he can't."

"So today, I reveal to you, unless you choose to purge your heart of such spirits, your deeper holiness will always be foiled. You will not be in the light of truth but on the outside trying to be perfected in your own way."

Ecumenical Prayer for Unity Amongst All People

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, do not be remiss in flying to the patronage of these--Our United Hearts."

Maureen: [Jesus has the new Complete Image of the UNITED HEARTS of the BLESSED TRINITY and IMMACULATE MARY in front of Him.]

"For it is through Our United Hearts all graces come, and you will be most ready to accept God's Divine Will for you in every present moment."

"Today I'm blessing you with My Blessing of Divine Love."

St. John Vianney says: "Praise be to Jesus."

"I wish to describe to you an arrogant person. Such a person has an unwarranted exulted opinion of himself. He cannot accuse himself of weaknesses or faults, but believes himself to be always on the right path. Such a one easily falls into judging as opposed to discerning."

"I am telling you these things, for the heart of the world reflects the arrogance that is in hearts today."

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I ask you to pray for those who have been misinformed about this Mission. There are even some who have slipped to their perdition who could have benefitted from these Messages, but they were deceived."

"Pray for perseverance and fortitude in the face of adversity. I am with you, calming the storm."

"Remember, the enemy of Holy Love is Satan himself. He is the one who falsely accuses. It is Satan who opposes prayer in any form. Knowing this, arm yourselves with Holy Love in the present moment, for this in itself is a strong defense, and assures the Divine Presence in your thoughts, words and deeds."

"Thus armed, pray and sacrifice. Heaven will be most attentive, and the shield of St. Michael--the Shield of Truth--will protect you."

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

[Our Lady gave Maureen a personal message.]

Jesus: "My brothers and sisters, every present moment holds many opportunities to practice many virtues. Remember that in the test is the way to be perfected in virtue. If you live in Holy Love in every present moment, you will embrace the virtues that you need to be holy."

"Tonight We're extending to you the Complete Blessing of Our United Hearts."

"Never listen to any form of discouragement in coming to this site of predilection; such discouragement is inspired by evil. Do not be impressed by who comes against the prayer effort here. Be impressed with who is calling you to respond to the graces and the prayer effort attendant to this site--for it is I, your Jesus, who beckons you. Only Satan would discourage prayer during this desperate hour in the world. You should expect this; expect, as well, that he chooses the most unlikely sources as his instruments."

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, once again I come to you pleading that you recognize the need for prayer for the conversion of the world, the conversion of the heart of the Church, for an end to abortion. Once again I tell you that the future of mankind depends on prayer and sacrifice."

"Ask My Mother for the gift of prayer and She will assist you through the grace of Her Heart."

"Tonight I'm blessing you with My Blessing of Divine Love."

Second Friday Rosary Service to Pray for Priests

St. John Vianney is here and says: "Praise be to Jesus."

"My brothers and sisters, as the year of the Priesthood is about to begin under my patronage, I have come to ask that you multiply your prayers for holy priests. Priests can become holier if they perform a self-examination of conscience nightly. Then they will see the importance of the Sacrament of Penance, and they will promote it to their flock. Pray very hard, for priests are very much under attack on all sides."

"Tonight I'm extending to you my Priestly Blessing."

"This is how I prescribe you make the Sign of the Cross. Watch carefully."

[Our Lady, with Her Thumb, traces a cross over Her Forehead, Heart and Her two Shoulders.]

"I am your Jesus, born Incarnate."

"My brothers and sisters, the more you pray, the more I can fill the world with grace; the longer My Justice is put off, the stronger the Remnant Faithful. Let no one discourage you, then, in your prayer efforts. Come often and with great love to My Eucharistic Heart where you and I can resolve the issues confronting the world."

"See in My Heart the resource to overcome evil. Turn to Me and allow Me to strengthen you in truth, and to console you in every trial. Allow Me to be your refuge in the battles you face against evil, for I, too, have been betrayed. You only fail Me if you fail in Holy Love."

Jesus is here in white and He has a white flag that has a gold cross on it. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, do not be separated by opinions but be united in prayer; then you will embrace the Divine Will of My Father and His Divine Will will embrace you."

"Today I'm imparting to you My Blessing of Divine Love."

[Jesus then blesses the priests in the apparition room.]

"My brothers and sisters, tonight I come once again seeking your unity in Divine Love, for this is the path to truth. When your hearts are clothed in truth--the truth of Holy and Divine Love--you will be at peace. There will be no more wars, disease, and the New Jerusalem will be at hand. Clothe your hearts in innocent truth and you will be in the midst of My Father's Will."

"Tonight I'm blessing you with My Blessing of Divine Love."

June 20, 2009
Midnight Service at the United Hearts Field
Feast of the Immaculate Heart of Mary
(This message was given in multiple parts.)

Blessed Mother is here in a brilliant white, and Her Heart is exposed. She says: "Praise be to Jesus."

"Dear little children, tonight I come to you in and through pure love. Trustingly remember that Holy Love and truth are one. Those that live outside of truth are not worthy of your obedience. Do not, therefore, be discouraged. Come to Me here at Heaven's site of predilection and allow Me to tenderly and compassionately tend to your needs."

"My Son, Whose Heart is All Mercy, All Love, never condones the misuse of authority. He sees the motives which lie hidden away in hearts. Jesus would never discourage prayer or the pursuit of personal holiness through the Chambers of Our United Hearts. During these times, you must base your choices on My words to you here tonight. I clothe My words in truth."

"During these perilous times much consideration is given to a 'New World Order'. But, My dear children, this is an agenda of evil; it is a platform for the entrance of the antichrist. I come to you with Heaven's plan for order through universal Holy Love. Until every heart chooses Holy Love, you will not have order and you will not have peace. This is why My efforts amongst you here are ecumenical. I come, not just for a few, but for all. All hearts must choose to love God above all else and neighbor as self. It is Holy Love in hearts that will give the world a new sense of order--a new direction in harmony with the Will of God and true peace."

"Today, in these times, man places his greatest concern on the opinions of those in the world around him rather than the opinion of God. This has brought the sins of calumny, detraction and lies to the forefront, and sows confusion in hearts concerning Heaven's Mission here. You must be children of the light--upholding only the truth; then God will

be your support and your advocate. This is how to trust, for the truth, which is Holy Love, is the foundation of trust."

"Dear children, all around you is the enemy working through jealous hearts to tear down what Heaven is building up. Do not be dismayed at the instruments Satan is able to use in the world, for evil is not bound by position or rank nor title. I asked your patient endurance through every attack. I seek most of all, your trust--trust in the journey into the Divine Will through the Chambers of the United Hearts; trust in My call to conversion in each present moment through the embrace of Holy Love; trust in My continued call to you to come to this site and partake of the graces offered here. If My Mission here were of no importance, it would not be under attack. But Satan recognizes more than most people, the significance of this Mission and the role it will play towards the Victory of My Son's Second Coming."

"Realize that each heart opens into the heart of the world; thus the moment to moment decisions of every soul affects the entire universe."

"Choose your own salvation in the present moment, for this is what determines the salvation of the world. The future of the world does not depend upon weapons of mass destruction, economic solvency, consolidation of power or any plan of man. The future of the world depends upon man's surrender to the Will of God through Holy Love. The simple, fervent prayer of one 'Hail Mary' by one soul may turn the tide away from disaster. Never be discouraged, then, in any prayer effort. Your Heavenly Mother always listens, always protects, always mediates graces unforeseen in each present moment for each soul. Have hope, then, and realize no evil lies hidden from My Maternal glance. You are always safe in My Immaculate Heart."

"Once again I tell you, the more distant the heart of the world becomes from the Will of God, the more insecure it becomes in terms of the threats of war, terrorism, disease and unprecedented natural disasters. It is the hour--the moment--for the Victory of Holy and Divine Love. Do not contribute to the defeat of God's call. Be a part of the Victory."

"As every heart opens on to the heart of the world, so every present moment opens on to eternity. Do not waste any present moment on the perplexities of what is to come or on guilt over the past sins My Son has forgiven. In the present always be in Holy Love and trust in My Son's Mercy and His Provision. This attitude embraces humility and love, and is most pleasing to My Beloved Son."

"In any present moment when confusion surrounds you, return to My words to you this evening. Every reading will profit you new meaning."

"Dear children, how I love you! How I desire to console you, and give you strength in the face of persecution!"

"Tonight, My dear children, celebrate as so many enter Paradise. These are the ones who were devoted to Our Two Hearts in their lifetimes."

"My Son sends Me to thank you for your beautiful and loving prayers, your procession and your heartfelt love. Dear children, My Heart is your Refuge, and I never weary welcoming you into My Arms. You will find peace when you live in Holy Love."

"My dear children, I am blessing you with My Blessing of Holy Love."

"My brothers and sisters, no one who opposes God's Divine Will can abide in My Sacred Heart or in My Mother's Immaculate Heart. God's Holy and Divine Will is Holy Love; do not be tricked into thinking otherwise. Do not be dissuaded from the path that Heaven calls you upon. To live in Holy Love is to live in the Divine Will of My Father. Place these things in your hearts and recall them often."

"I have long awaited coming to you with this study on the truth. Today the truth is the medicine for every malfunction in the world."

Living in Truth

Living in Untruth

- Adherence to Holy Love which is the Divine Will of God.
- Adheres to the truth no matter cost to self.
- Compromise of Holy Love through free will.
- Convolutates the truth to suit own agenda.

- All actions are in the light.
- Works covertly - secretly.
- Realizes that Holy Humility is where he stands in the Eyes of God--a truth that cannot be compromised.
- Does not concern himself with what God thinks of him; is only concerned with pleasing himself.
- Realizes any transgression against Holy Love is a sin.
- Does not try to avoid every sin against Holy Love. Allows free will to distance him from Divine Will.
- Strictly conforms to facts—reality without compromise.
- Does not conform to facts; reality but adjusts reality to suit own purpose.

Blessed Mother says: "Praise be to Jesus."

"Today I come to help each soul realize that faith is not grounded upon great cathedrals or even persons of noted title or rank within the Church. Faith must be anchored upon Holy Love in the heart."

"If it is not, then it is an imitation--a superficial faith. Each one's heart is either genuine or artificial in its affections. God, Who looks only at the heart, judges only according to the Holy Love in the heart or the lack thereof at the moment of death. False virtues, attachments to the world, unforgiveness, all arguments or excuses, do the soul no good in that most important present moment."

"Because faith is according to each individual heart, the soul becomes a battleground--truth against Satan's lies. Turn to Me in your conflicts for I am the Protectress of your Faith. I will defend your faith, as My Son has given the faith of your heart over to Me. Do not entrust this gift of faith to anyone else--to false opinions borne of hatred, to jealous ones whom Heaven has lost influence over--or to those who only seek control and not your welfare."

"Today I tell you, the more centralized your country's government becomes, the easier it is for Satan to step in and take charge. All unity is not always from God. The malefactor unites to seek his own end. Do not be tricked into thinking a One World government is My solution. My solution is unity through Holy Love."

July 3, 2009
Eve of Independence Day - USA - 4th of July

"I am your Jesus, born Incarnate."

"I have come today to help you realize that many 'silent' and not so silent 'revolutions' are taking place in the world today. In your country democracy was silently overthrown. The weapon used was rhetoric. The Constitution and the Bill of Rights no longer carry weight. This has happened because of man's concern for money. Satan has used and continues to use this disordered love to bring the last bastion of democracy to ruin."

"Next, we must look at the moral revolution taking place around the world. The Father's Commandments are not upheld and obeyed. These Commandments cannot even be freely displayed in some places without protest. Homosexuality boldly demands recognition and rights as though governments must support sin. Birth control and the horror of abortion take lives and obstruct My Father's Will for the world. Many worthy leaders have lost their lives in these ways. Forms of nature--seasons, rocks, wind, etc.-- have taken on the form of false deities."

"I must mention the revolution taking place within the Church itself. Liberalism has won over many hearts. The Tradition of Faith is too often considered a stumbling block. There are those who seek women priests and making individual consciences supreme over Church teaching."

"Is it any wonder that this Mission, which is a nail in the coffin of each one of these revolutions, is opposed? My sheep must not lose courage; be steadfast--stalwart. Many battles will strengthen and unite you, but not defeat you."

**July 6, 2009
Public**

St. Thomas Aquinas says: "Praise be to Jesus."

"The Lord has spoken to you about 'silent revolutions'--revolutions that take place insidiously and without outward manifestations until they are well on their way to fulfillment. Each one of these, whether political, moral or within the Church itself, begins in the human heart first. In order for this to take place, there must first be a weakness or flaw in Holy Love; this weakness leads the soul away from truth. When truth is compromised, right reason no longer exists in the soul."

"This is how the soul gives himself over to rebellion--rebellion against the Father's Will and compromise of righteousness. You can readily see this in governments that embrace abortion, euthanasia and violence. You can see it in moral degeneration through every form of media. You can see it in the Church, which in many circles, has fallen under love of power, money and the New Age influence."

"Do not be surprised, then, that these Messages and, indeed the Ministry of Holy Love, is much maligned. Most often those in error do not accept correction well. Understand that what is embraced in hearts must change before these revolutions can be overturned. That is what this Mission and these Messages are about--changing hearts."

"My brothers and sisters, tonight I encourage all families, young and old alike, to follow the way of holiness through the Chambers of the United Hearts. If children would learn this at an early age, their lot would be much easier, and as they mature they would not be so tempted towards rebellion. I confide these things to you for your welfare."

"I am your Jesus, born Incarnate - Son of the Eternal Now."

"Today a great number in the world reject the Father's Divine Will for them, thus redirecting the heart of the world towards destruction. People reject the new life I place in the womb. They reject personal holiness. Many reject the truth of the path of righteousness. Most reject Heaven's intervention through these apparitions at this site."

"Yet I tell you, Heaven does not abandon the needs of all the lambs of the world. Continually, persistently and for all eternity, My Mother's presence remains at this site. Here She nourishes peace of heart; here She opens Her Heart, which is the Gateway to the New Jerusalem. The peace felt here is the Eternal Sign of God's Peace which He desires for all humanity."

"Many who journey here will find their hearts convicted in the truth which is Holy Love. This illumination is My Hand drawing souls closer to Me. It is a great grace this self-knowledge--one to be treasured. Indeed, it is a treasure beyond compare--a pearl of great price."

"My daughter, always seek the vestment of littleness. This is the cloak of humility God desires for you. Those who proclaim judgments against Heaven's designs upon you will, in time, fall to defeat."

"Humility is not in ambition, power or control. Humility does not seek self-recognition or the desire to be 'right'. Littleness desires hiddenness, self-effacement and always embraces truth. Humility is itself the truth of the soul's place before God, not the soul's place before the eyes of man. Earthly reputation is passing and does not follow you into Heaven."

"All that is necessary is Holy Love in the heart, for Holy Love and Holy Humility cannot be separated. To embrace one is to embrace the other. You cannot embrace littleness outside of these two. Self-love remains the enemy of littleness. Remain hidden in the most humble of human hearts--the Immaculate Heart of Mary."

"It is the same peace I felt when I proclaimed the *Magnificat* before My cousin Elizabeth. It is the depth of peace I experienced when My Son entered the world in the stable at Bethlehem. Although I knew many would oppose His Presence, I knew He would triumph, and I was at peace. The peace offered at this site is like the peace I felt when,

at last, Joseph and I found Jesus in the Temple, and He placed His Hand in Mine. The peace given souls here is like the peace I felt when I first saw Jesus on Easter morning."

"Most who journey to this apparition site will experience the sign of this Heavenly peace during their visit here. It is a foretaste of the New Jerusalem. It is the embrace of My Immaculate Heart."

(This message was given in two parts.)

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus. Jesus says: "I am your Jesus, born Incarnate."

Jesus: "I cannot say enough that the way to world peace is through the Commandments of Love--to love God above all else and neighbor as self. This is My Father's Divine Will for you. There can never be true and lasting peace outside of My Father's Divine Will."

"This is why those who oppose this Mission also oppose world peace. Only the spiritually blind miss this truth. To make a pilgrimage to this site is to experience a foretaste of living in a world that is at peace based on the truth of Holy Love. I invite you to taste this peace, which is an eternal sign of Heaven's presence on this property. If you were walking with Me on the road to Emmaus today, I would be telling you all I have just said."

"My Mother and I are blessing hearts here today and religious articles that the people have on them or that they are holding or that are concealed."

"Today, My dear brothers and sisters, as you receive the grace of this Message, bring it alive in your hearts by spreading it wherever you go. This will greatly please the Eternal Father."

Feast - Mary of the Holy Angels

Blessed Mother says: "Praise be to Jesus."

"Today I come to you under the title of **Mary of the Holy Angels**. Angels, dear children, are all around you, but most of all when you do good for others while forgetting self. It is this selfless love that attracts the angels. It is during such moments when you forget self that the angels most easily influence your thoughts, words and actions. Self-centeredness keeps the angels at a distance."

"The choirs of angels are most dominantly present during the Holy Sacrifice of the Mass. Even if an unbeliever or an unrepentant sinner attends a Mass, the angels are still around such a one, trying to influence his conversion. The angels have pulled many from their descent to perdition by directing the words and actions of other people."

"On the property here, the angel that is assigned each soul at Maranatha Spring tries to bring the peace of Holy Love into the soul he is assigned. The angel tries to inspire the Message of Holy Love to come alive in the heart of the soul, no matter his faith, creed or lack thereof. In God's Eyes every soul is precious."

"There is a multitude of angels at this apparition site--each one with a specific duty towards the salvation of souls. There is a special angel assigned to each Station of the Cross and at each statue whose duty is to inspire deeper devotion in the hearts of passersby. There is an angel at the House of Testimonies whose job is to inspire those who read the testimonies. There are many angels around the Prayer Center and some in the book store. Many tend to the new construction; one is at the arbor where I appeared; more are inside the Rectory Complex."

"Many of My angels have been caught on camera--more will be--do not be surprised."

"Once again I tell you, many angels will be with Me at the next midnight apparition. I will send them into the crowd."

"No good comes from such presumption. You who believe you can determine other than My commands call upon My Justice. You who support lawmakers or laws that play god will experience My Justice. I warn you!"

Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight once again I invite you with much love to trust in My Father's Will for you; for His Will is always perfect and always complete, though in the present moment you may not see the extent of His plan or the purpose of the events He has engineered in your life. I tell you, you will never be disappointed upon looking back at each situation."

"So tonight, My brothers and sisters, I impart to you My Blessing of Divine Love."

"I have not sought to establish this Ministry only to be brought to defeat, but rather to build up the Body of Christ within and without the confines of this property."

"Those who come here with open hearts will receive all they need to enter the Chambers of Our United Hearts, and herein to pursue personal holiness. It is the Chambers of Our Holy Hearts which will renew and restore Faith. My Mother's Heart protects the Faith; the Chambers of My Heart enrich the Faith. Do not be surprised that even the least likely people oppose Heaven's efforts here. Such as these are inspired by love of money, power and guided by jealousy."

"I speak at this site to unite and bring peace carried on the wings of truth."

Second Sunday Service to Pray against Abortion

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, always live in the TRUTH which is HOLY LOVE, for this is the path to salvation and personal holiness. Laws which do not support the welfare of all people are not legislated by truthful politicians but those who are listening to Satan's lies. Do not support such laws."

"Remember that Holy Love is the TRUTH and is the Immaculate Heart of My Mother."

"Today I invite you to see that criticism that is held in the heart can be just as divisive and destructive as verbal criticism. Further I tell you, that the soul who freely criticizes his neighbor, whether verbally or in his heart, has fallen from the path of Holy Love."

"Do not be quick to look for everyone else's faults; scrutinize your own journey on the path to personal holiness."

"Today, by way of My Mercy and My Love, I have come to ask all hearts to pray for the gift of right reason. This is reason which rises from Holy Love in the heart. All conclusions drawn outside of right reason or Holy Love are in error and the result of cooperating with Satan's lies. Even the smallest decisions--what to eat, what to wear--need to be based on Holy Love."

"These days and during these times, people place more value on title than truth; that is to say, important titles in governments and religious circles hold more sway over hearts than truth itself. Remember, truth is Holy Love; therefore, truth is based upon right reason. Do not be so influenced by who says what, as you are by what they say."

"This is very consequential when it comes to apparitions and private revelations. Everyone feels they must have an opinion. Very often opinions are based on hearsay--even lies. Be prudent in avoiding the errors of false discernment."

"Pray for the grace of right reason."

James 3: 13-18

"Who is wise and understanding among you? By his good life let him show his works in the meekness of wisdom. But if you have bitter jealousy and selfish ambition in your hearts, do not boast and be false to the truth. This wisdom is not such as comes down from above, but is earthly, unspiritual, devilish. For where jealousy and selfish ambition exist, there will be disorder and every vile practice. But the wisdom from above is first pure, then peaceable, gentle, open to reason, full of mercy and good fruits, without uncertainty or insincerity. And the harvest of righteousness is sown in peace by those who make peace."

"Child, listen carefully. Those who oppose the Mission have not based their opinions upon the truth found in these Messages, but on worldly wisdom. This is a wisdom inspired by greed, love of power, ambition and jealousy. None of these are from God."

"Sanctifying wisdom comes from the Holy Spirit--the Spirit of Truth. It does not seek its own advantage, for it does not proceed from disordered self-love. Therefore, such wisdom is clothed in Holy Love, not self-love."

"Once again, you must realize that Satan and his minions mimic every gift of the Holy Spirit. People must pray for discernment which is based upon right reason. Right reason is always Holy Love."

"Here, then, is a prayer:"

Prayer for Wisdom

***"Most Holy Spirit, flood my heart with only right reason which is based upon Holy Love. In this way, lead me in true wisdom--wisdom which has no selfish motive. Such wisdom flows from and fulfills the Divine Will of God. Use me through such a grace."
"Amen."***

"Those who oppose this Mission must realize that in doing so, they are opposing the conversion of hearts and, so too, the conversion of the world; for this is the mission itself--the conversion of all people and all nations. Such an ecumenical effort cannot be reined in and controlled by any one group; to presume so is devilish."

"Twisting words and speaking falsely against Heaven's efforts here is not of the Holy Spirit--the Spirit of Truth."

"I cannot speak more plainly to those who unlawfully oppose Heaven's Mission here."

Monday St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, once again I come to you, calling you to simplify your lives in your journey towards salvation by living in Holy Love. Live in Holy Love each present moment; that way all thoughts, words and deeds will be focused on Holy Love and on personal sanctification. Your lives will be simplified and cleared of all indecision and confusion."

"I am omnipresent. I know every secret, every desire hidden in hearts. I see all the evil schemes against Truth. I see the abuse of power and authority that rises up in hearts from motives of jealous ambition and control."

"I am here to protect My Mission against the enemy of all Truth. None shall destroy it."

"When anyone defends the Truth, I, the God of Holy and Divine Love, defend them. The glory of their soul mounts up in Heaven and all the Heavenly Court comes to their aid. Take these words to heart as true Missionaries of Holy Love. Every effort to propagate these Messages gains for you greater glory in Heaven. Those who make it their mission to oppose Heaven's Mission here will be judged according to their purpose."

"Once again I tell you, do not be tricked by Satan to think judging is discerning."

"I invite you to see that the Stairway of Virtues which reaches the Chambers of Our United Hearts is enthroned in the Spirit and Light of Truth. As Missionary Servants of Holy Love, your hearts must be consecrated to the Truth. You must be apostles of Truth; every virtue thrives on Truth. If Truth is compromised, you are living in false virtue."

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to describe to you the beauty of living in God's Will. Consider that all the virtues are likened to flowers. The stems, of course, are Holy Love; the vase which contains all the flowers is the Eternal Father's Will."

"Consider the very air that you breathe. In its purest form it sustains life. The Father's Will sustains spiritual life. If the air you breathe becomes polluted, it begins to harm your physical well-being. It is the same with the Father's Divine Will. When the soul rejects God's Will through sin, his spiritual well-being is compromised."

"Or we could liken the Father's Divine Will to the cover of a book. When the cover is opened, the soul can partake of the contents. When the soul is open to the Divine Will, he is privy to all the graces he needs in the present moment."

Feast - Queenship of Mary

Blessed Mother says: "Praise be to Jesus."

"I am Mary, Queen of Heaven and of Earth. I am the Guardian of this Mission and the Protectress of your Faith. Evil cannot succeed where I am welcomed and where I reign."

"Today I have come, only as My Son permits, to request that the Church restore devotion to My Holy Rosary, both in hearts and in the world. Vocations can be encouraged and strengthened through prayerful meditation on the Mysteries of the Holy Rosary. Whole families could be rescued from the ravages of addictions, promiscuity and every sort of sin."

"The rosary is a universal prayer--a universal call to conversion. Many who are not Catholic pray the rosary with more devotion than those who say they are Catholic. Allow your hearts to be won over by this prayer of the rosary."

"The world teeters on the brink of disaster. The Hand of Justice resists its rightful position upon the heart of mankind because of the devoted few who pray the rosary often--and well."

"You will please make these, My words to you, known."

St. Thomas Aquinas says: "Praise be to Jesus."

"I come to speak to you about truth. Truth lives in hearts. It is acted upon in thought, word and deed. It cannot be altered in any way. If it is changed through free will, it is no longer the truth but Satan's lie."

"People profane truth to gain their own advantage over others or over situations. When you shade the truth, you are still cooperating with the father of lies. This is accomplished when you portray people or events in a negative light, which may be only your negative opinion."

"Anything that you try to hide under the cloak of darkness is clothed in untruth. All will be revealed in the light. Deception is not of God; guile is untruth personified."

"Each soul is called to be a child of the Light--the Light of Truth. The Spirit of Truth--the Holy Spirit--calls each soul who makes his way to this prayer site to be illuminated by the Light of Truth. Allow this Light of Truth to illuminate your inner being. To cooperate with Truth is to cooperate with God's Divine Will, for these two are one."

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to you today to continue my teaching on the truth. There is no such thing as a half truth. You cannot 'shade' the truth. Any transgression against the truth is to cooperate with a lying spirit."

"You must not think it is righteous to compromise the truth to save someone's feelings. Truth does not bend to save someone's ego; it is always the truth, and does not change according to human need."

"Say 'yes' when you mean 'yes' and 'no' when you mean 'no' without regard for your own reputation or the reputation of others. Believe that Holy Love and the truth are one and live accordingly."

"Never embellish the truth to make yourself look good in the eyes of others or others to look bad. In Holy Simplicity be truth itself, always working to build up the Kingdom of God. It is a lying spirit that seeks to tear down and destroy another's reputation. It is the spirit of jealousy that resents another's well-being and promotes sins of the tongue."

"Truth must be a shield around the Holy Love in your heart; thus you can accept and benefit from constructive criticism in an effort towards perfection in Holy Love. This is Holy Humility--truth itself. In humility the soul knows where he stands in the Eyes of God."

"I invite all people and all nations to realize that Satan is actively opposing this Mission. He has misrepresented the Mission, the Messages and the messenger to many

influential people in the world, and even in the Vatican itself. His goal is to destroy truth with untruth."

"In this nation your government has become a cover for subterfuge. The same spirit of lies is at work in this political arena as is coming against this Mission and these Messages. It is this lying spirit that seeks to control hearts, but knows full well he cannot do so in the Light of Truth."

"Do not be tricked by the false accusations of those of title or by their demands of obedience. You must always live in the truth and proclaim the truth. Those who seek to control, seek to limit your choices--limit the information you receive--thereby controlling your free will decisions."

"In this Mission no Message has been released which is against faith or morals. Therefore, they are rightfully, freely propagated. In this country efforts are being put forth to limit freedom of speech in the media; thus only one side of current events would be made available to the public. This is not democracy!"

"I have come as it is the Will of My Father. I address the opponents of this Mission. Take pause and reflect upon what you are opposing here. This Mission supports and propagates Holy Love--the two great commandments I gave you when I walked the earth. These two commandments are the embodiment and the fulfillment of all the other commandments."

"You should not, therefore, search out some far-fetched reason to disbelieve. The graces, apparitions and Messages given here are poignant and frequent. This is because these times are evil and perilous. I seek to redirect the heart of the world into Holy Love and away from terror, violence and moral degeneration."

"Who do you think would profit most from the failure of Holy Love? Certainly, such a failure would bring less souls into the Kingdom of Heaven, and more souls would miss the graces offered here, miss any conversion of heart through the Messages and quite possibly slip to their perdition."

"Need I spell out for you the name of the enemy?"

"Do not be put off by those who say they do not approve of this spirituality. I, your Jesus, call each one and all into the innermost recesses of My Heart. It is only through purging of faults and failings and an illumination of conscience that this journey can be made."

"Just as I call all people and all nations onto this spiritual path of sanctification, I call everyone--no matter their faith--onto this property where grace abounds. I exclude no one. My Mother's Heart opens to you here. She awaits your arrival. You will feel Her presence here as a sign of Heaven's approval. Do not hesitate as some try to confuse you with their sanctimonious rash judgments, which are presented as 'discernment'."

"This is precisely why God the Father has sent this Mission of Holy Love into the world. Holy Love must be the basis for all your decisions. Is your decision in any of these areas for the common good and towards your own salvation and the salvation of others? If this is so, then do not be persuaded otherwise. Holy Love always supports the truth--never any compromise of the truth. Holy Love always embraces the Ten Commandments."

The entire Sacred Image is surrounded by the Flame of Eternal Truth--the Flame of the Eternal Now which is the Flame of all life--the Flame of the Heart of God the Father. From this Flame the Spirit of Truth illuminates and surrounds the United Hearts of Jesus and Mary."

"The Heart of the Most Holy Mother always leads to the Divine Heart of Her Beloved Son, Jesus--so it is in this Sacred Image. Our Lady experienced the Passion interiorly. She felt Her Son's anguish in the Garden at Gethsemane. Since Her Heart was surrounded by the Light of Truth, She knew that Her Son would surrender to God's Divine Will."

"She felt the lashes at the pillar in Her own Body and so, too, the cruelty of the crowning of the thorns."

"She moved along the Way of the Cross feeling the weight of this Cross on Her own Shoulders."

"When Jesus' Flesh was pierced by the nails, She felt these blows interiorly in Her own Flesh."

"The Blessed Mother felt as though She, too, hung on the Cross with Her Son."

St. John Vianney is here and says: "Praise be to Jesus." [He raises up both hands like he's blessing the priests here.]

"My brothers and sisters, tonight these priests represent all priests to me. I desire all priests surrender their hearts totally and completely to the Chambers of the United Hearts. This is why I have come--why Jesus has asked that this night [Thursday] be prayed for priests. Midnight Service at the United Hearts Field
Feast of Our Lady of Sorrows
(This message was given in multiple parts.)

Blessed Mother is here as The Sorrowful Mother. She says: "Praise be to Jesus."

"My dearest little children, I am in your midst once again at the hour Heaven has chosen, and at the site of Heavenly predilection. You have not abandoned Me, nor shall I abandon you. It is God's Holy and Divine Will that Heaven continues to guide and protect you in these troubled times and through these Messages."

"Here I will embrace with a Mother's tender caress all who have been falsely accused, and all whose faith is jeopardized for lack of understanding and compassion. Turn to Me."

"Remember, My children, it is man who separates with his opinions and beliefs. It is God who seeks to unite in love and in truth. Therefore, put on the armor of truth and bind it about you with Holy Love. Let no one pull you away from Me with their false reasoning or even their persuasive titles. Ground your journey in holiness on Holy Love--the gospel itself; then God will be with you and none will defeat you."

"Tonight I invite each one and all to participate in a new baptism--a Baptism of Truth. The Flame of My Immaculate Heart is this Baptism, for it is the Flame of Truth; herein is Holy Love. Nothing that wages war in opposition to these Commandments of Love is based on truth. We cannot, in truth, concede to any opinion which would silence truth itself. Remember, My Heavenly Spouse is the Spirit of Truth. It is He Who floods your soul, leading you deep into the Chambers of Our United Hearts when you first consent to this new baptism. Be strengthened by My invitation to you tonight, and allow no one to persuade you from My grasp."

"Once before I told you that one 'Hail Mary' said with a loving heart could stop wars. Today I tell you, your prayers can redirect the course of human events and change the future of the world. Do not let anyone discourage you from coming here to pray. My grace awaits you and I welcome you with open Arms and with a Mother's Heart."

"As children of the New Jerusalem, you must challenge the corruption that is eating away at the heart of the world. Moral decadence knows no boundaries. Every heart is a battleground between good and evil. This is why Holy Love has come under fire with such a vengeance. Only Satan could bring controversy to bear on the two great Commandments of Love. Do not be confused, then, My dear little children. Follow the path of salvation that has been illuminated for you at this site and through these Messages."

"Dear children, any thought, word or deed which transgresses Holy Love is a compromise of the truth. All around you is compromise--in politics, governments, morality, even religion. Compromise tears down the Kingdom of God. I come to unite--to build up the heart of the world in truth. Do not settle for anything less than truth in your own hearts or in the leaders you follow. Compromise leads you down the path of social confusion and chaos. God is not in confusion. He calls you to the solitary path of Holy Love--Truth itself. Be united on this path and accept the Baptism of Truth I come to offer."

"Tonight I tell you that every sword that has been placed in My Heart is because people do not accept and live in the TRUTH, the TRUTH of HOLY LOVE."

"I am sending My angels now into your midst to safeguard the truth in your hearts. Those who have come only to find fault will not receive an angel; those who love--will. Dear little children, realize that My Son sends Me here for your welfare."

"Tonight, My little ones, I'm extending to you My Maternal Blessing of Holy Love."

Our Lady included this scripture passage with Her message:

2 Corinthians 6:1-10

Working together with him, then, we entreat you not to accept the grace of God in vain. For he says, "At the acceptable time I have listened to you, and helped you on the day of salvation." Behold, now is the acceptable time; behold, now is the day of salvation. We put no obstacle in any one's way, so that no fault may be found with our ministry, but as servants of God we commend ourselves in every way; through great endurance, in afflictions, hardships, calamities, beatings, imprisonments, tumults, labors, watching, hunger; by purity, knowledge, forbearance, kindness, the Holy Spirit, genuine love, truthful speech, and the power of God; with the weapons of righteousness for the right hand and for the left; in honor and dishonor, in ill repute and good repute. We are treated as impostors, and yet are true; as unknown, and yet well known; as dying, and behold we live; as punished, and yet not killed; as sorrowful, yet always rejoicing; as poor, yet making many rich; as having nothing, and yet possessing everything.

"Concerning the Cross, I tell you, the Cross represents not only suffering but victory. You may not see the victory with your naked eyes, but it is there. Victories are often in hearts or in situations. Perhaps the victory is the resolution of disagreements. Perhaps the victory is merely the acceptance of truth! This, in itself, is not a small victory but quite possibly the deciding factor in salvation."

"A great victory is the return of a soul to the path of righteousness."

"When you face a cross--big or little--remember, then, that it is a sign of a forthcoming victory--the greater the cross, the greater the triumph."

Those who were here present* can now extend this Baptism of Truth to others by simply desiring to do so in their own heart. It can be multiplied and proliferated by all who receive it. The angels given to My children in the Field of the United Hearts on the night of the apparition will not be multiplied with each Baptism of Truth, but will continually guard the truth in the hearts of those who had received angels at the apparition that night."

"I have come to clarify the difference between the anointing of St. Michael and the Baptism of Truth. The anointing of St. Michael pierces the heart of the recipient with a sharp ray of truth-- preparing the heart for conversion. The Baptism of Truth immerses the heart of the recipient into the Flame of Love which is My Heart; thus beginning the journey into Our United Hearts."

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, today the world stands in much peril; securities have been breached due to the opinions and beliefs held in some hearts. That is why the Baptism of TRUTH that My Mother imparted to you on the Feast of Her Sorrows is so important."

"Sometimes it takes many, many people to extend this Baptism over and over to the same person before it breaks down the barrier of Satan's lies. Therefore, I come to you tonight asking you to persevere."

"I desire that mankind grasp what I am about to say. Any lie bears bad fruit. Satan is the father of all lies. Thoughts, words and actions based on lies weaken and divide. This is how leadership becomes compromised. It is why financial systems fail. It is why love of power and control consume hearts. Lies take on the guise of certain religious beliefs and misdirect leaders."

"Truth unites. Truth builds upon truth constructing a firm foundation. Truth does not seek its own importance or chase after reputation in the world. Truth only concerns itself for God's opinion. Truth breaks down barriers. Lies build walls. Truth brings peace of heart. Lies breed malcontent."

"Do not be deceived by Satan to believe there is any good reason to lie. Remember My words here today."

"When mankind departs from the truth, every sort of error enters in. Truth guards the heart against evil; lies open the heart to the compromise of good. When a soul embraces a lie, he also embraces the evil promoted by the father of all lies. In so doing, he opposes God's Will which is Eternal Truth."

"Whole countries, many religions and governing bodies are led astray by lying spirits. The spirit of lies obscures the line between good and evil; thus clouding moral issues, political issues and justifiable actions in the political arena. Satan sets up false goals in order to attain his evil both in hearts and in the world There are many 'dry martyrs' today held captive by those who embrace Satan's lies."

"This is why My Mission here is a Mission clothed in the victory of truth. As long as this garment of truth does not succumb to error, I will not allow it to stumble and fall."

"Today I tell you that the future of the world is not determined by dictators, weapons of mass destruction or any illicit New World Order. The treatment of the marginalized is dictating all future events. Divine Provision has given the world all it needs to support life to the fullest. This Provision must be shared and cooperated with so that the Eternal Father will multiply its goodness, and thus draw all people and all nations to Himself."

"In the world you are lacking nothing that God's Will does not provide. You must, with your free will, open your hearts to the treasure of the unborn. Many worthy world leaders have lost their lives in the womb. Many church leaders, as well, have succumbed in such a way. Free will has become its own god. The love of instant gratification and convenience are fruits of indulgence of free will."

"Holy Love must govern the hearts of mankind in order for righteousness to consume the heart of the world. Pray for this, My intention."

Note: The following is a prayer request from one of Maureen's spiritual advisors:

Dear Immaculate Heart of Mary, I pray that Holy Love will govern the hearts of men so that righteousness may consume the heart of the world, and thus vanquish the dictatorship of inordinate self-love.

"I invite the world to realize that sins are always the bad fruit of self-love. Satan convinces the soul that the sin will bring some sort of good or some sort of pleasure. Through self-love the soul accepts the lie and surrenders to sin."

"This is why I come to you in the Spirit of Truth--to help you see that Truth is the way of salvation. Lies lead not only to sin but to disorder, disunity and confusion. There is never a good or justifiable reason to embrace a lie--not to protect reputation or to cover up some sin. I see into every conscience. I do not condone any mental reservation the soul makes in order to justify a lie. It does not matter to Me, your Lord, whom you think you're protecting or what 'greater good' Satan dangles in front of you to tempt you to lie. A lie is a lie. Calumny and detraction, embezzlement and perversity are still sins."

Feast of Our Lady of the Holy Rosary

Blessed Mother says: "Praise be to Jesus."

"Dear child, tonight on My Feast of the Holy Rosary, I have come, as My Son allows, to address all people and all nations."

"While the world and its leaders waste valuable present moments attempting to unite under false pretenses, I have come to ask that all unite in an effort of prayer --the prayer

of the rosary. The rosary, My dear children, leads to peace, for it exposes truth and illuminates hearts to follow the path of righteousness which is Holy Love."

"The rosary is both armor and a weapon against evil. The rosary prayed from the heart can redirect free will so that true peace based on Holy Love becomes a goal--not false peace based on disordered self-love."

"I desire that those of My children truly consecrated to My Immaculate Heart spread the good news of this Message far and wide."

"There is always hope, dear children, so long as there is one person praying the rosary from the heart."

"The path that leads the soul through the Chambers of the United Hearts is the path chosen for each and every soul by the Lord God. It is the path of God's Love. Every soul that enters the First Chamber, which is the Immaculate Heart of Mary, is drawn to do so by God's Love. The soul can only advance through the Chambers in proportion to his depth of Holy Love and Holy Humility."

"Every virtue is based upon Holy Love--Holy Humility. There are many in the world today who present themselves as holy, but because there is little or no humility, the virtues they portray are false. This sanctimony is like living a lie. Great titles and esteem in the eyes of men cannot change a lie into truth."

"In Heaven there are no titles--no labels--only love. Everyone--everyone is judged according to the love of God and neighbor in their hearts. No one will escape this by living outside of the truth."

"Holy Love and the path through the Chambers of the United Hearts will always be a path of love and humility. Do not seek importance or salvation outside of love and humility. The road all people must travel is Holy Love. The vehicle that propels them along this path is Holy Humility."

He views the tangle of threads, which are the unfolding of events, but he does not see the beauty of the completed design. He does not see how all of these threads come together to form God's plan."

"This is where trust must take over. The soul must trust that all the events that seem unrelated will be pulled into place to form the beautiful design of God's Divine Will. The innermost fiber of the heart must be truth itself if the soul seeks to please God and to pursue holiness. This being true of each soul, it is also true for the heart of the Church, the heart of governments and for the policies set forth by leadership."

"When truth is compromised in any way, the innermost heart - the very fiber of the heart - is weakened. Lies beget lies and soon the entire soul is weakened, compromised and confused. Confusion breeds more confusion; then truth is no longer served and righteousness is abandoned."

"You can see how Satan uses self-love to attain his end, for Satan is the father of lies and confusion. He uses love of reputation, power, money and ambition to begin the

chain of lies. This is how Satan is seeking control of the entire world. His plan is not a world of order, but of unyielding control. Do not be duped by terms that suggest otherwise. Lies will not breed righteous peace."

Those who do not understand this must also not understand that in Heaven there are no labels as to beliefs or opinions. All of that is left behind. To do so is to place your soul in jeopardy."

There is much of that in the Church today. The laity must realize that they are not under the vow of obedience such as Religious are."

"Next, we need to look at illicit dictates. If a dictate is issued which does not lend light to souls and lead them to salvation and personal holiness, it is not worthy of obedience. Blind obedience does not take into consideration the spiritual well-being of those whom it would affect."

"I will make this plainer. Here is a graphic."

Benefits of following the Mission

- Live in truth
- Works on personal holiness
- Joins in Unitive Prayer on property

"Blind means without vision, as you know. Blind obedience, then, means the soul obeys without insight, as to why or as to the consequences of his actions. He obeys out of supposed respect for title or authority he is under. Sadly, today much authority is compromised on a human level for love of money, power and control. Blind obedience does not take this human factor into account."

"I have offered the Chambers of Our United Hearts to the world here - a path not only of salvation, but of personal holiness and sanctification. Yet the enemy of this Mission says there is nothing here; I call this what it is - spiritual blindness."

"I do not surrender but wage a war worthy of victory - a war whose weapons are truth, unity in prayer and sacrifice. I am calling for the soldiers of this battle to stand up and be counted that I may bless and multiply their efforts."

"Today, I tell you that evil collaborates with evil, thus strengthening its force and influence upon souls, thus destroying innocence and proliferating error in hearts."

"Therefore, I urge you more than ever, to be united in Holy Love. Grave decisions weigh upon the heart of the world. These are decisions which will affect the future of mankind and time as you know it."

"Yes, evil unites willingly with evil. All the more must good and righteousness be united in Holy Love. Do not let self-righteousness divide and separate you. Do not wait for someone to approve your union in Holy Love. I approve."

"Your indecision is a decision."

Monday - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, today I come to you once again seeking your unity and peace. This peace will not come to you through a ONE WORLD ORDER united under a false pretentious leader. The peace I call you to does not come from control, but from unity and Holy Love. Beware of those who seek unprecedented control."

"Tonight, My brothers and sisters, I'm blessing you with My Blessing of Divine Love."

"I am your Jesus, born Incarnate."

"I have not come to this site of predilection - nor have I sent My Mother here - with the purpose of competing with established religion. Rather, I come for all people and nations to unite in one great and everlasting effort towards the conversion and salvation of souls."

"Those who oppose such a righteous effort oppose Me, and so, too, the Will of My Father Who sends Me. Woe to the ones who obstruct the way towards the salvation of one soul, let alone the many who have been misled by untruths and convoluted information."

"In Heaven there are no titles, labels or opinions that separate or divide. All are one in Holy Love. I call you to live in such a way now; then you will already be part of the New Jerusalem and in the Heart of My Father."

I see a great Flame that I have come to know as the Heart of God the Father. He says: "I am the Eternal Now - Creator of the Universe and all that is in it."

"I tell you that the supernatural is everywhere and in everyone. If hearts are not inspired by the Holy Spirit, then they are inspired by evil. Those who say that they study the Messages but find them lacking, have not opened their hearts to the Spirit of Truth Who is the Holy Spirit."

"Do not discount the Hand of My Son Who performs miraculous healings, visions and more at this site, simply because it suits your purpose. Be of one mind and heart with Me towards the salvation of souls. Do not oppose Me by nurturing a proud heart as Pharaoh did."

Friday - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, be of one heart, one mind in Holy Love. Help Me to save souls and to pull them from perdition. Do not oppose one another, but work together on behalf of the conversion of sinners. My Heart pleads with you."

"Tonight I'm extending to you the Blessing of My Divine Love."

Monday - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

Jesus nods and acknowledges everyone here, and says: "Please thank all those responsible for pulling together this display on behalf of the unborn." He motions towards the display.

"My brothers and sisters, know how important it is for you to participate in this MISSION and pray here; for when you pray the rosary here, I promise you the purification will be mitigated somewhat."

"Tonight I'm blessing you with My Blessing of Divine Love."

Midnight Service at the United Hearts Field
Feast of Our Lady of Guadalupe

(This message was given in multiple parts over several days.)

Our Lady is here as Our Lady of Guadalupe. She says: "Praise be to Jesus."

"Dear children, tonight I come once again seeking your unity in truth--the truth of Holy Love. Do not be surprised that Heaven's call here focuses upon truth, for it is Satan's lies that are leading souls and whole nations astray. When governments began to accept abortion as a legal right, they were, in fact, surrendering to the father of lies--Satan. They did not gain freedom but became prisoners of sin."

"This was when the abyss between Heaven and earth began to widen. Now the Vessel of Justice--My Son's Heart--is overflowing. I need your cooperation--your unity in truth--to withhold the Arm of Justice."

"My Son has poured out His Mercy at this site and through these Messages, but it has been met with so much disdain. People and nations continue to choose slavery to sin over freedom in the truth. I came many years ago in an effort to protect the Faith, but My protection was scorned. Now you are left with the closing of many churches. Churches all over the world stand empty--many in countries which have been given the greatest graces. You must realize that what you accept or reject in the present affects your future."

"Today the world has many problems which cannot be solved without God. Through this messenger and at this site, I am calling souls back to the reality of God's Divine Will and pursuit of personal holiness. Yet My efforts continue to be misunderstood. So, My dear

little children, tonight I am here to speak to the Remnant Faithful--those who listen and persevere in truth."

"To these Remnant few, I say you are chosen to influence many. Do not fear rejection or ridicule. My Son suffered gravely at the hands of a pharisaical spirit, but He was victorious in the end. You must persevere as did He--with Holy Boldness. Prayer is the vehicle which moves hearts and motivates action. Therefore, pray before you evangelize; then My angels will assist you."

"Worldly reputation is of no account in God's Eyes. It is passing as is money, power and all of material value. It is the evil one who places the desire in your hearts to cling to these things."

"You, as My Remnant, need to cling to the Refuge of Holy Love that is My Heart, which raises you above prideful temptations."

"The world is about to suffer grave consequences for its dependence upon self and not God. Technology will be an enemy of freedoms which have been taken for granted. Mankind's independent nature which he has seen as a 'be all end all', will become even more the divisive factor in church and world politics."

"Please understand that these things must happen by way of purification. It is a purification which will return hearts to the truth that mankind's welfare is in the Hands of God."

"With certainty, understand that the ways in which this Mission and these Messages have been rejected is a sign that such a purification is needed--even imminent."

"If the purification was not needed, you would not see such opposition to My call here. If the purification was not needed, My children would be filling the churches, praying day and night that the tide turn against evil."

"But as it is, these days Satan has placed a veil of confusion over the heart of the world, and the reality of evil around and amongst hearts is not recognized."

"The New Jerusalem cannot take root in hearts until Holy Love takes root in hearts. Therefore, see these times as an extension of God's Mercy and this Mission as an introduction to an age to come--the New Jerusalem. The more Holy Love is accepted in hearts, the less severe the purification."

"My Immaculate Heart trembles at the thought of what awaits mankind, especially if he chooses not to listen to My call here. The pendulum towards this purification has already begun its downward swing. Time is against you now. Hasten to your choice for Holy Love. Do not allow My call to you to go unheeded."

"To those of you who have chosen to oppose Heaven's efforts at this site of predilection, I, your Heavenly Mother, ask you to realize you oppose the conversion of many. You oppose a great prayer effort which you yourselves could benefit from. You oppose the Heavenly graces and miracles present here. You oppose the establishment of the New Jerusalem in hearts which must be present before My Son's return. Therefore, in your opposition, you are coming against Christ's Second Coming."

"No longer regard us as an entity to be stopped, for My Son and I, in this Mission, are a strength to you."

"Dear little children, if you remember nothing else that I say to you tonight, remember that I have come seeking your unity in the truth of Holy Love--unity between nations--unity between religions--unity between political ideologies--unity between cardinals and bishops--unity between Church officials and this Mission."

"Be of one heart and one mind in Holy Love. No longer seek the demise of anyone. No longer work covertly to destroy another's reputation. Work towards the common goal of the salvation of souls. Any other path is not of God, but inspired by darkness; any other path is liable to God's judgment."

"Tonight, My dear children, I have one last point to bring to you; My hope is that it will stay with you forever. When you see My Image--Refuge of Holy Love--you see the Crown of Victory centered above My Heart. Holy Love is My Immaculate Heart. Jesus sends Me here to gather all people--all nations--into My Heart into Holy Love."

"The genesis of the New Jerusalem is in and through this transforming Holy Love in every heart. Hearts which are thus transformed into Holy Love must impact the world around them, spreading the citizenship of the New Jerusalem through this means; for it is what hearts embrace that will determine the future. I call you to victory through Holy Love."

"Dear children, thank you for praying with Me here tonight. Your presence this evening is a great consolation to Me, your Heavenly Mother."

"The coldness [23 degrees] that you are experiencing is a reflection of the coldness in hearts who will not accept Heaven's intervention here, and who discourage others from coming. You must continue to pray for these souls who are led astray and who lead others astray."

"Tonight, My little ones, I am praying for all your intentions. I have chosen you as My instruments in the New Jerusalem to carry the message far and wide. Be My Hands and My Feet."

"My dear little children, tonight I'm extending to you My Blessing of Holy Love."

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I ask of you, prepare your hearts as a manger, as the manger in Bethlehem, which was prepared with much love and joyful anticipation; then when I come to you on Christmas, I will be welcomed."

"Tonight I extend to you My Blessing of Divine Love."

Jesus says: "I am your Jesus, born Incarnate."

"These days and during these times, Satan is using politics to confuse moral decisions. Nowhere is this more evident than in your country which used to boast of its freedom. When free choice became synonymous with the 'right' to destroy life in the womb, your nation chose an ominous destiny."

"This Mission has become a frontier in the battle to maintain religious freedom; that is, the right to gather and pray no matter the belief that is held in hearts - no matter the label as to religious sect. To stand up for such freedoms requires courage - even Holy Boldness."

"For some, Holy Love is like a lifeboat adrift on a sea of confusion. Those who give in to Satan's confusion see Holy Love only as a target. They take aim under various forms of communication. I tell you, no matter the signs, wonders and miracles which have taken place and will continue to take place, there will always be detractors."

"You must be warriors of truth, never accepting compromise for any reason. As missionaries in a world that nurtures lies, you must stand upright in the truth. Sin is only

accepted in the heart through Satan's lies, trickery and deceit. But Holy Love is the bastion of truth that will be victorious."

"My brothers and sisters, come to the manger as did the shepherds on that first Christmas. Allow your hearts and your lives to be touched by Holy Love. Be messengers of this love; then My blessing will rest upon you."

"I desire souls understand that it is only through Holy Love that souls can live in the Divine Will of My Father; for Holy Love is My Father's Divine Will. No one can live in the Divine Will outside of the embrace of the Commandments of Love."

"I wish to be enthroned in every heart upon the throne of Holy Love. This is the path to peace; indeed, the path to salvation itself."

"While Holy Love is the Divine Will, it is also, and at once, the Heart of My Mother. Therefore, understand that My enthronement in every heart must first be in the enthronement of My Mother's Heart. We reign together - always together."

"My sister, I have come to help you understand the fragile state of the Tradition of Faith in the world today. It could be likened to a rose in full bloom in the midst of a snow drift. All around this rose the air is frigid - the environment hostile. But the rose continues to exude a beauty unchallenged, and a sweet fragrance of love."

"This is how the Tradition of Faith must continue in hearts - not succumbing to the confusion, controversy and cold arrogance all around it. The little rose of faith must attract admirers through simplicity and love. This is a beauty unmatched by

sophistication and intelligencia. Such a rose must not wither and die but remain untouched by the world around it."

Monday - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He nodded to the priest here; then said: "I am your Jesus, born Incarnate."

"Pray, My brothers and sisters, that your 'yes' to Holy Love is firm and sound. When My Mother gave Her 'fiat' to the Angel Gabriel, She did not look back, and She opened the door to mankind's salvation."

"Do not be discouraged, then, but realize that your 'yes' to Holy Love is the light on the path to salvation."

"Tonight I'm blessing you with My Blessing of Divine Love."

"Blessed Mother says: "Praise be to Jesus."

"Today, on the vigil of My feast day, I have come to draw even more people into the remnant of faith. Hearing My call to you - each of you - carries with it a responsibility. It is a call to believe in, and to act upon the Truth. Saying that you do not believe in these Messages does not exempt you from living in the Truth, which is to live according to the Laws of Love."

"When My Infant Son slept, He was surrounded and enveloped in peace. Today the conscience of the world is asleep, but this peace is a false peace. It has opened the door to violence and the threat of violence, war and the threat of war; moral degeneration and the threat of greater degeneration. Sin has been accepted as moral, rightful and even legal. Yet the conscience of mankind continues to sleep, not realizing **that the greatest threat to humanity lies within the heart of man himself.**"

"Being that the future of mankind depends upon what lies in his own heart, understand that the solution to all of mankind's problems is the correction of what is in hearts. This is why I have been sent to you at this site. This is why I call you to conversion and into a deeper personal holiness. If you do not believe in what I have come to tell you, then you are rejecting God's solution and God's Will for you."

"I call you to be at peace in righteousness - not to a false security in complacency. In every present moment, My call must resound in your hearts as Truth; otherwise humanity will continue on its collision course with its own demise. Each heart has, in every present moment, the ability to change the future of the world. Respond to the grace of My call."

**Thursday - Conversion of all Priests, Religious, Bishops &
Cardinals that they are convicted in, and live in the Truth**

Blessed Mother is here all in white; She is seated on a throne, and there are two angels with Her. She says: "Praise be to Jesus."

"My Son allows Me to return to you this evening, the vigil of My feast day tomorrow."

"I ask, on His behalf, that each of you offer one unselfish act a day for the conversion of the heart of the world during this coming year. It will be a special loving gift to My Son and appease His Heart, which is most grieved."

"Tonight, My children, I'm extending to you My Motherly Blessing."
