

# Jesus' Messages to the Remnant Faithful

The official publication of  
**HOLY LOVE, AN ECUMENICAL MINISTRY**

**January 2004**

*Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: 'Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism'.*

*Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness, and Our Blessed Mother says they are for all people – all nations.*

*To exclude Catholic prayer (the rosary) or symbols from the Ministry and ecumenical shrine would be to say Catholics must not be part of the ecumenical movement. This would be contrary to the local Bishops' efforts at ecumenism and the Holy Father's ecumenical efforts, as well.*

*All people and all nations are welcome to come and pray with us.*

*We do not, nor have we ever sought affiliation with the Diocese of Cleveland. As an ecumenical ministry, we do not seek their approbation and are not under the jurisdiction of Diocesan authority.*

## **BLESSED MOTHER'S NEXT MIDNIGHT VISITS WILL BE FRIDAY, JUNE 18TH, AND SATURDAY, JUNE 19TH.**

"I have come to ask that you render Me the favor of meeting Me at midnight between the Feasts of My Immaculate Heart and My Son's Most Sacred Heart. Bring the people to Me."

"I also invite you to reveal a second midnight service Saturday evening going into Sunday. On Sunday for the first time, we will celebrate the Feast of the United Hearts. This you may make known. Special graces will be given. Some will see - others may not."

Blessed Mother, 1/13/04

*Please See Page 4 for Event Schedule.*

### **January 2, 2004 /Public**

St. Thomas Aquinas comes and says: "Praise be to Jesus. Understand that truth which is not proclaimed does not serve its purpose. Truth is the weapon against all compromise and injustice. Truth is what brings evil out of the cover of darkness into the light."

"Hearts that are afraid of the truth—afraid to proclaim it—are already compromised. Hearts that deny the truth are in league with Satan himself. Always allow truth to be your breastplate of armor, for when you stand for the truth all of Heaven is on your side."

"Understand it is pride that allows truth to be compromised. Pride makes compromise appear reasonable. Humility is truth. Humility views all things as they stand before God. Never be afraid to reveal the light of truth in its entirety, for this effort bears good fruit."

### **January 2, 2004/ Friday Rosary Service**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, to imitate Me is to imitate TRUTH itself which is Holy Humility—Holy Love. It is in this way I draw you into the reality of the Chambers of Our United Hearts. You will desire personal holiness as you advance through these Chambers; you will desire to know the truth of how you stand before your God. My brothers and sisters, I desire this for you, for I love you. And I am imparting to you tonight My Blessing of Divine Love."

### **January 5, 2004/ Monthly Message to All People and Every Nation (This message was given in multiple parts.)**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"I come to you without pretense, not claiming affiliation with any one group, for I come for all. Prayer, no matter its format, is a universal language. Understand, then, that like prayer, love is a universal language. So, it follows that this Prayer Site and the Messages are for all people and all nations. This type of love that I speak of—HOLY LOVE—does not rise from a heart that holds self-interest as a motive, but only God

and neighbor. I am asking each one who hears the Message to take it into his own heart and to give it to others through an act of charity."

"I have come to give you a greater understanding of these times you live in. The reason there is so much insecurity in the world today is that all hearts do not embrace truth and justice. If hearts are full of self-interest, this is what governs their free will; for what the heart embraces motivates thought, word and deed."

"This is true of each soul, but has particular impact upon those who lead. Authority and leadership become compromised through love of power, money and reputation. It is in this way that leaders abuse their authority and lead by control instead of gently guiding. This has been true of every dictator who desires absolute power above truth and justice. It was true in My day, and it is still true today."

"This is why this Mission exists today—to spread the Commandments of love through all nations. Those who oppose you—oppose Me. Those who assist you will receive My assistance. Each soul is called to evangelize Holy Love."

"Once again, please understand, truth and justice cannot take up their reign in hearts that do not embrace Holy Love. Satan tempts hearts and introduces lies into hearts that do not embrace Holy Love. The enemy is insidious. He makes lies look reasonable and justified through some pretense of good, when in truth, what he suggests is merely a transgression against the Law of Love."

"This is how he promotes dissention in My Church. He convinces the dissenters that their liberal ideas are just when really they are self-serving. Authority is abused when it serves only to bring lack of trust into the Church itself. I intend to restore My Church in righteousness and truth. My Victory is coming on the wings of Holy Love. Today I'm taking all your petitions into My Divine Heart. Some lives will be changed forever."

"I am blessing you with My Blessing of Divine Love."

#### **January 9, 2004/2nd Friday Rosary Service to Pray for Priests**

St. John Vianney is here. He says: "Praise be to Jesus."

"Tonight I have come to help you understand that all priests are on the front lines of spiritual warfare. They are attacked on all sides and must remain faithful despite opposition and every kind of compromise. I have come to help you see that the way to be strong is through prayer and sacrifice, and take as your breastplate the armor of truth. Never disdain one of these dear priests, but pray for them."

"I am blessing you."

#### **January 11, 2004/ 2nd Sunday Service to Pray against Abortion**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "My brothers and sisters, please understand that it is Satan, the father of lies, that presents abortion as reasonable—even justified. All opposition to abortion comes from hearts filled with truth based on love—Holy Love. Therefore, today and always, pray for hearts to be open to truth."

"We're extending to you the Blessing of Our United Hearts."

#### **January 12, 2004/ Public**

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to give you deeper understanding of Divine Love. The Heart of Jesus is Love and Mercy. These two cannot exist in any heart apart from one another. As every virtue is perfect in the Sacred Heart of Jesus, Divine Love and Divine Mercy are perfect in His Divine Heart. But there are other virtues and attributes which are also perfect in His Heart, and they are woven into Love and Mercy, making up the very fiber of Love and Mercy. Two of these are Justice and Truth. These depend on each other and on Love and Mercy for their very existence."

"Love lays the foundation for Mercy. Mercy is interwoven with Justice and Truth. These are all threads that comprise the Sacred Heart. The more the soul surrenders to Divine Love, the more closely he imitates these attributes, and the more tightly woven is the fabric of his own heart."

"Every attribute of the Sacred Heart interacts with all the other Holy and Divine attributes. This is the goal of personal holiness, for when one attribute or virtue is weak, the 'thread' is pulled loose and the soul runs the risk of unraveling his entire tapestry of holiness."

#### **January 12, 2004/ Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, the deeper your surrender, the deeper I take you into My Heart. And the more completely you are immersed in Divine Love—Divine Mercy, the more completely you experience Justice and Truth. Pray for this. Desire to love Me more."

The United Hearts Blessing was given.

#### **January 13, 2004 /Public**

St. Thomas Aquinas says: "Praise be to Jesus."

"Come to think of the spiritual heart of man as a tapestry. The thread of the tapestry is Holy Love. The needle that pulls the thread in place is Holy Humility. Imperfections in the spiritual life would be holes in the tapestry. These holes are mended by the heart's deeper surrender to love and God's Mercy."

"Perfection is a perfect little tapestry which is an imitation of the Heart of Jesus."

#### **January 16, 2004/ Friday Rosary Service**

Jesus is here. His Heart is exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, today I have come to ask of each soul that you make of your hearts an oblation of love. There are few such hearts in the world today. It is in such as these, My little ones, that I take up My rest."

"Tonight I am blessing you with My Blessing of Divine Love."

#### **January 19, 2004/ Public**

"I am your Jesus, born Incarnate. I have come to help souls understand the virtue of humility, and to recognize in their hearts the archenemy of humility which is pride."

<b>HUMILITY</b>	<b>PRIDE</b>
* Is a virtue.	* Is a deadly sin.
* Does not see himself as holy, but sees all others as holier than himself.	* Is sanctimonious - self-satisfied with where he stands before God.
* Is truth.	* Is Satan's lie.
* Humility fosters a deepening of all other virtues. All other virtues will only be as deep as love and humility are deep in the heart.	* Pride has a false sense of the depth of virtue in his heart.
* Continually searches his own heart, examining it for flaws in Holy Love.	* Believes he is probably in the Fifth Chamber, and there is no room for improvement.
* Seeks to be hidden in the background; seeks a servant's position.	* Loves to be in the limelight; seeks attention. Practices virtues for others to see.
* Trusts in Jesus and in His Divine Providence.	* Opens his heart to fears and doubts. Tries to control his own destiny.
* Is always open to others' opinions once he has expressed his own.	* Cannot surrender his own opinion; is self-righteous.
* Tries in every present moment to surrender his own will to the Divine Will of God.	* Cannot allow God to have His Own Way. Insists his plans, ideas, solutions are better than anything God could come up with.
* Has as his motive for every thought, word and deed love of God and neighbor.	* Has as a motive for every thought, word and deed self-love - his own personal agenda.

**January 19, 2004/ Mon. United Hearts Confraternity Service**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I reassure you that you will be surefooted on the path to salvation, so long as you allow Holy Love to reign in your hearts in the present moment. Each present moment is an opportunity of grace and of coming deeper into the Chambers of Our United Hearts. I desire that you understand this in its fullest sense and that you realize the graces that you are being given."

"Tonight I am blessing you with My Blessing of Divine Love."

**January 21, 2004 /Public**

"I am your Jesus, born Incarnate. With prompt solicitude will I direct My attention towards petitions clothed in My Mother's protection and love. This is the way to My Heart—through the Heart of My Mother. I draw hearts to be engulfed in this way in the United Flames of Love."

**January 21, 2004/TO MISSIONARY SERVANTS OF HOLY LOVE  
Feast of Mary Protectress of the Faith**

"I am Mary, Protectress of the Faith. Praise be to Jesus."

"In today's world there are many obstacles to the Faith. The greatest of these is that My children do not recognize the truth. Then it is easy for Satan to spread his lies and make the truths of the Faith indistinguishable from error. This is not only true where Faith is concerned, but also in moral issues and the distinction between good and evil."

"How necessary this title of Mine the Lord has chosen for Me. What power and grace come into the soul that repeats it—professes it. Before this title, Satan is made to flee. Then I fill the heart with peace, understanding and wisdom. I tenderly draw souls into My Heart by this means."

**January 22, 2004/TO MISSIONARY SERVANTS OF HOLY LOVE**

Blessed Mother says: "Praise be to Jesus. My daughter, everyone who visits the Site receives the graces they need to come deeper into the Chambers of the United Hearts. Some resist or do not recognize the graces they are given. Some prefer to doubt or disbelieve rather than to believe. Others receive the grace they need but later reject it, preferring the ways of the world. Some allow the seeds of grace to fall upon rocky ground for their hearts are as stone."

(Parable of Sower – Luke Ch. 8 vs. 4-15)

**January 25, 2004/ 4th Sunday - Ecumenical Prayer for Unity Amongst All People**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, each soul was created to love God; anything else is a deception of evil. There is no such thing as a 'Holy War' or 'Holy Jihad'. Do not follow the whims of Satan but abide in love, for this is the truth."

"Today We're blessing you with the Blessing of Our United Hearts."

**January 28, 2004 /Feast of St. Thomas Aquinas**

St. Thomas Aquinas says: "Praise be to Jesus."

"I desire people understand that their love for God is in direct proportion to the love they hold in their hearts for neighbor. You cannot say, 'I love the Lord with my whole heart', and at the same time hold contempt in your heart for one another. This is what comprises your personal response to Heaven's call to holiness—love of God and love of neighbor. The two must be present in the heart together; if they are not, your holiness is mere pretense."

**January 30, 2004/ Friday Rosary Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, tonight I desire to give you a deeper understanding of My call to you. I desire that you abandon yourselves to Me, giving up all self-interest, self-love. Learn and understand that the Will of God is your safety net; that nothing will befall you that you cannot endure through grace. Live always in the Divine Will by practicing Holy and Divine Love. Tonight We're blessing you with the Blessing of Our United Hearts."

### January 30, 2004 /Public

"Trusting in Me in everything and always. I am your Jesus, born Incarnate."

"The Flame of My Heart never flickers or dims, but is omnipresent. I see all things, all people, all situations. I bring events into play that you do not even anticipate. It is by My Hand clouds are lifted and rainbows exposed. Therefore, be of stout heart and have hope that I will bring the best of every situation."

### TESTIMONIAL

I have had bad knees and shoulders for many years. In 1978 I had my first arthroscopic surgery on one knee and shoulder surgery. Later, my other knee was operated on. For the last 8 to 10 years I could walk on grass, but on cement or concrete for **only** about 5 minutes, no more.

My three friends and I were at the shrine on September 16, 2003. I put a small amount of water on my knees at Maranatha Spring. Then at the Lake of Tears I dipped my rosary in the lake and touched it to my knees. Shortly thereafter, I noticed that I could walk normally. When my friends saw me walking normally they were amazed. I said, "What did you expect? Where are we?" Thank you, Mother Mary! Praise be Jesus! My knees are still healed as of February 21, 2004.

The Child Jesus comes. He says: “I am your Jesus, born Incarnate.”

“It is the Heart of My Mother that draws the soul into conversion. In Her Heart for the first time the soul is willing to recognize his most glaring faults and then seeks to overcome them. It is in the Flame of My Heart—Divine Love itself—that the soul begins his journey towards holiness and perfection. The soul’s willingness to be perfected—indeed, his desire to become more perfect for love of Me—constitutes his surrender.”

“Make this known.”

### **February 2, 2004 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, tonight I invite you to realize that the path Heaven has chosen for this generation is the path through the journey of Our United Hearts, for this is the way of perfection. Every present

moment holds a decision between good and evil. If you are firmly planted upon this path, your decision for good will come easily, and we will be victorious together.”

“Tonight We are blessing you with Our Blessing of the United Hearts.”

### **February 5, 2004 /Monthly Message to All People and Every Nation**

*(This message was given in multiple parts.)*

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am here, your Jesus, born Incarnate. When you honor Me in this hidden form of the Holy Eucharist, I am pleased to take all of your petitions and lay them upon the altar of My Heart. You have no need or concern that escapes Me.”

“I have come today to address all people—all nations. I am calling each one to clothe himself in the truth—for truth is humility. Truth unites and brings you closer to Me. It is truth that convicts and brings about My Victory within each heart.

Truth is the vesture of Holy Love. In truth I implore all Christians to unite in Holy Love. If those who call themselves Christians cannot unite in Holy Love, how do you expect all people and all nations to unite?"

"Do not seek union under the banner of a new world religion. Unite by cleansing your hearts of all untruth and living the law of Holy Love. Too often mankind seeks solutions outside of himself when the solution must be discovered and accepted within his own heart. If your own opinions oppose Holy Love in your heart, you are listening to Satan. Let the Holy Spirit inspire you to live in Holy Love for this is God's Will for you."

"Do not be shocked or dismayed when the evil that is around you—the evil that is in the hearts of so many—is revealed by the light of truth. This is part of My Victory. I must take up My Reign in hearts before My Triumph can come into the world."

"For this reason I tell you, do not forsake the Message of Holy Love. Allow your hearts to be convicted in love and humility. It is in this way My Reign will begin within you. Let nothing stand between us—not affairs in the world, worry for the future or any flaw in virtue. Allow the Fifth Chamber to consume your heart, and your heart to embrace the Fifth Chamber (union with Divine Will). The soul that strives after this yields a blow to Satan that he cannot recover from."

"Once again, your country has been spared by merit of My Divine Mercy—a certain and prolonged trial, all because of your President's stand against partial birth abortion. But I warn you, the Hand of Justice will certainly fall if unnatural marriages of the same gender continue to be condoned. Apathy strengthens this cause. Homosexuality is a sin and must not be encouraged by any legislature."

"My brothers and sisters, you have persevered in living and in believing these Messages of Holy and Divine Love, and your faith will be rewarded. While other missions slip and fail and succumb to outside pressure, this Mission will be perpetuated in Our United Hearts and in the world."

"Today I'm taking all your petitions into My Sacred Heart. Some will receive the answers they desire, others must wait; some ask for what they should not receive."

"Today We're blessing you with the Blessing of Our United Hearts."

#### **February 6, 2004/ Public**

"I am your Jesus, born Incarnate. I have come to take you deeper into the mystery of Our United Hearts. My Mother's Immaculate Heart closely resembles My Own Most Sacred Heart. While My Heart is Divine Love, Her Heart is Holy Love."

"As you know, Holy Love—My Mother's Heart—is the First Chamber of the United Hearts, for it is in the Flame of Holy Love the soul is purged of his most glaring sins and faults. As the soul is made aware of these sins, it is the Holy Mercy of My Mother's Heart which moves the soul to remorse and repentance. It is only then that My Divine Mercy flows into the heart of the sinner. So you see, just as Holy Love prepares the heart for Divine Love, Holy Mercy prepares the heart for Divine Mercy."

"If the soul is not repentant, he is not ready for My Mercy and I cannot forgive him. The soul first must allow My Mother to prepare him for My forgiveness."

#### **February 6, 2004/ Friday Rosary Service**

Jesus is here. His Heart is exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the thorns that surround My Sacred Heart still today, I suffer and bear for unrepentant hearts. Pray that hearts open themselves to remorse for their sins."

"I am blessing you with My Blessing of Divine Love."

#### **February 8, 2004/ 2nd Sunday Service to Pray against Abortion**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Where are all My faithful prayer warriors today? What are they placing ahead of this prayer against the crime—the sin of abortion? I tell you, every soul should abandon himself in every present moment in sacrifice against this horrendous sin, for in every moment a new life is lost upon the altar of abortion."

"But today, I am blessing those who are present with My Blessing of Divine Love."

#### **February 9, 2004/ Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, tonight I have come to warn you against compromise. Compromise undermines the very nature of truth. It is through compromise every sin is committed; every flaw in Holy Love is made to seem reasonable. Let your conscience be formed in the truth and do not allow the error of compromise to enter no matter from what source."

"Tonight We're blessing you with the Blessing of Our United Hearts."

#### **February 13, 2004/ 2nd Friday Rosary Service to Pray for Priests**

St. John Vianney is here and says: "Praise be to Jesus."

"My brothers and sisters, pray for your priests for they are much under attack. When I speak of priests, I include Church hierarchy. Vocations become compromised when priests allow Satan to let them worry more about money and friendships and power than in saving souls. But if all priests cling to the Divine Will of God which is Holy Love itself, their vocations will be safe in the Heart of their Savior."

"I'm extending to you my Priestly Blessing."

#### **February 14, 2004/ Public**

St. Thomas Aquinas says: "Praise be to Jesus."

"Child, sequester your heart in the Divine Will of the Eternal Father. At first this may take profound effort as you struggle to conform your free will with the Divine. But as you grow more and more united to the Divine Will, the flame of conformity in your own heart will grow bigger and brighter until at last you need no effort at all—there is union! Then discover within your own heart the Will of the Father. This is the Fifth Chamber."

#### **February 16, 2004/ Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. (They greet the priests present here.) Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, the fulfillment of the Law of Love—Holy and Divine Love—is the Divine Will of God. I am calling all nations to be united in love and thus under the Mantle of God's Divine Will."

"Tonight We're blessing you with the Blessing of Our United Hearts."

#### **February 17, 2004 /Public**

"I am your Jesus, born Incarnate."

"I have come to ask this favor—that the Confraternity and the Mission itself be dedicated to My Precious Blood. For like My Precious Blood which was shed for sinners, the Mission and Confraternity will draw souls into Divine Love and Divine Mercy, setting them free. My Passion and Death redeemed mankind. The Mission and Confraternity set man upon the path of righteousness. Like a winnowing fan, the Message separates good from evil."

"Pray this daily:"

*"Sweet Precious Blood of Jesus, pour out upon this Mission and the Confraternity. Set us free from anything that may distract our journey into the United Hearts. Immerse us in Divine Love—Divine Mercy.*

*Amen."*

#### **February 17, 2004/ Public**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I desire that you surrender completely to Divine Love—your intellect, your emotions, any physical problem you may have. Hold nothing back out of fear or pride or unforgiveness. Trust in Me as I trust in you."

"I am extending to you now My Blessing of Divine Love."

#### **February 20, 2004/ Public**

"I am your Jesus, born Incarnate. I have come to tell you that the Flame of Divine Love within the heart of mankind will burn with a steady light so long as the soul pursues the path of Holy Love in each present moment. It is self-interest, self-love which causes the Flame of Divine Love to flicker and die."

"This is why the soul must have as his goal—his deepening journey into holiness in all his thoughts, words and actions. So many present moments are wasted in futile attempts to satisfy self-love. Allow Me to be King of your heart in every present moment. Surrender to Me."

#### **February 20, 2004/ Public**

"I am your Jesus, born Incarnate. Understand My call to humanity is pursuit of personal holiness through the Chambers of Our United Hearts. The best way to travel this path—the most complete way to pursue this spiritual journey—is through membership in the Confraternity of the United Hearts. I invite not only a few, but all to comprehend this."

#### **February 23, 2004/ Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, as this penitential season unfolds before you, I invite you to surrender your hearts to Me with a more perfect love."

For it is only through deeper humility and Holy Love that you will increase in other virtues. Surrender to the Divine Will of My Father which is Holy Love itself. Pray that all hearts surrender this way for this is the hope of the world."

The United Hearts Blessing was then given.

#### **February 25, 2004/ (Ash Wednesday) Conversation with Divine Love**

"I am your Jesus, born Incarnate. I have come to help you understand how much I have looked forward to this penitential season. My Heart grieves for souls who teeter on the precipice of perdition and do not care enough to step back and to look into their own hearts. Often these are the ones who believe that esteem, position or power in the world, or within the Church itself, have secured for them their salvation. This is a snare of Satan."

"During these first five days of Lent, offer everything to My Eucharistic Heart for the ones who have been deceived in this way. I suffer gravely at the hands of such as these who do not believe in My Real Presence, but receive Me nonetheless for appearance's sake."

"Oh, yes! I suffer when priests offer Mass with sullied hands. I suffer when I am ignored by most, as I am exposed Body, Blood, Soul and Divinity. I suffer for the sake of friend and sinner alike. But I never weary hearing the faintest 'I love You, Jesus!'"

#### **February 27, 2004/ Public**

"I am your Jesus, born Incarnate. I tell you, just as I was glorified through the Cross, so I am also glorified through the cross each soul embraces for My sake. Each soul is called to sanctity—each in an individual yet common way. The path I call each soul to follow is Holy and Divine Love. The steps each one takes may be different, but always upon the same path. For who can enter the Kingdom outside of God's Divine Will which is Holy Love itself."

"The cross is a part of each one's journey into complete surrender to love, for unless you surrender to the cross, you cannot completely surrender to love."

"Always remember—I, your Jesus, accompany you upon this holy journey."

#### **February 27, 2004/ Friday Rosary Service**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, love God above all else and your neighbor as yourself. Yes, this is the Law of Holy Love."

"During this Lenten season, cling more perfectly to this Commandment of Love in thought, word and deed. I will bless such a sacrifice and use it to convert the lukewarm."

"Tonight I am blessing you with My Blessing of Divine Love."

### **PUBLIC STATEMENT**

Recently Holy Love Ministries, and in particular the Missionary Servants of Holy Love have come under a new attack by the local ordinary. We have never sought, not have we claimed to be affiliated with the Diocese of Cleveland. We are an ecumenical lay apostolate seeking to spread the gospel of love—to love God above all else and neighbor as self. We speak and stand for only the truth.

Besides propagating this gospel message, we support an inner-city charitable work of mercy. We ask your prayers to strengthen and perpetuate this most timely and necessary Mission.

Thank you.

### TESTIMONIAL

In July 2002, much to our happiness, it was confirmed through an ultra sound test that I was pregnant. My husband and I were thrilled. All looked well, but the doctor's office called a day later and said I had to come in for another test because my hormone levels were extremely low. Another ultrasound confirmed that I was losing the baby. My husband and I were devastated!

We were going to put it in God's hands! I placed my Holy Love medal on my neck and water from the Lake of Tears all over my belly. That night my husband and I prayed hard together. We asked for a miracle!!

A few days later after looking at the blood work, the doctor called saying I may have a "molar pregnancy," a form of cancer. He asked that I return for more blood work. Not only would there be no baby, but I may have cancer! We continued to pray!

Following the blood work, the doctor said, "I am humbled by this experience; nothing makes sense." He was in awe! He said, "Your hormone levels are increasing at the rate of a healthy pregnant woman." I knew perfectly well it made all the sense in the world. Our prayers were answered!

We had a healthy baby boy on April 2, 2003. He was 9 lbs. 3 oz! We named him Jaden, which means: God has heard. Since the day he was born, Jaden has always reached up to hold my Holy Love medal.

# Jesus' Messages to the Remnant Faithful

The official publication of  
**HOLY LOVE, AN ECUMENICAL MINISTRY**

**March 2004**

*Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: ‘Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism’.*

*Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness, and Our Blessed Mother says they are for all people – all nations.*

*To exclude Catholic prayer (the rosary) or symbols from the Ministry and ecumenical shrine would be to say Catholics must not be part of the ecumenical movement. This would be contrary to the local Bishops’ efforts at ecumenism and the Holy Father’s ecumenical efforts, as well.*

*All people and all nations are welcome to come and pray with us.*

*We do not, nor have we ever sought affiliation with the Diocese of Cleveland. As an ecumenical ministry, we do not seek their approbation and are not under the jurisdiction of Diocesan authority.*

## **BLESSED MOTHER’S NEXT MIDNIGHT VISITS WILL BE FRIDAY, JUNE 18TH, AND SATURDAY, JUNE 19TH.**

“I have come to ask that you render Me the favor of meeting Me at midnight between the Feasts of My Immaculate Heart and My Son’s Most Sacred Heart. Bring the people to Me.”

“I also invite you to reveal a second midnight service Saturday evening going into Sunday. On Sunday for the first time, we will celebrate the Feast of the United Hearts. This you may make known. Special graces will be given. Some will see - others may not.”

Blessed Mother, 1/13/04

*Please See Page 4 for Event Schedule.*

### **March 1, 2004 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, each sacrifice is only made worthy when you offer it with a heart of love. It is the depth of love with which you give Me your sacrifices that gives merit to each one.”

“My brothers and sisters, do not sacrifice only for show, for this is superficial. Sacrifice in the secret of your heart with much love.”

“We are blessing you with the Blessing of Our United Hearts.”

### **March 1, 2004 /Public**

“I am your Jesus, born Incarnate. Today I have come to invite you during this week of Lent to offer prayers and sacrifices for those who do not seek a personal relationship with Me—most especially My priests. It is such as these that scandalize and discourage vocations and personal holiness in the people

I place in their lives. I call no one to be superficial in their efforts towards salvation, but each one to an ever-deepening love of Me.”

### **March 5, 2004 /Monthly Message to All People and Every Nation**

*(This message was given in multiple parts.)*

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. Today, I have come seeking prayers and sacrifices for those who make decisions which not only affect their own salvation, but the salvation of others. Such as these are government leaders, Church hierarchy, but also teachers, parents and priests.”

“In regards to moral issues, no opinion goes without My Judgment. Consciences must be formed in Holy Love or else thoughts, words and actions are in error. Some of the Church hierarchy are schismatic and mislead clergy and laity alike. It is no different in the realm of world government where laws are legislated in favor of self-love, not Holy Love.”

“My Remnant must not give up hope, but persevere in the face of persecution and controversy. When you pray, your trust in Me is like a down payment on your petition. Never be afraid to witness to the truth. The truth is the Light of the Holy Spirit which must pierce the darkness. My Faithful Remnant, you are the building block of the New Jerusalem. Upon your hearts rests My seal. Therefore, do not be discouraged even in the smallest matter.”

“I come not only to encourage the Remnant Faithful, but to reproach those who have fallen from the path of righteousness. Understand in the innermost recesses of your heart that Holy Love is the scale of justice by which all thoughts, words and deeds will be measured.”

“It is out of pride and self-love you choose sin over love. Satan has tricked you into thinking right is wrong, and wrong is right. Every sacred event of life from birth to marriage, Holy Orders to death has been violated by Satan’s lies. When Heaven tries to intervene by way of miraculous events, the grace is summarily discounted. This wounds My Heart.”

“I come to strengthen My Faithful Remnant. This can only happen when souls live in the Divine Will of My Heavenly Father which is Holy Love itself. Do not allow transgressions against love to come into your heart and weaken your faith, but return to Me, My children.”

“Today We are blessing you with the Blessing of Our United Hearts.”

#### **March 11, 2004 /Public**

“I am your Jesus, born Incarnate. I have come to help you recognize Satan’s tactics so that you will not be under his influence. Satan is in confusion, anger and fear. He is the carrier of lack of peace. He tries to discourage any positive effort by telling you there is no way out of certain situations, that prayer and sacrifice are useless because the petitions in your heart are too awesome for any prayer to be effective.”

“If none of this works and you persevere in prayer, he moves to a higher level. He tells you that which you are praying for is probably not the Divine Will of God; therefore, better to give it up, for if you got what you prayed for it would be disastrous anyway. If you still do not give up, he brings in one distraction after another as you pray, hoping to keep you from prayer altogether.”

“He is untiring in his efforts. He puts people in your life that upset you. Some are his cohorts—others unwittingly his puppets. Each soul must be aware of these insidious tactics of the enemy in order not to succumb to them.”

“You will please make this known.”

#### **March 16, 2004 /Public**

“I am your Jesus, born Incarnate. I desire you comprehend that Satan’s influence on the heart of the Church is greater than ever before. He cannot spread his errors in the Church or in the world unless these errors are first accepted in hearts. He is successful in hearts that are full of self-love, for these are the hearts that compromise the Law of Love which is Holy Love itself.”

“So then, you must understand why this humble, unpretentious Mission—this pocket of Remnant Faithful—is so important in My Eyes and in Heaven’s plan to win back the heart of the Church.”

“I am continuing My favor upon this Mission. Through My Mother’s Heart, difficulties, calumnies and lies will be surmounted. The enemy of salvation will be rendered powerless in his attempts to undo what Heaven has accomplished here.”

“The truth will be supported by Heaven’s grace and win out over Satan’s lies. Pay no attention to the attacks. Focus on the victory.”

#### **March 19, 2004 /Public**

“I am your Jesus, born Incarnate. Today I come to you to help you realize the grace I give to you in every present moment. Very often the grace comes in the form of a cross. When you fear the suffering that each cross brings, you miss the grace of the redemptive suffering. Abandon everything to Me. Allow Me to be your arbitrator, your consolation, your all. This is how to trust. This is how to live in the grace of the present moment.”

#### **March 19, 2004 /Fri. Rosary Service – Feast of St. Joseph**

Jesus is here with His Heart exposed and says: “I am your Jesus, born Incarnate.” (Jesus greets everyone here by nodding His Head and smiling.)

“My brothers and sisters, tonight your prayers rise above the din of human error; it is because you are trusting and your intentions are pure. With these prayers I am able to correct hearts that are in error—hearts that are compromised—and I am able to lead them into conversion. Continue to pray this way.”

“I’m blessing you tonight with My Blessing of Divine Love.”

#### **March 22, 2004 /Public**

St. Thomas Aquinas comes. He says: “Praise be to Jesus.”

“I have come to tell you that self-knowledge is the handmaid of perfection. The soul that is willing to look into his own heart and is humble enough to ask for assistance in overcoming his faults is the one who will mount quickly to perfection.”

“If you seek to be holy, the Lord will help you to recognize those habits and failings you must overcome to increase in holiness.”

#### **March 22, 2004 /Mon. United Hearts Confraternity Service**

Blessed Mother and Jesus are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, lay aside all difficulties and differences and be united in the Divine Will of My Father. Love one another as I have loved you; then your hearts will already be in the New Jerusalem.”

“Tonight We’re blessing you with Our Blessing of the United Hearts.”

#### **March 24, 2004 /Public**

St. Martin de Porres comes. He says: “Praise be to Jesus.”

“Sister, realize the significance of Holy Love. It is the solution to every problem, not only on an individual level but on an international level, as well. It is the challenge of those who have, towards those who have not. It is the path of peace in this world, and the promise of salvation to those who embrace it in the next.”

“Any person, place, thing or event that leads away from Holy Love is not of God, and not God’s Divine Will. To embrace Holy Love is to embrace the Divine Will of God. Many do not know this, so you will please make this known.”

**March 27, 2004 /Public**

“I am your Jesus, born Incarnate. This Ministry has suffered greatly by the hand of persecution. A great share of this weight is about to be lifted, as what lies hidden in darkness will be disclosed by the light. This will take place by the proclamation of many truths—truths of evil in hearts—truths of the history of this Mission. Indeed, the signature trait of this Ministry is truth itself. Those who live in evil fear the light of truth—and well they should. It is truth that will be their undoing.”

“Begin to rejoice. Victory is at hand.”

**March 28, 2004 /Fourth Sunday – Ecumenical Prayer for Unity Amongst All People**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, offer your hearts as living oblations of Holy Love so that I may be able to carry you deeper into the mystery of Divine Love which is My Most Sacred Heart.”

“When you pray remember that My Mother is mixing Her Tears with your prayers on behalf of your petitions, and I, your Jesus, am covering your prayers with My Most Precious Blood.”

“Today We’re blessing you with the Blessing of Our United Hearts.”

**March 29, 2004 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, I have come to call each of you to sanctity through devotion to Our United Hearts. For through this journey into Our United Hearts, your sanctity is possible, even probable, if you persevere.”

“My brothers and sisters, do not reject My call, but realize that it is through your efforts and Heaven’s grace that the world will be made into a place of peace and the New Jerusalem.”

“Tonight We’re blessing you with Our Blessing of the United Hearts.”

**March 31, 2004 /Public**

“I am your Jesus, born Incarnate. At the heart of this Message is selfless love. This is agape love—a love that has no hidden agenda towards selfish motives. This is love in its purest form. With what eagerness do I answer prayers that come to Me rising from a heart full of such pure love! It is this type of love that embraced the Cross and redeemed mankind. It is this kind of love that comes to this site and calls souls to conversion and into the Chambers of Divine Love. This is the love that with purity of intention brings souls into the very depths of union with the Divine Will.”

The Pharisees acted out of self-love and condemned Me out of fear. The same holds true today as your persecutors conceal hidden agendas in their hearts. Pray for those who persecute you. Such a prayer surrendered to Me with pure love will win many graces for this Mission—more than you can comprehend.”

**TESTIMONIAL**

On June 25, 2003, a fire broke out down by the Rio Grande River, in Albuquerque. The winds were tremendously strong and were fanning the fire closer to my daughter’s neighborhood, and towards Corrales, where I live, a few miles away. They had begun to evacuate homes, and 16,000 homes had already lost electricity. A firefighter, who is a friend, called and said that she should get out! At my house, I could smell the smoke and see burnt embers and ash in my yard.

I called Holy Love for prayers. When I called my daughter, before I could say anything, she said, “I’m not sure I have to evacuate now. They’re saying the wind shifted and now the fire is moving in the opposite direction.” I told her about my prayer request, and she just cried. Thank you, Mother, for this miracle. My daughter has the image of Mary, Refuge of Holy Love in her home. Thank you, Mother, for being our refuge.

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, the more pure your love is for Me, the more you are able to surrender to Me. Then you will disallow the importance of all created things in favor of the Divine. Your will will disappear into the Divine Will. This is what I call each soul to realize and to aim for—this pure love and pure surrender.”

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. I have come once again to invite all people—all nations into Divine Love—Divine Mercy. Today, I reveal to you that these two—Divine Love and Divine Mercy—are always vested in Divine Truth. These three are inseparable. They take up their reign together in the heart.”

“Future generations will look upon these times in which you live as an age of confusion and compromise—an era in which Faith was challenged by the powers of darkness more than any other time in history. But it will also be looked back upon as an age of great grace—of miracles and unprecedented heavenly intervention.”

“One of these profound graces is in your midst here at this prayer site where Heaven is intervening on behalf of all people and every nation. It would be a mistake to come here, partake of all the graces offered and still refuse to change your life. This is a site of Heaven’s predilection. Indeed, the very air is heavy with the grace of peace. Do not allow opinions to stand between you and conversion—you and what could be your salvation. Allow Me to come into your heart now in this present moment—there to reign in Divine Love, Divine Mercy, Divine Truth.”

“Verily, I state to you, those who speak against this Mission bring judgment upon themselves, for they do not open their hearts to My Love, Mercy and Truth. In humility they need to search their own hearts to discover their motives for such calumny. I will assist them if they ask, but I tell you it is always pride.”

“At the banquet this Mission sat at the lowest place—meeting in parks, forests and secular settings. But now, I invite you to come up higher. Vindication is at hand by the power of your Jesus, for My ways are beyond your own—My Power omnipotent.”

“Your nation must continue to choose life for the unborn. This is the path of righteousness—the path of victory over the powers of darkness. It is the path of harmony between God and nature. It is the basis of posterity.”

“There are those who choose as their gods—money, power and position. I tell you, these cannot displace Love, Mercy and Truth in the heart. None of these will bring you eternal salvation. No title or position—no abundance of worldly goods will win for you eternal salvation. Allow yourselves to be ambitious for the sake of souls. I will bless your efforts.”

“My brothers and sisters, today I invite you when you hear these Messages on Holy and Divine Love or when you read them, allow them to come alive in your hearts, for it is only in this way that the Messages will come alive within the Church, within nations themselves and so, too, the heart of the world.”

“Today We’re taking your petitions into Our Hearts, and We’re blessing you with Our Blessing of the United Hearts.”

#### **April 7, 2004 /Public**

“I am your Jesus, born Incarnate. I have come so that through you the world may be free—freedom is truth. It is only by embracing truth souls can reach the First Chamber of Our United Hearts which is Holy Love. The heart that loves God first and neighbor as self is living in truth. All else—any other path—is compromise. The soul compromises truth when he seeks to serve self above God and neighbor.”

“There are many forms this self-love can take—all of them based on pride. He may choose power, position and esteem ahead of his own salvation and in place of Holy Love. He may place love of money foremost in his heart. He may be self-righteous, spread calumny against another or presume that position and power are his salvation. He may mislead others through bad example. He may compromise truthful leadership for fear of loss of power or reputation.”

“When the truth is compromised, Satan’s grasp is strengthened. This is why I tell you, Divine Love, Divine Mercy and Divine Truth are inseparable.”

#### **April 8, 2004 /Holy Thursday**

Blessed Mother comes and says: “Praise be to Jesus.”

“The Mission, My daughter, has suffered the scourging of controversy, and has been crucified upon the cross of untruths. Now the light of truth will shine forth from the wounds of love, and the Mission will be raised up in victory.”

#### **April 11, 2004 /Easter Sunday**

“I am your Jesus, born Incarnate risen from the dead. Alleluia!”

“I offer, through you, this devotion to the world of the sacrifice of My Most Precious Blood. The devotion is short, but powerful; it is five ‘Hail Marys’.”

“These are the meditations:”

1. “The sacrifice of the shedding of My Blood under the whips and thorns perpetrated by My persecutors;”

2. “The sacrifice of the shedding of My Blood as I was nailed to the Cross;”

3. “The sacrifice of the shedding of My Blood as My Heart was pierced by the sword;”

4. “The sacrifice of the shedding of My Blood in every Mass;”

5. “The sacrifice of the shedding of My Blood as I abide Body, Blood, Soul and Divinity in the tabernacles of the world.”

#### **April 12, 2004 /Public**

“I am your Jesus, born Incarnate raised from the dead. Alleluia!”

“I am prepared to relay to you My promises to those who recite the five ‘Hail Marys’ venerating the shedding of My Most Precious Blood.”

“First and foremost, this is a prompt and certain protection from Satan’s attacks.”

“Secondly, this veneration will uncover Satan’s attacks where they lay hidden.”

“Thirdly, it is a tool on the path of perfection within the soul, taking it deeper into the Chambers of Our United Hearts.”

“You will make this known.”

#### **April 12, 2004 /Monday United Hearts Confraternity Service**

Jesus and Blessed Mother are both here in brilliant white with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, it is My Father’s Divine Will that you all be here this evening. His Will is like the sweet aroma of a flower that draws you closer to Our United Hearts. Realize, then, that every time we meet here and pray, you are strengthened to live these Messages and to become Holy Love to one another.”

“Tonight We’re blessing you with the Blessing of Our United Hearts.”

#### **April 14, 2004 /Public**

“I am your Jesus, born Incarnate. Child, you have been asking Me for a way that souls may be enlightened to see into their own hearts. I have given it to you in this devotion of the five ‘Hail Marys’ offered for the shedding of My Precious Blood.”

“I invite the unbelievers to challenge what I am telling you. Recite the five ‘Hail Marys’. Let your heart become part of the prayer. Then it can be only through your own pride you would deny the value of this devotion.”

“It is given to you at a time when hearts are compromised by Satan’s lies as never before. It is given to loosen Satan’s grasp on the heart of humanity.”

#### **April 16, 2004 /Friday Rosary Service**

Jesus is here in brilliant white with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My dear, dear brothers and sisters, tonight I have come to ask you to entrust your will to Me. This is different than giving Me your will, for when you give Me something you most easily take it back when you want it. But you see, I ask you to entrust it to Me; thereby allowing My Father’s Divine Will to take up reign in your hearts. This is why I come here tonight. I seek the entrustment of your wills to Me.”

“And so, I’m blessing you with My Blessing of Divine Love.”

**April 18, 2004 /Divine Mercy Sunday**

*(This message was given in two parts.)*

Jesus and Blessed Mother are here all in white and there is a bright light all around Them. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. Today is the celebration of My Mercy. I have come to help you understand these truths. My Divine Mercy and My Divine Love are one. As Mercy and Love are united so, too, are the Hearts of your Jesus and His Blessed Mother united. Through this union, the consolation of My Mother’s Heart is united to the Mercy of My Own Heart. These are Eternal Truths.”

“My brothers and sisters, today on this great Feast of My Mercy, once again I invite you to entrust your will to Me. When you do so, I take tender charge of your heart and lead you gently along the path of Divine Love, never allowing you to escape from My loving grasp. It is in this way the human heart and My Most Sacred Heart are united, and the Kingdom of My Father’s Divine Will takes up reign in your heart.”

“We’re blessing you with the Blessing of Our United Hearts.”

**April 19, 2004 /Monday United Hearts Confraternity Service**

Jesus and Blessed Mother are here. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, tonight I tell you that My Mother’s Heart is the Gateway to the New Jerusalem. When you enter from Her Heart into Divine Love, you are entering the New Jerusalem and I am already victorious within you. You will please make this known.”

“Tonight I am taking your petitions to Heaven, and We’re blessing you with the Blessing of Our United Hearts.”

**April 21, 2004 /Public**

“I am your Jesus, born Incarnate. I tell you solemnly that My Heart was first laid bare for mankind when it was pierced by the sword as I hung on the Cross. At that moment love and mercy poured out upon humanity. As entrance to My Heart was opened on the Cross, it is through the Cross of Love mankind may enter upon the mysteries of the Chambers of My Heart. Divine Love is at once a cross and a victory. Both must be embraced in order to sanctify the present moment.”

“The more you love Me, the deeper I draw you into My Heart.”

**April 23, 2004 /Friday Rosary Service**

Jesus is here all in white with His Heart exposed, and says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, I desire so much that you allow a space in your hearts in every present moment that I may dwell therein; for I must be a part of your heart before you can be a part of My Heart. This is the way of sanctification and of union with My Eternal Father. Each soul is called to this sanctity—this union.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

**April 24, 2004 /Public**

“I am your Jesus, born Incarnate. It is not just some—but all—I call to these depths of holiness. Disregard human respect and seek only to appeal to Me. This is the secret of sanctification.”

**April 25, 2004 /Fourth Sunday Ecumenical Prayer for Unity Amongst All People**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, so much do I desire to lead you towards Heaven—so much do I desire that you live in the Divine Will in the present moment. Open your hearts, My brothers and sisters, as a fragrant flower in the Spring sun, and I will fill you with all the grace you need to live in My Father’s Will.”

“Today I’m blessing you with My Blessing of Divine Love.”

**April 26, 2004 / (After Communion)**

“I am your Jesus, born Incarnate. Console Me, for so many feign their faith, their love and trust for Me. They trust only in human effort and themselves. They have their own plans and do not look for God’s Will. In the end, however, My Father’s Will is always accomplished.”

**April 26, 2004 /Public**

“I am your Jesus, born Incarnate. The depths of My Most Sacred Heart stand open to humanity through these Messages through the Revelation of Our United Hearts. I am readily wounded by those who make excuses not to believe. Why would souls choose not to be purified and perfected through the Flames of Holy and Divine Love? It is because they choose the easy path—the path of self-love—the path upon which Satan does not oppose them.”

“When a soul chooses Me over the world and himself, I fill his heart with love, peace and joy. He becomes a reflection of Me. He fears nothing. To console Me is his own consolation. He becomes inebriated with Divine Love.”

**April 26, 2004 /Monday United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, tonight once again I invite you to realize in the depths of your hearts that every decision and opinion you embrace in this life is subject to judgment in the next. Stay away from darkness. Do not lend it any credence—no matter the guise it comes under. If you perceive it to be evil, avoid it—expose it. Do not embrace it.”

“My brothers and sisters, We are blessing you with the Blessing of Our United Hearts.”

**April 30, 2004 /Friday Rosary Service**

Jesus and Blessed Mother are here in white. Their Hearts are exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, I have come to help you realize that your personal holiness is built upon the cornerstone of Holy Love. It is through the deepening of this love that you are led into Divine Love, and the entire Kingdom of My Father’s Divine Will can be established within your own hearts.”

“Tonight We are blessing you with the Blessing of Our United Hearts.”

### TESTIMONIAL

I gave the water from Maranatha Springs and the Lake of Tears to someone who was virtually blind and his health worsened so that a meeting was held to convey him home. He was at the point of death. Today he has regained both sight and health. His name is Mr. C.O.M. from Ebu. Another member of the Holy Face prayer group now sees very well after applying the waters to her eyes!!

# Jesus' Messages to the Remnant Faithful

The official publication of  
**HOLY LOVE, AN ECUMENICAL MINISTRY**

**May 2004**

*Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: 'Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism'.*

*Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness, and Our Blessed Mother says they are for all people – all nations.*

*To exclude Catholic prayer (the rosary) or symbols from the Ministry and ecumenical shrine would be to say Catholics must not be part of the ecumenical movement. This would be contrary to the local Bishops' efforts at ecumenism and the Holy Father's ecumenical efforts, as well.*

*All people and all nations are welcome to come and pray with us.*

*We do not, nor have we ever sought affiliation with the Diocese of Cleveland. As an ecumenical ministry, we do not seek their approbation and are not under the jurisdiction of Diocesan authority.*

## **May 3, 2004 /Public**

"I am your Jesus, born Incarnate. I have come to encourage the perseverance in prayer that is a hallmark of this apparition site. You who have been forced out of churches and made to pray in fields and parks and in secular settings, you have become a refuge for the spiritually oppressed. It is here I welcome any and all who come. Only the wicked who come with a personal agenda will I spurn. I invite all the sincere of heart to pray here—to believe—to come closer to Me through these Messages."

## **May 3, 2004 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here all in white with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. Today, My brothers and sisters, I have to remind you that your sanctification lies in each present moment. Let the grace of the present moment embrace your heart. Realize that each moment calls you to sanctity by means of choosing God's Will for you which is always Holy Love."

The United Hearts Blessing was given.

## **May 4, 2004 /Conversation with Divine Love (Jesus—after Communion)**

"Today, I desire Divine imprisonment; that is, that I am imprisoned in your heart and you in Mine. The chain that holds us bound is Divine Love. The guard standing watch over us is the Will of My Eternal Father."

## **May 5, 2004 /Monthly Message to All People and Every Nation**

*(This message was given in multiple parts.)*

### **10<sup>TH</sup> ANNIVERSARY OF HOLY LOVE**

Jesus and Blessed Mother are here. Jesus is in white and gold—Our Lady as Refuge of Holy Love. She says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. How long and

tediously I have labored to establish this bridge of Holy and Divine Love between Heaven and earth! Yet, some of My most enlightened souls choose to ignore it and only look for some alleged flaw in a Message or some supposed difficulty with the messenger."

"This is the age of the United Hearts. The Hearts of Jesus and Mary reach out to be united with every human heart. Every difficulty that afflicts mankind and the planet itself would be resolved if man would choose God first and neighbor second. It is egotistical love of self that strains My Mercy and tempts My Justice. Indeed, the abyss between Heaven and earth yawns even wider with the abuses against life, innocence and devotion to materialism."

"Within My Church on earth, devotion to My Holy Mother has become passé, even though I have sent Her to protect the Faith and restore unity under papal authority. This is the reason I must establish and depend upon small ghettos of the Tradition of Faith which will support and become the backbone of the Church in the future. This holy prayer site is one of these remnants which My Mother covers with Her Mantle, and I hold in My Hand."

"It is mankind's attempts to reshape the Church according to his human desires rather than My Heavenly dictate that has brought division into the Church. I have come to help you see that if you are living in Holy and Divine Love you will not have a personal agenda fueled by selfish ambition. You will only seek to live the Faith I have given you according to the precepts of the true Church."

"Further, do not look at these Messages of Our United Hearts seeking to make them fit your precepts—your standards. In truth, seek to alter your hearts and your lives to correspond with the Messages of Holy and Divine Love."

"During these latter days before My return, I will intensify My call to Divine Love as never before. Souls will find in the Revelation of Our United Hearts a peaceful solution to every situation."

“As it has been 10 years since we first celebrated the Feast of Holy Love, I am asking souls to return to devotion to ‘Mary Refuge of Holy Love’—My Immaculate Mother. Live each moment as consecrated to Her Immaculate Heart. Do not deny Her the joy of being your Mother—your Gateway to the New Jerusalem. Do not deny yourself the opportunity of being Her child—of feeling Her Maternal touch in your heart.”

“As I strengthen My Remnant Faithful and My call intensifies in hearts and in the world, I will prepare you for the New Jerusalem. You will be ready when the harvesting angels arrive with their winnowing fans. Certain events will unfold—events you do not foresee which will bring dedicated souls here. Remember My telling so.”

“If you desire to love Me more and go deeper into the Chambers of Our United Hearts, then sanctify your daily routine with prayer and offer everything with a loving heart.”

“Our Hearts are attentive to your prayers. And We’re blessing you with the Blessing of Our United Hearts.”

#### **May 5, 2004 /Conversation with Divine Love**

“I am your Jesus, born Incarnate. When you meditate upon My Passion and Death, I take you deeper in the Flame of Divine Love. When you meditate upon My Mother’s Passion, I owe you My gratitude.”

#### **May 7, 2004 /Friday Rosary Service**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I have come to ask you to empty your hearts of everything that does not lead you deeper into Holy and Divine Love. If you ask Me, I will assist you. This is Holy Abandonment and the way to be united with God’s Divine Will.”

“Tonight I am blessing you with My Blessing of Divine Love.”

#### **May 8, 2004 /Public**

St. Thomas Aquinas comes and says: “Praise be to Jesus.” He sits down next to me.

He says: “A person can say one thing and do another. You have a saying—‘actions speak louder than words.’ When actions do not back up words, it is called ‘hypocrisy’. But God holds people accountable for this. He does not look at what people say, but what they hold in their hearts. Peoples’ actions are not based on words, but are directed by the heart.”

#### **May 10, 2004 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, I have come to request of you that you consecrate your hearts to the Divine Will of the Eternal Father. In this way you will accept everything in the present moment with Holy Love. This is truly living a consecrated life.”

“And so, today I seek your ‘yes’—your surrender—your love, and We’re blessing you with the Blessing of Our United Hearts.”

#### **May 11, 2004 /Public**

“I am your Jesus, born Incarnate. Child, since you were ill on Mother’s Day, I did not speak to the crowd that assembled. I will do so now. I desire that each soul regards My Mother as their own, for Mary Immaculate sees each soul singularly as though they were the only one in existence.”

“My Mother desires that you come to Her with your problems, your needs, your desires—yes, even your victories.

She longs to share each present moment with you. If you surrender to Her love, She will pour out Her graces upon your decisions into your families and your lives.”

“My Mother is your comfortress and your consolation when you desire it. She understands the trials of wayward children, of inconsiderate and insensitive children. She is Mother to those who love Her and to those who choose not to love Her.”

“Turn to Mary and give Her everything. She will give you all you need.”

#### **May 11, 2004 /Public**

“I am your Jesus, born Incarnate. Child, St. Joseph was the Protector of Our United Hearts while on earth. Now in Heaven, he is the champion of Their cause and will assist in the propagation of the Revelation of the Chambers.”

“Those who seek his assistance in this regard will receive it.”

#### **May 13, 2004 /Feast – Our Lady of Fatima**

To: MISSIONARY SERVANTS OF HOLY LOVE

Our Lady comes as Our Lady of Fatima. She says: “Praise be to Jesus. I have come to address the Missionary Servants of Holy Love.”

“Dear children, do not allow your opinions to come between you and God. Some like to make themselves important by means of their opinions. This offends the Heart of My Son and deteriorates the bridge that spans the abyss between Heaven and earth. It is opinions that cause division, and even war.”

“Hearts that fully embrace Holy Love cannot pursue such error. You must be harbingers of peace, love and joy. Then you will lead others along the path of righteousness, as well.”

#### **May 14, 2004 /Second Friday Service to Pray for Priests**

St. John Vianney is here and says: “Praise be to Jesus.”

“My brothers and sisters, today it is true vocations are attacked on many fronts, but always these attacks are against Holy Love in the heart. For while each person is called to holiness through pursuit of Holy and Divine Love, it is even more important for priests and seminarians.”

“Pray that priests have Holy Discernment to realize how they are being attacked, and to know which is good and which is evil.”

“Tonight I’m extending to you my Priestly Blessing.”

#### **May 14, 2004 /Conversation with Divine Love**

“I am your Jesus, born Incarnate. Please understand that much of My Passion took place within My Heart. I mourned for the souls that would be lost despite My sacrifice. My Heart was moved with pity for the self-righteous and arrogant. These are the ones who feel they are on the path of salvation as they slip to their perdition.”

“As I suffered, My Mother suffered the Passion within Her own Heart—feeling not only physical pain but the agony of the loss of souls. Besides all of this, She suffered the pain of separation from Me—though mystically Our Hearts were united even in the darkest hour.”

“This is why the Flame of My Heart so willingly engulfs the soul that meditates upon My Passion and Death. This is why I am gracious towards those who meditate upon the sorrows of My Mother.”

#### **May 17, 2004 /Mon. United Hearts Confraternity Service**

Jesus is here with His Heart exposed and says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I have come to invite you to pass through the Gateway to the New Jerusalem. This

Gateway is the Immaculate Heart of My Mother—it is Holy Love. It is God's Divine Will that you pass into Holy Love, be purged of your iniquities and faults and failings. Then My Mother will lead you into the New Jerusalem which is Divine Love itself and My Most Sacred Heart. Surrender!"

"Tonight I'm extending to you My Blessing of Divine Love."

#### **May 18, 2004 /Public**

"I am your Jesus, born Incarnate. I have established the Confraternity and this Ministry in the world today as a means of piercing the darkness. The Confraternity will usher in apocalyptic events. Those who will follow the spirituality of Our United Hearts will gain eternal life. It is My promise. You do not need to look beyond this path of light I draw you upon. Those who make themselves enemies of this Mission oppose Me."

"Understand that Our United Hearts seek union with every heart. But generally this is how My call to pursue this spiritual journey is being answered, though there will always be exceptions. The first to recognize the truth of My call is the laity. They will come in great numbers and with profound enthusiasm into the Confraternity. Next, priests and religious will filter in, strengthening the Confraternity with their gifts and charisms. Last to respond will be the Church hierarchy. Pray that such as these overcome their unfounded suspicions."

#### **May 20, 2004 /Public**

Blessed Mother comes and says: "Praise be to Jesus."

"The Message concerning the illumination of conscience given in connection with a visit to this site was never meant to mean each soul will fall down in awe as the state of their soul is revealed to them on the property. It is wrong to leap to such a conclusion. The illumination may come to some in this way. Others will receive enlightenment WHEN THEY RETURN to their points of origin as to their faults and failings in Holy Love, or as to some past sin that has been unconfessed. Some may not be open to any of this and will continue to say they received nothing. How foolish."

"It is like any grace. Consider the Eucharist, for example. Some receive many graces upon reception of the Eucharist because their hearts are predisposed. Others receive less. Some feel they get nothing from the whole experience. Does that mean the Eucharist is not real? Some receive My Son—Body, Blood, Soul and Divinity unworthily in a state of sin. Just as some come to the prayer site steeped in sin expecting every grace—even testing grace."

"What I am saying is people receive graces according to God's Will in His sacred time frame and in the way He chooses, not according to any individual agenda. The grace of complete conversion is always ready for each soul but God knows the best time to convict the heart."

#### **May 20, 2004 /Public**

St. Thomas Aquinas comes. He says: "Praise be to Jesus."

"Today, I have come to invite once again all people and all nations into the spiritual journey of the Chambers of the United Hearts. This is not a parochial call or a Catholic-oriented journey. It is a call for all people—no matter their creed—to be united in love. Holy Love is never wrong—never out of place—never restrictive as to race, nationality or religious background. Holy Love is the bridge that spans the gap between Heaven and earth. Holy Love fills the abyss of war between people and nations, bringing peace. Holy Love is the solution to 'pagan freedom' which is really slavery to sin and degenerate laws."

"Outside of love there is no salvation—only darkness."

#### **May 21, 2004 /Public**

##### **THE TRUTH**

"I am your Jesus, born Incarnate. I have come to help you understand these things. The truth always exists and is always an alternative to falsehood, rash judgments and detraction. It remains for people to search for the truth and not to embrace the lies which oppose it."

"No one can force another to accept the truth. This must come as a movement of their free will."

"When the truth is challenged, it does not mean that it does not exist—only that it is misunderstood. Take heart in this."

#### **May 21, 2004 /Friday Rosary Service**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, come into the shelter of My Heart where you will be enveloped in TRUTH and empowered with Holy Boldness. Allow Me to give you My strength which is holiness in the present moment."

"And tonight I will bless you with My Blessing of Divine Love."

#### **May 22, 2004 /Public**

##### **THE TRUTH**

St. Thomas Aquinas comes. He says: "Praise be to Jesus. Let me explain this to you. The truth is a constant against which all other hypotheses are weighed and measured. The truth does not change or disappear because it is challenged. Indeed, every challenge serves to strengthen the truth."

"The truth can be defined and expounded upon in many ways, but it is unchanging."

"Those who compromise the truth listen to Satan who is the father of lies. Compromise is an attempt to re-shape the truth according to personal agenda. The truth cannot be changed to meet personal ambitions. Rather, hearts must be molded in the truth."

##### **PRAYER – TO BE RECITED BY VISITING PILGRIMS**

"I am your Jesus, born Incarnate. Here, child, is a prayer I desire all who journey in pilgrimage to the prayer site, recite:"

*"Dear Heavenly Mother, I know you have called me to this place of Your favor for Your purpose. As I step onto the property You have chosen as Your own, help me to realize that You are inviting me into a deeper personal conversion through the Revelation of the United Hearts. Help me to begin this journey by stepping into Your Heart which is Holy Love."*

*"If You, Blessed Mother, look into my heart and see that I am unprepared or unwilling to take this first step, extend Your Hand filled with grace towards me and I will take it."*

*"Do not allow me, Your child, to pass up this opportunity through doubts or pride. If I came here only looking for error, take this spirit of arrogance away, dear Mother."*

*"I desire to be Yours in this present moment through Holy Love. Amen."*

#### **May 24, 2004 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

(A private message was given.)

Jesus: "My brothers and sisters, when you depart on any journey, you think ahead and prepare baggage to take with you for your future needs. But on this spiritual journey into Our

United Hearts, I'm asking you to leave behind all your baggage, your misconceptions, your unforgiveness, your anger, any grudges you may have against one another."

"Your future needs on this journey are this—a willing heart. If you have a willing heart you will succeed and reach your destination which is union with the Will of My Father."

"Tonight We're blessing you with Our Blessing of the United Hearts."

#### **May 27, 2004 /Public TO PRIESTS**

"I am your Jesus, born Incarnate. Today I invite all priests who come here to become like Living Hosts—their hearts aflame with Divine Love. Then, they will never cease spreading this Message of Love. Their hearts will be on fire for souls. They will understand that I call them to a vocation of Holy and Divine Love—a vocation within a vocation."

#### **May 28, 2004 /Public**

"I am your Jesus, born Incarnate. This now, is how you avoid having a resentful heart. Regard the people I put in your life only with love in the present moment. Do not dwell on how often they call you or thank you—what they have said or done to you in the past. This all smacks of self-love. Just love them as I love them."

"The resentful heart spends much time in Purgatory, for such a heart remains tethered to self-concern."

#### **May 28, 2004 /Friday Rosary Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, I have come to engender in you a hunger for holiness. For the sake of souls, bring to Me the souls farthest from My Sacred Heart through your efforts in Holy and Divine Love. Spread these Messages and understand that you are My Hands, My Feet and even My Holy Mouthpiece."

"Tonight, We're blessing you with Our Blessing of the United Hearts."

#### **May 30, 2004 /Public /Our Lady Appears Above the Arbor PENTECOST SUNDAY**

Blessed Mother says: "Praise be to Jesus."

"Constant is My Love for those who come here—revealing is My Heart—unrelenting My Grace."

"My daughter, today I am appearing to you above the arbor. Many who come here will witness this grace. More will photograph it. Thank Jesus for this gift."

#### **May 30, 2004 /Public /Above the Arbor**

Blessed Mother says: "Praise be to Jesus."

"My daughter, I am appearing here [above arbor] as My Son permits it. I desire the people come here every evening at 6:00 until the Sunday after the Feast of My Immaculate Heart. So then, My last apparition to you here [at the arbor\*] will be the evening of My Feast Day, June 19 at 6:00 p.m. But the people will continue to photograph Me here."

"I desire the people know that war is the result of lack of love in hearts."

\*Our Lady will continue Her midnight apparitions on the property at given dates.

# Jesus' Messages to the Remnant Faithful

The official publication of  
**HOLY LOVE, AN ECUMENICAL MINISTRY**

June 2004

*Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: ‘Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism’.*

*Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness, and Our Blessed Mother says they are for all people – all nations.*

*To exclude Catholic prayer (the rosary) or symbols from the Ministry and ecumenical shrine would be to say Catholics must not be part of the ecumenical movement. This would be contrary to the local Bishops’ efforts at ecumenism and the Holy Father’s ecumenical efforts, as well.*

*All people and all nations are welcome to come and pray with us.*

*We do not, nor have we ever sought affiliation with the Diocese of Cleveland. As an ecumenical ministry, we do not seek their approbation and are not under the jurisdiction of Diocesan authority.*

**BLESSED MOTHER’S NEXT MIDNIGHT VISIT  
WILL BE ON THE CREST OF THE FEASTS OF  
THE TRIUMPH OF THE CROSS AND  
THE FEAST OF OUR SORROWFUL MOTHER,  
SEPTEMBER 14-15.**

We will meet at 11:00 pm on September 14 at the Sorrowful Mother Shrine and Lake of Tears for Her special visit.

**June 1, 2004/ Public**

St. Faustina comes. She says: “Praise be to Jesus.”

“Please understand, dear sister, it is not those who have not heard or do not understand the Message who oppose us in this Mission of love and mercy. It is the ones who speak against us, write against us and act against us who are the opposition. The tongue is a small member of the body (James Ch. 3), but the most powerful in building up or tearing down.”

“When speech is inspired by evil, it brings disunity, unrest and sin into hearts. But the fruits of the Holy Spirit are Love, Peace and Joy.”

**June 3, 2004/ Public (A.M.)**

Blessed Mother comes appearing much like She does over the arbor. She says: “Praise be to Jesus.”

“Please understand, My daughter, that because one sees Me and another does not, there is no distinction in My Heart as to worthiness. Indeed, no one is worthy. It is God’s Will that determines where and what grace is given to each soul. In this we must give praise to Jesus—the Source of all grace.”

Maureen: “Why are You appearing over the arbor?”

“I appear above the arbor to bring importance to the Message of Holy and Divine Love. I desire more believe and more come here.”

**June 3, 2004/ Public (6:10 p.m.)**

Blessed Mother says: “Praise be to Jesus. Dear children, no one has come here in vain for I am extending My Blessing to all.”

“I am calling each of you into My Immaculate Heart—the Shelter of Love.”

“I am praying for your intentions.”

**June 3, 2004/ Public (Our Lady at the Arbor – 6:00 p.m.)**

Blessed Mother says: “Praise be to Jesus.”

“The people should be informed that they should be looking for MY SILHOUETTE from MY SHADOW (a mist-like form).”

**June 4, 2004/ Public (6:00 p.m. Apparition)**

Our Lady is over the east side of the arbor. She is in white. She is motioning towards Her Heart as though inviting people into it. She says: "Praise be to Jesus who sends Me."

"My children, please understand it is not God who divides according to belief—it is people who allow beliefs to separate and cause confusion. My Son loves everyone."

"The arbor here spans the pathway between the two sides of the garden. It is Holy Love that must bring together people who oppose one another."

**June 4, 2004/ Friday Rosary Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, be embraced by the Divine Will of My Eternal Father. Do not resist. Understand that salvation through the Messages of Holy and Divine Love are as a life preserver to a humanity who is drowning in self-love."

"You will please make this known."

"We're blessing you with the Blessing of Our United Hearts."

**June 5, 2004/ Monthly Message to All People and Every Nation**  
*(This message was given in multiple parts.)*

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." They both nod Their Heads towards the priests; then Jesus blesses them.

Jesus: "I am your Jesus, born Incarnate. Dear brothers and sisters, let no one discourage you from coming here. The integrity of this Mission does not rest with any approvals from high officials on earth, but in the grace of the Message resulting in abundant fruits in and through the Mission itself. These all come to you with Heaven's approval."

"Those who choose disbelief over belief will always have their hearts tethered to earth looking for negatives. Those who choose to surrender to Holy and Divine Love will be abundantly blessed. Pray for simplicity of heart for it is these upon whom I pour the greatest graces."

"Today, My faithful lambs, I tell you that humanity teeters on the brink of My Justice. Never before has society sunk to such moral degeneration as to legally approve same sex marriage. This would have been unthinkable a generation ago, but today this grave sin is flaunted as a freedom—a right."

"It is through your efforts to live in Holy Love that the family will be restored to dignity. The one who lives farthest from the Heart of My Mother, which is Holy Love, is the one I call with the deepest mercy. Do not waste time brooding over past sins. Give Me the present moment wrapped in love."

"Wars, natural disasters and unprecedented disease will escalate until love is accepted in hearts and there is harmony between Heaven and earth. Do not be distracted by these things which are symptoms of an ailing society, but remedy the cause by spreading the Messages of Holy and Divine Love."

"Today, once again I come to ask your complete surrender to the Flame of Holy Love that is My Mother's Immaculate Heart. For this is the prescript of Heaven towards your own salvation. If families, governments and nations would come under the protection of this purifying Flame, we would see the end to degeneration of moral integrity. Natural disasters, wars and diseases would draw to a close, and I would be triumphant."

"We are blessing you with Our Blessing of Our United Hearts."

**June 5, 2004/ Public (Our Lady at the Arbor – 6:00 p.m.)**

Blessed Mother says: "Praise be to Jesus."

"I desire that My image be placed on top of the arbor. The arbor represents the bridge of Holy Love that God desires between Heaven and earth."

"I am blessing each one who comes to the arbor."

**June 6, 2004/ Public (Our Lady at the Arbor – 6:00 p.m.)**

Our Lady comes as Our Lady of Grace. She says: "Praise be to Jesus."

"My dear, dear children, I have come to you once again on this arbor which to Me represents the bridge of love. Oh, how I desire that east meets west upon the bridge of Holy Love. Never again would mankind be separated according to beliefs, but instead united in Holy Love. It is My fondest desire."

(Our Lady started to ascend towards Heaven on the last 'Hail Mary'. She passed over the crowd. As She did, She said: "I am blessing everyone here.")

**June 7, 2004/ Public (Our Lady at the Arbor – 6:00 p.m.)**

Blessed Mother says: "Praise be to Jesus."

"Dear children, tonight I recommend to your prayers all those who oppose Me in My efforts to bring Holy Love into hearts and into the world."

"Realize that it is only in traversing the bridge of Holy Love that all people and all nations will be reconciled with their Creator."

"I desire that you remember this arbor always as representing the bridge of Holy Love. From here the Light of Love that is My Immaculate Heart will shine forth."

Blessed Mother is now holding a globe of the world. The light coming from Her Heart is illuminating the globe. She leaves, floating over people saying: "I am blessing all who come here."

**June 7, 2004/ Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, tonight I have come to implant in each Heart a love of these Messages of Holy and Divine Love—a love of prayer, a love of penance and sacrifice. I would like to sprinkle the grace of all of this love with a burning desire to please the United Hearts of Jesus and Mary."

"We are blessing you with the Blessing of Our United Hearts."

**June 8, 2004/ Public**  
**TO PRIESTS**

"I am your Jesus, born Incarnate. I have this to say to My dear brother priests."

"Open your hearts to the simplicity of these Messages. There is no error here. But if you come looking to fit the Messages into your expectations, the error is in your own heart. Take what is given freely in childlike simplicity. Then, every grace will pour into your heart."

**June 8, 2004/ Public (Our Lady at the Arbor 6:00 p.m.)**

Blessed Mother says: "Praise be to Jesus."

"Thank you for your prayers and your efforts in placing My image on top of the arbor. My Son desires a plaque be placed at the base of the arbor with the dates of My public apparitions on the arbor, and the statement that the arbor represents the bridge of Holy Love which unites God and all mankind, and all mankind with one another. I am blessing you."

**June 9, 2004/ Public (Our Lady at the Arbor 6:00 p.m.)**

Our Lady appears over the arbor and says: "Praise be to Jesus."

"Dear children, I have come here to call all humanity and each soul upon the bridge of Holy Love. Be united in love of God and love of neighbor. Put an end to resentment and hate. God does not call you to that—that is darkness. I call you into the Light of Love. Follow Me over this bridge of peace, unity, love and joy."

Once again as Our Lady drifts back up to Heaven, She passes over the people, blessing them.

**June 10, 2004/ Public (Our Lady at the Arbor 6:00 p.m.)**

Our Lady says: "Praise be to Jesus."

"Dear children, I have come to you tonight to call each of you onto the bridge of Holy Love. This is where east is reconciled with west. It is, indeed, the Bridge of Triumph of Our United Hearts."

"Yes, I have come to unite one human heart with the other and all hearts with God."

**June 11, 2004/ Public  
TO PRIESTS**

"I am your Jesus, born Incarnate. I invite all priests who are coming to the site to stand in the shadow of My Holy Mother's Heart. Once in this Immaculate Shadow, the truths of their temptations will be revealed and they will be given the grace of desiring perfection in Holy Love."

"They are in the Shadow of Her Heart when they pray Her Rosary."

**June 11, 2004/ Public**

"I am your Jesus, born Incarnate. There are many coming to Maranatha Spring and Shrine who are unaccepting of My Father's Will for them which is the same as to say they are untrusting of the Will of God. Grace plays out in each one's life perfectly towards his own salvation. This is an eternal truth. How can any creature begin to think he knows better than his Creator? This is pride."

"In the Garden of Gethsemane My surrender to My Father's Will was not easy. It was through Divine Love I was able to say, 'Not My Will, but Yours be done.' The ones who cannot surrender to God's Will in the present moment are the ones who must be purified more completely in the Fire of Divine Love."

**June 11, 2004/ Public (Our Lady at the Arbor 6:00 P.M.)**

Our Lady is here in white. She says: "Praise be to Jesus."

"Dear children, this evening I tell you that Heaven weeps for lack of Holy Love within the heart of humanity. Each soul must embrace Holy Love and allow himself to be embraced by Holy Love. This is the solution to your wars, acts of terrorism, financial difficulties and disease."

"This bridge of Holy Love is God's generosity towards an apathetic society."

"You will receive My Blessing in your midst soon."

She is drifting back over the people towards Heaven.

**June 11, 2004/ 2nd Friday Rosary Service to Pray for Priests**

St. John Vianney is here and says: "Praise be to Jesus."

"Tonight I tell you that priests who draw their flock into the Eucharistic Heart of Jesus will succeed in converting many souls. Priests that downplay the centrality of the Holy Eucharist will lose many souls."

St. John extends his hands out over the priests in the apparition room. Then he says: "I'm blessing the people here with My Priestly Blessing."

**June 12, 2004/ Our Lady at the Arbor 6:00 P.M.**

Our Lady says: "Praise be to Jesus."

"Dear children, this bridge of Holy Love is the spiritual journey of reconciliation each soul and every nation must traverse in order to obtain peace in the world. Any other path is superficial and temporary, at best."

"Sin is the effect of lack of love in the world. Sin bears the bad fruits of war, disease, terrorism and natural disasters. I am here today to call every soul and each nation onto the bridge of Holy Love."

"I am blessing those present here."

**June 13, 2004/ Feast of Corpus Christi**

Jesus is here with His Heart exposed and says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I am here, your Savior—Body, Blood, Soul and Divinity—just as I am present in every tabernacle of the world. I love you, My children. I am drawing you into My Heart—deep into Divine Love. Do not leave My Love unattended."

"Today I am extending to you My Blessing of Divine Love."

**June 13, 2004/ Our Lady at the Arbor 6:00 P.M.**

Our Lady says: "Praise be to Jesus."

"I have come once again to bring peace and unity amongst all people and all nations. Before there is peace and unity, you must have love in your hearts. Brother must embrace brother in Holy Love and all must turn their faces towards God. It is not Heaven who gives you this, My dear children, but you yourselves who must choose it."

Our Lady takes Her leave floating over the people once again saying to me, "I am blessing them."

**June 14, 2004/ Our Lady at the Arbor 6:00 P.M.**

Our Lady says: "Praise be to Jesus."

"Dear children, I desire that you make every effort to propagate these Messages of Holy and Divine Love. It is in this way the scale of God's Justice will weigh in our favor. I would like to be able to tell My Son you are all trying to do this, for His Heart is so wounded."

**June 14, 2004/ Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus and Mary greet everyone here by nodding Their Heads and then motion with Their Hands towards Their Hearts as if calling to the people to enter into Their Hearts.

Jesus: "My brothers and sisters, your Jesus born Incarnate has come to ask your prayers and sacrifices for those who do not know Me enough to love Me. Tonight you lost your electrical power (storm). Many have lost their connection with Me because they love sin more than they love Me. Please pray for such as these. I tell you, many are My priests and religious."

"We're blessing you with Our Blessing of the United Hearts."

#### **June 15, 2004/ Our Lady at the Arbor 6:00 P.M.**

Our Lady says: "Praise be to Jesus."

"Dear children, it is from here I am opening My Heart to the world. Accept your Heavenly Mother's invitation. Renew your hearts in Holy Love."

"Follow the path that leads through My Heart to your salvation. This is God's Will for you. It is Holy Love."

At the end of the Rosary, Blessed Mother drifted over the people here and blessed them.

#### **June 15, 2004/ Public TO PRIESTS**

Our Lady says: "Praise be to Jesus. I have come to address My dear priest sons who have journeyed on pilgrimage to this site of Heaven's favor."

"I am here to increase your Faith, strengthen your trust and multiply My favors within your own hearts. Come to understand that the greatest miracle is the Holy Eucharist. Know that your vocation is under the safeguard of your Heavenly Mother's protection. Therefore, do not be anxious or fearful when the Adversary attacks, but run to Me, Mary Refuge of Holy Love. I will bless you."

#### **June 15, 2004/ Public**

"I am your Jesus, born Incarnate. I reveal to you yet another truth. The soul that invokes My Mother under Her title *Mary Refuge of Holy Love* is taken into Her Heart where truth is revealed and Satan cannot penetrate. For My Mother's Heart is God's Will and God's Will is all truth."

#### **June 16, 2004 -Our Lady at the Arbor 6:00 P.M.**

Our Lady says: "Praise be to Jesus."

"Dear children, once again I come to give you My Heart. I desire that you surrender your hearts to Me. Let us be united in Holy and Divine Love. Do not look at the differences between you, but with the eyes of love, see your oneness as God's creation."

Our Lady leaves, floating back over the people saying: "I am leaving the angels (there were hundreds with Her) to spread My love amongst you."

#### **June 17, 2004/ Our Lady at the Arbor 6:00 P.M.**

Our Lady says: "Praise be to Jesus."

"Dear children, allow Holy Love to transform your lives. Entrust your hearts to your Heavenly Mother. It is the hour when mankind must choose either to traverse the bridge of Holy Love or his own destruction. There is no half choice."

"See My appearing to you here above this arbor as a Mother's desperate call to her children to return to the path of righteousness."

"I am extending to all here present My Blessing of Holy Love."

#### **June 18, 2004/ Our Lady at the Arbor 6:00 P.M.**

Our Lady is facing the crowd. She is nodding Her greeting to everyone by bowing Her Head, and says: "Praise be to Jesus."

"You see this arbor, My children, which unites opposite sides of the garden—I invite you to let your hearts be like an arbor—uniting those of opposite belief and viewpoint. Remember this and transform your hearts in Holy Love."

Now Our Lady turns towards the priests on the porch. She nods and says: "My dear little sons, open your hearts to Holy and Divine Love. Assist your Heavenly Mother in bringing souls to their salvation and peace to the world."

Our Lady drifts back over the crowd and says: "I am blessing those here."

#### **June 18, 2004/ Midnight Service at the United Hearts Shrine Feasts of the Sacred Heart of Jesus/Immaculate Heart of Mary (This message was given in multiple parts.)**

Blessed Mother is here as Mary Refuge of Holy Love. Her Heart is exposed. She says: "Praise be to Jesus."

"Dear children, the purpose of all the graces Heaven pours out here is to bring souls back to God. Understand that these days the world has fallen off course and is not in harmony with the Father's Divine Will. Knowledge, power and money are gifts from God and not gods themselves. They must be used to champion the cause of moral justice, not for the destruction of life and immorality."

"Fashions, entertainment and literature reflect what is in the heart of the nation that uses them. It is that which is in the heart of the nation that determines each country's relationship with God. If the moral foundation crumbles so, too, shall the nation crumble."

"Dear children, please understand that infidelity to the truth bears the fruit of sin. You cannot make up your own truths and expect God to conform to them. You must conform to God's truth—His laws—His Divine Will."

"I have come to ask you to petition the Merciful Heart of Jesus to reveal to all sinners and every nation the truth of the presence of good and evil in their lives. For today, Satan makes good to appear evil and evil to appear good. For this reason self-love has been made into a god. Mankind has been blinded as to Satan's instruments in his everyday life."

"Dear children, run to the shelter of My Immaculate Heart in your time of need by invoking My title *Mary Refuge of Holy Love*. I have come to protect and guide My Remnant Faithful. Hold in your hearts the peace of this title which Satan cannot attack."

"Today each soul must decide if he is for God or against Him—is he for Holy Love or for love of self only. Once again, there are no half measures. Every moment you delay brings greater distance between God and man."

"Satan desires the destruction of your families, your countries and the entire planet. You must not cooperate with him. Choose to live in Holy Love. You do not understand, My dear little children, what evil lies in hearts. You cannot comprehend the fury of nature which is not in harmony with God's Will."

"I am giving you the grace to triumph. I am calling you to the Victory of Love."

"Dear children, you have traveled from so far. Your journeys were quite arduous and your Heavenly Mother understands your problems, your needs. I am taking all of your prayers, your needs into My Heart tonight, and I will lay them upon the altar of My Son's Eucharistic Heart. Do not fear, My little ones, or be discouraged. I long to share this victory with you now in this present moment when you say 'yes' to Holy Love."

"My children, tonight your Heavenly Mother is caressing you and blessing you with My Blessing of Holy Love."

#### **June 19, 2004/ Our Lady at the Arbor 6:00 P.M.**

My dear little children, remember always My coming to you above this arbor. Remember how the arbor signifies the bridge of Holy Love between Heaven and earth that you must help Me construct. I am not leaving you, My children. I will always look down upon you at this grace-filled area. Make My Immaculate Heart your shrine for My Heart is always with you."

"I am blessing your hearts and your lives."

#### **June 19, 2004/ Midnight Service at the United Hearts Shrine Feasts of the Sacred Heart of Jesus/ Immaculate Heart of Mary Feast Day – The United Hearts – June 20**

*(This message was given in multiple parts.)*

First, the United Hearts image appeared; then it melted away. Then Jesus and Our Lady appeared with Their Hearts exposed. Jesus said: "I am your Jesus, born Incarnate." Our Lady said: "Praise be to Jesus."

Jesus says: "I come here to assist My Father in establishing His Kingdom upon earth—His Kingdom of the Divine Will. My Father's Divine Will and Holy Love are one. Neither exists apart from the other. My Father's Kingdom will be established first in hearts that live in Holy Love."

"Power and fortune, even fine reputation mean nothing to Me. In truth these are often obstacles to the Divine Will. Abandon all of this and I will help you come into Holy and Divine Love. When My Father's Kingdom is well established amongst the Remnant Faithful, the apocalypse will begin. So you see, these days mark the onset of the end times."

"Prepare the innermost cloister of your hearts—not your domiciles. It matters not where you live, but how you live. It is your surrender to Our United Hearts that prepares you for all that is to come. Do not say to Me, 'I surrender' with your lips, but with your heart. Then We will come, My Mother and I, and establish within your heart the New Jerusalem. Do not look with dread to the future, but with joy and hope."

"This Feast Day of Our United Hearts is the feast of every soul who seeks sanctity through the Chambers of Our United Hearts. It is a journey unlike any other. It leads to the temple of God within."

"My brothers and sisters, see the symbol of Our United Hearts as the sign of Our victory. For Our triumph will come through love. The more you make this image known and pray the devotion of the United Hearts, the quicker Our victory will come. Therefore, assist Heaven in hastening Our triumph. I am listening to your petitions and you will find consolation."

"We are extending to you the Blessing of Our United Hearts."

#### **June 21, 2004/ Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, tonight We have come to thank you for your prayers and your sacrifices which rise to Heaven as a sweet fragrance from a great bouquet."

"Continue to pray for the conversion of sinners and for the adherence to the maxim of Holy Love by all people, all nations for this is the path to salvation and true freedom."

"Tonight We're blessing you with Our Blessing of the United Hearts."

#### **June 25, 2004/ Friday Rosary Service**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, once again I am in your midst. I am here to renew My reign over this small but tenacious prayer group. You persevere in prayer—you persevere in following God's Holy and Divine Will."

"While I am in your midst I ask of you to allow your hearts to be living flames of Divine Love, touching the lives of those around you, living the Messages. And I will bless you as I am blessing you now with My Blessing of Divine Love."

#### **June 28, 2004/ Public**

"I am your Jesus, born Incarnate. My sister, I have come to help you to understand that it is so much self-love which comprises the abyss between Heaven and earth. This self-love is inordinate, uncompromised and the root of every sin. This is so, for the sinner is attracted to the sin through some form of disordered self-love. Notice I say 'disordered self-love'. I desire each one love and respect himself as God's creation. Self-love is inordinate when it is first, and God and neighbor are second."

"Here are some forms this unmitigated self-love may take. Self-pity is one doorway Satan uses. In this type of self-love, the soul is taken into the past losing site of the present moment. He has a 'poor me' attitude—'look what happened to me'. He loses sight of the redemptive value of the Cross. He places himself at the center of his thoughts."

"Another form of self-centeredness is too much concern for one's appearance, health and/or comforts. Much time may be spent on outer appearances with little regard for what is in the heart. Or the person may be consumed with concern for reputation. This, too, is passing. It will not matter at your judgment how you appeared to others—only to Me!"

"The soul may open the door to self-centeredness by trying to please himself first, then others. Seeking to satisfy his own every comfort and then serving others is not Holy Love."

"In your thoughts ask for the grace not to think of how everything affects you. It will be given. Ask, instead of thinking of self, to focus your thoughts on Me, on My Mother, on eternal life, on the lives of the saints and on the needs of others. This grace, too, shall be given."

"Follow this path, for it is the bridge of Holy Love which spans the abyss of disordered self-love—the bridge which separates man from God."

## TESTIMONIES

On July 28, 2003, I hurt my back and was bedridden with a pinched nerve sending pain down my left leg. The pain was so strong that I could not walk. Monday, August 4, my doctor prescribed steroids for the problem. Tuesday, August 5, Blessed Mother's birthday, I came to Holy Love Shrine to pray. I stayed in bed until 2:00 p.m. and dropped off my prescription on the way to the 3:00 p.m. Rosary service. I was in a wheelchair at the beginning of the service. I asked Blessed Mother to please heal my back pain. I placed Maranatha Spring water on my back. I wanted to go to confession, so I left my wheelchair and walked to the front of the Prayer Center. I no longer had the sharp shooting pain down my leg!! The pain was gone. I didn't need the steroids. I was out of bed, out of the wheelchair and feeling wonderful!

Blessed Mother gave me a present on Her birthday. Thank you, Mother and Jesus!

On October 25, 2003, while visiting Maranatha Shrine with other pilgrims from Canada, I put some water from the Lake of Tears on my knees. I had been having severe pain in my knees and difficulty walking for months. I had a healing and was able to walk the United Hearts path to the St. Padre Pio Shrine, then the Stations of the Cross, across the United Hearts field, and back to the bus.

Thank you, Blessed Mother, for making this possible. Thank you, Jesus!

Our tour guide can attest to this!

# Jesus' Messages to the Remnant Faithful

The official publication of  
**HOLY LOVE, AN ECUMENICAL MINISTRY**

July 2004

*Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: 'Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism'.*

*Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness, and Our Blessed Mother says they are for all people – all nations.*

*To exclude Catholic prayer (the rosary) or symbols from the Ministry and ecumenical shrine would be to say Catholics must not be part of the ecumenical movement. This would be contrary to the local Bishops' efforts at ecumenism and the Holy Father's ecumenical efforts, as well.*

*All people and all nations are welcome to come and pray with us.*

*We do not, nor have we ever sought affiliation with the Diocese of Cleveland. As an ecumenical ministry, we do not seek their approbation and are not under the jurisdiction of Diocesan authority.*

## **BLESSED MOTHER'S NEXT MIDNIGHT VISIT WILL BE ON THE CREST OF THE FEASTS OF THE TRIUMPH OF THE CROSS AND THE FEAST OF OUR SORROWFUL MOTHER, SEPTEMBER 14-15.**

We will meet at 11:00 pm on September 14 at the Sorrowful Mother Shrine and Lake of Tears for Her special visit.

### **July 2, 2004 /Public**

"Child, I am your Jesus, born Incarnate. Every sinner, in order to enter the Gates of Heaven, must be purified in the Will of My Father. The Will of God is the Flame of My Mother's Heart which burns intensely, eternally and with unchanging love for all sinners."

"Immersed in the Flame, the sinner comes to realize his faults in living out the Commandments of Love. Run towards this Flame and allow My Mother to work Her miracles in you."

"You are mine and I love you."

### **July 5, 2004 /Monthly Message to All People and Every Nation (This message was given in multiple parts.)**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. I have come to help the world understand that true freedom does not come to you through wealth, fame or power. True freedom comes to the hearts of those who seek to do the Will of My Father."

"Some see freedom as the right to choose certain sins such as abortion or homosexuality. This is Satan's attempt to twist the truth. He has fooled many into compromising their own salvation. Millions are slaves to sins that are an abomination in My Eyes. Lust is not the same as love and self-love is the enemy of Holy Love. Self-love in its extremes convinces the soul that sin is his right. Indeed, it is a choice, but a choice for evil over good."

"Today, the innocence of childhood is violated like unripened fruit plucked from a tree and consumed by the voracious appetite of sin. Innocence is no longer cherished or safeguarded, but has become the victim of sinful appetites. This is what forms deep in the heart of souls and whole nations. It is a call for My Justice."

"My brothers and sisters, many do not recognize the evil that lies all around them for there is a fog of spiritual confusion over good and evil. But the time approaches when the conscience of the world will be aroused—then the difference between good and evil will be distinct. Pray that you make the right choices during these times."

"We're blessing you with the Blessing of Our United Hearts."

### **July 8, 2004 /Public**

"I am your Jesus, born Incarnate. Even amidst the fog of controversy and compromise, this Mission is the Flame of Divine Love in the world. It is the light which guides faltering footsteps along the path of salvation. It is the refuge of the spiritually oppressed."

"Just as Divine Love is Eternal, this Mission will be perpetuated from generation to generation. It is through daily living out the Messages that souls enter the wounded Heart of their Savior and become engulfed in the Flame of Divine Love."

"My Victory is here now in this Mission."

### **July 9, 2004 /2nd Friday Service to Pray for Priests**

St. John Vianney is here and says: "Praise be to Jesus." He greets Fr. G. by nodding, then says to him: "Thank you for coming."

"My brothers and sisters in Christ, please pray for priests to pursue personal holiness, for it is only in this way that their flocks will be converted. They must be an inspiration of virtue to the flock they have been entrusted with. This is the way they will be judged—according to the influence in Holy Love that they had on their flock."

"I'm extending to you my Priestly Blessing."

### **July 11, 2004 /2nd Sunday Service to Pray against Abortion ABOUT ABORTION**

Jesus is here with His Heart exposed, and says: "I am your Jesus, born Incarnate."

"My brothers and sisters, abortion is a black and white issue. There are no gray areas—there are no situations in which a little abortion is okay for there is **NO** small abortion. It is all murder. Surely you understand that if you live in Holy Love you can not support abortion—not in the way you live, the opinions you express, or the votes you cast."

"Today I'm blessing you with My Blessing of Divine Love."

### **July 12, 2004 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, those who come and receive the Message but do not allow it to heal the wounds of their soul are more responsible before My Judgment Seat than those who have never received the Message."

"We're blessing you with the Blessing of Our United Hearts."

### **July 13, 2004 /Public**

"I am your Jesus, born Incarnate."

"The ones who lead must lead with clarity. Ambiguity is a snare of Satan. I speak not only of those who lead in the governments of the world, but in the Church as well. There should be no compromise concerning support of abortion. Those who support abortion in thought, word or deed—sin! If you lend your own support to one who condones abortion by voting for him, the sin casts its shadow on you. Many come to the altar of My Eucharistic Heart guilty of such sin. Many a sullied hand offers the sacrifice of the Mass that is guilty of such sin."

"Abortion is the issue that charts the course of human history"

### **July 16, 2004 /Public**

"I am your Jesus, born Incarnate."

"My daughter, always stand for the truth. There is no salvation outside of the truth. Ask for the grace not to form opinions or make decisions based on emotion. Always presume the best in others. If you are right, you will have affirmed them in righteousness. If you are wrong, it is their own guilt that will convict them."

"False accusations bear disunity. Righteous accusations should be kept between the parties involved, for Holy Love dictates this. Be a harbinger of peace. Bring joy to others. Forgive one another."

### **July 16, 2004 /Friday Rosary Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. I have come especially to call all sinners along the path of Holy Love; for this, My brothers and sisters, is the path of salvation. It is I, Myself, who have given you Holy Love as I commanded you to love God above all else and to love one another as yourselves."

"So you understand that the path of your salvation is these two Commandments which are the fulfillment of every Commandment. The gateway to Paradise is Holy Love and the key to open it is your surrender."

"We're blessing you with Our Blessing of the United Hearts."

### **July 17, 2004 /Public**

"I am your Jesus, born Incarnate. I have come to tell you that greater merit is earned through trust than any other single virtue. I say this, for love and trust are the same. Holy Love and Holy Trust are always coupled and they are the embodiment of every other virtue. No one can trust Me who does not love Me. No one can say they love Me who does not also trust in Me."

"Those who worry or fear for any reason should understand they need to be purified through a deeper perfection in Holy Love."

### **July 17, 2004 /Public**

St. Thomas Aquinas comes and says: "All praise be to Jesus."

"Please understand that your country is on the verge of grave decisions. Much hinges on the next presidential election. If your country chooses compromise over righteousness it will sink into even deeper moral degeneration. Evil is trying to influence the outcome of the election."

"To further complicate matters, those who are orthodox in their beliefs choose disunity. This separatism is according to individual loyalties to certain devotions, mystics and apparition sites. All of these have the common goal of living in the Divine Will. If they would only recognize that the Divine Will of God is Holy Love, then all would be united and be a powerful force against evil. Even amongst smaller prayer groups there is disunity due to ambition and spiritual envy. The solution, once again, is Holy Love."

"Leaders, both in the Church and in the world, should put an end to ambiguity in their decisions. Once again, Holy Love is decisive and should be the measure of all decisions."

**July 19, 2004 /Public**

"I am your Jesus, born Incarnate. Shelter your hearts within the Divine Will of My Eternal Father, for His Will for you is the best for you—it is your salvation. God's Will for you is Holy Love."

**July 19, 2004 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, you must realize then, that the Refuge of the Divine Will which is Holy Love affords you God's Provision and protection. He will not allow the enemy to overcome you if you are living in His Will. He will reward you by answering your prayers."

"Tonight the Blessing of Our United Hearts rests upon you."

**July 21, 2004 /Public**

St. Martin dePorres comes. He says: "Praise be to Jesus Ever Present in the tabernacles of the world."

"I have come, dear sister, to help you understand that when Heaven advises, 'make the Message known,' that you cannot propagate the Message of Holy Love unless you are first living it. When I was in the world I made myself accountable for every scrap of food, every remnant of clothing, every coin that I was made charge of and, of course, every present moment. What my community could not use was freely given to the poor. None of my sacrifices were unwarranted. If this was so in my day, how much more is it so today?"

"Yes, make this known to all the people, that the best way to spread the Message is to be a living example of Holy Love."

**July 23, 2004 /Friday Rosary Service**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please understand that the Adversary-Satan by name-does not want you to be united, but divided through error and sin. I have come that you may be united in Holy and Divine Love, just as My Heart is united to My Mother's Immaculate Heart. It is in this way that we will be an immovable force, and we will be victorious."

"I'm blessing you with My Blessing of Divine Love."

**July 25, 2004 /Ecumenical Prayer for Unity Amongst All People**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I come to you to help you understand that My love for each soul is constant and eternal. Imitate My Divine Love in every present moment through love of neighbor and love of God above all else. Do not allow self-love to interfere with My call to you. You will increase in holiness if you follow this plan."

I'm blessing you with My Blessing of Divine Love."

**July 26, 2004 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, the United Hearts of Jesus and Mary is the Divine Will of God. Understanding this, you must see that living in Holy and Divine Love is God's Will for you. Be submissive to Holy and Divine Love, and in that way you will be always acting in God's Will."

"We are blessing you with the Blessing of Our United Hearts."

**July 28, 2004 /Public**

Jesus appears with light streaming from His Wounds. He says: "I am your Jesus, born Incarnate."

"You see My Mercy, My Forgiveness before you, spilling from My Wounds of Love. From moment to moment, souls present themselves to Me for their judgment and their souls are filled with unforgiveness. Purgatory is filled with such as these. Here I do not speak of that unforgiveness which is deeply buried in the soul—so deeply buried that the soul is unaware of it. The unforgiveness which bears the weight of judgment is the grudge that is willingly carried and allowed to bear bitter fruit in the heart and in the world."

"It is not that My Sacrifice was not enough for such as these, but that these begrudging souls will not allow themselves to enter into the sacrifice with Me. They cannot love when it is most difficult to love. They will not embrace the cross of personal injury and insult. The unforgiving do not imitate My Divine Mercy."

"Because Divine Mercy and Divine Love are My Father's Will, souls such as these reject God's Divine Will for them. It is a grace to be given the opportunity to forgive. For in practicing forgiveness for wrongs perpetrated against himself, the soul expresses his love for Me. His heart is unburdened. Then he is carried deeper into Divine Love."

"On the other hand, the unforgiving soul calls down judgment upon himself. He may be in Purgatory from age to age. This is so, for he may have spread this bitterness of heart around him to others, as well. This crime must be obliterated along with the unforgiveness he carried to judgment within his own heart. Souls are not only answerable for their own hearts, but for what they have spread to other hearts, too."

"An unrepentant, bitter heart is like a tapeworm devouring everything in its path and ravaging the heart that hosts it."

"I will speak to you again on this subject. Make this known."

**July 29, 2004 /Public**

"I am your Jesus, born Incarnate. I have come to help all understand that they must put all insult and injury behind them. Let it all be washed away by the grace of forgiveness. Understand that a contrite heart is pleasing to Me, but once you have experienced My Mercy on your behalf, you must trust My Divine Mercy."

"Do not allow yourselves to be trapped in a scrupulous conscience by refusing to believe in My Mercy. Forgive yourselves. Not to do so is a reflection of self-love. The soul cannot forgive himself as he cannot accept his own sinfulness. Ask Me for the help to be open to and accept My Mercy. The humble heart can forgive self and neighbor and does not waste time licking his wounds."

## REGULAR MONTHLY ROSARY SERVICES

"In every present moment accept God's Will for you. Do not hold anger in your heart for whatever God permits or ordains for you. Understand that you will be given the grace to handle every problem life hands you. My Father, Who sees all things, will not abandon you. Avoid a bitter heart at all costs, for many will be in Purgatory until the end of time because of bitterness of heart."

"Let forgiveness cleanse your hearts of all grudges. Then you will be ready for the Kingdom."

### July 30, 2004 /Public

Maureen: I was given the following interior vision:

I saw two hands that seemed to be climbing up a golden rope which led to the Immaculate Heart of Mary. Then there were needles and pins which were diving towards the hands and piercing them, making it difficult for the hands to hang onto the rope. All at once gloves covered the hands protecting them, and they continued to climb.

I was given the following interpretation:

The hands are a soul. The golden rope is the journey in holiness through Holy Love. The pins and needles are persecutions, misunderstandings and lies that attack the soul on his journey. The gloves that protect him from Satan's attacks are humility.

### July 30, 2004 /Friday Rosary Service

Jesus is here with His Heart exposed and says: "I am your Jesus, born Incarnate."

"My brothers and sisters, come into the sanctuary of Our United Hearts where every tear is wiped away and you will be filled with peace, love and joy. It is to this I call each soul-union with the Divine Will. Then I will bless you with My Eternal Blessing of Holy and Divine Love."

### July 31, 2004 /Public

"I am your Jesus, born Incarnate. I have come so that you will know that the soul who forgives all his enemies, his persecutors and detractors is a soul who is blameless in My sight. It is such as these that advance quickly through the Chambers of Our United Hearts. This is Holy Forgiveness and can only be accomplished through Holy Love."

"When the soul asks with a sincere heart, he receives My assistance in reaching this depth of forgiveness. This is not to say that he no longer holds unpleasant memories about certain people in his past, but he can recall these people and situations without anger. Anger and unforgiveness go hand in hand."

"Upon this journey of forgiveness, the soul begins to pray for the ones who have in some way injured him. The more unforgiveness is overcome in the heart, the more I fill the heart with My Divine Love-Divine Mercy. The soul must realize that this inner healing cannot take place in his heart apart from Holy Love, for it is love which must replace bitterness and anger."

*Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: 'Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism'.*

*Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness, and Our Blessed Mother says they are for all people – all nations.*

*To exclude Catholic prayer (the rosary) or symbols from the Ministry and ecumenical shrine would be to say Catholics must not be part of the ecumenical movement. This would be contrary to the local Bishops' efforts at ecumenism and the Holy Father's ecumenical efforts, as well.*

*All people and all nations are welcome to come and pray with us.*

*We do not, nor have we ever sought affiliation with the Diocese of Cleveland. As an ecumenical ministry, we do not seek their approbation and are not under the jurisdiction of Diocesan authority.*

## **August 2, 2004 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, tonight I offer you My Heart as an oblation for all iniquity, all sin. I surrender to you and I ask that you surrender, as well, to Me."

"We are blessing you with the Blessing of Our United Hearts."

## **August 2, 2004 /Public**

"I am your Jesus, born Incarnate. Take each present moment as it comes to you—the sorrow, the pain, the victory. God's Will for you is complete in every present moment. In your acceptance is your surrender."

## **August 3, 2004 /Public**

St. Thomas Aquinas comes. He says: "Praise be to Jesus. You must accept the truth I lay before you. Embrace it with your whole heart."

"Just as Holy Love is the light that shines through every virtue, this spiritual journey through the Chambers of the United Hearts is a well-lit path to personal holiness and sanctity which every soul will find himself upon in order to reach union with God. This journey is the Divine Will Itself."

"Therefore, the call to embrace this journey is not particular to race, creed, religious order or nationality; nor is it parochial to laity, clergy or religious. Indeed, it is for all people—all nations."

## **August 5, 2004 /Monthly Message to All People and Every Nation** (This message was given in multiple parts mostly from early this morning.)

Jesus and Blessed Mother are here all in white with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus says: "I am your Jesus, born Incarnate." They greet the priests and those here.

Blessed Mother says: "Thank you for coming here today."

Jesus: "My brothers and sisters, as we celebrate today the anniversary of My Mother's birth, let us contemplate in our hearts how our Heavenly Mother cooperated with God's plan for Her. In your hearts today, give Her the gift of this heavenly simplicity of purpose in your life by cooperating with God's Will in the present moment which is always Holy Love."

"I have come to help you understand what those devoted to the world do not understand. The world economy is based on mankind's love of consumerism. Satan is taking charge of the world's finances. He is putting into place the 'angel' chip which in years just ahead all will find necessary to have in order to conduct even the simplest of business on a day-to-day basis. This 'angel' chip—so named to give it a positive image—will be inserted under the skin. It will be touted as a way of finding lost children, making financial transactions more expedient and making readily available personal data in case of emergencies."

"Here is the truth. This 'angel' is a 'dark angel'. It will be used by Satan to seat the antichrist upon his throne. By means of this chip—which will carry with it the mark of the beast—the Adversary will be able to control minds. He will, in an instant, know the whereabouts of all who wear it. Through this little chip he will be able to ignite his brand of spirituality worldwide."

"Those who love Me—those who seek to live in the Divine Will—must never concede to wearing this 'dark angel' under their skin. You, My chosen ones, must not allow Satan to manipulate you in this way. You are Mine and I desire that you remain so. Your welfare is in the Refuge of Our United Hearts."

“We are united in Holy and Divine Love. Do not leave My Mother and Me for the sake of that ‘dark angel’ which would cause you to lose your very soul. Trust in My Provision. I will care for each of you in unheard of ways—ways that you could not fathom. My grace will pour into the lives of My Remnant. You must not fear. The hour is desperate for the millions who will follow Satan. You must not be desperate. You do not need all the answers of how you will survive. You need trust. My Remnant will be given opportunities to assist one another through Divine Providence.”

“I have not come to frighten you, but to expose the truth of these times in which you live. The days of the antichrist’s power will be shortened for the sake of the elect. See that he is already preparing to mount his throne. Never before have such blasphemous moral issues been the subject of political debate. Never before has such famine overtaken the world populace. Here I do not speak of starvation for lack of bodily nourishment. The world is hungering and starving for love. Yet, when I send My Mother with Holy Love, and when I come Myself with Divine Love, even My friends challenge Me.”

“This will not deter us from our chosen path. This Mission is eternal, just as love itself is eternal. It reaches from Heaven to earth, and back again to Heaven through the Divine Will of My Father. Evil will be defeated by a chain of events through this union of love.”

“Today We are imparting to you the Blessing of Our United Hearts.”

#### **August 6, 2004 /Friday Rosary Service**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, never fall into despair—always have hearts full of hope. You do not know what grace will come to you in the future. My grace will be more present to you in times of difficulties than in good times—the times you enjoy these days. You will find grace in unexpected ways—indeed unfamiliar ways—ways that will help you to help others, as well as yourselves.”

“Therefore, have no fear concerning the future for I am there already just as I am with you here tonight. And I am extending to you My Blessing of Divine Love.”

#### **August 8, 2004 /2nd Sunday Service to Pray against Abortion (Feast of St. Dominic)**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

St. Dominic is also present and is holding a rosary.

Jesus: “My brothers and sisters, the prayer of the Rosary has been given as a means of uniting Heaven and earth. If you could see through My Eyes the abandon with which human life is treated in the womb, you would be on your knees day and night begging My Mercy upon the world. These are urgent times—this is an urgent plea! Use your rosaries as weapons against evil.”

“We’re blessing you with Our Blessing of the United Hearts.”

#### **August 9, 2004 /Public**

“I am your Jesus, Divine Love—Divine Mercy, born Incarnate.”

“I have come to speak to you once again about unforgiveness. If love and mercy combined made a fine sauce, unforgiveness would be like a bitter herb that ruined the chef’s masterpiece when he added it. Unforgiveness in the soul is like a deadly disease—insidious at the onset, but as a deadly cancer to every virtue.”

“Resentments and woundedness are unforgiveness. These are like introverted anger. These are a form of pride buried deep within the soul eating away at personal holiness. Resentments and woundedness come from disordered self-love. The soul cannot accept the wrong that was done to him as God’s permitting Will. He cannot allow God to weave the tapestry of his own salvation. He cannot meet the challenge of becoming more humble.”

“I invite each one to surrender everything in the past to Me. Accept all the insults others have perpetrated against you with humility. This is how you surrender to forgiveness. Accept your own sinfulness and weaknesses. I do—I still love you and I forgive you!”

#### **August 9, 2004 / United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, each time I come to you in a heavenly vision, I bring special graces so that you may live deeper and more firmly united with Our United Hearts. Each time I come, the bond of Holy and Divine Love is strengthened forever between Heaven and earth.”

“Reverence these visions—these Messages. Pay attention to their call. Make them known.”

“We’re blessing you with Our Blessing of Our United Hearts.”

#### **August 12, 2004 /Public**

“I am your Jesus, born Incarnate. I invite all to understand that when you accept all things as from the Hand of God, you are living in God’s Divine Will—the Fourth Chamber. Do you see this as impossible? Then ask for My assistance for it is I who call you into My Father’s Will.”

“The Fourth Chamber is like a cloak that protects you from ambiguity, confusion, anger and sadness. Beneath this cloak is My Mother’s Mantle of Love. What a sublime place to be—never dissatisfied, ambitious or fearful—wanting only what God offers you in each present moment. Aspire to this.”

#### **August 13, 2004 /2nd Friday Service to Pray for Priests**

St. John Vianney is here and says: “Praise be to Jesus.” He looks at Fr. J. and gives him a blessing.

Then he says: “My brothers and sisters, I come that you may understand Jesus is the Way, the Truth and the Life. Make Him the center of your hearts.”

“Priests will always succeed in their vocations so long as they guard against inordinate self-love. This disordered love keeps them from saving souls. They must be examples of humility.”

“Tonight I’m extending to you my Priestly Blessing.”

**August 16, 2004 /Public**

"I am your Jesus, born Incarnate. My sister, I tell you, those who oppose My Mission here remain in their disbelief, for their hearts are held stubborn as Pharaoh's heart was held stubborn. Still the signs and wonders continue. Conversions abound. Consciences are convicted. Do not be surprised that the ones who set themselves up as judge and jury against Me refuse to be touched. This is a pharisaical spirit—a spirit prevalent in My own day."

"Disbelief by some does not alter the truth of the Messages and the Mission itself. These will perpetuate from generation to generation."

**August 16, 2004 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

They nod toward the guests in the apparition room—acknowledging them, smiling. Blessed Mother is pointing to Her Heart.

Jesus: "My dear brothers and sisters, once again I come to remind you that you cannot pursue the journey into Our United Hearts half-heartedly. Do not allow love of self to get in the way of your complete surrender of your health, appearance and comfort. This is the way to holiness—indeed the way to sanctity upon which I call you. Pursue this way. My Father in Heaven will embrace you."

"We're blessing you tonight with Our Blessing of Our United Hearts."

**August 17, 2004 /Public**

"I am your Jesus, born Incarnate. I have come to help you understand that this Revelation of Our United Hearts is a humble, simplistic Message. But because of this, the Message and journey into holiness strips the soul of all self-importance. This is not an easy journey for the proud heart to pursue. The Message bares the soul in the light of Holy and Divine Love. Most often those who have gained reputations of great merit in the world will deny the authenticity of this spiritual journey, for they are unable to bear up under the revealing light of Holy Love."

"The simplest and most humble heart progresses through the Chambers of Our Hearts with the greatest ease."

**August 20, 2004 /Public**

"I am your Jesus, born Incarnate. Today, it is true that Heaven weeps for the broken state of the Militant Church upon earth. My Mother holds the torn and wounded body of the Holy Priesthood in Her Arms and presses each priest to Her Heart. The grace of Her Immaculate Heart is the thread that will mend the Church."

"Therefore, understand that I issue a call to all priests to come to My Mother's apparition sites. Come to Maranatha Spring and allow the healing water to wash you clean. Come to the Lake of Tears. This is a profound outpouring of grace upon all humanity. Do not be discouraged by who believes or who does not. I invite you. Make it known."

**August 20, 2004 /Friday Rosary Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, Satan is continually trying to win your soul so that you will spend eternity with him in the netherworld."

"But I have come to call the world into the Flame of My Divine Heart which is Divine Love itself. This Flame is not a Flame of torment but a place of refreshment—a place where your faith is strengthened, and where your soul finds its fulfillment in the Divine Will of My Father. Come to Me, then, and do not wait."

"Tonight We're blessing you with the Blessing of Our United Hearts."

**August 22, 2004 /Ecumenical Prayer for Unity Amongst All People (Feast of The Coronation - Queenship of Mary)**

Jesus and Blessed Mother are here all in white with Their Hearts exposed. Our Lady is seated on a throne with a crown on Her Head. Jesus is standing behind Her right Shoulder. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, today is the Feast of My Mother's Coronation as Queen of Heaven and earth. She is named such, for She surrendered completely to Divine Love in every present moment. Allow the Will of My Father to be enthroned within your own heart. In this way you will surrender to Divine Love and I will be victorious in your heart."

"We're blessing you with the Blessing of Our United Hearts."

**August 23, 2004 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Archbishop Ganaka is here, as well. Blessed Mother and the Archbishop say: "Praise be to Jesus." They acknowledge the priests and sister in the apparition room; then Jesus and the Archbishop extend Their Arms and bless them.

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, please understand that My Victory begins in every present moment when a heart decides to take this spiritual journey into Our United Hearts. My Triumph continues and strengthens with every step you take towards holiness and sanctity. When I return I will be clothed in the Divine Will of the Eternal Father. I will recognize those who are similarly clothed."

"We're extending to you tonight the Blessing of Our United Hearts."

**August 27, 2004 /Public**

"I am your Jesus, born Incarnate. Today, I tell you, My Mother is calling together an army of victim souls, all of whom are Her handmaids—ready to serve Her in any way possible. This is the army that combats the apostasy, heresy and compromise which sweep through the Church challenging the Faith."

"Those who surrender themselves completely to My Mother in such a way will feel Her reciprocating love. Indeed, She will make of Her Immaculate Heart an open sanctuary of grace for these victim souls. These precious souls will not succumb to the enemy's attacks, nor shall they suffer beyond their means."

"I invite you to make this known."

## August 27, 2004 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I desire that all souls come into the Flame of Divine Love and be consumed by it. By this I mean that your hearts are always steeped in Holy and Divine Love, not only in times of love, peace and joy, but in times of conflict and confusion, as well. Then I will take you deep into My Heart."

"Tonight I am blessing you with My Blessing of Divine Love."

## August 30, 2004 /Public

St. Thomas Aquinas comes and says: "Praise be to Jesus."

"Today, I have come to tell you that discouragement and guilt often go hand in hand. These two are both Satan's tools. Together they promote insecurity in the soul that sets out with good intentions. He is made to feel his efforts in the past were inadequate and so they will be inadequate in the future. In this way Satan sets him up for failure before he begins."

"But you must understand that God can bring good from any situation. He can turn the feeblest efforts into a great and decisive victory. Each soul must learn to recognize Satan's guises. If the soul is blind to this, the Adversary enters the picture like a Trojan horse. I tell you, the battle is half won when the enemy is recognized."

## August 30, 2004 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, I desire that you understand that discouragement is a temptation—a temptation that you must avoid and not give in to. The soul that gives in to discouragement shows a lack of trust in My Divine Provision and the Eternal Will of My Father. All of this comes from a flaw in Holy Love. So, you must see that Holy Love is the support you need in the face of every temptation, especially discouragement."

"Tonight We're blessing you with the Blessing of Our United Hearts".

## TESTIMONY

In March 2003, my granddaughter, Madelynn, developed flu-like symptoms, but in a few days her feet and hands were causing great pain. She was tested for rheumatoid arthritis. She developed double vision, was sensitive to light, and had piercing pain above her right eye. I have always put her under our Blessed Mother's care. My friend, Jenny, called Holy Love to ask for Maddie's name to be put on the Blessing Point. The arthritis test was negative. Her vision was getting worse. The neurologist did more tests, but now Maddie had no reflexes. The CAT Scan was negative. Another test showed weakness in her arms. An MRI was negative. The doctors concluded that Maddie had a mild case of Guillan Barre Syndrome, which if severe can be fatal. They monitored her for several days, and sent her home. She is now doing great! Her eyes are normal, her energy is back. She said she saw her Guardian Angel in the garden! I know it was Blessed Mother's intercession that healed her!

## **BLESSED MOTHER’S NEXT MIDNIGHT VISIT WILL BE ON THE FEAST OF OUR LADY OF GUADALUPE DECEMBER 12.**

We will meet at 11:00 pm on December 11  
at the United Hearts Field

### **September 3, 2004 /Friday Rosary Service**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, you cannot be united completely with My Divine Heart so long as you hang on to your own will. In any given moment you must accept everything—everything as from the Hand of God. I place emphasis on the word ‘ACCEPT’ for what you do not accept, you do not surrender to Me.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

### **September 5, 2004 /Monthly Message to All People and Every Nation (This message was given in multiple parts.)**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” They greet the priests in the apparition room.

Jesus: “I am your Jesus, born Incarnate. Today I come to remind the world that the future of humanity rests on the degree of Holy Love in hearts. The fruit of Holy Love is peace and harmony with the Will of God. The fruit of hatred and love of self above all else is war, terrorism, famine, disease and every sort of natural disaster.”

“The barometer of Holy Love in hearts is the acceptance or rejection of sins such as abortion, same sex marriage and the sin of indecision concerning these issues. Government and Church leaders need to call these issues what they are—sins, not rights. The Ten Commandments may not be in vogue with some in the world, but they are still dictates from God to His people. No law can change that.”

“If you want wars and violence to stop, then turn away from compromise and sin and choose Holy Love. Those who support politicians who are in favor of abortion are as guilty as the abortionist who wields the instruments of death. Those who support homosexuality and/or same sex marriages in any way—for any reason—are guilty of sin, as well. Do not support sin because it is stylish or popular.”

“Once again I come into the world to call sinners onto the path of righteousness. This is the path of Holy and Divine Love that leads you through the Chambers of Our United Hearts. As you progress through these Sacred Chambers, allow Me to penetrate your heart with My Divine Love. Love must be sanctified by reciprocation. It is only by allowing Me into your heart that you will be transformed according to the Will of God.”

“Until now the heart of the world has been an empty chamber. But now, I offer you the warmth and security of My Merciful, Loving Heart. The more you empty yourselves of selfishness, the more I am able to fill you with Divine Love.”

“I come to help you understand that the journey through Our United Hearts is a journey of Loving Trust. Therefore, do not fear the future. When you fear, dear ones, you lose your focus on Our United Hearts and think in human terms—‘what will happen to me, my family, my environment?’ I am calling you to a greater reality—the spiritual reality of Our United Hearts where you will always be safe and secure when you lovingly trust in Me.”

“The future of your country begins in the present moment. If, through your free will, you choose Holy and Divine Love, you will help to shape a secure future for America. The choice is up to each soul and to all souls.”

“My brothers and sisters, how I long to fill each heart with My Divine Love. It is in this way that the Will of My Father will take up its reign over all people—every nation, and the whole world. When I return it will be in and through Divine Love. You can hasten My Triumph by spreading the Messages of Holy and Divine Love.”

“Today We’re blessing you with the Blessing of Our United Hearts.”

#### **September 8, 2004/ Public**

“I am your Jesus, born Incarnate. If you desire to move deeper into the Flame of My Divine Heart, I will tell you how to draw closer. Surrender everything to Me by accepting whatever the present moment offers as from the Will of God. Precious to Me are the ones who achieve this—yes, precious. Make this resolve then, and I will help you attain this goal.”

#### **September 10, 2004/ Public**

“I am your Jesus, born Incarnate. I have come to invite you to understand that just as My Mother dressed My Wounds when I was first laid in the tomb, so She is attempting to dress the wounds of the soul of the world with Holy Love. Some willingly accept Her tender and loving healing touch. Others spurn Her efforts through arrogance.”

“It is the arrogant that most need prayers and sacrifices. It is for these My Mother calls upon Her army of victim souls. You are a victim if you accept all your suffering for the salvation of others. Your acceptance is My Mother’s weapon. Empower Her in this way.

#### **September 10, 2004/ 2nd Friday Rosary Service to Pray for Priests**

The Image of the United Hearts appears. Then St. John Vianney appears next to it; however, he is very small.

St. John says: “Praise be to Jesus. My brothers and sisters, please realize that the Lord’s ardent desire is to engulf the heart of the Priesthood in the Flame of Divine Love. For it is within this Flame that all priests realize the gentle, humble path through the Chambers of the United Hearts which leads to the Divine Will of the Father. You will please make this known.”

“I’m extending to you My Priestly Blessing.”

#### **September 11, 2004/ Public**

“I am your Jesus, born Incarnate. Once again, I invite you to realize that as the Flame of My Mother’s Heart is a purifying Flame, the Flame of My Heart is a Flame of Divine Refreshment. When the soul begins to accept all things as from the Hand of

God, he begins to feel this Refreshment. The Flame of Divine Love is the Divine Will of My Father. Therefore, as it engulfs and consumes every heart, the Kingdom of the Divine Will shall be established in hearts and in the world.”

#### **September 12, 2004/ 2nd Sunday Service to Pray Against Abortion**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, please realize that every human being that is conceived in the womb is God’s Divine Will. Countries that oppose God’s Will take themselves on a path away from harmony with God.”

“My brothers and sisters, you must pray that more realize the sin of abortion, for those that do not oppose it are helping it.”

“I am blessing you with My Blessing of Divine Love.”

#### **September 13, 2004/ Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Our Lady and Our Lord nod Their Heads, smiling, and greeting the priests in the apparition room.

Jesus says: “I am your Jesus, born Incarnate. My brothers and sisters, do not be afraid to discover the faults within your own hearts. You will receive the grace to do so. I am protecting you from much evil, and I am leading you from disbelief to belief.”

“Tonight We’re blessing you with the Blessing of Our United Hearts.”

Jesus raised His Right Hand and blesses us in the manner of the Eastern Catholic Rite.

#### **September 15, 2004/ Midnight Service at the United Hearts Field Feasts of The Triumph of the Cross 9/14 and The Sorrowful Mother 9/15**

*(Message was given in multiple parts and given on the Feast of Triumph of the Cross.)*

Our Lady is here as Mary Refuge of Holy Love. She says: “Praise be to Jesus. I have come during this present moment to speak to all of My children.”

“Dear children, these days much attention is drawn to the oncoming storm (hurricane Ivan) which approaches this country. Many precautions are being taken to protect property. People are fleeing from its path and rightfully so. It will bring much damage with its arrival. Property and lives will be lost.”

“But most do not see the real threat that is challenging not only this country but the world. That is because Satan’s path cannot be charted. The desolation he brings lies hidden in hearts. The cost of his destruction cannot be summed up in dollars but in the loss of souls.”

“The hurricane spawns killer tornadoes. Satan spawns lies that have struck the heart of the Tradition of Faith. The hurricane spews a wake of fire. Satan sends souls into eternal flames.”

“Dear children, you fear what you see as real, but I tell you that what you do not notice is far more dangerous. Storms will come and go while Satan’s attacks and snares are always with you. Open your eyes and your hearts and begin your conversion through Holy Love. My Immaculate Heart is your protection—your Ark—amidst the storm of evil. It is necessary that you accept My Heart as Holy Love in order to secure yourselves in this Refuge of grace.”

“No longer separate yourselves according to belief, favorite devotion or apparition site—or even the God you worship. Come into the safety of My Heart—Holy Love. Be united in Holy Love. In My Heart everything is purified by love and made one.”

“Dear children, I tell you solemnly that your Heavenly Mother sorrows with equal measure today as I did at the foot of the Cross. Most of all I sorrow for those who have heard the Message of Holy Love but refuse to live it. Some believe they live the Message, but they do not live it when it is most difficult to do so. I weep for these My children who do not love with their whole heart.”

“Perhaps they love when others are watching, but as soon as their pride is pricked they are outraged. Perhaps they cast their vote for candidates who do not support life. You must not make this type of decision in your country’s next election for much depends on the outcome of this presidential election. You will not have peace in the world until all people and all nations live in harmony with the Divine Will of God.”

“Abortion is a sin and opposes God’s Ordaining Will. So much of what God orders, mankind destroys—human life, human dignity, childhood innocence to name a few.”

*(Given Just After Midnight)*

“My dear, dear children, tonight I come to you, not sorrowing but with joy, for you have come to Me here to be with Me, to pray with Me.”

“Please understand that the future of your nation and of all nations is dependent upon the Holy Love you hold in your hearts in each present moment. Do not barter peace with Satan, but always live in Holy Love.”

“Tonight I am blessing you with My Blessing of Holy Love.”

#### **September 15, 2004/ At the United Hearts Field**

Our Lady is here as the Sorrowful Mother. She says: “Praise be to Jesus.”

“My dear children, Jesus has allowed that I return to you tonight. I desire that you all discover the great gift of living in God’s Divine Will, for in this Will there are no problems, no worries, no sickness, but all falls away in His Divine Will. You will discover this when you learn to accept what He gives you in each present moment. Oh! My dear children, what a gift this is and how much it soothes the Heart of your Mother.”

“Tonight, My little ones, I’m blessing you with My Blessing of Holy Love.”

#### **September 17, 2004/ Friday Rosary Service**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

He greets the priests here, then says: “My brothers and sisters, this rosary (He is holding the Rosary of the Unborn) is like pure gold from Heaven and should be distributed around the world with the White Madonna. Now it is not possible, but in time it will be.”

“Please understand, My brothers and sisters, that your greatest burdens are those things which you have not accepted in your lives. Therefore, you have not surrendered them to Me. Your surrender is everything, for when you give Me everything completely, I am free to act through people and events to make things happen towards the Father’s Holy and Divine Will.”

“Tonight I’m extending to you My Blessing of Divine Love.”

#### **September 20, 2004/ Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, tonight I warn you do not be so presumptuous as to think that you can sanctify the present moment through your own accord, for I tell you that only with Divine help can you accept all that God sends you in each present moment.

Therefore, ask and you shall receive the help that you need.”

“Tonight We’re blessing you with Our Blessing of the United Hearts.”

#### **September 23, 2004/ Public**

“I am your Jesus, born Incarnate. Today, the world has been plunged into a sea of darkness—a sea which is fed by selfishness. It is excessive self-love which spawns devotion to money, power and love of reputation.”

“Consider the fruits that this path of darkness bears. Technology has been misused, giving birth to bigger and better weaponry to use against neighbor. The goods of the world remain unevenly distributed even though modern transportation could alleviate famine. The minds of great scientists, world and church leaders, have been annihilated through the sin of abortion, leaving in its wake incurable disease, wars and mishandled scandals.”

“I have come with My Mother to establish the New Jerusalem on this site. Where are those who seek it out? Here, I am strengthening the Remnant and increasing their numbers. Here, miracles take place filling hearts with the truth of Holy and Divine Love.”

“Yes, this truth is the miracle, for each soul finds his salvation through Holy Love in the present moment. I wish to engulf the world with this Flame of Love—never to be extinguished.”

“Once again, make this known.”

#### **September 24, 2004/ Friday Rosary Service**

Jesus and St. Pio of Pietrelcina are here. They both look at Father J. and smile.

Jesus says: “I am your Jesus, born Incarnate. My brothers and sisters, so much time and opinions are wasted and cast to the four winds concerning which messages and which apparition site to believe in.”

“Tonight I tell you THAT all each soul needs to know is THAT GOD’S WILL is their OWN PERSONAL HOLINESS AND SANCTIFICATION through HOLY LOVE in the PRESENT MOMENT.”

“They are wasting time—the ones who spend money and travel and waste present moments looking for other answers, bigger miracles and different solutions. Here you have it!”

“Tonight I’m blessing you with My Blessing of Divine Love.”

#### **September 25, 2004/ Public\***

St. Thomas Aquinas is here. He says: “Praise be to Jesus. The Lord has sent me to express these words to you.”

“Every Chamber of the United Hearts is clothed in the Divine Will of the Eternal Father. The deeper the soul is immersed in the Chambers of these Hearts, the more he is aware of the Father’s Will for him. When the soul reaches the Fifth Chamber—Unity with the Divine Will—he becomes the Divine Will himself. This union makes the soul one with the Father’s Will. Passing into the Heart of God the Father—the Sixth Chamber—is the enthronement of the Father’s Heart within the human heart.”

“The deeper the soul journeys into the Chambers of the United Hearts, the more difficult it is for him to slip backwards through sin or human fault. The souls who reach the Sixth Chamber rarely leave. But then, few there are who reach the Sixth Chamber.”

\* Galatians 2:20 “.....it is no longer I who live, but Christ who lives in me.”

**September 26, 2004/ Ecumenical Prayer for Unity Amongst All People**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, today once again I invite you to see the link between man's free will and God's Will. When this link is weakened because man chooses against Holy and Divine Love, you have desolation of hearts, desolation in the world through freaks of nature, crime and tyranny. We must pray always for those who hear the Message of Holy and Divine Love, but refuse it out of pride."

"Today I'm blessing you with My Blessing of Divine Love."

**September 27, 2004/ Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, always stand for the TRUTH, for that is the Will of God for you. So many convolute the truth to serve their own purposes, but I tell you that the Will of God and the truth embrace Holy and Divine Love."

"Tonight We're blessing you with the Blessing of Our United Hearts."

**September 27, 2004/ Public\***

St. Thomas Aquinas is here. He says: "Praise be to Jesus. I have been sent to help you understand these truths."

"The deeper the soul is drawn into the Chambers of the United Hearts, the more the soul resembles this love. Finally, in the deepest Chamber the soul becomes Holy and Divine Love, thus establishing the Kingdom of the Divine Will within his own heart."

"So then, as the soul becomes the Divine Will of God, there is nothing in his heart which is contrary to Holy Love, either in thought, word or deed. Such a soul has entered the Purgatory of My Mother's Immaculate Flame of Love. He has recognized his faults and failings and purged himself of them by not accepting their existence; that is to say, he renounced everything in his heart that was not of God—not Holy Love."

*(Later the same day)*

"Such a soul, the soul who has become Divine Love, has successfully renounced any thought, word or deed which does not come clothed in Holy Love. Thus he is not only a vessel of Divine Love but has become the Divine Will of God."

"This is the goal all should seek in their journey through the Chambers of the United Hearts of Jesus and Mary."

\* Galatians 2:20 ".....it is no longer I who live, but Christ who lives in me."

**TESTIMONY**

I have recently returned from my visit to Holy Love Shrine on June 18, 19 and 20, 2004. I am writing to share with you the healing that I received on June 19, 2004. I have been healed of chronic asthma. I no longer use the steroid medication that I had been using for three years. My asthma was steadily getting worse. I thank the United Hearts of Jesus and Mary for this healing.

# Jesus' Messages to the Remnant Faithful

The official publication of  
**HOLY LOVE, AN ECUMENICAL MINISTRY**

**October 2004**

*Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: ‘Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism’.*

*Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness, and Our Blessed Mother says they are for all people – all nations.*

*To exclude Catholic prayer (the rosary) or symbols from the Ministry and ecumenical shrine would be to say Catholics must not be part of the ecumenical movement. This would be contrary to the local Bishops’ efforts at ecumenism and the Holy Father’s ecumenical efforts, as well.*

*All people and all nations are welcome to come and pray with us.*

*We do not, nor have we ever sought affiliation with the Diocese of Cleveland. As an ecumenical ministry, we do not seek their approbation and are not under the jurisdiction of Diocesan authority.*

## **BLESSED MOTHER’S NEXT MIDNIGHT VISIT WILL BE ON THE FEAST OF OUR LADY OF GUADALUPE DECEMBER 12.**

We will meet at 11:00 pm on December 11 at the United Hearts Field

### **October 1, 2004/ Feast of St. Therese, The Little Flower** St. Therese says: “Praise be to Jesus.”

“Child, the loving heart accepts all things as God’s plan for him. He does not take into account either his blessings or his crosses, but counts all things as equal. He is able, then, to practice Holy Love in every present moment, not counting cost to self but only abiding in love.”

### **October 1, 2004/ Friday Rosary Service/ Feast of St. Therese, The Little Flower**

Jesus and Blessed Mother are here with Their Hearts exposed and St. Therese is slightly to Their front. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, live every present moment united to the Divine Will of My Father in Heaven. Accomplish this by giving every thought, word and deed over to Holy Love. This is the way of your sanctification and the Will of God. Besides this, take as your example this Saint (He motions toward the Little Flower). Have no guile in your hearts—be simple and childlike in all things, trusting in My Divine Provision.”

“Tonight We’re blessing you with the Blessing of Our United Hearts.”

### **October 2, 2004/ (At Adoration)**

“I am Yahweh, God the Eternal Father, the Father of All Nations.

Everything is created by and through My Divine Will. Every creature is made by My Hand to give glory to My Name. Every creature is created in love—to give love and to receive love in return.”

“Every heart and all nations will receive their judgment according to their response to the Divine Love I offer. Harmony with the Divine Will dictates harmony with one another.”

“As Father of All Nations, I call every nation and all people to be reconciled with one another and live in accord with My Divine Will which is Divine Love Itself.”

“The nations that accept My Lordship over them will not allow moral issues to become political issues. I speak of new life in the womb present at conception, condoning same sex marriages, and all the advanced technology which seeks to create life, destroy life and play God.”

“Mankind has not been created to determine the beginning and the end of life, but to love Me above themselves and to love each other.”

### **October 4, 2004/ Feast of St. Francis of Assisi**

St. Francis says: “Praise be to Jesus.”

“The truly poor in spirit, sister, have divested themselves of their own will. In this way they pay no heed as to how others perceive them. They understand they are only what they are in the Eyes of God, for the Lord looks past all pretense into the heart.”

“This is the essence of the Mission here—to allow Holy Love which is God’s Will to completely possess the heart, thereby having no self-interest in thought, word or deed.”

#### **October 4, 2004/ Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. Today, My brothers and sisters, you are experiencing the onset of the New Jerusalem within your midst. For as it is in hearts, soon it will be in the world around you. The harvesting angels are gathering, ready to separate wheat from chaff. My brothers and sisters, ready your hearts.”

“Tonight We’re blessing you with the Blessing of Our United Hearts.”

#### **October 5, 2004/ Monthly Message to All People and Every Nation** *(This message was given in multiple parts.)*

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” (A personal message was given by Our Lady.) Then Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “Truly I tell you, the nation which condones sin in the name of ‘freedom’ supports convoluted truth which has brought about the demise of many a society.”

“Today people are drawn closer by means of modern communication and transportation. Yet the abyss between mankind and his Creator grows wider and wider. This is because humanity has chosen a perverse self-love over love of God and neighbor.”

“I have sent My Mother here to this site and I come Myself, too, with the purpose of drawing My people closer to God through Holy and Divine Love. Let your hearts be filled with this Message. Respond to My Call to conversion, holiness and sanctity. It is not too late to change the course of human history.”

“In this nation each one has a solemn choice to make in the upcoming election. If you live in righteousness you must choose a president who supports righteousness. He must mean ‘yes’ when he says ‘yes’ and ‘no’ when he says ‘no’—all according to Holy Love and not the political atmosphere. Your vote should support life from conception to natural death. Your vote should support the institution of marriage towards the end of procreation—not lust. These are moral issues that should be accepted by all according to righteousness—not voted upon. But today, the extreme is the norm and sin has become a political football.”

“I wish to describe to you the New Jerusalem. It is the Kingdom of the Divine Will which I am establishing in hearts and in the world around you. In this Kingdom there is no confusion—only peace. It is a deep peace that comes when the soul is in union with the Will of My Father. The soul wants for nothing except deeper union—to be more holy. He has no fear, for he is not attached to reputation, physical well-being or even his own comforts. His comfort is complete confidence in God. His only concern for reputation is how he stands in the Eyes of God. He accepts everything as from God’s Hand. It is this peace I call each soul to embrace.”

“My brothers and sisters, please understand that My Victory and the New Jerusalem can be in your heart in this present moment when you say ‘yes’ to the Divine Will of My Father. Accept with trustful surrender everything that the present moment presents, and know that My Provision is yours. Prayer is the way out of every situation.”

“Today We’re extending to you the Blessing of Our United Hearts.”

#### **October 7, 2004/ Feast of Our Lady of the Most Holy Rosary**

“I am your Jesus, born Incarnate. I have come to help you understand the length and breadth of My Father’s Divine Will for you. My Father is the author of every present moment. He is the Creator of man’s free will. Think of the joy in all of Heaven when a

breath is drawn and the tongue given over to prayer—the prayer of the Holy Rosary. All of Heaven sighs with joy when free will surrenders to the Divine in this way.”

“When the ‘Hail Mary’ is being prayed from the heart, time stands suspended between Heaven and earth. Angels carry the light of grace back and forth between Heaven and earth, creating a bridge of light between the soul and his Creator. Such a soul is never alone, but has in his company all the Heavenly court.”

“You will please make this known.”

#### **October 7, 2004/ Feast of Our Lady of the Most Holy Rosary**

Jesus and Blessed Mother are here and are framed by the Rosary of the Unborn. Their Hearts are exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, if you knew the power of the rosary that you hold in your hands and that you pray with your hearts, you would never put it down. It would always be with you and the prayers would always be on your lips. As it is, mankind wastes time with technology to **develop modern weaponry that can destroy human life**. But your enemy is not human—it is Satan himself—and the rosary is the weapon you must use.”

“Tonight We’re blessing you with the Blessing of Our United Hearts.”

#### **October 8, 2004/ 2nd Friday Rosary Service to Pray for Priests**

St. John Vianney is here and says: “Praise be to Jesus.”

“Today, my brothers and sisters, pray for all priests to help the souls in their charge to recognize the Divine Will of God in their lives. In so doing they must help the little lambs recognize the preciousness, the uniqueness of every present moment. This is the way to holiness—this is the way to sanctity.”

“I’m extending to you my Priestly Blessing.”

#### **October 10, 2004/ 2nd Sunday Service to Pray against Abortion**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, I have come to tell you that abortion is another name for murder. You cannot destroy the life that your Creator places in the womb. It is God’s Will that these children live to give honor and praise to Him to earn their salvation, their sanctification and unity with the Divine Will. You must not go against God’s Plan in any way—there is no compromise.”

“Today I’m blessing you with My Blessing of Divine Love.”

#### **October 11, 2004/ BLESSED MOTHER TO HER MISSIONARY SERVANTS OF HOLY LOVE**

Blessed Mother says: “Praise be to Jesus. Child, I invite you to see that today the Tradition of Faith is not easily recognized in the Universal Church. The Church itself is concealed in controversy, scandal and confusion—hardly visible as the Church My Son founded.”

“In the light of all this, I invite you to a deeper understanding of this Mission in the world today. Heaven is establishing this Mission internationally as a gateway to the New Jerusalem which is the reign of the Divine Will in all hearts. The gateway to the Kingdom of the Divine Will is My Immaculate Heart. The Kingdom cannot be established in the world until all hearts are cleansed in the Flame of My Heart which is Holy Love. It is this Flame of Love which reveals and convicts all error. Therefore, understand that the Church itself must pass through this Flame in order to be re-established in the Tradition of Faith.”

“When the illumination of consciences comes, the Flame of My Heart will engulf the world. Old and young, pharisees and theologians, hierarchy, priests and laity will know where they truly stand before God in the light of Holy Love. Towards this end, the Mission is preparing people to begin their conversion—to change their lives and live according to Holy Love.”

“The signs and miracles on the property are given to draw people to the Message. These are proof of the authenticity of Heaven’s work here. Slowly, I am rebuilding the Church from the inside out which is why I desire priests to come here in great number.”

“I have given you a clearer understanding of the Mission, for the time is upon us when greater crowds will come seeking what they cannot find in the Church as it now exists and in the world itself. All that troubles the world is the result of lack of Holy Love in hearts.”

**October 11, 2004/ Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, please understand that nothing is as important as the state of your soul. If your heart is in accord with the Divine Will of My Father, then you will see God’s Provision in every present moment. Do not give your hearts over to worry—give them over to your own personal conversion through Holy and Divine Love.”

“Tonight We’re blessing you with the Blessing of Our United Hearts.”

**October 15, 2004/ Friday Rosary Service**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I have come to caution you not to allow your own free will to become the enemy. This could only happen if you do not accept what the Divine Will of My Father offers in the present moment. For I remind you that in your acceptance of the Divine Will is your surrender. I desire that you surrender every area of your life to Me; then, I will bless you with deep peace and joy.”

“Even now I’m blessing you with My Blessing of Divine Love.”

**October 16, 2004/ Public**

“I am your Jesus, born Incarnate.”

“Today I invite you to understand that My Mercy comes to you in many ways. First and foremost, My Divine Mercy forgives your sins. Yet, there is more to My Divine Mercy than forgiveness. My Mercy comes to you as the grace which convicts your conscience and draws you to conversion. It is Divine Mercy which sheds grace upon this Mission in the Messages, miracles and healings. It is Divine Mercy that brings together the human soul and the Divine Will of My Father.”

“My Mercy is the embrace of Divine Love. Neither Divine Love nor Divine Mercy exist apart from the other. They are one.”

**October 18, 2004/ Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, Holy Love in every present moment is the best gift that we can give to each other. I continually offer you this gift trying to draw you into My Mother’s Immaculate Heart which is Holy Love, there to be purified in the Flame of Her Heart. You must accept the gift which is your present to Me.”

“You will make this known.”

“We’re blessing you with the Blessing of Our United Hearts.”

**October 21, 2004/ Public**

“I am your Jesus, born Incarnate. I have come to describe to you the anatomy of sin.”

“All sin is a transgression against Holy Love—from the smallest white lie to murder. The soul chooses to sin, for he loves the sin more than God and neighbor. If lying is the habitual sin, it is because truth reveals the sinner’s own weakness. The soul steals because he feels he deserves more and better than what God provides.

Abortion which is murder in the womb is the result of loving self more than the life God provides and creates in the womb. Love of power and prestige convolutes many from leading worthily in Holy Love and turns leadership into control and manipulation. The fruits of this are fear, anger and unforgiveness.”

**October 21, 2004/ Public**

“I am your Jesus, born Incarnate.”

“The Ten Commandments are really ten laws of Holy Love. Violation of any one of these laws to any degree wounds My Sacred Heart. Just as sin rejects Holy Love, sin also rejects the Will of God, for Holy Love is the Divine Will. Therefore, see that the Heart of My Father is pierced by the sins of mankind, as well.”

**October 22, 2004/ Public**

“I am your Jesus, born Incarnate. I tell you, the soul who tries to satisfy himself will never be satisfied. The soul who seeks to satisfy Me will find his heart overflowing with joy. The soul that seeks only to appeal to Me empties his heart of worldly concern so that I can fill it with My Divine Love.”

“Everything that appeals to the heart—that is, of the world—is passing. What lasts is that which passes between Our Two Hearts. It is either love or an empty gap that was never bridged by Holy Love on the part of the soul. My Sacred Heart never wearies extending Divine Love towards each human heart. I never weary casting the Flame of My Divine Love towards the errant heart, calling it back into the fold of righteousness. So often Divine Love is rejected, for the human heart—watered down by so much iniquity—does not allow the Flame of Divine Love to engulf it.”

“It is a cooperation between free will and the Divine Will that brings peace, love and joy into the heart of the world.”

**October 22, 2004/ Friday Rosary Service**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, I come to you to show you the path of your sanctification and so that you may embrace the Divine Will of My Eternal Father and be embraced by the Divine Will. All of this comes to you by way of My Mercy, and through My Mercy I invite you to desire sanctification. If you have this desire in your heart, you will receive more than you need to reach your goal.”

“I’m blessing you with My Blessing of Divine Love.”

**October 24, 2004/ Ecumenical Prayer for Unity Amongst All People**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, I call each soul here to be nurtured with the Message of Holy and Divine Love. I desire each soul assimilate this Message just as the body assimilates food. Let it become part of you. Let it make you grow in your journey towards Divine Love. This is the reason I bring all people and all nations here.”

“Today We’re blessing you with Our Blessing of the United Hearts.”

**October 25, 2004/ Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. Tonight, My brothers and sisters, I have come because I long so much to share Paradise with each one of you. It is through My Divine Mercy and Divine Love which are one, that you can attain this Heavenly goal. My Love and Mercy can only come to you through the Heart of My Mother which is Holy Love. Therefore, I urge you, choose Holy Love urgently in every present moment. My Mother will assist you. She will lead you into Divine Love, Divine Mercy, My Sacred Heart.”

“We’re blessing you tonight with the Blessing of Our United Hearts.”

## October 26, 2004/ Public

"I am your Jesus, born Incarnate."

"I have come so that you will understand that often for the soul to maintain his peace, he must pray for the grace of holy courage. It is this grace of holy courage that enables the soul to live in the present moment avoiding the temptation towards discouragement, feelings of guilt or worry. These are all weapons of Satan that he uses to tempt the soul away from the path of righteousness and to abandon the cross."

## October 27, 2004/ Public

"I am your Jesus, born Incarnate."

"Child, you are pondering the fleeting of each present moment. Your knowledge of this is miniscule. There is no time or space that limits My knowledge of moment to moment events in hearts in every present moment. I would like to share this with you."

"In every present moment a myriad of souls are passing from this world to the next, standing before Me in their final judgment. Most are unprepared. Every moment sees the death of life in the womb by the sin of abortion. Every moment sees hatred breed new plans of violence and terrorism which take root in hearts. Every present moment sees the injustice of hunger and disease around the world."

"Do not mourn the moments which are past, but invest your heart in Holy Love in this present moment, for herein lies your salvation. Pray for those who do not pray. These are the ones most hurtful to Me."

## October 29, 2004/ Friday Rosary Service

Jesus and Blessed Mother are here with Their Hearts exposed. There are many sparkling lights all around them. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, please understand that if you practice any virtue or display any emotion merely to impress others, you are not living in the truth. The truth is humility itself. Everything you say and do must be a reflection of what is truly in your heart. It does not matter what others think of you. This is a tool of Satan to make you regress on the path of holiness. But you will come steadily deeper into My Sacred Heart if you always stand for truth itself. Do not be afraid of this."

"Tonight We're blessing you with Our Blessing of the United Hearts."

## October 30, 2004/ Public

"I am your Jesus, born Incarnate."

"I have come to tell you what you have suspected all along. The entire Prayer Site is immersed in the Flame of Holy Love. Therefore, when the soul steps onto the property, it is as though he has stepped into the Flame of My Mother's Heart. If he does not feel convicted of where he stands before Me in Holy Love, it is because his own pride supersedes this grace."

"I hold apart a special portal of grace for priests, hierarchy and visionaries who run to My Mother for protection during these times. This portal admits easily and quickly those who fly to Her patronage under the attacks of persecution and compromise. This special door of grace opens quickly with the words, *'Mary, Refuge of Holy Love, guide and protect me'*.

"Priests, visionaries and even hierarchy who embrace the truth of the universal faith will find prompt assistance by Her Motherly Hand through this prayer."

# Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of  
**HOLY LOVE, AN ECUMENICAL MINISTRY**

**November 2004**

*Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: 'Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism'.*

*Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness, and Our Blessed Mother says they are for all people – all nations.*

*All people and all nations are welcome to come and pray with us.*

*We do not, nor have we ever sought affiliation with the Diocese of Cleveland. As an ecumenical ministry, we do not seek their approbation and are not under the jurisdiction of Diocesan authority.*

## **FUTURE PROMISED APPARITIONS**

**Divine Mercy Sunday - April 3**

**Feasts of the Sacred Heart, Immaculate Heart and United Hearts - June 10-12**

"My children, Jesus wants you to know that He is coming at MIDNIGHT the MORNING of Divine Mercy Sunday with a special message for the world. He will come in the United Hearts Field, He is doing this because Divine Mercy and Divine Love are never separated, but always together in the heart."

"My next public visit (to the Visionary, Maureen) will be at midnight between the feast of the Sacred Hearts and My Immaculate Heart."

"Following that, going into the Sunday that We wish to be named the *Feast of the United Hearts*, My Son and I will appear (to Maureen) at midnight in the United Hearts Field." *Blessed Mother, December 15, 2004 (Part of Personal Message)*

**WE WILL MEET IN THE UNITED HEARTS FIELD AT 11:30 PM APRIL 2 FOR THE DIVINE MERCY VISIT. THEN, WE WILL MEET AGAIN AT 11:30 PM IN THE UNITED HEARTS FIELD ON JUNE 10 AND JUNE 11 (TWO MIDNIGHT VISITS).**

**MARK YOUR CALENDARS. PLEASE JOIN US FOR THESE SPECIAL DAYS OF PRAYER AND GRACE. MORE DETAILS TO FOLLOW.**

### **November 1, 2004 /Public**

"I am your Jesus, born Incarnate."

"Dear child, once again I come to tell you that all I have chosen for you is at hand in this present moment. Grace is always accompanied by the Cross, and the Cross is always clothed in grace. The Will of My Father, Who is All, orders all things mightily. Nothing occurs outside of His Will. Accept both victory and defeat, for neither is as it seems."

"If you are quiet in the recesses of your own heart, you will discover that when one door closes another is made apparent and opens. Therefore, there is no concern that should disquiet you."

### **November 1, 2004 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, please understand that every present moment is given to you through the direction of the Divine Will. Therefore, each present moment is designed specifically for your benefit, your sanctification. Accept everything, then, in the spirit of love, and do not raise objections against inconveniences and persecutions."

"We're blessing you tonight with Our Blessing of the United Hearts."

### **November 5, 2004 /Monthly Message to All People and Every Nation**

**(This message was given in multiple parts.)**

Jesus, Blessed Mother and St. Michael are here. Blessed Mother and St. Michael say: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. I congratulate

your nation on its recent election. Your country will be spared further moral degeneration for another four years. We must work diligently now to oppose the convulsion that is in so many hearts. Moral issues should never become political issues. A couple of decades ago it would have been laughable just to think of voting on the issue of same sex marriage. How obtuse consciences have become!"

"Once the dignity of human life was challenged, the door was open to anything being challenged. The key that Satan uses to compromise hearts on every issue is inordinate self-love. Yes, self-love has become an opiate for this generation. I have come to call this prodigal generation back to the center of its existence in time which is the Divine Will of My Father."

"Today the term 'freedom' covers a multitude of sin. I give each soul his own free will at conception. The decisions each soul makes from moment to moment are all part of this free will. These choices can be good or evil. Therefore, choosing evil such as abortion or homosexuality is the by-product of free will. When souls choose such evil they really become slaves to sin. The ultimate freedom is to live in acceptance of My Father's Divine Will for you in every present moment."

"Do not think that you can sit back and ponder endlessly your decisions between good and evil. Once again I remind you—not to choose, is to choose. Your indecision not to oppose evil lends power to Satan. I have given you the laws of Holy Love with which to decide. Holy Love has four more years with which to strengthen hearts and fortify this country in righteousness. Each heart matters."

"Understand that every affliction or trial can be used to either strengthen or weaken the soul. The more the soul accepts My Father's All-Knowing and Divine Will for him, the stronger he becomes spiritually. In your acceptance is your trustful surrender."

"You see the recent hurricane season which wreaked havoc on Florida as a terrible disaster—which it was. But I tell you because so many accepted these trials in the light of Holy and Divine Love, a far worse disaster was avoided, for much evil controls certain hearts."

"Today, My brothers and sisters, I am dispatching St. Michael and his warrior angels to protect the borders, the ports and every mode of transportation of this country from the evil that threatens them. What I cannot protect is the choice of free will that man makes within his own heart. Therefore, we must pray against Satan's tool of hatred, and we must make this Message of Holy and Divine Love known with courage and conviction."

"We're blessing you with Our Blessing of the United Hearts."

#### **November 8, 2004 /Public**

"I am your Jesus, born Incarnate."

"I have come to dictate to you the first of many messages on holy littleness of heart. It is such as these that reach the Kingdom of Heaven before all others, for these are the childlike souls who most resemble the Divine Will of My Father."

Maureen: "I just want to help the Church to be healed, Jesus."

Jesus: "This is how. The spiritually little are the ones who are self-effaced. They place God and others first. In this way they take Holy Love a step farther, for they love their neighbor more than self. The spiritually little take delight in little things, such as the Hand of God in nature, the gift of life from Heaven, the very conveniences God provides for them."

"Such souls are not intent on their own way or on their own opinions. They desire only what God chooses for them. The spiritually little never seek out recognition, acclaim or prestige in the eyes of man. These souls recognize that the only opinion of value is God's opinion of them. Souls such as these desire hiddenness. Their spirituality is clothed in the hidden life they share only with Me. The ones who try to appear holy in the eyes of others have not discovered genuine holiness. The truly holy little one never announces the graces he receives from Heaven. He always desires others be considered more holy than himself."

"No one can attain sanctity outside of spiritual littleness. Begin to make this known."

#### **November 8, 2004 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. (Juan Diego came first and sprinkled rose petals on the floor. Jesus and Our Lady are now floating on a cloud above the rose petals.) Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate." (They now nod toward the guests, acknowledging them.)

Jesus: "My brothers and sisters, thank you for the sacrifice of your journey here. I am pressing your intentions into My Sacred Heart and carrying them to Heaven. You will feel the grace in your hearts and in your lives, and in the world around you."

"Understand, My dear ones, that it is the spiritually little that progress with the greatest ease through the Chambers of Our United Hearts. Therefore, seek always to be hidden and little, and you will be big in My Heart."

"Tonight We're blessing you with the Blessing of Our United Hearts."

#### **November 9, 2004 /Public**

"I am your Jesus, born Incarnate. I have come to continue My lessons to the world through you on holy spiritual littleness."

"The holy souls in Purgatory are being purged of everything that keeps them from this littleness. It is this complete dying to self that makes the soul childlike in My Eyes. The child, you know, trusts his parents to provide every need. He runs to the refuge of his mother's arms when in trouble. His heart is light and full of joy in many little things. This is the way I call all souls to be."

"Abandon your fears and your cares to the tender embrace of your Heavenly Mother. Trust in Divine Providence. Subscribe your heart to the joy of spiritual abandonment—spiritual childhood. Then you will feel peace, love and joy in your heart as Heaven's embrace."

"I will bless you."

#### **November 12, 2004 /Public**

"I am your Jesus, born Incarnate." I have come to help you understand the quest of this Mission."

"Just as My Mother dressed My Wounds when I was laid in the sepulcher, so too, is She dressing the wounded heart of the Church today and in this present moment. My Mother is using this Message of Holy and Divine Love as a healing balm upon the open wounds of the heart of the Church. She has formed the Missionary Servants of Holy Love as a means of calling all people into a universal and ecumenical effort—the Faith of the Church."

"The more this balm of Holy and Divine Love is spread, the quicker the healing Victory."

**November 12, 2004 /2nd Friday Rosary Service to Pray for Priests**

St. John Vianney is here and says: "Praise be to Jesus."  
(He's dressed as for Mass.)

"Today priests need to realize that the sacraments give spiritual life to their flock. It is the priest's job to bring the sacraments to their people. This is their responsibility. All other things such as being a great preacher or great socializer amongst his flock does not mean that the priest is great, for the priest is only great in God's Eyes if he recognizes his function as bringing the Blessed Sacrament and all the sacraments to his flock."

"I am extending to you my Priestly Blessing."

**November 13, 2004 /Public**

"I am your Jesus, born Incarnate. I have come to help you see that the spiritually little desire only to go unnoticed. If they receive Heavenly favors, they try to keep it hidden. They do not try to be perceived as holy or specially chosen, for they are well aware of their own faults and failings. In humility they see others as more holy—more worthy—than themselves."

"It is to such as these—the childlike—that I am able to reveal much and to use as My instruments in the face of conflict. You have heard Me speak often of compromise and duplicity. The spiritually little live only in truth and with a singular heart, seeking always to please God."

**November 14, 2004 /2nd Sunday Service to Pray against Abortion**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, please understand that all creation comes to you by way of God's Mercy and His Love. Therefore, you cannot truly say that you embrace Holy and Divine Love unless you embrace all life from its beginning at conception until its natural end."

"You will please make this known."

"We're blessing you with the Blessing of Our United Hearts."

**November 15, 2004 /Public**

"I am your Jesus, born Incarnate."

"I have come to help you understand the importance of spiritual childhood—spiritual littleness. The child seeks only to please his parent—to appeal to his parent. In a similar way, the spiritually little seek only to satisfy the Will of God. They want to be in the presence of God more than anything. If they feel they are displeasing God in any way, they quickly seek His forgiveness. It is impossible to become spiritually little outside of humility and love. So, for this reason alone, spiritual littleness is a necessary step to perfection and to the journey through the Chambers of Our United Hearts."

"Please make this known."

**November 15, 2004 /Public**

"I am your Jesus, born Incarnate."

"I am giving you this prayer to help you to embrace spiritual littleness:"

*"Dear Jesus, I wish to come to you as a little child. As a child, I desire only to appeal to you. In this effort, I reject the pomp of the world. I embrace the truth of humility which reveals to me where I am in God's Eyes. I seek only God's approval in every present moment."*

*"Thus I surrender my own will and my human nature to the Divine Will of God. In doing so, I do not chase after pleasures or importance in human eyes. I allow God complete mastery over my heart, trusting always in His plans for me. Amen."*

**November 15, 2004 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, each time you pray the Rosary together, world peace is much more a reality and in focus with the Will of God. Each time you pray the Rosary in a group, the heart of the world is closer to being healed and converted through love. Each time you gather to pray the Rosary together, the Holy Father is strengthened. Abortion is much closer to being overturned in the courts."

"Your prayers are important—they are a link between Heaven and earth."

"Tonight We're blessing you with Our Blessing of the United Hearts."

**November 19, 2004 /Friday Rosary Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." (They both nod and greet the guests.)

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, tonight I am especially laying your petitions upon the altar of My Eucharistic Heart. Please understand I am drawing you along the path of your sanctification through Our United Hearts into union with the Divine Will. Surrender your heart to Me as I have surrendered My Heart to you."

"We extend to you the Blessing of Our United Hearts."

**November 22, 2004 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, Advent approaches rapidly. I desire very much that you prepare your hearts for My arrival on Christmas Day in humility and love. For it is only the humble, loving heart that can advance to the deepest Chambers of Our United Hearts. These are the spiritually little. These two—humility and love—make up spiritual littleness."

"Make it known."

"We're blessing you with the Blessing of Our United Hearts."

**November 23, 2004 /Public**

"I am your Jesus, born Incarnate."

I invite you to understand that the Mission, as I compare it now to a rose opening in full bloom, will spread its fragrance throughout the world. Just as a rose can only be opened by My Hand, the Mission has reached full bloom only by the Will of God. It was not forced open, but opened slowly, gradually—sometimes amidst storms of controversy but never damaged—always surviving."

"The many petals of this rose represent the many aspects of the Mission itself. Each one adds beauty and fullness to the complete bloom, but is not separate. This rose will not shed its petals, but will bloom continually through grace."

## November 23, 2004 /Public

St. Thomas Aquinas comes. He says: "Praise be to Jesus."

"Understand, just as love of God and love of neighbor must always go together, humility and love must be together in the heart. If they are not present together, then false love and false humility are the result. The person cannot love genuinely in Holy Love if he is concerned about money, reputation, appearances or power, for these concerns stem from pride which is self-love. In the same way a person is not genuinely humble if he does not love his neighbor as himself or if he bears grudges or unforgiveness in his heart."

"The enemy of Holy Love and Holy Humility is self-love."

## November 26, 2004 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I desire to take you deeper into Divine Love. Therefore, avoid any thought, word or deed that opposes Divine Love; then you will always live in the embrace of the Divine Will."

"I am blessing you with My Blessing of Divine Love."

## November 28, 2004 /Ecumenical Prayer for Unity Amongst All People

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I have come once again to make straight the crooked way, not just for some people but for all. The world cannot be restored to righteousness except through Holy Love. Please understand that all that opposes Holy Love breeds famine, disease, war, moral degeneration and the like. Each soul must choose—from Bishop to peasant—for in My Eyes all hearts are equal in their choices."

"Today I'm blessing you with My Blessing of Divine Love."

## November 29, 2004 /Conversation with Divine Love

"I am your Jesus, born Incarnate."

"Many times you have contemplated with Me the quiet and unassuming miracle of a snowflake—each one individual in its design. Today, I invite you to see that each present moment of each person's life is unique in its gift to the soul—never again to be repeated in time and in eternity."

"You ask with love what you can give Me that no other soul can give. I tell you, the greatest sign, the greatest gift any soul can give to Me is the gift of the present moment. Why? Because the surrender of the present moment is the gift of your free will. It is the ultimate gift of gifts—the sign of your love for Me. No one else can give Me the same gift in the same present moment."

## November 29, 2004 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. Tonight, My brothers and sisters, I desire that you begin to prepare your hearts for My arrival on Christmas. Prepare them in humility and love so that I will be welcomed in spiritual littleness—the way I desire to be welcomed."

"Tonight We're blessing you with Our Blessing of the United Hearts."

### December 3, 2004 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“Please listen to Me and let this Message penetrate the depths of your spirit. When I came to earth in the manger, I was clothed in humility. I came to you through My Father’s Divine Mercy and Divine Love. It is in the same way I desire that you come to Me clothed in humility, mercy and love.”

“If you hold in your hearts grudges or unforgiveness, then you cannot come to Me. There is a barrier between us. Do not think that you are innocent if there are people that you try to avoid due to unforgiveness. Search your hearts. Most of you are innocent, but some who believe they are innocent are not.”

“My brothers and sisters, I am blessing you with My Blessing of Divine Love.”

### December 5, 2004 /Monthly Message to All People and Every Nation

*(This message was given in multiple parts.)*

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“I have come to help you understand that any law or any government that is not founded on Holy Love is in opposition to righteousness and thus opposes the Divine Will of God. Laws and governments must have as their goal the direction of all people into the Divine Will which is eternal life itself. Many slip hastily to their perdition for they have been placed in positions of authority, but out of pride misguide those in their charge. Some have a public profile and could win many souls for the Kingdom, but they choose, instead, error for the sake of earthly security.”

“Everything in this life—everything of the world is fleeting, temporary and of no account when the soul comes before Me in judgment. What lasts is love. Holy Love is your salvation. Forsake all else and run to the Heart of your Savior through the embrace of Holy Love.”

“So long as hearts continue to choose a path contrary to Holy Love, you will have wars, violence, abominations against the innocents, famine and the like. Natural disasters, while mankind sees them as freaks of nature, are the punishment for sin, just as war and disease are. Every present moment carries with it the grace to pursue righteousness through Holy Love or the temptation to sin. The soul must choose.”

“Once again I urge each soul to enter his conversion journey through the Ark of My Mother’s Heart which is Holy Love. Reject the darkness of compromise. I tell you, all that keeps you from believing in My words to you today is your own self-love which urges you not to change—not to surrender. Lose sight of self and follow after Me.”

“Here at this site I reveal to the world for the first time the mystery of the Chambers of My Heart. The future of the world rests in the arms of this Message. I, your Jesus, tell you so. The world is on a course which leads to certain and unprecedented destruction if it continues to live outside of love. God’s Will comes to you through Holy and Divine Love. It is love, peace, joy, truth and dignity of life itself. Embrace My Father’s Will for you with your whole being and I will embrace you.”

“Today, I tell you, I respect every effort a soul makes towards his own personal holiness. These are My righteous ones—the ones I count on for prayer and sacrifice towards the conversion of the world.”

“So, I ask you, My righteous ones, unite in your efforts to bring all people and all nations onto the path of conversion through these Messages of the Chambers of Our United Hearts. I will bless you. I will bless your efforts, your families—and My Provision will rest upon you.”

“Even now, I am blessing you with My Blessing of Divine Love.”

#### **December 6, 2004 /Conversation with Divine Love**

“I am your Jesus, born Incarnate.”

“I have come to deepen your understanding of the journey through Our United Hearts towards union with My Father’s Divine Will. The reason each soul is created is to live in union with the Will of God. How each soul arrives at this goal is as individual and unique as is each present moment in each person’s life. Many never reach this union. Still more never try. But the opportunity of grace to do so is always present for each soul. All the soul needs to do is consent with the surrender of his free will. The fuller his surrender, the more complete his union.”

“The graces given in each present moment to lead the soul into this union are as individual as the moment and the soul itself. Most souls trip up because they do not remember that the cross is a very distinct grace to be used as a stepping stone towards the goal of perfect union. Impatience with the cross, self-pity or complaining negate the grace.”

“Another stumbling block is unforgiveness—a grudge is never part of God’s Will. The more the soul loses sight of self, the deeper I carry him into My Heart.”

“You will understand the journey better now, and you will please make this known.”

#### **December 6, 2004 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, I have come for your welfare, not your demise. Empty your hearts of every care and burden and I will fill you with Divine Love; then you will be at peace as I desire you be.”

“Tonight We’re blessing you with Our Blessing of the United Hearts.”

#### **December 6, 2004 /Public**

“I am your Jesus, born Incarnate.”

“I have come to tell you that this Message of Holy and Divine Love is the foundation of the New Jerusalem. It is the foundation of the Kingdom of the Divine Will—the stepping stone to triumph. It is the Mission which will win victory for all.”

#### **December 10, 2004/ 2nd Friday Rosary Service to Pray for Priests**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.” They smile and nod at the priests and other people in the apparition room.

Jesus: “My brothers and sisters, it is through the grace of My Mother’s Heart that you have been invited here this evening. My Mother desires that each of you carry Holy and Divine Love back to your places of origin. Understand that you cannot advance to the deepest Chambers of My Sacred Heart unless love and humility work together. They must be like a ladder that pulls you up higher and deeper into My Heart. One cannot work well without the other. If you need extra help to advance through the Chambers of My Heart, ask My Mother for She desires so much the best for you.”

“Tell each one here I’m praying for their petitions. I have laid them on My Heart and I will take them to the Heart of My Eternal Father.”

They then bless us with the Blessing of the United Hearts.

#### **December 12, 2004/ Midnight Service at United Hearts Shrine /Feast of Our Lady of Guadalupe**

*(This message was given in multiple parts.)*

First Our Lady is here as Our Lady of Guadalupe. Now She is Mary Refuge of Holy Love and says: “Praise be to Jesus.”

“My dear, dear children, tonight I have come as your loving Mother to free you from captivity. Satan would like to snatch you from My Immaculate Heart, but when you pray I protect you just as the little baby is protected by My teardrop in the Rosary of the Unborn. Your prayers are your defense and My mantle is your protection. My dear, dear children, I love you. I come to you because I love you.”

“I come during these times and at this holy site to invite all people to step into My Immaculate Heart through Holy Love. You must allow the Message itself to illuminate your conscience. Entire nations could be converted if they took to heart My words.”

“It is futile to look for peace outside of God’s Divine Will. God’s Will for you is to live in Holy Love within each present moment. Too many use the present moment to offend God even more. These are the ones who take human advice on how to be wealthier, more popular and more powerful. But when Heaven visits earth and offers advice on how to reach salvation, they scoff and do not believe. These have much to lose. My

children, I weep for you, for so many innocent ones suffer at the hands of evil.”

“Dear children, you must understand that My coming here is not unlike My appearances to Juan Diego at Guadalupe. There I left My Image upon his Tilma. Here I leave the imprint of My Message upon your hearts. Receive it with joy and awe as you have received My Image on the Tilma. For like My Image, this Message will last from age to age. As the Image withstood the elements and the ravages of time, this Message of the Chambers of Our United Hearts will withstand the ravages of controversy and disbelief.”

“My Son’s second Incarnation will be within hearts who live in union with the Divine Will. This will come as millions are converted through this Message—more than have been converted by the Image on the Tilma.”

“You may wonder at My telling you these things (that the Message would convert millions). Dear children, I tell you this because the Message leads you into the Divine Will. There is not salvation outside of the Divine Will. The Divine Will of God is Holy Love. Everyone who enters Heaven loves God above all else and neighbor as self.”

“I’m taking your petitions to Heaven with Me tonight, and I’m blessing you with My Blessing of Holy Love.”

#### **December 12, 2004/2nd Sunday Service to Pray Against Abortion**

Jesus and Blessed Mother are here. Jesus is all in white. Blessed Mother is Our Lady of Guadalupe. She says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, today I speak for My Mother, and I ask that you renounce self-love in the form of any artificial birth control for life begins at conception. Any form of birth control is really abortion because in the human heart there is the will to stop conception.”

“My Mother asks especially prayers for China—next, She asks for prayers for Russia and for the Arab Nations. Peace is very, very fragile in the Arab Nations. These Messages are for all people and all nations. Do not keep them to yourselves.”

“As a special sign of the importance of My coming here and My Mother’s appearing here, there will be extra grace on the property. Much of this will be seen through the eye of the camera and there will be many miracles abounding today.”

“We’re blessing you with the Blessing of Our United Hearts.”

#### **December 13, 2004/ Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. They nod and smile at the people in the room. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.” (A personal message was given.)

Jesus: “My brothers and sisters, I invite you to allow the Flame of Divine Love to engulf your hearts during this present moment. Let the Flames be intensified a thousand fold so that you can spread this Love to all you meet. You must be the Divine Will. You must be Holy and Divine Love.”

“We’re blessing you with the Blessing of Our United Hearts.”

#### **December 15, 2004/ FUTURE PROMISED APPARITIONS AT MARANATHA SPRING AND SHRINE**

*(Part of Personal Message)*

Blessed Mother is here as Mary Refuge of Holy Love. She says: “Praise be to Jesus.”

“My children, Jesus wants you to know that He is coming at MIDNIGHT the MORNING of Divine Mercy Sunday with a special message for the world. He will come in the United Hearts Field. He is doing this because Divine Mercy and Divine Love are never separated, but always together in the heart.”

“My next public visit (to Maureen) will be at midnight between the Feasts of the Sacred Heart and My Immaculate Heart.”

“Following that, going into the Sunday that We wish to be named the *Feast of the United Hearts*, My Son and I will appear (to Maureen) at midnight in the United Hearts Field.”

#### **December 17, 2004/ Public**

“I am your Jesus, born Incarnate.”

“I have come to you as I always do to free the sinner from captivity. Holy and Divine Love are not just a Message to be read and forgotten. The Message at this apparition site is a way of righteousness. It is ransom for a world captured by self-love. I appear here—My Mother appears here—so that the ransom can be paid in full. Only then will Our United Hearts be triumphant.”

#### **December 17, 2004/ Friday Rosary Service**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, the best sign that you have surrendered to Me is your acceptance of God’s Provision in the present moment. Entrust to Me every care, every burden—your victories—and give Me thanksgiving for the graces you have received.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

#### **December 22, 2004/ Public**

“I am your Jesus, born Incarnate.”

“I have come to help you understand that My Father’s Will and His Provision are always perfect. I speak of perfection that leads to the sanctification and the salvation of each soul.”

“It is not enough to believe in the Messages here. Indeed, belief carries with it the grave responsibility of becoming the Message—of becoming Holy and Divine Love through a transformation of the heart. The Message is God’s Will and His Provision which leads to salvation itself.”

“Make it known.”

#### **December 24, 2004/ Public**

“I am your Jesus, born Incarnate. Today, I have come to impart to you My Christmas Message to the world and to every soul.”

“I desire that each soul embrace holy littleness through Holy Love. This is most pleasing to Me. Let your hearts be as a lump of clay and allow Me to mold them into vessels of love.”

“Let your hearts be the manger where I transform an unworthy dwelling into a humble but worthy dwelling by merit of My Presence within it. Allow Me to take up My rest amidst the straws of virtue you prepare for Me to rest upon.”

“As I began My life clothed in humility and love, I call all people and every nation to return to love and humility. This is the way to overpower and defeat Satan. You see this as too simplistic a solution. I tell you, My birth in the manger was simplistic, yet My Presence in the manger was the beginning of My redemption of all mankind.”

“So today, I call you to return to humility and love by making yourselves childlike; then you will not miss the simple solution to the world’s problems and the key to each one’s sanctity—humility and love.”

#### **December 25, 2004/ Public**

“I am your Jesus, born Incarnate.”

“I invite you to understand as you celebrate My Birth, that Divine Love came into the world clothed in humility. The love in every heart must be similarly clothed for it to be sincere—genuine. Be little in all ways so that I can make the love in your heart great.”

#### **December 31, 2004/ Friday Prayer Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, solemnly I remind you that we are about to step into a new year—a year which can hold much promise or a year which can call God’s Justice down upon earth. Much depends on you, My brothers and sisters. You must become the Message of Holy Love so that your lives in every present moment will propagate personal holiness to others.”

“I place My Benediction upon your hearts tonight, and ask you to ponder what ways you can improve in Holy Love for the welfare of your country and the world.”

“Tonight We’re blessing you with the Blessing of Our United Hearts.”

#### **TESTIMONY**

This letter is to serve as testimony to what I believe is a miracle of healing that happened shortly after I visited Maranatha Spring and Shrine in April of 2004.

For over two years, I have been treated for a blood clotting condition in my right leg, above my knee. I have suffered daily pain and have needed to take a blood-thinning therapy of heparin and coumadin every day. I have seen several well-known, prominent physicians for help in treating my condition. All of the doctors were puzzled over why the clot would not clear, and unsure how to move forward with treatment.

A friend took me to Maranatha Spring and Shrine in April and we prayed for healing. I took a pitcher of water from the spring, and started using it on my leg daily. Within days, the pain subsided. We went to the June 18th Midnight Visitation, and I experienced a sense of serenity and peace like nothing I have ever felt before. I saw what appeared to be a flickering flame above the roses a few seconds before we were asked to kneel, or when the apparition began. I was able to both kneel and actually stand back up, which I have not been able to do for two years.

I saw a vascular surgeon at the Cleveland Clinic on July 7, and a veinous scan was again performed on my leg. The results were nothing short of miraculous! THERE WAS NO BLOOD CLOT REMAINING. The surgeon was so surprised; he kept rechecking the scan, and comparing it to my past two veinous scans that showed acute clotting. He didn’t know how to explain this, or understand himself how this could be possible, but I was not surprised. Divine intervention was the only way it could be explained!
