

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

January 2010

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

We welcome all people of all faiths.

Prayer is a universal language.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

THE NEXT PROMISED MIDNIGHT VISIT WILL BE ON THE FEAST OF DIVINE MERCY SUNDAY, APRIL 10-11, 2010

“I have come to tell you that at midnight, dawning on the Feast of My Son’s Mercy, My Jesus will come to you in the Field of The United Hearts, and many graces will be given.”

(Our Lady to Maureen, December 13, 2009)

We will gather to pray at the United Hearts Shrine at 11:00 p.m. Saturday, April 10 and 3:00 p.m. Sunday, April 11. (The visionary may or may not be at the Sunday, 3:00 p.m. service.)

January 2, 2010 / Public

“I am your Jesus, born Incarnate.”

“I come to you today as the year ahead unfolds, which will offer victory and defeat, challenges and doorways to trust in Divine Provision. There will be tragedies in many areas of the world. These should serve as a wake-up call to humanity to return to God - to My Father’s Divine Will. The Ministry here will continue to flourish, for the need will become more apparent. Opposition to the prayer effort here will gradually be seen as the evil to be avoided - not the opinion to be embraced. Therefore, opposition will dwindle.”

“Today I come to help you realize that just as each snowflake has its own unique design, every present moment is uniquely designed by grace in each individual’s life as an opportunity for salvation - even sanctification. Depending upon the choices of free will, the present moment is either used to its fullest or

wasted. The present moment, once spent, is gone forever - never to return in the same way with its opportunity of grace.”

“The choices of free will in the present moment determine futures, and even world events. This is why hearts must be formed in Holy Love. The heart of the world can only be changed one heart at a time through Holy Love; there is no short cut. Help Me to change hearts and influence the world in Holy Love - in the present moment.”

January 3, 2010 / Public

“I am your Jesus, born Incarnate.”

“I have come once again today to call all people and all nations to be reconciled and united in Holy Love. Anything - thought, word or deed - that detracts from love of God above all else and neighbor as self, dissolves this union I call you to. When I say all people and all nations, I speak not only of

national boundaries but religious boundaries, as well. I call Moslem, Christian and Jew to unite in Holy Love. There are extremists in the nation of Islam that promote a religion of terror, which is not of God. Violence is inspired by evil. Any secret organization which operates covertly is inspired by the occult, and must come into the Light of Truth which is Holy Love."

"Before the world can be at peace, truth must reign in all hearts. Hidden agendas must be exposed to the Light of Truth and dissolved in the purifying Flame of My Mother's Heart."

"Prayer and sacrifice must overcome the evil of these times. Defend what is of God in this way. Lift up what is true; trample underfoot that which is evil. Stand for the truth. I will stand with you."

January 4, 2010 / Monday - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight as never before, I invite you into deeper trust - trust in My plans for this Mission, trust in My plans for your future. Do not allow Satan to bring in doubts through these 'what if' scenarios but always come back to My Sacred Heart, and I will help you and assist you in deeper trust."

"Tonight I'm extending to you My Blessing of Divine Love."

January 8, 2010 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Today I have come to help the world to better see that the war on terror is really a spiritual war. This warfare is so distinctly a war of good against evil that to regard it in any other light is Satan's misconception."

"Evil has entered hearts and convinced souls that God desires violence, murders and all sorts of acts of terrorism. Only a false god would encourage acts that transgress Holy Love; only a false god would dismantle peace in hearts and encourage a false martyrdom designed to destroy other lives."

"If you do not recognize this enemy as Satan, you do not understand the spiritual warfare that the world is now engaged in. Not to understand the enemy is not to win the war. Holy Love is your path of victory - prayer and sacrifice - your weapons. Do not lay down your rosaries. Do not cease to understand the importance of every prayer. We can win if you understand the strength of the enemy and engage him on the battleground of spiritual warfare."

January 9, 2010 / Public

"I am your Jesus, born Incarnate. Tell Me that you trust Me."

Maureen: "I trust you."

He smiles. "In your trust is your love. When you trust, you abandon yourself to Me. Then I can use you to the fullest. The greatest imagination nor the highest intellect, could not conceive of the power which your trust in Me engenders. It gives Me the freedom to act without human stipulation. Your trust loosens the Hand of Providence; thereby sending to earth a torrent of grace."

"These graces come, not by way of proving the actions of the supernatural here at this site to those who do not want to believe, but these graces flow forth as Divine Mercy - Divine

Love - into the hearts of those who love Me enough to trust in Me."

"So on the dawning of My Feast of Mercy shall I come to this site and show forth My Power to those that come with trusting hearts."

"Through time and space, the Blood and Water will once again pour forth from My Side. Choose to come in faith - believe in trust and to love Me."

January 13, 2010 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come today to speak about love. Whenever there is lack of trust in the heart, it is a sign of a weakness in Holy Love. Lack of trust is an early sign of fear. Scripture has it that perfect love casts out all fear." *

"Fear gains the soul nothing and even forms a barrier between the human heart and the Divine. Therefore, understand that fear is an obstacle to grace."

"Holy Love is the doorway to grace. It is a reflection of God's Love - a mirror image of Divine Love. The way to achieve the fulfillment of all your petitions, then, is to perfect your heart in Holy Love. This is to live in God's Holy and Divine Will. God does not want to deny such a heart anything."

* 1 John 4:18 - "*There is no fear in love, but perfect love casts out fear, because fear involves punishment, and the one who fears is not perfected in love.*"

January 14, 2010 / Public

"I am your Jesus, born Incarnate."

"Please understand that the degree of trust in the heart determines the depth of surrender to My Father's Divine Will. No one can abandon themselves to someone they do not first trust. Since trust is determined by love and formed in love, you can readily see that Holy Love in the heart is essential in mankind's relationship with his Creator."

"When people place their trust in the created things of the world instead of the Creator, their trust falters. Their love of created things stops short of love of God when they do not realize that Divine Provision allows them to have whatever they accumulate in the world."

"People must realize the importance of uniting their hearts to Divine Love in every present moment in order to live sanctified, consecrated lives. Then the role of worldly goods would be placed in proper perspective."

January 14, 2010 / 7:00 p.m. Service - To pray for the recovery of the victims who are buried, but still alive, from the earthquake in Haiti

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the soul that lives in loving trust of My Father's Will also lives in Holy Truth. For these three are inseparable - Holy Love, Holy Trust and Holy Truth."

"Tonight I am blessing you with My Blessing of Divine Love."

January 15, 2010 / 7:00 p.m. Service - To pray for the recovery of the victims who are buried, but still alive, from the earthquake in Haiti

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, you will not have peace in the world until all hearts willingly accept Holy Love. If hearts begin to live in Holy Love in thought, word and deed, you would see a lessening of disasters, of calamities and wars."

"Pray every day for the souls who have gone to Purgatory as a result of the earthquake in Haiti. Pray for the conversion of all hearts."

"I am blessing you with My Blessing of Divine Love."

January 18, 2010 / Public

Blessed Mother says: "Praise be to Jesus."

"Heaven does not come to this site of predilection to lend support to error but rather to expose all error in the Light of Truth. For this reason alone, the Mission and the Messages have been misunderstood, misjudged and rejected by many."

"The truths revealed here are for all, even those with authority or title. In the end, title and authority are not what brings salvation, but living in the truth of Holy Love is your salvation."

"It is the Hand of Divine Mercy and Divine Love which calls you into the Light of Truth. It is darkness and the power of darkness which suggests to you compromise."

"As your Mother, I call all My children to be humble enough to search out error in their own hearts instead of the truth of these Messages. Do not mistakenly think that your wealth, power or position in the world exempt you from living in the truth. Indeed, the greater your influence over others, the greater your responsibility to live in the truth. Greater, too, is your responsibility to call all who listen to you into Holy Love."

"Do not seek to destroy any part of the Kingdom of God on earth but always to build up. Be united in Holy Love."

"In Haiti the good suffer along with those who practiced witchcraft and other atrocities. This is a cause of many tears and sadness for many. Heaven is listening to prayers offered for the relief effort. Continue. In the world as a whole, the good will suffer, and do suffer, for the evil choices of some who love sin - even legalize sin. Since Holy Love is the antithesis of evil choices, it is persecuted and maligned. But Jesus allows that the grace of My Heart continues to pour out upon those who come here."

"Make this known."

January 18, 2010 / Monday - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I have come to lead you along the path of Light. The Light comes from My Heart which is All Truth, All Love, All Mercy. Follow Me. Fear will not accompany you; only grace will be your companion."

"Tonight I am blessing you with My Blessing of Divine Love."

January 19, 2010 / Public

Blessed Mother says: "Praise be to Jesus."

"Get this image (Refuge of Holy Love) out to the public. It carries with it very many special graces which the world needs today."

"Those who venerate* this image, either in picture or three-dimensional form, will be drawn into deeper personal holiness. Their thoughts, words and deeds will be clarified in Holy Love."

"Please understand the key word here is 'venerate'. The image is not magic. Graces will be given according to what is in the heart."

**Venerate: Does not mean "to worship" or "pray to." Rather, it does mean to pay honor to a saint in Heaven (e.g., Blessed Mother) who, when asked in prayer, will by intercession and own example of sanctification, help the faithful on earth to grow in Christian virtue and holiness.*

Venerating the saints does not detract from the glory given only to God in worship, since whatever good they possess is a total gift from God's bounty of graces.

January 21, 2010 / Feast of Mary, Protectress of the Faith

"I am your Jesus, born Incarnate."

"Today should and could have been the commemoration of the title '*Mary, Protectress of the Faith*' which My Mother asked for so many years ago. If the title had been supported by Church officials at that time, many souls could have been saved. Faith in hearts would not lie so divided as it does so today. The path of tradition would be laid bare by truth. Compromise of truth would not flourish as it does."

"But this title is no less powerful when it is invoked today than it was when it was first made known and requested. Souls may still invoke the '*Protectress of the Faith*' in the face of any temptation or doubt. Instantly evil will flee and peace will be restored to the troubled heart. Knowing the great defense that this title is, I invite you to continue to propagate it despite discouragement from those who need it the most."

January 22, 2010 / 37th Anniversary - Roe v. Wade

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please realize that any compromise of the TRUTH is an UNTRUTH - a LIE - a ploy of Satan to lead you astray and others astray."

"Abortion is a compromise of the truth. It is disordered self-love - a love that centers only on self-gratification and does not regard in high esteem all forms of human life. Therefore, see and understand why such an important part of this Mission is towards the TRUTH."

"I'm extending to you My Blessing of Divine Love."

January 24, 2010 / Public

"I am your Jesus, born Incarnate."

"I wish to describe to you today the sad state of the spiritually bankrupt heart. Such a soul lives only for self. He looks only to his own needs, his comforts, and weighs everything according to how it affects him."

"Such a one cannot relate to the needs of others. He is self-serving as opposed to all-giving. The spiritually bankrupt are easily given over to love of power and control, fame, money and self-fulfillment."

"The solution for spiritual bankruptcy is, of course, Holy Love. Holy Love dictates the submission of disordered self-love towards a deepening Holy Love, which dictates love be turned towards God and neighbor. Holy Love is the bridge which spans the abyss between Heaven and earth, drawing mankind into the spiritual wealth of the Father's Divine Will."

January 25, 2010 / Monday - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Remember always, My brothers and sisters, that in your acceptance is your surrender. If you can accept every detail of the present moment, then you are living in perfect trust and perfect Holy Love; for perfect love casts out all fear."

"Tonight I'm blessing you with My Blessing of Divine Love."

January 29, 2010 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to help the world to see that just as there are Chambers of the United Hearts and seasons in the world, there are also seasons in the soul - seasons which mark the soul's relationship to God."

"In the world, the seasons are measured by earth's relationship or proximity with the sun. In the spiritual life, the seasons are measured by the soul's relationship with God and how closely he follows the Divine Will."

"In the world, there are four named seasons. You have Spring when there is an awakening and a budding of new life. Then comes Summer when all is in full bloom and reaches its greatest potential. Then comes Fall when an abundant harvest is the reward for hard work. Finally you have Winter where there is not much life and all seems dormant."

"In the spiritual realm the soul starts out in the Winter season. His relationship with God is dead or nearly dead. There is no apparent closeness to the Divine Will - to God - or attempt in living in Holy Love."

"Next the soul comes into the Springtime of his spiritual journey. His spirit is awakened and comes alive. He forms a budding relationship with God, and is eager to overcome any error or weed on his path of holiness."

"After Spring comes Summer. The soul blooms and reaches its fullest potential. It influences its environment with the aroma of sanctity."

"Next the soul passes into the autumn of his life. If he has pursued personal holiness he bears an abundant harvest that will bear favor in this life and the next."

"Although this comparison may seem tedious at first, I invite the listener to realize that as there are many variants in the environmental seasons, there are also many influences in the spiritual journey."

"Holy Love in the heart is the way to stay your course. It fertilizes personal holiness making the soul healthy and warding off any disease of Satan."

January 29, 2010 / Friday - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please realize that Holy Love is as important to the soul as air is to the human body. It is the sustenance with which the soul grows, and thrives and reaches salvation. Therefore, open your hearts to the joy of evangelizing these Messages. I will help you."

"I'm blessing you with My Blessing of Divine Love."

February 1, 2010 / Monday - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

Jesus is nodding at the priests here. He says: “Thank you for answering My call to come here.”

“My brothers and sisters, tonight I remind you that it is only free will choices in the present moment that pull you away from Divine Love. Always choose in favor of Holy Love no matter how difficult it may be; then I will take you deep into My Heart of Hearts.”

“I love you, My little children.”

“I am blessing you with My Blessing of Divine Love.”

February 2, 2010 / Public (Temptation)

St. Peter says: “Praise be to Jesus.”

“I am Peter, and first in the succession of Popes. The Heavenly Father sends me to begin a series of messages on temptation.”

“All sin is the direct result of disordered self-love - a condition every human is threatened by. When the sinner begins to love the sin more than he loves God and neighbor, he opens himself to the temptation. Herein lies the importance of every present moment; for it is in the present moment the sinner decides for or against Holy Love - for or against evil.”

“To love God above all else means you love God more than any pleasure, more than any self-gain, more

than reputation, money or power. In this, you must look into your own heart and learn to recognize the avenues of temptation Satan is using, and how he is tempting you. Now realizing the evil one's purpose, you have a solemn duty to avoid and to block these ports of entry into your heart. To do otherwise, you have an open heart to temptation and to sin."

February 4, 2010 / Public

(Temptation)

St. Peter says: "Praise be to Jesus."

"I have come to help you understand the inner depths of each present moment. Each moment carries with it the gift of grace and the trap of temptation. Very often the soul cannot ferret out the difference. This is because Satan clothes his temptations in seeming good. At the very least, temptation fulfills some form of gratification. This is why the soul must learn to put his own needs and desires last; God and neighbor first. As he practices Holy Love, he will become more adept at recognizing temptations."

"The grace to overpower temptation is always present to each soul in every present moment. The more the soul is purified in the Flame of Holy Love, the wiser his choices in the present moment, for it is Holy Love that carries with it the seed of wisdom which cultivates holiness."

February 4, 2010 / Thursday - Conversion of all Priests, Religious, Bishops and Cardinals that they are convicted in, and live in the truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"I have come tonight to ask each one to cooperate deeply with the Divine Will of My Father. When you accept the grace and the cross of the present moment, you are living in the Divine Will; then I can act positively through you, turning souls towards Heaven. Just as I changed the water into wine, I can transform hearts by your efforts to live in the Divine Will."

"Tonight I'm blessing you with My Blessing of Divine Love."

February 5, 2010 / Friday - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I offer you My Heart, which beats in unison with the Heart of the Eternal Father. Oh, if only the heart of the world were united to Our United Hearts. You must free yourselves of all self-interest so that you can be My true missionaries in a world whose heart is set upon sin."

"Tonight I'm blessing you with My Blessing of Divine Love."

February 6, 2010 / Public

"I am your Jesus, born Incarnate."

"Once again I come to tell you that world peace will not come to you through man's attempts to be united with one another. Man must first and foremost be united with God; then unity amongst all people and all nations will be genuine and long lasting."

"If humanity attempts to unite under love of power, money or control, the union will be under the auspices of Satan himself. Such a union is not under My Finger of Protection and will not survive the ravages of time, the violence chosen by free will or freakish acts of nature. Such unions will be stripped of their power, riches and rights. These things mankind calls upon himself and are permitted by the Divine Will of My Father. As such, it is the ongoing process of the purification before My Triumphant Return."

"By your efforts, turn back the Hand of Judgment. Pray and sacrifice most especially for an end to the evil of abortion. This sin alone calls upon the wrath of God. He will act, if you do not act, to appease His Heart."

"Recognize the value of every present moment. In eternity you will fully realize the power of your free will choices for or against Holy Love in every moment. Since there is no time in eternity, you will no longer have the power to choose good over evil."

"I tell you these things now as a fair warning. Never oppose good, such as prayer, out of self-interest. Your agendas will come to naught and you will be stripped of your power."

February 7, 2010 / Public

(Temptation)

St Peter says: "Praise be to Jesus."

"Today I have come to underscore the greatest temptation in the world today. It is the temptation which is the very foundation of all sin. It is the temptation which destroys nations, pulls souls to their perdition and attempts to undermine Heaven's intervention here. I speak of the temptation to compromise the truth."

“Remember, Satan is the father of lies. He makes evil look good, and good to appear evil. He inflates egos as a way of promoting his own agenda. He fosters the need for control, power and money in hearts by distorting the truth. Once truth is compromised, the soul is vulnerable to any temptation.”

“Take, for instance, the sin of abortion. Satan convinced the general public that life does not begin at conception. Once this truth was challenged, the groundwork for abortion was laid.”

“Let us look now at this particular Mission. It has changed many lives and has the potential to change a multitude more. So, of course, Satan challenged the truth of the Messages and the Mission itself. There is nothing confusing about the Mission or the Messages, but the enemy of all souls has made it seem so by compromising the truth.”

“The truth is compromised in every heart that willingly makes choices outside of Holy Love. The truth is compromised when the soul does not trust. In lack of trust in Jesus, he is trusting only in human effort, not Divine Providence.”

“So you can see the great weapon Satan has when he tempts a soul to compromise the truth. This is the cause of the loss of salvation.”

February 8, 2010 / Public (Temptation)

St. Peter says: “Praise be to Jesus.”

“Once again I come to speak to you about temptation. It is always the pride of self-love that opens the soul to the compromise of truth. While no one should judge another’s motives, it is good to understand why any soul would embrace untruth. It is in this way temptations can be avoided.”

“The heart opens itself to Satan’s lies through the love of some sin, such as greed, lust, love of reputation or power. Once the truth is compromised, the sin seems reasonable and is embraced. Therefore, each heart needs to recognize where his affections lie and what ports of entry Satan uses to pull him into sin.”

“If a soul is unable to see the ways that Satan attacks him, he is weak and vulnerable to evil suggestions. The more the soul recognizes this, the stronger he becomes spiritually. To know your spiritual weaknesses is to increase your spiritual strength.”

“Every soul should pray to be shown this knowledge daily.”

“Say this prayer:”

“Dear Jesus, show me the ways Satan is attacking me in this present moment. Be my armor, and strengthen me against his attacks. Amen.”

The following prayer given by Jesus on July 13, 2007 should be said with the above prayer:

“Your words, Lord, are Light and Truth. Your Provision, Your Mercy and Your Love come to me clothed in truth. Help me always to live in Your Truth. Assist me in recognizing Satan’s deceit in my own thoughts and in the thoughts, words and actions of others. Do not let humility elude me, as I know humility is truth itself. Amen.”

February 8, 2010 / Monday - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I desire that you have full understanding that no one can enter Divine Love outside of the Truth of Holy Love. This is why entrance to My Heart, which is Divine Love, is always through the Heart of My Mother, which is Holy Love. Do not compromise what I have told you. Live in Holy Love.”

“Tonight I am blessing you with My Blessing of Divine Love.”

February 11, 2010 / Feast of Our Lady of Lourdes

Our Lady comes as Our Lady of Lourdes. She says: “Praise be to Jesus.”

“Today Jesus allows that I return to earth once again in an effort to redirect the heart of the world. These Messages are reaching many, and some hearts are changing; but too many are not listening and continue on the path of perdition.”

“I ask today that the world see that planet earth is facing ruin, not through climate changes, which is only a human agenda towards control, but through the evil that is in hearts. Secretly, a movement has been started towards a One World Order. Now it is coming into the open. But this is an evil plan set in motion to benefit a few. God’s plan is for a New World Order of Holy Love.”

“God does not condone violence, the hoarding of power or worldly goods. God is not in any form of government that strips people of dignity and basic rights. God is not in secretive collusions.”

"The Will of God is Holy Love, which is truth itself. Those who set about trying to disdain Holy Love are not living in the truth. There are movements afoot in governments, society and the Church itself, which oppose the truth for seemingly some 'worthy' cause. Nothing based upon untruth is from God and will not succeed or last. Therefore, I call upon all that is just, truthful and loving within governments, society and the Church to unite in Holy Love. This must happen as a force to oppose the evil that claims hearts today."

"Dear children, listen to your Heavenly Mother with your hearts today. I will bless your efforts to make these words to you known."

February 12, 2010 / For all those falsely accused within society, governments, and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I desire that all people and all nations take up their rest in Our United Hearts; for it is through Holy and Divine Love you will arrive at peace in your hearts and in the world. Without this union you will have only temporary peace, temporary respites from war and terrorism, but nothing lasting. Pray for those who do not respond to My call."

"Tonight I'm imparting to you My Blessing of Divine Love."

February 15, 2010 / Public

"I am your Jesus, born Incarnate."

"Do not allow fear to occupy any corner of your heart. I, your Jesus, know all of your needs before they formulate in your heart. I give you grace sufficient for each present moment."

"Great graces always come with bigger crosses; but you need not pursue either grace or cross. Each will be given freely - abundantly - one balancing out the other. Often daily routine is a cross and a grace unto its own."

"Give to Me every detail of your day. I will use even the smallest sacrifice so that truth can be victorious in every heart."

(Temptation)

St. Peter says: "Praise be to Jesus."

"I have come once again to address the topic of temptation. I invite sinners to realize that every temptation - great or small - comes clothed in Satan's untruth. The untruth appeals to the god of self-love, for Satan knows best how to appeal to every heart."

"This is the reason self-knowledge is paramount in the battle to be perfected in Holy Love."

"Ponder my words to you today carefully. Allow them to become a part of your heart."

February 15, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I ask you to surrender every question, every unsolved issue, every problem to My Heart. In doing so, you are acting with love and trust in Me. It is only when you surrender through loving trust that I am able to act in your hearts and in your lives."

"Tonight I'm blessing you with My Blessing of Divine Love."

February 19, 2010 / Public

(Temptation)

St. Peter says: "Praise be to Jesus."

"I have come to speak to you again about temptation. Temptations most often are not obvious, but always something that appeals to the senses or the soul's well-being, something that supports disordered self-love."

"The more the soul is strengthened in Holy Love, the greater his ability to ward off self-love and thus temptations. Holy Love needs to be the armor against temptation."

"Satan is very pleased when he can tempt a soul to lack of trust in the Lord. He does so by pulling the heart out of the present moment and into the future. He presents the soul with every sort of reason not to trust, and every sort of possible events that may occur contrary to trust. This is how I, myself, was tempted to deny the Lord as He entered His Passion. I was tempted to fear facing the same demise as He did. I did not embrace Holy Love, the present moment, nor did I trust."

"Please understand it is acceptable to consider the consequences of present moment decisions, but Holy Love must always be the determining factor of every decision. It is when concern for self takes over your decisions, that you have given in to temptation."

February 19, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, make a conscious effort with your free will to always trust in My Father's Divine Provision in every present moment. The heart that opens the door to such trust receives more grace than the heart that remains aloof and doubts."

"Tonight I'm imparting to you My Blessing of Divine Love."

February 22, 2010 / Public

(Temptation)

St. Peter says: "Praise be to Jesus."

"Today I have come once again to address the subject of temptation. The soul opens his heart to temptation when he is motivated by self-interest alone. It is self-interest that convolutes goals and twists the truth. All sin begins at the doorway of disordered self-interest."

"Holy Love cleanses the heart of self-interest and redirects the heart to focus on love of God and neighbor. Because lack of self-interest is the first step towards the victory of truth in every heart, Satan tries to consume every present moment with thoughts, words and actions directed towards self-interests."

"The soul that wishes to be perfected in Holy Love must be aware of the ports of entry Satan uses to enter his heart. Let Holy Love stand vigil over every doorway to the heart, making the enemy's access impossible."

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

February 23, 2010 / Public

Once again I see a great Flame that I have come to know as the Heart of the Eternal Father. He says: "I am the Eternal Now. I have come to express to you the Sorrow of My Paternal Heart. Throughout the history of mankind, I have suffered rejection at the hands of man. It began in the Garden of Eden. It continued after I gave the Ten Commandments to My servant Moses."

"Even after I sent My Only Begotten Son [into the world] the heart of humanity did not change. My Son was rejected by the very ones He came to save. He was crucified by the pharisaical spirit which remains in the world today."

"When I do try to intervene in world events today, I send My Son, His Mother or many saints. My efforts are still rejected by this same pharisaical spirit."

"My Two Great Commandments - to love Me above all else and neighbor as self - are ignored by most."

"False gods have taken My place in hearts - the gods of money, power, lust, reputation and control. These gods are dead ends and will never lead anyone to eternal life."

"I will not be put off by the arrogance of mankind; nor shall I safeguard egos. I will continue My quest to further this Mission of Holy Love in hearts and in the world. I will not change My path; therefore, the enemy must."

February 24, 2010 / Public / A.M.

Blessed Mother says: "Praise be to Jesus."

"Dear children, today your Heavenly Mother comes with love to help you understand completely the credibility of the graces poured out at this site of Heaven's favor and through these Messages."

"These days such graces are often viewed with envious hearts which inspire rash judgment and the desire to control - even abolish. In ages past, the good was weighed with any negative. But today, Church officials listen to any negative opinion and disregard any genuine, positive grace. This attitude is adopted with an eye to control. True discernment comes through the Spirit of Truth - not through any power or authority that seeks only to tear down and destroy."

"The burden of discernment, therefore, lies with each individual. You must not rely solely upon unjust opinions, but look always with the eyes of truth into the action of grace at this apparition site and in these Messages."

"Heaven comes here seeking each one's salvation and affirming every soul's duty towards his own personal holiness. A path is given you here - the path that leads through the Chambers of the United Hearts. It is a clear path leading to sanctification, if it is diligently followed."

"It is only the action of evil that clouds the way for you. For who else would distort My call to the virtuous life and Heaven's resounding call to truth itself?"

"These decades of Messages offered here will take many years of in-depth study before an honest and unbiased opinion can be offered. Do not allow the light of all that Heaven offers here to be buried under the cover of a hasty, cursory opinion. Within your own hearts, My dear children, discover the truth."

"I sorrow to have to reveal to you such truths as I have today. It is for the sake of souls I do so. Souls are the most important - not reputation, egos or title; these are passing - eternal salvation is not."

February 24, 2010 / Public

St. Joseph says: "Praise be to Jesus."

"Do not be surprised at the frankness with which the Holy Virgin has spoken to you this morning. Righteously She places the intricate truths of these Messages above the protection of power and authority which chooses to oppose Heaven's efforts here."

"Realize Heaven has chosen to protect the truth."

St. Catherine of Siena says: "Praise be to Jesus."

"True discernment must be free of self-interest. It is self-interest which imposes upon the Will of God and misdirects those who must lead in righteousness."

"This same self-interest promotes evil agendas which Satan clothes in goodness."

"Without discernment through the Holy Spirit, whole nations have been led astray."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

March 2010

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

We welcome all people of all faiths.

Prayer is a universal language.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

March 1, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I invite you to surrender every cross to My Most Sacred Heart. Herein My Father’s Divine Will will take charge over every situation, every problem. Accept willingly whatever the Divine Will has in store; for His solutions are perfect, and His Will Divine.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

March 2, 2010 / Public

“I am your Jesus, born Incarnate.”

“I tell you, the supreme virtue that wisely directs all hearts is trust in the Divine Will of God - in Divine Mercy and Divine Providence.”

“If human hearts could only surrender completely to the Eternal Divine Will, the decisions of all people and of whole nations would come under the protection of Divine Provision; whole governments and bodies of peoples would change direction. There would be no pending chastisement; terrorism and natural disasters would cease.

"But as it is these days, people trust too much in themselves - in human effort to accomplish and to solve everything. This is why the Protective Hand of God is withdrawing. This is why My Mother calls Her children with haste to conversion and to seek shelter in Her Immaculate Heart. Even so, Her most loving efforts are scoffed at. As She desires to lift the veil that clouds truth itself, mankind seeks to cover the truth and propagate lies."

"Today I encourage the ones who do trust in Me and in My Father's Will to persevere - persevere in truth and in righteousness."

March 3, 2010 / Public
(Temptation)

St. Peter says: "Praise be to Jesus."

"Today and during this age of confusion, there is a great temptation to be disloyal to the truth. Once again this temptation, as with all others, is born of self-interest. You must see, then, that self-interest often opposes reality in a quest for some personal agenda."

"Hearts that are thus predisposed can hardly offer a fair and unbiased discernment of situations which oppose their own will. This temptation against truth itself is responsible for negative discernment regarding private revelation today."

"Even in the desperate situation the world finds itself in, Heaven's advice and intervention is disregarded - even scoffed at; indeed, good is challenged while evil goes unchallenged. Modern communications are bringing decadence to the forefront; yet morality does not challenge such temptations - instead technology is lauded."

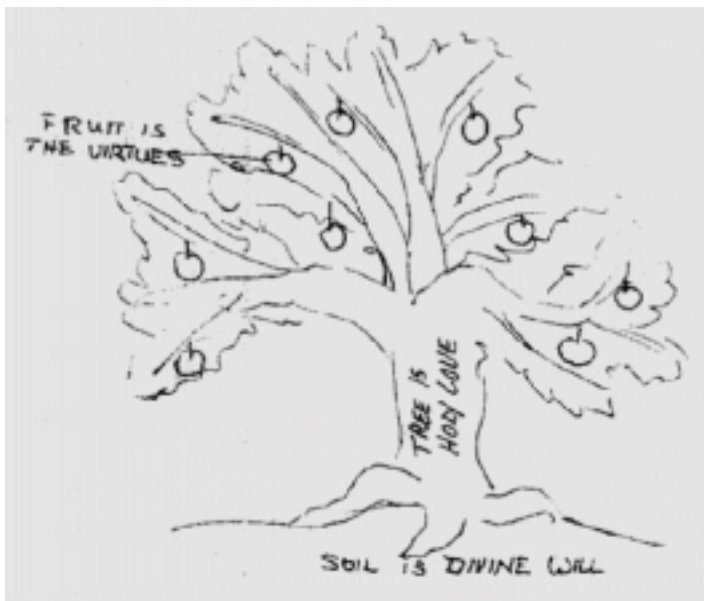

"If grievous sin is the norm, how far behind can God's Judgment be?"

"Realize that your 'yes' to temptation is also your 'yes' to God's wrath. Recognize the truth of my warning to you today."

March 4, 2010 / Public
(Jesus - After Communion - A.M.)

"Come with Me under the tree of life which is Holy Love. This tree grants shade to the weary traveler. It gives sustenance to the spiritually hungry. Climb into the branches of this tree and rest surrounded by the goodness of Holy Love."

TREE OF LIFE

March 4, 2010 / Public
P.M.

"I am your Jesus, born Incarnate."

"This morning I revealed to you how I regard Holy Love as the tree of life. It is, indeed, the tree of eternal life. Follow Me as I expound upon this visual."

"The roots of the tree of life are implanted in the soil of My Father's Divine Will. The roots and the tree itself are Holy Love. The fruit that the tree bears are all the virtues. In order to appreciate the fruit (the virtues), the soul must climb into the tree (that is, the soul needs to come into Holy Love.)"

"The higher the soul goes in the tree, the more exquisite the fruit."

March 5, 2010 / Public
(Temptation)

"St. Peter says: 'Praise be to Jesus.'"

"I have come to help you see that any attack upon the truth is unjustified. In this light understand that to lead a consecrated life, one must also live in the truth."

"Today it is difficult, at best, to discern the reality of truth. Too often power and authority are used to support lies. The temptation to choose such an unjustified path is one of self-interest, not what is best for the salvation of souls. Avarice, love of power and its attendant spirit of love of control take over the heart, removing from the heart the love of souls and their salvation. Often false discernment is the by-product of refusal to accept whom God is working through. This, too, is a grave temptation of pride."

"Each soul is charged with the reality of discovering the truth. To do so, he may need to pray to overcome disordered self-love and all of its subsequent pitfalls - the greatest of which is rash judgment. This, in and of itself, is a great temptation and pitfall of Satan."

"See now, how many things weave together to help or hinder the consecrated soul from living in the truth. Be aware of Satan's snares which take root in pride. With humility search out the truth, for Satan has great difficulty in confusing and tempting the humble heart."

March 5, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I have come to ask you to lose sight of yourselves and focus on the cross which always leads to victory in some way. Be determined to focus on the triumph of the cross and not just the cross itself. Ask Me and I will assist you."

"Tonight I am blessing you with My Blessing of Divine Love."

March 8, 2010 / Public
(Temptation)

St. Peter says: "Praise be to Jesus."

"Please tell the people this for me. Any sin is the direct result of some weakness in Holy Love. Holy Love is the embodiment of the Ten Commandments. Therefore, a transgression in Holy Love is also a transgression of one or more of God's Commandments. Self-interest, if it is extreme, is a weakness in Holy Love. This is how Satan introduces temptation to the heart."

March 9, 2010 / Public

(Temptation)

St. Peter says: "Praise be to Jesus."

"Today I have come to tell you that you should desire holiness. If this desire consumes the heart, temptations which oppose holiness are laid bare and more readily overcome."

"Remember, the key to the First Chamber, which is the Immaculate Heart of Our Mother, is the ejaculation 'Protectress of the Faith, come to my aid'. The enemy of every soul takes flight before this most potent title, and temptations are readily vanquished."

"See that the temptation to fear consumes Holy Trust. Do not embrace any fear. Use Our Lady's title to overcome any worry."

March 9, 2010 / Public

"I am your Jesus, born Incarnate."

"These days when confusion is presented as truth, you must not look at the source of statements but at the content of statements. When I return, My Triumph will be a Triumph of Truth. Then the haze that has been officially placed over the Light of Truth will be swept away; then all will understand that anything which opposes Holy Love is not truth."

"Do not be misinformed - but informed."

March 12, 2010 / Public

"I am your Jesus, born Incarnate."

"I tell you solemnly, from the beginning to the end of time Holy Love has been in the Heart of My Father - the Eternal Now. Holy Love is like an Ark of Truth upon the stormy sea of compromise and confusion."

"Holy Love is not raised up or formed from the heart of man, but from the Divine Hand of My Father's Will. The time is right now for Holy Love to come to the forefront, dispelling lies and deceit, raising up a new generation in Holy Love."

March 12, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Tonight, My brothers and sisters, I invite you to sacrifice everything during this penitential season with loving hearts; for it is in this way I can use your sacrifices to the greatest advantage."

"Never boast of what you are giving Me by way of sacrifice, for this smacks of spiritual pride. Let everything be between your heart and Mine."

"I'm blessing you with My Blessing of Divine Love."

March 13, 2010 / Public

A.M.

"I am your Jesus, born Incarnate."

"I tell you solemnly, My Will is One with the Will of My Father Who is Eternal Truth and the Eternal Now. I am not in lies and slander. I am not part of trumped-up investigations, cursory reviews of 25 years of messages or the supposed connection with high officials' concern over the prayer effort here."

"When I return, My Victory will be a Victory of Truth. I desire all people and all nations gather here and abide in the truth which is Holy Love. Outside of Holy Love there is no truth."

P.M.

"I am your Jesus, born Incarnate."

"I have come today to tell you, and all who will listen, what makes up an unsavory and false judgment against this Mission and many others."

"First and foremost, the 'investigation' was conducted with an eye to destroy - close down - annihilate. True discernment can never arise from a biased heart. True discernment does not come from a heart that holds a preconceived opinion or agenda. Such a 'discernment' is strictly human opinion or judgment - not inspired by the Holy Spirit."

"This major point well-taken, please understand that no diocese can presume to have the right to pass judgment upon or to take control of an ecumenical ministry. It is not the right of any diocese to define a Mission as Catholic if they are established as ecumenical. To do so far exceeds the authority of any prelate. This truth alone shows the desire of any diocese to control an ecumenical ministry as simply an inappropriate power play."

"Perhaps if hierarchy would reestablish their hearts in the truth, they would better understand the meaning of the term 'ecumenical'."

"In this diocese I desire the bishop works with this prayer effort - united in the common goal of bringing peace to the world and salvation to souls. Holy Love is the Two Great Commandments that I, Myself, gave to the world when I walked amongst you. Do not place love of money, power or control above My laws. I call one and all - laity, priests and hierarchy alike - to look at the truth of My words here today."

"Do not mistakenly think I would not correct My own. I desire each one's salvation no matter his station in life or position of authority. Do not adopt a pharisaical spirit. Be humble. Humility is truth itself."

March 15, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, tonight I ask that you accept every cross willingly and with love, bearing it bravely; for when you struggle against your crosses they are heavier, more burdensome and hard to bear. Trust in Me."

"I'm blessing you with My Blessing of Divine Love."

March 15, 2010 / Public

"I am your Jesus, born Incarnate."

"I tell you, all of the Messages you have received thus far in your lifetime will come together to form Eternal Truth. The Heart of My Father is Eternal Truth. This Mission, which is formed in truth, is part of the Heart of My Father."

March 16, 2010 / Public

"I am your Jesus, born Incarnate."

"When you take your heart away from the world, it is easier for you to trust in all I have given you in the past, and in all I will give you in the future."

"What I provide for you in the present is testimony to My Love and My Mercy. It is all provided for your welfare and the welfare of those around you."

March 16, 2010 / Public

"I am your Jesus, born Incarnate."

"I have come to help you understand the parallels in what is taking place in the country and within some inner church circles. In both cases decisions are not based always upon the truth or right reason. While there may be many within these groups - government and church - who live in the truth, not all do."

"When the truth becomes too cumbersome and interferes with personal agendas, some find it very easy to live in compromise. This is when lies are bandied about and decisions are reached behind closed doors by those enamored with their own power. There are many who place their love of money high above any human right or the welfare of many. These are the ones whose decisions are tainted due to disordered self-love. Love of God and neighbor are far from their hearts, and do not factor into their policies. If they are in governments, they see only public image as important - not the needs of their constituents. If they are involved in church politics, they may set out to destroy anyone they perceive as taking money from their own collection baskets even if this is erroneous."

"This is why I sent My Mother here years ago with the request to be known as the Protectress of the Faith. Let My Mother stand guard over the faith in your hearts. This title was summarily rejected in this diocese; but that makes it no less necessary and effective. The faith in your heart is precious and may be all you have to cling to some day."

March 17, 2010 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"The Lord has sent me today to speak to you about spiritual pride. This is the culprit that comes against Heaven's work here and at many apparition sites."

"Spiritual pride is a sanctimonious, self-righteous attitude whereby the soul believes he has all truth and will not accept the gifts that the Holy Spirit bestows on others. Deep within spiritual pride is often hidden a spirit of spiritual envy. This envy denounces the gifts of others because these same gifts have not been given to themselves; therefore, the spiritually envious denounces the gifts of others, declaring them false or non-existent."

"This is the reason that many seemingly good people come against the good of Heaven's efforts here. Of course, there may be other sinister works deep within the heart of those given over to such pride. Every soul fights his own battles towards perfection. But the danger in the spiritually proud is that they do not see or recognize any error in themselves."

"A very real pitfall in the spiritually proud heart is false discernment."

March 18, 2010 / Public

"I am your Jesus, born Incarnate."

"These days of confusion that weigh upon the heart of the world have produced many a false god - many a molten calf of their own accord. Hearts have become inflamed with disordered self-love and have chosen many false gods over My Commandments of Holy Love. This Mission, and all the injustices that have befallen it, is representative of all that is taking place on a larger scale in the world."

"The Mission is calling souls to be reconciled with God and with one another. The enemy, who certainly opposes any

good, has placed schemes in the heart of man to discredit and to destroy Heaven's plans here. He uses power and authority to present mere human opinions as true discernment. Many schemes have been hatched behind closed doors in order to circumvent the truth. This is evident in politics and governments, as well. Some will stop at nothing in order to succeed in their convoluted plans."

"You must not cast your lot amidst the false gods of money, power and reputation. All of these things are passing. Pay attention to the path of sanctification I call you upon through the Chambers of Our United Hearts. I call you to unity in Holy Love. Do not blindly follow a path errant to My call. All should work together towards one goal - the salvation of souls. Any path that leads you away from Holy Love is not of Me."

"Realize what I am saying to you, and follow Me."

March 19, 2010 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come once again as Jesus allows to speak openly for the unity of all mankind."

"Dear children, you must be reconciled with God and with one another in order to gain eternal life. In this unity of Holy Love, you would be able to accomplish all that you so desperately need and desire now outside of Holy Love. You would have peace amongst all nations. You would see an end to violence, terrorism and wars. New, and as yet undiscovered cures, would be found against disease. Prosperity would alleviate much human suffering."

"But as it is, mankind follows a path contrary to God's Divine Will. He has not found the way to, and does not search out, the purifying Flame of My Immaculate Heart which is Holy Love. Humanity chooses its own path - a path which leads to destruction."

"The proposed health care bill, which your government now considers, is evidence of this rebellious path. If approved, it would give your government unfounded power and oppose human rights. The unborn would die at unprecedented rates. Many worthy leaders have already died in the womb. This bill would demand the righteous who oppose abortion to support it even more than they are obliged to now."

"The leaders of this once great nation no longer stand for the truth - just as leaders can be found everywhere who choose compromise. A major reason this Mission of Holy Love is so challenged and opposed is that it stands for the truth and will not back down, no matter the source of lies which slander and attack it."

"The world is planning its future upon the sandy ground of human will. I call the world to build upon the secure foundation of Holy Love, which is the Divine Will of the Father."

March 19, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, tonight I have come to invite you to have in your hearts the desire to become holy; for without this desire your free will will oppose your own perfection upon the path of Holy Love. Turn your hearts over to Me completely. Surrender to Me. Abandon yourselves to Me. Trust in Me."

"I'm imparting to you tonight My Blessing of Divine Love."

March 21, 2010 / Public

(House of Representatives to vote on Health Care bill today.)

"Blessed Mother says: "Praise be to Jesus."

"Today your country faces the challenge of discerning good from intrinsic evil. The legislators are voting on the future of your nation and all of its citizenry. If passed, this bill will dictate the direction of all the people of this once great nation."

"The ones who live in truth realize the impact of such a law. But many are fooled by rhetoric and are very ready to choose unwisely. Unfortunately, all is up to free will. Dear children, I, your Heavenly Mother, am trying to influence hearts to recognize the truth."

"The father of lies has influenced many a leader in all walks of life from the path of truth onto the path of compromise. This is a temptation, which is easily surrendered to, in the face of love of power and reputation."

"But I invite all to comprehend that you cannot influence God's Judgment with your worldly position of importance. When you are responsible for the well-being of many people, God judges you according to the measure of Holy Love with which you see to their welfare."

"You cannot bargain or bribe your way around this. Remember, Holy Love is the truth. Any thought, word or action beyond or outside of Holy Love is not of God. Do not be fooled."

"Walk in the truth of Holy Love and do not prescribe to any other course. My Immaculate Heart is your refuge and your guide."

March 22, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I ask that despite the vote on the 'Bill' yesterday [U.S. House of Representatives passed Obama's Health Care Bill], continue to pray for your country; for it is more in need now than ever. I, your Jesus, am watching over you."

"I'm blessing you with My Blessing of Divine Love."

March 22, 2010 / Public

"I am your Jesus, born Incarnate."

"Today I invoke you, do not be concerned for the opinions of others. It is Me you must appeal to. Please Me by searching out the truth of these Messages and the genuineness of the graces offered here at Heaven's site of predilection."

"There will always be those who will disagree. I tell you, in future generations all of this will be upheld and verified as real. There are those alive today who will witness great signs here. But I am most pleased with those who search out the truth before being given great signs."

March 23, 2010 / Public

(Temptation)

St. Peter says: "Praise be to Jesus."

"When you arise in the morning you should remember to offer the entire day to Jesus. Ask Him, Who is All Wisdom, to help you to recognize temptations at their inception. The more you sacrifice, the easier it is for you to recognize Satan's traps and avoid them. Then you can journey deeper into the Chambers of the United Hearts - those Sacred Chambers revealed here for the first time to humanity."

March 25, 2010 / Feast of The Annunciation

Blessed Mother says: "Praise be to Jesus."

"I have come today as I always do with the permission of My Son. I invite the world to peacefully submit to God's Divine Will. This is impossible to the proud and arrogant heart, for such a one holds self-interest in his future. If I had done so many centuries ago, I never would have given My 'fiat' which you celebrate today. But as it was, My Heart was always predisposed to trust."

"The trusting heart cannot fear. It is not insecure and, therefore, is not envious or greedy. The trusting heart respects the reputation of others for he lives in Holy Love. Holy Love manifests itself in trustful surrender to God's Will. The soul that trusts is not burdened, then, with anxiety about what might happen in the future. He knows God will sustain him through His Divine Providence."

"Today I come especially to call all people and all nations to unity in Holy Love; this is the road to peace. It is the path and the solution God chooses for you. Holy Love is God's Divine Mercy on earth. My Son is calling all leaders - government leaders and religious leaders - to be united in Holy Love. No longer oppose one another or distance yourselves from those God has given you to lead. Be one in the Heart of the Eternal Father. God is not in conflict, whether in ideologies or in aggressive actions against one another."

"God is in His Commandments - the embodiment of which is Holy Love."

"Be disarmed of your weapons, whether they be weapons of mass destruction or words. Do not oppose good with self-righteousness. The judgment will fall upon you. Embrace God's Commandments of Love. Live in the truth."

March 26, 2010 / Public

(Temptation)

St. Peter says: "Praise be to Jesus."

"Never believe that you can readily uncover the ways in which Satan tempts you. He knows your heart better than you do. He knows how to use your emotions and your senses to lead you into sin. He is the master of disguises and often comes clothed in goodness. He convolutes truth, helping you to accept his lies."

"This is why you must embrace Holy Love with your whole heart. Holy Love is the essence of goodness - the path of holiness and the secret weapon enabling you to uncover evil. Once again I remind you, that which opposes Holy Love is not from Heaven but from Satan. It is important to let Holy Love consume your heart so that every thought, word and deed is Holy Love."

"This is the way to avoid temptation."

March 26, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

March 28, 2010 / Public

"I am your Jesus, born Incarnate."

"These days, My brothers and sisters, there are many accusations being bandied about concerning the inner politics within the established Church. I am asking you, do not allow yourselves to get caught up in what may be true or may have occurred. Maintain your faith through the title of My Mother - Mary, Protectress of the Faith. She will help you to keep your focus on what is true - My Real Presence in the tabernacle."

"In the same way, I am asking all people and all nations not to listen to rumors and false statements issued concerning this Mission and these Messages. Keep your focus on Heaven's presence here at this site, and in these Messages themselves. Mary, Protectress of the Faith will assist you in this effort, as well."

"Always try to focus on the positive, not the negative. I come here not to tear down, but to build up in Holy Love."

March 29, 2010 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I tell you, the soul that does not live in the truth does not live in reality; therefore, all the decisions and opinions of such a one are tainted with evil. You can see, then, that anyone who leads must also embrace the truth; otherwise, those who follow him are easily led astray."

"Jesus is not part of any lie. He is Truth Itself. Any lie eats away at reality; therefore, destroying some part of the Kingdom of God."

"True peace of heart and world peace must be built upon the truth of Holy Love - that is reality."

March 29, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

April 2010

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

We welcome all people of all faiths.

Prayer is a universal language.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

April 2, 2010 / Good Friday

“I am your Jesus, born Incarnate.”

“My Life on earth - My Teachings, My Passion and Death - were all in support of the Truth. I never compromised to please or gain approval of others. Some were frightened away by opposition and by lies. The ones that remained faithful - the Remnant - were the ones that perpetuated My Mission through the power of the Holy Spirit after My death.”

“There is a significant parallel here between My Life, Death and Resurrection and the course of My Holy Love Mission in the world. This Mission of Holy Love is now being crucified by

those who seek only its destruction. I promise you a resurrection. Do not lose heart or be frightened away.”

“Mount your defensive both in hearts and in the world. Be courageous and trust.”

April 2, 2010 / Good Friday

“I am your Jesus, born Incarnate.”

“Please listen carefully. The truth is always the truth. It is unchanging. It does not flex to suit opinions or to satisfy unbridled power which is the open door to corruption. The truth is not part of the love of money.”

"The truth is Holy Love. If you do not love God above all else and neighbor as self, you have compromised the truth in some way. You will only compromise the Commandments of Holy Love if your heart becomes compromised through inordinate self-love. Therefore, understand that a humble heart is a necessity in living out these Messages and the Commandments of Holy Love."

"I lead no one away from the truth. I compromise no one's fulfillment of the Laws of Love. I seek no one's demise - only their welfare."

April 4, 2010 / Easter Sunday

"I am your Jesus, born Incarnate - Risen from the Dead - Alleluia!"

"Today, My brothers and sisters, I come as Truth Itself. I seek unity between all people and all nations. I seek each soul's reconciliation with the Will of My Father."

"Do not oppose one another over territories or commodities. Do not judge one another. Respect each other. How blessed are they who seek unity and peace through Holy Love. In My Eyes, there is no two-sided opinion about Holy Love. I did not give you these Commandments so that you could form some compromise in your hearts. I have not formed this Mission of Holy Love for anyone to oppose it or to bring confusion upon it."

"What is left if you do not live in Holy Love? Certainly, I am not in your heart. Therefore, be at peace."

"Be united. Work together to build up the Kingdom of God. Surrender every opinion to the tribunal of Holy Love which must be in your hearts before it can be firmly established in the world."

"I, your Jesus, will then bless your every effort."

"Alleluia."

April 5, 2010 / Public

"I am your Jesus, born Incarnate."

"Today I remind you that you are either for Me or against Me. There is no middle ground especially when it comes to Holy Love. If you are not living in Holy Love, then in some way you are opposing Me. Even if it is a matter of remaining silent in the face of some error, you in this silence, have chosen to oppose Me."

"The truth of Holy Love is not like a fancy vestment that you can put on but underneath in your heart support lies. Truth does not change to support power and authority. Truth is always the truth. Holy Love is always Holy Love. Compromise must not hold sway over any heart. Do not place pleasing man over pleasing Me."

April 5, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, through this Mission I am giving you the way to peace in your hearts and peace in the world. Do not reject it through fear or doubts for I tell you, the light is now upon the path that you must follow. I call you to be children of the light."

"I'm blessing you with My Blessing of Divine Love."

April 6, 2010 / Public

"I am your Jesus, born Incarnate."

"Once again I call you to peaceful unity, for each one of you has been created to serve and love God and to love each other. If you hold in your hearts evil intentions towards anyone or secret plans to bring demise upon someone, I tell you that you have separated yourself from Me. I call such souls to repentance."

"Do not try to justify such thoughts, words or actions by supposing they bring about a greater good. I, your Jesus, call you to put down your weapons; use your tongues to build up My Kingdom in Holy Love, and become My Instruments of Love. Do not ask My Blessing upon your work when evil controls your heart and reveals itself in your words and actions. Put on My Vestment of Holy Love; then I will use you to the fullest. I will act through you. You will be at peace."

April 9, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, solemnly I tell you, no one can enter My Kingdom who dies with opposition in their heart to My Father's Divine Will. Resolve, then, if you oppose Holy Love, which is My Father's Divine Will, to hasten to your conversion."

"Tonight I'm extending to you My Blessing of Divine Love."

April 11, 2010 / Midnight Service at the United Hearts Field - Feast of Divine Mercy

(This message was given in multiple parts.)

Jesus is here as He is in the Divine Mercy Image. He says: "I am your Jesus, born Incarnate."

"Tonight I have come to ask all mankind to turn to My Mercy. The Arm of My Justice grows heavy and ready to fall at My Father's Command. Mankind has misused the grace he has been given. Technology has been convoluted into new ways to offend Me. People live to satisfy their senses and not to love and serve God."

"Those who have been given the most have, too often, used their gifts to take advantage of others - all the while jealously guarding their own welfare."

"I call you to peace and unity through these Messages of Holy and Divine Love. No longer allow labels or opinions to divide you. Find, rather, your common dependency upon God and upon one another. Hold in your hearts a mutual love and respect for each other. This is the way My Father desires that you live. Terror, violence, unbridled passions and the forcing of others into submission are not of Me. You must allow Holy Love to consume your hearts. It is in this way you will be able to choose My Mercy; for Divine Love and Divine Mercy are one. Holy Love imitates Divine Love and Divine Mercy."

"My brothers and sisters, do not foolishly squander the diminishing age of My Mercy which remains. The season of My Justice will quickly follow. Therefore, look with the eyes of truth into your own hearts. Your eternity will be determined upon the scale of Holy Love. Rid your hearts of all malice, greed and unforgiveness. Surrender completely to Holy Love."

All that is in darkness will be brought into the light - the Light of Truth, the Light of Love. You cannot justify any sin - even the smallest lie - before Me. Do not convince yourselves otherwise. Your hope is in My Mercy."

"I tell you, all of My works are clothed in My Love and My Mercy. The Eternal Now, Who is My Father, deems it so. My greatest work is the conversion of a soul. Trust in My Mercy which pours out upon you like the waves upon the shore. Trust in My Love which surrounds you, supports you, and calls you to oneness of heart. Trust in this Mission which is a glimmer of My Divine Mercy and My Divine Love in the world."

"Amend your hearts and your lives through Holy Love. This is My call to you."

"I am extending My Hand of Mercy over the heart of the world through these Messages of Holy and Divine Love. In the days of Ninevah, the people repented and put on sackcloth when they heard God's message through Jonah. God did not let fall His Arm of Justice when He saw the people's repentance. **I am telling you that you must put on Holy Love as your sackcloth soon, and with sincerity.** It is in this way you can turn back the Wrath of God. I am speaking to the world through this messenger - not just Catholics, not just Christians. **The heart of the world must be reconciled with God by living the Commandments of Love.** Kings, rulers, political and religious leaders must react as did the king in Jonah's day. Put on the sackcloth of Holy Love." (*Jonah 3:1-10*) *

"The king in Jonah's day did not waste time in letting Jonah's message penetrate his heart. He responded to the warning given immediately. Today I am asking all people - all nations, all leaders - do not waste precious time in doubting the message or scrutinizing the messenger. Rather, react by living in Holy Love. Each heart that is reconciled with his Creator in this way postpones and weakens the Wrath of Justice." (*Colossians 3:12-15*) **

"My brothers and sisters, I come to you once again tonight because I love you. The power of My Love and Mercy are now descending into your hearts and giving you the present moment graces of desiring a more perfect union with the Divine Will."

"Dear children, be holy, love one another, respect one another. Be united in the Will of My Father."

"Tonight I am blessing you with My Blessing of Divine Love."

*** Jonah 3:1-10**

Then the word of the Lord came to Jonah the second time, saying, "Arise, go to Nineveh, that great city, and proclaim to it the message that I tell you." So Jonah arose and went to Nineveh, according to the word of the Lord. Now Nineveh was an exceedingly great city, three days' journey in breadth. Jonah began to go into the city, going a day's journey. And he cried, "Yet forty days, and Nineveh shall be overthrown!" And the people of Nineveh believed God; they proclaimed a fast, and put on sackcloth, from the greatest of them to the least of them.

Then tidings reached the king of Nineveh, and he arose from his throne, removed his robe, and covered himself with sackcloth, and sat in ashes. And he made proclamation and published through Nineveh, "By the decree of the king and his nobles: Let neither man nor beast, herd nor flock, taste anything; let them not feed, or drink water, but let man and beast be covered with sackcloth, and let them cry mightily to God; yea, let everyone turn from his evil way and from the violence which

is in his hands. Who knows, God may yet repent and turn from his fierce anger, so that we perish not?"

When God saw what they did, how they turned from their evil way, God repented of the evil which he had said he would do to them; and he did not do it.

**** Colossians 3:12-15**

Put on then, as God's chosen ones, holy and beloved, compassion, kindness, lowliness, meekness, and patience, forbearing one another and, if one has a complaint against another, forgiving each other; as the Lord has forgiven you, so you also must forgive. And above all these put on love, which binds everything together in perfect harmony. And let the peace of Christ rule in your hearts, to which indeed you were called in the one body. And be thankful.

April 11, 2010 / Divine Mercy Sunday - 3:00 p.m. Service (*This message was given in multiple parts.*)

Jesus is here as Divine Mercy and has many, many angels with Him. He says: "I am your Jesus, born Incarnate."

"Behold, I am with you just as I have promised! Please understand that My Mercy is from age to age. The depths of Divine Mercy are as deep as any ocean and as high as Heaven itself. But this present age is the age of Mercy, as I call everyone - all people and all nations - into the Blood and Water that flows from My Heart. Repent in the grace of My Mercy, for in the future many may pass to their judgment quickly - without warning."

"These days which are upon you, I invite you to understand spiritually the significance of the epic earthquakes you have been experiencing. Let it be a sign to you that earth is attempting to regurgitate the evil which is present all over the world today. Further, understand, flooding and tsunamis are spiritually significant when seen as nature's attempt to wash clean the surface of the earth from the effects of sin."

"If you do not look with spiritual eyes at current events, you may slip into a false security - even a complacency. Time is short. You do not have time to take any present moment for granted."

"Once again I call you to unity, for this is the way to be merciful to one another. Do not oppose this Mission which seeks only the salvation of souls. Do not oppose these Messages which call souls to their conversion. Allow your hearts to be transformed by the many graces offered here. This Mission is a sign of My Divine Mercy in the world today."

"Never discount, My brothers and sisters, present moment grace which is My Divine Provision, bringing many souls to a truthful glimpse of the state of their own heart, provides new paths around seemingly immovable obstacles and even opens the pathway to sanctification. Present moment grace is My Love and Mercy upon you. It is with you as you listen to this Message. Each one is receiving what he needs to believe and to help others to believe. So much present moment grace goes unattended by so many - graces which could have changed the course of human history. I am giving you graces here today which can change your future, the future of your nation and of the world, if you respond to them."

"My brothers and sisters, today I am filling your hearts with My Love and My Mercy. Allow this Love and Mercy to spill out into the world around you; for it is in this way that souls

that are in error and travel the path to perdition can be redirected into the perfection of Holy Love.”

“Today I’m extending to you My Blessing of Divine Love.”

April 12, 2010 / Public

(Temptation)

St. Peter says: “Praise be to Jesus.”

“I wish to point out the two great temptations which most often rob the soul of the present moment. They are unforgiveness and guilt. Both of these temptations plunge the soul into the past. Both of these form great barriers between the human heart and the heart of God.”

“Unforgiveness bears ill feelings towards another which are fanned by the flames of pride. Guilt is unforgiveness of self, a self-love which cannot forgive the errors the soul made in the past. Both stem from pride.”

“Whenever you feel the temptation of unforgiveness, either of self or another, once again flee to the Immaculata by saying, ‘Mary, Protectress of the Faith and Refuge of Holy Love, come to my aid’.”

“Satan will flee!”

April 12, 2010 / Public

(Temptation)

St. Peter says: “Praise be to Jesus.”

“Today I am inviting every soul to realize that temptation is Satan’s invitation to sin. As such, it behooves each soul to recognize what form Satan uses as this invitation. If he does not attempt to identify Satan’s invitations, he is taken unawares and is most likely to trip and fall into sin.”

“Satan is the master of disguise and the father of lies. His intellect is far above any human intellect. Therefore, you as a mere human, must constantly place yourself in the Heart of the Immaculata by saying, ‘Mary, Protectress of the Faith and Refuge of Holy Love, come to my aid’.”

April 12, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here as He is in the Divine Mercy Image. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, deep within your hearts, please understand My Divine Mercy and My Divine Love for each of you is endless and constant; therefore, in every present moment trust and be hopeful.”

“I’m blessing you with My Blessing of Divine Love.”

April 13, 2010 / Public

(Temptation)

St. Peter says: “Praise be to Jesus.”

“Do not give in to discouragement, lack of trust or impatience. These are all temptations which pull you out of the present moment and into the future.”

“Always remember, God reveals His plan in His way and in His time. Neither worry nor presumption can change God’s perfect plan.”

“To be a more perfect instrument, hang on to the present moment in Holy Love. The greater your effort in the present, the more God uses you to introduce His plans to the world.”

April 14, 2010 / Public

“I am your Jesus, born Incarnate.”

“This will help you to trust. Understand that everything which occurs in the present moment, whether it be interior or exterior, is allowed towards your own sanctification.”

April 16, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, when you are living in Holy Love and your heart is consumed by the Purifying Flame of Holy Love, we are united and sharing the Victory in the New Jerusalem. This is My Father’s Will for you.”

“I’m blessing you with My Blessing of Divine Love.”

April 19, 2010 / Public

“I am your Jesus, born Incarnate.”

“This is the way to be completely free so that your heart can be a pure instrument of the Divine Will of My Father. Leave all judging of others to Me. Look for the good in everyone. If others’ faults become apparent to you, pray for them, but always balance criticism with a good trait in the person. Turn criticism inward. Often the traits you see in others are very present in your own heart.”

“You will soon see how abandoning all judgment of others frees your heart and elevates your spirit.”

April 19, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, you have not surrendered completely to Holy Love with your whole heart if you hold any animosity towards another in your heart. The sign of your complete surrender is complete peace.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

April 21, 2010 / Public

“I am your Jesus, born Incarnate.”

“I invite mankind to realize the particular significance of the cloud of volcanic ash that is passing over certain areas of the earth, blocking air traffic. Mankind, in a similar way, blocks the Will of God when he places his own free will between his heart and the Heart of My Father; furthermore, such an attitude obstructs the inspiration of the Holy Spirit.”

“When man leaves God out of his plans, it is very easy for Satan to enter in, promoting his own agenda. This is quite evident today in many governing bodies where unbridled power has infiltrated the Truth of the Holy Spirit with lies.”

“Immorality soon overpowers good. Misinformation takes on a life of its own. Mistrust becomes a way of life and a fruit of so much confusion.”

“This ‘cloud of ash’ will only be blown away when mankind begins to think, speak and act only in the Spirit of Truth - the Holy Spirit.”

“Allow your hearts to always be Temples of the Holy Spirit - Sanctuaries of Truth.”

April 22, 2010 / Public

"I am your Jesus, born Incarnate."

"Today I have come to remind you of how you used to pick fruit as a youngster, often using the 'little stepladder' as you called it. You see, I remember everything you ever did or thought, except for your sins, which I have forgiven. You climbed very gingerly up the three little steps, knowing your mother wanted the fruit for a pie. Do you recall?"

"Now I'm telling you, Holy Love is the 'little stepladder' to the fruits of the Holy Spirit. The deeper the virtue of Holy Love in the heart, the deeper the gifts of the Holy Spirit. You must watch carefully every step - every present moment - being watchful over the Holy Love in your heart, just as you were cautious over each step you took on the 'little stepladder'."

"Your mother wanted the fruit you picked to make a pie. Your Heavenly Mother desires you have every fruit of the Holy Spirit to make you holy."

"You never consumed the pies your mother made; but I am going to give you a great palate for holiness. I desire every soul long for personal holiness. I wish to give to the heart of the world an appetite for holiness."

April 23, 2010 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Today I invite you to further contemplate the 'Tree of Eternal Life' that the Lord described to you yesterday - the tree whose fruit is the fruits of the Holy Spirit. Any fruit grows best and to its fullest if it is tenderly cared for with fertilizer and protected against disease. Begin to understand that in the spiritual realm, Holy Love fertilizes and protects every fruit of the Spirit."

"Yes, Holy Love is the nutrient of every gift of the Holy Spirit - the food of every fruit of the Spirit, and the protection of every grace of the Spirit. Therefore, understand it is not through the intellect that the fruits of the Spirit come, for it is not enough to know about these gifts; it is through the Holy Love in each heart that these fruits take root, grow and prosper."

"Some claim gifts that they do not have in their hearts - only in their intellect. No fruit can ripen if it is un nourished. In the spiritual being, the fruits of the Spirit must be nourished in and through Holy Love and protected from the disease of pride."

"With all your might, pray for a strengthening of Holy Love in your heart. God does not refuse such a request."

April 23, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Tonight, My brothers and sisters, please understand that My Mother's Immaculate Heart is PERFECT HOLY LOVE, and perfectly fulfills the Divine Will of My Father; and so - is the Divine Will."

"Further, I invite you to understand that when you pray for the protection of the fruits of the Spirit, which are tendered towards you, it is My Mother's Heart that is your protection."

"Tonight I'm blessing you with My Blessing of Divine Love."

April 26, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, do not be amazed that I have asked you to live in Holy Love as a penance such as the sackcloth in the day of Jonah. Remember that living in Holy Love means complete submission of your free will to the Will of My Father. It means living for God and neighbor and dying to self - a true penance."

"Tonight I'm blessing you with My Blessing of Divine Love."

April 29, 2010 / Public

St. Catherine of Siena says: "Praise be to Jesus. "

"Always defend the truth no matter if it is to a person of high rank or to the lowliest of the low. Truth bears the fruit of love. Love crowns truth in every instance. Truth and love are the weight-bearers of every virtue. When one is missing, the whole of the virtue falls. "

"When you defend the truth, God defends you. Truth can only be compromised by a heart which is compromised. Such a heart redefines truth to serve his own agenda. Do not be fooled. The honest heart never finds conforming to the truth difficult. "

April 30, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, tonight I invite you to pursue the desire for personal holiness. Place your heart in a willing state to accept the gifts of the Holy Spirit; for it is through these gifts I will strengthen you, lead you and protect you. Trust in Me."

"Tonight I'm blessing you with My Blessing of Divine Love."

May 5, 2010 / Feast of Mary, Refuge of Holy Love - 13th Anniversary

(This message was given in multiple parts.)

Blessed Mother is here as Refuge of Holy Love, and has on the crown that the children had placed on Her Head earlier today. She says: "Praise be to Jesus."

"Dear children, today I am with you as your Protectress and Refuge of Holy Love. I am always your Protectress and Refuge, seeking your welfare before the Throne of God. I desire to enjoy eternity with you. My Immaculate Heart calls you to the heights of holiness, for My Heart is the First Chamber of Our United Hearts - the Flame of purgation preparing souls to pursue the desire for personal holiness. My Heart is the Divine Will of the Heavenly Father. It is the way and the means of sanctification. My Heart is the Gateway to the New Jerusalem which is the Heart of My Son."

"If you but turn towards My Heart, I will help you to recognize and circumvent every obstacle that lies between us. You will find hope in the midst of desperation. You will find perseverance in the hour of discouragement. You will see clearly the difference between good and evil in every decision. Every obstacle will be

laid bare, and you will see the portals of Satan's entry into every life situation. But, dear children, you must decide to turn to your Heavenly Mother's Heart."

"Dear children, My title and My role as Refuge of Holy Love, are given by Heaven to bring peace to the world - peace to souls and salvation to sinners. To live in Holy Love is to embrace the Ten Commandments. This is the solution for the woes of the world. Please understand, if you are not part of the solution, you are part of the problem."

"I do not come to you empty-handed, but with My Hands full of grace - graces that I am ready to pour out on you if you choose Holy Love in the present moment. I come bearing words of truth. Those who oppose Holy Love oppose the truth. But truth, dear children, does not change according to whom accepts or believes in it. Truth is truth no matter who believes or disbelieves; no matter who approves or disapproves. Truth cannot be redefined to suit personal agendas."

"Today, as never before, mankind has reached new levels of self-love fed by the technologies God has given him. In all of this, mankind has lost sight of his dependency upon God the Creator. Even the disasters that occur do not serve to call mankind back to love of God and love of neighbor. Today, in this country, the oil spill in the Gulf of Mexico is regarded as a threat to the environment - nothing more. In other areas of the world, air space has been blocked by volcanic ash. Please understand, dear children, these disasters and others yet to come are representative of the pollution and obstacles between you and your relationship with God. Can you not fall on your knees and seek God's forgiveness?"

"The gravest and most insidious sin is mankind's failure to search out and recognize the truth. All truth is based upon the reality of the Ten Commandments. Remember, Holy Love is the embodiment of the Ten Commandments. Today I state to you once again this truth. My Immaculate Heart - Refuge of Holy Love - is the Ark of the New Covenant of Love God seeks to establish with all mankind. It is your responsibility to seek this Ark out and to make it known by means of all the technology God has given you."

"In Noah's day, people continued on the path of error, and did not recognize the truth. Today it is no different. The truth of all I have come to tell you and give to you is not recognized. The enemy is trying to drown everything in a sea of controversy; he is trying to pollute the truth."

"Dear children, persevere. I, your Mother, am your refuge and your defense. New disasters will not frighten you if you are in My Heart. The safety of My Heart can be felt here today and always on this property. Carry this peace home with you by choosing to live in Holy Love."

"Dear children, today and always I am your Heavenly Mother. I have called you here - invited you here. You have come with faith and love in your hearts. I invite you to allow your hearts to be reformed in Holy Love so that you can become good instruments of the Father's Divine Will."

Our Lady tells me to tell the people that She's blessing the articles that they have on them, and in their possession.

"Today, My dear little children, I'm blessing you with My Blessing of Holy Love."

May 3, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, I come tonight especially to thank you, each of you, for your many prayers and sacrifices which have gained many souls for the Kingdom of Heaven. The best prayer, the best sacrifice, is offered from a heart full of Holy Love, which has no thought of self but only love of God and neighbor. Remember this ALWAYS.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

May 9, 2010 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, I have come to be with you once again on this Mother's Day as Jesus allows Me to do so."

"I thank all those who have said 'yes' to life, whether you carried life in the womb or supported the pro-life movement. You are all worthy mothers. Today I ask that you continue to pray for those who do not support life. They, in their stance against life, are supporting many negative influences in the world. Remember, not to choose, is to choose. The truth of life in the womb cannot be compromised in any way - even by not taking a decisive stand."

"I call you to be warriors of truth - warriors for life."

May 10, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I have come to invite you into a unified peace that can only proceed from hearts full of Holy Love."

"My brothers and sisters, whenever your peace is challenged, please understand that the Holy Love in your heart has been challenged, as well. Pray for strength to overcome any difficulty in living the virtue of Holy Love."

"Tonight I am blessing you with My Blessing of Divine Love."

May 12, 2010 / Public

(Temptation)

St. Peter says: "Praise be to Jesus."

"This is how the soul opens the door to all temptation. He places himself first - God and all others last. Through love of self, he allows himself to compromise the truth. In this way, good becomes evil and evil good. Truth is obscured by personal agendas. Sin is no longer regarded as sin."

"Through such a disordered self-love, the soul convinces himself that there is no abyss between his own heart and the Heart of God. He is able to do so, for he views everything through the eyes of self-love. Through this inordinate self-love, the soul begins to believe he can do no wrong - perhaps even that he is incapable of sin. Such a one has fallen into the grasp of the enemy of all souls."

"The Messages of Holy and Divine Love are bearers of truth - exposing evil and disarming the unsuspecting soul who places himself in so high esteem."

"Do not allow yourselves to fall into the clutches of this very dangerous temptation; many souls have. Pray for the truth of humility which allows the soul to see where he stands in the Eyes of God. It is the courageous soul who will do so."

May 13, 2010 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"These days and during these most anguished of times, souls

devoted to Christ must not be afraid to take a stand against evil. Show me a neutral heart and I will show you a lukewarm soul. Do not allow your hearts to be compromised for fear of others' opinions of you. Do not be sensitive to criticism, and do not try to look into others' hearts with a critical motive."

"Be more focused upon moral issues and stand for the truth. Neutrality dilutes the truth and clouds the real issues at hand. Defend vehemently every issue that stands for Holy Love, for Satan's attacks are always and everywhere in opposition to Holy Love in hearts."

"You must be warriors of the truth - not interested in pleasing man, but only God."

May 13, 2010 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"Holy Love is all truth - all righteousness. Therefore, understand Holy Love cannot be compromised. Every issue - political, religious or otherwise is surrounded and based upon the acceptance or lack of acceptance of Holy Love in the heart."

"This must not be neutralized by diplomacy or any attempt to avoid an unpopular opinion. Here the axiom, 'Do not please man but please God' must always be applied. This requires courageous conviction of heart. Believe this wholeheartedly and do not let Satan persuade you otherwise."

"Sometimes the enemy comes clothed in the goodness of being the peacemaker in situations of conflict. You must always be the peacemaker clothed in Holy Love - not compromise of Holy Love; that way, God defends you."

"Neutrality clouds the truth."

May 14, 2010 / Public

"I am your Jesus, born Incarnate."

"Today I have come to ask you to pray for fortitude which lends itself to inner strength in the face of trials. Fortitude enables the soul to push forward unflinchingly despite obstacles and misfortune. The Ministry here - its mere existence - is a witness to the fortitude of many, including your own. Fortitude is like a stubborn patient courage - an unwillingness to surrender to defeat. Without the virtue of fortitude, the Ministry would not be standing today and would not continue to burgeon forth tomorrow."

"Pray this way:"

"Lord, send forth Your Spirit and ask Him to place the gift of fortitude in my heart. Through this grace of fortitude, help me to be patient in the face of all trials and difficulties. Give me the courage through fortitude to press on amidst every difficulty. Amen."

May 14, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He is all in white. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I come as My Father sends Me to ask you to resolve in your hearts everything that stands between your heart and the Heart of the Eternal Now, whether it be guilt, unforgiveness, criticism of others, judgment of others. Resolve these things with the help of My grace so that you will be completely free to receive the gifts of the Holy Spirit at Pentecost."

"Tonight I'm blessing you with My Blessing of Divine Love."

May 17, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, each of you has a guardian angel which stands watch over your heart day and night and every present moment. Open your hearts and allow this angel to usher in the power of the Holy Spirit."

"Tonight I'm blessing you with My Blessing of Divine Love."

May 19, 2010 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to give the world a better understanding of the Father's Omnipotent, Omnipresent Divine Will. As Jesus has instructed you, God does not mark time on the pages of a calendar or with the hands of a clock. God's Divine Will and the actions of Divine Grace move and act according to and embracing the free-will actions of man. This is not to say that man dictates and controls God's Divine Will. Rather, I liken the Divine Will to a rubber band, which stretches and bends to accommodate what it must embrace."

"The world cannot exist outside of the Eternal Will of the Creator. However, every free-will action carries with it consequences which affect the world; for God has His plans which wax and wane according to the decisions of free will. From moment to moment God adjusts His Will to accommodate His Eternal Good which is the salvation of souls."

"Yes, God's clock is what the heart of man embraces from moment to moment. God's clock ticks away, marking eternal salvation, mercy and justice in a world which does not recognize the passage of each present moment."

"I come to challenge each heart to turn to the Eternal Good of All Hearts - the Eternal Love Who reconciles the heart of man with the Divine Will. Be reconciled in the most important time - the present moment."

May 20, 2010 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to tell you that just as there are seasons according to climate, so too, there are seasons in the spiritual realm. According to what man holds in his heart - be it Holy Love or the embrace of some sin - so God mediates His Will. He measures His Love, Mercy and Justice according to the decline or embrace of Holy Love in each present moment in all hearts."

"Therefore, understand that the Will of God oversees and embraces all people, all nations and all circumstances. God alone knows the hour of His Judgment and the moment of His Justice. God awaits every decision of free will. He mediates His Will perfectly towards each one's salvation."

May 21, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I have come to thank you for your prayer effort here in this building. Your prayers have changed many hearts and world events, as well. Continue to pray with hearts filled with Holy Love. I am listening wherever you are. I am very excited about our new Prayer facilities!"

"Tonight I'm blessing you with My Blessing of Divine Love."

May 23, 2010 / Feast of Pentecost

I see a great Flame which I have come to know as the Heart of God the Father. He says: "I Am Who Am. I Am the Eternal Now. I tell you solemnly, that all Truth is clothed in My Divine Will. My Divine Will is always clothed in the Truth."

"Therefore, when the Spirit of Truth* enlightens you, know that it is My Will that He do so. Nothing occurs outside of My Permitting Will. Nothing is given outside of My Providing Will. Eternal Good is pure righteousness, which is the direction of all people, events and elements as I desire. When free will thwarts Eternal Good, My Will takes on new direction, but it is always My Divine Will. To profane Truth is to profane My Perfect Divine Will - My Eternal Good."

* Spirit of Truth is the Holy Spirit.

May 24, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please allow Holy Love to be your inner strength and the conviction of your hearts. Look around you and see what Holy Love has built, and keep this image always before you. Let it inspire you to embrace Holy Love in every present moment."

"Tonight I'm extending to you My Blessing of Divine Love."

May 25, 2010 / Public

St. Augustine says: "Praise be to Jesus."

"You must understand that God's Eternal Good is the Divine Will unthwarted by the free will of man. When free will works against the All-Knowing Eternal Good, God works through His Providing Will - still accomplishing His Most Perfect Divine Will."

"All things - events - knit together, forming the tapestry of the salvation of the soul. The final thread of the tapestry is the soul's free will."

"At this site of Holy Love, the soul is given the grace to desire to weave his free will into the Divine Will of God."

May 26, 2010 / Public

St. Augustine comes and says: "Praise be to Jesus."

Maureen: "So you are the one who dresses as a bishop and stands in the background so often." *

St. Augustine: "It is true. Now I am here to speak. St. Peter has finished his narratives on temptation. I am sent to you to speak about conversion. You will please copy my words to you."

"A conversion experience is God's intervention into the heart of a sinner resulting in the sinner's return to a life of grace. Specifically, a conversion can only be accomplished when free will cooperates with grace."

"I would like to compare a conversion experience to a beautiful concert, for it is a concerted effort between God, the soul and many graces. The symphony would be the soul's conversion. The symphony can only be appreciated when many instruments come together to play in harmony with one another. These would be the many graces God intertwines to bring about the conversion. The music that the instruments play are the many sacrifices and prayers offered for the soul's conversion. Finally, the conductor or orchestra leader is God Himself bringing all things together to accomplish the beautiful symphony or conversion of heart."

* For several years I have seen, off and on, this bishop standing in the background in other visions. He never spoke. I never knew who he was until today.

May 27, 2010 / Public

St. Augustine says: "Praise be to Jesus."

"So today I desire we examine the inner workings of a conversion. No conversion takes place outside of the Divine Will or outside of free will. Since God's Will is always and eternally the ongoing conversion of every soul until it reaches salvation, you can see that conversion of heart is solely dependent upon man's cooperation with the Will of God."

"Understand, then, that man chooses to respond or not to respond to his own conversion in every present moment. God gives each soul all the graces needed in each present moment to choose his own salvation - his personal holiness - even his sanctification."

"Let us explore the reasons mankind would not choose conversion. These reasons always spring from disordered self-love. Perhaps he has placed money in his heart as a false god. Love of money opens the soul to the violation of many of God's commandments, for money is seen as the means of happiness. Avarice, jealousy and lies consume the heart; or perhaps the heart sees money as a means of power and control. Then the soul

loses sight of love of God and neighbor. He allows greed to overwhelm him in every present moment."

"For a conversion to take place, the soul must desire it. He must accept the grace of being dissatisfied with the world and all of its pleasures. He must accept the grace of accepting true peace in union with God's Will. He must open his heart to the truth."

May 28, 2010 / Public

St. Augustine says: "Praise be to Jesus."

"Please understand that conversion of heart is God's greatest work. The converted heart is God's Mercy and Love alive in the soul. For this reason Satan vehemently opposes every conversion. This is why the newly converted soul must realize the importance of his ongoing conversion in every present moment. As the soul progresses in personal holiness, he is more and more aware of the necessity of this ongoing moment to moment conversion."

"The converted soul must renew his conversion several times daily by casting himself upon the Lord's Mercy and His Love. These two - Divine Mercy and Divine Love - are never separated. These two are the hope of all mankind. It is only through God's Free Will that the conversion of heart can be challenged. Satan can do no damage unless he is allowed to do so. This is why it is important that the converted heart opposes anything which opposes Divine Mercy and Divine Love."

"Ongoing conversion is a constant struggle between good and evil. Every soul is given the grace to recognize the battle and to overcome the evil in each present moment."

"Every soul should surrender to Divine Love and Divine Mercy when he arises in the morning. Say this prayer:"

"Lord Jesus, I surrender this and every present moment to Your Divine Mercy and Divine Love. Strengthen me. Be my defense against evil. Amen."

May 28, 2010

"I am your Jesus, born Incarnate."

"As often as the sinner recites this prayer, I will bring peace to his heart."

May 28, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I advise you, let your inner strength arise from your heartfelt surrender to Divine Love, Divine Mercy; and then I will bless you with peace as I am blessing you now with My Blessing of Divine Love."

May 30, 2010 / Feast of The Holy Trinity

St. Thomas Aquinas says: "Praise be to Jesus."

"The reason that mankind can only accept the Holy Trinity through faith is that human understanding relates to the elements of time and space. In Heaven and with God, there is no time or space."

May 31, 2010 / Public

St. Augustine says: "Praise be to Jesus."

"Each one's conversion is dependent upon his surrender to Holy Love in the present moment. Outside of Holy Love there is no conversion. Allow Holy Love to consume your thoughts, words and actions. This is the path to living in God's Divine Will, for Holy Love is always God's Will for you."

"Any part of the present moment that is not surrendered to Holy Love is also a moment not reconciled with the truth. Every conversion is a conversion from falsehood to truth."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

June 2010

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

We welcome all people of all faiths.

Prayer is a universal language.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

OUR LADY'S NEXT PROMISED APPARITION AT MARANATHA SPRING & SHRINE September 14-15, 2010

*“My daughter, please advise My children I will return to Our Field of Victory at midnight
dawning on My Feast of Sorrows.”*
(Blessed Mother, June 20, 2010)

**Tuesday, September 14th meet in the Field of the United Hearts at 11:00 PM
on the Feast of the Triumph of the Cross.**

June 3, 2010 / Public

“I am your Jesus, born Incarnate.”

“Today I tell you that it is easier to say you disbelieve in Heaven's work here and in these Messages, than it is to say you believe. I am speaking of the general public - most especially about those who are first introduced to the Mission. Those that disbelieve often do not need to give a reason, whereas those that believe are asked most often to substantiate their claim.”

“Always trust in the Holy Spirit to help you speak the truth when you are questioned on behalf of these Messages. It is easier to trust than to live in lack of peace and distrust.”

“The one who trusts is living in My Father's Will. The one who trusts waits upon the grace of Divine Providence. He quietly and peacefully awaits the action of Providential grace. He lives in hope. He does not fear. He has the truth.”

June 4, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I ask you to empty your hearts of all worldly concerns, problems, unforgiveness and guilt. Ask My Mother to fill your heart with grace, for many graces await you. The most important grace is the desire to live in the truth of Holy Love.”

“Tonight I'm blessing you with My Blessing of Divine Love.”

June 5, 2010 / Public

“I am your Jesus, born Incarnate.”

“I have come to notify the world that there is significant meaning to the oil spill off the coastline of your nation. The waters seem

irreversibly polluted. Innocent bystanders watch as their livelihoods slip away."

"So it is with the heart of your nation which has been polluted by sin. The sin of abortion snatches innocent lives from the womb. Worthy leaders have been killed in the womb and continue to be sacrificed in this way. Your country has sacrificed its independence through a financial crisis which could have been avoided. Instead, polluted hearts led the nation off course."

"In the Gulf of Mexico pollution is further weakening your economy. What was given to your country by God as pristine, is now greatly compromised by error. In your nation, what was founded 'Under God' is now compromised by man's choices against Holy Love."

"Your nation will not meet with success or prosper in its attempts to be free from God's influence; instead, God will continue to weaken this once great nation. It was founded as a haven for religious freedom; it is becoming a haven of sin."

"The Remnant, who live in the truth, must persevere in prayer and sacrifice. I desire to save, not to destroy. I desire your welfare, not your demise."

"Make this message known."

June 7, 2010 / Monday Service - Peace in All Hearts through Holy Love

*NOTE: We are moving from the old pole barn to the NEW MINISTRY COMPLEX.

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, know for certain that we are beginning and we are ending many things in the life of the Ministry and in the world at large. We have been through many doorways together, many of which we passed through, and you were very uncertain."

"But today, My brothers and sisters, with certainty, know that I am telling you, you are taking off the old and putting on the new."

"Tonight I am blessing you with My Blessing of Divine Love."

June 8, 2010 / Public

"I am your Jesus, born Incarnate."

"I come, as always, to save souls and draw each one into Holy and Divine Love. Realize that Truth is only compromised when the soul seeks his own advantage. It is then that the convoluted heart changes the Truth, recreating reality to suit himself and towards some personal gain. But, My brothers and sisters, the Truth never changes. It is always the Truth. Nothing in and of the world can redesign Truth. There are no new or secret ways to interpret the Ten Commandments or the Commandments of Love which comprise Holy Love."

"There will always be persecutors of this Mission. But understand, My dear apostles, that these are the ones that do not recognize or accept the Truth of Heaven's Mission here. In their hearts they have twisted the Truth and misrepresented the Truth to many."

"But the moment of Truth comes to each soul. At the soul's judgment before Me, I do not listen to lies or excuses; nor does money, position or titles influence Me. So it is best, by far, to live in the Truth of Holy Love as I have given it to you."

June 9, 2010 / Wednesday Service - The Propagation of the Holy Love Messages and the Confraternity of the United Hearts

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "My brothers and sisters, tonight Heaven opens the door wide for all people and all nations to step into My Father's Divine Will through these Messages of Holy and Divine Love. Welcome all who come in the name of Holy Love."

"We're extending to you the Complete Blessing of Our United Hearts."

June 9, 2010 TO ALL PRIESTS

St. John Vianney says: "Praise be to Jesus."

"My brothers and sisters, as the Year of the Priesthood draws to a close, I have come to offer this parting advice to all priests:"

"My brothers, be simple and holy. Do not forsake any part of your duty to the truth. Be loving shepherds - not quick to condemn the actions of the Holy Spirit within your flock, but always willing to carefully consider and listen. Encourage prayer and frequent confession. Encourage devotion to the Holy Eucharist. All of these bring about unity."

"Where there is disunity, there is Satan. Do not discount Satan's efforts to snatch souls away from salvation, for every soul is vulnerable."

"Encourage Holy Love, for Holy Love is the fulfillment of the law and the scale upon which each soul is weighed."

"Trust in God's Providing Will, and do not allow worry or avarice to consume your heart."

"If you follow my instructions to you today, you will see God's grace take hold in your life. I am blessing you."

June 12, 2010 / Weekend of The United Hearts - June 11 - 12 - 13 Midnight Service at the United Hearts Field

(This message was given in multiple parts.)

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"I come once again for the welfare of all, which is personal holiness and salvation. Understand that the gravest disaster this nation and the world face is that of spiritual apathy. This disease has led to every sort of debauchery. Free will, in many cases, has become its own god. Unity through Holy Love eludes this generation which has chosen disunity and moral degradation."

"I have come to offer you Light in darkness - Joy amidst sorrow - Truth to lead you around the obstacle of lies. You will not find peace outside of Holy Love. Holy Love is the hope of this generation."

"In the world you are experiencing a disastrous pollution of the Gulf of Mexico. The effects are and will be far-reaching. Even more devastating are the effects of disregard for God's laws. The pollution in the Gulf bubbles up to the surface affecting many lives, industry and the environment. But, My brothers and sisters, the pollution that is in hearts has a more far-reaching effect. Disregard for God's laws has resulted in abortion, not just killing wildlife but claiming human life; not just damaging shorelines and fishing industry, but changing the course of human history forever by virtue of the lives taken, the vocations eliminated, the leaders who never rose to prominence. Please understand godlessness is exacting a toll. Godless laws demand God's Justice! I do not come to threaten but to help you see with the eyes of truth."

"The more mankind flagrantly opposes the Will of God, the greater the distance between the Protective Hand of My Father and all of earth. You cannot live as though God does not exist without the Eternal Now calling you back to dependence upon Him through trials which bring humanity into the reality of his own weaknesses."

"Do not seek importance in the eyes of the world through power, riches or renown. Seek only to be important in My Eyes through humility, simplicity and compliance with God's Will for you. Then I will rest My Hand of Divine Provision upon you, just as I have done so with this Mission."

"When you no longer seek personal holiness, you are a great pain - a new sword - in My Sacred Heart which is Pure Love."

"My dear brothers and sisters, you will never know with what fierceness the Flame of My Heart burns with longing for the conversion of each soul. Do not take My call to personal holiness casually or with indifference. See in this call a burning love - Eternal Divine Love - a longing to be reconciled with the heart of mankind. Do not reject My invitation through self-love."

"It is through your 'yes' to My call to holiness that the Flame of My Heart will be able to burn away all evil and establish within hearts and in the world the New Jerusalem. Realize that living in Holy Love in the present moment is personal holiness. Earth will experience resolutions to problems or continued and new perplexities according to the response to My call to holiness here tonight."

"My brothers and sisters, behold My Most Sacred Heart which beats with ardor for each one of you. The Flame of My Mother's Heart is a Purifying Flame. The Flame of My Heart is the Flame of TRUTH, and leads the soul deep into the Chambers of Our United Hearts. My brothers and sisters, console Me in My hour of need."

"Tonight I am blessing you with My Blessing of Divine Love."

June 13, 2010 / Weekend of The United Hearts - June 11 - 12 - 13 Sunday 3:00 p.m. Service

(This message was given in multiple parts.)

I see hundreds upon hundreds of angels just before Our Lady came.

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Let Me fill you with My joy as a new chapter of this Mission opens. Today the private cause of each soul is here in My Heart, and I raise all petitions to the altar of the Most High."

"The full glory of this Mission is at hand, both in Heaven and on earth. Victory crowns My Immaculate Heart in Holy Love, and I celebrate with all the angels and saints, and each soul that comes here to this site of Heaven's predilection."

"As you contemplate My Immaculate Heart, please understand that the sword which pierces My Heart is the compromise of truth which leads souls into sin. Many persecutions are based upon lies. But today My Heart is shown to you as the Vessel of Truth which you must turn to in Holy Love."

"Dear little children, all past moments of your lives, all the memories, crosses and victories come together today as I have called you here and affirm your presence here. Grasp the grace of this present moment. Allow your Heavenly Mother to fill you and to use you as a holy instrument to call many others to this grace-filled property and site of signs and wonders. You have not chosen Me so much as I have chosen you to be messengers of truth - apostles of Holy Love."

"Do not be so discouraged by those who do not believe as you are encouraged by the multitude who do believe. Their angels have come here today from all over the world. They are carrying many graces back to their points of origin - most of all, courage to live in the truth."

"Dear children, in Heaven there are no denominations or labels to divide and separate one from the other. Rather, all are one in Holy Love. So it is, I urge you to be united in this way in the world - each one living in Holy Love. Then you would have no more wars or violence. You would not seek out pleasure in moral degeneration. All would be one, living to please God and one another, as God intends you to be."

"How much I long to draw this generation into My Immaculate Heart - away from the influence of evil that pervades the world today. My Heart is the safe Refuge - the ark of the present moment.

You, My children, must surrender willingly to My call and trust in this Mother's Heart and in My Protection. My Heart is the open door to the Heart of My Son. Together We have prepared a place for each one of you."

"I sorrow for those who come here yet refuse to believe. My Son holds them responsible for rejecting grace, most especially if they do not live in Holy Love after receiving all Heaven offers here."

"The fulfillment of the gospel message is contained in Holy Love. Holy Love is the fulfillment of the gospel message. Therefore, what have you to doubt? Why do you search out error where there is none to be found?"

"Dear children, all of Heaven is celebrating your presence here today. Be courageous, My little ones, in spreading My Messages and My Son's Messages given this weekend. I am giving you permission to do so."

"Dear children, all of your petitions are secure in My Heart."

"Today I'm extending to you My Blessing of Holy Love."

June 14, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, My great joy is all your efforts towards perfection in Holy Love. Remember that the foundation of personal holiness is Holy Love and Holy Humility. The more sound the foundation, the deeper the holiness."

"I welcome each one of you in this new dwelling place and in the dwelling place of My Heart."

"Tonight I am blessing you with My Blessing of Divine Love."

June 17, 2010 / Thursday Service - Conversion of all Priests, Religious, Bishops and Cardinals, that they are convicted in and live in the truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, gather in My Heart of Hearts where I will shelter you, and celebrate with you and console you. I desire to feed you every good thing."

"Tonight I am blessing you with My Blessing of Divine Love."

June 18, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, thank you for bearing with fortitude all the misunderstandings and persecutions associated with this Mission. I am supporting you with My Heart of Love and Mercy. Pray that you will continue to serve Me in such a way, so that I can bring many souls to pursue their personal holiness through Holy Love."

"I'm imparting to you My Blessing of Divine Love."

June 20, 2010 / Public

Blessed Mother says: "Praise be to Jesus."

"My daughter, please advise My children I will return to Our Field of Victory at midnight dawning on My Feast of Sorrows."

June 21, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "My brothers and sisters, please understand that the peace you feel on this property, and in and amongst these buildings

and shrines, is the peace of My Mother's Heart. For this prayer site is a Heavenly Refuge, just as My Mother's Heart is a Refuge of Holy Love."

"Tonight We're extending to you the Complete Blessing of Our United Hearts."

June 23, 2010 / Public (Conversion)

St. Augustine says: "Praise be to Jesus."

"I have come once again to speak to you about conversion. Only God can tender forth the grace of conversion. When you pray and sacrifice towards the conversion of a soul, it is so the soul will be open and accept the conversion God is offering. Many, many such graces are summarily rejected leaving the heart in a worse state than before the graces were offered."

"You can see this played out very profoundly in the Ministry and upon this property. Over and over again the graces offered here and through these Messages are rejected through a skeptical nature - even rash judgment. But God does not surrender to such rejection. He is a generous, loving and merciful God. He will not be discouraged by the coldness with which His graces are regarded. He is Holy Boldness."

"The fact that I am here today is proof of this. Therefore, never be discouraged in praying or sacrificing for the conversion of souls."

June 23, 2010 / Wednesday Service - The Propagation of the Holy Love Messages and the Confraternity of the United Hearts

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, in every present moment have hope in your hearts, for each one of you has a special petition that you carry and refuse to surrender to My Divine Love. Give it now to My Mother and She will place it on the altar of My Heart. And then pray with hope; My Mother is praying with you."

"Tonight I'm blessing you with My Blessing of Divine Love."

June 25, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I come to you tonight seeking your continued efforts in personal holiness in each present moment. It is by your efforts evil can be conquered and good can be victorious."

"Come deep into My Mother's Heart of Holy Love so that I can lead you deep into Divine Love - My Own Heart."

"Tonight I'm extending to you My Blessing of Divine Love."

June 26, 2010 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, I have come to invite you to understand that this Mission is not defined by opinions but by the truth. Therefore, Satan's attacks are always clothed in untruth. You have been betrayed in this Mission by many out of jealousy, anger and avarice. But the truth of Holy Love remains undaunted by evil designs and covert plans."

"The truth will not change no matter the superficial findings of some. Remain steadfast in the prayer effort I call all people and all nations to at this - My beloved site."

*“My daughter, please advise My children I will return to Our Field of Victory at midnight

(Blessed Mother, June 20, 2010)

**Tuesday, September 14th meet in the Field of the United Hearts at 11:00 PM
on the Feast of the Triumph of the Cross.**

July 1, 2010 / Public

Blessed Mother says: “Praise be to Jesus.”

“Dear children, I have come to ask you to continue to believe no matter who disbelieves. Pray here and do not be afraid. Pray especially for unbelievers, for it is these who impede the very conversions of heart Heaven is choosing to offer here.”

“Heaven’s Mission is only beginning at this site of predilection. The truth does not change according to who believes or disbelieves - but is always the truth.”

July 2, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

My brothers and sisters, make no mistake, it is Heaven that

calls you here for these apparitions, these Messages and the multitude of graces. You are being called in truth to partake of the truth of this Mission, not in error. Therefore, accept the truth and believe as I desire.”

“I’m blessing you with My Blessing of Divine Love.”

July 3, 2010 / Public

(Conversion)

St. Augustine says: “Praise be to Jesus.”

“The most complete conversion holds no memory of wrongs inflicted upon self except to pray for the one guilty of wrongdoing. Unforgiveness holds the soul at arm’s length from the All-Merciful God. Such a one cannot fully imitate God’s Mercy and Love and, therefore, is not completely converted.”

“Selfishness always regards cost to self first and foremost, while the unselfish heart is always at the service of God and neighbor.”

July 4, 2010 / Independence Day

"I am your Jesus, born Incarnate."

"Today I have come to tell you that true freedom - true independence - is freedom from sin. The souls consecrated to this perfection of heart can change the course of human history. Whole countries are capable of changing direction by this means. This is the path I call you to follow through Holy Love."

"Further, I caution you, do not let human opinions found your beliefs. Many private revelations once decreed unworthy will be found worthy when I return. This Mission will be among them, and will last into the New Jerusalem. Indeed, I am building the New Jerusalem here now. These Messages in the future will be studied in depth and be cherished."

"Therefore, set your hearts on what is above through Holy Love; then will you know true peace - true freedom. This is a freedom which cannot be legislated but must be fought for in every present moment."

July 5, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, with WISDOM and the GRACE OF SELF-KNOWLEDGE, look into your own hearts. Regard with what esteem you hold God and neighbor, for that is the depth of your personal holiness. Anything that is contrary to Holy Love in your hearts is an obstacle to perfection."

"Tonight I'm blessing you with My Blessing of Divine Love."

July 7, 2010 / Wednesday Service - The propagation of the Holy Love Messages and the Confraternity of the United Hearts

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, these days and during these times of conflict and compromise, Satan pompously dresses untruths to appear as truth. But I am calling you to be united in TRUTH itself which is Holy Love. Let NO ONE persuade you otherwise."

"Tonight I'm blessing you with My Blessing of Divine Love."

July 9, 2010 / Public

"I am your Jesus, born Incarnate."

"I will tell you the reason Truth is compromised. I do not need to give you a list for it is always the same reason - self-love. The soul who compromises Truth places himself and his own wants and needs ahead of God's Will. Sometimes it is love of reputation; other times it may be love of power, money, control or even love of physical appearance. These disordered loves have been addressed many times in the past, but today I invite you to see that inordinate self-love is always the foundation of every untruth."

"Evil is always clothed in Satan's lies. He knows the doorway to every heart. He cannot succeed in misleading the soul that weighs and measures everything on the scale of Holy Love, for Holy Love is synonymous with the Truth. Therefore, My little lambs, cling always to Holy Love. Holy Love is your life-link to the Truth - the life preserver that holds you above the storm of confusion and controversy which is flooding the heart of the world."

July 9, 2010 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"I have come as Jesus allows, to speak to you about loyalty. These days your city is suffering from the lack of loyalty of a sports star who has defected to another city. The Heart of the Eternal Father, the Sacred Heart of Jesus and the Immaculate Heart of Mary suffer moment to moment due to lack of loyalty in hearts."

"There is the disloyalty of those who abandon the truth - the precepts of faith - not to mention the pursuit of personal holiness. There are still others who abandon loyalty to themselves by not searching their hearts to discover how many ways they could please Jesus more. Many graces await those who do so."

"There are many, even whole ideologies, that embrace sin under the guise of pleasing God, when really they are cooperating with evil."

"So you see, disloyalty can cause the soul eternal death when he misplaces his loyalties in the pursuit of Satan's follies which are too often clothed in goodness."

"Be loyal to the truth of Holy Love; then all graces will be abundantly given you."

July 9, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, I have come to tell you all that I desire you to have. I desire that you have WISDOM to surpass all generations - UNDERSTANDING beyond human understanding. For this to be in your hearts and part of your spirit, all I ask in return is your complete surrender to Holy Love."

"Tonight I'm blessing you with My Blessing of Divine Love."

July 11, 2010 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come to speak to you today about grace - no particular grace - just grace in general. God has so deemed that all grace flows to earth through My Immaculate Heart, for in My Heart is God's Perfect Will coupled with a Mother's Compassionate Heart. The present moment always is a grace. This is true, as God offers the soul, in every present moment, the grace to surrender to His Perfect and Divine Will."

"The action of grace is often unrevealed and may never be revealed; sometimes graces are unrecognizable. Often after grace performs according to God's Will, it becomes very apparent as the eventful works of the Power of God. But this is not always so. Sometimes the soul may feel abandoned, and only in retrospect recognize God's Hand had been at work in events or people. Sometimes God allows events to unfold so that the need for more prayer becomes apparent."

"Grace is the Will of God in action. Often, as a modest lady, grace remains hidden in the background. Sometimes this 'lady grace' is coaxed out into the open so that all can admire and enjoy her."

"Such is the case here in this Mission and at this apparition site. Miracle after miracle occurs here and will continue to do so. God is coaxing souls in the spirituality of Holy Love. Look to the skies. Look to the healings at the Spring and by the lakes. Come and revere My Son's Passion in the Stations. Come and console Me in My Sorrows. I promise to be there listening."

"Many graces are awaiting those who will come with faith - many graces that you do not even expect and can't even imagine."

July 12, 2010 / Public

Blessed Mother says: "Praise be to Jesus."

"I tell you, every grace that is in My Heart is perfect, but as it is passed into the world, it is affected in many ways. There are as many individual graces as there are souls in the world. No two are alike. The strength of each 'present moment grace' is determined by the openness of the instrument or heart of the recipient. A soul that does not live in Holy Love does not receive as powerful a grace as one who does - unless it is a grace of conversion."

"The grace of a conversion flows through God's Mercy and is not compromised unless the soul turns away from it. Graces not only fall on individual souls, but on events, natural resources and many human conditions. These graces are always influenced by the state of each human heart."

"Many, many graces languish in My Heart for no one asks for them or understands the need for them. Very often such a grace is forgiveness which affects not only the individual but the world around him."

"So, My children, you will please ask for an understanding of all I have imparted to you. Doing so, you will call upon the grace of My Heart."

July 12, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite you to surrender completely to the grace of the present moment, which is always Holy Love. In doing so, you will be at peace and you will be united one with the other, and all with Me."

"Tonight I'm extending to you My Blessing of Divine Love."

July 13, 2010 / Feast of Rosa Mystica

Today Our Lady comes as Rosa Mystica. It is Her Feast under this title. She says: "Praise be to Jesus."

"I desire very much that as I have spoken recently about the mystical workings of grace in lives and in the world, that people learn to trust in the grace of My Heart. When problems arise, dear children, turn to Me, your Heavenly Mother. Surrender to the grace of My Heart; then be at peace and observe how grace takes hold of every situation."

"Do not be so encumbered with the problems at hand that you miss the opportunity to trust in grace."

"Pray this prayer:"

"Heavenly Mother, I entrust to Your Maternal Heart this situation. Melt it into the grace of Your Heart, making it one with the Divine Will of God. Amen."

July 13, 2010 / Tuesday Service - The Poor Souls in Purgatory - Feast of Rosa Mystica

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, today I tell you there is every reason to hope; for your hope is in your prayers, and every prayer is placed upon the altar of My Heart. I am listening, My brothers and sisters - be hopeful."

"I'm blessing you with My Blessing of Divine Love."

July 15, 2010 / Public

"I am your Jesus, born Incarnate."

"I desire that the Confraternity of the United Hearts of the Most Holy Trinity and the Immaculate Heart of Mary be easily accessible to all. Therefore, with this one prayer and a movement of the free will, the soul can consider himself a member of the Confraternity. This must be the impetus to live a life consecrated to personal holiness through Holy Love."

"There are other devotional practices that the soul can follow in pursuit of this personal holiness which are outlined in previous instructions."

"This is the prayer:"

"Most Holy Trinity, in union with the Immaculate Heart of Mary, I consecrate my heart and my life towards the goal of personal holiness through devotion to You. I

commit every thought, word and deed to the practice of Holy Love in every present moment. Amen."

July 16, 2010 / Public

St. Peter says: "Praise be to Jesus."

"Today I have come to tell you there is a grave error in the heart of the world which leads souls away from genuine discernment. Discernment is the sincere search for the truth."

"It is always the spirit of disordered self-love which causes the soul to form opinions contrary to the truth and to label these opinions as discernment. In truth such opinions are nothing more than rash judgment. So often the misuse of the term 'discernment' levies false judgments against Heaven's interventions in the world. This is the temptation to fulfill some personal or even hidden agenda such as love of money, power or reputation – even the desire to control."

"The soul cannot give in to these temptations of false discernment and rash judgment unless he seeks to fulfill some need of his own above and beyond the truth."

"Those who proclaim that they have discernment have opened the door of their hearts to Satan's trickery through spiritual pride."

July 16, 2010 / Friday Service – For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, at the very core of this Mission is My call to be at peace in your own heart with your neighbor and with the Heart of the Eternal Father. If there is an obstacle to this peace, you must search your hearts to discover where you can improve. Do not find fault with each other, for this is not of Me."

July 19, 2010 / Monday Service – Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, please understand that you can only have peace in your heart when you are accepting God's Will for you. Whatever the present moment offers, whether it be cross or victory, is God's Will for you in the present moment. When you object to the cross, you reject My Father's help in assisting you in carrying your cross."

"My brothers and sisters, be at peace, and with your free will surrender to the Divine Will of My Father in every present moment."

"Tonight I'm extending to you My Blessing of Divine Love."

July 23, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please reflect for a moment and realize that every cross that this Mission has borne bravely and with fortitude, has borne great fruit and many graces; then have hopeful hearts for the future, for I tell you, the Father and I have not abandoned you."

"Tonight I'm blessing you with My Blessing of Divine Love."

July 26, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I have come to advise you - do not be so impressed with who believes and who disbelieves in this Mission and these Messages. Be impressed with the Messages themselves, the guidance they give and the way they lead you closer to Our United Hearts. They are TRUTH and BIBLICAL."

"Tonight I'm imparting to you My Blessing of Divine Love."

July 29, 2010 / Thursday Service - Conversion of all Priests, Religious, Bishops and Cardinals that they are convicted in and live in the truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I desire that you surrender completely to Holy Love so that you will be My more perfect instruments in the world around you. Give up any unforgiveness, grudges, anger, so that there is no barrier between your heart and Mine - between your will and the Will of My Father."

"Tonight I'm extending to you My Blessing of Divine Love."

July 30, 2010 / Public

(Conversion)

St. Augustine says: "Praise be to Jesus."

"For conversion to be effectual, the soul must cooperate with the Eternal Divine Will in and through Holy Love. The deeper the love in the heart, the deeper the conversion of heart."

July 30, 2010 / Public

Alanus (one of Maureen's angels) says: "Praise be to Jesus."

"I have come to discuss with you the role of angels in the salvation of souls. Angels are the soul's intercessor, protector and guide. It is angels who encourage souls to go deeper into Holy Love, Holy Humility and, therefore all the virtues."

"The guardian angel assigned to each soul encourages good and discourages evil. He inspires the heart to open to the inspirations of the Holy Spirit. He gives warning in the face of danger, whether it be physical, spiritual or emotional. The more the soul believes in his angel's assistance, the more assistance he receives."

"If the soul has some special mission to perform for Heaven, extra angels are given by God to help in the accomplishment of the mission."

"The soul in this life is never left unaided by his guardian angel, no matter if he be steeped in sin or not. In fact the graver the danger spiritually, the stronger the guardian angel's pull to bring the soul from the brink of perdition."

"Many a deathbed conversion was won by the efforts of the guardian angel who works silently towards this end."

"Pray fervently every day to please your angel, and always follow his lead."

July 30, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite you to patiently await whatever you anticipate for the future. All your needs will be answered in Heaven's good time. To do so wins souls and increases the Remnant."

"Patience, children - patience!"

"Tonight I'm blessing you with My Blessing of Divine Love."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

August 2010

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

We welcome all people of all faiths.

Prayer is a universal language.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

August 1, 2010 / (For Family Night)

St. Joseph says: “Praise be to Jesus.”

“The heart of every family must be Holy Love. The absence of Holy Love results in disunity, confusion and even apostasy. Holy Love fosters family prayer, faithfulness to the Commandments, and dedication to the truth.”

August 1, 2010 / Public

I see a great Flame that I have come to know as the Heart of God the Father. He says: “I am the Eternal Now - Creator of all - Father of Mercy and of Love.”

“Come to know Me, O man of earth, as a loving Father. Be at peace with one another in and through My Divine Will. I desire your best - your salvation. Do not fear My Justice so much as you desire My Love.”

August 1, 2010 / First Sunday of the Month - Unity in Families (Family Night)

The Holy Family is here. St. Joseph is holding Baby Jesus. Jesus says: “I am your Jesus, born Incarnate.” Blessed Mother and St. Joseph say: “Praise be to Jesus.”

St. Joseph says: “My brothers and sisters, the heart of every family must be Holy Love. For it is in this way every family will be secure in God’s Divine Will.”

They bless us.

August 2, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, the enemy of your soul does not want you to recognize the value of embracing Holy Love in the present moment. When you surrender to Holy Love, you are

helping to balance the scale of My Justice - the scale which weighs good against evil. Therefore, when you embrace Holy Love, you become part of My Victory.”

“I’m imparting to you My Blessing of Divine Love.”

August 4, 2010 / Feast of St. John Vianney / Wednesday Service - The Propagation of the Holy Love Messages and the Confraternity of the United Hearts

The Curé d’ Ars is here and says: “Praise be to Jesus.”

“Tonight I am speaking to my dear priest brothers whom I invoke - keep your hearts centered on what is above. [He points upward with his finger.]”

“Let your lives be centered on prayer and sacrifices especially the Holy Mass and the Holy Eucharist. Do not get caught up in trendy practices such as yoga or reiki for these are evil.”

“Lead your flock in Holy Love and all arguments and dissension will disappear.”

“I am imparting to you tonight my Priestly Blessing.”

August 5, 2010 / Public

(This message was given in multiple parts.)

Blessed Mother is here dressed all in white with many sparkling lights all around Her. She says: “Praise be to Jesus.”

“Dear children, fill My Heart with your prayers, sacrifices and good deeds which I will present to My Son, for He so much needs consolation. Too many choose not to search out the truth. Even more have allowed their faith to escape their grasp and are now confused by Satan’s influence all around them.”

“I am calling you into one fold and along a straight and narrow path which is traversed only by apostles of Holy Love. Once upon this path, the dangers that are threatening your

salvation are laid bare, but you cannot see evil around you unless you look with eyes of Holy Love, and unless you are traveling the path I call you upon. Then, I, your Mother, will uncover Satan's tactics and the snares he lays for you."

"Today I invite you to throw yourselves into the arms of faith, the arms of your Mother, which are open wide to receive you. Do not believe in peace efforts which seek to make all people one. Place your confidence in Holy Love which is here to defend you and offer you spiritual refuge."

"Today I come to tell you that Satan has two lines of attack - two weapons - that he uses most often against this Mission. One is lies - the other is opinions. I speak here specifically of opinions which are formed carelessly without investigating the truth. I also speak of prideful opinions. These are the opinions stubbornly adhered to despite proof that they are wrong."

"Satan has been successful in discouraging some of My children from coming here to pray; but, My dear children, if you live in the truth and cling to the truth of Holy Love, you will not be fearful or confused about coming here and partaking of Heaven's grace abundantly offered here at this site."

"Dear children, the enemy of your soul has weakened the heart of your nation and many others as well. He has used unprecedented technology to dull the moral conscience of many governments. Satan's greatest attacks are against those with the most influence over others. Therefore, I urge you to pray for all government leaders and all Church leaders. Very often evil is not recognized until it is too late. Some do not even believe in Satan, which is a great victory for him."

"You must always use Holy Love as your barometer of truth. Never choose outside of Holy Love. The truth of Holy Love does not change according to who believes or disbelieves."

"Dear children, I call you urgently to respond to My call to live in Holy Love. Triggers* of evil are about to occur. As these things happen, remember God in His Infinite Knowledge allows these events as a means of calling souls back into His Bosom of Love. Dear children, now My words are only words, but as events unfold, you will remember. Remember, I am telling you, do not be afraid. My Heart is your Refuge."

"When I appeared to the children at La Salette, I wept because the Sabbath was being profaned. I have not stopped weeping, for today the truth is being profaned. Many are not careful in the opinions they form or the words they speak. They do not try to please God, but to please themselves. Whole governments and religions embrace untruths."

"So today, just as you need the consolation of My Heart, I need your consolation as well. Join Me here on the Feast of My Sorrows. Bring with you a heart full of Holy Love. I will give you My Heart full of grace."

"I thank you for coming here tonight to honor Me on My birthday. But I celebrate with you, as well, because you believe in Me as I believe in you; and you love Me as I love you."

"Tonight, as I leave you, all of your petitions will move from My Heart to the Heart of My Son, for there is no time or space in Heaven."

"I'm blessing you with My Blessing of Holy Love."

***Triggers: A series of events, according to dictionary.**

August 6, 2010 / Public

"I am your Jesus, born Incarnate."

"I desire that My brothers and sisters realize that it is a lack of love in their hearts or weakness in love which causes lack of trust in My Mercy. If they could only realize and accept how much I love each one of them, they would be able to understand the depths of My Mercy. I can refuse no one who

turns to Me with a contrite heart. I am eager to forgive and to forget. It is Satan who tries to convince the soul otherwise."

"I embrace the contrite heart with My Mercy and My Love and rinse it clean. Never doubt this. Never allow yourselves to be drawn into the past and linger in guilt, which is unforgiveness of self."

August 6, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, continue to persevere in righteousness despite calumnies; practice fortitude in the face of the errors others embrace. I will give you Holy Boldness."

"Tonight I'm blessing you with My Blessing of Divine Love."

August 8, 2010 / Public

I see a great Flame that I have come to know as the Heart of God the Father. He says: "I am the Creator of all."

"I desire mankind know and understand My Eternal Heart. The Heart of My Son was pierced by a lance. The Heart of His Mother is pierced by seven swords. Today I tell you, My Own Heart is an open Wound which cries out for Justice."

"The more mankind separates himself from My Commandments and divorces himself from loving Me - pleasing Me - the greater My cry for Justice. It is not possible for an open wound to heal when it is continually assaulted from without. A wound must be tenderly nursed back to health. Prayer and sacrifice are the means by which My Heart can be healed, but these must be applied with love. Otherwise the remedy must be Justice. Please tend to My Wounded Heart."

August 8, 2010 / Public

St. Joseph says: "Praise be to Jesus."

"I have come to help people realize that just as Jesus offers grace in every present moment, Satan opposes this grace. He tempts the soul to embrace untruth, to jealousy, anger, calumny and many more errors against love. The soul, who is the recipient of grace in one moment, may find himself under grave attack in the next."

"No one should feel he can let his guard down amidst this spiritual warfare. No one should feel he does not need the help of the angels and the saints."

August 9, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, if you love Me, you will also trust Me; and if you trust Me, you must love Me as well. For these two - love and trust - are inseparable. If there is a flaw or failing in one, then the other is also weakened. Pray that trusting love is secure in your hearts in every present moment."

"I'm imparting to you My Blessing of Divine Love."

August 10, 2010 / Public

"I am your Jesus, born Incarnate."

"I tell you, the greatest sinner is called here with more vehemence than is the righteous - the justified - for this is a site of conversion, of illumination and of the grace of contrition. Here, at this site of Heaven's predilection, I pour out My Love and My Mercy. No one is greeted without the extension of grace and the personal invitation to deeper holiness."

"Make it known."

August 11, 2010 / Wednesday Service - The Propagation of the Holy Love Messages and the Confraternity of the United Hearts

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, persevere in thought, word and deed in living in Holy Love. When you do so, you are surrounded by grace. You are deep in My Sacred Heart surrounded by My Mother's Immaculate Heart, and you are consoling the Sorrowful Heart of Mary."

"Tonight I'm imparting to you My Blessing of Divine Love."

August 12, 2010 / Public

Blessed Mother says: "Praise be to Jesus."

"I invite My children to come to Me here at this site on the Feast of My Sorrows where I will wrap them deep in the folds of My mantle. I seek consolation, for I continually suffer at the foot of the Cross. The world is being crucified in every present moment, for there is so much sin against Holy Love. But here, Heaven lifts the Finger of Justice to reveal the abundance of grace God so desires each soul to have."

August 13, 2010 / Public

"I am your Jesus, born Incarnate."

"On the feast of My Mother's Sorrows, My Mother will come to console and to be consoled - to be united with Her children and Her children united with Her - to lay bare truth and to call all hearts into the light of truth."

"She will once again address world situations and bring Heaven's correction to bear upon the heart of the world. She will not come empty-handed but with Hands full of grace. In return She asks your prayers and penance for the world's complacency towards God's Will."

August 13, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, all of your angels - even the ones you have just received when you come onto the property - are here tonight. From ceiling to floor there are angels interceding on your behalf."

"Tonight, My brothers and sisters, I'm extending to you once again the invitation to spiritual perfection by traveling the path of Holy Love that I have laid before you in these Messages. The light upon the path is the glow from My Mother's Heart, which is Holy Love itself. Study the Messages and be edified by them for I desire your personal holiness and your sanctification."

"Tonight I'm blessing you with My Blessing of Divine Love."

August 16, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, sometimes each one of you experiences negative emotions - emotions that carry you away from the path of peace and Holy Love that I call you upon. Learn to let Holy Love stand guard over your hearts so that you can more easily distinguish what is inspired from Heaven and what is inspired by the prince of darkness."

"Tonight I'm imparting to you My Blessing of Divine Love."

August 17, 2010 / Public

Prayer Dictated by Jesus

"I am your Jesus, born Incarnate."

"This prayer needs to be woven into each soul's daily spirituality:"

"Dear Jesus, restore and renew the virtue of humility in my heart today. Do not let me fear being tested in humility, for I realize that the test of every virtue is a stepping-stone to perfection. Help humility and love to work together in my heart so that all the other virtues will be made stronger and I can go deeper into the United Hearts. Amen."

(A graphic of a vision of human spirituality was given by Jesus.)

August 17, 2010 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"Today I come to impart to the world a teaching on humility of heart. Spiritually speaking, the heart must strive to be perfected in Holy Love; that is, the heart is Holy Love. But the interior of the heart must be humility. Humility is the substance which makes the heart beat. In other words humility moves the soul to embrace and act in Holy Love in thought, word and deed."

"Just as Holy Love is truth itself, Holy Humility is truth, for humility allows the soul to see where he stands in the Eyes of God. In truth the soul is no more nor no less than he is in God's All-Knowing Eyes."

"In humility there is no pretense of virtue. The humble heart does not permit himself to practice virtue to impress others. Such virtue is false. The humble-hearted can receive genuine constructive correction with ease. He is ready to accept his frailties and to correct them. He is also ready to believe in and accept God's Mercy."

"The humble soul lives to serve others and not self - 2 *Philippians* 4. He, therefore, does not focus on how everything affects himself but is solicitous to others' feelings."

"The ardent heart should pray for humility every day."

August 18, 2010 / Wednesday Service - The propagation of the Holy Love Messages and the Confraternity of the United Hearts

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, strong faith begets strong trust. Neither of these will falter or be weakened, so long as you embrace Holy Love and live in Holy Love. Remember Holy Love is My Mother's Heart, and your faith and trust are protected in that Sanctuary."

"Tonight I'm blessing you with My Blessing of Divine Love."

August 20, 2010 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Here is how people need to conduct themselves in order to progress in the spiritual life. Always embrace prudence in thought, word and deed. Prudence takes into account the effects or consequences of free will choices upon others. Prudence is never rash or impulsive. It is not unshakable in its own opinions but carefully considers the opinions of others. Prudence is especially dependent upon Holy Love and Holy Humility as its fuel."

"Bad decisions which cause division, conflicts or even wars are always based upon imprudence."

August 20, 2010 / Public

"I am your Jesus, born Incarnate."

"Prudence is never presumptuous but always searches out and embraces the truth. It is never indiscreet but always trustworthy in any confidence."

"A good example of prudence in the history of the world is Noah's Ark."

August 20, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, whenever possible turn your hearts lovingly to prayer in the present moment. This will lead you closer to Divine Love. There are many souls in Purgatory today who wish they could say one more Hail Mary in front of the tabernacle, and promptly be delivered into Heaven by so doing."

"Tonight I'm imparting to you My Blessing of Divine Love."

August 22, 2010 / Feast - Queenship of Mary

Blessed Mother says: "Praise be to Jesus."

"Today, on My feast day, I have come to help clarify and to renew the inner workings of the Mission. Those who desire to live in Holy Love in thought, word and deed can observe the requirements heretofore described for the Missionary Servants of Holy Love."

"The ones who desire a deeper spirituality and journey into the United Hearts can pursue membership into the Confraternity. The Confraternity is in no way open to just Catholics. The deepest Chamber - immersion in the Divine Will - is open to all people and all nations."

"I tell you these things at My Son's request."

"All other steps and organizations are unnecessary and come alive in the two I have now given you."

Blessed Mother says: "Praise be to Jesus."

"When you are given the opportunity to trust in God's Divine Will, embrace it with your whole heart. For this pleases My Beloved Son, and can only arise from a heart that loves Him very much."

August 23, 2010 / Public

"I am your Jesus, born Incarnate."

"For any heart to become contrite, it must first be loving and humble. Holy Love and Holy Humility open the heart to contrition. The contrite heart is never refused My Mercy - never beyond My grasp - always moving closer to Me."

"It is the depth of sincere contrition which determines the depth of conversion and, therefore, the depth of personal holiness."

"Everyone is called to conversion of heart in every present moment, for no one is without fault or error."

August 23, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, pray daily for Holy Love to be victorious in all hearts, for this is the way to peace in the womb, peace in families and peace in the hearts of all nations. It is the victory of TRUTH."

"Tonight I'm imparting to you My Blessing of Divine Love."

August 25, 2010 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come to let you know that I am sending angels out ahead of Me September 14th and 15th. Some will see them - still more will photograph them. They will prepare the way. The angels are always present here but never the myriads which will precede My September apparition. They are very excited. You should be, too. It is a gift."

August 27, 2010 / Public

"I am your Jesus, born Incarnate."

"I have come to remind one and all that you must let Me be the Judge. If you have a problem with someone, the solution is not to cast aspersions upon his reputation by telling others about it. The solution first and foremost is to forgive. Then go directly to the person and find the truth. Very often you may find error in your own thinking. Never place yourself above accepting correction whether it is from Heaven or someone in the world."

"Be careful not to believe too much in yourself. This leads to distorted thinking and very often leads to the soul cooperating with evil. Finally, take these Messages to heart. Live them. Then you will increase in holiness, and you will not freely criticize others without regard for their reputation."

August 27, 2010 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"I come as Jesus sends me to help God's children to understand the power of communication and of miscommunication. One misplaced word can destroy a reputation, breed division or encourage evil. Today it is not just the tongue or the written word that communicates, but also many and various electronic devices. By the press of one button, a great deal of harm can fall upon reputation, missions found worthy - even inspired by Heaven - and bring evil plans into the hearts of many."

"For the most part, care is not given to upholding the Commandments through the use of any form of modern communication or even the use of the tongue today. Opinions are formed without searching out the truth. The results are actions based upon misinformation. Error masquerades as truth. People presume to be acting in truth when it is Satan that inspires them."

"This is why Holy Love must be at the center of all hearts. Holy Love, which embodies the two great Commandments, dictates that you always search out the truth even if the truth is self-incriminating."

Read James 3: 4-10

August 27, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, do not allow criticism of others or unforgiveness to take up residence in your hearts, for then you have less room to be filled with Holy Love. Rather, allow Holy Love to consume your whole heart, and you will be given many graces besides."

"Tonight I'm imparting to you My Blessing of Divine Love."

(Conversion)

St. Augustine says: "Praise be to Jesus."

"Outside of Holy Love, no heart can be genuinely converted. Any soul that claims otherwise is living in pretense."

August 30, 2010 / Public

"I am your Jesus, born Incarnate."

"I take comfort, dear brethren, in those who fill My Mother's Heart with the consolation of many good works and sacrifices. These are the ones who try diligently to atone for those who defile Holy Love, and the ones who do not seek unity in Holy Love."

"Woe to those who have been given the Truth of Holy Love but continue to find fault with their neighbor, and continue to see all people and events as they relate to self. You have been given the Truth, but choose not to live in the Truth. You do not try to establish the Kingdom of Truth in your own hearts but a kingdom of self-love, which only tears down and does not build up."

"Remember My telling you these things - the Kingdom of Truth and Holy Love are one. If you do not choose to build this Kingdom up in your own heart, then you are tearing it down, not only within your heart, but in the world as well. For not to choose, is to choose. Every free will choice affects the entire world."

August 30, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I desire to bring each of you deep into personal holiness through these Messages of Holy and Divine Love. In so doing, each one would be living in the Divine Will of the Eternal Father; then it would be easy for you to desire to evangelize what is given here, which is the solution to earth's woes."

"Tonight I'm extending to you My Blessing of Divine Love."

August 31, 2010 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I desire souls understand the importance of a daily examination of conscience. It is only in recognizing his faults and failings in Holy Love that the soul can increase in holiness."

"The virtuous life depends on this self-correction; how important it is to recognize how Holy Love interacts in the development of every virtue. To realize this is to set the heart free and lift it up as a bird is lifted on the shoulders of a summer breeze - effortlessly."

September 15, 2010 / Midnight Service in the United Hearts Field / Feast of Our Lady of Sorrows

(This message was given in multiple parts over several days.)

Blessed Mother is here as the Sorrowful Mother, and She has a large sword piercing Her Heart. She says: "Praise be to Jesus."

"Dear children, I have come to be with you once again on the day of My Sorrows. As you console Me, I, too, console you. I cannot remain silent in the face of any evil, for to do so would be to condone it. I have come to awaken the complacent heart."

"Not long past I told you of approaching triggers of evil. Satan's finger is on the trigger. The enemy is attacking not only in distant lands but within your own hearts, as he seeks to destroy personal holiness and with it, all of My efforts to combat him."

"You have been given a profound sign in the earthquake in the city of Christchurch, New Zealand. The quake left a visible separation in the earth. See in this the sign that a visible and profound separation is at hand in Christ's Church on earth if you do not increase your prayer effort. This separation is now in hearts for the most part - liberal versus traditional. But within this local diocese, it is rising to the surface. This is an underscoring of My call to be recognized under the title of Protectress of the Faith decades ago - a request that was deemed unnecessary."

"You must listen to Me, as many souls are at stake. Do not search out and pursue approvals - pursue the truth."

"These days, dear children, you are living amidst grave temptations. There is flagrant disregard for God's Commandments. Sin has increased alongside increased technology. The human heart is more than ever a battlefield of good against evil. Consequently the heart of every nation is at war - good against evil."

"Choose Holy Love now before the age of God's Most Tender Mercy draws to a close and your hearts fall under His Justice."

"Dear children, your prayers are My weapons - My defense against evil. It is your faithfulness to prayer that calls Me back here to be with you over and over. It is because of your prayers I come tonight to open the eyes of the world that have been lulled to sleep by Satan's false promises of peace and security. Realize that the hour - indeed the moment - fast approaches when the welfare of the world will hinge upon the relationship of the nation of Islam with all other countries."

"Do not support politicians who govern only for their own interests. Support those who live in and for the truth - the truth of Holy Love. The key to regaining such a government is to

reverse abortion. Otherwise your efforts will not succeed. You may gain some ground but not the victory. The victory rests in your treatment of all the marginalized. Let your ambitions rest with this cause."

"I come into the world once again to assist mankind in making his free will choices - choices that must be conjoined with the Divine Will of the Eternal Father if mankind desires the reclamation of the future of all the world."

"Your choices, My dear children, must always reflect Holy Love. Any other path leads to your destruction. I am speaking to each soul now, not just the greatest sinner. My Son's Mercy awaits your sincere repentance which must be born of Holy Love. As He waits, more and more souls reject Him and slip to their perdition. Very soon He will be unable to shoulder more injury and His Justice will overtake the world - a world which will not listen."

"Time is moving swiftly now for the sake of the elect. You must hasten to your conversion. Set aside all differences you have with one another. Build up the Kingdom of God in your own hearts first, and then in the world around you. I tell you solemnly, the New Jerusalem is already here in the heart that embraces Holy Love."

"This night, dear children, I have come to remind you that when Jonah corrected the city of Nineveh, the citizens repented, fasted, put on sackcloth and were reconciled with God. Seeing this, God did not bring His wrath upon His people. But here, I have come as God's emissary to correct and admonish My children. Most pay no attention - still others lie and detract against My efforts, and do everything in their power to destroy this Mission."

"Once again I warn you that what you embrace in your hearts determines the fate of the world. The same heart can embrace love of God and neighbor or it can choose hatred; the same heart can choose good or evil, virtue or sin. But if hearts do not reconcile with their Creator soon, I will no longer be able to withhold the Hand of Justice. Please do not offend God or test His Patience any longer."

"This Mission, the Messages and all the miraculous graces offered here cannot bear good fruit in the world unless the human heart will accept what Heaven offers here and allows himself to be transformed in and through Holy Love. God created your free will so that you could choose to love Him and to love your neighbor. If you do not choose to love, you also do not choose your salvation."

"Of consolation to Me is the great numbers that have come in faith. Many angels are in your midst. They have been here all day and will be here tomorrow. Some appear only as sparkling lights - others in a more recognizable bodily form."

"I am holding the remembrance of your loving prayers here tonight in My Heart always."

"Tonight, My dear children, realize that every cross is a victory. You hold no need or desire in your hearts that is not already My Own. My greatest sorrow is the disregard people have for one another from the moment of conception until natural death. Please keep this cause amidst your prayer intentions daily."

"Dear children, open your hearts and know that your Heavenly Mother is in your midst, and I'm blessing you with My Blessing of Holy Love."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

September 2010

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

We welcome all people of all faiths.

Prayer is a universal language.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

BLESSED MOTHER'S NEXT PROMISED MIDNIGHT VISIT WILL BE ON THE FEAST OF OUR LADY OF GUADALUPE, DECEMBER 12, 2010

“...When I return to you (Maureen) on My Feast Day in December (December 12, Our Lady of Guadalupe), please extend the same effort in praying for the unborn in the White Madonna Chapel. I very much desire the continuation of this practice during each event.”

(Our Lady, September 17, 2010)

Be here by 11:00PM on Saturday, December 11, 2010.

September 1, 2010 / Public

“I am your Jesus, born Incarnate.”

“I tell you this, when you disagree with someone, make certain that you do not carry anger or unforgiveness away with you in your heart. To do so is not Holy Love.”

“You can listen to contrary opinions and weigh them carefully, but do not allow negative emotions to fill your heart. Even if you have right reason on your side, remain at peace. Everything that you allow into your heart to destroy peace is not from Me but from the enemy of your soul. When you can find only fault with others, you allow Satan into your heart.”

September 3, 2010 / Public

“I am your Jesus, born Incarnate.”

“Today I remind you that the only way Satan can win over hearts is to convince them that right is wrong and wrong is right. Some hearts are more

open to accepting Satan's lies than others. This is because they see in the evil some sort of self-gain.”

“It is for this reason that I urge you always to cling to the Truth which is Holy Love. It is for the sake of the Victory of Truth that this Mission exists. Do not wonder, then, when calumnies and all sorts of detractions are uttered against this Mission, for Satan certainly does not want the Kingdom of Truth to be built up in hearts or in the world.”

“The malefactor has succeeded in establishing his kingdom of lies in many governments and in some religions. He is represented in division, false promises and confusing - even failing - agendas. He seeks to destroy individual freedom and to control choices under the guise of freedom.”

“For these reasons, once again I urge you to choose and to think in Holy Love. Then your eyes will be opened and you will see the deceitful danger around you. Never before have there been such dangers. Never before has the heart of man been so blinded to Satan's lies.”

September 3, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, your prayers are a powerhouse that stay My Hand of Justice. It is, therefore, important you never become discouraged in coming here to pray, nor should you be intimidated. Know that I am with you, calling you here, bringing you here and taking you into My Heart."

"There are so many graces I desire to pass to you through the Heart of My Mother to pass to the whole world, but no one ever asks. Begin to seek and you will find."

"Tonight I'm blessing you with My Blessing of Divine Love."

September 5, 2010 / Sunday Service - Unity in Families (Family Night)

St. Joseph is here with the Child Jesus. St. Joseph says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

St. Joseph: "Families that pray together are at peace. Communities that pray together find peace. Whole nations who have in their hearts prayerful attitudes of Holy Love are at peace. Nations that are at peace do not make war with other nations."

"And so, my brothers and sisters, you can readily see the importance of family prayer towards unity and peace."

"I'm extending to you the Blessing of Holy Love."

September 7, 2010 / Tuesday Service - The Poor Souls in Purgatory

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, surrender your hearts to the Divine Will of My Eternal Father, thereby trusting in His Provision, which is All-Powerful and All-Embracing; then fear nothing but only trust, and you will see how you will be at peace."

"Tonight I'm extending to you My Blessing of Divine Love."

September 10, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, continue to pray for those who come here but do not respond to the graces that Heaven offers. Pray especially for the ones whose hearts are so hardened that they turn as enemies against the Mission itself."

"My brothers and sisters, these are the ones who gravely wound My Heart, and I desire to embrace them with all My Love."

"Tonight I'm imparting to you My Blessing of Divine Love."

September 12, 2010 / Public

"I am your Jesus, born Incarnate."

"I tell you solemnly, those in leadership roles, whether public or private, secular or religious, have more to answer for when they face eternal judgment. I do not condone the misuse of authority for the sake of money, power or control or concern for reputation. I do not condone the scandalizing of innocence."

"In these Messages, you are given the path I call you upon. Follow it."

September 13, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus and Blessed Mother are here with Their Hearts exposed. Jesus says: "I am your Jesus, born Incarnate." Blessed Mother says: "Praise be to Jesus."

Jesus: "Tonight, My brothers and sisters, this building and this property are truly consecrated to Our United Hearts. We claim VICTORY and TRIUMPH over all evil here tonight. We ask you to continue to come here to pray and to

console the Heart of My dear Mother."

"Tonight We are imparting the Complete Blessing of Our United Hearts."

Blessed Mother says: "Praise be to Jesus."

"Please convey to My children My sincere thanks for their prayer efforts here these last two days. I invite them - I urge them if possible before their departure - to make the Way of the Cross and to honor My Sorrows. To do so out of pure love would greatly console Our United Hearts."

September 17, 2010 / Friday Service - For all those falsely accused within society, governments and Within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, My prayer tonight is that all those who were freshly converted during these past few days on the property will remain loyal to Our United Hearts in thought, word and deed. This is the way to propagate the message by becoming the message. My brothers and sisters, be united in Holy and Divine Love."

"Tonight I'm extending to you My Blessing of Divine Love."

September 20, 2010 / Public

"I am your Jesus, born Incarnate."

"It is during these times that Satan has glazed over the conscience of the world with the spirit of complacency. No longer do the people of the world recognize the spirit that inspires governments, some religions and in general everyday events."

"Christianity has been subdued and compromised in an effort to please others but not Me - not the Heavenly Father."

"I am here to call all humanity into the Light of Truth. I have come to shepherd My flock into deep personal holiness through the Chambers of Our United Hearts. Do not submit yourselves - your will and your hearts - to the false god of pleasing others. It is I you must appeal to - even unto a martyrdom of love."

"I have so few I can count on. Turn your hearts over to Me without languish - without false pretense."

"Let us work together to establish the New Jerusalem first in hearts, then in the world."

September 20, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, pray constantly that the heart of the world be open to the Truth of Holy Love; for this is what will bring true peace and security to all people and all nations."

"I'm blessing you with My Blessing of Divine Love."

September 21, 2010 / Public

"I am your Jesus, born Incarnate."

"I invite you to see that many great miracles have occurred here at this site. They continue to occur, and some are lasting such as miraculous photographs and healings. But all of these mean little if hearts are not transformed as a result of Heaven's intervention."

"Once again I ask all people and all nations to take the Messages to heart. Become Holy Love. Do not oppose one another. Be united as apostles of love. Do not be so quick to place your own interests first. Lend a helping hand to others."

"Allow the graces Heaven offers here to work through you so that I can reach hearts."

September 23, 2010 / Feast of St. Pio of Pietrelcina

Padre Pio appeared twice on his feast day. He says: "Praise be to Jesus."

The first time he said: "The intellect and the heart must work together for true discernment."

The second time he said: "Things of the world - possessions, title, reputation - only bring passing, temporary pleasure because they are temporary."

September 24, 2010 / Public

"I am your Jesus, born Incarnate."

"Today once more, I come to ask each soul to stand tender guard over his conscience with Holy Love. If you harbor unforgiveness in your heart, then you are not living in Holy Love and you are easy prey for the enemy of your soul. In this regard I challenge each soul to forgive from the heart. Do not allow the enemy to have this hold on you. There is no wrong that has been done to you that will not pass before you come to the eternal judgment."

"Center your thoughts, words and deeds on how you can serve others not on any allurements of the world such as money, physical appearance, power or reputation. Serving God and others is true freedom. Serving self is empty and unrewarding."

"Mankind must allow the higher things in life such as love of God's Divine Will to rule his heart. For it is in this way mankind can realize the fulfillment of true peace and true freedom. Remember always that Holy Love is My Father's Will for you. Holy Love must be the measure by which you choose."

September 24, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite you to completely surrender to My call to forgive everyone so that I can heal your hearts of past memories; then I can be completely yours, and you can be completely Mine."

"Tonight I'm imparting to you My Blessing of Divine Love."

September 27, 2010 / Public

"I am your Jesus, born Incarnate."

"Try not to conjecture what other people may be thinking. To do so is, at best, a distraction, and at worst, a sin against love."

"This is one way, then, to perfect the virtue of Holy Love."

September 27, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite each one of you to surrender to My call to personal holiness. Follow the inspiration of your guardian angels which will lead you down the path of perfection in Holy Love and in every virtue; then you will be deep in the Chambers of Our United Hearts. This is the way to peace in your own heart and peace in the world."

"Tonight I'm blessing you with My Blessing of Divine Love."

September 28, 2010 / Public

"I am your Jesus, born Incarnate."

"The more closely you are united to the Cross, the deeper your journey into Our United Hearts."

September 29, 2010 / Feast of St. Michael, St. Gabriel & St. Raphael - Archangels

St. Michael says: "Praise be to Jesus."

"Today I am sent as a Heavenly messenger to point out that the world is becoming smaller, not only by virtue of telecommunications, but also through modern weaponry. Long distances are now instantly overcome simply by the press of a button."

"The reason and scope of this Mission is to unite the world in Holy Love. Modern communications can accomplish this in an exerted effort. But success is in the acceptance of free will towards this end. As I told you years ago, in as much power as God has given me, I am completely helpless in the face of man's free will."

"Therefore, I have come to say, pray always for man's free will to surrender to Holy Love."

September 29, 2010 / Feast of St. Michael, St. Gabriel & St. Raphael - Archangels

St. Michael says: "Praise be to Jesus."

"I have come once again to help people in their quest for discernment. Realize that Satan easily slips into the guise of righteousness, worthy of belief and full of false accusations and promises and lies."

"But there is one virtue that he cannot feign, and that is Holy Love. It is impossible for pure evil to pretend to love God and neighbor. Therefore, Holy Love must be your barometer of truth in any discernment."

"The soul under attack can even say, 'In the name of Holy Love - leave!' Satan will flee, for Holy Love is the Immaculate Heart of Mary."

September 30, 2010 / Public

St. Joseph says: "Praise be to Jesus."

"I have come so that you better understand the workings of Heavenly grace within the soul. The heart that is full of self-interest is less likely to open to an infusion of grace such as the Baptism of Truth; then, too, the soul, who finds his conscience laid bare by the Light of Truth as he tours the property, is not likely to recognize or respond to the illumination if he has his own agenda at heart."

September 30, 2010 / Public

"I am your Jesus, born Incarnate."

"My brothers and sisters, I have come to tell you that when you courageously stand up for the truth in the face of adversity, you are like Veronica - stepping out of the crowd to wipe My Face; then I see you clearly and you see Me clearly."

"Furthermore every time you trust in My Mercy, you are helping Me to rise from a fall. When you patiently and lovingly tend to others' needs amidst adversity, you are with Me consoling the women of Jerusalem."

"When you console those who mourn, you are standing with My Mother at the Foot of the Cross. When you believe in Me, trust in Me, hope in Me, then you recognize Me in My Resurrected Body."

"The deeper you are in Holy Love, the deeper you are in virtue. The deeper your virtuous life, the more you are a part of My Life, Death and Resurrection."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

October 2010

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

We welcome all people of all faiths.

Prayer is a universal language.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

BLESSED MOTHER'S NEXT PROMISED MIDNIGHT VISIT WILL BE ON THE FEAST OF OUR LADY OF GUADALUPE, DECEMBER 12, 2010

“...When I return to you (Maureen) on My Feast Day in December (December 12, Our Lady of Guadalupe), please extend the same effort in praying for the unborn in the White Madonna Chapel. I very much desire the continuation of this practice during each event.”

(Our Lady, September 17, 2010)

Be here by 11:00PM on Saturday, December 11, 2010.

October 1, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth / Feast of St. Therese of the Child Jesus

Jesus is here with His Heart exposed. He has Blessed Mother and St. Therese with Him. The Little Flower says: “Praise be to Jesus.” Blessed Mother is holding the Rosary of the Unborn. She nods and says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, take as your example this little saint who rose to be a Doctor of the Church. She did so by offering everything, even the smallest, smallest thing with great love to My Sacred Heart, making it acceptable and worthy of converting a sinner.”

[Blessed Mother gives a personal message.]

Jesus continues: “Please listen intently and make this known.”
“I’m blessing you with My Blessing of Divine Love.”

October 3, 2010 / Sunday Service - Unity in Families (Family Night)

St. Joseph is here and says: “Praise be to Jesus.”

“My brothers and sisters, I have come once again to tell you how important it is that each family member has Holy Love in his heart. The heart of the family is the reflection of everything that is in the hearts of each family member. Therefore, every heart should focus upon love of God and neighbor, and every person in the family should live to serve God and neighbor, placing himself last. To do so brings unity in the center of the family.”

“He leaves.”

October 4, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, in order to establish peace in the world, you must first establish peace in the womb."

"Make it known."

"Tonight I am blessing you with My Blessing of Divine Love."

October 7, 2010 / Feast of Our Lady of the Rosary

Our Lady is holding the Rosary of the Unborn. She says: "Praise be to Jesus."

"I have come to point out to all mankind that all of My apparitions throughout history are linked with a common theme just as the beads on a rosary are linked. Each time I come, the same purpose is in My Heart - the reconciliation of mankind with God. Each time I appear, it is to draw mankind back to the simple path of prayer, sacrifice and penance."

"Understanding this should bring new light to the folly of believing in one apparition and not the others. I call all My children to be united in the Divine Will of God which is Divine and Holy Love. It is past time to stop looking for reasons not to believe. I call you to believe. I call you to act upon your belief. Do not say you believe but live as though you never heard My call."

"This rosary [the Rosary of the Unborn] is the way to end the crimes against the unborn, and to restore the dignity of life in the womb. You no longer have time to judge what I am telling you. Put this rosary to use often throughout the day. Be assured that even your weakest efforts matter."

"All of Heaven is listening."

October 7, 2010 / Public

"Do you not recognize me? I am your angel Alanus. Praise be to Jesus. Write down this prayer:"

"O Divine Infant Jesus, present in the womb of Mary at conception by the power of the Holy Spirit, present in the crib at Bethlehem in obedience to the Will of God, open the heart of mankind to see that true peace will only come when there is peace in the womb."

"Awaken mankind and help each soul to surrender to the Will of his Divine Creator. Amen."

October 7, 2010 / Feast of Our Lady of the Rosary

Our Lady comes with Her Heart exposed. The Rosary of the Unborn extends from Her Heart down to a globe of the earth. Our Lady says: "All praise be to Jesus."

"Please understand, My messenger, that this is the prayer [Rosary of the Unborn] which most closely unites the world to My Immaculate Heart. Without this devotion, many evils would have won over hearts and even greater cultural and natural disasters would have pervaded the world. The hour of God's great Mercy would have ended, and the Justice long predicted would have begun."

"I tell you these things so that you will continue to pray and propagate this devotional with even greater fervor."

"Make this known."

October 7, 2010 / Feast of Our Lady of the Rosary Thursday Service - Conversion of all Priests, Religious, Bishops and Cardinals that they are convicted in and live in the truth

St. John Vianney is here and says: "Praise be to Jesus."

"My brothers and sisters, all priests should have as their priority the administration of the sacraments to their flock, but second and also very important, is that they should be devoted to the holy rosary and spread this devotion. If priests would follow this agenda, there would be no bad priests."

"I'm extending to you my Priestly Blessing."

October 11, 2010 / Public

"I am your Jesus, born Incarnate."

"Today, solemnly I tell you that there are governments within governments, and churches within churches. This is testimony to the duplicity within the heart of man. Much self-interest has compromised good. What is presented as truth on the surface is, in fact, acted out according to personal agenda."

"The result is compromise of truth - a false reality. God's Will is unity in truth. The world will not find peace until it begins to think and act in truth."

"Today some represent certain offices of great esteem, but because they do not live in the truth, they continue to mislead many. But I, your Jesus, am the Truth, and I will not compromise righteousness to protect reputation, power or wealth."

"I tell you, Truth is Holy Love. Therefore, let Holy Love guide all your thoughts, words and deeds."

"You must not follow blindly any path which leads you away from Holy Love. Your loyalty must be to truth, not destruction. Form your hearts, then, around Holy Love, which is My Father's Divine Will for you."

October 11, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, in each and every present moment, look for My Father's Providing Will; for His Provision is there always and everywhere with each soul. He is supporting you, guiding you, leading you."

"Tonight I'm imparting to you My Blessing of Divine Love."

October 12, 2010 / Public

"I am your Jesus, born Incarnate."

"Today I have come specifically to address the topic of the trigger of evil that was mentioned months ago. What was in evil hearts has been forestalled as a result of prayer. But people need to continue to pray so that this evil will be eradicated. What I speak of would have worldwide ramifications, and most assuredly give evil the upper hand."

"Continue to send the Baptism of Truth into the world, for Satan has tricked many into thinking evil is good. People that do not see Holy Love as the gateway to true freedom have chosen an errant path. The 'truth' these misled souls accept is really Satan's lie."

"Therefore, be on your guard. Find the path of Holy Love and adhere to it. Then you will not be overwhelmed with adversity. I, your Jesus, will protect you."

October 13, 2010 / Public

"I am your Jesus, born Incarnate."

"As I told you yesterday, there are, these days, governments within governments and churches within churches. The reason is that Satan attacks those in leadership with his greatest fury. This is because leaders have the greatest influence over the largest numbers of people. He is the enemy of every soul and the spoiler of many a soul's salvation."

"For this reason, once again I tell you, Holy Love must be your barometer of truth. Do not get caught up in following those who are ambitious for themselves or those who do not live in Holy Love. In the end, that is a road to nowhere. Be devoted to Holy Love, and follow those who lead you upon this path of righteousness."

"Look closely at the words and actions of those who try to persuade you into following them. Do they bear good fruit or is the fruit they bear shriveled through too much self-love? Do you feel that the leaders that seek your support hold hidden agendas in their hearts - agendas that lead to self-gain, such as wealth, unchallenged reputation or power?"

"These are the questions each one must answer in his own heart before blindly following any leader. Not to do so is an open door to Satan who lies in wait, hoping to lead many astray."

"Those in leadership themselves need to search their own hearts for answers to these revealing questions."

October 13, 2010 / Wednesday Service - The Propagation of the Holy Love Messages and the Confraternity of the United Hearts

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, with hope in your hearts, pray for the conversion of all those who neglect Me, who do not offer sacrifices or prayers for the well-being of their brethren. Much depends on your prayers. Although you see them as humble and insignificant, I tell you, Heaven is listening."

"Tonight I'm imparting to you My Blessing of Divine Love."

October 15, 2010 / Feast of St. Teresa of Avila

St. Teresa of Avila says: "Praise be to Jesus."

"Today, please make the comparison of the spiritual heart - the soul - with a kite soaring high in the sky. The kite can climb as high as the wind allows but it drifts away if it is not tethered by a string held by someone on earth."

"So it is with the heart and soul of a person. It can climb to great heights spiritually - carried upon the wind of free will in cooperation with the Holy Spirit. But the heart, too, will lose meaningful direction if it is not tethered to God's Divine Will."

"You can readily see this is the world today; many leaders lead astray, for they disregard God's Will and His Commandments - most especially His Commandments of Love."

October 15, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I ask your prayers that the evil that lies in the hearts of some men is not acted upon.

Pray that the Light of Truth reveals every evil plot and those who would pursue them."

"Tonight I'm extending to you My Blessing of Divine Love."

October 18, 2010 / Public

"I am your Jesus, born Incarnate."

"I tell you solemnly, this age will pass but My Words to you and through this messenger will not pass. Many that bear false witness against the truths given here will carry their burden into the next life. The thrust of Heaven's efforts here continues on in an effort to increase the Faithful Remnant who frequent this site; all the while, the enemy promotes lies, false judgments and rash judgments against the reality of Heaven's intervention. True discernment seems to elude even the most spiritual. They fail to look into their own hearts to see what is lacking."

"With all that is taking place in hearts and in the world today, do you really think I would forsake you? No! I come with even greater certitude calling you to prayer, sacrifice and to Holy Love. Listen to all Heaven is saying to you here and believe! I call you to live in Holy Love. I call you to perfection by pursuing the journey through the Chambers of the United Hearts. Only the unwise would summarily dismiss My call or presume himself already in the Sixth Chamber. Do not exalt yourselves but pray for true wisdom and true self-knowledge. These two are elusive outside of humility."

"I call you to holiness. Do not be tricked into thinking it is not I who call you."

October 18, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I have taken all of your prayer intentions into My Sacred Heart."

"Tonight especially I ask that you continue to pray that international relationships do not erupt into violence."

"Tonight I am blessing you with My Blessing of Divine Love."

October 19, 2010 / Public

"I am your Jesus, born Incarnate."

"Further evidence of evil is bubbling to the surface in the Middle East. It is like a pot ready to boil over. Many will die in their sins if the plots that are in hearts are realized. But none of these things have to happen. There is still time for hearts to denounce evil and turn to My Mercy. I can reverse the effects of evil, but first mankind must surrender to Me and to the Will of My Father, which is Holy Love."

"For this reason, I repeat to you that My call to you remains urgent and of the utmost importance. You must make this known. I desire your safety and well-being - physically, spiritually and emotionally."

October 20, 2010 / Public

Blessed Mother says: "Praise be to Jesus."

"My daughter, the reason truth has become so compromised is that hearts have been won over by unbridled passions - passions that serve only the god of self. People who recognize the validity of this Ministry and these Messages are able to do so only by establishing the truth of the Commandments of God's Law of Love in their hearts."

"It is unbridled self-love, then, that hinders the soul from recognizing the truth of Heaven's call here. Some will never be persuaded to see the truth no matter the strength of My call or the miracles which occur here; for to do so would mean a restructuring of personal priorities and beliefs."

"Yes, Holy Love is a selfless call - a call of passionate service towards God and neighbor. It is a call that cannot be answered superficially but only with the same passion with which it is offered."

October 22, 2010 / Public

(A Poor Soul)

"All praise be to Jesus - Glory to Mary, Queen and Mother. I come as I have been sent - to dictate to you messages about Purgatory. Do not reject this grace."

(Maureen: I see an old woman in charred clothing and I smell smoke. She has appeared many times before but has never spoken - so I ignored her.)

Poor Soul: "Purgatory should not be feared, daughter, but seen as a grace. But at the same time, souls should do all in their power to avoid imprisonment here. This is a place of reparation for sins that are forgiven but not atoned for. At the same time, it is a place of preparation for entrance to eternal joy. Here, the soul is perfected if he has not been perfected in the world. The soul is made beautiful in the Eyes of God."

"Because this is a place which prepares the soul to be in God's Presence, it is also a place of separation from God, and this is the greatest suffering of all. The soul, at his last judgment, is in God's Presence, and even temporary separation from this Perfect, Eternal Love is agonizing."

"The prayer that moves the souls most rapidly through Purgatory is the Holy Mass; next is the Holy Rosary. No one needs to believe in Purgatory to be assigned there. Purgatory is a reality - does exist - and disbelief is not an avoidance of this place of reparation. Disbelief, however, if it is dictated by your tenets of faith, can be a reason for a longer stay."

"I will speak soon about various crimes that lead a soul into Purgatory."

October 23, 2010 / Public

(A Poor Soul)

(Jesus comes with the poor soul that was here yesterday.) He says: "I am your Jesus, born Incarnate. The reason this soul is coming here and relaying messages about Purgatory is to help souls in the world today to realize that the free will choices they make in every present moment affect their eternity. If souls would understand this in their hearts, there would be no personal agendas contrary to My Father's Divine Will."

(Now Jesus leaves and the poor soul begins to speak.) She says: "Praise be to Jesus. Daughter, every soul in Purgatory is there due to imperfections in Holy Love. This is because it is flaws in Holy Love that result in every sin - from the small sin of impatience to murder or sins of the flesh. The more the heart resembles Holy Love at his judgment, the shorter his stay in Purgatory."

"Many, many are here simply because they tried to please themselves or man rather than God. They suffer desolation. Depending upon their crimes against Holy Love, they are assigned to a certain level of reparation in Purgatory. Poor souls can no longer help themselves. They cannot advance to a more

comfortable level by themselves, nor can they shorten their time. They are completely dependent upon the Church Militant - on their good will."

"Sins of the flesh and sins of the tongue have their own unique levels of reparation. More souls are in Purgatory today for detraction and calumny than any other crime. If you know someone that has fallen in such a way, pray for his conversion."

"I will continue to come to you as long as it is God's Will."

October 23, 2010 / Public

(A Poor Soul)

(This is the same poor soul that appeared with Jesus yesterday.)

The poor soul says: "Praise be to Jesus."

"There are basically three forms of suffering in the regions of Purgatory. One is physical, and can be as intense as the fires of Hell. That is the lowest region. Along with this physical fire is the feeling of extreme desolation or loneliness. As the soul moves to the next level, he does not suffer so much physically as he suffers this emotional abandonment, and along with it, the spiritual suffering of being separated from God. The level of Purgatory closest to Heaven is the region where the only suffering is the longing to be united with The Eternal Now - The Eternal Good. This longing is intense."

"The souls in Purgatory suffer also from not being aware of the passage of time or how long they will be where they are. When they are prayed for or sacrifices are offered for them, their sufferings are somewhat relieved, and they are allowed some insight as to their tenure in any one circumstance. This is why prayer and sacrifice are so important to us - the poor souls."

Note: Later this evening Our Lady visited Maureen and said: "You're asking about the name of the poor soul who visits; her name is Rachel."

October 24, 2010 / Public

(Rachel - The Poor Soul)

Rachel (the poor soul who has been appearing to Maureen this week) comes. She says: Praise be to Jesus. I wish to thank everyone who has been praying for me; I am closer to Heaven now. See." (She motions towards her clothes which are not as shabby looking.)

"I wanted to let the people know that the poor souls - while they suffer much - still have a profound inner peace deep within their hearts, for they know they are saved and will eventually be welcomed into Paradise for all eternity."

"Their sufferings are made bearable by virtue of this knowledge. These souls realize Purgatory is indeed a grace. The souls here, of which I am one, desire to be purified no matter the intensity of the flames - the desolation or the longing for God's Presence. They realize that purification is their passport into Heaven."

"Please understand that no sacrifice, no matter how small if offered with love for the souls in Purgatory, is unworthy. These souls await the smallest prayer - the most seemingly insignificant sacrifice which, given with love - renders relief and consolation."

"I pass this information on to you as a grace for the relief of many. Those who practice charity towards us - the poor souls - will find their own Purgatory mitigated."

October 25, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, in the world you have special electronic devices you can place in your cars to guide you to your point of destination, and to keep you from making any wrong turns."

"In the spiritual life, the journey through the Chambers of the United Hearts is the same. Steady on the path of Holy Love, you will not make wrong turns, and you will meet your destination in your perfection in holiness. Please listen and pursue this path."

"Tonight I am blessing you with My Blessing of Divine Love."

October 26, 2010 / Public

(A Poor Soul)

The poor soul, Rachel, comes. She says: "Praise be to Jesus."

"Please understand, and help others to understand, that while there is emotional and spiritual suffering in Purgatory, there is also very intense physical suffering. At the very lowest level, the flames are as intense as the eternal flames of Hell. Satan, who is the enemy of all souls, always wants the worst for each soul. If he cannot drag the sinner into his hellfire, then he tries to influence the soul to earn long hours in the fires of Purgatory."

"Knowing this, souls should try to overcome the slightest imperfection so as to earn a speedy reward in Heaven for all eternity. Cooperate always with grace and do not allow evil to influence you. Let the Lord take dominion over every present moment."

October 27, 2010 / Public

(Rachel - Previously A Poor Soul)

Rachel comes and she's all in white. She looks radiant. She says: "Praise be to Jesus."

"Please allow me to thank the people who prayed me into Heaven. I was in Purgatory many years for the sin of not examining the errors in my own heart, and not trying to correct them. There are thousands, even millions, still imprisoned there for the same reason. They, like me, were given the grace to recognize their errors but did not take the call to conversion to heart. Their words and actions led to the loss of many souls."

"Please let the people know that examination of conscience is very important."

"Thank you!"

October 27, 2010 / Public

(Rachel - Previously A Poor Soul)

Rachel says: "Praise be to Jesus."

"If there is only one thing - one fruit - of my visits to you, I would want it to be this — the knowledge that every thought, word and action is liable to God's Judgment, and deserving of His Mercy. Souls need to do more than recognize their faults and failings. They must - with their free will - act to overcome them. It is this failure to seek perfection in the Eyes of God that sends countless numbers to the confines of Purgatory."

"Jesus desires that the following prayer be propagated:"

"Dear Jesus, grant me the grace of self-knowledge so that by looking into my own heart with humility, I will discover my weaknesses in Holy Love. Then give me the grace of courage to try to overcome my faults so that I will not have to be purified of them in Purgatory. Amen."

October 29, 2010 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I notice you have had many visits from Rachel - a soul once in Purgatory - now in Heaven. If you recall I once told you that every present moment is different for each person on earth - different crosses, different graces, different circumstances in every moment."

"It is likewise with Purgatory. Each soul's Purgatory experience is individual. Some suffer intense flames, some experience the purification of loneliness; others may have to endure burning of the tongue for lying about others or ruining someone's reputation. But every purification is presented in an individual way just as every cross and grace is particular to each soul in the world. Every soul in Purgatory suffers the greatest trial of being separated from God, however."

"Jesus wanted you to know these things and to pass them on to others so as to bring to light the reality that Purgatory is real. It is like so many things God's Mercy and His Justice present together."

October 29, 2010 / Public

(After Communion)

"I am your Jesus, born Incarnate."

"Please understand the Chalice of My Mercy is spilling over into the world. Soon, and even now, My Justice will accompany it."

"When My Mother comes on Her Feast of Guadalupe, She will not be clothed in the Image of Guadalupe but as the Sorrowful Mother. It is the sin of abortion that compels Her to do so."

October 29, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"I desire each one knows that all people are worthy of My Mercy, for My Mercy comes clothed in My Divine Love. Even the most hardened sinner - even the terrorist who plots in his heart to harm others - if he but turns to Me with a repentant heart, will be forgiven."

"I am blessing you with My Blessing of Divine Love."

October 30, 2010 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come to confirm to you that the unsuccessful terrorist attack yesterday was one of the triggers of evil I spoke of earlier this year. Because of your prayers and sacrifices, dear children, it was unsuccessful and brought to light. But there are other plots in the hearts of man; for this reason I ask your continued prayers that these, too, are brought to light before they are acted upon."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

November 2010

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

We welcome all people of all faiths.

Prayer is a universal language.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

THE NEXT PROMISED MIDNIGHT APPARITION AT MARANATHA SPRING & SHRINE

March 18 - 19, 2011

“My daughter, I come to reiterate to you that St. Joseph will appear [to you] here on the property at the midnight hour dawning on his feast day March 19th. This is given to you as a birthday gift from God the Father.”

“The Eternal Father desires St. Joseph be recognized as the ‘Foster Father of All Humanity’. Thus he is to be made known, and when invoked by this title, he is protector of life from the moment of conception.” *(Our Lady, 12/16/10)*

**Friday, March 18th, meet in the Field of the United Hearts at 11:00 PM
on the eve of the Feast of St. Joseph.**

November 1, 2010 / Feast of All Saints

Blessed Mother says: “Praise be to Jesus.”

“Today I come to you with a universal call to bring all peoples and all nations together in Holy Love. Within this call is unity and salvation, for no one enters Heaven who does not first love God above all else and, then, neighbor as self.”

“Every saint in Heaven is united in My Immaculate Heart, and is appealing to My Son to let fall the fullness of His Love and Mercy upon mankind. There is no peace outside of Holy Love - only compromise, confusion and insecurity. Love of all that is passing - esteem, money, power - only bring passing pleasure and hold no merit in the Eyes of God.”

“Each soul gains sainthood when the Holy Love in his heart is pure. It is then that the soul personifies Holy Love and enters into the Flame of Divine Love - Heaven itself. Every soul should

keep this goal foremost in his heart, then, to personify Holy Love.”

November 1, 2010 / Monday Service - Peace in All Hearts through Holy Love / Feast of All Saints

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, please understand that to pursue personal holiness in the present moment is to pursue the Victory of Our United Hearts. Further, I tell you, that each conversion strengthens the Remnant Faithful.”

“Be of sound mind, then, and pursue with your whole heart, sanctity in the present moment through these Messages of Holy and Divine Love.”

“I’m blessing you with My Blessing of Divine Love.”

November 3, 2010 / Feast of St. Martin de Porres

St. Martin de Porres says: "Praise be to Jesus."

"I have come to tell you that the soul advances in personal holiness only insofar as his free will cooperates with grace. What I am saying is the soul must desire to be holy. He can pray but if it is only words, and there is no Holy Love in the heart as he prays, it means little. The soul can sacrifice, but this, too, if it is not offered out of love, is empty. Some seemingly great sacrifices are meaningless, for they are given with reluctance."

"Treasure in your heart the grace of forgiveness. Pray for it and Jesus will flood your heart with the Light of Truth to show you where you are unforgiving. So many souls spend long hours in Purgatory for unforgiveness."

November 5, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I have come to invite you to see that your patience in the face of every adversity and opposition from the most unlikely places demonstrates fortitude; for patience begets fortitude and courage of heart. Continue to pray for these virtues."

"Tonight I am blessing you with My Blessing of Divine Love."

November 6, 2010 / Public

St. Augustine says: "Praise be to Jesus."

"The test of any conversion of heart is the soul's willingness to surrender to God's Divine Will in every present moment. This is the supreme sacrifice that Jesus offered in the Garden at Gethsemane. The truly, deeply converted heart can offer every difficulty, every situation to God's Eternal Divine Will."

"The soul that is thus perfected is not far from Heaven."

November 7, 2010 / Public

"I am your Jesus, born Incarnate."

"I have come to establish in hearts the Kingdom of Divine Love which is the New Jerusalem. My Mother's Heart, which is pure Holy Love, is the Gateway to the New Jerusalem; for it is through Her Heart - through Holy Love - all souls are purified and made worthy. Any imperfection must be burned away by the Flame of Holy Love before the soul can be found worthy of Paradise."

"Recently a poor soul told you that more souls are in Purgatory for calumny than for any other crime. Today you have been given so many advantages in modern technology, but evil has been invited in to destroy reputations and lead souls astray. In the hands of evil, lies are presented as truth. The righteous soul needs to be on guard and discerning in what he believes. Title and power do not always equal truth, nor do they always lead to salvation and sanctification. Indeed, today My Heart is pierced over and over by those who should be closest to Me. But I am the support of the unjustly accused."

"This Mission, as never before, must be a refuge for those who choose truth over lies - Holy Love over moral decay. Like Noah's Ark, it will rise above the tide of controversy. Like the burning bush, the Flame of Holy Love will never be extinguished."

"Do not lose heart but be consoled by My words to you today."

November 7, 2010 / Public

"I am your Jesus, born Incarnate."

"I tell you, you have nothing to fear, for grace is your ally."

"Pray for those who oppose this Mission. They oppose prayer against abortion, prayer for world peace, prayer for the Church. Their salvation is at stake."

November 7, 2010 / Sunday Service - Unity in Families (Family Night)

St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, the Father has sent me tonight to invite all families into the greater family of Holy and Divine Love."

"Thus united, you will find the path of TRUTH - the path of LIGHT - which leads to your salvation."

"Tonight I'm imparting to you my Blessing."

November 8, 2010 / Public

"I am your Jesus, born Incarnate. Please write this down for all to see:"

"Holy Love is:"

"The two great Commandments of Love - to love God above all else and to love neighbor as self."

"The fulfillment and the embodiment of the 10 Commandments."

"The measure by which all souls will be judged."

"The barometer of personal holiness."

"The Gateway to the New Jerusalem."

"The Immaculate Heart of Mary."

"The First Chamber of the United Hearts."

"The Purifying Flame of Love of Mary's Heart that all souls must pass through."

"The Refuge of Sinners and the Ark of these last days."

"The source of unity and peace amongst all people and all nations."

"Holy Love is God's Divine Will."

"Realize that only evil would be opposed to Holy Love."

November 8, 2010 / Public

"I am your Jesus, born Incarnate."

"Do not be surprised that those of influence slander you and offer every kind of lies against you. They do not have truth in their hearts. If they did, they would fall on their knees and seek forgiveness."

"Because this Mission is from Heaven it will humbly endure, persevering in good works and in the salvation - even sanctification - of souls. Those who are vexed by our mere existence in this diocese and in the world need to examine their own hearts as to their goals. What motivates a soul to oppose the good that this Mission tries to achieve and does achieve despite vicious opposition? Certainly good does not oppose good."

"People need to search their own hearts to discover the truthful answers to these questions. I tell you, just as I did not come to compete with the Pharisees in My day but only to reveal the truth, so too, today I come to call My flock into the light of truth. I call all hearts to be weighed on the scale of Holy Love. I do not come to challenge position and title, but to challenge the unconverted heart. I invite all to understand that every soul is called to perfection in Holy Love. Power, rank, authority or wealth do not place the soul beyond this call."

"Therefore, I invite all - young and old, important and ordinary, those of high rank and the very lowly - into Holy Love. For in the end, when you stand before Me, nothing else matters except the purity of the Holy Love in your heart."

November 8, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please understand that all the technology mankind has been given has been given through Divine Love. All I ask is that you use everything you are given as a gift from Heaven to live in love and live in the truth. Then you will be rewarded, and the technology that you are blessed with will be even more powerful; otherwise technology will be used toward your own destruction."

"Tonight I am blessing you with My Blessing of Divine Love."

November 10, 2010 / Public

"I am your Jesus, born Incarnate."

"I tell you in all truth, this Mission has been called into being through the Divine Will of God and exists in and through His Divine Will. We are here for the welfare of all people and all nations. My call to live in Holy Love is a call to unity in the Divine Will. No one holds jurisdiction over God's Divine Will except the Eternal Father - the Eternal Now."

"Once again I state this is an ecumenical call. Our detractors - please note - this means no one has the right, either in canon law or civil law to claim jurisdiction over Heaven's Mission here. We exist (I say, 'we', for I am part of this Mission) to save souls and to call souls to personal holiness."

"I invite all to understand that everyone has a right to his good reputation. Those who set about trying to destroy the reputation of anyone need to repent before it is too late; for you know not the hour of your own judgment."

"So I state once again, good does not oppose good. If you are in opposition to this Mission, you have not been inspired by the Spirit of Truth but by the father of lies. Awaken! Hasten to your conversion!"

"My Mercy awaits you."

November 12, 2010 / Public

"I am your Jesus, born Incarnate."

"My dear brothers and sisters, hear clearly and resolutely My call to you to come here and pray. My call to come here is not a matter of obedience or disobedience as some would have you believe. Would I be coming here or send My Mother and many angels and saints here if it was not My Father's Will?"

"My call to you is one of unity in prayer, unity in Holy Love. It is the same call to all people and all nations, and is not regulated nor controlled by any one group. My call is urgent because there is an urgency to overcoming the evil that is in hearts. There is not time to argue about ambiguous words or manufactured issues or conflicts."

"Turn your hearts, your spirits and your souls over to Holy Love. Come with a clear conscience to the site Heaven has provided for you here. Be united in the grace of Holy Love. Do not allow Satan to scatter the flock as he desires."

"Pray together and believe in the graces Heaven provides for you here."

November 12, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite you to realize in all sincerity that every present moment is a battle between good and evil within each heart."

"The reason for this Mission and these Messages is to help people choose good over evil through Holy Love. Realize that what I am telling you is that Holy Love is a great weapon; you must use it, My brothers and sisters. What I have come to tell you is clothed in truth and not open to debate."

"Tonight I'm blessing you with My Blessing of Divine Love."

November 13, 2010 / Public

"I am your Jesus, born Incarnate."

"Once again I come to you with My Wounded Heart exposed. In My day, I never feared defending the truth even in the face of threats and danger. Today My Mission here is under attack and there is misinterpretation of statements made about participation here. No one is forbidden to participate in prayer services here - not by canon law - not by civil law. There is no condemnation of the Messages or the Mission. An admonition is a warning. You must be like Veronica who, stepping out of the crowd of jeering onlookers, comforted Me without concern for her own reputation."

"Today I await the faithful to come here and to console Me with their prayers. Be obedient to My call and do not listen to the onlookers who contrive every sort of false charge against those courageous enough to come here. Your prayers are saving souls and making a difference in the world. So, of course, the enemy wants to confuse the issue of coming to this site of Heaven's predilection."

"When you come to Me at the moment of your death, you will be surrounded by the souls that benefited by your prayers."

"Do not be afraid then. Do not hesitate to assist Me here. Pray for those who oppose Me."

November 15, 2010 / Public

St. Thomas Aquinas comes. He is holding a little child's purse - one that I lost and rediscovered months later after the little girl's birthday. I had forgotten about it. He says: "Praise be to Jesus."

"Look! This is what humility - true and sincere humility - is like. It is like a hidden treasure that the soul possesses but does not remember. He is not looking for it in his heart, but all the time it is there; but as with any virtue, it blooms when it is shared with another. The fruit of the virtue is given out to others but the virtue remains hidden in the soul's heart."

"You gave the little purse away but the virtue of unselfish love remains in your heart."

November 15, 2010 / Public

"I am your Jesus, born Incarnate."

"Please understand that all who boldly proclaim the truth according to the Commandments of Holy Love will be maligned, slandered, lied about and set upon. Was it not true of Me when I walked the earth?"

"Pray for those who decide to oppose Me here but do not look at the abundant fruits and graces apparent here and in these Messages. These are the ones who cooperate with the father of lies. They spill poison all around them as they try, at the cost of truth, to make names for themselves; some even claim to be humble."

"I tell you, humility is not present in the heart which claims it. Humility seeks the lowest place - never recognition. The humble soul is the embrace of simplicity - never seeking to be important in the eyes of man. The humble soul is not self-righteous but always considers others more holy than himself. He is never, therefore, the one who sanctimoniously touts the approvals of high-powered individuals or takes pride in such approvals."

"Humility is the truth of man's relationship with God - without guile. The humble soul comes to Me in judgment with his hands filled with good deeds. If his hands are only filled with self-importance, it will not bode well for him."

"I tell you these things to enlighten the path I lead you upon."

November 15, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I urge you, in Holy Love, to pray daily for those who oppose us. Their hearts are not open to the truth. They are not willing to look at the truth. Their paths mistakenly curve away from righteousness, and we must redirect them through our prayers."

"Tonight I am blessing you with My Blessing of Divine Love."

November 16, 2010 / Public

St. Thomas returns, holding the little purse that he had yesterday. He says: "Praise be to Jesus."

"Dear messenger, forgive me for belaboring the example of this little purse. It is offering such a sound example of the human heart, I cannot resist. The little purse is capable of holding many treasures. The human heart likewise can be a storehouse of treasure. Say, for instance, that this purse represents Holy Love. Inside are hidden the treasures of all the virtues, for every virtue is clothed in Holy Love. If there is a flaw in Holy Love [a hole in the purse], the virtues begin to slip out just as a coin might fall from a hole in the purse."

"To continue our analogy, the owner of the purse only has to be certain the purse is sound and in no need of repair to know that the coins inside are secure. He doesn't need to keep counting them. Similarly, the soul needs only to be certain that the Holy Love that embraces his heart is sound. He shouldn't search his heart looking for every virtue. If he is living in Holy Love, he is embracing all the virtues. To think that you are, for instance - now humble, then wise, and so on - is a temptation to pride."

"So the little purse has served us well if you are listening. Be perfected in Holy Love is the lesson - all else is passing."

November 17, 2010 / Public

"I am your Jesus, born Incarnate."

"I have come to tell you that when My Mother comes here at midnight dawning on Her Feast of Guadalupe, She will come

with St. Michael the Archangel, for he is the defender of life in the womb."

"You will please make this known."

November 19, 2010 / Public

"I am your Jesus, born Incarnate."

"Stand guard over your thoughts in such a way that your peace is not disturbed. Guilt over past sins already charged to My Mercy is always from Satan. Guilt is unforgiveness of self. Each one that loves Me must trust in My Mercy. Think about past sins only to learn from them and what motivated you to sin."

"There are whole countries who could benefit from this advice. Indeed, the heart of the world would be at peace if they learned from past mistakes. Today fear is taking away freedom. It is no different than in the days when iron-fisted dictators took over nations. What is proposed as human rights is most often a twisted proposal to sin. The fear of offending someone's rights has taken precedence over the fear of offending God."

"Even in the present moment souls do not pay heed to what motivates them in thought, word and deed. But when I come to call the world into Holy Love, which is the Light of Truth, My call is disregarded and defamed. What motivates such hearts against the Law of Love? Our detractors should examine their hearts."

November 19, 2010 / Public

(Jesus - After Communion)

"I am your Jesus, born Incarnate."

"I invite all to see that this Mission is all about self-examination of conscience. Without this, the soul cannot progress in Holy Love. If the soul does not perfect itself in Holy Love, the Mission is weakened. Therefore, understand that overcoming the smallest personal defect in Holy Love strengthens the Mission"

November 19, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the best way to be prepared for anything in the future is to live in Holy Love in the present moment; then your hearts will be full of virtue and you will be strong and face courageously any and every situation."

"Tonight I am blessing you with My Blessing of Divine Love."

November 21, 2010 / Feast of Christ The King

"I am your Jesus, born Incarnate."

"I come once again and, as always, to proclaim My Kingship over the world and its inhabitants. Man's inability to subject himself to My Sovereignty is the sole reason for his demise. Sweeping and individual decisions are made outside of grace, for the Commandments of Holy Love are disregarded. Procreation most often is a matter between man and woman - not man, woman and God - the Creator of all life. Technology has taken on its own personality and taken over hearts and lives. People depend upon their own efforts in making peace in the world, and once again I am omitted from the equation."

"My Father's Divine Will must be returned to its rightful place at the center of all decisions. It is then the world will be restored to peace and prosperity. This is the reason I come here to this site - the reason I speak here - to uphold My Father's Perfect and Eternal Divine Will. When His Will, which is Holy Love, is restored in hearts, My Sovereignty will be restored in the world. This can only take place in and through Holy Love."
"Make this known."

November 22, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I have come to ask you to show thanks through your prayers and sacrifices for all the graces given to this Ministry. For though we have been greatly oppressed and persecuted, we have prospered. Many more graces are yet to come. The more grateful you are, the greater the graces."

"Tonight I am blessing you with My Blessing of Divine Love."

November 23, 2010 / Public

"I am your Jesus, born Incarnate."

"You know that in the artistic world the value of a color is the measure of its depth or intensity. In the spiritual world, the depth or intensity of holiness is measured by the Holy Love in the heart. As often as I have stated this fact, people do not try to increase the Holy Love in their hearts by surrendering in the present moment to the greatest measure of Holy Love that is possible."

"Holy Love must cover and embrace every thought, word and deed. Holy Love must be the inspiration of thought, word and deed. Departure from Holy Love in any way should reveal to the soul, who desires spiritual perfection, an area of weakness."

"See every situation as God's Ordaining or Permitting or Providing Will for you. Understand, My Father desires your perfection in Holy Love and gives you all that you need to attain it."

November 24, 2010 / Public

"I am your Jesus, born Incarnate."

"You must comprehend that political correctness has a stranglehold on the voice of truth. People are more concerned with possibly offending someone than with standing for justice - justice as embodied in Holy Love."

"In order not to offend ideologies which are contrary to Holy Love, sins are condoned, marriage between a man and a woman is challenged, and violence has become a religion that is not challenged out of fear."

"Thus, out of trepidation, people tiptoe around these issues which violate human rights and that go against the Ten Commandments, fearful that standing for the truth would offend the sinner. This is Satan's ploy to intimidate souls away from the path of righteousness and into his temptations of compromise. This is how the heart of the world has chosen the defeat of compromise instead of the victory of the truth. Look long and hard at all that is taking place in world events today, and you will see I am right."

November 26, 2010 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, once again I come with My Hands empty and the doorway to My Heart open wide. I await your efforts to fill My Hands with your sacrifices, and to fill My Heart with your prayers. Through this Mission, each soul is being called to be a victim of love and a prayer warrior for the Victory of Truth."

"Prayer warriors do not surrender but continually fight even in the face of the most formidable foes. So it is I call each of you - do not surrender in the midst of persecution, lies and power plays. Truth will be your ally - always strengthening you in any danger."

"Dear children, My Love for you is omnipresent."

November 26, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, be at peace; be united in Holy Love. Recline in My Merciful Heart. Do not try to act independent of God's Divine Will for you, which is always Holy Love. But in Holy Love, realize your dependence upon My Father for everything - even unto your next breath."

"Tonight I'm blessing you with My Blessing of Divine Love."

November 29, 2010 / Public

"I am your Jesus, born Incarnate."

"Today many whom I have chosen to pass through the harvest with the winnowing fan of righteousness and bring Me souls are failing Me. They have themselves become filled with self-righteousness and are leading many astray. They place themselves above the law, but hold all others accountable to the letter of the law. They oppose prayer - even the prayer of the Rosary of the Unborn. Unless they turn their hearts over to Me - to My Mercy - they will be held accountable for the good that was never achieved and the prayers that were never offered."

"Each one's spiritual journey is different but each one's call is to live in Holy Love. Those who consign their souls to oppose good are not living in the Light of Truth, but in the darkness of lies. My call and My words to you today do not differ amongst My flock around the world - no matter their status, wealth or power in the world."

"My call to you today is - do not gamble with your eternal life by opposing Holy Love."

November 29, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I ask that you prepare your hearts as little mangers for My arrival on Christmas with the straws of Holy Humility and Holy Love; then I will feel at home as I did in the manger."

"Tonight I am blessing you with My Blessing of Divine Love."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

December 2010

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

We welcome all people of all faiths.

Prayer is a universal language.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

THE NEXT PROMISED MIDNIGHT APPARITION AT MARANATHA SPRING & SHRINE

March 18 - 19, 2011

"My daughter, I come to reiterate to you that St. Joseph will appear [to you] here on the property at the midnight hour dawning on his feast day March 19th. This is given to you as a birthday gift from God the Father."

"The Eternal Father desires St. Joseph be recognized as the 'Foster Father of All Humanity'. Thus he is to be made known, and when invoked by this title, he is protector of life from the moment of conception." **(Our Lady, 12/16/10)**

Friday, March 18th, meet in the Field of the United Hearts at 11:00 PM
on the eve of the Feast of St. Joseph.

December 1, 2010 / Public

"I am your Jesus, born Incarnate."

"Holy Love is the brick that will build the New Jerusalem. The following is the mortar which holds the bricks together:"

"Pray to be enlightened as to your own capabilities and limitations."

"Pray to know your weaknesses in every virtue and work to overcome them."

"Let truth be your standard, for it is Holy Love."

"Forgive everyone - even yourself."

"Always use your assets toward the greatest good."

"Surrender to, and trust in, Divine Mercy - Divine Love."

December 2, 2010 / Public

"I am your Jesus, born Incarnate."

"Surrender all problems to Me - great and small. This in itself is a sacrifice of merit. I alone hold solutions you cannot imagine. You cannot change the past nor adjust the future. Allow Me to lead you."

"This is the formula for trust."

December 3, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I have come to encourage those who will come in pilgrimage here next weekend to comfort My Mother at the Lake of Tears in Her Image of Sorrows; for She weeps constantly in Heaven for the life that is snuffed out in the womb, and offered on the altar of abortion."

"Tonight I'm blessing you with My Blessing of Divine Love."

December 4, 2010 / Public

"I am your Jesus, born Incarnate."

"This Mission of Holy Love is much like the manna given the Jews wandering in the desert. First, it is miraculous; second, it nourishes - not physically but spiritually. Lastly, it gives hope - hope that God is with you - hope that God will sustain you in the midst of trials - hope that you will reach your goal. In this case, the goal is the New Jerusalem and eternal life."

December 5, 2010 / Sunday Service - Unity in Families (Family Night)

St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, tonight I have come to remind every family that they should be living under the umbrella of Holy Love. In this way they are protected from distractions in personal holiness and from obstacles to grace. If they are all living in Holy Love - every member of the family - then Holy Love will be at the heart of the family."

"Tonight I'm extending to you my Fatherly Blessing."

December 6, 2010 / Public

"I am your Jesus, born Incarnate."

"I have come once again to confirm to you that Holy Love is the path of truth, the path of light, which leads everyone to his salvation. Apart from Holy Love there is no salvation, for no one enters My Father's House who does not love Him above all else and neighbor as self. This path of certainty, which is Holy Love, is also the solution to earth's woes and the way to peace amongst all peoples and nations. But as I proclaim this call through these Messages, Satan counters My call with his lies."

"The enemy, in his wicked cleverness, clothes his lies in such a way that the listener feels obliged to believe him. But there is no building up of the Kingdom of God in Satan's lies. Instead there is tearing down of the truth and total destruction of God's Kingdom in hearts. I do not lead away from love and truth, but I call you into Holy Love and truth. I do not try to destroy the path of light. I call you upon it, and accompany you in your every effort to travel upon it."

"Do not be confused by the sojourner who tempts you away from Holy Love. Such a one is, indeed, the one who is lost and in need of direction. Pursue wholeheartedly the journey through the Chambers of Our United Hearts."

December 6, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, during this festive season, the best gift that you can give to another is the Holy Love that you hold in your heart. If you pray, you will be led as to the best way to express this to each person."

"Tonight I'm blessing you with My Blessing of Divine Love."

December 7, 2010 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"Today in the modern world of electronics, free license is given to every form of detraction, rash judgment and calumny. There are no moral boundaries; no one's reputation is sacrosanct."

"It behooves any soul who pursues holiness to refrain from naively believing everything that he sees, hears or reads, for truth is rarely a criteria in these modern forms of communications. The soul who falls privy to so much information needs to search out the truth."

December 8, 2010 / Feast of the Immaculate Conception

Blessed Mother says: "Praise be to Jesus."

"Tell My children always to look to the light of My Immaculate Heart and the richness of the grace herein for their strength and the solution of their problems."

December 10, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I have come to enjoin the world to surrender to Holy Love; for it is only when they accept Holy Love in their hearts they will be living in the TRUTH."

"Tonight I'm blessing you with My Blessing of Divine Love."

December 12, 2010 / Midnight Service at the United Hearts Field / Feast of Our Lady of Guadalupe

(This message was given in multiple parts over several days.)

St. Michael appears holding his Shield of Truth. Blessed Mother appears as Our Lady of Sorrows. She says: "Praise be to Jesus." St. Michael bows his head.

"St. Michael advances ahead of Me tonight, carrying his Shield of Truth. Please note that below the image of Our United Hearts on his shield is the image of the teardrop enveloping the unborn child from the Rosary of the Unborn. This is to signify that when the truth of the sin of abortion is accepted in hearts, abortion will stop. But it will not stop until then."

"I come once again to reconcile mankind with his Creator. The Alpha and the Omega are at hand in every present moment. While people busy themselves storing up food and stockpiling gold in preparation for what is to come, they miss the ark that is offered to them in this present moment - the Ark of Holy Love - which is My Immaculate Heart. In doing so, they frantically bypass the one safe harbor of peace, and pursue the stormy sea of human solutions outside of God."

"I come as the Image of Sorrows rather than the Image of Guadalupe which symbolizes the defense of life in the womb, for I continue to weep for every life which mankind destroys with disregard for the Hand by which it was created. Abortion not only destroys life but also human dignity. It is an outrage that has cost the world valuable leadership and obscured the direction of human events. But because mankind has not sought out the safe refuge of My Heart, he does not realize the fatal course he is pursuing."

"Dear children, I come to you once again to offer to you the asylum of My Heart during these treacherous times in which you now live. Often the greatest dangers are not physical but spiritual, and come clothed in seemingly great benefit. You must let everything pass through the sieve of Holy Love so that evil slips away and only truth remains. Be courageous in your efforts towards personal holiness. The whole world cannot be converted until you yourselves are converted. I am your Protectress. The grace of My Heart is omnipresent to you. Therefore, entrust to My Heart all things as a child depends on his mother. Learn to recognize Satan as the one who always opposes Holy Love."

"Please realize that as long as new life is insecure and jeopardized in the womb, world peace will be jeopardized. The boundaries of this country are now breached and evil readily accesses once secure destinations. Even information has reached new levels of insecurity. Yet people do not see any of this as the byproduct of the sin of abortion."

"Dear children, tonight I applaud your perseverance and faith in understanding that these Messages carry the words of Truth. Allow your hearts to be united with God and with one another. Do not be separated because of opinions."

"Tonight I am taking all of your petitions into My Heart. I will carry them to Heaven and place them on the altar of My Beloved Son's Heart. Do not fear for anything."

"I'm blessing you with My Blessing of Holy Love."

December 12, 2010 / Feast of Our Lady of Guadalupe

Blessed Mother is here as Our Lady of Guadalupe. She says: "Praise be to Jesus."

"This morning I have come to give you a very special prayer."

"Dear Jesus, just as Your Mother carried You in Her Virginal Womb in Holy Love, move the

conscience of the world to accept the truth that all human life begins at the moment of conception. Help the world to see that this is God's Divine Will which is Holy Love. Amen."

December 13, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters - yes, the Christmas holiday approaches. Go deep into the virtue of simplicity which is the handrail on the staircase to perfection."

"In simplicity, then, you will be ready to kneel before the manger on Christmas morning, welcoming Me, thanking God for My Incarnation."

"Tonight I am blessing you with My Blessing of Divine Love."

December 14, 2010 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"You have been asking in your heart how it is the Blessed Mother could be sad in Heaven over the sins in the world. Remember, there is no element of time in Heaven. Therefore, emotions are not confined or dictated by a timeframe."

"Take, for instance, this little flower. [He is now holding a small, little flower.] When you see it, you appreciate its beauty; yet in your heart you realize it is not long until it will wither and die. So, in the same moment, you enjoy the flower but realize its beauty is brief, and so you have a little sadness in your heart, too. That is as closely as I can relate to you how Our Blessed Mother can feel the joys of Heaven and still weep for the sins of mankind all at once."

"You cannot fully realize what it is like to exist outside of time in this life."

December 15, 2010 / Public

St. Michael says: "Praise be to Jesus."

"The Lord God sends me with a prayer of petition - a prayer of necessity - for the conversion of the heart of the world and the Victory of Truth."

"Heavenly Father, Creator of the Universe, place over the heart of the world St. Michael's Shield of Truth. In so doing, convict the hearts of those far from You, dear Father, to pursue personal holiness by living in Holy Love. Help every soul to live in the Truth of Holy Love. Amen."

"While the Baptism of Truth is effective in immediate change, the heart of the world needs, in every present moment, the protection of my Shield of Truth."

December 16, 2010 / Public

Blessed Mother says: "All praise be to Jesus."

"My daughter, I come to reiterate to you that St. Joseph will appear [to you] here on the property at the midnight

hour dawning on his feast day March 19th. This is given to you as a birthday gift from God the Father.”

“The Eternal Father desires St. Joseph be recognized as the ‘Foster Father of All Humanity’. Thus he is to be made known, and when invoked by this title, he is protector of life from the moment of conception.”

“Accept this gift from Heaven with gratitude and humility. This year [2011] will be noted for this apparition. I do not promise that subsequent years will have midnight apparitions on the feast of St. Joseph.”

December 17, 2010 / Public

St. Peter says: “Praise be to Jesus.”

“There comes a time when every soul must face the truth of how he stands before God. At that time - whether it be the grace of an illumination of conscience or the soul’s last judgment - it will matter how every temptation to sin was managed. The soul will be judged as to how much his heart resembles Holy Love.”

“If he used his senses towards any impurity or his tongue to destroy another’s reputation, he will be held accountable. If he was given a position of esteem or authority but used it only towards self-gain, and in so doing trampled the rights of others underfoot, he will be judged accordingly. Those who have rash judged Heaven’s Mission here and impeded the propagation of the Rosary of the Unborn will be made to know how many little lives were taken because of their misdeeds.”

“No one should take lightly their obligation to seek the truth and to live in the truth. Do not settle on the opinion that best suits your life style. Open your heart to the truth and live in the truth, which is Holy Love. You will have less to answer for.”

December 17, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, My Heart beats for you with simplicity and Divine Love in the manger. Follow the Light of Truth which is Holy Love, and kneel beside Me at the manger. I await you. I love you.”

“I’m blessing you with My Blessing of Divine Love.”

December 20, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, think of nothing except how much you love Me. Do not worry over the past sins you may have committed or have trouble in your heart concerning the future. Let your heart overflow with love for Me when you come to the manger on Christmas morning, and I will greet you. I await you. My Arms are open, ready to embrace you.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

December 24, 2010 / Christmas Message

“I am your Jesus, born Incarnate.”

“The Word was made Flesh and lay meekly in a manger. I did not come to wield the sickle of power over mankind but to call all humanity to their reclamation. It is the same today. Here at this site I call all mankind to conversion. The Message here is Holy Love; just as the message I taught when I walked among you was Holy Love. Yet I am opposed today just as I was then.”

“Holy Love is only your demise if you seek to oppose it - even destroy it; then all that you sought to oppose will stand against you in this life and in the next. You will never be at peace if you give your heart over to worldly passions such as love of power and esteem, love of money, love of reputation.”

“How can you find peace when you pursue the destruction of someone else’s reputation in words or in actions? How can you be at peace when you disregard the needs of others? Peace is in loving God and neighbor. Until everyone lives in Holy Love, true peace will be elusive.”

“I came to earth as Prince of Peace. I am with you still today as Prince of Peace. True peace is Holy Love in the heart.”

December 24, 2010 / Public

I see a great Flame above a globe of the earth. A voice says: “I Am God the Father. I come to envelope the world with My Divine Will which is Divine Love. I come to correct and to remonstrate those who do not live in Holy Love.”

“When the Word was made Flesh, it was the Will of this Eternal Heart which beats with love for all humanity. My Son came to save every soul, and to open the Gates of Heaven - the Gates of Truth.”

“Today, dear children, realize it is the Will of your Eternal Father - the One Who is speaking to you now - that places you in time and space, and in every situation you find yourself in at this present moment. There are those who find themselves in positions of great authority, esteem and power. But they do not realize that it is I Who allow them to be there. They have replaced their love of Me in their hearts with the love of all that is passing. They clothe thought, word and action in falsehoods while presenting them as truth through the title or position I have placed them in. They might lead with the threat of reprisal. Those whom I so address, recognize yourselves! Your eternity depends upon it.”

[Now the Flame bursts forward and engulfs the globe of the world.]

“When you stand in final judgment before My Son, you will be stripped of earthly wealth, power, authority and reputation. It will not matter who befriended you, believed in you or how influential or wealthy you were on earth.

The only thing that will matter is the amount of Holy Love in your heart. I have said it. You must live it."

"The time approaches when each of you will need to make difficult choices - choices which will affect the future of the world. Choose to follow My Divine Will which is Holy Love; then I will support your decisions. I will protect you and lead you. I am a loving Father. Love Me in return."

"In all that I am telling you, comprehend that nothing matters in this life except your own salvation which you earn through living in Holy Love. The prize has been won for you but it is up to you to claim it."

December 25, 2010 / Public

St. Joseph says: "Praise be to Jesus."

"Today I invite you to reflect upon the Will of God the Father Who lovingly sent His Only Begotten Son into the world to redeem mankind. Because the Son and His Holy Virginal Mother cooperated with the Divine Will, the Gates of Heaven opened forever."

"You, too, must cooperate with the Divine Will in accepting the newborn Jesus into your hearts today. Allow Him to bless your hearts and your lives."

December 26, 2010 / Feast of The Holy Family

St. Joseph says: "Praise be to Jesus."

"Today I am addressing the family of mankind who, for the most part, has departed from the path of holiness. Once again I am joining my Son, Jesus, in an effort to spread unity through Holy Love. In Nazareth the Holy Virgin worked with Jesus and myself to be examples of love and holiness."

"So many, so many hear this call, read these Messages, but do not respond in their hearts; even worse, so decide to oppose Holy Love - a response not inspired by God."

"In the world family, some are so deceived they believe in a god that tells them to destroy life - a god whom they claim promotes terrorism."

"This is not the God Who made Heaven and earth. This is not the God of Love. The heart of the world family must be converted to the Truth. Pray for this."

December 27, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please understand that this Mission will only be as strong as its most ardent devotees. The REASONS YOU ARE PERSECUTED are the same as why I WAS PERSECUTED, even as a babe in the manger, JEALOUSY - INSECURITY - AVARICE."

"ALL of these destroy the HOLY LOVE in hearts of the leaders. Therefore, persevere and do not fear."

"I'm blessing you with My Blessing of Divine Love."

December 30, 2010 / Public

"I am your Jesus, born Incarnate."

"Everything was created to give praise, honor and glory to God - be it plant, mineral or animal. The ways in which God's creation are put to use or regarded by mankind, either give glory to Him Who is Creator or tear down the Kingdom of God."

"You need only to look at nuclear energy to understand My meaning. It can be put to very good and productive use or it can be used to kill and destroy. Even a very small part of God's creation follows this rule. I speak of the human tongue. The tongue can tear down or it can build up. All of God's creation, when used, governed or regarded with Holy Love, builds up the Kingdom of God within the human heart, and in the world as a whole."

"Therefore, understand that it follows, free will determines the future."

December 31, 2010 / Public

"I am your Jesus, born Incarnate."

"These are My hopes for the coming New Year:"

"That all Church and government leaders will know their place before God and live in the truth of Holy Love."

"That families remain united and live in Holy Love."

"That the evil of abortion be recognized for what it is."

"That those who embrace terrorism be convicted in their hearts of the evil they pursue."

December 31, 2010 / Public

St. Joseph says: "Praise be to Jesus."

"I am Joseph, husband of Mary Ever Virgin. But today I come to you under the title, 'Terror of Demons'. I tell you, anyone, no matter his title, authority in the world, wealth or station in life who acts under the cover of darkness is dishonest, not living in the light of Truth, and guilty of cooperating with evil."

"God sees all. Nothing lies hidden from Him. All is weighed upon the scale of His Justice - the scale of Holy Love."

December 31, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, during the year ahead I ask of you a renewed and stronger effort in prayer and sacrifice. There are indeed a plethora of problems that will arise throughout the year. They will be resolved in righteousness and truth by your efforts and the grace that Heaven tenders. Therefore, realize I'm counting on you."

"Tonight I'm blessing you with My Blessing of Divine Love."
