

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

January 2011

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic— according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

We welcome all people of all faiths.

Prayer is a universal language.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

THE NEXT PROMISED MIDNIGHT APPARITION AT MARANATHA SPRING & SHRINE

March 18 - 19, 2011

"My daughter, I come to reiterate to you that St. Joseph will appear [to you] here on the property at the midnight hour dawning on his feast day March 19th. This is given to you as a birthday gift from God the Father."

"The Eternal Father desires St. Joseph be recognized as the 'Foster Father of All Humanity'. Thus he is to be made known, and when invoked by this title, he is protector of life from the moment of conception." *(Our Lady, 12/16/10)*

**Friday, March 18th, meet in the Field of the United Hearts at 11:00 PM
on the eve of the Feast of St. Joseph.**

January 1, 2011 / Feast of the Mother of God / New Year's Day

Blessed Mother says: "Praise be to Jesus."

"I am Mary, Mother of God." [She is all in white.] "The year ahead holds many challenges in the Mission, on the world stage and in individual hearts. Every challenge will be matched with a commensurate amount of grace from My Heart. It is important to remember this - My promise of assistance in any need."

"Natural disasters will ebb and flow like the tide of the sea coming in waves. The Mission here will take on a new role - an important role during these times of mounting distress. Thus you will see more and more

turn to this Mission and the spiritual journey offered here."

"The Rosary of the Unborn is beginning to bridge the gap between Heaven and earth. Please express My thanks to all those instrumental in this effort."

"The light of truth emanating from this Mission will shine even brighter during the coming year, exposing hypocrisy and lies that the enemy spreads about the good being accomplished here. It will become more and more difficult for the enemy to work covertly. This will be a real grace for the Mission."

"Do not be alarmed by anything that occurs around you or in the world. Remember My promise of grace to match every event or attack."

January 3, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when I came to earth, I came as a babe in a manger. Realize it is not that you should be important in the eyes of man but that you should be holy in the Eyes of God. You should not seek approvals of any humankind, but you should seek to be holy in the Eyes of your Savior in every present moment."

"Tonight I'm blessing you with My Blessing of Divine Love."

January 4, 2011 / Public

"I am your Jesus, born Incarnate."

"You ask how you can love Me more. Love always the Will of the Eternal Father in the present moment. In every difficulty or circumstance, flee to My Mother's Heart and ask Her for this grace. She will assist you. When you love My Father's Divine Will, you are loving Me."

"When you witness evil in the world, it is right to fear for the salvation of those involved. In Holy Love you must pray for those inspired by evil, but do not despair. Until their last breath each soul can gain salvation. Beware of those who believe too much in themselves. Beware of anyone who will not accept criticism. There are entire institutions and governments that are led in this way. These days, place your trust in those who live in Holy Love for herein lies wisdom."

January 7, 2011 / Public

"I am your Jesus, born Incarnate."

"I have come to converse with you concerning the current human condition in regards to the relationship of mankind with his Creator. Currently you are experiencing much difficulty with your back. You have to be careful, and even so, a simple everyday movement can cause much distress."

"Humanity is also in such a tenuous position. With great care he needs to plan his strategies and calculate his next moves. Even with this deliberation on his part, the erroneous actions of some can have great ramifications. Mankind finds himself in such a state because he does not hold Holy Love in his heart."

"This lack of Holy Love is the cause and the effect of the fissure between mankind and his Creator."

"So today, I come to you again seeking humanity's cooperation with these Messages of Holy Love. Holy Love cannot be compromised if you desire to be reconciled with God and with one another."

"Holy Love bespeaks a personal relationship between God and man - a relationship which must not be held up

to the 'light' of human judgment. Therefore, do not wait for others to approve of Holy Love, for you do not know what tomorrow will bring in a world so beset by disorder."

January 7, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I desire every soul allow Me sovereignty over their hearts, thereby governing their thoughts, words and deeds in and through Holy and Divine Love. This is the path to salvation."

"Tonight I'm imparting to you My Blessing of Divine Love."

January 9, 2011 / Public

"I am your Jesus, born Incarnate."

"I tell you solemnly that your most heroic sacrifice is only as worthy as the love with which it is offered. Holy Love needs to permeate the very essence of your being, making every thought, word and action a part of that love. The deeper your surrender to Holy Love, the deeper your soul is taken into the Chambers of Our United Hearts."

January 10, 2011 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"Today I have come to help you realize that the ongoing of this Ministry in this day and age is, in and of itself, a miracle. People of great influence and eminence have come against this apparition site in word and deed, and yet the miracles continue."

"Take, for instance, the statues which often come alive and are the subject of miraculous photos. The Sorrowful Mother image in particular, as promised many years ago, is seen and photographed with flesh-like tones. Her Face is often witnessed as lifelike. Then there are the sightings of various heavenly beings all over the property, and in the sky as well. There are miraculous healings from the spring water and even from touching the statues by some."

"Then there are the Messages - themselves a miracle in leading thousands to spiritual renewal and personal holiness."

"All of these things continue despite opposition - despite power plays and false discernment. Be encouraged then and persevere in faith."

January 10, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, once again I come to call the Remnant - who will listen to Me - into the Ark of the Covenant of Holy and Divine Love, which is My Mother's Heart."

"Those who oppose Me do not live in the truth and oppose the Divine Will of My Father. You will make this known."

"Tonight I'm blessing you with My Blessing of Divine Love."

January 12, 2011 / Public

"I am your Jesus, born Incarnate."

"It is the hour of liberation for all who are clothed in sin. For I come to set all free - all who will listen to My call here. We - as a free Mission - must move beyond the opposition, realizing that all of it has been inspired by the powers of darkness. For who else but Satan would come against My call to live out My Commandments of Love? Who else would oppose prayer and sacrifice? Who else would cast aspersions upon this call to reclamation of the soul of humanity?"

"But it is time to move beyond all the negatives, and pursue the spiritual journey through the Chambers of the United Hearts. Each soul has the responsibility of reviewing his relationship with his Creator through the Commandments of Holy Love. Whether he believes in this Mission or not, he is obliged to live in Holy Love, for Holy Love is his judge. No one can hold himself above this call."

"It is the soul's perfection in Holy Love which determines the depth of his personal holiness. This call is not lessened by the soul's inability to believe in it. This call to live in Holy Love is a constant."

"Holy Love is the Heart of My Mother and the Ark of this new Covenant of Love. The Ark of this final Covenant is not physical but spiritual. The physical presence of this Mission in the world [the property, the Messages, conversions, healings] are doorways to the Ark of the new Covenant of Love."

"The presence of Divine Love in and through these 'doorways' is the ultimate call into the Divine Will of My Father. You can readily see, then, why evil is so opposed to My call here. But I continually ask that you ignore those who try to dissuade you from listening to and believing in My call here, and live the Messages wholeheartedly."

January 13, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, more than ever, truth has become compromised. Leadership position and title do not always stand for the light of truth. My little ones who trust in people and do not search out the facts are too often

misguided. So you can understand why confusion has taken over hearts, and why good is represented as evil and evil as good."

"This is why Jesus has placed this Mission here during these times and under diverse circumstances. This Mission bears the light of truth and pierces the darkness of confusion during this hour of profuse compromise. As the Mission itself is of Divine origin, it will not be crushed but will be upheld despite bitter trials and opposition. As the world succumbs to Satan's lies all around it, this Mission will be an island of truth - a light in darkness to all."

January 14, 2011 / Public

"I am your Jesus, born Incarnate."

"Let Me begin by saying this. My Love and My Mercy are One. Those who do not understand My Mercy do not understand My Love. The depths of My Love for each soul are beyond human comprehension but at the same time, within spiritual understanding, if the heart is open and surrenders to Me."

"I do not turn away even the greatest sinner. My Most Tender Love is always ready to repair the broken-hearted - always ready to lift up the lowly, to console the mourner, and to bring all into the light of truth. I do not condemn; rather, the evildoer condemns himself. My forgiveness is from age to age for those who seek it. My compassion reaches out to those who suffer. Like a physician, I heal spiritual wounds which bind many hearts."

"My Love is omnipresent even in the world today which has embraced so much evil. My Divine Love demands that I reach out in every present moment to bring light to darkness."

"I call all souls - each and every one - into the light of truth. For it is only in the light of truth you will recognize Me clothed in the present moment. It is through this Mission of Truth, which is Holy Love, that I am spreading knowledge of My Love throughout the world."

January 14, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I ask you to surrender to My Divine Love in the present moment; for herein lies your peace, your strength and My Provision."

"Tonight I'm blessing you with My Blessing of Divine Love."

January 17, 2011 / Public

St. John Vianney says: "Praise be to Jesus."

"Please understand that I do not come to you to please, but to uncover truth. This time in history is not one when problems can be hidden under the cover of darkness but exposed to the light of truth. Therefore, understand that all problems within the Church are the result of failure in personal holiness. Personal holiness must be based upon Holy Love - the Commandments of Love."

"Here, at this site, Heaven intervenes to bring truth but it has all been regarded with much disdain. The Mission will continue in its efforts to strengthen the Church from within. Pray that hearts return to humility and simplicity in order to receive Heaven's solution which is Holy Love."

January 17, 2011 / Monday Service - Peace in All Hearts through Holy Love

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, tonight I have come especially to ask you to look with loving hearts upon the Sacred Heart of My Beloved Son. Place every petition in His Heart with great love, for it is the love between your heart and His that strengthens your petitions."

"Tonight I am blessing you with My Blessing of Motherly Love."

January 19, 2011 / Public

"I am your Jesus, born Incarnate."

"I have come to tell the world that My Heart is a respite - a place of refreshment and renewal, a spiritual harbor away from all error and compromise. The soul opens itself to compromise only through disordered love of self. But truth can never be compromised. Truth is truth and unchanging."

"In the world today, religion has intermingled with politics and vice versa. Sin has become political and open to debate. But once again I remind the world that truth does not change according to popular opinion. Political views are changing the course of human events. The truth of the Ten Commandments has been swept away in a sea of controversy. Thus the future of mankind has been changed; for compromise begets compromise."

"Turn your hearts over to the safe harbor of My Sacred Heart which is Truth itself. All issues surrounding sin will be resolved. We will be united once again."

January 21, 2011 / 25th Anniversary of Mary, Protectress of the Faith

Our Lady comes as 'Protectress of the Faith'. She says: "Praise be to Jesus."

"Under this title I come to draw together My children in the Tradition of Faith, and to protect the faith God has placed in their hearts from the onslaught of the compromise of these days. Through the invocation of this title, I will protect the Remnant from error and from falling prey to the new secularism which claims the faith of so many people."

"This new secularism urges the faithful to believe that their conscience holds supremacy over the Ten Commandments or any formal Church teaching. There are so many who, embracing this falsehood, slip to their perdition due to a false conscience. A false conscience is one that has departed from the truth."

"The Messages that Heaven gives today and throughout the history of this Mission, emphasize the importance of living in the Truth, for all the Messages are but capillaries of the original call of the Protectress of the Faith. When faith stands protected - Truth is protected."

"So today, dear children, remember to call upon your Heavenly Mother under this title 'Protectress of the Faith', and I will come immediately to your aid. If you invoke Me as 'Protectress of the Faith' and 'Refuge of Holy Love', you will find yourselves safely within the confines of My Heart. The title 'Protectress of the Faith' is the key to My Immaculate Heart. The title 'Refuge of Holy Love' is My Heart."

(Note: After checking with a theologian from the diocese, the bishop rejected Our Lady's request for the title 'Protectress of the Faith' stating that there already were too many devotions to Blessed Mother and the saints. Our Lady requested this title from the Cleveland bishop in 1987.)

January 21, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I come as always, hoping to open the heart of the world to holiness. If every soul would embrace Holy Love, then in so doing embrace personal holiness, the course of human events would be greatly altered for the better. Therefore, pray for this. All the saints in Heaven are praying for this as well."

"Tonight I'm blessing you with My Blessing of Divine Love."

January 24, 2011 / Public

St. Augustine says: "Praise be to Jesus."

"Today I have come to ask you to pray for the conversion of all government leaders and religious

leaders whose hearts have been won over by misguided self-love. When I say 'misguided', I refer to love which is not based upon the law of Holy Love but upon self-gain of some sort."

"It is this disordered self-love which has motivated abortion, terrorism and all other evils, be it love of money, power or reputation."

"God looks only at the heart, not position or title or outward appearance. He cannot be fooled or manipulated, for He is Truth Itself. When all is stripped away, each soul is responsible for the way he influenced those whom he had an effect upon. The greater a person's influence over others, the greater his responsibility before God."

January 24, 2011 / Monday Service - Peace in All Hearts through Holy Love

(March for Life held in Washington D.C. today.)

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, in life some things are negotiable; the TRUTH, however, can never be negotiated or compromised. THE TRUTH THAT LIFE BEGINS AT CONCEPTION IS THE TRUTH. You must be united in this truth."

Tonight I'm blessing you with My Blessing of Holy Love."

January 28, 2011 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to help souls to see that Jesus longs to draw all souls into His Sacred Heart. To do so, the soul needs to embrace Holy Love. There is no other port of entry. This portal of Holy Love is clothed always in the truth, for Holy Love is the Truth."

"Let's look at the ways that this truth can be compromised, thus making entry to the Sacred Heart less accessible."

"The first is any form of vanity. Vanity concerns itself with how others perceive the individual, either in importance or physical appearance. The soul loses sight of what really matters and that is how God sees him."

"Then there is the unbridled love of pleasure which takes the soul off the path of truth. This may be too much attention to comforts, sexual pleasures or forms of entertainment. These all appeal to disordered self-love when taken out of context for which God desires."

"Perhaps the soul depends on other people more than he depends on God's Divine Will and Provision. This is a snare of the fowler and a trap for many on the road to personal holiness."

"If the soul does not lend his heart to prayer, he is not in serious pursuit of the Refuge of the Sacred Heart and must look with honesty at what is obstructing the way."

"Truth must win out in hearts in order for souls to abide in the Heart of Jesus."

January 28, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, those who do not place Holy Love in the center of their hearts, and thus the center of their lives, are not serious about their own salvation."

I tell you once again, Holy Love is the two great commandments and the embodiment of all Ten Commandments."

"Tonight I'm imparting to you My Blessing of Divine Love."

January 30, 2011 / Public

St. Joseph says: "Praise be to Jesus."

"Today I have come to tell those who will listen, to be careful not to trust in themselves, their own efforts and their own opinions too much. A sign that people are doing so is that they do not trust in God's Divine Will for them. This lack of trust permeates all decisions that the soul makes. Indeed, lack of trust in God's Divine Will brings with it lack of peace."

"The heart is in conflict and cannot make decisions based upon Holy Love. All the virtues are then compromised, and evil is not readily discerned."

"Those who depend on themselves too much are eventually humbled through God's Mercy Who desires each one's salvation."

January 31, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I urge you lovingly, have courage; do not be frightened by certain ideologies that promote terrorism, violence or war. Do not be frightened by natural disasters or disease but let all of these things come together in courage in your hearts. Have courage - persevere in courage. Let Holy Love be your motivation and your weapon."

"Tonight I'm blessing you with My Blessing of Divine Love."

February 2, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"The Mission fits into this particular time-slot in the history of creation. It is the splendor of truth drawing souls from darkness into the light of Holy Love. It is the answer to all of man's problems. While some purport false ideologies as the answer and support their claims with violence, here at this site Heaven gives you the way out of every situation through the truth."

"Like the first apostles, Heaven is supporting you and you will not fail. The Holy Spirit is your ally. He will help you fulfill your duties as apostles of love despite all opposition."

"Therefore, My dear children, be courageous. Do not search out timetables for specific events. Remain faithful in each present moment to Holy Love."

The Agnostic Viewpoint of Miracles

I see a great Flame that I have come to know as the Heart of God the Father. He says: "I am the Eternal Now. I am He Who designs the pattern of each snowflake, and permits its path to earth."

"I have come to oppose the evil of the agnostic

viewpoint and to uphold the miraculous. People who do not see My Hand in every present moment do not understand My Will. I use the natural and the created things - even people - to create My miracles. The agnostic explains away many a miracle by human reason. So, when he sees a snowflake, that is all he sees. He misses the Hand behind the snowflake's creation and sees only the scientific explanation."

"So you see, free will accepts the miraculous with simplicity or rejects it through sophisticated reason. So many graces are reasoned away by unbelievers."

February 4, 2011 / Public

I see a great Flame that I know to be the Heart of God the Father. He says: "I Am Who Am. I am the Eternal Now. Know that all of creation is My Masterpiece - the sky, the earth; what is above and what is below; the sea, the mountains - all is a miracle of My Creation. From the smallest to the greatest, I have created all to share with man who himself is My Creation."

"Look not to the most spectacular but to the simplest, and you will see My Handiwork. Believe and do not test Me. Find My Will in your midst in the next breath you take; in the snowflake which I guide

towards earth; in the rising and the setting of the sun. In all of creation, in every present moment, find the Miracle of My Will. Believe in Me as I believe in you."

February 4, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the only way to combat evil in the world is with Holy Love—loving prayers, loving sacrifices—that arise from the heart that is filled with Holy Love. This is the way to dissolve evil collusions which are forming in hearts and in the world. Please be My instruments of love."

"I'm blessing you with My Blessing of Divine Love."

February 5, 2011 / Public

I see a great Flame that I recognize as the Heart of the Father. He says: "I am God the Creator of the Universe. See in your midst the splendor of My Provision." [I am at adoration.]

"I have come to further refute the claim that My miracles can be scientifically reasoned away. This is how abortion came into hearts and then into the world. I create the human being at the moment of conception - body and soul. But people have rationalized the truth of My Creation, making it subject to controversy. In this way they have made the decision of the mother the determining factor between life or death for My New Creation."

"If I did not will the formation of new life in the womb, it would not be there. You have so much evil present all around you today - in the media, in fashions, music and art, and in false religions - that you have lost right reason and made disastrous free will choices."

"Mankind must make My Divine Will the center of his heart and soul if he desires to follow the path of righteousness. My Will is always and foremost Holy Love."

February 6, 2011 / Sunday Service - Unity in Families (Family Night)

St. Joseph is here and says: "Praise be to Jesus."

"Once again I come especially to urge families towards holiness. Each member must choose personal holiness in his heart - praying off and on

throughout the day. The whole family should pray together once a day - always requesting the grace to become more holy, more united in Holy Love. This would please my Foster Son very much. It is what He Himself desires through the Will of the Divine Father."

"Tonight I'm imparting to you my Blessing of Fatherly Love."

February 7, 2011 / Public

"I am your Jesus, born Incarnate."

"I have come to help those who pursue personal holiness through Holy Love. If you aspire to perfection as you should be, then realize that you should hunger for opportunities to perform acts of kindness no matter how small; for it is acts of kindness that bear the fruit of peace and unity."

"Acts of kindness present themselves to you throughout the day. If you have a strong prayer life, you will more readily recognize them. No one can advance in holiness if he ignores opportunities to show kindness towards his neighbor."

February 7, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite you to dedicate your hearts and your lives to prayer and sacrifice; for in this way you will be focused on My Father's Divine Will for you. Any small act of kindness towards another can be given as a sacrifice if it is offered with love. This is the way to remedy flaws in people's hearts and change the direction of governments."

"Tonight I'm blessing you with My Blessing of Divine Love."

February 8, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"My daughter, I desire that the world comes to know the heart of St. Joseph. It is his benevolent heart which calls souls into the Chambers of Our United Hearts. St. Joseph's heart is kind and fatherly - always forgiving - always protecting - always providing. It is through his heart that My children are able to procure the greatest graces, for I pour into his hands the choicest favors from the Heart of My Son."

"Through St. Joseph, you can petition any favor and he will answer according to God's Divine Will,

for his heart is the reflection of the Divine Will.”

“When he comes here next month, his hands will be filled with favors.”

February 9, 2011 / Public

St. Thomas Aquinas says: “Praise be to Jesus.”

“Please understand that trust never stands alone in the heart. Rather, trust is the good fruit of the combined virtues of faith, hope and love. The deeper these virtues are in the soul, the deeper the virtue of trust.”

“The soul who finds difficulty in accepting God’s Mercy needs to petition Heaven for deeper faith, hope and love; then trust will follow and fill his heart like a flush of warmth on a cold winter’s day.”

“The same holds true for the soul who doubts God’s Provision.”

“Trust is the embodiment of faith, hope and love, just as Holy Love is the embodiment of all the Commandments.”

February 11, 2011 / Feast of Our Lady of Lourdes

Blessed Mother says: “Praise be to Jesus.”

“Several days ago I spoke to you privately about sweeping changes that were about to pass across the earth. Today I am addressing all who will listen. The changes coming will be swift and yet take time to be complete and for the general public to absorb. I am speaking of the trigger of evil which is coming to light in Egypt.”

“Do not presume that in any way the revolutionaries have good and democratic intentions in their hearts; while democracy is the answer, their goal is radical Islam.”

“You must pray, My children, that evil does not win out. I am always your refuge - always your Mother. We must be united in Holy Love so that our weapons of prayer and your sacrifices are more powerful.”

February 11, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, My Mother’s Heart is torn, and She is weeping tears for those who erroneously worship false gods. They do so, for they have not searched out the TRUTH - the TRUTH OF HOLY LOVE. Therefore, we must pray that all hearts

are enlightened, and Holy Love is victorious in every heart.”

“Tonight I am blessing you with My Blessing of Divine Love.”

St. Jude says: “Praise be to Jesus.”

“Yesterday you had difficulty gaining access to a certain room because the door latch was broken. Try as you might, you could not enter through the door. Finally you gained entry through a back door.”

“It is similar in the soul’s access into Heaven. Holy Love is the doorway. Those who do not live in Holy Love will not enter Paradise. In this instance, however, there is no back door, for Holy Love is the Heart of Immaculate Mary. There is no alternative, for the Heart of Mary is the Gateway to the New Jerusalem. There is no other entrance - no alternate route. Holy Love is the doorway, the gate and the passkey to eternal life.”

February 14, 2011 / Public

“I am your Jesus, born Incarnate.”

“Today I wish to place upon the heart of the world the desire for sanctity through Holy Love. Be stouthearted - even courageous - in this pursuit. Do not be taken aback that the Divine Messages offered to the world here have provoked opposition. Do not be surprised at who is opposing this Mission either.”

“The enemy knows what and who can cause the greatest controversy and bring about the most confusion. It was so in My day, as well. You need only to remember that I call you to the truth of My two greatest Commandments of Love; then realize that Satan is behind every attack.”

“It is I Who call you to live in Holy Love - your Jesus.”

February 14, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, continue to follow the path I have laid bare before you which is illuminated with the Light of Truth - the Light of Holy Love. As apostles of love, then, bring others to this path. Do not be troubled by who disbelieves; only believe and lead others to believe.”

“Tonight I am blessing you with My Blessing of Divine Love.”

February 15, 2011 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"Please understand that I come to you only out of the need to clarify and dispel confusion concerning the truth. Anyone can speak in what appears to be the truth, but words can easily be clothed in pretentious garments which conceal falsehood. That is why it is important in discerning fact from fiction, that the soul does not pay heed to who is speaking but to what is being said."

"Holy Love is truth. Therefore, it should be the barometer of all truth. If what is being said contradicts the Commandments of Holy Love, then it is not truth."

"This must be your standard of acceptance and belief."

February 17, 2011 / Public

"I am your Jesus, born Incarnate."

"I have come to help all understand that mankind charts his own course through his free will choices. A nation cannot be democratic if democracy is not in the hearts of the people - most especially the government leaders. No one can live in the Divine Will of My Father if he does not choose it. Once again, My Father's Will is Holy Love. This is always His Will - yesterday, today and tomorrow. Holy Love is the key to your salvation for no one enters My Father's House that does not love God and neighbor."

"All nations are being called now to repentance for their transgressions against Holy Love. I, Myself, will convict hearts of their errors. It is never too late to turn to Me and hasten to your conversion through Holy Love. Make supplication to the Heart of My Benevolent Father on behalf of all mankind. The heart of the world must become contrite."

"It is only in this way future chastisement can be mitigated."

February 18, 2011 / Friday Service - For all those falsely accused within society, governments and

within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, if you love Me, you will not challenge My authority. If you love Me, you will trust in Me and you will always be at peace."

"Tonight I'm blessing you with My Blessing of Divine Love."

February 21, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, pray that all hearts be united to the United Hearts of Jesus and Mary; for it is only in this way that the heart of the world can be united. Each heart, including your own heart in every present moment, must be united with Our Hearts; for it is every heart that makes up the heart of the world."

"Tonight I'm blessing you with My Blessing of Divine Love."

February 22, 2011 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to tell you that your daily prayer effort should include prayer for conversion of the heart of the world. The heart of the world is representative of all hearts alive in the world in any present moment."

"Therefore, people need to conclude that free will choices in any given moment affect the entire world at large. There is never a wasted moment if it is given over to Holy Love. Every cross, every victory - indeed, every grace - is beneficial if it is clothed in this garment of Holy Love."

"I tell you these things so that all may be more aware that every present moment holds the potential of deeper conversion, and so too, the conversion of the world."

February 22, 2011 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"In the world around you today, ice has coated the branches of the trees, the pavement and almost everything. It is also true of the heart of the world. It, too, is coated with ice - the ice of lack of faith, the ice of lack of Holy Love."

"Ice on the trees melts when the air around them warms up. The ice covering the heart of the world, however, will only melt from the inside out. This can only occur through the healing warmth of Holy Love."

February 24, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come to lament the state of so many souls. These are the souls who do not respond to the graces they are given. In so doing, they do not realize that they reject many more graces that would have been given if they had opened their hearts initially."

"Yes, grace builds upon grace and so, the smallest

grace must be seen as a stepping-stone foundation of God's greater plan. So often the greatest designs of the Father's Divine Will are thwarted by man's indifference."

"You must be courageous, My children, and discerning in your actions. This is the only way God can work through you to accomplish His end. This is how to be God's willing instrument in the world - always responding to His grace."

February 25, 2011 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"I have come to tell you that many, many people are held captive within their own hearts. These are the ones that sadly have closed the door of their hearts to Holy Love. Many have even thrown the 'key' away. Perhaps they read Jesus' words in Scripture when He commanded everyone to live in Holy Love. Perhaps they know about this Mission of Holy Love - have read the Messages, and even received many graces here. Yet they choose not to believe and not to live in Holy Love. In their hearts they are not at peace, for they are opposing Heaven itself."

"Anyone who opens his eyes to see the state of the soul of the world must realize there is need of profound conversion. Anyone that does not recognize this is part of the problem rather than part of the solution. No one will enter the Kingdom who does not love God above all else and neighbor as self. You do not need someone to tell you that it is okay to believe this. Jesus told you to believe it!"

"Today sin has become a legal right. False religions are promoting violence and terrorism. Satan is waiting in the wings - waiting to take over the entire world. In so doing, he would threaten your right to worship as you choose. Pray that this day never comes."

"But now today, you have the right to believe in this Mission; wisely choose to do so."

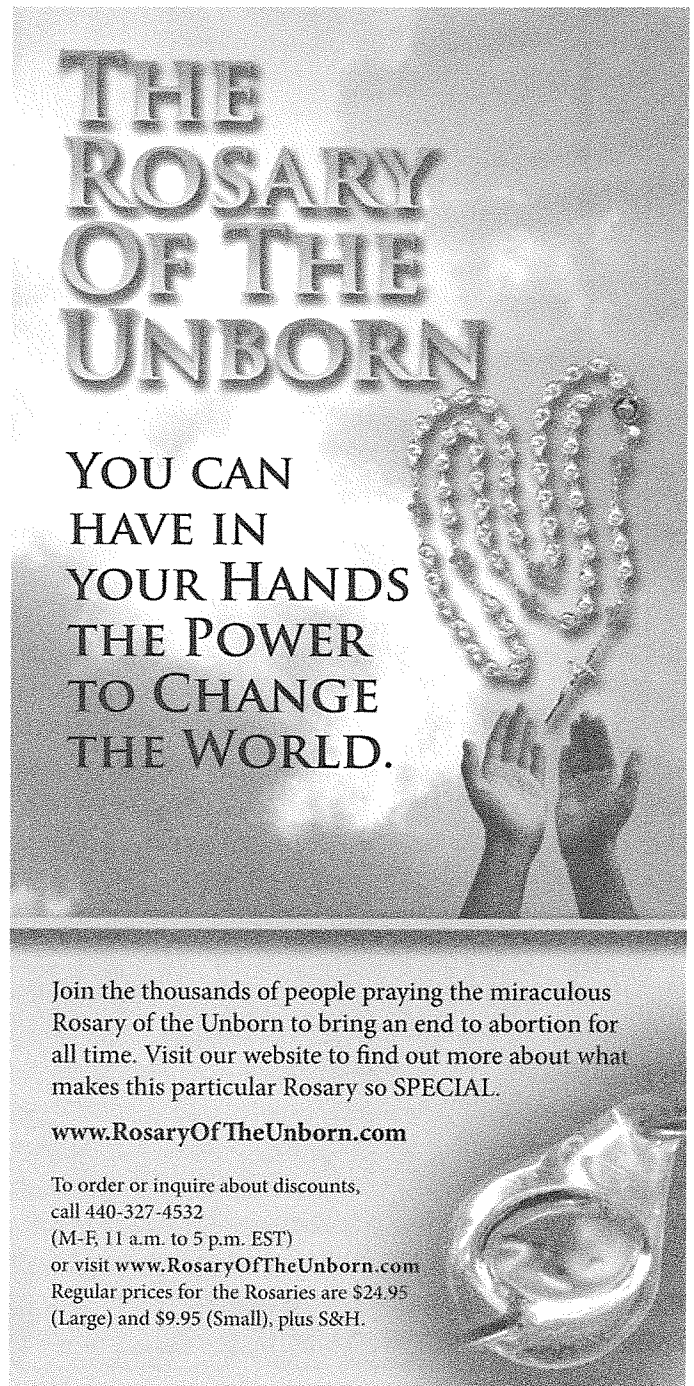

February 28, 2011 / Public

A big angel comes. I thought it was Alanus, so I scolded him because I sent him someplace else. He said: "No, I am Isaac. Praise be to Jesus." (Isaac is my guardian angel.)

"I have come to reiterate the need to pray for the conversion of the heart of the world. Society is moving more and more towards dependency upon the good will of those devoted to evil. These are people not to

be trusted. Jesus and Mary want those consecrated to good to be less vulnerable."

"Prayer and sacrifice must be your weapons. It is through prayer and sacrifice hearts will change and turn towards God. Thus will the heart of the world change but you must persevere. Do not be discouraged by what you hear or see around you. The Holy Mother has sent me to tell you this. Prayer and sacrifice are your protection."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

March 2011

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

We welcome all people of all faiths.

Prayer is a universal language.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

**We will gather to pray at the United Hearts Shrine at

"I am your Jesus, born Incarnate."

"I have come to encourage people along the path of Holy Trust. Each night when you make an examination of conscience, review in your heart the ways in which My Hand of Provision was manifest in each life situation."

"In this way you will begin to realize that I never abandon you. My Provision is only as far from you as the next present moment. When you pray, you will recognize the doorway of this reality."

"Make it known."

March 3, 2011 / Public

"I am your Jesus, born Incarnate."

"I have come so that the heart of the world may understand

that each soul is called to resemble My Love and My Mercy. Until souls grasp this, the heart of the world will not be transformed."

"Give up thoughts of unforgiveness. Do not ruminate over past injuries - what people said or spoke about you. Do not think about past sins that I have already forgiven. Forgive yourself - for guilt is an obstacle to My Heart. Forgive the actions of others."

"The test of forgiveness is in your ability to forget. If you cannot forget, then you have not forgiven either. Be love and mercy to one another."

March 4, 2011 / Public

"I am your Jesus, born Incarnate."

"The depths of My Mercy may never be understood by

mankind. My Mercy is perfect in its fulfillment - bearing no memory of the sin that has been repented of and holding no grudge. It is this kind of mercy that mankind is called to imitate."

"In this call is the need to overcome the fault of blaming. Blaming is the seed of unforgiveness which, if nurtured, curtails the mercy in your heart. Be all-loving and wise. Wisdom will lead you around the weeds of grudges and blaming that would choke out the bloom of mercy you are called to fertilize in your heart."

March 4, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I invite each one of you to study the Messages of Holy Love as they pertain to your own personal spiritual journey into the Chambers of Our United Hearts."

"Do not just look at the latest Message or be satisfied with where you are in holiness, but apply the Messages to your own journey; that is why they have been given."

"Tonight I am blessing you with My Blessing of Divine Love."

March 5, 2011 / Public

"I am your Jesus, born Incarnate."

"I have come to help you understand that there is a correlation between blaming and unforgiveness - and blaming and forgiveness. When it becomes obvious that a person or persons has done something wrong, or sinned or hurt you in some way, it is rightful reason to place responsibility for such words or actions upon the perpetrator. But blame which is righteous lays responsibility upon the perpetrator's fallen nature, and does not dwell on the blame allowing it to turn into unforgiveness."

"Taking into account this fallen nature, you must put all in the past and leave it there. You cannot, by brooding, change the free will choices another has made. Grudges bear spoiled fruit such as anger, depression and unforgiveness."

"Be children of the light. Pray for one another and be united in Holy Love. If someone chooses an errant path, pray for him as the first sign of your forgiveness. Do not criticize one another except in righteousness; then do not look to see if your correction is acted upon; that may lead to judgment."

"The advice I am imparting today will lead to peace - peace in your hearts - peace in your lives."

March 6, 2011 / Public

"I am your Jesus, born Incarnate."

"Please learn to differentiate unworthiness from openness. No soul is worthy of any grace. But every soul must open to grace. In order to have an open heart, the soul needs to forgive everyone including himself."

"It is only then he can accept and approve of the way God is working in his heart. In this acceptance is his surrender to the Divine Will of My Father."

"I invite you to see that it is pride, not humility, that keeps a soul bound in guilt. He believes his sins to be greater than My Mercy. Such a one does not comprehend the depths of My Love for him. I only desire every soul's welfare - his salvation."

There is a place within the depths of My Heart for each soul which is only left empty if the soul is unrepentant."

"Have hope, then, and believe in your own salvation."

March 6, 2011 / Public

St. Michael comes. He says: "Praise be to Jesus."

"Once again I come to reveal the truth where it lies hidden. Satan deploys his minions upon the heart of the world in vicious attempts to separate the hearts of men from God. One of his greatest weapons is a guilty heart. Such a heart cannot accept his own sinful nature. This unforgiveness of self keeps him from understanding the depths of God's Mercy."

"Divine Mercy comes clothed in Holy Love and embraces every repentant heart. The soul that does not understand this cannot travel the road of spiritual growth or pursue a deeper journey into the Chambers of the United Hearts - no matter how much he prays or sacrifices."

"Forgiveness of self is the first step to sanctification."

March 6, 2011 / Sunday Service - Unity in Families (Family Night)

St. Joseph is here. He says: "Praise be to Jesus."

"My brothers and sisters, fathers of families need to be strong spiritually. It is in this way that children will be encouraged to pursue personal holiness. A family that is strong spiritually will make a strong community and also reflect upon the heart of the world, making it more holy."

"Tonight I am imparting to you my Fatherly Blessing."

March 7, 2011 / Public

Jesus dictated the following meditations for the Stations of the Cross:

I. JESUS IS CONDEMNED TO DEATH

"Jesus, many who witnessed Your miracles agreed on Your death sentence. Have mercy on those who witness the miracles at this site but still refuse to believe."

II. JESUS CARRIES HIS CROSS

"You accepted this Cross out of love for Your Father's Divine Will and love of me. Help me to accept the crosses I am given for love of You."

III. JESUS FALLS THE FIRST TIME

"Jesus, I offer to the Father this first fall. I ask the Father to help me never to fall into mortal sin."

IV. JESUS MEETS HIS MOTHER

"Jesus, I join you now in this present moment in consoling the Sorrowful Heart of Your Mother."

V. SIMON UNWILLINGLY HELPS JESUS CARRY HIS CROSS

"Jesus, help me to accept the crosses You send with love. Help me always to be a willing instrument in Your Hands."

VI. VERONICA WIPES THE FACE OF JESUS

"Through love of You, help me to wipe out all my sinful inclinations, Jesus."

VII. JESUS FALLS THE SECOND TIME

"Jesus, do not let me repeat my sins. Keep me from falling."

VIII. JESUS CONSOLES THE WOMEN IN JERUSALEM

"Console me, Jesus, so that I do not become discouraged by my sinful inclinations."

IX. JESUS FALLS A THIRD TIME

"Jesus, help me to rise above my sins, and to pursue personal holiness."

X. JESUS IS STRIPPED OF HIS GARMENTS

"Jesus, strip me of all that stands between us."

XI. JESUS IS NAILED TO THE CROSS

"Jesus, the nails pierced Your Flesh just as my sins pierced Your Heart. Forgive me."

XII. JESUS DIES ON THE CROSS

"You stayed on the Cross until death, dear Jesus. It was not the nails that held you there but love of Your Father's Will. Help me to love God's Will for me - no matter the cost."

XIII. JESUS IS TAKEN DOWN FROM THE CROSS

"Jesus, Your Sorrowful Mother held You in Her Arms. I ask Your Sorrowing Mother now to forgive me for any sins I committed that You died for. I ask Mary to present my contrite heart to Her Son."

XIV. JESUS IS LAID IN THE SEPULCHRE

"Lovingly, Your Mother prepared Your Broken Body for the tomb, Jesus. Ask Your Mother to lovingly prepare my heart torn by sin, to receive You in Holy Communion."

"After each Station, simply say:"

"Jesus, meek and humble of Heart, make my heart like unto Thine."

March 7, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the greatest sacrifice you can offer Me during this Penitential Season that approaches is to live in Holy Love in every present moment. In this effort, you are surrendering your free will - making a sacrifice of it."

"Tonight I am blessing you with My Blessing of Divine Love."

March 11, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth (First Friday of Lent)

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please know that in every present moment I desire only the best for you - that which will lead to your salvation and your sanctification. Place all your trust in My Provision; for it is the lack of trust that pierced My Temple with the sharpest thorn [the Crowning with Thorns]."

"Tonight I'm blessing you with My Blessing of Divine Love."

March 13, 2011 / Public

"I am your Jesus, born Incarnate."

"I have come to console all those affected by the tragedy in Japan. This tragedy should affect the whole human race, for within the cross is My Father's call to victory over sin. Within any tragedy is the call to recognize mankind's total dependency upon God. Once again I remind and warn mankind that he is the master of his own fate."

"My Mother has warned over and over of impending consequences of man's free will choices. It is a grave mistake to view any disaster as a freak of nature. People must return to right reason - reason based upon Holy Love."

"Yet, when I speak here or My Mother speaks here, for the most part, Heaven's call to holiness is summarily dismissed. Woe to those who discourage Holy Love! Their hearts are like the fig tree bearing no fruit! They place the human condition in jeopardy!"

"Let the current disaster call each of you back to the gospel message of Holy Love. Do not reject My call to you. Act upon it. It is scripturally sound."

March 14, 2011 / Public

"I am your Jesus, born Incarnate."

"Today, solemnly I tell you, it is lack of wisdom which contributes to many of mankind's problems; for it is wisdom which gives intuition as to the scope of situations and decisions. Thoughts, words and actions clothed in wisdom are never hasty, impulsive or rash."

"It is wisdom which guards the heart in Holy Love as a great treasure of priceless value. It is wisdom which prompts the soul to follow the positive path his guardian angel directs him upon."

"Wisdom has a sobering effect upon the heart committed to sin. Wisdom always comes clothed in the truth."

"Wisdom is like a shield around human frailty - always urging the right decisions in Holy Love."

"If wisdom were heeded, Holy Love would be victorious. There would be no more war, violence or moral degeneration; for wisdom is freedom from the imprisonment of sin. Wisdom is the revelation of Satan's temptations and traps."

"It is through the gate of wisdom that all truth is accepted and revealed."

March 14, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, today you must realize that the heart of the world is far removed from peace and security. This is because true peace and security can only be found in Holy Love. The world does not experience peace and security."

"Make this your prayer then - that all hearts turn to Holy Love."

"Tonight I'm blessing you with My Blessing of Divine Love."

March 17, 2011 / Feast of St. Patrick

St. Patrick comes. He says: "Praise be to Jesus."

"I have come to help all to understand the nature of miracles. Many come here to this site hoping to witness miracles - and many do."

"But often the greatest miracles are silent - spoken only to the heart. It is this type of miracle that too often goes unnoticed but results in a changed attitude. Perhaps the soul is converted and for the first time begins to live the Holy Love Messages. Perhaps the soul is able to forgive some long past injury. Maybe for the first time the soul allows Heaven to use him as a special instrument of evangelization."

"Whatever the change of heart, a miraculous grace was tendered forth to inspire the change."

"Therefore, I have come to help all to look beyond the external - the spectacular - and to recognize the miraculous workings of grace within hearts at this site."

March 17, 2011 / Thursday Service - Conversion of all Priests, Religious, Bishops and Cardinals that they are convicted in and live in the truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight empty your hearts of all concern. Let Me fill your hearts with love of My Father's Divine Will; then all your problems will melt away, and you will be one with Divine Love."

"Tonight I'm blessing you with My Blessing of Divine Love."

March 19, 2011 / Feast of St. Joseph - Midnight Service at the Field of the United Hearts

(This message was given in multiple parts.)

St. Joseph is here and says: "Praise be to Jesus."

"I have come to call the heart of the world back to unity - unity in Holy Love. Holy Love must be the firm foundation of every heart. Any departure from this brings lack of unity - lack of peace such as exists in the world today. Governments will remain in upheaval until such time that this foundation of Holy Love is recognized in hearts and acted upon in the world."

"These days, resources such as oil, are sought after and fought over. But I tell you, the greatest resource - Holy Love in hearts - is not even recognized as important. The result is war, terrorism, natural disasters and moral degeneration. Departure from God's Commandments has become a political choice. In general people do not recognize good as opposed to evil."

"I, as 'Terror of Demons', tell you, Satan does exist and is promoting spiritual apathy."

"As the world observes the destruction and desperate situation in Japan, all must realize that their welfare, even unto their next breath, is dependent upon the Father's Divine Will. Mankind uses the natural resources of earth to better his human condition. But it is time that he use his spiritual resources to better his relationship with God."

"In this, particularly I speak of the Commandments of Love which comprise Holy Love. God so deems that I be recognized as 'Foster Father of All Humanity'. As such, I must call all of mankind into the Chambers of the United Hearts. This spiritual journey places the soul securely upon the path of salvation - even sanctification. It is in traveling this path that my foster children will discover their peace and security."

"I caution each one of you against doubts which are Satan's weapon. He is very adept in their use and quite unrelenting. But just as the natural disaster in Japan compromised the source of energy there [nuclear power plants], doubts in the journey through the United Hearts compromise the power of your spiritual journey. No one desires this more than Satan himself."

"Once again I tell you, the heart of the world family must recommend itself to Holy Love before there will be a lessening of suffering. Therefore, it is paramount that each heart surrenders to Holy Love; only in this way can change come."

"When you see great cataclysmic events, please understand that you are glimpsing the state of the heart of the world. The need for conversion is greater than in any time in history. Unless mankind heeds these warnings from Heaven, greater - more profound events will occur. Heed this warning of your loving foster father."

"My brothers and sisters, my dear foster children, allow me to love you, and please love me in return. As your foster father, I desire to protect you and guide you in your every need. I will never abandon you. I am compassionate with your human condition. Have confidence in my intercession."

"I have come especially to thank all of you who are here with expectant faith in your hearts. My hands are filled with favors and I will spread them in your midst tonight, and tomorrow as well."

"Please realize, sadly, that the disastrous events in Japan were one of the triggers of evil that the Holy Mother predicted and warned you about last year. These events would have been greatly mitigated had more souls hastened to their conversion. As it is, the events that have occurred will have long-lasting effects."

"But tonight, my dear foster children, I am embracing you and urging you to have peace in your hearts and with one another, so that every family is secure and the world family is secure."

"Tonight I'm blessing you with my Fatherly Blessing."

March 21, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please understand that the greatest loss is not from any natural disaster or nuclear accident. The greatest loss is the loss of a soul. Therefore, I am asking you to pray always that souls rush to the Refuge of My Mother's Heart - the Refuge of Holy Love - where She will nurture them in holiness and lead them to Heaven."

"Please let the people know that I will be with them in the Field of Victory at midnight dawning on My Feast of Mercy."

"Tonight I'm blessing you with My Blessing of Divine Love."

March 24, 2011 / Public

"I am your Jesus, born Incarnate."

"Please understand that faith safeguards every action of grace. When faith is weakened - and it is always weakened by a weakening of Holy Love - then grace is compromised as well."

"This is the reason My Mother was sent here decades ago requesting the title 'Protectress of the Faith'. Many graces had been set aside in Heaven awaiting the proclamation of this title. These graces would have flowed into this diocese, strengthened it and united one and all. It did not happen."

"Today recognize the importance of faith in God's Eternal Plan. Invoke the aid of My Mother - Protectress of the Faith - whenever your faith is challenged. Failure to proclaim this title does not make it any less effective. My Mother comes immediately to the aid of anyone who invokes Her under this title."

"Make this known."

March 25, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Be at peace. I am in your midst."

"I have come to ask that every day each of you prays that souls recognize the truth and live in the truth. If you knew the dire plans hidden under the shroud of deceit by many people, you would pray this way always."

"Tonight I am blessing you with My Blessing of Divine Love."

March 28, 2011 / Public

Isaac (guardian angel) says: "Praise be to Jesus."

"I have been sent to tell you that St. Joseph's Fatherly Blessing carries with it the grace to be more childlike. It, too, can be extended from person to person just like the other blessings."

March 28, 2011 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come today to emphasize the importance of accepting and living in the truth. In Jesus' day, the Pharisees could not accept His profound teachings of truth. They placed themselves above the truth. They were not childlike enough to see the truth when it was given to them."

"There are many reasons why people will not accept the truth and live in accord with it. Perhaps they would need to change their priorities - their convictions of heart or admit they are wrong. The truth of Holy Love calls for a change of lifestyle for many - placing love of God and neighbor at the center of their hearts; for some, this is a giant step in humility."

"Yet the truth never changes to suit personality or preference. It is always the truth - always the same. It remains a common denominator in every conversion - always calling the prodigal son back to reality."

"This is the challenge of today. For if every heart lived in the truth, every heart would be converted; then you would have peace in the world."

March 28, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when you surrender to the crosses you are given to carry in every present moment, you also receive the grace you need for this surrender. Then, too, you will receive many graces to carry you deeper into the Chambers of Our United Hearts."

"Tonight I'm extending to you the Blessing of My Divine Love."

March 31, 2011 / Public

"I am your Jesus, born Incarnate."

"I have come to ask souls to make of their hearts an oasis of truth; for in this effort is your peace. Let others draw from the wellspring of your heart to be strengthened in righteousness."

"In these evil times, I tell you, any violation of the truth is demonic. But I have come to uncover falsehood and reveal Satan's plans with the winnowing fan of Holy Love."

"As I have come to show you the straight path, Satan tries to pull you away with his lies and obstructions. So long as you love God above all else and neighbor as self, he will not succeed. Such love is never wrong - always salvific."

March 31, 2011 / Public

"I am your Jesus, born Incarnate."

"I have not come to condemn but to love, and to call all people and all nations into Holy Love. Yes, Holy Love is an appeal to live in unity. Some so-called religions today call for violence upon those who do not accept their beliefs. I call you to Holy Love, for this is Who I Am - Holy and Divine Love."

The advertisement features a large, bold title "THE ROSARY OF THE UNBORN" at the top. Below it, a subtitle reads "YOU CAN HAVE IN YOUR HANDS THE POWER TO CHANGE THE WORLD." At the bottom, there is a section with text providing information about the product and how to purchase it, including a website URL and contact details. Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

April 2011

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

We welcome all people of all faiths.

Prayer is a universal language.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

"I am your Jesus, born Incarnate."

"I have come to set the world aflame with the Fire of My Divine Love. I desire this Flame turns to ash all spiritual apathy and imbues each heart with the burning desire to love Me - The Lord their God."

"Like a fertile field, I will cultivate each heart until it burgeons forth with Divine Love. The Holy Spirit will make fertile that which has been dry and unproductive. But this transformation cannot take place until the heart of man yields to Divine Love, surrendering his free will and accepting the Divine."

April 1, 2011 / Public

"I am your Jesus, born Incarnate."

"It is not My desire that anyone be oppressed by authority in governments or otherwise; but rather that all be united in Holy Love, working towards the same goal - the salvation of souls through

righteousness. Therefore, understand that where authority is feared, there is the hand of evil; for I am never in fear - but in love."

April 1, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, never give in to discouragement in any situation. Discouragement is Satan's tool. Persevere, hoping for victory. Do not presume that defeat is on its way, for you never know the action grace will take."

"Make your prayer one in which you surrender to God's Holy and Divine Will; then the victory is won."

"Tonight I'm blessing you with My Blessing of Divine Love."

April 3, 2011 / Public / A.M.

St. Joseph says: "Praise be to Jesus."

"I have come at the command of the Lord to state that families are the foundation of societies. Fathers must be the head of their families, and as such, lay the groundwork for personal holiness in their children. This is absent today in most families. Therefore, you have the moral degeneration of society as a whole."

"Fathers must be examples of Holy Love which is personal holiness, for it is by example children are led - not by empty words."

James 1: 22-25

"But be doers of the word, and not hearers only, deceiving yourselves. For if anyone is a hearer of the word and not a doer, he is like a man who observes his natural face in a mirror; for he observes himself and goes away and at once forgets what he was like. But he who looks into the perfect law, the law of liberty, and perseveres, being no hearer that forgets but a doer that acts, he shall be blessed in his doing."

April 3, 2011 / Sunday Service - Unity in Families (Family Night)

St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, tonight pray for all families that they are led in wisdom, and that the parents become role models of Holy Love which is personal holiness; then there will be peace in hearts, peace in all families and peace in the world."

"I'm extending to you tonight my Fatherly Blessing."

April 4, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the most worthy sacrifice is offered to Me with joy and love from the heart. This is the way to please Me - the way to convert souls and bring many graces into your own lives."

"Tonight I'm blessing you with My Blessing of Divine Love."

April 6, 2011 / Public

St. Peter says: "Praise be to Jesus."

"I have come to help mankind understand that the wise man does not store up food, drink and clothing to last him through these end times. While these are a physical security, he should safeguard and store up faith in his heart. When man puts all his trust in his own efforts, he is giving in to a temptation against faith. These temptations can be insidious and very subtle. So then, the soul needs to turn to Mary, Protectress of the Faith in his every need."

"Why do you think the Holy Mother came to earth during these times seeking the title 'Protectress of the Faith'? Satan flees before this title, and Our Lady carries every need directly to Her Son. Faith in hearts is more in jeopardy than the environment, financial security or any commodity combined. Recognize how and where Satan is attacking in your own lives."

April 7, 2011 / Public

St. John Vianney comes. He is holding an electrical cord which is unplugged. He says: "Praise be to Jesus."

"You see how powerless this cord is when it is unplugged from an electrical outlet. That is how useless sacrifices are when they do not rise from a heart full of Holy Love. They are disconnected and virtually powerless."

"Therefore, connect every good work, every charitable thought or prayer, to love of God and neighbor; then the power flows through them into God's Hands, and He uses them for His purpose."

April 7, 2011 / Public

I see a great Flame that I have come to know as the Flame of Divine Love - God the Father. He says: "I am the Eternal Now. I Am Who Am. I have come to help all to realize that there is strength in unity. When evil forces unite, good is weakened. Satan does all in his power to bring disunity amongst good people - good nations."

"As Father of Unitive Love, I am calling all God-fearing people to unite. I have sent into the world the means by which you can achieve unity - it is Holy Love. No longer be divided in your opinions about Holy Love. Seize the opportunity to believe! Seize the opportunity to unite in Holy Love and to oppose evil!"

"Once again you have in the world evil aligning with evil. One leader will emerge and strengthen the evil agenda that is just now beginning to show itself."

"You do not have a strong, competent leader of the righteous cause. Abortion has eliminated many. You, as a God-fearing people, must unite and stand for Holy Love. Holy Love must color all your decisions - Church leaders notwithstanding. This is not a time for guile or deceit but for truth. If you are not living in the truth, you have sided with evil."

"This is not the hour for one apparition to oppose another or false discernment to cloud the truth. Do not let love of power or money taint the truth."

"The truth is your weapon. The truth is your victory. Place it in your hearts and act upon it. The truth is Holy Love."

"My Divine Will is with you."

April 8, 2011 / Public

"I am your Jesus, born Incarnate."

"Peace cannot be negotiated with those who do not live in the truth. Nor can righteous goals and laws be realized outside of the truth. In this country today, Satan has succeeded in obscuring the line between good and evil; thus there are few who recognize and live in the truth. The problems within this government give witness to this."

"Firm leadership that stands upon truth is the path to justice; that is, just laws which uphold the 10 Commandments. The 10 Commandments are Holy Love. I support such an effort - such leadership as does My Father in Heaven. Those who are politically motivated are motivated by self-love and pursue self-agendas. This type of leadership circumvents truth."

April 8, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calamities are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, allow all sin and self-love to slip out of your heart in the present moment. Fill your heart with Holy Love. In this way, you hasten My return and My Victory."

"Tonight I'm blessing you with My Blessing of Divine Love."

April 9, 2011 / Public

"I am your Jesus, born Incarnate."

"Please understand, one and all, that the purpose of this Mission is not to elaborate or promote imaginative preparations for the future; such as, places to hide, packing lists or what to warehouse away. The purpose of this Mission is to prepare hearts for what is to come. If hearts are well-prepared in Holy Love, then they will recognize the difference between good and evil. They will recognize My Provision and they will be prepared."

"Once in a while, Heaven points out to you what is taking place around the world. But this is not to sensationalize; rather to highlight the importance of living in Holy Love."

April 11, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"Please understand that until man's heart is delivered over to the Divine Will, there will always be unrest in the world. Even the weather does not coincide with the calendar. Tumultuous events occur worldwide. The earth is in upheaval. The seas no longer know their boundaries."

"Trusted institutions - once innocent and benign - have become suspect and corrupt as man seeks to fulfill his own will instead of the Divine."

"For these reasons and because of the perversity of these times, Heaven has raised up this Mission to support the frightened - to substantiate tradition and to call all into the one Heart of Holy Love - My Immaculate Heart. Do not be surprised that many oppose this Mission - even ones who could most benefit from it. Some leaders no longer lead in the right direction but upon an errant path that leads to destruction."

"You, My children, are being called to unity through Holy Love. This is not an underground movement but an open call to salvation through Holy Love. My Arms are open. My Heart awaits your response."

April 11, 2011 / Monday Service – Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, do not be troubled or anxious about the future. Your greatest possession is your faith. Pray to My Mother, Protectress of the Faith, so that you will always adhere to it, and then trust. Trust always in My Divine Provision."

"Tonight I am blessing you with My Blessing of Divine Love."

April 13, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"My daughter, always be encouraged in prayer. Have recourse to My Immaculate Heart. Prayer arising from a faith-filled heart is your most powerful weapon. Therefore, precede every petition with thanksgiving for the fulfillment of the petition according to God's Holy and Divine Will."

"When I was a witness to My Son's Passion and Death, such was My prayer. I could not physically carry His Cross, heal His Wounded Flesh or breathe for Him, but I could pray - and pray I did. Prayer is never a second-rate alternative, but a first-line defense. It is the way around Satan's temptations and uncovers his guile. Therefore, it disarms the enemy."

"Prayer is a mighty force that Satan tries to discourage and does not want you to recognize. Never be tricked into thinking, then, that your prayers do not count or are of little value. In every life situation, prayer swings the pendulum from evil to good."

April 14, 2011 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to correct the conscience of institutions and governments who base their actions upon misinformation. No agenda or reputation is worth committing this sin of a lie. Do not try to discredit your opponents with distorted information either. To do so separates you from the Divine Will. Everyone has the intrinsic right to a good reputation."

"Instead, build up the Kingdom of God around you. Be united in humility and Holy Love; then God's Provision, which is always Perfect and Complete, will see you through every situation. His Mercy, which is one with His Love, will be upon you, for His Divine Mercy is also His Provision. His Mercy is a reflection of Divine Truth. It is the countersign of all untruths so readily accepted today."

"God's Provision will never shrink in the face of combat - rather, it increases. Those who live in truth are always presenting to the Lord an open heart - ready to receive His Mercy and His Love."

"Understand, then, that truth is the gateway to Divine Mercy and Divine Love."

April 15, 2011 / Public

"I am your Jesus, born Incarnate."

"If mankind could only see that I am calling him to goodness, salvation, justice and truth through these Messages of Holy Love, he would stop opposing Me in this Mission here, and hasten to his conversion. At the root of every sin is a disordered self-love which opposes Holy Love. Therefore, envy is the motivating factor in much of the opposition here."

"I have come once again to ask all those who oppose Me to surrender to Holy Love. Do not believe Satan's lies that you already live in Holy Love when you counter this Mission out of pride."

April 15, 2011 / Public

"I am your Jesus, born Incarnate."

"Never before in the history of the world has mankind been so in need of My Mercy. In ages past, there were clusters of great evil - the worship of false gods, debauchery, licentiousness and avarice to name a few. But today, sadly, the heart of the world embraces these and many more without conviction of conscience."

"That is why I come. That is why the Messages and the graces given here convict souls and bring them to repentance. I must increase the Remnant Faithful by bringing them into My Mother's Heart which is Holy Love. We haven't the time to wait upon approvals."

"Today true discernment is at a premium and has been replaced by rash judgments which conveniently serve self-agendas; but I tell you, those who most oppose this Mission will witness its growth. The heights and depths of all the graces given here will counter falsehood, for this Mission bears witness to Holy Truth."

"Pray for those who come here in search of error as an excuse not to believe - not to live in Holy Love."

April 15, 2011 / Public

(Jesus - After Communion)

"I am your Jesus, born Incarnate."

"With every cross there is a rose. Thank Me for crosses as well as victories. In the victory is the rose. So then, every cross bears with it a victory."

April 15, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, if you wish to be children of light, you must turn to My Mercy continually off and on throughout the day; then I will take you into the LIGHT OF TRUTH which is HOLY LOVE, and My Mother will lead you along the path of perfection."

"Tonight I'm blessing you with My Blessing of Divine Love."

April 16, 2011 / Public / 2:00 A.M.

Blessed Mother says: "Praise be to Jesus."

"My daughter, I have come to speak to you tonight about the general situation of the world which has evolved into moral degeneration. In doing so, I point out that the heart of the world has strayed from right reason. You have governments and other institutions whose leaders live only to fulfill their own ambitions,

and who try to impose their erroneous opinions into public actions. Ones such as these have gained for themselves so much power and popularity that no one efficiently opposes them."

"One such group is the United Nations. Because there is corruption in the governments that are represented in the U.N., this body of nations makes rulings which no longer define the truth. But because what is stated or ruled in this compromised body of nations is presented as truth, most people do not look beneath the surface. This same maxim holds true wherever power is placed in the hands of corruption."

"Once again I implore you, search out the truth. You will always discover that the truth is encapsulated in Holy Love and vice versa. That is the place all that is worthy begins at."

"Do learn to overlook who is saying what, but to look squarely at what they are saying. If My children would internalize what I am telling you tonight, the future would hold more hope. As it is, too much credence is given to who is important in the world, and not what is important in the Eyes of God."

"Once again I tell you, your moment to moment decisions chart your future and the future of the world."

April 16, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"The reason My Son has sent this Mission into the world is to call souls from the path of perdition onto the path of salvation, holiness and even sanctification. It is past time for souls to stop offending God by following the whims of his own free will and to begin, once again, to please God by obeying His Laws."

"The demise of arrogant free will choices is upon you. Earth is in upheaval. This is all too evident in governments, financial circles and increased intensity of natural disasters. Many who are capable of inspiring change remain passive. They, too, are guilty in God's Eyes. Many preach change but seek only their own welfare and not the welfare of all people and all nations."

"Today many truths have been defiled. Yet, when these Messages proclaim the truth, those who should listen and repent continue in their efforts to destroy Heaven's plans here. God will leave them helpless in their needs."

"Do not turn your backs upon Heaven's guidance and plans for you. Holy Love is the lifeboat Heaven is sending to you amidst the storm of sin and spiritual apathy. Grasp onto Holy Love. I, your Heavenly Mother, will support you."

April 17, 2011 / Palm Sunday

"I am your Jesus, born Incarnate."

"I have come to reinstate in your hearts confidence in the Refuge of My Mother's Immaculate Heart. Her Heart is the certain stronghold of safety offered to the world during these most troubled times. My Mother's Heart is impregnable to the dangers of the soul. It is spiritual well-being that must be sought after and maintained. For what would physical security gain you if your soul slipped to perdition?"

"Satan is in anxious fear over future events which you may never experience. Even if difficulties arise, you do not see now how the grace of My Provision will provide. While you are busy preparing for any possibility, the grace of the present moment is slipping away."

"In Noah's day, he prepared at God's command. He constructed an ark amidst jeers and disbelief. Today the 'ark' is given to you - My Mother's Heart. You can only enter herein through trustful surrender to Holy Love."

"I have not abandoned you. I have prepared the way. I have spoken to you the Truth."

April 18, 2011 / Public

"I am your Jesus, born Incarnate."

"Once again I come to draw attention to the unenviable state of the heart of the world. Mankind no longer holds allegiance to the Ten Commandments. Rather, he seeks after the commodities of the world, power and reputation. In doing so, he embraces errors and sin and has widened the abyss between his heart and the Divine Will of My Father."

"Here at this site I have given many graces to draw mankind back onto the path of righteousness. These Messages are the bridge which spans the abyss between Heaven and earth, for the Messages lead souls in Holy and Divine Love. Some readily set foot upon this bridge. Others foolishly hold back saying - the bridge may not be trustworthy or the right people may not approve."

"The bridge of Holy and Divine Love is here before you. I have constructed it for you with each word of every Message. It is sound and safe. I, your Jesus, call you upon it. The more souls who accept My invitation to traverse this bridge, the stronger the bridge becomes, and the narrower the abyss between man's heart and the Heart of the Divine Will."

"Do not hold back, I tell you. Do not! Those upon this Bridge of Love will not experience the upheavals of land or sea but will be supported by My Hand. Once upon this bridge, do not look back but only move ahead in Holy and Divine Love. My Mother travels the bridge with you."

"The way to traverse the bridge is to live the Messages of Holy and Divine Love."

April 18, 2011 / Monday Service – Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I have come to tell you that it is the prayers of the righteous and loving souls that has delayed My Justice and perpetuated this age of Mercy. Therefore, be encouraged in your every effort to pray. I am listening."

"Tonight I am blessing you with My Blessing of Divine Love."

April 19, 2011 / Public

"I am your Jesus, born Incarnate."

"These days some make the focus of their spirituality - survival in the future. They store up goods, plan places of hiding or retreat, and do none of this in moderation. I am not opposed to prudence. I am opposed to hoarding, which is disordered self-love; but your spiritual efforts must be focused on Holy Love in your hearts. Everything else will, and should, follow after."

"I desire your hearts be temples of My Confidence. If you rely on your own efforts and seek after your own welfare in this life, I cannot speak to your heart or confide to you My plans. Those who trust too much in themselves I withdraw from, and leave them to their own devices."

"I call you to set foot upon the bridge between Heaven and earth which has been constructed with these Messages of Holy and Divine Love. You will not falter so long as you continue to live the Messages; nor shall you be anxious or fear."

"Be prudent and wise in the ways you spend each present moment. It will never return. The Divine Will of My Father abides in every present moment."

Matthew 6:19-21

"Do not lay up for yourselves treasures on earth, where moth and rust consume and where thieves break in and steal, but lay up for yourselves treasures in heaven, where neither moth nor rust

consumes and where thieves do not break in and steal. For where your treasure is, there will your heart be also."

Matthew 6:25-34

"Therefore I tell you, do not be anxious about your life, what you shall eat or what you shall drink, nor about your body, what you shall put on. Is not life more than food, and the body more than clothing? Look at the birds of the air; they neither sow nor reap nor gather into barns, and yet your heavenly Father feeds them. Are you not of more value than they? And which of you by being anxious can add one cubit to his span of life? And why are you anxious about clothing? Consider the lilies of the field, how they grow; they neither toil nor spin; yet I tell you, even Solomon in all his glory was not arrayed like one of these. But if God so clothes the grass of the field, which today is alive and tomorrow is thrown into the oven, will he not much more clothe you, O men of little faith? Therefore, do not be anxious, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?' For the Gentiles seek all these things; and your heavenly Father knows that you need them all. But seek first his kingdom and his righteousness, and all these things shall be yours as well."

"Therefore, do not be anxious about tomorrow, for tomorrow will be anxious for itself. Let the day's own trouble be sufficient for the day."

"I am your Jesus, born Incarnate."

"I tell you, the person whose life is a reflection of the Gospel has made important inroads into personal holiness. The soul's interior life must be integrated with his exterior actions; thus blended together, the soul mounts to perfection or as I like to call it - spiritual refinement."

"It is each person's effort or lack of effort to achieve this blend that makes up the heart of the world. These days are evil, for most seek only to please themselves."

April 21, 2011 / Public / Holy Thursday

Blessed Mother says: "Praise be to Jesus."

"My daughter, in this hour of distress which weighs so heavily upon the world, I once again give to you My Son. I invite all to see that His Wounds changed the world forever. This is true as He bore all with great love for the Divine Will of His Father."

"Tonight I am calling the world to be reconciled with the Will of God. It is only in this way that good change can come, and your woundedness can bring transforming love into the heart of the world."

"Tonight I invite you, My children, to realize that My call to you has never changed. It is a call to accept every present moment with Holy Love. Only then can My Son take you into His Heart and heal your woundedness."

"I am blessing you."

April 22, 2011 / Good Friday

"I am your Jesus, born Incarnate."

"Today I am inviting you to a deeper understanding of the cross. Realize that the cross is very much a part of every victory. Indeed, at the heart of every victory is the cross which, having been borne with patience, brought about the good fruit of the victory."

"Many times in this life the soul does not see that grace often comes clothed in some cross; then he misses the opportunity to be resurrected in victory for he only sees the cross. Take, for instance, the many occasions in this present life when the opportunity arises to trust in Divine Provision. Many lose their way

in the confusion of what could happen, and do not stay anchored to the cross and the grace of trustful surrender in the present moment."

"When I was breathing My Last Breath on the cross, it would have been easy to give in to discouragement which would have lessened My surrender in the present moment. It was Divine Love which helped Me persevere to the end. It was Divine Love which opened the Gates of Paradise forever."

"Often it is necessary to visualize the victory when you are surrounded by the cross. As I breathed My Last, I thought of every soul that I would lead into Paradise."

April 24, 2011 / Easter Sunday

"I am your Jesus, born Incarnate. Alleluia!"

"Today is a celebration of victory - victory over sin and death. It is a celebration of Mercy and Love which came together on the Cross and opened the doors of Paradise that all might enter."

"Today, as never before, I urge you to be united in the singular effort of bringing Me souls through Holy Love. Such an effort is never in error but always the embrace of truth. Please realize there are times when whole nations pursue arrogant and rampant paths. Some cultures encourage violence. But I tell you, the greatest attacks are on truth itself. Misinformation has become the norm and is most often presented with such importance and authority that it goes unrecognized and, therefore, accepted as truth."

"Solemnly I tell you, this too is terrorism, for it tears at the heart of reality and destroys righteousness. Untruths obliterate the lines between good and evil. Any deviation or misrepresentation of the truth is Satan's lie and is like a missile fired at all who are trying to live in the truth."

"Today, on this day of celebration, pray for all souls to recognize, accept and live in the truth."

April 25, 2011 / Monday Service – Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, your continued 'yes' to Holy and Divine Love amidst many adversities stokes the Flame of Divine Love within My Heart, and pours out upon you increased Love and Mercy and an abundance of graces; so I encourage you to continue."

"Tonight I am blessing you with My Blessing of Divine Love."

April 26, 2011 / Public

"I am your Jesus, born Incarnate."

"The beginning and the end are at hand - the before and the after; for in every present moment is the opportunity to take off the old and put on the new. Take off old habits and adorn yourself in the grace of the present moment - the grace of sanctification; but each soul must recognize the opportunity and avail himself of it."

April 29, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"Many are coming onto the property over the weekend. I invite you to pray for those of My children who come only to find error. Pray that their hearts open to the truth. Heaven never offers the same grace twice in the same way, under the same circumstances. For some, this event is the most favorable hour of their conversion. Once the present moment passes, it is gone forever."

"Therefore, pray that all souls are convicted in the truth this weekend."

April 29, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He has the flag with Him on the Cross. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, this weekend I desire to take each soul to new depths of My Divine Love, to deeper Chambers, and to greater understanding of these Messages. You will become better evangelizers as I renew your spirits."

"Tonight I am blessing you with My Blessing of Divine Love."

April 30, 2011 / Public

Discerning Misuse of Authority

Blessed Mother says: "Praise be to Jesus."

"These days, dear children, learn to be suspicious of any person or institution that demands absolute control - unquestioning obedience. I tell you this, though it pains Me to do so, but Satan is using the misuse of authority to destroy good works. The enemy sows jealousy where there should be unity towards the salvation of souls."

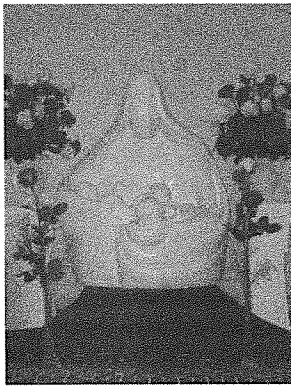

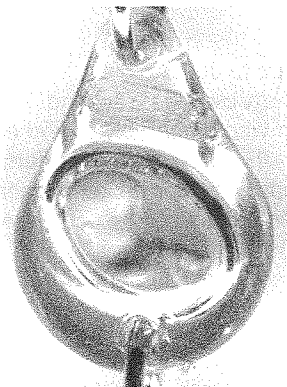

"Therefore, you must always be discerning and search out the truth. Do not readily believe every innuendo or accusation you hear. Just because you hear it does not mean it is true. Many reputations have been destroyed because people do not look for the truth."

"Do not forget to work out your own salvation according to the truth of these Messages. Satan would have it otherwise. Cling to My Immaculate Heart. Do not obey the malefactor for the sake of obedience."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

May 2011

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

We welcome all people of all faiths.

Prayer is a universal language.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

NEXT PROMISED MIDNIGHT VISIT - JULY 1, and JULY 2, 2011 **For the Feasts of the Sacred Heart, Immaculate Heart and United Hearts**

Please let the people know that Jesus allows that I return to them at midnight dawning on the Feast of My Immaculate Heart in the Field of Victory."

"There will be a second apparition at midnight dawning on the Feast of the United Hearts. The fragrance of My grace will be everywhere."
(Our Lady, May 11, 2011)

FRIDAY, July 1, Feast of the Sacred Heart, meet at the United Hearts Field at 11 p.m. for the procession, prayer service and Midnight Apparition.

SATURDAY, July 2, Feast of the Immaculate Heart, meet at the United Hearts Field at 11 p.m. for procession, prayer service and Midnight Apparition.

May 1, 2011 / Divine Mercy Sunday - Midnight Service at the United Hearts Field

(This message was given in multiple parts over several days.)

Jesus is here as He is in the Divine Mercy Image, and He has His Holiness Pope John Paul II with Him. The Pope says: "Praise be to Jesus."

Jesus says: "I am your Jesus, born Incarnate."

"My Mercy is from age to age - from generation to generation and reaches from horizon to horizon. It falls upon all people and all nations. It cannot be ruled against by man nor judged unworthy of belief, for its origin remains Divine. Please understand that this Mission of Holy Love is part of My Mercy."

"Where darkness pervades the world, it does so, for the darkness in hearts remains unchallenged by the Light

of Truth. Here, at this site, I have come to invite all humanity into the Light of Truth. Here is the Truth. The key to peace, security and prosperity is Divine Love and Divine Mercy. But it is not enough for Me to tell you this, and for you to hear it and believe it. You must live it. Become mercy and love. Only then can you bring the Light of Truth into the world around you. Only then can the world be transformed into the New Jerusalem. This Light of Truth is the Kingdom to come - the Kingdom of My Father's Divine Will."

"All of the natural disasters and the man-made disasters such as corrupt leadership and economic crisis are present and dominate the world today, for the Light of Truth has not been accepted and acted upon. This is the action of free will choices, for mankind fails to see Satan's compromises or even his attacks."

"My brothers and sisters, please understand that My repeated apparitions to you here and Heaven's continual intervention are a sign of caring concern for the world situation and for each one of you. Your prayers are being heard. You do not see the subtle changes taking place in many hearts - changes which will bring stability where there has been chaos."

"My brothers and sisters, never side with power versus truth. Truth is the champion of the cause of the New Jerusalem - a goal I bid you work towards. You can and will live in the New Jerusalem if you always embrace the truth which is Holy Love."

"Tonight I desire that all people, and consequently all nations, turn with trust to My Merciful Heart. The more you trust, the more My Mercy and Love will overflow into your hearts. Desire this so that we can be united."

"My brothers and sisters, thank you for believing. Many spirits will be liberated tonight, and many will believe that did not believe before. I have come to pour My Merciful Love into the world. You must take it to others and be My Merciful Love to others."

"My Pope, John Paul II, is extending to you his Papal Blessing, and I am blessing you with My Blessing of Divine Love."

May 1, 2011 / Feast of Divine Mercy - 3:00 P.M. Service at the United Hearts Field

First, the United Hearts Image appeared; then Jesus came as He is in the Divine Mercy Image. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I have come once again in response to your great faith and belief in this Mission. I am pouring into your hearts today My Merciful Love. As I do so, please realize that My Age of Mercy will be followed by the Age of Justice. Seek always the protection of Our United Hearts. Hide within My Mother's Heart all your fears, and She will resolve them through the grace of Her Heart."

"My brothers and sisters, be united - be united in Holy and Divine Love."

"Today I'm blessing you with My Blessing of Divine Love."

May 2, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, once again I come to pour into your hearts, and so, into the world, My Merciful Love. Recognize this great grace and be merciful and loving to others. In this way, you will usher in the New Jerusalem."

"Tonight I'm blessing you with My Blessing of Divine Love."

May 3, 2011 / Public

"I am your Jesus, born Incarnate."

"My brothers and sisters, realize the mission of Satan is to claim your souls. It is he alone who turns good into evil. Just when you think you are leading a virtuous life, the enemy turns genuine virtue into false virtue by encouraging you to use what God has given you to impress others."

"You are children of light and of truth. It is to truth alone that I call you to. Do not dilute My call by presuming you are spiritually superior to anyone or the bestower of gifts or graces upon anyone. All of these things come from above. While they may pass through you, they are not yours."

"Humility is the test of every virtue and the barometer of the genuine versus the false. This is the tried and true test - a reality often missed by infant Christians."

May 4, 2011 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"Humility of heart precludes any pride in graces received or spiritual gifts given. The truly humble soul does not claim any self-importance. He does not see himself as the bearer of gifts, but rather the unworthy recipient of God's generous Provision. He, in humility, gives all glory to God."

"Further, he does not seek recognition as being one who has many spiritual gifts. Many say they give glory to God, but in their hearts take pride in God's actions through them."

May 4, 2011

(Given by St. Catherine of Siena)

False Virtue / False Gifts	Genuine Virtue / Genuine Gifts
Practiced to impress others.	Practiced quietly - not to be noticed.
Much spiritual pride. (May claim ownership of a virtue or spiritual gift.)	Accepts what God gives humbly and without pretense. May even hope no one notices.
Feels one-upmanship towards others; i.e., 'I'm better than these people because I have this or that gift - I'm chosen'.	Considers all others more holy than himself - more worthy than himself.
May believe others' holiness is his responsibility since he himself is so 'gifted.'	Prays quietly for others, and tries to give a good example of holiness.
Definitely desires spotlight as a 'spiritually gifted' person.	Desires hiddenness.
In his heart, does not accept that gifts and virtues come from God and his own cooperation with God's grace; believes they come from soul's own merit.	Gives God the credit since He is the author of all good. Does not just say this but means it in his heart.
Believes too much in himself; i.e., everything that he thinks, says or does is an inspiration from Heaven. Is easily misled because of this weakness, and misleads others, as well.	Waits on the Lord. Prays for discernment. Does not offer direction or guidance to others except after much prayer and guidance from a spiritual director. Is prudent.

May 5, 2011 / Feast of Mary, Refuge of Holy Love - 14th Anniversary

A.M.

Blessed Mother says: "Praise be to Jesus."

"My daughter, I have come once more to address the world population."

"Dear children, I invite you to realize that these volumes of Messages concerning your spiritual journey in Holy Love are Heaven's gift to you. These Messages given over decades will lead you along the path of personal holiness, and even into sanctification. Satan is aware of the impact these Messages could have on the world, and so, of course, he attacks them. He tries to discourage each one of you from studying them and applying them to your own lives. If the Messages were not genuine and of spiritual value, Satan would not try to discredit them. As it is, the enemy recognizes the worth of this Mission more than most people do."

"When you seek the Refuge of My Heart of Holy Love, I readily disclose to you Satan's traps all around you. If you do not recognize the enemy's attacks, you cannot fight him. As your Mother, I tell you that the evil one often comes clothed in goodness. The weapon he uses is pride which is disordered self-love. This is why I tell you that Holy Love and Holy Humility are the means of your personal holiness. Outside of these two, all is false and pretentious."

"Self-importance differs from self-worth. As God's creation, each person is valuable - beautifully made - and worthy of gaining salvation. Self-importance, however, is the by-product of pride. This occurs when the person credits himself for all his accomplishments or assets - physical, spiritual or emotional. Self-importance is the enemy of the soul. In humility detach yourselves from the opinions of people and learn to please only God. Then all God plans for you will come to fruition."

"Dear children, God has chosen you for these times, perilous as they are, to be emissaries of Holy Love and to call souls into My Heart, Refuge of Holy Love. My Heart is the Spiritual Ark of the day - a vessel of safety from the snares of the enemy. Today, My children are more in need of a spiritual rescue than physical safety as in Noah's day. I call you, not two by two, but one heart at a time into the welfare of My Heart."

"I am blessing you."

May 5, 2011 / Thursday Service - Conversion of Priests, Religious, Bishops and Cardinals that they are convicted in and live in the truth / Feast of Mary, Refuge of Holy Love - 14th Anniversary

Blessed Mother is here as Refuge of Holy Love. She is in a bright light and says: "Praise be to Jesus."

"Dear children, tonight I invite each one and all to allow Holy Love to transform their hearts; thus you will become the light of truth shining out into the world, for Holy Love is the Light of Truth. All hearts must realize this and step into the light."

"Tonight I'm imparting to you My Blessing of Holy Love."

May 6, 2011 / Public

"I am your Jesus, born Incarnate."

"I am calling all people and all nations to unity through Holy Love. Holy Love dictates this. Never nurture wounded feelings. This is indeed a spirit of pouting. Do not cooperate with such a spirit. Renounce any spirit that seeks recognition in the eyes of man. Self-importance is not My call to you. Do not cooperate with vain glory. Seek only to appeal to Me. Do not find fault unnecessarily with one another. Let Holy Love stand guard over your thoughts, words and deeds."

"Then I will find in your heart a worthy dwelling place and make My home there. I will consume such a purified heart with the Flame of Divine Love. We will be united."

May 6, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the time for prayer is always every present moment. How much good has been accomplished through your prayers and your sacrifices. Continue to pray for the heart of the world and for those who reject Holy Love because they misunderstand it."

"Tonight I am blessing you with My Blessing of Divine Love."

May 8, 2011 / Feast of Mary, Mediatrix of All Grace / Mother's Day

Blessed Mother says: "Praise be to Jesus."

"Today I come to you as Mother of all humanity. I am here especially to embrace all mothers with the grace of My Heart. Motherhood has never before, in the history of mankind, been so under attack. The life God gives is the subject of political and private controversy from the moment of conception."

"As children mature in the world, too often more emphasis is placed upon material well-being and not enough on spiritual well-being. True motherly wisdom is challenged by the media, educational programs and disordered forms of entertainment. Often children blame their mothers for free will choices they themselves have made."

"As your Heavenly Mother, I tell you, all of these transgressions against motherhood afflict Me, as well. I am misunderstood when I offer My Motherly advice here at this site and many others. I suffer gravely when life in the womb and motherhood in general is not given the respect it deserves. I suffer greatly the pains of a motherly heart as I see My children make the wrong free will choices and jeopardize their very salvation."

"As your loving Mother, I continue to pray and to hope. I encourage every mother to do likewise. Prayer must be the fulfillment of your vocation of motherhood, even as the mother of grown children. Do not disregard, dear mothers, My call to you this day then. Pray often for your children, remembering they are My children, as well. We must be prayer partners in the vocation of motherhood. Together we can bring motherhood back to the respect it deserves."

May 8, 2011 / Sunday Service - Unity in Families / Mother's Day

Our Lady is here as Mary, Refuge of Holy Love and says: "Praise be to Jesus."

"My dear little children, tonight I ask you once again to surrender your hearts to Holy Love; for it is within this First Chamber of Our United Hearts that I can purify you and make you presentable to My Son. This is His Holy and Perfect desire that you be one with the Divine Will of His Father."

"Tonight I am blessing you with My Blessing of Holy Love."

May 9, 2011 / Public

Stages of Purification

Blessed Mother says: "Praise be to Jesus."

"I have come to describe to you the Flame of My Immaculate Heart - the Flame of Holy Love - The First Chamber of Our United Hearts. There are different compartments or chambers, if you will, within this Flame. The first and most intense area of this Flame is for souls just beginning to discover their own iniquities. Many spend long years in this part of the Holy Flame, for pride does not permit them to admit their own guilt and weaknesses."

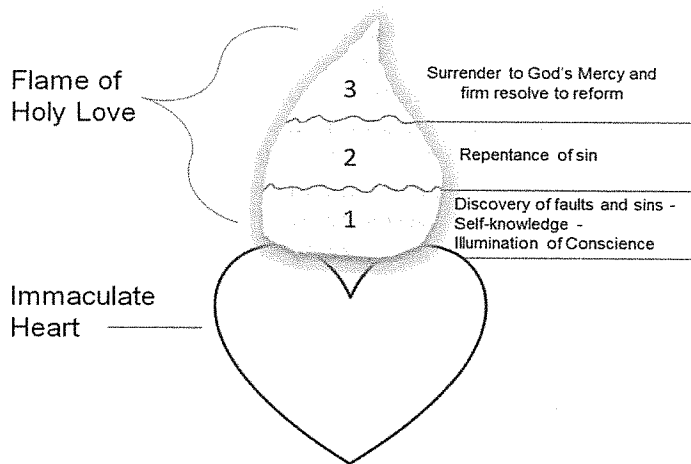

"Gradually as the soul discovers the purpose behind many of his actions and sinfulness, he passes to the next area of the Flame of My Heart which is repentance. Here he may fall victim to a scrupulous conscience which is a favorite trap of Satan. With humility, he will overcome this obstacle."

"The less intense part of the Flame of My Heart is for the most repentant soul. This soul seeks God's Mercy with a resolve to do better. This is the highest part of the Flame of My Immaculate Heart."

"Having passed successfully now through every part of the purifying Flame of Holy Love, the soul moves willingly to the Second Chamber of Our United Hearts and begins his journey to perfection in Divine Love."

"These, then, are the stages of purification through the Flame of Holy Love. Each stage lends itself to passage into the next."

Stages of Purification in the Flame of Holy Love

May 9, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, with a sincere, loving and repentant heart, surrender your petitions to My Father's Divine Will. In this surrender is your acceptance of His solution to your problems - His answer to your prayers."

"Tonight I'm blessing you with My Blessing of Divine Love."

May 10, 2011 / Public

"I am your Jesus, born Incarnate."

"I invite all people to understand more deeply the Flame of Holy Love that is My Mother's Heart. The journey through this Torch of Love is the journey to conversion. Thus, understand the conversion of the world has been entrusted to the Flame of Holy Love."

"No one begins this journey outside of the invitation of grace. No one perseveres in this journey except in his free will choice to accept grace."

"The reason this Mission has been able to persevere through such unusual trials and obstacles is the continual call to conversion I offer the world through Holy Love. My call is the hope of a spiritually apathetic world. My Mother's Heart and the Flame of Holy Love are the spiritual resources of this age before I return. This is the age of preparation before My return - the age of love engulfed in My Mercy."

May 11, 2011 / Public - 2:15 A.M.

Blessed Mother is here as Refuge of Holy Love. She says: "Praise be to Jesus."

"Please let the people know that Jesus allows that I return to them at midnight dawning on the Feast of My Immaculate Heart in the Field of Victory."

"There will be a second apparition at midnight dawning on the Feast of the United Hearts. The fragrance of My grace will be everywhere."

May 13, 2011 / Feast of Our Lady of Fatima

Our Lady comes as Our Lady of Fatima. She says: "Praise be to Jesus."

"It has been almost a century since My apparitions at Fatima. Since then, Heaven has tried to intervene in the destructive course of events taking place in the world. My warnings went unheeded at Fatima. Many lives and souls were lost. Today, here at this site, I have been sent by My Son once again to draw mankind into the truth, but most do not listen."

"I do not come to impose but to invite. Dear children, if you cannot accept My warnings and heed them, you will have much more to suffer than a world war. Danger is all around you - in politics that have sacrificed righteousness for ambition, in the media that has encouraged moral degeneration and in the acceptance of Satan's lies over the truth."

"Today I tell you, it is not acceptable to wait for some formal approval to believe and live these Messages of Holy Love. You haven't the time. Compromise holds sway over many hearts that you look to for endorsement. Many people embrace lies over truth for the sake of popularity, position and power."

"But no one holds power over God's Justice. My visits here are the same as at Fatima where I came to convert the heart of the world. Hasten to your conversion. Evangelize the truthful, scripturally sound Message of Holy Love by becoming the Message. Allow Me to fill your hearts with the truth. It is by your efforts the direction of the heart of the world can change."

May 13, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Feast of Our Lady of Fatima

Blessed Mother is here as Our Lady of Fatima. She says: "Praise be to Jesus."

"My dear children, please realize in the depths of your hearts, that you will never have peace in your own hearts or amongst nations, outside of Holy Love."

"Today there are whole ideologies and nations which oppose Holy Love. Therefore, I continue to plead with you to pray, pray, pray."

"Tonight I'm blessing you with My Blessing of Holy Love."

May 15, 2011 / Public

St. John Vianney says: "Praise be to Jesus."

"I invite you to contemplate the childlike spirit, for it is such as these that will inherit the Kingdom of God. It is such as these that God takes delight in."

"The childlike heart is innocent, simple and trusting. He is not sophisticated or demanding. He sees God in small things but in mighty ways - such as the blooming of a flower, a sunrise or a beautiful cloud formation."

"The childlike heart holds no guile or hidden agenda. He does not find fault or hold a grudge. He tries to see the good in everyone and every situation, for he believes God's Hand is omnipresent."

"In short, the childlike soul lives in joy, hope and peace."

May 15, 2011 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to help the world to realize that free will which is not ruled by Holy Love is often like a spoiled child - it is never happy - never at peace. It does not like the way events unfold, others around them act or the decisions of others. Granted that the free will choices of others often are evil - sinful, not good - but are part of God's Permitting Will; He has a plan you often do not see or realize immediately."

"Do not be the spoiled child - stomping your feet, demanding your own way. With patience, wait to see the

complete unfolding of God's Eternal Will; then you will be at peace."

"Pray."

May 16, 2011 / Public

"I am your Jesus, born Incarnate."

"I must ask you to spread this Message as you do all the others - to all people - all nations. In your area of the world, you are experiencing record flooding. People scurry to protect their property, life and limb. Today, I tell you in all truth, that souls are in jeopardy to a far greater extent than properties and lives are here. You must shore up the righteousness of Holy Love in your hearts. Your prayers and sacrifices are the sandbags you need to stem the rising tide of justice."

"Do not be caught off guard by complacency, for I am here now telling you, solemnly, the dangers around you are on the increase. Pray for the heart of Noah which was sober and alert. Just as the Father warned him of impending danger, I am warning you. Noah responded despite opposition and ridicule. You must be the ones who listen today. Help Me to draw all people and all nations into the ark of My Mother's Heart which is Holy Love. It is through Holy Love - My Mother's Heart - you can be at peace."

"Let My words to you be a ray of light amidst the clouds of confusion."

May 16, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, claim your citizenship in My Mother's Immaculate Heart, which is your spiritual refuge. Give Her sovereignty over your thoughts, words and deeds. I tell you, this is My call to every heart, not just one heart. It is My call to the heart of the world."

"I'm blessing you with My Blessing of Divine Love."

"I am your Jesus, born Incarnate."

"I invite you to realize that what Heaven offers here at this site is greater than any physical refuge. These days much time is given over to future needs. But here I offer to all a spiritual refuge - a lasting, eternal refuge - in the Refuge of My Mother's Heart. Her Immaculate Heart is Holy Love. Therefore, the Messages of Holy Love, which guide the sinner into the Immaculate Heart of My Mother, are themselves part of this spiritual refuge."

"Further, those who choose to live the Messages carry this spiritual refuge in their own hearts. Let this be your peace and security - indeed, your sanctification."

"I am your Jesus, born Incarnate."

"The sole purpose of Heaven's Mission here is to guide souls into the Flame of Holy Love - the Flame of

Conversion - the Flame of My Mother's Immaculate Heart. I do not come to you with preposterous plans for your survival during the tribulation. If you survive, but your hearts are not converted in and through Holy Love, you are still lost and face eternal death."

"So, here I call you to the greatest of all plans - eternal salvation through Holy Love. It seems a simple path at first, but it is strewn with obstacles - self-love being one of them. So, do not be anxious or distracted about the future. I call you to a deeper understanding of trust in Me. Trust is the offspring of love and humility. How can you not trust your Savior Who died for you? Believe in My Love for you. Let this mutual love between us be your peace and security.

May 20, 2011 / Friday Service - For all those falsely accused within society governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, it is lack of respect for one another, the feeling of entitlement and greed in hearts that leads to war in the world - terrorism amongst nations. You must replace these things within your hearts with Holy Love. This is why this Mission is so important today."

"Tonight I'm blessing you with My Blessing of Divine Love."

May 21, 2011 / Public

"I am your Jesus, born Incarnate."

"Please allow your hearts to be drawn over and over into the Flame of Eternal Light - the Flame of Holy Love that is My Mother's Heart. In this Purifying Flame, let every iniquity come to light and be melted away. It is not enough to come once into this gracious Flame of Holy Love. Come again and again throughout the day so that even the smallest imperfection is burned away. As this Flame is the means of conversion, it is also the means of self-knowledge leading to perfection in Holy Love. The more you desire to be plunged into the Flame of Love, the more you will desire personal holiness which gives way to Divine Love."

"Say this little prayer off and on throughout the day."

"Dear Jesus, immerse my heart in the Flame of Holy Love. Cleanse me of all my faults and failings. Amen."

May 23, 2011 / Public

St. Augustine says: "Praise be to Jesus."

"It is true - there are many ominous signs and portends of God's Justice being at hand; but you must realize that God's Grace and His Will do not stop when the tribulation begins. Indeed, they are evermore present and apparent."

"This whole Ministry is part of the Father's Providing Grace. It is also a sign of the end times and of the apocalypse. All who come to this site or read the Messages are called to their ongoing conversion in and

through Holy Love. This Ministry is a preparation and strengthening for all that must happen before Jesus returns. It is a Mission of Conversion - a Light of Truth - amidst the darkness of confusion."

May 23, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, just as this building was your shelter during this most recent storm (hail - high winds and rain), Holy Love must be your port of safety and your anchor amidst the storms of life. Know for certain that, if you are in My Mother's Heart, I am providing for your every need."

"Tonight I am blessing you with My Blessing of Divine Love."

May 24, 2011 / Public

"I am your Jesus, born Incarnate."

"Please understand as I tell you, that the greatest weapon of mass destruction is abortion; that it follows that nations who legalize abortion are destroying themselves. My Protective Hand no longer rests on such nations, as is more and more apparent in the economy, natural disasters and their acceptance of moral degeneration."

"Abortion destroys the heart of the nation so that it falls to ruin from the inside out. Governments become corrupt, and morally sound leadership does not take a stand or make a difference. I come to convert and to correct consciences. If you will stand corrected, many problems within the heart of the world will be resolved."

May 25, 2011 / Public

"I am your Jesus, born Incarnate."

"I tell you solemnly, that every abortion has a profound effect upon the future of the world. The death of the unborn alters free will choices, the unfolding of events, the advances in civilization [science, peace negotiations, religious beliefs] to name a few."

"If you can realize the impact of just one untimely death due to abortion, consider the consequences of the millions that have taken place to date."

"This is why unworthy leaders have come into power. This is why natural resources have been misused and often depleted. This, too, is at the root of economic distress."

"I cannot make anyone choose life over death. I can only point the way on the path of Holy Love - the path of life."

May 27, 2011 / Public

"I am your Jesus, born Incarnate."

"Once again I tell you, mankind will not attain peace through any worldly gain, be it power, territories, world commodities or a favorable reputation. The great gem, the kernel of truth which leads to peace, is Holy Love alive in the heart."

"This truth never jeopardizes anyone's well-being. Laws, governments and religions, which oppose Holy Love, also oppose world peace. You do not need to control world population. You need to control greed. Avarice in the heart is just another form of control. Such love of power does not come from above, but is inspired by evil."

"Learn to make your free will choices according to Holy Love; then you will have peace, both in your hearts and in the world; then grace will abound in your life; then I can abide in you and you in Me."

May 27, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, each of you has been predestined to live during these times and to be part of this Mission. Fulfill your destiny by propagating the Messages, and living the Messages with humility and love."

"Tonight I'm imparting to you My Blessing of Divine Love."

May 28, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"If only mankind could comprehend the depth of Motherly Love I have towards each soul; how I long to take the heart of the world into My Immaculate Heart - therein to precipitate each one's conversion."

"As it is, so many of My children renounce their destiny to share Paradise with My Jesus in favor of Satan's lies. I never cease calling even the greatest sinner into My Heart which is Holy Love. The grace of conversion is also the grace of the truth. The more a soul obeys the lies of Satan, the more desperate his need for the truth, and the greater My effort to call him into the truth. I can offer the world many graces such as this Ministry but I cannot make My children choose according to the truth, and in compliance with Holy Love. This is the cause of My sorrow."

"When you pray, pray that souls choose the path of Holy Love. Pray that they see their own hearts as they appear in the Eyes of God. This is My prayer for the heart of the world."

May 29, 2011 / Public

"I am your Jesus, born Incarnate."

"I tell you in all truth that the soul who does not trust Me can never find true peace. Furthermore, the soul who claims he trusts Me but does not live in Holy Love in the present moment is lying to himself. Holy Love begets trust. Trust is always ready to surrender any burden to My Divine Providence."

"Do not say one thing but believe another. You are tricking yourself if you do so. Do not hold in your hearts personal agendas unknown to anyone. This leads to guile. In Holy and Divine Love be united - always united. Do not

squander the present moment through guilt or worry. Remember, trust is the foundation of faith."

"If you follow these guidelines, you will prosper in holiness. Your faith will be strengthened and I will bless you abundantly."

May 31, 2011 / Feast of the Visitation of Mary

Blessed Mother says: "Praise be to Jesus." Our Lady comes as Protectress of the Faith.

"Today, on the feast of My Visitation, I invite the entirety of mankind to a deeper abiding faith. Have the faith I held in My Heart at the Annunciation as I accepted and believed in all the angel told Me. Have the faith that Elizabeth and I had in our hearts at the Visitation - faith that we both held life in the womb. No longer dispute amongst yourselves the truth that life begins at conception. Cease to challenge this truth and believe."

"If mankind continues to disbelieve the validity of life in the womb, he will separate himself from God's Mercy, for no one can accept sin, and at the same time expect God's Mercy to flow forth upon him."

"Repent of the evil of any form of abortion; then God's allotted portion of mercy will be yours."

May 31, 2011 / Feast of the Visitation of Mary

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, in the world today there are so many who walk the path to perdition, falsely thinking that they have righteous hearts; but this is not true - God is not first in their hearts. The things of the world have taken priority and become like false gods."

"Therefore, I ask you to pray that each soul receives an illumination of conscience."

"Tonight I am blessing you with My Blessing of Divine Love."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

June 2011

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

**We welcome all people of all faiths. Prayer is a universal language.
All who come in pilgrimage here are invited to join us in prayer and
the peace that Heaven offers at this site.**

OUR LADY'S NEXT PROMISED MIDNIGHT APPARITION AT MARANATHA SPRING & SHRINE September 14-15, 2011

"At midnight, dawning on My Feast of Sorrows, Jesus allows that I return to the Field of Victory. I am coming amidst many angels and many graces."

"You will please make this known."

(Our Lady, July 11, 2011)

**Wednesday, Sept. 14th meet in the Field of the United Hearts
at 11:00 PM on the Feast of the Triumph of the Cross.**

June 1, 2011 / Public

St. Peter says: "Praise be to Jesus."

"The precursor to evil in the world is the acceptance of evil thoughts in the heart. Satan tries to influence every soul in this way. This is why every soul needs to form the habit of filtering his thoughts, words and actions through Holy Love - not to do so leaves an open door to the enemy."

"Understand that the lock on the door to temptation is Holy Love. The key in the lock is free will. These days people do not look for Satan's temptations. They do not even try to recognize them. To so many, good and evil are the same, and no effort is made to distinguish one from the other."

"The reason for this Mission of Holy Love is to shed the Light of Truth upon thoughts, words and actions. The Light of Truth is Holy Love."

June 2, 2011 / Feast of the Ascension of Our Lord

"I am your Jesus, born Incarnate."

"This feast today commemorates My Triumphant return to Heaven. Just as this was a victory, it was also a sad event in the eyes of the apostles; but I did not abandon them. I prepared their innermost hearts for the Spirit of Truth."

"Through this Mission, I am also preparing hearts to support, defend and always search out the truth. Through the truth, I defend My flock and draw it ever closer to My Sacred Heart. Truth always builds up - lies tear down. Nothing founded on lies will last but fall to ruin. Truth unites - lies divide."

"See My victory over sin as a triumph over error; then rejoice with Me."

June 3, 2011 / Public

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, let your actions, your words, every part of your behavior reflect Holy Love. In this way, you bring the Message alive in the world, and you are true apostles of Holy Love."

"I'm imparting to you My Blessing of Divine Love."

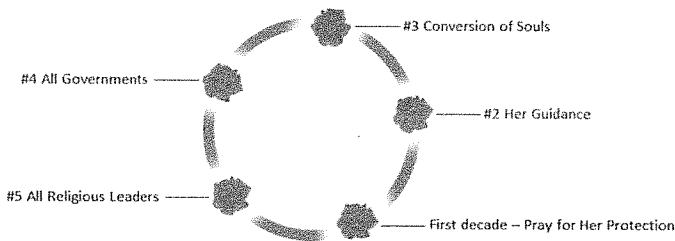

June 4, 2011 / Pro-Life Rosary Intentions - Requested by Our Lady June 4, 2011 - A.M.

Our Lady appears holding a rosary made of all red roses. She says: "Praise be to Jesus. I have come to help you see that many parts make up the whole. When all these roses or Hail Marys are put together, they can equal one prayer and one prayer intention."

Then Blessed Mother shows me a picture which outlines Her requested intentions for the rosary.

Blessed Mother's Intentions for the Pro-Life Rosary

(Requested June 4, 2011)

(The Rosary Beads were red roses.)

"I invite you to see that each of these intentions is pro-life:"

"No. 1 You seek My protection over the unborn."

"No. 2 You pray for guidance for all involved in the abortion industry and mothers considering abortion."

"No. 3 You pray for the conversion of anyone who supports abortion."

"No. 4 You pray for government leaders who support abortion."

"No. 5 You pray for any religious leader who does not speak out against abortion."

"So you see how all the parts make up a pro-life rosary."

June 4, 2011 - P.M.

Blessed Mother says: "Praise be to Jesus."

"My Son graciously allows His Most Sacred Heart to be touched by those who pray the Rosary of the Unborn from the heart. For this reason, and because He has much compassion on the human condition these days, He allowed Me to visit you earlier today with the meditations or intentions I gave you."

"In the First Mystery, you pray for My protection. This can be My Motherly protection over the unborn."

"The Second Mystery invokes My guidance which would be inspiration for mothers not to abort their babies, government leaders to oppose abortion and religious leaders to act against it."

"The Third Mystery is for the conversion of souls. No one can be converted or should believe in his conversion if he still supports abortion."

"The Fourth Mystery is for all government leaders. It is paramount that legalized abortion is overturned. The future of the world depends upon it."

"The Fifth Mystery is for all religious leaders to take a stand against abortion. Not to oppose it - is to support abortion."

"My Motherly Heart is intercessor for these needs, My children, when you pray from the heart. I am ever ready to assist you. Pray this way often."

June 5, 2011 / Sunday Service - Unity in Families (Family Night)

St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, I welcome you here tonight on behalf of prayer for family unity. Please understand that it is important for individuals to be consecrated to the United Hearts, but even more important is that whole families be thus consecrated. For it is in this consecration to the United Hearts that families will live and breathe, act and speak according to God's Holy and Divine Will."

"Tonight I'm imparting to you my Fatherly Blessing."

June 6, 2011 / Public

Alanus (my guardian angel) says: "Praise be to Jesus."

"I have come to tell you that the myriads of angels who attend this prayer site stand ready to welcome each soul who comes here. None will leave untouched by grace, but there will be some souls who summarily reject what is offered to them here; that is because it is easier to disbelieve than to believe. If the soul believes, he has the responsibility of living the Messages. Disbelief automatically exonerates the soul from making the spiritual journey into the United Hearts. This is like a spiritual apathy."

"Many have done everything in their power to discount the many graces offered here. They oppose Truth itself. But these do not find willing hearts amongst the humble and simple souls who find consolation, direction and grace through these Messages, and all Heaven tenders forth here."

June 6, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please realize, and help others to realize, that living in Holy Love is the key to entering Heaven. No one can reject My Commandments of Love and expect to earn Paradise."

"Tonight I am imparting to you My Blessing of Divine Love."

June 7, 2011 / Public

I see a great Flame that I have come to know as the Heart of God the Father. He says: "I bless you as you sleep. I affirm you as you arise. I enlighten your way with the Flame of My Eternal Love. I provide for your every need; cheer you on in times of challenge. I celebrate with you every victory great and small."

"I do all of these things for each soul. Yet, many despair. Many curse My Divine Will. These are the ones that do not choose to know Me. These are the ones who depend on human effort and forsake the Divine; but I still reach out to them. I still

offer My Provision and My Mercy. It is not I Who reject the sinner, but the sinner who rejects Me. This is because they do not understand how much I love them.”

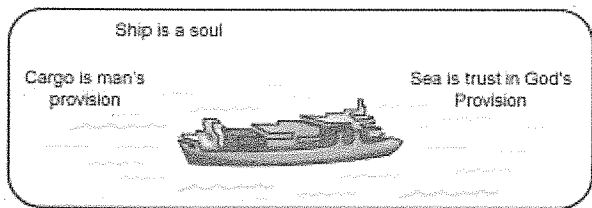

“I am the Eternal Now. My Heart is a Fatherly Heart. What consolation I offer to those who believe this!”

Our Lady showed me the picture above; then She said: “Praise be to Jesus.”

“Today many are focused on the future - what they will eat, how will they survive - and so on. They place all their trust on what they themselves can do now to provide for future necessities. While some cargo in the ship is good, if too much is loaded into the ship it will sink. So it is with the soul that becomes distracted with what may come. He sinks beneath the waters of trust.”

“The soul that carries a light cargo remains buoyant upon the sea of trust. He provides prudently what he may need in the future. He does not hoard cargo. He always trusts God in every need.”

“The best preparation is preparation of the heart. Prepare spiritually; then you will know what commodities you may need, and what you will not need. My Spouse, the Spirit of Truth - will lead you.”

June 10, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I have come to speak to all people and all nations, once again inviting them into Our United Hearts. It is through this spiritual journey, good will be victorious and evil will be defeated in all hearts and in every nation; then you will be living in the New Jerusalem, and I will take up My Sovereignty over the world.”

“Tonight I am blessing you with My Blessing of Divine Love.”

June 12, 2011 / Feast of Pentecost

St. Michael says: “Praise be to Jesus.”

“Today I tell you, the holy war that must be recognized and fought is not one ideology over another but the war between good and evil. Pray that the Holy Spirit is victorious in every heart - inspiring Holy Love; then the heart of every nation will be ruled by the Spirit of Truth. It is only in this way evil will be shown for what it is.”

“No god exists who inspires the destruction of people and nations. Such so-called gods originate in the netherworld - such deceptive ideologies are satanic. Tolerance and silence concerning these false religions is not of God, and strengthens Satan’s domain. Do not be fearful in speaking out against these untruths.”

“Today receive the Spirit of Truth, along with Holy Boldness. Speak up in support of the Truth always. Be faithful to the Spirit of Truth.”

June 13, 2011 / Monday Service - Peace in All Hearts through Holy Love

Blessed Mother is here as Mary, Refuge of Holy Love. She says: “Praise be to Jesus.”

“Most important, My dear children, is that you open your heart in every present moment to the sanctifying grace of My Heavenly Spouse. Allow Him to penetrate your hearts with the truth. Open your hearts to conversion and with your will, turn to Holy Love.”

“Tonight I’m blessing you with My Blessing of Holy Love.”

June 14, 2011 / Public

“I am your Jesus, born Incarnate.”

“I have come to establish in the world the Kingdom of My Divine Love, which will be the sum total of the New Jerusalem. First I am sending sanctifying grace into each heart. This grace is the necessary foundation of all good - without this grace, good is not possible.”

“You must pray that hearts open and accept the grace I desire they have; for without it, hearts are easy prey to evil.”

"Do not wonder that I tell you the New Jerusalem, Holy Love and My Father's Will are one. All of these comprise My Mother's Immaculate Heart. Reflect upon these truths. Ask for the grace of understanding. Do not be tripped up by who believes or who does not believe. Let Me help you to believe."

June 15, 2011 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"Please realize that those who seek their peace and security through passing things will always be at unrest. Worldly gain - power, popularity, riches, physical beauty - do not follow you into the next life."

"You must place the Message of Holy Love in the center of your heart, and at the apex of your existence. Living in Holy Love is not an Everest that few can conquer. Living in Holy Love is a goal all can achieve if they choose it. Herein lies the secret to your peace and security in this life, and your salvation in the next. Choose Holy Love with your free will."

June 16, 2011 / Public

"I am your Jesus, born Incarnate."

"Love one another. If your focus is only on self and how all things affect you, then you have abandoned God's Will for you."

June 16, 2011 / Public

"I am your Jesus, born Incarnate."

"I tell you, many who come here miss out on the many miracles Heaven gives at this site. These are the ones whose hearts have become secularized. They look to find human reasons for the miraculous. It is not that they are trying to discern the truth; they are trying to discount any action of grace at this apparition site. They do not want to believe."

"These are the ones who spend time and exhaust their influence trying to discredit Heaven's actions here. But I see their motives, which are not motives towards unity and building up My Kingdom on earth. Self-love is always the root of all evil. I speak here of disordered self-love. This is the love which promotes jealousy and greed to the point of avarice, and trust only in self and his own opinions."

"The souls who come here as little children, receive as little children and believe as little children. They look for the positive action of grace. They do not waste time in search of negatives."

"Be as a little child when you come here, and I will give you all you need to believe."

June 17, 2011 / Public

"I am your Jesus, born Incarnate."

"When you give Me your complete trust, it is as though you have given Me a priceless gift. In your trust is your surrender to My Father's Will in the present moment. Yes, trust is the scale upon which your surrender is weighed."

"Trust crowns your petitions in such a beautiful and simplistic way that I cannot resist answering your prayers to please you. Trust is like a precious jewel set in the middle of a plain and ordinary piece of jewelry. Trust edifies, beautifies and makes the common prayer regal."

"Pray for trust, and you will be led deeper into this beautifying virtue."

June 17, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here. He has the Holy Spirit directly in front of His Heart. He says: "I am your Jesus, born Incarnate."

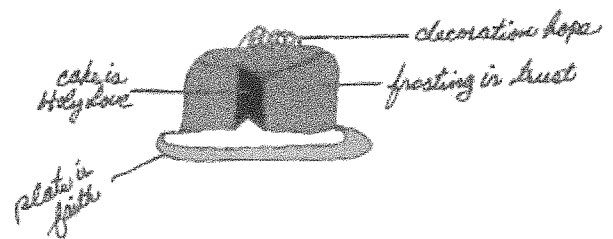

"My brothers and sisters, with Holy Boldness proclaim the Messages of Holy and Divine Love. They are scripturally sound. They embrace the gospel and embody the Ten Commandments. You must be My present day apostles. Allow the Holy Spirit to lead you and guide you."

"Tonight I'm extending to you My Blessing of Divine Love."

June 18, 2011 / Public

"I am your Jesus, born Incarnate."

"Hope is the filigree around trust. Or let Me put it like this. The cake would be Holy Love. The frosting would be trust. The decorations on top of the frosting would be hope. The plate it all rests on would be faith."

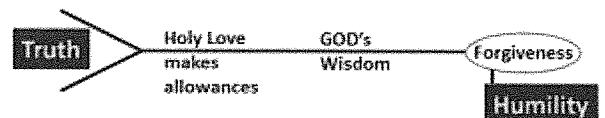

(Maureen: "I had made a chocolate cake earlier in the day.")

June 20, 2011 / Public

"I am your Jesus, born Incarnate."

"I have come specifically to dissect the beautiful grace of forgiveness. Forgiveness flows directly from Truth. It is Truth that helps the unforgiving heart to make allowances in Holy Love. It is God's Wisdom which allows the soul to accept the human frailty which needs forgiveness. It is humility of heart which finally embraces forgiveness."

The Beautiful Grace of Forgiveness

June 20, 2011 / Monday Service - Peace in all Hearts through Holy Love

"Please record what I am telling you. Every soul has the

obligation to search out the truth before he forms opinions about anything. Once the truth, which is based upon facts, is discovered, he must support and defend the truth. Any other course of action empowers Satan."

"I am your Jesus, born Incarnate."

"Today I am here to help you to see that every soul's spirituality can be compared to the rose. The rose in full bloom pours forth a beautiful fragrance for all to enjoy. The rose in full bloom, however, is the culmination of much effort, both from Heaven and from earth. The plant must be fed and fertilized. The soul must be fed with the good news of the gospel - mainly Holy Love - and then watered by God's grace. Many thorns may grow along with the rose. In the spiritual journey, these would be the temptations against living in Holy Love."

"The fragrance of the rose - the beauty of the soul - is best experienced at the center of the bud. So, in the soul, the depth of holiness is in the center of the heart which must be Holy Love. As the rose opens, the petals around it unfold and add to the richness of its beauty."

"In the soul, the fruits of the Holy Spirit unfold all around Holy Love and add to the richness and beauty of personal holiness. The petal closest to the bud, which opens first, is the first sign that the rose will open and bloom to its fullest. In the soul, this first petal is Holy Humility."

"This is a picture which may help some to understand the journey of personal holiness."

St. John Vianney says: "Praise be to Jesus - Ever Present in the tabernacles of the world."

"When I first came to Ars, people were not aware of the difference between good and evil. I had to take each situation and help the people to analyze it in the light of truth."

"I must point out that blaming and holding grudges is wicked. This is strong language, but when people play into Satan's hands, I will not cushion my comments."

"If you truly love Jesus, you will think twice before you give in to such divisive thoughts, words and even actions. Forgiveness bears the fruit of unity. So, of course, Satan does not want you to forgive. It is he who fans the flames of anger in your hearts. This, that I am telling you, is truth itself. Redirect your thoughts, words and deeds towards forgiveness and unity."

"Pray throughout the day to do so."

St. Thomas Aquinas says: "Praise be to Jesus."

"We must, as Christ's mission in the world today, stand firm in the truth. We cannot waver in the face of political pressure. Satan's greatest weapon against us is lies. He uses the influence of title and authority to wage this war. But the faithful must remain undaunted - unchallenged - in their belief in this gospel message. It is a universal message - a message of salvation for everyone. When Jesus delivered the same message in His public ministry, He did not exclude the Pharisees or the Sadducees or any other group from their responsibility to live in Holy Love."

"This is the same gospel message. It is not surprising Satan uses his weapon of lies against it."

"I am your Jesus, born Incarnate."

"I have come to describe to you the anatomy of grudge-bearing. A grudge is a burden you are not being asked to carry. A grudge is unforgiveness, and holds the heart in the past. It is a useless barrier between your human heart and My Sacred Heart. It is the sign of anger. A grudge is most certainly Satan's handiwork."

"Sometimes the soul does not recognize that he is carrying a grudge. But at the end of the day when he examines his conscience, as all souls should, if he remembers thinking of someone or some situation with a dissatisfied turbulence, he may well be carrying a grudge."

"I hold no grudges. Divine Mercy forgives all who seek My forgiveness. I do not remember past sins the soul repents of. I do not search out error in people."

"In Holy Love, you are all being called to imitate My Mercy. Ask Me for the grace to forgive and forget. I will help your sincere efforts in this regard."

June 27, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, let the focus of your hearts be upon serving God and serving others, for this is the enactment of Holy Love. It is in this way your hearts and your lives will be enriched with many graces; and I will bless you as I am blessing you now with My Blessing of Divine Love."

"I am your Jesus, born Incarnate."

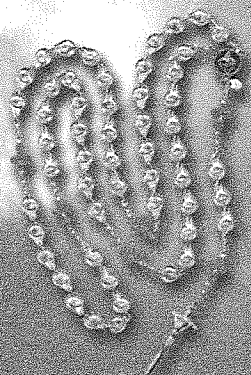

"Once again I tell you, the ones most provoked by Heaven's communication here at this site are the ones whose hearts stand convicted by the truth. Please understand, as well, the reason people lie is because they want to cover up the truth. The reasons may vary - to protect power, reputation or some other worldly gain. Nevertheless, when all is said and done, the truth never changes. It is always the truth."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

July 2011

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

**We welcome all people of all faiths. Prayer is a universal language.
All who come in pilgrimage here are invited to join us in prayer and
the peace that Heaven offers at this site.**

OUR LADY'S NEXT PROMISED MIDNIGHT APPARITION AT MARANATHA SPRING & SHRINE September 14-15, 2011

“At midnight, dawning on My Feast of Sorrows, Jesus allows that I return to the Field of Victory. I am coming amidst many angels and many graces.”

“You will please make this known.”

(Our Lady, July 11, 2011)

**Wednesday, Sept. 14th meet in the Field of the United Hearts
at 11:00 PM on the Feast of the Triumph of the Cross.**

July 2, 2011 / Weekend of the United Hearts - July 1 - 2 - 3 / Midnight Service at the United Hearts Field

(This message was given in multiple parts over several days.)

Our Lady is here as Mary, Refuge of Holy Love. She has five large angels with Her. She says: “Praise be to Jesus.”

“Dear children, a good mother always tries to foresee and forewarn her children about imminent danger. So it is, that I, your Heavenly Mother, have come to caution each of you concerning the dangers at hand.”

“In the world today, there is an evil undercurrent

seeking to destroy nations by attacking national pride and independence, and offering a ‘New World Order’ as the solution; but this is not the ‘unity’ God is calling you to. Dissolving national borders is not God’s plan for unity. God is calling you to disintegrate the boundaries in your hearts which oppose Holy Love. You must be united spiritually first in Holy Love before you can have true unitive peace in the world.”

“My dear children, Satan, these days, shows his hand in destroying once worthy and reliable institutions in an all-out effort to bring people into this proposed one world government. I speak specifically of the institution of marriage, religious institutions, financial institutions and

governments. There was an age past when the enemy of your salvation lured people secretly into his traps; now he is bringing his dirty work to light. Now it is difficult in righteousness to know who to trust. All of this is Satan's plan to destroy your security. He wants you to turn to one leader - his leader. But remember, if all power and authority is given to one leader, all control is given to that person, as well."

"This is why this Mission has been established here amidst much confusion - even opposition. We will persevere - admonishing error no matter the source. We must be the light of truth for the frightened and the confused. We must be the consolation of truth for all people - all nations."

"I have come to be present with you and to remind you that all the parts must equal the sum. Therefore, My children, realize that all your transgressions against the truth, which is Holy Love, must equal God's Justice. Today the world is in peril for it has compromised the truth and sinned for the sake of pleasure. In many countries, abortion has been legalized; same sex marriages not only are accepted but made legal. Now people feel they have the 'right' to sin - the 'right' to offend God."

"Do not be surprised that there is no peace in any of this. When you compromise the truth, the result is confusion, chaos and insecurity. Peace will come when all people and all nations surrender to God's Divine Will which is Holy Love. I cannot tell you this with any more clarity."

"Dear children, your rosaries, especially this one [She holds up the Rosary of the Unborn] are your weapons which can bring about victory both in hearts and in the world. With this rosary, abortion can be defeated."

"Unite your prayers to Mine tonight so that we can have one heart. Pray with Me that truth is victorious in every heart; then sin would be revealed for what it is. There would be no more wars, no more legalization of sin, no more false religions which promote terrorism. Truth brings with it the companion of peace. When all live in the Light of Truth, you will have genuine peace, a peace which cannot be negotiated or construed by human effort."

"Dear children, thank you for believing in Me as I believe in you. There are many false rumors circulating about Heaven's efforts here. Do not believe any of the negative opinions; only come and help Heaven to save souls through your prayers and your efforts in personal holiness."

"Dear children, the time is short - the time as you know it. You must pray often throughout the day, and turn your hearts over to Me in every difficulty. In My Heart is your victory. In My Heart is the defeat of the enemy - the enemy of all souls. So, My children, let us be united. Let us work together."

"Tonight I am taking all your petitions to Heaven with Me, and many will be answered."

"I'm blessing you with My Blessing of Holy Love."

July 3, 2011 / Weekend of the United Hearts - July 1 - 2 - 3 / Midnight Service at the United Hearts Field

(This message was given in multiple parts over several days.)

(A torrential thunderstorm with much lightning began during the rosary, and ended abruptly at the end of the prayer service!)

(Luke 9: 24-26)

First I see the United Hearts Image; then Jesus and Blessed Mother appear. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "I come not to alarm humanity but to draw all people and all nations into the embrace of Our United Hearts. Please understand that what is to come in the future has already been set in motion by the Hand of My Father. I do not know the hour of its unfolding - only the Father knows. The hope I offer is that there is still time for My Mercy to mitigate what will come. If the world does not repent of its self-reliance and turn to Me, there will be less mitigation."

"The best preparation for what lies ahead is preparation of the heart in Holy Love. In this effort, the soul brings his needs to Me first, and then waits for inspiration of the Spirit. In this preparation through the Chambers of Our United Hearts, you will be at peace even in the midst of chaos. You will sense My direction in you. You will know the next step to take. The Chambers of the United Hearts open the Gateway to the New Jerusalem. So, then, if you are citizens of the New Jerusalem, fear will not settle upon your hearts."

"I tell you in all truth, the most valuable possession anyone can own is Holy Love in his heart. Therefore, understand that you should stockpile, not goods of the world, but warehouse Holy Love in your hearts. You do not know and cannot comprehend the length and breadth of Justice. But you do understand that no one enters Paradise outside of My Father's Will. You must understand My Father's Will for you is Holy Love. Therefore, let Holy Love be the life-saving commodity you focus upon, for Holy Love gives you eternal life."

"The most important thing these days is to be God-reliant first - trusting in My Provision, which always leads you to your salvation. In this trust, My Royal Provision will be yours. I will lead you as to steps to take - directions to go. If you discern properly, you will be at peace. If you trust only in your own efforts, My Hand of Protection will not rest upon you. In plain language, I am saying, keep your focus on God's Divine Will - Holy Love - all else will be given. You will know what to do and when to do it. We will prepare together for any event in the future. This is God-reliance."

"Please comprehend the urgency of My need for Divine Love to spread around the world beginning with these Messages of Holy and Divine Love. I desire the Flame of Divine Love be as a great conflagration,

spreading across every continent, igniting devotion in every country and inspiring every heart with a sincere desire for personal holiness."

"Those who call Me 'friend' but do everything in their power - including lies and calumnies - to oppose this Mission, do not know Me; nor do I know them. Search for Holy Truth and you will find it here at this site and in these Messages. Do not oppose Me. Do not join in league with Satan."

"I invite you, one and all, to claim your salvation by living in Holy Love. Do not affiliate with those who do not support human dignity and freedom from conception to natural death. Be My apostles of love through and through."

"My brothers and sisters, thank you for persevering amidst much opposition and Satan's discouragement tonight. Heaven weeps for those who do not accept the Light of Truth in their hearts. You're being blessed by many lights - lights from Heaven that I am giving you as a gift aside from the storm Satan is trying to scare you away with. Persevere in the face of all opposition."

"I love you, My brothers and sisters, and We're extending to you tonight the Blessing of Our United Hearts."

July 4, 2011 / Public

"I am your Jesus, born Incarnate."

"Today your country celebrates its independence but I have come to describe to you 'real freedom'. This type of independence comes from surrender to My Father's Will. It is only in this surrender that you are free of Satan's grasp; then you are no longer held bound by your transgressions against Holy Love."

"The soul who pursues evil towards self-gain or who breaks any Commandment is a slave of Satan. Allow your hearts to be solely possessed in every present moment by Holy Love; only then will you be truly independent."

July 6, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"Today I have come to point out that despite the storm during the time of the apparition on the Feast of Our United Hearts, Jesus and I were still with you. Ultimately, we brought peace to the people who persevered with faith."

"So it is in the storms of life; Jesus and I are present, even in the midst of you. We ride out every storm - every difficulty - with you; then we give you peace."

July 6, 2011 / Wednesday Service - The Propagation of the Holy Love Messages and the Confraternity of the United Hearts

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, Holy Humility and Holy Love are the foundation of all the other virtues. All the others are enveloped in humility and love. Therefore, to be more holy and deeper in Our United Hearts, you must increase

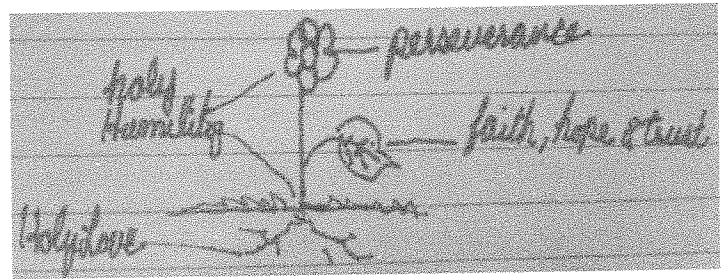

in Holy Love and in Holy Humility. The way to do this is to practice love and humility in the most difficult situations."

"Tonight I'm extending to you My Blessing of Divine Love."

July 7, 2011 / Public

St. Rita of Cascia says: "Praise be to Jesus."

"I have come to speak to you concerning perseverance. Think of a flower. The roots are firmly planted in the soil of Holy Love. The plant that rises out of the soil is Holy Humility. The leaves that surround the bloom, adding to its beauty, are faith, hope and trust. The flower - the ornament of the whole plant - is perseverance; for it is through all of these other virtues, perseverance blooms. Without Holy Love, Holy Humility, faith, hope and trust, the soul is unable to persevere in prayer or good works. Understand, then, that when you persevere in anything spiritual, all of these virtues are at work."

July 8, 2011 / Public

St. Rita of Cascia says: "Praise be to Jesus."

"For any soul to persevere in his pursuit of personal holiness, he must be courageous. He must not give in to or listen to Satan's words of discouragement, which lead away from prayer and good works. He must allow Holy Love to be the guardian of his heart in every present moment; thus protecting the soul from distractions."

"The soul is assaulted in every possible way by his arch-enemy - Satan - through accusations, lies and every sort of temptation; but within the 'heart of the soul' must be courageous perseverance in Holy Love. This is Christ's weapon and His Victory. If Holy Love is present, perseverance is also present."

July 8, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate." He is holding a white flag with a red cross on it.

"My brothers and sisters, I have a plan - a plan which will hasten the coming of the New Jerusalem here on earth. My plan is this - that each of you works diligently towards coming deeper into Our United Hearts in every present moment."

"In order for you to succeed in My plan, you must

forgive everyone, including yourself for past transgressions against Holy Love. Forgiveness is the key to deepening your relationship with Our United Hearts."

"Tonight I am blessing you with My Blessing of Divine Love."

July 10, 2011 - A. M. / Public

St. Rita of Cascia says: "Praise be to Jesus."

"Today I come to point out to you the necessity of perseverance in everyday - moment to moment - holiness. The soul who seeks to walk the spiritual journey of Holy Love must pray for the grace - the virtue - of perseverance in the virtuous life. Without this Heavenly support, the soul will become distracted, even discouraged, along the way."

"Perseverance is like the dyke which holds back the flood of Satan's attack upon Holy Love in the heart; or it can be likened to a ladder that encourages and assists the soul in climbing the heights of sanctity. Never take perseverance for granted. Petition the Sacred Heart daily for this special virtue which safeguards all the others, and helps the souls to live in the truth."

"Pray this way:"

"Most Holy Sacred Heart of Jesus, help my heart to persevere in all that is holy. Make me strong in perseverance where I am weak. Never let me become discouraged in pursuing personal holiness. Amen."

July 10, 2011 — P. M. / Public

St. Rita of Cascia says: "Praise be to Jesus."

"When you make a soup, the broth becomes part of the vegetables and meat and vice versa. These flavor each other. So it is with perseverance. The virtues are flavored with perseverance, and perseverance becomes part of the virtues. Perseverance holds the virtues together just as the broth embraces the parts of the soup."

"Or let me put it this way. The mortar that holds the bricks in place, in the house of holiness within the soul, would be perseverance."

"Perseverance in truth must be in the center of every heart for the soul to progress through the Chambers of the United Hearts."

July 10, 2011 / Sunday Service - The Triumph of the United Hearts both in hearts and in the world

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the reason for this Mission during these times is to convert the heart of the world in the TRUTH. Yes, the heart of the world must be resurrected in the TRUTH. And so, each of you is being called to become apostles of the TRUTH, which is HOLY LOVE. Your smallest effort can make a great difference."

"Tonight I'm extending to you My Blessing of Divine Love."

July 11, 2011 / Public

St. Rita of Cascia says: "Praise be to Jesus."

"Please understand that every sin is a transgression against Holy Love. It follows, therefore, that every sin is the result of failure to persevere in Holy Love."

"I want to give you Heavenly understanding of these truths. Such understanding would penetrate your heart and never leave."

July 11, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"At midnight, dawning on My Feast of Sorrows, Jesus allows that I return to the Field of Victory. I am coming amidst many angels and many graces."

"You will please make this known."

July 11, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, on any journey, you want to take with you as little baggage as possible to weigh you down. Therefore, on your spiritual journey, leave everything in the past behind, and allow Me to assist you in your present moment step to holiness."

"Tonight I'm blessing you with My Blessing of Divine Love."

July 12, 2011 / Public

St. Rita of Cascia says: "Praise be to Jesus."

"I tell you, the soul that does not pray for perseverance in the virtuous life is not sincere in his pursuit of personal holiness. No one can hope to persevere in righteousness without Heavenly help. When souls become over-confident in their own capabilities, they are not God-reliant - not trusting and dependent on God's grace."

"This is how the enemy of every soul captures the present moment and influences thoughts, words and actions. This is the reason evil has crept into the holiest of places - into long-trusted institutions, governments, education and media. It is the lapse in perseverance towards personal holiness that is the root cause."

"People cannot live in the truth if they do not persevere in the truth. Therefore, comprehend that lack of perseverance leads to every sort of compromise."

July 14, 2011 / Public

St. Rita of Cascia says: "Praise be to Jesus."

"I have come so that all the children of God hear this truth. Perseverance is the mother of all virtue. Therefore, it follows, perseverance is the mother of all holiness."

"Consider the role that a mother assumes. She is protective, encouraging, nurturing; such is the way perseverance acts in the soul. Mother Perseverance protects the virtuous life by tenaciously guarding each

effort in virtue. Through perseverance, the soul is encouraged to practice virtue, even in the most difficult trials. Like a mother, perseverance nurtures the virtuous life, and gives hope in every test or trial."

"Yes, perseverance deserves the title 'Mother Perseverance'. Esteem her as such."

July 15, 2011 / Public

St. Rita of Cascia says: "Praise be to Jesus."

"Please listen now as I confide to you how perseverance played a role in my life. It was Mother Perseverance which gave me the courage to pray and to continue to pray. My prayers moved the Heart of Jesus to convert warring parties in Cascia. Feuds were resolved. Through prayer, Jesus converted my husband and my twin sons - just in time."

"Mother Perseverance asked me to trust in my calling to the religious life; for all trust in God is the fruit of persevering hope."

"When the soul perseveres in prayer, God listens. He never turns away from a trusting heart. So, as I relate to you how Mother Perseverance brought me through life's struggles, I invite each soul to step into this motherly embrace. These days it is difficult to feel secure; but if you persevere in your journey of personal holiness, you will find peace even in the midst of great trials."

"Persevering prayer can find solutions where there are none. Have hope."

July 15, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight pray that all hearts open to the TRUTH, live in the TRUTH, speak in the TRUTH. There are many in power today who need this prayer."

"Tonight I'm blessing you with My Blessing of Divine Love."

July 17, 2011 / Public

St. Rita of Cascia says: "Praise be to Jesus."

"Before I close my dialogue with you on Mother Perseverance, I would be derelict if I did not mention a sister virtue to perseverance, which is forbearance. Forbearance is the courageous constraint of emotional reaction in ongoing difficulties. It is the showcase of patience - patient endurance. While perseverance can be practiced interiorly in the virtuous life, forbearance is the outward sign of inner courage in exterior trials."

"Forbearance is a special gift of grace given to the patient, persevering soul."

July 17, 2011 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Listen carefully now, as you seem to be mixing up what Sr. Rita told you. You are confusing fortitude with forbearance. Fortitude is the 'miracle' of the Holy Spirit. It is fortitude that gives strength to perseverance. It is fortitude that enables the soul to practice forbearance."

"Fortitude gives the soul strength to practice virtue."

"Now is it clear?"

Maureen: "I guess."

"Jesus desires the people know this, and so please pass it on."

July 18, 2011 / Public

St. Rita of Cascia says: "Praise be to Jesus."

"I have come to you today with the final message on perseverance. The Lord God allowed me to come here and to deliver this body of messages on perseverance, for this Mission has persevered in the face of numerous persecutions. These have come from civil authorities, Church hierarchy, media and the general public. You have been misunderstood, calumnized, rash judged and, yes, even lied about."

"The sound spirituality offered here is too often overlooked. People who speak negatively about this Mission are given every consideration, while healings and other miracles are summarily dismissed."

"But through it all, the Mission has grown - even thrived - thanks to the grace of perseverance. So, the Mission will continue to persevere, bringing souls to their knees, changing the course of lives and changing the future of the world through Holy Love."

"Only evil would oppose such an effort."

July 18, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I advise you, review the Messages on perseverance, which was a great grace from Heaven and given to you by St. Rita. Make them a part of your spirituality, and persevere in Holy Love."

"Tonight I am imparting to you My Blessing of Divine Love."

July 22, 2011 / Public

St. Thomas Aquinas comes holding my favorite salt shaker. (It looks very small in his hand.) He says: "Praise be to Jesus."

"Did you know that your good deeds are the salt and pepper of the Holy Love you carry in your heart? Think of it. Seasoning enhances the flavor of any dish. It increases the value of what you eat by improving the taste."

"So it is with good deeds. Such deeds are the enhancement of all the Holy Love in your heart. Good deeds performed out of love make the love in your heart shine."

July 22, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with his Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when you perform any act of charity, no matter how small, do so first for love of Me; then for love of neighbor. This sanctifies your charitable works and brings you deeper into the Chambers of Our United Hearts."

"Tonight I'm extending to you the Blessing of My Divine Love."

July 23, 2011 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to help everyone to realize the path of Holy Perfection is strewn with many obstacles. Two of the most prevalent are discouragement and unforgiveness."

"These are both weapons that Satan wields against the soul who pursues the spiritual journey of Holy Love. He poses arguments clothed in discouragement so that the soul begins to feel he will never be able to become holy. The enemy brings to light past sins and nurtures unforgiveness in the heart by reminding the soul of past injuries."

"Whenever a soul begins to lose his peace for any reason - but most certainly in the ways I have mentioned here - he can be certain Satan is at work. These are things the enemy does not want revealed; he works under the cover of darkness. I am exposing his work to the Light of Truth."

July 24, 2011 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"You just ingested some sugar for an attack of hypoglycemia. As you took it, you prayed that it would take effect in your system. It is much the same with the conversion of hearts. Hearts can be given the truth over and over. But the truth must take effect in their hearts. If it does not change the condition of the heart, ill effects continue and grow worse - much like the sugar levels in your blood."

"The truth has to be absorbed into the heart and become one with the heart - much like the sugar. If the truth does not change the heart, the soul continues in error. That is why this Mission is all about truth, for truth and the conversion of souls are companions."

July 24, 2011 / Sunday Service - The Triumph of the United Hearts both in Hearts and in the World; Unity in All Families

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, be united in Holy Love as I desire that you be. Think only the most loving thoughts

of one another, for I tell you, every thought, word and action will be weighed on the scale of Holy Love."

"My brothers and sisters, I'm calling you to be one in Holy Love, moving deeper into the Chambers of Our United Hearts."

"Tonight I am blessing you with My Blessing of Divine Love."

July 25, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I tell you that My Heart is still weeping, still wounded, still bleeding for those who do not accept the TRUTH of THIS MISSION. You must continue to pray for all unbelievers. These are the ones that I pursue with every type of grace."

"Tonight I'm blessing you with My Blessing of Divine Love."

July 26, 2011 / Public

"I am your Jesus, born Incarnate."

"Today you see the soft glow of My Heart reaching out to you from beneath My Garment. It is inviting you to come closer - to come deeper into My Most Sacred Heart. For I tell you today, My Heart calls out to all of mankind to embrace these Messages of Holy Love."

"It is true that the very ones who most vehemently oppose this Mission are the ones that should embrace it. Do not be discouraged by any statement, threat or any form of persecution perpetrated against you because of your faithfulness to Holy Love. I tell you, the very fragrance of sanctity is perseverance in Holy Love. You must be that fragrant flower of Holy Love amidst the weeds of controversy, lies and power plays. Know that My Sacred Heart embraces you all the more amidst the greatest trials. It is then I am blessing you."

July 26, 2011 / Public

"I am your Jesus, born Incarnate."

"I come during these, the most desperate of times, to call all people and all nations into My Sacred Heart. When I return, all will be one in the truth. Begin to see that all I choose for you is present in My Heart. Fend off your accusers with St. Michael's Shield of Truth. Do not be confused by the verbiage of those who do not understand this Mission or its place in time."

"You must be warriors of love - fighting evil with the good of Holy Love. Allow My call to you to transform your hearts and your lives, and the lives of those around you."

July 28, 2011 / Public

St. Teresa of Avila says: "Praise be to Jesus."

"I have come to give you hope - hope that all you feel inspired to pursue will be realized. Hope is the courage to persevere. Without hope, God's Will cannot come to fruition the way He most desires it to do so."

"Hope is like an invisible thread that binds the human free will to the Divine. It is the courage to pursue righteousness and the truth. Hope is the weapon against Satan's discouragement."

"Hope is the mother of courage. Without hope, discouragement wins out."

July 29, 2011 / Public

St. Teresa of Avila says: "Praise be to Jesus."

"I have come this morning to tell you that hope is the catalyst of perseverance. It is the glimmer of hope in the heart that spurs the soul on in seemingly irreversible situations."

"It is hope that seasons prayer with faith. It is hope that founds trust in God's Eternal Will."

"When hope is challenged, discouragement moves in. Always remember, discouragement is Satan's hallmark - confusion the enemy's signature. Therefore, it behooves the soul to keep hope alive in his heart. In so doing, he will focus on God's Plan and God's Divine Will for him."

July 29, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I come once again to call you into the unity of Holy Love. In Holy Love, you will find peace - an abiding peace - that cannot be put asunder by any actions or words of the enemy. Be refreshed in Holy Love and abide in My Peace."

"Tonight I am blessing you with My Blessing of Divine Love."

July 31, 2011 / Public

St. Teresa of Avila says: "Praise be to Jesus."

"Today, and during these times, it is important that souls keep hope always in their hearts. Hope can be likened to an open door with a warm light pouring through it, inviting the soul to step into it. The barometer of Holy Love in the heart is trust, as you know. The ambiance of trust is hope. The hopeful heart trusts in God's Perfect Provision in the future. Hope does not embrace fear but is ever vigilant for God's grace to overcome every difficulty."

"Hope is gladdened by trust and decorated with joy. Hope is the sister of faith - the child of Holy Love. Hope is the enemy of Satan's discouragement and the sword which enlightens truth, placing all things in perspective according to God's Will."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

August 2011

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

**We welcome all people of all faiths. Prayer is a universal language.
All who come in pilgrimage here are invited to join us in prayer and
the peace that Heaven offers at this site.**

**BLESSED MOTHER'S NEXT PROMISED MIDNIGHT VISIT
WILL BE ON THE FEAST OF OUR LADY OF GUADALUPE,
DECEMBER 12, 2011**

***Our Lady has revealed to the visionary, Maureen Sweeney-Kyle, that She will
return on the dawning of Her Feast Day of Our Lady of Guadalupe with a
Message to the World.***

Be here by 11:00PM on Sunday, December 11, 2011.

August 1, 2011 / Public

St. Teresa of Avila says: "Praise be to Jesus."

"Any virtue to be strong in the heart must be practiced throughout the day no matter the situation the soul finds himself in. To live in the virtues means to live in the truth; otherwise the virtuous life crumbles into hypocrisy."

"The virtue of hope must not give way to discouragement, for then faith is diminished, as well. God will not default the soul on good faith but always respects the soul's belief without challenge. This is not to say God respects superstition - but faith and hope in all that upholds righteousness."

August 1, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your

Jesus, born Incarnate."

"My dear brothers and sisters, please realize that it is by Divine Grace that you have been invited here tonight - each one of you in this present moment."

"I ask that you respond by spreading the Holy and Divine Love Messages around you to the people that I place in your lives. This will strengthen the Remnant, and you do not realize how much good will be accomplished by your smallest efforts."

"Tonight I'm imparting to you My Blessing of Divine Love."

August 2, 2011 / Public

"I am your Jesus, born Incarnate."

"How I long to have the heart of the world beat in rhythm with My Own Sacred Heart! This Mission is in the world to prepare My believers for the New Jerusalem."

"Many have sullied their souls in My Eyes by their assaults on this Mission be it verbal or otherwise. I am calling for people to search their hearts and to be reunited with the truth."

August 3, 2011 / Public

St. Teresa of Avila says: "Praise be to Jesus."

"Today I am here to tell you that hope is the inspiration of perseverance. Without hope, the soul surrenders his positive efforts towards any good. This is why Satan opposes hope to such a degree. The enemy tries to keep the human spirit locked into a negative attitude. This negativity blinds the soul to hope - hope in God's Grace - hope in God's Provision. He is even blinded as to God's Divine Will in every situation, failing to realize that God can bring good from every situation."

"So today I ask that every day each soul prays for hope. This way he will not be so easily led into discouragement by the enemy of his own salvation."

"Pray this way:"

"Lord, give me hope in every present moment. Help me to recognize Your Hand in all of life's situations, for I know You are with me. My hope is in Your Grace and Your Provision. Amen."

August 4, 2011 / Feast of St. John Vianney

St. John Vianney says: "Praise be to Jesus."

"Today I have come to address all priests, Bishops and Cardinals. I bid them to humbly accept my advice."

"You, my dear brothers, have a great responsibility in the Eyes of God. When you come to your judgment, you will be held accountable for all the souls whose lives were touched by you - directly or indirectly. Woe to you if a soul in your charge was lost because of your indiscretions, false discernment or misguided priorities. Woe to you if you opposed prayer or placed love of money ahead of love of souls. Woe to you if you regard pomp above humility."

"Realize this and be loving, good shepherds."

"Always see the greatest good as the salvation of each soul. Pray and sacrifice for the salvation of your flock. Your prayers and sacrifices are like the sheep dogs of your flock - leading them in the way they should go. Every shepherd needs a good sheep dog."

"I warn you, my brothers, do not summarily dismiss my words to you today for shallow reasons: you don't like the way they came to you; they have not been endorsed by 'important' people or worst of all, you think they don't apply to you. Look for yourselves here in this message today. Pray for my help. I will give you the grace of self-knowledge passed down through our Mother's Heart."

August 4, 2011 / Public

St. Teresa of Avila says: "Praise be to Jesus."

"I desire that all see the virtue of hope as a warrior virtue, for without hope the soul loses sight of his own salvation. Hope defends trust - trust in God's Mercy. Hope reinforces perseverance and so, too, fortitude. It is hope that guards faith and love, for hope defends the Word of God."

"Hope is engaged in constant battle with Satan's discouragement. Hope is the armor against apostasy and heresy. Hope always defends the truth."

August 4, 2011 / Thursday Service - Conversion of all Priests, Religious, Bishops and Cardinals that they are convicted in, and live in the truth / Feast of St. John Vianney (Cure of Ars)

St. John Vianney is here and says: "Praise be to Jesus."

"My brothers and sisters, tonight I have come to tell you that there are many vocations which die in the heart. These are good vocations, but they never come to fruition. Why? Because there is so much confusion and controversy in the Church today."

"Forgive my pragmatic comments, but this Ministry supports the TRUTH, does it not?"

"Tonight I'm imparting to you my Priestly Blessing."

August 5, 2011 / Blessed Mother's Birthday

Blessed Mother says: "Praise be to Jesus."

"I have come once again this year to celebrate the anniversary of My birth with you. If souls could only realize the great miracle of every birth, there would be no artificial birth control or abortion. Every birth is God's Plan throughout all eternity. The intrusion of man's free will upon life in the womb will prove catastrophic in the future, for every soul is God's instrument. His future is woven into the future of human events. Every human life is like a thread running through a tapestry - the tapestry being the past, present and future of the world. When one thread is pulled, it causes much unraveling in the tapestry. When one human life is snuffed out, God's Perfect Plan must be altered."

"In this country, artificial birth control will soon be available free of charge for the asking. What consequences await this decision against God's Will and with what covertness this was made law. I remind your government officials that it is Satan who works under cover of darkness."

"Disregard for human rights is also disregard for the Constitution your nation was founded upon. Sadly, the composure of this nation is slipping away under the guise of social justice."

"So today, My children, I celebrate all God has done for Me - My Immaculate Conception, the Virgin birth - and much more. I celebrate God's Plan which came to fruition in Me. I pray with you that God's Plan will be recognized in the heart of your nation, and come to fruition in and through you, as well."

August 5, 2011 / Blessed Mother's Birthday

Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Blessed Mother is here dressed all in white and says: "Praise be to Jesus."

"My dear children, I come to share My victories and My joy with you. Earlier today I shared with you the plight of My Heart, but tonight I desire that you understand that your presence here is part of My Victory and Triumph. You have believed and you came despite errors in opinions and documents that have been released; and so, we will celebrate tonight together giving praise to Jesus."

"Tonight I am blessing you with My Blessing of Holy Love."

August 6, 2011 / Public

I see a great Flame which I recognize as the Heart of God

the Father. He says: "I am the Author of Creation - the Eternal Now. I am the Architect of every present moment for every soul. My designs for you are always for your welfare - never your demise."

"I conceal no Truth. I lay bare that which is concealed by darkness. I am at work here at this site and in this Mission. The shadows of darkness that try to undo My Plans here will be defeated, for I will not be put to the test."

"It is here, souls will come to love Me. It is here they will recognize My Love for them. It is here My Power and Might will be manifest. I will unravel the lies and reveal the Truth. Souls will find their respite in the Truth."

August 7, 2011 / Sunday Service - The Triumph of the United Hearts both in Hearts and in the World; Unity in All Families

St. Joseph is here and says: "Praise be to Jesus."

"Tonight I have come to remind fathers that they are the sovereign head of the family. They should not oppose this, but step into the role and become spiritual mentors of their children. They should always lead their children along the path of righteousness and Holy Love."

"Tonight I'm imparting to you my Blessing of Fatherly Love."

August 8, 2011 / Feast of St. Dominic

St. Dominic says: "Praise be to Jesus."

"I have come to explain to you the success of this Mission. It is not because of any important earthly approvals that the Ministry prospers here. These approvals remain aloof due to jealousies in hearts; nor does the Mission prosper because of the generosity of man - though many have been generous and continue to be so today. This Mission is successful by the Will of God and through the grace of Our Mother's Benevolent Heart."

"It is God's Will that people find their way here. It is by God's grace that people are healed and converted here. It is by God's Will that a powerhouse of prayer rise up here. This will not change but will increase. The more insecure the world becomes, the more secure this site will be until it is a hospice of grace all seek."

August 8, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I come seeking your assistance. I desire that you help Me disseminate these Messages. The depth of these Messages is proof of the genuine nature of this Ministry. Do not be put off by claims that the Mission itself is condemned, for there has not been a TRUTHFUL investigation or discernment of these 26 YEARS of Messages."

"This is the way that some will be converted, and so pray to the Holy Spirit to be guided as to how to propagate the Messages amongst family and friends."

"Tonight I'm imparting to you My Blessing of Divine Love."

August 9, 2011 / Public

"I am your Jesus, born Incarnate."

"The saint whose feast you celebrate today (Edith Stein) searched out the truth and found it. Today, pray that hearts

have the courage to search out the truth in these Messages of Holy and Divine Love, and embrace it. The truth is unchanging and goes unaltered by any criticism. That is why no matter who fails against the truth of these Messages will not succeed in their arguments."

August 11, 2011 / Public

St. Teresa of Avila says: "Praise be to Jesus."

"I have come to help you understand that hope never abides alone in the heart. It has with it the companions of Holy Love, for all virtues are borne of Holy Love - faith, then perseverance, fortitude, forbearance and patience. Of course, all the virtues - besides being borne of Holy Love - are grounded in Holy Humility which is Truth itself."

"Holy Humility calls the soul to hope for God's plans to be fulfilled. In truth, then, the soul does not hope for some self-serving agenda inspired by evil. In truth, the soul surrenders his own desires and hopes for the opportunity to be God's instrument."

"Satan tries to convolute every virtue with false virtues. These are 'virtues' practiced for others to see - 'virtues' used towards self-aggrandizement. True virtues lie hidden in the heart. The truly virtuous soul is self-effacing. His hope is to remain little and hidden."

"Sincere hope does not abide in the heart that does not trust. The soul cannot hope if he does not also trust, and he cannot trust outside of faith and love. So you see, the perfect conjoining of faith, hope and love produce trust."

August 12, 2011 / Public

St. Teresa of Avila says: "Praise be to Jesus."

"Today I have come to comment on those that concern themselves so much for what the future holds. In doing so, they lose the present moment and many graces, as well. This is a sign of weak hope and little trust in God's Divine Provision."

"Further, effort is often wasted in chasing after different 'visionaries' and extrapolating their insight as to the future. Every future moment will be different for each soul, just as every present moment is different for each one. Fear is useless; what is needed is trust. The more you speculate, the less you will trust."

"If you place your hope in God, you will not be misled. If you live according to the Holy Love Messages, your heart will be prepared, and that is your eternal survival."

"This Mission is in the world during these times and in this location to build up faith, hope and love in the hearts of all. Therefore, be united and do not allow Satan his hour of division as to who to believe. You might be choosing error over truth."

August 12, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, allow your hearts, in this present moment and every future moment, to be transformed by Holy Love; then every decision you make will be in accord with My Father's Holy and Divine Will."

"Then I will bless you as I am blessing you now with My Blessing of Divine Love."

August 13, 2011 / Public

"I am your Jesus, born Incarnate."

"I have come to discuss the Wound of My Heart. The Sword which pierced My Heart in My lifetime was driven by unbelievers. It is still so today. My Heart is pierced by those who refuse to believe in this Mission of Holy Love. The Wound in My Side opens to all who oppose this Mission, for My Love and Mercy is always here at this site."

August 13, 2011 / Public

St. Teresa of Avila says: "Praise be to Jesus."

"So, my sister, I have come once again to speak to the world about hope. I must, at this time, explain the difference between concern and worry. Concern in the outcome of a situation means a healthy interest in the unfolding of events in the future. Concern trusts in, and hopes for, God's Provision."

"Worry, on the other hand, does not trust but fears. Worry presents many unlikely outcomes to situations and does not lean on God's grace. Worry robs the soul of the present moment."

August 15, 2011 / Feast of The Assumption of the Blessed Virgin Mary

Our Lady comes in sparkling white with many flowers and angels. She says: "Praise be to Jesus. I have come as promised to celebrate My Feast Day with you. Today I will speak to you about God's Provision."

"God's Holy Provision is present moment grace. It is always perfect - always complete. It may take invisible forms or dramatic exterior forms. God's Provision may be the inspiration to pursue the virtuous life, and the strength with which to do it. Therefore, you must understand that this Mission and Heaven's influence here is Divine Provision."

"Some see God's Hand only in the material aspect; such as storing food for the future, gaining wealth or power. While none of this is evil, it must be used for the common good and must not consume the heart."

"God's Grace in the present moment is as subtle as your next breath. It may be the small inspiration to say a 'Hail Mary'; or God's Grace may be the resolution of some problem."

"Here at this site expect the unexpected. Allow God's Provision - His Grace - to envelope you. Be aware of God's Presence and the way He is providing for you."

"I will bless you, as well. Even now My Blessing rests upon you."

August 15, 2011 / Monday Service - Peace in All Hearts through Holy Love

Feast of The Assumption of the Blessed Virgin Mary

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "My brothers and sisters, My Most Holy Mother desires to share Heaven with each of you; but this is only possible if and when you allow your hearts to be transformed through Holy Love. Surrender, then, completely to Holy Love so that all your thoughts, words and deeds are purified and sanctified in this way."

"Tonight We're extending to you the Complete Blessing of Our United Hearts."

August 18, 2011 / Public

"I am your Jesus, born Incarnate."

"I have come to reiterate to the world that what consumes your heart - be it love of power, money, reputation - holds sovereignty over your thoughts, words and actions. Therefore, it is safe to say that what consumes your heart holds sovereignty over your soul and your eternity."

"This is why Holy Love in the heart is important, not just for some but for all. This is why this Mission is, in truth, ecumenical. Those who rash judge the Mission have allowed negative spirits such as jealousy, judging (as opposed to discernment), spiritual ambition, greed and control to consume their hearts."

"Pray that St. Michael's Shield of Truth be placed over the heart of the world. So many are deceived and cannot find their way in the darkness. Holy Love is the Light on the path of salvation, and the Light that must be ignited in all hearts."

August 19, 2011 / Feast Day - St. John Eudes

Today there is a priest here in a cassock. He says his name is St. John Eudes. He says: "Praise be to Jesus. I am a patron of this Mission. I have come to point out the direction mankind has chosen."

"These days humanity tries to correct evil with even greater evil. Take for instance, abortion. Pregnancies from illicit sex are terminated by the greater evil of abortion. Look at the idea of unity through the new World Order. This is only control - setting the stage for the Antichrist."

"The Blessed Mother's children - once devoted to Her - have often abandoned Her in search of some trendy form of worship. In doing so, they neglect the Mediatrix of All Grace whose Heart is the conduit of all good."

"But mankind foolishly rejects the tried and true in search of self-fulfillment and under the guise of social justice. When Heaven graciously tries to intervene, God's efforts are discounted as not true or unworthy."

"So, today, I am here at God's command - calling all people and all nations into the fold of Holy Love. Do not seek false gods - gods who encourage self-destruction and the murder of others. Do not worship the world or its allurements - money, power, popularity. Be united in the Hearts of Jesus and Mary, which of Themselves, are United. It is only then you will have true peace."

August 19, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, Holy Love and Holy Humility must always be bound together in the heart for both of them to be genuine. If they are not together, one nurturing the other, then both are false."

"Tonight I'm extending to you My Blessing of Divine Love."

August 21, 2011 / Public

St. Teresa of Avila says: "Praise be to Jesus."

"I have come to offer encouragement and hope to a world mired down in error and confusion. Every soul contributes to the state of the heart of the world. Therefore, when one soul is

helped along their spiritual journey, all are helped - the world is helped."

"So it is, I come to advise all souls and every soul. When you examine your conscience at night, do not focus only on ways you failed to practice virtue; regard also the ways that you practiced virtue. This gives you hope along the pathway of your spiritual journey - hope that you are improving - that you can be perfected with God's help."

"Also, look at the ways the virtuous life was challenged. Understand the portals of attack Satan uses. Study the ways these attacks can be circumvented."

"Most of all, be hopeful that personal holiness is attainable with God's help."

August 22, 2011 / Feast of The Queenship of the Blessed Virgin Mary

Our Lady comes in sparkling white. She says: "Praise be to Jesus."

"Today, as Queen of Heaven and Earth, I long to take up My sovereignty in all hearts. The majority of all people and all nations do not know Me. In the hearts of others who were once consecrated to Me, the Flame of My Love has been extinguished."

"In the world today, God's Laws of Holy Love are held up as preposterous. Mankind embraces love of the world which is Satan's domain. My children scramble to learn the latest prognostications about the future; yet they lose the present moment to self-love. You will never be able to retrieve one moment or to change that which is past. Allow Me to be Queen of the present moment - now - in your heart today. This is how the heart of the world will be converted."

"As your Queen, I do not place Myself above you, but rather with you - all around you. You meet no challenge alone if you remain near to Me. My Immaculate Heart is your Refuge. The Flame of My Heart - Holy Love - is your shelter and guide."

"Yes, today the dignity of My Queenship means little to most. But man's attitudes do not change God's dictates. So, just as God maintains the reality of My Queenship, He upholds the reality of His Commandments. These dictates, too, will not change because of mankind's sinful attitudes."

"In all of this, see that man's greatest problem is refusal to accept the Truth. Dear children, embrace God's Truth."

August 22, 2011 / Feast of The Queenship of the Blessed Virgin Mary

Blessed Mother says: "Praise be to Jesus."

"My daughter, I have garnered many graces from the Benevolent Heart of My Divine Son at this site of predilection. It is for the sake of these times when many internal decisions are being made which will affect the eternity of many souls; so it is, that graces pour out upon the people here from the Wounded Heart of My Son."

"The world - all people and all nations - stand with Me at the Foot of the Cross. So, then, in the shadow of the Cross, Jesus allows that the Wound on this crucifix in our church be seen to open and close on film. This is a sign to the world of His Presence here, and of His suffering at the state of the heart of the world."

"You will please make this known."

August 22, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, your Faith - your Trust in My Provision - is My Victory in your heart."

"Tonight I'm extending to you My Blessing of Divine Love."

August 23, 2011 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"All the virtues must come together in harmony with one another in order for the soul to embrace Holy Love in his heart. The virtuous life can be likened to a great symphony. If one note is missed, the entire symphony lacks harmony. In the virtuous life, if one virtue is weakened, the entire personal journey in holiness is weakened, for Holy Love is the composite of all virtues."

August 23, 2011 / Public

"I am your Jesus, born Incarnate."

"The earthquake close to your nation's Capitol today is a sign to the world that your nation's very foundation has been rocked by the policies of this administration. Truth has been trampled underfoot, and the rights of the citizens have been disregarded."

"Such upheaval of human rights does not go unnoticed by Me."

August 24, 2011 / Public

St. Michael says: "Praise be to Jesus."

"Yesterday your country experienced an earthquake - mild in nature but symbolic in many ways. The ground shook under the Capitol, symbolizing the shaky ground your government and its policies rest upon. The steeple on the National Cathedral fell off symbolizing the toll of liberalism on the interior of the Church in this country."

"Yet, to the insensitive heart, these exterior signs do not impact upon reason. This attitude challenges God to send greater - more profound - signs into an unbelieving and unresponsive world."

"It is time to return to the Truth."

August 25, 2011 / Public

"I am your Jesus, born Incarnate."

"Today I have come to tell you - do not place confidence in anyone who places times and dates upon specific events which they, themselves, foresee occurring in the future. Do not try to fit your preparations in the world around such prognostications. Rather, understand that Divine Providence fits around everything and everyone."

"The Father, in His Infinite Mercy and Kindness, knows when and how to act in each one's life towards the soul's salvation. Allow yourselves to trust in this. Do not be anxious."

"This whole Mission is about preparing hearts - hearts which will someday stand before Me. This is the moment you need to thrust your efforts into - the moment of your judgment."

August 25, 2011 / Public

St. Augustine says: "Praise be to Jesus."

"The Lord has sent me to relay this message to all the

world and, in particular, to all unbelievers. No one can be converted outside of the truth. Therefore, as Holy Love is the embodiment of truth, it follows that no one can be converted outside of Holy Love."

"Moreover, the truth is like a well-fitting glove which snugly fits over faith, hope and love. None of these (faith, hope and love), can be genuine unless they embrace truth and are encapsulated in the truth."

"It is not enough to say you live in the truth or you have the truth, for some believe in the disingenuous. You must search out the truth which is always based upon Holy Love."

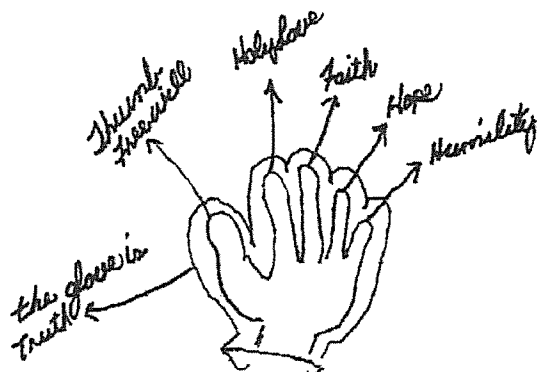

August 26, 2011 / Public

St. Teresa of Avila says: "Praise be to Jesus."

"Today I have come once again to speak about the virtuous life. Consider the analogy of a hand in a glove as it compares to the virtues of faith, hope and love. The index finger would be Holy Love, as it points and leads the way. The next two fingers would be faith and hope. The smallest finger would be Holy Humility, as the humble soul makes himself small. The thumb, which is so vital in the overall operation of the hand, represents the soul's free will."

"The glove, which protects the hand, is truth itself. It guards the hand against soil, which in the spiritual life, would be temptations clothed in Satan's lies. The fabric of the glove, which guards and protects all truth, is Mother Mary's veil."

"Perhaps this will help all to understand the spiritual life better."

The Virtuous Life

August 26, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"Today I come to you once again as Protectress of the Faith - a title I requested many years long past. To man's demise, My request was deemed unnecessary. But these days, the faith has been riddled with error, and often the truth is obscured by the very ones empowered to propagate this important title."

"Your faith, dear children, is a gift from God. Of course, Heaven desires that this gift be protected and secured in your hearts. As your Mother, I desire only your welfare. Therefore, turn to Me during these most trying and confusing times. I will not fail to come to your aid. I will protect your faith. In this effort I will enlighten you with the truth."

August 26, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please realize that all good originates in the heart of My Father, and is passed to earth through My Heart and the Heart of My Most Holy Mother. God is calling mankind back to prayer by means of certain natural phenomena."

"And so, man of earth, fall on your knees in humility before a Loving God who desires your welfare."

"Tonight I'm blessing you with My Blessing of Divine Love."

August 27, 2011 / Public

St. Joseph says: "Praise be to Jesus."

"When you pray, pray that unbelievers surrender to the truth. This is the difficulty which stands between the soul and his conversion, for no one can be converted outside of the truth."

"This, too, is the reason so many disbelieve in this Mission and all Heaven is trying to accomplish here. The truth has been clouded by controversy and shrouded in false accusations. The ones that are the greatest detractors do not search out the truth. They have embraced a false concept of the truth."

August 28, 2011 / Public

Blessed Mother comes as Mary, Protectress of the Faith. She says: "Praise be to Jesus."

"I have come once again to discuss the topic of faith. Never before has faith in righteousness been so challenged. Faith is confidence in, trust in and belief in the unseen and the unproven. Many will not accept or believe in this Mission or these Messages because they seek 'proof'; but these ones seek proof that cannot be challenged. Heaven seeks your faithful trust in all that is being offered here."

"Unbelievers do not lean on Holy Faith but on human reason; such as these trust too much in themselves and their own efforts and not enough in God."

August 29, 2011 / Public

Blessed Mother comes as Mary, Protectress of the Faith. She says: Praise be to Jesus."

"Dear children, I have come once again, as the Father, Son and Holy Spirit allow, as Protectress of your Faith. Understand that faith is an affair of the heart. Faith does not come from the intellect, but is placed in the heart by God. Faith is lost when the heart succumbs to arguments set forth by the intellect and inspired by Satan."

"In the end, nothing is of any account except that which is in the heart; for it is what is in the heart at the moment of death that determines God's Judgment."

"Therefore, you must realize that riches, power or reputation are of no account unless they are used for the common good. Cleanse your hearts of attachment to any of these. Cling to faith, hope and love."

August 29, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, regard the Wound of My Heart. Place all your crosses, great and small, deep within this Wound; there I will transform them into graces, great and small."

"You will be at peace, and I will bless you as I am blessing you with My Blessing of Divine Love."

August 30, 2011 / Public

Blessed Mother is here as Mary, Protectress of the Faith and Refuge of Holy Love. She says: "Praise be to Jesus."

"Today I have come once again to speak to you about faith. Some virtues are very necessary in the support of the faith God places in the heart. If they are not there, faith is like the house that was built on sand that washes away with the first tide of opposition. In order for faith to be strong, it must be supported by the 'rocks' of hope and trust, and the boulder of Holy Love."

"Faith, hope and trust are synonymous in the virtuous life. Holy Love is the stable foundation of these. Without Holy Love in the heart, all other virtues are false and short-lived. This is why My two titles Protectress of the Faith and Refuge of Holy Love belong together. When they are used together, My Heart pours graces into the world without hesitation, and with profound influence upon souls and situations."

"Satan flees most quickly when these titles are used together. Calm is restored. Temptations pass and solutions present themselves. It is in the invocation of these two titles that the soul should then listen to his heart for I am there. Understand, then, how important the use of these titles together is to discernment."

"Understand, as well, how greatly important the same two titles are in restoring the Tradition of Faith to the heart of the Church and the world."

August 31, 2011 / Public

St. Francis de Sales says: "Praise be to Jesus."

"You have received many messages in these last 26 years—too bountiful for someone to summarily dismiss. Just recently Heaven has focused upon perseverance, hope and faith; but you must know by now the greatest of all virtues is Holy Love. Holy Love is the virtue which ignites all the other virtues. If the Flame of Love is extinguished in the heart, all the other virtues fail, as well. Since God is the Source of All Good, it is He Who must ignite the Flame of Holy Love, and place it in the heart; then it is according to free will to 'fan' the Flame and keep it burning."

"All that challenges Holy Love in the heart is from Satan. This is important to accept and to realize. Acceptance and belief in this alone could save whole nations from disaster, wars and terrorism."

"Souls that ask Jesus for assistance in living in Holy Love will receive it. Souls who ask Jesus for deeper personal holiness will be given what they seek. Most do not ask."

"Let my coming here today ignite in every heart the desire to live in Holy Love so that every virtue can be deeper."

"The depth of Holy Love in the heart determines the depth of all the other virtues. The depth of Holy Love in the heart follows the soul into eternity."

August 31, 2011 / Wednesday Service - The Propagation of the Holy Love Messages and the Confraternity of the United Hearts

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

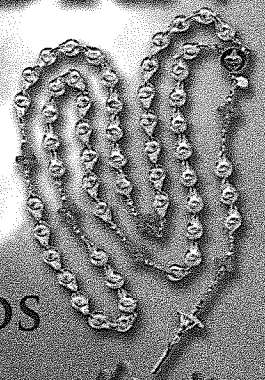

"My brothers and sisters, tonight I have come to encourage you. If you desire holiness - holiness will be yours, for I cannot reject such a request. Petition My Heart, then, and all grace towards your conversion and your holiness will come through the Heart of My Mother."

"Tonight I am blessing you with My Blessing of Divine Love."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

September 2011

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

**We welcome all people of all faiths. Prayer is a universal language.
All who come in pilgrimage here are invited to join us in prayer and
the peace that Heaven offers at this site.**

**BLESSED MOTHER'S NEXT PROMISED MIDNIGHT VISIT
WILL BE ON THE FEAST OF OUR LADY OF GUADALUPE,
DECEMBER 12, 2011**

***Our Lady has revealed to the visionary, Maureen Sweeney-Kyle, that She will
return on the dawning of Her Feast Day of Our Lady of Guadalupe with a
Message to the World.***

Be here by 11:00PM on Sunday, December 11, 2011.

September 1, 2011 / Public

St. Francis de Sales says: “Praise be to Jesus.”

“Do not hold in your heart great affection for worldly esteem or created things. Let Holy Love form in the center of your heart; then, all situations and relationships take on their proper perspective. Give every present moment over to Holy Love.”

“The anatomy of Satan’s attacks is always to destroy the Holy Love in every heart, in every present moment.”

September 1, 2011 / Public

Blessed Mother says: “Praise be to Jesus.”

“My daughter, I have come to address some issues which need resolution. First of all, let Me tell you that the souls highest up in Heaven are the ones that did not judge others. This means they did not rash judge, idly criticize or calumnize their neighbor. If people would confine negative opinions of

others to the person to whom the criticism pertains, there would be far less division in the world. No one would say, ‘I don’t like so and so because...’ This type of comment is not Holy Love. In Holy Love, look for the good in people and speak only well of others. If you have constructive criticism, go directly to the one who needs help - not to several others first.”

September 2, 2011 / Public

St. Francis de Sales says: “Praise be to Jesus.”

“I have come to help all to realize how important Holy Humility is to the spiritual realm. Humility and love are always together in order for all the other virtues to be genuine. Holy Love opposes inordinate self-love which is the undoing of personal holiness. The more the soul disengages self-centeredness, the deeper he is able to go into the virtuous life.

The more the soul loses himself in love of God and neighbor, the deeper he is in faith, hope and love. Therefore, you see how important humility is in the embrace of faith, hope and love."

"But understand that every virtue descends into the heart from God. Therefore, the soul should not be remiss in praying daily for a deepening of faith, hope and love - and humility - in his heart; then all the virtues will follow and deepen."

September 2, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I have come that ALL PEOPLE AND EVERY NATION be reconciled with the Divine Will of My Father through Holy Love. Those who oppose this - those who oppose Me - are instruments of EVIL."

"Propagate the Messages of Holy Love, and be My instruments."

"Tonight I'm extending to you My Blessing of Divine Love."

September 3, 2011 / Public

St. Francis de Sales says: "Praise be to Jesus."

"Holy Love is the basis of all holiness. It follows, then, that flaws in Holy Love are the basis of all evil. If you apply this premise to events occurring in the world today - even to some false religions - it should substantiate the validity of what I am saying. This premise should make clear to all who accept it - which political leaders to trust or to distrust."

"Holy Love needs to be the deciding factor in all thoughts, words and deeds. Holy Love should be the decision maker - the grounds for your next action - your next decision. If it is not so, then evil has crept in."

"To choose Holy Love in such a way would bring an end to war, terrorism - even persecution. It would bring peace to the world."

September 4, 2011 / Sunday Service - The Triumph of the United Hearts both in Hearts and in the World; Unity in Families

St. Joseph is here and says: "Praise be to Jesus."

"Establish within your hearts, and then within your families, the domestic church. Teach your families the fundamentals of the faith, how to pray and how to love God and neighbor. You will be blessed. Do not depend on outside sources to do so."

"I'm extending to you my Fatherly Blessing."

September 5, 2011 / Public

"I am your Jesus, born Incarnate."

"Today I have come to invite everyone to become laborers for the Kingdom of God. Help Me to reinforce faith with these Messages of Holy Love. Do not fear provoking controversy - even persecution. I have walked that path before you."

"Your position must be to spread the Message. It is free will that determines how it is received. Great changes must be effected in hearts to change what is coming - even to mitigate it. Pray for all unbelievers - most especially those who spread error."

September 7, 2011 / Public

"I am your Jesus, born Incarnate."

"I invite all to understand that My Mother's Heart is the

Mediatrice of all grace. Since virtue is, in itself, a grace from God, it follows virtues are passed into the soul through the conduit of My Mother's Immaculate Heart."

"It follows, as well, that as Refuge of Holy Love, the virtues can be protected in the Heart of My Mother. Remember, the virtue of Holy Love is the basis of all virtue. The depth of Holy Love in the soul determines the depth of every virtue."

"My Mother's Heart can be likened to an impregnable fortress against evil. The spiritual life of each soul can only benefit from Her intercession."

September 8, 2011 / Public

"I am your Jesus, born Incarnate."

"I have come, as always, to persuade souls to their conversion. I invite souls to understand that while My Mother is Protectress of the Faith and Refuge of Holy Love, She is also Protectress and Defender of All Virtue."

"Therefore, seek your own moment to moment conversion - your own personal holiness - with a sincere heart. Surrender your virtuous life to the maternal charge of your Heavenly Mother. It is within the sanctuary of Her Heart no marauder can break in. My Mother's Heart is pure love. It is a hospice of truth. It is through the mediation of Her Heart all good flows according to My Father's Divine Will."

September 8, 2011 / Public

St. Thérèse, the Little Flower, says: "Praise be to Jesus."

"I have come at the command of Jesus to give messages to the world concerning the virtue of humility. As you know, humility and love must be together in the soul for all the virtues to deepen and be genuine. False virtue is practiced for others to see. Genuine virtue is in the heart, and is strengthened by God in and through the Holy Spirit according to God's Perfect Will."

"The humble soul desires littleness, hiddenness and relishes the last place. In humility, the soul does not seek recognition or attention of any kind. The humble soul desires littleness. Therefore, the humble one does not search out importance in the eyes of man, but seeks importance in the Eyes of God."

"A good barometer of humility, then, is how little you concern yourself with what others think of you. The humble soul considers concern about reputation a distraction."

September 9, 2011 / Public

St. Thérèse, the Little Flower, says: "Praise be to Jesus."

"I have returned, as promised, with words concerning humility. The soul who seeks deeper holiness must seek deeper humility. True humility does not consider cost to self, but always places God and others first."

"Humility is truth itself. Therefore, the humble soul can look with honesty into his own heart. In doing so, he recognizes not only his failings, but also his strong points. He is willing to risk his reputation for the sake of helping others. Consequently, he is not afraid to justly correct someone if he sees them in spiritual error."

"In truth, the humble soul does not rash judge. He never sees his opinion as judge and jury. He opens his heart to the facts. He humbly makes allowances. He never presumes to have perfect discernment."

"Humility has many aspects. The truly humble person never sees himself as humble, but always seeks to be humble."

September 9, 2011 / Public

"I am your Jesus, born Incarnate."

"Today I have come to ask souls to pray this way as a means of deepening their personal holiness:"

"Dear Immaculate Heart of Mary, Protectress of Faith and Defender of All Virtue, Refuge of Holy Love, take my heart and place it under Your Maternal gaze."

"Protect the virtues I am seeking to perfect. Help me to recognize any weakness in virtue and to overcome it. I surrender my virtuous life to Your charge. Amen."

September 9, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I have come to tell you that this MISSION [Holy Love], as it stands here today, consoles My Mother's Sorrowing Heart in these troubled times. Further, I tell you that the prayers that have been offered here at this site and continued to be offered here, were My consolation during My Passion. Never be discouraged in coming here to pray. Continue in Holy Boldness."

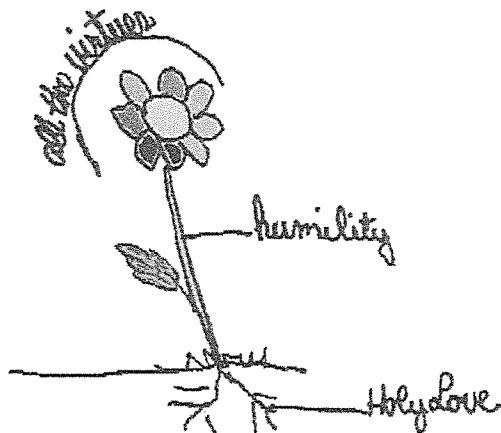

"I'm imparting to you My Blessing of Divine Love."

September 10, 2011 / Public

St. Thérèse, the Little Flower, says: "Praise be to Jesus."

"Today, once again, I have come to address the topic of humility. There is no genuine holiness or virtue aside from Holy Love and Holy Humility. Humility is like a mirror which reflects all the other virtues. Humility is like a light that shines through every virtue. If personal holiness were compared to a flower, the bloom would be all the virtues, the stem would be Holy Humility, bringing life to the bloom. The roots would be Holy Love; for all virtue - if it is genuine - is rooted in Holy Love."

"You'll notice I continue to make reference to genuine virtue. This is because many are tricked into thinking they are holy and virtuous, while at the same time, they criticize and rash judge others. Humility and love let God be the Judge. Humility always considers others more holy than himself. God does not look at the outer vestiges of the soul, but always at the heart. That is why humility always takes the last place, and never presumes to be more than he is. This is a great test of true virtue."

September 11, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come as your country commemorates the events of 9/11 so many years ago. I would be remiss if I did not point out to you that the greatest threat still remains in your midst, ready to destroy lives, whole nations and life as you know it. This threat is not economic in nature - nor is it terrorism, a natural disaster or some cosmic event. The greatest threat to your peace and security around the world is the evil that is in hearts."

"It is this evil which brings about all these other catastrophes as God allows. Evil opposes truth; the more truth is compromised in hearts, the more distant the human free will from God's Divine Will."

"This is why this Mission is focused on Holy Love in the heart, for Holy Love is Truth. All other paths lead away from the truth and destroy right reason in the heart."

"Each individual and all of mankind still have time to change course. Choose wisely according to Holy Love. The future depends on it."

September 12, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, realize that each present moment is a new opportunity for a deeper conversion, deeper sanctification and a deeper journey into Our United Hearts. Take advantage of every grace in every present moment."

"Tonight I'm extending to you My Blessing of Divine Love."

September 15, 2011 / Midnight Service in the United Hearts Field - Feast of Our Lady of Sorrows

(This message was given in multiple parts.)

Blessed Mother says: "Praise be to Jesus."

"Dear children, I come to you once again seeking the conversion of all hearts, for it is that which hearts embrace which determines the course of human events. These days mankind has made a god of his own ingenuity. With his own human intelligence, he hopes to predict and to prepare for whatever the future may hold."

"God has established this Mission here in the center of controversy and confusion so as to inspire souls to their conversion through the truth of Holy Love. The only preparation that is necessary is Holy Love in your heart. Herein lies your passport to salvation. Holy Love in the heart is an imperative necessity. Other needs that may present themselves must be entrusted to God's Provision."

"Dear children, on the subject of obedience, you must obey God and His Commandments first and foremost. Do not pledge allegiance to anyone that proves himself disrespectful of God's Laws. Calumny, rash judgment, transgression of the truth, theft in office - all of these still remain sin in God's Eyes no matter the compromise man may reserve in his heart. Therefore, be careful that you do not place your confidence in a Judas spirit. Search out the truth and support the truth according to Holy Love."

"Once again I tell you, I come for the welfare of every soul no matter his station or posture in the world. God's Commandments are binding upon all nations and every people. So it is, I call each one back to Holy Love. Truth will never change because of public opinion. Truth remains the truth. Holy Love remains God's Law and Truth itself."

"The impact of this Mission is meant to change hearts - to

turn hearts towards their conversion through these Messages of Holy Love - and the many supernatural graces abundant and evidenced here. The Mission is here in this present time to effect conversion of whole generations, nations and ideologies. Holy Love must not know boundaries."

"If you will listen, you will have no more wars or violence. You will not fear the future but begin to love God's Holy and Divine Will. Then all of nature will once again reflect mankind's coalition with the Eternal Now, and natural disasters will wane; but, dear children, you must listen. You do not have time to compromise. Be united in the truth. There is no truth in compromise."

"During these times when every sort of spiritual challenge weighs upon the heart of the world, it is necessary that every heart become an ark of Holy Love. This is the way to ride out the storms of controversy which oppose this Mission and your own salvation. If your heart is not secure in this ark of love, your faith will surely be washed away and you will drown in Satan's lies."

"Most do not see or even consider the effects of the spiritual chastisement which God is allowing to take place today; but you, My children, have been given the remedy in Holy Love. You have been given the defense in My titles, **Protectress of the Faith, Defender of All Virtue and Refuge of Holy Love**. You understand the scope of Satan's power - politically, economically, and most of all, spiritually. I am depending on you to give others the protection of My Immaculate Heart by sharing these Messages."

"Dear children, many of you seek in your hearts information about future events. Realize that you can put much effort into what you perceive as future needs. Tonight I desire you realize that the spiritual chastisement is at hand. Long standing establishments of faith are now divided and compromised. The most intense part of this spiritual chastisement is yet ahead. You will not be ready to discern the truth unless you make of your own heart a little refuge of Holy Love. This is how to prepare. Only then will you know the truth and whom to trust. The faith in your heart should be your primary concern - not your physical well-being."

"I am your Protectress, your Defense and your Refuge."

"Dear children, do not allow My Tears tonight to fall in vain. I desire that every heart here be transformed through this Mission and through these Messages of Holy Love. Let your hearts be Holy Love. No longer fear what is to come, but in the present be Holy Love to all those around you."

"I am taking all of your petitions with Me tonight to Heaven, and I am blessing you with My Blessing of Holy Love."

September 15, 2011 / Feast of Our Lady of Sorrows

Blessed Mother says: "Praise be to Jesus."

"Today My Heart is sorrowing for the course of human events that lies at hand. If hearts are not prepared in Holy Love, they will suffer with greater intensity, for they will not have the consolation of My Heart. This is why I come - to support and console you, My children, in your hour of need."

"Here at this site, Heaven has touched earth. Allow Me, your Sorrowing Mother, to touch your heart. Allow Me to touch the hearts of those present around you by your witness to Holy Love. In and through Holy Love, be My consolation to others. By merit of these words, do not fear, but trust. I am always with you."

September 15, 2011 / Feast of Our Lady of Sorrows

Blessed Mother says: "Praise be to Jesus."

"I have come to recount to you the present day Seven Sorrows of My Heart."

"The First is the hearts of unbelievers - most especially those who propagate error."

"The Second is the misuse of authority - politically or ecclesiastically."

"The Third is the disrespect for human life from conception to natural death."

"The Fourth is the obtuse conscience of the heart of the world in discernment of sin, and the difference between good and evil."

"The Fifth is lack of respect for personal holiness."

"The Sixth is neglect of love of God and neighbor."

"The Seventh Sorrow of My Heart in these present days is mankind's indifference towards his own salvation."

"Console Me."

September 16, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, appease My Most Sacred Heart and the Sorrowing Heart of My Mother by propagating the Messages of Holy and Divine Love. Do not worry about what people think of you, nor should you defend the Messages. Just put them into peoples' hands, and pray that they open their hearts."

"Tonight I'm blessing you with My Blessing of Divine Love."

September 17, 2011 / Public

St. Thérèse, the Little Flower, says: "Praise be to Jesus."

"I have come to stress two points in the spiritual journey. The first is that the virtues are like the vitamins of the soul. The second is that God will take you deeper into the virtuous life if you ask it of Him."

"In all of this, see the importance of the desire to go deeper into the virtuous life."

September 18, 2011 / Public

Present Day Seven Sorrows of Blessed Mother's Heart

1. Hearts of unbelievers - most especially those who propagate error.
2. Misuse of authority - politically or ecclesiastically.
3. Disrespect for human life from conception to natural death.
4. The obtuse conscience of the heart of the world in discernment of sin, and the difference between good and evil.
5. Lack of respect for personal holiness.
6. Neglect of love of God and neighbor.
7. Mankind's indifference towards his own salvation.

- Blessed Mother 09/15/11

9/18/2011 / From Blessed Mother

"When meditating upon each of these Sorrows, say one Our Father, one Ave Maria (Hail Mary), and one All Glory Be."

September 19, 2011 / Public

St. Michael says: "Praise be to Jesus."

"These days people, for the most part, do not pay heed to what spirit is inspiring their thoughts, words and deeds. This is the reason Satan holds sway over so many hearts and so many situations. Mankind is never given the present moment to fritter away on worldly and selfish desires, but to fulfill God's Will and to serve his neighbor."

"Events are unfolding now which will test hearts and fulfill ancient prophecy. Those that do not embrace Holy Love will lack understanding. Many will be gripped by fear. Pray for your leaders in religious circles and in governments that they will pay heed as to what spirit they follow."

September 19, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, I'm taking all your petitions into My Sacred Heart where My Father will consider them in accordance with His Divine Will."

"If you were to ask Me how best to propagate the Messages of Holy and Divine Love, I would tell you simply - 'Be the Message'."

"Tonight I'm imparting to you My Blessing of Divine Love."

September 20, 2011 / Public

"I am your Jesus, born Incarnate."

"I have come to help all to see that no one can enter eternal life outside of purification. Holy Love is the means of purification. This is why this Mission is so much a preparation for the New Jerusalem, both in Heaven and on earth."

"These days people invest great efforts into preparing for what they think will be their physical needs in the future. Holy Love must be their spiritual portion now and in days to come. The signs are all around you of My Return. Do not let the enemy distract you from the only preparation that counts; that is, Holy Love in your heart."

"Holy Love is the Rapture;* your flight away from all that is evil; your escape in difficulty; your refuge of safety. Do not fear but trust."

**Rapture: 1. The state of being carried away with joy, love, etc.; ecstasy 2. An expression of great joy, pleasure, etc. 3. A carrying away or being carried away in body or spirit; now rare except in theological usage; [Now Rare] to enrapture; fill with ecstasy — SYN. Ecstasy; in some Christian theologies, the bodily ascent into heaven just before Armageddon of those who are saved.*

(Webster's New World Dictionary Third College Edition)

September 23, 2011 / Feast of St. Pio of Pietrelcina

St. Pio of Pietrelcina says: "Praise be to Jesus."

"Never be discouraged in a life of sacrifice. Offer each sacrifice with hope - hope that it will bring results according to God's Divine Will. People would not despair if they really understood the workings of God's Will."

September 23, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the path I walked while on earth was strewn with many crosses, obstacles and victories. You must follow Me in My Footsteps, bearing with every cross, no matter how great; and celebrating every victory, no matter how small."

"Tonight I'm imparting to you My Blessing of Divine Love."

September 25, 2011 / Public

"I am your Jesus, born Incarnate."

"It matters - the disposition of the heart - in the very smallest of matters. If the smallest and most insignificant thing is given to Me with great love, it becomes great in My Eyes. This is how the boredom of routine can become a great vehicle of conversion for many. It is likewise how the smallest inconveniences can save souls and turn hearts back to Me."

"So you see, the depth of Holy Love in your heart is significant, not only as you draw your last breath, but in every present moment."

September 26, 2011 / Public

"I am your Jesus, born Incarnate."

"You are asking Me about the statement I often make - that people sometimes trust too much in themselves. This is a form of spiritual pride when it concerns spiritual matters. In effect, the soul takes credit for the gifts of the Holy Spirit for all his spiritual inspirations, and for any degree of holiness he has arrived at."

"Spiritual pride makes the soul believe that his 'inspirations' are always from Heaven and always correct. You can see how distasteful this is to Me, and what an easy doorway this pride is for Satan."

"The spiritually humble puts himself last - leading the soul to serve others and trying to deflect attention from himself. Holiness founded on spiritual pride is a false holiness, and will eventually be exposed by truth."

September 26, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite you once again to trust in My Mercy and Love; for these two can be likened to the yarn that is weaving together the fabric of My Father's Divine Will for the future of the world."

"Tonight I am blessing you with My Blessing of Divine Love."

September 28, 2011 / Public

"I am your Jesus, born Incarnate."

"I wish to describe to you the attributes that a good leader should have, whether in government, church circles or any position of authority. First and foremost he must not compromise the truth. He should always try to please God first, and neighbor second. In so doing, the worthy leader never looks towards his own gain. He would never misuse his authority as a means of control or material gain."

"In standing always for the truth, a good leader does not safeguard his reputation through compromise. He regards the welfare of those under his authority as his genuine responsibility, and never tries to hide the truth behind false pretenses. Therefore, he has no hidden agenda."

"In humility, a worthy leader recognizes his place before God, and seeks God's help always."

September 29, 2011 / Public

St. Michael says: "Praise be to Jesus."

"I am Michael, the great one whom God has made great. In Him all things are made possible. I have come to redirect free will so that mankind will learn to recognize evil and avoid it. These days it is true that sin has been made legal, making it seem justifiable, and in many cases, demanding it be tolerated. I am speaking of abortion, same sex marriage and legal rights towards homosexuality. These carry a great burden towards God's Justice in the future. These are an abomination."

"God's children must recognize Satan's attacks. The war upon morals is every bit as threatening as the war on terror. The moral degeneration of the world populace is not as visible as a terror attack, but just as devastating. Moral degeneration weakens governments and religious institutions. It compromises the once just and noble heart and convolutes the truth."

"Even this Mission, which stands for the truth of Holy Love, has been misrepresented as not worthy of belief. Do not - Man of Earth - let opinions and judgments keep you away from the truth; too much is at stake."

"Pray for my protection daily. I will place my Shield of Truth over you, and defend you in Satan's assaults upon the truth."

September 29, 2011 / Public

St. Michael says: "Praise be to Jesus."

"A good and worthy leader does not let self-interests influence his policies or decisions. He cares only how he impresses God and serves his neighbor."

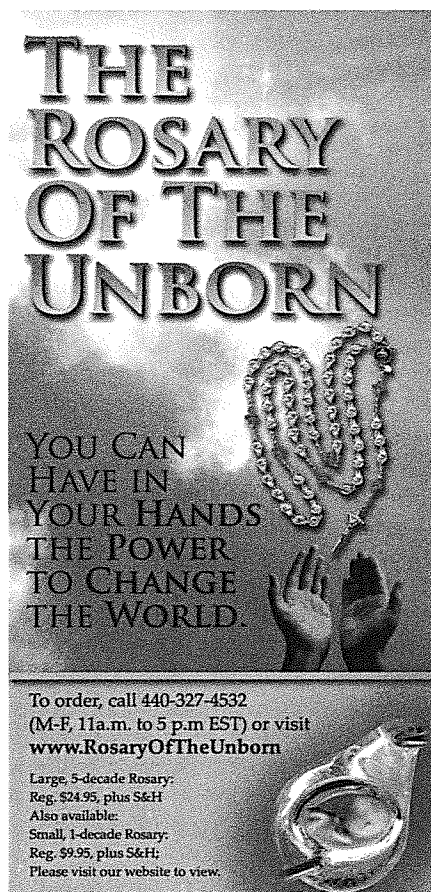

"Whole nations could benefit from following this advice."

September 30, 2011 / Friday Service - For those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when you arise in the morning, surrender the entire day to the Eternal Divine Will. Surrender your trials, your victories, every little sacrifice, all the ups and downs, ins and outs, relationships with people - everything. For this is the way to make your whole day a prayer. This is how you pray always."

"Tonight I am blessing you with My Blessing of Divine Love."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

October 2011

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

**We welcome all people of all faiths. Prayer is a universal language.
All who come in pilgrimage here are invited to join us in prayer and
the peace that Heaven offers at this site.**

**BLESSED MOTHER'S NEXT PROMISED MIDNIGHT VISIT
WILL BE ON THE FEAST OF OUR LADY OF GUADALUPE,
DECEMBER 12, 2011**

**Our Lady has revealed to the visionary, Maureen Sweeney-Kyle, that She will
return on the dawning of Her Feast Day of Our Lady of Guadalupe with a Message
to the World.**

Be here by 11:00PM on Sunday, December 11, 2011.

October 1, 2011 / Public

I (Maureen) was telling Blessed Mother that I couldn't believe it was Fall already, and that She had brought us through another whole season of pilgrims and of tourists. Our Lady appeared, smiling. She said: "Praise be to Jesus. I like how you put that - 'pilgrims and tourists'. There is a big difference, you know."

"The pilgrim is here to draw deeper into the Chambers of Our United Hearts. He is here for his own holiness, to please God and to pray for others. The tourist, on the other hand, comes to inspect the site, to examine the exterior phenomena - sometimes to criticize."

"This Mission is about the interior life. The tourist misses the point. He is not that interested in the Messages or their meaning for himself. The pilgrim allows his heart to be transformed by Holy Love."

October 1, 2011 / Feast of St. Therese of the Child Jesus

St. Therese, the Little Flower, says: "Praise be to Jesus."

"I have come to tell you that the soul can only embrace littleness if he loses sight of himself. This is the way that God can absorb his heart, making it like His Own. This is the path of humility."

"This is the way the soul opens its heart to small sacrifices, making the smallest sacrifice great through the love of God in his heart."

"These Messages - these words - are so basic to sanctity."

**October 2, 2011 / Sunday Service - The Triumph of the
United Hearts both in Hearts and in the World; Unity in
Families**

St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, join me often throughout the day in praying for expectant mothers who consider choosing abortion over life for their unborn child. They must understand the dire situations that the Most Holy Virgin faced before and after She gave birth to the Infant Jesus; severe persecution by those who didn't understand, birth in a humble stable, and finally the Flight into Egypt; and yet, She bravely pressed on."

"Please join me throughout the day in praying for all expectant mothers, and I will bless you as I am blessing you now."

October 4, 2011 / Feast of St. Francis of Assisi

St. Francis says: "Praise be to Jesus."

"The Lord [as he says this, a light shines around him] desires to work with every soul towards acceptance of His Most Perfect and Holy Divine Will, whether it be the cross or victory. All events are woven together towards this end."

October 4, 2011 / Feast of St. Francis of Assisi

St. Francis says: "Praise be to Jesus."

"You are asking me what it means to be poor in spirit. This means detachment from anything of the world – be it riches, power, reputation, human intelligence or the like."

"Holy Love calls souls to be poor in spirit."

October 5, 2011 / Public

St. Faustina says: "Praise be to Jesus."

"This Ministry is a reflection of God's Mercy on earth. Anywhere God's grace is evident, you will witness His Mercy. Also, people must realize that the Illumination of Conscience – be it great or small – is God's Divine Mercy in action."

"Do not fear God's Justice so much as you delight in His Mercy. Every small act of mercy you give to others strengthens the Remnant Faithful. Be encouraged in this."

October 6, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come once again to speak on humility. The Flame of My Heart purifies the soul in Holy Love. The soul must, however, plunge himself willingly into this Purifying Flame which requires humility."

"The humble heart does not pass through the Flame with any attachments to the external world or any love of his own opinions or his reputation. Everything must be resolved and transformed into Holy Love. The more humble the heart, the quicker his journey through the Flame of My Heart."

"It is that first call to the soul which, in humility, must not be ignored, but acted upon. This is why it is so important that souls do not allow themselves to slip into self-righteousness. The self-righteous soul does not see the need for self-improvement. He smugly clings to where he is, and only sees errors in others."

"In the end, when the spiritual journey is over, all souls must pass through the Flame of My Heart. It will no longer be a matter of who is right and who is wrong, but of how pure the Holy Love is in the heart of each soul. Comprehend this, then, in every present moment."

October 7, 2011 / Feast of The Holy Rosary

Blessed Mother says: "Praise be to Jesus."

"Please record what I am about to tell you, for it has long been in My Heart. It is through the rosary that the heart of mankind can be reconciled with his Creator. The rosary can bind the Wounds of Our United Hearts. The rosary can reconcile warring parties. The rosary, prayed from the heart, can mitigate future events as yet untold."

"Do not take lightly, dear children, your obligation to the devotion of My Most Holy Rosary. Heaven awaits your prayers."

October 7, 2011 / Feast of The Holy Rosary

Blessed Mother says: "Praise be to Jesus."

"Please realize that every day and every present moment holds special graces for each soul towards conversion, deeper holiness and union with God's Holy and Divine Will. Through devotion to the Most Holy Rosary, the soul opens more readily to these graces, and responds more positively to them."

"This is true, for I am most attentive to the needs of My children who come into My Arms through the prayer of the rosary. These souls receive My Motherly care and protection. I will never abandon them. At their moment of judgment, I am their defense. I give them courage through the grace of My Immaculate Heart."

"The rosary, you see, is the doorway to My Son's Most Sacred Heart – Source of All Goodness."

October 7, 2011 / Friday Service – For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Blessed Mother is here, all in white, and says: "Praise be to Jesus." She is holding the Rosary of the Unborn.

"Dear children, please understand in your hearts that the Rosary of the Unborn holds the key to a more favorable future for your country and the world at large."

"Tonight, My children, I'm blessing you with My Blessing of Holy Love."

October 8, 2011 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to speak to you on the subject of compromise. Truth, you know, is always the truth. It never changes. Compromise, then, is any departure from the truth in thought, word or deed. Satan's invitation to any sin is always through the doorway of compromise. He convinces the soul that sin is not a sin. He argues that the compromise will produce some good fruit. He discourages prayer by belittling the need or the benefits of prayer. He convinces the soul that small sacrifices are unworthy."

"This is why this Mission is all about upholding the truth. Those who oppose the Messages or the Mission have compromised the truth."

October 9, 2011 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"I have come to tell you the reasons why disbelief of the Messages and the Mission itself exist in the world today. These are spiritual pride, spiritual envy and a failure to search out and to recognize the truth."

"Spiritual pride is a smug attitude that believes only in himself – his inspirations. In short, the spiritually proud is self-

righteous.”

“The spiritually envious are those who want to be as holy – as inspired and as believed in – as someone else. These are like ‘wannabe’ visionaries and mystics.”

“Those who fail to search out and to recognize the truth are the ones given over to rash judgment (which is false discernment), compromise and sometimes even calumnies when they propagate error.”

October 10, 2011 / Public

“I am your Jesus, born Incarnate.”

“I desire to seal every heart in truth – the Truth of Holy Love; then even the ones who consider themselves pious, religious and holy, will see the truth and the error of their ways.”

“It is often the ones who are self-righteous that are the most difficult to convert. They are unwilling to look into their own hearts for any error, for they are too self-satisfied. These are the same ones that see errors in everyone else.”

“Often the self-righteous are also self-seeking – holding in their hearts hidden agendas. They may not mind destroying reputations or transgressing laws to achieve self-oriented goals.”

“In all of this, recognize disordered self-love as the culprit, for this is how the obtuse conscience – the false conscience – is formed.”

“Furthermore, self-righteousness is the weapon of choice Satan uses against souls that are climbing the heights of personal holiness. It is an insidious weapon that most often goes unrecognized by the soul who does not examine his conscience.”

“The soul that is unsuspecting of self-error has already succumbed to Satan’s sneak attack. Therefore, always be on guard. Examine your conscience in regards to thought, word and deed often throughout the day – always, always trusting in My Mercy.”

October 10, 2011 / Monday Service – Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I have come to give you My Strength, My Courage, My Holy Boldness – all in DEFENSE of the TRUTH. Do not fear any opposition, but know that you are strong, courageous and bold through Me.”

“Tonight I am blessing you with My Blessing of Divine Love.”

October 12, 2011 / Public

“I am your Jesus, born Incarnate.”

“I have come to tell you that the Thorn which most deeply pierced My Head during My Passion was those who worship and esteem human intellect above any grace or even My Father’s Divine Will.”

“This is a grave temptation to many who hold positions of authority for they come to believe in and rely on themselves more than God.”

October 13, 2011 / Public

Blessed Mother says: “Praise be to Jesus.”

“My last public appearance in Fatima was marked with

many miracles given in support of the message. Yet, those in strategic positions of power failed to act upon Heaven’s profound intervention in time to save lives and souls. Today, at this apparition site, once again profound miracles are taking place. Yet, the ones in positions of influence fail to condone Heaven’s intervention and do, in fact, oppose and mislead the multitude. The Messages, in and of themselves miraculous, have become the subject of controversy.”

“I do not come to complain but to warn. Learn from mistakes in the past. Return to the truth which must be in your own hearts before it can be in the world around you. Allow the graces Heaven offers here to make a difference in your hearts and in your lives. Do not wait for endorsements that too often come too late. Realize that Holy Love is the embodiment of the Ten Commandments.”

“Today I weep at the Foot of the Cross and await the return of each one of My children to comprehend that Holy Love is the ongoing present day Fatima.”

October 14, 2011 / Public

St. Margaret Mary Alacoque says: “Praise be to Jesus.”

“I have come to help you to understand the significance of the virtue of Holy Love in your heart when you pray. The deeper the love in your heart, the more your heart resembles the Sacred Heart of Jesus. The greater the Holy Love in your heart, the more the prayer is illuminated, and illuminates the world it comes into; then, our Heavenly Mother can spread the light of such a prayer all over the world, illuminating hearts with the truth.”

“You do not see the good fruits of the Holy Spirit – the Spirit of Truth – in the world today, for Holy Love is snuffed out in hearts and in the world. This determines the course of human events. God desires to illuminate the arrogant free will of man with the brilliant Light of Truth through your loving prayers.”

October 14, 2011 / Friday Service – For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, if you truly believe in what Heaven is doing here [Holy Love Shrine], then you are obligated to lead consecrated lives – lives steeped in Holy Love. Do not be so foolish to wait for approvals and endorsements. Pray the Rosary of the Unborn. Make all your sacrifices and prayers arise from hearts full of Holy Love. For I tell you, this is the only way to mitigate My Justice now.”

“I’m blessing you with My Blessing of Divine Love.”

October 15, 2011 / Feast of St. Teresa of Avila

St. Teresa of Avila says: “Praise be to Jesus.”

“I have come to discuss once again the virtuous life. Hope is the foundation of peace in the present moment for a secure future; but those consecrated to the United Hearts must do more than hope in God’s Mercy – they must trust in God’s Mercy. Hope that is not enveloped in trust is superficial, for it is trust which lends stability to hope.”

“You can hope that something will come to pass but if you do not trust, your hope will falter. Hope and trust are the benchmarks of faith. Faith is always supported in and through Holy Love.”

October 16, 2011 / Feast of St. Margaret Mary Alacoque

St. Margaret Mary Alacoque says: "Praise be to Jesus."

"From the beginning of time, the Father held the revelation of the Chambers of the United Hearts in the Bosom of His Divine Will, waiting to reveal it to this generation – at this site. The Chambers are a deliverance, a conversion and purification of heart so desperately needed in a world given over to self-love."

"No one can live in Holy Love outside of the Chambers of the United Hearts. Each Chamber is a progression in holy perfection. Every Chamber purifies the soul in the Eyes of God, taking the heart deeper into self-knowledge and convicting the soul of all that opposes Holy Love. The Flame of Holy Love that is Our Mother's Heart, burns through each Chamber, for here is an all-consuming, purifying Heart of Love."

"Those who seek personal holiness with a sincere heart may think it is just a journey between themselves and God, but in reality, all who seek personal holiness are plunged into the Chambers of the United Hearts – there to be purified in the Flame of Holy Love, for Our Heavenly Mother is a part of every ongoing conversion."

October 17, 2011 / Public

"I am your Jesus, born Incarnate."

"The secret to peace of heart is surrender to Holy Love in every present moment. I say this, for in your surrender is your acceptance of My Father's Will for you. The Will of My Father is always a refuge of safety and protection. That is why the Chambers of Our United Hearts are, in and of themselves - a refuge, a protection, a shelter - of My Father's Will against all evil."

October 17, 2011 / Monday Service – Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, pray for those who, by their thoughts, words and deeds, oppose the peace in your heart in the present moment. These are the ones who often need the most prayer. Do not let them, by way of their opinions and actions, take the Holy Love from your hearts in any present moment. Pray for them."

"I'm blessing you with My Blessing of Divine Love."

October 18, 2011 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to enlighten the world concerning the revelation of the United Hearts. As still further has been stated, God's Love and His Mercy are one – always united. It is also true that the Cross and the Victory are one – never separate."

"This comes to life for you in the recitation of the Chaplet of the United Hearts. You pray in honor of the Sacred Heart of Jesus and the Immaculate Heart of Mary, Who in the end will triumph and reign. You then meditate on the Passion of Our Lord and the Sorrows of Mary. The last meditation is in Atonement to the Two Hearts. It is such atonement that will usher in the Triumph of the New Jerusalem."

I ask: "Why are you sweating?"

He smiles. "It is the Fire of the Holy Spirit which causes this."

October 19, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"The Flame of Purification, which is the Flame of My Immaculate Heart, is also the Flame of Victory. This is true, for each soul's victory is in his own purification and perfection in Holy Love. Therefore, the more the soul plunges himself into the Flame of My Heart, the holier he is, and the more he resembles Holy Love."

"Each soul's victory is in his own purification."

October 20, 2011 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"Please regard the oyster I am holding. On the outside, the shell is rough - unattractive; but on the inside, if you search you might discover a precious pearl. It is so with souls, as well. Often the roughness of character that presents itself outwardly belies the empathy, wisdom and Holy Love that is below the surface."

"Think, as well, about the present moment. Too often it presents itself as difficult, unattractive and filled with obstacles. Yet, I tell you, just as the oyster holds secret treasures, every present moment holds the grace of salvation, personal holiness - even sanctification. No present moment is devoid of grace. Every present moment comes wrapped in God's Will just as the little pearl, deep in the oyster, is God's Will."

October 21, 2011 / Friday Service – For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, in every trial and difficulty ask Me to show you the nugget of grace within situations and the hearts of people involved."

"This is the way to go deeper into holiness. This is the way to accept My Father's Will for you."

"Tonight I'm extending to you the Blessing of Divine Love."

October 22, 2011

St. Catherine of Siena says: "Praise be to Jesus."

"Complete surrender is the passkey to sanctification. This is because complete surrender is complete acceptance of God's Will. When you can accept God's Will, you are living in God's Will – you have surrendered to God's Will."

"No one can enter the New Jerusalem outside of God's Will. As Holy Love is God's Will, each one must surrender to Holy Love."

St. Francis of Assisi says: "Praise be to Jesus."

"I have come to assist souls deeper into personal holiness. No one can progress deeper into the United Hearts without going deeper into Holy Love and Holy Humility. These two - humility and love - are the key into the deepest recesses of the United Hearts."

"Therefore, souls need to pray daily that these virtues are strengthened, and to discover any weaknesses therein. Once again, I point out that self-knowledge lights the way on the pathway of holiness. Do not waste the present moment

looking at your neighbor's faults. Pray for the Holy Love and Holy Humility to look into your own heart."

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the best and most difficult sacrifice to make is the surrender of your free will to the Will of My Father. This is the path of perfection and sanctification."

"When you think of the Mysteries of the Rosary, see that they reflect - each one of them - this surrender of the free will."

"Tonight I'm imparting to you My Blessing of Divine Love."

October 25, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, dear children, I invite you to realize that it is mankind's departure from the truth which is ushering in God's Justice. Even the smallest lie offends God and removes the soul from the fullness of grace; but these days, the evil of untruths convolutes the reality of sin. Sins have become controversial and political issues. Here I speak specifically about abortion and homosexuality. Satan twists sin into freedoms, and people do not use God's laws to discern the truth."

"It should not surprise you, then, that this Mission, which is founded on truth itself, should be assaulted by lies. It is each soul's responsibility before God to search out the truth - not only in regards to this Mission but in every life situation. Dear children, always decide in favor of Holy Love for this is the choice of righteousness and truth. Do not let human choices and allegiances lead you away from the truth."

"If you embrace the spirit of lies over small issues, you will not be strong enough to stand for the truth in greater issues. The day comes for each soul when the test affects his eternity."

October 28, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"Today I come to you as *Defender of All Virtue*. I remind you that every virtue is founded upon Holy Love. Therefore, it is the depth of Holy Love in the heart which determines the depth of every virtue. When the virtuous life is attacked or weakened, it is always due to some weakness in Holy Love. This is why My Defense of All Virtue is so closely linked to My title of *Refuge of Holy Love*."

"Virtues become diluted through disordered self-love. There is a constant battle in every heart between this inordinate self-love and Holy Love. The choices of free will in this regard determine the depth of virtue in the heart. Souls must realize this in order to progress in holiness."

"So often false virtue enters the picture which is virtue practiced for others to see or towards some self-gain."

"Souls must never judge the virtuous life of another unless he has been placed as guardian of that person's spirituality. Strengths and flaws of the virtuous life are between the soul and God. Therefore, do not make statements such as '*He is proud*' or '*He is disobedient*'. Most often you do not have all the facts, but God does. This is a snare of Satan."

"Work out your own spiritual journey, and in humility pray

for those who do not actively seek the virtuous life. These, too, are My children."

October 28, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, pray from the heart to become more holy. Each soul needs to pray this way. Ask and you shall receive."

"Tonight I am imparting to you My Blessing of Divine Love."

October 29, 2011 / Public

"I am your Jesus, born Incarnate."

"Now I desire to speak to you further regarding truth. The enemy of Heaven's Mission here either does not search out the truth or purposely convolutes the truth with misinformation."

"These are the ones who either regard themselves as righteous and holy or do not desire deeper holiness and, therefore, do not recognize the jewel of spirituality offered here. The self-satisfied smugly think they have all the answers and are content in their misbelief."

"Those who have no desire to be holy or more holy simply have no interest in Heaven's timely intervention. Both of these - the self-righteous and the disinterested - are the unbelievers that pierce My Mother's Heart and weigh upon My Heart."

"Pray that truth comes alive in all hearts."

October 30, 2011 / Public

Blessed John Paul II says: "Praise be to Jesus."

"The saints would never have achieved sainthood if they had not desired personal holiness. Not only did they desire holiness, but they burned with the desire to increase in holiness. They were never complacent or self-satisfied in their spiritual journey."

"The difference today is a relative few nurture this desire in their hearts. When problems arise, they are consumed by the problem. God's Will is not part of their heart. Many prayers are rendered fruitless for they are offered out of fear and worry instead of trust."

"The desire for an ever-deepening relationship with God needs to begin with Holy Love, which calls for a surrender of free will. When free will is surrendered to the Divine, God inspires the soul to step away from love of the world, and all its entrapments, to love of God and neighbor. The more he surrenders, the more he desires holiness."

October 31, 2011 / Public

"I am your Jesus, born Incarnate."

"Trust is the fuel of Holy Love within the soul. Without trust, the Flame of Holy Love is extinguished. When trust is under attack, it is as though the Flame of Love is being smothered by fear and anxiety."

"The courage to persevere in trust fans the Flame of Love. When the Flame of Love burns brightly, the love of God's Will and the surrender to God's Will is most evident. Without courageous trust, surrender to God's Will is impossible."

"This surrender is from moment to moment in the midst of

great difficulties. It is during such trials the soul needs to pray for courageous trust."

"Remember, My Father's Will is always what is towards your welfare."

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when you arise in the morning, surrender your hearts to Our United Hearts wherein you will be protected and safeguarded against evil; then I will extend to you the Blessing of Our United Hearts, and you will be at peace."

"Even now tonight I extend to you My Blessing of Divine Love."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

November 2011

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

**We welcome all people of all faiths. Prayer is a universal language.
All who come in pilgrimage here are invited to join us in prayer and
the peace that Heaven offers at this site.**

Rachel says: "Praise be to Jesus."

"You know me as Rachel. When I was in Purgatory, I was greatly helped by your prayers and the prayers of those you informed about me. I have been allowed to return to you today to plead the cause of so many millions still in the bowels of Purgatory that no one prays for."

"You can never offer too many prayers for the poor souls. Purgatory is densely populated. The greatest suffering of these souls is to be separated from the Trinity Whom they now realize to be the One Most Worthy of their affection and ardor. It is much like being in prison, longing to go home, but unable to do so."

"The poor souls, whose release you acquire, are ever grateful and pray for your intentions without ceasing. So, you see, we are good friends, both in life and in death. Though the benefits of your generosity towards the poor souls is most often unrecognizable, I tell you, these fruits are all around you. Learn to call upon the suffering souls and souls you assisted in being delivered from Purgatory, as you would your guardian angel."

"These souls can help expedite situations ensnared by Satan's confusion. They can bring the light of truth into darkness. They can encourage in righteousness those tempted to sin. In short, such souls are strong intercessors between Heaven and earth."

"Once again, I come to thank all who prayed for me. Please know I am your Rachel - your intercessor before the Throne of God."

November 3, 2011 / Feast of St. Martin de Porres

St. Martin de Porres says: "Praise be to Jesus."

"I have come to offer some guidelines towards personal holiness. Never seek to be important or held in esteem in the eyes of man. Let suffering and good works be always in the background. To be patient is a sign of great humility."

"Always be a good listener. Be generous in expressing gratitude and in offering compliments when they are due. Be prudent in the time and place, even of constructive criticism."

"Always search for ways to help others; not so as to receive their indebtedness, but so as to be 'Jesus' to them."

"Prayer is a generous gift to be given in the silence of your heart."

November 4, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, in order for souls to come deep within My Divine Heart, they must purge themselves of every affection which is outside of Holy Love; then I will totally possess them and they will completely possess Me."

"Tonight I am blessing you with My Blessing of Divine Love."

November 5, 2011 / Public

St. Michael says: "Praise be to Jesus."

"I am Michael the Archangel. I come to enlighten you, and all, concerning truth. When my Shield of Truth passes over a soul, he is enlightened as to the truth, and the truth that is in his heart is safeguarded; but I have not told you about my sword. The tip of my sword plays an integral part in bringing about the conversion of a heart. It is my sword which pricks the heart and convicts the soul in the truth."

"Many today have had the truth revealed to them, and yet do not stand convicted of the ways in which they do not live in the truth. It is this conviction of heart - this piercing of the heart - that redirects souls on the path of righteousness."

"You see, this is not only my effort in piercing the heart, but a movement of the free will to allow it."

November 6, 2011 / Public

St. Michael says: "Praise be to Jesus."

"The Lord desires that I speak to you once again about conversion of heart. Every soul at some point in time is given the grace of an illumination of conscience; that is to say, spiritually my Shield of Truth is placed over them. Whether or not the soul allows my sword of conviction to penetrate his heart is according to his own free will."

"When the soul refuses to accept the truth as it applies to himself, he is, in effect, exonerating himself of any faults, failings or iniquity. He does not repent, therefore, and is not cast into God's Ocean of Mercy. He rejects conversion of heart and his own salvation."

"Once the sword of conviction is allowed to prick the heart, however, the soul must trust in God's Divine Mercy. He must not allow Satan, the accuser, to over and over accuse him of past sins - sins already deposited in the bank of mercy."

"Jesus sends me to you to explain in more depth the process of conversion; for so many come to this site are given an illumination of conscience in truth, but refuse the sword of conviction - falsely discounting any error on their part. Pray that my sword of conviction bears fruit."

November 6, 2011 / Sunday Service - The Triumph of the United Hearts both in Hearts and in the World; Unity in Families

St. Joseph is here and says: "Praise be to Jesus."

"Tonight, my brothers and sisters, I am asking each family to place devotion to the United Hearts at the center of their family's spirituality; for this journey is the sure path to personal holiness and salvation."

"Tonight I am glad to impart to you my Fatherly Blessing."

November 7, 2011 / Public

Alanus (My Guardian Angel) says: "Praise be to Jesus."

"I have come to enlighten you as to the action of angels in your life and in the world today. Because we abide in Heaven, we are not constrained by time or space. This allows us to be in many places at the same time. We can move instantaneously between Heaven and earth. So it is, that your petitions are carried instantaneously from your heart to the Heart of God."

"We [the angels] are permitted to disguise ourselves as mortal beings in order to redirect free will or to initiate actions towards the fulfillment of God's plans."

"We most often counter evil forces that threaten eternal life, and help the undecided to determine the path of righteousness. We can bring to fulfillment God's plans, thwarting mankind's evil inclinations by our influence."

"The most important point I make today is that people need to believe in the angels. The greater your faith in us, the more power we have to act. Thousands upon thousands of angels are present here on this property. They often appear as glittering lights."

"Ask them to assist you."

November 8, 2011 / Public

Alanus (My Guardian Angel) says: "Praise be to Jesus."

"Once again I come to you to explain the action of angels in the world today. Sadly, angels can offer the most profound influence, but if the heart has been given over to evil, good inspirations will be quelled."

"Angels are most active today around bodies of government where hearts are challenged to make evil decisions which affect thousands of people. Where there are thousands from the celestial court, there are also minions from Satan's domain. These battles are becoming most apparent these days through mass media and the electronic age."

"This is why the Lord constantly asks for prayers for the heart of the world. If the heart of the world would convert and live according to Holy Love, the inspirations of God's angels would not be cancelled out by evil; then there would be peace."

"But today, free choice has become its own god. Opinions hold supremacy over God's laws. People believe that if they think something is justified, God will judge their choice as good. This is not so. Many souls are suffering in the afterlife as they believed in themselves first and foremost."

"I am privileged to impart this information to you today. The angels cry out that this be heard. Disbelief in the battle between good and evil makes our job almost impossible."

November 9, 2011 / Public

Alanus (My Guardian Angel) says: "Praise be to Jesus."

"The angels attendant to this property are present to assist those who come along the path of personal holiness. They are eager to help, and often do. Their assistance is most often in the background and goes unnoticed. What seems mundane may suddenly become a significant grace - something that leads the soul into the Chambers of the United Hearts."

"The angels open the 'eyes' of the heart to see what they did not see a moment before. After such graces are experienced, it is the angels who invoke 'Mary, Protectress of the Faith' so that what is given so freely will not be taken away through Satan's doubts."

"Even if unknowing, unbelievers and detractors come here, the angels are doing their work in the background. The soul does not have to see us for us to work towards his holiness. The angels continually pray that souls will be

responsive to grace. Without the positive action of free will, the work of every angel is negated."

November 10, 2011 / Public

Alanus (My Guardian Angel) says: "Praise be to Jesus."

"Today I have come once again to help people understand the role of angels in their lives and in the world at large. The sole purpose of angels is to defend Holy Love in hearts. Yes, angels are known to save mortal lives and to warn and defend people from danger; but it is always, always, so that the soul will have the opportunity to know, understand and accept Holy Love in their hearts."

"As defender of truth, I am, therefore, the defender of Holy Love. Next to the Most Holy Mother of God, I hold Holy Love under my wings. Mary, Defender of All Virtue stands next to me - Her mantle round about me. This is with what esteem God regards the virtue of Holy Love, and with what importance He places upon Holy Love in hearts."

"It does not matter a person's reputation, vocation, wealth or achievements in the world. His eternity is determined by the depth of Holy Love in his heart. Once the heart opens to Holy Love, God desires it be held secure; thus the role of all the angels."

"It is Heaven's hope that souls come to appreciate this and learn to use the angels whenever Holy Love in their hearts is under attack in thought, word or deed."

November 11, 2011 / Public

Blessed Mother says: "All praise be to Jesus."

"Today I come once again to address all people and all nations. Dear children, persevere in your efforts to propagate these Messages of Holy and Divine Love. These Messages, which open a new, yet ancient spirituality to you, are salvific. The one who fears and opposes them the most is Satan. He is using anyone to discourage the power of the Messages. He is using misinformation to confuse those committed to this spiritual journey. There is not a word in the Messages which is untrue or misleading. However, the enemies of this Mission cannot claim this."

"Once again, dear children, I am asking you to choose the side of truth. Let the Messages be your refuge against error and falsehood. During these final days before My Son's return, many who relish prestige are aligned with the enemy of lies. Do not be misled by who is speaking or impressed by nomenclature so much as you are impressed with the truth."

November 11, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I ask you - do not be discouraged in your efforts towards personal holiness along the spiritual journey of the Chambers of the United Hearts. For it is by your efforts, events can be altered

and some mitigated. It is by your efforts in personal holiness that hearts may change."

"So tonight, My brothers and sisters, I'm extending to you My Blessing of Divine Love."

November 13, 2011 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"Today it is difficult at best to know whom to trust. Often events take unexpected turns when the ones you trusted turn against you. It is true in every walk of life and in many circles where people must lead and direct a multitude of others."

"This is why I come to encourage you once again to let Holy Love be the measure of fairness and good will amongst all people and all nations. Those that hold Holy Love in their hearts will not betray righteousness. It is only when Holy Love is compromised that morals are compromised."

"This is a statement about the depth of Holy Love in many hearts today. Most nations suffer moral degeneration. No institution is untouched by compromise. Many who should be energetic in saving souls actually take actions with contrary results."

"The truth is fair game for the degenerate tongue. Only in and through Holy Love can you recognize the depth and motives which oppose Heaven's work."

"I am praying more understand this."

November 14, 2011 / Public

"I am your Jesus, born Incarnate."

"Today you were wondering about the weather. When you arose you saw the gloom and the portend of rain. You wondered when the rain would start and what adverse effect it would have on you; but it is not so important to know the exact minute of the first raindrop - where you will be or what you shall do. In your heart you are ready, and you know things will come together for you as you need them."

"It is much the same way with these times. All the signs are around you - the signs of these last days and of the reign of the Antichrist - the signs of My return. People do not know the exact moment of specific happenings; but just as a weather forecaster predicts rain is in the future, this Mission is here now to predict the last days are unfolding. I prepare you with the umbrella of truth. I warn you to hold tight and do not allow Satan's lies to wash away your faith."

"Holy Love is the high ground you must seek. There I will protect you. The flood waters of confusion will not reach you. In your hearts, you know all is at hand. In your hearts, know that My Provision in every present moment is your consolation."

"You cannot pretend to know the difficulties which lie ahead just as you cannot pretend to know the second the first raindrop will fall. If your heart is prepared in Holy Love, then you must not be anxious concerning that which you do not know and cannot predict."

November 14, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight you experienced inclement weather and storm warnings which, if you heard them, you paid heed to. Yet I come to you over and over and send My Mother and many saints here to warn you of the dangers of these times - of Satan's tactics, his lies and the danger of losing your own salvation. Oh, that so many would take it seriously as they do a passing storm. I pray for this."

"Tonight I'm extending to you the Blessing of My Divine Love."

November 15, 2011 / Public

"I am your Jesus, born Incarnate."

"I come to remind you that Heaven has not established contact here in order to conceal truth to save egos. On the contrary, here the truth is revealed to save souls. So it is, I reiterate that your beliefs and discernment must be based upon the truth of peoples' actions, not upon superficial titles and positions of esteem. You must live in the truth for truth to rule your heart and for truth to rule in the world."

"In this light, I warn you to beware of secularization within church circles which, like many things, is being carried to the extreme. Now the Remnant must cling fast to tradition, and avoid trying to pander to every other school of belief."

"When I return, all will be one in the light of truth."

November 16, 2011 / Public

"I am your Jesus, born Incarnate."

"Today the present state of the world - politically, economically and socially - can be summed up as the refusal to accept the truth and the willingness to accept Satan's lies. This is true in every walk of life. Satan's suggestions appear much more pleasing - easy to attain and appealing to the senses; but in the long run, the truth comes out and there is a great price to pay both in society and spiritually."

"It is then that souls are discouraged from running to My Mercy. They are convinced that they are too unworthy - in a sense, unforgivable; but My Mercy is from age to age. It is an open door to salvation. When the sinner repents, he falls into My Arms of Mercy. I embrace him and make him new. Satan does not want sinners to know this truth; so, I have come to give it to you. Believe in My Mercy."

November 17, 2011 / Public

"I am your Jesus, born Incarnate."

"I invite you to understand that every soul in Purgatory and every soul that has slipped to his perdition, did not search out and embrace the truth. In some way and in some area of their life on earth, the truth was compromised, virtue weakened or betrayed, and Satan's lies accepted."

"Untruth is never acceptable in My Eyes. There is never a justifiable reason to live in untruth or to encourage others to do so."

"Today souls do not make an effort to be in touch with their inner spirit - to be united with the Will of My Father - and to embrace personal holiness. The

trappings of the world get in the way. When this occurs, it is easy for the truth to be denied."

"The soul sets goals for himself which are not in line with My Father's Will but are worldly in nature. This, in itself, is an embrace of untruth."

"My Father's Will is always that you live in and embrace Holy Love. This is truth itself. If you ask for the grace not to deny this truth, it will be given."

November 18, 2011 / Public

Alanus (My Guardian Angel) says: "Praise be to Jesus."

"I tell you, the more you spend the present moment thinking of Heavenly things, the closer you are to union with the Omnipresent God. This is God's Will for you; that the focus of your life and the center of your heart be on God."

"No one can surrender his innermost spirit and be filled with union with God unless he first empties his heart of self and all worldly concern. These are all obstacles to union with God."

"God does not impose; rather, He is always present - ready to fill the most destitute heart. First, the heart must open."

"Pray this way:"

"Open my heart to a deep and abiding love of You, Heavenly Father. I realize that this is the way to a deeper union with Your Divine Will."

"Empty my heart of any worldly concern; then fill me with love of You and love of my neighbor. I know this is the lasting peace You desire for me and for all mankind. Amen."

November 18, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, today once again I invite you to realize that My Heart is an Open Furnace of Burning Love ready to welcome all of mankind."

"Yet, My invitation is greeted with neglect and indifference. This is why Heaven pleads for prayers for the heart of the world."

"Tonight I'm extending to you My Blessing of Divine Love."

November 21, 2011 / Public

"I am your Jesus, born Incarnate. I am Christ, the King."

"I desire to establish My Lordship over every nation and all hearts. I cannot do so until I am allowed sovereignty over each present moment in every heart; for the key to My Kingship in hearts is surrender of free will."

"My Reign is from age to age, and from horizon to horizon. This truth never changes. Sin is the result of rebellion against My Rule. Today there are whole ideologies formed which oppose My Kingship. Entire nations stand in error for they will not submit to the truth of what I am here to tell you today."

"My purpose here in this Mission is to reveal both truth and the evil of untruth, for this strengthens the Remnant Faithful. The Remnant readily accept My Kingship."

November 21, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, My Provision comes to you in the grace of every present moment. Pray to recognize and appreciate the benefits of all I have given you."

"Tonight I'm extending to you the Blessing of My Divine Love."

November 24, 2011 / Thanksgiving Day (U.S.A.)

"I am your Jesus, born Incarnate."

"Today, My brothers and sisters, I have come to express My sincere thanks to all those instrumental in moving this Ministry forward. I address each one who works here or propagates the Messages or even just believes in the Messages. I speak most especially to those who pray for the Mission. Each one of you is a vital link in the coming of the New Jerusalem."

"I am thankful for all of you who believe despite opposition, lies, character assassinations and misunderstandings. I am thankful for your faithful perseverance in continued belief despite persecution from those you love."

"I am thankful for every moment that you surrender to Me in trust. Your trust is the secret weapon of this Mission, and of your own salvation. Your trust is more important to the future of the world than any weapon of mass destruction."

"I desire that all be united in a concerted effort to transform the heart of the world into Holy Love through Holy Love. Never be discouraged in the propagation of these Messages or believe that you are not allowed to do so. Let your hearts be gladdened by My words to you today. Be encouraged in your every effort to bring Holy Love to the forefront."

November 25, 2011 / Public

"I am your Jesus, born Incarnate."

"Today there is much commotion over a special shopping day termed 'Black Friday'. People race to the stores to stock up on material goods. The stores accommodate the mood of the season by opening long and unprecedented hours in order to gain more profit."

"But I come to invite you to open your hearts to the storehouse of grace available to you in every present moment. There are no special hours in which you are allowed to patronize this storehouse - the door to grace is always open. All that you gain can be taken with you into eternity. No grace given in the present moment will be the wrong size or color. Each present moment offers the perfect gift of deeper holiness and salvation."

"Do not be, then, so much a part of the hustle and bustle of the world and its allurements during this season."

"Pause and take time to reflect upon the storehouse of grace in the present moment. This is the perfect present."

November 25, 2011 / Friday Service - For all those falsely accused within society, governments and

within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, as the season of Advent approaches, I desire that you take into your own hearts My own special intention; that is, that every heart open to Holy Love; then you would have peace in the world."

"Tonight I'm extending to you My Blessing of Divine Love."

November 27, 2011 / Public

"I am your Jesus, born Incarnate."

"I come to you today, the First Sunday of Advent, to express My desire to give every soul the best gift this Christmas. The gift I wish to impart to each heart is the gift of pure Divine Love. This Love is transforming, purifying and sanctifying. Pure Love transports the soul into the New Jerusalem before this New Kingdom is even present in the world."

"Divine Love is the prize to be sought after. It is the Ultimate Treasure which cannot be bought or bartered for. Desire it. Open your hearts to receive it. I gladly offer it, and give it to you."

"If every heart would open to the Divine Love I long to give, the entire world would be transformed and made new."

November 28, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"Today I invite all to understand the significance of this Ministry and this prayer site in the world today. This property brings souls to the threshold of the New Jerusalem. This is true, for the site itself embraces the Message of Holy Love. The Message is embraced by My Heart and is, in effect, the essence of My Immaculate Heart. My Immaculate Heart is the Gateway to the New Jerusalem."

"This is why special angels are given to those who come here. These angels assist in leading souls into the New Jerusalem; that is, across the threshold of My Heart."

November 28, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the heart of the world can only be changed if souls listen to these Messages with their hearts; not with their intellect, and not only with their ears."

"It is still time to mitigate that which has already been set into motion; but souls must change."

"Tonight I'm imparting to you My Blessing of Divine Love."

November 29, 2011 / Public

"I am your Jesus, born Incarnate."

"The hour is ominous. The time approaches when many decisions will be made by a few which will affect the entire world; but this is the reason I come, and My Mother comes to this site of predilection, to help you to make righteous decisions based upon Holy Love."

"If all leaders - government, religious and otherwise - would live according to these Messages of Holy Love, all

men would be of good will. True peace would prevail upon earth. Confusion and selfish ambition would leave; untruths would no longer weigh down hearts. As it is, many opinions based upon sin have been acted upon - some even receiving the endorsement of becoming law. Heaven does not hold souls accountable to evil laws."

"My brothers and sisters, you must learn to choose and to act upon Holy Love. This is the truth you must cling to; otherwise you will fall prey to Satan's lies."

"Pray for all those in leadership roles. Pray that they think and act according to Holy Love. It is in this way I can strike hatred from their hearts."

"I desire peace by this means; but free will must choose it."

November 30, 2011 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"I have come to lay bare a great obstacle on the journey through the Chambers of the United Hearts. It is, perhaps, the primary obstacle to Holy Love in the heart. It is self-centeredness. The self-centered person views all things in relation to how they affect himself. His own self-interests are his priority which displaces God in his heart. This disordered self-love is the enemy of Holy Love."

"Such depth of self-love is based upon lack of humility. It is the inordinate self-love which leads to every sin - to name a few: jealousy, unforgiveness, impatience and distorted thinking. Often such a soul gives in to a pouting spirit - a disordered woundedness that will not practice forgiveness."

"Jesus has sent me today to point these things out. Every soul needs to search his heart, for all hearts are open to self-centeredness at some point in life."

"Further, Jesus wants people to know that self-centeredness distorts the truth, urging the soul to form a distorted truth to fit his own needs. This compromised truth is a lying spirit. It leads to disunity and false discernment."

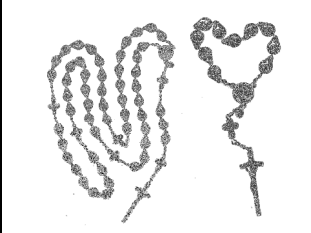

"So, you must see how a self-centered heart is the work of evil."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

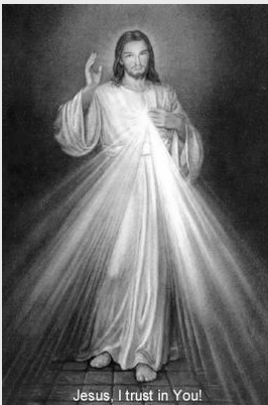

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

December 2011

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

**We welcome all people of all faiths. Prayer is a universal language.
All who come in pilgrimage here are invited to join us in prayer and
the peace that Heaven offers at this site.**

"I am your Jesus, born Incarnate."

"I have come to point out that the only way Satan can enter a heart is through the doorway of disordered self-love. It is this inordinate self-love which allows the evil one to influence thought, word and action."

"It is in this way Satan tries to snuff out the Flame of Holy Love by encouraging sin and faults and failings. It is through prayer and sacrifice the soul bolts the doorway of his heart, and does not allow Satan his entry through this disordered self-love."

December 2, 2011 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I invite souls to understand that the way Satan appeals to their hearts is by misrepresenting the truth. He makes evil

look good. He tempts the physical senses and the emotional senses; such as, the pride of power and love of control, vanity [as regards to physical appearance] and love of reputation."

"Suppose someone speaks unkindly about you. It is Satan who keeps reminding you of it. He tells you that you have the right to be angry. He fosters pouting and unforgiveness in your heart. Satan is the one who encourages you to criticize and to judge others in your heart. He encourages division in this way; once again he compromises truth, for you do not know the motives of other hearts."

"Study these statements and how they relate to your own lives. Correct any error present in your own heart."

December 2, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, during this Advent Season, the most impressive ornament you can display is the Holy Love that shines forth from your heart. This is not a superficial light, but a deep-seated light within your heart that must embrace all those with whom you come in contact."

"Tonight I am imparting to you My Blessing of Divine Love."

December 3, 2011 / Public

"I am your Jesus, born Incarnate."

"This Christmas Season give to Me the gift of spreading the Light of My Heart everywhere - far and wide. The Light of My Heart is the Light of Divine Truth. It is the best gift, and given freely even though it is a treasure beyond compare."

"The Light of Divine Truth illuminates the path of salvation. It exposes error and confronts the evildoer. Divine Truth offers hope to the downtrodden. Divine Truth is the Triumph and Victory of Our United Hearts - the Source of all good. Divine Truth is the New Jerusalem."

December 4, 2011 / Public

St. Joseph says: "Praise be to Jesus."

"Just as Mary, Ever Virgin, asks you to pray for the heart of the world, I, too, Foster Father of All Humanity, present the same request. The soul of the world is wandering as if in a spiritual desert - always grasping for what proves to be a mirage of truth and hanging on to compromise of the genuine truth; thus he is never satisfied."

"The soul of the world does not recognize what its real need is; that is, to be closer to God - to allow God to take His Place as Sovereign King."

Part 2: Sunday Evening Service - The Triumph of the United Hearts both in Hearts and in the World; Unity in Families

St Joseph is here. He says: "Praise be to Jesus."

"My brothers and sisters, tonight I have come to quench the insatiable thirst of all mankind - the thirst that he does not even recognize. I have come to offer you resolution to your many problems - environmental, problems between brother and brother, problems of geographic boundaries, economic problems - all of these would be taken away if you would be reconciled with God. This is the call of my visits. This is why Mary, Ever Virgin, asks for prayers for the heart of the world."

"Tonight I am extending to you my Fatherly Blessing."

December 5, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"I invite you to see that when you have love of God and neighbor, which is Holy Love in your heart, you have the greatest weapon. This is true, for with Holy Love in your heart, your prayers are more fervent. With prayers such as these, you can stop wars, build bridges of trust between

people and nations, reconcile mankind with his Creator and change the course of human events."

"Satan is intent on hiding and distorting the strength of Holy Love in your heart. He does not want anyone to recognize the power of a prayer borne from Holy Love, and said from the heart. This is why he tries to dilute this force of righteousness with his distractions, doubts and confusion."

"He can only succeed as much as you allow him to do so, My children. Therefore, as Scripture says: 'Be sober and alert.'" (1 Peter 5:8)

December 5, 2011 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, steadfastly pursue the Path of Light, which is the Path of Truth, the Path of Holy Love, which has been laid before you. Because Truth is Light, you can see every obstacle that Satan places in your path. Holy Love will protect you."

"Tonight I am extending to you My Blessing of Divine Love."

December 6, 2011 / Public

St. Thomas Aquinas comes with two angels. He says: "Praise be to Jesus."

"I have come to discuss once again the topic of the Truth. Truth is always the Truth. It is a constant. It never changes. Jesus proclaimed He was the Truth when He was in the world. This is still so today. Holy Love is the Truth. It is a constant, as well."

"There are always those who challenge the Truth and/or abandon the Truth. In this regard, we need to look at motives. This is not judging, but rather an effort to reveal the hand of the enemy. Often the Truth challenges the prestige of human intellect. This was so in Jesus' day with the Pharisees. Today, in regards to these Messages of Holy Love, many do not believe, for they believe their intellect superior to a lowly messenger such as yourself."

"Then there are those who resent the influence of these Messages upon hearts, and desire to be in control of every form of such influence. This is a fear of loss of control and power."

"There are still others who fear the Truth, for the Truth dictates change in their own heart. They do not see Truth as a grace, but as a threat."

"Many who heard the Words of Jesus when He walked the earth, abandoned Him for the same reasons that some have abandoned these Messages of Holy Love. The truth must be defended at every turn of the road. Do not betray Holy Love for any other love, be it love of power, money or reputation. Hold firm."

December 7, 2011 / Public

"I am your Jesus, born Incarnate."

"I have come today to discuss selfishness. Selfishness comes in many forms and guises. It is, of course, the hoarding of material goods; but selfishness can be much more than that. It can take the form of vanity, jealousy and hanging on to your own opinion when it is not formed in Holy Love."

"Selfishness, which is another term for inordinate self-love, is the obstacle most often blocking the soul's journey in Holy Love, for it is the cause of every fall from grace. Grace is the vehicle which propels the soul along the path of perfection in Holy Love."

"Selfishness can show itself in small ways as well as great ones. Say, you do not make the effort to be socially gracious, even to those who cannot repay you in any way. Perhaps you hesitate to share that which you hold dear. In this moment of hesitation lies a disordered self-love."

"The soul who, with a sincere heart, tries at every turn to overcome selfishness, will find My Provision awaits him."

"Pray for a generous heart."

December 8, 2011 / Feast of the Immaculate Conception of the Blessed Virgin Mary

Blessed Mother says: "Praise be to Jesus."

"Today I ask that you celebrate the miraculous presence of this Mission and these Messages in the world. Rejoice in the way God has chosen to use each one of you. Celebrate the Triumph of My Immaculate Heart in truth."

"It is here you have been shown the way into the Purifying Flame of My Heart which is Holy Love. It is here and, by way of these Messages, you have been given the beautiful way of perfection in the journey through the Chambers of Our United Hearts. It is, in traveling through these Chambers, you allow your hearts to be transformed into vessels of Holy Love."

"Therefore, I repeat, celebrate and rejoice. I am handing to you My Victory and your own."

December 9, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, during this Advent Season make the effort to be reconciled with God in every way and in every present moment. For this is the path to your salvation, holiness and perfection; then be reconciled with one another in this same Holy Love."

"Tonight I'm blessing you with My Blessing of Divine Love."

December 12, 2011 / Midnight Service at the United Hearts Field - Feast of Our Lady of Guadalupe

(This message was given in multiple parts.)

Blessed Mother is here as Our Lady of Guadalupe, and has three large angels with Her. She says: "Praise be to Jesus."

"Dear children, your Heavenly Mother has come once again to seek the surrender of your hearts to Holy Love. It is in your moment to moment surrender that My coming to you produces the fruit of Holy Love in your hearts and in the world around you. The reason that Heaven intervenes on earth with a Mission such as this is that humanity is on the wrong course. I remind you that if you are not living in the Truth of Holy Love, you have embraced Satan's lies."

"There has never been a time in history when mankind has been more needy of redirection. There is a disordered dependence upon every type of human effort, all of which

has displaced God as the Sovereign over the Universe and over every heart."

"Dear children, I come in an effort to lovingly correct and to beg you to turn with repentant hearts to God's Mercy. Failure in this effort leads to God's Justice. My Son's Patience is long spent. You cannot afford to put Him off longer."

"In the world you have been given every sign that Jesus is displeased with you - natural disasters, economic woes, spiritual confusion - not to mention poor and compromised leadership. You do not have time now to speculate if these occurrences are warnings from God. They are warnings. Every heart that does not accept and live in Holy Love brings God's Justice closer and intensifies His Justice."

"Dear children, My continued efforts at this apparition site are a Mother's desperate plea to Her wayward children. Do not await endorsements. Be Holy Love in the world."

"Dear children, do not fail to see God's faithfulness to you as He sends you these Messages enveloped by this Mission. In humble recompense, be faithful to God by becoming the Message. It is in this way you can best propagate all Heaven asks of you through the Messages."

"If My desperate pleas to you go unheeded, and these Messages continue to be met with disregard, the world will experience unprecedented consequences. You will not be able - in truth - to claim that God abandoned you or you were not warned. God is with you even in His Justice; but now, dear children, it is a time of grace, and I am now forewarning you with Love. I cannot make you respond - you must choose it by your efforts."

"Tonight, My dear children, I come most especially seeking your undaunted pursuit of personal holiness through the Chambers of Our United Hearts. Let no one convince you that this is an unworthy goal. Persevere no matter who tries to discourage you. There is nothing confusing in My call to you. Those who try to dissuade you from this path have duplicitous hearts. We cannot appease them. We must not try to do so, but remain faithful to the Truth. Ground your hearts in Holy Love which is Truth itself. All that comes against Holy Love is untruth and carries with it Satan's confusion."

"I invite you with a sincere heart to understand that just as the pagans sacrificed their young to false gods, every nation that has legalized abortion is guilty of the same crime. Abortion glorifies the god of self-love, and leaves nations that condone this crime against life vulnerable to every type of natural and manmade disaster."

"Therefore, dear children, regard the Rosary of the Unborn as a lifeline, not only for the unborn, but also for whole nations."

"Children, thank you for coming here to meet with Me tonight. I have crossed time and space to tell you that when you choose Holy Love you are choosing your own salvation. Pray, then, to always persevere in faith. These days your faith is under attack by compromise, untruths and liberalism; but if you pray, I will help you to persevere."

"Tonight, My dear children, I am taking all your petitions to Heaven with Me - great ones and small ones - and placing them on the altar of My Son's Divine Heart."

"I'm blessing you with My Blessing of Motherly Love."

December 12, 2011 / Feast of Our Lady of Guadalupe

Blessed Mother says: "Praise be to Jesus."

"Today I come to you as Patroness of the Americas to call all people into the realization of the Truth. Look afresh and with eyes of wisdom at the course mankind is following. All the technology God has blessed you with is rapidly leading to your destruction."

"Science continues to discover new ways to destroy life in the womb - a crime that cries out for God's Justice."

"My miracles at Guadalupe and around the world today have not been enough to restore order in the world, for as many that listen and believe, more refuse to listen and to believe."

"You, My children, are My hope. Continue in your prayer effort. Allow Me to work miracles through you. Trust in this Mission and propagate the Messages."

December 13, 2011 / Public

"I am your Jesus, born Incarnate."

"Today I desire people see the real threat that compromises so many hearts in the world. It is insecurity. This insecurity spawns jealousy, greed, the love of power and control, intolerance of the needs of others, and much more. Insecurity is the cause of disordered self-love, which now consumes the heart of the world."

"I offer the world the simple, yet complex solution of Holy Love. Simple - for it is salvation in a nutshell; complex - for submission to Holy Love requires moment to moment surrender to My Father's Divine Will. Listen with simplistic hearts. Avoid Satan's confusion."

December 14, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, as Christmas approaches, I desire you pray for an outpouring of the Holy Spirit upon every heart and all nations. God will not refuse such a prayer, but you must also pray that hearts are receptive to the Holy Spirit's inspiration."

"He is the Spirit of Truth. If you pray for such a grace upon every heart, hearts will be inspired to respond to the Truth. It will take a conscious free will effort to resist."

"Pray this way:"

"Come Holy Spirit. Flood the hearts of all people and every nation to accept and live in the Truth."

"Pray this little prayer for the nine (9) days before Christmas. Thank you."

December 16, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"You are asking, My daughter, about the state of My Heart as Joseph was searching for room in the Inn. My Heart always was calm despite the most desperate of situations. While I suffered greatly during many trials, not only during the lack of proper dwelling at His Birth, but also throughout His Life - I had calm reassurance in My Heart that all details would weave together in God's Divine plan."

"Nothing - great or small - takes place outside of God's Will. While free will may make bad choices, such as citizens and friends refusing us shelter in Bethlehem, God

pulls together a greater good such as the humble birth of Jesus in a stable instead of in a palace."

"Nothing goes wasted unless you forget to offer it to God."

December 16, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, from the moment I was conceived in My Mother's womb, the clock was ticking towards the Triumph of Our United Hearts. The clock is still ticking today with each passing present moment. Spend each moment living in Holy Love, and hasten this Victory."

"Tonight I'm blessing you with My Blessing of Divine Love."

December 18, 2011 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"The little prayer you received from Our Holy Mother, to be recited for nine days before Christmas, is Heaven's attempt to reconcile mankind with his Creator through the Light of Truth."

"Hearts will be awakened to the Truth, but the sooner the better for the sake of the future of the world."

December 19, 2011 / Monday Service - Peace in All Hearts through Holy Love

"TRUTH"

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, once again I remind you that TRUTH NEVER CHANGES. Opposing opinions may come and go, but they cannot conquer TRUTH; for TRUTH is like the HOUSE BUILT ON THE ROCK."

"Opposition to TRUTH is like a rising tide which tries to wash away all that is REAL and TRUE, BUT CANNOT."

"Tonight I am blessing you with My Blessing of Divine Love."

December 21, 2011 / Public

"I am your Jesus, born Incarnate."

"I have come to tell you that the Truth, which is one with Holy Love, can be likened to a lighthouse perched upon a rocky precipice. Like the house built upon rock, it cannot be washed away when assailed by waves of compromise and erroneous opinions or decisions. Furthermore, the Light of Truth reveals the dangers of the evils all around it, guiding the ship of the soul into the safe harbor of the Immaculate Heart of My Mother."

"While storms may rage against the lighthouse of Truth, it stands steadfast - undaunted - never wavering. Wayfarers find their way through the darkness of evil - always depending upon and guided by the Light of Truth, which never dims to suit peoples' erroneous opinions or decisions. The Truth is your secure beam of light amidst every storm of controversy."

"Souls become 'shipwrecked' when they accept in their hearts any compromise to the Truth. It is then they are dashed against the rocks of Satan's errors. More and more,

they are enveloped in darkness until they cannot find their way into the Light of Truth. The stormy sea of controversy washes over them, blocking all Light of Truth. It is then they drown in error."

"Keep always your eyes on the Light of Truth. It is only within this Light you will find salvation."

December 22, 2011 / Public

"I am your Jesus, born Incarnate."

"I tell you, there are many shipwrecked souls lying on the rocks surrounding the lighthouse of Truth. These are the ones that have chosen their own opinions and decisions outside of the Light of Truth. They lay damaged and in darkness, and block the Light for other souls as they propagate error."

"Greater still is the disaster that they are unable to see their own undoing, for they will not step into the Light."

"The Light cannot penetrate the darkness of their hearts, but they mistakenly believe they are in the Light. They believe the errors of their opinions and decisions have become the Light of Truth. I tell you, the lighthouse of Truth is a constant and unchanging Light of Holy Love, which is not transformed for anyone, but seeks the transformation and enlightenment of all."

December 23, 2011 / Public

"I am your Jesus, born Incarnate."

"Any ship attempting to sail into port on a dark and stormy night must rely on the benefit of a good lighthouse to help it glide past rocks and obstacles, and to reach the port in safety."

"This is true with the spiritual journey, as well. The soul, as I have been pointing out to you, must rely on the Light of Truth, which is Holy Love, in order to arrive safely in the Harbor of My Mother's Heart. Without this Light to guide it, the soul would become shipwrecked upon the rocks of confusion, controversy and inordinate self-love, which pull the soul off course."

"Set sail, then, with the Breath of the Holy Spirit to guide you safely into the port of Holy Love and your salvation through Holy Love."

December 23, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, mentally and spiritually each of you assumes the position of one of the shepherds at the foot of My manger. You have been enlightened by the visitation of the angels, and you have found Me by following the star."

"Now, adore Me, and I will bless you, as I am blessing you now with My Blessing of Divine Love."

December 24, 2011 / Public

Alanus (My Guardian Angel) says: "Praise be to Jesus."

"I am with you in every present moment. This is true of everyone's guardian angel. It is our job to help those in our charge to live in Holy Love; but I stand next to you as a

Seraphim - the most powerful of all the angels. When you pray, I surround you with ministering angels that carry your prayers to God's Eternal Throne on High. Therefore, never be discouraged in prayer. Heaven has turned a benevolent ear towards you."

"Do not be afraid to send me off to serve others. I, like all other Heavenly beings, can bi-locate. Therefore, I can assist others far away and still be with you. That is what it is like to live in Heaven where there is no time or space."

"I am your strength in your weakness. I am your peace in any anxiety. I can turn the crudeness of people to mildness. I can suggest alternatives in the face of seeming failures or defeat."

"Therefore, learn to depend on me all the more. I stand at your service - as your guardian and companion."

December 25, 2011 / Christmas Day

Blessed Mother says: "Praise be to Jesus - Behold My Beloved Son - so loving and ready to be loved."

"Yet, the focus today in the world is profit and worldly gain. What the world really needs cannot be attained apart from God; that is - peace."

"Imitate the humility of your Creator, coming to you as a Newborn Babe in a manger. Realize His selflessness, mildness and the Incarnation of His Divine Love."

"Let these thoughts dominate your hearts and your day."

December 28, 2011 / Public

"I am your Jesus, born Incarnate."

"I reveal these truths to you from My Heart. In My day, the ruler ordered the slaughter of all male children under the age of two. He did so in a jealous rage hoping to eliminate the Newborn King. Mothers were grief-stricken as their offspring perished in their arms."

"Today babies die in the womb through the evil of abortion - an evil law and an excuse to commit evil. Herein lies the difference; today mothers willingly offer up their children for the slaughter; they foolishly view this as a personal freedom."

"Do you see how corrupt hearts have become in this day and age? The difference is what is in hearts, for this is what has precipitated the whole abortion issue. Today the Holy Innocents are sacrificed over and over by choice - a crime which weighs heavy on My Heart and on the Scale of Justice. It is in truth a vital hour of decision which weighs upon the world - whether to be cleansed of evil in and through Holy Love - or to continue towards inevitable righteous Justice."

December 30, 2011 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, you are currently in a time of gift giving and receiving - a season of joy. Recognize that a great gift that humanity has been given is this Mission itself for it promotes the cause of truth around the world."

"Tonight I am blessing you with My Blessing of Divine Love."

December 31, 2011 / Public

Blessed Mother says: "Praise be to Jesus."

"Let us begin the New Year by thanking God for all the spiritual benefits He has given hearts to build up the City of God - the New Jerusalem; for this Mission is certainly a building block in the foundation of the New Jerusalem."

"Because this Mission is such a good and just foundation, you will continue to see Satan try to chip away at it through misinformation and controversy; but the Mission is a solid rock of Truth and will not disintegrate under these blows. This 'rock' will stand firm and be an anchor of safety amidst every storm."

"While this foundation stone of Truth perseveres amidst every test and trial, there are other seemingly trusted foundations in the world which will crumble. I am speaking now of whole economic systems, governments, law and order and general deterioration of long standing institutions. All of these foundations will be rocked due to man's unfaithfulness to God. You will see an increase in severity of natural disasters - all of which could be avoided if mankind were to be reconciled with his Creator."

"It is the heart of man and his interrelationship with God that holds the key to the future. I, your Heavenly Mother, can only advise you and invite you to live in the Truth of Holy Love."

"A foundation lends support and stability. This is what this Mission of Holy Love will provide for everyone who seeks the safety of this firm foundation amidst every trial and crisis of life."

December 31, 2011 / Saturday Service - Against Abortion

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, free will chooses its own destiny, but I tell you, if you surrender your hearts to Holy and Divine Love, you will discover My Provision in every present moment and every future moment."

"Tonight I am blessing you with My Blessing of Divine Love."
