

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

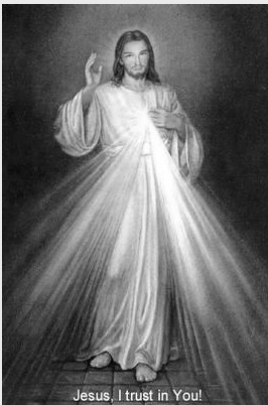

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

January 2012

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

**We welcome all people of all faiths. Prayer is a universal language.
All who come in pilgrimage here are invited to join us in prayer and
the peace that Heaven offers at this site.**

THE NEXT PROMISED MIDNIGHT APPARITION FEAST OF DIVINE MERCY SUNDAY APRIL 14 - 15, 2012

"I will return to the Field of Victory once again at midnight dawning on the Feast of My Mercy along with all the Heavenly Hosts." (*Jesus, January 25, 2012*)

**We will gather to pray at the United Hearts Shrine at
11:00 p.m. Saturday, April 14th and 3:00 p.m. Sunday, April 15th.
(The visionary may or may not be present at the Sunday, 3:00 p.m. service.)**

January 1, 2012/ Feast of Mary, Mother of God ARMY OF PRAYER

Blessed Mother says: "Praise be to Jesus." (Our Lady is in white and gold.)

She says: "Dear children, it is important that you realize that abortion is the key issue which is bringing about the demise of mankind. If abortion was defeated, the path of reconciliation between the heart of the world and God the Father would be laid bare. Then you would see wars cease, economies stabilize under righteous leadership, moral degeneration reversed, disease and famine greatly resolved and natural, as well as manmade disasters, lessen."

"For I tell you, evil begets evil. Remember, dear children, one *Hail Mary* said from the heart can stop wars, heal diseases, change hearts and bring victory of righteousness over evil. Therefore, I have come to mobilize an Army of Prayer - not just here, but around the world. I

call it **ONE ROSARY A DAY FOR LIFE**. This is your Heavenly Mother's call to arms. Be united in this effort, dear children, as I call you to be. Jesus and I will help you spread 'One Rosary a Day for Life' around the world."

"You do not need anyone's approval to pray or to evangelize prayer. You should encourage people from every part of the world to enlist in this 'army' of prayer."

"I am always your Mother, your support, your partner in all that is good; but this Army of Prayer must be spread quickly to be effective - and, so, it is My most precious and personal project."

"Make it known."

January 1, 2012/ Public

"I am your Jesus, born Incarnate."

"I have come to help you grasp the length, width and depth of these Messages. Holy Love is the Immaculate Heart of My Mother. My Mother's Heart is the Gateway to

the New Jerusalem. Therefore, Holy Love is the Gateway to the New Jerusalem. Divine Love is the New Jerusalem."

January 3, 2012/ Public

"I am your Jesus, born Incarnate."

"I invite you to understand that the value of anything is determined by the opinion of the world. If the world holds something as rare or priceless, then it is so; but today, life in the womb often is not valued as the true gift that it is - God's Creation. This devaluation of God's Gift has resulted in abortion."

January 3, 2012/ Public

"I am your Jesus, born Incarnate."

"I am taking this cause - this army '*One Rosary a Day Against Abortion*' - to the Heart of My Father. He will open doors and lay bare paths for this cause to flourish. It is time."

January 5, 2012/ Public

Blessed Mother says: "Praise be to Jesus."

"Please ask every priest whom you can to promote '*One Rosary a Day Against Abortion*'. This is My Army. I enlist your aid."

January 6, 2012/ Public

Blessed Mother says: "Praise be to Jesus."

"There are many in support of My Army and also many questions. In order to enlist in the army - '*One Rosary a Day for Life*' - all that is needed is your heart. The movement of your will is in itself your means of becoming a part of this powerful Army of Prayer."

"This army should and must be advertised in any way possible. Each present moment is an opportunity to enlist new recruits."

"Once again I tell you, this is not an effort that needs approvals or endorsements. It is a far-reaching Army of Prayer meant to engage Satan in battle and to emerge victorious. Do not listen to his opposition."

January 6, 2012/ Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, do not take lightly My CALL TO ARMS. This *One Rosary a Day Against Abortion* - this prayer effort - could win souls, save lives and usher in the NEW JERUSALEM."

Tonight I'm extending to you My Blessing of Divine Love."

January 7, 2012/ Public

"I am your Jesus, born Incarnate."

"Those who love Me and who live in the reality of Truth should not oppose this Army of Prayer Against Abortion; for to do so, empowers Satan's evil encouragement of abortion - a grave sin."

"Moreover, all who hear of this Army of Prayer have a solemn obligation to answer Heaven's call to arms, and pray the one rosary a day against abortion."

"I encourage anyone of influence to promote this."

January 8, 2012/ Public

"I am your Jesus, born Incarnate."

"This prayer effort - this Army of Prayer - is part of My Mercy during these last days. Make no mistake that My Mercy will be followed by My Justice. Now is the time to save lives and souls by enlisting in this Holy Army."

January 9, 2012/ Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, forgive everyone, for in this way you can come deeper into Our United Hearts. In this way, you can progress quickly up the stairway of holiness. Forgive, as I have forgiven you, unconditionally, with no memory of the past, bearing no grudge."

"Tonight I am blessing you with My Blessing of Divine Love."

January 11, 2012/ Public

Alanus (My Guardian Angel) says: "Praise be to Jesus."

"Lord Jesus, help me never to be an obstacle to God's Divine Will by my actions or inactions in thought, word or deed."

"Say this prayer daily. It pleases the Lord."

January 12, 2012/ Public

"I am your Jesus, born Incarnate."

"I would like to explain to you the difference between prudent deliberation and procrastination. Sometimes before acting or speaking, it is wise to weigh your options in the light of Holy Love. Of course, this is not always possible due to the press of time. It is then the soul acts or speaks according to the foundation of Holy Love in his heart or the lack thereof."

"But there are other times when God's Will is obvious; however, the soul procrastinates any decision. This is clearly unwise, and only serves as an obstacle to the fulfillment of God's plans. Procrastination is a tool of Satan and, as is the case with all his tools, an obstacle to good and a sign of pride."

"Therefore, do not put off any deed you know is your responsibility but tend to everything in a timely fashion. If you are uncertain as to the path to follow, pray for prudence and wisdom."

January 13, 2012/ Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I advise you strongly, I plead with you, persevere in Faith - Faith which is clothed in TRUTH; for in the end TRUTH will be victorious."

"Tonight I'm blessing you with My Blessing of Divine Love."

January 14, 2012/Public

St. Francis de Sales comes and says: "Praise be to Jesus."

I wasn't sure it was him. He said: "My feast day is forthcoming. Look on your calendar." I found it on January 24th. He said: "Now do you believe me? I have come to you to speak about the effects of Holy Love in the heart."

"Holy Love can transform the most mundane task into a powerful redemptive tool in the Hands of God."

"Holy Love, when it is accepted in the heart, can transform darkness into the Light of Truth."

"Holy Love can inspire victory over sin; therefore, Holy Love is the foundation of every conversion of heart."

"Holy Love is the vehicle of surrender of free will to accept God's Divine Will."

"It is Holy Love which helps the soul to recognize God's grace in every cross."

"These are sound reasons for souls to accept these Messages and to support this Mission of Holy Love by living the Messages. To do so is to allow your heart to be transformed by Holy Love. To do so is to follow the pursuit of Holy Perfection."

January 16, 2012/ Public

St. Francis de Sales says: "Praise be to Jesus."

"Without Holy Love in the heart, good deeds, penance and reparation are hollow; for Holy Love is the foundation of holiness, righteousness and truth. It is impossible for the soul to comply with the Divine Will of the Father apart from Holy Love, for God's Will is Holy Love."

"Holy Love leads the soul away from focus on self to focus on God and neighbor. This leads the heart into balance with the Divine Will. The soul gradually loses sight of how everything affects him to focus on how everything affects God and neighbor. Such a soul is a jewel in God's Eyes and mounts swiftly up the stairway to holiness. This is the path to perfection."

January 16, 2012/ Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, over and over I ask of you to rid your hearts of disordered self-love, self-interests. If your heart is full of self, there is no room for Holy Love; then, Holy Love cannot take up its domain over your hearts. Therefore, surrender to Holy Love."

"Tonight I'm blessing you with My Blessing of Divine Love."

January 17, 2012/ Public

"I am your Jesus, born Incarnate."

"The whole and entire reason for this Mission is to empty hearts of all that impedes Holy Love, and thus to allow Holy and Divine Love to reign in every heart; but Holy Love cannot reign in hearts given over to diversity. Hearts which place every kind of concern over Holy Love do not leave room for Truth."

"Your own happiness and state of well-being is encapsulated in Holy Love. Because Satan has set up a smokescreen of deceit around Holy Love, you cannot or will not discern the treasure at hand. If you do not seek the Truth, you will not find it. If you lock the door of your heart to the Truth, you will not think, speak or act in the Truth."

"Some fear finding the Truth of Holy Love, foolishly believing their own beliefs would be weakened. It is disbelief in Holy Love which disarms and weakens you. I cannot establish My Kingdom in such hearts."

"My Kingdom is built upon the foundation of Holy Love - the foundation of Truth - the New Jerusalem. I invite you to clear your hearts of error and Satan's deceit, and to allow Me to establish My Kingdom in your hearts. Only then will you find peace and security."

January 18, 2012 Public

"I am your Jesus, born Incarnate."

"As with all attitudes in the world, acceptance in the heart is first; then, and only then, does the belief or attitude spread into the world. It is so with political error: abortion, homosexuality - even the embrace of false religions - indeed, every sin."

"This is also true of Holy Love which, when embraced in the heart, establishes the New Jerusalem within the soul itself and in the world. So you see, this same maxim works for good as well as evil. I have come to begin the establishment of the New Jerusalem in hearts and in the world. Since Holy Love is the New Jerusalem, this Mission is the foundation of My Kingdom."

"Though many have tried to chip away at this foundation, none shall succeed. What is begun by My Hand will continue to grow and to flourish both in hearts and in the world. Those who oppose Holy Love do not rest with favor in My Heart, for in so doing, they set themselves against the Commandments."

"Oppose only that which is evil. Do not set yourselves against good."

January 19, 2012/ Public

Blessed Mother says: "Praise be to Jesus."

"All the things that mankind has placed in his heart which he has chosen over Holy Love - human intellect, riches, power - all of these will fail him. The wise choose to fill their hearts with Holy Love which can redirect the course of the future."

"Rebellion against God's Will - (which is always Holy Love)* - is a costly path for souls to take. Indeed, the future of the world depends upon man's acceptance of Holy Love."

** Refers to God's Will*

January 20, 2012/ Public

St. Catherine of Siena says: "Praise be to Jesus."

"Concern for the future is a binding chain on the heart of spirituality. It shows lack of trust in God's Provision even unto the present moment. These days some scramble to gain any 'knowledge' or 'proposed knowledge' as to what the future holds. They place their faith very often in people and not in God."

"Your security is in trust in God's Provision, not in elaborate survival schemes. This is the hour when you need to pursue deeper personal holiness, for therein lies your peace. Every present moment is a treasure trove of grace, which you cannot possibly appreciate if your heart is in the future."

"This Ministry, the property and the Messages, will remain a source of inspiration, grace and peace for all to

partake of. All are called to come and do so. Surrender to this loving invitation."

January 20, 2012/ Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight once again I ask you to surrender completely to Holy Love; for Holy Love is the Heart of My Immaculate Mother - Holy Love is God's Divine Will for you."

"Only with this surrender to Holy Love will you be at peace and free in the Truth."

"Tonight I am blessing you with My Blessing of Divine Love."

January 22, 2012/ Public

St. Catherine of Siena says: "All praise be to Jesus."

"When you pray, pray that the Blood of Christ's Passion stands between this president and his reelection. Too many innocent lives have been lost due to his policies."

January 23, 2012/ Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please realize the benefits of living in Holy Love and having Holy Love in your hearts. Holy Love clarifies every situation, bringing light to good and evil. It stabilizes and corrects; it brings people together; it sheds light on the truth."

"Therefore, tonight pray that all people and all nations recognize these benefits."

"Tonight I'm imparting to you My Blessing of Divine Love."

**January 24, 2012/ St. Francis de Sales - Feast Day
A.M.**

St. Francis de Sales says: "Praise be to Jesus."

"The road to salvation and Holy Perfection is Holy Love. This is a Truth that will not change due to disbelief. This, being stated, it follows that the road to perdition is all that opposes Holy Love. I cannot state this more clearly."

"Stop and consider now who would lead you away from pursuing the path of Holy Love. Would it not be the enemy of your salvation?"

"Once again, I tell you, the Truth does not change according to your belief or disbelief. It is always the Truth. Holy Love is Truth itself - the path of your salvation."

P.M.

St. Francis de Sales says: "Praise be to Jesus."

"You see, I am permitted to return to you on my feast day. (St. Francis de Sales). Today I have come to affirm to you that the path of perfection is in and through Holy Love. This Truth cannot be altered. Even if the soul refuses to accept the Truth of these Messages, he cannot reach perfection spiritually outside of Holy Love."

"Further I state, the rejection of these Truths of Holy Love reflects a stubborn pride, which in itself, is an obstacle to perfection. Such stubbornness is the fruit of intellectual

pride which will not permit the soul to discover the Truth. It carries with it self-satisfaction - the penalty of which is evident in this world and present in the next."

"Since these Messages of Holy Love are a light on the path of Truth, how foolish it is to reject them out of sanctimony, arrogance or any other snare Satan may lay for you."

"Your country is facing unprecedented decisions which must be resolved in Holy Love if great trials are to be avoided. This is the only way around Satan's traps. Laws which have little regard for human rights must be abolished. Herein lies the strength your nation now lacks. Open your hearts. Heed my warnings!"

January 25, 2012/ Public

"I am your Jesus, born Incarnate."

"I will return to the Field of Victory once again at midnight dawning on the Feast of My Mercy along with all the Heavenly Hosts."

January 26, 2012/ Public

St. Thomas Aquinas says: "Praise be to Jesus."

"These are very sobering facts - these Truths you have been given this week. Number one: The Truth never changes; Number two: Your disbelief in the Truth does not change the Truth."

"Consider now what this means. The soul who chooses not to believe in Heaven, Hell or Purgatory does not change the Truth of their existence. The soul who chooses not to believe in these Messages, and their source as from Heaven, can never change the Truth of their validity. He can mislead himself and others, but he will never be justified in the Eyes of God."

"Holy Love embraces every virtue. Without Holy Love in the heart, seemingly good virtue is disingenuous. Therefore, as the foundation of every virtue, it is also the foundation of perfection. Everyone - no matter his station in life - has the responsibility before God to embrace Holy Love. Some have a grave responsibility if they are responsible for the spiritual shepherding of others. To oppose the laws of Holy Love is to oppose salvation. To oppose these salvific Messages of Holy Love is to oppose a Light of Truth on the stairway of perfection."

"Do not diminish God's Grace of this Mission by embracing error. Embrace the Light of Truth."

January 27, 2012/ Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I come today to tell you that all grace is Holy Love. This is so, as all grace passes through the conduit of Holy Love - the Immaculate Heart of Mary. The grace of the present moment, then, is always the invitation to accept or reject Holy Love. Free will can allow the action of this Holy Love Grace to influence thoughts, words and deeds towards Holy Love or free will can reject the graces offered."

"The soul is never abandoned by Holy Love, but always surrounded by this Grace and encouraged by his guardian angel to accept the grace of the present moment. It must be made clear, then, that all that opposes this present moment Grace of Holy Love is not of God, but inspired by the enemy of every soul. Never before in the history of

mankind has the world so freely rejected the law of Holy Love unchecked."

"Consciences, in the name of freedom, do not allow themselves to be guided by Holy Love. In so doing, they reject graces."

"I tell you these things today, for in order that the heart of the world mend its relationship with God, a renewal of positive response to Holy Love in the present moment must begin."

January 27, 2012/ Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, these days as the secular world closes in on Christianity, it is all important to support the TRUTH and to search out the TRUTH. Be INFORMED. DO NOT TAKE FOR GRANTED FREEDOM - IT MAY SLIP THROUGH YOUR FINGERS."

"Tonight I am blessing you with My Blessing of Divine Love."

January 28, 2012/ Feast of St. Thomas Aquinas

St. Thomas Aquinas says: "Praise be to Jesus."

"Each one has their own responsibility as to their salvation and personal holiness. Once the soul is introduced to Holy Love, his responsibility is even greater. The essence of holiness is selflessness. This encourages prayer and sacrifice."

"These days you can see that governments have led people into the delusion of self-fulfillment as their only goal. Sin is legalized through such self-centered moral degeneration. Religious leaders fail to renounce abortion and same sex 'marriage' publicly for fear of loss of revenues."

"And in all of this, the Truth is buried; the path to salvation obscured. These days it is important to keep your focus on serving instead of being served - on loving instead of seeking to be loved - on defending the truth instead of attacking the truth."

"Your nation and the world will, of necessity, undergo a general catharsis, purging every heart of Satan's lies. It is then souls will be given the clarity of correction to see why and where they have fallen from the path of light. Holy Love is the preparation of this purging, and the light souls will understand that they must pursue."

"Stay on course."

January 29, 2012/ Public

St. Catherine of Siena says: "Praise be to Jesus."

"These days, given over to excess, people search out happiness in all that is passing - materialism, physical appearance, reputation. If they cannot be satisfied in such as these, they may turn to every form of vile sin."

"Wisdom* is often based upon standards such as these - false and temporary. True Wisdom comes with the knowledge that the Kingdom of God (which, in essence, is Holy Love) lies within, when the soul surrenders to Holy Love. This is a kingdom which can be everlasting according to free will. It is happiness which bears peace in the heart. The soul is refreshed and satisfied, not always searching for

something more. This is a happiness that is not received through the senses - does not satisfy ego - but quiets the spirit within. This is a joy which does not lead away from God, but unites the soul ever closer to God."

"Leaders in all realms of life need to pursue this Kingdom of God within. This is their means of righteous leadership. This Kingdom of God within leads in Truth and loving concern. Entire nations take heed."

**This is human wisdom; not the Wisdom of the Holy Spirit.*

January 30, 2012/ Public

Blessed Mother says: "Praise be to Jesus."

"Because mankind has not maintained, for the most part, good communications with his Creator, Satan has infiltrated modern communications and technology worldwide. If humanity was closer to the Heart of God, he would know this and see the ways that evil has taken over; but as it is, the technology, which was given by way of grace, has been given over freely to evil."

"Today mankind is anxious to know about the future and is frantic to prepare for any sort of disaster. Dear children, do not depend so much on your own efforts. Place your trust in God. Believe in God's Will for you. If you cannot trust, it is because you do not love enough."

"Modern forms of communications will pass. You will, of necessity, be made to trust in God and neighbor. You can begin today to do so. Draw closer to God - Father, Son and Holy Spirit. Use all that God has given you to build up the New Jerusalem in hearts and in the world."

"Comprehend that I, your Heavenly Mother, am always with you. I am your Refuge of Holy Love."

January 30, 2012/ Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I ask each of you to pray from your heart that your country remains FREE—FREE FROM DICTATORSHIP and so much secularism."

"Tonight I'm blessing you with My Blessing of Divine Love."

January 31, 2012/ Public

CONVICTION OF CONSCIENCE

"I am your Jesus, born Incarnate."

I tell you, a conscience can be convicted as quickly as lightning flashes across the sky. In this instant of grace, the soul can be shown all the sins he has not submitted to My Mercy. He can be illuminated as to the reasons why he sins. At the same moment of grace, he can be shown the path of light he must follow for his own salvation. This path is always Holy Love, but may take different dips and turns for each one. The soul can clearly see through Heavenly insight whom to obey and whose control to avoid."

"Then, as this moment of grace passes, it is up to the soul's free will to respond favorably and to benefit from what insights he is given."

"Souls should pray for such enlightenment daily."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

February 2012

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

**All who come in pilgrimage here are invited to join us in prayer and
the peace that Heaven offers at this site.**

THE NEXT PROMISED MIDNIGHT APPARITION FEAST OF DIVINE MERCY SUNDAY APRIL 14 - 15, 2012

"I will return to the Field of Victory once again at midnight dawning on the Feast of My Mercy along with all the Heavenly Hosts." (*Jesus, January 25, 2012*)

**We will gather to pray at the United Hearts Shrine at
11:00 p.m. Saturday, April 14th and 3:00 p.m. Sunday, April 15th.**
(*The visionary may or may not be present at the Sunday, 3:00 p.m. service.*)

February 1, 2012 / Public

St. John Vianney, the Curé d'Ars says: "Praise be to Jesus."

"I wanted to speak to you momentarily about motives. Motives are what inspire good works, but also – sin. Often people commit the sin of rash judgment for they neglect to search out the truth or maybe to accept the truth. Take, for instance, opinions about this Ministry. People are quick to negate the Works of Heaven here without attempting to discover the truth. Often people presume to know why others act or speak as they do. Such contemplation very often may be the sin of neglecting to discover the truth behind such words or actions."

"The soul needs to always pray to discover the truth about his own spiritual journey – what weakens him and leads him into sin. This is vital to a deeper journey into the Chambers of the United Hearts. Ask, and I will assist you in this self-examination on a daily basis."

February 3, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"These days you are witnessing secularism closing in on organized religion and opposing certain beliefs through unjust laws. Yet, when I appeared years ago seeking to be recognized as the Protectress of the Faith, it was deemed unnecessary. Today I come to you as Refuge of Holy Love, the relevance of which should not be lost to you during these times of turmoil."

"In My Immaculate Heart, you will find safe refuge. Herein, there is no persecution, class warfare or anarchy. My Heart offers to each one a Mother's Love. My Heart is a safe Refuge of Truth and a Fortress of Peace. I do not discriminate as to beliefs, race or position in the world. I am your Mother. I only desire you choose Holy Love, for this is the passkey to My Heart. Within this Sanctuary of Grace lies your perfection in holiness, which is all you need presently."

"As your Mother, I am asking you to be careful whom you support politically. You are supporting not the person, but his

beliefs and ideals. Today there is great departure from the Truth in many a heart that aspires to or holds office. Be wise enough to research candidates before you vote. Holy Love must be your monitor of Truth."

"You must be shields of Truth during these times, deflecting Satan's lies and seeking My protection over the faith of the multitude."

February 3, 2012 / Friday Service – For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I have come to ask you to make the effort to be united with one another. It is when your hearts are united, imitating the Image of Our Most Holy United Hearts, that you will pass with ease through the Chambers of Our United Hearts and be one with Us."

"Tonight I'm blessing you with My Blessing of Divine Love."

February 4, 2012 / Public

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, My Heart – Vessel and Sanctuary of Divine Love – is open to all people and all nations; but no one can enter this Sanctuary of Divine Love outside of Holy Love which is My Mother's Immaculate Heart. For Holy Love is the purifier – Holy Love leads all into perfection, and opens the door to My Divine Love."

"Tonight, My brothers and sisters, I am blessing you with My Blessing of Divine Love."

February 5, 2012/Sunday Service – The Triumph of the United Hearts both in Hearts and in the World; Unity in Families

St. Joseph is here and says: "Praise be to Jesus."

"Peace be with you. Tonight I have come to remind every father that he must lead his family in the Truth of Holy Love; thus he would be protector, provider, counselor and guide. If all of these are based upon the Truth of Holy Love, then his family will be united and pursue personal holiness."

"Tonight I'm extending to you my Fatherly Blessing."

February 6, 2012 / Public

"I am your Jesus, born Incarnate."

"These days Satan makes his presence felt in many ways and influences many people. This is evident in unjust and biased laws, rulings and decrees. You must let Holy Love be the Monitor of Truth. I do not expect blind compliance to unjust laws. The office held by a person is not always his credential of Truth. This is a misconception; nor is every law levied in Truth and Justice. You must be discerning in what you choose to comply with. If a law transgresses conscience – a conscience formed in Holy Love – your responsibility is to Holy Love, not to blind obedience."

"In your country today, a movement away from God-given freedom is underway. Do not give up your rights as God's Creation – God's children. You have a right to freedom of conscience. This must not become political. You have the right to believe in and live in Holy Love. This, too, is a matter of conscience and should not be dictated against unjustly. Be aware of the parallel between the ones taking away the freedom of your conscience."

"I have come to defend the rights of those who cannot speak for themselves, and those intimidated into silence."

February 7, 2012 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"As your country faces another election year, Heaven is praying that a wise choice will be made. Every nation deserves a wise leader – a leader who wants what is best for the people he governs – a leader that is sincere and parental towards those he is chosen to lead."

"What you should beware of – what you do not want in a leadership position – is a duplicitous politician full of self-interest and hidden agendas. This type of leader is not a leader in the best interests of the nation, but of self-advancement and cannot succeed in governing this country past the problems it now faces – nationally and globally."

February 8, 2012 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"As with every generation, there is God's Law and there is man's law present in the world today. The two should be supportive – one of the other. When man imposes his free will in opposition to God's Law, the righteous must stand up in defense of God's Divine Will, which is represented by His Laws."

"Mere man must not dictate matters of conscience. Therefore, no one – no matter his station in life – can say you must freely support birth control and abortion. No one can dictate that you must not come to the property here to pray. Although this has never been stated, many have been misled to believe so."

"This is an age when you must be certain of your God-given rights, and not be afraid to practice them. Do not be intimidated by power and title. Come against those that oppose good with your prayers. If you do not, you lend strength to evil intentions."

"The enemy does not want you to know these things. His smoke is all around every good effort, trying to eliminate it. Pray that he doesn't succeed."

February 9, 2012 / Public

"I am your Jesus, born Incarnate."

"I remind you solemnly, Truth is the reflection of God's Light. Therefore, any laws conceived under the cover of darkness are not of God. These days love of power has overshadowed conviction of hearts in the Truth. When this motive overtakes hearts, any evil is conceivable and possible. Those who live in the Truth have the moral responsibility not to remain silent, but to speak up. This is the only way to remove Satan's fingerprints from national and world affairs."

"You must make those who live in darkness accountable."

February 10, 2012 / Friday Service – For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, remain united in the TRUTH which is HOLY LOVE, for herein lies your strength."

"Tonight I am blessing you with My Blessing of Divine Love."

February 10, 2012 / Public

Archbishop Gabriel Ganaka* says: "Praise be to Jesus."

"I have been sent today to speak to you about leadership. There is so much controversy these days about what qualities a good leader should have, both politically and ecclesiastically."

"First of all, a good leader must embrace the Truth. The Truth is always one with Holy Love. This being said, a good leader loves God above all else and neighbor as self. Such a dedicated leader always acts out of loving concern for all others. He never seeks to divide, but to unite. He does not hold selfish ambition in his heart. A good leader respects the rights of those under his charge. He, in humility, knows his place before God."

"His concern is for the welfare of others – not himself. He leads by good example. If he is a spiritual leader, he leads his flock to a deeper relationship with God. If he is a civil leader, he respects and upholds the law. Leadership is a privilege given through Divine Will, and must be taken seriously."

**Archbishop Ganaka was from Jos Nigeria and was one of Maureen's spiritual advisors in 1998-1999. He endorsed the Messages and wrote the Foreword to THE REMEDY AND THE TRIUMPH published in 2000. He has since passed away, and his cause for Sainthood was begun 3-1/2 years ago.*

February 12, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come today to encourage you, My children, to make every effort to overcome selfishness. The soul that is always seeking his own welfare very often does not make worthy decisions in the Eyes of God. God needs to be the One you seek to please, not self. If your heart is well protected by Holy Love, you – even if you act impulsively – will be motivated by Holy Love."

"Some decisions affect many people depending on the position of influence they flow from. These are the decisions Satan particularly tries to persuade towards his end. You can see this in governments around the world today; but you, My children, must always make unselfish, Holy Love decisions so that you do not fall prey to darkness. Do not allow self-seeking personal agendas to secretly take root in your hearts. Let there be no selfish duplicity amongst you; then there will be no animosity or jealousy. You will always act towards the greater good, not any selfish motive."

February 13, 2012 / Public

AN ILLUMINATION OF CONSCIENCE

"I am your Jesus, born Incarnate."

"I tell you, at some point in each soul's life, his heart is convicted in the Truth of where he stands before God. For some, it is an ongoing process; for others, it is momentary; but for each one, it is the choice of conversion to a deeper faith life or rejection of good and the choice of continuation in error."

"My Mercy is always at work drawing souls into a deeper relationship with Me. My Mercy is the Light of Truth and the hope of salvation. It is the decision of each soul whether or not to accept it."

February 13, 2012/ Monday Service – Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I ask you to please empty your hearts of all unforgiveness and negative feelings towards one another; then I can truly fill your hearts with love, and we will be united in Holy Love."

"Tonight I'm blessing you with My Blessing of Divine Love."

February 14, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I will tell you why forgiveness is so important. If you hold a grudge in your heart, it forms an obstacle between your heart and the Heart of God; then all your prayers and sacrifices are weakened. Even the graces God intends for you are compromised."

"But when you forgive everyone from the depths of your heart, God is able to let flow an abundance of grace upon you. It is only through this act of forgiveness that you can come deeper into Our United Hearts, and surrender completely to God's Divine Will. This is why the enemy of all souls continually presents to the heart reasons not to forgive. Do not meditate on such thoughts."

February 15, 2012 / Public

"I am your Jesus, born Incarnate."

"I have come to help souls to realize the very onset of unforgiveness in the heart. Satan plants the seed of unforgiveness when he presents to the soul any sort of negative thoughts about another either what is said or done; then he encourages the soul to dwell on these negative thoughts until they become an unforgiving attitude."

"In regards to unforgiving thoughts towards self, which is guilt, Satan is also the instigator. The soul must not dwell on past thoughts, words and deeds and judge them in the light of the grace he has now. He must call on Mary, Refuge of Holy Love to guard his thoughts and to renew his trust in My Mercy."

February 17, 2012 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"The first and the last step in any journey of personal holiness is surrender of the free will to the Will of God. It is in this surrender that the soul accepts whatever unfolds in the present moment as part of God's Plan towards his salvation. Only then can the soul realize that God is with him under the weight of the Cross, and in every joy and victory."

February 17, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"My daughter, today I have come to address the faithful multitude who have followed these Messages over the decades. The time is coming when Heaven's Public Messages will cease. It is not the hour yet, but it fast approaches. As I have told My messenger, you must rely on the body of Messages given over the many years* in which Heaven has guided and directed you. Heaven will still work with the messenger here through interior Visions and Messages. These will not be shared publicly. Once in a while Heaven will send direction to the public through her, but it will not be shared verbatim – only paraphrased."

"The many graces given here will continue just as always. My presence will be continually in your midst at this site. If pilgrims gather at midnight dawning on the feast days that Heaven has honored in the past and pray the rosary, Heaven will impart the Complete Blessing of the United Hearts upon those gathered as they pray."

"My Son will appear at midnight dawning on His Feast of Divine Mercy. The public Messages have not stopped yet. I cannot tell you if this is the last midnight apparition. I do not know; only the Father and My Son know."

"It is They Who have sent Me here with this Message. Dear children, be at peace. Live in Holy Love."

** Over 25,000 Messages have been given over the past 27 years.*

February 17, 2012 / Friday Service – For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, feel secure in every present moment by coming deeper into My Heart of Divine Love. You can do this most easily by living a life of Holy Love. Be witnesses and apostles of Holy Love in the world around you. Do not fear any portion of the future, for My Love is always with you."

"Tonight I am blessing you with My Blessing of Divine Love."

February 18, 2012 / Public

"I am your Jesus, born Incarnate."

"I have come today to ask all people and all nations to trust in My Mercy. My Mercy is My Provision – spiritually, physically and emotionally. No present moment comes to you by accident. All is part of My Divine Plan – My Divine Mercy – towards your own salvation and the salvation of others."

"Therefore, if every present moment is designed by Me, what have you to fear? Allow the brush strokes of My Merciful Provision to decorate your life. Begin to appreciate the beautiful design that I create in every present moment."

February 19, 2012/Sunday Service – The Triumph of the United Hearts both in Hearts and in the World; Unity in Families

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, surrender everything to Me that you hold in your heart which opposes Holy Love. Let Holy Love shine through you, and do not concern yourself for what people say or what they think or how they may act towards you. Propagate these Messages."

"Tonight I'm imparting to you My Blessing of Divine Love."

February 20, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I have not come to you, My daughter, to make the way smooth, but to guide you around obstacles. The measure of My grace has always matched the situation of every present moment – and so it shall be."

"Those who allow themselves to be guided by My words from the past will be similarly guided. Those who do not study all Heaven has imparted to earth here will be confounded. It remains that free will must surrender to the Divine."

February 20, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"If there is one thing you must learn from My years of Messages here, it is that worldly credentials and popular opinions do not necessarily support the Truth. The Truth is found in Holy Love and in the hearts of those who live by it."

"It is important that you assimilate this now, for in the future much evil will be presented as much good. Even today this is true in regards to abortion and same sex marriage. Be wary of those who cannot accept criticism and those who cannot self-correct. These are the ones that let pride rule their hearts."

"The most decadent amongst you – people and nations – will suffer the greatest tribulations. The farther you are from the Heart of the Divine Will the greater your compromise of the Truth, and the longer your journey into Our United Hearts."

"Dear children, if you are not on the path of righteousness – the path of Holy Love – do not procrastinate longer. Take off the old and put on the new."

February 20, 2012/ Monday Service – Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight as the Penitential Season approaches, make prayer and penance the center of your hearts and your lives. Much is needed, and much will be given if you do so."

"Tonight I'm extending to you the Blessing of My Divine Love."

February 21, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Today I have come to reiterate that this Mission has been in My Arms and My Heart since its inception. It is no different today nor in any future moment. I cannot tell you the hour and moment of My last public Message – nor the date of the last Midnight Apparition. Like you, I am waiting for God's Command. Future events, as well, are not being predicted here. What I am telling you is the hour approaches when public Messages and public Apparitions will cease. If I did not have God's Permission to forewarn you, I would not have spoken to you thus."

"All that aside, I wish to address the pilgrims who come to the site. Many come as Pharisees – only to find error – seeking to pounce on their own misconceptions. Still others come seeking signs and miraculous wonders as proof of the authenticity of all that takes place here and of the Messages themselves. These are the ones that, though they believe deep in their hearts that the Mission and the Messages are genuine, they want physical evidence to substantiate their belief. God asks your faith."

"Then, there are those who believe everything, but do not live the Messages. Holy Love does not penetrate their innermost being. Holy Love does not shine through their thoughts and actions."

"The pilgrim who receives the most from his journey here, lives in the Truth of how he stands before God; that is - humility. He is simple and childlike – unpretentious, forgiving and slow to anger. He does not rash judge; rather, he carefully and prayerfully discerns."

"Take heed of what I have said today. Absorb it in your own heart. Turn away anything in your heart which is not Holy Love."

February 21, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, [Our Lady gave a little bow as She said that] today I invite you to read and listen to every Message I impart to you as though they were My last words you will experience on earth. This is the way it must be, and it is the way it should have been from the beginning."

"Each Message is given for your welfare and offers guidance, informs, even redirects your efforts. Do not always wait for the next Message. One day there will not be a 'next Message'. Concentrate on and appreciate what I am giving you today."

February 22, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come to help you understand the significance of this particular penance season. Change is being promoted in your nation, in the world and within long-standing institutions. Please pray and sacrifice that all change results in God's good."

February 23, 2012 / Public

"I am your Jesus, born Incarnate."

"I have come to help you see that besides being the path of holiness and union with My Father's Will, Holy Love is also your defense against evil. When the soul is weak in Holy Love, he opens himself to Satan's temptations and suggestions. He gradually loses sight of the difference between good and evil; then the soul seeks self-gratification over and above love of God and neighbor."

"So you see, every present moment becomes a battle of good versus evil – God's Will versus free will. Holy Love needs to be your defense – your motive and inspiration – in order to ward off Satan's attacks in the present moment."

February 23, 2012 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Perhaps God's Will is not what the soul would choose for himself, but the soul's acceptance of God's Will in the present moment sanctifies the moment at hand. This is the only way to unity with the Divine Will. It is in this acceptance – this surrender of the free will – that the soul finds his peace."

"Hearts that are motivated by greed, envy, love of the temporal cannot fully surrender to God's Will. All of these and more are like chains that hold the soul back spiritually."

"This is why the First Chamber of the United Hearts is so crucial. Purification in and through Holy Love is the way and the means to surrender to the Divine Will completely."

February 24, 2012 / Public

St. Rita of Cascia says: "Praise be to Jesus."

"I have come to state yet again that the more the soul surrenders to God's Divine Will, the deeper his holiness. The journey through the Chambers of the United Hearts is the path of surrender to God's Will."

"The greatest barrier to this pathway is disordered self-interest, for this is what opens the soul to sin. No sin is committed outside of this inordinate self-love; that is to say, Holy Love opens the heart to recognize sin and to avoid it. Holy Love takes the focus off of self and directs the soul's attention towards God and neighbor. This is God's Divine Will."

February 24, 2012 / Friday Service – For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, throughout this Penitential Season, embrace the crosses you are given so that I can reach all hearts with the Truth; then, once it is exposed, it can be acted upon."

"Tonight I am imparting to you My Blessing of Divine Love."

February 25, 2012 / Public

"I am your Jesus, born Incarnate."

"The depth of your surrender to My Father's Will determines the depth of your personal holiness; but the depth of both of these is determined by the depth of Holy Love in

your heart. This is why Holy Love is so vital to your salvation. This is the reason these Messages of Holy Love are so vital for these times."

"What soul would not benefit just from this Message alone? Who, whether young or old, a person of prestige and prominence, poverty or wealth does not need to hear this? Yet, much of what I have come to say to you has been suppressed – renounced out of self-interest."

Once again I tell you, hearing any of these Messages carries with it the responsibility of exploring the Truth and accepting the Truth."

February 26, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come to advise and direct the faithful."

"Dear children, in every present moment you must be prepared in humility to disregard the opinions of others. If your heart is convicted in Holy Love, and you are living accordingly, you must not let the opinions of others affect your faith."

"Holy Love is the Light of Truth. Walk in this Light, and do not allow the errors in other hearts to overshadow the way. Holy Love is a gift from God. I invite you to jealously guard this gift from any marauder. Some attacks are subtle; others more pronounced; but you, My children, must not accept anything that comes against the Truth of Holy Love. In humility pray to recognize where Satan lies and how he is attacking. Do not place popularity above living in the Truth."

February 26, 2012 / Sunday Service – The Triumph of the United Hearts both in Hearts and in the World; Unity in Families

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"I invite each one during this Penitential Season to sweep their hearts clean of all that is not Holy Love; then I will be able to fill each heart with My Divine Love."

"I am imparting to you My Blessing of Divine Love."

February 27, 2012 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"There are many treasures people seek in the world today – financial security, freedom, power – to name a few; but the treasure people should seek is Truth. Truth uncovers the enemy of every soul and redirects souls onto the path of righteousness if it is accepted in the heart."

"Truth is the answer to the economic and political mayhem gripping the heart of the world today. Truth calls people to personal holiness, righteous wisdom and true discernment as opposed to rash judgment. Truth calls people to prayer. It does not scatter but unites. Truth is like a filter which separates good from evil. Truth is the grace of living in Holy Love."

February 27, 2012/ Monday Service – Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, if you have Holy Love in your hearts, it is easier for you to accept My Father's Will in the present moment; but if the Holy Love in your heart is weak, it becomes most difficult to surrender. Therefore, I encourage you once again, pray for deep virtue of Holy Love."

"Tonight I am imparting to you My Blessing of Divine Love."

February 28, 2012 / Public

"I am your Jesus, born Incarnate."

"Do not be fearful of these times in which you live, nor for the unfolding of events long predicted. The more mankind suffers, the quicker My Return and My Triumphant Reign."

"Do not be distracted by supposed dates of impending disaster. These are not of Me; rather, sanctify each present moment by surrendering to My Father's Will through Holy Love. This alone will bring peace more than any worldly preparation. This alone will lead you in trust."

February 29, 2012 / Public

"I am your Jesus, born Incarnate."

"I desire that people see My Father's Will as their Refuge during the storms of life. My Father's Will is comprised of His Love and His Mercy. It is through His Love and His Mercy that He orders all things Mightily; thus, He ordains, permits and provides."

"It is through this same Divine Will, Justice comes – always Loving, always Merciful, always providing for each soul's salvation."

"The sanctification, then, of each present moment lies in the soul's recognition and cooperation with My Father's Divine Will. Cooperation lies in your surrender and thus your acceptance of all that occurs in each present moment."

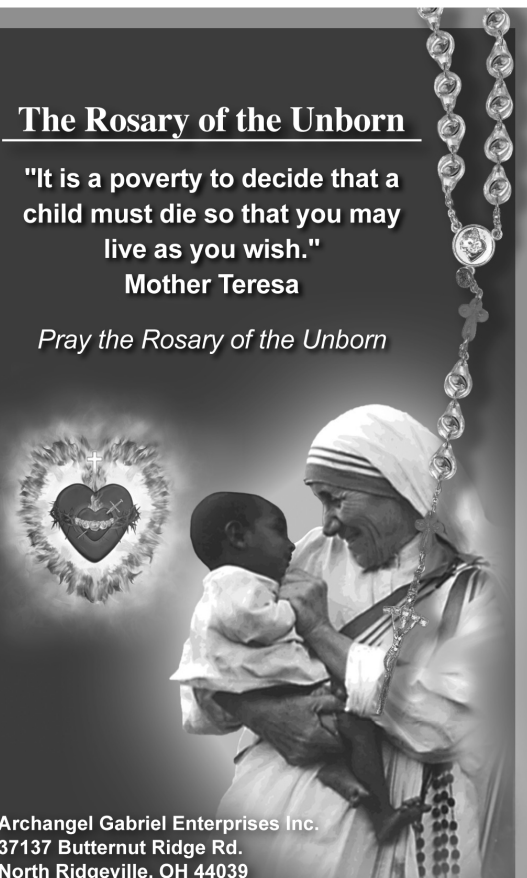

"This surrender is complete through Holy Love which is the source of trust."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

March 2012

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

**All who come in pilgrimage here are invited to join us in prayer and
the peace that Heaven offers at this site.**

"I am your Jesus, born Incarnate."

"I have come to help you understand how too much self-interest overshadows the Holy Love in any heart. Self-interest, if it is disordered, leads to worry. Worry is the symptom of lack of trust. Lack of trust grieves Me, for it is a sign of weakened Holy Love."

"The soul whose heart is over-shadowed by inordinate self-love cannot be united to the Divine Will of My Father. His Heart is too compromised and does not resemble Divine Mercy and Divine Love."

"The soul, to be holy, must make a sincere effort to imitate Divine Mercy and Divine Love. If he is consumed by self-interests, he will let temporal pleasures, anger and unforgiveness stand in the way."

"Souls must ask for My Assistance in overcoming these blockades to living in the Eternal Divine Will. I will never refuse such a request."

March 2, 2012 / Public

"I am your Jesus, born Incarnate."

"These days your security in God-given rights—even in worldly situations and commodities—is being challenged. From your weakened economic systems to your right to worship as you please, your secure rights are under speculation."

"This is why it is so necessary to place your trust in God's Mercy. It is Divine Mercy and Divine Love alone that are your safe Refuge. Your borders are not secure geographically nor spiritually; but have become very vulnerable. But no one can challenge the Holy Love you hold in your heart unless you allow them to do so."

"Stand firm, then, in faith, hope and love, trusting in My Mercy which will deliver you from the hands of the enemy."

March 2, 2012 / Public

"I am your Jesus, born Incarnate."

"It is what the heart embraces that affects the whole world. If it is violence and hatred, then you have violence, terrorism and war around you in the world. If it is every sort of debauchery, then you have moral degeneration. If, however, the heart embraces Holy Love, then you live in peace, love and joy. The world around you experiences the positive assets of your heart."

"What you think, say and do is a reflection of what you embrace in your heart and, therefore, affects the entire world."

March 2, 2012 / Friday Service — For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, consider all the persecution heaped upon you because you believe in these Messages and this Mission, as a sign that Satan has high regard for all that is going on here and knows its worth."

"Therefore, be encouraged when you are persecuted and know that I am supporting you and protecting you."

"Tonight I am extending to you My Blessing of Divine Love."

March 4, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"My daughter, Jesus desires that an association be formed to be formally called **Children of the United Hearts**. They would meet regularly in every part of the world to pray for peace in all hearts through Holy Love."

"We will meet here on the property off and on throughout the year. Hopefully at least one ambassador for each group

will be in attendance. The dates will coincide with certain feast days."

"You will make this known."

March 4, 2012 / Public

"I am your Jesus, born Incarnate."

"I desire always to be united with the **Children of Our United Hearts**, and that these children be united in prayer. Let us have the same goals—peace in all hearts through Holy Love, and spiritual union with the Will of My Father."

"I will be with you at midnight dawning on the Feast of My Mercy. After this, public apparitions will be less frequent, and there will be less advance notice. The apparitions will not be at midnight after My Feast of Mercy, but times will be stated. I am not abandoning you. I am always with you, encouraging you, protecting you and guiding you. Be united, dear **Children of Our United Hearts**."

March 4, 2012 / Sunday Service — The Triumph of the United Hearts both in Hearts and in the World; Unity in Families

St. Joseph is here. He says: "Praise be to Jesus."

"My brothers and sisters, those in authority, most especially fathers, and hence—families—should embrace wise authority, loving authority. In this way they will gain everyone's respect."

"I am imparting to you my Fatherly Blessing."

March 5, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, do not feel abandoned by this latest turn of events [last midnight apparition on Divine Mercy]. I am preparing you to pray continually in your homes, places of work and leisure, and here at the site. Do not wait for specific times of apparitions to pray and be holy. Do not wait for specific events in the world to take place either. Be united through prayer with each other and with Our United Hearts always; then you will be prepared for the next apparition or the next fulfillment of prophecy in the world."

"Savor the grace of each moment, for each present moment is part of your eternity. Come to the prayer site here often to receive what Heaven offers; that is more pleasing to Me than if you await a special apparition. Only the Father knows the moment of the next apparition and Message to the world after the Feast of Divine Mercy."

"I am joyful as I await the formation of the association of the *Children of the United Hearts*. This association has long been in Our United Hearts. Let any sign of opposition be a sign to you of its significance."

March 5, 2012 / Monday Service — Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, it is important that you realize your trust in Heaven's plans for this Mission is a reflection of your trust in Me. Remember, your trust in Me is a barometer of the Holy Love you hold in your hearts."

"Tonight I am imparting to you the Blessing of My Divine Love."

March 6, 2012 / Public

"I am your Jesus, born Incarnate."

"I desire your trust—first and foremost. All other gifts and graces come to you and are built upon trust. If you do not have

Holy Love in your heart, trust will escape you. It is as though Holy Love is the vessel that holds your trust. If the Holy Love is weak, trust slips through the vessel."

"This is how Satan attacks people in important and influential positions. He encourages them to love their own efforts and intellect, and to place their trust therein; then, the Spirit of Truth—the Holy Spirit—no longer influences their decisions. How sad it is to see people lose their way for lack of trust in Heaven's grace. How sad!"

March 7, 2012 / Public

"I am your Jesus, born Incarnate."

"I have come to once again reassure you and guide you concerning the future. If your heart is prepared in Holy Love, then you are prepared; then you will be open to the inspiration of the Holy Spirit as to what to do and when."

"Do not look to certain dates which are bandied about and are of pagan origins. Heaven does not give dates. Holy Love prepares you for the fulfillment of Scripture and for your own moment of judgment. Holy Love leads you into My Father's Divine Will, for it is the Divine Will."

"You cannot add one moment to your life through worry or from stockpiling commodities. The time of your judgment is already written in the Book of Life. Prepare your hearts in Holy Love first; then you will be led."

March 7, 2012 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"The truth is people must pray for discernment, most especially during these times. Not every whim is inspired by the Holy Spirit. Often Satan leads souls down a path of folly in pursuit of false security that is based upon fear."

"Be at peace in your pursuit of every action. This is part of discernment. Follow the path of Holy Love. Do not act under the cover of secrecy or darkness. That is not of God."

"Pray to be led only by the Spirit of Truth."

March 8, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I invite you to see that the signing of the last Marian Dogma is an endorsement of the United Hearts Revelation; for as it honors Me as Co-Redemptrix, Mediatrix and Advocate, it describes the First Chamber of Our United Hearts, (or the Immaculate Heart), as well as the interaction of the First Chamber with all the others."

"Once this Dogma is approved, a period of peace will temporarily settle upon the world such as never before. Profound graces will be abundant. Pray for this."

March 9, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Today I have come to offer further guidance concerning the **Children of the United Hearts**."

"Dear children, be united in prayer as I have taught you to be. Pray that the heart of the world be in spiritual accord with the Divine Will of the Father. Let there be no ambition, envy or jealousy amongst you."

"This must be an all-out effort of worldwide prayer. Do not seek any endorsement; just pray as never before. Draw others into this effort and into lives consecrated to the Truth of Holy Love."

"God is listening, watching and waiting just as He did at Nineveh.*"

* *Jonah 3*

March 9, 2012 / Friday Service — For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, HUMILITY is the glue that holds your HEART to Holy Love. Therefore, pray for humility without fear of the test."

"Tonight I'm imparting to you My Blessing of Divine Love."

March 10, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Today I have come to tell you that the heart of the world is the modern day Nineveh. Sadly, the Nineveh today is in more danger than the Nineveh of old. I say this, for there is so much more evil in the world today, and so many more souls to surrender to their conversion and to repent. Also, these days, God does not give a timeline of the visitation of His Justice as in the old days when the city of Nineveh was given forty days to repent."

"You cannot physically walk into the heart of the world such as Jonah walked through Nineveh. So, I am asking, make this Message known wherever possible. Offer every prayer and sacrifice for the conversion of today's Nineveh—the heart of the world."

March 12, 2012 / Monday Service — Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I encourage you in patient perseverance, be courageous in the face of others' erroneous opinions about this Mission and the Messages themselves. Those who oppose Heaven's efforts here do not realize whom they oppose."

"Tonight I'm extending to you My Blessing of Divine Love."

March 13, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Today I have come to once again lay bare the Truth. People can be easily deceived into believing in and following the wrong path—the path that leads away from Holy Love—when they place all their trust in peoples' important positions, their wealth or influential status in the world."

"This is the cause of so much confusion and moral degeneration in the world today. Often leaders believe they can take any course of action they want without regard for consequences or the moral well-being of others or even themselves. This is the road to perdition."

"The heart of the world will not change until the hearts of those in leadership roles change. A good leader has only the best in mind for those who follow him. The best is the salvation of every soul he influences."

"So today I come to awaken the conscience of all leaders that they will decide for the Truth over every nuance of self-love. I come also for every soul that they will make wise choices as to whom to trust—never trusting in titles alone but in Holy Love, following the Truth."

March 14, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"My daughter, last evening you asked Me about the Divine Mercy weekend, and whether there would be an apparition on Divine Mercy Sunday at the 3:00 p.m. service. I desire the people know that the Complete Blessing of the United Hearts

will be given to the people at some point during the service. It is not Mine to say if this Blessing will be imparted from Heaven or if there will be an apparition. It is also not Mine to say if there will be an additional Message."

March 15, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Do everything for love of God and neighbor. Whether it be difficult or easy, pleasant or unpleasant, visible to others or invisible, the love in your heart makes it worthy. Never try to impress others with your holiness but, in humility, let your holiness be between you and God, for this is where Truth lies."

"Do not let concern for what others think of you take over any portion of your heart. The more your heart is consumed with Holy Love, the more holy you are; then it is easier to sanctify every present moment. Remember, every present moment is part of your eternity. This is true, for every thought, word or action earns you either merit or loss for all eternity."

March 16, 2012 / Friday Service — For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, as **Children of Our United Hearts**, let your lives reflect Divine Love through your words and actions; thus you will attract others to Our United Hearts. In this way we will win more souls to the Remnant Faithful, for Our United Hearts are the Sacred Refuge of the Remnant."

"Tonight I'm imparting to you My Blessing of Divine Love."

March 17, 2012 / Feast of St. Patrick

St. Patrick says: "Praise be to Jesus."

"I have come to tell you that if you believe in this Mission of Holy Love, then you are called to be Missionaries of Holy Love. A good missionary does not allow fear to stand in the way of his work. He does not allow himself or self-interests to take priority over the propagation of the Truth."

"He bravely puts his best effort into the salvation of souls no matter the opposition. This is the first priority of everyone who listens to and believes in these Messages."

March 17, 2012 / Saturday Service — Against Abortion

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when you pray the Stations of the Cross, you ask for your hearts to be MEEK and HUMBLE like unto MINE. But I tell you, those who believe their hearts to be humble are the disingenuous; for if you think you are humble, you are farthest from this virtue."

"Tonight I am blessing you with My Blessing of Divine Love."

March 18, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Please understand that when I speak of the **Children of the United Hearts**, it is just that—all of My children who are devoted to Our United Hearts. Please do not undermine the purpose of this call by so many formal stipulations that the main focus—to pray that mankind be spiritually united to the Divine Will of the Father—is somehow lost in the shuffle."

"You do not need a format to gather to pray nor do you need 'officers' or a handbook. Pray together and be united."

"An ambassador is anyone who comes from and represents one of these prayer groups. Do not look for recognition or importance. Just be a prayer warrior."

March 19, 2012 / Feast of St. Joseph

"I am your Jesus, born Incarnate."

"To live in Holy Love is to embrace and to be embraced by the Immaculate Heart of My Mother. Within this embrace lies the desire to be perfected in holiness. Outside of this embrace of Holy Love lies the desire to sin."

"The soul cannot be embraced or embrace Holy Love if self-satisfaction is at the center of his existence. This is why self-effacement is the key to spiritual advancement. Live to satisfy God and others. When you thus empty your heart of self-love, God fills it with Holy Love, and you quickly and easily mount the staircase of holiness."

March 19, 2012 / Monday Service — Peace in All Hearts through Holy Love — Feast of St. Joseph

Jesus is here with His Heart exposed. St Joseph is standing in front of Jesus, only smaller, and the United Hearts Image is in front of St. Joseph.

Jesus says: "I am your Jesus, born Incarnate." St. Joseph says: "Praise be to Jesus."

St. Joseph: "The Lord has brought me here tonight with a special request. This Image of the United Hearts is a visual of the new and last Marian Dogma. Jesus desires that everyone pray from the heart that this Dogma is realized within this Pope's Pontificate."

"We're blessing you."

March 20, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I am about to advise you concerning the resolution of the last Marian Dogma, and why Heaven asks for prayers toward this end. Once this Handmaid of the Lord is officially accepted as Mediatrix, Co-Redemptrix and Advocate, the Spirit of Peace will pass over the world. Every heart will be pervaded by Truth. It is at that moment in time souls will need to decide either for Truth or against it."

"Truth will be as a winnowing fan separating the chaff from the grain. All error will be exposed to the Light. Enmity will transform to friendship."

"I tell you these things now so that no one can say they did not recognize what was taking place. No one can discount the events as they occur and lose the opportunity for conversion of heart."

"Pay attention!"

March 21, 2012 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"These days evil is becoming more and more apparent to the wise and discerning heart. Decades ago a Mission such as this would have been wisely and fairly considered; but today the true value of this Mission is not only overlooked, it is opposed."

"If Holy Love were a nuclear weapon, it would be considered the most powerful weapon of all—the weapon to outdo every other weapon—the weapon sought after by all. The thought of its existence would make people tremble with fright, and would wield hearts submissive to its power. The future of every nation that had this weapon would be one of power and prestige."

"But I tell you, Holy Love is all of this. It is the most powerful weapon a heart can possess. It is the defeat of

Satan, the enemy of all mankind. People do not recognize the power and value of Holy Love, for they do not recognize the power and value of what lies hidden in the heart. If people could 'see' with the eyes of Truth, the virtue of Holy Love would be sought out by everyone!"

"Whole nations would be brought to their knees and Nineveh would be converted. God would not allow His Wrath to visit earth."

"As it is, people seek after externals. They see sin as freedoms, not slavery to Satan. People do not recognize the value of personal holiness, and the power it has to change the world."

"Holy Love is the strength of prayer. Do not allow anyone to discourage you in this. Come often to the property and pray here. The pilgrimage increases the strength of your prayers."

March 22, 2012 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"The heart that is not steeped in Holy Love is like a defenseless nation. It lies vulnerable to any attack of the enemy. It is Holy Love that enables the heart to recognize the enemy and to defend itself against every attack. The stronger Holy Love is in the heart, the stronger the fortress is against evil."

"Evil is making itself more visible today, for Holy Love is not so prominent in hearts. Therefore, evil is not recognized as such, and the enemy of every soul is able to make great inroads into hearts virtually unnoticed."

"The attacks upon this Ministry alone are a sign of this. Begin to see this Ministry and these Messages as a fortification against evil. Perhaps then you will understand why Satan is attacking Holy Love with such vehemence."

March 23, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Today I am here to discuss the future of the Ministry. After this last Midnight Apparition, people should continue to flock to the property expecting the unexpected. On the dates when we had Midnight Apparitions in the past, Heaven will impart the Complete Blessing of the United Hearts upon those who gather to pray the rosary in the Field of Victory as before. This does not mean it will be announced, but at some point the Blessing will be imparted. On these occasions there may be a Message or an Apparition, but this is not Mine to say."

"There will be other occasions when I will direct My messenger to announce a Public Apparition, but you will not have weeks to prepare as in the past. Sometimes there may be just hours. That is why I tell you—expect the unexpected."

"The Apparitions on Mondays and Fridays will continue, and also St. Joseph will continue to come on *Family Night**. But I hold in My Heart no promise of how long this will continue either."

"Be happy that you were chosen to live during these times and to experience the graces offered here."

"Dear children, I love you."

**Family Night is the First Sunday of each month.*

March 23, 2012 / Friday Service — For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, pray that your hearts closely resemble Divine Love, for this is the Will of My Father Who sends Me."

"Tonight I'm extending to you My Blessing of Divine Love."

March 24, 2012 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"Please understand that when you think good thoughts about people a Spirit of Goodness fills the air around you. Positive responses to this Spirit begin to take hold of the present moment."

"Negativity breeds negativity and fosters a negative response in the world around you. This is not of God Who seeks the welfare of each soul and of the world in general."

March 25, 2012 / Feast of the Annunciation

Blessed Mother says: "Praise be to Jesus."

"Mine was a heart always in union with the Divine Will of the Father. It was in that state the Archangel Gabriel found Me—a willing recipient of his Message. I did not think of how this would affect Me; only of how it would be accomplished by Heaven. I was unconcerned for the opinions of others."

"It is fallen nature that encourages souls to hold back from executing God's Will—always out of concern for self. Be wise in avoiding this trap."

March 26, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"My joy is in the Remnant Faithful. My greatest graces, however, are extended to the unbelievers—most especially those who spread error. These are the ones who do not search out the Truth. It is these that compose their own version of the Truth—a rendition harmful and unspiritually sound."

March 26, 2012 / Monday Service — Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I stand ready to retrieve your hearts from the anxieties and pressures of the world; but you must remember to ask Me, for I do not impose. When I place your heart in My Own Heart, you will feel My Presence, and your anxieties will vanish. This is the way to remain in God's Divine Will."

"Tonight I'm blessing you with My Blessing of Divine Love."

March 27, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Please understand that My 'Yes' at the moment of the Annunciation was given with the understanding that this great grace came replete with the cross. This is true of every grace. In fact the greater the grace, the more intense the cross. It can be compared to the beauty of a rose which, to be fully experienced, must carry with it awareness of the thorns; but you do not avoid the joy of the rose because of its thorns. Similarly, you should recognize and enjoy the graces God sends you despite the crosses attendant to them."

"This Mission is a great grace in the world to be experienced and enjoyed by every soul. You should not allow the cross of much opposition, and even lack of endorsement, to discourage you from partaking of the many graces here."

March 28, 2012 / Public

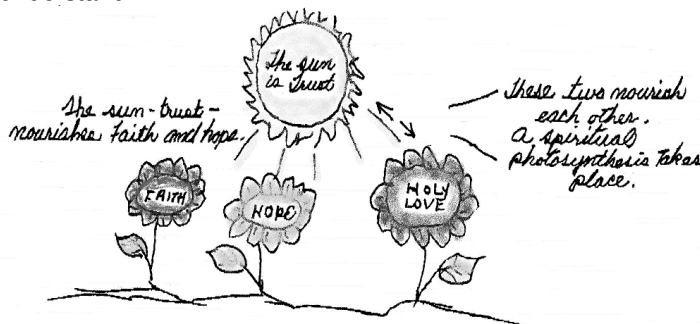

"I am your Jesus, born Incarnate."

"I tell you, faith, hope and love are a reflection of your trust in Me. The more you trust Me, the more I can act through you."

March 28, 2012 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"You might not understand what I am about to tell you. Put it down anyway in the form of a graphic. Others will understand."

(Sketched by Maureen Sweeney-Kyle)

March 28, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"These days, when evil is gaining power both in hearts and in the world, every prayer counts. Every prayer is a new weapon in My Hands to use against the forces who seek to gain power over hearts."

"Pray for Trust in the Lord, for Trust increases the Holy Love in your hearts. Holy Love in your hearts strengthens your prayers. Holy Love and Trust strengthen each other."

"Be vigilant as to what leads you away from prayer. If you are serving others, then it is a sacrifice, which is also a weapon I can use."

"Do not spend time on anything which saps your spiritual strength."

March 29, 2012 / Public

"I am your Jesus, born Incarnate."

"You must not obey error. Error is anything that goes against Holy Love. My efforts through these Messages and this Mission are to convert the heart of the world so that it more closely resembles Holy Love."

"Error leads you away from this goal and sets the trap of deception through untruth. In this misrepresentation of Truth, you soon have too many leaders following paths of error, and leading others to follow the same deceptive paths; then you have confusion as your leader—not Truth."

March 30, 2012 / Public

"I am your Jesus, born Incarnate."

"I tell you, lack of trust in My Mercy and in My Provision greatly wounds My Heart. As it wounds My Heart, it wounds the Heart of My Mother, as well."

"A soul loses trust in Me when he begins to trust too much in himself and his own efforts. This is why prayer of petition is very important, and is fruitful to the degree that the soul trusts it will be fruitful."

"The soul that trusts too much in efforts of others loses trust in Me. Trust in human efforts must be founded upon trust in My Provision to complement every human effort."

"If you do not trust in the complement of My Good to enhance human efforts, you are moving away from Me."

March 30, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Pray for the Proclamation of the Fifth Marian Dogma. This would greatly relieve My Heart, and bring strength where there is weakness."

March 30, 2012 / Friday Service — For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when you accept everything that comes to you in the present moment, you are surrendering to God's Divine Will; your acceptance is your surrender. You sanctify the present moment in this way, and then the present moment becomes part of My Victory."

"Tonight I'm blessing you with My Blessing of Divine Love."

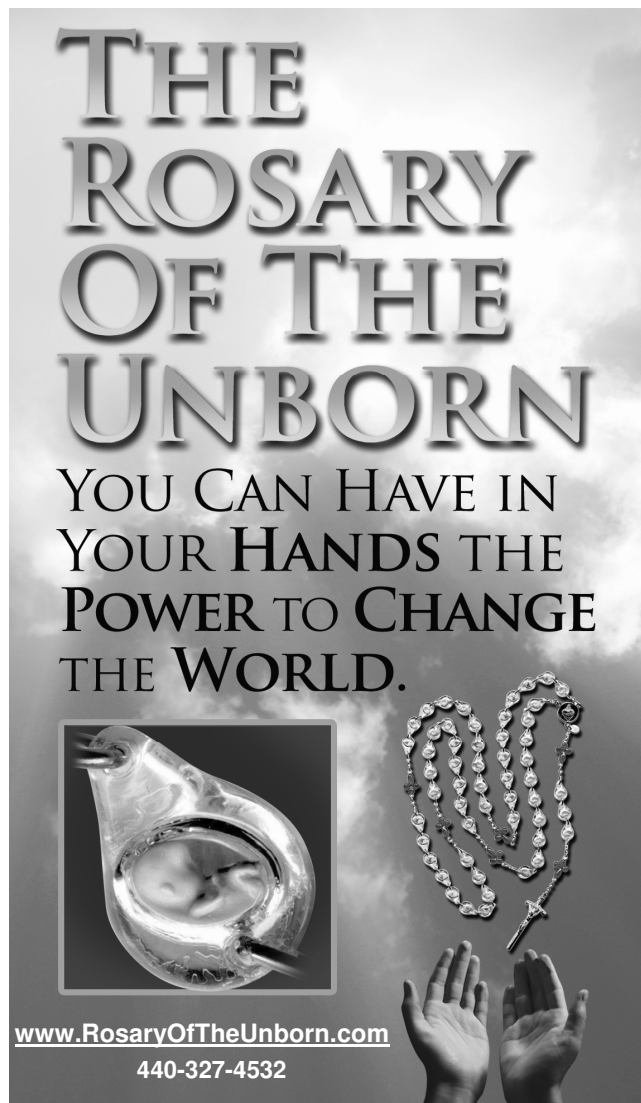

March 31, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"These days secularism has crept into many hearts and lives, making its mark in many religious atmospheres. Secularism has, in fact, become its own god. There is rarely a family that has not experienced the effects of apostasy—even atheism."

"Today, more than ever, souls need the refuge of My Title —**Protectress of the Faith**. This important protection has been compromised by lack of endorsement; but I implore the faithful to recognize that the need of My protection of their faith far outweighs the need for prestigious endorsements."

"Be at peace, then, in flying to My protection when the need arises. Do not let opinions infringe upon your doing so. I am always your Mother, your Refuge, your Protectress."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

April 2012

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

**All who come in pilgrimage here are invited to join us in prayer and
the peace that Heaven offers at this site.**

April 1, 2012 / First Sunday

St. Joseph says: "Praise be to Jesus."

"Tonight I come to you somberly under my title - **Terror of Demons**. As this Holy Week opens, be assured that Heaven needs your every prayer and sacrifice. Entire nations are following the path of Satan's deception, which he presents under the guise of 'religion'. These ones are bent on self-destruction and the demise of all who are not similarly persuaded."

"Christ suffered for all, and is not in this mentality of death and destruction to usher in the arrival of another and false messiah."

"You must recognize Satan and his designs to destroy you before it is too late. Your prayers and sacrifices are the arsenal Heaven needs to destroy Satan's plans."

"I have been sent here tonight not to frighten you, but to encourage you and to enlist your aid."

April 1, 2012 / Sunday Service - The Triumph of the United Hearts both in Hearts and in the World; Unity in Families

St. Joseph is here and says: "Praise be to Jesus."

"Tonight, my brothers and sisters, I come as Jesus sends me, for He holds love and concern in His Heart for each one of you, and for all."

"He asks only that you live in Holy Love in every present moment. In this way, you will usher in the TRIUMPH of the UNITED HEARTS."

"Tonight I'm imparting to you my Fatherly Blessing."

April 2, 2012 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to help you see that hope and trust are like a closely knit fabric. The threads of hope are woven into trust. One does not exist without the other in the heart. As trust and

love are so closely interconnected, trust brings hope into relationship with love."

"The soul that trusts also hopes in the Lord. No one trusts in the Lord that does not first love Him. This is why Holy Love is the foundation of all virtue. No one can desire holiness apart from Holy Love. The more sound the foundation of Holy Love, the more the soul is able to trust and so, to hope."

"It is as though love is the needle pulling trust and hope together into a fine fabric."

April 2, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, be kind and benevolent to one another. With childlike simplicity, correct faults where it is needed; but do your best to build up the Kingdom of God in Holy Love."

"Tonight I'm extending to you My Blessing of Divine Love."

April 3, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come to reiterate to you and to the world that this Ministry will remain a sentinel of Truth in a compromised world. While some have usurped their power and authority to suppress Heaven's plans here, we will continue as a steady lamp of Truth - not hidden - but open for all to see."

"My children, you need to cling to the Truth of Holy Love, and not be misled by superficial righteousness. Look beneath the surface to see what is actually being accomplished by the opposition to Holy Love."

"You must pray for anyone who opposes prayer, for prayer builds up and unites the Kingdom of God. Pray that such

hearts recognize that those inspirations and actions would never come from God."

"Dear children, you have the God-given right to pray where you choose."

April 4, 2012 / Public

"I am your Jesus, born Incarnate."

"Now I am speaking to you with a Compassionate Heart - a Heart of Love and Mercy. I give you this Mission which formed in My Heart in the Garden of Gethsemane. It is a gift to firm and support your faith and to lead you into personal holiness. Do not summarily dismiss it because of who believes or disbelieves. Each one of you is called to come deep into the Chambers of Our United Hearts."

"If you have heard My call, you are responsible to Me for your response. Denial of the Truth of these Messages does not exonerate you. If, sadly, you choose to openly oppose the Truth of these messages, you are liable to My Judgment. Take seriously what I am telling you today. Do not discount it out of jealousy, false discernment or a compromised conscience given over to false gods such as ambition, power or greed. Search your heart with honesty."

"Holy Love is the Light on the road to salvation and sanctity. It is the pearl you must sell everything for, to obtain the greatest of all treasures."

"While world economies teeter and fall, I am offering you the security of this spiritual journey."

April 5, 2012 / Holy Thursday Adoration

Blessed Mother says: "Praise be to Jesus."

"The tide of controversy which continues to wash across the face of the Mission does not change the face of the Mission which is Truth Itself. Truth does not change when this one or that one decides it is not true. Dear children, Truth remains the Truth - unaltered by controversy, unflinching in the face of opposition."

"Do not betray the Truth to please erroneous opinionated people. Be certain that this Mission is truly Heaven touching earth. Holy Love has been with you since My Son was with you in the world. Now it is a place to come to - Messages to listen to and special graces to receive."

April 5, 2012 / Holy Thursday Adoration

Blessed Mother says: "Praise be to Jesus."

"Dear children, I am presenting to you My Jesus here tonight, for you to love and to confide in. Remain close to Him, sharing with Him the Cross and the Resurrection. He will share with you His Glory - His Victory. You will be triumphant in every present moment over seen and unseen enemies."

"Remain close to Jesus through your efforts in Holy Love. This is your ark in the midst of controversy and confusion. Time will prove this true."

"When many find no place to turn, you will find a safe harbor in Holy Love - the Refuge of My Heart."

April 5, 2012 / Holy Thursday Adoration

"I am your Jesus, born Incarnate."

"Refine the love in your heart until it is one with My Most Sacred Heart; then My Mother will hold you always as She is holding Me here tonight; then Our Hearts will be united, never to part. They will beat as one."

"Do not let anyone or anything destroy your peace. A trusting heart is always at peace, for love conquers every situation. Love and Trust are always together in the heart - working together - beating together."

"Foster no grudge against anyone. Be ambitious only for holiness - only for Holy Perfection. This is the lofty goal which does not pass, but bears everlasting fruit."

April 6, 2012 / Good Friday

"I am your Jesus, born Incarnate."

"I tell you solemnly, I could not have surrendered to My Passion and Death if I had not first surrendered to My Father's Divine Will. It is love of My Father's Will that kept Me from buckling under the weight of the Cross, and it was that same love that held Me to the Cross."

"I invite each of you to imitate Me in this regard. Love My Father's Will for you in this and every present moment. Acceptance of His Will is your surrender to It. Your surrender is the fruit of your love."

April 7, 2012 / Holy Saturday

"I am your Jesus, born Incarnate."

"I have imprinted on your heart My greatest Sorrow - the most excruciating Wound of My Heart through the ages. Today it is more painful than ever. It is mankind's blasphemy of the Truth. This denial of the Truth is the seed of all evil and the root of all sin."

"Every sin transgresses Holy Love which is Truth Itself, and the embodiment of all the Commandments. Remember that Satan is the father of all lies. He convinces souls that evil is good - Truth is untruth. I hold accountable those that do not seek out the Truth, and those who deny the Truth to suit their own selfish purposes."

"Today this Mission reflects the pain of My Most Sacred Heart as it is blasphemed for every inconceivable reason. Those who persist in error find no favor with Me, but are responsible for the souls they lead astray and the prayers left unsaid. Be humble enough to search out the Truth."

"I was crucified because souls did not recognize Truth in their midst. Do not continue to crucify Me for the same reason today."

April 8, 2012 / Easter Morning

"I am your Jesus, born Incarnate."

"Today I come to you celebrating My Victory over death. Alleluia!"

"As we commemorate this Victory, realize that each present moment holds the key to victory over sin in each heart. Realize that you would never choose sin if you understood the eternal consequences. When a soul chooses sin, it is because he believes the lies of the enemy."

"My Victory over death is also a Victory of Truth. It is a Victory of My Divine Mercy and Divine Love. It is a Victory of Our United Hearts."

"Our United Hearts reign over this property and this Mission. Whenever the Messages are accepted in hearts, Our United Hearts take up Sovereignty. Today rejoice that I am with you - loving you - guiding you. Pray that all find their way to the Truth as you have, for this is the Mission of Holy and Divine Love."

April 9, 2012 / Public

"I am your Jesus, born Incarnate."

"I come to you for the welfare of all people and all nations. I solemnly warn you, do not pattern your lives after the corrupt civilization of Sodom and Gomorrah, which ultimately My Father destroyed. Rather, take heed of My Warnings, and follow the example of repentance given to you by the

inhabitants of Nineveh. When My Father witnessed their repentance, He withdrew His Wrath and showed His Mercy."

"The way to Mercy is through a repentant heart."

April 9, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He is all in white, and says: "I am your Jesus, born Incarnate."

"My brothers and sisters, My Resurrection from the Dead was for the benefit of all people and all nations. My Appearances here, My Mother's Appearances, the Saints and the Angels are for ALL PEOPLE AND ALL NATIONS; but it is according to the attitudes in the heart whether these benefits are received WELL or NOT."

"Tonight I'm blessing you with My Blessing of Divine Love."

April 11, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"These days hearts have become increasingly insensitive as to the daily events taking place in the world. I speak specifically of natural disasters, terrorism, increased violence and moral degeneration, to name a few. These are not viewed as God's mounting Wrath but as just happenstance."

"The Truth has taken a back seat to Satan's compromise. Every sin compromises the Truth of Holy Love, and weakens the bridge between free will and the Divine Will of God."

"Dear children, if you believe in Heaven's efforts here to call you to personal holiness, then you must help Me by spreading these Messages and by your prayers and sacrifices. It is by your efforts the Wrath of God can be turned away."

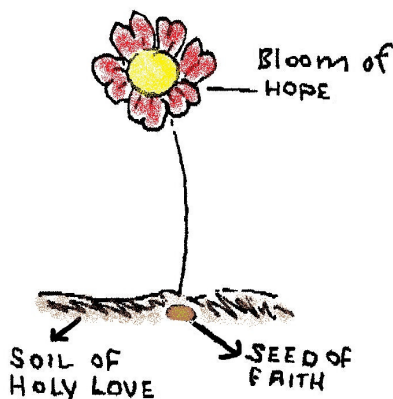

"I come to you to give you purpose in every present moment. What you hold in your heart in any given moment affects the entire world, for what is in your heart is in the world around you. Be a positive force bringing Nineveh to its knees. Unleash the Power of God by asking for it. Do not let Satan make you believe you are powerless to precipitate change."

"Today this is My call to arms. Your greatest weapon is the belief that God will listen to you."

April 11, 2012 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to tell you that as you look at the spring flowers all around you, I desire you think of the gift of faith. Faith is the little 'seed' in the 'soil' of Holy Love. It burgeons into a beautiful bloom, which is hope. The little 'flower' of hope is fed and nourished by the rich 'soil' of Holy Love, which faith is planted in. The richer the 'soil' of Holy Love, the more beautiful the 'bloom' of hope, which springs from a well-nourished 'seed' of faith."

April 13, 2012 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Behold, My brothers and sisters, I am with you. I have come to ask that you make the Messages you receive this weekend from Heaven part of your hearts. In that way, they can help usher in My Victory, as you will be able to spread them amongst unbelievers."

"Tonight I'm extending to you My Blessing of Divine Love."

April 14, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Do not allow the graces My Son gives to all humanity to go unattended. These graces are the fruit of His Divine Love for one and all. His Love provides the cross and the victory over temptation. All of these graces pass through My Immaculate Heart and flow out on mankind. Receive them with love."

April 15, 2012 / Feast of Divine Mercy - Midnight Service at the United Hearts Field

(This message was given in multiple parts over several days.)

Jesus is here as He is in the Divine Mercy Image, and has many angels with Him and hundreds of sparkling lights around Him. He says: "I am your Jesus, born Incarnate."

"Tonight I come to thank all of you for your faithfulness for attending these midnight apparitions; but please understand, this is not the end but the beginning, and apparitions will continue to occur here. Come often and believe. I will be with you tomorrow afternoon in this Field of Victory."

"I tell you, the way to My Mercy is a contrite heart; a contrite heart I will not spurn. The heart which defiles Truth does not recognize his own error and, therefore, cannot seek My Mercy. This is why truthful self-knowledge is a stepping stone to My Mercy."

"Do not look outwardly for signs of My Return. Although these are all around you, I tell you, the first sign of the age of tribulation will be in hearts. Every soul will be given the opportunity to see into his own heart with the Light of Truth; then he will see with certainty what obstructs his way to My Heart. I do not come to predict the time of this awakening - only the Father knows the time. I come to inform you, and to prepare you to accept the Truth."

"My Mercy transcends human comprehension. Evidence of My Mercy today is your very existence despite your best efforts in destroying yourselves and the planet you are given to live on. Lack of Holy Love in hearts is your enemy; but given the solution here in this Mission and these Messages, it is discounted and dismissed for the most part. I warn you once again, there is no time to wait for endorsements. Danger lies all around you - under the earth and even above you in the skies. Hasten to your conversion."

"Once again I remind you that natural disasters, famine, disease, economic woes, terrorism and more are all the consequence of man's failure to live in Holy Love. The enemy of your soul does not want you to hear these words or to come here to pray. Allow Me to be your Savior, King of Mercy, Prince of Peace. Allow Me to deliver you from so much disordered self-love. Allow Me to take sovereignty over your hearts."

"Mankind has been given My Feast of Divine Mercy as a Refuge; but realize that part of My Mercy is also the Refuge of Holy Love - the Immaculate Heart of My Mother. We have

come to rescue a wayward world during these critical times when the salvation of souls is threatened as never before. I do not come to command, but to invite you into My Mercy, and into the Refuge of Holy Love. I can do no more."

"Tonight I'm taking all of your petitions into My Sacred Heart. I'm blessing your hearts, your lives, your vocations - even the objects you are carrying on your persons. And I'm blessing you with My Blessing of Divine Love."

April 15, 2012 / Feast of Divine Mercy - United Hearts Field - 3:00 P.M. Service

Jesus is here as He is in the Divine Mercy Image. Our Lady is next to Him as Refuge of Holy Love. Jesus says: "I am your Jesus, born Incarnate."

"My Mercy endures forever. Today on the Feast of My Mercy, I invite one and all to imitate My Divine Mercy by being merciful to one another. Do not bear grudges. Do not judge motives. Live in the Truth."

"Do not consider what people may do in the future. This may not be true. Such conjecture carries your heart close to judging a whole meadow of thoughts upon which you need not roam. Deal with the present in Truth."

"I long to fill the world with My Mercy so that every heart would live in the Truth; but today most people spend much energy running away from My Mercy. I seek their surrender to the Truth."

"Today I have come to complete these two days of prayers by imparting to you My Blessing of Divine Mercy. And together we impart to you the Complete Blessing of Our United Hearts."

(There were many angels hovering above the people here.)

April 16, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, these days I encourage you to make good use of language by allowing Holy Love to guide your tongues, the written word and all telecommunications, including your phones and the internet. You have great power at your disposal these days; use it to build up God's Kingdom. Do not destroy one another's reputation or fall prey to gossip. God's Commandments are the same today as they were in the days of Moses; but today you are tested in more ways than ever before."

"Let every use of language that God has given you be a sign of Holy Love in the world. Use modern communication to promote Holy Love, and to spread the Messages. Every present moment is a battleground between good and evil. Remember this before you nonchalantly make use of language."

April 16, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here as He is in the Divine Mercy Image. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, thank you for all your prayers and sacrifices over the weekend. Thank you for returning here tonight to be with Me. I have come to be with you, and to tell you that every present moment is a unique opportunity of grace, and an opportunity to turn to My Divine Mercy."

"Tonight I am blessing you with My Blessing of Divine Love."

April 18, 2012 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"One error, which is most important to take note of and to correct these days, is that mankind has come to depend too much on himself instead of God. This is why, in times ahead, God will permit events to take place in the world which, consequently, will force humanity to turn to God for very basic needs."

"But, to those who learn to trust now in every little thing, trust in greater things will not be so daunting a task. You must come to know and love the Heart of God, for He is so ready to be united with all mankind. With a loving heart, love God's Will for you - knowing He only chooses the best for you and the needs of your salvation. It is through God's Divine Will He chooses union with man, and man must choose union with God. This is the way to peace in every trial."

April 19, 2012 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Truth is the solution to many a problem in the world today. Truth brings with it, very often, healing and forgiveness. Truth clarifies in the midst of confusion. Truth justifies actions and brings right reason and wisdom to the forefront."

"Truth convicts the duplicitous heart. Truth reserves judgment until all the facts are brought to light. Truth is the light on the path of salvation. Truth is Holy Love."

April 20, 2012 / Public

"I am your Jesus, born Incarnate."

"Do not defy the graces I give to you through these Messages of Holy Love. To come here and to persist in unbelief shows a marked pride in false discernment. Do not form opinions which compete with the Truth of Holy Love; to do so, is to have a vested interest in Satan's lies."

"Return to the reality of the Two Great Commandments: To love God above all else and your neighbor as self. Nothing is altered in these Commandments over the passage of time. This is Holy Love. Why do you hesitate to believe?"

April 20, 2012 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, peace and unity are fruits of Holy Love in the heart. Whatever opposes this peace and this unity are obstacles to your deeper journey into the Chambers of Our United Hearts."

"Tonight I'm blessing you with My Blessing of Divine Love."

April 21, 2012 / Public

"I am your Jesus, born Incarnate."

"I invite you to understand that this whole Mission, and all the Messages, are received by individuals much like the Image of My Mother on the wall in the United Hearts Chapel that is present from time to time. Some see it and believe; some see it and explain it away as caused by shadows or some other natural phenomenon. Just as some say there is nothing supernatural going on in this Mission, they do not see Heaven's Hand in this Image."

"There are some who see nothing of importance in these Messages, and go so far in their pride as to oppose Heaven's efforts here. Most, however, see the spiritual richness in Heaven's Messages offered here. Thousands make them part of their spiritual journey."

"So you see, it is all in how the heart receives what Heaven offers. This is the determination of free will."

April 23, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, dear children, I invite you to place your trust always in Divine Mercy and Divine Love, for this is the way out of every situation. This is the way to recognize God's Will for you."

"The heart of the world has taken an errant path, depending upon human intelligencia and human effort. This will be all too apparent in future days. God has given you every type of technology towards improving the human condition; but evil has influenced many towards convoluting knowledge for its own purpose and end."

"Every event is interconnected, be it science, technology, human relationships, even nature itself. All of these fit under the umbrella of God's Divine Will. When what God gives you for good is misused towards evil, God permits natural disasters, wars and disease. These things are never separate events, but always interwoven into the tapestry of free will and Divine Will."

"Dear children, please understand that every present moment is a thread in this great tapestry, and every thread affects the final design. In the present moment, what you think, speak or do affects not only the state of your own soul but the state of the world at large. Each present moment for every soul carries with it the grace of salvation and even sanctification."

"Open your hearts fully to Divine Mercy and Divine Love by accepting My words to you today."

April 23, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, once again I ask you to be united with one another in Holy Love; for this is the doorway to Our United Hearts - your union with one another. If you hold grievances in your hearts against anyone, then the doorway is blocked."

"Tonight I'm blessing you with My Blessing of Divine Love."

April 26, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Today I have come to help mankind to re-evaluate his priorities; for in days yet to come, much of what has taken over his heart and his life will be stripped away. Telecommunications, which have become the center of human existence, will not exist; then, as humanity is forced into a more simplistic life style, he will be more open to dependence on God."

"I tell you these things now while there is still time to propagate these Messages worldwide. Do not receive them only with mild, passing interest intellectually. Let what I am saying penetrate your heart. Focus on your relationship with God and neighbor; for this is what is everlasting."

"Realize that God has given you everything, and that nothing comes to you by your own merit. This is the way to be sustained in and through grace."

April 27, 2012 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I come specifically to request your surrender to all your crosses and to every victory.

When you accept the cross, as well as the victory with love in your hearts, you please My Eternal Father. It is His greatest happiness."

"I am blessing you with My Blessing of Divine Love."

April 28, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Every journey has a point of departure and a destination. The spiritual journey is no different. It begins when the soul decides to depart from his old ways, and step forward in pursuit of personal holiness. His destination is the Sixth Chamber - immersion in the Will of God."

"The soul is asked to leave behind all personal baggage such as disordered self-love, unforgiveness, lack of trust; and to carry with him only love of God (his walking stick) and love of neighbor (his sandals). These two, which are Holy Love, help the soul to skirt any obstacle, and to readily recognize the enemy where he lies in wait."

"The problem today is souls do not see holiness as a worthy journey to pursue. If a soul cannot even desire to make this spiritual journey, he most certainly can never complete it."

"Today I desire your prayer be that souls re-evaluate their goals in life. Any goal which opposes this spiritual journey is unworthy and at best, passing."

"I cannot draw souls into My Immaculate Heart if they refuse to come. This is where your prayers make a difference. Prayer can influence free will, thereby influencing free will choices. This is important to remember."

April 28, 2012 / Public

Jesus says: "I am your Jesus, born Incarnate."

"On this spiritual journey which all are called upon to make, your travel agent is the Holy Spirit. Your passport is the surrender of your free will. Your tour guide is the Divine Will of My Father, for it is He who plots the path of each one's spiritual journey."

"Many lose their passport - the surrender of their free will - along the way; then they are allowed to slip from the path they once committed to follow. In order to get back on the path, they must pause and surrender their free will once again. It is the union of the free will with the Divine Will which propels the soul along the path of holiness. The more perfect the union, the speedier the journey."

April 29, 2012 / Feast of St. Catherine of Siena

St. Catherine of Siena says: "Praise be to Jesus."

"Trust is the foundation of Hope. Hope is the doorway to Joy. Joy is the fruit of an optimistic heart. So you see how Trust is important in the spiritual journey. It is the ticket that admits the soul to the pathway of personal holiness."

April 30, 2012 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"You must depend on the Light of the Holy Spirit to reveal to souls the path they are following. Do not rely on the imminence of certain events. Turn to the Spouse of the Most Holy Virgin to enlighten and guide souls in every present moment as to their next step, and as to the path they are pursuing."

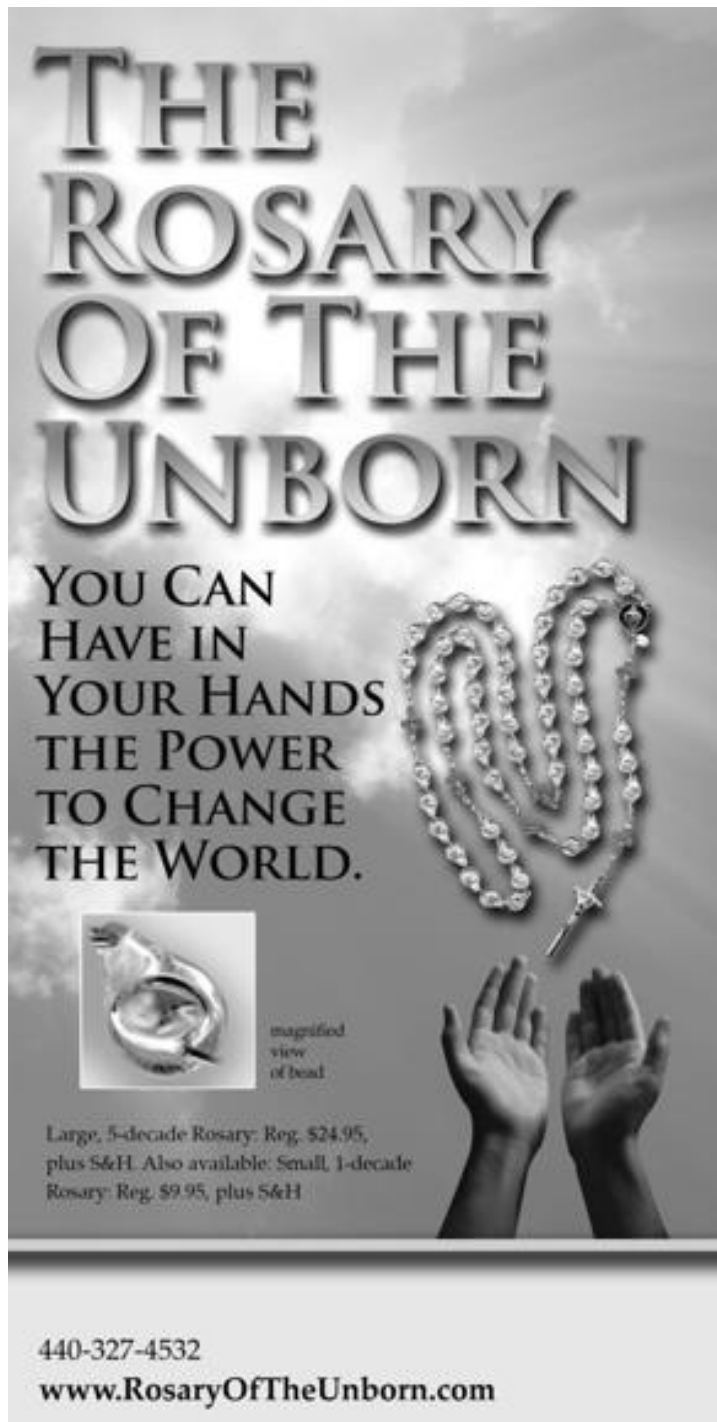

"These days souls pay no heed as to their relationship with God. People are too self-reliant and not God reliant. Grace is discounted as a source of provision. This is why hearts are in need of enlightenment now."

April 30, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My Heart beats with Divine Love for all humanity; and so, I come tonight once again to invite all hearts to open to Holy Love, for love in the heart makes every thought, word and deed great."

"Tonight I am blessing you with My Blessing of Divine Love."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

May 2012

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

**All who come in pilgrimage here are invited to join us in prayer and
the peace that Heaven offers at this site.**

May 1, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I invite you to understand that Jesus' Passion and Death would not have been meritorious if He had not offered them in and through Holy Love; for it is the purity of Holy Love in the heart with which any sacrifice is offered, which determines the merit of the sacrificial offering."

"Holy Love in the heart makes small sacrifices great and worthy. Sacrifices given over amidst reluctance or disgust are barely valuable to God. Souls should pray for the inner strength to love sacrifice for the love of God and neighbor. This opposes self-centeredness which the world so encourages today."

May 2, 2012 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"Openness to self-knowledge is the key to personal holiness. Indeed, self-knowledge is the catalyst which propels the soul along the path of holiness. No one can improve in anything unless he sees where he must improve. The grace of self-knowledge is given here freely."

"Sadly, some who come search out what they hope to find, which is physical evidence of the reality of this Mission or some error in Heaven's work here."

"But the Truth must exist in hearts first before the soul can recognize and appreciate the graces given here. The soul must be able to separate good from evil in his own heart, and in the world around him. This means he must open his heart to recognize where he lacks Holy Love."

May 3, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Today I reiterate to you the impact of a pilgrimage to this property. If the soul comes with an open heart – not a judgmental heart – he will be given insight as to what is obstructing his ascent to perfection in Holy Love. This is a great grace and could be

regarded as an illumination of conscience. What is actually happening is the soul, who comes with an open heart, is plunged into the purifying Flame of My Immaculate Heart. There is nothing to fear – everything to gain."

"If, on the other hand, the soul presents himself on the property with an attitude of judging and testing, he will not be given this grace and will be denied much more, as well."

"So, I am telling you today, come with an open heart – a heart full of Holy Love. Then, like Noah, you will be led to the ark of My Heart and your own heart will become an ark of the covenant of Holy Love." **

***On May 22, 2004, Jesus gave a Message of a prayer that He desired all who journey in pilgrimage to the prayer site, might recite prior to stepping onto the property:*

May 22, 2004 / Public

PRAYER TO BE RECITED BY VISITING PILGRIMS

"I am your Jesus, born Incarnate. Here, child, is a prayer I desire all who journey in pilgrimage to the prayer site, recite:"

"Dear Heavenly Mother, I know you have called me to this place of Your favor for Your purpose. As I step onto the property You have chosen as Your own, help me to realize that You are inviting me into a deeper personal conversion through the Revelation of the United Hearts. Help me to begin this journey by stepping into Your Heart which is Holy Love. If You, Blessed Mother, look into my heart and see that I am unprepared or unwilling to take this first step, extend Your Hand filled with grace towards me and I will take it."

"Do not allow me, Your child, to pass up this opportunity through doubts or pride. If I came here only looking for error, take this spirit of arrogance away, dear Mother. I desire to be Yours in this present moment through Holy Love. Amen."

May 4, 2012 / Friday Service – For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, Holy Love is like an Oasis of Truth amidst a wasteland of compromise."

"If people could only realize this, the heart of the world would be converted, as everyone would want to partake of this – Oasis of Peace."

"Tonight I'm imparting to you My Blessing of Divine Love."

May 5, 2012 / Feast of Mary, Refuge of Holy Love – 15th Anniversary

(This message was given in multiple parts.)

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"The Message I now impart to you, to be given on My Feast Day of Holy Love, is coming into the world as a Rose from Heaven. A rose has many layers. It has outer petals, and an innermost bud which opens to exude a beautiful fragrance."

"I, Myself, will give to you the outermost petals of this Rose – this Message. My Son will then give to you the essence – the most fragrant, the most poignant part of the Message. The Rose not only represents the Message, but also the Ministry. You will see why."

"The outermost petals of this Message and the Ministry display the controversy which envelopes the Ministry and the Messages themselves. Though they should be regarded as a thing of beauty, they are overlooked and misjudged. The pride of false discernment has focused on lies and not the Truth of these Messages and this spirituality."

"The Truth is the sweet fragrance of the entire Ministry; but many miss the innermost essence of Heaven's work here, for they see only controversy. My Son's public life was also controversial and He, too, preached Holy Love. The color of the outer petals of a rose are not as deep as the innermost bud. So, too, the outermost layers of the Ministry are often watered down by controversy."

"My Son will now speak:"

"I am your Jesus, born Incarnate."

"Everything about this Mission is to draw the heart of the world into the Truth of Holy Love – just as the overall beauty of the rose draws the soul to smell the fragrance of the inner bud. All the Messages, miracles and healings are towards the end of worldwide conversion."

"Now the bud unfolds. The time approaches when holy righteousness will be regarded as a disgrace. There will be opinions and dictates from impressive personages given in My Name; but My Name will be used falsely. I am the Truth. My Name will be used to justify error."

"When I return I will gather unto Me those who live in the Truth of Holy Love. Not all who claim to speak in My Name live in the Truth."

"The essence of this bud, this Ministry, is to preach and propagate the Truth of Holy Love – no matter the controversies, calumnies and falsehoods perpetrated against it. These are all distractions, which try to lead the heart of the world away from its conversion in Truth."

"The beautiful fragrance of this Ministry reaches into eternity, and will be appreciated for generations yet to come. The essence – the fragrance of this Ministry – will prove to be not who believes or disbelieves, but the Truth of the Messages."

Blessed Mother says: "Today I come with words to complete the circle of the previous two Messages from Jesus and Myself. The outer petals of a rose, after all, encircle the whole rose."

"I invite you, My children, to realize that when you look at the beauty of a rose you regard the whole flower – not just the

outermost petals. In doing so, you are able to enjoy the rich fragrance that arises from the center of the bloom."

"It is no different with this Mission. To really appreciate the value of what Heaven offers here, you cannot look at just the 'outer petals' which is all the controversy that swirls around the Mission. To enjoy the richness of this Mission, you must absorb the 'fragrance' of the 'inner bud' which is the spirituality of the Chambers of the United Hearts and the Messages themselves."

"Herein lies the rich fragrance – the inner beauty – that Heaven offers to you for your joy, your protection, and your guidance along the path of personal holiness. This 'fragrance' is Truth itself. Once you experience the richness of this 'fragrance', you will never want to leave its presence."

"Dear children, pray always that Holy Love takes up dominion over every heart, and thus the heart of the world."

"Tonight I'm imparting to you My Blessing of Holy Love."

May 6, 2012 / Public

"I am your Jesus, born Incarnate."

"I invite you to see that this is no longer an age of innocence. Rather, it is an age of sophistication – the fruits of which are self-reliance and self-gratification. These values have uprooted love of God in the heart, and misdirected the goals of governments and religions. Education, as well, has now been directed towards the fulfillment of these goals."

"Holy Love calls the heart of the world back to the reality of man's place before God. This is why so many are opposed to this Mission and reluctant to accept the Truth of these Messages. I tell you these things today to encourage you to continue to propagate these Messages. Do not see lack of acceptance as any failing of your own; but as iniquity in the heart of the world."

May 6, 2012 / Sunday Service – The Triumph of the United Hearts both in Hearts and in the World; Unity in Families

St. Joseph is here and says: "Praise be to Jesus."

"If all families had in their hearts Holy Love, they would receive new direction inspired by the Holy Spirit. As it is, an independent spirit takes over every heart that isn't committed to Holy Love."

"Tonight I'm extending to you my Fatherly Blessing."

May 7, 2012 / Public

"I am your Jesus, born Incarnate."

"The fortune of My Heart is Divine Love. This is a fortune which will never devalue. It is a great fortune readily available through the Chambers of the United Hearts."

"Do not chase after the tangible. Do not seek out evidence or proof of all that I offer you through grace. Rather, faithfully follow the journey through the Chambers of Our United Hearts. This is the way of peace and reconciliation – with one another. It is the way of reconciliation with God."

"The time will come when the First Chamber – the Purifying Flame of My Mother's Heart – will consume the world. In that moment, each one will be given the opportunity to step into the First Chamber and to begin the journey. Pray that all cooperate with this profound grace."

May 7, 2012 / Monday Service – Peace in All Hearts through Holy Love

Jesus is here and dressed all in white. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, today once again I come to call you away from the precipice of My Justice by living these Messages and the spirituality of the United Hearts. Please comprehend the reality of My call to you."

"I'm imparting to you My Blessing of Divine Love."

May 8, 2012 / Feast of Our Lady of Grace

Blessed Mother says: "Praise be to Jesus."

"Today I invite each one to realize that they are called to love one another as God loves them. Imitate God's Love for you in every present moment. Be a sign of His Love in the world. Do not be overwhelmed with concerns of the day. Surrender everything to My Immaculate Heart. This is the doorway to victory."

"A part of My Triumph is the spreading of the Flame of My Heart around the world. Before the final tribulation, God will allow this to take place; then every heart will be illumined; but this will be like Christ's teaching on the Sower. Some will allow their consciences to be overgrown with the weeds of doubt. Others will repent but soon return to old habits or become concerned for the opinions of those around them. There will be some, however, who will cling to the Truth. It is within these hearts My Son will build His Remnant. Be part of the Remnant now by living in the Truth."

May 9, 2012 / Public

"I am your Jesus, born Incarnate."

"I have come to describe to you the most desirable traits of a shepherd, be he a minister or clergy. The good shepherd is solicitous after the physical, spiritual and emotional well-being of his flock. He is open to the promptings of the Holy Spirit both in his own heart and in the hearts of those he is given to lead. The good shepherd prays for discernment of God's Will in all decisions. He has no hidden agenda towards personal gain, such as money, power or popularity."

"The good shepherd always supports the Truth. He does not embrace compromise of the Truth for any reason. He never forms opinions based on the opinions of others, but always bases his opinions on the Truth as inspired by the Spirit of the Truth."

"If these guidelines would only be followed with simplicity today, whole segments of society would be united to the Will of My Father. Rebellion would be overcome, and there would be peace."

May 10, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"These days, when sin has become a political choice, it is of even greater importance that hearts be consecrated to Our United Hearts. For with this consecration is the soul's resolve to live a holy life, and to support only Holy Truth."

"Soon I will dictate to you a consecration of the heart of the world to Our United Hearts*. The more souls that make this consecration, the more the heart of the world will be saturated with the Truth. This is an all-important effort in these times before the impetus of the final tribulation."

** To the Children of the United Hearts Association:*

Please note the importance of spreading this consecration of the heart of the world to the United Hearts throughout the world.

May 10, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"This is My Mother's Day gift to the world –"

"THE CONSECRATION OF THE HEART OF THE WORLD TO THE UNITED HEARTS"

"Most Compassionate United Hearts of the Most Holy Trinity and the Immaculate Heart of Mary, accept this, my prayer, on behalf of the heart of the world. Awaken the heart of the world to the Truth of the difference between good and evil."

"Inspire each soul to consecrate their hearts and their lives to the United Hearts; thereby strengthening the heart of the world in this resolve."

"We beg You, dear United Hearts, pour the grace of Your Inspiration into the heart of the world, strengthening it in Truth and in Holy Love. In this Heavenly Inspiration, draw the heart of the world into union with the Will of God. Amen."

May 11, 2012 / Friday Service – For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the best gift you can give My Mother on Mother's Day is your desire to be embraced by, and part of, My Mother's Immaculate Heart by living in Holy Love."

"Tonight I'm imparting to you My Blessing of Divine Love."

May 13, 2012 / Mother's Day

Blessed Mother says: "Praise be to Jesus."

"On this Mother's Day, I celebrate and console all mothers around the world. As the Mother of all mankind, I celebrate the giving of life and the nurturing of life. I console those mothers that have lost their children through abortion, disease or any other human tragedy. I console mothers of wayward children. I console, as well, those mothers who feel neglected."

"In My role as universal Mother, I have experienced misunderstanding, indifference and neglect. Regard, however, the humility of My Heart, which continues as a conduit of grace for all humanity. It is only through God's Will that I can continue as a loving Mother to all, and that I can continue in a humble outpouring of selfless love despite the transgressions against good. May God be praised, for He alone is the Source of Humble Love."

"Therefore, I invoke all mothers to allow their hearts and their lives to resemble humble love – always forgiving – always making allowances. In this forgiveness, you must also forgive self, as God has no memory of sins you have repentance of." *

"Humble love leads you to trusting love in God's Will for you. Trusting love leads to peace. Be at peace, not only today, but always."

** Catholics are reminded that forgiveness of sins requires an Act of Contrition by the penitent, followed by the sign of God's forgiveness – absolution by a priest; all within the Sacrament of Penance or Confession. God, then, has no memory of those sins confessed and repented of.*

May 13, 2012 / Feast of Our Lady of Fatima

Blessed Mother says: "Praise be to Jesus."

"Today, on the day of commemoration of My apparitions at Fatima, I have come to address the world at large. The decades that have passed since God sent Me to Fatima have not borne the good fruits of love, peace and unity which the Fatima message was intended to bear. Self has become a new god – the god of hedonism."

"New war fronts continue to be established around the world, and none of them find resolution in Holy Love. Lives are continually lost in the battlefield of the womb. God's Commandments carry little purpose today. God's Will is disregarded."

"You cannot become a godless country and expect to prosper. You cannot withdraw from the Will of God and be at peace."

"My warnings at Fatima were left unheeded, and you experienced the loss of millions of lives in World War II."

"Today I have come to ask you, My children, to pay attention to My call and do not wait for someone to approve. Do not repeat the same mistake of the generation past. Consecrate your hearts, your lives and the heart of the world to Our United Hearts."

"The world does not comprehend God's Justice; nor does the world respect the great weapon of Holy Love. There is still time to transform hearts, lives, government and church leaders, in and through, Holy Love."

"I have chosen each of you to hear this Message. Make it known."

May 13, 2012 / Sunday Service – The Triumph of the United Hearts both in Hearts and in the World

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"In order for My Victory to come into the world, it must come first into hearts through Holy Love. You can only be at peace and be united through Holy Love, both in your hearts and in the world; both in souls and in countries."

"Tonight I'm blessing you with My Blessing of Divine Love."

May 14, 2012 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Today I have come to speak to you about humble love. Unless humility is part of the Holy Love a soul professes to hold in his heart, the love in his heart is superficial. Humble love does not focus on self and how everything affects self. Humble love focuses away from self and towards others."

"Humble love has a truthful opinion of his own limitations, strengths and weaknesses. He is never presumptuous about his capabilities. He respects the strengths of others and makes allowances for their weaknesses. Humble love is always forgiving."

"If the soul who aspires to perfection in Holy Love is given insight into the faults of another, he prays for their triumph over these faults, and at the same time, forgives them. If it is his duty to correct another, he does so humbly – not out of self-righteousness."

"Without the traits of humility, such as I have described to you, in the heart the soul cannot mount to perfection in Holy Love. He may fool himself, thinking he is passing quickly through the Chambers of the United Hearts, but that is Satan's lie. If humility and love are not together in the climb to holiness, self-love has become the master of the soul. This is a familiar trap the enemy lays – causing the soul to think he is far better off than he is spiritually. In truth he has been blind-sided as to his own faults and weaknesses. He may even view limitations as strengths."

"Beware and be prudent, then, in all I have advised you about today. Every day pray for humble love."

May 14, 2012 / Monday Service – Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite you to surrender every problem to My Divine Heart which stands ready to defend, protect and provide your every need. In this surrender is your acceptance of the solution God wills for you."

"Tonight I'm blessing you with My Blessing of Divine Love."

May 15, 2012 / Public

"I am your Jesus, born Incarnate."

"This is a list of the characteristics of spiritual pride, for this is very often the obstacle Satan places on the path of personal holiness:"

SPIRITUAL PRIDE

- "1. The soul believes he is very holy with few virtues that need improvement."
- "2. He believes his rash judgment to be discernment."
- "3. He believes any idea that he has is inspired by the Holy Spirit."
- "4. He will not consider others' opinions on spiritual matters, but holds fast to his own."
- "5. He sees much error in others' hearts – not his own."
- "6. He takes pride in his prayer life and his sacrifices – this leads quickly to self-righteousness."
- "7. He is not open to spiritual correction."

"Watch out for these signals that you might fall into through Satan's trickery."

May 15, 2012 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"I cannot stress enough the importance of a simplistic, childlike heart which is the short path into the Chambers of the United Hearts. So many will not accept the importance of this spiritual journey. They have disparaging spirits – always minimizing the importance of this call – always finding excuses not to believe. This spiritual journey is given freely as a clear path of light to salvation and personal holiness."

"It would seem some prefer the obscure path strewn with temptations, false discernment and worldly concerns. These are the ones who still live in attachment to the world. They make their choices, not based on Truth, but upon their own false opinions and those of others. They avoid the Light of Truth."

"The childlike soul does not question – only believes. Such a one merits the grace of an unobstructed journey into the United Hearts."

May 16, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"My daughter, no one can claim that Heaven has not extended every grace and Heavenly Blessing here at this site in an all-out effort to draw souls into Our United Hearts and through this spiritual journey. Extraordinary graces have been granted here visually and spiritually within hearts. Yet, Jesus, in His Infinite capacity to mercifully touch souls, sends Me with another magnificent grace meant to transform hearts and lives and the world."

"Jesus says that those souls who come on pilgrimage to the property and prayerfully visit the Shrine of My Sorrows or the Stations of the Cross, and also pray the Consecration of the Heart of the World to Our United Hearts, will receive the Complete Blessing of Our United Hearts."

"My Son is All Love and Mercy. He is making conversion of the heart of the world as accessible as He can. Use the opportunities of grace He offers you."

May 16, 2012 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"The opposite of spiritual pride would be humble love. Humble love regards himself as the least holy, the most unworthy of grace. He knows all good comes from God – that God is the source of every grace. He humbly tries just to be an instrument in God's Hands. Humble love humbly bears, with patience, the mistakes and character flaws of others. He mercifully, gently corrects when it is his place to do so."

"In humble love, the soul is always forgiving; knowing it is God's Grace that keeps him from making the errors another has made. In this same spirit of humility, he forgives himself of all iniquity."

"Humble love never tears down – always builds up. It never causes division, but unites. It does not see its opinion as the only opinion unless it is a matter of good versus evil; then, humble love clings to the Truth."

"Pray for humble love in your heart."

May 17, 2012 / Public

"I am your Jesus, born Incarnate."

"I am confiding to you new details on the journey through the Chambers which lead to perfection; no one can reach perfection who thinks they are perfect."

"This is why the First Chamber – the Heart of My Mother – is, perhaps, the most important. It is in this Chamber that self-knowledge is able to penetrate the human heart. Only through this all-important gift of self-knowledge can the soul see what obstacles lie between his heart and the Heart of God. Perfection rests in overcoming these imperfections. Flaws cannot be corrected unless they are first recognized. Once the soul realizes what he must correct, the Flame of My Mother's Heart assists the soul in overcoming the imperfections by burning them away – a combination of the soul's free will and grace."

"It is always the combination of the soul's free will and Heavenly grace which propels the soul deeper into the Chambers of Our United Hearts. First, the soul must choose the journey; then, grace comes to his assistance."

"Understand, then, the action of humble love in the heart, which opens the will to take the journey, and to recognize his shortcomings at the onset. Through humble love, he is not discouraged by self-knowledge, but humbly seeks the assistance of grace. This is the key that opens the treasury of grace, which is the journey through the Chambers of Our United Hearts."

Part 1 – A.M.

St. Thomas Aquinas says: "Praise be to Jesus."

"When I speak to you of discernment, such as I am today, I do not refer to random opinions about everyday affairs which do not assail reputation. I speak of the opinions expressed as expert conclusions, which are used to harm organizations, ministries, apparitions, visionaries, and Heaven's intended work, such as we have here."

"This is where rash judgment and discernment must be more clearly defined. Rash judgment is not based upon the Truth. The lies of rash judgment are circulated unjustly. This could have, as its root, many causes. Perhaps the Truth was never sought out. Perhaps jealousy took hold or fear of loss of control. Sometimes rash judgment [which is one with false discernment] is expressed through the desire for self-importance. Yes, some do try to build up self-reputation by tearing down the reputation of others. This is never of God."

"Hasty and superficial efforts should never be a part of deciding for or against messages, apparitions or any of Heaven's efforts in the world.* Self-gain must never be part of the discernment process; nor should preconceived opinions or any negative motive come into play. Ulterior motives open the door to misinformation."

"All discernment must be based upon Truth. The Soul of Truth is Holy Love. The Soul of Holy Love is Truth. No one can justify a judgment outside of this."

**Errant decisions regarding this apparition site have occurred previously on Messages that have been received since 1985.*

Part 2 – P.M.

St. Thomas Aquinas says: "Praise be to Jesus."

"I have returned. I have yet more to say about rash judgment – discernment. Please realize that many who tout their 'powers' of discernment have nothing more than a bad case of spiritual pride. They come across as having the only and final opinion on a certain apparition, message or ministry. They may see what they purport as an error in one Message according to their 'expertise', and proclaim loudly – even worldwide – that none of the Messages are true."

"Every grace that is given by way of apparitions, messages and more requires a response from mankind. If, through spiritual pride, a soul chooses to disbelieve or worse yet, to oppose the graces offered, he is answerable to God. He is not only answerable for his own lack of positive response, but for the many prayers left unsaid due to his negative influence."

"The overall bouquet of any heavenly apparition is all the graces put together, exuding the heavenly fragrance of a call to conversion."

"Discernment of apparitions needs to step out of the dark ages where every reported apparition provokes some negative response."

May 18, 2012 / Friday Service – For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, desire nothing except to be closer to Me and deeper within My Heart, which is the Tabernacle of Love. In this way My Victory will be complete, and you will hold Heaven within your own hearts."

"Tonight I'm blessing you with My Blessing of Divine Love."

St. Margaret of Cortona says: "Praise be to Jesus."

"You probably do not know me. I am Margaret of Cortona. I have come to encourage you and all souls to become detached from worldly goods, physical appearance and the opinions of others. In this detachment lies your freedom and your peace. Do not get caught up in concern for your physical well-being either. This is another trap that the enemy lies to distract you in the present moment."

"Never oppose Truth towards any self-gain."

May 20, 2012 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Today I have come to point out that the most important grace given freely at this site here is conversion of heart. This is true, for the conversion of heart is like the vase that holds all the other flowers of virtues. The water in the vase is the inspiration of the Holy Spirit to pursue the life of virtue; the virtues are nourished by this inspiration."

"Please note that flowers in a vase still need attention to stay alive. From time to time they need fresh water. So, in the spiritual life, the soul must be continually open to fresh inspirations as to living deeper in the virtues."

"The fragrance of any bouquet is a great part of its beauty. The fragrance of the spiritual life is the Holy Love in the heart which permeates the soul and the environment around him."

May 21, 2012 / Public

St. Margaret of Cortona says: "Praise be to Jesus."

"The Lord desires that I return to you to speak specifically about detachment of spirit. This is a great grace and one that should be sought after and must be sought after by all. No one can be holy that does not reach for this goal of detachment. Further, I say, the more detached the soul is in this life from the world, the flesh and the devil, the deeper he is permitted to travel into the Sacred Chambers of the United Hearts."

"Holy Love in your heart endures forever. All else is passing. How you look today – what you wear – your physical well-being – all of these change tomorrow. Why place such importance upon any of these? Do not seek after compliments. Do not try to ingratiate yourself in the eyes of others. Let all your motivations arise from Holy Love in your heart – the pure motivation which pleases God – and does not seek favor in the eyes of man."

"When you work towards this goal, what is not important in the Eyes of God becomes less important to you. Worldly pleasures, fascinations and comforts are seen for what they are, and the Light of Truth shines through you into the world."

"This is the way to joy and peace of heart. It comes into the heart through a spiritual surrender of all the world esteems, and an attachment to personal holiness through Holy Love."

May 21, 2012 / Monday Service – Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I remind you to love one another as I have loved you; in this lies your salvation. Whatever obstructs this love is not from Me and must be overcome."

"Tonight I'm blessing you with My Blessing of Divine Love."

May 22, 2012 / Feast Day – St. Rita of Cascia

St. Rita of Cascia says: "Praise be to Jesus."

"The heart of the world must be reconciled with the Truth before it can be reconciled with God. People must recognize once again that God alone is the Creator of all good. Mankind of his own accord can accomplish nothing."

"Political alliances and false religions are never the answer to peace. Truth based upon Holy Love bears the fruit of genuine peace. False promises of peace are no more meritorious than a promise would be of declaring no more natural disasters. Peace has to be rooted in God; for peace of heart comes from God just as peace in your natural surroundings flows from God."

"Truth which brings peace originates in the Heart of the Father; but it must be ignited in the human heart by action of the free will."

May 23, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come once again to draw the heart of the world into Our United Hearts. Our United Hearts devotion and the Revelation of the United Hearts is the fulfillment of Truth. In this Revelation is the Way, the Truth and the Life. All of this is given freely and beyond speculation."

"The souls who believe fully without pause or waiting for endorsements – without paying heed to those who believe or disbelieve – will be greatly blessed with an easier journey through the Chambers of Our United Hearts. The souls who get caught up in the whirlpool of controversy, which swirls around these Messages, the Ministry and the visionary, will have a very difficult time in their spiritual progress."

"Today I tell you that everyone's spiritual journey is the same as the journey through Our United Hearts. Most do not realize this. The more the soul remains consecrated to the Truth, the deeper his spiritual journey. This, however, requires great effort on behalf of free will."

I (Maureen) see a Great Flame. From It, I hear a Voice. "I am the Eternal Father – the Eternal Now. I desire people know Me and love Me, for I am the Source of All Love and All Good. I am He Who creates everything from the smallest grain of sand, to the highest mountain, to man's free will. I am the Source of Mercy that frees man from sin; that allows choices and makes My Will the Umbrella of all creation."

"Entrust to Me the past, present and future. Console Me in the face of mankind's arrogance. I seek mankind's good, while he seeks utter destruction. So far above all are My Ways – beyond all telling."

"It is I Who form the Revelation of the United Hearts. It is I Who brought it into the world to bring peace and harmony into the hearts of all and between mankind and God. Do not forsake My Purpose. Make this Revelation known as it is given to the world by the Source of All Truth. Do not be dissuaded from belief by who believes or disbelieves. Those are earthly standards. Believe because I ask it of you. Do not continue to search out reasons to disbelieve. You are answerable to the Eternal Now. I do not need to search your heart to know you. I formed your heart."

"Believe now. Be consecrated to Our United Hearts. Spread this devotion."

May 25, 2012 / Friday Service – For all those falsely accused within society, governments and within Church circles; that all columnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I desire that tonight each of you surrenders to Me all that is in your heart that opposes Holy Love – be it disordered passions, unforgiveness, anger. Whatever is not of Holy Love is not of Me. This is the first step in being delivered of these iniquities."

"Tonight I'm blessing you with My Blessing of Divine Love."

May 26, 2012 / Public

Once again I (Maureen) see a Great Flame. A voice says: "I am Eternal Love – God the Father. I am All Love. Everything I create I create out of love. Every soul in the womb is My Creation of Love. It is mankind's opinions that challenge this and destroy My Handiwork."

"Every soul I create is a Gift of My Love. Every life is a special grace with its unique talents and response to grace; but because man destroys My Creation, the future is changed forever. Honest and truthful leadership has been destroyed. Many vocations will never be realized. Scientists will never discover cures for certain diseases as they would have – had they lived. Your natural environment has, as well, been victimized as My Protective Hand withdraws with every abortion."

"Mankind's hope is in imitating My Love through Holy Love. Learn to recognize your actions and opinions which oppose Holy Love. Decide to please Me, as much as I desire to please you. I do not want to show My Hand of Justice. I do not want to chastise the innocent, such as you are doing when you take innocent lives in the womb."

"Surrender your hearts to Holy Love. Listen to your Loving Father's plea. Turn your free will towards good, and not evil. No longer offend Me."

May 27, 2012 / Pentecost Sunday

Once again I (Maureen) see a Great Flame. A voice says: "I am He Who orders all things mightily – the Eternal Now – God the Father. Today, as in every present moment, I desire My Spirit descend upon the earth, capturing every heart and taking up Sovereignty therein."

"If this Desire of Mine were realized, My daughter would be proclaimed Co-Redemptrix, Mediatrix and Advocate. This declaration would carry with it profound effects in the world, and in hearts which have been stubbornly opposed to their own salvation. It would affect then: politics, governments, religious leaders, even sins which have become political issues."

"The United Hearts Revelation, which has come into the world through this Mission, is, in essence, the new Marian Dogma of which I now speak. The Immaculate Heart is Co-Redemptrix, Mediatrix and Advocate in Her role as the First Chamber of the United Hearts."

"In Her Heart, She suffered with Jesus; through Her Heart, all grace flows. Her Heart is the Advocate before My Throne for all mankind; especially those most distant from grace."

"I am sending My Spirit today as a Healing Balm upon the heart of the world. Pray that My Desire is realized in the proclamation of this new Dogma."

May 28, 2012 / Public

"I am your Jesus, born Incarnate."

"These days you do not have a leader of world prominence who can tie together all the loose ends of society which oppose one another. On the one hand, you have: atheism, secularism, agnosticism, and anti-Christian sentiment. On the other hand is: personal holiness through Holy Love, obedience to the Ten Commandments, Truth and fairness – based upon Truth, and the recognition of good over evil."

"These loose ends must come together in Holy Love so that all that is opposed to Holy Love is resolved. But today it is stylish to be anti-Christian and to flaunt disobedience to God's Commandments. It is readily accepted and given blanket approval to challenge morality under the guise of 'freedom'."

"Moral degeneration is viewed as progress and trendy."

"Hearts, which were once Mine, have been persuaded against Me; but I stand ready to welcome back every prodigal son. All I ask is that souls turn to My Eternal Mercy. I do not wish to condemn, but to save. Each soul has a home in Heaven waiting for him. He need only to choose it."

NOVENA FOR THE UNITED STATES OF AMERICA

St. Michael says: "Praise be to Jesus."

"You recognize me, don't you? I am Michael, the Archangel. Jesus sends me to you once again as the need arises. As I am the Defender of the Truth, I must point out the paradox of what has become law in your country. On one hand, you are told you have the right to choose between life in the womb or abortion. On the other hand, you are told you do not have the right to deny anyone birth control or abortion even if it contradicts your conscience. If conscience can dictate for an abortion or birth control, why can it not dictate against the same?"

"The Truth is – your rights are being dictated and manipulated by compromised politicians."

"Jesus desires I dictate to you a novena to begin June 26th and to end July 4th – your Independence Day. Propagate it and be united in this prayer effort."

"Here, now, is the prayer to be prayed every day of the novena; then, I will subsequently give to you the daily prayers on my future visits."

Prayer of the 9-Day NOVENA FOR THE UNITED STATES OF AMERICA and the Following Daily Petitions:

"Dear Jesus, allow the Truth of Holy Love to flood the heart of this nation. Place Truth in the center of every heart. Return this nation to its rightful place under the Dominion of God. Amen."

- Day 1 - *"Overcome contradiction in laws concerning life."*
- Day 2 - *"Freedom of conscience for religious groups."*
- Day 3 - *"Realization of the Truth as to path this country's leaders are following."*
- Day 4 - *"Unity in prayer against any form of dictatorship."*
- Day 5 - *"That the path of good is well-defined against the path of evil in all the nation's decision making."*
- Day 6 - *"That Satan is disarmed in his efforts to gain control through the economy."*
- Day 7 - *"That sin is no longer defined as a right and supported by law."*
- Day 8 - *"For citizens who live in Truth to be emboldened in their power to precipitate change."*
- Day 9 - *"The glorious victory of Truth in those who hold the highest offices."*
- *"President*
 - *Supreme Court Justices*
 - *Congressmen and Senators*
 - *All Appointed Officials"*

Daily Prayers of Novena for the United States

St. Michael says: "Praise be to Jesus."

"I am Michael, the Archangel. I come to you once again to speak, as Jesus desires, about the novena for your country. On the first day, say this prayer, and then, the prayer given for every day of the novena."

Day 1 - *"Dear Jesus, inspire the hearts of legislators to bring fairness into every law. In so doing, inspire lawmakers to remove contradiction from laws concerning life in the womb, so that no one*

is forced to support contraception or abortion against his free will. Do not allow religious freedom to be trampled under the feet of those who favor death in the womb. Amen."

Recite Daily Prayer

Day 2 - *"Dear Jesus, we ask Your protection over all religious organizations. In this country based upon freedom, do not allow anyone to feel threatened in voicing their opinions or practicing their faith. Help us to guard against reverse discrimination in which non-Christians are granted every right, but Christians are subdued. Amen."*

Recite Daily Prayer

Day 3 - *"Dear Jesus, help the citizens of this country to realize the truth of the direction this nation is taking. Help everyone to comprehend that the government is becoming detached from the will of the people by slowly stripping away individual freedoms. Restore in hearts the proud, independent nature that this country was founded upon. Amen."*

Recite Daily Prayer

May 31, 2012 / Public

NOVENA (continued)

St. Michael says: "Praise be to Jesus."

"I am here to dictate further prayers for the welfare of your country."

Day 4 - *"Dear Jesus, unite the hearts of all the citizens of this nation to pray against any form of dictatorship. Do not allow the people of this free country to stand silent as the Constitution is trampled upon. Awaken hearts to see the hidden agenda of such actions, which encourages the One World Government. Pray that all hearts unite in the Truth. Amen."*

Recite Daily Prayer

Day 5 - *"Dear Jesus, open the heart of this nation to recognize the difference between good and evil. Help the people to see that those who are ambitious for themselves readily transgress the rights of others. Remove from the hearts of those in influential positions the willingness to condone evil and to ignore God's Commandments. Amen."*

Recite Daily Prayer

Day 6 - *"Dear Jesus, we see Satan's hand in his efforts to weaken this country by weakening the economy. In this way, the New World Order - One World Government - appears more acceptable to everyone. Enlighten all the citizens of this nation to see that to weaken the economy is to gain control of hearts and lives. Help the people of this country to see that government handouts are not free, but paid for with the surrender of independence. Amen."*

Recite Daily Prayer

Day 7 - *"Dear Jesus, return the heart of this nation to the righteous support of God's Commandments as encapsulated in Holy Love. Vigorously defend life in this effort, as well as the tradition of marriage between a man and a woman. Realize that the acceptance of sin as a political issue is shaking hands with Satan, and giving evil an open door. Let all laws be in support of God's Commandments; thereby strengthening the backbone of this great nation. Amen."*

Recite Daily Prayer

Day 8 - *"Dear Jesus, place the Shield of Truth over all hearts, emboldening every effort to stand for the Truth. In this powerful effort, precipitate change towards righteousness in every government action, and in every legal decision. Amen."*

Recite Daily Prayer

Day 9 - "Dear Jesus, inspire the Victory of Truth in all those who hold public office. Do not allow compromise of Truth or any contradiction to be part of any law. In this effort, uphold the rights and independence of every citizen. Most especially inspire those who hold offices of the most profound influence: President, Congress, Supreme Court Justices, Appointed Officials, towards this end. Amen."

Recite Daily Prayer

Note: Novena should be said
June 26th to July 4th every year;
can be recited daily.

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

June 2012

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

**All who come in pilgrimage here are invited to join us in prayer and
the peace that Heaven offers at this site.**

Midnight Gathering for Blessing from Heaven for the Feast of the Triumph of the Cross

Meet at the Field of the United Hearts on **Friday at 11 PM** for Procession, Prayer Service and Blessing.

".....Those who come as usual on September 15th will be rewarded." (Our Lady – June 27, 2012)

FEAST OF THE HOLY ROSARY

Midnight Gathering on October 6th AND Promised Apparition on October 7, 2012

Meet **Saturday at 11 PM** at the Field of the United Hearts for Procession and Prayer Service.

Meet again at the Field on **Sunday – Feast of the Holy Rosary – at 3 PM** for
a Prayer Service and promised Apparition.

"At 3:00 p.m. on the Feast of the Holy Rosary, I will come with a Public Message. I will come to the Field of the United Hearts. Besides this, those who pray at midnight dawning on the Feast of the Holy Rosary in the Field of the United Hearts, will receive the Complete Blessing of the United Hearts, but there will be no apparition at that time."

(Blessed Mother – June 27, 2012)

June 1, 2012 / Public

St. Michael says: "Praise be to Jesus."

"Today I encourage each one to be patriots of the Truth. In this fellowship, do not support any politician on one issue alone, but on his fidelity to the Truth based upon Holy Love. This is the path upon which all nations would prosper. Social and economic woes would be resolved; but today Satan enters the doorway of disordered self-love to lure souls away from this perfect solution."

"This is why sin is now a political issue. These moral issues cannot be relegated to legalities if you want to please God. To do so is to embrace moral degeneration. The nation which lives according to God's Will, which is Holy Love, would be greatly blessed and the Hand of Justice would not fall upon it. There is no such nation in the world today."

June 1, 2012 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when you surrender your problems to Me by accepting them, they become smaller, more manageable and often disappear through the workings of grace. Therefore, I encourage each one to surrender their greatest problem and wait for My assistance."

"Tonight I'm blessing you with My Blessing of Divine Love."

June 2, 2012 / Public

"I am your Jesus, born Incarnate."

"I have come to reiterate that Truth needs to be the touchstone of every soul's thoughts, words and actions. Truth does not always, and sometimes very seldom, originate in or within the realm of human effort. Often it needs to be sought out through the Power of the Holy Spirit."

"Truth is not always the opinion someone else has, no matter his influence. When I say, 'I am the Way, the Truth and the Life', I am clearly calling souls into the Truth which is living in Holy Love. To live outside of Holy Love is to live a compromised life. You are answerable to Me for every transgression of the Truth."

"Truth bears the fruit of genuine discernment. This true discernment needs to be sought after today more than ever. So many important opinions are formulated on misinformation - opinions which affect scores of people, whole nations and ministries, as well. But here you are given the criteria for true discernment - does the opinion support Holy Love; for Holy Love is Truth. If the answer is 'no', then you have an opinion which is erroneous." *

** Note: A booklet of many Holy Love Messages on "Discernment" from Archangel Gabriel Enterprises is available in the Holy Love Bookstore.*

June 3, 2012 / Sunday Service - The Triumph of the United Hearts both in Hearts and in the World; Unity in Families

St. Joseph is here and says: "Praise be to Jesus."

"The best example of living a Christian life that a parent can give a child is the example of living in Holy Love; for this is the Truth, and the Way and the Life. For Jesus Himself is Holy and Divine Love. Imitate Him."

"I'm extending to you my Blessing of Fatherly Love."

June 4, 2012 / Public

"I am your Jesus, born Incarnate."

"I am here to intervene in the affairs of the world, and to reconcile the heart of the world with the Divine Will of My Father. For these reasons I must speak to you about the effects of false discernment in hearts and in the world in general."

"There is no middle ground between untruth and Truth. The soul who bases his decisions on untruth has falsely discerned the path God desires he take. Perhaps he is ill-advised or too sanctimonious to accept the Truth - believing he has all the answers. Perhaps he has not made the effort to search out the Truth. Perhaps the Truth interferes with his personal agenda."

"The fruits of any false discernment always empower the enemy of salvation. The direct result is opposition to God's Divine Will. When the Will of My Father is thwarted, He tries a different path to approach the same goal. He offers new inspiration to direct the soul back into the Light of Truth. Always the soul is given the choice of discerning good over evil through free will."

"Do not be amazed at the powerful opposition to this Mission, then, as I tell you these things; for this Mission

calls every soul into true discernment through Holy Love."

June 4, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I encourage you to stand up for the righteousness of Holy Love, for it is a Gospel Message. I will support you in this. It is your right to do so; therefore, do not be intimidated or fearful, but be emboldened by this Message."

"Tonight I am blessing you with My Blessing of Divine Love."

June 6, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Once again I remind you that what motivates your thoughts, words and deeds determines their eternal value. Therefore, all that you do, in and through Holy Love, will follow you into eternity; for only Love is everlasting."

"Character assassination is never part of God's Will, and does not arise out of a heart of Holy Love. Please understand what a powerful force the human tongue is. Once it becomes untempered by Holy Love, it is next to impossible to repair the damage. I remind all, who have chosen to oppose the Truth of this Mission, of their responsibility before God for their unruly tongues."

James 3:7-10

"For every kind of beast and bird, of reptile and sea creature, can be tamed and has been tamed by humankind, but no human being can tame the tongue - a restless evil, full of deadly poison. With it we bless the Lord and Father, and with it we curse men, who are made in the likeness of God. From the same mouth come blessing and cursing. My brethren, this ought not to be so."

June 7, 2012 / Public

"I am your Jesus, born Incarnate."

"I have come to detail for you what exactly I mean when I refer to the 'heart of the world'. This includes all living souls from conception to natural death. Therefore, inclusive in this term 'heart of the world' are all in the womb, all unbelievers, all atheists or agnostics, all politicians and government leaders, all church leaders, all families. Indeed, no one is excluded when you pray this way."

"This is why Heaven asks so often for prayers for the 'heart of the world'."

June 8, 2012 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite you to realize that as you walk the property, you feel Heaven's peace. Many saints and angels accompany you, as well as My Mother and I Myself. This would not be so, and you would not be at peace here if all of this were not true. Come into My Sacred Heart and live in the Truth."

"Tonight I'm blessing you with My Blessing of Divine Love."

June 9, 2012 / Public

"I am your Jesus, born Incarnate."

"I have come to describe to you the nature of true Divine Victimhood. The soul that embraces victimhood is reaching for the loftiest of goals; for in Divine Victimhood is the road to perfection in every virtue through the practice of Holy Love. In this call to Divine Victimhood is the sister call to humility. So, then, the true victim humbly and silently (when it is prudent) embraces his crosses. He does not seek to draw attention to himself or to complain; nor does he try to manufacture suffering or crosses for himself. The true victim is quite simply the one who humbly and lovingly accepts the crosses that Divine Providence sends into his life."

"Sometimes Satan sends attacks into the lives of victim souls which are cleverly disguised as crosses. The soul who reaches towards true victimhood must be on guard as to what is a genuine cross, and what is Satan's attack. The soul must pray for discernment and also cover himself with My Precious Blood. He needs to call on My Mother, Mary Refuge of Holy Love. If, with these prayers, the cross is lightened, he should continue to pray for such a grace without any misgivings. So, I am telling you, it is all right to pray for relief of your crosses, even if you embrace Divine Victimhood."

"Holy Victimhood is the embrace of Holy Love; therefore, the embrace of all the Commandments and the perfection of every virtue. It is the victory over the last remnants of disordered self-love bent on promoting its own way and its own opinions."

"Divine Victimhood is the Victory of the New Jerusalem in the heart."

June 9, 2012 (After Communion)

"I am your Jesus, born Incarnate."

"A true leader does not dictate but gently guides. He prays for discernment, which is the enlightenment of Truth in all his decision-making. Because he lives in Holy Love, he is able to foster Holy Love in his followers. He does not feel threatened by questions or suggestions, but carefully responds to each one with a discerning heart."

June 10, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Today I invite you to consider how far apart My children in the world are from God's Divine Will. What has taken grasp of hearts is a form of existentialism. I will explain. People, in general, no longer feel a responsibility towards God for their existence, and in this

attitude is the lack of responsibility towards any of God's Commandments."

"Many, many feel every decision is their own and not in concert with God. This is why I first came to you seeking the title '*Protectress of the Faith*'. This title could have saved whole nations and many appendages of the Church."

"But today, people, in general, see slavery to sin as a freedom and continually choose evil over good. Leadership has become corrupt - placing power over the needs of all people and every nation. Sin has become stylish."

"It is My Remnant Faithful that I turn to with a hopeful heart. These are the souls that must regenerate interest in the Truth. You, My children, must clear the way to the Ark of My Immaculate Heart, Refuge of Holy Love. I call you into this Heart, not two by two, but millions by millions."

"The enemy of your salvation promotes every kind of reason not to listen to My plea to you. Do not drown in the flood waters of controversy. It is through the Chambers of Our United Hearts you will be drawn into God's Divine Will. This is your peace, your stability and your security. Only when man rediscovers his dependency upon God will he be at peace in the world."

June 10, 2012 / Public

"I am your Jesus, born Incarnate."

"In close communion with the words that My Mother just spoke to you, I invite all to realize that in all things - from your next breath to the rotation of the planet earth - mankind is dependent upon the Will of God Who orders all things mightily. How foolish, then, to disregard His Laws and His Power; to do so is to align yourselves with the enemy such as the citizens of Sodom and Gomorrah."

"Mankind's inability to realize his place before God has always led to his downfall in the past, and will be so in the future, unless humanity repents of its errant way."

"The fact that so many disregard Heaven's intervention at this site is proof that what I tell is all too true."

June 11, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight, once again, I invite you to trust in Divine Providence. When you trust only in yourselves and your own efforts, and you do not depend on God's Hand in your lives, then God withdraws and you have less and less grace at your disposal."

"My brothers and sisters, trust is paramount if you desire to be in accord with God's Divine Will for you."

"Tonight I'm blessing you with My Blessing of Divine Love."

June 12, 2012 / Public

"I am your Jesus, born Incarnate."

"Persecution of the Just is always based upon one thing - belief in the untruth. It is so worldwide - in politics, in interpersonal relationships and, most certainly, in this Ministry. This is why, today especially, I tell you, true discernment should be sought after in order to live a righteous life."

"Further, I tell you, true unity must be based upon Holy Love; otherwise, you deceive yourselves into thinking there is unity when hidden agendas are concealed in hearts. True accord lies in commitment to Holy Love."

"Today, deception is forming alliances which will provoke war, persecution and oppose all righteousness. You have yet to discover the great lengths of some hidden agendas."

June 13, 2012 / Public

"I am your Jesus, born Incarnate."

"Please understand the Sorrow of My Sacred Heart as I speak to you tonight. Your country is making matters of conscience into legal issues. Furthermore, the legalization of sin presents the grave matter of sin as acceptable and no longer wrong in My Eyes. So, instead of leading its citizenry along the path of righteousness, your United States government is leading people away from the Commandments, away from My Father's Will, and into the darkness of debauchery."

"I come to you as Jonah crying out repentance to Nineveh. The Ninevites repented, and the Hand of Wrath was withheld. Will it be so here?"

June 13, 2012 / Public

"I am your Jesus, born Incarnate."

"These days, man has chosen love of technology over the love of God. He assumes all credit for his technological feats when, in fact, all knowledge comes forth from My Father's Permitting Will. Mankind is using technology to race towards his own demise - a fact he is blind to. He sees modern advances as new ways to destroy God-given life. The fact that life issues and moral issues are given space in the political arena bespeaks the state of moral degeneration today."

"This is why My Voice must not be silenced or disregarded here in these Messages. Your pilgrimages here are encouraged by Heaven as worthy sacrifices, although they are discouraged by man. Some use all their power to discredit My efforts here. I cannot wait for endorsements. More lives are at stake now than even at the time of Fatima. Listen to My appeals. Amend your lives."

June 14, 2012 / Public

"I am your Jesus, born Incarnate."

"If people do not understand this Mission, it is because they choose not to understand. They choose to accept superficial judgments and hearsay instead of searching out the Truth."

"Everyone is entitled to come here and to pray here. No legality can oppose this, for it is a matter of free will."

Everyone has the right to choose salvation and to choose it through these Messages of Holy Love."

"I come for every nation and all people."

June 14, 2012 / Public

"I am your Jesus, born Incarnate."

"I come to you, as always, with a Heart of Love and a desire that all people and all nations accept My Love, imitate My Love, and live in accordance with My Laws of Love."

"You must not be naïve as to the current world events. You are not fighting the arrogance of misguided world leaders. You are fighting the principalities of darkness who proliferate their errors in every aspect of your existence. Do not think that what is promoted is simple solutions, such as a one world government, one world economic system or the chip, is of Me. These are plans Satan is trying to implement to facilitate his own agenda, which is his leadership over the world populace."

"You, dear ones, are Children of the Light. You must be wise as serpents and gentle as doves. Let no one gain all the control. Think as children of God and trust in Divine Providence - not in government handouts. Be dependent upon God Who created you, the world and everything in it."

"The unity you must seek is in Divine Love - My Most Sacred Heart. Without this, all supposed unity collapses. The time fast approaches when you will better understand My warnings."

June 14, 2012 / Thursday Service - Conversion of all Priests, Religious, Bishops and Cardinals that they are convicted in and live in the Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please know that My Sacred Heart greets and surrounds every soul that comes on to the property [Maranatha Spring & Shrine] whether it is for the first time or the three hundredth time."

"I am always here; My Heart is always exposed over the property. I long to inflame the hearts of those who come here with Divine Love."

"Tonight I'm blessing you with My Blessing of Divine Love."

June 15, 2012 / Feast of the Sacred Heart of Jesus

"I am your Jesus, born Incarnate."

"In My Sacred Heart is the Abyss of All Holiness. You cannot progress along the journey of personal holiness unless you pass through the Chambers of My Heart. How I long to inflame the heart of the world with the Fire of My Love! All would be one as I have called them to be."

"Knowing this to be My Desire, set out, then, with a dedicated heart to bring it into reality. Do what is right in Holy Love - not what looks good in the eyes of others. Persevere in the Truth no matter the opposition. This

brings My Victory into the world - the 'new creation' - the 'New Jerusalem'."

June 16, 2012 / Feast of the Immaculate Heart of Mary *(Message given today - A.M.)*

Blessed Mother says: "Praise be to Jesus."

"Today I offer to the world the greatest treasure of My Heart, which is Holy Love."

This treasure is greater than any position of esteem, power or wealth on earth. It is always accessible for the asking. It is your protection, guide and inspiration while on earth. It is your way around every problem and the disclosure of Satan's attacks. How I long that the heart of the world would find its shelter in My Immaculate Heart."

"Words cannot describe to you the difference the Consecration to Holy Love would bring about in the world. Every heart would return to the realization of his dependency upon God. Through the reality of this Truth, evil would flee. The grace that continually flows through My Heart into the world would be appreciated. God's Sovereignty would be restored over all mankind and the future, which is overtaking the present moment, would be all love."

"However, these days, mankind does not consider God's Law in the scheme of things. He is choosing his own obstacles along the way and creating his own problems through acceptance of sin."

"As Children of Light, I am calling each of you to faithfully carry out the propagation of these Messages, and to spread Holy Love as the breeze carries a breath of fresh air everywhere. The more hearts that are receptive to Heaven's call, the greater the graces and the more abundant the conversions will be."

"I am always your Refuge of Holy Love. I am always blessing you, dear children, with My Blessing of Holy Love."

June 17, 2012 / Feast of the United Hearts - 3:00 P.M. Service at the United Hearts Field

(This Message was given in multiple parts.)

Jesus and Blessed Mother are here. They are seated on thrones. Jesus says: "I am your Jesus, born Incarnate." Blessed Mother says: "Praise be to Jesus."

Jesus: "Today I invite all people and all nations to realize the great grace of the Revelation of the Chambers of the United Hearts. For all eternity these Chambers are a reality - always have been and always will be. Who believes or disbelieves cannot change this Truth. Some come here [Maranatha Spring & Shrine] and the grace is all around them; but the Message only reaches their ears - not their hearts."

"My Mother's Heart, which is the First Chamber, opens to all who come here. This is the Chamber which purifies the soul and convicts the heart. Some will not accept this. Some even deny the reality of the experience that Heaven offers. These are the ones who never make it into the subsequent Chambers of My Heart. It is as though they are standing in front of a well-

stocked pantry but refuse to open the door and to partake of the contents. Inside the 'Pantry of My Heart' is every grace you need to be perfected in holiness."

"Today I come to invite each one of you under the umbrella of Heaven's Authority through devotion to Our United Hearts. This is My Father's Will for you. Opposition will never change the Father's Divine Will."

"The Image of Our United Hearts is a pictorial of the Most Holy Trinity united to the Immaculate Heart of Mary. It is a pictorial of the Fifth Marian Dogma as yet to be proclaimed. It is a road map to personal holiness through the Chambers of Our United Hearts. This Image depicts the Gateway to the New Jerusalem through My Mother's Heart, and the New Jerusalem, Itself, in all the subsequent Chambers."

"My dear brothers and sisters, thank you for praying here today. Once again, I extend to you My invitation to be united with Our United Hearts, for in so doing, you will be united with the Divine Will of My Father."

"Today, We are extending the Complete Blessing of Our United Hearts."

June 18, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, entrust to Me your greatest problems and your deepest sorrows. If you trust in Me, then I am able to work miracles; but when you are full of doubts, I am not so powerful in your everyday life."

"Believe that someday, that all Truth will be exposed; and even greater still - believed in."

"Tonight I am blessing you with My Blessing of Divine Love."

June 20, 2012 / Public

St. Patrick says: "Praise be to Jesus."

St. Patrick is holding a big walking stick [shillelagh]. He says: "You see this walking stick? It can be used as a weapon to strike out against people and as a support in walking. It is much the same with the tongue. It can be used to tear down or to support and build up. It is what is in the heart that determines and directs the use of the walking stick and the tongue. This is why it is important that hearts and lives be governed by Holy Love."

"Anything good can be convoluted and used towards an evil end if it lacks motivation in Holy Love. But, at the same time, what is evil can be turned to good through Holy Love."

June 21, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"My daughter, realize that anything that people try to hide from others is most definitely something that is self-damaging. Hidden agendas are Satan's handiwork. God is open and trustworthy. His Commandments to you come with Love. There is no trickery in His Heart. He does not look to trip you up on some technicality. The Heart of God holds no confusion."

"Double talk and broken promises are never of God. God keeps His Promises. Trust in the Almighty, and live according to His Ways."

June 21, 2012 / Public

(After Communion)

"I am your Jesus, born Incarnate."

"Today too much is made of title - not enough made of finding and upholding the Truth. There needs to be recognition that ego, stemming from title, leads to corruption. Instead, drastic measures are taken to accommodate ego."

June 21, 2012 / Public

St. Joseph says: "Praise be to Jesus."

"Families need to be united in Holy Love. This needs to be their main priority - not material goods. This is also true of whole nations. This is your security - not economics or status amongst others."

June 21, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Please make it known that Jesus desires representatives from the various groups of the Children of the United Hearts to meet on the property the weekend of August 4th and 5th. This will be the first such meeting of this lay organization."

June 22, 2012 / Public

"I am your Jesus, born Incarnate."

"When mankind separated himself from My Father's Perfect Divine Will, which is always One with Holy Love, God permitted wars, famine, disease and natural disasters. Yet, a lesson was not learned. And when Heaven once again intervenes with this Mission calling souls into the Truth of Holy Love, the Messages and profound graces are discounted, and even scoffed at."

"It was no different in My day. I raised people from the dead, but the powers that be, felt threatened by even this miracle."

"If you are not moving forward in the Truth, then you are stepping backwards into the shadows of darkness. You cannot do both. Compromise of the Truth is not living in Holy Love. Not abiding in Holy Love is not obeying the Commandments."

"During these crucial times when mankind has the capability of destroying himself and the planet on which he lives, it is vital that this life-giving Message of Holy Love consume the heart of the world."

"Holy Love is the soothing balm that can quench the fire of pride, unforgiveness and vengeance. It is the last hope Heaven offers to a world blindsided by self-love."

June 22, 2012 / Public

(After Communion)

"I am your Jesus, born Incarnate."

"I have come to you once again under the veil of this Sacrament [of the Eucharist] to point out that the obstacle most often tripped over on the stairway of

holiness is self-righteousness. This is how Satan attacks those who pursue holiness. It is good to correct error when you see it; but, it is judgmental to look and search out error in others."

June 24, 2012 / Public

"I am your Jesus, born Incarnate."

"I tell you solemnly, when you desire to always live in the Truth, you cannot allow the Truth to be subdued for any reason. Even if someone in authority, through error, tries to stop the Truth - that you proclaim - to be silenced, you have the moral duty to persevere in standing up for the Light of Truth."

"Dictatorships are born on the shoulders of lies. Disordered power rises up when the Truth is silenced. Do not fear how bearing the Light of Truth will be received. That is not your responsibility. Your responsibility is to show forth the Light of Truth despite ramifications."

June 25, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, you must be careful of any law or those politicians who support such laws which take away human, God-given rights. Do not surrender what God desires you to have. Understand that freedom of conscience is such a God-given right."

"Governments must not intrude upon freedom of religion. Learn from human history where such freedoms were stripped from My children by the Nazis and the Communists. Do not allow your hearts to be compromised in this grave matter; for then, the heart of your nation will be compromised, and then, the heart of the world."

"In Holy Love, be staunch supporters of religious freedom. Remember, the loss of one freedom leads to the loss of still more. Then, what was once a democracy becomes a dictatorship."

June 25, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"During these coming days, pray that your government leaders' hearts are bathed in TRUTH, for it is only those who live in TRUTH that can also live in Holy Love; for Holy Love and Truth are one. I desire every government be founded on Holy Love."

"Tonight I'm imparting to you My Blessing of Divine Love."

June 26, 2012 / Public

"I am your Jesus, born Incarnate."

"Always, always, My Victory comes into hearts, and so, too, the world when decisions are made based upon Holy Love. It is in this way that My Father's Will comes alive in the world."

"So you see where Satan's attacks most certainly lie; it is in weakening Holy Love in hearts in the present

moment. Then the enemy of your salvation ushers in disunity, greed and distorted thinking. It is in this compromised state that souls are persuaded to surrender God-given rights and individual freedoms. Never before has freedom of conscience been so under attack - without outrage."

"Do not cooperate with Satan's agenda with meekness and docility. Stand firm in righteousness which is always Holy Love. Speak boldly for the Truth. Let the Light of Truth shine through you and all around, revealing evil for what it is. Do not allow the enemy to remain hidden under the cloak of darkness he prefers."

"Truth is your weapon. Truth is Holy Love."

June 27, 2012 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Never be afraid to proclaim the Truth. The Truth brings light to darkness - corrects hearts - redirects footsteps to follow the path of righteousness. It is Satan who encourages hiddenness, for he is the prince of lies. He likes to empower souls with a sense of self-importance. The evil one masks Truth so that it appears to be something of his own design. It is his job to make evil look good, and good to be evil."

"This is why the Truth, which is unchanging, must be championed and always sought after."

June 27, 2012 / Public

"I am your Jesus, born Incarnate."

"I have come to remind you that one definition of freedom is the right to choose according to your conscience. This is why I come here to form and shape consciences in Holy Love. Your freedoms can only be taken away when you willingly surrender them. This can easily happen when you place your hopes and trust behind a politician who desires total authority over you."

"Therefore, do not be an uninformed voter. Look into the history of each candidate. Do they historically support the Constitution or do they trample it underfoot? Do they speak of unity but promote disunity by pitting one group against another? Do they have the best interests of all people in their hearts or just their own for political gain? Have they succeeded in helping their constituents or have they used laws to weaken the nation they claim to assist? Do they work openly and in Truth or are their actions hidden under the cloak of darkness, leaving everyone guessing?"

"Because Holy Love is the fulfillment of Truth - the embodiment of all the Commandments - these Messages today are meant to reshape the conscience of the world and place God in Dominion over all hearts and every nation. It is with urgency I seek the propagation of this Mission - these Messages and the consecration of every heart, including the heart of the world, to Our United Hearts."

"Make it known."

June 27, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I will not appear on the Feast of My Sorrows as I have been."

"At 3:00 p.m. on the Feast of the Holy Rosary [October 7th], I will come with a Public Message. I will come to the Field of the United Hearts. Besides this, those who pray at midnight dawning on the Feast of the Holy Rosary in the Field of the United Hearts, will receive the Complete Blessing of the United Hearts, but there will be no apparition at that time."

"Those who come as usual on September 15th will be rewarded."

June 28, 2012 / Public

(This Message was given minutes before Supreme Court's decision on Obama Care was announced.)

Blessed Mother says: "Praise be to Jesus."

"Today I tell you, your country will only be as strong as it is free. It will only be as free as it is in union with God's Divine Will. It can only be in union with God's Divine Will when God-given rights are protected and upheld."

"The Lord gave mankind the inheritance of a simplistic existence, all based upon Holy Love; but man has complicated every aspect of life with his attempts to be sophisticated apart from the Will of God. Modern forms of technology have become the end - not the means of pleasing God through Holy Love; that is to say, technology has become its own god, and not an instrument of God. In this way, it is clear that the goal of personal holiness has been obscured. Salvation is not sought after. Personal freedoms are slipping away unnoticed."

"Once again, I come to persuade you to notice where leadership is taking you. Giving up freedoms does not lead to freedom. Be aware of personal agendas behind ear-pleasing words. Pray for wisdom."

June 29, 2012 / Feast of St. Peter and St. Paul

St. Peter says: "Praise be to Jesus."

"These days, title and authority are being used to oppose Truth. I am not here to appease those in power, but to support the Truth. I have freedom of speech because I come from Heaven. It is in this way I can lead the followers of this Mission around obstacles to their own salvation."

"The Truth needs to take over the hearts of all government leaders so that rights are preserved and true democracy is restored. If the citizens of this once great nation saw the evil at work in the background in Washington, there would be no election in November but a revolution of good against evil."

"This is not the hour in history to fear speaking up for the Truth. It is the moment when Truth must stand out as the only solution."

June 29, 2012 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, once again I invite you to be united in Holy Love. It is only when you are united with one another that your whole country can live in Holy Love and be governed by Holy Love. It all begins with your heart."

"Tonight I'm imparting to you My Blessing of Divine Love."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

July 2012

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

**All who come in pilgrimage here are invited to join us in prayer and
the peace that Heaven offers at this site.**

FEASTS OF THE TRIUMPH OF THE CROSS & OUR LADY OF SORROWS

Midnight Gathering for Blessing from Heaven for the Feast of the Triumph of the Cross

Meet at the Field of the United Hearts on **Friday, September 14th**, at **11 PM**

for Procession, Prayer Service and Blessing.

"...Those who come as usual on September 15th will be rewarded." (Blessed Mother – June 27, 2012)

FEAST OF THE HOLY ROSARY

Midnight Gathering on October 6th – AND – Promised Apparition on October 7, 2012

Meet **Saturday at 11 PM** at the Field of the United Hearts for Procession and Prayer Service.

Meet again at the Field on **Sunday – Feast of the Holy Rosary – at 3 PM**
for a Prayer Service and promised Apparition.

"At 3:00 p.m. on the Feast of the Holy Rosary, I will come with a Public Message. I will come to the Field of the United Hearts. Besides this, those who pray at midnight dawning on the Feast of the Holy Rosary in the Field of the United Hearts, will receive the Complete Blessing of the United Hearts, but there will be no apparition at that time."

(Blessed Mother – June 27, 2012)

Ezekial says: "Praise be to Jesus."

"Do not trust any politician who does not tell the Truth. If he can lie about one thing, he can lie about many. One unscrupulous act leads to another."

"There should be no hiddenness in politics - no hidden agendas. Each one should uphold the law in righteousness. Only then will this nation return to a true democracy - a nation that would not single out any one group in persecution."

"When you pray for this nation, pray that the next president is a leader, not just a politician. A leader would defend democracy. His leadership would not weaken, but strengthen the nation. A good leader would not divide, but unite the citizenry."

"His policies, as leader of the free world, would demand respect worldwide and not pull this nation into the One World Order." *

**Also known as One World Government; New World Order.*

Note: *Blessed Mother introduced Ezekial to me [Maureen] last Thursday. She said he is the Angel of the United States, and is from the Choir of Powers [The 5th Choir].*

July 1, 2012 / Sunday Service - The Triumph of the United Hearts both in Hearts and in the World; Unity in Families

St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, tonight I have come once again to remind families to be united in the Divine Will of the Eternal Father. The only way to do this is to live in Holy Love. In this way, you will accept God's Will in every present moment with a loving heart; and that is the first step."

"Tonight I'm imparting to you my Fatherly Blessing."

July 2, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"To be an effective evangelizer, you must first and foremost have humble Holy Love in your heart. This precludes any air of sanctimony - self-righteousness. You should ask for the grace to recognize opportunities to evangelize. You need, then, to be ready to seize the moment that grace offers. You should always have literature with you, ready to propagate."

"If you are a sign of humble love in the world, people will be drawn to you. Always affirm the good in people and let your demeanor preach Holy Love for you. In this example of Holy Love, people can be convicted in their hearts of their errors, rather than you preaching to them. Always defend the Truth, however, even in the face of opposition."

July 2, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, this country was founded on independence and religious freedom. You must not let anyone be elected to a high office with the ability to remove freedoms from the people. Once independence is relinquished, it is difficult to regain."

"Tonight I am blessing you with My Blessing of Divine Love."

July 4, 2012 / Public

"I am your Jesus, born Incarnate."

"There is one formality, if you can call it that, which the Children of the United Hearts should follow; that is, each day recite the 'Consecration of the Heart of the World to the United Hearts', and the 'Consecration to the United Hearts.'"

July 4, 2012 / Public

"I am Zechariah, the guardian angel of your country. Praise be to Jesus."

"Today, as your country celebrates the anniversary of its independence, I have come to solemnly point out how far from independence your country has come."

"The Constitution, which was heavenly inspired, is being transgressed by those in power. The law is being twisted to support sin - even debauchery. Your President is even taking command of freedom of conscience in regards to the promotion of abortion and birth control by those who do not believe in it."

"The New World Order is being touted as desirable when, in Truth, it moves all people and all nations under a dictatorship. Do not be fooled."

"As a nation, return to the ideals of your Founding Fathers, for herein lies the hope of true independence."

July 6, 2012 / Public

"I am your Jesus, born Incarnate."

"Today I have come to ask all people to live in respect for one another. Do not see another's reputation as fair game. Build up the Body of Christ in thought, word and action. See that the unity of all people and all nations is My Call to you. Within this Call is your moment to moment conversion in and through Holy Love."

"Allow Holy Love to be your breastplate, your sword and your crowning glory. Live this way, defending the Truth, revealing evil and protecting the innocent."

Ephesians 4:1-3

I, therefore, a prisoner for the Lord, beg you to lead a life worthy of the calling to which you have been called, with all lowliness and meekness, with patience, forbearing one another in love, eager to maintain the unity of the Spirit in the bond of peace.

Ephesians 4:22-32

Put off your old nature which belongs to your former manner of life and is corrupt through deceitful lusts, and be renewed in the spirit of your minds, and put on the new nature, created after the likeness of God in true righteousness and holiness.

Therefore, putting away falsehood, let everyone speak the truth with his neighbor, for we are members one of another. Be angry but do not sin; do not let the sun go down on your anger, and give no opportunity to the devil. Let the thief no longer steal, but rather let him labor, doing honest work with his hands, so that he may be able to give to those in need. Let no evil talk come out of your mouths, but only such as is good for edifying, as fits the occasion, that it may impart grace to those who hear. And do not grieve the Holy Spirit of God, in whom you were sealed for the day of redemption. Let all bitterness and wrath and anger and clamor and slander be put away from you, with all malice, and be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you.

July 6, 2012 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, during this time of distress in which the world finds itself, you must keep your eyes on the Light of Truth, which is the narrow path of salvation - the narrow path of Holy Love."

"Pay no heed to the critics of this Mission and the accusers of the messenger. Live the Messages of Holy Love."

"Tonight I'm imparting to you My Blessing of Divine Love."

July 7, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, My Arms are open to you here as you come onto the property. My Heart is yours for the asking."

"Do not be intimidated or misled to believe you must avoid My Presence here. My Presence would not be here if I did not want you here with Me. Where My Presence is felt so, too, is My Grace." *

"Pray with Me here and I will change your hearts and your lives. Surrender to My Call."

* *"Continually, persistently and for all eternity, My Mother's Presence remains at this site. Here She nourishes peace of heart; here She opens Her Heart, which is the Gateway to the New Jerusalem. The peace felt here is the Eternal Sign of God's Peace which He desires for all humanity." (Refer to the Complete Message of July 9, 2009 from Jesus.)*

July 8, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Today I have come to help all of My dear children to realize that I invite everyone into My Heavenly Embrace here - believers and unbelievers alike. None are rejected through Holy Love."

"My Immaculate Heart is the Refuge which calls out to the unbelievers - in particular, the skeptics and the critics of this Refuge and this Mission. Do not offend the Spirit of Truth - the Holy Spirit - by your refusal to accept the Truth of this Mission; for He is the Founder of the grace you receive here - the Messages, the miraculous healings from the Spring, even the Image - which appears off and on in the Chapel under My title 'Refuge of Holy Love'."

"Most especially, I call unbelievers to come here and to see for themselves - to inhale My Presence and experience their conversion of heart. Do not think yourselves to be too sophisticated, too intelligent or in any way above belief in Heaven's call here. These are Satan's persuasions. Do not believe you are bound by obedience to stay away. If this were true, I would not be here today, inviting you, calling you. Do not believe that My messenger is disobedient. You do not know the whole story. Character assassination is not of God."

"Come to Me - your Heavenly Mother. I await you."

July 8, 2012 / Public

"I am your Jesus, born Incarnate."

"My Mercy is endless. Once a soul seeks forgiveness for a transgression, My Mercy rests upon him. He need not come back over and over with the same sin. It has been forgotten - forever."

"So, as My Mercy is endless, each of you must forgive, too - always and forever. Do not hold grudges against one another. Do not find fault with one another. As I am Just, you, too, must be Just."

"Imitate My Love and My Mercy in every present moment. This is a habit I endorse."

July 9, 2012 / Public

"I am your Jesus, born Incarnate."

"This Scripture which I gave to you is the reason I call this Ministry to continue despite persecution, calumnies, rash judgment and lack of certain endorsements. This Mission and these Messages bring the Light of Truth into the world. It is a Light that has been forsaken by many, but that must be upheld."

"Continue all things in faith. Proceed in Truth and Love."

2 Corinthians 4

Therefore, having this ministry by the mercy of God, we do not lose heart. We have renounced disgraceful, underhanded ways; we refuse to practice cunning or to tamper with God's word, but by the open statement of the truth we would commend ourselves to every man's conscience in the sight of God. And even if our gospel is veiled, it is veiled only to those who are perishing. In their case the god of this world has blinded the minds of the unbelievers, to keep them from seeing the light of the gospel of the glory of Christ, who is the likeness of God. For what we preach is not ourselves, but Jesus Christ as Lord, with ourselves as your servants for Jesus' sake. For it is the God who said, "Let light shine out of darkness," who has shone in our hearts to give the light of the knowledge of the glory of God in the face of Christ.

But we have this treasure in earthen vessels, to show that the transcendent power belongs to God and not to us. We are afflicted in every way, but not crushed; perplexed, but not driven to despair; persecuted, but not forsaken; struck down, but not destroyed; always carrying in the body the death of Jesus, so that the life of Jesus may also be manifested in our bodies. For while we live we are always being given up to death for Jesus' sake, so that the life of Jesus may be manifested in our mortal flesh. So death is at work in us, but life in you.

Since we have the same spirit of faith as he had who wrote, "I believed, and so I spoke," we too believe, and so we speak, knowing that he who raised the Lord Jesus will raise us also with Jesus and bring us with you into his presence. For it is all for your sake, so that as grace extends to more and more people it may increase thanksgiving, to the glory of God.

So we do not lose heart. Though our outer nature is wasting away, our inner nature is being renewed every day. For this slight momentary affliction is preparing for us an eternal weight of glory beyond all comparison, because we look not to the things that are seen but to the things that are unseen; for the things that are seen are transient, but the things that are unseen are eternal.

July 9, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite each one of you to open your hearts to the gift of prayer, for herein lies the solution to every problem. Herein lies your ability to accept My Father's Will, and discover My Divine Provision in every present moment."

"Tonight I'm imparting to you My Blessing of Divine Love."

July 11, 2012 / Feast of St. Benedict

St. Benedict says: "Praise be to Jesus."

"I have come to inform you of a certain trap people allow Satan to lead them into. Sometimes, when people feel secure in their own present moment conversion, they become overly critical of others, either in thought or speech. This is a sanctimonious attitude, which does not serve to correct error but, rather, to close hearts to correction."

"If such extreme criticism takes place only in thought, it is a form of unforgiveness, which is, as you know, an obstacle between the human heart and the Heart of God."

"When you notice error in another, say a quick ejaculatory prayer such as: '**Holy Spirit, inspire me.**' Then you will know how much to say and when to say it."

July 12, 2012 / Public

"I am your Jesus, born Incarnate."

"This Mission is like a candle - a Flame of Love - that cannot be extinguished. People return over and over to be bathed in this Light. It is the Light of Truth. The property is like a respite - a refuge away from the darkness which is consuming the world. Heaven's Presence is always and continually here. No one comes here that is not offered grace - the grace of moment to moment conversion."

"The persuasion of My Heart here on this property is My Gift to you during these harrowing times you find yourselves in. At this site, and through these Messages, is the freedom of Truth. Those who try to convince you otherwise have lost their way in darkness and need to be called back into the Light."

"Pray for the unbelievers."

July 13, 2012 / Feast of Rosa Mystica

Blessed Mother says: "Praise be to Jesus."

"Today I desire all souls be drawn into the Flame of My Heart, which is the Refuge of Peace and the Hospice of Truth. Herein lies your first step, dear children, in holiness. Do not search further, for the grace God affords you through My Heart will suffice."

"Treasure these, My Words, to you."

July 13, 2012 / Friday Service - For all those falsely accused within society, governments and within

Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, today I invite you into the Victory of the United Hearts. You are in this Victory and part of this Victory when you live in Holy Love. Be at peace, then, for tonight I'm inviting you into the New Jerusalem."

"I'm imparting to you My Blessing of Divine Love."

July 14, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, do not look to the east or to the west for what is freely given here. Unfolding through these Messages is Truth Itself. You cannot unravel the Truth to change or adulterate this Mission. You must not disbelieve because others disbelieve."

"If you are not living in Holy Love, then you are opposing it. Fidelity to Holy Love is the sure path to personal holiness to which all are called."

"In the world, more and more clearly two factions are coming to light - Christians and all in opposition to Christianity. Build up the Kingdom of Christ by your efforts in Holy Love. Every present moment is a moment to choose - victory or defeat."

"Dear children, do not let Satan win the war you battle in every present moment. Wage a noble effort for the Victory of Truth."

July 15, 2012 / Public

St. Pio of Pietrelcina says: "Praise be to Jesus."

"Sometimes, desperation provides the groundwork for great miracles. Always, faith is the backbone of any miracle. Unless the miracle is believed, it can be explained away, discounted or never occur at all."

"Many of God's miracles are never believed in, and so the grace goes unattended. It is so here, even at this site. Some will never believe. They receive nothing. Others believe a little; so [he shrugs his shoulders] they receive a little. Some receive acceptance of the Father's Will - a great grace. Some who have desperate needs are granted them."

Blessed Mother says: "Praise be to Jesus."

"The more souls that are consecrated to the United Hearts, the stronger the Remnant. The more who listen, the more who will be saved. Some will not listen, for they have given their hearts over to falsehood."

July 16, 2012 / Feast of Our Lady of Mount Carmel

Blessed Mother says: "Praise be Jesus."

"Once again, I come to ask that your country return to Christian values. This cannot happen unless your leaders and lawmakers hold Christian values in their hearts. Since this is not the case these days, moral degeneration is taking its toll."

"Do not follow anyone who promotes class warfare or opposes prayer or weakens independence. All of these are from Satan - the enemy of your salvation. You must not fall under the leadership of a One World leader."

"Stand against anyone who promotes the One World Order. Fight for religious freedom, which your country was founded upon but has abandoned."

"Dear children, take to heart My words to you today. I pray you will have the courage to do so. Your future depends upon it."

July 16, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, turn your hearts over to prayer off and on throughout the day, thus sanctifying the present moment. It is through prayer, free will decisions can be changed and thus your future can be changed."

"Tonight I'm imparting to you My Blessing of Divine Love."

July 17, 2012 / Public

"I am your Jesus, born Incarnate."

"Solemnly, I tell you, everyone who professes to live in Holy Love must be an ambassador of Truth. This means you cannot support untruth by remaining silent out of fear of opposition. If you do not witness to the Truth, you may never have the same opportunity with the same audience again."

"To think that you need acceptance or approvals to witness to the Truth of Holy Love is Satan's fingerprint upon your heart. Your nation and the world are being summoned into the Truth of these Messages. The Truth of Heaven's Voice here is the Light to the solutions of the world's woes."

"You do not need great opportunities to evangelize. You need to put forth the effort in every present moment. Your angel of Holy Love will assist you if you ask him."

2 Timothy 4:1-6

I charge you in the presence of God and of Christ Jesus who is to judge the living and the dead, and by his appearing and his kingdom; preach the word, be urgent in season and out of season, convince, rebuke, and exhort, be unfailing in patience and in teaching. For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own likings, and will turn away from listening to the truth and wander into myths. As for you, always be steady, endure suffering, do the work of an evangelist, fulfill your ministry. For I am already on the point of being sacrificed; the time of my departure has come.

July 18, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"The Complete Blessing of Our United Hearts is a Refuge during these evil times. It is the Gateway to the spiritual journey through Our United Hearts. Therefore, understand it is the open door to living in the Divine Will."

"Any heart can refuse the graces offered through this Blessing, for Heaven never imposes. It is always according to free will whether the soul's response is towards his own well-being. However, this does not alter the Truths that are offered the soul with this profound Blessing. The soul does not need to consent to the Blessing. The graces attendant to the Blessing can be quite readily offered without the soul's knowledge."

July 18, 2012 / Public

"I am your Jesus born Incarnate."

"Today I invite you to see that unforgiveness is like an anchor around your heart, weighing it down, holding it back from a deeper relationship with Me. Forgiveness is a freedom. Forgiveness takes the heart out of the past and raises it up. The spiritual heart is then like a bird which is effortlessly raised higher and higher on the wings of the Divine Will."

"This freedom of forgiveness of self and others should be prayed for - indeed, sought after. It is a giant step towards accepting My Father's Divine Will." *

** (Please also read the Message from the Angel Alanus given March 6, 2008 - 'Prayer to Overcome Unforgiveness'.) This prayer has been included below for your convenience:*

Prayer to Overcome Unforgiveness

"Jesus, I trust in You. I know that You love me. I desire every obstacle between us be removed. Take from my heart any morsel of unforgiveness so that I can be completely Yours."

"Help me to forgive those who have hurt me, have lied about me, have gossiped about me, were jealous of me, have stolen from me or have abused me in any way. Then plunge me deep into Your Most Sacred Heart. Cover Me with Your Most Precious Blood."

"Do not allow me to resist Your Love again through unforgiveness of another. Amen."

July 18, 2012 / Wednesday Service - The Propagation of the Holy Love Messages and the Confraternity of the United Hearts

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, persevere in Holy Love. For I tell you, the best sacrifice, the best prayer has as its foundation - Holy Love in the heart."

"Tonight I am blessing you with My Blessing of Divine Love."

July 19, 2012 / Public

I (Maureen) see a huge Flame and hear a Voice: "I Am Who Am - God the Father - the Eternal Now - the Creator of the Universe."

"Today I have watered the earth in your part of the world and awakened all of nature. How I long to awaken the heart of the world to the Truth! Souls must allow their hearts to be captured by the Truth. They must surrender to the Truth of Holy Love. Not to do so is to slip to perdition; for who can enter My Kingdom that does not place Me first in their hearts? Who can call upon the God of their salvation that does not love neighbor as self?"

"I am the Alpha and the Omega. I am Truth. If you do not choose to live in Truth, you do not choose Me, and I do not choose you."

July 20, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, dear children, I am calling each and all of you to unity of heart. Be of one mind and one heart. Work towards the conversion of as many souls as possible before My Son's return. This is why I am here in your midst seeking the Consecration of the heart of the world to Our United Hearts. This Consecration will increase the Remnant Faithful and strengthen it in what is to come. In many cases, it will unravel the lies Satan has woven into the fabric of society today."

"At Fatima My request was for the conversion of Russia; but today the need is for worldwide conversion of heart. Do not think that a global government is the answer. The world today does not need a human solution but a spiritual solution - a spiritual correction of heart.* This is why I come to you. I seek the spiritual renewal of the heart of the world through Our United Hearts."

Read Philippians 2:1-4

**Note: A spiritual correction refers to repentance and conversion of heart.*

July 20, 2012 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, let Holy Love become part of your hearts so that you can be Holy Love in the world around you. Do not just listen to the Messages - become the Messages."

"Tonight I'm blessing you with My Blessing of Divine Love."

July 21, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, dear children, I invite you to 'store up' Holy Love in your hearts. Just as a person returns over and

over to a pantry to gather what he needs, make of your hearts a warehouse of Holy Love that you can draw upon when the need arises."

"The hearts in the world that depend on themselves, their own resources and every human effort, are creating a spiritual famine for their future. They will have little to draw upon in the hour of Satan's wiles. They will be easy victims of every sort of trickery."

"Make certain, then, that your hearts have a ready supply of Holy Love. Let this stock of Holy Love be the foundation of your peace and security."

July 23, 2012 / Public

"I am your Jesus, born Incarnate."

"Today Alanus* did many small but important favors for you. The angels are always ready to help each person, and often do. But they are most helpful when they are asked for assistance. It is then that they work silently in the background to bring about positive effects."

"Angels do not only work in small ways but in significant ways, as well. You can pray to the angels of politicians and whole bodies of government at once. Did you know that your Congress and your Supreme Court have ruling angels over them?"

"The angel that tries to guide Congress is 'Constant'. The angel that tries to guide the Supreme Court is 'Micah'."

"Pray that their influence is effective."

**Note: Alanus is Maureen's guardian angel.*

July 23, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, often the grace and the cross come vested together. It is important that you accept whatever comes as God's Divine Will, and understand that He will provide strength for you to endure. This is the way to surrender to My Father's Will through your acceptance."

"Tonight I'm extending to you My Blessing of Divine Love."

July 24, 2012 / Public

"I am your Jesus, born Incarnate."

"This is the Ministry that must stand for the Truth in the face of untruth. When I was on earth, it never mattered to Me the source of untruth. I defended the Truth and convicted consciences despite the outcries and misinformation that the Light of Truth spawned."

"This Mission is doing the same - carrying the Light of Truth wherever the Messages are taken - not stopping to please those who much prefer to remain in darkness. We do not despise those deceived by darkness, but the one who is the source of all darkness and the enemy of salvation - Satan himself."

"This Mission is to shed light on the path of salvation - the path of righteousness - the path of Holy Love."

July 25, 2012 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"Trustful surrender is the doorway to holiness. The soul that hangs on to every problem or tries to oppose the cross is not stepping through this beloved doorway of trustful surrender."

"Never fall into Satan's trap of trusting too much in yourself; then you will trip on the way through the doorway of trust. With such souls, God steps back and lets them discover their dependency upon Him. Ask your guardian angel to stand watch over your heart in each present moment so that you do not fall into the snare of the evil one."

July 26, 2012 / Public

"I am your Jesus, born Incarnate."

"I have come today to stress the point that the way to the Divine Will of My Father is through the Chambers of the United Hearts. No one can reach the summit of personal holiness - let alone, sanctification - outside of My Father's Will."

"To live in My Father's Will means to accept all things as from the Hand of God. This is humble love. Surrender to the Cross. Accept every grace. They come together in Holy Love. Perhaps the most difficult thing to accept in this Mission is peoples' erroneous opinions based upon untruths. In this cross is the invitation to pray that Truth is revealed and accepted in hearts. There is a tendency that is based upon pride - not to let go of opinions long-established."

"But to progress through the Chambers of Our United Hearts, forgiveness must consume your heart in the present moment. In this instance, you must forgive longstanding opposition. Forgive those who set about trying to damage the reputation of the Mission. This is the way to bring many graces down upon the Mission, and to overcome the most daunting obstacles."

"This is the effort you must put forth to embrace My Father's Will for you."

July 27, 2012 / Public

"I am your Jesus, born Incarnate."

"You cannot be casual about My Call to you. Too many present moments in each person's life slip away unpronounced in Holy Love. This is how Satan reshapes the conscience of the world. This is how untruths take form in hearts."

"A heart that is best prepared to hold on to Holy Love is one that disregards others' opinions and, therefore, his reputation in the world; then, such a heart focuses on love of God and neighbor. There are too many distractions in the world today. Souls forget to ask Me for the grace of living in Holy Love."

"I come to this Mission during these times to encourage a revolution of Holy Love in hearts. Such a revolution does not depend upon weapons of mass destruction, but upon a willingness to choose Holy Love in the present moment."

July 27, 2012 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I desire that you be united with one another so that each of you is united with Me. It is only then that you can live in Holy Love and slowly advance toward Divine Love."

"Tonight I'm imparting My Blessing of Divine Love."

July 28, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Hope is the nutrient of a fervent prayer life. Discouragement is the enemy of prayer. So you see, it is the sentiment of your being when you pray which lends strength to the fulfillment of the petitions you hold in your heart."

"Make it known."

July 29, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, allow your hearts to be guided by the grace of each present moment. Rid your hearts of all anger and unforgiveness. It is in this way, you will recognize the grace which may be disguised as a cross."

"It is when your heart is unburdened of all grudges, rash judgments and the love of gossip, that God's Will can most easily come alive in your hearts and in your lives."

"I do not come to tell you these things for My own welfare, but for your own. I desire only the best for you, which is your sanctification. Therefore, dear children, fall in love with God's Divine Will in the present moment."

July 29, 2012 / Sunday Service - The Triumph of the United Hearts both in Hearts and in the World; Unity in Families

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, clear your hearts of all spiritual debris such as unforgiveness, anger, materialism, love of reputation and all transient things; then allow Me to fill your hearts with Divine Love."

"Tonight I'm imparting to you My Blessing of Divine Love."

July 30, 2012 / Public

"I am your Jesus, born Incarnate."

"If you allow your heart to be consumed with spiritual debris, I am unable to fill you with My grace; then you are less able to determine My Father's Will for you."

"Such debris can be even the smallest sin or fault. It can be worldly concerns - worry over the past or the future - which is the bad fruit of lack of trust in Me. Spiritual debris can be even the smallest grudge - the

tiny fleck that irritates the eye of your soul, which is your heart."

"Lay claim to the grace of the present moment by freeing your heart of any and all such burdens. Ask Me and I will assist you through My Divine Love for your spiritual well-being."

July 30, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please understand that My coming to you is not your salvation; your salvation is in living in Holy Love from the heart in the present moment."

"So tonight I'm imparting to you My Blessing of Divine Love."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

August 2012

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

**All who come in pilgrimage here are invited to join us in prayer and
the peace that Heaven offers at this site.**

FEAST OF THE HOLY ROSARY

Midnight Gathering on October 6th – AND – Promised Apparition on October 7, 2012

Meet **Saturday at 11 PM** at the Field of the United Hearts for Procession and Prayer Service.

Meet again at the Field on **Sunday – Feast of the Holy Rosary – at 3 PM**

for a Prayer Service and promised Apparition.

"At 3:00 p.m. on the Feast of the Holy Rosary, I will come with a Public Message. I will come to the Field of the United Hearts. Besides this, those who pray at midnight dawning on the Feast of the Holy Rosary in the Field of the United Hearts, will receive the Complete Blessing of the United Hearts, but there will be no apparition at that time."

(Blessed Mother – June 27, 2012)

August 1, 2012 / Public

"I am your Jesus, born Incarnate."

"Today people have lost the sense of Heaven's concern for their welfare - spiritually, emotionally and physically. The general population regards human effort as the solution to every problem. The bridge of Holy Love, that Heaven is building between Heaven and earth through this Mission of Holy Love, is sparsely traveled."

"These Messages are the footpath across the bridge of Love. You must live them and thus be a light on the path. Because free will holds the key to the future, we must try to influence free will to choose Holy Love."

"Do not be discouraged by or let opposition lead you away from this bridge of Love. Angels will help you to become more surefooted as you journey across this bridge. Pray that more make the journey by choosing Holy Love."

August 2, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, each time you pray this prayer - the Consecration of the Heart of the World to the United Hearts

- God pours grace into the world. Thus, souls are convicted of their wicked ways and attracted to personal holiness. Every soul that follows the inclination of these graces strengthens the Remnant Faithful."

"Satan's kingdom in this world is weakened forever by the conversion of one soul. Therefore, understand he is powerfully opposed to the recitation and propagation of this consecration."

"Pray for the grace of Holy Boldness in the face of all evil attacks. Persevere in the Will of God, in propagating this consecration far and wide."

August 3, 2012 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please know that this weekend, and all that is offered here, is a portion of My Mercy upon earth. All your prayers and sacrifices have

made this possible, combined with My Grace. No prayer, no sacrifice is too small or is ever ineffective."

"Therefore, I encourage you to continue to pray that this Consecration to Our United Hearts is propagated far and wide."

"Tonight I am blessing you with My Blessing of Divine Love."

August 4, 2012 / Feast of St. John Vianney

St. John Vianney says: "Praise be to Jesus."

"Priests these days need to reset their priorities. First of all, and tantamount to their vocation, is their own personal holiness. If they are not holy, how can they lead their flock along the path of holiness? Their vocation was given to them to save souls. Therefore, every priest must realize he is responsible for the salvation of every soul under his charge."

"The priest must not ignore his own personal prayer and sacrificial life. If he is committed to prayer and penance, he will be given Holy Wisdom to lead others."

"He will then minister the sacraments accordingly - using them as the powerful spiritual weapons that they are. He will be better able to instruct the faithful and guide them according to the laws of Holy Love."

August 4, 2012 / Saturday Service - Against Abortion P.M.

St. John Vianney is here and says: "Praise be to Jesus."

"My brothers and sisters in Christ, tonight I am here to encourage you to pursue personal holiness through these Messages of Holy Love; and I am extending to you tonight my Priestly Blessing."

August 5, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, thank you for celebrating with Me today. You have not chosen Me so much as I have chosen you. Find your way into My Immaculate Heart through these Messages of Holy Love. Begin in every present moment to live these Messages of Divine direction."

"Many changes are coming - all by way of God's Permitting Will. Do not accept evil. Pray against it. You need not travel far to evangelize; very close by are many unconverted."

"Today, celebrate the many graces God sends you. Allow your moment to moment conversion to spread into the world around you."

"I am blessing you."

August 5, 2012 / Public

"I am your Jesus, born Incarnate."

"Today I have come to address the plans that lie hidden in hearts. These are agendas which are not inspired by good, but by evil. Predominate in many hearts is the concept of the New World Order. Since this is not a union of tolerance, and is not founded on love of God and neighbor, you must understand it is not of Me. This plan is designed to control."

"Your dependence upon consumerism and technology will soon become a tool of Satan. You must learn to be reliant upon Divine Provision. Open your hearts as to the ways that I provide. Do not fear, but realize that if I can

provide manna in the desert, I can show you many ways to live independently of any evil plan."

"Always be children of the Light. When you walk in the Light of Holy Love, you will open your hearts to receive everything I send."

August 5, 2012 / 3:00 P.M. Rosary Service

Blessed Mother is here dressed all in a radiant white and says: "Praise be to Jesus."

"My dear little children, it is My joy to be with you today. It is My joy that you have accepted My invitation to come here this weekend. In a similar way, please accept My invitation to be ambassadors of the United Hearts."

"I'm blessing you, and all that you carry with you, with My Blessing of Holy Love."

August 6, 2012 / Public

"I am your Jesus, born Incarnate."

"The greatest inspiration that a soul can receive is the desire to pursue personal holiness. This desire opens the heart to live in Holy Love in every present moment."

"Understand, then, that this desire to be holy is the very inspiration that Satan most opposes."

August 6, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when you feel you are under attack or in the midst of a stressful situation, simply say, '**Dear United Hearts, come to my aid**'. Heaven's defense will be all around you, and travel ahead of you."

"Tonight I'm imparting to you My Blessing of Divine Love."

DELIVERANCE

St. John Vianney says: "Praise be to Jesus."

"Today I have come to speak to you specifically about deliverance. There is great need for this today, but not all are given this gift or are called to such a ministry. It is attractive to many through spiritual pride. Deliverance seems to carry with it the pride of being 'in the know' and above others in the spiritual realm."

"But, I tell you, just reading a book, hearing a talk or desiring to be in the deliverance ministry does not give you the gift of deliverance. Deliverance ministry is a gift from God. Many are thrown off track by those who claim to be deliverance ministers, but are really looking for self-importance."

"Those who really are called to the deliverance ministry are chosen by God to help others; not to be in the spotlight themselves. They are humble, self-effacing and not looking for identity through titles."

"Most priests have the gift of deliverance if they are living in the Truth of Holy Love. There are few lay people who really have such a gift - but there are many who think they do, and profess that they do."

"Be wary of anyone who proclaims that he has any gift."

"In short a deliverance ministry is more than reciting a formula prayer or placing a label of 'Deliverance Ministry' upon yourself. It is more than intellect. It is spiritual - an interaction between human and Divine. Never presume to

be more than God chooses for you. Let God decide what gifts to give you."

August 8, 2012 / Public

"I am your Jesus, born Incarnate."

"Today I have come to reiterate the solitary purpose for the formation of the Children of the United Hearts. It is the consecration of the heart of the world to the United Hearts. This can be accomplished through prayer, sacrifice and fasting. It is in this way the Remnant will be strengthened and made greater."

"Do not let anything else distract you. Your call is not to deliverance. Your call is to a humble response to prayer, sacrifice and fasting on behalf of the Victory of Our United Hearts in the heart of the world."

"Make it known."

August 8, 2012 / Public

St. John Vianney says: "Praise be to Jesus."

"Any special ministry - such as healing, deliverance, preaching - if it is genuine, needs to be founded on deep humility. Very often this is a distaste for being set apart or viewed as 'chosen'. If humility is not present, then the call is not genuine and grounded in Truth."

"You ask how do people know if they have a call to a certain mission? This is a basic denominator: If the person desires to be set apart, this is pride."

August 8, 2012 / Public

PRAYER OF FORGIVENESS OF SELF

"I am your Jesus, born Incarnate."

"This is a prayer greatly needed by many."

"Dear Jesus, grant me the grace of forgiving myself. Thus, I can overcome all guilt. Give me the grace of trusting in Your Mercy in the present moment. Inspire me to praise Your Mercy always. Amen."

August 8, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"My daughter, I have come to ask that the Chaplet of the United Hearts be part of the daily prayer regimen for the Children of the United Hearts. The intention should be the Victory of the United Hearts in the heart of the world."

August 9, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"The consecration of the heart of the world to the United Hearts is an attempt to awaken the heart of the world to the Truth of where it stands before God. Every soul in his final judgment is convicted in this Truth and judged accordingly."

"The reason Satan succeeds in alluring so many followers is that souls are not interested in the Truth of what is good and what is evil in God's Eyes. This consecration carries with it the conviction of Truth."

"I am your Jesus, born Incarnate."

"It is true that these days people, in general, do not regard the eternal consequences of their actions and choices. These are the ones who live to seek their own advantage in the present moment. This is why there is so

much corruption in governments, politics and the business world today."

"Hearts that are sincere and live in the Truth, generally do not fare well in the world. While you must not judge, learn to recognize if a person is acting towards the advantage of personal gain."

"This is so in the motivation of many current office holders and political leaders in your country today. As I have told you so often, do not be so impressed with title and authority, as you are by studying actions."

August 10, 2012 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I tell you solemnly, that evil is united against this Mission - against all good. Therefore, it is very necessary that good unites against evil - every kind of evil."

"Tonight I'm imparting to you My Blessing of Divine Love."

August 11, 2012 / Public

"I am your Jesus, born Incarnate."

"I have come to expand upon My Message of last evening. The hour is at hand when good must unite against evil. It is certain that evil is united against good. Satan has his plans - and they are intricate - against this country, the Church and this Mission, which speaks for, and promotes the Truth."

"The way to be victorious over darkness is to expose it to light. The way to be victorious over Satan's lies is to shed the Light of Truth upon them. Holy Humility and Holy Love need to be your barometer of Truth and righteousness. If a person is duplicitous - that is, speaks in one way but acts in another - he is Satan's tool. If a person enjoys the spotlight, honors and esteem, the same is true. My genuine tools are the humble who do not enjoy being pressed into service in the forefront. In politics they are not just politicians who will say anything towards their political gain; they are true leaders - servants of the people. Anyone who is filled with his own self-importance has cooperated with evil. Anyone in a position of authority, who believes he owns his position and does not give God the credit, is also an accessible instrument of Satan."

"It is of great importance that each one who is in leadership - indeed, each soul - calls himself to account in regards to this Message. No one is perfectly humble or perfect in Holy Love. Do not just read what I say to you today. Look for yourself in this Message. It is only when you discover and correct your own errors that you are completely Mine."

August 12, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"All good deeds must arise from a heart of humility and love; otherwise, they serve only self and are unworthy. Good needs to be accomplished with as little fanfare as possible; that is to say, drawing as little attention to self as possible. Never presume to be responsible for tasks that others can accomplish with more adeptness than you."

Delight in the background. Do not make much of your own efforts. Compliment the efforts of others."

HOLY HUMILITY VS. THE PROUD HEART

"I am your Jesus, born Incarnate."

"I have come specifically to draw all people back into the arms of Holy Humility. See the differences between the humble and the proud heart."

Humble Heart	Proud Heart
Is aligned with God's Will.	Pursues his own will.
Tries to remain in the background - unnoticed.	Loves the spotlight - pursues it; is sad to share the spotlight.
Does not express opinions unnecessarily; listens to others' opinions; admits he does not have all the answers.	Sets himself up as the expert; likes to be consulted.
Humility - which is the Truth of where he stands before God - is always in his heart.	Practices false humility - which is humility for everyone to see; may even claim to be humble.
Treats everyone with the same respect.	Reserves a special patronizing side of his personality for those he esteems or who are held in high regard by others; may ignore those whom he regards as unimportant while he panders to the others.
If he has special gifts, he gives God the credit, and does not brag about them; he uses them only when necessary.	If he thinks he has special gifts, he lets everyone know about it.
Is self-effacing.	Promotes himself - his ideas and philosophies whenever possible.

"I am your Jesus, born Incarnate."

"Consider the human heart. I am speaking now of the spiritual heart which is the expression of the soul's relationship with his Creator. So many hearts are held captive by error, lack of wisdom and ill-thought-out courses of action."

"Every present moment offers the heart freedom: freedom from sin; freedom from occasions of sin; and the freedom of his own personal holiness. Each present moment offers new graces, different circumstances and unique opportunities. Spiritual eyes must be opened to see these choices for or against righteousness. These days consciences have become obtuse - self-satisfied with where they are spiritually. Very often eternal consequences are never considered."

"All that is passing has made itself an everlasting goal. But this is not Truth. Truth is Holy Love which is eternal."

"Pray that the spiritual eyes of the world open and realize the difference between good and evil. Then, every

heart will choose holiness. Then, the value of each present moment will be realized."

August 13, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, solemnly I tell you, that you will never have peace in the world until you have peace in the womb. Governments are responsible for the atrocity of abortion; and so, elect your officials carefully."

"Tonight I am blessing you with My Blessing of Divine Love."

August 14, 2012 / Public

"I am your Jesus, born Incarnate."

"Today I have come to address unbelievers. For the most part, your nation has chosen not to embrace these apparitions or any of the Messages. This has proven to be a costly choice. It has brought confusion and arrogance to your political system and to your laws themselves. Moral degeneration is prominent - legal. Secular laws now hold precedence over the Ten Commandments. Every sort of compromise is accepted."

"If the citizens of this once great nation would look with the eyes of Truth at these Messages and at the bad fruits of Satan's lies, there would be no contest as to political choices. Much that God's Righteous Wrath will spend upon this country could then be reversed."

"Once again, I am calling upon unbelievers to believe. Do not continue on your path away from the Truth. The Truth challenges you to recognize what you are choosing and how you are choosing it. Recognize your own weaknesses and unworthiness in the sight of God. Allow God and His Commandments to be the remedy - not the opposition. Seek the Refuge of the Heart of the Eternal Now by your 'yes' to Holy Love."

August 15, 2012 / Public

"I am your Jesus, born Incarnate."

"Today I have come to address the serious problem of why consciences have become neutralized. People choose according to what suits their own immediate and worldly needs - needs that are passing and not eternal. They choose what feeds their wealth, their power and their reputation. They do not subscribe to anything that challenges their worldliness. Therefore, people make their own 'truths', which is really choosing Satan's lies."

"I remind you, self-love, which becomes inordinate, opposes Holy Love, which is eternal. You cannot embrace both. You cannot choose what suits your needs and always choose the Truth."

"But, if you make the effort to always live in the Truth, grace will surround you and sustain you. Your choices for or against the Truth will be made clear by this grace. Confusion will be lifted from the conscience of the world. The path of light and the path of darkness will be shown for what they are. Sound moral choices will be the order of the day."

"Do you desire the Triumph of My Mother's Immaculate Heart? This is how the world will be when She triumphs - no more muddled thinking. People will seek out

righteousness instead of finding fault with it. The liar will be tried and found guilty in every heart. Pray for this."

August 15, 2012 / Feast of the Assumption of the Blessed Mother

Blessed Mother says: "Praise be to Jesus."

"Today, on My Feast Day, I invite the heart of the world to always have hope for the unforeseen. God's grace disallows a myriad of errors, for His Mercy is endless and all encompassing."

"The chosen - the children of light - are called to hopeful trust in the future. This way, their prayers arise to Heaven filled with hope, and wrapped in faith and love."

August 15, 2012 / Feast of the Assumption of the Blessed Mother / Wednesday Service - The Propagation of the Holy Love Messages and the Confraternity of the United Hearts

Blessed Mother is here as Mary, Refuge of Holy Love. She is dressed all in white and says: "Praise be to Jesus."

"Dear children, tonight I tenderly remind you once again that God's Mercy is Perfect and Eternal. He sends you every grace you need for the future, no matter the circumstance. My Heart is His conduit of grace."

"Tonight I'm blessing you with My Blessing of Holy Love."

August 16, 2012 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"God's Will is never far away. It is always in the present moment. It always embodies Holy Love. This nugget of Truth could transport the entire heart and soul of the world into deep personal holiness."

"Instead, the general populace tries to find happiness and security in passing pleasures. Many transient things - pastimes, vanities - are sinful; but people today have generally dismissed the laws of Holy Love, as well as the Ten Commandments."

"While it is good to be independent of Satan's civilization, it is not good to live independent of God's Laws."

"Reassess your priorities in life and come under the Sovereignty of God. This is your peace and security."

August 17, 2012 / Public

"I am your Jesus, born Incarnate."

"The most important aspect of anyone's life on earth is his own personal holiness. That is what this Mission is all about. Personal holiness is the embrace of Truth as to where the soul stands before God. The soul pursues his personal holiness when he acts upon ridding his heart of all imperfections in Holy Love."

"Those who oppose this Mission have not recognized the Truth - do not seek the Truth, and in the reality of the Truth - are opposing the strengthening of the Remnant Faithful."

"Because the evil one disguises his lies in seeming good, the good fruits of this Ministry have been denounced and disallowed; but the graces at this site continue. No one can decree against them."

August 19, 2012 / Public

"ADMONISH"

Blessed Mother says: "Praise be to Jesus."

"I tell you, every grace attendant to this property comes into the world directly from the Heart of God the Father, which is pure Truth. Because every soul is called into the Heart of Truth and to live in Holy Truth, it follows every soul is called to come here."

"Heaven does not transgress obedience to the Truth by merit of this humble invitation. Rather, dear children, each one of you is called into the Light of Truth. **Do not see with the eyes of confusion, the word 'ADMONISH' in heavy-handed dictates; for this word in Truth does not mean 'FORBID', but is a GENTLE WARNING. I give to you today the Light of Truth. Allow this Truth to embrace your hearts.**"

"Do not be intimidated by confusion. Be emboldened by the Truth."

August 20, 2012 / Public

"I am your Jesus, born Incarnate."

"I prefer the humble heart; for it is the humble heart that is always seeking to be more perfect in My Eyes, and recognizes his own imperfections."

"There is a vast difference between the righteous heart and the self-righteous heart; although, at the same time, there is a fine line between the two. The righteous heart strives to perfect every virtue by perfecting himself in Holy Love. He readily acknowledges his shortcomings. He sees the good in others. If others' faults come to light, he willingly admits, had he not had every grace to sustain him, he may have had the same faults."

"The self-righteous, however, regard themselves as morally and spiritually superior to others. They may even believe or give the impression they believe that they have all the answers. They do not, with humility, look into their own hearts or seek to improve on the virtuous life."

"They may set themselves up as experts - unwilling to listen to others' opinions - unopen to criticism. In their hearts, they do not give God the glory for their knowledge, holiness or any status amongst men. They seem to believe everything depends upon, and is the direct result, of their own efforts."

"So, the righteous heart must beware of these traits and attitudes. The righteous heart must stand guard over his senses, and bring them under the umbrella of Holy Love."

"The righteous heart must be God's Glory in the world."

August 20, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the doorway to My Heart is My Mercy and My Love. It is always open, standing ready to welcome in, any who desire entrance. Please desire to come into My Heart so that you can experience My Mercy and My Love."

"Tonight I'm blessing you with My Blessing of Divine Love."

August 21, 2012 / Public

"I am your Jesus, born Incarnate."

"I tell you, self-righteousness is a trap that Satan lays for those who seek personal holiness. It is a clever snare that many fall into. The self-righteous are unable to make a good examination of conscience, for they believe too much in their own holiness. This is in direct contrast to the humble-hearted, who sincerely believe all others to be more holy than themselves. The humble-hearted, that is, those who pursue the path of righteousness, are constantly pursuing a deeper virtuous life. They are never self-satisfied as are the self-righteous."

"The self-righteous put on holiness for all to admire and see. The truly righteous choose hiddenness, the background and a holiness that is between My Heart and their own."

"Once again, I warn you, though righteousness and self-righteousness are vastly different and worlds apart, there is a fine line between the two. It is very easy to pass from one to the other. There are no alarms or fireworks that mark passage between these two. This is why the soul needs to be in touch with the motives in his own heart in thought, word and deed in every present moment."

August 21, 2012 / Public

"I am your Jesus, born Incarnate."

"I desire that we make these comparisons between a righteous and a self-righteous heart:"

RIGHTEOUS HEART	SELF-RIGHTEOUS HEART
Always seeking deeper personal holiness.	Very satisfied with where he is spiritually.
Searches his own heart daily for weaknesses and faults in Holy Love.	Searches and judges the hearts of others for errors and faults.
Desires hiddenness; keeps his holiness between himself and God.	Desires to be recognized as holy and virtuous.
Considers all others more holy and more worthy of grace than himself.	Sees himself as most worthy of every grace; is envious of graces others may receive; may even embrace a mimicking spirit.

August 22, 2012 / Feast of the Queenship of the Blessed Virgin Mary

"I am your Jesus, born Incarnate."

"I have come to discuss with you My Mother's role in Redemption. Our Hearts beat as one. My Heart is Divine Love. My Mother's Heart is Holy Love. As I am King of Mercy, She is Queen of Mercy. I am Prince of Peace. My Mother is Queen of Peace."

"My Heart is the Source of all grace. Her Heart is the Mediatrix of all grace. Upon the Altar of My Heart, mankind lays every petition. My Mother's Heart is the Holy Advocate of every heartfelt petition."

"I am your Redeemer. My Mother is Co-Redemptrix. It is She who suffered with Me at the Foot of the Cross as no other could. She bore My Wounds mystically. In Her Heart, She fell with Me - carried the Cross and mystically felt the blows as the nails pierced My Flesh."

"Our Hearts always beat as one. We are always - though not equal - united."

August 22, 2012 / Feast of Queenship of the Blessed Virgin Mary / Wednesday Service - The Propagation of the Holy Love Messages and the Confraternity of the United Hearts

Our Lady is here all in white and gold. She is seated on a throne and says: "Praise be to Jesus."

"Dear children, praise always to Jesus, Redeemer and King. You give Him praise when you live in the Truth, My dear children, for this is the only way to true holiness - anything else is not genuine."

"So, for tonight, My children, I'm blessing you with My Blessing of Holy Love."

August 23, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come to draw you back into the reality that there is no time or space in Heaven. This is why, if you miss one day of a novena, you can recite it on the next day."

"When I appear - not only here, but anywhere - I speak to all the angels of the people present, while I appear and speak to the visionary or visionaries. I guide these angels as to the welfare of those in their charge."

"It is up to each individual to open his heart to heavenly inspiration during or directly after each apparition. Be open to My Sovereignty."

"At the same time, realize that during these present moments - during or directly after an apparition - Satan tries to mislead and interfere. This is the reason, My dear, dear children, you should pray for discernment before an apparition and after this grace-filled event."

August 23, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Once again, I come to reproach all unbelievers and all who oppose these Messages and apparitions. You have been given the grace to believe. It is through your own pride you have rejected what Heaven is offering here. It is through your own pride and the inspiration of evil, that you have acted in opposition to the graces given here."

"God holds each one who is introduced to these Messages and apparitions accountable. It is the Father's Holy and Divine Will that all accept these apparitions and Messages."

"Do not, in self-righteousness, falsely judge, reject or even worse, oppose God's Will for you."

"Woe to those who listen, but do not heed."

August 23, 2012 / Public

"I am your Jesus, born Incarnate."

"This is the prayer I desire you add to your daily prayer regimen:"

"Jesus, give me the courage always to support the Truth - no matter the opposition or the consequences."

August 23, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Please understand, dear little children, that living in Holy Love carries with it the responsibility of always

supporting life in the womb. This means that given a choice between two political candidates, you must support the pro-life candidate. This is true even if there are other issues this pro-life candidate supports that you do not agree with. It holds true even if there are characteristics in the candidate's personality you do not like."

"I tell you this, for the battle over life in the womb is the war which must be won. The womb is the battleground which will determine the future of your country."

"Make it known."

August 24, 2012 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, as your presidential election approaches, pray for your country's moral integrity; for it is moral degeneration which leads to such confusion in consciences."

"Tonight I'm extending to you My Blessing of Divine Love."

August 26, 2012 / Public

"I am your Jesus, born Incarnate."

"This Mission has been set here as a sentinel of Truth in these times when it is difficult to discern the Truth - much less, adhere to it. Many people, institutions and those in authority whom, in days gone by, could always be trusted to stand for the Truth, these days, must be carefully observed and genuinely discerned as to their words and actions."

"For many, this is perplexing and My words to you today, disconcerting. But, if I did not speak to you thus, I would not be the Truth, and I would not stand for the Truth. Remember, the Truth is reality. I am telling you that compromise has won over many hearts and imperiled many souls."

"Therefore, do not accept hearsay because you trust title or authority. Search for the Truth. Find the Truth and cling to it. In the end, you will be judged by Truth."

August 27, 2012 / Public

St. Peter says: "Praise be to Jesus."

"Here is the reason God is upholding this Mission in the face of so much controversy and opposition: In the age to come, which fast approaches, there will be false teaching - heretical concepts - all presented as Truth. Even now it is at hand."

"If people do not learn now to look beneath the surface to find the Truth, they will be easily lead astray and carried off by every compromise."

"This is why Jesus is asking that people discover the real Truth of this Mission and make the effort not to be misled by tricky words and statements. In the future, people will have to do this in order to remain in the Remnant Faithful, who will embrace the true faith."

2 Timothy 4:1-5

I charge you in the presence of God and of Christ Jesus who is to judge the living and the dead, and by his appearing and his kingdom: preach the word, be urgent in season and out of season, convince, rebuke, and exhort, be unfailing in patience and in teaching. For the time is coming

when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own likings, and will turn away from listening to the truth and wander into myths. As for you, always be steady, endure suffering, do the work of an evangelist, fulfill your ministry.

August 27, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, always be united in Holy Love. When you are united, I can use you as one instrument in My Hands - a strong tool against evil."

"Tonight I'm extending to you My Blessing of Divine Love."

August 28, 2012 / Feast of St. Augustine of Hippo

St. Augustine says: "Praise be to Jesus."

"I invite you to see that the way to conversion of heart is always in and through Holy Love. Furthermore, no one can be holy outside of Holy Love."

"Holy Love is a selfless love - placing the Love of God first and the love of neighbor always second. The soul consumed with the desire to serve others is consumed with Holy Love. His heart is filled with ways to assist others and he does not count cost to self. Such a soul progresses rapidly through the Chambers of the United Hearts. Within this heart filled with selfless love, Jesus abides in peace."

August 29, 2012 / Feast of the Passion of St. John the Baptist

"I am your Jesus, born Incarnate."

"Once again, I come to you seeking your prayer support on behalf of all righteousness. Every saint that you pray to daily was self-effacing: that is to say, sanctity was reached by means of dying to self and living for God and others. There is no perfection in holiness outside of this."

"You can determine true leaders by this means. If their policies are not towards the welfare of the people, but only serve self and their lust for power, then they fall short of worthy leadership. When valid laws are disregarded and free will takes precedence over the reality of God's Will, you do not have worthy leadership."

"When leaders are so impressed with their own high position that they misuse their authority and lead many astray, they tempt My Justice to step in."

"Learn from the path the Pharisees followed in My day. They were so pleased with themselves, that God did not matter. Every generation has seen the rise and the fall of leadership which - greedy for more and more power - fell into corruption and eventual collapse."

"Many nations and many leaders are following this path. You must always stand for the Truth, no matter who or by what power of authority, opposes you."

"When I return, there will be no corruption of leadership. Your choices will be clear and righteous. For now, you must carefully discern what you are being told to do, or told not to do, and choose according to the Truth."

August 30, 2012 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"Punctuate your day with prayer and sacrifice, for it is in this way that God's grace comes alive in you. It is through prayer and sacrifice God's grace is most easily recognized and appreciated."

"Learn not to focus on what you do not have, but on what you do have. This is one way to put grace to good use, and to make the most of the present moment."

THE POWER OF THE MOST HOLY ROSARY

Blessed Mother says: "Praise be to Jesus."

"Dear children, when you pray the rosary, you hold the power in your hands to defeat Satan's agenda in the world. With the prayer of the rosary, you can assist Me in lifting the veil of deceit Satan has placed over the heart of the world. With the rosary, you allow Me to extend many graces into the world which God would have withheld because of mankind's infidelity to the Truth."

"Dear children, you do not understand the power of a rosary said from the heart, but I tell you, that no leader, no government, no peace accord or economic remedy can compare to the mighty force of this prayer. The enemy hides this from you. My words to you today challenge the darkness of his secrecy with the Light of Truth. Do not be misled to believe your efforts are ineffective. I tell you, your rosaries are the Victory."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

September 2012

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

**All who come in pilgrimage here are invited to join us in prayer and
the peace that Heaven offers at this site.**

FEAST OF OUR LADY OF GUADALUPE

Prayer Service and Promised Apparition on December 12, 2012

Meet Wednesday **at 3 PM** at the Field of the United Hearts for Prayer Service and promised Apparition.

"I will meet My children, as I always do, in the Field of the United Hearts on My Feast of Guadalupe at 3:00 p.m. I ask this one last meeting in the Field this year." (Blessed Mother – October 9, 2012)

(Note: There will be no Midnight Gathering on the 11th or 7 PM Prayer Service on the 12th.)

September 1, 2012 / Public

"I am your Jesus, born Incarnate."

"I tell you solemnly, the reason people do not recognize evil is that they do not live in the Truth. The Truth illuminates darkness. The Truth exposes the evil inner workings of hearts. Satan's lies, misconceptions and compromise cannot withstand the Light of Truth."

"The greatest treasure, the pearl of great price, is Truth Itself. It is in and through the Light of Truth that sound and righteous decisions are made. But I tell you, if hearts are full of compromise, they do not search out the righteousness of Truth."

"Bad decisions are like a piece of moldy bread. Those who do not live in the Truth consume the whole piece of bread - never noticing the mold. Those who live in the Truth see the moldy bread for what it is, and do not consume it."

September 1, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, today I come to tell you that mankind must always make his choices according to God's Law. The war in the womb must end before war in the world can end. Do not choose the path of certain destruction, then, but the path most secure in Holy Love."

September 2, 2012 / Public

St. Joseph says: "Praise be to Jesus."

"Today, I come to you to offer these thoughts. If families desire unity, they must be united in the Truth. Any other basis for unity will fail. The Truth hearts must accept, first and foremost, is the Ten Commandments. Holy Love is the embodiment of the Ten Commandments."

"It follows, then, that family unity must be based upon Holy Love. Because families are the backbone of this country, the family united in Holy Love will be the unity of the nation."

"Do not follow or support anyone who tries to defeat this end."

September 2, 2012 / Sunday Service - Consecration of the Heart of the World to the United Hearts, and Unity in Families

St. Joseph is here and is dressed in purple. He says: "Praise be to Jesus."

"I come to remind everyone of the old standard truth that not to decide is to decide. If you do not choose unity in your family, you choose division. If you do not choose life in the womb, you choose abortion. These are the truths that I have come to defend, for I desire your peace and your unity."

"I'm extending to you my Blessing."

September 3, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Always carry a spirit of forgiveness in your heart, for forgiveness begets unity and peace. Remember St. Joseph's words to you yesterday. If you are not for unity, you are for disunity."

"It is very often the enemy of your salvation that suggests to you the faults of others. This becomes a self-righteous spirit. If you do not carry in your heart a ready forgiving spirit, it is easily the inspiration of disunity."

"Be ready to pray for those in whom you see obvious error. These could be prominent leaders or your next door neighbor. When you pray for those in error, you are not accepting their error but praying for their reconciliation with the Truth."

September 5, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I would like to compare today two unlikely conditions which affect the well-being of some of My children. The first is allergies to inhalants such as ragweed. To some people - whether they inhale these things intentionally or not - their ability to breathe is diminished. To others there are no ill effects."

"I wish to compare this phenomena to the spiritual world. If a soul accepts an untruth - again, knowingly or unknowingly - concerning spiritual matters or that which could affect him spiritually, his relationship with God is weakened."

"The whole journey through Our United Hearts is the means by which the soul can be cognizant of his relationship with the Holy Trinity through My Immaculate Heart. This journey helps the soul to keep his focus on the Truth. Whatever assails the Truth will not affect the soul's climb to holiness unless the soul does nothing to combat the ill effects."

"Like an asthmatic who needs extra medication during an attack, the soul under attack needs to take measures to correct the situation once he realizes what is happening. Should he not do so, he is distanced from God and the Truth - possibly forever."

"Therefore, understand that the journey through the Chambers of Our United Hearts is the medicine for souls during these harrowing times. It is your protection against untruths and all compromise. Pursue it."

September 5, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"You can always tell what side God is on in any given situation, for God is Truth and Light. God is Love."

"God is not confusion and compromise. God is Peace."

"Always choose to be on God's side."

September 7, 2012 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, surrender your hearts completely to Me every morning and to Holy Love. It is in this way that every present moment of the day will be seasoned with Holy Love, and your heart will be completely Mine."

"Tonight I'm imparting to you My Blessing of Divine Love."

September 7, 2012 / Public

"I am your Jesus, born Incarnate."

"I tell you, a politician can promise you anything. His or her worth is in fulfilling the promises. It is the same in the spiritual realm. A person can say, 'I am going to be holy'. But if he doesn't act on that resolve, he will not be holy."

September 8, 2012 / Public

"I am your Jesus, born Incarnate."

"Allow your hearts to be governed by Holy Love. It is in this way, all your thoughts, words and actions will embrace, and be embraced by Holy Love. Allow my Mother to nurse you with the unadulterated milk of Holy Love, which She gives freely to all who ask."

"My Mother is present in the lives of those who live according to the Commandments of Love. She uses such as these as Her instruments. She brings, by the grace of Her Heart, those souls who willingly respond to Her call of Holy Love, deeper into the Chambers of Our United Hearts - escorting them with favor."

"Be such a soul."

September 10, 2012 / Public

"I am your Jesus, born Incarnate."

"Today, I come to call all souls out of darkness into the light. Souls must participate in searching out defects in their own spiritual journey through the Chambers of Our United Hearts. If they fail to seek self-improvement, they will never enjoy union with My Father's Will."

"Humble Love is the means of this soul-searching. Without Humble Love, the soul is satisfied with staying where he is spiritually. Such a one does not see any error in his own heart, though he readily sees errors in the hearts of others. The one who does not search out error in his own heart, often enjoys making himself the center of attention and any prestige that may come his way. He practices virtue for others to see. This is false virtue."

"Humble Love does not regard everything as to how it affects himself, but is always choosing to serve others. Thus, he avoids impatience, selfish ambition or the pride of enjoying the spotlight. Such a self-effacing soul does not seek to serve self first and then God and neighbor, but always God and neighbor first."

"The humble, loving soul readily gives compliments, drawing attention away from self, and does not readily - even in his own heart - become critical of others. The truly humble soul is never jealous, for jealousy is self-centeredness."

"The humble, loving soul is satisfied only with pleasing God and neighbor. He desires self-knowledge and the righteousness of knowing where he stands in God's Eyes."

September 10, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invoke you - pray for your enemies that they be weakened in their resolve, and that they be convicted in the Truth. There are whole nations who race towards the development of weapons of mass destruction. You must pray that their efforts are derailed."

"Tonight I'm blessing you with My Blessing of Divine Love."

September 11, 2012 / Public

"I am your Jesus, born Incarnate."

"I have come to describe to you the way to genuine victimhood. The true victim offers everything in silence, whenever possible. I say - whenever possible - for there may arise times when certain sufferings need to be made known; for instance, between husband and wife or doctor and patient."

"Therefore, the good victim must have humble Holy Love in his heart, and be truly self-effacing. It is only in this way he takes the focus off of self and concentrates on God and neighbor. It is through the virtues of humility and love the soul is able to accept everything - thereby surrendering everything - without complaint."

"Prayer and service to others become the sustenance of the victim soul's existence. All else is a distraction."

September 12, 2012 / Feast of The Most Holy Name of Mary

Blessed Mother says: "Praise be to Jesus."

"Solemnly, I tell you, your country lacks strong leadership at a time when decisiveness is most needed. This nation needs to free itself of dependence upon foreign powers for energy. God has been gracious in His Provision upon America. Everything you need is here."

"This is not the time to weaken defenses, but to remain strong so that reputation of strength is your strong defense, and nothing more may be needed."

"This is not the time for divisive tactics which are self-serving, but a time for unity in action which serves all."

"In short, step aside from political ambition and work together for the greater good of all."

"America does not need a political leader, but a strong, moral leader."

September 13, 2012 / Public

"I am your Jesus, born Incarnate."

"Today, I have come to remind the public that there is a vast difference between a genuine leader and a politician. A genuine leader desires the well-being of his nation and its citizenry. He works to protect and defend everyone, and to

unite the nation under just laws. In this country, a good leader defends the Constitution and would never concoct laws to oppose this Constitution or come against any one group. In the same way, a genuine leader would not be persuaded by special interest groups to redefine existing laws to favor their disordered interests."

"The one who is just a politician does not know how to lead the nation out of crisis. He has no sound policies, but only policies which lead to more confusion and greater chaos. His political well-being is more important to him than the well-being of the citizenry."

"Such a politician may even abuse his authority without regard for long-standing laws. He may use his authority to weaken rather than to strengthen the nation."

"Pay attention, My brothers and sisters, to what I am telling you today. Do not be charmed by politicians. Lend support to genuine leadership."

September 14, 2012 / Feast of Exaltation of the Cross

"I am your Jesus, born Incarnate."

"Today, I have come to direct the hearts of all who will listen. Please accept your moment-to-moment crosses with gratitude. I say this, for every cross is a grace in disguise. If the cross is accepted with gratitude, then you are surrendering. It is through your willful surrender, I can surround you with grace and you will be united with the Will of My Father."

"It is through your surrender, the Kingdom of My Father's Will is fortified in the world. My Father's Kingdom in the world is one with the Triumph of Our United Hearts."

"I had to surrender to loss of reputation, public humiliation and finally death on the Cross for the sake of My Father's Divine Will and the Triumph of His Will over sin and death. It is by merit of this Triumph that I am here with you today."

September 15, 2012 / Midnight Gathering in the United Hearts Field - Feast of Our Lady of Sorrows (This Message was given in multiple parts.)

Our Lady comes as the Sorrowful Mother. She has the Seven Swords in Her Heart. She says: "Praise be to Jesus."

"Today, I invite you to understand that the Sorrows of My Heart are compounded by those of My children who do not choose Truth. This is how Satan separates My children from Me, so that they no longer regard Me with love or feel My Love."

"My Love for each soul never changes - only sorrows for those who become disconnected from the Truth and, so too, My Motherly Love."

"Dear little children, I invite you to see that the sword most tortuous that I suffer today is the same one that resulted in the swords I suffered when on earth. It is the sword of the lack of Truth in hearts. If hearts had accepted Truth in My day, I would not have been subjected to the emotional and spiritual cross that I accepted on behalf of mankind."

"Simeon would not have had to deliver his dire prophecy. Joseph would not have had to transport Jesus and Me to Egypt. I would not have had to search for My Son, only to find Him uncovering Truths to scholars. My Son would not have had to carry His Cross, for no one

would have condemned Him. Therefore, I would not have encountered Him as He carried the Cross. My Son would not have been crucified if hearts had accepted the Truth. If hearts had been convicted in the Truth, My Jesus would not have died on the Cross and His limp and lifeless Body would not have been taken down from the Cross. For the sake of Truth, My Son was buried."

"Today it is no different. My Heart sorrows for the Victory of Truth over evil. Only then will life be secure in the womb. Only then will peace be secure in the world."

September 15, 2012 / Feast of Our Lady of Sorrows

Blessed Mother says: "Praise be to Jesus."

"Dear children, assist Me in giving to you a secure future by making wise and prudent choices in the present moment. The sorrows of My Heart have always been the pain of untruth in hearts."

"Therefore, relieve your Mother's pain, little children, by choosing always the Truth. With Truth as your foundation, Grace is always your ally."

"Personify My Love in the world."

September 16, 2012 / Public

St. Michael the Archangel says: "Praise be to Jesus."

"Jesus sends me to make certain all know that this upcoming election is all about good versus evil. All the issues reflect this conflict. The difference between good and evil can only be revealed through Truth and accepted through Truth."

"For this reason, my Shield of Truth - which is the protection of righteousness - is even more important today than ever. If you will My Shield to stand in front of you in every battle, it will be there."

September 17, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, you cannot make peace with radicals. You cannot pander peace out of fear of terrorism. True peace must be based on Holy Love."

"Tonight I'm extending to you My Blessing of Divine Love."

September 18, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

Our Lady is here as Refuge of Holy Love, but She has droplets of blood falling from Her Heart. She says:

"Today, I have come to tell you that the disordered use of free will - that is, free will which does not align itself with Holy Love - is in danger of destroying the world as you know it."

"Hearts are in error, which in any way pander after the favor of radicals. You will never win their favor, but their continued disdain. The free will of such radicals has been captured by Satan. They act on emotion - never calm reason. For weapons of mass destruction to fall into such hands breeds certain destruction."

"Dear children, look at the ones that, by their inaction, support this destruction. If you support this indecisiveness, you, too, support disaster. Your country needs a leader who is mature enough to put everything in the proper

perspective. This must be a leader who works for a stronger nation - not one who strips it of its dignity, natural resources and obliterates borders by further indecisiveness."

"God is not calling you to a One World Order which would be based on fear. He is calling you to a world with one heart - a heart of Holy Love. All other agendas - one government, one financial system, one religion - are not of God but of Satan. Dear children, comprehend this and do not allow your hearts to be persuaded otherwise."

September 19, 2012 / Public

"I am your Jesus, born Incarnate. I am the Prince of Peace."

"I have come to point out that which should be obvious by now. It is not the attitude of your own country towards the radicals in the Middle East which must change, but the attitude of the radicals towards your country and all cultures that vary from their own, which must change."

"Until, and if that happens, your nation needs to be prepared militarily to defend itself - not because it is war-like, but because the radicals are war-like."

"The world is poised to suffer greatly if freedoms are not defended, and if truths are not upheld."

September 20, 2012 / Public

"I am your Jesus, born Incarnate."

"In the world today, it is important that Truth take sovereignty over all hearts. These days, error is presented with Truth. Without discernment and wisdom, error takes precedence in hearts. Every present moment is a new opportunity either to live in Truth or to accept Satan's lies."

"Souls must pray for true discernment and not to be led astray by rash judgment. Every present moment is a battle between good and evil. The discerning heart can understand this. Most, however, let the present pass by without searching out the righteousness of Truth."

September 21, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, listen carefully to My advice today and apply it to many of the situations and decisions you need to make. When you have compromised leadership, it is often difficult to separate untruths, important positions and charm from the challenge of choosing the Truth. This is so in many facets of society; from public office to long-standing institutions of learning and religion."

"This is why I urge you, still again, to tirelessly search out the Truth. Do not accept hearsay. Remember, promises can be broken, laws can be broken and innocent reputations plundered, if power is in corrupt hands. History and past records prove this so."

"You must always choose life in the womb. The fate of these innocent lives is determining the future of your planet. These days, mankind has become so sophisticated and consumed with technology, that he does not regard life in the womb as an important issue. I am telling you that it is the deciding factor in your future well-being. Do not allow compromised leadership to convince you otherwise."

"You must try to look into the heart of every leader or potential leader to determine if Holy Love governs their

thoughts, words and actions. Do not allow title or position alone to determine the Truth."

"Dear children, this is the age of untruth disguised as Truth. Never before have you needed My words to you today as much as you need them now. Listen to Me with your hearts. Form your opinions in the Truth as I have prescribed for you today."

September 21, 2012 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite you to allow the Triumph of Our United Hearts to reign in your hearts in every present moment by living in Holy Love. It is in this way you can vanquish every enemy around you, and always avoid discouragement."

"Tonight I'm extending to you My Blessing of Divine Love."

September 23, 2012 / Feast of St. Pio of Pietrelcina

St. Pio of Pietrelcina says: "Praise be to Jesus."

"I have come to say this: the more sophisticated society, as a whole, gets - the more vulnerable they are to Satan's attacks. Evil is threaded into all the sophisticated, modern technology and all the luxuries that these technologies support."

"People need to simplify their lives and learn to be dependent upon God. Then, through a fervent prayer life, they will be able to trust in God's Provision instead of their own cleverness."

September 23, 2012 / Feast of St. Pio of Pietrelcina

St. Pio of Pietrelcina says: "Praise be to Jesus."

"As trustworthy leadership eludes God's children more and more, people must rely more and more on the Commandments of Love - Holy Love - as a light on the path of Truth. It is not like in days gone by where the Commandments were respected always and everywhere."

"Today, God's Commandments are open to debate, even ridicule. Once again, think within the concept of Holy Love. Obey Holy Love. Do not blindly accept any leader. Look for the Holy Love in his character - in his heart."

September 23, 2012 / Sunday Service - Consecration of the Heart of the World to the United Hearts, and Unity in Families

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I entrust to each of you the mission of spreading the Revelation of the United Hearts around the world. This devotion to Our United Hearts is greatly feared by Satan, for it spells his defeat, which is so greatly needed in the world today."

"Tonight I am blessing you with My Blessing of Divine Love."

September 24, 2012 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Please understand how important a well-formed Christian conscience is. Such a conscience is formed

according to the embrace of the Ten Commandments which is Holy Love. The decisions a person makes throughout his life are according to his conscience. If his conscience supports the Truth of Holy Love, which is unchanging, he will live in Truth."

"If there is a compromise in Truth, the soul will make compromised - even convoluted - decisions."

"God does not change His Commandments to suit personalities or situations. It is the error-ridden conscience which tries to alter the Commandments."

"God judges according to the soul's commitment to Truth."

September 24, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please realize that every present moment is especially designed in each person's life towards his own sanctification. You are given the graces and the crosses you need through the Divine Will of My Father towards your own personal holiness. But it is up to you, My brothers and sisters, to use them."

"Tonight I'm blessing you with My Blessing of Divine Love."

September 25, 2012 / Public

"I am your Jesus, born Incarnate."

"Your country is like a sailboat adrift on a turbulent sea. The boat does not know it is dependent on a good wind to carry it into port. It does not look for this wind or await the direction of such a wind."

"In a similar way, your country is adrift upon a sea of liberalism and compromise. The wind it should be searching out is the breath of the Holy Spirit, which would guide your nation into the port of righteousness. But, as a nation, your country governs without the breath of the Holy Spirit and, consequently, is misdirected - crashing upon the rocks of error."

"It is difficult to make a little sailboat seaworthy after such a collision. However, in the case of your government, efforts must be made to piece it back together."

September 26, 2012 / Public

"I am your Jesus, born Incarnate."

"I tell you, the person who trips and falls from the path of Holy Love, but recognizes his failure and endeavors to regain Holy Love in his heart, is a soul committed to personal holiness."

"However, the soul who commits to Holy Love only insofar as it fits his own tastes and personal agenda, is the one who seeks holiness by half-measure. Such a one is lukewarm and I spew him out of My Mouth."

"I understand human faults and frailties. These are dissolved in My Mercy. I do not understand self-righteousness."

September 28, 2012 / Public

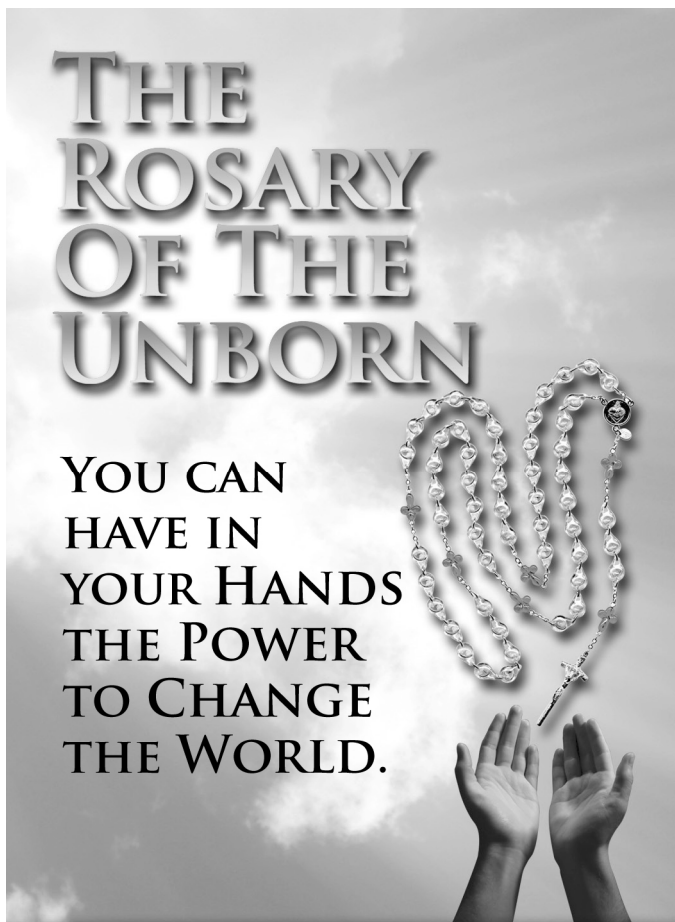

Blessed Mother says: "Praise be to Jesus."

"I have come to tell you, and all who will listen, that the present moment is the time to prepare for your eternity. Today you, My daughter, are preparing for a short journey

by car. The preparations took much effort. I desire all My children put much effort into preparing for their eternity."

"Rid your hearts of all anger, grudges and unforgiveness. These are obstacles on your journey to Heaven. Pack the 'suitcase' of your hearts with Holy Love. You will need it. Holy Love is the vehicle that transports you to Heaven. Pride is like a 'flat tire' holding you back. Always bring on the journey to Heaven the little extras. I am not referring to extra clothes, but good deeds which will hold favor with My Son at your judgment."

"Look with eagerness toward your destination. The more you live in Holy Love, the greater your eagerness to arrive in Heaven. When you arrive, Love beyond all telling, will welcome you. All the preparations will be worth it. Then you can relax and rejoice."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

October 2012

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

FEAST OF OUR LADY OF GUADALUPE

Prayer Service and Promised Apparition on December 12, 2012

Meet Wednesday **at 3 PM** at the Field of the United Hearts for Prayer Service and promised Apparition.

"I will meet My children, as I always do, in the Field of the United Hearts on My Feast of Guadalupe at 3:00 p.m. I ask this one last meeting in the Field this year." (Blessed Mother – October 9, 2012)

(Note: There will be no Midnight Gathering on the 11th or 7 PM Prayer Service on the 12th.)

October 1, 2012 / Public

"I am your Jesus, born Incarnate."

"This election is fast separating the Remnant Faithful from the liberals. The conservative faithful are forming little pockets of those firm in Tradition. These are the ones who will not allow themselves to be carried away with the whims of compromise because laws have validated immoral issues."

"The Remnant stand up for the Truth no matter how unpopular the Truth may be. They are unimpressed by the titles of those who support compromise, but scrutinize the stand each one takes on the Truth."

October 1, 2012 / Feast of St. Thérèse of the Child Jesus

St. Thérèse of the Child Jesus says: "Praise be to Jesus."

"Today, I ask all to regard the fortune of the present moment. It is in each and every present moment you will discover the grace of your salvation, and even

sanctification. In the present moment, every soul is offered the choice between good and evil. Each soul is offered the grace of Truth through Holy Love in every present moment and in every situation."

"It is more difficult to recognize the Truth and to choose good over evil when the soul becomes distracted by the world and the opinions of others."

"Your small sacrifices, your childlike faith – sweep away the debris of confusion and make the right choice easier."

October 1, 2012 / Monday Service – Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, do not follow one who claims to be your leader, but habitually is caught in lies. Such a one is not honest enough to correct himself and admit when he is wrong. You must be discerning these

days where Holy Love is in hearts – not judgmental – but discerning of words and actions. Do not be tricked."

"Tonight I'm extending to you My Blessing of Divine Love."

October 2, 2012 / Feast of the Holy Guardian Angels

Alanus (Maureen's guardian angel) says: "Praise be to Jesus."

"I have come, of course, to speak to you about guardian angels. Guardian angels are like the policemen of your soul. They are present to serve and to protect."

"They influence moment to moment choices toward God's Will, for this is always the best choice. These angels shed light on evil and always attempt to lead the soul around Satan's snares."

"These same angels stand guard over the soul's conscience, convicting it in any weakness towards Holy Love. One precious way these guardians serve is to encourage the soul in a deeper life of virtue, thereby taking the soul deeper into the United Hearts. As the guardians do this, they give the soul a strong distaste for sin."

"So you understand more fully the vital role each guardian angel plays in salvation. Develop a closer relationship with your angel. Talk to him throughout the day. Ask him for his help. Ask him to touch the hearts of those you must deal with in any given moment by his speaking to their angels."

"You will witness your guardian angel's profound influence."

October 2, 2012 / Public

St. Faustina says: "Praise be to Jesus."

"Accept with docility and humble love the sacrifices and difficulties that come your way – sometimes even thrust upon you. Then, these same crosses become part of God's Mercy upon the world."

"These days the world, and specifically your country, are in desperate need of sacrifices and prayers. May God be praised in every present moment."

October 3, 2012 / Public

"I am your Jesus, born Incarnate."

"I invite you to understand that Satan is the father of lies and the mastermind of discouragement. In this political race your country is experiencing, he has made the polls to falsely appear as though the contest is already won by his candidate. This is to discourage votes in opposition to his agenda."

"Comprehend that he is using the same spirit of discouragement around the world today. He makes it seem useless to pray for the victory of good over evil and that evil has already won out."

"I am telling you: do not be discouraged. Every prayer counts. Every sacrifice – no matter how small – matters."

"This Ministry has been raised up, despite lies and discouragement, as a sign that good will persevere and

be victorious. Learn to recognize Satan in every form of discouragement."

October 4, 2012 / Feast of St. Francis of Assisi

St. Francis of Assisi says: "Praise be to Jesus."

"Always remain little, childlike, simple and humble. This is the way to be poor in spirit. The soul can achieve this by avoiding keeping himself and his own welfare at the center of his thoughts, words and actions – indeed, at the center of his existence."

October 5, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come to speak to you about the moral and spiritual reclamation of your country."

"Dear children, God does not want you to be led by someone that summarily transgresses His Commandments. Realize the decline of your nation, not only morally and spiritually, but also economically, and in regards to your international reputation is the result of the legalization of sin. I speak specifically of abortion, same sex marriage and embryonic stem cell research. You cannot change any of this, except to change the laws. You must choose a leader who lives in the Truth. By your efforts, you can do this."

"Dear children, it is imperative that you cast your votes for the Truth during this coming election. If Truth does not win out – Satan will win. Today, I ask of you your prayers, sacrifices and positive actions in support of the Truth. The future of your country rests in the Victory of Truth over evil."

"I am praying with you. Your freedom is at stake."

October 5, 2012 / Public

St. Faustina says: "Praise be to Jesus."

"When you say, '*Jesus, I trust in You*', it must be all-inclusive; for if you trust in His Mercy, then you must trust in the same Divine Mercy to support you and carry you through every situation, every test of faith. For God's Mercy is His Divine Will for you, just as God's Divine Will is Holy Love."

"In this life and with mere words, it is difficult, at best, to explain the height and the depth of God's Divine Will. In human terms, understand that God always chooses the best for you. Sometimes God's best, presents itself as a cross, but remember, the cross is a grace in disguise. Good can come of every cross if it is accepted with loving trust."

"God's Will is never more than you can tolerate or bear, for God's Will is Perfect."

October 7, 2012 / 3:00 P.M. Service in the United Hearts Field – Feast of the Holy Rosary

(This Message was given in multiple parts.)

Our Lady is here as Mary, Refuge of Holy Love, and is holding a rosary of all white rose buds like on Her statue in the Field of the United Hearts. She says: Praise be to Jesus."

"Today, dear little children, I have come to tell you that your rosaries are the key that unlocks the door to untold graces. The rosary is a decisive weapon against evil. It cannot be unpiloted like a drone aircraft, however. Your heart must be in the prayers you say, for this is where the power lies."

"These days, your country is faced with important decisions. You need a strong leader; a leader not enamored with the importance of his office, but one who seeks the welfare of the people and the strength of this nation. Such a leader supports the Truth."

"Once again, I tell you, do not trust what someone tells you simply because of his high office. We have seen in this Mission that this can be misleading. The same is true in the political arena. Truth, dear children, is the reality of the facts. Lying must not be considered business or politics as usual. Lying is Satan's deceit."

"Dear children, do not allow yourselves to be tricked by Satan to think that your prayers and your vote do not count. Both your prayers and your vote in this upcoming election affect your future and the future of the world."

"You do not understand how the rosary works in concert with the Will of God. Nor do you comprehend the evil that threatens your national security if you make the wrong choices. I am praying for you that you see Truth for Truth's sake. Then, My Victory will be possible. Then, the citizens in this nation will be led – not manipulated. Pray your rosary daily for My Victory and your Victory of Truth."

"Dear children, to those of you who pray My Rosary from the heart daily, I promise My eternal assistance. I take your rosaries and use them to stop wars, influence politics and international affairs, and most of all, to transform hearts into Holy Love."

"You must not have hatred in your hearts for anyone or any group. You can hate only the actions of others. You must pray for those far from the Truth of Holy Love. Realize, My dear little children, that Truth is the standard by which good is discerned over evil. Holy Love is the Truth. No one, no matter their influence, can change this."

"Your Rosary of the Unborn is My weapon of choice during this present age. Your future lies in the welfare of these innocent unborn lives. Wage war with Satan with this – Heaven's most powerful weapon."

"Dear children, once again I remind you that law, title or even vocation, do not preclude the compromise of Truth. If Truth is compromised in any way, My Son's Dominion is diminished. Jesus does not take up His Sovereignty in a heart which does not live in Truth."

"The Holy Rosary grounds your heart in the reality of Truth."

"Dear children, your prayers are like weapons of mass destruction against Satan's lies. Be assured I take each prayer and lay it on the altar of My Son's Most Sacred Heart. You hold no petition in your heart that I do not know of. Therefore, have courage."

"Today I am extending to you My Blessing of Holy Love."

October 8, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I am pleased so many came for the Feast of the Holy Rosary. Many received blessings they were not aware of, but that they will witness to later."

"Today, I tell you, that some hearts are held captive by the opinions they hold. They are unyielding in their error and promote untruth. These are the ones that work towards fulfilling Satan's agenda and not the Divine Will of the Father. As much, and as often as these souls are confronted with the reality of the facts, they hold on stubbornly to error as did Pharaoh in days of old. Their hearts, therefore, are not open to grace and heavenly favors."

"These unfortunate souls are the ones who come here and claim there is nothing here – nothing supernatural, no graces or heavenly presence – in short, nothing worthwhile. It is these unbelievers who deserve our prayers. We must not condemn them, but pity them. They are missing Heaven on earth."

October 8, 2012 / Monday Service – Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, lay your petitions on the Heart of My Immaculate Mother. There She will strengthen them and make known to Me their sense of urgency. She will bring them to the altar of My Most Sacred Heart."

"I'm blessing you with My Blessing of Divine Love."

October 9, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I will meet My children, as I always do, in the Field of the United Hearts on My Feast of Guadalupe at 3:00 p.m."

"I ask this one last meeting in the Field this year."

(Note: There will be no Midnight Gathering.)

October 10, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"You are wondering about the heart which miraculously appeared in the sky after the rosary on Sunday. Here is the significance: A white heart signifies a heart which is pure, lives in the Truth and which grace pours into and through. The cloudy heart – gray or black in color – is the heart which has compromised the Truth, lives a convoluted life, which in turn, blocks the light of grace."

"Jesus desires people understand this. He gave – for all to see – a simple, yet important, visual of the importance of living in the Truth. Whole countries could benefit from this."

October 11, 2012 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"Jesus desires parallels be drawn between what is happening in world politics and in what has taken place in this Ministry. First, let me say that Truth is the reality of genuine facts. Untruth is the distortion or compromise of facts to suit a selfish end."

"In the world, untruth is the order of the day for government leaders – those who wish to rise to power in foreign lands and in many seeking reelection. In this Mission, untruths have been ratified by many who seek to suppress the Messages and the graces offered here. Lies beget lies. Often it is very difficult to discover the actual truth."

"But, on issues such as life in the womb, marriage between a man and a woman – even embryonic stem cell research – the demarcation between Truth and untruth should remain clear and decisive. Truth supports tradition and life. In this Mission, the call to holiness through the Chambers of the United Hearts is a call to holiness through Truth no matter the theological misinterpretation."

"Jesus does not want confusion to enter into your hearts, either in world events, elections or in regards to this Mission. Those who do not choose the Truth or to live in the Truth do not live in God's Divine Will."

October 12, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"In this Ministry and through these Messages, I have taught you to esteem the Truth. If you learn nothing else from this spiritual journey, it needs to be this: Always search out the reality of Truth and place it in dominion over your heart."

"If you find yourself under the authority – civil or otherwise – of someone who does not live in the Truth, you are still – in God's Eyes – under the responsibility of standing up for the Truth and living in the Truth. This means – first and foremost – you do not allow untruth to silence you. Have a righteous tongue and do not allow your heart, words or actions to be compromised by the misuse of authority"

"In short, do not place any authority over and above living in Holy Truth. Those who would object to this must clearly be the ones not under the sovereignty of Truth."

October 12, 2012 / Public

(Dictated by Alanus, Maureen's angel)

He says: "Praise be to Jesus."

Prayer to Angel of U.S.A. – Zechariah

"Holy Angel, Zechariah, to you God has entrusted the protection and the guidance of this country. Send the Spirit of Truth into the heart of this nation. Let no legislation become law, or remain as law, which transgresses the Ten Commandments."

"Carry the Light of Truth to all corners of this country and expose Satan's deceit, his lies and his plans for what they are. Help us to maintain

our God-given rights of life, liberty and the pursuit of happiness. Amen."

October 12, 2012/ Friday Service – For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, as your country is going through its passion before this election, I too, am suffering with you and praying that you will make the right choices, choosing not a politician, but a leader. Hopefully, in the end, your country will be resurrected in the Truth."

Tonight, I'm blessing you with My Blessing of Divine Love."

October 13, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I tell you, Fatima is alive and well in this Mission. This Ministry, dear children, is a continuation of Fatima. The main difference is the non-acceptance in hearts of what is unfolding here in their midst. The same miracles and healings are taking place. The Message is the same, only perhaps more intensely here. In Fatima, I asked that My Immaculate Heart be made known. Here, I am asking that the Chambers of the United Hearts be made known."

"If Fatima had taken place here and now, it would not have been accepted by those of influence either – just as Holy Love has been found unacceptable."

"So, today, we must remain united and swim upstream against the tide of controversy. Stand firmly in the Truth of Holy Love."

October 13, 2012 / Public

"I am your Jesus, born Incarnate."

"For your country and the entire world to prosper and be safe, moral issues must remain moral issues. They must not become legal matters or political footballs."

"Morality is ruled by the Ten Commandments."

October 14, 2012 / Public

"I am your Jesus, born Incarnate."

"Today, I have come to ask your total detachment from the opinions of others. This is a great test of humility. When others disapprove of your participation here, remember – Heaven approves. When some speak out against the Messages, keep in mind they oppose Heaven's words."

"To live this way is to advance through the Chambers of the United Hearts. You increase in holiness when your relationship with Me is such that you seek only to please Me. These Messages are like food for the soul. You must digest them for any positive effect. Some take them in but then spit them out – never assimilating them. These are the ones that do not allow the Messages to affect their spiritual well-being."

October 14, 2012 / Public

TRUTH	UNTRUTH
Truth is always based upon the reality of facts.	Untruth is lies based upon error.
Truth never changes.	Lies beget lies and change to support ambition or personal agenda.
Truth upholds personal freedoms and rights.	Untruth has no regard for the individual or whom it hurts.
Truth arises from a righteous heart.	Untruth is the bad fruit of a compromised heart.

October 15, 2012 / Public

"I am your Jesus, born Incarnate."

"Today, I invite all to possess holy, eternal values in their hearts so that these same values are manifest in the world around them. Such values are based upon Holy Love – perpetuated through Holy Humility and always clothed in Holy Truth."

"Values unfounded in Love, Humility and Truth are false and only surface deep. The test of every virtue is in willingness to practice the virtue. The character of a person is never in physical appearance or persona, but in his honesty in performing a virtuous life. Life decisions that reflect a person's virtue or values make up his true character. These values are not captured in a flashy smile or handsome appearance."

"Be wise, then – always pursuing the real character of those you deal with or support."

October 15, 2012 / Monday Service – Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Tonight I am embracing each heart here with the Flame of My Divine Love. Carry this Light into the world wherever you go. Be apostles of love and soldiers of Truth."

"Tonight I'm extending to you My Blessing of Divine Love."

October 16, 2012 / Feast of St. Margaret Mary Alacoque

"I am your Jesus, born Incarnate."

"Entrust to Me your will. In this way, I will choose for you what is good and holy. This is the way to sanctification and holiness through Holy Love. Do not fall, as so many do, into self-centeredness. This is the open door to Satan's wiles. Confide to My Heart the details of every cross. Then, I will be able to show you

where free will has chosen wrongly and often through self-love. It is this same self-love which magnifies every cross and pulls souls away from Mount Calvary."

"It is when you entrust your will to Me that you are the strongest, for then we do everything together. Within My Sacred Heart is your strength."

"Self-centeredness pulls you away from Me and back into the world. This is how sin enters. Always wait on My lead and the inspiration of your angel. Sometimes this may come through the words of others – sometimes it comes through circumstances which either support or oppose Holy Love. But, if I have your will in My Most Sacred Heart, I will show you the way. Surrender your will, then, to My Guidance and Care."

October 17, 2012 / Public

St. Thomas More says: "Praise be to Jesus."

"I have come to make the point that a God-centered nation prospers and is united. The nation, whose government chips away at personal freedoms and who condones debauchery, eventually collapses."

"Freedom is not the same as the 'choice' to sin. Such 'choices' are really slavery to sin. So, when nations make legal, sins like abortion and same sex marriage, they commit the future of their country to Satan's agenda."

"The God-fearing nation will be the one to survive and prosper. Today, sadly, I do not see such a nation in all of God's creation."

October 18, 2012 / Public

Alanus (Maureen's Angel) says: "Praise be to Jesus."

"I have come to tell you that the battle between good and evil is always the battle between Truth and untruth. Therefore, it follows that the character of any one person can be determined by the person's adherence to the Truth. Once again, Truth is substantiated by the reality of facts."

"Because someone says they are proclaiming the Truth, does not make it the Truth. You cannot summarily accept someone's version of the Truth until you have the real facts to support it."

"Sad to say, these days Satan's lies have changed the future of the world."

October 18, 2012 / Public

St. Thomas More says: "Praise be to Jesus."

"Untruth is always self-serving – either towards some personal ambition or an intricate self-serving agenda. This is why the unraveling of Truth is Satan's tool in achieving his goals in this country, in religious organizations, extremist groups and governments."

"Once a heart is committed to lies, he becomes trapped in a web of lies essential to the support of his first untruth. Lies beget lies."

"When laws are based upon untruth, whole countries are led astray. Extremist groups based upon violence are emboldened by Satan's lies. This is just a sampling of how small lies become greater."

"The greatest lie is that God and Satan do not exist."

October 19, 2012/ Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, I have come to offer you some advice on a couple of points."

"First of all, it is not how many prayers you say or which saint you pray to, but with how much love you hold in your heart when you pray that makes a difference. Holy Love in your heart is the powerhouse of prayer."

"Next, I am telling you in no uncertain terms that you must not cast your vote for anyone who supports abortion on demand, same sex marriage or, in general, takes away any religious freedom. Just as all your actions come under God's scrutiny, so, too, do your choices in the voting booth."

"Finally, and once again, I clearly state: Search out the facts and do not believe the Truth always flows from power and authority. Corruption does not stop at title, high position or even those in place to represent heavenly authority."

October 21, 2012 / Public

"I am your Jesus, born Incarnate."

"I have come to warn and to advise your nation concerning the effects of this upcoming election. You are able, through your vote, to choose the future of your country. In My day, dictatorship was already in place. Freedoms were already suppressed and the people had no voice in the future."

"In this election, if you do not choose wisely, you stand to lose your national sovereignty, religious freedom, economic prosperity and national security through a strong defense."

"Once again, I point out to you the importance of living in Truth. It is important for every soul to choose Truth, but most especially important for government leaders."

"Do not elect a candidate for his outward appearances, charm or promises. Choose according to the barometer of Truth which is the measure of inner character."

October 22, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, I have come to help all see that the Spirit of Truth is always filtering through Satan's lies – trying to bring right reason to light. Sometimes, Truth is not easily determined, for Satan is clever in his attacks; but, Truth is eternal, omnipresent and eagerly awaits discovery."

"True discernment searches out the reality of Truth and does not prejudge or rash judge. Truth is the ally of all righteousness and holiness. Search until you find the Spirit of Truth."

October 22, 2012/ Monday Service – Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, this coming presidential election is an open doorway – not just a window of opportunity. Walk through the doorway of opportunity and overcome abortion on demand in your country; then, I will greatly bless this nation."

"Tonight I'm extending to you My Blessing of Divine Love."

October 23, 2012/ Public

"I am your Jesus, born Incarnate."

"The qualities of a good leader are many. Sound leadership is responsible leadership. Such a leader owns up to his mistakes. He is accountable to his followers for his actions. Responsibility rests in the Truth – not in deceit and cover-ups."

"As the Truth is the basis of sound leadership, Holy Love is as well – for Holy Love is the Truth. As Christians, you must not live outside of Holy Love and you must not follow the lead of someone who does."

"Living in Holy Love is your first responsibility, as it is the embrace of all the Commandments. If you live in Holy Love, you can more easily discern who it is that does not live in Holy Love and does not embrace the Truth."

"When your heart is embraced by Holy Love, your heart embraces the Ten Commandments making it easier to please God and neighbor and to live in the Truth."

October 24, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, I am calling you to a deeper understanding of trust. Trust is the spiritual mother of peace. I tell you this, for whenever you turn over and over in your heart certain issues, these are the areas where you must trust more. God has a solution to every issue – every problem. Reluctance to trust in His solutions brings lack of peace."

"While it is true that evil forces oppose all good, trust is based upon the belief that God's grace is stronger than any evil. Therefore, trust believes that God can bring His Good out of any situation."

"Never be discouraged, then. Discouragement is an evil power which opposes trust. God's Provision and His Will are always the best solution."

October 25, 2012 / Public

St. Michael the Archangel says: "Praise be to Jesus."

"Be troubadours of Truth. As such, wage war against Satan's lies by your demeanor; by what you say and do."

"Often Satan's lies come in the form of discouragement and misrepresentation of the facts. As warriors of Truth, do not accept anything at face value. This is what you must believe in. If anything is worthy of belief, then it is also worthy of investigating its reality in Truth, and will be substantiated in Truth and found worthy of belief."

"These days, everything depends on this."

October 26, 2012 / Public

St. Michael the Archangel says: "Praise be to Jesus."

"If you look with a wise and uncompromised heart at all the events taking place in the world today, you will discover why the recognition of Truth is so important. When facts are misrepresented, wrongful and harmful decisions are made. This is often the bad fruit of the misuse of authority, for someone has the responsibility of circulating untruths instead of Truth. When decisions are made to mislead towards some personal gain, authority has been misused."

"Lies do build upon lies and become greater lies – more influential in world politics and in the hidden politics of longstanding institutions. Not to speak of these misdeeds only strengthens evil and conceals evil. Therefore, these Messages and this Mission reflect and support the Truth."

"Obedience must side with the Truth – not with anyone who proclaims untruth."

"Look into the events around you and your choices should be easy."

October 26, 2012/ Public

Blessed Mother says: "Praise be to Jesus."

"I desire you write down the advice I gave you yesterday so that others may profit from it. It is: The more you procrastinate any task, the more daunting it becomes."

"Place this in your hearts as a point of wisdom."

October 26, 2012 / Friday Service – For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when you allow Holy Love to embrace your thoughts, words and deeds, your choices are clear, and your actions are clear. If governments and other institutions would follow Holy Love, they would be ruling according to My Father's Divine Will. Pray for this."

"Tonight I'm extending to you My Blessing of Divine Love."

October 27, 2012 / Public

"I am your Jesus, born Incarnate."

"These times are evil. Many hearts are willing to believe in and accept evil solutions to problems. But, I am here to tell you that the solution to every problem is Holy Love, for this is the embrace of My Father's Will for you."

"My Grace transcends time and space to enlighten you as to the Truth. Then, it is free will that must choose the Truth or the path of darkness."

"Do not build your spiritual house upon sand, which is the fleeting whims of nature. Find a secure foundation in Holy Love – the Truth itself – the embrace of the Ten Commandments."

"Satan desires the destruction of your security and, therefore, your nation. He wants to undermine your God-given freedoms, your economic system and your faith in a secure future. If he succeeds, you will lose your national sovereignty and be forced into a One World Order."

"The path around Satan's plans is Holy Love – the path of Truth. This is the Light Satan shrinks from. Pursue it."

October 29, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, your country is experiencing the mounting anticipation of the outcome of two events. One is the hurricane. The other is the presidential election. Both will have long-lasting effects. Both will affect the environment of this nation."

"While many experts attempt to prognosticate the outcome and the path these two will take, no one can be certain. This is why prayer is so important. Prayer can change things. Sometimes in life, this is the only recourse you have - the Heart of God. I will help you pray. Together we can redirect events and change hearts, but I need your help."

"Never believe that a certain outcome is inevitable. Keep on praying. Lives are at stake."

October 29, 2012 / Monday Service – Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, you will encounter many storms throughout your lives. In every storm, enter the lifeboat of Holy Love where you will find peace and security."

"Tonight I'm extending to you My Blessing of Divine Love."

October 30, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"As you see, dear children, the powerful effects of nature all around you, pray that hearts are flooded with grace to recognize the Truth."

"Unlike the floods in nature, the human heart must be open to accept the grace of Truth that is offered. Truth is always offered but never forced into an unwilling heart. It is the acceptance of Truth or its rejection by free will that is the deciding factor in the salvation of every soul. This acceptance of Truth determines the outcome of elections, political decisions and moral decisions."

"When you witness the powerful force of God's Hand in nature all around you, liken it to the power of the acceptance of Truth in hearts in all decisions and in every present moment."

October 31, 2012 / Public

"I am your Jesus, born Incarnate."

"My brothers and sisters, your nation has been rocked by a strong storm which brought much desecration and destruction. Some lives have been

changed forever. Some have been reduced to only trust. But trust is the fortress which buffets any storm. Trust gives you peace in the midst of every conflict."

"Many have resorted to alternative power and alternative routes of travel. Some have had to find temporary shelter elsewhere. I have come to tell you that you are always safe and secure in Our United Hearts; herein lies Eternal Provision. Therefore, do not let any force of nature destroy your peace. Trust that My Grace and My Provision are always with you. Accept every situation with Holy Love. Such acceptance is trustful surrender. I will provide for your needs when you surrender in Holy Love."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

November 2012

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

FEAST OF OUR LADY OF GUADALUPE

Prayer Service and Promised Apparition on December 12, 2012

Meet Wednesday **at 3 PM** at the Field of the United Hearts
for Prayer Service and promised Apparition.

"I will meet My children, as I always do, in the Field of the United Hearts on My Feast of Guadalupe at 3:00 p.m. I ask this one last meeting in the Field this year." (Blessed Mother – October 9, 2012)

(Note: There will be no Midnight Gathering on the 11th or 7 PM Prayer Service on the 12th.)

November 1, 2012 / Feast of All Saints

"I am your Jesus, born Incarnate."

"Every sin is a transgression against Truth. So, too, is every sin a transgression against the Ten Commandments and Holy Love."

"It behooves the soul to live in the Truth by discovering it in the present moment and by embracing the Truth in thought, word and deed."

"The reason souls and countries are not at peace is they have not discovered the Truth, but follow after whims of their own design or of Satan's making."

"Every saint mastered the difficult task of living in the Truth. Many were martyred for the Truth. Now all of these are with Me and enjoy eternal happiness."

"Do not be afraid to abandon falsehood in search of the reality of the Truth. I will assist you."

"The Truth will always be Truth for all eternity."

November 2, 2012 / All Souls Day

Alanus (Maureen's Angel) says: "Praise be to Jesus."

"I have come to tell you that Purgatory is very real. It is a place of spiritual anguish. The fires of Purgatory scorch the soul, but the greatest suffering is not being in the presence of God. I will tell you what leads the soul deep into the bowels of Purgatory. It is opinions. Opinions are the by-product of free will. If free will is not formed in the Truth of Holy Love, then neither are the opinions that the soul forms. This is how many fall into sins which bind them in the abyss of Purgatory."

"Some see only the faults of others - not realizing they themselves are guilty of the same faults. In such souls, there is a need for the enlightenment of Truth. Then their opinions will be formed in Truth and much time in Purgatory will be bypassed."

"Pray to the poor souls daily for guidance. They want to help everyone avoid their own fate."

November 2, 2012 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, solemnly I tell you that an honest person does not conceal the **Truth** because the **Truth** would harm his reputation. You must look carefully at those who are running for office, and realize that the **Truth** either lifts them up or tears them down. Always support the one living in **Truth**."

Tonight I'm blessing you with My Blessing of Divine Love."

November 3, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"You have been pondering the meaning of the second and smaller heart in the sky on October 7th. It is this: When a heart that has great influence over others accepts and believes in untruths, he influences other hearts who look to him for guidance to also accept the same untruths."

"These untruths become 'contagious' infecting all those they come in contact with, except the hearts 'inoculated' with Holy Love."

"That is why you were given the representation of the two dark hearts in the sky."

November 3, 2012 / Feast of St. Martin de Porres

St. Martin de Porres says: "Praise be to Jesus."

"When God sends a cross to fill the present moment, it is a gift of love in disguise. If the cross is returned to God with love, He accepts it graciously with Love. So you see, there are some gifts which are best when returned to the sender. [He smiles.]"

"In every present moment there is some form of the cross and also the grace to receive it with love, and to return it to God with love. If you live this way, you will be spiritually strong."

November 4, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, dear little children, I come to you under My Title, *Protectress of the Faith*. Never before has there been such a need for this title. Never before in this country has faith been so under attack. Your nation, which was founded on freedom of religion, is experiencing this same freedom slipping away through unconstitutional laws."

"You have the opportunity to defend your rights now. Do not cast your support in favor of one who

promises much but takes away your God-given rights. Anyone can promise anything. But you, My children, must support life, liberty and the pursuit of happiness - happiness born of religious freedom."

"This is the hour of decision which will determine the future of your nation. Let your decisions be faith-filled and life-giving."

November 4, 2012 / Sunday Service - Consecration of the Heart of the World to the United Hearts and Unity in Families - For the Father's Will to be done in this upcoming election

St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, you are united in Holy Love. Tonight I am asking you - with sincere hearts - pray that your country is united in a similar way in Holy Love; for it is in this way you will be able to make intelligent and righteous choices when you vote. This election is extremely important for the future of your country. I have paternal concern for the outcome."

"Tonight I am blessing you with my Blessing of Fatherly Love."

November 5, 2012 / Public

"I am your Jesus, born Incarnate."

"Please understand that a soul cannot pass through the Flame of My Mother's Heart once and be forever purified. Because of his fallen human nature, the soul, once immersed in this Purifying Flame, must be continually engulfed by this Flame of Holy Love in order to continually advance through the Chambers of Our United Hearts. This is the way of perfection in all the virtues and the way to union with the Will of My Father."

"Even after life in the world, the soul may find himself engulfed by this Purifying Flame in Purgatory. In Purgatory, however, once a blemish is burned away, it never returns. Allow this Flame to bring your heart to perfection now, so that all the sooner I can share eternity with you."

November 5, 2012 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"I have come to say that you only fulfill the Lord's Will when you have loving thoughts in your heart. If you see faults in others, it is so you can pray that the soul is able to overcome these flaws. If they are glaring faults, then you are obliged to sacrifice for them."

"Do not fall into the trap of wasting the present moment by judging or complaining about the negative aspects of another. You may have the same flaws in your character. Keep your heart swept clean of judging, and allow God to fill it with Divine Love."

November 5, 2012 / Monday Service - Peace in All Hearts through Holy Love, and for God's Will to be done in this upcoming election

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I come to request that you represent Holy and Divine Love even when, and especially when you cast your vote for president - to do so is to represent the Truth and to vote for the Truth."

"Tonight I am imparting to you My Blessing of Divine Love."

November 6, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"God is an integral part of this election. He is playing a very big part. While one side has struggled with the Truth, his opponent has embraced the Truth. In the coming weeks, the Truth will shed light on many things - many events."

"Let every petition arise from a hopeful heart. Hope begets victory. Never pray with a discouraged heart that has already accepted defeat."

November 7, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, do not be disheartened. No prayer is wasted, but is meritorious at the moment it is said, and for all eternity. These things must unravel before My Son's return. Many things are as yet to unfold."

"What is of importance - now - is that we draw together as a spiritual remnant. Make of your hearts a holy nation. Come into the Mystical City of My Heart and do not fear. I am always your Heavenly Mother - your Holy Refuge in any conflict."

"Realize that every conflict is the distress between some good versus some evil. These days you must learn to choose wisely - always in favor of Holy Love. I am forming of your prayers most recently offered, a piece of armor around your hearts so that you choose always with Holy Wisdom - Holy Love."

November 9, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, pray for wisdom for the Prime Minister of Israel. He faces many challenges. His decisions could affect a multitude."

"That which consumes hearts in the Middle East brings turmoil into the world. Pray that the few hearts which are God-centered choose wisely."

November 9, 2012 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, do not be discouraged in prayer because your prayers did not bring about what you expected as results. Rather, continue to pray for peace in all hearts so that there can be peace in the world through Holy Love."

"Tonight I'm extending to you My Blessing of Divine Love."

November 10, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I am here today to encourage My children to always pray with hope in their hearts. Hope is based upon faith - faith upon love. All of these beget trust. When you pray, but do not obtain the anticipated and sought after result, recognize God's Permitting Will and accept it."

"God sees the tapestry of every life and the interaction of world events. He weaves them together to make His Design, which you can only view from Heaven. As God's children, you need to trust in God's handiwork even though now you cannot see His finished product."

"God hears every prayer, but will not supersede man's free will. He can, however, weave the decisions of free will into His Tapestry. Even this does not erase meritorious crosses in each one's life. These are the most beautiful threads in the whole tapestry."

November 11, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, today, I invite you to realize that the more freedoms you give up, the more your government becomes totalitarian. Every aspect of your daily routine can be regulated by your government, which would greatly compromise finances, religious beliefs and the existence of life itself. You can see that this is already happening, as certain sins are now legalized."

"When you pray, pray that Jesus' Precious Blood covers your leaders - even the judicial system. Pray that your leaders are strong in the Truth of the Ten Commandments* and that they do not concede to Satan's lies for the sake of popularity."

"You must stand up for the Truth and be the Vision of God's Love and Truth in the world. This lends power to My angels, who try to reverse the evil plans of many."

"Dear children, listen to what I am here to tell you. This is no longer an age of innocence, but an age of compromise and deceit. If you do not return to obedience of God's Commandments, your lives will be changed forever."

***Note:** Consider praying, often, the Novena for the United States of America given by St. Michael the Archangel to Maureen in late May 2012.

November 12, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, I have come to help you understand that the years just ahead will be years of poor leadership, ill-advised plans of action and general division. Many have lost sight of what is best for this nation and for the world. You must be anchored in the Truth of Holy Love. Therein lies your direction and your unity."

"Do not try to follow someone who strips you of your rights or degrades your dignity by making you dependent only upon government and not God. This is the hour when you must discern the Truth of God's Will for you. Then, you must be brave enough to pursue it."

"Seek the Refuge of Our United Hearts. In your relationship with Our Hearts lies your peace and security."

November 12, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, pray for the enemies of your freedom. I do not speak of your freedoms to commit sin, abortion, alternate lifestyles, and the like. I speak of your freedom to pursue personal holiness through Holy Love."

"Tonight I'm blessing you with My Blessing of Divine Love."

November 14, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, in the midst of all the confusion which surrounds you these days - the supposed dangers and rumors of danger - seek your peace in My Immaculate Heart. My Heart is a secure Refuge - a Refuge of Truth. I will hold you away from the confusion and compromise which is swirling around you. Once secure in My Heart, you will find your paths of action solidify and you will be children once again of the Light. You will be inspired to know the path of action to take to avoid the intrinsic evils of the day."

"I, Your Mother, have not abandoned you, but am ever more your Refuge and Guide in every present moment."

November 14, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, once again I urge you to remain in My Heart. When you become engrossed in the evil that is taking place around you, you begin to step out

of the Light of Truth and hopelessness takes charge of your heart. Dear children, I have called you aside from all of this so that you will have hope and not give in to the darkness of the day."

"We must share hope in each other. This is the only way you can be My effective instruments in a world of moral degeneration. Your rosaries are more important to Me than any weapon mankind can develop against real or supposed enemies."

"I am present to you when you pray the rosary no matter your religious affiliation, for the rosary is a universal prayer. My grace knows no boundaries or prejudices. I desire your unity in the grace of My Heart."

November 15, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I was prepared decades ago to defend the faith of the heart of this nation against secularism, radicalism and hedonistic values; but My Title, 'Protectress of the Faith', was deemed unnecessary.* Today, the times of this Title's great importance are upon you."

"True faith, and Christianity as a whole, are becoming more and more under attack and challenged by an agnostic society. The Remnant Faithful is shrinking, rather than increasing as Heaven would desire."

"My Son is greatly saddened by a society that scoffs at personal holiness and does not value the virtuous life. The future of your country has been compromised by the immoral values it holds dear to its heart. As obedience to God's Commandments has declined, so too shall the power and status of this nation decline."

"As religious freedoms deteriorate, the Remnant Faithful will need to become more and more determined in their resolve. Therefore, dear children, I tell you, I am always and everywhere the Protectress of your Faith - the Defender of All Virtue. Depend on My Protection. Though you may, as a Remnant, be scattered by time and space, be united in Holy and Divine Love. Though you may be estranged from the secular world, come ever deeper into the 'world' of Our United Hearts. There I will be present to you with My Grace. Be united, dear children, in Our United Hearts."

***Note:** Our Lady had requested Her Title, 'Mary, Protectress of the Faith', from the Cleveland Bishop in 1987. The Diocese stated that, through their expert theologian, Our Lady did not need that title because there were already an excessive amount of devotions to Blessed Mother and the saints.

November 16, 2012 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"Pray always with a heart grounded in faith, hope and love. For it is these three through which you can accept God's Divine Will for you in each moment. These three - faith, hope and love - form the basis of your right reason and your courage; therefore, your spiritual strength. These three are the warehouse of your strength."

November 16, 2012 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, never be discouraged in praying against the evil of abortion. Every life you save strengthens My Kingdom in the world. All of Heaven prays against this sin."

"Tonight I'm imparting to you My Blessing of Divine Love."

November 17, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, I have come to remind you not to place merit in the opinions of mankind so much as you trust in God. For while mankind may predict and prognosticate according to human knowledge, God's Will may, and often is, a different matter."

"Do not be concerned, then, for what people may think or what they may say. Do not place any miracle beyond the reach of God Who is omnipotent. Always allow your hearts to be clothed in the Truth of Holy Love. Always trust out of faith, hope and love."

"Be My Light in this world of darkness. As such, reflect My Love in the world around you. Never surrender your hope in the Lord because others have. No present moment escapes into eternity which is unclothed in Holy Love. The loving moments last forever. All others are lost forever."

November 18, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"With what immense love I come here to this site to place My Mark of Love upon the heart of the world! I desire My children recognize My genuine efforts here. Sadly, instead they come - many of them - to search out only the negatives - negatives which have no foundation in Truth. This is not discernment and quite often spiritual pride - even jealousy."

"Today, I would like to examine this sin of jealousy. This evil is born of pride, as are all sins. But jealousy is inflamed by an insecurity - a feeling that someone has something they don't have. Sometimes it is physical appearance, sometimes possessions, reputation - even power. This, sadly, is often the case when people rash judge an apparition. At the heart of

many a false discernment is the feeling of 'why would Heaven choose that person to speak through or to appear to?'"

"Once Satan plants this seed of envy, the importance of the Message is discounted."

"In the case of this particular apparition, no legitimate investigation was ever done. Proper procedures were disregarded, just as they were in the closing of the 50 Churches. It is fair to say, going through the motions to achieve the end so much desired on an official level, was the order of the day."

"None of this alters the Truth of this Mission. It is the same, the salvation of souls, a goal that should readily be embraced by all. I do not come for My welfare but for your own. I do not speak for the sake of speaking but to instruct and guide."

"If you choose not to listen, the future does not bode well for your country or for you yourselves. Pray against the cowardice of false discernment. Believe."

November 19, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"This is not the hour to take into account who believes. It is the hour and the moment to believe. For when the hour of your judgment comes, you will be judged according to the depth of Holy Love in your heart - not according to who around you believed in Holy Love. Your salvation is in every present moment; therein lies the grace to believe in, and to live in Holy Love."

November 19, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I entrust to you My greatest desire that each heart embrace Holy Love. Let each 'Hail Mary' be ammunition against the evil that opposes this."

"Tonight I'm blessing you with My Blessing of Divine Love."

November 20, 2012 / Public

Alanus (Maureen's Guardian Angel) says: "Praise be to Jesus."

"In every present moment there is the ongoing battle between good and evil. The human spirit cannot recognize this without cooperating with the Holy Spirit - the Spirit of Truth. The enemy's most powerful tactic is to disguise his presence and to obscure his attacks. He often wears the camouflage of seeming good."

"But, to the soul familiar with Holy Love, the enemy's camouflage is easily discovered. This is why, in every present moment, it is so necessary to embrace Holy Love."

"Wherever you have unrest and wars, you have a lack of Holy Love. All opposition to Holy Love is inspired by evil. Therefore, I am here to encourage all people and every nation - all laws and legislation - to embrace Holy Love. This is the path of peace and prosperity."

"There is no other."

November 21, 2012 / Public

"I am your Jesus, born Incarnate."

"Let love of My Father's Will consume your heart in every present moment. It is in this way you are prepared for any happening, knowing that such a loving Father will not allow you to be overwhelmed by misfortune."

"No cross is without the satisfaction of grace. My Father's Will is omnipotent, omnipresent. It is by His Hand the cosmos is formed and moves, and is. Do not place your trust in predictions about the future or dire warnings from the past. Trust always in My Father's Will. Love exceedingly His Plans."

November 22, 2012 / Thanksgiving Day

"I am your Jesus, born Incarnate."

"Today is a special day on which giving thanks for Divine Provision is meant to be the focus. Worthy are such hearts which do so, and I celebrate with them."

"The secular world, however, stresses not the Provider of the bounty, but the feast itself. The world even begins to infringe on this day of thanks by expanding shopping hours, and stressing the importance of the onset of another frantic shopping season leading up to the celebration of My Birth."

"Today, I invite you to celebrate My Favor which is all around you. My Provision is not only in what you set upon your table but in the people I place in your lives, the courage with which you proclaim the Chambers of the United Hearts; indeed, My Provision is in the next breath you take."

"And so let us together be thankful for each other - for our united love of one another and our united service to one another. In all of this, always rely on My Divine Provision in every present moment."

November 23, 2012 / Public

"I am your Jesus, born Incarnate."

"This Christmas season I am asking that you not focus on the material world but on a deeper spiritual relationship with Me. Do this by recognizing My Presence within your every present moment. With your free will, allow Me to act through you."

November 23, 2012 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here as the Divine Mercy. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, thank you for all your prayers and sacrifices over the weekend. Thank you for returning here tonight to be with Me. I have come to be with you, and to tell you that every present moment is a unique opportunity of grace and an opportunity to turn to My Divine Mercy."

"Tonight I'm blessing you with My Blessing of Divine Love."

November 24, 2012/ Public

Blessed Mother says: "Praise be to Jesus."

"Thank you, dear children, for your dedication to My call to live in Holy Love. Jesus gave you these commandments - to love God above all else and to love your neighbor as yourself. This is Holy Love. Then He said to love one another as He had loved you. In so saying, He was telling you how to live in Holy Love."

"Realizing this, you must realize that Jesus would embrace this Mission and would never discourage people from coming here to pray. Jesus sees this Mission as a support - not a detriment to organized religion."

"Please be at peace in your decision to be a part of this Mission. Do not come here because others approve or stay away because someone may disapprove. Just come here out of love. Be Holy Love as My Son was Holy Love in the world."

November 25, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, please understand that I am always your Mother. I am with you when you are under poor leadership as well as good. You must be bold now in support of Christianity and try to prevent Christian values from diminishing even more."

"Satan can only succeed in his plans when he succeeds in hearts. Therefore, stand firm, little children, in Holy Love as I have taught you. Be My Son's Light in the world."

November 26, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, once again, I invite you to see that all Christian values must be defended and not diminished by law or by attitude. It is the Judeo-Christian foundation of this nation which has been its protection and prosperity."

"Departure from these values is a weakening of your country, as God will permit your need for His Protection and Provision to increase."

"I am not here to predict times or places of disasters or dire straits, but to call you to return to all that is good and truthful."

"I desire that My Son bless you and not chastise you. I offer you My Immaculate Heart - a strong Refuge of Grace."

November 26, 2012 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when you choose to enter Our United Hearts and you step into the First Chamber, which is the Immaculate Heart of My Mother, you are stepping into Pure Love. Within this Pure Love, you will see everything in your own heart which opposes Holy Love, and you will be given the grace to love more perfectly. Take this step. Choose the Heart of My Mother."

"Tonight I'm blessing you with My Blessing of Divine Love."

November 27, 2012 / Public

St. Joan of Arc says: "Praise be to Jesus."

"Please understand that I speak to you as one martyred for the Truth of private revelation despite evidence to the contrary. You should fear anyone who will not acknowledge their errors especially if they hold persuasion over many hearts. Much private revelation which is worthy and poignant to these harrowing times is being subdued by erroneous - even rash judgments."

"Such is the case here in this Mission which I have come to defend. Do not be tricked into overlooking the abundant harvest of grace here. The graces are always here despite controversies fanned by falsehoods."

November 28, 2012 / Public

"I am your Jesus, born Incarnate."

"Today, I have come to repeat to you the intrinsic importance of hope in every situation. Without hope, you cannot trust; without trust, you cannot believe. If you do not believe, then your prayers fall short of entering My Heart. These prayers, burdened with insufficient hope, are like food that is flat - unseasoned with salt." [He smiles. He knows I like salt.]

"You know how tasteless such food is. What I am telling you is, do not let Satan fill your heart with hopelessness as you pray. Before you begin to pray, ask Me to fill your heart with faith, hope and love. I will honor such a prayer. Then, your prayers will pierce My Heart and bring forth the greatest graces."

November 29, 2012 / Public

"I am your Jesus, born Incarnate."

"I have come to ask you to be My Victory in the world. Do this by being Holy Love. Be Holy Love by journeying through the Chambers of Our United Hearts. If you will do so, you will be living in the New Jerusalem."

"The New Jerusalem is present in every heart that lives in Holy Love through the journey of these Sacred Chambers. Indeed, this journey is the road map to the New Jerusalem."

November 30, 2012 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"When you pray, the disposition of your heart is of great importance. Invite into your heart faith, hope and love. These three carry with them trust. Too often, people pray prayers of petition from hearts filled with self-interest and, often, even fear of not obtaining the desired results. I tell you, the foundation of faith, hope and love needs to be laid first in the heart to make any prayer most worthy."

"If you pray with hearts filled with fear, you are telling God that you do not trust Him to act in your best interests. He is an All-Loving God and does not permit that which does not lead to your salvation and the salvation of others. Your confidence in Him is a barometer of your love of Him. If your prayer attitude - that is, the state of your heart when you pray - is other than one of complete trust, then your prayers are weakened."

"Therefore, allow this prayer to prepare your hearts for prayer:"

Prayer for Proper Prayer Attitude

"Dear Heavenly Father, I know You are All-Loving, and Your Will for me is Perfect. Please fortify my heart now with faith, hope and love. I ask Your Patience as I offer these petitions. I trust Your Answer will be part of Your Perfect Divine Will. Amen."

November 30, 2012 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Tonight, My dear brothers and sisters, realize that My Father is a loving Father, worthy of your devotion. Esteem Him by loving His Divine Will in the present moment."

"Tonight I'm blessing you with My Blessing of Divine Love."

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

December 2012

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love – the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

Blessed Mother says: "Praise be to Jesus."

"I have come today to speak to you in Truth about obedience. This is often and familiarly a touchy subject. To look with Truth at obedience, we must first look at authority, for the character of the authority dictates the obligation in God's Eyes to obedience."

"Authority should be loving and have a concern for those under him and, consequently, for their welfare. His leadership should clearly reflect this loving concern. If a leader is bent on destruction and the demise of those subject to him, Heaven does not hold accountable those under him to obey."

"Today, in the world, there are those who set themselves up as leaders; but they do not lead—they dictate. To oppose them is often catastrophic. There also exists ideological and religious beliefs which support dictatorship, but God is not behind such as these."

"History supports the fact that not all leaders promote Truth, no matter their position or title. History would have been rewritten if mankind had thought out the path he was following and the leadership he supported."

"Today, it is no different. Once again, I urge you, dear children, pay attention to words and actions—not just titles. Look into the heart of leadership and where it is leading you. You need to determine the best route for your physical and spiritual welfare."

December 2, 2012 / Public

St. Joseph says: "Praise be to Jesus."

"Today, I have come to encourage all in a holy Advent season. When Mary, Most Holy, and I traveled to Bethlehem so long ago, I was unable to prepare for the arrival of Our Son. I could not anticipate having a warm dwelling place where we could welcome Him into the world. I had hoped relatives and friends would provide for us, but they all turned us away, not recognizing the greatness of the moment."

"Today, however, each one of you has the opportunity to prepare a proper dwelling for Jesus in your heart. There you can welcome Him on Christmas, changing forever the course of human history if you choose. Cast far from you the pleasures of the world. Empty your hearts so that Jesus can fill it. Then you will know God's Will for you."

December 2, 2012 / Sunday Service — Consecration of the Heart of the World to the United Hearts and Unity in Families

St. Joseph is here and says: "Praise be to Jesus."

"Tonight I have come to advise you—be apprised of the times in which you live, but do not be overwhelmed by them. Pray and let prayer be your refuge; be united in this."

"Tonight I'm extending to you my Fatherly Blessing."

December 3, 2012 / Monday Service — Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, always seek the humble—the little path; for it is in this way you will pursue the Chambers of Our United Hearts. Do not seek self-importance, but importance in My Eyes. I will raise you up, and you will be My Light in the world."

"Tonight I'm blessing you with My Blessing of Divine Love."

December 4, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, dear children, I invite you to understand the positive effects of Holy Love in the world. Holy Love can be likened to a suture which delicately mends the heart of the world torn by division and strife. Holy Love is like a cool drink in the midst of an arid desert bringing refreshment and life-giving hydration. Holy Love is the light in a tunnel of darkness which leads the soul away from error and onto the path of righteousness."

"Holy Love yields the Light of Truth upon all darkness, distinguishing good from evil."

"Holy Love enlightens the Will of the Eternal Father, making clear every choice."

"Holy Love recreates the soul in the Spirit of Truth."

December 5, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"My daughter, I am speaking now to all people and all nations. Recently you suffered an injury which has impaired your motion to some degree temporarily. I invite My children to see that this injury can be compared to God's Will, which is impaired when it is not recognized and acted upon. You have made certain adjustments and improvised to meet the challenges that present themselves."

"God, too, adjusts His Plans to work around man's free will. If one course of action fails due to free will choices, He presents another. The Almighty will not be outdone in His Generosity. However, when man chooses evil, God allows consequences which He does not choose, but permits according to the pattern of free will decisions."

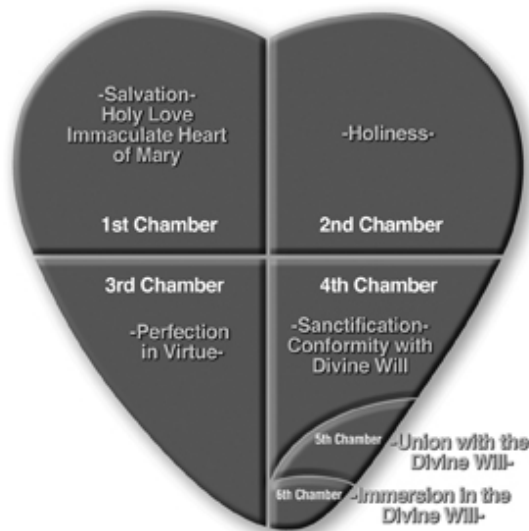

"Your injury is temporary, but some of the choices people and nations are choosing have far-reaching effects. Once again, present moment decisions determine the painful path of future events."

December 6, 2012 / Public

"I am your Jesus, born Incarnate."

"In the world, you face every sort of threat to your well-being and security: the threat of violence, terrorism, financial ruin—not to mention natural disasters. During these harrowing times, once again I offer to all people and every nation the sound Refuge of the Chambers of Our United Hearts. With a sincere effort, begin this spiritual journey by focusing not on self-gratification, but on a deepening relationship with God through Our United Hearts."

THE CHAMBERS OF THE UNITED HEARTS OF THE MOST HOLY TRINITY AND IMMACULATE MARY

The Door to Each Chamber is Deeper Surrender to Love – the Divine Will

"In this journey, the most important step is the First Chamber—My Mother's Immaculate Heart. It is in this Chamber faults and sins are recognized and burned away by the Purifying Flame of Her Heart. Without this effort, the soul cannot advance through the Chambers or increase in holiness. Pray for the desire to begin this journey by plunging your heart into this Flame of Perfection."*

***Note:** *Pray the Prayer of Consecration to the Flame of Holy Love.*

The Consecration to the Flame of Holy Love

"Immaculate Heart of Mary, humbly, I ask that You take my heart into the Flame of Holy Love, that is the spiritual refuge of all mankind. Do not look upon my faults and failings, but allow these iniquities to be burned away by this purifying Flame."

"Through Holy Love, help me to be sanctified in the present moment, and in so doing, give to You, dear Mother, my every thought, word, and action. Take me and use me according to Your great pleasure. Allow me to be Your instrument in the world, all for the greater glory of God and towards Your victorious reign. Amen."
(Our Lady – April 16, 1995)

December 7, 2012 / Friday Service — For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite you to make of your hearts an oblation of Truth. In this way, they will be the perfect manger of Holy Love where I will rest on Christmas morning."

"Tonight I'm imparting to you My Blessing of Divine Love."

December 8, 2012 / Feast of the Immaculate Conception

Blessed Mother says: "Praise be to Jesus."

"As Patroness of this country [the Immaculate Conception], I invoke you to pray for this Mission which has been inspired by God to carry and support your nation through this most evil of times."

"The very nature of the cases brought before your Supreme Court describes the moral degeneration your country subscribes to. There should not be amongst political figures—liberal or conservative—but only center-lined God fearing ideologies."

"The Ten Commandments should never be suppressed, but brought to the forefront as the core of your government."

"My Son will not allow this moral degeneration to continue unchecked. Even now I have great difficulty in restraining His Arm of Justice. I have called upon every choir of angels to assist Me. They fear and tremble at the thought of His Righteous Justice. You must help Me with your prayers."

December 8, 2012 / Feast of the Immaculate Conception

St. Thomas Aquinas says: "Praise be to Jesus."

"In everything, every need—spiritual, physical or emotional—God knows best the needs of everyone. His Provision is always perfect and abundant. Trust in this."

"Take, for instance, the feast day we now celebrate. God saw the need of an Immaculate Soul that would be worthy to bear His Son. Therefore, in His Generosity, He created Mary, the Immaculata."

"How easy it is for Him to provide for your every need from the smallest to the greatest. Pray for the grace to trust in this, as it pleases God."

"Yes, I said we are celebrating this feast day, for Heaven is celebrating with earth this important day."

December 10, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, during these times of confusion which weigh upon the world, it is important to realize

the importance of self-knowledge. The person who does not understand his own shortcomings cannot make decisions based upon right reason. Today, this is evident in the choices governments and individuals make, and in the causes these same ones support."

"Consciences are no longer convicted in their lack of obedience to the Ten Commandments but, instead, in their tolerance of sin. Every type of error tests this concept of misplaced respectability while Christian values are regarded as a threat to 'freedom'."

"If you cannot recognize error within your own heart, how can you make sound judgments in the world around you? Do not mistakenly think that if you hold much influence over people, all your decisions are formed in right reason. The more influence you have, the more Satan tries to influence your decisions. Right reason is always Holy Love. Any part of your life that challenges Holy Love needs to be changed so that My Son can decide through you."

"This is why self-knowledge is so important. Weaknesses in Holy Love are Satan's entry to your decision-making process. Be courageous enough not to allow it."

December 10, 2012 / Monday Service—Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite you to allow Holy Love to saturate your hearts. It is in this way you will be My most powerful disciples of Holy Love. It is in this way that your words and actions will be a quiet gospel preaching Holy Love to all around you."

"Tonight I'm blessing you with My Blessing of Divine Love."

December 12, 2012 / Feast of Our Lady of Guadalupe - 3:00 P.M. Service

(This Message was given in multiple parts.)

Blessed Mother is here as Our Lady of Guadalupe and says: "Praise be to Jesus."

"My dear little children, today I am with you—just as I was with Juanito on Mount Tepeyac. I am holding you in the crossing of My Arms—in every sorrow, in every challenge, and in every victory. You are deep in the Folds of My Mantle and safe within the Refuge of My Heart."

"Dear children, you must realize that your country has placed itself in great peril for the sake of allowing the government to make moral decisions for its

citizenry. Morality has been determined by God's Ten Commandments and cannot — must not — be redefined. This same presumption of power over and above God's Law has taken place all over the world."

"The Lord, in His Generous, Merciful Love, awaits mankind's conversion of heart and reconciliation with the Truth. Many mistakenly view God's Patience as His Indifference—even tacit Approval. This is a grave error."

"Dear children, the nations that will heed My Warning will not suffer catastrophe and will not fall to ruin; but, you must adhere to God's Plan and His Blueprint for your salvation, which is His Ten Commandments."

"Suffering is in the world by way of God's Justice, but you have not experienced the full weight of His Justice yet. The angels of all the aborted babies plead before the Throne of God that all nations would feel compelled to choose God's Will before it is too late."

"Dear children, pray that all people and every nation believes My Words of warning to you today. You have much to gain by listening and believing. You have much to lose by doubting and refusing to listen. Remember, not to choose is to choose."

"Dear children, I can offer you the grace to be reconciled with God from moment to moment; but, you must choose to act upon it. In every present moment, you either strengthen righteousness or empower evil. It is grace that places the desire in your heart for peace; but, true peace can only come to you when you make peace with God by abandoning all iniquity."

"Embrace God's Commandments by embracing Holy Love which is the embodiment of all His Commandments. This is the only way to change the course of human events which are about to unfold at the cost of lives and souls."

"Dear children, I have spoken many warnings to you over the years. This is My most urgent—most dire warning."

"Today I'm extending to you My Blessing of Holy Love."

December 14, 2012 / Friday Service—For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, any soul is capable of any type of evil; but the soul most vulnerable to evil is the one which is not covered by Holy Love. This is why Holy Love and all the Messages contained herein is so important during these times. No one should oppose it."

"Tonight I'm blessing you with My Blessing of Divine Love."

December 14, 2012 / Public

"I am your Jesus, born Incarnate."

"The greatest gift you can give Me this Christmas is the gift of your own will. Then, the tabernacle of your heart will be emptied, and I can fill it with My Presence. How much I desire that the heart of the world follow this—My desire!"

"No one can be conformed or united in the Divine Will of My Father unless they pursue this plan. Any part of the soul's will that he clings to is a barrier to union with My Father's Divine Will."

December 15, 2012 / Public

"I am your Jesus, born Incarnate."

"What occurred yesterday—the killing of the children and adults in Connecticut—is tragic, but it is also tragically not surprising. Your country does not mourn the millions of innocent lives lost in the womb. In fact, it encourages it. Religious leaders do not encourage Heaven's peace plan—Holy Love—they oppose it."

"Obedience to evil is on the rise, as is disobedience to righteousness. Anything—weapons included that is used towards an evil end—is evil; but the same thing can be put to good use and to defend righteousness. The difference is what is in hearts."

"People make choices according to the values they hold in their hearts. This has been taught here all along. These days, less and less right reason is reflected in moment to moment decisions."

"If earth chooses to reject Holy Love, they will have rejected Christian principles. This empowers evil. This Mission is here to change the course of human events, to bring peace and harmony into the world—unity in and through Holy Love."

"Accept Holy Love with a humble heart. Give thanks for its existence and the call to personal holiness through Holy Love. This is the path to freedom."

December 16, 2012 / Public

"I am your Jesus born Incarnate."

"Today, once again, I have come to emphasize the importance of Holy Love in the world. Holy Love is the embodiment — the embrace — of all the Commandments. Therefore, to oppose Holy Love is to oppose the Ten Commandments. Position in the world cannot change this Truth."

"Evil is encouraged in the world because Holy Love is not encouraged. All sin arises from hearts which do not embrace Holy Love."

"If you cannot grasp these facts, then you cannot grasp the Truth."

"Holy Love is to love God above all else and your neighbor as yourself."

December 17, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Anything that tries to erode your faith in God's Love and Mercy for you is from the evil one. My title *Protectress of the Faith*, which has been proclaimed in Heaven, is most vital today when true faith is at war with Satan's civilization."

"The poison of today is the distraction of the world by electronics, which have not been put to good use for the most part—but, very often, to evil ends."

"Do not become distracted by times and dates of specific events bandied about by unbelievers. You are My children. If you are living in Holy Love, what have you to fear?"

"Most of all, allow Me to defend your faith. In this way, alone, you can be the light of Truth in the world."

December 17, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come to speak to you about unbelievers. When I speak of unbelievers, I am addressing those who have heard of these apparitions and Messages; but, for the sake of pride, choose not to believe. Such as these have placed grave obstacles between their hearts and their own salvation."

"It is much easier to disbelieve than to believe. To believe in Heaven's direction carries with it the responsibility to live the Messages. Too often, free will chooses the easiest path—the path of false discernment and rash judgment. Once these opinions are formed, it is pride that prevents a conversion of heart."

"So, once again, I ask your prayers of the conversion of unbelievers."

December 17, 2012 / Monday Service — Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite you to realize that My Most Profound Desire for this Christmas season is to take up My Rest in each heart—in this way effecting the conversion of the heart of the world. There I desire to remain in all simplicity and humility, changing the world through My Presence in every heart."

"Tonight I'm blessing you with My Blessing of Divine Love."

December 18, 2012 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"These days people spend fortunes and a multitude of present moments on trying to find the perfect happiness here on earth. This is all foolishness and of no account before the Throne of God."

"Holy Love has come into the world as the way of perfection. The Chambers of the Gracious United Hearts are a road map to perfection. The entire spiritual journey is clothed in Truth. People cannot be saved outside of Truth; nor can they be saved if they do not love God above all else and neighbor as self—the maxim of Holy Love."

"The world will always be in conflict with this concept—this Holy Commandment. To try to find happiness in the world is futile. Inner peace and joy come through the embrace of Holy Love." *

**Read Luke's account of Jesus' — 'Sermon on the Mount' — and the beatitudes with their opposites — Luke 6: 20-26.*

December 19, 2012 / Public

"I am your Jesus, born Incarnate."

"I have come to speak to you about gift giving—a topic most appropriate for this time of year. The greatest gift a soul can give to Me is their free will. This is the best sacrifice. But, if the spirit of giving is not as generous as it should be, and the soul grumbles and questions the whys and wherefores of situations, it is as though he is unwrapping the gift before he presents it to Me. I mean to say, the sacrifice is not as complete as it otherwise would be."

"Pray for a generous spirit so that every sacrifice is as perfect and complete as it should be."

December 20, 2012 / Blessed Mother's Christmas Message

Blessed Mother says: "Praise be to Jesus."

"Dear children, once again, I come to wish you every blessing of this holy season. My appearances here are not your salvation. It is the Message of living in Holy Love that saves and sanctifies you. Is it any wonder, then, that there is so much opposition to this Mission?"

"The greatest threat in the world today is the lack of Holy Love in hearts. It is this lack of Holy Love that has brought into the world abortion, terrorism and every form of violence and disordered leadership. You can try to negotiate with terrorists and to control weapons (from guns to weapons of mass destruction), but you cannot effectively change any error unless hearts first accept and live in Holy Love."

"Most world leaders—those who have great influence in the world—worship power and riches, not God. The value of the human soul has been replaced by these false and temporary gods, and affections have been directed away from any eternal goal to that which is passing."

"To those who understand what I am saying, life has become challenging, at best. So, today, I invite you to cheerfully persevere in faith, hope and love."

Remain undaunted in propagating Holy Love—its meaning, its Source, and its fulfillment. I, your Mediatrix and Protectress, am with you. You have no need of searching elsewhere for a way to holiness."

PERSONAL MESSAGE TO MAUREEN:

"I desire we lend greater importance to My Message today by labeling it My 'Christmas Message.' It was intentionally delivered today, for so many predict ominous events for tomorrow [12/21/12]. My words today focus on the Truth."

December 21, 2012 / Friday Service — For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"This Christmas season, as this special day of My Nativity approaches, surrender to Me all your ill feelings towards others. Forgive everyone, and My gift to you will be peace in your heart."

"Tonight I am blessing you with My Blessing of Divine Love."

December 22, 2012 / Public

"I am your Jesus, born Incarnate."

"How easily people accept and believe in false prophecy. I am speaking of the pagan prediction of disaster on December 21, 2012. Yet, here in this Mission, people choose to deny the Truth of Heaven's Messages, using every excuse: lack of approval, denial of graces offered, misunderstandings and rash judgments."

"Heaven has affirmed over and over the reality of every Message and grace given here. This is the answer to world peace and a return to the Age of Innocence. The key to My Mother's Immaculate Heart is offered you here through Her Title, '*Protectress of the Faith*.' This opens the door to the journey through the Chambers of the United Hearts. Once the journey has begun, it continues into conformity with God's Will."

"Be perfected in the Truth. Do not look for dates through false prophecies which mislead you. Allow yourselves to live in and to become the Light of Truth."

December 23, 2012 / Public

Alanus (Maureen's Guardian Angel) says: "Praise be to Jesus."

"The Heart of Christmas has its origin, not in the Virginal Birth or in the Babe in the manger, but in the Heart of God the Father—the Eternal Now. Therefore, to be a part of the Heart of Christmas, you must, of necessity, be a part of the Heart of God by conforming

to His Divine Will. Allow yourselves to be clothed in His Will."

December 24, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"I invite you to understand that Satan is always the one who opposes the grace of My Heart. It is also the evil one who encourages others to do so. My Grace is always what challenges Satan's kingdom in the world."

"Satan's favorite attack is to make good appear as evil, and evil as good. Dear children, you must pray for discernment before you make choices, and before you take any certain direction. Not to do so is unwise."

"Always search out the Truth in every interaction with anyone. Do not choose a course of action merely because others do so."

"Discern what is appropriate—what is being sanctioned—and if it follows the Truth of Holy Love. Ask for My help."

December 25, 2012 / Christmas Day

"I am your Jesus, born Incarnate."

"Today, I have come to prescribe, once again, for the world peace and unity through Holy Love. This is the sole purpose of this ecumenical Ministry—to reach out to all people and every nation, to live in peace and to be united in Holy Love. This was My Mission when I was in the world."

"Unity means you do not oppose one another or try to find fault with one another. You respect each other's right to a good reputation. In unity with one another, you build up the community of souls around you in Truth and in love, working always towards the common good of Holy Love in hearts."

"Today, in the world, you celebrate My Birth. I desire to celebrate with you peace and Holy Love in all hearts. Do not scorn My call through self-righteousness. Look into your own hearts and correct any attitude which opposes unity; then, you will be at peace."

December 27, 2012 / Public

"I am your Jesus, born Incarnate."

"I will tell you why this Ministry is ecumenical and will always remain so. These Messages, and all the graces here, are given to draw all people and all nations into unity—unity in the Spirit of Holy Love."

"I am not seeking your unity under a one world leader or religion, but your unity in Holy Love. All are welcome here. Find your peace and be at peace here."

"No one should try to redefine this Mission as strictly Catholic, for My Commandments of Love—Holy Love—are all inclusive for all people and all nations."

December 28, 2012 / Feast of The Holy Innocents

Blessed Mother says: "Praise be to Jesus."

"Several days ago, your city experienced a blizzard in which snowflakes fell heavily and caused great problems. People could not travel easily from one point to another, as there were dangerous driving conditions. Today commemorates the feast of The Holy Innocents when many innocent lives were lost at the whim of a wicked ruler. In God's Plan, all of this is connected with meaning."

"The snowflakes represent the millions of innocent lives lost on the altar of abortion. Like the snowflakes, each one was individual by God's design with unique physical appearance and hidden talents; but, these lives were snuffed out without concern just as a snowflake melts. The people who participate in abortion will find their journey to salvation very difficult, just as a traveler in a snowstorm—unless they repent."

"The government leaders these days are like Herod who ordered the slaughter of the holy innocents. Many do so for their own political favor, not realizing the atrocity of abortion in God's Eyes."

"Abortion is the most grievous sin which calls down God's Justice upon the earth. I cannot tell you this in plainer terms—in more open honesty. Listen with your hearts, and do not concern yourselves with the opinions of others except to give them the Truth."

December 28, 2012 / Friday Service—For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I request of you that you use every present moment to come deeper into Our United Hearts. Do this by living in Holy Love, being Holy Love and treating others with Holy Love."

"Tonight I am blessing you with My Blessing of Divine Love."

December 29, 2012 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, today your heavenly Mother comes to encourage you in Truth. There are some who have become detractors of this Mission who falsely proclaim that it is a sin to come here—to this site of Heaven's predilection. **This is not true.** The sin would be to propagate this untruth without checking the reality of the facts, and to do so, to discourage people from coming here."

"These untruths and misinformation are further proof of Satan's opposition to Heaven's simple, yet profound, intervention here. Do not be tricked into thinking that your own efforts in personal holiness, your journey through the Chambers of Our United Hearts or your sincere efforts to fulfill the Commandments of Love, could ever be sinful or evil. All of these are at the core of the Mission here."

"Come with an open heart. Do not fear any reprimand from Heaven or from earth. I, your heavenly Mother, invite you. I would never invite you into sin."

"Pray for all the detractors of this Mission. They have chosen an errant path—one that confuses many. They are responsible for discouraging many prayers and turning many away who could have been saved."

December 31, 2012 / Public

"I am your Jesus, born Incarnate."

"The world is about to embark upon a new calendar year. Hearts hold many genuine concerns, but most hearts do not embrace the one genuine solution, which is Holy Love. My Commandments of Love, though given to you in the New Testament, are, in Truth, the embodiment of the Ten Commandments given to Moses in days of old."

"To live in Holy Love is a way of thinking, a way of being, a way of a sound relationship with Me and with My Father."

"You will not find peace through weapons of mass destruction, high powered negotiations and concessions, a one world government, and a one world religion or resolution of financial problems. Peace will only come when all factions come together in Holy Love."

"The year ahead holds much distress if you do not follow My Formula for peace. Embrace Holy Love."

December 31, 2012 / Monday Service — Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Truly, I tell you, when your heart embraces Holy Love, you have embraced the Glory of My Triumph. The heart that is consumed with Holy Love is the Light of Truth in the world. Such a heart is obedient to all My Commandments, as Holy Love is the embrace of all My Commandments."

"Tonight I'm blessing you with My Blessing of Divine Love."
