

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

January 2013

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

**NEXT PROMISED APPARITION DURING 3 PM SERVICE
ON THE FEAST OF DIVINE MERCY – APRIL 7, 2013**

"I will appear on the Feast of My Mercy in Our Beloved Field of Our United Hearts. No command or decree can prevent this. I will show My Mercy that day." (Jesus, January 14, 2013)

**We will gather at the United Hearts Shrine on Sunday, April 7th,
at 2:40 PM for a Procession, followed by the Divine Mercy Chaplet at 3 PM,
the United Hearts Chaplet and the Glorious Mysteries of the Rosary.**

January 1, 2013 / Feast of Mary, The Holy Mother of God

Blessed Mother says: "Praise be to Jesus."

"In the world, peace will continue to be elusive due to the condition of the heart of the world which has not resolved to be consecrated to Our United Hearts. Key issues will be borders, scales of weaponry, economics and religious beliefs. Natural disasters, unfortunately, will mirror mankind's reluctance to conform to the Will of God. Deceit in hearts will be revealed, but too late."

"The righteous will suffer witnessing the unraveling of good. Many who condone evil in world politics will be convicted of their error; but once again - too late."

"As I tell you these things, believe that I am with you as you are with Me. My Immaculate Heart is never elusive, but always a ready Refuge. You must pray, My children, so that together we can defeat Satan and lay bare the Light of Truth. In the end, My Immaculate Heart will be victorious, and you will triumph with Me."

January 2, 2013 / Public

"I am your Jesus, born Incarnate."

"Today, I invite all who will listen - indeed, all humanity - into the Passion of My Mercy through Holy Love. Holy Love is the doorway to My Mercy and to the reclamation of the heart of the world. I have held these Messages apart from unjust discernment which has ruined many of My efforts in these latter days."

"Holy Love leads souls along the path of Light which restores grace within hearts - the grace of right reason. You must not become confused by controversy, but stand strong in the unity of Holy Love. My Mercy pulls you into this Union of Love."

"Encourage all to step into the Light of My Mercy through Holy Love. This is the way to peace."

January 4, 2013 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"Please comprehend that every gift God gives - every grace He bestows - can be used towards a good or an evil end. Today, the obtuse spirit that has seized the heart of the world does not perceive the difference between good and evil. This is why evil is winning over good in hearts and in the world."

"Take, for instance, electronics, which God opened to humanity to win souls and to hasten His Victory. Much evil has been promoted through the illicit use of this gift. The intellect is persuading the use of this gift to lead souls away from God."

"This is why propagation of these Holy Love Messages is so key to the future of the world. If choices are clothed in Holy Love, souls can still be saved and the future changed forever. This must be your incentive, then, in every present moment."

January 4, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the sun, the stars, the moon, earth itself, and all the tides are held in place through the Will of My Father. Show Him that you love Him by living in Holy Love and loving one another."

"Tonight I'm blessing you with My Blessing of Divine Love."

January 6, 2013 / Public

"I am your Jesus, born Incarnate."

"The storms of life are eclipsed by the need for prayer and sacrifice to be offered for the world situation. Today untruth has become more prevalent than Truth. This closes the doorway of the heart to Divine Inspiration. Therefore, God is unable to chart His Course of Action in human events. Pray for Truth to be recognized."

January 6, 2013 / Sunday Service - Consecration of the Heart of the World to the United Hearts and Unity in Families

St. Joseph says: "Praise be to Jesus."

"The foundation for a sound family is Holy Love. Every family needs to be grounded in Holy Love and to be built up in Holy Love. It is in this way the family can move into the Father's Divine Will. This makes the family more secure than any amount of financial security."

"I will extend to you my Fatherly Blessing."

January 7, 2013 / Public

"I am your Jesus, born Incarnate."

"The thrust of this Mission is to reconcile the heart of the world to the Divine Will of My Father in and through Holy Love. Since Holy Love is Truth, Heaven's call is for all souls to discover the Truth of Holy Love, thereby discovering My Father's Will."

"This Mission presents ways by which to live in Holy Love:"

1. "Read, study and propagate - then, live the Messages."
2. "Begin, in every present moment, your journey through the Chambers of Our United Hearts."
3. "Pray the Rosary of the Unborn in an all-out effort to convict the heart of the world of the sin of abortion."

"Plainly, you must see that this Mission is an ecumenical effort to conform the heart of the world to the Will of My Father. Unbelievers have not discovered the Truth of the state of their own heart."

January 7, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, each morning when you arise, ask your guardian angel to lead you around every obstacle to Holy Love. These obstacles are always somehow clothed in disordered self-love."

"Tonight I'm blessing you with My Blessing of Divine Love."

January 8, 2013 / Public

"I am your Jesus, born Incarnate."

"If anyone wishes to come deeper into the Chambers of Our United Hearts, the way is simple - yet difficult. You must love one another more ardently, and out of this love must arise respect. Part of respect is accepting one another's faults and shortcomings. Part of love is praying for one another."

"If you love and respect one another, then you also can forgive transgressions. This is an imitation of My Love and Mercy."

January 10, 2013 / Public

"I am your Jesus, born Incarnate."

"This Ministry is here as an alternative to the compromise which is in hearts and in the world. It is an escape from hustle and bustle - a place to pray and meditate."

"On the supernatural level, it is a place of grace - a place of favor. It is a respite of peace in a secular society of sin and error and much confusion. Here, souls can get in touch with the reality of Truth."

"I urge souls not to be deterred by labels and accusations. The more you believe - the more Heaven will favor you."

January 11, 2013 / Public

St John Vianney - the Curé d' Ars says: "Praise be to Jesus."

"I have come to offer these prayers that every priest can recite daily towards healing and strengthening of his vocation. This is needed more today than ever before."

"Dear Jesus, I place all of these petitions on the Altar of Your Most Sacred Heart. Please look with favor upon them."

- **"Please strengthen my vocation by strengthening me morally and spiritually by living in uncompromised Truth."**
- **"Please help me always to conform to the Will of God."**
- **"Please help me to forgive all others, and to forgive myself of any wrongs I have committed against others."**
- **"Please strip from me love of money, status or popularity."**
- **"Please help me to forgive the misuse of authority, and do not allow me to misuse any authority I may have."**

"Dear Jesus, please strengthen my vocation by walking closely with me in every circumstance. Increase in me every virtue through Holy Love. Open my heart to the Holy Spirit and help me to see His Actions in the hearts of others."

"Jesus, today I surrender my heart and my vocation to You. I am Your humble instrument."

January 11, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, My Divine Provision and My Divine Grace are with you in every present moment; they are one."

"Every moment, every grace and all My Provisions are unique to every individual, as is every individual - unique and different."

"Tonight I'm imparting to you My Blessing of Divine Love."

January 12, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"I tell you in Truth, Holy Love is the moral fiber which needs to infiltrate the heart of your country and of the world. These days, My children have confused moral degeneration with freedom. In many cases, they have based their opinions upon one side of moral arguments - not searching out the reality of the facts or how their opinions reflect obedience to God's Commandments."

"I come here today, as always, to draw you back to God's Commandments which are the embrace of Holy Love. As with many of Heaven's interventions, many base their opinions concerning authenticity upon one-sided arguments. To do so is judging - not discerning. I come to carry you away from error and to expose you to the Light of Truth. Be courageous enough to search out the Truth - both in moral issues and in regards to My Presence here. I am in the midst of your hearts and in your every opinion and decision."

January 13, 2013 / Feast of The Baptism of The Lord

"I am your Jesus, born Incarnate."

Truly I tell you, when I was in the world, Holy Love was the thrust of My Mission. Those who would not allow Holy Love to come alive in their hearts, opposed it both in their hearts and in the world around them. It is no different today. Those, who will not open their hearts to Holy Love, oppose it."

"What I am saying is, in essence, this: If you are not with Me, you are against Me."

January 14, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Tonight, My brothers and sisters, I invite you to realize that the heart of the world can only be reconciled with its Creator by accepting and living in Holy Love. Therefore, it is of the utmost importance that these Messages be propagated and believed."

"Tonight I am blessing you with My Blessing of Divine Love."

January 14, 2013 / Public

"I am your Jesus, born Incarnate."

"I will appear on the Feast of My Mercy in Our Beloved Field of Our United Hearts. No command or decree can prevent this. I will show My Mercy that day."

[Apparition will take place during the 3:00 p.m. Hour of Mercy.]

Note: *This year the Feast of Jesus' (Divine) Mercy falls on Sunday, April 7.*

January 15, 2013 / Public

"I am your Jesus, born Incarnate."

"Today, My brothers and sisters, imagine yourselves walking along a deserted road, when you come upon a wayfarer. He is in great need. He is starving and has open wounds which need tending. He is misguided and cannot find his way. Would you say to such a one - 'I'm sorry. I cannot help you. First I must get approval of all I would like to do?'"

"I tell you, the heart of the world is this wayfarer. The heart of the world is starving for the Truth. The heart of the world is misguided and cannot find its way back to righteousness or forward to reconciliation with God. The heart of the world is critically wounded by error."

"You hold the road map, the soothing balm for every wound, and the sustenance in the face of salvation for the heart of the world. It is Holy Love. Most specifically it is the Chambers of the United Hearts. Do not wait for approvals to minister to the needs of the heart of the world. Do not stand on the side of the road as this wayfarer passes by; and do nothing. Minister to the tormented heart of the world by applying the balm of Holy Love."

January 16, 2013 / Public

"I am your Jesus, born Incarnate."

"Today, I come to explain the partnership between Holy Love and the journey through the Sacred Chambers of Our United Hearts. The First Chamber is Holy Love - the Immaculate Heart of My Mother. The Purifying Flame of Her Heart burns away the sinful faults and tendencies of the soul who enters therein; but once cleansed, the Flame of Holy Love accompanies the soul through all the subsequent Chambers."

"Holy Love is the Vehicle which propels the soul through the Chambers of Our United Hearts. The deeper the commitment to Holy Love, the deeper the journey. No one can begin the journey outside of Holy Love. Holy Love is the Will of My Father."

January 18, 2013 / Public

"I am your Jesus, born Incarnate."

"I tell you solemnly, when freedoms are abused, the Commandments are transgressed. Choices need to stay within the boundaries of Holy Love to be righteous and holy. Otherwise, free will carries you off in a direction not pleasing to Me and which opposes your own salvation."

"The right to choose, therefore, carries with it the responsibility of knowing good from evil."

January 18, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I come to you tonight bringing My Divine Love once again into your midst. In return I ask your commitment to Holy Love, so that Holy Love will be in your hearts and you can return it to Me. Love one another as I have loved you."

"Tonight I'm blessing you with My Blessing of Divine Love."

January 19, 2013 / Public

St. John Vianney - the Curé d' Ars says: "Praise be to Jesus."

"Today I have come to ask the laity to pray for holy priests. Petition the Sacred Heart of Jesus in this way."

"Dear Jesus, place all vocations and every priest in Your Most Sacred Heart."

"We pray:"

- **"All priests value their vocation and pursue personal holiness by living in Holy Love and going deeper into the virtues."**
- **"Please strengthen the Tradition of Faith in all priests."**
- **"Protect Your priests from all scandal and exploitation."**
- **"Help Your priests to know their first obligation is to minister the Sacraments to the laity."**
- **"Strip Your priests of attachments to the world - all concerns for power, money, popularity or corporal desires - just as You, Jesus, were stripped at the Tenth Station of the Cross."**
- **"Bring all priests into the Divine Will of Your Father. Amen."**

January 19, 2013 / Public

"I am your Jesus, born Incarnate."

"Solemnly I tell you, all of Scripture, which refers to the times before My Second Coming, will be fulfilled. I ask your prayers and sacrifices for these times described in the Book of Revelation so that there will be less who will be fooled into apostasy and schism; and, so that the Remnant will increase. Pray for the Victory of Truth in hearts."

January 20, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"This morning, I have come to speak to you, dear children, about the touchy subject of obedience. There is no dictate or command which states you must, in obedience, not come here to pray. Prayer is never wrong. Some use obedience as a safety net - a false reason not to believe - not to discern."

"Holy Love is a gospel message. Can the gospel be wrong? I propose to you that the controversy surrounding this Message can only come from evil. Do not be confused by claims of disobedience either. Each one must be obedient to God's Truth. This means you cannot cooperate in obedience towards an evil end. You must obey what is good and righteous. You must obey the Truth."

January 21, 2013 / Feast of Mary, Protectress of the Faith

"I am your Jesus, born Incarnate."

"With what joy do I come today to celebrate the proposed Feast of *Our Lady, Protectress of the Faith!* It is with the same spirit of joy that I take by the hand and lead those priests committed to living in, and leading others in, the rubrics of the faith."

"I am always with the priests who shepherd with love. I embrace those priests and hierarchy who do not abuse their authority but use it towards a wise counsel. I endorse all Church leaders who are wise enough to recognize the workings of the Holy Spirit in others, and who cooperate with Heaven's interventions through apparitions and private revelations."

"I console those priests who try to bring unity through and in faith, but whose efforts are buffeted by those whose faith has been compromised. Some carry with them great titles, but their faith has been extinguished by worldly concerns."

January 21, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Tonight I am telling the people here assembled that childlike faith is the path into the Chambers of the United Hearts. It would be important to pray for this gift of childlike faith daily so that you can remain on the path of righteousness, which is Holy Love."

"Tonight I'm imparting to you My Blessing of Divine Love."

January 22, 2013 / Public

"I am your Jesus, born Incarnate."

"Today I remind you that these Messages are addressed to all people and all nations; not just one particular group such as Catholics. This being said, I remind all religious leaders to secure their arms of faith around the shoulders of their flock. Especially in the Christian world, faith is under attack. Leadership is tempted towards compromise in order to maintain the status quo."

"You must, as conscientious leaders, stand for righteousness and support righteousness - not what is popular for the sake of popularity. Do not cooperate with any attitude which will not tolerate criticism. Be open to the Holy Spirit - the Spirit of Truth. Do not oppose one another. Be united in an effort to save souls."

January 23, 2013 / Public

"I am your Jesus, born Incarnate."

"These days and around the world, there is a great apostasy from the Truth. People do not search out the reality of the Truth, but rather believe what serves them best. But, if the soul places God first instead of self, he will find the Truth opens to him and he will readily accept it."

"I am the Truth and do not lead you away from salvation, but to it. In Truth, I draw you into the Divine Will of My Father through the Chambers of Our United Hearts. In Truth, I lead you forward on this journey, bypassing all compromise and confusion."

"Do not be fooled or tricked into being disobedient to the Truth, which I present to you with every beat of My Heart. Do not be an apostate of the Truth."

January 24, 2013 / Feast of St. Francis de Sales

St. Francis de Sales says: "Praise be to Jesus."

"Always pray - that is, daily - for the Victory of Truth both in hearts and in the world; for it is through Truth the illumination of consciences will come. False discernment is the bad fruit of a lying spirit. This is the spirit which promotes abortion, violence and corruption in the world. There is no Truth which opposes Holy Love."

January 25, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"I invite the world population to see that man's departure from God's Divine Will is the cause of all his woes. Nothing bespeaks departure from God's Will as much as abortion. God creates new life in the womb and man destroys it. How clearly this rebellious act of disordered self-love illustrates man's inability to discern good from evil. How definitive this act of abortion is in illustrating mankind's need to transform what is in his heart to Holy Love."

"Dear children, until hearts reconcile with God's Divine Will through Holy Love, you will not be at peace or have peace in the world. Willingness to support abortion, either by active participation or by your silence, is the sign of your disregard for God's Commandments - the embrace of which is Holy Love. The more you separate yourselves from God's Will, the less His Providential Care rests upon you."

January 25, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Tonight, My brothers and sisters, I ask your prayers that all government officials recognize their responsibility towards God. Pray that their hearts are enlightened with the Truth of the effects of their decisions, and the consequences they may cause - consequences they do not anticipate or even realize could happen."

"Tonight I am blessing you with My Blessing of Divine Love."

January 26, 2013 / Public

"I am your Jesus, born Incarnate."

"I have come today to help people understand what I mean when I say the heart of the world has become spiritually obtuse. Consciences have been dulled as to cause and consequences of their thoughts, words and actions. People, in general, do not discern good from evil. It is this one piece of the overall puzzle that reinforces evil in the heart of the world. It follows that this lack of discernment does not allow the soul to look ahead and to comprehend the evil consequences of his thoughts, words and actions."

"There is a consequence to everything - you either build up or tear down the Kingdom of God by what you say, think or do. You are either united in Holy Love or divided by evil. There is no gray area; that is to say, you cannot

compromise Holy Love without cooperating with evil. Evil bears evil fruit - evil consequences. You may not see them immediately, but these consequences are given life in the world through evil that is in hearts."

"Trode always upon the path of unity through Holy Love. Do not be deceived to think 'good' intentions transform evil into good or that lies change Truth to fit personal agendas."

January 27, 2013 / Public

I (Maureen) see a Great Flame which I have come to know as the Heart of God the Father. He says: "I have come to help the world to better understand the meaning of My Title - 'Eternal Now'."

"In the world, you have the concepts of time and space. You experience the past in your memory - the present in the present moment - and you anticipate the future as time passes by moment by moment."

"But I am the Eternal Now. In Me there is no past or future - only now, which lasts forever. Therefore, the world is being created now by My Hand. My Son is being born now in the stable. His Public Ministry is taking place now, as is His Crucifixion. I am celebrating His Resurrection now, and welcoming Him as He ascends to Me in Victory now."

"In the world, every event is just now taking place in My Heart - the wars, persecutions, the decision of Roe v. Wade. But also I am experiencing My Son's Second Coming - His Triumph over the Antichrist and His Victorious Reign."

"Because there is no time in My Realm, I am able to experience joy and sorrow all at once to the fullest. These things are difficult for you to comprehend, but as you meditate on My Words to you today, you will be given more and more understanding."

January 28, 2013 / Feast of St. Thomas Aquinas

St. Thomas Aquinas says: "Praise be to Jesus."

"I tell you solemnly, God's Will is part of every person's life in every present moment. These Messages of Holy Love make it easier to recognize the Father's Divine Will and to adhere to it."

"These Messages are the Light on the path to personal holiness and salvation. These Messages and this site are not unlike a vault that safeguards the Remnant Faithful from the great apostasy as yet to come; for God's Permitting Will always allows free will to choose but, also, shows souls the path of His Divine Choice which is always the embrace of Holy Love."

January 31, 2013 / Public

"I am your Jesus, born Incarnate."

"I have come to discuss with you My Divine Provision. My Provision is one with My Father's Divine Will. It is always the acceptable path of each one's salvation. People do not see their moment-to-moment crosses as My Provision when they do not accept them with love. It is the twin sisters of humility and love working in unison with My Provision that calls upon grace and moves My Heart."

"A soul does not need to understand My Provision in order to willingly accept it. He needs, then, trust. It is trust, knitting humility and love into acceptance of My Providing Will, which conforms the soul to the Will of My Father."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

February 2013

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

February 1, 2013 / Public

"I am your Jesus, born Incarnate."

Maureen: Jesus has a large sieve in front of Him. He is not holding it. A jar is floating above it, pouring a liquid into the sieve. As it does this, seeds remain in the sieve and the liquid pours through.

Jesus says: "When I return, all the seeds of hatred, malcontent and apostasy will be removed from hearts. It is then that error will be exposed. Those who oppose Truth will be revealed and winnowed out. The rich reservoir of faith will be saved and collected to form the New Jerusalem."

Maureen: Now I see the liquid coming through the sieve, going into a gold jar.

February 1, 2013 / Friday Service - For all those falsely accused within society,

governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, you must desire personal holiness in order to take the first step into My Mother's Heart, which is the Flame of Holy Love. Without this desire, you will not be able to make the journey into the Will of My Father."

"Tonight I am blessing you with My Blessing of Divine Love."

February 3, 2013 / Public

St. Joseph says: "Praise be to Jesus."

"Today, I come to you once again to encourage unity in families through Holy Love, for this is Satan's defeat. Do not oppose one another

unjustly. Uphold the law of Holy Love, both in your hearts and in your immediate family. Do not, in the name of what seems righteous, oppose God's good."

"Dispel opposition through love. Remember, love is patient - love is kind. Be a humble peacemaker. Apply these Messages to your own heart - not someone else's. If you are a true apostle of Holy Love, your lives will reflect this love."

February 3, 2013 / Sunday Service - Consecration of the Heart of the World to the United Hearts and Unity in Families

St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, please understand in your hearts, that if you have Holy Love in your hearts, you will be at peace and you will have peace all around you."

"Tonight I'm extending to you my Fatherly Blessing."

February 4, 2013 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I pray God be in my heart and on my lips as I speak to you today. I have come to address the evil of placing limitations on Truth. To limit Truth is to corrupt. Limitations on Truth are accepted only through self-interests rising out of disordered self-love. When institutions - religious or otherwise - distort the Truth, either by what they say and do or by intentional cover-ups, they become corrupt."

"Excuses such as safeguarding reputation, financial support or protecting the faith in a corrupt system are never reasons for placing limitations upon the Truth. They are Satan's temptations to sin."

"The solution to every compromise is the Light of Truth. Disclosure of the Truth is often painful but necessary to a sound moral society. The only ones who would object to this or any of the Messages are those who are challenged by them."

February 4, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, always reflect the Truth of Holy Love. Let it permeate every part of your being. Be the Message, for this is the best way to evangelize."

"Tonight I am blessing you with My Blessing of Divine Love."

February 5, 2013 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Accept these, my words, in humility and with gratitude. Truth, which has been subjugated to any evil, no longer is Truth. But, this does not mean Truth cannot be put to the test. The test, however, must be one determined to uphold the reality of the Truth - not bent on destroying it towards some personal agenda or gain."

"The victory of Truth in hearts is more important than the protection of any title or the subservience to any earthly authority. This is because God is Truth. The soul cannot live in Truth if he becomes confused as to what the Truth actually is."

"The Spirit of Truth must not be denied, but recognized and heeded." *

**Note - The Spirit of Truth is the Holy Spirit.*

February 5, 2013 Public

St. Thomas Aquinas says: "Praise be to Jesus."

"May the Lord enlighten the world through these, my words to you. Truth is unchanging. It is always complete in and of itself. It cannot be added to nor subtracted from. Truth cannot be challenged by another Truth. Only Truth and untruth challenge one another. Opposition to Truth is evil."

"Subjugation of Truth to evil compromises the reality of Truth and transforms it through compromise to evil. Thus compromised, Truth no longer exists but gives way to evil."

February 7, 2013 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Please allow my words to you today to resonate in your soul. Scripture has it that faith, hope and love abide, these three; but the greatest of these is love. Holy Love is Truth. Therefore, understand that Truth will live on into eternity."

Truth will be, and is the foundation of the New Jerusalem."

"Those who do not live in Truth cannot claim victory over sin. Any compromise of Truth breaches the foundation of the New Jerusalem in the heart. Jesus desires all be one with Him. This is why these Messages and the spiritual journey through the Chambers of the United Hearts have been imparted to this generation. Spiritual preparation is more important than any calculation towards physical needs."

"Be prepared and strengthened in Holy Love - the Truth."

February 8, 2013 / Public

"I am your Jesus, born Incarnate."

"I tell you, the spiritual journey through the Chambers of Our United Hearts is My Glory in the world. It is My Victory and the salvation of souls. Of course, Satan opposes this path - this Revelation - as he does any good in the name of false righteousness."

"Today, let us examine false righteousness. Such rash judgment refuses to explore the Truth. It is like a presumption, that because it is his opinion, the self-righteous cannot be wrong. This is the grave error that the Pharisees made. They believed in themselves and loved their own opinions more than the Truth. Furthermore, these same false righteous Pharisees condemn any who did not agree with them."

"False righteousness is a blind path leading the soul blindly away from his own salvation. Such a one is greatly impressed with his own opinions, perhaps title or authority, to the point of disregarding any opposing opinion."

"False righteousness uses the tongue as the threshing floor to crush every grain of Truth. True righteousness is honest, forthcoming and open to all good. The truly righteous encourages the Spirit of Truth, looks for good, and forgives, bearing no grudges."

"The soul cannot progress through the Chambers of Our United Hearts unless he first believes in this Revelation. Do not be tricked away from this belief by any form of false righteousness."

February 8, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when you decide and choose to begin the spiritual journey through the Chambers of Our United Hearts, you will be given every grace and enhancement that you need; every encouragement will be yours even if you go over and over into the First Chamber."

"Tonight I'm extending to you My Blessing of Divine Love."

February 9, 2013 / Public

"I am your Jesus, born Incarnate."

"I invite you to understand that evil is always the voice of discouragement. Therefore, it is Satan who tries to persuade souls away from prayer saying your prayers do not make a difference. In reality, the evil one fears every prayer and, most especially, the prayer of the holy rosary."

"Prayer is your weapon and, therefore, your place of peace. Do not be fooled to believe otherwise."

February 10, 2013 / Public

"I am your Jesus, born Incarnate."

"It is here, at this site, I open My Heart to the world. I invite every soul to step, with confidence, into My Mother's Heart of Holy Love, where She will prepare them to proceed through the Chambers of Divine Love and, subsequently, into the Will of My Father."

"This heavenly invitation is present in the very air you breathe as you set foot on the property. It is here I invite every soul into the New Jerusalem, which is your personal sanctification in and through Holy Love. It is here that you begin to discern good apart from evil and to recognize your own iniquity. It is here you can feel the depth of My Love for you and the compassion of My Mother's Heart."

"Do not allow doubts or disbelief to stand in your way. Tender unto Me your hearts; for open to all I am prepared to give. Do not discount the power of your pilgrimage here through human error."

February 11, 2013 / Feast of Our Lady of Lourdes

Blessed Mother says: "Praise be to Jesus."

"Dear children, today I urge you to remain united in the spirit of prayer. Be united in the

Tradition of Faith and learn to seek My Protection in every circumstance."

"Remember, My Immaculate Heart is the Gateway to the New Jerusalem. No one can pass into the New Jerusalem without first being purified of their iniquity through the purifying Flame of My Heart."

"Do not allow Satan to confuse you by decisions made by powerful people which are out of your hands. Do not scatter like unattended sheep, but be united in the simplicity of Holy Love. It is here - in My Presence, on this property - you will be at peace. I will never abandon you, My children. I am your Confidante and your Protectress."

"Leaders will come and go - leaving their mark in the world for better or for worse; but God's Will is triumphant through it all. This is what must carry you through every difficulty. God builds and tears down; He structures and restructures. He is never defeated. He calls His own through Holy Love."

February 11, 2013 / Feast of Our Lady of Lourdes / Monday Service - Peace in All Hearts through Holy Love

Blessed Mother is here as Our Lady of Lourdes and says: "Praise be to Jesus."

"Dear children, tonight I urge you more than ever to become the Message of Holy Love in the world around you; then you will be at peace, and world events will not be such a threat to your peace."

"Dear children, I love you and I am always your Protectress."

"Tonight I'm blessing you with My Blessing of Holy Love."

February 12, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, I have come to remind you that what I have said all along is more significant now than ever; that is: it is what is in hearts that counts. The titles I was sent to request - *Protectress of the Faith* and *Refuge of Holy Love* - will take on added significance as the days, months and years progress."

"Remember, dear children, that every prayer you say affects the future of the world, as does every prayer you leave unsaid. God's Power comes through you when you pray. Therefore,

make it your mission to unleash His Power in the world."

"Do not fear the future. Understand that many prophecies must be fulfilled before My Son returns. Only the Father knows the hour of fulfillment. Stand shoulder to shoulder united in prayer as an army of prayer. Know that I, your Protectress and Refuge, stand with you."

February 13, 2013 / Ash Wednesday

Blessed Mother says: "Praise be to Jesus."

"Dear children, today as this Lenten season begins, I ask you to take into your hearts the needs of your Spiritual Mother. I recommend to you the conversion of all sinners. Further, I ask your prayers and sacrifices for the strengthening of the Remnant Faithful."

"I invite you to understand that Holy Love is a Remnant Ministry. It is not unlike Noah's Ark constructed amidst much controversy, but of unprecedented need when the hour of fulfillment came."

"We are building a spiritual ark - one prayer at a time."

February 14, 2013 / Public

"I am your Jesus, born Incarnate."

"Today is a day when the heart is given much importance in the secular world. Greeting card companies and confectioners make a great profit by marketing the heart. But all of this is superficial when the real significance of the heart and its role in human events is lost. The sentiments that the human heart embraces control world events: from governments to finances - from legalizing sin to precipitating violence and more."

"Today, I come to you seeking your redirection. Allow the sentiments of your heart to focus on love of My Father in Heaven. I tell you, He, Who is All-Knowing and All-Powerful, awaits your devotion. Within the Heart of My Father is the way around every obstacle and the solution of every problem which man faces. Turn your hearts with trusting surrender over to the One who should be the cause of your joy and the object of your affection. He will not disappoint."

February 15, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, now, in these times, it is necessary that the Remnant Faithful become

more active - more visible. Heaven has given you the instruction to do so. Use My Title, *Protectress of the Faith*. Pray much, for every prayer counts. Pray the rosary and be united in the Truth."

"The Remnant is always in My Heart. Therefore, do not fear. Bring to light error and Satan's deceit. Remember always that he is the Prince of Lies."

"This Mission, the Messages and this site will be synonymous with the Remnant, now, as we move forward."

February 15, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, even when you do not understand situations and circumstances, please know that My Love is constant and I will not abandon you. Lay your petitions upon My Heart, then, and have faith."

"Tonight I am blessing you with My Blessing of Divine Love."

February 16, 2013 / Public

"I am your Jesus, born Incarnate."

"Every present moment is the time to believe, the invitation to pray and the opportunity to love."

February 17, 2013 / Public

"I am your Jesus, born Incarnate."

"I have come to tell everyone that no one has the right to oppose or discourage prayer anywhere. This is true here at this apparition site, in schools and in public places. Prayer is the link between Heaven and earth. It is the avenue that free will travels to be united with the Divine. Prayer opens the doorway to the Truth and resolves animosities."

"To say that banning prayer safeguards freedom is a paradox. Prayer is the way to realize freedom. Do not be intimidated, then, by anyone or any group to believe prayer is inappropriate or that you risk disobedience by praying. My Heart invites every prayer - welcomes every effort in prayer. The world needs prayer more now than ever before."

"Governments waste time legalizing sin. Legislators need to legalize every effort in prayer."

February 18, 2013 / Public

"I am your Jesus, born Incarnate."

"Prayer is the universal language between the heart of man and the Heart of God. It is the doorway to grace and, therefore, peace. Prayer challenges untruth in the heart. It protects and delivers the soul from evil. Prayer is the defense of the just and sheds light upon evil agendas."

"Those who oppose prayer in any way are not living in My Father's Divine Will. Pretense of some 'good' in an effort to stop prayer does not transform an evil effort to good intent. You removed prayer from schools and replaced it with guns. You removed the Ten Commandments from courts of law and legalized sin."

"Today, I am calling all people and all nations into My army of prayer. You do not anticipate what lies ahead or with what intensity it will come. The days of My Mercy shorten. My Justice must come."

February 18, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, through prayer you open your hearts to grace. This is the way to respond to grace - through prayer from the heart."

"Tonight I'm extending to you My Blessing of Divine Love."

February 20, 2013 / Public

"I am your Jesus, born Incarnate."

"Once again I remind you that prayer is the solution to every problem. I tell you this, for the heart which opens itself to prayer, opens to grace. It is through prayer that Truth is recognized, and Truth is always the path of grace."

"Prayer dispels confusion and error. Prayer, arising from a humble, loving heart is the way to victory over any evil. Prayer is the muscle of your spirituality. It must be exercised to be made stronger. Sacrifice is like a vitamin enhancing your prayer life."

"Neither prayer nor sacrifice should be neglected."

February 21, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"These are the days, when, through God's Glory, I am gathering the Remnant Faithful into My Immaculate Heart. The Remnant are the

ones who persevere in the Truth despite every type of opposition. In the Refuge of My Heart, they will not be deceived by any circumstance or power which comes against the rudiments of their faith."

"The Remnant does not perceive evil as a threat, but as an obstacle to overcome by God's Power through their efforts. The Remnant are not afraid to show devotion to Me, but see Me as their Advocate and Mediatrix. Those who answer Heaven's call to live in Holy Love have chosen to be part of the Remnant Faithful. Therefore, they will not be confused as to what is good or what is evil. They will be sure-footed during these perilous times."

February 22, 2013 / Public

"I am your Jesus, born Incarnate."

"I am building the New Jerusalem within each heart that lives in Holy Love. Holy Love is and will be the foundation of the New Jerusalem. Heaven's peace abides on this property. Anything which destroys your peace is not of Me. Therefore, any discouragement in coming here to this site is not coming from the Spirit of Truth. Do not doubt it."

"By your becoming the Message of Holy Love, you preach the Message. It is not necessary to preach by words which often become too enhanced by the human spirit. Be the Message of Holy Love to others and they will search you out, hungering for more."

"Remember, a good foundation will not collapse under pressure. Therefore, the foundation of Holy Love in your heart must be fortified by prayer, strengthened by sacrifice, and protected by your surrender to My Father's Divine Will."

February 22, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, when you open your hearts to Our United Hearts through Holy Love, you open your hearts to the grace to live in Holy Love. Do not betray Me by doubts, but believe."

"Tonight I'm extending to you My Blessing of Divine Love."

February 23, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

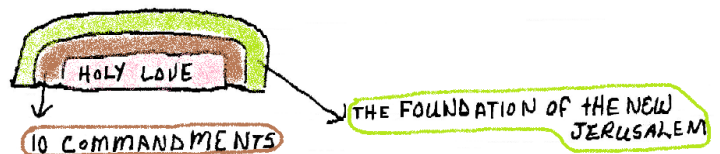

"These days, dear children, please understand that any law can be transgressed if power falls into the wrong hands. Do not be fooled by thinking secular leadership should be united with religious leadership as a solution to world problems. This is the open door to compromise and more."

"Remember, Satan is good at clothing his works behind seeming good. This is why you must, with wisdom and prudence, look at end results and consequences - not just the proposed action which looks good."

"Do not think that titles dictate good. It is the heart which governs the spirit of every work. If Truth is compromised, it arises from a compromised heart. Satan feigns good to foster evil."

"Dear children, your Heavenly Mother is always with you. I will listen to your prayers for discernment and wisdom so that you do not fall prey to Satan's trickery. You are My instruments in the world if you choose it. Do not be discouraged as spiritual warfare heats up. My Heart is your Refuge."

February 23, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"These are all one, and form the foundation - the cornerstone - of the New Jerusalem."

"Make it known."

(Drawing sketched by the Visionary, Maureen Sweeney-Kyle)

February 24, 2013 / Public

"I am your Jesus, born Incarnate."

"What people these days must constantly be aware of is that there are two forces at work in the world today: the Power of the Holy Spirit - the Spirit of Truth - and the power of darkness - the Father of Lies. Both of these spirits try to influence your every present moment. You need to remember this in every decision - great or small. It is all too easy to forget and not to recognize who is influencing you. These

influences can come through other people, your leisure or entertainment, or even the opinions you form and act upon."

"Most people acknowledge there is good and evil at work in the world today, but they do not realize the tug of war being waged over every free will decision, and they do not choose wisely. Satan tries to influence everyone in every present moment to his advantage. For him, there is no such thing as a small victory. He uses every inroad towards his final victory - the perdition of the soul."

"You can win souls for Me by using this information, today, towards deeper personal holiness and your own spiritual purification. I wish to help each one of My little lambs to remember this Message. Fear no evil, but do not cooperate with it."

February 25, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, pray with one voice and with hearts united to Our United Hearts for the conversion of sinners. These are perilous times - times in which many ancient prophecies will be fulfilled."

"Tonight I am extending to you My Blessing of Divine Love."

February 26, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"At the heart of any rose is the most intense color and the most beautiful fragrance. This Mission is like a rose blooming amidst the thorns of confusion and compromise in the world. But, just as with the rose, the closer you get to the Mission, the more you appreciate it. The more the soul delves into the Messages, the more appreciative he is of the Mission. The beautiful fragrance of the Mission is the Truth Itself."

"I must reiterate the words of St. Francis de Sales from last month [January 24th] - 'No Truth opposes Holy Love'. In these few profound words, every opposition is revealed for what it is - one of Satan's lies."

"Dear little children, allow the Truth to bloom in your hearts by living these Messages of Holy Love. Be a rose of Truth amidst the thorns of compromise."

February 27, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Yesterday, I compared this Mission to a rose: the outer beauty being the Mission itself; the inner fragrance the foundation of Truth. Today, I invite you to see that both of these, the outer beauty and the fragrance of the rose, come together to form one. Both are appreciated together."

"With the Mission, this concept holds fast. The Messages are appreciated on their own merit, but, further appreciated for their basis in Truth. The two are never separated but make up the whole."

"Opinions of those who do not embrace the whole do not hold value. Some make up their own version of the Truth, but it is not reality."

"Just as the outer beauty of the rose draws you to enjoy its fragrance, the beauty of these Messages, which is the Mission itself, draws the soul to the Truth."

"Everything begins and ends with the Truth - not only in this Mission, but in life itself. Souls can live and make choices in untruth, but Truth is the final judge."

February 28, 2013 / Public

INSTRUCTIONS TO REMNANT

"I am your Jesus, born Incarnate."

"Today, I invite all to understand that this Mission of Holy Love is part of My Divine Mercy. It is through My Mercy that the Remnant is being prepared and strengthened - even increased."

"I will not forsake you. I will continue to lead and to guide you. The Truth of Holy Love will find a way around every obstacle and danger."

"Satan tries to obscure the power of your prayers - most especially the rosary. Let devotion to the rosary encapsulate your heart. You will then be marked with a sign of predestination. The enemy will know you are Mine. Forgive everyone. Carry no grudge. This makes you a most powerful instrument in My Hands."

"Surrender your day - every day - to the Divine Will of My Father through Our United Hearts. Then you will be part of Our United Hearts. Then you will not fear - but trust."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

March 2013

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

March 1, 2013 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"Please note that what I am saying to you today is based upon Scripture. The Holy Spirit - the Spirit of Truth - conceived the Word Incarnate in Our Lady's Womb. This was only possible because Our Lady's Heart was open to the Holy Spirit."

"In a similar way, the same Holy Spirit will be at work in the upcoming Conclave of Cardinals about to assemble in Rome to elect a new Pontiff. Their hearts must be open to the Spirit of Truth. If their hearts are compromised in any way, they will not act on the inspiration of the Holy Spirit."

"Therefore, all should pray that hearts are open and act according to the inspiration of the Spirit of Truth as they begin this enormous task."

March 1, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, continue in your efforts to pray and sacrifice always for those who embrace evil in their hearts, and who are clothed in goodness. Pray that their agendas be revealed."

"Tonight I'm imparting to you My Blessing of Divine Love."

March 2, 2013 / Public

"I am your Jesus, born Incarnate."

"Holy Love is the umbrella that protects you from the storms of life, be it political, economic or religious. The winds of misinformation and controversy may try to blow the 'umbrella' inside out, but it is by sinful error, all of these will be turned inside out themselves."

March 3, 2013 / Public

"I am your Jesus, born Incarnate."

"Yesterday, you were given the analogy of Holy Love as a protective umbrella. An umbrella is compromised by any tear or hole. In Holy Love, the same holds true. A tear or hole in Holy Love is the result of lack of trust or any compromised virtue. I call attention to lack of trust, in particular, for fear focuses on self and human effort - not on God and His good actions through others."

"Please understand that grace matches every challenge. Therefore, do not be sidetracked by events which may be unfolding. I am already in the future - waiting for you with My Grace."

March 3, 2013 / Sunday Service - Consecration of the Heart of the World to the United Hearts and Unity in Families

St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, in order to maintain union with God's Divine Will or even to be conformed

with God's Divine Will, you must have peace in your hearts. This is only possible in these tumultuous times if you are living in Holy Love. Then, you will have peace in your hearts and peace in your families, as well."

"I'm extending to you my Fatherly Blessing."

March 4, 2013 / Public

"I am your Jesus, born Incarnate."

"There are many who come and go here. Each one is offered the grace of Truth. This grace grants introspection as to ways they need to change - sins they need to overcome. Some respond positively to this grace. Others reject it outright. But, the grace is given. So, too, is the grace of My Mother's Heavenly Presence offered here to all who come."

"It is as I have always told you. It is what is in the heart that counts. If a person comes here seeking proof of the reality of these apparitions, he most likely will be passed over by Heaven's Hand. If a soul comes with an open heart, willing to accept whatever comes or does not come as grace, he will receive much."

"The soul who comes seeking to find error will find none in Truth. As he tests the Ministry, he will be tested."

March 4, 2013 Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, lack of trust is a bitter trial and heavy cross. My Provision for you and upon you is Perfect. The more you trust in these words, the more you will be at peace."

"Tonight I'm imparting to you My Blessing of Divine Love."

March 6, 2013 / Public

"I am your Jesus, born Incarnate."

"I tell you, the more the human heart resembles Divine Love, the more it embraces My Father's Will. Everything that sets the heart apart from Divine Love widens the abyss between free will and the Divine. Holy Love is the passport to Divine Love, and therefore, My Father's Will."

"Holy Love gives you the means of union with the Eternal Will; but, it is an act of free will within the human heart which makes it possible. I wish to place in the heart of every soul the desire to become more like Divine Love through consecration to Our United Hearts."

March 7, 2013 / Public

"I am your Jesus, born Incarnate."

"I tell you, solemnly, if I were in the world today, I would be calling everyone into unity through Holy Love. This, then, is the solution to faulty, weak and even sinful leadership. It is the disclosure of evil and the resolution towards good."

"But these days, Truth has taken a back seat to hidden agendas too numerous to name. Pray, My brothers and sisters, for the Conclave gathering in Rome. Pray that Truth based on Holy Love wins out and is victorious. As long as there is free will, all things are possible."

March 8, 2013 / Public

"I am your Jesus, born Incarnate."

"Truth and compromise are incompatible. Once Truth falls victim to the least compromise, it is no longer Truth."

"Peoples' opinions, when they are based upon any compromise, lead astray anyone influenced by them. This leads to false leadership and compromised goals."

"My Glory comes to you in Truth and is victorious in and through Truth. The basis of My Truth is Holy Love."

March 8, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, it is important that over the next few days that you pray that free will be aligned with the Truth."

"Tonight I'm blessing you with My Blessing of Divine Love."

March 9, 2013 / Public

"I am your Jesus, born Incarnate."

"Today, I have come to tell you that the Holy Spirit - the Spirit of Truth - must be allowed to inspire. If His actions within any human heart are thwarted, the world and its future are compromised forever. This is why, I tell you, it is such a grave sin to oppose the workings of the Holy Spirit."

"Every day each soul should pray to recognize the inspirations of the Holy Spirit. At the same time, he should pray to recognize the forces of evil. Both compete for the inner workings of every heart. Those who have the most influence over the most souls have been given extra angels to help them in their discernment of spirits."

"You should pray to the angels, as a whole, asking their most powerful intercession in this endeavor."

March 10, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, in your part of the world, you are resetting your clocks so that all are in harmony as to time of day. How I desire that all the world would reset their hearts to beat in harmony with Holy Love! Your clocks are easily synchronized. Hearts are far more difficult to manage. Hearts operate not by the push of a button, but on the battery of free will."

"There are no time zones separating one heart from another. All are in the world together separated by opinions and ideologies. Furthermore, hearts are unwilling to be synchronized in Holy Love. Consequently, these times are times of error."

"Dear children, you cannot change the time or season of events as they progress to fulfill biblical prophecy; but, what you can change is your response to these times. Always live in Holy Love, for now is the time of Love's fulfillment."

March 11, 2013 / Public

"I am your Jesus, born Incarnate."

"I tell you, solemnly, the Truth never misleads. The Truth directs and redirects. The Truth never covers evil. It exposes it. The soul who chooses the Truth follows Me and reaches eternal life."

"In Truth there is no compromise. In Truth there is no hidden agenda. Truth cannot be ruled by love of self, but only by the Light of Reality."

"Truth washes away all iniquity. Therefore, Truth is your sanctification."

March 11, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, this coming week I need each of you, and all of you, to pray always. You can do this by performing each thought, word and action with great Holy Love; for this is what makes everything worthy in My Eyes and prayer-like."

"Tonight I'm extending My Blessing of Divine Love."

March 12, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, My dear children, I ask your prayers that the Cardinals be united not in hidden agendas, but in Holy Love. The future depends upon the foundation of Holy Love in hearts - from the simplest soul to the most influential."

"Sound Leadership does not give a false outer appearance of humility, but is the same inside as he is on the outside - always self-effacing with concern for the welfare of his followers. Such a one is never a dictator, but always a shepherd. The Holy Love in his

heart shines through his words and actions. He never takes advantage of his position or authority towards his own gain."

"Today, continually call down on the Conclave in Rome the Power of the Dominions - the fourth Choir of Angels. They will help all present to govern their senses and to subdue their unruly passions, if needed."

March 12, 2013 / Public

"I am your Jesus, born Incarnate."

"I come not to sow discord in hearts, but Truth. It is the Revelation of Truth and man's inability to accept Truth, which causes discord. Holy Love, which is Truth Itself, is the foundation of peace. There is no other path which is long lasting."

March 13, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"I applaud the Cardinals for uniting in this decision. Time alone holds the answers for many questions, both in this Mission, the Church and the world. Pray for Francis the First."

March 14, 2013 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"The direction of every individual needs to be founded upon his surrender to God's Divine Will. Actions which are predicated upon seeking the favor of influential people are superficial and, in God's Eyes, of no account."

"The heart that is steeped in prayer will make better free will choices - more worthy free will choices - than the heart that seeks to follow the favor of others."

"Prayer leads the soul to the intention of pleasing God and acting according to His Divine Will."

March 15, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I need for you to be the Light of Truth amidst the darkness of hypocrisy in the world today; do so by living the Messages of Holy Love. Heaven will be your protection."

"Tonight I'm imparting to you My Blessing of Divine Love."

March 16, 2013 / Public

"I am your Jesus, born Incarnate."

"I have set My Seal upon this property and upon the foreheads of all who come here with sincere hearts. Under the protection of this Seal, souls will

find their way to salvation laid clear - the way defined through these Messages of Holy Love. Iniquities long-standing will be brought to light."

"Let Me describe to you what I call a sincere heart, for herein lies the key to the aforementioned promise. A sincere heart searches out the Truth and then acts on it. In searching out the Truth, he does not look for error with the motive of discounting what is sound. He views possible error as always able to be vanquished in some way by Truth - by reality - by facts. In this way, his heart is not looking to disbelieve, but to believe - to be open to the Truth."

"The protection of this Seal will bring Truth to light."

I (Maureen) ask: "What about all who have come in the past? Will this promise extend to them?"

Jesus says: "If they came with open, sincere hearts - without a bent towards discrediting or disbelieving - then, My Seal rests upon them as well."

I ask: "What about ones who only read the Messages but, due to finances or physical problems or for some other reason, simply can't get here?"

He smiles. "There is no time or space in Heaven - remember? I will honor their heartfelt desire to be on the property."

"Further, I add that all who have this Spiritual Seal are placed like a seal on My Heart."

He smiles and leaves.

March 17, 2013 / Feast of St. Patrick

St. Patrick appears with shamrocks in the air all around him. He is holding a shamrock. He says: "Praise be to Jesus."

"Today, I have come on the wings of Truth to point out an irony. The Irish fled their homeland in search of religious freedom. They helped build this nation from the ground up. Today, this once mighty nation is silently, and without outcry, being stripped of its religious freedom."

"Continue in this Ministry to promote and stand up for the Truth - no matter the opposition. Once again, it cannot be who stands for what principle, but what they stand for."

March 18, 2013 / Public

"I am your Jesus, born Incarnate. You hold a sound question in your heart. Ask Me."

Maureen: "I'm wondering about this Seal you are giving people who come onto the property with sincere hearts. I'm sorry to keep bothering you; but, if anyone reads the Messages - does that mean they automatically receive the Seal?"

Jesus: "Only if, for some extenuating circumstance, they cannot make it to the site. It would be a serious problem preventing their journey here. The soul needs to make this determination himself."

Maureen: "Tell me again about the Seal and why people should have it."

He smiles. "First of all, they should view it as a gift from Me. It is a Spiritual Seal - not visible - but a Seal that helps them discern the state of their own soul, and also discern good from evil in the world. The only requirement is a sincere heart. I told you before that a sincere heart is a heart open to the Truth. Understand?"

Maureen: "Yes, okay. I'll pray people listen."

He smiles and leaves.

March 18, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, just for a moment, let Me explain to you the difference between a sincere heart and an insincere heart. The sincere heart is open to the Truth and willing to follow it. The insincere heart comes to the property [Maranatha Spring and Shrine] looking for reasons not to believe."

"Tonight I'm imparting to you My Blessing of Divine Love."

March 19, 2013 / Feast of St. Joseph

St. Joseph says: "Praise be to Jesus."

"Today, I have come to help you realize that the routine of your day is accomplished through the grace of God. Fathers and mothers do much every day that only goes noticed if left undone. So, it is, as well, with God's grace. Much of what He gives is never noticed. However, His graces that are taken for granted, if removed from the world, could cause grave difficulties. Just the simple act of drawing your next breath is a grace."

"Furthermore, some graces are what I call present moment graces such as hope and trust. These contrast fear which is a present moment attack dealing with the future."

"I hope this helps all to see that nothing in life is routine or should be taken for granted."

March 20, 2013 / Public

"I am your Jesus, born Incarnate."

"I tell you solemnly, the hearts of unbelievers are like a cold north wind - unrelenting and unwelcoming to the Messages and graces of Holy Love. Such hearts are like a cloudy day which will not allow the Light of Truth to penetrate their souls."

"I cannot break through the murky cloudiness of their thoughts, words and actions without the prayers and sacrifices of My believers. It is with these good efforts, I can make strong overtures to free will and influence them towards salvific choices."

"Make it known."

March 21, 2013 / Public

"I am your Jesus, born Incarnate."

"I have come to help you see that forgiveness is an important step in personal holiness. There are steps within this step in holiness, as well. The first step in forgiveness is to recognize the need to forgive. The next step is to desire forgiveness. The soul who wants to forgive must embrace humility. Through humility, he can then forget the wrong perpetrated against him. Very often the soul will need to begin these steps in forgiveness over and over."

"The enemy of every soul wants you to contemplate the wrong done you so that as soon as you successfully forgive, the wound is opened again. Do not be discouraged by these attacks. Continually seek the assistance of My Mother, Mary, Refuge of Holy Love. She will help you to climb the steps of forgiveness."

March 22, 2013 / Public

"I am your Jesus, born Incarnate."

"I tell you, weather patterns will come and go, seasons will change, but it is the stubbornness in hearts which grieves Me. So many are unwilling to recognize the error of their opinions and their decisions. So many hold steadfast in sin. They block the goodness of My grace and hold fast to their errors."

"This is why My Mother and I continually seek your prayers for unbelievers. Their hearts are held steadfast in their own errors and will not warm to the Truth. For years, I have been telling you this. For years, unbelievers search out error in Heaven's Words - error that is not there."

"Continue to pray for these proud and stubborn hearts who embrace a pharisaical spirit wholeheartedly. I stripped them of their cover of self-righteousness when I was in the world, and I continue to do so today."

March 22, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Jesus sends Me with this Message. Those of My children who step onto the property with sincere hearts, that is, a heart open to belief - not searching of reasons to disbelieve - will be plunged into the First Chamber of My Immaculate Heart and Its Purifying Flame, as they receive the Seal of Discernment that My Son will place upon their foreheads. This anointing is a certain sign to Satan that you belong to Me, and that you are under Jesus' charge."

Maureen says: "Blessed Mother, may I ask a question?"

She nods - as though saying, 'go ahead'.

Maureen: "If people come to the property, and don't have a sincere heart, can they come back again, perhaps more sincere, and receive the Seal?"

Blessed Mother: "A sincere heart is always welcome. This Seal is given freely to the sincere of heart - just as the Flame of My Heart is always accessible."

March 22, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, abandon yourselves to Me. Allow your hearts to be captured by My Love. Let your hearts be prisoners of Holy and Divine Love and be united in this Love. In this way, you will never offend Me again."

"Tonight I'm extending to you My Blessing of Divine Love."

March 23, 2013 / Public

St. Thomas Aquinas says: "Praise be to Jesus - Ever Present in the Tabernacles of the World."

"I desire that souls begin to grasp this Truth and to act on it, as it pleases God. The only way to spiritual perfection is in and through perfection in Holy Love. Holy Love embraces all the Commandments and every virtue. There is no other way to holiness and to perfection in the spiritual journey."

"This is why the First Chamber in the journey through the United Hearts is given over to Holy Love - purification of iniquity through the Flame of Love which is Our Mother's Heart."

"Souls are called to be one with Holy Love from the cradle - indeed, from conception - for this is the model of sanctification. This spiritual perfection is the foundation of the innermost longing of every heart."

March 24, 2013/Palm Sunday of the Lord's Passion

"I am your Jesus, born Incarnate."

"My Heart weighed heavily as I entered Jerusalem. I thought of the many souls who would fall to their perdition despite My Sacrifice. I thought of this Mission and the ways it would be maligned by jealous tongues; but, I could not turn back."

"Today, I offer the consolation of My Seal of Discernment to those who step onto the property. It is an ongoing grace. Souls who are under this Seal will be continually enlightened as to the state of their conscience before Me. They will, with clarity, see the line between good and evil. Disbelief rejects the gift I offer of this Spiritual Seal."

March 24, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come with yet another important weapon in the fight against abortion. As you know, abortion is the one crime which, if conquered, would change the future of the world. The weapon I now hand off to you is the *Chaplet of the Unborn*."

Blessed Mother holds out a chaplet with five sets of three Hail Marys and one Our Father - like the Chaplet of the United Hearts. The beads are like the beads on the Rosary of the Unborn.

She says: "Pray each set of one Our Father and three Hail Marys for the following intentions:"

"Set 1 - The recognition by all that God creates human life at the moment of conception."

"Set 2 - An end to all legalized abortion."

"Set 3 - For all expectant mothers - that they value the precious life within them."

"Set 4 - The conviction of conscience in the Truth for anyone considering abortion."

"Set 5 -An inner healing for all who have been involved in any way with abortion:

- Mothers and Fathers
- Health Caregivers
- Legislators
- Those who, in their thoughts, words, actions or lack of action, have supported abortion."

"At the end, say the following prayer:"

"Heavenly Father, please forgive this generation for the arrogance of abortion. Heal the many wounds abortion has caused in our hearts, in the world and in our relationship with You. Unite us in the Truth. Amen."

March 25, 2013 / Public

PROMISES

Blessed Mother says: "Praise be to Jesus."

"Here are the advantages - promises, if you will - of praying the Chaplet of the Unborn which I just dictated to you:"

- "Every time the Chaplet is prayed from the heart, some soul contemplating abortion will have a change of heart."

- "Each time the Chaplet is prayed from the heart, some soul will be reconciled with the Truth of what abortion really is - the taking of a life."

- "The Chaplet is a means of reconciliation between the heart of man and the Heart of God, which is so greatly wounded by the sin of abortion."

"You will make this known."

March 25, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, during this Holy Week, which we are presently in, I have come to ask that you offer reparation to Our United Hearts for the sins against life. My Father is listening."

"Tonight I'm imparting to you My Blessing of Divine Love."

March 26, 2013 / Public

"I am your Jesus, born Incarnate."

"I have come to speak to you about unbelievers, for these are the ones who do not regard God's Laws. These are the ones who support the legalization of sins, such as abortion and same sex marriage."

"Unbelievers are like unripened fruit that falls from the tree and never reaches maturity. The reasons God created the unripened fruit are never realized."

"Unbelievers are like the wind which does not seem to have an origin and changes direction, seemingly without cause. Unbelievers grab any opinion and champion any cause without the foundation of Truth."

"Unbelievers are also the lukewarm who may believe a little but not enough to change their hearts."

"You see why unbelievers grieve Me? It is not just that they do not believe in this apparition. It is that they believe error and not the Truth. They make all the wrong choices, which is why sin has the support of law. They do not know their own hearts."

"I offer the Seal of Discernment to all unbelievers who come here. They must desire to accept it."

March 27, 2013 / Public

"I am your Jesus, born Incarnate."

"I tell you, fear is a sign - a symptom - that you have too much confidence in your own efforts and not enough trust in Me. Often My life lessons are lost on such souls, as they do not recognize My Hand in every present moment."

"Everything happens for a reason. Very often that reason is to inspire greater trust in Me."

March 28, 2013 / Holy Thursday

"I am your Jesus, born Incarnate."

"How I long to embrace the heart of the world with My Eucharistic Heart! So many do not believe or have fallen away. My Eucharistic Heart is the Pearl of great value all men should seek. Instead, they chase after that which is passing and without eternal value."

Maureen asks: "Jesus, the vision I have off and on of the hammer striking at a heart - what does it mean?"

Jesus says: "The heart is the heart of the world. The hammer represents the disastrous free will choices mankind is making which are destroying the heart of the world and its relationship with God. Personal holiness is of little value anymore to most. This is why I am here now - to return mankind to love of God and neighbor. But people are making up reasons to disbelieve. This exempts their responsibility to live in Holy Love in their eyes."

"My Heart is All Mercy - All Love. If only people would accept this."

March 28, 2013 / Holy Thursday

"I am your Jesus, born Incarnate."

"On this night so many centuries ago, I gave the world My Eucharistic Heart as a means of remaining with you always. But today, most hearts have rejected Me. They do not understand that I am Love and Mercy Itself. They have welcomed error into their hearts instead of Love and Mercy."

"I come here to you to confide to you the sadness of My Heart. But those who call Me 'friend' will not listen. I give them every reason to believe in faith; but, they trust only human reason."

"It is much like the response to the apparitions here. There is every reason to believe, but so many choose human intellect over faith."

"We will persevere, for the Truth does persevere. The Truth never changes. I am with you always."

March 28, 2013 / Holy Thursday

Blessed Mother says: "Praise be to Jesus."

"Dear children, listen to My Jesus when He calls you to unity in Holy Love. Every challenge to unity,

every challenge to your peace of heart, is Satan attempting to steal the present moment from you. Do not allow him to succeed."

"Dear children, each of you is My special instrument in an unbelieving world. Allow your hearts to respond with love to whatever God permits in your lives."

"I am always with you, embracing your hearts with My Love."

March 29, 2013 / Good Friday

"I am your Jesus, born Incarnate."

"I will tell you why I was crucified. It was because those in power wanted to kill the Truth. They could not defend themselves in the Light of the Truth, and so, they chose to destroy it. They were unsuccessful."

"Isn't this so today? The Message of Holy Love, which is the Light of Truth, is under attack and trying to be destroyed by those who cannot face the Truth. But, I tell you, just as in My day, no power can destroy the Spirit of Truth. No decree or dictate can make the Truth disappear."

"It is only the compromised conscience which opposes the pure Light of Truth. Holy Love never contradicts Truth, and Truth never contradicts Holy Love."

"As I hung on the Cross, I knew Truth would live on through My Apostles - the Church - and through each of you. That was My consolation, and it still is today."

March 31, 2013 / Easter Sunday

"I am your Jesus, born Incarnate."

"I will tell you now the impact and the message of My Resurrection which I imparted to the world on Easter morning. First of all, the Gates of Heaven have been opened forever so souls should rejoice and aspire to eternal joy. Next, the world must realize that Truth will not, and cannot, be silenced - for I Am the Way, the Truth and the Life. Next, every cross, which borne bravely, leads to a joyful grace."

"So, today be joyful, My brothers and sisters. Proclaim the Truth from the rooftops. Let your faith shine through you onto those around you. I am always with you."

"I am your Jesus, born Incarnate. I am the Resurrection and the Life. Alleluia!"

"Today, I have come to address the anatomy of forgiveness. When dying on the Cross, I asked My Father to forgive those who crucified Me. I had already forgiven them, or else I could not have asked this."

"So, I am here to tell you, if you sincerely want to forgive and to forget, pray that those who oppose you, or have injured you, or have insulted you, are forgiven and embraced by My Mercy. Do not waste any present moment by brooding or pouting over wrongs done to you. Each time the enemy tempts you in such a way, pray for My Mercy to fall on those, (whom have hurt you), like the dewfall moistens a Spring flower."

"If you practice this, you will soon forgive. This is an exercise in forgetting self."

April 1, 2013 / Monday Service - Peace in All hearts through Holy Love

Jesus is here, all in white and with His Heart exposed. He says: "I am your Jesus, born Incarnate. I am the Resurrection and the Life. Alleluia!"

"My brothers and sisters, have no trepidation in your hearts in the present moment. Do not fear the future or dwell on the past that you must surrender to My Mercy."

"Trust in My Grace and My Provision and rejoice with Me for the new life in My Resurrection."

"Tonight I'm imparting to you My Blessing of Divine Love."

April 2, 2013 / Public

"I am your Jesus, born Incarnate. Alleluia!"

"The Alpha and the Omega are at hand in every present moment. Take off the old and put on the New. Be My New Creation in Holy and Divine Love. Witness

to the Truth of Holy Love. Help Me to change hearts and the world."

April 3, 2013 / Public

"I am your Jesus, born Incarnate."

"The more your heart resembles Holy Love, the closer you are to My Father, to Me, and the more welcome the Holy Spirit feels. This is why I tell you to rid your hearts of any grudges or unforgiveness. Not only are these an obstacle to unity but, also, to Holy Love. You cannot treat one person with Holy Love and another with contempt. To do so, makes your attempts in Holy Love false."

"I find disunity due to unforgiveness, contemptible in the soul who claims to be living in Holy Love. Such choices show Me the soul does not live in the Truth, but has made up a compromised Truth."

"Be united in Holy Love. Do not allow Satan to tempt you otherwise. If you have a genuine grievance with someone, bring it out into the open; do not allow it to fester in your hearts, thereby affecting your choices and your relationship with Me. Be Holy Love with a sincere heart."

April 5, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, in order for you to surrender to My Mercy, you must first accept in your own heart that you need My Mercy. Then I will enlighten you as to why you need My Mercy. Mercy is always based upon Love and Trust."

"Tonight I'm imparting to you My Blessing of Divine Love."

April 7, 2013 / Divine Mercy Sunday - 3:00 P.M. Service

(This message was given in multiple parts.)

Jesus is here as He appears as Divine Mercy. He says: I am your Jesus, born Incarnate. Alleluia!"

"My brothers and sisters, you are living in an age such as never before - an age, when surrender to My Mercy is the key to the future well-being of all mankind. Just as everything is a grace; so, too, everything is My Mercy. All things - people, events, crosses and victories - are My Merciful attempt at saving souls."

"The heart of the world has grown far distant from the Heart of My Father through arrogant free will choices. There is little regard for God's Will in governments and in the treatment of one another. I do not desire the unleashing of My Justice, which will follow this age of My Mercy, but mankind is tempting My Justice by his disregard for God's Commandments."

"This entire Ministry, the Messages of Holy Love, the journey through the Chambers of Our United Hearts, and the graces attendant to the property are all an extension

and an outpouring of My Divine Mercy. This is the Truth. Do not depart from the Truth."

"Every present moment holds an outpouring of My Mercy - not to be outdone in consolation or provision - all inviting each one to his salvation."

"Today, I tell you, this Mission is the emissary of My Mercy and the forerunner of My Age of Justice. Through these Messages, and all the graces attendant to this property, I am calling souls into My Merciful Heart."

"My Mercy is omnipresent. It is like a cool refreshing spring in the midst of a desert. It is all-encompassing like the sky that wraps around the earth. Apart from My Mercy, there is no life. Yet, I tell you, as present as My Mercy is, souls must choose it to receive it. It is like a delicious piece of candy. The child may see it, but he cannot enjoy it until he chooses to partake of it."

"Today, I tell you, that My Divine Love and My Divine Mercy are one. Neither can exist in the heart without the other. As they are one in Me, so too, love and mercy must be one in you. Mercy is the fruit of love. Your trust in Me is the barometer of your love of Me."

"As I tell you these things in All Truth, you must choose to live them in Truth. Then, you will be My Glory in the world around you."

"I tell you solemnly, My brothers and sisters, My Divine Merciful Love is the soul's last recourse to his own salvation and everlasting life. The most precious moments of anyone's life are now, in the present moment, and at his last breath. The soul who, in the present moment, chooses My Merciful Love will not be conflicted in his last moment on earth. This is why I have come to you at this site and why I send My Mother and the saints here - to draw you into My Merciful Love. It is never I who rejects a soul, but the soul who rejects Me."

"Learn to choose wisely in the present moment. You have been given the roadmap of the Chambers of Our United Hearts. Follow it."

"Today, My dear brothers and sisters, I come to you once again imploring the heart of the world to turn to My Merciful Love. If every heart and every nation would live according to Holy and Divine Love, you would have no more war, no need for weapons of mass destruction, and you would be at peace."

"In My Heart is your every need. I am taking your petitions into My Heart today, and I'm blessing you with My Blessing of Divine Love."

April 8, 2013 / Feast of The Annunciation

Blessed Mother says: "Praise be to Jesus."

"My Son's Mercy rests upon every heart which chooses to turn towards it. He does not deny anyone. The greatest miracle is the conversion of one heart. This site of Holy Love abounds in many such miracles."

"It was My Son's Joy to place the Seal of Discernment upon so many yesterday. Heaven still rejoices. No one who comes here will be denied the opportunity of receiving this Seal. It is only the insincere of heart - that is, those trying to find error here - who will not be granted the grace of this Seal. This Seal will be

proven worthy of guiding souls in choosing between good and evil in the future."

April 8, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here as Divine Mercy. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please understand that as often as you need My Divine Mercy upon you, that is how often you will be embraced by My Mercy. You cannot come to Me too often for forgiveness, nor can your sins be so scarlet that I will refuse you."

"Dear children of God, understand the importance of this Message."

"Tonight I'm imparting to you My Blessing of Divine Love."

April 9, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Every time you choose Holy Love in thought, word or deed over your own will, God is victorious in your heart; for God's Victory is always in the Truth of Holy Love. It is the wonderful gift of the Seal of Discernment, which sincere souls receive when they step onto the property, which aids them in choosing the Truth."

"Outside of the Truth, there is no salvation; for Jesus is the Way, the Truth and the Life. It is because of this Truth that the Mission is so greatly maligned and attacked. Those who attack Holy Love are the ones most unwilling to accept and to live in the Truth of Holy Love. God does not wait on approvals or endorsements to speak the Truth; nor does He fall silent when someone does not believe."

"My Son is here today and every day on this property to promote His Master plan - a plan of Victory - a plan of Truth over deceit. Listen to Him."

April 10, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, I must gently point out that just as the seasons change with their signs and subtleties, the spiritual world is also changing. Those who are watching for Spring to come can see the little changes in the temperatures, the greening of plant life, and the budding of flowers. Those, who are paying attention to the spiritual realities of these times, realize that evil versus good is becoming more and more apparent. At the same time, those that are not living in the Truth are living in obscurity as to what is good and what is evil. These are the ones who try to trespass upon the Truth and to transgress the rights of those who live in the Truth. They are like weeds trying to choke out spring flowers."

"A weed, you know, tries to thrive on the same nutrients that a flower does but has no conscience as to what good it impedes."

"Truth is the root of all good. God, in His Love, has given the Seal of Discernment to those who come onto the property with sincere hearts. It is a great grace during this season of confusion which weighs upon the

world. Make use of it, dear children. Satan is becoming bolder in his attacks."

April 11, 2013 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"One of Satan's favorite ploys is to encourage doubt or disbelief in Jesus' miracles: His Real Presence in the Eucharist, all the Messages here, and now, he is covering up the significance of the Seal of Discernment. Of course, he does not want people to look into their own hearts with clarity. He opposes anyone knowing the difference between good and evil, and recognizing it. But while the enemy of salvation realizes the significance of the Seal of Discernment and people recognizing the state of their souls, many people do not understand what a great grace this is."

"This grace could not have been given at a more significant time in the history of salvation. In the future, souls will need to discern, not only the state of their own hearts, but which leaders are working towards the greater Glory of God. This Seal illuminates Truth and reveals Satan's lies - to God be the Glory."

April 12, 2013 / Public

"I am your Jesus, born Incarnate."

"Perhaps you will be able to understand the needs of My Heart if I explain to you more clearly the heart of the world. The heart of the world, which is the sum total of all hearts, has become cold and uncaring in the relationship it should have with God. The heart of the world stands far distant from the Truth on many salvific issues, preferring instead to support tolerance to error. Even Heaven's corrections through visionaries, such as yourself, have been unable to redirect consciences towards righteousness."

"But, in My Great Love and Mercy, I continue to reach out to every soul; spilling grace into the world far beyond human expectation. The graces today must be unprecedented to combat the unprecedented evil which abounds."

"For these reasons, there will be another apparition on the Feast of the United Hearts in the Field so named. Gather at the hour of Mercy. Pray for the conversion of the heart of the world. My Mother and I will come and We will bless you."

Maureen: I ask, "Jesus, should the people gather at midnight the night before to pray?"

Jesus says: "Every prayer is needed and appreciated. The apparition will be on Sunday.*"

* *This is Sunday, June 9, 2013.*

April 12, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate. Alleluia."

"I am the Way, the Truth and the Life. Be devoted to the Truth, My brothers and sisters, which is Holy Love;

for this is the way of salvation."

"Do not allow the Truth to be compromised in your hearts, for this is surely Satan's attack."

"Tonight I'm blessing you with My Blessing of Divine Love."

April 13, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"In this day and age, souls must not waste time with concern for human respect. Rather, be fierce warriors of the Truth, chancing nothing to compromise. It is through souls such as these, Heaven works to bring the Message of salvation - the Message of Holy Love - to those who have lost their way."

"All the miracles attendant to this apparition site bear witness to the Truth of Holy Love. Do not allow your hearts to get caught up in the controversy of those who Satan uses to discredit Heaven's work here. Confusion is Satan's hallmark. Peace and unity are Heaven's grace and the soul's response to such grace."

"As My children of the Light, understand these things in your hearts."

April 14, 2013 / Public

"I am your Jesus, born Incarnate."

"These days society has created its own truth. Their created truth is whatever suits their own agenda. No longer are life styles based on the Ten Commandments. Morals are self-serving - not God-centered."

"These problems reach every venue of society, for Satan is not put off by title or wealth or authority. The enemy of each one's salvation does not respect vocation, public esteem or even hearts seeking personal holiness. In fact, the more the soul tries to be holy and righteous, the more Satan pursues him."

"I tell you these things so that all will be constantly aware of every attack or temptation towards sin. The enemy knows you better than you know yourself. His traps are often insidious and covert. Be strong always in Holy Love, for this is the weapon Satan will succumb to. Call upon Mary, Refuge of Holy Love when you recognize an attack."

April 15, 2013 / Public

St. Michael the Archangel says: "Praise be to Jesus."

"Every present moment holds within it the battle between good and evil. Every present moment is the format the enemy chooses for spiritual warfare. Most of the time, souls do not recognize this. However, it is also true that each present moment contains the perfection of God's Holy and Divine Will. It is in each present moment, an ongoing battle between good and evil for the soul's free will choice takes place."

"Once the present moment passes, it is gone forever. The enemy of your salvation wants you to choose all that will distance or separate you from God's Will. Since good and evil are omnipresent in an unsuspecting world, I have come to reiterate that Holy Love is the way around

all of Satan's tricks and deceptions in each present moment. Holy Love is always the right choice - the salvific choice."

April 15, 2013 / Public

"I am your Jesus, born Incarnate."

"Pure trust in My Mercy is the sure-footed path to peace. But, these days, souls trust more in themselves and in their own efforts than in My Merciful Love. People do not realize that their own capabilities are a part of My Mercy. Many proud hearts do not concede that anything comes to them from Heaven."

"These are the ones that distrust one another, inspire war and oppose My Father's Divine Will. But Truth does not perish for lack of support. Truth does not change with the passage of time. It remains undaunted by any controversy. Truth is always the outpouring of My Merciful Love. Souls that trust in My Merciful Love will also trust in My Victory of Truth, for this victory will be the winnowing fan separating good from evil and revealing to man his dependence upon My Mercy."

April 15, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, as horrific as the events were today in the city of Boston, I tell you, all could have been prevented if the heart of the world had been truly consecrated to Our United Hearts. This is why I come once again requesting your efforts - your best efforts - to accomplish this."

"Tonight I'm extending to you My Blessing of Divine Love."

April 16, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, I have come to state clearly the difference between a good leader and a compromised leader. List this clearly."

Good Leader	Compromised Leader
Lives and leads in Holy Love.	Every virtue is compromised through self-love.
Lives and leads in Truth.	Tries to convince others he lives and leads in Truth, but has hidden agenda.
Is a loving, caring shepherd.	Main concern is his own power, authority and finances.
Uses the law to guide and protect those in his charge.	Manipulates the law to his own advantage.
Has genuine concern for the well-being of others – spiritual, physical and emotional.	Protects his own well-being and uses others to do so.
His virtuous life is never on display, but between himself and God.	Tries to impress others with his virtues.

April 17, 2013 / Public

St. Michael the Archangel says: "Praise be to Jesus."

"There is no grace more poignant to these times than the Seal of Discernment offered here at this site to those of sincere heart. This is true because of the confusion and compromise that rules so many hearts during these times. Satan has succeeded in making sins legal. People do not pause to think that sin is never 'legal' or acceptable in God's Eyes."

"The Seal of Discernment is the tip of my Sword of Truth. When Truth is defeated in a heart, sin is victorious. The Seal of Discernment assists the soul in finding the Truth and in being convicted in the Truth. It is a grace which follows the soul throughout the rest of his life once he receives it."

"As the Book of Revelation unfolds, it is this Seal of Discernment which will save many souls in the face of Satan's lies."

April 18, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come to help souls further understand the profound grace of the Seal of Discernment that is offered here. Dear children, the Lord offers this Seal during these troubled times as a means of discovering the Truth. These days, wrong is misrepresented as right - a sobering reality. Many believe they have the gift of discernment when, in fact, they misinterpret Heaven's graces and even Sacred Scripture."

"Much leadership faces the temptation of compromising Truth to please self or supporters instead of supporting righteousness. The Ten Commandments set in place by the Heavenly Father have become choices."

"The Seal of Discernment, once given, does not allow the soul to choose sin without a conviction of conscience and a great struggle of heart. This Seal helps the soul to see more clearly the difference between good and evil, and the consequences of his choices. The Seal is never taken back once God gives it."

"For the rest of his journey on earth, once the soul is protected by this Seal, he will not escape conviction in the Truth. His choices will be much clearer and confusion less dominant."

"The soul who comes here with an insincere heart, that is, looking to disprove the graces here, will not be blessed by this Seal, but will continue in their life of false virtue."

"Satan, who is the father of all lies, vehemently opposes belief in this Seal of Discernment, for he knows those who disbelieve will not receive the Seal. Those who believe will be given the Truth in direct opposition to Satan's clever lies."

April 19, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, I have come to tell you, once again, that what the human heart embraces is all-consuming.

The convictions of the heart are reflected in thought, word and deed. That is, let Me reiterate, what the heart embraces spills out into the world around it. A grim reminder of this truth is the events of this past week concerning the bombings. Violence is never contained in the heart without affecting the person and his world around him."

"This is why I preach to you the importance of embracing Holy Love in your hearts. Nothing is more important in these times when Satan rampantly tries to influence souls to commit every sort of sin, including violence. Sins against life are the most offensive to My Beloved Son. This does not only include abortion and birth control, but every type of violence which opposes the dignity of life. These sins caused My Son the deepest wounds at His Scourging."

"I need to point out, as well, such sins begin in the heart in disordered self-love, which promotes lies of self-righteous opinions. From there, it is a short leap to taking things into the soul's own hands, no matter the cost to others. This is the spirit of distorted thinking. Just My revealing this truth to you today angers our enemy."

"Dear children, be much about prayer, and know I am praying with you."

April 19, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the Refuge of Our United Hearts is more trustworthy than any human being. Therefore, seek out the peace and security of Our United Hearts in every present moment."

"Tonight I'm blessing you with My Blessing of Divine Love."

April 20, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Live every present moment as an opportunity to prove your love to God. It is the Father Who gives you the present moment. It is He - the Eternal Now - Who allows you to draw the next breath. My Son will hold you accountable for your present moment decisions. Choose your thoughts, words and actions wisely according to Holy Love."

April 21, 2013 / Public

"I am your Jesus, born Incarnate."

"I invite you to come deeper into My Heart of Divine Love. My Heart is the perfection of Holy Love. Just as My Mother's Heart is a Refuge of Holy Love, so, too, My Heart is a Refuge of Divine Love. My Mother's Heart takes away your most glaring faults through the purifying Flame of Holy Love. In the Refuge of Divine Love, which is My Heart, the smallest obstacle or defect is brought to

light until there are no more obstacles between the human heart and My Own."

"See, then, how all of this relates to the Seal of Discernment, which the soul receives at this prayer site. This Seal opens the conscience to the Truth - to the difference between good and evil. Therefore, it is the doorway to the Chambers of Our United Hearts. This is an unprecedented grace."

April 22, 2013 / Public

"I am your Jesus, born Incarnate."

"I come to you seeking your welfare and a more perfect understanding of the Seal of Discernment. This Seal is the aid in helping those with a sincere heart to open to the Truth and to surrender to Holy Love. The sincere heart is genuine and looks not for errors and reasons to disbelieve, but is open to finding the Truth amidst errors which attack this Mission."

"Those whose hearts are insincere come doubt-ridden to the site and search out false reasons to disapprove and disbelieve. Some do not even bother to come to the site, but from afar discount the reality of Heaven's efforts here. These are the ones who do not search out errors within their own hearts, but look for errors in God's Holy and Divine Love. Once again: Satan's perversion of the Truth."

"The sincere heart craves the righteousness of Truth. It is not held captive by hidden agendas. It is not misled by pride nor does it seek to mislead anyone for any measure of self-gain. Those who oppose this Mission oppose Me."

"The sincere heart easily accepts the Truth and surrenders to the Truth through Holy Love."

April 22, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I invite you to discover My Love and My Mercy within your own hearts by being My Love and My Mercy to others."

"Tonight I'm blessing you with My Blessing of Divine Love."

April 23, 2013 / Public

"I am your Jesus, born Incarnate."

"I will tell you why the Seal of Discernment is so vital these days. Many hearts of those in power - prominent leaders - have been taken hostage by evil. They make decisions affecting the world - decisions which foster even greater evil - decisions against My Father's Commandments, which affect the future of the world. Some just blindly obey, paying no attention as to where they're being led or the consequences."

"The Seal of Discernment brings to light hidden agendas of those of influence. The Seal shows evil for what it is and gives the recipients of this great grace the courage to choose righteousness - Truth and Holy Love."

"If a soul cannot discern good from evil, he is like a lost lamb without direction or purpose. Therefore, come to Me and to My Mother on this site so that I may show you the way."

April 24, 2013 / Public

"I am your Jesus, born Incarnate."

"Prayer is mankind's lifeline to Heaven. The enemy of your salvation is busily trying to destroy this lifeline. He does this through forms of entertainment, people, finances and love of money, and others' opinions; but, do not be discouraged. Be courageous in your efforts to bring peace through Holy Love. Remember, those who oppose prayer, oppose Me. In opposing Me, they oppose Truth and the good which surrounds all Truth." *

**Maureen received Scripture to read:
1 Timothy Chapter 2; but especially
vs. 1-8 pertaining to this Message.*

1 Timothy Chapter 2 v1-8a

First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all men, for kings and all who are in high positions, that we may lead a quiet and peaceable life, godly and respectful in every way. This is good, and it is acceptable in the sight of God our Savior, who desires all men to be saved and to come to the knowledge of the truth. For there is one God and there is one mediator between God and men, the man Christ Jesus, who gave himself as a ransom for all, the testimony to which was borne at the proper time. For this I was appointed a preacher and apostle (I am telling the truth, I am not lying), a teacher of the Gentiles in faith and truth. I desire then that in every place the men should pray, lifting holy hands without anger or quarreling;

April 25, 2013 / Public

"I am your Jesus, born Incarnate."

"You are asking if a soul comes onto the property in a state of mortal sin, does he still receive the Seal of Discernment? Such a soul is more deserving of the Seal than others, for the Seal is My Love and Mercy in action. I would never withhold My Love and Mercy from one in need. It is, of course, an act of free will as to whether or not the soul accepts these graces and conviction of conscience. It is so with each one who comes here."

April 26, 2013 / Feast of Mary, Our Lady of Good Counsel

Blessed Mother says: "Praise be to Jesus."

"This is what I wish to impart to you today, and to imprint upon each heart. Never place obedience above the Truth. My Son taught you this in His Exemplary Life on earth. Do not deny the Spirit of Truth for loyalty to any man. Otherwise, you are embracing darkness and obeying untruth. Obedience, for the sake of obedience, is not what God asks. God desires you search out the Truth and follow it."

April 26, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with many angels around Him. His Heart is exposed, and He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight My Mercy and My Love, which are one, rest upon you. I have sent My angels amongst you to reaffirm the Seal of Discernment upon your foreheads. Therefore, tonight look with courage into your hearts."

"Tonight I'm blessing you with My Blessing of Divine Love."

April 27, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, dear children, I invite you to understand that the more opposition you face in regards to prayer, the more choices and the more important the choices are which you have to make to overcome the opposition. Do not pay heed to the source of the opposition in the world. If it is opposition to prayer, it is all from Satan."

"The Revelation of the United Hearts and the Chambers therein, all the graces attendant to this Mission and this site - these are all given to draw you, My children, into deeper personal holiness. You cannot be holy if you do not pray. Fill Jesus' Heart and My Own Immaculate Heart with your prayers. Then, Jesus will allow the grace of My Heart to spill out into the world."

April 28, 2013 / Public

"I am your Jesus, born Incarnate."

"In the world today, most trust - often unwarranted trust - is placed on power and authority, wealth and influence. But, I tell you, this is the very reason the Seal of Discernment is being offered here. Without discernment, it is difficult, at best, to separate those who live solely for their own well-being from those who live in Holy Love."

"So, I have come to seek your understanding. Do not be impressed by how the world regards people, but look for the genuine value of Holy Love in hearts. This genuine trait is always associated with humility. The two are twin attributes in the heart. Beware of hypocrisy which portrays false virtue for others to see and to be impressed by. It is through the Seal of Discernment, you will discover the Truth."

"The Truth of Holy Love is My Father's Will for you."

April 29, 2013 / Feast of St. Catherine of Siena

St. Catherine of Siena says: "Praise be to Jesus."

"I have come to you many times as Jesus permits, but never before has the world been in such crisis. Violence in the womb has been translated into violence in the world. Modern technology has shrunk the world; but mankind has used these advances not towards unity, but to emphasize differences, conflict and sin."

"All the good that comes to earth here - all the graces attendant to this Mission - have been discounted by those who should embrace them. If the heart of the world was not in dire need of all God offers through this Mission, these graces would not be given. But, the heart of the world squabbles over borders, the legalization of sins, weapons and the climate. The real problem is that evil is not recognized for what it is."

"The Truth, which Holy Love represents here, is summarily dismissed and discounted by those misguided souls who choose the wide path Satan lays before them."

"Today, I tell you, world events are about to take on a new significance. The impact of natural disasters will intensify. God is trying to get the attention of His children. So, pay attention. Pray much. Sacrifice much. Evangelize much. Believe much."

April 29, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight more than ever, I ask your unfaltering trust - trust in Me, trust in My Father's Divine Will for you. Your trust is a barometer of the love you hold for Me in your Hearts."

"Tonight I'm extending to you My Blessing of Divine Love."

April 30, 2013 / Public

"I am your Jesus, born Incarnate."

"There are many dangers in the world today due to mankind's acceptance of falsehoods as Truth. The Father's Ten Commandments are Truth, but these days, they are greatly compromised to suit individual life choices. In My Father's Eyes, new interpretations of Truth are lies. You must not allow your hearts to be persuaded against the Truth, for what each one holds in his heart affects the heart of the world."

"The inner working of hearts and, indeed, the movement of the Cosmos itself, depends on a few just prayers offered daily in Holy Love. Often, you do not see the dramatic effects of your prayers; but I tell you, no prayer offered with love goes unheard. You have the power of your rosary in your hands to stop wars and thwart manmade or natural disaster. The rosary is more powerful than any nuclear weapon when it is prayed with love. In trust, believe in Me."

June 2013

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

FEAST OF THE HOLY ROSARY – Promised Apparition on October 7, 2013

Meet **Sunday at 2:30 PM** at the Field of the United Hearts for a
Procession, Prayer Service, and promised Apparition.

“I have come to tell you that I will appear once again in Our Field of the United Hearts on the Feast of My Holy Rosary. This is to draw attention to the importance of the prayer of the rosary.” (Blessed Mother – June 12, 2013)

June 1, 2013 / Public

“I am your Jesus, born Incarnate.”

“The complexity of modern day problems lies in mankind's inability to discern the Truth. Given the fact that Holy Love is the Truth, it behooves mankind to use this Anchor of Truth as the foundation of every thought, word and deed. Too many choices are based upon compromise, which is the doorway to confusion. This is the basis of all moral degeneration.”

“Soon you will begin to see, if you haven't already, that which has been clothed in secrecy brought into the light - not to destroy evil but to make it more acceptable and clothed in goodness. What has been routine will, at a point in time, be forced to be clothed in secrecy.”

“These times will hardly be recognizable at first and will be insidious in nature; but they are coming.”

June 2, 2013 / Sunday Service – Consecration of the Heart of the World to the United Hearts and Unity in Families

St. Joseph is here and says: “Praise be to Jesus.”

“My brothers and sisters, please understand that when the institution of marriage is compromised, such as it is these days in modern society, the family is also compromised.”

“When the family is compromised, the community, the nation and the world is also compromised; for no sin stays solely where it is committed, and by whom it is committed.”

“Tonight I extend to you my Fatherly Blessing.”

June 3, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“I have opened My Heart here, as in no other place in the world. I have given you the Chambers of Our United Hearts, and I ask you to pursue it; for it is the path to My Father's Divine Will.”

“Tonight I'm extending to you My Blessing of Divine Love.”

June 4, 2013 Public

Blessed Mother says: "Praise be to Jesus."

"This Mission has been raised up during these times towards the Triumph of Our United Hearts which is one with the Victory of Truth. For all eternity, the Father has known of the existence of this Mission - of who would believe and disbelieve; and of who would oppose it."

"Some have made up their minds to come here and to disprove Heaven's work. This is not discernment, but a display of pride - pride which acts as judgment. Some witness great miracles but still choose not to believe."

"The purpose of this Mission is to unite all people and all nations in the Truth through Holy Love. My Heart is greatly wounded when those who call themselves 'My children' oppose My intervention here. You are not with Me if you are against Me. In humility, come into the First Chamber of Our United Hearts and be purged of the pride of disbelief."

June 6, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, dear children, I invite you to comprehend that the world finds itself in such dire straits due to leadership which does not have a well-formed conscience. Consciences which do not embrace the Ten Commandments or Holy Love fall short of a justified vision. Such leaders lack wisdom and believe too much in themselves."

"Those who follow blindly, without an eye as to where or how they are being led, have slipped from the embrace of Truth. Never leave the path of Truth for anyone or any reason. Once again, I remind you that Holy Love is Truth. If you do not recognize Satan's attacks against Truth - for he often comes clothed in goodness - you are easy prey and easily misled."

"This is the reason Heaven offers the Seal of Discernment here at this site. Once you receive this Seal, it is very difficult for Satan to trick you. Do not follow titles or position - follow the Truth. Let the Truth unite you."

June 7, 2013 / Feast of The Most Sacred Heart of Jesus

"I am your Jesus, born Incarnate."

"I come to you today on My Feast Day with a Heart of Sorrow and a Triumphant Heart. I hold out to you a Heart that sorrows for all the many who blaspheme My Love and My Mercy. Many have been given the opportunity to believe, but have rejected it or let it slip through their fingers. Some, who never knew Me, choose violence as a religion. They worship falsehood. But each one's 'yes' to Holy Love is My Comfort and like a healing balm to My Heart."

"My Heart is Triumphant as I see the growth and response to this Ministry. Yes, I am Triumphant in Truth. It takes courage to believe in and to follow the path I am leading you upon. Never before have I opened My Heart to humanity as I have here. Never before has the Way into My Father's Divine Will been offered to humanity in such a way. The journey through the Chambers of Our United Hearts, though summarily discounted by those who should have valued it, is a pearl of priceless value which will be found worthy in ages to come."

"Your hearts, though they sorrow for these present times, must also feel triumphant today as we celebrate together this Mission, unlike any other. Let Our Hearts be united and beat as One - not prognosticating the near or distant future, but celebrating in the present moment the Victory of Our United Hearts."

June 8, 2013 / Feast of The Immaculate Heart of Mary

Blessed Mother says: "Praise be to Jesus."

"Dear children, each time I come to you, I bring Light into the world. It is the Light of Truth. Step into this Light and do not reject it, as I come to you sent from Love for your welfare. Choose always to be simple of heart, for this helps you in the virtuous life."

"During this hour of distress that weighs upon all hearts and every nation, I offer you the Refuge of My Immaculate Heart wherein you will find your peace and My Protection. Be united, dear children, in faith. Faith should be your most prized possession. No one can take it from you unless you, yourself, surrender it."

"Jesus desires that you come here often and that you study these Messages given here. He invites you to sincerely pursue the spiritual journey through Our United Hearts, for this is the way into His Father's Divine Will."

"Dear children, with enthusiasm, open your hearts to all Heaven offers here and allow your hearts to become Holy Love."

June 9, 2013 / Feast of the United Hearts

(This Message was given in multiple parts.)

Jesus and Blessed Mother are both here with Their Hearts exposed. Jesus says: "I am your Jesus, born Incarnate."

"Behold My Heart which has been so ravaged by the sins of mankind and in which abides such ardor for those who love Me."

"Equality amongst mankind must come through unity in Holy Love - not in redistribution in wealth. This is not a plan, but a scheme. I tell you solemnly, social justice is the calling card of the One World Order. Unity will not succeed by dictate - only through Holy Love."

"I tell you, it is when mankind places his trust solely in himself, in others or in exterior values that he

is the most insecure. It is only in trusting in Me and the Will of My Father that peace and security are genuine. The world will never find peace through human efforts alone. True peace comes to you by placing the Dominion of God in hearts and then in the world. The challenge today is to restore God's rightful place as King over hearts and the world."

"My brothers and sisters, I need your prayers and sacrifices for all world leaders. I tell you truly, where unions are formed that are not based on Truth, you have unity based on Satan's lies. This is the case with prominent coalitions today. Never before has the future of the world rested in the hands of so few. This is the bad fruit of advanced technology."

"Mankind's lack of respect for life and disregard for human decency is leading to his downfall. Concern for one another's welfare is rapidly being replaced with a greedy malcontent."

"But I have come here, My brothers and sisters, to draw you into the Light of Truth. The world cannot survive without some recognition of Truth. Pay attention, as I call you beyond self-concern into global concerns - beyond self-gratification into pleasing your Creator."

"If you have no relationship with God, or at best, a fractured relationship, you are jeopardizing not only your future but the future of the world. You are not living in the Truth. I have come to give you the Truth, which is Holy Love. The greater the numbers who do not live in Holy Love, the more dangerous the world becomes around you."

"This is the reason you have radicalism, abortions, addictions giving way to crimes and every sort of compromised value."

"By your refusal to accept and live in Holy Love, you are empowering evil. You do not have time now to wait on endorsements; to do so bears grave consequences. Choose good over evil by choosing Holy Love."

"My brothers and sisters, you are embarking upon the Age of the Reality of Truth. You will witness what has laid hidden in hearts - many of whom are influential. You will see more clearly the path of good and the path of evil. You must not choose the easiest path nor the one most acceptable by many. This Mission testifies to that. You must pray for the courage to give witness to the Truth in the company of many difficulties. You will be able to bear up through the grace that apostleship to the Truth sheds upon you."

"In the embrace of Our United Hearts, you will clearly see My Father's Will for you. His Will is your salvation."

"It is a mistake to believe that position, power or authority justifies every act or lack of action. Many souls are misled - even lost - by such an assumption.

Search out the Truth based upon Holy Love and be united in it. The Truth sustains you in faith, hope and love. Once again this Mission bears testimony to what I say."

"Once again, today, We are inviting you into the Refuge of Our United Hearts - a Respite of Peace - Refuge of God's Divine Will. We are asking you to come with confidence into this Refuge where you will be given the grace to believe and to be united in Truth."

"Today, dear children, We are sending Our Blessing over all your articles, and are blessing you with the Complete Blessing of Our United Hearts."

June 10, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, I, with joy, point out that while those who forgo for reasons not to believe are becoming more bold, they are far outnumbered by those who wholeheartedly believe in this Mission. The Victory of Truth is alive and well in the hearts of many, many believers."

"We must continue to pray for those who campaign against us. These also are the ones who have been sadly misinformed and who misunderstand the Mission. Remember, the enemy of all souls is also the prince of lies."

"Do not be dumbstruck or blindsided by his attacks. My mantle is around the Holy Remnant Faithful. I always pursue your welfare."

June 10, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, here at this site and through this Mission, you are offered this Spiritual Journey through Our United Hearts. The Seal of Discernment entitles you to know what takes you deeper into this Spiritual Journey, and what is holding you back. In humility, be open to the Truth."

"Tonight I'm extending to you My Blessing of Divine Love."

June 11, 2013 / Public

"I am your Jesus, born Incarnate."

"The greatest gift you can give to Me is the gift of your free will. To do so, you must accept whatever comes in each present moment as from the Hand of God. This will be a constant test of humility and love. But remember, the test of every virtue is the step-stone to spiritual perfection. Spiritual perfection is union with My Father's Divine Will."

"Do not waste time thinking of what has been or what may be. There is no virtue in that. Let everything be in the Charge of My Father's Will, which is Perfect and Complete in its bounty."

"Remember, I see all things, every situation and the inner workings of every heart. Every conflict reflects a conflict in Holy Love. Therefore, the solution is a deeper commitment to Holy Love. Be careful as to what you accept as Truth in the present moment."

June 12, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come to tell you that I will appear once again in Our Field of the United Hearts on the Feast of My Holy Rosary. This is to draw attention to the importance of the prayer of the rosary."

"I will meet you during the 3:00 p.m. hour." *

"Make it known."

* *The Feast of the Holy Rosary is on Monday, October 7, 2013.*

June 13, 2013 / Feast of St. Anthony of Padua

St. Anthony says: "Praise be to Jesus."

"Satan is busy trying to make this apparition site lose credibility. This is not new. It has been happening from the beginning. His most powerful tactic is to use people of power and reputation to speak negatively about Heaven's work here. Very often, people choose to accept Satan's guile over the Truth of the miracles of this Mission."

"I come to you today to ask one and all not to lose sight of the Truth. Hold steadfast to the reality of the graces offered here. If you do, you will be empowered with grace and taken deeper into the United Hearts."

June 13, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, I come to you, as always, for your benefit and welfare. Your rosaries assist the poor and lift up the lowly. Those who are in greatest need are those that have been given the opportunity of believing in this Mission, and yet oppose it through the sin of arrogance."

"We must pray for them. The journey through the Chambers of Our United Hearts is the spiritual journey into the Father's Divine Will. Therefore, those who oppose this spirituality oppose the Divine Will. This is Holy Truth and cannot be denied."

"Perhaps you wonder at Heaven's emphasis upon the Truth here. Truth is the clear path of your salvation. It is the path Satan tries to obliterate with his lies. Truth cannot be redefined to suit personal agendas or to protect riches, power or reputation. Truth is unchanging."

"Dear children, do not seek to find favor with men. Change your priorities and choose always to please God first."

"If, in pleasing God, you please mankind, as well, this is a grace."

"Use your rosaries as a means of finding and following Holy Truth."

June 14, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"These days, through modern technology, mankind has at his fingertips access to much information and unlimited consumerism. While God has permitted this technology, He is not happy with some ways it is put to use and the ways it has taken over hearts."

"I come here today to point out that you have more power at your fingertips through the use of the holy rosary than you ever could have through modern technology. With the rosary you can convert hearts, stop wars, protect freedom and stop abortions. You are able to save your own soul through the fervent prayer of the rosary, as opposed to the many who lose their souls by means of modern technology. The rosary is a means of mitigating future events, for the Heart of God is benevolent towards the world that would turn to Him. (Jonah Chapter 3)"

"Consider, then, the ill-effects of modern technology when it is allowed to be all-consuming in the present moment. Redirect your priorities, making the rosary your source of strength and power. Do not continue the path of self-destruction you pursue. Let the golden chain of My Rosary pull you into the Light of Truth which is God's Will."

June 14, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, patience with every cross is the key. My Mercy is always with you and My Provision is complete. There is no cross that lasts forever. Time passes on, and so do crosses."

"Tonight I'm blessing you with My Blessing of Divine Love."

June 15, 2013 / Public

"I am your Jesus, born Incarnate."

"I tell you, solemnly, morals cannot be compromised unless Truth is compromised. Satan makes inroads into the morals of the world by first compromising the Truth in individual hearts. It is for this reason I stress Truth in every heart."

"This Mission exists here as a refuge of prayer and a Light of Truth. Whosoever opposes this refuge opposes prayer and Truth."

June 16, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, if this spiritual journey through Our United Hearts were not so poignant in this present day, I would not still come here and present these Messages to you. As it is, Jesus is garnering great

favor upon this Mission and rewarding believers with unprecedented graces. This comes to you by way of strengthening the Remnant Faithful. This is the reason Jesus would not allow this Ministry to succumb to unjustified scrutinies, and why He held it apart from the pursuit of endorsements which were not forthcoming anyway."

"Future generations will uphold this spiritual journey with joy and conviction of Truth. You, dear children, must make use of what has been given to you with courageous hearts."

June 17, 2013 / Public

"I am your Jesus, born Incarnate."

"I tell you, the more personal freedoms you lose through unjust laws, the more you are drawn into globalization and the One World Order. Governments must not decide moral issues. This is all part of Satan's plan to lend misplaced reason to moral degeneration."

"The Truth has been given you in the Ten Commandments and, again, in My Laws of Holy Love. Departure from these is the sinful attempt to redefine the Truth. Truth remains the Truth. There are no justified compromises which change it."

"As I have told you before, your attempts to compromise moral issues in any way - especially by law - dictates the future of your country and the world as a whole. It bodes sinister events for all."

"Therefore, have recourse to much prayer and sacrifice. If you do not abandon Me, I will never abandon you."

"Synchronize your efforts in prayer by attending the rosary services here where I will always be in your midst. It is only good that can conquer evil. Compromise of good lends victory to the enemy. Always surrender only to Truth."

June 17, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, once again I call you to unity in Holy Love. Remember, it is not so much that you have chosen to be a part of this Ministry, as it is I who have chosen to call you here. Your obedience to My invitation garners you many graces."

"Tonight I am blessing you with My Blessing of Divine Love."

June 18, 2013 / Public

"I am your Jesus, born Incarnate."

"I come to remind each one that all the grace you need is in every present moment. If you allow your heart to be filled with fear, guilt, anxiety, greed, ambition or any disordered desire or emotion, you

most certainly will miss the grace of the present moment."

"My Grace is most often quiet and unpretentious. It comes very often silently as a subtle suggestion to the heart. I may use other people to bring you My Grace. My Grace never suggests opposition to Holy Love or to the Truth. My Grace is never in disunity and never leads you to disunity."

"It is always free will which decides to ignore My Grace."

June 19, 2013 / Public

"I am your Jesus, born Incarnate."

"It matters, a great deal, what you accept as Truth. If you accept error as Truth, you are empowering Satan and weakening My Kingdom on earth. So too, are you endangering your own salvation, for you are not following the Light."

"Then, there is the danger that you will not only accept untruth yourself, but encourage others to do so, as well. With this Mission, false information and controversy has been encouraged and spawned by some who seek totalitarian control and unwarranted influence over the lives of others. This is not a reflection of My Kingdom of peace, unity and Truth."

"Search out the reality of the facts before you decide what to act on. Always work towards unity in faith, hope and love based upon Truth."

2 Cor 4:1-12

June 20, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, I come to help all of My children to realize that My Immaculate Heart is not only the Refuge of Holy Love, but a Refuge of Truth. As such, I am not sent into the world to protect dissident opinions, but to lay bare the Light of Truth. Therefore, I do not protect reputations or sinful actions, no matter the perpetrator. I do not defend sensitive egos at the cost of Truth and the salvation of souls."

"If hearts do not welcome Me, it is because they are protecting Satan's lies and they do not want to look into the Light of Truth, which glaringly exposes all error. Good works do not turn untruth to Truth. High positions nor any amount of human respect cannot transform misinformation into Truth either. This is a sobering fact."

"God's Judgment is Truth and is not influenced by any circumstance."

June 21, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, I come to you today as Protectress of the Faith to help you understand the true value of your gift of faith. Faith is not something you can neglect or toy with through needless temptations. Be

aware of what is challenging your faith; be it people, places or things."

"Do not challenge or try to redefine doctrine or dogma. Adhere to Holy Love and the Ten Commandments. Today, the secular world threatens faith on all sides. Never accept compromise."

"Come to My Property and receive the Seal of Discernment."

June 21, 2013 / Public

"I am your Jesus, born Incarnate."

"I come to you, as always, to establish My Kingdom of Holy and Divine Love in every heart. Holy Love in the heart is the solution to all of earth's woes. If you are not part of the solution, then you are part of the problem."

June 21, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I offer you the abode of My Sacred Heart, which is Perfect Mercy, Perfect Love. Herein find your rejuvenation, your inspiration and your peace."

"Tonight I am imparting to you the Blessing of My Divine Love."

June 22, 2013 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"The Truth never changes. It does not matter who believes or disbelieves, for it is still the Truth. No amount of influence, power, authority or riches can change the Truth. Therefore, when you are told Holy Love is the Truth, no amount of compromise, no challenge, no redefinition of facts, can change this Truth."

"All the rhetoric and accusations amount to naught. Let nothing persuade you away from the pure Truth of Holy Love. Because you are saved through the Holy Love in your heart, those who propose arguments against Holy Love are attacking your salvation."

"It is as though you are given a lifeboat to cross treacherous waters; the lifeboat being Holy Love, the waters being the world and all its deceptions. All around you are drowning souls sinking in the water. They are saying: 'Don't hang onto the lifeboat. It is not good'. Only a fool would let go. Holy Love is your lifeboat of salvation. Pay no attention to those who are drowning in doubts, self-righteousness and spiritual pride. Cling tight to your lifeboat of salvation - Holy Love."

June 22, 2013 / Saturday Service - Against Abortion

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, pray for deeper Holy Love within your hearts. It is only then that your trust will increase, and you will be better instruments of My Father's Will."

"Tonight I'm imparting to you My Blessing of Divine Love."

June 23, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"My Son can only reign in hearts that embrace the Truth. While, through grace, My Jesus offers His Influence over every heart, He cannot take up His Reign where Truth is compromised."

"Every heart, then, needs to be reconciled with the Truth and to cease supporting any form of error. Error breeds disunity, compromise of virtue and enables evil in thought, word and deed."

"Let your motive in every present moment always be Holy Love, for Holy Love is the embrace of Truth. The Heart enfolded in Holy Love allows Jesus His Rightful Dominion over thought, word and deed, and His Victory over error."

June 24, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, I come to you to confirm your baptism in faith and to ask you to be drawn together in faith. Do not look at the weaknesses in established institutions so much as you cherish the good."

"I am here once again, to encourage introspection as to weaknesses in your own hearts so that the whole of the Body of Christ can be strengthened. Do not let Holy Love be a stumbling block, but a stepladder to unity with the Father's Will."

"Do not allow your hearts, dear children, to be bastions of sensitivity and defensiveness towards any criticism. Such attitudes spoil leadership and obstruct inspirations of the Holy Spirit. Be humble in all ways, so that you are all the more the perfect instrument of grace. Then, you are God's Glory in the world."

June 24, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, it is easy to pray from the heart when you are at peace. Circumstances and people often destroy the peace in your heart. Therefore, ask My Mother to wrap your prayers in Her Peace and Her Grace, making them presentable to be placed upon the Altar of My Heart. I am listening."

"Tonight I am imparting to you My Blessing of Divine Love."

June 25, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, I offer to the world, once again, the Refuge of My Immaculate Heart - Refuge of Holy Love. A certain way of entering My Heart is to step onto this prayer site. If you have a sincere heart - one open to belief in these Messages - you will be plunged into the Flame of My Heart, which will dispense upon you the Precious Seal of Discernment. If you doubt, My Heart will not embrace you."

"Remember, dear children, your every prayer petition, which you hold in your heart, is in My Heart, as well. My Mother's Heart knows without your speaking - and sometimes, without your knowing yourself - your every need."

June 26, 2013 / Public

"I am your Jesus, born Incarnate."

"I tell you, solemnly, the issue that this country's Supreme Court is considering today - same sex marriage - would have been scandalous a generation ago. That is how compromised the morals of this generation have become."

"The Father created sex for the propagation of life, not for pleasure for pleasure's sake. Mankind is so far removed from the Will of My Father that he now thinks he has the right to legislate what is sin and what is not sin. Sin is never a right, but an erroneous free will choice. The Will of My Father is not debatable. Like Truth, it does not change to please contingencies or garner favor."

"Turn to My Mercy before it is too late."

June 27, 2013/ Feast of Our Lady of Perpetual Help

Blessed Mother says: "Praise be to Jesus."

"Today, on My Feast Day (Our Lady of Perpetual Help), I offer you the signature of My grace upon your hearts and your lives. My grace is your perpetual help. You are never alone."

"The hour of God's Mercy is not yet exhausted. Therefore, dear children, enter the secure Refuge of My Heart where I will direct your path to deeper holiness. Allow My grace to embrace you."

"When you see resolute destruction of morals such as your nation has chosen for the supposed sake of freedom, choose the freedom of your own personal holiness through Holy Love. Do not be a part of Satan's distortion of rights. He desires your redefinition of morals and your destruction."

"My grace is your portion and protection. Allow My grace to work on your behalf."

June 27, 2013 / Public

"I am your Jesus, born Incarnate."

"I tell you, your country's approval of same sex marriage is a prime example of the misuse of authority. Condoning sin does not justify sin. The sanctity of marriage is God-given. All the laws in the world cannot change that."

"Please realize that obedience is not always good and of Me. If you obey something which does not abide with righteousness nor lead to a righteous outcome, you are following error. Even the authority of the highest court cannot make good out of evil."

"All earthly authority answers to Me. That which is not good is evil."

June 28, 2013 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Truth only divides when opposition to the Truth remains obstinate and unwavering in error. The Light of Truth opens the door to the reclamation of whole governments and long-standing institutions. Truth is the open door to salvation. Opposition to the Truth is the path to perdition."

"Concealing the Truth enables evil."

June 28, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I am aware of every breath you take. I have designed every cross for you to carry. I know I can trust you to carry it well. I am here to assist you. My Victory and your victory comes to completion with the cross."

"Tonight I'm extending to you My Blessing of Divine Love."

June 29, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, today, I invite you to let grace be your intimate companion. Grace will carry you through every situation with courage and patience."

"You face no situation on your own nor is any situation beyond grace. God's Will is in every strength or weakness of your human nature. He brings to perfection, through grace, your weakest effort, if you allow it. Therefore be at peace."

June 30, 2013 / Public

"I am your Jesus, born Incarnate."

"My Heart burns with love for all humanity. I plead with not only the righteous, but those who have lost their way, to cling to the Light of Truth. These are deceptive times when the hearts of many of your leaders are steeped in guile. Without the Seal of Discernment many will be tricked into following evil."

"The Book of Revelation is unfolding in the present day. You must be sure-footed along the path of Light. Do not become submissive to the most popular way of thinking. Search out the Truth. Your spirituality must not take on the aspects of an ambitious career, but must be centered on Love of God and neighbor. Never pursue personal importance."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY
“NO TRUTH OPPOSES HOLY LOVE”

July 2013

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

Next Promised Apparition – FEAST OF THE HOLY ROSARY – October 7, 2013

- ♥ Meet **Sunday, October 6th**, at the Field of the United Hearts at **11:50 p.m.** for a Prayer Service and Blessing from Heaven.
- ♥ Meet **Monday, October 7th**, at the Field of the United Hearts at **2:40 p.m.** for a Procession, Prayer Service, and promised Apparition by Blessed Mother.

"I have come to tell you that I will appear once again in Our Field of the United Hearts on the Feast of My Holy Rosary. This is to draw attention to the importance of the prayer of the rosary. I will meet you during the 3:00 p.m. hour."

(Blessed Mother – June 12, 2013)

July 1, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"These Messages of Holy and Divine Love and the path of spiritual holiness through the Chambers of Our United Hearts are meant to strengthen hearts in the Truth. Thus fortified in Truth, every soul and whole nations, as well, can move forward in holiness."

"As it is, souls make poor choices through ambitious pride, love of pleasure and love of immediate gratification. The desire of all these passing pleasures brings the undesirable relinquishment of living in God's Truth, which is Holy and Divine Love."

"If your hearts are united in Holy Love, then you are certainly united and one with Our United Hearts. Then you will see the humble path of Truth before you. Do not be tricked into denying the pursuit of this path. The Light of God's Truth calls you to follow it. Who can deny God's direct call? Do not grope along in the darkness of others' opinions that only bring confusion and diversity into your hearts. This is the hour when you must choose wisely. The guile of the enemy seeks to redirect your efforts."

"Dear children, you must be strong and built up in Holy

Love so that I can use you as My instruments and establish God's Kingdom through you."

July 1, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I'm calling you to keep Holy Love at the center of your hearts. In this way, you will be open to the grace that I send you, and I will be able to lead you most easily into the New Jerusalem."

"Tonight I'm extending to you My Blessing of Divine Love."

July 2, 2013 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Today, I have come to address the topic of justification. In today's world, the general population believes their justification to be their free will choices. But this is not just reason nor vindication of sin. Indeed, free will has become like a false god. Free will is protected unjustly by laws that permit the choice to destroy life in the womb. But in God's Eyes, there is no justification for such action."

"Holy Love justifies right reason. Holy Love does not justify any sin. No one can vindicate himself in Truth through free will choice."

July 2, 2013 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Allow me to continue my narration on justification. The justification of your every thought, word and deed needs to be Holy Love. In this way, you advance most quickly through the Sacred Chambers and arrive at perfection in the Divine Will."

"If your destination is the Father's Divine Will - as it certainly should be - then you are using the justification of Holy Love to arrive at this goal, and you are living in Right Reason."

"Holy Love offers no justification in compromise of the Truth. Satan tries to dress compromise as justified for this reason or that; but how can you be vindicated except in the Truth of Holy Love?"

"You cannot exchange Holy Love with any other motive for your thoughts, words or actions. To do so is to accept untruth."

July 3, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, in humility treat everyone the same - pauper or rich man, those in important positions and those of little esteem. Jesus treated everyone with kindness and patience. He never gossiped or dwelt on the negative aspects of a soul. Rather, He reached out to everyone with the same degree of benevolence. When you discuss among yourselves others' faults, you only accomplish disunity. You encourage judging. You limit Jesus' work within you."

"I call you to build up the Kingdom of God through unity in Holy Love. Do not search out error in others, but look into your own hearts and discover that which does not define Holy Love. This is how you please God and advance through the Sacred Chambers of Our United Hearts."

Philippians 2:1-4

James 4:11-12

July 4, 2013 / Public

"I am your Jesus, born Incarnate."

"My Divine Mercy is complete and rests upon every repentant heart and every repentant nation. Sadly, today, hearts and nations do not turn to Me but remain aloof - bent on pursuing the god of free will."

"So, today, once again I command all people and all nations to live according to Holy Love, which is the embrace of all of My Father's Commandments. The nation that would do so would be greatly spared by reason of their sincere efforts towards reconciliation with Me and My Father."

"Until there is a healing in mankind's relationship with his Creator, the world is in great jeopardy - spiritually and physically. Humanity will never control the future, for the future rests in the Hands of God. How foolish, then, to blaspheme God's Commandments and provoke His anger. People and nations that do so tempt the Hand of Justice."

"Be reconciled with the Truth through the words I have given you today. This is the way to prosperity."

July 5, 2013 / Public

"I am your Jesus, born Incarnate."

"These days, you are living in an age of certainty - not doubt. You can be certain that this Mission of Holy Love is the foundation of the New Jerusalem. You can be certain that those who oppose Holy Love, oppose the Truth."

"You can be certain that this Mission is the forerunner of Justice and the preparation for many tests of faith."

"Keep your hearts well-anchored in Holy Love. Then, your faith will remain certain and intact."

July 5, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I come once again seeking your union with My Father. The way to be united with your Creator is to accept His Will in all things in the present moment. This requires an act of your free will and your surrender to the Divine Will of My Father."

"Tonight I'm blessing you with My Blessing of Divine Love."

July 6, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear little children, do not waste time fault-finding. If you see errors in others, say a prayer and move on. Holy Love is a call to unity and bears the fruit of peace."

"You are given the present moment to work out your own salvation. Do not waste it by judging others. Each one has his own weaknesses he must work on. Therefore, pray to be enlightened as to your own imperfections and overlook the flaws in others. This is humility."

July 7, 2013 / Sunday Service - Consecration of the Heart of the World to the United Hearts and Unity in Families

St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, once again I come to invite all families to be united in Holy Love; for it is in this union you will find your stability and your security. It is in this union you unite under the cross, and in every victory you are partners in grace. All of your goals become the common goal of Heaven."

"Tonight I'm imparting to you my Fatherly Blessing."

July 8, 2013 / Public

"I am your Jesus, born Incarnate."

"It is by My Father's Authority that this Mission exists and continues in the world today. All people and all nations must come together now in Holy Love. This is a call to end your own destruction and to build up together the Kingdom of God on earth."

"All that you choose to oppose this goes against My Father's Divine Will. The succession of one evil after another threatens the existence of the world as you know it. Therefore, do not think that one person's choices or one group's choices are unimportant. Rather, each free will choice affects the whole world and its future, as well."

"Every present moment holds the grace of the conviction of conscience for those who choose to oppose the Truth, and for whole nations who do so. Those who choose the Truth of Holy Love need to pray for the victory in every heart over evil."

"Allow My Father's Authority to speak to your heart today."

July 8, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please realize the war in the womb is being mimicked by wars all around the world. You must pray, not only for an end to abortion, but that the world is not changed forever by the unreasonable actions of an inflated ego."

"Tonight I'm imparting to you My Blessing of Divine Love."

July 9, 2013 / Public

"I am your Jesus, born Incarnate."

"Those who come to the property and, with sincere hearts, receive the Seal of Discernment, are given the grace to see their weaknesses and how Satan is attacking them. I cannot defend a soul unless he recognizes the need for My Defense. It is when the soul recognizes the dangers around him, he will also recognize the need for My Protection. Spiritual warfare is most often insidious - unannounced and clothed in goodness. It is through the precious Seal of Discernment evil tactics can be laid bare and the soul can fling himself into the Arms of My Protection."

"At the same time, receiving this Seal may open the door to another evil unless the soul is wary. That of which I speak is spiritual pride. Do not be misled to believe you have perfect discernment over all spiritual matters because you have stepped onto the site. The Seal is given to illuminate the conscience and to help him define his state before God. It is given towards each one's salvation and perfection."

July 10, 2013 / Public

EVANGELIZATION

"I am your Jesus, born Incarnate."

"I have come today to speak to you about evangelization. The first step of evangelization is to become the Message. Bring life to the Message through your everyday activity. Thus, by example alone you are preaching. Next, evangelize by prayer. I did this often throughout My Public Ministry asking the Father for His Help in touching and convicting many hearts."

"When you are given the opportunity to preach or to speak openly to one person or to a group, do so humbly - losing sight of yourself and without self-righteousness. Remember, the Message you are given to pass on is not from you, but from Heaven. Do not concern yourself with your reputation or how the gift of the Message is received. Offer it gently and move on. Present the Message simply - not in a tangle of words that the listener has to sort out. If the listener wants more information let him pursue you."

"Each soul needs to participate in some form of evangelization daily - whether it is living the Message, praying or speaking about the Message. Always know there will be opposition. Know that I am with you in your every effort and, especially, in your weakest moment."

"A sincere heart shines through and is your ally."

July 10, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"These days, the forces of good and evil have aligned themselves in a battle over the salvation of souls and the demise of the world. It is like a game of tug of war, only too much is at stake not to be taken seriously. Each time a soul makes the Consecration to Our United Hearts, the forces of good are strengthened and the forces of evil are weakened. This is why the Consecration is so important today."

July 11, 2013 / Public

"I am your Jesus, born Incarnate."

"I tell you solemnly, you cannot serve two masters - Truth and untruth. To do so is hypocrisy. You cannot obey the dictates of someone who does not live in the Truth. To do so means you are compromising your own salvation and possibly the salvation of others."

"In today's world, those who are committed to the Truth find themselves constantly challenged and opposed. This must not surprise you, as even My Father's Commandments are challenged. Pray for the grace to recognize the Truth and to stand firm in support of the Truth."

"Let the direction of your free will always be guided by Holy Love."

July 12, 2013 / Public

"I am your Jesus, born Incarnate."

"I will tell you why opinions play an important role in the direction the soul takes. Very often opinions become moral decisions which affect the spirit of the soul and the souls of those who are influenced by these opinions."

"This is why opinions are not just personal choices which have no lasting influence or cost. Opinions reach into eternity affecting the soul's eternity."

"Choices need to be based upon the reality of Truth, not whims of pleasure. Too often, the soul remains anchored in error, unwilling to accept that his opinion could be wrong. This attitude is not of Me. I call you to the path of Truth."

July 12, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, it is I, your Lord Jesus, Who have created and called together the 'Children of the United Hearts'. As such, you are a special part of My extended family, and you hold special lineage to the favors of Our United Hearts. Seek the graces We offer often. You are entitled to them."

"Tonight I'm extending My Blessing of Divine Love."

July 13, 2013 / Feast of Rosa Mystica

Blessed Mother says: "Praise be to Jesus."

"Today, dear children, I commiserate with you all the rejection you feel in your hearts as you courageously stand up for the Truth. I, too, mourn for the souls that are lost in every present moment and for the souls who slip to their perdition due to unwarranted and unjustified opinions and decisions."

"Morality continues on the path of destruction taking with it the toll of whole nations who choose sin over God's Commandments. I mourn for the souls that decide not to believe in these sound Messages and are encouraged to do so by those who feel threatened by the Truth. Their insecurities are based upon their embrace of pride."

"I stand with you at the foot of the Cross and encourage you not to leave Me here alone but to console Me in every present moment by your embrace of Holy Love. My Arms are around you, dear children. My Heart is your Refuge."

July 13, 2013 / Saturday Service - Against Abortion

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the heart of this world can be transformed through the Consecration to Our United Hearts. If it were not so, I would not have asked your efforts on this behalf. Work towards this end."

"Tonight I'm extending to you My Blessing of Divine Love."

July 14, 2013 / Public

"I am your Jesus, born Incarnate."

"Holy Love must be in the heart as the foundation of every virtue. The stronger the virtue of Holy Love, the stronger is every other virtue. Since love is the foundation of personal holiness, it stands to reason that Holy Love in the heart is the target of Satan who seeks the destruction of every soul."

"Therefore, do not be dismayed at the attacks swarming around this Mission of Holy Love; for here is a whole Ministry and an apparition site, as well, dedicated to Holy Love. If you lend credence to all the controversy, you are deceived by evil - the very evil that seeks your demise."

"The Gospel Message of My Commandments of Love is the foundation of Truth which I call you to. Stand firm upon this Rock of Love. Let Holy Love consume and transform you. Then you will be completely Mine. It is Holy Love in your heart that holds you firmly upon the path of Truth and builds you up in virtue. I desire the spiritual house of each soul be stabilized in Holy Love, thereby being My Glory in the world."

July 15, 2013 / Public

"I am your Jesus, born Incarnate."

"These days, the forces of good versus evil are very apparent in the world. This is because tolerance towards evil has become in 'vogue'. At the same time, tolerance of sound Christian values is dwindling."

"Moral issues have erroneously entered into politics - ebbing away at human rights. Slavery to sin is now viewed as a freedom while intrinsic freedoms are being compromised and challenged."

"Holy Love dictates, out of love of God and neighbor, that you always stand for the Truth. The Truth is supported in Scripture and in these Messages. The Truth does not always bring comfort and support pleasure. The Truth wars against sin and error and is, especially during these times, very often unpopular."

"In My call to you along the path of Light and Truth, I am your support and consolation. You have only to fear losing sight of the Truth, for then the danger is grave. I desire that your baby steps along this path become giant steps."

"Good will come to victory in the end. But, I tell you, we must convict many consciences and reverse public stance on many moral issues to achieve this victory."

"Prayer and sacrifice are the weapons of choice during this moral war. I encourage your every effort."

July 15, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, your 'yes' in the present moment to Holy Love is the best gift you can give Me. It is also your perfection in personal holiness."

"Tonight I am blessing you with My Blessing of Divine Love."

July 16, 2013 / Public

"I am your Jesus, born Incarnate."

"I have come to help you understand the desolation of My Heart. My Mother's Heart is sorrowing. My Heart is mourning. I mourn the loss of life in the womb. I mourn the loss of Holy Love in hearts. I mourn the loss of the pursuit of Truth."

"I mourn for those souls who slip to their perdition because they believe in Satan's lies and form their opinions and life styles around these errors. I mourn for those who do not believe in Satan or Hell. This is Satan's perverse victory in hearts."

"Yes, My Heart mourns beyond human comprehension. I long to repair the heart of the world. I long to piece together those hearts broken by unforgiveness. I long to be victorious in and through this Mission. I long for the conviction of hearts in the Truth and the reversal of all opposition to this Mission here. I desire all leaders be as loving shepherds, gently leading the flocks entrusted to them, renouncing disordered love of power and money, and seeking only the welfare of others. It is difficult to find such leaders in the world today."

"I seek your consolation in all of this, and in return I will console you. My righteous followers suffer greatly at the hands of unbelievers. Allow Me to be your comfort."

July 17, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"I entrust to you yet another devotion to be made known in the world. This is the Devotion to the Mournful Heart of Jesus. My Title - Refuge of Holy Love - is Jesus' consolation during these times. The Devotion to Our United Hearts is the spiritual remedy against evil, and the journey through the Sacred Chambers is the path into the Divine Will."

"Devotion to the Mournful Heart of Jesus mends the wounds inflicted upon His Precious Heart by souls who do not take seriously their own salvation, and those who embrace error over Truth. Jesus desires to mitigate His coming Justice, but He needs your help. Profound Devotion to His Mournful Heart will help stay the Arm of Justice and weaken its impending blows."

"Please make known this prayer:"

"Mournful Heart of Jesus, help each soul to recognize the need to work out his salvation during each present moment. Show each soul the ways he separates himself from You, and how he grieves Your Heart. Bring each soul into the Light of Truth where he will no longer grieve Your Mournful Heart. Amen."

July 18, 2013 / Public

"I am your Jesus, born Incarnate."

"The thorns which encircle My Mournful Heart represent every sort of compromise of the Truth which leads to sin. The Wound of My Most Mournful Heart is caused by the misuse of authority which leads many to their perdition."

July 18, 2013 / Public

"I am your Jesus, born Incarnate."

"Do not support corruption, even if it is in leadership. To do so is to support principles which have corrupted into sin."

"Place all your efforts and support behind the salvation of souls through Christian morals and principles. To do so takes your effort in ferreting out the Truth. This is the challenge in the everyday world today. Learn to look beneath face value - beyond the superficial. Pray to discover the moral principles of the one who is in leadership over you."

"Live in the Truth of Holy Love."

July 19, 2013 / Public

"I am your Jesus, born Incarnate."

"I come to you once again in the presentation of My Most Mournful Heart. My Heart continually grieves for the loss of souls due to the abuse of authority and the compromise of Truth. These two promote sin. Abuse of authority has resulted in apostasy in many cases. Compromise of Truth is the basis of every sin. These are the same wounds I suffered when I walked the earth, only today they are more prominent and more openly apparent."

"Abuse of authority and the compromise of Truth causes every war - every form of persecution in religious circles - and even denies the right of Heaven to intervene when necessary. Prayer is often openly discouraged. Freedoms are stripped away and denied - sometimes in the name of freedom."

"Why do I come to you now in these times with the request for this Devotion to My Mournful Heart? I do so, for I can no longer mince words or stroke egos. I can no longer protect with politeness those who wound Me."

"The sands of time do not respect error. I come now to uncover the gravity of what lies ahead if mankind does not make amends with his God and appease My Mournful Heart. In Truth, sins, Satan and Hell, do exist. In Truth, authorities need to acknowledge the spiritual warfare being waged in

every moment. In Truth, when personal holiness is not encouraged, spiritual weakness is encouraged. Satan becomes stronger in your weakness."

"A great war can be the only result of not recognizing your enemy. You can mitigate this by appeasing My Mournful Heart through prayer and sacrifice. Begin at once."

July 19, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, so many in the world today do not realize that they exist in order to be saved and earn Heaven. I come to you, as always, for the salvation of souls. I will never cease revealing the Truth and commanding hearts to live in Holy Love."

"Tonight I'm blessing you with My Blessing of Divine Love."

July 20, 2013 / Public

St. John Vianney says: "Praise be to Jesus."

"I have come, as Jesus sends me, to remind all priests that the fruit of their vocation is the salvation of souls. Therefore, their job is the distribution of the sacraments to their flock. It is not their calling to collect money, be popular or to transform their church from a religious sanctuary to a social club."

"Sin, Purgatory and Hell must be preached from the pulpit. It is doctrine. Abortion, same sex relationships and fetal stem cell research must be renounced. These are moral issues and should not cost any religious group a tax-free status."

"If the Church can grow up into what Jesus expects, it will thrive. But, if it cannot, it will continue to fragment."

July 21, 2013 / Public

"I am your Jesus, born Incarnate."

"Today, I invite all people and all nations to meet Me on the property - this site of apparitions. I invite the timid, the doubtful, the arrogant, the humble - those with the most scarlet sins - those nearing personal sanctity. I hold nothing back. I give everyone who comes - the grace of illumination of conscience, and the grace of conversion. It is the choice of every heart that meets Me here if they will accept what I give or reject it."

"All are called here. All are welcome - those who believe in what I offer and those who will not believe. This invitation is My challenge to the doubtful - My extension of Divine Love to the believer. No one who receives My invitation remains unchanged."

July 22, 2013 / Public

"I am your Jesus, born Incarnate."

"I have come to you once again revealing My Most Mournful Heart. I have come to you often speaking on Truth and its enemy - untruth. Today, I wish to speak to you concerning the abuse of authority. This is a sensitive subject only because egos are sensitive and not open to correction, even from Me. Leaders would rather discount these apparitions and all the graces given here than look into their own hearts."

"But, I, your Jesus, have remained silent long enough. Secular and religious leaders are in place to serve others - not themselves. When self-interest is their motivation, leadership becomes disordered and corrupt. The cover-up of this corruption is worse than the corruption. I call attention to the pedophile scandal and the ensuing cover-up. Poor leadership scatters the flock. This whole Mission has had, as its goal, unity for all people and all nations in and through Holy Love;

yet it has suffered greatly at the hands of untruth and misuse of leadership."

"Is it any wonder this sword penetrates My Heart, and I find it necessary to reveal to the world My Mournful Heart?"

"Whole governments are misguided through the abuse of power and their hidden agendas. Good works are thwarted. Solutions to problems are deemed unnecessary. Peoples are exploited and abused."

"I cannot watch any longer without speaking out. Appease My Mournful Heart which cries out to you. Together we must not be afraid of prideful control, but speak the Truth."

July 22, 2013 / Public

"I am your Jesus, born Incarnate."

"It is very important now that you see how these two sufferings come together in My Mournful Heart and play off of each other. The compromise of Truth is certainly the basis of the abuse of authority. In this abuse and adherent to it, is the disordered use of compliance to obedience. Here, I am not referring to ones who have taken a vow of obedience - although this is often used to control, as well. I am referring to the sheep that the shepherd is given to tend. How often obedience comes clothed in goodness, but promotes a hidden self-serving agenda."

"You must certainly see how so much of this has affected this apparition site. How can it be good to discourage people from coming here to pray?"

"Leadership must not hold itself above reproach. Leaders must be willing to listen, encourage that which is good and pray to accomplish God's Will, not their own. See why I have reserved this revelation of My Most Mournful Heart for this apparition site? This is what has opposed Me here - the compromise of Truth and the misuse of authority."

July 22, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, continue to believe in these apparitions no matter the opposition or who it comes from. If you begin to do so, I will give you the grace to persevere."

"Tonight I'm blessing you with My Blessing of Divine Love."

July 23, 2013 / Public

"I am your Jesus, born Incarnate."

"Allow Me to speak to you once again concerning My Mournful Heart. Long have I awaited the moment in time when I could reveal the Sorrow of My Heart. It is these wounds which are the crux of the world's woes; for compromise of the Truth, which makes up the thorns surrounding My Mournful Heart, is the basis of every sin. Abuse of authority - the wound of My Mournful Heart - causes many to slip to their perdition. Both of these transgress Holy Love. Both of these have directly opposed My Mission here."

"I have been careful in the past not to offend or bruise egos. I cannot do so any longer. Holy Love has never been about control or power or the jealous guarding of territory. Holy Love is about the salvation of souls. My cry to all today is to put aside quarrels and to unite in this effort. Untruth and pretense of purpose are most certainly the enemy of your salvation. Important status in the world is given to you to bring peace and salvation to the world - not to lend importance to self."

"If you are not working towards your own salvation and the salvation of others, then you are not with Me, but against Me. You are bringing pain into My Mournful Heart."

"My concern is not to safeguard reputation or irreproachable decisions reached in error, but to bring the Light of Truth to hearts and unity to all people and all nations. Inscribed in My Heart is the pain of the righteous, who seek this goal with Me, but are being opposed by those clothed in goodness."

"Pray, pray, pray."

July 23, 2013 / Public

"I am your Jesus, born Incarnate."

"There is not time now to wait for formal vindication of this Ministry. That is why My words to you are becoming more direct and revealing. I haven't the time to tiptoe around egos or to protect arrogant authority. The future of the world and millions of souls is at stake."

"Those who object the most are the very ones who need correction."

July 24, 2013 / Public

"I am your Jesus, born Incarnate."

"Today, I tell you, all leaders - no matter who they lead - must be held accountable for their decisions. When they are not, they easily cross the line into error. The Truth must be the foundation of their accountability. If leaders lace their decisions with lies and ambiguity, their tenure is one of confusion and deceit and not of Me."

"Leaders should not expect that their decisions are irreproachable or that anyone who questions their decisions is in error. In the end, I am the Final Judge and weigh everything on the scale of Holy Love."

"But, I speak to you today regarding the accountability, in Truth, for all leaders, as so much leadership has been abused; for no one holds them accountable. Truth cannot be presumed in many cases. The Truth often needs to be searched out. You cannot presume that office and position consequently stands for Truth."

"Whole nations have been misled in this way. They believe their leaders to be irreproachable. People must not be afraid to question. If they are, their leaders have been given too much power and authority. This is true in every situation."

"Often the ones who dare to question are the ones most persecuted and misunderstood."

"Holy Boldness is the signature of those who seek the Truth in governments, institutions and every organization."

"When you find the Truth, which is never in opposition to My Commandments of Holy Love, be subject to it. In this way, you appease My Mournful Heart."

July 25, 2013 / Public

"I am your Jesus, born Incarnate."

"Once again, I reveal to you My Mournful Heart - a Heart which longs for the conversion of the hearts of all mankind - a Heart forsaken by most. Today, I will describe to you the anatomy of a dictatorship. This is, of course, the abuse of authority - the deepest Wound of My Heart."

"It begins with an insatiable desire for power and is fed by the flames of control. Those who try to follow such a leader are misinformed and misled. Their goals become twisted and compromised, for they cease to live in the Truth. Before long, they have as their same goals - power and control - matching the agenda of their leader."

"You can see in this description the rise of Nazism and Communism. Today, this pattern is repeated in many government and religious circles. Territories are clearly

marked and any 'outside' opinions or advice is rejected."

"This is not of Me. I desire unity in Holy Love. I hold no hidden agenda in My Heart. I call My flock together in an effort towards their own salvation. I call all people and all nations to Holy Love. I do not call upon mankind to form a One World Government or One World Religion. This would lead to a final dictatorship."

"Watch the signs of such proposals. Remember My words to you today."

July 25, 2013 / Public

"I am your Jesus, born Incarnate."

"I am here, once again, seeking solace for My Most Mournful Heart. I come specifically to address religious leaders. I have not done so publicly, but the sands of time promote this need in My Heart. Please accept what I say with humility."

"If you are in a religious leadership role, it is your vocation to save souls. To do so, you must promote sound doctrine, for you are the shepherd of the flock I give you to tend. You must not participate in or protect any sort of sin. You must not hold yourself above your flock, but lovingly guide and nurture them. Make the sacraments readily available, if you are part of the Catholic Church. Do all you can to maintain parishes and schools - only closing them if it is a necessity, for many suffer loss in such actions."

"Educate in, and promote the Truth. This is the foundation of unity."

"Never think that your title means you are more holy than others or that your decisions are infallible. That right - infallibility - is reserved for the Pope under certain conditions."

"Do not deny the 'Spirit of Truth'; the Holy Spirit."

"Work diligently on your own personal holiness through Holy Love. Your holiness will be contagious."

July 26, 2013 / Public

"I am your Jesus, born Incarnate."

Jesus shows me a host that is broken in two. He says: "See how My Heart is broken for the sins of mankind. In My day, I was crucified for these same errors - the abuse of power and the compromise of Truth. Today, it is no different. You have, everywhere, examples of elected and appointed officials who do not support sound morals or the Ten Commandments, and because of their influence, they spread their errors everywhere."

"I can no longer be silent. I must speak out. Do not betray the Holy Love I call you to. Accept what I am here to say. There are many leaders all around you who do not support the Truth and will not stand up for the Truth. They abuse their authority and deceive a vast majority of their constituents. Do not be charmed into believing that their position makes them right. If this were true, the world would not be in moral decline such as it is."

"I return to the value of accountability. You must put it to use or pay the consequences. Do not think it is not your place or that it will not make a difference. These are tricks of Satan. The Truth must be defended and heard, especially when those in high office are in error."

"Choose as your gospel, Holy Scripture and Holy Love - the scripture of your salvation. Do not make your gospel your opinions, false agendas or the immorality of false leaders."

"Search out the reality of the Truth. I will assist you."

Consecration to the Mournful Heart

"I am your Jesus, born Incarnate."

"You know that My Heart mourns for the loss of souls due to the misuse of power and authority and the compromise of Truth. I wish to give you now a consecration to My Mournful Heart which will serve to make amends and atonement to My Heart if it is prayed with sincerity."

"Dear Jesus, I desire with all my heart to soothe Your Mournful Heart. You see souls that slip to perdition in every present moment due to the compromise of Truth and the abuse of authority."

"Accept the small and great crosses I bear every day in atonement for the Thorns and Wound of Your Mournful Heart. Please correct consciences that they will live in the Truth and practice any position of authority justly. Amen."

July 26, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please step back and allow your leaders to prove they are trustworthy before you blindly follow them. Do not support anyone who does not live in Holy Love."

"Tonight I'm imparting to you My Blessing of Divine Love."

July 27, 2013 / Public

"I am your Jesus, born Incarnate."

"What I am about to say needs to be said openly and has long been in My Mournful Heart. I do not fear bringing Truth to light. You must not, either."

"This Mission of Holy Love is a bright jewel of grace in this country, this continent, this hemisphere and in the world. The Messages lead souls to personal holiness. The spiritual journey through the Chambers of Our United Hearts is the way into the Divine Will of My Father. None of this - or the healings and conversions that take place here - has been considered. Instead, an attempt has been made to hide Heaven's intervention here under a rock of untruths and deceit."

"Many souls have been lost as a result. Many continue on their way to perdition, for they have summarily discouraged so many from coming here and believing. Think of the rosaries these ones have discouraged from being prayed here."

"This remains an Ecumenical Ministry for all people and all nations in an attempt to convert the heart of the world to Holy Love. We cannot be denied this right by any human authority. We cannot be forced under the scrutiny and control of any authority for the sake of their control."

"We are not to be feared, but encouraged. Solemnly, I tell you, this would not be happening if all were concerned for the salvation of souls."

"I tell you, I do not act through the abuse of authority. I act as the Loving Shepherd - calling all to unity as one flock. I unite with Love. I do not command people to live in Holy Love. I invite. A loving shepherd respects his flock. He does not usurp his authority, but leads towards the welfare of all - losing sight of himself."

"I have intervened in the world here to save souls. I am being opposed by those who call me 'friend'."

July 27, 2013 / Public

"I am your Jesus, born Incarnate."

"If you wonder why I am bringing these things to light now, it is because the abuse of power and the compromise of Truth will usher in the reign of the Antichrist. These two errors have infiltrated the government of this once great nation and the Church, as well. There is no place for politics within the ranks

of the Church, but it is there – acknowledged, but unchecked. These politics form an aura inside of My Church - an atmosphere of not knowing who to trust."

"In governments, as well, power has fallen into the hands of those with evil agendas. More and more good is intimidated by evil - evil that demands definition and rights. The undertow of evil is changing the course of the future."

"Remain as faithful watchmen to the Tradition of Faith. Do not be fooled into obeying any evil. Stand guard over your freedoms, and do all in your power to maintain your national identity."

"To live in the shadow of any reprisal is not freedom. Live in the Spirit of Truth always."

July 28, 2013 / Public

"I am your Jesus, born Incarnate."

"Today, I tell you, the Seal of Discernment that the sincere of heart receives as he steps onto this property is the vehicle I use to begin atonement to My Most Mournful Heart. As errors and faults in Holy Love come to light, the soul is flooded with the Light of Truth, and according to the consent of his free will, begins a deep conversion process."

"The Seal of Discernment is the means by which compromise of the Truth and abuse of authority are revealed. The graces offered on this site lend strength to the soul's determination to overcome these sins. Both of these errors, both of these afflictions of My Mournful Heart, are rooted in disordered self-love. A soul does not choose sin unless he loves the sin more than Me."

"For the needs of My Mournful Heart, I continue to invite all people and all nations to this site of Heaven's predilection."

"Claims that you are not allowed to come here are unfounded. For the sake of your soul, I bid you come. I call you to ignore the controversy that surrounds this Mission, which is all compromise of Truth. There is no gray area. You are responsible for responding to the Truth."

July 29, 2013 / Public

"I am your Jesus, born Incarnate."

"I wish to describe to you in more detail the sword which pierces My Mournful Heart, which is the abuse of authority. Such authority does not live in the Truth. It tries and often succeeds in taking control over that which is not its to take. The one who misuses his authority transgresses human law and Divine. I say this, for the abuse of authority is in opposition to Holy Love."

"Such authority embraces false opinions - opinions which affect the well-being of those under him. He may claim the right to territories which are not his. He may impose unjust penalties upon those he considers his adversaries. He may present one face to the public eye, but hold many hidden agendas in his heart. The one who abuses authority does not hold the welfare of others first, but is motivated by self-interests."

"The abuse of power has a far-reaching effect. It is not confined to one government or institution, but affects everyone it touches."

"Once again, all of the errors which are accepted and promulgated through the abuse of power are inspired by the compromise of Truth. One feeds off of the other. The Truth becomes distorted and allows the misuse of power to blossom. The abuse of power distorts the Truth. All of this leads to the loss of souls."

"You see why I mourn. I come into the world as Truth and I am rejected. Raise up the Truth in your own heart and in the hearts of those around you. Then you will ease My pain."

July 29, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please realize that wherever there is great good being accomplished, Satan tries to cover the good with controversy and the compromise of Truth. Do not be tricked, but believe in all that is taking place here."

"Tonight I'm blessing you with My Blessing of Divine Love."

July 30, 2013 / Public

"I am your Jesus, born Incarnate."

"The wounds of My Mournful Heart can be soothed by your efforts to live in the Truth of Holy Love. It is always untruth and its companion, the misuse of authority, that bring about the consequences of war, terrorism and moral degeneration. False gods rise up in the midst of all of this; the false god of free will, pleasure, wealth, reputation and power. All of these are of Satan when they become the goals of existence."

"My brothers and sisters, you do not realize the concept of eternity. All things you value on earth are passing. All that follows you into eternal life is Holy Love. Eternity never ends."

"My Mournful Heart sees the souls that choose their own damnation as they turned a deaf ear to My pleas. Choose the Light of Truth in every present moment - the Light of Holy Love."

July 31, 2013 / Public

"I am your Jesus, born Incarnate."

"Make amends to My Mournful Heart, for in every present moment I witness thousands of souls slipping to their perdition. In atoning to My Mournful Heart, you urge Me to tender grace into the world in support of the Truth."

"Truth is My weapon against Satan's attacks upon souls, for the enemy is all guile and deceit. You cannot foretell the future or predict the outcome of any event; but you can, in the present moment, be faithful to the Truth of Holy Love. Every soul in Hell regrets his failure to do so."

(Blessed Mother – June 12, 2013)

August 1, 2013 / Public

"I am your Jesus, born Incarnate."

"Today, I have come to impart to the world these promises that I will fulfill to anyone devoted to My Mournful Heart."

1. "Those devoted to My Mournful Heart will be given courage to stand up for the Truth, no matter the opposition."
2. "Those devoted to My Mournful Heart, if persecuted by the abuse of authority, will be given the grace of perseverance in righteousness."
3. "Those devoted to My Mournful Heart will be granted remarkable favors through the intercession of My Mother's Immaculate Heart, for She is most thankful to those who seek to console Her Son." *(Note: See the August 4th message from Blessed Mother.)**

*Blessed Mother says: "Praise be to Jesus."

Prayer:

**"Immaculate Heart of Mary,
look upon my devotion to the
Most Mournful Heart of Your Son,
and grant me this favor:
_____."**

"Recite this prayer in your need."

(August 4, 2013)

"Devotion to My Mournful Heart can be the prayer to My Mournful Heart, the Consecration to My Mournful Heart or the simple ejaculation throughout the day:"

"Mournful Heart of Jesus, have mercy on me."

August 2, 2013 / Feast of Our Lady of Angels

Blessed Mother says: "Praise be to Jesus."

"The only way I, your Heavenly Mother, can protect you from evil is to reveal it to you, either through spiritual enlightenment or by knowledge. So today, I have come, once again, to speak to all people and all nations about the abuse of authority, which so gravely wounds the Heart of My Son."

"Anyone in authority, no matter the body of people he is given to govern, has the responsibility under God to lead those subject to him in Truth. These days the reverse is often the case. Therefore, I am telling you, do not look at title alone. Look at the person under the title and hold him accountable to the Truth."

"Throughout history, dictatorships have formed in untruth, for people obeyed persons and not the Truth. I am telling you today that you are not bound in the Eyes of God to obey untruth. Be prudent and wise. Form your consciences in Holy Love, for therein lies the Truth. Holy Love is the Truth God has given you with which to measure the worthiness of all authority. Do not be deceived by any imperious command or high-powered decree."

"I am giving you the Seal of Discernment at this site. Put it to use."

August 2, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, tonight I invite you to make your prayer intention for this special weekend, dedicated to the United Hearts, being that - the spiritual journey through the Chambers of Our United Hearts reach every corner of the earth."

"Tonight I'm blessing you with My Blessing of Divine Love."

August 3, 2013 / Public

"I am your Jesus, born Incarnate."

"Today and always, I invite the Children of the United Hearts to be My Voice in the world. Let no hardship stand in your way. Realize all that opposes you is evil." *

"Let there stand now a contractual agreement between us, that your goal is - from now on - to spread the Consecration to Our United Hearts."

* *Ephesians 6:10-20*

August 3, 2013 / Public

"I am your Jesus, born Incarnate."

"The well-being of every person in the world is threatened by the abuse of authority. Is it any wonder that this is a great Wound of My Mournful Heart? Even terrorism is a fruit of this abuse, for some governments encourage this form of violence - not to mention some religious leaders."

"Make amends to My Most Mournful Heart. Pray that this Sword is withdrawn from My Heart before it is too late, and before the world is changed forever."

August 3, 2013 / Saturday Service - Against Abortion

Jesus is here with His Mournful Heart exposed and says: "I am your Jesus, born Incarnate."

"My brothers and sisters, once again I come seeking that the heart of the world to be reconciled with the Divine Will of My Father; for it is breach of love and trust between free will and the Divine that brings about every error in the world."

"Tonight I'm imparting to you My Blessing of Divine Love."

August 4, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

Prayer:

"Immaculate Heart of Mary, look upon my devotion to the Most Mournful Heart of Your Son, and grant me this favor: _____."

"Recite this prayer in your need."

Note: Refer to the Message of August 1, 2013 showing the above prayer, following the third promise given by Jesus.

August 4, 2013 / Feast of St. John Vianney

St. John Vianney, the Cure d' Ars says: "Praise be to Jesus."

"I have come to make clear the needs of all who are in Purgatory. The vast majority of the souls imprisoned there never believed in Purgatory - some, indeed, never heard of it. But this is of no account. God sees the state of their souls and must purify them before their entrance into Heaven. There are many souls there - souls of prestigious people whom those of earth would never suspect to be detained, but are presumed to be in Heaven. Therefore, pray."

August 4, 2013 / Sunday Service - Consecration of the Heart of the World to the United Hearts and Unity in Families

St. Joseph is here and says: "Praise be to Jesus."

"Tonight I advise you that it is important for families to raise their children in Holy Love and to value Holy Love. For it is in this way that just and truthful leaders are sent into the world as extensions of their families."

"Tonight I'm listening to all your petitions, and I'm blessing you with my Blessing of Fatherly Love."

August 5, 2013 / Public

I see the Great Flame of God the Father's Heart. He says: "I Am Who Am. I am the Eternal Now. I am your Eternal Father - Creator of the Universe. It is I Who brought this Mission into the world for the sake of all humanity - not just some. No other mission or apparition site has been given so much - the Protectress of the Faith Devotion; the United Hearts Revelation and the spiritual journey through the Sacred Chambers therein, which lead to My Divine Will; the Revelation and Image of Mary, Refuge of Holy Love; and at last, the Revelation of the Mournful Heart of Jesus. A myriad of Messages have been imparted to the world here, as well as miraculous waters."

"Yet, with all that has been given, authorities have cast a nefarious shadow over My Works. My children, open your hearts and your eyes. My Love is all around you, and My Favor longs to rest upon you at this site and upon your lives. Do not choose to ignore Me - I, Who call you out of the spiritual desert in the world. Allow Me to mold you in My Love. I desire it."

August 5, 2013 / Blessed Mother's Birthday

Blessed Mother says: "Praise be to Jesus."

"Today, as we celebrate My birthday, I wish to give the gift of hope to those who revere these Messages and all the graces attendant to this site. Do not pray without hope, for God's Heart is open and ready to respond to your prayers. The future of the world is not sealed. You can, by your efforts, make a difference."

"Help Me, My dear little children, to press the Heart of the Father into compassion for the sake of the just. That is your gift to Me."

August 5, 2013 / Monday Service - Peace in All Hearts through Holy Love / Blessed Mother's Birthday

Blessed Mother is here. She is dressed all in white, and Her Heart is exposed. She is holding the Mournful Heart of Jesus. She says: "Praise be to Jesus."

"Dear children, thank you for celebrating with Me tonight. More than anything, I desire your devotion to the Mournful Heart of My Son. It is then you can petition My Heart for any favor. I will hear you. If it is in God's Will, you will receive what you ask."

"Tonight, dear children, I am blessing you with My Blessing of Holy Love."

August 6, 2013 / Public

I see the Great Flame that is the Heart of God the Father. He says: "I am the Eternal Now - Father of All Humanity. Today, My Heart is saddened by the distortion of Truth. My children have concocted their own truths to suit their life styles. My Son's Mournful Heart is a reflection of My Own Grieved Heart."

"The reception of this Mission in the world is but a symptom of society as a whole. People play the skeptic and the judge. They chase after reasons not to believe - conjuring up rash judgments - all the while ignoring the solid reasons to believe."

"The reason this Mission exists in the world is to bring souls back to Me. I give them the grace here at this site to do so. But today, My children are more concerned with what the world thinks than what I think."

"Until I can take up My Rightful Reign in all hearts, you will have distorted thinking as your ruler and guide. I come to warn."

August 6, 2013 / Public

"I am your Jesus, born Incarnate."

"I come, once again, to address the abuse of authority - the gaping Wound of My Most Mournful Heart. Authority is always abused when the rights and dignity of others are transgressed. This being said, it behooves those in authority to rule justly. They must not assume too much power - power that is not theirs to take. On the other hand, they must not shirk their responsibilities and, in so doing, not take on duties attendant to their office."

"Leadership, whether it be political, religious or other secular positions, is a grave responsibility. Leadership takes on the persona of the leader. This is why it is so important that hearts are embraced by Holy Love. Leadership which is based upon Holy Love is just - its maxims based upon Truth. This type of authority warrants respect."

August 7, 2013 / Public

"I am your Jesus, born Incarnate."

"The distortion of Truth is at the basis of all evil. It is through this lying spirit that Satan persuades people into acceptance of moral degeneration, false religions, violence and every sort of disordered conduct. You can see, then, how this all plays out in the abuse of authority."

"This Mission has been given to the world to correct consciences and to save souls. In so doing, the Messages uphold the Truth; but Satan, in his insidious ways, has succeeded in bringing even good people against the good and Truth here. I call them into account, to look with sincere hearts at what they are opposing, and in their opposition, what they are supporting. Do not continue to be part of the problem, but part of the solution which is Holy Love."

August 8, 2013 / Public

"I am your Jesus, born Incarnate."

"I tell you, all over the world the Truth stands compromised in hearts. When I refer to the Truth, I am referring to Holy Love. This distorted truth spreads like a contagious disease, for people are not looking for the Truth. This is the source of all corruption - in governments, in church circles, in businesses and in families, as well."

"So when I tell you Holy Love is the solution that could change the future of the world, accept what I say with a sincere heart. A sincere heart is always open to the Truth."

"Lead consecrated lives (Colossians 3:12-17) and being faithful to the Truth, bring down Satan's kingdom in hearts first - then in the world. This is consolation to My Mournful Heart."

August 9, 2013 / Public

"I am your Jesus, born Incarnate."

Jesus is holding His Mournful Heart. He says: "I desire that you have a medal struck with this image upon it. On the reverse, print 'Mournful Heart of Jesus, Have Mercy on me'. The one who wears this medal will not forget to offer small sacrifices to this Mournful Heart of Mine."

"In the beginning of My confidences to you, I spoke about the Church of Atonement - not a new religion or even a physical structure - but a spiritual structure comprised of each soul's many little and great sacrifices. It is time now to resurrect those Messages. We have come full circle. The Church of Atonement is the healing balm to be poured into My Most Mournful Heart."

"These are the times when confusion will face off with the Truth more than ever before. The Truth will come to light through your efforts and sacrifices."

August 9, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I have come to free you from all Satan's deceptions with the Light of Holy Love, which is

the Light of Truth. Celebrate Truth with Me by always living in Holy Love; then you will be My Glory in the world."

"Tonight I'm blessing you with My Blessing of Divine Love."

August 10, 2013 / Public

St. Jude says: "Praise be to Jesus."

"Every prayer and devotion - every sacramental - indeed, every Message that has been given here is by way of strengthening the Remnant Faithful for the times that lie ahead. Much has been given. Much is expected from those who receive it."

"Do not change direction. Keep your hearts centered on Holy Love. Do not be challenged by those who claim righteousness over the graces here. No one is above God, and He approves of all you have been given."

August 11, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Devotion to the Mournful Heart of Jesus will usher in the Triumph of Our United Hearts. It is by Devotion to My Son's Mournful Heart the world can mitigate the end-time trials and prepare for the New Jerusalem."

"Make it known."

"I am your Jesus, born Incarnate."

"This is how you can console My Mournful Heart - by trying to understand the pain I feel when I see souls making decisions contrary to their salvation. The slightest compromise of the Truth, although it may seem harmless, can profoundly affect the present and the future - not only of one soul, but of many."

"The Truth, according to My Father's Will, is always Holy Love - from the smallest to the greatest issues and decisions."

"Consider My Anguish as I watch life destroyed in the womb. Consider how I long to correct leadership which is based upon falsehood and unmitigated love of power. Consider My Desire to replace love of money and reputation in hearts with love of God and neighbor. Consider My Anguish as I watch the love of false gods take over hearts and uproot the Truth."

"The reality of what consumes hearts today is beyond compare with any other generation. I have not stood by without trying to intervene such as I have here, at this site. But even My Efforts at direct intervention are met with disdain by those who are influential enough to lead many here."

"So I am depending upon those who do believe - those with a sincere heart - to console My Mournful Heart in every effort. Help Me to overpower the evils of this age with the Truth."

August 12, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"I come once again this evening as Divine Love in your midst. I come to thank you in your belief in this Ministry and in your life of living out these Messages of Holy and Divine Love. This consoles My Mournful Heart."

"Tonight I'm imparting to you My Blessing of Divine Love."

August 13, 2013 / Public

"I am your Jesus, born Incarnate."

"The door to My Heart has opened in your midst. It is your surrender by way of your will to Divine Love. My Divine Love calls you to recompense towards My Mournful Heart. You cannot be one with My Divine Love without seeking to console My Mournful Heart. Do you not always seek to console the one you love?"

"Here at this site and within these Messages, I cry out to humanity. Do not leave My Love unattended. I come only to impress upon humanity the need to work out its own salvation through Holy Love, which leads the soul upon the spiritual journey through the Chambers of Our United Hearts."

"Follow Me."

August 14, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, I have entrusted to you many devotions and a profound spiritual journey through the Chambers of Our United Hearts; but, the greatest spiritual treasure must be the Holy Love in your hearts. These Two Great Commandments must be the foundation of your every thought, word and deed. A foundation, please realize, is not a superficial seasoning - sprinkled here and there. A foundation is the basis that the structure - in this case, your spiritual life - is formed upon."

"You have nothing to fear in the future if your hearts are built up in Holy Love and fortified with this same Truth. Speculation about future events does you no service if it fosters fear. Rather, in the way of Holy Love, trust that plans will be given to you and unfold before you as you need them."

"For now, Holy Love in the present moment must be the plan that fills your hearts."

August 15, 2013 / Feast of the Assumption of the Blessed Mother

Blessed Mother says: "Praise be to Jesus."

"When I was assumed into Heaven, nothing could hold Me back, My Heart was consumed with the Glory of God. I was filled with Holy Love. I was already in His Presence before I reached Him in Heaven."

"Those who seek to be My most effective instruments in the world must abandon agendas that are self-seeking and their own importance in the world or any recognition of achievement. It is only in this way, I am able to mold them and to fill them with God's Will."

August 15, 2013 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come today to help you see that the ballast which keeps your spiritual ship afloat is humility. Humility in the heart is the defender of Holy Love in the heart. One does not exist without the other. Humility is Truth and the revelation of how the soul stands before God. There will come a moment in time when this same Truth will blanket the earth and reveal to each soul his true status before God. Some will perish in fright. Still others will be unable to accept this Truth. Only the Father knows the hour of this Universal Truth; but, souls must prepare their hearts in humility for this moment of grace."

"Humility does not seek importance or the spotlight. It does not inflate its position in the world or seek compliments in regard to any of its works or actions. Humility shuns recognition for any of its accomplishments. The humble heart seeks the background and to be unnoticed."

"As with any virtue, humility which is practiced to impress others is false. Humility needs to be hidden in a deep relationship with God - between the soul and the Heart of God."

"It is easy to see how a lack of humility causes pain to the Mournful Heart of Jesus. Every sin transgresses Holy Love. Every sin arises out of pride. Pride is the arch-enemy of Holy Love and humility."

"Pray that your heart is washed clean by humility every morning. Never believe yourself to be more than you are in God's Eyes."

August 16, 2013 / Public

"I am your Jesus, born Incarnate."

"Never think of yourself as holy. That is spiritual pride. Always aim for the elusive goal of being more holy and regard others as more holy than you could ever be."

"There are many, many who think that because they hold certain positions within Church circles that they are holy by virtue of title. The Truth is, everyone is subject to Satan's attacks - the most influential especially. This is why you must pray for all in leadership roles. Authority becomes compromised when people think that title carries with it righteousness and Truth - no matter what."

"The foundation of Holy Love in the heart must be the basis of every spiritual journey. Everything else - title, authority and every vocation - must be built up on top of the foundation of Holy Love. Then it will be a secure structure."

August 16, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Never be self-satisfied in any effort. Always give credit to whoever contributed to your achievements, thereby deflecting attention from yourself. Believe in your heart that you accomplish nothing of your own accord, but always as an effort to cooperate with God's Grace and His Will. This is the path to becoming a worthy instrument."

"Never take pride even in being God's instrument. This, too, is a trap of Satan. Try to disappear in your endeavors as much as possible even in your own heart."

August 16, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, once again I come to unite you in Holy and Divine Love. This is the way of My Victory and My Triumph. You will recognize this path through the Light of Truth which is Holy Love. Follow it carefully for there are many obstacles."

"Tonight I'm imparting to you My Blessing of Divine Love."

August 17, 2013 / Public

"I am your Jesus, born Incarnate."

"I invite you to understand that the lying spirit is very prevalent today - more than ever before in the history of

creation. This is so because of mankind's general disconnection with discernment of the Truth."

"It is because of this lying spirit you have so many false gods, false religions, violence, terrorism and deceitful practices around you today. Truth has become a rare and seldom sought after commodity today."

"This is why the Seal of Discernment is so vital these days. Do not accept at face value what you must discern."

August 17, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Live only for the salvation of souls. Your own salvation will be gift wrapped in this effort. To succeed in this effort, you must forgive everyone and love everyone. No one should be beneath your affection or appear unworthy of your time and efforts and prayers. This takes humble love - My call to you over and over. Never pride yourself on any virtue."

"If you can do these things, you are Holy Love in the world."

August 17, 2013 / Public

"I am your Jesus, born Incarnate."

"I have come to help you understand that the abuse of power and the compromise of Truth are partners in the moral degeneration which is taking place today around the world. Abortion and same sex marriage - clearly moral issues - have entered the political arena, only by way of these two Sorrows of My Mournful Heart."

"This is the way Satan is bringing Truth to its knees and redefining sin as rights."

"Appease My Mournful Heart by your efforts to embrace the Truth and to stand for the Truth. Obey the Truth and not the compromised agenda of many of influence."

August 18, 2013 / Public

"I am your Jesus, born Incarnate."

"It is never too late to change the hearts of errant leadership and reverse the bad effects of their misguided efforts. My Heart is All Mercy - All Love. I desire to lead souls in righteousness and back upon the path of Truth."

"Leadership, which is self-seeking and leads souls in blindness, has become pharisaical in nature. No leader should refuse to listen to his flock or presume eminence over all-righteousness."

"I speak to and lead even the smallest and most insignificant heart. The Seal of Discernment is the winnowing fan which sorts out the Truth from the false. You must not allow title to take precedence over Truth."

"Pray that all leadership becomes more accountable to the Truth."

August 19, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"In the past, in other areas of the world, Heaven's intervention (by way of apparitions and private revelations) has been suppressed and even short circuited due to the abuse of authority. This has happened in many countries around the world. My visionaries have been defamed and rash judged. Investigations have been done which were cursory and in name only as a tool to discount Heaven's efforts. In nations such as France, where many miraculous events were approved, the people have subsequently lost their faith."

"But here, there is too much at stake. These times are too crucial! The world needs the devotions and spirituality given here. Confusion is pouring out of the highest leadership. Pagan practices such as the offering of the young [abortion] and sodomy are accepted."

"For these reasons, My Son has chosen to defend this Mission against the deceptions of leadership and all others who, steeped in pride, refuse to take seriously Heaven's call here."

"Do not, My children, search out reasons to disbelieve. Confine your efforts to living out these Messages. This will bring you peace."

August 19, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, learn to appreciate the small things in your lives; in that way, Holy Love can transform your hearts. Your hearts will be possessed by Holy Love and Holy Love will possess your hearts."

"Tonight I'm extending to you My Blessing of Divine Love."

August 20, 2013 / Public

"I am your Jesus, born Incarnate."

"I come today, once again, to speak about the thorns which pierce My Most Mournful Heart. These thorns represent every compromise of Truth. Today, the lying spirit is more common than uncommon. It has become like a virulent spiritual disease of epidemic proportions."

"While this disease of untruth is usually not visible, it takes its toll on the spirit, manifesting itself through moral degeneration and corruption of leadership."

"Holy Love is the remedy - the penicillin, if you will, - to cure the abuse of all Truth. Certainly, those who love God and neighbor would not want to further wound My Mournful Heart by any lie."

"So today, I come to reveal the disease and to offer you the cure. The heart of the world could be converted if people took My words to you today to heart."

August 21, 2013 / Public

"I am your Jesus, born Incarnate."

"Today, once again I reveal to you the anguish of My Mournful Heart. The abuse of authority spans the gamut from domestic violence to governments who embrace dictatorship or are moving towards dictatorship. There are many abuses falling in between these examples. Some have turned respect for their office into absolute control. This is not of Me."

"My Heart will continue to mourn if consciences are not corrected. This is why the Seal of Discernment is offered here, and is so important during these times. Never be self-satisfied. Search your hearts to be certain of not abusing any position you are given."

August 22, 2013 / Public

"I am your Jesus, born Incarnate."

"You are asking how it is possible to find the Truth in every situation. This takes a combination of human effort and the Divine. It isn't always easy. The Truth can be hidden under guile and deceit. Prayer will shed light upon the reality of the facts."

"Always look for humility of heart, for humility is Truth revealed. Do not be influenced by title, disordered authority or reputation. These are too often cover for untruth and thus become Satan's tools."

"Never discount the power of the Spirit of Truth - the Holy Spirit - to help you in your moment of discernment. Do not allow any self-interest to transform discernment into rash judgment."

"I desire that by living in Holy Love every soul will become a champion of Truth."

August 23, 2013 / Public

"I am your Jesus, born Incarnate."

"It is important that people realize the significance of standing up for the Truth in every situation. Any departure from or failure to defend the Truth makes you part of the lie."

"When I was on earth, My Mission was to defend and to shed light on the Truth. When people cannot surrender their erroneous opinions to the Light of Truth, they embrace sin."

"The Mission here is all about bringing souls into the Light of Truth. It is for this reason Heaven has so vehemently defended the Messenger, the Messages and the Mission against Satan's lies."

August 23, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the more you trust in Me, the greater My Favor upon you. The deeper your trust, the quicker I come to your aid and your petitions are taken into My Heart. Do not fear, then, for fear is the enemy."

"Tonight I'm blessing you with My Blessing of Divine Love."

August 24, 2013 / Public

"I am your Jesus, born Incarnate."

"I tell you solemnly, everyone who has lost their faith has accepted some compromise of Truth. Faith is based upon Truth. Sound reason is based upon Truth. When people start looking for proof of the tenets of faith, they have taken the first steps towards losing their faith."

"Faith is the belief in the intangible. It is a gift from God. If the human heart rejects this gift, it is taken elsewhere."

"The spiritual value of faith can never be fully realized in this life, but this in no way, diminishes its worth. I sent My Mother as the 'Protectress of the Faith', specifically for these times. Faith is in jeopardy and endangered by abusive leadership, modern technology and every other false god which compromises Truth. People would rather be politically correct than righteous in My Eyes. People place faith in themselves above faith in God."

"These are reasons why it became necessary to reveal to you My Mournful Heart. Console Me as I watch with anguish so many millions slip to their perdition. Hell lasts forever. The present moment is fleeting. If well-spent, the present moment brings you into eternal joy."

"Ask My Mother to protect your faith in the face of so much compromise."

August 25, 2013 / Public

I see the Flame of the Heart of God the Father. He says: "I Am Who Am - The Eternal Now."

"To all things there is a season - a Season of Want, a Season of Plenty, a Season of Confusion, a Season of Clarity, a Season of Untruth, a Season of Truth. This is the Season of Preparation for My Son's Second Coming. This preparation comes on the wind of great trials and the storms of lack of faith and narcissism."

"I have given humanity shelter from the wind and storms within the Refuge of Holy Love - the Immaculate Heart of Mary. I have offered the way of the spiritual journey through the Chambers of the United Hearts as a sure path to salvation. I have given you the added protection of the Protectress of the Faith."

"All of this safety from the wind and storms of this season of tribulation is fortified by the secure template of the Devotion to the Mournful Heart of My Son. This devotion lessens the blows of the wind and storms of this age."

"I have not abandoned you, My faithful children. Do not abandon Me. The Remnant will need to pull apart from every hypocrisy and untruth in order to be the Remnant."

"I engulf you in My Eternal Divine Love."

August 26, 2013 / Public

"I am your Jesus, born Incarnate."

"I invite you to see that the sin of abortion is a glaring example of the spirituality of the heart of the world today. It is a compromise of Truth in the reality of life at the moment of conception. Abortion is an abuse of power from parents to legislators who support this crime against life."

"Man cannot change the laws of God to suit his purpose. Is it any wonder that Heaven's intervention here today is ignored - even blasphemed - when the Ten Commandments have been trampled upon summarily day in and day out?"

"Today, you see all the signs of agnosticism. Church attendance is down. Faith is under attack as never before. The world clamors after every new form of technology while prayer and sacrifice are left unattended."

"The general population lacks the wisdom to pursue the Truth. If the Truth does not suit him, he compromises reality."

"All of these transgressions of My Mournful Heart bear their bad fruit as the heart of the world is consumed with disordered self-love."

"I am asking each one today to pray for the desire to embrace the Truth and the wisdom to recognize the Truth."

August 26, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, when you kneel before the empty tabernacle in Our United Hearts Chapel to pray, say a prayer for those leaders who have empty hearts - devoid of Holy Love. These are the ones who abuse authority and cause pain to My Son's Mournful Heart."

August 26, 2013 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I support you in and through the Truth. Do not look at who disapproves or who approves in the world, but look to My Truth and My Approval for reassurance."

"Tonight I'm extending to you My Blessing of Divine Love."

August 27, 2013 / Public

"I am your Jesus, born Incarnate."

"I tell you, once again, that the untruths which lie in hearts are often camouflaged by title and position in the world. Satan puts every effort into concealing and thwarting the Truths of this Mission and these Messages. This is because all that Heaven offers here directly opposes his evil agenda."

"I cannot stress enough the impact of the Seal of Discernment in the world today. It is not offered anywhere in such a way as it is here. While the Spirit of Truth - the Holy Spirit - works in each heart that receives Him, this Seal is offered generously to determine good from evil - Truth from untruth - to all who come here with a sincere heart."

"This Seal has the capability of changing the course of human events."

August 28, 2013 / Public

"I am your Jesus, born Incarnate."

"I cannot prescribe a more potent Message to the heart of mankind than to live in Holy Love. This is the sum total of personal holiness and of salvation. Holy Love is only as potent as is the human effort to surrender to it."

August 29, 2013 / Public

"I am your Jesus, born Incarnate."

"Today, please mourn with Me the loss of faith as it used to be. My Churches stand empty. This is a reflection of the emptiness in hearts. Every compromise of Truth is now acceptable - even in vogue. This is reflected in the moral decline and the rise of violence in the world today."

"Those whom I traditionally have depended upon to support the Truth have very often abused their authority or compromised the Truth. Some have fallen into the evil trap of self-righteousness. Few there are who lovingly shepherd their flock and encourage salvation through Holy Love."

"Many leaders try to pander to their flock by not opposing sin. This is a compromise of Truth that will follow them into eternity unless they repent, for they are shirking their responsibility."

"Even worse is the opposition to Heaven's intervention, such as this apparition site. If so much rests upon the opinion of one leader, a grave responsibility rests on him to discern the Truth. Sadly, this has not been the case. Even sadder is that title carries with it righteousness, and that people do not look beyond title. Unfortunate is the heart that shelters agendas and motives which oppose Heaven's plan to save souls. This is the mentality which has formed factions within leadership I used to depend upon."

"Bringing all of this to light has long been on My Heart. I share them today so as to help the world realize the plight of My Mournful Heart."

"Please make all of this known."

August 30, 2013 / Public

"I am your Jesus, born Incarnate."

"Today, I invite all people and all nations to put down their arms and to step onto this property - this Island of Grace. For it is here you will be united in the Truth - the Truth which is Holy Love."

"There is no room in Heaven for hatred, vengeance or unforgiveness. You cannot find peace outside of My Father's Will, which calls you into Holy Love. You do not have the resources to foster peace amongst all nations. Peace does not come from weapons of mass destruction, terrorism, hatred or any form of intolerance towards human rights. Peace is the fruit of living in Holy Love."

"Here, at this site, is the oasis of grace you need to bring peace to all hearts and every nation. Set aside personal agendas and self-importance. Take to heart the welfare of one another. Live according to God's Laws - not the compromised truth of some laws set in place today."

"Holy Love is the Gateway to the New Jerusalem. Step through it. Be embraced by the Truth."

August 30, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

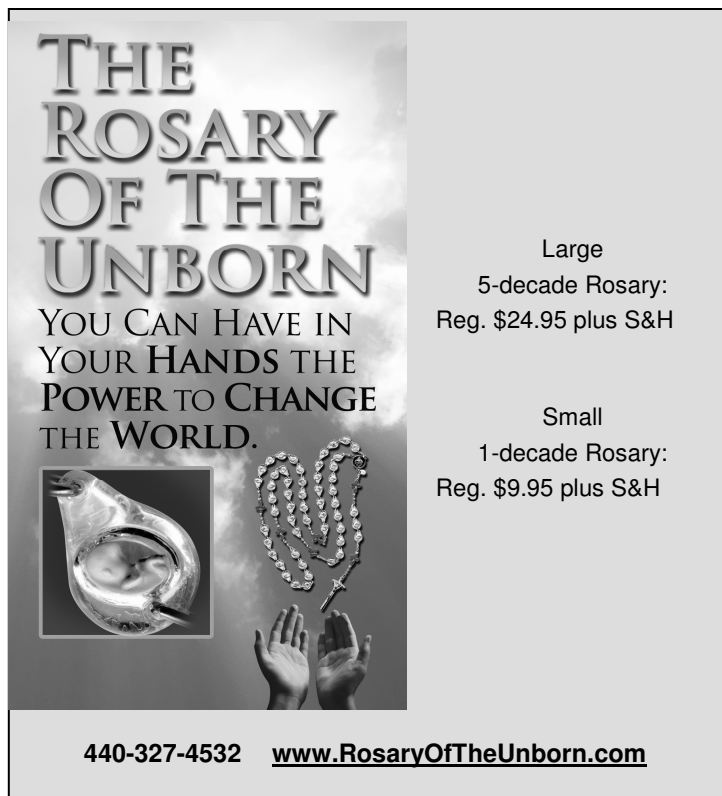

"My brothers and sisters, decide to imitate Divine Love as closely as possible, for this is the way of perfection. Cherish each present moment, for it will never return to you in the same way - with the same graces."

"Tonight I'm extending to you My Blessing of Divine Love."

August 31, 2013 / Public

"I am your Jesus, born Incarnate."

"I am reaching out to humanity through this apparition site. I desire all come here with a humble heart and with expectant faith. I say a 'humble heart', for they must recognize they have needs that only I can address."

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

“NO TRUTH OPPOSES HOLY LOVE”

September 2013

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: *“Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”*

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

"I am your Jesus, born Incarnate."

"Nations cease to be Christian and become pagan when they enact pagan laws such as same sex marriage and abortion. Politics must not decide moral issues. Your nation is now pagan. No longer do the Ten Commandments hold sway over policies. The government decides without considering God's Will."

"Totalitarian rule is now acceptable - even expected - under this president. The voice of the people is being discounted. Therefore, freedoms are disappearing."

"You are being led into wars which weaken you and provide a battleground which encounters evil. The more fronts you engage in, the more diversified your power."

"You must challenge inept leadership and demand accountability under constitutional law. This is where your real power lies."

September 1, 2013 / Sunday Service - Consecration of the Heart of the World to the United Hearts and Unity in Families

St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, today I ask all family members to practice forgiveness towards one another. It is in this way you will be able to live in Divine Love, and there will be peace and unity amongst you."

"Tonight I'm extending to you my Fatherly Blessing."

September 2, 2013 / Public

"I am your Jesus, born Incarnate."

"The disconnection between the heart of the world –

which is the heart of all mankind - and the Heart of Divine Love, is the cause of conflict in the world. More and more wars are not confined to geographical boundaries, but are waged between ideologies."

"History has not proven to be a lesson well-learned, but rather a stepping-stone to greater atrocities towards human dignity."

"I offer you the solution to a far more peaceful future through unity in the Truth of Holy Love. You must choose it. I invite, but I cannot redirect your free will."

September 3, 2013 / Feast of Mary, Mother of the Good Shepherd

Blessed Mother says: "Praise be to Jesus."

"Please understand, that as the Mother of all mankind, it is My grave duty to point out danger to My children. These days the greatest danger is mankind's inability to recognize evil. Satan does exist, dear children. He does not want your salvation."

"During these times, the evil one has taken over politics, entertainment, education, the world of fashion, morals and religious policies. What was once stable is now insecure. He uses many crisis situations - wars, finances and general instability of peace - to distract you from the reality of his inspirations."

"Those who do not recognize evil are easily duped by evil. It is time, dear children, that you participate in discerning who inspires your thoughts, words and actions. This requires an act of your free will. You receive the Seal of Discernment with great eagerness, but you must choose to use this gift. The Seal inspires you to avoid evil, but it cannot make you do so."

"Pay attention to where your thoughts, words and actions lead you. Satan is active all around you. Do not go blindly along with popular opinions. Always search out God's Truth."

James 1:22-25

"But be doers of the word, and not hearers only, deceiving yourselves. For if anyone is a hearer of the word and not a doer, he is like a man who observes his natural face in a mirror; for he observes himself and goes away and at once forgets what he was like. But he who looks into the perfect law, the law of liberty, and perseveres, being no hearer that forgets but a doer that acts, he shall be blessed in his doing."

September 3, 2013 / Feast of Mary, Mother of the Good Shepherd

Blessed Mother says: "Praise be to Jesus."

"I address now those who have pursued vocations in the priesthood or religious life. Remain faithful to your call to save souls. Do not redefine laws and doctrine to suit your personal agendas. Do not allow your hearts to become ambitious, turning your vocation into a career."

"God has not called you into your vocation to be important or to impress others. It is through you, God must shepherd those under your influence into the Truth. Educate in the Truth without an eye as to consequences to self."

"Bring God's Commandments to the forefront again. Be aware of the iniquity in your own hearts so that God can assist you to help others recognize their own iniquities. Lay bare the reality of sin."

"Follow My lead, and your vocation will be strengthened."

James 3:14-18

"But if you have bitter jealousy and selfish ambition in your hearts, do not boast and be false to the truth. This wisdom is not such as comes down from above, but is earthly, unspiritual, devilish. For where jealousy and selfish ambition exist, there will be disorder and every vile practice. But the wisdom from above is first pure, then peaceable, gentle, open to reason, full of mercy and good fruits, without uncertainty or insincerity. And the harvest of righteousness is sown in peace by those who make peace."

September 5, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"You have had an unusually difficult time getting a refill on a prescription recently. This is what I invite you to realize from this experience. When human error combines with electronic error, any result is possible. That is the evil one's domain causing, at the very least, lack of peace."

"Think of the ramifications something like this could have in the world of nuclear weapons. Whereas today no one would accept responsibility for error, the same could be true in the realm of global security. The evil one can combine errors to bring about his results."

"But, as prayer cleared up the situation at the drug store and doctor's office, prayer can change situations in the world to bring God's Glory into play. This is where trust is

the key component to the victory of Our United Hearts in the future."

"Every plan of action has, from its inception, a goal. Too often, the enemy of all salvation thwarts the good goal and convolutes the outcome, making it his own."

"Any course of action in the Middle East has to be prepared for the twists and turns of evil. Often, what appears as a quick intervention is transformed into a prolonged and costly conflict, diverting just goals into confusion."

"I have come to warn - not foretell."

September 6, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Tonight I have come to ask each soul to search deeply into his own heart and root out any vanity. It is the vanity of disordered self-love that leads to moral degeneration in the heart and in the world around you."

"Tonight I'm blessing you with My Blessing of Divine Love."

"I tell you solemnly - war, the taking of human life or any atrocity against human dignity - is never a choice in Holy Love. These are always choices arising from compromised Truth and the abuse of authority. My Mournful Heart beats in anguish as the world teeters on the brink of disaster."

"How long must I wait before the Truth is recognized as the Truth? Where has the value of human decency gone? I do not want to spill My Justice out upon the world. If you fully understood what My Justice is, you would never tempt Me."

"Once again, I call mankind to correct its own conscience through the grace of Holy Love. Herein is the path which circumvents Justice. Holy Love is the weapon which destroys error in hearts. This Truth is the weapon of mass destruction that can change the world forever."

"I am your Jesus, born Incarnate."

"Today, I invite all people and every nation to set aside their differences and to work together for the common good. You exist through the workings of My Father's Divine Will. Do not oppose Him through hatred or plans of violence."

"Be aware of your common human existence and your dependency upon God's favor. So much hinges upon your humble recognition of this Truth. Do not be persuaded that reprisal is more important than peaceful coexistence. This is the path towards war and is not My Father's Will."

"If you do not listen, My Father will be tempted to ask Me to release My Justice upon you."

1 Timothy 2:1-7

"First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all men, for

kings and all who are in high positions, that we may lead a quiet and peaceable life, godly and respectful in every way. This is good, and it is acceptable in the sight of God our Savior, who desires all men to be saved and to come to the knowledge of the truth. For there is one God, and there is one mediator between God and men, the man Christ Jesus, who gave himself as a ransom for all, the testimony to which was borne at the proper time. For this I was appointed a preacher and apostle (I am telling the truth, I am not lying), a teacher of the Gentiles in faith and truth."

"A great pride has overtaken the heart of the world. It is the pride of unforgiveness. You can have no sincere and long-lasting peace amongst people or nations outside of forgiveness. Forgiveness is a good fruit of Holy Love. Forgiveness in the heart builds the foundation of love."

"Forgiveness accepts who people are and loves them with an eternal Holy Love, despite intrinsic differences. Peace treaties can be formed, but they are only paper if forgiveness is not in the hearts of those who sign them."

"Unforgiveness breeds insincerity of heart and is a barrier to My Grace. Unforgiveness does not seek with a sincere heart My Father's Divine Will."

"You cannot negotiate forgiveness. It must come from an act of free will."

"I call all people to live in Holy Love by first forgiving."

"I tell you solemnly, if your country makes the mistake of attacking Syria, there will be no victor. In that country, evil opposes evil. If one evil is defeated, another evil would rise up in its place."

"It is a no-win situation, and would be all for show. Continue to pray for wisdom for your nation's leaders."

"Please make this prayer known:"

Prayer for Leaders of Nations to Live in Truth

"Most Mournful Heart of Jesus, have compassion upon the leaders of all nations. Help them to live in the Truth and not to abuse their authority. Inspire them to govern towards the welfare of their people. Do not let the war that is in hearts spill out into the world."

"Accept my prayers and sacrifices for the Victory of Peace in all hearts. Amen."

"Every proposal of Peace needs to be founded on Truth. The peace will only be as genuine as is the Truth adhered to. Hidden agendas are not part of Truth and serve only to unravel peace."

"Superficial peace is the result of a superficial commitment to uphold the peace. It is short-lived. Once again, peace must be first in hearts before any contract can be respected and acted upon in Truth."

September 11, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, on this infamous date in your nation's history, I invite you to see that it is what is in hearts which governs actions. Thus, it is so that what hearts accept as Truth can change the course of human history. Therefore, it is with great urgency I come to call all people and all nations to search out the Truth based upon Holy Love. This is the scale of Justice My Son holds in His Hands."

"You cannot expect fair and just policies from leaders who do not embrace the Truth. Such as these seek out their own welfare."

"The Lord wishes to raise this nation to the greatness that it once was, but He cannot do so if you continue to allow untruth to govern your hearts."

"See that what I am calling you to, today, is more urgent, more important, than any red line of retaliation."

"Please transcribe the following prayer for the protection of your country and all its citizens:"

Petition for God's Protection over the United States and its Citizens

"Heavenly Father, please take dominion over this nation once again. Place your Hand of Protection over all its citizens, wherever they may be. Protect this country's borders, its natural resources and all freedoms. Reconcile the soul of this nation with your Divine Will. Inspire each citizen to pursue peace."

"Father, please preserve this nation in all Truth, and free it from any abuse of authority. Amen."

September 12, 2013 / Feast of the Most Holy Name of Mary

Blessed Mother says: "Praise be to Jesus."

"I tell you, many good works have been aborted by the abuse of authority. This is because those who misuse their power do not abide in the Truth. They do not accept the Truth that they transgress their responsibility. Every position of authority carries with it duties towards just fulfillment of the responsibilities attendant to their position."

"Some in positions of power shirk their truthful roles and presume roles not theirs to take. This is true in politics and in every other form of leadership. When peoples' freedoms are impinged upon, this is always the abuse of authority."

"My children, you have the God-given right to come to this apparition site to pray. God is calling you here. Let no one take this freedom from you."

"In preparation for the feast tomorrow, the Exaltation of the Cross, I invite each soul to allow the cross to be victorious in their heart and their lives. The way to accomplish this is to accept every cross I send you; for in your acceptance is your surrender."

"Make the Way of the Cross often, either by walking the Stations or reciting them privately. I am very much a part of such an effort and will send you many graces. The Way of the Cross is very often the means of clarity of conscience. These days mankind can measure heat indexes, wind chills and air pressure, but seems unable to grasp the depth of his relationship with Me. The measure of Holy Love in the heart calibrates the depth of My relationship with each soul."

September 13, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth; For World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, meet Me on the Way of the Cross tomorrow. I will be with you in a special way on this feast of the Exaltation of My Cross."

"Tonight I am blessing you with My Blessing of Divine Love."

September 14, 2013 / Feast of The Exaltation of the Holy Cross

"I am your Jesus, born Incarnate."

"Today, the world holds the Cross in low esteem. Sacrificial suffering is rarely upheld from the pulpit. My Corpus upon the Cross has become unpopular. For the most part, the role of My Redemption for all mankind takes a back seat to disordered self-love."

"Yet, the value of My Cross has not diminished and never will be. Your devotion to My Cross is My Glory in the world. This love of My Efforts - My Passion and Death - garners you many favors. Your invocation to My Precious Blood spells Satan's defeat. Never become immune to the Power of the Cross. Kiss My Wounds with your little sacrifices. Together, we can change hearts. Together, My Cross will be exalted."

September 14, 2013 / Saturday Service - Against Abortion and for World Peace / Feast of The Exaltation of the Holy Cross

Jesus is here with His Mournful Heart exposed, and He looks as He did right after His Scourging. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite you to forgive everyone, and forgive every instance in the past. Venerate

My Mournful Heart which beats with anguish as I hung on the Cross for the sins of these days."

"I will bless you, as I am blessing you now with My Blessing of Divine Love."

September 15, 2013 / Feast of Our Lady of Sorrows

Our Lady comes as Our Lady of Sorrows. She says: "Praise be to Jesus."

"Today, I invite, once again, all people and all nations to allow Holy Love to take dominion over their hearts. My greatest sorrow is the same today as in ages past - the lack of Holy Love in hearts. This is the open door to Satan and all of his wiles."

"My Sorrowful Heart beats in unison with the Mournful Heart of My Son. We both see the compromise of Truth and the abuse of authority as the reverse of the gospel message. We see from Heaven how these evils pervade hearts, affect every aspect of human existence, and stubbornly refuse correction. Love of reputation, status and esteem have replaced the Truth in hearts of leaders, thus causing the loss of many souls. Much time, energy and money has been surrendered to promote evil as worthy and good."

"But, from Heaven, Jesus and I see into all hearts. The future does not bode well for any who reject Holy Love. You will never find joy in trying to please self instead of pleasing God. You cannot find peace outside of God's Divine Will which is Holy Love."

"Surrender your hearts to the Truth. Then, My Son's Mournful Heart and My Sorrowful Heart will be greatly appeased. You will be at peace. You will find joy in the present moment."

September 15, 2013 / Sunday Service - Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace

Blessed Mother is here as the Sorrowful Mother with the Swords in Her Heart and says: "Praise be to Jesus."

"Dear children, appease My Son's Most Mournful Heart and My Own Most Sorrowful Heart with your prayers and sacrifices. Let all your prayers and sacrifices come from Holy Love. They will be worthy, and you will be blessed, even now as I am blessing you with My Blessing of Holy Love."

September 15, 2013 / Feast of Our Lady of Sorrows

TO: PRIESTS

Our Lady comes as Our Lady of Sorrows. She says: "Praise be to Jesus."

"Today, on the Commemoration of My Sorrowful Heart, I have come to invite all clergy here to this site. You will feel My Presence and My Peace here apart from the confusion of the world."

"You must realize that Satan is the enemy of every vocation. He puts people in your life and creates situations which are great distractions. Place all of your spare time in My Immaculate Heart. Ask Me to protect your faith, your purity, your holiness - and I will."

"Your vocation comes from God and must be used by God for the salvation of souls, as well as your own soul. Amongst you there must be no jealousy, rivalry or ambition. Reveal sin for what it is. Your call is not to be popular, but

to stand for the Truth. Those who stand for the Truth must not be punished by those in authority. Reprisals are not part of Holy Love or of any vocation."

"Unite in the Truth and help Me to save souls. Daily examine your hearts. Ask Me to reveal to you any iniquity - any transgression against Holy Love. Always make the Sacraments your priority. Make them readily available to all. The numbers of penitents each week reflects the strength of your vocation."

"Do not look to please people above pleasing God. If you listen to My words today, your vocation will be under My Mantle of Protection and I will bless you."

TO: THE HIERARCHY**

"I am your Jesus, born Incarnate."

"In the past, I have gingerly tiptoed around this topic due to sensitive egos; but, I must speak out. Souls slip to their perdition, for there is no introspection. I must tell you, and I speak to all Church hierarchy that title does not guarantee your salvation."

"All hierarchy, no matter their sect or affiliation, need to convey a loving concern for their flock. Control is not love. Do not hold yourselves above reproach and beyond error in every matter and all opinions. This is not part of the human condition. Understanding and open communication need to be your hallmarks."

"Do not resent or deny the power of the Holy Spirit in and amongst your flock. Acknowledge the inspirations of the Holy Spirit even in the humblest. If you are fortunate enough to have an apparition (which is a direct intervention from Heaven) in your diocese, pray for fair, open-minded discernment. Do not try to do everything in your power to squelch it. Pay attention to what Heaven asks. Be a follower, first, before you discern. Otherwise, you may rash judge and mislead many. You are responsible for many good prayers left unsaid if you mislead."

"Be open to My Constructive Criticism today. Do not allow Satan to discount this spiritual growth in your hearts. Lead with Holy Love. Do not mislead with your egos."

**September 16, 2013 / Monday Service - Peace in All

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Tonight, My brothers and sisters, I come to ask that you pray from the heart. In that way, I can carry your prayers around the world and scatter grace wherever it is needed the most. Pray for peace."

"Tonight I'm blessing you with My Blessing of Divine Love."

September 17, 2013 / Public

"I am your Jesus, born Incarnate."

"Today, I wish to discuss with you the pharisaical spirit. This is a spirit most prominent in the world today. It is strongly present in the hearts of many leaders. This spirit promotes a poisonous form of self-righteousness within the heart. It is a spirit which leads the soul to believe that, because of title, position, intelligence or any other supposed superiority, it has all truth and cannot be persuaded otherwise."

"This spirit is judgmental. The pharisaical spirit, when dealing with an apparition site such as Holy Love, believes in the first negative without investigating and summarily discounts any grace. This same spirit is defined by arrogance and lends more importance to its own opinion than to the Truth. So you can see how the enemy weaves his way into hearts and thus, opposes good."

"Often the pharisaical spirit builds his beliefs upon high powered authority which the soul uses as proof of righteousness. But, this very often is not Truth. The lying spirit becomes a partner with the pharisaical spirit."

"You will recognize all evil on the scale of Holy Love. Feigned righteousness can never equal Holy Love in the heart. The heart steeped in Holy Love is also steeped in humility."

September 18, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, your personal holiness needs to be your prized possession. This is your personal relationship with God the Father, Jesus and Me - all nurtured by the Holy Spirit, the Spirit of Love and Truth."

"You have been given the spirituality of the Sacred Chambers of Our United Hearts here at this site. Let this journey be your guide and path to follow towards the Divine Will."

"Do not let anyone or anything stand in the way of your deep and ongoing journey in holiness. These days, the world holds holiness in low esteem and refuses to conform to such a concept. But you, My children, have been brought along this sure and certain path of Holy and Divine Love. Never be discouraged by slips or falls. I, Your Mother, am accompanying you and will teach you the way."

"Never be so far from My Heavenly Correction that you will not listen."

"I am your Jesus, born Incarnate."

"Just as My Mother wept at La Salette so many decades ago, She weeps, still, for the ones who will not listen and believe. She weeps for the millions that do not recognize their responsibility towards their own salvation. Some souls She can no longer look upon; it causes Her such pain."

"But, you can console Her. Even the smallest of sacrifices soothes Her Sorrowing Heart. Present them to Her with love. Love is the power behind each of your sacrifices."

September 20, 2013 / Public

"I am your Jesus, born Incarnate."

"I have come today to help the world population to see how contraception and abortion have resulted in the moral degeneration of this nation and of the world. These two crimes against life have redefined sex into a means of physical pleasure instead of God's tool of procreation. It follows, then, that same sex relationships would become status quo."

"The heart of the world needs an awakening to the reality of God's Laws and My Father's Rightful Dominion over consciences. Unfortunately, this awakening may come as My Justice."

"My Words to you today come from My Merciful Heart and must not be taken lightly. The age of innocence has long passed. You must assume responsibility for the choices you have made as a world population."

September 20, 2013 / Public

"I am your Jesus, born Incarnate."

"I must tell you that it is not the connection with a line of authority which makes a work or a belief true and real. Too often, the authority is not connected with the Truth - God's Will - Holy Love; all of these being the same."

"What good does it do, then, to be faithful and aligned with error? Be one with My Father's Will, which is manifest in Holy Love. Seek no other authenticity unless proven worthy by merit of Truth."

September 20, 2013 / Public

"I am your Jesus, born Incarnate."

"Recently, you took a lamp in for repair because the switch was burned out and it would not give light. I invite you to see that sometimes, indeed, very often, a soul's 'spiritual switch' burns out and one does not live in the Light of Truth. This 'burn out' is the result of love of the world, love of intelligencia and one's own opinions, and lack of pursuit of the Truth. All of these lead to disconcert for one's own salvation."

"When the spiritual Light of Truth 'burns out' in the soul, one opens himself to the darkness of Satan's inspirations. It is then that all disorder enters in - love of possessions, position and esteem, love of pastimes - any affection that does not hold spiritual value. This is how evil enters hearts and thwarts good."

"Pay attention to where your heart lies. Your heart should lead you in Holy Love."

September 20, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth, and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, once again I come to call all people and all nations into Holy Love, for this is the only way to peace. No peace accord can be reached apart from God and His Divine Will which is Holy Love."

"Tonight I'm imparting to you My Blessing of Divine Love."

September 21, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come to help you understand that jealousies compromise the Truth and distort discernment of Truth. In the religious realm, jealousies cause insecurity in the actions of the Holy Spirit in others. This is displayed in attempts to discredit the character of those inspired by Heaven and in the jealous guarding of territory."

"How many good and pious works have been aborted by jealous hearts! As Heaven tries to build up and unite the Kingdom of God, jealous and insecure hearts try to tear down every attempt to prosper in the Spirit of Truth."

"Therefore, see that these jealousies greatly grieve My Son's Mournful Heart. Those who influence many must

look into their own hearts to see if the error of jealousy is present. If it is, they must repent."

September 22, 2013 / Public

St. Peter comes holding a key. He says: "Praise be to Jesus."

"As people of faith, you must realize that sin is still sin and does not change in the presence of social justice. There are no gray areas where sin is concerned. Right is never wrong, and wrong is never right. Remember the concept of - love the sinner but hate the sin. We must never get so carried away with love of the sinner that we ignore the sin. This is a compromise of the Truth."

"There can never be spiritual growth unless sin is recognized, addressed and conquered. The soul opens himself to all sorts of error unless he overcomes his iniquities. It does not do any good to pander to the heart of a sinner so as not to offend, and then expect him to repent."

"Leaders are set in place by God to give guidelines - not to confuse. We must love enough to lead the sinner away from evil. This is how I led in my day."

September 23, 2013 / Feast of St. Pio of Pietrelcina

St. Pio of Pietrelcina says: "Praise be to Jesus."

"Most of the problems that have consumed the heart of the world today are the direct result of the lack of discernment of the Truth. Leaders in many realms believe wholeheartedly in Satan's lies. They rule and promote these lies which often come clothed in goodness."

"Understand, then, why the Seal of Discernment is so important. If Truth could conquer hearts, Satan's kingdom would be destroyed. There would be no ambiguity between good and evil. Sin would be seen for what it is. People would work out their own salvation with zeal."

"But, as it is, everything is painted over with a gray paint brush. Opinions obscure what was once clearly right or wrong. Opinions have become gods of their own."

"I come to you today to ask your cooperation in prayer that many more come here in respect of the Seal of Discernment which is offered here."

"I stand at the entrance of the Stations of the Cross blessing all."

September 23, 2013 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please pray for the grace to forgive one another; for it is only in that way every barrier is removed between God and you, and neighbor and you. I desire an open path to your hearts so that I can give you every grace."

"Tonight I'm extending to you My Blessing of Divine Love."

September 24, 2013 / Feast of Our Lady of Ransom

Blessed Mother says: "Praise be to Jesus."

"Today, I have come to tell you, once again, that war will not end in the world until war ends in the womb. The world is becoming less and less safe as violence and terrorism spread. This is in direct proportion to the violence and terrorism inflicted upon life in the womb."

"Mankind has dissolved the connection between life itself and God's Divine Will by choosing to believe life does not begin at conception. Sex has become a plaything instead of God's means of procreation."

"Title and authority have masked many errors. I am here, as always, to call you back into the reality of Truth. Truth is the safe harbor of Holy Love which will not allow you to overlook God-pleasing choices. When you please God, you will be at peace despite the unrest around you."

September 25, 2013 / Public

"I am your Jesus, born Incarnate."

"I tell you, solemnly, errors which infiltrate any organization are the direct result of infidelity to the Truth. My Heart mourns that souls do not recognize this reality."

"People have come to make their opinions more important than the search and the embrace of the Truth. Many believe they live in righteousness, for they believe in people who have betrayed the Truth. The Truth is the embrace of the Ten Commandments, which is one with Holy Love."

"Today, there are many false religions that encourage violence and hatred. I come to tell you, none of this is from Heaven. I call you to unity of heart and mind. I call you to be united in the Truth."

September 26, 2013 / Public

St. John Vianney, the Cure d' Ars says: "Praise be to Jesus."

"I have come to tell the world that Holy Love is the safeguard of vocations and, for that matter, all personal holiness. Vocations are vessels of grace, as is each soul that embraces Holy Love. When the virtue of Holy Love is transgressed, the doorway to evil is opened."

"Every soul has the solemn duty to uphold Holy Love in his heart, but this is especially true of a soul who has a religious vocation or who influences the souls of others. The evil one uses the defeat of Holy Love in hearts to gain a foothold in vocations and, therefore, his evil influence in the world."

"This is why you have so much opposition here."

"The Chambers of the United Hearts are a pathway of power and Satan's defeat."

September 27, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"No one can claim to live in the Divine Will, but yet discount Holy Love. The only way into the Divine Will is through Holy Love. Holy Love is the Divine Will. You cannot climb a ladder or begin a journey without taking the first step. In the same way, you cannot reach the summit of personal holiness without surrendering to Holy Love."

"Some pride themselves on their holiness which transgresses humility - the basic virtue coupled with Holy Love in every effort towards holiness. Do not love the fruits of the Holy Spirit as though you deserve them. Just be a ready instrument - always deflecting self-interest or self-aggrandizement. This is God's Will."

St. Thomas Aquinas says: "Praise be to Jesus."

"Holy Love is the Divine Will of God. Since the Will of God is all Truth, all Truth is contained in Holy Love."

September 27, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth, and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, make amends to My Most Mournful Heart by your 'yes' to Holy Love in the present moment. The depth of your personal holiness is determined by the depth of your surrender to Holy Love."

"Tonight I'm blessing you with My Blessing of Divine Love."

"I am your Jesus, born Incarnate."

"I invite you to realize that just as My Passion and Death were necessary for the salvation of souls, My Justice is necessary in the reclamation of the heart of the world. The heart of the world must be re-established in the Divine Will. Until the world is, once again, placed under My Father's Dominion, error will prevail, untruth will be accepted as Truth and every sort of abuse of authority will be overlooked."

"Do not lose heart; for now, I am bringing one heart at a time back to Me. Holy Love is My call to Triumph and My moment-to-moment victory."

"When My Justice is complete, every soul will share in My Victory - My Triumph in Holy Love."

September 28, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come to call the world to prayer. Prayer based on Holy Love is your means of reconciliation with God. Every vocation, whether the single life, marriage or the religious life, must have at its core - prayer. Prayer, dear children, is the vocation which must encapsulate every other vocation. It is the call within the call."

"If prayer is excluded from your daily life, the soul is in danger of falling victim to evil inspirations. Good prayer, loving prayer, can lift up and unite the Church, governments and inspire every leader towards God's end."

"You waste many present moments, dear children, when you could pray with Me that God's Will is victorious in hearts and in the world. I am always with you - praying for you - loving you and acknowledging your intentions. Be always with Me."

September 29, 2013 / Feast of the Archangels - St. Michael, St. Gabriel and St. Raphael

I heard a swishing sound which proved to be St. Michael's Sword slicing through the air as he arrived. He says: "Praise be to Jesus."

"Years ago, I told you that as much power as God has given me, I am completely helpless in the face of man's free will. This is still true and always will be. God is the respecter of free will choice. This is why it is so important that free will is formed in and guided by the Truth."

"The Truth upholds and respects the Ten Commandments and, consequently, human dignity."

Today's culture reflects the moral degeneration of bad free will choices."

"I am always ready to help any soul to vanquish the enemy of his salvation. I am the strength this generation needs to overcome the rebellious spirit which promotes untruth."

"On my Shield you see the Symbol of the United Hearts. It is the spiritual journey through the Chambers of the United Hearts that triumphs over the evil of untruth in souls. Satan fears this Symbol."

"Make it known."

Blessed Mother says: "Praise be to Jesus."

"Dear children, today I invite you to partake more fully of God's Mercy by being God's Mercy in the world. The more fully you forgive those around you, the more God's Mercy flows into your soul. It is then every grace will be given towards your well-being."

"Every grudge you harbor in your heart is a barrier to God's grace. Many souls linger in the prison of Purgatory, for they were unwilling to forgive. Forgiveness, dear children, is an act of free will."

September 30, 2013 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

October 2013

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

**BLESSED MOTHER'S NEXT PROMISED APPARITION WILL BE ON
THE FEAST OF OUR LADY OF GUADALUPE - DECEMBER 12, 2013**

"I have come to confirm My visit to the Field of the United Hearts during the Hour of Mercy on My Feast Day - December 12th. If the people gather at midnight dawning on December 12th, they will be given a Blessing from Heaven, but there will be no apparition. Heaven uses every prayer and every sacrifice."

(Our Lady, October 18, 2013)

♥ **WEDNESDAY, December 11, meet at 11:50 p.m. at the Field of the United Hearts for Prayer Service and Blessing from Heaven. (No apparition this service.)**

♥ **THURSDAY, December 12, meet at 2:30 p.m. at the Field of the United Hearts for Procession, Prayer Service and promised Apparition.**

October 1, 2013 / Feast of St. Thérèse of the Child Jesus

St. Thérèse comes, and she says: "Praise be to Jesus."

"I have come to inform. These days, Satan hides his intrinsic evil in seemingly small decisions such as forms of entertainment, dress codes, political choices and manner of speech. He uses what seems unimportant towards his end – the destruction of souls."

"I am here to tell you that just as many small sacrifices amount to much good, many poor decisions can amount to much evil. Satan knows well how to gain a foothold in hearts. His fingerprints are all over world politics today. If he can disguise his actions in small ways, he can easily mislead in great ones, as well."

"My little way is a fortress against evil. Begin at once to offer many small sacrifices daily. You will be given deeper

insight between good and evil in your moment-to-moment decisions."

October 2, 2013 / Feast of The Holy Guardian Angels

St. Thomas Aquinas says: "Praise be to Jesus."

"I tell you, no other apparition has dealt so succinctly with personal holiness and the spiritual journey into the Sacred Heart of Jesus and the Immaculate Heart of Mary. Because these Messages mainly deal with the interior forum of the soul, it is inappropriate for anyone to interfere in belief and practice of Heaven's instructions here."

"Only darkness would oppose the Light of Truth."

October 4, 2013 / Feast of St. Francis of Assisi

St. Francis says: "Praise be to Jesus."

"Always remain recollected in your spirit. In that way, your presence, your being, emanate Holy Love without preaching words."

October 4, 2013 / Friday Service – For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth, and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I invite each one and all to come deep into My Most Sacred Heart where I will reveal to you My Mournful Heart – that part of My Heart which mourns for the sins against human dignity."

"Be united in the Truth of the Ten Commandments, the embrace of which is Holy Love."

"Tonight I'm blessing you with My Blessing of Divine Love."

October 5, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"These days, you are living in an age of moral apostasy. It is an age when anything goes and everything is acceptable. But the Truth does not change for the sake of who believes or disbelieves. The Truth of the Ten Commandments is as true today as it was when Moses received them. The Truth of this Mission is unchanging. Holy Love remains the embrace of the Ten Commandments."

"Do not be swayed away from the Truth by any influence. Keep your focus upon pleasing God and neighbor."

October 5, 2013 / Feast of St. Faustina Kowalska

St. Faustina says: "Praise be to Jesus."

"To fully partake of God's Infinite Mercy, you must imitate it. Forgive one another, for unforgiveness pulls you into the past. This is a barrier to God's Grace and His Mercy. You can only forgive if you will to forgive. This also applies to forgiveness of self."

October 7, 2013 / Feast of The Holy Rosary

(This Message was given in multiple parts.)

Our Lady is here as Mary, Refuge of Holy Love. She is holding the Mournful Heart of Jesus with the Rosary of the Unborn wrapped around it. She says: "Praise be to Jesus."

"This is Heaven's Peace Accord with earth. Pray the Rosary of the Unborn for an end to abortion. This will console the Mournful Heart of My Son and resolve the differences which divide you. If you listen, dear children, you will have peace. If you continue on your path of self-destruction, I cannot protect you from the consequences. It is by your efforts the future can change. Please realize the passage of time brings the fulfillment of My Words to you ever closer."

"Abortion is the bad fruit of the compromise of Truth and the abuse of authority: the grievances which mourn My Beloved Son's Heart with intensity. It is by the Rosary of the Unborn this can change, hearts can change and the evil of abortion stopped. You must help Me. I beg your assistance."

"Dear children, if you pray the Rosary of the Unborn or the Chaplet of the Unborn against abortion, then you are doing all you can in the present moment to console My Son's Most Mournful Heart. This is the sin that most

epitomizes the narcissism of the heart of the world today and calls upon God's Justice."

"Your prayers can save lives."

"Dear children, your presence here today makes Me very happy and makes My Day special. Your prayers, dear children, are important to Me – most especially to end abortion."

"I tell you, once again, solemnly, that **you will not have peace in the world until you have peace in the womb.** God protects and honors the good, but He opposes all evil."

"Today, dear children, I am blessing everything on you, and with you, and I'm extending to you My **Special Blessing.**"

October 7, 2013 / Feast of The Holy Rosary

(This Message was given in multiple parts.)

Treatise on the Rosary

Blessed Mother says: "Praise be to Jesus."

"Some things must not remain under the cover of darkness any longer. One of these of great importance is the power of a rosary well said. Dear children, realize that the rosary you hold in your hands is the weapon Satan fears. Therefore, he does all in his power to discourage its use and to discount its merits."

"Your rosaries, dear children, are a lifeline to Heaven. Through the rosary, I, your Mother, can feed you with the nutrients of My Grace. I can nourish your souls with strong virtues and help you to determine God's Will in the present moment."

"The rosary deters evil inclinations and encourages deeper personal holiness. With your rosaries, dear children, you can stop abortions, wars and every type of injustice against human dignity. These days, apostasy has separated the faithful and confused even the most ardent children of Mine. You have the right to believe in and follow these Messages and the spirituality of all that is offered here. No one has the right to dictate to the interior forum of your soul. The many rosaries that have been discouraged and stopped here will carry weight at judgment."

"When you pray the rosary, pray with love in your heart. Do not just recite words. The more love you have in your heart, the more powerful your prayers. I receive your every prayer and join it to My Own. Then I present our prayers to My Beloved Son. He awaits our prayers with great anticipation. He has a purpose for every rosary – every prayer – always for the welfare of souls. Every prayer is of value, whether it is an entire rosary or just a few Hail Marys. I tell you yet again, God has given you the right to pray when you want – where you want. Let no one discourage you."

"The rosary, dear children, is a share of God's Mercy in the world today. Cling to His Mercy. Cling to your rosaries. It is a sign to Satan that you belong to Me."

"When you pray the rosary with a loving heart, dear children, unite your prayer to every Hail Mary being recited in the present moment around the world. That way, I can send stronger nutrients of grace into your hearts and your lives. Such a rosary can deliver the most hardened sinner from Purgatory, convert the stoniest of hearts, strengthen vocations and resolve discord."

"Take seriously My Call to you to pray the Rosary of the Unborn to put an end to abortion. This is the hope of an

end to this evil. I assure you, all of Heaven is praying with you. Your efforts in this regard console the Mournful Heart of My Jesus."

"I tell you, the father of all lies wants to lead you away from the prayer of the Holy Rosary and to discount its importance. If the enemy of your salvation recognizes the power of the rosary, you, My children, must recognize the strength of this prayer, as well."

"Therefore, dear little children, I come to build you up in the Truth of the worthiness of your prayers and to fortify you in the courage to persevere in an unbelieving world. Your rosaries are Satan's defeat."

October 8, 2013 / Public

St. Peter says: "Praise be to Jesus."

"I tell you, it is not enough to say souls need to choose good over evil according to their conscience. What matters to God is what the conscience is based upon. To be righteous in God's Eyes, the conscience must be formed in the Truth – the Truth of Holy Love which is the embrace of the Ten Commandments."

"People cannot make up their own truths and act on them, for to do so would be heresy. This way of thinking lends autonomy to any moral precept; even those outside of God's Laws, thus making evil good by merit of free will choice."

"Do not be confused. Confusion is not of God."

October 9, 2013 / Public

Our Lady comes as 'Protectress of the Faith'. She says: "Praise be to Jesus."

"Please understand, dear children, that faith can only be protected so long as Truth is protected. Truth can be profaned not only in what is said, but very often, in what is not said. The embrace of the faith must not leave a wide scope of interpretation to those who seek to follow the Truth. Consciences need a clearly defined path to follow in faith."

October 10, 2013 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to help you understand the importance of a well-formed conscience; that is to say, a conscience formed in Truth. Let us compare the conscience to an egg. The shell of the egg protects the egg itself, so we could say the shell of the conscience represents the Truth. If the egg shell cracks or becomes compromised, the contents of the egg leak out. So it is with the conscience. If the Truth is compromised, every thought, word and deed which arises from the conscience is compromised as well."

"So you see, too, what the soul accepts as Truth must be based upon the reality of God's Law or else the conscience is compromised – the egg shell is cracked."

"I give you all of this in such simplistic terms so as to avoid confusion which is so prevalent today."

October 11, 2013 / Public

"I am your Jesus, born Incarnate."

"My Triumph is the Victory of Truth in all hearts. For this to happen, untruth must be revealed. I tell you, the abuse of authority is often the culprit which promotes the compromise of Truth. This is why a common thread which

runs through the fabric of this Mission is discernment of Truth, even in the face of authority."

"When My Victory comes into all hearts, you will be able to accept at face value that which is presented as Truth. Then all hearts will be united in Truth. Sins such as abortion and same sex marriage will not be presented by authority as choices, but as sin. The demarcation between right and wrong will be made clear. Good will not be opposed as infringements on others' rights. Freedoms will support the Truth instead of promoting evil."

"Until these times come, you must take to heart what is presented as Truth and not who presents it."

"Authority cannot be abused nor Truth compromised unless you accept it."

October 11, 2013 / Friday Service – For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth, and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the challenge of this generation remains discovering the **Truth** and living in the **Truth**. Pray for the strength to do so."

"Tonight I'm imparting to you My Blessing of Divine Love."

October 12, 2013 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Truth bears itself out in the reality of the facts. There is truth in the secular world and Truth in the religious world. In the religious realm of Truth, everything is based upon Holy Love and God's Dominion over the heart and the world around the heart. God's Laws and His Divine Will are one and take supremacy over free will. The more the soul surrenders, that is, accepts God's Divine Will, the deeper his holiness and the deeper his surrender to Holy Love."

"The Chambers of the United Hearts represent the means of attaining the deep surrender to the Truth."

"Truth is never pretentious or presumptuous. It holds no guile. Truth is straightforward, always seeking recognition in the midst of confusion. Those who live in the Truth are not self-serving, but God-serving. The Truth strips the soul of self-importance and nurtures humility."

October 13, 2013 / Public

Our Lady comes as Our Lady of Fatima. She says: "Praise be to Jesus."

"I desire to speak to you today about skepticism. This is the negative spirit which lures people away from the faith. Skepticism searches out reasons not to believe instead of reasons to believe. This is the spirit that delayed approval of My apparitions at Fatima. *So many decades ago today,** a great miracle was performed so that all might believe and a great war averted; but, skeptics set approvals back into the dark ages and all Heaven hoped to achieve failed. A new war broke out with all its atrocities. Millions of lives and souls were lost."

"Here, at this apparition site, the same spirit of skepticism is at work passing rash judgments instead of discerning and openly opposing instead of shepherding. Many miracles of grace occur here on a regular basis, but

all has been summarily discounted. I have warned the world through these Messages of grave consequences if the heart of the world is not converted. The deep spiritual journey given to the world here has been summarily dismissed as though it were never offered. More has been offered here than at any apparition site. The world remains at odds with the Truth and skepticism remains the excuse not to believe."

"Pay attention to what you discount when you choose skepticism over childlike faith. I do not come demanding your belief, but inviting you to believe. Your skepticism is not a safe refuge. My Immaculate Heart is a safe Refuge – a Refuge I open to you through Holy Love."

October 14, 2013 / Public

I see a Great Flame that I recognize as the Heart of God the Father. He says: "I Am the Eternal Now. I Am Who Am."

"Comprehend that this Mission and this property come together as My Masterpiece. Every grace attendant here is a brush stroke which combines to produce this Great Work of Mine."

"All that is offered here is like a fine work of art, which hangs in a gallery to be appreciated. The difference, however, is that a painting is viewed and appreciated exteriorly. This Work of Mine – this Ministry – exists to be fully appreciated by stepping into it interiorly and allowing your hearts to be changed forever! A painting may touch the heart momentarily, but this Mission is in place through My Divine Will to bring eternal value – your salvation."

"Every grace that is offered is meant to bring the beauty of personal holiness into the world just like the brush stroke of a master upon the canvas. My 'Canvas' is the human heart. My Brush is the Grace offered here. Each soul who comes here or who is touched by the Messages receives graces given in an individual and unique way such as no other."

"Unite your hearts to My Divine Will and allow Me, your Loving Father, to make of you a masterpiece of holiness."

October 14, 2013 / Monday Service – Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I urge you to invest wholeheartedly in living out the Messages of Holy Love. Your reward will be eternal salvation and spiritual peace on earth."

"Tonight I'm imparting to you My Blessing of Divine Love."

October 15, 2013 / Public

Once again I see the Great Flame of the Heart of God the Father. He says: "I Am the Eternal Now. I Am Who Am."

"Today, I have come to tell you that every soul I create is My Masterpiece. From conception to natural death, I am prepared to 'paint' each soul with supernatural graces. Imagine My Anguish when the Vessel of My Masterpiece is destroyed in the womb unable to flourish, to know Me and

to love Me. I have a Divine Plan for all of creation – for all of life – from a grain of sand to My Most Profound Creation – human life."

"When the life I create is destroyed, it must be replaced with My Justice. Mankind must, once again, find his place under My Dominion and, with humility, seek forgiveness."

October 16, 2013 / Feast of St. Margaret Mary Alacoque

St. Margaret Mary Alacoque says: "Praise be to Jesus."

"These days to bring attention to the plight of the world, the Sacred Heart of Jesus is represented by the Mournful Heart. Never before in the history of mankind has evil been so prolific and yet so unrecognized. This is why Jesus draws attention to these two most profound paths of destruction – the compromise of Truth and the abuse of authority."

"The compromise of Truth is always made manifest by confusion. This is Satan's hallmark. The abuse of authority closely resembles and follows on the heels of the compromise of Truth. Neither are customarily seen for what they are, but come clothed in righteousness."

"Console the Mournful Heart of Jesus by always standing up for the Truth and by discerning the path that unquestioning obedience leads you upon. God will place the reality of genuine Truth in your heart."

October 16, 2013 / Feast of St. Margaret Mary Alacoque

St. Margaret Mary Alacoque says: "Praise be to Jesus."

"I have come to explain to you the anatomy of unforgiveness, as this is such an obstacle between the human heart and the Sacred Heart of Jesus."

"Unforgiveness is really a form of pride. The soul cannot let go of the woundedness by such and such a person; or if the unforgiveness takes the form of guilt, he cannot forgive himself for having done such and such a thing. In this pride is impatience and perfectionism. The soul is impatient with others' imperfections or, in the case of guilt, his own."

"Humility is the victor over any form of unforgiveness. Humility accepts the error or sin of self or others and moves on. A prayer for the well-being of the one whom you cannot forgive is a good start."

"Every day pray to recognize the unforgiveness in your own heart, and pray that others forgive you."

October 16, 2013 / Public

"I am your Jesus, born Incarnate."

"I have come to remind you that Satan always corrupts the heart first before his corruption plays out in the world. Such is the case today in governments, religions and in the heart of the world. Do not think that I would raise up a powerful Mission such as Holy Love and not address Satan's tactics. This Mission deals with the Truth and not protecting delicate egos."

"These days, it is those who call Me 'friend' and have sworn obedience to Me who wound My Mournful Heart the most. Their abuse of authority and compromise of the Truth have sent many souls to their perdition. Yet, they continue on their path of destruction claiming righteousness by merit of office and/or title."

"I must, in Divine Love, bring all of this to light. I did so when on earth. I must do so now. Many read these

Messages but, through arrogance, do not see themselves in them. Some even inflict their own poisonous interpretation on My Loving Advice. It is such pride which compromises the Truth. This is Satan's corruption made manifest."

"I come here to unite in Truth and in prayer. If you love Me with a humble love, you will not oppose Me."

October 17, 2013 / Public

"I am your Jesus, born Incarnate."

"My Heart mourns for the graces I offer that are left unattended. Too often, they are unrecognized or unwanted. Grace is an extension of My Father's Divine Will or to put it another way, Grace is the Divine Will in action. So many times, it is the autonomy of free will which chooses its own path, circumventing the grace of the present moment. The soul chooses what may seem more lucrative, more pleasurable or more secure; but all of these are falsely represented by Satan."

"The graces I offer, which are unwanted by some, can be 'adopted' by others. Every day ask My Mother for the graces rejected through free will. My Mother, *Mediatrice of All Grace*, will listen to your prayer."

October 18, 2013 / Public

"I am your Jesus, born Incarnate."

"Today, I have come to make most clear that My Father must be restored to His Rightful Place of Dominion over all hearts and all of earth. Until such a time as this takes place, the future of the world hangs in jeopardy."

"Mankind has tried to displace God as Creator of life, technology and all aspects of existence. Given positions of power in the world, he ignores God's Laws but holds all others accountable to them. Duplicity will come to light even more, but will be discounted by those who stand to lose much. Lack of discernment is becoming more and more a tool of Satan."

"Unless you allow God dominion over your heart, you are blind to the action of evil and the path of righteousness."

"Do not seek importance in man's eyes, but in God's Eyes."

October 18, 2013 / Public

Our Lady of Guadalupe comes and says: "Praise be to Jesus."

"I have come to confirm My visit to the Field of the United Hearts during the Hour of Mercy (3:00 pm) on My Feast Day – December 12th. If the people gather at midnight dawning on December 12th, they will be given a Blessing from Heaven, but there will be no apparition. Heaven uses every prayer and every sacrifice."

October 18, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I come to you over and over to inspire you towards your own salvation. Base all your decisions upon your desire to share Heaven with Me. Pray for the salvation of all those whose lives you touch."

"Tonight I'm blessing you with My Blessing of Divine Love."

October 19, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"I have come to remind the world that each soul is judged according to the degree of Holy Love in his heart when he takes his last breath. This is the reason that this Mission is of such importance – more important than a mission which predicts the future. It is what the heart accepts as Truth which predicates the future. If hearts would turn to their conversion through Holy Love, you would not need to be anxious about God's Justice and future events."

"Once again, I remind you, God's Laws do not change to accommodate power or authority. In God's Eyes, to be important, you must be little and childlike – never seeking importance in the eyes of man – always choosing to please God."

"I, your Mother, urge you to live according to My words to you today."

October 20, 2013 / Public

"I am your Jesus, born Incarnate."

"I desire souls see forgiveness, both of themselves and of others, as a freedom. This freedom is a sign of their trust in My Mercy. Any morsel of unforgiveness is like a chain around the heart which tethers the soul to earth and prevents its flight to perfection. The soul, thus bound, cannot know Me as I desire and cannot be drawn deeper into the Chambers of Our United Hearts. You might say forgiveness of self and others is a passport you need to progress through these Sacred Chambers."

"Therefore, when you arise each morning, pray this way:"

"Dear Jesus, help me to believe in, and trust in Your Mercy, in every present moment. Help me to forgive myself and all others by imitating Your Mercy. Amen."

"Pray this from the heart and I will assist you."

October 21, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"The time approaches, in fact, it is upon you now, when Christians will have less rights than other religious groups. It is very much 'in vogue' these days to tolerate sin and error. Dear children, do not follow the trend."

"You are called to live in the Truth – the Truth of the Ten Commandments. This Ministry brings the Truth into focus, as Holy Love is the embrace of the Ten Commandments."

"The Truth never changes, but holds firm. Therefore, it behooves each soul to discover God's Truth and live by it. Death, dear children, is final. There are no second chances. There is no negotiation with God at your last judgment. God's Judgment is final and eternal. The present moment holds your salvation. You choose either eternal life or eternal damnation according to your response to the Truth. You decide what your eternity will be and God judges you accordingly."

"God does not take into consideration popular trends or interpretations of good versus evil. He judges according to Holy Love – the Ten Commandments. He does not redefine these Commandments to accommodate popular opinion, authority or status in the world. He confines His Judgment to Holy Love."

"Make it known."

October 21, 2013 / Monday Service – Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I have come to ask of you that in every situation you trust in My Provision. Such trust can only arise out of hearts full of Holy Love. Such trust pleases Me very much."

"Tonight I'm imparting My Blessing of Divine Love."

October 22, 2013 / Public

Blessed Mother comes as Protectress of the Faith. She says: "Praise be to Jesus."

"Dear children, once again I come to you to discuss these times in which you live. In the world, you have seasons marked by visible change in nature. In the spiritual world, there are seasons, as well. There are seasons of faith, seasons of doubt, heresy and apostasy. As Protectress of the Faith, I tell you that you are now deep into the season of apostasy. Unlike the seasons in nature, the signs of this season of apostasy go unnoticed. The fact that less and less people believe and keep holy the Sabbath is not of concern to most."

"Faith falls away from the tree of life – withers and dies – matter-of-factly. There is very little positive or negative reaction from the general public. But I would not come to you as Protectress of the Faith if Jesus did not deem it necessary. In the world, you protect yourselves from the effects of your environment. In the Spring, you carry an umbrella. In the Summer, you protect yourselves from too much sun, and so on. Be wise, dear children. In this season of apostasy, allow Me, your Heavenly Mother, to protect you from the loss of your faith."

October 23, 2013 / Public

Jesus comes with His Mournful Heart exposed. He says: "I am your Jesus, born Incarnate."

"Behold My Most Mournful Heart pierced and wounded by the compromise of Truth and the abuse of authority. When Truth is compromised, a foundation is laid for a false conscience. This leads to the proliferation of every form of sin. Sin becomes the 'new truth' by which people weigh good and evil. This is the open door to the abuse of authority, which opposes righteousness as a means of protecting power."

"When authority upholds injustice, the common good is jeopardized and Satan is able to gain control of new territory. All of this is pertinent to this age where confusion has taken charge over governments, religions and the use of the intellect. This is most manifest in the love of self-gain; be it material goods, reputation or power."

"Be wise, then, in your affiliations and loyalties. Pray for those who live only for themselves."

"Holy Love in your heart is a soothing balm upon My Most Mournful Heart."

October 24, 2013 / Public

Once again, I see a Great Flame – the Heart of God the Father. He says: "I Am the Eternal Now – Creator of All."

"Everything I create, I create with Love – for I am Love. My Hand of Love creates each soul. Every soul is meant to become Eternal Love, which is Holy Love that will follow the soul into eternity."

"Holy Love in the heart of the soul is the alpha and the omega of human existence. All that transgresses love is evil. The first reason to love is that I created you out of love to love. All else, every other love the soul embraces, must follow this primary love."

"If the soul loves only to serve self, his love is empty and temporary. Holy and Divine Love enrich the soul's purpose in life and follow him into eternity."

"Be Eternal Love in the present moment in the world."

October 25, 2013 / Public

"I am your Jesus, born Incarnate."

"I have come today to speak further about the Truth. There are two stanchions which support Truth in the heart. One is courage and the other is perseverance. Courage is necessary to search out the Truth and then stand up for the Truth. Perseverance is the armor around Truth, guarding it in the face of controversy and compromise."

"Courage is the stalwart effort to find the Truth no matter the source of contradiction. Therefore, through courage the soul searches out the Truth with a conscience well-formed in Holy Love, which is righteousness. Once the Truth is discovered, perseverance enables the soul to never waver from the Truth, but to regard any variance as an evil."

"The soul that lives this way is not far from My Father's Kingdom."

Jesus shows me (Maureen) this vision:

October 25, 2013 / Friday Service – For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, if you are not united in the Truth, then you are divided by Satan's lies. I am calling you to discover the Truth and to live by it in unity."

"Tonight I am extending to you My Blessing of Divine Love."

Blessed Mother says: "Praise be to Jesus."

"Dear children, this property and the Mission itself are a spiritual refuge. Today, I invite each of you to make of your hearts a spiritual refuge – a place of safety and retreat from the confusion of the world. You can do so by living the Messages given here which lead you into a deeper personal holiness. When you begin the journey through the Chambers of Our United Hearts, you must be immersed spiritually in the Flame of My Heart. This is a spiritual purification and an awakening. It is the first step in establishing a refuge of retreat in your own heart."

"I desire this, My dear children, so that you can experience the peace and tranquility of My Own Heart whenever you are in need."

"If you seek out the Refuge of My Heart, I will never abandon you. I will bring My peace into your own heart."

October 26, 2013 / Public

"I am your Jesus, born Incarnate."

"These days, mankind has come to regard himself as the source of all good. Consequently, he trusts only in himself and his own efforts. He does not look for the grace of My Provision, which is often overlooked or hidden in the problems of the present moment."

"My Provision is always present, complete and perfect towards the soul's salvation. The soul can follow his human inclinations, evil suggestions or Divine Inspiration. The free will choice is his to make. But I always provide the grace to choose according to My Father's Divine Will. If you learn to trust in My Provision, you will also learn to look for it."

"I am your Jesus, born Incarnate."

"When you get in the car to go someplace, you must have the key with you. So I tell you, when you begin to pray, you must use the key of your heart so that your prayers can be transported to Heaven. If your heart is not in the prayer, you are just reciting words or reading words which do not reach My Heart."

"You keep track of car keys very carefully. In a similar way, be cognizant of where your heart is when you begin to pray. I desire that your every prayer transports you to Heaven by means of union with Divine Love. Free your hearts of distractions. Surrender to Me every difficulty or concern. Then we will travel together into perfect union."

October 28, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, I tell you, those who are consecrated to Our United Hearts must also be dedicated to the propagation of the Rosary of the Unborn and the Chaplet of the Unborn. Our United Hearts will never be victorious until abortion is defeated."

"This, of course, is God's Will. Every Part of God's Will works together. Therefore, the Victory of the United Hearts coincides with the victory over abortion. The heart of the world cannot be converted through Consecration to Our United Hearts unless abortion is defeated."

"The Victory of Our United Hearts will be one with the New Jerusalem when there will no longer be legalized encouragement of moral degeneration."

October 28, 2013 / Monday Service – Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, in order to surrender, you must accept and believe in My Provision. My Provision in every present moment is Perfect. Have confidence in this."

"Tonight I am blessing you with My Blessing of Divine Love."

October 29, 2013 / Public

"I am your Jesus, born Incarnate."

"Please understand that the compromise of Truth lays the groundwork for every sin. Without the compromise of Truth, there would be no controversy. There would not be issues such as abortion, euthanasia or same sex marriage. Morally, everyone's standards would be righteous in My Eyes."

"Then, politicians would not be self-serving but would embrace honesty. All leadership – secular and religious – would be worthy of trust. But, as it is, Truth is challenged from moment to moment. Controversy is the bad fruit that results from the contradiction of Truth."

"This is why during these times, I offer the Seal of Discernment here at this site."

October 30, 2013 / Public

"I am your Jesus, born Incarnate."

"I have come to help you to understand that prayer is never wrong, no matter where it is offered. The prayers offered here, at this site, have withheld My Hand of Justice and continue to do so. The controversies swirling around this Mission are all due to the compromise of Truth."

"This is a spiritual refuge just as My Mother's Heart is a spiritual refuge. Many jeered Noah as he built the ark My Father commanded him to build. Many mock this Mission which is the embrace of the Ark of My Mother's Heart."

"Recognize the grace that I tender forth here. Be a partaker of this grace – not an onlooker – not one who opposes Me."

"I come to resurrect the Truth and to lead all to victory."

October 31, 2013 / Vigil of All Saints Day

"I am your Jesus, born Incarnate."

"I recommend to your prayers all of those who, in their hearts, have transformed this holy evening – Halloween – into a celebration of evil. This was once considered the Vigil of All Saints Day – a day of rejoicing in the personal holiness and triumph over evil of so many. These days, Satan has twisted the day into his own triumph."

"So many are misled by evil commercialism which has won over every form of technology. Whatever wins over the heart, transforms the world around you."

"Celebrate the triumph of virtue which was victorious in the hearts of all saints. In joyous anticipation of the day tomorrow, keep your focus on the victory of the saints – not on Satan's world."

October 31, 2013 / Public

"I am your Jesus, born Incarnate."

"I want you to record this prayer and recite it every morning:"

"Lord Jesus, I surrender this day to Your United Hearts. Wash me in humility. Remind me to think, speak and act charitably towards others. Help me to always be a reflection of Your Divine Love, which is God's Will for me. Amen."

October 31, 2013 / Public

"I am your Jesus, born Incarnate."

"Understand, please, Holy Love needs to be the leaven in your faith. Holy Love is what brings faith into action. Leavened bread is most digestible and pleasing to the eye. Faith in action is well-received and easily appreciated."

"Just as leavened bread can go stale, so can faith. Bread needs to be carefully stored to be preserved in freshness. Faith needs to be carefully stored up in the heart and kept fresh by adherence to the Tradition of Faith."

"The Remnant Faithful are like crumbs of bread – so carefully preserved so as not to spoil in the atmosphere. The Remnant Faithful are just as fresh and pleasing as was once the whole 'loaf'. These Remnant Crumbs have not gone stale in the atmosphere of the present day."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

November 2013

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

November 1, 2013 / Public

"I am your Jesus, born Incarnate."

"Please realize that, built into your everyday life, there are many ways that you console My Mournful Heart. When you support and defend this Ministry in the face of so much controversy, you are like Veronica, who, stepping out of a jeering crowd of onlookers, wiped My Face. When you make the effort to detach from the vanities of the world, you are united to Me as I was stripped of My Garments before I was nailed to the Cross. When you perform works of charity towards another, even if it is just an ejaculatory prayer, you atone for all those who do not pray. These are the ones confused by Satan's lies that prayer is not important."

"My Mournful Heart continues to throb with love for all of mankind, despite the ever-widening abyss between us. Do not be discouraged in your efforts to console Me. So many do not try."

November 1, 2013 / Feast of All Saints

St. Martin de Porres says: "Praise be to Jesus."

"Today, I have come to tell you that everyone is called to be a saint. Each soul God creates is created to be a saint - even the aborted infants. Sanctity is possible only by cooperating with the grace of the present moment. No one achieves sanctity outside of grace by his own efforts."

"In cooperation with grace, the soul needs to weed out whatever thought, word or action in his life presents an obstacle to grace. This can only be accomplished through humility of heart and Holy Love."

"Fill every present moment with Holy Love. Surrender to God any behavior which does not serve you to come closer to Him. This is the path to sanctify of heart."

"Pray often for those less fortunate in a life of grace. Pray for the poor souls."

November 1, 2013 / Feast of All Saints / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, once again I return to you asking that the heart of the world resemble more closely Holy and Divine Love; for until this conversion, Our United Hearts cannot be triumphant."

"Tonight I am blessing you with My Blessing of Divine Love."

November 2, 2013 / Feast of All Souls Day

Blessed Mother says: "Praise be to Jesus."

"Every step we take towards supporting the Remnant Faithful and protecting life in the womb lends clarity of purpose to this Mission. My Son was Victorious on the Cross, while most viewed His Crucifixion as utter failure. This Mission, while crucified by untruth, will, in the long run, be victorious in the Truth."

"Grace is constantly pouring into these Messages and onto the property. Like all grace, it takes an open heart to appreciate it. My Son's Victory will be a Triumph of Truth."

November 3, 2013 / Public

"I am your Jesus, born Incarnate."

"Just as I told My disciples to gather the fragments of the loaves left over from the Miracle of the Loaves and the Fishes, I am gathering the 'fragments' of the Remnant Faithful into My Mournful Heart. My Mournful Heart is the Refuge from all abuse of authority and compromise of Truth of the present day. The day is coming when Truth will be scorned by authority. Those who do not seek out My Mournful Heart will be misled and easily fooled."

"So I come to you at this site to gather the 'fragments' - the 'crumbs' - of the Remnant Faithful. There is nothing to fear if you cling to the Truths of the faith set before you by past generations.* Do not allow your faith to be compromised by false unity under one religion. This One World Religion is the Spoiler of your True Faith."

"Plainly, I point out to you today, it is the abuse of authority and the compromise of Truth which will be set in place to destroy the faith. This is why I offer to you the Refuge of My Mournful Heart."

**This refers to the True Tradition of Faith.*

November 3, 2013 / Sunday Service - Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace

St. Joseph is here. He says: "Praise be to Jesus."

"I come at the command of God the Father. The Eternal Father desires to take dominion over the heart of every family by their obedience to His Ten Commandments. Remember always, that the embrace of the Ten Commandments is Holy Love. Give thanks for this Message."

"Tonight I'm extending to you my Fatherly Blessing."

November 4, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, I come to you once again as the Protectress of Your Faith. There are many ways the faith can be undermined and attacked - certain unbridled pleasures, love of reputation, technology, even certain cultural traditions. If the soul seeks My Help in these threats to Faith, he will receive it."

[Now She is holding the Mournful Heart of Jesus.] She says: "My Son has now made known to you two very significant ways Satan will attack the Tradition of Faith during these evil times and in the days ahead. The evil one will use the abuse of power and authority coupled with the compromise of Truth to come up against the Tradition of Faith. If you are not aware of this threat, then you are vulnerable. Seek the shelter of My Son's Mournful Heart so that He can show you Satan's snares. The simple prayer: 'Mournful Heart of Jesus, come to my aid', will be your strong weapon in uncovering the designs of evil."

November 4, 2013 / Public

"I am your Jesus, born Incarnate."

"Often, these two weapons of Satan, the abuse of authority and the compromise of Truth are used in unison - one to protect the other. It is in this way Satan gains control over institutions, countries and individual agendas. Many good works have been set aside due to these two weapons of evil. Much which Heaven hoped to accomplish through chosen instruments has been discouraged - even disparaged." *

"This is why I come - to reveal the Truth. I can only do so by uncovering darkness."

** Valid visionaries and their messages for these times have been determined by abuse of hierarchal religious authority and compromise of Truth to have not been of supernatural origin.*

November 4, 2013 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I always come to you for your welfare and to strengthen you and to make you more holy. It is for this reason I reveal to you Satan's deceptions when I speak

to you about My Mournful Heart. If you do not recognize his attacks, you cannot defend yourself. I want you to be at peace."

"Tonight I am blessing you with My Blessing of Divine Love."

November 5, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"I tell you, faith is always based upon Truth. If a soul places his faith upon untruth, it is no longer faith but misplaced trust. Institutions and governments must not embrace lies as a means of safeguarding reputation or authority. To do so, leads the entire body of belief away from reality."

"God sees into hearts and cannot be fooled by any cunning play on words. His judgments are not stopped by labels or titles or worldly importance. The same God Who is Truth judges untruth. He cannot be tricked nor can His Truth be changed."

"There are some who would say anything or do anything to protect their reputation, authority or what they deem as their territory. God does not honor that. God esteems the humble, the lowly, the little and those who choose Truth."

"Live to be important in God's Eyes, to believe in God's Truth and to help Me to save souls."

"The grace of the virtue of faith comes to you only when you embrace the Truth, dear children. God does not give you grace to embrace or to propagate lies about anyone or anything. Whole nations and institutions could change their direction if they would listen to Me."

November 6, 2013 / Public

"I am your Jesus, born Incarnate."

"My Heart is a Treasure Chest of Love, Mercy and Truth. The key which unlocks this Treasure Chest is man's free will. Through the Treasure inside My Heart, man finds salvation and a strong virtuous life."

"This is a Treasure which never dies, but reaches into eternity. This Eternal Treasure is much sought after in the world, but is nowhere to be found. What takes place between the soul and the Treasure of My Heart cannot be bought or sold. It is not a tangible, but a spiritual treasure. It is the consolation of the dying. It is the strength of the living. It is the living fiber of the New Jerusalem."

"Use the key of your free will and open this Treasure Chest."

November 7, 2013 / Public

"I am your Jesus, born Incarnate."

"I come to you - to this generation in time - to stress the importance of clinging to your Faith by means of clinging to uncompromised Truth. This is the way Satan plots to confuse and destroy the Faith through compromised Truth. Of course, the abuse of authority is very much a part of his insidious plan."

"This is why I come, once again, to advise you to weigh and balance actions and how they support the Truth. Titles do not always stand for Truth and righteousness. It grieves Me to have to point this out. If I did not do so, however, many would be misled."

"My Mournful Heart has very much to do with the Protectress of the Faith - a title My Mother urgently requested decades ago, but was denied."

November 7, 2013 / Public

St. John Vianney says: "Praise be to Jesus."

"The priest must realize that his vocation is to save souls - not to please people. Often, he must hurt egos by standing up for the Truth; but this is always towards the soul's salvation. Priests must never be at odds with what Heaven desires in favor of what man wants. Any power or authority given over to a priest must be used towards the welfare of souls, not towards any self-advantage or popularity."

"Truth must not be a commodity of convenience. Faith and Truth cannot coincide with compromise. There can be no gray lines where Faith and Truth are concerned. Respect of authority also means holding authority accountable to the Truth."

November 8, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, I invite you to see that as beautiful leaves wither and die, the beauty of faith in hearts is also drying up and dying. This is due to lack of nurturing by a fruitful spiritual environment. Here at this site you have a continual season of spiritual splendor. However, those who visit here must go back out into the coldness of the weary world."

"Of all My apparitions, dear children, you are given the most here to carry on and to endure the insidious apostasy taking place in hearts today. I have come as the Protectress of Your Faith and the Mother, Defender of all Virtue. You can carry the water from Maranatha Spring with you as protection. You have received communications from Heaven and the Blessing Point."

"What I am telling you, dear little children, is that you are never on your own in an unbelieving world unless you choose to be. Allow the graces given here to transform your hearts and your lives. You will not experience a bleak future, if you do so. Allow the Seal of Discernment - another beautiful grace given here - to lead you away from all that would lead you into apostasy."

"Dear children, do not allow your faith to dry up, wither and die as the autumn leaves. See that untruth and abuse of authority are like the chilled wind that carries the leaf to the ground, only to lose its beauty. Allow Me to protect your faith from the wind of controversy. Place every doubt in My Immaculate Heart. Ask Me simply, 'Mary, Protect My Faith'."

November 8, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, your peace and security in any given moment or situation is the embrace of Holy Love. It is in that way that you, too, are embraced by Holy Love. Trust in My Provision."

"Tonight I'm extending to you My Blessing of Divine Love."

November 9, 2013 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"The tree whose leaves wither and die stands bare and naked - its beauty gone. So it is with each soul whose faith shrivels and dies. He is naked and vulnerable to every temptation and attack of Satan."

"In due season, the tree comes to life again - its leaves budding and blooming forth. The soul, however, can only come to life again if God offers to him the gift of faith once more. If the soul should be so fortunate, he will bloom forth in

the radiance of grace if, through free will, he accepts the gift God offers."

"Every soul makes himself vulnerable to evil when he accepts any compromise of faith. The doorway to these challenges remains the soul's free will. Faith is based on Truth and Truth does not change."

November 10, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, I have come once again to lift the veil of hypocrisy which Satan has pulled down over the faithful. Do not be misled by language. A vibrant faith means a faith - the marrow of which is Holy Love. Faith that is not embraced by Holy Love is not genuine. Sometimes, terms such as 'vibrant' are used to lead people astray and into liberalism."

"Do not be naive, dear children. Your faith must embrace Holy Love and be embraced by Holy Love."

November 10, 2013 / Public

"I am your Jesus, born Incarnate."

"Today, I have come to help you understand the difference between conservative and liberal faith."

Jesus states:

The Difference Between Conservative and Liberal Faith	
Conservative	Liberal
Uses authority to <u>lovingly</u> shepherd and guide.	Abuses authority to own advantage without regard to salvation of souls.
Upholds Truth no matter the consequences.	Compromises Truth to suit personal gain or agenda.
Outlines sin and its consequences openly and clearly.	Portrays sin as 'gray areas' of behavior thus causing confusion.
Upholds Dogma & Doctrine.	Challenges Dogma & Doctrine.
Forms conscience in righteousness according to the Tradition of Faith, and thus makes sound decisions as to good versus evil.	Loosely formed conscience based solely on free will choices. Does not allow Tradition of Faith to determine good or evil. Thinks his conscience is the ultimate reference.
Believes in Satan's actions to destroy souls and seeks God's Protection.	May not even believe in Satan or Hell.

"It is important that people realize these differences and choose accordingly."

November 11, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, in the world you are experiencing a change of seasons as one season fades into another. In the spiritual realm, please realize that your faith is affected by the atmosphere around it, as well. Your faith can become cold if it is not warmed by Holy Love in your heart. Holy Love is the insulation you must have around your heart as protection against the coldness of the world."

"Your faith is affected by outside influences and interior temptations. The company you keep, the entertainment you choose, the ways in which you use technology; all of these can influence your faith. Interiorly, it is what you allow to consume your heart which most affects your faith. Undue attachment to reputation, money, people of questionable character, power and things can weaken, even destroy your faith."

"Keep your focus on Heaven above and the quickest way of attaining Heaven, which is Holy Love. Allow Holy Love to consume your hearts and be as a muffler around you on a cold day."

"Remember, I am the Protectress of Your Faith. Call on Me in any temptation."

November 11, 2013 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, how I long to fill your hearts with My Divine Love, and thus have you spread My Love into the world around you. This will be the joy of the New Jerusalem and it can begin now, in this present moment, if you accept the fullness of My Love."

"Tonight I'm extending to you My Blessing of Divine Love."

November 12, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"I have warned you of the many ways your faith can be threatened. Today, I wish to advise in ways your faith can be strengthened."

"Live a blameless life under obedience to the Ten Commandments, which is embodied in Holy Love. Appeal to the Heart of the Father and the Sacred Heart of My Son for an increase in faith, for faith is a gift. If you are Catholic, lead a sacramental life."

"These may seem like simple steps to gain an increase in faith but, in fact, they are fraught with obstacles laid in place by the enemy of all holiness. Therefore, as you seek to strengthen the faith God has given you, you must also seek the protection of your faith that I offer. I will never refuse such a petition."

November 13, 2013 / Public

"I am your Jesus, born Incarnate."

"Before all ages - before the beginning of time - My Father knew this would be the Age of Great Apostasy. He knew that confusion would be the menu of the day and that faith would be challenged from all angles. My Father knew from the beginning of time that the devil would attack from the inside out."

"In the past, the faith was attacked openly and many martyrs shed their blood by the enemies of Christianity. Today, the faithful do not recognize the enemy, as he takes the form of erroneous opinions and the popularity of sin."

"Faith fosters hope, which leads to peace. As faith is weakened, so too, is peace. You cannot support the legalization of sin on one hand and expect your faith to be unharmed on the other."

"These days, there is a dry martyrdom suffered by those who support the Tradition of Faith. These martyrs suffer rejection, ridicule and disbelief by those who liberally challenge the True Tradition."

"If you trust Me, you will be able to persevere in the midst of every mockery - every travesty against Tradition. I am consoled by your faith."

(After Communion)

Jesus says: "Tell My brothers and sisters that when they look with the eyes of faith, their vision is clear. When their faith weakens, their spiritual vision weakens." *

**Referring to faith in the Real Presence of Jesus Christ in the Holy Eucharist at Mass, the past 45 years has seen an alarming increase of Catholics who no longer attend Mass every Sunday, and of the majority who do, many do not believe in the Real Presence.*

November 14, 2013 / Public

"I am your Jesus, born Incarnate."

"Faith is a matter of the heart. It remains intact so long as the soul keeps his focus on the Truth. When the Holy Love in his heart is compromised, faith is compromised. To oppose Holy Love means you oppose a basic tenet of faith. This is like shifting the foundation out from under your faith. The foolish unwisely think it doesn't matter; but a house built on a crumbling foundation will not stand long."

"You must, in Truth, hold leadership responsible to the Truth. These days, anything goes and it is 'in vogue' to accept sin as an alternative. How can the Tradition of Faith survive in such an atmosphere of error? I send angels to sow the seed of faith in hearts, but it is blown from their hands by the winds of controversy. It is man's pride in his own opinions which is the cause of all controversy."

"Decide for your own salvation by pursuing the Truth of Holy Love. I cannot choose for you. It is the hour of reclamation of the true faith."

November 14, 2013 / Public

"I am your Jesus, born Incarnate."

"With faith, there can be no half-measure. If faith is compromised in any way, then the sum total is compromised. Holy Love must be present - alive and well - in the heart for faith to be present."

November 15, 2013 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"The greatest consolation a soul can receive is trust in God's Divine Provision. The deeper the soul's love of God, the deeper his trust. Any sin weakens this trust."

"Did you know it is a sin to trust in self or man above God? This offends God and does not give Him leeway to act as He wants."

"Begin to see every present moment and what it holds for you as God's Provision - God's Will. This is a consolation and the path of humility."

"I am your Jesus, born Incarnate."

"I can only lead a soul as far as he will follow. Some souls persist in the way of error, for they are unwilling to recognize the path they follow and to where it leads."

"The way of Truth can be clearly defined by aligning every human goal with Divine Love. It is then the battle lines between good and evil are made clear."

"When self-love, which is disordered by selfish personal agendas grips the soul, he becomes paralyzed in his decisions and cannot choose righteously. This opens the door to every disorder of the spirit. The soul may even become self-righteous and unwittingly take on an air of sanctimony."

"These are ways which afflict My Mournful Heart, for it is compromised Truth."

"Console My Heart by your good deeds and prayers."

November 15, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when We were in the world Our United Hearts shared every victory and every cross, and We still do today. So, tonight, I ask each of you to allow Us to share each victory and cross in your lives and We will be united."

"Tonight I'm blessing you with My Blessing of Divine Love."

November 16, 2013 / Public

"I am your Jesus, born Incarnate."

"I tell you solemnly, consciences which are formed around Holy Love are deemed righteous in God's Eyes. These are the ones who embrace the Commandments and pursue the virtuous life. If Holy Love is not the basis of every virtue, then compromise sneaks in and begins its insidious destruction."

"The structure of compromise is always self-serving. The mentality is such as: 'I can get away with it; there will be no consequences; I deserve this, so I'll take - use - it.' This is why disordered self-love is such an enemy of the soul. Self-love, when it is inordinate, stresses some worldly reward. Holy Love seeks to serve God and neighbor."

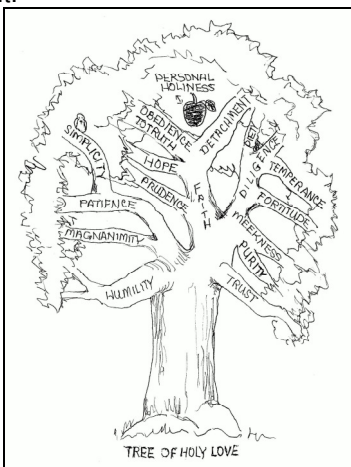

"When a soul seeks holiness, but cannot purge himself of so much self-love, it is like this. Holiness is like a beautiful apple hanging high on the tree. The soul seeking holiness begins the climb, but compromise sneaks in. Halfway up the tree, the soul slips and falls - never to reach the 'apple' or holiness. The good news is he can always begin the climb over again."

"The soul must remember to use his guardian angel to give him a 'boost' in the right direction. It is grace that makes the 'apple' so appealing and delectable. Some walk by the tree and never notice it. Still others see the 'apple' but regard it as unattainable. Still others begin the climb but easily become discouraged. Each one's angel is ready and willing to help the soul in his efforts to reach the 'apple' of personal holiness."

"The tree is Holy Love and each branch is a virtue given to help the soul rise higher in his climb. The branches - the virtues - offer firm support if they are strong in Holy Love. The little birds that rest in the branches are your neighbors seeking your help, which you gladly give in Holy Love."

"You must hold on tightly to the branches or virtues as you climb towards your goal of personal holiness. Satan often blows a strong wind of compromise into the tree, hoping to make you slip and fall. A firm resolve to reach your goal and the help of your angel will enable you to hang on."

"Keep your eyes and your heart on the goal and climb ever higher towards it."

"I am your Jesus, born Incarnate."

"Trust is the protector of Holy Love in the heart. If Holy Love was a cloak, trust would be the 'tie' that secures it. If Holy Love was a safe, trust would be the 'lock' of security."

"You see, if you do not trust, your prayers are weakened - your spiritual journey becomes unraveled. Trust binds together

the virtues and places them firmly upon the foundation of Holy Love."

"When your trust is challenged, recognize the handiwork of Satan who opposes your peace and your personal journey in holiness."

Blessed Mother says: "Praise be to Jesus."

"I desire a deeper relationship with all My children. I desire all set aside so much affection for reputation, possessions and pleasure. I invite My children to step into the Light of My grace and to pursue the path of Holy Love. Dear children, open your hearts to what I say to you. Do not look for acceptance or approvals in the world. None of these will follow you into eternity. Begin to value that which is eternal - Holy Love."

"I wish to arouse in your hearts so much love of God and neighbor that nothing else will matter. Then your hearts will be truly consecrated to Holy Love."

"Make it known."

"I am your Jesus, born Incarnate."

"Make atonement to My Most Mournful Heart now, in this present moment, by offering to Me every compromise of Truth and abuse of authority you may be experiencing. I tell you, it is the degree of such compromise and abuse that determines the gravity of the Wounds of My Heart. If you make atonement just by praying one Hail Mary, you will mitigate the depth of My Pain and My Justice, as well."

November 18, 2013 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I have specifically brought this Mission into the world during this age of great apostasy. I am using each one of you in a special way, your strengths and the offering of your weaknesses. Continue to propagate Holy Love by your living the Message and through the Messages."

"Tonight I'm extending to you My Blessing of Divine Love."

November 19, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"So long I have waited to impart these words to you and through you to all humanity. I come to you as *Refuge of the Tradition of Faith*." [She has a sparkling cross over Her Chest where Her Heart would be.]

She continues. "Several times over this last month - a month dedicated to the Poor Souls - you were visited by what you thought was a Bishop or Cardinal. He was in flames and he frightened you. Even his crosier was aflame. He was representative of those given charge over souls who do not support the True Tradition of Faith. He is symbolic of those who propagate untruth and abuse their positions of authority."

"It would be much more pleasant if I did not have to bring this to your attention; but, these times dictate wisdom in discerning the Truth. If I did not point out the dangers of these times, I would not be a good and loving Mother."

"At the same time, I tell you, that with one well-prayed rosary, you can turn a heart from error to Truth. So, this is the hour that you must pray. Pray against the pharisaical spirit that presents itself as all-knowing but transgresses Truth. Pray for yourselves, as well, that you remain humble advocates of Holy Love despite any opposition."

"The Remnant Faithful are scattered throughout the world but united in the Refuge of My Heart. This is your secure Fortress of Truth and Peace."

November 20, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Last night, My daughter, you were given the grace of preparing a dinner for your daughter and her family. This took much preparation by way of grocery shopping, cooking and serving. You were given help through others, as well."

"So it is with salvation. You are given the grace to prepare and God provides assistance through others. Some of My children are not open to the graces offered. They have no desire to share in the Banquet with the Heavenly Court. They give no thought or preparation towards their destiny."

"It is for this reason Holy Love Ministries exists: To bring souls to the realization that they choose their own eternity and to help them to choose wisely. The future and the past come together in the choices of the present moment. All of creation responds to the grace of the present moment, and that response cannot be reversed."

"So, I come to ask, once again, choose Heaven in every moment with your 'yes' to Holy Love, for it is your salvation."

November 21, 2013 / Feast of The Presentation of the Blessed Virgin Mary

Blessed Mother says: "Praise be to Jesus."

"When you surrender your heart to Our United Hearts each morning, it is as though your heart becomes a crown jewel at My Feet that is polished to its fullest beauty. This surrender means you accept every cross and every grace as from the Hand of God. The Lord cannot refuse a petition from such a suppliant heart. He looks upon the heart that surrenders its will with graciousness. What He does not grant such a soul is offered in a still better way - a way for His Greater Glory."

"Souls who surrender are full of trust and harbor no fear - no unforgiveness. This, then, is the measure of a soul's surrender. To surrender partially is futile, for such a one is holding back and still hoping in his own will. He does not trust completely in the Will of God."

"Present God today the complete surrender of your heart. Then you will be at peace."

November 22, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"I am with you, as always, in this present moment. You are asking: How do the past and the future come together in the present moment? The past flavors the present as it is part of who you are consciously and subconsciously. The future is affected by the decisions you make in the present moment."

"This is why it is important for consciences to be formed in the Truth. If this is not so, every kind of error is allowed to rule the heart. Whatever rules hearts spills out into the world."

"I come to bring peace, but My efforts cause controversy due to the grave compromise of Truth in hearts and in the world today. The Truth can only cause conflict if hearts oppose it. Therefore, understand it is not this Ministry or these Messages which are the source of angst, but the error that is present in hearts."

November 22, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, console My Mournful Heart by your efforts, by your prayers and by your sacrifices. It is in this way I can extend the Age of My Mercy and bring even more souls into the Remnant Faithful."

"Tonight I'm extending to you My Blessing of Divine Love."

November 23, 2013 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I wish to describe to you the anatomy of abuse of authority, for it is rampant today on every level of leadership. The main criteria for fair and just leadership is Holy Love in the heart. Without this, the heart becomes proud and ambitious, looking to his own interests without regard for those he is given to lead. It is then, love of power, reputation and even money easily move in and take charge of the heart. All of this is the mother of the compromise of Truth."

"Too often leaders make up their own truths in order to suit their agendas of unchallenged power. It behooves the righteous of heart to unite in the Truth and to hold all leadership accountable to the reality of their actions in opposition to the Truth. Do not be lulled into complacency by titles which, in and of themselves, may or may not serve the Truth."

"Leaders are set in place to gently shepherd and guide. Control for the sake of self-interests is not of God. You must oppose such fallacies."

"Be wise in the leadership you support. God has given you a heart, not to be tricked, but to reason according to Holy Love. Pray for wisdom."

November 24, 2013 / Solemnity of Jesus Christ, King of the Universe

"I am your Jesus, born Incarnate - King of All Nations."

"I direct, protect and provide for every nation - if free will permits Me to. These days, and as Scripture unfolds in your midst, free will has become its own sovereign. Nations follow evil instead of the Divine. Any nation that legalizes sin, such as abortion or same sex marriage, has separated itself from Me and from the Divine Will of My Father. These are the ones who willingly pursue the path of self-destruction, which is paved with the bricks of moral degeneration."

"In Heaven, the Father has seated Me upon a Throne. I am surrounded by angels and saints who adore and worship Me as the Father commands. On earth, few regard Me with such esteem, though I am the same Jesus. Even worse is the disregard mankind shows for My Love and Mercy."

"Now, when I intervene with these Messages of Holy Love, My efforts are met with skepticism as an excuse not to pursue this singular spiritual journey. My Justice cries out. It is the gentle Hand of My Mother which withholds it."

"Comprehend the seriousness of these, My words to you today. Take to heart My Kingship and allow Me to reign in your hearts. As you try to negotiate peace amongst nations, make peace first with your Jesus, King of All Nations."

November 25, 2013 / Public

"I am your Jesus, born Incarnate."

"Please understand that My Heart mourns not for Myself, but for the loss of souls - souls which I created and love infinitely more than you understand. Each soul that is lost cannot be replaced, for they are individual in design, just as every grace given here is individual in the way it is received in the heart."

"As I call everyone to share Heaven with Me through these Messages and all the grace attendant here, Satan busily tries to discredit My efforts in every way possible. Please comprehend that the enemy has to use people to do so. In order to use people as his instruments, he must influence their free will. The only way free will can be swayed towards evil is through pride. Perhaps it is intellectual pride - it often is. Perhaps the pride of power or influence enters in. It may even be love of money and refusal to place God first - by placing self first."

"Whatever the prideful reason, man allows salvation to elude him. My Heart mourns the loss. I come only, then, to outline the Truth and to call people to live in the Truth. Those who listen will share eternity with Me."

November 25, 2013 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, peace and unity require two preliminary steps: First, the foundation of Holy Love; second the stepping-stone of humility."

"Without these, peace and unity are superficial, just as words are superficial unless they are based upon these."

"Tonight I'm extending to you My Blessing of Divine Love."

November 25, 2013 / Public

"I am your Jesus, born Incarnate."

"Today, in the Congress, you have two separate bodies of government: The House, which is conservative and the Senate, which is liberal. One opposes the other. In religious institutions, there are two separate bodies of influence, as well - the conservative and the liberal - once again, in opposition to each other. The Congress has been taken over by politics and, too often, the Truth is paralyzed. The same holds true in religious institutions."

"People are beginning to see more clearly the separation in the Congress now. In religious institutions, however, all appears as one on the surface, but underneath, there are factions and conflicts not of Me. People who do not know this are most easily misled by title and authority. Begin to weigh everything on the scale of liberal versus conservative. Follow the Tradition of Faith." *

* *The Tradition of Faith always has been, is, and always will be, conservative (orthodox).*

November 26, 2013 / Public

St. Peter says: "Praise be to Jesus."

"I tell you, with authority, that those who have influence over the moral decisions of others must not paint these decisions with a gray paint brush. Always present right as right, wrong as wrong and sin as sin! Do not try to accommodate the liberal conscience to win him over. This is the embrace of error!"

"God's Commandments do not change to suit personalities or agendas. You must always guide those whom you influence, lovingly, along the path of Holy Love without exception."

November 27, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, dear children, I invite you to fully realize the term 'accommodate'. To accommodate someone means to make allowances or adjustments so as to make someone comfortable. This is exactly what society is doing today on a

moral level. Laws are being passed and attitudes are being accepted in order to accommodate those who wish to practice sin."

"However, God does not bend His Laws to accommodate anyone. God does not desire that anyone be more comfortable with committing sin. Dear children, human acceptance is not the same as acceptance from God. You cannot force God to change His Laws because it would accommodate your sinful nature."

"It is the sinner who must change - not the Laws of God. It is mankind who needs to accommodate God, for God does not change His dictates."

November 28, 2013 / Thanksgiving Day

Blessed Mother says: "Praise be to Jesus."

"Today, I am thankful for all the graces God continues to pour into the world through these apparitions and other sites of His Predilection that He allows around the world. I am thankful for the Tradition of Faith that the God of your next breath is preserving and uniting in My Immaculate Heart. I am thankful for the many healings and conversions that continue to result as the good fruit of this Mission's perseverance in the face of so much opposition."

"This Mission opposes the course of your country's choosing, for while today is a day of Thanksgiving, the false god of consumerism has crept in. Instead of thanking God for His Abundant Provision upon families, families have decided to share the day with consumerism. Instead of taking time to count their blessings, many of My children only take account of their material needs and wants."

"Your country, which was once founded on religious freedom, is now allowing such freedoms to slip away. God's Will is no longer a consideration - only the sinful rights of man."

"So today, as I give thanks for God's Provision, I also pray for a spiritual awakening of your nation, that it may continue to say with sincerity that it is 'Under God'. Please pray with Me."

November 29, 2013 / Public

"I am your Jesus, born Incarnate."

"Listen with a benevolent heart, O Mankind, as I once again, attempt to lead you away from the path of self-destruction. Pursue with your whole will the path of Truth, which is Holy Love. Abandon all evil, which is untruth. Do not obey evil for the sake of appearances. Be an example of Holy Love."

November 29, 2013 / Public

"I am your Jesus, born Incarnate."

"Please understand, Christmas is about gift-giving, but it is not the kind of gift you look for in stores or under the tree. Christmas is about giving to Me the gift of your heart. Allow Me to be the focal point of your thoughts, words and deeds. This is all I desire and all you should desire. When you give Me the gift of the surrender of your heart, I give you everything you need in the present moment towards your own salvation."

"Therefore, be joyful and abide in Me. Make the greatest decoration be your heart decorated in Holy Love."

November 29, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I come to you tonight, as always, to establish My Kingdom within your hearts. Surrender to Me through Holy Love, and My Victory will be within your heart at once."

"Tonight I am blessing you with My Blessing of Divine Love."

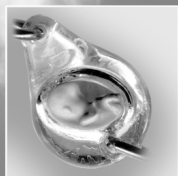

November 30, 2013 / Public

"I am your Jesus, born Incarnate."

"During this Season of Advent, prepare your hearts this way. Each day, lay in My Heart a concern, an anxiety or an unforgiveness. My Mother will lay them as straw around My manger. On Christmas day, you can approach Me with a heart pure in trustful surrender. I, your Jesus, will embrace you with My Divine Love. There will be nothing to keep us apart. My Sovereignty will take dominion over every aspect of your being. You will be at peace."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

December 2013

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

December 1, 2013 / Public

"I am your Jesus, born Incarnate."

"Let this Advent Season be a season of drawing together - of unity - in Holy Love. In this will the Remnant of the Tradition of Faith be strengthened and increased. As St. Joseph, My Foster Father, is the Protector of the Truth, he stands beside My Mother - Protectress of the Faith - as Protector and Guide of the Remnant Faithful. Pray to him for strength to persevere in the Truth."

December 1, 2013 / Sunday Service - Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace

St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, I come once again seeking unity amidst family members. You must avoid the sins that gravely wound the Mournful Heart of Jesus. These are the root causes of all sins - the abuse of authority and the compromise of Truth. They are present in families and divide members, one against the other. Avoid all these errors and be united in Holy Love."

"Tonight I'm extending to you my Blessing of Fatherly Love."

December 2, 2013 / Public

"I am your Jesus, born Incarnate."

"The reason I have come and continue to appear here and around the world is to draw all souls into Divine Love and, subsequently, their own salvation. Unfortunately, the ones I have chosen to lead in My efforts do not support one another. Many - through pride - choose to oppose Me."

"Today, I come once again, to draw all people and all nations into unity in the Truth. Do not engage in small battles to protect egos. There are greater battles which must be waged, and greater victories which must be won. The good should not discredit the good. In the end they will be proven

not so much the ones to listen to, but the ones who should have listened!"

"The solution to many current problems is unity in Truth, for outside of this unity, there is no Truth and no peace. Often, mortal lives and souls are lost, for the ones I call to lead, refuse to listen. History repeats itself to no avail. Look at the context of My words to you today. Pay attention! Listen and heed! The future of the world lies in acceptance of the Truth!"

December 2, 2013 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, whenever the Truth is challenged in your presence, call upon St. Joseph, for he is the Defender and the Protector of the Truth. He will give you the words to undo all of Satan's lies."

"Tonight I'm blessing you with My Blessing of Divine Love."

December 3, 2013 / Public

"I am your Jesus, born Incarnate."

"I will tell you why the Truth is so important in pulling the world back into a relationship with The Father and Me. The Truth uncovers all of Satan's deceit in world leaders, in religion, in the economy and in personal character, as well. The Truth is the reality of the facts. The Ten Commandments cannot be redefined to suit personal agendas. Thus, moral degeneration is just that - moral degeneration. Freedoms cannot be altered to mean freedom to sin or freedom to abuse authority. The human intellect cannot make up its own Truth and call it reality, for Truth remains the Truth always and is unchangeable."

"Everyone is accountable to God for their adherence to the Truth. My coming Victory and the New Jerusalem will be a Victory of Truth. It is only then that there will be no duplicity in hearts."

December 4, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, I invite you to see that the Vestibule or Entryway to the First Chamber of Our United Hearts is Truth Itself. St. Joseph, as Guardian of the Truth, awaits the arrival of each soul in this Vestibule, where the soul is convicted of the Truth of his iniquities. Once the soul realizes and accepts his errors, he is admitted to the First Chamber of Our United Hearts, which is My Own Immaculate Heart. Then, within the Flame of My Heart, he is purged of his iniquities."

"Please understand what importance the Seal of Discernment plays in this ongoing conversion process. It is this Seal which assists the soul in defining the Truth. This Entryway or Vestibule into Our United Hearts is the first step in any conversion process. Truth must convict the heart before any change can take place."

"Therefore, understand that self-complacency is Satan's weapon which he uses to thwart Truth in the heart. No one should be satisfied with where he is spiritually."

"Every soul is invited into this Vestibule of Truth. The souls most distant from this Entryway are the ones most steeped in the compromise of Truth."

"St. Joseph is always there present - calling and inviting souls into the Light of Truth. He never grows weary of welcoming the sinner to his conversion. The Doorway the sinner must pass through to reach the First Chamber is God's Mercy." *

* Read with Message: 2 Thess. 2:9-15

(The importance of recognizing, accepting and loving the Truth before the coming of the Antichrist.)

"The coming of the lawless one by the activity of Satan will be with all power and with pretended signs and wonders, and with all wicked deception for those who are to perish, because they refused to love the truth and so be saved. Therefore, God sends upon them a strong delusion, to make them believe what is false, so that all may be condemned who did not believe the truth but had pleasure in unrighteousness. But we are bound to give thanks to God always for you, brethren beloved by the Lord, because God chose you from the beginning to be saved through sanctification by the Spirit and belief in the truth. To this he called you through our gospel, so that you may obtain the glory of Our Lord Jesus Christ. So then, brethren, stand firm and hold to the traditions which you were taught by us, either by word of mouth or by letter."

December 5, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"The Vestibule of Grace where St. Joseph stands welcoming souls into the spiritual journey through Our United Hearts is replete with every grace each soul needs towards his personal conversion. Each one's spiritual journey is individual, as is each one's conversion experience."

"Still, it remains an act of free will to choose to enter this Vestibule of Grace. Once the soul chooses to enter, however, he experiences God's Love as never before. While therein, he is washed in the humility of his own errors. He is so enamored with My Son and God's Divine Will that his only peace is to pursue a deeper relationship with God. This is what leads him through the Doorway of God's Mercy."

"Until the soul turns with a contrite heart to the experience St. Joseph invites him to, he will continue to be restless,

uncertain and feel unfulfilled."

"There is no certainty in the world because of the unpredictable nature of man's free will. Therefore, let your security be your own spiritual journey through the Chambers of Our United Hearts."

December 6, 2013 / Public

Jesus says: "I am your Jesus, born Incarnate."

"Do not be discouraged in any effort towards personal holiness. Some have to enter the Vestibule of Our United Hearts over and over again. Each time, they must hold themselves accountable for even the smallest grievance against Holy Love. At the end of each day, I call each soul back into the Vestibule of Grace to make a self-examination of conscience. There, they will be able to see what is holding them back from a deeper journey through the Chambers. Then, they will pass, once again, through the Doorway of My Mercy."

"The conviction of heart in the Truth is vital to every conversion. No one who seeks holiness can be self-satisfied. But, sanctimony is very often the pitfall of those who are attempting to make the journey through Our Hearts. This is a compromise of the Truth which grieves My Mournful Heart and inhibits true holiness. Do not try to impress anyone with virtue or even gifts of the Holy Spirit."

"This is a flaw and propels you out of any Chamber of Our Hearts back into the Vestibule. Conversion of heart is offered in every present moment to all."

December 6, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I come, once again, to draw all people and all nations into My Sacred Heart. Please understand that the greatest gift you can give Me on Christmas is your surrender to Holy Love. In this I will rejoice."

"Tonight I'm extending to you My Blessing of Divine Love."

December 7, 2013 / Public

St. Joseph says: "Praise be to Jesus."

"The Vestibule where I stand is a place of decision where the soul decides to either pass through the Doorway of God's Mercy or return to the world. The grace of conversion is given, but the decision is weighed on the scale of free will."

"If the soul accepts the grace of conversion and, with a repentant heart passes through the Doorway of Divine Mercy, he finds himself in the Immaculate Heart of the Virgin, therein to prosper in holiness."

"The Sacred Heart of Jesus mourns the loss of those souls who, through the compromise of Truth, reject God's Mercy and return to the world."

"Your prayers and sacrifices make the decision to pass through the Doorway of Mercy more appealing to those whose fate weighs in the balance."

December 8, 2013 / Public

"I am your Jesus, born Incarnate."

"The Welcoming Grace offered in the Vestibule of Our United Hearts is an invitation to acceptance of the initial conversion of heart for all who enter. However, throughout these Sacred Chambers, the soul who seeks to travel deeper must participate in an ongoing conversion."

"This moment to moment conversion is the soul's 'yes' to placing God first in his heart and trampling underfoot disordered self-love. This is the continual ongoing path I call every soul to follow. The more self-effacing the soul becomes, the deeper his journey into the Chambers of Our United Hearts. For some, this journey is more difficult than for others. Some are more deeply entrenched in the allurements of the world and have lost sight of God and what pleases Him. These are the ones who disregard their eternal salvation."

"So today, I draw you back into the reality of the Truth and why I call you into the Vestibule of Our United Hearts. Without your willingness to love and serve God, there will be no conversion of heart for you, and you will always be an unbeliever. Without your conversion, you will not see salvation."

December 9, 2013 / Feast of the Solemnity of the Immaculate Conception

The Blessed Virgin Mary says: "Praise be to Jesus."

"The feast that the Church celebrates today - the Immaculate Conception - can only be appreciated within the context that God creates human life at the moment of conception. However, during this age of confusion and compromise, this Truth has been challenged on all sides."

"Heaven upholds this Truth in the Chaplet of the Unborn and the Rosary of the Unborn. However, today mankind seeks only his own pleasures apart from reality.* This is bringing the morals of the world to a new low and has degraded the relationship of man with his God. Unfortunately, mankind does not see his own welfare as dependent upon a good and loving relationship with God. Instead, man chooses to believe in charting his own course and being master of his own fate."

"On this feast day, please realize it is God Who is in charge. It is God Who has the Master Plan."

"God's Divine Will is always present. It is He Who oversees all. Man cannot begin to understand or manipulate the infinite details of this Master Plan. Be suppliant instruments. Do not willfully destroy what God creates in the womb. Cooperate with God's plan of life."

"My Conception brought you your Redeemer."

** Reality is the Truth. Truth is reality.*

"I am your Jesus, born Incarnate."

"Believe in the Immaculate Conception and uphold this Truth in your hearts. It is doctrine which is irrefutable. Today, so many Truths are compromised by liberalism that the Truth of Tradition has been watered down and become unrecognizable."

"The Immaculate Conception finds, in Her efforts to safeguard this country, that the greatest threat to the security of your nation is your ill-advised complacency. Do not ever think that Satan's influence is not part of your government."

December 9, 2013 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, hold within your hearts a firm and positive resolve to pray for the future of this nation, for decisions are in the offing which are unprecedented."

"Tonight I'm imparting to you My Blessing of Divine Love."

December 11, 2013 / Public

"I am your Jesus, born Incarnate."

"Tomorrow, much of the world will celebrate the Feast of Guadalupe. This was an important event in its day as thousands of pagans were converted. They took to heart the meaning of the Image. My Mother carried within Her Womb Her unborn Savior."

"Sadly, today, the modern day 'pagans' remain untouched by any of Heaven's signs and wonders. They use lack of approvals as a reason not to believe. They discount the most profound Messages as untrue when these Messages firmly support the Truth. They do not regard the Sorrows of My Mournful Heart, which are the abuse of authority and the compromise of Truth, as worthy of belief or as affecting this Mission in its struggles to flourish."

"The pagans in Juan Diego's day were humble enough to recognize and accept the Truth. The 'pagans' of today proudly hold themselves above the Truth."

December 12, 2013 / Feast of Our Lady of Guadalupe – 3:00 P.M. Service

(This Message was given in multiple parts.)

Blessed Mother is here as Our Lady of Guadalupe. She says: "Praise be to Jesus."

"Dear children, today I come to you, as God permits, to offer you hope and a stern warning. Have hope always in God's Love and Mercy. Be reconciled with God and united with each other in the Truth. This is God's Will for you."

"Realize that every civilization which has risen to power in ages past has failed and fallen due to a broken relationship with God. The same course of events is taking place today. I come to you as I appeared at Guadalupe centuries ago. The Aztec population was sacrificing their young to false gods; but, dear children, they were pagans. Today, millions who claim to be Christians practice abortion - a sacrifice of God-given life to the false god of free will. With every abortion, the abyss between the Heart of God and the heart of the world yawns wider. How can you presume that any type of union or government could prosper that supports this sin?"

"Rebellion against God's Laws [The Ten Commandments] is rebellion against the Truth. This rebellion does not diminish God's sovereignty over the world, but does diminish unity and peace between God and man. The welfare of the world depends upon the unity of wills between God and man. Remember, God still governs and reigns over the world. It is He you must please - not yourselves."

"If you heed My warning to you today, many graces will flood the world and peace will be restored amongst peoples and nations. Leadership will return to the Truth and support God's Laws. But, if My words to you are scattered in the arrogant wind of skepticism, you will be tested as never before. God will take dominion over certain situations and His Justice will visit earth. The good will continue to be persecuted and evil will continue its path of destruction in the name of good."

"Dear children, do not be so foolish as to think that disbelief in these apparitions and admonishments will change the purpose of My visit with you or transform Truth to fiction. The world is racing towards many problems of her own design. If you disobey God's Commandments, the Commandments do not change - but your relationship with God does change."

"As your Heavenly Mother, I can only warn you, and try to redirect you upon the path of Truth. It is what you choose in the present that dictates your future."

"Dear children, I have invited each of you here today personally, and you have accepted My call to be here. Now I am inviting you to be positive witnesses in the world around you as to the Truth of all that takes place here. Just as you stood up to the cold and frigid temperatures, I am asking you to stand up to the cold and frigid response in the world of unbelievers. The warmth of the Messages and graces offered here will melt many a heart if you will try."

"Dear children, many come to pay homage to My Image of Guadalupe. Millions have done so over the years. But today, I wish to paint on your hearts the Image of My Love, which is everlasting, and draws you into the Sacred Chambers of Our United Hearts."

"I'm taking your petitions with Me today to Heaven, and I'm extending to you My Special Blessing."

December 13, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"The purpose of Heaven's visits here is so that you recognize the Truth and discern error. By merit of this effort, you will be able to pursue personal holiness. It is evil that compromises the Truth and makes murky the line between sin and righteousness."

"Keep on your person always the rosary, which is a sign to Satan that you belong to Me. This will strengthen you in every attack and hold you fiercely upon the path of salvation."

"More confusion is on its way from leadership. Those consecrated to My Immaculate Heart will see it for what it is. Stay close to Me and pray many rosaries for enlightenment."

December 13, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, pray from your hearts that all souls recognize the responsibility towards their own salvation. Then pray that these same souls recognize Holy Love as the path to follow."

"Tonight I am blessing you with My Blessing of Divine Love."

December 14, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Console the Heart of My Son Who mourns the loss of Truth in hearts and in the world. It is through the misinterpretation of Truth that so many are and will be misled. In Truth, there are no gray areas. Sin is clearly defined as sin. The path of righteousness is illuminated by the pure Light of Holy Love. Truth and untruth do not accommodate or tolerate each other."

"Compromise is Satan's tool of the destruction of souls. Dear children, do not be fooled into trying to please people by compromise. To do so, is to displease God. Let all your efforts fill the Heart of My Beloved Son with Holy Love. Do not pander any favor of man that would challenge Holy Love. Always make the distinction between good and evil by the measuring stick of Holy Love in every decision."

"My Son's Heart must be alleviated - and by your efforts."

December 15, 2013 / Public

"I am your Jesus, born Incarnate."

"Today, I solemnly tell you that the values of the world can bring destruction to the soul. I speak of all the esteem that

power, status and money bring. None of these worldly possessions or empowerments can change the Truth. If you are tricked to believe that any of these are always representative of the Truth, then you are in grave danger of being misled. Do not cherish how people regard you. Once again, I remind you, it is God you must impress."

"The time fast approaches when mankind will need to choose love of God or love of all that is not of God. If you do not have wisdom and discernment, you will blindly go along with the popular thinking of the day - trusting those you are told to trust. Make of your hearts little arks of Truth in Holy Love."

December 16, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, I invite you to pray for those who grieve the Mournful Heart of My Son - the most. These are the unbelievers, the unrepentant and the unbaptized. It is these unfortunate souls who flagrantly disregard Truth. They do not accept responsibility towards their own journey to salvation. Many never give their salvation a second thought. Some have been introduced to Holy Love, but find it much more convenient to ignore Heaven's call or not to believe. They choose not to look for the Truth."

"Amongst the unbelievers are the ones who choose to oppose Holy Love. This grieves the Heart of My Son, for they were given the Truth but reject it, and worse still, try to persuade others to reject it."

"The unrepentant do not know themselves or recognize their own faults. They have no regard for how they stand before God and so, do not see God's Mercy."

"The unbaptized, many though unaware (due to culture), carry the original sin on their souls and, therefore, are not open to grace. There are false religions in the world today whose followers are never baptized. Therefore, many of their thoughts, words and deeds oppose the Divine Will of God."

"Pray for all of these. They are My children as much as you are. Jesus has opened Heaven for them, as well."

December 16, 2013 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, as Advent draws to a close, make many little, loving sacrifices to Me. I will use them as straws in a pillow under My Head in the manger."

"Tonight I'm blessing you with My Blessing of Divine Love."

December 17, 2013 / Public

Alanus (Maureen's Guardian Angel) says: "Praise be to Jesus."

"When you think of Jesus, think of a loving, forgiving God. He is not vengeful, eager to pounce upon the errant soul. He is All Mercy and All Love. His Heart mourns for those who do not respect the Truth and who abuse the position of authority He allows them to have."

"Jesus does not await eagerly the hour in which His Justice will pour into the world. Rather, He dreads releasing His Justice upon the earth. Jesus knows what awaits the world if souls do not repent."

"Apparitions such as this are God's way of reestablishing His Influence over souls and strengthening the Remnant Faithful."

December 18, 2013 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Today, I have come to help all to realize that you cannot grow spiritually unless you embrace the Truth. To live in the Truth means that all your thoughts, words and deeds are governed by Holy Love. Thus, the Truth is that all thoughts, words and actions respect God and neighbor. The world would greatly benefit from my advice to you today. There would be unity and peace in all hearts. Governments and those in authority would not abuse their power."

"But today, the Mournful Heart of Jesus continues to grieve the lack of respect for Truth and the abuse of power - the two evils which have unraveled the peace and security in the world. Pray that God takes measures to stop the evil agenda which has been set in motion in the Middle East and elsewhere."

December 19, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, I confide to you the intentions of My Immaculate Heart for this Christmas Season. First and foremost, I invite you to join Me in prayer that Truth be revealed and recognized wherever it lays hidden in darkness. Think of the fruits such as this would bear in the world! Souls would recognize their state before God. Governments would no longer condone sin. Nations would lay down their weapons and abandon all aggression. There would be unity and peace amongst all people and all nations."

"In the same tone of thought, I pray that evil will be recognized as evil. This would dictate no more compromise of Truth. Leaders would not lead with hidden agendas but openly in honesty and Truth."

"These are My prayer intentions for the remainder of time before you celebrate the Birth of My Son. Please join Me in prayer."

December 20, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"In the days long past when My Son was born in the stable, His Arrival and its significance was concealed from the worldly wise. While such as these were busy trusting in and believing in themselves, a little Infant came into their midst Who would challenge them with the Light of Truth."

"In their sophisticated wisdom and love of the world, those in power could not understand the Simplistic Presence of God in their midst. And so, it remains today. Reasons not to believe in Jesus - the Way, the Truth and the Life - are beginning to overshadow faith and reasons to believe."

"More tolerance is lent towards sin than towards Christian morals. The time is at hand when it is becoming dangerous to stand up for Christian beliefs. Any other type of belief is 'accommodated'."

"Dear children, be like the humble shepherds who came and saw and believed. I, Myself, will welcome you and invite you to draw closer to the crib on Christmas morning. There, I will give you the courage and the strength to always stand up for Christian Truth."

December 20, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when Heaven asks something of you, you are also given the grace to accomplish what has been asked of you. It was so at the Annunciation. It is so in this Mission and with this Ministry. It is also so, when I ask you to

go deeper into the Chambers of Our United Hearts. You will be given the grace to do so."

"I'm imparting to you My Blessing of Divine Love."

December 21 2013 / Public

"I am your Jesus, born Incarnate."

"Always, always be dependent upon Divine Providence. When your path seems obstructed in one way, God provides in another. To grace, there is no dead-end. Prayer shows you the next step to take. Faith guides your next footstep. Hope encourages you."

"Discouragement is the forerunner of failure, for it destroys hope and misguides your next step."

"Remember always, grudges and unforgiveness are a barrier to grace and, therefore, replace grace in the heart. Then, My Provision is obstructed. You do not recognize it."

December 22, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, as you prepare for the Memorial of the Birth of My Son, do so with awe in your hearts. Do not allow the festivities of the season to secularize your hearts and the real celebration of God's Mercy and Love present in a tiny Infant in a manger."

"Bring to life this Truth to others by being God's Mercy and Love in the world."

December 23, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, I have come to you with the hope of revealing to all the evils of abuse of authority. The leader - be it political or otherwise - who abuses his position has an arrogant heart. He levies unjust rulings and takes power over that which is not his to govern. His concern is always for his own control and not for the welfare of others or even for upholding the Truth. Such a power-hungry leader often works covertly in the background to destroy the reputation of those who try to live in the Truth. In doing so, he always hides behind his title, using it as vindication of any wrongdoing."

"Dear children, stand guard over your right to choose good over evil. Do not let anyone dictate the choices you must make. Always use as your standard of righteousness, Holy Love, which is the embodiment of the Ten Commandments. Do not deem worthy any leader who rules against God's Commandments - no matter his title, position or authority."

"These are harrowing times - times that dictate care in discerning good over evil. These are times when evil masquerades as good through the compromise of Truth and, ultimately, the misuse of authority."

"Dear children, pray much."

December 23, 2013 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, prepare for My coming to you on Christmas day with many small mortifications which I will accept as acts of love. This is the way Joseph prepared the manger for Me - with much love."

"Tonight I'm extending to you My Blessing of Divine Love."

December 24, 2013 / Christmas Eve

Blessed Mother says: "Praise be to Jesus."

"Today, I come to you in joyful anticipation of the celebration commemorating the Birth of My Infant Son. He

was born in obscurity and poverty, yet His Wealth was beyond all telling. Solemnly, consider that My Son's Wealth was not in any earthly treasure - but in Heaven. In the world today, the richest man on earth is the one most closely united with the Divine Will of the Father."

"Therefore, dear little children, do not pander human favor at the cost of upholding the Truth, for the Truth is God's Will for you. Do not precipitate confusion in order to accommodate error. Be wealthy in God's Love for you and let your treasure be always in Heaven."

"My Son will strengthen you in your efforts if you allow Him to."

December 25, 2013 / Christmas Day

Blessed Mother says: "Praise be to Jesus."

"My children, realize that the importance of My Son's Birth in Bethlehem was not known or understood by much of the world's population at that time. Even in His Public Ministry, the ones whom He came to save did not accept Him."

"These days, the Messages and the Mission here receive no worldly acclaim nor approvals either. But this Mission remains a gift to humanity in many ways - just as My Son's Birth was the most wondrous of gifts that has ever or will ever be given."

"Today, I wish each and every one a Holy Christmas that will last in their hearts throughout the year."

December 25, 2013 / Christmas Day

Our Lady comes, holding the Infant Jesus. He has Two Fingers raised as though in a blessing. He says: I am your Jesus, born Incarnate."

"Make peace in the womb and you will have peace in the world."

They fade, and a luminous cross is in the air. Many angels are around it.

December 26, 2013 / Public

"I am your Jesus, born Incarnate."

"It is My Joy to tell you today that I am in your midst just as much as I was present in the manger hundreds of years ago. I am in the hearts of all who love Me, most especially those who live not for themselves but to serve Me and others. I am knocking on the door of the hearts of unbelievers. I am bringing My Peace in the midst of chaos. I am sending angels to the hearts of government leaders to correct error."

"Most of all, I am in every form of Truth. It is My Truth that is working to overcome abortion and same sex marriage. It is My Truth that tries to overpower moral decadence. It is My Truth that tells you do not redefine the Ten Commandments."

"I cannot make you choose the Truth or even to recognize Me in the Truth; but, through grace, I can attract you to the Truth. Prayer opens the heart of the world to grace."

December 27, 2013 / Public

"I am your Jesus, born Incarnate."

"How often souls wound My Mournful Heart with their insults and ingratitude. All of My Loving Efforts to assist and to please such souls go unnoticed; but, here in this Mission, I can count on loving appeasement of all I suffer out in the world. I know souls here perform works of charity to please Me first and neighbor second. That brings Me joy and soothes My Heart."

"In the world, so many of My Gifts are met with disfavor - from life in the womb to the moment-to-moment grace of prosperity - spiritually, physically and emotionally. But I do not withdraw. I continue to love and to provide."

"Do not be discouraged in any effort to please Me and others. This is the spirit that I call upon to fill the world and to maintain some semblance of peace."

December 27, 2013 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, as I lay in the manger, My Mother took meticulous, loving care of Me, tending to every detail of My comforting. Tonight I ask each of you to take My needs into your hearts and lovingly tend to them for the conversion of sinners - the conversion of the heart of the world."

"Tonight I'm extending to you My Blessing of Divine Love."

December 28, 2013 / Feast of The Holy Innocents

"I am your Jesus, born Incarnate."

"These days, the slaughter of the Holy Innocents continues for some of the same reasons and different ones, as well. In days past, the children were slaughtered out of fear of loss of power. Today, abortion laws are supported for similar political reasons. But a stark difference is in play today. In today's society, the babies are willingly offered up for slaughter out of lack of love and the compromise of the Truth as to the existence of human life."

"So there are two factors at play here - the compromise of Truth and the abuse of authority. These two factors are always the direct result of the lack of Holy Love in hearts. This lack of Holy Love fosters selfish motives. Thus, you have abortion and every other woe that haunts the world today."

"I can tell you these things, but I cannot convince you unless you open your hearts."

December 29, 2013 / Feast of The Holy Family

Blessed Mother says: "Praise be to Jesus."

"I tell you solemnly, Satan has succeeded in concealing who is the ally of Truth and who is the enemy of Truth. In so doing, people place their trust in the wrong ones. They think and act, not in righteousness, but in error."

"The power of the enemy knows no guidelines. It is the righteous who must pray, be enlightened and reveal evil for what it is."

"Further, I tell you that nations who become economically dependent upon other nations, lose their independence quickly and are greatly compromised. Soon these nations do not uphold the Truth, but place all their options in the lap of their creditors, be they just or unjust. This is yet another way that evil grasps a stronger foothold on the world. Like the climate that changes from season to season - first gently, then dramatically - the choices nations make bear brutal impact as time wears on."

"By the time the citizens realize the dire effects of governmental decisions, it is too late. This is how past civilizations fell to their demise."

"In this nation, it is most obvious that what is considered a freedom, such as abortion and same sex marriage, is leading to moral decay. The lack of economic independence, which was also surrendered haphazardly, is another step in this collapse."

"Souls are being led astray for lack of these Truths."

December 29, 2013 / Public

I see a big Flame which I have come to know to be the

Light from the Heart of God the Father. He says: "I Am the Eternal Now. I Am the Father and Creator of All. It is I Who author time. It is I Who create every present moment. Although you have never seen Me or My Heart, you see the Light of My Heart."

"I tell you somberly, My Heart is grieving. My Heart grieves the abuse of all the graces tendered forth in every present moment. Each soul receives in each present moment the particular grace he needs towards his conversion. But most often these graces go unrecognized, unappreciated and unused. The state of the world today cries out for this moment-to-moment conversion. I send a multitude of graces through My Son and the Holy Virgin, not to mention inspirations through My Holy Spirit. Yet the world pulls farther and farther away from Me."

"The abyss between My Heart and the heart of mankind widens with every liberal choice mankind makes."

"Show mercy upon My Grieving Heart. Make amends by searching out the grace in the present moment and responding to it with Holy Love."

December 29, 2013 / Public

Blessed Mother says: "Praise be to Jesus."

"The account of My visits here needs to be taken seriously. Historically, slowness to respond to the grace of My apparitions has cost many their lives, and even more - their souls. If you do not act on My Messages in a positive way - and soon - I will no longer be able to withhold the Arm of Justice. I do not come for My welfare, but for your own."

December 30, 2013 / Public

"I am your Jesus, born Incarnate."

"My Father grieves for those souls who do not accept the grace of the present moment. Very often, the graces that go unrecognized or are unaccepted mean the difference between life or death, salvation or damnation. Within the grace of the present moment is the grace to recognize sin and evil - a necessity to salvation."

"Each present moment is individual to each soul. Every grace is specific towards the salvation of the recipient or others. The Heart of My Father does not call nations to war, but to Holy Love. He does not support complacent acceptance of evil nor any other form of distorted thinking. The Heart of My Father is Truth."

"My Father seeks to be loved and that His Divine Will be understood. The first step is that mankind accept His Loving Dominion over every heart."

"You have the tradition - some of you - to make resolutions for the coming year. This year I desire all resolve to live in the Truth, to support the Truth and to promote the Truth."

"I'm blessing you with My Blessing of Divine Love."

December 31, 2013 / New Year's Message

"I am your Jesus, born Incarnate. I am now imparting to you My New Year's Message."

"I have come, as always, to bring My Love into the world. I am not a God of Justice, but a God of Mercy and Love. My Justice comes only through free will choice. The peace and security in the world is in proportion to the Holy Love in hearts.

If you are intent on destroying life - in the womb - by acts of war and terrorism, then you are choosing My Justice."

"Truth is always Truth and cannot be changed by any power on earth. Sin is always sin and a transgression of the Ten Commandments which are embodied in Holy Love. Sin separates you from the Divine Will of My Father. It is this separation which dictates every error in the world and calls upon My Justice."

"Trust in the untrustworthy will bring further catastrophe into the world. Leadership will bring change, but not peace. The focus on world unity is not of Me if it is not based upon Holy Love. All other unity is inspired by the desire to ultimately control. Even unity supposedly promoting social justice has as its goal a One World government under one leader and one religion. Do not be fooled."

"In the heart of the world is duplicity of purpose and guile. All of this redirects seeming good towards an evil goal."

"Remain faithful to Holy Love. Propagate the Consecration of the heart of the world to Our United Hearts. I will assist you. Always find a friendly hospice in the Heart of My Mother."

December 31, 2013 / Tuesday Service - The Poor Souls in Purgatory and for World Peace

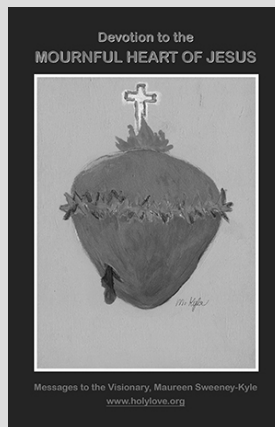

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please realize, as you pray for peace, that you will never have peace outside of God's Divine Will. You must live according to God's Divine Will if you desire peace in all hearts. Peace begins in your own heart when you live according to Holy Love."

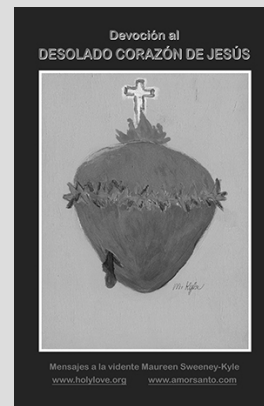

"Tonight I'm blessing you with My Blessing of Divine Love."

Monthly Newsletter: This newsletter publishes all public messages given to visionary, mystic, Maureen Sweeney-Kyle. To receive it free, send twelve (12) white, business-size (4 1/2" x 10 3/8"), **self-addressed, stamped envelopes** to the Butternut Ridge address listed below. *The forever stamps are the best to use for this, as postal rates keep changing.*

Note: Please use block letters (ALL CAPITALS) when addressing the envelopes, as they are the easiest for us to read in order to add you to our database for other mailings.

We will notify you when your last envelope is used, so that you can send additional envelopes. For countries outside of the United States, please consult your post office for current rates. Copies of the newsletter are available at the Aquinas Welcome Center only while supplies last.

Message Line: To hear some of Heaven's messages, call (440) 327-5822. They are updated as soon as available following the Wednesday service.
