

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

January 2014

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

THE FEAST OF DIVINE MERCY – April 27, 2014

Midnight Gathering on April 26th – AND – Promised Apparition on April 27th

Meet **Saturday, April 26th at 11:50 PM** at the United Hearts Shrine for a Midnight Prayer Service and to receive the Complete Blessing of the United Hearts from Heaven.

Meet again at the United Hearts Shrine on **Sunday, April 27th – The Feast of Divine Mercy – at 2:30 PM** for a procession, 3 PM prayer service, and promised apparition.

"Trust in Me and have faith. As surely as Spring is coming, so too, I am coming to the Field of the United Hearts on the Feast of My Mercy." (Jesus, February 5 2014)

January 1, 2014/Solemnity of Blessed Virgin Mary, Mother of God

Our Lady comes seated on a Throne. She is in white with gold ornaments on Her Mantle. She says: "Praise be to Jesus."

"Today, you honor Me under the title 'Mother of God'. I am the Mother of God, but also the Mother of All Humanity. I am the Mother of all who esteem Me and pray to Me. I am also the Mother of all who have abandoned Me. I am the Mother of those who live in error, those far from their salvation and all who promote sin."

"My Immaculate Heart is the Chamber of Purification where souls can face illumination and conviction in the Truth. Not believing in the Truth does not change the Truth. Conviction of heart is a great grace in any present moment, and must be accepted for conversion of heart to take place."

"Therefore, as your Mother, I call each soul into My Heart as I tenderly and profoundly call you to realize the Truth of where you stand before God in any given moment."

January 2, 2014/Public

"I am your Jesus, born Incarnate."

"No one can be saved or come into Paradise outside of God's Divine Will. So it is, through and in this Divine Will, I come to offer the path of Truth which leads you into the Light. If you pursue the Chambers of Our United Hearts, you will live in the Truth and obey My Father's Commandments. So it is, I offer you a roadmap to Eternal Joy - a Joy beyond all telling."

"It is easy to disbelieve and thereby discount what I offer, but disbelief does not free you of the responsibility to discover the Truth."

"Today, you are experiencing much snow in your part of the world. I tell you, some hearts are 'snowed under' by error. Holy Love must melt away the error and help them to begin their journey towards the Divine Will. Be the instrument which melts the ice."

January 2, 2014/Public

"I am your Jesus, born Incarnate."

"When mankind separates himself from the Will of My Father, he creates a barrier between his own heart and the grace of the present moment which is My Father's Provision. My Father's Will is defined for all in His Ten Commandments and is reiterated in these Messages of Holy Love."

"My Father grieves for those who are led astray by misinformation about this Mission, by false presumptions, and calumnies. These are nothing short of attacks on the Truth which lead souls to their salvation. My Father grieves, and I mourn, for all the profound graces lost due to these errors."

"I come to you to save souls and to unite you in the Truth. Do not be so spiritually blind that you cannot see who would oppose this."

January 3, 2014/Public

Blessed Mother says: "Praise be to Jesus."

"My Immaculate Heart is the Hospice of the Remnant Faithful. But let Me describe to you who the Remnant Faithful are. These are the ones steadfast in the Tradition of Faith. They will not be swayed from these Truths despite popular opinion."

"These days, many call themselves 'faithful' but are so greatly compromised through the use of birth control, participation in abortion and condoning same sex marriage. Do not be fooled by reason of the great numbers who follow this path. Remember, many are called but few are chosen."

"Dear children, if you remain close to Me through the Holy Rosary, I will lead you in the Truth. The enemy finds it difficult to deceive those who pray the rosary daily. I am forming the Remnant out of the ones who pray the rosary - not just recite it. Make it known."

January 3, 2014/Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I come to you from peace to bring you peace. The way to have peace of heart is through Holy Love, and then you will have peace in the world."

"I desire you help Me make this Message known."

"Tonight I'm imparting to you My Blessing of Divine Love."

January 4, 2014/Public

"I am your Jesus, born Incarnate."

"There are those in the world today who seek to redefine Truth to appease the error that is in their own hearts. There are those in power who mandate the choice of sin. My Protection and Provision stand firm in the face of every arrogance that attempts to destroy Truth."

"If you wonder why I come to you repeatedly with Messages in defense of the Truth, it is a sign to you that evil uses untruth to rise to power. Therefore, I am unrelenting in bringing the Light of Truth into the world. It is this Light which exposes evil."

"Do not allow your freedoms to be stripped away so that you must choose evil. Hold onto your right to be holy in a secular society. Those in power are in grave danger of choosing unwisely and cooperating with evil, and they do not recognize this danger."

Read 2 Thess. 2:9-15

The coming of the lawless one by the activity of Satan will be with all power and with pretended signs and wonders, and with all wicked deception for those who are to perish, because they refused to love the truth and so be saved.

Therefore God sends upon them a strong delusion, to make them believe what is false, so that all may be condemned who did not believe the truth but had pleasure in unrighteousness.

But we are bound to give thanks to God always for you, brethren beloved by the Lord, because God chose you from the beginning to be saved through sanctification by the Spirit and belief in the truth. To this he called you through our gospel, so that you may obtain the glory of Our Lord Jesus Christ. So then, brethren, stand firm and hold to the traditions which you were taught by us, either by word of mouth or by letter.

TO PRIESTS

St. John Vianney, the Cure d'Ars comes. He says: "Praise be to Jesus."

"I know this Ministry is ecumenical - open to all people and all nations. Understand that Catholics can be ecumenical, as well. This is a murky point, at best, in many hearts. But today, I come to speak specifically to parish priests since I am their patron."

"Understand, my brothers, that you are a priest, not for yourselves, but for all others. Your vocation is a gift from God towards saving souls including your own. As such, your focus needs to be on taking the sacraments to the people. Do not let

your hearts be focused on friendships, gratuities or frivolous concerns of the world. Do not love money or popularity. If you are called to any rank, do not be consumed with love of power. Do not rule, but shepherd - without a bent towards control, but to lead to salvation. Never discourage prayer, especially the prayer of the Holy Rosary. Build up, do not tear down the Kingdom of God."

"Your own hearts must be well-formed in Tradition and centered upon the Real Presence in the Holy Eucharist. Spend time with Jesus. Allow Him to be your Confidante and your All."

"God has given you souls to lead to salvation. Take this call seriously. God holds you accountable, not just for your own salvation, but for what you do - or do not do - to lead others. Define sin as sin from the pulpit, even if these sins have become political issues. Call all people to live the Ten Commandments. Take the education of your charges seriously - more seriously than income or esteem."

"Finally, be responsible for feeding your flock with the Truth."

**During the Year of Priests (2010), Pope Benedict XVI declared St. John Vianney to be patron of all priests (parish & religious).*

January 6, 2014/Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, I come, as always, seeking to place the rosary in your hands, for this is your defense against weapons of mass destruction and every diabolical plan. I seek to place Holy Love in your hearts so that you can be at peace and be saved."

"Do not be stubbornly complacent in acting according to My call to you. Do not use the excuse that it is 'okay' to disbelieve just as others do. Take the first step in faith by praying the rosary. I will give you the grace you need to believe."

"Every doubt is from Satan who does not want you to believe or to pray. When you pray the rosary, dear children, Satan loses power in your hearts and in the world."

"Do not allow these, My words to you, to go unheeded. Pray, pray, pray."

January 8, 2014/Public

"I am your Jesus, born Incarnate."

"The predicaments of life - those that upset your daily routine - can be a big distraction spiritually.* But even when you are too busy to connect with Me, I am watching over you."

"It is the ones who never connect with Me that I mourn for. They do not see the Truth of My Provision which is always around them. They do not expect or even suspect My Abundance, but see all things as human effort. Therefore, these are the ones who remain ungrateful and unloving towards Me."

"The soul cannot trust in Me who does not see how I lead him through every crisis. Such a one depends on his own cleverness to see him past obstacles and not any spiritual inspiration."

"I send you power through the grace of My Mother's Heart, the presence of the angels and the intercession of all the saints to lead you and guide you. None of this is by accident but carefully calculated by the Divine Will of My Father - the Master Weaver of the tapestry of your life."

"Do not allow any of these Truths to be compromised in your heart. I come today to deepen each one's trust."

** Yesterday, all natural gas was cut off to Eaton Township, Elyria and North Ridgeville due to an accident. The result was no heat. Temps were below zero with wind chill -38 degrees. This lasted almost 24 hours. Now it is restored.*

January 9, 2014/Public

Blessed Mother says: "Praise be to Jesus."

"The reason I come to you and to this site is to return mankind to the love of God and neighbor. It does not matter who believes or disbelieves. My reason does not change."

"Sometimes hearts receive Me with all the frigidity of the climate outside. A stiff wind of untruth carries the Messages out of their hearts and fills the empty space with false reasons not to

believe. Other times, what I tell you takes root in the heart and begins to bloom in the warmth of openness to the Truth."

"You see, it is always the climate of the individual heart which either nurtures or freezes out the Message of Holy Love. But climates are ever-changing in the world just as hearts change in their beliefs. Holy Love is a constant Truth - never changing - always present. Holy Love does not disappear at the whim of unbelievers, but remains always a present moment challenge to all."

January 10, 2014/Public

Blessed Mother says: "Praise be to Jesus."

"In the spiritual world, there is a narrow line between being independent in a manner pleasing to God and cooperating with a spirit of independence. It is good to do whatever you can to help yourself and not bother others. It is not good to let this self-reliance transform into selfishness or self-preoccupation. Such a one sees everything only as it affects himself and is less and less concerned with the welfare of others."

"Every soul needs to look for this fine line and guard against crossing over it."

January 10, 2014/Public

Alanus (Maureen's Guardian Angel) says: "Praise be to Jesus."

"Yesterday, dear charge of mine, you found your way to your destination obstructed, but I led you along the path of a detour. You safely reached your goal. How many in life are discouraged by the first obstruction to their personal holiness and never pursue an alternative route?"

"Personal holiness is not valued these days and so is not vigorously pursued. Any little distraction throws many into a dither; never to return to the ultimate goal of union with the Divine Will."

"Of course, I make reference to the journey through the Chambers of the United Hearts, which in and of itself, is the straight path to union with God's Will. The undiscerning heart is easily misled by lack of approvals, rumors and calumnies. Thrown off track, they lose their way amongst even greater distractions in the world."

"Some - many - never find their way back to the straight and narrow path of Holy Love through these Sacred Chambers. The detours they take do not reach the desired goal. All of these alternative routes are Satan's deception if they lead away from union with the Divine Will."

"As your angel, I can keep you on track more easily as you see me. Those who do not see their angels must listen to the quiet whisperings in their hearts."

January 10, 2014/Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the smallest effort that a soul makes in Holy Love brings him deeper into the fire of My Divine Love - My Sacred Heart. Do not be discouraged, then, in any small effort."

"Tonight I am imparting to you the Blessing of My Divine Love."

January 11, 2014/Public

"I am your Jesus, born Incarnate."

"These days in the world, there is a pervasive spirit overtaking governments and citizenry. It is the spirit of complacency - the spirit that does not recognize the Truth. In this country, you have very weak leadership. You have leaders who are first and foremost politicians looking out for their own self-interests. Of course, the enemy knows this. He knows what buttons to push and to reset in order to gain more power. An uninformed or misinformed citizenry is Satan's tool."

"This is why I come to you with My Mournful Heart which decries misuse of authority and the compromise of Truth. The Spirit of Truth cannot inspire and guide you if you do not feel the need to find the Truth."

"So I am here to say, oppose the complacent notion that all authority operates in Truth. Question what you are being told. That which does not lay its foundation upon Holy Love is not of Me. Do not be tricked. The complacent spirit does not look for Truth but moves forward in a false sense of security. Hold leadership responsible and do not accept compromise blindly for the sake of title."

"If you listen to Me, many lives can be saved."

January 12, 2014/Public

Blessed Mother says: "Praise be to Jesus."

"In the world, all events are racing towards the final unfolding of the last days. It is only the prayers and sacrifices of the Remnant which appeal to the Will of the Father and withhold the Arm of Justice."

"The enemy has gained a stronghold under the guise of false religion and the weak leadership of the free world. Rest assured no opportunity opens to Satan that he does not take full advantage of."

"It is the blindness of the righteous that permits all advances of the enemy. Political ambition has tied the hands of democracy and brought right reason to its knees."

"But the Remnant are gathering into the Refuge of My Heart - more and more realizing it is unwise to wait for approvals to do so - more and more searching out the Truth as they recognize the unreliability of mass media."

"Cling to Me, My children, as I cling to you. Together we will persevere in a world that clings to compromised Truth."

January 13, 2014/Public

"I am your Jesus, born Incarnate."

"These days and during these times, it is important that people understand how to ferret out Truth from compromised truth. The more souls accept and believe in compromised truth, the farther they are from My Father's Will."

"Righteous Truth always supports the Ten Commandments and the individual's rights to live according to them. Therefore, Truth always supports Holy Love - the embrace of these Ten Commandments."

"Compromised truth often conceals error or weakness and always some form of darkness. Compromised truth takes away God-given rights. This same compromise of Truth lends strength to Satan always. It redefines Truth - convoluting reality - and accommodates sin. Compromised truth is confusion and misdirects."

"Therefore, you can readily see how this compromise of truth is a powerful weapon in the hands of evil."

"It is the force behind Satan's rise to power. Compromise may take the form of goodness, but the end result is evil. Perhaps souls are awaiting verification of some grace that needs to be acted upon immediately. As they wait, the opportunity of grace passes them by. Perhaps souls feel compelled to work too much of the day, but do not pray. The work is a good thing, but it can become a distraction from prayer. Perhaps social justice has overtaken your spirituality. In and of itself, this is good, but must be built upon love and worship of God. It must be the fruit - not the tree."

"Be inspired, then, to see where government policies and all leadership is taking you. Do not be an eager follower without first discerning where Truth lies."

January 13, 2014/Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please allow Me to provide for all your needs - to fill in all the empty spaces in your life. Trust in Me and you will receive everything that I give to you to offer."

"Tonight I'm extending to you the Blessing of Divine Love."

January 14, 2014/Public

"I am your Jesus, born Incarnate."

"It is written that many will be deceived. I tell you, this prophecy is already being fulfilled.* I come here to mold and form the Tradition of Faith in hearts and yet, the very ones who should embrace this Ministry oppose Me. It is no different than in My day when the ones I came to save, rejected Me."

"Today, I come to point out, once more, that the compromise of Truth does not change Truth. Compromise opens the door to sin and fans the flames of disordered self-love. This is why nation opposes nation. This is why the battle between good and evil has gone unnoticed, and is fueled by every form of compromise."

"Freedom is now synonymous with the right to sin - sin is embraced by governments. It has become a priority to please self and man and not to consider pleasing God - the Creator of All."

"For these reasons, this Mission must continue. These Messages must not succumb to erroneous opinions, no matter the source. I must be allowed the tenure of this lifeline to mankind's conscience."

"I invoke every effort towards propagation of Heaven's intervention here to increase. I come as a shepherd guiding his sheep."

*** 2 Thess. 2: 9-15**

The coming of the lawless one by the activity of Satan will be with all power and with pretended signs and wonders, and with all wicked deception for those who are to perish, because they refused to love the truth and so be saved.

Therefore God sends upon them a strong delusion, to make them believe what is false, so that all may be condemned who did not believe the truth but had pleasure in unrighteousness.

So then, brethren, stand firm and hold to the traditions which you were taught by us, either by word of mouth or by letter.

Romans 1: 24-32

Therefore God gave them up in the lusts of their hearts to impurity, to the dishonoring of their bodies among themselves, because they exchanged the truth about God for a lie and worshiped and served the creature rather than the Creator, who is blessed forever! Amen.

For this reason God gave them up to dishonorable passions. Their women exchanged natural relations for unnatural, and the men likewise gave up natural relations with women and were consumed with passion for one another, men committing shameless acts with men and receiving in their own persons the due penalty for their error.

And since they did not see fit to acknowledge God, God gave them up to a base mind and to improper conduct. They were filled with all manner of wickedness, evil, covetousness, malice. Full of envy, murder, strife, deceit, malignity, they are gossips, slanderers, haters of God, insolent, haughty, boastful, inventors of evil, disobedient to parents, foolish, faithless, heartless, ruthless. Though they know God's decree that those who do such things deserve to die, they not only do them but approve those who practice them.

January 15, 2014/Public

Blessed Mother says: "Praise be to Jesus."

"Today, I have come to reiterate My concern for people who turn away from this Mission and these Messages due to lack of approval or endorsements. The same was true after My

Apparitions in Fatima. As a result, My warnings were left unheeded and millions of lives and souls were lost."

"Today, I come to this site attended by many graces and warnings, as well. The way to peace is in and through Holy Love. Dear children, trust no peace accord that is not built on Holy Love. You cannot negotiate with evil. It is naïve to think so. While you give in to complacency, the enemy is building his arsenal."

"Your arsenal must be prayer and sacrifice. Do not concede - feeling these weapons are of no account. The enemy would have you do so. With Holy Love in your heart and your rosary in your hand, you are a fortress against evil."

"God has chosen you for these times. Do not allow the enemy to bring you to your knees in weakness. Rather, fall to your knees in prayer. It is by your efforts unbelievers begin to believe and the tide of moral degeneration can turn."

"Do not stand on the sidelines awaiting approvals."

January 16, 2014/Public

"I am your Jesus, born Incarnate."

"My brothers and sisters, I do not come to bewilder but to challenge. I challenge your redefinition of sin as freedom. I challenge your complacency in regards to your own salvation. I challenge your disrespect for the Ten Commandments and God's Dominion over you."

"These are all signs of moral decay and ways in which past civilizations have fallen. It is only by your efforts this can be reversed. I am giving you the grace you need to convert your hearts and the hearts of those around you, if they will listen."

"The first step to conversion is the desire to convert. Then, and only then, will you be open to a change of heart. Never be satisfied with where you are spiritually, but always be open to a deeper holiness. If you desire a deeper love of Me, I will show you how you can come closer."

"I desire God's Will for each of you which is Holy Love."

January 17, 2014/Public

Blessed Mother says: "Praise be to Jesus."

"The freedom to choose good over evil must never be surrendered. This means dictatorships must not oppose good conscience. In your country, sound laws and a firm foundation in the form of the Constitution have been set in place which are meant to safeguard this. However, now you have leaders who do not respect individual rights or the Constitution, and who create new laws that legalize sin."

"Those who live in the Truth in good conscience need to hold evil accountable for evil. If you try to accommodate evil, you become an instrument of evil - the consequence of which is ambiguity between right and wrong. There is no such thing as a gray line between these two. You cannot be a little bit right and a little bit wrong. For instance, if you support contraception but oppose abortion, you choose evil. If you choose to love some of your neighbors but not all, you are still not living in Holy Love."

"When My Son returns, Truth will be victorious in all hearts. No one will be power-hungry or unforgiving. Each soul will be able to choose his own salvation. Evil will be seen as evil and will be absent in personal agendas. What was hidden in darkness will be shown in the light."

"I tell you these things today so that you will protect your God-given right to choose good over evil."

January 17, 2014/Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please understand that the heart of these Messages, the journey through the Chambers of Our United Hearts, is the path into the Divine Will of My Father. Let no one discourage your pursuit of this journey for any reason."

"Tonight I'm extending to you the Blessing of My Divine Love."

January 18, 2014/Public

"I am your Jesus, born Incarnate."

"I come to speak today about false leadership. A false leader is one who does not lead with concern for the welfare of others but only with concern for maintaining his own position of authority. Such a one accommodates evil if it secures his popularity. He panders to groups of influence no matter their agenda or principles. He is full of duplicity, saying one thing and believing and acting in another."

"These are dangerous times - times when good is held accountable and evil is given free reign. The false leader gives his followers false security and disordered goals. So once again, I tell you, do not trust title but scrutinize actions."

January 18, 2014/Public

Blessed Mother says: "Praise be to Jesus."

"Today, dear children, realize what a great obstacle unforgiveness is to your spiritual journey through the Chambers of Our United Hearts. You cannot progress spiritually in the present moment if your hearts are imprisoned in the past by unforgiveness."

"You need to imitate God's Divine Mercy in the present moment. This is the vehicle which propels you through the Sacred Chambers of Our United Hearts. When you surrender all grudges or bitterness, you are free of the burden of unforgiveness. Then your angel can take you by the hand and lead you through the Chambers. It is only through an act of your free will in response to God's Grace that you can forgive. Choose forgiveness."

January 19, 2014/Public

"I am your Jesus, born Incarnate."

"Today, I tell you solemnly, that the heart of the world has become consumed with love of the created, and not love of the Creator. Mankind lives as though he has created all that is good and he rebukes God for any seeming disfavor. Until God is restored as Sovereign over every heart, the heart of the world will remain insecure by trusting only in human efforts."

"The Remnant of the Tradition of Faith must persevere in the face of great persecution. I call them to be the anchor which holds the battleship of faith in position despite the tumultuous storm of confusion. The grace tendered forth these days is more powerful than in any age in support of the Truth. This grace outweighs any temptation against your faith. It is to this generation I place you under the Mantle of Mary, Protectress of the Faith. She will not fail you if you turn to Her. Though temptations against the faith are powerful, Her protection is more powerful."

"Give to God the credit for every achievement, for it is by His Will you have received all your technology and advancements making life easier. If you give God the credit, He will enhance all He has given to you. If you turn to evil what God has given, the use of technology will be your downfall."

"Place My Father in Dominion over your hearts and your lives once again."

January 20, 2014/Public

Blessed Mother says: "Praise be to Jesus."

"It is easy when making any journey to get lost along the way if you are not following a good roadmap. It is no different, dear children, in the spiritual life. Every soul is created to be united with the Divine Will of the Father. Yet, how easy it is to get lost along the way through flaws in your spiritual life. This is why, during these confusing times, God has graciously provided the spiritual journey through the Chambers of Our United Hearts, which ultimately leads to His Divine Will."

"The more the soul adheres to this spiritual journey, the more quickly he will embrace and be embraced by the Divine Will. Begin to see every present moment as an opportunity of grace with its favors and challenges - all designed by God to lead you into His Will. The more you cooperate with these graces, the

easier your journey will be. It is as though grace is the fuel you need to propel you forward. No one on a journey would be wise to refuse fuel."

"Dear children, use the roadmap God has given you for your spiritual journey. St. Joseph is calling you into the Vestibule of Grace which opens on the First Chamber - My Immaculate Heart. I await you."

January 20, 2014/Public

Blessed Mother says: "Praise be to Jesus."

"Please understand that there is a difference between external and internal peace. External peace is only surface deep and not in the heart nor based upon Holy Love. Many peace accords are drawn up between nations in such a way. They never last."

"True peace is between two parties or nations which abide in Holy Love. Notice I say 'two'. If only half of the parties choose to base the peace on Holy Love with sincerity, the peace is short-lived. The lawless one takes advantage, and will take advantage of external peace."

January 21, 2014/Feast of Mary, Protectress of the Faith

Our Lady comes as Mary, Protectress of the Faith. She says: "Praise be to Jesus."

"Please realize that sincerity of heart must be grounded on true virtue. Virtue is true when it is internal; that is, it is within a heart embracing Holy Love, and not just external to impress or for show. Therefore, understand that hearts which are insincere, that is, with only external virtue, cannot enter into a sincere peace agreement. These are the ones who try to deceive while secretly pursuing their own agenda."

"In the world, there are whole nations so motivated, saying what sounds good and pursuing another. But God sees into every heart. Nothing else matters - not physical appearance, possessions, importance in the eyes of others - not even your opinions. The color and flavor of your salvation is Holy Love in your heart. All that you think, speak and act is a reflection of this love and is a sign of your predestination."

"It is what you hold as Truth in your heart that counts. This is internal. The external withers and dies."

January 21, 2014/Feast of Mary, Protectress of the Faith

Our Lady comes as Mary, Protectress of the Faith. She says: "Praise be to Jesus."

"I invite you to understand, dear children, that no one loses their faith accidentally. Faith becomes compromised by acceptance of compromised Truth through dangerous, even demoralizing pastimes and through complacency. Faith is attacked through sin, bad examples and erroneous discernment."

"I desire that you become more aware of the enemies of your faith all around you. They are numerous. Dear children, doubts concerning matters of faith are Satan's hallmark. The more you allow yourselves to live lives contrary to a deep faith, the more you are vulnerable to Satan's lies."

"Pray the rosary often and carry the rosary with you. Return to the use of holy water throughout the day. You can never be too protected. When Satan destroys your faith, he is made stronger and you are made weaker. Dear children, these are spiritual battles you must win."

January 22, 2014./Public

Blessed Mother says: "Praise be to Jesus."

"Today, I point out to you that the heart of the world has become very secularized and deceived. It is deceived in thinking human opinions are of the upmost, but God's opinion is of no account. This is evident in the general disregard for God's Commandments. But the Father, Who is the Creator of All Time, allows this to happen in fulfillment of Scripture.*

"I am protecting and nurturing the pockets of the Remnant Faithful in the Refuge of My Heart which is Holy Love. The Tradition of Faith will be upheld in this way. I invite all the Remnant Faithful to come to the property to be strengthened in

their time of need. Here, I will greet them with My Presence and reinforce this resolve."

"Do not be disheartened by the secularization of the world around you. Dear children, you have answered My call to holiness."

*** Romans 1: 28-32**

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to help all to see that Holy Love and the Truth are always together. When Truth is compromised, it is always an occasion of sin and, therefore, in opposition to Holy Love."

"Truth is the basis of Holy Love. Deception is founded on disordered self-love. If the heart is compliant with God's Will, which is Holy Love, it follows that thought, word and deed will be truthful."

"When priests do not preach against sin, by omission they are misleading their flock and promoting untruth. This is the bad fruit of the desire for popularity. But how do you prosper if your pews are full and your coffers overflowing when your flock is not spiritually healthy? Recognize your call to save souls by leading your flock in the Truth."

"Every soul has the responsibility to live in the Truth of Holy Love."

January 24, 2014/Public

Blessed Mother says: "Praise be to Jesus."

"Today, I remind each one that the problems you face worldwide within the Church, in governments and in every organization can be resolved through Holy Love in hearts. Because Holy Love is united with Truth, this is so. If you embrace Truth, Truth will embrace you."

"Truth dictates that there is no compromise towards political gain - to save reputations or preserve an image or to further ambition. Truth dictates that factions do not form, one opposing the other. A universal Truth is the summation of the New Jerusalem."

"Opinions are just that - opinions. Some reflect Holy Love. Others form through the act of personal desire to believe in something. Still others are inspired by evil. Any time a person's reputation is in the balance, you must choose Holy Love. It is evil which manufactures lies. Lies destroy. Truth builds up."

"Truth dictates that there is no accommodating evil to gain favor. The ground gained in such an effort bears no good fruit."

"The institutions in the world stand to gain much by listening to Me. I come for the welfare of the world, not its demise. Each one of you must put My words to you into practice."

January 24, 2014/Feast of St. Francis de Sales

St. Francis de Sales says: "Praise be to Jesus."

"Please realize that errors cannot be corrected unless they are first recognized as errors. So it is, in the spiritual life, self-knowledge is the catalyst of personal holiness. This is what the First Chamber of the United Hearts is - a recognition of faults and the purgation of these same faults."

"The mount to spiritual perfection, then, is the recognition of the Truth as to the soul's state before God and the desire to overcome any imperfection. This, of course, is humility and Holy Love united."

"Self-satisfaction propels the soul out of the First Chamber and farther away from the coveted Fifth Chamber - union with the

Divine Will. Discouragement achieves the same end."

"Truth bears the good fruit of hope in God's Mercy. The Flame of Our Mother's Heart is the Light of Truth which reveals error and purges the soul of every imperfection."

"As the soul advances through the Sacred Chambers, he never leaves the Flame of Our Mother's Heart, but moves forward within its embrace, ever being purged of imperfections. The Mother never abandons us."

January 24, 2014/Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, in every present moment, work towards your own salvation in thought, word and deed. Let everything come under the umbrella of your salvation."

"Tonight I'm extending to you the Blessing of My Divine Love."

January 25, 2014/Public

Jesus comes holding His Mournful Heart. He says: "I am your Jesus, born Incarnate."

"I come, once again, to reiterate that title alone does not make a worthy leader. It is what is accepted in the heart as Truth which makes the person worthy or unworthy. If he believes the reality of the facts can be twisted to suit his own agenda, he is not a good leader and unworthy of your affiliation."

"You must begin to accept this, for in the future a false and lawless leader will rise to power. He will bring a false peace into the world. It will all be a delusion. Many will be tricked into believing in him just as many have followed false leaders in the past. He will not have Truth in his heart, but Satan's deceit."

"I warn you now. Do not be tricked by who believes in him. Pay attention to what I am saying to you today."

January 25, 2014/Feast of the Conversion of St. Paul

St. Joseph says: "Praise be to Jesus."

"I come to you today on the Feast of the Conversion of St. Paul to tell you that the Vestibule where I await souls, inviting them into the United Hearts, is their invitation to conversion of heart. There I await and pray, that by entrance into this Vestibule, more will respond in a positive manner and the Remnant will be strengthened."

"I invite all sinners and all nations into this Vestibule of Grace. I pray these souls will have the courage to pursue entrance into the First Chamber and participate in the self-knowledge offered therein."

January 26, 2014/Public

St. Francis de Sales (Bishop) says: "Praise be to Jesus."

"I come to help those in the world who have become confused about this Mission and these Messages due to the compromise of Truth and the misuse of authority. God is Love and Truth. No one can change that or redefine that. These Messages are about Love and Truth. Where is the problem?"

"It is not the Messages or the Mission which should be challenged, but all that the human heart holds which opposes Love and Truth. That is the job of this Mission. Because someone holds high esteem in the world does not mean he has the authority to redefine Truth. Truth never changes. Therefore, I repeat what I told you last year. No Truth opposes Holy Love."

The Heart of Jesus mourns that so many are misled by the sword and thorns which pierce His Heart. All the controversy and misinformation swirling around this Mission are the work of evil. God never confuses. These Messages are salvific. It is not God Who tries to discredit Love and Truth found herein. It is the enemy of your salvation. If you believe in the controversy, you are partnering with evil."

"The Remnant must hold on to the Truths of Tradition and not follow every trendy path. You will find yourselves in the minority."

Be encouraged by the Love and Truth that you will hold in common."

January 27, 2014/Public

"I am your Jesus, born Incarnate."

"The coldness of hearts to the Truth is far more dangerous than the frigid air outside. This is why I come to you with a Mournful Heart. The cold air will pass and warmth will take over. Coldness to the Truth will have eternal effects on the soul, however."

"You can wear many layers of warm clothing to protect yourself from a frigid climate, but if you do not search out the Truth, you cannot protect yourself from untruth. Every soul who takes his salvation seriously needs to find the Truth of Holy Love. If you do not love God above all else and your neighbor as yourself, how can you claim salvation when you stand before Me?"

"The human heart grows cold outside of Holy Love. It becomes isolated in its own untruth. The environment around it becomes cold."

"I call you - each of you - into the warmth of My Heart to thrive in and abide in peace - the peace of Truth."

January 28, 2014/Feast of St. Thomas Aquinas

St. Thomas Aquinas says: "Praise be to Jesus."

"These days are not only frigid in temperature, but man's relationship with God is frigid. I could enumerate the errors in the heart of man, but the fault lies in mankind's desire to please himself and others rather than God. This is why every sort of sin and abomination is accommodated, even pandered to. This is why governments legalize sin and oppose Christian concepts of right versus wrong."

"People must not regard human opinion above God's opinion. It is God's opinion which determines your eternal destiny. God will not redefine His Commandments at your judgment to make you look good."

"These days, as the prophetic time clock races forward, people must realize the every opportunity, every grace that is extended to them to place God's Divine Will back in the center of their hearts. When hearts allow these opportunities to pass them by, they widen the abyss between Heaven and earth. When they choose not to repair this fractured relationship, they worsen the fracture."

"Even my warnings to you today will be resisted by many. I tell you, believing in untruth does not make it true. Obeying untruth does not make it true. To obey untruth strengthens Satan's kingdom. In this regard, I am not addressing those who have taken a vow of obedience. That is a different matter."

"Take my words to you today seriously. I have been sent by the Most High to secure your salvation. Make it known."

January 28, 2014/Feast of St. Thomas Aquinas

St. Thomas Aquinas says: "Praise be to Jesus."

"The consecrated life means a life dedicated to a certain ideal or devotion. Thus a heart consecrated to Divine Love patterns his thoughts, words and actions after Divine Love. A heart consecrated to the Truth, similarly always represents the Truth."

"How many leaders, secular or otherwise, can say they are consecrated to the Truth or Divine Love? How many hearts in the world are consecrated to God's Divine Will?"

"You have been given the path to follow if you wish to be so consecrated. It is the spiritual journey through the Chambers of the United Hearts. How few have found it, or having found it, choose to pursue it? In order to pursue this path, souls must surrender themselves - their will - their selfish agendas. They must allow Truth to rule their hearts. They must let go of love of the created and cling to the Creator."

January 29, 2014/Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I will tell you why this Mission stresses Truth. These days, the Tradition of Faith is under attack by what is trendy and popular.

Truth is the support of Tradition. Truth lays bare all error."

"You will not find Truth in the hearts of those who accommodate error or who pander to those who promote error. Much of this is found in governments and positions of leadership."

"This Mission has had to stand its ground in the face of rash judgments (mistaken for discernment in the face of jealousies and spiritual envy) all fueled by prideful competition. This is why Truth remains at the center of the entire Mission, and will be always."

January 29, 2014/Public

Importance of the Chaplet of the Unborn

Blessed Mother says: "Praise be to Jesus."

"Dear children, My Chaplet of the Unborn is important as it points out the error of abortion, the importance of life in the womb, and petitions a healing of heart for all who participate, in any way, in abortion. Pray it daily."

January 30, 2014/Public

Illumination of Conscience - Baptism of Truth

"I am your Jesus, born Incarnate."

"I tell you, only the Father knows the timing of future events and His Timing remains perfect. In the future, I can tell you that a Baptism of Truth will blanket the earth. In this Truth will be the discovery of each soul as to his status before God. Then, many will be converted to the Truth. Still others will die in their sins. Some will be accepting at first; but soon fall away."

"Do not wait for this worldwide event. Come to this prayer property and receive all you need towards realization of the Truth and conversion of heart."

January 30, 2014/Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to discuss with you today the topic of unity. As with any thought, word or deed, unity is good only insofar as it is based upon Holy Love. Then, the fruits and the goal are worthy. However, Satan will use unity under the guise of world peace to gain his own evil end."

"If you unite under an evil leader, God is not a part of it. Hitler and others bear witness to this. The key to God's Will is to always be united under a leader who leads with Holy Love. Then, God's good will come from it. The more freedom that is relinquished to evil leadership, the more powerful the evil becomes. Therefore, comprehend that you must not blindly follow any leader but first discern where he is leading you and towards what end."

"Make leadership accountable."

January 31, 2014/Public

"I am your Jesus, born Incarnate."

"Every soul needs to have a reservoir of grace deep within his heart which he can call upon in times of stress, indecision or temptation. This reservoir is Holy Love. If it is not within the heart, the soul cannot decide for the Truth, but every decision is compromised."

"The heart must be like a safe-deposit box - secure and accessible at the soul's choosing. The enemy tries to drain this reservoir of grace through doubts, lack of trust and impulsive behavior which opposes Holy Love. He uses rash judgments, detraction and weaknesses in every virtue to deplete the reservoir of Holy Love."

"The soul must always keep in mind his own salvation and draw upon this reservoir of grace as a means of attaining it. The reservoir will be as deep as is the virtue of Holy Love in the heart. It will deepen by prayer and sacrifice. The deepest reservoir makes the soul aware of the Divine Will."

January 31, 2014/Public

St. Pio of Pietrelcina says: "Praise be to Jesus."

"I speak now to one and all. Those who make excuses for failures in virtue, failure in job performance or who try to shift blame to someone else are full of pride. Humility accepts responsibility for errors or shortcomings."

"When I was in the world hearing confessions, I summarily ejected from my confessional those who were full of excuses."

"Another pitfall in the spiritual journey is cooperating with a pouting spirit. This, too, is a pride. Humility does not brood over suspected injuries. Humility graciously receives constructive criticism as a grace."

January 31, 2014/Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I invite you to trust with your whole hearts. You can increase in trust the more you increase in love of My Father's Will for you. Know that My Father's Will is your salvation, and He will never ask anything of you that you cannot give."

"Tonight, My brothers and sisters, I am blessing you with My Blessing of Divine Love."

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

February 2014

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

"Trust in Me and have faith. As surely as Spring is coming, so too, I am coming to the Field of the United Hearts on the Feast of My Mercy." (Jesus, February 5 2014)

February 1, 2014/Public

"I am your Jesus, born Incarnate."

"I watched you this morning as you tried to open doors which were warped due to the weather. I tell you, it is much the same with the spiritual door to the heart of the world, which is free will. This door, too, has been warped and stuck shut due to the environment around it. The door to the spirituality of the world is warped by the compromise of Truth which, I might add, pervades the atmosphere in the world today."

"Therefore, I cannot reach the heart of the world or in most cases, even influence this door by trying to pull it open through grace. I need the strength of many prayers to pry open this stubborn door."

"Help Me with your prayers."

February 2, 2014/Public

"I am your Jesus, born Incarnate."

"I can define Truth and define sin, but I cannot make mankind accept My definitions. This is where the evil one has entered to confuse the heart of the world as to the difference between good and evil."

"My Justice cries out to an unbelieving world. I do not desire to visit earth with My Justice. I desire all believe in

and accept My Love and Mercy, for My Heart is Kindness and the Doorway to Truth."

"Come to a better understanding of your choices and their consequences. Make Holy Love your tool of salvation."

February 2, 2014/Sunday Service – Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace

St. Joseph is here. He says: "Praise be to Jesus."

"My brothers and sisters, I come to you tonight as Joseph - Terror of Demons. I come to bring attention to the ways Jesus is maligned in the Real Presence. As His Foster Father, I protected Him in the First Tabernacle - the Womb of Mary, Most Holy. I desire to protect Him still in every Tabernacle from disrespect and disbelief."

"Families could be reunited and strengthened if they made holy hours together. The demons do not want this made known, and try to discourage it. Pay Him homage as He deserves."

"Tonight I ask that you pray often for respect of life in the womb, and respect for the True Presence in the Tabernacles of the world."

"Tonight I'm extending to you my Fatherly Blessing."

February 3, 2014/Public

"I am your Jesus, born Incarnate."

"In the end, each soul will be judged according to his obedience to the Ten Commandments, which is Holy Love. No one knows the time of their judgment, so it is best to respond sooner rather than too late."

"My Call is to all people and all nations. It is unfortunate My Call has become obscured by politics and error. I always come to you for the salvation of souls, which is the reason for each one's creation. If you do not listen, I will ask you 'why' at your judgment."

"Free will often chooses expedience - what will feel best, look best or serve him best in the quickest way. But, the pleasure gods of quick and easy do not lead you in Truth. Holy Love does. Do not accept quick solutions to difficult problems. The world has become more complex and less simple due to modern technology. As this type of communication 'shrinks' the world, small problems become worldwide problems."

"The world, however, unites in error, not Truth, to find solutions. Very often the world creates its own problems by leaving God out."

"A positive response to Holy Love is the solution to every difficulty. I have said it. Listen!"

February 3, 2014/Public

Chaplet to the Mournful Heart of Jesus

Our Lady comes, once again, holding the Mournful Heart in Her Hand. She says: "Praise be to Jesus."

"Dear children, it is the sins which wound My Son's Heart - the compromise of Truth and the abuse of authority - which rapidly widen the abyss between Heaven and earth. Please pray on any rosary beads: One Our Father and three Hail Mary's for the following intentions:"

1. "That mankind discovers the Truth of the difference between good and evil."
2. "That the Truths of the Faith which are dogma are not compromised to please mankind, but upheld."
3. "That all leaders, secular and religious, recognize sin as sin, and in no way lend support by way of pandering to or accommodating 'special interest' groups."
4. "That no leadership takes away religious freedom."
5. "That all leaders, religious and secular, lead as good shepherds towards the welfare of their flock - not with an eye towards any self-gain, power or disordered authority."

"Then pray:"

"Dear Jesus, please accept these prayers in atonement for the grievances of Your Most Mournful Heart. Through this Chaplet, please mitigate Your Justice. Amen."

February 3, 2014/Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, never betray My Mercy through disbelief. My Mercy is Omnipresent to you, and I am always ready to forgive the repentant heart."

"Tonight I'm extending to you My Blessing of Divine Love."

February 4, 2014/Public

"I am your Jesus, born Incarnate."

"Effective prayer needs to be prayed away from distractions and with Holy Love in the heart. This means the prayer is offered with an intent to please Heaven. It is not just the recitation of words."

"When I was walking with My disciples on the road to Emmaus, their hearts were filled with the Fire of the Holy Spirit as I explained the Scriptures to them. I desire to fill every heart in such a way when you open your hearts to effective prayer."

February 4, 2014/Public

On Praying the Mournful Heart Chaplet

Our Lady comes holding the Mournful Heart. Floating in front of Her is an unrolled scroll of paper. I can't read it, but I know in my heart it is the Chaplet of the Mournful Heart. She says: "Praise be to Jesus."

"Today, I tell you, this Chaplet, if prayed often and fervently from the heart, can change the course of human events. It is meant to bring Truth to light and to hold accountable any abuse of authority. It will be an instrument to mitigate God's Justice if enough will pray it."

February 5, 2014/Public

"I am your Jesus, born Incarnate."

"I tell you, it is erroneous opinions which have destroyed the morals of the world. I ask each soul to search out the reality of the Truth as it relates to the Ten Commandments. Do not invest in the abuse of authority by obeying it, but make all authority accountable to the Truth. A vow of obedience precludes disobedience but, still, Truth must be brought to light. Too often, vows are the instrument of control and further abuse of authority."

February 5, 2014/Public

"I am your Jesus, born Incarnate."

"Trust in Me and have faith. As surely as Spring is coming, so too, I am coming to the Field of the United Hearts on the Feast of My Mercy."

February 5, 2014/Public

Blessed Mother says: "Praise be to Jesus."

"Today, your city is experiencing a snowstorm. It is visibly crippling the area. It was forecast but is still a threat to many, especially the marginalized. This storm, while serious, is not as dangerous as the storm of evil which is overpowering the world. While the storm of evil was given fair warning, people did not prepare, and remain vulnerable to its effects. You can see the snow piling up. It is visible, but, dear children, the effects of the storm of evil are invisible. The effects of evil cannot be shoveled away. While I give you the way to 'melt' this evil, Holy Love, relatively few listen."

"Just as you seek warmth in this weather, dear children, seek the protection of My Immaculate Heart amidst this

storm of evil. This snowstorm will pass and give way to Spring. I promise. But, the storm of evil will certainly intensify unless more recognize the threat and magnitude of its effects."

"The snowstorm is outside. The storm of evil, which threatens your very salvation, is in hearts. Place Holy Love in your hearts. It is the way into the shelter of My Immaculate Heart, the warmth of which Satan cannot penetrate."

Anatomy of the Decline of a Nation

Blessed Mother says: "Praise be to Jesus."

"Today, I invite you to contemplate a tree. In the springtime, it is covered with buds. Each bud, according to God's Will, blossoms into a leaf. All the leaves, together, make the tree beautiful. The leaves make the tree what it is."

"So it is with nations. All the laws, when put into action, make up the nation as a whole. If small freedoms are surrendered to unjust authority, one by one, pretty soon the whole nation is redefined. It no longer is a safe harbor or a nesting place such as the tree in full foliage. Its character is damaged. Its freedoms gone - it now is diseased by error."

"Someone, on seeing a diseased tree, will care for it and restore it to health. Who will restore the faltering nation to health?"

February 7, 2014/Public

Anatomy of the Decline of a Nation

Blessed Mother says: "Praise be to Jesus."

"I wish to speak to you again on My analogy of the tree and the anatomy of the decline of a nation. The nature of any disease is that it spreads, so one diseased leaf on a tree portends the spread of disease throughout the tree. In a nation, the surrender of one freedom portends the surrender of many more with less conflict than the first one."

"Soon our tree is unrecognizable - wrought with disease and ready to fall. The governments that do not hold leadership accountable to the law deteriorate and become unrecognizable, as well. Soon they collapse."

"The tree must have a healthy root system to survive. The nation must be rooted in Truth to survive. When disease reaches the very root of the tree or the nation, it is very difficult to restore it to health. Indeed there is no hope if the disease is not uncovered. You cannot remedy that which you do not see as in need."

February 7, 2014/Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, to all things there is a time and a place and a season, if you will. But, My Father's Will governs every season. The only place that is timeless is eternity. Please see that everything comes to fruition according to God's Will. Nothing is left unattended. Everything is His Provision, My Provision."

"Tonight, My brothers and sisters, I'm blessing you with My Blessing of Divine Love."

February 8, 2014/Public

Blessed Mother says: "Praise be to Jesus."

"Today, I invite you to contemplate, a radish. The radish, along with others, is considered a root vegetable. Above ground it is a bunch of leaves, pleasant to the eye, but of no real value. The 'fruit' lies underground waiting to be enjoyed by whoever would partake of it."

"With an eye to the future, please lend an ear to My comparison. The time approaches when the Tradition of Faith may be the 'hidden fruit' underground. All that appears visibly above ground would be surface deep. I tell you these things, once again, reminding you that God looks only at what lies in hearts. Titles and labels do not impress Him. Pursuit of, and embrace of the Truth, impress God."

February 9, 2014/Public

Blessed Mother says: "Praise be to Jesus."

"Today, I invite you to realize that time is the captor of every goal. The Eternal Now, Who is the Creator of time and space, uses time to bring about every victory - every defeat. He generously uses time to accomplish His Divine Will. Therefore, God's Divine Will is in every present moment."

"Often, time seems to work in favor of evil, but this is never true. Just as the Father creates each present moment, He creates the grace each soul needs to persevere and to choose his own salvation."

"In this life, you cannot comprehend the effects of time, nor can you comprehend life in Heaven where there is no time or space. But, unfolding in front of you is the next present moment with its grace. This is all you need to choose good over evil and your eternal life in Heaven."

February 10, 2014/Public

"I am your Jesus, born Incarnate."

"These are the times when every step the soul takes in his personal life carries with it an impact on his spirituality. I say this as the heart of the world becomes more and more evil. Sometimes, what people view as needs are really temptations. This is why choices must be given over to prayer, prayer and more prayer."

"I can fill the world with every kind of message and flood this prayer site with an abundance of grace, but each soul must continue to choose to respond to all I give with Holy Love to really accept in his heart what I offer."

February 10, 2014/Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, allow Me to secure your hearts in peace. Peace can only come to you when you surrender to Holy Love. Then, I will take you deep into the Divine Will of My Father."

"Tonight I'm blessing you with My Blessing of Divine Love."

February 11, 2014/Feast of Our Lady of Lourdes

Blessed Mother says: "Praise be to Jesus."

"Today, on My Feast Day, I tell you, My Heart is filled with gratitude for those who have heard of My many apparitions around the world and believe. I do not come for

Myself but for the welfare of all My children - each one of you. I come to correct the conscience of the world and thereby reconcile the heart of man with the Heart of God."

"When I appeared to Bernadette at Lourdes, I asked for penance. As times progressed to this present day, hearts have grown more profoundly evil. My request for penance has become a plea. Dear children, you do not see the evil that is in hearts. You are not privy to the evil plans concocted by Satan."

"Come to My Spring here which is the same water I offer at Lourdes. Then I will give you the strength to carry your crosses and to renew your penances. I will inspire you to pray. Join Me in My desperate efforts to thwart evil."

Jesus comes holding His Mournful Heart in His Hand. This time there are purple droplets washing over it. He says: "I am your Jesus, born Incarnate."

"These are the Tears I shed for all who live in compromised Truth. Every sin is based on some compromise of Truth. Too often, untruth is supported and encouraged by the abuse of authority."

"In the world today, there is a hesitancy to correct error and stand up for the Truth. This calls upon My Justice. You cannot encourage untruth and escape My Justice. It is only by an act of your will you can step into and cling to the Truth."

"The errors of this age have designed My Mournful Heart. It is not with joy I bring My Heart to you in such a state, but in sorrow. However, if enough amend their lives and appease My Mournful Heart, I will mitigate My Justice."

"Make it known."

February 13, 2014/Public

I see the Flame of God the Father's Heart. He says: "I Am the Eternal Now - Your Creator and the Creator of All. I created time and space specific to earth. Time is the container in which I have placed all salvation and all eternal damnation. Free will is also My Creation. Every soul can use time to either choose salvation or damnation."

"I tender the perfect grace in time to each soul in every present moment towards salvation, but the choice remains in free will. This is why I tell you, it is important these days, as always, that free will be molded in My Divine Will, for therein lies salvation."

"I have given you the maxim of Holy Love through My Son and in this Mission. Holy Love is the Model of My Divine Will. Now, in the embrace of time, choose Holy Love."

February 14, 2014/Public

Blessed Mother is here as Mary, Protectress of the Faith. She says: "Praise be to Jesus."

"Years ago, I came to you seeking recognition under the title 'Protectress of the Faith', but it was deemed unnecessary by the ones who had the power to endorse it. Today, the faith has been ravaged by the compromise of Truth. Loss of faith has resulted in a multitude of church and school closings. These statistics bear witness to the ever-present need for this title and under this title, My protection."

"Satan has succeeded in destroying the faith from the inside out, twisting vocations to his advantage and indoctrinating the youth with his lies instead of educating them in the Truth. So these days, there is truly a Remnant Faithful who still tenaciously cling to the Tradition of Faith."

"As liberalism becomes more and more apparent, I remind one and all that I am still the 'Protectress of the Faith', even though this important title has been denied the proper endorsement it deserves [in this country].* The lack of recognition of this title has cost many souls to lose their faith and has contributed greatly to the state of My Son's Mournful Heart."

"Time has proven the need of this title, but errors continue to go unrecognized. How sad is the state of My Son's Heart as He sees what has happened and knows what could have been."

** On August 28, 1988, Our Lady came as "Guardian of the Faith" to Visionary, Patricia Talbot, of Cuenca, Ecuador, in South America. In 1991, the Bishops of Ibarra and Guayaquil in Ecuador approved the movement which contains the name "Guardian of the Faith" and thus implicitly the title.*

February 14, 2014/Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, persevere in faith when unbelievers approach you concerning this Mission, for I tell you, enough grace is here for each one to believe. Continue to pray for unbelievers."

"Tonight I am blessing you with My Blessing of Divine Love."

February 15, 2014/Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, these days there is much dialogue between nations concerning peace agreements. The one component which is being omitted, however, is the first and basic step - the foundation which makes all peace genuine. That is, that nations make their peace first with God. If this step is passed over, every other aspect of peace is disingenuous."

"In order to make peace with God, first, each one must discover the Truth. In Truth, souls and nations must not seek to please false gods, but only the One True God of all. This is why I so desperately need your prayers for the conversion of the heart of the world." *

** Consider joining or forming Children of the United Hearts prayer groups who pray for this intention through the Consecration of the heart of the world to the United Hearts.*

"I am your Jesus, born Incarnate."

"Today, I come to remind mankind of the importance of obedience to the Ten Commandments. You must obey in full each Commandment. You cannot obtain salvation by obeying nine and disobeying one of these Commandments."

Once again, I tell you, that all of these Ten Commandments are embodied in Holy Love."

"My dear brothers and sisters, it is up to each of you to choose your own salvation through obedience to these Commandments. Be conscious of this and direct your free will accordingly."

February 16, 2014/Public

Our Lady comes as Protectress of the Faith. She says: Praise be to Jesus."

"Contemplate, if you will, a small flower which represents the faith. I come to protect the flower and to nourish it with these Messages. The little flower, however, is besieged with disease - the compromise of Truth. It does not assimilate the nourishment I send from Heaven and, therefore, withers and dies."

"The faith will likewise wither and die if it is not nourished in each soul by Heaven's grace. Like the little flower, faith is fragile and must be nourished from the outside in order to thrive within. The flower may be strangled by weeds and pestilence. Faith dies when exposed to the disease of liberalism and the weeds of compromised Truth."

February 17, 2014/Public

Blessed Mother says: "Praise be to Jesus."

"Good morning! Today, I have come to speak to you, once again, on the compromise of Truth. Truth is compromised whenever facts are changed to suit someone's advantage. Remember, God is not a politician. He does not change the Truth to aid someone's ambition, popularity or material gain. With God there is no gray area. There is only Truth and untruth."

"Many souls spend their eternity in the eternal flames of hell due to their embrace of compromised Truth. Because you choose to believe something, does not change what you believe from untruth to Truth. You cannot change sin into freedom and make it just in God's Eyes. If God gives you sheep to shepherd, you must always lead them in Truth. There is but one way to do this and that is to proclaim the Truth."

"The Truth is always God's Will for you. The Truth in your heart is your salvation."

February 17, 2014/Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, hope is the mother of trust. Trust is the barometer of Holy Love in your heart. Therefore, if you wish to have deeper Holy Love in your heart, pray for hope."

"Tonight I am blessing you with My Blessing of Divine Love."

February 18, 2014/Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, do not be misled by politics. Seasons come and seasons go. Mankind cannot regulate the weather according to who holds office or by any human effort. The weather is governed by God's Divine Will over which man holds no power or authority."

"Dear children, the greatest threat to your well-being is the compromise of Truth. This compromise leads to every sin and to complacency of heart - a grave danger to the peace and security of the world. You must not accept everything you read or hear through the media. The media is a vehicle of compromised Truth. Pray, and the Spirit of Truth will enlighten you. His Power knows no bounds."

"Many malign these Messages as they accept every sort of compromised Truth for reasons to work in opposition to Me. A Blanket of Truth is coming which will correct many consciences.* Sadly, for some, it will come too late and they will have expended much effort fighting Heaven's intervention here."

"Finally, dear children, do not allow the compromise of Truth to rob you of salvation. I, your Heavenly Mother, come every day to rescue you through these Messages. Turn to Me."

** Blanket of Truth gives reference to the Illumination of Conscience.*

February 19, 2014/Public

Blessed Mother says: "Praise be to Jesus."

"I have come to discuss with you the topic of politics. I am not addressing the function of righteous politics that, set in motion, smoothly operate governments. Rather, I am speaking about the type of politics which separate and divide any institution or group of people. This type of politics causes self-serving factions within the body of people. It is always inspired by erroneous ambition for power, control and even authority, and very often material gain. No institution or governing body should hold themselves exempt from this."

"When a religious vocation becomes a career, this is what you have as inspiration - politics. When a position in government becomes more important than Truth - politics takes center stage. Whenever a position or status becomes more important than acting in Truth, politics has taken over and rules."

"Self-importance and the love of self-importance is the open door to politics. Factions form to protect this disordered love of esteem. You have only to look at the Pharisees to understand the greed of political gain. When people become fearful of speaking out against any political position, you most certainly can recognize a pharisaical spirit."

"You, dear children, must never be afraid of supporting the Truth. As apostles of Holy Love, you must be instruments of Truth without regard for political correctness. I hold you under My Mantle of Protection."

February 20, 2014/Public

"I am your Jesus, born Incarnate."

"To all leaders - secular and religious - I say, if you are not leading your followers in the Truth, you are leading them in untruth. It is impossible to support both. Do not paint as gray that which is black and white. Do not label as discernment that which is a self-vested opinion."

"If you oppose prayer anywhere, you oppose Me. If you oppose life in the womb or support birth control and abortion, you are Satan's instrument. Do not pander to or accommodate those who live sinful lives. Rather, stand up for right and oppose wrong."

"The world thirsts for strong and righteous leadership. The world hungers for the Truth of the difference between good and evil. If you are a leader, your responsibility is grave before Me and during these times. Set an example of Truth; then you will have the only support of any account - My Support."

Read: 1 Tim 2:1-7

First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all men, for kings and all who are in high positions, that we may lead a quiet and peaceable life godly and respectful in every way. This is good and it is acceptable in the sight of God our Savior, who desires all men to be saved and to come to the knowledge of the truth. For there is one God, and there is one mediator between God and men, the man Christ Jesus, who gave himself as a ransom for all, the testimony to which was borne at the proper time. For this I was appointed a preacher and apostle (I am telling the truth, I am not lying), a teacher of the Gentiles in faith and truth.

February 21, 2014/Public

Blessed Mother says: "Praise be to Jesus."

"Each time I am sent into the world, such as I am here, it is at the bidding of My Son to lead My children on the path of righteousness. I always come to lead My children to My Son - not for My own welfare, but for the salvation of the world. Those who, out of pride, assail My Efforts to convert souls are in league with Satan who always comes clothed in goodness. The evil tool he uses is false discernment which is never based on Truth, but is always a rash judgment."

"Be inspired by the Spirit of Truth to search out the good fruits of My Apparitions. Discernment, you know, is not the same as ferreting out supposed negatives. Watch how Heaven knits everything together making a tapestry of grace towards the welfare of all people and all nations. Do not deny all the grace offered for the sake of spiritual envy."

February 21, 2014/Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I do not come to you on the wings of approval or endorsements. I come in simplicity, speaking to the simplicity that is in your hearts. I invite you to realize how much I need your prayers and sacrifices. Continue! For I must combat the evil that is in the heart of the world."

"Tonight I am imparting to you My Blessing of Divine Love."

"I am your Jesus, born Incarnate."

"I tell you solemnly, Satan knows full well the good that is being accomplished here and that is why he masquerades as false discernment, trying to discourage the prayer effort here. But, once again, I tell you, I come to you, not because I seek any approval, but because I wish to convict the heart of the world and bring all people and all

nations to repentance. This is the sole purpose of Heaven's intervention and why this Mission remains ecumenical."

"Be obedient to My Call here and not obedient to error. Obedience to My Call strengthens your faith. Obedience to error compromises the Truth. Which do you choose? Heaven offers profound graces here in support of the Truth of these apparitions and Messages."

"Do not follow those who lead you away from this Truth."

Acts 5:29

But Peter and the apostles answered, "We must obey God rather than men."

February 23, 2014/Public

"I am your Jesus, born Incarnate."

"I tell you, the simplicity of Holy Love is your salvation. In Holy Love, you are shown the way you will be judged. Do not compromise your commitment to Holy Love by lending credence to human error in discernment."

"A mighty nation can be brought to its knees quickly in any number of ways, but the Holy Love in your heart can only succumb to attack by your act of free will in concert with evil. In the end, when you stand before Me, it will not matter who else believed in Holy Love or who disbelieved. It will only matter if you believed and did you live it accordingly."

"Make decisions in every present moment in Holy Love. Then, you will secure your salvation."

February 24, 2014/Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, begin to comprehend the intensity of these times. The graces poured out here at this site and through this Mission are proportionate to the amount of evil in the world today. I speak to you as a Mother - drawing you closer to My Son and your own salvation."

"Invest in Holy Love, for this is all Truth. Make the investment of your commitment to this Truth your priority. If you wait for everyone to believe in Holy Love, you will have waited too long."

"Follow My lead and allow Me to assist you in your personal holiness.* If you only knew the depth of My Love for you, you would not hesitate to pursue My call. Come to the Spring of Maranatha where I await you. Change your hearts and your lives to resemble Divine Love."

"God's Justice is being set in motion. Mitigate what will come as a result of sin by Devotion to Jesus' Mournful Heart."

"I call you to action - not to please men - but to please God and thereby attain your own salvation."

** The Blessed Mother is inviting all Her children to come into Her Immaculate Heart, for She is the perfect human model and example of holiness that leads us to Her Son - to Divine Love and Mercy, and to union with the Divine Will.*

Read: 1 Thess 2:4

...but just as we have been approved by God to be entrusted with the gospel, so we speak, not to please men, but to please God who tests our hearts.

February 24, 2014/Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, every time I come to you here, I bring with Me special graces towards the salvation of each one of you. You should pray ahead of time to be open to the graces that I bring with Me."

"Tonight I am blessing you with My Blessing of Divine Love."

February 25, 2014/Public

Jesus comes showing His Mournful Heart in place of His Sacred Heart. He says: "I am your Jesus, born Incarnate."

"These days, in your part of the world, you are experiencing a prolonged winter while Alaska is enjoying the temperatures you usually have this time of year. The inordinate temperatures do not change the fact that Spring approaches on the calendar, however."

"I desire you comprehend that the compromise of Truth and the abuse of authority are much the same as these weather patterns. While both of these are basically out of control and affect the lives of many, the compromise of Truth does not change the Truth and the abuse of authority does not change the God-given rights of anyone."

"Just as Spring is a certainty on the calendar, the Truth and rights of all people never change in God's Eyes. While many things become disordered through the free will of man, they remain unaltered in the Will of My Father."

"The seasons eventually catch up with the reality of the position of the earth in regards to the sun, and all order is restored. The reality of the Truth and the consequences of the abuse of authority catch up with each soul when he comes before Me in judgment."

February 26, 2014/Public

"I am your Jesus, born Incarnate."

"To live in Divine Love is to comply to the Divine Will of My Father. This is only possible by success in Holy Love. Holy Love is the embrace of the Ten Commandments and of all the virtues. This embrace is only possible through self-illumination as to the soul's own strengths and weaknesses."

"The basis of all holiness, therefore, is the desire to improve in virtue and in obedience to the Commandments. This is the desire to improve upon destructive behavior which opposes holiness."

"No one can be virtuous or holy if he does not first desire it."

February 27, 2014/Public

St. Peter says: "Praise be to Jesus."

"It is important that all people who live in the Truth of Holy Love recognize their intrinsic call to apostleship for Truth cannot be hidden, but must be brought out into the light. Every apostleship, if it is of the Lord, must be founded on Holy Love and Truth. If it is not, it is false and full of human error."

"This apostleship of Love and Truth is just as important today as it was in the day when Jesus was in the world. Love and Truth are the arsenal against secular error."

Therefore, it stands in direct opposition to worldly values and competition."

"As apostles of Truth and Love, you must never remain silent. In my day, I depended on grace to present every opportunity to evangelize. You must pray in the same way and be spiritually awakened to recognize every opportunity."

1 Peter 5:2-5

Tend the flock of God that is your charge, not by constraint but willingly, not for shameful gain but eagerly, not as domineering over those in your charge but being examples to the flock. And when the chief Shepherd is manifested you will obtain the unfading crown of glory. Likewise you that are younger be subject to the elders. Clothe yourselves, all of you, with humility toward one another, for "God opposes the proud, but gives grace to the humble."

February 27, 2014/Public

St. Peter says: "Praise be to Jesus."

"It is important to understand at the beginning of this endeavor - my discourse on apostleship - the difference between a disciple and an apostle. A disciple is on the first step of the ladder to apostleship. The disciple has heard of the Messages on Holy Love and of the apparitions. His interest is peaked and he becomes - so to speak - a pupil of Holy Love. Some become false disciples, exploring the Messages merely to find what they judge as error so they can excuse themselves from belief."

"The apostle, on the other hand, believes in and lives the Messages. Furthermore, he accepts responsibility for evangelizing the Messages and leading others in the way of Holy Love and Truth. This is the call I responded to in my day."

"These days, the true apostles must oppose false discernment and duplicity of some 'disciples' and many onlookers. They must be prepared to do battle in any given moment - always with the sword of Truth. They must preach Holy Love, not only by words, but by actions, as well."

"Everyone who is a disciple should be open to apostleship."

February 28, 2014/Public

St. Peter says: "Praise be to Jesus."

"Today, I am here to further discuss apostleship. Think of apostles as teachers and evangelizers. Consider disciples as pupils. Sometimes these characteristics cross paths, but an apostle can never be such without first being a disciple. Not everyone who evangelizes Holy Love is an apostle. In my day, there were many who desired to become apostles and who hung onto our company in the hopes of being regarded as such. An apostle cannot appoint himself through high self-regard or self-interest. An apostle is one who teaches and evangelizes according to the Will of God."

"The apostle knows himself. He sees his weaknesses and shortcomings and tries to overcome them. He does not focus on what he considers errors in others, but tries always to be a good example of Holy Love himself. Sometimes this is the encouragement others need towards self-

improvement. This positive example of Holy Love is itself a teaching."

"Just as the Spirit of Truth guided us - the first apostles - as to what to say and where to be, so too, does He guide every apostle of Holy Love. This same Holy Spirit enlightens the heart to know when true apostleship takes root in the soul. He is never the spirit of conceit or confusion - always the Spirit of Truth."

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, I have come tonight to capture your hearts and carry you away from the concerns of the secular world. Accept in every present moment My Father's Will for you, and then you will be His worthy instruments of His Divine Will."

"Tonight I'm imparting to you My Blessing of Divine Love."

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

March 2014

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

"Trust in Me and have faith. As surely as Spring is coming, so too, I am coming to the Field of the United Hearts on the Feast of My Mercy." (Jesus, February 5 2014)

March 1, 2014/Public

St. Peter says: "Praise be to Jesus."

"No one is called to apostleship for himself, but is as worthy as he is humble. This is not a call, then, of prestige, but a call of self-abnegation. True apostles do not label themselves as such, but in the quiet of their hearts recognize their call and pursue it through the grace of God."

"In my day, we - the apostles - were recognized as such because of our close affiliation with Jesus during His Life. Today, what distinguishes apostles of Holy Love is their willingness to live the Messages and to instruct others concerning them. Apostleship is all about the salvation of souls."

"Therefore, do not look for any personal recognition or self-importance through apostleship. Be small, unassuming and humble. These are the traits of Holy Love. Always protect the Truth."

March 2, 2014 / Public

"I am your Jesus, born Incarnate."

"Each soul carries in it a plateau of reality. This plateau is based upon the soul's interpretation of Truth. Sometimes the Truth is genuine. Very often, however, the Truth is compromised. When the Truth is compromised, the soul's reality of right and wrong becomes compromised, as well."

"This is what has happened in society today. What used to be scandalous - such as sex outside of marriage, homosexuality, abortion and more - has now become in vogue and acceptable. This is how cultures become corrupt."

"In leadership, both secular and religious, you can readily see group warfare. Each one is out for himself - for self-gain and disordered authority. But the reality is, each one is answerable to Me for the way he fulfills his office. Each one must answer for

his commitment as it relates to God and neighbor - Holy Love."

"Many hold disdain in their hearts for these Messages of Holy Love simply for the reality of Truth which they do not wish to accept. When I was in the world, it was no different. The Truths I offered were greatly rejected by those who did not live in the Truth."

March 2, 2014 / Public

St. Peter comes holding a key. He says: "Praise be to Jesus."

"The key to a good apostleship is Holy Love in the heart. This is the height and the depth of every evangelization effort. It is only then that the apostle can meet people where they are spiritually in a non-critical way. The apostle looks into his own heart to find error first. He trusts in God's Mercy for forgiveness. This helps him to forgive what he sees as errors in others' hearts."

"Holy Love is the safeguard against self-righteousness. It promotes in the heart an effort to be non-judgmental. Holy Love reaches out to all people and all nations. While a heart steeped in Holy Love does not judge, it leads in a positive effort towards salvation - always pointing to the next positive step to be taken, and leading past any pitfall with gentleness."

March 3, 2014 / Public

"I am your Jesus, born Incarnate."

"The beginning of trust is hope. The resolve of trust is faith. The foundation of trust is Holy Love. It is Holy Love which calls the soul to trust. Holy Love inspires trust."

March 3, 2014 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, you must pray for world peace. No political leader has the right to invade another country by force. Such moves are a threat to the entire world and the planet itself. I'm counting on your prayers."

"Tonight I'm extending to you My Blessing of Divine Love."

March 4, 2014 / Public

"I am your Jesus, born Incarnate."

"I tell you solemnly, it is each one's responsibility to always stand up for the Truth. As it happens too often, leadership is set in place and the leaders lose

track of the Truth. They depend on their title alone to stand for Truth. But, you have been given the Truth here which is always Holy Love - this being the embrace of God's Will for you."

"Leaders who transgress the rights of others towards self-gain have abandoned the Truth. Those who use their titles and authority wantonly to gain power, control or self-gain have abandoned the Truth for love of self."

"This is how peace is destroyed. This is the description of corruption. Always beware of factions, as this is the onset of political manipulation in any group. This is how Masonic influence began, innocently, but with exclusiveness as a foundation. Be united in the Truth."

March 5, 2014 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, I have come to discuss the current state of the world. My Son's Heart mourns for the abuse of power, such as it is. Currently, in Russia, the leader is showing his true colors. He is an aggressor, not to be trusted, not to be pandered to, as your president has tried. He is using his power to overtake peoples and territories which are not his to take - clearly an abuse of authority."

"Your president reminds Me of a fine race car at the starting line. It looks powerful and opposing, but when the gun goes off, it is discovered there is no engine inside. All the other cars take off and leave the 'empty' car in the dust. Your president holds a powerful office, but he abuses his authority, as well, by not fulfilling the office he was given - not functioning as a leader."

"Words, agreements and sanctions will not remedy the situation in the Ukraine. The enemy has weakened your country by political division and over-commitment to other nations in the world. He has cleverly used moral issues as a method of dividing this nation politically and of confusing your goals. While you are attempting to bring social justice to all, whole nations are losing their freedom!"

"The aggressor in Russia does not seek unity and peace. He will seek more territories unless he is stopped. Your nation has always been the peacekeeper, with its 'no- nonsense' approach to aggression. These days the world has peeked under the hood of the 'race car' - your president - and discovered there is nothing inside."

"Pray, pray, pray."

"I am your Jesus, born Incarnate."

"Remember, trust is the path beneath your feet as you travel through the Chambers of Our United Hearts. When you slip from the path of trust, the enemy has his way with you. It is then the obstacle of doubts fills your heart and confusion ensues."

"With trust as your footpath, Truth is the wind at your back."

Blessed Mother says: "Praise be to Jesus."

"Dear children, the hour is upon you when you must listen or suffer the consequences. Obey My call to you, which is to be united in Holy Love. In Rwanda, My warnings went unheeded. Those who could have helped did not want to believe in the Truth. These days, the world as a whole, pursues the same course."

"You are making great strides in being united in evil. Decadence has taken over governments. Individual rights are only upheld if they support sin. Nations have adopted policies which, in ages past, would have never been considered in the light of Truth."

"Dear children, you are racing towards your own destruction. My Son grieves for the choices you make and for the Justice that pulls at His Heart."

"You have the power to provoke change through the Rosary of the Unborn and the Devotion to My Son's Mournful Heart."

"Learn from what has happened in other nations such as Rwanda. Not listening cost many, many lives. Do not let this repeat itself worldwide for lack of believing in the Truth I am giving you."

March 7, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate." He has the Image of the United Hearts in front of Him.

"My brothers and sisters, Heaven is very pleased with the [United Hearts] Image above the altar."

"Tonight I ask that you rededicate yourselves to spreading the Consecration of the Heart of the World to Our United Hearts."

"Tonight I'm blessing you with My Blessing of Divine Love."

"I am your Jesus, born Incarnate."

"I offer you My Mournful Heart in appeasement of your trials. When you petition My Mournful Heart,

your trials are lifted and My Mournful Heart, too, is appeased. Pray this way:"

"Most Mournful Heart of Jesus, wash this petition for (name the petition) in the Precious Blood which flows from Your Mournful Heart. May God's Divine Will be done. Amen."

I (Maureen) had a dream about Blessed Mother. In the dream I was so overwhelmed with Our Lady's Presence, I started to cry.

Our Lady said, "Dear children, return to Me, your Immaculate Mother. No longer look for differences between you, but oneness. Be at peace."

March 15, 2014 / Public

Alanus (Maureen's Guardian Angel) says: "Praise be to Jesus."

"I am the spiritual compass of your heart. Every heart has such a compass. Some souls cannot 'read' their compass - that is, they do not listen to their angels and they become lost along the way. Others are diverted, forgetting to check their compass, forgetting to notice where they are being led."

"But, each soul has his angel to guide and protect his spiritual journey. These days, souls need to be reminded of what direction they travel." *

** This is one of the purposes of the Lenten Season.*

St. Patrick is here. He has sequins all over his vestments. He is holding a shamrock. He says: "Praise be to Jesus."

"In my day, I taught about the Holy Trinity with this simple shamrock. Today, we have this new Revelation of the United Hearts to live in union with the Holy Trinity."

"People need to look with open hearts at what they have been given so quietly and without fanfare in this private revelation. Progression through the Chambers of the United Hearts is progression towards a deeper relationship with the Holy Trinity."

March 17, 2014 / Feast of St. Patrick

St. Patrick says: "Praise be to Jesus."

"Today, on my Feast Day, I have come to help all to understand that as Our Lady's Heart is the Gateway to the New Jerusalem, Her Immaculate Heart also lends access to a deeper relationship with the Blessed Trinity. It is through the Heart of

Mary – the First Chamber of the United Hearts – that the soul is purified and admitted to his spiritual journey through the subsequent Chambers of the Holy Trinity."

"My Mission in the world was to convert pagans to Christianity, that is, those who never knew God. But today, the mission of believers is to convert unbelievers – those who know God but do not keep His Commandments."

March 17, 2014 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I tell you solemnly, the one who has heard these messages, and yet refuses to believe and live in Holy Love, is more culpable before My Judgment Seat, than the pagan who never heard of God."

"Tonight I'm extending to you My Blessing of Divine Love."

March 18, 2014 /Public

Our Lady comes as Our Lady, Protectress of the Faith. She says: "Praise be to Jesus."

"Dear children, these days I pray that your faith will be strong and envelop you like a cocoon. All around you is error and compromise. In every aspect of society, Truth has been altered and confusion has taken over."

"This is why God has sent Me as your Protectress. In the midst of the fire of controversy surrounding the great good of My Protection, realize that it is the yeast of the Pharisees, self-righteousness, which is your enemy."

"Allow your faith to cradle you and cushion you against all compromised Truth. It is in this way, My Strength will work through you."

March 19, 2014 / Feast of St. Joseph Treatise on Fatherhood

St. Joseph says: "Praise be to Jesus."

"Today as I speak to you about fatherhood, I invite you to take as a perfect example the Eternal Now - the Father of all mankind. He is the perfection of Provision and Protection which all fathers need to emulate. God the Father is the Creator of the Universe and of all life. Indeed, He is the Supreme Giver of life and the Inspiration of Truth."

"As the First Father, He gave us His Only Begotten Son to redeem mankind. All fathers need to pursue unselfish service to their families - devoted protection and unmitigated loyalty to those

under their charge. These days, the attacks on marriage, even unto re-definition by law, have compromised the role of fatherhood and destroyed the sanctity of the family unit. The result is every sort of disorder and chaos in society."

"In my day, the father firmly, lovingly held his place as the leader of the family. His role was not challenged. His esteem was not thwarted by misguided role models."

"The good father is gentle, understanding, steadfast in righteousness - yet, never self-righteous. He is a firm model of the Truth; thus, a guide to consciences and a spiritual mentor. He holds no malice in his heart, but is the model of forgiveness."

"I have come to affirm the fathers who live in Holy Love and to admonish those who oppose it. Be a sign of reconciliation with God and you will be on the right path to being a good father."

March 20, 2014 / Public

"I am your Jesus, born Incarnate."

"These days, as you are recovering from an illness, food looks very tempting, but the effect it has on you physically is not so good. It is the same with sin. Satan makes his temptations look pleasing and harmless, but the effect on the soul spiritually is detrimental."

"Every temptation to sin is a temptation against Holy Love. This is the common denominator of evil. Therefore, to be well spiritually, the soul needs to keep his focus on Holy Love. Is it any wonder the attacks are so great upon this Ministry?"

March 21, 2014 / Public

"I am your Jesus, born Incarnate."

"The foundation of all personal holiness is Holy Love. Every virtue is built upon Holy Love. The 'mortar' which holds each virtue in place is humility. Without humility, the 'virtues' that the soul believes he has are false. Please understand, then, that the soul who believes himself to be holy has been tricked by Satan. The truly holy person recognizes his errors and is constantly trying to be perfected in virtue."

"This is why I repeatedly tell you it is dangerous to believe too much in yourself. See every good thing as flowing from Divine Abundance. "

March 21, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says:

"I am your Jesus, born Incarnate."

"My brothers and sisters, every conversion process is painful, for it begins with an illumination of conscience. Then, the soul must accept his error and denounce it."

"When we speak of the conversion of the heart of the world, we need many, many prayers and sacrifices to bring about this effect. It is very difficult for someone of prominence to renounce a position that has defined him. Continue to pray and to sacrifice."

"Tonight I'm blessing you with My Blessing of Divine Love."

March 22, 2014 / Public

"I am your Jesus, born Incarnate."

"I tell you, solemnly, the more pride a person invests in his own opinion, the harder it is for him to admit to error and change his stance. This is how pride takes on such an important role in a person's conversion. This is how error is perpetrated from generation to generation."

"When I was in the world, the Pharisees could not admit to error despite signs and miracles. The love of their own opinion precluded any change of opinion. These days, it is no different. People who hear these Messages feel compelled to form an opinion. Once they choose against the Truth, it is difficult for them to re-evaluate their stance."

"Hand in hand with pride in one's opinion is the pride of cynicism, which imprisons the heart in untruth."

March 23, 2014 / Public

Blessed Mother says: "Praise be to Jesus."

"These laws which are being passed, state by state, 'legalizing' the sin of sodomy through same-sex marriage are based upon a 'live and let live' attitude. But, I tell you, every sin affects mankind's relationship with God. Every sin calls upon God's Justice. Therefore, encouraging this sin of homosexuality by legalizing such relationships affects every person and awaits the Hand of Justice."

"Do not be so foolish as to think you can turn the other way and moral decadence will not affect you. God's Justice, when It comes, will not single out only the evil, but will visit all of earth. Your laws define your moral integrity as a nation. You must decide if you choose as a nation to draw closer to God or farther away."

March 24, 2014 / Public

Blessed Mother says: "Praise be to Jesus."

"I come, once again, to encourage prayer and sacrifice towards the conversion of the heart of the world. Dear children, if you realized the width and the depth of the abyss between the heart of man and the Heart of God, you would spare no effort in prayer and sacrifice against the evils of the day."

"Truth is the balm that can heal and close the wound between God and man, for it is the diabolical convulsion of Truth that has inflicted this wound. Pray to be able to forgive one another, for this will open a lifeline to recognizing the Truth."

March 24, 2014 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight, on the eve of My Mother's Annunciation, have the disposition of heart to be open to God's Divine Will for you as She was."

"Tonight I'm blessing you with My Blessing of Divine Love."

March 25, 2014 / Feast of the Annunciation

Blessed Mother says: "Praise be to Jesus."

"Today, as you celebrate My 'Yes' to the Angel Gabriel, please understand that, these days, the legal system is embroiled in conflict with righteous choices. Governments have made sin into freedom, bypassing the Truth. This has compromised consciences to the point of souls not searching for the Truth in God's Eyes and not recognizing or even considering God's Will."

"A simple 'yes' was what the Archangel needed at the Annunciation. I surrendered My will to the Will of the Father. In that moment, Heaven touched earth and quietly changed the course of human history. Today, governments have imposed the formation of evil upon the consciences of the world so that righteous decisions are scoffed at - even scorned. Do not confuse, dear children, the false consciences the government imposes upon you by law with the Truth of God's Will for you. Your salvation weighs in the balance."

March 26, 2014 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, this once great country was founded on religious freedom. If you surrender this God-given right, you are surrendering to evil. No government should be given the right to dictate matters of conscience. No one should support such leaders. You should not be put in the position of choosing between God and country, but this is the

path events are following."

"I urge you to stand firm in favor of holiness. Pray for holy boldness to see where you can make a difference. This is not the time for silence or for blind obedience towards errant leadership."

"Pray for the inspiration of the Spirit of Truth, the Holy Spirit, and the protection of the angels. I am praying with you."

Read Galatians 3: 2-5

Let me ask you only this: Did you receive the Spirit by works of the law, or by hearing with faith? Are you so foolish? Having begun with the Spirit, are you now ending with the flesh? Did you experience so many things in vain? – if it really is in vain. Does he who supplies the Spirit to you and works miracles among you do so by works of the law, or by hearing with faith?

March 27, 2014 / Public

"I am your Jesus, born Incarnate."

"I invite you, still again, to see that labels can be very misleading. A person can be given a great title but not fulfill, in Truth, the duties of his office. Sometimes it is just the opposite. For instance, Russia proclaims Communism dead, yet acts in the ways of Communism in its policies. So, while it renounces a label, it is still the same government in action."

"This is why Wisdom must help you to search out the Truth. Do not look at what should be, but what is. Do not only listen to words, but look at actions. Do not believe in the title of a person, but look at how he fulfills the title."

"Everyone is liable to God for living in the Truth."

March 28, 2014 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, once again, My Son sends Me to you towards the spiritual welfare of all people and all nations. Today, I address, in particular, those who have allowed their hearts to become paralyzed by spiritual pride. These are the ones who are self-satisfied with where they are spiritually, to the point of self-righteousness. It is easy for them to explain away Heaven's intervention here. After all, they are not having the visions or apparitions – therefore, they cannot be real. They do not look for any positive insight in the Messages, and do not hold themselves accountable to living in Holy Love. This prideful stance is much easier to live by than it is to humbly believe."

"But, as always, dear children, I have come to protect your faith from proud error and renew your

spirit in the Truth. Let the spirit of Truth melt the ice from your hearts. Allow new growth in faith to bud and blossom within you. Understand how much I care for each of you and begin to listen*. No longer carry the burden of disbelief in your hearts, but believe. Spiritual pride weighs heavy upon the heart of mankind. It is only through an act of humility, by admitting your opinions have been wrong, that souls can come to Me with open arms."

"I, your Heavenly Mother await you."

** The word, "listen", comes from the Latin, "to hear the Voice of God in the heart and obey." It is the source by which we surrender our hearts to God in every present moment, like Blessed Mother in Her "fiat" or "yes" to God.*

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to succinctly state the differences between a believer and non-believer in Holy Love. These have been stated in various ways in the past, but bear repeating."

NON-BELIEVER	BELIEVER
Has erroneous opinion based on hearsay or some untruth. Will not search out the Truth or accept it.	Accepts Heaven's intervention as the Truth.
Cannot accept Heaven's choice of visionary or messenger out of spiritual envy. Places limitations on who or where Holy Spirit will work.	Makes total allowance for Heaven's right to choose whom It wishes without limitations.
Does not internalize Messages. Not open to self-knowledge.	Applies every Message to himself. Constantly strives for perfection in holiness.
Looks for any negative reason to disbelieve and does not base negative opinions on fact.	Sees the good in every Message.
Full of self-righteousness.	Humbly believes others to be more holy than himself. States his opinions - then prays they are accepted.

"There are marked differences in the hearts of believers and non-believers. They are as far apart as pride is from humility. Pray the barrier of proud hearts is defeated."

March 28, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Mournful Heart exposed. He says: "I am your Jesus, born Incarnate."

"Pray, My children, to realize the profound grace that this property affords you. It is your perseverance in prayer that has proven fruitful in this Mission, in the buildings, in the Messages, and all the graces offered at this prayer site. Understand that if you had not been tenacious in your efforts, none of this would have come about. But, it is God's Will your prayers were answered. Therefore, be at peace, here at Heaven's prayer site."

"Tonight, I'm blessing you with My Blessing of Divine Love."

March 29, 2014 / Public

"I am your Jesus, born Incarnate."

"Each one needs to be accountable for his own salvation. In the end, reputation, wealth and power are of no account. What weighs in the balance is adherence to the Truth. The danger is, that souls compromise the Truth to suit their own needs. To do so, is to live according to Satan's lies."

"The hallmark of living in Holy Love is peace and unity. Whatever destroys peace and unity is a compromise of the Truth. Learn to be open to constructive criticism from the greatest amongst you to the least. Being open means you do not fly into a defensive rage, but listen and take heed. Learn not to complain about others, for this is also divisive. Be peacemakers. Then you will have peace always in your hearts."

March 30, 2014 / Public

"Blessed Mother says: 'Praise be to Jesus.'"

"These days, as long-awaited Spring approaches, earth seems to come alive. All of nature buds and blossoms. The air itself warms and seems more hospitable. I pray that this season warms hearts to Holy Love – thawing frozen, opinionated hearts with the Truth. I pray that the

heart of the world will bloom in Holy Love, becoming beautiful in God's Eyes."

"There is no particular season for Holy Love. Rather, every present moment is God's invitation to bud and bloom according to the Commandments of Love. Every present moment is a treasure of grace waiting to be discovered and appreciated as a little spring flower that lies hidden beneath the dried leaves."

"Dear children, open your hearts in the warmth of God's Love. Allow your hearts to be renewed by each grace God offers. Allow the 'fragrance' of Holy Love in your hearts to reach out to others and to affect the world around you. Join Me in My prayer for renewal of the heart of the world."

"Dear God, awaken every heart to the Truth."

March 31, 2014 / Public

"I am your Jesus, born Incarnate."

"I tell you, in Truth, the Crucifixion and the Resurrection come together here in this Mission and at this prayer site. This Ministry has been crucified unjustly, just as I was, for the sake of jealous power. False accusations have been lodged against it and the messenger. Heaven's Messages have been disregarded and held up to ridicule."

"At the same time, the Ministry and prayer site represent the Resurrection. Here is the rebirth and renewal of life according to the Commandments. Here is the hope of peace and healing for the heart of the world. Here is the joy of a new life in Truth."

"I turn no one away from this hallowed site. I offer each one what he needs towards his salvation and deeper holiness. Come and see. Come and believe."

March 31, 2014 / Monday Service - Peace in All Hearts through Holy Love and World Peace

"Jesus is here with His Heart exposed. He says: 'I am your Jesus, born Incarnate.'"

"My brothers and sisters, I am most compassionate towards those who persevere in prayer and sacrifice. These are the prayers that touch My Heart. I am listening. Therefore, be encouraged in perseverance."

"Tonight, I'm blessing you with My Blessing of Divine Love."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

April 2014

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

FEAST OF THE UNITED HEARTS

Meet **Saturday, June 28th at 11:50 PM** at the United Hearts Shrine for a Midnight Prayer Service and to receive the Complete Blessing of the United Hearts from Heaven.

Meet again at the United Hearts Shrine on **Sunday, June 29th – The Feast of the United Hearts – at 2:30 PM** for a procession, 3 PM prayer service, and promised apparition.

*"Let us look forward now to the next apparition on the Feast of Our United Hearts."
(Blessed Mother / April 28, 2014)*

April 1, 2014 / Public

Alanus (Maureen's Guardian Angel) says: "Praise be to Jesus."

"The world is filled with many angels, all of which are attempting to draw souls into Holy Love. The angels continually lay bare the path to St. Joseph's Vestibule, the antechamber to the United Hearts. Angels are sent to protect and guide every precious soul once he enters this Vestibule of Grace. Angels help souls who lose their way, back onto the path of Holy Love."

"I speak on behalf of all my fellow angels. There is one from each choir surrounding the United Hearts."

"There is no aspect of human existence that the angels do not try to influence in favor of Holy Love."

April 2, 2014 / Public

(Read: Hebrews 3: 7-15)

"Blessed Mother says: "Praise be to Jesus."

"In the world, the earth is shifting and opening because hearts are not shifting from untruth to Truth and are not opening to Holy Love. This is such a simplistic cause and effect, and yet, this reality escapes most."

"Once again, I point out the complacency of the heart of the world. People must come to realize that their actions or lack of actions have consequences. Nowhere in Scripture can you find a civilization given over to sodomy, abortion and every sort of licentiousness, that has not fallen to ruin by God's Hand. The complacent heart believes none of this applies to him and will never happen."

"If you do not oppose evil, you condone it. Each soul will be judged, in part, according to his response to these times. Therefore, once again, I urge you to support the Truth of Holy Love. This is the Doorway of My Heart, which is the Gateway to the New Jerusalem."

April 3, 2014 / Public

"I am your Jesus, born Incarnate."

"People should not mistakenly believe that because no great disaster has occurred in their area of the world, that God is pleased with all that takes place, and all that is in hearts there. Everywhere, injustice rules due to the compromise of Truth. Perhaps great graces have been given to an area of the world, such as here, at this apparition site. Yet, it is opposed and met with disdain. Be thankful no grave natural or man-made disaster has befallen you. I suggest it may be the very prayers offered here, which have been opposed, that stay the Hand of Justice."

April 4, 2014 / Public

Blessed Mother says: "Praise be to Jesus."

"These days, there is an errant attitude in the heart of the world that demands recognition of those who choose sinful life styles as acceptable. This attitude demands all the rights and the same treatment as those who have not chosen the sin of sodomy. But, solemnly I tell you, at the moment of judgment, God separates the wheat from the chaff. There will be no negotiations or cries of foul play, but only judgment according to the Ten Commandments and the soul's adherence to them."

"God does not revoke free will, but each one will be judged according to his free will choices. Do not mistakenly think that you can redefine good and evil. You have in the world today every sort of excess and extreme. If moral degeneration was reversed, you would see the other side of the scale - disease, war, natural disasters, extreme poverty - reverse as well."

"As it is, your laws are supporting sin and are insulting God. You are more concerned with your rights to sin than your right to choose salvation."

"I desire all souls conform to the Will of God in and through Holy Love."

April 4, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the greatest sacrifice you can give Me for the remainder of this Lenten season, is the surrender of your will more perfectly to Holy Love. I will honor such a sacrifice, and accept it gladly."

"Tonight, I'm imparting to you My Blessing of Divine Love."

April 5, 2014 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, please realize that the laws of this country are becoming more supportive of decadence than of any personal holiness. God did not create man for his own hedonistic pleasures. God created man and woman to co-operate in His plan of procreation. This Truth is not only compromised, it is all but lost in the

confusion that reigns in hearts today. It is fast approaching the point of no return, where, if you do not support sin, you are an outcast."

"Dear children, I am your support in righteousness. My Immaculate Heart is your shelter and your victory. Therefore, have peace in your hearts as you fight what is now an uphill battle. You face no conflict alone. Continue in your efforts to console the Mournful Heart of My Son."

April 6, 2014 / Public

"I am your Jesus, born Incarnate."

"Contemplate for a moment the heart of holiness. In nature, the heart is the organ which pumps life through the body. In regards to personal holiness, the heart of such [holiness] gives life to every virtue. This spiritual heart is of course Holy Love – but is reflected in selflessness."

"The more the soul forgets himself and lives to please God and others, the holier he is. This sounds simplistic and easy. In reality, it is a difficult moment to moment task. It is very easy to view everything as to how it affects self. It is difficult to view everything in the ways it affects others. Ask for the grace to forget self and to focus on God and others. I will assist you. This is the mentality I had throughout My Life. I gave up any physical well-being, reputation and even the presence of My Mother, for the sake of humanity in God's Eyes."

(Message for Family Night)

St. Joseph says: "Praise be to Jesus."

"You are right in thinking Satan opposes my prayer nights every first Sunday of the month. I am, after all, the Terror of Demons. If it's not the weather, it's your health. However, I am here now in this present moment to speak as I would have last night."

"The family unit has been the basis of society since the earliest times. The stronger the family, the stronger their influence in the community, the nation and the world. The family can have either a positive or negative influence in the world. This is why I tell you, the family that is united in Holy Love is a particular treasure in God's Eyes. Holy Love is the 'glue' which binds the family together spiritually."

"This seems simplistic enough, but it is a Truth Satan did not want stated."

April 7, 2014 / Public

Blessed Mother says: "Praise be to Jesus."

"In St. Joseph's Vestibule, the soul is washed in humility making it possible to gain entrance to the First Chamber of Our United Hearts, which is My Immaculate Heart. Within this First Chamber, the soul, now humbled, opens his heart to purification. The Flame of My Heart burns away the soul's most glaring iniquities and gives him the desire to move forward into the subsequent chambers."

"Therefore, understand that My Heart, which is the Gateway to the New Jerusalem, is also the doorway to personal holiness. God has deemed it so."

April 7, 2014 / Monday Service - Peace in All Hearts through Holy Love and World Peace

"Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please understand tolerance of a sin bears the same bad fruit as condoning a sin. This bad fruit is more sin. Pay attention to what I'm telling you."

"Tonight, I'm blessing you with My Blessing of Divine Love."

April 8, 2014 / Public

"I am your Jesus, born Incarnate."

"As I told you last night, tolerance of sin produces the bad fruit of more sin, just as condoning sinful behavior does. I desire you understand how tolerance plays out in the world. You tolerate something if you put up with it, look the other way and refuse to address the reality of the Truth. Reasons why people would do this are as follows: fear of losing popularity, fear of being labeled in any certain way, fear of loss of status or material gain."

"Now, realize that none of these fears are of Me. All of these fears revolve around the temporary, the passing. What is needed is an examination of conscience as to where priorities lie. Do you seek favor with people or with Me - Your Savior? What does it matter what people think of you? When you stand before Me, you will be judged according to your response to Truth. No one else's opinion of you will enter into play. Your own opinions will judge you, either in favor of Holy Love or against."

"Do not waste time then trying to placate sinners or any 'special interest group' that supports sin. Be My disciple, as I call you to be."

April 9, 2014 / Public

"I am your Jesus, born Incarnate."

"The war between good and evil that is being waged in every heart is the war between Truth and untruth. Satan uses people of impressive authority to propagate his compromised and convoluted truth."

"This is why I continue to tell you, solemnly, do not look at who is saying what, but what they are saying. This was true in My day, as well. The body of great power - the Pharisees - who opposed My teachings, stood solely on the pretense of their authority and compromised the Truth to suit themselves."

"But I have given you the Truth, which is Holy Love. It is the same Law of Love I gave you when I was with you. Abide by it, in Truth, for My Mission, through you, is to keep the Truth alive despite opposition."

Please read: 2 Thessalonians Ch 2: 9-15

April 10, 2014 / Public

"I am your Jesus, born Incarnate."

"The purpose of these Messages is to challenge untruth and to convict hearts. It is only in this Light of Truth, spiritual conversion can take place. There is a popular trend in the world today to show tolerance towards sin. This is evident in governments by the legal decisions that are reached concerning same-sex marriages, as well as abortion. Consider here the 'morning-after' pill made so readily available."

"People do not realize or even care about the widening abyss that yawns wide between Heaven and earth. While they are intent on placating the sinner, people have no regard for appeasing My Mournful Heart. The very ones who should step in on behalf of the Truth have become compromised by trendy tolerance."

"Always stand for the Truth. Always maintain a righteous sense of good versus evil. Your hearts, My brothers and sisters, must be balanced in Holy Love. Ask your angels to help you with this."

April 11, 2014 / Public

"Jesus is here with His Mournful Heart exposed. He says: "I am your Jesus, born Incarnate."

"Look upon My Heart so ravaged by the sins of mankind - all based upon the compromise of Truth and the abuse of authority. Do you know why these sins are so rampant today? It is because mankind places his own will above the Will of My Father."

"My Father's Will is Truth itself. Satan can only use the heart that turns away from Truth. Then you have disunity and deception of every kind. My Heart mourns for those whom have allowed their hearts to be convoluted, as it suited them to do so. My Heart cries out for Justice."

April 11, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

"Jesus is here with His Mournful Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, during this coming Holy Week, be united in your prayers and sacrifices for all those world leaders who are inspired by evil."

"Tonight, I'm blessing you with My Blessing of Divine Love."

April 12, 2014 / Public

"I am your Jesus, born Incarnate."

"Last night, I asked all to be united during this upcoming Holy Week in prayer and sacrifice for the world leaders who follow evil inspirations. This is the gravest offense of My Mournful Heart. These are the ones who not only abuse their authority, but also compromise Truth to their own advantage. They easily mislead those who do not have discerning hearts. These are the misled ones who obey for obedience sake, without looking at what the fruits of their blind obedience will be. They

obey title and do not scrutinize what is being accomplished through their obedience."

"The history of the world is crammed full of such leaders. Therefore, My brothers and sisters, it is fair to say, during these times, Satan is very active in trying to sway leadership towards his evil desires. As children of the Light, have discerning hearts before you allow someone to have power over you."

"The Seal of Discernment is offered here as protection against evil leadership. Use it."

April 13, 2014 / Palm Sunday

"I am your Jesus, born Incarnate."

"Today commemorates the day people laid palms before Me as though My Victory had already come. But the people wanted Me as a ruler according to man's law. I came to call them back to God's Laws. I did not come to govern in any human sense, but to save souls. Many present that day did not realize this. I was not there to gather great numbers of people under My control, but to lead everyone to salvation. My Mission was greatly misunderstood, just as this Mission is here today."

"Where were all those people who supported Me on Palm Sunday as I hung on the Cross? Frightened and confused, they abandoned Me. Is this not so today with this Mission? The opposition frightens many away. If I thought the Mission was not succeeding in some hearts it would not exist. But, we are victorious in many hearts, just as my Passion and Death were victorious. My Father's Will was the impetus for My Suffering. It must be so for this Mission as well."

April 14, 2014 / Public

"I am your Jesus, born Incarnate."

"Brothers and sisters, please recognize the similarities between Holy Love and My Public Life. My Mission was redemptive. Holy Love Messages are salvific. Those in power opposed Me because they feared My Influence over people. It is the same here. All the miracles associated with Me were discounted. Is this not true here? Those in power cast aspersions upon My Character much as you have experienced."

"But I am giving this Mission the grace to continue. In the beginning, you had no place to pray except in the woods. Now you have the grace of buildings where no one can make you leave and you are free to pray. Heaven's strength within this Mission is what is feared, for it cannot be dictated to or controlled. The Messages will continue to influence thousands towards their own salvation, and to fill in the gap between what is not said and what should be said by those who have the ear of the public."

"Those who are not with Me are against Me."

April 14, 2014 / Monday Service - Peace in All Hearts through Holy Love and World Peace

"Jesus is here with His Heart exposed. He says: 'I am your Jesus, born Incarnate.'"

"My brothers and sisters, during this Holy Week as you pray and sacrifice for world leaders who are inspired by evil, work on your own personal holiness. Make it a truly Holy Week. Then grace will propel you through the Chambers of Our United Hearts."

"I'm blessing you now with My Blessing of Divine Love."

April 15, 2014 / Public

"I am your Jesus, born Incarnate."

"Just as I suffered for the sake of hearts misled by untruth, so today, the world suffers at the hands of those leaders who worship their own importance and power. It is untruth that leads people to believe so much in themselves and not depend upon God."

"Thus it is, that the heart of the world is deceived. People follow any leader who seems to have all the answers and do not look to see if the leader they trust leads in Holy Love. In many ways, it is like the game children play - 'follow the leader'. In that game, everyone blindly follows the leader without question."

"But I am asking you to question and to challenge all leadership, making them accountable to the Truth. It is I, your God, Who asks this of you. The heart of the world cannot change unless the heart of erroneous leadership is challenged. Today, I challenge you, brothers and sisters, to call errant leaders on the carpet and into the Truth."

April 16, 2014 / Public

"I am your Jesus, born Incarnate."

"Today, I tell you, solemnly, that the hallmark of the heart of the world is convoluted Truth; for while those who embrace sin are being given every right and consideration through law, those who seek righteousness, the innocent and Christians are being stripped of their freedoms. Whom do you seek to accommodate, man of earth, one another or God?"

"It is legal to destroy innocent life in the womb. It is legal for those of the same sex to marry, which is sodomy. It is illegal to pray in school, so now you have violence instead."

"The doorway to every heart has always opened onto the choice between good and evil, but these days, the law is deciding for you instead of your individual conscience. Unfortunately, the laws choose evil. This is Satan's ploy to make you think you are more free when, in reality, you are becoming his slaves of moral decadence. This is Satan's deceitful convolution of Truth."

"You must distinguish between freedom to choose good or slavery to sin. Both are opportunities in every present moment. Today, the line between good and evil is all but obliterated as Satan makes good look like evil and evil as good. He cannot take away your free will choice. Therefore, pray to readily see the difference between good and evil. Pray to recognize the Truth." *

"Do not choose popularity over the Truth."

April 17, 2014 / Holy Thursday

"I am your Jesus, born Incarnate."

"In the days of My Passion I needed assistance in carrying My Cross. These days, as I bear the weight of the state of the heart of the world, I need support as well. That is why good people suffer."

April 17, 2014 / Holy Thursday

"I am your Jesus, born Incarnate."

"My Mother first gave Me to the world in the stable in Bethlehem. She continues in every present moment to surrender Me to the world as She knows My Mission continues - that of transforming the heart of the world through Holy Love and to conformity with the Divine Will."

"The task becomes more and more daunting as Governments have assumed responsibility for moral decisions. I do not ask you to obey any law which leads you away from Me. I desire to embrace the heart of the world once again. The moral decline of the heart of the world is each one's responsibility. If you cooperate with evil you are part of it."

"You, My brothers and sisters, are children of the Light. Do not allow Truth to become dim by way of any compromise. Remain in the brilliance of the Light of Truth."

"I have chosen each of you for these times. I know full well your strengths and your weaknesses. Be My Disciples of Holy Love always and everywhere."

April 17, 2014 / Holy Thursday

"Blessed Mother says: "Praise be to Jesus."

"Tonight I plead with you, dear children, to soothe My Son's most Mournful Heart with your loving prayers and sacrifices." [She is holding His Mournful Heart in Her outstretched hand towards Me.] "You do not comprehend how much This Heart agonizes for the sake of those who will not listen. I turn to you, as I have hope in you. Hope that the love in your hearts will rejuvenate Truth in the heart of the world."

"Make all your prayers and sacrifices stronger by offering them with love."

April 18, 2014 / Good Friday

"Blessed Mother says: "Praise be to Jesus."

"Today, I invite all people and all nations to stand with Me at the foot of the Cross united in Holy Love. Place whatever divides you in My Son's Most Mournful Heart. My Son hung on the Cross for every soul, not just some or a certain group. He did not die seeking approvals, but embracing the Will of His Father. The manner in which He was put to death was considered a disgrace, but His Suffering and Death is exalted above all others today."

"You must realize that grace most often comes clothed in the Cross. If your heart is conformed to God's Will you most readily can recognize even the most hidden grace."

"My children, I need your support at the foot of the Cross. I cannot bear the sorrows I see in the heart of the world alone."

April 18, 2014 / Good Friday

"Blessed Mother says: "Praise be to Jesus."

"Dear children, when you contemplate My Son's Passion and Death, I desire that you look beyond His Physical Sufferings, though they were many, and revere His Love and His Mercy. The Crucified Jesus is all Mercy – all Love. As such, He is all forgiveness. As this Lenten season draws to a close, continue in your prayers and sacrifices towards the conversion of the heart of the world."

April 20, 2014 / Easter - Feast of the Resurrection

Jesus comes all in white - light coming from His Wounds. He says: "I am your Jesus born Incarnate - the Resurrection and the Life. Alleluia! In Heaven, Eternal Joy awaits you. While many understand the definition of eternity, they do not comprehend the fullness of its meaning. The choices each soul makes in every present moment affect his eternity. If he chooses Holy Love, his reward in Heaven is great. If he lives a life of disordered self-love his Heavenly reward is diminished forever. Once the soul departs the body, the eternal sentence is final. Nothing can be changed. A soul that is damned is in the eternal flames and will never be able to get out. The souls in Purgatory are in transition, but their salvation is secure forever. The souls who share Heaven with Me never have to worry about being separated from Me - ever again. I won for them that happiness on the Cross."

"Easter morning was quiet and unassuming as was My Resurrection. But to a chosen few, it was profoundly different and victorious. You are part of that chosen few when you celebrate with Me today. Alleluia!"

April 21, 2014 / Public

"I am your Jesus born Incarnate. Alleluia!"

"The glory of the Light of Truth was revealed on Easter morning. Darkness could not bear this Light nor believe in it. Those who believe, also live in Holy Love. Just as My Ministry was opposed in the world, the Light of Truth in this Mission is also opposed. But darkness will never overshadow the Light."

"I am first victorious over death and, next, victorious over all darkness. Have faith in My Victory of Truth."

April 21, 2014 / Public

"I am your Jesus, born Incarnate."

"Please understand that the heart of the world has become very cynical. Most do not believe in My Mercy, therefore they do not seek it out. How I long to flood the heart of the world with My Compassionate Mercy! I died

once for all sinners. Now I speak to all sinners and urge them to repentance through Holy Love. Who is listening?"

April 21, 2014 / Monday Service - Peace in All Hearts through Holy Love and World Peace

"Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, if you seek My Mercy when you arise in the morning and when you retire at night, grace will order your day, and I will bless you as you sleep. Even now I am blessing you with My Blessing of Divine Love."

April 22, 2014 / Public

"I am your Jesus, born Incarnate."

"Today, My Arms open and My Invitation extends to all mankind to step into the Holy Remnant Faithful. These are the ones who will shine like sparks of light darting through the stubble of humanity. This Remnant will cling with tenacious faith to the Truth, unshakeable in their resolve."

"See that the times are coming when choices will be made for eternal life or against it. The Faith does not change. Only opinions change. Be grounded in the Truth."

St. Gertrude says: "Praise be to Jesus."

"I have come in support of your smallest sacrifices and prayers for the poor souls in Purgatory. When you intercede for the suffering souls, you are co-operating with the Blessed Mother, for She holds a zeal in Her Heart for each soul's release."

April 25, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

"Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I desire that each one of you be united in My Heart and in the Heart of My Mother and in Our United Hearts. Together we can sanctify the heart of the world."

"Tonight, I'm blessing you with My Blessing of Divine Love."

(Earlier today, Blessed Mother gave a message of welcome to those who gathered in the Field of the United Hearts at Midnight.)

"Blessed Mother says: "Praise be to Jesus."

"Jesus sends Me to welcome you here tonight. You have come from close by and far away. Many have made great sacrifices to be here this weekend. The angels have long awaited your arrival as has Jesus and your Heavenly Mother."

"Please discover in these Messages a Holy Refuge of Love and Truth. The Messages are magnified by the many graces abundant here."

"I am praying for each and all of you. I know your needs more than you do. Have faith in My Intercession."

April 27, 2014 / Divine Mercy Sunday - 3:00 P.M. Service

(This Message was given in multiple parts over several days.)

On Friday April 25, Blessed Mother came and said: "Praise be to Jesus."

"I have come to preface My Son's public message so that all will thoroughly understand His Words and the message will have full impact."

"My Son begins by calling all people into His Mercy. He warns that souls must hasten to recognize the errors in their own hearts and see the need of His Mercy or else experience His Justice."

"The last part of His message addresses the Remnant Faithful. He is now forming the New Jerusalem in hearts that cling to the Truths of Tradition. He refers briefly to His Second Coming when He will be seated on the Temple Mount. He refers to the Remnant as a holy nation. It is a nation in hearts, not in any specific location."

"Meditate on these Truths of these times."

(3:00 P.M. Service)

Jesus is here as He is in the Divine Mercy Image. He says: "I am your Jesus, born Incarnate."

"As you gather to celebrate the Feast of My Divine Mercy, celebrate as well, My Mercy of Holy Love - the Messages and all the graces attendant here at this site. Realize that Holy Love is My Last Profound Intervention between the heart of the world and My Own Most Mournful Heart. The next intervention, which I hold back by merit of the prayers of the faithful, will be My Justice. The action of My Arm of Restraint is withheld by the Will of the Father. Only He knows the terrible hour of its release."

"I come to strengthen and increase the Remnant and make firm their resolve in the Truth."

"I tell you, solemnly, the conscience of the world has become convoluted due to the compromise of Truth. Evil is not recognized as evil. Sin is no longer recognized as sin. Therefore, people do not seek out My Mercy. They see no need of My Mercy. Yet, I tell you, My Divine Mercy is the world's last recourse of hope."

"The gravest threat to mankind is not war or nuclear disaster, or even grave natural disasters. The biggest threat to mankind is his inability to distinguish good from evil. Thus, he continues to weaken his relationship with Me and to cease searching out My Father's Divine Will. This disconnect between Heaven and earth needs to be man's greatest concern and most urgent cause for correction. Herein lies the remedy for peace and restoration of prosperity."

"Today, I come to make of you a new nation - a nation set apart from all others, a nation which is not bound by geographical borders, politics or economy. It shall be a nation like no other. It is destined to be a nation in hearts; hearts which embrace the Truth and live in Holy Love. This nation is formed from My Overflowing Mercy for souls. It will be governed by the Divine Will of My Father. He will show no favoritism; nor will He accommodate or pander to those in error. He will, at His Perfect Time, place Me in victory over all error and I will be seated on the Temple Mount. Then, you will be given the freedom to love Me openly and to pray whenever and wherever you desire."

"Yes, I am laying today the foundation of the New Jerusalem in all hearts that live in Truth."

"This holy nation - this nation of Truth that I speak of - is the Remnant Faithful. It is these tenacious souls who will form the foundation of the New Jerusalem. They have already begun to do so as they cling to Tradition."

Read: 2 Thessalonians Ch 2:13-15

But we are bound to give thanks to God always for you brethren beloved by the Lord, because God chose you from the beginning to be saved through sanctification by the Spirit and belief in the Truth.

To this He called you through our gospel, so that you may obtain the Glory of our Lord Jesus Christ.

So then, brethren, stand firm and hold to the Traditions which you were taught by us, either by word of mouth or by letter.

"Today, I invite you to celebrate My Mercy in your hearts and in the world around you. It is My Mercy that sustains you and the world during these troubled times. You do not fully realize the dangers of choosing unwisely nor the consequences of sin. Let us begin anew today. Let us strike a new path of righteousness through the thicket of compromised Truth."

"My brothers and sisters, I am using all your prayers today and from last night towards the intention of wrapping the heart of the world in My Divine Mercy. Thus, My Mournful Heart will be somewhat appeased."

Now Jesus has Pope John Paul II and Pope John XXIII with Him and they all bless us.

April 28, 2014 / Public

"Blessed Mother says: "Praise be to Jesus."

"My Son's Most Mournful Heart was greatly appeased by the prayers and devotion offered here over the weekend. He listens with an intent ear to those who make amends to His Mournful Heart. Those present in the field also received Papal Blessings from two Popes. Everything they were wearing or carried with them was thus blessed. All the Saints in Heaven know the reality of the Truthfulness of this mission."

"Let us look forward now to the next apparition on the Feast of Our United Hearts*."

**June 29th.*

"Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, place all your needs, all your joys, all your sorrows, and all your ambitions in My Heart. Surrender them to Me. Thus, when your heart is emptied My Father will fill you with His Divine Will and lead you."

"Tonight, I impart to you My Blessing of Divine Love."

April 29, 2014 / Feast of St. Catherine of Siena

"St. Catherine of Siena says: "Praise be to Jesus."

"Last night you watched intently as violent tornadoes marched across your country, damaging property and taking lives. Through modern technology, it was possible to see just where the storms were going and who would be struck next."

"I have come to point out that the storm of compromised Truth is sweeping across every part of the world. Unlike the tornadoes that can be tracked most readily, this storm is too often unrecognized as a threat. Yet, the storm of compromised Truth is more deadly than any tornado. It jeopardizes the soul's salvation. Untruth cannot be tracked on a radar screen. It is often unlikely who will be swept up in this storm next. There are no tell-tale signs such as the weather patterns that cause tornadoes."

"In a tornado, you can see a cloud of debris around the funnel cloud. In the storm of the compromised Truth, the 'debris' is far-reaching, bringing down many leaders, governments and causing every sort of scandal within Church circles. Even as the 'debris' identifies the storm, some continue in their efforts to deny the existence of the storm."

"This is why the Heart of Jesus is so Mournful. Continue to console Him with prayers and sacrifice."

April 30, 2014 / Public

"I am your Jesus, born Incarnate."

"I did not come to earth to build the Kingdom of the New Jerusalem upon pride, jealousy or selfish ambition. These are all counter to My Kingdom on earth. I have come to establish the firm foundation of Holy Love in hearts."

"I do not seek man's approval but the approval of My Father, the Author of Holy Love. If you understand the significance of these times and My Call to you, you will be with Me and not against Me."

Blessed Mother says: "Praise be to Jesus."

"In recent days, we have watched the robins building a nest near your house. I have come to help you to comprehend the safe Refuge I offer all of mankind in My Immaculate Heart. The little birds feel safe and protected in their nest, but, really, they are quite vulnerable. So, too, souls who do not conscientiously live in Holy Love make themselves vulnerable even in the Refuge of My Heart. My Heart cannot hold captive, souls who give in to sin. It is the soul's free-will choice to live in Holy Love which secures his place in My Heart."

"Since the Flame of My Heart is a Purifying Flame, even the soul most committed to Holy Love will be challenged to overcome his iniquities. Every soul has weaknesses. Satan knows these inroads to your peace better than you. This is how he attacks. I encourage souls to see, that as these weaknesses are revealed through the Flame of My Heart, it should not be a source of anxiety and guilt, but a

call to renewal in Holy Love - making your place in My Heart more secure."

"Remember, My Heart is your constant Refuge. It is perhaps the most difficult of all of the Chambers."

May 1, 2014 / Public

St. John Vianney says: "Praise be to Jesus."

"I have come to tell you that as souls make their way through the Sacred Chambers of the United Hearts, thereby becoming more holy, they are more under attack by evil. Satan's cohorts align against these struggling souls causing anxiety, confusion and every sort of temptation."

"The soul should not try to find solace in the world but in the Heart of Our Mother. Here is the Fortress against temptation and the remedy for discouragement. Her Heart is Holy Love. Holy Love is the key that allows every soul entrance to this Holy Refuge."

May 2, 2014 / Public

"I am your Jesus, born Incarnate."

"Here is the Truth. Moral decadence is the bad fruit of the denial of the reality of the existence of sin. Truth does not change to suit human belief. Legalization of same-sex marriage, abortion and more does not make these acts less sinful. Disbelief in Purgatory does not erase the reality of its existence. All the convoluted attempts to re-define the Ten Commandments does not change their dictate from My Father's Heart."

"When you try to re-invent moral Truths, you are only co-operating with Satan's lies. You are open to danger when you place too much trust and importance in your own opinions. Whole nations and religions have been led astray in this way."

"Return to the reality of Truth as reflected in My Father's Will, which is Love and Mercy itself. The heart of the world thirsts for this."

May 2, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

"Jesus is here with His Heart exposed. He says: 'I am your Jesus, born Incarnate.'"

"My brothers and sisters, please understand the fullness of My Love and Mercy reaches from age to age and from generation to generation. I never turn away a repentant heart, and this is your reason to hope. Trust in Me."

"I'm blessing you with My Blessing of Divine Love."

May 3, 2014 / Public

"I am your Jesus, born Incarnate."

"When times are most difficult, I am ever more present, beside you, supporting you, more than when all is well. While I never leave your side in good times or in bad, My Grace comes to you in abundance when you most need it. I act through people or events and in every situation. This is always My Mercy in action from beginning to end."

"Therefore, see fear as Satan's attempt to undermine your trust in Me. When you trust Me, you are strengthened beyond your human capabilities. It is then God's Will is readily seen. My Father unites His Will most readily to the trusting heart. Every situation is under His Gaze. Every event is monitored by His Loving Will."

May 4, 2014 / Public

"I am your Jesus, born Incarnate."

"I tell you solemnly, it is not enough to read the Messages of Holy Love and to agree with them. You are being called to evangelize Holy Love by becoming the Message. This is the way to mitigate My Justice and to appease My Mournful Heart."

"While this may sound easy, it is most difficult, for it is the path of your salvation. You cannot surrender to this call unless you first accept it. Once you clothe yourselves in Holy Love and become one with Holy Love, you will have lasting treasure in Heaven."

May 4, 2014 / Sunday Service - Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace

St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, I come to you once again seeking unity in families, unity that is based upon Holy Love. If Holy Love is not the foundation of your union, then it will be superficial and short-lived. Some families are united in evil endeavors. Eventually, this evil turns in on them and they come against each other. So, remember, my call to you is unity in Holy and Divine Love."

"I'm blessing you with my Blessing of Fatherly Love."

May 5, 2014 / Feast of Mary, Refuge of Holy Love

Blessed Mother says: "Praise be to Jesus."

"Today, I come to you under the glorious title 'Refuge of Holy Love'. My Heart is a Refuge for all those who live according to the Commandments of Love - to love God above all else and neighbor as self. Holy Love bears particular significance in the world today when the world has become its own god and it seems to be every man for himself. Holy Love defines the difference between good and evil, therefore, it is a target of evil."

"It is the transgressions against Holy Love that have wounded the Heart of My Son and made His Heart Most Mournful.* Seemingly good people have chosen to oppose the Truth of Holy Love. They cannot be for Jesus and against Him. It is pride and spiritual envy that contaminates their discernment."

"Holy Love is the unifying force that the world needs these days in the presence of agnosticism and false religions."

"Heaven will continue to show favor upon this Mission, the Messages and the property. Holy Love is the hope of the Remnant - a vehicle of grace and strength. I come to you seeking your sincere pursuit of Holy Love, which is the salvation of all people and all nations. Holy Love is God's Will for you. Believe in these Truths."

** Especially, the transgressions (or sins) of the compromise of Truth and the abuse of authority.*

May 5, 2014 / Feast of Mary, Refuge of Holy Love - 17th Anniversary

Blessed Mother is here as Mary, Refuge of Holy Love and says: "Praise be to Jesus."

There are four to five angels all around Her. She nods, greeting the people here.

"Thank you, each one of you, for your faith in this Mission over the decades, and for being here tonight to give Me honor. I am pleased with your prayers and your sacrifices. Most of all, tonight, I come to draw all people and all nations into My Immaculate Heart, Refuge of Holy Love and Gateway to the New Jerusalem. Every soul that enters My Heart has its life changed forever through Holy Love."

"I'm taking all your petitions with Me to Heaven tonight and I'm blessing you with My Blessing of Holy Love."

May 6, 2014 / Public

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"It is a spirit of untruth which has captured the heart of the world, encouraging evil decisions and rejecting the Truth of sin. This is why I was sent into the world as Refuge of Holy Love - to offer mankind a safe Refuge of Truth in the

most troubled of times. Holy Love is the measure between good and evil. Holy Love is the definition of Holy Righteousness and, therefore, the exposure of evil."

"Do not be amazed at the intensity of the opposition against Me and this Mission. My Title, 'Refuge of Holy Love', and the Messages themselves, have weakened Satan's grip on the heart of the world. The Rosary of the Unborn is unseating Satan from his throne of abortion. Therefore, dear children, do not be discouraged in any of your efforts to make My Title, the Messages, the Mission or the efforts to save the unborn more prominent in the world."

May 7, 2014 / Public

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Holy Love has been brought into the world during these times to point the way around sin and towards obedience to God's Commandments. These days, more than any other time in human history, mankind holds disrespect and disregard in his heart for God's Laws. He has no regard for his relationship with his Creator."

"In these Holy Love Messages, sin is clearly defined as any transgression against these Great Commandments of Love. These Messages are God's attempt to draw His children back onto the path of righteousness and to renew His relationship with all people and all nations."

"Do not waste time finding fault with Holy Love. Look into your own hearts to see where you are failing in Holy Love. Sin is a reality - a Truth - that is at the heart of these Messages. Dear children, I come to you to help you to be victorious over sin through Holy Love."

May 7, 2014 / Public

"St. Catherine of Siena says: 'Praise be to Jesus.'"

"Throughout the course of human history, moral decadence has resulted in the decline and fall of empires and nations. This is the effect of separation between the heart of man and the Heart of God."

"As this abyss widens, humanity withdraws from God's Protection and His Provision. He is left more and more on his own. This is the cost of disregard for God's Laws and the embrace of sin. As often as this has happened, man seems unable to learn from history."

"This is why nature seems to rebel against human welfare. This is why self-aggrandizement has overtaken governments. This is why sins have been embraced by legalization and moral degradation is encouraged."

"Recognize the path you are following, Man of Earth. Withdraw your support of godlessness before it is too late."

May 8, 2014 / Feast of Mary, Mediatrix of All Grace

Our Lady comes as Our Lady of Grace and She has roses falling from Her Hands. She says: "Praise be to Jesus."

"I am never sent to earth without many graces to pass along to My children. So it is today, I bring you the grace of My Presence and the grace of this Message. Choose to listen to Me, your Heavenly Mother."

"The world has been given many graces, but has chosen through arrogance, to fracture the relationship between the heart of man and God. Therefore, many graces are being withheld during these times, such as a

keen ability to discern good from evil, sound and righteous leadership, and unity in righteousness. Even the grace of this Mission is being overshadowed by these errors based upon pride. People are confused and misled to such a degree that they do not recognize the Truth when it stands before them, such as I stand here today."

"More and more decadent moral decisions are being made by governments which pull the heart of the world deeper into the abyss of darkness. There is no regard for God's Will or His Commandments. Mankind has been tricked into thinking his own importance outweighs God's Law."

"Due to this convoluted and twisted thinking, God withholds much of His Protection against evil and much of His Provision in nature. This is why those of My children who walk in the Light of Truth feel such a sense of uneasiness."

"Know that My Heart remains your humble Refuge and seek My Protection in any given moment. Pray that God graciously permits My continued visits here."

May 9, 2014 / Public

"I am your Jesus, born Incarnate."

"This season of spring offers new growth and new beginnings, but this is so in every present moment. Each moment is the opportunity to come closer to Me. Every present moment is an opportunity towards sanctification. The moment is spent on personal goals, personal values. This is why I come, so that mankind will re-define his goals according to Holy Love."

May 10, 2014 / Public

"I am your Jesus, born Incarnate."

"I could stay here all day and denounce all the opposition to this Ministry. It would still be there, for most people do not know how to discern the Truth. They believe Truth comes from title when, in fact, Truth is the acceptance of reality in the heart."

"These days, shallow spirituality results in error. The ones who are convoluted in their motives of thinking try to make the Messages seem convoluted. Instead of growing spiritually in the Two Great Commandments of Love, the opposition regresses in untruth and more spiritual self-righteousness."

"I come to call souls to unite in Holy Love. First of all, though, they must be convicted in their own errors through the Flame of My Mother's Heart. This is a big step in humility. Many will never be able to admit they are wrong and will come before Me in judgment with erroneous hearts."

"But, I urge you to continue to pray. There is always hope for such as these. Hopeful prayer renders great miracles. These are the ones who make My Heart Most Mournful."

May 11, 2014 / Mother's Day

"I am your Jesus, born Incarnate."

"Today, as in every present moment, I give to you the Heart of My Mother. Her Immaculate Heart is All Mercy - All Love. She is the Mother of All Mercy - All Love. My Mother is always your protection and your assistance. Like any mother, She knows your needs better than you do. My

Mother's Heart is All Truth and longs to gently correct each of Her children - drawing them back into the Truth."

"A mother desires only the best for Her children. Therefore, your Heavenly Mother longs for each one's salvation. As Her Immaculate Heart is the Gateway to the New Jerusalem, the Flame of Her Motherly Heart purifies and cleanses the souls of Her children, preparing them for sanctification. You can liken this purification to a Mother's correction of a child who is in error. The Mother gently draws her child back onto the right path."

"Give My Mother much love today. Draw closer to Her. Give to Her the gift of the present moment. She extends Her Arms to all humanity, waiting to embrace every soul."

May 11, 2014 / Sunday Service - Consecration of the Heart of the World to the United Hearts and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I ask that you make a deeper commitment to living the Messages of Holy Love in thought, word and deed in every present moment. In doing so your hearts will be renewed in Holy Love."

"Tonight, I'm blessing you with My Blessing of Divine Love."

May 12, 2014 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, follow the path to Heaven by living these Messages of Holy Love. I long to share Heaven with each one of you. Do not waste time looking for reasons to disbelieve. That is like looking for reasons to refuse a gift. Allow your hearts to come alive here on this chosen property. Feel My presence here and rejoice. Every moment is an opportunity to become more holy."

May 12, 2014 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, there is a great spirit of complacency that weighs upon the heart of the world. I need you to be strong in Holy Love, so that you will be My worthy instruments to combat this spirit of complacency. It is only then that good will be revealed for what it is and evil as evil."

"Tonight, I'm extending to you My Blessing of Divine Love."

May 13, 2014 / Feast of Our Lady of Fatima

Our Lady comes as Our Lady of Fatima. She says: "Praise be to Jesus."

"I come on this, My Feast Day, once again to place My words of warning upon the heart of the world. At Fatima I warned mankind to return to God and no longer offend Him or a worse war would descend upon the world. But the warning I gave with a mother's love was not heeded. Many lives and souls were lost as a result of skepticism. Today, I come to you voicing the same words of warning."

"Return to God, O Man of Earth! The alternative is a great war and a great chastisement."

The skeptical spirit which circulates around this apparition site is a spirit that chooses not to believe, but to look for negatives. The skeptic does not act on disbelief, but remains aloof to the Truth, constantly pursuing any negative he can create out of hearsay and untruth."

"I have come to you, once again today, to remind you of the seriousness of these times and the importance of your rosaries for peace*. At Fatima My Message was supported by many miracles. Here you have experienced many miracles as well, not the least of which is the existence of this Mission amongst so much opposition and skepticism. Make the sacrifice of praying for your persecutors."

"Dear children, you live in times of great graces and profound moral decadence. Be courageous as I call you into action - armed with your rosaries. Trust that your prayers are changing hearts. It is through your humble efforts, My Immaculate Heart will eventually triumph."

** A similar Holy Love Message was given by Our Lady of Fatima on May 13, 2013.*

May 13, 2014 / Public

Blessed Mother says, "Praise be to Jesus".

"These days the world is in great spiritual peril. Mankind has reversed God's Commandments under the guise of giving sin its rights and re-defining marriage. These newfound 'freedoms' to sin are causing the world's moral decline into hedonism such as in cultures of ages past."

"The good fruits of this Mission are a healing balm upon the Mournful Heart of My Son. It is the efforts of a relatively few here that are withholding much of My Son's Justice."

May 13, 2014 / Public

Jesus comes with His Mournful Heart in His Hand extended towards me. He says: "I am your Jesus, born Incarnate."

"The Chaplet of My Mournful Heart has most to do with leadership and its response to the Truth. This is what wounds My Heart most severely - all leadership which is abused through the compromise of Truth."

"A leader must recognize his role as a responsibility towards God. It is never his position with which to wield control and power. It is a position God lends to him to use towards the welfare of his people. When the position becomes a status symbol, the Truth is compromised and the authority becomes abused. It is then My Heart is wounded, as is the Truth."

"Every leader needs to carefully stand guard over his own heart to be certain he is serving God and neighbor and not just himself and his own ambition."

May 14, 2014 / Public

"I am your Jesus, born Incarnate."

"My Heart is Most Mournful during these times as I see the heart of the world being led astray by compromised leadership. People follow but they do not discern where they are being led and to what purpose. Leadership becomes compromised when Truth is compromised. The next step is the abuse of authority by overstepping the bounds of the position the leader is responsible for. Once

Truth is compromised, the next step of abuse of authority is taken without any conviction of conscience."

This brings Me to My next point - that of a truthful conscience. The conscience must be formed in the reality of Truth in order for the soul to live in the Truth. Therefore, it follows that you cannot say that if your conscience tells you something is not sinful, then it is not a sin. Many take life in the womb on this pretext, but it does not make abortion any less heinous in My Eyes. Leaders must take pains to lead in Truth so that the heart of the world will consciously choose the Truth."

"So many follow the wrong path led by the abuse of authority and compromised Truth. This is why I call you to pray for the heart of the world."

May 15, 2014 / Feast of Mary, Comfortress of the Afflicted

"Blessed Mother says, "Praise be to Jesus".

"Today, I come to you bearing the title, 'Comfortress of the Afflicted'. There is much suffering in the world today as a result of man's inability to distinguish good from evil. The result is an unprecedented compromise of Truth. My little ones who hold Christian beliefs in their hearts are persecuted and set upon. The world does not understand Truth as it is presented here through Holy Love. Indeed, the worldly soul tries to comfort himself through selfish pursuits such as: wealth, lofty reputation, power and more."

"The little souls that are My own, seek their comfort in My Immaculate Heart where I protect and guide them. Here, in My Heart, I offer every grace to sustain them in the Truth. There is no challenge greater than My Grace."

"I invite all mankind to open their hearts to this Truth."

May 15, 2014 / Public

"St. Catherine of Siena says: "Praise be to Jesus."

"The compromise of Truth has led this generation into grave spiritual compromise. The inability to distinguish good from evil has infiltrated governments and social economic systems. Unity is promoted, but not unity through love. Unity has become a byword for control. People do not realize the depths of Satan's deceit, for he uses good and acceptable terms (such as 'social justice') to achieve his end."

"This is why the Seal of Discernment given here at this site is so important. It unties the knot of deceit Satan has tied over the heart of the world."

May 16, 2014 / Public

"I am your Jesus, born Incarnate."

"I tell you, when authorities safeguard their own positions rather than the Truth, they abuse their authority and wound My Mournful Heart. This is the course of action of many leaders who have placed self-interest above honesty."

"It is difficult to see through the vestment of authority, for many have been raised up to respect office as a general rule. But these days, I present to you My Mournful Heart, and I ask you [to] use the Seal of Discernment offered here at this site. Look past titles and position and search out the Truth, for these two - authority and Truth - are too often not one. Do not further grieve My Mournful Heart by failure to discern the Truth. Do not be misled."

May 16, 2014 / Public

"Blessed Mother comes as Refuge of Holy Love. She says, "Praise be to Jesus."

"Dear children, I come to you under the title, 'Refuge of Holy Love', to draw attention to God's Commandments, the embrace of which is Holy Love. Today, there is no sense of good versus evil. Consequently, there is no sense of sin."

"Sin is not well defined anymore from the pulpit. People are left to believe in their own consciences more than God's Laws. Many leaders are more committed to a re-distribution of wealth, which is really another form of control, than in overcoming moral decadence. What good is it to have money but lose your soul?"

"So, as Holy Love pricks the conscience of the world, it is vehemently opposed on all sides by those too comfortable in complacency. Sin, which deserves opposition, is left unscathed. Dear children, pray to discern God's Will in all situations."

Read Mathew 16:26

"For what will it profit a man, if he gains the whole world and forfeits his life? Or what shall a man give in return for his life?"

May 16, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

"I am your Jesus, born Incarnate."

"I embrace those who courageously attempt to overcome their sinful nature."

"Tonight, I'm extending to you My Blessing of Divine Love."

May 17, 2014 / Public

"I am your Jesus, born Incarnate."

"My Mournful Heart grieves for the heart of the world. I grieve for those who try to re-define Truth and are blind to the reality of sin. No one can change God's Laws to suit his lifestyle. God is still God."

"I sorrow for the little regard people show My Mother - in general, in churches and even towards her apparitions here and elsewhere."

"People are quick to discount any Truth which challenges their errant hearts. This is made easier for them by laws which go against righteousness, mass media and public opinion."

"Once again I ask you to soothe My Mournful Heart with your prayers. Every prayer counts."

May 18, 2014 / Public

"Blessed Mother says, "Praise be to Jesus".

"Today, I invite you to open your hearts wider to God's Grace. Dear children, you must not hold grudges against one another. Unforgiveness presents a barrier between your heart and the Heart of My Son. This barrier is a weapon Satan uses to block the most profound graces from entering your heart."

"Pray for those you regard as enemies or those whom oppose you. God may not be happy with them either. They need to open their hearts to repentance, but, so too, do you if you are unforgiving."

"When you forgive, the door opens His Heart to your every petition. He is free to consume your whole heart with Love. He is not restricted in the ways He inspires and uses you. Your will is not a barrier to His Divine Will."

"Forgiveness always opens the door to God's Good. Pray for the grace to forgive."

May 19, 2014 / Public

"I am your Jesus, born Incarnate."

"You ask a difficult question this morning; that is: How does one discern the Truth? You must recognize the Truth according to the way it leads you. The Truth never leads you away from salvation. Truth always maintains the welfare of the soul. Truth is never self-serving: focused on money, power, reputation or any other form of disordered self-love. These are all things which compromise the Truth. Next, you must realize that title, authority or importance in man's eyes does not automatically coincide with the Truth. You must look at the fruits of words and actions to determine if they reflect Holy Love."

"These days, souls must be constantly on guard not to be misled by 'golden oratory'. Exercise the discernment which is 'sealed' upon your heart when you visit this property [Maranatha Spring and Shrine].* Discernment must be prayed for to be used properly and to be strengthened once it is sealed upon your heart."

"I am the Way, the Truth, and the Life. Therefore, whatever leads away from Me is not Truth."

Read Romans 16:17-20

"I appeal to you brethren, to take note of those who create dissensions and difficulties, in opposition to the doctrine which you have been taught; avoid them.

For such persons do not serve our Lord Christ, but their own appetites, and by fair and flattering words they deceive the hearts of the simple-minded.

For while your obedience is known to all, so that I rejoice over you, I would have you wise as to what is good and guileless as to what is evil;

Then the God of peace will soon crush Satan under your feet. The grace of our Lord Jesus Christ be with you."

* Holy Love Messages of March 16th, March 18th, and March 22nd, 2013 describe the spiritual Seal of Discernment received on the Holy Love property.

May 19, 2014 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, any peace that is not based upon Holy Love is disingenuous. You will not have true peace in the world until Holy Love is accepted in all hearts. I tell you this solemnly and I ask for your prayers for such a peace."

"Tonight, I'm imparting to you My Blessing of Divine Love."

May 20, 2014 / Public

"I am your Jesus, born Incarnate."

"I have come today to stress the importance of recognizing the difference between good and evil. You cannot live in righteousness unless you know what is right and what is wrong. You must understand that Truth never changes. What is sinful and wrong one day, does not suddenly become good to accommodate social or cultural pressures."

"It is true that this generation seeks to please self more than God. The breach of trust between Heaven and earth has caused the collapse of faith in many instances. Man depends on himself, not acknowledging God's Power and Provision. The truthful origin of every technological innovation is Divine Inspiration and not the ingenuity of mankind. This self-dependence is an intrinsic evil which leads man further away from the Truth - the Truth of God's Omnipotence over all of creation."

"I come to you today, seeking your dependence upon Me as the Way, the Truth and the Life. Allow your hearts to become vessels of the Light of Truth. Do not search out erroneous opinions that agree with you. Remain solid in the Light of Truth."

Read 2 Timothy 4:1-5

"I charge you in the presence of God and of Christ Jesus who is to judge the living and the dead, and by His appearing and His Kingdom: preach the word, be urgent in season and out of season, convince, rebuke, and exhort, be unfailing in patience and in teaching.

For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own likings, and will turn away from listening to the Truth and wander into myths.

As for you, always be steady, endure suffering, do the work of an evangelist, fulfill your ministry."

"I am your Jesus, born Incarnate."

"Solemnly, I tell you, those who do not recognize the Truth in these Messages are not living in the Truth. Heaven has touched earth here at this site and through these Messages. The Messages themselves are spiritual warfare. The evil one knows this more than many so-called scholars and theologians. This is why he so vigorously opposes Heaven's intervention here."

"But, we continue in overcoming every obstacle despite all odds. We persevere, together, until the Final Triumph."

Read Ephesians 6:10-17

"Finally, be strong in the Lord and in the strength of His might. Put on the whole armor of God, that you may be able to stand against the wiles of the devil.

For we are not contending against flesh and blood, but against the principalities, against the powers, against the world rulers of this present darkness, against the spiritual hosts of wickedness in the heavenly places.

Therefore, take the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand.

Stand therefore, having fastened the belt of Truth around your waist, and having put on the breastplate of

righteousness, and having shod your feet with the equipment of the gospel of peace; besides all these, taking the shield of faith, with which you can quench all the flaming darts of the Evil One.

And take the helmet of salvation, and the sword of the Spirit, which is the word of God."

"I am your Jesus, born Incarnate."

"Truly, I tell you, the Commandments are fulfilled in and through Holy Love, for Holy Love is the embrace of all the Commandments. Every sin is a transgression of Holy Love. There is no righteousness, holiness or sanctification outside of Holy Love."

"Those who oppose this Mission of Holy Love are opposing Me. They bring disfavor upon themselves, for they do not embrace the Truth, nor do they sincerely search out the Truth."

"Unbelievers need many prayers for they have concocted false reasons to turn against Me. At best, they do a cursory study of these profound Messages with a pre-determined opinion of their lack of value. Pray for unbelievers, for they do not accept responsibility for the errors they propagate. There is much to be said here about the evils of spiritual envy and spiritual pride, but I have already discussed this with you."

"Please understand that this false discernment is a fallout from the sins of jealousy and pride, which hold captive many who need conversion."

"Pray for these unbelievers."

Read 1 John 2: 1-6

"My Little children, I am writing this to you so that you may not sin; but if any one does sin, we have an advocate with the Father, Jesus Christ the righteous; and He is the expiation for our sins, and not for ours only but also for the sins of the whole world. And by this we may be sure that we know Him, if we keep His Commandments. He who says "I know Him" but disobeys His Commandments is a liar, and the Truth is not in him; but whoever keeps His Word, in him truly love for God is perfected. By this we may be sure that we are in Him: who says he abides in Him ought to walk in the same way in which He walked."

Read 1 Thessalonians 2:13

"And we also thank God constantly for this, that when you received the Word of God which you heard from us, you accepted it not as the word of men but as it really is, the Word of God, which is at work in you believers."

"I am your Jesus, born Incarnate."

"My Heart is most Mournful today for the lack of Truth in leadership. Once again, I stress that title does not always equal Truth. Because Satan has so cleverly shrouded the Truth with his lies, many have been misled to regard evil as good and good as evil. Consequently, you have worldwide acceptance of and legal approvals of abortion, homosexuality, disordered use of embryos, euthanasia and illicit use of drugs."

"When you pray for the conversion of the heart of the world, pray that leaders are given the discernment to recognize good from evil. This is the grace that will turn leadership around to righteousness."

Read Galatians 6:7-8

"Do not be deceived; God is not mocked, for whatever a man sows, that he will also reap. For he who sows to his own flesh will from the flesh reap corruption; but he who sows to the Spirit will from the Spirit reap eternal life."

"I am your Jesus, born Incarnate."

"You see how Satan is using the compromise of Truth through convoluted leadership. So many are misled into thinking they have the Truth only because a person of prestige has said so. These days, when Satan has taken over the hearts of so many of influence, you must search out the reality of Truth with the help of the Holy Spirit."

"I do not tell you these things to weaken leadership, but to strengthen all leaders through introspection and through the revelation of the Truth in their own hearts. If you are not living in Holy Love, you are not living in the Truth. If you influence others to live in ways which oppose Holy Love, your guilt before Me increases. All leaders carry the responsibility to live and to govern according to Holy Love. This is the way to be reconciled with Me and with My Father."

"How long I have waited to bring these Messages to earth."

"But now that this Treasure Chest is opened, some look in and see nothing of value. The Treasure is in the Chest waiting to be discovered and put to use, but hearts do not appreciate the value of what lies herein."

Meanwhile, the abyss between Heaven and earth yawns wider. Pray that more search out the Treasure of the Truth of Holy Love and live these Messages."

Read 1 Timothy 2:1-2

"First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all men, for kings and all who are in high positions, that we may lead a quiet and peaceable life, godly and respectful in every way."

Read Luke 6:45

"The good man out of the good treasure of his heart produces good, and the evil man out of his evil treasure produces evil; for out of the abundance of the heart his mouth speaks."

May 23, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

"Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I see into your hearts and I know the crosses each of you is given to bear, both great and small. I'm using them all together if you accept them in order to convert the heart of the world."

"Tonight, I'm blessing you with My Blessing of Divine Love."

May 24, 2014 / Feast of Mary, Help of Christians

"Blessed Mother says: "Praise be to Jesus."

"Dear children, today I invite you to realize that Truth is what defines good versus evil. This is why the profound compromise of Truth wounds My Son's Most Mournful Heart to such a degree. When souls summarily accept and live according to untruth, misinformation - even lies - the world as a whole is affected."

"You do not comprehend, dear children, how the individual choices you make in the present moment can have such a sweeping effect on the world in general. Your decisions to live in Holy Love or not to live in Holy Love - to pray or not to pray - to stand up for the Truth or not to stand up for the Truth - all have far-reaching, even eternal ramifications. The future of the world hangs delicately in the balance, but you can change future events by your efforts. Appease My Son's Most Mournful Heart."

"Never be persuaded by people of influence that the profound spirituality I offer you here is of no value."

TO ALL CLERGY

FROM ST. JOHN VIANNEY, THE CURÉ D'ARS

Intro to Remonstrations to All Clergy

"St. John Vianney, the Curé D'Ars says: "Praise be to Jesus."

"My brothers, I come to you by command of the Father, Son, and Holy Spirit. I carry to your hearts loving and constructive criticism. Constructive criticism builds up, strengthens and, if well-received, never tears down."

"If you take offense at my words, it is you who most need correction. I do not come with any inclination to suppress the Truth, but, rather, to lay bare the Light of Truth."

"Recognize the Spirit of Truth in what I am sent to say."

Daily Prayer

"Dear Jesus, help me to remember that my vocation must be based upon Holy Love. This will be the protection and strength I need to be holy, for I know my vocation is only as strong as I am holy. Help me, dear Jesus, to be selfless in the use of my time and always solicitous after the spiritual needs of my flock. Give me courage to proclaim the difference between good and evil. Never allow me to abuse my authority or to compromise the Truth. Assist me in seeing You in every soul."

"Encourage me to pray when I am weary - to love when I feel no love and to open my heart to the spiritual needs of others always."

"Amen."

1st Remonstrations

"My brothers, Heaven is not blind to the good you are accomplishing and the spiritual progress you are making with some souls and in some Dioceses. At the same time,

the evil hand in the midst of you is also witnessed by Jesus and His Mother."

"You may shrink at these words and see them as divisive. But, in fact, these words must inspire you to look within your hearts and your ranks to eradicate sin and error. I remind you, you are not infallible. It is only through a cleansing of your iniquities you can best fulfill your vocations; each of you. Then you will be strengthened and your vocations will be more secure."

First and foremost, you must define sin clearly from the pulpit. Do not try to compromise any sin to appease or to accommodate any one person or special interest group."

"Do not suppress the Truth - not to gain or maintain power or elite authority, reputation or economic advantage."

"Do not regard your vocation as some regard a secular career. Do not be jockeying in position to gain favor or higher status, thus disregarding the foundation of your vocation - the salvation of souls."

"Do not ever engage in sexual activity thus destroying your own soul and others. This is an evil spirit; the spirit of homosexuality and lust."

"I am closing for now. Jesus will ask me to return with much more."

Read 1 Timothy 6:11-18

"But as for you, man of God, shun all this; aim at righteousness, godliness, faith, love, steadfastness, gentleness. Fight the good fight of the faith; take hold of the eternal life to which you were called when you made the good confession in the presence of many witnesses. In the presence of God who gives life to all things, and of Christ Jesus who in His testimony before Pontius Pilate made the good confession, I charge you to keep the commandment unstained and free from reproach until the appearing of our Lord Jesus Christ; and this will be made manifest at the proper time by the blessed and only Sovereign, the King of kings and Lord of lords, who alone has immortality and dwells in unapproachable light, whom no man has ever seen or can see. To Him be honor and eternal dominion. Amen."

2nd Remonstrations

"My brothers, guard against being offended by or blind to this constructive criticism. Jesus sends me to you to strengthen your hearts and vocations for days ahead. Do not discount what I say by reproving the source. I tell you solemnly, it is I who come to speak - the Curé D'Ars."

"If you are given the grace of a heavenly apparition in your Diocese or given charge of reviewing such a spiritual phenomenon, you have the solemn obligation to regard this with an open heart. So many, so many have been suppressed and the graces attendant to them left unattended. These heavenly apparitions and messages too often are regarded as interference and competition by the local ordinary. Consequently, every visible and invisible step is taken to discredit the visions and the visionary."

"If an 'investigation' is done, it is very often not done with the honest motive of discovering the Truth, but rather with the hidden motive of going through the motions of investigating in order to claim Heaven's grace as unauthentic."

"Further, to say there is nothing supernatural going on is never true anywhere. The Holy Spirit and Satan do battle in every present moment, everywhere, in each soul, to gain a dominance."

"Heaven acts as it will. No one can dictate when or where Heaven will speak or for how long. Perhaps this is the point most difficult for hierarchy to accept. In fact, I know it is. You do not have control over what Heaven will say or do. You do not trust Heaven to strengthen you and the laity. You try to limit the Holy Spirit."

"Pray for the humility of heart to accept what I am telling you today."

Read Ephesians 4:10-16

"He who descended is He who also ascended far above all the heavens, that He might fill all things. And His gifts were that some should be apostles, some prophets, some evangelists, some pastors and teachers, for the equipment of the saints, for the work of ministry, for building up the body of Christ, until we all attain to the unity of the faith and of the knowledge of the Son of God, to mature manhood, to the measure of the stature of the fullness of Christ; so that we may no longer be children, tossed to and fro and carried about with every wind of doctrine, by the cunning of men, by their craftiness in deceitful wiles. Rather, speaking the Truth in love, we are to grow up in every way into Him who is the head, into Christ, from whom the whole body, joined and knit together by every joint with which it is supplied, when each part is working properly, makes bodily growth and upbuilds itself in love."

Read 1 Thessalonians 5:19

"Do not quench the Spirit."

3rd Remonstrations

"Today, I remind the hierarchy that they are priests first, then Bishops and Cardinals. All priests must work on their personal holiness. There is no holiness outside of Holy Love. They must be examples of Holy Love in word and deed to their flock. This speaks to the absence of any hidden agenda towards self-gain or abuse of authority."

"First and foremost, the priests' job is to make the Sacraments available to the people. Reception of the Holy Sacraments needs to be promoted from the pulpit. One half hour of confession offered per week shows little concern for the spiritual welfare of any priest's flock. This is the bad fruit of the neglect or reluctance to preach about sin."

"A priest needs to safeguard his vocation through prayer and sacrifice. He needs to let the Lord fill his heart and his spare time. He needs to be a spiritual leader, not a social director."

"The parish that encourages Eucharistic Adoration will be greatly blessed. Many vocations will come out of parishes where this is encouraged. You cannot expect vocations to bud and blossom in parishes wrought with scandal."

"The Church needs to embrace personal holiness once again - first, through the hierarchy and the priests."

4th Remonstrations

"My final exhortation to priests is as follows. Your

vocation will only be as strong as you are holy. The only way to be holy is through the embrace of Holy Love, for Holy Love is the embodiment of the Ten Commandments. Through Holy Love you will find your way to a deeper prayer life and be open to small and great sacrifices."

"The Lord desires your spiritual prowess, for it is through your strengths He is strong. It is by your efforts in personal holiness He can and will reach others."

"None of what I have said here to priests and hierarchy can or should be modified. I did not come to stroke egos, but to call all clergy back into the Truth. If you do not make a sincere effort to search out and live in the Truth, your vocation is compromised. If you use your authority to oppose the Truth or to manipulate people and situations towards any self-gain, you are not an instrument of God but of Satan."

"No, I will not modify my words. I must give you the Truth as I have been sent to do without compromise. I must be unyielding in my call for the unity of all clergy in the Truths of the Faith without nuance or compromise and without slandering Vatican II."

"Study all I have passed on to you without tongue-in-cheek, but with sincere hearts."

Read Ephesians 4:2-7, 11-16

"...lead a life worthy of the calling to which you have been called, with all lowliness and meekness, with patience, forbearing one another in love, eager to maintain the unity of the Spirit in the bond of peace. There is one body and one Spirit, just as you were called to the one hope that belongs to your call, one Lord, one faith, one baptism, one God and Father of us all, who is above all and through all and in all. But grace was given to each of us according to the measure of Christ's gift."

"And his gifts were that some should be apostles, some prophets, some evangelists, some pastors and teachers, for the equipment of the saints, for the work of ministry, for building up the body of Christ, until we all attain to the unity of the faith and of the knowledge of the Son of God, to mature manhood, to the measure of the stature of the fullness of Christ; so that we may no longer be children, tossed to and fro and carried about with every wind of doctrine, by the cunning of men, by their craftiness in deceitful wiles. Rather, speaking the truth in love, we are to grow up in every way into him who is the head, into Christ, from whom the whole body, joined and knit together by every joint with which it is supplied, when each part is working properly, makes bodily growth and upbuilds itself in love."

May 27, 2014 / Public

"Jesus is here with His Mournful Heart exposed. He says: 'I am your Jesus, born Incarnate.'"

"I tell you, solemnly, the heart of the world cannot be converted until it has a firm understanding of good versus evil. Today, there is no sense of sin in the world. Sin is legalized and given tacit approval by those in power in an attempt to normalize abominations before God. Everyone demands the right to live according to his own conscience, even if it is formed in error."

"When sin is not clearly defined by religious leaders, the authority given to them by God is abused. Furthermore, the Truth is compromised as it is not given support. This is a great part of the pain of My Most Mournful Heart."

"Therefore, I am calling all leaders to become a paragon of Truth - never departing from the Truth of good versus evil and of sin in the world, in order to appease any 'special interest' group."

May 27, 2014 / Public

"St. John Vianney, the Curé D'Ars comes. He says: "Praise be to Jesus."

"My messenger, if the Church was not in need of healing from within, then I would not have been sent to remonstrate the priests. But, Satan has attacked the core of the Church by challenging the personal holiness of the hierarchy and on down to the priests. Any organization will reflect the strength of its leadership. Therefore, if the priest is holy, the people he touches with his vocation will be holy."

"You can readily see why priests are so under attack and why hierarchy is so tempted to abuse authority and to compromise the Truth. Not all hierarchy and priests give into temptations; but enough do and enough souls are affected that I pray my words to you will encourage enthusiastic change."

"Pray with me for this."

May 28, 2014 / Public

"St. Catherine of Siena says: "Praise be to Jesus."

"Society as a whole has decided to support compromise. Therefore, most governments and world leaders are untrustworthy. Holy Love is a call to all people and all nations to make leaders accountable to the Truth. This is an ecumenical call - a serious undertaking which must not be controlled or manipulated by compromise or abusive authority."

Redistribution of wealth is, in and of itself, a compromise. You cannot transgress the rights of some to support some others. Remember, the poor will always be with you. So while it is noble to alleviate suffering, you will never eradicate it."

"Redistribution of wealth is a vehicle of the one world government - the ultimate abuse of authority and compromise of Truth."

Read Jude 1:17-23

"But you must remember, beloved, the predictions of the apostles of our Lord Jesus Christ; they said to you, "In the last time there will be scoffers, following their own ungodly passions." It is these who set up divisions, worldly people, devoid of the Spirit. But you, beloved, build yourselves up on your most holy faith; pray in the Holy Spirit; keep yourselves in the love of God; wait for the mercy of our Lord Jesus Christ unto eternal life. And convince some, who doubt; save some, by snatching them out of the fire; on some have mercy with fear, hating even the garment spotted by the flesh."

May 29, 2014 / Public

"I am your Jesus, born Incarnate."

"During these troubled times which weigh upon the heart of the world, inappropriate attention is paid to 'special interest' groups. By 'special' it does not imply special in God's Eyes, but extraordinary in their affiliation with sin. These groups have been kindly looked upon by governments and supported by evil laws. Therefore, they claim the right to flourish, bringing morals to a new low."

"But, I have a special interest of My own. It is the salvation of every soul. I have come once again into the world to show you the way, which is Holy Love. If you embrace Holy Love, you also embrace My Father's Commandments, for Holy Love is the embodiment of the Ten Commandments."

"My special interest group will share My Kingdom with Me in Truth and in Love. Other earthbound 'special interest' groups will flounder amidst the in-vogue thinking of the day."

"My special interest group* already lives in the New Jerusalem in joy and in peace."

Read Galatians 6:7-10

"Do not be deceived; God is not mocked, for whatever a man sows, that he will also reap. For he who sows to his own flesh will from the flesh reap corruption; but he who sows to the Spirit will from the Spirit reap eternal life. And let us not grow weary in well-doing, for in due season we shall reap, if we do not lose heart. So then, as we have opportunity, let us do good to all men, and especially to those who are of the household of faith."

* *The special interest group of Jesus Christ is the group of Remnant Faithful who live in the Tradition of Faith.*

May 29, 2014 / Public

"Blessed Mother says, "Praise be to Jesus".

"These days people do not consider what is good or what is evil in their moment-to-moment decisions. Choices are made according to self-gratification - be it sensual or towards power or some self-gain. Tolerance of every sort of evil has taken over the conscience of the world, while God's Commandments are challenged and re-defined everywhere."

"This is why I tell you, it is man's inability to distinguish good from evil that is foretelling grave consequences. This is the pivotal point of the future of the world. It is not God who chooses Justice, but mankind who chooses it."

"It is important that you, dear children, who live in the Light of Truth, do not become discouraged. Make amends to My Son's Most Mournful Heart daily. Strengthen your resolve in prayer and sacrifice. My Son is appeased by your loving efforts."

"Never tire of highlighting the differences between good and evil. Do not be afraid of who may be against you. Be wise in your efforts and you will see hearts open to your words."

"I am always your Advocate and your Mediatrix."

May 30, 2014 / Public

"I am your Jesus, born Incarnate."

"Today, I tell you that each soul must have a sincere sense of his own sinfulness. Without this self-knowledge,

he cannot progress in holiness. This is why the First Chamber of Our United Hearts lays the foundation for the rest of the spiritual journey. In the First Chamber, the soul is illuminated through the Flame of My Mother's Heart to see his soul as it stands before Me. His most glaring faults are brought to light in this Flame and he is given the grace of wanting to change."

"If the soul accepts this challenge, he is propelled along the way of personal holiness. Every conversion of heart begins with the acceptance of the Truth of his own faults."

May 30, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

"Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, each soul chooses his own destiny, his own eternity. Therefore, it is paramount that every soul knows the difference between good and evil. In Truth, this is why the Seal of Discernment is so crucial for these times.

"Tonight, I'm blessing you with My Blessing of Divine Love."

May 31, 2014 / Feast of the Visitation of Mary

"Blessed Mother says, "Praise be to Jesus."

"Today, as we celebrate My Feast Day (the Visitation), I invite you, My children, to realize the true peace that comes through the fulfillment of Holy Love. When you love God above all else and neighbor as yourself, you have chosen God's Will for you in the present moment. It is then your heart is one with Mine and feels the peaceful joy that I felt as I entered My cousin Elizabeth's home and greeted her."

"Those who are not one with God's Will can never be at peace. They are always striving to achieve their own ambitious goals or trying to compromise the honest goals God has set before them."

"Peace comes when the soul reconciles himself with the Father's plans, even if His Will carries with it a cross. The cross is always accompanied by grace to persevere, and fortitude to give you strengths you could never call your own. When you realize the beauty of God's Will, your heart will be as My Heart was when I proclaimed the Magnificat."

Read Luke 1:46-55

"And Mary said, 'My soul magnifies the Lord, and my spirit rejoices in God my Savior, for he has regarded the low estate of his handmaiden. For behold, henceforth all generations will call me blessed; for he who is mighty has done great things for me, and holy is his name. And his mercy is on those who fear him from generation to generation. He has shown strength with his arm, he has scattered the proud in the imagination of their hearts, he has put down the mighty from their thrones, and exalted those of low degree; he has filled the hungry with good things, and the rich he has sent empty away. He has helped his servant Israel, in remembrance of his mercy, as he spoke to our fathers, to Abraham and to his posterity forever.' "

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

"I am your Jesus, born Incarnate."

"This prayer site is a property surrounded by grace - bordered with grace - saturated with grace. Of this, no one can explain away, rule against or in Truth, deny. While every effort has been made to prove otherwise, Heaven's grace remains - bearing witness to the source of the miracles here."

"Further proof should not be asked for, or necessary, but today I tell you, those who make pilgrimage to St. Joseph's Shrine in the United Hearts Field will be inspired towards family unity. This grace, while not overpowering free will, will be the inspiration some need towards forgiveness."

"This is a further revelation of the compromise of Truth which has caused division in the world, in this case, in particular, families."

Read 1 Peter 3: 8-9

Finally, all of you, have unity of spirit, sympathy, love of

the brethren, a tender heart and a humble mind. Do not return evil for evil or reviling for reviling; but on the contrary bless, for to this you have been called, that you may obtain a blessing.

June 1, 2014/ Public

"I am your Jesus, born Incarnate."

"I tell you, solemnly, the compromise of Truth always brings with it the bad fruit of division. It is opinions which divide and cause disunity. This is why the formation of opinions is so crucial. Be certain that your opinions, My brothers and sisters, are based upon the Truth, which is the reality of the facts."

"You do not embrace righteousness unless you embrace the Truth. Have no guile in your hearts towards any type of self-gain, for guile is a manipulation of the Truth."

"Unity is the good fruit of Truth - the good fruit of righteousness."

Read Colossians 3:12-15

Put on then, as God's chosen ones, holy and beloved, compassion, kindness, lowliness, meekness, and patience, forbearing one another and, if one has a complaint against another, forgiving each other; as the Lord has forgiven you, so you also must forgive. And above all these put on love, which binds everything together in perfect harmony. And let the peace of Christ rule in your hearts, to which indeed you were called in the one body. And be thankful.

June 1, 2014/ Public

"I am your Jesus, born Incarnate."

"I have come to tell you that I cannot change hearts until I can change opinions to conform to the Truth. This, however, requires a movement of the free will. This is why the compromise of Truth mourns My Mournful Heart so. It is this compromised Truth that misleads, convolutes, corrupts, and brings a new low in morals."

"This is a spirit of misconception that has consumed governments, formed false religions based upon violence, and provoked the acceptance of sin by all as a right. Much of this began with legalized abortion."

"Today, the children who walk in the Light of Truth find their efforts rejected and they themselves persecuted. This further proves My point that compromised Truth divides."

June 1, 2014/ Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace

"St. Joseph is here and says, 'Praise be to Jesus.'"

"My brothers and sisters, Jesus sends me with this message - He has ordained that my power come to earth during these latter days in a special way."

"The fathers who go to my shrine in the United Hearts Field will be anointed with Wisdom and Prudence in order to better govern their families. Each family member has a responsibility towards personal holiness. If they answer this call, they will find peace and unity within the family unit."

"Tonight, I'm extending to you my Fatherly Blessing."

June 2, 2014/ Public

"Blessed Mother says, 'Praise be to Jesus.'"

"Recently, you watched some baby birds in your yard take flight for the first time. It took courage for them to do so, even with the mother's encouragement. Today, I invite you to see it is much the same way with the conversion of a soul from untruth to Truth. The soul may be attracted to the Truth, such as the little bird who stood on the edge of the nest for so long, who wanted to fly but was afraid to try. Like the little bird, some souls are afraid to take flight in the Truth. This is why I have come, like the mother bird, to encourage the soul's flight into the reality of the Truth."

"Truth is the support of the Ten Commandments which are embodied in Holy Love. Holy Love will lift you up and support you, just as the spring breeze lifted and supported the baby birds. I, your Heavenly Mother, am always watching over you and supporting you."

June 2, 2014/ Monday Service - Peace in All Hearts through Holy Love and World Peace

"Jesus is here with His Heart exposed. He says: 'I am your Jesus, born Incarnate.'"

"My brothers and sisters, pray for those who are of Faith, that they have a firm resolve in their hearts not to be deterred by any obstacle Satan may lay in their way. Pray that they turn to My Mother, Protectress of the Faith, under temptations."

"Tonight, I'm blessing you with My Blessing of Divine Love."

June 3, 2014/ Public

Blessed Mother says, "Praise be to Jesus."

"Once again, I come to remind you of the authenticity of this universal call here in this Mission. I come to address all people and all nations. Be united in Holy Love. If you listen to any labels placed upon this Ministry by the enemy of your soul, cast them aside. Accept in your hearts that this label – ecumenical – is true and real. All are called here to partake of the graces offered here. All will be offered the Seal of Discernment as they step onto the property. This Seal is given as a means of distinguishing good from evil. God knows the great confusion that has spun a web over the heart of the world preventing the recognition of sin. Therefore, He grants, as a profound grace, this precious Seal which will, if accepted in the heart, illuminate consciences."

"Do not be mistaken to believe this is a Mission just for some. All are invited to come together and unite here."

Read Ephesians 4:1-7

I therefore, a prisoner for the Lord, beg you to lead a life worthy of the calling to which you have been called, with all lowliness and meekness, with patience, forbearing one another in love, eager to maintain the unity of the Spirit in the bond of peace. There is one body and one Spirit, just as you were called to the one hope that belongs to your call, one Lord, one faith, one baptism, one God and Father of us all, who is above all and through all and in all. But grace was given to each of us according to the measure of Christ's gift.

Jesus says, "I am your Jesus, born Incarnate."

"The reason there is so much violence in the world is that much of mankind has lost sight of the fulfillment of the First Commandment – to love God above all else and not to have false gods in his heart. These days the false god of disordered self-love has taken over hearts. It follows that all the other Commandments are then violated."

"Sin is not challenged from the pulpit; therefore, people do not try to eradicate error from their hearts. Free will is given over to vice. Vice is the father of violence."

"I come today to encourage a prayer effort that the heart of the world begins to place love of God first. Once any soul loves his Creator, he strives to please Him, thus turning away from sin. In this effort, he is able to recognize sin in his own heart and overcome it. This is the story of any conversion."

Read Colossians 3:1-4, 9-10

If then you have been raised with Christ, seek the things that are above, where Christ is, seated at the right hand of God. Set your minds on things that are above, not on things that are on earth. For you have died, and your life is hid with Christ in God. When Christ

who is our life appears, then you also will appear with him in glory.

Do not lie to one another, seeing that you have put off the old nature with its practices and have put on the new nature, which is being renewed in knowledge after the image of its creator.

Jesus says, "I am your Jesus, born Incarnate."

"You ask Me why there is so much emphasis on Truth in the Messages. It is because the compromise of Truth is the issue which tears at the very heart of the world. If all people embraced Truth, the world would be at peace. All guile and pretense would be gone. People would not be motivated by prideful ambition to oppose one another. Opinions would no longer snatch souls away from Me."

"But, as it is, Truth is difficult to discover, for people do not base their beliefs of Truth on what God desires, but on what they themselves desire. God's Commandments have been re-defined to accommodate compromised Truth. My Commandments of Love - Holy Love - are more controversial than sin itself."

"So you ask why the focus on the Truth in these Messages. I am calling all people and all nations to be reconciled in righteousness. This can only be accomplished when all step into the Light of Truth which is Holy Love. That is the Truth."

Blessed Mother says, "Praise be to Jesus."

"What grieves Me to a great degree is the number of people who, given a mission from Heaven of their own, make it their business to oppose other missions from Heaven. Some even make a vocation of opposing certain apparition sites. If Satan can convolute good to oppose good, think of the mask of deceit he uses to present evil as good and trustworthy."

"Beyond this, consider how false discernment and rash judgment factor into Satan's lies. Dear children, you must guard against self-righteousness, which leads to being satisfied with your erroneous opinions and thus closing your heart to discovery of the Truth. These days, opinions have become their own god and too often are not based upon God's Will, but disordered free will."

"You do much damage when you speak in error against Heaven's interventions. God will not bless your efforts. But, good fruits abound wherever Heaven's work is at hand, both in longevity and conversions. Be careful jealousy and spiritual pride do not take over your heart."

Read James 3:7-10

For every kind of beast and bird, of reptile and sea creature, can be tamed and has been tamed by humankind, but no human being can tame the tongue - a restless evil, full of deadly poison. With it we bless the Lord and Father, and with it we curse men, who are made in the likeness of God. From the same mouth come blessing and cursing. My brethren, this ought not to be so.

Jesus comes holding His Sacred Heart out to me, but it changes into His Most Mournful Heart. He says: "I am your Jesus, born Incarnate."

"These days and during this crucial hour of decision, compromised Truth has been made into law. The abuse of authority is rampant and jeopardizes the peace of the world."

"Unless the heart of the world can be reconciled with Truth, there will be no alternative except My Justice. My Heart mourns as I see the arrogant choices being made and the opinions which take over hearts and foster errors of all sorts. You have some alternatives which began as good and righteous, but let pride take over and soon opposed God's Will. Good cannot be the enemy of good. Return to the joy of Holy Love."

"I reveal to you the pain of My Heart during this generation so that souls can make amends and appease My Mournful Heart. This is the last chance to reverse future events."

"My Mournful Heart reveals to the world the evils of these times in the hope that mankind will reverse his course of self-destruction."

"If you listen, peace and prosperity will return to the world. Errors in hearts will be corrected and you will be united in the Divine Will. If you do not listen, My Heart will only be appeased by My Justice. Choose wisely."

Read Luke 6:45

The good man out of the good treasure of his heart produces good, and the evil man out of his evil treasure produces evil; for out of the abundance of the heart his mouth speaks.

"I am your Jesus, born Incarnate."

"Today, we celebrate the descent of the Holy Spirit into the world. He is the most misunderstood of all the Trinity. The Holy Spirit is the nourishment of the soul, lending inspiration, wisdom and strengthening the virtues. His actions within the soul cannot be dictated or controlled by man. The Holy Spirit freely chooses who, when and where He will go and spread His Power."

"No one can say, in Truth, there is nothing supernatural happening at this apparition site or any other. The Holy Spirit is everywhere. His inspiration shines through each of these Messages as a Light of Truth piercing the darkness of disbelief."

"Many leaders show, with propensity, the lack of their cooperation with the Holy Spirit. The result is the empowerment of evil. You are experiencing this on many levels during these times. Weak leadership or leadership

which demands more and more power is the flagrant abuse of authority. Such leaders are uninspired by the Holy Spirit."

"Pray today, that the Spirit of Wisdom and Truth wins over the hearts of such leaders."

"Modern technology, when accepted in a selfish way, leads mankind to believe he is the master of his environment - that he controls the sea, the climate and the cosmos itself. In reality, he is master of his own fate - choosing by his efforts in Holy Love or lack thereof - the future as it depends on the Divine Will."

"My Mournful Heart treasures the little heart that knows its place before Me; the heart that seeks to please Me and to obey Me. My greatest joy is the humble heart that embraces Holy Love. These souls are beams of light in the darkness of the world today. I treasure such souls. I am using these souls to combat heresy, paganism and violence."

Jesus comes. He says, "I am your Jesus, born Incarnate. Look whom I brought you."

It was St. Francis de Sales. He says, "Praise be to Jesus."

Jesus says, "I told you I would bring you a Bishop." Jesus leaves.

St. Francis de Sales says, "I have come to relate to you how the Chaplet of the Mournful Heart relates to all leaders, both secular and religious. Of course it relates to all people, but in a special way to those in leadership over others."

"The first meditation that mankind discerns the difference between good and evil is paramount to the vocation of sound leadership. Without this discernment, many are misled by convoluted leaders who promote and support evil - often in the name of good."

"The second meditation that the dogmas of faith are not changed or in any way re-defined, is directed towards Church leadership in particular. Thus far, nothing has been changed to suit mankind. Pray this continues."

"The third meditation encourages public recognition of sin. It speaks to those leaders who pander to 'special interest' groups such as homosexuals and encourage such sins, either by words or by law."

"The fourth meditation supports religious freedom, a right that is challenged by many leaders around the world."

"The fifth meditation encourages sound and compassionate leadership, which is in no way challenged by motives of self-gain, power or disordered authority. All of these weaken leaders instead of strengthening them and making them more effective."

"If all leaders - secular and religious - would follow these guidelines, the world would be more secure and Jesus' Heart would be appeased."

Read 2 Timothy 3:1-5, 14-17

But understand this, that in the last days there will come times of stress. For men will be lovers of self, lovers of money, proud, arrogant, abusive, disobedient to their parents, ungrateful, unholy, inhuman, implacable, slanderers, profligates, fierce, haters of good, treacherous, reckless, swollen with conceit, lovers of pleasure rather than lovers of God, holding the form of religion but denying the power of it. Avoid such people.

But as for you, continue in what you have learned and have firmly believed, knowing from whom you learned it and how from childhood you have been acquainted with the sacred writings which are able to instruct you for salvation through faith in Christ Jesus. All scripture is inspired by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work.

St. Francis de Sales says: "Praise be to Jesus."

"I wish to describe to you the qualities of a good leader. Such a leader never uses his position to oppose the rights of others. A good leader does not seek his own advantage; be it more power than is his to have, material gain, or an inflated reputation. Humility and Holy Love are the most important attributes in the heart of any leader. If these two virtues are present, he has the foundation of sound leadership."

"When humility and Holy Love are missing, the groundwork for the abuse of power has been laid. It is then the person in leadership is not fair-minded, but self-oriented. This opens the door to dictatorship or, at the very least, insensitivity to the needs of his followers."

"Caring, sensitive leadership encourages faithful followers and unity. It is then the flock sees the shepherd as truthful and trustworthy. The self-centered leader, who jealously guards his territory without regard to righteousness, promotes disunity amongst all."

"I tell you these things, as good leadership is too scarce in the world today. You must know what to look for. Leaders who try to destroy good, are not working with the general [common] good in mind. As you have been told, good cannot oppose good. These days, there is too much authority for authority's sake and not leadership for the general welfare of the public."

"The world needs this Message."

Read Titus 1:7-9

For a bishop, as God's steward, must be blameless; he must not be arrogant or quick-tempered or a drunkard or violent or greedy for gain, but hospitable, a lover of goodness, master of himself, upright, holy, and self-controlled; he must hold firm to the sure word as taught, so that he may be able to give instruction in sound doctrine and also to confute those who contradict it.

June 11, 2014/ Public

St. Francis de Sales says: "Praise be to Jesus."

"I came yesterday and described to you the attributes of a good leader. Today, I wish to describe to you the attributes of a good follower. A follower places himself at the disposal of his leader - whether it is to serve in some distinct physical way, in some mental capacity, or just to pray for the one who leads. This last designation of prayer warrior is the most important, as leadership is so under attack these days."

"The follower must be careful as to where and how he is being led. He has the responsibility of his own salvation first and foremost. He must not allow himself to be subjugated to any evil by anyone in a leadership role. Evil can be insidious in its attempts to oppose the Kingdom of God; or it can be obvious - opposing prayer, opposing the fruits of the Spirit and promoting evil."

"Therefore, it is important that leadership be scrutinized as to its motives and discerned in the light of good and evil. If a leader objects to such scrutiny, he may be doing so as he sees himself in the position of compromised leadership."

"As important as it is for a leader to define good from evil, it is of even greater importance for a good follower to do so. If good cannot be discovered apart from evil, how can a leader or a follower know the Truth?"

"Be well composed, then, in your discernment. Do not be a slave to darkness."

Read Ephesians 5:6-13

Let no one deceive you with empty words, for it is because of these things that the wrath of God comes upon the sons of disobedience. Therefore do not associate with them, for once you were darkness, but now you are light in the Lord; walk as children of light (for the fruit of light is found in all that is good and right and true), and try to learn what is pleasing to the Lord. Take no part in the unfruitful works of darkness, but instead expose them. For it is a shame even to speak of the things that they do in secret; but when anything is exposed by the light it becomes visible, for anything that becomes visible is light.

June 12, 2014/ Public

St. Francis de Sales says: "Praise be to Jesus."

"Leaders and those who follow need to be united in the Truth, for this is their responsibility before God. If the Leader or some of the followers depart from the Truth, they are no longer cooperating with the Divine Will. The Truth is always found in good versus evil."

"This is why thoughts, words and actions need to be thought out according to this maxim. Any thought, word, or action which opposes the Ten Commandments and, therefore, the Laws of Love (Holy Love), oppose the Truth."

"Followers must never allow themselves to be blindsided by title and go placidly along with darkness. Leaders are responsible for gently guiding their followers in the Truth. Thus, a mutual trust is established in the Truth – trust that is always aware of possible human error. No one should believe himself so perfect that he is above reproach. This happens when a person trusts too much in himself."

"Therefore, I close today always seeking the welfare of those who will listen. Leaders and followers have the same responsibility in the Eyes of God – to live in the Light of Truth. Never place yourself above reproach. Be watchful as to the ways darkness may slip in to influence your position as leader or follower."

"Keep a close eye on your own heart in regards to Truth, which is good versus evil. Do not vary from the Truth to appease the opinions of others. Steadfastly be a light of Truth in the world around you, despite any opposition."

Read 1 Peter 5:1-9

So I exhort the elders among you, as a fellow elder and a witness of the sufferings of Christ as well as a partaker in the glory that is to be revealed. Tend the flock of God that is your charge, not by constraint but willingly, not for shameful gain but eagerly, not as domineering over those in your charge but being examples to the flock. And when the chief Shepherd is manifested you will obtain the unfading crown of glory. Likewise you that are younger be subject to the elders. Clothe yourselves, all of you, with humility toward one another, for "God opposes the proud, but gives grace to the humble."

"Humble yourselves therefore under the mighty hand of God, that in due time he may exalt you. Cast all your anxieties on him, for he cares about you. Be sober, be watchful. Your adversary the devil prowls around like a roaring lion, seeking someone to devour. Resist him, firm in your faith, knowing that the same experience of suffering is required of your brotherhood throughout the world."

"I have to tell you that it is wrong to take pride in any virtue. Such pride negates the virtue. Do not presume you are humble, patient or even boast of obedience. All of these virtues need to be in your own heart and not flaunted for anyone to see or to impress anyone."

"You should try to increase in virtue, but let these struggles be between you and Me. At all cost, as you become more holy, do not take on the spirit of self-righteousness, which is a great pitfall as you become more virtuous."

"Be charitable in thought, word and deed towards all others. If you hold some high office or are in some way prestigious in the world, lead others in righteousness - never using your authority as an instrument of control. I do not endorse such authority."

"Solemnly, I tell you, mankind's inability to discern good from evil, excludes him from living in the Light of Truth. This lack of sound spiritual judgment has ruined much work of the Holy Spirit, including marriages, governments and vocations. The Holy Spirit, which is the Spirit of Truth, cannot work through souls misled to view good as evil and evil as good."

"This is why I offer here on this site, the Seal of Discernment. This Seal exposes the evils of this generation and brings to light, the Truth. Oh, how I long to bring all souls into the Light of the Truth. Then there would be no abuse of authority for authority's sake. The Truth would no longer be compromised to re-define evil as good. Holy Love would be the moral and spiritual standard of all people and all nations."

"This is the sum total of why Heaven continues to come to earth here. Make it known."

Read 1 Timothy 2:1-5

First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all men, for kings and all who are in high positions, that we may lead a quiet and peaceable life, godly and respectful in every way. This is good, and it is acceptable in the sight of God our Savior, who desires all men to be saved and to come to the knowledge of the truth. For there is one God, and there is one mediator between God and men, the man Christ Jesus.

June 15, 2014/ Feast of the Holy Trinity

"I am your Jesus, born Incarnate."

"I have come today to speak about Divine Love. The fullness of Divine Love is the love of the Holy Trinity - Father, Son and Holy Spirit. It is the expression of the Will of God in Love upon all mankind."

"Divine Love is Eternal. It has no beginning or end - just like the Eternal Now. It transcends all natural law. Divine Love is deepened in mankind's faith, for the more you believe in this Love, the more you receive it."

"My coming to you is the Holy Trinity's expression of Divine Love. The beginning and the end of every present moment is Divine Love in the world. The world would not, and could not exist, apart from, and except for, Divine Love. Therefore, understand that your very existence is part of Divine Love and depends on Divine Love, for nothing exists apart from God's Will."

Read 1 John 3:1-3

See what love the Father has given us, that we should be called children of God; and so we are. The reason why the world does not know us is that it did not know

Him. Beloved, we are God's children now; it does not yet appear what we shall be, but we know that when He appears we shall be like him, for we shall see Him as He is. And everyone who thus hopes in Him purifies himself as He is pure.

"I tell you solemnly, these Messages of Holy Love call people to realize their responsibility towards their own salvation. If people are familiar with these Messages yet refuse to live in Holy Love, they are charting their own course to perdition. Those who try to discourage others from belief in these Messages are held accountable for the souls who would have been saved if they had chosen to live in Holy Love."

"The grace of this Mission carries with it a grave responsibility to respond favorably to Heaven's requests and instructions. You must not come here, receive many graces and proceed to ignore the context of the Messages. You should not return to the world unchanged, but renewed in the Light of Truth."

"Heaven's intervention here is not meant to entertain and then be forgotten. The Mission is a serious call to conversion in Truth. Some of those who call Me friend oppose My efforts here."

Read 1 Thessalonians 5:4-11

But as to the times and the seasons, brethren, you have no need to have anything written to you. For you yourselves know well that the day of the Lord will come like a thief in the night. When people say, "There is peace and security," then sudden destruction will come upon them as travail comes upon a woman with child, and there will be no escape. But you are not in darkness, brethren, for that day to surprise you like a thief. For you are all sons of light and sons of the day; we are not of the night or of darkness. So then let us not sleep, as others do, but let us keep awake and be sober. For those who sleep sleep at night, and those who get drunk are drunk at night. But, since we belong to the day, let us be sober, and put on the breastplate of faith and love, and for a helmet the hope of salvation.

For God has not destined us for wrath, but to obtain salvation through our Lord Jesus Christ, who died for us so that whether we wake or sleep we might live with him. Therefore encourage one another and build one another up, just as you are doing.

"I wish to point out to all who will listen, the efforts of evil during these times to encourage My children to discount Heaven's intervention in the world today. Sadly, My warnings at Fatima were ignored until it was too late. The same held true in Kibeho [Rwanda]. When approvals and endorsements come after the fact, the result is the loss of millions of lives and souls."

"In regards to this particular Mission of Holy Love, I could not allow this to happen again. We are always ecumenical, for I come for all people and all nations - not just a few. I warn you that you must return to Holy Love, which is the way to world peace. Mankind must cease his pursuit towards self-destruction. You dabble in peaceful efforts, but you do not have peace because you do not have peace in your hearts. Therefore, every tolerance is given to sin and disorder in the name of freedom."

"Dear children, I cannot choose for you. I can warn you, but if you await impressive endorsements before you believe, you are charting a well-traveled path to disaster."

"The enemy actively tries to make you feel comfortable in discounting My efforts. Be alert to the Light of Truth. Do not fall victim to his lies. Pray, fast, sacrifice. God will listen to your prayers and move hearts towards good. I will bless your efforts."

Read Ephesians 6:10-17

Finally, be strong in the Lord and in the strength of His might. Put on the whole armor of God, that you may be able to stand against the wiles of the devil. For we are not contending against flesh and blood, but against the principalities, against the powers, against the world rulers of this present darkness, against the spiritual hosts of wickedness in the heavenly places. Therefore take the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having girded your loins with Truth, and having put on the breastplate of righteousness, and having shod your feet with the equipment of the gospel of peace; above all taking the shield of faith, with which you can quench all the flaming darts of the evil one. And take the helmet of salvation, and the sword of the Spirit, which is the word of God.

"Even in this setting, at this site, prayer is attacked by those of influence."

"My brothers and sisters, you must recognize in your hearts what is good and what is evil. Do not go along with popular opinion or the majority. Stand solidly in the Truth of good versus evil."

"More and more, the line between good and evil will be blurred by the confusion of the day. Sin will not be regarded as sin, but as some kind of right."

"Those of you with the courage to stand up for the Truth must make your opinions known. This is the only way the Remnant can grow. You now have the freedom to do so. Use it."

Read 2 Timothy 4:1-8

I charge you in the presence of God and of Christ Jesus who is to judge the living and the dead, and by his appearing and his kingdom: preach the word, be urgent in season and out of season, convince, rebuke, and exhort, be unfailing in patience and in teaching. For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own likings, and will turn away from listening to the truth and wander into myths. As for you, always be steady, endure suffering, do the work of an evangelist, fulfil your ministry.

For I am already on the point of being sacrificed; the time of my departure has come. I have fought the good fight, I have finished the race, I have kept the faith. Henceforth there is laid up for me the crown of righteousness, which the Lord, the righteous judge, will award to me on that Day, and not only to me but also to all who have loved His appearing.

"The Truth man must find in order to change the direction of world events is the difference between good and

"Anything which opposes unity in the Light of Truth is evil. There are no gray areas – no compromises. If you cannot see this, you are already living in compromise. "Within My Eucharistic Heart is the grace to be victorious over every evil, the resolution of every problem and the victory over lack of Holy Love in the world."

"Do not be surprised that the world does not accept Holy Love. The world does not accept My Presence in the Holy Eucharist either. I gave to the world, through the Eucharist, a way to be connected with Me - the Truth and Divine Love. If they believe, they will feel the Truth in My Words. Those weak in faith will doubt."

"Just as these Messages are for all people and all nations, so too, is My Eucharistic Heart. I did not come to save some, but all. The ones who would not listen to Me chose their own path; just as the ones who refuse to respond to these Messages here have chosen their path. It is a path that leads away from Me. Choose to have believing hearts."

Read Psalm 51:10-12

Create in me a clean heart, O God, and put a new and right spirit within me. Cast me not away from Thy presence, and take not Thy Holy Spirit from me. Restore to me the joy of Thy salvation, and uphold me with a willing spirit.

"I am your Jesus, born Incarnate."

"The greatest problems arise from human error. Man's inability to define good from evil throws nature off-balance, frames governments in duplicity and deceit, and challenges every form of Truth in God's Law."

"Mankind sees events and moral decisions as separate. I tell you, truly, every decision of good versus evil affects the world, the universe and time as you know it. No human is a separate entity set apart from all the others. The welfare of all humanity rests on each one's decision of good versus evil."

"My Father, Who is the Alpha and the Omega - the Eternal Now, sees all and weighs all on the scale of good versus evil. When evil outweighs good, He permits nature to take its course. Do not think small decisions are of no account, then, but see everything in the Light of Truth."

Read Jude:17-21

But you must remember, beloved, the predictions of the apostles of our Lord Jesus Christ; they said to you, "In the last time there will be scoffers, following their own ungodly passions." It is these who set up divisions, worldly people, devoid of the Spirit. But you, beloved, build yourselves up on your most holy faith; pray in the Holy Spirit; keep yourselves in the love of God; wait for the mercy of our Lord Jesus Christ unto eternal life.

June 23, 2014/ Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I come yet again, to invite all people and all nations to this prayer site on Sunday [June 29th], the Feast of Our United Hearts."

"I will welcome gladly people of all nationalities, religious beliefs, and even those who have doubts. Come and see."

"I'm blessing you with My Blessing of Divine Love."

June 24, 2014/ Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, some of you come to this site of predilection seeking proof of the authenticity of all Heaven offers. The proof is all around you: in the Messages, in the miraculous graces being offered, even in the profound peace - a sign of My presence which is offered here."

"But you hang onto a kernel of doubt which prohibits the most profound action of grace in your heart. You place value on what others say or think and not upon the reality of the Truth of Heaven's actions here. These little doubts swell into great disbelief. I cannot change your opinion if you refuse to respond to My grace."

"Give up your motives of disbelief which are all based upon pride. Surrender to the humility of My call to you. Answer My invitation to love and to be loved."

June 25, 2014/ Public

Blessed Mother says: "Praise be to Jesus."

"This Mission suffers greatly through the efforts of those who are choosing to deny the Truth. But, as these times are indicative of greater error to come, we must persevere in the Truth of God's Commandments and of the embodiment of all the Commandments - Holy Love."

"Do not be disarmed by lack of endorsements. This, too, is a harbinger of things to come. There is no one in the world today whose heart is not under attack, from the least to the greatest."

"Be strong, then, in prayer and sacrifice. Let no one deceive you through slander or deceit, for guile is replacing Truth in the heart of man."

Read 2 Corinthians 4:1-5

Therefore, having this ministry by the mercy of God, we do not lose heart. We have renounced disgraceful, underhanded ways; we refuse to practice cunning or to tamper with God's word, but by the open statement of the Truth we would commend ourselves to every man's conscience in the sight of God. And even if our gospel is veiled, it is veiled only to those who are perishing. In their case the god of this world has blinded the minds of the unbelievers, to keep them from seeing the Light of the Gospel of the glory of Christ, who is the likeness of God. For what we preach is not ourselves, but Jesus Christ as Lord, with ourselves as your servants for Jesus' sake.

June 27, 2014/ Feast of the Sacred Heart of Jesus

"I am your Jesus, born Incarnate."

"These are nefarious times - times when a far distant threat quickly becomes a present moment danger. These are times in which geographical borders have become obscure and distances between hemispheres are dwindling due to modern-day technology."

"Instant communication is at mankind's fingertips, and yet he neglects the most important communication - the one between his heart and My Sacred Heart. My Mother came as Protectress of the Faith to this seer, but this most appropriate title was deemed unnecessary. Yet, today, the Faith has been pillaged by the compromise of Truth."

"Certain grave sins are no longer considered sins. Rather, they are legal rights. The sanctity of marriage has been vandalized in an attempt to pander to 'special interest' groups*. The life I create in the womb is under attack by those who do not see the new life as a human being. Even this Truth has been re-defined. These days, when so much is made of identification through DNA, do you not comprehend that the new life I place in the womb is human?! You are killing human beings! Once again, I repeat what My Mother has told you. You will not have peace in the world until there is peace in the womb. Allow My Commandments of Holy Love to take dominion over your hearts before it is too late."

"My Sacred Heart mourns for the compromise of Truth in the world today. This compromise opposes right reason, which discerns the difference between good and evil. If you cannot distinguish what is good and what is evil, your very salvation is at stake! It is this inability or unwillingness to recognize evil that has caused mankind's moral decadence."

"I shed My Blood for your salvation. Mankind must shed the errors of his heart in order to choose this gift of his own salvation."

**Heaven described what 'special interest' groups mean in God's Eyes through Messages given by Jesus on May 29, 2014 and by St. Francis de Sales on June 9, 2014.*

Read 1 Timothy 2:1-6

First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for everyone, for kings and all who are in high positions, so that we may lead a quiet and peaceable life in all godliness and dignity. This is right and is acceptable in the sight of God our Savior, who desires everyone to be saved and to come to the knowledge of the Truth. For there is one God; there is also one mediator between God and humankind, Christ Jesus, Himself human, who gave Himself a ransom for all - this was attested at the right time.

Read Titus 2:11-14

For the grace of God has appeared, bringing salvation to all, training us to renounce impiety and worldly passions, and in the present age to live lives that are self-controlled, upright, and godly, while we wait for the blessed hope and the manifestation of the glory of our great God and Savior, Jesus Christ. He it is who gave Himself for us that He might redeem us from all iniquity and purify for Himself a people of His own who are zealous for good deeds.

June 27, 2014/ Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Sacred Heart exposed. He says: "I am your Jesus, born Incarnate."

"Behold My Sacred Heart, this Heart that loves you and sheds every Mercy upon you."

"My brothers and sisters, obey My Father's Commandments by living in Holy Love in every present moment."

"Tonight, I'm imparting to you My Blessing of Divine Love."

June 28, 2014/ Saturday Midnight Prayer Service - Feast of the Immaculate Heart of Mary

(The following message from Blessed Mother was given in multiple parts over several days for those who gathered in the Field of the United Hearts at Midnight.)

"Blessed Mother says: "Praise be to Jesus."

"Dear children, I invite you to see how much the Father cares for you. He is nourishing you spiritually with these Messages, just as He nourished His children physically in the desert with manna."

"The Father offers you through Me, His Handmaid, the Refuge of My Heart - this Refuge of Holy Love. This is the portal of peace. This is the Gateway to the New Jerusalem. Dear children, be renewed as you enter herein. Breathe in the grace that I, your Mother, long to give you. Do not let others obstruct your way to My Heart. The Flame of My Heart is your beacon of Truth which calls you to a renewed conscience and hope in a holy future."

"I cannot choose for you, but through these Messages, I can guide your footsteps showing you always the Light of Truth. Holy Love will help you to decide good over evil. Evil bears its own consequences in hearts, in the world and in eternity."*

"I come to you to lead you in holiness, so that we can share eternity together. My Motherly embrace awaits you."

"Dear children, I come tonight to gather you into My Immaculate Heart, Refuge of Holy Love. This Holy Refuge is the Remedy for the ills of the world today. The present-day evil does not want you to know this. Solutions are sought in modern technology, peace talks which are not grounded on peace with God first, and man's attempts at climate control - climates which are only governed by the Will of God."

"Tonight, I ask you to treasure only that which is eternal and to pursue your own salvation through Holy Love. Ask me tonight for the grace to recognize evil and to choose good."

"I will bless you in this effort."

** Please read (pray) the Second Meditation of the United Hearts Chaplet - in Honor of the Immaculate Heart of Mary:*

"Immaculate Heart of Mary, You are the purest vessel of grace, the definition of holiness, and a sign of the apocalypse. Mary, Your Heart is a Refuge of Holy Love - a countersign in an evil age."

"Dear Heart of Mary, it has been ordained that the conversion and peace of the world be entrusted to you. Only through Holy Love can the battle be won. As you, Heart of Mary, have been pierced by many swords, impale our hearts with the flaming arrow of Holy Love."

"Immaculate Heart of Mary, pray for us."

June 29, 2014/ Feast of the United Hearts - 3:00 P.M. Service at the United Hearts Field

(This Message was given in multiple parts over several days.)

First I see the United Hearts appear and there was a banner beneath it that said: "UNITED HEARTS TRIUMPH AND REIGN."

Then, Jesus and Our Lady appeared with Their Hearts exposed.

Blessed Mother said: "Praise be to Jesus."

Jesus says: "I am your Jesus, born Incarnate."

"Today, as you commemorate the Feast of Our United Hearts, please realize that all of humanity is under Our Reign. I address every power and authority seated on earth, every false religion which promotes separatism and violence, every legislator pandering to 'special interest' groups and all people and all nations. You cannot by free will remove yourselves from the Authority Who created you."

"Therefore, being subject to this Authority, you will be justly judged accordingly. The responsibility of all in authority is the physical, emotional and spiritual* well-being of those under their charge. You are accountable for the loss of souls on your watch, if, in any way, you contributed to this loss. If you have been assigned as a religious leader through grace, you have an even more profound responsibility. You are responsible for any prayer effort you discourage, any sound devotion you discourage, any attitude disingenuous to your call."

"A leader can be the head of a family, one chosen to a special vocation such as a priest or someone in a high position politically or in government. Anyone who finds himself in a position of influence is a leader. How you influence those who look up to you is the summation of your response to your duties."

"Leadership fails when it jealously guards territory and seeks disordered power. Authority is abused when it is presumed that one's position or title is the foundation of Truth. Truth is Truth and does not change to accommodate any authority in the world. Authority is abused when it is used to control in a disordered way such as dictatorship or when it proclaims unjust that which is worthy, such as this apparition site. Leaders abuse their authority when they compromise Truth."

"I speak now on behalf of Our United Hearts. The heart of the world is the sum total of every legal and moral decision. This generation has allowed moral decisions to be framed by legalities. Hence, you have moral degeneration in the heart of the world."

"This can only be remedied through the Light of Truth which Heaven affirms here at this site of predilection. Do not waste precious time in listening to unbelievers. Begin to change the world around you through prayer, sacrifice and by example. Your reputation is earthly and will not follow you into eternity, but your choices between good and evil will."

"Surrender to Holy Love in every present moment and the TRIUMPH will be within your hearts."

"We're listening to your petitions and grace will come to you to resolve every issue."

"We're extending to you the Blessing of Our United Hearts."

Read 1 Peter 5:1-6

Now as an elder myself and a witness of the sufferings of Christ, as well as one who shares in the glory to be revealed, I exhort the elders among you to tend the flock of God that is in your charge, exercising the oversight, not under compulsion but willingly, as God would have you do it - not for sordid gain but eagerly. Do not lord it over those in your charge, but be examples to the flock. And when the chief shepherd appears, you will win the crown of glory that never fades away. In the same way, you who are younger must accept the authority of the elders. And all of you must clothe yourselves with humility in your dealings with one another, for "God opposes the proud, but gives grace to the humble." Humble yourselves therefore under the mighty hand of God, so that He may exalt you in due time.

Blessed Mother says: "Praise be to Jesus."

"Dear children, be inspired by all you have been given here. The fruits of this Mission need to be carried around the world - the Messages, the special spring water, My invitation to all people and all nations to come here and experience the spiritual depth that is offered here."

"If a fruit tree is not fertilized, it withers and ceases to bear fruit anymore. So, dear children, you must feed your hearts with these Messages which will bear the good fruit of Truth and Holy Love in your hearts. I invite you to have the desire to pray and to sacrifice more. If you ask Me, I will help you."

"Propagate the fruits of My labor amongst you."

June 30, 2014/ Monday Service - Peace in All Hearts through Holy Love and World Peace

"Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Tonight, I am Blessing you with My Blessing of Divine Love."

"I am your Jesus, born Incarnate."

"That which is deep in My Heart, that which has changed My Sacred Heart into My Mournful Heart, is causing the loss of souls and the loss of freedom in the world. Specifically, today, I address the gross abuse of authority which compromises the Truth to gain advantage."

"Do not think that I stress these errors in excess. I speak often on this topic to convict the hearts of the guilty and to correct the heart of the world. This is My Divine Intervention and should not, must not, be opposed. If this abusive authority goes unchecked, true freedom will be a thing of the past. Leaders must use their influence to unite in the Truth, not to mislead in compromised Truth. Any time a Truth is misrepresented, you have a leader out of control."

"A leader who wields his power towards self-gain is corrupt. Corruption is the hallmark of the loss of salvation."

"My telling you these things does not change anything. It is your free-will actions, based on what I tell, which will change erroneous hearts. Pray, pray, pray! I will lead you!"

Read Matthew 10:24

A disciple is not above his teacher, nor a servant above his master.

"I am your Jesus, born Incarnate."

"Mankind can predict when the sun will rise and set, the schedule of planes coming and going, but he cannot predict the moment and hour of his accountability before Me. Therefore, it is necessary to be ready at all

times - that your heart be free of iniquity and prepared in Holy Love. This is the sum total of Heaven's intervention here. I desire each one's salvation."

"Only the foolhardy would fail to see this and oppose Me. Holy Love is the treasure chest which holds the treasure of your salvation. The key that unlocks the treasure chest is your free will. The time to unlock the treasure is every present moment. This is how to be prepared."

Read 2 Corinthians 5:10

For we must all appear before the judgment seat of Christ, so that each one may receive good or evil, according to what he has done in the body.

July 3, 2014 / Public

"I am your Jesus, born Incarnate."

"Be appreciative of one another as God is at work in each one of you. The Holy Spirit does not, however, work through the abuse of authority or the compromise of Truth. Title does not vindicate these errors in My Eyes. Therefore, understand with clarity what I am here to say today. You must not believe that the Truth is always given to you through those in high positions. You must look at the fruits of those who hold such positions. Do they dictate only towards self-gain - power - esteem - money? Or do they seek the welfare of those who follow them, manifesting the fruits of the Holy Spirit?"

"Do such people of high regard in the world promote unity through Holy Love, or cause confusion and division? In the Spirit of Truth, all should be one - working together."

Read 1 Corinthians 12:4-11

Now there are varieties of gifts, but the same Spirit; and there are varieties of service, but the same Lord; and there are varieties of working, but it is the same God who inspires them all in every one. To each is given the manifestation of the Spirit for the common good. To one is given through the Spirit the utterance of wisdom, and to another the utterance of knowledge according to the same Spirit, to another faith by the same Spirit, to another gifts of healing by the one Spirit, to another the working of miracles, to another prophecy, to another the ability to distinguish between spirits, to another various kinds of tongues, to another the interpretation of tongues. All these are inspired by one and the same Spirit, who apportions to each one individually as He wills.

July 3, 2014 / Thursday Service - Conversion of all Priests, Religious, Bishops and Cardinals that they are convicted in and live in the Truth

"Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I have come to relieve you of your every burden. Surrender to Me your crosses. Do this by accepting them. It is then I will act."

"Tonight, I am blessing you with My Blessing of Divine Love."

July 4, 2014 / Public

"I am your Jesus, born Incarnate."

"Today, your country celebrates its independence - an independence which in many ways is in jeopardy today. This is true as you have elected leaders who do not respect individual rights as outlined in your Declaration of Independence and your Constitution. True independence will only return to you when you are freed from the bondage of sin - in particular the sin of abortion. This sin has become a lucrative business. Therefore, self-interest perpetuates it and people are unable to see abortion as an evil. This is all a deception of Satan. Church leaders need to point this out and lift the confusion."

"Freedom carries with it grave responsibility. A country will only be as free as it is living in the Truth. Departure from the Truth is evil and encourages evil. You can see this in regards to other nations, but you do not recognize it in your own."

"You must place the Truth of good versus evil above all else. Do not let title or authority, love of reputation, money or power deter you from this course."

"Cling to your freedom to pray when and where you desire. Under no circumstances allow anyone to come between your heart and Mine. Put all your efforts towards good. There is no good law or good interpretation of law that should keep you from doing good - the Will of My Father. Remember, Satan encourages confusion and miscommunication. I am clarity of purpose."

Read Philemon 1:4-6

I thank my God always when I remember you in my prayers, because I hear of your love and of the faith which you have toward the Lord Jesus and all the saints, and I pray that the sharing of your faith may promote the knowledge of all the good that is ours in Christ.

Read 2 Timothy 4:1-5

I charge you in the presence of God and of Christ Jesus who is to judge the living and the dead, and by His appearing and His kingdom: preach the word, be urgent in season and out of season, convince, rebuke, and exhort, be unfailing in patience and in teaching. For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own likings, and will turn away from listening to the truth and wander into myths. As for you, always be steady, endure suffering, do the work of an evangelist, fulfil your ministry.

July 5, 2014 / Public

"Blessed Mother says: "Praise be to Jesus."

"As education in the Tradition of Faith has been lacking, this generation does not have a well-formed conscience. For the most part, hearts are sinking in a quagmire of compromised Truth. Dear children, you cannot manufacture your own Truths and your own interpretation of good versus evil. These matters of conscience have been set in stone in the Ten Commandments and in the Law of Holy Love. The Father and Son are the Authority Who gave you these rules to follow. Do not try to redefine what has been given for your salvation."

"Place your faith and trust in what you have been given from Heaven."

Read Hebrews 2:1

Therefore we must pay the closer attention to what we have heard, lest we drift away from it.

July 6, 2014 / Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace

"St. Joseph is here and says, "Praise be to Jesus."

"My brothers and sisters, tonight I have come to address fathers in particular."

"Please realize my dear brothers, that as the head of your family you are also the head of the domestic church. The household of your church must be governed with fairness, with equality, and with a mind towards the salvation of each of those under your influence. Pray to me to guide you and I will do so."

"Tonight, I am blessing you with my Blessing of Fatherly Love."

July 7, 2014 / Public

"I am your Jesus, born Incarnate."

"I cannot come to you and speak to you without pointing out the evil that has infiltrated leadership, both in the secular world and in the religious realm, as well. If I neglected this very important issue, My Leadership through you to the public would be imperfect and faulty. So, I tell you, that the spirit of ambition has consumed many hearts in prominent leadership roles all over the world. This spirit inspires the compromise of Truth and the disordered desire for more and more power, money and self-gain."

"My Heart mourns for the souls who are being lost, as they have been misguided and encouraged to oppose good. Evil factions have been formed and strengthened by the compromise of Truth. People have learned to respect title and obedience to title above Truth. You must obey God's Commandments and Laws of Love first. Do not support that which tears down God's Kingdom through disordered pride in obedience. Serve God not man."

"I tell you these things with a Mournful Heart. I challenge the self-righteous to return to the humility of Truth. You have no challenge in front of you that fidelity to the Truth will not conquer."

"Be wise and prudent in what you accept as Truth and in what leader you support. Allow My Words to you today to lead you and all who are listening."

Read Romans 10:1-4

Brethren, my heart's desire and prayer to God for them is that they may be saved. I bear them witness that they have a zeal for God, but it is not enlightened. For, being ignorant of the righteousness that comes from God, and seeking to establish their own, they did not submit to God's righteousness. For Christ is the end of the law, that every one who has faith may be justified.

July 7, 2014 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, accept in your hearts the Ten Commandments as defined through Holy Love. Then you will be able to discern the difference between good and evil, in all Truth."

"Tonight, I am blessing you with My Blessing of Divine Love."

July 9, 2014 / Public

"Blessed Mother says: "Praise be to Jesus."

"I come to you, once again, as My Son permits to bring you the Light of Truth on the path of your salvation. I come to inform the uninformed, the misinformed and even those who do not seek to be informed. My Son is not pleased when He sees the term 'obedience' used as a means of manipulation and control. True obedience must arise from a heart full of Holy Love, never pursuing selfish ends or promoting a means of obstructing good. This is not of the Lord. Obedience to the Truth is a treasure and must be treated as such. A good leader must never hold obedience over the heads of those in his charge like a noose ready to fall. A good leader has willing followers who obey out of eagerness to please."

"I inform you of these things with Love. My Son allows that I return to you on the Feast of the Holy Rosary [October 7] in the Field of Our United Hearts during the Hour of Mercy. I will meet you there."

Read Phillipians 2:1-4 & 12-13

So if there is any encouragement in Christ, any incentive of love, any participation in the Spirit, any affection and sympathy, complete my joy by being of the same mind, having the same love, being in full accord and of one mind. Do nothing from selfishness or conceit, but in humility count others better than yourselves. Let each of you look not only to his own interests, but also to the interests of others.

Therefore, my beloved, as you have always obeyed, so now, not only as in my presence but much more in my absence, work out your own salvation with fear and trembling; for God is at work in you, both to will and to work for His good pleasure.

Jesus comes with His Mournful Heart exposed. He says: "I am your Jesus, born Incarnate."

"My Heart reflects My Sadness when authority is abused in such a way that virtue is compromised. Consider the ways the virtue of obedience has been misrepresented as dogmatic rule over hearts. It is, in such cases, no longer a virtue to be practiced out of loving respect, but a compliance with a dictatorial leader - no matter if such obedience leads to good or evil."

"I do not endorse such authority. You can only be with Me or against Me. Erroneous leadership does not make untruth into Truth. With sin there is no gray matter. You must not use obedience as a means of control and belief in error."

"I am your Jesus, born Incarnate."

"I have come to define for you, disordered authority, as you seemed to be pondering this term. The abuse of authority and disordered authority are one and the same. This term describes a leader who assumes power which is not his to take. He does not abide by the law, be it secular or religious. His motivation is political towards self-gain. He garners support for himself through those who, like himself, are ambitious. Such a leader compromises the Truth towards his own needs and is never above destroying the reputation of those who oppose him, but jealously guards his own reputation and territory."

"There are many such leaders in the world today. Satan has placed these - his instruments - in many high places. This is why I tell you, be cautious of following after just title alone. Evil is often represented as good through title. You must look at where you're being led. Do the fruits produce good or evil? My Father's Will for you is to discern good from evil and to live this way in the Truth. You cannot please man first - always God first."

Read 2 Timothy 3:1-5

But understand this, that in the last days there will come times of stress. For men will be lovers of self, lovers of money, proud, arrogant, abusive, disobedient to their parents, ungrateful, unholy, inhuman, implacable, slanderers, profligates, fierce, haters of good, treacherous, reckless, swollen with conceit, lovers of pleasure rather than lovers of God, holding the form of religion but denying the power of it. Avoid such people.

"I am your Jesus, born Incarnate."

"I have come to speak, once again, to the world concerning leadership. Sound leadership concerns itself with every aspect of those who follow and are in any way influenced by it - physically, spiritually or emotionally. A good leader builds up the Kingdom of God and does not tear it down. I endorse leaders who clearly define good versus evil and support good. Religious leaders must, then, clearly define sin without the influence of political pressures or personal ambitions. The value of every soul's salvation must be made clear and supported by all religious leaders. Political leaders must not interfere with the soul's salvation, which is always the greater good."

"Leaders must not use obedience as a whip to keep people in line with a mind to control. Rather, with loving concern for their flock, they should realize that their followers will want to show them respect based upon love. I never intended for any leader - secular or religious - to use obedience as a means of control and power. This is not of Me, for it does not reflect a concern for the general welfare of My brothers and sisters."

"I tell you these things, not to promote rebellion, but to return leadership to righteousness through Holy Love. Leaders must never manipulate, but gently lead towards the good of all. It is in this way, they earn trust and respect. I place the burden of reform on leaders to choose righteousness, not on those who look to leaders to obey no matter what. Rather, be submissive to the Truth and any leader who acts in the Truth. Be united in the Truth."

Read Psalm 14:1-6

The fool says in his heart, "There is no God."

They are corrupt, they do abominable deeds, there is none that does good.

The Lord looks down from heaven upon the children of men, to see if there are any that act wisely, that seek after God.

They have all gone astray, they are all alike corrupt; there is none that does good, no, not one.

Have they no knowledge, all the evildoers who eat up My people as they eat bread, and do not call upon the Lord?

There they shall be in great terror, for God is with the generation of the righteous. You would confound the plans of the poor, but the Lord is his refuge.

"You cannot in nature force a flower to bloom. Nor can you demand the flower of obedience to bloom in the heart. Obedience shows itself in due time when all the right conditions come together. In some situations, it may never flower and bloom, though it may desire to."

"Dear children, all the Messages given to you most recently concerning obedience are Heaven's attempt to urge you to live in the Truth. If you blindly obey without an eye towards where you are being led, or what fruits your obedience will bear, you open yourselves to obeying evil and strengthening Satan's grip on the heart of the world."

"Two things are jeopardized in blind obedience - the moral righteousness of the leader who is given power to dictate as he chooses, and the righteous path of those who blindly obey, for they may be cooperating with evil."

"This is why obedience in and of itself is not a virtue unless it is tempered with love, humility, wisdom and discernment. Here, I am not speaking about Church dogma which must be obeyed."

July 13, 2014 / Feast of Rosa Mystica

Our Lady comes as Rosa Mystica. She says: "Praise be to Jesus."

"Dear daughter, the reason you have been given this cluster of Messages on obedience is this: My children around the world are being misled by corrupt leadership - both secular and religious. Many feel they

must obey, even if they recognize the errors and political pressures of those who lead. These Messages have come to earth to bring to light that which those in powerful positions want hidden. If you obey evil, you empower evil."

"Dear children, you must be a Light of Truth in the world. Do not pay heed to your reputation amongst men. It only matters what God thinks of you. In this same Light, I must pause to take to task those who call you disobedient, My daughter. You did everything Heaven asked to keep this Mission alive amidst controversy, rash judgment and lies. My Son could not allow His Work to succumb to these circumstances. We remain ecumenical apart from the control of any Church or political leader. We have worked diligently towards this end."

"The goal that Heaven is trying to accomplish here is personal holiness and the salvation of souls. You cannot be disobedient in God's Eyes when you follow the Messages or come to the site to pray."

"The joy of My Heart is those who listen to the Messages and obey the good grace of each word."

Such corrupt leaders are concerned first and foremost with their own ambitions, social and economic status, and care little about the welfare of their flock. With this same spirit of corruption, they view opposition as competition and set about destroying reputations and imposing unwarranted penalties upon those they label as a 'threat'."

"These corrupt leaders have brought the heart of the world to a new level of degeneration before Me. Such leaders do not hold debauchery as an evil, but some even proclaim their support openly towards abortion, sodomy and more. Some lend their support of sin by silence."

"I invite you to understand that there are many and various kinds of abuse of authority. A leader very often becomes power-hungry presuming too much importance and power against certain groups or against all of his followers. If his followers do not hold him accountable, his rampant empowerment is held more secure at the cost of freedom."

"Another type of abuse of authority is weakness and failure to act when it is necessary. This empowers the opposition who is given free reign to take bold steps without consequence."

"Sadly, your current president is guilty of both of these types of abuses. There is no confusion in the eyes of the enemies of this country. They know he will not take aggressive action against them. They know they can trick and talk their way around him. They know he is a politician - not a leader. This president's abuse of authority places the entire world in jeopardy!"

"I wish to elaborate on weak leadership as regards to the abuse of authority. This abuse is rampant in the world today. Every time the Truth is not clearly proclaimed and set apart from untruth by authority, there is abuse in the form of weakness. This is present in the world today, both in the political arena and in religious leadership."

"It is the duty of all leaders to differentiate between good and evil, first in their hearts, then in their role as leaders. Not to do so strengthens evil and weakens righteousness. Freedoms must be guarded and protected. Morals must be upheld and not succumb to political opinions. Sin must be defined as sin and not pandered to in the name of freedom."

"All of this is obvious to those who live in the Truth. But to the ones who are compromised, they must either be challenged to change or continue to live a lie."

Genuine virtue is based upon Holy Love without the measure of cost to self. False virtue is practiced for all to see."

"Genuine virtue is between the soul and God, just as the journey through the Sacred Chambers is. Sincere virtue is based on Truth. False virtue is a lie."

"Some believe that by associating with a holy person, they have assimilated holiness. But, I tell you, personal holiness comes only with much effort that is hidden away from the naked eye."

"Once again, I tell you, that the abuse of authority is not only the disordered use of too much power. It is also the weakness of not using the power of the office God places you in when it is needed. In particular, you have in your country, today, a leader who does not support his words with actions. Therefore, on the world front, his words are not respected. He gives the appearance of not knowing what to do next and spreads this confusion worldwide."

"The cost is catastrophic; both in lives and in souls. The enemy is empowered by weakness. Pandering to the enemy is the same as condoning his evil intent. This is why I stress uncompromised Truth in everything - small matters and great. Do not paint evil as good or as disarmed. Your words will open the door to conviction in the Truth. "This is why the effort of My Words here have come to focus upon the compromise of Truth and the abuse of authority. These two crimes have historically caused the collapse of many cultures. Not taking these Messages to heart will result in a similar demise for this generation."

The other days, the people should gather in small groups throughout the day to pray the rosary. We will have St. Joseph's night of prayer on Sunday night as always. The Monday night prayer should be scheduled as usual."

"I am requesting this as world leaders are at a pivotal point. The 'new' generation of moral decadence is grasping ahold of the mainstream populace. The rights of so many are being transgressed. Terrorism is on the rise without check."

"This generation has fallen away from the Truth of an Omnipotent God - His Mercy and His Justice. The ones caught up in moral degeneration live as though there is no accountability for any type of sin. The world encourages this error by legalizing sin."

Too often this is according to evil advantage, as Satan can influence change according to his agenda before people realize his tactics. Even more dangerous is that people do not discern good from evil before they act."

"Very often the judicial system is guilty of propagating evil under the guise of protecting the rights of individuals to sin. Once again, I tell you, sin is still sin despite legal support. Laws cannot change the Truth. Human law does not change God's Laws. Pay attention!"

"The more people a leader influences, the more grave his responsibility before Me. A flock of sheep, if led in confusion, becomes scattered and even lost. The good shepherd keeps his flock united and on course. This is how all leaders should be - using the Truth to quickly prod his followers back to the fold. Anyone who tries to guide those he influences with untruth, finds the confusion he sows eventually separates and scatters his flock. The Truth is the staff that unites."

Read Philipians 1:27-30

Only let your manner of life be worthy of the gospel of Christ, so that whether I come and see you or am absent, I may hear of you that you stand firm in one spirit, with one mind striving side by side for the faith of the gospel,

and not frightened in anything by your opponents. This is a clear omen to them of their destruction, but of your salvation, and that from God. "Heaven's intervention, whether it be Fatima, Lourdes or here is still coming to you from the same God. One is not superior to the other - Hierarchy needs to take seriously what Heaven is saying, instead of

Blessed Mother says: "Praise be to Jesus."

"I have come today to remind you that you cannot be consecrated to Divine Love or to My Immaculate Heart if you oppose one another. For Truth, which is Divine Love, cannot oppose Truth. You must oppose untruth, but be clear as to right and wrong - Truth and untruth. Do not be misled thinking you have the Truth and then oppose good. This is Satan's deceit and happens so often in regards to apparitions such as this one. Confusion is the fruit of deceit and Satan's hallmark."

"These days, this signature of evil deceit is all over leadership. However, those consecrated to My Immaculate Heart must take the time to discern their

way through the confusion. Otherwise, they are not living, in Truth, their consecrated lives."

Read Ephesians 4:25

Therefore, putting away falsehood, let every one speak the truth with his neighbor, for we are members one of another.

Blessed Mother says: "Praise be to Jesus."

"Today, I have come to discuss with you the topic of presumption. A presumption is a conclusion drawn which is not based on proof or fact. It is easy by human nature to presume something based solely upon someone else's opinion; but then you are also presuming that the opinion influencing you is based upon well-researched Truth. Too often this is not the case."

"I will give you the example of this apparition site, as well as others around the world. Each soul has the responsibility before God to research the phenomena - the healings, Messages, purported miraculous happenings - and then draw his own unbiased conclusions. Very often, negative opinions are spouted from people of influence concerning such events. The humble person believes authority is synonymous with Truth. Sadly, these days, you cannot presume so. Each soul needs to do his own research before forming a conclusion."

"Careless presumptions border on rash judgment. You may hear something about a person or situation, but you must carefully search out the Truth. Presumptions can unintentionally endorse evil and empower the enemy."

"Souls are often tricked by evil to spread error through careless presumptions. Perhaps the soul does not recognize the lack of fact-based evidence before he forms his opinion."

"Dear children, the Kingdom of God is coming in Truth. You are moving towards God's Kingdom when you live in the Truth and promote the Truth. Have faith in these words."

Read Colossians 2:8

See to it that no one makes a prey of you by philosophy and empty deceit, according to human tradition, according to the elemental spirits of the universe, and not according to Christ.

"I am your Jesus, born Incarnate"

"Pray for all those affected by Church and school closings. What can be more important than the proper education of the young? Pray for those responsible for these decisions."

"Some - many will lose their souls as a result of this - because of prayers left unsaid and consciences ill-formed due to lack of proper training."

"And here at Holy Love, I am calling souls to a renewed spirit of Love and Truth; but some use every sort of weapon at their disposal to come against Me. People do not understand what a great weapon the tongue is, and what a responsibility they have, to use speech to build up the Kingdom, and not to tear it down."

Blessed Mother says: "Praise be to Jesus."

"I tell you, in all honesty, today there are two Churches which call themselves Catholic. The liberal and the traditional. The liberal Church is more concerned with what people think than what God thinks. This is the cause of many an apparition being squelched by hierarchy. At the same time, I caution the traditional Church against self-righteousness. This is a spiritual pitfall of many who become more and more holy. This flaw, too, can lead to negative opinions concerning apparitions."

"So you see, today, it is the Chosen Remnant of the faithful who seek out and have faith in Heaven's interventions."

"I come only to correct and guide - not to punish." I come to show you My Motherly concern and love for every soul. I am interested in your every present moment from the moment you open your eyes until you close them in the evening. No part of your existence escapes My glance."

"Do not allow your hearts to be troubled, but secure in My Love. I desire only your well-being, be it even in the midst of crosses."

"Put aside your doubts and fears. These are Satan's attempts to unsettle you. Allow Me to protect your faith."

Read 1 Thessalonians 2:3-8

For our appeal does not spring from error or uncleanness, nor is it made with guile; but just as we have been approved by God to be entrusted with the Gospel, so we speak, not to please men, but to please God Who tests our hearts. For we never used either words of flattery, as you know, or a cloak for greed, as God is witness; nor did we seek glory from men, whether from you or from others, though we might have made demands as apostles of Christ. But we were gentle among you, like a nurse taking care of her children. So, being affectionately desirous of you, we were ready to share with you not only the gospel of God but also our own selves, because you had become very dear to us.

HOLY LOVE, AN ECUMENICAL MINISTRY

August 2014

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

“I am your Jesus, born Incarnate.”

“Today, I offer My Most Sacred Heart to the world once again – this time as My Mournful Heart. I mourn for the loss of integrity in the heart of the world today. How long must I witness the compromise of Truth – Truth which is distorted and twisted to suit mankind’s perversions? My Justice yawns before you. My Mercy cries out to you.”

“But, mankind has become a lover of self, willing to accept any compromise so long as it justifies his errors. The righteous must hold fast and not give in to discouragement. If you are persecuted for your steadfast desire to please Me, count it a blessing and a sign of your predestination.”

“Fulfillment of the Remnant Faithful’s role will be both victorious and sorrowful. It saddens Me to think of the times ahead when the Tradition of Faith will be embraced by such a few. But, My Precious Blood will strengthen

you. My Truth will be your victory in the end. Accept this consolation.”

Read 2 Timothy 4:3-5

For the time is coming when people will not put up with sound doctrine, but having itching ears, they will accumulate for themselves teachers to suit their own desires, and will turn away from listening to the truth and wander away to myths. As for you, always be sober, endure suffering, do the work of an evangelist, carry out your ministry fully.

August 1, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

“Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

"My brothers and sisters, tonight I come especially to ask for your prayers for all world leaders who lead with violence. I have come to tell you that the more you imitate My Divine Love, the more you will be sanctified deeper within the Chambers of Our United Hearts.

"Tonight, I am extending to you My Blessing of Divine Love."

Blessed Mother says: "Praise be to Jesus."

"Never try to be important in man's eyes, for that is ambition. Rather, seek littleness, thereby gaining easy access to My Immaculate Heart."

"My Heart is the Refuge of all My little children. Herein My Motherly Heart guides and protects the sojourners on earth."

"The refuge of My Heart shows you the way around every problem. My Heart protects you from the enemy of your salvation. This Holy Refuge is the shelter in every storm of life and the victory of Holy Love in every heart."

"Seek out the grace of My Heart towards a victory over sin and temptation. I will strengthen you and defend you."

August 3, 2014 / Public

I see a Great Flame which I know is the Heart of God the Father. He says: "I Am the Eternal Now - the Creator of time and space - the Creator of light and darkness - the Creator of the air you breathe."

"I come to be reconciled with the heart of man, but the heart of the world seeks its own path amidst arrogance and error. Terrorism, moral degeneration and loss of the sense of My Existence are the bad fruits of the fractured relationship between Me and mankind."

"I have established this Mission in the world as a means of man's return to Me. The way back to My Heart is forgiveness. Man must seek My forgiveness, then forgive himself and all others. Then, and only then, can we be reconciled."

"But mankind in his error has chosen not to listen, to doubt and even oppose Me. Please understand, I do not place the value of title or authority above the salvation of souls. This is a bitter pill to those who see their salvation as resting upon position in the world."

"Return to Me, your Father, in humility, acknowledging your weaknesses. Allow Me to be your strength. Allow Me to defend, protect and lead you as My little children. Give to Me a proper place in your heart."

August 3, 2014 / Public

St. Joseph says: "Praise be to Jesus."

"Solemnly, I tell you, the problem in families these days is the lack of loving respect between parents and children. It is this mutual loving respect that garners obedience from the children and peace within families - something missing so often these days."

"Lack of loving respect bears the bad fruit of rebellion and unconcern for the spiritual, physical and emotional well-being of those whom could be loved and respected - not only in the family unit, but in the world family as well.

This is the cause of multiple problems in the world community today."

August 3, 2014 / Sunday Service - Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace

"St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, any one of you who has a fatherly role in the world today must be a reflection of loving respect to those in your charge."

"Tonight, I'm imparting to you My Fatherly Blessing."

August 4, 2014 / Feast of St. John Vianney

St. John Vianney, the Curé d' Ars says: "Praise be to Jesus."

"These days a great percentage of priests do not appreciate their duty in shaping their flock into holiness and developing in each soul a deep spirituality. Instead, they have allowed themselves to be formed in secularism - weakening their flock and themselves in a distorted attempt to 'fit in' with society."

"The call to the priesthood is a call to an ever-deepening spirituality. Within this call is the necessity to be detached from the world. The focus of the holy priesthood is bringing the sacraments to the people and instructing the people on personal holiness through a sacramental life."

"Priests are not called to be social directors or fundraisers or even to be popular. There should be no love of money or ambitious designs in their hearts."

"Jesus uses the holy priests to save many souls. Priests must learn to examine their conscience each night just like everyone else. They must root out pride and live only to serve others. This unselfish service is the hallmark of a holy priest."

Read 1 Peter 2: 4-5

Come to Him, to that living stone, rejected by men but in God's sight chosen and precious; and like living stones be yourselves built into a spiritual house, to be a holy priesthood, to offer spiritual sacrifices acceptable to God through Jesus Christ.

August 4, 2014 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus and St. John Vianney are here. Jesus says: "I am your Jesus, born Incarnate." St. John Vianney says: "Praise be to Jesus."

Jesus says: "My brothers and sisters, respect the priesthood, as I have chosen it to be a vehicle of salvation for many souls."

"These Messages will correct those who need correction. But, if you treat priests with the respect they should have, it will help them to be courageous in the face of so much criticism."

"Tonight, I'm extending to you My Blessing of Divine Love."

St. John Vianney also blesses us.

August 5, 2014 / Blessed Mother's Birthday

Blessed Mother says: "Praise be to Jesus."

"Dear children, today I have come to celebrate with you. Join Me in celebrating the many graces God has allowed to pass through My Immaculate Heart and into the world over these past centuries. Every present moment in each soul's life carries its own particular grace waiting to be discovered, appreciated and acted upon."

"It is important that you realize, dear children, that I am the Mother of all people, not just those who recognize Me as their Heavenly Mother. As such, I am concerned for the welfare of every soul - most of all, those who struggle to know the difference between good and evil."

"My Heart longs to embrace all of mankind and to lead them back to the path of Holy Love. So today, I celebrate with you the grace of this Mission, which is saving souls. By your efforts and much grace we will be victorious."

August 5, 2014 / Tuesday Service - The Poor Souls in Purgatory and for World Peace / Blessed Mother's Birthday

First, Our Lady came dressed in brilliant white and She had on Her Head a crown made of diamonds. Then She faded away and Jesus came with His Heart exposed and said: "I am your Jesus born Incarnate."

"My brothers and sisters, in order to be completely consecrated to Our United Hearts, you must surrender everything to Me - your fears, your doubts, your victories and your defeats. I will take them and make everything a perfect sacrifice towards the victory of Our United Hearts."

"Tonight, I am extending to you My Blessing of Divine Love."

August 6, 2014 / Feast of the Transfiguration

"I am your Jesus, born Incarnate"

"The grace of My Transfiguration was given as a means of protecting and supporting the faith of the apostles there present, for I foresaw the great persecution that was to come upon them."

"Today, I foresee a great persecution already beginning and ever increasing which will oppress all Christians. This is the reason for the support of this Mission in the world today. It is the reason My Mother was sent to you as the Protectress of the Faith. Can anyone deny the need for such a title today? The many miracles, not to mention the Messages, attendant to this Mission are your support and defense in the time of need that is beginning to fall upon you."

"Heaven is present to you here. Recognize God's Omnipresence in your midst."

August 7, 2014 / Public

Jesus says: "I am your Jesus, born Incarnate."

"I wish to speak to you, once again, about My Mournful Heart. During My Passion, I suffered greatly for the sins of this age. The nails, which violated My Flesh, I suffered for the gross compromise of Truth in the world today. The insult of the Crown of Thorns I suffered for the unchallenged abuse of authority so rampant in this

present generation. The sword which pierced My Heart was the knowledge of the collaboration during these times between the compromise of Truth and the abuse of authority."

"These sins are worldwide thanks to modern forms of communication, which are viewed as human ingenuity and not of Me. This is yet another compromise of Truth. Because of the extent of these sins, the world has formed My Mournful Heart - a devotion distinct to this generation of error."

August 7, 2014 / Public

Blessed Mother says: "Praise be to Jesus."

"I invite you to see that pride, which everyone has to some degree, is really distorted self-love. When a person takes pride in his own opinion, it is very easy for his opinion, be it right or wrong, to poison the Holy Love in his heart."

"Remember, Holy Love makes allowances for others' frailties. Opinions are very often formed on the rash judgment of others' motives for their actions."

"While it is human to have opinions, the soul needs to carefully stand guard over the Holy Love in his heart and not allow it to be tainted by love of one's own opinion."

Read Luke 6:36

Be merciful, even as your Father is merciful.

"I am your Jesus, born Incarnate."

"Leaders, in general, need to re-evaluate and discern what they support and what they do not support in the Light of God's Truth. Take, for instance, the support of those who practice sodomy in the coming athletic events here in this city [Worldwide International Gay Games in Cleveland, Ohio]."

"The city leaders have placed love of money and the condoning of this 'special interest' group ahead of love of the Truth: the Truth being, sin is sin, and is not to be aggrandized as acceptable."

"Freedom to sin is nothing new and will always be as long as man exists with his free will. Acceptance of sin is a collapse of morals and a path to the collapse of a whole culture."

"Recognize the path you are encouraging others to follow."

Read 1 Thessalonians 2:3-4

For our appeal does not spring from error or uncleanness, nor is it made with guile; but just as we have been approved by God to be entrusted with the gospel, so we speak, not to please men, but to please God who tests our hearts.

August 8, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with his heart exposed. He says, "I am

your Jesus, born Incarnate."

"My brothers and sisters, be united in loving concern for one another. This is the way to overcome and avoid disordered self-love which leads to sin."

"Tonight I'm extending to you My Blessing of Divine Love."

"I am your Jesus, born Incarnate."

"I tell you, never before in the history of this nation have your political parties been so polarized. One party seeks to uphold life, liberty and the pursuit of happiness. The other endorses every sort of evil. Unfortunately, you have a president who is political, but not a just leader and who supports evil."

"You must realize the necessity of replacing compromise of Truth in the Senate in November. This compromise has empowered your president and not held him accountable for upholding the Constitution."

"As it is, your nation is hard-pressed to say it is one nation under God; for what God is being served? The God of popularity and ambition? Certainly not the God Who creates life or Who supports freedom."

"Take account of what I am telling you today. Pay attention to My Advice."

August 9, 2014 / Public

St. Gertrude says: "Praise be to Jesus."

"I remind you, dear sister, to pray daily, as you have been, for the poor souls in Purgatory. There are millions imprisoned there who never believed in Purgatory, but who now suffer greatly. No one prays for them. Many are thought to be in Heaven."

"In the Protestant world and in other religions as well, if a person led a relatively decent life, it is presumed he went to Heaven upon death. Most often, this is not the case."

"It is a spiritual strength to pray and sacrifice for these poor souls who, in return, pray for you. None of your intentions escape them."

August 10, 2014 / Public

"I am your Jesus, born Incarnate."

"I have come, yet again, to address the rampant aggression of evil in the world today. Much of the abuse of authority is nurtured in the inability of leaders to recognize evil as evil. If you do not recognize your enemy, how can you fight him? If you do not oppose evil, evil is empowered."

"In leadership today, both secular and religious, many oppose good and protect evil simply in their lack of action for good and against evil. Not choosing good versus evil is to choose. In today's world, there can be no in between - no indecision or gray area. If you are not for good, you are against it."

"Whole governments and religions could benefit from this if they would only be convicted in their hearts. Many in the secular and religious realm do not recognize ambition as evil; but ambition is self-love eating away at

the heart of humility. Ambition is full of self-interest and not the general welfare of others. This is what encourages leaders to overlook evil and even to promote sin as a path to popularity. This is how moral degeneration begins and thrives. Once again, it is the encouragement of the lack of opposition to evil."

"This week you have an event call the 'gay games' in your city [Worldwide International Gay Games in Cleveland, Ohio]. This is such an obvious support of the sin of sodomy - a sin which destroyed Sodom and Gomorrah. You do not realize what flagrant sins are taking place in your city without any opposition from political or Church leaders."

"Recognize the Truth I convict you with today - one and all! Do not place yourselves above My Authority."

August 11, 2014 / Public

Blessed Mother says: "Praise be to Jesus."

"Every soul is given the freedom to choose thoughts, words and actions according to his free will. The choices he makes determine his eternal destiny. These days, the courts have presumed responsibility for defining sin as a freedom. The conscience of the general public is not formed in the righteousness of God's Commandments and, therefore, these legal freedoms have become what many see as a good choice."

"Dear children, you must not allow the courts to determine for you what is good in God's Eyes. God sees what is right and what is sinful. His judgments do not change and are never influenced by Supreme Court rulings. Do not allow your conscience to become muddled by the term, 'freedom'. Liberty has always been yours, but it does not change bad to good. This is why you need to be wise and discerning in the face of distorted Truth."

"The courts need to turn their attention towards protecting the human rights of the unborn, the rights of freedom to worship anywhere and to evangelize according to the freedoms outlined in your Constitution."

"Dear little children, be careful in your choices and in whom and what you choose to support. These are harrowing times. If you support righteousness, God will support you."

Read 1 Thessalonians 5:8-10

But, since we belong to the day, let us be sober, and put on the breastplate of faith and love, and for a helmet the hope of salvation. For God has not destined us for wrath, but to obtain salvation through our Lord Jesus Christ, who died for us so that whether we wake or sleep we might live with Him.

August 11, 2014 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I come once again to call you into My Most Sacred and Mournful Heart. Bring Me all of your problems. Surrender them to Me, to My Divine Love. Appease My Justice by your efforts in prayer and sacrifice."

Place Me in the center of your hearts and you will be in the Center of My Heart."

"I am your Jesus, born Incarnate."

"I invite you to see that there are two ways authority is abused - both in what is said and done and in what is left unsaid and undone. The latter - not addressing issues - is a much more covert and insidious way of accomplishing abuse of authority."

"If, for instance, a person in leadership wishes to secretly condone some wrongdoing, he may choose the nefarious path of not addressing it at all. Take the topic of abortion as an example. Leaders who do not openly oppose this evil are most certainly condoning it."

"Too often it is what is left unsaid that reveals the true nature of the leader. Do not be fooled. Leaders who are worthy make their positions clear and in-line with Holy Love - the welfare of all. The Truth must always be revealed and upheld."

August 12, 2014 / Public

Blessed Mother says: "Praise be to Jesus."

"My daughter, you tend to get very frustrated when you lose something. Whether or not it is Satan who instigates this loss is not important. But, by becoming agitated you lose much more than what you are looking for, which can be replaced. You lose the grace of the present moment, which presents itself as a little cross which can be surrendered to My Son. The present moment can never be replaced."

August 13, 2014 / Public

"I am your Jesus, born Incarnate."

"I tell you, a person who is full of self-interest makes a poor leader and is a poor instrument in the hands of God. Such a one protects his own ambitions, power and reputation rather than acting on behalf of the welfare of his flock. The Father's Will is not even a consideration as self-interest readily discounts any competition towards a selfish end."

"A good leader is selfless, foregoing his own interests for the benefit of others. A good leader is gently persuasive and receives the respect of his followers through a mutual respect, one for the other. Under a good leader, there is no need of the demand for obedience, for compliance with the leader's wishes is met with eagerly in a desire to please."

"My Father desires that all people and all nations know Him as a loving leader and Father. Then, in mutual feelings of love and respect, His Commandments would be revered. You must know someone to have this love and respect. To know Me is to know My Father Who sent me."

"Purge your hearts of self-interest and fill them with love of Me."

Read Luke 10:16

He who hears you hears Me, and he who rejects you rejects Me, and he who rejects Me rejects Him who sent Me.

Read 1 Thessalonians 2:3-8

For our appeal does not spring from error or uncleanness, nor is it made with guile; but just as we have been approved by God to be entrusted with the gospel, so we speak, not to please men, but to please God who tests our hearts. Our Lady comes holding the Mournful Heart of Jesus in Her Hand. She says: "Praise be to Jesus."

"It is very important, even urgent, that the prayer I am about to impart to you be propagated."

"Most Mournful Heart of Jesus, in Your Mercy, grant me the grace of discerning good from evil. Through this grace help me to see through the guile of every leader, most especially if he is using his power to transgress human dignity, condone any type of sin or to presume authority or power he does not have. Do not allow me to place title above Truth."

"Dear Jesus, please remind me that You are the authority that I must follow first and foremost. Amen."

August 14, 2014 / Public

"I am your Jesus, born Incarnate."

"The fulfillment of the law rests upon discerning the difference between good and evil. These days, what has made this discernment most difficult is the convolution of Truth. When Truth is twisted so that evil is presented as good, words and actions follow a compromised path."

I send My Mother into the world in many places today, not for Her own self-aggrandizement, but to build up the Kingdom of God with the Truth - thus drawing souls back onto the path of salvation. She does not come to lead souls away from the Way, the Truth and the Life, but to Me - towards righteousness. Just as everything I taught when I was with you came from My Father, everything My Mother tells you comes from Me."

"If discovering good and uncovering evil were not so vital to your salvation, I would not come to you, nor send My Mother to you to defend the Truth. As it is, a murky fog has been placed over basic Truths and faith in the Truth is suffering as never before."

"Therefore, I take you by the hand, this generation of confusion, and lead you carefully into the New Jerusalem through the gateway of My Mother's Immaculate Heart."

Read 2 Timothy 1:13-14

Follow the pattern of the sound words which you have heard from me, in the faith and love which are in Christ Jesus; guard the Truth that has been entrusted to you by the Holy Spirit who dwells within us.

August 15, 2014 / Feast of the Assumption

Blessed Mother says: "Praise be to Jesus."

"When I was taken up to Heaven - body and soul - My Heart was filled with a burning desire to be united with My Son. It is such a desire I wish to impart to the heart of the world, perhaps not expecting perfect union with Jesus, but a desire to please Him - to be close to Him in Holy Love."

"Holy Love is the passageway which leads to Heaven. Holy Love is My Immaculate Heart - your Refuge amidst confusion. While each soul has a certain calling in the world, the common denominator of all mankind is God's Call to be formed in Holy Love - the very foundation of holiness and of The Father's Divine Will."

"The more mankind departs from this Call, the more he opens his heart to the confusion of the day."

"Be united, dear children, in the Call God wishes to place on your hearts - the pursuit of personal holiness through Holy Love."

Read Ephesians 4:11-16

And His gifts were that some should be apostles, some prophets, some evangelists, some pastors and teachers, for the equipment of the saints, for the work of ministry, for building up the body of Christ, until we all attain to the unity of the faith and of the knowledge of the Son of God, to mature manhood, to the measure of the stature of the fullness of Christ; so that we may no longer be children, tossed to and fro and carried about with every wind of doctrine, by the cunning of men, by their craftiness in deceitful wiles. Rather, speaking the truth in love, we are to grow up in every way into him who is the head, into Christ, from whom the whole body, joined and knit together by every joint with which it is supplied, when each part is working properly, makes bodily growth and upbuilds itself in love.

Blessed Mother is here. She is dressed all in a brilliant white and gold, with sparkling-like diamonds all over Her mantle. She says: "Praise be to Jesus."

"Dear children, once again My Son sends Me and I come at His command to invite all people and all nations into My Immaculate Heart. If you do not make peace soon, you will have bigger problems than terrorism in

some far-off country. You must have peace based on Holy Love in your hearts, dear children, in order for there to be peace in the world. You must have peace in the womb in order to have peace in the world."

Blessed Mother says: "Praise be to Jesus."

"Everything depends upon man's Truthful definition of good versus evil. These days, Satan's best weapon is the cloaking of evil to appear as good. This is true in regards to people he uses, government policies and leadership in general. If you cannot see what leads you away from God, you are an easily-used instrument in the hands of evil."

"Do not comply, dear children, with every new trend and with that which smacks of disordered self-interest. Do not take up causes for the sake of grabbing attention to yourself. Do not allow yourselves to be used towards the triumph of untruth."

"You must be God's Light of Truth in the world - not consumed with hollow social justice, but endowed with the knowledge of God's inevitable Holy Justice. Bring the Truth with you in your hearts wherever you go."

"God's Will for you is your own sanctification which you cannot find if you are confused as to what is good and what is evil. People may say that which sounds just and good, but in the next breath support the evil of abortion or sodomy. You must not discount this, or dismiss such evils as unimportant because it is generally accepted. Truth cannot be filtered through evil and still come out as unblemished good."

"Dear children, you must be wise. Pray for the gift of wisdom. The Spirit of Truth will hear your prayer and help you to see pitfalls."

Read 2 Timothy 4:1-5

I charge you in the presence of God and of Christ Jesus who is to judge the living and the dead, and by His appearing and His kingdom: preach the word, be urgent in season and out of season, convince, rebuke, and exhort, be unfailing in patience and in teaching. For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own likings, and will turn away from listening to the truth and wander into myths. As for you, always be steady, endure suffering, do the work of an evangelist, fulfill your ministry.

Blessed Mother says: "Praise be to Jesus."

"I come once again to call all humanity into the Immaculate Refuge of My Heart, a shelter away from the storms of life. My Heart - this shelter of Holy Love - provides for you the path of your salvation. Through Holy Love you can increase in your desire to be holy and deepen your life of virtue."

"All forgiveness is based upon love - God's love for you and your love which accepts His Mercy and inspires you to forgive others. There is no genuine forgiveness outside of Holy Love, just as there is no genuine virtue which is not based upon Holy Love."

"This alone is the reason so many peace accords between factions in the world fail. You cannot take the lives of innocents in the womb and then try to make peace with your neighbor."

"I have come to help you understand that the Refuge of My Heart, which is pure Holy Love, will convict you of all untruth and lead you along the road of personal holiness. It is only when you travel with Me this path, that you will be at peace."

"Genuine love leads to genuine forgiveness. Genuine forgiveness leads to genuine peace."

Read Jude 17-23

But you must remember, beloved, the predictions of the apostles of our Lord Jesus Christ; they said to you, "In the last time there will be scoffers, following their own ungodly passions." It is these who set up divisions, worldly people, devoid of the Spirit. But you, beloved, build yourselves up on your most holy faith; pray in the Holy Spirit; keep yourselves in the love of God; wait for the mercy of our Lord Jesus Christ unto eternal life. And convince some, who doubt; save some, by snatching them out of the fire; on some have mercy with fear, hating even the garment spotted by the flesh.

Jesus says: "I am your Jesus, born Incarnate."

"I am the Founder of Holy Love in every heart. As such, I come to protect this same Holy Love and to lead all souls to their salvation, for this is My Father's Will."

"Once again, I address all leaders, most especially leaders who demand obedience, but are unworthy of it. If by your silence you condone sin, any form of sin, you are liable before Me. When the orgy took place in this city over the last week [Worldwide International Gay Games in Cleveland, Ohio], did you speak out against sodomy? Your silence as leaders spoke volumes. Condoning such behavior for the sake of revenue by secular leaders displays moral decadence, not wisdom. Silence on behalf of religious leaders bespeaks approval of sin. You cannot tolerate sin without condoning it."

"Leaders who desire to do the Will of God must accept that their moral positions will be unpopular with some. These are the ones you must correct as an Act of Mercy. This is good moral leadership. Sound morals cannot

return to any soul or any nation unless the way is made clear through sound moral leadership."

"I am not afraid of speaking out against error. I never was. You must do so, as well."

Read 1 Peter 5:2-4

Tend the flock of God that is your charge, not by constraint but willingly, not for shameful gain but eagerly, not as domineering over those in your charge but being examples to the flock. And when the chief Shepherd is manifested you will obtain the unfading crown of glory.

"My brothers and sisters, the joy and the peace that you feel when you come onto this property, or when I am in your midst as I am now, is but a fraction of what awaits you in Heaven. Therefore, I urge each of you to work conscientiously on your own salvation. As I bring you Divine Love, take Divine Love to others."

Jesus says: "I am your Jesus, born Incarnate."

"I tell you, solemnly, sound moral leadership directs its followers around evil and with sureness of step along the path of good. These days, many are in the position to do so, but fail to lead away from the threats towards salvation. This is spurious leadership - not genuine in My Eyes."

"If you are responsible for the salvation of souls, make this your priority. Your followers must not be left guessing as to where you stand or where they should stand on moral issues. These are evil times. Moral issues must not be given over to gray areas of decision. Leaders must clearly point the way to good versus evil, leaving no doubt as to the direction that must be taken."

"I cannot endorse leadership that does not oppose evil. Such as these are responsible for the souls lost as a result of their poor decisions or non-decisions or lack of supporting the Truth."

"To all leaders, I say, recognize your grave responsibility before Me. You will not be judged by your popularity in the world, but according to your sincere efforts to bring souls to their salvation. You will find any title useless before Me, but your authority will be a scale measuring the number of souls you led to the Truth."

But understand this, that in the last days there will come times of stress. For men will be lovers of self, lovers of money, proud, arrogant, abusive, disobedient to their parents, ungrateful, unholy, inhuman, implacable, slanderers, profligates, fierce, haters of good, treacherous, reckless, swollen with conceit, lovers of pleasure rather than lovers of God, holding the form of religion but denying the power of it. Avoid such people.

Jesus says: "I am your Jesus, born Incarnate."

"It is true that in order to defeat any enemy, you must be united. However, when leaders lead with confusion, it is as though you have many pieces of the puzzle which never come together. There is bewilderment instead of single-hearted purpose of action."

"This is true in the world as well as in the spiritual realm. This is why I am in your midst today pointing out sin and error which goes unnoticed for lack of proper leadership. Still worse is the attempt by government leaders to make grave sins acceptable. People have always had free will, which gave them the right to choose good or evil. Today, however, choosing good is confused with prejudice."

So, if I come to you pointing out directly what your present-day leaders choose not to do, it is because of My great concern for this generation which is being led astray by so much compromise of Truth and confusion."

"You must be careful not to choose popular confusion over the Truth. Do not follow a leader who only takes you into more confusion and compromise of Truth. Every issue deserves a firm stance from your leaders. Not to do so must reveal to you the leader's lack of conviction of heart."

"Every soul deserves to be shown the path of righteousness. Not to be given unadulterated, truthful leadership lays a grave burden of error upon the shoulders of every weak leader."

Read 1 Timothy 6:3-5

If any one teaches otherwise and does not agree with the sound Words of our Lord Jesus Christ and the teaching which accords with godliness, he is puffed up with conceit, he knows nothing; he has a morbid craving for controversy and for disputes about words, which produce envy, dissension, slander, base suspicions, and wrangling among men who are depraved in mind and bereft of the Truth, imagining that godliness is a means of gain.

"I tell you, solemnly, each soul is liable to My Judgment according to his knowledge of righteousness

and his efforts to abide in it. Being misled by abusive or compromised leadership is not a reason for following error. Each soul has the responsibility before Me to find the Truth, to accept it and to live by it. The difficulty today, as I have come to point out, is so many accept leaders as always promoting good. Most leaders promote what is most advantageous for themselves and not the Truth of righteousness."

"I come to challenge this false leadership. I am here for the spiritual welfare of the world. You must look beyond title and worldly authority to determine if you are being led closer to Me or farther away. You cannot transgress the Commandments in the name of good! Furthermore, if leadership does not identify and challenge evil, it is passively opposing good."

"You must determine what you are being told to believe in and follow and who it will benefit in the long run. Power hungry leadership is never of Me."

Blessed Mother says: "Praise be to Jesus."

Our Lady is in gold and white with many sparkles on Her Mantle (probably stars).

"Today, as we celebrate together My Coronation, please realize, My dear little children, that Heaven is visiting this site not just for some, but for all. Even the

farthest from My Immaculate Heart are My concern and most deserving of My Motherly attention."

"Today, I wish to address hearts steeped in pride who are unwilling to consider the reality of Heaven's efforts here. Perhaps you have your own position or ministry in the world and find it more advantageous to align yourself with those of importance in the world who do not agree with this apparition. I remind you, it is Heaven's endorsement you need to prosper in your efforts. Do not be persuaded to affiliate yourselves with error. Always search out the Truth."

"The common denominator of much false discernment is fear of loss of reputation. Standing up in support of the Truth takes much courage in the face of popular opinion; but Jesus is not calling you to be popular - only truthful."

"Each of you, My children, has the capability of being a warrior for Truth. Do not resign yourselves to mediocrity and missing the grace of the present moment. Search out the Truth and defend it despite opposition. Your reputation in Heaven should be your concern, not your reputation in the world."

"I cannot tell you how many times in every present moment people are misled by authorities who compromise the Truth. You cannot allow human law to supersede God's Commandments. You must let Holy Love govern your hearts. If you do this, you will love God's Will for you and revere the Commandments."

"Governments have taken it upon themselves to play God by approving sin and re-defining good versus evil. You have been given proper direction in these Messages to follow the path of righteousness. Do not wait for the Truth to come to you through misguided authority. Let your hearts be guided by Holy Love."

"I cannot give you more straightforward guidance. These Words are chosen as Truth."

Read James 2:8-10

If you really fulfil the royal law, according to the scripture, "You shall love your neighbor as yourself," you do well. But if you show partiality, you commit sin, and are convicted by the law as transgressors. For whoever keeps the whole law but fails in one point has become guilty of all of it.

"The Spirit of Truth operates openly without any hidden agenda. In Truth, there is no guile. There is no confusion as to purpose or direction. Truth completely surrenders to My Father's Will."

"Truth builds up the Kingdom of God. A lying spirit tears it down. The confusion in the world today is the bad fruit of rejection of the Truth. If this were not so, people would easily distinguish good from evil. As it is, Satan has an easy time of it, disguising evil."

Two Kinds of Wisdom

Who is wise and understanding among you? By his good life let him show his works in the meekness of wisdom. But if you have bitter jealousy and selfish ambition in your hearts, do not boast and be false to the truth. This wisdom is not such as comes down from above, but is earthly, unspiritual, devilish. For where jealousy and selfish ambition exist, there will be disorder and every vile practice. But the wisdom from above is first pure, then peaceable, gentle, open to reason, full of mercy and good fruits, without uncertainty or insincerity. And the harvest of righteousness is sown in peace by those who make peace.

"My brothers and sisters, if you do not defend your human rights, they will be taken away. Violence has become a religion. Begin defending the Truth by defending life in the womb. Once again I tell you, an end to legalized abortion is the key to a more secure future."

"There are those who hold in their hearts the desire that these Messages stop, as they shed the light of Truth on covert darkness. What good is the provision of your pantry if the faith in your heart is watered down and diluted by a compromised culture?"

alone, but how others are affected. To be less self-centered, the soul must always seek the welfare of others first. Perfect selfless love accomplishes all things for the love of God and neighbor first and then takes care of self."

"It is when this effort in selfless love fails and the person seeks only his own good, that abuse of authority and the compromise of Truth can easily take charge of the heart."

"Realize that when My Son walked the earth, He was a perfect example of selflessness. He taught and corrected without regard for cost to self. He was not ambitious for His own position or reputation in the world, but always ambitious for the salvation of souls. Everything He said and did was toward that end - never for His own gratification."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

September 2014

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

"I am your Jesus, born Incarnate."

"I tell you, only the foolhardy attempt to explain away the graces attendant to this Mission with natural reasons. It is obvious that the Messages and the graces associated with the Ministry are from God. Even the most clever cannot explain away Heaven's presence of peace here at this site - not by any degree in theology, important position of authority or rash judgment. What I give you is in Scripture. Do you oppose the Word of God?"

"I cannot make anyone believe. That is an act of free will. I can offer you the Truth, just as I did when I was in the world. I can offer you the grace to believe. I cannot make you accept this grace."

"Be careful in what you accept as Truth. Satan masquerades as Truth, but he cannot base his compromises on Scripture."

Read 2 Corinthians 4:1-5

Therefore, having this Ministry by the Mercy of God, we do not lose heart. We have renounced disgraceful, underhanded ways; we refuse to practice cunning or to tamper with God's Word, but by the open statement of the Truth we would commend ourselves to every man's conscience in the sight of God. And even if our gospel is veiled, it is veiled only to those who are perishing. In their case the god of this world has blinded the minds of the unbelievers, to keep them from seeing the Light of the Gospel of the Glory of Christ, who is the likeness of God. For what we preach is not ourselves, but Jesus Christ as Lord, with ourselves as your servants for Jesus' sake. For it is

the God who said, "Let light shine out of darkness," who has shone in our hearts to give the Light of the knowledge of the Glory of God in the face of Christ.

"It is the Holy Spirit - the Spirit of Truth - Who helps you distinguish good from evil. Everything - thought, word or action - either builds up the Kingdom of God or tears it down. You must discern then, whom you are obeying and to what end. Never obey just for the sake of obeying, for you just might be following evil."

"Satan is most active these days in those of influence, for if he can gain support in leaders, he can influence many to support and follow evil."

"Evil is the enemy of Holy Love, not only this Mission and these Messages, but the Two Great Commandments of Love. Therefore, Holy Love is a good barometer of good versus evil in thought, word and action. Trust in what I am telling you today."

Read 2 Timothy 1:13-14

Follow the pattern of the sound words which you have heard from me, in the faith and love which are in Christ Jesus; guard the Truth that has been entrusted to you by the Holy Spirit Who dwells within us.

Blessed Mother says: "Praise be to Jesus."

"Dear children, we must always stand by the Truth of these Messages, no matter who opposes them. All opposition carries with it its own agenda, ambition,

jealousy seeking to destroy, greed, even self-righteousness. We must see past all of this. After all, Truth is the basis of every Message. If we do not stand for Truth, we support untruth."

"It is for the sake of souls that Heaven visits here. So many are misled by the error that pervades the world. So many have accepted sin as part of human rights. So many hear but do not listen. But these Messages support Scripture and Scripture supports these Messages. You know Scripture to be Truth, therefore, it follows these Messages are Truth. Heaven is defending all that is said here in this way."

Read 2 Timothy 3:16-17

All scripture is inspired by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work.

"I am your Jesus, born Incarnate."

"I have come to tell you that no authority should stand in the way of your relationship with God. To do so is an abuse of authority. The interior forum of each soul must not be imposed upon by any attempt to control, or gain a foothold of power, or any other self-interest."

"If a soul discerns* that God is speaking to him or inspiring him, his solemn duty is to obey God, and not allow anyone to oppose him. Such opposition or interference opposes the Will of God."

"There is no authority on earth higher than My Father's Will."

****True discernment is based on the Truth. The Truth is always based upon Holy Love - to love God above all else and neighbor as self.***

Read Acts 5:29

But Peter and the apostles answered, "We must obey God rather than men."

Blessed Mother says: "Praise be to Jesus."

"I tell you solemnly, what is at stake in the Middle East is mankind's right to live in the Truth. Evil has promoted terrorism and violence as a religion. There is no respect for human life. You must plainly see that error has taken over hearts."

"I must tell you that this error continues to escalate and to threaten many areas around the world, for good and those committed to Truth have not united. If evil can be strengthened in unity towards an evil goal, so, too, good and Truth can and must unite towards a righteous goal of peace."

"This is not the hour to make excuses or to be politically correct. It is the hour when strong leadership and unity of purpose must be shown. Hearts are being tested as is God's Patience in the face of so much inhumanity."

"Dear children, pray for the Victory of Truth in hearts. Your best weapon is your rosary."

Read Colossians 4:2

Continue steadfastly in prayer, being watchful in it with thanksgiving.

September 5, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with his heart exposed. He says, "I am your Jesus, born Incarnate."

"My brothers and sisters, hearts steeped in Holy Love are united and at peace. But, you cannot have peace that is not based on Holy Love. Such a peace is superficial and passing. That is why you have wars and rumors of wars in the world today. So, I call you back to the basic fundamental virtue of Holy Love."

"Tonight I'm imparting to you My Blessing of Divine Love."

September 6, 2014 / Public

"I am your Jesus, born Incarnate."

"Today, I have come, in particular, to extoll the virtue of humility. It is humility, based upon Holy Love, which propels the soul through the Chambers of Our United Hearts. The depth of humility is in proportion to the depth of Holy Love in the heart. Humility places God and others above self. Selflessness, then, is a fair barometer of personal holiness."

"Lack or flaws in the virtue of humility lead to ambition, envy, the desire for power and every type of temporal gain. The fruits of the Spirit - love, peace, joy - are weakened when humility is weakened. Truth is easily compromised and authority abused."

"Therefore, I come to you to ask you to pray for humility every day. Then I can lay a firm foundation of personal holiness in your heart and you will move rapidly towards perfection."

Read Galatians 5:16-26

But I say, walk by the Spirit, and do not gratify the desires of the flesh. For the desires of the flesh are against the Spirit, and the desires of the Spirit are against the flesh; for these are opposed to each other, to prevent you from doing what you would. But if you are led by the Spirit you are not under the law. Now the works of the flesh are plain: immorality, impurity, licentiousness, idolatry, sorcery, enmity, strife, jealousy, anger, selfishness, dissension, party spirit, envy, drunkenness, carousing, and the like. I warn you, as I warned you before, that those who do such things shall not inherit the Kingdom of God. But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such there is no law. And those who belong to Christ Jesus have crucified the flesh with its passions and desires.

*If we live by the Spirit, let us also walk by the Spirit.
Let us have no self-conceit, no provoking of one
another, no envy of one another.*

St. Francis de Sales says: "Praise be to Jesus."

"No one, no matter how much he prays or fasts, can increase in holiness without self-knowledge. Self-knowledge is the rock that perfection is based upon. The soul must ask for the grace to realize his flaws and shortcomings in order to overcome them."

"Self-knowledge challenges pride. It is pride that blinds the soul to his own imperfections. It is pride which prevents the soul from graciously accepting criticism - criticism which most often is a Spiritual Work of Mercy."

"No one can correct something that he does not realize stands to be corrected. You cannot fix anything that is broken unless you first realize it is broken. The lack of self-knowledge is a stumbling block to a deeper journey through the Chambers of the United Hearts. Self-knowledge is basic to personal holiness. Self-knowledge is a grace."

Read Ephesians 2:4-5

But God, Who is rich in mercy, out of the great love with which He loved us, even when we were dead through our trespasses, made us alive together with Christ (by grace you have been saved).

September 7, 2014 / Sunday Service - Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace

"St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, it is very important that children are given the example of living in Holy Love by their parents. Thus, they will show them how to be understanding, forgiving, kind to one another. Compassion will be part of their upbringing and they will carry all these gifts and the essence of Holy Love into the community as adults. This is how to change the attitudes of the world."

"Tonight, I'm extending to you My Fatherly Blessing."

September 8, 2014 / Public

St. Francis de Sales says: "Praise be to Jesus."

"The soul who does not honestly know himself - that is to say, his spiritual shortcomings - is open to every sort of error and cannot progress through the Chambers of the United Hearts. Self-knowledge must be based upon humility in order to be genuine. It is pride that encourages the soul to think he is status quo spiritually. Every soul needs improvement in his relationship with God. Every soul should pray for the humility of heart to see what areas of his life he should correct in order to increase in virtue."

"Do not give in to the fault of criticizing others and not recognizing error in your own heart. This is a form of pride which carries the soul away from the Heart of God. Be critical of yourself and beg God for the grace to improve."

You will not be judged according to the faults of others - only your own."

Read Matthew 7:1-5

Judge not, that you be not judged. For with the judgment you pronounce you will be judged, and the measure you give will be the measure you get. Why do you see the speck that is in your brother's eye, but do not notice the log that is in your own eye? Or how can you say to your brother, 'Let me take the speck out of your eye,' when there is the log in your own eye? You hypocrite, first take the log out of your own eye, and then you will see clearly to take the speck out of your brother's eye.

September 8, 2014 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus born Incarnate."

"My brothers and sisters, tonight I have come especially to ask for your prayers - that Holy Love is victorious in all hearts. Holy Love must be victorious over the violence that is in hearts in order for the New Jerusalem to descend upon earth. Pray that hearts overcome violence."

"Tonight, I'm extending to you My Blessing of Divine Love."

September 9, 2014 / Public

"I am your Jesus, born Incarnate."

"I wish to speak today about pride. Pride is full of self-interest. This disordered self-love desires everything its own way. If it is set against, it becomes angry and unreasonable. Pride places self first ahead of God and neighbor."

"It is pride which easily gives in to hidden agendas, jealousy and possessiveness. Pride is full of guile and manipulation. Pride has difficulty forgiving and easily accepts the burden of grudges. Pride cannot make allowances for others' mistakes."

"You can easily see that it is always pride which opposes Holy Love and, therefore, the Kingdom of God in hearts. Pride stands between the heart of the world and the New Jerusalem. In order to deepen his journey into the Chambers of Our United Hearts, the soul must, with honesty, ferret out the areas of pride in his heart."

Read 1 Corinthians 13:4-7, 13

Love is patient and kind; love is not jealous or boastful; it is not arrogant or rude. Love does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrong, but rejoices in the right. Love bears all things, believes all things, hopes all things, endures all things... So faith, hope, love abide, these three; but the greatest of these is love.

Read 2 Timothy 3:1-5

But understand this, that in the last days there will come times of stress. For men will be lovers of self,

lovers of money, proud, arrogant, abusive, disobedient to their parents, ungrateful, unholy, inhuman, implacable, slanderers, profligates, fierce, haters of good, treacherous, reckless, swollen with conceit, lovers of pleasure rather than lovers of God, holding the form of religion but denying the power of it. Avoid such people.

"I am your Jesus, born Incarnate."

"I bid all who have ears to listen. Guard against being self-satisfied in your spiritual journey. Such self-complacency opposes humility of heart. The humble soul is constantly searching out his weaknesses in virtue and seeking to overcome them. Every virtue must be based on humility; otherwise, it is false and practiced only for show."

"The virtues do not flatter the soul, but give praise to God Who, in His Mercy, tenders forth the grace of living a virtuous life."

"Beware of those who do not practice humility or call themselves to account for failure in humility. Such as these oppose their own perfection and the Will of My Father and do not live in the Truth. The test of every virtue is the opportunity you are given to practice it."

Read 2 Timothy 2:21-22

If any one purifies himself from what is ignoble, then he will be a vessel for noble use, consecrated and useful to the master of the house, ready for any good work. So shun youthful passions and aim at righteousness, faith, love, and peace, along with those who call upon the Lord from a pure heart.

Ephesians 4:23-24

And be renewed in the spirit of your minds, and put on the new nature, created after the likeness of God in true righteousness and holiness.

September 11, 2014 / Public

St. Francis de Sales says: "Praise be to Jesus."

"So I have established the fact that without humility the soul cannot progress in virtue and thus through the Chambers of the United Hearts. To attain the lofty goal of true humility, the soul must practice humility when given the opportunity. Sometimes the soul can search out situations in which he can practice the virtue, but he must keep in mind that virtue which is practiced for others to see is a false virtue."

"The soul must never congratulate himself on any virtue. This is a snare of evil. Do not be self-satisfied on any account. Always look and pray for a way to improve.

Then, God, in His Mercy, will enlighten your spirit and draw you closer to Himself."

"Humility allows the person to see himself as God sees him. In this Light of Truth, self-knowledge is granted which is invaluable in the spiritual journey. The humble soul embraces it."

Read 1 Corinthians 4:6-7

I have applied all this to myself and Apollos for your benefit, brethren, that you may learn by us not to go beyond what is written, that none of you may be puffed up in favor of one against another. For who sees anything different in you? What have you that you did not receive? If then you received it, why do you boast as if it were not a gift?

September 11, 2014 / Public

St. Francis de Sales says: "Praise be to Jesus."

"Please allow me to continue speaking about humility. Since humility is Truth just as Holy Love is Truth, the lack of humility supports untruth. Flaws in Truthful humility result in disordered ambition and arrogance. The soul sees himself as important beyond merit. He desires power and control and all the things that help him gain these, such as money, lofty reputation, important friends and anything else that feeds his desires."

"Lack of humility weakens the virtuous life. The weaker the humility of heart, the less holy the soul. Such a one cannot accept Truth as Truth for his own desires get in the way. Lack of or weak humility leads to disordered goals."

"I tell you these things as every compromise of Truth or abuse of authority follows on the heels of weakness in humility and Holy Love."

Read Luke 14:11

For every one who exalts himself will be humbled, and he who humbles himself will be exalted.

"Today, I have come to address all those who oppose these Messages. Do you not comprehend you are opposing Me? I give you the grace to believe with every breath you take. Your next breath is always My Mercy. I will never stop seeking your welfare - your salvation - and your belief in these Messages."

"It is your own pride which twists and convolutes Heaven's Words. Only evil would oppose Holy Love - My Two Great Commandments of Love. Evil does not know Truth."

"I call you to live in the Truth of Holy Love."

"I am your Jesus, born Incarnate."

"So often, words and actions do not bespeak the inner actions of the heart. A person may, for all intents and purposes, give the appearance of being holy, but it is what is in his heart that counts. The depth of holiness is commensurate with the depth of Holy Love and Holy Humility in the heart."

"Appearances may look good, but in the heart may be hidden much self-interest leading to treacherous ambition, guile and even a false conscience. This is a particular danger in the heart of one of much influence or authority. In such a case, people in general look at title or position or rank and do not look at what may be in the heart."

"It is possible to discover what lies within the heart of another without judging. You must watch small actions which often go unnoticed by most. Look through the eyes of Holy Love and Holy Humility. If you feel uncomfortable with a person, there is probably a reason. Ask the Spirit of Truth to enlighten you. If there is a genuine need for you to know the inner workings of another's heart, you will."

"I tell you these things for these times are treacherous. There are many who present a public image while believing nefarious things in their hearts."*

**Through the Holy Spirit pray the Seal of Discernment will inflame your heart always with Truth in every circumstance in seeking enlightenment.*

Blessed Mother says: "Praise be to Jesus."

"Today, I have been sent to address all Church leaders. Dear sons, your silence on the topic of terrorism is deafening. Gruesome crimes are being committed in

the name of religion. Whole nations are being overpowered by violence. What is your stand? Remember, not to choose a side is to choose. You cannot tolerate any sin without condoning it."

"Each of you has been given the role of leadership within Church circles. When you stand before My Son, He will ask of you an accounting. It will not matter who agreed or disagreed with you in the world. What will matter is, did you pander to evil or did you support righteousness?"

"You cannot lead in silence. You must make known your support for righteousness in order to be a righteous leader. Live up to the office you have been given without fear, but trust. Not to do so is to usurp your power."

"The Church is in the world and must lead its followers through these perilous times. If violent terrorists say they are acting in the name of their god, who are you acting on behalf of by remaining silent? You must act in holy boldness without fear of reprisals."

"Leadership grants you a very definitive role in the world today. Use it to build up the Kingdom of God in Truth."

"Bring souls into the Light of Truth."

September 15, 2014 / Feast of Our Lady of Sorrows

Our Lady comes as Our Lady of Sorrows. She says: "Praise be to Jesus."

"My daughter, My Heart suffered just as My Son's Mournful Heart continues to suffer today - for the abuse of authority and the compromise of Truth. These are the swords which still pierce My Heart even as I speak to you this morning. These swords will not be removed until My Son's Triumphant return."

It is these sorrows which cause false religions, terrorism and silence in the face of many sins - sodomy, abortion and every form of transgression against Holy Love. Silence is the same as tolerance. Tolerance is the same as condoning."

"So you see how My Heart mourns for the sake of mankind today. Evil does not waiver in its resolve to win over the heart of the world. You, who listen to Me, must make every effort to make Our United Hearts known so

that the world can consecrate its goals to this good and turn away from evil."

"My Son's Arm of Justice grows anxious and weary. I can barely hold it back. Take seriously My plea. I pray for all to recognize the Truth."

Read Colossians 3:5-6

Put to death therefore what is earthly in you: immorality, impurity, passion, evil desire, and covetousness, which is idolatry. On account of these the wrath of God is coming.

"The fulfillment of My Commandments is what will save the world from wars, terrorism and disasters. These Commandments are encapsulated in Holy Love. It follows that those who oppose Holy Love, oppose Me."

"I have taken this property - a wilderness * - and transformed it into a sanctuary of great favor and peace [Maranatha Spring and Shrine]. It is here souls are offered, with certainty, every possible grace to transform their lives and to be saved from the treachery of Satan."

"These are serious times when souls seem unable to distinguish good from evil. This is why I offer, here, the Seal of Discernment. The values of the world have produced an acceptance of evil, and this acceptance has become more important than the Light of Truth to many. Now, you live in a society of moral decadence. The righteous are persecuted for opposing this degeneration."

"You must be brave in your convictions. Do not give in to moral relativism. Here, on the property, I will give you the strength of perseverance in the Truth. I will give you My Blessing of Truth."

Finally, brethren, pray for us, that the Word of the Lord may speed on and triumph, as it did among you, and that we may be delivered from wicked and evil men; for not all have faith. But the Lord is faithful; He will strengthen you and guard you from evil. And we have confidence in the Lord about you, that you are doing and will do the things which we command. May the Lord direct your hearts to the love of God and to the steadfastness of Christ.

"There will always be injustice in the world so long as there is sin. There will always be sin in the world so long as there is compromise of Truth and the abuse of authority."

"My Heart burns with the desire to correct the conscience of mankind. The heart of man, however, gives in to confusion. He blindly obeys those who should be challenged, and he rebels against and persecutes those who live in the Truth."

"Every soul is precious to Me and deserves to be shown the Light of Truth. As these times are so evil, I will continue to reach out to all people and all nations through this messenger and at this hallowed site [Maranatha Spring and Shrine]. I will offer My Blessing of Truth to all who come with a sincere heart. This Blessing [of Truth] will reveal self-knowledge to the soul to deepen his spiritual journey into the Chambers of Our United Hearts. Confusion as to what leadership is worthy in My Eyes will be lifted. Thus, the soul will be less likely to support or follow untruth and corrupt leaders. The soul will more easily distinguish good from evil."

"All of this is given to strengthen the Remnant; for the time is already upon you when evil is touted as good and good as evil."

"Wake up and listen."

Read 2 Timothy 4:1-5

I charge you in the presence of God and of Christ Jesus who is to judge the living and the dead, and by His appearing and His Kingdom: preach the Word, be urgent in season and out of season, convince, rebuke, and exhort, be unfailing in patience and in teaching. For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own likings, and will turn away from listening to the Truth and wander into myths. As for you, always be steady, endure suffering, do the work of an evangelist, fulfill your ministry.

Maureen asks: "Jesus, what is the difference between the Seal of Discernment and the Blessing of Truth?"

Jesus says: "The Blessing of Truth more specifically helps the soul to discover the compromise of Truth and abuse of authority in leadership."

Maureen asks: "Is it retroactive, covering those who already came here?"

Jesus says: "No."

Maureen asks: "Must the person come to the property to receive it?"

"You are asking about My Statement that the Blessing of Truth will be given to those with a sincere heart who come to the property [Maranatha Spring and Shrine]. A sincere heart is a heart free of any hidden agenda towards faultfinding in regards to the Mission. This is reminiscent of My instructions concerning discernment. Discernment is not an investigative process looking to support a pre-conceived notion.* True discernment searches out the Truth and is open to the Truth."

"Many come here hoping to find negatives and to support rash judgment. I will withhold My Blessing of Truth from such as these; but to those to whom I extend this Blessing, Truth will be revealed. They will be enlightened as to where the compromise of Truth lies and as to who is abusing power. These are the ones I will shelter in My Mournful Heart."

** A pre-conceived notion is an opinion one holds without searching for Truth. Jesus has provided Messages previously regarding the difference between opinion and discernment.*

"I call you now to understand that the beginning and the end have insidiously taken place in hearts and in the world. The age of doubts and compromised Truth is upon you - an age when the true Faith will be challenged and has begun."

"It is the end, and has been an end to innocence. Modern media and social communication have placed sophistication in the forefront and bartered simplicity for self-interest and immediate gratification."

"But, I am calling the Remnant with greater meaning to a deeper faith and to persevere in the face of unwarranted attacks upon Truth and unprecedented abuse of authority. Be strong in faith as Abraham was strong. Persevere in your convictions of faith as Noah persevered. Do not accept anything less than the Traditions handed down to you from generation to generation. Fly to Mary, the Protectress of your faith. She

will hear your cries and guard your most important possession - your faith. She will not fail you."

Read 2 Thessalonians 2:13-15

But we are bound to give thanks to God always for you, brethren beloved by the Lord, because God chose you from the beginning to be saved, through sanctification by the Spirit and belief in the Truth. To this he called you through our gospel, so that you may obtain the glory of our Lord Jesus Christ. So then, brethren, stand firm and hold to the Traditions which you were taught by us, either by word of mouth or by letter.

Read 1 Timothy 1:18-19

This charge I commit to you, Timothy, my son, in accordance with the prophetic utterances which pointed to you, that inspired by them you may wage the good warfare, holding faith and a good conscience. By rejecting conscience, certain persons have made shipwreck of their faith.

September 19, 2014 / Feast of Our Lady of La Salette

Our Lady appears as Our Lady of La Salette. She says: "Praise be to Jesus." She has tears streaming down Her Face.

"Dear children, such was My appearance at La Salette, where I wept for the foul language being used by so many and the way the Sabbath was profaned. How much more do you suppose I weep today?"

"Most of My interventions subsequent to La Salette have gone unheeded - even met with contempt. Heaven has given many graces in many areas of the world, but they have been opposed and the underlying Truth compromised."

"Sin is in vogue and even given legal approval. The conscience of the world no longer reflects the Truth of the Gospel Message. Therefore, dear children, your Heavenly Mother continues to weep."

"You can console Me by your efforts in prayer and sacrifice. Never believe any sacrifice to be unworthy. Give Me the sacrifice of forgiving those who oppose you. Yes, recline in peace in the arms of forgiveness. Your prayers, when based on a peaceful spirit, are most powerful. Pray that such peace becomes contagious throughout the world. Wipe My Tears with the humility of your forgiveness of heart."

Read Galatians 5:25-26

If we live by the Spirit, let us also walk by the Spirit. Let us have no self-conceit, no provoking of one another, no envy of one another.

September 19, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, accept the cross and victory as one. This is your surrender to Me; then, I can use you as My perfect instrument in the world."

"Tonight I'm extending to you My Blessing of Truth."

September 19, 2014 / Public

"I am your Jesus, born Incarnate."

"I have given you these meditations on the Way of the Cross to highlight the differences between those who embrace the cross and those who reject it."

Maureen asks: "Is it public?"

Jesus says: "Yes - very public. It can be meditated upon before or after the soul makes the Way of the Cross."

A DESCRIPTION OF THOSE WHO REJECT THE CROSS

1. JESUS IS CONDEMNED TO DEATH

"They complain about every obstacle and do not offer them to Me."

2. JESUS CARRIES HIS CROSS

"They do not see their own guilt in My Cross."

3. JESUS FALLS THE FIRST TIME

"Do not recognize sin in their lives or the fall from grace."

4. JESUS MEETS HIS MOTHER

"Attached to any relationship that furthers his personal agenda."

5. SIMON UNWILLINGLY HELPS JESUS CARRY HIS CROSS

"Very unwilling to sacrifice - impatient with crosses."

6. VERONICA WIPES THE FACE OF JESUS

"Unwilling to stand out in a crowd to support Truth."

7. JESUS FALLS THE SECOND TIME

"Does not see sin in his life despite his many falls."

8. JESUS CONSOLES THE WOMEN IN JERUSALEM

"Closes his heart to My grace and consolation."

9. JESUS FALLS A THIRD TIME

"Despite My support to repent - still slips into sin."

10. JESUS IS STRIPPED OF HIS GARMENTS

"I cannot strip such a soul of disordered self-love unless he wills it."

11. JESUS IS NAILED TO THE CROSS

"Is unforgiving towards those who oppose him."

12. JESUS DIES ON THE CROSS

"Holds no love in his heart for his enemies or for God's Will."

13. JESUS IS TAKEN DOWN FROM THE CROSS

"Does not rest in Blessed Mother's Arms in life or in death."

14. JESUS IS LAID IN THE SEPULCHRE

"I can find no rest in such a heart."

September 20, 2014 / Public

"I am your Jesus, born Incarnate."

"I tell you, solemnly, I saw these times from the Cross; these times when the Tradition of Faith would be challenged and viewed as 'out of touch' with current thinking. I prayed that these times would not swallow up souls whose place is in Heaven with Me."

"Now the evil is here! Consciences are so compromised they do not even search out the Truth. Those in authority too often abuse their position and lead souls astray; but I am preserving for Myself a strong Remnant - a chosen lot who will persevere in faith and be protected by My Mother, Protectress of the Faith. Cling to this hope!"

Just, Fair Leadership vs. Disordered, Abusive Leadership

"I am your Jesus, born Incarnate."

"I'm going to give you a graphic on the difference between good and fair leadership and disordered, abusive leadership. This applies to any person of influence over others."

JUST, FAIR LEADERSHIP	DISORDERED, ABUSIVE LEADERSHIP
- Clearly defines the difference between good and evil.	- Promotes confusion between good and evil.
- Always supports the Truth.	- Compromises the Truth.
- Has as his goal the welfare of his followers.	- Is chiefly concerned with his own popularity, position of authority and personal gain.
- Does not support error, no matter the cost.	- Gladly supports groups or ideologies that may support his interests or hidden agenda.

September 21, 2014 / Public

"I am your Jesus, born Incarnate."

"A telling sign of this age is that the difference between good and evil has been obscured by the compromise of Truth. In days past, this was not the case. The choices there, were clearly defined and it was easy to choose right over wrong. These days, however, Satan has made evil to look good and acceptable and good to look perverse."

"You must not let the law decide for you in moral decisions. Laws are made by humans, and, very often, humans bent on pandering to special interest groups who embrace sin. Your decisions must be based upon God's Will expressed in the Ten Commandments and in Holy Love. These days, the enormity of the world reflects the morals of Sodom and Gomorrah. If I wasn't pleased with them, why is it acceptable today to practice sodomy?"

"Many - millions - need to re-think their moral decisions and acceptance of evil over good."

"Do not be one who is fooled by the popular opinions of the day. Do not blindly trust all leaders. You are being tricked by Satan!"

"Console My Mournful Heart by re-evaluating what is good and what is evil in the Light of Truth."

Read Galatians 5:16-26

But I say, walk by the Spirit, and do not gratify the desires of the flesh. For the desires of the flesh are against the Spirit, and the desires of the Spirit are against the flesh; for these are opposed to each other, to prevent you from doing what you would. But if you are led by the Spirit you are not under the law. Now the works of the flesh are plain: immorality, impurity, licentiousness, idolatry, sorcery, enmity, strife, jealousy, anger, selfishness, dissension, party spirit, envy, drunkenness, carousing, and the like. I warn you, as I warned you before, that those who do such things shall not inherit the Kingdom of God. But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such there is no law. And those who belong to Christ Jesus have crucified the flesh with its passions and desires. If we live by the Spirit, let us also walk by the Spirit. Let us have no self-conceit, no provoking of one another, no envy of one another.

Read Genesis 19:24-25

Then the Lord rained on Sodom and Gomorrah brimstone and fire from the Lord out of heaven; and he overthrew those cities, and all the valley, and all the inhabitants of the cities, and what grew on the ground.

September 22, 2014 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, surrender your crosses to Me and I will help you carry them. You will see that they will be much lighter and tolerable if you accept them in this way."

"Tonight, I'm extending to you My Blessing of Divine Love."

September 23, 2014 / Feast of St. Pio of Pietrelcina

St. Pio of Pietrelcina says: "Praise be to Jesus."

"Look! The problem today is people do not believe in the Truth of God's Commandments. They convolute the Truth to believe in a false conscience instead of God's Word. Not only that, the ones who accept positions of authority in the world do not realize they are there to do God's Will by supporting His Commandments. They try to re-define sin as righteousness."

"God knows who they are and how they have abused the authority He has permitted them to have. It is to God Alone they are responsible first and foremost. Then, righteous responsibility to those under them falls in line."

Read Psalm 82

A Plea for Justice

*God has taken His place in the Divine Council;
in the midst of the gods He holds judgment:
"How long will you judge unjustly
and show partiality to the wicked?"*

*Give justice to the weak and the fatherless;
maintain the right of the afflicted and the destitute.
Rescue the weak and the needy;
deliver them from the hand of the wicked."*

*They have neither knowledge nor understanding,
they walk about in darkness;
all the foundations of the earth are shaken.*

*I say, "You are gods,
sons of the Most High, all of you;
nevertheless, you shall die like men,
and fall like any prince."*

*Arise, O God, judge the earth;
for to Thee belong all the nations!*

September 24, 2014 / Feast of Our Lady of Ransom

Blessed Mother says: "Praise be to Jesus."

"Every war that is in hearts is a struggle between good and evil. Every war in the world is a battle of good against evil. If souls were not so compromised in the Truth of what is good and what is evil, the world would be at peace. As it is, evil hearts foolishly believe their battle supports good."

"This is the reason I come to you - to bring you Truth and to expose Satan's lies. You can never have true peace unless it is based upon the foundation of Holy Love. False peace crumbles away just as falsehoods crumble and dissolve in the Light of Truth."

"I bring you True Peace in My Immaculate Heart."

Read Luke 6:45

The good man out of the good treasure of his heart produces good, and the evil man out of his evil treasure produces evil; for out of the abundance of the heart his mouth speaks.

September 25, 2014 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, I invite all people and all nations to take off the old and put on the new. The only way to accomplish this is through forgiveness. Then, once reconciled with one another, you will be reconciled with God."

"It is only in the unity of forgiveness that wars will stop. Violence begets more violence. This is why the terrorism of abortion has led to terrorism in the world."

"Renounce all of this evil and forgive one another in Holy Love. God desires to be reconciled with you."

Read Ephesians 4:22-24, 32

Put off your old nature which belongs to your former manner of life and is corrupt through deceitful lusts, and be renewed in the spirit of your minds, and put on the new nature, created after the likeness of God in true righteousness and holiness...and be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you.

September 26, 2014 / Public

Blessed Mother says: "Praise be to Jesus."

"Today, I have come to address unbelievers and, in particular, those unbelievers who oppose Heaven's intervention here*. By your free-will choices, you are opposing the Truth. You are allowing the pride of self-righteousness to carry you away from the reality of the many graces offered here."

"You are unable to discern good from evil, as you desire this Mission and these Messages to be untrue [false]. This desire, which is grounded in disordered self-love, has clouded your spiritual vision. Begin to appreciate that God has not abandoned the world to the forces of evil today. In His Great Love for every soul, He is attempting to draw His children back into the Light of Truth through these Messages and all the attendant graces at this site [Maranatha Spring and Shrine]. If you oppose the Truth, dear children, you are living in darkness. Then, you are not building up the Kingdom of God, but are tearing it down."

"Look at the fruits of this Mission and the many souls that are being saved because of it. Can your opposition and unbelief boast of similar fruits?"

**This applies, particularly so, to the religious leaders of our day.*

Read Acts 5:38-39

So in the present case I tell you, keep away from these men and let them alone; for if this plan or this undertaking is of men, it will fail; but if it is of God, you

will not be able to overthrow them. You might even be found opposing God!

September 26, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite you to surrender to Me all your excesses, whether it be emotions, attachment to people or things, reputation - give it all to Me, so that I can make you simple vessels of Holy Love."

"Tonight, I'm anointing you with My Blessing of Truth."

September 27, 2014 / Public

"I am your Jesus, born Incarnate."

"My brothers and sisters, realize the evil times in which you now live. This is the season of error when sin is being re-defined and overlooked. It is the season of blasphemy and abomination, all designed by evil confusion. This is why I come to you with My Mournful Heart - calling you to recognize the abuse of authority and the compromise of Truth. This is why I graciously offer to you My Blessing of Truth."

"With this Blessing [of Truth], I am anointing you with apostleship. I am calling you to be apostles of Truth - the Truth of Holy Love. I am intervening in the conscience of man - helping him to see the difference between good and evil. I am helping mankind to see that not all authority is just authority and deserving of blind obedience."

"This is the hour when consciences must be well-formed in the Truth of good versus evil according to the Commandments. There must be no confusion. Confusion is a stumbling block on the road to salvation. The Commandments are not, and never have been debatable. Sin is sin. Do not choose to follow the most convenient or accommodating path. I call you into the Light of Truth. Choose it."

Read 2 Thessalonians 2:9-12

The coming of the lawless one by the activity of Satan will be with all power and with pretended signs and wonders, and with all wicked deception for those who are to perish, because they refused to love the Truth and so be saved. Therefore God sends upon them a strong delusion, to make them believe what is false, so that all may be condemned who did not believe the Truth but had pleasure in unrighteousness.

September 28, 2014 / Public

"I am your Jesus, born Incarnate."

"The heart of this Mission has always been the conversion and salvation of souls. I tell you, solemnly, no soul can be converted and saved unless he first recognizes and accepts the Truth. This Truth may be recognition of his own sins and subsequent repentance; or the Truth needed for conversion may be discovery of

the ways leaders have misled the soul to believe evil as good and good as evil."

"The heart of the Truth is the clear recognition of the difference between good and evil. This Truth must be based upon the Truth of the Ten Commandments and My Commandments of Holy Love. This is the soul of personal holiness."

Read 1 Peter 1:13-16, 22-23

Therefore gird up your minds, be sober, set your hope fully upon the grace that is coming to you at the revelation of Jesus Christ. As obedient children, do not be conformed to the passions of your former ignorance, but as He who called you is holy, be holy yourselves in all your conduct; since it is written, "You shall be holy, for I am holy."... Having purified your souls by your obedience to the Truth for a sincere love of the brethren, love one another earnestly from the heart. You have been born anew, not of perishable seed but of imperishable, through the living and abiding word of God.

September 28, 2014 / Public

"I am your Jesus, born Incarnate."

"I have anointed the crowds that come to the rosary service with My Blessing of the Truth; but this is My 'exclamation point' highlighting the importance of this Blessing upon hearts. The sincere of heart who come upon the property [Maranatha Spring and Shrine] receive the same blessing or anointing."

September 28, 2014 / Public

St. Gertrude says: "Praise be to Jesus."

"I have come to tell you this. The more influence a person has over souls, the more demons Satan assigns to him. Pray for all in leadership roles."

September 29, 2014 / Feast of the Archangels - St. Michael, St. Gabriel and St. Raphael

St. Michael the Archangel says: "Praise be to Jesus."

"Today, I come, as Jesus allows, to accentuate the importance of the knowledge of good versus evil. These days, Satan has successfully disguised evil as good. He does this by concealing hidden agendas, by using people of high authority and rank in the world, and by promoting within hearts love of worldly esteem, money and power. Such ambitions oppose humility and Holy Love."

"What people do not grasp, these days, is the importance of recognizing evil for what it is despite outward appearances. You must identify the enemy before you can fight him. Evil is most often disguised as good as a means of gaining a foothold in well-meaning souls."

"For these reasons, the Blessing of Truth and the Seal of Discernment offered here on this property [Maranatha Spring and Shrine] have added importance in the battle between good and evil. The Blessing of Truth gives the soul unwavering resolve to discover the Truth and to unmask evil."

"I am the Vanguard of Victory in every battle against the Dragon. God desires my Shield of Truth be placed over every heart, and in His Final Victory - over the heart of the world."

"Therefore, I stand guard over this property by my lake. The Heavenly Peace you feel here is under my protection. I extend my Shield of Truth to all who visit me here."

Read Psalm 5

Trust in God for Deliverance from Enemies

*Give ear to my words, O Lord;
give heed to my groaning.
Hearken to the sound of my cry,
my King and my God,
for to Thee do I pray.
O Lord, in the morning Thou dost hear my voice;
in the morning I prepare a sacrifice for Thee, and watch.*

*For Thou art not a God who delights in wickedness;
evil may not sojourn with Thee.
The boastful may not stand before Thy eyes;
Thou hatest all evildoers.
Thou destroyest those who speak lies;
the Lord abhors bloodthirsty and deceitful men.*

*But I through the abundance of Thy steadfast love
will enter Thy house,
I will worship toward Thy holy temple
in the fear of Thee.
Lead me, O Lord, in Thy righteousness
because of my enemies;
make Thy way straight before me.*

*For there is no truth in their mouth;
their heart is destruction,
their throat is an open sepulchre,
they flatter with their tongue.
Make them bear their guilt, O God;
let them fall by their own counsels;
because of their many transgressions cast them out,
for they have rebelled against Thee.*

*But let all who take refuge in Thee rejoice,
let them ever sing for joy;
and do Thou defend them,
that those who love Thy name may exult in Thee.
For Thou dost bless the righteous, O Lord;
Thou dost cover him with favor as with a shield.*

"I am your Jesus, born Incarnate."

"Today, I invite you to see that grace opens the door to miracles. It is mankind's response to grace that determines his openness to the miraculous. Very often graces are overlooked, but each present moment brings with it the Hand of Grace. Every present moment contains the grace to draw closer to Me."

"If you allow the grace of the present moment to transform your heart, you will journey deeper into the Chambers of Our United Hearts*. It is in this way you will soothe My Mournful Heart and make amends for the abuse of authority and the compromise of Truth. If, however, you do not use every opportunity to deepen your spiritual journey, you will be easy prey for evil suggestions. Truth will elude you and confusion will take over."

"If you are a person of influence over many, it is of grave importance that you take heed of My advice today!"

**This entails the soul's trustful surrender to the United Hearts. Increasing trustful surrender of the soul's heart allows the soul to journey deeper into, and through, the Chambers of the United Hearts.*

Read 1 Corinthians 5:7-8

Cleanse out the old leaven that you may be a new lump, as you really are unleavened. For Christ, our paschal lamb, has been sacrificed. Let us, therefore, celebrate the festival, not with the old leaven, the leaven of malice and evil, but with the unleavened bread of sincerity and truth.

September 30, 2014 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"The Truth separates and divides - good against evil. As Truth is compromised, the difference between good and evil becomes obliterated. This is why Jesus' Heart mourns today."

October 1, 2014 / Feast of St. Thérèse of the Child Jesus

St. Thérèse of the Child Jesus says: "Praise be to Jesus."

"I have come as Jesus commands to explain the difference between being childlike and childish. The soul who is childlike reflects simplicity and humility of heart. Such a one is very eager to please others. He trustingly takes on any task as a loving child would do to please his parents. He has no hidden or self-centered agenda."

"The soul who is childish, on the other hand, is self-centered, regarding everything as it affects himself. His focus is on pleasing himself and, in this regard, he becomes very manipulative."

"The childlike soul is a ready and willing instrument in the Hands of God. He is always willing to please. The childish soul weighs all his responses, words and actions on the scale of cost to self."

"These are very important points in the process of conversion of heart."

Read 1 John 3:1,18

See what love the Father has given us, that we should be called children of God; and so we are. The reason why the world does not know us is that it did not know Him...Little children, let us not love in word or speech but in deed and in Truth.

October 2, 2014 / Feast of the Guardian Angels

Alanus (Maureen's Guardian Angel) comes. He says: "Praise be to Jesus."

I (Maureen) asked him how he was.

He said, "I'm doing well according to God's Will. But, today, I have come to speak to you about the angels. Each angel has its own personality as you have noticed throughout the years. Some exude strength. Others are more docile. All, however, are powerful and protective and guide the souls in their charge to the Light of Truth."

"You asked St. Michael last night why the guardian angels were not doing their job in the world today. Each soul needs to be open to the positive guidance of their angels. Remember, St. Michael told you years ago that as much power as God has given him, he is completely helpless in the face of man's free will. The more man sinks into sin and away from God, the more difficult it is for him to recognize and respond to the positive suggestions of his angel."

"Some angels are, in particular, warrior angels. They are assigned to persons of influence in the world to combat the many demons assigned to these influential people and to help them to lead in righteousness."

"Every unborn child has an angel. If the baby is destroyed through the sin of abortion, the angel returns to Heaven. There are fierce battles being waged around and in abortion clinics."

"Good angels stand guard over good nations. Evil demons stand guard over nations governed by evil.* If a good and righteous nation begins a moral decline, the good angel watching over it is in constant battle. He may call in brigades of angels to his aid. Most nations previously on the side of righteousness but challenged by the abuse of authority and the compromise of Truth, find themselves in this situation today. Their angels are busy."

"Bodies of water have angels as well - some harmful to life; likewise in buildings and neighborhoods."

"Never cease calling upon your angels. We will help you in your every need. It is our duty and our joy."

* An example being today - ISIS.

October 3, 2014

"I am your Jesus, born Incarnate."

"You may wonder, My brothers and sisters, why the focus of this Mission is on personal holiness through prayer, sacrifice and the Triumph of Holy Love in hearts. It is only through the conversion of the heart of the world that My Victory will come. The heart of each individual comprises the heart of the world. Therefore, we must see the conversion of each and every heart as a step closer to My Triumph."

"The more hearts which are converted, the more My Mercy will overshadow My Justice."

Read Jonah 3:5-10

Synopsis: Conversion of Nineveh

And the people of Nineveh believed God; they proclaimed a fast, and put on sackcloth, from the greatest of them to the least of them. Then tidings reached the king of Nineveh, and he arose from his throne, removed his robe, and covered himself with sackcloth, and sat in ashes. And he made proclamation and published through Nineveh, "By the decree of the king and his nobles: Let neither man nor beast, herd nor flock, taste anything; let them not feed, or drink water, but let man and beast be covered with sackcloth, and let them cry mightily to God; yea, let every one turn from his evil way and from the violence which is in his hands. Who knows, God may yet repent and turn from His fierce anger, so that we perish not?" When God saw what they did, how they turned from their evil way, God repented of the evil which He had said He would do to them; and He did not do it.

October 3, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate."

"My brothers and sisters, today I urge you to surrender to the Truth of Holy Love - every soul and all nations. It is only in this way you can become instruments of My Father's Divine Will."

"Tonight, I'm extending to you My Blessing of Divine Love."

October 4, 2014

"I am your Jesus born Incarnate."

"My brothers and sisters, choosing right from wrong - Truth from untruth - is part of the human condition. I have come to you through these Messages of Holy Love to help clarify the path of good versus evil. You must still choose. My Father's Will for you is your salvation."

"Free your hearts of the burden of defending untruth which leads to your destruction. Support the Truth by filling your hearts with Holy Love."

Read 2 Thessalonians 2:13-15

Synopsis: Hold fast to Truth and Tradition

But we are bound to give thanks to God always for you, brethren beloved by the Lord, because God chose you from the beginning to be saved, through sanctification by the Spirit and belief in the Truth. To this He called you through our gospel, so that you may obtain the glory of our Lord Jesus Christ. So then, brethren, stand firm and hold to the Traditions which you were taught by us, either by word of mouth or by letter.

October 5, 201 / Respect Life Sunday

Blessed Mother says: "Praise be to Jesus."

"Dear little children, never before in history has it been so important that you look beyond title, authority and worldly esteem as it is today. You must look at words and, most especially, actions. God's Commandments were not given to some, but to all."

"If you perform good and charitable deeds but slander your neighbor, you are still guilty of sin. Be careful you do not rash judge or calumnize this Mission which has suffered so greatly because of these misdeeds. A lie is still a lie in God's Eyes."

"Resolve to speak only the Truth, thus performing God's Will. Search out the Truth before you speak. Do not let your actions contradict your words. Those in authority take note."

Read James 3:7-10

Synopsis: Unruliness - sinfulness of the tongue

For every kind of beast and bird, of reptile and sea creature, can be tamed and has been tamed by humankind, but no human being can tame the tongue—a restless evil, full of deadly poison. With it we bless the Lord and Father, and with it we curse men, who are made in the likeness of God. From the same mouth come blessing and cursing. My brethren, this ought not to be so.

October 5, 2014 / Sunday Service - Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace

St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, I have come to address the leadership in place within families. You must lead the family in your charge to avoid sin and to live in the Truth. You must be spiritual leaders first and foremost. If you do this, sound morals will be the good fruits of your labor. The virtuous life will flourish in your midst. Your families will be at peace."

"When there is disunity in the family, it is due to a disruption in Holy Love and in one or more hearts. Then it is up to the family leader to re-unite everyone spiritually in Holy Love."

"Tonight, I impart to you my Blessing of Fatherly Love."

October 6, 2014

"I am your Jesus, born Incarnate."

"The greatest portion of My Grace awaits the one who comes to the property [Maranatha Spring and Shrine] in simplicity. Such a one does not come looking for miracles or proof, but in Holy Love he comes here to please God."

"Do not fall into a certain spiritual self-satisfaction, feeling you have all the answers and can be told nothing new. The Holy Spirit refreshes every present moment in new and exciting ways when you are open to the Truth."

"Allow your pilgrimage here to be your gift to Me. I will shed light upon the path of Truth for you with My Blessing of Truth."

October 6, 2014 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I have come to help you in your ongoing battle to distinguish good from evil. You will have peace and security in your hearts if you obey the Truth, and so tonight I'm imparting to you My Blessing of Truth."

October 7, 2014 / Feast of Our Lady of the Holy Rosary
(This Message was given in multiple parts over several days.)

Blessed Mother is here as Our Lady of Grace. She is framed by the Rosary of the Unborn. She says: "Praise be to Jesus."

"I come to you today as your Mother, your Refuge, and Queen of the Most Holy Rosary. Jesus sends Me to tell you that unless mankind can recognize his own frailties before God, wars, terrorism and every type of moral degeneration will continue. As it is, man has taken on the role of God, making decisions which protect evil and destroy good."

"Dear children, these days, you are seeking human solutions to spiritual problems. Whole nations worship false gods and make violence into a religion. You concern yourselves with the economy, and yet your nation is spiritually bankrupt. The solution and your security is in your hands. It is the Holy Rosary. With the power of your rosary you can change hearts. You can convict the hearts of world leaders who abuse their authority and compromise Truth. You can convert the hearts of those who believe and obey corrupt leadership. You can stop wars."

"Dear children, I come to you on this Feast of the Most Holy Rosary to emphasize the importance of the rosary in the battle against the evil of these times. Evil is in position within the hearts of many world leaders. Satan's hallmark is confusion and untruth. Leadership is abused when human rights are abused. These days mark the times of far greater abuse of authority than any other. The term 'freedom' has become a catch word for acceptance of sin and atrocious abuse of leadership. God's Truth and His Authority are discounted, while mankind composes his own version of the 'Truth'."

"I tell you, solemnly, unless you pick up your rosaries and engage Satan in battle, grave consequences await you."

"I tell you, God has created the whole world for the benefit of mankind, yet man has taken God's Creation and misused it. Man does not see the Hand of God in the creation but, rather, his own human ingenuity. He sees himself as the creator and provider. Mankind does not comprehend his dependency upon God's gratuity, even unto his next breath! It is this attitude which places this generation in a precarious position and unable to distinguish good from evil. It is this attitude which pre-disposes mankind from turning to Me, picking up the rosary and engaging Satan in battle*. Dear children, be careful of this disordered self-dependency. Be God-dependent."

"All of the miracles I have worked throughout the centuries and so often at this site [Maranatha Spring and Shrine] through the grace of God, I count as miniscule compared to the graces poured out through one rosary prayed from the depths of the heart."

"My children, you can vanquish the enemy within hearts now - if you listen to Me."

"The heart of the world teeters on the abyss. It is the fervently-prayed rosary, which by My Son's Mercy, holds back earth's descent into disaster. The enemy does not want you to know this, but I am sent to you to reveal the difference between good and evil and to show you the path of victory."

"Dear children, your role in the future of the world is integral. If you pray many rosaries, a certain and dangerous threat to the world will be mitigated, perhaps averted. You must combine your prayers with love and humility giving all your efforts over to the Will of God. Never allow Satan to convince you that your prayers do not count. That is a lie. You strengthen the outpouring of My Grace with every Hail Mary."

"If you understood the intense need I have for your rosaries, you would never put them down. As it is, I can only warn you of ominous events which are fast approaching unless many rosaries alter the chain of events. Many lives and souls can be saved by your efforts."

"Dear children, before I leave you today, I will see into each and every heart. I will gather your petitions into My Immaculate Heart. When I return to Heaven, I will place them upon the altar of My Son's Most Sacred and Mournful Heart. I will give each of you what you need the most, although it may not be what you consider your greatest need."

"In return, I ask that you make the rosary a bigger part of your day. Pray for world leaders that they do not compromise the Truth or abuse their authority."

"It is the evil that is in hearts which threatens world peace and the future of the world."

"Dear children, today I remind you that Heaven weeps for the lack of discernment on the part of your leaders, between good and evil. If legalized abortion continues to be endorsed by world leaders, with certainty, the trials that I see coming will take place. You must use your rosaries to defend life in the womb. My children, I love you. I'm taking all your petitions with Me to Heaven as I said."

"Today I'm blessing you with My Blessing of Holy Love."

Synopsis: Put on the Armor of God

Finally, be strong in the Lord and in the strength of His might. Put on the whole armor of God, that you may be able to stand against the wiles of the devil. For we are not contending against flesh and blood, but against the principalities, against the powers, against the world rulers of this present darkness, against the spiritual hosts of wickedness in the heavenly places. Therefore take the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having girded your loins with Truth, and having put on the breastplate of righteousness, and having shod your feet with the equipment of the gospel of peace; above all taking the shield of faith, with which you can quench all the flaming darts of the evil one. And take the helmet of salvation, and the sword of the Spirit, which is the Word of God.

October 9, 2014

St. Peter is here and says: "Praise be to Jesus."

"The Mission here is, and always has been, the salvation of souls. The Messages given are scripturally sound*. They are Truth. Truth is based upon godliness. No one can claim to be an apostle or messenger of God who opposes the Truth."

"God, in His Mercy, has sent the Truth once again into the world through this Mission. My brothers and sisters, do you not understand the Truth in your midst? Do you not recognize God's call to you? Do not persist in your disbelief, but believe."

Synopsis: Model of Sound Teaching - Faith and Love in Christ as found in what contributes to holiness inspired by Scripture

Follow the pattern of the sound words which you have heard from me, in the faith and love which are in Christ Jesus; guard the Truth that has been entrusted to you by the Holy Spirit who dwells within us. ...All scripture is inspired by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work.

October 10, 2014

"I am your Jesus, born Incarnate."

"I tell you, solemnly, anyone who leads souls away from the Truth, leads souls away from their salvation. They make themselves obedient to Satan's lies and not obedient to righteousness, which is one with godliness. They are responsible for any souls lost under their influence."

Read Romans 2:5b-8; 6:16

Synopsis: God's Just Judgment

...when God's righteous judgment will be revealed. He will render to every man according to his works: to those who by patience in well-doing seek for glory and honor and immortality, He will give eternal life; but for those who are factious and do not obey the Truth, but obey wickedness, there will be wrath and fury. ...Do you not know that if you yield yourselves to any one as obedient slaves, you are slaves of the one whom you obey, either of sin, which leads to death, or of obedience, which leads to righteousness?

October 10, 2014

St. Francis de Sales says: "Praise be to Jesus."

"I tell you, it is the responsibility of all leaders, secular and religious, to lead according to the Truth. Upon this maxim, their souls will be judged. If they lead souls astray through factious slander or calumnies, and as a consequence, mislead others as to the Truth, they are answerable to the Just Judge, Jesus Christ."

"He who does not gather with Jesus, scatters. He who does not speak up for the Truth supports untruth. If you hold influence over souls, listen."

Read Ephesians 4:25, 29-32

Synopsis: Sins of the tongue - and their fruits - to be avoided

Therefore, putting away falsehood, let every one speak the Truth with his neighbor, for we are members one of another. ...Let no evil talk come out of your mouths, but only such as is good for edifying, as fits the occasion, that it may impart grace to those who hear. And do not grieve the Holy Spirit of God, in whom you were sealed for the day of redemption. Let all bitterness and wrath and anger and clamor and slander be put away from you, with all malice, and be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you.

October 10, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate."

"My brothers and sisters, once again, this evening, I ask you to ask for the strength to go deeper into Holy Love. For, in this way, My Kingdom on earth will be strengthened. You will be strengthened spiritually and the Remnant will be strengthened."

"Please pray for all those who will die on the battlefield or in the womb, within the next present moment."

"Tonight, I'm blessing you with My Blessing of Divine Love."

October 11, 2014

"I am your Jesus, born Incarnate."

"My brothers and sisters, you must pray for those who persecute you. These are evil times; times in which evil is taken as good and good as evil. Those who live in confusion very often accept title and position of authority as always right. In this confusion, they do not realize that title and

authority are human and subject to error, temptation and even selfish motives."

"You must pray for all leadership. Condense your daily effort towards this end. So many are being led astray by false pretenses and seemingly good objectives. Meanwhile, that which is truthful, righteous and worthy in My Eyes is being slandered."

"Pray that leadership receives the grace of discerning good from evil."

Read 1 Timothy 2:1-4

Synopsis: Prayer for those in Authority

First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all men, for kings and all who are in high positions, that we may lead a quiet and peaceable life, godly and respectful in every way. This is good, and it is acceptable in the sight of God our Savior, Who desires all men to be saved and to come to the knowledge of the Truth.

Read 1 Peter 4:7-8

Synopsis: Remain calm and pray in mutual charity

The end of all things is at hand; therefore keep sane and sober for your prayers. Above all hold unfailing your love for one another, since love covers a multitude of sins.

October 12, 2014

"Blessed Mother says: "Praise be to Jesus."

"I come to you today as your loving Mother - a Mother always concerned for the welfare of Her children. It is important these days that you be united in the Truth. Truth must be genuine - the honest representation of the facts. Today, many important issues are framed in legalities and are morally degrading. Leaders - secular, religious and heads of families are more concerned with popularity than the real Truth. Their way around this is to change the Truth, which, of course, never changes."

"People find it easier to applaud acceptance of sin than to stand up for moral righteousness. Dear children, you cannot be united in the Truth unless you first recognize and renounce untruth. So, My call to unity is, at once, a call to be separated from untruth and error. Truth divides, but Truth also unites."

Read 2 Timothy 4:3-5

Synopsis: Preach the Sound Doctrine of the Truth

For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own likings, and will turn away from listening to the Truth and wander into myths. As for you, always be steady, endure suffering, do the work of an evangelist, fulfil your ministry.

October 13, 2014

"Blessed Mother says: "Praise be to Jesus."

"Dear children, the challenge, these days, is to sort out the Truth from popular opinion. This is why I have been sent here - to help you to recognize the difference between good and evil. Truth is based upon godliness and cannot be changed by the whims of man. Sin redefined as a 'freedom' is still a sin in God's Eyes. Spiritual leaders fail when they

support what is popular and do not point out the Light of Truth."

"It is not meritorious in God's Eyes to gain many followers and much world support on behalf of error, while failing in responsibility to defend the Truth. I call you to be united in the Truth, yet, I tell you, as long as there is evil in hearts, Truth will divide."

Read Titus 1:1-2,15-16; 2:1

Synopsis: Pastoral Charge of Spiritual Leaders - to defend the Truth by pointing to godliness and denouncing uncleanness (sin).

Paul, a servant of God and an apostle of Jesus Christ, to further the faith of God's elect and their knowledge of the Truth which accords with godliness, in hope of eternal life which God, Who never lies, promised ages ago. ...To the pure all things are pure, but to the corrupt and unbelieving nothing is pure; their very minds and consciences are corrupted. They profess to know God, but they deny Him by their deeds; they are detestable, disobedient, unfit for any good deed. But as for you, teach what befits sound doctrine.

October 13, 2014 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, do not hold fear in your hearts for the future for what it may hold or for decisions that may be made which are erroneous. Know that I am in the future with My Grace. My Love is your constant. Do not fear, but trust."

"Tonight, I'm extending to you My Blessing of Divine Love."

October 14, 2014

"I am your Jesus, born Incarnate."

"It is a mistake to think that sin can be re-defined and evil transformed into good. This is the erroneous fruit of false wisdom. These days, mankind spends much effort on changing Truth into untruth and reconciling falsehood with good. You cannot transgress part of the law without failing in all of it."

"Do not take as your model those who live according to their own 'truth' - a 'truth' designed to encourage sin. Rather, model your lives after Holy Love which is My Truth and a path to salvation. Do not try to change the path I give you for the sake of selfish desires. You will lose your way. Pray for the grace to be sure-footed along this path of Truth - this path of Holy Love."

Read James 2:8-10; 3:13-18

Synopsis: True Wisdom vs. False Wisdom

If you really fulfil the royal law, according to the scripture, "You shall love your neighbor as yourself," you do well. But if you show partiality, you commit sin, and are convicted by the law as transgressors. For whoever keeps the whole law but fails in one point has become guilty of all of it. . . .Who is wise and understanding among you? By his good life let him show his works in the meekness of wisdom. But if you have bitter jealousy

and selfish ambition in your hearts, do not boast and be false to the Truth. This wisdom is not such as comes down from above, but is earthly, unspiritual, devilish. For where jealousy and selfish ambition exist, there will be disorder and every vile practice. But the wisdom from above is first pure, then peaceable, gentle, open to reason, full of mercy and good fruits, without uncertainty or insincerity. And the harvest of righteousness is sown in peace by those who make peace.

Read Romans 2:13

Synopsis: *Live according to the Truth of Natural Law, not according to one's own truth which is of no law*

St. Thomas Aquinas says: "Praise be to Jesus."

"I tell you, solemnly, sound doctrine is based on Truth. Truth is one with godliness. You must never give the appearance of tolerating sin, for to tolerate error is to condone it. Truth leaves no room for compromise. Truth does not pander after popularity, but remains the Truth always."

"You must hold no personal agenda in your heart if you are a leader. Put away all self-interest, all ambition towards self-gain, and all abuse of your authority. You do not garner merit with Me by having many followers, if you are leading them into error*. Let there be no uncertainty as to the path of Truth your followers must adhere to. Follow this path yourself as an example of Truth."

"Defend the Truth against all heresy."

Synopsis: *Preach the gospel, not from error or guile, but from Truth, which pleases God*

For our appeal does not spring from error or uncleanness, nor is it made with guile; but just as we have been approved by God to be entrusted with the gospel, so we speak, not to please men, but to please God Who tests our hearts.

Synopsis: *Judgment of God upon those who know the Commandments, yet do not correct those whose sin deserves death, and also upon those who may even applaud those whose sin deserves death*

Though they know God's decree that those who do such things deserve to die, they not only do them but approve those who practice them. . . . For he will render to every

man according to his works: to those who by patience in well-doing seek for glory and honor and immortality, he will give eternal life; but for those who are factious and do not obey the Truth, but obey wickedness, there will be wrath and fury.

"I am your Jesus, born Incarnate."

"Today, at My telling, a far more harmful disease is ravaging mankind than any virus heretofore known. It is the deadly, costly disease of spiritual apathy. The symptoms are as follows: failure to recognize good versus evil and, in its later stages, failure to care about the difference; disbelief in one or more of these - God, Heaven and Hell, Purgatory or Satan; failure to aspire to salvation; an absence of prayer in daily life; a false conscience which does not look for sin in his own soul."

"This disease, while at epidemic proportions, is not recognized by governments, news media or even guarded against in families. Here at this Mission and apparition site [Maranatha Spring and Shrine], I offer a Heavenly vaccination against this spiritual apathy. It is Holy Love in the heart. A heart steeped in Holy Love wards off spiritual apathy and boosts the immune system of right reason, safeguarding the soul from the compromise of Truth."

"But, as I offer the solution, the very nature of the disease denies the need for help. The cost is great - eternal damnation. While a physical illness may take your life, this spiritual illness can take your soul."

"How foolish, then, to ignore My Warnings and My Solution. Souls continue to contaminate those around them with their errors. You cannot buy or wear special clothing to protect yourself from this disease. The protection I give you is the strength of Holy Love in your heart."

Read Romans 6:20-23

Synopsis: *Slavery to Sin vs. Slavery to God*

When you were slaves of sin, you were free in regard to righteousness. But then what return did you get from the things of which you are now ashamed? The end of those things is death. But now that you have been set free from sin and have become slaves of God, the return you get is sanctification and its end, eternal life. For the wages of sin is death, but the free gift of God is eternal life in Christ Jesus our Lord.

"I tell you, the Commandments are not open to new and more liberal interpretations - interpretations more in line with man's sinful desires. Truth does not come to you on the breath of compromise. Truth is not subject to debate. Truth never changes for the sake of embracing mankind's heart. Mankind's heart must change to embrace the Truth."

"Once again, today I come to invite you to understand more clearly the times in which you now live. Church and world governments are divided - right versus left - conservative versus liberal. These factions come to light even in the midst of families. This Mission is a mission of Truth. Truth grounds policies in the reality of facts. These times have produced opinions apart from facts - apart from Truth. Whole governments and religions have embraced such error leading millions to their perdition."

"I must tell you that each soul will be judged on his judgment day according to My Truth - not some conspired truth authored to accept sin. Do you not see the necessity of complying with My Genuine Truth?"

"All alternatives to the Truth are Satan's lies. This is why My Sacred Heart is now My Mournful Heart. Compromise is one with deceit. This is how Satan tries to lure souls away from their own salvation. But I tell you, solemnly, it is every soul's responsibility to find My Truth, which is always based upon Holy Love, and to adhere to it. There is no other path of light."

"I have come to give you a lesson on peace. The peace you feel on this property [Maranatha Spring and Shrine] - this apparition site - is the genuine peace from Heaven. It is not based upon the false peace you think you receive from anything in the world - not money, power, reputation - not even approvals or even seeming disapprovals of evil."

"Heaven offers you here a foretaste of being in the Presence of My Son, the angels and the saints, and Myself. Here at this site, I wrap My Arms around you. I keep your problems far distant from you. I offer you the solace of My Immaculate Heart. You are given the grace to begin or to deepen your journey through the Chambers of Our United Hearts. Each soul is given the grace of lasting peace if he opens his heart to the Seal of Discernment and understands what is most important - his own salvation."

"You cannot receive this peace if you are still confused as to what is good and what is evil."

St. Francis de Sales says: "Praise be to Jesus."

"Please realize that the reason you have so much unrest in the world today is that souls believe in untruth. Truth divides, as it delineates good from evil. This is why you have factions in the world, both in secular and religious leadership."

"So the whole and complete issue at hand today is the acceptance or rejection of the Truth. God's Truth is based upon His Ten Commandments and His Commandments of Holy Love. God's Truth is Scripture. These support one another; but mankind has allowed his own will to become more important than any Truth. It is as though God is sewing a magnificent tapestry of the unfolding of human events, but free will is undoing the stitchery as it is sewn."

"Understand that if Truth divides good from evil, it is Truth that will be the Victory when Jesus returns. So, as this Mission is maligned for supporting and representing the Truth, when the New Era of Peace comes, it will be held up as an everlasting sign of Truth."

Synopsis: Diversity of graces to build up The Body of Christ until we all attain unity of The Faith through the knowledge and practice of The Faith in the Truth of Love

And his gifts were that some should be apostles, some prophets, some evangelists, some pastors and teachers, for the equipment of the saints, for the work of ministry, for building up the body of Christ, until we all attain to the unity of the faith and of the knowledge of the Son of God, to mature manhood, to the measure of the stature of the fulness of Christ; so that we may no longer be children, tossed to and fro and carried about with every wind of doctrine, by the cunning of men, by their craftiness in deceitful wiles. Rather, speaking the Truth in love, we are to grow up in every way into Him who is the head, into Christ, from whom the whole body, joined and knit together by every joint with which it is supplied, when each part is working properly, makes bodily growth and upbuilds itself in love.

Blessed Mother says: "Praise be to Jesus."

"By now it should be clear that all of earth's woes are the direct result of the convulsion of Truth in hearts. Every conflict - every faction - is the result of untruth versus Truth - evil versus good. What has caused this conflict is man's redefinition of sin and 'freedom' and the desire to pander to those who live in untruth. People's opinions have become more important than God's Laws [Ten Commandments]."

"In the midst of all of this confusion, I bring you this Mission of Holy Love, which offers the solution to every trouble through the spiritual journey through the Chambers of the United Hearts. Dear children, if you would concern yourselves with your own spiritual journey, the world situation would improve. The spirituality of every heart contributes to the spirituality of the whole world. No moment in time passes

without tugging at God's Mercy or inciting His Justice. It is by each one's efforts change can come, but you must pray, My children!"

"Pray that evil is recognized as evil. Pray that human life is valued as a gift from God. Pray that Truth reigns in the hearts of leaders and that sin is clearly defined as sin."

"I your Mother, hold you in My Heart. Allow Me to protect you from the evil compromise of Truth."

Read 1 Corinthians 4:6

Synopsis: Arrogance in redefining teachings and Scripture

I have applied all this to myself and Apollos for your benefit, brethren, that you may learn by us not to go beyond what is written, that none of you may be puffed up in favor of one against another.

Read 1 Thessalonians 2:3-4

For our appeal does not spring from error or uncleanness, nor is it made with guile; but just as we have been approved by God to be entrusted with the gospel, so we speak, not to please men, but to please God who tests our hearts.

October 22, 2014 / Feast of Pope Saint John Paul II

Pope St. John Paul II comes and says: "Praise be to Jesus."

"I come to you not only as Pontiff, but as priest. I tell you, this is a time in history when the Pope must make strides to unite the Church in the Truth. Within hearts are dangerous factions that would propose belief in sacramental life as a choice; yet souls would be able to partake in the sacraments despite lack of faith."

"Of course, this is true today in many individual cases; but, I am speaking of a time when faith will no longer be a general pre-requisite to a sacramental life."

"Pray for this Pope and all Cardinals and Bishops. Pray to Mary, Protectress of the Faith."

Read 1 Timothy 2:1-4

Synopsis: Prayer for Leaders in high positions

First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all men, for kings and all who are in high positions, that we may lead a quiet and peaceable life, godly and respectful in every way. This is good, and it is acceptable in the sight of God our Savior, Who desires all men to be saved and to come to the knowledge of the Truth.

Synopsis: Judgment of God on those who know the Commandments yet do not correct those whose sin deserves death

Though they know God's decree that those who do such things deserve to die, they not only do them but approve those who practice them.

Mary, Protectress of the Faith says: "Praise be to Jesus."

"In every age it has been true that faith has been challenged by heresy, by worldly influence and by the press of popular opinion. These days are no different. What is

different is the widespread acceptance of sin as a 'freedom'. The influential of this present age have pandered to Satan's agenda. Countless souls have slipped to their perdition as a result."

"What is of eternal value - Holy Love in the heart, a virtuous life and pursuit of personal holiness - is regarded as of little worth to most today. Faith is not seen as a gift from God, but as something to be challenged and questioned."

"This is why I am sent to you to guard and to protect your faith. Your faith is more valuable than your next breath. You do not see, nor do you need to know what challenges you will face tomorrow; but, today, pray, hope and persevere in faith. Call on Me when your faith is challenged. I will protect you."

Read 1 Timothy 1:18-19 *

Synopsis: Having faith and good conscience to fight the good fight

This charge I commit to you, Timothy, my son, in accordance with the prophetic utterances which pointed to you, that inspired by them you may wage the good warfare, holding faith and a good conscience. By rejecting conscience, certain persons have made shipwreck of their faith,...

Prayer to Mary, Protectress of the Faith

"Mary, protect my faith from all heresy. Protect my faith from popular opinion. Protect my faith from the desire to be accepted by others. Protect my faith from all doubts."

"Mary, Protectress of the Faith, strengthen me against all the temptations of the day. Help me to appreciate the priceless gift of faith God has given me. Please place my faith in the protection of your Immaculate Heart and assist me in defending the Truth. Amen."

October 24, 2014

"I am your Jesus, born Incarnate."

"The test of Holy Love in every heart is trust. The soul must love before he can trust. Love is the foundation of every virtue, but most of all, love lays the groundwork for trust. How often you say, 'I don't trust so and so!' Human frailties are the reason; but, if you love the weak person in Holy Love, then you are able to see that he is very capable of conversion, and you trust not so much in the person in question, but in My Grace to help him."

"I cannot call anyone to heroic virtue if he does not first love and then trust in Me. The path of perfection has many obstacles, but the soul can and will persevere if he trusts in God's Will for him. The soul who trusts only in himself and human effort is ultimately insecure."

"Do not place your trust in leaders too weak to depend upon God or who depend on false gods. The path they follow is the path to perdition. Trust is a sign of spiritual strength. Therefore, trust in God is a favorite target of the enemy. You cannot proceed through the Chambers of the United Hearts without Holy Trust. Pray for this virtue."

Read 1 Timothy 4:7-10 *

Synopsis: Avoid false asceticism and foolish teachings and work toward godliness (holiness) by which we hope (trust) in the living God, the Savior of all.

Have nothing to do with godless and silly myths. Train yourself in godliness; for while bodily training is of some value, godliness is of value in every way, as it holds promise for the present life and also for the life to come. The saying is sure and worthy of full acceptance. For to this end we toil and strive, because we have our hope set on the living God, who is the Savior of all men, especially of those who believe.

October 24, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says, "I am your Jesus, born Incarnate."

"My brothers and sisters, when you make atonement to Our United Hearts, the world is safer and more secure and the evil that is in some hearts is not acted upon."

"I welcome such atonement."

Mary, Protectress of the Faith comes and says: "Praise be to Jesus."

"I have come to tell you why My Title, 'Protectress of the Faith', is even more important today than it was decades ago when I asked for it. These days, people have made a false god of free-will choices. Anything they want is rationalized into legitimacy. Every type of pleasure becomes a need. Social media has made shipwreck of a conscientious sacramental life. Leaders are more interested in being accepted than in leading. Therefore, people are not concerned about sin or feel responsible for their own salvation. All of this bears witness to empty churches, closed churches and schools, and disrespect for the sacraments."

"Being that this is true today, who will have faith when even more confusion comes in the future? My children need to fly to My Protection more than ever as a cloud of division has settled upon the Church! I will not fail you in your hour of need. While many will only believe what is easiest to believe, I will guide you according to Tradition if you ask Me. I will not allow you to be dashed against the rocks of controversy. With a gentle, loving touch, I will guide your soul into the safe harbor of Truth."

"In all your confusion and doubts, speak My Name, 'Mary, Protectress of the Faith'. I will fly to your aid."

Read: 2 Thessalonians 2:9-12, 15 *

Synopsis: Prelude to the Second Coming of Christ

The coming of the lawless one by the activity of Satan will be with all power and with pretended signs and wonders, and with all wicked deception for those who are to perish, because they refused to love the Truth and so be saved. Therefore God sends upon them a strong delusion, to make them believe what is false, so that all may be condemned who did not believe the Truth but had pleasure in unrighteousness. ...So then, brethren, stand firm and hold to the Traditions which you were taught by us, either by word of mouth or by letter.

October 26, 2014

Mary, Protectress of the Faith says: "Praise be to Jesus."

"Today, I would like to address what causes the loss of the gift of faith. Free will must open the door to doubts. Doubts arise from affinity for the world: reputation, power, material goods or intellectual pride. This last threat to faith - intellectual pride - promotes the desire to question everything and to seek proof. But faith accepts that which cannot be proven by worldly standards. Faith believes in the unseen and that which is impossible to prove."

"These days, the heart of the world has surrendered to cynicism. The Truth is challenged and misrepresented. Faith is then compromised as Truth is compromised."

The struggle to maintain the faith becomes even greater when leadership does not take firm stands against sin and error, but supports a general confusion."

"I am always present to help those who struggle."

"Satan flees before My Title, 'Mary, Protectress of the Faith'. I desire, dear children, that you understand the true treasure that your faith is. It is the summation of your salvation."

St. Francis de Sales comes and says: "Praise be to Jesus."

"Please realize that not all who are in authority abuse their position. The difference is this: if the authority is used without regard for the welfare of the general public and without concern for the authority's own judgment before God, then the position of power is abused."

"The more the leader understands this, the more culpable he is before God. There are whole governments - indeed, whole religions guilty of abuse of power."

"Terrorism exists in the world today because of terror in the womb. However, abortion is accepted today because of the abuse of authority. It all comes back to the false conscience of leadership."

"So today, once again, I invoke the return of every conscience to Holy Love. This quiet, humble Message is the solution to all of earth's problems."

Read 1 Timothy 2:1-4 *

Synopsis: Prayer for leaders in high positions

I desire therefore, first of all, that supplications, prayers, intercessions, and thanksgivings be made for all men: For kings, and for all that are in high station: that we may lead a quiet and a peaceable life in all piety and chastity. October 27, 2014 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, Satan desires to keep your hearts bathed in anxiety, but I have come to ask you not to betray your trust in Me. Trust in My Mercy over the past and in My Grace in the future, then you will be at peace and you will be living in God's Divine Will."

"Tonight, I'm extending to you My Blessing of Divine Love."

October 28, 2014

"I am your Jesus, born Incarnate."

"I tell you, solemnly, evil is powerful in the world today as good does not unite to oppose it. For instance, Satan knows the power of this Mission and readily attacks it, but good does not unite in the defense of this good. Rather, it is scattered and confused as to the authenticity of these Messages and

apparitions. Satan has made it easier to disbelieve than to believe."

"This is why it remains so important that there is clarity between good and evil. The evil forces in the world today are not confused in their goals and in their support of one another. One evil goal is the confusion of those of good will. The evil forces today are united in this. Evil has succeeded in dividing good and in compromising the Truth."

"This is why I seek consolation of My Mournful Heart for the vast compromise of Truth and abuse of authority. Make every effort to make God's Truth known. Be united in this and do not seek opportunities to oppose one another. Support the Truth and attack evil together! Once you determine the path of Truth, do not doubt, but be firm in your resolve."

"Good must unite against evil in order to be victorious."

Read Ephesians 4:11-16 *

Synopsis: Diversity of graces among the faithful to build up the Body of Christ being unified to practice the Truth in love.

And he gave some apostles, and some prophets, and other some evangelists, and other some pastors and doctors, for the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ: until we all meet into the unity of faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the age of the fulness of Christ; that henceforth we be no more children tossed to and fro, and carried about with every wind of doctrine by the wickedness of men, by cunning craftiness, by which they lie in wait to deceive. But doing the Truth in charity, we may in all things grow up in Him who is the head, even Christ: from whom the whole body, being compacted and fitly joined together, by what every joint supplieth, according to the operation in the measure of every part, maketh increase of the body, unto the edifying of itself in charity.

"I am your Jesus, born Incarnate."

"I invite you to see that if these two sins could be conquered - the compromise of Truth and the abuse of authority - the heart of the world would be converted. It is these two errors against God's Will that obstruct the conviction of conscience. A soul cannot be consecrated to Our United Hearts without first purging himself of error in his own heart. Therefore, Truth must be victorious for Our United Hearts to be victorious. Our United Hearts must be victorious to transform the heart of the world."

"This is why the First Chamber of Our United Hearts, the Heart of My Mother, is so vital. The Flame of Her Heart burns away iniquity and reveals the way of perfection. No heart can wish its way to sanctity or perfection. Free will must move towards this transformation by an effort in Holy Love. This is why Our United Hearts, My Mournful Heart, and Holy Love all work together towards the conversion of the heart of the world."

"In the end, these three will triumph and there will be

peace in the world. Pray for this victory."

Who will render to every man according to his works. To them indeed, who according to patience in good work, seek glory and honour and incorruption, eternal life; but to them that are contentious, and who obey not the truth, but give credit to iniquity, wrath and indignation, tribulation and anguish upon every soul of man that worketh evil. . . For not the hearers of the law are just before God, but the doers of the law shall be justified.

Blessed Mother says: "Praise be to Jesus."

"Just as Purgatory prepares the soul in degrees of readiness to enter Heaven, so too, My Heart is a Vessel of preparedness for entrance into the Heart of My Son. There are different levels of readiness. The soul who first enters My Heart is shown the many ways he falls short of perfection and what he must do in order to advance into the Heart of My Son. But, so that the soul is not discouraged, he is supported in the desire to make changes in his life in order to proceed towards perfection."

"Some souls linger in My Heart, relapsing over and over into the same character flaws and sins. This is true of some poor souls in Purgatory, as well, that remain on the same level of preparedness for quite some time."

"Other souls advance quickly through My Heart, taking every opportunity to allow the Flame of My Heart to purge them of any iniquity. The difference in the soul that malingers and the soul that advances quickly is the depth of Holy Love in the heart, for Holy Love moves the free will forward to perfection."

"As the soul advances through the Chambers [of the United Hearts], he may find himself back in the Flame of My Heart from time to time to be re-purified in Holy Love."

"St. Joseph's Vestibule to My Heart is always crowded with those who wish to move forward, but rebel against any conviction of conscience. Their angels are working very hard to move their free will."

November 1, 2014 / Feast of All Saints

Blessed Mother says: "Praise be to Jesus."

"This is the age of the realization of much of Scripture. These are times of fulfillment of ancient prophecies, just as in the day when Christ came into the world. For that reason, God permits Scripture to be quoted with many of the Messages, as the Messages are supported by Scripture."

"Do not take Heaven's efforts here lightly - nor the abundance of apparitions and Messages for granted. Each one bears its own weight on the scale of God's call to be converted. You do well to listen sooner rather than later, for only the Father knows times and dates of specific happenings."

Read Isaiah 10:20-23 *

Synopsis: *Realization of the Remnant of Israel.*

And it shall come to pass in that day, that the remnant of Israel, and they that shall escape of the house of Jacob, shall lean no more upon him that striketh them: but they

shall lean upon the Lord the Holy One of Israel, in truth. The remnant shall be converted, the remnant, I say, of Jacob, to the mighty God. For if thy people, O Israel, shall be as the sand of the sea, a remnant of them shall be converted, the consumption abridged shall overflow with justice. For the Lord God of hosts shall make a consumption, and an abridgment in the midst of all the land.

Read 1 Thessalonians 2:13 *

Synopsis: *Acceptance by believers of the Truth of the Word of God.*

Therefore, we also give thanks to God without ceasing: because, that when you had received of us the word of the hearing of God, you received it not as the word of men, but (as it is indeed) the Word of God, who worketh in you that have believed.

November 1, 2014 / Feast of All Saints

"I am your Jesus, born Incarnate."

"I tell you, solemnly, Truth is the winnowing fan which separates good from evil. It is mankind's inability to recognize and accept Truth that causes him to follow blindly the road to perdition."

"The Truth has been corroded to a state unrecognizable, except by the very discerning. Sensuality has replaced prayer and sacrifice. Yet, such a radical change goes unnoticed by most."

"Pray that the Truth captures the conscience of the world."

November 2, 2014 / Feast of All Souls

St. Gertrude says: "Praise be to Jesus."

"I am sent to tell you that those who do not pursue and welcome self-knowledge as to their imperfections in Holy Love spend a much longer time in Purgatory. The heart of the soul must be open to the grace of self-conviction in order to be perfected in love. Therefore, it remains very much a matter of free will how much time the soul lingers in Purgatory."

"The greatest trial of the poor souls is not the flames but their separation from Jesus. In Purgatory, the soul experiences such a love for Jesus' Presence - all else seems unimportant."

"The poor souls cry out for your prayers and assistance. Offer any inconvenience and pain for these souls whose sufferings are untold."

Read 1 Timothy 4:7-9 *

Synopsis: *Have nothing to do with profane myths but train yourself in a life of piety.*

But avoid foolish and old wives' fables: and exercise thyself unto godliness. For bodily exercise is profitable to little: but godliness is profitable to all things, having promise of the life that now is, and of that which is to come. A faithful saying and worthy of all acceptance.

* -Scripture verses asked to be read by St. Gertrude.

November 2, 2014 / Feast of All Souls

"I am your Jesus, born Incarnate."

"When Truth is victorious in every heart, evil will be most easily discerned from good. There will be no more confusion in hearts and Our United Hearts will be Triumphant. I look with hope to that day of victory. Until then, these Messages will come into the world piercing the darkness and challenging the compromise of Truth."

"Follow the path of Truth I am here to lead you upon."

November 2, 2014 / Sunday Service - Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace

St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, every family should be like a little domestic church, with the father at the head, leading the rest in Holy Love. In this way the heart of the world can be converted."

"Tonight, I'm blessing you with my Blessing of Fatherly Love."

November 3, 2014

Blessed Mother comes as Mary, Protectress of the Faith. She says: "Praise be to Jesus."

"Dear children, sin is sin no matter who believes it or not. Do not accept new interpretations of right and wrong - good versus evil - because they are presented to you under any official capacity. Hold deep in your heart the tenets of faith and do not waiver according to modern redefinitions of sin or because of compassion towards the sinner."

"God's Mercy is upon the sinner and for that reason He sends this Mission into the world to bring the Light of Truth into hearts. Confusion is the order of the day. Black and white issues of sin have been painted gray. Consciences have been encouraged towards false ends."

"But this has not changed. Souls are still at stake and in jeopardy, even more so today due to advanced technology used to spread falsehood."

"Stay close to Me, dear children. Allow Me to protect your faith and your sense of right and wrong. I will help you to recognize the intrinsic evil of modern-day thinking. I will defend the Truth in your hearts so that you will not be deceived."

"Turn to Me. Hope in My protection of your faith."

Read 2 Timothy 1:13-14; 3:1-5 *

Synopsis: *Hold true to the tenets of faith and love learned in sound teachings (of the Church). Avoid teachers who are lovers of self, proud, pleasure seeking, haters of piety, and coveters of power and authority.*

Hold the form of sound words, which thou hast heard of me in faith, and in the love which is in Christ Jesus. Keep the good thing committed to thy trust by the Holy Ghost, Who dwelleth in us. ...Know also this that, in the last days, shall come dangerous times. Men shall be lovers of themselves, covetous, haughty, proud, blasphemers, disobedient to parents, ungrateful, wicked, Without affection, without peace, slanderers, incontinent, unmerciful, without kindness, traitors, stubborn, puffed up, and lovers of pleasures more than of God: Having an appearance indeed of godliness, but denying the power thereof. Now these avoid.

November 3, 2014 / Feast of St. Martin de Porres / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus and St. Martin de Porres are here. Jesus' Heart is exposed and He says: "I am your Jesus, born Incarnate."

St. Martin is holding a broom.

Jesus says: "My brothers and sisters, the way to sanctity, the way to proceed along the path of personal holiness, is to imitate this humble saint in service of others."

"Tonight, I'm extending to you My Blessing of Truth."

November 4, 2014

Blessed Mother comes as Mary, Protectress of the Faith. She says: "Praise be to Jesus."

"Today, dear children, I invite you to have faith and hope in My words to you. You are on the path of Truth and salvation if you practice Holy Love. Do not fear these times although they are evil. Rather, see the profound graces you are offered here by the Hand and the Voice of your Heavenly Mother."

"Though treachery and deceit are all around you, I invite you to hope as never before in My Protection. I will pull you from the snares of evil and bring you into the security of My Heart. All you need do is ask with hope in your hearts."

"No guile or hidden agenda will escape the Light of Truth in the end. Every heart will be laid bare."

Read Romans 8:24-25, 28 *

Synopsis: Have faith and hope in the Love of God who makes all things work together for the good.

For we are saved by hope. But hope that is seen, is not hope. For what a man seeth, why doth he hope for? But if we hope for that which we see not, we wait for it with patience. . . And we know that to them that love God, all things work together unto good, to such as, according to His purpose, are called to be saints.

* -Scripture verses asked to be read by Mary, Protectress of the Faith.

November 5, 2014

Blessed Mother says: "Praise be to Jesus."

"Dear children, once again, I invite you to see that this is not a time when seemingly good should oppose good. It is true that Truth divides good against evil, but if you think you are working for good, yet oppose others who also think they are working towards a good end, then Satan is in your midst."

"Suppose you have righteous goals and are able to impress many with eloquent rhetoric, but you come against Heaven's efforts at this apparition site [Maranatha Spring and Shrine]. There are many who choose such a path today; but in this divisive effort, you discourage prayer at this site and openness to Heaven's Messages here. Are you not co-operating with Satan? Certainly, God would not encourage such an effort. It is evil that encourages sanctimony. It is evil that opens the door to self-righteousness."

"Truth divides by separating good from evil. Truth does not divide one good against another good."

"Do not be so foolish as to decide against a good because others do not approve it. This is the age when, very often, the ones from whom you seek such approvals are themselves compromised and in error."

"Here at this site, you are given the grace to discern good from evil. This is more important than you realize. If you do not recognize your enemy, you cannot fight him."

Read 1 Corinthians 3:3, 4:5 *

Synopsis: Jealousy and opposition among Christians is not of God but of worldly men. Do not judge one another until the Lord comes and brings to light things hidden in darkness and the disposition of men's hearts.

For, whereas there is among you envying and contention, are you not carnal, and walk according to man? ...Therefore judge not before the time; until the Lord come, Who both will bring to light the hidden things of darkness, and will make manifest the counsels of the hearts; and then shall every man have praise from God.

November 6, 2014

"I am your Jesus, born Incarnate."

"Deceitfulness rises from the darkness within hearts. It is very often the bad fruit of jealousy. These days, many good works are thwarted by the compromise of Truth. I speak now to those who distort the Truth merely out of covetousness. Whatever you gain - whether it be inflated reputation, money or power - by such means will be taken from you either now in this life or at your judgment. Then you will be stripped bare and stand before Me without excuses. I will see what you have done out of love of Me and neighbor. You will be unable to hide behind compromise or lie your way around the reality of the Truth."

"It is towards your eternal welfare I tell you these things. Begin now to think, speak and act in the Truth over and above any self-interest."

Read Ephesians 5:1-2, 6-11 *

Synopsis: Live in Holy and Divine Love. Do not be led astray by those whose empty words cause disobedience to Holy Love, but live always as children of the Light of Truth.

Therefore be imitators of God, as beloved children. And walk in love, as Christ loved us and gave himself up for us, a fragrant offering and sacrifice to God. ...Let no one deceive you with empty words, for it is because of these things that the wrath of God comes upon the sons of disobedience. Therefore do not associate with them, for once you were darkness, but now you are light in the Lord; walk as children of light (for the fruit of light is found in all that is good and right and true), and try to learn what is pleasing to the Lord. Take no part in the unfruitful works of darkness, but instead expose them.

November 7, 2014

"I am your Jesus, born Incarnate."

"For everything there is a season - a season of folly, a season of wisdom; a season of doubt, a season of faith. There is a season of building up and of tearing down. You are living in a season of deceit, where good is concealed as well as evil."

"Because guidelines to salvation are obliterated by this deceit, this Mission of Holy Love has come into your midst to help you determine the path of Truth. Nothing that opposes your path of Holy Love is from Me, but is evil. No one can advance Satan's agenda and work for Me. Sin cannot be redefined as accomplishing some good. Good must not be portrayed as the relinquishing of rights."

"I can tell you these things over and over. You must live according to the Truth of My Words."

Read 1 Timothy 4:1-2, 7-8 *

Synopsis: *The Spirit of Truth in latter times will expose lying teachers who depart from the truths of the faith and its doctrines. . . Have nothing to do with those who offer profane myths, but train yourself in godliness.*

Now the Spirit manifestly saith, that in the last times some shall depart from the faith, giving heed to spirits of error, and doctrines of devils, speaking lies in hypocrisy, and having their conscience seared. ...But avoid foolish and old wives' fables: and exercise thyself unto godliness. For bodily exercise is profitable to little: but godliness is profitable to all things, having promise of the life that now is, and of that which is to come.

November 7, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed and says: "I am your Jesus, born Incarnate."

"My brothers and sisters, console Me, console My Most Mournful Heart. For it is by these, your efforts, I am able to expose evil and the deceit that lies ahead in the hearts of leaders."

"Tonight, I'm extending to you My Blessing of Divine Love."

November 8, 2014

Blessed Mother says: "Praise be to Jesus."

"No heart can be converted without first realizing that the path he has been following is erroneous. A conversion of heart means the turning away from error and the pursuit of the path of righteousness. So, it is paramount that the soul opens his heart to the Truth between good and evil."

"This is why Holy Love is so important during these days when error and sin are portrayed as a 'freedom' and good is acknowledged only as a closed heart. Without clear knowledge of the difference between good and evil, the soul cannot make righteous choices and therefore, cannot open his heart to conversion."

"Is it any wonder Satan paints good and evil with a gray brush?"

Read Romans 2:13 *

Synopsis: *Those who hear the Law of Holy Love and keep it in their hearts are just in God's Eyes.*

For not the hearers of the law are just before God, but the doers of the law shall be justified.

Read 1 Timothy 1:18-19 *

Synopsis: *Hold fast to the faith and guidance of good conscience that has been taught.*

This precept I commend to thee, O son Timothy; according to the prophecies going before on thee, that thou war in them a good warfare, having faith and a good conscience, which some rejecting have made shipwreck concerning the faith.

* -Scripture verses asked to be read by Blessed Mother.

-Scripture taken from the Douay-Rheims Bible.

November 9, 2014

Blessed Mother says: "Praise be to Jesus."

"Dear children, today I come, once again, to remind you that God looks only at the heart. How foolish then to waste time on the external and all that is passing. Do not make so much of reputation, appearance, wealth and status. Nothing that grants you power or influence over others is of eternal value either, unless you use it to build up God's Kingdom in hearts."

"Your peace and security must not be based on what you own or who you know. You must let your security be based on trust in the Lord. This same trust comes to you through your efforts in Holy Love."

"This is the reason My Son permits Me to continue to come here [Maranatha Spring and Shrine]. Your salvation must be your goal in life. Your salvation cannot be obtained if you do not love God above all else and your neighbor as yourself. This is Holy Love and the foundation of trust."

Read Romans 2:15-16 *

Synopsis: *Demands of Holy Love are written on men's hearts and their thoughts will accuse or defend them at the time of judgment.*

Who shew the work of the law written in their hearts, their conscience bearing witness to them, and their thoughts between themselves accusing, or also defending one another in the day when God shall judge the secrets of men by Jesus Christ, according to my gospel.

* -Scripture verses asked to be read by Blessed Mother.

November 9, 2014

"I am your Jesus, born Incarnate."

"Please understand the grave danger of disordered self-interest. This is the basis of all sin and error. Self-interest corrupts and divides. It is this same corruption of authority which compromises the Truth to advance abusive agendas."

"This is, unfortunately, the norm of this present age. Evil has taken over prominent hearts in the world today. Satan assigns a proportionate number of demons to souls according to the influence they have over others. These demons promote self-interest above all else. Thus, you have corruption of authority, loss of vocations and the illicit legitimacy of sins, such as adultery, abortion and sodomy."

"The victim of all of this is the Truth."

Read 1 Timothy 2:1-4 *

Synopsis: Prayers, petitions and intercessions should be offered for all men, but especially secular and religious leaders in authority.

I desire therefore, first of all, that supplications, prayers, intercessions, and thanksgivings be made for all men: for kings, and for all that are in high station: that we may lead a quiet and a peaceable life in all piety and chastity. For this is good and acceptable in the sight of God our Saviour, Who will have all men to be saved, and to come to the knowledge of the Truth.

* -Scripture verses asked to be read by Jesus.

-Scripture taken from the Douay-Rheims Bible.

November 10, 2014

Blessed Mother says: "Praise be to Jesus."

"Dear children, by now you must realize that every conflict is a battle in hearts of good versus evil. Souls who come here and receive the Seal of Discernment, as well as the Blessing of Truth, are not exempt from choosing untruth over Truth. This remains a matter of free will, which God does not interfere with. However, this Seal and Blessing help in more clearly defining good as opposed to evil, thus making it more difficult for the soul to oppose the Truth of good."

"It remains for the heart to be open to the Truth, avoiding any disordered self-interest or ambition. Those who come here are given every opportunity to believe in the Truth of this Mission but, ultimately, belief remains a matter of free will."

"It is here, on this property [Maranatha Spring and Shrine] and through these Messages [of Holy Love], that many battles are fought."

Read Ephesians 6:10-16 *

Synopsis: The warfare of Christians (whose strength comes from the Lord and His Power), is a spiritual warfare.

Finally, brethren, be strengthened in the Lord, and in the might of his power. Put you on the armour of God, that you may be able to stand against the deceits of the devil. For our wrestling is not against flesh and blood; but against principalities and power, against the rulers of the world of this darkness, against the spirits of wickedness in the high places. Therefore take unto you the armour of God, that you may be able to resist in the evil day, and to stand in all things perfect. Stand therefore, having your loins girt about with Truth, and having on the breastplate of Justice, and your feet shod with the preparation of the gospel of peace: in all things taking the shield of Faith, wherewith you may be able to extinguish all the fiery darts of the most wicked one.

"I am your Jesus, born Incarnate."

"The final victory will be the Victory of Truth over evil. This is the apocalypse. But, I warn you, the times leading up to it will be fraught with confusion. Good will be presented as evil and evil as good. Even now you see this to be true."

"My Remnant [Faithful] will be given the grace not to be

swayed by popular opinion, title or any self-interest. My Holy Remnant will plant their feet firmly in the Truth and, with My Mother's help, stand for the Truths of the faith."

"This is the age of apostasy and heresy, aided by the compromise of Truth and the abuse of authority. This Mission of Holy Love is the winnowing fan bringing to harvest all that is True."

Read 1 Timothy 4:1-2, 7-8 *

Synopsis: The Holy Spirit says that in later times, some will turn away from the Faith and will heed deceitful spirits and things taught by plausible liars - men who are false teachers with false consciences. ...Have nothing to do with profane myths that are taught, for the discipline of religion in Truth is incalculably more valuable than any physical training due to its promise of life everlasting.

Now the Spirit manifestly saith, that in the last times some shall depart from the Faith, giving heed to spirits of error, and doctrines of devils, speaking lies in hypocrisy, and having their conscience seared, but avoid foolish and old wives' fables: and exercise thyself unto godliness. For bodily exercise is profitable to little: but godliness is profitable to all things, having promise of the life that now is, and of that which is to come.

St. Thomas Aquinas says: "Praise be to Jesus."

"None of what is taking place in the world today makes any sense unless you understand God's Infinite Mercy. These days are all a part of His Mercy and a sign of grace; for as evil increases, the Lord is increasing the Remnant Faithful. As Satan's fingerprints are all over government leaders and their policies, good is becoming united despite some conflict."

"Remember, that trust in the Lord calls down God's greatest favor upon you, and do not lose hope."

Read 1 Thessalonians 1:2-3 *

Synopsis: Pray in thanksgiving always for the grace of proving your faith, laboring in love and showing constancy of hope in our Lord Jesus Christ.

We give thanks to God always for you all; making a remembrance of you in our prayers without ceasing, being mindful of the work of your faith, and labour, and charity, and of the enduring of the hope of our Lord Jesus Christ before God and our Father.

"I am your Jesus, born Incarnate."

"I tell you, solemnly, anything - thought, word or deed - which does not support the Truth of the difference between good and evil is not of Me and is evil. You have been given the Ten Commandments and the Commandments of Holy Love whereby to make your choices and decisions. It is man's erroneous free will which tries to obliterate this clearly defined line between good and evil."

"Do not second guess God's Laws to suit your own desires. Leaders bear the responsibility before Me to clearly mark the way of Truth for all whom they influence. Leaders must not give in to public pressure or opinions, but must stand firm in their definition of Truth. Leaders, secular and religious, are being called to unite their hearts to My Most Mournful Heart. We must work together towards the Victory of Truth and the revelation of all evil."

Read 1 Timothy 2:1-4 *

"I am your Jesus, born Incarnate."

"Today, I have come to speak to you about a very serious subject - the subject of sacrilege. Sacrilege is the deliberate disregard for something held sacred. These days, My Presence in the Eucharist is a prime example of sacrilege and, too often, by the most unlikely."

"There are Satanic forces in the world today who are dedicated to mocking and desecrating My Real Presence. There are others whose vocation it is to encourage belief in the Eucharist, but have given into disbelief."

"Then, of course, there is the scandalous thinking of liberally allowing those in the state of mortal sin to receive Me [in the Eucharist] as a sign of My Mercy - a clear sign of compromised Truth."

"Some of you may find this too conservative or too Catholic; but I call all souls to their salvation. If one group is slipping into error, I come to pull them back onto the path of their salvation and into the reality of truth. I speak to all souls and every nation."

"Console Me as I await you in the tabernacles of the world, for this is My Mercy."

Read Hebrews 6:4-6 *

Synopsis: Danger of Apostasy - having previously believed in the Truths of the faith and then fallen away, they crucify the Son of God and make Him a mockery and make difficult a renewal to repentance.

For it is impossible for those who were once illuminated, have tasted also the heavenly gift, and were made partakers of the Holy Ghost, have moreover tasted the good word of God, and the powers of the world to come, and are fallen away: to be renewed again to penance, crucifying again to themselves the Son of God, and making Him a mockery.

Read Romans 1:32 *

Synopsis: Deliberate disregard for the ordinance of God not understanding it deserves death; and applauding others for doing so.

Who, having known the justice of God, did not understand that they who do such things, are worthy of death; and not only they that do them, but they also that consent to them that do them.

November 13, 2014

"I am your Jesus, born Incarnate."

"I have to tell you that the reason sacrilege is not a concern today is because the concept of sin is disregarded. Hearts do not embrace 'Fear of the Lord' + or try to garner favor with Me before their final judgment. In short, souls do not accept their responsibility towards their own salvation."

"Much time is spent on pleasing self. Little thought or effort is surrendered to pleasing God. Pastimes become all-consuming and pleasure is the ultimate goal."

"So, you see how far self-love can carry you. The order of the day is extremes in every aspect of life. Self-interest is a god above all others. There is no time for reverence, prayer or even love of God, let alone respect for My Real Presence."

"I have given mankind every present moment with which to love Me. Instead, for the most part, he loves sensuality, pleasure and every form of self-interest."

"Once again, I tell you, you will be judged according to what is in your heart."

+ Fear of the Lord - one of the seven gifts of the Holy Spirit; this gift fills the recipient with loving reverence toward God and the desire to please Him in every way, following His Ten Commandments. This gift is especially lacking in awareness in souls who are neither baptized nor confirmed.

Read Romans 2:6-8, 13 *

Synopsis: The enactment of God's Just Judgment.

Who [God] will render to every man according to his works. To them indeed, who according to patience in good work, seek glory and honour and incorruption, eternal life: But to them that are contentious, and who obey not the Truth, but give credit to iniquity, wrath and indignation. ...For not the hearers of the law are just before God, but the doers of the law shall be justified.

November 14, 2014

Blessed Mother says: "Praise be to Jesus."

"Dear children, to everything there is a season. There is a season of want, a season of plenty; a season of faith, a season of apostasy. Take, for example, the simple snowflake - each one designed individually by God. They fall through the air and some land on the ground only to be trampled underfoot. Others land on the evergreens decorating them in beauty. But, each snowflake is short-lived and eventually melts. Its season is then over."

"To the individual soul, his season of existence begins in the womb at conception. His season of existence is already charted by God and comes to conclusion at, hopefully, his natural death. During the season of his life he will earn his eternal destiny. Comparatively, the soul's life in the world is short and melts away, sometimes more quickly than he would like."

"This [Holy Love] Mission is here like the evergreen tree that is adorned by the snowflake in due season. The Mission supports the soul while it is vital and alive. The soul is given the opportunity to beautify the Mission by merit of his prayers and good works."

"The Mission, like the evergreen, is hardy and thrives amidst adversity. It is always ready for the most needy soul, just as the evergreen is always present for the little snowflake."

"Dear children, in all of this, see God's Infinite and individual Plan for each of you and what beauty you can bring into the world."

Read Galatians 6:7-10 *

Synopsis: What a man sows, so he shall also reap. So, in doing good, do not grow tired in doing good to all; but especially to those of the household of faith, for in due time we shall reap if we do not relax.

Be not deceived, God is not mocked. For what things a man shall sow, those also shall he reap. For he that soweth in his flesh, of the flesh also shall reap corruption. But he that soweth in the Spirit, of the Spirit shall reap life everlasting. And in doing good, let us not fail. For in due time we shall reap, not failing. Therefore, whilst we have time, let us work good to all men, but especially to those who are of the household of the faith.

"I see you are enjoying your new puppy [Maureen's 8-week-old Golden Retriever - Annie] - God's Creation. I invite you to see that just as you are solicitous after the puppy's every need, so too am I solicitous after the needs of each one of My children. If your puppy gets into any sort of trouble or danger, you rescue her. I, too, desperately try to rescue My children when they are in danger."

"That is why I come here [Maranatha Spring and Shrine] to rescue My erring children from danger. You would be desperate, yourself, if your attempts at rescuing your puppy were met with indifference and failure. Imagine, then, My frustration in the face of so much unchallenged error in the world today. When you take your puppy out of danger, it is because you know the Truth of what the consequences of her behavior will be. I am trying to bring the Truth to light for this generation, so that a realization of the path they are following will bring them back to sound reasoning."

"You stand guard over your puppy with diligence and love. It is no different for Me - your Heavenly Mother - Who watches with diligence and love over every soul, desperately reaching out to those in error."

"As you watch your puppy and guard her well-being, pray for those of My children who refuse My help and even My Love. I will never abandon them. I am devoted to them more than you are devoted to that new puppy."

Synopsis: Practice of excellence of Holy Love.

Love is patient and kind; love is not jealous or boastful; it is not arrogant or rude. Love does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrong, but rejoices in the right. Love bears all things, believes all things, hopes all things, endures all things.

"Solemnly, I tell you, jealousy opposes the Truth just as any sin does. Jealousy focuses on self instead of love of God and neighbor. It is this same envy which results in slander, lying, stealing and every sort of debauchery."

"The enemies of this [Holy Love] Mission are inspired by jealousy. They want for themselves what Heaven has chosen for this Ministry. Many of the most prolific slanderers against Holy Love are those who aspired to lead the Mission, but were not chosen by Heaven to do so. Then, out of envy, they struck out in opposition against the Mission and My Father's Will."

"These same ones believe themselves to be living in the Truth and this Holy Mission to be wrong. They do not search their hearts for the pride of envy."

"This is why self-knowledge comes before any measure of holiness."

If we live by the Spirit, let us also walk by the Spirit. Let us have no self-conceit, no provoking of one another, no envy of one another.

Read 1 Corinthians 5:7-8 *

Synopsis: *Action to be taken with self-knowledge of immorality.*

Cleanse out the old leaven that you may be a new lump, as you really are unleavened. For Christ, our paschal lamb, has been sacrificed. Let us, therefore, celebrate the festival, not with the old leaven, the leaven of malice and evil, but with the unleavened bread of sincerity and Truth.

"Today, once again, I encourage you towards unity of heart. Where there is division, there is Satan. I did not promote in you the desire to fulfill this Mission for your own sake, but for the welfare of all. In order to succeed, you must die to self. Thus, losing so much self-interest, you will be prepared to defend good and expose evil."

"If your heart is filled with worldly concerns, opinions contrary to the Truth, or selfish goals, you cannot make room for the Holy Spirit in your heart. Then you are very easily misled. Then the Truth becomes hazy and compromised."

"Free your hearts of all self-interest and be united. Work together towards the common good of Holy Love."

Read Philippians 2:1-5 *

Synopsis: *Be unified in Holy Love and Holy Humility.*

So if there is any encouragement in Christ, any incentive of love, any participation in the Spirit, any affection and sympathy, complete my joy by being of the same mind, having the same love, being in full accord and of one mind. Do nothing from selfishness or conceit, but in humility count others better than yourselves. Let each of you look not only to his own interests, but also to the interests of others. Have this mind among yourselves, which was in Christ Jesus.

Blessed Mother comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, when you pray, let your prayers arise from a heart filled with Holy Love. It is what you hold dear in your hearts which counts in My Son's Eyes. If you hold valuable the goods of this world, others opinions or how everything affects yourself without regard for others, your

prayers are empty and passing like all the temporary things you hold in esteem. When you pray with love in your hearts, your prayers are eternal in value and affect souls, world conditions and the propensity of God's Mercy."

"The love in your heart when you pray, lights up the world with the Spirit of Truth, making all things new. Never allow Satan to discourage you from praying with Holy Love in your hearts. The enemy fears such prayers. I am using the Holy Love in your hearts to crush the head of the serpent. This is My Heel of his defeat."

Read Philippians 4:4-7 *

Rejoice in the Lord always; again I will say, Rejoice. Let all men know your forbearance. The Lord is at hand. Have no anxiety about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which passes all understanding, will keep your hearts and your minds in Christ Jesus.

Blessed Mother comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, I invite you to see that My Victory is your victory, as well. My Victory is the Victory of Holy Love in your hearts, for this is the fulfillment of the Commandments. Is it any wonder, then, that Satan opposes your acceptance of Holy Love in your hearts? The enemy does not want your salvation. He tries to weaken your belief in Holy Love, thus opposing My Triumph."

"The stronger the Holy Love in your hearts, the stronger the weapon in My Hands, for it is your efforts in Holy Love which defeat the enemy. All around you lies Satan's deceit - his compromised Truth. This is why it is so important to discern good from evil and to defend the Truth of good."

"My Son does not want you to succumb to any attack on Holy Love. Please understand, Satan knows the significance of Holy Love more than many of My children do. Expect the enemy's attacks and persevere in the Truth."

Synopsis: *Spiritual warfare: Satan vs. the Remnant Faithful*

Then the dragon was angry with the Woman, and went off to make war on the rest of Her offspring, on those who keep the commandments of God and bear testimony to Jesus.

November 21, 2014 / Feast of The Presentation of the Blessed Virgin Mary

Blessed Mother comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I come to you today as Refuge of Holy Love - a Sanctuary of the fulfillment of the Law.+ Please understand that any compromise of the Law to accommodate certain people or special interest groups is not from God. The Law

of Holy Love is complete and perfect and must never be reinterpreted - not in acceptance or rejection - in any part, but must be held firm in the Truth."

"This requires almost a scholarly effort in recognizing the Truth and in recognizing any compromise. This is why, dear children, I give you the Refuge of My Immaculate Heart, the Shelter of Holy Love, to protect you during these evil times. Once safe in My Heart, you will more readily recognize the arrows of evil which seek to destroy the Holy Love in your hearts."

+ The Law refers to the Ten Commandments

Read James 2:8-10 *

Synopsis: Fulfillment of the royal law (Ten Commandments) according to the Scripture is found in Holy Love. Showing partiality toward certain persons in departing from the law convicts one as a transgressor of the law.

If you really fulfil the royal law, according to the scripture, "You shall love your neighbor as yourself," you do well. But if you show partiality, you commit sin, and are convicted by the law as transgressors. For whoever keeps the whole law but fails in one point has become guilty of all of it.

November 21, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please understand that in order to persevere in trust, you must first persevere in love and humility. For these two are the basis of your trust."

"Tonight, I'm extending to you My Blessing of Divine Love."

November 22, 2014

"Today, I have come to speak to you about investments. Financial investments are towards worldly gain. It is this kind of investment that can lead to much greed and spiritual error. Financial investments chain the heart to the world. The type of investment I call you to is a spiritual investment in your own salvation. This type of investment is eternal."

"If you invest only in that which is passing, you really are unprepared for the future, for your future is in eternity. This future I speak of is only accessible through love of God and neighbor, which is Holy Love. So you see, in order to prepare for your future in eternity, you must invest now in thought, word and deed in Holy Love."

Read Titus 2:11-14 *

Synopsis: Grace of God transforms one's life from godless ways to live in the Ways of God for salvation. It was by Christ's Sacrifice it has been made possible for us to be redeemed and to become a people of His own.

For the grace of God has appeared for the salvation of all men, training us to renounce irreligion and worldly passions, and to live sober, upright, and godly lives in this world, awaiting our blessed hope, the appearing of the glory of our great God and Savior Jesus Christ, Who gave himself for us to redeem us from all iniquity and to purify for Himself a people of His own who are zealous for good deeds.

November 23, 2014

Blessed Mother comes as Mary, Protectress of the Faith. She says: "Praise be to Jesus."

"Today, dear children, I invite each of you to look into your hearts and recognize what is most important to you. Is it money, pleasure, power, reputation or some other disordered passion? I have come to tell you that it should be your faith anchored in Holy Love. All of these other things are passing, but your faith based on Holy Love will carry you into eternal life."

"You should regard your faith, then, as a priceless jewel of eternal value. Such a gem requires protection just as any earthly treasure would. You cannot place the jewel of your faith in any worldly security box or safe. You must place your faith in the Secure Refuge of My Immaculate Heart - Refuge of Holy Love. With a mother's tender care I desire to safeguard the treasure of your faith against Satan's attacks and temptations. Secured in My Heart, your faith will be safe from every marauder so long as you heed My warnings."

"A great portion of the Seal of Discernment discloses the enemy's covert actions and reveals his hidden agendas. If, together, we can disarm this lying spirit which deludes the unsuspecting heart, we will be victorious in protecting the faith in your heart."

"Be on guard and call upon me - Mary, Protectress of the Faith. Satan's compromise will be revealed and he will flee."

Read Colossians 2:8-10 *

Synopsis: Warning not to be deceived by false teachers who follow human ways rather than the Tradition of Faith. All believers share in the fullness of Christ, Who is the Head of all principalities and powers.

See to it that no one makes a prey of you by philosophy and empty deceit, according to human tradition, according to the elemental spirits of the universe, and not according to Christ. For in Him the whole fulness of deity dwells bodily, and you have come to fulness of life in Him, Who is the Head of all rule and authority.

"I am your Jesus, born Incarnate."

"My brothers and sisters, I come today to help you to realize that My Love and Mercy are one. They cannot be separated. Therefore, understand that in order to imitate My Mercy you must also love. You cannot forgive from the heart - a lasting, sincere forgiveness - unless you love, too."

Forgiveness is mercy in action and cannot precipitate from an unloving heart."

"Indeed, I tell you, the more sincere your love - the more sincere your forgiveness towards one another."

"I pour forth My Mercy into the world through My Divine Love. Hearts must open to My Love to receive My Mercy - My Forgiveness. It can be no different for any soul who seeks to forgive or to be forgiven. Love opens the doorway to forgiveness."

Read 1 John 2:9-10 *

November 24, 2014 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, as you give thanks over this holiday weekend, remember to thank The Eternal Father, for His Provision to you through this Mission. His Provision is Perfect and Plentiful."

"Tonight, I'm extending to you My Blessing of Divine Love."

November 25, 2014

"I am your Jesus, born Incarnate."

"I tell you, the soul of this nation is suffering as people have placed belief in popular opinion over the Truth. Understand how far from the Truth people have strayed, when the right to sin is championed and those who oppose sin are seen as the villains."

"Satan's kingdom is the world and all its allurements. His standards are reflected in violence, immorality and all that leads the soul away from his own salvation. But, Heaven is intervening here at this site [Maranatha Spring and Shrine] and at others throughout the world. Do not be so foolish as to ignore Heaven's call to return to righteousness. Do not misinterpret the Commandments by placing new and erroneous meanings on them. Keeping the Commandments is to maintain a healthy relationship with God. Redefining the Commandments fractures the relationship between God and man and calls upon Divine Justice."

"I depend on the prayers of the Remnant Faithful as protection against the flood of the compromise of Truth. You, the Faithful Remnant, are the way to reconciliation with the Divine Will of My Father. I am calling you to have a heart of courage, fortitude, and above all, Truth."

Read 2 Thessalonians 2:9-12 *

Synopsis: Description of the coming of the Antichrist and the prelude to the Second Coming of Christ.

The coming of the lawless one by the activity of Satan will be with all power and with pretended signs and wonders, and with all wicked deception for those who are to perish, because they refused to love the Truth and so be saved. Therefore God sends upon them a strong

delusion, to make them believe what is false, so that all may be condemned who did not believe the Truth but had pleasure in unrighteousness.

* -Scripture verses asked to be read by Jesus.

November 26, 2014

Blessed Mother says: "Praise be to Jesus."

"Once again, I come seeking the hearts of unbelievers. These errant children of Mine are choosing not to believe in grace - grace that leads to salvation, even sanctity."

"You must remember that God does not choose the most beautiful or most accessible sites for Heavenly Visitations; nor does He choose the most likely visionaries - but, often the least likely. Regardless, both the sites He chooses and the visionaries themselves become His vessels of grace. Your disbelief does not change God's choices. Your disbelief only distances you from grace."

"If you are open to the Holy Spirit - the Spirit of Truth - you will readily recognize the graces being offered at each apparition site. Every Heavenly intervention is meant to change hearts and bring souls closer to God. If you allow your pride to interfere through false discernment, you will never feel in your hearts what Heaven is offering. Do not set your hearts on disbelief - but believe."

Read Hebrews 2:4 and 3:7-8,12 *

Synopsis: Confirmation to believers of God's intervention by signs, wonders, manifold powers and imparting's of the Holy Spirit. Exhortation to unbelievers that if you hear the voice of the Holy Spirit in your hearts, harden not your hearts and do not turn away from the living God.

...while God also bore witness by signs and wonders and various miracles and by gifts of the Holy Spirit distributed according to his own will. ...Therefore, as the Holy Spirit says, "Today, when you hear His Voice, do not harden your hearts as in the rebellion, on the day of testing in the wilderness." ...Take care, brethren, lest there be in any of you an evil, unbelieving heart, leading you to fall away from the living God.

November 27, 2014 / Thanksgiving Day

Alanus (Maureen's Guardian Angel) says: "Praise be to Jesus."

"Today, I join you in giving thanks to God for all His Goodness and His Grace. Most especially, let us give thanks for the bounty of His Mercy which reaches from age to age and allows the world to continue despite its fall from grace."

"I give thanks for the graciousness of this Mission amongst error, for the Truth put forth in these Messages and the perseverance of all involved in their propagation. The Mission is God's grace in action."

"My prayer today is that all misunderstandings be resolved, that clarity be recognized between good and evil, and that every stage of life be respected. Join me in my prayer intentions."

Read Psalm 65 *

Thanksgiving for Earth's Bounty

To the choirmaster. A Psalm of David. A Song.

Praise is due to thee, O God, in Zion; and to thee shall vows be performed, O thou who hearest prayer! To thee shall all flesh come on account of sins. When our transgressions prevail over us, thou dost forgive them. Blessed is he whom thou dost choose and bring near, to dwell in thy courts! We shall be satisfied with the goodness of thy house, thy holy temple!

By dread deeds thou dost answer us with deliverance, O God of our salvation, who art the hope of all the ends of the earth, and of the farthest seas; who by thy strength hast established the mountains, being girded with might; who dost still the roaring of the seas, the roaring of their waves, the tumult of the peoples; so that those who dwell at earth's farthest bounds are afraid at thy signs; thou makest the outgoings of the morning and the evening to shout for joy.

Thou visitest the earth and waterest it, thou greatly enrichest it; the river of God is full of water; thou providest their grain, for so thou hast prepared it. Thou waterest its furrows abundantly, settling its ridges, softening it with showers and blessing its growth. Thou crownest the year with thy bounty; the tracks of thy chariot drip with fatness. The pastures of the wilderness drip, the hills gird themselves with joy, the meadows clothe themselves with flocks, the valleys deck themselves with grain, they shout and sing together for joy.

November 28, 2014

Blessed Mother says: "Praise be to Jesus."

"You see how difficult it is to train your puppy. Sometimes she is very obedient and other times she seems to forget everything and just wants to do as she wants. This is just a matter of her young age. But, My Jesus has the same difficulty with souls, only when souls follow their own will, it often results in the loss of their salvation."

"Sometimes souls are so full of self-interest that they cease to listen to the inner voice of the Holy Spirit. Then, they are open to evil inspirations - inspirations which catch them off guard and often present themselves as good and worthy."

"Puppies aren't expected to be able to discern good from evil. + However, the human soul must pray for this grace, otherwise his salvation is in jeopardy. With love you try to protect your puppy from any possible danger. So, too, and with Perfect Love, Jesus and I try to protect souls from danger. This is why we appear here [Maranatha Spring and Shrine] and tender forth these Messages. Spiritual danger is much more a threat these days than any physical threat, and you have physical threats all around you in the form of violence, terrorism and disease. Think, then, of the grave threat of your spiritual welfare. Every type of media has been infiltrated by evil. Politics and leadership is controlled by evil, while Truth struggles to make its voice heard. Consumerism, in many instances, has its motivation in evil."

"So, while the puppy will outgrow her willful behavior and become docile, the soul of mankind must first be convicted of error and choose to change. This is why I come - to change hearts."

+ Only humans are given the gift of free will by God. Thus they must pray for discernment - to distinguish and then, hopefully, choose good over evil.

Read 1 John 3:19-24 *

Synopsis: Importance of formation of a good conscience and keeping the Commandments of Holy Love.

By this we shall know that we are of the Truth, and reassure our hearts before Him whenever our hearts condemn us; for God is greater than our hearts, and He knows everything. Beloved, if our hearts do not condemn us, we have confidence before God; and we receive from Him whatever we ask, because we keep His Commandments and do what pleases Him. And this is His Commandment, that we should believe in the Name of His Son Jesus Christ and love one another, just as He has commanded us. All who keep His Commandments abide in Him, and He in them. And by this we know that He abides in us, by the Spirit which He has given us.

November 28, 2014 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, during this season which approaches My Birth, I desire that you surrender your hearts completely to Me, emptying them of all worldly allurements. Then I will fill your hearts with My Peace that surpasses all others."

"Tonight, I'm imparting to you My Blessing of Divine Love."

November 29, 2014

"I am your Jesus, born Incarnate."

"I tell you, solemnly, long-lasting peace can only come into the world through Holy Love. This is why Satan so vehemently attacks this Mission. This is the reason this Mission must stand firm in the Truth and not succumb to any compromise of the Truth or abuse of authority. We must stand together against false opinions and false investigations. We must continue to speak the Truth in the face of deceit and falsehood."

"You must not be so naïve as to think there is no collusion in positions of status, for title does not always equal righteousness and Truth. Holy Love must be your standard of discernment. I urge you not to judge any person or situation until you have all the facts. Often the Truth must be ferreted out for true discernment to come into play."

"Continue to be instruments of Holy Love in every situation."

Read 2 Timothy 1:13-14 *

November 30, 2014 / First Sunday of Advent

"I am your Jesus, born Incarnate."

"You have entered upon the season * of My Profound Merciful Love; the season in which I came to earth in humility to save souls. I am here with you at this prayer site [Maranatha Spring and Shrine], offering My Mercy and My Love. I refuse no one - not even the most proud, most stubborn heart. I am here for all - to save all with the graces given here and the warmth of My Love."

"No one can reach their salvation outside of My Love. Every soul is called to a special mission of love, which, in mercy, needs to be fulfilled."

"As My Mother waited for My Coming with great anticipation, allow your hearts to be caught up in joyful anticipation of the fulfillment of God's Promise."

Synopsis: *Similar to the introduction to John's Gospel, the author of John's First Letter testifies and gives personal witness to the appearance of the Word of Life made incarnate in the flesh - Jesus Christ.*

That which was from the beginning, which we have heard, which we have seen with our eyes, which we have looked upon and touched with our hands, concerning the Word of Life - the Life was made manifest, and we saw It, and testify to It, and proclaim to you the Eternal Life which was with the Father and was made manifest to us - that which we have seen and heard we proclaim also to you, so that you may have fellowship with us; and our fellowship is with the Father and with his Son Jesus Christ. And we are writing this that our joy may be complete.

"I am your Jesus, born Incarnate."

"Solemnly, I tell you, the problems of the world can be solved if souls would live according to the Law of Holy Love and be consumed with the welfare of one another. Instead, hearts are filled with envy and lust, which oppose the Fruits of the Spirit."

"I can tell you these things repeatedly, but it takes an act of free will to choose good over evil. These days, the media is consumed with charges of social discrimination,* while discrimination against the just goes unnoticed; once again, a grave sign of lack of discernment of good versus evil."

"Integrity is not synonymous with title and position. Integrity is reserved for those who base thought, word and action on the Truth. My Truth is love God above all else and neighbor as self. This is the resolution of all earth's woes. It remains that mankind chooses it."

* Reference to the Ferguson, Missouri case

Read Galatians 5:13-14 **

Synopsis: How Christians should live - not by sensuality (lust), but by the Law of Holy Love.

For you were called to freedom, brethren; only do not use your freedom as an opportunity for the flesh, but through love be servants of one another. For the whole law is fulfilled in one word, "You shall love your neighbor as yourself."

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I ask each of you - that you give Me the gift of your heart for Christmas. Do this by surrendering to Holy Love in every present moment."

"Tonight, I'm blessing you with My Blessing of Divine Love."

December 2, 2014

"I am your Jesus, born Incarnate."

"Once again, I tell you, worldly acclaim holds no value before Me in your judgment. I judge according to the Holy Love in your heart. Holy Love is always based upon honesty. The soul that is deceitful and full of wiles based upon self-interest has no integrity before Me."

"In all ways, live in the Truth. It is in this way, your salvation will not be jeopardized. Base your thoughts, words and actions on the Truth. Do not try to defend yourself or your position in the world by any compromise of the Truth. When you are honest in all ways, I am firmly your Advocate. Do not try to portray others as lacking in any way, thereby making yourself look better. In honesty, forgive those in whom you see error, for each soul is guilty of transgressions."

"If you live according to this pattern, you will have integrity in My Sight, which is more important than any reward the world could afford you."

Read Romans 2:6-8, 13 *

Synopsis: Just Judgment of God according to the Law of Holy Love that is lived or not lived.

For He will render to every man according to his works: to those who by patience in well-doing seek for glory and honor and immortality, He will give eternal life; but for those who are factious and do not obey the Truth, but obey wickedness, there will be wrath and fury. For it is not the hearers of the Law who are righteous before God, but the doers of the Law who will be justified.

"I am your Jesus, born Incarnate."

"This is a season of Love. This is a Mission of Love.* Your hearts and your lives need to be a reflection of this Love. Strike from your hearts any attitude which transgresses Holy Love. Let there be no animosity amongst you - no slander or negative talk. Allow Me to build up a foundation of Love in your hearts; then, upon this foundation, a firm purpose of holiness."

"There must be no untruth in your hearts, no deceit towards self-gain, no hidden agendas. All of these things are the bad fruit of disordered self-love. Instead, lose sight of yourselves and with loving hearts focus on the needs of others first. A loving heart is devoted to making others happy. It is in this way, you show your love for Me."

- * Specifically referring to Holy Love

Read Ephesians 4:29-32; 5:1-2 **

Synopsis: Avoid all sinful behavior (e.g., deceit, slander, calumny, bitterness, anger, unforgiveness, etc.) that reflects disordered self-love. On the contrary, live in Holy Love every present moment with kindness, mercy and forgiveness, reflective of Christ's Love for all.

Let no evil talk come out of your mouths, but only such as is good for edifying, as fits the occasion, that it may impart grace to those who hear. And do not grieve the Holy Spirit of God, in Whom you were sealed for the day of redemption. Let all bitterness and wrath and anger and clamor and slander be put away from you, with all malice, and be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you. ...Therefore be imitators

of God, as beloved children. And walk in love, as Christ loved us and gave Himself up for us, a fragrant offering and sacrifice to God.

St. Francis de Sales says: "Praise be to Jesus."

"During this present day, the meaning of Christmas has become a paradox. While it should be a celebration of the Birth of the Lord - the Word made Flesh - many celebrate only in a material way. Giving no longer holds the meaning of generosity and thanksgiving for favors rendered over the past year. Giving has been met with a greed for material things and the gifts that are passing have become the focus of celebration."

"In all of this frenzy for the things of this world, the King of this world - Jesus - has been forgotten. Jesus was born in the humblest of settings - a manger. He did not come with pomp, but with humility. Yet, the powers and rulers of the world feared Him. He came to proclaim the Truth - not to appear important. He came to challenge error - not to appease it. He did not wish to impress, but to convict consciences. In the end, He was stripped of all dignity and yet His Mission was successful."

"His life points the way past the frivolous and unnecessary goods of the world. His life highlights the importance of love in the heart."

"This Christmas let the Savior come into your heart - a heart emptied of worldly concerns. Allow Him to rest there in the manger of Holy Love that has transformed your heart."

Read Titus 2:11-14 *

Synopsis: Jesus came as our Savior, teaching us to reject all ungodly, worldly concerns and to live with Holy Love in our hearts, looking to Christ's example, Who gave Himself for our redemption.

For the grace of God has appeared for the salvation of all men, training us to renounce irreligion and worldly passions, and to live sober, upright, and godly lives in this world, awaiting our blessed hope, the appearing of the glory of our great God and Savior Jesus Christ, Who gave Himself for us to redeem us from all iniquity and to purify for Himself a people of His own who are zealous for good deeds.

"Dear children, every day pray for the grace of Holy Wisdom,* for Holy Wisdom carries in Her Right Hand the Light of Truth and under Her Feet She tramples evil disguised as good."

"Dear children, Holy Wisdom is a gift from God which you must desire. You are unable to discern good from evil without Holy Wisdom. Therefore, understand that the Seal of Discernment seals Holy Wisdom within your hearts."

** Holy Wisdom, a Gift of the Holy Spirit, is not the same as human wisdom, for She despises the perishable things of the world and focuses only on things eternal that are lasting.*

I [Maureen] answer: "Yes."

He smiles.

"In my lifetime, I was full of surprises. I had a generous spirit. That is what is missing in the heart of the world today. Selfishness gravely wounds the Mournful Heart of Jesus. A generous spirit would never

compromise the Truth or abuse authority. A generous spirit desires only the best for his neighbor, which is Truth and well-being."

"During this season of giving, give with a generous spirit to all you meet. Give the Truth." *

** This is what constitutes a genuine Christmas spirit.*

Read 1 Corinthians 5:8 **

Synopsis: Live generously in the spirit of sincerity and Truth, not malice or wickedness.

Let us, therefore, celebrate the festival, not with the old leaven, the leaven of malice and evil, but with the unleavened bread of sincerity and truth.

Blessed Mother says: "Praise be to Jesus."

"Dear children, in any situation in your earthly exile, you must determine what is a threat to your well-being in order to be safe. Is this not also true of your spiritual well-being? In the world, you would never step off a cliff or throw yourself in front of a speeding vehicle. In the spiritual realm, you must be aware, as well, of dangers around you."

"This is why I come with such urgency, for many live as though there is no threat to their salvation. Indeed, the compromise of Truth and the abuse of authority have placed a spiritual fog over the heart of the world, separating it from God. I come to lift the fog and to make clear the path of your salvation."

"The danger of trusting in people instead of God is a great threat. The danger of trusting in self rather than God is an even greater threat. You cannot make up your own Truth and depart from God's Truth given to you in His Commandments."

"Your opinions need to define God's Truth. Thus, you will be a reflection of His Divine Will. Learn to think in the Truth of God's Commandments and not in the trust of faulty leadership."

"I cannot choose for you. All I can do, as your Mother, is help you choose – help you to live in the Truth."

Read 1 Timothy 2:1-4 *

Synopsis: Pray for all leaders in high positions of authority.

First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all men, for kings and all who are in high positions, that we may lead a quiet and peaceable life, godly and respectful in every way. This is good, and it is acceptable in the sight of God our Savior, Who

desires all men to be saved and to come to the knowledge of the Truth.

December 7, 2014 / Sunday Service - Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace

St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, I have come to tell you, that lasting peace is only obtainable through Holy Love in the heart. This is true in each soul, in all people, in all nations. Any other peace is transient, and based upon false ideals in the world, reputation, material goods and power. So, return your hearts to Holy Love and watch peace happen around you."

"Tonight, I'm extending to you my Fatherly Blessing."

December 8, 2014 / Solemnity of the Immaculate Conception of the Blessed Virgin Mary

Blessed Mother says: "Praise be to Jesus."

"Today, as we celebrate God's profound favor upon this humble Handmaid, once again, I point to the conception in the womb as God-given life. No human law can change this. To destroy life in the womb is a sin and a breach in union with God's Will. You cannot in one moment take a life, and in the next, proclaim righteousness under the guise of freedom."

"Abortion has claimed more lives than any war. Abortion has fractured mankind's relationship with his Creator. To ascribe abortion to social justice is a paradox, for where is the justice for the new life?"

"Mankind has placed his own self-centeredness in the forefront and has lost sight of the reality of Truth. Yet, when I come to earth to proclaim the Truth, My words are disregarded."

"So long as you have abortion, you will have wars, disease and natural disasters, for God's Hand of favor does not rest upon you."

"Dear children, if you cannot understand that abortion and birth control are the taking of human life, then you cannot understand the difference between good and evil. This is fundamental to your salvation."

"Take My words today seriously and make them known."

Read Romans 1:18, 24-25 *

Synopsis: The wrath of God revealed against the perverse spirit of men (the heart of the world) who hinder the Truth. God's Judgment delivered upon men engaged in lusts and mutual degradation of their bodies - men who

exchanged Truth for a lie and worshiped and served the creature rather than the Creator.

For the wrath of God is revealed from heaven against all ungodliness and wickedness of men who by their wickedness suppress the Truth. Therefore God gave them up in the lusts of their hearts to impurity, to the dishonoring of their bodies among themselves, because they exchanged the Truth about God for a lie and worshiped and served the creature rather than the Creator, who is blessed forever! Amen.

December 8, 2014 / Solemnity of the Immaculate Conception of the Blessed Virgin Mary

(This message was received while at prayer during the Hour of Grace.)

Blessed Mother says: "Praise be to Jesus."

"True peace can only come to a heart which is pure before God. Such a heart must first be convicted in Holy Love. So you see the relevance of these Messages these days when the heart of the world lies compromised by error in front of the Lord."

"Many do not realize that to live in Holy Love requires trust - trust in the present moment and trust in the future. Lack of trust is an evil which, left unchallenged, destroys God's peace in the heart."

"Each one must search his heart to discover what he must purge from his heart to make it more pleasing in the sight of God. This is how to become more holy."

December 8, 2014 / Solemnity of the Immaculate Conception of the Blessed Virgin Mary / Monday Service - Peace in All Hearts through Holy Love and World Peace

December 9, 2014 / Feast of St. Juan Diego

"I am your Jesus, born Incarnate."

"Do not wonder that I continue to draw you back into Holy Love through these Messages. Holy Love is the lifeline between the heart of man and the Heart of God. Holy Love is the Divine Will."

"It was Holy Love which brought the Image to the Tilma of the humble Juan Diego. For God, in His Perfect Love, desired the conversion of the pagans. He chose the simplest, most humble and loving example of Holy Love as his instrument."

"It is when man tries to intellectualize his faith that he loses his faith."

"The simple, unassuming heart is the most pleasing to Me. Such a heart does not make love complicated. He just believes and loves."

St. Francis de Sales says: "Praise be to Jesus."

"I tell you, the soul most pleasing to God is the simple, childlike, trusting soul. Such a one does not challenge God's Laws or the nature of good versus evil out of intellectual pride. He fastens his heart to the Truth and remains undaunted by popular opinions."

"How rare it is these days to find such qualities amongst leaders. These qualities preclude any compromise of Truth or abuse of authority. In the simple, childlike heart there is no smug self-righteousness, only Holy Love. The Truth is not challenged by intellectual pride, but recognized as good."

Read 1 John 3:19-24 *

Synopsis: Description of a good conscience of a believer in Christ who is rooted in keeping the Commandments of Holy Love.

And by this we will know that we are from the Truth and will reassure our hearts before Him whenever our hearts condemn us; for God is greater than our hearts, and He knows everything. Beloved, if our hearts do not condemn us, we have boldness before God; and we receive from Him whatever we ask, because we obey His Commandments and do what pleases Him. And this is His Commandment, that we should believe in the Name of His Son Jesus Christ and love one another, just as He has commanded us. All who obey His Commandments abide in Him, and He abides in them. And by this we know that He abides in us, by the Spirit that He has given us.

December 12, 2014 / Feast of Our Lady of Guadalupe

(This Message was given in multiple parts over several days.)

Blessed Mother is here as Our Lady of Guadalupe, then She becomes Mary, Refuge of Holy Love.

Blessed Mother says: "Praise be to Jesus."

"Dear children, I come to you here, today, to celebrate My apparitions to Juan Diego centuries ago. At that time, I stepped into a pagan world - a world when the young were being sacrificed to pagan gods. Today, I come to you, once again, also meeting with you in a pagan atmosphere where the unborn are being sacrificed on the altar of free choice. The great difference today is knowledge precedes the free choice of killing the unborn. People have been given the technology with which to know they are taking God-given life. People have been given knowledge of God's Commandments. My children have been given the grace to know and to love the One True God and yet they reject Him."

"Dear children, I am here to change the attitude of the heart of the world. Place God and neighbor first instead of self."

"Dear children, My greatest sorrow is the numbers of souls that will slip to their perdition as My words to you go unheeded. This is much the same sorrow My Son suffered in the garden of Gethsemane, for He knew full well the numbers of souls that would not be saved despite His Passion and Death."

"So many are indifferent towards their own salvation. They do not hold themselves responsible before God in thought, word or deed. The false god of self has taken over the heart of the world. I come to you, once again, to help each one recognize the path of Light - the path of Truth."

"Holy Love is the medicine the heart of the world needs to beat in rhythm with the Will of God."

"Today, I come as your Advocate before the throne of God, beseeching Him to pour the grace of Truth into the world, which would convict hearts of all error and return souls to the path of Light."

"Your decisions between good and evil chart the course of the future of the world."

"I come to you, here today, for the same reason I came at Guadalupe - the conversion of hearts to the Truth. If I succeed in this effort, you will have peace and My grace will encompass the whole world. Wars and error will end. Leadership will be just and accomplish God's good. There will be no more jealousy or hatred."

"As it is, not enough care to listen, and most look for reasons not to believe. Hearts have chosen sophistication over the simple Truth."

"To those of My children who believe, I continue to encourage your prayers and sacrifices. God is

listening. My Son is watching. You are holding back the Arm of Justice."

"Today, especially, I ask for your prayers against the great apostasy taking place in the Church. People, through pride, pick and choose what they wish to believe and what best suits their lifestyle."

"Dear children, I come to embrace you in My Motherly caress and bring you into My Immaculate Heart, away from all the evils of the world. Seek My Heart by living in Holy Love."

"Today, I'm extending to you My Blessing of Holy Love."

December 13, 2014

Blessed Mother says: "Praise be to Jesus."

"Once again, I come to address unbelievers who jeopardize their own salvation through pride. Do you not understand the way of your salvation has been laid before you as Holy Love? You must recognize the pride within your own hearts which keeps you from believing."

"In order to believe in Holy Love, you must first accept that opposition to Holy Love is wrong. In humility, accept this. Do not so stubbornly resist Heaven's call to you because of the opinions of others. Holy Love is Heaven's call to unity and peace. Holy Love is Truth and the Light of Truth before you on the path to salvation. Do not be pulled from this path by error that has consumed other hearts. God, Who sees into every heart, will judge according to Holy Love."

Read 1 Corinthians 4:5 *

Synopsis: Illumination of conscience and Judgment of the Lord when He comes according to Holy Love.

Therefore do not pronounce judgment before the time, before the Lord comes, who will bring to Light the things now hidden in darkness and will disclose the purposes of the heart. Then every man will receive his commendation from God.

"I tell you, solemnly, as children of the Light, do not be compliant with any form of sin. This is how confusion and compromise slip in. This is how good and evil become difficult to discern. Have nothing to do with darkness or any effort which opposes the building up of My Kingdom in hearts."

"The genuine, the True, is always based upon Holy Love and Holy Humility. These two enable the soul to search out the reality of the facts and to live in the Light of Truth without compromise."

Read Ephesians 5:6-16 *

Synopsis: As children of the Light, do not be led astray by empty words from the children of disobedience. Have no fellowship with the unfruitful works of darkness but expose them to the Light of Truth. Walk with care, with wisdom, and Holy Love every moment, for these days are evil.

Let no one deceive you with empty words, for it is because of these things that the wrath of God comes upon the sons of disobedience. Therefore do not associate with them, for once you were darkness, but now you are Light in the Lord; walk as children of Light (for the fruit of Light is found in all that is good and right and true), and try to learn what is pleasing to the Lord. Take no part in the unfruitful works of darkness, but instead expose them. For it is a shame even to speak of the things that they do in secret; but when anything is exposed by the Light it becomes visible, for anything that becomes visible is Light. Therefore it is said, "Awake, O sleeper, and arise from the dead, and Christ shall give you Light." Look carefully then how you walk, not as unwise men but as wise, making the most of the time, because the days are evil.

December 15, 2014

Blessed Mother says: "Praise be to Jesus."

"Dear children, My call to conversion is real. In every present moment My call intensifies. Do not think that as one present moment passes into the next without God's Visitation of His Wrath, that you are justified in embracing error."

"My Son takes into account every prayer, every sacrifice towards His Victory of Truth. He will raise up the New Jerusalem from amidst the briars of error. The fact remains that many souls will not realize the Truth in time. This is why I need your prayers towards victory over the evil in the heart of the world."

"I come to strengthen the Remnant Faithful."

"These days apostasy is accepted as the norm. It is even unnoticed amidst the conflict of these times. Apostasy has become an acceptable realm of belief as personal opinion. But, it is not so with the Lord. Truth is Truth and never changes to appease consciences."

Read Hebrews 6:4-8 *

Synopsis: The danger of apostasy is that once those who were previously living in the Truth have fallen away from the Truth, it is near impossible for them to be renewed again in the

Truth by repentance; for they have crucified the Son of God again and made Him a mockery.

For it is impossible to restore again to repentance those who have once been enlightened, who have tasted the Heavenly gift, and have become partakers of the Holy Spirit, and have tasted the goodness of the Word of God and the powers of the age to come, if they then commit apostasy, since they crucify the Son of God on their own account and hold Him up to contempt. For land which has drunk the rain that often falls upon it, and brings forth vegetation useful to those for whose sake it is cultivated, receives a blessing from God. But if it bears thorns and thistles, it is worthless and near to being cursed; its end is to be burned.

Every present moment carries with it special graces particular to each soul and unduplicated in the passage of time. As the present unfolds, it quickly disappears - often going unnoticed - often unappreciated."

"It is important for souls to believe in the graces offered in the present moment and to use them towards their own advantage. Unbelievers allow missed opportunities to pass them by and so, too, their own salvation."

Read Hebrews 3:12-13 *

Synopsis: Beware of any who turn away from the living God with an unbelieving heart. Instead, encourage one another every present moment to live in Holy Love and not to be hardened by the deceitfulness of sin.

Take care, brethren, lest there be in any of you an evil, unbelieving heart, leading you to fall away from the living God. But exhort one another every day, as long as it is called "today," that none of you may be hardened by the deceitfulness of sin.

"Therefore, comprehend that those who, in any way, challenge the Holy Love in your heart are opposing God's Will and supporting evil."

"I cannot tell you this in plainer terms. Open your ears and give heed."

Read 1 John 3:18-24 *

Synopsis: We must not love with word or with the tongue, but in deed and in Truth. Therefore, the formation of a good conscience and keeping the Commandments of Holy Love are most important, doing those things pleasing in God's sight.

Little children, let us not love in word or speech but in deed and in Truth. By this we shall know that we are of the Truth, and reassure our hearts before Him whenever our hearts condemn us; for God is greater than our hearts, and He knows everything. Blessed Mother says: "Praise be to Jesus."

"When a soul resists the action of grace in his heart, he distances himself from God. A soul resists grace when he decides upon his own will and not the Will of God. This is very often the result of erroneous opinions and always the compromise of Truth."

"The Mournful Heart of Jesus is focused upon drawing souls back into the Truth through Truthful leadership. So many are led astray by leaders who pursue self-interest instead of the welfare of their followers. Even more destructive is the attitude that leaders should not be criticized or held accountable. No one is above God's Law."

"You must hold everyone accountable to Holy Love in order to distinguish good from evil."

Synopsis: Warning to fellow Christians to watch and avoid those who cause division and scandal in the Church due to self-serving agendas that deceive the hearts of the simple

faithful who follow the doctrines of the Church in the Tradition of Faith.

I appeal to you, brethren, to take note of those who create dissensions and difficulties, in opposition to the doctrine which you have been taught; avoid them. "These days, confusion is in the lead. 'Freedom' has become synonymous with sin. Righteousness - Truth - is persecuted. But here, at this site [Maranatha Spring and Shrine] and through these Messages, I give you the solution. Consecration to Our United Hearts is the peace and security you search for."

"In general, people lose their freedom when they obey title and authority blindly without paying heed to how or where they are being led. This all harkens back

to holding leadership accountable to the Truth - which is the reality of the facts."

"You cannot place new labels on sodomy or killing and believe this redefines what is good and what is evil. You must be clear in what is Holy Love - God's Will - and what is just an attempt by Satan to confuse you. It is dangerous to be impressed by title alone and not to look beneath the title at the heart of the issues. If you determine you are being led astray, it is your duty, as a child of God, to make this known so that others are not betrayed by title."

In the presence of God and of Christ Jesus, Who is to judge the living and the dead, and in view of His appearing and His kingdom, I solemnly urge you: proclaim the Message; be persistent whether the time is favorable or unfavorable; convince, rebuke, and encourage, with the utmost patience in teaching. For the time is coming when people will not put up with sound doctrine, but having itching ears, they will accumulate for themselves teachers to suit their own desires, and will turn away from listening to the Truth and wander away to myths. As for you, always be sober, endure suffering, do the work of an evangelist, carry out your ministry fully.

"Dear little children, as you make your final preparations for this Christmas season, I desire you enter this - My Petition - into your hearts and your prayer intentions. Pray that Truth between good and evil is clearly recognized and that Truth is victorious in hearts."

"It is by your efforts - your prayers - your sacrifices - that this will be possible. This can be your Christmas gift to My Little Son as He sleeps in the manger."

"The realization of this prayer petition is the hope of this generation."

December 21, 2014

Blessed Mother says: "Praise be to Jesus."

"Dear children, this year as you contemplate the manger scene, make yourselves as humble as a piece of straw under My Son's Head as He slept in the manger. God created every piece of straw in the manger for the purpose of comforting Him and supporting Him."

"Is it not true that each soul has been created for the same purpose? God's Will is that your prayers and

sacrifices comfort and support Jesus in His present-day need. You should be happy to remain hidden, like the straw under My Son's Head, doing what God created you for. The straw does not want a different role. It just exists to make My Son happy. Let it be so for each one of you."

Never flag in zeal, be aglow with the Spirit, serve the Lord. Rejoice in your hope, be patient in tribulation, be constant in prayer. Contribute to the needs of the saints, practice hospitality. Bless those who persecute you; bless and do not curse them. Rejoice with those who rejoice, weep with those who weep. Live in harmony with one another; do not be haughty, but associate with the lowly; never be conceited. Repay no one evil for evil, but take thought for what is noble in the sight of all. If possible, so far as it depends upon you, live peaceably with all. Beloved, never avenge yourselves, but leave it to the wrath of God; for it is written, "Vengeance is Mine, I will repay, says the Lord." No, "if your enemy is hungry, feed him; if he is thirsty, give him drink; for by so doing you will heap burning coals upon his head." Do not be overcome by evil, but overcome evil with good.

Infant says: "I am your Jesus, born Incarnate."

Blessed Mother says: "Praise be to Jesus. On this glorious celebration of My Son's birth, it is important to realize the significance of His birth in a manger, for this is a picture of humility and complete renunciation of all that is passing."

"Dear children, be children of the Light and live in the Truth. The more you understand the insignificance of worldly gain, the deeper you will be taken into Our United Hearts. Reputation, money, power - all of these are of no avail when you stand before My Son in Judgment. You will be judged on the love of God and love of neighbor in your heart."

"Do not allow your hearts to be affected or fluctuate between love of the world and love of God. Choose Holy Love and avoid any form of greed. Greed spawns jealousy and every type of sin."

"My Son's birth in the manger was a sign to the world, that what lies hidden in the heart holds merit - nothing else."

"Today, fill His Heart with your prayers for world peace through Holy Love in the heart."

"I am your Jesus, born Incarnate."

"Self-centered love leads the soul away from trust in Divine Providence. If My Mother had been consumed with self-centered love at the Annunciation, She never could have given Her 'Fiat' in the presence of the Angel Gabriel. She would have been consumed with self-concern and not the Will of God."

"Self-centeredness eats away at humility. Weakened humility means weakened Holy Love in the heart. If you look at the history of the day, you can readily see how self-centered love was the impetus of the slaughter of the Innocents. Take that one step further; is it not self-centeredness that has inspired legalized abortion?"

"Trust in Divine Provision is a treasure which, once in the heart, needs to be safeguarded with love and humility. Recognize this treasure and lock it away in your heart."

Read Luke 12:29-31 *

And do not seek what you are to eat and what you are to drink, nor be of anxious mind. For all the nations of the world seek these things; and your Father knows that you need them. Instead, seek His Kingdom, and these things shall be yours as well.

December 29, 2014

Blessed Mother says, "Praise be to Jesus."

"Today, I invite hearts, as never before, to turn towards the Will of God. Do not provoke God's Justice by your actions or opinions. When you live contrary to Holy Love the abyss between Heaven and earth widens."

"All that God has provided by way of technology and natural resources has at some point been misused and attributed to man's ingenuity. Therefore, God's generosity has become a vehicle to carry the heart of man away from his Creator and more dependent upon his own efforts. This is a grave compromise of Truth."

"You must not put to the test God's patience any longer. Every soul is dependent upon God's generosity

even unto to his next breath. Once again, dear children, I call you to the humility of Holy Love, which is the path of Light and Truth and your salvation. This is God's Will for you."

Read Romans 2:6-8 *

For He will repay according to each one's deeds: to those who by patiently doing good seek for glory and honor and immortality, He will give eternal life; while for those who are self-seeking and who obey not the Truth but wickedness, there will be wrath and fury.

December 29, 2014 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, it is only when your heart is transformed through these Messages of Holy Love that society will be transformed. Therefore, desire and pray for this complete conversion."

"Tonight, I'm extending My Blessing of Divine Love."

December 30, 2014

St. Thomas Aquinas says: "Praise be to Jesus."

"Humility and love must be united in the heart for all the other virtues to flourish. If this is not the case, all the other virtues are false. A false virtue is one that is practiced out of pretense."

"So you see, just as trust is the good fruit of humility and love working together in the soul, so too is forgiveness. Forgiveness arises out of a loving, humble heart. Such a heart does not nurture grudges, nor does such a heart look for reasons to be angry. Instead, the loving, humble heart looks for reasons to forgive through Holy Love. Such a heart does not view everything as how it affects himself, but regards the consequences to others. This is more of a selfless love."

"Love and humility are the vestment of all virtue."

Read Colossians 3:12-14 *

Put on then, as God's chosen ones, holy and beloved, compassion, kindness, lowliness, meekness, and patience, forbearing one another and, if one has a complaint against another, forgiving each other; as the Lord has forgiven you, so you also must forgive. And above all these put on love, which binds everything together in perfect harmony.

December 31, 2014

"I am your Jesus, born Incarnate."

"The year ahead, as with any year, holds its challenges and its victories throughout the world. Secular and religious leaders will challenge the Truth. Natural and man-made disasters will breach a general sense of security. Those who depend upon the grace of the present moment will be the most secure."

"I am always your source of well-being. I do not come to alarm, but to forewarn. Amidst all of the events, your greatest challenge will remain to find the Truth, to defend it and live by it."

December 31, 2014 / Wednesday Service - The Propagation of the Holy Love Messages and the Confraternity of the United Hearts and for World Peace
