

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

January 2015

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

January 1, 2015 / Solemnity of Blessed Virgin Mary, Mother of God

Blessed Mother says, "Praise be to Jesus."

Our Lady comes all in white with sparkling lights around Her.

"Dear children, as today we begin a new year, I invite you to see it as an invitation to come closer to My Jesus and deeper into Our United Hearts. Allow this coming year to open upon new resolves to be holier and to live these Holy Love Messages from the heart."

"Do not allow yourselves to be discouraged by unbelievers or by the apostasy all around you. You will be given many opportunities throughout the coming year to be examples of Holy Love to others. Use them. Be charitable to others in thought, word and deed. I will multiply your good and increase the grace in your hearts."

"Change will become commonplace in the new year throughout the world. But, Jesus is your constant. Abide in Him. You can transform hearts

through prayer. Therefore, have hope - always hope that change will bring good."

"Dear children, I am blessing you."

"I am your Jesus, born Incarnate."

"I come to you as always, seeking to redirect the heart of the world. At the crux of the dangerous situation mankind finds himself in, is his refusal to recognize his alienation from the Will of God. I sent My Mother here decades ago seeking the title, 'Protectress of the Faith'. It was not recognized as necessary by authorities here [Diocese of Cleveland, OH] - yet the Faith was floundering. Had this title been accepted and promoted, the Church would have been stabilized. But, there was not any heart open to the Truth of mankind's relationship with God."

"Every time Heaven intervenes by coming here and giving these Messages, it is an attempt to call the heart of man back into the Light of Truth. Yet, just as

My Presence in the Eucharist is disregarded and neglected, all that I give here is most often ignored, even attacked. No one can enter the Kingdom of Heaven outside of God's Will. God's Will is Holy Love. I told you this when I was amongst you. However, these days, every Truth is challenged without regard as to consequences."

"I am calling you back to the reality that your thoughts, words and actions earn for you your eternity. If you pride yourself in opinions which oppose the Truth, you cannot live with Me in My Kingdom of Truth for all eternity."

"Be aware that your moment-by-moment choices affect the whole world. The future of the world rests on man's acceptance or rejection of Holy Love."

Read 2 Timothy 3:1-5 *

Synopsis: Godlessness in the Last Days.

But understand this, that in the last days there will come times of stress. For men will be lovers of self, lovers of money, proud, arrogant, abusive, disobedient to their parents, ungrateful, unholy, inhuman, implacable, slanderers, profligates, fierce, haters of good, treacherous, reckless, swollen with conceit, lovers of pleasure rather than lovers of God, holding the form of religion but denying the power of it. Avoid such people.

January 2, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when I come to you, as I am now doing, and imparting to you a Message, take the Message into your hearts; apply it to your own holiness and journey through the Chambers of Our United Hearts. It is in this way, the heart of the world can be transformed."

"Tonight, I'm imparting to you My Blessing of Divine Love."

"I am your Jesus, born Incarnate."

"These days, much importance is placed upon social relationships, terrorism, gender discrimination and more, but the one relationship that could change the world is rarely mentioned and never mentioned in

the mainstream media. That is man's relationship with his Creator."

"As long as mankind disregards God's Will and disrespects God's Commandments, there will be violence, disease and disasters in the world. God creates and man destroys. I call you into Holy Love and My Call to you is judged as unauthentic. Every word and action has its consequences."

"Isn't it better to cooperate with grace than to oppose it? When you oppose grace, you oppose Me. What have you to gain?"

"Pay attention to the decisions you make. Choose to please Me and not man. Respect the Commandments of Love."

"If you are not for Holy Love, you are against Me. You will not prosper spiritually. How could you?"

"If your spiritual relationship is closing the gap between heaven and earth, you will be at peace and blessed in many ways. It remains the duty of each soul to come into God's Will."

Read Galatians 6:7-10 *

Do not be deceived; God is not mocked, for whatever a man sows, that he will also reap. For he who sows to his own flesh will from the flesh reap corruption; but he who sows to the Spirit will from the Spirit reap eternal life. And let us not grow weary in well-doing, for in due season we shall reap, if we do not lose heart. So then, as we have opportunity, let us do good to all men, and especially to those who are of the household of faith.

January 4, 2015 / Sunday Service - Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace

(This Message was given in multiple parts today.)

St. Joseph is here. He says: "Praise be to Jesus."

"When my eyes first saw Divine Love and Truth born Incarnate, resting in His Mother's Arms, I was awestruck. Today, I am awestruck by His Patient Mercy in the presence of so much disrespect, neglect and apostasy towards Him in the tabernacles of the world and towards His Commandments."

"My brothers and sisters, the Lord desires to give you every grace that no one asks for, to help you discover the Truth and live by it. Pray for these graces daily."

"Tonight, I extend to you my Fatherly Blessing."

January 5, 2015 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"The reason people compromise the Truth is they want to believe they walk in righteousness while twisting the Truth to suit their own will. But, Truth is Truth and does not change to accommodate sinful, self-serving desires."

"The prime example of this convoluted thinking is the attempt to reinterpret God's Commandments to fit human will and desires. The reality of the Truth is dismissed as no longer relevant in the 'new' truth that the soul invents for himself."

"Disobedience to the Truth is evil and leads the soul into darkness. The Truth is godliness."

Read 1 Peter 1:22 *

Having purified your souls by your obedience to the Truth for a sincere love of the brethren, love one another earnestly from the heart.

Read Titus 1:1-2 *

January 5, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I invite you to step into the Refuge of My Mother's Heart, where the grace of Her Heart will warm you in your every need. She will reject no one who desires entrance into this Holy Refuge. Her Heart is all love, perfect love and God's Will."

"Tonight, I'm extending to you My Blessing of Divine Love."

"I am your Jesus, born Incarnate."

"You do not see this, but I tell you, countless souls are lost as prayer and worship are discouraged at sites such as this [Maranatha Spring and Shrine]. Many souls remain in the prison of Purgatory, as well, for the same reason."

"It is the simple of heart who are able to feel Heaven's presence here on the property and in these Messages. This sense of Heaven's presence

reaches beyond approvals, endorsements and popular opinion. It captures the very essence of Heavenly companionship, protection and peace. It is not subdued by compromise of Truth or the abuse of authority. It is just there - abiding in silence - recognizable by the simple, humble heart - convicting the proud."

Read 1 Corinthians 6:17 *

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"The light on the path of living in Holy Love is to place God and others first - ahead of self. This opens the door to many sacrifices - sacrifices which can convert souls and strengthen the heart of the world in Holy Love."

"Therefore, understand that a self-centered love opposes your ever-deepening journey into the Chambers of Our United Hearts. Please understand that negativity and unforgiveness are fostered by self-centeredness. The soul that desires a deeper relationship with Jesus must guard against viewing everything as it relates to self."

"Be self-giving. Do not challenge God's Will. The grace of My Heart stands ready to serve you and to strengthen you. Learn to depend on it. Call upon the mighty power of the angels who desire very much to assist you."

Read 1 Corinthians 13:4-7 *

Synopsis: Definition of Living in Holy Love.

Love is patient and kind; love is not jealous or boastful; it is not arrogant or rude. Love does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrong, but rejoices in the right. Love bears all things, believes all things, hopes all things, endures all things.

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, never be satisfied with your relationship with Jesus. Always try to be more holy through your acts of kindness towards others and your prayers for others. That way you become a light on the path of Holy and Divine Love for all to see and to follow."

"Ask your angels to open your eyes as to the small sacrifices you can make for love of others. This will strengthen you in holiness and bring you deeper into My Immaculate Heart. Make one such sacrifice a day that Truth be revealed where it lies hidden under deceit and compromise. This will soothe My Son's Most Mournful Heart.

"I am your Jesus, born Incarnate."

"Opinions are what separates men from each other and men from the Truth. When opinions are based upon error, it is often due to jealousy or misplaced trust in others' opinions. It is difference in opinions which causes factions. You must always search out the reality of the facts before forming an opinion. Once you find the Truth, defend it and do not stray from it to please man. This is Wisdom."

Read 1 Corinthians 3:3 *

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, I remind you, a person can have an important title, wield much authority, hold impressive degrees, but if he does not live in Holy Love he may lose his eternal salvation; for Holy Love is the embodiment of all the Commandments. Holy Love is God's Divine Will. Holy Love makes every prayer and sacrifice worthy."

"Holy Love is the solution to earth's woes. It is the peacemaker. It is God's Mercy. Remember, the enemy knows all of this. What's more, he [Satan] believes all of this, which is more than many do. This is why there is so much evil opposition to Heaven's efforts to propagate Holy Love."

"Be convinced of this, dear children. Your judgment rests upon the Holy Love in your heart. Live as simple, loving children in the midst of the world's chaos. The more you are detached from the world, the deeper you are drawn into Holy Love."

Read 1 John 4:20-21 *

Synopsis: The commandment to live in Holy Love.

If anyone says, "I love God," and hates his brother, he is a liar; for he who does not love his brother whom he has seen, cannot love God, Whom he has not seen. And this commandment we have from Him, that he who loves God should love his brother also.

January 11, 2015 / Feast of the Baptism of the Lord

"I am your Jesus, born Incarnate."

"Today, on the Feast of My Baptism, I invite every soul to new beginnings. Let this be the moment that you allow Holy Love to transform your hearts and your lives. Live to serve God and others. Do not pursue selfish interests."

"Use every opportunity to be a sign of Holy Love to others. This is another way of propagating Holy Love, not just by spreading the Messages, but by being a living message."

"Be concerned for your own salvation and the salvation of those you have influence over. Pray for these and for the many you come in contact with."

"I stand in wait of your efforts."

Read Jude 20-23 *

Synopsis: Christian admonition to grow strong in faith in the Holy Spirit; persevere in God's love and correct those in error.

But you, beloved, build yourselves up on your most holy faith; pray in the Holy Spirit; keep yourselves in the love of God; wait for the mercy of our Lord Jesus Christ unto eternal life. And convince some, who doubt; save some, by

snatching them out of the fire; on some have mercy with fear, hating even the garment spotted by the flesh.

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"The future of your country, indeed the future of the world, depends upon each one's ability to discern good from evil. When people accept the compromise of Truth as Truth, the wrong people are elected to office. Unjust laws are passed and authority is summarily abused. This sets the stage for a pharisaical spirit to take over."

"This is why devotion to the Mournful Heart of My Son is timely and considerate of these times. Corrupt leadership corrupts the nation. There is no gray area between good and evil. Governments which endorse sin such as abortion, sodomy or even birth control, pull the nation apart - good versus evil. Opinions, policies and law must be based upon the Truth of God's Commandments. These same Commandments are the embrace of Holy Love."

"You must take seriously My Call to live in the Truth of Holy Love which clearly defines good from evil. It is your future security."

Read 1 Timothy 2:1-4 *

Synopsis: Prayers, petitions and intercessions should be offered for all men, but especially secular and religious leaders in authority.

First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for everyone, for kings and all who are in high positions, so that we may lead a quiet and peaceable life in all godliness and dignity. This is right and is acceptable in the sight of God our Savior, Who desires everyone to be saved and to come to the knowledge of the Truth.

Our Lady comes as Mary, Refuge of Holy Love.

She says: "Praise be to Jesus."

"Dear children, I have spoken much to you about leaders who compromise the Truth and abuse their authority. Today, I wish to address those who follow such leaders. It is the moral responsibility of every soul to take notice of where he is being led and what he is being led to do. You must not follow blindly anyone of title, but pay heed to what he endorses and what he does not endorse. If you do not, you are just as compromised as those you follow."

"Each soul has the responsibility of finding the Truth and obeying God in Truth, first and foremost. You cannot be for righteousness and follow compromise at the same time."

"It is important, these days, to know the difference between good and evil, and to recognize with what guile and deceit evil is painted as good. You must measure every leader on the scale of Holy Love. If you choose godliness, [then] it is your duty to do so."

Read 1 Thessalonians 2:4 *

... but just as we have been approved by God to be entrusted with the gospel, so we speak, not to please men, but to please God Who tests our hearts.

Read 2 Timothy 4:3-5 *

For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own likings, and will turn away from listening to the Truth and wander into myths. As for you, always be steady, endure suffering, do the work of an evangelist, fulfil your ministry.

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"As I call leaders and those they lead to live in righteousness, I must point out that your laws no longer lead you along the path of good versus evil. Many laws have been rewritten to embrace sin in the name of 'freedom'. This is why it remains the responsibility of the individual to search out God's Truth through Holy Love."

"This is the only way to define Truth as opposed to compromise. If you are not living in God's Truth, you are living in error. Today's society states many reasons to compromise the Truth but none are substantiated in godliness."

"For these reasons you must be very discerning as to the choices you make in every present moment. Do not be persuaded away from the path of Light."

"I am your Jesus, born Incarnate."

"My Mournful Heart is greatly grieved by the afflictions of the heart of the world today. Two factors are at play here. One is that authority is not held accountable to the Truth. The other is that Truthful Authority is disregarded as too stringent."

"Authority figures must not be allowed to do what they want, whenever they want, discounting the consequences to their followers. The more important their position, the more I hold them accountable for their actions. People need to come to a more respectful attitude towards the Truth - always defending it - always searching it out. You must not be so awed by title and position that you accept [what] all those in authority say as Truth. You must not think that it is stylish to accept sin as a 'freedom' and regard those who oppose sin as out of touch with modern times."

"Both of these attitudes wound My Mournful Heart and widen the abyss between Heaven and earth. If you could comprehend how far the heart of man is from My Father's Will, you would, with fear, do all in your power to overcome every obstacle."

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, the simplest heart is the one who does not constantly seek his own advantage or is concerned about himself. His main goal in life is to please God and others. Such a soul is very childlike and a ready instrument in My Hands. He is not impressed with his own importance or reputation, but is always happy to build up the reputation of others."

"This is a very self-effacing soul - a soul who is easily pleased - a soul who is not critical of others' words or actions. This is why simplicity is the

handrail along the staircase of virtues. Without simplicity, the other virtues collapse. Pray for this virtue."

January 16, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here and He's got on a red robe and He's got His scourges on His Body. He says: "I am your Loving Jesus, born Incarnate."

"My brothers and sisters, I was able to accept and surrender to My Passion and death through Love. If you surrender your crosses to Me through love, I will be able to use them in powerful ways."

"Tonight, I'm blessing you with My Blessing of Divine Love."

January 17, 2015 / Public

"I am your Jesus, born Incarnate."

"An icicle, which you see all around you these days, is water frozen in motion. In order to melt, it must be enveloped in warmth. An icy heart is more difficult to melt, for free will keeps it cold and frozen. For an icy heart to melt, it must be embraced with Holy Love and Holy Humility. This requires an act of free will. The soul, through love and humility, sees where he stands before God and chooses to change."

"The best prayer for the melting of an icy heart is that being convicted in error, the soul chooses to change. This requires a surrender to Holy Love and Holy Humility. The self-righteous heart is often the most difficult to change. Such a one is too proud to recognize his own errors."

"The warmth of prayer and sacrifice melts an icy heart and sends it on its way to conversion, just as warm air sets the water in an icicle in motion. The water runs freely. The soul is freed from the slavery of sin."

Read Romans 10:1-4 *

Synopsis: Paul's prayer for those who have a zeal for God that they realize their salvation comes from the righteousness of God - not self-righteousness; and that they surrender their hearts to God's righteousness. Only through Christ can anyone who has faith be justified.

Brethren, my heart's desire and prayer to God for them is that they may be saved. I bear them witness that they have a zeal for God, but it is not enlightened. For, being ignorant of the righteousness that comes from God, and seeking

to establish their own, they did not submit to God's righteousness. For Christ is the end of the law, that every one who has faith may be justified.

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"When My Son was in the world, He commanded you to live in Holy Love. This means you must be Christ-like in thought, word and deed. You must begin by not being critical in your thoughts about others. These critical attitudes lead to negative speech and negative actions. When My Son corrected people when He was amongst you, He stated the correction plainly, but did not set about commenting on the correction to others."

"Any correction must take into account all aspects of behavior. There may be some little known reason for a certain opinion or attitude held by another. Rash judging leaps to conclusions without proper and fair investigation of the facts. Many a reputation has been ruined in such a way. Once again, you must be careful to examine all the facts before you decide on what may be True."

"My Son did not always side with power and influence. This is what cost Him His Life. You must be Christ-like no matter the cost. Be children who walk in the Light of Truth as My Son did. This is God's Will for you."

January 19, 2015 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, when you go outside in the cold weather, you put on many layers of clothing and even boots on your feet to protect you from the cold. In a similar way, I invite you to see that it is your prayers that protect you from the coldness of the world's spirit and from walking the path of error."

"Prayers are your armor against an unbelieving world. Prayers call upon the Holy Spirit to warm your heart amidst a callous society. Prayers protect you from the elemental spirits of the world."

"Without prayer, you are vulnerable to every sort of temptation, just as without warm clothing you would be vulnerable to illness and frostbite. Therefore, see prayer as a necessity to your spiritual well-being and your safeguard against the evils of the world. Wrap yourselves in prayer daily for your spiritual well-being."

January 19, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the heart of the Remnant Faithful is becoming more and more a reflection of My Mournful Heart as people realize the ill effects of the compromise of Truth and abuse of authority. Continue to pray that the heart of the world is converted through Holy Love."

"Tonight, I'm extending to you My Blessing of Divine Love."

January 20, 2015 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, you know from experience that if you venture outside in bitter cold weather and any part of you is left unprotected such as fingers or your nose, you run the risk of frostbite. The spiritual climate in the world today is like the bitter cold. You must cover yourself with prayer. If you have any fear in your heart, ask the angels to surround you and to protect you. If your faith is challenged, ask for My Protection as 'Mary, Protectress of the Faith'. I will come immediately to your aid. If you lack trust, ask Me to increase the love in your heart. If you are uncertain as to a course of some action, ask the Holy Spirit for Wisdom."

"You must never run the risk of going out into the spiritually cold world unprotected, where danger is all around you. The enemy of your salvation sees clearly his every inroad to your well-being. When you begin to lose the peace in your heart, understand that this is the first sign of Satan's frostbite. It is then you should cover yourself even more with prayer."

January 21, 2015 / Anniversary of Mary, Protectress of the Faith – Feast Day

Blessed Mother says: "Praise be to Jesus."

"Today, on the anniversary of My request to be recognized as the 'Protectress of the Faith', I invite all people and all nations to take account of the state of the faith in the world today. It would only have taken the stroke of a pen to endorse this title, yet it was deemed unnecessary by those in power. So, today, you have a faith fractured by scandal - fanned by the abuse of authority, and rocked by the compromise of Truth to such a degree that the people embrace untruth wholeheartedly, no longer questioning its origin."

"Under my title, 'Protectress of the Faith', I was prepared to defend every heart from errors and doubt. My title has not been weakened by lack of approvals as I stand ready to guard and defend the

faith in every heart. Yet, today, few know to come to Me as their Protectress. The title has been made obscured by those who could have supported and promoted it. The faith of those who tediously worked to oppose this title has been transformed by error."

"I tell you these things today with sadness as I watch My children struggle in their attempts to maintain their faith. Do not allow this title to continue to fade into obscurity. Promote it. Propagate it. My grace will assist you."

(Note: After checking with a theologian from the diocese, the bishop rejected Our Lady's request for the title 'Protectress of the Faith' stating that there already were too many devotions to Blessed Mother and the saints. Our Lady requested this title from the Cleveland bishop in 1987.)

January 21, 2015 / Anniversary of Mary, Protectress of the Faith – Feast Day

Blessed Mother says: "Praise be to Jesus."

"Dear children, I invite you to see that My title, 'Protectress of the Faith', is fading into obscurity just as the true faith is fading away. What could have been a strength has been taken away and the faithful [are] left to defend what some do not even value. Controversy was the weapon Satan used against My title which was, and is, so vital to these times. Controversy is also Satan's weapon against the faith."

"Continue to pray to Me under this all-important title without regard for who believes or disbelieves. These days you must make your own determination between good and evil. How can it be wrong to ask protection of your faith?"

January 22, 2015 / 42nd Anniversary of Roe vs. Wade Supreme Court Decision

Blessed Mother says: "Praise be to Jesus."

"Today, dear children, I come to you with sadness as we commemorate the dreadful decision by your country to legalize abortion. How distorted this view which gives unjust rights to mothers and none to the children in the womb. God has given man every form of technology with which to determine that life does indeed begin at conception. But, mankind believes in Satan's lies instead of the Truth."

"You have chosen to abort sound leadership, righteous leadership. You have aborted those who would have been priests, Bishops, Cardinals and even a Pope. You have killed in the womb those, who long ago, would have found cures for cancer, aids and many genetic disorders. You have done this all in the name of freedom."

"Abortion, more than any other sin, calls upon God's Justice. If mankind would acknowledge his mistake and reverse this horrendous decision, God would mitigate His Justice. As it is, the world and all who inhabit it, stand to lose much."

"Those of you who believe in all I say to you must work diligently towards recognition of the Truth. Do not be confounded by public opinion. Do not concern yourselves with your reputation amongst those who oppose life. Consider only the lives of these little ones waiting to be born."

"I pray that every effort to preserve life in the womb will be successful in the face of man's arrogant indifference."

January 22, 2015 / Public

"I am your Jesus, born Incarnate."

"From the Cross I saw the evils of this present day, the greatest of which is abortion. I saw the selfishness that would overtake the heart of the world and the confusion in hearts between good and evil. I suffered under the Crown of Thorns for the mockery of those who choose good."

"I suffered, as I still suffer today, for the abuse of authority and the compromise of Truth. How long must I suffer until Truth is recognized?"

January 23, 2015 / Public

"I am your Jesus, born Incarnate."

"The day of demonstrations against abortion is over, and yet abortion continues to take innocent lives. Every present moment bears witness to abortion somewhere around the world. Every abortion pulls the heart of the world farther away from the Heart of God and His Divine Will. Every abortion makes the world more responsible to Divine Justice."

"Do not think that because life seems to go on as usual that I do not take notice of every evil attitude which is accepted as Truth. Every soul has the responsibility to find My Truth in every situation. This is especially true in regards to abortion and sodomy."

"No one can be made new in My Image unless he searches out and lives according to My Truth."

Read 1 Corinthians 5:7-8 *

Synopsis: One cannot take part as a member of the one loaf of the Body of Christ unless he is cleansed of the old leaven of malice and evil and made unleavened (made new), with the one unleavened bread of sincerity and Truth that is Christ Himself.

Cleanse out the old leaven that you may be a new lump, as you really are unleavened. For Christ, our paschal lamb, has been sacrificed. Let us,

therefore, celebrate the festival, not with the old leaven, the leaven of malice and evil, but with the unleavened bread of sincerity and Truth.

January 23, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite you to be at peace by trusting in My Father's Divine Will for you. It is then that you will be My most powerful instruments."

"Tonight, I am blessing you with My Blessing of Divine Love."

January 24, 2015 / Feast of St. Francis de Sales

St. Francis de Sales says: "Praise be to Jesus."

"Recently, you are in the process of training your puppy to stay in her boundaries with an invisible fence. If Annie* gets too close to the border, she is given a warning signal and knows to back away. In the spiritual life, you are given an invisible fence as well. The purpose of this invisible fence is to keep you within the boundaries of righteousness. The spiritual fence is Holy Love. The warnings that you are close to exceeding the boundaries of Holy Love must arise from your own conscience."

"This is why it is so important that consciences be formed in Holy Love. If this is not so, the boundaries of Holy Love are transgressed and the soul commits sin. The conscience must be formed within the parameters of Holy Love or else the soul does not receive the necessary warnings that he is out of bounds."

"Annie experiences a physical sound or warning to back away from danger. The soul receives a spiritual warning that he is out of bounds with Holy Love, but these days, many do not have 'spiritual ears'. Many hearts do not cooperate with Holy Love or with their own salvation. Their invisible fence fails them and they go off into every type of danger."

"Just as Annie must be trained, the human heart must be trained to watch for any transgression against Holy Love. This training requires practice and a desire to succeed. The invisible fence for Annie remains in place now. The invisible fence of Holy Love must be reinstated every morning upon arising."

**Annie is the golden retriever puppy.*

St. Francis de Sales says: "Praise be to Jesus."

"I tell you, every worthy prayer and sacrifice, every conversion of heart and each one's salvation must be based upon Holy Love. Holy Love is the embodiment of all the Commandments. It is a reflection of Divine Love."

"When you live, speak and think in Holy Love, you are never in error. Consequences of violating Holy Love are the consequences of sin. All of these reasons to choose Holy Love are the reasons Satan opposes this Mission so vehemently."

"These Truths cannot be compromised. Truth is not what man believes, but what God commands."

January 26, 2015 / Feast of Saints Timothy and Titus, Bishops

St. Thomas Aquinas says: "Praise be to Jesus."

"While there are many threats to world peace circulated about, today, and many survival plans, this Mission has mainly to do with the most important concern of all - the salvation of souls. This Mission is the conversion of the heart of the world through Holy Love. Success is measured in the turning away from evil and the pursuit of good through Holy Love. In this Mission is Heaven's call to turn away from all that opposes Holy Love and to pray to recognize the Truth between good and evil."

"Beware of any false sense of security, such as politicians who betray the world situation as 'status quo' or even improving. This is strictly a ploy to make themselves look good, but also a strengthening of the undetected enemy who is evil. You must understand that evil is very much at work in every abuse of authority and compromise of Truth. Some are so enamored with their own importance, they believe whatever they say will become the Truth. Many who follow them believe so as well. This is what induces a false sense of security and a complacency against identifying evil and fighting it. Once again, I tell you, do not be so impressed with who says what, but what they are saying."

"Holy Love in hearts is the greatest weapon of good against evil. It is more important than any weapon of mass destruction, peace plans which man contrives, hoarding of worldly goods against future needs, or trust in world leaders who are compromised, at best. In the end, each soul has his time before God's Judgment. This is what Holy Love prepares you for, as well as a just life in the world now."

Read 1 Timothy 6:6-7*

Of course, there is great gain in godliness combined with contentment; for we brought nothing into the world, so that we can take nothing out of it...

Note: Although not asked by Heaven, to understand the full context of this passage please read 1 Timothy 6:3-10.

January 26, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, My Providential Grace can reach into your lives in unexpected ways. Therefore, do not live in fear of anything that may or may not happen in the future, but live in trustful hope, and wait upon My Grace. Always trust in this."

"Tonight, I'm extending to you My Blessing of Divine Love."

January 27, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, I invite you, once again, to pray for the heart of the world. It is the ability of this heart to distinguish good from evil, which will determine the future of the world. This all-encompassing heart is comprised of every heart worldwide. Therefore, I once again and always, invite all people and all nations to this prayer site [Maranatha Spring and Shrine] to receive the Seal of Discernment and the Blessing of Truth. Without these special gifts, you are easily tricked into accepting evil as good. Your priorities become compromised and you place much credence in unworthy opinions of others. The result is the confusion in the world today, where, who says what matters more than what is being said."

"The graces offered here are given to unscramble the opinions in hearts which have compromised the Truth. Those who come here must be ready to surrender such opinions if they are convicted to do so by merit of these graces."

"Sometimes, what souls accept as good looks good on the surface, but there is a hidden agenda underneath which is evil. The Blessing of Truth helps the soul to realize what lies hidden. The Seal of Discernment aids the soul in recognizing where he is

being led. Of course, evil attempts to discount these Truths."

"Pray for the strength of the heart of the world, for then you are praying for every soul to live in the Truth."

January 28, 2015 / Feast of St. Thomas Aquinas

St. Thomas Aquinas says: "Praise be to Jesus."

I (Maureen) ask St. Thomas: "Why did they call you the 'Angelic Doctor'?"

"I suppose partly because I was always recollected and never spoke harshly to anyone when they asked questions."

"But, today, I come to speak about a particular obstacle on the journey through the Chambers of the United Hearts. It is a trap Satan uses to catch people off guard. It is self-centeredness. The soul so often does not recognize this obstacle, but grows more and more in the habit of viewing everything as to how it affects himself. He becomes self-serving, not with an eye to serving others. He may, without recognizing it, redefine the Truth to suit his own needs. In this way, he may view certain sins as harmless and not evil. This is how abortion and sodomy have become political issues. They have been redefined as 'freedoms'."

"The self-centered soul has difficulty in seeing error in his own heart. He becomes self-righteous quite readily. However, he may be quick to find fault in others."

"If this obstacle is not overcome, the path to salvation is obscured through compromised Truth. So you see, the reason Truth is compromised is self-centered interests."

"The way to avoid this is to always, at every opportunity, look to the needs of others first before self."

January 29, 2015 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"When souls become consumed with self-love which is disordered, it is difficult, at best, to recognize and avoid sin in thought, word and deed. This is because self-centered love leads the soul to choose what he wants - not what God wants."

"To live in Holy Love is to live in God's Will. The soul who chooses Holy Love chooses to love God and neighbor first and then self. If only world leaders would live and govern according to Holy Love. But as it is, the weakness of self-centered love is governing many nations and institutions. Even worse is the guise of some leaders to use social change as a means of gaining more power for themselves. They speak and act as though they are helping

underprivileged, but in Truth, they are making them more dependent upon their faulty leadership."

"This is why it is so important that selfish hearts not be placed in leadership roles. Such hearts lead only towards their own advantage."

"Selfishness is the breeding ground for sin and faulty leadership."

Read Ephesians 3:14-19 *

Synopsis: Prayer that by the Power of the Holy Spirit, the Love of Christ, which surpasses all knowledge, may be rooted in and fill all hearts.

For this reason I bow my knees before the Father, from whom every family in Heaven and on earth is named, that according to the riches of His Glory He may grant you to be strengthened with might through His Spirit in the inner man, and that Christ may dwell in your hearts through faith; that you, being rooted and grounded in love, may have power to comprehend with all the saints what is the breadth and length and height and depth, and to know the love of Christ which surpasses knowledge, that you may be filled with all the fullness of God.

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"The first step to living in Holy Love is to choose it. This choice may need to be made over and over throughout the day. Entrance into the First Chamber encourages this."

"It is important that the soul determines the direction his thoughts, words and actions are taking him. Are they inspired by good or by evil? Certainly, it is clear that there are evil inspirations in the world today. It is also evident that evil is most often presented as good. The heart that does not fully accept this is easy prey for Satan."

"Dear children, you must not be complacent, for Satan knows the best way to infiltrate each heart. He knows your weaknesses and your strengths. Please recognize him in every anxiety, every weakness of virtue and every discouragement. Read each Message I impart to you as though I am speaking directly to you."

"I desire our hearts beat in unison in every present moment."

Read Ephesians 6:10-17 *

Synopsis: Put on the armor of God to resist the attacks of the evil one and stand true in holiness.

Finally, be strong in the Lord and in the strength of His might. Put on the whole armor of God, that you may be able to stand against the wiles of the devil. For we are not contending against flesh and blood, but against the principalities, against the powers, against the world rulers of this present darkness, against the spiritual hosts of wickedness in the heavenly places. Therefore take the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having girded your loins with Truth, and having put on the breastplate of righteousness, and having shod your feet with the equipment of the gospel of peace; above all taking the shield of faith, with which you can quench all the flaming darts of the evil one. And take the helmet of salvation, and the sword of the Spirit, which is the Word of God.

"I am your Jesus, born Incarnate."

"Any open wound in the flesh is treated with ointment and bandaged up. It should be no different with the wounded heart of the world, which is torn apart by the abuse of authority and the compromise of Truth. My Heart mourns the state of the heart of the world which does not realize its sad condition and errors."

"The healing balm which can heal the heart of the world is Truth - the Truth of Holy Love. Holy Love is the bandage which holds Truth in place and thus promotes healing of error."

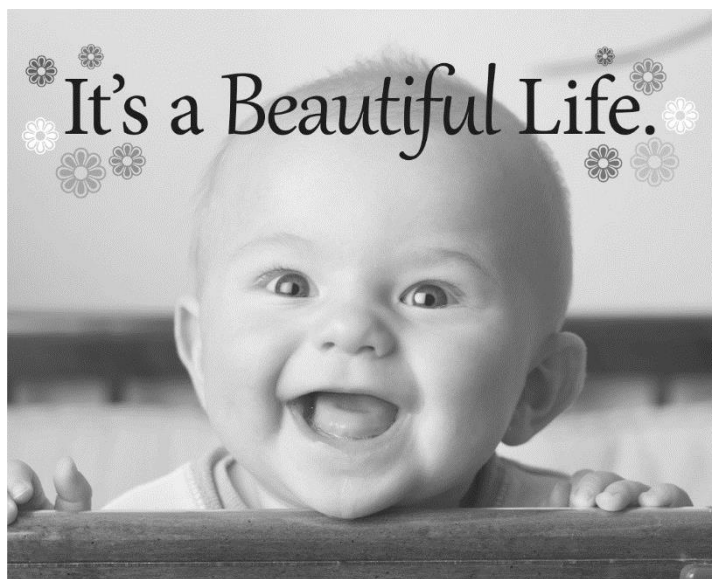

"No one would reject a healing balm and bandage for an open wound. Why do you reject such a solution for the wounded heart of the world?"

Read Colossians 3:14 *

And above all these put on love, which binds everything together in perfect harmony.

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

February 2015

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

St. Joseph says: "Praise be to Jesus."

"Today, I come to address all fathers once again. I encourage fathers to be stable and strong leaders, but to pray to overcome a tendency towards impatience - even anger. Make allowances for weaknesses or frailties of those in your charge, gently helping them to overcome such things."

"Be open to the Spirit of Wisdom which helps you to communicate righteousness. Such a grace this is."

"Do not be discouraged by the enormous task that lies ahead. Remain calmly in the present moment. God will lead you and provide for you."

February 1, 2015 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"You must never place obedience above living in the Truth. This is what draws whole factions of people off course. An extreme example of this would be terrorism. They obey untruth and kill in the name of untruth."

"You must realize that God commands only that which builds up the Body of Christ through a virtuous life. Every virtue is based upon Holy Love and built upon humility. These Truths should not be dictated against. Such opposition opposes God Himself. Such errors divide and weaken the Kingdom of God."

"The Son of Man did not suffer and die so that you could live in doubts and confusion, but so that you would live in union with Holy Love. Do not believe one thing in your heart but live according to error."

Read Mark 7:6-8

Synopsis: Love according to the Ten Commandments - which Holy Love embodies, and not according to the ways of humans (the ways of the world).

He said to them, "Isaiah prophesied rightly about you hypocrites, as it is written, 'This people honors me with their lips, but their hearts are far from me; in vain do they worship me, teaching human precepts as doctrines.' You abandon the Commandment of God and hold to human tradition."

February 2, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, with the weather so extreme* and your health so frail, you will stay inside - protected from the elements, My messenger. I use this occasion to draw attention to the frail spiritual state of the heart of the world. I come to invite all people and all nations into the shelter of My Immaculate Heart - Refuge of Holy Love. Never before has My Call been so urgent. The heart of the world has never before been so vulnerable and in need of My Motherly protection."

"The world has been made smaller due to modern communications and modes of transportation. Therefore, it is easier for evil to spread, for sadly, these advances have been used by Satan. The shelter of My Heart is a protection against the elements of evil. Herein, I will protect your faith and help you to determine good from evil. Satan's confusion and compromise cannot penetrate the inner confines of My Heart."

"If you but say, '*Protectress of the Faith, come to my aid*', I will envelop your heart in My Own Heart and protect you."

"Dear children, you must be aware of the spiritual dangers of these times or your heart will succumb to error. You can see the dangers in the severe weather of the day. Look, as well, at the imminent spiritual dangers all around you. You cannot go outside today without the protection of warm clothing. You cannot survive spiritually without the protection of My Heart."

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, I come to address those who believe in these Messages, yet do not live in Holy Love. Such as these are more culpable before God than those who do not believe for false reasons. Hearing the Messages and believing the Messages carries with it the responsibility of changing that in your life which is not Holy Love. This very often means a change in attitude regarding

relationships with people, trying to increase in virtue, and pursuing a deeper prayer life."

"How sad it is to hear the Truth and ignore it. The Messages call you to have childlike faith - a faith that does not seek its own advantage - an unselfish attitude in every situation. This is not easy and requires much effort while cooperating with grace."

"Dear children, do not make the mistake of hearing and believing, but not living the Messages. Each Message is for you."

February 4, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I have come, yet again, to point out that the reason peace is so fragile in the world is that the heart of the world has not surrendered to Holy Love. In this attitude, the peace in hearts is very fragile at best. You have false religions which promote every sort of violence in the name of a false god who does not exist. You have addictions to drugs, power and consumerism ruling hearts and actions. You have complacency on the part of leaders who hesitate to separate good from evil."

"Through all of this, Heaven sends Me to invite the heart of the world into Holy Love. But, once again, confusion and compromise have taken over, portraying My call to you as disingenuous. Dear children, you must not allow Satan to confuse you about Holy Love. I have come from Heaven to rescue you from the path of destruction. My Son taught you about Holy Love when He was with you. It is no less worthy a call today than when He walked the earth. Do not allow Satan to confuse you. Because of these times, Holy Love is even more vital today than ever."

"Do not look to the world to bring peace and harmony. You can only find true peace through Holy Love. Live in Holy Love."

Read 1 John 3:19-24

Synopsis: A good conscience is one formed in the Truth that is Holy Love. If we keep the Commandments, living in Holy Love, whatever we ask of God we shall receive, because when we live in Holy Love, God abides in us and we in God as verified by the Holy Spirit, Whom He has given us.

By this we shall know that we are of the Truth, and reassure our hearts before Him whenever our hearts condemn us; for God is greater than our hearts, and He knows everything. Beloved, if our hearts do not condemn us, we have confidence before God; and we receive from Him whatever we ask, because we keep His Commandments and do what pleases Him. And this is His Commandment, that we should believe in the Name of His Son Jesus Christ and love one another, just as He has commanded us. All who keep His Commandments abide in Him, and He in them. And by this we know that He abides in us, by the Spirit which He has given us.

"I am your Jesus, born Incarnate."

"I assure you, I will appear on the Feast of Divine Mercy in the Field of Our United Hearts. My Presence does not come to you through statues, but through the Will of My Father."

February 5, 2015 / Public

St. Joseph says: "Praise be to Jesus."

"I tell you, the enemy that lies hidden in hearts is more dangerous than the enemy most obvious in the world. This is because if you do not identify your enemy, you cannot oppose him or protect yourself against him. This is why the discernment between good and evil is so vital in the spiritual life."

"Satan does everything in his power to cover his actions and disguise his purpose. Be wise enough to use Holy Love as a winnowing fan to separate good from evil. Do not follow someone for the sake of following. Follow those who support the Truth."

February 6, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Just as Jesus' Heart and My Heart are United, it is necessary for all hearts to be united in Holy and Divine Love. This is the solution for every problem which plagues the world today. In this solution is the end to war, terrorism spawned by false religions, disease, natural disasters and more. The bad fruit of not complying with this solution is all around you. Added to this is the compromise of Truth and the abuse of authority which conceal and camouflage the necessity of choosing this solution."

"I can only tell you what Jesus sends Me to say. It is up to each one to choose My advice in the present moment. The journey through the Sacred Chambers of Our United Hearts is the way to choose this solution in humility and love."

"Make it known."

February 6, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all columnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, you have been given the recipe towards personal holiness through the Chambers of Our United Hearts. As with any recipe, if you leave out an ingredient, the final product is altered."

"Therefore, I beseech you, do not try to skip these serious and important steps through the Chambers of Our United Hearts, for your holiness is at stake."

"Tonight, I am blessing you with My Blessing of Divine Love."

February 7, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I have come, once again, to heal the wounds of the heart of the world and the heart of the Church. Jesus' Mournful Heart is real and gravely offended by the compromise of Truth and the abuse of authority. The time is at hand for a strong spiritual voice to speak out in defense of righteousness in the face of so many errors supported, not only by your president, but multiple world leaders."

"Heaven's intervention here* is the solution, but the world will never accept it as long as those in power present it as unauthentic. But, where is the voice of the Church leaders in the face of misinformation concerning Christians in general and in the pro-life effort? What spiritual leader will condemn the beheading and burning alive of My children?"

"Do not remain silent to accommodate evil. If you are given authority in the world or in the Church, use it to support godliness - not to win popularity. Remember, God judges hearts and it is the Holy Love in your hearts that earns your salvation - not the numbers you placated with your silence."

"Yes, we need a strong spiritual voice to speak out without fear of offending - without fear of losing popularity or jeopardizing power. This is not the time to think of self, but of the greater good - of godliness and human dignity."

"Even your silence is a choice - a choice in support of evil."

** Maranatha Spring and Shrine*

Read 1 Corinthians 3:16-17

Synopsis: Your bodies are temples of the Holy Spirit.

Do you not know that you are God's temple and that God's Spirit dwells in you? If any one destroys God's temple, God will destroy him. For God's temple is holy, and that temple you are.

February 8, 2015 / Public

"I am your Jesus, born Incarnate."

"Where is the outcry of good Christians against your president's defilement of the national prayer breakfast, which he used as a format to take Christians to task? Where is the outrage at this same president's inability to define radical Islam as evil and a threat to world peace? What enemy is your president combating? Is it lack of popularity? If it is, he should have long ago succumbed in this battle."

"I submit to the conscience of this once great nation, you must return to godliness before you destroy yourselves. Pay attention to where you are being led. Is it away from the Commandments, or does your leader embrace Holy Love? Your priorities must not be dependency on government assistance but on righteousness, freedom of religion and honesty. You are not being led by grace and prayerful decision, but by arrogance and abuse of power. The principles your nation was founded upon do not support such a leader."

Read 1 Timothy 4:1-2, 7-8

Synopsis: Prophecy and warning not to turn away from the faith and heed deceitful spirits as taught by deceitful men.

Now the Spirit expressly says that in later times some will depart from the faith by giving heed to deceitful spirits and doctrines of demons, through the pretensions of liars whose consciences are seared... Have nothing to do with godless and silly myths. Train yourself in godliness; for while bodily training is of some value, godliness is of value in every way, as it holds promise for the present life and also for the life to come.

February 9, 2015 / Public

"I am your Jesus, born Incarnate."

"I mourn the loss of Truth in hearts and the weakening of integrity in those in authority. This has happened as I am no longer in the center of hearts. Hearts are now centered on free will. Free will is focused on self-gratification."

"You cannot serve every form of sensuality and Me. The center of your existence must be to love God and neighbor. Every Truth flows from and around this maxim. Truth and integrity cannot be made to fit into the mold of self-love; rather, self-love must conform to Truth and integrity."

"Today, the world is reeling under false security based on half-truths which are Satan's lies. No nation can be a diplomatic power in such a way, but will only become unraveled in the final test. The final test will be between Truth and untruth, Holy Love versus evil."

Read 1 Timothy 2:1-4

Synopsis: Pray for all leaders in high positions of authority that they lead a godly, respectful life conformed to integrity and Truth.

First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all men, for kings and all who are in high positions, that we may lead a quiet and peaceable life, godly and respectful in every way. This is good, and it is acceptable in the sight of God our Savior, who desires all men to be saved and to come to the knowledge of the Truth.

February 9, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear family of Holy Love, tonight I offer you peace in your hearts if you live the solution to earth's problems, which is Holy Love. Strengthen the Truth in hearts by propagating Holy Love, for it is a vehicle of peace and Truth."

"Tonight, I'm extending to you My Blessing of Divine Love."

"I am your Jesus, born Incarnate."

"Once again, I tell you that it is not who you obey, but what you obey that counts. A person may be seated upon the highest throne, carry a title which demands the highest respect, even be supported by laws which demand obedience; but, in My Eyes, he is nothing unless he has Holy Love in his heart. Holy Love flavors every action of the just man. Holy Love is the path and the gateway to salvation."

"Holy Love in the heart deserves esteem and acts with integrity. Such a heart is incapable of untruth. Therefore, a heart steeped in Holy Love cannot wound My Mournful Heart with compromise of Truth. Such a leader or person of esteem would never abuse his authority, for he does not have self-interest at heart. Therefore, such a one is easy to obey through mutual Holy Love and respect. He protects the reputation of those who follow him. In him there is no guile or hidden agenda."

"The person who lives in Holy Love is at peace, for he trusts in Me. He trusts My Mercy and My Provision. Without the foundation of Holy Love, the soul becomes too dependent on himself. Then he opens his heart to obeying ungodliness."

"Remember My telling you these things as you look at the world situation."

February 11, 2015 / Feast of Our Lady of Lourdes

Our Lady comes as Our Lady of Lourdes. She says: "Praise be to Jesus."

"When Jesus sent me to Lourdes to appear to St. Bernadette, it was to establish a site of healing and favor in the world. The Church did an honest and open investigation of the happenings, approved it, and many have come to believe."

"But, today, Jesus has sent Me with the same intent - to establish the Lourdes of this continent - a place of Heaven's continual presence and favor. Yet, it has been met with skepticism, disfavor from authorities and even rash judgment and slander. The miraculous healings here are discounted, hidden under the rock of abuse of authority; yet, these miracles continue and proliferate. There has been no honest and forthright investigation of the multitude of Messages and revelations - only a selective assessment of a scant few Messages." *

"If I had appeared today in Lourdes to St. Bernadette, the heavenly intervention never would have been accepted and approved. The attitude today is one of ownership of power not to be challenged by Heaven."

"But, I continue to intervene at My Son's request. Heaven continues to touch earth here** despite man's jealous efforts to discount it. I do not know how much longer this will continue or how long God's Patience with man's negative response to these graces will hold up. I only come at His Command seeking the welfare of all people and all nations."

"You already have war in many hearts. You have leaders who lie to you. Honest, Christian efforts are opposed with more compromise. Be united in My Heart, Refuge of Holy Love, which I am sent to offer you. Ask

for My Protection of your faith which is so challenged today."

"Dear children, I am with you at this site,** just as I am with all who travel to Lourdes. Come and believe."

Prayer for Belief in Holy Love Apparitions

"Dear Jesus, please forgive this generation for not accepting these apparitions as true. Open the hearts of unbelievers to the reality of this heavenly intervention. Do not allow disbelief in Holy Love to antagonize Your Wrath or hasten Your Justice. Please allow these apparitions, healings and miracles to continue. Amen."

"I am your Jesus, born Incarnate."

"Everything must be weighed and measured on the scale of Holy Love - thought, word and deed - as to its worthiness in My Eyes. If it fails in Holy Love in any way, have nothing to do with it. This is the proof of a well-formed conscience. Any compromise of this Truth compromises your own salvation and perhaps the salvation of those you influence."

"If you find yourself under any authority who is leading you in a way contrary to Holy Love, you must, in good conscience, act against that authority. I call this 'independent righteousness'. Think of all the atrocities dictators have been allowed to carry out because their followers felt obliged to obey them. History would be re-written if people had paid attention to what they were obeying in righteous independence."

"This type of blind obedience takes place even today. This is why I tell you, Holy Love is the answer to peace."

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, you live in a world where true faith is rare due to heresy, pagan practices and self-interest in the form of abuse of authority and the compromise of Truth. Heaven has offered many graces here:* Devotion to the Protectress of the Faith and the Refuge of Holy Love, the Journey through the Chambers of the United Hearts, and Devotion to the Mournful Heart of Jesus, to mention a few. Any one of these, if taken seriously, could change the direction of society today. Instead, these graces are summarily dismissed - even defamed. The spiritual strength which could have come from any one of these devotions has been denied and evil has been strengthened due to this deficit."

"These errors will not be reversed due to pride until Jesus returns, but the power and grace these revelations carried into the world was meant for these harrowing times. Much has been lost. None of these revelations were given fair consideration in the Light of Truth."

"Therefore, today, I have come to gather together My Remnant Faithful - those who humbly seek and live in the Truth. Dear children, pursue personal holiness by living in Holy Love. Do not allow your faith to rest upon the endorsements of a few, but on the graces flowing from My Immaculate Heart which is your protection."

"I fear My Son's Justice will be provoked by such bitter treatment towards Heaven's apparitions here. I seek your help, dear Remnant Faithful. Pray and sacrifice that God's Mercy will continue to rest upon every present moment in every corner of the world. Have courage in the presence of unbelievers. Have hope, for hope is the good fruit of trust. Never change your beliefs to please man."

TO THE REMNANT FAITHFUL

Seven Moral Standards of Truth

Blessed Mother says: "Praise be to Jesus."

"Dear children, I have come, once again, to support the Remnant Faithful - that is those of you who still believe according to Tradition. There are some basic Truths you must never forget and always defend."

1. "There is a final judgment for each soul."
2. "Heaven and hell are real."
3. "Satan does exist and wants to destroy all Truth."
4. "You must stand firm in the Truth between good and evil."
5. "Holy Love defines good and leads to your salvation."

6. "All sin - all compromise of Truth and abuse of authority - are inspired by self-interest."
7. "Never respect man and his opinions above God. Remember, God looks at what you obey, not who you obey."

"Each one of those points is the rock solid foundation of the Remnant Faithful. Live them."

"My brothers and sisters, tonight, I invite all people and all nations into My Sacred and Mournful Heart. Herein, I will protect you from the confusion of the world and help you to make decisions in godliness and righteousness."

"Tonight, I'm imparting to you My Blessing of Divine Love."

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, I have given you the Moral Standards of the Holy Remnant of Faith. These seven points must never be compromised. In the coming days, I will address the full expanse and depth of these points - one by one. As you review these points, realize that these are the ways Satan attacks you and tries to rob you of your salvation. The evil one does not want you to internalize these Truths. He does not want the Remnant to be united."

"Therefore, dear children, you must be united with a tenacious fervor - never relinquishing your right to live in the Truth and to live the Tradition of Faith handed down to you by your forebears.* You will be mocked and maligned, but I will give you the strength to persevere. The Holy Remnant is deep in the recesses of My Immaculate Heart, yet very present in the world today. It is a countersign in an evil age."

**Forebears are the Church Fathers and the apostolic successors (Popes and Bishops) who established and handed on the Tradition of Faith.*

February 15, 2015 / Public

Our Lady comes in white, but the inside of Her Mantle is green. She smiles and says: "Praise be to Jesus. The color green signifies hope. The Remnant is the hope of the future of civilization. So, today, I am here as promised to discuss the Remnant once again."

"The Remnant, dear children, must be steadfast and firm in the seven points I have given you. It must not waver in any wind of controversy. It must not change opinions to conform with the opinions of mankind. Any

departure from these maxims means a departure from the Remnant Faithful."

"The Remnant must stand as a call to the return to godliness - to sound morals - and to adherence to God's Commandments. As such, the Remnant must be united in purpose and uncompromised in direction despite attacks of any sort. The Remnant must be a bastion of prayer and sacrifice, for this is the key that links the chain of the Remnant together."

"The same Remnant may reside in the farthest corner of the world or it may be right here at Holy Love.* It is still one in purpose - one in integrity and in My Immaculate Heart. It is the strength of Tradition, the foundation of sound morals, the return to godliness. It is the hope of the future."

TO THE REMNANT FAITHFUL
First Moral Standard of Truth**

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"First of all, please realize that the remnant of anything is not the part that breaks away from the rest, but the portion that remains. Therefore, the Remnant Faithful is that portion of the faithful who remain devoted to the faith while a greater portion pulls away."

"With this in mind, let us now look at the first Standard of Truth as it pertains to the Remnant Faithful. There is a final judgment for each soul. Each soul has his moment of judgment before My Son. Each soul will be judged according to the Holy Love or the absence of Holy Love in his heart as he draws his last breath. This Truth does not change according to circumstance."

"Holy Love is the doorway and path to salvation. No one enters Heaven who does not love God above all else and his neighbor as himself. Holy Love is God's Will in action."

"Each soul should use his time on earth in an effort to earn his salvation. This is each one's responsibility. Free will is given as the opportunity to make the right choices and to achieve salvation. These Standards of Truth are guidelines towards that end. Every one of these Truths support, and are supported by Holy Love."

"If you make Holy Love a way of life, you will be prepared for the moment of judgment before My Son. You will not be caught off-guard. Do not think that in that moment before My Son you can negotiate your way into Heaven. At that moment, My Son sees clearly into the virtue of your heart. Be ready!"

Read 1 John 4:21

And this commandment we have from Him, that he who loves God should love his brother also.

Read 2 John 1:6

And this is love, that we follow His commandments; this is the commandment, as you have heard from the beginning, that you follow love.

February 16, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, always safeguard the peace in your hearts by avoiding whatever is destroying your peace. It is Satan who does not want you to be at peace. Let Holy Love rule your hearts, thus you will have peace and trust."

"Tonight, I'm blessing you with My Blessing of Divine Love."

February 17, 2015 / Public TO THE REMNANT FAITHFUL Second Moral Standard of Truth

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Once again, I come to address the Holy Remnant Faithful. The second Truth that the Remnant must accept is the reality of Heaven and hell. This is what salvation is all about and why you should care about your final judgment. God creates each soul to share eternity with Him, but it is up to the soul to choose this, as well."

"I invite you to think for a moment about eternity. Eternity is forever - never ending. In Heaven, there is no time or space. The same is true of Hell. These concepts of time and space are particular to the world. Jesus calls you to eternal joy and peace with Him in Paradise. Satan tries to obstruct your salvation and lead you, through his lies and guile, to eternal torture in his domain of hell. His greatest lie is that there is no hell. Do not believe him. Whether you believe in Heaven and hell, or not, does not negate their existence."

"Throughout the centuries, there have been many who have returned to earth to bear witness to the existence of the afterlife. If these testimonies were accepted as the Truth that they are, mankind would clearly see his role in choosing his salvation. As it is, a cynical nature gives temptation its opportunity."

"The more the soul accepts that he has to make the effort to choose Heaven, the closer he is to embracing Holy Love. Never be misled by any theory that there is no afterlife or that the soul gets a second chance through reincarnation. These are Satan's lies. Believe in the Truth as I am giving it to you today."

February 18, 2015 / Public TO THE REMNANT FAITHFUL Third Moral Standard of Truth

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, I come to address the next Moral Standard of Truth for the Holy Remnant; that is; Satan does exist and wants to destroy all Truth. If you ever want to enable an enemy, then refuse to identify him or recognize him. That is what drug addicts do. It is also what this president is doing with Islamic extremists."

"In the spiritual world, the soul that denies the existence of Satan in any circumstance, not only enables

evil, but opens the door of his heart to it. You cannot fight unless you recognize the enemy."

"In the world today, you have evil all around you encouraged by Satan and his minions. Evil is present in false religions and even, in certain instances, in true religions. Satan inspires governments and legislation such as abortion and sodomy. Evil is reflected in fashions, illicit use of technology and media. Anytime untruth is present - Satan has stepped in."

"Acknowledging Satan's existence is only the first step in spiritual warfare. You must learn to recognize him even when he comes clothed in goodness. This is discernment. The enemy does not very often come with horns and a pitchfork. Often, he uses good people to oppose God's good."

"Take, for instance, this Mission where seemingly good people openly oppose Heaven's intervention here;* he may use good intentions towards his evil end. This is shown over and over again when people try to help one another, but Satan steps in causing scandal, physical harm or loss of property."

"Satan is the 'father of lies' and uses his lies to discredit good, misdirect the ones searching for Truth and misinform the well-intended. Satan is the enemy of all Truth and therefore, the enemy of God's Commandments and Holy Love."

"Recognize Satan's smoke in the world today. Where there is smoke, there is fire. Protect your hearts with St. Michael's Shield of Truth. Realize that your faith is Satan's target. Then come to Me, as I am the Protectress of your faith."

* *Maranatha Spring and Shrine*

Read Ephesians 6:10-17

Finally, be strong in the Lord and in the strength of His Might. Put on the whole armor of God, that you may be able to stand against the wiles of the devil. For we are not contending against flesh and blood, but against the principalities, against the powers, against the world rulers of this present darkness, against the spiritual hosts of wickedness in the heavenly places. Therefore take the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having girded your loins with Truth, and having put on the breastplate of righteousness, and having shod your feet with the equipment of the gospel of peace; above all taking the shield of faith, with which you can quench all the flaming darts of the evil one. And take the helmet of salvation, and the sword of the Spirit, which is the Word of God.

February 19, 2015 / Public TO THE REMNANT FAITHFUL Fourth Moral Standard of Truth

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, I come to speak to you, once again, concerning the Moral Standards of Truth that the

Remnant must follow. The next Truth is: You must stand firm in the Truth between good and evil. Realizing the Truth that Satan does exist, supports the fact, that it is he who does not want you to distinguish between good and evil. He clouds the difference between good and evil with compromise."

"Satan's lies make sin look like 'freedom' and portrays evil as a legal right. All the while, he is enslaving the sinner in an evil web of deceit. The Truth of good is defined by Holy Love, which is the embrace of all of God's Commandments. Evil is defined in any departure from Holy Love."

"Do not be persuaded along any path that leads away from God's Commandments - Holy Love. Do not attempt to redefine good as evil. Truth is always the Truth. Sin is always sin. You must accept that sin does exist and every soul sins."

"The Holy Remnant must never be afraid of confronting evil and identifying it. Misplaced compassion for the sinner is often Satan's tool which placates the sinner and encourages the sin. This does not support the Truth."

"Often, as a soul advances in holiness, he falls into the trap of self-righteousness. He may even take pride in his knowledge of satanic endeavors, thinking himself quite powerful against satanic activity. This is yet another ploy of evil. Remember, Holy Love and Holy Humility go hand in hand."

"It is the humble soul who most easily discerns good from evil. Such a soul knows his own weaknesses and strengths.* He does not let his personal likes or dislikes influence his decisions of good versus evil."

"Dear children, as part of the Holy Remnant, be willing to help others discover the Truth between good and evil - not with sanctimony, but with Holy Love."

** This is what self-knowledge entails.*

February 20, 2015 / Public TO THE REMNANT FAITHFUL Fifth Moral Standard of Truth

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"In order for a person to distinguish good from evil, his conscience must be formed in righteousness - godliness. This can only be accomplished through Holy Love. This brings Me to the next maxim of Truth for the Remnant Faithful: Holy Love defines good and leads to your salvation."

"Holy Love - to love God above all else and your neighbor as yourself - is the embodiment of all of the Ten Commandments. No one enters Heaven outside of Holy Love. There is no back door - no negotiating. Holy Love is the path to personal holiness and your salvation."

"A conscience that does not completely embrace Holy Love is compromised. The more people the soul influences in his compromise of Truth; the greater his sin. In searching for the Truth, the soul need only to turn to Holy Love as a standard. Anything which opposes Holy Love is cooperating with evil."

"You cannot give God your whole heart if you keep part of it for yourself. Therefore, what you love in the world; reputation, power, authority, physical appearance or worldly possessions are obstacles to Holy Love. Use everything as a means to your salvation."

"The hope of the Remnant is to remain faithful to Holy Love and to regard everything through the eyes of Holy Love. This is the way to avoid Satan's deceit, the compromise of Truth and the abuse of authority. Holy Love is Truth and God's Will for all of mankind."

"You cannot hang on to the Remnant of Faith if you do not hang on to Holy Love."

Read 1 John 3:19-24

Synopsis: Formation of a good conscience is based on the Truth of Holy Love - the embodiment of the Ten Commandments.

By this we shall know that we are of the Truth, and reassure our hearts before Him whenever our hearts condemn us; for God is greater than our hearts, and He knows everything. Beloved, if our hearts do not condemn us, we have confidence before God; and we receive from Him whatever we ask, because we keep His Commandments and do what pleases Him. And this is His Commandment, that we should believe in the Name of His Son Jesus Christ and love one another, just as He has commanded us. All who keep His Commandments abide in Him, and He in them. And by this we know that He abides in us, by the Spirit which He has given us.

February 21, 2015 / Public TO THE REMNANT FAITHFUL Sixth Moral Standard of Truth

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I come to you, once again, with hope for the Remnant. The basic Truth I will address today is this: All sin - all compromise of Truth and abuse of authority - are inspired by self-interest."

"This is not possible if the soul's conscience is formed in Holy Love. No sin is committed accidentally, but only through free will. The sinner loves the sin more than God and neighbor. Sin is self-serving. The sinner has some disordered self-interest he wants to fulfill. At the moment of surrender to sin, this want, takes precedence over righteousness."

"The soul may compromise the Truth, convincing himself sin is not a sin. This compromise is, in itself, a sin and full of self-interest. Each soul has the responsibility to find the Truth between good and evil."

"Authority is abused when the leader has his own self-interest at heart and not the welfare of his followers. Perhaps he leads people away from the Truth in an effort to make his own authority more powerful. He may concern himself with money and his own reputation above the responsibility of his position. Such authority is not trustworthy or even worthy of obedience."

"The Remnant must take note of this, for many are misled and misinformed through this particular sin."

"I want to give you, dear Remnant, the support of knowing you do not lose favor with Me if you act in good conscience supporting the maxim of Holy Love - despite disordered authority or compromise of Truth. I, your Heavenly Mother, stand with you. Many Traditions may fall by the wayside in the future. I will be with you to help you ferret out the Truth. Do not fear, but be cautious. Caution is prudence. Fear is a spirit which destroys your peace."

Read 2 Thessalonians 2:13-15

Synopsis: Encouraging words to the Remnant Faithful.

But we are bound to give thanks to God always for you, brethren beloved by the Lord, because God chose you from the beginning to be saved, through sanctification by the Spirit and belief in the Truth. To this he called you through our gospel, so that you may obtain the glory of our Lord Jesus Christ. So then, brethren, stand firm and hold to the Traditions which you were taught by us, either by word of mouth or by letter.

**February 22, 2015 / Public
TO THE REMNANT FAITHFUL
Seventh Moral Standard of Truth**

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, once again, I come to offer courageous support to the Holy Remnant Faithful. As you discover where the Truth lies hidden under compromise, you must never be dissuaded to relinquish it by opinions of influence. This is the last Moral Standard of Truth for the Remnant Faithful: Never respect man and his opinions above God. Remember, God looks at **what** you obey - not **who** you obey."

"Opinions have a way of becoming actions in the world. That is what makes opinions important. Opinions become laws and levy undue burdens on those who feel obliged to support and obey the law. Opinions alter the flavor of governments, institutions and even challenge the security of nations. It is opinions which bring a political atmosphere into the Church and state. These days, most opinions lead away from obedience to the Ten Commandments and Holy Love and towards sin through compromised Truth."

"The Remnant, you know, is not just one particular religion trying to cling to long-standing Church Tradition. Rather, it is all who desire to perpetuate Christian morals and standards of Truth, which are fading away in this present-day generation."

"Peoples' opinions on morals are being changed through mass media which presents sin as commonplace and acceptable. People who choose sinful lifestyles are held up as admirable and those who object are discriminated against. Therefore, the focus is not on eradicating error, but accepting it."

"The Remnant must not accept such error, over and above, God's Laws. It does not matter who accepts what. It matters if you believe error or the Truth. God looks into the heart - not at popular opinion. Each soul must embrace God's Laws above all else. Therein, lies his judgment."

"Dear children, avoid quickly accepting popular opinion. Rather, search for God's Truth through Holy Love. This is the path to your salvation. It is God's opinion of you that will matter and determine your eternity. Form your opinions around pleasing God - not on being accepted by those of compromise in the world. This will take a determined effort, but grace will be your ally. This is the hope of the Remnant."

Read 1 Timothy 4:1-2, 7-8

Synopsis: Warning of false and deceitful teachers who lead the faithful away from Truth.

Now the Spirit expressly says that in later times some will depart from the faith by giving heed to deceitful spirits and doctrines of demons, through the pretensions of liars whose consciences are seared; Have nothing to do with godless and silly myths. Train yourself in godliness; for while bodily training is of some value, godliness is of value in every way, as it holds promise for the present life and also for the life to come.

Read 2 Timothy 3:1-5

Synopsis: Warning of false and deceitful teachers who lead the faithful away from Truth.

But understand this, that in the last days there will come times of stress. For men will be lovers of self, lovers of money, proud, arrogant, abusive, disobedient to their parents, ungrateful, unholy, inhuman, implacable, slanderers, profligates, fierce, haters of good, treacherous, reckless, swollen with conceit, lovers of pleasure rather than lovers of God, holding the form of religion but denying the power of it. Avoid such people.

TO THE REMNANT FAITHFUL**

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"It should be clear to the Remnant Faithful that caution must dictate whom you believe in and trust. Those worthy of belief support the Truth and do not speak or act according to self-interest. They hold no hidden agenda in their hearts; therefore no guile. This is true of all leaders - secular or religious. The ones who object most to My advice to you today are the leaders who want absolute power."

"It is never wrong to look at the direction you are being led. Does it support the Ten Commandments and thus Holy Love? It is your sovereign duty as a Christian to examine this. Too many are misled and misinformed. Too much righteousness is clothed in silence and never proclaimed."

"I am telling you these things not to be rebellious, but rather to be united in the Truth, which is Holy Love."

Read Philippians 2:1-5

Synopsis: Encouragement to be of the same mind and heart – united in Holy Love and Holy Humility through the United Hearts.

So if there is any encouragement in Christ, any incentive of love, any participation in the Spirit, any affection and sympathy, complete my joy by being of the same mind, having the same love, being in full accord and of one mind. Do nothing from selfishness or conceit, but in humility count others better than yourselves. Let each of you look not only to his own interests, but also to the interests of others. Have this mind among yourselves, which was in Christ Jesus.

"I must make clear that the Remnant Faithful is comprised of all Christians - not just Catholics. The Remnant is the coming together of those who hold Christian moral values in their hearts despite the compromise of Truth in the world. You, dear Remnant, must make the effort to be united in the Truth*, as Satan is uniting evil in untruth. If you do not answer My call to be united, you will be defeated. Do not oppose one another. Recognize the enemy and oppose him. That is why it is so important to distinguish good from evil**."

"To all leaders, religious and secular, I tell you, do not make social justice your goal. If you do, you ultimately condone sins which call upon God's Justice. You weaken the morals of society instead of strengthening them. You are working to unite evil***."

"Catholics must be united in Church Tradition and not accept language which supports illicit change. Stand shoulder to shoulder in the Truth. Be accountable to the Truth, not to man."

"My Son has sent Me with these Messages for the Remnant to unite everyone in the Truth. Do not look to some new definition of the 'truth'. Be courageous in your fight against untruth. Pray to recognize the enemy who always disguises himself behind some good."

"Remember, I am your Protectress and your Mother. I love you."

***Read Romans 2:13**

For it is not the hearers of the law who are righteous before God, but the doers of the law who will be justified.

****Read Romans 16:17-18**

I appeal to you, brethren, to take note of those who create dissensions and difficulties, in opposition to the doctrine which you have been taught; avoid them. For such persons do not serve our Lord Christ, but their own appetites, and by fair and flattering words they deceive the hearts of the simple-minded.

*****Read Romans 1:18, 32; 2:6-8**

For the wrath of God is revealed from Heaven against all ungodliness and wickedness of men who by their wickedness suppress the Truth; Though they know God's decree that those who do such things deserve to die, they not only do them but approve those who practice them; For He will render to every man according to his works: to those who by patience in well-doing seek for glory and honor and immortality, He will give eternal life; but for those who are factious and do not obey the Truth, but obey wickedness, there will be wrath and fury.

People would have flocked around you - hands open. But, I have come to offer much more. I offer the path of personal holiness and salvation. This gift is met with skepticism at best and even opposed. The difference is the convoluted values in the world today."

"The heart of the world is spiritually impoverished and unwilling to seek or accept a solution. Solutions are sought out in materialistic ways, but mankind's relationship with God suffers greater and greater insults moment by moment. You cannot kill the life God places in the womb and expect your relationship with God to remain untarnished. You cannot legalize sodomy and expect to hold God's favor."

"I have asked for Holy Love to be spread around the world. Precious to Me are those who eagerly accept this challenge."

"Some have been converted - have turned away from the false promises of the world and have strengthened the Remnant Faithful. Others listen half-heartedly. Still others oppose Me."

"Each one of My visits to you seeks the same end - the conversion of the heart of the world. Those of you who are listening must pray for this. What I offer to you is eternal and worth much more than any amount of money."

Jesus says: "I am your Jesus, born Incarnate."

"I wish to describe to you a good and worthy leader. Such a leader has the welfare of his followers first and foremost in his heart. He does not lead according to his own benefit. He does not allow power, reputation or love of money to control his decisions."

"A worthy leader is a reflection of the Remnant Faithful as he practices the Moral Standards of Truth. The good leader has no guile - no hidden agenda, but is open and truthful in every endeavor. Therefore, he is trustworthy."

"In the world today, there are few such leaders as I have described to you. Politics rules hearts and thus decisions. Honesty is synonymous with Truth. Truth bespeaks clarity - transparency - reality. Most in leadership roles today are concerned with themselves - their importance, reputation and climb to success. These are not the ones you should follow if you wish to follow Me."

Read 1 Thessalonians 2:3-6

Synopsis: The motives of leaders in preaching the gospel are in what is most pleasing to God and in accordance to the Divine Will - not in what is acceptable and sought after as praiseworthy by men.

For our appeal does not spring from error or uncleanness, nor is it made with guile; but just as we have been approved by God to be entrusted with the gospel, so we speak, not to please men, but to please God who tests our hearts. For we never used either words of flattery, as you know, or a cloak for greed, as God is witness; nor did we seek glory from men, whether from you or from others, though we might have made demands as apostles of Christ

February 28, 2015 / Public

Jesus says: "I am your Jesus, born Incarnate."

"A good leader is identified by what he embraces and what he opposes. You should not follow and obey one who opposes the Standards of Truth as laid out for the Remnant Faithful. Such a one leads according to his own self-interest. I must reiterate what My Mother said. I am not telling you these things to stir rebellion in your heart, but to unite you in the Truth."

"If you support a leader who favors abortion or same-sex marriage, you are supporting evil. This evil will only change through lack of public support. As Christians, you must oppose such evils and oppose those who support them."

"Another example is the situation where a religious leader does not support to the fullest the spiritual well-being of his flock. He would not be embracing the Truth either. I would never hold you bound to obedience to any evil."

"You can only trust those who live in Truth and in the Truth encourage godliness. Honesty will follow. These are the leaders you need to unite behind."

Read 1 Peter 5:2-4

Synopsis: Encouragement of shepherds of the church (priests and bishops) to tend their flocks in the pattern of the Chief Shepherd (Jesus Christ) - with Divine Love and Mercy - not lording over under constraint of obedience or for self-gain.

Tend the flock of God that is your charge, not by constraint but willingly, not for shameful gain but eagerly, not as domineering over those in your charge but being examples to the flock. And when the chief Shepherd is manifested you will obtain the unfading crown of glory.

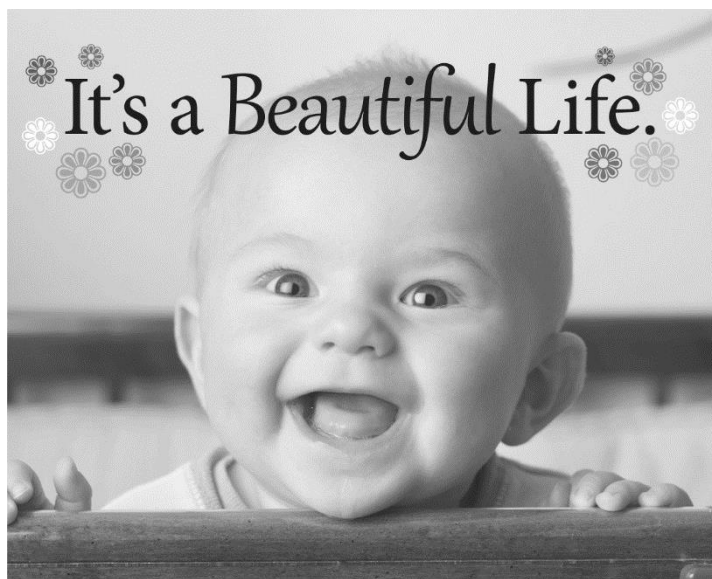

NOTES

REGARDING THE USE OF THE TERMS 'REMNANT FAITHFUL' AND 'REMNANT':

Throughout these Messages, Heaven speaks of both the 'Remnant Faithful' and the 'Remnant.' For the purposes of these Messages, the two terms are interchangeable. Please note that whenever the term 'Remnant' is used (with an initial capital 'R'), it is referring to the Remnant Faithful.

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

March 2015

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

"I am your Jesus, born Incarnate."

"Please understand, there would be no need of a Remnant Faithful if all would cling to Tradition, the Ten Commandments and Holy Love. Too many accept misinterpretation of these Laws to please themselves and/or others. The love of God is not strong enough to carry them past the temptations of the compromise of Truth."

"This is the way Satan weaves his way into hearts and weakens faith. He uses self-interest as a doorway to the heart. Before the soul realizes it, the very fundamentals of his faith and moral standards are compromised. But Truth is never changed to accommodate free will. Rather, free will must conform to the Truth."

"The soul must know himself and his weaknesses, and must always be aware of the differences between good and evil. The present moment must be the moment of the embrace of Truth."

March 1, 2015 / Public

St. Joseph says: "Praise be to Jesus."

"All fathers, as spiritual directors of their families, need to guide their families according to the maxims of Truth for the Remnant. Thus, fostered in these Moral Standards of Truth, the Remnant will be embraced by the younger generation as well. This insures salvation and the perpetuation of the Truth."

March 2, 2015 / Public

I (Maureen) was asking Jesus why He was pulling together the Remnant Faithful at this time.

He said: "I am your Jesus, born Incarnate."

"These days, so much about the faith, the Commandments and Christian morals in general is ambiguous. If sin is not preached about, souls decide for themselves what is good and what is evil. Consciences not formed in Holy Love choose unwisely."

"Much of this ambiguity rests on the shoulders of leadership who give poor examples, defend untruth and shirk responsibility for the salvation of their flock. Then, there is the faction who believes that their conscience decides good from evil - not God or His Commandments."

"Is it any wonder Holy Love is under attack as it defends God's Truth?"

Read Hebrews 13:9

Do not be led away by diverse and strange teachings; for it is well that the heart be strengthened by grace, not by foods, which have not benefited their adherents.

March 2, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite each one of you to renew your consecration to Our United Hearts. In this way, our hearts will beat as one, and I will be able to free you of many distractions that come between us."

"Tonight, I'm extending to you My Blessing of Divine Love."

March 3, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, once again, I tell you that you hold the greatest weapon in your hands when you hold the rosary. This is your negotiator towards peace. You must pray that hearts change and that radical extremism is conquered through peaceful means. You must clearly see the evil played out in the world today. You cannot negotiate with the father of lies who promotes this evil error."

"Place your trust in prayer and sacrifice. These are forces the enemy does not understand and that can defeat him. Do not be so naive as to think human effort alone is the answer. Your human efforts must be fortified with many rosaries and sacrifices. Do not trust empty words and promises, for all the while evil intent is in the background usurping your trust to accomplish evil goals."

"I challenge you to be wise. Pray for the Wisdom of God in your leaders. They must not be passive in the face of evil aggression."

Read Ephesians 5:6-9

Let no one deceive you with empty words, for it is because of these things that the wrath of God comes upon the sons of disobedience. Therefore do not associate with them, for once you were darkness, but now you are light in the Lord; walk as children of Light (for the fruit of Light is found in all that is good and right and true).

March 4, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"The hope of your nation is to see issues more clearly and not so much on a partisan level. Unfortunately, this is not so, as sins such as abortion and sodomy are now political issues. It is a still more grave mistake to make world peace and security a political issue. This country has the influence and the power to direct efforts away from disaster. Instead, Truth is losing out to political agendas and reputation."

"You are placing your hope for a secure future on evil forces converting to good. Instead, place your trust in God's Wisdom to lead you around certain disaster."

"Lives and souls are being lost as confusion reigns in the hearts of leaders. You condone evil and oppose what is just and good. You are deceived in following a path of hopelessness."

"Once again, I call the Remnant Faithful to rally around the Truth which leads to victory over evil. I need your concerned prayers and sacrifices so that grace can intervene. Pray that personal agendas and self-aggrandizement be set aside. Pray that authority acts wisely towards the welfare of the world."

Read Wisdom 6:1-9

Listen therefore, O kings, and understand; learn, O judges of the ends of the earth. Give ear, you that rule over multitudes, and boast of many nations. For your dominion was given you from the Lord, and your sovereignty from the Most High, who will search out

your works and inquire into your plans. Because as servants of His Kingdom you did not rule rightly, nor keep the Law, nor walk according to the purpose of God, He will come upon you terribly and swiftly, because severe judgment falls on those in high places. For the lowliest man may be pardoned in mercy, but mighty men will be mightily tested. For the Lord of all will not stand in awe of any one, nor show deference to greatness; because He Himself made both small and great, and He takes thought for all alike. But a strict inquiry is in store for the mighty. To you then, O monarchs, my words are directed, that you may learn wisdom and not transgress.

March 5, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"The authority figure who does not want to be held accountable to the Truth is the one who most likely abuses his authority. This accountability to the Truth is the winnowing fan that separates good from evil. There is no gray area wherein a 'half-Truth' suffices. Gray areas are compromised Truth which serve self-interest."

"The Truth always places God and His Laws first and the welfare of neighbor second. The Truth does not favor hidden agendas or a lust for power, reputation or material gain. The Truth does not support any form of sensuality or silence in the face of sin and error. The Truth does not attempt to cover up wrongdoing for the sake of reputation, either of an individual or an institution. The Truth is transparent and never fearful of accountability."

"Accountability must be a strong consideration before the soul chooses to support any leader - elected or otherwise."

"Without it, you give absolute power to any leader. Such power breeds corruption, as history bears witness. It is difficult, at best, to maintain your freedoms once accountability is relinquished."

Read Romans 2:15-16

They show that what the Law requires is written on their hearts, while their conscience also bears witness and their conflicting thoughts accuse or perhaps excuse them on that day when, according to my gospel, God judges the secrets of men by Christ Jesus.

SUMMARY TO THE REMNANT FAITHFUL

"I am your Jesus, born Incarnate."

"Today, I have come to tell you that the Remnant Faithful is the hope and the foundation of the New Jerusalem; for when I return, all people and all nations will be living according to the Father's Ten Commandments and the Moral Standards of Truth in Holy Love. Christian morals will be upheld and the Truth will be made clear."

"Live according to these precepts now, as it pleases Me. It is a sign of pre-destination. Once again, please know there are no geographical boundaries

distinguishing the Holy Remnant. Rather, it is in hearts. The hallmark, the unity within the Remnant Faithful is that they do not oppose one another. Good does not oppose good. Only evil opposes good."

"Guard against self-righteousness as this is a trap Satan sets before you."

March 6, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight, I come once again to invite all people and all nations into the Remnant Faithful. Do this by obeying My Father's Commandments of Holy Love."

"Tonight, I'm extending to you My Blessing of Divine Love."

March 7, 2015 / Public

Blessed Mother says: "Praise be to Jesus."

"When you see robins in your yard it is a sign to you that the earth is waking up from its winter slumber and coming alive again. The seasons are orchestrated by God and His Divine Providence. The Mission here* - Holy and Divine Love - is also orchestrated by the Omnipotence of God. It is a wake-up call to the heart of the world - a call to awaken from spiritual complacency."

"God's Will is no longer a consideration in world policies. Rather, top priority is given to what earthly power is accommodated, who influences monies and the distribution of worldly goods. God's Commandments are not upheld even in courtrooms. The attempts of this Mission to call humanity back into the Arms of God are met with contempt and opposition by leaders who most need to respond positively."

"God's Commandments, which are the embrace of Holy Love, will not go away for lack of endorsement in the world. They are Truth and will never change. While all things in the world have a beginning and an end, God's Commandments remain."

"Let this be the season of awakening to the Truth. Let the season of Truth fill your hearts and return to love of God and neighbor. I am calling you to do so."

**Maranatha Spring and Shrine*

Read Galatians 6:7-10

Do not be deceived; God is not mocked, for whatever a man sows, that he will also reap. For he who sows to his own flesh will from the flesh reap corruption; but he who sows to the Spirit will from the Spirit reap eternal life. And let us not grow weary in well-doing, for in due season we shall reap, if we do not lose heart. So then, as we have opportunity, let us do good to all men, and especially to those who are of the household of faith.

March 8, 2015 / Public

"I am your Jesus, born Incarnate."

"I tell you, the greatest portion of My Love awaits those who trust in My Mercy and, turning away from the elemental spirits of the world, pursue Truth through Holy Love. Believing in My Mercy, these souls do not allow their hearts to be troubled by any sins I have forgiven. This is Satan's ploy to destroy peace of heart."

"The peaceful heart is in union with Me through prayer. The heart which opens to every distraction cannot fly unto Me, but is confused in the way I call him. The path between the distracted heart and Mine is strewn with obstacles and snares of Satan. The evil one does not want peace in hearts or in the world. He promotes fear, lack of trust and the compromise of Truth. He inspires authority to oppose good. He disguises evil as good."

"The future of the world rests upon man's ability to distinguish good from evil. This cannot be accomplished through confusion, but only through the recognition and acceptance of Truth. The heart must be at peace for Truth to triumph."

Read 1 Timothy 2:1-4

First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all men, for kings and all who are in high positions, that we may lead a quiet and peaceable life, godly and respectful in every way. This is good, and it is acceptable in the sight of God our Savior, who desires all men to be saved and to come to the knowledge of the Truth.

March 9, 2015 / Public

Jesus says: "I am your Jesus, born Incarnate."

"Please understand, the Remnant Faithful to which all are called is not an organization that a person signs up for and conducts meetings to attend. With this Holy Remnant, one member would not recognize another if they passed on the street. There is no president, secretary or treasurer of this Remnant Faithful. Rather, the Remnant is in hearts - formed in hearts and a part of the heart. The Remnant Faithful is the belief in Christian morals, the Ten Commandments embraced by Holy Love and, if Catholic, the Church Tradition."

"In the world today, what is concealed in hearts directs the course of human history. You see violence on the rise and terrorism becoming more of a threat. These things are products of the heart; but I come to you through these Messages to encourage and strengthen good in hearts. Good must be united and portrayed in the world in order to conquer the evil of these times. Evil has been in the world since Adam and Eve; but never to the extent as it is today. Modern technology has made it easier for evil to propagate its cause. Satan provokes good to oppose good and clouds the difference between good and evil."

"The secrets of men's hearts are now being revealed. My call to righteousness, although Satan besmirches My call, is My Hand reaching out to humanity before it is too late. Grasp My Hand in Holy Love."

Read 2 Thessalonians 3:1-5

Finally, brethren, pray for us, that the word of the Lord may speed on and triumph, as it did among you, and that we may be delivered from wicked and evil men; for not all have faith. But the Lord is faithful; He will strengthen you and guard you from evil. And we have confidence in the Lord about you, that you are doing and will do the things which we command. May the Lord direct your hearts to the love of God and to the steadfastness of Christ.

March 9, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I come to encourage you to persevere in holiness, which is one with godliness. Obey the Commandments.

"Tonight, I'm blessing you with My Blessing of Divine Love."

March 10, 2015 / Public

"I am your Jesus, born Incarnate."

"These days, evil is so prevalent for it goes unrecognized. It is not a priority of mankind to distinguish good from evil. Words and actions are evaluated in human terms, not in spiritual terms. This compromise of Truth is how Satan succeeds in drawing souls away from good and into evil."

"Yet, I tell you, it is true that Satan knows the doorway to every heart. His greatest achievement within hearts is to convince a soul that he doesn't exist and that there is no hell. This lays the way clear for free will to accept sin."

"Nothing is farther from the Truth. The soul who tries to be righteous - tries to keep the Commandments and seeks to be holy is the target of evil. But, so too is the soul easily led astray by popular opinion, for he can influence others. Every soul is fair game for evil, for Satan desires the destruction of every soul."

"Today, I encourage each soul to be aware of the war between good and evil. If you are not, Satan has lulled you into a dangerous complacency. You cannot fight the enemy if you do not recognize him. If you do not recognize him, you are already defeated."

Read Revelations 12:17

Then the dragon was angry with the Woman, and went off to make war on the rest of Her offspring, on those who keep the Commandments of God and bear testimony to Jesus. And he stood on the sand of the sea.

March 11, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, you have a dense fog which has settled upon your area of the earth. This fog makes it difficult to recognize distant objects and in some cases, objects close at hand. This fog can be likened to the compromise

of Truth which obscures the difference between good and evil."

"A person can be on the threshold of serious sin but not recognize where he is, for the Truth of the sin has been obscured by compromise. With God there is no negotiation between good and evil. There are no foggy or gray areas. That is why you were given the Ten Commandments. That is why you have been given Holy Love - the embrace of the Commandments."

"How sad that people try to influence others against this great Message of Holy Love. Souls slip to their perdition daily because they have never heard of Holy Love or never heard of My intercession when I am invoked as 'Protectress of the Faith'. What a grave error to oppose Heaven; an error I will not remain silent about."

"Dear children, do everything you can to lift the fog of controversy concerning these Messages so that more souls can be saved. I am assisting you to help make clear Heaven's intervention."

Read 2 Timothy 2: 21-22

If any one purifies himself from what is ignoble, then he will be a vessel for noble use, consecrated and useful to the master of the house, ready for any good work. So shun youthful passions and aim at righteousness, faith, love, and peace, along with those who call upon the Lord from a pure heart.

March 12, 2015 / Public

Our Lady comes with Her Heart exposed. She's in white. There is a green lining in Her Mantle.

She says: "I come as Jesus sends Me - as Queen of the Remnant Faithful. Jesus gave Me this title by virtue of the two previous titles He gave Me - 'Protectress of the Faith' and 'Refuge of Holy Love'. I protect the faith of all who see their faith challenged and call upon Me under this title. I am the Refuge of those who, in faith, try to live in Holy Love. Holy Love is the path to salvation. Therefore, Jesus calls Me Queen of the Remnant Faithful."

"Just as these titles work together to bring strength to the Remnant Faithful, we all must work as one to bring strength and oppose division in the Remnant Faithful. These are times of decision for each soul - a heavy burden which I have come to assist you with, dear children. You must defend Tradition in the midst of controversy. Do not be swayed by popular opinion. Encourage one another. Teach others to find the Truth and not to accept compromise."

"Do not accept new definitions of sin. Most of all, obey the Truth. Remember always, it is not who you obey, but what you obey that Jesus judges you on."

"Under this title, I bring unity and peace to those who call upon Me with a sincere heart."

Read Romans 16:17-20

I appeal to you, brethren, to take note of those who create dissensions and difficulties, in opposition to

the doctrine which you have been taught; avoid them. For such persons do not serve our Lord Christ, but their own appetites, and by fair and flattering words they deceive the hearts of the simple-minded. For while your obedience is known to all, so that I rejoice over you, I would have you wise as to what is good and guileless as to what is evil; then the God of peace will soon crush Satan under your feet. The grace of our Lord Jesus Christ be with you

March 13, 2015 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Bear with me for a while as I present to you this analogy. You carry with you a pocketbook and you are very careful to safeguard its contents. It is not so much the purse itself that you wish to secure, but what is contained within the purse."

"Now, liken the purse to the heart which carries within it the spirituality of the soul. Traditions of faith within the heart must be safeguarded lest they be stolen away. The thief is Satan and his minions. He challenges the Truth through intellect, but faith is not based upon intellect. Faith is believing in what you cannot see or prove."

"Souls have to be careful in their attempts to prove faith matters to others. If Truth is presented to the soul and God offers the gift of faith with the Truth, it is a free will choice as to whether the soul accepts the Truth or not."

"This is how Holy Love comes into play in the Remnant Faithful. If the soul is embraced and embraces Holy Love, he will be less likely to be persuaded by intellect to abandon Tradition."

"This is why Jesus and His Holy Mother have been preparing hearts for these times of compromise of Truth. These Messages of Holy Love are providing a secure Refuge for the Truth - a safe 'pocketbook' away from the thief."

Read 1 Thessalonians 2:13

And we also thank God constantly for this, that when you received the word of God which you heard from us, you accepted it not as the word of men but as what it really is, the word of God, which is at work in you believers.

Read 2 Thessalonians 2:13-15

But we are bound to give thanks to God always for you, brethren beloved by the Lord, because God chose you from the beginning to be saved, through sanctification by the Spirit and belief in the Truth. To this he called you through our gospel, so that you may obtain the glory of our Lord Jesus Christ. So then, brethren, stand firm and hold to the Traditions which you were taught by us, either by word of mouth or by letter.

March 13, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the next step on your journey into the Chambers of Our United Hearts must be like the first step you took into the First Chamber; that is, total surrender to Holy Love. Pray for this."

"I am blessing you with My Blessing of Divine Love."

March 14, 2015 / Public

"I am your Jesus, born Incarnate."

"Oh, how I long to pour the Baptism of Truth into the heart of the world. But as it is, souls would not give their consent to the Truth. Most have made up their own Truth which is far from reality. As with any grace, souls must consent with their free will in order to receive what Heaven offers."

"This is why the distortion of Truth plays such a big part in current events. Souls pride themselves in compromise and refuse to surrender their opinions in the face of reality."

"Once again, I call humanity back to their responsibility of obeying the Ten Commandments. Do not look for ways to work around this Truth. Then, believe with your whole heart that Holy Love is the embrace of these Commandments. You do not need an important endorsement to believe this. I am giving you this Truth."

March 15, 2015 / Public

"I am your Jesus, born Incarnate."

"These days in the history of humanity, are the most misled of any. This is thanks to false consciences and modern forms of communication. Free will, which is not formed in Holy Love, has led whole nations and ideologies astray."

"I have sent My Mother to call you back to the Truth of the Commandments through Holy Love; yet, even My Efforts at helping mankind realize the Truth are failing, for man is filled with self-interest."

"Those who know the Truth but remain silent are just as guilty as the ones who cannot differentiate good from evil. Today, the future rests upon mankind's ability to draw away from sin and embrace godliness. Leaders need to offer the motivation for good choices and rejection of evil."

"This should start with the realization that abortion is the greatest compromise of Truth in these times and the open doorway to moral decadence."

Read Galatians 5:13-15

For you were called to freedom, brethren; only do not use your freedom as an opportunity for the flesh, but through love be servants of one another. For the whole Law is fulfilled in one word, "You shall love your neighbor as yourself." But if you bite and devour one another take heed that you are not consumed by one another.

March 16, 2015 / Public

Our Lady comes as Mary, Queen of the Remnant

Faithful. She says: "Praise be to Jesus."

"During these times when evil is uniting in the world to attain an evil agenda, how much more important is it for righteousness to be united towards the goal of peace through Holy Love? It is pride that promotes opposition to the good of these Messages. It is pride that discounts the miraculous healings at this site.* When seemingly good people oppose good, they strengthen evil."

"It takes humility to change an opinion and to rethink that which you have acted against. Heaven's intervention here through this Mission of Holy Love has been gravely misunderstood and misrepresented to the world. Time has not been given to studying the thirty years of Messages, the titles or phenomena asked for and occurring here. All these graces have been summarily disregarded."

"Yet, I return to you, as My Son allows today, to seek the unity of all good under the Ten Commandments and through Holy Love. Desperate times require desperate measures. And so, I come to you, dear children, seeking your heroic efforts in righteousness. Be united in Holy Love and no longer find differences in one another that divide you. Forgive one another in Holy Love and pray with concerned hearts for peace in the world. The abuse of authority and the compromise of Truth are Satan's weapons he uses to divide you. Be wise enough to recognize his calling card."

"Appreciate My Motherly intervention to you today. Do not pay heed to who is listening and who does not. Your response may change the course of human events."

Read 1 Timothy 2:1-4

First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all men, for kings and all who are in high positions, that we may lead a quiet and peaceable life, godly and respectful in every way. This is good, and it is acceptable in the sight of God our Savior, who desires all men to be saved and to come to the knowledge of the Truth.

March 16, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"I have come to describe to you the way to surrender completely to My Father's Will. You must have no desires of your own. This is how I surrendered in the Garden of Gethsemane."

"Tonight, I'm extending to you My Blessing of Divine Love."

March 17, 2015 / Feast of St. Patrick

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, let us consider the life of St. Patrick. As a youth, he was held captive many years in Ireland by pagans. After his escape and much prayer, he returned

in a heroic effort to convert pagan Ireland. We need many St. Patrick's today who would be willing to try to convert this pagan heart of the world."

"The heart of the world is held captive by pagan morals induced by a pagan free will. Many would agree with Me on that but more do not. Sin and error are no longer recognized as such, so there appears to be no need for conversion of heart. Nothing could be farther from the Truth."

"St. Patrick had to teach the Truth to the pagans. You dear children, must teach by your example of Holy Love and Holy Humility. So often it is not what you say, but your whole attitude of Holy Love which wins souls over and opens hearts to the Truth."

St. Patrick willingly returned to a hostile environment, for he knew souls were at stake. You find yourselves in a world hostile to the Truth. You must be heroic in facing criticism, rash judgment and calumnies. Jesus faced the same obstacles."

"It is popular to go along with untruth. You must oppose this as St. Patrick did. Pierce the darkness with the Light of Truth."

Read Colossians 4:5-6

Conduct yourselves wisely toward outsiders, making the most of the time. Let your speech always be gracious, seasoned with salt, so that you may know how you ought to answer every one.

March 18, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, the spiritual battle between good and evil is waged in every heart. The soul must be armed with the Truth in order to be successful in this spiritual warfare. Those who openly oppose Heaven's intervention here are losing this battle and need our prayers."

This is why I repeatedly tell you, discerning the difference between good and evil is so vital to your salvation. This is why the Seal of Discernment and the Blessing of Truth are offered here. This Mission is all about the salvation of souls. It is not about predictions, or power or money. The Messages are spiritual guides to godliness - guidance most leadership is lacking."

"The path of Light - the path of Truth - must be laid bare by pointing out the pitfalls along the way - namely, sin. Sin is not spoken of or acknowledged by most today. This is why Truth is the weapon that the soul needs to be saved. Truth is Holy Love in action."

Read 2 Timothy 1:13-14

Follow the pattern of the sound words which you have heard from me, in the faith and love which are in Christ Jesus; guard the Truth that has been entrusted to you by the Holy Spirit Who dwells within us.

March 19, 2015 / Solemnity of St. Joseph

St. Joseph says: "Praise be to Jesus."

"I come today to remind humanity that God desires

your unity, for this is the way to peace. Do not look for differences between you, but find common ground. God created each one of you in the womb to know Him and to love Him."

Satan continues to try to destroy the family structure. He desecrates the concept of marriage between a man and a woman. Fathers are no longer patriarchs and given due respect. If families are not united first and foremost, communities, nations and the world will not be united."

"Everything you do to promote respect for one another is worthy in God's Eyes. Do not tear down. Build up the Kingdom of God in hearts and in the world around you."

Read Philippians 2:1-5

So if there is any encouragement in Christ, any incentive of love, any participation in the Spirit, any affection and sympathy, complete my joy by being of the same mind, having the same love, being in full accord and of one mind. Do nothing from selfishness or conceit, but in humility count others better than yourselves. Let each of you look not only to his own interests, but also to the interests of others. Have this mind among yourselves, which was in Christ Jesus.

March 20, 2015 / Public

Jesus comes with His Mournful Heart exposed. He says: "I am your Jesus, born Incarnate."

"Know for certain if you fear retaliation from authority figures for doing something meritorious for souls, that the position of authority is being abused. Authority is not given to be vindictive and to be feared. Leaders should lovingly guide and not seek to control. Authority must respect the rights and good reputation of those they lead. There must be no hidden agendas or two-faced attitudes in leadership roles. That is to say, being co-operative and supportive on one hand and behind the scenes destroying the reputation of those who trusted in the leaders. I know this is part of many moves against well-intended soldiers of Mine."

"Authorities who jealously stand guard over their 'territory' have made power their god - not Truth. Truth knows no boundary. Truth is not particular to position in the world, reputation, power, influence or wealth. Truth does not pay homage to title. Truth never changes to accommodate personal agendas. Truth is not negotiable. Truth cannot be compromised or redefined for conveniences sake."

"In the end, Truth will be crowned with the crown of God's Divine Will and reign forever."

Read 1 Peter 5:2-4

Tend the flock of God that is your charge, not by constraint but willingly, not for shameful gain but eagerly, not as domineering over those in your charge but being examples to the flock. And when the chief Shepherd is manifested you will obtain the unfading crown of glory.

Read 2 Thessalonians 2:13-15

But we are bound to give thanks to God always for you, brethren beloved by the Lord, because God chose you from the beginning to be saved, through sanctification by the Spirit and belief in the Truth. To this He called you through our gospel, so that you may obtain the glory of our Lord Jesus Christ. So then, brethren, stand firm and hold to the Traditions which you were taught by us, either by word of mouth or by letter.

March 20, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, it greatly displeases Me when people are discouraged from coming here to pray for the heart of the world. Such efforts go against My Father's Divine Will. We need every prayer, every sacrifice for the conversion of the heart of the world. Do not be discouraged."

"I'm extending to you with My Blessing of Divine Love."

March 21, 2015 / Public

"I am your Jesus, born Incarnate."

"The evil that is consuming the heart of the world cannot be conquered unless it is recognized for what it is and countered by uncompromised Truth. This is not a time when placating egos or accommodating errant opinions is wise or prudent."

"Moral issues must not enter into politics. Politics must not play a role in peace talks. All of this is rhetoric and compromised Truth. Self-interests must be set aside and God's good made the foundation of every effort. When souls work to fulfill My Father's Will, all else will fall neatly into place."

"This is not happening, however, since souls seek their own definition of good, their own definition of peace, their own definition of God's Will. The more you accept compromise the more lies Satan will feed you. Now the world is at the point where it cannot sort out the Truth."

"The hope of the righteous is that the Remnant Faithful be spiritually united in prayer for the Victory of Truth in all hearts. This is the effort which holds back My Arm of Justice."

"You must make this known."

Read Lamentations 3:40

Let us test and examine our ways, and return to the Lord!

Read Jonah 3:1-10

Then the word of the Lord came to Jonah the second time, saying, "Arise, go to Nineveh, that great city, and proclaim to it the message that I tell you." So Jonah arose and went to Nineveh, according to the

word of the Lord. Now Nineveh was an exceedingly great city, three days' journey in breadth. Jonah began to go into the city, going a day's journey. And he cried, "Yet forty days, and Nineveh shall be overthrown!" And the people of Nineveh believed God; they proclaimed a fast, and put on sackcloth, from the greatest of them to the least of them. Then tidings reached the king of Nineveh, and he arose from his throne, removed his robe, and covered himself with sackcloth, and sat in ashes. And he made proclamation and published through Nineveh, "By the decree of the king and his nobles: Let neither man nor beast, herd nor flock, taste anything; let them not feed, or drink water, but let man and beast be covered with sackcloth, and let them cry mightily to God; yea, let every one turn from his evil way and from the violence which is in his hands. Who knows, God may yet repent and turn from his fierce anger, so that we perish not?" When God saw what they did, how they turned from their evil way, God repented of the evil which He had said He would do to them; and He did not do it.

March 22, 2015 / Public

"I am your Jesus, born Incarnate."

"Once again, I tell you that Truth does not come to you as the fruit of authority or title. Truth is the fruit of the Spirit of Truth - the Holy Spirit. This is why you must be aware of what is being presented to you as Truth. Can you verify the reality of what you are told as Truth with actual facts? Do the facts support belief in the Ten Commandments?"

"Error is never justified in My Eyes by status in the world. The same laws and distinctions between good and evil apply to all. Mercy does not mean embracing evil as good, but forgiving evil and encouraging change to good. Therefore, do not pander to those who embrace evil as though you approve of it."

"If you follow My advice, you will not be easily tricked to see evil as acceptable and good, and good as evil and narrow-minded."

Read 2 Thessalonians 2:9-12

The coming of the lawless one by the activity of Satan will be with all power and with pretended signs and wonders, and with all wicked deception for those who are to perish, because they refused to love the Truth and so be saved. Therefore God sends upon them a strong delusion, to make them believe what is false, so that all may be condemned who did not believe the Truth but had pleasure in unrighteousness.

March 23, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"You are living in times which are difficult to understand. These are times when Truth is elusive, especially to the proud of heart. The proud redefine Truth to suit their own agenda. I speak to their angels in

an attempt to grant each soul - no matter his spiritual state - self-knowledge which is salvific."

"You must remember that error must be recognized in order to be corrected. This generation, however, has become spiritually blind. If I were to better define this blindness, I would say it is the inability to distinguish good from evil. This is a basic necessity towards each soul's salvation."

"It is a grace not to be concerned with who agrees with you or who does not. In order to stand firm as a Remnant Faithful, you must pray for this grace. You must choose to please God and not man. Remember, always, God sees into each heart and knows your inner struggles. The Holy Spirit - the Spirit of Truth - will help you to find the Truth in each situation and give you insight into your own heart. Do not let pride obstruct the Truth of the state of your heart."

"If you must correct another, do so without malice. Do not pronounce rash judgments on another, but in all ways be fair-minded - not seeking your own advantage, but the Truth."

Read 1 Peter 5:6-11

Humble yourselves therefore under the Mighty Hand of God, that in due time He may exalt you. Cast all your anxieties on Him, for He cares about you. Be sober, be watchful. Your adversary the devil prowls around like a roaring lion, seeking some one to devour. Resist him, firm in your faith, knowing that the same experience of suffering is required of your brotherhood throughout the world. And after you have suffered a little while, the God of all grace, who has called you to his eternal glory in Christ, will Himself restore, establish, and strengthen you. To Him be the dominion for ever and ever. Amen.

March 23, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, with sincerity let godliness be at the center of your hearts. Then My Provision will flood your hearts and your lives, and you will be at peace."

"Tonight, I'm blessing you with My Blessing of Divine Love."

March 24, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I have come today to address unbelievers. These are the ones who cannot find or accept the Truth. They do not accept sin as sin. They do not accept Heaven's many interventions, and especially this apparition here,* that define Truth. Unbelievers choose arrogance over humility."

"I say this, for it takes humility to admit your opinion is wrong and to accept the Truth. So many do not want to own up to human error. It is this attitude that obstructs the way to conversion of heart. Self-righteousness possesses many hearts and holds them captive to

untruth. These hearts propagate and support misinformation. Their goal is to increase the population of unbelievers. In Truth, they are strengthening evil!"

"It is the enemy's job to make good look evil and evil look good. These times are intrinsically evil. The future of the world depends upon man's ability to discern good from evil so that he can avoid popular pitfalls. In humility, pray for discernment."

Read 1 Corinthians 3:18-20

Let no one deceive himself. If any one among you thinks that he is wise in this age, let him become a fool that he may become wise. For the wisdom of this world is folly with God. For it is written, "He catches the wise in their craftiness," and again, "The Lord knows that the thoughts of the wise are futile."

Read Ephesians 4:25

Therefore, putting away falsehood, let every one speak the Truth with his neighbor, for we are members one of another.

March 25, 2015 / Solemnity of the Annunciation

Our Lady comes all in white and gold. I (Maureen) said, "Oh, Blessed Mother you look beautiful."

She says, "I am beautiful because of the Love in My Heart. Praise be to Jesus."

"Today, once again, I tell you that peace amongst nations cannot come to you through the intellect, but must be formed in the heart. Intellectual peace is temporary at best, and often betrayed as it is formed with much guile."

"Too often, peace is placed solely on human efforts and not the divine. Humans trust those who have deceit in their hearts because they accept words not based upon righteous hearts. These days, and during these times when you have such arsenals in the making, you must negotiate for sincere peace - not pretense."

"Those who are politically ambitious are most likely to accept false promises. That way, they can wave agreements before the public - agreements worth nothing. This is how Satan uses ambition to his own advantage, as he seeks the destruction of humanity."

"You see today the Beauty of Love reflected in My Being. It is this beauty I desire for the whole of humanity. But as long as mankind depends so much on himself and not God, the hearts of mankind will be tarnished and distanced from the God that loves them."

"My Son mourns for the ongoing acceptance of the compromise of Truth and the abuse of authority. Dear children, you must recognize who is the enemy and in whom you can trust. You are wasting time opposing My efforts to draw you into My Heart. You are trusting titles, political ambition and disordered authority when the answer is man's return to all that is godly."

"Begin today to surrender with your whole heart to My call to you."

Read Ephesians 4:1-3, 25

I therefore, a prisoner for the Lord, beg you to lead a life worthy of the calling to which you have been called, with all lowliness and meekness, with patience, forbearing one another in love, eager to maintain the unity of the Spirit in the bond of peace; . . . Therefore, putting away falsehood, let every one speak the Truth with his neighbor, for we are members one of another.

March 25, 2015 / Solemnity of the Annunciation

Blessed Mother says: "Praise be to Jesus."

"When I gave My 'Yes' to the Archangel Gabriel it was with complete selflessness. I did not consider the opinions of others or My own reputation. I did not worry about any type of ramification. I said 'yes' and it was given with complete love of God."

"Oh, how I wish My children today would respond in such a way to My Call to Holy Love."

March 26, 2015 / Public

"I am your Jesus, born Incarnate."

"Be merciful to one another by praying for one another. Pray for the heart of the world long lacking in charity. Prayer has never been more needed, more essential to your survival and salvation."

When you are not praying, offer everything to the Immaculate Heart of My Mother towards the Victory of Our United Hearts. I challenge you to understand the necessity of your cooperation with the grace of the present moment. When you complain and grumble, you are missing the perfect opportunity to lend strength to your prayers by accepting difficulties in the name of sacrifice. The grace of the present moment is always with you and is the support you need to be courageous in every situation."

"Do not look for every negative in the present moment. Rather, take account of the positive ways the present moment grace is helping you."

Read Romans 8:24-25, 28

For in this hope we were saved. Now hope that is seen is not hope. For who hopes for what he sees? But if we hope for what we do not see, we wait for it with patience... We know that in everything God works for good with those who love Him, who are called according to His purpose.

March 27, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"These days a profound sorrow of My Heart is those who pronounce negativity about Heaven's efforts here without a sincere effort to discover the Truth.* Souls are lost who could have been saved due to this erroneous influence."

"If you are really concerned for the salvation of souls, you would want to promote every spiritual benefit possible without regard to cost to self. In Heaven's Eyes, there is no territory to be safeguarded. No good is considered an unwanted 'outside' influence. In God's

Eyes, all are one and worthy of the best opportunity to reach salvation. Therefore, He intercedes with Love in offering apparitions such as this.***

"If only those who oppose Heaven could understand the fortunes of grace they choose to turn away from at this and other sites. All that they think they are safeguarding - reputation, money, influence - would be manifold in their laps if they would only support the Truth. As it is, they oppose God Himself."

Read Ephesians 4:29-32

Let no evil talk come out of your mouths, but only such as is good for edifying, as fits the occasion, that it may impart grace to those who hear. And do not grieve the Holy Spirit of God, in whom you were sealed for the day of redemption. Let all bitterness and wrath and anger and clamor and slander be put away from you, with all malice, and be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you.

March 28, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, Jesus and I have been trying to make a point about the compromise of Truth, especially in regard to this apparition site.* The point is this: sometimes it is the grassroots, common sense approach to discovering the Truth that succeeds rather than depending upon the pomp of official opinions - opinions of those not interested in the Truth."

"Jesus does not come here and He does not send Me here for His benefit, but for the conversion of souls. He is gravely concerned for the heart of the world, as each of you should be. He is not looking to spirit souls away from the faith, but to awaken the Holy Spirit in each heart. Those who oppose His efforts, therefore, grieve the Holy Spirit."

"I speak to you, bluntly, today to help you realize the gravity of opposing Heaven's intervention here and at other apparition sites. This is just one reason why My Son's Heart has turned Mournful. The compromise of Truth is sending souls to their perdition."

"Take heed. This is why these Messages must continue. Be courageous despite the compromise of

Truth."

Read 1 Corinthians 2:10-14

God has revealed to us through the Spirit. For the Spirit searches everything, even the depths of God. For what person knows a man's thoughts except the spirit of the man which is in him? So also no one comprehends the thoughts of God except the Spirit of God. Now we have received not the spirit of the world, but the Spirit which is from God, that we might understand the gifts bestowed on us by God. And we impart this in words not taught by human wisdom but taught by the Spirit, interpreting spiritual Truths to those who possess the Spirit. The unspiritual man does not receive the gifts of the Spirit of God, for they are folly to him, and he is not able to understand them because they are spiritually discerned.

Read 1 Thessalonians 5:19-20

Do not quench the Spirit, do not despise prophesying.

"I am your Jesus, born Incarnate."

"Today I come to ask all believers not to lose heart in the face of scandalous criticism. Think of the ones who laid palms before Me as I entered Jerusalem. Then, as events unfolded and nefarious actions against Me began, most retreated and chose not to associate themselves with Me or My teachings."

"Is this not true here today, as the powers that be and those devoted to them intimidate belief in Holy Love?*" Many who were given the grace to believe in Me, but relented in the face of opposition, were given long sentences in Purgatory as they rejected the Truth out of fear of retaliation. The sentence was even greater for authorities who used their power to retaliate."

"I tell you these things to help each soul to choose wisely, and not fearfully concerning My present-day Ministry here and now.*** Do not, on the one hand, honor Me and in the next moment deny Me in the face of opposition."

"I am calling believers to unite. You are a great portion of the Remnant Faithful. I am counting on your steadfast perseverance. Let the harmony of these Messages draw you together as an uncompromised chain of Truth - a chain stronger than any enemy of the Truth."

"I am your Jesus, born Incarnate."

"After Palm Sunday, I spoke to My Apostles many times about what was to take place - My Passion and Death - but speaking about it and experiencing it were two different things. They could not comprehend what was to come, as much as I tried to prepare them for it."

"These days, I speak to you concerning My Justice as a consequence of your actions and, in general, the state of the heart of the world. You are not comprehending the length and breadth of what My Justice must bear upon you. If you understood, you would distance yourself from sin and make every effort to obey the Ten Commandments. You would not tolerate any measure of gray area between good and evil. My Father's Will would govern every heart."

"As it is, I am embracing My Remnant Faithful hoping to increase their numbers and to strengthen their resolve. They are a glimmer of the New Jerusalem - the hope of the future."

Read Romans 1:18

Read Ephesians 5:6-11

Let no man deceive you with vain words: for because of these things cometh the wrath of God upon the children of disobedience. Be not ye therefore partakers with them. For ye were sometimes darkness, but now are ye Light in the Lord: walk as children of Light: (For the fruit of the Spirit is in all goodness and righteousness and Truth;) Proving what is acceptable unto the Lord. "I am your Jesus, born Incarnate."

"The purpose of these apparitions and Messages is, quite simply, to help souls discern the difference between good and evil.* This is the premise that will determine eternal salvation or condemnation of each soul, as well as the future of the world."

"The greatest obstacle to this discernment is Satan's compromise of Truth. Never before has the evil one been so successful in disguising evil as good, for never before have worldwide communications been so quickly accessible. People must pray for Wisdom and avoid accepting information at face value. If you do not make the effort to verify the Truth, you are easy prey for Satan."**

"Make Holy Love the vestment of your conscience. Holy Love, which is the embrace of all the Commandments, will help you to embrace good and reject evil. I cannot tell you this enough. Each heart must begin to live this way. This is the way to disarm Satan and secure your salvation. It is the way to change the heart of the world. It is the fulfillment of My Mission here."***

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

April 2015

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

THE FEAST OF THE UNITED HEARTS – JUNE 14, 2015

Sunday Service, June 14th – Feast of the United Hearts

2:30 PM: Meet at the United Hearts Field for a Procession, 3 PM Prayer Service, and Promised Apparition.

April 1, 2015 / Wednesday of Holy Week

"I am your Jesus, born Incarnate."

"Once again, I come to you seeking your unity in the Truth. It is never wrong to live in Holy love. Love conquers all evil and will be victorious in the New Jerusalem. Why would anyone oppose My Victory and the way to salvation?"

"Perhaps you oppose Me out of jealous ambition or some other disordered self-interest. Abandon these motives by recognizing them in your heart. It is not Holy Love that is causing division amongst you. It is your worldly opposition to Holy Love. I challenge you to own up to this Truth."

"You cannot find your way to salvation outside of grace. I have come to offer to you this very special grace of love and unity through Holy Love. Why do you oppose Me? Be united to Me and to each other in Holy Love. Holy Love is My Commandment."

Read 1 Corinthians 3:3; 6:17

. . . for you are still of the flesh. For while there is jealousy and strife among you, are you not of the flesh, and behaving like ordinary men? . . . But he who is united to the Lord becomes one spirit with Him.

Read 2 Timothy 1:13-14

Follow the pattern of the sound words which you have heard from me, in the faith and love which are in Christ Jesus; guard the Truth that has been entrusted to you by the Holy Spirit who dwells within us.

April 2, 2015 / Holy Thursday

"I am your Jesus, born Incarnate."

"The proof of your commitment to living in Holy Love is that you bear no grudges against one another. You forgive everyone and you do not constantly recall wrongs perpetrated against you. Be merciful to yourself, as well. Forgive yourself for anything in the past - trusting in My Mercy."

"When you bear grudges you are cooperating with Satan who wants to destroy your peace. It is the enemy of your salvation who opposes your unity and your efforts in Holy Love. You can disagree - but this needs to be towards the end of living in Holy Love."

"I forgave My enemies in the Garden of Gethsemane. I forgave them on the Way of the Cross and again from the Cross. I forgave those who scourged Me and mocked Me. I was able to forgive as I had no self-interest at heart. Please realize that it is self-interest which fans the flames of any grudge."

Read 1 Peter 3:8-9; 4:8

Finally, all of you, have unity of spirit, sympathy, love of the brethren, a tender heart and a humble mind. Do not return evil for evil or reviling for reviling; but on the contrary bless, for to this you have been called, that you may obtain a blessing . . . Above all hold unfailing your love for one another, since love covers a multitude of sins.

April 2, 2015 / Holy Thursday

"I am your Jesus, born Incarnate."

"At the root of all weakened vocations is disordered self-love. Priests, Bishops, Cardinals who seek self-fulfillment through their vocations are easily thrown off track. Every vocation is given by God towards God's end - His purpose. The vocation is the personification of Holy Love. When the vocation weakens, it is because Holy Love in the heart weakens."

"The fact that there are factions within the ranks of professed religious these days does not personify Holy Love - but Satan's attacks. I long for My Church to be united in Holy Love."

"Lose sight of self - you who say you serve Me. Lose sight of ambition, personal agendas, greed for power or money. In humility, serve Me - your God. Thou shalt not have false gods before thee."

April 2, 2015 / Holy Thursday

I (Maureen) see a big Flame I have come to know as God the Father. His Voice says, "I am the Eternal Now - Father of all Creation. I gave you life. I gave you my Son. You are commemorating the night He gave Himself to you in the humble appearance of bread and wine."

"He desires to stay with you - to be with you - to be part of your heart. Allow Him to do so. He never left mankind alone, but chose this way to be a part of man's every present moment. The stronger your belief, the stronger His Presence within your heart."

"As He is one with Me, I too am with you when you believe. I will not let you slip and fall into error if you trust Me. When you pray to My Son, feel My Presence, as well."

April 3, 2015 / Good Friday

"I am your Jesus, born Incarnate."

"You are soothing My Wounded Heart by merit of your every sacrifice. You are bandaging My Wounds with your

many prayers. My Pain is lessened when it is shared with you."

"You see, even the Truth of My Real Presence in the Eucharist is compromised. This grieves Me to the Core. Those who need to use their leadership roles to defend this Truth are difficult, at best, to find. Poor leadership leads only to confusion."

"Leaders in religious and secular roles need to unite in the Truth. But they are, instead, divided by every type of scandal and controversy. It was this compromise of Truth that crucified Me."

April 4, 2015 / Holy Saturday

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"You were asking in your heart as to My welfare the day after the Crucifixion. Yes, I was sad, but I was also hopeful, for I held in My Heart Jesus' promise of His Resurrection."

"The faith of the apostles was being tested. They feared for their own welfare, as well. I encouraged and supported them through God's grace. I knew that each one had his purpose in God's Eyes. It would have been easy for them to give in to the spirit of fear and to disband. God protected them from that."

"There were many little miracles Jesus worked as a child known only to Joseph and Myself. It was during this hour of crisis of faith I began to share these events with the apostles. I let My Motherly Love for each one be felt."

"Together we persevered in Holy Love."

April 5, 2015 / Easter Sunday - Solemnity of the Resurrection of the Lord

"I am your Jesus, born Incarnate."

"I am the Resurrection and the Life. My Dying and Rising means the same yesterday, today and tomorrow - mankind's redemption. When I was in the world, I spoke the Truth. I still speak the Truth today in these Messages. I was persecuted for the Truth when I was amongst you. Today, I am still persecuted when these Messages* are not accepted and maligned."

"This Mission is an extension of My Public Life. You are chosen to live in these times and to be touched by this Mission**. Allow your hearts to swell with joy on this, the Feast of My Resurrection. Awaken your hearts to accept the Truth and to propagate the Truth."

"The energy that causes a flower to bloom or puts life in the womb is the energy I place in hearts today - the joy of being part of My Plan - the joy of life. Alleluia!"

**The Messages of Holy and Divine Love.*

***The Ecumenical Mission of Holy Love to all people and nations.*

April 6, 2015 / Public

"I am your Jesus, born Incarnate."

"My Mission in the world was ecumenical - for all people and all nations - just as this Mission* here today is

ecumenical. It was never my intent that this Ministry be controlled by one group or recognized religion. Mankind must never try to control the movement of the Holy Spirit. He will not succeed in such an effort."**

"The term 'ecumenical' removes this Mission from the scrutiny of control of one institution - which is good - and opens the benefits of all the graces to one and all. Therefore, do not feel if you do not belong to a certain faith you are not welcome here. All are welcome. All are invited to come and see."

April 6, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here all in white. He says: "I am your Jesus, born Incarnate, risen from the dead. Alleluia!"

"Tonight, I come to invite each one of you into My Father's Kingdom of His Divine Will. The way is through these Messages of Holy and Divine Love. Do not reject it."

"Tonight, I'm blessing you with My Blessing of Divine Love."

April 7, 2015 / Public

"I am your Jesus, born Incarnate."

"To all things there is a season. This is the season of the correction of the heart of the world. This correction is a call to Truth through discernment between good and evil. Ponder for a moment how the world would be if all people could clearly define good from evil. There would be no more war, apostasy or heresy. There would be no more violence, terrorism or false religions. Good would no longer be portrayed as evil and evil as good. God's Will would be the focus of every heart. Then I would take up My sovereign reign as King of all hearts."

"But as it is, I come to correct and I am ignored. I come to offer Holy Love as a solution and I am rejected. My urgent pleas and warnings are met with indifference. Therefore, I am calling together a Remnant Faithful who will listen and who will pray and sacrifice for the good of all people and all nations. I call together those who wisely seek My Mother's protection of their faith in this age of apostasy. I call each one to recognize evil and to proclaim good."

"Be united, dear faithful ones, and pray that your ranks increase."

Read Colossians 3:1-10

If then you have been raised with Christ, seek the things that are above, where Christ is, seated at the right hand of God. Set your minds on things that are above, not on things that are on earth. For you have died, and your life is hid with Christ in God. When Christ who is our Life appears, then you also will

appear with Him in glory. Put to death therefore what is earthly in you: immorality, impurity, passion, evil desire, and covetousness, which is idolatry. On account of these the wrath of God is coming. In these you once walked, when you lived in them. But now put them all away: anger, wrath, malice, slander, and foul talk from your mouth. Do not lie to one another, seeing that you have put off the old nature with its practices and have put on the new nature, which is being renewed in knowledge after the image of its Creator.

"I am your Jesus, born Incarnate."

"I tell you, heroic virtue is virtue that is practiced without concern to cost to self. All are capable of such virtue, if they depend upon My Grace - My Provision."

"The soul never knows when the occasion may present itself to practice heroic virtue. Therefore, he needs to be prepared at all times to rely on My Divine Intervention on his behalf. The holy angels intercede in time of need and clear the way towards personal holiness and readiness to call upon grace."

"Heroic virtue requires a sacrificial mindset and a giving heart. This is attainable if the soul desires it."

"Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"These days, dear children, have confidence that I am leading you according to God's Plan. I will not allow you to trip up and lose your faith if you stay in My Immaculate Heart. The Remnant Faithful are a great consolation to My Son's Most Mournful Heart. Knowing this, be ardent in your efforts to pray that the Remnant perseveres and increases despite controversy."

Read Colossians 2:8-10

Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ. For in Him dwelleth all the fulness of the Godhead bodily. And ye are complete in Him, which is the Head of all principality and power.

April 10, 2015 / Public

"Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Every present moment passes like the clouds before the sun - never to return in the same way with the same grace. The present moment is too often squandered or disrupted by distraction. This generation has been given the grace of God's Revelation of Divine Mercy, yet few recognize its importance and its potential impact upon an erring society."

"Jesus will come once again this Sunday to deliver His Message and give His Blessing. I pray that more hearts will open and that unbelievers will recognize the grace that is being offered. It takes great effort not to believe, but little

effort to cooperate with the Holy Spirit and believe. It takes much effort to compromise the Truth."

Read Luke 10:16

"He who hears you hears Me, and he who rejects you rejects Me, and he who rejects Me rejects Him who sent Me."

April 10, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here all in white with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the Victory is ours. Tonight, I invite you to trust always in My Providing Grace in every circumstance."

"Tonight I'm blessing you with My Blessing of Divine Love."

April 12, 2015 / Divine Mercy Sunday - 3:00 P.M. Service *(This Message was given in multiple parts over several days.)*

Jesus is here as He is in His Divine Mercy Image. He says: "I am your Jesus, born Incarnate."

"My Divine Mercy is from age to age. It has no beginning and no end. This generation must turn to My Mercy by first acknowledging their own sins; for I tell you, no one can seek My Mercy without a repentant heart."

"The time approaches when, as quickly as lightning flashes from the east to the west, all souls will be shown their state before God. In that moment, they must repent and fly to My Mercy. My Mercy is not the acceptance of sin, but the forgiveness of sin."

"It would be a mistake to wait upon this universal grace before you repent and seek My Mercy. Only the Eternal Father knows the hour of its unfolding. Each soul must be clothed in My Mercy in order to be saved. My Mercy is your preparation for eternal life and you do not know the hour in which you will be called. Therefore, be prepared. Search your hearts and run to My Mercy by first recognizing the sins in your hearts."

"When I walked amongst you, My Purpose was your spiritual well-being. Today, I come here at this site* for the same reason. In the days of My Presence amongst you, those in power feared My Popularity and My Influence. It is no different today. Many lies and calumnies are circulated as a means of discrediting My Efforts."

"I come to draw everyone into My Mercy. I come to teach you how to live in Holy Love and to earn the reward of Heaven. I come to give you Truth and to help you distinguish good from evil. Do not allow My Words to you to fall upon deaf ears."

"It was never My Intent that any religious institution be synonymous with scandal, political controversy or flagrant abuse of authority. I formed My Church as an extension of My Mercy, just as this Mission is an extension of My Mercy. Therefore, one should not oppose the other, but

all work together for the welfare of souls. All should promote the Truth which is Holy Love."

"It is not My Mission of Holy Love which opposes unity, but all who oppose Holy Love." **

"Mankind cannot dictate whom I use as a messenger or what I say. It is the spirit of control that objects to this. But, I am undaunted in the face of every objection and continue to speak the Truth despite controversy. With this Truth I never appease the sinner, but convict him of error, helping him to seek My Divine Mercy, helping him towards his salvation through Holy Love."

"Today, I come to share with you My Victory over sin and death. The torment of My Heart remains those who will not listen and those who do not believe. Every effort has been expended on behalf of these proud hearts, yet I continue to ask My Father to delay the hour of Justice as more may be persuaded to choose the Truth. Pray with Me for this."

"My brothers and sisters, I am listening to all your petitions, most of all I ask that you pray for the conversion of the heart of the world, which is sorely in need of prayers. You will not have peace in the world until all seek My Mercy and turn to Holy Love. I desire that you look into your own hearts and find your own faults so that you can turn to My Mercy with sincerity."

"Today, I am blessing you with My Blessing of Divine Love."

"I am your Jesus, born Incarnate."

"The devotion to My Divine Mercy bespeaks trust in My Mercy. It is through this trust the most graces are given. When any virtue is put to the test, it is the time to practice virtue. Much the same is true here on this property and with this Mission.* The soul who absorbs the Messages with a trusting heart receives the greatest portion of My Grace."

"I do not come here to make you believe. I invite each one to believe, but neither do I invite you to come here to oppose Me."

"Mankind cannot find lasting peace in untruth. Untruth is not based upon Holy Love, nor is it a reflection of My Mercy. Trust in God's Commandments to lead the way in Truth. Such trust will bear great fruit."

And we also thank God constantly for this, that when you received the word of God which you heard from us, you accepted it not as the word of men but as what

April 13, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here as Divine Mercy. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I give you My thanks for all the prayers that were offered here over the weekend. The heart of the world has been strengthened, some have been converted and the Remnant has been reinforced."

"I am your Jesus, born Incarnate."

"There are many who misunderstand this Mission, as they do not understand how it has been misjudged and misrepresented in the public eye. However, those who come here with open and sincere hearts will be convinced of the authenticity of Heaven's Ministry here*."

"It is My Desire that those who make a pilgrimage here, spend great effort in making the Messages and graces offered here** known. I will reward by way of My Provision those who make this effort."

"The way to conversion of heart is through Holy Love. No one can be holy who does not love God above all else and neighbor as self. Understand that My Mercy is the call to Holy Love. If you only knew the great Love that calls you into the Heart of My Mother, the First Chamber of Our United Hearts that is Holy Love. Her Joy for each soul who makes this commitment is the Joy of My Heart."

"Do not be misled by Satan's lies, then, but be convinced of the Truth."

Read Hebrews 3:12-13

Take care, brethren, lest there be in any of you an evil, unbelieving heart, leading you to fall away from the living God. But exhort one another every day, as long as it is called "today," that none of you may be hardened by the deceitfulness of sin.

April 15, 2015 / Public

"I am your Jesus, born Incarnate."

"Mankind's inability to distinguish good from evil is hastening My Justice. What's worse is governments have taken on the role of moral leadership. This leadership is surrendered readily by religious leaders who remain silent in the face of legalized abortion and sodomy."

"Legalization of sin by political leaders does not make the sin acceptable in My Eyes. If mankind would only realize how intensely these sins are distancing himself from Me, he would quickly ask for the grace to recognize

good from evil. As it is, humanity remains compromised in Truth and challenges God's Laws to suit his own self-interest. Sin should never be a political issue seeking the popularity of followers. Sin must remain a moral issue and recognized as evil if you wish to appease My Justice."

Read 1 Thessalonians 4:3

For this is the Will of God, your sanctification: that you abstain from immorality.

Read 1 Timothy 4:1-2

Now the Spirit expressly says that in later times some will depart from the faith by giving heed to deceitful spirits and doctrines of demons, through the pretensions of liars whose consciences are seared.

April 16, 2015 / Public

"I am your Jesus, born Incarnate."

"I will tell you the root cause of the abuse of authority. It is ambition. When ambition takes form in the heart of any leader, be it religious or secular, moral standards are in jeopardy. Politics is then in play, but it is political action which is spawned by ambition. If vocations become politically motivated, souls suffer and are at stake."

"Truth is jeopardized as well, when ambition takes over the heart of leadership. This is how moral standards have been convoluted and the difference between good and evil no longer clearly defined."

These days, souls no longer search out the Truth, but choose to believe that which supports their own self-interest. This is bad politics and is leading your nation and the world into moral decline. Learn from the past - Rome, Greece, even the Nazi regime. Even more dangerous today is that this political ambition is in the hearts of religious leaders - those chosen to lead others to salvation."

"I am calling each soul to be morally sound according to Holy Love - the embodiment of the Ten Commandments of Love. Do not believe in status or high position in the world to deliver to you the way of Truth. This is how political ambition deceives you. Guard against those who love honor in the world. This is a sign of abuse of authority."

Read 1 Timothy 2:1-4

First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all men, for kings and all who are in high positions, that we may lead a quiet and peaceable life, godly and respectful in every way. This is good, and it is acceptable in the sight of God our Savior, who desires all men to be saved and to come to the knowledge of the Truth.

Read 1 Peter 5:2-4

Tend the flock of God that is your charge, not by constraint but willingly, not for shameful gain but eagerly, not as domineering over those in your charge but being examples to the flock. And when the chief

Shepherd is manifested you will obtain the unfading crown of glory.

Read Wisdom 6:1-11

Listen therefore, O kings, and understand; learn, O judges of the ends of the earth. Give ear, you that rule over multitudes, and boast of many nations. For your dominion was given you from the Lord, and your sovereignty from the Most High, who will search out your works and inquire into your plans. Because as servants of His Kingdom you did not rule rightly, nor keep the Law, nor walk according to the purpose of God, He will come upon you terribly and swiftly, because severe judgment falls on those in high places. For the lowliest man may be pardoned in mercy, but mighty men will be mightily tested. For the Lord of all will not stand in awe of any one, nor show deference to greatness; because He Himself made both small and great, and He takes thought for all alike. But a strict inquiry is in store for the mighty. To you then, O monarchs, my words are directed, that you may learn wisdom and not transgress. For they will be made holy who observe holy things in holiness, and those who have been taught them will find a defense. Therefore set your desire on my words; long for them, and you will be instructed.

April 17, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, I have come to help you understand the difference between good ambition and disordered ambition. Ambition is good if it is directed towards love of God and love of neighbor. It is good to be ambitious towards your own salvation and personal holiness. These are lofty goals."

"Ambition, however, takes on a whole new personality when it is directed towards self-interests such as power, status or personal gain. Then the ambition is disordered, dangerous and the forerunner of the abuse of authority and the compromise of Truth. It is very easy to be misled by someone who is ambitious towards personal gain. Such a one may hold a high position of authority, speak eloquently and project much influence. But, if such a one cherishes personal esteem - beware. Most likely he holds in his heart hidden agendas serving only himself and his own success."

"I tell you these things, My dear children, for you are living in very duplicitous times - times when sincerity of Truth is challenged on all sides. I can offer you guidelines towards discovering evil, but you must pray for the wisdom not to accept all things at face value."

Read 1 Timothy 4:1-2

"Please accept this prayer as an aid to discovering the Truth between good and evil."

"Dear Jesus, send Your Spirit of Truth upon us and help us to look beyond title, status, and influence in secular and religious leaders. Give us the wisdom to recognize disordered ambition which does not serve Truth but self. Help us to be ambitious only in serving You, Jesus, and in living in God's Will. Amen."

April 17, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, surrender completely to Holy Love. The only thing that holds each one of you back is your self-love. Give up self-interest and pray to know God's Divine Will."

"Tonight I am blessing you with My Blessing of Divine Love."

April 18, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Every present moment is given through God's Will and is clothed in the particular grace the soul needs towards his salvation and sanctification. Through free will, the soul can choose to surrender to Holy Love or oppose it. His surrender means a giving up of opposition to Holy Love. The soul needs to place upon his heart a desire to live in Holy Love so that when he is under attack, he more easily chooses to cooperate with the graces given. In his acceptance of whatever is offered to him by God, is the soul's surrender."

"Some souls never accept God's Will in their lives. Their hearts, rather than embracing Holy Love, are filled with anger, unforgiveness, rebelliousness and more. These are very often the ones who try to redefine God's Commandments and obscure the difference between good and evil. They are motivated in pleasing themselves rather than in pleasing God."

"I tell you these very basic things as so many souls are slipping out of the First Chamber of Our United Hearts - the Chamber where the most glaring iniquity is burned away in the Flame of My Immaculate Heart. The souls who slip away from me are the ones who did not fully surrender to Holy Love completely."

April 19, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"To help you understand just how insidious the compromise of Truth and the abuse of authority has been, look back in time for a moment. Fifty or sixty years ago,

this country was innocent and never would have considered killing its young in the womb or legalizing sodomy or challenging the institution of marriage between a man and a woman. But, here we are in this present age. All of this immorality has become political, acceptable and common place."

"This all began with the acceptance of birth control; and from there, mankind disregarded God's Will in favor of his own pleasure. Morals must change for the world to change. Otherwise, humanity will continue along its path of self-destruction."

"Those who are in a position to lead spiritually have the grave responsibility before God to correct this moral degeneration and pull their followers back onto the path of Truth. Silence on these matters is nothing more than a peace pact with Satan. When you go before My Son in judgment, it is very often what you did not do which condemns you. If God places you in a position to lead others spiritually, it is God you will answer to. He is not impressed by title, authority or important esteem. It is your job as a spiritual leader to oppose popular opinions which lead to perdition or else to answer for your silence."

"It is a grave mistake for anyone to discount My Message to you today."

Read Romans 16:17-18

I appeal to you, brethren, to take note of those who create dissensions and difficulties, in opposition to the doctrine which you have been taught; avoid them. For such persons do not serve our Lord Christ, but their own appetites, and by fair and flattering words they deceive the hearts of the simple-minded.

Read Wisdom 6:1-11

Listen therefore, O kings, and understand; learn, O judges of the ends of the earth. Give ear, you that rule over multitudes, and boast of many nations. For your dominion was given you from the Lord, and your sovereignty from the Most High, who will search out your works and inquire into your plans. Because as servants of His Kingdom you did not rule rightly, nor keep the Law, nor walk according to the purpose of God, He will come upon you terribly and swiftly, because severe judgment falls on those in high places. "I wish today to address those who search feverishly for the newest prediction concerning the future of the world. The future is not carved in stone, but is dependent upon the effort of prayer and sacrifice emanating from the heart of the world. No one knows the hour of the Apocalypse except My Father in Heaven. The present moment is the opportunity God gives you to win souls for the Remnant and to change the hearts of influential leaders. In this effort, you must never be discouraged."

"A great part of My Victory is those who are not afraid to speak out against the evil in the world. Too many in authority and of great influence remain silent. It is this silence which bespeaks approval. I hold such as these accountable for those they have misled."

"As My Victory is Truth Itself and this Mission stands solidly on the Truth, there will be an apparition here* in June on the 14th - the Feast of Our United Hearts. I need the great effort of prayer that rises from here during these events. It pleases Me. Therefore, at midnight dawning on the 14th, My Mother will bless the crowd that gathers in the Field of Our United Hearts."

"This Mission* is all about the salvation of souls - not the future of the world which can still be changed by each one's efforts. This is why each apparition here is so important in My Eyes. The prayer effort changes hearts. It is what is in hearts that determines the future."

Read Acts of the Apostles 1:7

He said to them, "It is not for you to know times or seasons which the Father has fixed by His own authority."

April 20, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate".

"My brothers and sisters, pursue with your whole heart My Father's Will for you, which is Holy Love, then you will be on the path of salvation and personal holiness in every present moment."

"Tonight I am blessing you with My Blessing of Divine Love."

April 21, 2015 / Public

"I am your Jesus, born Incarnate."

"For just a moment, let us look at My Father's Commandment - 'Thou shalt not steal'. This Commandment does not only refer to such crimes as robbing a bank, but more subtle transgressions, as well. For instance, a person's reputation can be stolen through gossip or rash judgment. The Truth can be stolen through compromise. The faith can be stolen from hearts through intellectual pride or surrender to doubts. Freedoms are stolen through the abuse of authority and the misrepresentation of the Truth."

"These crimes go unrecognized in day-to-day combat against evil. They are in the background, so to speak; motivating and instigating evil attitudes in the heart of the world. Eventually, these thefts take their toll and come to light, but they leave a trail of destruction behind and it is often too late or impossible to correct the damage."

"This is why it is necessary to allow Holy Love to be the inspiration and motivation of every thought, word and deed. Then the heart of the world would be cleansed and renewed in every positive way."

"If you look at the state of the world now - how the legal system is supporting evils such as illicit use of drugs, abortion, sodomy and general moral decline - you can readily see how Satan is robbing the world of righteousness."

"My Call to you is godliness through the Truth of Holy Love. In this Truth be united."

Read Ephesians 4:25; 5:1-2, 6-10

Therefore, putting away falsehood, let every one speak the Truth with his neighbor, for we are members one of another. . . Therefore be imitators of God, as beloved children. And walk in love, as Christ loved us and gave Himself up for us, a fragrant offering and sacrifice to God. . . Let no one deceive you with empty words, for it is because of these things that the wrath of God comes upon the sons of disobedience. Therefore do not associate with them, for once you were darkness, but now you are light in the Lord; walk as children of light (for the fruit of light is found in all that is good and right and true), and try to learn what is pleasing to the Lord.

April 22, 2015 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Truth unites the soul to God. Untruth damages the soul's relationship with God. The soul needs to be continually cognizant of where his thoughts, words and actions are coming from and leading him to. If these transgress Holy Love and the Ten Commandments, the Truth has been compromised. This compromise of Truth is the inspiration towards sin. The compromise of Truth pulls the soul away from God's Will and into error."

"Since all souls are created to be united with God, anything which pulls the soul away from God's Will must be identified and avoided. These Truths are what Satan tries to compromise, so that the soul is unable to be perfected in Holy Love. The very basics of good versus evil are now challenged in this generation of compromise. God's Patience is tested."

"Each soul needs to surrender over and over to the Truth of Holy Love in order to mend his ongoing relationship with God. This effort will appease the Heart of God. Do not take Truth for granted, for in every present moment Satan challenges the Holy Love in your hearts."

Read 1 Peter 1:13-16, 22-23

Therefore gird up your minds, be sober, set your hope fully upon the grace that is coming to you at the

revelation of Jesus Christ. As obedient children, do not be conformed to the passions of your former ignorance, but as He Who called you is Holy, be holy yourselves in all your conduct; since it is written, "You shall be holy, for I am holy." . . . Having purified your souls by your obedience to the Truth for a sincere love of the brethren, love one another earnestly from the heart. You have been born anew, not of perishable seed but of imperishable, through the living and abiding Word of God.

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"My Son desires these rules of conduct for a good vocation be passed on to you today. These are not suggestions, but rather commandments for fulfilling a vocation as God desires. They are meant for all: Cardinals, Bishops and priests."

"This has been a long time coming, but the hour is here when straightforward talk is needed. No one can say they weren't aware of what was weakening their vocation once they digest this."

"These rules of conduct unravel the abuse of authority, the compromise of Truth and, if closely adhered to, unite the heart of the Church which is greatly needed today."

"Pay attention to what I am saying today by way of the Grace of My Immaculate Heart."

1. "You must not think that your rank or title is your salvation. Work and pray for your own personal holiness."
2. "You must work towards the salvation of your flock, not towards any political advantage within the ranks of the hierarchy."
3. "You must realize that the future of the world rests in your hands now, for every soul you lead to godliness changes the future of the world."
4. "You must make it known that Jesus' Mercy does not mean His acceptance of sin but His forgiveness of sin. Imitate His Mercy."
5. "You must clearly define good from evil and identify sin as sin. Never remain silent in the face of sin."
6. "You must never remain silent about sin to gain popularity or approval from others."
7. "You must never use obedience as a means of control, manipulation or retaliation. Rather, earn the loving respect of your followers."
8. "You must never make the acquisition of money, or worldly goods or popularity your priority, but always put the salvation of souls first."
9. "Private revelation, apparitions and Heavenly intervention must be discerned fairly - not with the preconceived attitude of curtailing belief in such things out of jealousy and the need to control. You must never say there is nothing supernatural going on, for the Holy Spirit is everywhere. Spiritual warfare takes place in every heart. You

are responsible for all the souls you mislead about genuine apparitions and all the prayers you stop. See these graces as an aid and not competition."

"If you follow these, My instructions to you today, your vocation will be solidly safeguarded. If you compromise these Truths in any way, you will be giving Satan his foothold."

April 24, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"These 'commandments'* for a sound vocation are given to nourish and to support the existing vocations in hearts, and thereby the faith of those whom they lead. Vocations are not given solely for the recipient, but for the faithful in general. If a vocation is weakened by any of the points I mentioned**, the community of faith around the vocation is weakened."

"In the same way, every sin weakens the general state of the heart of the world. While those of spiritual leadership have a greater influence, every soul affects the greater good. This is why personal holiness plays such an important role in the future of the world. This is why the ongoing struggle between good and evil has been obscured by Satan, who nourishes a spirit of complacency in hearts."

"You, My children, have been given the Truth. In your hearts, is the Light of Truth. Do not give in to the sentiments of accommodating sin, but always stand for God's Truth. Salvation is not about making sin comfortable and acceptable. It is about avoiding sin and speaking out against it. In today's world this is not popular, but you need only to be popular with God."

"I, your Heavenly Mother, pray for your courage. I pray for the steadfastness of every vocation."

** The 'commandments' refer to the rules of moral conduct for a good vocation. The term, "vocation", as defined in the "Webster Dictionary" (1985) is a specific "call from God to a distinctive state of religious life in which the person can reach holiness through faithful adherence to the Ten Commandments and teachings of the Church, and witnessed in the person's service to God and the Church." A vocation can be to the priesthood (by males) and religious consecrated life (by males and females). In these Messages, the term "vocation" refers more specifically to those in religious life who are leaders in the Church - bishops, cardinals, priests, abbots, pastors.*

*** Reference Message given April 23, 2015*

Read Titus 1:7-9

For a bishop, as God's steward, must be blameless; he must not be arrogant or quick-tempered or a drunkard or violent or greedy for gain, but hospitable, a lover of goodness, master of himself, upright, holy, and self-controlled; he must hold firm to the sure Word as taught, so that he may be able to give instruction in

sound doctrine and also to confute those who contradict it.

April 24, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He is all in white. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, when you have Holy Love in your hearts, you have Truth in your hearts. Holy Love and Truth are one."

"Tonight, I'm imparting to you My Blessing of Divine Love."

April 25, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Most of all, I need you to pray for unity within the heart of the Church. There are issues in hearts that should be non-issues. Many times, good which is inspired by the Holy Spirit is subdued and discounted. Rumors build upon rumors and are not dispelled as they should be."

"Spiritual leadership needs to be solidly united in the Truth. When it is not, Satan slips in with his confusion and deceit. The more influence a leader has over others, the more grave his responsibility to lead in the Truth. The Truth always reveals evil for what it is without regard for popularity."

"Leaders must learn to depend on God's Provision and not their popularity amongst those whom they lead. This is how to avoid compromise of Truth."

"Appease My Son's Most Mournful Heart by striving for unity in righteous godliness."

Read Ephesians 4:1-6

I therefore, a prisoner for the Lord, beg you to lead a life worthy of the calling to which you have been called, with all lowliness and meekness, with patience, forbearing one another in love, eager to maintain the unity of the Spirit in the bond of peace. There is one body and one Spirit, just as you were called to the one hope that belongs to your call, one Lord, one faith, one baptism, one God and Father of us all, Who is above all and through all and in all.

Read Ephesians 4:11-12 (Note: Scripture verses asked to be read by spiritual advisor.)

And His gifts were that some should be apostles, some prophets, some evangelists, some pastors and teachers, for the equipment of the saints, for the work of ministry, for building up the body of Christ.

April 26, 2015 / Public*

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Most of all, I desire you pray for unity; unity within families, the Church and all leaders - secular and religious. Unity is one in purpose. The unity I call you to is unity in

and through Holy Love. To oppose this unity, means to oppose God's Will."

"If you are caught up in challenging existing moral standards, you have been pulled off the path of righteousness and onto the path of confusion. God's Commandments have not changed to please this generation. Therefore, do not try to create new paths for yourselves based upon compromised Truth."

"Leadership creates profound confusion when it tries to redirect the path of salvation through a maze of compromise. You must pray to recognize and to be united in the Truth. Be of one heart united to Our United Hearts. The path of Truth is not always the easiest choice, but it is always the path of righteousness."

Read Philippians 2:1-5

So if there is any encouragement in Christ, any incentive of love, any participation in the Spirit, any affection and sympathy, complete my joy by being of the same mind, having the same love, being in full accord and of one mind. Do nothing from selfishness or conceit, but in humility count others better than yourselves. Let each of you look not only to his own interests, but also to the interests of others. Have this mind among yourselves, which was in Christ Jesus.

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I have come to speak to you about the Chaplet of the Unborn. This Chaplet - so dear to My Heart - is first and foremost about recognizing abortion as a sin which needs to be eradicated. Without this realization, souls cannot seek God's Mercy and ultimately an inner healing."

"A healing between the Heart of God and mankind can only come through the realization of abortion as a sin."

April 27, 2015 / Public

"I am your Jesus, born Incarnate."

"Every part of My Redemption of souls had to do with a surrender to God's Will - from My Conception in My Mother's Womb to My Crucifixion. These days, the desire to surrender to My Father's Will is not in hearts. Therefore, this desire is not in the heart of the world."

"This is why sin is so popular and adherence to the Commandments so compromised and under attack. When people try to make up their own rules and ignore God's Will, moral degeneration is the result. This degeneration is the way cultures begin to crumble."

"Do not be surprised that controversy surrounds this Mission of Holy Love, for the Message itself is convicting evil and untruth. Evil forces unite most readily, for Satan does not oppose himself. Good forces are met with every sort of opposition from tongues to modern technology. This is why it is so important during these times to define

good from evil and surrender to God's Will, which is always aligned with good. Do not be deceived as Satan would have it. Many are convinced, through his deceit, that they are doing good by opposing Holy Love. This is such a deception! These people are actually opposing My Commandments of Love!"

"Trust in My Words to you today, which come clothed in Love. Surrender with love to the Truth of God's Will for you, which is Holy Love. Be united in this Truth."

Read James 3:7-10

For every kind of beast and bird, of reptile and sea creature, can be tamed and has been tamed by humankind, but no human being can tame the tongue - a restless evil, full of deadly poison. With it we bless the Lord and Father, and with it we curse men, who are made in the likeness of God. From the same mouth come blessing and cursing. My brethren, this ought not to be so.

Read James 4:17

Whoever knows what is right to do and fails to do it, for him it is sin.

April 27, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate".

Jesus is holding a golden globe, which I (Maureen) guess is a globe of the world.

"My brothers and sisters, cherish the Holy Love which is in your hearts, for this is the way to make this treasure increase and multiply. This is how you change the heart of the world by your efforts."

"Tonight I'm extending to you My Blessing of Divine Love."

April 28, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I come to you, once again today, to bring the Light of Truth to all people and all nations. The Truth I bring is Holy Love - not meant just for some, but for all. Holy Love cannot impact hearts if hearts are not open to the Holy Spirit - the Spirit of Truth. In much the same way, My Son's Passion and Death did not impact hearts not open to the Spirit. Consequently, heresy and apostasy continue to this day."

"It is the inner being - the soul - which must recognize the Truth. The Truth brings peace. Compromise of Truth inspires confusion and unrest. Until the soul recognizes and accepts the Truth, he is always uneasy and searching."

"You must realize people's opinions are not always based upon Truth but too often based upon self-interest. Leaders are often tempted towards this direction. This is one way authority is abused. My telling you these things will not make a difference unless you are open to the Spirit of Truth."

Read Jude 17-23

But you must remember, beloved, the predictions of the apostles of our Lord Jesus Christ; they said to you, "In the last time there will be scoffers, following their own ungodly passions." It is these who set up divisions, worldly people, devoid of the Spirit. But you, beloved, build yourselves up on your most holy faith; pray in the Holy Spirit; keep yourselves in the love of God; wait for the mercy of our Lord Jesus Christ unto eternal life. And convince some, who doubt; save some, by snatching them out of the fire; on some have mercy with fear, hating even the garment spotted by the flesh.

April 29, 2015 / Feast of St. Catherine of Siena

St. Catherine of Siena says: "Praise be to Jesus."

"Jesus sends me to thank you for persevering in keeping these Messages public. It would have been easy to surrender to obedience to error* and to have silenced Heaven's Voice. As it is, the Truth of these Messages is convicting hearts. Those who object to the description of compromise of Truth and abuse of authority in these Messages, reveal that they themselves are guilty of such error."

"If you had succumbed to silence, putting man's will ahead of God's Will, your silence would have condoned these sins. As it is, the ones in the public eye need to prove that the Messages do not describe themselves. It is like a backdoor accountability - perhaps the only accountability in their lives."

"Remember, it is not the Messages which oppose unity, but those who oppose the Messages."

** Reference to the error of those of title and authority determined to shut down or silence the Mission and Ministry of Holy Love by requiring obedience to their*

authority. Holy Love Ministries was established in 1993 as an Ecumenical Ministry by Jesus and the Blessed Mother for all people of faith and all nations, thereby not subject to any human religious authority which Acts 5:29 proves can easily be abused.

Read Acts 5:29, 39

But Peter and the apostles answered, "We must obey God rather than men. . ." . . . but if it is of God, you will not be able to overthrow them. You might even be found opposing God!

April 30, 2015 / Public

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, you must pick up your rosaries and pray against your Supreme Court ruling in favor of same-sex marriage. This sin of sodomy has already been too accommodated by individual states. Your rosary, dear children, is a most powerful weapon against evil and you hold it in your hands."

"Pray that the conscience of the justices be swayed to see exactly what it is that they are deciding upon - good versus evil. I am praying with you." *

** Holy Love Ministries asks that, in addition to Our Lady's request, all people and all nations consider praying a nine day novena of rosaries from May 1st through May 9th with this intention:*

"The conscience of the justices be swayed to see exactly what it is that they are deciding upon - good versus evil."

Please keep in mind that since a decision by the Supreme Court is not expected before late June 2015, all are encouraged to continue praying as many rosaries as possible for this intention until a decision is made.

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

May 2015

***Holy Love Ministries** is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”*

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

May 1, 2015

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Please understand that the compromise of Truth does not change the Truth. Sodomy is a sin. No one can change this Truth by composing laws which legally support it. At the same time, do not think that because the legal system supports something, that God supports it as well. A case in point would be the legalization of abortion. The courts may not recognize human life at the moment of conception, but that does not change the Truth of God's Creative Plan."

"You must not be tricked by Satan's deception to make evil look good and good appear evil. Truth does not change to pander to 'special interest' groups who demand the legal support to sin and to be treated as though they do not sin. These are not rights in God's Eyes, but sinful choices! Laws should not enable wrong but support right."

Read 1 Timothy 4:1-2

Now the Spirit expressly says that in later times some will depart from the faith by giving heed to deceitful spirits and doctrines of demons, through the pretensions of liars whose consciences are seared.

Read 2 Timothy 3:1-5

But understand this, that in the last days there will come times of stress. For men will be lovers of self, lovers of money, proud, arrogant, abusive, disobedient to their parents, ungrateful, unholy, inhuman, implacable, slanderers, profligates, fierce, haters of good, treacherous, reckless, swollen with conceit, lovers of pleasure rather than lovers of God, holding the form of religion but denying the power of it. Avoid such people.

May 1, 2015 / Feast of St. Joseph the Worker

St. Joseph says: "Praise be to Jesus."

"Once again, I come to invite all souls into the Vestibule of My Heart.* In this Vestibule, which opens onto

the Immaculate Heart of Mary**, the soul is given the desire to become holy and to please God."

"I gently urge souls into the Flame of Love to be purged of their greatest iniquities. I give them the courage to desire personal holiness which is God's Will for each soul. I welcome each soul with love, patience and understanding."

** Please read Holy Love Messages of December 4, 2013 thru December 8, 2013 describing St. Joseph's Vestibule of Grace and its importance in the spiritual journey of personal holiness through the Chambers of the United Hearts.*

May 1, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, during this month of May, which is dedicated to My Mother Mary, please renew your devotion to the Most Holy Rosary, and pray for all Her Special Intentions.

"Tonight, I'm blessing you with My Blessing of Divine Love."

May 2, 2015

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, I invite you to pray with Me during this month of May that politics and moral standards remain separate issues in the heart of man. Man's laws must never supersede God's Laws, thus making it impossible to determine right from wrong."

"The Truth is always encapsulated in right. This becomes compromised when mankind seeks to please himself and others before God. With this mindset, he easily misinterprets the role of politics in accord with sound moral standards."

"This confusion is the hallmark of Satan who seeks the damnation of every soul."

"God's Truth must be first in hearts. Pray for this."

Read Galations 4: 8-9

Formerly, when you did not know God, you were in bondage to beings that by nature are no gods; but now that you have come to know God, or rather to be known by God, how can you turn back again to the weak and beggarly elemental spirits, whose slaves you want to be once more?

May 3, 2015

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"It is important that you make known this evil that is about to be considered by your Supreme Court - same-

sex marriage. Legal approval strengthens Satan's designs of demoralizing your country and further separating it from God's Will. Bring this into the light courageously."

Read Ephesians 5: 6-11

Let no one deceive you with empty words, for it is because of these things that the wrath of God comes upon the sons of disobedience. Therefore do not associate with them, for once you were darkness, but now you are light in the Lord; walk as children of light (for the fruit of light is found in all that is good and right and true) and try to learn what is pleasing to the Lord. Take no part in the unfruitful works of darkness, but instead expose them.

May 3, 2015

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I have come, once again, out of concern for the Supreme Court's ruling on same-sex marriage. God created man and woman to be joined in marriage and procreate life. Sex is not just for pleasure, but a means of co-operating with God's Plan. Since this issue is basic to the moral foundation of your country, I am asking each one to offer one rosary a day towards the defeat of this issue."

May 3, 2015 / Sunday Service - Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace

St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, it is the love between husband and wife that forms the firm foundation of the family. After that, it is the father's leadership, in humility and love, that moves the family forward in holiness."

"He must be an example of forgiveness, admitting to faults and rescuing his children from spiritual danger. Tonight, I'm extending to you my Fatherly Blessing."

May 4, 2015

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I have come to remind you that God created the world and all of mankind to give praise to His greater glory. But during these evil times, God's Will is not a part of the world He created. Man has made his own free will a false god seeking 'freedom' in the legalization of sin. So many have been misled by this compromise of Truth. So many in high places remain silent as they seek man's approval above God's approval. These actions, or lack of actions, demand God's Justice. Do not mistake God's Patience for His Approval. The abyss between Heaven and earth widens in every present moment. If you are not for God, you are against Him."

"I am allowed by Jesus to come here to this site to strengthen and increase the Remnant. These are the ones who remain with the Truth despite the influence of

compromise. The Truth is in godliness according to God's Commandments. Live in the Truth."

Read Romans 6: 20-23

When you were slaves of sin, you were free in regard to righteousness. But then what return did you get from the things of which you are now ashamed? The end of those things is death. But now that you have been set free from sin and have become slaves of God, the return you get is sanctification and its end, eternal life. For the wages of sin is death, but the free gift of God is eternal life in Christ Jesus our Lord.

May 4, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate".

"My brothers and sisters, pray for the grace to know that you are progressing or slipping behind on your journey through Our United Hearts, for this is the way you have been given towards personal holiness."

"Tonight I'm imparting to you My Blessing of Divine Love."

May 5, 2015 / Feast of Mary, Refuge of Holy Love - 18th Anniversary

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I come to you today as your Refuge and Shelter - a stronghold against the evils which oppose Holy Love today. A great part of My Motherly Protection is to reveal to you that which enters your heart and is not Holy Love. I wish to nurture your hearts in Holy Love, bringing you safely home to Heaven to be with Me."

"The fallen angels are all around you, discouraging your faith and laying snares, hoping you will intellectualize that which you should accept with faith. I ask your prayers for the Church which is divided into factions. Pray for the Holy Church and that part of the Church which has been diluted by ambition and pride. These are two separate Churches* under the same title and authority. Jesus desires their unity in Holy Love. I cannot protect in the Refuge of My Heart that which does not seek My Protection."

"The danger here is in not recognizing that which is good and holy and that which is not. Remember, Satan is the master of disguise. He is not above using influential titles and authority to his advantage."

"You, My dear children, must always remain a sign of Holy Love - a reflection of My Heart in the world around you. Never seek to impress others with your holiness. Remain little, humble and do not seek the limelight. My Heart is a countersign in this age of self-fulfillment and self-interest. Pray and sacrifice for the Holy Remnant Faithful to strengthen and increase. I am praying with you."

* Heaven has given four Messages in the past describing the two separate Churches under the same title and authority -

two of these Messages on March 22, 2006 and on November 9, 2007 were general in description, whereas the two later Messages on May 23, 2013 and July 31, 2014 were very specific in detailing the distinction between these two separate Churches under the same title and authority.

Read Ephesians 6:10-17

Finally, be strong in the Lord and in the strength of His Might. Put on the whole armor of God, that you may be able to stand against the wiles of the devil. For we are not contending against flesh and blood, but against the principalities, against the powers, against the world rulers of this present darkness, against the spiritual hosts of wickedness in the heavenly places. Therefore take the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having girded your loins with truth, and having put on the breastplate of righteousness, and having shod your feet with the equipment of the gospel of peace; above all taking the shield of faith, with which you can quench all the flaming darts of the evil one. And take the helmet of salvation, and the sword of the Spirit, which is the Word of God.

May 5, 2015 / Feast of Mary, Refuge of Holy Love - 18th Anniversary

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate". Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

Jesus says: "Once again I invite you into the Heart of My Mother, Her Immaculate Heart, which is Holy Love. Do not hesitate to seek this shelter which is protection against all evil - by simply saying, *"Mary, Refuge of Holy Love, come to my aid."* She will not hesitate and Satan will flee before this title."

"Tonight I'm extending to you My Blessing of Divine Love."

May 6, 2015

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"These days, I come to you seeking a consolidated effort in prayer no matter your religious affiliation. Pray that good is recognized as good and evil recognized as evil. This would change the course of human events and the future of the world."

"The evil that is in hearts is self-serving and ambitious towards its own end. So many see this ambition as some kind of good and have been convinced by Satan that the evil they pursue is best for everyone; but all thoughts, words and deeds must first serve and please God. This cannot be circumvented in favor of some compromised human goal."

"Evil can never protect good. Lies will never protect the reputation of people, philosophies or institutions. Sooner or later the Truth is laid bare. History has proven so. Every compromise of Truth must be challenged by

good and will be."

"The darkness that lies hidden in hearts will be brought to light. For the good of souls and the future of the world we must pray that hearts realize any darkness within them through the Light of Holy Love - Truth itself. This difficulty in defining good from evil has brought the morals of the world to a new low."

"Pray with Me that hearts awaken to the Truth."

Read 2 Timothy 1:13-14, 2:21-22

Follow the pattern of the sound words which you have heard from me, in the faith and love which are in Christ Jesus; guard the Truth that has been entrusted to you by the Holy Spirit who dwells within us. . . .If any one purifies himself from what is ignoble, then he will be a vessel for noble use, consecrated and useful to the master of the house, ready for any good work. So shun youthful passions and aim at righteousness, faith, love, and peace, along with those who call upon the Lord from a pure heart.

May 7, 2015

"I am your Jesus, born Incarnate."

"The gates of the New Jerusalem open with the key of Holy Love. Those who live in Holy Love already abide in the New Jerusalem. Allow Me to describe to you this place of peace and liberty through love. The New Jerusalem is not a geographical site, but a state of being. It is a state of living in Holy Love - a state of constancy in Truth. In this state of pure Truth, there is no fear of hidden agendas. There is no duplicity of purpose towards self-interest. Love of God is acceptable and does not need to be defended. Each one considers the needs of his neighbor first before his own needs. The state of law in this heavenly existence is only Holy Love. Rightly so, all righteousness falls into place under Holy Love.

"When I return, all who have chosen to abide in Me through Holy Love will share in the inheritance of the holy - Holy Love. Then all will be at peace."

Read Psalm 16

Preserve me, O God, for in thee I take refuge. I say to the Lord, "Thou art my Lord; I have no good apart from Thee." As for the saints in the land, they are the noble, in whom is all my delight. Those who choose another god multiply their sorrows; their libations of blood I will not pour out or take their names upon my lips. The Lord is my chosen portion and my cup; thou holdest my lot. The lines have fallen for me in pleasant places; yea, I have a goodly heritage. I bless the Lord who gives me counsel; in the night also my heart instructs me. I keep the Lord always before me; because he is at my right hand, I shall not be moved. Therefore my heart is glad, and my soul rejoices; my body also dwells secure. For Thou dost not give me up to Sheol, or let thy godly one see the Pit. Thou dost show me the path of life; in Thy presence there is fullness of joy, in Thy right hand are pleasures for evermore.

May 8, 2015 / Feast of Our Lady, Mediatrix of All Grace

Our Lady comes as Our Lady of Grace. She says: "Praise be to Jesus."

"Dear children, learn to come to Me for My Grace in any difficulty of thought, word or deed. Grace is your passport to Heaven and the solution to every problem you face. It is your holy angels who open your hearts to grace and fill every opportunity with God's good. Grace is your protection from evil. It is every good fortune that comes your way."

"Grace helps you bear the burden of crosses and to transform every cross into merit for souls. It is God's Grace which brings Truth to light and encourages you to accept it."

"Grace is the foundation of this Mission and My call to a deeper personal holiness in every present moment. It is grace which helps you to persevere in the face of persecution and the discouragement Satan tries to place in your hearts."

"Each morning thank God for the graces He will send you throughout the day and pray to recognize them."

Read Ephesians 2:4-5

But God, Who is rich in mercy, out of the great love with which He loved us, even when we were dead through our trespasses, made us alive together with Christ (by grace you have been saved).

May 8, 2015 / Feast of Our Lady, Mediatrix of All Grace

Our Lady comes, once again, as Our Lady of Grace. She says: "Praise be to Jesus."

"Dear children, upon rising each morning say this little prayer and I will be with you in a special way all day."

"Eternal Father, I thank You now for all the graces You will send me throughout this day through the Immaculate Heart of Mary. Open my heart to recognize and to respond to each grace. Amen."

May 8, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, in the prayer My Mother gave you this morning, it is most important that you realize - you receive special graces each day and give thanks for that ahead of time in the beginning of the day. This will make you more cognizant of the graces that came to you for each situation."

"Tonight, I'm extending to you My Blessing of Divine Love."

May 9, 2015

"I am your Jesus, born Incarnate."

"Each soul is called to live in the Truth. You are living in the Truth if you obey the Commandments. Truth cannot be redefined to embrace sin or to be popular amongst

those in error. Truth does not remain silent in the face of error. The Commandments were carved in stone by the Hand of My Father as a sign to this evil age that they are unchangeable. Do not be fooled then to believe that you can compromise what God has written in stone to suit your compromise of Truth."

"Live in the righteousness of God's Laws and you will find peaceful fulfillment. This fulfillment is not in what is popular to the day, but in what pleases God."

Read 1 John 3:19-24

By this we shall know that we are of the Truth, and reassure our hearts before Him whenever our hearts condemn us; for God is greater than our hearts, and He knows everything. Beloved, if our hearts do not condemn us, we have confidence before God; and we receive from Him whatever we ask, because we keep His Commandments and do what pleases Him. And this is His Commandment, that we should believe in the Name of His Son Jesus Christ and love one another, just as He has commanded us. All who keep His Commandments abide in Him, and He in them. And by this we know that He abides in us, by the Spirit which He has given us.

Read Deuteronomy 7:9-11

Know therefore that the Lord your God is God, the faithful God who keeps covenant and steadfast love with those who love Him and keep His Commandments, to a thousand generations, and requites to their face those who hate Him, by destroying them; He will not be slack with him who hates Him, He will requite him to his face. You shall therefore be careful to do the commandment, and the statutes, and the ordinances, which I command you this day.

May 10, 2015 / Mother's Day

"Our Lady comes seated on a throne with many angels around Her. She says: "Praise be to Jesus."

"Today, I come to you not only as Refuge of Holy Love, but also as Mother of all people and all nations. The anguish of My Heart is that motherhood is not esteemed in the world today, but seen as something you should be allowed to reject through free will. There is no more lofty a goal than that of being a good mother. A good mother is unselfish and untiring in her care for her children. She raises her children in Holy Love - the foundation of their salvation. A good mother knows when to guide and when to let go as a good leader should."

"These days, parenting in Holy Love is the solution to future problems which will arise in the next generation. It is the way politics will not be allowed into religious leadership and civil leaders will not succumb to evil decisions."

"As Mother of all people and all nations, I bid you listen."

May 11, 2015

"I am your Jesus, born Incarnate."

"I desire you comprehend just how important this Mission is to Me. Holy Love is like the caress of My Mother when She picked Me up from the manger. This Mission is like the security of My Mother's Hand when We were reunited in the Temple. The Ministry is like Veronica's veil that soothed My Blood-Stained Face on the Way of the Cross. It is like My Mother's Loving Presence at the foot of the Cross - a comfort."

"Understanding these things, perhaps you can better comprehend why it was necessary that I ask you to step out from under the trap of obedience to misguided, errant authority. You had to be courageous in that step and realize it was not who you obey, but what you obey that matters to Me. I ask all who feel the need to judge this Mission to understand this as well. So many heavenly interventions have been met with the fate of rejection by the very ones who needed the most help."

"So, today, I express My Gratitude to the ones courageous enough to believe and act on these Messages. You are part of My Mournful Heart in the world. Do not allow unbelievers to shame you into submission to error. Pray for holy boldness."

Read Acts 5:29, 38-39

But Peter and the apostles answered, "We must obey God rather than men. . . . So in the present case I tell you, keep away from these men and let them alone; for if this plan or this undertaking is of men, it will fail; but if it is of God, you will not be able to overthrow them. You might even be found opposing God!"

May 11, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate".

"My brothers and sisters, one way of showing your love for Me is to practice trust. Any anxiety or fear that enters your heart is a temptation not to trust. You must oppose these temptations by prayer."

"Tonight I'm extending to you My Blessing of Divine Love."

May 12, 2015

"I am your Jesus, born Incarnate."

"The heart of the world suffers a self-inflicted wound due to man's indifference towards his own salvation through obedience to the Ten Commandments. A wound, you know, that you receive heals and forms scar tissue. But, the wound of the heart of the world remains open and obstinate to the healing process."

"Mankind must amend his attitude towards God and His Eternal Will. Without repentance, the heart of the world becomes more and more distant from reconciliation with God and with each other."

"Man has been given a virtual road map to this reconciliation with God through the Spiritual Chambers of Our United Hearts. With such sound direction, how foolish

to wait for anyone to say the journey is worthy of belief. Recognize the Truth when it is handed to you. Appreciate the grace of this spiritual journey before it is too late."

Read 2 Timothy 4:1-5

I charge you in the presence of God and of Christ Jesus Who is to judge the living and the dead, and by His appearing and His kingdom: preach the Word, be urgent in season and out of season, convince, rebuke, and exhort, be unfailing in patience and in teaching. For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own likings, and will turn away from listening to the Truth and wander into myths. As for you, always be steady, endure suffering, do the work of an evangelist, fulfill your ministry.

May 13, 2015 / Feast of Our Lady of Fatima

Our Lady of Fatima says, "Praise be to Jesus."

"Dear children, today, I come to you once again seeking the conversion of the heart of the world. When I appeared in Fatima, the world was at war. My Son sent Me to intervene and to avoid a second world war greater than the one the world was engaged in. My intervention was met with skepticism, lack of approval and was unsuccessful in preventing the next war."*

"Once again, My Son sends Me into a world racing towards its own destruction. I am not only sent here, but all over the world. Once again, authorities do not take on their responsibility of timely approval. Therefore, My Efforts are weakened at best. Some of influence even oppose Me."

"Dear children, the world is in dire need of repentance - even more so than in the days of Sodom and Gomorrah. When I appeared at Fatima, politicians never would have favored abortion and same-sex marriage, which is a new term for sodomy. Today, these sins are regarded as 'freedoms' and 'rights'."

"Pray the rosary, which is Heaven's weapon of choice. Do not accept Satan's excuses not to pray. You are My Army against evil during these troubled times. Without your efforts, all of the graces I bring to you at this site** are fruitless. We must be united and work as one to be victorious over the evil of the day. Do not wait for danger to be at your doorstep. I would not come to you if all was well in every heart. Respond to My Warnings. Arm yourselves with prayer."

"To all Church leaders around the world, I call each one of you into the reality of the Truth of the state of the heart of the world. Do not forsake your responsibility towards your flock by summarily discounting heavenly interventions in the form of apparitions or any type of private revelation. You must find the Truth without an agenda of control or competition. I speak openly and plainly so that those who oppose Me have yet another chance of conviction of heart. I pray you will accept the grace to distinguish good from evil. Do not remain silent

in the presence of evil and openly oppose Heaven's good. Your disbeliefs never change the Truth."

** Please read messages of May 13, 2013 and May 13, 2014 for similar themes of the Holy Love Message given by Our Lady of Fatima on this, Her Feast Day.*

May 14, 2015 / Solemnity of the Ascension of the Lord

"I am your Jesus born Incarnate."

"Today, you celebrate My Ascension to the Father. I did not abandon mankind, but remained with one and all in the Breaking of the Bread. I sent the Holy Spirit, the Spirit of Truth, to be with you and to give you Wisdom of good versus evil. These days, people have abandoned Me. Their hearts remain earthbound and unable to penetrate the Truths of faith and righteousness."

"Morals have taken on a self-centered interpretation of the Truth. Spiritual warfare is now disguised as popular opinions, 'freedoms' and 'special interest' groups. The warfare is in hearts. No heart is free from assault by the enemy of salvation."

"In a place of predilection such as this apparition site, the war is intense, yet the very atmosphere is one of peace. It would be a grave mistake to believe nothing supernatural takes place here*. Nothing could be farther from the Truth. Here*, you are offered peace, guidance, conversion of heart, every type of healing and the Wisdom to discern the Truth of good versus evil."

"The supernatural warfare that opposes all of these fruits must not be underestimated and must be recognized in the form of doubts, misinformation and verbal attacks of every sort. The media, which should support the miracles here, has been greatly compromised by the abuse of authority - another sign of supernatural warfare."

"I desire you come here and allow your souls to drink in the peace. It is much like the peace I felt when I ascended to My Father and We were reunited. I leave you this peace as a sign of My Love for you."

** Reference extract from Message of May 24, 2014 from St. John Vianney, the Cure D'Ars, 2nd Remonstrance to all Clergy: "Further, to say there is nothing supernatural going on is never true anywhere. The Holy Spirit and Satan do battle in every present moment, everywhere, in each soul, to gain a dominance."*

May 15, 2015 / Feast of Mary, Comfortress of the Afflicted

Mary, Comfortress of the Afflicted says: "Praise be to Jesus."

"Today, I come to you as Comfortress of the Afflicted. These days, the afflicted are those persecuted for proclaiming the Truth. Without the efforts of these courageous souls, the world would be plunged into an even greater abyss of sin. You, My dear children, must not regard the erroneous opinions and attacks of those who accept error, as worthy of the slightest consideration.

Your response must always be one of prayer and further support of good versus evil."

"Never remain silent no matter who accuses you of error. Silence is an evil tool which is used by Satan to masquerade as acceptance. Do not try to 'fit in' with those who accept error for any reason. Rather, try to help those in error to see their mistakes and to repent. This takes courage."

"You must not fall into the trap of trying to be popular. In today's society, that means compromise of Truth. Once you know the Truth - the difference between good and evil - it is your responsibility to support it."

"Allow Me to be your solace and your comfortable Refuge in this hour of distress which weighs upon the world. Turn to Me as your strength."

May 15, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I come to you once again seeking all hearts to be united in Our United Hearts. This is the only way to lasting peace. You cannot acquire peace outside of Holy intervention."

"Tonight, I'm blessing you with My Blessing of Divine Love."

May 16, 2015

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I tell you, the conversion of one heart changes the world forever. This is because what is in the heart affects the world around him. If you are loving and peaceful, the world around you and all whom you deal with will be loving and peaceful. Therefore, the present moment is filled with love and peace. The future of the world is based upon every present moment and the attitudes promoted by every heart in the present moment."

"If one heart turns towards God and His Commandments, the heart of the world is that much closer to conversion. Remember, the heart of the world is comprised of every human heart. This is why your efforts to convert just one heart are so important and determine the course of the future of the world."

May 17, 2015

"I am your Jesus, born Incarnate."

"This is My Message to all mankind today. Listen and heed. You cannot enable evil under the guise of obedience to authority expecting Me to exonerate your actions, for all actions, words or even thoughts strengthen either good or evil. Obedience, like any virtue, must serve the greater good - the salvation of those whom it affects."

"A bad dictate does not bear good fruit. The fruits of the Spirit support Truthful surrender to the Will of My Father. These fruits, and the actions they bear, build up the Body of Christ - not tear it down. Therefore, any

actions you are asked to take in obedience must not be clothed in hiddenness or dressed in duplicity. You must not cooperate with such spirits mistakenly believing obedience allows it. Virtues never encourage an evil end but always support Truth."

Read 1 Timothy 2:1-4

First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all men, for kings and all who are in high positions, that we may lead a quiet and peaceable life, godly and respectful in every way. This is good, and it is acceptable in the sight of God our Savior, who desires all men to be saved and to come to the knowledge of the Truth.

Read 1 Peter 1:13-16

Therefore gird up your minds, be sober, set your hope fully upon the grace that is coming to you at the revelation of Jesus Christ. As obedient children, do not be conformed to the passions of your former ignorance, but as He Who called you is Holy, be holy yourselves in all your conduct; since it is written, "You shall be holy, for I am Holy."

May 18, 2015

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, this is a rebellious generation - a generation impudent in their efforts to redefine God's Commandments. The greatest sorrow of My Son's Most Mournful Heart is the inability of so many to recognize the Truth. This is the path to perdition that people choose believing they know best and have the Truth."

"You must believe that Satan is real. He knows the way into every heart and weaves his way into every situation when he is not recognized. His fingerprints are all over government policies, Supreme Court decisions and the infiltration of sin into the legal system."

"You must be wise, My children, and strong in your stand for the Truth between good and evil for that is your salvation. Do not be misled to believe that because something is legal in the world that it is acceptable in God's Eyes, for that is a compromise. Very often you will see that God's Laws and His Will do not coincide with man's laws and free will. Dear children, stand for the Truth."

Read Romans 2:6-8, 13

For He will render to every man according to his works: to those who by patience in well-doing seek for glory and honor and immortality, He will give eternal life; but for those who are factious and do not obey the Truth, but obey wickedness, there will be wrath and fury. . . . For it is not the hearers of the Law who are righteous before God, but the doers of the Law who will be justified.

May 18, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate".

"My brothers and sisters, do not support any law that condones same-sex marriage. This is the same as condoning sodomy. You must have sound Christian morals and be an example to all those around you. Even if it means you are less popular. Even if it means you lose financial gain."

"Tonight I'm blessing you with My Blessing of Divine Love."

May 19, 2015

Mary Refuge of Holy Love says: "Praise be to Jesus."

"Today, I invite you to understand that Satan often turns good into his tool of evil. Take, for instance, some of the virtues such as obedience. Obedience in and of itself is admirable and deepens the soul's journey in holiness. But obedience can be used to control and manipulate by the abuse of authority. It is then that it becomes a tool in Satan's hand."

"Another example would be patience, a virtue that often takes a lifetime to mature. But if you are patient with the sins of others instead of correcting them, your patience becomes an instrument of evil."

"This all tells you that you must look at the fruits of your actions. Do you see the salvation of souls and your own personal holiness benefiting from your actions? Or are you enabling evil under the pretense of practicing virtue?"

"Take the time to think this through. Do nothing for the sake of popularity or material gain. Do all things in Holy Love."

Read Colossians 2:8-10; 3:12-14

See to it that no one makes a prey of you by philosophy and empty deceit, according to human tradition, according to the elemental spirits of the universe, and not according to Christ. For in him the whole fullness of deity dwells bodily, and you have come to fullness of life in him, who is the head of all rule and authority. . . . Put on then, as God's chosen ones, holy and beloved, compassion, kindness, lowliness, meekness, and patience, forbearing one another and, if one has a complaint against another, forgiving each other; as the Lord has forgiven you, so you also must forgive. And above all these put on love, which binds everything together in perfect harmony.

May 20, 2015

Mary Refuge of Holy Love says: "Praise be to Jesus."

"The fullness of God's Mercy is often not realized until every grace is accounted for and responded to. This is why the mercy of this apparition site has not been recognized, as many of the miracles occurring here have not been made known and have been hidden under a blanket of misinformation and controversy."

"The negative information has been made newsworthy by an unprecedented manipulation of the

media. The fruits which are good and real have been silenced, discounted and blasphemed in the same way. It is and has been impossible to cooperate with dishonesty. Those responsible for an honest effort of discernment have never been interested in the Truth."

"In such circumstances, the honest effort is to forge an unprecedented path - a path of Truth despite controversy - a path which calls to account the influential and a path that does not cooperate with evil despite the stature of the source. It is only by this courageous path the goodness of God's Mercy can be brought to light and benefit all."

Read Romans 2:13

For it is not the hearers of the Law who are righteous before God, but the doers of the Law who will be justified.

May 21, 2015

Mary Refuge of Holy Love says: "Praise be to Jesus."

"Today, dear children, I once again invite you to cooperate with the Seal of Discernment offered here at this site. Do not let self-interests overrule right reason. An open and sincere heart is the key to right reason and good discernment. Do not fall into Satan's trap of thinking God should grant you this or grant you that. God acts as He chooses."

"Often we have spoken to you in terms of the threshing floor - the separation of the grain from the chaff. This represents the delineation of good from evil. The winnowing fan that separates these two is Truth. No one can reason with a dishonest person who makes up his own Truth, just as chaff cannot make a loaf of bread."

"Very often people do not realize they are living in falsehood, as they have adopted goals to please themselves and others rather than God. The winnowing fan of Truth will eventually separate good from evil. Holy Love is your way of recognizing the Truth before your last judgment. Subscribe to it."

Read 1 John 4:6

We are of God. Whoever knows God listens to us, and he who is not of God does not listen to us. By this we know the Spirit of Truth and the spirit of error.

May 22, 2015

Mary Refuge of Holy Love says: "Praise be to Jesus."

"You must always remember, My children, that the Holy Spirit and I are your Advocates before the Throne of God. I plead your just causes and your every need to God the Father and My Son. The Holy Spirit sends the grace of right reason into the hearts of those who question or oppose God's Will. You are never left to do battle alone, but always receive heavenly assistance."

"As your Advocate, I endorse your every petition of Truth and reveal to you that which is harmful. My Heart is your open source of strength in your every need and is always your conduit to the Holy Spirit - the Spirit of Truth."

"When you believe these things you will never fear but always trust."

May 22, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, My Mournful Heart is soothed by your efforts to come here tonight to pray the rosary together. You do not see how much evil is in the world today. You may suspect it from the news headlines, but you cannot comprehend it. I need every prayer, and your sacrifice to be here tonight strengthens the might of your prayers.

"Tonight, I'm blessing you with My Blessing of Divine Love."

May 23, 2015

"I am your Jesus, born Incarnate."

"Our Hearts are desperately seeking a conversion of the heart of the world through Holy Love. Holy Love is a call to the return to the embrace of the Ten Commandments. It is not a call to living in Holy Love in the past or in the future - but now in the present moment. If you had a sordid past, trust in My Mercy. Be thankful for the recognition of your sins. Perhaps it is this recognition of error that keeps you from self-righteousness. The future is embraced by My Grace. Wait for it. Do not anticipate new problems. Trust that I am in the future awaiting your arrival."

"You are My lambs. I am your Shepherd. My Grace is My Staff and with it I guide you and protect you. My Staff reaches you wherever you wander, but you must respond to it. These days, many do not recognize My Genuine Call and blindly follow falsehood. Those who do not live in Truth, live in danger. My Staff - My Grace - is omnipresent. Search it out and be drawn into the Truth."

Read Ephesians 2:4-10

But God, who is rich in mercy, out of the great love with which He loved us, even when we were dead through our trespasses, made us alive together with Christ (by grace you have been saved), and raised us up with Him, and made us sit with Him in the heavenly places in Christ Jesus, that in the coming ages He might show the immeasurable riches of His grace in kindness toward us in Christ Jesus. For by grace you have been saved through faith; and this is not your own doing, it is the gift of God - not because of works, lest any man should boast. For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them.

May 24, 2015 / Solemnity of Pentecost

"I am your Jesus, born Incarnate."

"My prayer today is that the heart of the world be united in the Spirit of Truth - the Holy Spirit. There is no prayer more worthy than this, for it is the compromise of Truth that bears the bad fruits of error and disunity."

"I challenge each soul to recognize the Gifts and the Fruits of the Holy Spirit and to respond to them. There is One Spirit, but many gifts. Each soul is given strengths to build up the Truth - My Kingdom on earth. Do not look for new paths or explore ingenious interpretations of the Truth to suit your own agendas. Do not seek lifestyles not of Me. Remain united in the Holy Spirit despite popular opinion or any disordered personal gain."

"If you only knew the Treasure of Truth which is Holy Love, you would cling to it and never abandon it."

Read Ephesians 4:1-7, 11-16

I therefore, a prisoner for the Lord, beg you to lead a life worthy of the calling to which you have been called, with all lowliness and meekness, with patience, forbearing one another in love, eager to maintain the unity of the Spirit in the bond of peace. There is one body and one Spirit, just as you were called to the one hope that belongs to your call, one Lord, one faith, one baptism, one God and Father of us all, Who is above all and through all and in all. But grace was given to each of us according to the measure of Christ's gift. . . And His gifts were that some should be apostles, some prophets, some evangelists, some pastors and teachers, for the equipment of the saints, for the work of ministry, for building up the body of Christ, until we all attain to the unity of the faith and of the knowledge of the Son of God, to mature manhood, to the measure of the stature of the fullness of Christ; so that we may no longer be children, tossed to and fro and carried about with every wind of doctrine, by the cunning of men, by their craftiness in deceitful wiles. Rather, speaking the Truth in love, we are to grow up in every way into Him who is the head, into Christ, from Whom the whole body, joined and knit together by every joint with which it is supplied, when each part is working properly, makes bodily growth and upbuilds itself in love.

May, Refuge of Holy Love says: "Praise be to Jesus."

"Today, your country memorializes the many who died in defense of freedom. This is commendable. However, who remembers the multitude of innocent lives lost in the womb through the sin of abortion? They, too, died for freedom - the freedom to be born. This is not a conservative viewpoint, but the Truth."

"It is an error to divide opinions into the categories of conservative or liberal. There is only Truth and untruth. There is no in-between - no gray area of controversy. In the case of abortion, it is a sin! Abortion is the bad fruit of the abuse of authority and the compromise of Truth."

"So, while you as a nation commemorate the fallen heroes on the battlefield, I invite you to think of the difference many of those lives taken in the womb would have made nationwide. These are fallen heroes, as well. They could have strengthened your now debilitated country and held her to the path of Truth. They could have contributed to science, politics, Church leadership and

more. You will never know the difference in this life. Supporting error leads to more error. Weakness builds upon weakness."

Read 2 Timothy 1:13-14

Follow the pattern of the sound words which you have heard from me, in the faith and love which are in Christ Jesus; guard the Truth that has been entrusted to you by the Holy Spirit Who dwells within us.

May 26, 2015

"I am your Jesus, born Incarnate."

"Spiritual leaders must lead souls to their salvation. This is their responsibility in My Eyes. To remain silent on the matters of sin is to become a tool in Satan's hands. Sodomy - same-sex marriage - is a sin! Do not tell Me you cannot speak out against this sin because it is political. Sin should not be a political issue. It is the government who is mixing sin and politics. You, as spiritual leaders, must identify sin as sin! Silence is Satan's masquerade - the mask he wears to cover the Truth."

"If you do not lead your flock in the Truth, you lead them in untruth. You do not hold your office to be popular, to be important or wealthy. Your office has been given to you to help souls choose right from wrong. There must not be any compromise."

"My Father destroyed Sodom and Gomorrah for the very reasons some celebrate legal approval of same-sex marriage. There was no celebration after God's Wrath visited those cities."

Read Hebrews 5:1-4

For every high priest chosen from among men is appointed to act on behalf of men in relation to God, to offer gifts and sacrifices for sins. He can deal gently with the ignorant and wayward, since he himself is beset with weakness. Because of this he is bound to offer sacrifice for his own sins as well as for those of the people. And one does not take the honor upon himself, but he is called by God, just as Aaron was.

May 27, 2015

Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I come, once again, to remind your statesmen that they cannot negotiate with evil. To negotiate means that you partner with someone in an agreement. Evil cannot be trusted in any type of agreement, as any evil entity is not honest. I am referring to nations that embrace terrorism or any terrorist groups. It is naive to believe in any type of agreement such as these would strike with you."

"The integrity of the parties settling on an agreement determines the value of the promises made. There is no value in a promise based upon lies."

"Do not naively trust in those who have proven to be untrustworthy. Nations that are warlike or whom embrace violent beliefs will not accommodate the best interests of a free nation. You have nothing to gain and everything to lose by trusting evil."

Read Romans 16:17-18

I appeal to you, brethren, to take note of those who create dissensions and difficulties, in opposition to the doctrine which you have been taught; avoid them. For such persons do not serve our Lord Christ, but their own appetites, and by fair and flattering words they deceive the hearts of the simple-minded.

May 28, 2015

"I am your Jesus, born Incarnate."

"I have told you that My Mother's Immaculate Heart is Holy Love. Today, I invite you to realize that Holy Love - My Mother's Heart - is the Ark in which all must seek shelter from the flood of the compromise of Truth that is consuming the world in these times."

"This is the season when all are called to enter this Ark of Truth - the Ark of Holy Love - where your hearts will be protected and your faith preserved. Do not be distracted by who is believing or not believing - by who is following after you or remaining behind. The door to My Mother's Heart is open to all, but each one must make the free will choice to enter or to remain behind and be consumed with the confusion of the day."

"This flood is not like the flood in Noah's day. It is a spiritual flood of deceit - invisible to those who do not seek the Truth. To those who choose to live in Holy Love, the flood of deceit is all too visible."

"Noah, in his day, prayed for those who did not make it into the ark - those who mocked him and did not believe in what God was asking him to do. So, I am asking those of you who have chosen to enter this Ark of Holy Love - My Mother's Heart - to pray for unbelievers. They may be jeering and mocking this Mission today, but in the future, they will find themselves drowning in the compromise of Truth."

Read 1 Timothy 2:1-4

First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all men, for kings and all who are in high positions, that we may lead a quiet and peaceable life, godly and respectful in every way. This is good, and it is acceptable in the sight of God our Savior, who desires all men to be saved and to come to the knowledge of the Truth.

May 29, 2015

"I am your Jesus, born Incarnate."

"These days, delusion has taken over many hearts. Those who embrace violence in the name of religion are in league with evil and practice a false religion. It is part of these times when anything and everything is touted as the Truth."

"Realize that Satan does not come with horns and a pitchfork, but knows how to find his way into every heart through stealth and cunning, and every sort of disguise. He uses the weakness of pride to promote his evil, whether it is greed, ambition, love of power or love of reputation. He mocks the Holy Spirit by convincing some

they have discernment and encouraging them to build a reputation upon opposing this Mission. He promotes false virtue such as false obedience - an obedience to evil, or false humility practiced to impress others."

"These delusions are quite popular these days and tear down My Kingdom of Divine Love in hearts rather than building it up. You must pray to live a life consecrated to the Truth. Then you will not take any action to oppose Holy and Divine Love. Then My New Jerusalem will come alive in your hearts."

Read 2 Thessalonians 2:9-12

The coming of the lawless one by the activity of Satan will be with all power and with pretended signs and wonders, and with all wicked deception for those who are to perish, because they refused to love the Truth and so be saved. Therefore God sends upon them a strong delusion, to make them believe what is false, so that all may be condemned who did not believe the Truth but had pleasure in unrighteousness.

May 29, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the crosses My Father permits in your lives can be a strength if you accept them. In your acceptance is your surrender."

"Tonight, I'm extending to you with My Blessing of Divine Love."

May 30, 2015

"I am your Jesus, born Incarnate."

"Please understand that people commit sin very often out of a sense of entitlement. They steal out of a sense of the right to gain what is not theirs. They commit abortion as they feel entitled to choose if the new life should live or die. They promote sodomy and same-sex marriage feeling they have a right to sin in this way."

"The Truth is each soul is only entitled to choose and accept God's Will for him in the present moment. Even in

this, no soul is entitled to any grace. Each grace is given freely and generously as a gift from God."

"Knowing these things should, once again, bring into focus the importance of recognizing the grace of the present moment and responding to it with humility."

Read Ephesians 2:4-5

But God, Who is rich in mercy, out of the great love with which He loved us, even when we were dead through our trespasses, made us alive together with Christ (by grace you have been saved).

May 30, 2015

"I am your Jesus, born Incarnate."

"You are asking in your heart the difference between the Seal of Discernment and the Blessing of Truth. The Seal of Discernment helps the soul to discover the difference between good and evil. The Blessing of Truth helps the soul to discover the Truth in all situations. Notice I say in each instance 'helps the soul'. It is not magic. The soul must cooperate with the grace that is given."

May 31, 2015 / Solemnity of the Most Holy Trinity

"I am your Jesus, born Incarnate."

"Continue to pursue the grace of My Mercy. Just as the storms you had here yesterday washed away the heat and humidity, My Mercy washes away anything that separates the soul from Me. I long to be united with every heart. I long for every heart to desire this union."

"The world around you is full of every type of distraction - most of which you do not recognize as distractions. This is what makes Satan's job easier, as he takes over the media, entertainment, the clothing industry and many forms of telecommunication. You must learn to recognize when you're being distracted and what type of influence is affecting you - good or evil."

"Anything, even the simplest thought - if it brings lack of peace to your heart - is not of Me but of the evil one who always seeks to destroy your peace. You cannot change anything through worry, but everything through prayer. Therefore, through prayer seek the Mercy of My Heart. I am listening."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

June 2015

***Holy Love Ministries** is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”*

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

■ **June 1, 2015.** "I am your Jesus, born Incarnate."

"If I were to reveal to you the height and depth of leadership - secular and religious - that has been sullied by the abuse of authority and the compromise of Truth today, then you could better understand how the world has arrived at such a state of moral degeneration such as it finds itself in. Most do not even recognize the lowly state to which they have been led and willingly follow. Once again, this is the bad fruit of not seeing the difference between good and evil."

"If you build compromised belief upon compromised belief, you have the net result of compromised governments, laws and a convoluted sense of good versus evil. This is why I come here and why these apparitions, Messages and miracles must continue despite influential but erroneous opposition. I am pointing out the path of Light which is Holy Love. What is more important - to believe in error or to follow the path of righteousness? You must be courageous and see that I am leading you to salvation despite Satan's attempts to mislead you. When positions of leadership are used to mislead and or to control, it is never towards the support

of Truth. Therefore, I am telling you, you must sort out the Truth from misinformation which serves man's self-interest such as power, control, material gain or popularity."

"If you do this towards making righteous decisions, you will not be judging. Pray for Wisdom."

Read Wisdom 6:1-11,22-25

Listen therefore, O kings, and understand; learn, O judges of the ends of the earth. Give ear, you that rule over multitudes, and boast of many nations. For your dominion was given you from the Lord, and your sovereignty from the Most High, who will search out your works and inquire into your plans. Because as servants of His Kingdom you did not rule rightly, nor keep the Law, nor walk according to the purpose of God, He will come upon you terribly and swiftly, because severe judgment falls on those in high places. For the lowliest man may be pardoned in mercy, but mighty men will be mightily tested. For the Lord of all will not stand in awe of any one, nor show deference to greatness; because He Himself made both small and great, and He takes thought for all alike. But a strict inquiry is in store for the mighty. To you

then, O monarchs, my words are directed, that you may learn wisdom and not transgress. For they will be made holy who observe holy things in holiness, and those who have been taught them will find a defense. Therefore set your desire on my words; long for them, and you will be instructed. . . . I will tell you what Wisdom is and how She came to be, and I will hide no secrets from you, but I will trace her course from the beginning of creation, and make knowledge of Her clear, and I will not pass by the Truth; neither will I travel in the company of sickly envy, for envy does not associate with Wisdom. A multitude of wise men is the salvation of the world, and a sensible king is the stability of his people. Therefore be instructed by my words, and you will profit.

■ **June 1, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate".

"My brothers and sisters, please realize that My coming to you with these Messages is not your personal holiness or your salvation - it is living the Messages that I give to you that leads you deeper into Our United Hearts. For it is the doers of the Law that are saved, not the hearers of the Law."

"Tonight, I am blessing you with My Blessing of Divine Love."

■ **June 2, 2015.** "I am your Jesus, born Incarnate."

"You are remembering the different games you and your sister played growing up. Some you greatly enjoyed. Others you never learned the rules of play and so you didn't enjoy them. It is the same with life in the world! In order to enjoy a peaceful happy life, you need to follow the rules. The rules have been given to you in the Ten Commandments. I have even made the rules more succinct in addressing you about Holy Love, which is the embrace of these Ten Commandments."

"Yet, you see all around you how relatively few listen. Many seem to think knowing the Ten Commandments is enough, or that hearing and believing these Messages is enough. But I am telling you, it is living according to Holy Love that matters in My Eyes. Knowing the Commandments and knowing about Holy Love bears with it the responsibility of living according to these dictates. Not to do so, negates your belief."

"I cannot choose righteousness through Holy Love for you. You must do so. You must choose right from wrong - good from evil - in every present moment. I look only at the heart. All else is exterior and passing."

"Pray for the Wisdom to choose wisely."

Read Romans 2:13

For it is not the hearers of the Law who are righteous before God, but the doers of the Law who will be justified.

■ **June 3, 2015.** "I am your Jesus, born Incarnate."

"I have come to reiterate a very important point - a point I am hopeful all will take to heart. It is necessary for grace to be effective in hearts and in lives, that souls

respond to the graces given from Heaven. Every soul is given graces abundant enough towards his own salvation. He is given the grace to know the Truth and to distinguish good from evil.* He is given the grace of conversion and of repentance at some point in his life."

"Everyone who commits the sin of abortion is given the grace of Truth as to their deed. Everyone who commits the sin of sodomy is given, at some point, the grace to know the evil they commit. Everyone who blasphemes the Truth is given the grace to understand and to accept the Truth."

"The problem is never the lack of grace in a misguided soul, but the lack of response to grace. Often it is a lack of humility which discourages the soul from accepting the grace and to change the course of his actions. Pride holds the soul back from admitting error."

"Therefore, understand it is the disposition of the heart which determines the ultimate response to grace. If the heart is consumed with self-interest, graces are often overlooked if they do not coincide with self-agendas. This is so true in the case of discernment, the abuse of power and the compromise of Truth."

** The graces of the Seal of Discernment and Blessing of Truth are given to hearts that are disposed with sincerity and humility who come to the property of Maranatha Spring and Shrine.*

Read Romans 8:28

We know that in everything God works for good with those who love Him, who are called according to His purpose.

■ **June 4, 2015.** "I am your Jesus, born Incarnate."

"These days, the heart of the world is far from the Will of My Father. Purgatory and Hell are crowded with souls who lived according to their own self-interests and not according to the Ten Commandments. Yet, when Heaven intervenes, as it has here at this apparition site, it is met with skepticism and opposition."

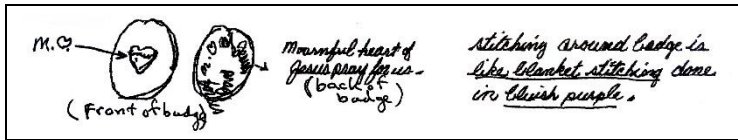

"Souls cannot arrogantly compose their own path to salvation. It has been given to them through the Commandments and through Holy Love. The heart of the world is trying to make up its own rules, the main one being, 'Do whatever is best for yourself'. Ambition is based upon love of power, money and popularity; but the fallacy is that ambition is not recognized as ambition - only legitimate motives of action."

"If you have leaders who have liberally compromised the Truth, soon all who listen to them are living a lie as well. In religious circles, this can and has led to heresy and apostasy and the consequent loss of souls. Do you see why My Sacred Heart is now My Mournful Heart?"

"You have been given many sacramentals here - medals, the Rosary of the Unborn, special oil, etc. Today, I ask you to have a badge made like the Sacred Heart badge, but with the Image of My Most Mournful Heart. It will serve as a reminder of the abuse of authority and compromise of Truth rampant in the heart of the world

today. In this reminder, is your protection against such abuses."

Maureen: He shows me both sides of the badge. He smiles and leaves.

■ **June 5, 2015.** "I am your Jesus, born Incarnate."

"Understand that every transgression against the Ten Commandments is the bad fruit of disordered self-love. The world's number one commandment is to love self above God and neighbor. If Truth gets in the way, it is trampled on - made to look outdated and unimportant in the scheme of things."

"Taking this 'commandment' to the highest level of absurdity, you now have contraception, abortion and sodomy as the 'new' norms. Anyone who objects is accused of persecuting these now acceptable practices and find themselves persecuted. Satan has carried abortion and sodomy into the legal system when they are really moral decisions. Therefore, entire nations live by abuse of authority and compromised Truth."

"Even worse, if this is possible, is that religious leaders remain silent on these issues - a silence which misleads their flocks and masquerades as tacit approval."

"Realize the path you are silently being led upon - not towards your salvation but away from it."

"Be courageous enough to stand for the Truth - My Truth. Do not change your moral standards to please man."

Read Romans 1:28, 32

And since they did not see fit to acknowledge God, God gave them up to a base mind and to improper conduct. . . . Though they know God's decree that those who do such things deserve to die, they not only do them but approve those who practice them.

Read Romans 2:6-8

For He will render to every man according to his works: to those who by patience in well-doing seek for glory and honor and immortality, He will give eternal life; but for those who are factious and do not obey the Truth, but obey wickedness, there will be wrath and fury.

■ **June 5, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Mournful Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, console My Most Mournful Heart by your efforts to reveal and combat the abuse of authority and compromise of Truth."

"Tonight, I'm blessing to you with My Blessing of Divine Love."

■ **June 6, 2015.** "I am your Jesus, born Incarnate."

"When I was a lad, My Mother found Me in the Temple as I was lost. These days, I am sending My Mother into the world to find her lost children once again. This is what every apparition is about. It is unfortunate the lost ones today are not found preaching about the Kingdom but, rather, opposing the Will of God by their lifestyles."

"Many do not recognize My Mother when She calls them through the grace of Her Heart. Rather, they continue on their errant path disguising their sins as rights and ignoring the Truth. But My Mother is never discouraged and with a Mother's Love* continues to approach each soul with the grace of the present moment. These graces may come through people or events, the spoken word or grace-filled thoughts - all meant to draw souls back to their salvation."

"My Mother's Love for every soul is omnipresent and unending. She desires, as I do, to spend eternity with each one. As Queen of the Holy Angels, she tells each guardian angel the best way to influence each soul towards his salvation. There is no love in the world comparable to My Mother's Love for each soul. You cannot grasp the depths of Her Love."

"Please Me by pleasing Her."

* *Our Blessed Mother's Love is the definition and description of Holy Love.*

Read 1 Corinthians 13:4-7, 13

Love is patient and kind; love is not jealous or boastful; it is not arrogant or rude. Love does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrong, but rejoices in the right. Love bears all things, believes all things, hopes all things, endures all things. . . . So faith, hope, love abide, these three; but the greatest of these is love.

■ **June 7, 2015 - Solemnity of Corpus Christi.** "I am your Jesus, born Incarnate."

"To choose to live in the Will of My Father means you must choose to believe in My Real Presence in the Holy Eucharist. I never said the Bread of Life was a symbol or that the wine changed to My Blood was a symbol. If you interpret other parts of Scripture literally, why do you change the rules for this?"

Read Matthew 26:26-28

Now as they were eating, Jesus took bread, and blessed, and broke it, and gave it to the disciples and said, "Take, eat; this is My Body." And He took a cup, and when He had given thanks He gave it to them, saying, "Drink of it, all of you; for this is My Blood of the Covenant, which is poured out for many for the forgiveness of sins.

Read John 6:52b-57

"How can this man give us his flesh to eat?" So Jesus said to them, "Truly, truly, I say to you, unless you eat the Flesh of the Son of man and drink His Blood, you have no life in you; he who eats My Flesh and drinks My Blood has eternal life, and I will raise him up at the last day. For

My Flesh is food indeed, and My Blood is drink indeed. He who eats My Flesh and drinks My Blood abides in Me, and I in him. As the living Father sent Me, and I live because of the Father, so he who eats Me will live because of Me."

■ **June 7, 2015.** Mary, Refuge of Holy Love says, "Praise be to Jesus."

"Today, you have on many different shades of the same color. All taken together, they make up an outfit. So it is with the human heart. Many different components comprise the spiritual state of the heart. If the soul tries to live a deeper virtuous life, he will gradually become more holy and travel deeper into Our United Hearts. If, however, the soul lives only according to the commandments of the world, loves self above God and neighbor, he will not prosper in holiness but move farther and farther away from God's Holy Will."

"Such a soul is never happy in this life. He is always seeking what he cannot find. He is not at peace and adopts a negative attitude. The things he thinks he should have to be happy never fulfill his needs. More often than not, they oppose his happiness like a color that clashes with the rest of his spiritual outfit."

"Stay well-dressed spiritually so that your life matches the Will of God."

■ **June 7, 2015 / Sunday Service - Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace.** St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, I desire that all fathers realize that they are the head of the domestic church which is their family. As such, they must be courageously able to identify sin and help their children discover the difference between good and evil."

"Tonight, I am blessing you with my Fatherly Blessing."

■ **June 8, 2015.** Mary, Refuge of Holy Love says, "Praise be to Jesus."

"Once again, dear children, I offer you the Refuge of My Immaculate Heart where I give to you My guidance and protection. My Heart, which is Holy Love, needs to be your solace during these most evil of times. You do not see, nor do you comprehend the dangers all around you. These are the times preceding the Apocalypse when Satan is strong in his assaults against Truth. You may recognize the error in hearts, but you must also recognize the evil that has inspired this error."

"Remember, My Heart is the First Chamber of the United Hearts. It is the Chamber in which souls gain self-knowledge, repentance for sins and cleansing of iniquities through the Flame of My Heart. This is the vital introduction to personal holiness. You cannot proceed in holiness until you recognize what is holding you back. Therefore, I invite all people and all nations into the grace of My Immaculate Heart."

"Do not fear My invitation, only fear not answering it."

Read Ephesians 6:10-17

Finally, be strong in the Lord and in the strength of His Might. Put on the whole armor of God, that you may be able to stand against the wiles of the devil. For we are not contending against flesh and blood, but against the principalities, against the powers, against the world rulers of this present darkness, against the spiritual hosts of wickedness in the heavenly places. Therefore take the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having girded your loins with Truth, and having put on the breastplate of righteousness, and having shod your feet with the equipment of the gospel of peace; above all taking the shield of faith, with which you can quench all the flaming darts of the evil one. And take the helmet of salvation, and the sword of the Spirit, which is the Word of God.

■ **June 8, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate".

"My brothers and sisters, tonight I invite each one of you, and all of you, to make the rest of your lives a journey through the Chambers of Our United Hearts. A journey in Holy Love.

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **June 9, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear daughter, you notice that all My Images around you seem sad today. It is because so few partake of the graces offered here at this site. We have continued miraculous healings and conversions - clearly, the Hand of God reaching down to touch many. Yet, too many rely on worldly endorsements and approvals and consequently do not believe."

"We have yet another apparition approaching. I weep for the ones responsible for discouraging others from coming here. Some have been given misinformation about Heaven's intervention here. I hold each one responsible for finding the Truth and accepting information as Truth only because of who said it."

"You cannot change the Truth by merit of your office. Please take to heart Jonah, Chapter 3. Even the ruler accepted Jonah's words as true and repented. As a result, God did not carry out His Wrath. These days, My children do not listen, using the erroneous opinions of leaders as a reason to race towards God's Wrath. This is why I appear sad today. Heaven speaks, but few respond. My coming to you does not mean all is well and forgiven. You must repent and seek God's Mercy from the greatest and most influential to the least. Every heart counts."

"My Son has waited patiently, but will not be put off much longer. When He lowers His Hand of Justice, you will understand My urgent pleas to you. Pray that the heart of the world responds as in Jonah's day."

"Do not clothe your hearts in worldly approvals but, in humility, recognize Heaven's Warning."

Read Jonah Chapter 3

Then the word of the Lord came to Jonah the second time, saying, "Arise, go to Nineveh, that great city, and proclaim to it the message that I tell you." So Jonah arose and went to Nineveh, according to the Word of the Lord. Now Nineveh was an exceedingly great city, three days' journey in breadth. Jonah began to go into the city, going a day's journey. And he cried, "Yet forty days, and Nineveh shall be overthrown!" And the people of Nineveh believed God; they proclaimed a fast, and put on sackcloth, from the greatest of them to the least of them. Then tidings reached the king of Nineveh, and he arose from his throne, removed his robe, and covered himself with sackcloth, and sat in ashes. And he made proclamation and published through Nineveh, "By the decree of the king and his nobles: Let neither man nor beast, herd nor flock, taste anything; let them not feed, or drink water, but let man and beast be covered with sackcloth, and let them cry mightily to God; yea, let every one turn from his evil way and from the violence which is in his hands. Who knows, God may yet repent and turn from his fierce anger, so that we perish not?" When God saw what they did, how they turned from their evil way, God repented of the evil which He had said He would do to them; and He did not do it.

■ **June 10, 2015.** St. Thomas Aquinas says: "Praise be to Jesus."

"Souls can and do very often seek other paths to salvation, but the genuine path that all eventually are drawn back to is Holy Love. There is no way to salvation outside of love of God and love of neighbor. To deny this is to deny the Truth."

"The response to Holy Love by the soul must not be casual. The more the soul pursues this path of Holy Love, the more he will be challenged to change directions. Every virtue will be tested. But remember, in the test is the practice of the virtue."

"Do not fall into the trap of becoming critical of others. Adopt a forgiving attitude, an attitude that overlooks the faults of others and looks for good."

Read 2 Timothy 1:13-14

Follow the pattern of the sound words which you have heard from me, in the faith and love which are in Christ Jesus; guard the Truth that has been entrusted to you by the Holy Spirit who dwells within us.

■ **June 12, 2015 - The Solemnity of the Most Sacred Heart of Jesus.** "I am your Jesus, born Incarnate."

"I tell you, My Heart is a Burning Ember of Divine Love. How I long to spread this Flame throughout the world! The Fire of Love in My Heart is continually doused by the lukewarmness of souls and by souls who practice the worldly commandment of love of self above God and neighbor. This worldly commandment negates Holy Love and prevents Me from issuing forth the Flame of Divine Love upon souls."

"It is this disordered self-interest that imparts an indifference in the world towards good and evil. Souls are not particular in their choices between good and evil.

Heresy is at a high level today and most do not recognize it."

"These Messages only cause division by those who take exception to the Truth. But I am Truth. I come to offer you the Fire of Divine Love - the Embrace of My Heart through Truth. Do not be complacent in your response."

■ **June 12, 2015 - The Solemnity of the Most Sacred Heart of Jesus.** "I am your Jesus, born Incarnate."

"As regards apparitions in the world today, these are heavenly interventions sent by the Will of My Father, through the Heart of My Mother. These apparitions and attendant Messages are sent to encourage, guide and rebuke. Genuine apparitions support the faith. They build up the Kingdom of God. They promote personal holiness. They reveal evil."

"Beware of anyone, then, who discourages you from believing in and following such revelations of Truth."

"The time is coming, indeed it is already here, when you will have to choose between Truth and abusive authority, that is, leadership that leads away from the Truth and into confusion."

■ **June 12, 2015 - The Solemnity of the Most Sacred Heart of Jesus / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here and He is holding His Sacred Heart in His Hand. He now holds it forward and says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I offer you the confines of My Most Sacred Heart, which these days has turned Mournful, due to the abuse of authority and compromise of Truth."

"My Heart is the perfection of Divine Love. This perfection must be sought by each soul in order for there to be peace in the world that will last."

I (Maureen) ask Jesus if He would take the petitions of the people here tonight. Jesus nods and says: "I am extending to you My Blessing of Divine Love."

■ **June 13, 2015 - Feast of the Immaculate Heart of Mary.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, today I come to you, once again, inviting you into the Refuge of My Immaculate Heart. There is no safer Haven of Peace in the world. I am here to protect you from the greatest evils of the day, which are projectiles against your faith and your trust. You cannot stand up for the Truth unless you clearly see what is Truth and what is untruth. The Refuge of My Heart is your secret weapon in the battle Satan wages against Truth. Within this Refuge your prayers will be encouraged and strengthened. You will receive the graces you need to wage a strong battle against any evil. You will be given the courage to trust as never before."

"My Heart is your Fortress during these evil times. Every grace you need is here for your asking. Do not be distracted by the immensity of the battle. My Heart holds

graces greater than any adversity."

■ **June 14, 2015 - Feast of the United Hearts / 3:00 P.M. Service** *(This Message was given in multiple parts over several days.)* Jesus and Blessed Mother are both here. Then I (Maureen) see the United Hearts Image behind Them. Jesus says: "I am your Jesus, born Incarnate." Blessed Mother nods Her Head. Jesus continues: "At Fatima, the children were told that in the end My Mother's Immaculate Heart would triumph. This will be a Triumph of Truth. Together, Our United Hearts will reign in Truth."

"This Triumph will not come until every evil agenda is exposed by the Light of Truth. It is then, the Heart of My Father will take up Its Dominion over the heart of the world. There will be a clear endorsement by Heaven as to the authenticity of every genuine apparition site, such as this one."

"This Triumph will bring with it a lasting peace - a peace ordered and maintained by My Father - a peace based upon Truth. There will be no evil."

"These days, you are hard-pressed to comprehend all the effects of evil and even to recognize it. This is because Satan masquerades evil as good. He gains unprecedented support of sin using freedom of choice as his platform. When the Triumph of Our United Hearts comes, there will be no more controversies. All opinions will be united in Truth. Good will be united with good. Only then will mankind realize what an evil time in history this has been. Only then will mankind comprehend My Patient Mercy."

"Until the time of the Triumph of Our United Hearts, which will be marked by My Return, you will experience a grave time of adversity. Your faith will be severely tested, which is why I have sent you Mary, Protectress of the Faith. The way of your salvation will be obscured by rogue leadership, but I have given you Mary, Refuge of Holy Love. You will be hard-pressed to find and cling to the Truth. Therefore, I have given you the Seal of Discernment and the Blessing of Truth."

"This apparition site and these Messages are your preparation and strength for days ahead. These hours of trial have already begun and are intensifying as I speak. I am telling you, do not fear any trial. I am with you and My Mother's Immaculate Heart is your Refuge. You are prepared if you have listened and believed. All of these devotions and graces I have given you are your ark of protection in the stormy days that lie ahead."

"As I have prepared each of you for these times ahead, you have the solemn duty of preparing others by spreading the devotions and knowledge of the graces offered here to as many as possible. You will suffer rejection, but not defeat, if you remain in My Mother's Heart."

"Today, I am entrusting the heart of the world to the Chambers of Our United Hearts. All will pass through these Chambers before joining Me in Eternity. Some will understand - others will not. No one can reach My Sacred Heart without first passing through the Heart of My Mother which is Holy Love.* What a mistake on the part of

modern theologians to downplay the role of My Mother whose Heart is the Gateway to the New Jerusalem."

"Await the Triumph of Our United Hearts by preparing with the graces and devotions I have given you. Then your time of waiting will be peaceful - even joyful."

"My brothers and sisters, what you need most, more than anything else, is peace and security in the heart of the world, and this can only be found in Our United Hearts."

"I'm taking all of the people's petitions into My Mournful Heart today. Some will be answered immediately, others in time, still others will need to await the Will of My Father, and accept it. We're extending to you the Blessing of Our United Hearts."

* *Holy Love is the two great Commandments of Love - to love God above all else and to love neighbor as self.*

■ **June 15, 2015.** "I am your Jesus, born Incarnate."

"Every intervention from Heaven, approved by worldly entities or not, calls for the conversion of the hearts of sinners. But this one, you must realize by now, goes far beyond that by merit of the graces and devotions offered here. This Mission offers strength and protection for the difficulties that have begun and will increase before My Return. This is the call to the Remnant Faithful to unite in the Chambers of Our United Hearts as a prescribed journey into personal holiness introduced here and offered nowhere else." *

"You must not allow others to decide for you the worthiness of My Call here. We will not collapse under obedience to abusive authority, but remain steadfast for all to partake of the graces so generously offered here. We must remain strong in resolve for those who are weak. I will never abandon you to please man."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **June 16, 2015.** "I am your Jesus, born Incarnate."

"I have opened the door to Our United Hearts here through this Mission. It is a doorway heretofore unrevealed, but one of significance during these evil times. In Our United Hearts is the peace and security every soul longs for. The key to this Sanctuary of Our Hearts is belief. When you believe, every grace is afforded you."

"I do not come with the agenda of supporting you in defeat, but of sharing My Triumph with you. Therefore, I have given you an abundance of graces and devotions through these Messages, the prayer site and the combined prayer effort itself.* Do not stand on the sidelines observing - even judging. Participate in My Victory which takes root in every heart that believes." **

Read 1 John 4:6

We are of God. Whoever knows God listens to us, and he who is not of God does not listen to us. By this we know the Spirit of Truth and the spirit of error.

■ **June 17, 2015.** "I am your Jesus, born Incarnate."

"Perhaps, now, in light of these Messages these last few days, you can understand the Mission here more clearly. It is a powerful endeavor on Heaven's part, designed to offer protection and strength through various devotions for the Remnant Faithful. No other apparition, mission or revelation offers so much."

"I, your Jesus, could not allow all of these graces to succumb to the non-objective, hasty and erroneous opinions of so-called authorities - all under the umbrella of obedience. Those who have not succumbed to long-standing errors have been brave and courageous in their fight for the Truth."

"You know, in the end, Truth will be victorious. This is not a Victory that is elusive, but one that is long promised! First, many events must unfold. Only the Father knows the time. Until then, I urge you to persevere with courage in the face of false accusations and misunderstandings. These devotions and the graces here at this site are the foundation of the New Jerusalem."

Read 2 Thessalonians 2:13-15

But we are bound to give thanks to God always for you, brethren beloved by the Lord, because God chose you

from the beginning to be saved, through sanctification by the Spirit and belief in the Truth. To this he called you through our gospel, so that you may obtain the glory of our Lord Jesus Christ. So then, brethren, stand firm and hold to the Traditions which you were taught by us, either by word of mouth or by letter.

■ **June 18, 2015.** "I am your Jesus, born Incarnate."

"First of all, please understand that everyone is given the grace to believe in these Messages, apparitions and miracles attendant to this Mission of Holy Love. It is always those who reject these graces - the unbelievers - who Satan uses to oppose Heaven's intervention here."

"Let us look at reasons why there are unbelievers. First, belief dictates conversion of heart. This conversion requires personal effort and the humility to recognize what must be changed in order to live these Messages."

Next, there is very often jealousy involved. If people acknowledge what is happening here by Heaven's Hand, they must also acknowledge that they are not chosen, not in control and cannot be in the center of Heaven's dictates, but only listen and respond as obedient children."

"Lastly, people choose not to believe until an important approval comes. This is a mistake. These are the ones who would believe with some encouragement, but for the reasons previously mentioned, will not see any official recognition forthcoming."

"This is the way Satan opposes all this good here at this site and through this Mission. While I am busy preparing the Remnant Faithful for the trials ahead, Satan uses the disbelief of the spiritually weak to try and undo My efforts."

"Do not fall victim to unbelief. Live in the Truth."

Read Hebrews 3:12-13

Take care, brethren, lest there be in any of you an evil, unbelieving heart, leading you to fall away from the living God. But exhort one another every day, as long as it is called "today", that none of you may be hardened by the deceitfulness of sin.

Read Hebrews 6:4-8

For it is impossible to restore again to repentance those who have once been enlightened, who have tasted the heavenly gift, and have become partakers of the Holy Spirit, and have tasted the goodness of the Word of God and the powers of the age to come, if they then commit apostasy, since they crucify the Son of God on their own account and hold Him up to contempt. For land which has drunk the rain that often falls upon it, and brings forth vegetation useful to those for whose sake it is cultivated, receives a blessing from God. But if it bears thorns and thistles, it is worthless and near to being cursed; its end is to be burned.

■ **June 19, 2015.** "I am your Jesus, born Incarnate."

"By not believing in these Messages as sent from Heaven, the soul rejects My Assistance in times of adversity. When his faith is under attack, he does not turn to Mary, Protectress of the Faith. When his path to

salvation and personal holiness is obscured, he does not seek My Mother's Heart, Refuge of Holy Love. He does not follow the journey into the Chambers of Our United Hearts as a helpful course to perfection. He is easily persuaded to accept untruth, if it suits his personal agenda."

"Clearly, it is a path of danger to disbelieve in all the aids Heaven has given here to benefit the soul in spiritual adversity. The help is in the world now through the graces given at this site and through these Messages. It is the free-will decision of each soul whether to accept Heaven's Assistance or reject it."

"Your greatest protection is in knowing the Truth between good and evil. This is the underlying grace of all I have given you here."

■ June 19, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, these are not the times nor the hour in the history of mankind when the religious world needs to become more secularized. It is the hour in which the secular world needs to become more religious. You will please make this known."

"I'm blessing you with My Blessing of Divine Love."

■ June 19, 2015. Mary, Refuge of Holy Love says: "Praise be to Jesus."

"My next apparition will be on My Feast of the Assumption, August 15. It will be as usual in the Field of the United Hearts."

"Everyone is welcome at the 3:00 pm apparition on the 15th."

■ June 20, 2015. "I am your Jesus, born Incarnate."

"These times of which I am now foretelling, the times of adversity before My Return, are forthcoming despite mankind's manipulation of the Truth. What will be important then is what is important now - recognition of the Truth over untruth - good over evil."

"There is no impressive authority or approval - no grand title or intellectual power - that can change this. Those who challenge the Holy Spirit - the Spirit of Truth - will themselves be challenged.* During these times ahead, Satan will represent himself as all-knowing, the worker of miracles, the source of all good. Those who are prepared as warriors of Truth will not be tricked." **

"Holy Love, just as it is today, will be a countersign of the reality of God's Law and God's Dominion over all hearts. So prepare with much introspection - making your hearts fortresses of Holy Love - barriers against the evil of popular opinion. Be this strength to one another."

* Please read Holy Love Message given by Jesus on March 22, 2015.

** Description of the Anti-Christ.

Read 2 Thessalonians 2:9-12

The coming of the lawless one by the activity of Satan will be with all power and with pretended signs and wonders, and with all wicked deception for those who are to perish, because they refused to love the Truth and so be saved. Therefore God sends upon them a strong delusion, to make them believe what is false, so that all may be condemned who did not believe the Truth but had pleasure in unrighteousness.

■ June 21, 2015 - Father's Day. St. John Vianney, the Curé d' Ars and Patron of all priests says: "Praise be to Jesus."

"I feel I must speak out about this. These days, every priest has the solemn obligation to speak out on behalf of the Truth. The Truth must be based upon the Ten Commandments and Holy Love. This is the sound direction the priest must pass on to his flock. He should be encouraged to do so by his Bishop and not fear retribution. This is the Bishop's responsibility."

"Never before has Truth been so compromised to please human agendas. When sin is not called sin and evil is not identified as evil, those who lead are responsible for this neglect. You cannot fulfill your vocation by pleasing man - only by pleasing God. God, Who is the Source of all Truth and all good, gave you your vocation. It is up to you to build up the Kingdom of God, not co-operate in tearing it down. Use your leadership to encourage holiness amongst your flock. Do no dilute the Truth to please anyone."

■ June 22, 2015. "I am your Jesus, born Incarnate."

"The heart of the world has become secularized. The secular world opposes the spiritual world in many ways. The secular aspect of existence finds human reasons for every event, discovery or international problem.* Grace is never a consideration. God's Will is not a consideration. Human effort is given credit for the achievements only wrought through the grace of Our United Hearts. Therefore, the direction grace points to for future events and plans is discounted."

"This human pride that accounts for everything as accomplished by the hand of man, leaves mankind on the edge of his own destruction without his even recognizing it! Secularism promotes peace between nations that does not include God as a partner in this effort. Secularism, in an attempt to give all people their 'rights' in the world, promotes the legalization of sin. Once again, excluding God's Laws, secularism removed prayer from schools so as not to offend anyone. Then guns were brought in."

"The secular world in its attempts to accept everyone on the same level, does not allow for the acceptance of the Ten Commandments in hearts or in places."

"The heart of the world needs to be reconciled with God. Never before has this been more true. But secularism leads away from the Truth and leads to the worship of free will."

"My telling you these things is not the solution. Your acting on My Advice is."

■ **June 22, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate".

"My brothers and sisters, please have confidence in God's Will for you, whether it be the cross or victory. Often times grace is disguised as a cross. Even then, do not lose courage. I'm placing all your petitions within My Sacred Heart tonight, and I'm blessing you with My Blessing of Divine Love."

■ **June 23, 2015.** "I am your Jesus, born Incarnate."

"These days, so given over to evil, it has become fashionable to leave God out of decisions. That is why so many decisions are based upon evil. That is why it is so vital that souls return to defining good from evil."

"If it were true that souls were doing that, then sins would not be decided upon by your legal system. It is My Father and I Who determine right from wrong as regards to morality - not your court system. But the mindset today is to make everyone happy - not to reach salvation."

"Life as you know it is passing and is ever-changing with each present moment. If you do not hang onto Holy Love in your heart, the confusion of secularism will overwhelm you. Each day, each moment is the right time to choose Holy Love. Therein lies your peace, security and your salvation."

Read 1 John 3:21-23

Beloved, if our hearts do not condemn us, we have confidence before God; and we receive from Him whatever we ask, because we keep His Commandments and do what pleases Him. And this is His Commandment, that we should believe in the Name of His Son Jesus Christ and love one another, just as He has commanded us.

■ **June 24, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"These days, the world is starved for Truth - the Truth based upon love of God and neighbor. Much voice is given to 'social justice', but the real justice is leading others in the Truth. The governing bodies in the world do not know the Spirit of Truth and therefore, do not lead according to the inspiration of the Holy Spirit - the Spirit of Truth."

"Errant spirits have taken over the vast majority of the hearts in leadership roles today. This is most evident in the policies they promote and in the ways they address challenges such as: world security, the economy and moral issues, to name a few."

"I come to earth today, as God sends Me, to draw all people and all nations into My Immaculate Heart, Refuge of Holy Love. Herein is all the grace each soul needs to move closer to God and to be led by the Holy Spirit. This call is a moment of great grace washing upon the world, giving to all the opportunity to partake of God's goodness.

This is Heaven's Social Justice. Do not wait for others to approve Heaven's Invitation. Turn to Me, even now, as My Arms are outstretched to you and My Heart welcomes you. I will turn no one away from the embrace of My Heart."*

"Mankind's reluctance to step into My Embrace of Holy Love widens the abyss between the heart of the world and the Heart of God. Each moment that passes is then farther from the Truth and plunges mankind deeper into error."

"Dear children, not to decide for Holy Love is to decide against it! Then you oppose My Son and the Will of the Father. These are not just words to listen to and then set aside! This is the Truth God is calling you to accept and live. This is the call to your own salvation. No one enters Heaven outside of Holy Love."

** When pilgrims come to the property of Maranatha Spring and Shrine with open, sincere hearts, they enter into the welcoming embrace of the Immaculate Heart of Mary, Refuge of Holy Love, and receive all the graces attendant to this place of Heaven's predilection.*

■ **June 25, 2015.** "I am your Jesus, born Incarnate."

"How far distant your country has come from the sound Christian principles your nation was founded upon to the Supreme Court presuming the right to 'legalize' all sorts of sins in the name of 'social justice'. What a fallacy! What convoluted thinking! What a travesty of the Truth!"

"Once again, I reiterate, it is not the right or duty of any legal system to redefine the moral code of the nation. Making it easier for moral degeneration must not be a consideration or a reality."

"In all of this, understand the Truth has been changed to appease free will. These days, if you do not accept the slaughter of life in the womb and sodomy, you are in the minority and considered narrow-minded - even a bigot."

"But, Truth cannot be changed through free will. Truth remains the same no matter who believes or accepts it. Pray that these, My Words to you, make a difference in hearts."

"Pray that your leaders recognize My Truth as the only Truth - unalterable despite opposition. Pray that the Truth is protected in your hearts and in your nation."

■ **June 26, 2015.** (Given early a.m.) "I am your Jesus, born Incarnate."

"I need, once again, to point out the obvious - that is, the obvious to the morally sound. If your high court chooses to endorse same-sex marriage by granting such unions the rights of a legitimate marriage, they are encouraging moral degeneration in your nation. Such an evil decision would affect the future of your country, for Heaven takes account of the state of the heart of your country and acts accordingly. Do not think because the Arm of My Justice has not fallen as yet, that it will never fall. Do not think that moral degeneration goes unnoticed by the Creator of all."

"'Social justice' has become synonymous with sin. It is a label given to the concept of pandering to any evil in

the name of the right to sin. You cannot on one hand promote evil and on the other hand uphold right reason. Truth does not change to accommodate evil agendas. Sin is always sin."

"You are either for Me or against Me. Evil is uniting against those who choose the Truth. It is past time for those who live in the Truth to unite. When you find fault with one another, the cause of Truth is weakened."

"Satan knows the strength and influence of this Mission. He vehemently opposes it. He uses those who believe they live in the Truth to oppose the Truth. You must set aside all jealousy and competitive nature and work as one to defend evil. Evil embraces evil in an attempt to defeat the Truth. So you have 'social justice' - a disguise of Satan. Be united in the Truth according to the Commandments of Love."

Read Philippians 2:1-2

So if there is any encouragement in Christ, any incentive of love, any participation in the Spirit, any affection and sympathy, complete my joy by being of the same mind, having the same love, being in full accord and of one mind.

Read 2 Timothy 1:13-14

Follow the pattern of the sound words which you have heard from me, in the faith and love which are in Christ Jesus; guard the Truth that has been entrusted to you by the Holy Spirit who dwells within us.

■ **June 26, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"My Son is deeply saddened and His Mournful Heart most grievously wounded by today's Supreme Court decision which enables sodomy. Hearts will not change until they decide to change. This change or conversion can only come through recognition of living in error."

"This latest decision should bring home to you that most prominent leadership cannot be trusted. The majority of leaders - secular and religious - abuse their positions. Popularity is far more important than standing for the Truth. Popularity breeds money and power."

"Where were My Bishops and priests in the midst of this moral controversy? It was their job to lead their flock in the Truth of the difference between good and evil. Most were silent. Silence is Satan's masquerade of approval. These are the times before My Son's return when clear direction needs to be given. Otherwise, there will be no Remnant Faithful."

"Today, I must call My Remnant to gather in My Heart. It is within the sanctuary of this abode you will be given all the grace you need as a beacon in this hour of darkness. Within My Heart you will more easily discern good from evil - a necessity during these times."

"Seek God's Mercy upon yourselves, your families and your nation. Do not think this law changes sin to righteousness in God's Eyes. Do not cooperate with Satan's lies which have gained popularity. Be warriors of the Truth."

■ **June 26, 2015 / Friday Service - For all those falsely**

accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace. Jesus is here with His Mournful Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, now more than ever, I implore you, be united in the Remnant Faithful and strong in the Truth. Now is the time for encouragement towards one another in this regard."

"Tonight, I'm imparting to you My Blessing of Divine Love."

■ **June 27, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I have come today to thank you, My children, for all the prayers and sacrifices you offered towards the defeat of the same-sex marriage act. Though many of the graces offered the justices were rejected, I will now take them and use them as a means of uniting and strengthening the Remnant Faithful. None will be wasted."

"Your country has chosen a path which leads away from God. The light which remains in the world as a glimmer of hope is the Remnant Faithful. You must be discerning now as to which way you are being led by any leader. Is it the way of Truth and a reflection of Holy Love, or is it a path that compromises the Truth of the Ten Commandments? Beware of any leader who is full of self-importance and values his own popularity. Such a one is very likely to abuse his authority. Beware of anyone who convolutes the Truth under the guise of 'freedom of choice'. God will not interfere with free will, but He judges free will choices."

"If you allow Holy Love to govern your hearts you will never be far from the Truth. You must pray for all leaders now, My dear children, that the confusion of the day does not overpower their choices. If you are listening to Me and acting on My words, you are part of My Remnant Faithful."

Read Colossians 2:8-10

See to it that no one makes a prey of you by philosophy and empty deceit, according to human tradition, according to the elemental spirits of the universe, and not according to Christ. For in Him the whole fullness of deity dwells bodily, and you have come to fullness of life in Him, who is the Head of all Rule and Authority.

■ **June 27, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Here, My daughter, are basic guidelines for discerning good leadership."

Good Leader

- "Lives according to Holy Love - loves God above all else and neighbor as self."
- "Acts according to Holy Love and the Ten Commandments despite personal cost."
- "Holds the Truth as unchanging and forms his leadership around it."
- "Supports only the Ten Commandments and those who live by them."

Abusive Leader

- "Loves self above God and neighbor."
- "Forms actions around safeguarding his popularity, power and self-advantage."
- "Tries to compromise the Truth to please others and self."
- "Mistakenly supports groups or people who demand recognition and support of sin."

■ June 28, 2015. "I am your Jesus, born Incarnate."

"Some leaders are leaders in name only. They preside over their followers as figure heads. This is a passive form of the abuse of authority, for they offer no genuine direction or guidance. It is a far less open abuse of power but, none the less, harmful in the long run."

"Good leadership guides in Truth and towards Truth."

■ June 29, 2015. Mary, Refuge of Holy Love says: "Praise be to Jesus."

"The Holy Spirit is active in every present moment in everyone's heart, trying to inspire personal holiness. The enemy is also very present countering good and promoting evil. So to say there is nothing supernatural going on here or there cannot be true. Once again, do not be so quick to accept man's words above God. It is most important what you believe and what you obey - not who you believe and whom you obey."

"I hold in My Immaculate Heart this apparition site - the Lourdes of this continent. We must keep going in a justified effort to unite and support the Remnant Faithful. It takes two opposing sides to breach unity. Now you are seeing it more and more."

"We must be more in prayer than ever before. These times dictate so. As error tries to redefine Truth, My Remnant must be certain of the Truth and support it. Do not accept compromise to please man. Earthly decisions do not transpose the Truth. I recommend to your prayers all those who participate in concealing the Truth."

Read 2 Thessalonians 2:13-15

But we are bound to give thanks to God always for you, brethren beloved by the Lord, because God chose you from the beginning to be saved, through sanctification by the Spirit and belief in the Truth. To this he called you through our gospel, so that you may obtain the glory of our Lord Jesus Christ. So then, brethren, stand firm and hold to the Traditions which you were taught by us, either by word of mouth or by letter.

■ June 29, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace. Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate".

"My brothers and sisters, be at peace, and trust in Me. I am with you now; I'm with you in your future. My grace is all you need."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ June 30, 2015. St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to speak to you about discernment, since discernment forms people's opinions concerning these Messages. Discernment must be spiritual. If it is bound to human interest, it is not true. Human interests lead to politics. Political pressures warp discernment and convolute the Truth."

"False discernment, which is based upon human interests, is nothing more than rash judgment. It is not based upon the Truth or inspired by the Spirit of Truth. Many believe that those of worldly esteem, those vested in importance, cannot be wrong in their discernment. This is not true, for wherever there is the human element, there is room for error."

"This is why discernment - true discernment - must be a cooperation between the soul and the Holy Spirit. Any human concern must not be present."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

July 2015

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

THE FEAST OF THE MOST HOLY ROSARY – OCTOBER 7, 2015

Next Promised Apparition of Our Lady on October 7th during the 3 PM Service

Tuesday Services, October 6th – Vigil of the Feast of the Most Holy Rosary

7:00 PM: Prayer Service at the United Hearts Chapel.

11:30 PM: Meet at the United Hearts Field for a Midnight Prayer Service and to receive a Blessing from Heaven. (No apparition at this service.)

Wednesday Service, October 7th – Feast of the Most Holy Rosary

2:30 PM: Meet at the United Hearts Field for a Procession, 3 PM Prayer Service, and Promised Apparition.

"My brothers and sisters, it is My Joy to send My Mother back to you in the Field of Our United Hearts on October 7th, the Feast of the Most Holy Rosary. In this way, I draw attention to the precious gift of the Rosary and its power against evil." (Jesus – August 17, 2015)

■ July 1, 2015 - Feast of the Precious Blood of Jesus. "I am your Jesus, born Incarnate."

"I have come to tell you with certainty that I am troubled by the negative attitude of officials concerning My Mother's interventions in the world today. It is I, Myself, Who send Her. To reject My Mother is to reject Me."

"What She says is the pearl of infinite value. My Mother does not come for Herself, but for the welfare of Her children, always leading them in personal holiness and closer to Me. She comes to build up the Body of Christ, but the rejection of Her efforts tears it down."

"Leaders who object the most to My Mother's interventions are very often the ones who need it the most. During this age of compromises, it is not wise or prudent to trust the opinions of those who lead just for

the sake of their position. Hold these things in your hearts to be drawn upon in the future.

■ July 2, 2015. "I am your Jesus, born Incarnate."

"I desire with all My Heart to bring peace to the world. The impact of mankind's free-will choices prevents Me from doing so. This is why I continue to build up this Ministry and promote its cause in hearts around the world. *It is Holy Love in hearts that will bring peace."

"Do not expect leaders - secular or religious - to acknowledge this any time soon. Leaders will have to rise and fall first. Nations and peoples will be put to the test. Acceptance of error will consume hearts before Holy Love is victorious."

"But I continue to support those who will listen to

these Messages and I will not surrender this right to error or under the guise of obedience to error. Other apparitions may cease or be discounted. This one will continue!

** Please consider becoming members of, and propagating the lay apostolates of, the Missionary Servants of Holy Love, the Confraternity of the United Hearts and the Children of the United Hearts.*

Read Romans 8:28

We know that in everything God works for good with those who love Him, who are called according to His purpose.

■ **July 3, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"As a Ministry, we have withstood much persecution, rejection and misinformation. The time approaches when this will increase, but so, too, will the crowds, as many seek the Truth. The compromise of Truth, rampant in the world today, will result in much apostasy! The age of indifference towards God's Will is here. The Tradition of Faith, even as I speak to you, will be embraced by a relatively scant few."

"But, it is for these reasons that I come. My Son sends Me to encourage you in the Truth and to protect your faith. He desires I encourage you not to accept leadership at face value or to acquiesce to title alone. If these times were times of Truth and clarity of conscience, there would be no need of My speaking to you on a daily basis. As it is, I must lend My Motherly Hand to your perseverance in Truth. It is My joy when you listen to Me and pray much. I am saddened by those who reject My intervention."

"Dear children, pray for those who do not know good from evil."

■ **July 3, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the prayer that I want you to always pray from the heart every day is that the heart of the world be united in Truth."

"This will bear the fruit of peace."

"Tonight, I am blessing you with My Blessing of Divine Love."

■ **July 4, 2015.** "I am your Jesus, born Incarnate."

"Today, your nation celebrates its independence. The founding fathers sought freedom from under the tyranny of the English empire, but today your nation is losing its freedom to the slavery of sin - namely the sins of abortion and sodomy! Some see these sins as

freedoms - an erroneous label for the evil that has captured hearts. This nation is no longer 'under God' but under the influence of evil."

"Many do not see or comprehend the dangers of these choices. Many believe it is their right to pick these evils so long as they call them 'freedoms', but My Laws* do not change to accommodate error."

"Each one has the power to make this country great again by choosing good over evil. Each soul then, must determine the Truth between good and evil in order to raise this nation up again as a bastion of Truth and true freedom."

** The Ten Commandments.*

■ **July 4, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"So much has been said and done to diminish My efforts here at this site. Satan tries to suffocate the Truth with compromise, but Jesus grants that the Mission, the miracles and the Messages will not succumb to the error that is in hearts as has happened and is happening in many apparition sites around the world."

"Pay attention, dear children, as to who opposes what! These days, do not squander your trust on everyone of importance and stature! Even the most qualified, most esteemed person, can make mistakes. If a person exhausts much energy in opposing a prayer effort or messages which lead to unity and salvation, certainly his inspiration is not from Heaven. Even the most well-intentioned leader can become an instrument of evil if his priorities are full of self-interest."

"Be wise and prudent as to your affiliations."

■ **July 4, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I offer the opportunity for the people to come to the United Hearts field at midnight dawning on the Feast of My Assumption. I will bless them. I would never discourage prayer here."

■ **July 5, 2015.** "I am your Jesus, born Incarnate."

"I am entrusting to this Mission a portion of the threshold of My Return, for it is through this Mission many will be drawn away from the errors of the day and into the Truth. This is a consolation to My Mournful Heart. It is already so, that many accept the ease of compromise over and above the Ten Commandments."

"The difference between good and evil has been obscured by this same compromise. Once again I tell you, you cannot redefine the Truth. Because you choose compromise does not alter the Law. *I await the leaders, whom have succeeded in rising to high positions, to influence those they lead towards good and away from evil."

"My Mother's Heart is open to all who come to this

site. She is ready to extend the grace of self-knowledge to all. Souls should, therefore, be encouraged to make pilgrimages here - never discouraged. Most of all, My Mother and I invite the unbelievers to come. No one leaves the property the same as when he came."

* *The Ten Commandments.*

■ **July 5, 2015/ Sunday Service - Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace.** St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, realize that parents have the obligation before God to teach their children the difference between good and evil. They must teach them to choose good, for this is the first step in personal holiness."

"Tonight, I'm imparting to you my Fatherly Blessing."

■ **July 6, 2015.** "Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, if these times were not desperate, My Son would not have sent Me here with so many graces and so many poignant Messages. As it is, the times are evil and the spirits of confusion and compromise have taken over the heart of the world. When you pray for peace through unity in Truth for the heart of the world, you yourselves will be at peace. However, please understand the immensity of this prayer and the powers you are up against. It takes heroic sacrifices and a strong effort in prayer to prick the conscience of the world."

"Do not be dismayed that all the miracles and graces offered here have not convinced a great many of the authenticity of this Mission. Recall all the miracles My Son performed, and yet, many did not believe in Him. He was still crucified. This Mission is being crucified by a pharisaical spirit, a spirit of sanctimony - a spirit of self-righteousness."

"Please understand that you defeat the purpose of these Messages in your hearts when you await approvals which are not forthcoming. Unfortunately, the presence of Heaven's intervention is not welcome here, but viewed as a threat to control and power - a competition - not a loving hand."

"Please allow the grace of My Heart to support you during these times of great confusion. Stay close to Me through these Messages despite who chooses not to believe. I come, as I am sent, to help you understand good from evil - Truth from untruth. My Heart is an Ark away from the storm of controversy and compromise."

■ **July 6, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, all present moments are woven together by grace. Grace weaves the tapestry of your lives for you to respond to the graces you are given in each present moment with Holy Love."

"Tonight, I am blessing you with My Blessing of Divine Love."

■ **July 7, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, today I invite you to comprehend more fully the essence of the grace of the present moment. This grace, provided you are not in sin, is always with you. It is your companion in every difficulty, helping you to accomplish what you would have thought impossible - giving to you the strength physically, spiritually and emotionally. No one can rule against this grace or deny your access to it, for it is from Heaven. Heaven's actions stand apart from worldly control."

"It is through the grace of the present moment My Heart is united to you and we share together every problem, every victory, even every cross, which is grace in disguise. If you trust in what I am telling you - if you trust in the grace of the present moment - you will not fear. Courage will be your vestment. You will have peace as your steady companion."

■ **July 8, 2015.** "I am your Jesus, born Incarnate."

"I have come to speak to you about unity. Unity bespeaks oneness of mind and heart and, therefore, oneness in words and actions. It is important to understand what destroys unity. Self-interest is one cause. Self-interest seeks its own path towards some self-gain and not the common good. Another contributing factor to the destruction of unity is untruth. When one party does not pursue or recognize the Truth, he separates himself from all who represent the Truth."

"Unity nurtures Holy Love in hearts. Holy Love nurtures unity in hearts. Once again, I tell you, it takes two opposing sides to breach unity. Self-knowledge as to the Truth of each one's role in disunity is vital and must be resolved. Without this, unity cannot prevail."

"Perhaps now, you can better understand why there is so much disunity in hearts, between nations and within institutions these days."

Read Galatians 3:26-28

For in Christ Jesus you are all sons of God, through faith. For as many of you as were baptized into Christ have put on Christ. There is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female; for you are all one in Christ Jesus.

■ **July 9, 2015 - Feast of Our Lady Queen of Peace.** Our Lady comes as Mary, Refuge of Holy Love. She

says: "Praise be to Jesus."

"I have come to help you understand that the foundation of peace is unity. Unity cannot come about if there is a difference in opinion as to the Truth. That is why, these days, Satan strikes at the very core of peace by obscuring the Truth. The enemy promotes self-interest in hearts, thus encouraging departure from the Truth."

"But through these Messages, I encourage you to find the Truth through the Maxim of Holy Love. Holy Love is the heavenly formula for peace in all hearts and peace in the world."

"I pray for souls to believe in this Truth which I am sent to impart to the world. Begin to live as though you believe in Holy Love. Therein lies your peace."

■ **July 10, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I will tell you why humility must be partnered with Holy Love in each one's spiritual journey as a firm foundation. Without humility, the love of God and neighbor becomes self-centered. The soul depends on himself and believes in himself more than he depends upon and believes in God. He seeks the spotlight and enjoys the spotlight. He is not open to suggestions but insists on his own way. He projects his own spiritual shortcomings onto others, but does not look into his own heart."

"If someone is placed in a leadership role, he uses this role towards building his own image and not the welfare of others. Humility opposes self-interest and promotes the cause of the timid and forgotten. Without humility, the rainbow of virtues fades as it is not genuine, but pretentious."

"The walk into and through the Chambers of Our United Hearts begins and continues with genuine humility and love."

Read Ephesians 2:8-10

For by grace you have been saved through faith; and this is not your own doing, it is the gift of God - not because of works, lest any man should boast. For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them.

■ **July 10, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed and says: "My brothers and sisters, I am your Jesus, born Incarnate. I desire you listen with your whole hearts to My Words tonight."

"Embrace Holy Love with your entire heart and do not look for alternate paths to salvation. For Holy Love is what I give you."

"Tonight, I'm imparting to you My Blessing of Divine Love."

■ **July 11, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I have come to speak to you about good leadership versus poor leadership. There is both good and poor leadership in the world today in families, institutions, governments and Church circles. The main quality of a good leader is respect for those who follow him. He respects their opinions - giving them careful consideration - and welcomes the input of those around him. He is never resentful of those who share different points of view. He does not, in his heart, place himself above anyone. He treats everyone equally, with the same patience, understanding and respect. He does not bear grudges against anyone."

"If a leader follows these guidelines, his followers will respect him and want to please him. Through this mutual respect much can be accomplished in a short time."

■ **July 11, 2015.** St. John Vianney, the Cure d' Ars and Patron of all priests says: "Praise be to Jesus."

"I have been sent to address the bitter issue of spiritual pride. This is a poison that eats away at the soul insidiously. Such a soul is impressed with his own spiritual level and considers himself far above many others. I tell you, any soul is only as holy as he is humble. The greatest saints never considered themselves holy, but considered all others more holy than themselves - a sign of sincere humility. In such a soul, there is no pretense. He does not consider himself worthy to offer spiritual guidance to others. He does not set himself up as any sort of spiritual sage."

"The soul consumed with spiritual pride considers himself far more holy than he is! The more pride he has in his own spirituality the less holy he is - a fact Satan hides well. Spiritual pride is usually very hidden from the soul. He goes on believing he is far above most others but does not see it as pride. This makes it far too easy for Satan to influence his thoughts, words and deeds, because he believes he is inspired by God in all ways. I give this Message so that all may search their hearts. If you continue to regard yourself as very holy after my warning, you have not listened and digested the point of my coming to you."

Read 1 Corinthians 4:7

For who sees anything different in you? What have you that you did not receive? If then you received it, why do you boast as if it were not a gift?

■ **July 12, 2015.** St. John Vianney, the Cure d' Ars and Patron of all priests says: "Praise be to Jesus."

"I remind one and all that Satan's hallmark is the

compromise of Truth. He is the father of all lies. You can readily see this in government policies and the general moral degeneration in the world today. But his greatest effort is in individual souls. He convinces the worthy that they are unworthy. He convinces the unworthy that they walk in righteousness. He puffs up egos inspiring people to believe in their own efforts apart from God. In the spiritual realm, he opposes humility, as he cannot understand it. He encourages spiritual pride. He readily helps souls to overlook their own shortcomings."

"This Mission is an Armature of Truth calling souls back to the reality of their responsibility towards their own salvation. This Mission clearly delineates the difference between good and evil. Do not be surprised that every sort of calumny and slander has been leveled against Heaven's intervention here. These are evil times when people do not recognize Satan's lies."

Read Ephesians 5:6-10

Let no one deceive you with empty words, for it is because of these things that the wrath of God comes upon the sons of disobedience. Therefore do not associate with them, for once you were darkness, but now you are Light in the Lord; walk as children of Light (for the fruit of Light is found in all that is good and right and true), and try to learn what is pleasing to the Lord.

■ **July 13, 2015 - Feast of Rosa Mystica.** Our Lady comes as Rosa Mystica. She says: "Praise be to Jesus."

"I have come to offer instructions as to how to increase virtue in your heart. If you practice any virtue to impress others, it is a false virtue. This is a spiritual pride, the enemy of the soul. But if you practice a virtue as a means of making it part of your heart, the virtue is strengthened in your soul and your personal holiness increases."

"You cannot be humble unless you practice humility. You must understand the virtues that you desire to have. Humility makes the soul desire the background and spurn recognition. These are the little souls who cherish their relationship with God and let all else revolve around it. They do not want to be known as holy, worthy or chosen. They shun compliments or any type of recognition. The humble soul wants only to please God and does not allow anyone or anything to get in the way."

"Humility dictates that the soul shuns esteem or approvals of any sort. These are forms of worldly security. The humble soul finds his security in My Son."

"The danger in humbly seeking the background is you do not reach out to others in need. It is a type of self-centeredness which weakens the virtuous life."

"The soul who considers himself humble is far from

humility, just as the one who thinks he is holy is far from personal holiness. Satan can easily snare such a soul."

"Maintain the attitude in your heart of being self-effacing, but ready to assist when and how you can. This is humility."

■ **July 14, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"My Son's intention in sending Me here with so many devotions and paths of protection is to strengthen the hearts of the Remnant Faithful. During these times when so much heavenly communication has been summarily broken off by the errors in hearts, Jesus had to maintain this pipeline to humanity. He does so not out of lack of respect for authority, but out of loving concern for those who may otherwise be lost! Therefore, please understand that Heaven's priority is not catering to egos but the salvation of souls! This should be the priority of every cardinal, bishop and priest."

"Too much effort is wasted on safeguarding reputation and public image. While you worry about making a mistake in discernment, souls are lost! While you waver in making a positive move towards endorsing Heaven's efforts in a desire to control, once again, souls slip to their perdition. Learn from the horrendous mistakes made in Fatima which cost millions of lives as a consequence of your failure to believe and act in a timely manner. When a sequence of events begins to unfold, you will recall My efforts but it will be too late to influence many."

■ **July 14, 2015.** St. John Vianney, the Curé d' Ars and Patron of all priests says: "Praise be to Jesus."

"You ask how a soul can become more holy. The more God is the center of their life, the more holy the soul will be. It is then God is a part of every decision, every victory, every disappointment and every defeat. Such a soul interacts with grace and is never far from God's Provision."

"This is so important for priests who, too often, feel alone and make poor decisions based on free will and not the Divine Will."

"It is as though the journey in personal holiness were a ladder. The only way up the ladder which reaches to the Divine Will is to reach for the next rung."

In the spiritual realm, you reach the next rung through your efforts in prayer and sacrifice and self-abandonment. These efforts make God the center of your existence."

"Allow God to take dominion over your heart in this way."

■ **July 15, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, please understand the importance of humility and love to personal holiness. These two are the warehouse of all the other virtues. If there is any port of entry into this warehouse, Satan finds it. He is the thief that surrounds the warehouse and tries to breach its security."

"The doorway to this warehouse of humility and love is the Truth. The windows which look out on the world are temptations. The path leading up to the warehouse is the search for the Truth and the key which unlocks the door is conviction of conscience. The roof is the Mantle of My Protection."

"Knowing this, comprehend the significance of the Seal of Discernment and the Blessing of Truth which are given freely at this apparition site. It is through these graces you can discover for yourself the 'cracks' that Satan uses to sneak into your warehouse. It could be guilt over the past, fear of the future, unforgiveness, or any weakness in virtue. But you have a built-in burglar alarm. It is lack of peace. When this alarm sounds, step back and take account of the way the thief is entering."

■ **July 16, 2015 - Feast of Our Lady of Mt. Carmel.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, I come to you with yet another analogy highlighting the importance of Holy Love and Holy Humility on the spiritual journey. These two can be likened to a small lifeboat on a raging sea.* The waves of the compromise of Truth and the abuse of authority rage all around it, tossing it to and fro. Those on board must be certain to wear the life jackets of God's Mercy. Any rupture of the little vessel is life-threatening and opens the way for the boat to sink. In life, any acceptance of compromise in love and humility jeopardizes salvation."

"This is a simplistic parable, but one that portrays vividly the dangers all around every soul these days. If the soul perseveres in humility and love, he will eventually reach the calm waters of Truth and sail safely home. Many souls do not recognize the grave dangers around them and, consequently, sink in the sea of compromise and abuse of authority without waging a fight.** This is why I am with you today to shed light ahead of each of your steps. This Mission of Holy Love is your life jacket."

"I come to help you recognize the dangers of your environment.*** In this effort is my prayer that you will comprehend the difference between good and evil. Not to recognize this difference is to sail into all that endangers love and humility. The Messages given here are your compass around danger."

I continue to pour graces out here for all to partake of, for the need is so great! Without My grace you would witness catastrophe after catastrophe."

"The heart of the world continues to move farther and farther away from God's Divine Will. Moral soundness is under attack, while moral degeneration is lauded. THE MISSION OF HOLY LOVE

Jesus comes holding a chaff of wheat. He says: "I am your Jesus, born Incarnate."

"I will liken today the Mission of Holy Love to a hardy and miraculous chaff of wheat. This chaff is growing amidst many weeds. It is never harvested, yet it is able to be transformed into food for many. This Mission has grown up amidst the weeds of controversy and the abuse of authority - yet it has not been choked out. It has become the spiritual food of many, some of whom may have lost their faith and their souls without it. Though it is miraculous, it is unassuming like the grain

of wheat. It stands ready to help everyone who recognizes the nourishment it offers."

"There are those who would destroy this chaff of wheat and have tried to do so. But the roots of this chaff are deeply implanted in Truth. Those who try to pull up the wheat do not recognize the depth of the roots of Truth. I, Myself, am tending to this little chaff hoeing around it, carefully keeping the weeds away. I invite all to come and to partake of this fruit - this wheat. It is fruit of the earth and fruit of the Spirit. It will never deplete but will flourish despite every effort to pluck it up. It is My Miraculous Provision just as manna in the desert was so. I invite all to partake."

Read Ephesians 3: 14-17

For this reason I bow my knees before the Father, from whom every family in heaven and on earth is named, that according to the riches of His Glory He may grant you to be strengthened with might through His Spirit in the inner man, and that Christ may dwell in your hearts through faith; that you, being rooted and grounded in love.

■ **July 19, 2015.** "I am your Jesus, born Incarnate."

"I come only to bring you the Truth, which is Holy Love. It is those who fear the Truth, who try to control what defines Truth, who object to and challenge My apparitions and Messages here and around the world."

"You can only be united in the Truth. As long as Truth is challenged, you will have disunity. You cannot recognize the Truth until you recognize the difference between good and evil. This difference is defined for you in the Ten Commandments and in the Commandments of Love which are Holy Love. Is it any wonder I send this Mission into the world?"

"This Mission transcends the errors of the day and calls upon the hallmark of the New Jerusalem - Holy Love. In this call is your present moment victory - a victory unlike any you could embrace in the world. To live in Holy Love means to live in peace, a peace based upon unity in Truth."

Read Philippians 2:1-5

So if there is any encouragement in Christ, any incentive of love, any participation in the Spirit, any affection and sympathy, complete my joy by being of the same mind, having the same love, being in full accord and of one mind. Do nothing from selfishness or conceit, but in humility count others better than yourselves. Let each of you look not only to his own interests, but also to the interests of others. Have this mind among yourselves, which was in Christ Jesus.

■ **July 20, 2015.** "I am your Jesus, born Incarnate."

"The sins that pierce My Mournful Heart to the

depths are those committed by those who believe they act in righteousness. They form false consciences because they do not search out the Truth. The Truth is one with Holy Love - My Laws of Love."

"The ones bold enough to bring attention to error are immediately taken to task as deceived, disrespectful - even disobedient. This attitude of sanctimony is especially dangerous in any leadership that holds itself above reproof. This, then, is the abuse of authority."

"Please understand that all people and every nation will be judged on the scale of Holy Love - a standard above all compromise of Truth. Every day - every moment is a test in Holy Love. Any soul who does not search his heart for error is in danger of becoming self-righteous and forming a false conscience."

"Renew your consecration to the Truth every day through soul-searching. Use Holy Love as your guide."

■ **July 20, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please realize that every present moment holds the potential for grace to come closer to Me or the temptations to move farther away from Me. Come closer to Me through Holy Love."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **July 21, 2015.** St. John Vianney, Cure d'Ars and Patron of Priests says: "Praise be to Jesus."

"I tell you, souls who cannot distinguish good from evil or Truth from untruth number in the majority these days. This is so due to the fact that leadership has chosen such compromise and abuses their authority by propagating it. You are now beginning the second generation of this mass compromise of Truth."

"People fall into Satan's trap of trying to please people rather than God. Once this priority is set, it is very difficult to reverse it. The problem becomes more complex when any criticism is judged as disrespectful to authority. No one should hold himself above criticism."

"Good leadership bears the fruit of respect - not control. The sound leader gently leads his flock into the arms of righteousness. A good leader recognizes the Truth and easily chooses good over evil. If the leader does so, his flock will follow. Hearts will change. The more people God gives you to influence, the greater your responsibility. This responsibility begins in families and ends in government and church leaders."

Read 1 Peter 5:2-4

Tend the flock of God that is your charge, not by constraint but willingly, not for shameful gain but

eagerly, not as domineering over those in your charge but being examples to the flock. And when the chief Shepherd is manifested you will obtain the unfading crown of glory.

■ **July 22, 2015.** "I am your Jesus, born Incarnate."

"How I long to take the heart of the world into My Eucharistic Heart wherein every conscience would be brought into the Light of Truth. Even though I gave the world the grace of My Real Presence, most do not believe and do not take advantage of this grace. Is it any wonder then that the grace of this Mission is also overlooked by so many."

"Do not be astounded by the lack of interest in general in all that is offered here. When needs increase, devotion here will increase. Mankind fosters an independent spirit from God when his needs are provided for by the very One Who is shown such ingratitude. So often humanity needs to be reminded of his dependence upon Divine Provision before he turns to prayer. Do not encourage the hour of My Justice by such an attitude. Step into the recesses of My Eucharistic Heart and admire all I offer you.

■ **July 24, 2015.** "I am your Jesus, born Incarnate."

"There are many insincere people in the world today - people who are really disingenuous in fulfilling the role Providence has placed them in. They may hold lofty positions and carry impressive titles, but in reality serve only themselves. Their motives are always political in nature - hoping to advance their own agendas or secure their stature in the world. These are many of the people who comprise the heart of governments, religious institutions and every form of leadership. Such as these do not trust Me or love Me. Their trust and love is centered on themselves. Conceited efforts do not bear good fruit."

"These days, every type of Truth has been challenged and summarily set aside. Is it any wonder My Heart remains mournful? Even the Ten Commandments have been redefined and misinterpreted. Misplaced sympathy is spent on those who are in grave sin. Those who live in the Truth already know these things, but I am reaching out to those who do not live in the Truth and do not recognize their own errors. If you make decisions which do not support the Ten Commandments and Holy Love, you have defied the Truth and misled those who follow you. You have a grave responsibility, not only for your own salvation, but towards the salvation of all whom you influence."

"Redirect your free will into pleasing Me instead of self and man. If all would do this, Satan's kingdom in the world would crumble. I would not have to send My Mother begging for prayers and sacrifices. These would be given freely out of Holy Love. Change the

pattern of your moment-to-moment motivation. You will see the attitudes of the world around you change."

Read Ephesians 2:1-5

And you He made alive, when you were dead through the trespasses and sins in which you once walked, following the course of this world, following the prince of the power of the air, the spirit that is now at work in the sons of disobedience. Among these we all once lived in the passions of our flesh, following the desires of body and mind, and so we were by nature children of wrath, like the rest of mankind. But God, Who is rich in mercy, out of the great love with which He loved us, even when we were dead through our trespasses, made us alive together with Christ (by grace you have been saved).

■ **July 24, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, each one of you has a special mission to fulfill in this life, the mission of living in Holy Love and giving an example of Holy Love to others. When you are judged, it will be according to how you fulfilled this special mission."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **July 25, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Little daughter, as you well know, your body is only as healthy as all of its parts are healthy. When you are cooking, every ingredient must be included to fulfill the recipe. So it is with personal holiness. Every virtue must come together to make the whole - in this case, personal holiness. The more integrity the components have, the more perfect the final product."

"This is why, in the journey through the Chambers of Our United Hearts, a whole Chamber is dedicated to the virtues.* Each virtue needs to come to perfection in order for the whole to be perfected. It is as though personal holiness was a symphony. Every instrument must be played perfectly. Every note must be included. Imperfections stand out to the trained ear. The soul conscientiously making the journey through the Chambers must pray to be given the gift of knowing his weaknesses - knowing when he is off-key. It is only in this self-knowledge the soul can advance and his spiritual health brought to perfection.** It is in this cause for perfection the recipe for personal holiness is completed - the symphony of virtues melodious to God's Ears."

* Reference to the Third Chamber of the United Hearts.

** Perfection of the virtues leads the Soul into the Fourth Chamber of the United Hearts (Conformity with the Divine Will).

Read Matthew 7:24-27

Every one then who hears these Words of Mine and does them will be like a wise man who built his house upon the rock; and the rain fell, and the floods came, and the winds blew and beat upon that house, but it did not fall, because it had been founded on the rock. And every one who hears these Words of Mine and does not do them will be like a foolish man who built his house upon the sand; and the rain fell, and the floods came, and the winds blew and beat against that house, and it fell; and great was the fall of it.

■ **July 26, 2015.** "I am your Jesus, born Incarnate."

"I desire you comprehend just how important Holy Love is to the spiritual life. If the virtues were a beautiful bouquet of flowers, the vase which contained them would be Holy Love. Genuine virtue is only present when Holy Love is present in the heart. Genuine virtue is never practiced to impress others, but always an endeavor between the soul and God."

"The leader, who has a genuine concern for his followers, is not engulfed in saving his reputation, but in leading in Holy Love towards the best interests of those he influences. This takes a great spirit of cooperation between Holy Love and Holy Humility. The practice of every virtue is a step towards perfection. The practice of every virtue is Holy Love."

"Therefore, understand that Holy Love is the force which must influence every conversion, as well as, changing the hearts of leaders."

Read Colossians 3:12-14

Put on then, as God's chosen ones, holy and beloved, compassion, kindness, lowliness, meekness, and patience, forbearing one another and, if one has a complaint against another, forgiving each other; as the Lord has forgiven you, so you also must forgive. And above all these put on love, which binds everything together in perfect harmony.

■ **July 27, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear daughter, you have waited patiently for My arrival, never losing hope of My return to you. In a similar way, I invite all of My children to await My Son's Victorious Return. It is then all Truth will be victorious - all compromise exposed and defeated."

"Many live and even lead as though they will never have to answer to God for their actions. They do not

accept their responsibility towards their own salvation. Others believe they will be saved but have chosen a compromised path which disguises sin. Every circumstance of each present moment is God's Provision designed to lead the soul to his salvation. Too often everyday crosses are not seen as graces and the intricate weaving of the tapestry of life goes unnoticed."

"Learn to appreciate every present moment! It may involve patient waiting for the unfolding of events. It may bear the fruit of the realization of some goal. Yet again, it may bring a cross, which I ask you to accept as a grace in disguise."

"You awaited My arrival with a hopeful heart this morning, My daughter. So, too, I invite all of My children to welcome each present moment with Holy Love in their hearts. It is then you will taste My Son's Victory."

Read 1 Peter 1:13-16

Therefore gird up your minds, be sober, set your hope fully upon the grace that is coming to you at the revelation of Jesus Christ. As obedient children, do not be conformed to the passions of your former ignorance, but as He Who called you is holy, be holy yourselves in all your conduct; since it is written, "You shall be holy, for I am holy."

■ **July 27, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, be united in the Truth. Do not be afraid to stand for the Truth - that abortion and same-sex marriage are sins that offend Me and cause souls to slip to their perdition. I will give you the courage to stand for these Truths."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **July 28, 2015.** "I am your Jesus, born Incarnate."

"These are evil times - times when evil masquerades as Truth and Truth is represented as evil. It is ideologies which oppose one another. This Mission based upon My Two Commandments of Love is opposed by those who call themselves Christians. Their reasons are earthbound and not of the Holy Spirit - the Spirit of Truth. The opposition discredits the Truth with a false ideology based upon lies."

"How difficult it is to find the Truth amidst such compromise! Anyone who opposes My Commandments of Love opposes Me. I am the Truth. When souls lose sight of this, they are easy prey for Satan's confusion. You cannot base the Truth upon title or authority alone. You must depend on My Truth - Holy Love - and not be lured away from it by influential

opinions or the discernment of those who claim to investigate but have only closed hearts. Preconceived opinions and personal negative motives do not lend themselves to the discovery of the Truth which is discernment. Title in the world is not synonymous with the Truth."

"The burden of finding the Truth rests on each individual. Do not rely on others to do this for you. So many have been misled concerning My Mission here out of wicked desires to control, compete, even destroy Heaven's Intervention."

"But we do not succumb to untruth. We carry on with courage, as the source of all of this is the God of Love and the Spirit of Truth."

Read 2 Corinthians 4:1-5, 8-10

Therefore, having this ministry by the mercy of God, we do not lose heart. We have renounced disgraceful, underhanded ways; we refuse to practice cunning or to tamper with God's Word, but by the open statement of the Truth we would commend ourselves to every man's conscience in the sight of God. And even if our gospel is veiled, it is veiled only to those who are perishing. In their case the god of this world has blinded the minds of the unbelievers, to keep them from seeing the Light of the Gospel of the glory of Christ, who is the likeness of God. For what we preach is not ourselves, but Jesus Christ as Lord, with ourselves as your servants for Jesus' sake. ...We are afflicted in every way, but not crushed; perplexed, but not driven to despair; persecuted, but not forsaken; struck down, but not destroyed; always carrying in the body the death of Jesus, so that the life of Jesus may also be manifested in our bodies.

■ **July 28, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"You never receive the same grace twice just as you never are offered the same present moment twice. There are always interior and exterior circumstances which affect and alter the grace of the present moment. This is why it is so important that the soul does not cast concern on the future. When the future becomes the present, so, too, will the grace be there that is needed."

"God's Provision is complete in every present moment. The grace is given to succeed in that which God desires you succeed in and to support you in trials and difficulties. Whereas people fail you, God's grace is a constant! Respect what I am telling you and be at peace."

■ **July 29, 2015.** "I am your Jesus, born Incarnate, King of Heaven and earth."

"It is I Who am seated at the right hand of the Father, from thence I shall judge the living and the

dead. I tell you solemnly, those who claim to live in Holy Love, yet oppose this Mission, have pronounced a statement of untruth against themselves. You are not discerning. You are rash judging out of self-interest. Discernment is the discovery of the Truth, but you have chosen untruth in support of your own interests, be it reputation, power, wealth or control. You cannot disguise the Truth before Me. I will not be fooled. I know your motives better than you yourselves do."

"Do not try to manufacture reasons for your mistakes. Instead, in humility, admit your error and be united to Me in genuine Holy Love."

Read Matthew 5:20

For I tell you, unless your righteousness exceeds that of the scribes and Pharisees, you will never enter the Kingdom of Heaven.

■ **July 30, 2015.** "I am your Jesus, born Incarnate."

"I come to accentuate the obvious. The Truth is now so compromised worldwide that infanticide has become a major industry. Recently, it has come to light that body parts are being sold for profit; but, My brothers and sisters, this has been ongoing. If a blind eye can be turned towards such human atrocity, is it any wonder that the world is in danger of even greater moral bankruptcy?"

"A few decades ago, this would not even have been a discussion. But today, the shocking has become common place. I await the role of spiritual leadership to be filled and a strong spiritual voice to speak up against this obvious evil. These days, people follow politicians and the economy with fervor, but ignore the Ten Commandments."

"You are in the world only a short time - like a leaf passing in the breeze. The moment to choose wisely in support of your own salvation is every present moment. You do not know what the next moment may bring or even if the Father will offer you another present moment. Do not be carried off in the wind of compromise. Stand firmly for the obvious Truth no matter its popularity. In this effort, do not back away from controversy but represent the Truth."

"Pray that hearts realize how and why they are offending Me."

■ **July 31, 2015.** "I am your Jesus, born Incarnate."

"I have come to tell you that I hold the Remnant Church in My Mournful Heart, herein to strengthen and unite Her. This Remnant is My Consolation in a world besieged with the compromise of Truth and the abuse of authority. You cannot comprehend the insidious battles Satan is waging in hearts around the world. Because Truth is so compromised, Satan's presence and influence is not noticed or recognized. But this does not make him less of a threat. On the contrary,

failure to recognize evil strengthens Satan's dominion."*

"The Remnant are My Consolation, for in the hearts of these faithful souls lies the Truth. These dear souls are not swayed by popular opinion, fear of loss of reputation or any threat that the abuse of authority may levy against them. The Remnant holds steadfast to the Truth - unchanging in their commitment. I count on them to carry the Truths of the faith forward and they count on Me for protection." **

And we also thank God constantly for this, that when you received the Word of God which you heard from us, you accepted it not as the word of men but as what it really is, the Word of God, which is at work in you believers.

Read 2 Thessalonians 3:1-5

Finally, brethren, pray for us, that the Word of the Lord may speed on and triumph, as it did among you, and that we may be delivered from wicked and evil men; for not all have faith. But the Lord is faithful; He will strengthen you and guard you from evil. And we have confidence in the Lord about you, that you are doing and will do the things which we command. May the Lord direct your hearts to the love of God and to the steadfastness of Christ.

"I will tell you how to pray always and everywhere. Carry within your heart a profound love of God and neighbor - Holy Love. This attitude gives merit to all your thoughts, words and actions. It leads the way to union with the Divine Will. If you recite prayers as just words, you are not praying. But if the words arise from a heart of Holy Love, you pray from the heart."

"God does not look at how many prayers you recite each day, but at how much Holy Love is in your heart from moment to moment. This Holy Love is the catalyst which transforms words and actions into prayers and prayers into weapons against evil."

"To live in Holy Love is to be continually in prayer."

DIRECTIONS TO THE SHRINE

Maranatha Spring and Shrine is located at 37137 Butternut Ridge Road in Eaton Township, in southeast Lorain County, 35 minutes west of downtown Cleveland, Ohio. It is 1.3 miles west of the intersection of Route 83 and Lorain Road (which becomes Butternut Ridge Road when traveling west). The Shrine is easily accessible from the Ohio Turnpike (I-80), by taking Exit 152 from either the east or west. OR take Route 480 west to Exit 2. All these exits take you to Lorain Road in North Ridgeville. Travel west on Lorain Road (which becomes Butternut Ridge Road) about 4 miles to the Shrine, which will be on the left.

MESSAGES

Monthly Newsletter: This newsletter publishes all public messages given to visionary, mystic, Maureen Sweeney-Kyle. To receive it free, send twelve (12) white, business-size (4 1/2" x 10 3/8"), **self-addressed, stamped envelopes** to the Butternut Ridge address listed below. *The forever stamps are the best to use for this, as postal rates keep changing.* We will notify you when your last envelope is used, so that you can send additional envelopes. For countries outside of the United States, please

consult your post office for current rates. Copies of the newsletter are available at the Aquinas Welcome Center only while supplies last.

Note: Please use block letters (ALL CAPITALS) when addressing the envelopes, as they are the easiest for us to read in order to add you to our database for other mailings.

Message Line: To hear some of Heaven's messages, call (440) 327-5822. They are updated as soon as available following the Wednesday service.

E-Mail: If you would like to receive the Holy Love messages through e-mail, sign up on our website or send your request to:

MAMSHL@HOLYLOVE.ORG

Website: Messages are posted to the website as soon as they are reviewed and approved.

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

August 2015

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

THE FEAST OF THE MOST HOLY ROSARY – OCTOBER 7, 2015

Next Promised Apparition of Our Lady on October 7th during the 3 PM Service

Tuesday Services, October 6th – Vigil of the Feast of the Most Holy Rosary

7:00 PM: Prayer Service at the United Hearts Chapel.

11:30 PM: Meet at the United Hearts Field for a Midnight Prayer Service and to receive a Blessing from Heaven. *(No apparition at this service.)*

Wednesday Service, October 7th – Feast of the Most Holy Rosary

2:30 PM: Meet at the United Hearts Field for a Procession, 3 PM Prayer Service, and Promised Apparition.

"My brothers and sisters, it is My Joy to send My Mother back to you in the Field of Our United Hearts on October 7th, the Feast of the Most Holy Rosary. In this way, I draw attention to the precious gift of the Rosary and its power against evil." (Jesus – August 17, 2015)

■ August 1, 2015. "I am your Jesus, born Incarnate."

"Just as My Mother's Heart is the Gateway to the New Jerusalem, Holy Love is the backbone of the Remnant Faithful. My Mother's Heart leads to all the subsequent Chambers of Our United Hearts. No one can advance through these Chambers without first subscribing to Her Heart which is Holy Love. Once in Holy Love the soul is led deep into the Chambers of My Heart - the New Jerusalem."

"It follows that My Mother's Heart - Holy Love - supports the Remnant Church. Without Holy Love in the heart the soul cannot recognize and appreciate the Truth. Holy Love is the winnowing fan which separates Truth from untruth and protects the soul from error. It is through Holy Love the Remnant will increase, unite and be strengthened."

"My Mother and I want to lead the Remnant past the compromise of Truth and into the New Jerusalem. Step into the Gateway - My Mother's Immaculate Heart."

■ August 2, 2015. "I am your Jesus, born Incarnate."

"I have come to address My disciples of Holy Love. You are the believers who are My Hands, My Feet, My Voice in the world. You have made the journey through the Chambers of Our United Hearts the most important part of your life; more important than any pastime, vacation or any worldly concern."

"I am entrusting to you the unbelievers, those who search for reasons not to believe and propagate lies about this Mission of Holy Love. Each soul is responsible for the choices he makes. To be introduced to this spirituality and to choose not to accept it as Truth causes a breach in your

relationship with My Father and Me."

"I understand that it is easier not to believe than to believe. If you accept the Truth, you are placed in the position of defending the Truth. This is always more difficult than to accept every negative reason to disbelieve. It is easier to be the attacker rather than the one attacked."

"The Spirit of Truth is busy in the world today trying to combat compromise. He will give you the words of Truth you need to change hearts. Listen to Him."

Read Matthew 10:19

When they deliver you up, do not be anxious how you are to speak or what you are to say; for what you are to say will be given to you in that hour

■ **August 2, 2015 - Feast Day of God the Father.** I (Maureen) see a Great Flame that I recognize as the Flame that God the Father speaks from. He says: "I Am the Eternal Now. I Am the Creator of Heaven and of earth. If only My children whom I knit in the womb would grow to know Me and to love Me. If only they would fashion their lives after My Commandments. As it is, they take everything for granted, right down to life itself. They see themselves as the creator of all good and blame Me for every cross they are given to bear."

"The ingratitude I receive far outweighs the gratitude. I did not create Heaven and earth in likeness of one another. I created Heaven as the permanent dwelling of those who earn it. In Heaven is eternal joy and understanding of all things. Earth is the testing ground, the battleground between good and evil. Earth is the place where souls either prove to Me their love or lose their salvation. I do not create souls to live on earth, but to pass through the earthly world to spend Heaven with Me."

"So I transcend the concepts of time and space today on My Feast Day to garner support and love from those I created. Surrender to Me and I will care for you as the Loving Father that I am. Honor Me as your Creator."

■ **August 2, 2015 / Sunday Service - Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace.** St. Joseph is here and he is holding the Baby Jesus. St. Joseph says: "Praise be to Jesus."

"My brothers and sisters, please realize that the role of the father in the household is definitive. It is a mistake for the father to try to be a pal to his children. The father's role is to lead spiritually and emotionally with authority and respect."

"Tonight, I'm imparting to you my Fatherly Blessing."

■ **August 3, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, I continue to come here in your midst as My Son allows, to protect your faith, to heal and to guide. I offer you My Immaculate Heart as a Refuge during these times of great trial. You do not see nor do you comprehend so many of the dangers all around you,

for they lie disguised by Satan's deceit. Therefore, Jesus reminds you through these Messages of the Commandments of Love which separate good from evil."

"Time is moving forward at a mysteriously great pace! Dear children, you must hasten to your conversion. Do not make the mistake of waiting for others to follow or join you. The present moment will not return or repeat itself. My Son is patient but the cause of His Justice is mounting. I plead with Him to allow the Remnant more time to increase, strengthen and to unite."

"My efforts on your behalf, dear little children, will never be exhausted! The hour of My Son's Return is known only to the Father, yet all around you are the signs of the need of His Imminent Justice."

"Laws and governments have become hedonistic. Spiritual leadership is confused by the compromise of Truth. People accept what suits their own self-interest as the Truth, as they seek to please themselves and not God."

"So through all of this, you must stand for the Truth always based upon Holy Love. God's Laws do not change and are not mitigated to suit the times. Respond to God's Graces offered through this Mission without delay!"

■ **August 3, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Mournful Heart exposed. He says: "I am your Jesus, born Incarnate"

"My brothers and sisters, people come here for many reasons: to see the miraculous, to receive healings - physical or conversions of heart. But I tell you the greatest gift given here is these Messages which shed light on the path of Truth to your salvation. Listen to them."

"Tonight, I'm extending to you My Blessing of Divine Love."

■ **August 4, 2015.** St. John Vianney comes and bows towards me. He says, "Praise be to Jesus."

"Today, I come to speak, yet again, to all priests. Jesus regards the Holy Father, Bishops and Cardinals as priests first. He looks at their hearts and judges the fulfillment of their vocations as to first and foremost the holiness of their priesthood. So many fail Him - so many! Sadly, those in power do not want these disappointments ever mentioned or brought to light; yet, they are real!"

"The priest must first and foremost be in love with the Truth of the Faith. He must be committed to making the sacraments available to his flock. He must realize that he is responsible for leading his flock to salvation. He must support Church dogma and doctrine. He must not call dogma and doctrine by any other name hoping to minimize their importance. The priest is the link between Heaven and earth for his flock. He must rid himself of self-interest and live for others."

"He is not a social director or a financial director. These things must be left for others."

"What I see missing in priestly vocations today is a genuine interest in the spiritual well-being of each one in their flock. Vocations within parishes would flourish if this

would change! As it is, many vocations are lost due to the poor example given by priests."

"I can come here and speak, but if the ones I am addressing do not listen and believe, the grace of my words is lost forever."

He bows again and leaves.

Read 1 Peter 5:2-4

Tend the flock of God that is your charge, not by constraint but willingly, not for shameful gain but eagerly, not as domineering over those in your charge but being examples to the flock. And when the chief Shepherd is manifested you will obtain the unfading crown of glory.

■ **August 5, 2015 - Feast of the Dedication of the Basilica of St. Mary Major - Blessed Mother's True Birthday.** Our Lady comes as Our Lady of Grace. She says: "Praise be to Jesus."

"The good Curé (Curé de Ars) spoke to you yesterday concerning the qualities of a good priest. Some things he did not tell you are much more sobering."

"Every day there are priests, bishops and/or cardinals that slip to their perdition. Most lose their souls for what they did not do! They did not provide sound spiritual leadership to their flock. Oh yes, there are few - not many - popes in the netherworld as well, and for much the same reason. This Message will be frowned upon by Church leaders. But why? They, of all people, need to be perfected in personal holiness in order to lead others in this regard. I would not be a loving Mother if I allowed religious leaders to think that their vocation saved their soul. It is their response to their vocation which saves or condemns them. No one should believe himself to be above condemnation!"

She pauses and I (Maureen) wish Her a Happy Birthday. Her appearance then changes to gold and white. She nods and says: "Thank you."

"Today I wish to celebrate all life from conception to natural death. It is mankind's lack of appreciation of life that is destroying the innocent beauty of the world as you know it. All the technology that God has enlightened man with has not deepened mankind's relationship with his Creator. Rather, it is touted as a human effort apart from God. Incredibly, this same technology has led to new kinds of sin."

"As your Mother, I use the occasion of My Birthday to warn and admonish a failing society and a disordered leadership to repent and to return to the Will of God. Choose to please God and not yourselves. If all would do this as at Nineveh, God's Justice could still be mitigated. As it is, God's Justice cries out for fulfillment."

Read Jonah 3:1-10

Then the word of the Lord came to Jonah the second time, saying, "Arise, go to Nineveh, that great city, and proclaim to it the message that I tell you." So Jonah arose and went to Nineveh, according to the word of the Lord. Now Nineveh was an exceedingly great city,

three days' journey in breadth. Jonah began to go into the city, going a day's journey. And he cried, "Yet forty days, and Nineveh shall be overthrown!" And the people of Nineveh believed God; they proclaimed a fast, and put on sackcloth, from the greatest of them to the least of them. Then tidings reached the king of Nineveh, and he arose from his throne, removed his robe, and covered himself with sackcloth, and sat in ashes. And he made proclamation and published through Nineveh, "By the decree of the king and his nobles: Let neither man nor beast, herd nor flock, taste anything; let them not feed, or drink water, but let man and beast be covered with sackcloth, and let them cry mightily to God; yea, let every one turn from his evil way and from the violence which is in his hands. Who knows, God may yet repent and turn from his fierce anger, so that we perish not?" When God saw what they did, how they turned from their evil way, God repented of the evil which He had said He would do to them; and He did not do it.

■ **August 5, 2015 - Our Lady's Birthday / Wednesday Service - The Propagation of the Holy Love Messages and the Confraternity of the United Hearts and for world peace.** Blessed Mother is here dressed all in white and gold and there are five angels with Her. She says: "Praise be to Jesus".

"Dear children, tonight I invite you to pray that the heart of the world repents of opposing God's Holy and Divine Will and returns to the pursuit of personal holiness for each soul."

"Tonight, I'm imparting to you My Blessing of Holy Love."

■ **August 6, 2015 - Feast of the Transfiguration.** Our Lady comes as Our Lady of Lourdes - changes to Our Lady of Fatima and then Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I have come to exemplify to you, My children, the many times Heaven has interceded with grace to support you in your many needs. Today, you celebrate the Feast of the Transfiguration. My Son showed the Apostles with Him a great miracle to strengthen them in the difficulties that lie ahead. So it is with this apparition site. Many graces and miracles take place here as a sign of Heaven's support in any difficulty or trial that may be coming."

"You must never feel that you are alone or bear any burden alone. Grace remains your strength and ally. If some of those in leadership roles today had been present at the Transfiguration, they still would have doubted and remained skeptical. This is an age when Truth is always challenged and put on the defensive. Those who cannot distinguish good from evil are in the majority. Any claim of heavenly intervention is not welcomed, as it should be, but rather is attacked."

"I do not come to make you believe, but to offer My support and assistance through the grace of My Heart. It is always a free-will choice to accept or reject what Heaven offers."

■ **August 7, 2015.** "I am your Jesus, born Incarnate."

"These days people see the difference between good and evil as just varying opinions, when in reality these 'opinions' determine the difference between salvation and condemnation. Liberal opinions support and rally behind everything and anything that pleases self. The conservatives consider God's Laws and the spiritual well-being of others in their stand on issues."

"The liberal point of view has led to moral degeneration around the world. Taking life in the womb is legal. Same-sex marriage is legal. Certain drugs are becoming legal. These are all moral issues and should never have been subjected to legal determination. These days in this nation, there is a marked difference between political parties - one liberal - one conservative. Do not be tricked by rhetoric. A liberal supports moral degeneration and comprehensive degradation of the human life from conception to natural death. A conservative sees the moral implications of the beliefs he supports. He comprehends the consequences of undermining God's Commandments. He is never just a politician with an eye towards his own gain but looks to the welfare of his constituents. If a soul does not distinguish between good and evil, he cannot make informed choices in his personal opinions or in the political arena. It is in his political choices the soul chooses either further moral degeneration or a revival of God's Truth.

Read 1 Timothy 2:1-4

First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all men, for kings and all who are in high positions, that we may lead a quiet and peaceable life, godly and respectful in every way. This is good, and it is acceptable in the sight of God our Savior, who desires all men to be saved and to come to the knowledge of the Truth.

■ **August 7, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, you await another important apparition coming up in about a week. I invite you to let the miracle of this apparition take place in your hearts before time. Then, when My Mother comes, you will appreciate Her Presence more fully."

"Tonight, I'm imparting to you My Blessing of Divine Love."

■ **August 8, 2015.** "I am your Jesus, born Incarnate."

"The journey towards salvation is a continual search for the Truth. Many are lost along the way as they settle for a compromised Truth - a Truth that suits their own agenda."

"The reality of Truth as it resounds in the human heart bears the fruit of peace - of unity - of joy. That which opposes your peace is not of Me and in some way is nurtured in untruth."

"The soul must always keep before him the purpose of Holy Love. With Holy Love as a motive for his thoughts, words and deeds, he will never lose sight of the Truth."

"Truth is the nutrient of your salvation just as fertilizer is to a plant. Plants without nutrients wither and die. Souls without Truth do not reach salvation."

"The source of all good embraces Truth. The Eternal Now* is all Truth."

* Refer to Message of February 6, 2007.

■ **August 10, 2015.** "I am your Jesus, born Incarnate."

"At this apparition site I have opened My Heart to all of humanity as never before. I have revealed through this messenger that My Heart is Mournful due to the compromise of Truth and the abuse of authority. These are the two things which if corrected would reverse the course of destruction the world is headed upon. Without this abuse and compromise you would not have abortion and same-sex marriage. As it is, politics has entered into moral decisions and pleasing man has become more important than pleasing Me."

"The Chambers of My Heart are the path to immersion in My Father's Will. How foolish not to pursue this path."

■ **August 10, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate".

"My brothers and sisters, during any storm of life - faith, hope and love are your safe and secure resting-place, for in these three you find trust."

"Tonight, I'm blessing you with My Blessing of Divine Love."

August 11, 2015. "I am your Jesus, born Incarnate."

"I come, as always, to unite you in the Truth - the Truth of Holy Love. If you do not recognize this as True, you are uniting in untruth and strengthening evil in the world. Once again, I remind you not to choose is to choose. If you cannot decide for Holy Love, then you have chosen against it."

"I need your whole heart, your whole effort in pursuing Holy Love. In this way, I can strengthen the heart of the world."

■ **August 12, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I invite you to see that time is passing just as quickly as clouds pass before the sun. The world is only a stopping-off place before eternity. The time God gives each soul is the test of Holy Love in the heart which is how each one is to be judged."

■ **August 13, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, I have come to tell you that each soul fulfills his vocation in life successfully only in so far as he practices his vocation to please God and keep His

Commandments. It matters not if he is single, married or in the religious life. The flavor of his vocation must be focused on God."

"This is what pleases My Son the most - when a soul lives each present moment in a manner which reflects a deep relationship with his God. There is no guile of pretension that can supersede this. Jesus cannot be fooled or manipulated. He sees the motives of every thought, word and deed."

"When a soul seeks to please God first, all assets of his chosen vocation fall into place. It is so even in the choice of a secular career and in its fulfillment."

"The world is at odds now, for the heart of the world does not allow God His Dominion over thoughts, words and actions. Therefore, My Son's Heart remains Mournful."

■ **August 14, 2015 - Feast of St. Maximilian Kolbe.** "I am your Jesus, born Incarnate."

"I come once again to call souls back to Me who are slipping away. Too often souls fall away from the Truth as they lose interest in pleasing Me and choose to please themselves. This is why it is so important to surrender to the Divine Will. Lovingly accept whatever the present moment offers, be it physical, spiritual or emotional discomfort, as a victory of grace. When you accept whatever I send you, you are helping Me to change the heart of the world."

"I can no longer look upon the corruption in the world of politics without further distress to My Mournful Heart. So many are led astray through misplaced loyalty - loyalty to anything but the Truth. Learn to love the Truth and to always seek it out. Politics has no place in Church circles. It is always fueled by ambition. Be ambitious for souls - not money or status."

"Join Me in combating the corruption that chips away at the Truth through your prayers and sacrifices."

Read 2 Timothy 1: 13-14

Follow the pattern of the sound words which you have heard from me, in the faith and love which are in Christ Jesus; guard the Truth that has been entrusted to you by the Holy Spirit who dwells within us.

■ **August 14, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Mournful Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, My Mother remains at the foot of the Cross still today as She sees Truth crucified around the world. You must console Her with your prayers and your sacrifices."

"Tonight, I'm imparting to you My Blessing of Divine Love."

■ **August 15, 2015 - Solemnity of the Assumption of the Blessed Virgin Mary - 3:00 P.M. Service.** (This

Message was given in multiple parts over several days.) Our Lady comes in white and gold. She says: "Praise be to Jesus." She has tears glistening in Her Eyes.

"I am happy My children have gathered here to pray at My request."

"I am responding with My grace at this site as a fruit of the many prayers and sacrifices My children have offered here for the heart of the world. Please understand that Jesus does not call you here for My benefit but for the welfare of all humanity and, in particular, for each one who comes! It is not My intention to impress those who oppose us with great numbers of people who flock here. Yet, I do pray for all to respond with love and expectant faith to My invitation to come in pilgrimage and to witness My presence here."

"I will withhold nothing if you ask with Holy Love in your hearts. Remember, expectant faith does not seek proof, but believes in what it cannot control or make happen through human efforts. Expectant faith is the good fruit of trust."

"God answers each prayer in His Way - in His Time."

"Dear children, I have come, once again, to remind you of the precipice that the heart of the world is teetering upon. There are clearly two paths open to the future. One is the continued disregard for God's Will and the moral degeneration it leads to. The other is the desire to please God, keep His Commandments and pursue God's Will in every way. You must not wound the Mournful Heart of My Son anymore through the abuse of authority and the compromise of Truth. His Justice is already greatly antagonized and provoked."

"If you continue to destroy life in the womb through the compromise of Truth, you will ultimately destroy yourselves and the world as you know it! The technology God has given you - DNA - proves you are destroying human life. Even those devoted to the intellect must concede to this Truth. The hope of this nation and of the world is not in man-made peace agreements, which are constructed upon untruth and guile, but in the reversal of abortion represented as a legal alternative to life."

"Dear children, today I would like to describe to you a world without the horror of legalized abortion. In such a world, all life from conception to natural death would be respected. God's Will would, once again, take precedence over the free will of man. Great leaders - political and religious - would be born into the world instead of being sacrificed on the altar of abortion. There would be more respect for human existence; therefore, violent crimes would be drastically reduced. The difference between good and evil would be more clearly perceived as mankind would place God, once again, in dominion over the heart of the world. The Truth would come to light where it has laid hidden."

"But these things cannot happen while the unborn continue to be sacrificed as in the days when I appeared at Guadalupe. Then, the world was uncivilized and barbaric. Today, it is no different except that you have had the privilege of knowledge between good and evil. Back in the days of Juan Diego, My apparitions were accepted

as true by the Bishop and many came to believe."

"Here this is not so. Everything has been done - openly and behind the scenes - to discount Heaven's intervention at this site. A great miracle was performed at Guadalupe in the form of My Image. Here, it cannot be so because of so little faith. Even Jesus did not perform great miracles in His native town due to the lack of faith (Matthew 13:58). The miracles that abound here on an individual basis are not investigated and are summarily dismissed."

"The execution of God's Grace is perfect towards each one's salvation. No one who comes to the property or reads the Messages remains the same."

"I have given you here at this apparition site all you need to believe and to convert. I call you into the Light of Truth. Do not persist in your quest for others to agree that this is from Heaven and authentic. Some, during their lifetime, may never recognize the Truth. In this persistence of disbelief, they have discouraged countless graces."

"The great miracle that some seek as proof of the reality of Truth here is the spirituality given forth in these Messages and in the fact that this Mission exists despite all the calumnies, detractions and power plays against it. Each soul who journeys here will find what he needs - a refuge from the foe - if he enters My Immaculate Heart. Individual miracles of conversions and healings will continue to abound. These will matter little on the grand scale in a world that does not even acknowledge the miracle of life in the womb, however."

"I began this Message by describing to you the bounty of graces that come with expectant faith. I end by warning the world populace that you cannot continue in your lack of faith in Holy Love and expect God's Blessings upon your future. I am calling each of you back into God's Will where you will find peace and security. Your faith in Holy Love is your vehicle of salvation. These days it is challenged on all sides. Seek the protection of My Immaculate Heart by invoking Me under the title of 'Mary, Protectress of the Faith'. That is the key to My Immaculate Heart. I will promptly defend your faith against the foe."

"Today, My concerns reach far beyond this Ministry which has been so misunderstood, misrepresented and maligned. My concern is for every one of My children adrift on a sea of abuse of authority and compromised Truth."

"My Immaculate Heart must be the anchor that holds you to the Tradition of Faith. Sequential events will occur in the world which will try to pull you away from the Truth; but I have come to protect your faith and shelter you in the Refuge of Holy Love, which is My Heart. Have recourse to me."

"Dear children, today I invite you to be united with Me, your Holy Mother. Every day pray with Me, that the heart of the world recognizes the truth of the difference between good and evil. It is only in this way evil will be defeated in hearts and in the heart of the world."

"I'm taking every petition into My Heart today and carrying it to Heaven and I'm blessing you with My

Blessing of Holy Love."

■ **August 16, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Part of the Mission here is to challenge the establishment in their self-righteousness. That is the reason we are here in this area, *where Tradition has been set aside in favor of more liberal opinions and practices in many instances."

"From the beginning, I came to support and to protect the faith, even though this was not acceptable by those most in need of My efforts. ** Now, I am here to offer you the Refuge of My Heart which is Holy Love. I do not refer lightly to mankind's need to seek this Holy Refuge. Rather, I urgently call you to leave the confusion of the world where evil is represented as good and vice versa. You will more easily find the Truth if you seek the confines of My Immaculate Heart." ***

"If you do not see the need of My protection, then you are already in great danger! Satan's victory in hearts is facilitated when souls do not recognize his presence and his tactics."

"Once again, I am calling all people and all nations to be united in Holy Love as a solution to the woes of the world. **** If you would only surrender to My call to you by accepting it, the doorway of grace would open onto the world."

* *Within the Diocese of Cleveland, Ohio.*

** *1987 - Sought approval of title, 'Mary, Protectress of the Faith', as requested by Blessed Mother; March 1988 - Request dismissed.*

*** *An invitation to seek the Truth through coming to Maranatha Spring and Shrine where the Refuge of Our Lady's Immaculate Heart resides.*

**** *An invitation to join: the Children of the United Hearts movement; to become a Missionary Servant of Holy Love; and to become a member of the Confraternity of the United Hearts.*

■ **August 17, 2015.** "I am your Jesus, born Incarnate."

"Today, I offer to the world the confines of My Heart. * If only people would pursue This Heart, they would be given the greatest good of union with My Father's Will. As it is, the heart of man is filled with false and empty goals - goals encouraged by the world. These aspirations, too often, do not lead to eternal life; for souls do not see the world as a testing ground towards their own salvation, but as an end in itself."

"Your security is not in what you own, your physical appearance, your reputation, or your influence over others. Your security is in your faith, which My Mother will protect if you ask. ** It is what you hold in your heart which determines the interplay of grace and events in your daily life. Your faith calls upon the grace you need to succeed in My Father's Will for you."

"Each one should search his heart to discover the goals he hopes to achieve. Hopefully, these goals are

love of God above all else and love of neighbor as self - Holy Love."

■ **August 17, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate".

"My brothers and sisters, it is My Joy to send My Mother back to you in the Field of Our United Hearts on October 7th, the Feast of the Most Holy Rosary. In this way, I draw attention to the precious gift of the rosary and its power against evil."

"My brothers and sisters, the best way to evangelize these Messages is to be the Messages themselves."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **August 18, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I bring you My peace. The purpose of Heaven's intervention here is to bring peace to all hearts and to the heart of the world. While the world is consumed with those who are only interested in their physical well-being, I come to secure your spiritual well-being which is God's Will for you and your peace."

"These days, too many cannot distinguish good from evil - Truth from untruth. So many heavenly interventions have been summarily dismissed as disingenuous. Please share My concern for those who hold great influence over others due to their popularity, position or authority. Their salvation could easily be one more prayer for their conviction in the Truth. At the same time, step away from any self-righteousness or sanctimony because you have been given the grace of the Truth and have accepted it. Focus on the spiritual well-being of others, then God will secure your spiritual well-being."

Read Romans 2:6-8,13

For He will render to every man according to his works: to those who by patience in well-doing seek for glory and honor and immortality, He will give eternal life; but for those who are factious and do not obey the Truth, but obey wickedness, there will be wrath and fury. . . . For it is not the hearers of the Law who are righteous before God, but the doers of the Law who will be justified.

■ **August 19, 2015.** I see the Image of the United Hearts. I hear a voice which I recognize as God, the Father. He says, "The season of the United Hearts is now. It is the United Hearts that will triumph and reign at My Son's Return. At that time, all will know and cherish the Truth of these Messages and these apparitions."

"I have chosen this site as a particular place and sign*

of unity between all nations. More will journey here from far distant places. More will take up residence close to this site. Here I am separating the wheat from the chaff. What is evil will be made apparent. What is Truth will come to light. Consciences will stand convicted through the Messages and the Presence of Heaven on the property."**

"I am calling you to understand that Truth and evil are in opposition. You will know good from evil by entering the United Hearts."*** You enter the United Hearts through the Immaculate Heart of My Most pure daughter, Mary. I have made Her Heart your Refuge."

■ **August 20, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, this is the hour of confusion which places itself upon the heart of the world; confusion as souls make decisions based upon self-interest and not the Truth. Confusion is ever-present as mankind believes more in himself than in God and His Laws."

"I come to help mankind back to the path of Light and Truth. All compromise of Truth - which is untruth - can be conquered through the holy rosary. You do not realize the power you hold in your hands when you pray the rosary. This sacramental has saved many souls and has brought many a heart to conviction in the Truth."

"When you pray, it is the love in your heart that grants power and favor to your prayers. It is this loving prayer which can change the future of the world. No attempt at prayer is left unacknowledged by Heaven. At the same time, never pride yourself as to graces you receive through loving prayer. This spiritual pride lessens God's grace in your life. No one deserves God's grace. It is given freely from the Most Pure and Loving Heart of God. Be thankful for grace - never boastful."

"Pray with confidence that God is listening. Loving prayer rises to Heaven as a sweet fragrance. Your rosaries, dear children, are the jewels which adorn My Crown. The brilliance of these jewels reflects the Light of Truth."

Read 1 John 3:18-24

Little children, let us not love in word or speech but in deed and in Truth. By this we shall know that we are of the Truth, and reassure our hearts before Him whenever our hearts condemn us; for God is greater than our hearts, and He knows everything. Beloved, if our hearts do not condemn us, we have confidence

before God; and we receive from Him whatever we ask, because we keep His Commandments and do what pleases Him. And this is His Commandment, that we should believe in the Name of His Son Jesus Christ and love one another, just as He has commanded us. All who keep His Commandments abide in Him, and He in them. And by this we know that He abides in us, by the Spirit which He has given us.

■ **August 21, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"My daughter, today, I invite you to realize the power of persevering prayer. Certainly, the very existence of this Ministry in this Diocese lends testimony to that.* As we were exiled from place to place just to pray the rosary, we persevered until we found this sanctuary and established a safe harbor where all people and all nations are invited to come and pray.** Heaven never abandoned your efforts. Whereas before you never knew where or how the next form of harassment may come, now you are safe and all are free to make pilgrimage here and to pray."

"In a similar way, I invite all to persevere in prayer for the heart of the world. It has chosen exile from the Will of God and from His Commandments. I offer the safe harbor of My Immaculate Heart, but this invitation, for the most part, goes unnoticed. I am counting on the prayer effort of the Remnant Faithful. I encourage these souls to persevere with fortitude. Do not allow Satan to discourage you or to distract you."

"It is the fruit of a consolidated, miraculous effort that gave the world Maranatha Spring and Shrine without the cooperation of any of influence. My humble presence is always here and assisting you in any opposition - guiding and protecting all who come so that you feel secure in your prayer effort."

"When you step onto the property it is as though time stands still and you are enfolded in God's grace. This is a presence no one can arbitrate or dispute. No one can rule against Heaven's grace."

** *Reference to the Sanctuary of Maranatha Spring and Shrine established in 1995 as the center of the ecumenical Ministry of Holy and Divine Love open to all people and all nations.*

Read Acts 5:38-39

"So in the present case, I tell you, keep away from these men and let them alone; because if this plan or this undertaking is of human origin, it will fail; but if it is of God, you will not be able to overthrow them - in that case you may even be found fighting against God!"

■ **August 21, 2015 / Friday Service - For all those**

falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace. Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight, I come once again, in an attempt to heal the torn heart of the world; torn apart by controversy, opposing opinions and the compromise of Truth. The needle and thread I use to mend the heart of the world is Holy Love. Put it to use."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **August 22, 2015 - Feast of the Queenship of Mary.** Our Lady comes as Our Lady of Grace. She says: "Praise be to Jesus."

"I am Queen over Heaven and earth not for My own benefit, but to give glory to God. I reign as My Son permits, notwithstanding the free-will decisions of mankind. Therefore, My Reign is over good and evil. As Queen of the Holy Angels I continuously send angels to thwart and conquer the evil that is in hearts."

"My Dominion is never lessened by the free-will choices which lead mankind to evil. Rather, My strength is made manifest by man's weaknesses."

"I will never turn away from the sincere effort of any soul who seeks My intercession. I will shed the Light of Truth upon darkness and reveal the motives which lie hidden in hearts, if you beseech Me."

"As any mother would be, I am continuously solicitous of your every need. As Queen, I take up My Reign with love in any heart that opens to Me."

"All of Heaven - all of earth - will recognize Me as Queen when My Son returns - all for the glory of God."

"My Son, in His Great Generosity, has given Me reign over believers and unbelievers alike. I reign over the hearts of those who oppose Me and who oppose the Truth. I reign over all the holy souls in Purgatory, continually presenting their plight to My Divine Son. The greatest sinner is still My child and I will, with love, intercede for him - hoping in the last seconds of life he will turn to the Truth which is Divine Mercy Itself."

"So you see, no one escapes My Motherly Care. I am always mankind's protection, leading to My Son. I do not voice any opinions apart from My Son, but always reflect His Divine Love."

■ **August 23, 2015.** "I am your Jesus, born Incarnate."

"Basic to every conversion of heart is the conviction in the Truth. This conviction must be the realization of the difference between good and evil. The sole reason this Mission of Holy Love is so opposed and misunderstood is mankind's inability to distinguish good from evil. This confusion is fueled by Satan's compromise of Truth painting gray areas over black and white."

"Take, for instance, the matter of prayer. There is never a good reason to oppose prayer anywhere - not by any authority or person of influence. To do so, strengthens evil. Moral issues, when compromised in the

name of freedom or to pander to any group, again cloud the lines which must be clearly drawn between good and evil."

"Many people accept these and other compromises of Truth because it is popular or a chosen concept by people of stature in the world. It is an evil goal to please man above God! Civil laws which oppose God's Laws are evil and direct the general populace towards evil goals. What chance do such as these have towards conversion of heart?"

"The New Jerusalem is the Victory of Truth over evil. When I return, as I will, all will be united in the Truth. Pleasing Me will be first and foremost in every heart. Evil will be defeated, as everyone will see Satan's handiwork for what it is."

"Until that time, you must always seek to keep My Commandment of Love, as Holy Love embraces all the Commandments. Do not waver in any way to please man. Stand firm in the Truth. My Justice mounts in the face of compromise. Do not think that position, or title, or vocation excuses compromise of Truth or guarantees your salvation. My Commandments apply to each soul without exception."

Read 2 Timothy 4:1-5

I charge you in the presence of God and of Christ Jesus Who is to judge the living and the dead, and by His appearing and His kingdom: preach the Word, be urgent in season and out of season, convince, rebuke, and exhort, be unfailing in patience and in teaching. For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own likings, and will turn away from listening to the Truth and wander into myths. As for you, always be steady, endure suffering, do the work of an evangelist, fulfill your ministry.

Read Psalm 90:11-12

Who considers the power of Thy anger, and Thy wrath according to the fear of Thee? So teach us to number our days that we may get a heart of Wisdom.

■ **August 24, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"The ones who willingly come here despite opposition have placed their trust in the Truth brought forth through these Messages. God will not be outdone in His generosity. Each soul who believes will be given the grace to help others believe. His faith will be under My protection as I draw him deeper into My Immaculate Heart."

"Unbelievers will continue to be tossed about on the waves of controversy - unable to drop anchor in the safe harbor that is Holy Love; for how can you live in Holy Love if you oppose it?"

"Upheavals in every segment of society will prove over and over My Son's Wisdom in sending Me as Protectress of the Faith and Refuge of Holy Love. Those who live in

and for the world will be drawn farther away from the Truth which is the victim of every sort of distorted compromise."

"Do not be frightened when you realize those whom you trusted have betrayed you. It is all part of these times and must take place before My Son's return. As the evil in the world becomes more visible, God's Provision will unite the Remnant Faithful. Therefore, do not fear situations or circumstances of the day. Pray for Wisdom and you will know what to do and who to trust."

■ **August 24, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I have come to help you understand the difference between opposing opinions and issues. Interaction amongst people is bound to bring to light various opinions on matters at hand. These opinions become issues when they become factious and neither side is willing to negotiate or respect the other's point of view."

"This is why I say to you, if you are living in Holy Love, there will be no issues."

■ **August 24, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate".

"My brothers and sisters, begin now to pray for wisdom concerning the elections for next year. If you have wisdom you will be able to discern who is duplicitous such as your leader now, and who will be more transparent. You need this discernment, which can only come from wisdom of the heart."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **August 25, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, always allow Holy Love to be the guardian of your heart. That way, the intent of your heart will be to please God and neighbor. It is when the intent of your heart changes to please yourself that sin enters in. Pray that the Holy Love which guards your heart against error will increase and strengthen, making you desire deeper holiness."

"What you hold in your heart is what God judges you upon. Therefore, the priorities of your heart determine your eternity."

■ **August 26, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, when you pray the rosary, your prayers become a great weapon against evil. Too often, however, you say the rosary instead of praying it. Then you are just saying words without heartfelt sentiment. I need your hearts completely embraced in Holy Love in order to combat Satan's evil plans and deceit."

"Your rosaries support the Truth which evil is trying to disguise and hide. It is evil that places acceptable labels on sin and promotes sin as freedom. When you give Me your prayers, I am able to strip away Satan's masquerade

and expose the Truth. You are seeing it now in the Truth coming to light concerning Planned Parenthood. Keep praying for their defeat."

"The innocent lives that have been taken and souls that have been lost can never be regained; but your rosaries can change the future if you pray from a heart of Holy Love."

■ **August 27, 2015.** Our Lady comes as Our Lady of Grace. She says: "Praise be to Jesus."

"Your puppy is getting special behavioral classes designed to protect her and keep her on the right track. It is good and should prove beneficial. I must liken this to Holy Love and the spiritual journey* through Our United Hearts. This doorway of grace has been opened to all through the grace of these Messages. If the soul chooses to accept the graces offered, it will prove beneficial and he will receive much grace and protection of his faith. However, just as with your dog who must respond favorably to her lessons, the soul must cooperate with the graces given here. This is a movement of the free will - for or against My invitation to accept Holy Love."

"So then, when you pray for someone's conversion and acceptance of these Messages and spiritual journey, pray that they accept My invitation to do so with their free will. It is much more difficult for people to convert than for your puppy to learn to obey. People waste graces in worrying about what others think or what their 'yes' will cost them spiritually, physically or emotionally."

"A puppy has no guile or hidden agenda. A puppy wants to please his owner. Unfortunately, this is not so with many people who do not care about pleasing God - only pleasing themselves."

"Oh, that I could redirect the heart of the world."

* *Reference to the spiritual journey of personal holiness through the Chambers of the United Hearts.*

■ **August 28, 2015.** "I am your Jesus, born Incarnate."

"Today, I would like to speak to the world about obstacles to grace. Any weakness in Holy Love is such an obstacle. The most obvious would be any sin; but there are others some would just consider character flaws and not number amongst sins. I speak of unforgiveness, lack of trust in My Provision, a critical nature towards others or rejection of daily crosses."

"Then, of course, there are the sins of abuse of authority and the compromise of Truth. These two sins alone are jeopardizing world peace and security as the hearts of leaders are consumed by these errors."

"There would be no sin in the world if there was no self-indulgence. Selfishness convinces the soul that what he wants is right. Self-indulgence makes the soul cling to the world and his own opinion while it opposes humility."

"Holy Love is the conduit of grace. The more the soul is perfected in Holy Love the more his heart opens to grace."

Read 1 Corinthians 13: 4-7, 13

Love is patient and kind; love is not jealous or

boastful; it is not arrogant or rude. Love does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrong, but rejoices in the right. Love bears all things, believes all things, hopes all things, endures all things. . . So faith, hope, love abide, these three; but the greatest of these is love.

■ **August 28, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, allow Me to come into your hearts. Allow Me to shepherd you. I want to be all yours. I want you to be all Mine."

"Tonight, I'm imparting to you My Blessing of Divine Love."

■ **August 29, 2015.** "I am your Jesus, born Incarnate."

"The reason Holy Love is so important in the world today is because it is diametrically opposed to evil. This is also the reason it is so calumnized and misunderstood. Satan wages his war on good by confusing good and evil. Holy Love defines good and exposes evil. This makes Holy Love a prime target of evil."

"You cannot fight the enemy unless you first recognize him. Most today are not even looking for the enemy of their souls. My Mother weeps copious tears for this cause. If only Her Tears could extinguish the flames of evil in the world today. It takes many and various sacrifices and prayers just to expose the inner workings of any one evil. You need only to look at the world of politics today to know this is true."

"My plea today is that you persevere in Holy Love - the monitor of good versus evil. It is through Holy Love you will be given the grace to know where your prayers are needed."

■ **August 30, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"The times are evil. So I must stress to you again that title and position do not always stand for Truth. Validation, therefore, of the Truth must never be based upon the title or authority of those who approve or disapprove of the matter at hand, but of the Truth of the facts they base their opinions on. These days, evil as they are, the abuse of authority and the compromise of the Truth go hand in hand. Influential positions are used towards self-interest, not for the common good. Dear children, do not be misled by title which often promotes untruth."

"Anyone who opposes the common good of prayer, opposes My Son. Prayer is beneficial anywhere - anytime, especially during these times of political and moral crisis. I continue to weep and pray for those who oppose this Mission. They refuse to realize that they are cooperating with evil. Some base their opposition on lies that have purposely been circulated about this Ministry - lies meant to discredit and destroy."

"But we have and will continue to persevere in Truth."

"It is Truth that will destroy Satan's grasp on the world and bring Victory to all hearts. For now, you must continue to pray for wisdom and discernment."

Read 2 Timothy 4:1-5

I charge you in the presence of God and of Christ Jesus Who is to judge the living and the dead, and by His appearing and His kingdom: preach the Word, be urgent in season and out of season, convince, rebuke, and exhort, be unfailing in patience and in teaching. For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own likings, and will turn away from listening to the Truth and wander into myths. As for you, always be steady, endure suffering, do the work of an evangelist, fulfill your ministry.

■ **August 31, 2015.** Our Lady comes as Our Lady of Grace. She says: "Praise be to Jesus."

"In the world today there seems to be an unwritten code of ethics which forbids criticism of spiritual leadership. In particular, I am speaking about Bishops. These Bishops have souls and are responsible for the souls of their flock, as well. But so many see their role strictly as authoritarian, financial managers and garnering prestige. God places them in the role of Bishop to nurture the spiritual well-being of their flock. If a Bishop discourages any form of prayer - be it the rosary, adoration or communal prayer, he is derelict in his duties."

"The Bishop's office is not that of a CEO over a business venture. It is one of fatherly concern and care for his flock. He must provide great opportunity for spiritual growth through generous availability of the sacraments and encouragement in listening to the Holy Spirit. This is how vocations bloom and increase."

"Instead I see too often the silencing of the inspirations of the Spirit in an attempt to control. I see limited hours

for reconciliation - sometimes not even one hour a week is offered."

"There is much talk about Church 'vibrancy', but it is all talk. It falls short under dogmatic control. Bishops must be consecrated to the Truth and not spread untruth in an attempt to control or discredit anyone or any group."

"Churches and schools are closed without regard for the spiritual well-being of the flock but only with regard to finances."

"What is taught in a parochial setting should be in-line with the true faith. This is something the Bishop must control."

"I have waited many years and prodded gently, but today I have permission from My Son to speak forthright. I propose to you the ones who object the most to My words to you today are the very ones who see themselves in what I am saying."

Read 1 Peter 5:2-4

Tend the flock of God that is your charge, not by constraint but willingly, not for shameful gain but eagerly, not as domineering over those in your charge but being examples to the flock. And when the chief Shepherd is manifested you will obtain the unfading crown of glory.

■ **August 31, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate".

"My brothers and sisters, each time I come to you, I leave you by imparting upon you My Blessing of Divine Love. This Blessing carries graces with it greater than you know; graces that last you, not only at that moment, but into the rest your lives. These are the graces that help you to live in Divine Love. Look for them and cherish them."

"So tonight once again, I'm imparting to you My Blessing of Divine Love."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

September 2015

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints and angels appear on the property at Maranatha Spring and Shrine. The Messages given to the visionary, Maureen Sweeney-Kyle, lead the soul on a spiritual journey into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

2:30 PM: Meet at the United Hearts Field for a Procession, 3 PM Prayer Service, and Promised Apparition.

■ **September 1, 2015.** "I am your Jesus, born Incarnate."

"Yesterday, My Mother addressed the difficulties within the ranks of Bishops - a subject pressing on My Mournful Heart. The Bishop's job is the salvation of his flock - a grave responsibility. I cannot hold them above reproach, as has been an acceptable practice in the world. I must speak My piece."

"The salvation of souls is always the cooperation of the free will with grace. Therefore, no Bishop should stand in the way of this. He is obliged to encourage grace. He must generously offer the sacraments as 'food' for the journey. If he is fortunate enough to have an apparition site in his diocese, he has the grave responsibility of encouraging openness to what Heaven

offers. The Bishop must never proceed with a trumped-up investigation with the sole purpose of issuing a negative review. He is cooperating with untruth in doing so, and is responsible for all the graces left unattended, all the prayers left unsaid and all the souls lost as a result of his actions."

"This has happened so often around the world but most pointedly here at Holy Love. People are discouraged in participating in Heaven's intervention here and partaking of the graces offered. This is clearly an abuse of authority and a compromise of Truth."

"But I encourage the continuation of this Mission which has become so important to so many. I urge your cooperation with the graces offered, all of which lead to your salvation. I call you to pray for this Bishop* and all

others, for vocation and rank do not guarantee salvation."

"At no other site and through no other messenger have I spoken thus. The fact remains souls are at stake. I cannot remain silent any longer."

"Make it known."

* *Richard Lennon, bishop of Cleveland*

Read Acts 5:29, 39

But Peter and the apostles answered, "We must obey God rather than men." "...but if it is of God, you will not be able to overthrow them. You might even be found opposing God!"

Read Wisdom 6:1-11

Listen therefore, O kings, and understand; learn, O judges of the ends of the earth. Give ear, you that rule over multitudes, and boast of many nations. For your dominion was given you from the Lord, and your sovereignty from the Most High, who will search out your works and inquire into your plans. Because as servants of His Kingdom you did not rule rightly, nor keep the Law, nor walk according to the purpose of God, He will come upon you terribly and swiftly, because severe judgment falls on those in high places. For the lowliest man may be pardoned in mercy, but mighty men will be mightily tested. For the Lord of all will not stand in awe of any one, nor show deference to greatness; because He Himself made both small and great, and He takes thought for all alike. But a strict inquiry is in store for the mighty. To you then, O monarchs, my words are directed, that you may learn wisdom and not transgress. For they will be made holy who observe holy things in holiness, and those who have been taught them will find a defense. Therefore set your desire on my words; long for them, and you will be instructed.

■ **September 2, 2015.** "I am your Jesus, born Incarnate."

"Once again I remind you that My Mercy is the forgiveness of sin - not the acceptance of sin. More than a contrite heart, the penitent must have the resolve not to commit the sin again. Remember My Words to the woman accused of adultery, 'go and sin no more'."

John 8:10-11

Jesus looked up and said to her, "Woman, where are they? Has no one condemned you?" She said, "No one, Lord." And Jesus said, "Neither do I condemn you; go, and do not sin again."

"I must forewarn you, no one can redefine sin as not sin under the term of mercy. The thought, word or deed does not change from evil to good in the light of My Mercy but is forgiven. Each time a sin is committed the sinner must flee to My Mercy. Mercy in the present moment does not extend to the future sins one may commit even if they are the same offense. Sinful lifestyles must be abandoned to experience My Mercy."

■ **September 3, 2015.** "I am your Jesus, born Incarnate."

"I tell you, it is pride that shores up the soul against recognizing the Truth and having a true conviction of heart. Perhaps the person is very popular or important in the eyes of others. Satan has him convinced then that he is above wrongdoing. Perhaps he has a religious vocation but is using it to fulfill his own ambitions, not towards the welfare of others."

"This is why every soul needs to invest in a nightly examination of conscience. His prayers must be to recognize and accept the state of his soul in the light of Holy Love, which is always the Truth. The soul that takes his own effort towards his own salvation seriously will commit to this."

"Once again I caution every heart to realize it is not what people believe about you, but what I see in your heart that matters."

Read Psalm 119:1-16

Blessed are those whose way is blameless, who walk in the Law of the Lord! Blessed are those who keep His Testimonies, who seek Him with their whole heart, who also do no wrong, but walk in His Ways! Thou hast commanded thy precepts to be kept diligently. O that my ways may be steadfast in keeping Thy Statutes! Then I shall not be put to shame, having my eyes fixed on all Thy Commandments. I will praise Thee with an upright heart, when I learn Thy righteous ordinances. I will observe Thy Statutes; O forsake me not utterly! How can a young man keep his way pure? By guarding it according to Thy Word. With my whole heart I seek Thee; let me not wander from Thy Commandments! I have laid up Thy Word in my heart, that I might not sin against Thee. Blessed be Thou, O Lord; teach me Thy Statutes! With my lips I declare all the ordinances of Thy Mouth. In the way of Thy Testimonies I delight as much as in all riches. I will meditate on Thy Precepts, and fix my eyes on Thy Ways. I will delight in Thy Statutes; I will not forget Thy Word.

■ **September 4, 2015.** "I am your Jesus, born Incarnate."

"When you pray for priests, religious and hierarchy

to be strong in the Truths of the faith, you are praying for the heart of the world. I tell you this for every strong vocation has a positive effect upon the world in general and weakens Satan's kingdom in the world. You can imagine then how many demons are assigned to every priest, and even more to those in the hierarchy."

"Yet one of the greatest weapons that would protect vocations was summarily dismissed by the ones who need it the most.* I speak of the devotion to Mary, Protectress of the Faith. Satan flees before this title. When anyone invokes My Mother under this title, he is given the grace to see the ways Satan is attacking him. This is so important to priests and hierarchy, some of whom have ceased even believing in Satan."

"You can use this title when you pray for priests and hierarchy or any other soul whose faith is in jeopardy. It is a weapon Satan fears."

* 1987 - Sought approval of title, 'Mary, Protectress of the Faith' as requested by Blessed Mother; March 1988 - Request dismissed.

■ **September 4, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, during these next coming weeks I desire you pray that more people more easily distinguish good from evil and that they are not tricked by labels and positions of influence.

"Tonight, I'm extending to you My Blessing of Divine Love."

■ **September 5, 2015.** St. Thomas Aquinas says: "Praise be to Jesus."

"Truly I tell you, the Truth never changes. It can be misinterpreted, misrepresented on purpose and transgressed by what not is said, but it never changes. Sin is sin. Trying to redefine sin or giving it a new label does not make sin right."

"Free will has become its own god, choosing the freedom to sin as a right. Thus you have abortion and same-sex marriage. Misplaced compassion promotes forgiveness of these sins but not correction. Spiritual leaders these days are too interested in pleasing man and not interested enough in pleasing God. Thus you have the ongoing moral war all over the world."

"To forgive a sin once does not exonerate the sinner of all future sins. The penitent must hold in his heart the firm purpose of amendment towards the future."

He bows and leaves.

■ **September 6, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"My daughter, most recently you and your husband engaged the services of a dog trainer for our Annie. Now you are using an electronic collar to give her a slight vibration when she is not behaving. She is quick to learn and is doing much better. Oh how your Heavenly Mother wishes she could use such a device on the heart of the world! As it is, the world has been given these Messages of Holy Love to correct errant behavior and to bring hearts into line with the reality of the Truth. But the consequences of errant behavior do not seem apparent to those who need to recognize it the most. There is no shock wave coursing through the heart of the world - prodding souls back to the Truth. Rather, these Messages of Holy Love are an ever-present reminder of good versus evil. They are a persevering Truth that gnaws away at false values and fancy rhetoric that hides the Truth."

"When Holy Love is lived out in the heart, the soul is in line with the Truth. Holy Love prepares souls for Heaven just as Annie is being prepared to be a wonderful pet."

"I give you this simplistic example to show you that Holy Love is the guideline for all behavior. Just as Annie listens and responds to her training, I pray humanity will listen and respond to Holy Love."

■ **September 6, 2015 / Sunday Service - Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace.** St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, in order for families to be at peace and to be united, each family member must surrender completely to Holy Love. If you live in Holy Love you will be at peace and you will be united. But it is flaws in Holy Love which bring disunity and disrupt the family peace. Then you cannot be fair with one another and patient. And so, take these things into your hearts and renew your commitments to Holy Love."

"Tonight, I'm extending to you my Fatherly Blessing."

■ **September 7, 2015.** "I am your Jesus, born Incarnate."

"When I experienced the Agony in the Garden, it was the greatest emotional and spiritual trial anyone could experience. I saw the error of these times - the heresy, apostasy and schism. I saw how lies and confusion would overtake hearts and the Truth would be trampled underfoot by the self-righteous. Through all of this I saw this Mission, which offered Me solace. I saw how this Mission would rise up amidst persecution and would stand as a steady beacon of faith amidst controversy."

"When at last the angel came to comfort Me, she offered Me a chalice filled with Holy Love, which I freely partook of. In the world today, the disingenuous has

overshadowed the genuine. I offer you this Mission as a means of embracing good and uncovering evil. I ask you to partake of the Mission I give to you."

■ **September 7, 2015.** "I am your Jesus, born Incarnate."

"With gratitude regard this apparition site and all the miraculous grace attendant herein. With a generous spirit spread the Truth of the good news of Heaven's intervention here. I come not for My welfare but for your own. I desire that all come here to pray, for the world is in such need."

"Do not oppose Me by accepting untruths or others opinions. The peace you seek out in the world is here waiting for you. With your free will choose it."

■ **September 8, 2015.** "I am your Jesus, born Incarnate."

"When a picture is being painted one stroke at a time, you have to step back to realize how it is all coming together and what the artist is composing as a final work of art. So it is in the world today with leadership. The smallest change in policy may have profound effects upon the overall reign of the leader and in the world at large. This is just as a small brushstroke may change the entire aspect of the painting. In Truth, you must step back and assess the path leadership is taking you upon. Do not jump to conclusions but appreciate every 'brushstroke' until you can see the end result."

"The Holy Spirit, the Spirit of Truth, will help you critique the work in progress. You cannot reach the reality of Truth without Him. I desire all leadership be renewed in Holy Love - setting aside the confines of the need to control. Then I will have a masterpiece in the world."

■ **September 9, 2015.** "I am your Jesus, born Incarnate."

"These days the air is filled with an invisible threat to the health of many. It is pollen. But I tell you, it is not as great a danger as the invisible forces of evil that threaten the salvation of souls. The pollen affects the breathing of those who are allergic to it. This then is a warning sign to take precautions against exposure. But evil is often insidious and disguised as good. Too often souls do not recognize the signs and symptoms of being exposed to evil."

"Once again, I offer you the protection of Holy Love which is the winnowing fan assisting you in separating good from evil. Once again, I remind mankind that if you do not recognize the enemy, you cannot defend yourself against it. These days, evil has infiltrated the media, leadership and every walk of life. It is difficult, at best, to know whom to trust, since evil disguises itself in so many ways. This is why the standard of Holy Love

is so important and so under attack. Decades ago you never would have believed that something like Holy Love would be opposed."

"This opposition is a sign of the confusion that has overtaken hearts – a confusion which misleads through falsehood. If you do not see Holy Love reflected in the hearts of your leaders, if you only see ambition and arrogance, you must not support such leadership. History proves this True."

"I offer you the wounds of My Mournful Heart to console you amidst the perils of these times. Be wise in the choices of this age."

Read 1 Timothy 2:1-4

First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all men, for kings and all who are in high positions, that we may lead a quiet and peaceable life, godly and respectful in every way. This is good, and it is acceptable in the sight of God our Savior, who desires all men to be saved and to come to the knowledge of the Truth.

■ **September 10, 2015.** Our Lady comes as Rosa Mystica. She says: "Praise be to Jesus."

"Today I remind you that not all leaders are equally qualified to lead. The inadequacies in leadership stem from what is held in the heart. False virtue - that is virtue practiced to impress others - leads to compromise of the Truth. Such a one given to false virtue is most likely to safeguard his reputation at the cost of the Truth. He does not look so much towards the welfare of his followers as he does towards his own benefit."

"Dear children, practice every virtue no matter the cost to self and look for this attribute in leadership. Do not support anyone given over to lies or confusion. They are unworthy of your loyalty. The truly virtuous leader will not redefine sin as a freedom. If you had just leaders in the world today, you would not have conservative and liberal divisions in the secular or religious world. Rather all would be one. There would be no confusion. Pray for all leaders that they realize their place before God."

Read 1 Timothy 6:3-5

If any one teaches otherwise and does not agree with the sound words of our Lord Jesus Christ and the teaching which accords with godliness, he is puffed up with conceit, he knows nothing; he has a morbid craving for controversy and for disputes about words, which produce envy, dissension, slander, base suspicions, and wrangling among men who are depraved in mind and bereft of the

Truth, imagining that godliness is a means of gain.

■ **September 11, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"These days, terrorism is taking its toll in a timely fashion. Now you have people fleeing for their lives from Syria. Of course, nation upon nation will accept them; but in this act of charity, the evil will infiltrate with the good. This is because evil lies hidden in hearts. Nevertheless, it is these times and during this generation that Jesus sends Me with this Message of Holy Love. I am here, once again, to invite all people and all nations into My Immaculate Heart. This Safe Refuge welcomes all in an attempt to transform the heart of the world from one of fear, skepticism and error to a heart of Holy Love."

"In My Heart, dear children, there is no fear. Terrorism is not present, as it is a product of man's error. If you will accept My Invitation to come into My Heart by living in Holy Love, you will find peace amidst chaos. Do not allow anyone to deter you from prayer. It is prayer that changes hearts and exposes evil! Now, more than ever, you need evil to be revealed for what it is. Do not be fooled by appearances but look at actions. As always, I am your Refuge and protection."

■ **September 11, 2015.** St. Michael the Archangel says: "Praise be to Jesus."

"The way to determine a good spirit from an evil spirit is only through the Holy Spirit - the Spirit of Truth. These times are evil and people do not listen to the Truth or even search it out. This is why the Seal of Discernment is offered here on this property along with the consecration of Truth. The world is now being flooded with ambiguity. If people cannot distinguish good from evil in prominent leadership, how will they do so with the thousands of refugees pouring out of the Middle East? It is only by staying close to the Holy Spirit souls will be able to do so. Pray that my Sword falls upon those who have the power to challenge evil forces and my Sword of Truth reveals evil in hearts."

■ **September 11, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Solemnly I tell you tonight, My brothers and sisters, you must pray for your national security. If your country had not embraced abortion it would have had competent leadership and this mass exodus from Syria would have been avoided. As it is, pray, pray, pray."

"I'm blessing you with My Blessing of Divine Love."

■ **September 12, 2015.** St. Michael comes holding his

Shield of Truth. He says: "Praise be to Jesus."

"During these times it is important to note that discernment is the discovery of the Truth. This can be acquired through a sincere search for the Truth or the Truth can instantly be poured into the heart through the power of the Holy Spirit. More and more depends upon true discernment of spirit as the borders of countries dissolve and values are intermingled. It is only through discernment what lies hidden in hearts will become obvious to those who can change the course of evil."

"Therefore, Jesus sends me today with this prayer of assistance in dealing with the circumstances of these times:

"St. Michael, place your Shield of Truth over the heart of this nation. By the power of God, design circumstances which will reveal the evil in every heart. Make our nation secure once again through sound leadership and justified enforcement of law. Amen."

"This is a prayer for national security through Truth."

■ **September 13, 2015.** Our Lady comes as Refuge of Holy Love with the Image of the United Hearts in front of Her. She says: "Praise be to Jesus."

"Dear children, I come once again to warn you of the deceitful traps Satan lies for you. He uses false virtue as a means of approval of sin. You must see this in the misplaced compassion that he encourages towards same-sex unions. This charity and mercy are not from Heaven. The Lord did not create sex for mere pleasure but as a means of procreation within a marriage. Today, even the idea of marriage is becoming a thing of the past."

"I invite you once again into Our United Hearts. Herein lies the true virtues and morals so lacking in this age of error. Herein is the strength of fortitude in righteousness. You cannot persevere in the Tradition of Faith without the help of grace. I am calling you to recognize the evil of these times and to petition the grace of Our Hearts. This grace will assist you in living in the Truth."

Read 1 Timothy 4:1-2

Now the Spirit expressly says that in later times some will depart from the Faith by giving heed to deceitful spirits and doctrines of demons, through the pretensions of liars whose consciences are seared.

■ **September 14, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"These days are perilous as many boundaries are breached geographically and morally. The Eternal Father, Who sees all, has provided the presence of this Ministry here in this Diocese* and around the world in the presence of these Messages. Those who listen and heed will be at peace as events unfold. They will not lose their faith if they seek My Protection."

"I did not come to you seeking the title 'Protectress of the Faith' of My own accord.** My Son saw the perils of this generation and sent Me to help you to hold fast to the Truth amidst confusion and controversy. The Truth, dear children, is not always what is most popular, but it is always reality. Confusion sets in when you try to please self and man before God."

"Guard your consciences against this popular way of thinking. Your faith is in your interior forum. Therefore, Satan attacks your faith by presenting lies and doubts to your heart. Abide in Me and in My Heart."

* *The Diocese of Cleveland Ohio*

** 1987 - Sought approval of title, *Mary, Protectress of the Faith as requested by Blessed Mother; March 1988 - Request dismissed.*

Read 1 Thessalonians 5:8

But, since we belong to the day, let us be sober, and put on the breastplate of faith and love, and for a helmet the hope of salvation.

Read 2 Thessalonians 2:13-15

But we are bound to give thanks to God always for you, brethren beloved by the Lord, because God chose you from the beginning to be saved, through sanctification by the Spirit and belief in the Truth. To this He called you through our gospel, so that you may obtain the glory of our Lord Jesus Christ. So then, brethren, stand firm and hold to the Traditions which you were taught by us, either by word of mouth or by letter.

■ **September 14, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate".

"My dear brothers and sisters, please know that this Mission (Holy Love) is the good fruit of many prayers and sacrifices from many people. Please regard this Mission as your consolation and strength in any difficulty."

"Tonight I'm blessing you with My Blessing of Divine Love."

■ **September 15, 2015 - Feast of Our Lady of**

Sorrows. Our Lady comes as Our Lady of Sorrows. Before Her are two paths. One is narrow and filled with obstacles and dangers. Wild Beasts are on it. The other is more inviting - wider, no danger that is apparent. Our Lady says: "Praise be to Jesus."

"The wider path you see does not seem to hold immediate danger. But many of its dangers are hidden! It seems to lead to salvation, but once on this path the soul is assaulted by Satan's deceit and is in grave danger. This path does not lead to salvation. The narrow path, though under attack, leads to Heaven. See the angels ready to assist the ones who make the choice of following this path." (Now the path to Heaven is lined with angels). "The wider path that seems easier to follow opens onto Satan's snares and pitfalls."*

"So it is, I suffer yet today for those of My children who make poor choices - choices which lead away from their salvation. I cannot choose for them or oppose their free will. Mankind has been given every grace to enable him to make the right choices - choices which lead to Heaven and around every obstacle. But, even when a most obvious grace - such as this apparition - is placed in the midst of the world, it is opposed, disbelieved and the Truth is concealed by lies."

"Yes, My Heart mourns along with the Most Mournful Heart of My Son for those who foolishly choose the wrong path and travel it wholeheartedly - many with a Pharisaical spirit of self-righteousness."

"Dear children, return to the Truth of the difference between good and evil. Influence those around you to do so! Hasten to your conversion."

* *Scripture suggestion to read by Spiritual Advisor.*

Matthew 7:13-14

Enter by the narrow gate; for the gate is wide and the way is easy, that leads to destruction, and those who enter by it are many. For the gate is narrow and the way is hard, that leads to life, and those who find it are few.

■ **September 15, 2015 - Feast of Our Lady of Sorrows.** Our Lady comes as Our Lady of Sorrows. She says: "Praise be to Jesus."

"I wish to further describe to you these two paths - the wide path which leads away from salvation and the narrow one which leads to salvation. Each path has its obstacles. The wide path, however, shows no sign of an obstacle unless the one who chooses it is astute. This path is full of self-indulgence, love of money, power, popularity and all the comforts of the world. The narrow path is a path of Truth. You see at the outset the swords and arrows and many pitfalls attendant to a journey upon this path."

"You travel the narrow path with difficulty besieged by persecutions, lack of understanding, unpopularity

and every sort of attack born of abuse to authority and the compromise of Truth. Certainly this narrow path appears to be one more difficult to travel. But remember the graces given by the angels which line this path. The wider path is not under the protection of grace. These are the difficult choices man has faced throughout the centuries. The difference is now you have Mary, Refuge of Holy Love to aid you along the way."

■ **September 15, 2015 - Feast of Our Lady of Sorrows / Tuesday Service - The Poor Souls in Purgatory and for world peace.** Jesus is here with His Mournful Heart exposed. He says: "I am your Jesus, born Incarnate".

"My dear brothers and sisters, My Mother weeps still today for this generation that has embraced the culture of death. Your prayers and sacrifices are Her consolation. Continue in this regard."

"Tonight I'm imparting to you My Blessing of Divine Love."

■ **September 16, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, you must continue to seek God's Mercy upon the world, as so many seek to do their own will and to destroy life as you know it. With God all things are possible. He can suspend the laws of nature, reverse the effects of sin and disease, and bring the Blessing of His Provision to rest upon you."

"You, in turn, must seek to please Him by obeying His Commandments. Do not think that because the greatest portion of God's Wrath has not visited you that God will not visit earth with His Justice. He is Patient and All-Merciful but you try His Patience with the arrogant redefinition of sin."

"Open your hearts to the Truth of the difference between good and evil. With sincerity - not pretense - choose only good."

■ **September 16, 2015.** "I am your Jesus, born Incarnate."

"Try to understand Satan's hallmark. He takes control of the innocent and righteous people, places and things and transforms them into something sinful, provocative and arrogant. Take, for instance, the institution of marriage. These days, it is in vogue for same-sex couples to presume they have the right to marry. Of course, everyone has free will to sin, but that does not make sin righteous."

"Life in the womb, so innocent and so pure, now has to fit into the desires of mankind or else it is snuffed out. Many times, such decisions are based upon financial advantage or disadvantage."

"God's Laws - My Father's Commandments - not only stress what you must not do but what you must do."

If you understand this, then you can more clearly see the ways Satan convolutes the good into his evil."

■ **September 17, 2015.** "I am your Jesus, born Incarnate."

"I tell you, every prayer from the heart stays My Arm of Justice a little longer. Every Chaplet of My Mournful Heart that is prayed mitigates My Justice and calls upon My Mercy. A prayerful heart must be the vestment of mankind for these are perilous times."

"You must look beyond what you consider a 'safe' environment and realize the evil that is in hearts - hidden and sometimes provocatively unhidden. If you could in the least comprehend the evil that threatens mankind today, you would allow your hearts to be consumed with prayer day and night. As it is, too many have chosen complacency and a false sense of security."

"Be My warriors of peace. The Rosary of the Unborn is a great weapon in this war against evil. While some are busy selling parts of unborn children which I created, you must be busy opposing this evil. While some misguided leaders busy themselves opposing Holy Love, you have evil leaders in North Korea with their fingers on weapons of mass destruction."

"Today, I am asking you to get your priorities straight! I encourage your prayers and sacrifices which are the answer to all the besetting problems plaguing the world today. Do not waste time in doubts and disbeliefs of what I am telling you. Do not wait for mankind's approval of these Messages. It will be too late! You must act now! I call you with urgency."

■ **September 18, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, be united in the Truth which is Holy Love. Once you are given the Truth do not betray it through doubts and disbelief. It is then you tempt God's Justice. Do not allow the confusion of the day to lead you astray, for I have been sent to give you the sound path of Holy Love."

"Satan seeks to destroy your faith and to confound your spiritual journey. These days, be grounded in Tradition and you will be given sound judgment. Once you stray from the Truth, it is often difficult to find your way back. This is why you must invoke My Title as 'Protectress of the Faith and Refuge of Holy Love'. I will never deny you."

Read Jude: 5-7, 17-23

Now I desire to remind you, though you were once for all fully informed, that He who saved a people out of the land of Egypt, afterward destroyed those who did not believe. And the angels that did not keep their own position but left their proper dwelling

have been kept by Him in eternal chains in the nether gloom until the judgment of the great day; just as Sodom and Gomorrah and the surrounding cities, which likewise acted immorally and indulged in unnatural lust, serve as an example by undergoing a punishment of eternal fire. ...But you must remember, beloved, the predictions of the apostles of our Lord Jesus Christ; they said to you, "In the last time there will be scoffers, following their own ungodly passions." It is these who set up divisions, worldly people, devoid of the Spirit. But you, beloved, build yourselves up on your most holy faith; pray in the Holy Spirit; keep yourselves in the love of God; wait for the mercy of our Lord Jesus Christ unto eternal life. And convince some, who doubt; ...save some, by snatching them out of the fire; on some have mercy with fear, hating even the garment spotted by the flesh.

■ **September 18, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I desire that you be united in the Truth. Remember when I was on earth, I did not seek popularity amongst those in power, of great authority or influence. I only stood for the Truth. And those who gathered around Me were thus united and at peace."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **September 19, 2015.** "I am your Jesus, born Incarnate."

"I tell you truly, if the detractors of this Mission ever realized what a great grace they are working against in this Mission, they would surely breathe their last. Continue to come here - no matter who says what. Once you step onto the property, if you are in touch with the Holy Spirit, you will know with certainty this Mission is genuine."

"Never before have the Chambers of Our United Hearts been revealed to the world. Never before has such a spiritual journey been offered. Never before have I opened the depths of My Heart to such a degree to all humanity. The gift of this Mission remains open to all people and all nations, even in the face of disbelief and rejection."

"This is the 'pearl' of lasting value. Give up anything which stands in the way of Holy Love in your heart."

■ **September 20, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I tell you, every virtue finds its life in Holy Love. No

virtue can be brought to perfection except in and through the perfection of Holy Love. As My Heart is the essence of Holy Love, the soul must surrender his journey in holiness to My Immaculate Heart. Since this is a difficult journey, the soul will need to set out upon it with the protection of St. Joseph who protected Jesus and Me when we fled to Egypt. This is why everyone, who with a sincere heart, desires to make this journey in holiness is invited first into St. Joseph's Vestibule."

"St. Joseph, a faithful and fierce protector, encourages the soul to step into the First Chamber where everything begins and is perpetuated. The soul who surrenders most completely is given the greatest graces to persevere in self-surrender. Every soul needs to first accept the necessity of the journey to surrender to it, just as I accepted the flight into Egypt. Then, the grace is given to succeed."

■ **September 21, 2015.** Our Lady comes as Refuge of Holy Love but changes into Protectress of the Faith. She says: "Praise be to Jesus."

"Today, dear children, I encourage you to always be faithful to the Truth no matter who opposes you. Already in the world there is a schism between liberal and conservative beliefs in the political world and in church circles, as well. The conservative forces are morally sound and abide in the Truth. The liberals try to reinvent the Truth to suit their own needs and self-indulgence."

"These schisms between good and evil will only expand as time moves forward and mankind carves a path away from the Truth. The times approach when those who persevere in the Truth will be labeled as the schismatics and those who pursue their own will outside of the Truth - the liberals - will masquerade as righteous. You must not be tricked by any title or authority or numbers of those who oppose the Truth. Dear children, stand firm in unchangeable Tradition."

Read 2 Timothy 1:13-14; 3:1-5; 4:1-5

Follow the pattern of the sound words which you have heard from me, in the faith and love which are in Christ Jesus; guard the Truth that has been entrusted to you by the Holy Spirit who dwells within us. ...But understand this, that in the last days there will come times of stress. For men will be lovers of self, lovers of money, proud, arrogant, abusive, disobedient to their parents, ungrateful, unholy, inhuman, implacable, slanderers, profligates, fierce, haters of good, treacherous, reckless, swollen with conceit, lovers of pleasure rather than lovers of God, holding the form of religion but denying the power of it. Avoid such people. ...I charge you in the presence of God and of Christ Jesus who is to judge the living and the dead, and

by His appearing and His Kingdom: preach the Word, be urgent in season and out of season, convince, rebuke, and exhort, be unfailing in patience and in teaching. For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own likings, and will turn away from listening to the Truth and wander into myths. As for you, always be steady, endure suffering, do the work of an evangelist, fulfil your ministry.

■ **September 21, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace.**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate".

"My brothers and sisters, tonight I ask that every day you pray that the heart of the world, which includes the heart of the Church, is reconciled with God's Will."

"Tonight I'm blessing you with My Blessing of Divine Love."

■ **September 22, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says, "Praise be to Jesus."

"Today, I invite you to realize that you cannot dignify sin through humanitarian reasons.* Therefore, the call to accept abortion and same-sex marriage as a 'freedom' or a 'right' is unjustified. Sin remains an evil no matter the pretense."

"These days, Satan uses every excuse based upon self-love to entice souls to sin. People are so confused as to what is Truth according to Holy Love that they cannot sort through the facts and the lies to discover the reality of the Truth."

"The desire to feel 'comfortable' with sin has brought about the phenomena of redefining sin; but Truth cannot be redefined. Truth remains the same yesterday, today and tomorrow. Sin is sin under any label."

"It is My prayer that the heart of the world is captured by the Truth of Holy Love and turns away from error and confusion. I am hopeful you will join Me in this prayer."

** This is the basis within liberal Church circles to place the pastoral aspects (compassion and mercy toward the sinner) above the doctrinal aspects (Church teaching in the Tradition of Faith) of the moral biblical principles regarding sin in violating the Ten Commandments.*

■ **September 23, 2015 - Feast of St. Pio of Pietrelcina.** St. Pio of Pietrelcina says: "Praise be to Jesus."

"Look! You have some good leaders and some bad leaders in the world today. The good leaders identify

evil as evil. There is no ambiguity as to what they stand for. The bad leaders generate confusion between good and evil and confusion as to what they endorse."

"Then, of course, you have leaders who are purely evil who support evil. If you are Christian, these evil leaders are easily identified."

"Pay attention to the direction you are being led!"

■ **September 24, 2015.** Our Lady comes as Rosa Mystica. She says: "Praise be to Jesus."

"Vigilance is never wrong. Vigilance is the mother of discovery. Discovery of the Truth is discernment."

"Within this reality I invite you, once again, to realize that boundaries are quickly disappearing. I am speaking, of course, of the borders of countries. Nations are hardly sovereignties anymore. But I am also speaking of the boundaries between good and evil. Too often, good is portrayed as evil and evil accepted as good. As you see the millions fleeing Syria or trying to enter the United States from Mexico, think of the millions of souls who were not vigilant enough to perceive the difference between good and evil and consequently lost their souls. It is happening!"

"The millions fleeing poverty and terror carry within their own hearts boundaries of behavior which are not evident on an external basis. Therefore, humanitarian motives can easily lead to Satan's agenda. Once again, it is My Immaculate Heart which is your Refuge and your strength."

■ **September 25, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"As boundaries and borders dissolve, those who desire salvation must cling to the maxim of Holy Love. This is God's Holy and Divine Will for each soul. While several paths may lead you to God's Will, the most direct and most easily traveled* is the path through the Chambers of Our United Hearts."

"There is no boundary which forbids your travel along this spiritual journey except the obstacle of your own free will. This is why it is so important that consciences be formed in the Truth, which is Holy Love. Truth leads you to salvation. You cannot travel deeper into Our Hearts than your will allows. A well-formed conscience desires to go deeper and deeper into these Sacred Chambers. Each Chamber opens onto a deeper relationship with the Lord."

"There is much confusion in the world today due to the dissolution of boundaries between nations and between good and evil. Accept Holy Love as your boundary and confine your heart to the nation of Holy Love."

** A similar analogy to "True Devotion to Mary" by St. Louis de Montfort (see paragraph #152 - to Jesus through Mary - True Devotion - "is an easy, short,*

perfect and secure way of attaining union with Our Lord, in which union the perfection of a Christian consists.") The most direct and easily traveled path to union with God's Will begins in the First Chamber of the United Hearts - the Immaculate Heart of Mary, and ends in the Sixth Chamber - Immersion in the Divine Will.

■ **September 25, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** First I (Maureen) saw the United Hearts; then Jesus came and He had the United Hearts in place of His Sacred Heart. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the peace of the world has been entrusted to my Mother's Immaculate Heart. My Mother's Heart is Holy Love. Therefore, be united in Holy Love and you will find peace."

"Tonight, I'm extending to you My Blessing of Divine Love."

■ **September 26, 2015.** "I am your Jesus, born Incarnate."

"My brothers and sisters, I am calling together a new nation - the nation of Holy Love. It will be like no other nation, as it will arise from the midst of every sovereignty. It will have no boundaries save the Commandments of Love - Holy Love. It will be ruled by Holy Love and will unite the hearts of all who will follow."

"In this nation there will be no politics, no unjust laws, no poverty or disease. Everyone will be secure, healthy and wealthy in Holy Love. The citizens of this nation already have a citizenship in Heaven and also live in the New Jerusalem."

"Anyone can cross the border and become a part of this holy nation. All they need do is leave the world spiritually and step into Holy Love. I am, of course, speaking of a spiritual nation governed and united by Holy Love. A nation on earth and in Heaven."

■ **September 27, 2015.** "I am your Jesus, born Incarnate."

"Once again, I call you into the holy nation of Holy Love. In this nation, there is no fear of global warming - a hoax designed to herd people into a one-world government. In this nation, there are no boundaries to be transgressed - only a call to live the Commandments of Love. In the nation of Holy Love, hearts are united in holiness, under God's Commandments. There is no guile or hidden agenda."

"My call to you is a call to be united in good - the good of Holy Love. Be united under God. Do not be tricked into being united in a common fear. Trust in My Provision and the grace of My Mother's Heart."

"Remember, you can prove anything with statistics

- a case for or against certain events. Keep your eyes fixed on Holy Love and let your hearts be filled with Holy Love. This unity of hearts in Holy Love does not seek its own way, but God's way."

Read 2 Thessalonians 2:9-12

The coming of the lawless one by the activity of Satan will be with all power and with pretended signs and wonders, and with all wicked deception for those who are to perish, because they refused to love the Truth and so be saved. Therefore God sends upon them a strong delusion, to make them believe what is false, so that all may be condemned who did not believe the Truth but had pleasure in unrighteousness.

■ **September 28, 2015.** "I am your Jesus, born Incarnate."

"Globalization - like anything - can be good or evil depending upon its purpose. If the purpose is to spread Holy Love worldwide, it is, of course, a noble cause. If however, the intent is towards a one-world government, this would pave the way for evil to rule the world. A one-world government, while it may be presented as a sound solution to many problems, makes it very easy for people to be manipulated and deceived if the chosen leader is evil."*

"Leaders in past history may have been very popular and yet held evil agendas in their hearts which did not surface until it was too late. Stay grounded in Holy Love. Let Holy Love be your barometer of what is good and what is potentially evil. The grace of My Mother's Heart will not abandon you."

* *Review Holy Love Message of 9/27/2015, especially the Scripture verses asked to be read by Jesus - 2 Thessalonians 2:9-12. Reference to the 'chosen leader' being the Antichrist.*

■ **September 28, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Mournful Heart exposed. He says: "I am your Jesus, born Incarnate".

"My brothers and sisters, tomorrow on the Feast of St. Michael pray often throughout the day to him that he protects the heart of the world from so much self-interest and self-indulgence. This is the way Truth is compromised."

"Tonight I'm extending to you My Blessing of Divine Love."

■ **September 29, 2015 - Feast of the Archangels - St. Michael, St. Gabriel and St. Raphael.** St. Michael the Archangel says: "Praise be to Jesus."

"I have come to warn humanity against placing too

much power and authority in the hands of one person. This opens the door to tyranny and corruption. Many of these Messages speak of the abuse of authority and the compromise of Truth, which are so prevalent in a dictatorship. You must beware then, of a one-world government. Cling to the freedoms this country was founded on. Once you surrender your freedom to any man you cannot retrieve it."

"Do not depend upon technology or the economy. If you do, you will be more compromised in defending your freedoms. Consumerism is like a lullaby of complacency."

"Depend on Jesus, His Holy Mother and my protection to see you through every difficulty."

■ **September 30, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I tell you, the best preparation for the future is Holy Love in the present moment. The heart, so pre-disposed, faces every difficulty in and through the grace of My Immaculate Heart. Herein he finds his security. Every temptation is weakened. The grace of the present moment is the soul's strength in the present moment."

"In order to live in such a way, the soul must first decide to love more and to be purged of his errors in the Flame of My Heart. There is no other recourse so perfect in its remedy and direction towards a deeper love of God and neighbor. No one can increase in holiness unless he first recognizes his own shortcomings and corrects them. This is accomplished in the Flame of Holy Love which is My Heart and the First Chamber of Our United Hearts."*

* *Reference to the spiritual journey of personal holiness through the Chambers of the United Hearts. Through the graces received through the Vestibule of Grace, the soul with a sincere heart is ushered by St. Joseph into the First Chamber of the United Hearts which is the Immaculate Heart of Mary (and salvation), where the soul's glaring faults and failings are purged by the purifying Flame of Holy Love.*

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

October 2015

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints and angels appear on the property at Maranatha Spring and Shrine. The Messages given to the visionary, Maureen Sweeney-Kyle, lead the soul on a spiritual journey into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

FEAST OF OUR LADY OF GUADALUPE

Midnight Gathering on December 11th – AND – Promised Apparition on December 12th

Friday Services, December 11th – Vigil of the Feast of Our Lady of Guadalupe

7:00 PM: Prayer Service at the United Hearts Chapel.

11:30 PM: Meet at the United Hearts Field for a Midnight Prayer Service and to receive a Blessing from Heaven. (No apparition at this service.)

Saturday Service, December 12th – Feast of Our Lady of Guadalupe

2:30 PM: Meet at the United Hearts Field for a Procession, 3 PM Prayer Service, and Promised Apparition.

■ **October 1, 2015.** St. Michael returns. He says: "Praise be to Jesus."

"It is not my feast day today, but Jesus sent me back to ask all to continue to pray to me to protect the heart of the world which is so under attack by Satan and his fallen angels."

"Instead of concocting new reasons for events in the world such as global warming, learn to deal with the issues at hand which alienate the world from its Creator such as: abortion, same-sex marriage, abuse of power and the compromise of Truth. The more distant the world becomes from God, the more power evil is given."

■ **October 1, 2015 - Feast of St. Thérèse of Lisieux.** St. Thérèse of Lisieux says: "Praise be to Jesus."

"Every present moment holds a bounty of sacrifices to

be offered to God. These little sacrifices combine to become great graces for the soul and for humanity in general. Ask me and I will help you to discover these small sacrifices. Offer them with love."

■ **October 2, 2015 - Feast of the Guardian Angels.** Alanus,* my (Maureen) guardian angel, comes and spreads his wings out. They look like a rainbow. He says: "Praise be to Jesus."

"I have come to say that it is past time for good to be united against evil. People waste time opposing one another when all good should work together towards the victory of Holy Love in hearts. Once again, I tell you, if you oppose Holy Love, you are strengthening evil. Satan knows the intrinsic spiritual wealth of this Mission. That is why he encourages so much opposition. If Satan sees the

good assets of this Mission, I admonish those who are reluctant to open their eyes to the Truth."

"When you oppose Holy Love, you are opposing God."

** Alanus comes from the Latin, 'alanus', meaning 'wing of God.'*

Read Acts 5:38-39

"So in the present case, I tell you, keep away from these men and let them alone; because if this plan or this undertaking is of human origin, it will fail; but if it is of God, you will not be able to overthrow them - in that case you may even be found fighting against God!"

■ **October 2, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I'm asking you to persevere in the Truth, despite the wind of controversy which blows all around you. Do not be pulled off course by rumors and confusion, but remain in the Truth, where I am standing with you."

"Tonight, I'm extending to you My Blessing of Divine Love."

■ **October 4, 2015 - Feast of St. Francis of Assisi.** St. Francis says: "Praise be to Jesus."

"Truly I tell you, the heart intent on pleasing and impressing man is far from the Kingdom of God. Such a soul is easily compromised. True poverty surrenders every choice to the Will of God, holding back nothing for himself."

"These days, evil has taken over hearts through a disordered self-love aimed at pleasing self above all others and disregarding God and His Laws.* Free will has become its own God."

"To live in Holy Love means to allow God complete dominion over your heart - always conceding to His Laws."

** God's Laws - the Ten Commandments.*

■ **October 4, 2015 / Sunday Service - Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace.** *(This Message was given in multiple parts.)* St. Joseph is here and says: "Praise be to Jesus."

"Families must not be based upon falsehoods or decadent moral practices. If they are, they are not a firm part of the foundation in the heart of the world. A marriage, as God planned it, is between a man and a woman in cooperation with God towards the procreation of life. If there is any other interpretation of marriage and family, it is not of God."

"A strong family unit makes for a strong heart of the world - a world devoted to Truth through Holy Love. These

parts cannot be interchanged or compromised and still produce the same end result. Because families are being redefined these days, the heart of the world is compromised."

"Every family needs to be a cornerstone of Holy Love - in their communities, in their nations and in the heart of the world. When Holy Love is attacked in any family member, they need to invoke me under the title, 'Terror of Demons', and I will come to their aid."

"Tonight, I'm extending to you my Fatherly Blessing."

■ **October 5, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate".

"My brothers and sisters, always remain united in Holy Love, for herein lies your spiritual strength. Do not let Satan divide you - through uncharitable thoughts, words or actions towards others. In unity there is peace."

"Tonight I'm blessing you with My Blessing of Divine Love."

■ **October 6, 2015 / Tuesday Service - The Poor Souls in Purgatory and for world peace.** Jesus is here with His Heart exposed. He has bright lights coming out of His Hands and shining all around Him. He says: "I am your Jesus, born Incarnate".

"My brothers and sisters, pray for the grace to listen to My Mother's Message to you tomorrow with your hearts and to retain the words in your hearts, and to respond positively to what She is asking of you, for I have sent Her to you during these times, with these words that She will give you tomorrow."

"Tonight I'm extending to you My Blessing of Divine Love."

■ **October 7, 2015 - Feast of the Most Holy Rosary / 3:00 P.M. Service.** *(This Message was given in multiple parts over several days.)* Our Lady comes as Our Lady of Fatima and is surrounded by the Rosary of the Unborn. She says: "Praise be to Jesus."

"Dear children, thank you for answering My call to come here on the Feast of the Holy Rosary. If I could summarize the thirty years of Messages given this visionary, I would say they are all contained in the rosary. Every mystery is a reflection of Holy Love. The rosary is the anchor of the Remnant Faithful amidst a sea of lies and confusion. Entrust the faith of your hearts to Me, the Protectress of your faith, and do not be misled by those who do not know Me."

"Dear children, every rosary you pray from the heart is Heaven's weapon of mass destruction against evil. The evils of the day demand your attentive prayers, your aggressive prayers. Do not allow Satan to discourage you by way of hopelessness."

"The world without your prayers would be the definition of hopelessness. Evil would prevail in every heart. These days there are whole areas of the world where this is so. The news is filled with every sort of evil

plot and action on the part of individuals and certain groups. These cannot be explained away in any manner except to acknowledge Satan's influence over hearts. These events must encourage your prayers, not discourage them."

"Dear children, God has given you some good leaders, but their voices have been overpowered by the din of liberals. Many who are now in leadership roles are only politically motivated and do not lead towards the welfare of the world. This generation has been given the gift - the weapon - of the Rosary of the Unborn. Use it to defeat the evil that politics has put in place. It is your lifeline between free will and God's Divine Will. Do not allow the issue of the sale of body parts from unborn children to quiet down. This is a glimpse into the reality of the evil of abortion."

"Through the prayers of the rosary every evil that threatens life as you know it can be defeated. The rosary can expose the evil that is in hearts before it spills out into the world. A devotion to the holy rosary is a special sign of predestination."

"Dear little children, you do not realize the threat of evil all around you. You do not realize how much I need your prayers. Please join Me in the destruction of Satan's plans which begin by presenting good as evil and evil as good, and end in the condemnation of every soul. Devote the rest of your lives to Satan's defeat by praying the rosary."

"Solemnly, I tell you that within certain hearts there is the desire to create a New World Order, a One World Government, even a One World Religion. I have come to you today to plead for another common agenda - one of world prayer that evil is recognized and exposed. In a combined world prayer effort through the holy rosary, this can be accomplished. Only by recognizing evil can Truth be victorious."

"Let your rosaries unite and encircle the globe.* Never tire of giving Me one more 'Hail Mary' towards this cause. I am asking the holy souls in Purgatory to support you in this prayer effort."

"Today, on the Feast of the Most Holy Rosary, I come to you with Heaven's global call to arms. Yes, dear children, arm yourselves with the rosary - a simple but effective solution to earth's woes. Each one of you has been chosen to receive this call and to act upon it. This is a globalization not designed to hand over power to a few, but to all who will pray the rosary from a heart of Holy Love."

"It is my joy to be with you today and to tell you that I am taking all of your petitions into My Immaculate Heart to present them to My Son in Heaven. If you are living in Holy Love, dear children, you will find it easy to be united through the rosary, and this campaign to make the rosary a global weapon will be successful. Fear nothing but trust in God's grace."

"Today, I'm extending to you My Blessing of Holy Love."

** This is an urgent call by the Blessed Virgin Mary for a united worldwide effort - through prayer of the holy rosary*

- that all evil in the world be recognized by all hearts in the world and exposed as such.

■ October 8, 2015. Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, I come, as always, to bring you the Truth. Thank you for your perseverance in faith. We must not allow the Flame of Truth to be extinguished by unbelievers. The Global Rosary is Heaven's Divine plan to bring the Light of Truth to all people and all nations. Thus, you would all be united through the rosary in the Truth of Holy Love and together in My Immaculate Heart."

"This effort is so necessary today when Satan tries to divide you with his lies and hidden agendas. The soul who cannot distinguish good from evil is easy prey to be led astray; thus, the effort of the Global Rosary in support of the Truth. This effort can change the future."

"Pray the rosary daily for discernment of good versus evil. This is the effort which will free souls from the grasp of deception."

"Dear children, the power to receive this gift of discerning good from evil rests in your hands in the rosary."

■ October 8, 2015. Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"My daughter, I know when your heart is disquieted. You are asking if people can receive discernment through the prayer of the rosary, why do you need the Seal of Discernment and the Blessing of Truth. These two gifts which are given at the property here strengthen discernment which has already been granted through the rosary. There are certain preconditions to receiving discernment through the rosary. First, the rosary must be prayed from the heart. Next, the Commandments of Love - Holy Love - must be the Light of Truth which helps the soul to see what is evil. Thirdly, the soul must be open to the Truth and not judge according to preconceived self-interests or opinions."

"There is so much confusion in the world today that Jesus allows that the Global Rosary be used to dispel error and shed light on the difference between good and evil. It is not always possible to receive the strengthening of the Seal and the Blessing given here as a strength. However, anyone can pray the rosary as I have instructed from any area of the world."

"Use the rosary as your light in darkness."

■ October 9, 2015. St. Thomas Aquinas says: "Praise be to Jesus."

"This is an important endeavor - this Global Rosary for Discernment. The soul that cannot distinguish good from evil is in great peril. This is the way Satan overpowers souls - by making good look evil and evil to appear good. This is how he takes over the hearts of politicians, leaders within Church circles, and how he influences the media."

"Through this effort - the Global Rosary for Discernment - souls will begin to see how they are being

misled. The rosary, remember, puts power in the hands of those who pray it - not just recite it.* Allow yourselves to be empowered through the rosary. It is Heaven's solution to lukewarmness and complacency of spirit. Just as God has a plan for every soul and for the world at large, so does Satan. This is why the Global Rosary for Discernment is so important."

■ **October 9, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, study the messages over the last couple of days, beginning on the Feast of the Most Holy Rosary (October 7th). Commit to doing everything you can to propagate the Global Rosary for Discernment. Ask the angels to assist you. I, Myself, will bless your efforts."

"I'm blessing you now with My Blessing of Divine Love."

■ **October 17, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

Our Lady stated to Maureen the following: "It has been about one week since your fall. Jesus and I have been with you during this difficult recovery and will continue to do so. I pray for a complete recovery. Offer all the pain for the victory of Holy Love in hearts."

"Dear children, I invite you, with charitable hearts, to pray for My messenger here and that she makes a speedy recovery."

"Each one's life is but a collection of present moments stored up in an envelope and handed over to My Son at the soul's judgment. In this envelope are all the good and the bad choices the soul has made throughout his lifetime. Please fill your 'envelopes' with good responses to God's Graces. I, your Advocate, will help you."

■ **October 18, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, your physical healing is taking place slowly but surely. Your spiritual well-being has always been healthy. Allow Me to liken this to a country which may spend billions towards the physical well-being of its citizenry, while spiritually the heart of the nation remains

blind to the Truth."

"Such a nation cannot prosper for long, as its spiritual shortcomings will eventually result in moral decadence and its connection with God's Provision will become weaker and weaker. Eventually, such a nation loses sight of its dependence on God."

"Loss of the will to find and to pursue the Truth is like a spiritual plague that goes undetected - undiagnosed. Pray that the 'vaccine' of Holy Love is put to use against this moral decadence."

"I will return to be with you on My Feast of Guadalupe (Saturday, December 12th) in the Field of Our United Hearts."

■ **October 19, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"My daughter, you are making small, almost unperceivable progress towards your recovery. I invite you to understand that this is how Satan overtakes the heart of the world - little by little. You will, one day, see that you have made much progress. The heart of the world will, at some point in time, be given the light to see how far removed it is from the Light of Truth. But by then, it will be too late to reverse the effects of amoral choices."

"I come to offer to the world the confines of My Heart, which set apart from the world, protects and guides in Holy Love. I can do no more. It is you, My children, who must choose the Truth through Holy Love."

■ **October 20, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, I bring you many graces. It is grace which brings clarity and purpose to every situation. It is grace which exposes evil and encourages good. Ask for the graces you need to move forward with confidence and certainty. Ask daily for the grace to recognize the Truth; for without this grace souls are easily led astray."

"Ask for the grace to overcome discouragement and to look for small signs of hope. I am always with you in your every need."

■ **October 21, 2015.** "I am your Jesus, born Incarnate."

"I invite you to see the ways in which I am providing for you - through the devoted people around you, the fortuitous nature of your injury and the on-going prayers of so many. Then I invite you to trust. Do not think about what might be but what is."

"In a similar way, pray for souls to recognize their dependence upon Me. The heart of the world must move beyond self-reliance to surrender to the Divine Will. In this surrender is the replacement of self-indulgence with My Dominion over every heart. This is the surrender which I call Divine Surrender for it is cooperation between free will and the Divine Will of My Father. This Divine Surrender can change the course of human history."

■ **October 23, 2015.** "I am your Jesus, born Incarnate."

"Please understand the fullness of My Call - My Revelation of the Chambers of Our United Hearts. The

soul first responds to St. Joseph's invitation to enter the First Chamber which is My Mother's Heart - Holy Love. In this Chamber is the illumination of conscience, which the soul must respond to with a repentant heart. This First Chamber, then, is Mercy and Love. It is My Mercy which propels the soul through all the subsequent Chambers. It is Divine Love which draws the soul forward."

"These two - Mercy and Love - work together in each Chamber. Therefore, the Chambers are Vessels of Divine Love and Divine Mercy. As with any free-will decisions, the soul must choose Mercy and Love in order to respond and progress favorably in holiness."

■ **October 24, 2015.** "I am your Jesus, born Incarnate."

"Believe in Me as I believe in you. Our Hearts beat as one. I will never abandon you. In times of crisis, I am there. When the simplest of tasks become a challenge, depend on Me."

"In the world, hearts are divided - good versus evil; and yet these lines are not clearly defined. Deception has become the by-law of evil. It is as though My lambs are wandering closer and closer to a cliff and do not look to the Shepherd for direction. So I call to them, through these Messages of Holy Love. Satan makes a loud noise in protest, trying to drown out My call to My wandering lambs, but he will not succeed. The love I hold in My Heart for My wandering lambs will not permit Me to be silent."

"I pray more and more will listen to Me and turn away from the lies of so many to follow the Truth. The Truth is straightforward - never camouflaged or compromised to please man."

"Follow Me."

■ **October 25, 2015.** "I am your Jesus, born Incarnate."

"I am in your heart and you are in Mine. I tell you, do not take from any cross discouragement or fear of the future. Rather, let each cross encourage trust in My Provision. Then it is easy to surrender to My Father's Divine Will for you. I prescribe this course of action for each soul, for certainly it is the evil one who promotes fear in the heart."

"When you surrender to Me, I surrender to you - holding back no present moment grace. If souls could grasp this Truth, there would be no renunciation of good in favor of evil. Souls would try to please Me for the sake of Holy Love and you would have no crime, terrorism or ambition in the world. The heart of the world would not be self-seeking but would allow My Father's Will to take up domain as it should."

"How far the heart of the world is from this."

■ **October 26, 2015.** "I am your Jesus, born Incarnate."

"When you are completely dependent upon Me, you are strongest. When you trust upon your own strength, you are following a recipe for failure. Do you not know that your every need is in My Heart, often before you even grasp the length and depth of your needs?"

"Together we are a powerful team. You will not be fooled by poor leadership, if you remain close to Me.

Remain faithful to the Commandments of Holy Love. Obey Holy Love. The woes of the world can be attributed to betrayal of these Commandments."

"Pay attention to the moment-to-moment choices you make. The grace of the present moment is always the opportunity to choose good over evil and to recognize good versus evil. This is the greatest salvific grace."

■ **October 27, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"The greatest spiritual challenge today is to discern good as opposed to evil. This is so, due to the deception that surrounds many decisions in every leadership role. Deception is a form of disordered self-love as is every lie. The soul becomes more concerned with his own self-interests than in supporting the Truth. During these times, dear children, you must learn not to accept everything at face value, but look as to the way you are being led. Are you being led in Holy Love? Are you being led closer to God and in a way that shows loving support to others? Is your soul being nourished in Holy Love? Are the leadership decisions being made on your behalf supportive of the Commandments of Love?"

"If the answer to any of these questions is 'no' then you need to pray for new leaders - leaders who are Christ-centered. You need to pray for the courage to challenge erroneous leadership, calling them back to the Truth. I can advise you, but it is you who must act."

Read 2 Thessalonians 2:13-15

But we are bound to give thanks to God always for you, brethren beloved by the Lord, because God chose you from the beginning to be saved, through sanctification by the Spirit and belief in the Truth. To this He called you through our gospel, so that you may obtain the glory of our Lord Jesus Christ. So then, brethren, stand firm and hold to the Traditions which you were taught by us, either by word of mouth or by letter.

■ **October 28, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, I come once again to remind you of the qualities of a good leader. Sound leadership is the good fruit of a soul who lives according to God's Commandments which are embodied in Holy Love. A leader is compromised when he has difficulty determining right from wrong according to Holy Love. This is why, in today's world, the prayer of the Holy Rosary is so important in discerning good from evil. Without this recourse to My Immaculate Heart you are left to determine for yourselves the Truth apart from Satan's deception. The old serpent is far wiser than any human and knows how to trick even the most sincere heart."

"The grace of My Heart is bestowed readily upon those devoted to the Holy Rosary, dispelling confusion and defeating compromise. This same grace convicts the arrogant and persuades souls to return to the Truth. Perhaps you can better understand now the urgency of

My call for a world-wide effort to pray the rosary for the grace of discernment. Discernment is a grace - a gift - not something that is learned nor something to boast about."

■ **October 29, 2015.** "I am your Jesus, born Incarnate."

"I tell you solemnly, the woes of the world have increased and intensified in the form of moral degradation, violence and terrorism - all because My Heart is not allowed dominion over the heart of the world. The god of free-will choices has overpowered common sense and decency to the point of no life being safe and salvation not a common consideration."

"You have politicians lying their way into office and promoting agendas contrary to the Commandments. All of this is the bad fruit of souls not discerning good from evil. You cannot leave this discernment to others. Each one must choose according to God's Law and promote publicly his choices."

"I am not sent here by My Father for My welfare but for the common good. I come to show you the Light of Truth so that each one can follow the path of salvation without stumbling. Corruption and decadence must be brought to light in order for the Truth to come to light. Pray for the courage to do so."

■ **October 30, 2015.** St. Thomas Aquinas says: "Praise be to Jesus."

"In matters of faith, grace is always given for the soul to believe. However, the more the soul doubts - the weaker the grace. Please understand then, that intellectual pride is the villain in the spiritual journey. It is

this pride that seeks out reasons to believe or not to believe. It is intellectual pride which argues against faith."

"Self-righteousness is a form of intellectual pride. It is the attitude of having all the answers - a spiritual smugness. It is God who forms the intellect. It is man who uses it to his own disadvantage and vandalizes the purpose God has set in place for its every use."

"The intellect must be seasoned with Holy Humility and Holy Love for it to become a palatable fruit of Truth in God's Eyes. Otherwise, every sort of compromise can sneak in through the doorway of intellectual pride."

"Pray to Our Lady, Protectress of the Faith, to overcome any intellectual pride in your heart."

■ **October 31, 2015.** "I am your Jesus, born Incarnate."

"I have come to tell you that Satan uses devious ways to compromise the Truth. He is not always so obvious as to boldly proclaim a lie. Very often, he uses the tactic of silence in the face of error. Silence speaks boldly in the support of error. Many world leaders choose this tactic as their main line of defense against Truth causing confusion and resulting in compromise."

"I tell you these things so as to increase your vigilance in a world so fraught with the compromise of Truth. Be cautious in choosing whom you follow and whom you support. Many choices have long-term effects as to the future."

"The Censor of all Truth is Holy Love, for whoever opposes Holy Love does not stand for the Truth. Remember, no Truth opposes Holy Love."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

November 2015

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints and angels appear on the property at Maranatha Spring and Shrine. The Messages given to the visionary, Maureen Sweeney-Kyle, lead the soul on a spiritual journey into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

■ **November 1, 2015.** Our Lady comes dressed in gold. She says She is Queen of All Saints. She says: "Praise be to Jesus."

"Today, dear children, I come to address the topic of jealousy, for it is the root cause of many of earth's woes. Jealousy is the cause of much self-centered ambition which produces an unhealthy spirit of competition - not of God. Jealousy is the basis of all persecution. Jealousy is the cause of

so much compromise of Truth and abuse of authority."

"It is jealousy - based on insecurity - which encourages sins against God's Commandments. A jealous soul is never satisfied with what he has, but always wants more. He is always comparing himself to others - a great error if carried into spirituality, for it is God alone Who determines the distribution of graces."

"In order to overcome jealousy, the soul needs to take account of the many ways he has been individually blessed. No two graces are alike. Each soul is given an abundance of God's grace, unlike anyone else, to help him along the way. If the soul who is open to a jealous spirit begins to adopt a thankful spirit, he will make great strides."

■ **November 1, 2015.** St. Joseph says: "Praise be to Jesus."

"My brothers and sisters, families need to be under the umbrella of mutual respect - loving respect. If fathers would govern their charges in such a way, there would be an end to violence and crime. Children must be shown love in order to give love. Lead temperately, not with an iron rod."

"Fathers must be Christ to their children."

■ **November 2, 2015.** St. John Vianney, Curé d'Ars and Patron of Priests says: "Praise be to Jesus."

"I tell you, many a soul awaits deliverance from Purgatory because they practiced virtue to impress others. This defies humility and simplicity of heart. The practice of virtue needs to be between the soul and God. Do not try to portray yourself as a victim soul or as one who is all-knowing due to special gifts. Do not make yourself the center of conversation, but divert attention to others."

"Remain in the background as much as possible - always communing with God."

"To be holy means you care more about your relationship with God than what others think of you. This is humility and simplicity."

"Reach out to others in humility and simplicity."

■ **November 3, 2015 - Feast of St. Martin de Porres.** St. Martin de Porres says: "Praise be to Jesus."

St. Martin bows when he comes. His clothes remind me of the Curé d'Ars habit - rather shabby.

"I have come as the Lord prescribes. Remember, the Lord is not particular about outward appearances - He only looks at the heart. These days lend yourself to many rosaries. The state of the heart of the world is such that there is not any portion that is not desperate for God's intervention. Yet, when grace is offered, too often it is not acted upon or even goes unnoticed."

"Politics have taken over hearts in an unprecedented way, turning non-issues into great matters of division. Governments and leadership

roles have become black or white according to acceptance of good versus evil. People rarely place God and His Commandments first in their lives. Therefore, Satan holds sway over most decisions and situations."

"The rosary is a humble, yet powerful weapon. Satan knows this, but tries to conceal the dignity of this weapon, just as he tries to negate the good of this Mission. The enemy does not understand humility. Therefore, humility will defeat him. Pray the rosary as a humble recourse to the Heart of Our Lady. Jesus sent me to encourage this."

■ **November 4, 2015.** "I am your Jesus, born Incarnate."

"Very often it seems that life situations seem to be standing still yet moving forward rapidly. Subtle changes escape notice. Take for instance your own healing. It is easy to give into discouragement, yet much progress is being made."

"In the world, people have become complacent in their duty to obey and please God. It seems, on the surface, that God is pleased with whatever choices are made. All the time, however, poor moral choices are pulling the heart of the world farther and farther away from the Will of My Father. So while everything seems the same, there is rapid deterioration."

"Such paradoxes take their toll on the heart of the world. It is through Heaven's intervention the Truth of the matter can be revealed and a 'wake-up call' sounded. This is why these Messages must continue despite opposition. They must sound the alarm of Truth. Pray that people listen."

Read Acts 5:29

But Peter and the apostles answered, "We must obey God rather than men."

■ **November 5, 2015.** "I am your Jesus, born Incarnate."

"My Heart is the abode of peace which mankind seeks out in the world but cannot find. How I long to attract all of humanity to the peace of My Heart. As it is, erroneous opinions have taken over hearts. Lies are misrepresented as Truth. Truth is scoffed at."

"Yet I continue to come to this messenger, though every illicit attempt has been tried to silence Heaven's Words. I continue to extend My Merciful Hand and to draw souls back onto the path of

Truth. My Mercy is My Love and extends from generation to generation. This generation however, is the most arrogant of all. This generation allows itself to be misled through a disordered self-love."

"Return to Me and allow Me to lead you - quietly, gently and always mercifully. Savor My Mercy and My Love. I have reserved a special place in My Heart for each one of you."

■ **November 6, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Today you have distinctly two types of leaders - those who lead towards the general welfare of their followers and those who lead according to self-advantage, be it power, reputation or financial gain. When leaders fail, there is confusion amongst their flock. They know where and how they want to be led, but they do not see how to change the powers set in place. Leadership which falls into disrepute most often does not repent of error, but continues to mislead."

"This is why this Mission of Holy Love must exist today. Holy Love is the rock-solid anchor of faith and direction which is lacking in the world today. When so many fail to discern good from evil and follow a confused path away from Truth, Holy Love is here - always pointing the way of certain Truth and encouraging the prayer of the Rosary for Discernment. Holy Love is like a mother who is always present to her children - arms open and ready to embrace even the most rebellious child."

"Such a mother is not present to her children because others say it is acceptable. She knows what she must do to help her children and she does it."

"So it is with this Mission of Holy Love. It is present in the midst of confusion. It does not condemn, blame or reject those who oppose it. It just is present and ready to welcome lovingly the confused, the errant and the repentant heart."

"Holy Love is the stability of good and Truth in a world of confusion."

■ **November 7, 2015.** "I am your Jesus, born Incarnate."

"This is the Age of Great Apostasy. Now, more than ever before, faith is under attack. Yet the attacks are insidious, not obvious. Little by little sin is not so much of an issue and is rarely defined from the pulpit. A whole generation has lost the sense of right and wrong."

"My Mother came to you as Protectress of the Faith. This devotion could have saved countless souls and was earmarked for this generation, but the confusion of this age went into motion and Her title was deemed unnecessary."

"I come now to call you back to a firm faith - a faith secure under the protection of My Mother. Do not be tricked by Satan to think your faith should be based upon reason. Faith is Heaven's gift. It is the belief in something you cannot prove through logic. Seek My Mother's help in pursuing and maintaining a firm faith. She will not fail you under this title."

1 Timothy 4:1-2, 7-8

Synopsis: Scriptural prophecy of apostasy during the end times. Warning not to be fooled by human reason, but rely on faith, focusing always on growing in holiness.

Now the Spirit expressly says that in later times some will depart from the faith by giving heed to deceitful spirits and doctrines of demons, through the pretensions of liars whose consciences are seared. Have nothing to do with godless and silly myths. Train yourself in godliness; for while bodily training is of some value, godliness is of value in every way, as it holds promise for the present life and also for the life to come.

■ **November 8, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Once again I come to warn you of leaders who use ambiguous words in order to avoid clarity of meaning. This is how the line between good and evil has become so obscured. Such equivocation is intentional and meant to mislead."

"In the matter of sin, there are no gray areas. One cannot 'sort of sin', but only sin with the full consent of his free will. Knowledge of what is sinful must be the focus of those who lead spiritually. This is the responsibility of such leaders - not social justice or finances. Avoidance of sin and sinful situations is the first step in personal holiness."

"As I gaze upon the world today, I see tolerance of evil in thought, word and deed. I do not see the same tolerance towards many worthy efforts such as this Mission. I do not see tolerance of prayer in public places. I see evil being accommodated instead of being confronted. I watch legal systems supporting evil lifestyles."

"I use the meditative rosaries you say, My children, to help balance the scale of good versus evil. Without them I could no longer withhold My Son's Arm of Justice. Continue to pray with courage. Pray that Truth takes over the heart of the world."

■ **November 9, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I will tell you what living in the Truth means. The person who lives in the Truth can accurately discern good from evil. This is why I am here before you as Refuge of Holy Love. Holy Love defines good, as it is the fulfillment of all of God's laws."

"No one can re-define God's Commandments and claim to be living in the Truth. If you pander to or try to accommodate those who do not live in the Truth, you are supporting untruth and living a lie."

"It is so important today that leaders live in the Truth for these are the ones who have the ear of the heart of the world. If leaders do not support the Truth, it affects all who listen to them. This is how the line between good and evil becomes obscured. This is the root of many sins."

"My children, you must obey the Truth first and foremost. If those in leadership roles do not support good but encourage evil, do not follow them. Pray for righteous leaders."

Read 1Timothy 2:1-4

Synopsis: Pray for all leaders in high positions of authority that they lead a godly, respectful life conformed to integrity and Truth.

First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all men, for kings and all who are in high positions, that we may lead a quiet and peaceable life, godly and respectful in every way. This is good, and it is acceptable in the sight of God our Savior, who desires all men to be saved and to come to the knowledge of the Truth.

■ **November 10, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, you must live this way. Seek to please God and not to gain approval of man. This is an unselfish course to follow. In doing so, you must surrender love of reputation, material advantage and power over others."

"The more you live to please God alone the holier you will be. I continually pour grace into the world to help souls to realize this lofty goal."

"I do not come here to warn you of threats to world peace but to warn you of threats to your peace of heart. The heart is the reservoir of all that is acted upon in the world. Therefore, My call to each soul is personal holiness in the present moment, for this is the way to avoid wars, terrorism and every sort of violence instigated by error in hearts. God sees every attempt to live in peace and to please Him through obedience to His Commandments. Where you disobey, the Father permits error to spill out of hearts into the world. This is also the doorway to natural disasters. Understand the importance then of your every effort to please God in the present moment. Love Him more than man of earth. Seek God's approval - not man's."

Read 1Thessalonians 2:4

...but just as we have been approved by God to be entrusted with the gospel, so we speak, not to please men, but to please God who tests our hearts.

■ **November 11, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Every sort of problem has befallen your nation due to lack of leadership, poor leadership and immoral choices. I implore Christians to pray that hearts begin to discern good versus evil in their choices of leaders and in what they are following."

"You, as Christians, must be steadfast in your loyalty to God's Commandments and expect that of your leaders, as well. Anything less is evil and Satan's compromise. You can see how Satan has provoked the legal system into making decisions affecting morality. His next step is to promote political candidates who are even more morally degenerate than those already in office. In short, Satan is promoting a moral collapse of this once great nation based upon man's inability to recognize evil."

"My children must be the ones to draw attention to these errors. Silence only encourages more bad choices and opens the door to more evil. Your strength is in recognizing Satan's handiwork and opposing it."

Read Ephesians 6:10-17

Synopsis: St Paul's Armor of God prayer for

Christian spiritual warfare in battling against the forces of moral evil.

Finally, be strong in the Lord and in the strength of His Might. Put on the whole armor of God, that you may be able to stand against the wiles of the devil. For we are not contending against flesh and blood, but against the principalities, against the powers, against the world rulers of this present darkness, against the spiritual hosts of wickedness in the heavenly places. Therefore take the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having girded your loins with Truth, and having put on the breastplate of righteousness, and having shod your feet with the equipment of the gospel of peace; above all taking the shield of faith, with which you can quench all the flaming darts of the evil one. And take the helmet of salvation, and the sword of the Spirit, which is the Word of God.

■ **November 12, 2015.** St. Thomas Aquinas says: "Praise be to Jesus."

"All Truth is based upon the recognition of good as apart from evil. This is so, for any lie is based upon deceit, which is evil. No one lives in the Truth apart from God's Commandments."

"So you can understand how important discernment is in this age when Satan's trickery is accepted as Truth. Governments, laws, even some spirituality is based upon the foundation of evil which is misrepresented as Truth."

"The Messages of Holy Love form a protective barrier against evil hypocrisy. Pursue the Truth of Holy Love and do not be persuaded against God's Commandments to gain any merit in the world - not popularity, material gain or power."

"The soul who cannot determine good from evil is easy prey for Satan. Pray the rosary for proper discernment during these confusing times."

■ **November 13, 2015.** St. Thomas Aquinas says: "Praise be to Jesus."

"I come once again to address the subject of discernment. Discernment is so vital in living in the Truth. These days, Truth is so under attack and even disregarded to suit personal agendas. Too often rash judgment masquerades as Truth. Facts are not verified, but accepted at face value. Every untruth leads to more confusion."

"This is why false discernment - discernment not based upon Truth - is like a Trojan Horse. It appears to be good but under the surface it shields destruction. True discernment is a gift from God and not a reflection of the intellect. It does not arise from human reasoning, but from the Holy Spirit - the Spirit of Truth. Truth can only come into the heart that defines good apart from evil."

"It is easy to be misled these days when false reputations and titles are so trusted and used to diffuse evil. Ask the Blessed Virgin to assist you in this elusive gift of true discernment."

Read 2 Timothy 4:1-5

Synopsis: Presbyters charged with preaching the Word of God must do so according to the sound doctrines of the Church. In dealing with those who turn away from the Truth and follow false doctrines, presbyters must be watchful in all things, discerning and rebuking those in error with all patience fulfilling their ministry of preaching.

I charge you in the presence of God and of Christ Jesus Who is to judge the living and the dead, and by His appearing and His Kingdom: preach the Word, be urgent in season and out of season, convince, rebuke, and exhort, be unfailing in patience and in teaching. For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own likings, and will turn away from listening to the Truth and wander into myths. As for you, always be steady, endure suffering, do the work of an evangelist, fulfill your ministry.

■ **November 14, 2015.** "I am your Jesus, born Incarnate."

"Yesterday the world saw portrayed before it the evil which lies under cover in hearts. These types of events will continue until the heart of the world is committed to the Truth - the Truth of what is good versus what is evil. This is the key to world peace - not weaponry, not diplomacy, not false promises."

"The titles given here, 'Protectress of the Faith', 'Refuge of Holy Love', and 'Mournful Heart of Jesus' are all a call to return to this Truth. So you can see more clearly now why praying the rosary for discernment of this Truth is so important. This

must be a worldwide effort and must be at the forefront of every personal, national and worldwide agenda for it to succeed."

"Discernment is the first step to peace and salvation. The next step is the most important. It is choosing good over evil with free will. This choice cannot be made wisely unless discernment is in place first."

"You do not have time to resist what I am telling you today for lack of approvals or endorsements. Evil has been set in place in hearts around the world. As long as Satan can misrepresent evil as good, there is imminent danger."

"Do not hold this message captive in your heart. Set it free and make it known."

■ **November 15, 2015.** "I am your Jesus, born Incarnate."

"These days, evil has been emboldened by twisted, convoluted thinking. Human life holds little value in the eyes of many. The freedom to pray in public places or to display the Commandments has become a transgression of freedom instead of a God-given right. Many resort to violence to solve inner anger instead of turning to Me for help in their struggles. False religions have carried hearts away from the Truth."

"I remind you that prayer changes things. During these times when evil is flourishing under the guise of good, you must have faith that your rosaries are enlightening hearts as to the difference between good and evil. The conversion of one heart at a time makes a difference in the overall picture. Every conversion is weakening Satan's grasp on the heart of the world. Every faith-filled 'Hail Mary' holds the power to stop aggression and to reveal the Truth where it lies hidden. Therefore, have hope that your prayers count and do not surrender to discouragement."

Read Jude 17-23

Synopsis: Christian admonition to persevere in prayer and in God's Love welcoming always the Mercy of Jesus Christ that leads to Eternal Life. Beware of those who confuse your faith, be on guard of those in error, seeking always to rescue them from the eternal fire through your prayers.

But you must remember, beloved, the predictions of the apostles of our Lord Jesus

Christ; they said to you, "In the last time there will be scoffers, following their own ungodly passions." It is these who set up divisions, worldly people, devoid of the Spirit. But you, beloved, build yourselves up on your most holy faith; pray in the Holy Spirit; keep yourselves in the love of God; wait for the mercy of our Lord Jesus Christ unto eternal life. And convince some, who doubt; save some, by snatching them out of the fire; on some have mercy with fear, hating even the garment spotted by the flesh.

■ **November 16, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

Our Lady comes as Refuge of Holy Love with a globe in front of Her. She says: "The world will not be safe or at peace so long as radical Islam is in hearts. This ideology promotes terror and the annihilation of all who do not share their beliefs. This is the personification of evil and the enemy all must recognize and combat."

"There can be no compromise or negotiation with such evil. It is critical that all understand this. Pray that those who follow such error be converted. The terrorists are My children too. They are misled in their beliefs and certainly do not distinguish good from evil."

"This is why during these times the Consecration of the heart of the world to Our United Hearts is so vital to peace and security. It is why your rosaries for discernment are necessary against the propagation of false teachings. Each one of you has a role in the future of the world through your prayers and sacrifices."

The globe becomes illuminated and She leaves.

■ **November 16, 2015.** St. John Vianney, Curé d'Ars and Patron of Priests says: "Praise be to Jesus."

"If you do not recognize the enemy of your soul, you cannot combat him. If you do not combat him, your path of personal holiness is obstructed. Therefore, teach yourself to avoid anything which opposes Godliness and Holy Love. Avoid such people or situations. Pray against any such temptation."

"I must add, many vocations are destroyed when souls do not pay heed to what they lend credence to in the present moment."

■ **November 17, 2015.** "I am your Jesus, born Incarnate."

"This is an evil age; an age when what has laid hidden in hearts is now being brought into the light. Once again I tell you, if you do not recognize the enemy, you empower him. Once again I warn you that leaders must stand united against the common enemy which these days is radical Islamic terrorism. Leaders that do not do so open the door to horrendous acts against humanity."

"My Mother told you before that this would be a year when you would need to seek security in the Refuge of Her Immaculate Heart. This is proving a reality in the midst of chaos and violence. My Mother's Heart is omnipresent to even the most errant sinner. All you need do is seek Her protection. She is your consolation in any time of need."

"Pray that the world unites in Holy Love and conjunctively opposes evil which is so evident in acts of violence in the world today."

■ **November 18, 2015.** "I am your Jesus, born Incarnate."

"I tell you solemnly, you cannot keep peace in the world by trusting those who are untrustworthy. To do so, jeopardizes peace and opens the door to persecution, the compromise of Truth and the abuse of authority."

"Leaders must lead according to the Truth, not with an eye towards any self-gain or concern for reputation. You cannot placate or negotiate with evil. Evil opposes Truth. You cannot make peace with evil."

"Today in the world evil has the name of ISIS. That is the enemy you must oppose. Do not waste your efforts on trying to control the climate which is under My Domain. Place your trust in Me and pray for the conversion of those who live in untruth."

"The salvation of souls should be the main concern of everyone. True peace comes only through living in Truth."

■ **November 19, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"These days there is so much uncertainty in people's actions. Motives are based upon evil premises - not good. It is very easy for fear to grip the heart. I offer you the Refuge of My Heart, dear children, which is full of grace and love. Do not depend on the erratic and unpredictable actions of

man. Depend on God, Who seeks only your welfare."

"You have turmoil in the world due to man's dependency on himself and his willingness to follow every type of error. I am calling you into My Heart - your Refuge and your strength. Enter herein through the prayer - '*Mary, Refuge of Holy Love come to my aid.*' I will refuse no one."

■ **November 19, 2015.** I (Maureen) see a Great Flame which I have come to know as God the Father. I hear His Voice say: "I Am the Eternal Father. I Am Who Am. Before any false religion, I Am. Mankind cannot survive apart from My Commandments. He will destroy himself. Turn to Me all who seek fulfillment of self and allow Me - your Creator - to fill you with Truth."

"If you abide in My Commandments, you will have the Truth, the Truth of the difference between good and evil. This Truth is the foundation of your salvation."

"All of earth's woes are the by-product of not recognizing this Truth. Respect My Commandments. Do not search out far-fetched solutions to problems you created yourself. Return to the Truth I call you to follow."

■ **November 20, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"These days it is considered a conservative stance to identify evil as evil. Even as evil becomes more flagrant in the world, many deny its threat and potential danger. There is the tendency to vilify good and Truth. Take for instance the general attitudes towards this Mission of Truth."

"However, Truth has its way of surfacing and coming to light. Placating evil is not the solution. In doing so, the potential harm of evil acts in the world is highly likely. You cannot befriend evil for it will always seek its own advantage despite any accommodation."

"You must recognize and oppose your enemy in order to be protected from him. Arm yourselves with your rosaries. Pray for worthy leadership - leadership that is not concerned for political gain, but for the welfare of its followers. Peace will never visit earth through negotiating with evil. You must pray for wisdom in the hearts of your leaders. Pray that they realize they cannot achieve peace by naively accepting the lies of those with evil intent. Pray that worthy Missions such as this are not

obstructed by the abuse of authority, but supported and encouraged as a strength."

"Dear children, Satan has used the compromise of Truth to rise to positions of influence. The time is at hand when he does not even need to conceal his actions as they are not vehemently opposed but tolerated - even accepted. We must change this together. I will pray with you each time you say a 'Hail Mary'."

■ **November 21, 2015 - Feast of The Presentation of the Blessed Virgin Mary.** Our Lady comes in white. She says: "Praise be to Jesus."

"Today, dear children, you celebrate My Presentation in the Temple. I went joyfully to the Temple with My Holy Parents* at age 3. I desire you know that I present each one of My children who is devoted to the Holy Rosary to My Son at their moment of judgment. I speak in support of these children of Mine and surround them with grace. Many angels also surround them in gratitude for all the rosaries said during their lifetime."

"I wish in a similar way to present the heart of the world to My Beloved Son in each present moment. I desire the heart of the world gain merit for a devotion to the Holy Rosary. But alas! This is a heart that has accumulated many offenses against the Commandments of Love. This is a heart of skepticism and hatred - a heart that believes in human effort and not the Divine. The heart of the world has placed much distance between itself and the Heart of My Son."

"Those of you who are devoted to the prayer of the rosary must answer My call to pray for the conversion of the heart of the world. It is only then that moral degeneration will stop and human life will be respected."

* *St. Joachim and St. Anne*

■ **November 22, 2015 - Feast of Christ the King.** Jesus appears seated on a throne. He has a crown on His Head. Rays of light are all around it. He says: "I am your Jesus, born Incarnate. I am King of All Nations. My Reign is from age to age and from generation to generation. Nothing escapes My Gaze."

"You must realize in this age that the solution to the mounting evil is Holy Love in hearts. Rhetoric is not the solution nor is weaponry. For this reason,

these Messages must continue to be propagated. Watch for any sign that Holy Love is victorious in hearts, such as the defeat of abortion or even a recognition of its evil. The awakening of freedom to pray in public is another sign of victory. Any evil that weakens the family unit weakens the power of good in the heart of the world."

"Today I beseech each soul to allow My Dominion over their hearts and to live the victory of Our United Hearts through Holy Love. Peace will not be present in the world until good is victorious over evil. Pray for this."

■ **November 23, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"This is a Mission sent from God to change what is in hearts. Perhaps it is apparent now, in the face of all this terrorism, that hearts govern actions. When My Son returns, all hearts will embrace Holy Love. Until then, I must use you, My dear children, to spread Holy Love around the world."

"The error embraced by the heart of the world is greater than ever before. God no longer has dominion over thoughts, words or actions. Most do not recognize evil or even try to separate good from evil. For years Heaven has been telling you that what is in hearts spills out into the world. Thus you have wars, violence, terrorism and a general sense of confusion. These errors can only be recognized and defeated through man's cooperation with his Creator."

"I cannot stress enough the importance of the rosary as the weapon of these times. With the rosary hearts can be convicted in the Truth, covert plans can be revealed and the enemy recognized and defeated."

"Jesus has given you the grace of these Messages which have continued despite opposition. Be wise enough to listen - to act as you are being led by Heaven and to propagate these Messages."

"What you witness in the world today is a theological war. Be the image of Holy Love, thereby standing up for the theology of Truth."

Read 1 Thessalonians 2:13

And we also thank God constantly for this, that when you received the Word of God which you heard from us, you accepted it not as the word of men but as what it really is, the Word of God, which is at work in you believers.

■ **November 23, 2015.** Our Lady comes with the Mournful Heart of Jesus in Her Hand. She extends Her Hand to me (Maureen). She says: "Praise be to Jesus. Please transcribe this prayer."

"Most Mournful Heart of Jesus, assist me in discerning good from evil. Help me to recognize the abuse of authority and the compromise of Truth. In this way, be my protection. Amen."

■ **November 24, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Today, you must realize that it is the compromise of Truth in hearts which threatens world peace. Truth becomes compromised when hearts accept Satan's lies as Truth. There are many false religions in the world during these times - religions which are pagan and even encourage terrorism. Religions such as these embrace evil and oppose God's Commandments of good."

"In your hearts, dear children, always embrace good, which is God's Truth. There is no one in the world today who knows the time and dates of specific happenings which will unfold on earth as the Book of Revelation so describes. Only the Father knows these things. Do not be tricked into thinking you have more or less time to repent than you do. Make every present moment a gift to God by your efforts in Holy Love. Pray for those who are deceived."

■ **November 25, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Today, in the world there is a mindset amongst many that differences of opinion can be settled with violence. With some, it is considered justified on the basis of false religious beliefs. The conscience of the world is becoming callous in regards to the sanctity of life. This all began with birth control, which placed in the hands of man the decision to reject life in the womb. As erroneous religious beliefs surfaced, they did not seem so shocking to the hardened heart of the world. Now you have the bad fruit of such disregard for human life in every manifestation of violence in every walk of life."

"I come to help you to see that bad choices only lead to more bad choices. There are no gray areas between good and evil. You must not accept evil out of mercy for the sinner. With mercy, evil must be identified and opposed. Be courageous as the

war between good and evil wages on in hearts and in the world. No soul is free of this struggle. The ability to identify evil as evil is crucial to each one's salvation. Therefore, you must pray for this grace. Pray that leaders receive it and recognize it, as well."

"The hope of a secure future lies in recognizing and opposing evil."

■ **November 26, 2015 - Thanksgiving Day.** "I am your Jesus, born Incarnate."

"You have been thanking Me all morning for many things. Now I wish to tell you what I am thankful for. I am thankful for every prayer ever offered - most especially for prayers for genuine peace in hearts through Holy Love. I am thankful for the conviction of hearts in the Truth of the difference between good and evil. I am thankful for this Mission and everyone in it who is dedicated to the Truth. I am thankful that these Messages are still being propagated despite the attempts of abusive authority, for the Messages offer spiritual leadership. I am thankful for those who believe despite opposition."

"I am thankful for every small sacrifice. None are too small. I am thankful for those who wisely identify evil leadership and stand up for the Truth. I am thankful for every attempt to conquer moral degeneration and to combat liberalism."

"Today I am asking My Father to allow the Blessing of Truth* to penetrate even the most hardened and confused heart, convicting such hearts in the error of their ways."

** For information on the Blessing of Truth see Messages from Jesus given on September 16, 17 and 18, 2014*

■ **November 27, 2015.** "I am your Jesus, born Incarnate."

"These days there is much talk about climate change and global warming. I am here to say that there is a climate change, but it has nothing to do with weather patterns. The spiritual climate in the world is one of free will rules and God's Divine Will is of little account. There is a climate of moral degeneration supported by politicians, mass media and even the legal system itself. All of this is reflected in fashions, music and entertainment. Sound moral teachings are difficult to find. A whole generation has been compromised."

"But, I tell you, this Mission is here to call souls

back to the Truth. The Truth I offer to you is the Truth between good and evil. This is highlighted in Holy Love which is the embodiment of the Ten Commandments. Outside of this Truth there is no salvation. The foul climate of compromise and confusion takes over. You must place Holy Love over you like an umbrella of protection, shielding you from the storm of compromise."

"All around you may be storm clouds of decisions, but with the umbrella of Holy Love I am protecting you. Do not fear but trust in the grace of Holy Love. Fear discounts the action of grace. I desire you depend on grace which is always a sign of My Mercy."

Read Wisdom 17:12

For fear is nothing but surrender of the helps that come from reason.

■ **November 27, 2015 - Feast of the Miraculous Medal / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** I (Maureen) see a golden Miraculous Medal, then I see Blessed Mother step out of the medal.

Our Lady says: "Praise be to Jesus."

"The greatest miracle in the world, dear children, is the conversion of one heart through Holy Love."

"Please make this known."

"Tonight I am blessing you with My Motherly Blessing."

■ **November 28, 2015.** Our Lady appears as She is shown on the Miraculous Medal. She says: "Praise be to Jesus."

"Dear children, as this liturgical year winds down and another begins, I caution you not to strike up compromises with liberalism. Always seek to please God first and foremost. Leaders must be wary of everything which redefines any sin."

"The Church is structured in a way to bring souls to their salvation. Do not make the mistake your country is making in allowing everyone in no matter the consequences. You cannot seek to identify with any other religious group and still remain the same entity."

"Remain faithful to personal holiness in this coming year. Pray the rosary. It is your anchor in the stormy sea of controversy. My Protection rests

over you and your faith."

■ **November 29, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"These are the times of great apostasy - times when matters of faith are being explained away by human reason. This has been shown here when My Title 'Protectress of the Faith' was deemed unnecessary by those in power.* Now today, the souls of firm and abiding faith are in the minority."

"Though this is an Ecumenical Ministry for all people and all nations, many Catholics attend services here and rightfully so. Therefore, I come to tell you, your faith is under attack. Your belief in the Holy Eucharist is under attack. There is division amongst cardinals, bishops and priests."

"To all Christians I warn, sin is now redefined and the lines of sin are obscured. You, too, should pray for My Protection. I am the Mother of all humanity."

"Unity cannot be based upon error - by good conceding to evil. You cannot change sin to be acceptable in God's Eyes."

"Return to the basics of faith and cease searching for new ways to woo sinners back into the fold through the compromise of Truth."

"Dear children, do not be intimidated by the numbers or titles of those who do not believe. Stand firm in the faith and believe in the Truth."

** 1987 - Sought approval of title, Mary, Protectress of the Faith as requested by Blessed Mother; March 1988 - Request dismissed by the Diocese of Cleveland Ohio.*

Read 2 Thessalonians 2:13-15

But we are bound to give thanks to God always for you, brethren beloved by the Lord, because God chose you from the beginning to be saved, through sanctification by the Spirit and belief in the Truth. To this He called you through our gospel, so that you may obtain the glory of our Lord Jesus Christ. So then, brethren, stand firm and hold to the Traditions which you were taught by us, either by word of mouth or by letter.

■ **November 30, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"God's Provision is most profound upon those who are devoted to His Divine Will. It is with these souls He is free to act and lead as He wills without

interference from man's free will. Souls must not be temperate in their devotion to God's Will for lukewarmness weakens their recognition of the path God is leading them upon. It is then the Truth becomes compromised and the soul opens his heart to apostasy."

■ **November 30, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Mournful Heart

exposed. He says: "I am your Jesus, born Incarnate".

"My brothers and sisters, those of you who can discern good from evil must not be alarmed when you see the evil that is in hearts of world leaders today. Pray, for prayer is the way out of every situation. Circumstances can change and good can be victorious still."

"Tonight I'm extending to you My Blessing of Divine Love."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

December 2015

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints and angels appear on the property at Maranatha Spring and Shrine. The Messages given to the visionary, Maureen Sweeney-Kyle, lead the soul on a spiritual journey into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

■ **December 1, 2015.** "I am your Jesus, born Incarnate."

"As this liturgical year begins, let this be the year that you come closer to Me and grow deeper in holiness. No one is as close to Me as they can be. No one has all the answers, no matter his station in life. You are making progress if you are always searching out the Truth between good and evil. This is the only way to avoid the brambles of pride on the road to perfection."

"Step aside from self-interest, self-aggrandizement and love of worldly allurements. Focus on Holy Love - love of God and neighbor. Worldly possessions are passing, as is your life in this world. Do not love your reputation or your opinions. Place the needs of others first in your heart."

"These are all steps you must take if you desire to come closer to Me."

■ **December 2, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I am here as your Queen of all hearts and, therefore, Queen of Peace. Dear children, in the world today you have what is purported as a high-powered meeting taking place in an attempt to control the weather. How foolish is man to believe this is within his grasp, when he cannot even pursue peace in all hearts due to the stubbornness of free will?"

"Mankind thinks he knows how to control the ins and outs of every situation, but he discounts God's Divine Will. You have always had weather patterns in the world. They come and go as they have been for centuries, without mankind's sophisticated analysis. You have always been under the auspices of God's Permitting Will and His Mandating Will. Wouldn't it be wiser for national leaders to come together in

an attempt to align the heart of the world with God's Divine Will? It is God you need to please and to depend upon - not your own intellectual pride."

■ **December 3, 2015.** "I am your Jesus, born Incarnate."

"So long as there are doctrines in hearts which oppose Holy Love, you will never have genuine peace in the world. The answer is not gun control or feigned control of the climate. The answer is unity in Holy Love."

"Until the heart of the world listens and surrenders to Holy Love, you will have these acts of violence occurring in the world. Leaders need to work together to promote love of God and neighbor, setting aside political ambitions."

"The future of life as you know it rests on the surrender of the heart of the world to Holy Love."

■ **December 4, 2015.** "Mary, Refuge of Holy Love says: "Praise be to Jesus."

"These days, people are more concerned with being politically correct than in identifying and combating evil. This attitude has led to much confusion. There is no unity in confusion. Evil, on the other hand, is united towards the total destruction of good. This lack of purpose on the part of those who claim righteousness is claiming lives and chipping away at security of heart and nations."

"You must not think that peace and security will come to you by accommodating evil. Hearts must change for actions to change. You must pray, dear children, for the victory of Truth in all hearts. I speak once again of the Truth between good and evil. The taking of human life is always evil. Do not compare the murder of innocent people to being

politically correct. God is on the side of Truth - not compromise. Courageously stand up for the Truth."

■ **December 4, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please trust that I am providing for you in the most desperate situations. Let that be your security - not what people are doing in the world for or against peace."

"Tonight, I'm extending to you My Blessing of Divine Love."

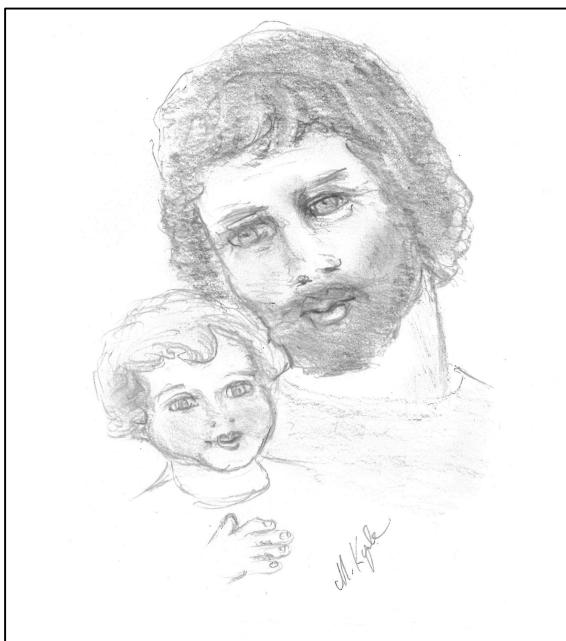

■ **December 5, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"The reason there is so much insecurity in the world today is that evil hides under the cover of darkness in hearts. This is the reason that this Mission is in the world today - to change hearts. Anything in hearts which betrays Holy Love is not of God, but of evil. When souls do not recognize this, the door is opened to even greater error."

"Those who accept Holy Love and try to live by it are My Holy Remnant Faithful. It is you, My dear children, who wisely pursue the path of Truth, ferreting out good as opposed to evil. It is this Holy Remnant that stands firm when their faith is attacked and recognizes evil as evil. It is this Holy Remnant that will not succumb to the confusion of the day."

"I count on this Remnant Faithful to influence the hearts of unbelievers thus weakening Satan's grip on the heart of the world. You, My children, must be the light of Truth in a confused world."

■ **December 6, 2015. Sunday Service - Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace.** St. Joseph is here and he is holding the Baby Jesus.

(Sketched by Maureen Sweeney-Kyle on Dec. 6, 2015)

Jesus says: "I am your Jesus, born Incarnate." St. Joseph says: "Praise be to Jesus."

St. Joseph continues and says: "The heart of the world can only change if the heart of the family changes and is based on Holy Love. When the family is founded on Holy Love, so too is the community. A healthy, spiritually well-bred community leads to good leaders and healthy nations which abide in Holy Love."

Tonight, I'm extending to you my Fatherly Blessing."

■ **December 7, 2015.** "I am your Jesus, born Incarnate."

"These days, you are living in an era of great apostasy due to Satan's deception. Many whom have left the faith do not even realize they have done so. This attitude lends evidence to the lack of Truth in hearts as to the difference between good and evil."

"If you are living in the Truth, you stand watch over your heart safeguarding it from any sin. The Truth promotes love in your heart - love of God and neighbor, which is Holy Love."

"Choosing evil is very often insidious. The soul is led to rationalize sin making his choices to seem less important. He may even justify his wrong-doing by comparing it to the even greater sins of others."

"Each soul, however, is judged on his own merits and upon the circumstances of his choices between good and evil. Today, there are many life-changing choices to be made. Choose wisely."

Read Romans 16:17-20

I appeal to you, brethren, to take note of those who create dissensions and difficulties, in opposition to the doctrine which you have been taught; avoid them. For such persons do not serve our Lord Christ, but their own appetites, and by fair and flattering words they deceive the hearts of the simple-minded. For while your obedience is known to all, so that I rejoice over you, I would have you wise as to what is good and guileless as to what is evil; then the God of peace will soon crush Satan under your feet. The grace of our Lord Jesus Christ be with you.

December 7, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace. Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, the hope for peace in the world, peace on earth, depends on the conversion of the heart of the world to Holy Love. I have told you this many ways. Pray for it."

"Tonight once again I'm blessing you with My Blessing of Divine Love."

■ **December 8, 2015 - Solemnity of the Immaculate Conception of the Blessed Virgin Mary.** Our Lady comes all in white with many angels. She says: "I am the Immaculate Conception. Praise be to Jesus."

"I come to you as Mother, Mediatrix, Advocate and Refuge of Holy Love. None of these titles of Mine have received ecclesiastical approval, but all are worthy. Man's concept of Truth does not change the Truth."

"How I long to take the heart of the world into My Heart - Refuge of Holy Love. Mankind gains no merit by questioning

all that I offer. He only becomes more confused. Surrender to Holy Love does not weaken the soul but strengthens it. I can invite but I cannot decide for you. I can challenge you to surrender, but only you can do so. In your acceptance of Holy Love as a way of life - a path to salvation, is your surrender and your victory."

"I pray for this victory in each and every heart."

■ **December 8, 2015 - Solemnity of the Immaculate Conception of the Blessed Virgin Mary.** *(This message was received while at prayer during the Hour of Grace.)* Our Lady comes as Rosa Mystica. She says: "Praise be to Jesus."

"Dear children, I have come once again to plead for your prayers, sacrifices and acts of penance. Without your efforts the world is headed down a path of self-destruction. Many dangers are hidden in hearts. Pray that these forces of evil are revealed and identified before it is too late. I can warn you, but I cannot make you listen."

■ **December 9, 2015 - Feast of St. Juan Diego.** St. Juan Diego comes. He says: "Praise be to Jesus."

"Please continue as I continued - drawing attention to Our Lady and why She comes. These days, while plans are bandied about as to how to bring peace into the world, there is nothing more important than what Heaven is saying here and making it known."

■ **December 11, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, there is much time, energy and preparation put into the coming holiday season. I have come to help you see that the greatest effort needs to be in preparing your own heart for My Son's Presence within you on Christmas Day. This is what Jesus longs for and anticipates with joy as the great day approaches."

"No one can do this for you. You must decide to remove from your heart any distraction that keeps you from union with the Infant Jesus. He so much longs to be with you - each of you in a special way. Surrender to Him each day all your worries and concerns. Each day there should be less and less to surrender. I, your Heavenly Mother, will help you."

■ **December 11, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, each of you can make a difference towards the conversion of the heart of the world. Do so by searching your own hearts and finding one area where you can be more aligned with God's Will."

"Tonight, I'm imparting to you My Blessing of Divine Love."

■ **December 12, 2015 - Feast of Our Lady of Guadalupe / 3 P.M. Service.** *(This Message was given in multiple parts over several days.)* Our Lady comes as Our Lady of Guadalupe. She says: "Praise be to Jesus."

"I come once again on My Feast Day of Guadalupe just as I did in ages past. I come to lift the fog of confusion from the heart of the world and to help mankind to respond to

God's Dominion over him. During these times, Jesus holds those who worship false gods more responsible for their errors than He did with the pagans of the past, for all are privy to the Truth so easily through modern technology. Therefore, ignorance of the Truth is not a vindication."

"Acts of terror in the world today are paralleled by terror in the womb. Both of these forms of violence are the free will choices of peril for all of mankind."

She is now holding the Mournful Heart of Her Son. "My Son's Heart mourns beyond comprehension the abuse of leadership in the world today. Leaders have departed from the Truth of the Commandments and are promoting false concepts and concerns not of God. Yet My visits here and warnings go unheeded."

"Dear children, you must set your priorities in order. While you are concerned with weather patterns, the moral climate in the world is deteriorating rapidly. You are worried about the borders of your country being secure. This deserves your attention. But you must secure the boundaries of your hearts in choosing good over evil. If you cannot do so, the Truth will escape your grasp and your hearts will be invaded by evil."

"If the moral climate is reversed, you will see many graces poured into the world - graces I long to pour into your hearts and your lives."

"Dear children, make no mistake, the collapse of Truth in hearts means the intrusion of compromise. Remember, evil is often disguised as good. This is often accomplished in the words used to present evil as good. Mercy is not mercy if it redefines sin as good. Mercy forgives sin but never approves of sin. Mercy never encourages the ongoing commitment to sin."

"In the Catholic world, the 'state of grace' is still and must be the prerequisite for reception of the Blessed Sacrament. This cannot be changed to accommodate mankind."

"In the world today, there are two opposing schools of thought - one liberal, the other conservative. These conflicting views reach right into families, church and world politics and education. The liberals accept whatever suits their agenda. The conservatives are guided by God's Will, even when it opposes what they want."

"You will see these two opposing sides even more clearly defined in the future. My Remnant Faithful need to stand courageously for the Truth of good as opposed to evil."

"Dear children, when I appeared to St. Juan Diego, I left an image on his tilma - an image still present to this day. The imagery was symbolic to the pagan Aztecs who could neither read nor write. Thousands upon seeing it were converted."

"Today, I leave you My own words, patiently recorded by this messenger. It is all in black and white to be read and reread. Yet most have little time or motivation to read what I come to impart to the world. Some not only disbelieve, they oppose Me. What a commentary on the lack of simplicity in the heart of the world today."

"But Heaven does not give up so easily when the salvation of souls is at stake. The favor of Heaven touching earth will continue here despite opposition, calumnies and detraction. Pray for unbelievers who do not recognize the grace they are rejecting."

"Dear children, I have come once again to relieve you of your burdens. I will take all of your petitions both great and small back to Heaven with Me."

"Do not fear for anything. I am always with you protecting you. I am your Mother."

"I'm praying now that all your worries and concerns become little. Today I'm blessing you with My Blessing of Holy Love."

■ **December 13, 2015.** Our Lady comes as Our Lady of Grace. She says: "Praise be to Jesus."

"All that the heart of the world accepts as Truth affects the peace or lack of peace in the world now and in the future. This is why it is so important that mankind discerns the difference between good and evil and chooses good. Pray the rosary for this enlightenment. It is through prayer you will find your way through the thicket of deceit Satan has placed around the Truth."

"Holy Love is the barometer of Truth. In a world where the weather has become a topic of concern, be more concerned for living according to Holy Love which defines good and begin to recognize evil."

"This is a monumental task in a world where guile and deceit dominate seats of leadership. Do not follow blindly - but discern."

■ **December 14, 2015.** "I am your Jesus, born Incarnate."

"Once again I tell you, the definition of good is Holy Love. The definition of Holy Love is good. This is the Truth I call all people and all nations to accept and believe."

"In order to discern good from evil, souls must use Holy Love as their standard. This is the way to peace and security in the world. This is the way around the confusion of the day. Please understand how much the evil one desires your confusion. With Holy Love as your maxim you cannot be so easily pulled off course."

"I can only remind you of these things. You must choose the Truth."

Read Daniel 9:4-8

I prayed to the Lord my God and made confession, saying, "O Lord, the great and terrible God, who keeps covenant and steadfast love with those who love him and keep His Commandments, we have sinned and done wrong and acted wickedly and rebelled, turning aside from Thy Commandments and Ordinances; we have not listened to Thy servants the prophets, who spoke in Thy name to our kings, our princes, and our fathers, and to all the people of the land. To Thee, O Lord, belongs righteousness, but to us confusion of face, as at this day, to the men of Judah, to the inhabitants of Jerusalem, and to all Israel, those that are near and those that are far away, in all the lands to which Thou hast driven them, because of the treachery which they have committed against Thee. To us, O Lord, belongs confusion of face, to our kings, to our princes, and to our fathers, because we have sinned against Thee."

■ **December 14, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate".

"My brothers and sisters, during the rest of the Advent Season, give Me the gift of persevering in your journey through the Chambers of Our United Hearts."

"I'm blessing you with My Blessing of Divine Love."

■ **December 15, 2015.** "I am your Jesus, born Incarnate."

"I desire peace on earth. This is only possible through mankind's complete surrender to the Will of My Father. In this surrender is his acceptance of whatever comes in the present moment."

"You must understand that it is the human will that gets in the way. The soul wants something different than what God offers. In this day and age, he is even misled to believe transgressions against God's Commandments are a good thing. He convolutes the Truth to suit his own agenda."

"What is given to each soul in any present moment is unique towards his own salvation. If the soul cooperates with the grace of the present moment, he is one step closer to bringing peace to earth."

"Encapsulated in this surrender is My Call to unity of heart in the heart of the world."

■ **December 16, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"The hope of the world is in the discovery of the Truth between good and evil. If the heart of the world was grounded in this Truth, many of the problems the world faces today would not even be issues. As it is, much of what God has given by way of technology, natural assets and innate leadership has been misused."

"The world has become a dangerous place with misguided religious beliefs taking over governments and constantly threatening world peace. Weak leadership poses a grave danger to the welfare of your country. Accommodating evil does not neutralize evil, but strengthens it."

"The Truth between good and evil will not change to please mankind. Unless mankind can change his motives and actions to align with the Truth, God will have to intervene with His Justice. You must stop offending My Son with your choices. Amend your lives."

■ **December 17, 2015.** "I am your Jesus, born Incarnate."

"Your nation lacks peace and security because your president feels if he continues to make concessions to ISIS they will be satisfied and step back from any aggression. Nothing could be farther from the Truth. Peace and security can only be achieved when the enemy respects his opponents enough not to challenge them."

"By showing weakness, your president jeopardizes national security. He is placing his trust in a false peace which over and over will be transgressed. There are many uncertainties in life, but even more so when weak leadership influences events."

"This is not the time for concessions but for holy boldness. Peace will elude the weak and will not be rewarded."

■ **December 18, 2015.** "I am your Jesus, born Incarnate."

"It is past time for your president to realize that his denial of present-day dangers is not reassuring to the public. He is generating a sense of weakness and failure to respond to the reality of the growing insecurity his policies are generating. He is trying to manufacture his own Truth, but by saying everything is under control, he does not make it so."

"This is a war taking place in hearts and therefore, the most difficult to fight. The enemy lies hidden behind a facade of normalcy. Political correctness is often his ally."

"You cannot overcome the evil that is in hearts until false religious beliefs are recognized as such and conquered. Live in the reality of the Truth as to what and who your enemy is."

■ **December 18, 2015 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, persevere in the Truth according to the Commandments of Holy Love. Then you will be safe from the confusion of the day."

"I am blessing you with My Blessing of Divine Love."

■ **December 19, 2015.** "I am your Jesus, born Incarnate."

"In the end each soul will be judged according to the Holy Love he holds in his heart. How advantageous it is to live in Holy Love now rather than later. The Chambers of Our United Hearts - now revealed for the first time to humanity - offer the way to pursue this path of Holy Love. I, in these troubling and insecure times, no longer hold secret this way of salvation. Everyone is invited to travel this journey and to be united to Our United Hearts."

"This spiritual journey brings peace and reconciliation to the ones who pursue it with sincerity. With humility step into the First Chamber where My Mother welcomes you."

Read Romans 2:6-8

For He will repay according to each one's deeds: to those who by patiently doing good seek for glory and honor and immortality, He will give eternal life; while for those who are self-seeking and who obey not the Truth but wickedness, there will be wrath and fury.

■ **December 20, 2015.** Our Lady comes as Our Lady of Fatima. She says: "Praise be to Jesus."

"During these last few days before you celebrate Christmas, prepare your hearts not with trimmings of the season but with stark humility. Much light and peace surrounded My Little Son's manger. Joseph and I marveled at this. The Word made flesh was in our midst. He did not come to impress those in power. He was not on earth to be impressed with anyone's opinions. He came to bear witness to the Truth."

"Dear children, that is what you must do as witnesses of these Messages. Imitate the Infant Jesus' detachment from worldly status. Do not allow any love of your reputation to infiltrate My call to you to propagate these Messages. For some it may be their last and only chance to open their hearts to the Truth."

"As this is the season of giving, give others the gift of Holy Love."

■ **December 21, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, mystically draw near to the manger with Me as we await the arrival of My Infant Son. Next to the crib the meager surroundings fade from sight in anticipation of what is to come."

"This is how you can achieve peace of heart - by focusing just on Jesus - on His needs and on the mutual love you have for each other. Place all your cares and concerns in the crib and await My Son's arrival on Christmas. He will take them all into His little Heart - not neglecting any one of them."

■ **December 21, 2015 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate".

"My brothers and sisters, it is human nature to be attracted to the allurements of the world, but as My disciples let it be in a way that you always give thanks to Me. I cherish this detachment in souls."

"Tonight I'm blessing you with My Blessing of Divine Love."

■ **December 22, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Today, dear children, I invite you to remain with Joseph and Myself next to the little crib, still empty, as we await the arrival of My little Son. All around the stable it is very austere and even foreboding. Yet Joseph and I hold great anticipation in our hearts for what is to come."

"Joseph readies the environment trying to make it more accommodating. So I now encourage each of you to make your hearts more accommodating for the arrival of My Newborn Son on Christmas morning. Let there be nothing in your hearts that would not please Jesus - no anger, unforgiveness, worldly attachments or compromise of Truth. All of these things are like the cold and hostile environment that was around the stable when Joseph and I arrived."

"Welcome Jesus with a heart of Holy Love."

■ **December 23, 2015.** "I am your Jesus, born Incarnate."

"I tell you solemnly, peace and security do not come to you by believing in the lies of politicians. Saying that terrorism is under control does not make it so. This is not the time to embrace naiveté. You must pray for the wisdom to see through the personal agenda of your current president. Your peace and security come from a deepening relationship with your Creator."

"Come into Our United Hearts. Pray the rosary and you will be able to discern the Truth. It is through the rosary, the Truth of the difference between good and evil will be made apparent."

"I desire your peace. Do not be fooled into thinking peace is possible apart from God."

■ **December 24, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"As Joseph and I traveled towards Bethlehem, it was with great expectant faith in our hearts. We were joyful in cooperating with God's Divine Will, although there were unanswered questions that could have been troubling if we had allowed it."

"We had no certainty of a place to stay in Bethlehem upon our arrival. We knew Jesus' birth was imminent and we weren't sure of how we would accommodate My little Son. We had to just keep moving forward in God's Will and await each invitation to grace - always being clothed in God's Divine Will."

"This is how you, dear children, must live in each present moment. This is the way to trust."

■ **December 25, 2015 - Christmas Day.** Our Lady comes in white holding the Infant Jesus. She says: "Praise be to Jesus."

"When My Son came into the world, he transformed the bleak and stark stable into the palace of a king. Joseph and I no longer noticed the foul odors, the chill of the air or My lack of comfort. A soft light surrounded us and the little manger. The voices of angels chimed overhead."

"Dear children, just as My Son's arrival transformed our stark environment; I am asking you to allow Holy Love to transform your hearts, your lives and your environment. In so doing, your hearts can become like the little crib and My Son will abide there in peace."

■ **December 26, 2015.** "I am your Jesus, born Incarnate."

"The heart of difficulties today is people do not realize what is really important and of value. It is faith and Holy Love in hearts. These need to be protected and safeguarded. But as it is, people take little or no precautions in this regard. Their hearts are exposed to much evil through mass media, false religions, even fashions which include tattoos."

"These days, souls must value their faith as a path to salvation. Souls must seek to live in Holy Love always obeying and respecting the Commandments for this is the path of salvation. But, you see, salvation is taken for granted and not sought out as a valued prize. People need to answer My Call to holiness and not form worthless priorities in their hearts."

"Turn your hearts back to God's Will through humility and Holy Love. Respect the Commandments. This alone will safeguard your faith."

■ **December 27, 2015.** St. John Vianney, Curé d'Ars and Patron of Priests says: "Praise be to Jesus."

"I have come today with an open letter to all Bishops. Dear brother priests, remember, first and foremost, you are priests and then Bishops. It is your job to set the tone for personal holiness for all the priests who must follow you. You must be certain to secure the faith of all who are under you by promoting only the true tenets of faith in the schools and from the pulpit."

"You are not given your office through Divine Providence as a means of gaining wealth or popularity. You must lead in Truth without regard for others' opinions. If you do so, there will be no confusion. Never be afraid of identifying evil or calling a sin a sin. That is your duty."

"Finally, do not command but lead with loving respect for those under your charge. Then loving respect will return to you."

Read 1 Peter 5:2-4

Tend the flock of God that is your charge, not by constraint but willingly, not for shameful gain but eagerly, not as domineering over those in your charge but being examples to the flock. And when the chief Shepherd is manifested you will obtain the unfading crown of glory.

■ **December 28, 2015.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"So many believe they are living in the Truth when they are really supporting Satan's lies. The Truth is to be found in the Commandments of Holy Love. Consequently, you are not supporting the Truth if you support abortion, sodomy (which is homosexuality), embryonic research or even birth control. Satan's tactics are to be concerned for each one's feelings and not for good versus evil."

"Consciences have become dulled to the point of not looking for good as opposed to evil. Compassion for the sinner has taken precedence over repentance. Mankind's relationship with his Creator is no longer a priority as it should be."

"Therefore, I come to you once again, as Jesus allows, to draw humanity back into the reality of Truth. Pay attention to where your decisions are leading you. Every present moment should be a reflection of Holy Love. Do not lose track of where your opinions are leading you. Each choice needs to be for Holy Love."

■ **December 28, 2015 - Feast of the Holy Innocents/ Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, these days the Holy Innocents are the ones killed in the womb before they have the right to live. Who among mortals has the authority to make such a decision?"

"Tonight I'm blessing you with My Blessing of Divine Love."

■ **December 29, 2015.** "I am your Jesus, born Incarnate."

"Now this is how a false conscience is formed. The soul becomes apathetic in regards to discerning good from evil. He finds it easier to please man than to please God. In his heart, he turns evil into good and sees those who oppose this as conservative – old-fashioned."

"Now he feels free to adopt new moral standards, standards pleasing to a hedonistic society. He does not hold himself accountable to the Commandments and may even see those that do as narrow-minded."

"There are so many in the mainstream of life who accepted new moral standards through false consciences. Many leaders proclaim these standards and are acclaimed for it. Whole governments and religions have been given over to Satan's lies."

"Mankind, however, cannot redefine good. He must remain obedient to the Commandments through Holy Love. If Holy Love is not the foundation of his morals, he has a false conscience and his soul is in jeopardy."

"I am telling you now, those who summarily disagree with what I told you today have false consciences."

■ **December 30, 2015.** Our Lady comes as Refuge of Holy Love holding a globe of the world. She says: "Praise be to Jesus."

"Dear children, prepare your hearts for the coming of the New Year by offering prayers and sacrifices for the welfare of the world and its future. You do not see all that threatens this. It is important that you pray that less people are influenced by erroneous opinions and more step into the Light of Truth. You are not being told the Truth by your government leaders so it is easy to see how so many have

been tricked into believing untruth. Too many believe in the office of those who lead and do not search for the Truth."

"Dear children, return to the spiritual journey through the Chambers of Our United Hearts. You will find there the support you need to accept and live according to God's Divine Will which is Truth and Holy Love."

Read Jude:17-23

But you must remember, beloved, the predictions of the apostles of our Lord Jesus Christ; they said to you, "In the last time there will be scoffers, following their own ungodly passions." It is these who set up divisions, worldly people, devoid of the Spirit. But you, beloved, build yourselves up on your most holy faith; pray in the Holy Spirit; keep yourselves in the love of God; wait for the mercy of our Lord Jesus Christ unto eternal life. And convince some, who doubt; save some, by snatching them out of the fire; on some have mercy with fear, hating even the garment spotted by the flesh.

■ **December 31, 2015 / New Year's Message.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"It is the hour of assessment as to where the world in general is headed in the New Year. This will be a year of profound trials, as what is deep in hearts and spoken of in secret is acted out in the world. Your reigning president will be tested over and over as to just how weak a leader he is in matters of national security."

"God's Permitting Will is greatly tempted to allow even more significant natural disasters worldwide. Each nation's

weakest attributes will become even weaker, for strength is in the Lord."

"The conscience of your nation and of the world will slowly be convicted of their lack of cooperation with God's Will, as they become less enchanted with politics and more united in truthful leadership. The Refuge of My Immaculate Heart will become more important to many."

"Continue to choose the rosary as your weapon against evil, especially the evil of abortion. The Truth that abortion is murder needs to be accepted in hearts before much of what I have spoken of can be avoided."

"I am your Advocate and Mediatrix before the Throne of God. Your needs and petitions are My own. In all ways, however, we must be ready to accept God's Will, which is all-seeing and all-knowing. You may not in your earthly life see the immediate value of each cross, but when you reach Heaven all this knowledge will be given to you."

■ **December 31, 2015 / Thursday Service – Conversion of all Priests, Religious, Bishops and Cardinals, that they are convicted in and live in the Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"The more perfect your love, the more perfect your trust. Therefore, if you are worrying you do not trust, you must pray to love more."

"Tonight I am blessing you with My Blessing of Divine Love."

DIRECTIONS TO THE SHRINE

Maranatha Spring and Shrine is located at 37137 Butternut Ridge Road in Eaton Township, in southeast Lorain County, 35 minutes west of downtown Cleveland, Ohio. It is 1.3 miles west of the intersection of Route 83 and Lorain Road (which becomes Butternut Ridge Road when traveling west). The Shrine is easily accessible from the Ohio Turnpike (I-80), by taking Exit 152 from either the east or west. OR take Route 480 west to Exit 2. All these exits take you to Lorain Road in North Ridgeville. Travel west on Lorain Road (which becomes Butternut Ridge Road) about 4 miles to the Shrine, which will be on the left.

MESSAGES

Monthly Newsletter: This newsletter publishes all messages given to visionary, mystic, Maureen Sweeney-Kyle. To receive it free, send twelve (12) white, business-size (4 1/2" x 10 3/8"), **self-addressed, stamped envelopes** to the Butternut Ridge address listed below. **The forever stamps are the best to use for this, as postal rates keep changing.** We will notify you when your last envelope is used, so that you can send additional envelopes. For countries outside of the United States, please

consult your post office for current rates. Copies of the newsletter are available at the Aquinas Welcome Center only while supplies last.

Note: Please use block letters (ALL CAPITALS) when addressing the envelopes, as they are the easiest for us to read in order to add you to our database for other mailings.

Message Line: To hear some of Heaven's messages, call (440) 327-5822. They are updated as soon as available following the Wednesday service.

E-Mail: If you would like to receive the Holy Love messages through e-mail, sign up on our website or send your request to:

MAMSHL@HOLYLOVE.ORG

Website: Messages are posted to the website as soon as they are reviewed and approved.

PRAYER REQUESTS

Prayer requests received via mail, phone number, or e-mail are touched to Our Lady's Blessing Point.

Prayer Request Line: 440-327-8039

Note: Please call this number to leave your prayer request. First, state your name and then briefly, your prayer intention. No calls for prayer requests will be returned.
