

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

January 2016

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints and angels appear on the property at Maranatha Spring and Shrine. The Messages given to the visionary, Maureen Sweeney-Kyle, lead the soul on a spiritual journey into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

"Please tell the people I will be with them in the Field of the United Hearts on the Feast of My Divine Mercy. I will also bless those who come at midnight as My Feast Day dawns, for My Heart is All-Grace, All-Mercy, All-Love."

■ **January 1, 2016 - Solemnity of Blessed Virgin Mary, Mother of God.** Our Lady comes in white and gold. She says: "Praise be to Jesus."

"Dear children, I come today to address the Remnant Faithful. You are more and more outnumbered. When you were learning the tenets of faith, I carried you in My Arms. Now you are

more mature, but you are never standing on your own - always with My support."

"Throughout Jesus' life on earth, we as a family were united in the Will of God. We could not be swayed by the opinions of others or the dangers of believing in what we did. We were certain God was leading us and that is all that mattered. Dear little

children, you must be similarly convicted. Believe in God's Mercy in this year dedicated to His Mercy. However, do not accept any redefinition of sin or believe that mercy overlooks sin. Mercy forgives sin but the sinner must amend his life."

"Dear children, it is often what leaders do not say and do not do which confuses their followers. You will not be confused if you remain soundly grounded in the tenets of faith. If you are Catholic, protect the sacramental life in your hearts and respect the sacraments. Stay close to God, each one of you by the reading of the Scriptures. Do not look for approvals, for there will be none. However, there will be many who disagree and disapprove of your staunch position."

"As deep as the Holy Love is in your hearts, you will be courageous. Therefore, deepen your journey through the Chambers of Our United Hearts. As you do so, I am holding your hand and leading you."

■ **January 2, 2016.** "I am your Jesus, born Incarnate."

"These days, as the New Year begins, so much is made of athletic competition. Yet the most important competition - the battle between good and evil - eludes most. Evil forces compete with the good angelic forces for the soul of every human being. Souls do not realize this and most have become oblivious to the on-going battle waged against salvation."

"Evil has won many battles in regards to outward displays of Christianity - yet pagan religions are given every consideration. The Ten Commandments are no longer the foundation of laws or governments, but are forbidden in many places from being displayed. People do not see these trends as competition for their souls. The difference between good and evil must be highlighted by leaders - both secular and religious. As it is, the compromise of Truth is winning out."

"Be willing to surrender any opinion which opposes the Commandments and therefore, Holy Love. Do not clothe your self-esteem in your opinions. You may be defending evil. Be willing to re-evaluate your positions in light of the Commandments."

"There is no scoreboard which allows you to determine your progress in your spiritual life. The battles are very often waged in silence and within the heart. Always be willing to make an examination of conscience as to your progress and

support of Holy Love in your heart. Never be smugly satisfied. Choose humility of heart."

"I am always on the side of Holy Love - cheering you on. I am keeping score so that at your judgment you earn the trophy of eternal life."

■ **January 3, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"In this part of the world all of nature lies dormant and seemingly lifeless. As this New Year unfolds, I invite you to focus on your spiritual well-being. Do not allow your virtuous life to become dormant or lifeless. Awaken your hearts to the Holy Spirit and renew your baptismal vows. Strengthen your spiritual journey by proceeding through the Chambers of Our United Hearts."

"Work diligently to perfect each virtue. These are the building blocks of personal holiness. You do not see God's handiwork at this time in the world around you. It is all hidden underground. So it should be with your personal journey in holiness - unpretentious - but ready to blossom forth."

■ **January 3, 2016 / Sunday Service - Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace.** St. Joseph is here, he says: "Praise be to Jesus."

"My brothers and sisters, realize that anyone in a parental role needs to pass on the difference between good and evil to those who are following them. This is the way families can change and thus, the world can change."

"Tonight, I'm extending to you my Fatherly Blessing."

■ **January 4, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"There are many people in the world today - many cultures, beliefs and opinions. But Heaven has touched earth here at this site to provoke hearts into the one belief of Holy Love. No one who does not love God above all else and neighbor as self is worthy of eternal life."

"Do not waste time passing judgment on one another. Look into your own hearts to see if you are embracing Holy Love. It is not enough to say you believe. God does not look at words but at hearts. Belief in Holy Love must transform your hearts and your lives."

"Do you not understand that this is the path to peace in the world? If you believe you are living in

Holy Love, then you should not be opposing this Mission of Holy Love. That would be a contradiction. Belief in Holy Love dictates support of all life from conception to natural death. Holy Love is the means by which each soul will be judged."

"Those who discount what I have said today discount the Truth."

■ **January 4, 2016 / Monday Service - Peace in All Hearts through Holy Love and World Peace.**

Jesus is here with His Mournful Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, pray to increase in virtue, for this is the way to more easily distinguish good from evil. This is the way around the compromise of Truth."

"Tonight I'm extending to you My Blessing of Divine Love."

■ **January 5, 2016.** St. Therese of Lisieux says: "Praise be to Jesus."

"God did not create each soul only for his own salvation, but also for the salvation of those whose lives they touch. It is through the example of a virtuous life souls are attracted to holiness and salvation. The steps each soul takes towards his own perfection in Holy Love should be a sweetness that attracts other souls."

"Each soul then becomes a missionary in his own way, propagating and encouraging Holy Love wherever possible."

Read Colossians 3:12-17

Put on then, as God's chosen ones, holy and beloved, compassion, kindness, lowliness, meekness, and patience, forbearing one another and, if one has a complaint against another, forgiving each other; as the Lord has forgiven you, so you also must forgive. And above all these put on love, which binds everything together in perfect harmony. And let the peace of Christ rule in your hearts, to which indeed you were called in the one body. And be thankful. Let the word of Christ dwell in you richly, as you teach and admonish one another in all wisdom, and as you sing psalms and hymns and spiritual songs with thankfulness in your hearts to God. And whatever you do, in word or deed, do everything in the name of the Lord Jesus, giving thanks to God the Father through Him.

■ **January 6, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I wish to speak to you today about rash judgment. Everyone at some time during their journey towards salvation is guilty of this. A rash judgment occurs when an opinion about a person or situation is formed which is not based upon Truth. This is why in forming opinions every effort must be made in discovering the Truth."

"So many spread their opinions freely without the certainty of the reality of their facts. How often have Heaven's apparitions been rashly judged without proper knowledge or investigation? These ill-conceived opinions are then bandied around and become detraction. It is of no account the title or station of those who rash judge. A sin is a sin."

"Give proper example always of Holy Love towards others. Respect each other's reputations and be certain of your opinions which must be grounded on Truth. Do not speak if you are not certain."

"Rash judgment is a compromise of Truth. It wounds the Heart of My Son."

■ **January 7, 2016.** "I am your Jesus, born Incarnate."

"I advise you that each Chamber of Our United Hearts represents My Father's Divine Will. Each one is united in the Divine Will and united to one another. None stand alone."

"The Father's Will is your sanctification. The Chambers of Our Hearts lead the way. No one is capable of making this journey alone or apart from My Father's Will. Grace is the vehicle which propels the soul through these Sacred Chambers. The more the soul surrenders his free will to the grace which is given, the quicker he reaches the innermost Chambers."

"Each Chamber gives deeper understanding of the difference between good and evil. It is the souls unable to make this determination who threaten the future of the world."

■ **January 8, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"These days, there are many false reasons not to pursue the path of salvation which I have been sent to show you. Indeed, the path is strewn with the debris of skepticism. Still I pursue your hearts. Step into My Immaculate Heart which protects, provides and nurtures every inspiration towards

your salvation. The Refuge of My Heart is Holy Love and God's Will for you."

"The Treasure of My Heart, which is the First Chamber of Our United Hearts, is self-knowledge. This conviction of conscience opens the doorway to perfection of all the virtues and the desire to be personally holy. The enemy of your salvation invites you not to look for ways to improve your spiritual journey, but rather to complacency and to be self-satisfied."

"However, everything about this spiritual journey is based upon a deeper relationship with My Son. This can only be accomplished if you discover, recognize and overcome what is holding you back. This is why Jesus places you first in My Heart which purges you of your most glaring imperfections, thus preparing you for the subsequent Chambers of Our United Hearts."

"Dear children, I invite you into My Heart. You must respond with an act of your free will. I give you the Truth. You must not seek compromise. Do not seek the dark path of doubts. Pursue the path of the Light of Truth."

■ **January 8, 2016 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I long to fill your hearts with Divine Love, but I can only do so if you empty them of all worldly attachment, all allurements of the world, even your reputation and your opinions. Then I will fill you with Divine Love."

"Tonight I'm imparting to you My Blessing of Divine Love."

■ **January 9, 2016.** Our Lady comes as Rosa Mystica. She says: "Praise be to Jesus."

"Dear children, you must treasure in your hearts the value of your own salvation. In so doing, be cautious as to what you accept as Truth. If you act on untruth in thought, word or deed, you jeopardize the state of your soul. In this regard, be careful as to whose opinions you accept as Truth. Satan uses one person against the other to promote confusion."

"You will be living in the Truth if you allow Holy Love to be your guide and standard of Truth. Holy Love defines good as opposed to evil. This is vital to your salvation. Do not disparage this very

important reality. Too many souls have been lost due to the lack of recognizing evil. If you do not see and identify the enemy of your salvation, how can you oppose him?"

"During this hour of confusion which weighs upon the heart of the world, I come to remind you of your responsibility towards your own salvation. This can only be accomplished by choosing good over evil and Truth over untruth. Pray to recognize the enemy in all his disguises."

■ **January 10, 2016 - Feast of the Holy Family.** St. Joseph says: "Praise be to Jesus."

"It is important for families to pursue personal holiness as a family. Parents must always give their children the example of Holy Love to emulate and, thus united, strengthen the community around them."

"Such families of Holy Love strengthen the heart of the world and move the heart of the world closer to the Will of God. Parents must always be prepared to defend good and expose evil, remembering there is an ongoing struggle in each heart between good and evil."

"It is the parents who set the tone for the spiritual well-being of the children, or the lack thereof. They must see this as their solemn obligation before God."

"Every heart and every home should be a safe shelter of Holy Love."

■ **January 11, 2016.** St. Catherine of Siena comes. She is holding a palm branch. I (Maureen) don't know why. She says: "Praise be to Jesus."

"I have come to help you understand the great value of trust. The Divine Will and Divine Love are one. The soul falls short of being united to these two when he lacks trust. Failure in trust is an obstacle in the spiritual journey, for it is the bad fruit of hanging onto the human will. Perfect trust means total surrender to the Will of God. Surrender is acceptance of whatever the present moment brings according to God's Will."

"Jesus surrendered to His Father's Will even unto death on the Cross. If you desire to live in Divine Love, you must be obedient to the Divine Will in the same way. Always place obedience to God above obedience to man."

■ **January 11, 2016 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I

am your Jesus, born Incarnate."

"My brothers and sisters, the depth in your trust in My Provision is the barometer of your love for Me."

"Tonight I'm blessing you with My Blessing of Divine Love."

■ **January 12, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, find your way into My Immaculate Heart, Refuge of Holy Love, where I can protect your faith amidst the confusion of the present day. Resign yourselves to persecution for your belief in My call to you. Pay no heed to labels. Satan is the accuser who sows doubts and controversy amidst My call to Holy Love."

"Find your way along the path of Truth by merit of the Light of Truth which is Holy Love. If you believe in Me, you are children of the Light. This generation has strayed off the path of Truth by believing in what pleases them, not in what pleases God. My call to you is to return to the faith through Holy Love."

Read 1 Thessalonians 5:4-8

But you are not in darkness, brethren, for that day to surprise you like a thief. For you are all sons of light and sons of the day; we are not of the night or of darkness. So then let us not sleep, as others do, but let us keep awake and be sober. For those who sleep sleep at night, and those who get drunk are drunk at night. But, since we belong to the day, let us be sober, and put on the breastplate of faith and love, and for a helmet the hope of salvation.

■ **January 13, 2016 - Baptism of Our Lord Jesus Christ.** "I am your Jesus, born Incarnate."

"I come to this property and I send My Mother and the Saints here to increase and strengthen the Remnant Faithful in their resolve to live in the Truth. This is the reason the conviction of hearts occurs here. This is why the Blessing of Truth is imparted to hearts searching for answers."

"My Baptism substantiated My desire to be united to the Will of My Father. All who live in Holy Love must have the same desire. The Messages are the reflection of the grace to do so."

■ **January 14, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Today I come to you with My needs and ask for your prayers. How much I desire the conversion of all mankind. So long as there is the compromise of Truth in the world conversion of heart is elusive. Souls try to define their own Truth. Their reputation in the world becomes more important than pleasing God. People no longer differentiate between honesty and dishonesty."

"It does not matter the soul's status in the world. That is passing as is life itself. The most important thing is the soul's status before God. As people try to make themselves and their opinions important, they miss the Truth and therefore, their conversion of heart."

"So this is My prayer request. That all souls recognize the Truth and choose good over evil."

■ **January 15, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"The greatest threat in the world today is those who do not recognize evil as evil. This lack of discernment enables the enemy and empowers his evil agenda. You see it all around you; in fashions, entertainment, the mainstream media, in politics and governments. Most do not think along the lines of what is good and what is evil. Too many are naïve as to the difference and indifferent as to the impact of their choices."

"This is why these Messages continue - to guide, protect and enlighten. If you do not recognize your enemy, you cannot fight him. Most do not even recognize that they are under attack. I pray constantly for the realization of the Truth in all hearts."

"Untruth is the enemy and is on the rise. It is far easier to accept untruth, as Satan does not attack such decisions. However, I come to you to help you recognize the Truth in all matters and to give you the courage to choose good over evil."

"Holy Love is the definition of good. Base all your decisions upon Holy Love. In My Immaculate Heart is every grace you need to make the right choices - the good choices. I am your protection and guide."

■ **January 15, 2016 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, make peace with the crosses God has given you, for nothing is given without the grace to help you. When you accept your crosses they are meritorious towards the conversion of the heart of the world."

"Tonight I'm blessing you with My Blessing of Divine Love."

■ **January 16, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"The intentions of every thought, word and deed rise from the heart. If the heart is not steeped in love of God and neighbor as self - Holy Love, it is easy to see how evil works its way into moment-to-moment decisions."

"Holy Love must govern the heart before it can govern nations and society as a whole. God judges only the heart - not appearances, reputation, wealth or worldly influence. This is why I come to you, to influence what you hold as valuable in your heart. Live to love and please God first and foremost. Then all else will fall into its proper perspective."

"It is only when hearts change, that evil will be recognized for what it is and the Truth will be victorious."

Read 2 Timothy 1:13-14

Follow the pattern of the sound words which you have heard from me, in the faith and love which are in Christ Jesus; guard the Truth that has been entrusted to you by the Holy Spirit who dwells within us.

Read Psalm 82:8

Arise, O God, judge the earth; for to Thee belong all the nations!

■ **January 16, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Write down what I am telling you. Disease, poverty and natural disasters will always be in the world, but the error that is in hearts does not need to be. People, in general, no longer desire to please God. Therefore, they have gotten away from obedience to the Ten Commandments and have chosen to please self in their moment-to-moment choices. Many have allowed their opinions to become like a new set of commandments."

"However, God's Truth never changes. The soul either accepts God's Truth or chooses to

disobey His Truth. Obedience is easy if Holy Love is in the heart. It is then you want to please God."

"Be careful not to be swept away in the tide of popular opinion. It does not matter who believes what so long as you believe in God's Commandments and obey them. You will be judged accordingly, not by what others believe."

■ **January 17, 2016.** "I am your Jesus, born Incarnate."

"There is a direct correlation between the amount of self-love in the heart and the soul's willingness to accept the cross. If the heart is consumed with self-interest, there is no room for love of the cross."

"Self-interest denies trust. The one consumed with self, trusts only in himself and his own efforts. Therefore, trust in My Provision and My Mercy escapes him. The value of the cross escapes such a one."

"Take stock of what is most important to you in any given moment. Inordinate self-love forms an obstacle between the soul and Me."

■ **January 18, 2016.** "I am your Jesus, born Incarnate."

"The souls that begin the Spiritual Journey through the Chambers of Our United Hearts are like infants who need encouragement to grow deeper in the virtuous life. They need to see their faults and weaknesses, acknowledge them and seek the help of My Mother to improve. Every flaw in virtue is based upon a flaw in Holy Love. Since My Mother's Heart is Holy Love, it is fitting that the soul is formed in basic holiness in Her Heart - the First Chamber."

"The Flame of Her Heart purifies each soul and gives to the soul the desire to be perfected in Holy Love. No one can advance through these Sacred Chambers without this purification."

"There are those who consider themselves far advanced in the spiritual journey but are the victims of false consciences. They have originated their own version of the Truth. The grace My Mother gives in the First Chamber strips away falsehood and illuminates the Truth. Many refuse to concede to Her authority."

■ **January 18, 2016.** "I am your Jesus, born Incarnate."

"Please tell the people I will be with them in the Field of the United Hearts on the Feast of My

Divine Mercy (April 3). I will also bless those who come at midnight as My Feast Day dawns, for My Heart is All-Grace, All-Mercy, All-Love."

■ **January 18, 2016 / Monday Service - Peace in All Hearts through Holy Love and World Peace.**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, as long as there is a present moment you have the chance to change the future of the world by your efforts in prayer and sacrifice."

"Tonight I'm blessing you with My Blessing of Divine Love."

■ **January 19, 2016.** "I am your Jesus, born Incarnate."

"With all the miracles I worked in My Public Ministry, people still chose to ignore the reality of the facts and believe in untruth. Is it any wonder then that the Truths set forth here in this Mission are ignored and misunderstood? Many miracles occur here - the greatest of which is the transformation of hearts through Holy Love. All the healings and miracles are discounted in favor of ignoring the essence of these Messages which could change the future of the world."

"God's Wrath and My Justice do not need to be so all-encompassing. The Remnant does not have to be challenged into hiddenness. But, I tell you, these things are coming unless mankind renews his commitment to living in the Truth."

"I call each soul to form an ever-deepening relationship with the Father and Me, strengthening their faith through a more virtuous life. Together we can change the course of human events."

■ **January 20, 2016.** "I am your Jesus, born Incarnate."

"In the world these days, too much importance is placed upon status, opinions, wealth and positions of authority. These entities are valued above the Truth. When this occurs, the soul does not recognize the differences between good and evil, but only chooses that which supports his own worldly desires. Therefore understand, affiliation with evil is inspired and accepted through a disordered self-love."

"This Mission counters such insidious evil choices by calling souls back to Love of God and neighbor - Holy Love. At the very foundation of this call is the call to choose good and reject evil. The

maxim of Holy Love helps the soul to desire this discernment and to choose accordingly."

"Factions, disunity and confusions are all Satan's handiwork and the bad fruit of evil choices. Once again, the greatest threat is the souls who do not recognize evil for what it is and act on evil inspirations. Many such choices determine the future."

"Souls need to overcome disordered self-love in order for this cycle to stop. It is then, when Holy Love rules hearts, that evil will be seen for what it is and Truth will be the Light of the world."

■ **January 21, 2016 - Anniversary of Mary, Protectress of the Faith.** Our Lady comes as Protectress of the Faith. She says: "Praise be to Jesus."

"Today I come to you under a title which has not been approved, but we know non-approvals are not disapprovals. In this case, history has shown the huge necessity for My Protection of the Faith. The Faith has never before been so insidiously attacked through the abuse of authority and the compromise of Truth. Bishops and cardinals have chosen their own agendas over the Truths of the Faith. My children are misled and cannot find their way back to the Truth. Politics within the Church have overrun the Truth. Those who try to defend the Truth are summarily dismissed as too conservative."

"While I came to defend the faith decades ago, My efforts were dismissed as unnecessary.* Now today, few know to come to Me when their faith is put to the test."

"Faith is not a policy that can be chosen or set-aside. Faith is a gift from God, which if rejected, strips the soul of divine reality. It is not up for dispute nor is it based upon human reason. It must not be the subject of controversy."

"The soul without faith is like a ship lost at sea. He tries to find his own way, believing he has the Truth, but in the end he is tossed upon the jagged rocks of disbelief."

"Under My Title 'Protectress of the Faith', I am prepared to always defend your faith against error or any doubts Satan places in your heart. Satan flees before this title. It makes no difference who believes in what I tell you here today. Their disbelief does not change the power God has given to Me under this title."

"Dear children, I am your Mother and the Protectress of your Faith."

* **Note:** After checking with a theologian from the diocese, the bishop rejected Our Lady's request for the title 'Protectress of the Faith' stating that there already were too many devotions to Blessed Mother and the saints. Our Lady requested this title from the Cleveland bishop in 1987.

■ **January 22, 2016 - 43rd Anniversary of Roe vs. Wade Supreme Court Decision.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Every country's greatest resource is new life in the womb. When this life is snuffed out due to the legalization of abortion, the nation is weakened forever - not only in this present age, but in generations yet to come."

"You may not readily realize the talents and abilities that are destroyed when you destroy life in the womb. Many great leaders, many scientists, many vocations have never realized their potential, as abortion took away their chance."

"Yes, the world has been changed forever due to the crime of abortion. God's Will - life in the womb - is continually transgressed. No human being in his arrogance has the right to challenge God's plans in such a way. To continue on this path provokes God's Justice with certainty."

"Dear children, pray that life is recognized at conception and given its due respect."

■ **January 22, 2016.** St. Michael comes with his sword and his shield. He says: "Praise be to Jesus."

"I tell you in all Truth, wars will not stop in the world until war stops in the womb."

■ **January 22, 2016.** Our Lady comes as Our Lady of Fatima. She says: "Praise be to Jesus."

"I come specifically to speak to you about corruption. Corruption is the cooperation of the heart with evil. It has existed in the world since Adam and Eve. It is very prevalent today in secular and religious leadership. Corruption is encouraged by ambition, the need to control and by the disordered need to obey. Obedience is disordered when it panders to an evil end."

"When people of great importance and impact on many others become corrupt, whole governments, institutions and nations are jeopardized and may become corrupt, as well. This is why it is so important for each individual to establish a righteous conscience that realizes right from wrong in God's Eyes. God's Commandments

are not outdated but stand today as He passed them on to Moses."

"When a soul is corrupt, he tries to redefine God's Laws to make them fit his agenda."

"You must not look at who is speaking or dictating to you. It is not who you obey - but what you obey."

"If people would listen, corruption would be exposed and defeated."

■ **January 22, 2016 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, no one can say that they live in the Father's Will and yet oppose Holy Love. By Holy Love I mean My Commandments of Love and this Mission. Holy Love is one with the Father's Will."

"Tonight I am blessing you with My Blessing of Divine Love."

■ **January 23, 2016.** "I am your Jesus, born Incarnate."

"See that My coming to you during these evil times is your lifeline to the Truth. It is very difficult for the soul to find the Truth unless he is anchored in Holy Love. Even then, if he is subject to corrupt and abusive leadership, the soul needs holy boldness to stand up for the Truth. Corrupt leaders embrace some form of evil in some aspect of their actions. Furthermore, they demand obedience from their followers to do, likewise. This is when obedience becomes a false obedience, as it does not support the Truth."

"Often corruption takes the form of lies designed to protect position, status, territory or financial gain. Any success based upon lies is insecure at best, and often leads to further corruption. Corruption and false obedience lead to dirty politics in both secular and religious institutions. This is how rights are transgressed and evil is put in charge."

"So once again I tell you, be cautious as to whom you trust - do not be fooled by title or position which are important to man. Always search out the Truth which is important to Me. Support the Truth which builds up the Kingdom of God. Do not trust anyone who discourages prayer or sacrifice."

Read Romans 2:13

For it is not the hearers of the Law who are righteous before God, but the doers of the Law who will be justified.

■ **January 24, 2016 – Feast of St. Francis de Sales.** St. Francis de Sales says: "Praise be to Jesus."

"Love is the greatest of all the virtues. It is the expression of all the other virtues. Without Holy Love in the heart all the other virtues are false. Because Holy Love is the Truth, it searches out the Truth in all situations and does not settle for what is most popular or the easiest to believe."

"The reason there is strife in the world today is that Holy Love in the heart is not valued and seen as the solution. Therefore, pursuit of personal holiness is devalued. If you have not love in your heart, you are morally bankrupt."

"Holy Love knows no pretense. It is always genuine and sincere. It holds no personal or hidden agenda towards its own advantage. Holy Love is the foundation of hope and trust. Those who have not love cannot trust."

■ **January 25, 2016.** St. Francis de Sales says: "Praise be to Jesus."

"This is the importance of the depth of love in your heart. The deeper the Holy Love in your heart, the deeper your journey through the Chambers of the United Hearts. You cannot progress in holiness unless the Holy Love in your heart deepens. Holy Love is the inspiration of every conversion. It is through Holy Love the soul desires to please God and to know Him better. This is how the soul is transformed and comes to the fullness of Truth."

■ **January 25, 2016 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Tonight, My brothers and sisters, I urgently ask your prayers for a special intention."

"Pray that an evil that threatens the peace in the world and many lives is discovered for what it is and eradicated."

"Tonight I'm blessing you with My Blessing of Divine Love."

■ **January 26, 2016.** St. Francis de Sales says: "Praise be to Jesus."

"When every thought, word and action is embraced by Holy Love, the soul mounts to perfection quickly. The obstacles on the spiritual journey are any flaws in Holy Love. This is why it is necessary to examine the conscience frequently, and to ask for the grace to see weaknesses in Holy Love. The soul can only be as holy as he is perfected in Holy Love."

"Perfection in Holy Love reveals evils in the world which those devoted to the world cannot see. This is because Holy Love is Truth and sheds the Light of Truth wherever it goes. The soul who carries Holy Love in his heart becomes a source of light to others."

"No one can claim to live in the Father's Will who is not perfected in Holy Love. The Father's Will is the sanctification of every soul in Holy Love. Holy Love is the Divine Will."

Read 1 John 2:9-10

Synopsis: Living in or being Holy Love.

He who says he is in the Light and hates his brother is in the darkness still. He who loves his brother abides in the Light, and in it there is no cause for stumbling.

■ **January 27, 2016.** "I am your Jesus, born Incarnate."

"I come today to reiterate the Truth that each soul is judged by the measure of Holy Love in his heart at the moment of his death. I do not look at labels, such as Catholic or Protestant. I do not take into account wealth, popularity or influence in the world. I look only at the heart."

"This should be remembered as moment-to-moment decisions are being made. Much evil is performed in the name of good. You need only to look at government policies, laws which protect sin in the name of personal rights, leadership in Church circles which does not call out sin as sin, mainstream media which pumps compromised Truth into the public's conscience and lies which support the loss of freedoms which are God-given. Each of these abuses of authority taps into Holy Love in the heart and weakens or destroys it."

"Perhaps you think you are doing what is right by obeying the authority over you, even though what you are doing in obedience opposes Holy Love. Do not be so impressed with someone's credentials that you compromise the Holy Love in your heart. In such a case, I do not hold you

accountable to authority in the world, but to My Authority which dictates Holy Love."

"The challenge today is to hold steadfast to the Truth of Holy Love despite the opinions of the world."

Read 1 John 3:19-24

Synopsis: A good conscience is one which keeps the Commandments and lives in Holy Love.

By this we shall know that we are of the Truth, and reassure our hearts before Him whenever our hearts condemn us; for God is greater than our hearts, and He knows everything. Beloved, if our hearts do not condemn us, we have confidence before God; and we receive from Him whatever we ask, because we keep His Commandments and do what pleases Him. And this is His Commandment, that we should believe in the Name of His Son Jesus Christ and love one another, just as He has commanded us. All who keep His Commandments abide in Him, and He in them. And by this we know that He abides in us, by the Spirit which He has given us.

Read Acts 5:29

Synopsis: Obedience to God and His Commandments is more important than obedience to men.

But Peter and the apostles answered, "We must obey God rather than men."

■ **January 28, 2016 - Feast of St. Thomas Aquinas.** St. Thomas Aquinas says: "Praise be to Jesus."

"The Truth will always be the Truth no matter man's opinion. Holy Love is fundamental to each one's salvation. The spectrum of compromise circulating around this Mission of Holy Love indicates mankind's reluctance to pursue without reservation his own salvation."

"If I were to give you a straight path to Heaven, it would be Holy Love. If I were to show you a path to perdition, it would be all that opposes Holy Love. This is a simplification but what you must choose to live by in this valley of tears. Satan places many obstacles upon this straightforward path. Many are disguised as good. This is the reason you have been given angels to assist you along the way - to help you discern good from evil."

"Stand steady in the Truth of Holy Love despite nefarious opinions of others. Hold fast to the Truth."

■ **January 29, 2016.** St. Francis de Sales says: "Praise be to Jesus."

"I have come to tell you that perfection in Holy Love is perfection in every virtue. The soul performs every thought, word and deed for love of God. Intertwined in this Love of God is love of neighbor. This then is simplicity, in that disordered love of self is gone and pleasing God is the sole motive of the heart."

■ **January 29, 2016 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I invite each one of you into the deepest recesses of Our United Hearts. The way to come here the quickest is through complete surrender to Holy Love. Hold nothing back. Be united with My Father's Will and you will pass quickly through these Sacred Chambers."

"Tonight I'm blessing you with My Blessing of Divine Love."

■ **January 30, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"The light on the path of the road to salvation is the ability to determine good from evil. Holy Love grants the soul this light, as it is the demarcation between good and evil. Holy Love stands as the beacon of Truth, calling souls out of the sea of confusion which has encaptured the heart of the world."

"Satan tries desperately to lead souls away from this light and even to convince souls that the light of Holy Love is unworthy to follow. He masquerades sin as freedoms and rights. He protects evil and attacks that which calls people into the light of Holy Love."

"Dear children, you must not be afraid to be beacons of light in a world which rejects the Truth. Those who should be the strongest supporters of Holy Love in the world have failed Me. Sound leadership these days is scant at best. My little ones are left scattered and wondering whom to follow."

"Therefore, I come to tell you, follow closely the maxim of Holy Love. Those who live in Holy Love will not lead you astray. They will not have hidden agendas or play politics within their leadership roles. They will not make careers out of their religious vocations. They will clearly and distinctly call sin a sin. They will not lead in confusion but with clarity."

"My children, often you are left with difficult decisions - decisions you must make hastily. I am always with you, helping you to choose in a manner which befits Holy Love. Every morning surrender your will and your day to Our United Hearts. You will feel the difference."

■ **January 31, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"The tutelage of My Heart is now yours. The bridge between Heaven and earth is Holy Love. It passes between man's free will and the Divine Will of the Father. In order to find the way across this bridge, souls must carry the Flame of My Heart as their beacon. This Flame continually enlightens the soul as to the ways he is slipping from the hallowed bridge of Holy Love. No one crosses the bridge into the Will of the Father without this Flame."

"The bridge of Holy Love spans the abyss of error, confusion, compromised Truth and abuse of authority. All of these and every sin or fault prevents the soul from union with the Divine Will."

"No one can reach salvation outside of God's Will. Therefore, the bridge of Holy Love is the bridge to salvation."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

February 2016

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints and angels appear on the property at Maranatha Spring and Shrine. The Messages given to the visionary, Maureen Sweeney-Kyle, lead the soul on a spiritual journey into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

Saturday Services, April 2nd – Vigil of the Feast of Divine Mercy

7:00 PM: Prayer Service at the United Hearts Chapel.

Sunday Service, April 3rd – Feast of Divine Mercy

2:30 PM: Meet at the United Hearts Field for a Procession, 3 PM Prayer Service, and Promised Apparition.

"Please tell the people I will be with them in the Field of the United Hearts on the Feast of My Divine Mercy. I will also bless those who come at midnight as My Feast Day dawns, for My Heart is All-Grace, All-Mercy, All-Love."

■ **February 1, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I have come to help you see that obedience to Holy Love is a refuge and a protection against evil. This obedience helps the soul to recognize evil and to oppose it. Obedience to Holy Love is like placing yourself under My Mantle of Protection and securing your moment-to-moment decisions in the Divine Will. This obedience is your key to salvation."

"Of course you are challenged by those who will not and do not believe. Realize that standing up courageously for the Truth does not win for you popularity. In fact, your belief and support of Holy Love encourages opposition from the enemy."

"This is why you must strengthen your prayer lives. Sacrifice often for the conversion of the heart of the world. Pray for those who, clothed in goodness, support evil knowingly or unknowingly. Discernment is more valuable today than ever

before due to the compromise of Truth and the abuse of authority. When you are obedient to Holy Love, you are obedient to the Truth."

■ **February 1, 2016 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, patiently look at each present moment as an opportunity to grow deeper in Holy Love. This is your sanctification. Ask the Holy Spirit to show you the ways you can be strengthened in the virtues. Remember, you are strengthened in virtue when virtue is tested."

"Tonight I'm blessing you with My Blessing of Divine Love."

■ **February 2, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, be little enough, humble enough, to realize that this Mission offers you everything for these times in which you live. The Journey through the Chambers of Our United Hearts culminates in immersion in the Divine Will. What other journey or project do you need? Every Chamber opens onto a deeper relationship with God, thus perfection in the spiritual journey."

"I am inviting you to examine your own hearts for each one of you needs to be perfected in some way in some virtue. The grace of continual self-knowledge is carried with you throughout the Chambers through the Flame of My Heart. It is only by merit of the light of this Flame you can receive the illumination to move forward on your spiritual journey. Some, through lack of humility, snuff out this Flame, but foolishly think themselves to be progressing along the path of holiness."

"Pray daily for the humility and courage to allow the Flame of My Heart to illuminate your every step towards perfection."

■ **February 3, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, allow yourselves to be encapsulated in the Flame of My Heart through obedience to Holy Love. Within this Flame is your protection, purification and salvation. Allow the purification of this Flame of Holy Love to help you discern good from evil, both in your own hearts and in the world around you."

"In this Flame you will be able to see clearly the attacks of evil against you. You will recognize Satan as the accuser and the source of disunity. You will more readily see the hidden agendas in hearts. All this is freely given to the soul who obeys Holy Love."

"My Son did not give you these Commandments of Love to obey at your convenience - but always. Faithfulness to His Commandments is the best way to grow spiritually and to mount to perfection."

■ **February 4, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"You are asking, My daughter, why people pursue false agendas in their hearts. Some are just misled to believe false information. Others chase after self-importance through a lack of humility. Some see supposed good as a fruit of their agenda, but their motive is not love of God - simplicity. Still others busily seek the limelight first and God's Will falls by the wayside. God's Will is Holy Love. Holy Love bespeaks trust in God's Provision not intricate human plans."

"It is very difficult at times to ferret out human false agendas from God's Will. This can only be discerned by denouncing human interests through Holy Humility. It is only then God's Will can fill the heart. If humility is present, false agendas cannot easily consume the heart and Truth can flourish."

■ **February 5, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"It is true that the more the heart is settled on love of God, the more God works through him. It is when the heart is infiltrated with self-love and self-interests that disordered goals and agendas set in. When God's Will is taken out of the equation the results are human plans and human agendas."

"God must be a part of your every present moment through a sincere love. Then He will not let your heart be captured by fear or lack of trust. Then you will be at peace."

Read Romans 8:28

We know that in everything God works for good with those who love Him, who are called according to His purpose.

■ **February 5, 2016. Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, as this penitential season approaches, realize that it is the depth of love in your hearts which determines the value of each sacrifice no matter how big or small. I await your sacrifices with a loving heart."

"Tonight I am blessing you with My Blessing of Divine Love."

■ **February 6, 2016.** St. Thomas Aquinas says: "Praise be to Jesus."

"This is the age when, more than ever, the Spirit of Truth needs to uncover the guile and deceit of those in leadership roles. So many who once stood for the Truth have lost their way through self-centered goals. The attraction of being important in the eyes of men has taken on more significance than honesty in the Eyes of God. Most do not even consider the impact of their distorted choices on the heart of the world. If they did, they would certainly re-evaluate their actions and opinions."

"To hearts open to the Truth, I remind them that God offers the grace of the illumination of conscience here on this site. The leaders who most need this grace either have not heard about it or, for the most part, are not open to it. Those who have received the illumination consider it invaluable. The world today, however, does not value spiritual grace as something to be sought after. This gives evil open access to hearts."

"We must pray that Truth becomes more precious in the eyes of man and that a second Pentecost floods the world."

■ **February 7, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"No one can accomplish God's good through acts of pride. Jealously protecting titles, territory and roles in the world nets the soul no merit in the Eyes of My Son. Opposing prayer and sound private revelation is to cooperate with evil."

"The reason Truth is stressed in this Mission is so much untruth has risen against it. Those in authority have been charged by Heaven with defending the Truth and leading in the Truth. When they fail in this, they fail God and man."

"If a sincere effort to study these revelations was ever done, in Truth the conclusion could never be that there is nothing supernatural taking place here. I told you once that you, My messenger, were chosen because of your inadequacies. Your lack of training in your faith bears witness to your inability to fabricate all that has been given here: Protectress of the Faith, Refuge of Holy Love, the Chambers of the United Hearts and the Mournful Heart of Jesus. However, pride has chosen not to discern but to judge; not to benefit or allow others to benefit from Heaven's intervention, but to squelch and discount; not to recognize Truth but to collaborate in untruth."

"Only once have authorities been given the chance to join Heaven in this effort of good against evil. The hour of decision was wasted on pride and will cost many souls their salvation. That moment has passed. Do not compound your error by continually trying to support it."

Read 1 Peter 5:2-4

Synopsis: Encouragement to shepherds of the Church (priests and bishops) to tend their flocks in the pattern of the Chief Shepherd (Jesus) - not dominating over others by constraint of obedience or for self-gain but by being examples of servanthood.

Tend the flock of God that is your charge, not by constraint

but willingly, not for shameful gain but eagerly, not as domineering over those in your charge but being examples to the flock. And when the chief Shepherd is manifested you will obtain the unfading crown of glory.

■ **February 7, 2016 / Sunday Service - Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace.** St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, it is important that you realize the morals of the family affect the morals of the community which in turn affect the morals of the nation and then the morals of the world. Therefore, it is important for every family to have the spiritual foundation of Holy Love."

"Tonight, I'm blessing you with my Fatherly Blessing."

■ **February 8, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"No one deserves to be discouraged from coming to this site, to pray here and to partake of the graces so generously offered here. Such directives are not part of God's Will. The Father, in His Infinite Wisdom, has reserved these revelations for these times when the compromise of Truth and the abuse of authority dictate the need for these devotions. To deny the necessity of these devotions - Protectress of the Faith, Refuge of Holy Love, the Chambers of Our United Hearts and the Mournful Heart of Jesus - is to deny the reality of the Truth."

"Instead of discouraging all Heaven offers here, clean up the household of your own hearts. Sweep out the dust of compromise. Stop defending error to please mankind. Speak out against sin. Identify good as opposed to evil. Let in the fresh air of unity in God's Will and welcome the Truth of Heaven's intervention through Holy Love. Make the salvation of souls your priority - not disordered authority. Do not regard Heaven's intervention as competition, but as Heaven's loving, helping hand."

"The power of your position, your reputation and esteem in the eyes of man are of no account towards your salvation. What matters is your influence towards the salvation of souls. As the devotions offered here lead to salvation, opposing them is in concert with evil."

Read 2 Timothy 3:1-5

Synopsis: Know in the last days shall come dangerous times in which you should avoid teachers who are lovers of self, proud, pleasure seeking, haters of piety, and coveters of power and authority who appear of godliness but deny its power.

But understand this, that in the last days there will come times of stress. For men will be lovers of self, lovers of money, proud, arrogant, abusive, disobedient to their parents, ungrateful, unholy, inhuman, implacable, slanderers, profligates, fierce, haters of good, treacherous, reckless, swollen with conceit, lovers of pleasure rather than lovers of God, holding the form of religion but denying the power of it. Avoid such people

■ **February 8, 2016 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, look forward to the Feast of My Resurrection with much joy in your hearts. That way every sacrifice you give Me during this penitential season that approaches will be from a heart of joy and love."

"Tonight I'm blessing you with My Blessing of Divine Love."

■ **February 9, 2016.** "I am your Jesus, born Incarnate."

"The Deposit of Faith, as handed down through the ages, is supported and even deepened by merit of these Heavenly communications offered here. The ones who should recognize this, have summarily dismissed them as having no supernatural origin. Quite the paradox!"

"This closed-mindedness does not discourage My Attempts to reach the faithful and nurture their faith. This is indeed an age in which faith is not only challenged but denied. Heresy is not even recognized as such, but encouraged as popular opinion. The Truth that I bring you is feared and challenged more than abortion, homosexuality and the abuse of authority are. If pride was not involved, all I come to say would not be so vehemently opposed."

"These days, the Deposit of Faith is weakened by the accommodation of sinners who object to correction and sadly are supported legally."

"When I was on earth, I did not try to accommodate egos. Rather, I came to speak the Truth. It is no different today. I will not be silenced in obedience to man. I pray for a universal conviction of hearts in the Truth. Pray with Me for this intention, which only the Father can grant."

"Pray this way."

"Heavenly Father, flood the heart of the world with a sincere conviction of Truth. Help each soul to accept with humility the state of his soul before You. Grant each soul the desire to convert to Holy Love. Amen."

■ **February 10, 2016.**

Brothers of the United Hearts

Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Jesus has asked Me to establish in the world a group of lay men committed to spreading the Truth of these Messages far and wide. They will be called the Lay Brotherhood of the United Hearts. Their only visible demarcation would be a pin shaped as a shield, bearing the image of the United Hearts - St. Michael's Shield of Truth. They should be committed to prayer and sacrifice, making holy hours of reparation for the conversion of the heart of the world. They should assist the priests whenever possible."

■ **February 10, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"These days, mankind expends much effort on safeguarding the economy, protecting the environment and conserving energy. Yet the single most important thing in the world - the faith in every heart - lays unprotected and vulnerable to every type of marauder. No account is made of the weakening morality played out in the world today. False discernment is and was levied against My Title 'Protectress of the Faith'. In an age when faith is the target of evil, every type of protection is needed, most especially this powerful title against which Satan holds no power."

"Therefore, I come to reiterate, do not accept every dictate from abusive authority. Consider the effects of that which is being proposed to you. If these effects do not support Holy Love, you must not accept them."

■ **February 11, 2016 - Feast of Our Lady of Lourdes.** Our Lady comes as Our Lady of Lourdes. She says: "Praise be to Jesus."

"On this date so many decades ago, I established contact with My Visionary, Bernadette, in a very unlikely place - a garbage dump. My seer was unsophisticated and unimportant

in the eyes of the world, yet I used her simplicity to uncover a healing spring through which many miracles have been granted."

"Here at this site I am using a seer also inadequate in the eyes of the world - weak and frail - uneducated in the faith. At Lourdes I asked for penance. Here I ask for penance, prayer and sacrifice. I give you here a spring, as well. It is the Lourdes of this hemisphere - just as powerful and miraculous as the one so far away in France."

"Bernadette's apparitions were investigated with open-mindedness. Here, from the onset, the attitude was one of negativity. All aspects were reviewed without fairness or the motive of discovering the Truth. The profound Messages were never really studied or even considered."

"I do not choose haphazardly where I appear. Jesus sends Me."

"He sent Me here amidst the abuse of authority and the compromise of Truth to challenge hearts and expose evil and to strengthen and protect the faith. I am doing all My Son asks. Here it is a great battle, but it must be fought for the sake of souls."

"Just as Lourdes was a dumping ground, there is much spiritual refuse here. We are cleaning up what is useless and even harmful through your prayers and sacrifices. Therefore, do not be discouraged. When evil is exposed, it gives us the opportunity to present the Truth."

"Jesus allows Me to continue to support you in this on-going battle."

■ **February 12, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Every soul should champion the cause of Holy Love, as it is God's Commandments encapsulated in one concept. Holy Love supports the Deposit of Faith. There is nothing contrary to faith or morals within these Messages. I have been sent here by My Son to bring peace and unity to all mankind in the Truth. Those who take exception to My Apparitions here do not live in the Truth."

"I cannot tell you in plainer language than that to help you recognize the Truth and to choose good - Holy Love - over evil - opposition to Holy Love. This is the age of confusion and compromise. Holy Love, however, is straightforward, without guile or any ambitious agenda. In Holy Love, there is no jealousy or competitive spirit. The salvation of souls is the only goal."

"You cannot be at peace until you are united in the Truth. The Truth is Holy Love."

Read 1 John 4:6

We are of God. Whoever knows God listens to us, and he who is not of God does not listen to us. By this we know the Spirit of Truth and the spirit of error.

■ **February 13, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Just as you believe on this cold winter day (-8 degrees wind-chill) that spring will come and all of earth will burst into bloom, I invite you to believe that My Beloved Son will return in glory in a Victory of Truth. These days Truth is difficult to recognize and on all levels has reached proportions of compromise never before seen in the world."

"You must learn to look beneath the vesture of supposed goodness and to recognize self-interest as the motive of many actions. Politics are not confined to public office but have taken root in the Church on many job scenes and even amongst

families. Do not make your choices always according to self-gratification - self-love. Place God and His Commandments first and neighbor second."

"Truth will bloom in hearts when Holy Love is allowed to take root once again. My Son will return as promised with Truth as His Shield."

■ **February 14, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"This shows you how fragile the moral standards of this country are, when the passing of one man* jeopardizes the upholding of the whole constitution. When this nation was founded, checks and balances were put in place to prevent such possibilities. However, due to the polarization of political opinions these safeguards have been minimized."

"Sodom and Gomorrah today would have been accepted as liberal alternatives. God does not judge according to the latest moral trend, but according to His Commandments. These do not change with the passage of time or according to who believes in them."

* *U.S. Supreme Court Justice Antonin Scalia (March 11, 1936 – February 13, 2016)*

■ **February 14, 2016.** "I am your Jesus, born Incarnate."

"The Justice* that came to Me yesterday was a man of Truth and principle. He defended the constitution at every turn. He was unafraid of others opinions but called error as error. Now, this president has another opportunity to demoralize the fabric of this nation. The foundation of the constitution is at stake and will be challenged. Pray! Pray! Pray!"

* *U.S. Supreme Court Justice Antonin Scalia (March 11, 1936 – February 13, 2016)*

■ **February 15, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"The door is open now to a future where justice will no longer be justice. Freedoms, now taken for granted under your constitution, can easily be taken away by a misguided majority. This is a crucial time in this nation's history. It is, of course, a battle between good and evil."

"The moral fabric of your nation is being unraveled by liberals who champion the wrong 'freedoms' in an attempt to overpower conservative opinions. These are 'freedoms' such as abortion on demand which, in reality, enslave people to the evil of promiscuity. On the surface, they seem to be a freedom, but are only a cooperation and entanglement with evil. The same can be said of same-sex marriage - now a political instead of a moral problem."

"Dear children, you must pray for an awakening of the soul of your country. It is no longer one nation under God, but an upheaval of diverse opinions and sinful goals. Prayer has been taken out of schools and public places in the name of freedom. In its place, you have violence and confusion. It is up to you now to choose leaders who will once again place God's Hand of Dominion over your faltering nation."

"I am praying with you."

■ **February 15, 2016.**

Brothers of the United Hearts

"I am your Jesus, born Incarnate."

"The Brotherhood of the United Hearts - once again comprised of lay men - single or married - should form prayer groups, the purpose of which is to pray for the Mission and the

conversion of sinners. Ways of evangelizing should be discussed. Once a year, they should all assemble here to gather new printed material and to hear some talks on evangelization."

■ **February 15, 2016 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, these are serious times and require your serious efforts at prayer and sacrifice for the conversion of all hearts in the truth of Holy Love. I am helping you and giving you the strength to see beyond what seems inevitable and to trust."

"Tonight I'm extending to you My Blessing of Divine Love."

■ **February 16, 2016.** "I am your Jesus, born Incarnate."

"Today I have come to discuss with you the sin of arrogance so prevalent in the world today. The arrogant person has distorted thinking. He sees himself as more important than he is. Remember, humility sees itself in the Truth of where he stands before God. Arrogance then is the opposite of humility. The arrogant person presumes to have more rights and power than he has. He often tramples over the rights of others without regard for the affects upon individuals."

"The arrogant person cannot be put in his place easily, as he does not respect the authority of those over him. He very often does not consider himself answerable to anyone."

"When an arrogant person holds an office of power it is often a disaster. His position becomes more of a dictatorship than one of loving service and leadership. Humility is always open to change and suggestion of change. Humility carefully weighs the opinions of others. Humility promotes unity - not discord. Humility gently leads with Holy Love and supports with Holy Love. Arrogance is inspired by disordered self-love and therefore, does not lead in righteousness and Truth."

"Consider these things in the light of current and future events. Do not be persuaded to cooperate with arrogance in the name of obedience to office."

■ **February 17, 2016.** "I am your Jesus, born Incarnate."

"The future of the world rests on what is accepted as Truth. Satan masquerades his lies as the Truth and promotes evil choices in this way. The human heart is open and vulnerable to evil suggestions, if it is not grounded in the reality of the battle between good and evil and therefore in support of God's Righteousness."

"Do not be tricked into thinking you are pleasing Me by saving peoples' feelings and not confronting their evil choices. Help Me to save souls by standing up for the Truth instead of saving feelings. You are never given the same opportunity or the same circumstance twice to evangelize, as every present moment is unique. Be aware of the present moment grace and use it to the fullest towards the salvation of souls."

"Learn to recognize evil by the choices people make."

■ **February 18, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, there are endless possibilities of what could have instigated certain events in time, but you must look at everything as God's Divine Will. Let us move forward in trust. When you lose a good leader who is grounded in the Truth,* it is more of a loss these days, for few there are to replace such a one. This of course is the bad fruit of the sin of abortion. God's Holy and Divine Will permits pivotal events, but also provides grace to move forward."

"Therefore, do not waste the present moment in ruminating over the past. Move forward in the grace God is providing in every present moment. Pray that sound Christian values are restored in the heart of your nation."

* *U.S. Supreme Court Justice Antonin Scalia (March 11, 1936 – February 13, 2016)*

■ **February 18, 2016 - Feast of St. Bernadette.** Our Lady comes as Our Lady of Lourdes. She has St. Bernadette with Her. She says: "Praise be to Jesus. The problems which threaten the future of the world are very complex today. The technology God has given man is being misused. Monetary systems are unstable. Resources God created are being fought over. War is barking at the heels of mankind everywhere. Yet just as I came to this humble little seer decades ago asking for penance, I come here today to ask for your prayers, sacrifices and penance. These three simplistic endeavors offer the solution to all of man's difficulties."

"Use these weapons as a means of altering events which threaten the welfare of the world. You do not understand the gravity of evil that lurks in the heart of man. I come not to offer sophisticated solutions, but God's solutions. It is your efforts in employing these tried and true weapons that can make the difference. God uses every prayer, every sacrifice and every act of penance towards the Victory of Truth."

■ **February 18, 2016.**

Brothers of the United Hearts

Mary, Refuge of Holy Love says: "Praise be to Jesus."

"The main focus of the evangelization efforts of the Brotherhood of the United Hearts must be the propagation of the Consecration of the Heart of the World to the United Hearts."

■ **February 19, 2016.** I (Maureen) told Blessed Mother I was sorry about the comments the Pope made last night.

She (Mary, Refuge of Holy Love) comes very solemn. She says: "Praise be to Jesus. Contraception is just an early form of abortion. You know that. Title and authority do not make wrong right. Now there is confusion as to the Church's stance on birth control."

"Continue to pray with me for all church leaders."

■ **February 19, 2016 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I encourage each one of you to remain faithful to the Truth, especially the Truths of the Faith. Truth never changes, but remains the same."

"Tonight I am blessing you with My Blessing of Divine Love."

■ **February 20, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I come to you once again to unite all people and all nations in Holy Love. So long as the Truth is compromised, you cannot be united. In the Flame of My Heart, the Truth is revealed to each soul exposing his stance before God in the Light of Truth. The Flame of My Heart reveals good as opposed to evil. I offer the shelter of the Flame of My Heart to all who come to this apparition site. If the Truth is accepted, it is an ongoing grace in their lives, drawing the soul deeper and deeper into the Chambers of Our United Hearts. You cannot move into the deepest Chambers of Our Hearts if there is disunity in your own

heart towards another. Unity with God's Will bespeaks unity with man. Therefore, surrender any grudge or unforgiveness which separates you from love of God and neighbor. This is the first and also the ongoing step to passing into the Flame of My Heart. The Flame of My Heart accompanies each soul on his spiritual journey through these Sacred Chambers."

"I reject no soul who comes to me with a sincere heart - that is, a heart seeking to know his sins and weaknesses and who seeks perfection in personal holiness. Part of knowing your weaknesses is recognizing when and where you compromise the Truth. Therefore, please understand that the Flame of My Heart is a source of reparation to the Mournful Heart of My Son."

■ **February 21, 2016.** Our Lady comes in white. She holds a rosary and lets the Hail Mary beads slip through Her fingers as I (Maureen) pray. The beads are like pearls, but as they slip through Her fingers they turn into the tear drops with the unborn babies in them as on the Rosary of the Unborn. She smiles faintly and says: "Every child in the womb is precious to Me, no matter its deformity. Once again I tell you, every Hail Mary prayed on this rosary from the heart saves a life from the sin of abortion. This is a sacramental most powerful and meant for these times when opinions are costing lives and souls."

She leaves but there is one tear drop of the unborn left in the air momentarily.

■ **February 22, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Much of the confusion these days in regards to good versus evil is the bad fruit of secular and religious leadership intermingling. You can see this quite plainly in the issues of abortion and same-sex marriage. Secular leaders have given these sins their stamp of approval - making them seem acceptable. Religious leaders have not been vocal enough in defining these as sin."

"Those given the vocation of religious leadership must lead spiritually towards the salvation of their flock. They must clearly and distinctly define good as opposed to sin. It is their obligation before God. There should be no confusion or gray areas. Religious leaders should not try to accommodate those in the political arena or those who demand the right to sin."

"In Holy Love leaders must be united, but secular and religious leaders must never be united in error."

■ **February 22, 2016 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, as you offer small or great sacrifices to Me, wrap them in love that comes from your heart. It is this love that empowers the sacrifices. I am using all that you offer Me to convert souls. Pray especially for countries that are ruled by pagans."

"Tonight I am blessing you with My Blessing of Divine Love."

■ **February 23, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I tell you solemnly, the greatest danger in the world today is people's inability to see evil as evil. Moral leaders have painted moral decisions with a gray paint brush, causing confusion in the hearts of many. God's Commandments are concise and dictate a decisive response. There can be no amendments to His Commandments or new interpretations supporting the whims of man."

"New definitions of right and wrong are not of God. The legal system must not be your spiritual advisor or set

precedence over your moral behavior. Whole nations would convert if they would heed my advice to you today. Do not place man's law above God's Law."

"A nation declines when its moral standards decline. This is why moral leaders need to lead the way and political leaders should follow them, making every effort to comply with God's Laws. Political leaders must not be indifferent as to the moral atmosphere of the nation. To do so is to cooperate with evil."

■ **February 24, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Corruption of the heart is the compromise of Truth. Whatever the heart embraces as Truth, determines his course of action. Within the spiritual realm, this compromise is the basis for sin."

"I come to you to call for unity in Truth, not unity in error. Do not presume that breaching Doctrine and Tradition to achieve unity is pleasing and justified in God's Eyes."

"I am the Refuge of the Holy Remnant Faithful. Cling fast to My Immaculate Heart during these troubling times and you will not be tricked into abandoning the Truth. It is not important how people perceive you. It is important to embrace the Truth in God's Eyes."

■ **February 25, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"It is important in the spiritual journey that souls are open to knowing themselves. This self-knowledge should help souls to recognize their motives for their thoughts, words and actions. Opinions that are formed around jealousy lead to rash judgment and calumny. Fear of loss of reputation, power or authority lead to the same bad fruits of erroneous opinions. Whatever inspires your thoughts, words and actions - be it good or evil - leads you deeper into My Heart or farther away."

"This is why the journey into the Chambers of our United Hearts opens first and foremost into My Immaculate Heart wherein the soul is purged of his faults through the Flame of My Heart. Therefore, understand that humility of conscience is a basic foundation to spiritual perfection."

■ **February 26, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"The evil that you see all around you in Church and world politics must take place before My Son's return. Each soul must pray not to fall under the influence of this present-day evil. Pray to recognize it and to oppose it."

"Work towards your own perfection in virtue which takes you deeper into the Chambers of Our United Hearts. Do not be discouraged by any failure or weakness in virtue. Failure in virtue can lead to success if you trace the cause of each failure and work to overcome it."

"It is a grace to recognize your weaknesses. This grace comes only with humility of conscience."

■ **February 26, 2016.** St. Michael comes holding his Shield of Truth. He says: "Praise be to Jesus. I tell you solemnly, not all unity is good. People can be united in the Truth and that is of God. But they also can be united in evil to please self and man. If you ignore God's Laws - the Commandments, Doctrine, Religious Tradition, you do not unite in the Truth of God's Will. Such unity is not of God and does not achieve His purpose."

■ **February 26, 2016 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for**

World Peace. Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, make every effort to be perfected in Holy Love. The deeper you are in Holy Love, the deeper you are in the Chambers of Our United Hearts. Then it is easier for you to be courageous in the present moment and to defend the Truth."

"Tonight I am blessing you with My Blessing of Divine Love."

■ **February 27, 2016.** St. Thomas Aquinas says: "Praise be to Jesus."

"Moral Truths do not change because leadership changes. It is the function of every leader to carry on the reality of sound moral standards. Truth becomes compromised to please man over God."

"Laws, Doctrine and Moral Standards do not change in God's Eyes and are in place to protect the Faith and all people from moral degeneration."

Now he is holding a rose. He says: "Look, I can tell you this isn't a rose, but that does not make it so. It is the same with the compromise of legalization of sin such as abortion or same-sex marriage. The law says it's okay. That does not change the Truth of the sin in God's Eyes. Do not have more respect for who is compromising the Truth than for the Truth itself."

"This is the age when Doctrines, Traditions and Laws are all challenged by unlikely sources. Do not allow social justice to be the watchdog of good versus evil. That is the function of God's Commandments and Church Law."

■ **February 28, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, meet the challenge of the day by clinging tenaciously to your faith. Do not be swayed by popular opinion or influenced by title or authority to compromise the Truths of your faith. Prize the State of Grace that Jesus calls you to be in from moment-to-moment. It is only in this State of Grace that you can receive My Jesus, Body, Blood, Soul and Divinity. If you do not share in the Catholic Faith, I invite you to consider the grace of such a deep bond with Jesus that He offers through the Eucharist to those who are Catholic."

"Remember, I come for all people and all nations with the Truth. I never change the Truth to please people. Nor do I

change Doctrines so that people can be united. Such unions may be attractive on the outside, but in reality they are unions of evil. Jesus sends Me to encourage your loyalty to the Faith despite the compromise of Truth that is now being encouraged. I will stand guard over your heart and your faith if you invoke Me."*

* *Per Message dated February 2, 2015: "If you but say, 'Protectress of the Faith, come to my aid', I will envelop your heart in My Own Heart and protect you."*

■ **February 29, 2016.** "I am your Jesus, born Incarnate."

"I tell you solemnly, free will orders the signs of these times. It is free will choices which place the design of My Mercy and My Justice upon the world. I do not interfere with free will. As man becomes more and more reliant upon his own efforts, I withdraw and allow the fruits - good or bad - of his efforts to take hold."

"So you see, it is not I who choose the events of the day, but mankind himself. Those who cling to Holy Love and are engulfed in the Flame of My Mother's Heart, allow Me to take dominion over their hearts and their lives. It is through these humble souls My Purpose is achieved for they are not focused upon self-interest."

"Many souls set themselves up in opposition to My Grace for they do not recognize it and cannot free themselves of self-interests. It is such as these that call upon My Justice. Through this Mission I am bringing Light into the world - Light to combat darkness. Yet many refuse this gift for they prefer jealousy to fill their hearts instead. Jealousy spawns rash judgment and error."

"Therefore, focus on the loving gift that is offered through this Mission and not on self and an ungodly agenda."

■ **February 29, 2016 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, do not be discouraged during this season of prayer and sacrifice and penance. I appreciate anything and everything that you give Me. When you are discouraged, the Holy Love in your heart flickers rather than burns."

"Tonight I am blessing you with My Blessing of Divine Love."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

March 2016

***Holy Love Ministries** is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."*

Our Lady, Our Lord and many saints and angels appear on the property at Maranatha Spring and Shrine. The Messages given to the visionary, Maureen Sweeney-Kyle, lead the soul on a spiritual journey into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

■ **March 1, 2016.** I (Maureen) am shown a blanket floating in the air. It is frayed at the corners. Our Lady says: "Praise be to Jesus. Trust is like a coverlet which protects the heart from doubts and fears. When self-interest invades the heart through free will the coverlet of trust begins to unravel. This is so, for the soul lets himself begin to trust in his own efforts more than in God's Provision."

"Every present moment - every human experience - is woven into the coverlet of trust to attain God's Will. It is in this way, when everything is accepted with trust in God's Will, that weaknesses become strengths in God's Plan. Trust does not allow any part of the present moment to be wasted on fear. Trust in God's Mercy does not allow guilt to take over the heart."

"The more tightly woven the coverlet of trust over the heart, the more God is able to use the soul as His Instrument. God is the Master Weaver and He incorporates into each life reasons to trust in Him."

■ **March 2, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, the Eucharist is a very special gift. It is given to bring unity in Truth. If I did not point out error however, I would be supporting error. Recently, reception of the Holy Eucharist by those outside of a state of grace is being encouraged by certain Church leaders. This is wrong and against Church Doctrine."

"I come for all people and all nations to this site. This includes Catholics. So, as I am the Mother of all, I claim the right to address and correct such a blatant error. These Messages and the spirituality offered through them are

scrutinized by Church leaders. They should take the time to scrutinize their own actions and how they are misleading so many into sacrilege."

"Every precaution should be taken by the soul before reception of the Holy Eucharist as to the certainty of the state of grace he is in. The Church has always taught this. During these times less respect of the Eucharist strengthens the collapse of Tradition. Hierarchy must not encourage unity in error but unity in Truth."

■ **March 3, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"When obedience interferes with prayer, it is not of God. I come to you seeking your holiness and your love. Those who oppose this Mission only read the Messages hoping to find a way to support their negative positions. They can read and re-read all they want, but there is nothing against faith and morals in any Message."

"I come always seeking your welfare which is your salvation. Those who discourage your faith in this Mission have chosen to discourage Heaven's intervention during these most evil of times. I would not need to come here at My Son's behest if sin was clearly defined from the pulpit and if Doctrine was strictly adhered to. As it is, confusion is in leadership positions within the Church. Evil is accommodated and social justice is lauded as the way of salvation."

"I do not come to assist you in changing the laws but in upholding the laws. I am here to help you to recognize what is good and what is evil. This is basic to your salvation. The conscience of your country clearly needs a renewal in this

grace."

"Therefore, come here often and pray. Let no one discourage you. The angels are awaiting your arrival here, as am I, your Heavenly Mother."

■ **March 4, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I tell you, no soul can increase in holiness without first passing through the Flame of My Heart. It is within this benevolent Flame iniquity is revealed and resolved. The Flame of My Heart surrounds the soul as he makes his way through the Chambers of Our United Hearts. The Flame of My Heart is a protection from sanctimony - the pride of self-righteousness - and from false virtue performed to impress others. The Flame of My Heart is a conviction in the Truth."

"Do not fear this Flame, for it does not destroy but builds up. This is a flame that recreates the human heart in the image of Holy Love. It is a Flame which illuminates the soul with self-knowledge - so vital to the spiritual journey."

"All who desire a deeper relationship with My Son must cooperate with this Flame. It is present in every heart that desires spiritual perfection."

■ **March 4, 2016.** Our Lady of Fatima comes standing on a globe of the world. She says: "Praise be to Jesus. I must tell you that the Republican Party must unite. Otherwise, the opposition will benefit and win. This election and its outcome will impact the whole world."

■ **March 4, 2016 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Mournful Heart exposed. He says: "I am your Jesus, born Incarnate."

"I did not come to save just one but all. Pray for those who are causing the most trouble in the world, those who do not believe in the Truth. They continue to wound My Mournful Heart."

"Tonight I'm blessing you with My Blessing of Divine Love."

■ **March 5, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I tell you solemnly, I come to heal the heart of the world with the balm of Holy Love. The ones who most need this balm refuse it, for their hearts are tied to the world in many ways - love of money, power, reputation - all ways to be important in the eyes of man. God does not look at any of these superficial means of importance. He looks at the commitment to Holy Love in the heart."

"The heart of the world can only be changed one heart at a time. It can only be changed by recognition of the Truth. Those who try to manipulate the Truth so as to make it more accommodating to many are only fooling themselves. God is not manipulated. The change must come in hearts to accept the Truth, not in Truth to precipitate change."

"Souls need to love God enough to try to please Him by changing their lives. This is true conversion of heart."

Read 1 Timothy 1:13-14

...though I formerly blasphemed and persecuted and insulted Him; but I received mercy because I had acted ignorantly in unbelief, and the grace of our Lord overflowed for me with the faith and love that are in Christ Jesus.

■ **March 6, 2016.** "I am your Jesus, born Incarnate."

"I tell you, good that is divided against good is not of Me. Take for instance, as is the case so often, one apparition site opposing another. This disunity of purpose weakens the cause of both Heavenly interventions. Heaven intervenes in a specific way at each site. This also holds true in politics and in many secular and religious environments. Disunity weakens and opens the door to evil."

"I have sent My Mother here to this site to ask for unity in Truth - the Truth of Holy Love. This is the key to discerning good from evil. How distressing that seemingly good people cannot comprehend the good of My Mother's Call here. How sad that self-interests supersede My Call to personal holiness. How grave the sin that selfish ambition misleads a multitude."

"Once again I plead My Cause to all people and all nations. Do not look at the ways you are different, but at the ways you are the same. Do not let opinions divide you, but respect one another."

"If you disagree let it be amiable. Do not hold grudges which divide. Look for the good in your neighbor. When you surrender completely to Holy Love, you give Me everything and I give you everything you need to be at peace."

March 6, 2016 / Sunday Service - Consecration of the Heart of the World to the United Hearts; Unity in Families and World Peace. St. Joseph is here and says: "Praise be to Jesus."

"Please understand that parents have the solemn responsibility to help their children form opinions in the Truth. Opinions lay the groundwork for actions. Therefore, be good examples of Holy Love, and influence your children in this virtue."

"I'm imparting to you tonight my Fatherly Blessing."

■ **March 7, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"From its inception, your nation has been a hallmark of Truth. In recent decades, however, this has not been the case, as politics has taken on moral standards as their responsibility. Now it appears that some who aspire to high office are not even held accountable to speak the Truth. The fact that such as these are even considered electable speaks volumes in regards to the moral standards this nation has sunk to."

"This nation was founded on love of God and neighbor and consequently, every freedom which supports Holy Love. But freedom is not every whim and fancy people choose to pursue. Freedom is the right to make choices which support good and reject evil. Freedom is the right to hold government officials responsible for their moral choices without being accused of bigotry. As it is, money has given some a free pass as to accountability. This will not be so in My Son's Eyes. His Laws do not change to accommodate political platforms. He is not impressed by popular opinions."

"Your nation needs to return to the God-given basics it was founded on in order to return to stature in the world. This is not attainable by one person but by many. However, one person if placed in prominence can further tear this nation down."

■ **March 7, 2016 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Blessed Mother is

here as Our Lady of Grace and says: "Praise be to Jesus."

"Dear children, during the remaining days of Lent please pray very hard for the citizens of your country (USA) that they accept the grace of recognizing good from evil."

"Tonight I'm blessing you with My Blessing of Holy Love."

■ **March 8, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"We, at Holy Love, will always remain a conservative faith community - not looking for ways to redefine Doctrine to accommodate more members, but always supporting the Truth of Tradition. There will be a majority who will follow new concepts of thinking - ways that are more lenient and more inviting to fringe membership. Many in authority will see these ways as acceptable. This is why Jesus suffers in His Mournful Heart when He considers the abuse of authority that is to come and the many who will be led astray."

"These are the times when you must pay close attention as to how and where you are being led."

Read 2 Timothy 3:1-5

But understand this, that in the last days there will come times of stress. For men will be lovers of self, lovers of money, proud, arrogant, abusive, disobedient to their parents, ungrateful, unholy, inhuman, implacable, slanderers, profligates, fierce, haters of good, treacherous, reckless, swollen with conceit, lovers of pleasure rather than lovers of God, holding the form of religion but denying the power of it. Avoid such people.

■ **March 9, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"More and more in society, in politics and in Church circles you are going to be seeing differences between liberals and conservatives. It is very apparent in this election your country is experiencing at this time. But I am here to help you to decide always for Holy Love. Holy Love does not allow you to compromise the Truth to appease man. Holy Love is always the choice that most pleases God. Holy Love does not embrace so called freedoms, which are really grave sins. Holy Love preserves the difference between good and evil."

"It is important, dear children, that you realize it is Satan who promotes this conflict between liberals and conservatives. He is making opinions into battlegrounds and the heart of man into contested territories. Ultimately, the victory will belong to Truth. However, in the meantime, many souls will be misguided and lost - leaders take note. Depend on Holy Love to help you to hold fast to the Tradition of Truth."

■ **March 10, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, I come once again to call you into Holy Love - the embodiment of God's Commandments. His Commandments are not just His opinions and something to be negotiated. His Commandments are His Laws. You must obey His Commandments in order to win your salvation. The way to live out His Commandments is to live in Holy Love - to love God above all else and your neighbor as yourself."

"When I appeared at La Salette I was weeping for man's disregard for respecting God's Name and keeping holy the Sabbath. How much more must I weep for the grievous sins of today? There is little respect for effort in personal holiness or for human life from conception to natural death. Sodomy is supported by law. Anyone who opposes moral degradation is termed a bigot."

"Yet My Son's Arm of Justice has yet to fall. I plead with Him to be patient and to allow the Remnant Faithful to increase. I plead with each of you to be united in Holy Love which bears the Truth between good and evil. Do not take His Commandments lightly. Be serious in your efforts to live in Holy Love. Challenge others to do so, as well. Dry My Tears with your efforts. I love each one of you and long to spend eternity with you."

■ **March 11, 2016.** "I am your Jesus, born Incarnate."

"There is much debate surrounding the upcoming election for president of your nation. I tell you in all Truth, if people do not see this as a battle of good versus evil, evil will take the upper hand. To conquer evil it must first be identified and then attacked on a spiritual level. The political opinions of the candidates are not your enemy. Who inspired the opinions is your enemy if the opinions embrace abortion, birth control and same-sex marriage. Those who choose to embrace such things are supporting evil. You need to pray that they do not succeed in their political goals. Pray against the power of Satan that has won over their hearts."

"Opinions, you know, turn to dust in eternity. Holy Love determines your eternity. Be diligent in your embrace of Holy Love."

Read Ephesians 6:10-18

Finally, be strong in the Lord and in the strength of his might. Put on the whole armor of God, that you may be able to stand against the wiles of the devil. For we are not contending against flesh and blood, but against the principalities, against the powers, against the world rulers of this present darkness, against the spiritual hosts of wickedness in the heavenly places. Therefore take the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having girded your loins with truth, and having put on the breastplate of righteousness, and having shod your feet with the equipment of the gospel of peace; above all taking the shield of faith, with which you can quench all the flaming darts of the evil one. And take the helmet of salvation, and the sword of the Spirit, which is the word of God. Pray at all times in the Spirit, with all prayer and supplication. To that end keep alert with all perseverance, making supplication for all the saints...

■ **March 11, 2016 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, it is My desire that all people and all nations be attracted to this Message. Therefore, I'm asking you to be emissaries of Our United Hearts by being Holy Love to everyone."

"Tonight I'm blessing you with My Blessing of Divine Love."

■ **March 12, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"A great mechanism is dependent upon the smallest part to run properly. This is true in the spiritual life, as well. A soul may strive to live in Holy Love and to be Holy Love, but there may be one problem in his heart that prevents Holy Love from being fulfilled. Perhaps he holds unforgiveness in his heart towards one person. Maybe he holds in his heart a spiritual pride or envy. Perhaps he is prone to calumny or rash judgment. He may even be a person of prominence in

the world but fails to lead the souls in his charge in righteousness for fear of losing popularity or revenue. Any small error in Holy Love prevents the whole attitude of Holy Love from taking root."

"This is why an examination of conscience is so important every day. If you cannot humbly discover your shortcomings, you cannot correct them. Holy Love is like a great machine with many parts or virtues. All of these virtues need to work together so that Holy Love is fully functional. Do not impede Holy Love in your heart by refusing to look carefully at your efforts."

"You are given the Chambers of the United Hearts to help you past the superficial and into the depths of Divine Love."

■ **March 13, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I wish to tell the world why they should come to this apparition site."

- "Jesus invites you."
- "I invite you."
- "You receive the Blessing of Truth here."
- "Your conscience is enlightened to see how you should improve in God's Eyes."
- "You receive an extra angel at Maranatha Spring to help you to live in Holy Love."
- "Many graces, healings and miracles abound here by Heaven's Hand."

"These reasons to name a few should far outweigh any reason not to come. This is the place where Heaven has touched earth. The Blessing Point is a special sign of this grace. Come and see."

■ **March 14, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, many do not realize the grave importance of this election as to the future of your nation and the world. What hangs in the balance is democracy itself which is threatened by choices made to replace your Supreme Court Justices in the near future. Learn from the mistakes already made in the approval of abortion and same-sex marriage. The checks and balances the forefathers set in place are crumbling. Constitutional rights are being challenged. The next president will either pull this country together in righteousness or further scatter to the winds unity in Truth."

"I am assigning a special angel to stand guard over the Supreme Court Justices. His name is Obadiah. He will make every effort to influence unity in righteousness and Truth amongst the body of the government. Please pray that your next president makes conservative choices when it is time to do so."

■ **March 14, 2016 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"I'm imparting to you tonight My Blessing of Divine Love."

■ **March 15, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"The hope of your nation is the recognition of God's good as opposed to evil. This is most important during this election year. People are easily confused by political rhetoric which is often the compromise of Truth. This is a pivotal time in your nation's history - a time when the wrong choices could destroy democracy taking away basic freedoms forever."

"Never was there a time when it was more important for good to be united. Never was there a time when it was more crucial for all to recognize the direction some proposed leadership would take you."

"You have good reasons to oppose some who are politically ambitious. They have proven themselves untrustworthy. Why then, would you entrust them with your nation's highest office?"

"This is the hour to step away from the evil that has gripped the heart of your nation over these last years. This is the time to allow God's good to be victorious in your justice system. The right choices must be made in the replacement of Supreme Court Justices in the near future. This cannot and will not be accomplished through liberal leadership."

"Do not allow your nation to become weaker and more vulnerable through misguided leadership. Do not place your loyalty in someone who does not support the Truth. Unite behind good - good that will not support abortion, same-sex marriage or euthanasia. This nation's greatest enemy is taking form within its very heart in the form of the compromise of Truth."

■ **March 16, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Listen carefully and believe in what I say. Those with religious vocations must not believe that their vocation saves them. It is a virtuous life which saves every soul. Title and authority in the world carry no weight at your judgment. However, you will be judged according to the fulfillment of your obligations to your flock."

"You must be examples of holiness in the world. Many a one held in great esteem during their earthly journey, now suffer the eternal flames of hell. They did not endeavor to define sin as opposed to good. They brought politics into the religious world. In so doing, they made popularity with some a goal and distanced themselves from many a holy comrade in faith. They used their vocations for human purposes and rewards not to please God. They misused their authority not towards fulfilling God's Will but to control and manipulate."

"I can see the good that has been bypassed by the ill-use of vocations. I know the souls that have been poorly influenced and lost by such as these. I also see the ones who will not benefit from My words today and who will even take offense. Believe Me. It is your Heavenly Mother now speaking and calling you into the Light of the Truth."

"Search your hearts. Do not mistakenly think that social justice fulfills God's Call to you. True justice enlightens every heart to recognize the difference between good and evil. Every soul has the right to be instructed in this. This is your call."

■ **March 17, 2016.** St. Patrick appears with a staff in his hand and he has the Bishop's mitre on his head. He says: "Praise be to Jesus."

"You have heard stories growing up of me driving serpents out of Ireland. Let me tell you, the most dangerous serpents were the ones in hearts. Ireland was a pagan

territory that cried out for conversion. I never experienced a fair-weather March like the one you're having now. The weather was chillingly damp, cold and unwelcoming. I suffered from arthritis just as you do, but the continual damp and cold worsened it. There were no warm beds and often no accommodating clothing."

"I suffered all of this for the sake of souls. Nothing is more precious than a soul or more worthy of sacrifice and prayers. Knowing now how many were converted and saved I would do it all again. Pray that paganism does not take over Ireland once again. Please ask Our Lady, Protectress of the Faith to protect the faith in Ireland."

■ **March 18, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"The reason there is so much unrest in your nation surrounding the upcoming election is people cannot distinguish right from wrong - good from evil. They have allowed their opinions to become like gods which cannot be challenged or questioned. At the same time, God, Who is very real and omnipresent, has laid before mankind Commandments which are ignored and blasphemed."

"For peace to return to the world hearts must return to Holy Love. God must be allowed once again to take dominion over the heart of the world, and His Commandments once again set in place as the rule of life. No other course of action will suffice."

"Those who are listening and believing in these Messages have the solemn obligation to pray for unbelievers."

■ **March 18, 2016 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, make a recommitment to the Cross for the remaining days of this Lenten Season. Persevere in all your prayers and sacrifices which you began this season with."

"Pray especially that hearts are able to discern good from evil and unite in the Truth."

"Tonight I'm blessing you with My Blessing of Divine Love."

■ **March 19, 2016 - Solemnity of St. Joseph.** St. Joseph comes with a staff in his hand. He says: "Praise be to Jesus."

"I have come and have been sent to encourage those who live in Holy Love and admonish* those who do not believe in Holy Love or worse still, oppose it. Holy Love fills the soul with a healthy fear of the Lord, so that he lives out every present moment with an eye towards his own judgment. Those who shun the grace of Holy Love do not hold themselves accountable to God's Commandments or recognize their responsibility towards earning their salvation. Such as these live to please themselves through money, power and importance and all the pleasures the world has to offer. They are not aware of the action of evil all around them and even within their own hearts."

"As patron of the dying, I try to open hearts to the reality of their state before God. As Terror of Demons, I defend those who call upon me in their last agony. Take heed of what I am telling you today. The most fearsome demon is

the one who tries to convince you none of this is true."

** Admonish: to criticize or warn gently but seriously.*

■ **March 20, 2016 - Palm Sunday.** "I am your Jesus, born Incarnate."

"When I was in the world, I had to speak against the powers that be in an attempt to convict their hearts in the Truth. I have placed this Mission here today so that I may speak the Truth again despite opposition from those in high places. No one is given power or authority in the world against My Father's Will. Yet many behave as though their power is their own and their authority irreproachable."

"I faced seeming defeat in My Crucifixion at the hands of those who refused to look into their own hearts. But the Cross was not a defeat. It was a victory. My supporters scattered to the winds in the fear of those in power. This is at the heart of all the opposition in My Mission here, defeat through fear of those in authority. But just as My Cross was a victory, so too will this Mission be victorious in the Truth of the New Jerusalem."

■ **March 21, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"In the world you appreciate it when your foods are prepared in a proper manner. For instance, you wouldn't want ice cream served to you warm or a steak served cold. In a similar way, your heart must be prepared properly for the arrival of the celebration of Easter. This is accomplished through your efforts in personal holiness during this Holy Week."

"Make every effort to please Jesus in many small ways. If you do not have time for a whole rosary, say a few Hail Mary's. Make the most of every present moment, diverting attention from yourself and focusing on God and others. This is the way to live in Holy Love always, but especially during this Holy liturgical season."

"If your hearts are properly prepared, My Jesus will be at ease in your hearts on Easter. He will be most appreciative of your thoughtful preparation."

■ **March 21, 2016 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Blessed Mother is here as Our Lady of Grace and says: "Praise be to Jesus."

"Dear children, tonight I request that you offer everything during this Holy Week that souls accept the grace of discernment of good from evil. This is the grace that can change the future of the world, if souls will accept it."

"Tonight I'm blessing you with My Blessing of Holy Love."

■ **March 22, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"God does not condone the taking of life - not in abortion, euthanasia or any form of terrorism. Those who believe they act in the Name of God by taking life have been misled by Satan. Demons are all around you encouraging small acts of evil, often under the guise of good and hoping to lead souls into greater evil."

"This is why I tell you, the way to defeat evil in the world today is to recognize it and oppose it. Holy Love is the measure of what is good and what is evil. Certainly violence and the taking of human life do not reflect love of God and neighbor. You cannot accommodate evil by refusing to label it as it is. You cannot bargain with Satan."

"God is All-Mercy and All-Love. The more you trust in Him, the more He will direct your hearts and your lives. He will lead you to good and help you to oppose evil. He desires your stronger discernment."

■ **March 23, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"There are leaders in place today who have no leadership capabilities. They may be good politicians, but only bring chaos to the midst of confusion. Then you have leaders who carry a hidden agenda in their hearts and whose policies weaken the cause of freedom. For these reasons I once again caution you, dear children, as to whom you follow. Do not be like sheep that go whatever direction you are led."

"Do not support the agenda of opening the portals of your country to everyone. This is an evil that looks good, but invites in danger. All countries should combine their efforts to care for the refugees in one area of the world. To allow them to scatter everywhere in a humanitarian effort only spreads danger around the world. While taking in refugees may satisfy social justice, it nurtures terrorism in heretofore 'safe' areas of the globe. This is an area where all should work together in Holy Love with wisdom."

"People cannot unite when they are void of Holy Love. Therefore I call you back to the reality of the Truth of Holy Love which is My Call to peace and security. You will be unable to solve your present-day problems unless you first unite in Holy Love."

■ **March 24, 2016 - Holy Thursday.** "I am your Jesus, born Incarnate."

"My Real Presence in the Holy Eucharist is My Love and My Mercy. The more the soul believes, the more he receives. Belief is the intermingling of all the virtues within the heart. Most of all the soul needs to trust."

■ **March 24, 2016 - Holy Thursday.**
Stations of the Cross

"I am your Jesus, born Incarnate. It is My desire this Holy Thursday night to give to the world lessons on the Way of the Cross. I suffered for all sins and for specific sins at each station. Listen."

- 1) "The first station commemorates My condemnation to death. I suffered for all who are condemned falsely and all who are unrepentant."
- 2) "The second station represents My acceptance of My Cross. How many refuse despite all their sins to carry their cross."
- 3) "The third station is My first fall. So many slip into sin and become discouraged by one fall."
- 4) "The fourth station commemorates My encounter with My Mother. How often souls have the opportunity to console those in need but never do it."
- 5) "The fifth station represents Simon's reluctance to assist Me. So many souls desire to be close to Me but try to do so without carrying their cross."
- 6) "The sixth station remembers Veronica wiping My Face. Think how she had to die to herself, setting aside her own safety and welfare in order to comfort Me. Be self-effacing."
- 7) "This station represents another fall. Do not fall into sinful habits."
- 8) "The eighth station remembers My consoling the women

of Jerusalem. Allow Me to be your consolation when others fail you."

- 9) "The ninth station recalls another fall. Search your hearts and overcome recurrent sinful patterns."
- 10) "The tenth station recalls how I was stripped of My Garments. Strip your hearts of all vanity."
- 11) "The eleventh station recalls how I was nailed to the cross. It was My Father's Will that held Me to the cross though the nails pierced My Flesh. Be devoted to the Will of My Father."
- 12) "The twelfth station commemorates My Death. Do not worship this life which is passing. Let your hearts ascend to Heaven."
- 13) "The thirteenth station sees Me taken down from the cross. This death of Mine was a victory in disguise. How many do not see the disguises Satan wears?"
- 14) "The fourteenth station - I am laid to rest in the sepulcher. Do not rest in doing good and opposing evil until it is time for your eternal rest. So many waste precious moments given to them to earn their salvation."

■ **March 25, 2016 - Good Friday.** "I am your Jesus, born Incarnate."

"I tell you, the greatest pain I felt on Good Friday was the pain I suffered in My Heart for the lack of love in the hearts of those who crucified Me. Is this not a similar pain the unborn must feel as they are being aborted? There is an epidemic of lack of love in the world today. Human life is not respected. The result is violence, terrorism, and on the opposite extreme an imbalance towards social justice which leads to the accommodation of sinful life styles."

"Love Me with your whole heart and all your strength. Then you will love My Commandments and obey them. Then our hearts will beat as one."

■ **March 27, 2016 - Easter Sunday - Solemnity of the Resurrection of the Lord.** "I am your Jesus, born Incarnate."

"My dear brothers and sisters, you are living in an age when Truth has been crucified. Good is portrayed as evil and evil is misrepresented as good. Truth, however, will be resurrected in the New Jerusalem. Until then, the nail prints of My Crucifixion have been imprinted on the Truth of good versus evil. Those who sincerely seek to discern the Truth suffer greatly at the hands of unbelievers."

"The intentions of My Mournful and Sacred Heart this Easter are for the Victory of Truth in all hearts through Holy Love which defines good as opposed to evil. Pray for this."

■ **March 27, 2016 - Easter Sunday - Solemnity of the Resurrection of the Lord.** "I am your Jesus, born Incarnate."

"Risen from the dead! Alleluia! Today, My brothers and sisters, I invite you to recall how Mary Magdalene came to the tomb on Easter morning. She did not recognize Me and thought I was the gardener. When I spoke her name, she immediately realized Who was speaking to her. How many today do not recognize Me in the Holy Eucharist or in these Messages of Holy and Divine Love? How many today do not even search Me out?"

"On Easter morning the tomb was empty but hearts were filled with hope and joy. Allow Me today to be present to you - and to fill your hearts with Easter joy. Look for Me amongst

the living. I am with you."

■ **March 28, 2016 - Monday of the Octave of Easter.** "I am your Jesus, born Incarnate. Alleluia! Each soul on earth is on a pilgrimage working towards his eternal reward. Some are taken off-track by believing in untruth and therefore accepting evil as good. Some accept good in the beginning and may even become consecrated religious, but allow indifference or ambition to destroy what I have placed in their hearts."

"This Mission is in place to hold souls on the path of Truth and therefore the path of salvation. Holy Love - the Two Great Commandments of Love, help the soul distinguish between Truth and untruth - good and evil. Without this tool of discernment, the soul is blown to-and-fro on the winds of confusion. Please comprehend then, that those who oppose Holy Love are strengthening evil in the world. Do not become confused by who believes or disbelieves. Pray for the grace to stay on track."

■ **March 28, 2016 / Monday Service - Peace in All Hearts through Holy Love and World Peace.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I urgently ask that you persevere in prayer for the conversion of the heart of the world. When you pray this way you are praying for each and every heart."

"Tonight I'm extending to you My Blessing of Divine Love."

■ **March 29, 2016 - Tuesday of the Octave of Easter.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, you know the Flame of My Heart as it is associated with the First Chamber of Our United Hearts. It is a benevolent, yet purifying Flame - burning away all iniquity, thus allowing the soul to progress through the subsequent Chambers. A great part of this purification is recognition on behalf of the soul as to his errors. Today I tell you, the heart of the world must pass through the Flame of My Heart before the New Jerusalem can be established on earth."

"These times of purification of the heart of the world will bring hardships and trials never before experienced in the world. God will bring souls to the realization that they must depend upon Him for their survival. Many things taken for granted in the past will be considered luxuries. Freedoms will be challenged."

"You, My children, must understand that I am holding your hand when you pray the rosary. Therefore, you are never far away from Me, nor I from you. Grace will be your companion. You must trust in this. Do not try to estimate times or situations. Allow God to be God. You cannot outguess Him."

■ **March 30 2016 - Wednesday of the Octave of Easter.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Truly I tell you, people need to rely on God in their every need more than in themselves or other people. Trust in human effort alone opens the door to satanic interference. Those who trust in God's intervention have less to suffer in any trial as they open the door to His Grace."

"Begin to put this into practice now so that in the hour of trial it comes naturally. A good way to begin this effort is to use your angels as they should be used - your heavenly helpers."

■ **March 30, 2016 - Wednesday of the Octave of Easter.** Our Lady comes all in white with five or six angels around Her. She says: "Praise be to Jesus. Many do not invoke their angels enough and thus are void of their assistance. People do not understand the ways angels can help them. For instance, angels can act as emissaries suggesting peace in the midst of conflict. Angels can reverse the direction of satanic storms such as hurricanes and tornadoes and even weaken them. Angels encourage acts of kindness and discourage evil. It is your angel who leads you around danger and into safety."

"It is your angel who shows you what situations to avoid and what people to avoid. Turn your spiritual ear towards your angel and listen."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

April 2016

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints and angels appear on the property at Maranatha Spring and Shrine. The Messages given to the visionary, Maureen Sweeney-Kyle, lead the soul on a spiritual journey into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

■ **April 1, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I tell you in all Truth - My Mercy is from age to age, from generation to

generation. Believe in Me and trust. My Mercy does not end. Imitate My Mercy in the world around you."

"Tonight I'm blessing you with My Blessing of Divine Love."

■ **April 3, 2016 / Divine Mercy Sunday - 3:00 P.M.**

Service. *(This Message was given in multiple parts over several days.)* Jesus is here as He is in the Divine Mercy Image. He says: "I am your Jesus, born Incarnate, Lord of Mercy and Love."

"I have tried for over a century to draw mankind back to the reality of My Dominion over him, but he is not listening. I have helped him conquer disease, combat natural disasters and I have sent My Mother to intervene many times. Man, in his arrogance, does not see My Love and My Mercy in action. He is drawing farther and farther away from Me, rejecting My gift of life in the womb, using the technology I inspire towards evil ends and ignoring heavenly interventions such as this powerful one here at Maranatha. All of this is due to the compromise of Truth and the abuse of authority, which have turned My Sacred Heart mournful."

"I dread sending My Justice. My Hand of Justice must fall, however, to bring mankind back to Me. I know that now, and you must realize this too. For this reason you will experience greater and greater trials. Good and evil will seem as one to the heart of the world. This has already begun, but will continue to a more profound extent. My true believers, My Remnant Faithful, will be considered misled and greatly persecuted by those who are liberal."

"Power will be given to many who are incapable or unwilling to lead in righteousness. Those who do not cling to My Commandments will be more and more confused. Opinions and beliefs will have more destructive power than weapons of mass destruction. Those in power will use mercy as a reason for wrongdoing. Many will be misled to believe they are doing good, when they will be cooperating with evil."

"You must wear as your armor during these times, your discernment. Discernment is not an opinion or rash judgment. Discernment is the feeling deep in your heart as to the Truth - the difference between right and wrong. During these confusing times, many will speak in the name of discernment, but they will unwittingly promote evil through the compromise of Truth. Beware of false discernment which promotes self-interest."

"You are already seeing much of what I speak of taking place, but for the most part your lives have not been impacted."

"This will change as governments become more powerful and control worldly goods and services. Leaders will have as their goal the complete dependency of their followers."

"Many will find themselves being loyal to leaders who promote evil simply to fulfill their basic needs. Evil will use human necessities as a means of manipulation and control. This has already begun."

"In this nation, politics has presumed the role of conscience - deciding good from evil. If this country supports another president who favors abortion, you will be unable to avoid destruction. Furthermore, you will be unable to recover from this certain destruction. Take this warning seriously, for I give it to you plainly in the language of Truth."

"My brother and sisters, I have come to take your hearts out of the world and into the New Jerusalem. I cannot do so until you accept in your hearts the difference between good and evil and embrace only good."

"My dear brothers and sisters, My Justice does not come to you as revenge, but as an open door to My Mercy. It is the sign of healing for all the indifference, sacrileges and acceptance of evil that have taken place over the ages without repentance. The heart of the world is now beginning its journey through the purifying Flame of My Mother's Heart."

"Today, I am coming to greet, to bless and to extend My Mercy to all here present. I tell you that I am very pleased that so many of you have come here today. I'm taking all of your petitions into My Heart, which is All-Mercy, All-Love. Many will be resolved, others are being asked to gracefully carry their cross with love."

"I'm blessing you with My Blessing of Divine Love."

■ April 4, 2016 - Solemnity of the Annunciation. Mary, Refuge of Holy Love says: "Praise be to Jesus."

"God's Will is all around you in every present moment. It is that tug of Truth that comes into your heart when you make decisions. It is always in the embrace of the Commandments. At the Annunciation, I could only say 'yes' to the angel Gabriel, as I knew that was God's Will for Me. Consider the impact if I had been unwilling to accept God's Will. There would have been no redemption of mankind."

"God's Will is not in any form of violence - not abortion, not terrorism. People do not have a God-given right to believe in such things. Rather, these things are condoned through radical free will."

"You will not have true peace in the world until all hearts conform to God's Will which is Holy Love. Christ's Love and Mercy await all, as does His Justice."

■ April 4, 2016 / Monday Service - For the Conversion of the Heart of the World. Jesus is here with His Heart exposed. He says: "I am your

Jesus, born Incarnate."

"My brothers and sisters, I come once again to establish the New Jerusalem in every heart. When this is accomplished, My Father's Will will reign over all hearts in the world. Pray for this."

"Tonight I'm blessing you with My Blessing of Divine Love."

■ **April 5, 2016.** "I am your Jesus, born Incarnate."

"My brothers and sisters, the purpose of this Mission is to help people to make the right choices in life - choices which are good and support the Ten Commandments. Your dog has boundaries and has learned to respect them. In the same way, God gave you the Commandments as boundaries of behavior, but so many do not respect them. They try to redefine the Commandments finding new meanings inspired by evil for them. This way they try to justify their sins."

"Holy Love is the embrace and definition of the Commandments. Holy Love offers the guidelines for free-will choices. It is like a rope you can cling to and pull yourself up the steep mountain of life. Those who oppose all of My efforts here - oppose Me. Their motives are wicked, full of pride and too numerous to recount. My Mother has an army of angels praying for them."

"So then, this is the reason Holy Love Ministries has been called into existence and raised up despite objections from many. Continue steadfastly in your belief."

■ **April 6, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"At the realization of the establishment of the New Jerusalem upon earth, all souls will embrace the True Faith. It will be an intense faith as though each soul was present at the Transfiguration. Until such time as this occurs, you must realize that the faith of each soul is a target of Satan. This is why I call upon you to invoke My assistance as the Protectress of your Faith." *

"These are tenuous times and require much caution. Safeguard your faith and your hearts by seeking My assistance. I am always near and ready to help you."

** Per Message dated February 2, 2015: "If you but say, 'Protectress of the Faith, come to my aid', I will envelop your heart in My Own Heart and protect you."*

■ **April 7, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"To live in Holy Love is to live in a constant state

of prayer, offering everything to God for the love of God. This is the solution to every problem. I come to you today, once again, in an effort to transform the heart of the world in Holy Love. As it is, self-love is winning over the heart of the world, the result being every type of violence imaginable. The solution is not to refrain from identifying evil. The solution is to propagate and to promote Holy Love in hearts, as the antithesis in the face of radical and violent thinking."

"You must not accommodate violence in some distorted effort to make others feel accepted. God does not accept evil. Too often mankind tries to please people and not God. This is very apparent in your legalization of abortion and same-sex marriage. These topics are moral issues - not legal issues. This would be readily apparent if man would step away from disordered self-love."

All of God's Justice will be a correction of the errors of self-love and a recompense to God for the injuries to His Heart. People have become complacent in a false sense of security. They do not recognize the need for My advice. I will continue to offer it anyway, for it is needed now, more than ever."

■ **April 8, 2016.** Blessed Mother is here as Our Lady of Grace and says: "Praise be to Jesus."

"There are certain graces that, as the Mother of Mankind, I wish to pour into the world, but the Lord has asked Me to withhold them. The heart of the world must begin its purgation within the confines of the Flame of My Heart. Therefore, factions will increase and be more profound. Nature will take on new impact in places heretofore considered peaceful and safe from disturbance. I will be unable to intervene as I have so many times before. My Son is not choosing this. It is man who charts his own course. Man's inability to distinguish good from evil is forming a life of its own in politics, both secular and religious. Mankind seems incapable of identifying sin as sin - evil as evil - despite the despicable consequences."

"My Son continues to invite souls into His Heart which is All-Mercy, All-Love and rejects no one. Continue to use your rosaries as the weapon of choice during these troubling times. I am always with you as you pray."

■ **April 8, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please realize that the state of the heart of the world is commensurate with the ability of each one to determine the difference

between good and evil. Therefore, I invoke you, pray for discernment for each person of the world."

"I'm blessing you with My Blessing of Divine Love."

■ **April 9, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, please hold every reverence and esteem in your hearts for My Son's Real Presence in the Holy Eucharist. Receive Him only with a worthy and blameless heart as prescribed by Church Doctrine. Do not be swayed from this Truth."

■ **April 10, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Solemnly I tell you, people in authority must not change rules in order to appease man. To do so is to defeat the purpose of the law or rule that was set in place to begin with. This is an abuse of authority. Further abuse would be to become involved in politics if you are a spiritual leader or vice versa."

"Evident in the world today is man's desire to create new and acceptable parameters of behavior pleasing to him, but not to God. This Mission exists to call God's children back to the reality of Truth. Some label it conservatism, but in God's language of Truth, that is not an insult."

"If you change rules to attract more people to the flock, you are calling them under false pretenses. The call should be for repentant hearts, not for a new approach to Truth. Truth does not change. Hearts must change."

■ **April 10, 2016.** "Mary, Refuge of Holy Love says: "Praise be to Jesus."

"When a leader relegates important moral decisions to those under him, he weakens his own authority and strengthens the authority of his underlings. Moral decisions in Church circles as important as who is worthy of receiving Holy Communion if they are remarried without an annulment, should not be left to Bishops. This should not even be an issue. It has been decided by Church doctrine. Far better would be to investigate the spirituality of some Bishops."

"These things cannot be left unsaid, but must be brought out into the open. Heaven does not believe in cover-ups."

■ **April 11, 2016.** "I am your Jesus, born Incarnate."

"Unity is good only if it is unity in the Truth. If you have to surrender any portion of the Truth, then it is not of Me. Today, there are steps being taken towards a global government. Great concessions will

need to be made on the part of many for this to happen. Freedoms will be lost. The same is true of a One World Religion which will be accepted by the majority. Leaders will propose each religion become more like all the others in practice and belief. All of these ideas will be proposed as peacemaking solutions. In reality, such unity will lead away from the Truth, away from the Ten Commandments which is Holy Love, and into a helpless obedience to evil."

"This is why I come here - to lead the Remnant Faithful during these times of crucial decisions. Do not be fooled by promises of peace. Peace is only lasting if it is based upon Holy Love. Do not believe that humanitarian efforts alone solve world problems. Righteous leadership is needed to define good as opposed to evil. Do not follow anyone merely for the sake of obedience to title or authority. Once again, I remind you, it is not who you obey, but what you obey that matters to Me. Many will be misled under the yoke of obedience. It is already happening."

"Living in Holy Love is Heaven's Master Plan towards peace and salvation. All other plans are of man."

■ **April 11, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I speak tonight to those of you who are Catholic and come here. Thank you for believing and for your prayers. Be very certain that when you approach the Eucharistic Altar your hearts are blameless before Me, for this is Church Tradition and must not be transgressed."

"Tonight I'm blessing you with My Blessing of Divine Love."

■ **April 12, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"The time is coming, and for some it is already here, when those faithful to the Tradition of Faith will be mocked and derided. I have come to offer you the Refuge of My Immaculate Heart which is accessible through the ejaculation '*Mary, Protectress of the Faith, come to my aid.*'"

"Many important in the eyes of man will openly oppose you and discourage prayer here at this site as they already have. You must be steadfast and stand for the Tradition of Faith which is fast disappearing. Confusion and ambiguity in leadership serves to weaken staunch belief and compromise the Truth. This is never of God. It is wrong to compromise the Tradition of Faith to appeal to man. Leaders - no matter who - are accountable to God - not man. Title

and authority in the world do not change the pretense of Truth into the Truth."

"Pay close heed to My words to you today."

Read 2 Timothy 1:13-14

Synopsis: Hold firm to the doctrines in the Tradition of Faith as taught by Jesus Christ. Through the Holy Spirit, guard the Deposit of Faith.

Follow the pattern of the sound words which you have heard from me, in the faith and love which are in Christ Jesus; guard the Truth that has been entrusted to you by the Holy Spirit who dwells within us.

Read 2 Timothy 4:1-5

Synopsis: With all urgency, preach the Truth of the doctrines of the faith in season or out of season - reproving, entreating, and rebuking with all patience by sound teaching, for there will come a time when not all will accept sound doctrines, but will follow their own desires by turning away from the Truth and accepting errant teachings and doctrines.

I charge you in the presence of God and of Christ Jesus who is to judge the living and the dead, and by His appearing and His Kingdom: preach the Word, be urgent in season and out of season, convince, rebuke, and exhort, be unfailing in patience and in teaching. For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own likings, and will turn away from listening to the Truth and wander into myths. As for you, always be steady, endure suffering, do the work of an evangelist, fulfil your ministry.

■ **April 12, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"There will be a public apparition on the Sunday when we celebrate the Feast of Our United Hearts (Sunday, June 5, 2016). It will be at 3:00 pm. Jesus and I will be in the United Hearts Field at midnight dawning on the Feast of My Immaculate Heart (Friday, June 3, 2016) - thus between the Feast of the Sacred Heart and My Immaculate Heart. We will bless those present."

■ **April 13, 2016.** Mary, Refuge of Holy Love says:

"Praise be to Jesus."

"The heart of the world, just like any soul, must first acknowledge its sins before the Heart of God before it can be converted. This is the reason the heart and soul of the world must pass through the purifying Flame of My Immaculate Heart. In so doing, it will be made known all errors that stand between the heart of the world and the Will of God. Certain events will unfold which will highlight man's dependency upon God's Provision."

"God's Dominion over all the earth and every soul is always present even though mankind may not recognize or acknowledge it. It is through the Flame of My Heart all of humanity will face a conversion experience. It will be the free-will decision of each soul as to how he responds. In Noah's day, few listened. In the days of Jonah, all responded positively and God's Justice did not visit earth. Mankind must choose to appease God or to antagonize His Justice."

Read Jonah 3:1-10

Synopsis: As Jonah had 'made known' God's impending Justice if the people of Nineveh did not repent, turn away from their evil ways and depend upon God's Provision; so also, the heart of the world will be 'made known' through passing through the Purifying Flame of the Immaculate Heart of Mary, (also known as the Illumination of Conscience), and through unfolding events highlighting God's Dominion and Provision over mankind, the need to convert and turn back to God through Lenten-like practices of prayer, fasting and penance. The enactment of God's Justice or His Mercy depends on mankind's free-will response.

Then the word of the Lord came to Jonah the second time, saying, "Arise, go to Nineveh, that great city, and proclaim to it the message that I tell you." So Jonah arose and went to Nineveh, according to the word of the Lord. Now Nineveh was an exceedingly great city, three days' journey in breadth. Jonah began to go into the city, going a day's journey. And he cried, "Yet forty days, and Nineveh shall be overthrown!" And the people of Nineveh believed God; they proclaimed a fast, and put on sackcloth, from the greatest of them to the least of them. Then tidings reached the king of Nineveh, and he arose from his throne, removed his robe, and covered himself with sackcloth, and sat in ashes. And he made proclamation and published through Nineveh,

"By the decree of the king and his nobles: Let neither man nor beast, herd nor flock, taste anything; let them not feed, or drink water, but let man and beast be covered with sackcloth, and let them cry mightily to God; yea, let every one turn from his evil way and from the violence which is in his hands. Who knows, God may yet repent and turn from his fierce anger, so that we perish not?" When God saw what they did, how they turned from their evil way, God repented of the evil which He had said He would do to them; and He did not do it.

■ **April 14, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Once again, I have come to remind you of Satan's tactics in the world. He obscures the line between good and evil making choices for or against sin ambiguous. This is why I have been telling you that sin must be clearly defined as sin from the pulpit. It is up to Church leaders to define evil - not to accommodate evil."

"Confusion is the bad fruit of efforts to accommodate bad choices - evil choices. A Commandment cannot be negotiated just as each soul's judgment cannot be negotiated. A soul is either in a state of grace or he is not. Do not be fooled by the misuse of authority."

"Once again, I call each soul to pray the rosary for genuine discernment. Be united in the Truth - not compromise."

■ **April 15, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, you are living in a time when many have become disconnected with God's Holy and Divine Will. They do so in an attempt to please self and other people. It is then they summarily discount heavenly interventions such as the one here at Maranatha. It is then they paint a gray line between what is good and what is evil."

"This is why Holy Love is so important. You must place God first in your hearts - not self and not people. If you do this, you will be able to clearly define good from evil. God's Commandments are not unrealistic ideals. They are Laws to live by. These same Commandments are the embrace of Holy Love. This is where your discernment is formed and nurtured - through the embrace of God's Commandments which is Holy Love."

■ **April 15, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your

Jesus, born Incarnate."

"My brothers and sisters, do not be troubled if you are labeled a conservative in regards to the Faith. This label only lends testimony to the fact that you live in the Truth."

"My brothers and sisters, tonight I'm blessing you with My Blessing of Divine Love."

■ **April 16, 2016.** Mary, Refuge of Holy Love, says: "Praise be to Jesus."

"I have asked you in the past to be warriors of prayer. Today, I ask you to be warriors of Truth. Do not hesitate to call a sin a sin, no matter who may disagree. In the Catholic world, certain Doctrines have been set in place. One safeguards the Real Presence - the Eucharist - stating that only a soul in the state of grace can receive Jesus in this Sacrament. The definition of a 'state of grace' has now been clouded and painted with ambiguity. Holding fast to all the other Doctrines does not make amends for this. Title and authority does not compensate for the confusion now set in place."

"Dear children, follow only the Truth of the Tradition of Faith. I, your Heavenly Mother, call you to be united in this Truth."

■ **April 17, 2016.** Our Lady comes as Mary, Refuge of Holy Love, holding a globe of the world. She says: "Praise be to Jesus."

"All people and all nations have the God-given right to be led as to good versus evil. In the matter of grave sin, the Church has always been distinctly clear so as not to mislead. Religious leaders today have no less of a responsibility in this regard and must not leave the door open to speculation. To do so is to shirk their responsibility."

"This is the reason this Mission exists, to protect the Tradition of Faith during these current, everyday struggles with ambiguity. My Heart is your Refuge against evil and your protection against confusion. I do not confine My efforts to the confusion within the Church, but I offer you this sacred Refuge as you try to sort through political choices. All of the sins now protected by law such as abortion and same-sex marriage, must not be supported by newly-elected political leaders. These are moral issues not political issues. You do not comprehend the gravity of the consequences when nations support such sins and disregard God's Commandments."

"Turn to God and allow Him to lead you as one by one others fail you. Do not seek change to accommodate your own will but always seek the safe confines of God's Will through His Commandments. With a sincere heart be God's instrument, not the tool

of Satan."

"Dear children, change the pattern of your thinking to be Christ-centered. If you listen, God will listen to you and the future can be changed."

■ **April 18, 2016.** Our Lady comes as Rosa Mystica. She says: "Praise be to Jesus."

"You are asking about souls who are innocently misled by confusion in leadership. That becomes the responsibility of those who lead. In the choices between good and evil - sin or no sin - the lines of demarcation must be as clear as black and white. There can be no middle ground."

"Do not be tricked by who says what or by what is not said. This is the age when you must have a firm comprehension of good as opposed to evil. You must know what constitutes sin and what does not."

"God has not re-written His Commandments to accommodate modern-day political feelings and beliefs. No one is judged on whose feelings they save, but rather on the support of God's Truth."

■ **April 18, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, during these times of confusion, pray often to be defended against a false conscience - a conscience that is compromised in the Truth. Ask your guardian angel to always help you with this, moment by moment. Do not go along with popular opinion."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **April 19, 2016.** "I am your Jesus, born Incarnate."

"I have come to speak to you once again concerning false consciences which bespeaks of the state of the heart of the world. A false conscience is one not formed in Truth. Such a one embraces the moral standards of the world, not those of God. The soul with a false conscience sees good in evil. He proclaims tolerance for many sins instead of conviction of heart and repentance. He does not have a clear sense of good over evil."

"It is a false conscience that has thrown world politics off course in pursuit of power over and above God's Will. The Commandments no longer carry impact upon goals. Unity is pursued under false pretenses as a means of control. I have brought this Mission of Holy Love into the world. However, many listen to false reasons not to believe."

"Ask your angels to help you to make moment-to-moment decisions in My Truth."

■ **April 20, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I will give you a Message to be read at the Saturday Rosary Service (*June 4 - Feast of the Immaculate Heart*) separate and apart from the Message on Sunday (*June 5 - Feast of the United Hearts*). I will bless those present as My Message is read."

■ **April 20, 2016.** I (Maureen) see a Great Flame that I have come to know as the Heart of God the Father as I see it at times. He says: "I Am Who Am. I Am the Eternal Now. I Am the Creator of every present moment. Each moment is given to each soul to earn Heaven or condemnation. Oh how I long to embrace the heart of all humanity, but it remains far from Me and My Will."

"The heart of the world pursues a path of destruction and makes evil choices. I will not revoke free will. I stand back and watch fervor for My Commandments deteriorate. I send My Intervention into the world here at this site but it is scorned, slandered and ignored. Indifference in discerning good from evil has consumed the heart of humanity. Therefore, My Son's Dominion over the world has lessened in its effect upon world events. You - O man - have chosen it."

"I design every present moment so that man can find his way past the evil of the day and back to Me. I Am waiting and watching. Do not continue to disappoint Me."

■ **April 21, 2016.** St. John Vianney, Curé d'Ars and Patron of Priests says: "Praise be to Jesus."

"The things I am about to say should never have to be spoken. As it is, confusion has taken up its reign within the Church. The sacraments are what sets the Catholic Church apart from all the rest. Church leaders have the solemn responsibility of defining, administering and protecting the sacraments. Sacrileges and indifference towards the Holy Eucharist must be safeguarded against - never, never encouraged. The soul must be in a state of grace - that is free of mortal sin - to receive the Eucharist. Otherwise, the Eucharist is defiled. This is where the definition of mortal sin must be clearly defined and not open to debate."

"I speak this way today as many Catholics follow this Ecumenical Ministry. They are fed the Truth here which is so obscured in the world."

■ **April 22, 2016.** Blessed Mother is here as Our Lady of Grace and says: "Praise be to Jesus."

"Dear children, this nation, like most around the

world, does not comprehend the direction it is headed. Hearts are complacent and do not look for the difference between good and evil. Therefore, people are easily misled. Your freedoms are ebbing away unnoticed. Few hearts reflect the true spirit of the Founding Fathers. Leaders are so intent on protecting the rights of sinners, they have lost track of protecting the rights of Christians."

"I am ready to pour the grace of My Heart into this beleaguered world. My Son has asked Me to withhold certain graces at this time however, as so much has been given and either ignored or misused. As your Mother, I pray for each one of you. When you pray the rosary, I hold your hand and pray for the intentions you hold in your heart. I am doing everything I can to change the course of human events. You, My children, must match My efforts."

■ **April 22, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, in every thought, word and action, please choose the most unselfish way, for this is the path of Holy Love."

"Tonight, dear brothers and sisters, I'm blessing you with My Blessing of Divine Love."

■ **April 23, 2016.** Mary, Refuge of Holy Love, says: "Praise be to Jesus."

"During these times, people who support sin such as same-sex marriage, alternative lifestyles through erroneous gender identification and abortion, celebrate the victory of legal accommodations. However, this is a hollow victory. In God's Eyes, these are defeats which lead the soul into condemnation."

"Those who find it popular or advantageous to tolerate such sins are in league with Satan. They are judging according to human standards and disregarding God's Laws. Each soul has his time of judgment before God and will be judged according to his commitment to God's Commandments - not what is popular in the world. Do not try to fit in then, with modern-day thinking. Please God, not man."

■ **April 24, 2016.** Mary, Refuge of Holy Love, says: "Praise be to Jesus."

"Wherever these Messages of Holy and Divine Love are propagated around the world, My Immaculate Heart accompanies them. This is so, for these Messages are part of the Refuge of My Heart. Only goodness and Truth are the fruits of these Messages. Heaven's Words build up the Body of

Christ."

"Never be misled to believe that you should obey someone or something which destroys good works. These Messages and this Mission encourage prayer, sacrifice and support of the poor. Through these Messages you are guided, protected and led to personal holiness."

"It is each one's responsibility once they are introduced to the Mission and Messages of Holy Love to respond to the graces given. Nothing is against faith or morals. Everything is in support of faith and morals."

"I speak to you as a mother who sees all good and all evil around the world. Nothing lies hidden from Me. I come seeking to place the heart of all humanity in My Immaculate Heart where All Truth is revealed. Do not allow anything or anyone to stand in the way of the spiritual journey I call you upon."

■ **April 25, 2016.** Our Lady comes as Rosa Mystica. She says: "Praise be to Jesus."

"In the world today, there are two forces battling for the heart of the world, good and evil - conservative and liberal. This is evident in politics and in Church circles. It is a battle to gain power and control over the heart of humanity. While unity is strived for, I am calling the heart of humanity to be united in conservatism. Do not be united under the guise of good that has the hidden agenda of the destruction of souls."

"Pay attention to whom assumes power. He cannot be both liberal and conservative. Charitable works, title and authority do not define leadership. The acceptance or rejection of the reality of God's Laws define a leader whether political or religious. You cannot cast aside God's Laws and still represent yourself as a conservative. The liberals define conservatives as out of step with the current state of the world. However, good must be out of step with the evils of the day."

"Dear children, you must be aware of the choices your leaders are making. Do not be intimidated by who says what."

"Do not be so naive as to believe all leaders are worthy of your support. I am calling the heart of the world into unity through the Truth of Holy Love."

■ **April 25, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, pray for the grace that Holy Love is secure in your hearts. If it is secure, then no abuse of authority or compromise of Truth will be

able to challenge it."

"Tonight, I'm extending to you My Blessing of Divine Love."

■ **April 26, 2016.** St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to explain to you the difference between a person who is liberal and one who is conservative. The liberal is willing to tolerate and/or accept any point of view, no matter if it is in accord with God's Commandments and His Holy and Divine Will, or not. The liberal often accepts the unchristian opinion if it is self-serving. The conservative, on the other hand, chooses first to please God by obeying His Commandments. He does not accept new or popular interpretations of the Commandments or Church Doctrine. His morals do not change to please man. He is not afraid to stand for the Truth despite opposition."

"These days the lines between conservative and liberal are becoming more marked, and at the same time, more gray. The time approaches when the gray areas will fade away and clear choices will have to be made. This will be not just on some issues, but on all issues. It is then the politics in governments, social circles and Church circles will no longer be choices, but dictates. Society is quickly moving in this direction. Conservatives will be outnumbered and unpopular. Liberals will support many worthy and unworthy causes. Liberals will win great popularity and support, but beneath their guise of good, lies Satan's agenda - unity in evil."

"Many graces will be withdrawn from earth, but this site and Mission will remain. At the heart of this Mission is the conservation of the Tradition of Faith."

■ **April 27, 2016.** Mary, Refuge of Holy Love, says: "Praise be to Jesus."

"Every medicine is the Provision of God - a grace - and designed for a specific purpose. The body, being perfectly designed by God, knows exactly how to use it and targets the area where the medication is needed. The same principle can be applied to prayer. When the prayer is offered through the grace of God, Heaven knows where it is needed most and how to use it. Trust and faith are the vehicles which guide the prayer to Heaven just as components in the human body usher the medication through the system."

"Too often today, prayer is offered as a last resort to human problems. That is like trying to manage a human disease or disorder without medication until it is almost too late. Every problem in the world today can be resolved through prayer. Prayer changes

hearts and therefore situations. Skepticism or reluctance to accept this, impedes God's Will. Be an instrument of God's Will and pray with faith and trust."

■ **April 28, 2016.** St. John Vianney, Curé d'Ars and Patron of Priests says: "Praise be to Jesus."

"In the world today, both secular and religious, the main problem is there is not a clear distinction between good and evil. Tolerance of evil has taken center stage. Even within Church circles this is so. Respect for the Blessed Sacrament has diminished, as souls are not encouraged to search their hearts to determine if they are in a state of grace before approaching the altar. As sin is no longer clearly defined, a clear examination of conscience is not always possible. The percentage of sacrileges is higher than ever."

"In the secular world people choose violence as a solution to their differences. There is an ever-growing indifference as to God's Commandments and His Will. The heart of the world is distancing itself from God's Dominion."

"Make Holy Hours of Reparation, for the Heart of Jesus is tormented by man's indifference towards Him. His Heart thirsts for justice, but for love of mankind He restrains the inevitable. Over and over, He gives more chances and opportunities for man to return to love of Him and love of neighbor."

"This Ministry of Holy Love offers such an opportunity. Even so, it has been met with disdain by Church leaders who should have welcomed it and encouraged it. Pray for those who stubbornly hold error in their hearts in this regard. They are responsible for many prayers left unsaid here."

"I wish I did not have to speak so bluntly, but I did not come to sugarcoat the Truth. Many leaders - secular and religious - need a conviction of heart and a humble repentance."

■ **April 29, 2016.** St. Catherine of Siena says: "Praise be to Jesus."

"In my day, the Church was not rocked by scandal such as it is today. There was not a liberal Church as opposed to a conservative Church. If you were Catholic, you embraced the Tradition of Faith. Doctrine was never challenged but upheld. As regards to spiritual matters, you did not have to go from priest to priest to get a sound answer."

"Today, every belief is challenged according to individual taste and popular opinion. Heavenly intervention is most often met with skepticism and even opposition. It is impossible to stand for the Truth without oppressive controversy and opposition."

"The Flame of Truth - which is the Heart of Mary

- will be victorious over all error, lies and jealousies before Jesus returns. It is then, mankind will discover the Truth and recognize his own errors. Until this time, pray for the strength to persevere in the Truth."

■ **April 29, 2016.** Once again Our Lady comes as Mary, Refuge of Holy Love with a globe of the world in front of Her. She says: "Praise be to Jesus."

"Dear children, I have been sent to tell you that you are allowing grace to slip through your fingers if you choose not to believe in these Messages and this apparition. So many graces attend these Messages wherever they go. Just stepping onto the property calls upon many graces, which I am permitted to freely bestow on those who come with expectant faith."

"If you await earthly approvals, it may be too late for many. This apparition will be approved by My Son when He returns. However, the world needs the support of this Mission now, more than the Mission needs the support of the world. Faith is at a premium these days and many have been deliberately misled to believe the wrong things. I come to protect your faith, but so many have been discouraged from seeking My Motherly protection."

"Dear children, change your priorities. It is not man's approvals you need - but God's approval. Do not allow anyone to obstruct your journey in grace."

■ **April 29, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Mournful Heart exposed - this time His Heart is a deep purple color. He says: "My Heart grows more mournful with every passing moment."

"Tonight, I tell you that I am sending special angels into the world. These angels will assist the righteous as the rest of the world passes through the Flame of My Mother's Heart. They will find solutions to unusual problems that arise."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **April 30, 2016.** "I am your Jesus, born Incarnate."

"Pray to recognize the Hand of grace in your lives in every present moment. Then you will be better prepared for the times that lie ahead. Your hearts will be open to the special angels I will be sending in every tribulation and you will learn to follow the path of grace."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

May 2016

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints and angels appear on the property at Maranatha Spring and Shrine. The Messages given to the visionary, Maureen Sweeney-Kyle, lead the soul on a spiritual journey into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

■ **May 1, 2016.** "I am your Jesus, born Incarnate."

"I come once again to lead you into the New Jerusalem. Some follow Me eagerly, immersing themselves in the Flame of My Mother's Heart. Others depend too much on themselves and worldly leaders and follow false discernment

designed to confuse and mislead."

"In the New Jerusalem all falsehood will slip away and only the Truth will remain. Those who do not allow the Truth to reign in their hearts will be left behind. Therefore, it is important - even urgent - that we make the Truth known without fear of

repercussions from those who oppose Truth. I speak specifically of the guise of being obedient to those who are unworthy of obedience. Live in Holy Love in the present moment and do not fear retaliation."

■ **May 1, 2016.** St. Joseph says: "Praise be to Jesus."

"Families entrusted to my care receive my Fatherly Protection against the evils of the day. I will warn their hearts of potential threats of evil, as I am the Terror of Demons."

"Pray this way:"

"Good St. Joseph - defender of the Truth and Terror of Demons - I place all members of my family under your gaze. Protect them and guide them along their way to salvation. Amen."

■ **May 1, 2016 / First Sunday Family Night Service - For the Conversion of the Heart of the World.** St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, come to me with expectant faith. I will protect you against all evil. The greatest evil today is that which would destroy your faith. I want to take you to the Heart of The Mother so that She would place you in Her Heart and keep you safe from this evil."

"Tonight, I'm extending to you my Fatherly Blessing."

■ **May 2, 2016.** Mary, Refuge of Holy Love, says: "Praise be to Jesus."

"I desire your confidence in the Refuge of My Immaculate Heart during these times of confusion. Remember, My Son asks you to be united in the Truth. All unity does not have as its motive perpetuation of the Truth. You have leaders in your midst who are more concerned for their own power and control than searching out and supporting the Truth. They speak of unity, but it is a unity in which many lose their identity."

"In the future, whole nations and even the Church itself will lose its identity under the guise of unity, but with the ultimate goal of control. That which Catholics hold most dear - the Real Presence - will be challenged. Many motives lie hidden in hearts. Do not be fooled by who says what, but pray that motives be revealed to you."

"In the Refuge of My Heart lies the Tradition of

Faith where sin is defined as sin and no confusion exists. I offer you in the world this Mission, which is the outpouring of My Heart and therefore, a spiritual refuge. It is here I try to dispel the evil that has been propagated against Heaven's intervention. It is here I give strength to those who cling to the Tradition of Faith. It is here grace abounds freely without constriction or fear of retaliation, for no one holds sway over God's Will."

"Do not be tricked into believing obedience disarms evil. Very often obedience empowers evil. Much of what I tell you today has already begun. The groundwork is being laid."

■ **May 2, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the future of the planet could be changed if mankind would only obey the Commandments of Holy Love."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **May 3, 2016.** "I am your Jesus, born Incarnate."

"When I take up My Reign in every heart, you will have peace in the world. Until then, many events must unfold by nature of My Justice. Be patient, as only the Father knows the time of every event. It is through the grace of My Mother's Heart you will endure. During these times you see many sins all around you. Morals have changed and there is a general hedonistic atmosphere throughout the world. There is little regard for the Commandments. In fact, it has become a right not to have the Commandments displayed in certain situations. All of this, is a reflection of the convoluted Truth that is in hearts."

"By your prayers, sacrifices and courageous example you can help to reverse this destructive trend. Do not be afraid to stand up for righteousness. Your courage is My Courage and will be rewarded."

■ **May 4, 2016.** "I am your Jesus, born Incarnate."

"I come to earth - Body, Blood, Soul and Divinity - to assist mankind in his journey towards salvation. There is still time to avoid certain aspects of My Justice. To do so, you must live every present moment and make every decision in Holy Love. You gain nothing by opposing Me in this, except greater trials and tribulations."

"It is by your efforts in Holy Love that the future of the planet can be changed. This may seem simplistic, but it is the only genuine solution you have. Now is the time to act in little ways to mitigate great consequences of blaspheming the Commandments."

"Indifference or opposition to Holy Love only grieves My Mournful Heart more and intensifies the need for My Justice."

■ **May 5, 2016 - Feast of Mary, Refuge of Holy Love (19th Anniversary).** (3:00 a.m.) Our Lady suddenly comes as Refuge of Holy Love. She says: "My daughter, nothing could hold Me back today on My Feast Day. Praise be to Jesus."

"All things have come together now as pieces in a fine garment and the Ministry is reaching its potential. You continue to be courageous in the face of opposition and I thank you for that. Holy Love - to love God above all else and your neighbor as yourself - does not mean you allow your neighbor to travel the road to perdition because it pleases him. No. It means out of love you correct him - calling him back to the path of salvation. That is what these Messages do over and over. Heaven does not mince words to save egos or reputations."

"So today I tell you, there is a difference between being culturally acceptable and spiritually sound. To be culturally acceptable means you please people by your appearance, actions, beliefs and words. Your whole being and life coincides with what is most pleasing to society. To be spiritually sound means your thoughts, words and actions please God first and foremost."

"The more spiritually sound a person is, the less he is concerned with being culturally acceptable. So many sins today are passing into the culturally acceptable realm of being. We, as warriors of Holy Love, must confront these errors, no matter how unpopular our spiritually-sound opinions may be."

"I will always give you, My daughter, and all those who cling to Holy Love, the grace to be spiritually sound and to abide in the Truth. I will not deny anyone the Refuge of My Heart which is Holy Love."

■ **May 5, 2016 - Solemnity of the Ascension of the Lord.** "I am your Jesus, born Incarnate."

"I ascended into Heaven victorious over sin and death. I invite all mankind to share with Me in this victory. I show you the path to this victory which is

the journey through the Chambers of Our United Hearts."

"Do not search out new ways to sin so that you can please yourself and man. Seek only to please Me. The Father commands you to do so. I look only at your heart when you stand before Me in judgment. I am not impressed with how wealthy, popular or powerful you ever were in the world. I look for the Holy Love in your heart when you come to Me."

"Be satisfied with My Call to you to live in Holy Love."

■ **May 5, 2016 - Feast of Mary, Refuge of Holy Love (19th Anniversary).** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"My children, please understand that the person who tries to be culturally acceptable seeks to please people ahead of pleasing God. What is most important to such a one is that he fits in with society. Therefore, it is his goal to offend no one but to be esteemed by all. Children of the Light cannot live in such a superficial way."

"You must, as Children of the Light, reflect the Light of Truth as given through the Commandments of Love, which is Holy Love. There is not time to safeguard feelings or to tiptoe around egos or to protect one's reputation."

"Do not fear loss of any of these for souls are at stake. Fear only the loss of souls."

■ **May 5, 2016 - Feast of Mary, Refuge of Holy Love (19th Anniversary) / Thursday Night Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the reason for My continued visits here at this site is to unite all hearts in the Truth of Holy Love. I give you the grace during each apparition to believe wholeheartedly in this Mission, but you must accept it and act upon it."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **May 6, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"When I come to you, dear daughter, it is always in an attempt to unite. Sometimes I transcend time and space with a particular burden in My Heart. Always, My motive is the propagation

of Holy Love."

"Today, I invite you to realize that the children of My Heart - the ones who live in Holy Love - are being called to a mystical society away from all the errors of current-day culture. You, dear children, must always represent Holy Love in thought, word and action. You must stand for the Truth between good and evil and confront those who seek to redefine sin."

"I am protecting this little society of Holy Love in My Heart. Be assured you will need My Protection. This society is composed of the Children of the United Hearts, the Lay Sisters of Holy Love, the Brothers of the United Hearts and all who seek to live out these Messages. It is a society not formed on earth, but in Heaven. Each soul knows if he is part of this call to unity in Holy Love. Each soul is called to be a part of My Heart."

■ **May 6, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, in praying and in making any important decisions always ask for the breastplate of discernment to be placed over your hearts. Without this you are defenseless when Satan presents himself as good. Pray for wisdom.

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **May 7, 2016.** Our Lady comes as Queen of Peace. She says: "Praise be to Jesus."

"I come to you as Queen of Peace. True peace - genuine peace - must be grounded in Holy Love. The whole meaning of this Mission is the reconciliation of the heart of man with God and with one another. Free will has led mankind astray. He uses his will to satisfy himself, not to please God. I continually recommend the heart of mankind to the Heart of My Son which is Divine Love and Divine Mercy."

"I plead with My Son to withhold His Justice. If mankind does not respond to My Call to live in peace through Holy Love, I do not know how much longer I can withhold His Arm. Free will has flagrantly violated the Commandments. It is as though man has never heard of them."

"So, I come yet again as My Jesus sends Me, to call the heart of humanity back to the reality that God is real. His Commandments are real. His Judgment is real. Pay attention to the Truth."

■ **May 8, 2016 - Mother's Day.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

Our Lady is all in white. I (Maureen) wish her a Happy Mother's Day. She says: "Thank you and to you too." I say: "Thank you."

"Dear daughter, I come once again as the Mother of all mankind. My Immaculate Heart, which is Holy Love, is the spiritual refuge of all, just as this property is a spiritual refuge. Here there is respite from all guile, hidden agendas and confusion. It is here I offer you only the Truth as any good mother should. The mistaken and rash judgments of others does not alter the peace and the grace of the Refuge of My Heart or the refuge of this apparition site."

"These days you need protection against all the political misinformation circulating in the world and in the Church itself. Do not be influenced by statements that are partially true and partially false. These are designed to mislead you."

"I invite you to be partakers with Me, dear children in the peace of Holy Love. As your Mother, I come to lead you away from the dangers of these times - dangers which threaten the Tradition of your Faith. I come to nurture your faith and to inspire wisdom in your day-to-day decisions."

"Allow Me, as your Mother, to embrace your hearts, dear little children. You will know no greater peace in the world."

■ **May 9, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, now is the hour in which you must savor these Messages that have been imparted to you over the decades through this Messenger. So much is lacking in leadership, as people find one excuse after another to embrace evil over good. But, through Holy Love you are being shown the way to your salvation."

"Set aside doubts and know that Holy Love was prescribed to you by Jesus Himself when He walked amongst you. Through this Mission it is being restated, reemphasized and strengthened. Do not look for a different path or be concerned over dates of specific happenings. Such things are known only to the Father. Your life situation now is where God has permitted you to be. Sanctify your life by living in Holy Love. Then you will be living in God's Will."

Read Jude:17-23

But you must remember, beloved, the predictions of the apostles of our Lord Jesus Christ; they said to you, "In the last time there will be scoffers, following their own ungodly passions." It is these who set up divisions, worldly people, devoid of the Spirit. But you, beloved, build yourselves up on your most holy faith; pray in the Holy Spirit; keep yourselves in the love of God; wait for the mercy of our Lord Jesus Christ unto eternal life. And convince some, who doubt; save some, by snatching them out of the fire; on some have mercy with fear, hating even the garment spotted by the flesh.

■ **May 9, 2016 / Monday Service - For the Conversion of the Heart of the World.** First, I (Maureen) saw a host, then it broke in two and I saw the United Hearts, then Jesus appeared behind that!

Jesus says: "I am your Jesus, born Incarnate."

"My brothers and sisters, trust always that grace will meet you in the future and help you through every problem. Then you will be trusting in My Father's Will for you."

"I'm blessing you with My Blessing of Divine Love."

■ **May 10, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"These days there is so much confusion in the moral structure of society in general. People believe it is right and acceptable to accept sin as a viable option and lifestyle. This is reinforced through mass media and presented as 'normal' behavior."

"Leadership is failing you, as it does not support obedience to the Ten Commandments. This failure is the cause of all the moral degeneration around the world. While many causes are worthy and justified, social justice does not correct moral degeneration. During these times, you must not be complacent as to the ways you are being led - or in many cases not led."

"Always remember that disunity enables evil. The time is here when good must unite. This is a juncture in the history of man. Every choice is crucial to the future of the world. Every sin calls upon God's Justice."

■ **May 11, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"These days, dear children, you must realize that many of those in leadership roles have failed in the Eyes of God. Title and authority in the world does not justify every action of everyone who leads. You must not be complacent or so naïve that you follow blindly along. Every decision must be weighed and measured in the Light of Truth. Discernment must never be based upon self-interest or hidden agendas. Many lives and souls have been lost due to failed leadership."

"You must realize that your next president in this country will be given the power to shape the future of your nation through the selection of Supreme Court Justices. If you choose a liberal president, you will choose a decadent future for your nation. Those of sound moral principles will continue to be persecuted while those who embrace sins (abortion, same-sex marriage) will be lauded."

"Carefully consider what Church leaders are telling you or not telling you. Confusion is not from God. Do not base the credibility of this Mission upon erroneous 'investigations' but on the fruits of all the graces rendered here by Heaven, a great part of which is these Messages themselves."

"How sad it is that I must come and tell you these things. There are too many, however, who trust in those unworthy to trust and do not look ahead to see how they are being misled. I come to enlighten you. Accept this grace."

■ **May 12, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Solemnly, I tell you, the Church is in a state of upheaval. The invisible line between liberal and conservative is becoming more visible. Not to speak of this or to pretend it isn't happening only strengthens the divide."

"In this diocese alone you have professed and consecrated religious speaking in support of gay and transvestite lifestyles. Jesus mourns the loss of souls who once were His. Satan's victory is always in the rationalization of sin. Never think that your role in the Church justifies any sin. You cannot represent Christ and support evil at the same time. Duplicity is not from God."

"Once again I call you to be united in the Truth. Do not try to change the Truth - Dogma or Doctrine

- to suit your sins."

Read Romans 2:6-8, 15-16

For He will repay according to each one's deeds: to those who by patiently doing good seek for glory and honor and immortality, He will give eternal life; while for those who are self-seeking and who obey not the Truth but wickedness, there will be wrath and fury.

They show that what the Law requires is written on their hearts, while their conscience also bears witness and their conflicting thoughts accuse or perhaps excuse them on that day when, according to my gospel, God judges the secrets of men by Christ Jesus.

■ May 13, 2016 – Feast of Our Lady of Fatima (99-Year Anniversary of Our Lady of Fatima).

Our Lady comes as Our Lady of Fatima with the three shepherd children in front of Her. She says: "Praise be to Jesus."

"I am here once again in the world with My three little messengers.* These three were chosen for their simplicity and lack of knowledge, which authenticated all they reported. Here, these days, it is no different. My messenger here had little formal teaching about her faith. Yet, these Messages remain profound."

"Fatima was not approved in time to avert World War II. Many lives were lost as a result. Solemnly I tell you, the same mistake is taking place here. However, at this apparition site there is opposition beyond all-telling. My efforts here are the same as they were at Fatima - to save souls and to bring peace to the world. Opposition only intensifies God's Justice. My Son is grievously offended by your rash judgments and jealous opposition. He is holding those responsible accountable. You are destructing the salvation of souls and lasting peace in the world."

"My peace plan from Heaven is this." She holds out the Rosary of the Unborn. "Pray against the atrocities of this crime. Remarkable changes in the future of civilization can be had, if you listen to Me. This is not the hour to debate as to whether or not My Call to you is genuine. You no longer have the time for careless indecision. Not to decide is to decide."

"Pray for your Church hierarchy whose leadership is being compromised by confusion. Remain faithful to Tradition at all costs. Allow My words to shepherd you with the staff of Truth. Not

to do so bears grave consequences."

As they leave, the Rosary of the Unborn remains floating in the air momentarily.

■ May 13, 2016 / Friday Service - For the Conversion of the Heart of the World. Blessed Mother is here as Our Lady of Fatima and has the dancing sun behind Her. She says: "Praise be to Jesus."

"Dear children, truly I tell you that it is by your efforts that with prayer and sacrifice that you can change much of the future for yourselves and for the world."

"Tonight, I'm blessing you with My Blessing of Holy Love."

■ May 14, 2016. "I am your Jesus, born Incarnate."

"There has to be a cooperation between free will and the Divine Will of My Father in order for the soul to properly respond to grace. If free will does not surrender to the Divine, the soul puts all his effort into serving self-love."

"This is how whole nations are led astray with laws that condone sin and encourage moral decadence. You cannot serve two gods - the god of self-love and the Almighty God of Heaven and earth. Making a person feel 'comfortable' with his sin is not God's Will. My Father's Will is outlined in His Commandments. My Will is the embrace of these same Commandments - Holy Love."

"During these times, the abyss between free will and the Divine Will has expanded as never before. You must support leadership that recognizes the importance of pleasing God above all else."

■ May 15, 2016 - Solemnity of Pentecost. Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Be joyful today and pray with Me that the heart of the world is flooded with the Holy Spirit. Pray that His gifts empower every heart with Holy Love. The evils that threaten the world will outlive many, but some will see the Son of Man return in glory bringing with Him peace."

"The heart of humanity is struggling, as it seeks its solutions through the spirit of the world. Weapons of mass destruction or a healthy

economy do not render peace when there is so much self-love in the heart. You will have true peace when God is allowed His Dominion once again over every heart."

"The signs of His return are all around you. Do not wait for the next disaster. Be prepared always through prayer and sacrifice. Make the salvation of souls your priority and Holy Love your impetus."

■ **May 16, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Just as any physical wound must heal from the inside out, so too does a flaw in virtue. The soul must in his heart accept correction in virtue in order for the virtue to become more perfect. This is why it is important for the soul to look with the eyes of honesty into his own heart. He must acknowledge where his imperfections lie and pray for Divine help in correcting them."

"In the heart of the world there is little interest in spiritual perfection. Humanity is consumed with self-fulfillment and does not regard grace as something to be sought after. I come with this Mission and Message of Holy Love to entice change in attitudes and goals. The time to change is in the present moment. Open your hearts and become believers."

■ **May 16, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here all in white with His Sacred Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the fulfillment of My Provision is in your heart if you are living in Holy Love. To live in Holy Love means that you are pursuing personal holiness and your salvation."

"Tonight, I am blessing you with My Blessing of Divine Love."

■ **May 17, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I wish to discuss with you the topic of unbelievers. These are the ones who have been given the grace to believe but have rejected it. The root cause is always pride. Pride that they 'discern' this is not authentic. Pride that they must have some high-powered approval to believe. Pride that if God wanted them to know these things He would tell them personally."

"All of these reasons or any reason will not

exonerate them in the Eyes of My Son for having chosen disbelief. I do not come at My own prompting, but I am sent by My Son. I come for the welfare of all mankind, not just a chosen few. It is not My mission to make you believe, but to offer you the grace to believe. The rest is up to you."

"There is a certain segment of unbelievers who find it their duty to oppose this Mission and these Messages. They are instruments in Satan's hands. If they really understood the error of their ways, they would die of fright. Pray for these especially. Their errors are compounded by errors."

"My army of prayer warriors is making a difference. More hearts are being touched than ever before. Pray with hopeful and resolute hearts. These are nefarious times."

■ **May 18, 2016.** Our Lady comes as Our Lady of Grace. She says: "Praise be to Jesus."

"Today I remind you, grace flows and is distributed according to God's Holy and Divine Will. It does not wait for any man's approval. It is not, after all, what man thinks that counts, but what God thinks. When grace comes into the world, it is man's responsibility to recognize and respond to it."

"This is where the gift of discernment comes in and plays an important role. Some think they discern properly but they are only judging in a way that supports their personal opinions. When people act on personal opinions in the name of discernment, they oppose God's Will. They oppose Truth. Sadly, this attitude, which is often sanctimonious opposes Heaven's intervention here."

■ **May 19, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today you witness in the world yet another terrorist attack (EgyptAir plane crash). How much must happen before the world population turns to Holy Love? Holy Love is both your solution and the fruits of your efforts towards peace. This does not mean that out of love you accommodate sin and error thereby making the sinner feel comfortable in his errors. Holy Love must uncover the compromise of Truth and the abuse of authority no matter the perpetrator."

"If you witnessed someone carrying a bomb onto a plane, you would not dismiss it without

reporting it in an attempt to make the evil acceptable. The same is true when authority is abused, as when obedience is demanded which negates some good. Truth concerning mistaken beliefs must be uncovered, as well. Too often people are led astray by titles and stations of leaders. This is the generation which must commit to praying for discernment. A fervent rosary, praying towards this end, will enlighten the gift of discernment in you."

"Always remember that Satan is the accuser. Do not give in to his insidious attacks."

■ **May 20, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I come to reconcile the heart of humanity with the Heart of My Son, for it has wandered far and separated itself from the Divine Will. I offer mankind the spiritual journey through the Chambers of Our United Hearts, a journey of reconciliation. Only the foolhardy would reject such an offer. That is like trying to find a buried treasure without a map."

"With so much at stake and so many false and confusing paths offered in the world, why refuse My offer of a direct path to personal holiness and salvation."

"These days, souls are consumed with worldly concerns but pay little heed to salvific grace. Do not wait for God to send His Justice which is mounting in His Heart. Pay attention to the signs around you. I, your Mother, am calling you to the reality of these times."

Read 2 Timothy 3:1-5

But understand this, that in the last days there will come times of stress. For men will be lovers of self, lovers of money, proud, arrogant, abusive, disobedient to their parents, ungrateful, unholy, inhuman, implacable, slanderers, profligates, fierce, haters of good, treacherous, reckless, swollen with conceit, lovers of pleasure rather than lovers of God, holding the form of religion but denying the power of it. Avoid such people.

■ **May 20, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, lay aside your

opinions and other people's opinions and follow the straight path of the Chambers of Our United Hearts which leads to your salvation. Be conscientious in following this path."

"Tonight, I'm imparting to you My Blessing of Divine Love."

■ **May 21, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I desire that you understand it is every choice, every decision, for or against Holy Love which constitutes personal holiness. Of course, Satan tries to influence these choices, painting evil as good and good as evil. The soul who gives into this confusion is lost along the way. The soul well-grounded in Holy Love will quickly make the right choices."

"These Messages of Holy Love, given as a guide, are the path to making good choices. Therefore, do not be influenced by anyone to disregard Heaven's helping hand. Only evil would oppose the given path of Holy Love."

"Dear children, trust that I, your Heavenly Mother, desire to spend all eternity with you. I come only for your welfare. I invite you into My Immaculate Heart which is Holy Love. With a mother's love I will gently lead you past every obstacle. I will lead you in personal holiness through the grace of My Heart."

■ **May 22, 2016 - Solemnity of the Most Holy Trinity.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, I come once again to speak to the Remnant Faithful. It is you, dear children, who must remain faithful to the Truth of the Ten Commandments and to Holy Love - the embodiment of the Commandments. Do not support politicians who do not themselves support the Commandments. Their policies bode more moral degeneration than you already have in this nation. Laws should not be designed to support sin and to make the sinner comfortable with his sinful lifestyle. You do not comprehend how this wounds the Mournful Heart of My Son. You must encourage sound reason by the choices you make."

"Disordered authority has confused the moral choices of so many. That is why you must discern properly who you follow and what you are obeying. If you have sound moral standards, it is society

who withdraws from you, leaving you as a Remnant Faithful who cling to the Truth. I am standing with you offering to you the Refuge of My Immaculate Heart."

■ **May 23, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I have come to help you understand that division always weakens a cause, whether it is in politics, governments or any kind of leadership, even families. Opinions are the cause of all division. During these times most opinions are not based upon the Truth of the Commandments. This is why you have so much controversy in your midst. I have come to invite you into Holy Love so that all may be united, as Jesus desires."

"The moral standards of the world are like a turbulent sea, tossing souls to and fro and with no anchor in the Truth of the Commandments. People believe and behave as they want without regard for what God thinks. I have come with My peace plan from Heaven, which is Holy Love, in an effort to unite the heart of the world in God's Will. The world should be trembling before the Heart of My Son, begging His Mercy in the face of so much complacency and disrespect for His Laws. Instead, man continues in his errors, a sign of which is so much division."

"It is only by your efforts in Holy Love much of God's Wrath can be forestalled and some aspects averted. Please listen to Me."

■ **May 23, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I desire that five days before the Feast Day of Our United Hearts (*June 5, 2016*) you recite the Chaplet of Our United Hearts each day, keeping in mind the petitions that you need and honoring the petitions of Our United Hearts as well."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **May 24, 2016 - Feast of Mary Help of Christians.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Unless a conscience is formed in Holy Love, the soul cannot possibly form the right opinions in the Eyes of God. Such a conscience rationalizes

his erroneous choices and cannot calculate the poor consequences of his decisions. This is why Truth is so under attack and Satan's lies readily accepted."

"Consciences have been compromised in the dim light of rationalization which has affected whole nations and ideologies. God did not create such confusion. He did create the key to discovering the Truth, which is Holy Love."

"There is a grave responsibility on the shoulders of religious leaders these days to clearly define sin as sin and not to make the sinner feel comfortable with his error. Every citizen of this nation has the responsibility of electing a president who would appoint pro-life Supreme Court Justices. Many innocent lives hang in the balance."

"I come as I am sent - for your welfare. Take to heart My words."

■ **May 24, 2016.** "I am your Jesus, born Incarnate."

"I tell you solemnly, any leader who cherishes his power and authority is a poor leader. He makes decisions designed to protect the abuse of his authority and not towards the welfare of his followers. His leadership role - given to him by God - is gravely compromised."

■ **May 25, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"We must set aside now the opinions of all who have chosen to disbelieve in this authentic apparition. The depth of the Messages themselves support the Truth. Ninety percent of all the Messages have not even been studied by those who pass judgment on this Mission. The important thing is that souls pass through the Flame of My Heart into the New Jerusalem. The deeper the soul's journey through the Chambers of Our United Hearts, the more his heart will resemble Holy Love."

"My Immaculate Heart is the First Chamber and the Flame of My Heart purifies the soul of all that obstructs Holy Love. The soul must cooperate with the grace of My Heart which reveals weaknesses and errors in the way of his spiritual perfection. Like any mother I want to protect them from the dangers which threaten their well-being. I must call attention to these dangers so that they can be avoided. It is up to each soul to take heed. Each

one's spiritual journey is unique. No two graces are alike - given in the same way under the same circumstances. The soul must pray to be open to the spiritual journey God is calling him upon, for therein lies his personal holiness and spiritual perfection."

■ **May 26, 2016 - Solemnity of Corpus Christi.**

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I invite you to understand that fewer and fewer people today believe in and revere My Son's Real Presence in the Holy Eucharist. This being so, do not be surprised at the lack of belief in these Heavenly apparitions. So many graces flow into the world through the Holy Eucharist, yet they go unnoticed. Is it any wonder that the abundance of graces offered here at this site go unnoticed, as well?"

"People search frantically for solutions to their problems while all the while, if they were in communion with God, their solutions would be apparent to them, as God would assist them. But today, because there is an apparent breach of communication between man and his Creator, grace is withdrawn and man continues his bondage to human effort."

"The abyss between free will and the Divine Will is widening and will continue to do so until it matters to man. As it is, God will have to show mankind his dependency upon his Creator. This will come as God's Justice unfolds."

■ **May 27, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"You are living in a time when the sinners' choice to sin and his feelings take precedence over God's Commandments and God's feelings. Free will is touted as a god of its own. The result is moral degeneration. This compromise of Truth coupled with abusive authority, which makes moral decisions for the whole nation, has wounded the Heart of My Son most grievously."

"Mankind must not continue along this path of error, which leads to every type of consequence. Pay attention to what you are being asked to obey. Do not allow greater and greater liberal thinking to take dominion over your legal system and your nation. This is Satan's agenda."

"You have the power to change the future. It is in your hands in the rosary. It is by your efforts,

dear children, that grace can transform hearts from disordered self-love to Holy Love. You would be hard-pressed to hear this plea from any pulpit. Therefore, I have been sent to tell you."

■ **May 27, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, do not hesitate to live these Messages of Holy and Divine Love. I gave these Commandments of love when I was with you. Let no one persuade you against it."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **May 28, 2016.** "I am your Jesus, born Incarnate."

"The seasons are changing. Spring is opening onto summer. In the Ministry, the seasons are changing, as well. We are moving from a season of doubts and unanswered innuendos, to a season of belief and awareness that mistakes - grave mistakes - have been made in regards to evaluating Heaven's intervention here."

"I give credit where credit is due. The book Wayne (Weible) authored* will open many hearts to the reality of the abuse that has come against this Mission of Holy Love. Unfairness is an understatement. Every effort has been made to misrepresent the Truth."

"So, as we open onto this beautiful season of acceptance and belief, understand Satan's angst and pray for protection against his attacks. Seek the refuge of Our United Hearts. Our protection is greater than his fury."

* Weible, Wayne. *Intimate Messages from Heaven: The Story of Holy Love Ministries*. 2016.

■ **May 29, 2016.** Our Lady comes as Our Lady of Grace. She says: "Praise be to Jesus."

"My Grace will open many doorways this coming weekend. It will enlighten many paths and correct many consciences. When the soul responds to My Grace, I am allowed to act without hindrance."

"Be assured of My continued presence upon this property - which is neither in Heaven nor on earth, but is a spiritual transport into Our United Hearts. Allow the Grace of My Heart to transport you spiritually into the New Jerusalem. I have so

much I wish to give each soul who comes here. I await you."

■ **May 29, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"This Mission will continue on despite lack of approvals and being misunderstood by so many. Leaders have the responsibility before My Son to search with an honest and open heart the Truth of this Mission. How many who oppose all that takes place here are familiar with the Chambers of Our United Hearts, the Messages from Thomas Aquinas or the Messages on discernment? Any one of these is so obviously from Heaven and not this messenger - who is uneducated in her faith."

"Do not support erroneous opinions of each other. Support the Truth. Do not believe that title and authority change Truth into untruth."

■ **May 30, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Last night you experienced a storm here of biblical nature.* It was similar to what Noah experienced on the ark for all those days. Imagine the fear such a storm promoted in hearts - even those safe on the ark. Today, all is quiet and mankind has yet another chance to prove his loyalty to God by living in Holy Love. Those who perished in the flood of Noah's day did not receive any more chances."

"Today, I invite you, My children, into the ark of My Immaculate Heart which is Holy Love. Herein lies your refuge and your strength during the storms of life. If you remain in My Heart, you will not be tossed about by every storm of controversy and frightened by the noise of confusion. Take advantage of these days of another opportunity towards your salvation and holiness. Do not wait for others' acknowledgment of dangers or the Refuge of Safety that is My Heart. Last night's storm could not have been predicted in the way it visited earth. Greater still are the trials which lie ahead."

**We had a storm with continuous lightening and continuous thunder. We never remember a storm like it.*

■ **May 31, 2016 – Feast of the Visitation.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I come repeatedly to this site to call mankind into the Refuge of My Immaculate Heart - Refuge of Holy Love. Dear children, you can find no greater consolation in the world than this Refuge. In My Heart, I hold you away from the dangers of the world that surround you. I show you the path of your salvation through Holy Love. The Flame of My Heart purges your soul of errors which obstruct your journey upon this path. I pray you accept My Invitation to enter My Heart which stands ready to caress and to protect you."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

June 2016

***Holy Love Ministries** is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”*

Our Lady, Our Lord and many saints and angels appear on the property at Maranatha Spring and Shrine. The Messages given to the visionary, Maureen Sweeney-Kyle, lead the soul on a spiritual journey into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

■ **June 1, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"The Flame of My Heart, which is a Flame of Holy Love, longs to consume the heart of all mankind. It is within this Flame all iniquity will be purged and every transgression against Holy Love will be revealed. Long have I awaited this age when I would be permitted to reveal this Truth."

■ **June 2, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, for you to move forward through the Chambers of Our United Hearts you must forgive others and yourselves. Unforgiveness of self is guilt and has no place in the journey through the Chambers of Our United Hearts. The past is like a footprint in the sand which is short-lived and of no account. I invite you to join Me in the present so that we can move forward together."

■ **June 3, 2016 - Solemnity of the Most Sacred Heart of Jesus.** "I am your Jesus, born Incarnate."

"My Words to you today celebrating the Feast of My Most Sacred Heart are just as poignant for ages past, the present and for the future. My Sacred Heart is the solace of all mankind and of every generation. As you seek My Mother's Heart as a Refuge, turn to My Heart as a solace, for herein lies My Mercy. Those who cannot see the errors in hearts today are guilty of rationalization. You rationalize sin and evil to make it seem good in your heart. If you accept evil as good, I cannot offer you the solace of My Heart until you repent. Today, the heart of the world is unrepentant and insists on its own way. Leadership has greatly compromised

the Truth of sin. Sin is no longer a topic spoken of from the pulpit. The sense of good over evil is lost."

"I come to take up My Dominion over all hearts and every nation. My Mission is to change hearts from hatred, false consciences, and unforgiveness to Love. Holy and Divine Love are the solution to every problem that plagues man and the long-awaited peace that is hoped for."

"I cannot express to you on this Feast of My Most Sacred Heart the sorrow I feel as I gaze upon humanity. There is so much disregard for choosing good over evil. People do not concern themselves for their own salvation. Every Truth has as its nemesis a compromise that is not recognized as a challenge. So many hearts - even hearts once consecrated to Me - have become lukewarm. Those in authority stress and approve much error, but do not recognize good. They are enamored with power and very often vindictive towards anyone who opposes them."

"My Heart is a prism of grace which stands open and ready to welcome all. Every Chamber holds the power and grace to overcome the allurements of the world. Come as little children without guile and allow Me to lead you into the deepest part of My Heart. By your efforts My Heart will be less mournful."

■ **June 3, 2016 - Solemnity of the Most Sacred Heart of Jesus / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I have come to invite each one of you, and all of you, into the depths of My Heart which is Divine Love. I am all yours and I desire that each one of you

be all Mine."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **June 4, 2016 - Feast of the Immaculate Heart of Mary.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, once again I transcend time and space to speak to you. It is here at this beloved site I have opened My Heart to the world. It is here I have revealed the inner Chamber of My Immaculate Heart which is Holy Love. Holy Love is the sanctuary of My Immaculate Heart. I am always at this site awaiting the arrival of each soul who answers My Call to come here. A portion of My Heart attends every Message. I can only reach those souls who want to be reached. If you allow your hearts to open and you step into My Immaculate Heart, you will be transformed."

"As your Mother, I desire only your welfare. Every grace comes to you as a kiss of My Love. Through these Messages which open the way to the depths of My Heart, come to know Me better. Realize that I am here for you, ready to assist you in your quest for personal holiness and towards your salvation. Begin to know the inner confines of My Heart through Holy Love."

"As I have told you, the heart of the world must pass through the purifying Flame of My Heart before mankind can be delivered into the New Jerusalem. Many events and particular situations will precipitate this purification. However, as trials increase, so too will the graces attendant to this prayer site, as I will be with you in every instance. Do not fear, dear children, but look with hope for the many who will return to My Son in their need."

■ **June 4, 2016 - Feast of the Immaculate Heart of Mary.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Tonight, at the 7 p.m. rosary, I will move amongst the people and all will receive My Special Blessing."

■ **June 4, 2016 - Feast of the Immaculate Heart of Mary.** Our Lady comes as Mary, Refuge of Holy Love. She says: "All praise be to Jesus."

"Today I show to you once again My Immaculate Heart. Herein Jesus has entrusted the peace and security of the world. My Heart is Holy Love. Dear children, you must not listen to any reason not to come to this, My beloved prayer site, to pray. I am saddened by the ones who do not come. Come with expectant faith and join the ranks of believers, all of whom bring me such great joy. It is here I am opening My Heart to the world and listening to all of your needs. I am happy to carry your petitions to Heaven with Me and place them in the Heart of My Son."

■ **June 5, 2016 / Feast of the United Hearts - 3:00 P.M. Service.** *(This Message was given in multiple parts over several days.)* First, I (Maureen) saw the Image of the United Hearts pulsating in the air. Then Jesus and Blessed Mother appeared with Their Hearts exposed. Jesus says: "I am your Jesus, born Incarnate." Our Lady says: "Praise be to Jesus."

Jesus says: "Thank you, My dear little ones, for enduring the hardship of this storm that poured down upon you. I am your protection in the storms of life."

"Please realize it was never My Intent that these Messages and the deep spirituality they reveal should be lost amidst the mire of Church politics and spiritual jealousy. I have instructed this messenger to continue to record and propagate all Heaven requests despite objections and opposition from worldly authority. These times dictate the imprudence of waiting for the conversion of hearts. I come to build up the faith, not to tear it down. I come to restore the presence of the Holy Spirit in the heart of the world. To do so, I must rid the heart of humanity of the evil that consumes it. I must reveal this evil, as man has become blind to it."

"I speak of mankind in general, knowing full well of the exceptions who practice Holy Love and seek to please Me. These are the consolation to My Most Mournful Heart. Mankind in general, however, has ceased to place Me first in his heart. He seeks human solutions to problems which are caused by spiritual apathy. Man has adopted ideologies which are self-serving and not of God."

"Sin is rarely a consideration, but has taken on the form of a right to be accepted and practiced freely. Those who oppose such practices are viewed as insensitive and too conservative. Thus, Satan has succeeded in obliterating the lines between good and evil. These definitive lines remain the same in My Eyes."

"It is during these times of confusion, My Father sends Me with the Revelation of Our United Hearts. This is a scripturally-sound Revelation. The First Chamber of Our United Hearts is the Heart of My Mother - the conversion of the soul. Each subsequent Chamber leads the soul deeper into personal holiness and finally to perfection. It is a journey which needs to be seriously considered today. Yet, as I speak, Church leadership has not studied this gift I offer, but rather has opposed it. Must I point out, only Satan would oppose spiritual perfection!"

"The soul may spend a lifetime searching for a way into the Divine Will of My Father. All the while, I offer him the straight and narrow path of the journey through the Chambers of Our United Hearts. To know of this journey is a great grace. To know of it but refuse to travel it, further wounds My Most Mournful Heart. A soul can be saved without making the spiritual journey through these Sacred Chambers, but it is more difficult. That would be like searching for a treasure after you throw away the map. The treasure, in this case, is union in My Father's Divine Will."

"I come to you today seeking the union of the heart of the world with Our United Hearts. This is the purpose of this Heavenly intervention - of this Mission - and of all the graces offered here. The future of the world depends on mankind's response to My Invitation."

"I am the way of salvation through the Chambers of Our United Hearts. My brothers and sisters, continue to persevere in every necessity. I am listening to your prayers."

"Today, we're extending to you the Blessing of Our United Hearts."

■ **June 6, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, hopefully you have received food for the journey through these Messages and My Special Blessing. Be My instruments when you return home by propagating Holy Love. Each one of you was called here for a specific grace. You may not readily recognize this grace, but time

brings all things to fruition. Thank you for enduring the many hardships to be here with Me and My Son."

■ **June 6, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I am asking that you pray for My Special Intention which is that the authenticity of this Mission is recognized by all. Remember, anything is possible through prayer."

"Tonight, I'm imparting to you My Blessing of Divine Love."

■ **June 7, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I have come to remind you that anything that is not of Holy Love is not of God. No one enters the Heavenly Kingdom who does not embrace the Two Commandments of Love. This maxim holds true for important leadership, influential politicians and the most lowly, insignificant soul of all. None are exempt. Errors in ideologies or lack of knowledge are only obstacles which the soul must overcome."

"This Mission has been brought to earth as an oasis of Truth amidst an arid desert of untruth. I offer My Immaculate Heart as a Refuge and resource of Truth. I desire to help you through these times, dear children, so that you will not be caught up in Satan's lies and confusion. Come to Me as I am your Mother and Protectress of your faith."

■ **June 8, 2016.** Our Lady comes as Our Lady of Grace. She says: "Praise be to Jesus."

"When a soul seeks the consolation of My Heart, My Grace weaves a pattern over his heart erasing error, protecting and guiding the soul. No one moves towards personal holiness outside of grace. It is grace that leads man to perfection. It is grace which comes into the heart with the desire to become holy."

"Grace is like a garment which covers the whole body and directs thought, word and action towards the Divine Will of the Father."

"These days, so many souls do not recognize the inspirations of grace, let alone the intricate pattern of grace in their lives. There is an absence in so many souls of the desire to please God. This is why this Mission of Holy Love goes unrecognized as a great grace."

"Surrender your hearts to Me now, so that I may change present-day attitudes towards Holy Love in the present moment."

■ **June 9, 2016.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"These days, many of the ones who recognize the direction the heart of the world is following concern themselves for the future - the Justice of God - when and what it will be. Take time to appreciate the resplendent grace of each present moment. It is in the present moment you can achieve your eternal reward - your salvation. The present moment is a gift of grace - not to be squandered by carelessness or selfish pursuits. Live in each present moment pursuing sanctification by making Me Lord of the moment. Live to please Me first, then your neighbor. When

you live in this way, you are living in Holy Love."

■ **June 10, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"During these times it has become very crucial to be able to identify good from evil. This is true not only in situations and events but in people, in general. Every day, terrorists slip across borders because it is not apparent what is in their hearts. Leaders must be evaluated according to their actions, not what they say or what office they hold."

"Begin to see that Holy Love is the standard-bearer of good. Those that do not embrace these Commandments do not have good in their hearts or as their objective."

■ **June 10, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, follow the prescription I have given you towards a healthy spirituality and your own salvation. It is live in Holy Love in the present moment; then you will celebrate the victory of Our United Hearts with Us."

"Tonight, I'm extending to you My Blessing of Divine Love."

■ **June 11, 2016.** Alanus (Maureen's Guardian Angel) says: "Praise be to Jesus."

"The conversion of the heart of the world is key to the future of the world. The heart of man needs to align with the Will of God. The Will of God is the Two Commandments of Love which is Holy Love. Therefore, efforts to oppose this Mission of Holy Love calls upon God's Justice. Certainly, a soul can choose to live in Holy Love without knowing about this Mission. However, knowing of this Mission and opposing it carries grave responsibility before the Eyes of God."

"This Mission of Holy Love is in the world in an effort to call the heart of man away from evil and into God's Will. Today however, it has become 'in vogue' to accommodate evil and to challenge good. The Heart of the Lord cannot bear much longer these grievous transgressions. Heed my warning today or bear the consequences."

■ **June 12, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"These days most consciences are formed according to what is culturally acceptable - not according to God's Commandments. So, I can tell you that the vast majority of souls who present themselves before My Son's Judgment Seat are in a state of disgrace. If you want human statistics, I would say 85%.* These souls slip to their perdition simply because they accepted moral standards contrary to God's Commandments. They have chosen their eternity. Such serious choices cannot even be cleansed in Purgatory."

"Therefore, you must realize the dire need for this Mission of Holy Love in the world today. Holy Love is the correction of the heart of the world. Holy Love calls souls to their repentance. We must pray often for souls on the brink of death who refuse to believe they have sinned by their ill-formed consciences and consequent moral choices. Pray that souls receive the desire at the moment of death to return to the Bosom of God."

* *Scripture suggested to be read by Spiritual Advisor - Matthew 7:13-14; Luke 13:22-30.*

■ **June 13, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Perhaps now you can understand My Warning that the heart of the world must pass through the Flame of My Heart before the Victory of Our United Hearts can be realized.* The evil that is in hearts will cause much pain and destruction. Because of this, God will not prevent natural disasters from worsening. It will all turn the heart of man back to God, as he will realize more and more his dependency upon his Creator."

"More nefarious than any weapon of mass destruction is the plague which afflicts every segment of life. This disease is wide-spread, yet undetectable. It is the virulent disease of disordered self-love. Its symptoms include abuse of authority and the compromise of Truth. As it is a disease which brings the soul to ruin, it claims not only some lives, but many souls. This disease must be recognized and controlled through human effort. The cure of this disease is Holy Love. As with any cure, it must first be accepted and acted upon."

* *Given the day after the Orlando shootings.*

■ **June 13, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the greatest danger to civilization is the evil that lies in the heart of man. Pray for all people to recognize evil and expose guile."

"Tonight, I'm extending to you My Blessing of Divine Love."

■ **June 14, 2016.** St. John Vianney, Curé d'Ars and Patron of Priests says: "Praise be to Jesus."

"In the world today, there is no sense of sin. This is the bad fruit of a lack of knowledge between good and evil. A person in sin who dies suddenly without a chance for repentance has no chance for salvation. The fact that sins are now culturally acceptable denies the necessity of being in a state of grace in order to achieve salvation. Every priest should teach about sin from the pulpit. This is his opportunity to lead his flock along a road of sound spirituality."

"This topic of sin and of a state of grace must never be compromised to please man. It is the priests' job to steadfastly hold his followers to the uncompromised Truth between good and evil. It is necessary also for a soul to be in a state of grace - that is without unrepentant grave sin - in order to receive the Holy Eucharist. Catholic priests have the responsibility of making this known."

■ **June 15, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Despite what the world accepts as Truth, we must continue to oppose abortion and homosexuality. These are serious sins in God's Eyes. Decades ago these would never have been considered as alternatives. Today, however, those who speak out against these crimes are the ones under attack. This represents the moral degeneration present in the world today."

"I have come to correct the soul of the world and to pull mankind back from the brink of disaster. I have come to warn you of the dangers of abusive authority and the compromise of Truth. If My intervention goes unheeded, many of the self-righteous will fall to ruin, as their ways are self-serving and

not of God. It is the hour of great distress and grave decisions which will determine the future. Bear the responsibility of this generation in the Light of Truth."

■ **June 16, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, you do not see the dangers that lie hidden in hearts as I do, your Heavenly Mother. If you could see all hearts as I am able to, you would not cease praying for the welfare of the world. The stage is being set for even greater drama than the world has seen in the past. Many dangerous practices are being accepted without regard for the evil in hearts or the ways the Will of God is being transgressed. Sadly, events will unfold which will reveal how displeased God is with man's choices."

"I am unable to reverse the power of God's Justice. I can only warn you, that the power to appease God's Justice lies in your hands. Continue to pray for the conversion of the heart of the world."

■ **June 16, 2016.** "I am your Jesus, born Incarnate."

"Enthusiasm for this Mission is about to challenge flagrant opposition which has held sway over many hearts. Pray for those who will come and who never viewed this Ministry in the light of fairness. I am opening the doorway of Truth in many hearts. Many have stopped short of looking for the Truth due to error on the part of those in authority. For many, My Invitation to come here has been left unheeded. This will change. I am preparing you."

■ **June 17, 2016.** "I am your Jesus, born Incarnate."

"Around the world there are little pockets of faith. These are My Remnant Faithful. It is these I count on to staunchly cling to the Truths of the Tradition of Faith. These chosen few must not be swayed by controversy or opposition. At the same time, they must guard against sanctimony or self-righteousness. With courage they will be called upon to pass the faith on to future generations."

"When I return, I will gather these brave souls into My Bosom and claim them as My own."

■ **June 17, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, once again I come to unite you in the Truth of Holy Love. Let all of you be united in this, My complete apparition. Do not compete with each other as to which apparition that has intervened on earth is best. But be united in Holy Love, for everything is here."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **June 18, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, if you do not see these times as desperate and as a battle between good and evil, then you are not living in the Truth. This Mission is God's attempt to bring mankind to repentance. If you do not seek His Mercy now when dangers lie all around you, you are jeopardizing your own salvation. So many hearts pursue evil instead of Holy Love. So many are misled by arrogant authority who do not see their own culpability in God's Truth."

"The world has been given so many graces, so many chances to choose good and to oppose evil. Over and over pride enters in and discounts the necessity for conversion of heart. I can only recount to you that My Son's patience is running out. His Arm of Justice grows heavy."

"With love turn your hearts over to Divine Mercy, Divine Love. Then you will be living in God's Will. You will be His and He will be yours."

■ **June 19, 2016.** I (Maureen) see a Flame that I've come to know as the Heart of God, the Father. He says: "I Am the Eternal Now."

"I am patient and forbearing. I do not speak to just some - but to all. I desire man's welfare and do not cherish the thought of My Justice visiting earth. I desire the heart of man returns to Me - to be united with My Divine Will. This, however, is impossible outside of Holy Love. While you quarrel and debate approvals of man - listen to My Words, My Dictates, and return to My Divine Will. The hour of My Justice moves forward."

■ **June 19, 2016 - Father's Day.** St. Joseph says: "Praise be to Jesus."

"The role of every father is to protect, provide and guide. To protect, the father must protect from any harm - physical, spiritual and emotional. The father must provide the basic needs of his children - physical, spiritual and emotional. The father must guide his children around harmful influences. Thus, he helps his children to see the errors in sinful lifestyles and helps them discern good from evil. A father is never first a pal seeking approval from his children. He gains respect by defining sin as sin. Thus, the children learn to seek the father's approval."

■ **June 20, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Last night you saw that victory follows on the heels of determination.* Pray that honest and forthright candidates are victorious in the upcoming presidential election. This will take a concerted effort, as so much is covered in darkness. Even when the Truth comes to light, the heart of the world takes little account."

"There is no transparency in the way your government is functioning now. Your president bypasses the Congress and follows his own will. You, as Christians, need to support candidates who are accountable to the people. The future of your country depends on this Truth."

"With determined hearts, pray for this."

* *The Cleveland Cavaliers won the NBA Championship.*

■ **June 20, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"When there are obstacles along the path of victory, it makes the victory even sweeter. Take, for instance, the victory of your basketball team.* They were not picked to win after a 3-1 deficit in the finals - yet they won. It is so in this Mission, as well. Such an unlikely place to establish this Mission - the faith so compromised by weak leadership - the hierarchy in opposition to the Truth. Yet the victory is ours. We are here and we are praying!"

"All the obstacles make our mere existence here even

more miraculous and certainly a grace from Heaven. Enjoy this grace - this miracle - this victory by praying here often."

* *The Cleveland Cavaliers.*

■ **June 20, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here and He has the United Hearts exposed over His Chest. He says: "I am your Jesus, born Incarnate."

"The time will come, My brothers and sisters, when the world will celebrate the victory of Our United Hearts. Until such time, we must continue to sort out good from evil and oppose evil."

"Tonight, I'm imparting to you My Blessing of Divine Love."

■ **June 21, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Mankind's whole future - his salvation and the future of the planet - depend upon his acceptance or rejection of the Truth. The Truth is God's Holy and Divine Will which is Holy Love. Unless man chooses to live in Holy Love, every state of what is now taken for granted is in jeopardy. The heart of the world is living in a fantasy - that anything and everything is acceptable if man chooses it. The reality of sin has been displaced by accommodation of the sinner."

"I am here as your Refuge of Holy Love to offer you safe hospice against the enemy who accuses good and promotes evil in hearts. In the end, it is what is in the heart of man which condemns or saves him. This is why the heart of humanity must turn now towards his Creator. Do not offend My Son anymore by rationalizing the Truth. You cannot recreate the Truth to condone sin."

"I beg you to take heed."

■ **June 22, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, I invite you to see that what you hold in your hearts is expressed in your opinions. These opinions are important in God's Eyes and determine your eternal reward. In choosing a political candidate, you need to take into account their views on abortion and same-sex marriage. Support of these issues is not of God."

"In this country, your next president will put in place more than one Supreme Court Justice. These decisions and the opinions of these newly-appointed Justices will determine the future of your nation. It will either be morally liberal and decadent, choosing a path away from God, or it will be morally sound and secure in God's Will. Those who choose God's Will have an open door to His Provision and His Protection."

"Do not form your opinions around what is popular and pleasing to man. To do so, places man above God. Place the Will of God first and foremost in your heart and form your opinions around His Will."

"I have brought to you the way to accomplish this through Holy Love. You, My children, must allow it to take root in your hearts. Then your opinions can influence the heart of the world to live in the Truth."

■ **June 23, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"You (Maureen) are asking Me how Holy Love can be the answer to all the world's problems when evil forces are so violent. Please understand that Holy Love needs to be the cornerstone of all decisions. Holy Love helps you to identify evil and therefore, to oppose it. Sadly, it is sometimes necessary to take up arms to defend good and innocent lives. This is not because Holy Love endorses war, but because Holy Love endorses good. The motive of all your actions needs to be Holy Love."

"Holy Love must act according to the necessity of good. Good cannot prosper in an environment where it is opposed by law or the threat of violence. Each soul has the obligation to speak up in favor of good. Too often this right is oppressed by evil."

"Dear children, these times are the times of grave decisions. Be alert and watchful as to the way you are following."

■ **June 24, 2016 - Solemnity of the Nativity of St. John the Baptist.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I have come to remind everyone of the importance of basing their opinions on the reality of facts. What people say about others forms their reputation. If you are not propagating the Truth, you are rash judging and leading others to rash judge. This example compounds your sin."

"If you find yourself in a position of leadership - spiritual or secular - the influence of your opinions or statements about others bears great consequences. This is why it is imperative in My Son's Eyes that all you express about others be fair and open-minded with the absence of self-interest."

"When you purposely damage another's reputation, you damage your own image in the Eyes of God. Therefore, be charitable in thought, word and deed concerning all others. If there is something good to be said, express that good rather than finding fault. Constructive criticism needs to be expressed only in the environment where it will be helpful."

Read James 3:7-10

For every kind of beast and bird, of reptile and sea creature, can be tamed and has been tamed by humankind, but no human being can tame the tongue - a restless evil, full of deadly poison. With it we bless the Lord and Father, and with it we curse men, who are made in the likeness of God. From the same mouth come blessing and cursing. My brethren, this ought not to be so.

■ **June 24, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, once again I invite all people and all nations into Our United Hearts."

"Through the virtue of Holy Love pray for all unbelievers, that they step into the Light of Truth."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **June 25, 2016.** "I am your Jesus, born Incarnate."

"The greatest pain of My Heart is those who try to change the Truth to satisfy their own passions. This compromise does not exonerate sin. The Truth of good as opposed to evil never changes. I judge hearts in the Light of Truth."

"In the world people, governments and legal systems support compromise in the light of popular acceptance. To speak out against certain sins is considered narrow-minded - ultraconservative. Holy Love is your constant guide along the path of Truth in a world that travels the path of darkness. Do not be fooled into thinking there are new interpretations of the Commandments. That is just rationalization. Truth does not embrace sin."

■ **June 26, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, allow Wisdom* to rule your hearts. These times are nefarious and deceit sits in many high places. Be grounded in Holy Love, keeping always the salvation of every soul first and foremost as your goal. Do not be discouraged by unbelievers - no matter their title or authority. Do not allow the allurements of the world to win over your hearts."

"Keep the compass of your hearts set on the conversion of the heart of the world which is teetering on disaster. Use the Rosary of the Unborn as your weapon of mass destruction against the greatest evil of all times."

"Work together to bring the Kingdom of the New Jerusalem into all hearts through Holy Love."

* Refers to Holy Wisdom described in James 3:13-18.

Read James 3:13-18

Who is wise and understanding among you? By his good life let him show his works in the meekness of wisdom. But if you have bitter jealousy and selfish ambition in your hearts, do not boast and be false to the truth. This wisdom is not such as comes down from above, but is earthly, unspiritual, devilish. For where jealousy and selfish ambition exist, there will be disorder and every vile practice. But the wisdom from above is first pure, then peaceable, gentle, open to reason, full of mercy and good fruits, without uncertainty or insincerity. And the harvest of righteousness is sown in peace by those who make peace.

■ **June 27, 2016 - Feast of Our Lady of Perpetual Help.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, the treasures of My Heart lie in wait of mankind's every need. There is no concern too small for My Motherly charge, nor any need too imposing. Do not hesitate to turn to Me during these times when so many decisions weigh upon the heart of the world."

"You cannot comprehend the evil which lies hidden in hearts. These evils come clothed in goodness and are readily accepted by so many. When you stand for God's Truth you are an open target. When you support and accept sin you find every doorway of opportunity in the world opens. Do not be devoted to the world, its pleasures or decadent moral standards. Remain close to Me through the Holy Rosary. When you pray the rosary I am beside you - praying with you. We must pray for the conversion of the heart of the world together."

■ **June 27, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with his Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I confide to you that I am using all your prayers and sacrifices that no one knows

about other than you and Me, towards the conversion of the heart of the world. This way I can deliver the heart of the world from the confusion of compromise and to the Light of Truth through Holy Love."

"Tonight, I'm extending to you My Blessing of Divine Love."

■ **June 28, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Most physical wounds heal, but wounds which rip apart the morals of a nation are difficult to recover from. Adding salt to these wounds is the mainstream media that promotes liberal thinking and those who believe in it. Is it any wonder that Holy Love, which supports the Commandments of Love, is sorely under attack?"

"The citizens of this nation are faced with a sobering decision in the upcoming presidential election. Either a liberal candidate can be chosen or a conservative. Those who fill leadership roles should be honest and truthful, as well as, transparent. They should not hold selfish ambition in their hearts. They must hold the welfare of their followers as their first priority. This welfare should be formed in Holy Love. They must see abortion as an evil."

"This is the medicine to pour on the wounded heart of the world. Without Holy Love in hearts, the wound will fester and destroy the world as you know it."

■ **June 29, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"This is the age of profound disorder. The heart of the world is afflicted with a virulent disease - that of acceptance of sin. This plague is claiming souls and is spreading at an alarming rate. If there was a vaccine for this disease, it would be adherence to the Commandments through Holy Love. The cure of this affliction is Holy Love. Yet, when I come to you as Refuge of Holy Love, the majority discount this Heavenly remedy."

"More and more souls are succumbing to this disease without noticing the symptoms. Every symptom is based upon self-love carried to the extreme. These symptoms are manifested in love of power, money, reputation, pleasure and every sort of debauchery. The soul barely takes notice of his distance from God - the Divine Physician. Graces are not

accepted or acted upon which would lead to a cure."

"So, I come once again to try and awaken the heart of the world as to its plight. If souls do not seek a healing, they will not receive it. God does not force His ways upon unwilling recipients."

"Do not be so complacent as not to recognize the spiritual disease that afflicts so many and is winning over the heart of the world."

■ **June 30, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"At this time, I am pulling together a group of lay women - single, widowed, divorced and married, to propagate Holy Love - in particular the Chaplet of the Unborn and the Rosary of the Unborn. They will be called the Sisterhood of Divine Love. As their logo, they can wear a pin made up of one bead of the Rosary of the Unborn. I will bless their efforts."

■ **June 30, 2016.** "I am your Jesus, born Incarnate."

"The only way a wound can be healed is if a remedy is applied. In the case of the heart of the world, which is very wounded, a remedy - Holy Love - cannot be applied unless the need is recognized. Therefore, you must see that Satan's greatest weapon is complacent rationalization - the attitude that everything is all right. Such an attitude counters My call to recognize evil for what it is and to combat it with good. You cannot oppose an enemy unless you first recognize him."

"Any disease must be diagnosed in order for a cure to be applied. This is why I come over and over, and send My Mother as well, to point out the need for a cure of this beleaguered heart of the world. Convoluted thinking has taken the form of religion and threatens the security of the world. Yet, Holy Love is under siege, instead of being grasped upon as the countersign to terrorism. People are not looking for a cure. It is as though they are attacking the symptoms of the disease - separate acts of terrorism - and not the disease itself - radical Islam."

"Once again, I ask all good to unite. Oppose the evil in the world together. Evil has united to oppose you. Do not wait for approvals. Be united in Holy Love. Set aside ambition and pride. Work together so that the heart of the world can recover from this life-threatening disease of complacent rationalization."

■ **July 1, 2016.** "I am your Jesus, born Incarnate."

"Evil must be fought first in hearts, then in the world - on battlefields, in politics and in mass media. Evil influences are all around you. They are often insidious and souls do not realize they are under attack. This is how evil has overtaken moral decisions and souls condone sin."

"If you do not use Holy Love as your standard-bearer, you will let the seriousness of your moment-by-moment decisions slip by. Once again, this

plague of complacency which has diseased the heart of the world is threatening the future of the world."

"Do not be fooled into believing that evil is confined to a certain part of the world or to a certain false religion. It is everywhere - hidden in hearts and seeping into actions. If you do not put God first and treat neighbor as self - you are part of that evil."

■ **July 1, 2016 / Friday Service - For the Conversion of the Heart of the World.** Our Lady

comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, I am using your every prayer and sacrifice as a means of withholding My Son's Arm of Justice. It grows heavy and eager to fall and to stop the sins in the world. Pray that I am able to hold back My Son's Justice even longer. You do not see what He sees or understand what He understands."

"Tonight, I'm blessing you with My Blessing of Holy Love."

■ **July 2, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus. Moment by moment My Son's Justice grows closer."

She has an hourglass in front of her.

"I come to move the heart of the world to repentance. It is easy to get caught up in the affairs of the day and to forget the urgency of these times. It is also easy to let your hearts be ruled by popular moral standards without affirmation according to God's Commandments."

"Every soul is called to follow the path of Holy Love, but few there are who take this seriously. You can only convert the heart of the world by first changing your own heart. Being an example of Holy Love in the world is the attitude of a truly consecrated heart and the way to convert others."

"The errors which rule the hearts of world leaders are the bad fruit of compromised Truth. The compromise of Truth leads boldly to the abuse of authority. This is why My Son's Heart is Mournful; for He sees the direct consequences of the attitudes, so contrary to Holy Love."

"I can only continue to forewarn you. But, unless you have a believing heart, My efforts will be of no avail."

"When the hour of great distress visits earth, I will be here for you - My arms outstretched, the Refuge of My Heart open. Call upon Me under two of My most favorite titles - 'Protectress of the Faith' and 'Refuge of Holy Love'."

There isn't much sand left in the hourglass as she leaves.

■ **July 3, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"It is the solemn responsibility of each soul to make of his heart a fertile dwelling place for Holy Love. Every virtue is based upon Holy Love. If Holy Love is shallow in the heart, every virtue will be shallow. It is up to each soul to weed out that which challenges Holy Love. This would be other affections of the heart such as love of appearance, popularity, some form of entertainment, power, wealth or

anything that brings status in the eyes of others. These are of no account when the soul stands before My Son in judgment."

"What does count - love of God and neighbor as self - is of no or little importance to those who remain devoted to the world. Take account therefore, of where your affections lie. Do not allow a zealous love of neighbor to become convoluted to the point where you embrace and encourage a sinful lifestyle. That is not love. Holy Love is prompt to correct sin."

"Allow Me to cultivate a beautiful rose in the garden of your heart - a rose of Holy Love."

■ **July 3, 2016 / First Sunday Family Night Service - For the Conversion of the Heart of the World.** St. Joseph is here and says: "Praise be to Jesus."

"I come once again to help fathers in their leadership role as head of the family."

"My brothers, you must take a firm position as to the difference between good and evil. If you can discern this properly you can pass this skill onto your children and they will become good leaders. This is how governments and leadership roles within the secular and religious world are made strong."

"Tonight, I'm imparting to you my Fatherly Blessing."

■ **July 4, 2016 - Independence Day.** The Blessed Virgin Mary says: "Praise be to Jesus."

"I am the Immaculate Conception, Patroness of your country. The future of this nation is dependent upon the ability of its citizens to discern good from evil. As it is, this is not important to the plans of many of your leaders. You have people running for office who are propelled by ambition and love of power. God's Will and His Commandments are the farthest thing from their minds. Honesty and transparency have taken flight from their hearts."

"This election will carry significant changes in its wake in terms of the choices of future Supreme Court Justices. Pro-life hangs in the balance. A liberal president will support a liberal Supreme Court. That would have everlasting effects on your nation and its place in God's Will and His Provision."

"Dear children, you must pray that evil is recognized for what it is and not regarded as acceptable or desirable."

■ **July 5, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Every wound eventually heals if it is exposed to air. In the course of life, it is so with errors of illicit behavior, as well. When they are exposed to public view, they are corrected and thereby healed. But this

can only happen if Truth wins out in hearts. In the political realm, lies are often used to cover the reality of agendas and behaviors, allowing deceit and error to continue."

"Jesus desires to heal your nation and the world. He desires to correct and heal errors in governments and within the Church. It is for this reason these apparitions and some others continue as a means of drawing hearts back into the Truth. When you pray, pray that the heart of the world opens to the reality of sin and evil. That is the first step to conversion. Then pray that every heart recognizes the error that he embraces himself. This is the second step to recovery."

"These are the prayers I offer everyday with all the angels and the saints."

■ **July 6, 2016.** "I am your Jesus, born Incarnate."

"I tell you solemnly, every injustice bears the consequence of separation from Me - from My Provision and My Mercy in this life or the next. Those who suffer injustice will be shown My tender Mercy and receive their reward on earth or in Heaven."

"Those given more responsibility in the world are required to treat such responsibility wisely and with respect - making all decisions with truthful transparency. Remember, nothing lies hidden from Me. I am the Just Judge. Each soul is given the grace to live in righteousness and Truth but he must choose it."

Read Wisdom 5:1-8

Synopsis: In justice, final judgment is applied most harshly to the wicked.

Then the righteous man will stand with great confidence in the presence of those who have afflicted him, and those who make light of his labors. When they see him, they will be shaken with dreadful fear, and they will be amazed at his unexpected salvation. They will speak to one another in repentance, and in anguish of spirit they will groan, and say, "This is the man whom we once held in derision and made a byword of reproach-we fools! We thought that his life was madness and that his end was without honor. Why has he been numbered among the sons of God? And why is his lot among the saints? So it was we who strayed from the way of Truth, and the light of righteousness did not shine on us, and the sun did not rise upon us. We took our fill of the paths of lawlessness and destruction, and we journeyed through trackless deserts, but the way

of the Lord we have not known. What has our arrogance profited us? And what good has our boasted wealth brought us?

Read Wisdom 6:1-11

Synopsis: Wisdom applies justice equally to all. Therefore, scrutiny demands the great and powerful be more accountable to righteousness than the small and weak.

Listen therefore, O kings, and understand; learn, O judges of the ends of the earth. Give ear, you that rule over multitudes, and boast of many nations. For your dominion was given you from the Lord, and your sovereignty from the Most High, who will search out your works and inquire into your plans. Because as servants of His Kingdom you did not rule rightly, nor keep the Law, nor walk according to the purpose of God, He will come upon you terribly and swiftly, because severe judgment falls on those in high places. For the lowliest man may be pardoned in mercy, but mighty men will be mightily tested. For the Lord of all will not stand in awe of any one, nor show deference to greatness; because He Himself made both small and great, and He takes thought for all alike. But a strict inquiry is in store for the mighty. To you then, O monarchs, my words are directed, that you may learn wisdom and not transgress. For they will be made holy who observe holy things in holiness, and those who have been taught them will find a defense. Therefore set your desire on my words; long for them, and you will be instructed.

Read Romans 1:32

Synopsis: Idolaters and unbelievers, who disregard the commandments and encourage others to do so, are unaware of their impending judgment to eternal death.

Though they know God's decree that those who do such things deserve to die, they not only do them but approve those who practice them.

■ **July 7, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Ever since Lucifer's fall from Heaven there has been evil in the world. It is important that souls realize this and pray to discern good from evil. Satan does not want you to recognize that there are good choices and evil choices out there. Evil

masquerades as opinions and political choices."

"Certainly you must, as Christians, realize that abortion is evil and that any politician who supports abortion is supporting evil. The evil one makes abortion appear as a right and not a sin. It is the same with homosexuality and same-sex marriage. These are choices between good and evil, not freedom or lack of freedom."

"I come to you to help you direct your free-will choices into alignment with the Will of God. This is the only course to peace and security in the world."

■ **July 8, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"The silent victims of abortion grieve My Heart very much. They are the victims of compromised Truth and abusive authority. They cannot defend themselves or speak for themselves. They will never have the opportunity to develop the talents and strengths God gave them. Many would have had vocations or great leadership capabilities."

"Today in the world there is much violence. This too is the bad fruit of the compromise of Truth and the abuse of authority. You must not seek to eradicate violence and terrorism in the world and ignore violence in the womb. Such a travesty carries grave consequences. The society that accepts one type of violence moves on to act violently to solve other problems. The gift of life is not respected at any stage."

"Mankind must make amends to God for his disregard for life at any stage - conception to natural death. Do not grieve My Beloved Son further by your arrogance. Make atonement to Our United Hearts."

■ **July 8, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, pray with Me that the Holy Spirit is able to inspire souls not to support politicians that are pro-abortion. The future of the world depends on this."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **July 9, 2016.** "I am your Jesus, born Incarnate."

"The greatest sorrow of My Heart is man's disregard for the Commandments. Even when I simplify these Commandments with these Messages of Holy Love, man pays no heed. He clothes his erroneous decisions in popular opinion and words such as tolerance and political correctness. I cannot choose right from wrong for anyone. All I can do is

point the way."

"This is why mankind must develop a keen awareness of good versus evil. Not to do so lends strength to evil."

"You see My Most Mournful Heart which suffers the arrows of the compromise of Truth and the abuse of authority. These are the hallmarks of this generation which rationalizes moral degeneration. Do not follow suit as so many do. Be courageous in finding the Truth and pursuing it."

■ **July 10, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, I invite you to see that what is in your heart in the present moment affects your future moments. If you have Holy Love in your heart in the present moment, it is most likely to meet you in the future moment. This is why I say, what is in your heart is then in the world around you."

"Hatred and violence do not spring up out of nowhere. They are nurtured in the heart and then borne out in the world. The future is never a blank slate, but is affected by every present moment. This is the reason it is so important not to nurture grudges or to hang onto unforgiveness. These things are then acted upon in some random future moment."

"A peaceful heart bears the fruit of a peaceful future. A heart caught up in turmoil, anger and hate bears such bad fruits in future moments."

"God, the Father, gives you every present moment. It is as though He is handing you the thread to weave the tapestry of your life. You can make of it unrelated knots or a beautiful design of God's Will in action. Every present moment is yours to design according to what is in your heart."

■ **July 11, 2016.** "I am your Jesus, born Incarnate."

"Whenever evil is exposed and identified it is a grace. The Light of Truth weakens any evil influence. Whatever lies hidden in the darkness works through deceit. Children of the Light are not afraid to recognize any influence which may stand in the way of deeper holiness and to oppose it."

"Never place yourself above the influence of Satan's tactics. This is an open invitation to his greater power in your life. Always be ready to reform any area of spiritual weakness with humility."

"Most in the world today do not recognize good versus evil. Therefore, Satan has free reign in their hearts and in the world around them. This is a chilling fact and influence on the heart of the world. It is no wonder sins have become political issues and candidates who support sin are considered for public office."

"You must never shrink from standing for the Truth. This is the way to expose and oppose evil. Be My instruments in the world."

■ **July 11, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, it is important that souls recognize good as opposed to evil. This is the key to the conversion of the heart of the world. Holy Love defines good and that is why I come to you so often with these Messages. Be united in your efforts to convert the heart of the world."

"Tonight, I'm extending to you My Blessing of Divine Love."

■ **July 12, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I come to you not just for some but for all - all people and all nations. As I have told you, nefarious, evil forces have united. They are promoting conflict, confusion and anarchy around the world. They are using the old wound of racism in this country to inspire violence. I have come to tell you race is of no account before God. It is not a reason to act out against one another. Peace matters."

"I am calling all religious leaders to unite in an effort to correct the heart of the world. The conscience of the world has grown dim as to the difference between good and evil. Rationalization has taken over sound moral judgment. God's Commandments are no longer a consideration. Holy Love defines good. Base your thoughts, words and deeds upon the love of God above all else and your neighbor as self. This is the way to climb out of moral decadence."

"Religious leaders must take up this common cause. Do not look at your differences. Be united in this good and Truth."

■ **July 13, 2016 - Feast of Rosa Mystica.** Our Lady comes as Rosa Mystica. She says: "Praise be to Jesus."

"I tell you once again solemnly, if good does not unite with good, evil forces will continue to gain ground - both in hearts and in the world. You can see this happening all around you in politics, anarchy, and forms of violence and terrorism. Satan's plan is to destroy the world as you know it. He is using every form of technology to his advantage. You have the power to stop him through unity in prayer. Use your rosaries as your weapon of choice."

"Unite to help people to recognize evil and to

choose good through love of God and neighbor. Use Holy Love as your standard of good and Truth. Do not allow any compromise in Holy Love to weaken your resolve to always choose good over evil."

"I am calling on you to unite in the Truth. These are times of great confusion when many of My children no longer recognize good or evil. In the effort of good, you must uncover Satan's deceit. I, your Heavenly Mother, will help you."

■ **July 14, 2016.** I (Maureen) see a Great Flame that I have come to know as the Heart of God the Father. He says: "I Am the Eternal Now. I have come to correct the heart of the world. You, oh man of earth, try My Patience and tempt My Justice. You continue to slay the life I give you in the womb. You summarily transgress My Commandments. You choose licentious lifestyles labeling these sins as legal rights."

"I am calling upon all people and all nations to take heed of the direction they are following. You are not paying heed as to what is right and what is wrong in My Eyes. You do not care what is good and what is evil. You are obedient only to your own free will and your own desires. The farther away you get from My Will the closer you are to My Justice."

"I offer you the way back to My Divine Will through Holy Love. Choose to love Me above all else and your neighbor as yourself. Then spread this solution to earth's woes to all people and all nations. Do not confine your effort to one denomination, race or creed. The conscience of the world is formed of each soul. Unite in an all-embracing effort to bring the heart of the world out of the abyss of moral decay and into the Light of Truth."

"The evils of the day test your ability to step away from popular amoral choices and to embrace My Divine Will and love for you. Choose wisely. I am watching and hoping for your wisdom."

■ **July 14, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"It is the hour of grave decision for your nation and for the world. Good must conform with good and not be bullied into submission with evil. Invisible lines between differences in ways of worship, denominations and labels must not be the deciding factor in making these Messages known. These are the times when people do not recognize good or evil and therefore, do not decide according to God's Law of Holy Love, but according to what pleases them."

"You must be united in one consolidated effort to expose evil and those who support and promote evil. Do not allow your government or politicians to decide

moral issues for you. Man cannot change God's Commandments to suit himself. Return to the moral standard of Holy Love."

"All of what I am saying to you should be shouted from the pulpits of the world and expounded upon by every religious leader. Your leadership, for the most part, is failing you."

"Help Me to change the heart of the world without waiting for the support of leaders, many of whom enjoy their position but fail to lead spiritually."

"Many souls do not see the direction in which they are headed. If you are a spiritual leader, make every effort to unite with other spiritual leaders in this effort to change the heart of the world."

■ **July 15, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"It is impossible to make peace with those who do not desire peace. In righteousness you must defend innocent lives. If you wait for each new act of terrorism to react, you are once again treating the symptoms - not the disease. There is a center of operations that oversees radical Islamic terrorism. It must be eradicated in order to save countless lives."

"Pretending that terrorism is not a problem is not the solution. Cordially inviting thousands of refugees into this country is reckless, to say the least. The security of the world is being jeopardized in the name of humanitarianism."

"It takes a strong and honest leader to deal with the reality of this threat. Presently, your country does not have one. I am waiting for religious leaders to take a stand on this issue. This is not the time to placate or accommodate poor leadership. Church hierarchy must not remain silent but support every effort to combat the evils of terrorism. That is how you lead. Not as idle observers. Be bold in applying the Gospel message to this very desperate situation."

"You do not live in these times for no reason or for your own reasons. Each one is here by God's Will to do His Will."

Read Luke 3:9

Even now the axe is laid to the root of the trees; every tree therefore that does not bear good fruit is cut down and thrown into the fire.

■ **July 15, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, let My coming to you once again this evening be a sign of the urgency of

these times. You must pray for peace in the heart of the world through Holy Love."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **July 16, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"There is so much unrest in the world because there is so much unrest in hearts. Souls are focused on satisfying self and not on pleasing God. All that you have: reputation, wealth, modern technology even your health, is of no avail to you unless you ultimately use it to please God. It is God's Will that provides and oversees your every attribute."

"Unselfishness gains you much in God's Eyes and He is most generous with those who use what they have to help others. He steps back however, from those who seek only their own gain."

"Even those who hold evil goals in their hearts are still My children and God's children. There is hope in praying for such as these. Hope that their convoluted thinking will be corrected and their hearts converted. If there was no hope, I would not continue to come to you and ask for prayers for the conversion of the heart of the world."

"Your peace and security lies in always choosing good over evil."

■ **July 17, 2016.** Our Lady comes as Mary, Refuge of Holy Love. There is a map of the U.S. floating in front of Her. She says: "Praise be to Jesus. I am here today to address the heart of your nation which grows more and more arrogant in its decisions against God's Holy and Divine Will."

"Your nation is on the precipice about to choose either good or evil in this upcoming presidential election. The abyss before you is your departure from God's Laws which protect life in the womb, honesty in the reality of Truth and God's Commandments. To choose any candidate contrary to these maxims will plunge your nation deep into the abyss of moral decadence. You, as a nation will be unable to recover. Such choices will call upon God's Justice."

"The heart of your nation has little time to wake up to the reality of Truth as to the path some are eager to lead her upon. Will you follow the errors of man or the Will of God? Do not for a minute think that the accommodation of sin is your passport to success and salvation. Do not pander favor by supporting those who think so."

"I am here today to awaken the heart of your nation to the Truth of political errors and unprecedented ambition based upon evil. There is

no Truth that can justify sin. The heart of your nation needs to step out of its cocoon of confusion and allow its conscience to be transformed as a butterfly in God's Will which is Holy Love."

■ **July 17, 2016.** Our Lady comes as Rosa Mystica. She says: "Praise be to Jesus."

"Please pray that St. Michael lends his power to the angels of all those who are coming into Cleveland for the convention. Pray that the guardian angels of those who come dissuade hearts from any evil."

■ **July 18, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Because righteousness has eroded in hearts you now have violence, terror and anarchy in your streets. Revoking the right to bear arms is not the solution. I have come with the solution, which is Holy Love."

"These days, people grab ahold of any cause as a reason to act out. There are always those who vehemently make causes out of race and religion. Good people are being ambushed and martyred as victims of hatred in hearts. Killing policemen who work to physically protect everyone opens the door to greater anarchy and violence. There are those behind the scenes encouraging this as a means of collapsing this government. A weakened America would cooperate more readily with the One World Order. That is the goal of those funding these demonstrations and riots."

"Do not be distracted by non-issues such as global warming. Once again I ask you to pray for the conversion of the heart of the world. Hope is in the Victory of Truth in every conscience."

■ **July 18, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I have returned to remind you that you will not have peace in the world until you have peace in the womb. Peoples and nations are methodically being led away from the Truth of the difference between good and evil. Confusion supports any cause readily."

■ **July 18, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I ask with love that each of you redefines your goals in life and forms them into victories of Holy Love. This is the way to the Victory of Truth."

"Tonight, I'm blessing you with My Blessing of

Divine Love."

■ **July 19, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"My daughter, recall the first time I appeared to you when the 50 Hail Mary beads changed into the shapes of the 50 states.* Now, more than ever, is the time when I need rosaries for your country. The citizens of this nation must recognize the Truth. Domestic terrorism is a reality. To pretend, as your president does, that it is not - does not make it disappear. Refusing to name the instigator, Radical Islam, does not change or conquer the enemy."

"I warned you that if hearts did not change, God would be forced to lift his Hand of Protection. My call to you is to live and propagate Holy Love which is the archenemy of every thought or action which promotes terrorism. Many will need to physically defend themselves against random acts of violence."

"In a year when you are choosing a president, choose the one who lives in the Truth. The future of your nation depends upon it. Do not allow politics to cloud the reality of the Truth. You need a strong leader - not just a politician, which is what you have now. The more rosaries you give Me for your country the greater the chances of the Victory of Truth."

* *Reference to Message of July 13, 1997.*

■ **July 20, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, I wish to describe to you the qualifications of a good presidential candidate - a candidate deserving of your support."

"Such a candidate is committed to supporting life from conception to natural death. He or she does not use the destruction of life in the womb as a means of garnering political favor."

"A good candidate is one who is transparent - holding no secret hidden agendas in the heart, such as weakening the United States so the nation is more open to the One World Order. Truthfulness bears the fruit of transparency. Therefore, one who depends upon lies to protect self is not a good candidate."

"A good candidate holds the safety and welfare of the citizenry first and foremost in the heart. Therefore, allowing open borders or thousands of refugees from terror-based nations to enter the country would not be a consideration."

"A good candidate lives by and supports the Commandments of God, working always to fulfill God's Will through Holy Love."

"You should not try to redefine your Christian morals to fit any certain candidate. The candidate

needs to fit his goals into the righteousness of Holy Love - defining Holy Love according to these terms I have given you."

■ **July 21, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"These days, people do not recognize the difference between good and evil. Moreover, they do not look for the difference. In this country, you have an upcoming presidential election. This is not politics as usual. I caution you. It is a choice between good and evil. If you study the candidates and their backgrounds with the winnowing fan of Holy Love, the choice Heaven supports should be clear."

"Your country cannot continue to be pulled apart at the seams. It needs to be mended - not by means of accepting everyone's point of view, but by supporting good and rejecting evil. If your choices support the popularity of evil, your nation will never recover."

"It is the hour when good must unite with good in order for Truth to be victorious. Otherwise, evil is emboldened and strengthened. Set egos aside and unite for the welfare of the whole nation. Division weakens. Unity strengthens. As I have told you before, evil forces are strong as they are united. Those who stand for good, must do no less."

■ **July 22, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"The inability to distinguish good as apart from evil has weakened the heart of your nation and the heart of the world. This is why power is given over to the wrong people and sin is lauded as acceptable."

"In this nation, the spirit of those who sit on the Supreme Court sets the tone for the spirit of the country. If the court is liberal, the Constitution will not be upheld. These liberal positions could be set in place for decades, as the Justices are set in place for decades. Therefore, the flavor of sound spirituality would not rebound. You must consider this as you choose your next president."

"This inability to discern good from evil is a spirit which pervades governments, court systems, religious communities and most often begins in families. It is why sin is discouraged from being exposed from the pulpit. It is this spirit that inspires terrorism and random acts of violence. The angels are frustrated by this spirit."

"Pray for the increase of power in the hands of all the angels."

■ **July 22, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is

here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite each one of you to pray that your angels powerfully inspire you as to what is good and what is evil. Thus helping you in your every decision."

"Tonight, I'm imparting to you My Blessing of Divine Love."

■ **July 23, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, as this upcoming election is so important to the future of your country and the salvation of souls, I am requesting that every night at the rosary you add the intention of the election of good over evil."

"Please comprehend that this is no ordinary election, but one that will impact the morals and the security of your nation. Political ambition and lies must not mask this. Whom you elect will be given the privilege of selecting more Supreme Court Justices, who, in turn, will set the moral standards and the strength of your Constitution in place. Security policies must be a consideration in your choice. Do you value the borders of your nation or do you desire to recklessly allow anyone into your midst without regard for their intentions?"

"This is not the hour in the history of man to carelessly accept sin and everyone of questionable value in the name of false charity. In the Name of Love, understand how important it is to confront evil and to embrace Truth. False promises beget false security. It is most important therefore, to choose a candidate who lives in the Truth and is not enamored with self, ambition and power. Do not choose a politician, but a leader."

"I can only advise and warn you. I pray for your wisdom, as Election Day draws near."

Read Ephesians 6:10-17

Synopsis - St. Paul's Armor of God prayer for Christian spiritual warfare in battling against the forces of moral evil.

Finally, be strong in the Lord and in the strength of His Might. Put on the whole armor of God, that you may be able to stand against the wiles of the devil. For we are not contending against flesh and blood, but against the principalities, against the powers, against the world rulers of this present darkness, against the spiritual hosts of wickedness in the heavenly places. Therefore take the whole armor of God, that you may be

able to withstand in the evil day, and having done all, to stand. Stand therefore, having girded your loins with Truth, and having put on the breastplate of righteousness, and having shod your feet with the equipment of the gospel of peace; above all taking the shield of faith, with which you can quench all the flaming darts of the evil one. And take the helmet of salvation, and the sword of the Spirit, which is the Word of God.

■ **July 24, 2016.** Our Lady comes as Our Lady of Grace. She says: "Praise be to Jesus."

"Untold graces are now being poured into the heart of this nation to help souls to see the Truth of the consequences of their choices in the upcoming election. You, My children, must pray that souls respond to these graces and have the wisdom to see the Truth. This grace is sent to help souls to see past empty rhetoric and dangerous goals."

"Your nation needs to once again become a strong leader and example of Truth to other nations. Continued and increased support of abortion places a cloud of confusion over the conscience of your country. Betrayal to your ally Israel further jeopardizes your own national security. You are aiding your enemies and betraying your allies. Where is the outcry on behalf of justice?"

"Weakening this country only strengthens your enemies. You cannot appease evil and still be righteous. Good and evil cannot unite as one without compromise. Your choices will become more clear if you pray for the grace to recognize the Truth."

Read 2 Thessalonians 2:9-12

Synopsis: Prior to Our Lord's Second Coming, by the aid of Satan, the Antichrist will be revealed and will perform acts which men will falsely regard as miracles and by means of which they will be led to follow him who will be proclaimed as the Christ for they have not received the love of the Truth. They will thus adopt sinful practices and erroneous doctrines that will lead to their perdition.

The coming of the lawless one by the activity of Satan will be with all power and with pretended signs and wonders, and with all wicked deception for those who are to perish, because they refused to love the Truth and so be saved. Therefore God sends upon them a strong delusion, to make them believe what is false, so that all may be condemned who did not believe the Truth but had pleasure in unrighteousness.

■ **July 25, 2016.** "I am your Jesus, born Incarnate."

"I tell you in all Truth, that not to oppose evil is to enable it. So it is with such things as abortion and same-sex marriage. To know about these things and do nothing is an evil in itself. Most can do only one thing in opposition, and that is to pray against these sins. This is not a weak opposition, but has the power to defeat the laws that condone them."

"Your nation and every nation is weaker for having legally supported sin instead of God's Commandments. Do not look upon the catastrophes of this age as normal. I refer to lack of leadership, economic situations, terrorism, and natural catastrophes. Mankind is engineering and designing these situations and events himself, by virtue of lack of respect for God."

"Not to choose is to choose. If you choose not to oppose evil, you choose to condone it. Pray, pray, pray."

■ **July 25, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with his Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the sign of a good candidate is that he or she supports life in the womb. The opposite is evil - to support abortion. Please pray that all people and all nations receive the grace to discern good from evil."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **July 26, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Confide your heart to Holy Love and you will be living in the Divine Will of God. Then all paths will be made clear to you. You will be able to discern good from evil. Confusion will be lifted from your heart."

"Holy Love is the school of righteousness. Holy Love orchestrates your salvation."

"Outside of Holy Love you cannot enter the Kingdom of Heaven, for no one enters who does not love God above all else and neighbor as self. The heart that does not abide in Holy Love slips easily into every type of sin, licentiousness and debauchery. Such a heart is easily misled for he cannot distinguish good from evil."

"You can most readily see that it is lack of Holy Love in hearts which is leading the world astray through faulty and weak leadership, and in some cases, no leadership at all. I am giving you the cure for earth's woes through these Messages. You must accept it."

■ **July 27, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I will visit the Field of Our United Hearts at midnight dawning on the Feast of My Holy Rosary. I will extend to all present My Blessing of Holy Love. On the Feast Day (Oct 7th), I will appear to you (Maureen) and give a Message to the world which awaits in agony the outcome of the upcoming presidential election. I need your rosaries. Please make the sacrifice of coming."

■ **July 27, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"If your home was on fire and under siege by enemy armies, would it do you any good to ignore the danger and not identify the enemy? In essence that is what many in your country, including your president, are doing in not recognizing Radical Islam as a threat. Isis is at war with Christianity and all those opposed to their extremist beliefs. Therefore, we must be at war with them. Not to recognize this, leaves us defenseless and most vulnerable."

"Refusing to acknowledge the Truth of the enemy's existence does not render him less powerful. In fact, such a cavalier attitude towards imminent danger, empowers the enemy. The leaders of this country must live in the Truth. Disregard for the reality of the Truth does not change it or fool the wise."

"Not living in the Truth of the danger of Isis is a powerful weapon in Satan's hands."

■ **July 28, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Never before has your nation been so polarized politically. This is the result of opposing moral standards. On the one hand, you have the attitude that there is no accountability for untruth and deception. This carries over to the support of abortion. Opposing these viewpoints and attitudes are those who support the Truth and Christian moral standards thus opposing abortion."

"The future of your nation for generations to come is at stake. Do not allow Satan to carry away your rights and freedoms by electing one who offers no solutions to the nation's problems. You cannot continue to place your faith and trust in someone devoted to power and self-importance and has no concern for the most vulnerable of the citizenry - the unborn."

"Each one of you has the grave responsibility of praying that right wins out in this election."

■ **July 29, 2016.** Our Lady comes as Mary, Refuge

of Holy Love. She says: "Praise be to Jesus."

"I have come to help you understand, My children, that trust becomes a pawn in the hands of the insincere. Do not place your trust in anyone whose actions do not reflect their words. Such a one is undeserving of your confidence."

"It is very easy to say or to promise anything, but the Truth can only be found in the fulfillment of each word or promise. Those in public life mirror their past history of actions."

"Do not therefore, place your confidence in mere words, but in the actions which should reflect Holy Love."

■ **July 29, 2016.** "I am your Jesus, born Incarnate."

"The tenure of My Grace reaches from generation to generation. Thus, I challenge the heart of the world to please God first - not man. While you pander to those who choose evil, souls are slipping to their perdition. I give you the grace to redirect the goals of the heart of the world."

■ **July 29, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, if you accept whatever the Father sends you at any given moment, then you are living in Holy Love. I can use this surrender to correct the heart of the world."

"Tonight, I am blessing you with My Blessing of Divine Love."

■ **July 30, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, come into the Refuge of My Heart where I will endorse your best efforts with My Grace. Then you will easily see the path Jesus is calling you upon. Apart from grace, the way ahead remains obscure. You do not clearly see the obstacles placed in your way. Your choices are very often not God's choices and confusion becomes a way of life."

"Lack of response to grace leads the soul into complacency. Complacency is fueled by the inability to discern good from evil. This is the spirit which prevails over the heart of the world. It is a grace that helps you to realize this and to pray against it."

"If you are listening to these Messages, you have the responsibility to pray for avenues to propagate them. Grace will enlighten you."

■ **July 31, 2016.** St. John Vianney, Curé d'Ars and Patron of Priests says: "Praise be to Jesus."

"I have come once again to address all Bishops."

My brothers in Christ, to you has been given the yoke of leadership. Draw your flock under the wing of righteousness. Do not seek to be popular first or to gain money above all else. Your flock will increase if you teach sound doctrine. You will have sufficient funds if you trust first and foremost in God's Provision. You must stand for the Truth and oppose compromise and confusion."

"These days, people long for structure, although they do not realize it. You, dear brothers, are in a position to give guidelines and principles which have been long-standing and Church approved. Do not try to redefine sin or Church doctrine to suit the people. Rather, try to recommit hearts which are compromised to the Truth."

"People look to you for sound leadership. Unfortunately, this trust in title and authority is not always warranted. Jesus placed you in the position you're in to bring conformity to the Truths of the Faith. Are you leading in this way or not?"

Read 1 Peter 5:2-4

Synopsis: Encouragement to shepherds of the Church (priests and bishops) to tend their flocks in the pattern of the Chief Shepherd (Jesus) - not dominating over others by constraint of obedience or for self-gain but by being examples of servanthood.

Tend the flock of God that is your charge, not by constraint but willingly, not for shameful gain but eagerly, not as domineering over those in your charge but being examples to the flock. And when the chief Shepherd is manifested you will obtain the unfading crown of glory.

■ **July 31, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Many errors in judgment are about to surface. Some will be beneficial to the heart of the world - others not. To those who persevere in personal holiness, many graces will be given, and all that hinders them will be overcome."

Our Lady, Our Lord and many saints and angels appear on the property at Maranatha Spring and Shrine. The Messages given to the visionary, Maureen Sweeney-Kyle, lead the soul on a spiritual journey into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

FEAST OF THE MOST HOLY ROSARY – October 7, 2016

Midnight Gathering on October 6th – AND – Promised Apparition on October 7th

"I will visit the Field of Our United Hearts at midnight dawning on the Feast of My Holy Rosary. I will extend to all present My Blessing of Holy Love. On the Feast Day (Oct 7th), I will appear to you (Maureen) and give a Message to the world which awaits in agony the outcome of the upcoming presidential election. I need your rosaries. Please make the sacrifice of coming." (Mary, Refuge of Holy Love – July 27, 2016)

■ **August 1, 2016.** Our Lady comes as Queen of Heaven and Earth - seated on a throne. She says: "Praise be to Jesus. God has an eternal plan for the world. It is the victory of His Truth in all hearts through the direction of Holy Love. It is then all grace, God's Mercy and Love would abound in each heart."

"Just as God has a plan, Satan has a plan for the world, as well, which is diametrically opposed to the Victory of God's Truth. Satan seeks to destroy the Truth and in this way promote false moral values in the world. His success depends upon people's desire to redefine

good to suit their own wishes. In the world arena today, you have many leaders poised to achieve Satan's goals. You have only to look at the legalization of such sins as abortion and same-sex marriage to realize this."

"The world becomes weaker as the acceptance of sin becomes stronger. The more Satan tempts the heart of the world with his lies, the greater the abyss between Heaven and earth."

"It is becoming more and more apparent that Heavenly intervention, such as the one here, are not welcomed by those who seek their own will. God allows

confusion to take over hearts according to the choices man makes."

"Pray for Satan's master plan to fall to ruin. This can only happen through the realization and acceptance of Truth."

Read 1 Timothy 2:1-4

First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all men, for kings and all who are in high positions, that we may lead a quiet and peaceable life, godly and respectful in every way. This is good, and it is acceptable in the sight of God our Savior, who desires all men to be saved and to come to the knowledge of the Truth.

■ **August 1, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I come to you as always to bring light into the world through these Messages of Holy and Divine Love. You must be the light to others by dispelling foggyiness around hearts that are in confusion. These Messages are clear and should bring light to the confused."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **August 2, 2016.** St. Francis of Assisi says: "Praise be to Jesus."

"Always remain childlike, simple and unassuming. I have come today to speak to you about Purgatory, since today is the day of the indulgence of Portiuncula."

"Purgatory is different for every soul. The soul may commit the same sin as another and yet his Purgatory may be completely different according to his propensity to serve self or God. The one who slips into sin without remorse and does not repent until his deathbed suffers greatly in the flames of Purgatory. The one who is weak in sin, but tries to overcome his faults suffers less."

"There are many in the world today who love their own opinions above and beyond what is good and what is evil. They do not recognize Satan's influence over them. These are the ones who suffer gravely their separation from Divine Love in Purgatory."

"Be renewed in this indulgence today so that you will be innocent in the Eyes of God. Try to avoid Purgatory at all costs in an effort to always please God first and foremost."

■ **August 3, 2016.** "I am your Jesus, born Incarnate."

"When your nation accepted and legalized abortion it lost its innocence. It is then mankind based his decisions upon man's opinions rather than God's Will. The Hand of My Father withdrew its protection and Truth set sail on the sea of compromise, blown along by the wind of confusion."

■ **August 3, 2016.** St. Thomas Aquinas says: "Praise be

to Jesus."

"In order for people to accept the Truth, they must also accept the untruth. It is difficult, at times, to recognize that people of stature can be so corrupt and dishonest. This is why it is important to match actions with words. If a person does not speak the Truth, such a one's actions will not reflect what is proclaimed."

"Leaders should first and foremost defend the rights and well-being of their constituency. If they are consumed primarily for their own power and authority, they will make any type of compromise to protect themselves and their position. This is ruthlessness - not honesty. This type of ruthless ambition jeopardizes the general well-being of those they lead."

"Therefore, it is important to look for Truth and to support those dedicated to defending it. Do not follow blindly, but consider the ramifications of following someone who is dishonest. Pray for proper discernment before you commit."

■ **August 4, 2016.** A priest comes in black and white. He says: "I am St. Dominic. Praise be to Jesus."

"I tell you solemnly, the world will never be the same after the clandestine deal your president made with Iran. He has empowered evil with a large sum of money to free hostages. I will say what Heaven has been saying all along. You cannot negotiate with evil. Your country will experience widespread terrorism in the future - the bad fruits of this unprecedented evil negotiation. This president never hesitates to break the law by stepping around Congress. He supports those who do not criticize his actions. You must not!"

"Pray the rosary as a means of combating the evil course your president enthusiastically follows."

■ **August 4, 2016 / Feast of St. John Vianney, Curé d'Ars and Patron of Priests.** St. John Vianney, Curé d'Ars and Patron of Priests says: "Praise be to Jesus." (St. John Vianney is dressed like he is in his statue.)

"Please understand that these days the priesthood has, for the most part, been given over to rationalization. Priests spend their vocation on pleasing man first and foremost ahead of God. There are those within the priesthood who serve evil purposes, though they be clothed in goodness. Some never had a vocation. There are some good and dedicated priests that too often are persecuted through the envy of those around them. It is often difficult for a sincere lay person to find a priest of sound moral teaching - one of Traditional Faith."

"If I were on earth today, I would exhaust myself again hearing the confessions of the confused and compromised. As a priest, I always put the conversion of souls ahead of any personal need of my own. How many priests today can say the same? How many place popularity, money and power ahead of the salvation of souls? Bishops need to be Bishops - fatherly leaders - not dictators. Every vocation needs to be grounded on the Truths of the Faith. If this were true, the Church would offer the peace and security as in days past. People

would not have to search for and reinvent their own false peace."

■ **August 5, 2016 - Blessed Mother's Birthday.** Our Lady comes as Queen of Heaven and Earth, all in white with sparkling lights around Her. She says: "Praise be to Jesus." I (Maureen) wish Her "Happy Birthday." She nods. She says: "I celebrate those who live in the Will of God. I come once again to urge the general populace to make choices which support the Will of God. In any election, it is your responsibility as children of God to choose candidates reflective of God's Will. This is not always the one with the most power or money. It is always one who lives in the Truth."

"Do not allow mass media to decide for you. Too often this same media presents a tainted picture of good and an untruthful picture of evil. It is in this way, souls are led by confusion into making choices contrary to God's Will. The far-reaching effects of your choices in this presidential election could turn your Supreme Court over to liberalism - thus forecasting a grim future for this nation. In your choice for president, you are also choosing the future of your Supreme Court and of your nation."

"Your nation cannot stand in support of terrorist regimes and still survive as a free country. There are many ways to support a nation. One way is to ignore their progress towards developing weapons of mass destruction. Another way is to offer monetary support to such an effort. Supporting a terrorist regime, such as in Iran, is costly both in resources and national security."

"I can only offer My guidance and urge you to make the right choices. I pray for your wisdom to see God's Will."

■ **August 5, 2016 - Blessed Mother's Birthday / Friday Service - For the Conversion of the Heart of the World.** Blessed Mother is here as Mary, Refuge of Holy Love and is dressed all in white. She says: "Praise be to Jesus."

"My dear little children, thank you for praying with Me this evening, My Birthday in the world. You are My joy, and your gift to Me is your many rosaries prayed faithfully daily, your belief in these apparitions and the Messages. Please help Me to pray for the ones who were once in the Refuge of My Immaculate Heart but left in search of a more liberal lifestyle."

"Tonight, I'm blessing you with My Blessing of Holy Love."

■ **August 6, 2016 - Feast of the Transfiguration.** "I am your Jesus, born Incarnate."

"This has become an age of extremes. You experience extreme weather patterns, unprecedented violence, and diverse political opinions. Decadent moral behavior is condoned by law and life in the womb is no longer sacred but a choice."

"If I were transfigured before the heart of the world today, only some would believe. Others would try to reason it away and still others would claim such an event as evil. It is no different at this hallowed site. A handful

believe. Many try to reason it away as human. Still others regard this Heavenly intervention as evil. All the graces given here prove only belief is called for. There is no other possible, substantial explanation."

"Do not fear believing as my apostles did when My Passion unfolded. In good times and in bad, and in the face of every extreme, call upon the graces you have been granted here."

■ **August 7, 2016 - Feast Day of God The Father.** I (Maureen) see a Great Flame as I enter my prayer room that I have come to know as the Heart of God the Father. His Voice says: "I am the Lord of all, the Eternal Now. I am the Creator of all things great and minuscule. I create each life at conception. I create each conscience and the free will each conscience is clothed in. My Dominion is over all of earth - from the depth of the sea to the heights of the greatest mountains. I am He who perpetuates your very existence, yet with all My Majesty and Power I respect the free will I have given every soul. I do not interfere."

"Today, I touch earth once again through this messenger. I remind humanity of the Laws I gave so many centuries ago - the Ten Commandments. You cannot improve upon perfection. Obey My Commandments."

"All of earth - all of mankind cries out for peace and balance. This will not come to you unless you obey My Commandments. When you take life in the womb or support those who do so, the blood is on your hands. You perpetuate the cycle of evil."

"Accept the grace of My speaking here today as a loving Father. Move towards My Bosom of Love - not away from it. I am prepared to share great things with you if you choose to obey My Commandments."

■ **August 7, 2016 / First Sunday Family Night Service - For the Conversion of the Heart of the World.** St. Joseph is here and says: "Praise be to Jesus."

"I tell you solemnly, that every vocation, be it the single life, married or religious, is under attack these days. You must sanctify your vocations by practicing Holy Love in the present moment. This keeps you under the mantle of the Ten Commandments."

"Tonight, I'm passing to you my Fatherly Blessing."

■ **August 8, 2016.** Our Lady comes as Queen of Heaven and Earth. She says: "Praise be to Jesus. I am here, your Queen of Heaven and Earth, ready to traverse every path ahead of you by your side. This is the season of momentous decisions - decisions which will change the future - decisions which will save or condemn souls. Every grace is being poured out of My Immaculate Heart now - grace to reveal Truth and untruth. Remember each grace is like a rose, which in its beauty is also adorned with thorns. The sweet fragrance of the rose cannot be appreciated without careful attention to the thorns. So it is with each grace. You may reap great benefits, but at the same time experience distress. This, too, is God's

Will, which is perfect in every way."

"Everything in and surrounding this Mission concerns the welfare and salvation of souls. This is also true of the political atmosphere in your country, although people do not see it as such. Make certain those whom you vote for do not support abortion. Otherwise, you are supporting evil."

"Your responsibility is to God first. Then many graces will be forthcoming. This is true with every decision in the Ministry and in your country."

■ **August 8, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, allow the Holy Spirit, the Spirit of Truth, to take over your hearts and give you Wisdom - Wisdom that will help you to choose good over evil in every situation."

"Tonight, I'm imparting to you My Blessing of Divine Love."

■ **August 9, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I tell you solemnly, there are nefarious efforts working behind the scenes in this political season - efforts to hide in darkness the Truth and to put forth false agendas. As the results of this presidential election will have world-wide effects, many are working to manipulate the final outcome."

"The formation of the One World Order - Satan's goal - awaits in the wings. This goal cannot be realized unless the United States is brought to its knees economically and militarily. It is only then she would consider alliance with the New World Order. You must further realize that this uni-government is the threshold for the Antichrist. Do not be naive. Be informed."

"Look closely at your choices. Which candidate promises to strengthen America economically and strengthen her military? This is the side of good. The evil choice is the one who supports abortion, more taxes and continued diminution of the military."

Read 2 Thessalonians 2:9-1

The coming of the lawless one by the activity of Satan will be with all power and with pretended signs and wonders, and with all wicked deception for those who are to perish, because they refused to love the Truth and so be saved. Therefore God sends upon them a strong delusion, to make them believe what is false, so that all may be condemned who did not believe the Truth but had pleasure in unrighteousness.

■ **August 10, 2016.** "I am your Jesus, born Incarnate."

"This Mission needs to be the anchor of Tradition that shores up the faithful, as decisions become more and more clouded and depart from the Truth. When people do not know which way to turn or what to believe, we will be

here as a firm bastion of Faith."

"I tell you this, as it is so important that all realize the necessity of remaining a strong beacon of Truth amidst the uproar of uncertainty in the world today. All people and all nations deserve these Messages, as they are an opportunity of grace."

"Satan is obscuring the very existence of Truth causing good to appear as evil. This Mission is in place and will remain in place as a refuge against Satan's lies. Do not be concerned with labels the world pronounces against this Mission or your political stands. Only concern yourself with pleasing the Divine Will of My Father."

■ **August 11, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"As I have stated before, there is a covertness afoot in this presidential election. There is an ongoing plan to weaken your nation morally, economically and militarily. Once so weakened, it would be easy prey for the One World Order, which is Satan's agenda."

"Please realize the importance of what I am telling you. Your Supreme Court holds the key to the future of your country. As they rule on moral issues - abortion, same-sex marriage - so follows the moral tone of your country. Then the abyss between the heart of your nation and the Divine Heart of God either widens or narrows. When you vote for president you are also voting for the Supreme Court Justices he or she will appoint."

"The next president needs to be trustworthy and honest. You do not realize now, the grim circumstances that will unfold worldwide in the coming years. You need a leader, not just another politician. This is not about power or money, but about the protection of life and the general welfare of humanity."

"The United States needs to resume its role as leader and make an effort to secure its borders. There is no social justice in deliberately exposing the citizens of this country to more terrorism by recklessly inviting possible terrorists to come here. Your next president must lead with the safety and well-being of the citizens in this nation first and foremost in mind."

"This and all I have spoken of are easily possible if the standard of Holy Love forms the foundation of your government. Holy Love is the embrace of the Ten Commandments. Return to this reality and your choices will be clear."

■ **August 12, 2016.** St. Thomas Aquinas says: "Praise be to Jesus."

"The dichotomy between good and evil is now being defined by liberal and conservative political viewpoints in this nation. Satan is trying to conceal this from the average voter."

"The ones who do not look for the difference between good and evil are the ones most easily tricked into supporting evil. Never before have you had such diverse choices for so high an office."

■ **August 12, 2016.** Mary, Refuge of Holy Love says:

"Praise be to Jesus"

"I hold hope in My Heart that this country will not fall prey to the spell of deceit Satan attempts to place over hearts. As a nation under God, you must not allow gender or the elite to temper your decisions."

"Pay attention to the way each candidate leads you. Is it closer to God and His Commandments or farther away? If leadership does not embrace life in the womb he or she does not deserve your support."

"Your rosaries against abortion are helping to break the cycle of evil which is trying to settle upon this country. Do not allow Satan to discourage you in this regard."

"There are agendas in hearts which would put boundaries on your freedoms and erase your national boundaries. Too much power in the wrong hands would accomplish this."

"Pray for wisdom and courage. I desire you have these graces."

■ **August 12, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I never weary listening to your prayers towards the victory of good over evil. Your prayers are helping. Do not be discouraged in any way by news broadcasts or media reports in general. Every prayer can change situations and so be brave and courageous in your efforts."

"Tonight, I'm Blessing you with My Blessing of Divine Love."

■ **August 13, 2016.** "I am your Jesus, born Incarnate."

"Today, I invite you to consider a beautiful flower and a weed growing side-by-side in the garden. They both draw upon the same nutrients from the soil. They both receive the same amount of sunshine and are watered with the same amount of rain. Yet, when all is said and done, one enhances the environment with its beauty. The other is useless and must be plucked and discarded."

"So it is with souls. Two souls may receive the same information, the same encouragement in the Truth, the same choices. However, in the end, one may bear good fruit all around him, while the other supports untruth and choices detrimental to society."

"The soul which is like the flower takes its beauty wherever it goes and carries with it the fragrance of love. The soul that is like the weed tries to multiply its errors all around him through misinformation and untruth."

"The difference in these two is the way in which positive gifts are used. The flower uses what it is given to produce beauty. The weed uses all it is given to no good purpose. It is the same with souls. Two souls may receive the same encouragement and grace. One soul uses all it is given to further God's Kingdom. The other, however, uses his choices to tear down and put asunder God's Kingdom."

"Your choices as to Truth or untruth chart the purpose of your life."

■ **August 14, 2016 - Feast of St. Maximilian Kolbe.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Sometimes whole countries are willing to compromise Truth for the sake of compromised leadership. The most extreme example would be Nazi Germany. Your country is not following such an evil path as that. However, time is proving out that millions are willing to overlook grave errors in judgment - even lying - to support someone unqualified in leadership. This is the shadow of deceit Satan places over hearts."

"The Saint whom you honor today (Maximilian Kolbe) offered his life when he witnessed the injustice of those who follow deceived leadership. In this current struggle for leadership, people are not paying heed to who has what solution or who supports which issue. If morals were sound as they should be, abortion would not be an issue and would not influence your political point of view. However, today people choose according to their own opinions and not to please God."

"Once again, I come to awaken you as to the path you consider following as a nation. Do not support corruption or allow corruption to rule you. A good leader is honest and open. He hides nothing. He is not ambitious for ambition's sake, but ambitious for the welfare of his followers."

"Weigh, in light of this, your choices."

■ **August 15, 2016 - Feast of the Assumption.** Our Lady comes as Mary, Refuge of Holy Love. She is all in white. There seems to be a blue background behind Her. She says: "Praise be to Jesus. I was assumed into Heaven on the Wings of Love. I transcend time and space to be with you today. You do not comprehend the confusion I find in hearts as I visit you today. Satan's hallmark is confusion. He succeeds in hearts which have not chosen to define good as opposed to evil. It is this weakness that allows Satan safe entry into hearts."

"The heart of the world is being won over by evil due to the sins of complacency and rationalization. These sins are encouraged by the spirits they represent. We must pray against these spirits which are influencing evil choices in the world of politics, economics and morals. Too often social justice is the scapegoat of immoral and evil decisions. Those of you who recognize this are fast becoming unpopular and in the minority."

"Do not be discouraged. Satan fears your resolve in praying for his defeat. He tries to distract you from prayer and he is very clever at this."

"Today, I encourage you to persevere. When all seems the most hopeless, your prayers are the strongest. I am supporting you in every way possible. I am your Holy Refuge."

■ **August 15, 2016 - Feast of Our Lady's Assumption / Monday Service - For the Conversion of the Heart of the World.** Blessed Mother is here in brilliant white and has sparkling lights all around Her. She says: "Praise be to Jesus."

"Dear children, I have come from Heaven to tell you

how much I cherish and depend upon your smallest sacrifice and prayer. I am using these to defeat the evils that threaten your country and other nations in the world. Do not be discouraged, continue to pray.

"I'm blessing you with My Blessing of Holy Love."

■ **August 16, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"The Truth is very often unpopular as it does not support personal agendas, reputation or conceal what many desire to be unknown. For these self-seeking reasons, the Truth is usually under attack. It is important to note who is attacking the Truth and why."

"Love of money is a great motivator in opposing the Truth. So many souls have been lost for the sake of monetary gain and the power it garners. Too often leaders seek the protection of dishonesty as a cover for their illicit deeds."

"Dear children, you must be careful not to accept everyone at face value. There is so much duplicity in the public eye these days. You are not judging if you try to evaluate a person's sincerity. You are being cautious."

■ **August 17, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Solemnly, I tell you, the heart of the world is like a barren desert. Where the Word of God cannot take root and flourish. As on a desert there is an occasional oasis offering peace and refreshment. That is what this Mission is - an oasis that replenishes the soul with Truth."

"Once the soul leaves this oasis, it behooves him to hang onto the refreshment he received while here. This is often difficult to do amidst the drought of spirituality in the world today and the compromise of Truth so widely accepted. The soul finds he can receive the same revitalization through reading these Messages and taking them to heart. It is like a canteen of water he can carry with him."

"This may appear simplistic, but it reinforces what I have been telling you all along. The heart of the world has become spiritually barren as mankind seeks his own solutions apart from God. This apparition and ongoing Messages are the Heavenly intervention each soul needs. Is it possible to pass by an oasis without noticing it? It is if others tell you it is only a mirage. Here is where My Heavenly invitation comes into play. I invite you - one and all - to come and see that this oasis of Truth - this Mission - is real."

■ **August 18, 2016.** "I am your Jesus, born Incarnate."

"A conversion of heart can only take place when there is a cooperation between free will and grace. The heart of the world is held stubborn, for it has become too self-reliant and tries to find solutions to problems without Heavenly intervention. Therefore, before change in the conscience of the world can occur, events must unfold that bring the heart of the world to the realization that it needs My help. These events have already been set in motion, but because of complacency and rationalization they go

undetected."

"While the world concerns itself with global warming, a far greater crisis is taking place. It is the coldness of hearts to the Truth. Every effort is made by mainstream media and leaders both secular and religious to reinvent the Truth of moral conduct. Corruption has taken the driver's seat. Those who try to identify corruption are discounted. Sin is touted as a legal right. Those who oppose such actions do not find their voices made heard."

"All of this moral degeneration and compromise of Truth takes its toll on My Most Mournful Heart. Fast approaching is the hour of recompense. In the natural world, you witness one disaster after another. Yet, these are trivial signs of My Justice."

"If mankind cannot sort out good from evil soon, he will have it manifest before him in events, corrupt leadership and greater persecution of good."

"Pray that evil influences begin to decrease. Pray that evil is no longer supported as acceptable in governments and as a way of life by mainstream media. Pray that evil is recognized."

Read Jonah 3

Then the word of the Lord came to Jonah the second time, saying, "Arise, go to Nineveh, that great city, and proclaim to it the message that I tell you." So Jonah arose and went to Nineveh, according to the word of the Lord. Now Nineveh was an exceedingly great city, three days' journey in breadth. Jonah began to go into the city, going a day's journey. And he cried, "Yet forty days, and Nineveh shall be overthrown!" And the people of Nineveh believed God; they proclaimed a fast, and put on sackcloth, from the greatest of them to the least of them. Then tidings reached the king of Nineveh, and he arose from his throne, removed his robe, and covered himself with sackcloth, and sat in ashes. And he made proclamation and published through Nineveh, "By the decree of the king and his nobles: Let neither man nor beast, herd nor flock, taste anything; let them not feed, or drink water, but let man and beast be covered with sackcloth, and let them cry mightily to God; yea, let every one turn from his evil way and from the violence which is in his hands. Who knows, God may yet repent and turn from his fierce anger, so that we perish not?" When God saw what they did, how they turned from their evil way, God repented of the evil which He had said He would do to them; and He did not do it.

■ **August 19, 2016.** "I am your Jesus, born Incarnate."

"The future of your country and of the world depends upon what is in the heart of man. It has always been so, but never more apparent than it is today. This is why it is so important that mankind distinguishes between good and evil. Opinions are the choice between good and evil. So it is true that many opinions are of the nature which cause the soul to slip to perdition. Therefore, establish your opinions - be they political, spiritual or otherwise -

upon the Truth of Holy Love."

■ **August 19, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I tell you, a trustful prayer is the most powerful prayer. A prayer based upon worry is a prayer amidst much distraction. The way to trust is to accept any possible outcome of your prayer petition ahead of time, leaving all consequences to God's Divine Provision."

"The Eternal Father knows best your needs and the ramifications of His granting your prayer or choosing a different outcome. He knows which graces to send through My Heart to help you accept His answer. He sees the ways Satan tries to discourage your prayers and He helps you to circumvent every distraction."

"Pray for holy boldness which gives you the courage to pray for anything and at any time. This holy boldness is the vehicle of many great works and many small victories."

■ **August 19, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, once again I come to you tonight to ask you, with loving hearts, to have hope that your prayers will be answered. Hope bears the fruit of trust. Trust that I am helping you, praying with you for your intentions. Every prayer counts."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **August 20, 2016.** "I am your Jesus, born Incarnate."

"Solemnly, I tell you, it is the love of power and money which instigates evil against this Mission, all Truth and righteousness. These motives are in the background, as certain leaders and dynamics of world events transpire. Issues are used merely as distractions from the evil agendas of those who seek control."

"Nothing in the public eye remains a small issue anymore, but plays into the bigger picture of the uni-government. Transparency is only genuine in the conservative camp. The liberals feign transparency. A tangle of foreboding events looms over the world. I warn you, that all unity is not good. I call you into unity in the Truth. Truth recognizes human life at the moment of conception. Recognition of this one basic Truth would free the world of the veil of deceit Satan has placed over so many hearts and so many issues."

"You have the collusion of mainstream media and those who would prosper from certain evil collaborations and leadership. This remains for the most part hidden, but now is becoming more and more bold. It is those who collaborate, who plot the takeover of this nation through control of the Supreme Court. Then they could set the course away from the Commandments and to even greater weakness of this nation's position in the world. Take heed of what I am saying to you today."

■ **August 20, 201.** St. Michael comes as though dressed for battle. He says: "Praise be to Jesus."

"I tell you the greatest danger today is what lies hidden in hearts - the desire to destroy nations, ideologies and freedoms. These goals are no longer confined just to certain hearts of certain leaders, but are now being played out in the world. Choose the leaders carefully that you mean to follow. A telling sign of their unworthiness is their disregard for the Truth."

■ **August 21, 2016 - Feast of Our Lady of Knock.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I am happy to be here today on the day which commemorates My Apparition at Knock. That apparition lasted a short time on one day. This apparition is ongoing, as a means of supporting and protecting the Remnant Faithful during this crisis of faith which perpetuates. If you do not have a strong faith, My children, you are vulnerable to any attack and the veil of deceit Satan has placed over the heart of the world. You do not see the subtle ways the enemy uses modern-day technology, political issues and even well-intended efforts to weave his confusion into hearts."

"Even those once consecrated to My Immaculate Heart have now failed Me. I find My solace in the Remnant whose faith is not shaken by the state of the heart of the world. I am calling you to understand these times in which you live. Build up your prayer lives as armor against Satan's subtleties. Every weakness is a portal for his entry."

"The hour is now at hand when many will have to choose liberal versus conservative. This is why it is so important that you identify evil as opposed to good. Evil does not respect religious borders or vocations. Evil does not stop or back away from any prestigious title. In fact, these are all incentives for the enemy to redouble his efforts. Therefore, pray for all Church hierarchy, priests and all vocations."

"I am praying with you."

Read 2 Corinthians 4:1-5

Therefore, having this ministry by the mercy of God, we do not lose heart. We have renounced disgraceful, underhanded ways; we refuse to practice cunning or to tamper with God's Word, but by the open statement of the Truth we would commend ourselves to every man's conscience in the sight of God. And even if our gospel is veiled, it is veiled only to those who are perishing. In their case the god of this world has blinded the minds of the unbelievers, to keep them from seeing the Light of the Gospel of the glory of Christ, who is the likeness of God. For what we preach is not ourselves, but Jesus Christ as Lord, with ourselves as your servants for Jesus' sake.

■ **August 21, 2016 - Feast of Our Lady of Knock.** Our Lady, Mary, Refuge of Holy Love, comes in white. She is holding the Rosary of the States (50 Hail Mary beads in

the shape of the 50 states of the United States). She smiles and says: "Praise be to Jesus."

"On October 7th, I will return to My much beloved Field (of the United Hearts) to celebrate the Feast of the Holy Rosary. Present to Me the gift of your hearts wrapped in the many rosaries you have been praying for this country. These are desperate times. Many do not realize the grave urgency of prayer for this nation. The outcome of the upcoming presidential election will have worldwide influence. Souls are at stake. Lives are at stake."

"Dear children, you are engaged in war - spiritual and physical war. Your weapon is this." She holds up the Rosary of the States. Then it changes into the Rosary of the Unborn. "Pray for an end to abortion which is Satan's weapon of mass destruction."

■ **August 22, 2016 - Feast of the Queenship of Mary.** Our Lady, Mary, Refuge of Holy Love, comes in white with many glittering lights around Her. She says: "Praise be to Jesus."

"God orders all things mightily. Free will, however, is allowed its own reign. So it is, you have this present-day situation. Opinions form around untruths and lead many to their perdition. Good and evil have lost their identity along with many nations. Social Justice is convoluted into an instrument that enables the One World Order in the name of good."

"People have lost sight of their true freedom - freedom from Satan's influence through obedience to God's Commandments. Satan has now infiltrated the government, the judicial system and the Church. Yet, when I come to redirect, correct and offer you Holy Love, I am met with skepticism. Dear children, you will never be free or at peace again, so long as you follow Satan's lead."

"The upheavals in the Middle East hold no promise of resolution. This country will have an ongoing involvement in that area of the world. Little pockets of faith will flourish and carry the Truths of the Faith into the upcoming generations, but many will be fooled by new concepts."

"Keep your hearts united to Our United Hearts. Herein lies the Truth. I will never abandon you."

Read 2 Timothy 4:1-5

I charge you in the presence of God and of Christ Jesus who is to judge the living and the dead, and by His appearing and His Kingdom: preach the Word, be urgent in season and out of season, convince, rebuke, and exhort, be unfailing in patience and in teaching. For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own likings, and will turn away from listening to the Truth and wander into myths. As for you, always be steady, endure suffering, do the work of an evangelist, fulfill your ministry.

■ **August 22, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here

with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please accept My Mother's Invitation to enter the Refuge of Her Immaculate Heart, Refuge of Holy Love. You do not see the perils of dangers all around you. I sent Her to you out of Divine Love."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **August 23, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Solemnly, I tell you, the soul who does not search for the Truth is most vulnerable to being misled by lies. These days you must not depend upon position of influence or authority to always give you the Truth. Do not be naive. There is so much self-interest in your leaders these days. These political attitudes have taken over the hearts of many leaders - secular and religious."

"The facts are often misrepresented to serve self and not the welfare of the people they are supposed to be leading in Truth. Do not think Jesus holds you to blind obedience. Once again, it is not who you obey but what you obey that counts. Far better to be led and obedient to Truth itself than an ambitious man. Make certain your choices are supported by facts."

"Money and power inspire and support lies. Do not be fooled."

■ **August 24, 2016.** Blessed Mother comes as Our Lady of Grace with Her foot on the serpent.

"I have come to describe to you Satan's plans and how he has charted his course to step into the position as Antichrist - ruling the world. He has certain high-seated instruments in the world. It is their job to destroy national identity and to erase national borders in the name of charitable unity. Your nation would never surrender to a One World Order or a One World Leader unless this was first accomplished. This is why the entire concept of 'nations without borders' is evil and plays into Satan's hands."

"You must maintain your national pride and identity. Remember, decades ago, Hitler used the same tactic of destroying national pride in his Satanic takeover of nations. Do not be tricked into believing this type of unity is of God. Be united in the Truth, not in a uni-government which serves Satan's agenda."

"The evil one will come in the name of peace, but he will destroy peace and security which comes from God alone. While evil promotes concern for the environment, he promotes the destruction of trust and dependency on God - Creator of the Universe. He tries to take on God's Identity by controlling the creation of life in the womb and encouraging science to try to create life in the laboratory."

"Guard the freedoms which God has given you - then ask My assistance in protecting the faith in your heart. Everything about the One World Order encourages dependency on man - not God."

"The Lord will maintain small pockets of Traditional Faith who will encourage Faith in the world through My

Intercession. These are the ones who will encourage and generate hope in the midst of manipulated hopelessness. In these last days, let the Remnant Faithful be the sign to you of Christ's return."

Read Daniel 11:32-33

He shall seduce with flattery those who violate the covenant; but the people who know their God shall stand firm and take action. And those among the people who are wise shall make many understand, though they shall fall by sword and flame, by captivity and plunder, for some days.

■ **August 25, 2016.** St. John Vianney, Curé d'Ars and Patron of Priests says: "Praise be to Jesus."

"I spent my whole vocation on revealing evil and encouraging good. I have come to tell you that good cannot be victorious in hearts and in the world unless good unites in an all-out effort against evil. So long as Satan can divide those who live in the Truth, he will be strong and the good will be weakened."

"Souls need to look for common ground in the battle against evil. Do not attack or criticize each other. Attack the evil that threatens world peace. The ones who thumb their nose at the law and do not hold themselves accountable to the law deserve criticism. It is warranted. They are the enemy."

"You cannot win any war unless you confine your efforts to defeating your enemy. Take heed."

■ **August 25, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"The person who lives in the Truth lives according to unadulterated facts. He does not base his opinions upon the compromise of Truth to accommodate the redefinition of sin, moral values or honesty. He does not allow his opinions to be swayed to suit hidden agendas founded on ambition or self-interests."

"The Truth is unchanging. Hearts who choose Truth must be unchanging as well."

■ **August 26, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"There is a movement afoot in this election that presents a skewed view of the serious issues at hand. This cartel of power stands ready to step in and take power, if their candidate succeeds. Such actions would definitely lead away from democracy and freedom as you now know it. It would not be the candidate in charge, but this cartel of power whose hidden agendas would destroy your nation, moving it towards cooperation with the One World Order."

"All of this lies hidden beneath the surface of unaccountability. Do not be fooled to believe domestic terrorism is not an issue or that Radical Islam is not a threat. Do not believe in open borders or in being a 'safe haven' for hordes of refugees. Do not think a weakened military or a mounting economic crisis do not matter. Step

away from complacency and pay attention to where you are being led."

"Hang onto your national identity. Do not be concerned with false issues - such as global warming - promoted to distract you and to unite the world under one ruler - the Antichrist."

"What is plotted in the hiddenness of hearts is the greatest threat today. This is why it is not safe to allow open borders or, in a sense of charity, allow thousands into your country. This is why I came to you today to reveal the existence of a cartel of power hidden behind one candidate."

"Take heed."

■ **August 26, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when you pray, pray with courageous hope in your hearts. Have faith that prayer can change anything. Do not think of the worst outcome, but think of the best when you are praying. I am with you in any event."

"Tonight, I am blessing you with My Blessing of Divine Love."

■ **August 27, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"The cartel of power behind certain candidates and the New World Order is international. If they are allowed their way by merit of free-will choices, you will not have democracy in your nation again. Your Supreme Court determines the path your country will take in terms of morals and freedoms. However, your next president will be given the privilege of appointing new members - majority members - who will choose the future of your nation. Therefore, realize you are voting not just for president, but for the soul of the Supreme Court."

"Compromised Truth is the heart of the One World Order. Abuse of authority is the soulmate of compromised Truth. If people do not hold themselves accountable to the Truth, how can they be accountable to the populace of a whole nation?"

"I have come to lay bare the facts so that you will not be tricked into obedience to an international power. It is past time for your nation to resume its leadership in the world."

Read Romans 16:17-18

I appeal to you, brethren, to take note of those who create dissensions and difficulties, in opposition to the doctrine which you have been taught; avoid them. For such persons do not serve our Lord Christ, but their own appetites, and by fair and flattering words they deceive the hearts of the simple-minded.

(Sketched by Maureen-Sweeney Kyle)

■ **August 28, 2016.** "I am your Jesus, born Incarnate."

"I will tell you the basic reason for lack of adequate and appropriate leadership in this nation, all nations and the Church. It is peoples' inability and disinterest in distinguishing good from evil. Never before has this sin been so prevalent as it is in the world today. This generation has reached new heights in disregard for My Father's Will and His Commandments."

"Those whose solemn duty it is to lead spiritually would rather remain silent than offend anyone. You would have sound political leadership, if it were not for the crime of abortion, which has taken the lives of so many who would have risen to stable leadership."

"You would automatically know which leaders deserve your support if Holy Love was alive and well in your hearts. You would not be tricked by false agendas and guile. But so many have chosen the path of least resistance. They choose to accept the compromise of Truth and the abuse of authority. They rationalize evil and redefine good."

"Here when Heaven attempts to intervene, it is misrepresented by weak leadership and misunderstood. The good fruits of this Mission continue, as they are from Heaven. No amount of calumny will change that. I continually call people into the bosom of these Messages, which nurture strong personal holiness through Holy Love. Do not be discouraged for any reason from coming closer to Me in Holy Love. It is I, your Jesus, Who calls you."

■ **August 29, 2016.** Our Lady comes as Queen of Heaven and Earth. She says: "Praise be to Jesus."

"In My Role as Queen of Heaven and Earth, I oversee all of the world - its problems, dangers and victories. There are some situations which continue unchanging. Your country will never be able to withdraw troops completely from the Middle East and will be there until the bitter end. Terrorism will continue, as it goes uncorrected within hearts. Evil will promote countries without borders, all under the guise of Social Justice. The perpetuation of the crime of abortion will call upon greater Justice from the Hand of God. His Mercy cries out for Justice. You will experience grave natural disasters around the world. It is already beginning. Those who are spiritually-wise can

connect the woes of the world with the woes of the unborn in the womb. Most cannot. The hatred that is hidden in hearts will take over current events around the world - the horror of which is yet untold."

"Mankind will be so weakened by his dependency on himself, that he will of necessity turn to God. A Victory of My Immaculate Heart will come as a universal awakening of man's state before God and his need of repentance. It is then man will know he can turn to Me - His Heavenly Mother - in his desire to come closer to My Son. Until then I lean upon you, My Remnant Faithful - to teach and to encourage those around you."

■ **August 29, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, Heaven's need for your prayers intensifies with every passing moment. These are serious times that require your serious efforts. One more 'Hail Mary' can save a life, change world politics, stop a war. Continue to pray, pray, pray."

"I'm blessing you with My Blessing of Divine Love."

■ **August 30, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"There are many victories of My Immaculate Heart, the greatest of which is when My Son returns and casts Satan into Hell. However, before that Great Day, the victory of good over evil in each heart is a triumph I cherish. Of course, a great victory would be the illumination of the heart of the world as to where each soul stands before God. The establishment of this Ministry amidst hostile territory was a tremendous triumph. I cherish the good influence this Ministry has in a spiritually-compromised area. Spirituality turns sterile when it is controlled by anyone. The rosaries said here are staying the Hand of God's Justice. The rosaries discouraged from being prayed here call upon God's Justice."

"You are never far from sharing in My next victory. When you pray for the welfare of all people and all nations, in some soul a great difference is accomplished - the victory of good over evil. I share each victory with you, My children, through the golden chain of the rosary - My instrument of victory in hearts."

■ **August 31, 2016.** St. Thomas Aquinas says: "Praise be to Jesus."

"You cannot change a dishonest person into an honest person unless he seeks out the Truth. Sadly, today most accept whatever is given to them as the Truth without searching for the facts. The reality of this complacency is you have dishonest governments, leaders in Church and in the world spotlight, and in general, many unworthy of your trust. Pray for those who are not honest in their leadership roles. Their souls are in jeopardy."

"This complacency in accepting dishonest leadership threatens the future of the world. Now, more than ever before, it is possible for Satan to influence whole countries

and entire religions into cooperating with his plans. Terrorism is spreading as never before despite your president's claims that it is weakening. His dishonesty does not alter the Truth. In fact, it emboldens the enemy and threatens the security of the whole world. World politics are charging towards a One World Order which is the format for the reign of the Antichrist. Satan's intelligence and power far outweigh that of man, but mankind has the power of the grace of God when he is living in the Truth. Grace is what will prove victorious."

"Jesus does not hold you to obedience to authority that is dishonest. He does not want you to reinforce lies. Ask the Holy Spirit - the Spirit of Truth - to help you to find the reality of the facts before you lend support to anyone or make decisions."

Read Romans 2:6-8

For He will render to every man according to his works: to those who by patience in well-doing seek for glory and honor and immortality, He will give eternal life; but for those who are factious and do not obey the Truth, but obey wickedness, there will be wrath and fury.

■ **August 31, 2016.** The Curé d'Ars (St. John Vianney, the Patron of Priests) comes looking somber. I (Maureen) asked him what he had to say to the people today. He said: "Praise be to Jesus. If I were in the world today, I would remind the people that Satan is real - sin is real. I would tell them that the Heart of Jesus is Mournful due to the compromise of Truth and the abuse of authority. I would tell them under no circumstances should they support those guilty of these crimes - not for the sake of placating or accommodating or political correctness."

"People must seek to please God first - not themselves or each other. Take what I am saying to heart."

"You have people in the spotlight these days already found guilty in God's Eyes of these crimes."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

September 2016

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints and angels appear on the property at Maranatha Spring and Shrine. The Messages given to the visionary, Maureen Sweeney-Kyle, lead the soul on a spiritual journey into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

■ **September 1, 2016.** "I am your Jesus, born Incarnate."

"As a nation, you must have more wisdom than to trust everyone who comes across your borders all in the name of charity. This type of social justice is just foolishness in these times when hearts hold so many evil agendas. You cannot ferret out who holds evil in his heart by appearances or even by asking questions. It is well-documented that Truth is not a priority in many hearts - especially evil hearts."

"Those with evil intentions have already infiltrated this country. Do not strengthen their ranks by inviting more in. A safe hospice can and should be established in the country of origin these people come from. I have said this before. This would answer the call to charity for the oppressed and for the citizens of this country whose security is threatened by mass immigration."

"Do not allow your borders to continue to be breached under the influence of mainstream media. Those in leadership roles have the responsibility to respect the welfare of the citizens they are supposed to be leading. However, today the agenda is the weakening of this nation and the establishment of the One World Order. That is why individual rights and lives do not matter in the political scheme of things."

"Do not allow your rights to be tread under the foot of the power cartel already in play. Wake-up to the Truth! Set aside complacency!"

Read Wisdom 6:1-11

Synopsis: Wisdom applies justice equally to all. Therefore, scrutiny demands the great and powerful be more accountable to righteousness than the small and weak.

Listen therefore, O kings, and understand; learn, O judges of the ends of the earth. Give ear, you that rule over multitudes, and boast of many nations. For your dominion was given you from the Lord, and your sovereignty from the Most High, who will search out your works and inquire into your plans. Because as servants of His Kingdom you did not rule rightly, nor keep the Law, nor walk according to the purpose of God, He will come upon you terribly and swiftly, because severe judgment falls on those in high places. For the lowliest man may be pardoned in mercy, but mighty men will be mightily tested. For the Lord of all will not stand in awe of any one, nor show deference to greatness; because He Himself made both small and great, and He takes thought for all alike. But a strict inquiry is in store for the mighty. To you then, O monarchs, My Words are directed, that you may learn wisdom and not transgress. For they will be made holy who observe holy things in holiness, and those who have been taught them will find a defense.

Therefore set your desire on My Words; long for them, and you will be instructed.

■ **September 2, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I tell you, the conscience of the world cannot be corrected until the citizens of the world repent of their false values and their inability to distinguish right from wrong. Until then, every plan which man pursues to bring peace and prosperity to the world will remain bogged down in error. Success is realized when God's Blessing is placed upon any idea, plan or negotiation."

"I come to this property to help mankind realize that Holy Love dresses the heart in God's Will which is always His Divine Plan. Holy Love prospers the heart in good, as opposed to evil."

"The fact that values have become skewed as man tries to please himself, allows him to accept evil goals rather than God's goals. The One World Order is such a goal. There are leaders in your midst attempting to promote social chaos as a means of promoting a uni-government. Remain faithful to the Truth, as I am revealing these things to you. Do not surrender your freedoms or your national identity under any circumstances. God has given you freedoms that ambitious leaders are now trying to take away. Pray to recognize the Truth."

■ **September 3, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Your nation must maintain its sovereignty. The position of world leader must not be surrendered to a New World Order. There is no such thing as leading from behind. This nation must be a powerful influence for positive moral standards, beginning with the protection of life in the womb, so that other nations can take heed and follow suit."

"Rarely has one nation been given the influence to redirect the path of world governments. This will all be lost, however, if you choose leaders who are controlled by the international power cartel. National identity must be the treasure you cling to - otherwise this nation, like so many others, will be swallowed up by this cartel and ushered into the New World Order."

"The money behind this power cartel has taken over many lives, governments and hearts of world leaders. It is being used to weaken good and to promote evil. You must look at policies and actions - not just listen to words or follow influential names. Be wise in your decisions. Be 'One Nation under God' as God intends you to be."

■ **September 4, 2016.** Our Lady comes as Our Lady of Grace. She says: "Praise be to Jesus."

"Dear children, do not squander My Messages to you during these most troublesome of times. Many of

you cannot find your way in the darkness without the light of My words. I come to you out of concern for your welfare. If mankind continues to make choices contrary to God's Commandments, he will have untold miseries to contend with. As it is, My Son's Arm of Justice grows heavier in every present moment."

"With Holy Love in your hearts, look for ways to please Jesus. He will match your smallest efforts with grace. Never support the compromise of Truth or the abuse of authority. These two sins are pulling the heart of the world farther and farther away from the Heart of My Son. Much will be taken away from the world as a result of these sins, which go unchecked in hearts. Leaders will suffer much and Divine Protection will be withdrawn. Ill-inspired agendas will capture leaders in the most difficult situations. Some will fall to ruin."

"I am warning you of the danger of evil choices - choices which abandon the Divine Will. In some instances, these choices have already been made. Some remain in the offing. Satan is trying to misrepresent his evil and redefine the good choices. Therefore, pray for the wisdom to choose according to God's Plan."

■ **September 4, 2016 / First Sunday Family Night Service - For the Conversion of the Heart of the World.** St. Joseph is here and says: "Praise be to Jesus."

"It is the solemn duty of parents as their children grow in age to teach them the responsibility of respecting life in the womb. It is in this way when they are older, they will be pro-life citizens. Otherwise, it is very difficult to convert their way of thinking."

"Tonight, I'm imparting to you my Fatherly Blessing."

■ **September 5, 2016.** "I am your Jesus, born Incarnate."

"The confines of My Heart have opened to all humanity here at this Ministry. I invite all to enter through My Mother's Heart, which calls souls to repentance. This generation is remiss in soul-searching and is more self-satisfied than any generation past. I invite you to return to the ways of righteousness by allowing Holy Love to convict your hearts of any wrongdoing."

"Do not be afraid to recognize even the smallest fault, for this is the way to be strengthened. So it is in the world, as well. Before nations can come closer to My Father's Will, they must first realize the ways they have departed from His Will."

"If a soul or a nation cannot recognize the doorway the enemy uses to enter, he cannot stop his aggression. This is how wickedness wins out."

"I wish to establish a covenant of Holy Love with all people and all nations, thereby igniting a Flame of My

■ **September 6, 2016.** "I am your Jesus, born Incarnate."

"If I could show humanity the door to pass through to avoid future tragedies, I would show him the door to My Mother's Heart which is Holy Love. As it is, mankind is complacent in his choices and is not interested in change. He sees no error in his ways and does not consider the consequences before God as to his choices. This is all spawned by his inability to distinguish good from evil or to even care about this."

"But I continue to come here seeking to strengthen the Remnant Faithful both in numbers and in spiritual well-being. Holy Love sorts through the confusion of the day and helps the soul to choose good over evil. I desire spiritual leaders believe in My efforts here and define sin as sin. If they do not, they do not lead but confuse. Spiritual leaders should be parental in their advice to their flock - not condemning but lovingly correcting. What a difference that would make!"

Read 1 Peter 5:2-4

Synopsis: Encouragement to shepherds of the Church (priests and bishops) to tend their flocks in the pattern of the Chief Shepherd (Jesus) - not dominating over others by constraint of obedience or for self-gain but by being examples of servanthood.

Tend the flock of God that is your charge, not by constraint but willingly, not for shameful gain but eagerly, not as domineering over those in your charge but being examples to the flock. And when the chief Shepherd is manifested you will obtain the unfading crown of glory.

■ **September 7, 2016.** "I am your Jesus, born Incarnate."

"Of these times it has been written and prophesized that mankind would be deceived by false doctrine. That the weak in faith would follow false teachers and teachings that suited their passions. You, My children, must not be deceived but live in the Truth of Tradition. No other path leads to Heaven."

"Remember the signs of the times and the luring away of those whose lives have been consecrated to Me as little children of the Truth. Do not be tricked by eloquence or challenged by the confusion of the day. Do not allow title or influence to change your perception of the Truth. Truth does not change."

"Hold steadfast in the Tradition of Faith you have been taught."

Read Ephesians 4:11-16

Synopsis: Diversity of Gifts are from the One Holy Spirit.

And His gifts were that some should be apostles, some prophets, some evangelists, some pastors and teachers, for the equipment of the saints, for the work of ministry, for building up the body of Christ, until we all attain to the unity of the faith and of the knowledge of the Son of God, to mature manhood, to the measure of the stature of the fullness of Christ; so that we may no longer be children, tossed to and fro and carried about with every wind of doctrine, by the cunning of men, by their craftiness in deceitful wiles. Rather, speaking the Truth in love, we are to grow up in every way into Him who is the head, into Christ, from Whom the whole body, joined and knit together by every joint with which it is supplied, when each part is working properly, makes bodily growth and upbuilds itself in love.

■ **September 8, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I tell you solemnly, God's Justice cannot be politically influenced. Divine Justice stands unadulterated by secret agendas or ambition. His Scale of Justice carries righteousness as defined by Holy Love on one side and man's departure from His Laws on the other. God cannot be illogically pressured into unearned exoneration. The only thing that lessens His Justice is a repentant heart. Please note as in the days of Jonah.*

"God's Mercy will never spurn a repentant heart. In His Justice, He never shows favoritism towards one sinner over another. Today, you have in the world many grave miscarriages of justice. Some are in the prominent public eye. This is not of God and bespeaks of dishonesty, hidden agendas and the abuse of power."

"Justice is carried out by God in accordance with obedience to His Commandments. He is not swayed by politics, money or power. This is the type of justice mankind must imitate."

*** Read Jonah 3:1-10**

Synopsis: As Jonah had 'made known' God's impending Justice if the people of Nineveh did not repent, turn away from their evil ways and depend upon God's Provision; so also, the heart of the world will be 'made known' through passing through the Purifying Flame of the Immaculate Heart of Mary, (also known as the Illumination of Conscience), and through unfolding events highlighting God's

Dominion and Provision over mankind, the need to convert and turn back to God through Lenten-like practices of prayer, fasting and penance. The enactment of God's Justice or His Mercy depends on mankind's free-will response.

Then the word of the Lord came to Jonah the second time, saying, "Arise, go to Nineveh, that great city, and proclaim to it the Message that I tell you." So Jonah arose and went to Nineveh, according to the Word of the Lord. Now Nineveh was an exceedingly great city, three days' journey in breadth. Jonah began to go into the city, going a day's journey. And he cried, "Yet forty days, and Nineveh shall be overthrown!" And the people of Nineveh believed God; they proclaimed a fast, and put on sackcloth, from the greatest of them to the least of them. Then tidings reached the king of Nineveh, and he arose from his throne, removed his robe, and covered himself with sackcloth, and sat in ashes. And he made proclamation and published through Nineveh, "By the decree of the king and his nobles: Let neither man nor beast, herd nor flock, taste anything; let them not feed, or drink water, but let man and beast be covered with sackcloth, and let them cry mightily to God; yea, let every one turn from his evil way and from the violence which is in his hands. Who knows, God may yet repent and turn from His fierce anger, so that we perish not?" When God saw what they did, how they turned from their evil way, God repented of the evil which He had said He would do to them; and He did not do it.

■ **September 9, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"These are the days of dichotomy - when two opposing sides to every political and social issue exist. Those who live in righteousness according to God's Commandments long for God's Justice to correct the consciences of the wicked. God, in His Patient Mercy does not intervene in a universal way. Rather, He calls consciences - one by one - into contrition in an attempt to increase and strengthen the Remnant Faithful."

"Pray for God's Dominion to shine again as the center of the universe and of every heart."

Read Psalm 82

A Plea for Justice

*God has taken His place in the Divine Council;
in the midst of the gods He holds judgment:*

*"How long will you judge unjustly
and show partiality to the wicked?"*

*Give justice to the weak and the fatherless;
maintain the right of the afflicted and the destitute.*

*Rescue the weak and the needy;
deliver them from the hand of the wicked."*

*They have neither knowledge nor understanding,
they walk about in darkness;
all the foundations of the earth are shaken.*

*I say, "You are gods,
sons of the Most High, all of you;
nevertheless, you shall die like men,
and fall like any prince."*

*Arise, O God, judge the earth;
for to Thee belong all the nations!*

■ **September 9, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I beg your perseverance in praying for the victory of good over evil in this election. Some do not see the evil, others do not even look, for they do not care. Continue to pray for this victory and persevere."

"Tonight, I'm extending to you My Blessing of Divine Love."

■ **September 10, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Please understand the urgency of these times. **Your nation was founded as one nation, under God.** These days man's desires and ambitions are taking precedence over God's Commandments. Law and order does not mean dictatorship. Freedom does not mean the right to do whatever you want without regard for others. Your constitution clothes all of these in the guidelines of Holy Love. Mankind's disregard for the constitution stems from a decadent moral attitude which carries your nation away from God's Divine Will."

"God will not permit any nation that votes to destroy life in the womb to continue to prosper and succeed. God will not defend the citizens of any such country from the loss of freedoms under a dictatorial rule. He may even allow the decline of such nations to appear safe and attractive by the encouragement of a One World Order. While you waste time worrying about climate change, the ideals your nation was founded upon are slipping away. God-given rights of life, liberty and the pursuit of happiness are of far greater importance than the pretense of global warming."

"Always support the Truth and do not allow politics or politicians to lead you down a path paved with lies. Do not allow mainstream media to choose for you. Too much is at stake. Do not be united in evil, but united in

good. Pray to recognize the difference."

Read Romans 16:17-18

Synopsis: Watch those leaders who cause division and scandals contrary to doctrine received and avoid them, for they do not serve Christ but their own agendas.

I appeal to you, brethren, to take note of those who create dissensions and difficulties, in opposition to the doctrine which you have been taught; avoid them. For such persons do not serve our Lord Christ, but their own appetites, and by fair and flattering words they deceive the hearts of the simple-minded.

■ **September 10, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"At this time, I am proposing that all churches - no matter their denomination - remain open on the day of your presidential election. This would encourage and allow people to pray for the victory of good over evil. The churches should be open as long as the polls are open in any given area."

■ **September 11, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"These days, there should be mounting concern for the actions of radical, Islamic terrorism. This is an enemy that has declared war on all those whose beliefs differ from their own. This is not an enemy easily identified by a certain uniform or area of the world. Rather, this enemy remains hidden in hearts all over the world. What is more perplexing is the leaders of this country do not even seem willing to name the enemy, let alone carefully monitoring who is allowed into the country. Open borders are an open threat to the welfare of every citizen."

"You are commemorating 15 years since the tragic attack on the Twin Towers and the Pentagon. Downplaying the threat that exists still today does not resolve the issue of further attacks. The wise will not be fooled by such politics. Leaders need to treat the citizens who elected them with respect, instead of leading with lies."

"Christians need to unite all over the world. As I told you before, evil has united with evil and become stronger. It is time for good to unite with good and be strengthened towards identifying and defeating evil."

■ **September 12, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"When evil takes root in hearts it is revealed in opinions. These opinions lay waste to God's Commandments. If the person is in leadership - either

secular or religious - he is in a position to influence many with the error that is in his own heart. Listening to people's opinions is the way to discern if the person is worthy of your allegiance. There is a difference between judging and discerning. Judgment is based upon untruth and not the reality of the facts. It is most difficult when a leader is dishonest and does not shy away from calumny. You must be careful not to respect the influential office above the Truth."

"Some will say anything to protect their own power, reputation and ambition. These are dangerous ones to vote into office or to support in any way. Always look for honesty in leadership."

■ **September 12, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"This is a moment in time unlike any other. Every present moment is unique, but this present day carries earmarks of an apocalyptic age. The melting pot of sin is boiling over. I call it a melting pot, for every type of amoral behavior is now regarded as a right. Those who call to task the sinner are themselves set upon and attacked and given every sort of label."

"These Remnant, however, the ones who support the Commandments, are the ones staying the Hand of God's Justice. Without these righteous few, the world would be facing far greater turmoil than it has ever known."

"Through modern technology and communications mankind has been given the Truth, but he chooses to reject it in the favor of satisfying his own will. He does not look to God for direction or answers, but picks his way through one bad decision after another."

"Dear children, I encourage you to persevere as warriors of Truth amidst Satan's confusion. Do not be deterred by who accepts Truth or who does not. Pray for unbelievers. Some are dangerous. All are following Satan."

■ **September 14, 2016.** St. John Vianney, Curé d'Ars and Patron of Priests says: "Praise be to Jesus."

As St. John Vianney says this, a light pulsates around him.

"The moral problems of the day - abortion, same-sex marriage, gender identification - are not being addressed from the pulpit as sin. The world tries to

define these sins in the light of legal rights. It is Cardinals, Bishops and priests who must lead spiritually and not relegate the definition of sin to the likes of mass media and popular opinion and legal systems."

"The main problem in this country and in the world at large is the inability and/or disinterest in the general population to distinguish good from evil. This is reflected in your political choices. Poor leaders are the ones who do not embrace honesty and therefore, do not lead with honesty. If a clear line is not drawn between right and wrong - good and evil - leadership fails you."

"The election fast approaching in this country will be determined by mankind's ability to determine good from evil - Truth from untruth."

■ **September 15, 2016 - Feast of Our Lady of Sorrows.** Our Lady comes as Our Lady of Sorrows. She says: "Praise be to Jesus."

"My greatest sorrow these days is mankind's propensity to please himself without regard for God and His Laws. Man uses every sort of rationalization to embrace sin without calling it a sin. He allows language to redefine good versus evil, thus obscuring the line of sin versus no sin. My Heart sorrows for the state of the conscience of the world. You do not see, dear children, that the path so many of you follow leads away from Jesus and your salvation. You are accepting popular opinions over God's Commandments. My Heart trembles at the thought of God's Justice."

"During these times, please understand, that if you lend your support to one whom advances the cause of abortion or planned parenthood, you are guilty of these sins yourself. If you support politicians who are in favor of same-sex marriage, you support these sins as well. These days, morals and spirituality are bound up in a knot with politics. Holy Love is the way to undo the knot and make choices which appease My Sorrowful Heart."

■ **September 16, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I am praying that the Holy Spirit - the Spirit of Truth - enlightens the heart of the world as to the real dangers that threaten mankind today. The greatest danger is the inability to recognize Truth. This feeds the spirit of confusion and obstructs the soul's understanding of good versus evil. Many lies are presented as Truth by politicians who are self-seeking and ambitious. So many in the general public either do not recognize this or summarily excuse it."

"You must expect the Truth from your leaders and accept nothing less. You need to make your leaders accountable to the Truth. This is so not only in the secular realm, but in religious leadership, as well. Good leaders keep their followers on course, without regard for their own popularity. Good leaders lead in accord

with the welfare of their flock. They do not condone sin as a means of being popular or to attract more followers."

"The best leader is not always the one with the most money or influence. The best leader leads according to the Truth - God's Commandments - and Holy Love."

"Rain falls as God directs, no matter the hour, day or month of the year. It accomplishes its effects according to God's Will. So it is with grace. It is not hindered by time or space. Unlike rain however, sometimes it is graciously accepted and other times ignored and rejected. When a soul is given grace it is a means of direction, protection or of aiding others. When the soul chooses his own will over the opportunity of grace, he is no longer an instrument of grace. If this pattern continues, he becomes an easy target of Satan and an instrument of evil."

"Grace always comes to you through the Hands of Divine Love. Therefore, grace persuades the soul to seek and live in the Truth. The dishonest person is the one who summarily rejects grace and listens to evil. Such people as these need to be held accountable for the sake of their own journey to Heaven."

"The acceptance or rejection of grace comes to each soul and in every present moment. Cooperation with grace or lack of response to grace can affect the future of the entire world."

Read Galatians 6:7-10

Synopsis: Regarding adherence of conscience to the Ten Commandments, make no mistake, a man will reap only what he sows. Therefore, do not grow weary of doing good according to the Ten Commandments and learned in the Moral Standards of Truth.

Do not be deceived; God is not mocked, for whatever a man sows, that he will also reap. For he who sows to his own flesh will from the flesh reap corruption; but he who sows to the Spirit will from the Spirit reap eternal life. And let us not grow weary in well-doing, for in due season we shall reap, if we

do not lose heart. So then, as we have opportunity, let us do good to all men, and especially to those who are of the household of faith.

■ **September 18, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, today I have come to speak to you about choices. Every choice you make has its consequences. It may lead you farther along the path of holiness or your choice may lead you away from God and His Commandments. Every choice has spiritual and temporal consequences. Every choice affects the present moment, and very often the future."

"Take for instance, the upcoming election in your country. At stake is your safety, your economic security and the very moral foundation of your country, as will be outlined by the Supreme Court whose members are set in place for you by the president. All of these issues are monumental, and therefore, your choice for president is monumental."

"I need you to turn the tide against evil by choosing wisely in every present moment. Do not feel overwhelmed by these times or the evil around you. If you are living in Holy Love, your angels will help you to see the Truth and to make good choices - choices that bear witness to the Truth."

Read Titus 2:11-14

Synopsis: Jesus came as our Savior, teaching us to reject all ungodly, worldly concerns and to live with Holy Love in our hearts, looking to Christ's example, Who gave Himself for our redemption.

For the grace of God has appeared for the salvation of all men, training us to renounce irreligion and worldly passions, and to live sober, upright, and godly lives in this world, awaiting our blessed hope, the appearing of the glory of our great God and Savior Jesus Christ, Who gave Himself for us to redeem us from all iniquity and to purify for Himself a people of His own who are zealous for good deeds.

■ **September 19, 2016 - Feast of Our Lady of La Salette.** Our Lady appears as Our Lady of La Salette. She says: "Praise be to Jesus."

"So long ago, I appeared to two children at La Salette - weeping, weeping. I wept as man took the Name of God in vain and summarily blasphemed the Sabbath. How much more am I weeping today as every Commandment is blasphemed? How much more do I weep as sins are encouraged by legal and judicial systems? My Son's Mournful Heart has been pierced through and through by the compromise of Truth and the abuse of authority."

"I plead with you, wound My Son's Heart no more. Make amends to His Most Mournful Heart by merit of your contrite prayers and sacrifices. Change the course of the future by your efforts. Do not be deceived to think there is nothing you can do or, worse still, that nothing needs to be done. Be my instruments in a world gone mad with the inability to recognize evil."

"Dry my tears with Holy Love."

■ **September 19, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please realize that when you pray against abortion, you are praying for peace in the world, for peace will not come to you until there is peace in the womb."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **September 20, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, it is impossible for you to support good and to live in the Truth unless you first find it. That is what Satan is making most difficult for you these days. He is using every type of technology, mainstream media and God-given skills of certain ones to hide the Truth of what is good and what is evil."

"Satan promotes false issues such as social justice and global warming as a distraction from the genuine issue of moral degeneration. So long as people do not recognize Satan's tactics, they will not be able to oppose him. The enemy lies through the most prominent people to gain power and he is not held accountable. Each one of God's Commandments is challenged, even blasphemed, and there is no outcry from those who can make a difference."

"Allow Holy Love to be your impetus - your inspiration. Then you will always be an example of the Truth. God's Justice awaits those who oppose you."

Read 2 Thessalonians 2:13-15

Synopsis: Encouragement to the Remnant Faithful to stand firm in the faith.

But we are bound to give thanks to God always for you, brethren beloved by the Lord, because God chose you from the beginning to be saved, through sanctification by the Spirit and belief in the Truth. To this He called you through our gospel, so that you may obtain the glory of our Lord Jesus Christ. So then, brethren, stand firm and hold to the Traditions which you were taught by us, either by word of mouth or by letter.

■ **September 21, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"These are the times when liberal morals are spreading rapidly around the world. This is aided by the fact that Satan has made moral issues into political issues. Worse still, is the reluctance of most leaders - religious and secular - to speak out in favor of sound Christian morals for fear of hurting someone's feelings. What about God's feelings?"

"These days, those who believe in God's Commandments and Holy Love have the moral responsibility to make their voices heard. The liberals are not shy in voicing their convoluted opinions. Those who choose righteousness must not be reticent either. Morals cannot change until attitudes change. Attitudes can only change in the Light of Truth."

"Therefore, I impart to you these Messages - Messages of Truth and hope. You, My children, must be the Light of Truth in the world - the Light that dispels the darkness of liberal thinking - the Light that gives hope to a world which embraces error."

Read Ephesians 4:25

Therefore, putting away falsehood, let every one speak the Truth with his neighbor, for we are members one of another.

Read 2 Corinthians 4:1-4

Synopsis: In discharging the Mission and Ministry of Holy Love do not lose heart. On the contrary, renounce actions which shame conceals in the dark, avoid unscrupulous conduct and do not corrupt the Word of God; but make known the Truth of Jesus Christ, which is Holy Love, commending yourself to your examination of conscience according to the Ten Commandments in the sight of God. If the Truth is concealed, it is only to those who are perishing; for in their case they have been blinded to Truth by their unbelieving hearts and minds - not seeing the Light of the Gospel of Christ Who is the Truth and the Image of God.

Therefore, having this ministry by the mercy of God, we do not lose heart. We have renounced disgraceful, underhanded ways; we refuse to practice cunning or to tamper with God's Word, but by the open statement of the Truth we would commend ourselves to every man's conscience in the sight of God. And even if our gospel is veiled, it is veiled only to those who are perishing. In their case the god of this world has blinded the minds of the unbelievers, to keep them from seeing the Light of the Gospel of the glory of Christ, who is the likeness of God.

■ **September 22, 2016.** St. Thomas Aquinas says: "Praise be to Jesus."

"Because liberalism has taken over so many hearts in this country and around the world, I have come to address it. A liberal is one who accepts any opinion and tolerates any sin unless, of course, the opinion is conservative. The true liberal is not constricted by God's Commandments. He is quite willing to oppose the Commandments in thought, word and deed."

"The liberal thinks his opinions represent freedom, when in fact, they represent slavery to sin. He has little or no regard for pleasing God. He chooses to please himself and other people. He considers those of a more traditional, conservative viewpoint as obstacles to the Truth and a nuisance to be overcome."

"The liberal does not see the direction he is following which leads away from God. He views all who do not follow in his footsteps as misguided and ill-informed."

"I can tell you the liberal never passes from this life directly into Heaven. The fortunate ones are detained in Purgatory."

"Politics has wrapped itself around liberalism and vice versa."

"Do not be swayed by people of influence or mainstream media to believe liberalism is acceptable. Be loyal to God, His Commandments and consequently Holy Love."

■ **September 23, 2016 - Feast of St. Pio of Pietrelcina.** Padre Pio comes. I wish him a happy feast day. He nods and smiles. He says: "Praise be to Jesus."

"Your country is on the precipice of an important decision with this upcoming election. The decision is between right and wrong. Do the citizens desire to continue their downward spiral into amoral behavior or will they choose redirection and once again be 'One Nation under God'?"

"If you cannot see where certain policies are leading you, take your head out of the sand! God does not want sins such as abortion and same-sex marriage to be legal issues. Sins are between the soul and God - not the soul, the Supreme Court and God! Stop and think what is more important - what you want or what God Commands!"

"This nation has this one last chance to redeem itself in God's Eyes and to return to prosperity. Otherwise, it will become more and more dependent upon foreign, anti-Christian powers. Decide for good."

■ **September 23, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"When I speak to you about liberals, I speak to you about anyone of a liberal opinion or way of life - not just politicians. A liberal person is one whose agenda is

self-serving. In this regard, he is full of guile and dishonest if it serves him well. He is most likely ambitious towards his own recognition and importance. The liberal does not hold in his heart the welfare of others, unless such a concern would further his own influence in the world."

"The liberal is open and tolerant of any point of view, unless it is conservative. He never stops opposing the conservative, Christian point of view and will not allow his heart to be convicted in the Truth. He surrounds himself with misinformation and those who agree with him."

"It is most important these days that people who live in the Truth of Holy Love make the effort to reach out to those who live in the error of liberalism. Be courageous for the sake of souls. By your efforts, promote change."

■ **September 24, 2016.** Our Lady is here dressed in white and gray. She says: "Praise be to Jesus."

"I have come to tell you that the First Seal has been opened.* Now is the time when hearts and nations will be conquered. Evil plots in hearts will be manifest and much good will be destroyed."

"You, My children, must unite in the Truth. Do not delay. My Son will assist you. I offer you the grace of the Refuge of My Heart. Do not allow labels such as Catholic or Protestant to divide you. We are all one in the trials which are here and lie ahead. Pray for wisdom and perseverance. Do not be fooled by title, authority or influenced by ill-gotten power."

"I have come to persuade you into Holy Love which is a universal call to all."

Maureen: "Blessed Mother, I don't know what this means about the Seal. Can you explain it, please?"

Our Lady says: "There are as many interpretations as there are Scripture scholars. I can tell you this - it marks the beginning and the end - the beginning of Christ's Reign and the End Times are at hand. The end of God's Merciful restraint of His Justice is upon you. Many have believed that this Seal was already broken. However, I tell you today that there will be more profound struggles between good and evil. There will be consequences to evil acts that can only be interpreted as God's Justice, if wisdom intercedes at all."

"This is why I plead with all Christians to unite and act with one heart towards the welfare of all."

* **Read Revelations 6:1-2**

Synopsis: Each of the Seven Seals represent the unleashing of afflictions reserved for sinful men found in a list hidden in the scroll which only the Lamb of God will break open as reserved to Him in carrying out the Divine Plan. Each of the Four Horsemen symbolize a particular woe connected with woe and destruction.

Now I saw when the Lamb opened one of the seven seals, and I heard one of the four living creatures say, as with a voice of thunder, "Come!" And I saw, and behold, a white horse, and its rider had a bow; and a crown was given to him, and he went out conquering and to conquer.

■ **September 25, 2016.** Our Lady comes once again in white and gray. She says: "Praise be to Jesus."

"These times, now upon you, have been written in the Father's Heart for all ages. It has been His Prayer that mankind would be delivered from these events. As it is, they have come with stealth and go unnoticed by most. Liberal, amoral thinking has been the stepping stone into this age and prompted the breaking of the First Seal. Now you will begin to see more and more illicit conquests by aggressive countries. Violence and terrorism will intensify. Unless people have recourse to prayer and sacrifice, their security will be at a minimum."

"This is the most treacherous time to abandon the faith. However, it is a time when faith will be at a premium. Man will continue to try to solve his problems apart from God."

"I tell you these things now to help you to keep your faith as events progress. I am with you and close to you. My Immaculate Heart is always your Refuge. As events mount to a crescendo, call on Me."

■ **September 26, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, before you support any candidate for office you should try to determine what is in their heart. Do they support God's Commandments? Do they abide with the popular opinion that abortion and same-sex marriage are acceptable because they are legal? Do they respect the Constitution? The more power you give to any leader, the less freedom you have. It must matter to you what you are obeying."

"Some who run for public office unfortunately personify evil. Others are basically good people, trying to call the nation back to righteousness. These days, in any election, Christian values are greatly under

attack and even controversial. An amoral spirit pervades the world. As My instruments, you must belong to the Truth. Never be afraid to define the Truth and expose evil. Guard your right to do so."

Read Romans 6:16-18

Synopsis: Be not slaves to sin through obedience to others, but slaves to justice by obedience to the truths of the Doctrines of Faith by which you have been set free from sin.

Do you not know that if you yield yourselves to any one as obedient slaves, you are slaves of the one whom you obey, either of sin, which leads to death, or of obedience, which leads to righteousness? But thanks be to God, that you who were once slaves of sin have become obedient from the heart to the standard of teaching to which you were committed, and, having been set free from sin, have become slaves of righteousness.

■ **September 26, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, pray as never before for the end to legalized abortion. In this prayer intention is also the intention for a favorable future for your nation."

"Tonight, I'm imparting to you My Blessing of Divine Love."

■ **September 27, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Please realize that the adversary, the dragon, is too clever to reveal himself through one profound event that people could identify as relating to the rupture of the First Seal. You will see events escalate in intensity, as I mentioned. Not all earthquakes, famines and plagues are reserved for subsequent Seals either. Some of these things occur almost routinely. However, when a Seal is broken, the profound intensity of such events increases."

"Now you are experiencing wide-spread confusion which is drawing people away from the Truth. The election in this country is being held in the mainstream media. Dishonesty is not held accountable. Truth is not lauded. This is all possible, as mankind does not differentiate between good and evil."

"This same confusion, sadly, has drawn millions away from the Faith. It is not the Church's job to change the Truth to make it more acceptable to more people. Rather, the Church must remain solidly in the Truth and, as a Mother, be a sign of steadfastness."

Read 2 Timothy 4:1-5

Synopsis: With all urgency, preach the Truth of the doctrines of the faith in season or out of season - reproving, entreating, and reputing with all patience by sound teaching, for there will come a time when not all will accept sound doctrines, but will follow their own desires by turning away from the Truth and accepting errant teachings and doctrines.

I charge you in the presence of God and of Christ Jesus who is to judge the living and the dead, and by His appearing and His Kingdom: preach the Word, be urgent in season and out of season, convince, rebuke, and exhort, be unfailing in patience and in teaching. For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own likings, and will turn away from listening to the Truth and wander into myths. As for you, always be steady, endure suffering, do the work of an evangelist, fulfil your ministry.

■ **September 28, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, continue in earnest to pray for the victory of good over evil in this upcoming election. Many things can happen between now and the Election Day. Many events can unfold revealing much, and in some hearts the seed of cyber piracy has taken root. There has been much dishonesty on the part of some, but plans are afoot for a last-ditch effort to alter the Truth of the returns. I encourage steps to be taken to check and recheck voter results."

"Do not think that certain things are not possible. What you regard as certainty can easily be changed through modern technology put to ill-use. I tell you these things with My Motherly warning. Expect the unexpected."

■ **September 29, 2016 - Feast of the Archangels - St. Michael, St. Gabriel and St. Raphael.** St. Michael comes with his sword and his shield. His shield has the United Hearts on it. He says: "Praise be to Jesus."

"I have come to remind your nation and the world that compromised borders result in compromised security. Also, all unity is not good and of God. If you unite under an evil leader, you will be led down the path of evil. Do not make the path clear for this to happen by blindly supporting a One World Order. I cannot change your foolish free-will choices. I can point the way beyond and around such choices through circumstances. It remains up to you to pay attention."

■ **September 30, 2016.** St. Thomas Aquinas says: "Praise be to Jesus."

"In this upcoming presidential election, people need to make their choices based upon issues - not character assassination. The seating of Supreme Court Justices should be the first consideration. A liberal court makes for a liberal nation. If you support a nominee who supports abortion, then you support abortion. It is that simple. Open borders should be a great concern and will bring disastrous consequences if allowed. You need a president who will support your God-given rights as outlined in the Constitution."

"If a person is dishonest in small ways, that same person cannot be trusted in greater ways. This is not character assassination. It is a fact. This is not the time in the hour of history for a leader to be full of self-interest, but to protect and guide in righteousness those he is leading."

"Some hold greater agendas in their hearts than the welfare of this nation. They secretly design their plans to coincide with a New World Order - the threshold of the reign of the Antichrist. The destruction of national pride is a telling sign of such an agenda. That is why the importance of national borders is being minimized."

"This is the hour when faith will be tested and retested. Stand firm in the Truth."

■ **September 30, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, always support the Truth and those who embrace the Truth. Anything else is to cooperate with evil. Be united in our United Hearts - Truth itself."

"Tonight, I'm imparting to you My Blessing of Divine Love."

Our Lady, Our Lord and many saints and angels appear on the property at Maranatha Spring and Shrine. The Messages given to the visionary, Maureen Sweeney-Kyle, lead the soul on a spiritual journey into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

■ **October 1, 2016 - Feast of St. Thérèse of Lisieux.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Your nation's security is being challenged through its political system, as the security of life in the womb is also challenged by errant politics. You must see the connection. In this election, and between these two candidates, the issue of abortion has become a grave difference. You have had presidents who protected life in the womb and most recently presidents who aggressively opposed this

same life. Please understand, for your nation to prosper once again on all levels you must value human life."

"Today you celebrate the Feast of St. Thérèse, the Little Flower. She is a great saint due to the Holy Love in her heart. She offered many, countless small sacrifices for the remission of the sins of others. I am asking one and all to imitate her life of penance for a favorable outcome to this election - an outcome that would give greater honor and glory to God than ever before."

Read Galatians 6:7-10

Synopsis: Regarding adherence of conscience to the Ten Commandments, make no mistake, a man will reap only what he sows. Therefore, do not grow weary of doing good according to the Ten Commandments and learned in the Moral Standards of Truth.

Do not be deceived; God is not mocked, for whatever a man sows, that he will also reap. For he who sows to his own flesh will from the flesh reap corruption; but he who sows to the Spirit will from the Spirit reap eternal life. And let us not grow weary in well-doing, for in due season we shall reap, if we do not lose heart. So then, as we have opportunity, let us do good to all men, and especially to those who are of the household of faith.

■ **October 2, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, with the introduction of artificial birth control, man has slowly, methodically moved towards placing himself and his free will in the place of God and His Divine Will. These days the decisions of the court system take precedence over God's Commandments. You cannot accept this or support it politically and expect God to look the other way. Take this, My Motherly warning, to heart. When you experience God's Justice, which is on its way, do not be surprised or caught off guard."

"Live as Christians under God which is what your nation was founded on. Do not support the status quo, but support the return to Christian values. My Son has been too gravely offended not to seek Justice. His Heart is Mournful and sorrows for the errant path so many choose. Allow God His Dominion over you once again as it should be."

■ **October 2, 2016 / First Sunday Family Night Service - For the Conversion of the Heart of the World.** St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, I have come to ask all parents to be united in the Truth. Make certain that your children live in the reality of the Truth in all their opinions. This is the way to foster Holy Love in hearts and in the world."

"Tonight, I'm extending to you my Fatherly Blessing."

■ **October 3, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Today, you are experiencing a widespread dense fog over the landscape outside. This fog prevents your seeing clearly the details of the site before you, especially at a distance. Once again I compare this to the dense fog that weighs over the heart of this country and of the world. As souls have compromised the Truth, they have stepped away from clearly seeing the consequences of their choices and just how their choices will affect the future. People do not see the bigger picture of how each leader and every law affects the entire world. This is the bad fruit of an amoral society - a society that cannot distinguish good from evil."

"The world makes much of each soul's right to sin. The legalization of these free-will choices makes them appear as acceptable. Those with sound Christian morals cannot freely express their opinions without consequence and the infliction of labels such as phobia. So while the rights of the sinners are safely guarded - the rights of those who oppose sin are trampled upon, as though they are lost in the dense fog of demoralization."

"These attitudes carry consequences into politics, education, religious and secular leadership, governments and the judicial system. Is it any wonder that Satan's presence and activity in the world is not acknowledged, least of all from the pulpit?"

"Always pray, dear children, for any fog to be lifted from your hearts so that you may see people, situations and choices with the eyes of Truth. Allow the Light of Truth to burn away any fog of confusion."

■ **October 3, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, do not look with dread and worry towards the future and what may happen; rather, surrender your hearts completely to Me in the present moment. In this 'now' - the present moment - your prayers will be strengthened if you belong completely to Me."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **October 4, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"These days political campaigns have taken on the demeanor of calumnies and not real issues. Character assassination is not what you should base your support on. There are critical issues at hand which can be addressed with logic or mishandled as political opportunities. I speak, of course, of abortion,

same-sex marriage, immigration and open borders, the failing economy and support of the Constitution itself."

"How these and other issues will be handled depends upon the person you choose to elect. Your choice will affect not only this country but the future of the world. Pray that Holy Wisdom guides the heart of this nation."

■ **October 6, 2016.** "I am your Jesus, born Incarnate."

"I tell you solemnly, every soul has a vocation to live in Holy Love. This is the path of each one's salvation and the metric of his personal holiness. The deeper the Holy Love in your heart, the clearer the path of My Will is before you."

■ **October 6, 2016 / Thursday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, always cling to the Truth that is Holy Love. The Truth can never be redefined; it is always the same. Continue to pray that souls accept the Truth of Holy Love in the present moment. For this is the way of salvation."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **October 7, 2016 - Feast of Our Lady of the Most Holy Rosary / 3:00 P.M. Service.** *(This Message was given in multiple parts over several days.)* Our Lady comes all in white. She has glittering lights around Her. She is framed in the Rosary of the Unborn and is holding the Rosary of the Unborn. She says: "Praise be to Jesus."

"Today, dear children, as you pray your rosaries, pray for the victory of good over evil. The upcoming election in this country will affect all people and all nations, as the new president will set policies in place which will carry worldwide implications. There is an undercurrent of evil trying to influence the outcome of this political race. Threats and promises have been made. Laws have been broken and whole institutions have been compromised by bad politics. Ambition in some hearts has taken on epic proportions."

"The Trojan Horse in all of this is compromised Truth. People unwittingly invest their support in disingenuous political figures who will never deliver on their false promises. If these are the ones to assume leadership, much in the way of prosperity and freedom will be lost."

"The struggle has been set between good and

evil. You cannot have two diametrically opposed forms of government. One will have to take power. Do not be led by compromised Truth, but by the Light of Truth itself."

"In your hands, dear children, you hold the weapon that can expose evil and destroy Satan's evil plans. It is your rosary. With the power of your loving rosaries, Satan will not be able to complete his plans for the destruction of the world and he will be defeated. Much of what the dragon plans to destroy will be protected. You yourselves will find a path of light through the darkness, but you must pray."

"The reason so much of this Ministry and the Messages themselves are focused on the protection of life in the womb is that legal acceptance of abortion has replaced love of God and neighbor in hearts with love of self. Fulfillment of God's Commandments is no longer a concern. Mankind's free-will choices are the main priority. Protection of the right to lead sinful lives has permeated the highest court system."

"All of this has obscured the difference between good and evil in hearts. This is why the conscience of the world is so confused that it cannot distinguish honesty from dishonesty in leadership. This is why poor leadership is an alternative and is even considered in the election upcoming in this country."

"Grave concessions have been made to evil. Now it is more Satan leading this country than God. Dear children, we must courageously persevere in prayer. Prayer is the ballast holding this nation in some frail form of righteousness."

"Dear children, I have called you here today to encourage your devotion to the Rosary of the Unborn. You must believe in the difference your prayers are making in the world all around you. The rupture of the First Seal (Rev 6:1-2) does not make your prayers ineffective, but stronger."

"These days you have dangers all around you - terrorism and a great hurricane encroaching upon your borders. There are hidden dangers in hearts and many dishonest agendas in the minds of certain politicians. If you continue to pray your Rosary of the Unborn, perhaps Jesus will allow the fog of confusion to be lifted from the heart of the world so that all can see that abortion is the sin that catapults the world towards destruction."

"I come to you to make you stronger and more resolute in putting an end to abortion. Great and manifold graces would flood the world if you would listen. The future would be changed and you would be at peace. God's Will would rule hearts."

"Dear children, today I promise to take all of your concerns to Heaven with Me and place them in the Heart of My Son. Do not fear for any grace - for I am

the Mother of Grace."

"Dear children, it is My Joy to spend these short moments with you during these apparitions; but in Heaven, I will be with each of you always - if you earn your salvation through Holy Love. I am looking forward to that."

"Today, I'm blessing you with My Blessing of Holy Love."

■ **October 8, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I have come to comment on the purposeful destruction of someone's reputation. Everyone has the right to enjoy a good reputation. Calumny is still a sin whether it is leveled against a political nominee or a visionary. God's Laws do not change to accommodate evil motives."

"You must, in Holy Love, make allowances for something that was carelessly said. You must not presume that something stated as fact by a person of influence is Truth without checking the facts."

Read James 3:7-10

Synopsis: Abuses (sin) of the tongue are a restless and deadly evil that cannot be tamed and considered as doing good.

For every kind of beast and bird, of reptile and sea creature, can be tamed and has been tamed by humankind, but no human being can tame the tongue - a restless evil, full of deadly poison. With it we bless the Lord and Father, and with it we curse men, who are made in the likeness of God. From the same mouth come blessing and cursing. My brethren, this ought not to be so.

■ **October 8, 2016.** "I am your Jesus, born Incarnate."

"Your nation must maintain its sovereignty. Do not elect anyone opposed to this. If you open your borders, you dissolve your security. This is more important than many tawdry issues that are now being raised."

■ **October 9, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, it is never too late to place God in the center of your hearts and allow Him to take charge of the present moment. A good example of this was the historic storm which brushed by your coast in the last few days. Some lost their lives here - many more in the Caribbean. More damage and loss of life would have occurred without prayer. If you

do not allow God His rightful place in your hearts soon, He will lift His Hand of Protection from your hearts and your lives."

"The world is moving at a momentous pace away from God's Will. Even gender is no longer God's Choice, but man's. The most dangerous place in the world is the mother's womb. Yet, while tampering with God's Will, mankind is astonished by the onset of terrorism, and increased natural disasters. He foolishly believes he can control the climate. He only has recourse to God in the hour of desperation."

"Much of this could be stopped in an effort from the pulpit. This is where the spirit of love of popularity and money wins priority. Many are answerable for this abuse of authority."

■ **October 10, 2016.** St. Thomas Aquinas says: "Praise be to Jesus."

"The Truth is always according to God's Word and His Law. Lying about the Truth does not change it. Redefining the Truth does not change it. Take for instance, this issue of your annulment from your previous situation. You know you have it. God knows you have it. People from the Diocese cannot change that by any means. The documentation has their seal upon it. Spreading lies about a person is still a sin. I caution them."

"God knows the Truth of where each one stands according to Holy Love. Titles and authority in the world only bear greater responsibility to live in the Truth and in no way exonerate dishonesty. In politics it is no different. Lying does not redefine the Truth, but only serves to weaken credibility. You must not trust with responsibility those who routinely change the Truth to their advantage."

■ **October 10, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, in an election there are many issues and many decisions to be made, but in this Ministry there is only one issue - personal holiness through Holy Love. If you do not choose it, you lose more than an important office - you lose your soul."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **October 11, 2016.** Our Lady comes in blue with a crown on Her Head. She says: "Praise be to Jesus."

"Dear children, I come to you as Queen of Heaven and Earth. I am here today to address this nation and the upcoming election. Move away from

so much consideration in regards to temperament and personality. Scrutinize the issues and how each candidate will deal with them. Do you want a liberal Supreme Court or a conservative Supreme Court? It is this court that determines the moral fabric of your nation. Do you want a president who will support the Constitution or, little by little, denounce it? Do you want a more solid economy or an unstable economy, such as you have now? Do you want a president who builds up your military or weakens it further?"

"All of these issues are what you must consider - not who said what. Do not relegate such an important election to the likes of personal name-calling and a playground mentality."

"You need a president who stands firm against ISIS - a very dangerous threat to your national security. The mere existence of ISIS should erase any consideration of open borders. Do not be fooled into judging personalities. Judge policies."

■ **October 12, 2016.** "I am your Jesus, born Incarnate."

"If you don't support honesty, then you support dishonesty. In a similar way, if you don't support an honest candidate on the political scene, then you support a dishonest candidate. It is the same maxim as 'not to decide is to decide'."

"If you do not support good, you support evil. That is why it is so important to be able to discern good from evil."

"Pray for this grace."

■ **October 13, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Today, I am calling all of My Remnant Faithful to be strengthened in numbers and in resolve. Evil collusions are now forming the general opinions of the public. This is taking place without notice. I am calling you, My Remnant, to draw attention to the way mass media is invoking change in how Christianity is perceived and in the ways freedoms are slipping away."

"These things will be reinforced through your judicial system if you do not bring attention to it now. You must pay attention to who says what and who supports what. If you do not, your country will never be the same again."

"Open borders are an open invitation to evil. Those who oppose Christian ideals would flood your nation making law and order, as it is today, obsolete. A continuation of the amoral revolution would take over hearts and government. Many freedoms would become 'illegal'. This would be a method of control of the chaos caused by open borders."

"Take heed now - before it is too late to act."

■ **October 13, 2016 – 99th Anniversary of the Miracle of the Sun at Fatima, Portugal.** Our Lady comes as Our Lady of Fatima. She says: "Praise be to Jesus."

"When I appeared so many decades ago to the three shepherd children,* I gave them many warnings about future world events. Today, it is no different. You still have the threat of war, only these days it is far more encompassing due to modern technology. Mankind now has the capability of destroying not only himself, but the planet."

"At Fatima, I asked the children for prayer and sacrifice. Today, I plead for this. You do not comprehend what is at stake. Be united in the prayer of the Rosary. In this effort, help Me to put an end to Satan's campaign of confusion in the world. The same enemy threatens you today as it did when I came to Fatima. It is man's desire to please himself and not God."

* *Lucia Santos and her cousins, Jacinta and Francisco Marto*

■ **October 14, 2016.** "I am your Jesus, born Incarnate."

"The Remnant Faithful is that part of the faith community that does not allow their faith to be destroyed by new concepts of right and wrong. They do not allow the legal systems to define sin as a right, but cling to the Commandments as the Truth. The more they choose good over evil, the more I protect their faith through the grace of My Mother's Heart."

"I hold these Remnant Faithful in the deepest recesses of My Heart, ever soliciting their welfare before the Throne of God. Although they are spread far and wide and do not, for the most part, know each other, in My Heart and in Heaven they are one."

"These Remnant have not abandoned the established Church. The Church, in its effort to 'keep up' with these times, has abandoned them. They are persecuted by untruthful labels and, by many, regarded as unworthy of belief. However, it is these staunch, little soldiers of faith, I am depending upon. Many will come to recognize their worth."

■ **October 14, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, during this crucial election please pray that each candidate focuses on the issues and not character assassination. The

latter accomplishes nothing. But you must not vote for personalities - only for what each one can accomplish."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **October 15, 2016.** "I am your Jesus, born Incarnate."

"You must weigh your choices carefully in the Light of Holy Love when you vote for or against any candidate. It is easy to accuse someone of sin and error, but too often these accusations are unsubstantiated and untrue. As a responsible voter, you must cast your lot with the Truth of the issues. Who will accomplish what? This is what will affect the future of this country. Dirty politics, designed to tear down a person's reputation, is not Holy Love."

"Pay attention to who is proven to oppose Christianity and Catholicism. Do you want to place power in such a person's hands? Many amendments of the Constitution are at stake here. This decision as to whom will be president will not only affect your lives, but the lives of future generations. Make a decision that will lift this country back up on its feet."

■ **October 15, 2016.** Our Lady comes as Our Lady of Guadalupe. She says: "Praise be to Jesus."

"I will meet you in the Field of Our United Hearts at the Hour of Mercy (3:00 pm) on My Feast Day - December 12th. I will bring with Me a full complement of grace and comforting words. For those willing to sacrifice, I will bless those who gather in the field at midnight dawning on December 12th."

■ **October 15, 2016.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Good government is not based upon lies, innuendos and duplicity. Sound government is transparent, truthful, a servant of the people and does not seek its own advantage through disordered power."

"God judges each leader according to how he serves others - not according to their influence and power."

Read Wisdom 6:1-11

Synopsis: Wisdom applies justice equally to all. Therefore, scrutiny demands the great and powerful be more accountable to righteousness than the small and weak.

Listen therefore, O kings, and understand; learn, O judges of the ends of the earth. Give ear, you

that rule over multitudes, and boast of many nations. For your dominion was given you from the Lord, and your sovereignty from the Most High, who will search out your works and inquire into your plans. Because as servants of His Kingdom you did not rule rightly, nor keep the Law, nor walk according to the purpose of God, He will come upon you terribly and swiftly, because severe judgment falls on those in high places. For the lowliest man may be pardoned in mercy, but mighty men will be mightily tested. For the Lord of all will not stand in awe of any one, nor show deference to greatness; because He Himself made both small and great, and He takes thought for all alike. But a strict inquiry is in store for the mighty. To you then, O monarchs, My Words are directed, that you may learn wisdom and not transgress. For they will be made holy who observe holy things in holiness, and those who have been taught them will find a defense. Therefore set your desire on My Words; long for them, and you will be instructed.

■ **October 16, 2016 - Feast of St. Margaret Mary Alacoque.** St. Margaret Mary Alacoque says: "Praise be to Jesus."

"Please! Oh, please! Console the Most Sacred and Mournful Heart of Jesus. He is so saddened by the evil collusions, the abuse of authority and the compromise of Truth in the world today. Do not choose to put more power in the hands of evil. Vote to maintain your freedoms. Do not support the sin of abortion. It is slavery to sin - not a freedom."

■ **October 16, 2016.** "St. Michael comes in a bright light with his sword and his shield. He says: "Praise be to Jesus."

"I have never been sent with such a graphic Message. These times dictate the reality of all I have to say. Did you realize what a stench abortion is in the nostrils of God? Abortion is given the name 'procedure' to make it seem less evil. The doctor, as he performs this 'procedure', must carefully count all the body parts as he removes them from the mother's womb. This is not a right under any masquerade but a sin - a murder. This is what people are voting for or against in many elections. As these murders have been made political, there is no voice from the pulpit condemning them or giving direction."

"The conscience of so many nations has been dulled by the inability to distinguish good from evil. Remember this. God will not be mocked. Return to His Commandments. Live in Holy Love. Appease His Mournful Heart."

■ **October 17, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"There are many, many dangers which threaten the welfare of this nation. The greatest of these is the acceptance of abortion as a legal right. Because of this evil malignancy, the conscience of your nation has been confused and dulled as to the difference between good and evil. It is the same all over the world. Liberal agendas are asserting themselves with much arrogance and are trying to infiltrate the Supreme Court, border security and to promote open immigration, the economy suffers and they have an eye towards changing the Constitution."

"These reckless agendas are the open door to the Antichrist who is waiting in the wings. He already has many followers. Some are aware of whom they are following, others are not. My Son, when He walked amongst you, did everything openly - as He lived in the Truth. These days, however, you have many world leaders and many who enjoy the limelight who hold hidden agendas in their hearts. They do not represent the Truth and some do not even admire the Truth. Therefore, be cautious as to whom you support. Do not accept everything at face value. If someone lies a little, he lies a lot in his heart."

Read 2 Thessalonians 2:9-12

Synopsis: Prior to Our Lord's Second Coming, by the aid of Satan, the Antichrist will be revealed and will perform acts which men will falsely regard as miracles and by means of which they will be led to follow him who will be proclaimed as the Christ for they have not received the love of the Truth. They will thus adopt sinful practices and erroneous doctrines that will lead to their perdition.

The coming of the lawless one by the activity of Satan will be with all power and with pretended signs and wonders, and with all wicked deception for those who are to perish, because they refused to love the Truth and so be saved. Therefore, God sends upon them a strong delusion, to make them believe what is false, so that all may be condemned who did not believe the Truth but had pleasure in unrighteousness.

■ **October 18, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I come to remind you that what is in hearts is played out in the world. Therefore, it is the agendas in hearts that I caution you about. People cannot be liberal unless they support liberal agendas in their

hearts. They will not support liberal agendas unless their consciences have been compromised and they no longer accept the Truth."

"The Truth is not hidden but is always clearly in the open to be appreciated by all. Covert agendas hidden in hearts come out into the world eventually. These agendas challenge the Truth and conceal the consequences of liberal choices."

"These days there are many consequences of liberal choices coming into play in this election. There is even an undercurrent of evil poised to alter election results. Good can still be victorious even against such odds. It will take many prayers, many rosaries and many sacrifices. I am praying with you."

■ **October 19, 2016.** Our Lady comes as Refuge of Holy Love. She has many angels around Her. She says: "Praise be to Jesus."

"Dear children, this is the election when you must not take everything at face value - not polls, not election results, not the lies of politicians. There is such an undertow of evil which is not visible. If you are not prudent and wise, you will be easily misled. God's Will is pulling one way and man's will is pulling another. If you cannot distinguish good from evil, prudence and wisdom escape your grasp."

"These are no longer innocent times, but dangerous times. The dragon awaits any opening. He advises his instruments in the world of what is to come by way of Truth. His servants then prepare their defense based upon lies."

"I am sending a myriad of angels into the world on Election Day. They will be stationed at every voting booth and will not weary in their protection. Even now I am uncovering voter fraud. Do not fear so much as you trust."

■ **October 20, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, I will need your help on the upcoming Presidential Election Day. As I stated, I am assigning angels at every voting booth. These angels will attempt to help the voters in discerning good from evil. I need you to pray to these angels throughout the day. Pray like this:"

"Dear Heavenly Angels, you are watching over this election and each voter in a special way. Help each voter to see clearly the choices between good and evil. Strengthen them in their resolve to choose good which reflects the Truth. Amen."

■ **October 21, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"These days, as this all-important election draws nearer, it is most important that consciences be well-formed and well-informed. A well-formed conscience believes in the Truth between good and evil. He clearly sees the difference in everyday choices and in decisions which support or do not support Holy Love. To be grounded in Holy Love, the conscience lives in the Truth making all his decisions fair and honest. Then, in regards to politics, he is not open to quandary."

"A well-informed conscience understands the length and breadth of the issues. Such a conscience clearly sees the consequences of such issues as open borders, a weakened or stronger military, support of the Constitution and all-important appointments to the Supreme Court. Every one of these issues greatly affects the future of this nation and of the world."

"This is why Jesus and I have been begging for your prayers for the heart of the world. Well-formed and well-informed consciences are at war with liberal consciences which accept every type of error."

"Continue to pray on behalf of the heart of the world. Pray that the conscience of the world returns to the embrace of Truth. Know that I am praying with you. "

■ **October 21, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, be very certain of the type of leader that you lend your support to. Be certain of what he or she supports, what kind of programs, what kind of path you're being led upon. Is it Truth or is it lies? You must, even in this, decide for Holy Love."

"Tonight, I am blessing you with My Blessing of Divine Love."

■ **October 22, 2016.** "I am your Jesus, born Incarnate."

"The best way to avoid the trauma of the world around you - politics, terrorism, economic decline - is to live for the Kingdom of God. Be ambitious for My Father's Divine Will, not for any self-interest. I do not come to you and invite you into the Chambers of Our United Hearts for My benefit, but for your welfare. The Kingdom of the Divine Will is open to all who are willing to be perfected in personal holiness. I have given you the way to perfection in the Divine Will through the mystical Chambers of Our United Hearts.

The key to enter these Chambers is the submission of your will."

■ **October 23, 2016.** "I am your Jesus, born Incarnate."

"The Journey through the Chambers of Our United Hearts dispels all confusion and lack of trust in a world so intent upon distancing itself from God. The more man trusts in himself and his own efforts, the more I withdraw My Hand of Protection and Guidance. It is then mankind makes destructive choices."

"The soul however, intent on making the Journey through the Chambers of Our United Hearts, grows deeper and deeper in personal holiness. He does not allow his choices or decisions to be influenced by popular opinion or faulty leadership. His decisions are always based upon Holy Love. His decisions reflect obedience to the Ten Commandments through Holy Love and never support sin of any kind."

"There is no justification for not following the Journey through Our United Hearts. There is no truthful reason to disbelieve. No call to obedience should lead you away from this Journey in Holy Love. You are being called to holiness through Holy Love just as I called each soul when I walked amongst you. The Chambers of Our United Hearts is Light on the path of holiness."

■ **October 24, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"As you see the climate changing outside from Summer to Fall, so too the political climate has changed from focusing on issues to character assassination. Attention to the issues is healthy and reveals each candidate's capabilities in leadership. During this election season, however, there is a brisk and howling wind attacking the morals of the candidates. The depth of honesty in a person's makeup is important. However, too much focus is on past transgressions of moral conduct. What matters is where a person is now morally."

"A person cannot redefine Truth to suit his or her own purposes. This is the bad fruit of the spirit of ambition. Some would say or do anything to gain power and office. This same spirit of ambition disregards the needs of others in favor of what best serves self. This election is highlighting the worst side of politics. Unfortunately, it does not stop on a secular level, but reaches into the politics in Church circles, as well."

"Pay attention to the issues when you support any leadership. Do not be confused or distracted by the wind of character assassination."

■ **October 25, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"This is how governments are overthrown - by illicit collusions, dishonesty, hidden agendas and disregard for freedoms and human rights. All of these things are taking place in your country as I speak to you. Most people do not recognize what is actually taking place. They regard this as just another election. However, your nation is progressively moving towards a dictatorship, as the people have less and less say in the way the government is being run."

"Legislators are using what appears to be good to accomplish evil. Once again I caution you, do not accept at face value - polls, election returns or promises of candidates. These are staged and designed to manipulate the hearts and minds of good people."

"You must realize that Satan does not want this country to be one nation under God. He is attacking your sovereignty and trying to dissolve your borders. His goal is chaos and disunity. Do not be so foolish as to think you should allow one and all into your country out of charity. In charity, demand that your government protects you."

"Realize that many excuses for dishonesty are dishonest in themselves. Your nation is fast approaching that point in time when those in power will no longer be held accountable. This is possible as a direct result of corruption in the legal and judiciary systems. Soon the future of your country will be only in the hands of a corrupt few, if you do not choose wisely in this election."

■ **October 26, 2016.** St. Thomas Aquinas says: "Praise be to Jesus."

"There is grave danger in supporting strictly liberal opinions. Liberalism leads to support of every type of debauchery and sin as a freedom. This is the type of rule, or lack of rule, you had in Sodom and Gomorrah. The morals in the day of Noah were liberal. Yet today, man has not learned from the past. Therefore, God holds him more accountable."

"Governments based upon liberalism eventually lead to the collapse of nations. Liberalism represents vulnerability to evil. It is in governments the open door to chaos. There is insidious danger in the attitude that liberals must be allowed to voice their opinions while conservatism is oppressed and persecuted. Christian viewpoints which support the Ten Commandments are never in-line with liberal thinking. Therefore, in any liberal government approval of sin leads the nation to ruin."

"Loss of freedom weakens right reason. Soon the

liberal viewpoint is accepted out of necessity. This is the direction your nation is headed unless people realize the dangers of liberalism."

■ **October 27, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"When dishonesty becomes a character trait of a person, it touches and becomes a part of everything the person says, does or thinks. It is like a poison that seeps through the cracks of the person's existence - contaminating his goals and priorities. Such a person cannot be trusted with responsibilities or with overseeing the welfare of others. This has always been so, however now more people are in the limelight that have proven to be dishonest."

"If I told you the depth of corruption in government circles, you would be appalled. You can readily see how the mainstream media and even the F.B.I. have been compromised in favor of one candidate over another. Do not naively believe that dishonest people would support an honest election. Every weakness in the system will be exploited. This is all fed by a disordered spirit of ambition which is kindred to the spirit of dishonesty."

"Honesty is the broom which must be allowed to sweep away every compromise of Truth."

■ **October 28, 2016.** "I am your Jesus, born Incarnate."

"The conspiracy and illicit collusion circulating around this election, and, in particular one candidate, have been in place for many years. A successful election of this candidate would mean the conspirators would own the office. Honesty would not be a consideration. Only the hidden agendas within their hearts would motivate their thoughts, words and deeds."

"Let Me be clear that the agenda in such hearts is more power for the government - less freedom for the people. All of this is geared towards leading this once brave and independent country into the New World Order."

"Already this election has cost the integrity of the election process, the code of office, the judiciary system and the F.B.I. All of this and the election is not yet final. If you haven't noticed, your nation is being torn in two. It is past the hour for the government to be returned to the people."

"Your founding nation was united in prayer - prayer to defend the right to pray. Be united once again in a prayer to defend all of your rights."

■ **October 28, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is

here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, leave all your decisions from voting to the smallest decision in the present moment upon Holy Love. This way you will always be living according to God's Holy and Divine Will."

"Tonight, I am blessing you with My Blessing of Divine Love."

■ **October 29, 2016.** "I am your Jesus, born Incarnate."

"Honesty arises from integrity of heart. There are many in the public eye today who are eager to excuse themselves of any lie no matter its impact on world affairs. In this nation, in particular, the conspiracies and hidden agendas are coming to light, as well as the cover-ups."

"The smoke of Satan has reached the highest office of leadership. Many are misled. Many do not concern themselves with honesty so long as they are embraced and affirmed with power and money. This is chipping away at your freedoms and the Constitution."

"The ambitious ones are the greatest threat, for they would do or say anything to maintain their positions of importance and to advance to positions of greater influence."

"The limelight of power is like a contagious disease that lures its victims away from honesty and Truth. The cure of this disease is to love God above all else and neighbor as self - Holy Love."

■ **October 30, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"The heart of the world finds itself adrift in a sea of confusion, as it is no longer open to the Spirit of Truth. Consciences have chosen to redefine Truth to their own liking in ways that please themselves, but not God. This is how the lines between good and evil have become obscured. This is why people are being considered for high office who support evil. This is the reason sins have been defined as legal rights. I speak of course, of abortion and the redefinition of marriage in unisexual relationships."

"The Holy Spirit, the Spirit of Truth, is constantly trying to call souls back into the Light of Truth. He cannot succeed unless souls first recognize the Truth and acknowledge their error. Pray, My children, that souls return, in humility, to childlike faith in the Truth. This prayer alone could save the world from grave disaster."

Read 2 Timothy 1:13-14

Synopsis: Hold firm to the doctrines in the Tradition of Faith as taught by Jesus Christ. Through the Holy Spirit, guard the Deposit of Faith.

Follow the pattern of the sound words which you have heard from me, in the faith and love which are in Christ Jesus; guard the Truth that has been entrusted to you by the Holy Spirit who dwells within us.

■ **October 31, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Let's set aside worldly concerns now and begin. Before you lend political support to anyone, you must know what is in the person's heart. If it is concealed in subterfuge, you really do not know what you are supporting. Ties with outside influences, webs of power and money and concern for a hidden agenda such as the One World Order, all influence certain hearts. These are not openly and honestly revealed. Most do not recognize these things but support what is on the surface. Then, when the person fails to deliver as promised certain things, they are sorry for their choice. But, I am warning you now. With some politicians, what you see is not what you get."

"Look for honesty. The person who lives in the Truth has nothing to hide - nothing to be investigated. Do not allow evil collusions to overpower your government. Make your choices wisely. Always remember, people who hold hidden agendas in their hearts do not seek your welfare first, but their own."

■ **October 31, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, you have many decisions and many issues at stake in this upcoming election. If you keep your hearts centered on Holy Love and the Truth, you will make the right decisions according to God's Divine Will."

"Tonight, I'm blessing you with My Blessing of Divine Love."

November 2016

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints and angels appear on the property at Maranatha Spring and Shrine. The Messages given to the visionary, Maureen Sweeney-Kyle, lead the soul on a spiritual journey into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

Monday, December 12: 2:30 p.m. Meet at the United Hearts Field for a **Procession, 3:00 p.m. Prayer Service and Promised Apparition**

■ **November 1, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, today I celebrate with you the heroic efforts of each one of you in personal holiness. You have learned to sanctify the present moment in Holy Love, thereby consecrating each moment to the Will of the Father. You understand My dependence upon your prayers and sacrifices, as I use each one of them to distribute grace around the world."

"I am always by your side, but most especially when you pray - hoping with you for the unforeseen, praying with you for victory over every difficulty. Be at peace in the midst of strife. Feel secure under the Mantle of My Protection."

Read Romans 8:24-25

For in this hope we were saved. Now hope that is seen is not hope. For who hopes for what he sees? But if we hope for what we do not see, we wait for it with patience.

November 1, 2016. Mary, Refuge of Holy Love says: "Praise be to Jesus."

"If enough continue to pray, good will be victorious over evil in this election. Know that every 'Hail Mary' prayed from the heart is like an arrow which pierces the heart of Satan. Do not accept that the victory is already won but pray, pray, pray."

■ **November 2, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"In this election, as in any election, you have a plethora of rumors, accusations and misinformation being circulated. You, as voters, must sift through all of this. You know the saying: 'Forgive the sinner but hate the sin.' In this context, you must consider if there is a consistent personality trait, such as dishonesty, which is not being corrected. If you elect a dishonest person to office, you do not know what you are getting. Such a one could promise you anything to get your vote and then fail you. In all likelihood, this would happen. You are justified in not trusting or supporting a candidate who routinely lies."

"The high office of Presidency must be clothed in honesty, forthrightness, without hidden agendas or self-interests clothed in financial gain. The government needs to be an extension of the people it governs. This would preclude any tendency to rule by control. This election is on the cusp of deciding many issues. The greatest of these is new appointments to your Supreme Court, for this is the body that determines the morals of your nation. The law which sets these Justices in place for a lifetime needs to be amended."

"Pray before you vote. Ask the Holy Spirit - the Spirit of Truth - to guide you."

■ **November 3, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"We cannot let the most qualified presidential candidate lose in this election. Coming to light, is the depth of corruption in your federal government. Playing into this is the corrupt mass media. I must tell you that the great breach of national security is not open borders - although that is a genuine threat. It is the confidential information made accessible to evil through Mrs. Clinton's emails."

"You must not place dishonesty, collusion and disregard for the citizens of this country in the highest position of this nation. Pay attention to your own welfare and the inheritance of democracy for future generations! Even now, the mainstream media has failed you and does not give you the Truth. You must depend upon outside sources, such as WikiLeaks, to uncover the Truth. It has never been so in this free nation before."

"Pray for significant hearts to open to the Truth and inform others as to Truth's reality."

■ **November 4, 2016.** "I am your Jesus, born Incarnate."

"These are the times in which you must be ever vigilant as to what you accomplish through obedience. It is an increasing danger to be influenced into following error by being misled through title and authority. The lines between liberalism and traditionalism will begin to be more clearly defined now. Many will be tempted to follow more lenient viewpoints, both in the secular and religious world."

"I caution you, as well, about blindly choosing unity. Unity is good only in as far as you are united in the Truth. Much evil is accomplished under the pretense of unity when it is really unity towards an evil end. Truth must be your standard bearer. If you support those who do not support or speak the Truth, you put on dishonesty as a garment, as well. I stand as Judge over your choices."

■ **November 4, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Believe that I weep and grieve the loss of every innocent life due to abortion. Also, believe that I weep copious tears for those who support abortion. They do not live in the Truth or in the Will of God."

■ **November 4, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, do not let the mainstream media choose for you who you vote for. You should support the ones who are most reflective of Holy Love."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **November 5, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"With the future of your nation at stake, the pending results of this election have divided your country in two - liberal versus conservative, but I am here to tell you with God there is no half measure."

"If you are liberal in accepting abortion, then God considers you liberal, even though you may hold conservative views on other issues. In God's Eyes, the liberal is one who tries to redefine the Truth to suit his own purposes without regard for God's Laws. Therefore, a liberal is calling down upon himself God's Judgment."

"You do not have to participate in abortion to support it. It is enough to vote for a candidate who supports abortion to lend support to this sin. These days, people are more interested in rights than sin. This is being portrayed in this election."

"This life in this world is passing like a leaf in the wind. It is what you hold in your heart at the moment of your death which determines your eternity. Do not let it be the support of abortion."

■ **November 6, 2016.** "I am your Jesus, born Incarnate."

"When you cast your ballots for this person or for that, remember your decisions and opinions follow you into eternity. Therefore, be certain your choices reflect Holy Love. You must not concede on any issue - the right to life, the embrace of the Constitution, affordable healthcare or the honesty of the candidates themselves. To concede on one issue is to compromise on them all."

"The candidates for presidency could not be more diametrically opposed. The future of your nation and of the world depends upon the outcome of this election. Choose according to Holy Love."

"Do not be afraid of opposition to your choices as they affect you. Be cautious of such opposition as it affects the heart of the world. The more liberal the conscience of the world, the farther it is from the Will of God. An amoral society, full of collusion and corruption, does not bode well for a nation that seeks the respect of other nations or that should be a world power."

"I would like to tell you everything is straightforward and honest, as it should be, in this election, but it is not so. Pray that cyber piracy is uncovered and voter fraud remedied. I am praying with you."

■ **November 6, 2016.** St. Joseph says: "Praise be to Jesus."

"Parents should make a point of discussing political issues in their home as their children mature. This way they are educated in good versus evil."

■ **November 7, 2016.** "I am your Jesus, born Incarnate."

"Dishonesty has brought many a government to its knees. Dishonesty weakens the fabric of relationships with citizenry and other nations. A person, no matter his rank in life, that is dishonest in some ways, carries that trait into all his endeavors. Such a one cannot be trusted. Do not be so naïve as to think otherwise."

"Any election is your chance to choose good government, but especially this one. Do not cast your vote for gender or personality - but for each one's stance on issues. Vote for God's Will to be accomplished through your choices."

■ **November 8, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Mankind can predict the coming of clouds, the shining of the sun - snow and rain - but he cannot predict the actions of free will. On this Election Day, let us pray that Truth influences free will. I will pray with you."

■ **November 8, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"These days, evil consorts with evil to attain its own end. I am calling upon you, My children, to unite in the Truth to accomplish God's Mighty Will for this country and for the world at large. You do not see nor comprehend the threats to your security that lie in hearts. A great leader would be challenged by such threats. A less than great leader would fail."

"Pray for God's Protection over your nation. Pray that the Spirit of Truth prevails in this election."

■ **November 9, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus." Our Lady is smiling.

"I have come to congratulate you and your country on your choice for the next President. Many innocent lives in the womb will be spared now. Religious freedoms will be restored and preserved. Your Supreme Court will maintain loyalty to the Constitution. Progress will be made in becoming independent of foreign oil. Your country will regain its dignity, power and respect amongst friend and foe alike. I am very pleased. I could not tell you who to vote for. I could only make your choices more clear."

"Continue to pray for your president-elect."

■ **November 9, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"It is important to realize that it is not getting elected to office that brings about much needed change. It is the courage of the elected official to lead in righteousness that makes the difference. You have chosen such a one who will not falter under political pressure. No one can 'buy' his

support. This is important for real change to take place."

"You are about to see a return to Christian morals in this nation, as it sets an example for the world to follow."

■ **November 10, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I would like us to continue to celebrate the victory of Mr. Trump's election to the White House. Many errors and weaknesses of policies will be reversed when he takes office. Your country will be more secure, as the borders will be reestablished. Evils will be overcome and this nation will be more financially secure. All of these things will be realized, as your leaders bring God's Sovereignty back into the picture."

"You can already feel the enthusiasm of greater security under God's Dominion just by contemplating the new regime. Your nation was faltering on the brink of being led into the New World Order. Now it is taking a deep breath and regaining its sense of freedom, democracy and well-being."

"I am taking a deep breath with you. Truth is victorious."

■ **November 11, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"What a profound moment in history - this grace of Mr. Trump's election! While this is the giant step needed to redirect the future of your nation, there are still evil collusions of power in the world today which we must pray against. These powers oppose democracy, the right to life and many other rights you have grown accustomed to. I urge each of you to pray with courageous zeal that all you hope this new administration will accomplish will be realized for the good of the world."

■ **November 12, 2016.** "I am your Jesus, born Incarnate."

"I have come to tell you that My Heart is greatly appeased and less Mournful as a result of the election in your country. Now be united in an effort that the heart of your nation conforms to the 'new morality' of Truth before the Eyes of My Father. Thank you."

■ **November 12, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I invite you to see that there is more than one transition at hand. Your country will be dealing with the exit of one president and the enstatement of another, but also, the conscience of your country will now be challenged. Liberal actions, laws and opinions will not be accepted under the new administration. Thanks be to God! The citizenry will be challenged to comply with God's Truth. Those who have sheltered their errors in power and authority will no longer be protected by errant laws. Moral decisions made by your judicial system will be challenged. The 'new morality' will be God's morality. The 'new morality' will be a return to God's Truth."

"This is all good news and the good fruit of your prayers and sacrifices throughout this nation. Once again, as you thank Jesus and Me for the tenure of grace ahead, please know, that we thank each one of you for your 'yes' in prayerfulness for this to happen. Continue to pray for a smooth transition for the conscience of your nation."

■ **November 13, 2016.** "I am your Jesus, born Incarnate."

"As you begin to understand the immense impact of this unprecedented political victory in your nation, please understand that the conscience of your country was touched and moved by heavenly grace. If the results had been reversed, poor and compromised judgment would have led this nation into its demise. So, once again, I come to thank each one for accepting the grace of recognizing good over evil. We can move forward now together on the same path of victory. Human rights from conception to natural death will be championed. ISIS will be identified and confronted. Your Supreme Court will return to a God-given orientation. Much more will be accomplished which has been torn apart by far-left political support."

"I rejoice with you."

■ **November 14, 2016.** "I am your Jesus, born Incarnate."

"I come to you today on the threshold of a new era - an era under President Trump. It will be more dedicated to security within this nation, as well as prospering around the world. I am calling this nation to thrive in Holy Love - to love God and neighbor. As a sign of Holy Love to other countries - many evil plans of errant nations can be averted."

"I desire all people and all nations unite in this era of Holy Love to attain God's Will in a world that has been misled and misinformed by Satan's cohorts. No one can be converted outside of the Truth of Holy Love. Return, O Man of Earth, to love of God above all else and love of neighbor as self."

■ **November 14, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I come once again to thank you for your faithful, hopeful and loving prayers, for the victory of good over evil in this election. Be assured that My Prayers continue for you and your needs and I place everything in the Heart of My Eternal Father. Continue to pray for the new regime in your government that it succeeds in everything it has promised."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **November 15, 2016.** "I am your Jesus, born Incarnate."

"The problems within this nation will be resolved under this new regime, but not without some division. With the passage of time, this president-elect will prove himself to be one who cannot be manipulated or coerced into alternatives from his resolve. Much will be accomplished. Your nation will be stronger and so too the world, as terrorism will be confronted vigorously."

"Do not believe - no matter who says this - that to be charitable you must generously give 'carte blanche' to all refugees. That is a reckless approach and uncharitable to the legal citizens of this country who deserve protection from terrorists seeking to slip in under the guise of seeking refuge. A 'safe haven' for refugees should be established in the Middle East and funded by all nations. This type of charity would succeed without the threat of weakened national security."

"Take pride in your borders once again. View immigration as a privilege - not a right on demand. It is not just the underprivileged who have rights, but each and every

person from conception to natural death. When this new regime begins, a breath of fresh air will blow across this nation."

"None of this would have been possible without a concerted prayer effort."

■ **November 16, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, I your Heavenly Mother, remain thankful to all the Holy Angels who stood guard over each voter and every ballot cast in this election of good over evil. You must show gratitude as well, by thanking the Angels from your heart."

■ **November 16, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Your nation has witnessed the great power of prayer, as you experienced the victory of good over evil in this election. Dear children, do not put your rosaries to rest. There are evil forces from within and from without bent on weakening your nation and ushering it into the New World Order. Do not be complacent but pray that every evil is recognized and vanquished."

"I urge you, be united under the president-elect God has given you. Disunity is encouraged by enemy forces and leads you away from God's Holy Will. Be of one heart and one mind and stop searching for ways to circumvent authority that God has set in place. Such efforts only succeed in confusion and chaos not of God."

"Follow one straight path now towards unity in good over evil. Do not lose your focus. That which causes disunity is not even an issue, but a distraction."

"Pray, pray, pray."

■ **November 17, 2016.** "I am your Jesus, born Incarnate."

"In order to restore peace in your country, I must first restore peace in all hearts. Hearts influenced by outside agitation, for whatever reason, have chosen an unstable way of life."

■ **November 17, 2016.** "I am your Jesus, born Incarnate."

"I cannot change free-will choices, but I can influence them by means of circumstances of grace. The depths of My Heart hold profound desires for the direction of mankind, not the least of which is a firm spiritual foundation along the path of Holy Love."

"Sometimes the influence of grace seems to be a negative, while in reality it is drawing the human will into dependence upon Divine Providence. In retrospect, the soul is able to see that the path he was forced to follow through circumstances was really the best path for him, even though not of his own choosing."

"Give thanks in every circumstance and in all things, as My Hand of Provision is never far from you. I am always changing human plans into My Plans."

■ **November 18, 2016.** A large angel is here. He says: "Praise be to Jesus."

"I am Zechariah - the guardian angel of this country.* It is long past time for the harvest of good over evil. The winnowing fan of Truth will separate now good from evil in the inner sanctum of this government and pronounce victory

over dishonesty - transparency over guile. The misled who do not desire unity will fall by the wayside. Power and money will not bring about the desired results of a few."

"The path towards the New World Order, will no longer be lurking in the shadows as a lion searches out his prey. All plans will be laid bare and nothing concealed."

"Rejoice with me!"

* *The United States of America*

■ **November 18, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, continue to trust in the way My Provision comes into your personal lives and into the Heart of the Ministry. It is your trust that propels the Father's Will forward."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **November 19, 2016.** "I am your Jesus, born Incarnate."

"The hope of the populace of your nation is to unite behind the newly-elected president I have given you. It is past time to listen to the political opinions of those who embrace error. It is time to disregard the errors of the mainstream media who hold secret agendas in their hearts. Be united in the Truth, for therein lies your strength in this world so fraught with danger."

"I have not given you a weak leader, but one who sees clearly what is needed, when and where. In the future, his strength, which will become the strength of your nation, will be tested. Stand behind his decisions which I inspire him to have."

"There are those of great economic influence who are in the background trying to promote discord. Their efforts will become less and less effective as the positive strength of the new regime takes hold. Be united in faith and Truth."

■ **November 20, 2016.** "I am your Jesus, born Incarnate."

"As I speak to you, plans are being put in place for your country's repair. It is like a broken vessel which must be glued back together. If the repair is taken seriously and done with care, it can be 'like new' or, in the case of this nation, like it was when it rose to world leadership. There are in the world many nations in similar disrepair. The difference is these nations do not acknowledge the 'cracks' in their leadership. The citizens do not see what is slipping away in the forms of freedom and ideology. Therefore, the 'cracks' go unattended."

"My hope is that as this nation begins its repair and returns to the reality of Truth, other nations will take heed and begin to follow suit. No error can be corrected until it is first recognized. The enemies of traditional freedom have much to fear now, as they will be clearly seen for what they are."

"Once again, people need to pay attention to where leadership is taking them. Do not be a complacent follower. Pay attention to the 'cracks' in leadership. Work to repair them with the glue of Truth, as this nation is doing now."

■ **November 21, 2016.** "I am your Jesus, born Incarnate."

"The piecing together of a broken object takes much

energy, concentration and patience. The end result should be a return of function with hardly any lingering effects of its previous broken state. This is how it should be with the government of this country and hopefully the heart of the world. Little by little the brokenness caused by errant leadership must be corrected. Normalcy, which considers the welfare of the people, must return."

"An honest government is transparent, holds no hidden agenda in its heart, and is by the people and for the people. This type of government is close to My Heart and heals the Wounds of My Heart. It does not support sin or relinquish morality to the judicial system. Such a government does not encroach on moral decisions by making sin legal."

"It is My hope that this is the type of government now being formed under your next president."

■ **November 22, 2016.** "I am your Jesus, born Incarnate."

"A strong leader is resolved and confirmed in the Truth. The Truth supports his followers and allows them to grow according to God's Plan. A leader who tries to control does not lead but becomes a dictator. Such a one does not support the Truth as the Truth is not in his heart. This is how evil agendas are conceived and hidden from the people. The one who leads towards the welfare of the people is open to the Divine Will. The one who chooses to control, leads according to his own agenda."

"In the world, you have various forms of leadership - some based upon the Truth, some on secrecy and still others based upon terrorism. The heart of the world, that is all people and all nations, needs to take a close look at just how and where it is being led. If you are following someone bent on personal gain - be it power, riches or authority - you need to disengage yourself from living under such a leader. A leader is only as strong as his influence over others. Do not lend strength to evil agendas by uniting with them."

■ **November 23, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, it is My hope that all people and all nations glean from this most recent election the fact that prayer can change the course of human events. Prayer reveals evil and encourages good. This nation would not have existed long if this were not so."

"As a nation, the prayer effort moved hearts to act in good stead and to oppose the evil which threatened not only this country, but the world. You listened to Heaven. You listened to the Holy Spirit. Be encouraged to know how much your prayers counted. Continue to pray today that the president-elect makes wise decisions and follows through on his campaign promises."

■ **November 24, 2016 - Thanksgiving Day.** "I am your Jesus, born Incarnate."

"Today, I am thankful that the people of this country rose up and united in support of the Truth. Never before has the entire world been so jeopardized by the politics of one man - your now lame-duck president. While I am thankful, as you should be too, for the turn of events in this election, I am asking your continued prayer effort that your current president does not multiply his errors before he leaves office."

"This is what happens when a person executes his office

for himself and not for the welfare of the people. Power, influence and legacy become the impetus of all decisions."

"You have seen the power of prayer in this election. Have faith that every prayer and sacrifice, no matter how small, is significant. Together, we can bring the president-elect safely into office to repair the broken vessel that is this nation."

■ **November 25, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"These days, I tell you solemnly, the politics of the world parallel Church politics. This is because each one is a human effort. You have some good and strong leaders in both realms, but also some leaders who choose self-agendas over everything else."

"Before you support someone, you must pray that you follow someone who respects God's Laws. Repudiate anyone or anything to the contrary. Beware of selfish ambition which is the hallmark of a poor leader. Do not believe that title rectifies error. Once again, I remind you, it is not who you obey, but what you obey that counts in God's Eyes."

"I am praying that your country and the world unites in one heart and one mind in Holy Love."

Read Philippians 2:1-4

Synopsis: Imitate Christ's Humility by living united in the Truth that is Holy Love.

So if there is any encouragement in Christ, any incentive of love, any participation in the Spirit, any affection and sympathy, complete my joy by being of the same mind, having the same love, being in full accord and of one mind. Do nothing from selfishness or conceit, but in humility count others better than yourselves. Let each of you look not only to his own interests, but also to the interests of others.

■ **November 25, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, Advent is approaching. This year I desire that you offer each day of Advent that political parties be united in Holy Love. This is the way to making wise decisions."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **November 26, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, tomorrow begins the season of Advent - a season of joyful expectation for the coming of Christmas. This year and in this country, we have a second reason to be joyful, as we await the coming of a new regime in your government. This new era will allow God His Dominion over the hearts that make morally important decisions - decisions which affect long-standing laws which protect and encourage sin, the economy which has oppressed more people than it has helped, not to mention national security. I see a nation that will be able to return to a feeling of well-being. What a

wonderful and long-awaited Advent!"

"At the same time, I must tell you, there are those in the background scrambling to undermine good by using their bountiful resources to incite unrest and further acts of violence. Those that have much, plan to take from those who have little."

"Dear children, stay faithful to your rosaries for this is the way to stay close to Me. I will never abandon you. Let us celebrate Advent together."

■ **November 27, 2016.** "I am your Jesus, born Incarnate."

"We are beginning the season of Advent with joyful anticipation of the coming Feast of Christmas. My Heart is joyful as well, as good has won out over evil in this country. At the same time, I warn you, there are those who do not concede to good, as they fail to recognize it. I can tell you, that anything or anyone who supports globalization is not supporting good. I call for unity under Holy Love. The New World Order calls for unity that makes clear the way for the Antichrist."

"Your current president will be tested before he leaves office for the enemy knows and will exploit his weaknesses. When the new president steps in, he will be tested as well, but he will prove to be an adequate adversary of evil."

"Together let us rejoice this day with a prudent caution towards the future, knowing full well that the enemy never sleeps."

"Once again, I encourage you to pray that all recognize good as opposed to evil."

Read 2 Thessalonians 2:9-12

Synopsis: Prior to Our Lord's Second Coming, by the aid of Satan, the Antichrist will be revealed and will perform acts which men will falsely regard as miracles and by means of which they will be led to follow him who will be proclaimed as the Christ for they have not received the love of the Truth. They will thus adopt sinful practices and erroneous doctrines that will lead to their perdition.

The coming of the lawless one by the activity of Satan will be with all power and with pretended signs and wonders, and with all wicked deception for those who are to perish, because they refused to love the Truth and so be saved. Therefore, God sends upon them a strong delusion, to make them believe what is false, so that all may be condemned who did not believe the Truth but had pleasure in unrighteousness.

■ **November 28, 2016.** "I am your Jesus, born Incarnate."

"I come to you today as Prince of Peace seeking the settlement of the heart of the world in Holy Love. Everything which opposes Holy Love opposes peace. I do not discount anyone who chooses not to believe, even if they use obedience as a reason. Unbelievers weaken the chain of love that I am attempting to wrap around the heart of the world. No matter the reason not to believe, disbelief weakens good."

"You must understand the urgency of these times in order to understand the urgency of My Call to you to accept and live in Holy Love. Every effort in good is countered by Satan's lies, as he misrepresents evil as good. Satan uses

the legal system and religions to oppose Christian values."

"As your nation is pieced back together, the Truth of Holy Love will need to be the glue which holds it together. I am asking the heart of your nation to become a viable vessel of Holy Love - a countersign in an evil age, just as My Mother's Heart is. Let the heart of this nation become a sign to all nations of peace and security through Holy Love."

■ **November 29, 2016.** "I am your Jesus, born Incarnate."

"Good will always be challenged by evil until Satan's final defeat when I return. Therefore, understand there is not time to become complacent in any victory over evil. Be on guard and arm yourselves with Truth."

"Truth is the weapon which destroys Satan's lies and reveals his plans for what they are. Therefore, Truth is the victory of good over evil. You must not think that any one person can be victorious over every evil by himself. Much prayer support is needed - especially in the case of your president-elect. He is a strong leader but cannot be left to fight the battle on a mere human level. The world is engaged in spiritual warfare, which is portrayed in terrorism."

"Each one of you is in this war as well, as Satan tries to lessen your desire to pray and sacrifice. Each of you needs

to be courageous in overcoming his evil attacks. The first step is to recognize his actions which oppose your prayer. Then take countermeasures. All of you are involved in this worldwide spiritual war in some way. Pray for wisdom."

■ **November 30, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Your country is at a very crucial time in its history. It can choose to return to its Christian-Judeo roots it was founded on or it can continue its illicit tolerance of those who oppose such values."

"If the latter is chosen, your country's attempts to rebuild will not come together as is planned. It would be like trying to glue a broken cup together with glue that is not strong enough. The new hope of this nation is to return to Christian ideals. It is not a Christian ideal to harbor and protect evil. It is charitable to identify evil and to oppose it. This way the effects of any evil upon the country as a whole are minimized."

"All the parts make up the whole. Therefore, it is each one's responsibility to choose Christian values as a means of strengthening this country."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

December 2016

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints and angels appear on the property at Maranatha Spring and Shrine. The Messages given to the visionary, Maureen Sweeney-Kyle, lead the soul on a spiritual journey into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

■ **December 1, 2016.** Mary, Refuge of Holy Love says:
"Praise be to Jesus."

"Dear children, you are beginning to see a change in motives of actions in your government from one of self-serving ambition to one of concern for the welfare of the people. When the government acts in a Christian way, the same attitude trickles down to the general public."

"You will have, in the near future, leaders who listen to you and act on your concerns. The integrity of your nation, as a whole, will be fortified, as a result. It is far different to be living under a government you can trust to make fair and honest decisions than to be subject to leaders following a one-way path into the New World Order."

"Nations that concede to affiliating with the One World Order will find their sovereignty slip away along with their voice in government matters. The leader who will rise to power from their midst will be the Antichrist. Many will be deluded by his signs and wonders. Hold yourselves aloof from this. Stay close to me in simplistic humility."

"Dear children, you were chosen to live in these times to be a sign of Truth amidst confusion and hypocrisy. Pray to be My instruments in every present moment."

Read 2 Thessalonians 2:9-12

The coming of the lawless one by the activity of Satan will be with all power and with pretended signs and wonders, and with all wicked deception for those who are to perish, because they refused to love the Truth and so be saved. Therefore, God sends upon them a strong delusion, to make them believe what is false, so that all may be condemned who did not believe the Truth but had pleasure in unrighteousness.

■ **December 2, 2016.** "I am your Jesus, born Incarnate."

"Continue to choose Truth over compromise. When a soul or a nation tries to re-define Truth, distance is placed between himself or the nation and God's Will. This is how authority is abused and whole nations are misled. This is why you have confusion and lack of direction in the world. This is why your nation has become like a broken vessel which must be returned to the Potter for repair."

"Nations and the world can be united without submitting to a global government. A One World Government invites evil into leadership. The world can pull out of this downward spiral away from God by

uniting in Holy Love. That is the unity I have come to inspire and encourage."

■ **December 2, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, continue in your efforts to pray for the heart of your nation that it become a sign of Christian morals and values in this evil age; thereby, an example for other nations to emulate."

"Tonight, I am blessing you with My Blessing of Divine Love."

■ **December 3, 2016.** "I am your Jesus, born Incarnate."

"I continue these Messages here as a pulpit for the Truth. In the world, there are many whose role is to define sin and support good, but they fail to do so. They may be in prominent positions as religious leaders but they place popularity above leadership in the Truth. Their titles are deceptive and garner much influence over many."

"As it is, I continue to lead you along the path of Holy Love - the certain way of salvation. Do not falter in your journey due to lack of approvals from others. Many like criticisms were lodged against Me when I was in the world. Persevere."

■ **December 4, 2016.** "I am your Jesus, born Incarnate."

"I caution you, there are outside agitators investing in promoting dissent in your country. They do not want your president-elect to be strong in his leadership. Their motive is to confuse the people and eventually lure your nation into the One World Order. But their tactics do not stop at promoting unrest. They hope to weaken the money system. With a weakened economy, your country would have less influence worldwide. You can see that these agendas have already been promoted by your current administration."

"I tell you solemnly, not to support good, strengthens evil. You cannot stand idly by trying to decide if you should support the new president or not. Once again, I remind you – not to choose is to choose. Your nation will be as strong as the unity of its citizens behind your new president."

■ **December 4, 2016 / First Sunday Family Night Service - For the Conversion of the Heart of the World.** St. Joseph is here and says: "Praise be to Jesus."

"During this season of Advent, prepare your hearts with Holy Love for the coming of Jesus. Let your hearts become as little stables, little chapels of Love ready to welcome Him. Each family then will be like little chapels

of Holy Love."

"Tonight, I am extending to you my Fatherly Blessing."

■ **December 5, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Your president-elect is now surrounded with good angels. This makes it easier for good and sound decisions to be made. It was not and is not so with your current president, who opened himself up to much evil due to lack of wise discernment. That was obvious. Pray that he does not use his last days in office towards further detriment of the country."

"There are many choices as yet to be made. Unite in prayer that each decision is wrapped in Holy Love. The more your government reflects Holy Love, the more God will protect it. Much protection is needed as there is much evil all around that you do not see nor anticipate. No matter the situation, I am your Refuge, your strength."

"When agendas lie hidden in hearts, it is a certainty evil is at play. Beware of guile and manipulation. Look for simplicity and humility first and then it is safe to trust."

"Persevere in praying for Holy Wisdom in your leaders."

■ **December 5, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight as you finish the Rosary you are prepared to celebrate the Season together. I will celebrate with you. I will celebrate the many lives in the womb and souls that have been saved because of your prayers. Return here often to pray; I need the sacrifices."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **December 6, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"You are asking Me if Donald Trump is in danger. Of course, there is always danger when a person is in such high profile. Furthermore, as Mr. Trump represents change which many object to, he is even more the target. However, do not discount God's Divine Providence and the workings of grace. God weaves all things together to make the beautiful tapestry of His Will. Therefore, even the distorted thinking of a few radicals becomes less of a threat than you may imagine."

"Mr. Trump is courageous and very outspoken. All of this is necessary to the changes upcoming that he proposes. It is good to pray for his protection but do not let it become a distraction."

■ **December 7, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, continue to pray in earnest for President-elect Trump. He will be making life-changing decisions in the future, and decisions which will affect the future of the world. Pray that his heart - his conscience - is guided in Holy Love, for this is the way to peace."

"Prosperity is not only economic growth, it is the sense of security and well-being emanating from strong leadership - leadership that is not full of self-interest, but the welfare of those he leads. In today's world, peace can only be assured through military power. Therefore, it is good to support a stronger military. To appear weak invites danger and aggression on the part of any enemy. The enemy of all peace is Radical Islamic Terrorism. This evil hides in hearts and then spills out into the world. Be watchful for any one individual or group of people who show sympathy towards such beliefs."

"I am praying with you. I am enthusiastic about many aspects of this country's future. You are under My Mantle of Protection."

■ **December 8, 2016 - Solemnity of the Immaculate Conception of the Blessed Virgin Mary.** Our Lady comes radiant, all in white. She says: "Praise be to Jesus." I wish Her a Happy Feast Day. She smiles and nods.

She says: "Today, especially, I point out that your nation is under My Protection in this title (Immaculate Conception). Your National Shrine and your country have been dedicated to My Immaculate Conception. So it is, I remind you that I defended your nation against the tyranny of British rule in the Revolutionary War. Years later, I held this nation together during the Civil War when the sin of slavery threatened to divide it."

"Most recently, I defended your nation against the tyranny of an administration that had no regard of the democratic process or the Constitution. Now I am holding together your country as it struggles with the division of liberal versus conservative - essentially evil versus good."

"In each of these cases, the people had to realize the problems they faced or are facing - unite - and seek a remedy. I pray this will be so today. The enemy is always on the prowl and seeking ways to confuse and destroy good. He often comes clothed in good, but conceals his agenda."

"So today, I pray that all Truth is victorious. I thank God for this Mission and its fruits. Continue to pray for My guidance."

■ **December 9, 2016.** "I am your Jesus, born Incarnate."

"The future of your country and the welfare of its

citizens no longer rests on the political guile of a few powerful politicians. Politics will no longer be the game caller, as your nation will be led by common sense and wisdom."

"This is a breath of fresh air for a nation so controlled by the whims of the establishment who held in their hearts the path into globalization. The globalization I call for is worldwide Holy Love. This is the ideal that will bring world peace."

■ **December 11, 2016 / Sunday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please understand and accept in your hearts that peace and Holy Love are never separated. When you live in Holy Love you will be at peace."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **December 12, 2016 / Feast of Our Lady of Guadalupe - 3:00 P.M. Service.** *(This Message was given in multiple parts over several days.)* Blessed Mother is here as Our Lady of Guadalupe. She says: "Praise be to Jesus."

"This country is so fortunate that it is returning to its traditional values which it was founded on. In the Church, however, Traditions are slipping away and not stressed. This is being accomplished in an insidious way under the guise of bringing souls back to the Faith. But what faith are they returning to? The Real Presence, sin and personal holiness are not stressed. The Commandments are not valued. Few there are who keep holy the Sabbath. Mass media supports every type of sinful behavior and is not challenged from the pulpit."

"When I appeared to Juan Diego centuries ago, the Protestant Reformation was underway. Today, I tell you, many Protestants have stronger faith and love of God than many cradle Catholics. My Image on the Tilma, which has not deteriorated, does not reflect the faith in hearts which has ebbed away."

"These things are generally not spoken of so as to save feelings and not make anyone uncomfortable. I come as your loving Mother during this age of confusion, to help you to recognize the Truth. There are two Churches in what is known as the Catholic Faith. One supports Tradition. The other confuses its followers by fringing on new rules and definitions, but not quite endorsing them. The time fast approaches when these two will be even more visible."

"Dear children, you have heard Me say often that what is in hearts then spills out into the world. Every evil is formed first in the heart. This is also true of good, as was proven in the most current presidential election."

The people were tired of corruption, dishonesty and disordered control, and they chose otherwise. The good fruits of this will be apparent soon."

"I desire you understand the term 'globalization'. It means to unite and spread something worldwide. This is good if it is Holy Love, which I desire people be united in worldwide. However, there is an evil globalization being promoted by those of great influence these days. It would unite all governments and open the door to an Antichrist as the leader. I urge you to pray for discernment so that you are not tricked by false signs and promises."

"When you come here to this site you will receive the properties of discernment, which if put to good use, will help you to decide good over evil."

"Dear children, I come to you today as the Virgin of Guadalupe. I invite you to realize that every problem, every confusion and each situation is matched with God's Grace. It is up to the soul to cooperate with the graces given. The greatest of all graces is God's Mercy, which is offered at the last moment of every soul's life. The repentant heart should always have hope then."

"Dear children, once again, this evening I urge you to pray often for the welfare of your new administration. Those who oppose the changes that are in the works are not above criminal acts. I count on your prayers to bring My Protection upon the administration."

"I'm taking your petitions with Me to Heaven this evening and will place them on the Altar of My Son's Most Sacred Heart."

"To all here present, I'm extending My Blessing of Holy Love."

■ **December 13, 2016.** "I am your Jesus, born Incarnate."

"This is the season of joyful anticipation, as you await the celebration of My Coming to earth and arrival in the stable. This year, however, this country can also celebrate the arrival of a new regime in Washington with the coming inauguration of a new president. I will celebrate with you, as hopefully this will draw to a close an amoral era in your nation."

"It is not wise to give blanket approval to just any refugee. Many come looking helpless but in their hearts hold evil plans. There are many already here whose presence bears the possibility of grave consequences. Future natural disasters will be handled more appropriately under new leadership. Social unrest will be less important and less of a threat, as outside influence will be disarmed."

"Let this be a season of hope for I am hoping with you."

■ **December 14, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"When you go out into the world, you must first take into account the weather and dress appropriately. You have different coats providing adequate insulation against the cold. So it is in the spiritual world. The soul faces many dangers and threats to his well-being. His insulation or protection is prayer. Sometimes he may need many prayers to ward off evil. But always prayer is his blanket of protection."

"The muffler and mittens you wear provide added protection. In the spiritual world, the muffler and mittens would be the prayers of others - all needed and greatly missed if they are not added."

"Do not go unprotected in the icy-cold world today, whose biting chill wind arises from unprecedented evil schemes. Draw upon God's Protection and pray, pray, pray."

■ **December 15, 2016.** "I am your Jesus, born Incarnate."

"What causes disunity in hearts and in the world is peoples' inability to distinguish good from evil. These apparitions come to you to help you make these decisions - good as opposed to evil. My Call throughout the ages has been to be united in good. Holy Love defines good and therefore defines evil, as well."

"It is Satan's intent to confuse the difference between good and evil and therefore, cause conflict in choices and opinions. These conflicting opinions are what causes tension between people and nations."

"Guard your hearts with a firm knowledge of Holy Love. This knowledge - if translated into words and actions - is My Victory."

■ **December 16, 2016.** "I am your Jesus, born Incarnate."

"I tell you solemnly, everything I have created is coming together now either to aid My Victory or to oppose it. Events are moving quickly to a head and unfolding through good and strong leadership and poor and weak leadership. I am impressing upon the hearts of those who follow Me the urgency of these times and the importance of their unwavering unity."

"Your strength is in unity of purpose. Do not allow Satan his hour of division, turning good against good."

"From the most desperate situation in the Middle East, to the confusion within Church leadership, to the mighty resurrection of this nation, I am aware of your every need. I am with you."

■ **December 16, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, place all your petitions and needs in My Divine Heart. It is in My Heart you will find strength and courage. I will listen to your needs

and your petitions. I may even grant the miraculous according to My Father's Will."

"Tonight, I am blessing you with My Blessing of Divine Love."

■ **December 17, 2016.** "I am your Jesus, born Incarnate."

"While the malcontents continue to challenge Mr. Trump's victory, real problems are arising due to your sitting president's inaction and lack of leadership. I am speaking of course of the collapse in the Middle East - mainly Aleppo. Many are suffering grave difficulties which could have been avoided with a little effort on the part of Mr. Obama. Now you need to unite in prayer for the survival of the victims."

"I do not suggest that you open the borders of your country and invite all the victims in. I do suggest some arrangement be made in close proximity to where the victims are that would be a safe haven. Where is the U.N. in this?"

"In Holy Love, we must not stand idly by and watch such suffering. Lack of action has resulted in the present situation. The blood is on the hands of those who could have helped but chose to lead from behind."

■ **December 18, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"You will always have in your midst wars and the threat of wars, pending economic collapse and the ill choices of poor leadership. These realities are no reason to lose hope or to cease trusting in the Lord. God places in the world strategic remedies that guide and support you through every challenge. Sometimes it comes through people. Other times certain and profound graces unfold as solutions, such as this Ministry. If you trust, you will readily see the ways God is leading you."

"Learn to depend on God - His Grace - and not so much your own efforts apart from God. The Father is knitting every one of your prayers, sacrifices and efforts together into a fine tapestry - a work of art, that in Heaven you can present to Him. Every stitch is a present moment in time."

■ **December 19, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Every season carries with it certain characteristics. In your part of the world, it is the season of winter which bears cold and snow. In your country, you are entering the season of hope through profound change. For those who believe in and accept this change, there is peace and joy."

"Today I come once again seeking the season of Holy Love in hearts. The acceptance of Holy Love is the stumbling block that prevents such a victory. Acceptance is easy if self-love is conquered. Unlike the

season of snow which is God's natural provision, a season of Holy Love is accepted or rejected by man himself."

"Satan does not want your peace and therefore, attacks your acceptance of Holy Love at every opportunity. Do not be unsuspecting, but be watchful of who and what circumstances oppose Holy Love in your heart. The hearts who abide in Holy Love are My army of believers whom I count on in these final hours - this season of preparation of My Son's Return."

Read 2 Timothy 2:13

If we are faithless, he remains faithful - for he cannot deny himself.

■ **December 19, 2016 / Monday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, as you prepare your hearts for this Christmas, make of them little mangers, each straw being a new prayer or sacrifice. Pray for the liberals, that they recognize the great compromise of their positions. Truth cannot be compromised in such a way."

"Tonight, I'm extending to you My Blessing of Divine Love."

■ **December 20, 2016.** "I am your Jesus, born Incarnate."

"The collapse of the economy in other countries can have an effect upon the economy in your own nation. Even though your president-elect will take positive steps in strengthening this nation's economy, no nation can thrive independently from every other country."

"Therefore, when you pray, pray for the economic well-being of all nations. Pray that a global economy does not take control of much of the world, plunging it into the whims of one leader."

■ **December 22, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"This season you are in is a season of love, peace and joy. These days, however, mankind searches out love, peace and joy in all the wrong ways. He seeks fulfillment in his own will, not in loving and accepting God's Will. This is the way the enemy has infiltrated governments, religions and inspired every sort of action contrary to Holy Love."

"The competitive world promotes success in worldly ways. In Jesus' Eyes, success is in littleness - hiddenness. The world opposes genuine virtue and supports the disingenuous in the forms of guile and secret agendas. These are always accepted through self-love."

"The more the soul can die to self, the more he will be at peace - the more he will experience the love and joy deep within that only God can give. This peace is genuine, unflappable and unprovoked by any problem. It does not come to you through anything the world holds dear."

■ **December 23, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Dear children, as the celebration in commemoration of the Birth of My Son draws near, I invite you to search your hearts for anything that may stand between your heart and the Heart of God. Are you consumed with self-concern or concern for the welfare of others? Do you hold a disordered love of the world - created and natural things - in your heart or do you love God first? Do you waver in trust when God seeks your trust?"

"I cannot answer any of these questions for you. Ask the Lord in prayer to place the Truth in your heart so that you can be closer to Jesus on Christmas Day."

■ **December 23, 2016 / Friday Service - For the Conversion of the Heart of the World.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the inner recesses of My Heart hold a special place for each one of you. The entrance to these secret places is Holy Love."

"Tonight, I'm blessing you with My Blessing of Divine Love."

■ **December 24, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"On that night, so long past, we traveled away from family and friends into the unknown. Where would we stay? What if the God-child within Me was born so far from home? All of these anxieties were temptations not to trust. We just kept moving along in God's Will until we reached Bethlehem."

"Moment by moment these events unfolded - not as we wanted or expected - but according to God's Plan. Joseph was a stalwart source of strength and I could feel St. Gabriel's presence. Many angels accompanied us. We accepted every closed door and every 'no' just as Jesus today accepts the closed doors of hearts."

"Make room for Him in your hearts this Christmas Eve. Open the door of your heart and invite Him in. He awaits your invitation."

■ **December 25, 2016 – Christmas.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"When My Divine Son's presence filled the manger, our dank surroundings faded from sight. No more chill or damp encompassed us. No more foul odors filled the air. There was a soft light that embraced the

manger and a brighter light all around Him. Joseph and I felt deep and abiding peace, love and joy. The manger became a pulpit, bespeaking alliance with God's Will, humility, love and simplicity."

"This is the environment the shepherds stepped into. Immediately they knew this was no ordinary Babe. This is the atmosphere which the angels hovered over - always adoring the Incarnate Word."

"These days, My Son is still with you in the Eucharist. So many do not accept this grace and His Love goes unattended. His Presence in the Eucharist is a great treasure, which, if acknowledged in Truth, could still change many events yet to come."

"This Christmas, Jesus, Joseph and I are with you, dear children, in many unexpected ways. Look with the eyes of grace."

■ **December 26, 2016.** The Blessed Virgin Mary says: "Praise be to Jesus."

Blessed Mother comes holding Baby Jesus. He has two Fingers up as though giving a blessing. Our Lady says: "My Son came into the world to reign over good and evil, rich and poor, those who live in Holy Love and those who do not. Mankind's acceptance or rejection of His Dominion does not alter that."

"He holds in His tiny Heart the resolution to every mystery known to man. However, these answers elude those who trust too much in human effort and not in humble submission to their Creator. The One Who created everything came into the world without fanfare, in squalor, yet transformed the hearts of millions. His Birth and His Life did not fit into the social character of the times or reflect the Kingship of His Dominion. Yet in living in the Truth, without compromise, He fulfilled His Holy Mission."

"Today, He comes to bless every effort in Holy Love. Pray for all unbelievers that they accept the miracle of His Birth and live in Holy Love, which is the Truth."

■ **December 27, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Please comprehend that the abuse of authority and the compromise of Truth which make My Son's Heart mournful are set in place by the abuse of free will. It is through the abuse of free will that man chooses to redefine God's Laws to suit his own purposes. The liberals choose to take life from the womb, act out against law and order, and endanger the security of this country with open borders."

"My Son will not interfere with free-will decisions, but I tell you, many slip to their perdition due to their choices. It is of no account that these people think they are 'right' in their thinking. God has given them the Commandments and Holy Love to help them on the path of salvation. In the final judgment, it is Jesus'

opinion which counts."

"The abuse of free will has taken place since the beginning of time. However, these days, liberalism has taken over more hearts than ever before due to modern forms of communications. This is why the situation is even more desperate than Sodom and Gomorrah."

■ **December 28, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"I invite you to understand that free will is the doorway to sanctity or to sin. The conscience is the deciding factor which determines the use of free will. It can be likened to a car. The driver would be the conscience and the car would be free will, which goes where it is made to go. It is the conscience which chooses the Truth or tries to redefine Truth to please himself, thereby altering free-will choices."

"God does not interfere in free-will choices. He offers His Commandments, Grace and Holy Love to help the soul determine the right path to follow - the path of Truth and righteousness. If the conscience is well-formed - that is grounded in Holy Love - the soul will not be opened to compromise and his free-will choices will be salvific."

■ **December 29, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"So, it is, that whatever the conscience accepts as Truth is like a rudder on a ship - propelling the soul along the path of Truth or the compromise of Truth. These days, whole nations and ideologies have compromised Truth as their foundation. The laws of a nation are a reflection of the conscience of the nation. Selfish ambition on the part of lawmakers often thwarts the Victory of Truth."

"When mankind received the Commandments, he received the Truth of the way God wanted him to live."

Any variance from the Commandments written in stone is compromise. The foundation, the conscience of every nation, should be grounded on these Commandments."

■ **December 30, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"These days Satan is vengeful against all those who prayed Mr. Trump into office. Therefore, stand guard over your hearts and know that the grace of My Heart will see you through every situation. Avoid discouragement, judging others and false accusations. In all ways, put on Holy Love, which personifies patience and gentleness. Do not allow problems to consume you and to defeat your trust in My grace."

"Every situation is a new opportunity for you to show your love and trust in Me and for Me to demonstrate the power of My Grace. Therefore, be at peace in the midst of problems and victories."

■ **December 31, 2016.** Mary, Refuge of Holy Love says: "Praise be to Jesus."

"The success of any government depends upon its adherence to the Truth of man's dependency upon God. All events are under God's Domain from the smallest to the greatest. While sincere efforts towards peaceful solutions may be made, any effort not grounded in Holy Love will fail."

"Mankind needs to place God back in the center of his heart and the center of the universe. Actual Truth is recognized in a sincere effort to please God. As it is, man makes every problem bigger than God and resolves issues many times with a sense of hopelessness. Lack of trust does not please God and weakens every prayer effort."

"On this eve, dawning on a new year, take heed."
