“In the world I am establishing the Confraternity of the United Hearts.”
Jesus, September 15, 1999

This topical study is a fruit of the *Confraternity of the United Hearts of Jesus and Mary* and can be viewed and printed from website: www.AngelsOfMaranatha.org.

United Hearts of Jesus and Mary means the mystical union of the Hearts of Jesus and Mary that began at the moment of Jesus’ conception, never to be parted.

The Confraternity of the United Hearts promotes a journey of sanctification through devotion to the United Hearts of Jesus and Mary. The entire journey is based on trustful surrender through love and was established to order lives towards God’s intended purpose: Eternal life in the Holy Trinity through sainthood.

“Be you therefore perfect, as also your heavenly Father is perfect.”
MT 5:48

The first Constitution of the Confraternity of the United Hearts was drafted in the Fall of 1999 by Archbishop Gabriel Gonsum Ganaka of the Catholic Archdiocese of Jos, Nigeria and, at the request of Our Lady, it was officially inaugurated in the Catholic Church on the Feast of the Annunciation, March 25, 2000, by the Apostolic Administrator of the Archbishop’s diocese.

ABOUT THE FOUNDER OF THE CONFRATERNITY
ARCHBISHOP GABRIEL GANAKA (1937-1999)
His Grace, the Late Most Rev. (Dr.) Gabriel Gonsum Ganaka of the Catholic Archdiocese of Jos, Nigeria, founded the Confraternity of the United Hearts shortly before his death in 1999. He was a native of Plateau State, Nigeria.

Archbishop Ganaka occupied important positions both within and outside this Archdiocese, including:

- Appointed a member of the Congregation for the Evangelization of Peoples by Pope Paul VI
- Appointed to the Canon Law Review Commission and the Pontifical Council for Interreligious Dialogue by Pope John Paul II.
- Served as President of both the Catholic Bishops Conference of Nigeria and the Symposium of Episcopal Conference of Africa and Madagascar (SECAM).
- He was a leader and representative to many international pastoral events, including the World Day of Prayer for Peace and the Millennium of Christianity.

The Archbishop was known by all for his loving pastoral approach to his flock, his innovative evangelization which impacted the Church at large, and his role as the Charismatic Renewal leader in all of Nigeria. His Grace promoted the Divine Mercy devotion and other devotions throughout his diocese, and under his care, priestly vocations soared.

THE CHAMBERS OF THE UNITED HEARTS
OF THE HOLY TRINITY AND
IMMACULATE MARY

The Door to Each Chamber is
Deeper Surrender to Love - the Divine Will

In 1997, the Archbishop became acutely ill and was flown to the United States for medical treatment. One of his flock came to Maranatha Spring and Shrine, the home of Holy Love Ministries, to seek Our Lady's intercession and subsequently introduced him to Holy Love Ministries and the all-important messages of Holy and Divine Love. His Foreword graces the pages of the book *Holy and Divine Love: The Remedy and Triumph*.

Archbishop Ganaka established the Confraternity of the United Hearts, with the international headquarters in Nigeria. He wrote the Constitution for the Confraternity before his death on November 11, 1999, exactly three months to the day from when he introduced the visionary and other Missionary Servants of Holy Love to Pope John Paul II.

On the joyful occasion of the visit by the visionary, Maureen Sweeney- Kyle, with the Holy Father in August of 1999. Her husband, Don (lower right), the Late Archbishop Gabriel Ganaka (top left), and Rev. Frank Kenney, her Spiritual Director (1994-2004) (top center), accompanied her on the visit.

Crisis of Faith

May 6, 1996

“The reason I come, the reason you must make clear, is that so many souls have lost their way and I have come to lead them back on the path of salvation. The way Jesus has given Me is Holy Love, which He taught when He was on earth. I am preparing souls for My Son's return,

March 1998

“My Mother is using Holy Love like John the Baptist used the waters of the Jordan to prepare for My public ministry. Through Holy Love, She is preparing Her children for My Return.”

“In today's world there are many obstacles to the faith. The greatest of these is that My children do not recognize the truth. Then it is easy for Satan to spread his lies and make the truths of the faith indistinguishable from error. This is not only true where faith is concerned, but also in moral issues and the distinction between good and evil.”

“Today the crisis of faith claims more souls than any natural disaster has ever claimed victims. The casualties in this war, however, are lost for all eternity.”

“Please comprehend in your hearts today that the remnant is now taking shape because of mankind's decisions against the true deposit of faith, not because of natural or man made disasters, but loss of faith as the greatest disaster.”

July 1997

“Your country is in great peril, for it does not embrace love of God but love of self. It governs by human conscience instead of the Ten Commandments.”

“Dear children, the purpose of all the graces Heaven pours out here is to bring souls back to God. Understand that these days the world has fallen off course and is not in harmony with the Father's Divine Will.”

June 2006

“The world at large can be compared to Sodom and Gomorrah multiplied a thousand times over. What withholds the Hand of Justice are the small pockets of those devoted to prayer, especially the rosary and to the Tradition of Faith. Such a site is this Mission here, and also the areas it has reached throughout the world.”

August 2006

“Today I am pouring ‘buckets’ of grace into the world, hoping to get the attention of humanity and to save the world from disaster. These Messages and this Mission are a great portion of that ‘bucket’ of grace. Through the graces offered here, I hope to snatch humanity from the grip of Satan’s clutches.”

November 1999

“It is only through Divine Love that souls will be able to persevere through what is to come in the future. It is through My message of Divine Love I am fortifying the remnant faithful. With one mighty blow I will smite the proud hearted. The faithful I will sustain in My everlasting Mercy and Love.”

Crisis in the Church

“The heart of the Church is embattled, for many have chosen to make their own consciences a false pope. They pick and choose and decide for themselves on matters of faith and even dogma. What is more confusing is that such as these continue to label themselves Catholic. They are not!”

“Today, I tell you, My Mother is calling together an army of victim souls, all of whom are Her handmaids--ready to serve Her in any way possible. This is the army that combats the apostasy, heresy and compromise which sweep through the Church challenging the faith.”

“My dear brothers and sisters, you must realize the woundedness of the Church today. She is weaker than she has ever been before. She has been overwhelmed by confusion. It is by prayer and sacrifice that the Holy Mother Church will be able to recover.

2003

“To those who consider themselves Catholic, the truth is the Tradition of Faith as handed down through the ages and through John Paul II. Catholics need to be familiar with Catholic tradition so that they do not fall victim to compromise.”

The Remedy

“I come to raise up a mighty army of apostles - apostles of Love. This army of Holy Love must transform the world. Some are soldiers of active duty - evangelization. Others are victims offering their sufferings much as a supply line.”

September 2004

“Those who surrender themselves completely to My Mother in such a way will feel Her reciprocating love. Indeed, She will make of Her Immaculate Heart an open sanctuary of grace for these victim souls. These precious souls will not succumb to the enemy’s attacks, nor shall they suffer beyond their means.”

“I come that you might have this weapon—“Mary Protectress of the Faith”—with which to wage war against the

enemy who seeks to destroy your faith.”

“How necessary this title of Mine the Lord has chosen for Me. What power and grace come into the soul that repeats it—professes it. Before this title, Satan is made to flee. Then I fill the heart with peace, understanding and wisdom. I tenderly draw souls into My Heart by this means.”

October 2005

“It is important that you understand that what you have been given here—the Revelation of the Chambers of the United Hearts and My title, Protectress of the Faith and Refuge of Holy Love—is the solution to the evil that pervades hearts, and so, too, the world.”

February 1998

“Dear children, tonight I address you as the holy and faithful remnant Church. I invite you to stay close to the TRUE FAITH by frequenting the sacraments and keeping yourselves pure. My children, the time that remains is crucial and decisive. You must remain united in the Flame of My Heart, which is Holy Love.”

July 1997

“Promulgate the Image you have before you (Mary, Refuge of Holy Love). In this Image is the culmination of all My apparitions during this century. It is the Refuge of the Immaculate Heart spoken of at Fatima. It is the promise of an era to come spoken of at Garabandal. I speak of the crown over My Heart, which foretells the victory of the United Hearts and the triumph of the Church over evil. The cross on My hand represents a dogma which is coming - Co-Redemptrix. I am pointing to My Heart, calling humanity into this safe Refuge. This Refuge is Holy Love. When you live in Holy Love, you imitate My Heart.”

“Make your lives simple. Let your hearts center on your relationship with God. Then all you need will be given. Your faith must be your anchor as you ride out the seas of these tumultuous times. My Immaculate Heart is your life boat.”

October 2004

“I have sent My Mother here to this site and I come Myself, too, with the purpose of drawing My people closer to God through Holy and Divine Love. Let your hearts be filled with this Message. Respond to My Call to conversion, holiness and sanctity. It is not too late to change the course of human history.”

“Wars, natural disasters and unprecedented disease will escalate until love is accepted in hearts and there is harmony between Heaven and earth. Do not be distracted by these things which are symptoms of an ailing society, but remedy the cause by spreading the Messages of Holy and Divine Love.”

May 2003

“Certain events will occur universally that will be compelling towards surrender to Divine Providence. Hearts which do not know how to surrender - hearts which do not trust in Me - will fall into despair. Manifest will My grace be in the hearts and lives of those who trust. You cannot compare the small tests you have had in trustful surrender with what lies ahead if more hearts do not hasten to their conversion.”

“Understand that salvation through the Messages of Holy and Divine Love are as a life preserver to a humanity who is drowning in self-love.”

The Mission

January 2004

“This is why this Mission exists today—to spread the commandments of love through all nations. Those who oppose you — oppose Me. Those who assist you will receive My assistance. Each soul is called to evangelize Holy Love.”

August 2003

“Besides leading souls deep into My Divine Heart, the role of this Mission is to expose evil so that My lambs do not stray. So often My priests have let Me down in this.”

December 1999

“Foretold in Scripture is every sign of My Second Coming. The foolish do not see this mission for what it is, oil in the virgin’s lamp.”

“When the illumination of consciences comes, the Flame of My Heart will engulf the world. Old and young, pharisees and theologians, hierarchy, priests and laity will know where they truly stand before God in the light of Holy Love. Towards this end, the Mission is preparing people to begin their conversion—to change their lives and live according to Holy Love.”

May 1998

The effects of this Mission in the world are a telling sign that My Son's return is imminent. Therefore, prepare yourselves with much prayer and with hearts of love.

July 2006

"My brothers and sisters, you must realize that the Mission here involves emptying your heart of self and filling it with love of God and neighbor. You cannot do this by yourself, but only through the help of Heavenly grace. Therefore, pray that you receive all the grace you need to love God and neighbor above all else."

October 2005

Jesus: "I come to you, as I always do, to change the heart of the world through Holy and Divine Love. This, indeed, is My sole purpose for being in your midst. It is the reason Heaven communicates with earth at this site. It is the cause of all the miracles and graces here at this site of predilection—to change the thoughts, words and actions of all humanity into Holy Love."

"In the light of all this, I invite you to a deeper understanding of this Mission in the world today. Heaven is establishing this Mission internationally as a gateway to the New Jerusalem which is the reign of the Divine Will in all hearts. The gateway to the Kingdom of the Divine Will is My Immaculate Heart. The Kingdom cannot be established in the world until all hearts are cleansed in the Flame of My Heart which is Holy Love. It is this Flame of Love which reveals and convicts all error. Therefore, understand that the Church itself must pass through this Flame in order to be re-established in the Tradition of Faith."

March 2002

"This is why the message and the mission here of Holy and Divine Love far exceed any in attempting to form hearts in love."

"The mission here—though ecumenical—will continue as a strong link to orthodoxy and tradition. It will become even stronger and sought out as a spiritual refuge amidst blight. It is the unrepentant whose hearts I have come to change. These are the ones who do not look into their own hearts. They do not try to earn their salvation through love."

Prayer

Help me, my Jesus. Help me to give you my whole heart just as You gave Yourself entirely to me in Your Passion and Death--just as You give Yourself completely to me in every Mass and in the Holy Eucharist."

"Stand guard over my senses so that my heart will not be conflicted by things of the world or others' opinions."

"In this present moment, assist me in giving to You an undivided heart." Jesus 10/22/2007
