The Rosary of the Unborn Accentuates Pro-Life Day

Saturday, July 2, 2011, was designated as Pro-Life Day at Maranatha Spring and Shrine.

Pro-Life activities were offered in the afternoon for the many pilgrims who came for the weekend to celebrate the Feasts of the Sacred Heart, Immaculate Heart and United Hearts.

The Children's Rosary in the White Madonna Shrine was a 'full house'. Children excitedly took a seat in a large circle and took hold of a gigantic Rosary of the Unborn made especially for them. Parents and friends looked on with delight. Then all prayed the Rosary of the Unborn following simple meditations written especially for children.

Pro-Life videos were shown in the Mary, Refuge of Holy Love Chapel preceding the guest speaker for the afternoon, Mr. Declan Waters from Waterford, Ireland.

Mr. Declan Waters speaks to pilgrims

Mr. Waters has been a part of Holy Love Ministries for many years and diligently promotes the Rosary of the Unborn, and the messages on the Revelation of the United Hearts, throughout Europe. Mr. Waters described himself to the audience as "a Missionary from Ireland". He went on to say, "A missionary is a person on a mission with a message. My message is the most important message for the world today. It is the message of the Rosary of the Unborn. The Rosary of the Unborn is the new sacramental which will conquer abortion and is given by Heaven for the world today."

Mr. Waters used a home video to

acquaint the audience with the scope of his work in promoting the Rosary of the Unborn. He has brought the message of the Rosary of the Unborn to Poland, Malta, Germany, Spain, Portugal, Lithuania, France and Ireland. He has introduced the Rosary of the Unborn to people by sharing it with them one-on-one, speaking at conferences, rallies and universities, and by using TV and radio.

Mr. Waters encouraged the audience to use every opportunity that comes their way to let others know about the power of the Rosary of the Unborn.

He concluded his talk by saying, "Holy Love is your path to victory. Prayer and sacrifice your weapons. Do not cease to understand the importance of every prayer in the fight with the enemy on the battlefield of spiritual warfare, especially with the Rosary of the Unborn." ■

The Feasts of the Sacred Heart, Immaculate Heart and United Hearts – July 1 - 3, 2011

The celebration of the Feasts of the Sacred Heart, Immaculate Heart and United Hearts, with two consecutive midnight apparitions, took place at Maranatha Spring and Shrine on July 1-3, 2011.

Thousands of pilgrims made the journey, despite the fact that it was a holiday weekend. Many enthusiastic pilgrims commented that they would much rather come to pray the Rosary than be at a picnic. While another group of pilgrims joyfully responded, "We brought the picnic."

As one pilgrim, also a bus leader/organizer, so beautifully shared with us, "It was July 4th weekend and many of our friends and family were heading to the pristine beaches of Cape Cod or the majestic mountains of Maine or New Hampshire. This holiday weekend is one of fun and relaxation, so it's natural that they thought it was odd that we were going on, of all things, a pilgrimage and a religious one at that! Most of our culture cannot comprehend what would possess a family to do such a thing, especially on a holiday weekend, and our family is

no different. We had the honor and privilege of visiting Holy Love as a family a few years ago and the United Hearts touched our lives in a special way."

Pilgrims traversed the property, talking, sharing and praying, beneath a peaceful blue sky on Friday. The weather became more challenging on the second day, with warmer temperatures and an evening rainstorm, during the Rosary, which was riveting. Pilgrims were very tenacious and persevered in praying and holding onto their umbrellas. As our bus leader describes, "It was a warm, sultry summer evening when all of a sudden a cool breeze swept in. A short while later, just prior to the apparition, a pelting rain commenced testing the will of all those in attendance; it was relentless and there was no place to seek shelter." The rain subsided at the end of the Rosary and all noticed the intriguing warm soft breeze that seemed to float through the crowd.

At the conclusion of each midnight prayer service the message received from Heaven was read. ■

Midnight Service at the United Hearts Field

(This message was given in multiple parts over several days.)

Our Lady is here as Mary, Refuge of Holy Love. She has five large angels with Her. She says: "Praise be to Jesus."

"Dear children, a good mother always tries to foresee and forewarn her children about imminent danger. So it is, that I, your Heavenly Mother, have come to caution each of you concerning the dangers at hand."

"In the world today, there is an evil undercurrent seeking to destroy nations by attacking national pride and independence, and offering a 'New World Order' as the solution; but this is not the 'unity' God is calling you to. Dissolving national borders is not God's plan for unity. God is calling you to disintegrate the boundaries in your hearts which oppose Holy Love. You must be united spiritually first in Holy Love before you can have true unitive peace in the world."

"My dear children, Satan, these days, shows his hand in destroying once worthy and reliable institutions in an all-out effort to bring people into this proposed one world government. I speak specifically of the institution of marriage, religious institutions, financial institutions and governments. There was an age past when the enemy of your salvation lured people secretly into his traps; now he is bringing his dirty work to light. Now it is difficult in righteousness to know who to trust. All of this is Satan's plan to destroy your security. He wants you to turn to one leader - his leader. But remember, if all power and authority is given to one leader, all control is given to that person, as well."

"This is why this Mission has been established here amidst much confusion - even opposition. We will persevere - admonishing error no matter the source. We must be the light of truth for the frightened and the confused. We must be the consolation of truth for all people - all nations."

"I have come to be present with you and to remind you that all the parts must equal the sum. Therefore, My children, realize that all your transgressions against the truth, which is Holy Love, must equal God's Justice. Today the world is

in peril for it has compromised the truth and sinned for the sake of pleasure. In many countries, abortion has been legalized; same sex marriages not only are accepted but made legal. Now people feel they have the 'right' to sin - the 'right' to offend God."

"Do not be surprised that there is no peace in any of this. When you compromise the truth, the result is confusion, chaos and insecurity. Peace will come when all people and all nations surrender to God's Divine Will which is Holy Love. I cannot tell you this with any more clarity."

"Dear children, your rosaries, especially this one [She holds up the Rosary of the Unborn] are your weapons which can bring about victory both in hearts and in the world. With this rosary, abortion can be defeated."

"Unite your prayers to Mine tonight so that we can have one heart. Pray with Me that truth is victorious in every heart; then sin would be revealed for what it is. There would be no more wars, no more legalization of sin, no more false religions which promote terrorism. Truth brings with it the companion of peace. When all live in the Light of Truth, you will have genuine peace, a peace which cannot be negotiated or construed by human effort."

"Dear children, thank you for believing in Me as I believe in you. There are many false rumors circulating about Heaven's efforts here. Do not believe any of the negative opinions; only come and help Heaven to save souls through your prayers and your efforts in personal holiness."

"Dear children, the time is short - the time as you know it. You must pray often throughout the day, and turn your hearts over to Me in every difficulty. In My Heart is your victory. In My Heart is the defeat of the enemy - the enemy of all souls. So, My children, let us be united. Let us work together."

"Tonight I am taking all your petitions to Heaven with Me, and many will be answered."

"I'm blessing you with My Blessing of Holy Love." ■

Midnight Service at the United Hearts Field

(This message was given in multiple parts over several days.)

(A torrential thunderstorm with much lightning began during the rosary, and ended abruptly at the end of the prayer service!)

(Luke 9: 24-26)

First I see the United Hearts Image; then Jesus and Blessed Mother appear. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "I come not to alarm humanity but to draw all people and all nations into the embrace of Our United Hearts. Please understand that what is to come in the future has already been set in motion by the Hand of My Father. I do not know the hour of its unfolding - only the Father knows. The hope I offer is that there is still time for My Mercy to mitigate what will come. If the world does not repent of its self-reliance and turn to Me, there will be less mitigation."

"The best preparation for what lies ahead is preparation of the heart in Holy Love. In this effort, the soul brings his needs to Me first, and then waits for inspiration of the Spirit. In this preparation through the Chambers of Our United Hearts, you will be at peace even in the midst of chaos. You will sense My direction in you. You will know

the next step to take. The Chambers of the United Hearts open the Gateway to the New Jerusalem. So, then, if you are citizens of the New Jerusalem, fear will not settle upon your hearts."

"I tell you in all truth, the most valuable possession anyone can own is Holy Love in his heart. Therefore, understand that you should stockpile, not goods of the world, but warehouse Holy Love in your hearts. You do not know and cannot comprehend the length and breadth of Justice. But you do understand that no one enters Paradise outside of My Father's Will. You must understand My Father's Will for you is Holy Love. Therefore, let Holy Love be the lifesaving commodity you focus upon, for Holy Love gives you eternal life."

"The most important thing these days is to be God-reliant first - trusting in My Provision, which always leads you to your salvation. In this trust, My Royal Provision will be yours. I will lead you as to steps to take - directions to go. If you discern properly, you will be at peace. If you trust only in your own efforts, My Hand of Protection will not rest upon you. In plain language, I am saying, keep your focus on God's Divine Will - Holy Love - all else will be given. You will know what to do and when to do it. We will prepare

together for any event in the future.
This is God-reliance."

"Please comprehend the urgency of
My need for Divine Love to spread
around the world beginning with
these Messages of Holy and Divine
Love. I desire the Flame of Divine
Love be as a great conflagration,
spreading across every continent,
igniting devotion in every country and
inspiring every heart with a sincere
desire for personal holiness."

"Those who call Me 'friend' but do
everything in their power - including
lies and calumnies - to oppose this
Mission, do not know Me; nor do I
know them. Search for Holy Truth and
you will find it here at this site and in
these Messages. Do not oppose Me.
Do not join in league with Satan."

"I invite you, one and all, to claim your
salvation by living in Holy Love. Do
not affiliate with those who do not
support human dignity and freedom
from conception to natural death.
Be My apostles of love through and
through."

"My brothers and sisters, thank you for
persevering amidst much opposition
and Satan's discouragement tonight.
Heaven weeps for those who do
not accept the Light of Truth in their
hearts. You're being blessed by
many lights - lights from Heaven that
I am giving you as a gift aside from
the storm Satan is trying to scare you
away with. Persevere in the face of all
opposition."

"I love you, My brothers and sisters,
and We're extending to you tonight the
Blessing of Our United Hearts." ■

Message of July 6, 2011

Blessed Mother says:
"Praise be to Jesus."

*"Today I have come to
point out that despite
the storm during the
time of the apparition on
the Feast of Our United
Hearts, Jesus and I were
still with you. Ultimately,
we brought peace to the
people who persevered
with faith."*

*"So it is in the storms
of life; Jesus and I are
present, even in the
midst of you. We ride
out every storm – every
difficulty – with you; then
we give you peace."*

The Complete Image of the UNITED HEARTS of the BLESSED TRINITY and IMMACULATE MARY

"This feast day of Our United Hearts is the feast of every soul who seeks sanctity through the Chambers of Our United Hearts. It is a journey unlike any other. It leads to the temple of God within."

June 19, 2004

The following messages, and excerpts of messages, were given to aid in the understanding of the United Hearts Image - the Complete Image of Love:

June 23, 1997

"...Come to realize, my dear children, that the Image of the United Hearts represents the path, the gateway, the corridor, and the Kingdom which is the goal. ..."

August 24, 2000

"...The Chambers of My Heart are represented in the Image of Our United Hearts. Our United Hearts represent a spiritual journey from the moment of conversion to Union with the Divine Will."

"Further, this union of Our Hearts represents a shared passion and triumph."

"The Immaculate Heart of Mary is the Gateway to the New Jerusalem. My Sacred Heart is the New Jerusalem."

"The Immaculate Heart of Mary is Holy Love. My Sacred Heart is Divine Love. ..."

February 9, 1997

“...The devotion to the United Hearts is the core of the Holy Love message. This union represents most dramatically My union with Jesus through Holy Love. The Image also depicts that Holy and Divine Love (which is the Heart of My Son) belong together. Holy Love is the path to Jesus. It is through living and purifying your own hearts in the virtue of Holy Love that I will lead you into the Sacred Heart of My Son.”

“Therefore, see and understand, that the United Hearts of Jesus and Mary represents union between Holy and Divine Love. This is the union Jesus wants with each soul. This is why He sends Me, so that I am able to lead you into union with Him through My own Heart. ...”

October 9, 1999

Maureen first saw a crown of thorns. Then the thorns changed into roses. Then she saw the United Hearts. And then Jesus appeared. He says, “I am Jesus, born Incarnate. You see, My little one, the crown of thorns represents every cross in every soul’s life. When it changed into the crown of roses, it represented the soul’s surrender to the cross, making it meritorious in My sight for the conversion of sinners.”

“Understand that the crown of thorns encircles My Sacred Heart, and the crown of roses encircles My Mother’s Immaculate Heart. This is because My Mother surrendered to Her spiritual suffering, just as I surrendered to My physical suffering. And each one was meritorious in the eyes of God.”

“Come to understand that living in Divine Love is the Divine Will of God and this means that you accept every cross with love. I’m blessing you.”

January 18, 2007

As I (Maureen) was praying in my prayer room, a large Flame appeared. Then I heard a voice that said:

“All praise be the Blessed Trinity. I am God the Father.”

“You see My Heart before you as a massive Flame. It is the Flame of My Eternal, Divine Will which burns before you. It is this Flame that is the embodiment of Perfect Love and My Divine Will. My Heart is a Flame which engulfs the United Hearts of Jesus and Mary - of Holy and Divine Love - melting Them into Divine Union with My Will, never to be separated.”

“So you see, I present to you a new Image - the complete Image of Love - the Union of Holy and Divine Love completely immersed in the Flame of My Fatherly Heart, which is the Divine Will. Remembering that My Will is made up of Divine Love and Divine Mercy, you must see My Heart as the Will of Mercy and Love. It is the perfection I invite all people and all nations to step into, beginning with the Heart of Mary. It is Eternally My Will in you.”

February 17, 2007

“The Light which surrounds the Image of the United Hearts is the Light of the Holy Spirit, which inspires the soul to enter into a relationship with Holy and Divine Love. It is the Holy Spirit that leads the soul through the process of purification and challenges the heart to go deeper and ever deeper into Divine Love.”

“So you see the completeness of this Revelation of the United Hearts.”

May 9 2009

“...In the Complete Image of the United Hearts, the Flame of Holy Love and the Flame of Divine Love are encapsulated in the Light of the Holy Spirit. They cannot be pulled apart - the union is mystically perfect. Therefore, where the Holy Spirit is acting, Holy and Divine Love are present as well. This is the Divine Will. ...”

May 24, 2009

Blessed Mother says: “Praise be to Jesus.”

“My daughter, I have been sent today with three important promises concerning reverence to the Complete Image of the United Hearts.”

1. “The souls who display this Image and regard it with reverence will receive, by the Hand of the Eternal Father, the grace to draw nearer to His Divine Will, even though the world separates itself more and more from His Eternal and Perfect Will.”
2. “My beloved Son vows the patronage of all the Heavenly Court to such souls who venerate this Image.”
3. “Through the intercession of My Immaculate Heart, the souls devoted to this Image will be protected from heresy; thus, their Heavenly Mother will protect their Faith.”

“Please make this known.” ■

The Journey – a Testimony

In May of 2009, my father became very sick. It started with a problem in his lungs. My father kept getting progressively worse as each day passed. As the weeks went by, the seriousness of his illness increased tremendously. He had a severe form of inflammation in his lungs which prevented him from breathing. The doctors decided to put him on a respirator. This made him suffer even more and did not help him get better.

My father got sicker and sicker. He had many blisters on his face. His body was so swollen to the point of exploding. Each day the diagnosis got more and more disheartening and dismal because they had absolutely no hope for a healing. The doctors suggested removing the respirator from his mouth and placing it in his throat. They thought that perhaps this would help, and provide more relief. As they explained this procedure to me, I felt a great agony penetrate my

heart. I felt that my father was going to die at any moment.

The moment came when the doctors did this procedure. It was so hard to watch and look at my father. I could see that he could not endure anymore. I looked at his eyes filled with tears. I watched him fighting for his life. He had openings in parts of his body because they put in drainage for the lungs so they would clean. It was agonizing and horrible to see that sick body with all the tubes.

Two and a half months went by and my father remained in a coma. There was no improvement. The doctors decided to wait about 15 more days and then remove the respirator. The doctors said there was absolutely no hope that my father would live. They said there was nothing more that they could do because his lungs were totally deteriorated. In the moment the doctors were telling me this, I

Pilgrims fill their containers at the Maranatha Spring pump.

could feel in my heart that God was going to make a miracle with His All-Powerful Hands. I just felt that God was going to give my father a new opportunity for His glory. I didn't know how, but I had trust. I told the doctors not to remove the respirator.

The next day a friend came to the hospital and brought me a small bottle of Maranatha Spring water. With much faith we started to give my father drops of the water with a hyssop because he could not swallow due to his mouth and throat being so sore from the hoses. I don't know how, but in two days we gave my father three bottles of the Maranatha Spring water.

After a few more days the doctors removed the machine. They said that my father was going to die in 24 hours, maximum of 48 hours. They put him in a different room to wait for him to die, to wait for a moment that NEVER came.

Within the time frame the doctors gave, my father started to get better. He started to breathe. His strength returned as each day went by. In less than a month he got his voice back and started speaking. His lungs were like new lungs. The doctors said that they CANNOT explain his recovery. They said it was a miracle!

Infinite thanks to God and Holy Mother Mary. God will never abandon us. He is always with us. ■

Messages on Trust:

Message of October 10, 1998 JESUS

"Record this. My greatest favor rests on those who trust in Me. My greatest graces are reserved for the ones who have faith in My providence. Do you seek Mercy? Trust in Me. Do you seek peace? Trust in Me. Do not place any human effort or provision ahead of Me."

"The more you are detached from self and cling to Me, the more you will trust Me – the more you will be at peace."

February 14, 2003

Jesus is here. He says: "I am your Jesus, born Incarnate."

"I invite souls to understand that peace is the by-product of trust. Trust is your surrender to God's Will in the present moment. The more the soul trusts in himself, the greater the hold evil has on each heart. Pray for genuine peace based on love."

October 17, 2003

"I am your Jesus, born Incarnate. When you trust in Me, I embrace your heart and caress your soul. Your trust is a reflection of your love for Me. It is as though you are looking into a body of still water. The water being your trust reflects an image. The image reflected in the water is only there by the grace of your love of Me. Therefore, I tell you, fear nothing – just love Me. Then everything you need will be forthcoming."

July 17, 2004

"I am your Jesus, born Incarnate. I have come to tell you that greater merit is earned through trust than any other single virtue. I say this, for love and trust are the same. Holy Love and

Holy Trust are always coupled and they are the embodiment of every other virtue. No one can trust Me who does not love Me. No one can say they love Me who does not also trust in Me."

"Those who worry or fear for any reason should understand they need to be purified through a deeper perfection in Holy Love."

October 23, 2008

"I desire you write this down. I am your Jesus, born Incarnate. I will help you memorize it so that these words will always be in your heart where they belong. Perhaps others would benefit from them, as well."

"I am your constant.

My love for you is unchanging.

My Mercy upon you is endless.

Fear nothing, but trust in Me always."

June 17, 2011

"I am your Jesus, born Incarnate."

"When you give Me your complete trust, it is as though you have given Me a priceless gift. In your trust is your surrender to My Father's Will in the present moment. Yes, trust is the scale upon which your surrender is weighed."

"Trust crowns your petitions in such a beautiful and simplistic way that I cannot resist answering your prayers to please you. Trust is like a precious jewel set in the middle of a plain and ordinary piece of jewelry. Trust edifies, beautifies and makes the common prayer regal."

"Pray for trust, and you will be led deeper into this beautifying virtue."

FAQ

What is the Maranatha Spring?

Maranatha Spring is the grace-filled water located on the site of Maranatha Spring and Shrine. Excerpts from many messages refer to the many graces attendant to the Maranatha Spring water:

"Joyfully, I reveal to you today that the waters of Maranatha are as the Lourdes of this continent. They are comparable in healing grace, both in body and soul." **May 31, 1995**

"The abundance of grace that will flow from My Spring will reveal truths, heal, and bring peace. But no grace will be so great as the numbers who will find conversion." **May 2, 1994**

"I will, through grace, make whole the broken in body and spirit." **February 9, 1996**

"I am continually present and awaiting all mankind at Maranatha

Spring. It is here I will comfort and console those who come to me. I desire, as my Son allows, to alleviate afflictions and render certain and untold grace. Ask My children to surrender their petitions to Me at the Spring." **August 18, 1996**

Holy Love Ministry – Mary, Refuge of Holy Love Chapel

This second major building of the Holy Love Campus is designed as a place of prayer, a place of worship. The design creates a total open space, gently sloping to a marble domed area. The seating is made of oak pews, with oak benches along all walls. Several patron saints of Holy Love reside on the side walls.

The focus of the large center-domed area is the 'Crucified Jesus' Cross, flanked by niches with enormous statues of Mary, Refuge of Holy Love and St. Joseph holding the Infant Jesus. The Chapel is equipped with two massive rear projection screens that allow video images and still

pictures to be presented, without any obstruction, to any seat. These rear projection screens are part of a total media concept and are linked to any activity on the entire campus. This allows for total flexibility, in that we are able to function in various formats and meet the future needs of the

Ministry. The rear control room drives all media, sound and lighting for any function.

The primary space seats over 550, with additional seating in the 'behind the glass' area of an additional 100. The building is used for large group functions, including the rosary every evening at 7pm. The new Chapel, along with the St. Thomas Aquinas Learning Center, represents over 50,000 sq. ft. of space to support the current and future needs of visiting pilgrims to Holy Love. ■

Part 3

Making the Spiritual Journey

The Goal of Perfection in Holy Love

In Part II of making the journey of personal holiness through the Chambers of the United Hearts, we focused on the five major steps that Our Lady outlined toward making this journey. Both Blessed Mother and Jesus had emphasized in July of 2007 how important it is, (in the journey of personal holiness), for our hearts to be always steeped in the three theological virtues of faith, hope and love; for it is by persevering in these virtues that one's desire for personal holiness can bring about a *personal* spiritual change, (as well as a change in the *spirit or heart of the world*), from self-love to Holy Love and then, peace. For this to occur, the soul must first work toward achieving the *goal of perfection in Holy Love* that can only come about by entering into the Immaculate Heart of Mary, (the First Chamber of the United Hearts). Then, the soul must strive to imitate the unconditional Divine Love of Jesus as represented in advancing through the Chambers of the United Hearts.

The goal of achieving perfection in Holy Love, (i.e., perfection in the vocation of holiness), was discussed by Blessed Mother in a message on **August 27, 1993** - Blessed Mother says: "All are called to a vocation of holiness, but few pursue it with sincerity. Little daughter, Jesus sends Me to invite you to be a prisoner of My Immaculate Heart - a captive of love. Reflect how each action would take on renewed meaning if you were thus confined. You would do nothing from a selfish motive but give everything to God. This is what true

holiness is. And so I call all of My children to this lofty, yet attainable goal. It is here in My Heart that your crosses are transformed into grace. The deeper the soul is drawn into the recesses of this Heart, the sweeter and more pure the nectar of grace that is mediated. Therefore, I tell you, **the more you love, the more holy you become.**" Thus, Blessed Mother says for us to reach perfection in Holy Love, our goal is to love everyone unconditionally – even enemies:

October 17, 1996 - Our Lady comes as Our Lady of Guadalupe. She says: "I come as always, in praise of Jesus, My Son. Dearest children, ... Holy Love is the narrow door. **Perfect yourselves in Holy Love, so that you may enter. Let your goal and prayer be to love everyone unconditionally, as My Son loves you.** You cannot accomplish this alone, but only through grace. God's Divine Will is My grace."

In a monthly message to all people and every nation in 2003, Jesus gave a message detailing the importance of integrating faith and hope into Holy Love in the soul's goal of achieving perfection in Holy Love and thus, personal holiness: **December 5, 2003** - Jesus: "I am your Jesus, born Incarnate. My dear brothers and sisters, if your faith does not proceed from a heart steeped in Holy Love, your faith will prove superficial in times of temptation and doubt. It is only when you live in Holy Love that you can more readily see evils that come clothed in goodness. This is the reason so many are tricked and misled by those that abuse their authority. Humility does not take advantage of title or position, nor hold a hidden agenda in its heart.

Those who seek the journey into the Chambers of Our United Hearts must surrender first their own will and become childlike in their faith.

Today it is true that the human heart is given over to excesses. I speak of excessive self-love which fathers excessive sensuality, materialism, hunger for control and ambitious pride. At no time in history have these excesses been more widely spread - the reason being telecommunications and advance technology in modes of travel. The believer can easily see how Satan has taken good and twisted it to fit his needs. The remedies and solutions I offer for the most part go unattended - prayer, sacrifice - and most of all, adherence to Holy Love. These strong remedies which would turn back the wrath of God are mainly ignored for their simplicity, and because they require a certain amount of self-surrender. Those devoted to excess want to take and not give; and so understand that when disaster, wars or any injustice comes, it is the direct result of excessive inordinate self-love. These same excesses have visited My Church, as well, for it is not immune to error. If I were not Truth Itself, I would not point this out. As it is, in truth I tell you, much is yet to come. I have come to tell you that the simplicity and beauty of this Message proves its origin is Heaven itself. The Message is a holy refuge for My Remnant Faithful. My brothers and sisters, today once again, **I invite you into My Mother's Heart which is Holy Love itself. Imitate Her Heart. Holy Love is the way out of every situation and the sum total of every solution. Abide in love and you will abide in the Divine Will of**

the Eternal Father."

Looking at these messages, the biggest step toward achieving the goal of perfection in Holy Love, through the journey of personal holiness, lies at the entry into Our Lady's Immaculate Heart. Jesus emphasized this point in a message given on **February 10, 2006** - Jesus says: "Today I have come to help you see that the most important step in personal holiness lies at the threshold of entry into the **First Chamber - the Immaculate Heart of Mary - Holy Love**. It is upon this threshold the soul is engaged in the greatest spiritual warfare. It is at the entrance of My Mother's Heart the soul decides to believe or disbelieve in these Messages. Some souls lie permanently vanquished at the threshold, giving into the pride of disbelief. Others see the spiritual benefit they are being offered. They pick up the **key to the Chamber of Holy Love**, which is the title and ejaculatory prayer, **'Mary, Protectress of the Faith and Refuge of Holy Love, come to my aid.'** Thus, they are admitted and led deeper into the Chambers of Our United Hearts."

It is important for us to realize that the goal of perfection in Holy Love and thus, personal holiness, is the main purpose Jesus came among us as a man and sacrificed His life for our salvation. As mentioned in a message on **August 12, 2007** - Jesus says: "I am your Jesus, born Incarnate. My child, please understand that **My goal is to win souls over to this spiritual journey**. It does not concern Me what label, or if any label, is placed upon peoples' response to the call to personal holiness. The arguments in the world today **against** My call center on labels - is it approved - is it ecumenical? **I am calling everyone, and excluding no one, from the**

journey through Our Hearts. I offer the Confraternity as a vehicle to this end"... "Do not squabble amongst yourselves as to **how** to make the journey, or as to **who** can make the journey. Only follow Me!" Jesus reiterates the importance of the Confraternity of the United Hearts in His goal to win **all** souls over to the spiritual journey of personal holiness, when on:

August 31, 2009 - Jesus says: "I am your Jesus, born Incarnate. I desire the **entire Confraternity - the entire journey into Our United Hearts - be made ecumenical, uniting all people and all nations to Our United Hearts; for this is a journey into personal holiness that all are called to**. It is a path of salvation, unity and peace. Do not be put off by those who say they do not approve of this spirituality. I, your Jesus, call each one and all into the innermost recesses of My Heart. It is only through purging of faults and failings and an illumination of conscience that this journey can be made. Just as I call **all** people and **all** nations onto this spiritual path of sanctification, I call everyone - no matter their faith - onto this property where grace abounds. I exclude no one. **My Mother's Heart opens to you here. She awaits your arrival.**"

Jesus gave us the Confraternity of the United Hearts as the means by which all people of every nation may achieve the goal of perfection in Holy Love in the journey of personal holiness. He emphasized this on **July 15, 2010** - Jesus says: "I am your Jesus, born Incarnate. I desire that the **Confraternity of the United Hearts of the Most Holy Trinity and the Immaculate Heart of Mary be easily accessible to all**. Therefore, with this one prayer and a movement of the free will, the soul can consider himself a member of the Confraternity. This must be the

impetus to live a life consecrated to personal holiness through Holy Love. There are other devotional practices that the soul can follow in pursuit of this personal holiness which are outlined in previous instructions. This is the prayer: **"Most Holy Trinity, in union with the Immaculate Heart of Mary, I consecrate my heart and my life towards the goal of personal holiness through devotion to You. I commit every thought, word and deed to the practice of Holy Love in every present moment. Amen."** Recently, Jesus gave a message that stressed the importance of trust in order to prosper in holiness and thus, the goal of perfection in Holy Love. On **May 29, 2011** - Jesus says: "I am your Jesus, born Incarnate. I tell you in all truth that the soul who does not trust Me can never find true peace. Furthermore, the soul who claims he trusts Me but does not live in Holy Love in the present moment is lying to himself. Holy Love begets trust. Trust is always ready to surrender any burden to My Divine Providence. Do not say one thing but believe another. You are tricking yourself if you do so. Do not hold in your hearts personal agendas unknown to anyone. This leads to guile. In Holy and Divine Love be united - always united. Do not squander the present moment through guilt or worry. Remember, trust is the foundation of faith. If you follow these guidelines, you will prosper in holiness. Your faith will be strengthened and I will bless you abundantly."

In the next two or three parts of this ongoing series, we will focus on many of the distractions and obstacles, (some of which Jesus mentions above), that can hinder or block our goal of perfection in Holy Love and the journey of personal holiness through the Chambers of the United Hearts. ■
