The Rosary of the Unborn at the White Madonna Shrine

On July 7th of 2010, Blessed Mother requested that during the special events, pilgrims come to the White Madonna Shrine, located next to the Field of the United Hearts, and pray the Rosary of the Unborn for an end to abortion. Pilgrims have responded to Blessed Mother's invitation with great enthusiasm and love. Since the request was made, organizers, volunteers and pilgrims have averaged 16 hours of prayer at the special Midnight Apparitions.

For the Feast of St. Joseph Event, March 18-20, 2011, the response to Our Lady's request was overwhelming. Participants prayed for 17 hours. It was estimated that 130,000 Hail Mary's were recited at the White Madonna Shrine over the three-day event.

In honor of St. Joseph, besides the statue of the White Madonna, and a statue of St. Joseph, there was also a small replica of St. Joseph's workshop in Nazareth on display. Everyone loved it.

Jesus said, "Let the children come to Me." So, to include the children and teens, there was an hour for the youth to lead and recite the Rosary of the Unborn, play music and sing to Blessed Mother.

The Rosary of the Unborn was recited in many languages such as English, Spanish, Korean, Polish, Latin, Arabic and French.

Blessed Mother's call to prayer is universal and you will definitely find that to be true at the beautiful White Madonna Shrine. ■

I just came back from a vacation in Florida. When I went to church, there was a gentleman in several pews in front of me praying the Rosary of the Unborn. I showed him mine and told him that I lived about 65 miles from Maranatha Spring and Shrine. He told me that they have closed down 2 Abortion Clinics in the area by praying the Rosary of the Unborn, and they have one to go. I thought you should know that the Rosary of the Unborn is being used in Florida and has produced some wonderful results.

Prayer Card

Prayer To End Abortion

"O Divine Infant Jesus, present in the womb of Mary at conception by the power of the Holy Spirit, present in the crib at Bethlehem in obedience to the Will of God, open the heart of mankind to see that true peace will only come when there is peace in the womb."

"Awaken mankind, and help each soul to surrender to the Will of his Divine Creator. Amen."

Divine Mercy Weekend April 30 - May 1, 2011

Thousands came to celebrate Divine Mercy at Maranatha Spring and Shrine. The gray skies and intermittent rain over the two days did not deter pilgrims from making the journey. Many vans, buses and cars began arriving early Saturday morning. The enthusiasm filled the air as more and more visitors poured out of their vehicles. By the afternoon, inquisitive and quietly prayerful pilgrims could be seen everywhere.

Over the two days, many began their visit in the Mary, Refuge of Holy Love Chapel. The Divine Mercy Image was located in the Chapel, as well as the Blessing Point and relic of Blessed Mother's Hair. Many 'walked' the length of the Chapel on their knees to the Image with tears in their eyes. One very small child, about three years old, watched intently as her

mother approached the Divine Mercy Image. The child carefully watched as her mother very devoutly knelt on the floor in front of the Image and lowered her head to the floor. The child then proceeded to kneel and lower her little head in the same manner. Many heartwarming gestures of affection, such as this, repeated themselves throughout the two days.

Pilgrims gathered in the Field of the United Hearts for both the midnight prayer service and the 3pm. prayer service on Divine Mercy Sunday. On both days the atmosphere of the field vibrated with exhilaration and tremendous anticipation. As thousands prayed the Rosary, it seemed to resonate through the trees. At the conclusion of each prayer service, the message received from Heaven was read. ■

Divine Mercy Sunday - Midnight

Service at the United Hearts Field

(This message was given in multiple parts over several days.)

Jesus is here as He is in the Divine Mercy Image, and He has His Holiness Pope John Paul II with Him. The Pope says: "Praise be to Jesus."

Jesus says: "I am your Jesus, born Incarnate."

"My Mercy is from age to age - from generation to generation and reaches from horizon to horizon. It falls upon all people and all nations. It cannot be ruled against by man nor judged unworthy of belief, for its origin remains Divine. Please understand that this Mission of Holy Love is part of My Mercy."

"Where darkness pervades the world, it does so, for the darkness in hearts remains unchallenged by the Light of Truth. Here, at this site, I have come to invite all humanity into the Light of Truth. Here is the Truth. The key to

peace, security and prosperity is Divine Love and Divine Mercy. But it is not enough for Me to tell you this, and for you to hear it and believe it. You must live it. Become mercy and love. Only then can you bring the Light of Truth into the world around you. Only then can the world be transformed into the New Jerusalem. This Light of Truth is the Kingdom to come - the Kingdom of My Father's Divine Will."

"All of the natural disasters and the man-made disasters such as corrupt leadership and economic crisis are present and dominate the world today, for the Light of Truth has not been accepted and acted upon. This is the action of free will choices, for mankind fails to see Satan's compromises or even his attacks."

"My brothers and sisters, please understand that My repeated apparitions to you here and Heaven's continual intervention are a sign of caring concern for the world situation and for each one of you. Your prayers are being heard. You do not see the subtle changes taking place in many hearts - changes which will bring stability where there has been chaos."

"My brothers and sisters, never side with power versus truth. Truth is the champion of the cause of the New Jerusalem - a goal I bid you work towards. You can and will live in the New Jerusalem if you always embrace the truth which is Holy Love."

"Tonight I desire that all people, and consequently all

Photos taken during Midnight Apparition

nations, turn with trust to My Merciful Heart. The more you trust, the more My Mercy and Love will overflow into your hearts. Desire this so that we can be united."

"My brothers and sisters, thank you for believing. Many spirits will be liberated tonight, and many will believe that did not believe before. I have come to pour My Merciful Love into the world. You must take it to others and be My Merciful Love to others."

"My Pope, John Paul II, is extending to you his Papal Blessing, and I am blessing you with My Blessing of Divine Love." ■

Feast of Divine Mercy - 3PM.

Service at the
United Hearts Field

First, the United Hearts Image appeared; then Jesus came as He is in the Divine Mercy Image. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I have come once again in response to your great faith and belief in this Mission. I am pouring into your hearts today My Merciful Love. As I do so, please realize that My Age of Mercy will be followed by the Age of Justice. Seek always the protection of Our United Hearts. Hide within My Mother's Heart all your fears, and She will resolve them through the grace of Her Heart."

"My brothers and sisters, be united - be united in Holy and Divine Love."

"Today I'm blessing you with My Blessing of Divine Love." ■

Feast of Mary, Refuge of Holy Love - 14th Anniversary

Many came to celebrate the Feast of Mary, Refuge of Holy Love, on May 5, 2011. Blessed Mother was crowned, with tender loving care, before the 7pm. Rosary. After the Rosary many shared in Blessed Mother's cake and friendship in the new St. Thomas Aquinas Cafeteria. The abiding love for Mary could be seen on many faces. Blessed Mother shared Her love and counsel with the following message:

Blessed Mother says: "Praise be to Jesus."

"My daughter, I have come once more to address the world population."

"Dear children, I invite you to realize that these volumes of Messages concerning your spiritual journey in Holy Love are Heaven's gift to you. These Messages given over decades will lead you along the path of personal holiness, and even into sanctification. Satan is aware of the impact these Messages could have on the world, and so, of course, he attacks them. He tries to discourage each one of you from studying them and applying them to your own lives. If the Messages were not genuine and of spiritual value, Satan would not try to discredit them. As it is, the enemy recognizes the worth of this Mission more than most people do."

"When you seek the Refuge of My Heart of Holy Love, I readily disclose to you Satan's traps all around you. If you do not recognize the enemy's attacks, you cannot fight him. As your Mother, I tell you that the evil one often comes clothed in goodness. The weapon

he uses is pride which is disordered self-love. This is why I tell you that Holy Love and Holy Humility are the means of your personal holiness. Outside of these two, all is false and pretentious."

"Self-importance differs from self-worth. As God's creation, each person is valuable - beautifully made - and worthy of gaining salvation. Self-importance, however, is the by-product of pride. This occurs when the person credits himself for all his accomplishments or assets - physical, spiritual or emotional. Self-importance is the enemy of the soul. In humility detach yourselves from the opinions of people and learn to please only God. Then all God plans for you will come to fruition."

"Dear children, God has chosen you for these times, perilous as they are, to be emissaries of Holy Love and to call souls into My Heart, Refuge of Holy Love. My Heart is the Spiritual Ark of the day - a vessel of safety from the snares of the enemy. Today, My children are more in need of a spiritual rescue than physical safety as in Noah's day. I call you, not two by two, but one heart at a time into the welfare of My Heart."

"I am blessing you." ■

The Journey – a Testimony

I experienced so many graces at Maranatha Spring and Shrine that it would contain a novel if I were to write in detail each and every one of them. No matter how small the grace I received, its benefit to me contained the equivalence of every large grace I received. These profound healing graces were so penetrating that they changed my life forever.

The weight of what I carried and lived was overwhelming. I suffered from extreme and debilitating physical, emotional and spiritual abuse. I suffered this abuse as a child until adulthood. I had borderline personality disorder where I used to suffer such torment that I contemplated hurting myself in order to find some sense of relief. I had co-dependent behaviors, social anxiety disorders, and chronic post traumatic stress disorder. My pain and distress were compounded by two bad marriages and three abortions. I lived in torment and hopelessness. I do not know how I

made it through all my life. I literally was a walking hell. I lived in the pit of hell, in the most desolate place of pain that you could imagine, and that was my reality.

I was told that St. Jude was the patron of hopeless and difficult cases and that he would be an intercessor for me. I stood in front of his statue one day and realized the total complexity and hopelessness of my case. I knew in my heart that nothing was going to change without the intervention of heaven. It was St. Jude who led me to Holy Love through my pro-life work and an organization called Rachel's Vineyard. I read some of the Holy Love messages and was immediately touched by the truth in them. I had to come.

My first trip to Holy Love was September 14, 2009. I came for the Feasts of the Triumph of the Cross and Sorrowful Mother. I can tell you in all truthfulness, that at the Lake of Tears, Our Sorrowful Mother comforted Her broken child. Her soft embrace of unconditional love enveloped and permeated through me. I dissolved in Her embrace. Mother initiated the beginning of healing that I thought was impossible. I felt it. I received many profound healing graces that day. My healing was so dramatic and fast, that by my second trip to Holy Love for Easter and Divine Mercy in 2010, I was healed of everything except remnants of post traumatic stress disorder. The gift of freedom from all that tortured me was inexplicable.

One of the most profound graces that I received was the grace of forgiveness. I realized that if you do not forgive, you cannot experience Heaven. I had absolutely no idea that I was holding on to so much unforgiveness. I was given the grace

to see and feel the unforgiveness I had toward myself and others. I had deep unforgiveness toward my former husband. I had monuments of unforgiveness toward all those who wounded me deeply and seemingly beyond repair. My hopes for a good and happy life were totally beyond me. It was at the Lake of Tears where I received an illumination of conscience. I was enlightened to the entire realm of negative that I held in my heart. I began to heal deeply from the wounds that I, and others, inflicted upon me. I was even brought beyond that by the grace to truly forgive, thus being set free from the chains of unforgiveness. I hold no bitterness in my heart now, only love and a desire for my worst enemies to be blessed profoundly, most especially with the greatest graces of conversion.

I made my third trip to Holy Love in December of 2010 for the Feast of Our Lady of Guadalupe. I came on that day with complete and utter joy in my heart. I can truly say that I am healed of all the torturous pain and suffering. Our Mother answered my prayers. She took my hand on that day at the Lake of Tears and helped me begin the climb out of the pit of hell, the pit of pain, misery, grief and desperate hopelessness. My only longing now, and greatest desire, is to keep the entirety of my focus on Jesus and Mother. They have produced such exuberant joy in my life that there are no words to adequately describe it. So, I peacefully and with great and tremendous joy and gratitude await the blessings of the life to come. For now I cherish knowing and being a loved child of God. I praise God with all my heart and I thank him with all my might. He knew the perfect place in time when I would totally turn my heart and my life over to Him. ■

Messages on Forgiveness:

Message of November 11, 1993

All at once I saw St. John Bosco delivering a sermon. "My brothers and sisters in Christ, it is only through forgiveness that we are led on the path of holiness and brought deeper into the Heart of Jesus."

Forgiveness summons forth God's mercy and so His love. Then He is pleased to lead the soul according to His Divine Will since there is nothing to hinder Him. Unforgiveness is like a cloak of darkness, shrouding the soul from passing into light and truth. Pray that the Holy Spirit leads you in forgiveness of others and forgiveness of yourself, so that this foreboding obstacle to holiness be forever removed from your life."

February 20, 1999

"I am Jesus, born Incarnate. I have come to share with you a lesson on forgiveness. To be forgiving the soul must first be loving. This is an obvious base on which forgiveness is built. Unforgiveness is an overpowering obstacle to holiness. It keeps the heart centered on self and not God and neighbor. Since self-love is the root of all sin, it is at the very basis of all unforgiveness."

"This is why the soul cannot surrender to Me past hurts, for he puts his own feelings first – God and all others last."

"I showed compassion to those who wronged Me. But for so many, it is too much of a challenge to their love and humility to return love and forgiveness for insult and injury. You must love Me more than you love yourself. I have commanded it. Forgiveness is a sign that you have done so and are well on the way of holiness. Unforgiveness tells Me you allow your heart to center on you – your pride, your injury. Do not say, 'Why me?' Do not think, 'Woe is me, such and such happened to me.' Such thoughts are full of self-love and bear unforgiveness as a fruit."

"I send you the grace, through My Mother's Heart, that you need to forgive. Open your hearts. Receive it. Welcome it."

"Receive the benediction of My Heart in your lives."

September 23, 1999

"I am your Jesus, born Incarnate. Did you know that forgiveness and love are one? My Mercy and My Love are the same. But so too, My child, is the forgiveness and the love in your heart one in the same."

"Say, for instance, you are making a gelatin mold. The gelatin may be forgiveness of your neighbor, but it is shaped and molded in love. Yes, I tell you the truth: the amount of forgiveness in your heart is measured by the amount of Holy Love in your heart. You can't fit more gelatin in the mold than the mold will hold. Similarly, you can't forgive more than you love."

"I desire you make this known. I will bless you."

May 23, 2002

"I am your Jesus, born Incarnate. Sister, forgiveness is the fruit of a loving heart. It is the soul's cooperation with My grace and mercy. The soul who cannot forgive is failing in Holy Love. When resentment and bitterness consume your heart, there is no space in your heart for love."

"Some people passionately bear grudges instead of passionately loving Me. It is such a heart that brings destruction upon himself and others. Each one must let Me be the Just Judge. Never presume you know more than Me."

"An unforgiving heart is at war within. A forgiving heart is at peace. An unforgiving heart constantly renews old wounds. A forgiving heart is healed. An unforgiving heart does not seek holiness, but its own imagined justice."

"Do not waste the present moment on unforgiveness, but spend it on Holy Love. Ask and I will help you." ■

PRAYER TO OVERCOME UNFORGIVENESS

Jesus, I trust in You. I know that You love me. I desire every obstacle between us be removed. Take from my heart any morsel of unforgiveness so that I can be completely Yours.

Help me to forgive those who have hurt me, have lied about me, have gossiped about me, were jealous of me, have stolen from me or have abused me in any way. Then plunge me deep into Your Most Sacred Heart. Cover me with Your Most Precious Blood.

Do not allow me to resist Your Love again through unforgiveness of another. Amen.

"The Lord of Hosts says whole nations could benefit from this prayer."

Making the Spiritual Journey Series

The Five Steps to Holiness

Part 2

In beginning our journey of personal holiness through the Chambers of the United Hearts, we mentioned in Part I how our holiness is best achieved by following the perfect example of Mary, whose Immaculate Heart **is** the entrance, or gateway, toward our union with God. At Fatima, mankind learned that God had entrusted the peace of the world to Our Lady's Immaculate Heart; which is Holy Love. Hence, the peace of heart mankind achieves by becoming holy, (like Blessed Mother), depends upon surrender to Holy Love. On

October 17, 1993 – Our Lady came as Our Lady of Fatima and said in a message: “All praise be to Jesus! Dear children, I have come tonight to invite you to understand that My invitation to holiness is not singular, but from moment to moment. You must surrender your will to the Will of the Father and, in so doing, proceed along the path that I call you upon, that leads to My Immaculate Heart, the Refuge of sinners.” Also, on

October 19, 1993 - Our Lady came in gray and gold. She said: “Let us glorify God through prayer!” After praying the ‘Glory Be’, She said: “Dear children, the path I call you upon moment to moment, **the path of holiness** that leads to My Heart, **is the path of holy perfection**. The tool and the measure given to attain this holy perfection is Holy Love.

You will only be as perfect and as holy as you love. The obstacle to Holy Love and, consequently, holy perfection, is always self-love. Therefore, My dear children, in order to progress along the path of holiness – the path of holy perfection

– you need to ask the Holy Spirit to reveal to you all the areas of self-love in your lives. Perhaps you love your reputation. Perhaps you love your ideas and opinions. Perhaps you love your appearance. None of these are lasting. **Only Holy Love is eternal.** Surrender to the Father all that is self-love, so that He can fill you with Holy Love. Then you will be given a greater love of God and of souls, and **you will progress along the path of holiness to holy perfection.**”

As Moses had led the Israelites out of the oppression and dangers of Egypt and into the peace of the promised land, so today, (through the Mission of Holy Love), Blessed Mother also leads her Remnant Faithful children into the peace of the New Jerusalem by taking them into the safe Refuge of Her Immaculate Heart, which **is** the path of holiness to holy perfection.

Hence, to enter this spiritual refuge, the soul **must** seek holiness every present moment. A ‘**Prayer For Holy Love**’ that is listed in the **Triumphant Hearts Prayer Book – Second Edition, (p. 15)**, helps us to do this: ‘**Dear Jesus, through the Immaculate Heart of Your Mother, perfect me this day in Holy Love. Keep me mindful that every thought, word, and action should come from and lead to Holy Love. Bring me along the path of holiness by means of this Love, so that by loving God and my neighbor, I will attain holy perfection. I ask this in Your Name Lord Jesus. Amen.**’

Along with this prayer, Blessed Mother gave a message on **November 4, 1993** inviting us to travel the path of personal holiness:

‘Our Lady comes in gray. She says: “Praise be to Jesus! (Please read John 4:34-38 and John 15:1-17). My little daughter, I come once again to **invite you along the path of holiness**. To choose holiness is to begin to practice holiness, which is Holy Love. When you once begin to turn to holiness, God will give you the grace that you need to succeed. Holy Love, My daughter, is God's Will for you, and His Divine Will is Holy Love. They are one and the same. God will always extend to you the grace you need to cooperate with His Will, and so with Divine and Holy Love. Let this be the moment you begin your ‘**yes**’ to Holy Love, and so, God's Will for you. Say ‘**yes**’ in a way that you are able to choose holy forgiveness. Forgive your own imperfections and forgive others’ faults, as well. If you begin to choose this, God will help you through the grace of My Heart.”

Our Lady then outlined for us **five (5) major steps** in the journey or path to holiness as follows:

First Step: “The first step in any journey is the person's choosing, in free will, to take the journey. And so it is with My call to holiness. **The soul must choose holiness.** This decision is a progressive choice and yet it begins anew each day, each moment, indeed, with each breath the soul takes. This decision for holiness is the umbilical cord that links the soul to My Heart, which is Holy Love. My Heart is Holy Love (holiness). My Beloved Son's Heart is Divine Love. When the soul chooses Holy Love, he chooses to be in the Refuge of his heavenly Mother's Heart.” (**Nov. 21, 1993**)

Second Step: “Understand,... the guardian of the soul is free

will. Through free will the mind, heart, senses and members make decisions from moment to moment **for** or **against** holiness. When the soul chooses to be holy, he must at the same time **choose to abandon sin**. Sin is anything contrary to Holy Love. It is Holy Wisdom that enables the soul to see the value of holiness and to choose for Holy Love. I am opening the grace of My Heart upon humanity that more will choose for salvation, and sin will be purged from their lives. (Nov. 25, 1993)

Third Step: 'I want to take you deeper into My Heart to renew your soul and refresh your spirit. My daughter, **to choose holiness is to choose God's Will and to abandon your own will**. The soul abandons his own will and chooses God's Will when he chooses to love in thought, word and deed. It is one step, and yet it is many steps each day. Every grace of My Heart comes from and leads towards the Will of the Father. For I am the **gateway** to holiness and to the Will of the Father. (Nov. 28, 1993)

Fourth Step: "When the soul is able to **surrender his will to the Will of God**, he is on the path of holiness. Then the soul makes his will one with God's Will. He accepts everything in the present moment as the Will of the Eternal Father. He views the past and the future only in terms of Holy Love, trusting in Divine Providence which is perfect in God's Will. Every sin opposes Holy Love and God's Will, and distracts the soul from the path of holiness. Thus, ask for the grace of seeing your sins more clearly and you will better be able to avoid these pitfalls." (Dec. 1, 1993)

Fifth Step: "**The ultimate step towards holiness** – one few reach – **is that of perfect union**. Here the soul has no obstacle between himself and God. He has passed

from the Refuge of My Immaculate Heart, which is Holy Love, and is embraced and illuminated by the true light of Divine Love that is My Son's Heart. Seldom is a soul so graced." (Nov. 30, 1994).

These messages, as given by Our Lady, are designed to lead us on the path of holiness and, ultimately, to union with God. On **October 17, 1993** – Our Lady came dressed as Our Lady of Fatima and said: "All praise be to Jesus. Dear children, I have come tonight to invite you to understand that **My invitation to holiness is not singular, but from moment to moment**. You must surrender your will to the Will of the Father and, in so doing, proceed along the path that I call you upon, that **leads to My Immaculate Heart, the Refuge of sinners**." By consecrating our lives to Our Lady's Immaculate Heart, She will bless us with the graces we need to become holy (perfect), as our Heavenly Father is Holy (Perfect). This is why we should always accept Our Lady's invitation to enter into the safe Refuge of Her Immaculate Heart.

On **August 20, 1996**, Our Lady came in shimmering white and said: "My daughter, as I always come, I come to give praise to Jesus. I desire that those **souls truly consecrated to the Flame of My Heart** live as witnesses to My victory in their hearts. These are the ones that must draw others into this Purifying Flame, and so, into the Refuge of My Heart. Here are the steps to entering this Refuge:"

- 1.) "First, as with any conversion, the soul must **choose** to enter My Heart."
- 2.) "Next, the soul must **die to self**, putting others and God ahead of himself. In so doing, the soul is living the Holy Love message."
- 3.) "**The soul needs to recognize that choosing and living this way**

makes him a target of attack. Satan always places such souls under siege. Knowing this, the soul needs to persevere through much prayer and sacrifice. This is the third step."

4.) "All of My children, who choose, live, and persevere in being purified in the Flame of Holy Love, that is the Refuge of My Heart, **must practice living**, (in Holy Love) **in the present moment**. The fourth step is to **trust in this solemn Refuge** in the present moment which embraces your salvation."

5.) "**The fifth step is all-encompassing of the other four steps. My dear children must pray for the grace to love God's Will**. This is your choice, your living the Holy Love message, your perseverance, and your trust. God wants all of these things for you – in the present moment. God's Will is My Heart. God wills that you come into and abide in this Immaculate Refuge, a Refuge He has created for you."

"I desire all of My children know and understand this."

In pursuing the journey of personal holiness, Jesus and Blessed Mother have emphasized the importance of the heart being steeped always in the three theological virtues of faith, hope and love. On **July 16, 2007** - Jesus came with His Heart exposed and said: "Tonight, My brothers and sisters, I have come to extend to the heart of the world – hope; and through hope, the faithful desire for personal holiness. It is only through personal holiness that the spirit of the world can be changed – changed from self-love to Holy Love, and then peace." In the next part of this ongoing series, we will look at some of the Holy Love Messages that highlight the importance of faith, hope and love in pursuing this journey into the Chambers of the United Hearts. ■
