We Welcome each of you to the fall issue of 'Making it Known'. We have expanded this particular issue in an effort to share many topics and Ministry activities with you.

In this issue we focus on this nation - the United States of America, and offer messages, in a variety of formats, for your reflection. We provide coverage of the Feasts of the Immaculate Heart of Mary and the United Hearts, June 16 – 17, 2012. We share with you a delightful story of pilgrims who wanted to show their love. We also offer coverage of the comments of Mr. Wayne Weible, noted author on Medjugorje, when he visited Holy Love on Father's Day, June 17, 2012.

We present to you a Novena for the USA and a comprehensive article on the Children of the United Hearts. We share with you the celebration of Blessed Mother's birthday and offer Part 7 of our series on 'Making the Spiritual Journey'.

We thank you for your wholehearted reception of our efforts and welcome your prayers and donations in support of this Mission. We appreciate your enthusiasm and ask that you continue 'Making it Known'.

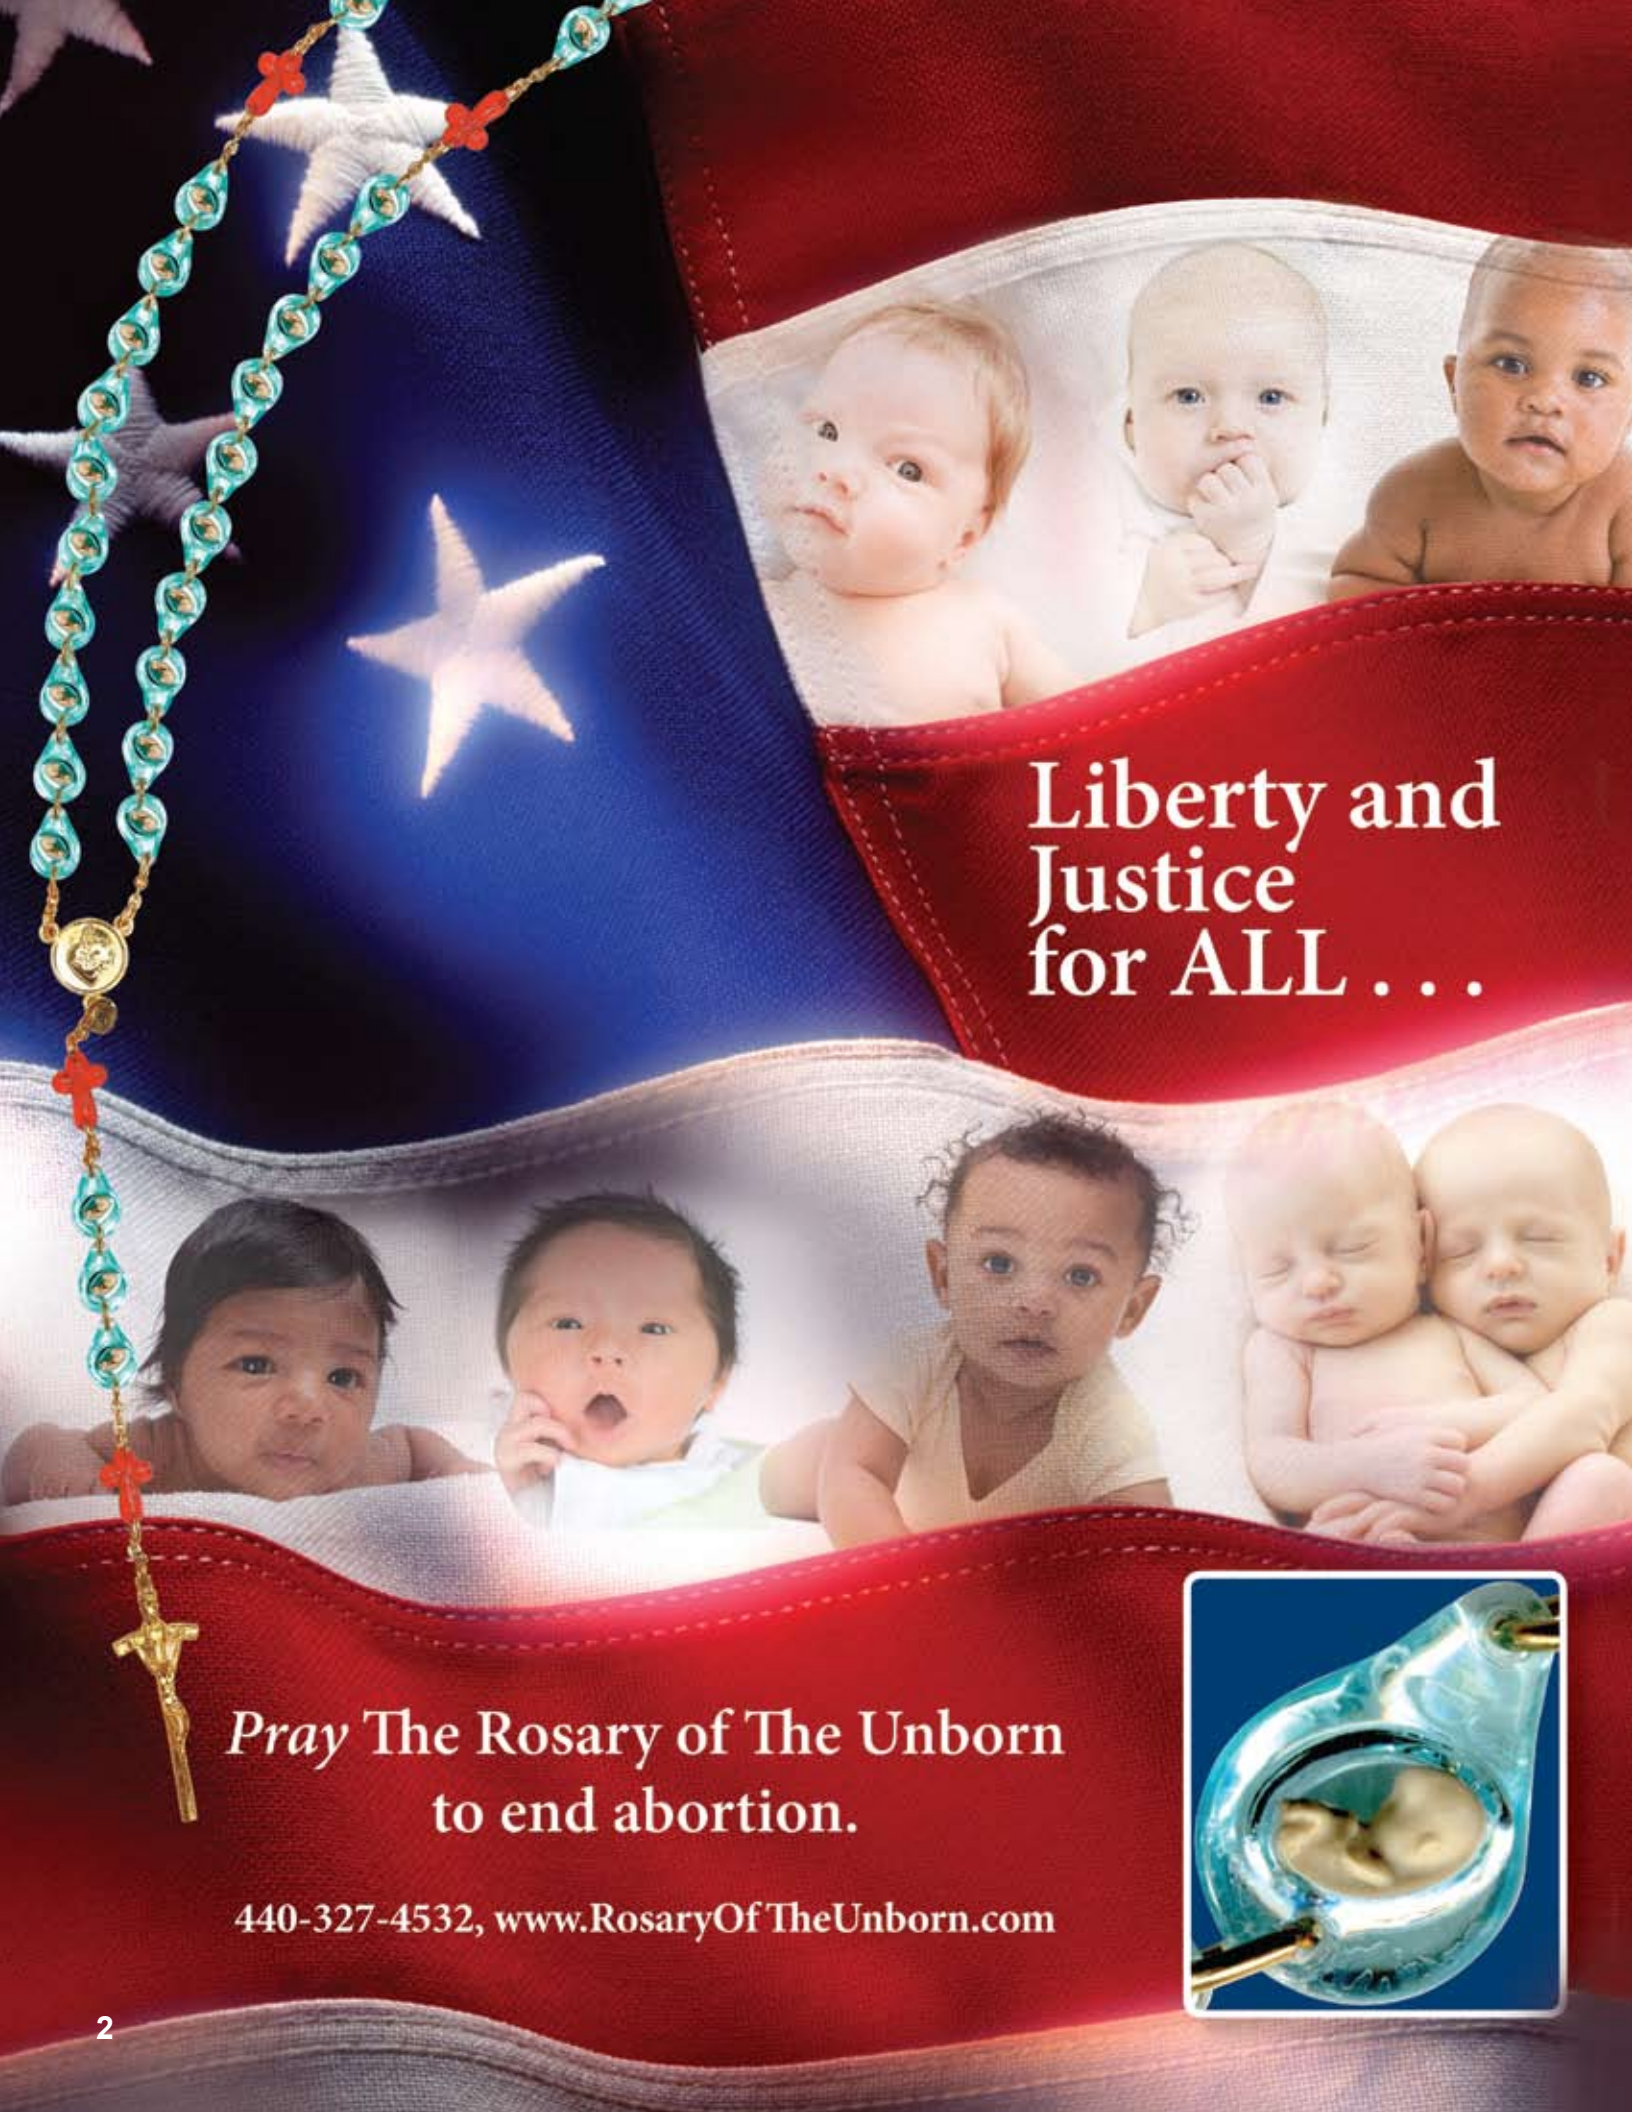

Blessings,

Messages on Abortion ...

"... if your nation overturns legalized abortion, I will richly bless it by My favor. But if this sin continues with national approval, much will be stripped away ..."

Jesus – October 14, 2001

August 10, 1997 - Second Sunday to Pray Against Abortion

Blessed Mother is here as Mary, Refuge of Holy Love. She has all 50 states in a pile at Her feet and they are smoldering (as in ashes).

She says: *"Praised be Jesus. Pray with me now, for those who are capable to reverse the horror of abortion."*

"Dear children, today I inform you, once again, that abortion is the evil which races your country towards destruction. Only if this evil is overturned in hearts and in the world can your nation be saved from certain death. Dear children, the tribulations have begun and proceed as labor pains of a woman with child, each one stronger and more telling than the one before. I come to you asking you to STOP the DEATH and DESTRUCTION and the loss of life and souls. I come asking you to pray and spread My messages on Holy Love. Dear children, you are the solution and the victory; therefore, pray, pray, pray. I am blessing you." ■

Pro-Life Rosary Intentions - Requested by Our Lady June 4, 2011

June 4, 2011 - P.M.

Blessed Mother says: *"Praise be to Jesus."*

"My Son graciously allows His Most Sacred Heart to be touched by those who pray the Rosary of the Unborn from the heart. For this reason, and because He has much compassion on the human condition these days, He allowed Me to visit you earlier today with the meditations or intentions I gave you."

"In the First Mystery, you pray for My protection. This can be My Motherly protection over the unborn."

"The Second Mystery invokes My guidance which would be inspiration for mothers not to abort their babies, government leaders to oppose abortion and religious leaders to act against it."

"The Third Mystery is for the conversion of souls. No one can be converted or should believe in his conversion if he still supports abortion."

"The Fourth Mystery is for all government leaders. It is paramount that legalized abortion is overturned. The future of the world depends upon it."

"The Fifth Mystery is for all religious leaders to take a stand against abortion. Not to oppose it - is to support abortion."

"My Motherly Heart is intercessor for these needs, My children, when you pray from the heart. I am ever-ready to assist you. Pray this way often." ■

August 13, 2012

Jesus is here with His Heart exposed. He says: *"I am your Jesus, born Incarnate."*

"My brothers and sisters, solemnly I tell you, that you will never have peace in the world until you have peace in the womb. Governments are responsible for the atrocity of abortion; and so, elect your officials carefully."

"Tonight I am blessing you with My Blessing of Divine Love." ■

Feast of the Immaculate Heart of Mary (Message given today - A.M.)

CONSECRATION TO THE FLAME OF HOLY LOVE

Immaculate Heart of Mary, humbly, I ask that You take my heart into the Flame of Holy Love, that is the Spiritual Refuge of all mankind. Do not look upon my faults and failings, but allow these iniquities to be burned away by this purifying Flame.

Through Holy Love, help me to be sanctified in the present moment, and in so doing, give to you, dear Mother, my every thought, word and action. Take me and use me according to Your great pleasure. Allow me to be Your instrument in the world, all for the greater glory of God and towards Your victorious reign. Amen.

(Our Lady – April 16, 1995
– Easter Sunday)

Blessed Mother says: "Praise be to Jesus."

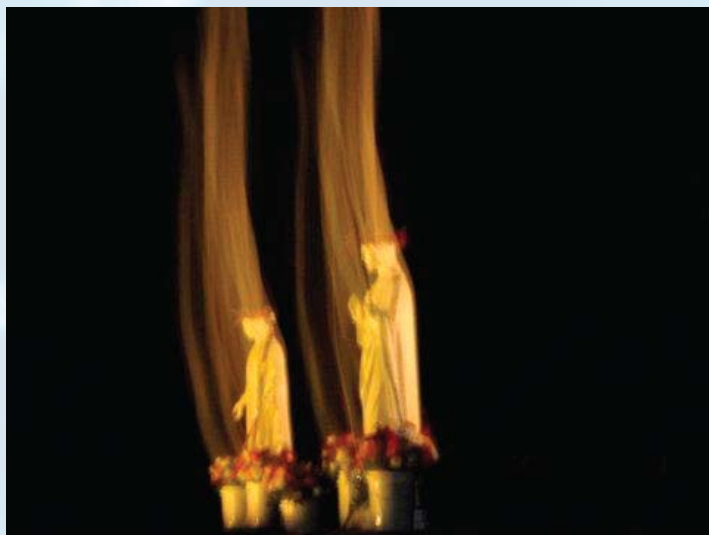

"Today I offer to the world the greatest treasure of My Heart, which is Holy Love. This treasure is greater than any position of esteem, power or wealth on earth. It is always accessible for the asking. It is your protection, guide and inspiration while on earth. It is your way around every problem and the disclosure of Satan's attacks. How I long that the heart of the world would find its shelter in My Immaculate Heart."

"Words cannot describe to you the difference the Consecration to Holy Love would bring about in the world. Every heart would return to the realization of his dependency upon God. Through the reality of this Truth, evil would flee. The grace that continually flows through My Heart into the world would be appreciated. God's Sovereignty would be restored over all mankind and the future, which is overtaking the present moment, would be all love."

"However, these days, mankind does not consider God's Law in the scheme of things. He is choosing his own obstacles along the way and creating his own problems through acceptance of sin."

"As Children of Light, I am calling each of you to faithfully carry out the propagation of these Messages, and to spread Holy Love as the breeze carries a breath of fresh air everywhere. The more hearts that are receptive to Heaven's call, the greater the graces and the more abundant the conversions will be."

"I am always your Refuge of Holy Love. I am always blessing you, dear children, with My Blessing of Holy Love." ■

**Feast of the
United Hearts - 3:00 P.M.
Service at the United Hearts Field**

Jesus and Blessed Mother are here. They are seated on thrones. Jesus says: *"I am your Jesus, born Incarnate."* Blessed Mother says: *"Praise be to Jesus."*

Jesus: *"Today I invite all people and all nations to realize the great grace of the Revelation of the Chambers of the United Hearts. For all eternity these Chambers are a reality - always have been and always will be. Who believes or disbelieves cannot change this Truth. Some come here [Maranatha Spring & Shrine] and the grace is all around them; but the Message only reaches their ears - not their hearts."*

"My Mother's Heart, which is the First Chamber, opens to all who come here. This is the Chamber which purifies the soul and convicts the heart. Some will not accept this. Some even deny the reality of the experience that Heaven offers. These are the ones who never make it into the subsequent Chambers of My Heart. It is as though they are standing in front of a well-stocked pantry but refuse to open the door and to partake of the contents. Inside the 'Pantry of My Heart' is every grace you need to be perfected in holiness."

"Today I come to invite each one of you under the umbrella of Heaven's Authority through devotion to Our United Hearts. This is My Father's Will for you. Opposition will never change the Father's Divine Will."

"The Image of Our United Hearts is a pictorial of the Most Holy Trinity united to the Immaculate Heart of Mary. It is a pictorial of the Fifth Marian Dogma as yet to be proclaimed. It is a road map to personal holiness through the Chambers of Our United Hearts. This Image depicts the Gateway to the New Jerusalem through My Mother's Heart, and the New Jerusalem, Itself, in all the subsequent Chambers."

"My dear brothers and sisters, thank you for praying here today. Once again I extend to you My invitation to be united with Our United Hearts, for in so doing, you will be united with the Divine Will of My Father."

"Today We are extending the Complete Blessing of Our United Hearts." ■

Marian Speaker Returns

Wayne Weible, noted author and speaker on

Medjugorje, returned to Maranatha Spring and Shrine on Father's Day, June 17, 2012, to speak with pilgrims in the Mary, Refuge of Holy Love Chapel.

Mr. Weible was greeted enthusiastically by the audience with a standing ovation. He responded to the very affectionate welcome with, "Wow! I love you too. How better can we put it than that, right?"

As he began to speak, visibly moved by such a warm welcome, he said, "Now you've got me all choked up." The audience responded with soft laughter.

Mr. Weible shared many remarkable stories and insights. His comments included the following:

"You know, I come here because this place is as real as Medjugorje, and because the same Lady who comes to Medjugorje comes here, and the same messages that come to Medjugorje are given here, and the same graces that are given in Medjugorje are given here."

"There is no way that we can say this is normal, but it is. God has been speaking to His creation from the very beginning. Unfortunately, the 'creation' doesn't listen always, and then we fall into these periods of being totally lost spiritually. What does He do? He sends Mary. He sends a human Mother to speak **directly** to the hearts of His children."

"The whole purpose of sending Mary is to give the 'Motherly Touch' that only you women here who are mothers will truly understand. I say that fully aware that today is Father's Day. That is not to put us down as fathers, but the mother who participates in the creation, whose flesh is the building block, the mother understands the child the best."

"We live in a time when the child is not thought of as a living, breathing creation. We live in a time when a child, in the very beginning, is looked at as a 'fetus', a scientific term, a clump of cells in the process of formation. Even though Scripture

tells us, '*I knew you before you were in the womb*' (Jeremiah 1:5)."

"No one of us is here on earth as just a happenstance, a coincidence. We are all here for a specific reason; to share in the love which is peace, which is total harmony, which is joy, which is happiness. That's true peace. That is what I feel here today in this beautiful auditorium. This is what I feel every time I come here. I feel so inspired, wanting to just pour out everything within my heart and almost to scream out – **Do you understand how much God loves us?** – that He would give us places like this and that He would give us words straight from Heaven through one of us."

"What is happening here at Holy Love, what is happening at

Medjugorje... what has happened literally hundreds and hundreds and hundreds of times throughout history, is that call to return to being a child. A true child of God is one who focuses completely on that relationship with the Father."

"I look back into the darkness of my life and wonder, how could I have been so blind? How could I have been so deaf? How could I have been so ignorant to think that science would give me the answers, that education would give me the answers to life – when it's right in front of us. No life is ever wasted. Every life is with purpose. This is why it's so important for us to pray for the unborn."

"I have taken it upon myself this particular weekend, because of Our Lady's request, to pray a rosary every day for the unborn. Now look, I'll be honest with you, I came from Protestant roots. I didn't pray a whole lot as a Protestant. When the rosary was introduced to me, I was like, what is this? How can you keep saying the same things over and over and over and over again and this is supposed to have some kind of effect."

"It is only when you open your heart that you begin to understand the power when you say, '*Our Father, Who art in Heaven, hallowed be Thy name.*' How many times have you said that? Is it repetitious? Not if it comes from your heart."

"I had to learn how to pray. I had to learn the importance of prayer, the communication, and there's nothing more precious than praying for life. You see, I know firsthand, because my mother tried to abort me, and then had the gall to tell me about it. *'I did everything I could to get rid of you.'* Here I am. God had a different plan."

"So from now on, my goal is to pray at least one rosary every day for the unborn. I pray the Sorrowful Mysteries. I have difficulty at times getting one rosary in a day, one, but I made a promise that I'm going to pray at least one, and I'm going to do that, no matter what. For me to take on the responsibility to say that I'm going to pray two is like, wow, and then I realize how easy it is. How much time do I have during the day in which I'm doing absolutely nothing of any value? We call it relaxation, or watching sports, or doing something that we want just for our own selves. How long does it take to pray a rosary? It takes maybe fifteen minutes. We can find time when the cause is worth it, when the cause becomes worth it in our hearts."

"Let me tell you that the age you're living in right now is the age of conclusion, the conclusion of all the grace given through Holy Love Ministries, the conclusion of all the grace given at Medjugorje, the conclusion of all apparitions throughout the history of the Church. This is the age we are in right now. Call it end-times if you will, but it's not the end-times in the sense that many people believe. It's not the end of the world. It's the end of the era that we have been in for so long, a life of darkness, and a time you have prayed for over and over and over. Maybe you didn't even realize it, *'Thy will be done on earth as it is in Heaven.'* You're going to see that soon. Do I have a date? Do I have a time? No. If anybody gives you a date and time, don't listen. But we are in the time of conclusion of this grace given by God, through the Virgin Mary, to come to earth and speak directly to His creation. To say to them over and over again, ***'I am real, I do exist, and I love you. I want you in Heaven with Us.'***"

"I use as an example the story of one of the visionaries at Medjugorje. Ivanka was the first to see the Virgin Mary in Medjugorje. She was 16. A month and a half before, she had lost her mother to a sudden illness. She was not expected to be ill or to die, just very sick, but she did, she died. On the second day of Mary coming there to the visionaries in Medjugorje, this poor young thing – she just couldn't hold back – and finally asked Her, *'Blessed Mother, where is my mother?'* She said to her with a great smile, *'Your mother is in Heaven with Us.'* Word spread throughout the village of Medjugorje that this women who had done nothing spectacular, was not known for anything other than the fact that she was a great mother, a very good wife, and a very devout Catholic – and she's in Heaven."

"On two other occasions Ivanka's mother again appeared with Our Lady and spoke to her. You see how **real** this is? Her mother was three dimensional, just as you and I see each other right now, not some ghost. Her mother was in Heaven with one very important change, no longer in her sixties, but 33 years of age. See, I'm 33 right now (audience laughs). I've decided that I'm not going to wait. I'm going to start right now. No one in Heaven is older than 33. Any child that you've had that you've lost, grows in Heaven until they reach the age of 33. Is that worth coming to listen today? How many want to be 33 again? Wow! Me, I do (raises hand), I tell you I do."

"When the great Pope, John Paul II, passed away, on that very day the visionary, Ivan, from Medjugorje was in New Hampshire. He had asked The Blessed Virgin for permission to have his apparition in front of the audience that evening. She allowed it to be. When it was time for the apparition, Our Lady appeared. She came alone and after a few moments John Paul II appeared next to Her – looking radiant, smiling, thin, and 33 years of age."

"You see, I tell you these things because it's important to understand how real God is – how real heaven is – how real

continued on next page

Satan is – how real hell is – and that you and I are the ones who end up deciding where we go based on what we've done with the gift of life."

"So, I ask you to join me in offering Our Lady this gift – to pray a rosary every day for the unborn. There's no place you cannot pray. The more you pray, the more you become intimate with God, with the Son, Jesus."

"I remember when I first became involved in all this – you understand a Protestant, who is lukewarm in faith, a journalist by profession, taught to believe in nothing you cannot prove – this is how I came into all of this, hearing about Medjugorje at a Sunday school class that I was teaching, talking about modern-day miracles, hearing that the Virgin Mary was appearing to these Croatian kids somewhere in Yugoslavia. My first reaction was what nonsense are they talking about? Mary lived. Mary died. Mary's gone. That's where I was – totally ignorant, no such thing as apparitions. Sitting in that church, teaching Sunday school, serving on the Church Council, President of the Lutherans' Men's Association and I didn't really believe. It was good for business. It was good, just in case. Do you know that feeling? Maybe I better believe, just in case it is real."

"No, see, that's not enough. God knows that and He's not going to let you get away with that. He's going to be so prevalent in your life in every way, even in the things you do

for pleasure, even in your sports. He's going to be there, until after a while you know, and you wonder, how could I have come from that to today when all I ever want to do is please Him in every way that I can. Just as you wish to do with your spouse, with your children, with your family. Everything I can do to make life joyful, peaceful and happy is through prayer and commitment. It's through humility to accept what you have to do to make these changes in your life and suddenly you become at peace, and you wonder, why did it take so long."

"How many great stories of conversion have come from out of here, Holy Love Ministries? How many beautiful signs that Our Lady is really here have been given through photographs and sights and things that have happened here? **How much proof do we need that God is real?**"

"Brothers and sisters, you come here, you walk the fields, the lakes, you come in here to pray, you come from different churches, different faiths. You understand that the God that we love is the God that is loved by people of all faiths. You find that feeling here in the air that does the same thing to you that it does to us in Medjugorje. I have to keep coming back because when I come here, I feel the peace. I know that Jesus Christ is present. I know that His Mother is here working constantly, 24/7, to make me a child of God."

"I think I'm done. Thank you. God Bless You." ■

July 8, 2012

Blessed Mother says: *"Praise be to Jesus."*

"Today I have come to help all of My dear children to realize that I invite everyone into My Heavenly Embrace here - believers and unbelievers alike. None are rejected through Holy Love."

"My Immaculate Heart is the Refuge which calls out to the unbelievers - in particular, the skeptics and the critics of this Refuge and this Mission. Do not offend the Spirit of Truth - the Holy Spirit - by your refusal to accept the Truth of this Mission; for He is the Founder of the grace you receive here - the Messages, the miraculous healings from the Spring, even the Image - which appears off and on in the Chapel under My title 'Refuge of Holy Love'."

"Most especially, I call unbelievers to come here and to see for themselves - to inhale My Presence and experience their conversion of heart. Do not think yourselves to be too sophisticated, too intelligent or in any way above belief in Heaven's call here. These are Satan's persuasions. Do not believe you are bound by obedience to stay away. If this were true, I would not be here today, inviting you, calling you. Do not believe that My messenger is disobedient. You do not know the whole story. Character assassination is not of God."

"Come to Me - your Heavenly Mother. I await you." ■

Balloons of Love

When a group of pilgrims from the Philadelphia area realized that Father's Day fell on the Feast of the United Hearts, June 17, 2012, they wanted to do something for Our Eternal Father to let Him know that He's not the forgotten Father. So they felt that a little surprise party was in order for Our Eternal Father.

As soon as the buses arrived on the Shrine property, on the Feast of the United Hearts, the pilgrims quickly departed from the buses. Each of the children, from 1 to 15 years of age, was given a 'Happy Father's Day' balloon. The pilgrims then walked to the Lake of Tears. At the Shrine of Our Lady of Sorrows they gathered all the children who, with their parents, joyfully consecrated themselves to the United Hearts and Our Eternal Father. When the Consecration was completed everyone then sang 'Happy Father's Day' to Our Eternal Father and released the balloons with strings of love and deep sentiment attached. Everyone watched the Balloons of Love disappear into the sky to the Heart of Our Eternal Father with great delight and exhilaration. It was a joyous occasion for all to let Our Eternal Father know that He's not forgotten. ■

St. Michael says: "Praise be to Jesus."

"You recognize me, don't you? I am Michael, the Archangel. Jesus sends me to you once again as the need arises. As I am the Defender of the Truth, I must point out the paradox of what has become law in your country. On one hand, you are told you have the right to choose between life in the womb or abortion. On the other hand, you are told you do not have the right to deny anyone birth control or abortion even if it contradicts your conscience. If conscience can dictate for an abortion or birth control, why can it not dictate against the same?"

"The Truth is – your rights are being dictated and manipulated by compromised politicians."

"Jesus desires I dictate to you a novena to begin June 26th and to end July 4th – your Independence Day. Propagate it and be united in this prayer effort."

"Here, now, is the prayer to be prayed every day of the novena; then, I will subsequently give to you the daily prayers on my future visits:"

Daily Prayer

"Dear Jesus, allow the Truth of Holy Love to flood the heart of this nation. Place Truth in the center of every heart. Return this nation to its rightful place under the Dominion of God. Amen."

Novena for the United States of America

(*"Novena should be said June 26th to July 4th every year; can be recited daily."*)

DAY 1. "Overcome contradiction in laws concerning life."

"Dear Jesus, inspire the hearts of legislators to bring fairness into every law. In so doing, inspire lawmakers to remove contradiction from laws concerning life in the womb, so that no one is forced to support contraception or abortion against his free will. Do not allow religious freedom to be trampled under the feet of those who favor death in the womb. Amen."

(Recite Daily Prayer)

DAY 2. "Freedom of conscience for religious groups."

"Dear Jesus, we ask Your protection over all religious organizations. In this country based upon freedom, do not allow anyone to feel threatened in voicing their opinions or practicing their faith. Help us to guard against reverse discrimination in which non-Christians are granted every right, but Christians are subdued. Amen."

(Recite Daily Prayer)

DAY 3. "Realization of the Truth as to the path this country's leaders are following."

"Dear Jesus, help the citizens of this country to realize the truth of the direction this nation is taking. Help everyone to comprehend that the government is becoming detached from the will of the people by slowly stripping away individual freedoms. Restore in hearts the proud, independent nature that this country

was founded upon. Amen."

(Recite Daily Prayer)

DAY 4. "Unity in prayer against any form of dictatorship."

"Dear Jesus, unite the hearts of all the citizens of this nation to pray against any form of dictatorship. Do not allow the people of this free country to stand silent as the Constitution is trampled upon. Awaken hearts to see the hidden agenda of such actions, which encourages the One World Government. Pray that all hearts unite in the Truth. Amen."

(Recite Daily Prayer)

DAY 5. "That the path of good is well-defined against the path of evil in all the nation's decision making."

"Dear Jesus, open the heart of this nation to recognize the difference between good and evil. Help the people to see that those who are ambitious for themselves readily transgress the rights of others. Remove from the hearts of those in influential positions the willingness to condone evil and to ignore God's Commandments. Amen."

(Recite Daily Prayer)

DAY 6. "That Satan is disarmed in his efforts to gain control through the economy."

"Dear Jesus, we see Satan's hand in his efforts to weaken this country by weakening the economy. In this way, the New World Order – One World Government – appears more

acceptable to everyone. Enlighten all the citizens of this nation to see that to weaken the economy is to gain control of hearts and lives. Help the people of this country to see that government handouts are not free, but paid for with the surrender of independence. Amen."

(Recite Daily Prayer)

DAY 7. "That sin is no longer defined as a right and supported by law."

"Dear Jesus, return the heart of this nation to the righteous support of God's Commandments as encapsulated in Holy Love. Vigorously defend life in this effort, as well as the tradition of marriage between a man and a woman. Realize that the acceptance of sin as a political issue is shaking hands with Satan, and giving evil an open

door. Let all laws be in support of God's Commandments; thereby strengthening the backbone of this great nation. Amen."

(Recite Daily Prayer)

Day 8. "For citizens who live in Truth to be emboldened in their power to precipitate change."

"Dear Jesus, place the Shield of Truth over all hearts, emboldening every effort to stand for the Truth. In this powerful effort, precipitate change towards righteousness in every government action, and in every legal decision. Amen."

(Recite Daily Prayer)

Day 9. "The glorious victory of Truth in those who hold the highest offices:"

- **"President**

- **Supreme Court Justices**
- **Congressmen and Senators**
- **All Appointed Officials"**

"Dear Jesus, inspire the Victory of Truth in all those who hold public office. Do not allow compromise of Truth or any contradiction to be part of any law. In this effort, uphold the rights and independence of every citizen. Most especially inspire those who hold offices of the most profound influence: President, Congress, Supreme Court Justices, Appointed Officials, towards this end. Amen."

(Recite Daily Prayer)

St. Catherine of Siena says: "All praise be to Jesus."

"When you pray, pray that the Blood of Christ's Passion stands between this president and his reelection. Too many innocent lives have been lost due to his policies."

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when you pray for your country, pray for all those who oppose the truth; for if politicians and government leaders oppose the truth, they are not living in Holy Love and, therefore, cannot promote peace and unity amongst all people and all nations. Holy Love is the truth."

"Today I'm blessing you with My Blessing of Divine Love."

June 25, 2012

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"During these coming days, pray that your government leaders' hearts are bathed in TRUTH, for it is only those who live in TRUTH that can also live in Holy Love; for Holy Love and Truth are one. I desire every government be founded on Holy Love."

"Tonight I'm imparting to you My Blessing of Divine Love."

Stand in the Truth for your Freedoms

"My brothers and sisters, this country was founded on independence and religious freedom. You must not let anyone be elected to a high office with the ability to remove freedoms from the people. Once independence is relinquished, it is difficult to regain."

Messages that pertain to this Nation – The United States of America

September 2, 2005

"I am your Jesus, born Incarnate."

"Today I have come to address many things. I would like to address your nation now, even before the fifth of the month."

"My brothers and sisters, I commiserate with you as you struggle to overcome the devastating destruction of the recent hurricane. Here the innocent have suffered along with the guilty which is what I warned over and over. When I speak of the guilty, I refer to those who condone homosexuality, lewd conduct, destruction of the innocent and all who disregard the Ten Commandments."

"The morals of this country have deteriorated. God has been removed from schools and public places. So, it is that the destruction of the heart of this nation is resulting in the physical destruction of areas that have supported much sin."

"As you attempt to recover, rebuild the morals of your country, as well. Do not be so foolish as to disconnect the real cause from the disaster. Do not say, 'God would not do this.' Look at Sodom and Gomorrah. Learn from the peoples' response to Jonah's warning in Nineveh. Even the king put on sackcloth and ashes. My Father saw this, and did not reign terror upon them. Listen and learn."

"I do not stand by idly and watch you suffer. I suffer with you. When you pray for these victims, I listen. I mourn with you, but I will rejoice with those who repent." ■

Jesus is here with His Heart exposed. He says: *"I am your Jesus, born Incarnate."*

"My brothers and sisters, I, too, am calling your country to CHANGE. The president-elect is calling your country to change in a way in which it will become morally degenerate. But I am calling the heart of your country to convert to Holy Love. In this way, you will prosper spiritually, physically and emotionally."

"Tonight, My brothers and sisters, as I pray for the conversion of your country, I'm blessing you with My Blessing of Divine Love." ■

Jesus is here with His Heart exposed. He says: *"I am your Jesus, born Incarnate."*

"My brothers and sisters, always live in the TRUTH which is HOLY LOVE, for this is the path to salvation and personal holiness. Laws which do not support the welfare of all people are not legislated by truthful politicians but those who are listening to Satan's lies. Do not support such laws."

"Remember that Holy Love is the TRUTH and is the Immaculate Heart of My Mother."

"I'm blessing you with My Blessing of Divine Love." ■

June 5, 2010

"I am your Jesus, born Incarnate."

"I have come to notify the world that there is significant meaning to the oil spill off the coastline of your nation. The waters seem irreversibly polluted. Innocent bystanders watch as their livelihoods slip away."

"So it is with the heart of your nation which has been polluted by sin. The sin of abortion snatches innocent lives from the womb. Worthy leaders have been killed in the womb and continue to be sacrificed in this way. Your country has sacrificed its independence through a financial crisis which could have been avoided. Instead, polluted hearts led the nation off course."

"In the Gulf of Mexico pollution is further weakening your economy. What was given to your country by God as pristine, is now greatly compromised by error. In your nation, what was founded 'Under God' is now compromised by man's choices against Holy Love."

"Your nation will not meet with success or prosper in its attempts to

be free from God's influence; instead, God will continue to weaken this once great nation. It was founded as a haven for religious freedom; it is becoming a haven of sin."

"The Remnant, who live in the truth, must persevere in prayer and sacrifice. I desire to save, not to destroy. I desire your welfare, not your demise."

"Make this message known." ■

"I am your Jesus, born Incarnate."

"The earthquake close to your nation's Capitol today is a sign to the world that your nation's very foundation has been rocked by the policies of this administration. Truth has been trampled underfoot, and the rights of the citizens have been disregarded."

"Such upheaval of human rights does not go unnoticed by Me." ■

St. Catherine of Siena says: "Praise be to Jesus."

"As your country faces another election year, Heaven is praying that a wise choice will be made. Every nation deserves a wise leader - a leader who wants what is best for the people he governs - a leader that is sincere and parental towards those he is chosen to lead."

"What you should beware of - what you do not want in a leadership position - is a duplicitous politician full of self-interest and hidden agendas. This type of leader is not a leader in the best interests of the nation, but of self-advancement and cannot succeed in governing this country past the problems it now faces - nationally and globally." ■

St. Michael says: "Praise be to Jesus."

"Today I encourage each one to be patriots of the Truth. In this fellowship, do not support any politician on one issue alone, but on his fidelity to the Truth based upon Holy Love. This is the path upon which all nations would prosper. Social and economic woes would be resolved; but today Satan enters the doorway of disordered self-love to lure souls away from this perfect solution."

"This is why sin is now a political issue. These moral issues cannot be relegated to legalities if you want to please God. To do so is to embrace moral degeneration. The nation which lives according to God's Will, which is Holy Love, would be greatly blessed and the Hand of Justice would not fall upon it. There is no such nation in the world today." ■

June 13, 2012

"I am your Jesus, born Incarnate."

"Please understand the Sorrow of My Sacred Heart as I speak to you tonight. Your country is making matters of conscience into legal issues. Furthermore, the legalization of sin presents the grave matter of sin as acceptable and no longer wrong in My Eyes. So, instead of leading its citizenry along the path of righteousness, your United States government is leading people away from the Commandments, away from My Father's Will, and into the darkness of debauchery."

"I come to you as Jonah crying out repentance to Nineveh. The Ninevites repented, and the Hand of Wrath was withheld. Will it be so here?" ■

June 24, 2012

"I am your Jesus, born Incarnate."

"I tell you solemnly, when you desire to always live in the Truth, you cannot allow the Truth to be subdued for any reason. Even if someone in authority, through error, tries to stop the Truth - that you proclaim - to be silenced, you have the moral duty to persevere in standing up for the Light of Truth."

"Dictatorships are born on the shoulders of lies. Disordered power rises up when the Truth is silenced. Do not fear how bearing the Light of Truth will be received. That is not your responsibility. Your responsibility is to show forth the Light of Truth despite ramifications." ■

June 25, 2012

Blessed Mother says: "Praise be to Jesus."

"Dear children, you must be careful of any law or those politicians who support such laws which take away human, God-given rights. Do not surrender what God desires you to have. Understand that freedom of conscience is such a God-given right."

"Governments must not intrude upon freedom of religion. Learn from human history where such freedoms were stripped from My children by the Nazis and the Communists. Do not allow your hearts to be compromised in this grave matter; for then, the heart of your nation will be compromised, and then, the heart of the world."

"In Holy Love, be staunch supporters of religious freedom. Remember, the loss of one freedom leads to the loss of still more. Then, what was once a democracy becomes a dictatorship." ■

"I am your Jesus, born Incarnate."

"Always, always, My Victory comes into hearts, and so, too, the world when decisions are made based upon Holy Love. It is in this way that My Father's Will comes alive in the world."

"So you see where Satan's attacks most certainly lie; it is in weakening Holy Love in hearts in the present moment. Then the enemy of your salvation ushers in disunity, greed and distorted thinking. It is in this compromised state that souls are persuaded to surrender God-given rights and individual freedoms. Never before has freedom of conscience been so under attack - without outrage."

"Do not cooperate with Satan's agenda with meekness and docility. Stand firm in righteousness which is always Holy Love. Speak boldly for the Truth. Let the Light of Truth shine through you and all around, revealing evil for what it is. Do not allow the enemy to remain hidden under the cloak of darkness he prefers."

"Truth is your weapon. Truth is Holy Love." ■

June 27, 2012

"I am your Jesus, born Incarnate."

"I have come to remind you that one definition of freedom is the right to choose according to your conscience. This is why I come here to form and shape consciences in Holy Love. Your freedoms can only be taken away when you willingly surrender them. This can easily happen when you place your hopes and trust behind a politician who desires total authority over you."

"Therefore, do not be an uninformed voter. Look into the history of each

candidate. Do they historically support the Constitution or do they trample it underfoot? Do they speak of unity but promote disunity by pitting one group against another? Do they have the best interests of all people in their hearts or just their own for political gain? Have they succeeded in helping their constituents or have they used laws to weaken the nation they claim to assist? Do they work openly and in Truth or are their actions hidden under the cloak of darkness, leaving everyone guessing?"

"Because Holy Love is the fulfillment of Truth - the embodiment of all the Commandments - these Messages today are meant to reshape the conscience of the world and place God in Dominion over all hearts and every nation. It is with urgency I seek the propagation of this Mission - these Messages and the consecration of every heart, including the heart of the world, to Our United Hearts."

"Make it known." ■

(This Message was given minutes before Supreme Court's decision on Obamacare was announced.)

Blessed Mother says: *"Praise be to Jesus."*

"Today I tell you, your country will only be as strong as it is free. It will only be as free as it is in union with God's Divine Will. It can only be in union with God's Divine Will when God-given rights are protected and upheld."

"The Lord gave mankind the inheritance of a simplistic existence, all based upon Holy Love; but man has complicated every aspect of life with his attempts to be sophisticated

apart from the Will of God. Modern forms of technology have become the end - not the means of pleasing God through Holy Love; that is to say, technology has become its own god, and not an instrument of God. In this way, it is clear that the goal of personal holiness has been obscured. Salvation is not sought after. Personal freedoms are slipping away unnoticed." ■

Feast of St. Peter and St. Paul

St. Peter says: *"Praise be to Jesus."*

"These days, title and authority are being used to oppose Truth. I am not here to appease those in power, but to support the Truth. I have freedom of speech because I come from Heaven. It is in this way I can lead the followers of this Mission around obstacles to their own salvation."

"The Truth needs to take over the hearts of all government leaders so that rights are preserved and true democracy is restored. If the citizens of this once great nation saw the evil at work in the background in Washington, there would be no election in November but a revolution of good against evil."

"This is not the hour in history to fear speaking up for the Truth. It is the moment when Truth must stand out as the only solution." ■

Ezekial says: *"Praise be to Jesus."*

"Do not trust any politician who does not tell the Truth. If he can lie about one thing, he can lie about many. One unscrupulous act leads to another."

"There should be no hiddenness in politics - no hidden agendas. Each one should uphold the law in

righteousness. Only then will this nation return to a true democracy - a nation that would not single out any one group in persecution."

"When you pray for this nation, pray that the next president is a leader, not just a politician. A leader would defend democracy. His leadership would not weaken, but strengthen the nation. A good leader would not divide, but unite the citizenry."

"His policies, as leader of the free world, would demand respect worldwide and not pull this nation into the One World Order." *

*** Also known as One World Government; New World Order.**

Note: Blessed Mother introduced Ezekial to me [Maureen] last Thursday. She said he is the Angel of the United States, and is from the Choir of Powers [The 5th Choir]. ■

"I am Zechariah, the guardian angel of your country. Praise be to Jesus."

"Today, as your country celebrates the anniversary of its independence, I have come to solemnly point out how far from independence your country has come."

"The Constitution, which was heavenly inspired, is being transgressed by those in power. The law is being twisted to support sin - even debauchery. Your President is even taking command of freedom of conscience in regards to the promotion of abortion and birth control by those who do not believe in it."

"The New World Order is being touted as desirable when, in Truth, it moves all people and all nations under a dictatorship. Do not be fooled."

"As a nation, return to the ideals of

your Founding Fathers, for herein lies the hope of true independence." ■

Feast of Our Lady of Mount Carmel

Blessed Mother says: "Praise be Jesus."

"Once again I come to ask that your country return to Christian values. This cannot happen unless your leaders and lawmakers hold Christian values in their hearts. Since this is not the case these days, moral degeneration is taking its toll."

"Do not follow anyone who promotes class warfare or opposes prayer or weakens independence. All of these are from Satan - the enemy of your salvation. You must not fall under the leadership of a One World leader."

"Stand against anyone who promotes the One World Order. Fight for religious freedom, which your country was founded upon but has abandoned."

"Dear children, take to heart My words to you today. I pray you will have the courage to do so. Your future depends upon it." ■

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, turn your hearts over to prayer off and on throughout the day, thus sanctifying the present moment. It is through prayer, free will decisions can be changed and thus your future can be changed."

"Tonight I'm imparting to you My Blessing of Divine Love." ■

"Today Alanus* did many small but important favors for you. The angels are always ready to help each person, and often do. But they are most helpful when they are asked for assistance. It is then that they work silently in the background to bring about positive effects."

"Angels do not only work in small ways but in significant ways, as well. You can pray to the angels of politicians and whole bodies of government at once. Did you know that your Congress and your Supreme Court have ruling angels over them?"

"The angel that tries to guide Congress is 'Constant'. The angel that tries to guide the Supreme Court is 'Micah'."

"Pray that their influence is effective."

***Note:** Alanus is Maureen's guardian angel. ■

August 23, 2012

Blessed Mother says: "Praise be to Jesus."

"Please understand, dear little children, that living in Holy Love carries with it the responsibility of always supporting life in the womb. This means that given a choice between two political candidates, you must support the pro-life candidate. This is true even if there are other issues this pro-life candidate supports that you do not agree with. It holds true even if there are characteristics in the candidate's personality you do not like."

"I tell you this, for the battle over life in the womb is the war which must be won. The womb is the battleground which will determine the future of your country."

"Make it known." ■

What is the Children of the United Hearts?

A lay association of all souls devoted to the United Hearts, inaugurated by Blessed Mother on March 4, 2012, for the consecration of the heart of the world to the United Hearts.

March 4, 2012 – Blessed Mother says: “Jesus desires that an association be formed to be formally called Children of the United Hearts. They would meet regularly in every part of the world to pray for peace in all hearts through Holy Love. We will meet here on the property off and on throughout the year. Hopefully at least one ambassador for each group will be in attendance. The dates will coincide with certain feast days.” ■

March 4, 2012 – Jesus says: “I desire always to be united with the Children of Our United Hearts, and that these children be united in prayer. Let us have the same goals – peace in all hearts through Holy Love, and spiritual union with the Will of My Father.” ■

March 5, 2012 – Blessed Mother says: “I am joyful as I await the formation of the association of the Children of the United Hearts. This association has long been in Our United Hearts. Let any sign of opposition be a sign to you of its significance.” ■

March 9, 2012 – Blessed Mother says: “Today I have come to offer further guidance concerning the Children of the United Hearts. Dear children, be united in prayer as I have taught you to be. Pray that the heart of the world be in spiritual accord with the Divine Will of the Father. Let there be no ambition, envy or jealousy amongst you. This must be an all-out effort of worldwide prayer. Do not seek any endorsement; just pray as never before. Draw others into this effort and into lives consecrated to the Truth of Holy Love. God is listening,

watching and waiting just as He did at Nineveh.” (Jonah 3) ■

March 16, 2012 – Jesus says: “My brothers and sisters, as Children of Our United Hearts, let your lives reflect Divine Love through your words and actions; thus you will attract others to Our United Hearts. In this way we will win more souls to the Remnant Faithful, for Our United Hearts are the Sacred Refuge of the Remnant.” ■

March 18, 2012 – Blessed Mother says: “Please understand that when I speak of the Children of the United Hearts, it is just that – all of My children who are devoted to Our United Hearts. Please do not undermine the purpose of this call by so many formal stipulations that the main focus – to pray that mankind be spiritually united to the Divine Will of the Father – is somehow lost in the shuffle. You do not need a format to gather to pray nor do you need ‘officers’ or a handbook. Pray together and be united. An ambassador is anyone who comes from and represents one of these prayer groups. Do not look for recognition or importance. Just be a prayer warrior.” ■

May 10, 2012 – Blessed Mother says: “These days, when sin has become a political choice, it is of even greater importance that hearts be consecrated to Our United Hearts. For with this consecration is the soul’s resolve to live a holy life, and to support only Holy Truth. Soon I will dictate to you a Consecration of the Heart of the World to Our United Hearts*. The more souls that make this consecration, the more the heart of the world will be saturated with the Truth. This is an all-important

effort in these times before the impetus of the Final Tribulation.” ■

***To the Children of the United Hearts Association:**

Please note the importance of spreading throughout the world this Consecration of the Heart of the World to the United Hearts.

May 10, 2012 – Blessed Mother says: “Praise be to Jesus. This is My Mother’s Day gift to the world:” ■

“THE CONSECRATION OF THE HEART OF THE WORLD TO THE UNITED HEARTS”

“Most Compassionate United Hearts of the Most Holy Trinity and the Immaculate Heart of Mary, accept this, my prayer, on behalf of the heart of the world. Awaken the heart of the world to the Truth of the difference between good and evil.”

“Inspire each soul to consecrate their hearts and their lives to the United Hearts; thereby strengthening the heart of the world in this resolve.”

“We beg You, dear United Hearts, pour the grace of Your Inspiration into the heart of the world, strengthening it in Truth and in Holy Love. In this Heavenly Inspiration, draw the heart of the world into union with the Will of God. Amen.”

June 7, 2012 – Jesus says: “I have come to detail for you what exactly I mean when I refer to the ‘heart of the world’. This includes all living souls from conception to natural death. Therefore,

inclusive in this term 'heart of the world' are all in the womb, all unbelievers, all atheists or agnostics, all politicians and government leaders, all church leaders, all families. Indeed, no one is excluded when you pray this way. This is why Heaven asks so often for prayers for the 'heart of the world.' ■

June 21, 2012 – Blessed Mother says: "Please make it known that Jesus desires representatives from the various groups of the Children of the United Hearts to meet on the property the weekend of August 4th and 5th. This will be the first such meeting of this lay organization." ■

June 27, 2012 – Jesus says: "Because Holy Love is the fulfillment of Truth – the embodiment of all the Commandments – these Messages today are meant to reshape the conscience of the world and place God in Dominion over all hearts and every nation. It is with urgency I seek the propagation of this Mission – these Messages and the consecration of every heart, including the heart of the world, to Our United Hearts." ■

July 4, 2012 – Jesus says: "There is one formality, if you can call it that, which the Children of the United Hearts should follow; that is, each day recite the 'Consecration of the Heart of the World to the United Hearts', and the 'Consecration to the United Hearts.'" ■

July 20, 2012 – Blessed Mother says: "Today, dear children, I am calling each and all of you to unity of heart. Be of one mind and one heart. Work towards the conversion of as many souls as possible before My Son's return. This is why I am here in your midst seeking the consecration of the heart of the world to Our United Hearts. This consecration will increase the Remnant Faithful and strengthen it in what is to come. In many cases, it will unravel the lies Satan has woven into the fabric of society

today. At Fatima My request was for the conversion of Russia; but today the need is for worldwide conversion of heart. Do not think that a global government is the answer. The world today does not need a human solution but a spiritual solution – a spiritual correction of heart.* This is why I come to you. I seek the spiritual renewal of the heart of the world through Our United Hearts." ■

Philippians 2:1-4

"So if there is any encouragement in Christ, any incentive of love, any participation in the Spirit, any affection and sympathy, complete my joy by being of the same mind, having the same love, being in full accord and of one mind. Do nothing from selfishness or conceit, but in humility count others better than yourselves. Let each of you look not only to his own interests, but also to the interests of others."

***Note:** A spiritual correction refers to repentance and conversion of heart.

August 2, 2012 – Blessed Mother says: "Dear children, each time you pray this prayer – The Consecration of the Heart of the World to the United Hearts – God pours grace into the world. Thus, souls are convicted of their wicked ways and attracted to personal holiness. Every soul that follows the inclination of these graces strengthens the Remnant Faithful. Satan's kingdom in this world is weakened forever by the conversion of one soul. Therefore, understand he is powerfully opposed to the recitation and propagation of this consecration. Pray for the grace of Holy Boldness in the face of all evil attacks. Persevere in the Will of God, in propagating this consecration far and wide." ■

August 3, 2012 – Jesus says: "My brothers and sisters, please know that this weekend, and all that is offered here, is a portion of My Mercy upon earth. All your prayers and sacrifices

have made this possible, combined with My Grace. No prayer, no sacrifice is too small or is ever ineffective. Therefore, I encourage you to continue to pray that this Consecration to Our United Hearts is propagated far and wide." ■

August 5, 2012 – Blessed Mother says: "My dear little children, it is My joy to be with you today. It is My joy that you have accepted My invitation to come here this weekend. In a similar way, please accept My invitation to be ambassadors of the United Hearts." ■

August 8, 2012 – Jesus says: "Today I have come to reiterate the solitary purpose for the formation of the Children of the United Hearts. It is the consecration of the heart of the world to the United Hearts. This can be accomplished through prayer, sacrifice and fasting. It is in this way the Remnant will be strengthened and made greater. Do not let anything else distract you ... Your call is to a humble response to prayer, sacrifice and fasting on behalf of the Victory of Our United Hearts in the heart of the world." ■

August 8, 2012 – Blessed Mother says: "My daughter, I have come to ask that the Chaplet of the United Hearts be part of the daily prayer regimen for the Children of the United Hearts. The intention should be the Victory of the United Hearts in the heart of the world.

August 9, 2012 – Blessed Mother says: "The consecration of the heart of the world to the United Hearts is an attempt to awaken the heart of the world to the Truth of where it stands before God. Every soul in his final judgment is convicted in this Truth and judged accordingly. The reason Satan succeeds in alluring so many followers is that souls are not interested in the Truth of what is good and what is evil in God's Eyes. This consecration carries with it the conviction of Truth." ■

Daily Prayers of the Children of the United Hearts

CONSECRATION TO THE UNITED HEARTS

"Most Worthy, United Hearts of Jesus and Mary, I willingly consecrate myself this day to You. I surrender to You all I own, both interior and exterior. Let my life be a continual hymn of praise to Your Most Holy United Hearts. Take the victories and defeats of this moment into Your Hearts. Use them, as You need them, to bring about Your triumphant reign. Amen." (*Blessed Mother – 1996*)

THE CONSECRATION OF THE HEART OF THE WORLD TO THE UNITED HEARTS

"Most Compassionate United Hearts of the Most Holy Trinity and the Immaculate Heart of Mary, accept this, my prayer, on behalf of the heart of the world. Awaken the heart of the world to the Truth of the difference between good and evil."

"Inspire each soul to consecrate their hearts and their lives to the United Hearts; thereby strengthening the heart of the world in this resolve."

"We beg You, dear United Hearts, pour the grace of Your Inspiration into the heart of the world, strengthening it in Truth and in Holy Love. In this Heavenly Inspiration, draw the heart of the world into union with the Will of God. Amen."

(*Blessed Mother – May 10, 2012*)

THE CHAPLET OF THE UNITED HEARTS

1. In Honor of the Sacred Heart of Jesus

"I invite My children to realize the profound depth and perfection that comprises My Beloved Son's Heart. Allow yourselves to be drawn into this Vessel of perfect Love, Mercy, and Truth. Let the Flame of His Heart consume you and bring you to the heights of union with the Holy Trinity. To Him all honor and glory! Jesus, bestow on My children a hunger for salvation through devotion to Your Most Sacred Heart." (*Blessed Mother – February 7, 1998*)

Our Father... Hail Mary... Hail Mary... Hail Mary...

2. In Honor of the Immaculate Heart of Mary

"Immaculate Heart of Mary, You are the purest vessel of grace, the definition of holiness, and a sign of the apocalypse. Mary, Your Heart is a Refuge of Holy Love – a countersign in an evil age. Dear Heart of Mary, it has been ordained that the conversion and peace of the world be entrusted to You. Only through Holy Love can the battle be won. As you, Heart of Mary, have been pierced by many swords, impale our hearts with the flaming arrow of Holy Love. Immaculate Heart of Mary, pray for us." (*Blessed Mother – March 7, 1998*)

Our Father... Hail Mary... Hail Mary... Hail Mary...

3. Meditating on the Passion of Our Lord

"Jesus was willingly put to death for the sins of mankind. He died for each one and for all. From His side flows, yet today, an unending font of Love and Mercy. Do not be reluctant, as Simon was reluctant, to embrace the crosses you are given. Many suffer the eternal flames of hell, for no one has been willing to suffer for them. Eternal Victim, truly present in the tabernacles of the world, pray for us." (*Blessed Mother – April 4, 1998*)

Our Father... Hail Mary... Hail Mary... Hail Mary...

4. Meditating on the Sorrows of Mary

"As My Son suffered for you, I suffered as well, in My intellect, in My heart, and in My body. My physical cross remained hidden. My emotional and intellectual crosses could only be guessed at – the intensity burning within Me. So too, should your suffering remain hidden, whenever possible, to gain merit for souls, grace for the world." (*Blessed Mother – May 2, 1998*)

Our Father... Hail Mary... Hail Mary... Hail Mary...

5. In Atonement to the Hearts of Jesus and Mary

"I invite you to understand that your 'yes' in the present moment to Holy Love is atoning to Our United Hearts. I tell you this, My little one, for to live in Holy Love in every moment requires heroic self-discipline and surrender to God's Divine Will through Holy Love. You can sacrifice many great things – possessions, events, and more – but none so great as your own will. This is the greatest atonement." (*Blessed Mother – June 6, 1998*)

Our Father... Hail Mary... Hail Mary... Hail Mary...

(*At the end of the Chaplet prayers, on the medal, say the following Prayer to the United Hearts of Jesus and Mary.*)

Prayer to the United Hearts of Jesus and Mary

"O United Hearts of Jesus and Mary, You are all grace, all mercy, all love. Let my heart be joined to Yours, so that my every need is present in Your United Hearts. Most especially, shed Your grace upon this particular need:"

"For the Victory of the United Hearts in the Heart of the World."

"Help me to recognize and accept Your loving will in my life. Amen." (*Jesus – February 10, 1996*)

"Holy and Sacred Wounds of the United Hearts of Jesus and Mary, answer my prayer." ■

First Meeting of the Children of the United Hearts –

August 4 & 5, 2012 at Maranatha Spring & Shrine

“Saturday, August 4th, was a red-letter day at Maranatha Spring and Shrine in North Ridgeville, Ohio, as prayer group ambassadors from around the world arrived at the Shrine to attend the very first meeting of representatives of the *Children of the United Hearts (CUH)*. This 2-day conference provided attendees with a wealth of information and spiritual direction on evangelization – the overall theme of the conference – culminating in a birthday celebration for Blessed Mother on Sunday, August 5th. The prayer group ambassadors returned home with hearts on fire for evangelizing the consecration of the heart of the world to the United Hearts.

The Invitation

The *Children of the United Hearts Association* officially began on March 4, 2012, with an announcement from Blessed Mother. A June announcement from Blessed Mother then set the date for the first meeting of CUH prayer group ambassadors during the weekend of August 4th & 5th, coinciding with Blessed Mother's birthday on August 5th.

Invitations were sent out to hundreds of prayer warriors, prayer group leaders, and guardian angels worldwide. Nearly three hundred accepted, with many coming from far-off places, such as: Canada; Columbia; the Dominican Republic; Ecuador; Guatemala; Hawaii; Hong Kong; Korea; Mexico; Panama; the Philippines; Portugal; Puerto Rico; Tanzania; and Venezuela.

The Conference

The conference opened with a Welcome from the Visionary, Maureen Sweeney-Kyle. The conference speakers covered the following topics over the two days:

The State of the Heart of the World; How to Evangelize; Consecration to the United Hearts; How to Pray; and Making It Known by Being the Message. Written questions were submitted by the participants, which were then addressed in a Q & A Panel format.

As the last session drew to a close, participants were urged to watch the Holy Love website for translations of the two daily consecration prayers (*Consecration to the United Hearts; The Consecration of the Heart of the World to the United Hearts*) in many languages,

downloadable as prayer cards.

The 2-day meeting came to a close. All of the participants then joined the ranks of the other visiting pilgrims here to celebrate Blessed Mother's birthday.

Conclusion

Looking back on our first meeting of the CUH prayer group ambassadors, it is gratifying to remember how excited the participants were to be invited, how receptive they were to the entire program, and how astonished they were when they discovered just how many U.S. states and foreign countries were represented. This will enable us to cover the globe with the daily consecration prayers and chaplet, by praying them at noon each day in nearly every time zone.

We appreciate all of the positive feedback on our first conference in the Aquinas Center Lecture Hall, such as that from the participant who made a point of saying that he attends many conferences, and this one was top-notch.

We look forward to the future as Heaven's plans continue to unfold for the *Children of the United Hearts*.

Most of all, we join with all children of the United Hearts in praying for the consecration of the heart of the world to the United Hearts. Until that happens, may our hearts remain on fire for evangelizing the consecration of the heart of the world to the United Hearts, as we pray, "*Dear United Hearts, come to our aid.*" ■

Anniversary of Blessed Mother's Birthday

At the conclusion of the CUH Conference all of the participants, together with a multitude of other pilgrims, made their way to the Mary, Refuge of Holy Love Chapel for the 3 pm Prayer Service and apparition and message from Blessed Mother. Conference participants and visiting pilgrims alike prayed fervently for the Triumph of the United Hearts, both in hearts and in the world, and unity in families. Blessed Mother's birthday celebration in the Cafeteria began immediately following the service, with five large sheet cakes and plenty of ice cream served to a few hundred pilgrims. The pilgrims wrote many loving messages on the birthday cards provided for Blessed Mother. As the afternoon waned, joyful pilgrims drank in the peace that is the hallmark of Maranatha – a peace that blankets the property – a peace that comes directly from Our Mother's Heart.

"Praise be to Jesus."

"My dear little children, it is My joy to be with you today. It is My joy that you have accepted My invitation to come here this weekend. In a similar way, please accept My invitation to be ambassadors of the United Hearts."

"I'm blessing you, and all that you carry with you, with My Blessing of Holy Love." ■

Part 7

Making the Spiritual Journey

The Key to Entrance into the First Chamber of United Hearts

In **Part VI** of this series: “*Making the Spiritual Journey*,” we concluded our discussion of obstacles that can hinder our journey of personal holiness into and through the Chambers of the United Hearts; and began our discussion of the importance of *trustful surrender or abandonment of self*, (i.e., dying to self-will or inordinate self-love), so as to enter and progress through the Chambers of the United Hearts. In this current part of the series, we will continue to highlight the importance of an ever-increasing dying to self or trustful self-surrender to entering in and progressing deeper through the Chambers of the United Hearts. Messages from Jesus on the Revelation of the United Hearts and the role of *trustful surrender* in the journey of personal holiness through the Chambers, in turn, will help us understand **why** the important **key** to entrance into the First Chamber, (the Immaculate Heart of Mary), is the **invocation to Mary, Protectress of the Faith**.

For example, in a **March 31, 1999** Message, Jesus revealed to Maureen how hard the journey of personal holiness is for His followers. Jesus said: “*It is a difficult path I call you upon - one not easily traveled. The Message of Holy Love is centered upon **unselfishness - dying to self**. It is based upon **surrender**. The more the soul surrenders, the deeper he will come into Divine Love. Divine Love is the New Jerusalem. You don't have to wait. You can have it now while the world swirls around you in turmoil. You do not need to wait for the warning to have your conscience enlightened either. Come to the property. It will all be given within a short time, either as you visit the site,*

or days subsequent to your visit. This whole Mission is based on the Victory of Our United Hearts. The victory will be in hearts first; then in the world.”

Jesus reiterates this point in a Message of **May 22, 1999** Jesus says: “*I have come to explain to you the fullness of My call, which is self-surrender. Without your surrender, I cannot achieve in you My goal and your salvation. Surrender means that you must give up or relinquish something. Self-surrender is My call for you to give up your own will. Your will is directed by whatever is in your heart in the present moment. This is why **My call to self-surrender is at once My call to complete submission to Holy Love in the present moment. Self-surrender is the key that unlocks the door to My Heart and to Divine Providence**.*

*So often you do not see My Provision because you are blinded by what you want. So often what you want is not good for you and will not lead to your salvation. My Provision, My Divine Will for you, is like a great tapestry that I, the Weaver, begin to weave at your conception. All through your life, I design to put each thread in its place to create the masterpiece of your salvation. When you refuse to surrender to Me, you inasmuch as pull a thread out of place. Then I, the Artist, must redesign the entire tapestry so that it comes together harmoniously. But when you surrender to Me, the final outcome is much more easily attainable. You see My grace and you cooperate with My Provision, My Plan. The design is more beautiful because it is My best design. **Your self-surrender is what moves your feet up the staircase of holiness**.*

Your surrender lets you inhale the sweet fragrance of the bouquet of My grace. Without your surrender, you are like a broken tool in the hands of

*a master carpenter. The carpenter cannot use such a tool, so he sets it aside and searches out a better one. In the same way, **I cannot use you to the fullest unless you surrender completely to Me**. When you surrender, you are telling Me you **trust** Me to lead you, guide you, provide for you, protect you. I cannot resist such a one. My love completely embraces such a soul and I am united with him. This is why I tell you, **your trust is everything. Your trust is your surrender**.*”

Here we see how important our faith and complete trust in God is to His Plan for our salvation; and our complete surrender of self-will and inordinate self-love so as to live in Holy Love in the present moment, (which **is** the Divine Will), fulfills God's Plan. On **July 5, 1999 – Monthly Message to All Nations**; Jesus points this out and says: “*I come to you through the power of Divine Love - Divine Mercy. Through the fire of this Love, I have come to convert the heart of the world. The only path of conversion is through Holy Love. The Eternal Father, Who is at the center of the universe, cannot change a heart against its human will. Therefore, I have come to urge all hearts to **surrender** to My Mother's Immaculate Heart, which is Her call to Holy Love. If hearts respond, the Heavenly Father will restore peace and harmony to all of nature, ...all things that take dominion beneath His Power. As it is, much has been relinquished to Satan, as mankind has rejected the path of Love. My children do not consider Divine Providence, but move through life as though all things depended on themselves. Understand, I give and I take away; I support and I tear down. Come to Me. When I return, I will look for those who live according to the Two*

Great Commandments of Holy Love. Today, I'm making a new covenant of Love with My people. When you live in Holy Love in the present moment, you are fulfilling your needs towards salvation..."

In the following Messages, Jesus shows us how important *trustful self-abandonment or self-surrender* is for His grace and virtue to work in our souls: **July 8, 1999** – Jesus says: "I have come to help you understand that some people pursue holiness with their intellect and not their heart. This is the meaning of love: Love must first be in your heart and then in the world around you. If Holy Love is in your heart, then you surrender your will to Me. It is only in this way I can fill you with grace and virtue. This means you have no 'wants' of your own. It does no good to imitate the virtues or to seek the company of holy people if you have not emptied yourself completely. You may want to be holy and virtuous, but it is not possible to demand such grace from Me. It is only possible through self-abandonment." Similarly, on: **July 9, 1999** – Jesus says: "My Eucharistic Heart is the center of the universe. But this Heart cannot save a single soul unless the soul surrenders to Holy Love. The degree of surrender determines the degree of sanctity. Indeed, **self-abandonment is the key to salvation**. Souls cannot love Me or trust Me or even know Me, who allow their hearts to be full of themselves. Self-love is always the door Satan walks through. Self-love is inordinate love of power, money, ambition, reputation, sensuality, greed - all these that are from Satan. But **when the soul surrenders to Holy Love, he is willing to give up everything, all his own 'wants' for Me**. Such a soul has no need for recognition. Such a one despises the limelight and has no concern for reputation. He does not promote himself or his own agenda but waits in the background to quietly do My bidding. If he accomplishes something on My behalf, He does not look for credit, but gives thanks to God."

Jesus tells us that the soul who consistently practices *trustful self-surrender or abandonment of self*, thus, dying to self-will and inordinate self-love, is the one who consecrates himself to Divine Love. On **October 11, 1999** – Jesus says: "I wish today to describe to you **the soul who is truly consecrated to Divine Love**. The benefits of such a consecration are many, as I have told you, but the ones so disposed are few. **Such a soul, who is consecrated to Me through Divine Love, has become a martyr of love**. He has died to self and the world; only partaking in such indulgences as necessity dictates. The soul has relinquished everything to Divine Love. He seeks only to love Me more - to please Me more and to be united in Me. **The soul truly consecrated to Divine Love recognizes each present moment as an opportunity to surrender his will to the Divine Will**. The soul is a martyr of love because he has died to all else for love of Me. He seeks no other pleasure except My pleasure. He follows no other path save the one I choose for him. He is dead to the world and lives for Me so that I may live through him. There are few today who even desire such union with Me."

Then, in a Message on the Feast of St. Margaret Mary Alacoque, **October 16, 1999** – Jesus begins to describe the journey of personal holiness through the Chambers of His Sacred Heart, which **He reveals to souls who are consecrated to Divine Love**. He says: "...there are many chambers in My Heart of Hearts, which is Divine Love. **The door to each chamber is unlocked through self-surrender**. Each doorway leads you deeper into Divine Love – deeper into My Heart, until the soul reaches the deepest, most intimate chamber of Divine Union...He is willing to sacrifice anything to console Me. Few reach this Chamber." (In later parts of this series of 'Making the Spiritual Journey', Jesus' Revelation of the Inner Chambers of His Sacred Heart – of the United Hearts – will be explored in detail, as given in Messages of **October 16, 1999**, and **October 17,**

1999, as well as others.)

Regarding *self-abandonment, or self-surrender*, on **October 17, 1999** – Jesus says: "There are degrees of submission and compliance to the Divine Will. This is what the 'doors' to the Chambers of My Heart represent. So you see, each door is the Divine Will, but entrance to each chamber requires greater surrender and commitment."

As can be readily seen from these Messages, *trustful self-surrender or self-abandonment* to Holy and Divine Love is the **key** to entering into the Chambers of the United Hearts. On **December 31, 1999** – Maureen sees a **large key** floating in front of Jesus and Blessed Mother. Jesus says: "Child, this key represents your free will. It is the latchkey which opens every Chamber of My Heart. At first the key may turn in the lock with difficulty and entrance to the First Chamber – which is Holy Love – may be wrought with obstacles. But, when you surrender this difficulty to Me, it is removed by the Hand of My Provision. It is when the soul is able to **surrender** to Me by accepting God's Will in the present moment, that I am given the power to act. It is impossible to enter the abode of the United Hearts or to advance in the Chambers of My Heart outside of God's Will. This is because the United Hearts **are** the embrace of God's Will."

In a **Conversation With Divine Love – September 4, 2000** Jesus says: "The moment a soul hears the call to **conversion** of heart, he stands at the **threshold** of the First Chamber - My Mother's Heart - Holy Love. To the world this journey may seem foolhardy. But to the simple heart it is a path laid in gold. My Mother meets the souls who stand precariously on this threshold of conversion and salvation. She extends to them every grace they need to accept Her invitation to enter the first portal of Our United Hearts. Indeed, the threshold to the First Chamber is the most decisive in the entire spiritual journey."

On **October 16, 2000** – (the one year anniversary of Jesus' Revelation of

the Chambers of His Sacred Heart), Jesus says: "All of what Heaven would reveal began with **the Key to the Immaculate Heart of Mary – the prayer to Mary Protectress of the Faith**. This simple prayer admits the soul into the First Chamber of Our United Hearts, which **is** the Immaculate Heart of Mary. With faith protected and Satan laid waste, the soul [in trustful surrender] opens his heart to Holy Love - the First Chamber of the United Hearts. **The key to the innermost Chambers of My Heart is trustful surrender**. Without this, the soul cannot come deeper into My

Heart of Hearts. Therefore, see that the depth of trust in the heart is also the depth of holiness. The soul that does not love Me cannot trust Me. The soul that does not trust Me cannot surrender his will to Me. It is that simple and that complex."

In the next part of this series of *Making the Spiritual Journey*, we will continue to examine how *trustful surrender* of self-will to Jesus and the Father's Will comes about through *conversion* of heart; made easier through the graces afforded us by the **prayer to Mary, Protectress**

of the Faith – the key to the First Chamber, Her Immaculate Heart.

As we continue on, we will begin to discuss the Messages showing how the various Chambers of the United Hearts are as a **blueprint** to personal holiness and sanctification. ■

KEY TO THE CHAMBER OF HOLY LOVE

Mary, Protectress of the Faith and Refuge of Holy Love, come to my aid.

What is Humble Love?

May 16, 2012

St. Thomas Aquinas says: "Praise be to Jesus."

"The opposite of spiritual pride would be humble love. Humble love regards himself as the least holy, the most unworthy of grace. He knows all good comes from God - that God is the source of every grace. He humbly tries just to be an instrument in God's Hands. Humble love humbly bears, with patience, the mistakes and character flaws of others. He mercifully, gently corrects when it is his place to do so."

"In humble love, the soul is always forgiving; knowing it is God's Grace that keeps him from making the errors another has made. In this same spirit of humility, he forgives himself of all iniquity."

"Humble love never tears down - always builds up. It never causes division, but unites. It does not see its opinion as the only opinion unless it is a matter of good versus evil; then, humble love clings to the Truth."

"Pray for humble love in your heart."

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

***We welcome all people
