# Divine Mercy Weekend at the White Madonna Shrine

April 14 – 15, 2012

Once again enormous crowds of pilgrims flooded the White Madonna Shrine in response to Blessed Mother's call to pray there for an end to abortion. Twenty hours of continuous rosaries were prayed, with standing room only, over the two day event.

On Saturday evening, during the family rosary hour, professional storyteller Barbara Freeman held the children and adults captive with her retelling of the chronicle of

events from creation to the crucifixion. The children and adults were totally mesmerized.

Families held an extremely large Rosary of the Unborn as Ms. Freeman led them through the Joyful Mysteries.

Volunteers handed out 1000 rosaries to promote praying a rosary a day for life. ■

## Feast of Divine Mercy – Midnight Service at the United Hearts Field

*(This message was given in multiple parts over several days.)*

Jesus is here as He is in the Divine Mercy Image, and has many angels with Him and hundreds of sparkling lights around Him. He says: "I am your Jesus, born Incarnate."

"Tonight I come to thank all of you for your faithfulness for attending these midnight apparitions; but please understand, this is not the end but the beginning, and apparitions will continue to occur here. Come often and believe. I will be with you tomorrow afternoon in this Field of Victory."

"I tell you, the way to My Mercy is a contrite heart; a contrite heart I will not spurn. The heart which defiles Truth does not recognize his own error and, therefore, cannot seek My Mercy. This is why truthful self-knowledge is a stepping stone to My Mercy."

"Do not look outwardly for signs of My Return.

Although these are all around you, I tell you, the first sign of the age of tribulation will be in hearts. Every soul will be given the opportunity to see into his own heart with the Light of Truth; then he will see with certainty what obstructs his way to My Heart. I do not come to predict the time of this awakening - only the Father knows the time. I come to inform you, and to prepare you to accept the Truth."

"My Mercy transcends human comprehension. Evidence of My Mercy today is your very existence despite your best efforts in destroying yourselves and the planet you are given to live on. Lack of Holy Love in hearts is your

enemy; but given the solution here in this Mission and these Messages, it is discounted and dismissed for the most part. I warn you once again, there is no time to wait for endorsements. Danger lies all around you - under the earth and even above you in the skies. Hasten to your conversion."

"Once again I remind you that natural disasters, famine, disease, economic woes, terrorism and more are all the consequence of man's failure to live in Holy Love. The enemy of your soul does not want you to hear these words or to come here to pray. Allow Me to be your Savior, King of Mercy, Prince of Peace. Allow Me to deliver you from so much disordered self-love. Allow Me to take sovereignty over your hearts."

"Mankind has been given My Feast of Divine Mercy as a Refuge; but realize that part of My Mercy is also the Refuge of Holy Love - the Immaculate Heart of My Mother. We have come to rescue a wayward world during these critical times when the salvation of souls is threatened as never before. I do not come to command, but to invite you into My Mercy, and into the Refuge of Holy Love. I can do no more."

"Tonight I'm taking all of your petitions into My Sacred Heart. I'm blessing your hearts, your lives, your vocations - even the objects you are carrying on your persons. And I'm blessing you with My Blessing of Divine Love." ■

## Feast of Divine Mercy – United Hearts Field – 3:00 P.M. Service

Jesus is here as He is in the Divine Mercy Image. Our Lady is next to Him as Refuge of Holy Love. Jesus says: "I am your Jesus, born Incarnate."

"My Mercy endures forever. Today on the Feast of My Mercy, I invite one and all to imitate My Divine Mercy by being merciful to one another. Do not bear grudges. Do not judge motives. Live in the Truth."

"Do not consider what people may do in the future. This may not be true. Such conjecture carries your heart close to judging a whole meadow of thoughts upon which you need not roam. Deal with the present in Truth."

"I long to fill the world with My Mercy so that every heart would live in the Truth; but today most people spend much energy running away from My Mercy. I seek their surrender to the Truth."

"Today I have come to complete these two days of prayers by imparting to you My Blessing of Divine Mercy. And together we impart to you the Complete Blessing of Our United Hearts." ■

### A Pilgrim Bus Story

Let me tell you what happened to our bus from North Carolina after we departed from Maranatha

**Spring and Shrine for the Divine Mercy Event of April 14 – 15, 2012...**

The bus was beginning to slow down on I-77 about 2 hours outside of Charlotte. The engine was breaking down. The red light on the front panel was flashing. It was slowing to a crawl at 40 miles per hour. The engine was starting to give off fumes... The bus driver came over the microphone and said I have bad news... The bus is having trouble...I don't know if it will make it back to Charlotte.

We began praying the Sorrowful Mysteries. I sprinkled the bus with holy water from the Maranatha Spring. Everyone joined in on the rosary and the farther we got into the rosary the louder our prayers.

After the rosary we were saying, "Jesus, I trust in You!" We had just arrived at the North Carolina border at the end of the rosary. Just then the engine red light went off. The engine started to pick back up. The bus driver got on the

microphone again. He said, "It was as if there was never any trouble with the engine at all."

**THEN THE SUN STARTED TO SPIN IN THE SKY...IT MUST HAVE GONE ON FOR 20 MINUTES...EVERYONE ON THE BUS SAW THE SUN SPIN.** There were 33 people on this first bus to Holy Love from Charlotte. People were screaming and crying and taking pictures. We sang Praise and Worship Songs!

Then when we got into downtown Charlotte, the red light came on again. It was flashing and flashing again. The bus was crawling again at 40 miles per hour. We automatically all grabbed our rosaries and started to pray again. When we got off the highway onto the side roads, to return to the departure point, we were still praying the rosary.

All of a sudden I realized the street directional lights were all turning green so we would not have to stop. The way the bus was running now, you just knew, if this bus stops, it will not start up again.

**THE BUS DID NOT HAVE TO STOP AT ALL. IT WAS MIRACULOUS!**

The next day someone called the bus driver. He said he made it all the way to the bus depot. When he turned the engine off, the entire front of the bus engine started to smoke.

He is reading over all of the Holy Love literature we gave him. He also has some Maranatha Spring water. We told him that for the next trip to Holy Love, he is our Designated Driver! ■

# A Gift to the World

## The Consecration of the Heart of the World to the United Hearts

*"Today I have come to ask you, My children, to pay attention to My call and do not wait for someone to approve. Do not repeat the same mistake of the generation past. Consecrate your hearts, your lives and the heart of the world to Our United Hearts."*

Blessed Mother – May 13, 2012

Blessed Mother says: "Praise be to Jesus."

"This is My Mother's Day gift to the world –

### The Consecration of the Heart of the World to the United Hearts"

"Most Compassionate United Hearts of the Most Holy Trinity and the Immaculate Heart of Mary, accept this, my prayer, on behalf of the heart of the world. Awaken the heart of the world to the Truth of the difference between good and evil.

Inspire each soul to consecrate their hearts and their lives to the United Hearts; thereby strengthening the heart of the world in this resolve.

We beg You, dear United Hearts, pour the grace of Your Inspiration into the heart of the world, strengthening it in Truth and in Holy Love. In this Heavenly Inspiration, draw the heart of the world into union with the Will of God. Amen."

Blessed Mother – May 10, 2012

## May 10, 2012

Blessed Mother says: "Praise be to Jesus."

"These days, when sin has become a political choice, it is of even greater importance that hearts be consecrated to Our United Hearts. For with this consecration is the soul's resolve to live a holy life, and to support only Holy Truth."

"Soon I will dictate to you a consecration of the heart of the world to Our United Hearts\*. The more souls that make this consecration, the more the heart of the world will be saturated with the Truth. This is an all-important effort in these times before the impetus of the final tribulation."

*\* To the Children of the United Hearts Association:*

*Please note the importance of spreading this consecration of the heart of the world to the United Hearts throughout the world. ■*

Feast of Our Lady of Fatima

Blessed Mother says: "Praise be to Jesus."

"Today, on the day of commemoration of My apparitions at Fatima, I have come to address the world at large. The decades that have passed since God sent Me to Fatima have not borne the good fruits of love, peace and unity which the Fatima message was intended to bear. Self has become a new god - the god of hedonism."

"New war fronts continue to be established around the world, and none of them find resolution in Holy Love. Lives are continually lost in the battlefield of the womb. God's Commandments carry little purpose today. God's Will is disregarded."

"You cannot become a godless country and expect to prosper. You cannot withdraw from the Will of God and be at peace."

"My warnings at Fatima were left unheeded, and you experienced the loss of millions of lives in World War II."

"Today I have come to ask you, My children, to pay attention to My call and do not wait for someone to approve. Do not repeat the same mistake of the generation past. Consecrate your hearts, your lives and the heart of the world to Our United Hearts."

"The world does not comprehend God's Justice; nor does the world respect the great weapon of Holy Love. There is still time to transform hearts, lives, government and church leaders, in and through, Holy Love."

"I have chosen each of you to hear this Message. Make it known." ■

## May 16, 2012

Blessed Mother says: "Praise be to Jesus."

"My daughter, no one can claim that Heaven has not extended every grace and Heavenly Blessing here at this site in an all-out effort to draw souls into Our United Hearts and through this spiritual journey. Extraordinary graces have been granted here visually and spiritually within hearts. Yet, Jesus, in His Infinite capacity to mercifully touch souls, sends Me with another magnificent grace meant to transform hearts and lives and the world."

**"Jesus says that those souls who come on pilgrimage to the property and prayerfully visit the Shrine of My Sorrows or the Stations of the Cross, and also pray the Consecration of the Heart of the World to Our United Hearts, will receive the Complete Blessing of Our United Hearts."**

"My Son is All Love and Mercy. He is making conversion of the heart of the world as accessible as He can. Use the opportunities of grace He offers you." ■

## 15<sup>th</sup> Anniversary of the Feast of Mary, Refuge of Holy Love

*(This message was given in multiple parts.)*

Excitement permeated through the air as Blessed Mother was lovingly crowned on May 5th, 2012, the Feast of Mary, Refuge of Holy Love. Blessed Mother's crown sparkled, as did the eyes of all the visitors who came to celebrate with Her.

Blessed Mother shared Her love and counsel with the following message:

Blessed Mother is here as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"The Message I now impart to you, to be given on My Feast Day of Holy Love, is coming into the world as a Rose from Heaven. A rose has many layers. It has outer petals, and an innermost bud which opens to exude a beautiful fragrance."

"I, Myself, will give to you the outermost petals of this Rose - this Message. My Son will then give to you the essence - the most fragrant, the most poignant part of the Message. The Rose not only represents the Message, but also the Ministry. You will see why."

"The outermost petals of this Message and the Ministry display the controversy which envelopes the Ministry and the Messages themselves. Though they should be regarded as a thing of beauty, they are overlooked and misjudged. The pride of false discernment has focused on lies and not the Truth of these Messages and this spirituality."

"The Truth is the sweet fragrance of the entire Ministry; but many miss the innermost essence of

Heaven's work here, for they see only controversy. My Son's public life was also controversial and He, too, preached Holy Love. The color of the outer petals of a rose are not as deep as the innermost bud. So, too, the outermost layers of the Ministry are often watered down by controversy."

"My Son will now speak:"

"I am your Jesus, born Incarnate."

"Everything about this Mission is to draw the heart of the world into the Truth of Holy Love - just as the overall

beauty of the rose draws the soul to smell the fragrance of the inner bud. All the Messages, miracles and healings are towards the end of worldwide conversion.”

“Now the bud unfolds. The time approaches when holy righteousness will be regarded as a disgrace. There will be opinions and dictates from impressive personages given in My Name; but My Name will be used falsely. I am the Truth. My Name will be used to justify error.”

“When I return I will gather unto Me those who live in the Truth of Holy Love. Not all who claim to speak in My Name live in the Truth.”

“The essence of this bud, this Ministry, is to preach and propagate the Truth of Holy Love - no matter the controversies, calumnies and falsehoods perpetrated against it. These are all distractions, which try to lead the heart of the world away from

its conversion in Truth.”

“The beautiful fragrance of this Ministry reaches into eternity, and will be appreciated for generations yet to come. The essence - the fragrance of this Ministry - will prove to be not who believes or disbelieves, but the Truth of the Messages.”

Blessed Mother says: “Today I come with words to complete the circle of the previous two Messages from Jesus and Myself. The outer petals of a rose, after all, encircle the whole rose.”

“I invite you, My children, to realize that when you look at the beauty of a rose you regard the whole flower - not just the outermost petals. In doing so, you are able to enjoy the rich fragrance that arises from the center of the bloom.”

“It is no different with this Mission. To really appreciate the value of what

Heaven offers here, you cannot look at just the ‘outer petals’ which is all the controversy that swirls around the Mission. To enjoy the richness of this Mission, you must absorb the ‘fragrance’ of the ‘inner bud’ which is the spirituality of the Chambers of the United Hearts and the Messages themselves.”

“Herein lies the rich fragrance - the inner beauty - that Heaven offers to you for your joy, your protection, and your guidance along the path of personal holiness. This ‘fragrance’ is Truth itself. Once you experience the richness of this ‘fragrance’, you will never want to leave its presence.”

“Dear children, pray always that Holy Love takes up dominion over every heart, and thus the heart of the world.”

“Tonight I’m imparting to you My Blessing of Holy Love.” ■

# A Photo... A Message...

"I am your Jesus, born Incarnate."

"I invite you to understand that this whole Mission, and all the Messages, are received by individuals **much like the Image of My Mother on the wall in the United Hearts Chapel that is present from time to time.** Some see it and believe; some see it and explain it away as caused by shadows

or some other natural phenomenon. Just as some say there is nothing supernatural going on in this Mission, they do not see Heaven's Hand in this Image."

"There are some who see nothing of importance in these Messages, and go so far in their pride as to oppose Heaven's efforts here. Most, however,

see the spiritual richness in Heaven's Messages offered here. Thousands make them part of their spiritual journey."

"So you see, it is all in how the heart receives what Heaven offers. This is the determination of free will." ■

## Part 6

# Making the Spiritual Journey

## Overcoming Obstacles to Entering the Chambers of United Hearts

In **Part V** of this series: “*Making the Spiritual Journey*,” we continued to lay bare some major obstacles or detours Satan presents, (and our free will accepts), that can result in:

**1)** preventing the soul from entrance to the Chambers of the Sacred Heart of Jesus, (starting at the threshold of the First Chamber – the Immaculate Heart of Mary); and, **2)** the soul, once within the Chambers of the United Hearts, being prevented from advancing.

As we saw in **Parts IV and V**, the major obstacles/detours that hold back the soul from its progression in the spiritual journey of personal holiness are: *disordered self-love (pride), fear, unforgiveness (of others and self), not distinguishing between wants and needs, self-righteousness and discouragement.*

In this current part, we will review specific Messages on how these obstacles/detours prevent a soul's entrance into the Sacred Heart of Jesus through the Immaculate Heart of Mary; and then begin to reveal the remedy a soul can employ to overcome these obstacles - namely, humble and trustful surrender of free will to the Divine Will.

At the end of Part V, mention was made of a recent public Message given on **January 28, 2011** - St. Thomas Aquinas says: “*Praise be to Jesus. I have come to help souls to see that Jesus longs to draw all souls into His Sacred Heart. To do so, the soul needs to embrace Holy Love. There is no other port of entry. This portal of Holy Love is clothed always in the Truth, for Holy Love is the Truth. Let's look at the ways that this Truth can be compromised,*

*thus making entry to the Sacred Heart less accessible. The first is any form of vanity. Vanity concerns itself with how others perceive the individual, either in importance or physical appearance. The soul loses sight of what really matters, and that is how God sees him. Then there is the unbridled love of pleasure, which takes the soul off the path of Truth. This may be too much attention to comforts, sexual pleasures or forms of entertainment. These all appeal to disordered self-love when taken out of the context for which God desires. Perhaps the soul depends on other people more than he depends on God's Divine Will and Provision. This is a snare of the fowler and a trap for many on the road to personal holiness. If the soul does not lend his heart to prayer, he is not in serious pursuit of the Refuge of the Sacred Heart, and must look with honesty at what is obstructing the way. Truth must win out in hearts in order for souls to abide in the Heart of Jesus.*”

As St. Thomas says here, we must desire to live in the Truth that is Holy Love, in order to overcome all obstacles that prevent one from entering the Chambers of the United Hearts. As was mentioned previously in **Part IV** of this series, the process of living and being perfected in Holy Love every present moment involves: **Love – Trust – Surrender – Peace.** As love of God consumes our hearts, we begin to trust God as never before; for, with the grace of faith, we know God wants the best for us – our salvation. Trustful surrender of self-will, in favor of the reign of God's Will, occurs whenever we develop an attitude of **holy indifference** as to what takes place every present moment and in every situation. Holy indifference involves not wanting anything different from what God

offers us in the present moment with His Ordaining Will. In other words, we let God be our Problem Solver, Who looks always for what is best for us, as St. Paul says in **Romans 8:28** - “*We know that in everything, God works for the good of those who love Him; who are called according to His Purpose.*”

On **September 17, 1999** – Jesus says: “*I have come to help you understand the Divine Will of My Father. The Father has a Providing Will. When His Permitting Will and Ordaining Will are not acknowledged by mankind, He provides another way, another plan to take form. Think of the Will of God as a needle pulling a thread. The human heart blocks the path of the needle and so God the Father reroutes the needle [His Will] along another path. He provides another plan. If evil throws the human heart off track, God provides a way to pull the soul back on track. The Father never wearies of providing new avenues of grace - new detours back to the path of His Divine Will. When the heart is in harmony with the Will of My Father, it is at peace. It experiences Heavenly love, peace, and joy that do not exist apart from His Will or in the world. The Divine Will of God is Holy Love in the present moment.*” Thus, it is to our benefit when we give up what we think is best for us, or what we think should be the outcome of any situation; and let God take over our lives and our self-will. This is trustful surrender to the Divine Will. Everything we do should be from a heart living in the Truth that is Holy Love; and, to overcome all obstacles to living in the Truth, means having a humble attitude of complete, trustful surrender to God at all times.

On **August 2, 1999** – Jesus says: “*Come into My Heart of Divine Love. There is but one way. It is surrender*

to the Flame of Holy Love - My Mother's Heart. I am your Jesus, born Incarnate. The soul that tries to come to Me with many encumbrances and attachments due to self-love finds the way obstructed through his own will. Today, I invite you to see that the Divine Will of My Father is always perfect. Cling to it. Those who have not surrendered to Holy Love completely, have difficulty discovering God's Will in the present moment. This is because they do not love Me enough and without attachments. Because their love is imperfect, their trust in Me is imperfect. Because they do not trust Me completely, they cannot surrender completely. Therefore, see that much depends on each one's choice in the present moment. Let your hearts be purified in the Flame of Holy Love. My Immaculate Mother will swiftly deliver you to Me. This is God's Will for you. Ask to understand where your attachments are...Surrender to Me. I will lift you up and make you whole.."

As Jesus tells us, then, having a humble disposition and loving desire to be united to God at all times is important in a trustful surrender to the Divine Will. This is affirmed in a Message from **December 10, 1998** – Today in the chapel Maureen turned over many problems to the Blessed Mother. Maureen heard Her say: "Trust in My grace and the fervor of My love for you. Praised be Jesus." She comes as Refuge of Holy Love. "My daughter, the path to peace, **the path to trustful surrender is Holy Humility and Holy Love**. Souls who try to solve every problem without dependence on God's Provision are full of self-centeredness. Remember, everything is a grace – even the Cross. As My Son's Cross was redemptive, so too can every present moment be redemptive, if you will it so. Give everything to My Son through My Immaculate Heart – your joys, sorrows, victories, and defeats. Through Holy and Divine Love, everything can be transformed into grace." Jesus reiterates that trustful surrender every present moment – like

the "fiat" (yes) of Blessed Mother – can overcome all obstacles to entering the Chambers of the United Hearts.

On **December 19, 1998** – Jesus says: "The Flame of My Heart is Divine Love. It is perfection. It is union. This Flame is the Kingdom of God's Divine Will. It is the New Jerusalem. Once again, I draw you into the present moment. In this moment, realize your sanctification. Surrender to Me your heart. How I desire it! Within the present moment is every grace you could ever desire, every virtue, every blessing. All it takes is your confident surrender – your 'yes.' Your trust, My little one, is everything. The soul that loves Me, trusts in Me. Thus, the soul believes in My Mercy. He forgives himself and others, and **there is no barrier between us**. The soul that succumbs to doubt and fear distances himself from My Heart. Such a one has lost the reality of the present moment. Such a one is given over to self-love beyond reason. I desire the unencumbered heart. Then I can fill it and mold it to My needs. My need, My little one, is always and foremost love. Love Me! Oh, I desire it! My Benediction will then enfold you. Do not long for anything but Me."

This disposition of an ongoing, humble, trustful surrender of self-will in obedience to the Divine Will is the major thrust behind the many Messages Jesus – (coming in His exposed Sacred Heart along with His Mother in her exposed Immaculate Heart) – gave Maureen primarily between the years 1999 and 2002; the majority of which focused on what Jesus termed: "**The Revelation of Our United Hearts**" and followed by an understanding of the spirituality of the Chambers of the United Hearts. On **January 3, 1999** – Jesus appears. He says: "I am your Jesus born Incarnate. Child, today I have come to help you along the journey into My Sacred Heart. Your journey begins and ends in the United Hearts. Understand the fullness of this Revelation for it is here you are drawn. The first step in entering the abode of

My Sacred Heart is Holy Love. As well, the last step is Holy Love. My Mother's Heart is Holy Love. The Immaculate Heart is wholly and perfectly united to the Sacred Heart of your Jesus, both spiritually and emotionally. The Two are inseparable. Thus you can see that the deeper you journey into Holy Love, (My Mother's Heart), the deeper you come into My Sacred Heart as well. Today, I invite you to imitate Me. My Heart is the apex of every virtue. Go deeper into the virtues through your will. This way you cooperate with the Divine Will of God. The Will of God is embodied in My Sacred Heart. It is embodied and indeed enthroned in the United Hearts".... "Because My Heart is perfectly united to the Heart of My Blessed Mother, both spiritually and emotionally, it bears out that My Mother is Co-Redemptrix".... "As We are one in the United Hearts, My Mother suffered with Me. Spiritually, She felt abandoned and desolated as I took on the sins of mankind. Emotionally, She grieved for Her loss and separation from Me. She was able to endure it all through grace. Thus, I come to proclaim to you, **the United Hearts are your Refuge in adversity**. Pray for confidence – trust – in all I ask of you. But most of all, trust in this eternal, unalterable Refuge of Our United Hearts. Always, always, I am with you. Make this journey into Divine Love. I travel with you."

In making the spiritual journey of personal holiness through the Chambers of the United Hearts – starting at the entrance to the First Chamber, (the Immaculate Heart of Mary); and then, advancing deeper into the Second, Third, and Fourth Chambers of the Sacred Heart of Jesus – the importance of a trustful self-surrender or self-abandonment of one's own will to the Divine Will is consistently emphasized in the Messages on the Revelation of the United Hearts. Just as Jesus and Mary surrendered their wills to the Father's Will every present moment, (even to Jesus' dying on the Cross for our salvation); so, too, in the journey of personal holiness and sanctification

through the Chambers of the United Hearts, we are called to increasingly *surrender* (i.e., *die to*) self-will and inordinate self-love for the goal of union with the Divine Will, which is Holy Love. In a Message of **August 21, 1999 – in Atlanta, GA** Jesus says: “*My dearest child, I am your Jesus, born Incarnate. I have come to enlighten and advise you. This is what the United Hearts represents.* The United Hearts are: **1)** *the embodiment*

*of the Divine Will, of every Marian Dogma, of every Commandment, especially the Law of Love; 2)* *the doorway to the New Jerusalem and your salvation; 3)* *the terror of Satan and his defeat.*”

In the next part of this series of *Making the Spiritual Journey*, we will begin examining some of the Messages Jesus gave Maureen on the Revelation of the United

Hearts (beginning in **May, 1999**); and focussing specifically on the importance of trustful self-surrender or self-abandonment in our entrance to and progression through the Chambers of the United Hearts. This will then lead us to understanding the **key** to the entrance into the First Chamber, (the Immaculate Heart of Mary); which is the **prayer to Mary, Protectress of the Faith.** ■

“This is a list of the characteristics of spiritual pride, for this is very often the obstacle Satan places on the path of personal holiness:”

## *Spiritual Pride*

- “1. The soul believes he is very holy with few virtues that need improvement.”
- “2. He believes his rash judgment to be discernment.”
- “3. He believes any idea that he has is inspired by the Holy Spirit.”
- “4. He will not consider others’ opinions on spiritual matters, but holds fast to his own.”
- “5. He sees much error in others’ hearts - not his own.”
- “6. He takes pride in his prayer life and his sacrifices - this leads quickly to self- righteousness.”
- “7. He is not open to spiritual correction.”

“Watch out for these signals that you might fall into through Satan’s trickery.”

(Jesus – May 15, 2012)

*Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement and merits the name spiritual ecumenism."*

*Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.*

***We welcome all people  
of all faiths.***

***Prayer is a universal language.  
All who come in pilgrimage here  
are invited to join us in prayer  
and the peace that Heaven offers  
at this site.***
