Making It Known Newsletter

Official Publication of Holy Love Ministries

An Ecumenical Ministry and Shrine
"NO TRUTH OPPOSES HOLY LOVE"

Holy Love Ministries is an Ecumenical Ministry and Shrine. Through this Ecumenical Mission, and the Holy Love Messages, Heaven is calling all people and all nations to pursue personal holiness through Holy and Divine Love.

Holy Love is – The two great Commandments of Love – to love God above all else and to love neighbor as self. It is the Father's Divine Will, the Fulfillment of the Gospel Message, and the Embodiment of the Ten Commandments.

The Holy Love Messages are given through the Visionary, Maureen Sweeney-Kyle. The visions, apparitions and messages began in 1985. Since that time, Jesus and Blessed Mother, and many saints, have been appearing to her on an almost daily basis. These Messages are given to all people and all nations in an ecumenical effort to unite in love.

In the following excerpts from several Messages, the purpose and focus of the Mission is clearly stated:

"The impact of this mission is meant to change hearts – to turn hearts towards their conversion through these messages of Holy Love – and the many supernatural graces abundant and evidenced here. The Mission is here in this present time to effect conversion of whole generations, nations and ideologies."

(Our Lady of Sorrows – September 15, 2011/
Midnight Service)

"This Ministry, the property and the Messages, will remain a source of inspiration, grace and peace for all to partake of. All are called to come and do so. Surrender to this loving invitation."
(St. Catherine of Siena – January 20, 2012)

THE POWER OF THE MOST HOLY ROSARY

Photograph was taken on Divine Mercy Sunday at the 3:00 P.M. Service in the Field of the United Hearts – April 7, 2013

Blessed Mother says: *"Praise be to Jesus."*

"Dear children, when you pray the rosary, you hold the power in your hands to defeat Satan's agenda in the world. With the prayer of the rosary, you can assist Me in lifting the veil of deceit Satan has placed over the heart of the world. With the rosary, you allow Me to extend many graces into the world which God would have withheld because of mankind's infidelity to the Truth."

"Dear children, you do not understand the power of a rosary said from the heart, but I tell you, that no leader, no government, no peace accord or economic remedy can compare to the mighty force of this prayer. The enemy hides this from you. My words to you today challenge the darkness of his secrecy with the Light of Truth. Do not be misled to believe your efforts are ineffective. I tell you, your rosaries are the Victory." ■

A Loving Invitation

“Today, I invite all people and all nations to meet Me on the property – this site of apparitions. I invite the timid, the doubtful, the arrogant, the humble – those with the most scarlet sins – those nearing personal sanctity. I hold nothing back. I give everyone who comes – the grace of illumination of conscience, and the grace of conversion. It is the choice of every heart that meets Me here if they will accept what I give or reject it.”

“All are called here. All are welcome – those who believe in what I offer and those who will not believe. This invitation is My challenge to the doubtful – My extension of Divine Love to the believer. No one who receives My invitation remains unchanged.” ♥

Jesus – July 21, 2013

from Heaven...

"It is here, at this site, I open My Heart to the world."

The Feast of the United Hearts -

- June 9, 2013

The Feast of the United Hearts – June 9, 2013

(This Message was given in multiple parts.)

Jesus and Blessed Mother are both here with Their Hearts exposed. Jesus says: “I am your Jesus, born Incarnate.”

“Behold My Heart which has been so ravaged by the sins of mankind and in which abides such ardor for those who love Me.”

“Equality amongst mankind must come through unity in Holy Love – not in redistribution in wealth. This is not a plan, but a scheme. I tell you solemnly, social justice is the calling card of the One World Order. Unity will not succeed by dictate – only through Holy Love.”

“I tell you, it is when mankind places his trust solely in himself, in others or in exterior values that he is the most insecure. It is only in trusting in Me and the Will of My Father that peace and security are genuine. The world will never find peace through human efforts alone. True peace comes to you by placing the Dominion of God in hearts and then in the world. The challenge today is to restore God’s rightful place as King over hearts and the world.”

“My brothers and sisters, I need your prayers and sacrifices for all world leaders. I tell you truly, where unions are formed that are not based on Truth, you have unity based on Satan’s lies. This is the case with prominent coalitions today. Never before has the future of the world rested in the hands of so few. This is the bad fruit of advanced technology.”

“Mankind’s lack of respect for life and disregard for human decency is leading to his downfall. Concern for one another’s welfare is rapidly being replaced with a greedy malcontent.”

“But I have come here, My brothers and sisters, to draw you into the Light of Truth. The world cannot survive without some recognition of Truth. Pay attention, as I call you beyond self-concern into global concerns - beyond self-gratification into pleasing your Creator.”

“If you have no relationship with God, or at best, a fractured relationship, you are jeopardizing not only your future but the future of the world. You are not living in the Truth. I have come to give you the Truth, which is Holy Love. The greater the numbers who do not live in Holy Love, the more dangerous the world becomes around you.”

“This is the reason you have radicalism, abortions, addictions giving way to crimes and every sort of compromised value.”

“By your refusal to accept and live in Holy Love, you are empowering evil. You do not have time now to wait on endorsements; to do so bears grave consequences. Choose good over evil by choosing Holy Love.”

“My brothers and sisters, you are embarking upon the Age of the Reality of Truth. You will witness what has laid hidden in hearts - many of whom are influential. You will see more clearly the path of good and the path of evil. You must not choose the easiest path nor the one most acceptable by many. This Mission testifies to that. You must pray for the courage to give witness to the Truth in the company of many difficulties. You will be able to bear up through the grace that apostleship to the Truth sheds upon you.”

“In the embrace of Our United Hearts, you will clearly see My Father’s Will for you. His Will is your salvation.”

“It is a mistake to believe that position, power or authority justifies every act or lack of action. Many souls are misled - even lost - by such an assumption. Search out the Truth based upon Holy Love and be united in it. The Truth sustains you in faith, hope and love. Once again this Mission bears testimony to what I say.”

“Once again, today, We are inviting you into the Refuge of Our United Hearts - a Respite of Peace - Refuge of God’s Divine Will. We are asking you to come with confidence into this Refuge where you will be given the grace to believe and to be united in Truth.”

“Today, dear children, We are sending Our Blessing over all your articles, and are blessing you with the Complete Blessing of Our United Hearts.” ■

Heaven gives the World a New Devotion...

The Devotion to the Mournful Heart of Jesus

“Devotion to the Mournful Heart of Jesus mends the wounds inflicted upon His Precious Heart by souls who do not take seriously their own salvation, and those who embrace error over Truth.”

Blessed Mother – July 17, 2013

The Mournful Heart of Jesus

A note from Maureen about the Mournful Heart of Jesus -

To whom it might concern,

Anyone trying to reproduce the Image of the Mournful Heart of Jesus should know I think it's humanly impossible to reproduce it as it is in life. This is a poor attempt, but my best attempt.

The Heart is a muted purple, almost gray. The Blood – burgundy and present on the Thorns as well. I think the Flames and the Cross are close enough.

M. Kyle

Devotion to the Mournful Heart of Jesus

Prayer to the Mournful Heart of Jesus

“Mournful Heart of Jesus, help each soul to recognize the need to work out his salvation during each present moment. Show each soul the ways he separates himself from You, and how he grieves Your Heart. Bring each soul into the Light of Truth where he will no longer grieve Your Mournful Heart. Amen.”

(Blessed Mother – July 17, 2013)

Consecration to the Mournful Heart

“Dear Jesus, I desire with all my heart to soothe Your Mournful Heart. You see souls that slip to perdition in every present moment due to the compromise of Truth and the abuse of authority.”

“Accept the small and great crosses I bear every day in atonement for the Thorns and Wound of Your Mournful Heart. Please correct consciences that they will live in the Truth and practice any position of authority justly. Amen.”

(Jesus – July 26, 2013)

Mournful Heart Ejaculatory Prayer

(To be prayed throughout the day)

“Mournful Heart of Jesus, have mercy on me.”

(Jesus – August 1, 2013)

Mournful Heart Intercessory Prayer

“Immaculate Heart of Mary, look upon my devotion to the Most Mournful Heart of Your Son, and grant me this favor: _____.”

(Blessed Mother – August 4, 2013)

Promises of the Mournful Heart Devotion

1. “Those devoted to My Mournful Heart will be given courage to stand up for the Truth, no matter the opposition.”
2. “Those devoted to My Mournful Heart, if persecuted by the abuse of authority, will be given the grace of perseverance in righteousness.”
3. “Those devoted to My Mournful Heart will be granted remarkable favors through the intercession of My Mother’s Immaculate Heart, for She is most thankful to those who seek to console Her Son.”

(Jesus – August 1, 2013)

July 16, 2013

"I am your Jesus, born Incarnate."

"I have come to help you understand the desolation of My Heart. My Mother's Heart is sorrowing. My Heart is mourning. I mourn the loss of life in the womb. I mourn the loss of Holy Love in hearts. I mourn the loss of the pursuit of Truth."

"I mourn for those souls who slip to their perdition because they believe in Satan's lies and form their opinions and life styles around these errors. I mourn for those who do not believe in Satan or Hell. This is Satan's perverse victory in hearts."

"Yes, My Heart mourns beyond human comprehension. I long to repair the heart of the world. I long to piece together those hearts broken by unforgiveness. I long to be victorious in and through this Mission. I long for the conviction of hearts in the Truth and the reversal of all opposition to this Mission here. I desire all leaders be as loving shepherds, gently leading the flocks entrusted to them, renouncing disordered love of power and money, and seeking only the welfare of others. It is difficult to find such leaders in the world today."

"I seek your consolation in all of this, and in return I will console you. My righteous followers suffer greatly at the hands of unbelievers. Allow Me to be your comfort." ■

July 17, 2013

Blessed Mother says: *"Praise be to Jesus."*

"I entrust to you yet another devotion to be made known in the world. This is the Devotion to the Mournful Heart of Jesus. My Title - Refuge of Holy Love - is Jesus' consolation during these times. The Devotion to Our United Hearts is the spiritual remedy against evil, and the journey through the Sacred Chambers is the path into the Divine Will."

"Devotion to the Mournful Heart of Jesus mends the wounds inflicted upon His Precious Heart by souls who do not take seriously their own salvation, and those who embrace error over Truth. Jesus desires to mitigate His coming Justice, but He needs your help. Profound Devotion to His Mournful Heart will help stay the Arm of Justice and weaken its impending blows."

"Please make known this prayer:"

"Mournful Heart of Jesus, help each soul to recognize the need to work out his salvation during each present moment. Show each soul the ways he separates himself from You, and how he grieves Your Heart. Bring each soul into the Light of Truth where he will no longer grieve Your Mournful Heart. Amen." ■

July 18, 2013

"I am your Jesus, born Incarnate."

"The thorns which encircle My Mournful Heart represent every sort of compromise of the Truth which leads to sin. The Wound of My Most Mournful Heart is caused by the misuse of authority which leads many to their perdition." ■

July 19, 2013

"I am your Jesus, born Incarnate."

"I come to you once again in the presentation of My Most Mournful Heart. My Heart continually grieves for the loss of souls due to the abuse of authority and the compromise of Truth. These two promote sin. Abuse of authority has resulted in apostasy in many cases. Compromise of Truth is the basis of every sin. These are the same wounds I suffered when I walked the earth, only today they are more prominent and more openly apparent."

"Abuse of authority and the compromise of Truth causes every war - every form of persecution in religious circles - and even denies the right of Heaven to intervene when necessary. Prayer is often openly discouraged. Freedoms are stripped away and denied - sometimes in the name of freedom."

"Why do I come to you now in these times with the request for this Devotion to My Mournful Heart? I do so, for I can no longer mince words or stroke egos. I can no longer protect with politeness those who wound Me."

"The sands of time do not respect error. I come now to uncover the gravity of what lies ahead if mankind does not make amends with his God and appease My Mournful Heart. In Truth, sins, Satan and Hell, do exist. In Truth, authorities need to acknowledge the spiritual warfare being waged in every moment. In Truth, when personal holiness is not encouraged, spiritual weakness is encouraged. Satan becomes stronger in your weakness."

"A great war can be the only result of not recognizing your enemy. You can mitigate this by appeasing My Mournful Heart through prayer and sacrifice. Begin at once." ■

July 22, 2013

"I am your Jesus, born Incarnate."

"I have come to you once again revealing My Most Mournful Heart. I have come to you often speaking on Truth and its enemy - untruth. Today, I wish to speak to you concerning the abuse of authority. This is a sensitive subject only because egos are sensitive and not open to correction, even from Me. Leaders would rather discount these apparitions and all the graces given here than look into their own hearts."

"But, I, your Jesus, have remained silent long enough. Secular and religious leaders are in place to serve others - not themselves. When self-interest is their motivation, leadership becomes disordered and corrupt. The cover-up of this corruption is worse than the corruption. I call attention to the pedophile scandal and the ensuing cover-up. Poor leadership scatters the flock. This whole Mission has had, as its goal, unity for all people and all nations in and through Holy Love; yet it has suffered greatly at the hands of untruth and misuse of leadership."

"Is it any wonder this sword penetrates My Heart, and I find it necessary to reveal to the world My Mournful Heart?"

"Whole governments are misguided through the abuse of power and their hidden agendas. Good works are thwarted. Solutions to problems are deemed unnecessary. Peoples are exploited and abused."

"I cannot watch any longer without speaking out. Appease My Mournful Heart which cries out to you. Together we must not be afraid of prideful control but speak the Truth." ■

July 22, 2013

"I am your Jesus, born Incarnate."

"It is very important now that you see how these two sufferings come together in My Mournful Heart and play off of each other. The compromise of Truth is certainly the basis of the abuse of authority. In this abuse and adherent to it, is the disordered use of compliance to obedience. Here, I am not referring to ones who have taken a vow of obedience - although this is often used to control, as well. I am referring to the sheep that the shepherd is given to tend. How often obedience comes clothed in goodness, but promotes a hidden self-serving agenda."

"You must certainly see how so much of this has affected this apparition site. How can it be good to discourage people from coming here to pray?"

"Leadership must not hold itself above reproach. Leaders

must be willing to listen, encourage that which is good and pray to accomplish God's Will, not their own. See why I have reserved this revelation of My Most Mournful Heart for this apparition site? This is what has opposed Me here - the compromise of Truth and the misuse of authority." ■

July 23, 2013

"I am your Jesus, born Incarnate."

"Allow Me to speak to you once again concerning My Mournful Heart. Long have I awaited the moment in time when I could reveal the Sorrow of My Heart. It is these wounds which are the crux of the world's woes; for compromise of the Truth, which makes up the thorns surrounding My Mournful Heart, is the basis of every sin. Abuse of authority - the wound of My Mournful Heart - causes many to slip to their perdition. Both of these transgress Holy Love. Both of these have directly opposed My Mission here."

"I have been careful in the past not to offend or bruise egos. I cannot do so any longer. Holy Love has never been about control or power or the jealous guarding of territory. Holy Love is about the salvation of souls. My cry to all today is to put aside quarrels and to unite in this effort. Untruth and pretense of purpose are most certainly the enemy of your salvation. Important status in the world is given to you to bring peace and salvation to the world - not to lend importance to self."

"If you are not working towards your own salvation and the salvation of others, then you are not with Me, but against Me. You are bringing pain into My Mournful Heart."

"My concern is not to safeguard reputation or irreproachable decisions reached in error, but to bring the Light of Truth to hearts and unity to all people and all nations. Inscribed in My Heart is the pain of the righteous, who seek this goal with Me, but are being opposed by those clothed in goodness."

"Pray, pray, pray." ■

July 23, 2013

"I am your Jesus, born Incarnate."

"There is not time now to wait for formal vindication of this Ministry. That is why My words to you are becoming more direct and revealing. I haven't the time to tiptoe around egos or to protect arrogant authority. The future of the world and millions of souls is at stake."

"Those who object the most are the very ones who need correction." ■

July 24, 2013

"I am your Jesus, born Incarnate."

"Today, I tell you, all leaders - no matter who they lead - must be held accountable for their decisions. When they are not, they easily cross the line into error. The Truth must be the foundation of their accountability. If leaders lace their decisions with lies and ambiguity, their tenure is one of confusion and deceit and not of Me."

"Leaders should not expect that their decisions are irreproachable or that anyone who questions their decisions is in error. In the end, I am the Final Judge and weigh everything on the scale of Holy Love."

"But, I speak to you today regarding the accountability, in Truth, for all leaders, as so much leadership has been abused; for no one holds them accountable. Truth cannot be presumed in many cases. The Truth often needs to be searched out. You cannot presume that office and position consequently stands for Truth."

"Whole nations have been misled in this way. They believe their leaders to be irreproachable. People must not be afraid to question. If they are, their leaders have been given too much power and authority. This is true in every situation."

"Often the ones who dare to question are the ones most persecuted and misunderstood."

"Holy Boldness is the signature of those who seek the Truth in governments, institutions and every organization." ■

July 24, 2013

"I am your Jesus, born Incarnate."

"When you find the Truth, which is never in opposition to My Commandments of Holy Love, be subject to it. In this way, you appease My Mournful Heart." ■

July 25, 2013

"I am your Jesus, born Incarnate."

"Once again, I reveal to you My Mournful Heart - a Heart which longs for the conversion of the hearts of all mankind - a Heart forsaken by most. Today, I will describe to you the anatomy of a dictatorship. This is, of course, the abuse of authority - the deepest Wound of My Heart."

"It begins with an insatiable desire for power and is fed by the flames of control. Those who try to follow such a leader are misinformed and misled. Their goals become

twisted and compromised, for they cease to live in the Truth. Before long, they have as their same goals - power and control - matching the agenda of their leader."

"You can see in this description the rise of Nazism and Communism. Today, this pattern is repeated in many government and religious circles. Territories are clearly marked and any 'outside' opinions or advice is rejected."

"This is not of Me. I desire unity in Holy Love. I hold no hidden agenda in My Heart. I call My flock together in an effort towards their own salvation. I call all people and all nations to Holy Love. I do not call upon mankind to form a One World Government or One World Religion. This would lead to a final dictatorship."

"Watch the signs of such proposals. Remember My words to you today." ■

July 25, 2013

"I am your Jesus, born Incarnate."

"I am here, once again, seeking solace for My Most Mournful Heart. I come specifically to address religious leaders. I have not done so publicly, but the sands of time promote this need in My Heart. Please accept what I say with humility."

"If you are in a religious leadership role, it is your vocation to save souls. To do so, you must promote sound doctrine, for you are the shepherd of the flock I give you to tend. You must not participate in or protect any sort of sin. You must not hold yourself above your flock, but lovingly guide and nurture them. Make the sacraments readily available, if you are part of the Catholic Church. Do all you can to maintain parishes and schools - only closing them if it is a necessity, for many suffer loss in such actions."

"Educate in, and promote the Truth. This is the foundation of unity."

"Never think that your title means you are more holy than others or that your decisions are infallible. That right - infallibility - is reserved for the Pope under certain conditions."

"Do not deny the 'Spirit of Truth'; the Holy Spirit."

"Work diligently on your own personal holiness through Holy Love. Your holiness will be contagious." ■

July 26, 2013

"I am your Jesus, born Incarnate."

Jesus shows me a host that is broken in two. He says:

"See how My Heart is broken for the sins of mankind. In My day, I was crucified for these same errors - the abuse of power and the compromise of Truth. Today, it is no different. You have, everywhere, examples of elected and appointed officials who do not support sound morals or the Ten Commandments, and because of their influence, they spread their errors everywhere."

"I can no longer be silent. I must speak out. Do not betray the Holy Love I call you to. Accept what I am here to say. There are many leaders all around you who do not support the Truth and will not stand up for the Truth. They abuse their authority and deceive a vast majority of their constituents. Do not be charmed into believing that their position makes them right. If this were true, the world would not be in moral decline such as it is."

"I return to the value of accountability. You must put it to use or pay the consequences. Do not think it is not your place or that it will not make a difference. These are tricks of Satan. The Truth must be defended and heard, especially when those in high office are in error."

"Choose as your gospel, Holy Scripture and Holy Love - the scripture of your salvation. Do not make your gospel your opinions, false agendas or the immorality of false leaders."

"Search out the reality of the Truth. I will assist you." ■

July 26, 2013

Consecration to the Mournful Heart

"I am your Jesus, born Incarnate."

"You know that My Heart mourns for the loss of souls due to the misuse of power and authority and the compromise of Truth. I wish to give you now a consecration to My Mournful Heart which will serve to make amends and atonement to My Heart if it is prayed with sincerity."

"Dear Jesus, I desire with all my heart to soothe Your Mournful Heart. You see souls that slip to perdition in every present moment due to the compromise of Truth and the abuse of authority. Accept the small and great crosses I bear every day in atonement for the Thorns and Wound of Your Mournful Heart. Please correct consciences that they will live in the Truth and practice any position of authority justly. Amen." ■

July 27, 2013

"I am your Jesus, born Incarnate."

"What I am about to say needs to be said openly and has long been in My Mournful Heart. I do not fear bringing Truth to light. You must not, either."

"This Mission of Holy Love is a bright jewel of grace in this country, this continent, this hemisphere and in the world. The Messages lead souls to personal holiness. The spiritual journey through the Chambers of Our United Hearts is the way into the Divine Will of My Father. None of this - or the healings and conversions that take place here - has been considered. Instead, an attempt has been made to hide Heaven's intervention here under a rock of untruths and deceit."

"Many souls have been lost as a result. Many continue on their way to perdition, for they have summarily discouraged so many from coming here and believing. Think of the rosaries these ones have discouraged from being prayed here."

"This remains an Ecumenical Ministry for all people and all nations in an attempt to convert the heart of the world to Holy Love. We cannot be denied this right by any human authority. We cannot be forced under the scrutiny and control of any authority for the sake of their control."

"We are not to be feared, but encouraged. Solemnly, I tell you, this would not be happening if all were concerned for the salvation of souls."

"I tell you, I do not act through the abuse of authority. I act as the Loving Shepherd - calling all to unity as one flock. I unite with Love. I do not command people to live in Holy Love. I invite. A loving shepherd respects his flock. He does not usurp his authority, but leads towards the welfare of all - losing sight of himself."

"I have intervened in the world here to save souls. I am being opposed by those who call me 'friend'." ■

July 27, 2013

"I am your Jesus, born Incarnate."

"If you wonder why I am bringing these things to light now, it is because the abuse of power and the compromise of Truth will usher in the reign of the Antichrist. These two errors have infiltrated the government of this once great nation and the Church, as well. There is no place for politics within the ranks of the Church, but it is there - acknowledged but unchecked. These politics form an aura inside of My Church - an atmosphere of not knowing who to trust."

"In governments, as well, power has fallen into the hands

of those with evil agendas. More and more good is intimidated by evil - evil that demands definition and rights. The undertow of evil is changing the course of the future."

"Remain as faithful watchmen to the Tradition of Faith. Do not be fooled into obeying any evil. Stand guard over your freedoms, and do all in your power to maintain your national identity."

"To live in the shadow of any reprisal is not freedom. Live in the Spirit of Truth always." ■

July 28, 2013

"I am your Jesus, born Incarnate."

"Today, I tell you, the Seal of Discernment that the sincere of heart receives as he steps onto this property is the vehicle I use to begin atonement to My Most Mournful Heart. As errors and faults in Holy Love come to light, the soul is flooded with the Light of Truth, and according to the consent of his free will, begins a deep conversion process."

"The Seal of Discernment is the means by which compromise of the Truth and abuse of authority are revealed. The graces offered on this site lend strength to the soul's determination to overcome these sins. Both of these errors, both of these afflictions of My Mournful Heart, are rooted in disordered self-love. A soul does not choose sin unless he loves the sin more than Me."

"For the needs of My Mournful Heart, I continue to invite all people and all nations to this site of Heaven's predilection."

"Claims that you are not allowed to come here are unfounded. For the sake of your soul, I bid you come. I call you to ignore the controversy that surrounds this Mission, which is all compromise of Truth. There is no gray area. You are responsible for responding to the Truth." ■

July 29, 2013

"I am your Jesus, born Incarnate."

"I wish to describe to you in more detail the sword which pierces My Mournful Heart, which is the abuse of authority. Such authority does not live in the Truth. It tries and often succeeds in taking control over that which is not its to take. The one who misuses his authority transgresses human law and Divine. I say this, for the abuse of authority is in opposition to Holy Love."

"Such authority embraces false opinions - opinions which

affect the well-being of those under him. He may claim the right to territories which are not his. He may impose unjust penalties upon those he considers his adversaries. He may present one face to the public eye, but hold many hidden agendas in his heart. The one who abuses authority does not hold the welfare of others first, but is motivated by self-interests."

"The abuse of power has a far-reaching effect. It is not confined to one government or institution, but affects everyone it touches."

"Once again, all of the errors which are accepted and promulgated through the abuse of power are inspired by the compromise of Truth. One feeds off of the other. The Truth becomes distorted and allows the misuse of power to blossom. The abuse of power distorts the Truth. All of this leads to the loss of souls."

"You see why I mourn. I come into the world as Truth and I am rejected. Raise up the Truth in your own heart and in the hearts of those around you. Then you will ease My pain." ■

July 30, 2013

"I am your Jesus, born Incarnate."

"The wounds of My Mournful Heart can be soothed by your efforts to live in the Truth of Holy Love. It is always untruth and its companion, the misuse of authority, that bring about the consequences of war, terrorism and moral degeneration. False gods rise up in the midst of all of this; the false god of free will, pleasure, wealth, reputation and power. All of these are of Satan when they become the goals of existence."

"My brothers and sisters, you do not realize the concept of eternity. All things you value on earth are passing. All that follows you into eternal life is Holy Love. Eternity never ends."

"My Mournful Heart sees the souls that choose their own damnation as they turned a deaf ear to My pleas. Choose the Light of Truth in every present moment - the Light of Holy Love." ■

Making the Spiritual Journey

Part 9

The First Chamber of the United Hearts: The Immaculate Heart of Mary – Holy Love – Salvation

Beginning in this part and continuing on for the rest of this series, 'Making the Spiritual Journey', we will be exploring the Messages Heaven has given the world on what Jesus said on **October 3, 2000**, to a **Conversation with Divine Love**, is "the greatest grace that will ever come to the ministry" [and to the world] in "the complete and irrefutable United Hearts Revelation."

Within these Messages of the United Hearts Revelation, we are all given the graces necessary for following the straight and narrow path toward perfection in personal holiness; thus, toward attaining salvation and sanctification – our means of reaching eternal life or Heaven; (in what Heaven calls the New Jerusalem). Blessed Mother affirmed this in a Message on **April 27, 2013**, in which She says, "The Revelation of the United Hearts and the Chambers therein, all the graces attendant to this Mission and this site – these are all given to draw you, My children, into deeper personal holiness."

On **May 26, 2013**, on the Solemnity of the Most Holy Trinity, Jesus gave a Message in which He described the significance of the United Hearts Revelation and how important it is for us to follow this spiritual journey of holiness through the Chambers of the United Hearts. Jesus says, "The depiction of the United Hearts Revelation portrays the Holy Trinity in union with the Immaculate Heart of Mary. Perfection in holiness is most easily accomplished through the spiritual journey of the Chambers of Our United Hearts. These Chambers are like a road map to union with the Will of My Father which is Perfection Itself. Every home should have the

Complete Image of Our United Hearts on display as a reminder of this spiritual journey. The Image which bespeaks unity, brings unity to families who earnestly pursue this spiritual journey."

On **November 29, 2013**, Jesus gave a Message in which He says, "I have come to ask you to be My Victory in the world. Do this by being Holy Love. Be Holy Love by journeying through the Chambers of Our United Hearts. If you will do so, you will be living in the New Jerusalem. The New Jerusalem is present in every heart that lives in Holy Love through the journey of these Sacred Chambers. Indeed, this journey is the road map to the New Jerusalem."

In the **October 3, 2000, Conversation with Divine Love**, Jesus explained this road map or journey of the soul into the United Hearts, "I am going to describe for you in simplistic terms the journey into the United Hearts. In this parable the United Hearts are represented by a great house. The soul who wishes to enter the house (**the First Chamber**) must use a key. This key represents the soul's free will. When he uses the key (that is surrender to the call to love) he enters the **antechamber of My Heart which is My Mother's Immaculate Heart - Holy Love**. Once inside this 'vestibule' the soul is curious about the rest of the house (that is, **the Chambers of My Heart – Divine Love**). He finds another door in front of him. Once again he must turn the key and **surrender more deeply** to Me – this time to holiness. Within the house finally the soul is anxious to explore the other rooms – Chambers of My Heart. Each Chamber remains secluded behind a locked door.

Each room (or Chamber) the soul seeks entrance to requires a deeper submission of his own will. If he is sincere and perseveres in his efforts he will reach the most secluded room - the Fifth Chamber of My Heart. Here is pure peace, love, and joy. It is in this the tiniest room of all that the soul finds complete union with the Divine Will of My Father. Such a soul settles into this little Chamber not wishing to be found or noticed. His only pleasure is in being there. He is in the present moment always. Take time to meditate upon this house I have shown you."

It is Heaven's desire that souls not only know of this spiritual journey through the Chambers of the United Hearts; but also fully enter into this journey, for it is the only sure way to salvation and sanctification. Jesus encourages us to do so, as He says in a Message on **February 17, 2000** "I have come to help you see that just as your salvation depends on Holy Love; your perfection in holiness depends on your surrender to Holy Love. The more you are perfected in love, the more closely you are united to the Divine Will of My Father. Verily I tell you, union with the Divine Will is perfection in Holy Love. I desire every heart become a tabernacle of Divine Love. ... No one passes through the narrow gate outside of Holy Love; for who can abide with Me in My Father's Kingdom that does not love God and neighbor? So, I have come to help you understand the choices you must make to attain salvation. Through My Mother, I have given your salvation the title of Holy Love. Through My Words to you, I help you to see that your sanctity is the perfect fulfillment of Holy Love – Divine Love. I invite every soul to pass through the Chambers of Divine Love and to imitate My Heart of

hearts. How I desire souls understand the Inner Sanctum of My Divine Heart that suffered, died, and was buried for them."

Saint Thomas Aquinas emphasizes the Truth of these words of Jesus in a Message on **February 7, 2013**, when he says, "Please allow my words to you today to resonate in your soul. Scripture has it that faith, hope and love abide, these three; but the greatest of these is love. Holy Love is Truth. Therefore, understand that Truth will live on into eternity. Truth will be, and **is** the foundation of the New Jerusalem. Those who do not live in Truth cannot claim victory over sin. Any compromise of Truth breaches the foundation of the New Jerusalem in the heart. Jesus desires all be one with Him. This is why these Messages and the spiritual journey through the Chambers of the United Hearts have been imparted to this generation."

On her feast day of **October 16, 2011**, St. Margaret Mary Alacoque expanded upon what St. Thomas explained, when she says, "From the beginning of time, the Father held the Revelation of the Chambers of the United Hearts in the Bosom of His Divine Will, waiting to reveal it to this generation - at this site. The Chambers are deliverance, a conversion and purification of heart so desperately needed in a world given over to self-love. No one can live in Holy Love outside of the Chambers of the United Hearts. Each Chamber is a progression in holy perfection. Every Chamber purifies the soul in the Eyes of God, taking the heart deeper into self-knowledge and convicting the soul of all that opposes Holy Love. The Flame of Holy Love that is Our Mother's Heart, **(the First Chamber)** burns through each Chamber, for here is an all-consuming, purifying Heart of Love. Those who seek personal holiness with a sincere heart may think it is just a journey between themselves and God, but in reality, all who seek personal holiness are plunged into the Chambers of the United Hearts - there to be purified in the Flame of Holy

Love, for Our Heavenly Mother is a part of every ongoing conversion."

St. Thomas affirms this point in a Message he gave on **March 23, 2013**, in which he says, "I desire that souls begin to grasp this Truth and to act on it; as it pleases God. The only way to spiritual perfection is in and through perfection in Holy Love. There is no other way to holiness and to perfection in the spiritual journey. This is why the **First Chamber** in the journey through the United Hearts **is given over to Holy Love - purification of iniquity through the Flame of Love which is Our Mother's Heart.** Souls are called to be one with Holy Love from the cradle - indeed, from conception - for this is the model of sanctification. This spiritual perfection is the foundation of the innermost longing of every heart."

On **January 14, 2002**, St. Thomas Aquinas gave a Message to help the world understand the **First Chamber** of the United Hearts and its importance. St. Thomas says, "I have come to introduce to the world the **First Chamber** of the United Hearts of Jesus and Mary. **It is the Immaculate Heart of Mary - Holy Love. It is God's Will.** Jesus described Heaven to us, when He walked the earth, as a precious gem worth more than any - a gem so precious that we should give up all we own to possess it. That gem, indeed Heaven itself, is Holy Love. Yes, Holy Love is that precious - that important. For without our 'yes' to Holy Love there is no salvation. Holy Love is the two great laws of love - love God above all else and your neighbor as self. These are the Commandments Jesus said we must follow if we wish to reach Heaven." St. Thomas says that we must choose (say 'yes' to) Holy Love to attain Heaven. This is not an easy process, however, for Satan tries to tempt us away from choosing Holy Love. Jesus gave us a Message during a rosary service on **November 26, 2012**, to help us choose Holy Love when He says, "My brothers and sisters, when you choose to enter Our United Hearts and you step into

the **First Chamber, which is the Immaculate Heart of My Mother**, you are stepping into Pure Love. Within this Pure Love, you will see everything in your own heart which opposes Holy Love, and you will be given the grace to love more perfectly." [This is the grace for conversion.] "Take this step. Choose the Heart of My Mother." In another rosary service, Jesus gave a Message on **February 8, 2013**, "My brothers and sisters, when you decide and choose to begin the spiritual journey through the Chambers of Our United Hearts, you will be given every grace and enhancement that you need; **every encouragement will be yours even if you go over and over into the First Chamber.**"

Heaven has let us know, through these Messages on the Revelation of the United Hearts, that entrance to the First Chamber cannot be bypassed, as Jesus tells us in a Message on **August 7, 2007**, "I call all people, all nations into the Chambers of My Heart. I call attention, in particular, to this universal call by sounding the trumpet blast universally into the First Chamber. Do not be mistaken - the First Chamber cannot be bypassed. It is the basis and foundation of all the others. No one progresses spiritually without first being purified in the Flame of My Mother's Heart." And, again, in a Message Jesus gave on **December 6, 2012**, "In this journey, the most important step is **the First Chamber - My Mother's Immaculate Heart.** It is in this Chamber, faults and sins are recognized and burned away by the Purifying Flame of Her Heart. Without this effort, the soul cannot advance through the Chambers or increase in holiness. Pray for the desire to begin this journey by plunging your heart into this Flame of Perfection." (Flame of Holy Love)

On **February 11, 2013, the Feast of Our Lady of Lourdes**, Our Lady reminds us of the importance of prayer when we begin this spiritual journey, as She says, "Dear children, today I urge you to remain united in the spirit of prayer. Be united in the

Tradition of Faith and learn to seek My Protection in every circumstance. Remember, My Immaculate Heart is the Gateway to the New Jerusalem. No one can pass into the New Jerusalem without first being purified of their iniquity through the purifying Flame of My Heart." Now, to help us enter into **the First Chamber**, Heaven has provided us with two beneficial prayers: **(1) The Consecration to the Flame of Holy Love** given by Our Lady on **April 16, 1995**: "Immaculate Heart of Mary, humbly, I ask that You take my heart into the Flame of Holy Love, that is the spiritual refuge of all mankind. Do not look upon my faults and failings, but allow these iniquities to be burned away by this purifying Flame. Through Holy Love, help me to be sanctified in the present moment, and in so doing, give to You, dear Mother, my every thought, word, and action. Take me and use me according to Your great pleasure. Allow me to be Your instrument in the world, all for the greater glory of God and towards Your victorious reign. Amen." And, **(2) The Prayer to Mary, Protectress of the Faith**, which is the Key to the Immaculate Heart of Mary: "Mary, Protectress of the Faith and Refuge of Holy Love, come to my aid." (Please refer to the Message Jesus gave about this prayer on **October 16, 2000** in *Part 8 of this series, in summarizing the role of conversion of heart in the blueprint to holiness through the Chambers.*)

One year earlier, on the feast day of the Saint of the Sacred Heart, St. Margaret Mary Alacoque, **October 16, 1999**, Jesus, after discussing the importance of surrender of self-will to the Divine Will, (*see Part 7 of this series*), began to reveal to the world the inner workings of the Chambers of His Sacred Heart, starting with **the First Chamber – the Immaculate Heart of Mary**: Jesus says, "*The first door the soul must open is perhaps the most difficult. Through the Flame of My Mother's Heart the soul recognizes its faults and failings. By a movement of free will, he decides to overcome his weaknesses - to let*

them be burned away through the Flame of Holy Love. Yes, the first doorway to Divine Love is Holy Love. It is the purgative stage. The soul may open this door, quite committed to the path he sees before him, but because he gives in to Satan's temptations, he finds himself outside the first door again. Over and over, he may have to recommit to Holy Love. Finally, he will be less tempted to old weaknesses. He will recognize them and avert them. Now he can approach the first door to Divine Love." Jesus tells us that we must choose, by our free will, to be purged of our faults and failings by the Flame of Holy Love – a kind of purgatory on earth – but that we are given all the graces we need to progress through the **First Chamber**, if we choose to, for that is the Divine Will for us.

In a Message Jesus gave us on **November 10, 1999**, He explains further the intricacies of His Sacred Heart as He says, "*I wish to reveal to you the entirety of My Heart. My Heart is the Divine Will of the Eternal Father. It is Divine Love and Mercy. I have revealed to you the many Chambers of My Heart. But, today I have come to share with you that the **First Chamber – that of Holy Love, My Mother's Heart – is the Chamber I pour My greatest graces into.** You may wonder at this, thinking the souls in My Most Intimate Chamber of this Sacred Vessel are receiving the choicest graces. They are indeed the choicest graces reserved for very few. But, the greatest abundance of grace flows from the First Chamber, for it is here the soul must respond to his conversion and move towards holiness. I give, through My Mercy and Love, every opportunity for each soul to say 'yes.' My Tenderest Compassion stands ready to welcome every soul who is attracted to Me. The other Chambers of My Heart form the soul in holiness, perfection, and sanctity - but **the First Chamber is salvation.**" This First Chamber is termed, salvation, for Holy Love is our salvation, which Blessed Mother has shown by Her Immaculate Heart*

to be the perfect example. This was explained by Her (*see Part 8 of this series*) in a message given on **May 5, 2000** in which She said, "*I come to call you into the only eternal Refuge - for this Refuge is your salvation. No one enters Heaven except through the portal of My Heart, which is Holy Love. For who can be admitted who will not love God above all else and his neighbor as himself?"* Hence, we have in the Immaculate Heart of Mary, the first stage or step taken in the journey of personal holiness toward the goal of union with God and His Divine Will - **(Fifth and Sixth Chambers of the United Hearts).**

In a Message on **May 20, 2000**, these steps or stages were described in detail as dictated by St. Anthony of Padua who said, "*Here is the way of salvation, holiness, perfection, and sanctity, simply put.*" (Listed here is only the part of the Message that pertains to the First Chamber of the United Hearts.) **Step 1: Salvation.** "*Surrender to Holy Love, which is the Two Great Commandments of Love. In this surrender the soul is taken into the **Immaculate Heart of Mary.** Her Heart is the Spiritual Refuge of all mankind and the Gateway to the New Jerusalem, which is the Heart of Jesus. In this surrender, the soul begins to see his greatest sins and faults. Also, in this Heart of Mary, the soul begins to recognize the power and importance of the present moment.*"

We will continue in the next part of this series with **Part II** of the United Hearts Revelation Messages on **The First Chamber – Holy Love – The Immaculate Heart of Mary**, as we look at the information Heaven provides to help souls to a deeper surrender to Holy Love (conversion) and overcoming the souls' most flagrant faults so as to progress into the Second Chamber of the United Hearts, which is Divine Love and holiness. ■

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: "Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement and merits the name spiritual ecumenism."

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.
