Holy Love does not disappear

## An Ecumenical Ministry and Shrine

**“No Truth Opposes Holy Love.”**

**Holy Love Ministries** is an Ecumenical Ministry and Shrine. Through this Ecumenical Mission, and the Holy Love Messages, Heaven is calling all people and all nations to pursue personal holiness through Holy and Divine Love.

Holy Love is – The two great Commandments of Love – to love God above all else and to love neighbor as self. It is the Father's Divine Will, the fulfillment of the Gospel Message, and the embodiment of the Ten Commandments.

The Holy Love Messages are given through the Visionary, Maureen Sweeney-Kyle. The visions, apparitions and messages began in 1985. Since that time, Jesus and Blessed Mother, and many saints, have been appearing to her on an almost daily basis. These Messages are given to all people and all nations in an ecumenical effort to unite in love.

The following excerpts from Messages give clarity to the purpose and focus of the Mission.

*“The impact of this mission is meant to change hearts – to turn hearts towards their conversion through these messages of Holy Love – and the many supernatural graces abundant and evidenced here. The Mission is here in this present time to effect conversion of whole generations, nations and ideologies.”* (Our Lady of Sorrows – September 15, 2011/Midnight Service)

*“This Ministry, the property and the Messages, will remain a source of inspiration, grace and peace for all to partake of. All are called to come and do so. Surrender to this loving invitation.”* (St. Catherine of Siena – January 20, 2012)

*“The whole and entire reason for this Mission is to empty hearts of all that impedes Holy Love, and thus to allow Holy and Divine Love to reign in every heart; but Holy Love cannot reign in hearts given over to diversity. Hearts which place every kind of concern over Holy Love do not leave room for Truth.”* (Jesus – January 17, 2012) ■

# The Feast of Our Lady of Guadalupe – December 12,

## Feast of Our Lady of Guadalupe - 3:00 P.M. Service

(This Message was given in multiple parts.)

**Blessed Mother is here as Our Lady of Guadalupe.** She says: "Praise be to Jesus."

"Dear children, today I come to you, as God permits, to offer you hope and a stern warning. Have hope always in God's Love and Mercy. Be reconciled with God and united with each other in the Truth. This is God's Will for you."

"Realize that every civilization which has risen to power in ages past has failed and fallen due to a broken relationship with God. The same course of events is taking place today. I come to you as I appeared at Guadalupe centuries ago. The Aztec population was sacrificing their young to false gods; but, dear children, they were pagans. Today, millions who claim to be Christians practice abortion - a sacrifice of God-given life to the false god of free will. With every abortion, the abyss between the Heart of God and the heart of the world yawns wider. How can you presume that any type of union or government could prosper that supports this sin?"

"Rebellion against God's Laws [The Ten Commandments] is rebellion against the Truth. This rebellion does not diminish God's sovereignty over the world, but does diminish unity and peace between God and man. The welfare of the world depends upon the unity of wills between God and man. Remember, God still governs and reigns over the world. It is He you must please - not yourselves."

"If you heed My warning to you today, many graces will flood the world and peace will be restored amongst peoples and nations. Leadership will return to the Truth and support God's Laws. But, if My words to you are scattered in the arrogant

wind of skepticism, you will be tested as never before. God will take dominion over certain situations and His Justice will visit earth. The good will continue to be persecuted and evil will continue its path of destruction in the name of good."

"Dear children, do not be so foolish as to think that disbelief in these apparitions and admonishments will change the purpose of My visit with you or transform Truth to fiction. The world is racing towards many problems of her own design. If you disobey God's Commandments, the Commandments do not change - but your relationship with God does change."

"As your Heavenly Mother, I can only warn you, and try to redirect you upon the path of Truth. It is what you choose in the present that dictates your future."

"Dear children, I have invited each of you here today personally, and you have accepted My call to be here. Now I am inviting you to be positive witnesses in the world around you as to the Truth of all that takes place here. Just as you stood up to the cold and frigid temperatures, I am asking you to stand up to the cold and frigid response in the world of unbelievers. The warmth of the Messages and graces offered here will melt many a heart if you will try."

"Dear children, many come to pay homage to My Image of Guadalupe. Millions have done so over the years. But today, I wish to paint on your hearts the Image of My Love, which is everlasting, and draws you into the Sacred Chambers of Our United Hearts."

"I'm taking your petitions with Me today to Heaven, and I'm extending to you My Special Blessing." ■

## Children of the United Hearts Pray for the Heart of the World

It has been two years since Blessed Mother formed the *Children of the United Hearts Association* to pray for the heart of the world. This lay association now spans the globe, with over 1,800 members in thirty-four countries. Members pray daily for the consecration of the heart of the world to the United Hearts, in an all-out effort to saturate the heart of the world with the Truth.

**September 23, 2013** – St. Pio of Pietrelcina says: *“Most of the problems that have consumed the heart of the world today are the direct result of the lack of discernment of the Truth. Leaders in many realms believe wholeheartedly in Satan’s lies. They rule and promote these lies.”*

**August 26, 2013** – Jesus says: *“The sin of abortion is a glaring example of the spirituality of the heart of the world today. It is a compromise of Truth in the reality of life at the moment of conception. Abortion is an abuse of power from parents to legislators who support this crime against life.”*

**December 12, 2013** – Our Lady of Guadalupe says: *“With every abortion, the abyss between the Heart of God and the heart of the world yawns wider. How can you presume that any type of union or government could prosper that supports this sin? Rebellion*

*against God’s Laws [The Ten Commandments] is rebellion against the Truth.”*

**December 26, 2013** – Jesus says: *“I am in every form of Truth. It is My Truth that is working to overcome abortion and same-sex marriage. It is My Truth that tries to overpower moral decadence. It is My Truth that tells you do not redefine the Ten Commandments. I cannot make you choose the Truth or even to recognize Me in the Truth; but, through grace, I can attract you to the Truth. Prayer opens the heart of the world to grace.”*

**May 10, 2012** – Blessed Mother says: *“These days, when sin has become a political choice, it is of even greater importance that hearts be consecrated to Our United Hearts. For with this consecration is the soul’s resolve to live a holy life, and to support only Holy Truth. Soon I will dictate to you a **Consecration of the Heart of the World to Our United Hearts**. The more souls that make this consecration, the more the heart of the world will be saturated with the Truth.”*

**December 31, 2013** – Jesus says: *“Remain faithful to Holy Love. Propagate the **Consecration of the Heart of the World to Our United Hearts**. I will assist you.”*

### The Consecration of the Heart of the World to the United Hearts

*“Most Compassionate United Hearts of the Most Holy Trinity and the Immaculate Heart of Mary, accept this, my prayer, on behalf of the heart of the world. Awaken the heart of the world to the Truth of the difference between good and evil.”*

*“Inspire each soul to consecrate their hearts and their lives to the United Hearts; thereby strengthening the heart of the world in this resolve.”*

*“We beg You, dear United Hearts, pour the grace of Your Inspiration into the heart of the world, strengthening it in Truth and in Holy Love. In this Heavenly Inspiration, draw the heart of the world into union with the Will of God. Amen.”*

*(Blessed Mother – May 10, 2012)*

**October 28, 2013** – Blessed Mother says: *“Those who are consecrated to Our United Hearts must also be dedicated to the propagation of the Rosary of the Unborn and the Chaplet of the Unborn\* ...The heart of the world cannot be converted through Consecration to Our United Hearts unless abortion is defeated.”* ■

# The New Chaplet to the Mournful Heart of Jesus

## Chaplet to the Mournful Heart of Jesus

February 3, 2014

Our Lady comes, once again, holding the Mournful Heart in Her Hand. She says: "Praise be to Jesus."

"Dear children, it is the sins which wound My Son's Heart - the compromise of Truth and the abuse of authority - which rapidly widen the abyss between Heaven and earth. Please pray on any rosary beads: One Our Father and three Hail Marys for the following intentions:"

1. "That mankind discovers the Truth of the difference between good and evil."
2. "That the Truths of the Faith which are dogma are not compromised to please mankind, but upheld."
3. "That all leaders, secular and religious, recognize sin as sin, and in no way lend support by way of pandering to or accommodating 'special interest' groups."
4. "That no leadership takes away religious freedom."
5. "That all leaders, religious and secular, lead as good shepherds towards the welfare of their flock - not with an eye towards any self-gain, power or disordered authority."

"Then pray:"

**"Dear Jesus, please accept these prayers in atonement for the grievances of Your Most Mournful Heart. Through this Chaplet, please mitigate Your Justice. Amen." ■**

## On Praying the Mournful Heart Chaplet

February 4, 2014

Our Lady comes holding the Mournful Heart. Floating in front of Her is an unrolled scroll of paper. I can't read it, but I know in my heart it is the Chaplet of the Mournful Heart. She says: "Praise be to Jesus."

"Today, I tell you, this Chaplet, if prayed often and fervently from the heart, can change the course of human events. It is meant to bring Truth to light and to hold accountable any abuse of authority. **It will be an instrument to mitigate God's Justice if enough will pray it.**" ■

# The Rosary of the Unborn Captivates at the 2014 March for Life

Again this year, as in years past, the headquarters for the 2014 March for Life was the Hyatt Regency on Capitol Hill, Washington, DC.

It didn't take long for people to come over to see the Rosary of the Unborn (ROU) as we were setting up the table in the Exhibit Hall. Enthusiastic students, who remembered us from last year, rushed over to tell us they were hoping we would return so they could show their friends the Rosary of the Unborn.

Our table had many visitors. The Rosary of the Unborn acts like a magnet. We watch how Our Lady works when people approach the table and see the shape of tiny plastic unborn babies inside teardrop-shaped beads. They can't resist picking up the beads as they wonder, 'How do they get those babies inside such small beads'.

Even more inspiring than the multitudes at the ROU table were the many large groups of marchers, who in spite of frigid temperatures and a snow storm the previous night, persevered to prove to Washington that nothing would stop the fight to give the unborn the life they deserve. Taking a spot on the steps of the Russell Senate Office Building on Constitution Ave, we displayed the ROU poster with the words, "**Jesus, Protect and Save the Unborn**", in large letters under the image of the rosary bead.

Every person who looked at that poster and read it, was at the same time praying that prayer.

Many energized people left the March for Life with a new Rosary of the Unborn in their pocket. Eight thousand ROU wallet-sized finger cards were given away to busloads of students and adults. All were very eager to make the commitment to pray the Hail Marys, especially when told that the graces\* attached to the ROU also apply to the Rosary of the Unborn finger card. Off they went, very happy and content, fully aware of the power of the ROU and the difference they can make with their prayers in the life of an unborn child.

**\*Special graces attached to the Rosary of the Unborn:**

*"I affirm to you, my daughter that each 'Hail Mary' prayed from a loving heart will rescue one of these innocent lives from death by abortion."*  
(Our Lady of Sorrows – July 2, 2001)

*"The greatest promise I give you in regards to this rosary is this: Every Rosary prayed from the heart to its completion on these beads mitigates the punishment as yet withstanding for the sin of abortion."* (Jesus – August 3, 2001) ■

# Memorial to the Unborn

To the left of the walkway approaching the International Shrine of the White Madonna is a newly-erected Memorial to the Unborn. The Memorial was put in place in November 2013. It is fashioned after the more than 100 gravesites and memorials to aborted babies that have been established around the country since the infamous 1973 Roe v. Wade Supreme Court decision that legalized abortion.

The Memorial was first requested by Blessed Mother to the Visionary, Maureen Sweeney-Kyle, in September 2013, to assist people of all nations visiting the Shrine to gain a deep awareness and understanding of the staggering loss of human life that has occurred worldwide, and its effects on the heart of the world, due to the legalization of the sin of abortion.

At the request of Blessed Mother, the Memorial to the Unborn consists of a headstone with a plaque listing the worldwide statistics of the number of babies aborted every minute, hour,

day and year. The headstone is black granite in the form of a teardrop; etched in the stone is an image of Our Lady of Guadalupe holding in Her arms three aborted babies of different nationalities. There is also an accompanying Scripture passage

from Jeremiah etched on the stone, reminding us of the immense value God places on the lives He forms in the womb. Likewise, Blessed Mother requested that the meditations to the Chaplet of the Unborn be displayed nearby to encourage people visiting the Memorial to pray for the end to legalized abortion, and for the conversion and inner healing of those who have participated in and supported abortion directly and indirectly.

Please visit this Memorial and offer up your prayers and sacrifices in memory of the millions of babies aborted every year. ■

## Did you see it?

A group of men and women in Minnesota wanted people to know about, **'The Most Powerful and Ultimate Weapon to End Abortion'**, so, they worked together to have this billboard erected.

The billboard went up in Minnesota on May 10, 2013. It remained up for all to see until November of 2013. It was located on Highway 52 South, going to Rochester, Minnesota. ■

## New Skin

**I am 15 years old. I have had bad eczema all my life.** I was born with it. It was so bad that I couldn't even open my hands without them bleeding. One look at my legs would make you want to cry. There were many days that I could not go to school because my hands were bleeding so much, holding a pencil or a book was impossible. I went through lots of pain, suffering and medications; doctors, pills, creams, medicines, anything you could possibly imagine. My family and I went through so much in an attempt to heal my skin. Nothing would work. I would still bleed and suffer.

I have come to Holy Love multiple times. Each time I came with my family, we would receive new graces. We always prayed for my skin. We would put Mother Mary's Tears on it, from the Lake of Tears at the Sorrowful Mother Shrine, and we would pray.

When I came for Divine Mercy Sunday on April 7, 2013, I told Jesus that if He wanted to heal me, I knew that He would, and if He didn't, I would offer it as a sacrifice for the Holy Souls in Purgatory.

I spent the entire day at Holy Love with my skin burning. It felt as if I were set on fire. By the time of the apparition, in the Field of the United Hearts at 3:00 PM, my skin was all red and bleeding. When it was announced to, "Please kneel", I knelt down and closed my eyes. Right then, I knew something spectacular was happening. My breathing began to stop. I had multiple sensations on my skin where I had the eczema. I had never experienced anything like this before. When I opened my eyes, the eczema on my neck and hands was different. By the time I walked to the bus, my forehead, ears and hands were totally clear.

The eczema was gone. My eczema was gone. I have nothing on my skin anymore. It's as if I never even had it. All I have are the little scars from it, that's all. It's as if Jesus gave me new skin on Divine Mercy Sunday. I thank Him every single moment of the day that I possibly can. He has granted something so incredible in my life - it's indescribable. He is All Powerful. He is Love and Mercy. There is nothing Our Lord cannot do. ■

## Healing

**I was diagnosed with melanoma of the eye in April of 2012.** Melanoma is a type of cancer that can spread rapidly. It was determined that I had small tumors in the left eye. The tumors were located in the interior of my eye. They were 2mm in size. There was a stream with cancer cells that fed the tumors. Since the tumors were small, Dr. S. recommended that three thermotherapy treatments be done. The treatments were to shrink the tumors. The first treatment was performed in April of 2012. The second treatment was scheduled for October 13, 2012. The third treatment was going to be scheduled for February of 2013. It was also recommended that I have scans done of my lungs and liver, since this type of cancer often metastasizes to these parts of the body.

I came to Holy Love and petitioned Our Lady on Her Feast of the Most Holy Rosary, October 7, 2012. I prayed for a healing of the eye cancer. Since my doctors advised me to avoid looking directly at the sun, while praying the rosary in the Field of the United Hearts, I was focused on the sky above the trees on the horizon. This is when I witnessed two red hearts moving in tandem across the sky. It was a few seconds later, when two heart-shaped clouds appeared with the sun. At that moment, everyone praying witnessed the heart-shaped clouds in the sun.

When I returned to Wills Eye Institute, in Philadelphia, for my second treatment, the cancer cells were totally gone. The doctors couldn't find any cancer cells in the stream. They were surprised. They decided to do the second treatment just to be on the safe side. The second treatment was done on Friday, October 13, 2012. The third treatment, scheduled for February of 2013 was not necessary because – still no cancer cells. My liver scan and lung CAT scan were also clear.

I have been to the ophthalmologist/oncologist at Wills Eye Hospital for three follow-up visits since my miracle and I am still cancer-free. I am scheduled for another follow-up visit in May.

Cancer of the eye is deadly and fast moving. It metastasizes quickly to the liver and lungs. I am so thankful to Our Blessed Mother and Her Son. I know deeply, God loves me very much. I have truly learned to trust. I am truly blessed. ■

# Making the Spiritual Journey

## Second Chamber of the United Hearts: Divine Love – Holiness

In this part of the series, ‘*Making the Spiritual Journey*’ of personal holiness through the Chambers of the United Hearts, we will be examining, in detail, those United Hearts Revelation Messages given by Jesus, Blessed Mother, and some saints (e.g., Saints Thomas Aquinas and Anthony of Padua) having to do with the spirituality of the **Second Chamber of the United Hearts**, which Jesus also labels as **Divine Love** or **Holiness**.

In evaluating the soul’s spirituality regarding its status within the Second Chamber of the United Hearts (or within *any* of the six Chambers of the United Hearts), mention was made at the end of Part 10 (in the previous issue of this newsletter) of a Message given by St. Thomas Aquinas on **October 24, 2001**. Part of this Message bears repeating here, as it should be reviewed anytime the soul believes it necessary for him to *presume* which Chamber he is in or to begin comparing his particular journey of personal holiness through the Chambers with that of another soul’s journey. St. Thomas Aquinas warns against such evaluating actions when he states: “**Do not waste time trying**

**to evaluate which Chamber you are in. To do so would be presumption. Jesus alone is the Judge. Just keep moving forward as you would on any journey. Do not be satisfied with where you are on the journey. The goal is perfection through love. Nor should you be discouraged by comparing your journey in love to another, for I tell you, each one’s journey is different.**” St. Thomas Aquinas tells us that, “*the goal is perfection through love.*” In moving forward in our own journey of personal holiness, we should always be working on *perfecting* the Holy Love in our hearts just like a golfer always works on perfecting his own particular golf swing. This is one aspect of the spiritual life – *perfection in holiness* – we specifically focus on as we move forward from the **First Chamber** of the United Hearts, which is the **Immaculate Heart of Mary – Holy Love – Salvation**, toward the **Second Chamber**, which is **Divine Love – Holiness**, and subsequent Chambers that make up the Sacred Heart of Jesus. However, in moving forward through the Chambers, we should not be *discouraged* and *distracted* from our goal by trying to determine

which Chamber we are in at any present moment.

St. Thomas Aquinas further explains this trap set by Satan in a Message on **July 27, 2007**, in which he says: “*Today, Jesus sends me to further help you understand the spiritual journey through the Chambers of the United Hearts. The Father and the Son are the only Ones Who can determine what Chamber the soul is interacting with in any given moment. The Truth is that in any present moment, the soul may be interacting with more than one Chamber. He may be increasing in virtue (Third Chamber), while at the same time he is being purged of some fault (First Chamber), which is contrary to the same virtue. All the strengths of the First, Second, Third and Fourth Chambers unite in the Fifth and Sixth Chambers. So, you see, very often the soul may be cooperating and advancing in many Chambers at once. The truly humble soul does not see himself of even being worthy of the First Chamber, however. As I tell you this, realize that the spiritual journey is multifaceted. What determines each one’s depth of holiness is the amount of Holy Love in his heart in every given*

present moment. Knowing this, understand that every present moment finds the soul in a different challenge towards Holy Love and, therefore, a different depth of holiness.”

The other trap we should avoid in moving forward through the Chambers is comparing our own individual, personal journey of holiness with that of another. Recently, in a new Revelation on the Chambers of the United Hearts given by Blessed Mother in a Message on **December 5, 2013**, She described a **Vestibule of Grace** to which St. Joseph attends *prior* to a soul's entry into the spiritual journey of personal holiness through the Chambers of the United Hearts. In this Message, Blessed Mother says:

*“The Vestibule of Grace where St. Joseph stands welcoming souls into the spiritual journey through Our*

*United Hearts is replete with every grace each soul needs towards his personal conversion. Each one's spiritual journey is individual, as is each one's conversion experience. Still, it remains an act of free will to choose to enter this Vestibule of Grace. Once the soul chooses to enter, however, he experiences*

*God's Love as never before. While therein, he is washed in the humility of his own errors. He is so enamored with My Son and God's Divine Will that his only peace is to pursue a deeper relationship*

*with God. This is what leads him through the Doorway of God's Mercy. Until the soul turns with a contrite heart to the experience St. Joseph invites him to, he will continue to be restless, uncertain and feel unfulfilled. There is no certainty in the world because*

*of the unpredictable nature of man's free will. Therefore, let your security be your own spiritual journey through the Chambers of Our United Hearts.”*

This new Revelation of the *Vestibule of Grace* available to the soul *prior* to entering the Chambers of the United Hearts makes it easier for the soul's free will to choose to enter the First Chamber (and subsequent Chambers) for purification and perfection in holiness by an ever-deeper *trustful surrender* of that free will to the Divine Will. The grace given in this Vestibule (to which St. Joseph attends), is also to help the soul from being *distracted or discouraged*, (as St. Thomas Aquinas had explained in his Message of **October 24, 2001**), away from pursuing this noble goal of holiness or perfection in love, which these Chambers afford. Jesus described this function of the Vestibule of Grace in a Message given on **December 6, 2013**, in which He says: “Do not be discouraged in any effort

*towards personal holiness. Some have to enter the Vestibule of Our United Hearts over and over again. Each time, they must hold themselves accountable for even the smallest grievance against Holy Love. At the end of each day, I call each soul back into the Vestibule of Grace to make self-*

*examination of conscience. There, they will be able to see what is holding them back from a deeper journey through the Chambers. Then, they will pass, once again, through the Doorway of My Mercy. The conviction of heart in the Truth is vital to every conversion. No one who seeks holiness can be self-satisfied. But, sanctimony is very often the pitfall of those who are attempting to make the journey through Our Hearts. This is a compromise of the Truth which grieves My Mournful Heart and inhibits true holiness. Do not try to impress anyone with virtue or even gifts of the Holy Spirit. This is a flaw and propels you out of any Chamber of Our Hearts back into the Vestibule. Conversion of heart is offered in every present moment to all."*

As Jesus describes it in this Message, the more the soul chooses to surrender to Holy Love in the present moment, moving from one Chamber to the next, (e.g., the First to the Second Chamber), the more he becomes aware of the smallest worldly attachments or grievances against Holy Love that may impede his progress through the Chambers, thus requiring the Vestibule of Grace again to help him in his conviction of heart and conversion toward greater holiness. This is what occurs most frequently as the soul moves from the First Chamber (purified of his greatest faults) and into the Second Chamber where, through self-knowledge and

coming to know Jesus better, he becomes more aware of how these smaller habits or attachments require a *deeper conversion of heart* if he is to become more intimately aligned with the Divine Will.

St. Joseph provides an encouraging Message for souls desiring this deeper conversion of heart when on **January 25, 2014**, he says: "*I come to you today, on the Feast of the Conversion of St. Paul, to tell you that the Vestibule where I await souls inviting them into the United Hearts, is their invitation to conversion of heart. There I await and pray, that by entrance into this Vestibule, more will respond in a positive manner and the Remnant will be strengthened.*" Again, as St. Thomas Aquinas had said in the Message of **October 24, 2001**, the goal in the spiritual journey is "*perfection through love.*" This goal is most keenly experienced when the soul moves from the First Chamber into the Second Chamber and first becomes aware of (and cooperates with) the graces necessary to progress through the journey of holiness deeper into the Divine Will to ultimately be in union with the Divine Will.

In a Message given on **January 20, 2014**, the Blessed Mother talks of this experience of grace from Her perspective of being the First Chamber and how the Vestibule of Grace helps propel the soul along in this journey of pursuing holiness

toward union with the Will of God. In that Message She says: "*Every soul is created to be united with the Divine Will of the Father; yet, how easy it is to get lost along the way through flaws in your spiritual life. This is why, during these confusing times, God has graciously provided the spiritual journey through the Chambers of Our United Hearts, which ultimately leads to His Divine Will. The more the soul adheres to this spiritual journey, the more quickly he will embrace and be embraced by the Divine Will. Begin to see every present moment as an opportunity of grace with its favors and challenges - all designed by God to lead you into His Will. The more you cooperate with these graces, the easier your journey will be. It is as though grace is the fuel you need to propel you forward. No one on a journey would be wise to refuse fuel. Dear children, use the road map God has given you for your spiritual journey. St. Joseph is calling you into the Vestibule of Grace which opens on the First Chamber - My Immaculate Heart.*"

Blessed Mother reiterates this point in a Message on **September 18, 2013**, in which She says: "*Dear children, your personal holiness needs to be your prized possession. This is your personal relationship with God the Father, Jesus and Me - all nurtured by the Holy Spirit, the Spirit of Love and Truth. You have been given the spirituality of the Sacred Chambers of Our United Hearts here at this site. Let this journey*

*be your guide and path to follow towards the Divine Will. Do not let anyone or anything stand in the way of your deep and ongoing journey in holiness. These days, the world holds holiness in low esteem and refuses to conform to such a concept. But you, My children, have been brought along this sure and certain path of Holy and Divine Love".* This Message the Blessed Mother gave us is to encourage us to see that as we surrender more and more to Holy Love in the present moment, we move from the First Chamber (Her Immaculate Heart) into the Second in which we are provided with many graces that help us to know Jesus more intimately in His Divine Love and Mercy and which open awareness of our conscience as to how we use the present moment created and given us by God.

We have to always remember that God wants our trustful surrender to His Divine Will every present moment – not just sometimes. When we become more aware of such a prized grace God gives us in our personal holiness toward a closer personal relationship with Him, we develop a greater desire to increase in virtue and to further pursue holiness to a deeper level. And in this pursuit of holiness, the soul first realizes in the Second Chamber how certain habits and attachments to worldly things affect us and how they can get in the way of our concern for the welfare and needs of others first. This point is explained by St. Thomas Aquinas

in a Message on **September 24, 2007**. He says: *"I have come to tell you that the first and most basic step in holiness is to regard others' needs first. In doing so you must not look upon how everything affects you yourself, but how everything affects those around you. When you are concerned mainly for yourself, this is a sure sign of inordinate self-love. Such an attitude quickly carries you out of the First Chamber and away from humility of heart. Be solicitous and accommodating towards the needs of others, and trust in God's Provision in your own needs. This is the first and most basic step in personal holiness. Disordered self-love is the inspiration of all sin and has its roots in evil. Love of God and neighbor is the basis of all holiness."*

Jesus tells us that if the soul wishes to pursue holiness, then he must empty himself of self-love in the process known as self-abandonment or self-surrender. In a Message from **July 8, 1999**, Jesus says: *"I have come to help you understand that some people pursue holiness with their intellect and not their heart. This is the meaning of love. Love must first be in your heart and then in the world around you. If Holy Love is in your heart, then you surrender your will to Me. It is only in this way I can fill you with grace and virtue. This means you have no 'wants' of your own. It does no good to imitate the virtues or to seek the company of holy people*

*if you have not emptied yourself completely. You may want to be holy and virtuous, but it is not possible to demand such grace from Me. It is only possible through self-abandonment."* Thus, as love of Jesus begins to consume our hearts, we find ourselves able to trust Him more and more for we know that He wants only what is best for us – our salvation. We begin to have a 'holy indifference' as to what takes place in every present moment and every situation. Holy indifference is a trust that in everything, God works for our good so that we let God take control over every situation, knowing in our hearts that what we think is best for us or what we think should be the outcome of any situation is best determined by God. This is a trustful surrender and emptying or dying to self so that the soul is at peace with himself no matter the outcome of a situation.

Jesus describes the details of how this trustful surrender takes place in the Second Chamber in *part* of a lengthy Message He gave on **October 16, 1999** describing the first two Chambers of His Sacred Heart in relation to the prayer He gave on the Consecration to Divine Love. In this Message, Jesus says: *"My sister, there are many Chambers in My Heart of Hearts, which is Divine Love. The door to each Chamber is unlocked through self-will, self-surrender. Each doorway leads you deeper into Divine Love - deeper into My*

Heart until the soul reaches the deepest, most intimate Chamber of Divine Union, and compliance with the Divine Will of God. ... Through the Flame of My Mother's Heart, the soul recognizes its faults and failings. By a movement of free will, he decides to overcome his weaknesses – to let them be burned away through the Flame of Holy Love. Yes, the first doorway to Divine Love is Holy Love (First Chamber). It is the purgative stage. The soul may open this door, quite committed to the path he sees before him, but because he gives in to Satan's temptations, finds himself outside the first door again. Over and over he may have to recommit to Holy Love. Finally, he will be less tempted to old weaknesses. He will recognize them and avert them. Now he can approach the first door to Divine Love (Second Chamber). Once through this doorway, a great peace comes upon the soul. He is able to go deeper into prayer. He is more aware of the grace of the present moment. Indeed, he is able to recline in My Heart and find a respite herein. He does not take joy in so-called worldly pleasures anymore. His joy is in Me. The soul drifts along in this sea of calm, recognizing more frequently the difference between his wants and his needs. In this Chamber the soul has few wants. Sister, study all I have said thus far concerning the Consecration to Divine Love."

Once the soul has entered the Second Chamber, after being

immersed in the sea of calm, he may become more aware of certain habits or attachments to the world that can become obstacles toward using God's grace of the present moment to progress further in personal holiness to the next Chamber. This is brought out in a Message on **October 17, 1999** in which Jesus says: "Now the First Door - Holy Love - reveals your glaring faults. The Second Chamber of My Heart asks your more perfect surrender. In this Chamber, little flaws in love come to light. After the soul drifts on the sea of calm when he is first admitted to the Second Chamber, he is able to see certain habits or attachments that hinder him from going deeper into Divine Love - My Heart. Waves of emotion toss him to and fro. At one moment the soul experiences dryness. The next moment he receives consolation. If he perseveres in overcoming his small attachments and inordinate habits, he will be ready to move into the Third Chamber of My Heart." Besides this awareness of little faults or habits and attachments, in a Message given on **January 27, 2000**, Jesus says: "Now as they enter the Second Chamber of My Divine Heart I pour into them knowledge of the virtues, an awareness of the depth of each virtue in their own heart, and a hunger to increase in virtue. For such as these it is not enough just to reach salvation. These souls thirst for holiness, thirst to please Me and draw closer

to Me. To them this thirst seems unquenchable. As the virtues deepen they move closer to the next Chamber of My Heart."

This hunger to increase in virtue is further described in a Message on **January 31, 2000**, in which Jesus says: "When a soul moves from Holy Love into Divine Love and the Second Chamber of My Heart, he receives a longing for a deepening of the virtues. The soul is developing a desire for holiness, but is uncertain as to how to attain it. It is during the soul's stay in this Chamber that My grace comes to him, enticing him to a more devout life. When the soul's spiritual desires become spiritual needs from a more pure love, the soul moves into the Third Chamber of My Heart." Regarding the soul's deepening of virtue, in a Message given on **March 2, 2000**, Jesus says: "The more the soul surrenders to Me through love, the more I surrender to him. If you are surrendering, then a life steeped in virtue will be a sign to all that you are Mine. The more you surrender to virtue, the more the virtue becomes a part of you." In further describing what takes place within the heart in the Second Chamber, Jesus says in a Message on **April 7, 2000**: "As the soul is made more loving under the commandments of love, it moves into Divine Love and the Second Chamber of My Heart. Here the soul receives much illumination and interior changes take place within the heart. The soul develops a private relationship

with Me.”

In a Message given by St. Anthony of Padua on **May 20, 2000**, he describes the steps the soul takes in going deeper in the journey of holiness through the Chambers. In **Part 10** of this series, **Step 1, Salvation**, was described as the **First Chamber** of the United Hearts. In **Step 2**, which he describes as **Holiness**, the **Second Chamber**, St. Anthony says: “Entrance into the Sacred Heart of Jesus (Divine Love) occurs through deeper surrender to love. The soul begins to equate Holy and Divine Love with the Divine Will of God. He aspires to personal holiness by greater surrender to God’s Will, which is always Holy Love in the present moment. He begins to understand that his will is directed by what he holds in his heart.” It is this aspiration for deeper personal holiness that moves the soul forward through the Chambers, and the Flame of Divine Love, which burns away all apathy and complacency, cleansing the soul of the slightest of attachments. As Jesus said in a Message on **October 20, 2000**: “The Second Chamber represents pursuit of holiness.” This is why the Second Chamber, which is Divine Love, is also known as Holiness. In the series of Messages given by Jesus in late **August, 2000**, which He called a **Primer on the Chambers of the United Hearts**, He provided a Message on **August 25, 2000**, summarizing what takes place

within the soul in the Second Chamber. Jesus says: “*Here, My messenger, is the Second Chamber outline for the Primer. As the soul surrenders more deeply to Holy Love, he passes into the Second Chamber of My Sacred Heart, which is Divine Love. This is what takes place within the soul in this Second Chamber which is holiness:*

- *The present moment is purified through a commitment to Divine Love.*
- *The soul surrenders his health, appearance and comforts.*
- *The soul begins to distinguish between his wants and his needs.”*

Also, in a series of Messages given in late **January, 2001**, which are used in a booklet entitled, **The Revelation of Our United Hearts: The Secrets Revealed**, Jesus provides a detailed explanation of the Inner Sanctum of the Chambers of His Sacred Heart. In the Message He gave for the Second Chamber on **January 26, 2001**, Jesus explains: “*I invite you to see that each Chamber of My Sacred Heart is approachable only through a greater submission of free will. Thus, as the soul approaches the Second Chamber of My Heart, he begins his martyrdom of love; that is, he dies to his own free will as a sacrifice of love. In the Second Chamber of My Majestic Heart - The Flame of My Heart - the soul pursues holiness. The Flame of Divine Love reveals small flaws of character*

*that separate the soul from Me. In this Chamber of My Heart the soul is more aware of the present moment. He understands the past must be committed to My Mercy - the future to My Provision. He opens himself up to the grace of the present moment. The souls in the Second Chamber of My Heart are becoming more aware of the Eternal Father’s Will for them and most accepting of My Father’s Will. Then as they surrender more and more to the Divine Will in the present moment, they prepare themselves for entrance into the Third Chamber of My Sacred Heart.”*

Overall, then, this part of the spiritual journey of holiness – the Second Chamber – is designed to pursue perfection in holiness, striving to be *spiritually perfect* as our Heavenly Father is Perfect – Perfect in Love. In striving for this *perfection in holiness*, also known as *sanctification*, we realize how important the desire to have the virtues of Holy Love and Holy Humility reign in our hearts must be. This is explained in a Message given on **June 15, 2002**, in which Jesus says: “*I am helping you to understand that the soul can only move deeper into the Chambers of My Heart with the pass keys of deeper love – deeper humility; for it is the deepening fulfillment of these two virtues that draws the soul to sanctity. So, with a movement of his free will, the soul must desire to be more perfect in Holy Love and Holy Humility.*

*When this desire comes from a sincere heart, the way will be shown. No one can sincerely desire to be more holy and not be given the grace to achieve deeper holiness. Therefore, I tell you, desire holiness with your whole heart, and I will help you find it."*

St. Thomas Aquinas reiterates this point in a Message on **March 22, 2004**, in which he says: "*I have come to tell you that self-knowledge is the handmaid of perfection. The soul that is willing to look into his own heart and is humble enough to ask for assistance in overcoming his faults is the one who will mount quickly to perfection. If you seek to be holy, the Lord will help you to recognize those habits and failings you must overcome to increase in holiness.*" Thus, in striving for perfection in holiness, through humility, the soul willingly surrenders more and more to the purifying Flame of Divine Love.

In a Message given on **March 8, 2003**, St. Thomas Aquinas also explains the cumulative effect of the purification process in holiness that occurs most intently in the First and Second Chambers, as he says: "*I have come to help you see that all the grace obtained in one Chamber of the United Hearts is carried into the next Chamber and deepened. In other words, the soul enters the First Chamber and is purified of his iniquity through Holy Love. When he enters the Second Chamber – holiness*

*in the present moment – the purification he experienced in the First Chamber abides with him and continues. As he seeks to be holy in the present moment, he is even more aware of the slightest fault or iniquity, and strives to overcome them. Gradually, the soul is drawn into the Third Chamber which is perfection of the virtues. The virtues are deepened through an awareness of imperfections in the present moment – the First and Second Chambers. And so it goes until the Kingdom of God – the Kingdom of the Divine Will – is established within the soul itself through union with the Divine Will. So you see, this spiritual journey is like building a house – a spiritual refuge – within the human heart. One block builds upon another until the Kingdom of the Divine Will is enthroned with the heart itself."*

As we have seen previously, *trustful surrender or abandonment* to Jesus and thus, to the Divine Will, in every present moment is the means by which the soul progresses rapidly in this journey of holiness through the Chambers toward perfection in love. This is expressly stated in a Message given on **October 27, 2002**, in which Jesus says: "*My brothers and sisters, abandon yourselves completely to Me, for this is the way to accept My Father's Will for you in every present moment. This is the building block and the foundation of your holiness in every present moment. It is in this*

*way I call you to perfection."*

Throughout this journey of personal holiness through the Chambers of the United Hearts, Our Lord continually encourages to *move forward and persevere* through the obstacles, distractions and difficulties in our perfection in love that we encounter along the way, as in the following Message given on **August 15, 2003**, in which Jesus says: "*I have come to help you see that every present moment carries with it a lesson in holiness and grace to move deeper into My Sacred Heart. I never abandon you. In the midst of every difficulty is My Provision. Think of the people that are disconnected with the Divine Will of My Father. The current of grace between My Mother's Heart and such as these is short-circuited – burned out. They are left to fend for themselves. They become insecure, greedy and fearful. Not so with the children who walk in the light of grace. They are the ones who can abandon themselves to Me. The path of Providence opens before them. They prosper in the light of love - moving deeper into My Divine Heart."*

Finally, as the soul continues along in the journey of holiness through the Chambers of the United Hearts, Our Lord tells us that the soul should not be afraid or too proud to seek out His assistance in overcoming any attachments, habits or faults in striving toward perfection in

holiness. In a Message given on **June 24, 2005**, Jesus says: *"I have come to help all to see that to remain in the depths of My Heart means you must continually strive for perfection in holiness. To achieve this, always strive for littleness – to be hidden and to hold kind and loving thoughts in your hearts for one another. Avoid factions – I do not mean friendships. I mean opposing one another in thought, word and deed. If one tries to influence you against another, avoid association with him. Such influence breeds disunity and weakens your personal holiness, as well as this Mission. When you are confronted by some personal fault, either by another or through an enlightenment of conscience, seek My assistance in overcoming*

*the fault, for this is the humble path. Be charitable in overlooking the faults of others. I invite you to carry this Message with you, and to reread it daily until it becomes part of your heart."*

As we have seen in examining these Messages on the spirituality of the Second Chamber of the United Hearts, the purification and perfection of the soul in holiness is the major focus, which, in turn, helps the soul become keenly aware of the power and grace offered by God every present moment to bring the soul to the goal of conformity and union with God's Will. So, as the soul becomes aware of the power of God's grace in the present moments God creates to draw the soul into union with the Divine

Will, he also recognizes how Jesus draws that soul into the next Chamber, the **Third Chamber**, of His Sacred Heart which is perfection in virtue.

In the next part, **Part 12**, of this series, '*Making the Spiritual Journey*,' we will focus attention on the United Hearts Revelation Messages that reveal the spirituality of the **Third Chamber**, which is also known as **Perfection in Virtue**. As we examine these Messages on the spirituality of the Third Chamber, we will come to see how progression of the soul toward union with God's Divine Will is primarily dependent upon the depth (or lack of depth) of virtue in the soul, especially Holy Love and Holy Humility. ■

"This is a list of the characteristics of spiritual pride, for this is very often the obstacle Satan places on the path of personal holiness:"

## *Spiritual Pride*

- "1. The soul believes he is very holy with few virtues that need improvement."
- "2. He believes his rash judgment to be discernment."
- "3. He believes any idea that he has is inspired by the Holy Spirit."
- "4. He will not consider others' opinions on spiritual matters, but holds fast to his own."
- "5. He sees much error in others' hearts - not his own."
- "6. He takes pride in his prayer life and his sacrifices - this leads quickly to self- righteousness."
- "7. He is not open to spiritual correction."

"Watch out for these signals that you might fall into through Satan's trickery."

(Jesus – May 15, 2012)

## Feast of Our Lady of Lourdes February 11, 2014

Blessed Mother says: "Praise be to Jesus."

*"Today, on My Feast Day, I tell you, My Heart is filled with gratitude for those who have heard of My many apparitions around the world and believe. I do not come for Myself but for the welfare of all My children - each one of you. I come to correct the conscience of the world and thereby reconcile the heart of man with the Heart of God."*

*"When I appeared to Bernadette at Lourdes, I asked for penance. As times progressed to this present day, hearts have grown more profoundly evil. My request for penance has become a plea. Dear children, you do not see the evil that is in hearts. You are not privy to the evil plans concocted by Satan."*

*"Come to My Spring here which is the same water I offer at Lourdes. Then I will give you the strength to carry your crosses and to renew your penances. I will inspire you to pray. Join Me in My desperate efforts to thwart evil." ■*

## February 24, 2014

Blessed Mother says: "Praise be to Jesus."

*"Dear children, begin to comprehend the intensity of these times. The graces poured out here at this site and through this Mission are proportionate to the amount of evil in the world today. I speak to you as a Mother - drawing you closer to My Son and your own salvation."*

*"Invest in Holy Love, for this is all Truth. Make the investment of your commitment to this Truth your priority. If you wait for everyone to believe in Holy Love, you will have waited too long."*

*"Follow My lead and allow Me to assist you in your personal holiness.\* If you only knew the depth of My Love for you, you would not hesitate to pursue My call. Come to the Spring of Maranatha where I await you. Change your hearts and your lives to resemble Divine Love."*

*"God's Justice is being set in motion. Mitigate what will come as a result of sin by Devotion to Jesus' Mournful Heart."*

*"I call you to action - not to please men - but to please God and thereby attain your own salvation."*

*\* The Blessed Mother is inviting all Her children to come into Her Immaculate Heart, for She is the perfect human model and example of holiness that leads us to Her Son - to Divine Love and Mercy, and to union with the Divine Will.*

### **Read: 1 Thess 2:4**

*...but just as we have been approved by God to be entrusted with the gospel, so we speak, not to please men, but to please God who tests our hearts. ■*
