An Ecumenical Ministry and Shrine

“No Truth Opposes Holy Love”

Holy Love Ministries is an Ecumenical Ministry and Shrine. Through this Ecumenical Mission, and the Holy Love Messages, Heaven is calling all people and all nations to pursue personal holiness through Holy and Divine Love.

Holy Love is – The Two Great Commandments of Love – to love God above all else and to love neighbor as self. It is the Father’s Divine Will, the fulfillment of the Gospel Message, and the embodiment of the Ten Commandments.

The Holy Love Messages are given through the Visionary, Maureen Sweeney-Kyle. The visions, apparitions and messages began in 1985. Since that time, Jesus, Blessed Mother, and many saints have been appearing to her on an almost daily basis. These Messages are given to all people and all nations in an ecumenical effort to unite in love.

The following excerpts from Messages give clarity to the purpose and focus of the Mission.

“The impact of this Mission is meant to change hearts – to turn hearts towards their conversion through these Messages of Holy Love – and the many supernatural graces abundant and evidenced here. The Mission is here in this present time to effect conversion of whole generations, nations and ideologies.” (Our Lady of Sorrows – September 15, 2011/Midnight Service)

“This Ministry, the property and the Messages, will remain a source of inspiration, grace and peace for all to partake of. All are called to come and do so. Surrender to this loving invitation.” (St. Catherine of Siena – January 20, 2012)

“The whole and entire reason for this Mission is to empty hearts of all that impedes Holy Love, and thus to allow Holy and Divine Love to reign in every heart; but Holy Love cannot reign in hearts given over to diversity. Hearts which place every kind of concern over Holy Love do not leave room for Truth.” (Jesus – January 17, 2012) ■

The Seven *Moral Standards* of Truth

**Forebears are the Church Fathers and the apostolic successors (Popes and Bishops) who established and handed on the Tradition of Faith.*

February 13, 2015

TO THE REMNANT FAITHFUL **Seven Moral Standards of Truth**

Blessed Mother says: "Praise be to Jesus."

"Dear children, I have come, once again, to support the Remnant Faithful - that is those of you who still believe according to Tradition. There are some basic Truths you must never forget and always defend."

1. "There is a final judgment for each soul."
2. "Heaven and hell are real."
3. "Satan does exist and wants to destroy all Truth."
4. "You must stand firm in the Truth between good and evil."
5. "Holy Love defines good and leads to your salvation."
6. "All sin - all compromise of Truth and abuse of authority - are inspired by self-interest."
7. "Never respect man and his opinions above God. Remember, God looks at what you obey, not who you obey."

"Each one of those points is the rock solid foundation of the Remnant Faithful. Live them." ■

February 14, 2015

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, I have given you the Moral Standards of the Holy Remnant of Faith. These seven points must never be compromised. In the coming days, I will address the full expanse and depth of these points - one by one. As you review these points, realize that these are the ways Satan attacks you and tries to rob you of your salvation. The evil one does not want you to internalize these Truths. He does not want the Remnant to be united."

"Therefore, dear children, you must be united with a tenacious fervor - never relinquishing your right to live in the Truth and to live the Tradition of Faith handed down to you by your forebears.* You will be mocked and maligned, but I will give you the strength to persevere. The Holy Remnant is deep in the recesses of My Immaculate Heart, yet very present in the world today. It is a countersign in an evil age." ■

February 15, 2015

Our Lady comes in white, but the inside of Her Mantle is green. She smiles and says: "Praise be to Jesus. The color green signifies hope. The Remnant is the hope of the future of civilization. So, today, I am here as promised to discuss the Remnant once again."

"The Remnant, dear children, must be steadfast and firm in the seven points I have given you. It must not waver in any wind of controversy. It must not change opinions to conform with the opinions of mankind. Any departure from these maxims means a departure from the Remnant Faithful."

"The Remnant must stand as a call to the return to godliness - to sound morals - and to adherence to God's Commandments. As such, the Remnant must be united in purpose and uncompromised in direction despite attacks of any sort. The Remnant must be a bastion of prayer and sacrifice, for this is the key that links the chain of the Remnant together."

"The same Remnant may reside in the farthest corner of the world or it may be right here at Holy Love.* It is still one in purpose - one in integrity and in My Immaculate Heart. It is the strength of Tradition, the foundation of sound morals, the return to godliness. It is the hope of the future." ■

TO THE REMNANT FAITHFUL **First Moral Standard of Truth**

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"First of all, please realize that the remnant of anything is not the part that breaks away from the rest, but the portion that remains. Therefore, the Remnant Faithful is that portion of the faithful who remain devoted to the faith while a greater portion pulls away."

"With this in mind, let us now look at the first Standard of Truth as it pertains to the Remnant Faithful. There is a final judgment for each soul. Each soul has his moment of judgment before My Son. Each soul will be judged according to the Holy Love or the absence of Holy Love in his heart as he draws his last breath. This

Truth does not change according to circumstance."

"Holy Love is the doorway and path to salvation. No one enters Heaven who does not love God above all else and his neighbor as himself. Holy Love is God's Will in action."

"Each soul should use his time on earth in an effort to earn his salvation. This is each one's responsibility. Free will is given as the opportunity to make the right choices and to achieve salvation. These Standards of Truth are guidelines towards that end. Every one of these Truths support, and are supported by Holy Love."

"If you make Holy Love a way of life, you will be prepared for the moment of judgment before My Son. You will not be caught off-guard. Do not think that in that moment before My Son you can negotiate your way into Heaven. At that moment, My Son sees clearly into the virtue of your heart. Be ready!" ■

February 17, 2015 **TO THE REMNANT FAITHFUL** **Second Moral Standard of Truth**

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Once again, I come to address the Holy Remnant Faithful. The second Truth that the Remnant must accept is the reality of Heaven and hell. This is what salvation is all about and why you should care about your final judgment. God creates each soul to share eternity with Him, but it is up to the soul to choose this, as well."

"I invite you to think for a moment about eternity. Eternity is forever - never ending. In Heaven, there is no time or space. The same is true of Hell. These concepts of time and space are particular to the world. Jesus calls you to eternal joy and peace with Him in Paradise. Satan tries to obstruct your salvation and lead you, through his lies and guile, to eternal torture in his domain of hell. His greatest lie is that there is no hell. Do not believe him. Whether you believe in Heaven and hell, or not, does not negate their existence."

"Throughout the centuries, there have been many who have returned to earth to bear witness to the existence of the afterlife. If these testimonies were accepted as the Truth that they are, mankind would clearly see his role in choosing his salvation. As it is, a cynical nature gives temptation its opportunity."

"The more the soul accepts that he has to make the effort to choose Heaven, the closer he is to embracing Holy Love. Never be misled by any theory that there

is no afterlife or that the soul gets a second chance through reincarnation. These are Satan's lies. Believe in the Truth as I am giving it to you today." ■

February 18, 2015 **TO THE REMNANT FAITHFUL** **Third Moral Standard of Truth**

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, I come to address the next Moral Standard of Truth for the Holy Remnant; that is, Satan does exist and wants to destroy all Truth. If you ever want to enable an enemy, then refuse to identify him or recognize him. That is what drug addicts do. It is also what this president is doing with Islamic extremists."

"In the spiritual world, the soul that denies the existence of Satan in any circumstance, not only enables evil, but opens the door of his heart to it. You cannot fight unless you recognize the enemy."

"In the world today, you have evil all around you encouraged by Satan and his minions. Evil is present in false religions and even, in certain instances, in true religions. Satan inspires governments and legislation such as abortion and sodomy. Evil is reflected in fashions, illicit use of technology and media. Anytime untruth is present - Satan has stepped in."

"Acknowledging Satan's existence is only the first step in spiritual warfare. You must learn to recognize him even when he comes clothed in goodness. This is discernment. The enemy does not very often come with horns and a pitchfork. Often, he uses good people to oppose God's good."

"Take, for instance, this Mission where seemingly good people openly oppose Heaven's intervention here;* he may use good intentions towards his evil end. This is shown over and over again when people try to help one another, but Satan steps in causing scandal, physical harm or loss of property."

"Satan is the 'father of lies' and uses his lies to discredit good, misdirect the ones searching for Truth and misinform the well-intended. Satan is the enemy of all Truth and therefore, the enemy of God's Commandments and Holy Love."

"Recognize Satan's smoke in the world today. Where there is smoke, there is fire. Protect your hearts with St. Michael's Shield of Truth. Realize that your faith is Satan's target. Then come to Me, as I am the Protectress of your faith." ■

TO THE REMNANT FAITHFUL
Fourth Moral Standard of Truth

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Today, I come to speak to you, once again, concerning the Moral Standards of Truth that the Remnant must follow. The next Truth is: You must stand firm in the Truth between good and evil. Realizing the Truth that Satan does exist, supports the fact, that it is he who does not want you to distinguish between good and evil. He clouds the difference between good and evil with compromise."

"Satan's lies make sin look like 'freedom' and portrays evil as a legal right. All the while, he is enslaving the sinner in an evil web of deceit. The Truth of good is defined by Holy Love, which is the embrace of all of God's Commandments. Evil is defined in any departure from Holy Love."

"Do not be persuaded along any path that leads away from God's Commandments - Holy Love. Do not attempt to redefine good as evil. Truth is always the Truth. Sin is always sin. You must accept that sin does exist and every soul sins."

"The Holy Remnant must never be afraid of confronting evil and identifying it. Misplaced compassion for the sinner is often Satan's tool which placates the sinner and encourages the sin. This does not support the Truth."

"Often, as a soul advances in holiness, he falls into the trap of self-righteousness. He may even take pride in his knowledge of satanic endeavors, thinking himself quite powerful against satanic activity. This is yet another ploy of evil. Remember, Holy Love and Holy Humility go hand in hand."

"It is the humble soul who most easily discerns good from evil. Such a soul knows his own weaknesses and strengths.* He does not let his personal likes or dislikes influence his decisions of good versus evil."

"Dear children, as part of the Holy Remnant, be willing to help others discover the Truth between good and evil - not with sanctimony, but with Holy Love." ■

** This is what self-knowledge entails.*

February 20, 2015
TO THE REMNANT FAITHFUL
Fifth Moral Standard of Truth

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"In order for a person to distinguish good from

evil, his conscience must be formed in righteousness - godliness. This can only be accomplished through Holy Love. This brings Me to the next maxim of Truth for the Remnant Faithful: Holy Love defines good and leads to your salvation."

"Holy Love - to love God above all else and your neighbor as yourself - is the embodiment of all of the Ten Commandments. No one enters Heaven outside of Holy Love. There is no back door - no negotiating. Holy Love is the path to personal holiness and your salvation."

"A conscience that does not completely embrace Holy Love is compromised. The more people the soul influences in his compromise of Truth; the greater his sin. In searching for the Truth, the soul need only to turn to Holy Love as a standard. Anything which opposes Holy Love is cooperating with evil."

"You cannot give God your whole heart if you keep part of it for yourself. Therefore, what you love in the world; reputation, power, authority, physical appearance or worldly possessions are obstacles to Holy Love. Use everything as a means to your salvation."

"The hope of the Remnant is to remain faithful to Holy Love and to regard everything through the eyes of Holy Love. This is the way to avoid Satan's deceit, the compromise of Truth and the abuse of authority. Holy Love is Truth and God's Will for all of mankind."

"You cannot hang on to the Remnant of Faith if you do not hang on to Holy Love." ■

TO THE REMNANT FAITHFUL
Sixth Moral Standard of Truth

Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"I come to you, once again, with hope for the Remnant. The basic Truth I will address today is this: All sin - all compromise of Truth and abuse of authority - are inspired by self-interest."

"This is not possible if the soul's conscience is formed in Holy Love. No sin is committed accidentally, but only through free will. The sinner loves the sin more than God and neighbor. Sin is self-serving. The sinner has some disordered self-interest he wants to fulfill. At the moment of surrender to sin, this want, takes precedence over righteousness."

"The soul may compromise the Truth, convincing himself sin is not a sin. This compromise is, in itself, a sin and full of self-interest. Each soul has the

responsibility to find the Truth between good and evil.”

“Authority is abused when the leader has his own self-interest at heart and not the welfare of his followers. Perhaps he leads people away from the Truth in an effort to make his own authority more powerful. He may concern himself with money and his own reputation above the responsibility of his position. Such authority is not trustworthy or even worthy of obedience.”

“The Remnant must take note of this, for many are misled and misinformed through this particular sin.”

“I want to give you, dear Remnant, the support of knowing you do not lose favor with Me if you act in good conscience supporting the maxim of Holy Love - despite disordered authority or compromise of Truth. I, your Heavenly Mother, stand with you. Many Traditions may fall by the wayside in the future. I will be with you to help you ferret out the Truth. Do not fear, but be cautious. Caution is prudence. Fear is a spirit which destroys your peace.” ■

[Read 2 Thessalonians 2:13-15](#)

February 22, 2015 **TO THE REMNANT FAITHFUL** **Seventh Moral Standard of Truth**

Our Lady comes as Mary, Refuge of Holy Love. She says: “Praise be to Jesus.”

“Today, once again, I come to offer courageous support to the Holy Remnant Faithful. As you discover where the Truth lies hidden under compromise, you must never be dissuaded to relinquish it by opinions of influence. This is the last Moral Standard of Truth for the Remnant Faithful: Never respect man and his opinions above God. Remember, God looks at **what** you obey - not **who** you obey.”

“Opinions have a way of becoming actions in the world. That is what makes opinions important. Opinions become laws and levy undue burdens on those who feel obliged to support and obey the law. Opinions alter the flavor of governments, institutions and even challenge the security of nations. It is opinions which bring a political atmosphere into the Church and state. These days, most opinions lead away from obedience to the Ten Commandments and Holy Love and towards sin through compromised Truth.”

“The Remnant, you know, is not just one particular religion trying to cling to long-standing Church Tradition. Rather, it is all who desire to perpetuate Christian morals and standards of Truth, which are fading away in this present-day generation.”

“Peoples’ opinions on morals are being changed

through mass media which presents sin as commonplace and acceptable. People who choose sinful lifestyles are held up as admirable and those who object are discriminated against. Therefore, the focus is not on eradicating error, but accepting it.”

“The Remnant must not accept such error, over and above, God’s Laws. It does not matter who accepts what. It matters if you believe error or the Truth. God looks into the heart - not at popular opinion. Each soul must embrace God’s Laws above all else. Therein, lies his judgment.”

“Dear children, avoid quickly accepting popular opinion. Rather, search for God’s Truth through Holy Love. This is the path to your salvation. It is God’s opinion of you that will matter and determine your eternity. Form your opinions around pleasing God - not on being accepted by those of compromise in the world. This will take a determined effort, but grace will be your ally. This is the hope of the Remnant.” ■

[Read 1 Timothy 4:1-2, 7-8](#) [Read 2 Timothy 3:1-5](#)

March 6, 2015 **SUMMARY TO THE REMNANT FAITHFUL**

“I am your Jesus, born Incarnate.”

“Today, I have come to tell you that the Remnant is the hope and the foundation of the New Jerusalem; for when I return, all people and all nations will be living according to the Father’s Commandments and the Moral Standards of Truth in Holy Love. Christian morals will be upheld and the Truth will be made clear.”

“Live according to these precepts now, as it pleases Me. It is a sign of pre-destination. Once again, please know there are no geographical boundaries distinguishing the Holy Remnant. Rather, it is in hearts. The hallmark, the unity within the Remnant is that they do not oppose one another. Good does not oppose good. Only evil opposes good.”

“Guard against self-righteousness as this is a trap Satan sets before you.” ■

REGARDING THE USE OF THE TERMS **‘REMNANT FAITHFUL’ AND ‘REMNANT’**

Throughout these Messages, Heaven speaks of both the ‘**Remnant Faithful**’ and the ‘**Remnant**.’ For the purposes of these Messages, the two terms are interchangeable. Please note that whenever the term ‘Remnant’ is used (with an initial capital ‘R’), it is referring to the Remnant Faithful. ■

The FEAST of OUR LADY of GUADALUPE at MARANATHA SPRING and SHRINE

**October 19, 2014
Announcement**

On December 11th and 12th, pilgrims from around the world gathered at Maranatha Spring and Shrine to celebrate the Feast of Our Lady of Guadalupe. Scheduled events included:

- Hourly prayer of the *Chaplet to the Mournful Heart of Jesus and the Rosary* in both the United Hearts Chapel and the White Madonna Shrine on Thursday and Friday;
- A 7 PM Prayer Service on Thursday evening in the United Hearts Chapel;
- A Midnight Prayer Service in the Field of the United Hearts on Thursday night, with Heaven imparting the *Complete Blessing of the United Hearts* to all present; and
- A 2:30 PM procession and 3 PM Prayer Service in the Field of the United Hearts on Friday afternoon to celebrate the Feast of Our Lady of Guadalupe, with an apparition by Blessed Mother to the Visionary, Maureen Sweeney-Kyle.

Pilgrims braved bitterly cold weather to honor their Heavenly Mother on Her special Feast Day. ■

Blessed Mother says: "I, your Mother, desire your welfare. I invite you here. I will be with you on December 12th, My Feast Day, in the Field of the United Hearts. I will meet you there."

The FEAST of OUR LADY of GUADALUPE

December 12, 2014
Feast of Our Lady of Guadalupe

3:00 P.M. Service at the
United Hearts Field

(This Message was given in multiple parts over several days.)

Blessed Mother is here as Our Lady of Guadalupe, then She becomes Mary, Refuge of Holy Love. Blessed Mother says: "Praise be to Jesus."

"Dear children, I come to you here, today, to celebrate My apparitions to Juan Diego centuries ago. At that time, I stepped into a pagan world - a world when the young were being sacrificed to pagan gods. Today, I come to you, once again, also meeting with you in a pagan atmosphere where the unborn are being sacrificed on the altar of free choice. The

great difference today is knowledge precedes the free choice of killing the unborn. People have been given the technology with which to know they are taking God-given life. People have been given knowledge of God's Commandments. My children have been given the grace to know and to love the One True God and yet they reject Him."

"Dear children, I am here to change the attitude of the heart of the world. Place God and neighbor first instead of self."

"Dear children, My greatest sorrow is the numbers of souls that will slip to their perdition as My words to you go unheeded. This is much the same sorrow My Son suffered in the garden of Gethsemane, for He knew full well the numbers of souls that would not be saved despite His Passion and Death."

"So many are indifferent towards their own salvation. They do not hold themselves responsible

UPE - December 12, 2014

before God in thought, word or deed. The false god of self has taken over the heart of the world. I come to you, once again, to help each one recognize the path of Light - the path of Truth."

"Holy Love is the medicine the heart of the world needs to beat in rhythm with the Will of God."

"Today, I come as your Advocate before the throne of God, beseeching Him to pour the grace of Truth into the world, which would convict hearts of all error and return souls to the path of Light."

"Your decisions between good and evil chart the course of the future of the world."

"I come to you, here today, for the same reason I came at Guadalupe - the conversion of hearts to the Truth. If I succeed in this effort, you will have peace and My grace will encompass the whole world. Wars and error will end. Leadership will be just and accomplish God's good. There will be no more jealousy or hatred."

"As it is, not enough care to listen, and most look for reasons not to believe. Hearts have chosen sophistication over the simple Truth."

"To those of My children who believe, I continue to encourage your prayers and sacrifices. God is listening. My Son is watching. You are holding back the Arm of Justice."

"Today, especially, I ask for your prayers against the great apostasy taking place in the Church. People, through pride, pick and choose what they wish to believe and what best suits their lifestyle."

"Dear children, I come to embrace you in My Motherly caress and bring you into My Immaculate Heart, away from all the evils of the world. Seek My Heart by living in Holy Love."

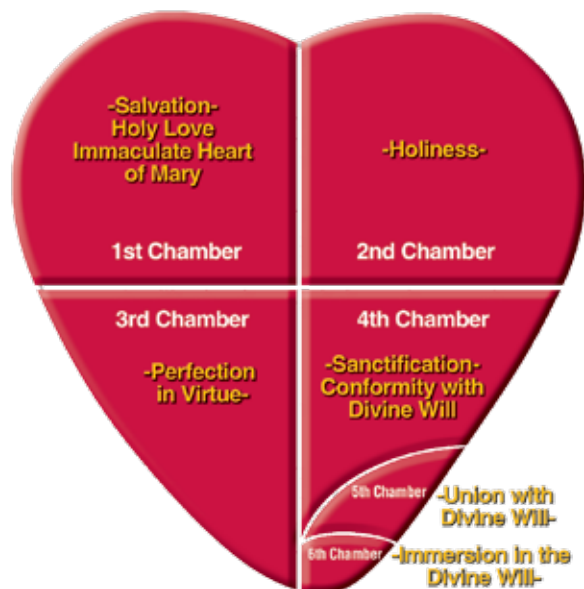

"Today, I'm extending to you My Blessing of Holy Love." ■

Part 14 - Making the Spiritual Journey

Fourth Chamber of the United Hearts: Sanctification / Conformity with the Divine Will

(Part 2 of 2)

In **Part 13** of this series of articles on *“Making the Spiritual Journey”*, we began the first part of our discussion of the spirituality of the **Fourth Chamber of the United Hearts**, (also known as **Sanctification** or **Conformity with the Divine Will**), which brings souls into the Kingdom of Heaven. As we continue our discussion of the **Fourth Chamber**, we have, as was mentioned in **Part 12** in this series with regard to the **Third Chamber**, a few Messages that were given by Jesus in late **August, 2000**, which He called a **Primer on the Chambers of the United Hearts**. In this **Primer**, Jesus gives us some basic bullet points summarizing what takes place within the soul in each of the Chambers.

Thus, in everything, the soul who abides in the **Fourth Chamber** searches out and complies with God’s Will, which is Holy Love.

As was mentioned in **Part 12** of this series, besides the **Primer on the Chambers of the United Hearts** which Jesus gave us in **August, 2000**, in **January and February of 2001**, Jesus also dictated a series of Messages in which He revealed what He called the “Secrets” of the Five Chambers of the United Hearts (prior to the revelation of a **Sixth Chamber** in 2003). These Messages were published in a small booklet called, **“The Revelation of Our United Hearts: The Secrets Revealed.”**

In this booklet regarding what occurs in the soul while in the

Regarding what takes place in the **Fourth Chamber**, Jesus tells us in a Message He gave on this **Primer**, on **August 26, 2000**: “*The **Fourth Chamber** of My Heart (sanctification) is:*

- *Conformity with the Divine Will of God;*
- *The soul makes a conscious effort to execute God’s Will in every present moment.”*

Fourth Chamber, on **January 29, 2001**, Jesus reveals the following: “*I have come to describe to you the **Fourth Chamber** of Our United Hearts. This is the Chamber of sanctification. The soul that seeks conformity with the Will of God enters this **Fourth Chamber** after he has successfully surrendered his will to a virtuous life of Holy Love in the present moment. In this, the **Fourth Chamber** of Our United Hearts, there are still two distinct wills - man’s will and the Divine Will. Man’s will can be likened to gelatin in a mold. An effort is being made in this **Fourth Chamber** to overcome every semblance of sin - even small sinful habits - in order to transform the human will into the likeness of the Divine Will. The soul is able to accept all things as from the Hand of God.”*

Jesus explained in a later Message how He realizes the difficulty souls in the world may find living in the **Fourth Chamber** when he (the soul) must accept all things as from the Hand of God. In a Message He gave on **August 12, 2004**, Jesus says: “*I invite all to understand that when you accept all things as from the Hand of God, you are living in God’s Divine Will – the **Fourth Chamber**. Do you see*

this as impossible? Then ask for My assistance for it is I who call you into My Father's Will. The **Fourth Chamber** is like a cloak that protects you from ambiguity, confusion, anger & sadness. Beneath this cloak is My Mother's Mantle of Love. What a sublime place to be – never dissatisfied, ambitious or fearful – wanting only what God offers you in each present moment. Aspire to this.”

In aspiring to sainthood, therefore, it might be good to help us realize what Heaven says regarding holiness and sanctification in this spiritual journey through the Chambers of the United Hearts. In a Message given on **December 9, 2005 – Feast of St. Juan Diego**, St. Thomas Aquinas says: “God is with you. I desire to share further insight with you. There is a difference between being holy and being a saint. The holy person has entered the **First Chamber – the Immaculate Heart of Mary**. He hungers for God, but has many areas of self-love still in his heart. One trap that Satan lays for such a one is the soul's desire to be known as holy. Of course, each soul in the **First Chamber** has unique temptations. He should pray every day that they be shown to him. Only in this way can he be perfected. The **Second and Third Chambers** are the ones that deepen holiness and perfect the soul in Holy Love. As this occurs, his spirit becomes peaceful. As the soul advances to the **Fourth Chamber – Conformity to the Divine Will** – he slowly moves towards sanctification. He thinks

less about how people, places and things affect him. His focus is on the Divine Will of God the Father. There is no fanfare – no outward sign – announcing the soul's personal sanctification. It is between the soul and God. Unless the soul is first holy, he does not desire sanctification with a sincere heart. Many desire to be known as saintly, but few attain this goal in Truth. Sanctity does not come with title, position or vocation, but with simplicity and humility, such as Juan Diego had.”

In this description of the spiritual journey through the Chambers of the United Hearts in which St. Thomas explains the *progression* from holiness to sanctification, he is also helping us to come to a deeper understanding that God has prepared for us not just one level of Heaven (as explained by the **Fourth Chamber** and our reaching sanctification), but also, higher and deeper levels or experiences of Heaven (a **Fifth and Sixth Chamber** of the United Hearts).

In a Message he gave on **April 13, 2005**, St. Thomas Aquinas says: “I have come to explain these truths to you. You understand in your heart that each present moment in each person's life is individual just as each person's life experiences are individual. These present moments will never be repeated in anyone's life. When they pass, they are gone forever. It is how the soul spends the present moment that determines his eternity. Therefore, see that the present moment has eternal effects. If the soul responds

positively to the graces God gives in the present moment and loves God with his whole heart and neighbor as self, he will have a greater reward in Heaven than the soul that wastes the present moment. Now, in a similar way, every soul's eternity is experienced in an individual way. This is how the Highest Heaven is experienced by souls in the **Fourth, Fifth and Sixth Chambers**. The Highest Heaven in the **Fourth Chamber** is experienced in a different way than it is in the **Sixth Chamber**. Say you are listening to a symphony. The symphony is perfect. The musician appreciates it in a much more complete way than the ordinary person. Yet, they both appreciate it to the fullest of their ability. It is the same with Heavenly reward. The soul that is conformed to the Will of God (**Fourth Chamber**) is living in the Highest Heaven possible for him. The soul united to the Will of God (**Fifth Chamber**) or even immersed in the Heart of the Father (**Sixth Chamber**) experiences an even more profound Highest Heaven.”

Jesus further emphasized the importance of what St. Thomas Aquinas had explained in his discussion of a **Fifth and Sixth Chambers** beyond the **Fourth Chamber** of the United Hearts when on **April 16, 2005**, Jesus gave a Message in which He says: “For all time I have held these words in My Most Sacred Heart for you to record. Every present moment is woven into a great tapestry which comprises the soul's eternity. It is the cooperation between the free will of the soul and God's Divine

*Will that determines his eternal reward or punishment, as the case may be. No two souls experience eternity in the same way, just as no two souls ever experience the present moment in the same way. The present moment is the summary of each one's past – his joys, victories, response to temptations and so on. All of this comes to play in the present moment. So then, each one has separate difficulties or ease in responding to grace or to temptations in each present moment. The soul's response – for or against God's Will which is Holy Love – determines his reward or punishment in eternity. Even though My Mercy forgives the repentant heart, if the soul made many poor decisions against love in his life, he will not experience the same Heaven as one who tried always to live in Holy Love. Therefore, understand that no two souls experience eternity in the same way, for no two experience the present moment in the same way. Understand, then, that to be in the **Fourth Chamber** or any of the Chambers in this life or in eternity is a unique experience for each soul."*

This Message Jesus gave can, thus, help us better understand a Message He gave on **February 25, 2007**, in which He explained to us the Complete Image of the United Hearts and the role the Holy Spirit plays in our lives in helping guide us in our spiritual journey of holiness and sanctification through the Chambers. In that Message, Jesus says: "My Father has revealed to the world that the Light surrounding Our United

*Hearts is, in fact, the Holy Spirit Who inspires and enlightens souls to come into Holy and Divine Love, and to pursue only the Will of My Father. The Holy Spirit desires that when a soul enters Our Hearts, he be held captive, so to speak, always desiring a deeper Chamber, a greater understanding of this mystery and deeper union with the Divine Will. While it is only necessary that souls conform with My Father's Will in order to reach Paradise, each one is being drawn into complete immersion in the Father's Will from his first step into Holy Love. So, understand in your spirit that the **Fourth Chamber** is the last Chamber necessary for entrance into Heaven; but because My Father loves each soul He created so deeply, He offers even more. He offers the highest Heaven – immersion in His Divine Will [**Sixth Chamber**]. Further, I caution, human reason and intelligence will not help you understand the mystery of this Revelation of Our United Hearts. You must pray for truthful discernment and wisdom, which can come to you only from the Holy Spirit."*

St. Thomas Aquinas further elaborated on this Message from Jesus later when, on **July 27, 2007**, he gave a Message in which he says: "Today, Jesus sends me to further help you understand the spiritual journey through the Chambers of the United Hearts. The Father and the Son are the only Ones Who can determine what Chamber the soul is interacting with in any given moment. The Truth is that in any present moment,

*the soul may be interacting with more than one Chamber. He may be increasing in virtue [**Third Chamber**], while at the same time being purged of some fault [**First Chamber**], which is contrary to the same virtue. All the strengths of the **First, Second, Third and Fourth Chambers** unite in the **Fifth and Sixth Chambers**. Very often the soul may be cooperating and advancing in many Chambers at once. The truly humble soul does not see himself of even being worthy of the **First Chamber**, however. As I tell you this, realize that the spiritual journey is multifaceted. What determines each one's depth of holiness is the amount of Holy Love in his heart in every given present moment."*

Realizing that there are **Fifth and Sixth Chambers** that go deeper within the **Fourth Chamber** of Jesus' Sacred Heart, then, the soul must understand how he may be disposed to experience these deeper levels of intimacy with the Divine Will. On **July 11, 2008**, St. Thomas Aquinas gave a Message which provides the key of how the soul may do so as he says: "When you pray, ask Jesus for the grace of loving God's Divine Will. This is how to come into union with the Father's Divine Will [**Fifth Chamber**]. Those in the **Fourth Chamber**, those conformed to the Divine Will, are accepting of the Father's Will, but they have not come into the realm of loving all that He permits and ordains. In order to love God's Will, the soul needs to be deep into trust of the Divine Provision. This trust is built on love, humility and perseverance.

When you ask to go deeper into the Chambers, then, Jesus is unable to refuse you.”

A few days later, on **July 15, 2008**, St. Thomas Aquinas gave another Message in which he pointed out two obstacles that prevent the soul from going deeper within the **Fourth Chamber** and may even cause the soul to slip out of that Chamber, as he says: “I have come to help you see that in order for the soul to make progress in his journey through the Chambers, he must leave behind anxiety and unforgiveness. These two things alone cause more souls to slip out of the Fourth Chamber where they are desperately trying to accept and conform to the Divine Will. If the soul should reach unity with the Divine Will, (the **Fifth Chamber**), he is less likely to succumb to anxiety and/or unforgiveness, for he is now falling in love with the Father’s Will, which comes into his heart as trust. In the **Sixth Chamber**, which is immersion in the Father’s Will, the soul does not succumb to any bad fruit spawned from lack of trust.”

The key, therefore, to reaching the **Fifth Chamber** and going further is trust – more specifically, trustful surrender, just as it is in the other Chambers. Jesus explains this in a Message on **August 20, 2001**, Jesus says: “The innermost depths of My Heart are only attainable through trust. The reason so few souls are admitted to the **Fifth Chamber** of My Heart – that is, union with the Divine Will – is that in some small way they

fail in trust. They may perfectly conform to the Will of God in every way possible and reside in the **Fourth Chamber** of My Heart, but in the end there is some area of their lives they have failed to surrender to Me. I reserve this Final Chamber for the ones who are resigned to accept everything as from My Father’s Hand. These souls do not struggle against God’s Will, but accept what comes, waiting to see what good will come from each situation. (**Read Romans Ch. 8**)”

We finish this discussion of the spirituality of the **Fourth Chamber** of the United Hearts (**Conformity with the Divine Will – Sanctification**) with a Message given by Jesus that will lead us into the next part, **Part 15** of this series, “**Making the Spiritual Journey**,” in which we will focus our attention on the United Hearts Revelation Messages that reveal the deeper spiritual nature of the **Fifth Chamber**, (also known as **Union with the Divine Will**.) In this Message given by Jesus on **April 10, 2000**, He says: “The Chambers of My Heart are a progression in surrender to the

Divine Will. There are the **Four Chambers** of My Heart. But, and this is what I desire that you understand, there is also a **Fifth Chamber**. The **Fifth Chamber** of My Heart is secretly hidden within the Fourth Chamber. It is the Kingdom of the Divine Will within your own heart. It needs to be discovered by the soul as he dwells within the **Fourth Chamber**. Some souls in the **Fourth Chamber** do not discover this inner Kingdom, which is My Heart within them. Though they are in union with the Divine Will, this discovery of the **Fifth Chamber** remains elusive. The souls who do discover My Kingdom within them are already in the New Jerusalem. The **Fifth Chamber**, then, is not your heart moving deeper into My Heart, but the discovery of My Heart within your own.”

In **Part 15**, we will explore more deeply the Holy Love Messages Heaven has given revealing how we may attain this spiritual **union with the Divine Will** every present moment in this spiritual journey and what this may mean for us in attaining our eternal heavenly goal of union with God. ■

Apply Each Message to Your Own Journey

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, when I come to you, as I am now doing, and imparting to you a Message, take the Message into your hearts; apply it to your own holiness and journey through the Chambers of Our United Hearts. It is in this way, the heart of the world can be transformed.”

“Tonight, I’m imparting to you My Blessing of Divine Love.”

The Rosary of the Unborn™ Touches Hearts

At the 41st Annual March for Life

“Every Life is a Gift” was the special theme chosen for this year’s **41st Annual March for Life**, which took place on January 22, 2015 – our nation’s 42nd Anniversary of *Roe v. Wade*. We were blessed to participate both as marchers and as exhibitors for the Rosary of the Unborn, which touched the hearts of thousands attending the **March**.

The **March for Life** is an annual pro-life rally protesting abortion, held in Washington, D.C., on or around the anniversary of the 1973 landmark decision by the United States Supreme Court legalizing abortion in the case of *Roe v. Wade*. This year’s theme was chosen to focus on preborn babies who are diagnosed in the womb with a fetal abnormality. While the national abortion average is approximately 20%, the abortion average for these precious little ones is approximately 85%. With abortions such as these, combined with the staggering number of abortions performed worldwide overall, it is clearly evident that the Rosary of the Unborn is needed now more than ever.

Our Lady gave the world the Rosary of the Unborn on October 7, 1997 – the Feast of the Holy Rosary – as the weapon to overcome the evil of abortion. Our Lady appeared to the American visionary, Maureen Sweeney-Kyle (from Maranatha Spring and Shrine in North Ridgeville, OH), who was asked to make the rosary a reality and then propagate it. Production began in 2001 and the Rosary of the Unborn has since spread throughout the world.

Special graces have been promised to those who pray the Rosary of the Unborn. On July 2, 2001, Blessed Mother promised that

each ‘*Hail Mary*’ prayed from a loving heart on these beads will rescue one unborn baby from death by abortion; and on August 3, 2001, Jesus promised that each ‘*Our Father*’ will assuage His grieving Heart and will withhold the Arm of Justice. Jesus further promised that every Rosary prayed from the heart to its completion on these beads will mitigate God’s punishment for the sin of abortion – both for each individual taking part in this sin and for the world embracing it.

We had been preparing for weeks to do our part in propagating this special rosary at the **March**. When we arrived in Washington, D.C., we set up our exhibit for the Rosary of the Unborn at the Expo Hall in the Renaissance Hotel in downtown D.C. The Expo Hall provides an opportunity for **March for Life** attendees to connect with pro-life organizations and ministries and for pro-life organizations to share information about their pro-life work.

Busloads of people began to arrive as the city prepared for the **March**: the students from high school to college to seminaries; people from across the United States as well as France, Italy, Spain, Germany, Brazil, Korea; the religious – Anglicans, Jews, the Orthodox – even a few atheists joined in the **March**; the mothers who bravely

carried signs that read, “*I regret my abortion.*” Over 600,000+ people strong from all walks of life converged on our nation’s capital to form a never-ending sea of people with waves of signs, banners, and flags.

God blessed the day with perfect weather to march up Constitution Avenue to Congressional and Senate Offices and to the Supreme Court. How ironic it was that hundreds of thousands marched on a very long street named for the Constitution of the United States – a document that gave every human being ‘certain unalienable rights’ – protesting the unlawful taking of the right to life in the womb.

During the **March**, we carried a poster of the Rosary of the Unborn. We were amazed at the number of people who came up to us after seeing the poster and said, “*Hey, I have one of those!*” and gave a thumbs up.

We came upon a bend on Constitution Avenue and suddenly there was silence. No cheering, no chanting, no talking. All we could hear was the movement of hundreds of feet walking on the street. As we turned the bend, we came upon a truck and a large video screen that showed photos of aborted babies. There was complete silence.

We approached Capitol Hill and turned for the long walk back to the Expo Hall to complete our duties at the Rosary of the Unborn table. People from Brazil, Korea, the Virgin Islands, Malta, busloads of students and more, purchased or received the information on the Rosary of the Unborn. We gave away 2000 Rosary of the Unborn finger cards that have the same graces attached to the

Blessed Mother says: "Praise be to Jesus."

"Today, dear children, I come to you with sadness as we commemorate the dreadful decision by your country to legalize abortion. How distorted this view which gives unjust rights to mothers and none to the children in the womb. God has given man every form of technology with which to determine that life does indeed begin at conception. But, mankind believes in Satan's lies instead of the Truth."

"You have chosen to abort sound leadership, righteous leadership. You have aborted those who would have been priests, Bishops, Cardinals and even a Pope. You have killed in the womb those, who long ago, would have found cures for cancer, aids and many genetic disorders. You have done this all in the name of freedom."

"Abortion, more than any other sin, calls upon God's justice. If mankind would acknowledge his mistake and reverse this horrendous decision, God would mitigate His Justice. As it is, the world and all who inhabit it, stand to lose much."

"Those of you who believe in all I say to you must work diligently towards recognition of the Truth. Do not be confounded by public opinion. Do not concern yourselves with your reputation amongst those who oppose life. Consider only the lives of these little ones waiting to be born."

"I pray that every effort to preserve life in the womb will be successful in the face of man's arrogant indifference." ■

"I am your Jesus, born Incarnate."

"From the Cross I saw the evils of this present day, the greatest of which is abortion. I saw the selfishness that would overtake the heart of the world and the confusion in hearts between good and evil. I suffered under the Crown of Thorns for the mockery of those who choose good."

"I suffered, as I still suffer today, for the abuse of authority and the compromise of Truth. How long must I suffer until Truth is recognized?" ■

January 23, 2015

"I am your Jesus, born Incarnate."

"The day of demonstrations against abortion is over, and yet abortion continues to take innocent lives. Every present moment bears witness to abortion somewhere around the world. Every abortion pulls the heart of the world farther away from the Heart of God and His Divine Will. Every abortion makes the world more responsible to Divine Justice."

"Do not think that because life seems to go on as usual that I do not take notice of every evil attitude which is accepted as Truth. Every soul has the responsibility to find My Truth in every situation. This is especially true in regards to abortion and sodomy."

"No one can be made new in My Image unless he searches out and lives according to My Truth." ■

2015 MARCH FOR LIFE

41st Annual March for Life

(Continued from page 14.)

Rosary of the Unborn. They could not stop thanking us. (See cover photo.)

The 41st Annual March for Life was over and our work as exhibitors of the Rosary of the Unborn had come

to an end. As we headed home, lost in the quiet of our thoughts of all we had just experienced, we hoped and prayed that the 2015 March for Life had made an impact on legislators who could change the laws to protect the unborn.

Every life IS a gift! Defend life in the womb with the Rosary of the Unborn. ■

A Rosary Mystery in the Land Down Under

Tom was visiting from Australia. He was by himself, strolling around the Exhibit Hall. As he walked by the table, he noticed the Rosary of the Unborn on display and stopped dead in his tracks. He said, "May I ask just what is this rosary?" When we explained the Rosary of the Unborn to him, he said, "This is amazing – just amazing!" and then told us his story.

Tom was 'tidying up' his parish in Australia. He was sitting on a couch and as he put his hand down the side of the cushion, he felt something. His fingers grabbed the item and pulled it from the couch. It was a single-decade rosary with these little babies inside. For the longest time he didn't know what kind of rosary it was, nor whom it could have belonged to, so he hung up the rosary, waiting for someone to claim it. For many weeks no one came forward, so he kept it. He also wondered why and how he came to obtain this unusual rosary.

He was so excited to know the history of the Rosary of the Unborn, but more exciting was that Our Lady drew Tom to our exhibit table. Thrilled to know the mystery of his rosary had been solved, he could not wait to return to Australia to tell his friends about the rosary and went on his way with a new 5-decade Rosary of the Unborn in his hands. ■

A Mother Makes Reparation for Multiple Abortions

Mary Ann, whom we met at our exhibit table, shared with us that she liked to purchase Rosaries of the Unborn and give them away. She wanted to help save babies from being aborted. She knew about the graces attached to this particular rosary. She talked about God and His forgiveness and the shame she felt because she had five abortions starting at age 17. She became a spokesperson for **Silent No More**, the pro-life organization where women who have had abortions courageously speak out about their own circumstances to help other women. She was healed within her spirit through **Silent No More** and **Priests for Life**. She told us that she named her children and told us the names of her babies. ■
