## **An Ecumenical Ministry and Shrine**

### **"No Truth Opposes Holy Love"**

**Holy Love Ministries** is an Ecumenical Ministry and Shrine. Through this Ecumenical Mission, and the Holy Love Messages, Heaven is calling all people and all nations to pursue personal holiness through Holy and Divine Love.

Holy Love is – The Two Great Commandments of Love – to love God above all else and to love neighbor as self. It is the Father's Divine Will, the fulfillment of the Gospel Message, and the embodiment of the Ten Commandments.

The Holy Love Messages are given through the Visionary, Maureen Sweeney-Kyle. The visions, apparitions and messages began in 1985. Since that time, Jesus, Blessed Mother, and many saints have been appearing to her on an almost daily basis. These Messages are given to all people and all nations in an ecumenical effort to unite in love.

The following excerpts from Messages give clarity to the purpose and focus of the Mission.

*"The impact of this Mission is meant to change hearts – to turn hearts towards their conversion through these Messages of Holy Love – and the many supernatural graces abundant and evidenced here. The Mission is here in this present time to effect conversion of whole generations, nations and ideologies."* (Our Lady of Sorrows – September 15, 2011/Midnight Service)

*"This Ministry, the property and the Messages, will remain a source of inspiration, grace and peace for all to partake of. All are called to come and do so. Surrender to this loving invitation."* (St. Catherine of Siena – January 20, 2012)

*"The whole and entire reason for this Mission is to empty hearts of all that impedes Holy Love, and thus to allow Holy and Divine Love to reign in every heart; but Holy Love cannot reign in hearts given over to diversity. Hearts which place every kind of concern over Holy Love do not leave room for Truth."* (Jesus – January 17, 2012) ■

**WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.**

## The Heart of the Family

December 6, 2015

7 p.m. Sunday Service - Consecration of the  
Heart of the World to the United Hearts;  
Unity in Families and World Peace

St. Joseph is here and he is holding the  
Baby Jesus. Jesus says: "I am your Jesus, born  
Incarnate." St. Joseph says: "Praise be to Jesus."

St. Joseph continues and says: "The heart  
of the world can only change if the heart of the  
family changes and is based on Holy Love. When  
the family is founded on Holy Love, so too is  
the community. A healthy, spiritually well-bred  
community leads to good leaders and healthy  
nations which abide in Holy Love.

Tonight, I'm extending to you my Fatherly  
Blessing."

# The FEAST of the MOST HO

## 3 p.m. Service at the United Hearts Shrine

(This Message was given in multiple parts over several days.)

Our Lady comes as Our Lady of Fatima and is surrounded by the Rosary of the Unborn. She says: "Praise be to Jesus."

"Dear children, thank you for answering My call to come here on the Feast of the Holy Rosary. If I could summarize the thirty years of Messages given this visionary, I would say they are all contained in the rosary. Every mystery is a reflection of Holy Love. The rosary is the anchor of the Remnant Faithful amidst a sea of lies and confusion. Entrust the faith of your hearts to Me, the Protectress of your faith, and do not be misled by those who do not know Me."

"Dear children, every rosary you pray from the heart is Heaven's weapon of mass destruction against evil. The evils of the day demand your attentive prayers, your aggressive prayers. Do not allow Satan to discourage you by way

of hopelessness."

"The world without your prayers would be the definition of hopelessness. Evil would prevail in every heart. These days there are whole areas of the world where this is so. The news is filled with every sort of evil plot and action on the part of individuals and certain groups. These cannot be explained away in any manner except to acknowledge Satan's influence over hearts. These events must encourage your prayers, not discourage them."

"Dear children, God has given you some good leaders, but their voices have been overpowered by the din of liberals. Many who are now in leadership roles are only politically motivated and do not lead towards the welfare of the world. This generation has been given the gift - the weapon - of the Rosary of the Unborn. Use it to defeat the evil that politics has put in place. It is your lifeline between free will and God's Divine Will. Do not allow the issue of the sale of body parts from unborn children to quiet down. This is a glimpse into the reality of the evil of abortion."

"Through the prayers of the rosary every evil

# HOLY ROSARY – October 7, 2015

that threatens life as you know it can be defeated.

The rosary can expose the evil that is in hearts before it spills out into the world. A devotion to the holy rosary is a special sign of predestination."

"Dear little children, you do not realize the threat of evil all around you. You do not realize how much I need your prayers. Please join Me in the destruction of Satan's plans which begin by presenting good as evil and evil as good, and end in the condemnation of every soul. Devote the rest of your lives to Satan's defeat by praying the rosary."

"Solemnly, I tell you that within certain hearts there is the desire to create a New World Order, a One World Government, even a One World Religion. I have come to you today to plead for another common agenda - one of world prayer that evil is recognized and exposed. In a combined world prayer effort through the holy rosary, this can be accomplished. Only by recognizing evil can Truth be victorious."

"Let your rosaries unite and encircle the globe. Never tire of giving Me one more 'Hail Mary' towards this cause. I am asking the holy souls in

Purgatory to support you in this prayer effort."

"Today, on the Feast of the Most Holy Rosary, I come to you with Heaven's global call to arms. Yes, dear children, arm yourselves with the rosary - a simple but effective solution to earth's woes. Each one of you has been chosen to receive this call and to act upon it. This is a globalization not designed to hand over power to a few, but to all who will pray the rosary from a heart of Holy Love."

"It is my joy to be with you today and to tell you that I am taking all of your petitions into My Immaculate Heart to present them to My Son in Heaven. If you are living in Holy Love, dear children, you will find it easy to be united through the rosary, and this campaign to make the rosary a global weapon will be successful. Fear nothing but trust in God's grace."

# Global Rosary Campaign for Discernment

■ **October 7, 2015 / Feast of the Most Holy Rosary.** Our Lady of Fatima says: "...Today, on the Feast of the Most Holy Rosary, I come to you with Heaven's global call to arms. Yes, dear children, arm yourselves with the rosary - a simple but effective solution to earth's woes. Each one of you has been chosen to receive this call and to act upon it. This is a globalization not designed to hand over power to a few, but to all who will pray the rosary from a heart of Holy Love."

"It is my joy to be with you today and to tell you that I am taking all of your petitions into My Immaculate Heart to present them to My Son in Heaven. If you are living in Holy Love, dear children, you will find it easy to be united through the rosary, and this campaign to make the rosary a global weapon will be successful. Fear nothing but trust in God's grace."

■ **October 8, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, I come, as always, to bring you the Truth. Thank you for your perseverance in faith. We must not allow the Flame of Truth to be extinguished by unbelievers. The Global Rosary is Heaven's Divine plan to bring the Light of Truth to all people and all nations. Thus, you would all be united through the rosary in the Truth of Holy Love and together in My Immaculate Heart."

"This effort is so necessary today when Satan tries to divide you with his lies and hidden agendas. The soul who cannot

distinguish good from evil is easy prey to be led astray; thus, the effort of the Global Rosary in support of the Truth. This effort can change the future."

"Pray the rosary daily for discernment of good versus evil. This is the effort which will free souls from the grasp of deception."

"Dear children, the power to receive this gift of discerning good from evil rests in your hands in the rosary."

■ **October 8, 2015.** Our Lady comes as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"My daughter, I know when your heart is disquieted. You are asking if people can receive discernment through the prayer of the rosary, why do you need the Seal of Discernment and the Blessing of Truth. These two gifts which are given at the property here strengthen discernment which has already been granted through the rosary. There are certain preconditions to receiving discernment through the rosary. First, the rosary must be prayed from the heart. Next, the Commandments of Love - Holy Love - must be the Light of Truth which helps the soul to see what is evil. Thirdly, the soul must be open to the Truth and not judge according to preconceived self-interests or opinions."

"There is so much confusion in the world today that Jesus allows that the Global Rosary be used to dispel error and shed light on the difference between good and evil. It is not always possible to receive the strengthening of the Seal and the Blessing given here as a

strength. However, anyone can pray the rosary as I have instructed from any area of the world."

"Use the rosary as your light in darkness."

■ **October 9, 2015.** St. Thomas Aquinas says: "Praise be to Jesus."

"This is an important endeavor - this Global Rosary for Discernment. The soul that cannot distinguish good from evil is in great peril. This is the way Satan overpowers souls - by making good look evil and evil to appear good. This is how he takes over the hearts of politicians, leaders within Church circles, and how he influences the media."

"Through this effort - the Global Rosary for Discernment - souls will begin to see how they are being misled. The rosary, remember, puts power in the hands of those who pray it - not just recite it. Allow yourselves to be empowered through the rosary. It is Heaven's solution to lukewarmness and complacency of spirit. Just as God has a plan for every soul and for the world at large, so does Satan. This is why the Global Rosary for Discernment is so important."

■ **October 9, 2015 / Friday Service.** Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, study the messages over the last couple of days, beginning on the Feast of the Most Holy Rosary (October 7th). Commit to doing everything you can to propagate the Global Rosary for Discernment. Ask the angels to assist you. I, Myself, will bless your efforts."

"I'm blessing you now with My Blessing of Divine Love." ■

# The FEAST of OUR LADY of

## 3 p.m. Service at the United Hearts Shrine

*(This Message was given in multiple parts over several days.)*

Our Lady comes as Our Lady of Guadalupe. She says: "Praise be to Jesus."

"I come once again on My Feast Day of Guadalupe just as I did in ages past. I come to lift the fog of confusion from the heart of the world and to help mankind to respond to God's Dominion over him. During these times, Jesus holds those who worship false gods more responsible for their errors than He did with the pagans of the past, for all are privy to the Truth so easily through modern technology. Therefore, ignorance of the Truth is not a vindication."

"Acts of terror in the world today are paralleled by terror in the womb. Both of these forms of violence are the free will choices of peril for all of mankind."

She is now holding the Mournful Heart of Her Son. "My Son's Heart mourns beyond comprehension the abuse of leadership in the world today. Leaders have departed from

the Truth of the Commandments and are promoting false concepts and concerns not of God. Yet My visits here and warnings go unheeded."

"Dear children, you must set your priorities in order. While you are concerned with weather patterns, the moral climate in the world is deteriorating rapidly. You are worried about the borders of your country being secure. This deserves your attention. But you must secure the boundaries of your hearts in choosing good over evil. If you cannot do so, the Truth will escape your grasp and your hearts will be invaded by evil."

"If the moral climate is reversed, you will see many graces poured into the world - graces I long to pour into your hearts and your lives."

"Dear children, make no mistake, the collapse of Truth in hearts means the intrusion of compromise. Remember, evil is often disguised as good. This is often accomplished in the words used to present evil as good. Mercy is not mercy if it redefines sin as good. Mercy forgives sin but

never approves of sin. Mercy never encourages the ongoing commitment to sin."

"In the Catholic world, the 'state of grace' is still and must be the prerequisite for reception of the Blessed Sacrament. This cannot be changed to accommodate mankind."

"In the world today, there are two opposing schools of thought - one liberal, the other conservative. These conflicting views reach right into families, church and world politics and education. The liberals accept whatever suits their agenda. The conservatives are guided by God's Will, even when it opposes what they want."

"You will see these two opposing sides even more clearly defined in the future. My Remnant Faithful need to stand courageously for the Truth of

good as opposed to evil."

"Dear children, when I appeared to St. Juan Diego, I left an image on his tilma - an image still present to this day. The imagery was symbolic to the pagan Aztecs who could neither read nor write. Thousands upon seeing it

were converted."

"Today, I leave you My own words, patiently recorded by this messenger. It is all in black and white to be read and reread. Yet most have little time or motivation to read what I come to impart to the world. Some not only disbelieve, they oppose Me. What a commentary on the lack of simplicity in the heart of the world today."

"But Heaven does not give up so easily when the salvation of souls is at stake. The favor of Heaven touching earth will continue here despite opposition, calumnies and detraction. Pray for unbelievers who do not recognize the grace they are rejecting."

"Dear children, I have come once again to relieve you of your burdens. I will take all of your petitions both great and small back to Heaven with Me."

"Do not fear for anything. I am always with you protecting you. I am your Mother."

"I'm praying now that all your worries and concerns become little. Today I'm blessing you with My Blessing of Holy Love." ■

# Part 16 - Making the Spiritual Journey

## Fifth Chamber of the United Hearts: Union with the Divine Will (Part 2)

Continuing our discussion on the spirituality of the **Fifth Chamber of the United Hearts: Union with the Divine Will**, we had ended **Part 15** with a Monthly Message to All People and Every Nation Jesus gave on **February 5, 2004**, in which He emphasized the absolute necessity of souls, (by their free will), to allow the *Kingdom of God* to reign in their hearts and for those souls to embrace the **Fifth Chamber** of the Sacred Heart in order for the *Reign of the Kingdom of God* and the *Triumph of the United Hearts* to take place in the heart of the world. Jesus stated that souls allowing "...the **Fifth Chamber** to consume your heart and your heart to embrace the **Fifth Chamber** (union with Divine Will)...yields a blow to Satan that he cannot recover from." Given almost 12 years ago, this remains an encouraging Message to the Remnant Faithful even today (in 2015) from the vantage point of the amount of evil that lies within

the hearts of so many in the world is being exposed to or revealed by the *Light of Truth*, the Holy Spirit. As Jesus had stated: "This is part of My Victory. I must take up My Reign in hearts before My Triumph can come into the world. For this reason I tell you, do not forsake the Message of Holy Love. Allow your

hearts to be convicted in love and humility. It is in this way My Reign will begin within you. Let nothing stand between us – not affairs in the world, worry for the future or any flaw in virtue. Allow the **Fifth Chamber** to consume your heart and your heart to embrace the *Fifth Chamber* (union with Divine Will)."

As far as can be determined from what Jesus tells us, there seems to be a complementary exchange of possession of love between the Divine Will and the human will that takes place when a soul *trustfully surrenders* everything to the Divine Will, which results in a *union* or *unity* of the two into one; and it is at that point the soul discovers the *Kingdom of God* residing in his heart. Jesus discusses this in a Message given on **October 18, 2000**, in which He says: "Everything you need will be given you; but the center of your being needs to be given to Me. Only then will you find true peace. Only then

through union with the Divine Will shall you discover the Kingdom of God within. When the Will of My Father consumes your heart then shall you partake and share the Kingdom of His Will – the **Fifth Chamber**. Today you see the beauty of His Will all around you in the autumn colors. If His beauty in nature is such, consider the ultimate beauty He desires to share with each soul – the beauty of the Kingdom of His Will. Such depth of beauty cannot be painted in nature nor replicated by any artist, for it is Divine – Divine Love. You cannot know the brilliance of this Love until you possess it and it possesses you."

In order for the soul to experience this *depth of beauty* that is Divine Love (the Kingdom of God residing within the heart), he must first realize his own responsibility in his salvation, which Jesus talks about in a Message given on **May 23, 2000**, in which He says: "I have come to help you understand the *gratuity* of My Heart lies forsaken until the soul realizes his own responsibility in his salvation. For every Chamber that the soul enters in My Heart of Hearts is opened only by the efforts the soul makes in opening the matching chamber in his own heart. Just as My Heart holds Five Chambers, each soul has a coordinating chamber in his own heart. He opens the door to the chamber of his own heart

first by further surrender of his own will to the Divine Will. When proper abnegation has been accomplished the next Chamber of My Sacred Heart opens. In finality, **the Fifth Chamber** of My Heart, the Chamber where the human will and Divine Will are one, the soul recognizes that all along the Kingdom of God dwells within."

Notice it is only when the soul experiences the *unity* or *union* that is the **Fifth Chamber of the United Hearts** that he recognizes how the Kingdom of God dwells *within* his heart for the Kingdom of God is the Kingdom or Reign of the Divine Will of the Father. This recognition by the soul and its *union* with the Kingdom of the Divine Will are some of the factors or characteristics of spirituality that *distinguish* and *separate* the **Fourth Chamber of the United Hearts** from the smaller **Fifth Chamber** which lies deeper within.

In a few Messages given in late **April** and early **May of 2000**, these distinguishing factors which also *revealed* the basic spirituality of the souls that come into the **Fifth Chamber** were provided in greater detail. In a Message given on **April 12, 2000**, Jesus says: "My sister, you ponder the **Fifth Chamber**. It is the smallest, most elite Chamber comprised of the most humble and loving souls. The souls that dwell herein are part of My Heart. They no longer are part of the world, but I am in them. They only exist to accomplish the Father's Will. Such as these give to Me every present moment. They disappear only to be replaced by the Will of My Father."

Then, in a Message given on **April 17, 2000**, Jesus says: "I have

come to help you understand the depth of the **Fourth Chamber** of My Heart. Within this Chamber is an inner sanctum – some may term it a **Fifth Chamber**, which few souls have entered from the beginning of time. The hearts that enter this sanctuary never think of self. Their will is completely annihilated and the Divine Will of My Father reigns Supreme. The Will of God is the height and breadth, indeed the substance of this sanctuary of peace, as is every soul admitted. Say that the soul is a snowflake. It is created by God and comes into being in the world. It falls as an individual flake, but as it reaches earth unites with many, losing its individuality in a snowdrift. In the spiritual life the soul is created, has its own will, but unites to the Will of God. The journey of our snowflake continues. It evaporates and returns to the heavens. Thus in the spiritual realm, the soul loses itself and becomes one with My Father in Heaven. Each soul is capable of this journey, but few there are that choose it."

Jesus further describes the spiritual nature of the Kingdom of the Divine Will, which is the **Fifth Chamber**, in a Message given on **April 26, 2000**, in which He says: "How can I explain the **Fifth Most Intimate Chamber** of My Heart? In this Chamber the soul exists and is completely absorbed in the Divine Will. The person no longer lives, but the Will of God lives through him. He accepts everything as from the Hand of My Father, knowing everything is a grace and all things turn to the good of his salvation. Every virtue has been fine-tuned. The Kingdom of the Divine Will reigns

within his heart. This Kingdom is the Triumph of Our United Hearts! It is like food which is assimilated and disappears. It becomes part of the body. This is what the Kingdom of the Divine Will is like. This is the **Fifth Chamber of My Most Sacred Heart**."

Providing us with these varying descriptions of the spiritual nature of the **Fifth Chamber of the United Hearts**, Jesus went on to say in a Message He gave on **May 3, 2000**: "The principal difference between the Fourth and Fifth Chambers of My Heart is the difference between conformity and union. Conformity to the Divine Will implies there are still two entities. One who seeks to imitate God's Will is making himself conform. In the **Fifth Chamber**, however, there is no more effort, but the two wills (human and Divine) are united as one. There is no more effort to be as one, for in perfect union there is only one entity."

In a Message he gave on **February 14, 2004**, St. Thomas Aquinas further explained this difference between *conformity* (**Fourth Chamber**) and *union* (**Fifth Chamber**) in terms of the progression from being conformed to the Divine Will toward being *in union* with the Divine Will, so much so that the soul discovers the Father's Divine Will *within* his own heart. Thus, St. Thomas says: "Child, sequester your heart in the Divine Will of the Eternal Father. At first this may take a profound effort as you struggle to conform your free will with the Divine. But as you grow more and more united to the Divine Will, the flame of conformity in your own heart will grow bigger and brighter until at last you need no effort at all – there is union!"

Then discover within your own heart the Will of the Father. This is the **Fifth Chamber**." As we saw in **Part 13** of this series in discussing the **Fourth Chamber of the United Hearts**, St. Thomas gave a Message on **July 24, 2002**, at the end of which he said that the final goal of the soul is to be always living in unity with God's Will every present moment.

As we have seen in previous parts of this series, St. Anthony of Padua had described in a Message given on **May 20, 2000**, five steps the soul takes in proceeding along the way of salvation toward the goal of unity with God's Will. Four of these steps were already

discussed here:

**Step 1: Salvation**, in **Part 10**;  
**Step 2: Holiness** in **Part 11**;  
**Step 3: Perfection** in **Part 12**;  
**Step 4: Sanctification** in **Part 13** of this series.

In **Step 5**, (the last step) which he calls **Union with the Divine Will**, St. Anthony says: "Few reach this inner sanctum of Our Lord's Heart. There is now only one entity. Self is no longer present. The soul is one with God and His Divine Will. This is the New Jerusalem." This last step – **Step 5** – **is the Fifth Chamber of the United Hearts** as St. Thomas Aquinas had said above.

This description by St. Anthony of what is essentially the **Fifth**

**Chamber** was reiterated by the visionary in a talk she gave on **May 10, 2003** at a conference in Maine in which she said, "Some souls (in the **Fourth Chamber**) comply with the Divine Will with such ardor and depth that Jesus draws them into the **Fifth Chamber** of His Sacred Heart which is union with the Divine Will. In the **Fifth Chamber** is but one Will. The human will becomes one – united with the Divine. Few reach the depth of this union, but it remains an eternal goal. In Heaven, all the souls that are in the **Fifth Chamber** live out most perfectly the Will of God." ■
