## **An Ecumenical Ministry and Shrine** **"No Truth Opposes Holy Love"**

**Holy Love Ministries** is an Ecumenical Ministry and Shrine. Through this Ecumenical Mission, and the Holy Love Messages, Heaven is calling all people and all nations to pursue personal holiness through Holy and Divine Love.

Holy Love is – The Two Great Commandments of Love – to love God above all else and to love neighbor as self. It is the Father's Divine Will, the fulfillment of the Gospel Message, and the embodiment of the Ten Commandments.

The Holy Love Messages are given through the Visionary, Maureen Sweeney-Kyle. The visions, apparitions and messages began in 1985. Since that time, Jesus, Blessed Mother, and many saints have been appearing to her on an almost daily basis. These Messages are given to all people and all nations in an ecumenical effort to unite in love.

The following excerpts from Messages give clarity to the purpose and focus of the Mission.

*"The impact of this Mission is meant to change hearts – to turn hearts towards their conversion through these Messages of Holy Love – and the many supernatural graces abundant and evidenced here. The Mission is here in this present time to effect conversion of whole generations, nations and ideologies."* (Our Lady of Sorrows – September 15, 2011/Midnight Service)

*"This Ministry, the property and the Messages, will remain a source of inspiration, grace and peace for all to partake of. All are called to come and do so. Surrender to this loving invitation."* (St. Catherine of Siena – January 20, 2012)

*"The whole and entire reason for this Mission is to empty hearts of all that impedes Holy Love, and thus to allow Holy and Divine Love to reign in every heart; but Holy Love cannot reign in hearts given over to diversity. Hearts which place every kind of concern over Holy Love do not leave room for Truth."* (Jesus – January 17, 2012) ■

**WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.**

**All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.**

## THE POWER OF ONE

**The 44<sup>th</sup> Annual March for Life was held in Washington, D.C. on Friday, January 27, 2017**, just one week after the inauguration of pro-life President Donald Trump. An historic line-up of pro-life speakers fired up the jubilant crowd. From beginning to end, this year's March for Life was a stunning tribute to protecting the life of the unborn, with the massive crowd marching peacefully through the streets of Washington, D.C.

The March for Life is an annual rally protesting abortion. It is held in Washington, D.C. on or around the January 22<sup>nd</sup> anniversary of the 1973 U. S. Supreme Court's landmark decision legalizing abortion in the case of *Roe v. Wade*. The March, whose stated mission is "to provide all Americans with a place to testify to the beauty of life and the dignity of each human person," advocates in overturning *Roe v.*

*Wade*. It is organized by the March for Life Education and Defense Fund.

As in years past, the Rosary of the Unborn was exhibited at the Expo Center in the Renaissance Hotel in Washington, D.C. Our Lady gave this special rosary to the world on October 7, 1997 – the Feast of the Holy Rosary – as the weapon to overcome the evil of abortion. Our Lady appeared to the visionary, Maureen Sweeney-Kyle (from Maranatha Spring and Shrine in North Ridgeville, Ohio), and asked her to make the rosary and then propagate it. Production began in 2001 and the Rosary of the Unborn has since spread throughout the world. Special graces have been promised to those who pray the Rosary of the Unborn.

The exhibitors for the Rosary of the Unborn shared this about their experience at the March:

*- March for Life 2017 -*

## Exhilarating – Exciting – Electric

The theme for this year's March was **'THE POWER OF ONE'** – the idea "that one person can make a difference in the world and that babies that are aborted don't have the chance to do so." This could also be the theme for the Rosary of the Unborn – **'THE POWER OF ONE HAIL MARY'**. As Our Lady promised on July 2, 2001, *"Each Hail Mary prayed from a loving heart on these beads will rescue one unborn baby from death by abortion."*

Just one *Hail Mary* prayed on this rosary has the power to stop an abortion somewhere in the world. Whether it's on this continent or another continent, somewhere, **'THE POWER OF ONE HAIL MARY'** is penetrating a mother's heart and giving that child a chance at life.

During our entire stay in Washington, joy permeated the atmosphere, whether at home base in the Expo Center in the Renaissance Hotel or out in the streets where busloads of pro-life students and people gathered to rally, pray, and march.

At the Expo Center, approximately ninety tables were being set up from various pro-life organizations: students, universities, pro-life media, pro-life law firms, pro-life t-shirts - all walks of life. Prior to setting up our table, we climbed up on chairs to hang the Rosary of the Unborn banner. People saw it, asking as they

approached us, *"Did you bring those rosaries again?"* - OF COURSE!! *"We'll be back - save one for me!!"*

The following day was opening day at the Expo

Center. They came straight to our table down the one-way aisle. As happens every year, they marvel at the rosary beads with the little babies inside. What was more amazing to us was that people who had purchased the Rosary of the Unborn and were returning to purchase another, did so because they liked it, even though not knowing the history of the Rosary of the Unborn. Then we marveled at them. It mattered not the history. They just liked it!!! However, once they discovered they were saving many babies, they clutched those beads as if they were holding the babies themselves.

People noticed we had a lot of activity at our table. It is as though Blessed Mother summons people to our table, a table displayed very simply with a statue of Our Lady of Hope surrounded by little angels, blue flowers and the Rosary of the Unborn.

Sadly, a nurse who came to our table told us that she promotes pro-life on her

Facebook page. She said it became such a battle online that she had to pull away from it because of the vicious attacks she received in the thousands.

A young girl from Scotland, a very pro-choice country, told us that their group raised thousands of dollars to attend the March for Life in Washington, D.C., something they wanted to experience and take back to their country. She said they are fighting very hard to get a pro-life organization like we have in the USA. Then she told us that there are more abortions than babies being born, because women are not told the Truth.

Three gentlemen from Switzerland were so intrigued with the Rosary of the Unborn they could not put it down, asking us many questions as we donated a couple of rosaries for them to take back to Switzerland.

Then, there was Barbara, who wanted to speak with us about her daughter, Kelly Ann, who was born with a rare genetic disorder known as Proximal

Femoral Focal Deficiency (PFFD). The disorder affects the pelvis, hip bone and femur, causing the hip to be deformed and the leg shorter, resulting in amputation. As Barbara waited three months for the results of the genetic testing, a geneticist asked her if she had an ultrasound during her pregnancy. When she said 'yes', the geneticist told Barbara if the ultrasound had been high frequency back then, she could have aborted the baby!!!! Barbara told the story as if it happened yesterday. In September of 2016, Kelly Ann Allen competed at the 2016 Rio Paralympic Games, where Paracanoe made its debut. Kelly and her two teammates made parakayak history by being the first athletes to represent the United States.

By the end of the first day at the Expo Center,

all of the Rosaries and Chaplets of the Unborn were gone, taking with them **'THE POWER OF ONE HAIL MARY'** to Scotland, Switzerland and places unknown, perhaps saving a child who would one day in the future find the cause for PFFD.

Off to the rally at the Washington Mall, where Vice President Mike Pence, Counselor to the President, Kellyanne Conway, and Cardinal Timothy Dolan of New York were among the pro-life speakers who electrified the crowd. We all felt energized that finally someone from the White House was attending the March for Life for the first time in over forty years. Perhaps this pro-life Administration will be **'THE POWER OF ONE'** to stop abortion and end the need for the March for Life. ■

### January 25, 2017 – Message from Mary, Refuge of Holy Love

*“Every teardrop I shed carries with it an unborn baby soon to be exterminated on the altar of abortion. All the potential of every unborn child either blossoms as the child is born or dies with the unborn baby. This is why I continue to reiterate that an end to legalized abortion would change the future of the world.”*

*“To date, many would-be prominent world leaders have been aborted. Great scientists who would have discovered cures for many diseases prevalent today were never given their first breath in the world. Religious leaders who would have clearly upheld Tradition were aborted, as well.”*

*“You see why I weep and why each tear embraces an unborn child. Weep with Me. Pray with Me. This is a battle unlike any other.”*

## Announcement

*"My Son will appear once again here on the Feast of His Divine Mercy at the three o'clock hour in the Field of Our United Hearts. I invite each of you to come with hearts united in Holy Love, looking towards the common good of all – not differences which separate and divide. Be of one heart and one mind, for unity in Holy Love leads to God." (Mary, Refuge of Holy Love - February 4, 2017)*

## Divine Mercy Sunday

**3:00 P.M. Service at the United Hearts Shrine**

*(This Message was given in multiple parts over several days.)*

**Jesus is here as He is in the Divine Mercy Image.** He says: "I am your Jesus, born Incarnate."

"Thank you for celebrating with Me the Feast of My Divine Mercy. It is right and just to honor My Mercy which snatches you out of the grip of Satan. It is My Father's Will that My Mercy be acknowledged and esteemed in a world so bent on separation from its Creator."

"My Father's Will is all around you and part of every present moment. Nothing can exist or occur outside of My Father's Divine Will. His Will is All-Grace, All-Mercy, All-Love. During these times of

confusion that weigh upon the heart of the world, I wish to establish devotion to My Father's Will. Just as you have a Feast Day honoring My Divine Mercy, establish a Feast of My Father's Divine Will. Celebrate it on the first Sunday in August every year, a day of celebration of God the Father (in 2017 - August 6<sup>th</sup>). I do not expect the established Church to acknowledge this any more than they did the Feast of the Protectress of the Faith (January 21<sup>st</sup>) or the Feast of Refuge of Holy Love (May 5<sup>th</sup>). However, I request those who will listen to honor it."

"This Mission has as its foundation My Father's Will. The Journey through the Chambers of Our United Hearts is a journey which leads ultimately to immersion in the Divine Will. Holy Love is the Divine Will. So you see, My request is pertinent to this Mission."

"My Father's Will is omnipotent and perfect. Therefore, He watches closely man's free-will choices, but He will

never take away mankind's free will. It is free will that chooses evil over good and does not see these poor choices as the cause of evil in the world. Satan has successfully obscured the difference between good and evil, the result being the confusion in the world today. When free will is used to serve self and not others, the door to every sort of debauchery is opened. Because My Father permits evil choices through free will, does not mean He approves of them. My Father's Will permits man his choices but also brings down His Justice. If you respect My Father's Divine Will, then you must also respect His Divine Justice. Do not live as though you are not answerable for your choices."

"The hope of the world is in every prayer offered for the conversion of the heart of the world."

"Holy Love has always been a part of My Father's Divine Will. Now it is a part of My Divine Mercy in these

latter days, drawing people into deeper personal holiness and union with My Father's Will. The one who turns to My Mercy also turns to My Father's Will and, so too, Holy Love. It is My Divine Mercy that acts like a fisherman's net drawing all people together in Holy Love and My Father's Will. Without My Mercy you would not be attracted to Holy Love."

"I come today and during these times to bring people into the Will of My Father through Holy Love. This is a work of My Mercy. This is My Call to you. In your acceptance of this Call is your surrender. Everything in the present moment is My Father's Will for you. When you accept what the present moment offers, you accept His Divine Will - you surrender to His Divine Will."

"Today, as you look around you and see all the changes this spring season has made, note too that My Divine Mercy has transformed souls. Through My Mercy souls are made pure and attractive in My Father's sight. Never be discouraged in guilt but encouraged in My Mercy."

"My brothers and sisters, today I invite each one of you into My Merciful Heart. Count on My Graces, be strengthened in My Mercy. I am calling you to understand that these are special times and special graces are being given."

"I'm taking all of your petitions into My Merciful Heart today and I'm imparting to you My Blessing of Divine Love." ■

# *The Chapel of the Holy Angels Receives a Makeover*

The Chapel of the Holy Angels at Maranatha Spring and Shrine is a longtime favorite of visiting pilgrims. It was recently renovated to better house the many inspirational testimonies from pilgrims that are displayed on the walls.

## **Testimony – Healed Knee**

**I injured my right knee 5 years ago** by twisting on a carpeted stairway. I was diagnosed with a partial tear to my meniscus.

The meniscus is a rubbery, C-shaped disc of soft cartilage that cushions your knee. Each knee has two menisci (plural of meniscus) – one at the outer edge of the knee and one at the inner edge. The menisci keep your knee steady by balancing your weight across the knee. A torn meniscus can prevent your knee from functioning properly. Symptoms of a torn meniscus include knee pain, swelling, popping, and giving way.

I started using a cane after the initial injury for my back, then really needed it for my knee. By 2014 I could hardly walk on my right knee and could not kneel at all. The doctor said that I needed a total knee replacement.

On April 23, 2017, Divine Mercy Sunday, I came to Holy Love about four hours before the service to pray. I

splashed my right knee with the water from Maranatha Spring. When I climbed the hill to the United Hearts Shrine, I was able to kneel before each statue to kiss the feet of Jesus and Blessed Mother.

During the service when everyone was asked to kneel, I again got down on both knees and prayed. When I stood up I felt different, but could not explain it. I noticed after Divine Mercy Sunday that I did not need my cane anymore. I could not believe that I had no pain in my right knee. Usually when it's cold and rainy I cry because of the pain – but that week – nothing at all.

I have decided to take on a very demanding job from my old boss because I have been on disability and because the pain in my knee is gone. I am still doing great. My deepest gratitude to the King of Mercy, Jesus. ■

# Part 20 - Making the Spiritual Journey

## Sixth Chamber of the United Hearts: Immersion in the Divine Will (Part 2)

In **Part 19** in this series of "**Making the Spiritual Journey through the Chambers of the United Hearts**," we were introduced to the **Sixth** and final **Chamber of the United Hearts**. We learned the distinction between the **Fifth** and the **Sixth Chambers** in terms of the relation of the soul's free will to the Divine Will. We further learned that a soul's experience of being or living in the **Sixth Chamber** was that which St. Thomas Aquinas described as achieving the **Highest Heaven**, which is one and the same as being fully *immersed* in the **Heart of the Eternal Father** or the Divine Will.

Based on these explanations of the experience of the soul which resides in the **Sixth Chamber of the United Hearts**, a question was asked: "What, then, would the status of such souls be in relation to the Heart of the Eternal Father as they attain this most profound **Highest Heaven**?" In the booklet,

*"The Revelation of Our United Hearts: The Secrets Revealed" (Second Edition)*, this question was answered by St. Thomas Aquinas in a Message given on **January 28, 2005**, as he stated: "Let us explore the **Sixth Chamber** – the Heart of God. In this Chamber, the Heart of God comes alive in the soul. The soul then

becomes a living tabernacle of the Divine Will. Such a soul is always at peace, for he has overcome the temptation to pride resulting in impatience, greed, anger and every sort of debauchery born of pride. Such a soul exists in the Heart of God at every moment and with every breath. He lives to appeal to God alone and to please others as they are pleasing to God. Strive for this – it is attainable!"

We should take note here of the encouragement St. Thomas Aquinas and other saints of the United Hearts have given to souls to strive to reach this most profound Chamber of the **Highest Heaven**. For example, in a Message given on **April 7, 2007**, God, the Father, in revealing the **Flame of His Paternal Love**, stated the following: "*The journey through the **Chambers of the United Hearts** is a pathway to My Paternal Love and My Divine Will. I do not want humanity to deem this*

*final destination as unattainable. Right now, in this present moment, each soul has the way and the wherewithal to be transported into the **Sixth Chamber** – immersion in the Divine Will. It is true! See that I call you with the tender and caring Heart of a Father who desires to share everything with His children. Come, then, without delay. Desire to know Me better, to love Me more, to please Me in everything. I am waiting.*"

This was also re-iterated by Jesus in a Message He gave the next day, **April 8, 2007 – Easter Morning**, as He stated: "...understand that through this Mission and these Messages, I have opened the Gateway to the New Jerusalem and the Divine Will of My Father. This is a channel of grace long-awaited by all who desire to live in God's Divine Will. It is through the **Chambers of Our United Hearts** that you begin to live in conformity with My Father's Will." Indeed, many graces have been *poured out* upon this Mission for the salvation and sanctification of souls so that as many souls as possible might be able to attain the **Sixth Chamber – the Highest Heaven** – which is offered to all.

Jesus, however, *lamented* in the same Message of **April 8, 2007**: "*There are few, indeed, that are immersed in the Eternal Flame of the Divine Will (the **Sixth Chamber**); however, it grieves*

*Me that so few try to set this goal before them. As you now see the light from My Wounds, I tell you, this Mission reflects this light into the world – not delivering souls from the Cross, but reflecting the Victory of the Cross. Do not live for this world and its allurements, but for the Eternal Now. Your life is not here, but in Heaven where I await you."*

In providing us with this Message, Jesus was very clear in explaining what the ultimate goal and purpose of this whole series of articles – **"Making the Spiritual Journey of Personal Holiness through the Chambers of the United Hearts"** – is: that the soul should strive to achieve the **Highest Heaven** (the **Sixth Chamber**) in this life and thus, complete union (immersion) and eternal happiness (joy) with God in Heaven.

This was emphasized in a detailed and lengthy Monthly Message to All People and Every Nation given on **May 5, 2007** – the 10<sup>th</sup> Anniversary of the Feast of Mary, Refuge of Holy Love, in which Jesus said: "You must realize that the Eternal Father created time for the specific reason of each soul's salvation. Therefore, understanding this, realize your existence in this life is the opportunity for each soul to work out his salvation – his eyes fixed on Heaven. I sent My Mother to your midst as 'Refuge of Holy Love' so that She could lovingly purge you of your greatest faults and lead you to Me. I come to you as Divine Love to lead you to the Heart of My Father and His Divine Will. Understand that you are now existing in an extended period of grace and mercy, which will have

to expire before Justice prevails and My Victory arrives. Do not waste these precious moments of time that My Father has allotted you. See that your own personal holiness in the present moment must be your priority. No wealth or power or reputation will follow you into eternity. Leave the love of these things behind, and embrace the Truth of Holy and Divine Love. Do not be mistaken in believing a lofty title, a big bank account or influential friends will earn you Heaven. Love of these things will only earn you a long stay in Purgatory, at best. Whether or not you believe in Purgatory or Hell does not determine its reality. Your exposure to Truth – the truths of the Faith, of Holy and Divine Love and your acceptance or rejection of these truths – will bear witness to your judgment. It is not I who will condemn the liberal or save the one who lives in Truth, but the soul himself who decides against good or evil. It is always the same vice that leads you away from living in the Truth – that of inordinate self-love. That same self-love comes clothed in many forms – ambition, intellectual pride, sensuousness, vanity, power and many more; but it is under these guises Satan appeals to disordered self-love. I come, once again today, to call you back to the Truth and to the reality of your existence in time – not to make the most of this life, but to make the most of the next, earning for yourself the highest of Heavens – immersion in My Father's Divine Will – the **Sixth Chamber**. This is the reality – the Truth – you must focus on. All else is passing."

In achieving this ultimate goal of the **Sixth Chamber** – immersion in the Divine Will – the soul comes

to the end of its spiritual journey through the **Chambers of the United Hearts**, for this goal is God's Will for all humanity – all peoples and every nation on earth.

As we come toward the end of this series of articles entitled, **"Making the Spiritual Journey through the Chambers of the United Hearts,"** it might be wise to briefly review the importance of the soul's free-will choices in consistently progressing deeper through the **Chambers of the United Hearts** toward this ultimate goal of union and immersion in God's Divine Will, along with the motivational drive or impetus that provides the soul the desire to go deeper into the Chambers.

In a Message given during a Friday Rosary Service held on **October 17, 2008**, Jesus stated: "My brothers and sisters, it is only through the passport of free will that the **Chambers of Our United Hearts** open to the soul. In a similar way, it is free will that determines the soul's depth into the Chambers. If you will to go deep, deep into these Sacred Chambers – even to the **Sixth Chamber** – it will open to you." Obviously, the soul must freely choose with his free will to go deeper in following this journey of personal holiness through the **Chambers of the United Hearts**. However, this can become a stumbling block for those who do not have the innate desire or impetus to make the journey in the first place.

This was brought to the forefront in a Message Blessed Mother gave on **April 28, 2012**, in which She said: "Every journey has a point of departure and a destination. The

spiritual journey is no different. It begins when the soul decides to depart from his old ways, and step forward in pursuit of personal holiness. His destination is the **Sixth Chamber** – immersion in the Will of God. The soul is asked to leave behind all personal baggage such as disordered self-love, unforgiveness, lack of trust; and to carry with him only love of God (his walking stick) and love of neighbor (his sandals). These two, which are Holy Love, help the soul to skirt any obstacle and to readily recognize the enemy where he lies in wait. The problem today is souls do not see holiness as a worthy journey to pursue. If a soul cannot even desire to make this spiritual journey, he most certainly can never complete it. Today, I desire your prayer be that souls re-evaluate their goals in life. Any goal which opposes this spiritual journey is unworthy and at best, passing. I cannot draw souls into My Immaculate Heart if they refuse to come. This is where your prayers make a difference. Prayer

can influence free will, thereby influencing free-will choices. This is important to remember."

Hence, the soul's free-will choice to follow the journey of personal holiness through the **Chambers of the United Hearts** to the ultimate goal of the **Sixth Chamber** requires him to accept and trust in God's Will in every present moment. This was brought to light in a Message St Thomas Aquinas gave on his feast day – **January 28, 2017** – in which he said: "The **Sixth Chamber** of the United Hearts is complete immersion in God's Divine Will. This can only be achieved through acceptance of God's Deciding Will in the present moment. That is to say, the soul accepts whatever happens in the present moment as God's decision. This surrender takes more than trust. It takes deep humility. The soul that continues to insist in his own way is not surrendering to God's Deciding Will. God chooses only the best for each soul towards his own salvation

and sanctification. Very often it is a cross which brings the soul closer and deeper into the United Hearts, if the soul cooperates with the cross. Allow God to decide for you in humility. Ask Our Lady and the angels for the grace of acceptance."

To fully understand the soul's spiritual motivation and desire to fully accept God's Deciding Will for him with deep humility in every present moment so as to reach and remain in the **Sixth Chamber**, we must come to understand (in the Messages of Holy Love) the concept of the grace God provides, which He calls **Unitive Love** – the highest and purest form of love that exists. This concept of **Unitive Love** and its relationship to the **Sixth Chamber – the Heart of the Eternal Father** – will be explored and discussed in detail in the next article entitled, "**Unitive Love: Perfection in the Chambers of the United Hearts**." ■

(To be continued in Part 21)

## KEEP MAKING THE JOURNEY ...

"I am your Jesus, born Incarnate. My brothers and sisters, accept the Image of Our United Hearts as the visual of My Father's Divine Will. It is He who sent Me to tell you this and to give you this Image. The Sacred Chambers of Our United Hearts lead the soul on the journey into union and immersion in the Divine Will. All that is needed is the soul's 'yes'. This 'yes' is your surrender to Our United Hearts. Your surrender is your protection from the evils of these times. You must, with courage and holy boldness, be willing to choose this path - this surrender. Not to do so is to reject yet another grace. So many are rejected these days. This Revelation of Our United Hearts is Heaven's Intervention during these troubled times when so many cannot discern good from evil and most do not choose to. You should review the Journey through the Chambers daily as a reminder of where your efforts should be spent." (March 12, 2017)

Mary, Refuge of Holy Love says: "Praise be to Jesus. Dear children, please treasure the journey you are given through these Messages. It is the missing link to all other Messages given to other visionaries. While many others deal with living in the Divine Will, the Journey through the Chambers of Our United Hearts gives you the way into the Divine Will. You cannot reach any destination without first making the journey. This is not a sophisticated journey, but one that takes simplicity of heart and inner acknowledgment of one's shortcomings. Never presume you are in any Chamber, but keep making the journey." (May 10, 2017)
