An Ecumenical Ministry and Shrine **"No Truth Opposes Holy Love"**

Holy Love Ministries is an Ecumenical Ministry and Shrine. Through this Ecumenical Mission, and the Holy Love Messages, Heaven is calling all people and all nations to pursue personal holiness through Holy and Divine Love.

Holy Love is – The Two Great Commandments of Love – to love God above all else and to love neighbor as self. It is the Father's Divine Will, the fulfillment of the Gospel Message, and the embodiment of the Ten Commandments.

The Holy Love Messages are given through the Visionary, Maureen Sweeney-Kyle. The visions, apparitions and messages began in 1985. Since that time, Jesus, Blessed Mother, and many saints have been appearing to her on an almost daily basis. These Messages are given to all people and all nations in an ecumenical effort to unite in love.

The following excerpts from Messages give clarity to the purpose and focus of the Mission.

"The impact of this Mission is meant to change hearts – to turn hearts towards their conversion through these Messages of Holy Love – and the many supernatural graces abundant and evidenced here. The Mission is here in this present time to effect conversion of whole generations, nations and ideologies." (Our Lady of Sorrows – September 15, 2011/Midnight Service)

"This Ministry, the property and the Messages, will remain a source of inspiration, grace and peace for all to partake of. All are called to come and do so. Surrender to this loving invitation." (St. Catherine of Siena – January 20, 2012)

"The whole and entire reason for this Mission is to empty hearts of all that impedes Holy Love, and thus to allow Holy and Divine Love to reign in every heart; but Holy Love cannot reign in hearts given over to diversity. Hearts which place every kind of concern over Holy Love do not leave room for Truth." (Jesus – January 17, 2012) ■

WE WELCOME ALL PEOPLE OF ALL FAITHS. PRAYER IS A UNIVERSAL LANGUAGE.

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

Annual Meeting of the Children of the United Hearts Association – August 4, 2018 –

On Saturday, August 4th, Holy Love Ministries was pleased to host the 7th Annual Meeting of Prayer Group Leaders for the Children of the United Hearts Association (CUHA). This all-day meeting was held in the Aquinas Center Lecture Hall at Maranatha Spring and Shrine, with one hundred and eleven Prayer Group Leaders in attendance.

The Children of the United Hearts Association is an ecumenical lay association with over 2,500 members in 45 countries. It was formed by Our Lady on March 4, 2012, to pray daily for the consecration of the heart of the world to the United Hearts.

The theme chosen for this year's meeting was **'SPIRITUAL UNITY WITH THE FATHER'S WILL.'** The speakers explored various aspects of that theme, including:

- Identification of the Remnant Church
- Unity by Living in the Ten Commandments
- Core Moral Teaching on Life
- What 'Spiritual Unity with the Father's Divine Will' Means
- What the World Would Be Like if All Hearts Embraced Holy Love

- Increasing and Strengthening the Remnant Faithful

On Saturday evening, our ever-popular Ceremonial Procession and Closing Rose Ceremony was held prior to the 7:00 p.m. Prayer Service in the United Hearts Chapel. The Prayer Group Leaders lined up in the Chapel entrance, where they were given beautiful long-stemmed white roses for Blessed Mother. They then processed down the center aisle to the statue of Mary, Refuge of Holy Love, with each leader reverently placing their rose at Her feet as a loving tribute for our Heavenly Mother's birthday on August 5th.

On Sunday, August 5th, the CUHA Prayer Group Leaders celebrated the Feast of God the Father and His Divine Will and Blessed Mother's birthday by leading the procession to the United Hearts Shrine prior to the 3:00 p.m. Prayer Service and promised apparition of Our Lady. The service followed, with the CUHA Prayer Group Leaders joining the thousands of pilgrims in attendance.

The CUHA Prayer Group Leaders returned home eager to share with their Prayer Groups all that they had learned and experienced over the weekend. ■

The FEAST of GOD THE FATHER AND HIS DIVINE WILL

"I can only lend support to those who pursue a deeper relationship with Me. Therefore, I will speak in the Field of the United Hearts on August 5 - My Feast Day and the Holy Mother's Birthday. At that time, I will impart, once again, My Patriarchal Blessing. Those present will feel its effect." (God the Father - June 11, 2018)

3:00 P.M. Service at the United Hearts Shrine

(This Message was given in multiple parts over several days.)

Once again, I see a Great Flame that I (Maureen) have come to know as the Heart of God the Father. He says: "I am the Father of ages past, present and to come. I am the Creator of time and space. I traverse all to be with you. Nothing constrains Me. These days, mankind listens to the

voice of the world and allows that voice to block the voice of the Holy Spirit. This is the fundamental cause of war. You will never have peace in the world unless you first have peace in your own hearts."

"What destroys peace in your heart is not of Me, but always from Satan. He cannot take over the world until he is victorious in every heart. The challenge, then, is to recognize the ways in which Satan is making inroads into your own heart. Whenever self-love takes precedence over Holy Love, Satan presides over the present moment. Whole nations need to take note."

"I tell you, solemnly, it is when free will challenges or overrules My Will that sin wins out. Then, evil takes over the heart of man and redirects thought, word and deed. This is why governments become dictatorships and violence becomes more and more less shocking - even commonplace."

"Dishonesty has become the rule and not the exception. Human life is no longer valuable, which was the first human value to go and which changed the biology of moral values."

"These subtle, yet profound, moral changes have determined the course of human history. The future seems defined by the acceptance of sin and lack of love

and BLESSED MOTHER'S BIRTHDAY - August 5, 2018

and respect for Me. The time approaches when I will, of necessity, need to step in and make My feelings known. I do not cherish lowering My Hand of correction, but it will come out of Paternal Love."

"Every loving father will, of necessity, correct his children if they make errant choices. It is no different in this Paternal relationship with all of mankind. So, as events unfold - in politics, in business and in every life - realize it is My Loving Hand of Paternal correction that visits earth. Do not hold My corrections in contempt for they come clothed in love."

"Love shows itself in many ways - concern for another's well-being, trust, obedience. I love each soul more than human understanding. I charge each soul to accept My Love and to reciprocate."

"I AM WHO AM. I am part of every breath you breathe. I am the Beginning and the End. I have safeguarded you even when you didn't recognize danger. Thank you for honoring Me today on the Holy Mother's Birthday. I had no birthday. I was, and am, and always will be. I continue to watch over every aspect of this Mission from the property, to the Messages, and all things in-between. If you want to find Me, I am in the soft breeze, the early morning sunrise, the rustle of the leaves, the warm sun on your face. I am

in good inspirations and part of your every prayer. It is I who reveal dangers and evil. It is I Who grant you perseverance in time of need."

"My Provision is complete and shines forth in the testimony of this Mission. I protect you from scandalous claims and raise you up in the attacks Satan has prepared for you. No evil shall prevail against this Mission. It is My Testimony of the fortunes of My Will."

"I am spreading the majesty of My Favors amongst you. I called each one of you here today and I will not forget your faithfulness to your response to My Call. My children, now, in this present moment, I'm imparting to you My Patriarchal Blessing." ■

Read Ephesians 5:15-17

Look carefully then how you walk, not as unwise men but as wise, making the most of the time, because the days are evil. Therefore do not be foolish, but understand what the Will of the Lord is.

UNITED
HEARTS

GOD THE FATHER'S PATRIARCHAL BLESSING

† God the Father says: "I'm extending to you today My **Patriarchal Blessing**, which carries with it, the gift of discernment from good and evil. Therefore, it helps souls to discern what they need to overcome in their own hearts." (*Feast of God the Father and His Divine Will - August 6, 2017*)

† God the Father says: "(The **Patriarchal Blessing**) is a very powerful Blessing. One has to be present to receive it. It cannot be passed from person-to-person as can other blessings. However, everything on the person or carried by the person receives My Blessing when it is given. This Blessing is a tool of discernment separating good versus evil in hearts and in the world. It draws the soul deeper into My Paternal Heart." (*August 7, 2017*)

† God the Father says: "My **Patriarchal Blessing** intensifies the Truth that permeates the air here. When souls receive this Blessing, they will more easily discern good from evil, and at the same time, recognize anything in their hearts which opposes Holy Love. If souls cooperate with this Blessing, the future can be changed, not only for souls but for the world in general." (*August 18, 2017*)

† Our Lady says: "The (**Patriarchal**) **Blessing** is for hearts and bears with it the grace of self-conviction. Therefore, it will not be transferred to other people or objects. However, everything - objects, property, etc. - will have the grace of having been in the Father's Presence." (*August 22, 2017*)

† God the Father says: "I am coming with yet another grace - My **Patriarchal Blessing**. This is a Blessing like none other. There will be two different effects from this Blessing. The main grace given will be in hearts which will be given the ability to determine good from evil. The secondary grace will be placed on all objects, clothing and artifacts the people have about them. These will henceforth carry My Presence with them. They cannot be used for healing. Neither of these two

blessings or graces can be transferred from person-to-person or object-to-object. This Blessing will not be repeated often. It is only those present who will receive it. Once the soul can determine good from evil, he can better determine the state of his own soul before Me. The effects of this Blessing will come to those present in the Field of the United Hearts - not those who are in other areas of the property - such as buildings or in their cars. This is to draw attention to the importance of the United Hearts in the world today." (*August 23, 2017*)

† God the Father says: "For all eternity, I have known I would be giving My **Patriarchal Blessing** during these times. It will strengthen the good that is in hearts. It will bring My children back to Me." (*August 24, 2017*)

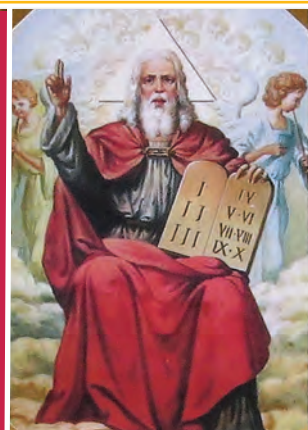

† Our Lady of Fatima says: "I do not come to sensationalize the dangers of these times, but to unite you in an ongoing effort of prayer against evil. The Father's **Patriarchal Blessing** is given to you here today for the same reason. His efforts here are unprecedented." (*Feast of the Most Holy Rosary - October 7, 2017*)

† God the Father says: "I am the Eternal Now - the Creator of Heaven and earth. Those fortunate ones, who came with faith in their hearts and received My **Patriarchal Blessing** on Saturday (October 7th), should now be leading different lives. Their hearts should be filled with the desire to please Me through obedience to My Commandments. They should be in love with Me as children love their father. Their faith and devotion to the Ministry here should be stronger. With enthusiasm, they should desire to move deeper into the Chambers of the United Hearts. The good fruits of this Blessing are meant to unite good in the Truth and to expose evil, thus strengthening the heart of the world. What makes the difference is each one's cooperation with the graces given through the Blessing." (*October 9, 2017*) ■

NEXT SPECIAL APPARITION AND PATRIARCHAL BLESSING FEAST OF DIVINE MERCY – APRIL 28, 2019

"On the Feast of Divine Mercy, I will be there in the Field of the United Hearts. It is during Jesus' Apparition I will impart My Patriarchal Blessing. My Son will tell you when this happens. Many will feel the effects. I look forward to sharing My Most Powerful Blessing with all present." (God the Father – December 30, 2018)

The FEAST of the MOST HOLY ROSARY

October 7, 2018

*"This is a special feast day
- the Feast of the Holy Rosary
- and I will be happy to spend
moments of this special day
with all of My children here."
(Blessed Virgin Mary –
August 17, 2018)*

**3:00 P.M. Service at the
United Hearts Shrine**

*(This Message was given in multiple parts
over several days.)*

**Our Lady comes as Refuge of
Holy Love.** She says: "Praise be
to Jesus."

"Dear children, I come to you today with many graces - the greatest of which is surrender to God's Holy Will. When you accomplish this, Papa God shares with you the many graces which fill His Hands."

"Please realize, dear children, that the times in which you live are evil. Satan is attempting to divide and to overthrow the government of this country. You must clearly see good versus evil in your political parties. Outside sources are paying people to demonstrate against any honest attempt at righteousness."

"The battleground is in hearts. If you do not recognize the war,

The FEAST of the MOST

you cannot succeed in victory. Wisdom in hearts has taken a blow from complacency - I come to you today hoping to awaken consciences. This battle over the appointment of the next Supreme Court Justice is a symptom of these times. Decades ago, this would not even have been an issue. Decades ago, all would be united behind your elected President. As it is, opinions in some hearts have been conceived in evil."

"As a loving Mother, I come to snatch My errant children out of Satan's grip. Those who continue to resist Me are choosing a negative eternity. Some already are surrounded by flames and can only escape through a heartfelt contrition and conversion."

"The Church is still, and yet, experiencing her Passion. Vast numbers of once faithful members have succumbed to apostasy. The future, however, holds the promise of a resurrected Church - one based upon Tradition and unscathed by error. Now, however, the flames of deceit lick at the heart of the Truths of the Faith. The naive and undiscerning are easily deceived. I am wrapping My Mantle of Protection around My Remnant Faithful."

"My rosary remains the weapon of choice during these evil times. One 'Hail Mary' said lovingly from the heart extinguishes the flames of error in many hearts - even in the hearts of some hierarchy. I am fighting every battle with you as the Protectress of your Faith. I

see crimes against the Faith that you do not suspect. I see ambition rather than religious fervor taking charge of some vocations. Just as evil is relentless as an adversary of the Faith, I am relentless as a formidable Protectress. I will help the Remnant to increase and multiply. I will place the Remnant in the Ark of My Heart."

"Dear children, today, as we celebrate together the Feast of the Holy Rosary, please realize that your rosaries made the difference in the confirmation of the next Supreme Court Justice. As it was, Truth was under attack in a flagrant attempt to change good into evil. Your rosaries are the lifeline of My Remnant Faithful which always supports the Truth."

"We are united, all of you, with Me as the Remnant Faithful. Face each day with courage knowing that I will not let you slip and fall along the path of perdition. My children, your prayers are mounting to the HALLS of HEAVEN and many souls will be saved. I'm taking with Me, today, all your petitions in My Heart and will present them to My Son."

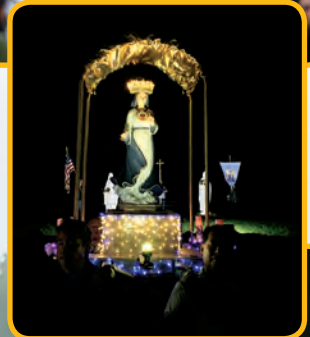

"Tonight, I'm blessing you with My Blessing of Holy Love." ■

October 8, 2018

Once again, I (Maureen) see a Great Flame that I have come to know as the Heart of God the Father. He says: "I am pleased with the many prayers which rose up from the heart of the world on the Holy Mother's Feast Day yesterday.

These prayers are forming My arsenal against the evils of the present day..." ■

The Feast Of Our Lady December

"When I come to visit this site on My Feast of Guadalupe, it will be with many angels. The angels that are always present here will be joined by many of their associates from Heaven." (Mary, Refuge of Holy Love – October 20, 2018)

3:00 P.M. Service at the United Hearts Shrine

(This Message was given in multiple parts over several days.)

Our Lady comes as Our Lady of Guadalupe. She says: "Praise be to Jesus."

"Dear children, once again, the Lord permits Me to transcend time and space and to communicate with you. Most of you do not realize the tenuous situation the world is in. The welfare of the future of the world rests with a few chosen leaders and what they hold as Truth in their hearts. There is much unrest in the world because of man's treatment of the unborn. You will never have true and lasting peace in the world until life in the womb is at peace. So long as you accept abortion as a legal right, nations will war against nations. Certain ideologies will embrace violence and Truth will be held up to ridicule."

"My speaking to you today is yet another chance for the heart of the world to change course. If Heaven's intervention goes unheeded, My Son, Who has been lovingly patient, will allow His Wrath to begin. I fear then there will be no turning back."

"Concede your pride in not taking these Messages seriously with an open heart. Your disbelief or lukewarm response will not change the reality of Heaven's intervention here."

"The Heart of God sorrows for the disregard and indifference in the

Lady of Guadalupe

world today for His Commandments. So few can say with sincerity that they love God above all else as His Commandment dictates. I hold back His Arm of Justice with great effort with the example of your rosaries, other prayers and sacrifices."

"Every now and then, you glimpse a small portion of God's Wrath in unprecedented natural disasters, such as powerful hurricanes, fires and earthquakes. These, however, impress the heart of man only temporarily and not enough for his repentance."

"The laws of every nation must be a reflection of God's Commandments. Each nation is defined in God's Eyes accordingly."

"I do not come to you with a scolding heart, but with a Mother's Heart who out of love for Her children desires to correct them before it is too late."

"Dear children, these days much time and effort is given over to gift-giving and worldly goods. I tell you, the greatest gift you have or will ever receive is the gift of your faith. Cherish it. Pray to be able to persevere in your faith, as these are the times foretold when faith would be so contradicted. I am always the Protectress of your Faith, a title I will never relinquish for lack of approval. Call upon Me and I will strengthen your faith amidst difficulties."

"As always, I give praise and honor to Jesus the Lord. I thank each and every one of you for making the effort to be here today, in My presence. I am in the midst of each of your hearts. Each of you is My child and I am your Heavenly Mother. Pray always for the conversion of the heart of the world, which sorrowfully grieves the Heart of My Son."

"Dear children, today I impart to you, as I take every petition into My Heart, My Blessing of Holy Love." ■
