2. *What is the Triple Blessing of God the Father?*

The Triple Blessing of God the Father consists of the following three Blessings.

Blessing of Light illuminates the soul as to where he stands before God.

Apocalyptic Blessing prepares the soul for changes as yet untold or experienced in life. It places a desire in the heart to come closer to God the Father in every way, opening the heart for a desire for conversion. It gives souls knowledge to accept change and adversity with peace.

Patriarchal Blessing carries with it the gift of discernment from good and evil and draws the soul deeper into the Paternal Heart of God the Father and into union with the Divine Will.

"There are questions already about the Holy Card. I can tell you some ask questions only to find fault. The card itself is an aspect of the Triple Blessing. This is how I choose to distribute this Blessing during these troubled times throughout the world. You will see its effects."

"The card, the Blessing and your faith combine to bring you great blessings on Thursday (July 16th). When you begin to pray you will receive the Blessing. When I speak of the card, I am speaking of the Blessing. These are coming into your life when the times have confused good and evil. After the blessing, you will be at peace and better able to discern right from wrong. The card is only special by merit of My Blessing upon it."
