## GOLF CART RENTAL

### To Our Pilgrims:

After making rental arrangements (including day and time of delivery) for a golf cart, be sure to contact:

Mary Ann, Office Manager of Holy Love Ministries <b>440-327-8006 x222</b>
--

to sign a Responsibility Waiver, receive your key and location of your cart.

### The Waiver will require you to agree to the following (Read Carefully):

- Golf cart keys must be picked up from the Welcome Center **no later than 2pm on an Event Day.**
- **Golf carts are not allowed on the pedestrian concrete pathway around the Lake of Tears.**
- Depending on ground conditions, due to weather, I understand Holy Love Ministries may require me to only use the golf cart on the roadways.
- We do not recommend the rental of electric golf carts because we do not have the means to charge the batteries for you. If you choose to rent an electric golf cart and the battery dies, you understand Holy Love Ministries will not be able to charge the battery.
