

...holiness
becomes
thy house...

September 17, 2020

Once again, I (Maureen) see a Great Flame that I have come to know as the Heart of God the Father. He says: "**Children, each day when you arise, dedicate the day to the surrender to My Divine Will. In this surrender you accept everything as from My Divine Will.** This is the greatest sacrifice you can make. In other words, you are fasting from your own will. No greater sacrifice can be made. You do not reject the crosses I give you. You see every cross as an opportunity to save souls and to come closer to Me - your Papa God."

"Small problems and inconveniences are rightfully met with patience. Greater problems are accepted courageously with a heart which loves Me. Faithfulness to My Commandments helps you to surrender to My Will. Holy Love should embrace your efforts."

Read 1 Peter 2:4-5

Come to him, to that living stone, rejected by men but in God's sight chosen and precious; and like living stones be yourselves built into a spiritual house, to be a holy priesthood, to offer spiritual sacrifices acceptable to God through Jesus Christ.

June 12, 1998. Jesus says: "My brothers and sisters, put the 'household' of your hearts in order with the broom of Holy Love; for when I return and reign over My Kingdom, which is to come, those who will be seated at My Feet are those consecrated to My Mother's Heart through the Flame of Holy Love. They will be living in the Divine Will of My Father."

March 8, 1999. Jesus says: "Child, today I will liken the mount to perfection to the construction of a 'house'. The house is made of materials. These are the virtues in the spiritual life. The materials are useless unless the builder puts them together. The builder is your free will."

The final product is a thing of beauty to behold, just as a soul is beautiful to Me that seeks union with Me through perfection. The house that is constructed is not only beautiful but can be put to use by many people. This is how I use a soul with many virtues. Such a soul can be used by Me for the good of many others."

July 10, 1999. Jesus says: "Today I invite you to see that each heart can be likened to a little 'house'. The door is free will. The owner of the house can admit either good or evil. What the householder allows in is also what comes out in the world around him. If the little house is a virtuous dwelling - a house of holiness - the

bricks and mortar it is constructed with will be Holy Love, Holy Humility. These are the two that surround all the other virtues - unite them and make them strong. Without love and humility other virtues cannot truly dwell in the heart; there is no structure with which to hold them there: self-love assumes the role of the brick and mortar; false virtue - which is for show - envelops the heart. This is why you must measure the worth of every present moment according to Holy Love - Holy Humility. Surrender to Me and I will assist you."

December 5, 1999. Jesus says: "Sweep the 'household' of your soul clean. Shed the debris from your life. Allow the Flame of Divine Love to consume you - embrace you."

December 28, 2000. Jesus says: "My Messenger, to you and through you I have opened the door to the innermost Chambers of My Heart. You must know and help others to comprehend that the only way to progress through these Chambers is through a deepening awareness of self - that is becoming aware of the flavor within your own soul contrary to Holy and Divine Love. This takes honesty and courage. If a person cannot accept that he has an area in his heart that is not perfected in love, then he cannot repair the error either. Recently, My Mother told you to take the many chores you needed to do around the house little by little. After the holidays and your illness, they had piled up. She said do not attempt to get them done in one day, but to take several days and accomplish a little at a time. It is the same with a spiritual housecleaning. The areas of pride in your soul need to be overcome little by little. It is easy to feel overwhelmed if you look at all the spiritual cleansing your soul needs. But you are not cleaning the household of your soul alone. I will help you. No one becomes humble or forgiving in thought only and is genuinely humble - forgiving. I have to work in the heart for true humility to take root. But just as the soul cannot accomplish this virtue alone, I cannot put humility in the heart without the soul's assistance. The soul with courage has to admit where his 'house' needs to be cleaned, where is pride winning out. Then he and I can together conquer the pride. So many are unwilling to even look for the dusty areas of their heart. It is a painful discovery to some to first realize their own imperfections. But I will sustain them if they would only be humble enough to ask. Even with My assistance, they need courage to recognize and overcome Satan who tries to convince them they are fine as is. So I have come to ask you to pray for those who desire to advance into My Heart but refuse the path of spiritual cleansing."

January 15, 2001. Jesus says: "Today I have come to help you understand why Holy Love is the path of salvation. No one enters My Father's kingdom who does not love God above all else and his neighbor as himself. My Messages to you concerning the Chambers of My Heart are as a blueprint to heaven, holiness and sanctity. There are many who do not know this path or my plan. For them, salvation is more complicated, holiness elusive, and sanctity an unrealistic goal. It is as though they are trying to build a 'house' without a blueprint. Besides this, they have no power tools. These power tools I give you are the virtues. So you see, through this Message I have drawn for each soul a blueprint and am willing to give him power tools, as well, to construct his own house or heart of Holy Love. The more closely he follows My plan, the more perfect his house will be. Some are master carpenters, others not so willing to learn. But I am a patient teacher - a merciful taskmaster. And so, you will please make this known."

March 8, 2003. St. Thomas Aquinas says: "This spiritual journey is like building a 'house' - a spiritual refuge - within the human heart. One block builds upon another until the Kingdom of the Divine Will is enthroned with the heart itself."

January 7, 2006. St. Thomas Aquinas says: "I have come to encourage all those who seek holiness. If your spirit is comprised of all the virtues you embrace, please understand that your prayer life is the 'mortar' that holds the 'bricks' of virtue in place. Without mortar, bricks crumble and fall. Without prayers, virtues are replaced with weaknesses and sin. A solid brick wall is impregnable by fire. A brick wall without mortar can be easily toppled, and profaned by Satan's flames of deceit. When you neglect your everyday prayer life, you leave room for Satan to enter your heart with his suggestions. Then you fall into self-pity, egoism, avarice and more. What's more, you are not in harmony with God's Divine Will and, therefore, you do not see this happening. Your spirit becomes synchronized with Satan's agenda instead of God's Will which is a life of virtue. It is then you become the adversary's tool, which he uses to reach others. Understand, then, the impact your prayer life has - not only on yourself - but others, as well. If you do not pray, the motives of your thoughts, words and deeds are easily taken over by self-love. I tell you these things to make you stronger in Holy and Divine Love, and thus to strengthen the Mission."

December 5, 2007. Jesus says: "My brothers and sisters, open your hearts to love and unity which bear

the fruit of peace. Allow your hearts to be transformed by these Messages of Holy and Divine Love. Indeed, I invoke you, build the 'house' of your spirituality upon the firm foundation of Holy Love, and do not allow Satan to sweep you away in the tide of doubts and falsehoods. My Remnant Faithful must be founded and grounded in Holy and Divine Love, for this is My Father's Precious Divine Will. My brothers and sisters, be wise as the wise virgins were, and keep the lampstands of your hearts filled with the oil of Holy Love so that, upon My return, I will see and take you into My Kingdom."

January 20, 2009. Jesus says: "I have come to speak to you once again about Truth. Truth is all that embodies and supports the Ten Commandments. Therefore, understand that the Law of Holy Love, which is the expression and composite of the Two Great Commandments - to love God above all else and neighbor as self - is Holy Truth. For the soul to determine if he is living in the Truth, he must do some 'housekeeping' in his own heart. This is not unlike cleaning out a refrigerator or sorting through a stack of papers. [He smiles.] You take everything aside and sort through it, evaluating its worth. In the heart of man, everything must be evaluated in the light of Holy Love before it is allowed space within the heart. A heart thus 'tidied up' in Holy Love is pleasing in My sight and is an abode of My Father's Divine Will. The 'clutter' of the world is no longer a part of his moment-to-moment decisions. Here, then, is a Consecration Prayer to the Truth that can be recited daily:"

"Dear Jesus, I petition the Heart of Your Eternal Father to wash my poor heart in the cleansing water of His Divine Will. Show me anything in my heart which opposes Holy Truth, and help me to cast it out forever. I understand that all Truth is based on Holy Love. Only through love and humility can I live in Holy Truth. Through this Truth, which I hope to abide in now, help me to accept any illumination of conscience You choose to send me. Amen."

December 1, 2010. Jesus says: "Holy Love is the 'brick' that will build the New Jerusalem. The following is the 'mortar' which holds the bricks together:"

- "Pray to be enlightened as to your own capabilities and limitations."
- "Pray to know your weaknesses in every virtue and work to overcome them."
- "Let Truth be your standard, for it is Holy Love."
- "Forgive everyone - even yourself."
- "Always use your assets toward the greatest good."

- "Surrender to, and trust in, Divine Mercy - Divine Love."

July 10, 2011. St. Rita of Cascia says: "The mortar that holds the bricks in place, in the 'house' of holiness within the soul, would be perseverance."

October 27, 2012. Jesus says: "Do not build your spiritual 'house' upon sand, which is the fleeting whims of nature. Find a secure foundation in Holy Love - the Truth itself - the embrace of the Ten Commandments."

November 5, 2012. St. Catherine of Siena says: "I have come to say that you only fulfill the Lord's Will when you have loving thoughts in your heart. If you see faults in others, it is so you can pray that the soul is able to overcome these flaws. If they are glaring faults, then you are obliged to sacrifice for them. Do not fall into the trap of wasting the present moment by judging or complaining about the negative aspects of another. You may have the same flaws in your character. Keep your heart 'swept clean' of judging, and allow God to fill it with Divine Love."

July 14, 2013. Jesus says: "Holy Love must be in the heart as the foundation of every virtue. The stronger the virtue of Holy Love, the stronger is every other virtue. Since love is the foundation of personal holiness, it stands to reason that Holy Love in the heart is the target of Satan who seeks the destruction of every soul...The Gospel Message of My Commandments of Love is the foundation of Truth which I call you to. Stand firm upon this Rock of Love. Let Holy Love consume and transform you. Then you will be completely Mine. It is Holy Love in your heart that holds you firmly upon the path of Truth and builds you up in virtue. I desire the spiritual 'house' of each soul be stabilized in Holy Love, thereby being My Glory in the world."

August 15, 2013. St. Thomas Aquinas says: "I have come today to help you see that the ballast which keeps your spiritual ship afloat is humility. Humility in the heart is the defender of Holy Love in the heart. One does not exist without the other. Humility is Truth and the revelation of how the soul stands before God...Humility does not seek importance or the spotlight. It does not inflate its position in the world or seek compliments in regard to any of its works or actions. Humility shuns recognition for any of its accomplishments. The humble heart seeks the background and to be unnoticed. As with any virtue, humility which is practiced to impress others is false. Humility needs to be hidden in a deep relationship with

God - between the soul and the Heart of God. It is easy to see how a lack of humility causes pain to the Mournful Heart of Jesus. Every sin transgresses Holy Love. Every sin arises out of pride. Pride is the arch-enemy of Holy Love and humility. Pray that your heart is 'washed clean' by humility every morning. Never believe yourself to be more than you are in God's Eyes."

March 21, 2014. Jesus says: "The foundation of all personal holiness is Holy Love. Every virtue is built upon Holy Love. The 'mortar' which holds each virtue in place is humility. Without humility, the 'virtues' that the soul believes he has are false. Please understand, then, that the soul who believes himself to be holy has been tricked by Satan. The truly holy person recognizes his errors and is constantly trying to be perfected in virtue."

January 24, 2018. God the Father says: "I am Father of all Ages. Turn to Me. I protect and guide. In order for a soul to forgive, he must cooperate with the graces given to forgive. This brings to light a basic tenet of Holy Love, that is to make allowances. With compassion look upon those you need to forgive and pray that their consciences convict them before My Son judges them. Search your own heart to rid yourself of any residual bitterness. Ask to be 'washed clean' in Holy Love. This frees your spirit of any obstacle between your heart and My Own. Patiently pray for those in whom you see error. Do not slip into sanctimony."

[Read 1 Corinthians 13:4-7](#)

June 23, 2020. God the Father says: "Children, consider all the decisions which you make throughout the day and pass them through the sifter of Holy Love. If all your thoughts, words and actions easily pass through the judgment of Holy Love, then you can have a clear conscience. Anything which is snagged on the cause of Holy Love must be presented to Me with a repentant heart and 'washed clean' with tears of contrition. How different the world would be if consciences were searched throughout the day and made clean in My Sight. These days, little or no effort is made to please Me not only in the present moment but in the composite of the day. My Will is that My Commandments are once again placed in dominion over hearts and the world. Then, this modern-day insolence and disobedience to My Commandments would call to order the Court of My Will."

[Read 2 John 4-6](#)

November 29, 2020. God the Father says: "The depth

of Holy Love in your heart determines the depth of every virtue. It also determines the depth of your surrender to My Will. In your acceptance of all aspects of your life in the present moment is your surrender. Holy Love is the foundation of your personal holiness. First, you must surrender to a deepening love of Me and your neighbor. Upon this love, you build your 'house' of virtues. The framework of this house of holiness is surrender to My Divine Will. Storms of temptations, doubts and distractions whip against this house of personal holiness, but the stronger the commitment to holiness, the more resistance there is to these outside challenges. Every once in a while, the soul is able to look out of one of the 'windows' of this house to see where he has been and where he is determined to go. This gives the soul impetus to continue to make his house of holiness stronger and more impervious to outside forces. Others who see the house of holiness may admire it from afar or may see where improvement is needed. In such cases, they should help the owner of this house of holiness to improve by adhering more closely to My Divine Will. I observe very closely the construction of each house of personal holiness. I am the Master Architect."

[Read Ephesians 4:11-16](#)

December 1, 2020. God the Father says: "Children, I refer, once again, to your personal holiness as a 'house' which you and I build together and share together. As any soul is attacked by marauders who desire to weaken the soul's spirituality, the soul who is unaware finds his spiritual house losing its integrity by outside influence such as love of wealth, ambition, power and material goods. These loves are all passing. Love of these passing things is like a flood, earthquake or tornado that compromises the spiritual house and destroys it. The soul must reinforce his spiritual house by his own efforts of prayer, fasting from his own will and connecting to My Divine Will. The more he denies himself, the stronger his spiritual house. The soul beautifies his spiritual house through this self-denial. I must continue with this analogy at another time. To all who follow it, I extend My Apocalyptic Blessing."

[Read Ephesians 6:10-18](#)

December 2, 2020. God the Father says: "Continue to persevere in conservatism. This point of view is what your spiritual 'house' must be based upon. Your personal holiness must be constructed on the Truth - otherwise, it is the work of Satan. Keep your personal spiritual house free of what is called 'progressive'. This is merely a departure from the Truth. Each soul is called to build a private spiritual house within his own heart. This house is the work of personal holiness. It is

heated by the Holy Spirit. Its comforts are a private relationship between the soul and Heaven. It is constructed of grace. The stronger its construction through prayer and sacrifice the greater its defense against doubts and lies. The soul must learn to defend his 'house' of personal holiness by tenaciously clinging to the Truth which is outlined in My Commandments. These are the front door leading into your personal holiness. I have given you guardian angels to guard this door and to defend any attack of untruth which tries to compromise your personal holiness. Trust in their guidance. Place the Seal of Truth over your hearts. I extend to those who listen My Apocalyptic Blessing."

[Read Ephesians 6:10-18](#)

[December 4, 2020](#). God the Father says: "Please realize, children, Satan - the enemy of your salvation - always comes clothed in goodness. He appeals to satisfying your senses, your ambition, your love of the world. The New World Order is no different. It is one of Satan's ploys. It paves the way for one leader - the Antichrist. If you do not know this, you can be tricked into thinking a One World Order is the unity I call for. It is not. I encourage your unity in Holy Love, which is love of God and love of neighbor. The One World Order will show its intent by discouraging these. Always you will have the solace of the spiritual 'house' you build in your own hearts. Stay close to Me. Let Me inspire your decisions and expose the Truth. Do not be fooled by Satan's tricky use of words. He hides behind the use of words such as 'unity' to gain control of hearts and of the world. If you read this Message, consider yourselves informed. I extend to you My Apocalyptic Blessing through this information."

[Read Colossians 2:8-10](#)

[December 9, 2020](#). God the Father says: "Children, your spiritual 'house', like any house in the world, must be maintained lest the elements in the world destroy it. Your spiritual house is vulnerable to love of the material world, acceptance of any sin and infidelity to the Truth. You cannot shutter the 'windows' of your soul against every temptation. It is by your own effort every temptation is overcome through the help of your guardian angel. Some souls lead lifestyles which leave them standing on the precipice of certain spiritual disaster. Unless they listen to the Truth of where they stand before Me, they will certainly slip over the edge and lose their souls, which is a far greater loss than the loss of their physical life. Self-knowledge, therefore, is the 'hammer' used to build your spiritual house."

[Read Luke 11:9-10, 28](#)

[December 10, 2020](#). God the Father says: "Children,

the door which opens upon your 'house' of holiness is your own free will. This door can easily be accessible or it can be barred by love of the world. It is a portal which Satan can easily access if the soul does not carefully lock it and bar his access. This lock is the soul's awareness in any given present moment as to where his thoughts, words and actions are leading him. Pray to keep holiness a goal in your day. No matter your activities in the day filled with present moments, pray to be the Message of Holy Love in thought, word and deed. Be protective of the holiness in your heart above all else. When grace knocks at the door of your house of holiness, recognize it and welcome its visit. The unwelcome visitor may come clothed in splendor and flavor, but the watchdog who tends the doorway to your house of holiness is the Spirit of Truth and will not allow him in. In times of need, you can enjoy the peace of your house of holiness and rest in the peace therein, for your house is filled with trust."

[Read Psalm 5:7-8](#)

[December 11, 2020](#). God the Father says: "Children, when I speak of your spiritual 'house', I am referring to your heart. The spiritual house you construct is not made of bricks and mortar. It is constructed of all your prayers and sacrifices throughout your lifetime. The more you pursue personal holiness, the stronger the fortress of your spiritual house against any attack of evil. Some who pray with great fervency have a special angel posted at the doorway to their heart. Do not hesitate to call upon this angel who is at once mercy and love. If you neglect your spiritual house, the mold and mildew of sin begins to collect. These would be the neglect of prayer and sacrifice and the absence of efforts to please Me. Such souls build what may be regarded as mansions on earth, but in My Eyes are shacks not suitable for habitation. Every once in a while, give your house of personal holiness a fresh coat of paint by discovering new ways to please Me. Do a frequent 'house cleaning' through an examination of your conscience. Then, the Holy Spirit will be welcome in your house of personal holiness."

[Read Colossians 3:17](#)

[December 13, 2020](#). God the Father says: "Children, everyone's 'house' of personal holiness sometimes has temptation knocking at the door. The grace is always present to recognize this unwanted visitor. Sometimes the owner of the house unwisely allows temptation in through thought, word or deed. The soul must be careful whom or what he associates with. If the soul is trying to advance in personal holiness, he will readily recognize the unwanted guest and usher him out. The soul must be very wise as to whom he allows into his

house as sometimes the unwanted guest comes disguised in goodness. Make your house of holiness like a fortress of virtue. This is the way to advance quickly through sacrifice and prayer and to 'decorate' your house of holiness with deeper and deeper virtue. The deeper the soul is in virtue, the stronger his efforts to protect his house of personal holiness."

[Read James 1:12](#)

December 31, 2020. God the Father says: "Children, as the New Year begins tomorrow, today, I invite each soul to take inventory of where he stands before Me. What does the soul see as an effort to come closer to Me in the year 2021? Has he made an effort to come closer to Me by strict adherence to My Commandments? Does he hold himself accountable to his effort to build his 'house' of personal holiness in his present-moment decisions; make an effort to identify what carries him farther away from Me and leads him down the path of perdition? I will bless his efforts to discover his strengths and weaknesses and to use each coming moment in the new year in an effort to know Me and to love Me."

[Read Psalm 2:10-12](#)

January 18, 2021. God the Father says: "Children, it is the hour when courage and faith must rule your hearts - remembering that I look only at hearts. In the world, power, money and influence rule. These are earthbound standards and promote a false unity aimed at opening the way to Antichrist. I am calling you to unity in Truth - Truth based upon Holy Love. This all begins and culminates in the construction of your 'house' of personal holiness. Do not be discouraged thinking that all is lost. The victory of righteousness in your heart is within reach. Each present moment lends proof to this. The unity of all people and all nations is not in government. It is in faith-filled Holy Love in hearts. Protect the borders of your heart with the Truth. Then you will be one nation, under Me with unity and justice for all."

[Read Psalm 112](#)

January 19, 2021. God the Father says: "When I speak of the Truth, I speak of a situation, a policy or a heart in and through which I am in Dominion and My Commandments are obeyed. This is the unity I call you to. This is the victory I call each soul to embrace. The One World Order is not My Call to unity. Rather, it is the threshold of the Antichrist! Your nation is about to be transformed and weakened through various harmful policies. The checks and balances in the government that the forefathers set in place will no longer be there. This Mission will be much more important to people, as

it stands for the security of the Truth. Today, I call each and every soul to embrace victory in his heart. No law can be passed which destroys the privacy of the heart or the relationship between the soul and Me - your Eternal Father. Build your 'house' of personal holiness strong in the face of the destruction of the democratic soul of your nation. Democracy may die, but if you grasp the victory I call you to, you will have eternal life."

[Read 2 Thessalonians 2:9-15](#)

January 20, 2021. God the Father says: "Children, I, your Eternal Now, understand the heart of your nation. You will always be one nation, under My Domain. Unfortunately, leadership of this great nation will not legislate now in agreement with what the soul of the nation wants. Many edicts will be in place to weaken this country spiritually, economically and in belief in the Truth. The word 'Truth' is already being profaned. This is why I tell you, build your 'house' of personal holiness strong in the real Truth. Obey My Commandments. Be united in love of Me. Those who do so, will never be a part of a New World Order in their hearts. They will be part of the army of victory of the genuine Truth. Do not focus on what you no longer can do, but on the power of prayer which is your strongest weapon against evil. If you believe you are defeated, then you are defeated. Believe in the power of prayer. This is the Victory of good over evil."

January 21, 2021 - Feast of Mary, Protectress of the Faith (35th Anniversary). God the Father says: "Children, I speak, once again, to help you to embrace personal holiness and to build the 'hospice' of your hearts strong in this regard. This is all that is not passing in this life. Let your hearts embrace obedience to My Commandments - the first and foremost of which is to love Me above all else. The second is to love your neighbor as yourself. To obey these Two Commandments is to obey all of the Commandments. This is Holy Love. This is the victory you must conquer in your own hearts. It is not a one-time victory, but a battle which must be fought moment by moment every day. Years ago, on this date, I sent the Holy Mother to this Messenger. She proclaimed, at My Command, to be recognized as the Protectress of the Faith. This was not accepted in Church circles as 'necessary'. Now, I ask you, look at the state of faith in the world today. How great is the need for Her Holy Protection! She instantly comes to the aid of anyone who calls upon Her under this title. The problem today is people have become blindsided as to what challenges their faith. Furthermore, faith is not deemed that important anymore. Is it any wonder I come to you during these

times, imploring you to win the victory of personal holiness in your hearts?"

[Read 1 John 3:19-24](#)

[January 22, 2021](#). God the Father says: "The most precious of all your possessions, children, is your relationship with Me. No day should pass without your greater effort in coming closer to Me. I have told you that obedience to My Commandments pleases Me. Yes, it pleases Me. Your prayers and sacrifices please Me, as well. Keep Me as part of your day. I enjoy assisting you in many small and great ways. Focus your desire for success upon building your 'house' of personal holiness stronger. That is indeed the greatest victory of all, and it is within your grasp."

[Read Jonah 3:1-10](#)

[February 19, 2021](#). God the Father says: "Children, as you offer worthy sacrifices to Me based upon Holy Love, you are building a more secure 'house' of personal holiness. The windows of this house see more easily into what needs to be done to please Me. This is all part of the victory of your journey towards your own salvation. Sometimes the windows of this house of holiness become smudged by the attraction of the allurements of the world. It is then, by your efforts, you can 'clean the windows' by recommitting to an effort to live a life of holiness. This is all part of the human condition to make the house of personal holiness secure. Treasure the opportunities you are shown to make worthy sacrifices. Once again, always keep in mind the physical well-being of the temple of the Holy Spirit, which is your corporeal body."

[Read 2 Thessalonians 2:13-15](#)

[February 20, 2021](#). God the Father says: "The stronger the Holy Love in your heart - the stronger your 'house' of personal holiness is. Holy Love increases in strength in proportion to your efforts to please Me. All your prayers and sacrifices are as worthy as the Holy Love in your heart is strong. Keep your eyes and your hearts centered always on My Divine Will. My Will is that you love Me above all else and your neighbor as yourself. Your acceptance of your crosses is your strength. Do not boast about your crosses for this weakens the sacrifice. Keep your focus upon the greatest good - the salvation of souls. By your example, you are teaching others how to sacrifice. These days, souls spend a great deal of time and effort on pleasing themselves. This is the effort of mass media and the efforts of advertising which promote self-happiness and pleasure. This leads to a false sense of security. Genuine security lies in a strong relationship with Me. Allow Me to lead you deeper into My Paternal Heart

and to surround you with My Love. This is the goal I set before you - the goal I call you to."

[Read Ephesians 5:15-17](#)

[February 21, 2021](#). God the Father says: "Every situation or event that occurs in the world is a means of returning souls to love of Me. I give opportunities from the love I hold in My Heart for each soul to win his salvation and a higher place in Heaven. Understand then, that each cross is a grace towards the salvation of the soul's own salvation or the salvation of others. Every soul is needy in My Eyes and capable of a more secure 'house' of personal holiness. In Heaven, you will understand every grace that was afforded you. It is only then you will see clearly the opportunities which you accepted and those that you allowed to slip out of your grasp without any spiritual prosper. The soul who realizes his call to earn his place in Heaven understands most clearly how Satan lays snares for him in the world. The world and all it offers must not be your goal. Your own salvation and personal holiness must be your priority in your earthly life."

[Read Colossians 3:1-10](#)

[March 9, 2021](#). God the Father says: "In order to increase in holiness, you must first recognize your failings in virtue. This self-knowledge is the building block of your 'house' of personal holiness. Humility is the mortar that holds these building blocks together. This is because without humility of heart, the soul cannot acknowledge his own shortcomings. Self-knowledge very easily slips through the cracks of pride. Therefore, first and foremost, pray for humility which is the building block of all the other virtues. The soul who thinks he is humble is the farthest from humility. False humility, which is humility practiced to impress others, causes many a house of holiness to tumble down. Without humility, the self-knowledge needed to increase in personal holiness is elusive."

[Read 1 Corinthians 2:12-13](#)

[March 11, 2021](#). God the Father says: "When you understand that deeper holiness is dependent upon deeper humility, it is then necessary to explore ways in which you fail in humility. Pride is the opposite of humility. Therefore, the soul who wants to become more holy needs to discover areas of pride in his life. Pride is always based upon disordered self-love. This may be demonstrated in placing self first - others last. Pride likes the spotlight and thrives upon self-importance. Pride presents itself as having all the answers or in concern for how others regard him. Now, you must understand, that moving deeper into holiness requires a big effort of free will. Free-will choices will

have to constantly be surrendered to the most humble thought, word or deed. This choice of deeper holiness has to be supported by much prayer seeking Heaven's assistance. The soul will never build a stronger 'house' of personal holiness without the help of the Master Carpenter - Me. I send the necessary grace through the Heart of the Holy Mother. The soul cannot become more holy unless he is willing to try to become more humble. He can only accomplish deeper humility through the enlightenment of prayer. Deeper holiness is the fruit of deeper Holy Love in the heart."

May 8, 2021. God the Father says: "Children, in your efforts to keep your spiritual 'household' secure, you must make prayer a priority throughout the day. Do this by inviting Me to be a part of every present moment when you awaken in the morning. You will feel the effects of grace working in your midst throughout the day. If all souls in the world today would do so, you would have no corruption, no political agendas, no dishonesty. The Truth would rule each heart. As it is, there is only a minority of souls who live this way. The Truth has taken a beating."

May 14, 2021. God the Father says: "Children, make certain your own spiritual 'house' is in order before you scrutinize someone else's spirituality. Truth be told, no one is perfect. It is never easy to forgive. However, Holy Love dictates Holy Forgiveness. If you are walking with Me, make certain you are not carrying burdens of unforgiveness which impede your spiritual progress. Unforgiveness is pride in disguise. Pray for humility of heart. The humble heart does not know how to be unforgiving. The humble heart is closer to Me than many of high and exalted reputations on earth. Once again, embrace humility which pleases Me."

July 16, 2021. God the Father says: "Your spiritual 'house' cannot be built upon the sandy foundation of guilt over past sins. Believe in My Mercy. Trust in My Mercy. Only then will you be able to proceed to deeper virtue. Keep a focus on all I have provided for you - both corporally and spiritually. To become closer to My Son is to meditate on His Passion and Death. Pray for the Church upon earth which is involved in a quagmire of controversy. The shadows of immorality hide the power of grace that My Son offers through the sacraments of the Church. Build up your spiritual household by breaking with habits of sin. Every spiritual house must be built upon Holy Love - the 'rock' which supports obedience to My Commandments.

Such a 'household' cannot be easy prey to evil. The greatest stumbling block to holiness for many is unforgiveness. Pray to imitate My Mercy towards all and even yourself. In that way, you will firm up the rocks in the foundation of your house of holiness. Such a commitment will bring peace to your own heart and the hearts of those around you."

July 17, 2021. God the Father says: "Your spiritual 'house' is secured with the nails of the Truth. The Holy Truth, of course, is obedience to My Commandments. All that opposes this Truth, begins to destroy your spiritual house. The compromise of Truth begins as disordered self-love creeps in. Sin - no matter how minuscule - is like a wind that gradually pulls apart the spiritual house. The windows in this house are comprised of wisdom. This is Heavenly Wisdom that helps the soul to see what is spiritually dangerous to the spiritual house of your soul. These windows peer out to the outside world but they also look in from the outside. The windows are discernment as to the path the soul is taking. If the spiritual windows become smudged, the soul loses sight of the path he is taking. A daily examination of conscience is your window cleaner in your spiritual house."

July 29, 2021. God the Father says: "Children, I come to you, once again, pleading your cooperation with My Grace. Grace is all-encompassing, life-changing and your salvation. Answering My Call to come to this property is choosing to be open to grace. Cleanse your hearts of doubts, sinful attitudes and any obstacle to My Grace. Allow Me to transform your spiritual 'house' - which is your soul - into a mansion of grace. The greatest treasure you own is your soul. Pay attention to all that affects your soul - every grace and every temptation. Nurture your soul by prayer and sacrifice. Then, I can offer you only the best of My best."

[Read Psalm 23:1-6](#)

August 17, 2021. God the Father says: "Children, secure your faith within the Heart of the Holy Mother. These days, faith is under attack more than ever before. The culture of the day promotes independence. Freedom from God is really slavery to sin. Truth and faith go hand in hand. Faith in Me is also trust in Me. I speak to you through this Messenger not to excite you about the future or to inform you of future events, but to build up your faith and trust in Me, so you will be ready to deal with any calamity. Those who trust simply in the passing things of this world are easy prey to the spirit of fear, anxiety and confusion in the midst of any

crisis. Build your 'house' of spiritual holiness securely on faith based upon Holy Love. Then, I will hold you in My Paternal Heart and there will be no need of the knowledge of future events."
