

**Messages regarding Two Churches which call themselves 'Catholic'
given to Heaven's Holy and Divine Love Messenger Maureen Sweeney-Kyle**

Holy Love Ministries is an ecumenical lay apostolate committed to living and propagating the Holy Love and Divine Love Messages. These Messages which support the Two Great Commandments - Love God above all else and love your neighbor as yourself - are given by means of private revelation to Heaven's messenger Maureen Sweeney-Kyle. Missionary Servants of Holy Love gather to pray for world peace, for an end to abortion and that Hearts open to Heaven's Messages.

St. Thomas Aquinas says: "Praise be to Jesus."

"Child, how twisted and convoluted is some leadership who accuse these Messages as driving a subtle wedge between laity and hierarchy when Heaven speaks only Truth here. Those who want only to present themselves as blameless and perfect should look with the eyes of Truth into their own hearts. Then they should look at the liberal factions within the Church, which certainly oppose the true Church authority. These are the ones that the laity should be cautioned against, not Holy Love Ministries."

"I am your Jesus, born Incarnate."

"I have come to define for you the two Churches in existence today that call themselves 'Catholic'. First, you have the Traditional Church - sound in teaching, unwavering in dogma and doctrine. This is the Church most believe to be intact."

"In reality, the second Church - the liberal Church - calls itself 'Catholic' but parts from Sacred Tradition and does not support the True Faith. The problem is that both of these Churches say they are Catholic. It is not until the layman closely investigates the beliefs and teachings being offered that he can distinguish between traditional and liberal."

"Many just accept all as one. Therein lies the danger. To accept the opinions and decisions as equally sound opposes Truth. This is why souls must not be led astray just by the title of anyone, but look at the spirituality of who is dictating and what they dictate. Many are led astray who do not do so."

"Make certain that the one whom you obey stands for the Truth and supports the Tradition of Faith. Make certain that you are obeying one who builds up the Faith and does not tear it down."

Blessed Mother says: "Praise be to Jesus."

"I tell you, in all honesty, today there are two Churches which call themselves Catholic. The liberal and the traditional. The liberal Church is more concerned with what people think than what God thinks. This is the cause of many an apparition being squelched by hierarchy. At the same time, I caution the traditional Church against self-righteousness. This is a spiritual pitfall of many who become more and more holy. This flaw, too, can lead to negative opinions concerning apparitions."

"So you see, today, it is the Chosen Remnant of the Faithful who seek out and have faith in Heaven's interventions."

"I come only to correct and guide - not to punish. I come to show you My Motherly concern and love for every soul. I am interested in your every present moment from the moment you open your eyes until you close them in the evening. No part of your existence escapes My glance."

"Do not allow your hearts to be troubled, but secure in My Love. I desire only your well-being, be it even in the midst of crosses."

"Put aside your doubts and fears. These are Satan's attempts to unsettle you. Allow Me to protect your faith."

Read 1 Thessalonians 2:3-8

For our appeal does not spring from error or uncleanness, nor is it made with guile; but just as we have been approved by God to be entrusted with the Gospel, so we speak, not to please men, but to please God Who tests our hearts. For we never used either words of flattery, as you know, or a cloak for greed, as God is witness; nor did we seek glory from men, whether from you or from others, though we might have made demands as apostles of Christ. But we were gentle among you, like a nurse taking care of her children. So, being affectionately desirous of you, we were ready to share with you not only the gospel of God but also our own selves, because you had become very dear to us.

Jesus comes holding His Heart in His Hand once again. It is once again surrounded with sharp thorns. He says: "I am your Jesus, born Incarnate."

"I have come to help you understand that those who call themselves 'Catholic' but live in error, desire hiddenness.* Their agenda is to procure high positions within the Church from which to promote their liberal views."

"It is, therefore, the duty of My Remnant Faithful to expose their errors despite persecution. This is part of My Mission here. Because we stand for Truth here, the reflection of this Truth is blinding the eyes of the liberals.** When they attack the Mission, they are trying to shield their own eyes from the Light of Truth. The stronger My Remnant Faithful, the stronger the Light of Truth in the world."

"Understand, then, that My Remnant Faithful must not remain hidden, but must be bold in the Light of Truth. More and more, it must be apparent that there are two churches proclaiming to be Catholic. The enemy does not want his work revealed in the open. My Remnant Faithful must reveal it."

** To desire hiddenness can be a virtue, but only when one lives in the truth of Holy Humility and Holy Love, desiring not to be noticed, yet working behind the scenes (through prayer, sacrifice and contribution of resources and talents), to build up and support the unity of the Church, and not undermine or divide it.*

*** Jesus is referring more specifically to those in high positions of the Church who are rooted in promoting a liberal or "progressive" agenda in opposition to True Magisterial Teaching in the Tradition of Faith.*

Jesus says: "I am your Jesus, born Incarnate."

"I am calling all people and all nations to be united in the Tradition of Faith, for this is the way to appease My Most Mournful Heart. Few there are who understand this call. Many do not even draw a distinction between the conservative Traditions of Faith and liberal attitudes. The souls who do cling to Tradition are often ridiculed and mocked. These are My chosen Remnant."

"When I return, the Remnant will be a small shining light amidst a cloud of confusion which is settling upon the Church. This Remnant, which is forming in hearts, was My consolation during My Passion and Death. Even then, I saw the grave turmoil that would fall upon the faithful during these last days. So many have united in errors which are convenient and pleasing to themselves, but abhorrent to Me. Take for example abortion, those who live together out of wedlock, the grievous love of power and money and much more. The general public lives to please self and not Me."

"This is why I still speak here and why I am asking the Holy Mother to return on Her Feast of Guadalupe. It is why My Father offers His Apocalyptic Blessing* so often.

Read 2 Thessalonians 2:13-15

But we are bound to give thanks to God always for you, brethren beloved by the Lord, because God chose you from the beginning to be saved, through sanctification by the Spirit and belief in the truth. To this he called you through our gospel, so that you may obtain the glory of our Lord Jesus Christ. So then, brethren, stand firm and hold to the traditions which you were taught by us, either by word of mouth or by letter.

Once again, I (Maureen) see a Great Flame that I have come to know as the Heart of God the Father. He says: "You must comprehend that I am the Living God - Creator of Heaven and of earth. I am All-Knowing. From My viewpoint in Heaven, I see the world population, and I tell you, there are two opposing factors - one is conservative, the other is liberal. These two factors affect every walk of life. They are present in governments, religious circles, mass media, entertainment, dress codes and of course, morality. Every so often, these factors become very visible, as they are now in the impeachment hearings.* For the most part, people do not search out the difference, but make their choices accordingly."

"If this were not true, Holy Love would face no opposition in the world today. Truth would be recognized and esteemed. Satan's confusion would be easily recognized for what it is. These Messages** would be savored as a gourmet food is. Transgressions against My Commandments would not be acceptable, as they are today."

"The challenge the world faces today, is to recognize the bi-polar aspects of daily choices - choices between good and evil - conservative and liberal. Do not be fooled into thinking titles and authority always stand for good. With a well-trained conscience, make conservative choices. Do not choose to please people. Make the choices that please Me."

Read Ephesians 4:22-24

Put off the old man that belongs to your former manner of life and is corrupt through deceitful lusts, and be renewed in the spirit of your minds, and put on the new man, created after the likeness of God in true righteousness and holiness.

Jesus comes and bends over me. He asks how I feel. He says: "You will be better by Sunday. I have come to tell you these things."

"The pillars of the Remnant Church are the same ones shown Don Bosco in his prophetic dream. On one pillar is My Holy Mother. The other supports My Eucharistic Heart. Hearts must be well anchored to these two devotions. The time approaches when the only security in the world will be the faith in your hearts."

"Do not trust the faith or the teachings of anyone who is not anchored to these two pillars. These are the devotions that take you into Holy Love to Divine Love."

He leaves.
