WHAT IS IT		A		
The Fifth Chamber of My Heart is secretly hidden within the Fourth Chamber.	4/10/2000	A.1		
It is the Kingdom of the Divine Will within your own heart.	4/10/2000	A.2		
It is the smallest, most elite chamber comprised of the most humble and loving souls.	4/12/2000	A.3		
Within the Fourth Chamber is an inner sanctum - some may term it a Fifth Chamber - which few souls have entered from the beginning of time.	4/17/2000	A.4		
It is union with the Divine Will.	8/26/2000	A.5		
It is no longer two entities, but one.	8/26/2000	A.6		
The Fifth Chamber represents unity with the Divine Will.	10/20/2000	A.7		
The most intimate Chamber of My (Jesus) Divine Heart.	1/31/2001	A.8		
In the Fifth Chamber is but one Will. The human will becomes one - united with the Divine.	5/10/2003	A.9		
The deeper the soul is immersed in the Chambers of these Hearts, the more he is aware of the Father's Will for him. When the soul reaches the Fifth Chamber - Unity with the Divine Will - he becomes the Divine Will himself. This union makes the soul one with the Father's Will.	9/25/2004	A.10		
The Fifth Chamber is Union with the Divine Will. When two things are united, they are still distinguishable as separate entities - like the Two Hearts in the United Hearts Image.	4/2/2007	A.11		
WHO CAN ENTER		B		
Secretly hidden within the Fourth Chamber is the Fifth Chamber of My (Jesus) Heart - it is the Kingdom of the Divine Will within your own heart. It needs to be discovered by the soul as he dwells within the Fourth Chamber. Some souls in the Fourth Chamber do not discover this inner Kingdom (Fifth Chamber), which is My Heart within them - though they are in union with the Divine Will, this discovery of the Fifth Chamber remains elusive.	4/10/2000	B.1		
The Will of God is the height and breadth, indeed the substance of this sanctuary of peace, as is every soul thus admitted.	4/17/2000	B.2		
No one among you can discover the Kingdom of God within, which is the Fifth Chamber, until you first discover your own faults and failings.	10/30/2000	B.3		

HOW DO YOU ENTER		C		
It needs to be discovered by the soul as he dwells within the Fourth Chamber.	4/10/2000	C.1		
When the Will of My Father consumes your heart then shall you partake and share the Kingdom of His Will - the Fifth Chamber.	10/18/2000	C.2		
The reason so few souls are admitted to the Fifth Chamber of My Heart, that is - union with the Divine Will - is that in some small way they fail in trust; there is some area of their lives they have failed to surrender to Me.	8/20/2001	C.3		
I reserve this Final Chamber (Fifth Chamber) for the ones who are resigned to accept everything as from My Father's Hand.	8/20/2001	C.4		
Some souls comply with the Divine Will with such ardor and depth that Jesus draws them into the Fifth Chamber of His Sacred Heart which is Union with the Divine Will.	5/10/2003	C.5		
When you pray, ask Jesus for the grace of loving God's Divine Will. This is how to come into union with the Father's Divine Will (Fifth Chamber). In order to love God's Will, the soul needs to be deep into trust of Divine Provision. This trust is built on love, humility and perseverance.	7/11/2008	C.6		
HOW IS IT EXPERIENCED / WHAT HAPPENS INSIDE		D		
The souls that dwell herein are part of My Heart. They no longer are part of the world, but I am in them. They only exist to accomplish the Father's Will. Such as these give to Me every present moment. They disappear only to be replaced by the Will of My Father.	4/12/2000	D.1		
The hearts that enter this sanctuary never think of self.	4/17/2000	D.2		
Their will is completely annihilated and the Divine Will of My Father reigns supreme.	4/17/2000	D.3		
The soul loses itself (evaporates) and becomes one with My Father in Heaven - each soul is capable of this journey, but few there are that choose it.	4/17/2000	D.4		
How can I explain Fifth Most Intimate Chamber of My Heart? In this Chamber the soul exists and is completely absorbed in the Divine Will. The person no longer lives, but the Will of God lives through him. The Kingdom of the Divine Will reigns within his heart. This Kingdom is the Triumph of Our United Hearts!	4/26/2000	D.5		
It is like food which is assimilated and disappears. It becomes part of the body. This is what the Kingdom of the Divine Will is like. This is the Fifth Chamber of My Most Sacred Heart.	4/26/2000	D.6		

He accepts everything as from the Hand of My Father, knowing everything is a grace and all things turn to the good of his salvation.	4/26/2000	D.7		
Every virtue has been fine-tuned.	4/26/2000	D.8		
Have no more wants - only needs.	4/26/2000	D.9		
Give glory to God in all things for with human eyes you do not always see God's Hand in each event at the outset - but It is there.	4/26/2000	D.10		
Let your whole being radiate your unity with the Divine Will. I have long desired that each soul live in this way.	4/26/2000	D.11		
In the Fifth Chamber, there is no more effort (to imitate God's Will to make himself conform to be as one), but the two wills (human and Divine) are united as one, for in perfect union there is only one entity.	5/3/2000	D.12		
There is now only one entity - self is no longer present.	5/20/2000	D.13		
The soul is one with God and His Divine Will - this is the New Jerusalem.	5/20/2000	D.14		
The soul accepts all things as from the Hand of God.	8/26/2000	D.15		
The most secluded room - the Fifth Chamber of My Heart. Here is pure peace, love, and joy.	10/3/2000	D.16		
It is in this the tiniest room of all that the soul finds complete union with the Divine Will of My Father.	10/3/2000	D.17		
Such a soul settles into this little Chamber not wishing to be found or noticed. His only pleasure is in being there. He is in the present moment always.	10/3/2000	D.18		
The smallest Chamber of My Heart is the one in which the soul realizes the Kingdom of God within.	10/3/2000	D.19		
What it is to be (live this way) in union with the Will of My Father - that is, dwelling in the Fifth Chamber of My Heart: accept all things as from the Hands of God. See, then, the depth of love and humility this requires. The soul is thus able to focus only on the Will of God amidst the greatest trials, and never upon himself - they allow the Flame of Divine Love to devour any semblance of selfishness.	12/2/2000	D.20		
The soul is consumed with the desire to love Me - to please Me.	1/31/2001	D.21		
In this love the soul is taking a giant step beyond conformity to the Divine Will.	1/31/2001	D.22		
in this most elite and intimate fifth Chamber of My Heart, the soul not only accepts, but loves God's Will for him.	1/31/2001	D.23		

It is in this love that has been perfected in the greatest degree possible that the soul comes to union with the Divine Will.	1/31/2001	D.24		
Those precious souls who reach the fifth Chamber of My Heart, live in union with God's Will - God lives in them and they in Him.	2/1/2001	D.25		
These souls do not struggle against God's Will, but accept what comes, waiting to see what good will come from each situation.	8/20/2001	D.26		
The soul in the Fifth Chamber accepts all things as from the Hand of God. There are no longer two wills, but one. He is just as able to celebrate the cross as the victory.	10/4/2001	D.27		
I will describe for you the one that has advanced to the Fifth Chamber of Our United Hearts; for when you understand perfection, you will have before you the goal to reach for. The soul in union with the Divine Will does not fear humiliation or being unjustly accused. He does not take others to task for their errors, but constantly searches his own heart for his own errors. He receives and responds to correction with a gentle, loving heart. He does not pout nor lay blame or flare up at others. He is approachable - always being open to questions and suggestions. He freely shares his time and space; in fact, is openly generous in all ways. 'He considers all others holier than he himself. There is no self-righteousness in his heart. He does not presume to know more or to have a better opinion than others. He states his opinion and lets go of it. He has a good sense of where he stands before God, not congratulating himself on graces or gifts received, but always seeking a deeper conversion of heart. This, then, is the state of holiness each one needs to pursue.	10/4/2001	D.28		
You ponder the atmosphere of the Fifth Chamber - Union with the Will of God. Every moment is like the first step into paradise. Every moment is like being reunited with loving memories - loving souls who await on the other side of the veil between life and death. Every moment in the Fifth Chamber radiates love, joy and peace to the souls who enter herein.	4/25/2002	D.29		
These souls know no fear, anger or unforgiveness. They have no enemy. They only have knowledge of souls who oppose God's Will and need prayer.	4/25/2002	D.30		
If the soul should reach unity with the Divine Will, the Fifth Chamber, he is less likely to succumb to anxiety and/or unforgiveness, for he is now falling in love with the Father's Will, which comes into his heart as trust.	7/15/2008	D.x

Let Me be your portion. I am the Way and the Truth and the Life. Everything you need will be given you; but the center of your being needs to be given to Me. Only then will you find true peace. Only then through union with the Divine Will shall you discover the Kingdom of God within [Fifth Chamber].	10/18/2000	E.3

Let nothing stand between us - not affairs in the world, worry for the future or any flaw in virtue. Allow the Fifth Chamber to consume your heart, and your heart to embrace the Fifth Chamber (union with Divine Will). The soul that strives after this yields a blow to Satan that he cannot recover from.	2/5/2004	E.11		

Sequester your heart in the Divine Will of the Eternal Father. At first this may take profound effort as you struggle to conform your free will with the Divine. But as you grow more and more united to the Divine Will, the flame of conformity in your own heart will grow bigger and brighter until at last you need no effort at all - there is union! Then discover within your own heart the Will of the Father. This is the Fifth Chamber.	2/14/2004	E.12

Just as My (Jesus) Heart holds Five Chambers, each soul has a coordinating chamber in his own heart. In the Fifth Chamber of My Heart, the Chamber where the human will and Divine Will are one, the soul recognizes that all along the Kingdom of God dwells within.	5/23/2000	F.2		
I (Jesus) sit down next to the guests who come into the Fifth Chamber and they are always in Me.	10/3/2000	F.3

<p>There are martyrs and other saints who are in the highest place in the Fifth Chamber - for there are certain priority levels within each Chamber - all according to merit. Yet, these saints, while standing very close to the Sixth Chamber, are not allowed entrance. You cannot understand this unless you comprehend that every present moment counts towards your eternal reward. It is how deeply the soul immerses his heart and becomes one with the Divine Will while on earth, that determines admission to the Sixth Chamber. In other words, the heart must be immersed in the Divine Will while on earth. There are so few that have accomplished this, and very few in the world today.</p>	<p>2/24/2006</p>	<p>F.13</p>		
<p>All the strengths of the First, Second, Third and Fourth Chambers unite in the Fifth and Sixth Chambers.</p>	<p>7/27/2007</p>	<p>F.14</p>		
<p>Self-satisfaction propels the soul out of the First Chamber and farther away from the coveted Fifth Chamber - union with the Divine Will. Discouragement achieves the same end.</p>	<p>1/24/2014</p>	<p>F.15</p>
