

THE ROSARY OF THE STATES

The Rosary of the States is said as a normal rosary, preferably using the Rosary of the Unborn (*see Message of 6/24/22*). The only difference is that before each Hail Mary, one of the 50 States is announced first. Use the states listed in alphabetical order below as your guide.

*"You must pray now for the states that have not chosen to protect life in the womb. Be united in this prayer effort. Do not rest on this victory which is on the federal level. **Concentrate on the errant states* who oppose life.**" God the Father - 6/28/2022*

(*According to LifeSite News, the states **in red** provide abortion with little to no restrictions. The states **in green** protect life throughout pregnancy. The states **highlighted in yellow**, face an ongoing legal battle to protect life. See www.lifesitenews.com/news/map-most-abortion-are-banned-in-12-states/.)
